7. All proposals must be signed by a duly authorized officer or person of the entity making the proposal.
8. Proposals to liquidate the assets must contain a net minimum guaranteed return to the Receiver and will be subject to the liquidator and the Receiver entering into an auction services agreement on terms satisfactory to the Receiver.

If an offeror withdraws his offer before the acceptance or rejection by the Receiver, the Deposit will be kept by the Receiver as liquidated damages. If any proposal is accepted by the Receiver, the Receiver will notify the Purchaser immediately, by notice in writing either by mail, by courier or by prepaid registered mail or email addressed to the Purchaser at the address set forth in his proposal, such notice to be deemed effectively given and received when deposited in the post office, when emailed or when delivered as the case may be.
12. A proposal and the acceptance thereof in accordance with paragraph 11 above, together with these Terms and Conditions of Sale, which shall be deemed to form part of each proposal, shall constitute a valid and binding “Agreement of Purchase and Sale” between the party submitting the proposal and the Receiver with respect to such Assets, and such Agreement of Purchase and Sale shall not be amended without the written consent of the Receiver.
13. Each instrument of transfer necessary to give effect to the sale of the Assets pursuant to the Agreement of Purchase and Sale shall be on terms and in a form acceptable to the Receiver.
14. The conclusion of any sale shall be subject to prior approval of the Court and the Purchaser recognizes that the Receiver makes no representations as to its ability to obtain such approval.
15. The balance of the purchase price, together with any applicable taxes referred to below, shall be paid by wire transfer, bank draft or certified cheque payable to the Receiver on or before the Closing Date which shall be no later than five (5) business days after acceptance of the proposal by the Court. The closing shall take place at the offices of the Receiver.
16. All Deposits in respect of proposals not accepted by the Receiver shall be returned to the party by prepaid registered mail, addressed to the party at the address set forth in its proposal, without interest thereon.
17. The Purchaser will pay to the Receiver on or before the Closing Date, in addition to the balance of the purchase price, any and all federal, provincial, and other sales, goods and services taxes and other taxes whatsoever which are payable in connection with the sale, purchase and conveyance of the Assets herein, together with all duties, registration fees or other charges

properly payable upon or in connection with the conveyance or transfer of the Assets or will provide the Receiver with appropriate exemption certificates in form and substance satisfactory to the Receiver in respect of such taxes.

20. The Purchaser will indemnify and hold the Receiver harmless in respect of:
  - a. any taxes, penalties, interest and other amounts which may be assessed against the Receiver under the Excise Tax Act (Canada), the Quebec Sales Tax (Quebec), or any comparable law, whether provincial or federal, as a result of the sale of the Assets or as a result of the failure by the Purchaser to pay all the aforementioned taxes payable in connection with the transactions contemplated by this Agreement, whether arising from re-assessment or otherwise;
  - b. any and all fees and disbursements, including legal and other professional fees and disbursements related to a proposal made (if any), any Agreement of Purchase and Sale resulting therefrom, any and all searches, evaluations, consultations or representations, which the Purchaser may wish to do or has done; and,
  - c. any and all costs and expenses relating to the preparation and execution of any proposal (if any) or deed of sale, the registration and preparation of authentic copies thereof.
21. The Receiver shall not be required to furnish or produce any abstract, survey, deed, declaration or any other document or evidence of title except as such is in its possession, if any.
22. Prior to the Closing Date, all Assets shall be and will remain in the possession of and at the risk of the Receiver. After the Closing Date, Assets shall be at the risk of the Purchaser. In the event of a loss or damage to the Assets occurring on or before the closing of the transaction, the Purchaser may either acquire the damaged Assets as is without further compensation from the Receiver or

a reduction in the selling price or he may terminate the agreement and recover all sums already paid to the Receiver without interest, cost or compensation.

23. If a sale contemplated by an Agreement of Purchase and Sale is not completed because of the Purchaser's default, the Purchaser's Deposit and all other payments made in connection with the purchase price shall be retained by the Receiver as liquidated damages, without prejudice to the Receiver's rights and recourses against the Purchaser to seek additional damages or other remedies, and the Assets may be resold by the Receiver and the Purchaser shall pay to the Receiver: **(i)** an amount equal to the amount, if any, by which the Purchase Price under the Agreement of Purchase and Sale exceeds the net purchase price received by the Receiver pursuant to such resale, and **(ii)** an amount equal to all costs and expenses incurred by the Receiver in respect of or occasioned by the Purchaser's failure to comply with an Agreement of Purchase and Sale.
24. The submission of a proposal to the Receiver shall constitute an acknowledgment that the Purchaser has reviewed, understood, acknowledged and agreed to the terms of this Confidential Information Memorandum, including without limitation the accompanying "Notice to Reader", as well as these "Terms and Conditions of Sale", all of which shall be deemed to be included in such proposal as if recited therein at length.
25. The Purchaser acknowledges that the Receiver is acting solely in its capacity as Receiver of D.P.S. Transport Inc. and that, as such, the Receiver shall have no liability of any kind, whether in contract, in tort (extra-contractual liability) or otherwise, hereunder or under any Agreement of Purchase and Sale contemplated hereby, or as a result of any sale contemplated hereby.
26. The present Confidential Information Memorandum, any proposal or offer, any Agreement of Purchase and Sale and any instruments of transfer shall be governed by the laws of Quebec, and such agreement shall ensure to the benefit of and be binding upon the parties thereto, and their respective heirs, executors, administrators, successors or assigns as the case may be, provided that a Purchaser may not assign or transfer any of its rights or obligations under any Agreement of Purchase and Sale without the prior written consent of the Receiver, which may be withheld in the Receiver's sole discretion.

27. The Terms and Conditions of Sale contained herein shall not merge on the closing of the transaction contemplated by any Agreement of Purchase and Sale but shall survive such closing and remain in full force and effect and be binding on the Purchaser thereafter, or any subsequent purchaser (if any).

28. In the event of a discrepancy between the French and English version, the French version will take precedence over the English version.
