## SECTION 8. THE AGENTS

8.1 Appointment. Each Lender hereby irrevocably designates, appoints and authorizes the Administrative Agent and the Collateral Agent as the agents of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent and the Collateral Agent, in such capacities, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent and the Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, each Lender hereby authorizes the Administrative Agent and the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and the Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto and to enter into each Security Document, the Intercreditor Agreements and any other intercreditor or subordination agreements contemplated hereby on behalf of and for the benefit of the Lenders and the other Secured Parties and agrees to be bound by the terms thereof. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent and the Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or

otherwise exist against the Administrative Agent or the Collateral Agent. Notwithstanding anything to the contrary herein or in any other Loan Document, (i) each Agent is authorized to take direction from the Required Lender Representative to the extent set forth in Section 1.5(b), (ii) each Agent is authorized to take direction from the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 9.2) and (iii) the Collateral Agent is authorized to take direction from the Administrative Agent.

Without limiting the powers of the Administrative Agent, for the purposes of holding any hypothec granted to the Attorney (as defined below) pursuant to the laws of the Province of Québec to secure the prompt payment and performance of any and all Obligations by any Loan Party, each of the Lenders hereby irrevocably appoints and authorizes the Administrative Agent and, to the extent necessary, ratifies the appointment and authorization of the Administrative Agent, to act as the hypothecary representative of the creditors as contemplated under Article 2692 of the Civil Code of Québec (in such capacity, the “Attorney”), and to enter into, to take and to hold on their behalf, and for their benefit, any hypothec, and to exercise such powers and duties that are conferred upon the Attorney under any related deed of hypothec. The Attorney shall: (a) have the sole and exclusive right and authority to exercise, except as may be otherwise specifically restricted by the terms hereof, all rights and remedies given to the Attorney pursuant to any such deed of hypothec and applicable law, and (b) benefit from and be subject to all provisions hereof with respect to the Administrative Agent mutatis mutandis, including, without limitation, all such provisions with respect to the liability or responsibility to and indemnification by the Lenders and the Loan Parties. Any person who becomes a Lender shall, by its execution of an Assignment and Assumption Agreement, be deemed to have consented to and confirmed the Attorney as the person acting as hypothecary representative holding the aforesaid hypothecs as aforesaid and to have ratified, as of the date it becomes a Lender, all actions taken by the Attorney in such capacity. The substitution of the Administrative Agent pursuant to the provisions of this Section 8 also constitute the substitution of the Attorney.

8.2 Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may execute any of its duties under this Agreement and the other Loan Documents by or through sub-agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No such Agent shall be responsible for the negligence or misconduct of any such sub-agents or attorneys-in-fact selected by it with reasonable care. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of each such Agent and any such sub-agent, and shall apply to their respective activities as Arranger and as such Agent. No such Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

8.3 Exculpatory Provisions. Neither any Agent, Arranger, nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates shall be:

(a) liable to any other Credit Party for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan

Document (i) with the consent or at the request of the Required Lender Representative in accordance with Section 1.5, the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 9.2) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default or Event of Default unless and until notice describing such Default or Event of Default is given in writing to such Agent by the Borrower or a Lender;

(b) responsible in any manner to any other Credit Party for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents or the Arranger under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Loan Party party thereto to perform its obligations hereunder or thereunder. The Agents and the Arranger shall not be under any obligation to any other Credit Party to ascertain or to inquire as to the observance or performance of any of the covenants or agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. Neither the Administrative Agent nor the Collateral Agent nor the Arranger shall be under any obligation to any other Credit Party to ascertain or to inquire as to the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), or the creation, perfection or priority of any Lien purported to be created by the Security Documents, the value or the sufficiency of any Collateral, or the satisfaction of any condition set forth in Section 4 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent or the Arranger, as applicable;

(c) subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(d) subject to any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or the Collateral Agent is required to exercise as directed in writing by the Required Lender Representative or the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that such Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

(e) subject to a duty or responsibility to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent, the Collateral Agent, an Arranger or any of their respective Affiliates in any capacity, except as expressly set forth herein and in the other Loan Documents;

(f) obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it;

(g) responsible for any unsuitability, inadequacy, expiration or unfitness of any security interest created hereunder or pursuant to any other Loan Document nor shall it be obligated to make any investigation into, and shall be entitled to assume, the adequacy and fitness of any security interest created hereunder or pursuant to any other Loan Document; or

(h) responsible or liable for any failure or delay in the performance of its obligations hereunder or under any other Loan Document arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

8.4 Reliance by Administrative Agent. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying and shall not incur any liability for relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, facsimile or email message, statement, order, telephonic or electronic notices or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Loan Parties), independent accountants and other experts selected by such Agent. Each of the Administrative Agent and the Collateral Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent. Each of the Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lender Representative in accordance with Section 1.5 or the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents or, if so specified by this Agreement, all affected Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each of the Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lender Representative in accordance with Section 1.5, the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents or, if so specified by this Agreement, all affected Lenders), and such request

and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans. In determining compliance with any condition hereunder to the occurrence of the Closing Date that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the occurrence of the Closing Date. The Administrative Agent and the Collateral Agent may consult with legal counsel (who may be counsel for the Loan Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

8.5 Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received notice from a Lender, Parent or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default”. In the event that the Administrative Agent or the Collateral Agent receives such a notice, such Agent shall give notice thereof to the Lenders and the other such Agent. Each of the Administrative Agent and the Collateral Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents or, if so specified by this Agreement, all affected Lenders); provided that unless and until such Agent shall have received such directions, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

8.6 Non-Reliance on Agents, Arranger and Other Lenders. Each Lender expressly acknowledges that none of the Agents, the Arranger nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent or Arranger hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent or Arranger to any Lender. Each Lender represents to the Agents and the Arrangers that it has, independently and without reliance upon any Agent, Arranger or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent, Arranger or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, no Agent or Arranger shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of such

Agent or Arranger or any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates.

8.7 Indemnification. The Lenders agree to indemnify each Agent and its officers, directors, employees, affiliates, agents, advisors and controlling persons (each, an “Agent Indemnitee”) (to the extent not reimbursed by the Loan Parties and without limiting any obligation of the Loan Parties to do so), ratably according to their respective outstanding FILO Term Loans in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such outstanding FILO Term Loans immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, the Commitments, the FILO Term Loans, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee’s gross negligence, bad faith or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

8.8 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, own securities of, act as the financial advisor of or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any Subsidiary or other Affiliate thereof as though such Agent were not an Agent and without any duty to account therefor to the Lenders or provide notice to or consent of the Lenders with respect thereto. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms “Lender” and “Lenders” shall include each Agent in its individual capacity.

8.9 Successor Administrative Agent. Either of the Agents may resign as Agent upon 10 days’ notice to the Lenders and the Borrower. The Borrower and the Required Lenders, after consultation with the Agent (it being understood that the consent of the Agent shall not be required), may upon 10 days’ prior notice remove either or both Agents. If either Agent shall resign or be removed, then the Borrower and the Required Lenders (or, if an Event of Default has occurred and is continuing under Section 7.1(a), the Required Lenders) shall appoint a successor agent for the Lenders, which shall be a financial institution with an office in the United States, or an Affiliate of any such financial institution with an office in the United States, whereupon such successor agent shall succeed to the rights, powers and duties of such Agent, and the term “Administrative Agent” or “Collateral Agent”, as applicable, shall mean such successor agent effective upon such appointment and approval, and the former Agent’s rights, powers and duties as Administrative Agent or Collateral Agent, as applicable, shall be

terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has been appointed as Administrative Agent or Collateral Agent, as applicable, by the date that is 10 days following a retiring Agent's notice of resignation or the delivery of such removal notice (or such earlier date as shall be agreed by the Borrower and the Required Lenders) (the "Resignation Effective Date"), the retiring Agent's resignation or removal, as the case may be, shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of such Agent hereunder until such time, if any, as the Borrower and the Required Lenders (or, if an Event of Default has occurred and is continuing under Section 7.1(a), the Required Lenders as set forth above) shall appoint a successor agent as provided for above; provided that in no event shall any successor Agent be a Defaulting Lender or a Disqualified Institution. After any retiring Agent's resignation or removal as Administrative Agent, the provisions of this Section 8 and of Section 9.3 shall continue to inure to its benefit.

8.10 Effect of Resignation or Removal. With effect from the Resignation Effective Date (i) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Collateral Agent (or its agent or bailee for such purpose) on behalf of the Lenders under any of the Loan Documents, the retiring or removed Collateral Agent (or its agent or bailee for such purpose) shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (ii) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Borrower (or, if an Event of Default has occurred and is continuing under Section 7.1(a), the Required Lenders as set forth above) shall appoint a successor agent as provided for above. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Agent as of the Resignation Effective Date), and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Section 8 and Section 9.3 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them (i) while the retiring or removed Agent was acting as Agent and (ii) after such resignation or removal for as long as any of them continues to act in any capacity (other than in its capacity as a Lender) hereunder or under the other Loan Documents, including, without limitation, (A) acting as collateral agent or otherwise holding any collateral security on behalf of any of the Secured Parties and (B) in respect of any actions taken in connection with transferring the agency to any successor Agent.

8.11 Collateral and Guarantee Matters. Each of the Lenders hereby irrevocably authorizes the Administrative Agent and the Collateral Agent to, and the Administrative Agent and the Collateral hereby agree:

(a) to take such action and execute such documents as may be reasonably requested by any of the Loan Parties pursuant to Section 9.14 to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (i) upon the payment in full of the Obligations (other than Obligations in respect of Cash Management Obligations and contingent reimbursement and indemnification obligations) and termination of all Commitments, (ii) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Loan Document, (iii) that is or becomes an Excluded Asset or (iv) if approved, authorized or ratified in writing by the Required Lenders in accordance with Section 9.2;

(b) to subordinate any Lien on any property granted to or held by the Collateral Agent on behalf of the Secured Parties under any Loan Document as set forth in the applicable Intercreditor Agreement; and

(c) to take such action and execute such documents as may be reasonably requested by any of the Loan Parties pursuant to Section 9.14 to release any Guarantor from its Guarantee Obligations and other obligations under the Loan Documents, and to release any Liens granted by it under the Loan Documents, if such Person ceases to be a Subsidiary or is or becomes an Excluded Subsidiary as a result of a transaction permitted under the Loan Documents.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantee Obligations or Liens pursuant to this Section 8.11. In each case as specified in this Section 8.11, the Administrative Agent and the Collateral Agent will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guarantee and Collateral Agreement or the Canadian Guarantee and Collateral Agreement and to release the Liens granted by such Guarantor under the Loan Documents, in each case in accordance with the terms of this Section 8.11.

Neither the Administrative Agent nor the Collateral Agent shall be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent or the Collateral Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral, any security interests of the Administrative Agent or the Collateral Agent therein or any filings, registrations, or recordings made with respect thereto. Neither the Collateral Agent nor the Administrative Agent shall have any obligation whatsoever to any Lender or any other person to investigate, confirm or assure that the Collateral exists or is owned by any Loan Party or is insured or has been encumbered, or that the liens and security interests granted to the Collateral Agent pursuant hereto or any of the Loan Documents or otherwise have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority.

8.12 Appointment of Borrower. Each of the Loan Parties hereby appoints the Borrower to act as its agent for all purposes of this Agreement, the other Loan Documents and all other documents and electronic platforms entered into in connection herewith and agrees that (a) the Borrower may execute such documents and provide such authorizations on behalf of such Loan Parties as the Borrower deems appropriate in its sole discretion and each Loan Party shall be obligated by all of the terms of any such document and/or authorization executed on its behalf, (b) any notice or communication delivered by the Administrative Agent or a Lender to the Borrower shall be deemed delivered to each Loan Party and (c) the Administrative Agent, or the Lenders may accept, and be permitted to rely on, any document, authorization, instrument or agreement executed by the Borrower on behalf of each of the Loan Parties.

8.13 Administrative Agent or Collateral Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, including during the pendency of the Chapter 11 Cases, each of the Administrative Agent and Collateral Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent or Collateral Agent shall have made any demand on the Loan Parties) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, Administrative Agent and Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of Lenders, Administrative Agent, Collateral Agent and their respective agents and counsel and all other amounts due Lenders, Administrative Agent and Collateral Agent hereunder) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to pay to Administrative Agent or Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent, Collateral Agent and their respective agents and counsel, and any other amounts due Administrative Agent or Collateral Agent hereunder. To the extent that the payment of any such compensation, expenses, disbursements and advances of Administrative Agent, Collateral Agent and their respective agents and counsel, and any other amounts due Administrative Agent or Collateral Agent under this Agreement out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

8.14 Agent Duties. If any of the rights, responsibilities or duties of the Agents conflict with such Agents' rights, responsibilities or duties under the Prepetition ABL Agreement, this Agreement shall supersede the Prepetition ABL Agreement.

8.15 Arranger. Anything herein to the contrary notwithstanding, the Arranger shall have no duties or responsibilities hereunder in its capacity as such.

8.16 The Collateral Agent. The Collateral Agent shall be entitled to all rights, protections, immunities and indemnities granted to it in the Security Documents as if set forth herein.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the

Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent, the Collateral Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

(d) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's, any Loan Party's or the Administrative Agent's transmission of Borrower Materials or notices through the Platform, any other electronic platform or electronic messaging service, or through the Internet, other than for direct or actual damages to the extent resulting from the gross negligence, bad faith or willful misconduct of such party or its Related Parties as determined by a final and non-appealable judgment of a court of competent jurisdiction.

(e) The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices (including, without limitation, telephonic or electronic notices) purportedly given by or on behalf of any Loan Party even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, the Collateral Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of a Loan Party in accordance with Section 9.3. All telephonic notices to and other telephonic communications with the Administrative Agent or the Collateral Agent may be recorded by the Administrative Agent or the Collateral Agent, as applicable, and each of the parties hereto hereby consents to such recording.

9.2 Waivers; Amendments. (a) No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or

any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by Parent or the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Collateral Agent or any Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly and adversely affected thereby (except in connection with the waiver of applicability of any post-default increase in interest rates (which waiver shall be effective with the consent of the Required Lenders)), (ii) postpone the scheduled date of payment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment without the written consent of each Lender directly and adversely affected thereby (it being understood that a waiver of any condition precedent set forth in Section 4.1, Section 4.2 or the waiver of any Default, mandatory prepayment or mandatory reduction of Commitments shall not constitute a postponement of the scheduled date of expiration of any Commitment of any Lender), (iii) change Section 2.21(b) or (c) in a manner that would alter the pro rata sharing of payments required thereby or the “waterfall” contained therein without the written consent of each Lender directly and adversely affected thereby, (iv) change any of the provisions of this Section or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or grant any consent hereunder, or release all or substantially all of the Collateral or release Guarantors from their guarantee obligations under the Guarantee and Collateral Agreement and the Canadian Guarantee and Collateral Agreement representing all or substantially all of the value of such guarantees, taken as a whole, in each case, without the written consent of each Lender directly and adversely affected thereby, (v) increase the advance rates set forth in the definition of “Borrowing Base” without the consent of the Lenders holding at least 66  $\frac{2}{3}$ % of the aggregate amount of FILO Term Loans, (vi) change the definition of the “Borrowing Base” without the consent of the Lenders holding at least 66  $\frac{2}{3}$ % of the aggregate amount of FILO Term Loans, (vii) amend the Exit ABL Term Sheet or the conditions precedent to Exit Conversion set forth in Section 2.24, in each case without the consent of the Lenders holding at least 66  $\frac{2}{3}$ % of the aggregate amount of FILO Term Loans (provided that consent of each Lender directly and adversely affected thereby shall be required with respect to modifications of the terms of Exit FILO Loans that would require the consent of each directly and adversely affected Lender if such Exit FILO Loans were FILO Term Loans), (viii) permit the incurrence by any Loan Party of Indebtedness for borrowed money that is secured by (A) Liens on ABL Priority

Collateral that rank senior in priority to or *pari passu* with the Liens thereon in favor of the Lenders or (B) Liens on Term Priority Collateral that rank senior in priority to the Liens thereon in favor of the Lenders, in each case without the consent of the Lenders holding at least 66 ⅔% of the aggregate amount of FILO Term Loans, (ix) permit the Bankruptcy Court DIP Order to be amended or modified to change the priority, as between the Lenders and the Term Loan Lenders, of their respective claims or of the Liens on the ABL Priority Collateral or the Term Priority Collateral in a manner materially adverse to the Lenders without the consent of the Lenders holding at least 66 ⅔% of the aggregate amount of FILO Term Loans, or (x) permit the Bankruptcy Court DIP Order to be amended or modified in a manner materially adverse to the FILO Ad Hoc Group or the Lenders taken as a whole without the consent of the Lenders holding at least 66 ⅔% of the aggregate amount of FILO Term Loans; provided that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent in a manner adverse to the Administrative Agent or the Collateral Agent, respectively, without the prior written consent of the Administrative Agent or the Collateral Agent, as the case may be.

(c) Notwithstanding anything to the contrary contained in this Section 9.2, the Administrative Agent and the Borrower, in their discretion, may amend, modify or supplement any provision of this Agreement or any other Loan Document to (i) cure any ambiguity, omission, mistake, error, defect or inconsistency, so long as such amendment, modification or supplement does not directly and adversely affect the rights or obligations of any Lender, (ii) to permit additional affiliates of the Borrower to guarantee the Obligations and/or provide Collateral therefor and (iii) to add covenants and other terms for the benefit of the Lenders as provided herein. Subject to Section 1.5, such amendments shall become effective without any further action or consent of any other party to any Loan Document.

(d) Notwithstanding anything to the contrary contained in this Section 9.2 or any other Loan Document, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Requirements of Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement or any other Loan Documents.

9.3 Expenses; Indemnity; Damage Waiver. (a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by each Agent and its Affiliates, including the reasonable and documented out-of-pocket fees, charges and disbursements of the Ad Hoc Committee Advisors and of legal counsel for the Administrative Agent and the other Agents in connection with the preparation and administration of this Agreement or any amendments, modifications or waivers of the provisions hereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Collateral Agent, or all Lenders collectively, including the reasonable and documented out-of-pocket fees, charges and disbursements of the Ad Hoc Committee Advisors and of legal counsel for the Administrative Agent and the Collateral Agent, or all Lenders collectively, in connection with the enforcement

or protection of its rights in connection with this Agreement, including its rights under this Section, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans; provided that the Borrower's obligations under this Section 9.3(a) for fees and expenses of legal counsel shall be limited to fees and expenses of (x) (I) one outside legal counsel for each Agent and its Affiliates, taken as a whole, and (II) one outside legal counsel for all Indemnitees described in clauses (i) and (ii) above, taken as a whole, (y) in the case of any conflict of interest, one outside legal counsel for such affected Indemnitee or group of Indemnitees and (z) if necessary, (I) one local or foreign legal counsel in each relevant jurisdiction for each Agent and its Affiliates, taken as a whole, and (II) one local or foreign legal counsel in each relevant jurisdiction for all other Indemnitees described in clauses (i) and (ii) above, taken as a whole.

(b) The Borrower shall indemnify the Administrative Agent, each other Agent, the Arranger, each Lender and the Required Lender Representative, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee"), against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related reasonable and documented out-of-pocket expenses (including the reasonable and documented out-of-pocket fees, charges and disbursements of (i) one outside legal counsel to the Administrative Agent and one outside legal counsel to the other Indemnitees taken as a whole, (ii) in the case of any conflict of interest, one outside legal counsel for the affected Lender or group of Lenders and (iii) if necessary, one local or foreign legal counsel in each relevant jurisdiction), which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnitee arising out of, in connection with, or as a result of (w) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or any other transactions contemplated hereby, (x) any Loan or the use of the proceeds therefrom, (y) any actual or alleged presence or release of Hazardous Materials at, on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability of the Borrower or any of its Subsidiaries, or (z) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (1) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or material breach of its obligations under the Loan Documents or willful misconduct of such Indemnitee or its Primary Related Parties, (2) arise out of any claim, litigation, investigation or proceeding that does not involve an act or omission by the Borrower or any of its Affiliates and that is brought by an Indemnitee against any other Indemnitee (provided that in the event of such a claim, litigation, investigation or proceeding involving a claim or proceeding brought against the Arranger (in its capacity as such), the Administrative Agent (in its capacity as such) or the Collateral Agent (in its capacity as such) by other Indemnitees, the Arranger (in its capacity as such), the Administrative Agent (in its capacity as such) or the Collateral Agent (in its capacity as such) shall be entitled (subject to the other limitations and exceptions set forth above) to the benefit of the indemnities set forth above) or (3) are in respect of indemnification payments made pursuant to Section 8.7, to the extent the Borrower would not have been or was not required to make such indemnification payments directly pursuant to the provisions of this Section 9.3(b). This Section 9.3 shall not apply to Taxes, except any Taxes that represent losses,

claims, damages or liabilities arising from a non-Tax claim. As used herein, the “Primary Related Parties” of an Indemnitee are its Affiliates with direct involvement in the negotiation of the Facilities under this Agreement and such Indemnitee’s and Affiliates’ respective directors, officers and employees.

(c) To the extent permitted by applicable law, none of Parent, the Borrower nor any Indemnitee shall assert, and Parent, the Borrower and each Indemnitee hereby waives, any claim against Parent, the Borrower or any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any agreement or instrument contemplated hereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and, to the extent permitted by applicable law, Parent, the Borrower and each Indemnitee hereby waive, release and agree not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that nothing contained in this paragraph shall limit the obligations of the Borrower under Section 9.3(b) in respect of any such damages claimed against the Indemnitees by Persons other than Indemnitees.

(d) All amounts due under this Section shall be payable not later than thirty days after written demand therefor.

9.4 Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) subject to Section 6.4, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower, provided that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender or if an Event of Default has occurred and is continuing under Section 7.1(a), to any other Eligible Assignee; and provided, further, that the Borrower shall be deemed to have consented to any such assignment unless the Borrower shall have objected thereto by written notice to the Administrative Agent not later than the tenth

Business Day following the date the Borrower acknowledges its receipt of notice of the proposed assignment; and

(B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a FILO Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Loans, the amount of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1,000,000 unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default under Section 7.1(a) has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with (unless waived by the Administrative Agent in its sole discretion) a processing and recordation fee of \$3,500;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more Credit Contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the Loan Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws;

(E) no such assignment shall be made to a natural person; and

(F) such assignment does not violate Section 9.4(g).

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its

obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.18, 2.19, 2.20 and 9.3). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.4 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.4(b)(vi).

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and principal amount and stated interest of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and, if an Event of Default has occurred and is continuing, any Lender (but only with respect to the entries related to such Lender), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section (unless waived by the Administrative Agent in its sole discretion) and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.21(d) or 8.7, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) Subject to compliance with Section 9.4(g), any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to

approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.2(b) that (1) requires the consent of each Lender or each directly and adversely affected Lender and (2) directly and adversely affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.18, 2.19 and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.8 as though it were a Lender, provided such Participant agrees to be subject to Section 2.21(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Loans, or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) and Proposed Section 1.163-5(b) (and any amended or successor version) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. The portion of the Participant Register relating to any Participant requesting payment from the Borrower under the Loan Documents shall be made available to the Borrower upon request.

(vii) A Participant shall not be entitled to receive any greater payment under Section 2.18, 2.19 or 2.20 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless (A) the Borrower is notified of the participation sold to such Participant and the sale of the participation to such Participant is made with the Borrower's prior written consent or (B) such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.20 unless such Participant agrees, for the benefit of the Borrower, to comply (and actually complies) with Section 2.20(e) as though it were a Lender.

(c) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(d) [Reserved].

(e) [Reserved].

(f) [Reserved].

(g) No assignment or participation shall be made to any Person that is a Disqualified Institution to the extent the list thereof has been provided to any Lender requesting the same as of the date (the “Trade Date”) on which such Lender entered into a binding agreement to sell and assign or participate all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any Assignee that becomes a Disqualified Institution after the applicable Trade Date, (x) such Assignee shall not retroactively be disqualified from becoming a Lender and (y) the execution by the Borrower of an Assignment and Acceptance with respect to such Assignee will not by itself result in such Assignee no longer being considered a Disqualified Institution. Any assignment in violation of this paragraph (g) shall not be void, but the other provisions of this paragraph (g) shall apply.

(h) If any assignment or participation is made to any Disqualified Institution without the Borrower’s prior written consent in violation of clause (g)(i) above, or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.4), all of its interest, rights and obligations under this Agreement to one or more Assignees at the lower of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations.

(i) Notwithstanding anything to the contrary contained in this Agreement, (A) Disqualified Institutions will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrower, any other Loan Party, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting on any plan of reorganization, each Disqualified Institution party hereto hereby agrees (1) not to vote on such plan of reorganization, (2) if such Disqualified Institution does vote on such plan of reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has

accepted or rejected such plan of reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(j) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to provide the list of Disqualified Institutions to each Lender requesting the same and to post such list to the Platform. Each Lender shall have the right, and the Borrower hereby authorizes each Lender, to provide the list of Disqualified Institutions to any of such Lender's actual or prospective transferees (including any actual or prospective assignee or participant).

(k) The Administrative Agent, in its capacity as such, shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions; provided that without limiting the generality of the foregoing, the Administrative Agent, in its capacity as such, shall not (a) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Institution or (b) have any liability with respect to or arising out of any assignment or participation of loans, or disclosure of confidential information in connection therewith, to any Disqualified Institution; it being agreed that the foregoing shall not relieve the Administrative Agent, to the extent constituting a Lender, from its obligations in respect of Disqualified Institutions in connection with assignments and participations, and disclosure of confidential information in connection therewith, by it.

9.5 Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement (excluding Obligations in respect of Cash Management Obligations and contingent reimbursement and indemnification obligations that are not then due and payable at the time all other Obligations hereunder are discharged) is outstanding and unpaid. The provisions of Sections 2.18, 2.19, 2.20 and 9.3 and Section 8 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans or the termination of this Agreement or any provision hereof.

#### 9.6 Counterparts; Integration; Electronic Signatures.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and

supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

(b) Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 9.1), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each Loan Party hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, the Borrower and the Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any Indemnitee for any losses, claims (including intraparty claims), demands, damages or liabilities of any kind arising solely from the Administrative Agent’s and/or any Lender’s reliance on or use of Electronic Signatures and/or

transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any losses, claims (including intraparty claims), demands, damages or liabilities of any kind arising as a result of the failure of the Borrower and/or any Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

9.7 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

9.8 Right of Setoff. Subject to the terms of the Bankruptcy Court DIP Order, the Canadian Court DIP Recognition Order and the Carve Out, if an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time with the prior written consent of the Administrative Agent, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) (excluding payroll, tax withholding and trust accounts maintained in the ordinary course of business) at any time held and other obligations at any time owing by such Lender to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have but subject to the terms of the Bankruptcy Court DIP Order, the Canadian Court DIP Recognition Order and the Carve Out. Each Lender shall notify the Administrative Agent and the Borrower promptly after any such setoff.

9.9 Governing Law; Jurisdiction; Consent to Service of Process. (a) EXCEPT TO THE EXTENT SUPERSEDED BY THE BANKRUPTCY CODE, THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL BE BROUGHT IN THE BANKRUPTCY COURT, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE BANKRUPTCY COURT. EACH LOAN PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF THE BANKRUPTCY COURT AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH HEREIN. THE LOAN PARTIES AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT AND THE LENDERS

TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW. EACH LOAN PARTY HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN SUCH COURT AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT ANY LOAN PARTY HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, EACH LOAN PARTY HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

(c) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.1. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(d) EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (B) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

9.12 Confidentiality. (a) Each of the Administrative Agent, the Arranger and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent requested by any regulatory authority claiming jurisdiction over it, (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided that the applicable Agent or such Lender, as applicable, shall notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority claiming jurisdiction over it) unless such notification is prohibited by applicable law, rule or regulation), (iv) to any other party to this Agreement, (v) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (vi) to any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation of any Loans or any participations therein or by any direct or indirect contractual counterparties (or the professional advisors thereto) to any swap or derivative transaction relating to the Borrower and its obligations (provided, such assignees, transferees, participants, counterparties and advisors are advised of and agree to be bound by either the provisions of this Section 9.12 or other provisions at least as restrictive as this Section 9.12), (vii) with the prior written consent of the Borrower or (viii) to the extent such Information (A) becomes publicly available other than as a result of a breach of this Section 9.12 or (B) becomes available other than as a result of a breach of this Section 9.12 to the Administrative Agent, the Arranger or any Lender on a nonconfidential basis from a source other than the Borrower or any of its Affiliates. For the purposes of this Section, "Information" means all information received from Parent, the Borrower or any of their Affiliates relating to Parent or the Borrower or any of its Subsidiaries or businesses, other than any such information that is available other than as a result of a breach of this Section 9.12 to the Administrative Agent, the Arranger or any Lender on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information which shall in no event be less than commercially reasonable care. To the extent the list of Disqualified Institutions has been provided to any Lender requesting the same, Information shall not be disclosed to a Disqualified Institution that constitutes a Disqualified Institution at the time of such disclosure without the Borrower's prior written consent.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

**(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS AND WARRANTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.**

L. 107-56 (signed into law October 26, 2001)) (the “Act”) and the Administrative Agent and the Collateral Agent (in each case for themselves and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the Act, it may be required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or such Agent, as applicable, to identify the Borrower in accordance with the Act.

9.14 Release of Liens and Guarantees. (a) In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise Disposes of all or any portion of any of the Capital Stock or assets of any Loan Party to a Person that is not (and is not required hereunder to become) a Loan Party in a transaction permitted under this Agreement, the Liens created by the Loan Documents in respect of such Capital Stock or assets shall automatically terminate and be released without the requirement for any further action by any Person, and the Administrative Agent and the Collateral Agent shall promptly (and the Lenders hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Parent or the Borrower and at the Borrower’s expense to further document and evidence such termination and release of Liens created by any Loan Document in respect of such Capital Stock or assets, and, in the case of a transaction permitted under this Agreement the result of which is that a Loan Party would cease to be a Subsidiary or would become an Excluded Subsidiary, the Guarantee Obligations created by the Loan Documents in respect of such Loan Party (and all security interests granted by such Guarantor under the Loan Documents) shall automatically terminate and be released without the requirement for any further action by any Person, and the Administrative Agent and the Collateral Agent shall promptly (and the Lenders hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Parent or the Borrower and at the Borrower’s expense to further document and evidence such termination and release of such security interests and such Loan Party’s Guarantee Obligations in respect of the Obligations (including, without limitation, its Guarantee Obligations under the Guarantee and Collateral Agreement or the Canadian Guarantee and Collateral Agreement). Any representation, warranty or covenant contained in any Loan Document relating to any such Capital Stock, asset or subsidiary of any Loan Party shall no longer be deemed to be made with respect thereto once such Capital Stock or asset or Subsidiary is so conveyed, sold, leased, assigned, transferred or disposed of.

9.15 Enforcement Matters. Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against Parent, the Borrower, any of its Restricted Subsidiaries or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 7.1 for the benefit of the Required Lenders; provided that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 9.8 (subject to the terms of Section 2.21(c)), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then the Required Lenders (and no other Person) shall have the rights otherwise ascribed to the Administrative Agent at the instruction of the Required Lenders pursuant to Section 7.1.

9.16 No Fiduciary Duty. Each Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "Lender Parties") may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender Parties, on the one hand, and such Loan Party, its stockholders or its affiliates, on the other. The Loan Parties acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lender Parties, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender Parties have assumed any advisory, agent (other than to the extent set forth in Section 9.4(b)(iv)) or fiduciary responsibility in favor of any Loan Party, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with

respect thereto) or the process leading thereto (irrespective of whether any Lender Parties have advised, are currently advising or will advise any Loan Party, its stockholders or its Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents, (y) the Administrative Agent, the Collateral Agent, their respective Affiliates and the Lenders may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, the other Loan Parties and their respective Affiliates, and neither the Administrative Agent, the Collateral Agent, any of their respective Affiliates nor any Lender has any obligation to disclose any of such interests to the Borrower, any other Loan Party or any of their respective Affiliates and (z) the Lender Parties are acting solely as principals and not as the agents or fiduciaries of any Loan Party, its management, stockholders, creditors or any other Person. Each Loan Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate, that it is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Loan Party agrees that it will not claim that the Lender Parties have rendered advisory services of any nature or respect, or owe a fiduciary or similar duty to such Loan Party, in connection with such transaction or the process leading thereto. To the fullest extent permitted by law, each of the Borrower and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the Collateral Agent, any of their respective Affiliates or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transactions contemplated hereby.

9.17 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or any Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

9.18 Security Documents and Intercreditor Agreements. The parties hereto acknowledge and agree that any provision of any Loan Document to the contrary notwithstanding, prior to the discharge in full of all “Obligations” (as defined in the Term Loan DIP Credit Agreement and in the Prepetition Term Loan Agreement), the Loan Parties shall not be required to act or refrain from acting under any Security Document with respect to the Term Loan Priority Collateral in any manner that would result in a “Default” or “Event of Default” (as defined in the Term Loan DIP Credit Agreement and the Prepetition Term Loan Agreement) under the terms and provisions of the “Loan Documents” (as defined in the Term Loan DIP Credit Agreement and the Prepetition Term Loan Agreement). Additionally, each Lender hereunder:

(a) consents to the subordination of Liens provided for in the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order; and

(b) agrees that it will be bound by and will take no actions contrary to the provisions of the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order.

The foregoing provisions are intended as an inducement to the lenders under the Term Loan DIP Credit Agreement to enter into the Term Loan DIP Credit Agreement and such lenders are intended third party beneficiaries of such provisions.

9.19 Canadian Anti-Money Laundering Legislation. (a) Each Loan Party acknowledges that, pursuant to Canadian Anti-Money Laundering Legislation and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws (collectively, including any guidelines or orders thereunder, “AML Legislation”), the Lenders may be required to obtain, verify and record information regarding the Loan Parties and their respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Loan Parties, and the transactions contemplated hereby. Each Loan Party shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or any prospective assignee or participant of a Lender or any Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(b) If the Administrative Agent has ascertained the identity of any Loan Party or any authorized signatories of the Loan Parties for the purposes of applicable AML Legislation, then the Administrative Agent:

(i) shall be deemed to have done so as an agent for each Lender, and this Agreement shall constitute a “written agreement” in such regard between each Lender and the Administrative Agent within the meaning of the applicable AML Legislation; and

(ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Lenders agrees that neither the Administrative Agent nor any other Agent has any obligation to ascertain the identity of the Loan Parties or any authorized signatories of the Loan Parties on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any Loan Party or any such authorized signatory in doing so.

9.20 Judgment Currency. If for the purpose of obtaining judgment in any court it is necessary to convert an amount due hereunder in the currency in which it is due (the “Original Currency”) into another currency (the “Second Currency”), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the Administrative Agent could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date two (2) Business Days preceding that on which judgment is given. The Borrower agrees that its obligation in respect of any Original Currency due from it hereunder shall, notwithstanding any judgment or payment in such other currency, be discharged

only to the extent that, on the Business Day following the date the Administrative Agent receives payment of any sum so adjudged to be due hereunder in the Second Currency, the Administrative Agent may, in accordance with normal banking procedures, purchase, in the New York foreign exchange market, the Original Currency with the amount of the Second Currency so paid; and if the amount of the Original Currency so purchased or could have been so purchased is less than the amount originally due in the Original Currency, the Borrower agrees as a separate obligation and notwithstanding any such payment or judgment to indemnify the Administrative Agent against such loss; and if the amount of the Original Currency so purchased or could have been so purchased is greater than the amount originally due in the Original Currency, the Administrative Agent agrees to remit such excess amount to the Borrower. The term “rate of exchange” in this Section 9.19 means the spot rate at which the Administrative Agent, in accordance with normal practices, is able on the relevant date to purchase the Original Currency with the Second Currency, and includes any premium and costs of exchange payable in connection with such purchase.

9.21 Electronic Execution. The words “delivery,” “execute,” “execution,” “signed,” “signature,” and words of like import in any Loan Document or any other document executed in connection herewith shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided further, without limiting the foregoing, upon the request of the Administrative Agent, any electronic signature shall be promptly followed by such manually executed counterpart.

9.22 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(b) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(c) the effects of any Bail-in Action on any such liability, including (without limitation), if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

9.23 Conflicts. If any provision in this Agreement or any other Loan Document expressly conflicts with any provision in the Interim DIP Order or Final DIP Order, the provisions in the Bankruptcy Court DIP Order shall govern and control.

