CRP sought a lift stay order with respect to arbitration proceedings relating to the termination of Vicki Anderson who was terminated by ~~[illegible]~~ CRP and filed a grievance. There have been 8 days of hearing. One day, Nov 3, 09, was scheduled for final argument.

Having considered the relative prejudice to the parties + a balancing of their interests + given the applicant's business + the monitor's support, I granted the lift stay order so that that argument could be completed.
