**NOTICE OF MOTION
(Stay Extension Motion and
Motion to Amend and Restate the Initial Order
Returnable October 29, 2013)**

The Applicants will make a motion before a judge of the Ontario Superior Court of Justice (Commercial List) on October 29, 2013 at 10:00 a.m. or as soon after that time as the motion can be heard at 330 University Avenue, in the City of Toronto.

THE MOTION IS FOR:

1. An Order, substantially in the form attached to the Motion Record at Tab 3 (the "**Draft Order**"):
 - (a) if necessary, abridging the time for service of the Notice of Motion such that the motion is properly returnable October 29, 2013 and dispensing with further service thereof;
 - (b) extending the Stay Period (the "**Stay Period**") as defined in paragraph 14 of the Initial Order of the Honourable Mr. Justice Newbould dated October 1, 2013 (the "**Initial Order**"), to January 15, 2014;

- (c) approving the First Report of the Monitor and the Second Report of the Monitor (the “**Second Report**”) provided by FTI Consulting Canada Inc. in its capacity as monitor of the Applicant (the “**Monitor**”) and the Monitor’s activities as described therein;
- (d) amending and restating the Initial Order in the form attached to the Draft Order as Schedule “A”, including, among other things:
 - (i) declaring the following entities (together, the “**Management Entities**”) critical suppliers to the Applicant: Growthworks WV Management Ltd. (the “**Manager**”); GrowthWorks Capital Ltd. (“**GWC**”); and each Person engaged or contracted by the Manager and/or GWC (not including employees of the Manager or GWC) in connection with providing transitional services to the Applicant on or after October 1, 2013 pursuant to the Management Agreement (the “**Management Agreement**”) as described in the affidavit of C. Ian Ross sworn September 30, 2013 and filed in support of the initial application (the “**Initial Ross Affidavit**”);
 - (ii) staying proceedings against current and future directors of the Portfolio Companies (as defined in the Initial Ross Affidavit, the “**Portfolio Companies**”) who were or are nominated by the Applicant (the “**Portfolio Company Directors**”), as set out in the draft Order;
 - (iii) permitting the Applicant to provide an indemnity, if it elects to do so in consultation with the Monitor, to the Portfolio Company Directors and providing a charge (the “**Portfolio Company Directors’ Charge**”) to secure any such indemnity; and

- (e) granting such further and other relief as Counsel may request and this Honourable Court may deem just.

THE GROUNDS FOR THE MOTION ARE:

Stay Extension

1. On October 1, 2013, the Court granted the Initial Order, which included a stay of proceedings as against the Applicant until and including October 31, 2013, or such later date as the Court may order.
2. The Applicant has acted in good faith and with due diligence since the granting of the Initial Order, including that the Applicant has been negotiating a possible merger transaction, has been exploring possible financing options, and has been working with the Monitor and its financial advisor, The Commercial Capital Corporation (operating as CCC Investment Banking) to develop a process to market the business of the Applicant and to attempt to identify transaction options that are superior to the merger transaction.
3. The Applicant seeks an extension of the Stay Period to January 15, 2014. This extension is necessary and appropriate in the circumstances, in particular to allow the Applicant to continue to negotiate the merger transaction, explore financing options and to solicit competing offers.
4. The Applicants have sufficient liquidity to be able to continue operating in the ordinary course during the requested Stay Period.
5. The Monitor and Roseway Capital S.a.r.l. (the holder of the Applicant's secured obligations) are supportive of the requested extension of the Stay Period.

Amended and Restated Initial Order

(a) *Critical Suppliers*

6. At the time of the application for the Initial Order, the Applicant had initially sought to have the Manager and other related parties declared critical suppliers to the Applicant as contemplated by section 11.4 of the CCAA. However, at the request of the Manager, that portion of the initial application was adjourned, on consent, to allow for discussions to take place between the Applicant and the Manager.

7. The Applicant and the Manager reached an agreement with respect to (1) the scope of the services to be provided by the Manager to the Applicant as critical transition services and (2) the methodology for calculating and paying the Manager's costs associated with delivering such critical transition services. This agreement has been set out in a Critical Transition Services Agreement, attached to the draft Amended and Restated Initial Order as Schedule "1" (the "**Critical Transition Services Agreement**").