9.24 Revolver Termination. The parties hereto acknowledge and agree that the Revolver Termination has been consummated notwithstanding that the Borrower provided fewer than the three Business Days' notice specified for termination of commitments and prepayment of loans in Sections 2.11 and 2.13 of the Prepetition ABL Agreement.

9.25 Amendment and Restatement. This Agreement constitutes an amendment to and restatement of the Prepetition ABL Agreement. The parties hereto hereby agree to the terms of this Agreement and in furtherance thereof, further agree that, on the Closing Date, this Agreement shall be amended and restated as set forth herein. The FILO Term Loan Lenders (as defined in the Prepetition ABL Agreement) holding at least 66 ⅔% of the FILO Term Loans (as defined in the Prepetition ABL Agreement) hereby authorize and instruct the Administrative Agent and the Collateral Agent to execute and deliver the other Loan Documents contemplated to be executed and delivered on the date hereof, and shall be deemed to have consented to, approved or accepted or to be satisfied with each such Loan Document or other matter required thereunder to be consented to, approved or accepted or satisfactory to the FILO Term Loan Lenders (as defined in the Prepetition ABL Agreement) holding at least 66 ⅔% of the FILO Term Loans (as defined in the Prepetition ABL Agreement).

9.26 Termination of Certain Provisions of that certain Second Amendment, dated as of May 15, 2020, and that certain Third Amendment, dated as of June 12, 2020. Section 2 and Section 3 of that certain Second Amendment, dated as of May 15, 2020, and Section 2 of that certain Third Amendment, dated as of June 12, 2020, in each case to the Prepetition ABL Agreement are hereby deleted and of no further force or effect.

9.27 Operating Account. The parties hereto acknowledge and agree that the Operating Account does not constitute (a) ABL Priority Collateral or (b) Collateral for the Obligations.

## SECTION 10. SECURITY AND PRIORITY

### 10.1 Collateral; Grant of Lien and Security Interest.

(a) Pursuant to, and otherwise subject to the terms of, the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order and in accordance with the terms thereof and subject to the Carve Out, as security for the full and timely payment and performance

of all of the Obligations, the Loan Parties hereby pledge and grant to the Collateral Agent (for the benefit of the Secured Parties), a security interest in and to, and a Lien on, all of the Collateral.

(b) Notwithstanding anything herein to the contrary (i) all proceeds received by the Collateral Agent and the Lenders from the Collateral subject to the Liens granted in this Section 10.1 and in each other Loan Document and by the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order shall be subject in all respects to the Carve Out and (ii) no Person entitled to amounts in respect of the Carve Out shall be entitled to sell or otherwise dispose, or seek or object to the sale or other disposition, of any Collateral.

#### 10.2 Priority and Liens Applicable to Loan Parties.

(a) Upon entry of the Interim DIP Order or Final DIP Order and subject to the terms thereof, as the case may be, the Obligations, Liens and security interests in favor of the Secured Parties shall, subject in all respects to the Carve Out, at all times, pursuant to the Bankruptcy Code, be secured by a perfected Lien on and security interest in all of the Collateral of the Loan Parties.

(b) The relative priorities of the Liens with respect to the Collateral shall be as set forth in the Interim DIP Order (and, when entered, the Final DIP Order).

(c) Each Loan Party hereby confirms and acknowledges that, pursuant to the Interim DIP Order (and, when entered, the Final DIP Order), the Liens in favor of the Collateral Agent on behalf of and for the benefit of the Secured Parties in all of the Collateral shall be created and perfected, to the maximum extent permitted by law, without the execution or the recordation or filing in any land records or filing offices of, any mortgage, assignment, security agreements, mortgages, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the Collateral Agent of, or over, any Collateral, as set forth in the Interim DIP Order (and, when entered, the Final DIP Order).

10.3 Grants, Rights and Remedies. The Liens and security interests granted pursuant to Section 10.1 hereof and the administrative claim priority and lien priority granted pursuant to Section 10.2 hereof may be independently granted in the Loan Documents. This Agreement, the Bankruptcy Court DIP Order and such other Loan Documents supplement each other, and the grants, priorities, rights and remedies of the Agents and the Lenders hereunder and thereunder are cumulative; provided that to the extent of conflict the Bankruptcy Court DIP Order controls.

10.4 No Filings Required. The Liens and security interests referred to herein shall be deemed valid and perfected by entry of the Interim DIP Order or the Final DIP Order, as the case may be, and entry of the Interim DIP Order shall have occurred on or before the date of the initial Borrowing hereunder. The Collateral Agent shall not be required to file any financing statements, mortgages, notices of Lien or similar instruments in any jurisdiction or filing office, take possession or control of any Collateral, or take any other action in order to validate or perfect the Lien and security interest granted by or pursuant to this Agreement, the Interim DIP Order or the Final DIP Order, as the case may be, or any other Loan Document.

10.5 Survival. Except as set forth in the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order, the Liens, lien priority, administrative priorities and other rights and remedies granted to the Collateral Agent and the Lenders pursuant to this Agreement, the Bankruptcy Court DIP Orders and the other Loan Documents (specifically including, but not limited to, the existence, perfection and priority of the Liens and security interests provided herein and therein, and the administrative priority provided herein and therein) shall not be modified, altered or impaired in any manner by any other financing or extension of credit or incurrence of Indebtedness by the Borrower (pursuant to Section 364 of the Bankruptcy Code or otherwise), or by any dismissal or conversion of any of the Chapter 11 Cases, or by any other act or omission whatsoever.

**Exhibit J<sup>1</sup>**

**NEW REVOLVER BASKET AND EXIT FILO FACILITY TERM SHEET**

Set forth below is a summary of the principal terms and conditions for the New Revolver Facility and the Exit FILO Facility (each as defined below). Unless otherwise noted below, capitalized terms used but not defined in this Exhibit J shall have the meanings set forth in the Restructuring Support Agreement or the Debtor-in-Possession ABL Credit Agreement (the “DIP ABL FILO Credit Agreement”), to which this Exhibit J is attached.

**Summary of Principal Terms and Conditions**

**Borrower:** Either (i) a new entity as contemplated by the Restructuring Support Agreement or (ii) reorganized General Nutrition Centers, Inc., a Delaware corporation, formerly a debtor and debtor-in-possession in the Chapter 11 Cases (the “Company” or the “Borrower”); *provided* that the Borrower shall be the same as the borrower under Exit Term Loan Facility (as defined in the Restructuring Support Agreement).

**Guarantors:** Either (i) new entities as contemplated by the Restructuring Support Agreement or (ii) each of the entities listed on Exhibit A-1 hereof (collectively, the “Guarantors” and, together with the Borrower, the “Loan Parties”); *provided* that the Guarantors shall be the same as the guarantors under the Exit Term Loan Facility. All obligations of the Borrower under the Exit FILO Facility will be unconditionally guaranteed on a joint and several basis by the Guarantors. [In addition, [TaxFilerCo] shall provide a limited guarantee and security agreement pledging Tax Refunds (as defined below) to the Agent for the benefit of the Secured Parties, or alternatively, shall enter into an exit tax sharing agreement.]

For the avoidance of doubt, each of the affiliates of the Borrower listed on Exhibit A-2 hereof will not be a Guarantor.

**New Revolver Facility Basket:** A secured revolving credit facility on a “first-out” basis (the “New Revolver Facility”) of new money revolving loans and letter of credit obligations (collectively, the “New Revolver Loans”, and the lenders thereof, the “New Revolver Lenders”). Such facility will be on market terms, will have the same lien priority on the Collateral (as defined below) as the Exit FILO Facility (as defined below) and will be paid prior to the Exit FILO Facility in the payment waterfall.

For the avoidance of doubt, the consummation of the New Revolver Facility shall not be a condition precedent to the effectiveness and consummation of the Plan (as defined below), the Exit FILO Facility or the Exit Term Loan Facility. The New Revolver Facility shall operate as a basket for future debt of the Company, it being understood that the Borrower shall be permitted, whether at the Exit Date or thereafter, to add the New Revolver Facility if, after giving effect thereto, (a) the New Revolver Facility availability (not

the commitments therefor) does not exceed the remainder of (x) the Borrowing Base (without giving effect to the Availability Cushion (as defined below)) less (y) the aggregate principal amount of Exit FILO Loans then outstanding and (b) as a condition to drawing on such New Revolver Facility, the Borrower shall be in compliance with the Borrowing Base (without giving effect to the Availability Cushion) after giving effect to such borrowing.

**Exit FILO Facility:** A \$275 million secured term loan credit facility (the “Exit FILO Facility”) comprised of FILO Term Loans (as defined in the DIP ABL FILO Credit Agreement) (the “DIP FILO Loans”) converted on a dollar-for-dollar basis on the Exit Date (as defined below) (the “Exit FILO Loans”, and the lenders thereof, the “Exit FILO Lenders”). The Exit FILO Loans will be incurred on a “last out” basis with payment priority behind the New Revolver Facility (at any time that a New Revolver Facility is in effect). For the avoidance of doubt, the Exit FILO Loans shall include all unpaid amounts due and payable (including interest and fees) in respect of the DIP FILO Loans (the “DIP FILO Unpaid Amounts”).

The “Plan” means the Chapter 11 Plan of Reorganization and the related disclosure statement of the Debtors to be filed with the Bankruptcy Court, in form and substance reasonably satisfactory to the Required FILO Lenders (as defined below). The reorganization contemplated by the Plan is referred to herein as the “Reorganization.”

**Conversion of Claims and Use of Proceeds:** On the Exit Date, the DIP FILO Loans and the DIP FILO Unpaid Amounts will be converted dollar-for-dollar into Exit FILO Loans.

**Exit Date:** The date (the “Exit Date”) on which the Exit FILO Loans are issued under the Exit FILO Facility and all Closing Conditions (as defined below) have been satisfied or waived by lenders holding more than 66 2/3% of the loans under the Exit FILO Facility (the “Required FILO Lenders”).

**Maturity:** With respect to the Exit FILO Loans, the date that is four (4) years after the Exit Date.

**Collateral:** The New Revolver Facility and the Exit FILO Facility will both be secured by a perfected lien on, with the priority described below under the caption “Priority,” substantially all of the Loan Parties’ tangible and intangible assets (collectively, the “Collateral”), including owned and ground leased real property, tax refunds, the equity interests of the Guarantors and other majority owned subsidiaries (subject to customary exclusions) and all deposit and security accounts (which shall be subject to control agreements to the extent set forth in the Pre-Existing FILO Facility Documentation (as defined below)), with materiality thresholds and exceptions to be agreed.

**Priority:** The New Revolver Facility and the Exit FILO Facility will both have (i) a first priority lien on ABL Priority Collateral, subject to certain customary baskets and exceptions to be agreed (“Permitted Liens”), and (ii) a second priority lien on Term Priority Collateral, subject to Permitted Liens, which ABL Priority Collateral and Term Priority Collateral shall be as defined in and subject to ranking and intercreditor arrangements substantially

consistent with the Prepetition Intercreditor Agreement or otherwise reasonably satisfactory to the Required FILO Lenders, subject to any agreed post-closing perfection requirements and subject to thresholds, exceptions and exclusions substantially identical to the Pre-Existing FILO Facility Documentation.

The Exit Term Loan Facility will have (i) a first priority lien on Term Priority Collateral, subject to Permitted Liens, and (ii) a second priority lien on ABL Priority Collateral, subject to Permitted Liens.

**Exit FILO Facility Documentation:**

The loan documents governing the Exit FILO Facility shall contain terms substantially similar to the terms of that certain ABL Credit Agreement dated as of February 28, 2018, (as amended by that certain First Amendment dated as of March 20, 2018 and as in effect on such date) among GNC Corporation, a Delaware corporation, as parent, General Nutrition Centers, Inc., a Delaware corporation, as borrower, each other borrower from time to time party thereto, the several banks and other financial institutions or entities from time to time parties thereto and JPMorgan Chase Bank, N.A., as administrative agent and collateral agent (the “Pre-Existing FILO Facility Documentation”), with modifications to reflect this term sheet and other adjustments reasonably satisfactory to the Borrower and the Required FILO Lenders (such loan documents, the “Exit FILO Facility Documentation”).

- B. The following documents shall be reasonably satisfactory to the Borrower and the Required FILO Lenders:

Exit FILO Facility, the Exit Term Loan Facility and indebtedness contemplated by the Plan.

- F. - G. Compliance with customary documentation conditions for a facility of this size, type, and purpose, including the delivery of customary legal opinions and closing certificates (including a customary solvency certificate in substantially the form provided under the Pre-Existing FILO Facility Documentation), good standing certificates and certified organizational documents, in each case, in form and substance reasonably satisfactory to the Required FILO Lenders.

- K. All requisite governmental and material third party approvals shall have been obtained, and there shall be no litigation, governmental, administrative or judicial action against the Loan Parties, in each case, the failure to obtain or existence of which would reasonably be expected to restrain, prevent or impose materially burdensome restrictions on the substantial consummation of the Plan or the Exit FILO Facility.
- L. Delivery of all documentation and other information required by bank regulatory authorities under applicable “know-your-customer”, anti-money laundering rules and regulations, and the Patriot Act that has

been reasonably requested by the Exit FILO Lenders at least ten (10) business days prior to the closing date of the Exit FILO Facility.

- M. Payment by the Borrower on the Exit Date of all reasonable and documented out-of-pocket costs, fees and expenses owed or otherwise required to be paid pursuant to the Exit FILO Facility to the Agent and Lenders (including reasonable and documented fees and expenses of counsel and one financial advisor (which shall be Alix Partners for the FILO Ad Hoc Group); *provided*, that legal fees shall be limited to the reasonable and documented fees and disbursements of one counsel for the Agent and one U.S. counsel for the FILO Ad Hoc Group (which shall be Paul, Weiss, Rifkind, Wharton & Garrison LLP) and, in addition, local counsel for each in each appropriate jurisdiction), including reasonable and documented out-of-pocket costs and expenses of (a) the Agent administering the Exit FILO Facility and (b) preparing all documents relating to the Exit FILO Facility.

LIBOR will be subject to a 1.00% “floor”.

During the continuance of a payment or bankruptcy Event of Default, past due amounts under the Exit FILO Facility will bear interest at an additional 2.00% *per annum* above the interest rate otherwise applicable.

The Borrower shall also have the right to elect that the Exit FILO Loans bear interest at a rate determined by reference to an “alternate base rate”, and the interest rate margin with respect to Exit FILO Loans bearing interest at the alternate base rate shall be reduced by 1.00% *per annum*.

**Borrowing Base:**

On the Exit Date, to be substantially identical (including with respect to advance rates, reserves and cash dominion) to the DIP ABL FILO Credit Agreement, including the component of the Borrowing Base thereunder consisting of an amount equal to \$17.5 million (the “Availability Cushion”), which Availability Cushion shall be eliminated beginning July 1, 2021. The Borrower may, at its option elect to reduce the Availability Cushion, in whole or in part and on one or more occasions, earlier than set forth in the preceding sentence (the date that the Availability Cushion is reduced to zero is referred to herein as the “Availability Cushion Termination Date”). The Exit FILO Facility shall not include “cash dominion” provisions. Any “reserves” shall (i) prior to the occurrence of the Availability Cushion Termination Date, be calculated as set forth in the DIP ABL FILO Credit Agreement, and (ii) on and after the occurrence of the Availability Cushion Termination Date, be calculated as set forth in the Pre-Existing FILO Facility Documentation.

**Financial Covenant:** None.

**Agency Fees:** As agreed with the Agent.

**Scheduled Amortization:** None.

**Call Protection:** None.

**Lender Voting:** To be substantially identical to the Pre-Existing FILO Facility Documentation, with such modifications as may be reasonably agreed by the Required FILO Lenders and the Company. For the avoidance of doubt, modifications with respect to customary sacred rights provisions shall require consent of each affected lender and modifications with respect to the Borrowing Base (including advance rates and components thereof) shall require supermajority lenders consent.

**Covenants:** To be substantially identical to the Pre-Existing FILO Facility Documentation (including, without limitation, a covenant to use commercially reasonable efforts to obtain a public rating for the Exit FILO Facility (but no requirement to obtain or maintain a specific rating)), except that baskets based on “payment conditions” or “distribution conditions” will be replaced by the baskets that were included in the Prepetition Term Loan Documents (but were not included in the Pre-Existing FILO Facility Documentation), with such modifications as may be reasonably agreed by the Required FILO Lenders and the Company.

**Events of Default:** To be substantially identical to the Pre-Existing FILO Facility Documentation (collectively, the “Events of Default”).

**Mandatory Prepayments:** Mandatory prepayments of the borrowings under the Exit FILO Facility shall be made at par, without premium or penalty, subject to certain provisions, including rights with respect to Term Priority Collateral, substantially similar to those under the Pre-Existing FILO Facility Documentation and others to be agreed, modified as appropriate to reflect the proposed exit facility, including, subject to the following paragraph, with respect to receipt of tax refunds by the Loan Parties (the “Tax Refunds”) at the end of the fiscal quarter in which such proceeds are received; *provided* that (1) the amount of such Tax Refunds prepayment at such quarter end shall be limited to the lesser of (x) the amount of net cash proceeds so received and (y) the amount that would not cause Liquidity (as defined below) (after giving effect to such prepayment and any prepayment of the Exit Term Loan Facility) to be less than \$75 million (the difference between clauses (x) and (y), the “Holdback Amount”; and the difference between clause (x) and the Holdback Amount, the “Refund Prepayment”) and (2) if there is a Holdback Amount, then at the end of each subsequent fiscal quarter a mandatory prepayment shall be made in an amount equal to the lesser of (i) the Holdback Amount less any portion of the Holdback Amount so applied pursuant to this clause (2) in prior fiscal quarters and (ii) the amount that would not cause Liquidity (after giving effect to such prepayment and any prepayment of the Exit Term Loan Facility) to be less than \$75 million (any such prepayment pursuant to this clause (2), a

“Holdback Prepayment”; and Holdback Prepayments and Refund Prepayments are collectively referred to herein as “Tax Prepayments”).

Any mandatory prepayment relating to Tax Prepayments shall be applied as follows: a percentage to be agreed to prepay loans under the Exit Term Loan Facility; and a percentage to be agreed to prepay the Exit FILO Loans (but not the New Revolver Loans) (with such percentages to be agreed among the Borrower, the Required FILO Lenders and the “Required Exit Lenders” (as defined the Exit Term Loan Facility Term Sheet)).

Mandatory prepayments and the application of such proceeds at all times will be subject to the intercreditor arrangements consistent with the Prepetition Intercreditor Agreement, the Pre-Existing FILO Facility Documentation, and the Prepetition Term Loan Documents, or otherwise reasonably satisfactory to the Borrower, the Required FILO Lenders and the “required lenders” under the Exit Term Loan Facility.

For purposes hereof, “Liquidity” shall mean unrestricted cash of the Loan Parties and their restricted subsidiaries (other than cash held by foreign subsidiaries that are not Guarantors, cash included in the Borrowing Base and cash supporting letters of credit) and amounts available to be drawn under any revolving credit facility.

**Application of Payments:**

To be substantially similar to the Pre-Existing FILO Facility Documentation as reasonably agreed by the Required FILO Lenders and the Company, with the New Revolver Loans taking the position of the Revolving Credit Exposure (as defined in the Prepetition ABL Agreement) and the Exit FILO Loans taking the position of the FILO Term Loan (as defined in the Prepetition ABL Agreement) and subject to the terms and conditions of the intercreditor arrangements between the New Revolver Lenders and the Exit FILO Lenders.

**Voluntary Prepayments:**

## Report of Independent Registered Public Accounting Firm

To the Board of Directors and Stockholders of GNC Holdings, Inc.

### ***Opinions on the Financial Statements and Internal Control over Financial Reporting***

We have audited the accompanying consolidated balance sheets of GNC Holdings, Inc. and its subsidiaries (the “Company”) as of December 31, 2019 and 2018, and the related consolidated statements of operations, comprehensive (loss) income, stockholders’ (deficit) equity and cash flows for each of the three years in the period ended December 31, 2019, including the related notes and financial statement schedules of (i) condensed financial information of GNC Holdings, Inc. as of December 31, 2019 and 2018 and for each of the three years in the period ended December 31, 2019, and (ii) valuation and qualifying accounts for each of the three years in the period ended December 31, 2019 appearing under Item 15(a)(2) (collectively referred to as the “consolidated financial statements”). We also have audited the Company’s internal control over financial reporting as of December 31, 2019, based on criteria established in *Internal Control - Integrated Framework* (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2019 and 2018, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2019 in conformity with accounting principles generally accepted in the United States of America. Also in our opinion, the Company maintained, in all material respects, effective internal control over financial reporting as of December 31, 2019, based on criteria established in *Internal Control - Integrated Framework* (2013) issued by the COSO.

### ***Substantial Doubt About the Company’s Ability to Continue as a Going Concern***

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1 to the consolidated financial statements, the Company has significant debt (specifically the Convertible Notes and the Tranche B-2 Term Loan) maturing at the latest in March 2021. The Company has insufficient cash flows from operations to repay these debt obligations as they come due, which raises substantial doubt about its ability to continue as a going concern. Management’s plans in regard to these matters are also described in Note 1. The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.

### ***Change in Accounting Principle***

As discussed in Note 2 to the consolidated financial statements, the Company changed the manner in which it accounts for leases in 2019.

### ***Basis for Opinions***

The Company’s management is responsible for these consolidated financial statements, for maintaining effective internal control over financial reporting, and for its assessment of the effectiveness of internal control over financial reporting, included in Management’s Annual Report on Internal Control Over Financial Reporting appearing under Item 9A. Our responsibility is to express opinions on the Company’s consolidated financial statements and on the Company’s internal control over financial reporting based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement, whether due to error or fraud, and whether effective internal control over financial reporting was maintained in all material respects.

Our audits of the consolidated financial statements included performing procedures to assess the risks of material misstatement of the consolidated financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements. Our audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, assessing the risk that a material weakness

exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. Our audits also included performing such other procedures as we considered necessary in the circumstances. We believe that our audits provide a reasonable basis for our opinions.

***Definition and Limitations of Internal Control over Financial Reporting***

A company's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**GNC HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS****NOTE 1. NATURE OF BUSINESS**

GNC Holdings, Inc., a Delaware corporation ("Holdings," and collectively with its subsidiaries and, unless the context requires otherwise, its and their respective predecessors, the "Company"), is a global health and wellness brand with a diversified, omni-channel business. The Company's assortment of performance and nutritional supplements, vitamins, herbs and greens, health and beauty, food and drink and other general merchandise features innovative private-label products as well as nationally recognized third-party brands, many of which are exclusive to GNC.

The Company's operations consist of purchasing raw materials, formulating and manufacturing products prior to the formation of the manufacturing joint venture with IVC (the "Manufacturing JV") in March 2019, and selling the finished products through its three reportable segments, U.S. and Canada, International, and Manufacturing / Wholesale (refer to Note 19, "Segments" for more information). Corporate retail store operations are located in the United States, Canada, Puerto Rico, Ireland and prior to the joint venture transaction with Harbin Pharmaceutical Group Co., Ltd ("Harbin") in February 2019, China. In addition, the Company offers products on the internet through GNC.com and third-party websites. Franchise locations exist in the United States and approximately 50 other countries. Additionally, the Company licenses the use of its trademarks and trade names.

In February 2019, the Company entered into two joint ventures with Harbin to operate its e-commerce business (the "HK JV") and retail business in China (the "China JV"), which will accelerate its presence and maximize the Company's opportunities for growth in the Chinese supplement market. Under the terms of the agreement, the Company contributed its China business and retained 35% equity interest in the HK JV and China JV.

In March 2019, the Company entered into a strategic joint venture with International Vitamin Corporation ("IVC") regarding the Company's manufacturing business, which enables the Company to increase its focus on product innovation while IVC manages manufacturing and integrates with the Company's supply chain thereby driving more efficient usage of capital. Under the terms of the agreement, the Company received \$99.2 million, net of a working capital adjustment, and contributed its Nutra manufacturing and Anderson facility net assets in exchange for an initial 43% equity interest in the Manufacturing JV. IVC is expected to pay an additional \$75.0 million over a four year period from the effective date of the transaction as IVC's ownership of the joint venture increases to 100%. The subsequent purchase price for each year is \$18.8 million, adjusted up or down based on the Manufacturing JV's future performance.

*Going Concern*

The Company has continued to experience negative same store sales and declining gross profit. The Company has closed underperforming stores under its store optimization strategy and implemented cost reduction measures to help mitigate the effect of these declines and improve its financial position and liquidity. At December 31, 2019, the Company has substantial indebtedness including \$154.7 million of outstanding indebtedness under the Notes issued under that certain Indenture dated as of August 10, 2015, among the Company, certain of its subsidiaries, and The Bank of New York Mellon Trust Company, N.A, maturing on August 15, 2020 (the "Notes") and \$441.5 million of outstanding indebtedness under the Amended and Restated Term Loan Credit Agreement, dated as of February 28, 2018, among GNC Corporation, GNC Nutrition Centers, Inc., as Borrower, the lenders and agents parties thereto, and JPMorgan Chase Bank, N.A., as administrative agent (the "Tranche B-2 Term Loan Credit Agreement" and the term loan thereunder, the "Tranche B-2 Term Loan"). The Company also has an excess cash flow payment of \$25.9 million due in April 2020 (which will reduce the outstanding amount of the Tranche B-2 Term Loan). The Tranche B-2 Term Loan becomes due on the earlier to occur of (i) the maturity date of March 4, 2021 or (ii) May 16, 2020 if more than \$50 million of the Notes are outstanding on such date. Each of the revolving credit facility (the "Revolving Credit Facility") under the Credit Agreement, dated as of February 28, 2018, among GNC Corporation, GNC Nutritional Centers, Inc., as Administrative Borrower, certain of its subsidiaries, as subsidiary borrowers, the lenders and agents parties thereto, and JPMorgan Chase Bank, N.A., as administrative agent (the "ABL Credit Agreement") and the FILO term loan facility under the ABL Credit Agreement, which otherwise mature in August 2022 and December 2022 respectively, also include an accelerated maturity date of May 16, 2020 if more than \$50 million of the Notes are outstanding on such date.

Prior to the outbreak of the COVID-19 pandemic in the United States, management believed that the Company had the ability to pay the excess cash flow payment of \$25.9 million and reduce the outstanding balance on the Notes from \$154.7 million to below \$50 million with projected cash on hand and new borrowings under the Revolving Credit Facility, assuming such borrowings remain available subject to the covenant and reporting requirements discussed below. Given current circumstances around the COVID-19 pandemic as discussed further in Note 21, "Subsequent Events", there can be no assurances as to our ability

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)

to do so. As a precautionary measure, given the current macro environment, we recently drew \$30 million under our Revolving Credit Facility in March 2020. However, management does not expect to have sufficient cash flows from operations to repay the indebtedness under the Notes or the Tranche B-2 Term Loan when they become due. Since the Company has not refinanced the Tranche B-2 Term Loan and it will mature less than twelve months after the issuance date of these consolidated financial statements, management has concluded there is substantial doubt regarding the Company's ability to continue as a going concern within one year from the issuance date of the Company's consolidated financial statements.

The Company was in compliance with the debt covenant reporting and compliance obligations under the Credit Facilities as of December 31, 2019. Prior to the outbreak of the COVID-19 pandemic in the United States, management believed that the Company had the ability to comply with the financial covenants under the Senior Credit Facility Agreements over the next twelve months; however, given the current circumstances around the COVID-19 pandemic as discussed further in Note 21, "Subsequent Events", there can be no assurances as to our ability to do so.

The Company is in the process of reviewing a range of refinancing options to refinance all of the Company's outstanding indebtedness. The Company has been working with an independent committee of the Board supported by independent financial and legal advisors to conduct its review and has had a series of discussions with financing sources in the United States and Asia. We became aware on March 24, 2020, by the potential financing sources in Asia, that they are no longer pursuing a refinancing with us. We will continue to explore all options to refinance and restructure our indebtedness. While we continue to work through a number of refinancing alternatives to address our upcoming debt maturities, we cannot make any assurances regarding the likelihood, certainty or exact timing of any alternatives.

Reporting requirements under both the Tranche B-2 Term Loan and the Credit Agreement, dated as of February 28, 2018, among GNC Corporation, GNC Nutrition Centers, Inc., as Administrative Borrower, certain of its subsidiaries, as subsidiary borrowers, the lenders and agents parties thereto, and JPMorgan Chase Bank, N.A., as administrative agent (the "ABL Credit Agreement," together with the Tranche B-2 Term Loan, the "Senior Credit Agreements") require the Company to provide annual audited financial statements accompanied by an opinion of an independent public accountant without a "going concern" or like qualification or exception, or qualification arising out of the scope of the audit (other than a "going concern" statement, explanatory note or like qualification or exception resulting solely from an upcoming maturity date under the Tranche B-2 Term Loan or the Notes). Management believes the Company will satisfy this requirement. If the lenders take a contrary position, (a) they could decide to instruct the administrative agent under the Senior Credit Agreements to deliver a written notice thereof to the borrower, and if the alleged default continued uncured for 30 days thereafter it would become an alleged event of default (unless waived by the lenders) and (b) the Company intends to contest such position and any action the lenders may attempt to take as a result thereof. If the lenders were to prevail in any such dispute, the required lenders could instruct the administrative agent to exercise remedies under the Senior Credit Agreements (the "Revolving Credit Facility"), including accelerating the maturity of the loans, terminating commitments under the revolving credit facility under the ABL Credit Agreement and requiring the posting of cash collateral in respect of outstanding letters of credit issued under the Revolving Credit Facility (\$4.9 million at December 31, 2019). If this were to occur, management would enter into discussions with the lenders to waive the default or forebear from the exercise of remedies. Failure to obtain such a waiver, complete the refinancing or other restructuring prior to August 2020 or to reach an agreement with the Company's stakeholders on the terms of a restructuring would have a material adverse effect on the liquidity, financial condition and results of operations and may result in filing a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code in order to implement a restructuring plan.

The Company's Consolidated Financial Statements as of December 31, 2019 are being prepared on a going concern basis, which contemplates the realization of assets and the settlement of liabilities and commitments in the normal course of business.

#### NOTE 2. BASIS OF PRESENTATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### Summary of Significant Accounting Policies

## GNC HOLDINGS, INC. AND SUBSIDIARIES

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)

**Principles of Consolidation.** The Consolidated Financial Statements include the accounts of Holdings and all of its subsidiaries. All intercompany transactions have been eliminated in consolidation.

**Use of Estimates.** The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Management bases these estimates on assumptions that it believes to be reasonable under the circumstances. Actual results may differ from these estimates under different assumptions or conditions.

**Cash and Cash Equivalents.** The Company considers cash and cash equivalents to include all cash and liquid deposits and investments with an original maturity of three months or less. Payments due from banks for third-party credit and debit cards generally process within 24 to 72 hours, and are classified as cash equivalents.

**Receivables, net.** The Company extends credit terms for sales of product to its franchisees and wholesale partners. Receivables consist principally of unpaid invoices for product sales, franchisee royalties and sublease payments. Franchisees secure financing from lending institutions, which include but are not limited to the small business administration and national banks with franchise programs. These loans generally require the Company to subordinate its first lien position on inventory and furniture and fixtures at predetermined amounts.

The Company monitors the financial condition of its customers and establishes an allowance for doubtful accounts for balances estimated to be uncollectible. In addition to considering the aging of receivable balances and assessing the financial condition, the Company considers collateral including inventory and fixed assets for domestic franchisees and letters of credit for international franchisees. The allowance for doubtful accounts was \$8.6 million and \$6.6 million at December 31, 2019 and 2018, respectively.

**Inventory.** Prior to the formation of the Manufacturing JV, inventory components consisted of raw materials, work-in-process, packaging supplies and finished product. Inventory included costs associated with distribution and transportation, as well as manufacturing overhead, which were capitalized and expensed as merchandise is sold. After the transfer of the manufacturing facility to the Manufacturing JV, inventory only consists of finished product. Inventories are stated at the lower of cost or net realizable value on a first in/first out basis ("FIFO"). Inventory is recorded net of obsolescence, shrinkage and vendor allowances for product costs. The Company regularly reviews its inventory levels in order to identify slow moving and short dated products, using factors such as amount of inventory on hand, remaining shelf life, current and expected market conditions, historical trends and the likelihood of recovering the inventory costs based on anticipated demand.

**Property, Plant and Equipment.** Property, plant and equipment expenditures are recorded at cost. Depreciation and amortization are recognized using the straight-line method over the estimated useful life of the assets. The estimated useful lives are as follows:

Building	30 yrs
Machinery and equipment	3-7 yrs
Building and leasehold improvements	3-15 yrs
Furniture and fixtures	5-8 yrs
Software	3-5 yrs

Building improvements are depreciated over their estimated useful life or the remaining useful life of the related building, whichever period is shorter. Improvements to leased premises are depreciated over the estimated useful life of the improvements or the related leases including renewals that are reasonably assured, whichever period is shorter. Expenditures that materially increase the value or clearly extend the useful life of property, plant and equipment are capitalized while repair and maintenance costs incurred in the normal course of operations are expensed as incurred.

**Goodwill and Indefinite-Lived Intangible Asset.** The Company was acquired by Ares Corporate Opportunities Fund II L.P. and Ontario Teachers' Pension Plan Board in March 2007 and subsequently completed an initial public offering in 2011 of its common stock. In connection with this acquisition, the Company recorded approximately \$600 million of goodwill and a \$720 million indefinite-lived intangible asset related to its brand name.

**GNC HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

Goodwill is allocated to the Company's reporting units, which are at or below the level of an operating segment as defined by Accounting Standards Codification ("ASC") 280 "Segment Reporting." The Company evaluates the carrying amount of goodwill for each of its reporting units annually in the fourth quarter. In addition, the Company performs an evaluation on an interim basis if it determines that recent events or prevailing conditions indicate a potential impairment of goodwill. A significant amount of judgment is involved in determining whether an indicator of impairment has occurred between annual impairment tests. These indicators include, but are not limited to, overall financial performance such as adverse changes in recent forecasts of operating results, industry and market considerations, a sustained decrease in the share price of the Company's common stock, updated business plans and regulatory and legal developments.

When the carrying value of a reporting unit exceeds its fair value, an impairment charge is recorded for the difference as an operating expense in the period incurred. For the year ended December 31, 2019 and 2018, no goodwill impairment was recorded. For the year ended December 31, 2017, the Company recorded a goodwill impairment charge of \$24.3 million related to the Wholesale reporting unit as a result of a triggering event based on a decline in the Company's share price and previous challenges associated with the Company's efforts to refinance its long-term debt.

The Company's indefinite-lived intangible brand asset is also evaluated annually in the fourth quarter for impairment and on an interim basis if events or changes in circumstances between annual tests indicate that the asset might be impaired. If the carrying value of the intangible asset exceeds its fair value, an impairment loss is recognized in an amount equal to the difference. During the year ended December 31, 2019, no impairment was recorded for the indefinite-lived intangible brand asset. During the year ended December 31, 2018, the Company recognized an impairment charge of \$23.7 million, which was allocated to the U.S. and Canada and International segments for \$21.6 million and \$2.1 million, respectively. During the year ended December 31, 2017, the Company recognized a \$395.6 million impairment charge, which was allocated to the U.S. and Canada and International segments for \$394.0 million and \$1.6 million, respectively.

**Impairment of Definite-Long-lived Assets.** The Company evaluates whether the carrying values of property, plant and equipment and definite-lived intangible assets have been impaired whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable based on estimated undiscounted future cash flows. Factors that may trigger an impairment review include significant changes in the intended use of assets, significant negative industry or economic trends, underperforming stores and anticipated store closings. If it is determined that the carrying value of the applicable asset group is not recoverable, an impairment loss is recognized for the amount the carrying value of the long-lived asset exceeds its estimated fair value. No impairment of definite-long-lived assets was recorded during the year ended December 31, 2019. Refer to Note 7, "Property, Plant and Equipment, Net" for a description of impairment charges recorded in 2018 and 2017.

