FIFTH REPORT OF FTI CONSULTING CANADA INC.,  
in its capacity as Monitor of the Applicants

May 27, 2015

**INTRODUCTION**

1. On December 3, 2014 (the "**Filing Date**"), Cline Mining Corporation ("**Cline**"), New Elk Coal Company LLC ("**New Elk**") and North Central Energy Company (collectively, the "**Applicants**") filed for and obtained protection under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the "**CCAA**"). Pursuant to the Order of this Honourable Court (the "**Initial Order**") dated December 3, 2014, FTI Consulting Canada Inc. ("**FTI**") was appointed as the Monitor of the Applicants (the "**Monitor**") in these CCAA proceedings (the "**CCAA Proceedings**"). The Initial Order provided, *inter alia*, for a stay of proceedings through to and including December 31, 2014 for the Applicants.

2. On the Filing Date, this Honourable Court also granted an Order that approved a claims process for the identification and determination of claims against the Applicants and their present and former directors and officers (the "**Claims Procedure Order**") and an Order authorizing the Applicants to file a plan of compromise and arrangement and to convene

meetings of their affected secured creditors, affected unsecured creditors, and the WARN Act Plaintiffs (as defined in the Claims Procedure Order) to consider and vote on such plan (the "**Meetings Order**").

3. On December 3, 2014, the Monitor commenced ancillary cases in the United States by filing petitions under chapter 15 of the United States Bankruptcy Code in the United States Bankruptcy Court for the District of Colorado (the "**U.S. Bankruptcy Court**").

4. On December 4, 2014 the Monitor, as foreign representative of the Applicants, obtained certain relief from the U.S. Bankruptcy Court, including (i) the joint administration of the Chapter 15 Proceedings, (ii) approval of the form and manner of notice of the Chapter 15 Proceedings, and (iii) the entry of a temporary restraining order (the "**TRO**") staying the commencement or continuation of proceedings against the Applicants and preventing parties from exercising contractual rights triggered by the commencement of insolvency proceedings in respect of the Applicants.

5. On December 11, 2014, the U.S. Bankruptcy Court entered a preliminary injunction extending the relief granted in the TRO pending further determination in the Chapter 15 Proceedings.

6. On December 22, 2014, this Honourable Court issued an Order approving an extension of the Stay Period (as defined in the Initial Order) to and including March 1, 2015.

7. On January 15, 2015 the U.S. Bankruptcy Court entered an Order granting recognition of the CCAA Proceedings and giving full force and effect in the United States to the Initial Order, Claims Procedure Order, and Meetings Order.

8. On January 20, 2015 the Applicants filed an amended and restated plan of compromise and arrangement (the “**Plan**”). On January 27, 2015, this Honourable Court issued an Order (the “**Sanction Order**”) extending the Stay Period to and including April 1, 2015 and approving and sanctioning the Plan, as may be further amended, restated, modified or supplemented from time to time.

9. On January 28, 2015, the U.S. Bankruptcy Court entered an Order giving full force and effect to the Sanction Order in the United States.

10. On March 30, 2015, this Honourable Court issued an Order approving an extension of the Stay Period to and including June 1, 2015.

11. On May 26, 2015 the Applicants filed a second amended and restated plan of compromise and arrangement (the “**Amended and Restated Plan**”, attached as Appendix “A” hereto). The Monitor sent the Notice of Plan Amendment Affecting Secured Noteholders, which contains a blackline of the Plan to the Amended and Restated Plan, to Affected Creditors on May 26, 2015 (attached hereto as Appendix “B”).

12. The Applicants’ stated objectives for the CCAA Proceedings include permitting them to pursue a recapitalization with a view to maximizing value for the benefit of their stakeholders. The Applicants believe that without the benefit of CCAA protection there could be significant erosion in the value of the Cline Group (being the Applicants and Raton Basin Analytical LLC, collectively) that could result in the loss of tax attributes and various exploration, mining and environmental permits.

13. Unless otherwise stated, all monetary amounts contained in this fifth report of the Monitor (the “**Fifth Report**”) are expressed in Canadian dollars. Capitalized terms not

otherwise defined herein have the meanings ascribed thereto in the Amended and Restated Plan and the affidavit of Matthew Goldfarb sworn December 2, 2014, as applicable.

14. The following appendices have been attached to this Fifth Report:
- a) Appendix “A” – Amended and Restated Plan;
  - b) Appendix “B” – Notice of Plan Amendment Affecting Secured Noteholders and blackline of the Plan to the Amended and Restated Plan;
  - c) Appendix “C” – the May Forecast (as defined below); and
  - d) Appendix “D” – the fourth report of the Monitor dated March 25, 2015 (the “**Fourth Report**”, without appendices).

#### **PURPOSE**

15. The purpose of the Monitor’s Fifth Report is to provide information to this Honourable Court and the Applicants’ stakeholders relating to the following:

- a) the status of the Applicants’ CCAA Proceedings, including an update regarding the implementation of the Plan;
- b) a summary of the key terms in the Amended and Restated Plan
- c) the status of the claims process;
- d) the state of the Applicants’ financial affairs, including:
  - i. the Applicants’ actual receipts and disbursements for the period from March 16, 2015 to May 24, 2015; and

- ii. the Applicants' post-filing consolidated cash position and liquidity as detailed in the May Forecast;
- e) the Monitor's activities since the date of the Fourth Report, being March 25, 2015; and
- f) the Monitor's conclusions and recommendations regarding the Applicants' motion for an Order that grants, among other things, an extension of the Stay Period and approves of certain technical amendments to the Plan, as set forth in the Amended and Restated Plan.

#### **TERMS OF REFERENCE**

16. In preparing this report, the Monitor has relied upon audited and unaudited financial information of the Applicants, the Applicants' books and records (where appropriate), certain financial information prepared by the Applicants and discussions with various parties, including the Applicants' management and counsel to the Applicants (collectively, the "**Information**").

17. Except as described in this Fifth Report:

- a) the Monitor has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the Canadian Institute of Chartered Accountants Handbook; and
- b) the Monitor has not examined or reviewed financial forecasts and projections referred to in this report in a manner that would comply with the procedures described in the Canadian Institute of Chartered Accountants Handbook.

## GENERAL BACKGROUND

18. The Cline Group is in the business of locating, exploring and developing mineral resource properties, with a particular focus on gold and metallurgical coal.

19. To avoid unnecessary duplication, please refer to the Initial Order, the Meetings Order, the Claims Procedure Order and the Sanction Order, together with other motion materials and orders granted by this Honourable Court and the U.S. Bankruptcy Court, FTI's pre-filing report dated December 2, 2014 (the "**Pre-Filing Report**"), the Monitor's prior reports filed in the CCAA Proceedings and other documentation filed in the CCAA Proceedings which have been posted on the Monitor's website at <http://cfcanada.fticonsulting.com/cline>.

## UPDATE REGARDING THE CCAA PROCEEDINGS

20. Since the Sanction Order was granted by this Honourable Court on January 27, 2015, the Applicants, Marret Asset Management Inc. ("**Marret**", on behalf of the Secured Noteholders) and the Monitor have been working towards implementation of the Plan.

21. As described further in the Second Report, implementation of the Plan was conditional upon the satisfaction or waiver (to the extent permitted) of certain conditions prior to or at the Effective Time. As of the date of the Fourth Report, being March 25, 2015, a limited number of tasks remained to be completed prior to implementation of the Plan. Amongst these tasks was the Secured Noteholders' application to obtain certain relief from the Ontario Securities Commission (the "**OSC**").

22. As described in the Monitor's Fourth Report, Marret sought exemptive relief from the OSC on behalf of certain Secured Noteholders with respect to section 2.6(f) of National Instrument 81-102, which regulates the ability of investment funds to lend cash. Such relief

would be necessary for Marret's regulated investment funds to hold the New Secured Debt (as defined and contemplated in the Plan). Additionally, Marret sought exemptive relief from sections 111(2)(b) and 111(4) of the *Securities Act*, which restrict the ability of a regulated investment fund to make an investment in which the investment fund, alone or together with one or more related investment funds, is a substantial security holder. Marret sought such relief because, pursuant to the existing terms of the Plan, certain of the Secured Noteholders who are regulated investment funds would own, in the aggregate, more than 20 percent of the voting rights attached to the voting securities of Cline on the Plan Implementation Date and therefore would constitute substantial security holders.

23. The Monitor has been advised by the Applicants that the OSC did not grant the exemptive relief requested by Marret. As a result, the Plan cannot be implemented in its present form. Accordingly, certain amendments to the Plan have been proposed by the Applicants in order to alter the form of consideration to be received by the Secured Noteholders so that the Secured Noteholders can hold such consideration and be in compliance with applicable securities laws.

24. Section 10.5(a)(ii) of the Plan provides that the Applicants reserve the right, at any time and from time to time, to amend, restate, modify and/or supplement the Plan, provided that any such amendment, restatement, modification or supplement must be contained in a written document and, if made following the Meetings, approved by this Honourable Court following notice to the Affected Creditors. As described above, such notice was given by way of the Notice of Plan Amendment Affecting Secured Noteholders which the Monitor sent to Affected Creditors on May 26, 2015. The amendments being proposed by way of the Amended and Restated Plan are described below.