8. The Applicant now seeks to amend the Initial Order to:

- (a) Declare the Management Entities critical suppliers to the Applicant as contemplated by section 11.4 of the CCAA in respect to the Critical Transition Services as defined in the Critical Transition Services Agreement;
- (b) Revise the Critical Supplier Charge to reference the costs provided for in the Critical Transition Services Agreement; that is, to provide that the Critical Supplier Charge is in an amount equal to the lesser of (a) the value of the goods and services supplied by the Critical Supplier and received by the Applicant after the date of the Initial Order less all amounts paid to such Critical Supplier in

respect of such goods and services; and, (b) *the amount to which the Manager is entitled to be paid under the Transition Services Agreement*; and

- (c) Clarify that the Critical Suppliers' Charge remains a third-ranking charge to a maximum of \$50,000 but, to the extent the Critical Suppliers' Charge exceeds \$50,000, such additional amount shall rank behind the Encumbrances (as defined in the Initial Order).

9. The services set out in the Critical Transition Services Agreement are critical for a successful restructuring.

(b) ***Portfolio Company Directors***

10. The Applicant has, and will in the future, nominate directors to the boards of the Portfolio Companies in its diversified portfolio. The Applicant seeks to amend and restate the Initial Order to:

- (a) stay proceedings against the Portfolio Company Directors during the Stay Period, in the same manner as which the Initial Order provided a stay of proceedings against directors and officers of the Applicant; and,
- (b) permit the Applicant to provide an indemnity, if it elects to do so in consultation with the Monitor, to the Portfolio Company Directors and provide a Portfolio Company Directors' Charge, ranking behind the Encumbrances (as defined in the Initial Order) to secure any such indemnity;

11. These protections are similar to the protections provided to the directors and officers of the Applicant and are provided to ensure the continued participation of Portfolio Company Directors in the important task as the Applicant-nominated director to Portfolio Companies during the restructuring.

12. Providing such an indemnity will be expected by prospective directors of the Portfolio Companies as a condition of their appointment as the nominee of the Fund on the boards of the Portfolio Companies.

13. The proposed Amended and Restated Initial Order also incorporates the changes that were handwritten onto the Initial Order (as amended by the above).

14. The provisions of the CCAA, including in particular sections 11.02 and 11.4, and the inherent and equitable jurisdiction of this Court.

15. Rules 2.03, 3.02 and 37 of the *Rules of Civil Procedure*, R.R.O. 1990, Reg. 194, as amended; and

16. Such further and other grounds as counsel may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

17. Initial Ross Affidavit;

18. Affidavit of C. Ian Ross sworn October 25, 2013;

19. The Second Report of the Monitor, to be filed; and

20. Such further and other materials as counsel may advise and this Court may permit.

OF COMPROMISE OR ARRANGEMENT WITH RESPECT TO
GROWTHWORKS CANADIAN FUND LTD.
(the "APPLICANT")

**AFFIDAVIT OF C. IAN ROSS,
SWORN October 25, 2013
(Stay Extension and Amended and
Restated Initial Order Affidavit)**

I, C. Ian Ross, of the Town of The Blue Mountains, in the Province of Ontario,
MAKE OATH AND SAY:

1. I am the Chairman of GrowthWorks Canadian Fund Ltd. (the "**Fund**"), the Applicant in these proceedings. I am a director of the Fund and interim chief executive officer of the Fund, in which role I am responsible for the daily operations of the Fund, acting under the oversight of a special committee of the Fund's Board of Directors. As such, I have personal knowledge of the facts to which I depose, except where I have indicated that I have obtained facts from other sources, in which case I believe those facts to be true.

2. I swore an affidavit on September 30, 2013 in support of the initial application of the Fund pursuant to the *Companies Creditors' Arrangement Act* ("**CCAA**"), which I shall refer to herein as my "**Initial Affidavit**". Capitalized terms contained herein, and not otherwise defined, have the meanings provided in my Initial Affidavit.