**Revenue Recognition.** Within the U.S. and Canada segment, retail sales in company-owned stores are recognized at the point of sale, net of sales tax. Revenue related to e-commerce sales is recognized upon shipment based on meeting the transfer of control criteria. The Company has made a policy election to treat shipping and handling as costs to fulfill the contract, and as a result, any fees from customers are included in the transaction price allocated to the performance obligation of providing goods with a corresponding amount accrued within cost of sales for amounts paid to applicable carriers. Taxes collected from customers relating to product sales and remitted to governmental authorities are excluded from revenue. A provision for anticipated returns is recorded through a reduction of sales and cost of sales (for product that can be resold or returned to vendors) in the period that the related sales are recorded.

Revenue was deferred on sales of the Company's Gold Cards and subsequently recognized over the one year membership period. The Gold Card Member Pricing program, which provided members product discounts, was discontinued in all domestic company-owned and franchise stores on December 28, 2016 in connection with the introduction of the One New GNC program. As a part of this launch, the Company provided former Gold Card customers that were within the membership period of generally one year with a coupon equivalent to a reimbursement of the unexpired portion of their Gold Card membership fee. As of December 31, 2016, the Company had \$24.4 million of deferred Gold Card revenue which was recognized in the first quarter of 2017 over the coupon redemption period which expired in March 2017, net of \$1.4 million of applicable redemptions.

Effective with the launch of the One New GNC program on December 29, 2016, the Company introduced myGNC Rewards, a free points-based loyalty program system-wide in the U.S. The program enables customers to earn points based on their purchases. Points earned by members are valid for one year and may be redeemed for cash discounts on any product the Company sells at both company-owned or franchise locations. The Company defers the estimated standalone selling price of points related to this program as a reduction to revenue as points are earned by allocating a portion of the transaction price the customer pays to a loyalty program liability within deferred revenue and other current liabilities on the Consolidated Balance Sheet. The estimated selling price of each point is based on the estimated value of product for which the point is expected to be redeemed,

**GNC HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

net of points not expected to be redeemed, based on historical redemption. When a customer redeems earned points, revenue is recognized with a corresponding reduction to the program liability.

Also effective with the launch of the One New GNC program, the Company introduced a paid membership program, PRO Access, which provides members with the delivery of sample boxes throughout the membership year, as well as the offering of certain other benefits including the opportunity to earn triple points on a periodic basis. The boxes include sample merchandise and other materials. The Company allocates the transaction price of the membership to the sample boxes and other benefits based on the estimated stand-alone prices. The membership price paid is recorded within deferred revenue and other current liabilities on the Consolidated Balance Sheet and subsequently recognized revenue as the underlying performance obligations are satisfied.

Revenue from gift cards is recognized when the gift card is redeemed. Gift cards do not have expiration dates and are not required to be escheated to government authorities. Utilizing historical redemption rates, the Company recognizes revenue for amounts not expected to be redeemed proportionately as other gift card balances are redeemed.

Revenues from domestic and international franchisees include wholesale product sales, franchise fees and royalties, as well as cooperative advertising and other franchise support fees specific to domestic franchisees. Revenues are recorded within the U.S. and Canada segment for domestic franchisees and the International segment for international franchisees. The Company's franchisees purchase a significant amount of the products they sell in their retail stores from the Company at wholesale prices. Revenue on product sales to franchisees and other franchise support fees (including construction, equipment and other administrative fees) are recognized upon transfer of control to the franchisee, net of estimated returns and allowances. Franchise license fees, royalties and continuing services, such as cooperative advertising, are not separate and distinct performance obligations as they are highly dependent on each other in supporting the overall brand. Franchise fees for the license are paid in advance, and are deferred and recognized over the applicable license term as the Company satisfies the performance obligation of granting the customer access to the rights of its intellectual property. Franchise royalties and cooperative advertising contributions are variable consideration based on a percentage of the franchisees' retail sales, which are recognized in the period the franchisees' underlying sales occur, and are not included in the upfront transaction price for the overall performance obligation relating to providing access to the Company's intellectual property.

The Manufacturing / Wholesale segment sells product to the Company's other segments, which is eliminated in consolidation, and third-party customers. Revenue is recognized over time, net of estimated returns and allowances, as manufacturing occurs if the customized goods have no alternative use (specially made for the end customer) and the Company has an enforceable right to payment for performance completed to date. The selection of the method to measure progress towards completion requires judgment and is based on the nature of the products or services to be provided. The Company uses the cost-to-cost measure of progress for its contracts because it best depicts the transfer of control to the customer which occurs as the Company incurs costs on its contracts. Under the cost-to-cost measure of progress, the extent of progress towards completion is measured based on the ratio of costs incurred to date to the total estimated costs at completion of the performance obligation. Revenues, including estimated fees or profits, are recorded proportionally as costs are incurred. Costs to fulfill include labor, materials, other direct costs and an allocation of indirect costs, which are recognized as cost of sales as revenue is recognized. Services for specialty manufacturing contracts typically have an expected duration of less than one year. In March 2019, the Company entered into a strategic joint venture with IVC regarding the Company's manufacturing business. The Company received \$99.2 million and contributed its Nutra manufacturing and Anderson facility net assets in exchange for an initial 43% equity interest in the Manufacturing JV. GNC expects to receive an additional \$75 million from IVC, adjusted up or down based on the Manufacturing JV's future performance, over a four year period from the effective date of the transaction as IVC's ownership of the joint venture increases to 100%. The Company's interest in the joint venture is accounted for as an equity method investment. Refer to Note 9, "Equity Method Investments" for more information. We generate revenue from sales to our wholesale business partners on products at wholesale prices, retail sales of certain consigned inventory (prior to the termination of the consignment agreement with Rite Aid in December 2018) and license fees for the store-within-a-store alliance with Rite Aid. Wholesale sales are recognized upon transfer of control, net of estimated returns and allowances. License fees are paid in advance and are deferred and recognized over the applicable license term as the Company satisfies the performance obligation of granting the customer access to the rights of its intellectual property.

**Cost of Sales.** The Company purchases products directly from third-party vendors, the Manufacturing JV, and prior to the Manufacturing JV transaction, manufactured its own products. Cost of sales includes product costs, vendor allowances, inventory obsolescence, shrinkage, manufacturing overhead, warehousing, distribution, shipping and store occupancy costs. Store occupancy costs include rent, common area maintenance charges, real estate and other asset-based taxes, general maintenance, utilities, depreciation, lease incentives and certain insurance expenses.

**GNC HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Vendor Allowances.** The Company receives allowances/credits from various vendors based on either sales or purchase volumes, right of return for expired product and non-saleable customer returns, and cooperative advertising. As the right of offset exists under these arrangements, credit earned under these arrangements are recorded as a reduction in the vendors' accounts payable balances on the Consolidated Balance Sheet and represent the estimated amounts due to the Company under the provisions of such contracts. Amounts expected to be received from vendors relating to the purchase of merchandise inventories are recognized as a reduction to cost of sales as the merchandise is sold. Amounts that represent a reimbursement of costs incurred, such as advertising, are recorded as a reduction to the related expense in the period that the expense is incurred. The Company recorded a reduction to cost of sales of \$66.7 million, \$74.0 million and \$86.7 million for the years ended December 31, 2019, 2018 and 2017, respectively, for vendor allowances associated with the purchase and sale of merchandise.

**Research and Development.** Research and development costs arising from internally generated projects are expensed as incurred. The Company recognized approximately \$4 million, \$15 million and \$9 million in each of the years ended December 31, 2019, 2018 and 2017, respectively, relating to research and development.

**Advertising Expenditures.** The Company recognizes the costs of advertising, promotion and marketing programs the first time the communication takes place. The Company recognized advertising expense of \$86.0 million, \$95.6 million and \$104.5 million for the years ended December 31, 2019, 2018 and 2017, respectively.

**Leases.** The Company leases substantially all of its retail stores in the U.S. and Canada segment, including most of the domestic franchise stores that are leased and subleased to franchisees, its distribution centers in the United States and retail stores in Ireland. In addition, the Company has leased office locations and vehicle and equipment leases to support our store and supply chain operations. All of the Company's leases are classified as operating leases.

The Company determines if a contract contains a lease at inception. The lease liabilities are recognized based on the present value of the future minimum lease payments over the term at the commencement date for leases exceeding 12 months. The lease agreements generally contain lease and non-lease components. Non-lease components primarily include payments for maintenance and utilities. The minimum lease payments include only fixed lease components, as well as any variable rate payments that depend on an index, initially measured using the index at the lease commencement date. Lease terms may include options to renew when it is reasonably certain that the Company will exercise an option. The Company estimates its incremental borrowing rate, which was estimated to approximate the interest rate on a collateralized basis with similar terms and payments for each lease, using a portfolio approach. The right-of-use assets recognized are initially equal to the lease liability, adjusted for any lease payments made on or before the commencement dates and lease incentives.

The lease liabilities for the operating leases are amortized using the effective interest method. The right-of-use asset is amortized by taking the difference between total rent expense recorded on straight-line basis and the lease liability amortization. When the right-of-use asset for an operating lease is impaired, lease expense is no longer recognized on a straight-line basis. For impaired leases, the Company continues to amortize the lease liability using the same effective interest method as before the impairment charge and the right-of-use asset is amortized on a straight-line basis.

**Contingencies.** The Company records accruals for outstanding legal matters when it believes it is probable that a loss will be incurred and the amount of such loss can be reasonably estimated. The Company evaluates, on a quarterly basis, developments in legal matters that could affect the amount of any accrual and developments that would make a loss contingency both probable and reasonably estimable. If both of the conditions above are not met, disclosure is made when there is at least a reasonable possibility that a loss contingency has been incurred. As facts concerning contingencies evolve and become known, management reassesses the likelihood of a probable loss and makes appropriate adjustments to its financial statements.

**Pre-Opening Expenditures.** The Company recognizes the cost associated with the opening of new stores, which consist primarily of rent, marketing, payroll and recruiting costs, as incurred.

**Income Taxes.** The Company accounts for income taxes using the asset and liability method. Under this method, deferred tax assets and liabilities result from (i) the future tax impact of temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases, and (ii) differences between the recorded value of assets acquired in business combinations accounted for as purchases for financial reporting purposes and their corresponding tax bases. The company regularly reviews the components of the deferred tax assets. This review is to ascertain that, based upon all the information available at the time of the preparation of the financial statements, it is more likely than not that the Company expects to utilize these deferred tax assets in the future. If the Company determines that it is more likely than not that these deferred tax assets will not be utilized, a valuation allowance is recorded, reducing the deferred tax asset to the amount expected to be realized.

**GNC HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

Many factors are considered in the determination that the deferred tax assets are more likely than not to be realized, including recent cumulative earnings, the Company's ability to continue as a going concern, expectations regarding future taxable income, length of carryforward periods, and other relevant quantitative and qualitative factors. The recoverability of the deferred tax assets is determined by assessing the adequacy of future expected taxable income from all sources, including the reversal of taxable temporary differences, forecasted operating earnings, and tax planning strategies. The Company classifies interest and penalties accrued in connection with unrecognized tax benefits as income tax expense in its Consolidated Statements of Operations.

Refer to Note 5, "Income Taxes," for more information.

**Self-Insurance.** The Company is self-insured for certain losses related to workers' compensation and general liability insurance and maintains stop-loss coverage with third-party insurers to limit its liability exposure. Liabilities associated with these losses are estimated by considering historical claims experience, estimated lag time to report and pay claims, average cost per claim and other actuarial factors.

**Stock-Based Compensation.** The Company utilizes the Black-Scholes model to calculate the fair value of time-based stock option awards. The Company utilizes a Monte Carlo simulation for its performance awards with a market condition, which requires various inputs and assumptions, including the Company's own stock price. The grant-date fair value of all other stock-based compensation, including time-based and performance-based restricted stock awards, is based on the closing price for a share of the Company's common stock on the New York Stock Exchange (the "NYSE") on the grant date.

Compensation expense for time-based stock options and restricted stock awards is recognized over the applicable vesting period, net of expected forfeitures. Compensation expense for performance-based shares with a market condition is recognized over the applicable vesting period, net of expected forfeitures, regardless of whether the market condition is achieved. Compensation expense related to the performance-based units is recognized over the applicable vesting period, net of expected forfeitures, and adjusted as necessary to reflect changes in the probability that the vesting criteria will be achieved. The Company regularly reviews the probability of achieving the performance condition on these awards.

Refer to Note 17, "Stock-Based Compensation" for more information.

**Earnings Per Share.** Basic earnings per share ("EPS") is computed by dividing net income, net of cumulative undeclared dividends, by the weighted average number of shares of common stock outstanding for the period. The Company uses the treasury stock method to compute diluted EPS for its stock-based compensation to the extent that awards with performance and market conditions are probable of being achieved and stock options are in-the-money, which assumes that outstanding stock awards were converted into common stock, and the resulting proceeds (which includes unrecognized compensation expense for all awards and the exercise price associated with stock options) were used to acquire shares of common stock at the average market price during the reporting period. The Company applies the if-converted method to calculate dilution impact of the convertible debt and the convertible preferred stock.

Refer to Note 16, "Earnings Per Share" for information on the Company's underlying shares of its convertible debt and convertible preferred stock in the computation of EPS.

**Foreign Currency.** For all active foreign operations, the functional currency is generally the local currency. Assets and liabilities of foreign operations are translated into the Company's reporting currency, the U.S. dollar, using period-end exchange rates, while income and expenses are translated using the average exchange rates for the reporting period. Translation gains and losses are recorded as part of accumulated other comprehensive loss on the Consolidated Balance Sheet. The Company has intercompany balances with its foreign entities that are routinely settled primarily relating to product sales and management fees. Gains or losses resulting from these foreign currency transactions, included in the Consolidated Statements of Operations, were not material in the fiscal years ended December 31, 2019, 2018 and 2017.

**Recently Adopted Accounting Pronouncements****Adoption of New Lease Standard**

In February 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2016-02, which requires lessees to recognize a right-of-use asset and a lease liability, initially measured at the present value of the lease payments for all leases with a term greater than 12 months. This standard is effective for annual reporting periods, and interim periods therein, beginning after December 15, 2018 and is required to be applied using a modified retrospective approach. In July 2018, the FASB issued ASU 2018-11, which provides companies with the option to apply the new lease standard either at the beginning of the earliest comparative period presented or in the period of adoption. The Company adopted ASU 2016-02 and its

## GNC HOLDINGS, INC. AND SUBSIDIARIES

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)

related amendments (collectively known as "ASC 842") during the first quarter of fiscal 2019 electing the optional transition relief amendment that allows for a cumulative-effect adjustment in the period of adoption and did not restate prior periods. In transitioning to ASC 842, the Company elected to use the practical expedient package available under the guidance for leases that commenced before the effective date and did not elect to use hindsight. The Company has implemented a new lease management and accounting system and updated its processes and internal controls to comply with the new standard.

The Company leases substantially all of its retail stores in the U.S. and Canada segment, including most of the domestic franchise stores that are leased and subleased to franchisees, its distribution centers in the United States and retail stores in Ireland. In addition, the Company has leased office locations and vehicle and equipment leases to support our store and supply chain operations. All of the Company's leases are classified as operating leases.

The Company determines if a contract contains a lease at inception. The lease liabilities are recognized based on the present value of the future minimum lease payments over the term at the commencement date for leases exceeding 12 months. The lease agreements generally contain lease and non-lease components. Non-lease components primarily include payments for maintenance and utilities. The minimum lease payments include only fixed lease components, as well as any variable rate payments that depend on an index, initially measured using the index at the lease commencement date. Lease terms may include options to renew when it is reasonably certain that the Company will exercise an option. The Company estimates its incremental borrowing rate, which was estimated to approximate the interest rate on a collateralized basis with similar terms and payments for each lease, using a portfolio approach. The right-of-use assets recognized are initially equal to the lease liability, adjusted for any lease payments made on or before the commencement dates and lease incentives.

The Company recognized lease liabilities of \$550.2 million on January 1, 2019. A right-of-use asset of \$504.2 million was recognized based on the lease liability, adjusted for the reclassification of deferred rent of \$53.3 million and prepaid rent of \$7.3 million. Additionally, the Company recognized \$79.8 million of right-of-use asset impairment charges related to certain of the Company's stores for which it was previously determined that the carrying value of the stores' assets were not recoverable. The right-of-use asset impairment charges were recorded as a reduction to January 1, 2019 (opening day) retained earnings, net of tax of \$19.8 million. The new lease standard has no impact on the timing or classification of the Company's cash flows as reported in the Consolidated Statement of Cash Flows.

The lease liabilities for the operating leases are amortized using the effective interest method. The right-of-use asset is amortized by taking the difference between total rent expense recorded on straight-line basis and the lease liability amortization. When the right-of-use asset for an operating lease is impaired, lease expense is no longer recognized on a straight-line basis. For impaired leases, the Company continues to amortize the lease liability using the same effective interest method as before the impairment charge and the right-of-use asset is amortized on a straight-line basis.

Refer to Note 12 "Leases" for additional information.

**Recently Issued Accounting Pronouncements**

In December 2019, the FASB issued ASU 2019-12, *Income Taxes: Simplifying the Accounting for Income Taxes*. This ASU simplifies accounting for income taxes by eliminating certain exceptions to ASC 740 related to the general approach for intraperiod tax allocation, methodology for calculating income taxes in an interim period and recognition of deferred taxes when there are investment ownership changes. The new guidance also simplifies aspects of accounting for franchise taxes and interim period effects of enacted changes in tax laws or rates. The new guidance provides clarification on accounting for transactions that result in a step-up in the tax basis of goodwill and allocation of consolidated income tax expense to separate financial statements of entities not subject to income tax. This ASU is effective for fiscal years beginning after December 15, 2020, including interim periods within those fiscal years, and early adoption is permitted. The Company is evaluating the impact this standard will have on its Consolidated Financial Statements and related disclosures.

In August 2018, the FASB issued ASU 2018-15, which aligns the requirements for capitalizing implementation costs incurred in a hosting arrangement that is a service contract with the requirements for capitalizing implementation costs incurred to develop or obtain internal-used software. This standard is effective for public business entities for fiscal years beginning after December 15, 2019, and interim periods within those fiscal years. Early adoption is permitted. The Company does not expect the adoption of the new standard to have a material impact on its Consolidated Financial Statements.

**NOTE 3. REVENUE**

Revenue is recognized when obligations under the terms of a contract with the customer are satisfied; generally, this occurs with the transfer of control of products or services. The Company satisfies performance obligations either over time or at a point in time as discussed in further detail below. Revenue is measured as the amount of consideration expected to be received in exchange for transferring goods or providing services. Applicable sales tax collected concurrent with revenue-producing activities are excluded from revenue.

During the year ended December 31, 2019, we recognized an income tax expense of \$44.9 million. The current year effective tax rate was significantly impacted by an increase to income tax expense of \$27.1 million relating to an increase in valuation allowance against certain deferred tax assets that may not be realizable and an increase to tax expense of \$7.6 million resulting from the transfer of the Nutra manufacturing net assets to the Manufacturing JV. The current year tax expense was also impacted by a \$4.8 million increase in the Company's liability for uncertain tax positions and a \$3.5 million increase related to a loss on forward contracts for the issuance of convertible preferred stock that was not recognizable for tax purposes.

During the year ended December 31, 2018, the Company finalized estimates of income tax impacts of the 2017 Tax Act based upon the regulations and other relevant guidance issued through December 31, 2018. The Company's 2018 income tax provision includes a discrete tax benefit of \$3.6 million relating to the finalization of the remeasurement of its deferred tax assets and liabilities upon filing of the Company's 2017 federal income tax return.

On December 22, 2017, tax reform legislation known as The Tax Cuts and Jobs Act of 2017 ("2017 Tax Act") was enacted. The 2017 Tax Act made significant changes to the Internal Revenue Code. During the year ended December 31, 2017, the Company recorded a non-cash income tax benefit of \$86.8 million, related to the remeasurement of its deferred tax assets and liabilities to reflect the effects of these temporary differences at enacted tax rates expected to be in effect when taxes are actually paid or recovered.

As of December 31, 2019, the Company had gross state NOL carryforwards of \$344.4 million expiring between 2026 and 2039 and \$5.0 million of state tax credit carryforwards that will expire between 2023 and 2034. The Company also had \$1.1 million of US foreign tax credit carryforwards expiring in 2028 and 2029. The company had immaterial foreign NOL carryforwards and no US Federal NOL carryforwards as of December 31, 2019. Under the Internal Revenue Code, the amount of and the benefits from NOL and tax credit carryforwards may be limited or permanently impaired in certain circumstances.

The Company regularly reviews deferred tax assets. The review is to ascertain that, based upon all the information available at the time of the preparation of the financial statements, it is more likely than not that the Company expects to utilize these deferred tax assets in the future. If the Company determines that it is more likely than not that these deferred tax assets will not be utilized, a valuation allowance is recorded, reducing the deferred tax asset to the amount expected to be realized. In assessing the need for a valuation allowance, the Company considers all available positive and negative evidence, including the Company's operating results, reversals of deferred tax liabilities, and forecasts of future taxable income on a jurisdiction-by-jurisdiction basis.

During the fourth quarter of the year ended December 31, 2019, as further discussed in Note 1, "Nature of Business," management concluded that there is substantial doubt regarding the Company's ability to continue as a going concern. Management considered this in concluding that certain deferred tax assets were no longer more likely than not realizable. As a result, an increase in valuation allowance of \$27.1 million on the Company's deferred tax assets was recorded as of December 31, 2019 which related principally to deferred tax assets for state NOL carryforwards and other state tax attributes and deferred tax assets related to the Company's interest expense deductions as determined under Section 163(j) of the Internal Revenue Code. This increase was partially offset by a valuation allowance decrease of \$4.8 million.

As of December 31, 2019 and 2018, a valuation allowance was provided for certain NOLs, as the Company currently believes that these NOLs may not be realizable prior to their expiration. As of December 31, 2019, the Company recorded an additional \$18.6 million valuation allowance related to state net operating losses and other state attributes no longer determined to be realizable. In the current year, the Company also recorded a \$7.4 million partial valuation allowance related to the deferred tax asset resulting from the limitation of the Company's interest expense deduction as determined by Section 163(j) of the Internal

Revenue Code and a \$1.1 million valuation allowance related to federal foreign tax credit carryforwards. The Company reduced its foreign deferred tax assets and related valuation allowance by \$4.8 million respectively, because it determined that \$3.7 million of China NOLs would not be available to the Company as a result of the China joint venture transaction and \$1.1 million of Puerto Rico NOLs were realized at the filing of the 2018 Puerto Rico statutory income tax returns.

As of December 31, 2019 and 2018, the Company has valuation allowances for deferred tax assets in the amount of \$42.3 million and \$20.0 million, respectively. Management will continue to assess the valuation allowance in forthcoming periods. This may result in a different conclusion as to the realizability of the Company's deferred tax assets in the future.

The Company's foreign subsidiaries generate earnings that are not subject to U.S. income taxes so long as they are permanently reinvested in its operations outside of the U.S. Pursuant to ASC Topic No 740-30, undistributed earnings of foreign subsidiaries that are no longer permanently reinvested would become subject to deferred income taxes. The Company does not have any material undistributed earnings of international subsidiaries at December 31, 2019 as these subsidiaries are considered to be branches for United States tax purposes, to have incurred cumulative NOLs, or to have only minimal undistributed earnings.

GNC Holdings, Inc. files a consolidated federal tax return and various consolidated and separate tax returns as prescribed by the tax laws of the state, local and international jurisdictions in which it and its subsidiaries operate. The statutes of limitation for the Company's U.S. federal income tax returns are closed for years through 2013. The Company has various state and local jurisdiction tax years open to possible examination (the earliest open period is generally 2011), and the Company also has certain state and local tax filings currently under audit.

A reconciliation of the beginning and ending amount of unrecognized tax benefits, excluding penalties and interest, is as follows:

	December 31,		
	2019	2018	2017
	(in thousands)		
<b>Balance of unrecognized tax benefits at beginning of period</b>	\$ 6,950	\$ 5,774	\$ 6,456
Additions for tax positions taken during current period	180	882	748
Additions for tax positions taken during prior periods	4,774	715	192
Reductions for tax positions taken during prior periods	(800)	(421)	(675)
Settlements	(385)	—	(947)
<b>Balance of unrecognized tax benefits at end of period</b>	<u>\$ 10,719</u>	<u>\$ 6,950</u>	<u>\$ 5,774</u>

The Company's liability for uncertain tax positions, excluding penalties and interest, increased by a net \$3.8 million during the current year.

As of December 31, 2019, the Company is not aware of any positions for which it is reasonably possible that the total amount of unrecognized tax benefits will significantly increase or decrease within the next 12 months. Accrued interest and penalties were \$2.4 million and \$2.0 million at December 31, 2019 and 2018, respectively. At December 31, 2019, the amount of unrecognized tax benefits that, if recognized, would affect the effective tax rate was \$13.1 million, including the impact of accrued interest and penalties. While it is often difficult to predict the final outcome or the timing of resolution of any particular uncertain tax position, the Company believes that its unrecognized tax benefits reflect the most likely outcome. The Company adjusts these unrecognized tax benefits, as well as the related interest, in light of changing facts and circumstances. Settlement of any particular position could require the use of cash. Favorable resolution would be recognized as a reduction to the effective income tax rate in the period of resolution.

*Brand Name*

During the fourth quarter of 2019, management performed its annual impairment test of the indefinite-lived brand intangible asset. The brand name impairment test was performed in totality as it represents a single unit of account and the Company concluded that the estimated fair value under the relief from royalty method (income approach) exceeded its carrying value. The methodology utilized for the impairment test of the indefinite-lived brand intangible asset has not changed materially from the prior year. Key assumptions included in the estimation of the fair value include the following:

- Future cash flow assumptions - Future cash flow assumptions include retail sales from the Company's corporate retail store operations, GNC.com retail sales, wholesale partner sales, China JV and HK JV retail sales, and domestic and international franchise retail sales. Sales were based on organic growth and were derived from historical experience and assumptions regarding future growth. The Company's analysis incorporated an assumed period of cash flows of 10 years with a terminal value.
- Royalty rate - The royalty rates utilized consider external market evidence and internal financial metrics including a review of available returns after the consideration of property, plant and equipment, working capital and other intangible assets.
- Discount rate - The discount rate was based on an estimated weighted average cost of capital ("WACC") for each business supported by the GNC brand name. The components of WACC are the cost of equity and the cost of debt, each of which requires judgment by management to estimate. The Company developed its cost of equity estimate based on perceived risks and predictability of future cash flows. The WACC used to estimate the fair values of the Company's reporting units was within a range of 16% to 19%. Any difference between the WACC among reporting units is primarily due to the precision with which management expects to be able to predict the future cash flows of each reporting unit.

During the year ended December 31, 2018, the Company recognized an impairment charge of \$23.7 million, which was allocated to the U.S. and Canada and International segments for \$21.6 million and \$2.1 million, respectively. During the year ended December 31, 2017, the Company recognized a \$395.6 million impairment charge on its \$720.0 million indefinite-lived brand intangible asset, which was allocated to the U.S. and Canada and International segments for \$394.0 million and \$1.6 million, respectively.

*Goodwill*

Management performed its annual impairment test of goodwill during the fourth quarter of 2019. Results of the impairment test indicated that all of the reporting units had fair values which were in excess of their respective carrying values and therefore there was no impairment for the year ended December 31, 2019.

**GNC HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

The Company estimated the fair values of its reporting units in the fourth quarter of 2019 using a discounted cash flow method (income approach) weighted 50% and a guideline company method (market approach) weighted 50%. The methodology utilized for the goodwill impairment test has not changed materially from the prior year. The key assumptions used under the income approach include the following:

- **Future cash flow assumptions** - The Company's projections for its reporting units were based on organic growth and were derived from historical experience and assumptions regarding future growth and profitability trends. The Company's analysis incorporated an assumed period of cash flows of 10 years with a terminal value.
- **Discount rate** - The discount rate was based on an estimated weighted average cost of capital ("WACC") for each reporting unit. The components of WACC are the cost of equity and the cost of debt, each of which requires judgment by management to estimate. The Company developed its cost of equity estimate based on perceived risks and predictability of future cash flows. The WACC used to estimate the fair values of the Company's reporting units was within a range of 16% to 19%. Any difference between the WACC among reporting units is primarily due to the precision with which management expects to be able to predict the future cash flows of each reporting unit.

The guideline company method involves analyzing transaction and financial data of publicly-traded companies to develop multiples, which are adjusted to account for differences in growth prospects and risk profiles of the reporting unit and the comparable.

For the year ended December 31, 2018, no impairment was indicated as a result of the annual impairment test during the fourth quarter. For the year ended December 31, 2017, the Company recorded a goodwill impairment charge of \$24.3 million related to the Wholesale reporting unit in the fourth quarter as a result of a triggering event based on a decline in the Company's share price and previous challenges associated with the Company's efforts to refinance its long-term debt.

***Lucky Vitamin***

During the second quarter of 2017, in order for the Company to focus on strategic changes around the One New GNC program, the Company considered strategic alternatives for the Lucky Vitamin e-commerce business, which was considered a triggering event requiring an interim goodwill impairment review of the Lucky Vitamin reporting unit as of June 30, 2017. The Company estimated the fair value of the Lucky Vitamin reporting unit using a discounted cash flow method (income approach) and a guideline company method (market approach), each of which took into account the expectations regarding the potential strategic alternatives for the Lucky Vitamin business being explored in the second quarter of 2017. As a result of the review, the Company concluded that the carrying value of the Lucky Vitamin reporting unit exceeded its fair value, which resulted in a goodwill impairment charge of \$11.5 million being recorded in the second quarter of 2017. There was no remaining goodwill balance on the Lucky Vitamin reporting unit after the impact of this charge.

As a result of the impairment indicator described above, the Company also performed an impairment analysis with respect to its definite-lived intangible assets and other long-lived assets on the Lucky Vitamin reporting unit, consisting of a trade name and property and equipment. The fair value of the trade name was determined using a relief from royalty method (income approach) and the fair value of the property and equipment was determined using an income approach. Based on the results of the analyses, the Company concluded that the carrying value of the Lucky Vitamin trade name and property and equipment exceeded their fair values resulting in an impairment charge of \$4.2 million and \$3.7 million, respectively. All of the aforementioned non-cash charges totaling \$19.4 million were recorded in long-lived asset impairments in the Consolidated Statement of Operations within the U.S. and Canada segment during the year ended December 31, 2017.

The Company completed an asset sale of Lucky Vitamin on September 30, 2017, resulting in a loss of \$1.7 million recorded within other (income) loss, net on the Consolidated Statement of Operations consisting of the net assets sold subtracted from the purchase price of \$6.4 million, which includes fees paid to a third-party. The proceeds were received in October 2017.

The Company recognized depreciation expense on property, plant and equipment of \$29.6 million, \$40.1 million, and \$49.4 million for the years ended December 31, 2019, 2018 and 2017, respectively, which is included in manufacturing overhead expense as part of cost of sales and SG&A expense on the Consolidated Statements of Operations.

**Impairments and Other Store Closing Costs**

No impairment of property, plant and equipment was recognized during the year ended December 31, 2019.

During the third quarter of 2018, the Company performed a detailed review of its store portfolio and identified stores in the U.S. and Canada that will be closed within the next three years at the end of their lease terms. This review also identified other stores in which the Company is considering alternatives such as seeking lower rent or a shorter term. In connection with the review of the store portfolio, the Company recorded \$14.6 million of impairment charges within the U.S. and Canada segment, of which \$9.5 million related to its property, plant and equipment for certain underperforming stores and \$5.1 million related to other store closing costs, presented as long-lived asset impairments in the accompanying Consolidated Statement of Operations.

**GNC HOLDINGS, INC. AND SUBSIDIARIES**
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

During the year ended December 31, 2017, the Company recorded \$18.6 million of impairment charges within the U.S. and Canada segment primarily related to certain of the Company's underperforming stores and the impact of Hurricane Maria on the Company's stores located in Puerto Rico. Refer to Note 6, "Goodwill and Intangible Assets" for fixed asset impairments related to Lucky Vitamin in 2017.

The impairment tests were performed at the individual store level as this is the lowest level which identifiable cash flows are largely independent of other groups of assets and liabilities. Underperforming stores were generally comprised of stores with historical and expected future losses or stores that management intends on closing in the near term. If the undiscounted estimated future cash flows were less than the carrying value of the individual store, an impairment charge was calculated by subtracting the estimated fair value of property and equipment from its carrying value. Fair value was estimated using a discounted cash flow method (income approach) utilizing the undiscounted cash flows estimated in the first step of the test.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

**Senior Credit Facility**

*Issuance*

In March 2011, General Nutrition Centers, Inc. ("Centers"), a wholly owned subsidiary of Holdings, entered into the Senior Credit Facility, consisting of the Term Loan Facility and the Revolving Credit Facility. The Senior Credit Facility permits the Company to prepay a portion or all of the outstanding balance without incurring penalties (except London Interbank Offering Rate ("LIBOR") breakage costs). GNC Corporation, the Company's indirect wholly owned subsidiary, and Centers' existing and future domestic subsidiaries have guaranteed Centers' obligations under the Senior Credit Facility. In addition, the Senior Credit Facility is collateralized by first priority pledges (subject to permitted liens) of substantially all of Centers' assets, including its equity interests and the equity interests of its domestic subsidiaries.

The Company amended the Revolving Credit Facility on March 4, 2016, to extend its maturity from March 2017 to September 2018 and increase total availability from \$130.0 million to \$300.0 million. In December 2017, the Company reduced the amount available under the Revolving Credit Facility from \$300.0 million to \$225.0 million.

*2018 Refinancing*

On February 28, 2018, the Company amended and restated its Senior Credit Facility which at the time consisted of a \$1,131.2 million term loan facility due in March 2019 and a \$225.0 million revolving credit facility that was scheduled to mature in September 2018 (the "Amendment", and the Senior Credit Facility as so amended, the "Term Loan Agreement"). The Amendment extended the maturity date for \$704.3 million of the \$1,131.2 million term loan facility from March 2019 to March 2021 (the "Tranche B-2 Term Loan"). In the event that all outstanding amounts under the convertible senior notes in excess of \$50.0 million have not been repaid, refinanced, converted or effectively discharged prior to May 2020 ("Springing Maturity Date"), the maturity date for the Tranche B-2 Term Loan becomes the Springing Maturity Date, subject to certain adjustments. The Amendment also terminated the \$225.0 million revolving credit facility.

After the effectiveness of the Amendment, the remaining term loan of \$151.9 million as of February 28, 2018 continued to have a maturity date of March 2019 (the "Tranche B-1 Term Loan"). The Tranche B-2 Term Loan requires annual aggregate principal payments of at least \$43 million and bears interest at a rate of, at the Company's option, LIBOR plus a margin of 8.75% per annum subject to change under certain circumstances (with a minimum and maximum margin of 8.25% and 9.25%, respectively, per annum), or prime plus a margin of 7.75% per annum subject to change under certain circumstances (with a minimum and maximum of 7.25% and 8.25%, respectively, per annum). Any mandatory repayments as defined in the credit agreement shall be applied to the remaining annual aggregate principle payments in direct order of maturity. As discussed in further detail below, in November 2018, the Company paid \$100 million on the Tranche B-2 Term Loan and elected to use the payment to satisfy the scheduled amortization payments on the Term Loan Facility through December 2020. The interest rate under the Tranche B-1 Term Loan is at a rate of, at the Company's option, LIBOR plus a margin of 2.5% or prime plus a margin of 1.5%. The Term Loan Agreement is secured by a (i) first lien on certain assets of the Company primarily consisting of capital stock issued by General Nutrition Centers, Inc. ("Centers") and its subsidiaries, intellectual property and equipment ("Term Priority Collateral") and (ii) second lien on certain assets of the Company primarily consisting of inventory and accounts receivable ("ABL Priority Collateral"). The Term Loan Agreement is guaranteed by all material, wholly-owned domestic subsidiaries of the Company (the "U.S. Guarantors") and by General Nutrition Centres Company, an unlimited liability company organized under the laws of Nova Scotia (together with the U.S. Guarantors, the "Guarantors").

On February 28 2018, the Company also entered into a new asset-based credit agreement (the "ABL Credit Agreement"), consisting of:

- a new \$100 million asset-based Revolving Credit Facility (the "Revolving Credit Facility") with a maturity date of August 2022 (which maturity date will become May 2020, subject to certain adjustments, should the Springing Maturity Date be triggered); In connection with the transfer of the Nutra manufacturing and Anderson facility net assets to the manufacturing JV with IVC, the Revolving Credit Facility commitment was reduced from \$100 million to \$81 million effective March 2019; and
- a \$275.0 million asset-based Term Loan Facility advanced on a "first-in, last-out" basis (the "FILO Term Loan") with a maturity date of December 2022 (which maturity date will become May 2020, subject to certain adjustments, should the Springing Maturity Date be triggered).