## SUMMARY OF KEY TERMS IN THE AMENDED AND RESTATED PLAN

### *Issuance of Cline Shares*

25. The Plan provides for the issuance of one class of voting common shares in Cline to the Secured Noteholders on the Plan Implementation Date. However, Secured Noteholders that are regulated investment funds are restricted from holding a substantial voting position in Cline. To address this, the Amended and Restated Plan provides for the issuance of two separate classes of common shares, being as follows:

- a) a class of voting common shares in the capital of Cline (the “**New Cline Common Shares**”); and
- b) a class of non-voting common shares in the capital of Cline (the “**New Cline Convertible Shares**”) that are convertible into New Cline Common Shares on a one-to-one basis at the election of the holder.

26. The New Cline Common Shares and the New Cline Convertible Shares will have the same economic entitlements and differ only with respect to their voting rights. The Amended and Restated Plan provides that New Cline Common Shares will be issued to Secured Noteholders that are not regulated investment funds and New Convertible Common Shares will be issued to Secured Noteholders that are regulated investment funds. Following the implementation of the Amended and Restated Plan, the New Cline Common Shares and New Cline Convertible Shares would, collectively, constitute all of the equity of Cline.

27. The issuance of New Cline Convertible Shares to Secured Noteholders that are regulated investment funds will ensure that the regulated investment funds do not hold a voting

position in Cline, thereby addressing the regulatory issue created by the voting rights that the regulated investment funds would hold under the Plan.

28. As the Secured Noteholders are the only parties receiving common shares in Cline under the Amended and Restated Plan, the amendment to provide for two classes of New Cline Shares will not affect any Affected Creditors other than the Secured Noteholders. Furthermore, the Monitor is advised that Marret, on behalf of the Secured Noteholders, is supportive of this amendment.

#### *Secured Debt*

29. The Plan provides for \$55 million in first-ranking New Secured Debt to be issued to the Secured Noteholders in the form of a credit facility governed by the terms of a New Credit Agreement (as defined in the Plan). However, as described above, Secured Noteholders that are regulated investment funds are restricted from holding such debt. Accordingly, the Amended and Restated Plan provides for \$55 million in secured debt to be held pursuant to secured notes governed under trust indentures that will have the same terms as were originally contemplated under the New Credit Agreement.

30. The Amended and Restated Plan provides that \$55 million of the existing Secured Notes will be left outstanding under the existing Indentures and that the existing Indentures will be amended to conform them with the terms that were originally to be set out in the New Credit Agreement. This approach avoids the need to re-document and re-register all of the security and mortgages in respect of the \$55 million of secured debt, since those documents and registrations are already in place with respect to the Secured Notes. The Amended and Restated Plan provides that all amounts owing in respect of the Secured Notes in excess of the \$55 million will be cancelled on the Plan Implementation Date.

31. The foregoing is accomplished under the Amended and Restated Plan by separating the Secured Noteholders Allowed Secured Claim (in the amount of \$92,673,987) into a Secured Noteholders Affected Secured Claim (in the amount of \$37,673,897) and a Secured Noteholders Unaffected Secured Claim (in the amount of \$55 million). The Secured Noteholders Affected Secured Claim will be compromised and released in exchange for the issuance of New Cline Common Shares and New Cline Convertible Shares, as applicable. The Secured Noteholders Unaffected Secured Claim will continue under the Secured Notes in the principal amount of \$55 million. The purpose of these amendments is to ensure that debt obligations held by Marret's regulated investment funds constitute permitted indebtedness for the purposes of National Instrument NI 81-102.

32. This amendment will not affect any Affected Creditors other than the Secured Noteholders. Furthermore, the Monitor is advised that Marret, on behalf of the Secured Noteholders, is supportive of this amendment.

33. Finally, the Amended and Restated Plan also contains certain related technical amendments to effectuate the revised arrangements with respect to the consideration to be received by Secured Noteholders.

#### **STATUS OF THE CLAIMS PROCESS**

34. On the Filing Date, this Honourable Court issued the Claims Procedure Order that approved a process for the identification and quantification of claims against the Applicants and their present and former directors and officers.

35. The Monitor reported two Disputed Claims that remained to be resolved as of the date of the Fourth Report, being March 25, 2015. These two Disputed Claims are summarized in the following table:

Creditor	Amount per Notice of Claim	Amount per Notice of Dispute
Canada Brokerlink (Ontario) Inc.	-	3,753.59
Jennifer K. Byrd	30,000.00	374,375.29

36. Canada Brokerlink (Ontario) Inc. (“**Brokerlink**”) has asserted that it is owed money in connection with certain commercial liability insurance. The Monitor understands that Brokerlink, through its collection agent, is still in the process of finalizing a settlement with Cline. The Monitor will provide an update in this regard in a subsequent report.

37. Jennifer Byrd’s Claim is based on a discrimination claim against New Elk that was previously filed in Colorado. The Applicants continue to be engaged in settlement discussions with Ms. Byrd’s legal counsel. The Monitor will provide an update in this regard in a subsequent report.

38. The Applicants, with the assistance of the Monitor, will continue to work towards resolving these Disputed Claims.

## THE APPLICANTS’ FINANCIAL AFFAIRS

39. Since the Filing Date, the Monitor has continued reviewing the actual receipts and disbursements of the Applicants as well as the Applicants’ cash flow statements.

***Actual Receipts and Disbursements for the Period from March 16, 2015 to May 24, 2015***

40. The Applicants’ actual net cash flow from the period of March 16, 2015 to May 24, 2015 (the “**Current Period**”) together with an explanation of key variances as compared to the cash flow forecast provided in the Monitor’s Fourth Report is described below. Actual net cash flows for the Current Period were approximately \$0.8 million higher than forecast and are summarized as follows:

	Forecast	Actual	Variance
<i>\$ thousands</i>			
<b>Cash Flow from Operations</b>			
Receipts	126.8	0.9	(125.9)
Operating Disbursements	(1,896.1)	(1,077.5)	818.6
<b>Operating Cash Flows</b>	<b>(1,769.3)</b>	<b>(1,076.6)</b>	<b>692.7</b>
Restructuring/ Non-Recurring Disbursements	(480.7)	(385.7)	95.0
<b>Projected Net Cash Flow</b>	<b>(2,250.0)</b>	<b>(1,462.3)</b>	<b>787.7</b>
Beginning Cash Balance	7,127.8	7,127.8	-
<b>Ending Cash Balance</b>	<b>4,877.8</b>	<b>5,665.4</b>	<b>787.7</b>

41. The variance in actual receipts and disbursements is comprised primarily of the following:

- a) a negative variance in receipts of \$0.1 million relating to a timing difference in the receipt of the Harmonized Sales Tax refund, this variance is anticipated to reverse in future weeks;
- b) a positive variance in operating disbursements of \$0.8 million, of which \$0.5 million is temporary and \$0.3 million is permanent, primarily in relation to a reduction in properties and liabilities insurance; and,

- c) a positive variance in restructuring/non-recurring disbursements of \$0.1 million relating to legal and professional fees, which are primarily timing differences that are anticipated to be temporary in nature and reverse in future weeks.

***The Applicants' Revised Cash Flow Forecast***

42. The Applicants prepared a cash flow forecast for the period from May 25 2015 to August 30, 2015 (the “**May Forecast**”), attached as Exhibit “C” hereto.

43. The May Forecast shows a negative cash flow of approximately \$5.9 million and is summarized below:

(CAD in millions)	
	Total
<b>Cash Flow from Operations</b>	
Receipts	0.6
Operating Disbursements	(4.9)
<b>Operating Cash Flows</b>	<b>(4.3)</b>
Restructuring/ Non-Recurring Disbursements	(1.6)
<b>Projected Net Cash Flow</b>	<b>(5.9)</b>
Beginning Cash Balance	8.6
<b>Ending Cash Balance</b>	<b>2.7</b>

44. It is anticipated that the Applicants' projected liquidity requirements through to August 17, 2015, being the end of the requested Stay Period, will be met by existing funds available to the Applicants.