BACKGROUND AND INITIAL ORDER

3. The Fund is a labour-sponsored venture capital fund with a diversified portfolio of investments in small and medium-sized Canadian businesses (as defined in my Initial Affidavit, the "**Portfolio Companies**").
4. As set out in my Initial Affidavit, the Fund faces challenges, including the following:
 - (a) A \$20 million payment obligation to Roseway Capital S.a.r.l. ("**Roseway**"), along with certain related obligations, became due on September 30, 2013, which the Fund was unable to pay;
 - (b) On September 30, 2013, shortly before the CCAA filing, the Fund terminated the Management Agreement with GrowthWorks WV Management Ltd. (the "**Manager**"), the entity to which the Fund had outsourced all of its day-to-day operations, monitoring of the Fund's investments and other management and operational oversight. The Fund terminated the Management Agreement in accordance with its terms as a result of the Manager's material defaults in respect of certain of its obligations thereunder; and
 - (c) The Fund does not have access to short-term financing and its investments in the Portfolio Companies are held in illiquid securities consisting of minority equity interests in private companies and restricted equity securities in a publicly traded company. The Fund's ability to divest of its investments in the Portfolio Companies at a profit is largely dependent on favourable market conditions and tends to

require waiting for opportunities such as an initial public offering or merger or acquisition involving a Portfolio Company.

5. On October 1, 2013, the Fund sought and received Court protection pursuant to the CCAA in the form of an initial order of the Honourable Mr. Justice Newbould (the "**Initial Order**").

6. The proposed form of Initial Order included in the Application Record served by the Fund sought to declare the following entities "critical suppliers" to the Fund: the Manager; Growth Works Capital Ltd. ("**GWC**"), the company to which the Manager had delegated all of its obligations under the Management Agreement; and each person engaged or contracted by the Manager and/or GWC (not including employees) in connection with the services provided pursuant to the Management Agreement (together, the "**Management Entities**").

7. On the morning of the hearing of the CCAA application, the Fund consented to the Manager's request to adjourn the portion of the application seeking to declare the Management Entities critical suppliers. The Initial Order granted by Justice Newbould contained handwritten changes removing the declaration that the Management Entities were critical suppliers. Attached hereto as **Exhibit "A"** is a copy of the Initial Order, with the handwritten changes.

CRITICAL SUPPLIER: AGREEMENT WITH THE MANAGER

8. Following the granting of the Initial Order, the Fund engaged in discussions with the Manager regarding the scope of services to be provided by the Management Entities, the cost of such services, and the critical supplier declaration.

9. These discussions aimed at providing greater clarity regarding the scope and cost of the transition services required by the Management Agreement (the “**Critical Transition Services**”), which provides, among other things:

8.4 Successor – Upon termination of this Agreement under Sections 8.2 or 8.3:

(a) the Manager shall use reasonable commercial efforts to co-operate with the Fund and any successor manager to facilitate an orderly transition such that the Services will be provided to the Fund by the successor without delay or compromise of service; ...

8.5 Delivery of Records – Upon termination of this Agreement under Sections 8.2 or 8.3, the Manager shall promptly deliver to the Fund all records, including electronic records or data in a form accessible to the Fund, of or relating to the affairs of the Fund in its custody, possession or control; and

8.6 Payments on Termination – Upon termination of this Agreement, the Fund shall pay to the Manager: ...

(b) if this Agreement is terminated pursuant to Section 8.2, all reasonable transfer, wind-down and transition costs incurred by or put to the Manager as a result of having to transition operations to a successor manager.

The Manager shall calculate the amounts payable to the Manager under (a) and (b) above and the Fund shall pay such amounts to the Manager on or about the 25th Business Day after receipt by the Fund of an invoice for the same.

10. The parties reached an agreement regarding the critical services to be provided by the Management Entities, which is set out in the Critical Transition Services Agreement, attached hereto as **Exhibit “B”**. The Critical Transition Services Agreement provides, among other things, as follows:

(a) The agreement is without prejudice to claims of the Fund or the Manager that arose prior to the delivery of the notice to terminate the Management Agreement (the “**Notice**”), claims that relate to the Notice, and claims that relate to the Manager’s conduct under the Management Agreement;