**GNC HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

There are no scheduled amortization payments associated with the FILO Term Loan, which bears interest at a rate of LIBOR plus a margin of 7.00% per annum subject to decrease under certain circumstances (with a minimum possible interest rate of LIBOR plus a margin of 6.50% per annum). Outstanding borrowings under the Revolving Credit Facility bear interest at a rate of LIBOR plus 1.50% or prime plus 0.50% (both subject to an increase or decrease of 0.25% to 0.50% based on the amount available to be drawn under the Revolving Credit Facility). The Company is also required to pay an annual fee of 0.125% to the applicable Issuing Bank and a fee to revolving lenders equal to a maximum of 2.0% (subject to adjustment based on the amount available to be drawn under the Revolving Credit Facility with a minimum of 1.5%) on outstanding letters of credit and an annual commitment fee of 0.375% on the undrawn portion of the Revolving Credit Facility subject to an increase to 0.5% based on the amount available to draw under the Revolving Credit Facility. The FILO Term Loan and Revolving Credit Facility are secured by a (i) first lien on ABL Priority Collateral and (ii) second lien on Term Priority Collateral. The FILO Term Loan and Revolving Credit Facility are guaranteed by the Guarantors.

In connection with the debt refinancing, the Company recognized a loss of \$16.7 million in the first quarter of 2018, which primarily includes third-party fees relating to the Tranche B-2 Term Loan and the FILO Term Loan, and is presented as an operating outflow on the accompanying Consolidated Statement of Cash Flows. The refinancing of our term debt was accounted for as a debt modification and therefore the fees paid to third parties associated with the term debt restructuring were expensed. In addition, the Company paid \$30.2 million consisting of an original issuance discount ("OID") to the Tranche B-2 Term Loan and the FILO Term Loan lenders. The remaining unpaid OID of \$10.4 million, which was subject to change based on the timing and amount of the outstanding balance, was paid to the Tranche B-2 Term Loan lenders at 2% of the outstanding balance during the first quarter of 2019. The OID together with \$5.1 million in fees incurred relating to the Revolving Credit Facility (included within other long-term assets on the Consolidated Balance Sheet) are amortized through the applicable maturity dates as an increase to interest expense.

Under the Company's Term Loan Agreement and ABL Credit Agreement (collectively, the "Credit Facilities"), the Company is required to make certain mandatory prepayments, including a requirement to prepay first the Tranche B-2 Term Loan (until repaid in full), second the FILO Term Loan (until repaid in full, but only if such prepayment is permitted under the ABL Credit Agreement), and third the Tranche B-1 Term Loan, in each case annually with amounts based on excess cash flow, as defined in the Company's Credit Facilities, based on the results of the Company for the prior fiscal year. The payment will be 75% of excess cash flow for each such fiscal year, subject to a reduction to 50% based on the attainment of a certain Consolidated Net First Lien Leverage Ratio, and will be reduced by certain scheduled debt payment amounts. Based on the Company's results for the year ended December 31, 2018, the Company's required excess cash flow payment was \$49.8 million, which was reduced to \$9.8 million by the scheduled debt payments made in the first quarter of 2019 defined in the Company's Credit Facilities. The Company made the excess cash flow payment in April 2019. Based on the Company's results for the year ended December 31, 2019, the Company will be required to make an excess cash flow payment of \$25.9 million in April 2020.

At December 31, 2019, the Company's contractual interest rates under the Tranche B-2 Term Loan and the FILO Term Loan were 10.6% and 8.8%, respectively, which consist of LIBOR plus the applicable margin rate. At December 31, 2018, the Company's contractual interest rates under the Tranche B-1 Term Loan, Tranche B-2 Term Loan, and the FILO Term Loan were 5.7%, 11.8% and 9.5%, respectively. At December 31, 2019, the Company had \$66.2 million available under the Revolving Credit Facility, after giving effect to \$4.9 million utilized to secure letters of credit and a \$9.9 million reduction to borrowing ability as a result of decrease in net collateral.

The Company's Credit Facilities contain customary covenants, including limitations on the ability of GNC Corporation, Centers, and Centers' subsidiaries to, among other things, incur debt, grant liens on their assets, enter into mergers or liquidations, sell assets, make investments or acquisitions, make optional payments in respect of, or modify, certain other debt instruments, pay dividends or other payments on capital stock, or enter into arrangements that restrict their ability to pay dividends or grant liens. In addition, the Term Loan Agreement requires compliance, as of the end of each fiscal quarter of the Company, with a maximum Consolidated Net First Lien Leverage Ratio initially set at 5.50 to 1.00 through December 31, 2018 and decreasing to 5.00 to 1.00 from March 31, 2019 to December 31, 2019 and 4.25 to 1.00 thereafter. Depending on the amount available to be drawn under the Revolving Credit Facility, the ABL Credit Agreement requires compliance as of the end of each fiscal quarter of the Company with a minimum Fixed Charge Coverage Ratio of 1.00 to 1.00. The Company was in compliance with the terms of its Credit Facilities as of December 31, 2019.

*Investment from Harbin and IVC*

On November 7, 2018, The Company entered into an Amendment to the Securities Purchase Agreement with Harbin Pharmaceutical Group Holdings Co., Ltd. (the "Investor") for the purchase of 299,950 shares of convertible preferred stock.

## GNC HOLDINGS, INC. AND SUBSIDIARIES

### NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)

Pursuant to the terms of the Securities Purchase Agreement, the Investor assigned its interest in the Securities Purchase Agreement to Harbin Pharmaceutical Group Co., Ltd. ("Harbin"). Harbin's \$300 million investment was funded in three separate tranches. On November 8, 2018, the Company received the initial \$100 million investment for the purchase of 100,000 shares of convertible preferred stock. The Company utilized the \$100 million to pay a portion of the Tranche B-2 Term Loan due in March 2021 pursuant to the Amendment to its Senior Credit Facility and elected to use the payment to satisfy the scheduled amortization payments on the Term Loan Facility through December 2020. On January 2, 2019, the Company received \$50 million investment for the second purchase of 50,000 shares of convertible preferred stock, and on February 13, 2019, the Company received the remaining \$150 million for the final purchase of 149,950 shares of convertible preferred stock.

In March 2019, the Company announced the formation of a strategic partnership with IVC. Under the terms of the agreement, GNC received \$101 million from IVC in the first quarter of 2019 and contributed its Nutra manufacturing and Anderson facility net assets in exchange for an initial 43% ownership in the joint venture.

In connection with the receipt of the investments in 2019 as mentioned above, the Company paid down the remaining balance of the Tranche B-1 Term Loan of \$147.3 million. The remaining proceeds together with cash generated from operating activities were utilized to pay a portion of the Tranche B-2 of \$114.0 million and the original issuance discount due to the Tranche B-2 Term Loan lenders at 2% of the outstanding balance.

#### **Convertible Debt**

##### *Issuance and Terms*

On August 10, 2015, the Company issued \$287.5 million principal amount of 1.5% convertible senior notes due 2020 in a private offering (the "Notes"). The Notes are governed by the terms of an indenture between the Company and BNY Mellon Trust Company, N.A., as the Trustee (the "Indenture"). The Notes mature on August 15, 2020, unless earlier repaid, discharged, refinanced or converted by the holders subject to restrictions through May 15, 2020. The Notes bear interest at a rate of 1.5% per annum, and additionally are subject to special interest in connection with any failure of the Company to perform certain of its obligations under the Indenture.

The Notes are unsecured obligations and do not contain any financial covenants or restrictions on the payments of dividends, the incurrence of indebtedness or the issuance or repurchase of securities by the Company or any of its subsidiaries. Certain events are considered "events of default" under the Notes, which may result in the acceleration of the maturity of the Notes, as described in the indenture governing the Notes. The Notes are fully and unconditionally guaranteed by certain operating subsidiaries of the Company ("Subsidiary Guarantors") and are subordinated to the Subsidiary Guarantors obligations from time to time with respect to the Senior Credit Facility and ranks equal in right of payment with respect to the Subsidiary Guarantor's other obligations.

The initial conversion rate applicable to the Notes is 15.1156 shares of common stock per \$1,000 principal amount of Notes, which is equivalent to an initial conversion price of \$66.16 per share. The conversion rate is subject to adjustment upon the occurrence of certain specified events, but will not be adjusted for any accrued and unpaid special interest. In addition, upon the occurrence of a "make-whole fundamental change" as defined in the Indenture, the Company will, in certain circumstances, increase the conversion rate by a number of additional shares for a holder that elects to convert its Notes in connection with such make-whole fundamental change.

Prior to May 15, 2020, the Notes are convertible only under the following circumstances: (1) during any calendar quarter commencing after September 30, 2015, if, for at least 20 trading days (whether or not consecutive) during the 30 consecutive trading day period ending on the last trading day of the immediately preceding calendar quarter, the last reported sale price of the Company's common stock on such trading day is greater than or equal to 130% of the applicable conversion price on such trading day; (2) during the 5 consecutive business day period after any ten consecutive trading day period in which, for each day of that period, the trading price per \$1,000 principal amount of Notes for such trading day was less than 98% of the product of the last reported sale price of the Company's common stock and the applicable conversion rate on such trading day; or (3) upon the occurrence of specified corporate transactions. On and after May 15, 2020, until the close of business on the second scheduled trading day immediately preceding the maturity date, holders may convert all or a portion of their Notes at any time, regardless of the foregoing circumstances. Upon conversion, the Notes will be settled, at the Company's election, in cash, shares of the Company's common stock, or a combination of cash and shares of the Company's common stock. If the Company has not delivered a notice of its election of settlement method prior to the final conversion period, it will be deemed to have elected combination settlement with a dollar amount per note to be received upon conversion of \$1,000. None of these circumstances was met during the year ended December 31, 2019 and 2018.

Exchange

On December 20, 2017, the Company exchanged in privately negotiated transactions \$98.9 million in aggregate principal amount of the Notes for an aggregate of 14.6 million newly issued shares of the Company's Class A common stock, which had a value of \$71.7 million at the time of the exchange. The Company accounted for the transaction as a troubled debt restructuring as a result of satisfying the below criteria.

- Previous challenges associated with the Company's refinancing efforts of its long term debt at the time of the convertible debt exchange.
- The holders of the convertible debt completed the exchange for a value lower than the face amount of the notes. As a result, management concluded a concession was granted to the Company.

The convertible debt exchange resulted in a gain of \$15.0 million, which includes the unamortized conversion feature of \$9.6 million, unamortized discount of \$1.4 million and other third party fees of \$1.2 million and together with legal, investment banking and rating agency fees associated with the Company's refinancing efforts, the Company recorded a net gain of \$11.0 million in the fourth quarter of 2017.

Repurchase

During the second quarter of 2019, the Company repurchased \$29.5 million in aggregate principal amount of the Notes for \$24.7 million in cash. The convertible debt repurchase resulted in a gain of \$3.2 million, which included the unamortized conversion feature of \$1.3 million and unamortized discount of \$0.2 million.

related debt instruments, and makes payments on a fixed rate of 2.82% and 2.74%, respectively. The interest rate swap agreements had an effective date of June 29, 2018. The \$225 million interest rate swap expires on February 28, 2021, and the \$275 million interest rate swap expires on June 30, 2021. The notional amount of the \$225 million interest rate swap has scheduled decreases to \$175 million on June 30, 2019, \$125 million on June 30, 2020 and \$75 million on December 31, 2020. The Company designated these instruments as cash flow hedges and deemed effective upon initiation. The interest rate swaps are recognized on the balance sheet at fair value. Changes in fair value are recorded within other comprehensive income (loss) on the Consolidated Balance Sheet and reclassified into the Consolidated Statement of Operations as interest expense in the period in which the underlying transaction affects earnings.

The fair values of the derivative financial instruments included in the Consolidated Balance Sheets consisted of the following:

Balance Sheet Classification	Fair Value at	
	December 31, 2019	December 31, 2018
	(in thousands)	
Other current liabilities	\$ 5,013	\$ —
Other long-term liabilities	1,927	3,210
Total liabilities	\$ 6,940	\$ 3,210

At December 31, 2019, there was a cumulative unrealized loss of \$4.8 million, net of tax, related to these interest rate swaps included in accumulated other comprehensive income (loss). This loss would be immediately recognized in the Consolidated Statement of Operations if these instruments fail to meet certain cash flow hedge requirements. As of December 31, 2019, the amount included in accumulated other comprehensive loss related to the interest rate swaps to be reclassified into earnings during the next 12 months is approximately \$4 million. Refer to Note 11, "Fair Value Measurements of Financial Instruments" for more information on how the interest rate swaps are valued.

At December 31, 2018, there was a cumulative unrealized loss of \$2.2 million, net of tax, related to these interest rate swaps included in accumulated other comprehensive income (loss). This loss would be immediately recognized in the Consolidated Statement of Operations if these instruments fail to meet certain cash flow hedge requirements. As of December 31, 2018, the amount included in accumulated other comprehensive loss related to the interest rate swaps to be reclassified into earnings during the next 12 months is not material.

**NOTE 9. EQUITY METHOD INVESTMENTS**

In February 2019, the Company contributed its China business in exchange for 35% ownership of each of the joint ventures with Harbin, the HK JV and China JV. The HK JV includes the operation of the cross-border China e-commerce business, and has an exclusive right to use the Company's trademarks to manufacture and distribute the Company's products in China (excluding Hong Kong, Taiwan and Macau) via e-commerce channels. The China JV is a retail-focused joint venture to operate GNC's brick-and-mortar retail business in China and it will have an exclusive right to use the Company's trademarks to manufacture and distribute the Company's products in China (excluding Hong Kong, Taiwan and Macau) via retail stores and pharmacies. The HK JV closed in February 2019 and the China JV agreement is expected to be completed in the second quarter of 2020, following the satisfaction of certain routine regulatory and legal requirements.

In March 2019, the Company entered into a strategic joint venture with IVC regarding the Company's manufacturing business. The Manufacturing JV is responsible for the manufacturing of the products previously produced by the Company at the Nutra manufacturing facility. The Company received \$99.2 million from IVC and contributed the net assets of the Nutra manufacturing and Anderson facilities in exchange for an initial 43% equity interest in the Manufacturing JV. In addition, the Company made a capital contribution of \$10.7 million to the Manufacturing JV to fund its share of short-term working capital needs. IVC is expected to pay an additional \$75.0 million over a four year period from the effective date of the transaction as IVC's ownership of the joint venture increases to 100%. The subsequent purchase price for each year is \$18.8 million, adjusted up or down based on the Manufacturing JV's future performance. IVC's subsequent purchase price in the first quarter of 2020 is expected to be between approximately \$16 million and \$17 million based on the Manufacturing JV's performance in 2019.

**Gain (loss) from the net asset exchange**

In connection with the formation of the joint ventures effective in the first quarter of 2019, the Company deconsolidated its China business and its Nutra manufacturing business which resulted in a pre-tax gain of \$5.8 million and loss of \$27.1 million, respectively, recorded within loss on net asset exchange for the formation of the joint ventures on the Consolidated Statements of Operations. The \$5.8 million gain from the Harbin transaction was calculated based on the difference between the fair value of the 35% equity interest in the HK JV and China JV, less the carrying value of the contributed China business, including \$2.4 million

**GNC HOLDINGS, INC. AND SUBSIDIARIES**
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

of cash, and third-party closing fees. The \$27.1 million loss from the Manufacturing JV transaction was calculated based on the fair value of the 43% equity interest retained in the Manufacturing JV and the \$101 million in cash received, net of a \$1.8 million working capital purchase price adjustment in the second quarter of 2019, less the carrying value of the contributed Nutra and Anderson facilities and third-party closing fees.

The Company's interests in the joint ventures are accounted for as equity method investments due to the Company's ability to exercise significant influence over management decisions of the joint ventures. Under the equity method, the Company's share of profits and losses from the joint ventures is recorded within income from equity method investments on the Consolidated Statement of Operations. The following table provides a reconciliation of equity method investments on the Company's Consolidated Balance Sheets:

	<b>December 31, 2019</b>	
	<b>(in thousands)</b>	
Manufacturing JV	\$	75,434
Manufacturing JV capital contribution		10,714
HK JV and China JV		10,342
Income from equity method investments		5,296
Distributions received from equity method investments		(3,856)
<b>Total Equity method investments</b>	<b>\$</b>	<b>97,930</b>

In connection with the transaction with IVC, the Company entered into a lease for warehouse space within the Anderson facility. Refer to Note 12, "Leases" for more information. Additionally, the Company purchased approximately \$156 million of product from the Manufacturing JV during the year ended December 31, 2019 and had \$11.7 million accounts payable outstanding as of December 31, 2019. In connection with the HK JV, the Company recognized revenue, primarily from wholesale sales and royalties, of \$13.2 million for the year ended December 31, 2019 and had \$8.9 million accounts receivable outstanding as of December 31, 2019.

**NOTE 10. DEFERRED REVENUE AND OTHER CURRENT LIABILITIES**

(\*) In connection with the the adoption of ASC 842, as further described in Note 2, "Basis of Presentation and Summary of Significant accounting policies", minimum lease payments are included in lease liabilities on the Consolidated Balance Sheet as of December 31, 2019.

**NOTE 11. FAIR VALUE MEASUREMENTS AND FINANCIAL INSTRUMENTS**

ASC 820, "Fair Value Measurements and Disclosures" defines fair value as a market-based measurement that should be determined based on the assumptions that marketplace participants would use in pricing an asset or liability. As a basis for considering such assumptions, the standard establishes a three-tier fair value hierarchy which prioritizes the inputs used in measuring fair value as follows:

**GNC HOLDINGS, INC. AND SUBSIDIARIES**
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

Level 1 — observable inputs such as quoted prices in active markets for identical assets and liabilities;

Level 2 — observable inputs such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, other inputs that are observable, or can be corroborated by observable market data; and

Level 3 — unobservable inputs for which there are little or no market data, which require the reporting entity to develop its own assumptions.

The carrying amounts of cash and cash equivalents, receivables, accounts payable, accrued liabilities and the Revolving Credit Facility approximate their respective fair values. Based on the interest rates currently available and their underlying risk, the carrying value of franchise notes receivable recorded primarily in Other long-term assets approximates its fair value.

The carrying value and estimated fair value of the forward contracts for the issuance of convertible preferred stock, the Term Loan Facility, net of discount, Notes (net of the equity component classified in stockholders' equity and discount) and the interest rate swaps were as follows:

	December 31, 2019		December 31, 2018	
	Carrying Amount	Fair Value	Carrying Amount	Fair Value
(in thousands)				
<b>Assets:</b>				
Forward contracts for the issuance of convertible preferred stock	\$ —	\$ —	\$ 88,942	\$ 88,942
<b>Liabilities:</b>				
Tranche B-1 Term Loan	\$ —	\$ —	\$ 147,289	\$ 145,080
Tranche B-2 Term Loan	441,500	414,321	554,760	511,766
FILo Term Loan	266,814	265,851	264,086	260,125
Notes	154,675	148,488	175,504	131,628
Interest rate swaps	6,940	6,940	3,210	3,210

The forward contracts for the issuance of convertible preferred stock were measured at fair value, as of the valuation date, using a single factor binomial lattice model ("Lattice Model") which incorporates the terms and conditions of the convertible preferred stock and is based on changes in the prices of the underlying common share price over successive periods of time. Key assumptions of the Lattice Model include the current price of the underlying stock and its historical and expected volatility, risk-neutral interest rates and the instruments remaining term. These assumptions require significant management judgment and are considered Level 3 inputs. The forward contract was revalued at each reporting period and changes in fair value are recognized in the Consolidated Statements of Operations. The forward contracts settled upon issuance on January 2, 2019 and February 13, 2019. Refer to Note 14, "Mezzanine Equity" for discussion of the Securities Purchase Agreement.

The fair values of the term loans were determined using the instrument's trading value in markets that are not active, which are considered Level 2 inputs. The fair value of the Notes was determined based on quoted market prices and bond terms and conditions, which are considered Level 2 inputs. The Company's interest rate swaps are carried at fair value, which is based primarily on Level 2 inputs utilizing readily observable market data, such as LIBOR forward rates, for all substantial terms of the interest rate swap contracts and the assessment of nonperformance risk.

As described in Note 6, "Goodwill and Intangible Assets, Net," and Note 7, "Property, Plant and Equipment, Net," the Company recorded long-lived asset impairments in the years ended December 31, 2018 and 2017. This resulted in the following assets being measured at fair value on a non-recurring basis using Level 3 inputs:

- the indefinite-lived brand name intangible asset at December 31, 2018 and 2017;
- goodwill at December 31, 2017 for the Wholesale reporting unit;
- property and equipment at certain of the Company's stores at December 31, 2018 and 2017.

**GNC HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)****NOTE 13. COMMITMENTS AND CONTINGENCIES**

The Company is engaged in various legal actions, claims and proceedings arising in the normal course of business, including claims related to breach of contracts, products liabilities, intellectual property matters and employment-related matters resulting from the Company's business activities.

The Company's contingencies are subject to substantial uncertainties, including for each such contingency the following, among other factors: (i) the procedural status of the case; (ii) whether the case has or may be certified as a class action suit; (iii) the outcome of preliminary motions; (iv) the impact of discovery; (v) whether there are significant factual issues to be determined or resolved; (vi) whether the proceedings involve a large number of parties and/or parties and claims in multiple jurisdictions or jurisdictions in which the relevant laws are complex or unclear; (vii) the extent of potential damages, which are often unspecified or indeterminate; and (viii) the status of settlement discussions, if any, and the settlement posture of the parties. Consequently, except as otherwise noted below with regard to a particular matter, the Company cannot predict with any reasonable certainty the timing or outcome of the legal matters described below, and the Company is unable to estimate a possible loss or range of loss. If the Company ultimately is required to make a payment in connection with an adverse outcome in any of the matters discussed below, it is possible that it could have a material adverse effect on the Company's business, financial condition, results of operations or cash flows.

As a retailer of nutritional supplements and other consumer products that are ingested by consumers or applied to their bodies, the Company has been and is currently subjected to various product liability claims. Although the effects of these claims to date have not been material to the Company, it is possible that current and future product liability claims could have a material adverse effect on its business or financial condition, results of operations or cash flows. The Company currently maintains product liability insurance with a deductible/retention of \$4.0 million per claim with an aggregate cap on retained loss of \$10.0 million per policy year. The Company typically seeks and has obtained contractual indemnification from most parties that supply raw materials for its products or that manufacture or market products it sells. The Company also typically seeks to be added, and has been added, as an additional insured under most of such parties' insurance policies. However, any such indemnification or insurance is limited by its terms and any such indemnification, as a practical matter, is limited to the creditworthiness of the indemnifying party and its insurer, and the absence of significant defenses by the insurers. Consequently, the Company may incur material product liability claims, which could increase its costs and adversely affect its reputation, revenue and operating income.

**Litigation**

***DMAA / Aegeline Claims.*** Prior to December 2013, the Company sold products manufactured by third parties that contained derivatives from geranium known as 1,3-dimethylpentylamine/ dimethylamylamine/ 13-dimethylamylamine, or "DMAA," which were recalled from the Company's stores in November 2013, and/or Aegeline, a compound extracted from bael trees. As of December 31, 2019, the Company was named in 27 personal injury lawsuits involving products containing DMAA and/or Aegeline.

These matters are currently stayed pending final resolution.

The Company is contractually entitled to indemnification by its third-party vendors with regard to these matters, although the Company's ability to obtain full recovery in respect of any such claims against it is dependent upon the creditworthiness of the vendors and/or their insurance coverage and the absence of any significant defenses available to their insurers.

***California Wage and Break Claims.*** On February 29, 2012, former Senior Store Manager, Elizabeth Naranjo, individually and on behalf of all others similarly situated, sued General Nutrition Corporation in the Superior Court of the State of California for the County of Alameda. The complaint contains eight causes of action, alleging, among other matters, meal, rest break and overtime violations for which indeterminate money damages for wages, penalties, interest, and legal fees are sought. In June 2018, the Court granted in part and denied in part the Company's Motion for Decertification. In August 2018, the plaintiff voluntarily dismissed the class action claims alleging overtime violations. In November 2019, GNC filed a renewed Motion for Decertification, which was denied by the Court in January 2020. Trial is currently scheduled for July 2020. As of December 31, 2019, an immaterial liability has been accrued in the accompanying financial statements. The Company intends to vigorously defend against the remaining class action claims asserted in this action.

***Pennsylvania Fluctuating Workweek.*** On September 18, 2013, Tawny Chevalier and Andrew Hiller commenced a class action in the Court of Common Pleas of Allegheny County, Pennsylvania. Plaintiff asserted a claim against the Company for a purported violation of the Pennsylvania Minimum Wage Act ("PMWA"), challenging the Company's utilization of the "fluctuating workweek" method to calculate overtime compensation, on behalf of all employees who worked for the Company in Pennsylvania

**GNC HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

and who were paid according to the fluctuating workweek method. In October 2014, the Court entered an order holding that the use of the fluctuating workweek method violated the PMWA. In September 2016, the Court entered judgment in favor of Plaintiffs and the class in an immaterial amount, which has been recorded as a charge in the accompanying Consolidated Financial Statements. Plaintiffs subsequently filed a petition for an award of attorney's fees, costs and incentive payment. The court awarded an immaterial amount in legal fees. The Company appealed the adverse judgment and the award of attorney's fees. On December 22, 2017, the Pennsylvania Superior Court held that the Company correctly determined the "regular rate" by dividing weekly compensation by all hours worked (rather than 40), but held that the regular rate must be multiplied by 1.5 (rather than 0.5) to determine the amount of overtime owed. Taking accumulated interest into account, the net result of the Superior Court's decision was to reduce the Company's liability by an immaterial amount, which has been reflected in the accompanying Consolidated Financial Statements. The Company filed a petition for appeal to the Pennsylvania Supreme Court on January 22, 2018. The Pennsylvania Supreme Court accepted the Company's petition for appeal and the Company filed its appellant's brief on August 27, 2018. The Pennsylvania Supreme Court ruled in favor of Plaintiffs.

**Jason Olive v. General Nutrition Corp.** In April 2012, Jason Olive filed a complaint in the Superior Court of California, County of Los Angeles, for misappropriation of likeness in which he alleges that the Company continued to use his image in stores after the expiration of the license to do so in violation of common law and California statutes. Mr. Olive is seeking compensatory, punitive and statutory damages and attorneys' fees and costs. The trial in this matter began on July 20, 2016 and concluded on August 8, 2016. The jury awarded plaintiff immaterial amounts for actual damages and emotional distress damages, which are accrued in the accompanying Consolidated Financial Statements. The jury refused to award plaintiff any of the profits he sought to disgorge, or punitive damages. The court entered judgment in the case on October 14, 2016. In addition to the verdict, the Company and Mr. Olive sought attorneys' fees and other costs from the Court. The Court refused to award attorney's fees to either side but awarded plaintiff an immaterial amount for costs. Plaintiff has appealed the judgment, and separately, the order denying attorney's fees. The Company has cross-appealed the judgment and the Court's denial of attorney fees. Argument occurred in October 2018. On November 2, 2018, the Court affirmed the trial court's decision in part and reversed in part, reversing the denial of Mr. Olive's motion for attorneys' fees and remanding the matter to the trial court for further proceedings regarding his attorneys' fees and costs. On November 16, 2018, the Company filed a motion for reconsideration of the Court's decision. On December 27, 2018, the Court reversed, in part, its November 2, 2018 ruling and held that there was no prevailing party for the purposes of the attorneys' fee award. Olive has filed a petition for review with the Supreme Court of the State of California and the Company has opposed that petition. On April 17, 2019, the California Supreme Court denied Olive's petition for review.

**Oregon Attorney General.** On October 22, 2015, the Attorney General for the State of Oregon sued the Company in Multnomah County Circuit Court for alleged violations of Oregon's Unlawful Trade Practices Act, in connection with its sale in Oregon of certain third-party products. The Company is vigorously defending itself against these allegations. Along with its Amended Answer and Affirmative Defenses, the Company filed a counterclaim for declaratory relief, asking the court to make certain rulings in favor of the Company, and adding USPlabs, LLC and SK Laboratories as counterclaim defendants. In March 2018, the Oregon Attorney General filed a motion for summary judgment relating to its first claim for relief, which the Company contested. The Company filed a cross motion for summary judgment on the first claim for relief, which the Oregon Attorney General contested. Following oral argument in August 2018, the Court denied the State's motion for summary judgment and granted in part and denied in part the Company's motion for summary judgment. The parties are in the process of exchanging discovery. Trial is currently scheduled to begin in September 2020.

As any losses that may arise from this matter are not probable or reasonably estimable at this time, no liability has been accrued in the accompanying Consolidated Financial Statements. Moreover, the Company does not anticipate that any such losses are likely to have a material impact on the Company, its business or results of operations. The Company is contractually entitled to indemnification and defense by its third-party vendors. Ultimately, however, the Company's ability to obtain full recovery in respect of any such claims against it is dependent upon the creditworthiness of its vendors and/or their insurance coverage and the absence of any significant defenses available to their insurers.

**E-Commerce Pricing Matters.** In April 2016, Jenna Kaskorkis, et al. filed a complaint against General Nutrition Centers, Inc. followed by similar cases brought forth by Ashley Gennock in May 2016 and Kenneth Harrison in December 2016. Plaintiffs allege that the Company's promotional pricing on its website was misleading and did not fairly represent promotions based on average retail prices over a trended period of time being consistent with prices advertised as promotional. A tentative agreement was reached in the third quarter of 2017 on many of the key terms of a settlement. In December 2019, the Court approved the settlement agreement. The Company currently expects any settlement to be in a form that does not require the recording of a contingent liability.

**Government Regulation**

**GNC HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

In November 2013, the Company received a subpoena from the U.S. Department of Justice ("DOJ") for information related to its investigation of a third party product vendor, USPlabs, LLC. The Company fully cooperated with the investigation of the vendor and the related products, all of which were discontinued in 2013. In December 2016, the Company reached agreement with the DOJ in connection with the Company's cooperation, which agreement acknowledges the Company relied on the representations and written guarantees of USPlabs and the Company's representation that it did not knowingly sell products not in compliance with the Federal Food, Drug and Cosmetic Act (the "FDCA"). Under the agreement, which included an immaterial payment to the federal government, the Company will take a number of actions to broaden industry-wide knowledge of prohibited ingredients and improve compliance by vendors of third party products. These actions are in keeping with the leadership role the Company has taken in setting industry quality and compliance standards, and the Company's commitment over the course of the agreement (60 months) to support a combination of its own and the industry's initiatives. Some of these actions include maintaining and continuously updating a list of restricted ingredients that will be prohibited from inclusion in any products that are sold by the Company. Vendors selling products to the Company for the sale of such products by the Company will be required to warrant that the products sold do not contain any of these restricted ingredients. In addition, the Company will develop and maintain a list of ingredients that the Company believes comply with the applicable provisions of the FDCA.

**Environmental Compliance**

As part of soil and groundwater remediation conducted at the Nutra manufacturing facility pursuant to an investigation conducted in partnership with the South Carolina Department of Health and Environmental Control (the "DHEC"), the Company completed additional investigations with the DHEC's approval, including the installation and operation of a pilot vapor extraction system under a portion of the facility in the second half of 2016, which was an immaterial cost to the Company. After an initial monitoring period, in October of 2017 the DHEC approved a work plan for extended monitoring of such system and the contamination into 2021. While the Company contributed the net assets of the Nutra manufacturing and Anderson facilities to the Manufacturing JV in March of 2019 (refer to Note 9 "Equity Method Investments" for additional information), we retained certain liabilities, including historical environmental liabilities, related to the facilities. As such, the Company and the Manufacturing Joint Venture will continue to consult with the DHEC on the next steps in the work after their review of the results of the extended monitoring is complete. At this stage of the investigation, however, it is not possible to estimate the timing and extent of any additional remedial action that may be required, the ultimate cost of remediation, or the amount of our potential liability. Therefore, no liability has been recorded in the Company's Consolidated Financial Statements.

In addition to the foregoing, the Company is subject to numerous federal, state, local and foreign environmental and health and safety laws and regulations governing its operations, including the handling, transportation and disposal of non-hazardous and hazardous substances and wastes, as well as emissions and discharges from its operations into the environment, including discharges to air, surface water and groundwater. Failure to comply with such laws and regulations could result in costs for remedial actions, penalties or the imposition of other liabilities, including certain historic liabilities retained by the Company pursuant to the terms of the Manufacturing JV. New laws, changes in existing laws or the interpretation thereof, or the development of new facts or changes in their processes could also cause the Company to incur additional capital and operating expenditures to maintain compliance with environmental laws and regulations and environmental permits. The Company is also subject to laws and regulations that impose liability and cleanup responsibility for releases of hazardous substances into the environment without regard to fault or knowledge about the condition or action causing the liability. Under certain of these laws and regulations, such liabilities can be imposed for cleanup of previously owned or operated properties, or for properties to which substances or wastes that were sent in connection with current or former operations at its facilities.

From time to time, the Company has incurred costs and obligations for correcting environmental and health and safety noncompliance matters and for remediation at or relating to certain of the Company's current or former properties or properties at which the Company's waste has been disposed. However, compliance with the provisions of national, state and local environmental laws and regulations has not had a material effect upon the Company's capital expenditures, earnings, financial position, liquidity or competitive position. The Company believes it has complied with, and is currently complying with, its environmental obligations pursuant to environmental and health and safety laws and regulations and that any liabilities for noncompliance will not have a material adverse effect on its business, financial performance or cash flows. However, it is difficult to predict future liabilities and obligations, which could be material.

**Commitments**

In addition to operating leases obtained in the normal course of business, the Company maintains certain purchase commitments with various vendors to ensure its operational needs are fulfilled. As of December 31, 2019, such future purchase commitments were \$31.4 million. Other commitments related to the Company's business operations cover varying periods of time

GNC HOLDINGS, INC. AND SUBSIDIARIES

and are not significant. All of these commitments are expected to be fulfilled with no adverse consequences to the Company's operations or financial condition.

**NOTE 14. MEZZANINE EQUITY**

Holdings is authorized to issue up to 60.0 million shares of preferred stock, par value \$0.001 per share. On February 13, 2018, the Company entered into a Securities Purchase Agreement (as amended from time to time, the "Securities Purchase Agreement") by and between the Company and Harbin Pharmaceutical Group Holdings Co., Ltd. (the "Investor"), pursuant to which the Company agreed to issue and sell to the Investor, and the Investor agreed to purchase from the Company, 299,950 shares of a newly created series of convertible preferred stock of the Company, designed the "Series A Convertible Preferred Stock" (the "Convertible Preferred Stock"), for a purchase price of \$1,000 per share, or an aggregate of approximately \$300 million (the "Securities Purchase"). The Convertible Preferred Stock is convertible into 56.1 million shares of the Company's Common Stock at an initial conversion price of \$5.35 per share, subject to customary anti-dilution adjustments. Pursuant to the terms of the Securities Purchase Agreement, Investor assigned its interest in the Securities Purchase Agreement to Harbin Pharmaceutical Group Co., Ltd. ("Harbin").

On November 7, 2018, the Company and the Investor entered into an Amendment to the Securities Purchase Agreement (the "SPA Amendment") for the funding of the Convertible Preferred Stock purchase and entered into definitive documentation (the "JV Framework Agreement") with respect to joint ventures in Hong Kong and China.

Pursuant to the SPA Amendment, the Company and the Investor agreed to complete the securities purchase as follows: (i) 100,000 shares of Convertible Preferred Stock issued on November 8, 2018 for a total purchase price of \$100 million (the "Initial Issuance"), (ii) 50,000 shares of Convertible Preferred Stock issued on January 2, 2019 for a total purchase price of \$50 million (the "Second Issuance") and (iii) 149,950 shares of Convertible Preferred Stock issued on February 13, 2019 for a total purchase price of approximately \$150 million (the "Third Issuance"). Holders of shares of Convertible Preferred Stock are entitled to receive cumulative preferential dividends, payable quarterly in arrears, at an annual rate of 6.5% of the stated value of \$1,000 per share, subject to increase in connection with the payment of dividends in kind. Dividends are payable, at the Company's option, in cash from legally available funds or in kind by issuing additional shares of Convertible Preferred Stock with such stated value equal to the amount of payment being made or by increasing the stated value of the outstanding Convertible Preferred Stock by the amount per share of the dividend or in a combination thereof.