**MONITOR'S ACTIVITIES**

45. Since its appointment, the Monitor has been involved with numerous aspects of the CCAA Proceedings with a view to fulfilling its statutory and court-ordered duties and obligations, as well as assisting the Applicants and their stakeholders in addressing restructuring

issues. FTI described some of the more significant matters that it was involved in prior to the Filing Date in the Pre-Filing Report. In addition, the Monitor described some of the more significant matters it was involved in since the Filing Date through March 25, 2015 in its previous reports. Since then, some of the more significant matters that the Monitor has been involved in, and assisted with, include, but are not limited to the following:

- a) posting various materials relating to the CCAA Proceedings on its website <http://cfcanada.fticonsulting.com/cline> and continuing to update the website by posting, among other things, the Monitor's reports, motion materials, and Orders granted in the CCAA Proceedings;
- b) maintaining a toll free hotline number (416-649-8099/1-855-398-7390) and a dedicated email inbox ([cline@fticonsulting.com](mailto:cline@fticonsulting.com)) to allow creditors and other interested parties to contact the Monitor to obtain additional information concerning the CCAA Proceedings and responding in a timely manner;
- c) participating in numerous discussions with senior management of the Applicants and the Applicants' legal advisors in connection with the Applicants' business and financial affairs, generally, and in connection with the preparation of the Applicants' cash flow forecasts;
- d) assisting the Applicants with the review of the Applicants' receipts and disbursements, the preparation of cash flow forecasts and the reporting thereon;
- e) responding to enquiries from creditors regarding the CCAA Proceedings;
- f) preparing for and attending the Stay Period extension hearing;

- g) participating in numerous discussions with the Applicants and the Applicants' legal advisors in connection with matters related to the Plan, the Amended and Restated Plan and the implementation of the Amended and Restated Plan; and
- h) preparing and delivering this Fifth Report.

## **CONCLUSIONS AND RECOMMENDATION**

46. It is the Monitor's view that the Applicants continue to act with due diligence and in good faith and have not breached any requirements under the CCAA or any other Order of the Court.

47. It is the Monitor's view that the effect of the proposed amendments to the Plan, as provided in the Amended and Restated Plan, is to modify the form (although not the economic attributes) of the consideration received by the Secured Noteholders. Such amendments have no economic impact on the Secured Noteholders, and they do not affect any of the Affected Creditors other than the Secured Noteholders. The Monitor believes that the Amended and Restated Plan is fair and reasonable.

48. The current Stay Period expires on June 1, 2015. In order to allow the Applicants sufficient time to continue towards their restructuring goals and implement the Amended and Restated Plan, the Applicants are requesting that the Stay Period be extended to August 17, 2015.

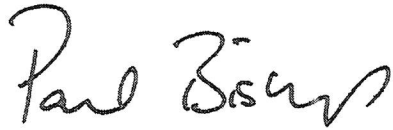

49. The Monitor believes that the proposed extension is fair and reasonable in the circumstances and that the Applicants will require the protection of the stay of proceedings in order to carry out the Amended and Restated Plan.

50. The Monitor also respectfully requests that this Honourable Court approve the Fourth Report and the activities described therein.

All of which is respectfully submitted this 27th day of May, 2015.

## **ARTICLE 2 PURPOSE AND EFFECT OF THE PLAN**

### **2.1 Purpose**

The purpose of the Plan is:

- (a) to implement a recapitalization of the Applicants;
- (b) to provide for a settlement of, and consideration for, all Allowed Affected Claims;
- (c) to effect a release and discharge of all Affected Claims and Released Claims; and
- (d) to ensure the continuation of the Applicants,

in the expectation that the Persons who have a valid economic interest in the Applicants will derive a greater benefit from the implementation of the Plan than they would derive from a bankruptcy of the Applicants.

### **2.2 Persons Affected**

The Plan provides for a full and final release and discharge of the Affected Claims and Released Claims, a settlement of, and consideration for, all Allowed Affected Claims and a recapitalization of the Applicants. The Plan will become effective at the Effective Time in accordance with its terms and in the sequence set forth in section 5.3 and shall be binding on and enure to the benefit of the Applicants, the Affected Creditors, the Released Parties and all other Persons directly or indirectly named or referred to in or subject to Plan.

### **2.3 Persons Not Affected**

The Plan does not affect the Unaffected Creditors, subject to the express provisions hereof providing for the treatment of Insured Claims and the unsecured deficiency portion of Unaffected Secured Claims. Nothing in the Plan shall affect the Applicants' rights and defences, both legal and equitable, with respect to any Unaffected Claims including all rights with respect to legal and equitable defences or entitlements to set-offs or recoupments against such Unaffected Claims.

**ARTICLE 3**  
**CLASSIFICATION AND TREATMENT OF CREDITORS AND RELATED MATTERS**

For greater certainty, Equity Claimants shall constitute a separate class but shall not be entitled to attend the Meetings, vote on the Plan or receive any distributions under or in respect of the Plan.

**3.3 Creditors' Meetings**

The Meetings shall be held in accordance with the Meetings Order and any further Order of the Court. The only Persons entitled to attend and vote at the Meetings are those specified in the Meetings Order.

**3.4 Treatment of Affected Claims**

An Affected Claim shall receive distributions as set forth below only to the extent that such Claim is an Allowed Affected Claim and has not been paid, released, or otherwise satisfied prior to the Plan Implementation Date.

(1) **Secured Noteholders Class**

(a) In accordance with the steps and sequence set forth in section 5.3, under the supervision of the Monitor, and in full and final satisfaction of the Secured Noteholders Affected Secured Claim and all Affected Secured Note Obligations, each Secured Noteholder will receive its Secured Noteholder's Share of the New Cline Shares issued on the Plan Implementation Date as follows:

The Amended Indentures shall take effect on the Plan Implementation Date and shall continue in full force and effect from and after the Plan Implementation Date in accordance with their terms. The reduction of the amounts owing in respect of the Secured Notes to \$55,000,000 pursuant to this section 3.4(1)(b) shall be allocated proportionately as between the 2011 Notes and the 2013 Notes, such that each series of Secured Notes undergoes the same percentage reduction in the amount owing based on the amounts outstanding in respect thereof as of the Plan Implementation Date.
- (c) For greater certainty, the Secured Noteholders Allowed Unsecured Claim, the Marret Unsecured Claim and any portion of any other Allowed Affected Claim that is validly secured but in respect of which there is a deficiency in the realizable value of the security held in respect of such Claim, shall be deemed to be and shall be treated as Allowed Affected Unsecured Claims notwithstanding that they are secured by a valid security interest over the assets or property of the Applicants.

(2) **Affected Unsecured Creditors Class**

In accordance with the steps and sequence set forth in section 5.3, under the supervision of the Monitor, and in full and final satisfaction of all Affected Unsecured Claims, each Affected Unsecured Creditor with an Allowed Affected Unsecured Claim will receive the following consideration:

- (a) with respect to Affected Unsecured Creditors with Allowed Affected Unsecured Claims that are not Convenience Creditors, each such Affected Unsecured Creditor shall become entitled on the Plan Implementation Date to its Individual Unsecured Plan Entitlement (which, for greater certainty, shall not be payable until the Unsecured Plan Entitlement Date); and
- (b) with respect to Convenience Creditors with Allowed Affected Unsecured Claims, each such Convenience Creditor shall receive a cash payment on the Plan Implementation Date equal to the lesser of (i) \$10,000; and (ii) the amount of its Allowed Affected Unsecured Claim.

The Secured Noteholders and Marret (on behalf of the Secured Noteholders and in its individual corporate capacity) hereby waive, and shall not receive, any distributions in respect of the

Secured Noteholders Allowed Unsecured Claim and the Marret Unsecured Claim, respectively. All Affected Unsecured Claims shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred on the Plan Implementation Date.

(3) **WARN Act Plaintiffs Class**

If the Required Majorities of the WARN Act Plaintiffs Class vote to approve the Plan at the WARN Act Plaintiffs Meeting and the Plan is implemented in accordance with its terms, then:

- (a) the Proof of Claim dated January 13, 2015 filed by Class Action Counsel in respect of the WARN Act Claims shall be deemed to be Allowed as an aggregate Distribution Claim in the amount set forth on such Proof of Claim, provided that the WARN Act Claims (including the associated attorneys' fees included therein) shall be deemed to be unsecured and to have no security or priority status, and the 307 individuals identified in such Proof of Claim shall be deemed to be WARN Act Plaintiffs with Allowed WARN Act Claims in amounts to be determined by Class Action Counsel in accordance with the parameters of the WARN Act Class Action, with all such amounts totalling the aggregate amount set forth on such Proof of Claim;
- (b) in accordance with the steps and sequence set forth in section 5.3, under the supervision of the Monitor, and in full and final satisfaction of all WARN Act Claims:
  - (i) each WARN Act Plaintiff with an Allowed WARN Act Claim shall become entitled on the Plan Implementation Date to the following:
    - (A) its Individual WARN Act Plan Entitlement (which, for greater certainty, shall not be payable until the WARN Act Plan Entitlement Date); and
    - (B) its WARN Act Plaintiff's Share of the WARN Act Cash Payment (which for greater certainty shall be payable to Class Action Counsel, for the benefit of the WARN Act Plaintiffs, on the Plan Implementation Date); and
  - (ii) New Elk shall pay the Class Action Initial Expense Reimbursement to Class Action Counsel on the Plan Implementation Date.

All WARN Act Claims shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred on the Plan Implementation Date, provided that neither the foregoing nor the provisions of Article 7 hereof releases any defendants presently named in the WARN Act Class Action other than the Applicants. Forthwith following the Plan Implementation Date, Class Action Counsel shall irrevocably terminate and discontinue the WARN Act Class Action against the Applicants and no Person shall take any steps or actions against the Applicants in furtherance of a WARN Act Claim. Forthwith following the Plan Implementation Date, the Applicants shall provide Class Action Counsel with addresses and social security numbers of the individual WARN Act Plaintiffs to the extent that such

information is available based on the Applicants' books and records for the purpose of enabling Class Action Counsel to make distributions to such individuals.