- (b) The Critical Transition Services shall include (i) assistance with the Fund's ongoing audit and valuation for fiscal 2013, including signing the related management representation letter; (ii) providing to the Fund copies of any agreements, retainer letters or other paperwork, if any, documenting the relationship with third party vendors and access to data in a form accessible in the system of the software provider, Just Systems; (iii) attendance by certain of the Manager's employees at meetings with the Fund and the Monitor regarding the Fund's representation on the boards of Portfolio Companies and related matters; and (iv) providing information to the Fund based on reasonable requests by the Fund. The agreement also specifies that the directors of Portfolio Companies nominated by the Manager shall resign from their respective positions on the boards of Portfolio Companies by October 31, 2013 unless such date is extended by mutual agreement; and
- (c) The Fund will pay the costs of the Manager for the Critical Transition Services, calculated for time spent based on the total actual annual salary of an individual employee, plus benefits and other employment costs, calculated hourly. The Manager will submit invoices to the Fund weekly, with detailed timesheets, and the Monitor and the Fund will review the invoices for reasonability. If reasonable, the Fund will pay the invoice within two weeks of receipt.

11. I believe that the Critical Transition Services to be provided by the Management Entities pursuant to the Critical Transition Services Agreement are essential for a successful restructuring of the Fund. As set out in my Initial Affidavit,

the Fund requires access to the documents and systems previously used by the Manager in the management of the Fund and assistance from the Management Entities in the form of the Critical Transitional Services in order to continue to operate and service the Fund's Venture Portfolio appropriately. I believe that these services are crucial to preserving the value of the Venture Portfolio and therefore are critical for a successful restructuring.

12. The Critical Suppliers' Charge is already contained in the Initial Order. The Fund seeks to amend the description of the Critical Suppliers' Charge in the Initial Order to reflect the Critical Transition Services Agreement. In particular, the Initial Order currently provides that the Critical Suppliers' Charge is in an amount equal to the lesser of:

(a) the value of the goods and services supplied by such Critical Supplier and received by the Applicant after the date of this Order less all amounts paid to such Critical Supplier in respect of such goods and services; (b) the amount to which the Manager is entitled to be paid under section 8.6(b) of the Management Agreement; and (c) \$50,000.

13. The proposed Amended and Restated Initial Order removes the \$50,000 limit and modifies "(b)" above to reference the Critical Transition Services Agreement such that the Critical Suppliers' Charge is the lesser of the following:

(a) the value of the goods and services supplied by such Critical Supplier and received by the Applicant after the date of this Order less all amounts paid to such Critical Supplier in respect of such goods and services; and, (b) the amount to which the Manager is entitled to be paid under the Critical Transition Services Agreement attached hereto as Schedule "1".

14. With respect to the priority of the Critical Suppliers' Charge, the proposed Amended and Restated Initial Order does not change the priority of the Critical Suppliers' Charge (in third priority after the Administration Charge and Directors' Charge) to a maximum of \$50,000. However, as the \$50,000 limit has been removed

from the definition of the Critical Suppliers' Charge, the proposed Amended and Restated Initial Order provides for any amount above \$50,000 to rank behind the secured obligations and other Encumbrances (as defined in the Initial Order, the "**Encumbrances**"): "To the extent the Critical Suppliers' Charge exceeds \$50,000, such additional amount... shall rank behind the Encumbrances."

15. In addition to providing the amended Critical Suppliers' Charge as outlined above, I understand that the Monitor has revised the Fund's cash flow projection to provide for payment of the Critical Transition Services in accordance with the Critical Transition Services Agreement and the estimates of such services provided by the Manager.

PORTFOLIO COMPANY DIRECTORS

16. One of the ways in which the Fund monitored its investments in the Portfolio Companies was to have a Fund-nominated director on the board of directors of the Portfolio Companies (current and future Fund-nominated directors on a board of directors of any of the Portfolio Companies are referred to herein as the "**Portfolio Company Directors**"). The Portfolio Company Directors not only monitored the Fund's investment but also, in some circumstances, actively participated on the board of directors, including participating in financial and other key decisions.

17. In each case, prior to the termination of the Management Agreement, the Portfolio Company Directors were employees of the Manager. It is currently expected that the current Portfolio Company Directors, employed by the Manager, will resign their positions and be replaced by another Fund-nominated director not employed by the Manager. Included in the Critical Transition Services, described above, are

meetings between the current Portfolio Company Directors and the Fund to provide information regarding the Portfolio Companies.