As of December 31, 2019 and 2018, the Company had issued a total of 299,950 shares and 100,000 shares, respectively, of Convertible Preferred Stock. The Convertible Preferred Stock was recorded as Mezzanine Equity, net of issuance cost, on the Consolidated Balance Sheets because the shares are redeemable at the option of the holder if a fundamental change occurs, which includes change in control or delisting. The guaranteed Second Issuance and Third Issuance were considered forward contracts that represented an obligation to both parties until the shares were issued. The forward contracts were recorded at fair value on the Consolidated Balance Sheets as of December 31, 2018, with any changes in fair value recorded in earnings in the Consolidated Statements of Operations. The Company recorded a \$16.8 million loss on forward contracts for the issuance of Convertible Preferred Stock during the year ended December 31, 2019 and a \$88.9 million gain for the year ended December 31, 2018. Upon issuance of the shares associated with the forward contracts, the carrying value of the forward contracts were recorded to Mezzanine Equity. Refer to Note 11, "Fair Value Measurement and Financial Instruments" for more information. The following table presents changes in the Company's Mezzanine Equity:

	<b>Mezzanine Equity</b>	
	<b>(in thousands)</b>	
<b>Balance at December 31, 2017</b>	\$	—
Convertible Preferred Stock, net of issuance cost		98,804
<b>Balance at December 31, 2018</b>	\$	98,804

Change in fair value of the forward contracts		(72,155)
<b>Balance at December 31, 2019</b>	\$	211,395

The Convertible Preferred Stock is not currently redeemable and is only redeemable upon a Fundamental Change at the Stated Value plus any accumulated and unpaid dividends on such shares on the Fundamental Change date. The Company does not believe a fundamental change is considered probable until it occurs. Subsequent adjustment of the amount presented in temporary

equity is unnecessary if it is not probable that the instrument will become redeemable. As the Convertible Preferred Stock is only redeemable upon a fundamental change, the occurrence of which is not probable, we will not accrete the Convertible Preferred Stock until a fundamental change becomes probable to occur. As such, the Company will recognize changes in the redemption value to the Convertible Preferred Stock as they occur and adjust the carrying value to the redemption value at the end of each reporting period as if the end of the reporting period were also the redemption date for the Convertible Preferred Stock. As of December 31, 2019, the Stated Value of the Convertible Preferred Stock is \$300.0 million (299,950 shares at \$1,000 per share) and there are accumulated and unpaid dividends on such shares of \$19.8 million. As of December 31, 2018, the Stated Value of the Convertible Preferred Stock is \$100.0 million (100,000 shares at \$1,000 per share) and there are accumulated and unpaid dividends on such shares of \$1.0 million.

**NOTE 15. TREASURY STOCK**

In August 2015, the Board approved a \$500.0 million multi-year repurchase program in addition to the \$500.0 million multi-year program approved in August 2014, bringing the aggregate share repurchase program to \$1.0 billion of Holdings' common stock. No shares were repurchased in 2019, 2018 and 2017. As of December 31, 2019, \$197.8 million remains available for purchase under the program.

**NOTE 16. EARNINGS PER SHARE**

The following table represents the Company's basic and dilutive weighted average shares:

	Year ended December 31,

For the year ended December 31, 2019 and 2017, all 3.9 million and 4.0 million outstanding stock-based awards, respectively, were excluded from the computation of diluted EPS because the Company was in a net loss position and as a result, inclusion of the awards would have been anti-dilutive. For the year ended December 31, 2018, the following awards were not included in the computation of diluted EPS because the impact of applying the treasury stock method was anti-dilutive or because certain conditions have not been met with respect to the Company's performance awards.

**Anti-dilutive:**

Time-based options and restricted stock awards	2,944

In connection with the issuance of the Convertible Preferred Stock as described in Note 14, "Mezzanine Equity", the Company had 300,000 and 100,000 convertible preferred shares outstanding as of December 31, 2019 and 2018, respectively. The Company applied the if-converted method to calculate dilution on the Convertible Preferred Stock, which resulted in all 54.0 million underlying weighted average convertible shares being anti-dilutive for the year ended December 31, 2019 and 2.7 million underlying weighted average convertible shares being dilutive for the year ended December 31, 2018.

In connection with the exchange of the Company's Notes as described in Note 8, "Long-Term Debt / Interest Expense," the Company issued 14.6 million shares, which are included in basic and diluted earnings per share for the weighted average days

they were outstanding in 2017. The remaining underlying convertible shares were anti-dilutive in 2017. The Company applied the if-converted method to calculate dilution on the Notes in 2019 and 2018, which has resulted in all 2.4 million and 2.9 million underlying convertible shares, respectively, being anti-dilutive.

The computations for basic and diluted earnings per common share are as follows:

**NOTE 17. STOCK-BASED COMPENSATION**
**Stock and Incentive Plans**

The Company has outstanding stock-based compensation awards that were granted by the compensation committee of Holdings' Board of Directors (the "Compensation Committee") under the following three stock-based employee compensation plans:

- the GNC Holdings, Inc. 2018 Stock and Incentive Plan (the "2018 Stock Plan") amended adopted in May 2018, formerly the GNC Holdings, Inc. 2015 Stock and Incentive Plan adopted in May 2015;
- the GNC Holdings, Inc. 2015 Stock and Incentive Plan (the "2015 Stock Plan") amended and adopted in May 2015, formerly the GNC Holdings, Inc. 2011 Stock and Incentive Plan adopted in March 2011; and
- the GNC Acquisition Holdings Inc. 2007 Stock Incentive Plan adopted in March 2007 (as amended, the "2007 Stock Plan").

All plans have provisions that allow for the granting of stock options, restricted stock and other stock-based awards and are available to eligible employees, directors, consultants or advisors as determined by the Compensation Committee. The Company will not grant any additional awards under either the 2007 Stock Plan or 2015 Stock Plan. Up to 20.2 million shares of common stock may be issued under the 2018 Stock Plan (subject to adjustment to reflect certain transactions and events specified in the 2018 Stock Plan for any award grant), of which 6.6 million and 11.1 million shares remain available for issuance as of December 31, 2019 and 2018, respectively, which has been reduced by 4.5 million shares and 2.2 million shares (which includes the allocation factor and performance multiplier), respectively, performance-based restricted stock units committed but not granted. See below "restricted stock awards" for more information.

**Non-Plan Inducement Awards**

On September 11, 2017, in connection with the appointment of the Company's new Chief Executive Officer, the Company made the following non-plan inducement awards:

- "make-whole" restricted stock awards consisting of the following:

**GNC HOLDINGS, INC. AND SUBSIDIARIES**
**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

- \$600,000, which are 67,000 fully vested restricted shares with transfer restrictions that lapse on the earliest to occur of a Change in Control of the Company, the third anniversary of grant or death, disability or other separation from service for any reason;
- \$950,000, which are 106,000 restricted shares that vested on December 29, 2017; and
- \$1,200,000, which are 134,000 unvested restricted shares scheduled to vest in three equal installments on each of the first three anniversaries of grant subject to acceleration to cover any applicable income and payroll tax withholding resulting from the recognition of ordinary income pursuant to a Section 83(b) election ("Section 83(b) Tax Liability"); and
- time-vested awards consisting of 212,000 restricted shares and 519,000 stock options in the amount of \$1,900,000 each, which are scheduled to vest in three equal installments on each of the first three anniversaries of grant.

The Company recognized \$1.5 million in stock-based compensation in both 2019 and 2018 for the non-plan inducement awards.

**Stock-Based Compensation Activity**

The following table sets forth a summary of all stock-based compensation awards outstanding under all plans:

	December 31, 2019	December 31, 2018
Time-based stock options	1,897,109	2,173,488
Time-based restricted stock awards	1,040,431	817,696
Performance-based restricted stock units	954,937	277,817
Performance-based restricted stock awards with a market condition	—	199,028
<b>Total share awards outstanding</b>	<b>3,892,477</b>	<b>3,468,029</b>

The Company recognized \$4.6 million, \$6.8 million and \$8.4 million of total non-cash stock-based compensation expense for the years ended December 31, 2019, 2018 and 2017, respectively, net of estimated forfeitures based on the Company's historical experience and future expectations. At December 31, 2019, there was \$9.9 million of total unrecognized compensation cost related to non-vested stock-based compensation, net of expected forfeitures, for all awards previously made that are expected to be recognized over a weighted-average period of 1.4 years. In 2019, 2018 and 2017, there were no stock options exercised.

**Stock Options**

Time-based stock options were valued using the Black-Scholes model with exercise prices at the Company's stock price on the date of grant which typically vest at 25% per year over a four-year period except for the non-plan inducement awards as explained above. No stock options were granted during the year ended December 31, 2019 and 2018. The following table sets forth a summary of stock options under all plans.

	Total Options	Weighted Average Exercise Price	Weighted Average Remaining Contractual Term (in years)	Aggregate Intrinsic Value (in thousands)

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**

The assumptions used in the Company's Black Scholes valuation during the year ended December 31, 2017 were as follows:

	<u>Year ended December 31, 2017</u>
Dividend yield	0%
Expected term	6 - 6.3 years
Volatility	38.2% - 40.8%
Risk free rate	1.8% - 2.1%

The option term has been estimated by considering both the vesting period and the contractual term. Volatility was estimated giving consideration to a peer group and the Company's own volatility. The Black Scholes valuation resulted in a weighted average grant date fair value in 2017 of \$3.50.

**Restricted Stock Awards**

Under the 2018 Stock Plan, the Company granted time-based and performance-based restricted stock and restricted stock units as well as, performance restricted shares with a market condition. Time-based awards vest in equal annual installments over a period of three years.

Performance-based restricted stock units vest after a period of three years and the achievement of performance targets; based on the extent to which the targets are achieved, vested shares may range from 0% to 150% of the original share amount. Performance targets are not determined until the beginning of each of the three fiscal years. Therefore, although the shares related to the second and third tranches are committed, they are not granted until performance targets are communicated to the participants. At December 31, 2019 and 2018, the Company had 4.5 million shares and 2.2 million shares, respectively, (which includes the allocation factor and performance multiplier) performance-based restricted stock units committed to be granted over the next two years.

Performance restricted shares with a market condition vest after a period of three years and the achievement of total shareholder return compared with that of a selected group of peer companies. Total shareholder return is defined as share price appreciation plus the value of dividends paid during the three year vesting period. Vested shares may range from 0% to 200% of the original target. Key assumptions used in the Monte Carlo simulation for the performance restricted shares with a market condition granted during the year ended December 31, 2017 includes a volatility of 34.6% for the applicable peer group and a risk-free rate of 1.46%. At December 31, 2019, all remaining outstanding performance restricted shares with a market condition were voluntarily forfeited by optionees.

The following table sets forth a summary of restricted stock awards granted under all plans:

	<b>Time-Based</b>		<b>Performance-Based</b>		<b>Performance Restricted Shares with a Market Condition</b>	
	Shares	Wtd Avg Grant Date Fair Value	Shares	Wtd Avg Grant Date Fair Value	Shares	Wtd Avg Grant Date Fair Value

The total intrinsic value of time-based restricted stock awards vested was \$1.0 million, \$1.3 million and \$3.0 million for the years ended December 31, 2019, 2018 and 2017, respectively. The total intrinsic value of time-based restricted stock awards outstanding at December 31, 2019 was \$2.8 million. The total intrinsic value of performance-based stock awards outstanding at December 31, 2019 was \$2.6 million. In 2017, the weighted average grant date fair value of time-based and performance restricted shares with a market condition granted was \$10.01 and \$15.42, respectively.

**NOTE 18. RETIREMENT PLANS**

The Company sponsors a 401(k) defined contribution savings plan covering substantially all employees who have attained age 21. Full time employees who have completed 30 days of service and part time employees who have completed 1,000 hours of service are eligible to participate in the plan. The plan provides for employee contributions of 1% to 80% of individual compensation into deferred savings, subject to IRS limitations. The plan provides for Company contributions upon the employee meeting the eligibility requirements. The Company match consists of both a fixed and a discretionary match. The fixed match is 50% on the first 3% of employee contributions and the discretionary match could be up to an additional 50% match on the 3% deferral. A discretionary match can be approved at any time by the Company.

An employee becomes vested in the Company match portion as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
0-1	0%
1-2	33%
2-3	66%
3+	100%

The Company made cash contributions to the 401(k) plan of \$1.5 million, \$1.9 million and \$2.1 million for the years ended December 31, 2019, 2018 and 2017, respectively.

The Company has a Non-qualified Deferred Compensation Plan that provides benefits payable to certain eligible employees upon scheduled in-service distribution, termination, or retirement. This plan allows participants the opportunity to defer pretax amounts ranging from 3% to 80% of their base compensation and up to 100% of bonuses. During 2019, 2018 and 2017, the Company elected to match a percentage of the contributions from employees. For years ended December 31, 2019, 2018 and 2017 this contribution was \$0.2 million, \$0.2 million and \$0.3 million, respectively.

**GNC HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)****NOTE 19. SEGMENTS**

The Company aggregates its operating segments into three reportable segments, which include U.S. and Canada, International and Manufacturing / Wholesale. Warehousing and distribution costs have been allocated to each reportable segment based on estimated utilization and benefit. The Company's chief operating decision maker (its chief executive officer) evaluates segment operating results based primarily on operating income. Operating income of each reportable segment excludes certain items that are managed at the consolidated level, such as corporate costs. The Manufacturing / Wholesale segment, prior to the formation of the Manufacturing JV, manufactured and sold product to the U.S. and Canada and International segments at cost with a markup, which was eliminated at consolidation. In connection with the asset sales of Lucky Vitamin as described in Note 6, "Goodwill and Intangible Assets," its results were included within Other for applicable prior periods.

The following table presents key financial information for each of the Company's reportable segments. During the year ended December 31, 2019, the Company entered into the China JV and HK JV with Harbin to operate its e-commerce and retail business in China and a strategic joint venture with IVC regarding the Company's manufacturing business which significantly impacted the operating results within the International and Manufacturing / Wholesale segments. During the year ended December 31, 2018, the Company recorded long-lived asset impairments of \$38.2 million which significantly impacted the U.S. and Canada segment by \$36.1 million and the International segment by \$2.1 million. During the year ended December 31, 2017, the Company recorded long-lived asset impairments of \$457.8 million which significantly impacted the U.S. and Canada segment by \$412.5 million, the Manufacturing / Wholesale segment by \$24.3 million, the International segment by \$1.6 million and Lucky Vitamin within Other by \$19.4 million. Refer to Note 6, "Goodwill and Intangible Assets" and Note 7, "Property, Plant and Equipment, Net" for more information.

**NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS (Continued)**
**NOTE 20. UNAUDITED QUARTERLY FINANCIAL INFORMATION**

The results of operations for the three months ended December 31, 2019 were impacted by a \$27.1 million tax increase in valuation allowance against certain deferred tax assets that may not be realizable. The results of operations for the three months ended June 30, 2019 included \$1.8 million loss on net asset exchange for the formation of joint venture and \$3.2 million gain on convertible debt repurchase. The results of operations for the three months ended March 31, 2019 included \$19.5 million loss on net asset exchange for the formation of joint ventures and \$16.8 million loss on forward contracts for the issuance of convertible preferred stock. For more information on these items, refer to Note 5, "Income Taxes", Note 8, "Long-Term Debt / Interest Expense" and Note 9, "Equity Method Investments."

The results of operations for the three month ended December 31, 2018 were impacted significantly by the gain related to the forward contracts for the issuance of convertible preferred stock of \$88.9 million and long-lived asset impairment charges of \$23.7 million. Additionally, during the fourth quarter of 2018, the Company recorded an out-of-period adjustment to correct previously recorded specialty manufacturing revenue in the amount of \$2.5 million to reduce contract manufacturing sales to third parties recorded in the Manufacturing/Wholesale segment as well as the corresponding contract asset included in Prepaid and other current assets. The impacts to the previously reported revenue and contract asset amounts were immaterial to the previously issued interim financial statements, and the adjustment was not material to the three months ended December 31, 2018. The results of operations for the three months ended September 30, 2018 included long-lived asset impairment charges and other store closing costs of \$14.6 million. The results of operation for the three months ended March 31, 2018 included \$16.7 million loss on debt refinancing. For more information on these items, refer to Note 6, "Goodwill and Intangible Assets", Note 8, "Long-Term Debt / Interest Expense" and Note 14, "Mezzanine Equity."

**NOTE 21. SUBSEQUENT EVENTS**

**COVID-19**

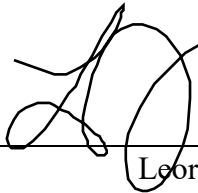

The recent outbreak of the coronavirus, or COVID-19, has caused business disruption in the International segment beginning in January 2020. In late February 2020, the situation escalated as the scope of COVID-19 worsened to outside of the Asia-Pacific region, with Europe and the United States recognizing outbreaks of COVID-19. As of March 23, 2020, the Company has temporarily closed approximately 25% of the U.S. and Canada company-owned and franchise stores as a result of the COVID-19 pandemic. There is significant uncertainty relating to the potential impacts of COVID-19 on the Company's business going forward due to various global macroeconomic, operational and supply chain risks as a result of COVID-19.

The Company could experience other potential impacts as a result of COVID-19, including, but not limited to, charges from potential adjustments to the carrying amount of inventory, goodwill, indefinite-lived intangibles and long-lived asset impairment charges. Actual results may differ materially from the Company's current estimates as the scope of COVID-19 evolves or if the duration of business disruptions is longer than initially anticipated.

<sup>2</sup> Capitalized terms used but not otherwise defined in this Declaration shall have the meanings used in the DIP Motion and the First Day Declaration.

5. I received an M.B.A. from Columbia Business School at Columbia University in 2014, a Master of Science in Information Networking from Carnegie Mellon University in 2006, and a Bachelor of Engineering in Computer Science from Thapar Institute of Engineering and Technology in 2004. I began working at Evercore in April 2016. I have worked in investment banking for six years and focused for the last four years on restructuring matters. These matters have included financings, amendments, out-of-court restructurings, chapter 11 bankruptcy reorganizations, and mergers and acquisitions. In particular, I have been involved in numerous in- and out-of-court restructurings, including, among others, Lightstream Resources, GulfMark Offshore, Sheridan Production Partners, CHC Helicopter, Essar Algoma, Southeastern Grocers, CTI Foods, Syncreon Logistics, Murray Energy Corporation, and Murray Metallurgical Coal Holdings.

6. The Evercore team dedicated to the Debtors is comprised of nine (9) professionals across Evercore's restructuring and consumer and retail verticals, including Greg Berube (Senior Managing Director), Adam Taetle (Senior Managing Director), and Will Jurist (Managing Director).

7. The resources, capabilities, and experience of Evercore in advising debtors will be of significant assistance to the Debtors during the course of the Chapter 11 Cases. Established in 1996, Evercore is a leading independent investment banking advisory firm, providing both advisory and management services. Evercore's investment banking advisory services include counseling multinational corporations on mergers and acquisitions, divestitures and restructurings, financings, public offerings, private placements, and other strategic transactions, providing capital markets advice, underwriting securities, raising funds for financial sponsors, and offering equity research and agency-only equity securities trading for institutional investors. Evercore's

investment management services include private equity investing, institutional asset management, wealth management, and specialized investment management, including providing independent fiduciary and trustee services. Its restructuring professionals provide investment banking services in financially distressed situations, including advising debtors, creditors, and other constituents in chapter 11 proceedings and out-of-court restructurings. Since the firm's inception, Evercore's corporate advisory and restructuring advisory groups have advised on over \$4.0 trillion of transactions.

#### **Retention Of Evercore**

8. Since late 2018, the Debtors have engaged Evercore to act as their investment banker in connection with the Debtors' balance sheet initiatives. Since its engagement, Evercore has worked closely with the Debtors' management team and other professionals and advisors in exploring various strategic and financial alternatives. In 2019 and through early 2020, Evercore assisted the Debtors in exploring a full refinancing of their funded debt from a broad set of financial institutions based in the United States and in Asia. Since April 2020, Evercore has been assisting in the Debtors' restructuring efforts, including (a) negotiating and evaluating restructuring proposals, (b) discussing potential restructuring solutions (including numerous diligence and negotiating calls) with the Debtors' existing creditor groups and their respective advisors, (c) assisting the Debtors with soliciting, negotiating, and documenting the DIP Facilities and the Restructuring Support Agreement (the "**RSA**"), and (d) preparing for the commencement of these

Chapter 11 Cases. Through such work, Evercore has become well-acquainted with the Debtors' capital structure, liquidity needs, and business operations.

### **The Prepetition Debt**

9. As described in further detail in the First Day Declaration, the Debtor Obligors are party to the Prepetition ABL FILO Credit Agreement, dated as of February 28, 2018. Pursuant to the Prepetition ABL FILO Credit Agreement, the Prepetition ABL FILO Lenders provided (a) an asset-based revolving credit facility (the “*Prepetition ABL Revolving Credit Facility*” or “*Revolver*”) of up to \$81 million, and (b) an asset-based secured term loan incurred on a “first-in, last-out” basis (the “*Prepetition FILO Term Loan Facility*”) in an aggregate principal amount of \$275 million. As of the Petition Date, approximately \$60 million and \$275 million in aggregate principal amount of loans are outstanding under the Prepetition ABL Revolving Credit Facility and Prepetition FILO Term Loan Facility, respectively.

10. In addition, the Debtor Obligors are party to the Prepetition Term Credit Agreement, dated as of February 28, 2018. Pursuant to the Prepetition Term Credit Agreement, the Prepetition Term Lenders provided a secured term loan facility (the “*Prepetition Term Facility*”), with approximately \$411 million outstanding as of the Petition Date.

11. Finally, on August 10, 2015, GNC Holdings issued \$287.5 million principal amount of 1.5% convertible senior notes due 2020 (the “*Notes*”) in a private offering. The Notes will mature on August 15, 2020, unless earlier purchased by GNC Holdings or converted by the holders. As of the Petition Date, approximately \$157 million of Notes were outstanding.

### **The Debtors' Refinancing Efforts**

12. The Debtors were faced with debt maturities of the Notes in August 2020 and Prepetition Term Facility in March 2021, in addition to springing maturity of all of its secured

funded debt on May 16, 2020. In order to address the upcoming debt maturities in the third quarter of 2019, the Debtors, with the assistance of Evercore and other advisors, explored a comprehensive refinancing of their balance sheet with potential investors in the United States (the “*U.S. Refinancing Process*”). As part of the U.S. Refinancing Process, the Debtors conducted a non-deal roadshow in July and August 2019 during which they and their advisors met with approximately 50 potential investors. Discussions with U.S.-based lenders regarding a comprehensive refinancing of the Debtors’ indebtedness were unsuccessful, mainly due to the Debtors’ high leverage and investor concern about lending to retail companies with high leverage.

13. Shortly after the U.S. Refinancing Process, the Debtors, with the assistance of their advisors and Harbin Pharmaceutical Group Co. Ltd. (“*Harbin*”), also began parallel discussions with certain Asia-based lenders regarding a comprehensive refinancing of the Debtors’ balance sheet. While progress was made towards a potential transaction, the COVID-19 pandemic and concerns surrounding the Debtors’ high leverage, among other factors, adversely impacted the Debtors’ business operations and access to the capital markets, which resulted in the termination of further discussions around a refinancing transaction.

14. The Debtors also had discussions with an ad hoc group of Prepetition FILO Term Loan and Prepetition Term Loan lenders (the “*Crossholder Ad Hoc Group*”) regarding potential transactions to extend debt maturities, but these discussions did not result in an actionable transaction.

15. At the same time, the Debtors were beginning to face an operational crisis due to store closures resulting from the COVID-19 pandemic. The Debtors’ liquidity began to decline precipitously and the Debtors were faced with the dual challenge of declining liquidity and springing maturities on May 16, 2020 of approximately \$746 million of debt, consisting of all

amounts outstanding under the Prepetition ABL Revolving Credit Facility, the Prepetition FILO Term Loan Facility and the Prepetition Term Facility. The Debtors received a proposal from a large holder of the Notes to extend maturity of Notes due in August 2020, which would have provided the Debtors relief from the springing maturity, but the proposal provided a solution neither for the Debtors' declining liquidity nor for the Debtors' overleveraged capital structure.

16. The Debtors and their advisors engaged in discussions with (a) the agent to the Prepetition ABL Revolving Credit Facility (the “*Revolver Agent*”), (b) the Crossholder Ad Hoc Group, and (c) an ad hoc group of Prepetition FILO Term Loan lenders (the “*FILO Ad Hoc Group*”), regarding extensions of the springing maturities and a comprehensive capital structure transaction to address both liquidity and leverage. The Debtors were able to enter into amendments to the Prepetition ABL FILO Credit Agreement and Prepetition Term Credit Agreement to extend the springing maturities under those agreements, which provided additional time to negotiate a comprehensive transaction to address the Debtors' capital structure issues, along with a comprehensive financing package to provide immediate liquidity infusion to prevent irreparable harm to the Debtors' business, funding to effectuate the transaction, and long-term liquidity to support the Debtors' operations. These efforts have led to the commencement of these Chapter 11 Cases, with a signed RSA among a substantial majority of the Debtors' secured creditors (the “*Standalone Transaction*”).

### **The Need For DIP Financing**

17. As outlined in the First Day Declaration, the Debtors, like many other retailers, face unprecedented challenges due to the COVID-19 pandemic, which has led to store closures, declining sales, and reduction in the Debtors' available liquidity. As of the Petition Date, a

substantial portion of the Debtors' cash is restricted because it is pledged to support the Debtors' ABL borrowing base.

18. The Debtors, with the assistance of their financial advisor, FTI, analyzed potential liquidity needs for a Chapter 11 process. Evercore reviewed the DIP-sizing analysis prepared by the Debtors and FTI. As further outlined in the Del Genio Declaration, the Debtors determined, in consultation with their advisors, that procuring sufficient financing at the start of these Chapter 11 Cases would be essential to meet operational expenses and to fund these Chapter 11 Cases. The DIP Facilities into which the Debtors seek authority to enter are critical to the Debtors' ability to administer these Chapter 11 Cases, provide the Debtors with liquidity to continue operations in the ordinary course, avoid irreparable harm to their business, pursue a restructuring of their capital structure, and have committed exit financing by having the DIP Facilities roll into exit loan facilities. If the Debtors do not obtain postpetition financing, the Debtors will soon be unable to pay their vendors and employees, rendering it likely that the Debtors would cease operations. Evercore relied on this information in its conversations with potential financing providers.

### **The Debtors' Efforts To Secure DIP Financing**

#### **A. The Marketing Process**

19. The Debtors were faced with a challenging macroeconomic environment due to the COVID-19 pandemic, which led to tightening of credit markets, especially for companies operating within the retail industry. In addition to difficult market conditions, substantially all of the Debtors' assets, other than certain excluded assets as set forth in the Prepetition Secured Credit Documents, are pledged as collateral to the Prepetition ABL FILO Credit Agreement and the Prepetition Term Credit Agreement. Because the Debtors' unpledged assets that could be used to support a financing were limited, Evercore determined that any postpetition financing would

require pledging as collateral assets that are already subject to the Prepetition ABL FILO Credit Agreement and the Prepetition Term Credit Agreement as well as the unpledged assets. However, in discussions with the Debtors, the Crossholder Ad Hoc Group and FILO Ad Hoc Group insisted that they would not consent to any priming of their security interests as part of a third-party DIP financing. Thus, the Debtors faced limited options to raise debtor-in-possession financing: (a) prime the liens held by the Prepetition Secured Parties, thereby initiating a contested priming fight; or (b) locate a third-party lender willing to provide DIP financing either on an unsecured basis or secured by liens junior in priority to or pari passu with the liens securing interests in the Prepetition Collateral.

20. On May 21, 2020, Evercore and the Debtors commenced a marketing process for postpetition financing to achieve the best terms available. As part of this process, Evercore solicited proposals for DIP financing from 18 potential third-party lenders, including large commercial banks and other sophisticated alternative investment institutions. Of the 18 potential lenders that were contacted, only 9 executed a non-disclosure agreement and received access to diligence materials. Ultimately, the Debtors did not receive any actionable DIP financing proposals from third parties. Many of the parties contacted by Evercore reported that they were unwilling to extend financing to the Debtors due to a number of factors, including the Debtors' financial position and highly leveraged capital structure, the challenges inherent in winning a priming fight with the Prepetition Secured Parties, and the current economic climate. None of the third parties contacted was willing to provide unsecured financing or financing secured by liens junior to or pari passu with the Debtors' prepetition debt.

21. Evercore also had discussions with other parties within the Debtors' capital structure to discuss a potential DIP financing. These parties included a large vendor and joint

venture partner, IVC, as well as the Debtors' preferred equity holder, Harbin. While the Debtors engaged with these parties, the Debtors did not receive a financing proposal that could be implemented as of the Petition Date. However, the Debtors, Harbin, and certain secured lenders reached an agreement in principle for the sale of the business. The Debtors are continuing discussions with these parties regarding the sale transaction and potential post-petition financing. The Debtors also have initiated discussions with advisors for a large holder of the Notes.

22. Simultaneous with Evercore's marketing efforts and discussions with the parties noted above, the Debtors and their advisors commenced hard-fought, arm's-length negotiations with the Revolver Agent, the Crossholder Ad Hoc Group, and the FILO Ad Hoc Group with respect to DIP financing. These parties represent more than 70% of the Company's prepetition debt. Ultimately, the Debtors and these parties came to a mutual agreement regarding a postpetition financing package that: (a) provides a \$200 million senior secured superpriority DIP term loan facility (the "***DIP Term Facility***," and together with the DIP ABL FILO Facility, the "***DIP Facilities***"), consisting of \$100 million in new money term loans and a dollar-for-dollar "roll-up" of \$100 million of obligations outstanding under the Prepetition Term Documents; (b) completely refinances the Prepetition ABL Revolving Credit Facility using cash currently pledged to the borrowing base; and (c) makes meaningful modifications to the credit agreement that, importantly, provide up to \$30 million of additional liquidity to the Debtors, and rolls up the Prepetition FILO Term Loan Facility and all accrued and unpaid interest into a DIP ABL FILO Facility.

23. These DIP Facilities provide the Debtors with not only the necessary post-petition financing to ensure smooth operations during these Chapter 11 Cases, but also provide long-term financing for the Debtors by converting into exit debt facilities should the Standalone Transaction

be consummated, thereby potentially avoiding a protracted bankruptcy process and resulting harm to the Debtors' business, and eliminating a key element of uncertainty for the Debtors.

**B. The DIP Term Facility**

24. The Debtors engaged in arm's-length negotiations with the Crossholder Ad Hoc Group with respect to funding these Chapter 11 Cases. As part of the financing package, the parties focused on the ultimate DIP sizing to fund these Chapter 11 Cases and certain costs that might be associated with exiting from bankruptcy, as well as committed exit financing. The Crossholder Ad Hoc Group ultimately agreed to provide a \$200 million DIP Term Facility, which provides \$100 million new money and refinances \$100 million of the Prepetition Term Facility upon entry of the Final Order (the "***Term Roll-Up***"). The DIP Term Facility is backstopped by certain members of the Crossholder Ad Hoc Group and open for participation to all Prepetition Term Facility lenders. The Term Roll-Up is a material component of the structure of the DIP Facilities and was required by the lenders as a condition to their commitment to provide postpetition financing. The Term Roll-Up will become effective only upon entry of the Final Order.

25. The DIP Term Facility is directly connected to the Debtors' RSA, which provides a framework within which the Debtors can restructure their capital structure. Under the restructuring support agreement, the lenders providing the DIP Term Facility have agreed to roll their exposure into long-term debt exit financing for the Debtors should the Standalone Transaction be consummated. The DIP Term Facility also provides sufficient liquidity for the Debtors to run a dual path sale process.

26. The DIP Term Facility includes various fees and postpetition liens, which were expressly required by the lenders as a condition to provide the DIP Facilities and are an integral

component of the financing package. These fees and liens were each subject to arm's-length negotiations. The fees include a backstop premium of 6% paid in cash on interim approval, an upfront fee of 4% paid in cash upon funding, and an exit fee of 3% paid in cash at emergence if the DIP Term Facility converts into an exit term facility.

**C. Repayment of Prepetition ABL Revolving Credit Facility**

27. The Debtors' Prepetition ABL Revolving Credit Facility and Prepetition FILO Term Loan Facility are subject to compliance with a borrowing base. The Debtors' borrowing base has declined to the point where the Debtors are forced to include cash in the borrowing base to support the Revolver and the FILO debt. The cash included in the borrowing base is restricted. As of the Petition Date, a significant portion of the Debtors' cash is included in the borrowing base in support of the outstanding Prepetition ABL Loans. The Debtors have therefore reasonably concluded that it is prudent to pay down the Prepetition ABL Loans using the cash currently included in the borrowing base to avoid unnecessary interest expense and potential fees associated with keeping the Revolver in place. The letters of credit currently issued under the Revolver will be cash collateralized.

**D. The DIP ABL FILO Facility**

28. The Debtors also engaged in arm's-length negotiations with their Prepetition ABL FILO Lenders throughout these negotiations. The Debtors focused their discussions with the Prepetition ABL FILO Lenders on a package that would provide the Prepetition ABL FILO Lenders with reasonable adequate protection, but also provide the Debtors with use of cash collateral and additional liquidity. The Prepetition ABL FILO Lenders expressly conditioned any consensual adequate protection package on continuing to have borrowing base protection.

29. After multiple rounds of negotiations, the Prepetition ABL FILO Lenders agreed to make changes to the Prepetition ABL FILO Credit Agreement that are favorable to the Debtors. The ABL FILO Lenders agreed to waive the step down in advance rates of the borrowing base upon repayment of the Prepetition ABL Revolving Credit Facility, and also agreed to provide up to \$30 million of incremental liquidity through the Chapter 11 Cases by removing certain cash dominion provisions and adding \$17.5 million to the borrowing base, have restrictions on the imposition of certain new reserves, and convert the DIP ABL FILO Facility into exit financing for the Debtors should the Standalone Transaction be consummated. \$12.5 million of liquidity will be made available immediately upon entry of the Interim DIP Order; however, in the event that the roll-up is not approved with the Interim DIP Order, \$17.5 million of the \$30 million will not be made available until the Court approves the roll-up.

30. The Prepetition ABL FILO Lenders expressly required conversion of the prepetition ABL FILO claims into DIP ABL FILO claims. Although the lenders initially asked for fees in connection with this conversion, the Debtors successfully negotiated to remove such fees. Because the Prepetition ABL FILO Lenders, who the Debtors believe are covered by the current borrowing base and did not seek any additional fees for this roll-up, are providing incremental liquidity, and rolling their claims into exit loan financing under the Standalone Transaction, the Debtors agreed to convert prepetition ABL FILO loans into DIP ABL FILO loans. Given its oversecured status, the Prepetition ABL FILO Lenders' unwillingness to modify these terms, and all of the benefits to modifying that facility detailed herein, I believe the conversion of the Prepetition ABL FILO Facility into DIP ABL FILO claims is reasonable from a financial point of view under the circumstances, and is substantially beneficial to the Debtors and their stakeholders.

**The DIP Financing Is The Best Postpetition  
Financing Arrangement Available To The Debtors**

31. The DIP Facilities will provide the Debtors with immediate access to liquidity and to the Cash Collateral. Upon entry of the Interim Order, the Debtors will make an initial draw of \$30 million under the DIP Term Facility and will draw the remaining \$70 million of new money loans upon entry of the Final Order. The Debtors will also, at the time of entry of the Interim Order, gain access to cash that had been restricted under the Debtors' Prepetition ABL FILO Credit Agreement by, (i) simultaneous with entering into the DIP ABL FILO Facility, prepaying in full all loans outstanding under the Prepetition ABL Revolving Credit Facility (totaling \$60 million) and terminating all commitments thereunder, and (ii) making certain amendments to the Debtors' Prepetition ABL FILO Credit Agreement. Alternative sources of financing with terms as favorable as those of the DIP Facilities are not available to the Debtors.