(4) **Equity Claimants**

Equity Claimants shall not receive any distributions or other consideration under the Plan or otherwise recover anything in respect of their Equity Claims or Equity Interests and shall not be entitled to attend or vote on the Plan at the Meetings. On the Plan Implementation Date, in accordance with the steps and sequences set out in section 5.3, all Equity Interests shall be cancelled and extinguished and all Equity Claims shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred, provided that, notwithstanding anything to the contrary herein: (i) the Existing New Elk Units shall not be cancelled or extinguished and shall remain outstanding and shall remain solely owned by Cline following completion of the steps and sequences set out in section 5.3; and (ii) the Existing North Central Units shall not be cancelled or extinguished and shall remain outstanding and shall remain solely owned by New Elk following completion of the steps and sequences set out in section 5.3.

- (b) Unaffected Creditors will not receive any consideration or distributions under the Plan in respect of their Unaffected Claims, and they shall not be entitled to vote on the Plan at the Meetings in respect of their Unaffected Claims.
- (c) Notwithstanding anything to the contrary herein, Insured Claims shall not be compromised, released, discharged, cancelled or barred by the Plan, provided that from and after the Plan Implementation Date, any Person having an Insured Claim shall be irrevocably limited to recovery in respect of such Insured Claim solely from the proceeds of the applicable Insurance Policies, and Persons with any Insured Claims shall have no right to, and shall not, directly or indirectly, make any claim or seek any recoveries from any Person, including any of the Applicants, any of the Cline Companies or any Released Party, other than enforcing such Person's rights to be paid by the applicable insurer(s) from the proceeds of the applicable Insurance Policies. This section 3.5(c) may be relied upon and raised or pled by any of the Applicants, any of the Cline Companies or any Released Party in defence or estoppel of or to enjoin any claim, action or proceeding brought in contravention of this section. Nothing in the Plan shall prejudice, compromise, release or otherwise affect any right or defence of any insurer in respect of an Insurance Policy or any insured in respect of an Insured Claim.
- (d) Notwithstanding anything to the contrary herein, in the case of Unaffected Secured Claims, at the election of the Applicants:
  - (i) the Applicants may satisfy any Unaffected Secured Claims by returning the applicable property of the Applicants that is secured as collateral for

such Claims, in which case the Unaffected Secured Claim shall be deemed to be fully satisfied, provided that if the applicable Unaffected Secured Creditor asserts that there is a deficiency in the value of the applicable collateral relative the value of the Unaffected Secured Claim, such Creditor shall be permitted to file such unsecured deficiency Claim as a Restructuring Period Claim prior to the Restructuring Period Claims Bar Date (as defined in the Claims Procedure Order) in accordance with the Claims Procedure Order, and such unsecured deficiency Claim shall be treated as an Affected Unsecured Claim for the purpose of this Plan, the Meetings Order and all related matters; and

- (ii) if the Applicants do not elect to satisfy an Unaffected Secured Claim in the manner described in section 3.5(d)(i), then such Unaffected Secured Claim shall continue unaffected as against the applicable Applicants following the Plan Implementation Date.
- (e) The Secured Noteholders Unaffected Secured Claim shall be addressed in the manner set forth in section 3.4(1)(b) hereof.

### **3.6 Disputed Distribution Claims**

Any Affected Creditor with a Disputed Distribution Claim shall not be entitled to receive any distribution hereunder with respect to such Disputed Distribution Claim unless and until such Claim becomes an Allowed Affected Claim. A Disputed Distribution Claim shall be resolved in the manner set out in the Claims Procedure Order. Distributions pursuant to section 3.4 shall be made in respect of any Disputed Distribution Claim that is finally determined to be an Allowed Affected Claim in accordance with the Claims Procedure Order.

### **3.7 Director/Officer Claims**

All Released Director/Officer Claims shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred without consideration on the Plan Implementation Date. Released Claims; *provided that* nothing herein releases the Applicants or any other Person from their obligations to make distributions in the manner and to the extent provided for in the Plan and *provided further* that such discharge and release of the Applicants shall be without prejudice to the right of a Creditor in respect of a Disputed Distribution Claim to prove such Disputed Distribution Claim in accordance with the Claims Procedure Order so that such Disputed Distribution Claim may become an Allowed Claim entitled to receive consideration under section 3.4 hereof.

### **3.9 Guarantees and Similar Covenants**

No Person who has a Claim under any guarantee, surety, indemnity or similar covenant in respect of any Claim that is compromised and released under the Plan or who has any right to claim over in respect of or to be subrogated to the rights of any Person in respect of a Claim that is compromised under the Plan shall be entitled to any greater rights than the Person whose Claim is compromised under the Plan.

- (b) The distribution mechanics with respect to the New Cline Shares shall be agreed by the Applicants, Marret (on behalf of the Secured Noteholders) and the Monitor in writing, in consultation with the Indenture Trustee, if applicable, prior to the Plan Implementation Date. Any applicable Affected Unsecured Creditor whose address or notice information changes shall be solely responsible for notifying Cline of such change. Cline shall also record on the register the aggregate amount of any applicable Disputed Distribution Claims. Within ten (10) Business Days following the Plan Implementation Date, the Applicants shall notify each Affected Unsecured Creditor with an Allowed Affected Unsecured Claim of such Affected Unsecured Creditor's Individual Unsecured Plan Entitlement as at the Plan Implementation Date.

Cline shall also calculate the amount of the Unsecured Plan Entitlement Proceeds that are not to be distributed as a result of Disputed Distribution Claims that remain outstanding, if any. Cline shall then distribute the applicable amount by way of cheque sent by prepaid ordinary mail to each Affected Unsecured Creditor with an Allowed Affected Unsecured Claim (other than the Secured Noteholders and the Convenience Creditors who, for greater certainty, shall have no Individual Unsecured Plan Entitlement). #### **4.10 Allocation of Distributions**

All distributions made to Creditors pursuant to the Plan shall be allocated first towards the repayment of the principal amount in respect of such Creditor's Claim and second, if any, towards the repayment of all accrued but unpaid interest in respect of such Creditor's Claim.

#### **4.11 Treatment of Undeliverable Distributions**

If any Creditor's distribution under this Article 4 is returned as undeliverable (an "**Undeliverable Distribution**"), no further distributions to such Creditor shall be made unless and until the Applicant is notified by such Creditor of such Creditor's current address, at which time all such distributions shall be made to such Creditor. All claims for Undeliverable Distributions must be made on or before the date that is six months following the final Distribution Date, after which date any entitlement with respect to such Undeliverable Distribution shall be forever discharged and forever barred, without any compensation therefor, notwithstanding any federal, state or provincial laws to the contrary, at which time any such Undeliverable Distributions shall be returned to Cline. Nothing contained in the Plan shall require the Applicant to attempt to locate any Person to whom a distribution is payable. No interest is payable in respect of an Undeliverable Distribution. Unless otherwise expressly agreed by the Monitor and the Applicants in writing, any distribution under the Plan on account of the Secured Notes shall be deemed made when delivered to Marret, CDS, the CDS Participants or the Indenture Trustee, as applicable, and any distribution under the Plan to the WARN Act Plaintiffs shall be deemed made when delivered to Class Action Counsel. With respect to distributions to be made by Class Action Counsel to WARN Act Plaintiffs with Allowed WARN Act Claims: (i) Class Action Counsel shall not be responsible or liable for any undeliverable distributions to WARN Act Plaintiffs who cannot be located based on deficiencies in the address information to be provided by the Applicants pursuant to section 3.4(3) hereof; and (ii) if any distributions to the WARN Act Plaintiffs are returned as undeliverable or the applicable WARN Act Plaintiff cannot reasonably be located, and no claim has been made for such distribution by such WARN Act Plaintiff within six months following the WARN Act Plan Entitlement Date, then Class Action Counsel shall be permitted to donate such amounts to a cy-près recipient in accordance with customary class action practice in the United States.

#### **4.12 Withholding Rights**

The Applicants, the Monitor and, to the extent CDS or the Indenture Trustee are required to transfer consideration to Secured Noteholders pursuant to this Plan, then CDS and the Indenture Trustee, shall be entitled to deduct and withhold from any consideration payable to any Person such amounts as the Applicants, the Monitor, CDS or the Indenture Trustee, as applicable, are required to deduct and withhold with respect to such payment under the Canadian Tax Act, or other Applicable Laws, or entitled to withhold under section 116 of the Canadian Tax Act or corresponding provision of provincial or territorial law. To the extent that amounts are so withheld or deducted, such withheld or deducted amounts shall be treated for all purposes hereof as having been paid to the Person in respect of which such withholding was made, provided that such amounts are actually remitted to the appropriate Taxing Authority. The Applicants, the Monitor CDS and/or the Indenture Trustee, as applicable, are hereby authorized to sell or otherwise dispose of such portion of any such consideration in their possession as is necessary to provide sufficient funds to the Applicants, the Monitor, CDS and/or the Indenture Trustee, as applicable, to enable them to comply with such deduction or withholding requirement or entitlement, and the Applicants, the Monitor, CDS and/or the Indenture Trustee, as applicable, shall notify the Person thereof and remit to such Person any unapplied balance of the net proceeds of such sale.