18. Continued representation on the board of directors of Portfolio Companies is an important aspect of maintaining and monitoring the value of the Fund's investments. Accordingly, in the proposed Amended and Restated Initial Order, the Fund proposes to include protections for the current and future Portfolio Company Directors in a form similar to the protections provided to the directors and officers of the Fund, including the following:

- (a) Stay: the Fund seeks to extend the stay of proceedings against the directors and officers of the Fund to also stay proceedings against the Portfolio Company Directors with respect to any claim against them arising before, on or after the date of the Initial Order whereby the Portfolio Company Directors are alleged to be liable in their capacity as directors;
- (b) Indemnity: the Fund seeks an order permitting but not requiring it to indemnify the Portfolio Company Directors if, in its own discretion and in consultation with the Monitor, it elects to do so, for any liability that the Portfolio Company Directors may incur by acting in that capacity going forward, except to the extent the liability arose as a result of the director's gross negligence or wilful misconduct;
- (c) Charge: the Fund seeks to create a charge over the present and after-acquired assets of the Fund as security for such indemnity, should one be provided, to protect the Portfolio Company Directors from claims and liabilities that they may incur in their capacity as directors of the Portfolio

Companies to pay or perform certain obligations after the filing date (the **"Portfolio Company Directors' Charge"**).

19. I understand that D&O Insurance coverage is provided pursuant to a policy maintained by Matrix Asset Management Inc for, among others, the Manager, various entities related to the Manager, and the Fund, which covers those Portfolio Company Directors who were appointed by the Manager. This coverage may expire and/or may not apply to future Portfolio Company Directors as a result of the Fund having terminated the Management Agreement since future Portfolio Company Directors will not be appointed by the Manager. The proposed Portfolio Company Directors' Charge is to protect the Portfolio Company Directors against exposure that is not covered by the D&O Insurance or any future insurance the Fund may be able to arrange for future Portfolio Company Directors.

20. Protecting the Portfolio Company Directors against liabilities that they could incur during the restructuring that are not covered by the D&O Insurance will help to ensure their effective participation in the process to preserve and protect the Fund's assets pending a financing or merger transaction or judicious disposition of the Fund's assets. In my opinion, it is important to have a Portfolio Company Directors' Charge to keep the Portfolio Company Directors in place and/or to allow the Fund to replace the current Portfolio Company Directors and thereby ensure the Fund's continued representation on the boards of the Portfolio Companies during the restructuring.

21. I believe that providing an indemnity as proposed will be expected by prospective directors of the Portfolio Companies as a condition of their appointment as the nominee of the Fund on the boards of the Portfolio Companies.

22. The Fund does not propose to rank the Portfolio Company Directors' Charge ahead of the secured obligations. Instead, the proposed Amended and Restated Initial Order seeks to rank the Portfolio Company Directors' Charge behind the Encumbrances, *pari passu* with the Critical Suppliers' Charge for any amount in excess of \$50,000.

Summary of Proposed Charges

23. To summarize, the proposed Order provides for the following ranking of the Charges in relation to one another:

- (a) First – The Administration Charge (to the maximum amount of \$500,000);
- (b) Second – The Directors' Charge (to the maximum amount of \$1,000,000); and,
- (c) Third – The Critical Suppliers' Charge (to the maximum amount of \$50,000).
- (d) Ranking below the Encumbrances: The Critical Suppliers' Charge to the extent it exceeds \$50,000 *pari passu* with the Portfolio Company Directors' Charge.

MERGER TRANSACTION AND SOLICITATION PROCESS

24. As outlined in my Initial Affidavit, The Commercial Capital Corporation (operating as CCC Investment Banking) ("CCC"), as independent financial advisor to the Board of Directors, delivered its report to the Special Committee in April, 2013,

which considered a number of potential alternatives available to the Fund. CCC concluded that a merger with a similar fund, coupled with a refinancing of the Roseway Obligations, is likely to produce the best outcome for the Fund and its stakeholders.