32. The DIP Facilities will provide the Debtors with an opportunity to continue operating their business through these Chapter 11 Cases, reassure customers and vendors, protect operations, and implement their plan to restructure their obligations. The DIP Facilities will also provide sufficient funding for the Debtors to pursue a dual path sale process. In consultation with the Debtors and their other professionals, Evercore concluded that the proposed financing from the DIP Lenders reflected in the DIP Agreements and the Interim DIP Order is fair, reasonable, and appropriate, meets the Debtors' business and financing needs for these Chapter 11 Cases, and is the best option available to finance the chapter 11 process and allow the Debtors to pursue their restructuring goals and maximize the value of their estates.

**Arm's-Length And Good-Faith Negotiations**

33. I believe, based on my involvement in the process, that the terms of the DIP Facilities are the product of extensive, arm's-length, and good-faith negotiations among the

Debtors, Crossholder Ad Hoc Group, and FILO Ad Hoc Group. Over the course of several weeks, the parties exchanged numerous term sheets and mark-ups, and had many negotiating calls among the Debtors' management, lenders of the DIP Facilities, and their respective advisors. Through these negotiations, the economic and other terms of the DIP Facilities improved to the benefit of the Debtors. No consideration is being provided to the DIP Agents, the DIP Lenders, or any other party to the DIP Documents other than as described in the DIP Motion.

**The Terms And Conditions Of The DIP Facilities  
Are Reasonable And Should Be Approved**

34. Based on my experience in and observation of similar chapter 11 cases, the terms and conditions of the DIP Facilities are reasonable given current market conditions, the Debtors' circumstances, and the Debtors' prepetition secured indebtedness. Given the financial and operating condition of the Debtors, the timing, cost, and risk of administering these Chapter 11 Cases, and the Debtors' liability profile, I believe the fees in connection with the DIP Facilities are reasonable, from a financial point of view. The covenants and milestones included in the DIP Facilities likewise are reasonable and the Debtors are not unreasonably likely to breach such terms.

**Cash Collateral**

35. I believe that it is essential to the success of the Debtors' Chapter 11 Cases that the Debtors immediately obtain authority to use Cash Collateral. The Debtors must maintain sufficient access to cash to continue to operate their businesses as a going concern. This will directly benefit the Debtors' estates and permit the Debtors to develop and implement their reorganization. The preservation of estate assets, the Debtors' continuing viability, and their ability to reorganize successfully and maximize value for stakeholders depend heavily upon the expeditious approval of the relief requested in this Motion. Accordingly, I believe that the Debtors' request to use Cash

Collateral in the operation of its businesses and administration of these Chapter 11 Cases should be approved.

I have over 35 years of experience in restructuring and mergers and acquisitions and have advised companies, lenders, creditors, corporate boards and equity sponsors across a diverse range of industries both domestically and internationally. I have assisted clients both in and outside of chapter 11, designed and evaluated financing packages and presentations to various types of lenders and equity investors, and acted as financial advisor to boards of directors and/or principal shareholders in the purchase or sale of numerous businesses. I have advised companies, lenders, and investors in a variety of industries and acted as the financial advisor to Waypoint Leasing Holdings Ltd., Caraustar Industries, Inc., Catalina Industries, Inc., Reichhold Holdings US, Inc., MicroAge, Inc., CST Industries, Dan River, Inc., Wheeling-Pittsburgh Steel Corp., US Internetworking, Factory Card Outlet, Frontier Communications Corp., Malden Mills, and Metal Forming Technologies during their chapter 11 cases; acted as the Strategic Planning Officer of RHI Entertainment, Inc.; and acted as Chief Restructuring Officer in the chapter 11 cases of The Weinstein Company Holdings LLC, PHI Inc. and CHC Group Ltd. I currently serve on the board of directors of Panavision, Inc., after having served as an interim Chief Executive Officer, and have previously served on the board of Washington Group International, Inc., CHC Group Ltd., Lazare Kaplan International, Inc., and Buffets, Inc.

7. I have been responsible for leading FTI's engagement with the Debtors since March 21, 2020. The Debtors retained FTI to provide advice and assistance in connection with the

evaluation and implementation of the Debtors' impending financial restructuring transaction. FTI has also worked with the Debtors on a number of issues including contingency planning efforts, financial forecasting, business plan development, liquidity management, key employee retention planning, and general bankruptcy filing preparations. Since the start of FTI's retention, I have worked closely with the Debtors' management team and other advisors to evaluate the Debtors' liquidity and cash needs in the case of a chapter 11 filing.

8. Pursuant to the DIP Motion, the Debtors seek entry of the Interim Order and the Final Order approving, among other things, the Debtors' entry into the DIP Facilities and the consensual use of the Cash Collateral.

**B. The Debtors' Prepetition Cash Balance**

9. As of the Petition Date, the Debtors have approximately \$750 million in secured debt obligations and approximately \$157 million outstanding in unsecured convertible notes. As of the Petition Date, the Debtors' total cash balance is approximately \$100 million, but substantially all of that cash is restricted in order to support its ABL borrowing base.

10. Attached hereto as *Exhibit 1* is the Initial DIP Budget ("**Budget**") describing the operating cash flow and working capital needs of the Debtors over the next 13 weeks. As described in the Budget, due to the limitations of the Prepetition ABL FILO Facility, the Debtors are projected to be unable to generate enough operating cash flow in the ordinary course of business to cover their normal course operating expenses, working capital needs, and projected costs of these Chapter 11 Cases; and, therefore, the Debtors will fall below minimum liquidity levels needed to safely operate by the week of June 27th absent postpetition financing, even if they had access to all liquidity, including the Cash Collateral.

**C. The Debtors' Liquidity Needs and Budget**

11. Prior to the commencement of these cases, the Debtors, in consultation with their advisors, carefully considered a number of potential alternatives to address the Debtors' capital structure and liquidity challenges, as described in detail in the First Day Declaration and the Goel Declaration. When these efforts did not provide a viable solution to the Debtors' liquidity challenges or sufficiently reduce the Debtors' leverage, the Debtors focused on preparing for a potential chapter 11 filing, including by commencing a marketing process led by Evercore Group L.L.C. ("*Evercore*"), the Debtors' investment banker, to obtain postpetition financing for the Debtors' business.

12. Recent events in the months leading up to the commencement of these Chapter 11 Cases have underscored the Debtors' need to access the proceeds of the DIP Facilities and the Cash Collateral on an interim basis. Specifically, the Debtors have faced a tightening liquidity crisis due to, among other things, (a) a rapid and significant decline in sales due to the COVID-19 pandemic, (b) trade creditors' demands of more restrictive trade terms from the Debtors, (c) upcoming interest payments totaling approximately \$40 million this year on account of the Debtors' Notes, and (d) a number of underperforming stores. As a result of these and other demands and the constraints imposed by the Prepetition ABL FILO Facility, the Debtors are unable to generate sufficient levels of operating cash flow in the ordinary course of business to cover their working capital needs, capital expenditures, and the projected costs of these Chapter 11 Cases.

13. The Debtors' liquidity has been hampered by restrictions set forth in the documents governing the Debtors' asset-based secured debt obligations. Specifically, as the value of assets supporting the Debtors' borrowing base has decreased, the Debtors have been left with no choice but to restrict the majority of their cash in order to stay within borrowing base requirements, and to avoid triggering an obligation to repay asset-based loans.

14. Since being retained, FTI has assisted the Debtors in evaluating their liquidity position and potential financing needs. FTI worked closely with the Debtors, their management, and their other advisors to evaluate the Debtors' cash requirements for their business. As part of FTI's evaluation of the Debtors' liquidity position, FTI reviewed, analyzed, and assisted in the development of the Debtors' 13-week and long-term cash flow forecasts and the Debtors' current and forecasted borrowing base. These forecasts take into account anticipated cash receipts and disbursements during the projected period and consider a number of factors, including, but not limited to, the effect of the chapter 11 filing on the operations of the business, fees and interest expenses associated with postpetition financing, professional fees, and customer and vendor obligations, as well as the operational performance of the underlying business.

**D. The Debtors Need Access to the DIP Proceeds and Cash Collateral and Will Suffer Immediate and Irreparable Harm if They are Unable to Access Them**

15. The Debtors have a critical need to use the DIP Facilities proceeds and the Cash Collateral to operate their business and preserve their going-concern value. The Debtors' business is cash intensive, with significant daily costs required to satisfy obligations to vendors, employees, and franchisees. As such, and due to their current limited liquidity, the Debtors require immediate access to the DIP Facilities and the use of the Cash Collateral to operate their business, preserve value, and avoid irreparable harm pending the Final Hearing. Specifically, the DIP Facilities and the Cash Collateral are needed for the Debtors to: (i) continue to conduct their businesses and generate revenue during these Chapter 11 Cases; (ii) provide working capital for their businesses; (iii) fund payments to their workforce; (iv) fund other general corporate purposes; (v) fund the payments authorized by the Court pursuant to the "first-day motions" filed contemporaneously with the DIP Motion; (vi) operate the Cash Management System as described in the Cash Management Motion; and (vii) satisfy administrative costs and expenses of the Debtors incurred

in the Chapter 11 Cases. Absent granting the DIP Motion on an interim and final basis, the Debtors and their estates will be immediately and irreparably harmed.

16. The Debtors depend on the cash received from their businesses to fund working capital, general and administrative expenses, and other operational expenses. The Debtors plan to utilize the proceeds from the DIP Facilities and the Cash Collateral to, among other things, satisfy payroll, pay suppliers, meet overhead, and make any other payments that are essential for the continued management, operation, and preservation of the Debtors' business. The ability to satisfy these expenses at the onset of these Chapter 11 Cases and when due is essential to the Debtors' continued operation of their business during the pendency of these Chapter 11 Cases.

17. The Debtors, with the assistance of their advisors and through negotiations with the DIP Lenders, developed the Budget. I believe that the Budget establishes that the Debtors will have adequate liquidity during this period if allowed to access the Cash Collateral and the DIP Facilities. The Budget contains line items for the primary categories of cash flows anticipated to be received or disbursed during the time period for which the Budget is prepared. I believe that the Budget includes all reasonable, necessary, and foreseeable expenses to be incurred in connection with the operation of the Debtors' business for the period set forth in the Budget.

18. Importantly, the DIP Facilities will allow the Debtors to strengthen their cash position immediately as \$30 million (or such lesser amount that is specified in the Interim DIP Order) in "new money" term loans will be made available under the DIP Facilities on the date of the Interim Financing Order, with the remaining term loans under the DIP Facilities totaling \$70 million made available following the date the Final DIP Order is entered by the Bankruptcy Court and the satisfaction of conditions precedent under the DIP Facilities. Additionally, a portion of the DIP Facilities will be governed by a less-constraining borrowing base than that which governs

the Debtors' existing asset-based secured debt obligations, giving the Debtors immediate access to approximately \$12.5 million (out of \$30 million total) in cash upon entry of the Interim DIP Order that had previously been restricted under the more restrictive borrowing base that governed the Debtors' Prepetition ABL FILO Facility. In the event that the roll-up in connection with the DIP ABL FILO Facility is not approved with the Interim DIP Order, \$17.5 million of the \$30 million will not be made available until the Court approves the roll-up. Access to greater liquidity pursuant to the DIP Facilities will send a positive and credible message to the Debtors' workforce and commercial counterparties that the Debtors will have sufficient liquidity to maintain ordinary course operations and meet their financial commitments throughout the course of the Chapter 11 Cases. Having a strong liquidity position will send a further positive message to the Debtors' vendors and other business partners.

19. Without immediate access to the DIP Facilities and use of the Cash Collateral, the Debtors will be unable to continue to operate their business as a going concern and preserve and maximize the value of their assets for the benefit of all stakeholders. Any failure to secure postpetition financing, such as is provided in the DIP Motion, will cause immediate and irreparable harm to the Debtors and their stakeholders, and will diminish the value of the Debtors' estates. Without the approval of the DIP Facilities and use of the Cash Collateral, the Debtors will be unable to continue to operate in the ordinary course or preserve and maximize the value of their assets for the benefit of all parties in interest. Additionally, inability to access the DIP Facilities and the Cash Collateral would severely damage the Debtors' ability to pay employees, insurance, suppliers, lessors, taxes, or other operating expenses. This would cause substantial long-term harm to revenues and business relationships.

20. If the Debtors are unable to obtain access to the DIP Facilities and the Cash Collateral, the Debtors currently project that they will not have sufficient liquidity to operate their business by the week of June 27th. The Debtors' preexisting cash balances and cash generated from operations are simply not sufficient to fund business operations and the administration of these cases within the constraints of their existing ABL borrowing base. A significant cash infusion and revision of the credit agreement governing their borrowing base are critical necessities to the continued operation of the Debtors' businesses, the preservation of going concern value, and the maintenance of the Debtors' valuable business relationships.

21. Moreover, access to currently-unrestricted cash alone would not solve the Debtors' liquidity problems. The Debtors estimate that their total cash balance that is not restricted in order to support their borrowing base, as of the Petition Date, is approximately \$14 million. Without the DIP Facilities, the Debtors would run out of cash by the week of June 27th due to rent, inventory purchases, and other obligations that the Debtors must pay.

**E. The Need for Interim Relief**

22. The Debtors have an urgent need for the attached Order to be granted on an interim basis. The Debtors require immediate access to \$30 million of cash in the form of new money postpetition term loans, in addition to the use of the Cash Collateral to meet their obligations and avoid irreparable harm pending the Final Hearing. Absent funds available under the DIP Facilities, access to the Cash Collateral and the cooperation of key business partners at this critical early stage, the Debtors could, among other things, (a) face a devastating interruption in their businesses; (b) lose the support of important groups on whom the Debtors' businesses and restructuring depend, which, in turn, would hinder their ability to maximize the value of their estates; and (c) be forced to modify their operations in a significant and adverse manner, which could hamper the Debtors' ability to maximize the value of their estates.

23. The preservation of estate assets, the Debtors' continuing viability, and their ability to successfully reorganize and maximize estate value depend heavily upon the expeditious approval of the relief requested in the DIP Motion. Accordingly, based on the foregoing, I respectfully submit that the Court should approve the DIP Motion.

### **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “*Local Rules*”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicate for the relief requested herein is section 105(a) of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “*Bankruptcy Code*”).

### **BACKGROUND**

3. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions for relief in this Court, commencing these chapter 11 cases (the “*Chapter 11 Cases*”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies’ Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the “**First Day Declaration**”)<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

### **BASIS FOR RELIEF**

#### **I. ENFORCING THE PROTECTIONS OF SECTIONS 362, 365, 525, AND 541(C) OF THE BANKRUPTCY CODE**

6. As a result of the commencement of the Debtors’ Chapter 11 Cases, and by operation of law pursuant to section 362 of the Bankruptcy Code, the automatic stay generally enjoins all entities from, among other things: (a) commencing or continuing any judicial, administrative, or other action or proceeding against any of the Debtors that was or could have been initiated before the Petition Date; (b) recovering a claim against any of the Debtors that arose before the Petition Date; (c) taking any act to obtain possession of property of the estate or of property from the estate or to exercise control over property of the Debtors’ estates; (d) enforcing a judgment against any of the Debtors or property of their estates that was obtained before the Petition Date; or (e) taking any action to collect, assess, or recover a claim that arose before the Petition Date against any of the Debtors.

7. The injunction contained in section 362 of the Bankruptcy Code is self-executing. It constitutes a fundamental debtor protection that, together with other provisions of the

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court’s website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors’ proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

Bankruptcy Code, provides a debtor with a “breathing spell” that is essential to a successful reorganization. *See, e.g., In re Univ. Med.*, 973 F.2d 1065, 1074 (3d Cir. 1992) (“The stay gives the debtor a breathing spell from his creditors. *It stops all collection efforts, all harassment, and all foreclosure actions.* It permits a debtor to attempt a repayment or reorganization plan, or simply to be relieved of the financial pressures that drove him into bankruptcy.”) (quoting H.R. Rep. No. 595, 95th Cong., 1st Sess. 340 (1978), *reprinted in* 1978 U.S.C.C.A.N., 5787, 5963, 6296–97) (internal citation and quotation marks omitted) (emphasis in original); *In re New Century TRS Holdings, Inc.*, 505 B.R. 431, 439 (Bankr. D. Del. 2014) (noting that the purpose of the automatic stay is to protect the debtor and its creditors).

8. The protections of the automatic stay apply to a debtor’s property wherever located and by whomever held. *See* 11 U.S.C. § 541(a); *In re Allen*, 768 F.3d 274, 276, 279 (3d Cir. 2014) (stating that “[b]ankruptcy jurisdiction, at its core, is *in rem*” and holding that actual possession by the debtor is not required for property to be part of the debtor’s estate) (internal citation and quotation marks omitted) (alteration and emphasis in original); *Underwood v. Hilliard (In re Rimsat, Ltd.)*, 98 F.3d 956, 961 (7th Cir. 1996) (noting the bankruptcy court’s jurisdiction over property of the estate permits injunctions against foreign proceedings pursuant to the automatic stay). The automatic stay, therefore, applies to the Debtors’ assets and operations around the world.

9. Section 365(e)(1) of the Bankruptcy Code renders insolvency termination provisions in contracts generally unenforceable against a chapter 11 debtor (with limited exception). Specifically, section 365(e)(1) provides that:

Notwithstanding a provision in an executory contract or unexpired lease, or in applicable law, an executory contract or unexpired lease of the debtor may not be terminated or modified, and any right or obligation under such contract or lease may not be terminated or

modified, at any time after the commencement of the case solely because of a provision in such contract or lease that is conditioned on—

(A) the insolvency or financial condition of the debtor at any time before the closing of the case;

(B) the commencement of a case under this title; or

(C) the appointment of or taking possession by a trustee in a case under this title or a custodian before such commencement.

11 U.S.C. § 365(e)(1).

10. Bankruptcy courts have applied section 365(e)(1) liberally, such that provisions modifying or terminating the relationships of the contracting parties due to the filing of a bankruptcy case are “broadly unenforceable.” *In re AMR Corp.*, 730 F.3d 88, 106 (2d Cir. 2013) (citing *In re Lehman Bros. Holdings Inc.*, 422 B.R. 407, 414 (Bankr. S.D.N.Y. 2010)).

11. Similarly, provisions in agreements, transfer instruments, or applicable nonbankruptcy law are unenforceable if such provision “restricts or conditions transfer of such interest by the debtor” or if any such provision:

is conditioned on the insolvency or financial condition of the debtor, on the commencement of a case under this title, or on the appointment of or taking possession by a trustee in a case under this title or a custodian before such commencement, and that effects or gives an option to effect a forfeiture, modification, or termination of the debtor’s interest in property.

11 U.S.C. § 541(c)(1).

12. Pursuant to section 525(a) of the Bankruptcy Code, “governmental units,” including foreign “governmental units,” are prohibited from, among other things, denying, revoking, suspending, or refusing to renew licenses, permits, charters, franchises, or other similar grants held by a chapter 11 debtor (or persons with whom the debtor is associated, including affiliates) on the basis that the debtor has failed to pay a dischargeable debt, commenced a

chapter 11 case, or was insolvent prior to the commencement of such case. *See* 11 U.S.C. § 525(a). The Bankruptcy Code defines “governmental unit” as the “United States; State; Commonwealth; District; Territory; municipality; foreign state; department, agency, or instrumentality of the United States (but not a United States trustee while serving as a trustee in a case under this title), a State, a Commonwealth, a District, a Territory, a municipality, or a foreign state; or other foreign or domestic government.” 11 U.S.C. § 101(27). Thus, the protections of section 525(a) apply broadly to local, state, and foreign governmental units.

13. Notwithstanding the self-executing and global nature of sections 362, 365, 525, and 541 of the Bankruptcy Code, not all parties affected, or potentially affected, by the commencement of these Chapter 11 Cases are aware of these statutory provisions or their significance and impact. Therefore, it is prudent to obtain an order confirming and reinforcing the relevant provisions of the aforementioned sections of the Bankruptcy Code.

14. The requested relief is particularly appropriate here because the Debtors and their Non-Debtor Global Affiliates operate, purchase materials, and record sales in numerous countries outside of the United States with different legal systems, including without limitation, Argentina, Australia, Bangladesh, Bolivia, Bulgaria, Chile, China, Costa Rica, Ecuador, El Salvador, Guatemala, Honduras, Hong Kong, India, Indonesia, Ireland, Israel, Japan, Kazakhstan, Latvia, Lithuania, Malaysia, Mexico, Mongolia, Myanmar; Nigeria, Oman, Pakistan, Panama, Paraguay, Peru, Philippines, Romania, Singapore, Saudi Arabia, South Africa, South Korea, Spain, Sri Lanka, Taiwan, Thailand, Turkey, the United Arab Emirates, the United Kingdom, Uruguay and Vietnam. The Debtors engage with numerous foreign customers, suppliers, and other vendors, as well as foreign regulators and other governmental units. Moreover, certain of the Debtors’ key

contracts are governed by the laws of foreign jurisdictions, and certain of the Debtors' assets are located around the world.

15. The Debtors believe that, absent an order from this Court, parties might attempt to take improper actions against the Debtors or property of their estates. The Debtors believe that many of the non-U.S. creditors affected by sections 362, 365, 525, and 541 of the Bankruptcy Code likely are not aware of the significant and necessary protection these sections provide to the Debtors. Accordingly, the Debtors respectfully request that this Court issue an order restating the applicable provisions of sections 362, 365, 525, and 541 of the Bankruptcy Code and approving a notice substantially in the form of the Notice. The Debtors believe that the existence of such an order, which the Debtors will be able to transmit to affected parties, will maximize the protections afforded by sections 362, 365, 525, and 541 of the Bankruptcy Code. Further, the Debtors believe that the "automatic" and self-executing nature of these protections may not be recognized by foreign creditors or tribunals unless embodied in an order of this Court.

16. Section 105(a) of the Bankruptcy Code empowers the court to "issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title." 11 U.S.C. § 105(a). Granting the relief requested in this Motion is fully consistent with the terms of the Bankruptcy Code and will facilitate a smooth and orderly transition of the Debtors' operations into chapter 11 and minimize the disruption of their business affairs during this critical time period when the Debtors are focused on negotiating a successful and consensual chapter 11 plan. If entered, the Debtors will be able to transmit this Court's order approving the Motion to third parties, which will proactively confirm and clarify the applicability and effect of the protections under sections 362, 365, 525, and 541 of the Bankruptcy Code. The Debtors, therefore, request that this Court grant the requested relief.

17. Finally, the relief requested in this Motion is similar to relief granted by numerous courts, including this Court in other Chapter 11 Cases in this district. *See, e.g., In re Bumble Bee Parent, Inc., Case No. 19-12502 (LSS) (Bankr. D. Del. Nov. 26, 2019) [Docket No. 78]* (enforcing the protections of section 362 of the Bankruptcy Code); *In re Hexion Holdings LLC, Case No. 19-10684 (KG) (Bankr. D. Del. Apr. 2, 2019) [Docket No. 100]* (enforcing the protections of sections 362 and 525 of the Bankruptcy Code); *In re Imerys Talc America, Inc., Case No. 19-10289 (LSS) (Bankr. D. Del. Feb. 14, 2019) [Docket No. 60]* (enforcing the protections of sections 362, 365, 525, and 541(c) of the Bankruptcy Code); *In re The Relay Shoe Company, LLC, Case No. 18-11145 (LSS) (Bankr. D. Del. May 15, 2018) [Docket No. 51]* (enforcing the protections of sections 362 and 525 of the Bankruptcy Code); *In re VER Technologies Holdco LLC, Case No. 18-10834 (KG) (Bankr. D. Del. May 4, 2018) [Docket No. 230]* (enforcing the protections of sections 362, 365, and 525 of the Bankruptcy Code). The Debtors submit that the present circumstances warrant similar relief in these Chapter 11 Cases.

## **II. APPROVING NOTICE TO CUSTOMERS, SUPPLIERS, AND OTHER STAKEHOLDERS OF THE NON-DEBTOR GLOBAL AFFILIATES.**

18. Because non-U.S. stakeholders may not be familiar with U.S. chapter 11 reorganizations, it is imperative to communicate to the Debtors' non-U.S. customers and suppliers that the Non-Debtor Global Affiliates are not included in these Chapter 11 Cases and thus, are not subject to this Court's supervision or the chapter 11 process. Accordingly, to sustain customer confidence and to minimize the risk of an interruption in the supply of goods, the Debtors believe that they need a court-approved notice communicating this message. The Debtors operate a complex and highly competitive international business. As an industry leader in the global specialty nutritional products retail industry, word of these Chapter 11 Cases will quickly spread internationally to various third parties that deal with the Debtors and the Non-Debtor Global

Affiliates, likely creating confusion as to which affiliates are, and which affiliates are not, debtors in these Chapter 11 Cases.

19. As a result of this confusion, the Debtors believe that some third parties may be hesitant or, worse yet, refuse to deal with Non-Debtor Global Affiliates under the mistaken assumption that such affiliates are part of these bankruptcy cases. Such a result would impair the operations of the Non-Debtor Global Affiliates, which would ultimately prejudice the Debtors' reorganization efforts, particularly where the Debtors rely on intercompany relationships with their Non-Debtor Global Affiliates as part of their business. The Debtors believe that the Notice will help in educating the Debtors' non-U.S. customers and suppliers, which in turn will assist the Debtors in achieving a successful reorganization.

### **III. APPLICABLE AUTHORITY UNDER SECTION 105(A)**

20. The Court's general equitable powers are codified in section 105(a) of the Bankruptcy Code, which, as set forth above, empowers the Court to "issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title." 11 U.S.C. § 105(a).

21. The Debtors respectfully request that the Court issue an order: (a) enforcing the protections of sections 362, 365, 525, and 541(c) of the Bankruptcy Code; and (b) approving the Notice clarifying that the Non-Debtor Global Affiliates are not part of these Chapter 11 Cases and, accordingly, their business operations are not subject to the provisions of the Bankruptcy Code. The order will not only protect the Debtors from unwitting parties, particularly those in foreign jurisdictions who are not familiar with the Bankruptcy Code or its protections, who otherwise might violate these sections, but also eliminate the confusion that likely will ensue concerning the Non-Debtor Global Affiliates.

22. Accordingly, granting the relief requested herein will facilitate a smooth and orderly transition of the Debtors' operations into chapter 11 and minimize the disruption of their business affairs. The Debtors, therefore, request that this Court grant the requested relief.

### **RESERVATION OF RIGHTS**

23. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law.

### **NOTICE**

24. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange

*[Remainder of page intentionally left blank.]*

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Order, granting the relief requested in this Motion and such other relief as may be just and proper.

1. The Motion is GRANTED as set forth herein.
2. Pursuant to and to the extent set forth in section 362 of the Bankruptcy Code, the commencement of these Chapter 11 Cases shall operate as a stay, applicable to all persons (including individuals, partnerships, corporations, and all those acting for or on their behalf) and all foreign and domestic governmental units (and all those acting for or on their behalf) of:
  - a. the commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other action or proceeding against the Debtors that was or could have been commenced before the commencement of the Debtors’ Chapter 11 Cases, or an act to recover a claim against the Debtors that arose before the commencement of the Debtors’ Chapter 11 Cases;
  - b. the enforcement, against the Debtors or against property of their estates, of a judgment obtained before the commencement of the Debtors’ Chapter 11 Cases;
  - c. any act to obtain possession of property of the estates or of property from the estates or to exercise control over property of the Debtors’ estates;
  - d. any act to create, perfect, or enforce any lien against property of the Debtors’ estates;

- e. any act to create, perfect, or enforce against property of the Debtors any lien to the extent that such lien secures a claim that arose before the commencement of the Debtors' Chapter 11 Cases;
  - f. any act to collect, assess, or recover a claim against the Debtors that arose before the commencement of the Debtors' Chapter 11 Cases;
  - g. the setoff of any debt owing to the Debtors that arose before the commencement of the Debtors' Chapter 11 Cases, except as allowed under section 553 of the Bankruptcy Code; and
  - h. the commencement or continuation of a proceeding before the United States Tax Court concerning a tax liability of the Debtors for a taxable period the bankruptcy court may determine.
3. All persons and all foreign and domestic governmental units, and all those acting on their behalf, including sheriffs, marshals, constables, and other or similar law enforcement officers and officials are stayed, restrained, and enjoined from in any way, seizing, attaching, foreclosing upon, levying against, or in any other way interfering with, any and all of the property of any of the Debtors, wherever located.
4. This Order shall not affect the exceptions to the automatic stay contained in section 362(b) of the Bankruptcy Code or the right of any party in interest to seek relief from the automatic stay in accordance with section 362(d) of the Bankruptcy Code or the rights provided pursuant to Section 546(b) of the Bankruptcy Code.
5. Pursuant to and to the extent set forth in section 365(e) of the Bankruptcy Code, and notwithstanding a provision in an executory contract or unexpired lease, or in applicable law, an executory contract or unexpired lease of the Debtors may not be terminated or modified, and any right or obligation under such contract or lease may not be terminated or modified, at any time after the commencement of these Chapter 11 Cases solely because of a provision in such contract or lease that is conditioned on (a) the insolvency or financial condition of any or all Debtors or (b) the commencement of these Chapter 11 Cases.

6. Pursuant to and to the extent set forth in section 525 of the Bankruptcy Code, a foreign or domestic governmental unit may not deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, deny employment to, terminate the employment of, or discriminate with respect to employment against, the Debtors or the Debtors' affiliates on account of (a) the commencement of these Chapter 11 Cases; (b) the Debtors' insolvency; or (c) the fact that the Debtors have not paid a debt that is dischargeable in these Chapter 11 Cases.

Nothing contained in this Order shall be deemed to increase, decrease, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

10. The Notice, substantially in the form attached hereto as **Exhibit 1**, is approved.

11. The Debtors are authorized to cause the Notice to be translated into as many languages as may be deemed necessary and to distribute such Notice as the Debtors deem appropriate.

13. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable this Order shall be effective and enforceable immediately upon entry hereof.

14. The Debtors are authorized and empowered to take such actions and to execute such documents as may be necessary to implement the relief granted by this Order.

### **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "***Local Rules***"), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 345(b), 363(b), 363(c), and 364(a) of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the "***Bankruptcy Code***"), rule 6003 of the Federal Rules of Bankruptcy Procedure (the "***Bankruptcy Rules***"), and Local Rule 2015-2.

## **BACKGROUND**

3. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “*Chapter 11 Cases*”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in the Chapter 11 Cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies’ Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the “*First Day Declaration*”)<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

## **THE DEBTORS’ CASH MANAGEMENT SYSTEM**

### **I. OVERVIEW OF THE CASH MANAGEMENT SYSTEM**

6. In the ordinary course of their businesses, the Debtors maintain a complex cash management system (the “*Cash Management System*”). The Cash Management System is managed by the financial personnel of the Debtors located at their headquarters in Pittsburgh,

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court’s website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors’ proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

Pennsylvania, where they oversee the administration of the various Bank Accounts (as defined below) to effect the collection, disbursement, and movement of cash. The Cash Management System is integral to the Debtors' operations as it enables them to, among other things, (i) accurately forecast and report their cash flow requirements, (ii) monitor and control all of their cash receipts and disbursements, and (iii) track intercompany cash transfers and transactions with other Debtors and their non-Debtor affiliates.

7. The Cash Management System is similar to those used by other companies of similar size and complexity to collect, transfer, and disburse funds in a cost-effective and efficient manner. A diagram depicting the Cash Management System as of the Petition Date is attached hereto as **Attachment 1**.

8. The Cash Management System is comprised of 294 bank accounts (together with any accounts opened after the Petition Date,<sup>4</sup> the ("**Bank Accounts**")<sup>5</sup> held at various financial institutions (the "**Banks**"). The Cash Management System is organized around two concentration accounts, one for the United States business held at JPMorgan Chase Bank, N.A. ("**JPMorgan**") (the "**GNC Concentration Account**"), and one for the Canada business held at Toronto Dominion Bank ("**TD**") (the "**Canada Concentration Account**"), which pool incoming funds from deposit accounts, credit and debit card receipts accounts, and other payments, and disburse those funds into the Debtors' various disbursement and other accounts, on an as-needed basis. The Debtors maintain 27 Bank Accounts with JPMorgan, 11 Bank Accounts with TD, and seven Bank Accounts with PNC Bank N.A. ("**PNC**"), that are used for the Debtors' business operations. The

---

<sup>4</sup> For the avoidance of doubt, the Debtors request that any relief granted under the Proposed Orders apply to any additional Bank Accounts later opened by the Debtors and any additional Banks that may maintain them.

<sup>5</sup> Certain of the Bank Accounts, including the GNC Concentration Account and Canada Concentration Account (each as defined herein), are subject to an account control agreements by and among the applicable Debtor and the corresponding Bank.

remaining Bank Accounts are held at numerous Banks as detailed on Attachment 2 attached hereto.

9. The Cash Management System has three main components: (i) collection, (ii) concentration, and (iii) disbursement.

- Collection: The Debtors collect cash from sales at their retail locations and deposit that cash in deposit accounts in the United States (the “*U.S. Store Depository Accounts*”) and Canada (the “*Canada Store Depository Accounts*”, and together with the U.S. Store Depository Accounts, the “*Store Depository Accounts*”). Funds received from credit and debit card purchases are deposited into one of the Bank Accounts designated for credit and debit card purchases, depending on (i) the type of card used and (ii) the location of the store (the “*Card Receipt Accounts*”). In addition, the Debtors maintain accounts that are used to collect credit card and debit card sales from online transactions and other accounts that receive funds via check, wire transfer or certain other methods of payment (collectively, the “*Other Receipt Accounts*”). The Debtors also maintain accounts to collect franchise and wholesale receipts in the United States, Canada and other international locations (collectively, the “*Franchise & Wholesale Receipt Accounts*”).
- Concentration: In the United States, funds from the U.S. Store Depository Accounts are swept, once a week, to an intermediate concentration account (the “*External Concentration Account*” and together with the GNC Concentration Account and the Canada Concentration Account, the “*Concentration Accounts*”) then transferred to the GNC Concentration Account. Other funds received in United States accounts are either transferred directly to the GNC Concentration Account, or to the External Concentration Account and then to the GNC Concentration Account. In Canada, (i) funds from the Canada Store Depository Account at TD and the Canada Card Receipt Accounts are transferred to the Canada Concentration Account, and (ii) funds from the other Canada Store Depository Accounts are swept to the Canada Concentration Account on a weekly basis.
- Disbursement: In the United States, funds are transferred from the GNC Concentration Account to various disbursement accounts (the “*U.S. Disbursement Accounts*”) on an as-needed basis. In Canada, funds are transferred from the Canada Concentration Account to various disbursement accounts (the “*Canada Disbursement Accounts*” and together with the U.S. Disbursement Accounts, the “*Disbursement Accounts*”) on an as-needed basis.

10. In addition to the above, the Cash Management System consists of numerous other types of accounts. A detailed schedule of the Bank Accounts is attached hereto as **Attachment 2**, a summary of which is included in the chart below:

<u><b>International Holdings Account</b></u> (Inactive) <i>JPMorgan—8812</i>	The International Holdings Account is an inactive account of GNC International Holdings, Inc.

## II. INTERCOMPANY TRANSFERS

11. The Debtors conduct various business transactions with each other and their non-Debtor affiliates (the “*Intercompany Transactions*”), including moving cash within the Cash Management System between different Debtors, and from Debtors to their non-Debtor affiliates. As a result, there may be intercompany claims owing among the Debtors or their non-Debtor affiliates at any given time (the “*Intercompany Claims*”), including outstanding prepetition Intercompany Claims. With the help of the Cash Management System and the Debtors’ treasury personnel, the Debtors are able to track and account for each Intercompany Transaction and the resulting Intercompany Claims.

<sup>7</sup> The account ending 2735, will be used as the Professional Fees Escrow (as defined in the DIP Motion).

<sup>8</sup> The account ending 7167, will be used as to hold the Debtors’ Adequate Assurance Deposits (as defined in the Utility Motion) as contemplated by the *Motion of Debtors for Orders (A) Prohibiting Utility Companies from Altering or Discontinuing Service on Account of Prepetition Invoices, (B) Approving Deposit as Adequate Assurance of Payment, (C) Establishing Procedures for Resolving Requests, and (D) Authorizing Payment of any Prepetition Service Fees by Utility Companies for Additional Assurance of Payment* (the “*Utility Motion*”) filed contemporaneously herewith.