#### **4.14 Calculations**

All amounts of consideration to be received hereunder will be calculated to the nearest cent (\$0.01). In the Plan, the deeming provisions are not rebuttable and are conclusive and irrevocable.

### **10.4 Non-Consummation**

The Applicants reserve the right to revoke or withdraw the Plan at any time prior to the Plan Implementation Date. If the Applicants revoke or withdraw the Plan, or if the Sanction Order is not issued or if the Plan Implementation Date does not occur, (a) the Plan shall be null and void in all respects, (b) any settlement or compromise embodied in the Plan and any document or agreement executed pursuant to the Plan shall be deemed null and void, and (c) nothing contained in the Plan, and no acts taken in preparation for consummation of the Plan, shall (i) constitute or be deemed to constitute a waiver or release of any Claims by or against any of the Applicants or any other Person; (ii) prejudice in any manner the rights of the Applicants or any other Person in any further proceedings involving any of the Applicants; or (iii) constitute an admission of any sort by any of the Applicants or any other Person.

### **10.5 Modification of the Plan**

- (a) The Applicants reserve the right, at any time and from time to time, to amend, restate, modify and/or supplement the Plan, provided that any such amendment, restatement, modification or supplement must be contained in a written document and (i) if made prior to or at the Meetings, communicated to the Affected Creditors prior to or at the Meetings; and (ii) if made following the Meetings, approved by the Court following notice to the Affected Creditors.
- (b) Notwithstanding section 10.5(a), any amendment, restatement, modification or supplement may be made by the Applicants with the consent of the Monitor and Marret (on behalf of the Secured Noteholders), without further Court Order or approval, provided that it concerns a matter which, in the opinion of the Applicants, acting reasonably, is of an administrative nature required to better give effect to the implementation of the Plan and the Sanction Order or to cure any errors, omissions or ambiguities and is not materially adverse to the financial or economic interests of the Affected Creditors.
- (c) Any amended, restated, modified or supplementary plan or plans of compromise or arrangement filed with the Court and, if required by this section, approved by the Court, shall, for all purposes, be and be deemed to constitute the Plan.

- (d) Notwithstanding anything to the contrary herein or in the Plan, if the requisite quorum is not present at the WARN Act Plaintiffs Meeting or if it is determined in accordance with the Claims Procedure Order that there are no Voting Claims in the WARN Act Plaintiffs Class, the Applicants shall be entitled, but not required, to amend the Plan without further Order of the Court to combine the WARN Act Plaintiffs Class with the Affected Unsecured Creditors Class on such terms as may be set forth in such amended Plan (including on the basis that the WARN Act Plan Entitlement shall not be payable under the Plan), in which case the Applicants shall have no further obligation to hold the WARN Act Plaintiffs Meeting or otherwise seek a vote of the WARN Act Plaintiffs Class with respect to the resolution to approve the Plan or any other matter.
- (e) Without limiting the generality of anything in this section 10.5, if (i) the Plan is not approved by the Required Majorities of the Affected Unsecured Creditors Class, or (ii) the Applicants determine, in their discretion, that the Plan may not be approved by the Required Majorities of the Affected Unsecured Creditors Class, then the Applicants are permitted, without any further Order, to file an amended and restated Plan (the “**Alternate Plan**”) with the attributes described on Schedule B to the Plan and to proceed with a meeting of the Secured Noteholders Class for the purpose of considering and voting on the resolution to approve the Alternate Plan, in which case the Applicants and the Monitor will have no obligation whatsoever to proceed with the Unsecured Creditors Meeting or the WARN Act Plaintiff’s Meeting.
- (f) Notwithstanding the references herein to the Amended Indentures and the New Cline Shares, the Applicants and Marret, with the consent of the Monitor, shall be entitled to modify the form and structure of the Amended Indentures and the New Cline Shares as may be agreed by the Applicants and Marret with the consent of the Monitor, provided that such modifications do not affect the material economic attributes of the New Cline Shares or the Amended Indentures and are not adverse to the interests of the Affected Creditors. In the event of the foregoing, no formal amendment to the Plan (or the Alternate Plan, as applicable) shall be required and the steps and provisions of this Plan (and any Alternate Plan) shall be read so as to give effect to such modified form and structure of the New Cline Shares and the Amended Indentures, as applicable.

#### **10.6 Marret and the Secured Noteholders**

For the purposes of the Plan, so long as Marret exercises sole investment discretion and control over the all of the Secured Noteholders, then the Applicants, the Company Advisors, the Monitor, the Indenture Trustee, CDS and all other interested parties with respect to the Plan shall be entitled to rely on confirmation from Marret or the Noteholder Advisors that the Secured Noteholders have agreed to, waived, consented to or approved a particular matter, even if such confirmation would otherwise require the action or agreement of the Indenture Trustee.

### **10.7 Paramountcy**

From and after the Effective Time on the Plan Implementation Date, any conflict between:

- (a) the Plan or any Order in the CCAA Proceeding or the Chapter 15 Proceeding; and
- (b) the covenants, warranties, representations, terms, conditions, provisions or obligations, expressed or implied, of any contract, mortgage, security agreement, indenture, trust indenture, note, loan agreement, commitment letter, agreement for sale, lease or other agreement, written or oral and any and all amendments or supplements thereto existing between one or more of the Affected Creditors and the Applicants as at the Plan Implementation Date or the notice of articles, articles or bylaws of the Applicants at the Plan Implementation Date;

will be deemed to be governed by the terms, conditions and provisions of the Plan and the applicable Order, which shall take precedence and priority, provided that any settlement agreement executed by the Applicants and any Person asserting a Claim or a Director/Officer Claim that was entered into from and after the Filing Date shall be read and interpreted in a manner that assumes such settlement agreement is intended to operate congruously with, and not in conflict with, the Plan.

### **10.8 Severability of Plan Provisions**

If, prior to the Sanction Date, any term or provision of the Plan is held by the Court to be invalid, void or unenforceable, the Court, at the request of the Applicants and with the consent of the Monitor, shall have the power to either (a) sever such term or provision from the balance of the Plan and provide the Applicants with the option to proceed with the implementation of the balance of the Plan, (b) alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted; or (c) withdraw the Plan. Provided that the Applicants proceed with the implementation of the Plan, then notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation.

### **10.9 Responsibilities of the Monitor**

FTI Consulting Canada Inc. is acting in its capacity as Monitor in the CCAA Proceeding and as foreign representative in the Chapter 15 Proceeding with respect to the Applicants, the CCAA Proceedings and this Plan and not in its personal or corporate capacity, and will not be responsible or liable for any obligations of the Applicants under the Plan or otherwise.

Unless expressly provided to the contrary herein, a Person will be entitled to participate hereunder in each such capacity. NOTICE OF PLAN AMENDMENT  
AFFECTING SECURED NOTEHOLDERS

---

The Applicants hereby give notice of certain amendments to the Amended and Restated Plan of Compromise and Arrangement dated January 20, 2015 (the "Plan") that affect members of the Secured Noteholders Class. **The amendments to the Plan do not affect any creditors other than the Secured Noteholders and do not alter the economic substance of the Plan for any creditors. If you are not a Secured Noteholder, the amendments to the Plan do not affect you.**

An amended and restated Plan providing for the amendments set out on Schedule "A" hereto (the "Second Amended Plan") has been filed with the Court. The Applicants will be seeking Court approval of the Second Amended Plan on June 1, 2015. Capitalized terms used but not defined herein shall have the meanings given to them in the Plan or the Second Amended Plan, as applicable.

The amendments to the Plan are necessary to enable certain Secured Noteholders that are regulated investment funds pursuant to the Ontario *Securities Act* to receive the consideration provided to Secured Noteholders under the Plan. The amendments are summarized as follows:

**Amendments to the Secured Debt**

- The Plan previously provided for the cancellation of all Secured Notes and the issuance of \$55 million of New Secured Debt to the Secured Noteholders pursuant to a New Credit Facility.
- The Second Amended Plan continues to provide for \$55 million of secured debt to be held by the Secured Noteholders following the Plan Implementation Date. However, this debt will have the following amended characteristics:
  - No New Secured Debt will be issued and there will be no New Credit Facility.
  - The Secured Noteholders Allowed Secured Claim will be compromised in the amount of \$37,673,897, leaving \$55 million of Secured Notes remaining following the Plan Implementation Date. This remaining \$55 million of Secured

Notes will be governed by the existing Indentures, as amended to reflect the same terms that were proposed with respect to the New Credit Facility under the Plan.

- There is no economic consequence to these amendments. Like the Plan, the Second Amended Plan will result in \$55 million of secured debt being held by the Secured Noteholders following the Plan Implementation Date on the same economic terms.