25. The Fund has been exploring potential merger options and has been in serious discussions with a possible merger partner (the "**Potential Merger Partner**"). The day before the CCAA filing, on September 30, 2013, the Fund received a confidential letter agreement proposing terms of a potential transaction with the Potential Merger Partner.

26. Since the Initial Order was granted, the Fund, with the assistance and involvement of CCC, has been in negotiations with the Potential Merger Partner in an effort to come to agreement on the terms of a merger transaction.

27. It is presently our goal to finalize and execute a merger agreement with the Potential Merger Partner by November 15, 2013.

28. While we are working towards executing a merger agreement with the Potential Merger Partner in the near future, one of the elements of that transaction will be the ability for the Fund to canvass the market to seek competing bids. The agreement will also be subject to Court approval.

29. At the same time as we are working towards completing a written agreement with the Potential Merger Partner, the Fund is also working, together with the Monitor and CCC, to create a solicitation process (the "**Solicitation Process**"). The goal of the Solicitation Process will be to canvass the market to solicit competing bids in an attempt to identify a superior offer to any merger transaction.

30. At this stage, CCC is creating a list of possible targets and creating a teaser letter, which will be used to solicit interest from the targets, as an initial step in the Solicitation Process.

31. It is presently the Fund's intention to return to Court for approval of any merger transaction and for approval of a Solicitation Process before December 1, 2013.

STAY EXTENSION

32. The Initial Order included a stay of proceedings as against the Applicant until and including October 31, 2013, or such later date as the Court may order (the "**Stay Period**").

33. The Applicant has acted in good faith and with due diligence since the granting of the Initial Order, including that the Applicant has been negotiating a possible merger transaction, has been exploring possible financing options, and has been working with the Monitor and its financial advisor, CCC, to develop a process to market the business of the Applicant and to attempt to identify transaction options that are superior to a merger transaction.

34. In addition, since the Initial Order was granted, the Fund has been in negotiations with the Manager and, as set out above, successfully reached an agreement with the Manager to provide essential Transition Services to the Fund.

35. The Applicant seeks an extension of the Stay Period to January 15, 2014. This extension is necessary and appropriate in the circumstances, in particular to allow the Applicant to continue to negotiate a possible merger transaction, explore financing options and to solicit competing offers.

36. As noted in my Initial Affidavit, I believe that a merger with the Potential Merger Partner would be preferable to a forced, premature sale of the Fund's investment assets and that the Fund and its stakeholders would benefit from having sufficient time and the protection of a CCAA stay to enable discussions regarding the proposed transaction with the Potential Merger Partner to continue.

37. The cash flow projection that I understand will be attached to the Monitor's second report shows that the Applicant has sufficient liquidity to be able to continue operating in the ordinary course during the requested Stay Period.

38. The Monitor and Roseway (the holder of the Applicant's secured obligations) are supportive of the requested extension of the Stay Period.

RELIEF REQUESTED

39. Accordingly, this affidavit is sworn in support of a motion by the Fund for an order pursuant to the CCAA, among other things:

- (a) if necessary, abridging the time for service of the Notice of Motion such that the motion is properly returnable October 29, 2013 and dispensing with further service thereof;
- (b) extending the Stay Period to January 15, 2014;
- (c) approving the First Report of the Monitor and the Second Report of the Monitor and the Monitor's activities as described therein;
- (d) amending and restating the Initial Order, including, among other things:
 - (i) declaring the Management Entities are critical suppliers;

- (ii) staying proceedings against the Portfolio Company Directors during the Stay Period, as set out in the draft Order;
- (iii) permitting the Applicant to provide an indemnity, if it elects to do so in consultation with the Monitor, to the Portfolio Company Directors and providing a charge to secure any such indemnity; and
- (e) granting such further and other relief as Counsel may request and this Honourable Court may deem just.

INITIAL ORDER

THIS APPLICATION, made by the Applicant, pursuant to the Companies' Creditors Arrangement Act, R.S.C. 1985, c. C-36, as amended (the "CCAA") was heard this day at 330 University Avenue, Toronto, Ontario.

ON READING the affidavit of C. Ian Ross sworn September 30, 2013 and the Exhibits thereto (the "Ross Affidavit"), and on being advised that Roseway Capital S.a.r.l.