12. In the ordinary course of business, the Debtors engage in various Intercompany Transactions between themselves. For example, certain Debtors purchase inventory on account of other Debtors, which results in Intercompany Claims between such Debtor entities. In addition, the Debtors may send funds from a United States Bank Account to a Canada Bank Account to support their Canadian operations. Additionally, Debtor General Nutrition Centers, Inc. allocates certain corporate overhead expenses and management fees to certain Debtor and non-Debtor affiliates, so that each entity bears its share of such costs. Such costs are allocated based on the revenue of each entity, so that each entity's net income is more accurately represented for tax purposes. Typically, these Intercompany Transaction are not settled in cash but are rather reflected as intercompany payables on the books and records of the applicable entity.

13. There are few Intercompany Transactions between the Debtors and their non-Debtor affiliates, even fewer of which relate to payments of Debtors to non-Debtors. Historically, the Debtors have purchased inventory on behalf of non-Debtor affiliates LWI (as defined below) and THSD, which resulted in LWI and THSD repaying the applicable Debtor entity in cash, and certain Debtors have made payments to non-Debtor affiliate Nutra Insurance Company on account of products liability insurance premiums—however, as of the Petition Date, the Debtors no longer engage in these types of Intercompany Transactions. In addition, certain dividends are made between Debtors and non-Debtors, specifically (a) a periodic dividend payment from non-Debtor GNC Korea Limited to Debtor General Nutrition Corporation and (b) a monthly dividend payment by Debtor GNC Puerto Rico, LLC (“*GNC Puerto Rico*”) to non-Debtor affiliate GNC Live Well Ireland (“*LWI*”)<sup>9</sup> on account of LWI's 30% ownership interest in GNC Puerto Rico.

---

<sup>9</sup> LWI is wholly-owned, indirectly, by Debtor GNC International Holdings, Inc.

14. The Intercompany Transactions ensure the efficient and smooth functioning and operations of the Debtors' businesses, as certain of the Debtors are better suited to perform certain functions to the businesses on behalf of the Debtors. If the Debtors were required to cease the Intercompany Transactions, their operations would be disrupted, resulting in possible degradation of value to the detriment of their estates and creditors.

### **III. BANK FEES**

15. The Debtors pay fees to the Banks related to the costs of administering the Bank Accounts (the "*Bank Fees*") on a monthly basis. The Bank Fees total approximately \$125,000 per month. The Debtors estimate that approximately \$62,500 of accrued but unpaid Bank Fees are outstanding as of the Petition Date. By this Motion, the Debtors seek authority to pay outstanding prepetition Bank Fees and to continue to pay the Bank Fees as they become due in the ordinary course.

### **IV. CORPORATE CARDS AND PAYMENT PROCESSORS**

#### **A. Corporate Purchase Cards**

16. As part of the Cash Management System, the Debtors utilize corporate purchasing cards (collectively, the "*Purchase Cards*", and the Debtors' program related to such cards, the "*Purchase Card Program*") issued by Citizens Bank N.A ("*Citizens*"). The Purchase Cards are primarily used for payment to vendors in connection with the shipment of goods.

17. On average, the Debtors pay approximately \$2.5 million per month on account of the Purchase Cards, but the Debtors are in the process of terminating the Purchase Card Program. However, until such time as the Purchase Card Program is terminated, it is important for the Debtors to continue honoring obligations on account of the Purchase Cards because certain of the Debtors' key vendors are paid through the program. Further, Citizens' claims on account of

amounts owed under the Purchase Cards are Cash Management Obligations (as defined in the ABL/FILO Credit Agreement (as defined in the First Day Declaration)), which are secured claims under the ABL/FILO Credit Agreement, and thus paying Citizens now likely only affects the timing of payment.

18. As of the Petition, the Debtors estimate they owe approximately, \$50,000 on account of the Purchase Cards. The Debtors seek authority to pay any prepetition amounts outstanding with respect to the Purchase Cards and to continue the Purchase Card Program subject to any terms and conditions thereof, on a postpetition basis consistent with their past practices.

### **B. Corporate Credit Cards**

19. As part of the Cash Management System, the Debtors also provide certain employees with access to corporate credit cards issued by JPMorgan (the “*Corporate Credit Cards*,” and the Debtors’ program relating to such cards, the “*Corporate Credit Card Program*,” and together with the Purchase Card Program, the “*Corporate Card Programs*”). The Corporate Credit Cards are utilized by the Debtors’ employees to pay for eligible business-related expenses incurred on behalf of the Debtors in the ordinary course of business. The Debtors pay all costs incurred from the use of the Corporate Credit Cards directly to JPMorgan. The Corporate Credit Card Program has a credit limit of \$125,000 for the Corporate Credit Card Program in the United States and \$25,000 for the Corporate Credit Card Program in Canada.<sup>10</sup>

20. On average, the Debtors pay approximately \$144,168 per month on account of the Corporate Credit Cards.<sup>11</sup> It is important for the Debtors to continue honoring obligations on

---

<sup>10</sup> The credit limits for the Corporate Credit Card Program have historically been significantly higher. In 2019, the credit limit for the Corporate Credit Card Program in the United States was \$700,000, and the credit limit for the Corporate Credit Card Program in Canada was \$150,000. However, following the COVID-19 pandemic in March 2020, the Corporate Credit Card lines were reduced to reflect current travel and expense levels. Therefore, these credit limits may be increased as needed to permit more typical travel and expense levels.

<sup>11</sup> This amount reflects the monthly average for 2020. In 2019, the average monthly expenditure on account of the

account of the Corporate Credit Cards. Further, JPMorgan's claims on account of amounts owed under the Corporate Credit Cards are Cash Management Obligations (as defined in the ABL/FILO Credit Agreement), which are secured claims under the ABL/FILO Credit Agreement, and thus paying JPMorgan now likely only affects the timing of payment.

21. As of the Petition, the Debtors estimate they owe approximately \$70,000 on account of the Corporate Credit Cards. The Debtors seek authority to pay any prepetition amounts outstanding with respect to the Corporate Credit Cards and to continue the Corporate Credit Card Program, subject to any terms and conditions thereof, on a postpetition basis consistent with their past practices.

### **C. Payment Processing Providers**

22. In addition to cash, the Debtors accept other non-cash methods of payments from customers at points of sale. To process non-cash payments, the Debtors are party to certain agreements with payment processors (the "*Payment Processing Providers*" and the program related to such non-cash payment processing, the "*Payment Processing Program*"). Under the Payment Processing Program, the Debtors generally pay the fees owing to the Payment Processing Providers once a month. As of the Petition Date, the Debtors estimate that they owe approximately \$800,000 to the Payment Processing Providers on account of the Payment Processing Program.

23. The Debtors' continued acceptance of non-cash payments is essential to the operation of the Debtors' business. Most of the Debtors' sales occur by non-cash payments. Thus, requiring all purchases to be made in cash would have a severely negative effect on the Debtors' cash flow and ongoing operations. To avoid disrupting these critical payment processing services, the Debtors are seeking authority to honor and continue the Payment Processing Program in the

ordinary course and to pay the Payment Processing Providers for all fees and charges owed on account of their payment processing services, through any means permitted under the Payment Processing Program, including recoupment and setoff, whether arising prepetition or postpetition, in a manner consistent with past practices.

## **V. EXISTING BUSINESS FORMS**

24. In the ordinary course, the Debtors use checks, invoices, letterhead, purchase orders, and other forms and correspondence (the “*Business Forms*”). The Debtors’ existing Business Forms are not marked with any designation referencing their status as debtors in possession. To minimize expense and avoid potential operational issues with their employees, customers, vendors, and other parties during this critical time, the Debtors seek authority to continue to use the existing Business Forms, notwithstanding any applicable U.S. Trustee Guidelines (as defined below), but subject to Local Rule 2015-2(a).

25. The Debtors also request that the Banks be authorized and directed to continue to administer the Bank Accounts as they were maintained and administered prepetition, without interruption and in the ordinary course, and to honor all representation from the Debtors as to which checks should be honored or dishonored. The Banks also should be authorized and directed to pay all checks, drafts, wires, and Automated Clearing House payments (“*ACH Payments*”) drawn from the Bank Accounts for payment of any claims authorized by the Debtors arising on or after the Petition Date so long as those accounts contain sufficient funds. To the extent that the Debtors have directed that any prepetition checks be dishonored, they reserve the right to issue replacement checks to pay the amounts related to any dishonored checks, consistent with any orders of this Court.

## **VI. COMPLIANCE WITH THE BANKRUPTCY CODE AND U.S. TRUSTEE GUIDELINES**

### **A. Compliance with U.S. Trustee Guidelines as to Authorized Depositories**

26. The U.S. Trustee has established certain operating guidelines (the “*U.S. Trustee Guidelines*”) for debtors in possession. The U.S. Trustee Guidelines require Chapter 11 debtors to, among other things, deposit all estate funds into an account with an authorized depository that agrees to comply with the requirements of the Office of the U.S. Trustee. Of the 294 Bank Accounts, 104 of them are held at Banks that are designated as authorized depositories under the U.S. Trustee Guidelines, including the Concentration Accounts which are held at JPMorgan and TD, each of which is an authorized depository. In addition, the Card Receipts Accounts, the Disbursement Accounts, the Franchise & Wholesale Receipts Accounts, the Other Receipt Accounts, and certain of the Investment Accounts are held at authorized depositories. The vast majority of the 190 Bank Accounts at Banks that are not authorized depositories are Store Depository Accounts, which as described herein, receive deposits from stores that are regularly swept into one of the Concentration Accounts. Further, the Banks at which these Store Depository Accounts are held are, in most cases, are the only bank located near the respective store, and if the stores are not permitted to use such Banks, it would create additional operational and administrative burdens and expenses that would harm the Debtors’ business and be detrimental to their estates. In addition, with few exceptions, the Banks that are not authorized depositories, are insured by the Federal Deposit Insurance Corporation (“*FDIC*”), the Canadian Deposit Insurance Corporation (“*CDIC*”), or the National Credit Union Administration (“*NCUA*”).

27. Of the remaining Bank Accounts that are held at Banks that are not authorized depositories, four are Investment Accounts and one is the NFS Returns Account. As noted above,

no additional funds will be deposited into the Investment Accounts during the pendency of these Chapter 11 Cases.

28. Nevertheless, where the Debtors hold one or more accounts at a Bank that is not an authorized depository, the Debtors will use their good faith efforts to cause such Bank to execute a Uniform Depository Agreement in a form prescribed by the Office of the U.S. Trustee within forty-five (45) days of the date of entry of an Interim Order or a Final Order granting this Motion.

### **BASIS FOR RELIEF**

#### **I. THE BANKRUPTCY CODE PERMITS THE DEBTORS TO CONTINUE TO USE THE CASH MANAGEMENT SYSTEM AND THE BANK ACCOUNTS.**

29. The Debtors' continued use of the Cash Management System is permitted under the Bankruptcy Code. Specifically, section 363(c)(1) of the Bankruptcy Code authorizes a debtor in possession to "use property of the estate in the ordinary course of business without notice or a hearing." 11 U.S.C. § 363(c)(1). The authority granted by section 363(c)(1) of the Bankruptcy Code extends to a debtor in possession's continued use of its customary cash management system and, thus, supports the relief requested herein. *See, e.g., Charter Co. v. Prudential Ins. Co. Am. (In re Charter Co.)*, 778 F.2d 617, 621 (11th Cir. 1985) (indicating that an order authorizing the debtor to employ a cash management system that was "usual and customary in the past" was "entirely consistent" with Section 363(c)(1)). Moreover, section 364(a) of the Bankruptcy Code authorizes a debtor in possession to obtain unsecured credit and incur unsecured debt in the ordinary course of business without notice and a hearing. *See* 11 U.S.C. § 364(a).

30. Further, section 105(a) of the Bankruptcy Code also authorizes this Court to permit the Debtors to continue to use the Cash Management System, including maintenance of their existing Bank Accounts. Section 105(a) vests in this Court the power to "issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code]."

11 U.S.C. § 105(a). One court, in another context, has recognized that a centralized cash management system “allows efficient utilization of cash resources and recognizes the impracticalities of maintaining separate cash accounts for the many different purposes that require cash.” *In re Columbia Gas Sys., Inc.*, 136 B.R. 930, 934 (Bankr. D. Del. 1992), *aff’d in part* and *rev’d in part*, 997 F.2d 1039 (3d Cir. 1993).

31. Numerous courts, including in this district, in other large chapter 11 cases have authorized debtors to continue to use their existing cash management systems. *See, e.g., In re Emerge Energy Services LP* Case No. 19-11563 (KBO) (Bankr. D. Del. July 15, 2019); *In re Samuels Jewelers, Inc.*, Case No. 18-11818 (KJC) (Bankr. D. Del. Aug. 8, 2018 and Sept. 13, 2018) (granting interim and final relief); *In re Claire’s Stores, Inc.*, Case No. 18-10584 (MFW) (Bankr. D. Del. Mar. 20, 2018 and Apr. 17, 2018) (granting interim and final relief); *In re Rentech WP U.S. Inc.*, Case No. 17-12958 (CSS) (Bankr. D. Del. Dec. 20, 2017 and Jan. 17, 2018) (granting interim and final relief); *In re Aerogroup Int’l, Inc.*, Case No. 17-11962 (KJC) (Bankr. D. Del. Sept. 18, 2017 and Oct. 16, 2017) (granting interim and final relief); *In re True Religion Apparel, Inc.*, Case No. 17-11460 (LSS) (Bankr. D. Del. July 6, 2017 and July 31, 2017) (granting interim and final relief); *In re TK Holdings Inc.*, Case No. 17-11375 (BLS) (Bankr. D. Del. June 27, 2016, July 26, 2017, Aug. 9, 2017, Aug. 30, 2017, and Sept. 12, 2017) (granting various interim orders and final relief).

32. The Debtors believe that the Cash Management System is an ordinary course, customary, and essential business practice, the continued use of which is essential to the Debtors’ business operations during these Chapter 11 Cases and their goal of maximizing value for the benefit of all parties in interest. To require the Debtors to adopt a new cash management system at this early and critical stage would be expensive, impose needless administrative burdens, and

cause undue disruption. Any disruption in the collection of funds as currently implemented would adversely (and perhaps irreparably) affect the Debtors' ability to maximize estate value for the benefit of the Debtors' creditors and other parties in interest. Thus, maintaining the existing Cash Management System without disruption is both essential to the Debtors' ongoing operations and restructuring and in the best interests of the Debtors, their estates, and all interested parties. Accordingly, the Debtors request that they be allowed to maintain and continue to use the Cash Management System, including maintenance of their existing Bank Accounts.

## **II. THE DEBTORS SHOULD GRANTED AN EXTENSION OF TIME TO COMPLY WITH CERTAIN REQUIREMENTS OF THE U.S. TRUSTEE GUIDELINES.**

33. The Debtors further request, pursuant to sections 105(a) and 363 of the Bankruptcy Code, that this Court grant an extension of time to comply with certain bank account and related requirements of the U.S. Trustee to the extent that such requirements are inconsistent with (a) the Debtors' existing practices under the Cash Management System or (b) any action taken by the Debtors in accordance with any order granting this Motion or any other order entered in these Chapter 11 Cases.

34. The U.S. Trustee Guidelines are designed to demarcate prepetition transactions and operations from postpetition transactions and operations, and to prevent the inadvertent postpetition payment of prepetition claims. In particular, the U.S. Trustee Guidelines would require the Debtors to close the Bank Accounts and open new "debtor in possession" accounts and establish particular accounts for tax payments and cash collateral.

35. The Debtors submit that they are able to work with the Banks to ensure that this goal of separation between the prepetition and postpetition periods is observed and that enforcement of certain of these U.S. Trustee Guidelines would disrupt the Debtors' operations and impose a financial burden on the Debtors' estates. In light of the scope and complexity of the Cash

Management System, including hundreds of Bank Accounts maintained at numerous Banks, it would be onerous for the Debtors to meet the U.S. Trustee Guidelines requiring them to close all existing Bank Accounts and open new debtor in possession accounts. And doing so would also risk material operational problems, as the Debtors' business partners and own personnel transition to a wholly-new system.

36. Further, it would be unnecessary and inefficient to require the Debtors to abide by the U.S. Trustee Guidelines to establish specific debtor in possession accounts for tax payments (including payroll taxes) and to deposit to the accounts sufficient funds to pay any tax liability (when incurred) associated with the Debtors' payroll and other tax obligations. The Debtors can pay their tax obligations most efficiently from their existing accounts in accordance with their existing practices, and the U.S. Trustee will have wide latitude to monitor the flow of funds into and out of the accounts. The creation of new debtor in possession accounts designated solely for tax obligations would be unnecessarily burdensome.

37. Additionally, the U.S. Trustee Guidelines mandate that chapter 11 debtors, must be maintained with financial institutions whose deposits are insured by the FDIC. The vast majority of the Debtors' Banks in the United States are insured by the FDIC and NCUA, and the Debtors' Banks in Canada are insured by the CDIC.

38. In addition, it is unnecessary to require the Debtors to abide by the U.S. Trustee Guidelines requiring specific debtor in possession accounts for cash collateral. As set forth in the *Debtors' Motion of Debtors for Orders (I) Authorizing the Debtors to (A) Obtain Senior Secured Postpetition Financing, (B) Grant Liens and Superpriority Administrative Expense Status, (C) Use Cash Collateral of Prepetition Secured Parties, and (D) Grant Adequate Protection to Prepetition Secured Parties; (II) Scheduling a Final Hearing Pursuant to Bankruptcy Rules 4001(b) and*

4001(c); and (III) *Grant Related Relief*, the Debtors have provided safeguards to ensure that parties with security interests in the Debtors' cash are adequately protected and that those parties have been provided with notice of the proposed use of cash collateral.

**III. THE DEBTORS WILL COMPLY WITH LOCAL RULE 2015-2(A) AND ANY U.S. TRUSTEE GUIDELINES REQUIRING IMMEDIATE REPLACEMENT OF THE BUSINESS FORMS SHOULD BE WAIVED.**

39. The Debtors request that the Court waive their compliance with any U.S. Trustee Guidelines that would require them to replace their Business Forms immediately, subject to the Debtors' compliance with Local Rule 2015-2(a). Local Rule 2015-2(a) provides:

Where the debtor uses pre-printed checks, upon motion of the debtor, the Court may, without notice and hearing, permit the debtor to use its existing checks without the designation "Debtor-in-Possession" and use its existing bank accounts. However, once the debtor's existing checks have been used, the debtor shall, when reordering checks, require the designation "Debtor-in-Possession" and the corresponding bankruptcy number on all such checks.

Del. Bankr. L.R. 2015-2(a).

40. To minimize expenses to their estates, the Debtors seek authorization to continue using all checks substantially in the forms existing immediately prior to the Petition Date, without reference to the Debtors' status as debtors in possession. In the event the Debtors generate new checks during the pendency of these Chapter 11 Cases other than from their existing stock of checks, those checks will include a legend referring to the Debtors as "Debtor in Possession." The Debtors also seek authority to use all other Business Forms (including, without limitation, letterhead, purchase orders, and invoices) without reference to the Debtors' status as debtors in possession.<sup>12</sup>

---

<sup>12</sup> Although the operating guidelines established for debtors in possession by the U.S. Trustee would require the Debtors to obtain and use new checks bearing the "Debtor in Possession" designation, the Debtors do not believe that these guidelines impose any limitation on the Debtors' other correspondence and business forms.

41. Changing the Debtors' existing checks, correspondence, and other Business Forms would be expensive, unnecessary, and burdensome to the Debtors' estates. These changes would disrupt the Debtors' business operations, may create friction with their vendors and customers, and would not confer any benefit upon parties that deal with the Debtors. For these reasons, the Debtors request that they be authorized to use their existing check stock, correspondence, and other Business Forms without being required to place the label "Debtor in Possession" on any of the foregoing

42. For the reasons mentioned herein, the Debtors submit that the limited waivers of related U.S. Trustee Guidelines are appropriate.

**IV. THIS COURT HAS THE AUTHORITY TO PERMIT THE DEBTORS TO CONTINUE THEIR DEPOSIT PRACTICES.**

43. The Debtors should be authorized to continue to deposit and maintain their funds in the Bank Accounts in accordance with existing practices under the Cash Management System, subject to any reasonable changes the Debtors may implement to the Cash Management System, and the deposit requirements of section 345(b) of the Bankruptcy Code, and to the extent that the requirements are inconsistent with these practices, the Debtors request an initial 45-day period to come into compliance with their obligations under section 345(b) of the Bankruptcy Code or otherwise reach agreement with the U.S. Trustee, without prejudice to the Debtors' right to seek an extension of such period. Section 345(a) of the Bankruptcy Code authorizes a debtor in possession to make deposits of estate money in a manner "as will yield the maximum reasonable net return on such money, taking into account the safety of such deposit." 11 U.S.C. § 345(a). If a deposit is not "insured or guaranteed by the United States or by a department, agency, or

---

Nevertheless, out of an abundance of caution, the Debtors seek explicit authority to continue using their existing correspondence and business forms without reference to the Debtors' status as debtors in possession.

instrumentality of the United States or backed by the full faith and credit of the United States,” section 345(b) provides that the debtor must require that the entity with which the deposit is made obtain a bond in favor of the United States that is secured by the undertaking of an adequate corporate surety. *See* 11 U.S.C. § 345(b).

44. This Court has discretion to grant the extension of time to come into compliance with the requirements imposed by section 345(b) of the Bankruptcy Code “for cause.” 11 U.S.C. § 345(b). In *In re Service Merchandise Co., Inc.*, the court indicated that the existence of “cause” should be determined based upon the totality of the circumstances taking account of factors such as: (a) the sophistication of the debtor’s business; (b) the size of the debtor’s business; (c) the amount of investments involved; (d) the ratings of the financial institutions at which the debtor’s funds are held; (e) the complexity of the case; (f) the safeguards in place within the debtor’s own business to ensure the safety of funds; (g) the debtor’s ability to reorganize in the face of a failure of one or more of the financial institutions; (h) the benefit to the debtor; (i) the harm, if any, to the estate; and (j) the reasonableness of the debtor’s request for relief in light of the overall circumstances of the case. 240 B.R. 894, 896 (Bankr. M.D. Tenn. 1999).

45. The Debtors submit that the circumstances of these Chapter 11 Cases warrant an extension of time to comply with the requirements of section 345(b) of the Bankruptcy Code to the extent the Cash Management System and their deposit practices do not satisfy them. The Debtors are a large, sophisticated company with a complex Cash Management System that utilizes many of Bank Accounts on a daily basis. The Bank Accounts are maintained with stable financial institutions, the vast majority of which are insured by the FDIC, NCUA or CDIC—and, thus, the Debtors’ funds are safe. Furthermore, in light of the regular deposits to, and sweeps of, the various Bank Accounts and the “as needed” funding structure of the overall system, it would be

especially disruptive, unnecessary, and wasteful to require the posting of a bond to the extent that the balances of the Bank Accounts exceed FDIC, NCUA or CDIC insurance limits at a given time.

46. This Court and other courts have granted similar requests. *See, e.g., In re Paragon Offshore PLC*, No. 16-10383 (CSS) (Bankr. D. Del. April 6, 2016); *In re Verso Corporation*, No. 16-10163 (KG) (Bankr. D. Del. Feb. 23, 2016); *In re Samson Resources Corporation*, No. 15-11934 (CSS) (Bankr. D. Del. Sept. 22, 2015).

47. For the foregoing reasons, the Court should authorize the Debtors to continue to deposit funds in the Bank Accounts and to the extent that the requirements are inconsistent with these practices, the Debtors request an initial 45-day period to come into compliance with their obligations under section 345(b) of the Bankruptcy Code or otherwise reach agreement with the U.S. Trustee, without prejudice to the Debtors' right to seek an extension of such period.

**VII. THE COURT SHOULD AUTHORIZE THE DEBTORS TO CONTINUE THE CORPORATE CARD PROGRAMS AND PAY ANY PREPETITION AMOUNTS RELATED THERETO.**

48. As part of the Cash Management System, the Debtors request authority to continue the Corporate Credit Card Program and, until such time as it is terminated, the Purchase Card Program, in the ordinary course of business, as well as pay any prepetition amounts related thereto. Historically, the Debtors have used the Corporate Card Programs to directly fund necessary business expenses and purchases.

49. Section 363(b) of the Bankruptcy Code permits a debtor, subject to court approval, to pay prepetition obligations where a sound business purpose exists for doing so. *See In re Ionosphere Clubs*, 98 B.R. 174, 175 (Bankr. S.D.N.Y. 1989) (noting that section 363(b) of the Bankruptcy Code provides "broad flexibility" to authorize a debtor to honor prepetition claims where supported by an appropriate business justification). In addition, under section 1107(a) of

the Bankruptcy Code, a debtor in possession has, among other things, the “implied duty of the debtor-in-possession to ‘protect and preserve the estate, including an operating business’ going-concern value.” *In re CEI Roofing, Inc.*, 315 B.R. 50, 59 (Bankr. N.D. Tex. 2004) (quoting *In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002)); *see also In re Equalnet Commc 'ns Corp.*, 258 B.R. 368, 369 (Bankr. S.D. Tex. 2000) (noting that courts authorize debtors to pay, outside of a plan, prepetition claims from “business transactions which are at once individually minute but collectively immense and critical to the survival of the business of the debtor.”).

50. Additionally, under section 105(a) of the Bankruptcy Code, “the Court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of the Bankruptcy Code.” 11 U.S.C. § 105(a); *In re CoServ*, 273 B.R. at 497 (finding that sections 105 and 1107 of the Bankruptcy Code provide the authority for a debtor in possession to pay prepetition claims); *In re Mirant Corp.*, 296 B.R. 427, 429 (Bankr. N.D. Tex. 2003) (noting that non-payment of prepetition claims may seriously damage a debtor’s business).

51. Section 363(c)(1) of the Bankruptcy Code also authorizes the debtor in possession to “use property of the estate in the ordinary course of business without notice or a hearing.” 11 U.S.C. § 363(c)(1). The Debtors engage in the Corporate Card Programs on a regular basis, such that payment of the Credit Cards and Purchase Cards are ordinary course transactions within the meaning of section 363(c)(1) of the Bankruptcy Code and do not require court approval. However, the Debtors are seeking this relief out of an abundance of caution.

52. The Corporate Card Programs provide the Debtors with a streamlined system for funding necessary business expenses and vendor payments and contribute to the efficiency of the Debtors’ business operations. If the Corporate Credit Card Program were discontinued, employees may have to carry the costs of incurred expenses, and if the Purchase Card Program were

discontinued (prior to its planned termination), payments to vendors may be delayed or disrupted. In either case, the overall operation of the Debtors' business would suffer. Therefore, the Debtors request that the Court authorize the Debtors to continue the Corporate Card Programs in the ordinary course of business, subject to the terms and conditions thereof, as applicable.

**V. THE BANKRUPTCY CODE PERMITS THE DEBTORS TO CONTINUE TO ENGAGE IN THE INTERCOMPANY TRANSACTIONS.**

53. The Debtors should be authorized to pay or otherwise settle prepetition Intercompany Claims and to engage in Intercompany Transactions postpetition in the ordinary course of business. Section 363(b) of the Bankruptcy Code provides, in relevant part, that a debtor "may use, sell, or lease, other than in the ordinary course of business, property of the estate" after notice and a hearing. 11 U.S.C. § 363(b)(1). Generally, the debtor is only required to "show that a sound business purpose" justifies the proposed use of property. *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999); *see also In re Phx. Steel Corp.*, 82 B.R. 334, 335–36 (Bankr. D. Del. 1987) (requiring "good business reason" for use under section 363(b) of the Bankruptcy Code). This standard generally bars other parties from second-guessing the debtor's business judgment if the debtor has shown that a use of property will benefit the debtor's estate. *See In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) ("Where the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor's conduct."); *see also In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) ("Overcoming the presumptions of the business judgment rule on the merits is a near-Herculean task.").

54. The Debtors believe that their business judgment to pay or settle prepetition Intercompany Transactions is sound because the Intercompany Transactions reduce the administrative costs they incur, facilitate the satisfaction of the Debtors' obligations, and are

integral to their daily operations. Failing to honor prepetition Intercompany Claims may result in disruptions to certain Debtors' operations and, as a result, deteriorating business relationships and estate value. Thus, the Debtors submit that continuation of the Intercompany Transactions is in the best interests of the Debtors' estates and their creditors.

55. Furthermore, section 363(c) of the Bankruptcy Code provides that a debtor in possession may "enter into transactions" in the ordinary course without notice or a hearing. *See* 11 U.S.C. § 363(c). In evaluating whether a transaction is in the ordinary course, a court must determine whether it is "of the sort commonly undertaken by companies in [the debtor's] industry" and whether it subjects a hypothetical creditor "to economic risk of a nature different from those he accepted when he decided to extend credit." *In re Roth Am., Inc.*, 975 F.2d 949, 952–53 (3d Cir. 1992).

56. The Debtors submit that continuing to engage in Intercompany Transactions is in the ordinary course of their businesses. As noted above, the Debtors have done so historically, and it is typical for corporate groups like the Debtors' to engage in Intercompany Transactions, and cash movements in particular, among the entities that compose them. In the event that consummating Intercompany Transactions is not in the ordinary course, however, the Debtors should be authorized to do so as a sound exercise of their business judgment. The Intercompany Transactions are used precisely because they are administratively beneficial to the Debtors' operations and save the Debtors money. The benefits will accrue appropriately to the Debtors' estates and their creditors, particularly as a result of the administrative claim status the Debtors request be accorded to the Intercompany Claims (as discussed below).

57. Courts frequently have authorized debtors to continue their prepetition intercompany practices after commencement of chapter 11 cases. *See, e.g., In re Paragon Offshore*

*PLC*, No. 16-10383 (CSS) (Bankr. D. Del. April 6, 2016); *In re Verso Corp.*, No. 16-10163 (KG) (Bankr. D. Del. Feb. 23, 2016); *In re Samson Res. Corp.*, No. 15-11934 (CSS) (Bankr. D. Del. Sept. 22, 2015).

58. Further, postpetition Intercompany Claims should be accorded administrative claim status.<sup>13</sup> If postpetition Intercompany Claims are accorded administrative claim status, then each individual Debtor on whose behalf another Debtor has utilized funds or incurred expenses will continue to bear ultimate repayment responsibility, thereby protecting the interests of each individual Debtor's creditors. Accordingly, the Debtors submit that the Court should grant administrative claim status to postpetition Intercompany Claims.

59. In addition, this Court has granted administrative claim status to postpetition Intercompany Claims in other large chapter 11 cases. *See, e.g., In re Paragon Offshore PLC*, No. 16-10383 (CSS) (Bankr. D. Del. April 6, 2016); *In re Verso Corp.*, No. 16-10163 (KG) (Bankr. D. Del. Feb. 23, 2016); *In re Samson Res. Corp.*, No. 15-11934 (CSS) (Bankr. D. Del. Sept. 22, 2015).

60. Accordingly, the Debtors respectfully submit for the reasons above that they should be authorized to continue their prepetition intercompany practices and that the postpetition Intercompany Claims, as applicable, should be granted administrative claim status.

**BANKRUPTCY RULE 6003 HAS BEEN SATISFIED AND  
BANKRUPTCY RULE 6004 SHOULD BE WAIVED**

61. Certain aspects of the relief requested herein are subject to Bankruptcy Rule 6003, which governs the availability of certain types of relief within 21 days after the Petition Date. Pursuant to Bankruptcy Rule 6003, a court may grant this relief on an expedited basis if it is necessary to avoid immediate and irreparable harm. The Debtors submit that the facts set forth

---

<sup>13</sup> Nothing herein constitutes a request to validate the nature or amount of any Intercompany Transaction or Intercompany Claim, if any, whether arising prepetition or postpetition.

herein and in the First Day Declaration demonstrate that the relief requested is necessary to avoid immediate and irreparable harm to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied.

62. Additionally, with respect to any aspect of the relief sought herein that constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a), to the extent not satisfied, and of the fourteen-day stay under Bankruptcy Rule 6004(h). As described above, the relief that the Debtors seek in this Motion is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates. The Debtors thus submit that the requested waiver of the notice requirements of Bankruptcy Rule 6004(a) and of the fourteen-day stay imposed by Bankruptcy Rule 6004(h) is appropriate.

#### **RESERVATION OF RIGHTS**

63. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be

construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

### **NOTICE**

64. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange Commission; (n) the United States Drug Enforcement Agency; (o) the United States Food and Drug Administration; (p) the Banks; and (q) all parties requesting notice pursuant to Bankruptcy Rule 2002. Notice of this Motion and any order entered hereon will be served in accordance with Local Rule 9013-1(m). The Debtors submit that, under the circumstances, no other or further notice is required.

*[Remainder of page intentionally left blank]*

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Orders, granting the relief requested in this Motion and such other relief as may be just and proper.

**ORDERED, ADJUDGED AND DECREED THAT:**

1. The Motion is GRANTED, on an interim basis as set forth herein.
2. The Debtors are authorized, but not directed, to continue to use their current existing Cash Management System and shall maintain through the use thereof detailed records reflecting all transfers of funds, all under the terms and conditions provided for by, and in accordance with, their existing cash management agreements, except as modified by this Interim Order. In connection with the ongoing utilization of the Cash Management System, the Debtors

shall maintain accurate and detailed records with respect to all transfers, including with respect to postpetition Intercompany Claims and Intercompany Transactions, so that all transactions can be readily ascertained, traced, properly recorded, and distinguished between prepetition and postpetition transactions.

3. The Debtors are authorized, but not directed, to continue to engage in Intercompany Transactions on a postpetition basis and to make payments to, or set off amounts owed from, the applicable Debtor or non-Debtor affiliate on account of postpetition Intercompany Claims, in a manner consistent with their practices in effect as of the Petition Date in the ordinary course of business or as necessary to execute the Cash Management System; *provided* that transfers from Debtors to Non-Debtor affiliates shall not exceed \$30,000 on an interim basis.

4. The Debtors are authorized to (a) continue to use the Bank Accounts at the Banks in existence as of the Petition Date in the same manner and with the same account numbers, styles, and document forms as are currently employed and subject to the existing cash management agreements with the Banks; (b) deposit funds in and withdraw funds from the Bank Accounts in the ordinary course by all usual means, including checks, wire transfers, drafts, ACH Payments, and electronic funds transfers or other items presented, issued, or drawn on the Bank Accounts; (c) pay ordinary course Bank Fees in connection with the Bank Accounts, including any Bank Fees arising prior to the Petition Date; (d) perform their obligations under the documents and agreements governing the Bank Accounts; and (e) for all purposes, treat the Bank Accounts as accounts of the Debtors in their capacities as debtors in possession.

5. Those certain existing cash management agreements between the Debtors and the Banks shall continue to govern the postpetition cash management relationship between the Debtors and the respective Bank, and all of the provisions of such agreements, including the termination,

chargeback, and fee provisions, offset rights and all other rights and remedies afforded under such agreements, shall remain in full force and effect, and the Debtors and the Banks may, without further order of this Court, agree to and implement changes to the Cash Management System and procedures related thereto in the ordinary course of business, and any other legal rights afforded to the Banks under applicable law shall be preserved.

6. The Debtors are authorized, but not directed, to continue to operate under the Payment Processing Program. The Debtors are authorized to pay or reimburse the Payment Processing Providers for all applicable fees and other applicable charges, whether arising prepetition or postpetition, and the Payment Processing Providers are authorized to receive or obtain payment for such fees and charges as provided under, and in the manner set forth in, the applicable payment processing agreements. Any postpetition claim which a Payment Processing Processor may have shall be entitled to, in addition to any other lien, collateral or payment priority rights in support thereof, administrative expense priority status pursuant to Section 503(b) of the Bankruptcy Code.

7. The Banks and the Debtors' financial institutions shall be, and hereby are, authorized (a) when requested by the Debtors in their sole discretion, to process, honor, pay, and, if necessary, reissue any and all checks, including prepetition checks that the Debtors reissue postpetition, and electronic funds transfers drawn on the Debtors' Bank Accounts relating to payments permitted by an order of this Court, whether the checks were presented or funds transfer requests were submitted prior to or subsequent to the Petition Date, provided that sufficient funds are available in the applicable accounts to make the payments and (b) to debit the Debtors' Bank Accounts in the ordinary course of business for all undisputed prepetition Bank Fees outstanding as of the date hereof, if any, owed to the Banks.