**Amendments to the New Cline Common Shares**

- The Plan previously provided for the issuance of one class of New Cline Common Shares to all Secured Noteholders and the cancellation of all Existing Cline Shares.
- The Second Amended Plan continues to provide for the issuance of New Cline Shares; however, the type of shares received by the applicable Secured Noteholder will depend upon whether it is a regulated investment fund under the Ontario *Securities Act*. In particular:
  - Secured Noteholders that are not regulated investment funds will receive New Cline Common Shares as previously contemplated in the Plan.
  - Secured Noteholders that are regulated investment funds will receive non-voting common shares in the capital of Cline, which shares are convertible into New Cline Common Shares at the election of the holder.
- Like the Plan, the Second Amended Plan provides that all Existing Cline Shares will be cancelled.
- Certain other related amendments were made to the Plan to address the foregoing arrangements. None of the amendments to the Plan affect or impact the consideration allocated to Affected Creditors that are not Secured Noteholders.
- Section 6 of the Meetings Order provides that the Applicants are authorized to amend, modify and/or supplement the Plan, provided that any such amendment, modification or supplement shall be made in accordance with the terms of Article 10.5 of the Plan. Article 10.5(a)(ii) of the Plan enables the Applicants to amend, restate and/or supplement the Plan following the Meetings if such amendment, restatement, modification and/or supplement has been approved by the Court. The Applicants will seek the Court's approval of the amendments to the Plan on a motion scheduled for June 1, 2015.

Please note that the foregoing is a summary only, and reference should be made to the Second Amended Plan for the specifics of the amendments made to the Plan.

### **10.3 Deeming Provisions**

In the Plan, the deeming provisions are not rebuttable and are conclusive and irrevocable.

### **10.4 Non-Consummation**

The Applicants reserve the right to revoke or withdraw the Plan at any time prior to the Plan Implementation Date. If the Applicants revoke or withdraw the Plan, or if the Sanction Order is not issued or if the Plan Implementation Date does not occur, (a) the Plan shall be null and void in all respects, (b) any settlement or compromise embodied in the Plan and any document or agreement executed pursuant to the Plan shall be deemed null and void, and (c) nothing contained in the Plan, and no acts taken in preparation for consummation of the Plan, shall (i) constitute or be deemed to constitute a waiver or release of any Claims by or against any of the Applicants or any other Person; (ii) prejudice in any manner the rights of the Applicants or any other Person in any further proceedings involving any of the Applicants; or (iii) constitute an admission of any sort by any of the Applicants or any other Person.

### **10.5 Modification of the Plan**

- (a) The Applicants reserve the right, at any time and from time to time, to amend, restate, modify and/or supplement the Plan, provided that any such amendment, restatement, modification or supplement must be contained in a written document and (i) if made prior to or at the Meetings, communicated to the Affected

Creditors prior to or at the Meetings; and (ii) if made following the Meetings, approved by the Court following notice to the Affected Creditors.

- (b) Notwithstanding section 10.5(a), any amendment, restatement, modification or supplement may be made by the Applicants with the consent of the Monitor and Marret (on behalf of the Secured Noteholders), without further Court Order or approval, provided that it concerns a matter which, in the opinion of the Applicants, acting reasonably, is of an administrative nature required to better give effect to the implementation of the Plan and the Sanction Order or to cure any errors, omissions or ambiguities and is not materially adverse to the financial or economic interests of the Affected Creditors.
- (c) Any amended, restated, modified or supplementary plan or plans of compromise or arrangement filed with the Court and, if required by this section, approved by the Court, shall, for all purposes, be and be deemed to constitute the Plan.
- (d) Notwithstanding anything to the contrary herein or in the Plan, if the requisite quorum is not present at the WARN Act Plaintiffs Meeting or if it is determined in accordance with the Claims Procedure Order that there are no Voting Claims in the WARN Act Plaintiffs Class, the Applicants shall be entitled, but not required, to amend the Plan without further Order of the Court to combine the WARN Act Plaintiffs Class with the Affected Unsecured Creditors Class on such terms as may be set forth in such amended Plan (including on the basis that the WARN Act Plan Entitlement shall not be payable under the Plan), in which case the Applicants shall have no further obligation to hold the WARN Act Plaintiffs Meeting or otherwise seek a vote of the WARN Act Plaintiffs Class with respect to the resolution to approve the Plan or any other matter.
- (e) Without limiting the generality of anything in this section 10.5, if (i) the Plan is not approved by the Required Majorities of the Affected Unsecured Creditors Class, or (ii) the Applicants determine, in their discretion, that the Plan may not be approved by the Required Majorities of the Affected Unsecured Creditors Class, then the Applicants are permitted, without any further Order, to file an amended and restated Plan (the “**Alternate Plan**”) with the attributes described on Schedule B to the Plan and to proceed with a meeting of the Secured Noteholders Class for the purpose of considering and voting on the resolution to approve the Alternate Plan, in which case the Applicants and the Monitor will have no obligation whatsoever to proceed with the Unsecured Creditors Meeting or the WARN Act Plaintiff’s Meeting.
- (f) Notwithstanding the references herein to the ~~New Credit Agreement~~Amended Indentures and the ~~New Secured Debt Agent~~Cline Shares, the Applicants and Marret, with the consent of the Monitor, shall be entitled to modify the form and structure of the ~~New Secured Debt~~Amended Indentures and the ~~manner in which the New Secured Debt is held by the Secured Noteholders to allow such debt to be issued as secured notes or in such other form~~New Cline Shares as may be agreed by the Applicants and Marret with the consent of the Monitor, provided that such modifications do not affect the material economic attributes of the New

Secured Debt Cline Shares or the Amended Indentures and are not adverse to the interests of the Affected Creditors. In the event of the foregoing, no formal amendment to the Plan (or the Alternate Plan, as applicable) shall be required and the steps and provisions of this Plan (and any Alternate Plan) ~~pertaining to the New Secured Debt~~ shall be read so as to give effect to such modified form and structure of the New ~~Secured Debt.~~ Cline Shares and the Amended Indentures, as applicable.

#### **10.6 Marret and the Secured Noteholders**

For the purposes of the Plan, so long as Marret exercises sole investment discretion and control over the all of the Secured Noteholders, then the Applicants, the Company Advisors, the Monitor, the Indenture Trustee, CDS and all other interested parties with respect to the Plan shall be entitled to rely on confirmation from Marret or the Noteholder Advisors that the Secured Noteholders have agreed to, waived, consented to or approved a particular matter, even if such confirmation would otherwise require the action or agreement of the Indenture Trustee.

#### **10.7 Paramountcy**

From and after the Effective Time on the Plan Implementation Date, any conflict between:

- (a) the Plan or any Order in the CCAA Proceeding or the Chapter 15 Proceeding; and

will be deemed to be governed by the terms, conditions and provisions of the Plan and the applicable Order, which shall take precedence and priority , provided that any settlement agreement executed by the Applicants and any Person asserting a Claim or a Director/Officer Claim that was entered into from and after the Filing Date shall be read and interpreted in a manner that assumes such settlement agreement is intended to operate congruously with, and not in conflict with, the Plan.

#### **10.8 Severability of Plan Provisions**

If, prior to the Sanction Date, any term or provision of the Plan is held by the Court to be invalid, void or unenforceable, the Court, at the request of the Applicants and with the consent of the Monitor, shall have the power to either (a) sever such term or provision from the balance of the Plan and provide the Applicants with the option to proceed with the implementation of the balance of the Plan, (b) alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted; or (c) withdraw the Plan. Provided that the Applicants proceed with the

implementation of the Plan, then notwithstanding any such holding, alteration or interpretation, the remainder of the terms and provisions of the Plan shall remain in full force and effect and shall in no way be affected, impaired or invalidated by such holding, alteration or interpretation.

AND IN THE MATTER OF A PLAN OF COMPROMISE OR  
ARRANGEMENT OF CLINE MINING CORPORATION, NEW  
ELK COAL COMPANY LLC AND NORTH CENTRAL ENERGY  
COMPANY

FOURTH REPORT OF FTI CONSULTING CANADA INC.,  
in its capacity as Monitor of the Applicants

March 25, 2015

INTRODUCTION

1. On December 3, 2014 (the "**Filing Date**"), Cline Mining Corporation ("**Cline**"), New Elk Coal Company LLC ("**New Elk**") and North Central Energy Company (collectively, the "**Applicants**") filed for and obtained protection under the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the "**CCAA**"). Pursuant to the Order of this Honourable Court (the "**Initial Order**") dated December 3, 2014, FTI Consulting Canada Inc. ("**FTI**") was appointed as the Monitor of the Applicants (the "**Monitor**") in these CCAA proceedings (the "**CCAA Proceedings**"). The Initial Order provided, *inter alia*, for a stay of proceedings through to and including December 31, 2014 for the Applicants.

2. On the Filing Date, this Honourable Court also granted an Order that approved a claims process for the identification and determination of claims against the Applicants and their present and former directors and officers (the "**Claims Procedure Order**") and an Order authorizing the Applicants to file a plan of compromise and arrangement (the "**Plan**") and to

convene meetings of their affected secured creditors, affected unsecured creditors, and the WARN Act Plaintiffs (as defined in the Claims Procedure Order) to consider and vote on the Plan (the "**Meetings Order**").

3. On December 3, 2014, the Monitor commenced ancillary cases in the United States by filing petitions under chapter 15 of the United States Bankruptcy Code in the United States Bankruptcy Court for the District of Colorado (the "**Bankruptcy Court**").

4. On December 4, 2014 the Monitor, as foreign representative of the Applicants, obtained certain relief from the Bankruptcy Court, including (i) the joint administration of the Chapter 15 Proceedings, (ii) approval of the form and manner of notice of the Chapter 15 Proceedings, and (iii) the entry of a temporary restraining order (the "**TRO**") staying the commencement or continuation of proceedings against the Applicants and preventing parties from exercising contractual rights triggered by the commencement of insolvency proceedings in respect of the Applicants.

5. On December 11, 2014, the Bankruptcy Court entered a preliminary injunction extending the relief granted in the TRO pending further determination in the Chapter 15 Proceedings.

6. On December 22, 2014, this Honourable Court issued an Order approving an extension of the Stay Period (as defined in the Initial Order) to and including March 1, 2015.

7. On January 15, 2015 the Bankruptcy Court entered an Order granting recognition of the CCAA Proceedings and giving full force and effect in the United States to the Initial Order, Claims Procedure Order, and Meetings Order.

8. On January 20, 2015 the Applicants filed an amended and restated plan of compromise and arrangement (the "**Amended and Restated Plan**"). The amendments to the Plan were described in the Second Report of the Monitor dated January 14, 2015 (the "**Second Report**"). The Notice of Plan Amendment Affecting WARN Act Plaintiffs dated January 20, 2015 and a blackline of the Amended and Restated Plan to the original Plan is attached hereto as Appendix "A".

9. On January 27, 2015, this Honourable Court issued an Order (the "**Sanction Order**") extending the Stay Period to and including April 1, 2015 and approving and sanctioning the Amended and Restated Plan, as may be further amended, restated, modified or supplemented from time to time. A copy of the Sanction Order (without schedules) is attached hereto as Appendix "B".

10. On January 28, 2015, the Bankruptcy Court entered an Order giving full force and effect to the Plan Sanction Order in the United States.

11. The Applicants' stated objectives for the CCAA Proceedings include permitting them to pursue a recapitalization with a view to maximizing value for the benefit of their stakeholders. The Applicants believe that without the benefit of CCAA protection there could be significant erosion in the value of the Cline Group (being the Applicants and Raton Basin Analytical LLC, collectively) that could result in the loss of tax attributes and various exploration, mining and environmental permits.

12. Unless otherwise stated, all monetary amounts contained in this fourth report of the Monitor (the "**Fourth Report**") are expressed in Canadian dollars. Capitalized terms not otherwise defined herein have the meanings ascribed thereto in the Amended and Restated Plan and the affidavit of Matthew Goldfarb sworn December 2, 2014, as applicable.

13. The following appendices have been attached to this Fourth Report:
- a) Appendix “A” – Notice of Plan Amendment Affecting WARN Act Plaintiffs and blackline of the Amended and Restated Plan to the original Plan;
  - b) Appendix “B” – Sanction Order;
  - c) Appendix “C” – The March 16 Forecast (as defined below);
  - d) Appendix “D” – Affidavit of Paul Bishop sworn March 25, 2015;
  - e) Appendix “E” – Affidavit of Michael De Lellis sworn March 25, 2015; and
  - f) Appendix “F” – the Third Report of the Monitor dated January 23, 2015 (the “**Third Report**”, without appendices).

#### **PURPOSE**

14. The purpose of the Monitor’s Fourth Report is to provide information to this Honourable Court and the Applicants’ stakeholders relating to the following:

  - b) the status of the claims process;

- d) the Monitor's activities since the Filing Date, as well as a summary of the professional fees and disbursements incurred by the Monitor and its legal counsel; and
- e) the Monitor's conclusions and recommendations regarding the Applicants' motion for an Order that grants an extension of the Stay Period.

#### **TERMS OF REFERENCE**

15. In preparing this report, the Monitor has relied upon audited and unaudited financial information of the Applicants, the Applicants' books and records (where appropriate), certain financial information prepared by the Applicants and discussions with various parties, including the Applicants' management and counsel to the Applicants (collectively, the "Information").

16. Except as described in this Fourth Report:

- a) the Monitor has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the Canadian Institute of Chartered Accountants Handbook; and
- b) the Monitor has not examined or reviewed financial forecasts and projections referred to in this report in a manner that would comply with the procedures described in the Canadian Institute of Chartered Accountants Handbook.

## GENERAL BACKGROUND

17. The Cline Group is in the business of locating, exploring and developing mineral resource properties, with a particular focus on gold and metallurgical coal.

18. To avoid unnecessary duplication, please refer to the Initial Order, the Meetings Order, the Claims Procedure Order and the Sanction Order, together with other motion materials and orders granted by this Honourable Court and the Bankruptcy Court, FTT's pre-filing report dated December 2, 2014 (the "Pre-Filing Report"), the Monitor's prior reports filed in the CCAA Proceedings and other documentation filed in the CCAA Proceedings which have been posted on the Monitor's website at <http://cfcanada.fticonsulting.com/cline>.

## UPDATE REGARDING THE CCAA PROCEEDINGS

19. As described further in the Second Report, implementation of the Amended and Restated Plan is conditional upon the satisfaction or waiver (to the extent permitted) of certain conditions prior to or at the Effective Time. Set out below are some of the more material conditions precedent:

- a) all definitive agreements in respect of the Recapitalization and the new (or amended) Articles, by-laws and other constating documents, and all definitive legal documentation in connection with all of the foregoing shall be in a form satisfactory to the Applicants and Marret Asset Management Inc. (on behalf of the Secured Noteholders, referred to herein as "Marret");
- b) the New Credit Agreement governing the New Secured Debt, together with all guarantees and security agreements contemplated thereunder, shall have been entered into and become effective, subject only to the implementation of the

Amended and Restated Plan, and all required filings related to the security as contemplated in the security agreements shall have been made;

- c) the terms of the New Cline Common Shares and the New Credit Agreement shall be satisfactory to the Applicants and Marret (on behalf of the Secured Noteholders);
- d) the Amended and Restated Plan shall have been approved by the Required Majorities of each Voting Class;
- e) all Orders made and judgments rendered by any competent court of law, and all rulings and decrees of any competent regulatory body, agent or official in relation to the CCAA Proceedings, the Chapter 15 Proceeding, the Recapitalization or the Amended and Restated Plan shall be satisfactory to the Applicants;
- f) all material agreements, consents and other documents relating to the Recapitalization and the Amended and Restated Plan shall be in form and in content satisfactory to the Applicants;
- g) all securities of the Applicants, when issued and delivered, shall be duly authorized and validly issued and fully paid and non-assessable and the issuance thereof shall be exempt from all prospectus and registration requirements of Applicable Laws; and
- h) all Material filings under Applicable Laws shall have been made and any Material regulatory consents or approvals that are required in connection with the Recapitalization shall have been obtained.

20. Since the Sanction Order was granted by this Honourable Court on January 27, 2015, the Applicants and Marret (on behalf of the Secured Noteholders) have been working towards implementation of the Amended and Restated Plan. The Monitor is advised that, as of the date of this Fourth Report, being March 25, 2015, the form of the required agreements and documentation described in the preceding paragraph have been substantially settled and the Orders granted by this Honourable Court and the Bankruptcy Court are all satisfactory to the Applicants.

21. Accordingly, as of the date of this Fourth Report, there are only a limited number of remaining tasks to be completed prior to implementation of the Amended and Restated Plan. Amongst these tasks is the Secured Noteholders' application to obtain certain relief from the Ontario Securities Commission (the "OSC") in connection with the consideration that they are to receive pursuant to the Amended and Restated Plan, as described further below.

*OSC Relief*

22. The Amended and Restated Plan provides that each Secured Noteholder will receive, on a *pro rata* basis, New Cline Common Shares and New Secured Debt in the manner and in the amounts set forth in the Amended and Restated Plan. In connection with the New Secured Debt, the Secured Noteholders will be parties to the New Credit Agreement pursuant to which Cline will be the borrower. Accordingly, Marret is seeking relief from section 2.6(f) of National Instrument 81-102, which regulates the ability of an investment fund to lend cash, before implementation of the Amended and Restated Plan.

23. Additionally, implementation of the Amended and Restated Plan will result in certain Secured Noteholders owning, in the aggregate, more than 20% of the voting securities of Cline. Accordingly, Marret is seeking relief on behalf of certain Secured Noteholders from

sections 111(2)(b) and 111(4) of the Ontario *Securities Act*, R.S.O. 1990, c S. 5 (the “OSA”) before implementation of the Amended and Restated Plan. Section 111(2)(b) of the OSA regulates the ability of an investment fund to make an investment in any person or company in which the investment fund, alone or together with one or more related investment funds, is a substantial security holder. Section 111(4) of the OSA regulates the ability of an investment fund to make certain investments, including the investment described in section 111(2)(b).

24. Marret (on behalf of the Secured Noteholders) has applied to the OSC for the aforementioned exemptive relief; however, the Applicants have no control over when such relief will be obtained and are not in a position to make an estimate in this regard. As the exemptive relief application is currently outstanding and beyond the Applicants’ control, and in light of the pending expiry of the Stay Period, the Applicants are seeking an extension of the Stay Period to and including June 1, 2015.

25. The Monitor is advised by counsel to the Applicants that the Applicants expect to be in a position to implement the Amended and Restated Plan within one to two weeks of Marret receiving the relief being sought from the OSC.

#### **STATUS OF THE CLAIMS PROCESS**

26. On the Filing Date, this Honourable Court issued the Claims Procedure Order that approved a process for the identification and quantification of claims against the Applicants and their present and former directors and officers.

27. The Monitor reported five Disputed Claims (as such term is defined in the Claims Procedure Order) in its Third Report. Currently, there are two Disputed Claims that remain to be resolved. These two Disputed Claims are summarized in the following table:

Creditor	Amount per Notice of Claim	Amount per Notice of Dispute
Canada Brokerlink (Ontario) Inc.	-	3,753.59
Jennifer K. Byrd	30,000.00	374,375.29

28. Canada Brokerlink (Ontario) Inc. (“**Brokerlink**”) has asserted that it is owed money in connection with certain commercial liability insurance. The Monitor understands that Brokerlink, through its collection agent, is in the process of finalizing a settlement with Cline. The Monitor will provide an update in this regard in a subsequent report.

29. Jennifer Byrd’s Claim is based on a discrimination claim against New Elk that was previously filed in Colorado. The Applicants are engaged in ongoing settlement discussions with Ms. Byrd’s legal counsel. The Monitor will provide an update in this regard in a subsequent report.

30. The Applicants, with the assistance of the Monitor, will continue to work towards resolving these Disputed Claims.

31. The Applicants and the Monitor have agreed to allow one Proof of Claim that was received from an Affected Unsecured Creditor shortly after the Claims Bar Date. The Affected Unsecured Creditor that submitted this Proof of Claim has a court-ordered judgment Claim against New Elk and had served New Elk with notice of that Claim prior to the commencement of the CCAA proceedings. Therefore, this Affected Unsecured Creditor ought to have been treated as a Known Creditor and, accordingly, should have directly received a Notice of Claim in accordance with the Claims Procedure Order. As such Notice of Claim was not provided, this Proof of Claim has been allowed.

32. The Monitor is advised that Cline received a letter from the Ministry of Finance following the Claims Bar Date which asserted a Claim for unpaid Employer Health Tax (the “EHT Claim”). Pursuant to the Claims Procedure Order, any governmental entity with a Claim against the Applicants that pertained to the period prior to the Filing Date (a “Pre-Filing Claim”) was required to file a proof of such Claim with the Monitor prior to the Claims Bar Date. The Amended and Restated Plan has the effect of discharging and releasing all Pre-Filing Claims against the Applicants. Furthermore, the Sanction Order confirms that any Pre-Filing Claims that were not filed by the Claims Bar Date have been forever barred and extinguished. Cline has advised the Ministry of Finance in writing that the EHT Claim is a Pre-Filing Claim and was extinguished pursuant to the Claims Procedure Order and the Sanction Order, given that the Ministry of Finance did not file a Proof of Claim in respect of same prior to the Claims Bar Date.

33. The Monitor and the Applicants are in receipt of a Proof of Claim from the Internal Revenue Service that was filed following the Claims Bar Date. U.S. counsel to the Monitor, in its capacity as foreign representative of the Applicants in the Chapter 15 Proceeding, has advised the Internal Revenue Service that the Claim asserted in the Proof of Claim is a Pre-Filing Claim and was extinguished pursuant to the Claims Procedure Order and the Sanction Order, given that the Internal Revenue Service did not file a Proof of Claim in respect of same prior to the Claims Bar Date.

34. Each of the Ministry of Finance and the Internal Revenue Service had previously been served with notice of the commencement of the CCAA proceedings and the Chapter 15 proceedings.

**THE APPLICANTS' FINANCIAL AFFAIRS**

35. Since the Filing Date, the Monitor has continued reviewing the actual receipts and disbursements of the Applicants as well as the Applicants' cash flow statements.

*Actual Receipts and Disbursements for the Period from January 19, 2015 to March 15, 2015*

36. The Applicants' actual net cash flow from the period of January 19, 2015 to March 15, 2015 (the "Current Period") together with an explanation of key variances as compared to the cash flow forecast described in the Monitor's Third Report is described below. Actual net cash flows for the Current Period were approximately \$1.0 million higher than forecast and are summarized as follows:

	Forecast	Actual	Variance
<i>\$ thousands</i>			
Cash Flow from Operations			
Receipts	330.7	441.0	110.3
Operating Disbursements	(1,865.0)	(1,203.1)	661.9
Operating Cash Flows	(1,534.3)	(762.1)	772.2
Restructuring/ Non-Recurring Disbursements	(903.8)	(762.7)	141.1
Projected Net Cash Flow	(2,438.1)	(1,524.9)	913.2
Beginning Cash Balance	8,557.5	8,652.6	95.1
Ending Cash Balance	6,119.4	7,127.8	1,008.4

37. The variance in actual receipts and disbursements is comprised primarily of the following:

- a) a permanent positive variance in receipts of approximately \$0.1 million, primarily due to a settlement with a customer who had previously disputed the invoice price of coal;

- b) a positive variance in operating disbursements of approximately \$0.7 million, in relation to the appreciation of the U.S. Dollar relative to the Canadian Dollar, since the Third Report, on the expenses incurred at New Elk; and,
- c) a positive variance in restructuring/non-recurring disbursements of approximately \$0.1 million relating to legal and professional fees, which are primarily timing differences that are anticipated to be temporary in nature and reverse in future weeks.

38. Additionally, a positive variance in the opening cash balance of \$0.1 million has been recognized to reflect the impact of the appreciation of the U.S. Dollar relative to the Canadian Dollar, since the Filing Date, on the funds held at New Elk.

*The Applicants' Revised Cash Flow Forecast*

39. The Applicants prepared a cash flow forecast for the period from March 16, 2015 to June 28, 2015 (the "March 16 Forecast"), attached as Appendix "C" hereto.

40. The March 16 Forecast shows a negative cash flow of approximately \$4.7 million and is summarized below:

(CAD in millions)	Total
Cash Flow from Operations	
Receipts	0.6
Operating Disbursements	(3.9)
Operating Cash Flows	(3.3)
Restructuring/ Non-Recurring Disbursements	(1.4)
Projected Net Cash Flow	(4.7)
Beginning Cash Balance	8.6
Ending Cash Balance	3.9

41. It is anticipated that the Applicants' projected liquidity requirements through to June 1, 2015, being the end of the requested Stay Period, will be met by existing cash available to the Applicants.

## PROFESSIONAL FEES

43. The Monitor and its counsel have maintained detailed records of their professional costs and time during the course of the CCAA Proceedings, as detailed in the Affidavit of Paul Bishop sworn March 25, 2015 (the “**Bishop Affidavit**”) and the Affidavit of Michael De Lellis sworn March 25, 2015 (the “**De Lellis Affidavit**”). The Monitor has reviewed the fees of its counsel and believes they are reasonable. Copies of the Bishop Affidavit and the De Lellis Affidavit are attached to this Monitor’s Fourth Report as Appendix “D” and “E”, respectively.

44. The fees and disbursements of the Monitor for the period of December 3, 2014 to March 15, 2015, inclusive, and including Harmonized Sales Tax, as set out in the Bishop Affidavit, total \$171,481.09. The fees and disbursements of the Monitor’s counsel for the period of December 3, 2014 to February 28, 2015, inclusive, and including Harmonized Sales Tax, as set out in the De Lellis Affidavit, total \$160,180.04.

## CONCLUSIONS AND RECOMMENDATION

45. The current Stay Period expires on April 1, 2015. In order to allow the Applicants sufficient time to continue towards their restructuring goals and implement the Amended and Restated Plan, the Applicants are requesting that the Stay Period be extended to June 1, 2015.

46. It is the Monitor’s view that the Applicants continue to act with due diligence and in good faith and have not breached any requirements under the CCAA or any other Order of the Court.

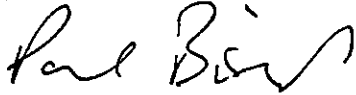

47. The Monitor further believes that the proposed extension is fair and reasonable in the circumstances and that the Applicants will require the protection of the stay of proceedings in order to carry out the Amended and Restated Plan.

48. The Monitor also respectfully requests that this Honourable Court approve the Third Report and the activities described therein, as well as the fees and disbursements of the Monitor and its counsel (as particularized in the Bishop Affidavit and the De Lellis Affidavit).

All of which is respectfully submitted this 25th day of March, 2015.