8. In the course of providing cash management services to the Debtors, each of the Banks and the Payment Processing Providers are authorized, without further order of the Court, to deduct the applicable fees and expenses associated with the nature of the deposit and cash management services rendered to the Debtors (including, without limitation, the Payment Processing Program), whether arising prepetition or postpetition, from the appropriate accounts of the Debtors, and further, to charge back to, and take and apply reserves from, the appropriate accounts of the Debtors any amounts resulting from returned checks or other returned items, including returned items that result from ACH transactions, wire transfers, merchant services transactions or other electronic transfers of any kind, regardless of whether such items were deposited or transferred prepetition or postpetition and regardless of whether the returned items relate to prepetition or postpetition items or transfers.

9. In each instance in which the Debtors hold Bank Accounts at Banks that are party to a Uniform Depository Agreement with the U.S. Trustee, within fifteen days after entry of this Interim Order, the Debtors shall (a) contact the Banks, (b) provide the Banks with each of the Debtors' employer identification numbers, and (c) identify their Bank Accounts held as being held by a debtor-in-possession in a bankruptcy case and provide the main case number. In each instance in which the Debtors hold Bank Accounts at Banks that are not party to a Uniform Depository Agreement with the U.S. Trustee, the Debtors shall use their good faith efforts to cause the Banks to execute a Uniform Depository Agreement in a form prescribed by the U.S. Trustee within forty-five days of the date of this Interim Order, to the extent such Bank is a domestic bank, without prejudice to the Debtors' rights to seek a further extension. The U.S. Trustee's rights to seek further relief from this Court in the event that the aforementioned banks are unwilling to execute a Uniform Depository Agreement in a form prescribed by the U.S. Trustee are fully reserved.

10. Pursuant to Local Rule 2015-2(a), the Debtors are authorized to continue to use their existing checks, correspondence, and other Business Forms without alteration or change and without the designation “Debtor-in-Possession” or a bankruptcy case number imprinted upon them. Notwithstanding the foregoing, once the Debtors’ existing checks have been used, the Debtors shall, when reordering checks, require the designation “Debtor-in-Possession” and the main bankruptcy case number on all checks; provided that, with respect to checks that the Debtors or their agents print themselves, the Debtors shall begin printing the “Debtor-in-Possession” legend and the main bankruptcy case number on such items within ten days of the date of entry of this Interim Order.

11. The Debtors are authorized to continue to utilize all third-party providers necessary for the administration of their Cash Management System. In addition, the Debtors are authorized, but not directed, to pay all prepetition or postpetition amounts due to such third-party providers.

12. Effective as of the Petition Date, and subject to the terms of this Interim Order, all Banks at which the Bank Accounts are maintained are authorized to continue to administer, service, and maintain the Bank Accounts, and the Banks and Payment Processing Providers are authorized to continue to administer, service, and maintain the Payment Processing Program, in each case as such accounts were administered, serviced, and maintained prepetition, without interruption and in the ordinary course (including making deductions and setoffs for any applicable fees or charges related to such services) and consistent with and subject to the applicable cash management agreements or payment processing agreements, to honor any and all checks, drafts, wires, electronic funds transfers, or other items presented, issued, or drawn on the Bank Accounts on account of a claim against the Debtors arising on or after the Petition Date; provided, however, that unless otherwise ordered by the Court and directed by the Debtors, no checks, drafts, electronic

funds transfers (excluding any electronic funds transfer that the Banks are obligated to settle), or other items presented, issued, or drawn on the Bank Accounts on account of a claim against the Debtors arising prior to the Petition Date shall be honored. In no event shall the Banks be required to honor overdrafts or to pay any check, wire, electronic funds transfers, or other debit against the Bank Accounts that is drawn against uncollected funds or, subject to the below, that was issued prior to the Petition Date. Notwithstanding the foregoing, the Banks are authorized to rely on the Debtors' designation of any particular check or electronic payment request, funds transfer, or other transaction (including foreign currency exchanges, transactions or trades) as being approved by order of the Court, and have no duty to inquire as to whether such payments are authorized by an order of this Court, and shall not have any liability to any party for relying on such representations.

13. If any Bank honors a prepetition check or item drawn on any account that is the subject of this Interim Order (a) at the direction of the Debtors to honor such prepetition check or item, (b) in the good faith belief that the Court has authorized such prepetition check or item to be honored, or (c) as a result of a good faith error, such Bank shall not be deemed to be nor shall be liable to the Debtors or their estates on account of such prepetition check or item being honored postpetition or otherwise deemed to be in violation of this Interim Order.

14. The Debtors are authorized to implement such non-material, reasonable changes, consistent with this Interim Order and subject to any existing cash management agreements, to the Cash Management System as the Debtors may deem necessary or appropriate.

15. The Debtors may close any of the Bank Accounts (subject to the terms of their existing cash management agreement) or open any additional bank accounts following the Petition Date wherever the Debtors deem that such accounts are needed or appropriate. Notwithstanding the foregoing, the Debtors shall open such new account(s) only at banks that have executed a

Uniform Depository Agreement with the U.S. Trustee for the District of Delaware, or at such banks that are willing to immediately execute such an agreement. These new accounts are deemed to be Bank Accounts and are similarly subject to the rights, obligations, and relief granted in this Interim Order. The Banks are authorized (but not required, except as set forth in the cash management agreements between the Bank and the Debtors) to honor the Debtors' requests to open or close (as the case may be) such Bank Account(s). In the event that the Debtors open or close any Bank Account(s), such opening or closing shall be timely indicated on the Debtors' monthly operating reports and notice of such opening or closing shall be provided to the U.S. Trustee and counsel to any statutory committee appointed in the Chapter 11 Cases within five business days after the opening or closing of any such account.

16. The Debtors are authorized to deposit funds in accordance with existing practices under the Cash Management System as in effect as of the Petition Date, subject to any reasonable non-material changes, consistent with this Interim Order, to the Cash Management System that the Debtors may implement, and, to the extent such practices are inconsistent with the requirements of section 345(b) of the Bankruptcy Code, the Debtors are hereby granted an extension of time for a period of forty-five (or such additional time as the U.S. Trustee may agree to) from the Petition Date (the "*Extension Period*") within which to either come into compliance with section 345(b) of the Bankruptcy Code or to make such other arrangements as agreed with the U.S. Trustee. Such extension is without prejudice to the Debtors' right to request from this Court a further extension of the Extension Period or a final waiver of the requirements under section 345(b).

17. The Debtors are authorized but not directed to (a) continue the Corporate Card Programs, subject to any terms and conditions under the applicable servicing agreements, on a postpetition basis consistent with their past practices; and (b) pay all obligations related to the

Corporate Card Programs, whether arising prepetition or postpetition, *provided* that the payment of the prepetition obligations under the Corporate Card Programs shall not exceed \$120,000 on an interim basis.

18. The Debtors shall not be required to comply with the requirement of the U.S. Trustee Guidelines to establish separate accounts for cash collateral and/or tax payments.

19. All Intercompany Claims arising after the Petition Date owed by a Debtor to another Debtor under any postpetition Intercompany Transactions authorized hereunder are hereby accorded administrative expense status under sections 503(b) and 507(a) of the Bankruptcy Code.

20. Nothing contained in the Motion or this Interim Order shall be construed to (a) create or perfect, in favor of any person or entity, any interest in cash of a Debtor that did not exist or was not perfected as of the Petition Date, or (b) alter or impair any security interest or perfection thereof, in favor of any person or entity, that existed as of the Petition Date.

21. Neither the provisions contained herein, nor any actions or payments made by the Debtors pursuant to this Interim Order shall be deemed an admission as to the validity of any underlying obligation or a waiver of any rights the Debtors may have to dispute such obligation on any ground that applicable law permits.

22. Notwithstanding anything contained in the Motion or this Interim Order, any payment made, and any authorization of the Debtors contained herein shall be subject to the terms and conditions contained in any interim or final orders entered by this Court authorizing the Debtors to obtain debtor-in-possession financing and/or authorizing the use of cash collateral (each such order, a “*DIP Order*”), the documentation in respect of any such debtor-in-possession financing or use of cash collateral, and any budget in connection with any such debtor-in-possession financing and/or use of cash collateral. To the extent there is any inconsistency

between the terms of the DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP Order shall control.

23. A hearing to consider entry of an order granting the Motion on a final basis (the “*Final Hearing*”) shall be held on \_\_\_\_\_, 2020, at \_\_:\_\_\_\_ .m. (prevailing Eastern time). Any objections or responses to the entry of such an order must be filed on or before 4:00 p.m. (prevailing Eastern time) on \_\_\_\_\_, 2020, and served on (a) proposed counsel to the Debtors, (i) Latham & Watkins LLP, 330 North Wabash Avenue, Suite 2800, Chicago, Illinois 60611, Attn: Caroline Reckler, Asif Attarwala, and Brett Newman (email: caroline.reckler@lw.com; asif.attarwala@lw.com; brett.newman@lw.com), and 885 Third Avenue, New York, New York 10022, Attn: Jeffrey T. **ORDERED, ADJUDGED AND DECREED THAT:**

1. The Motion is GRANTED, on a final basis as set forth herein.
2. The Debtors are authorized, but not directed, to continue to use their current existing Cash Management System and shall maintain through the use thereof detailed records reflecting all transfers of funds, all under the terms and conditions provided for by, and in accordance with, the existing cash management agreements, except as modified by this Final

Order. In connection with the ongoing utilization of the Cash Management System, the Debtors shall maintain accurate and detailed records with respect to all transfers, including with respect to postpetition Intercompany Claims and Intercompany Transactions, so that all transactions can be readily ascertained, traced, properly recorded, and distinguished between prepetition and postpetition transactions.

3. The Debtors are authorized, but not directed, to continue to engage in Intercompany Transactions on a postpetition basis and to make payments to, or set off amounts owed from, the applicable Debtor or non-Debtor affiliate on account of postpetition Intercompany Claims, in a manner consistent with their practices in effect as of the Petition Date in the ordinary course of business or as necessary to execute the Cash Management System.

4. The Debtors are authorized to (a) continue to use the Bank Accounts at the Banks in existence as of the Petition Date in the same manner and with the same account numbers, styles, and document forms as are currently employed and subject to the existing cash management agreements with the Banks; (b) deposit funds in and withdraw funds from the Bank Accounts in the ordinary course by all usual means, including checks, wire transfers, drafts, ACH Payments, and electronic funds transfers or other items presented, issued, or drawn on the Bank Accounts; (c) pay ordinary course Bank Fees in connection with the Bank Accounts, including any Bank Fees arising prior to the Petition Date; (d) perform their obligations under the documents and agreements governing the Bank Accounts; and (e) for all purposes, treat the Bank Accounts as accounts of the Debtors in their capacities as debtors in possession.

5. Those certain existing cash management agreements between the Debtors and the Banks shall continue to govern the postpetition cash management relationship between the Debtors and the respective Bank, and all of the provisions of such agreements, including the termination,

chargeback, and fee provisions, offset rights and all other rights and remedies afforded under such agreements, shall remain in full force and effect, and the Debtors and the Banks may, without further order of this Court, agree to and implement changes to the Cash Management System and procedures related thereto in the ordinary course of business, and any other legal rights afforded to the Banks under applicable law shall be preserved.

6. The Debtors are authorized, but not directed, to continue to operate under the Payment Processing Program. The Debtors are authorized to pay or reimburse the Payment Processing Providers for all applicable fees and other applicable charges, whether arising prepetition or postpetition, and the Payment Processing Providers are authorized to receive or obtain payment for such fees and charges as provided under, and in the manner set forth in, the applicable payment processing agreements. Any postpetition claim which a Payment Processing Processor may have shall be entitled to, in addition to any other lien, collateral or payment priority rights in support thereof, administrative expense priority status pursuant to Section 503(b) of the Bankruptcy Code.

7. The Banks and the Debtors' financial institutions shall be, and hereby are, authorized (a) when requested by the Debtors in their sole discretion, to process, honor, pay, and, if necessary, reissue any and all checks, including prepetition checks that the Debtors reissue postpetition, and electronic funds transfers drawn on the Debtors' Bank Accounts relating to payments permitted by an order of this Court, whether the checks were presented or funds transfer requests were submitted prior to or subsequent to the Petition Date, provided that sufficient funds are available in the applicable accounts to make the payments and (b) to debit the Debtors' Bank Accounts in the ordinary course of business for all undisputed prepetition Bank Fees outstanding as of the date hereof, if any, owed to the Banks.

8. In the course of providing cash management services to the Debtors, each of the Banks and the Payment Processing Providers are authorized, without further order of the Court, to deduct the applicable fees and expenses associated with the nature of the deposit and cash management services rendered to the Debtors (including, without limitation, the Payment Processing Programs), whether arising prepetition or postpetition, from the appropriate accounts of the Debtors, and further, to charge back to, and take and apply reserves from, the appropriate accounts of the Debtors any amounts resulting from returned checks or other returned items, including returned items that result from ACH transactions, wire transfers, merchant services transactions or other electronic transfers of any kind, regardless of whether such items were deposited or transferred prepetition or postpetition and regardless of whether the returned items relate to prepetition or postpetition items or transfers.

9. In each instance in which the Debtors hold Bank Accounts at Banks that are not party to a Uniform Depository Agreement with the U.S. Trustee, the Debtors shall use their good faith efforts to cause the Banks to execute a Uniform Depository Agreement in a form prescribed by the U.S. Trustee within forty-five days of the date of the Interim Order, to the extent such Bank is a domestic bank, without prejudice to the Debtors' rights to seek a further extension. The U.S. Trustee's rights to seek further relief from this Court in the event that the aforementioned banks are unwilling to execute a Uniform Depository Agreement in a form prescribed by the U.S. Trustee are fully reserved.

10. Pursuant to Local Rule 2015-2(a), the Debtors are authorized to continue to use their existing checks, correspondence, and other Business Forms without alteration or change and without the designation "Debtor-in-Possession" or a bankruptcy case number imprinted upon them. Notwithstanding the foregoing, once the Debtors' existing checks have been used, the

Debtors shall, when reordering checks, require the designation “Debtor-in-Possession” and the main bankruptcy case number on all checks; provided that, with respect to checks that the Debtors or their agents print themselves, the Debtors, shall print the “Debtor-in-Possession” legend and the main bankruptcy case number on such items.

11. The Debtors are authorized to continue to utilize all third-party providers necessary for the administration of their Cash Management System. In addition, the Debtors are authorized, but not directed, to pay all prepetition or postpetition amounts due to such third-party providers.

12. Effective as of the Petition Date, and subject to the terms of this Final Order, all Banks at which the Bank Accounts are maintained are authorized to continue to administer, service, and maintain the Bank Accounts, and the Banks and Payment Processing Providers are authorized to continue to administer, service, and maintain the Payment Processing Program, in each case as such accounts were administered, serviced, and maintained prepetition, without interruption and in the ordinary course (including making deductions and setoffs for any applicable fees or charges related to such services, including the Bank Fees) and consistent with and subject to the applicable cash management agreements or payment processing agreements, to honor any and all checks, drafts, wires, electronic funds transfers, or other items presented, issued, or drawn on the Bank Accounts on account of a claim against the Debtors arising on or after the Petition Date; provided, however, that unless otherwise ordered by the Court and directed by the Debtors, no checks, drafts, electronic funds transfers (excluding any electronic funds transfer that the Banks are obligated to settle), or other items presented, issued, or drawn on the Bank Accounts on account of a claim against the Debtors arising prior to the Petition Date shall be honored. In no event shall the Banks be required to honor overdrafts or to pay any check, wire, electronic funds transfers, or other debit against the Bank Accounts that is drawn against uncollected funds or, subject to the

below, that was issued prior to the Petition Date. Notwithstanding the foregoing, the Banks are authorized to rely on the Debtors' designation of any particular check or electronic payment request, funds transfer, or other transaction (including foreign currency exchanges, transactions or trades) as being approved by order of the Court, and have no duty to inquire as to whether such payments are authorized by an order of this Court, and shall not have any liability to any party for relying on such representations.

13. If any Bank honors a prepetition check or item drawn on any account that is the subject of this Final Order (a) at the direction of the Debtors to honor such prepetition check or item, (b) in the good faith belief that the Court has authorized such prepetition check or item to be honored, or (c) as a result of a good faith error, such Bank shall not be deemed to be nor shall be liable to the Debtors or their estates on account of such prepetition check or item being honored postpetition or otherwise deemed to be in violation of this Final Order.

14. The Debtors are authorized to implement such non-material, reasonable changes, consistent with this Final Order and subject to any existing cash management agreements, to the Cash Management System as the Debtors may deem necessary or appropriate.

15. The Debtors may close any of the Bank Accounts (subject to the terms of their existing cash management agreement) or open any additional bank accounts following the Petition Date wherever the Debtors deem that such accounts are needed or appropriate. Notwithstanding the foregoing, the Debtors shall open such new account(s) only at banks that have executed a Uniform Depository Agreement with the U.S. Trustee for the District of Delaware, or at such banks that are willing to immediately execute such an agreement. These new accounts are deemed to be Bank Accounts and are similarly subject to the rights, obligations, and relief granted in this Final Order. The Banks are authorized (but not required, except as set forth in the cash management

agreements between the Bank and the Debtors) to honor the Debtors' requests to open or close (as the case may be) such Bank Account(s). In the event that the Debtors open or close any Bank Account(s), such opening or closing shall be timely indicated on the Debtors' monthly operating reports and notice of such opening or closing shall be provided to the U.S. Trustee and counsel to any statutory committee appointed in the Chapter 11 Cases within five business days after the opening or closing of any such account.

16. The Debtors are authorized to deposit funds in accordance with existing practices under the Cash Management System as in effect as of the Petition Date, subject to any reasonable non-material changes, consistent with this Final Order, to the Cash Management System that the Debtors may implement, and, to the extent such practices are inconsistent with the requirements of section 345(b) of the Bankruptcy Code, the Debtors are hereby granted an extension of time for a period of forty-five days (or such additional time as the U.S. Trustee may agree to) from the Petition Date (the "*Extension Period*") within which to either come into compliance with section 345(b) of the Bankruptcy Code or to make such other arrangements as agreed with the U.S. Trustee. Such extension is without prejudice to the Debtors' right to request from this Court a further extension of the Extension Period or a final waiver of the requirements under section 345(b).

17. The Debtors are authorized but not directed to (a) continue the Corporate Card Programs, subject to any terms and conditions under the applicable servicing agreements, on a postpetition basis consistent with their past practices; and (b) pay all obligations related to the Corporate Card Programs, whether arising prepetition or postpetition; *provided* that the payment of the prepetition obligations under the Corporate Card Programs shall not exceed \$200,000 in an aggregate final amount, inclusive of amounts paid pursuant to the Interim Order, or such higher

amount as may be set forth in any budget governing postpetition financing or the use of cash collateral.

18. The Debtors shall not be required to comply with the requirement of the U.S. Trustee Guidelines to establish separate accounts for cash collateral and/or tax payments.

19. All Intercompany Claims arising after the Petition Date owed by a Debtor to another Debtor under any postpetition Intercompany Transactions authorized hereunder are hereby accorded administrative expense status under sections 503(b) and 507(a) of the Bankruptcy Code.

20. Nothing contained in the Motion, the Interim Order or this Final Order shall be construed to (a) create or perfect, in favor of any person or entity, any interest in cash of a Debtor that did not exist or was not perfected as of the Petition Date, or (b) alter or impair any security interest or perfection thereof, in favor of any person or entity, that existed as of the Petition Date.

21. Neither the provisions contained herein, nor any actions or payments made by the Debtors pursuant to this Final Order shall be deemed an admission as to the validity of any underlying obligation or a waiver of any rights the Debtors may have to dispute such obligation on any ground that applicable law permits.

22. Notwithstanding anything contained in the Motion or this Final Order, any payment made, and any authorization of the Debtors contained herein shall be subject to the terms and conditions contained in any interim or final orders entered by this Court authorizing the Debtors to obtain debtor-in-possession financing and/or authorizing the use of cash collateral (each such order, a "***DIP Order***"), the documentation in respect of any such debtor-in-possession financing or use of cash collateral, and any budget in connection with any such debtor-in-possession financing and/or use of cash collateral. To the extent there is any inconsistency between the terms

of the DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP Order shall control.

23. The terms and conditions of this Final Order are immediately effective and enforceable upon its entry.

24. The Debtors are authorized and empowered to take all actions necessary or appropriate to implement the relief granted in this Final Order.

25. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation and/or interpretation of this Final Order.

submitting separate lists of the thirty (30) largest unsecured creditors of each Debtor, (c) modify requirements to file a list of, and provide notice to, all equity holders, and (d) redact portions of their Consolidated Creditor Matrix and list of equity interest holders containing the email addresses and home addresses of the Debtors' individual creditors and equity interest holders, and (ii) approving notice procedures with respect to certain of the Debtors' customers.

### **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "***Local Rules***"), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 107, 363(b) and 521 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "***Bankruptcy Code***"), rules 1007, 2002(m), 6004, 9007 and 9018 of the Federal Rules of Bankruptcy Procedure (the "***Bankruptcy Rules***"), and Local Rules 1001-1, 1007-1, 1007-2, 2002-1 and 9013-1(m).

### **BACKGROUND**

3. On June 23, 2020 (the "***Petition Date***"), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the "***Chapter 11 Cases***") under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in

possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies' Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the "**First Day Declaration**")<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

#### **THE DEBTORS' PRO ACCESS MEMBERS**

6. The Debtors maintain a paid-membership program called "PRO Access," under which customers pay an annual fee, and in return receive (i) certain benefits not available to other rewards members, and (ii) two shipments per year of sample merchandise and other materials tailored to each member.<sup>4</sup> The PRO Access program has approximately 840,762 current members.

7. As set forth in the Customer Programs Motion, the Debtors are seeking authority to continue to honor their customer programs in the ordinary course of business and pay prepetition

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court's website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors' proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/GNC>.

<sup>4</sup> A more detailed summary of the Pro Access program is set forth in the *Motion of Debtors for Interim and Final Orders Authorizing the Debtors to (I) Maintain and Administer Prepetition Customer Programs and (II) Pay Prepetition Obligations Related Thereto* (the "**Customer Programs Motion**"), filed contemporaneously herewith.

obligations related thereto, including for PRO Access members. Accordingly, subject to approval of the Customer Programs Motion, the Debtors intend to continue the PRO Access program in the ordinary course of business and continue to provide PRO Access members with the benefits under that program.

8. Currently, the Debtors' list of creditors and interested parties, as listed in the Creditor Matrix, filed contemporaneously herewith, contains approximately 79,174 parties. If the Debtors are required to include the PRO Access members, the Creditor Matrix would multiply to over 11 times its original size.

9. Completion of a single mailing via first class U.S. mail on all parties currently listed on the Creditor Matrix (not including PRO Access members) will cost the estate approximately \$43,545.70 in postage alone, plus the additional costs associated with photocopying the notice and paying for the services of Prime Clerk LLC, the Debtors' noticing agent (the "*Noticing Agent*"). If the Debtors are required to serve notices to PRO Access members in addition to parties on the Creditor Matrix, the cost of postage alone will grow to approximately \$505,964.80 for the completion of a single mailing. In addition, the Debtors most common method of communication with the PRO Access members is via email.

10. The Debtors respectfully submit that, in light of the extremely high cost of completing mailings on over 840,000 additional parties, and the fact that the Debtors intend to continue honoring all obligations owed to PRO Access members (subject to Court approval), the Debtors should not be required to include PRO Access members in the Creditor Matrix. To be clear, the Debtors are not requesting to waive service to the PRO Access members. Rather, consistent with the Debtors' ordinary course method of communication with such members, the Debtors propose to provide (i) notice by email to the PRO Access members, where available,

(ii) notice to the home address of the PRO Access members where email is not available, and  
(iii) publication in a nationally circulated newspaper to achieve as wide a distribution as possible where neither email nor home address is available.

### **BASIS FOR RELIEF REQUESTED**

#### **I. CONSOLIDATED CREDITOR MATRIX**

11. Section 521(a)(1)(A) of the Bankruptcy Code requires a debtor to file a list of creditors. 11 U.S.C. § 521(a)(1)(A). Additionally, Bankruptcy Rule 1007(a)(1) requires a debtor to file “a list containing the name and address of each entity included or to be included on Schedules D, E/F, G, and H.” Fed. R. Bank. P. 1007(a)(1). Likewise, Local Rule 1007-2(a) requires a debtor to file, together with its voluntary petition, a list containing the name and complete address of each creditor. Local Rule 2002-1(f)(v) further requires each debtor, or its duly retained notice and claims clerk, in jointly administered cases to maintain a separate creditor matrix. *See* Del. Bankr. L.R. 2002-1(f)(v).

12. Local Rule 1001-1(c), however, authorizes the Court to modify the application of the Local Rules “in the interest of justice.” Del. Bankr. L.R. 1001-1(c). Additionally, section 105(a) of the Bankruptcy Code allows the court to “issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a).

13. The Debtors submit that permitting them to maintain a Consolidated Creditor Matrix, in lieu of filing a separate creditor matrix for each Debtor, is warranted in these Chapter 11 Cases. Requiring the Debtors to segregate and convert their computerized records to a Debtor-specific creditor matrix format would be an unnecessarily burdensome task and result in duplicate mailings. Furthermore, the Debtors will file an application requesting authorization to retain and employ a noticing and claims agent. If such application is granted, the noticing and claims agent will assist with, among other tasks, the mailing of notices to parties. The Debtors believe that a

Consolidated Creditor Matrix will be sufficient to allow their claims and noticing agent to provide notice to all creditors as well as applicable parties in interest during these Chapter 11 Cases, as required by Local Rule 1007-2.

## **II. CONSOLIDATED TOP THIRTY (30) CREDITORS LIST**

14. Pursuant to Bankruptcy Rule 1007(d), a debtor must file, together with its voluntary petition, a list setting forth the names, addresses, and claim amounts of the creditors, excluding insiders, who hold the twenty (20) largest unsecured claims in the debtor's case. *See* Fed. R. Bankr. P. 1007(d).

15. To provide the Office of the United States Trustee for the District of Delaware (the "*U.S. Trustee*") with a clearer picture of the Debtors' creditor constituency, however, the Debtors seek to provide the Consolidated Top Thirty (30) Creditors List as opposed to a list of the twenty (20) largest unsecured creditors for each Debtor. One of the primary purposes of filing a list of a debtor's largest unsecured creditors is to facilitate the U.S. Trustee's evaluation of the types and amounts of unsecured claims asserted against a debtor so that the U.S. Trustee can make an informed decision when identifying potential candidates to serve on an official committee of unsecured creditors. Because many of the Debtors' significant unsecured creditors are already captured on the Consolidated Top Thirty (30) Creditors List, the Consolidated Top Thirty (30) Creditors List will provide the U.S. Trustee with a sufficiently clear picture of the Debtors' unsecured creditor constituency. In addition, the Consolidated Top Thirty (30) Creditors List will help alleviate administrative burdens, costs, and the possibility of duplicative service.

## **III. REQUEST TO MODIFY REQUIREMENTS TO FILE A LIST OF, AND PROVIDE NOTICE TO, ALL EQUITY HOLDERS**

16. Bankruptcy Rule 1007(a)(3) provides that, "unless the court orders otherwise, the debtor shall file within 14 days after entry of the order for relief a list of the debtor's equity security

holders,” including last known addresses of each holder. Fed. R. Bank. P. 1007(a)(3). Bankruptcy Rule 2002(d) further provides that, “unless otherwise ordered by the court,” notice of the order for relief shall be given to all equity security holders. Fed. R. Bankr. P. 2002(d); *see also* 11 U.S.C. § 105(a) (“The court may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of this title.”).

17. The Debtors submit that modification of the requirement to file the list of equity holders and provide notice of the order for relief or commencement of the Chapter 11 Cases to all of the equity holders is appropriate. The Debtors propose to file a list of those equity holders directly registered with the transfer agent for the Debtors’ common equity (with instructions to serve down to beneficial holders, as applicable). As an initial matter, GNC Holdings, Inc. is a publicly held company with approximately 84.61 million common shares outstanding as of the Petition Date. Preparing a list of the equity holders for GNC Holdings, Inc. with last known addresses would have little value. Further, to the extent that the Debtors were even able to ascertain such information, the list would ultimately serve little or no beneficial purpose. In particular, the equity markets will have immediate notice of these Chapter 11 Cases through public news outlets and GNC Holdings, Inc.’s filing of a Form 8-K statement with the Securities and Exchange Commission (the “*SEC*”). The Debtors further submit that if it becomes necessary for such equity interest holders to file proofs of interest, the Debtors will provide them with particularized notice of the deadline and an opportunity to assert such interests. Thus, equity interest holders will not be prejudiced, and a modification of the requirement that GNC Holdings, Inc. file a list of equity interest holders is appropriate.

18. In addition, the Debtors request that they be permitted to modify the requirement to provide notice of the order for relief or commencement of the Chapter 11 Cases to all equity

interest holders. Instead, the Debtors propose to provide notice by: (i) serving equity holders directly registered with the transfer agent for the Debtors' common equity (with instructions to serve down to beneficial holders, as applicable); (ii) publishing the notice of commencement on the Debtors' case website located at <https://cases.primeclerk.com/GNC>; and (iii) filing a Form 8-K with the SEC within four business days following the Petition Date, notifying their investors and other parties of the commencement of the Chapter 11 Cases, as well as any other filings with the SEC, as necessary, and other public announcements. The Debtors submit that these efforts provide adequate notice to the equity interest holders.

19. The Court has granted similar relief in recent complex chapter 11 cases. *See, e.g., In re Pernix Sleep, Inc.*, No. 19-10323 (CSS) (Bankr. D. Del. Apr. 11, 2019); *In re Ciber, Inc.*, No. 17-10772 (BLS) (Bankr. D. Del. Apr. 28, 2017); *In re Hercules Offshore, Inc.*, No. 16-11685 (KJC) (Bankr. D. Del. June 7, 2016); *In re Swift Energy Co.*, No. 15-12670 (MFW) (Bankr. D. Del. Jan. 5, 2016); *In re Radioshack Corp.*, No. 15-10197 (BLS) (Bankr. D. Del. Feb. 9, 2015).

#### **IV. REQUEST TO REDACT CERTAIN PERSONAL IDENTIFICATION INFORMATION CONTAINED IN CONSOLIDATED CREDITOR MATRIX AND LIST OF EQUITY INTEREST HOLDERS**

20. Although the public has a common law "right of access to judicial proceedings and records," *Goldstein v. Forbes (In re Cendant Corp.)*, 260 F.3d 183, 192 (3d Cir. 2001), the Bankruptcy Code permits courts, in appropriate circumstances, to protect individuals from an undue risk of identity theft or other unlawful injury by limiting the public's access, placing papers under seal or otherwise entering orders to prohibit the dissemination of sensitive information. *See* 11 U.S.C. § 107(c); *see also Cendant*, 260 F.3d at 194 (noting the public's right of access "is not absolute") (citation and internal quotation marks omitted); *Leucadia, Inc. v. Applied Extrusion Tech., Inc.*, 998 F.2d 157, 165 (3d Cir. 1993) ("Although the right of access is firmly entrenched,

so also is the correlative principle that the right is not absolute.”) (citation and internal quotation marks omitted).

21. Specifically, section 107 of the Bankruptcy Code enables the Court to issue orders that protect parties from the potential harm that could result from disclosing confidential information. Section 107(b) of the Bankruptcy Code provides, in pertinent part, as follows:

On the request of a party in interest, the bankruptcy court shall, and on the bankruptcy court’s own motion, the bankruptcy court may . . . protect an entity with respect to a trade secret or confidential research, development, or commercial information . . . .

11 U.S.C. § 107(b)(1); *see* Fed. R. Bankr. P. 9018 (same).

22. Additionally, section 107(c) of the Bankruptcy Code provides:

The bankruptcy court, for cause, may protect an individual, with respect to the following types of information to the extent the court finds that disclosure of such information would create undue risk of identity theft or other unlawful injury to the individual or the individual’s property:

(A) Any means of identification (as defined in section 1028(d) of title 18 [of the United States Code]) contained in a paper filed, or to be filed, in a case under this title.

(B) Other information contained in a paper described in subparagraph (A).

11 U.S.C. § 107(c)(1).

23. The Debtors respectfully submit that it is appropriate to authorize the Debtors to redact from any paper filed or to be filed with the Court in these Chapter 11 Cases the email addresses and home addresses of the Debtors’ individual creditors (including employees) and equity interest holders because such information could be used, among other things, to perpetrate identity theft or locate survivors of domestic violence or stalking who have otherwise taken steps to conceal their whereabouts. This risk is not merely speculative. In at least one recent chapter 11 case, the abusive former partner of a debtor’s employee exploited the publicly accessible creditor

and employee information filed in the chapter 11 case to track the employee to her new address, which had not been publicly available until then, forcing the employee to change addresses again for her safety. The Debtors propose to provide an unredacted version of the Creditor Matrix and any other redacted, applicable filings to the Court, the U.S. Trustee, counsel to an official committee of unsecured creditors appointed in these Chapter 11 Cases (if any) and other parties in interest upon reasonable request.

24. Courts in this jurisdiction and others have granted this relief in comparable Chapter 11 Cases. *See, e.g., In re Art Van Furniture, LLC*, No. 20-10553 (CSS) (Bankr. D. Del. Mar. 10, 2020) (authorizing the debtors to redact personally identifiable information, including home address information, of the debtors' individual creditors and interest holders on the creditor matrix and similar documents filed with the court); *In re Melinta Therapeutics, Inc.*, No. 19-12748 (LSS) (Bankr. D. Del. Feb. 7, 2020) (authorizing the debtors to file under seal the portions of the creditor matrix, the schedules and statements, and any related affidavits of service containing the home addresses of the debtors' current employees); *In re Clover Techs. Grp., LLC*, No. 19-12680 (KBO) (Bankr. D. Del. Feb. 4, 2020) (authorizing the debtors to redact personal identification information, including home address information, of all individuals on documents filed with the court); *In re Forever 21, Inc.*, No. 19-12122 (KG) (Bankr. D. Del. Dec. 19, 2019) (same).<sup>5</sup>

25. Recently, in addition to granting the requested relief, courts in this district have also stressed the importance of authorizing debtors to redact individual creditors' personally identifiable information, including home addresses in particular. In *Art Van Furniture*, in

Dec. 4, 2018) [Docket No. 221]; *In re Keystone Tube Co., LLC*, Case No. 17-11330 (LSS) (Bankr. D. Del. Jun. 20, 2017) [Docket No. 59]; *In re Dex Media, Inc.*, Case No. 16-11200 (KG) (Bankr. D. Del. May 18, 2016) [Docket No. 51].

overruling the objection of the U.S. Trustee to the same redaction relief proposed here, Chief Judge Sontchi noted that the proposed redaction is not a “burden of proof” issue so “much as a common sense issue.” Hr’g Tr. at 25:6–7, *In re Art Van Furniture, LLC*, No. 20-10553 (CSS) (Bankr. D. Del. Mar. 10, 2020).<sup>6</sup> Judge Sontchi found that “at this point and given the risks associated with having any kind of private information out on the internet, [redaction] has really become routine [and] I think obvious relief.” *Id.* at 25:13–16. Similarly, in *Clover Technologies*, Judge Owens overruled the U.S. Trustee’s objection, noting that “[t]o me it is common sense. I don’t need evidence that there is, at best, a risk of identity theft and worse a risk of personal injury from listing someone’s name and address on the internet by way of the court’s electronic case filing system and, of course, the claims agent’s website. . . . The court can completely avoid contributing to the risk by redacting the addresses. And while there is, of course, an important right of access we routinely redact sensitive and confidential information for corporate entities and redact individual’s home addresses.” Hr’g Tr. at 24:21-25, 25:9-10, *In re Clover Techs. Grp., LLC*, No. 19-12680 (KBO) (Bankr. D. Del. Jan. 22, 2020). And, in *Forever 21*, in overruling the U.S. Trustee’s objection, Judge Gross found that “[w]e live in a new age in which the theft of personal identification is a real risk, as is injury to persons who, for personal reasons, seek to have their addresses withheld.” Hr’g Tr. at 60:22–25, *In re Forever 21, Inc.*, No. 19-12122 (KG) (Bankr. D. Del. Dec. 19, 2019).

---

<sup>6</sup> Similarly, Judge Sontchi previously overruled the U.S. Trustee’s objection to the redaction of individuals’ information and found that “it’s just plain common sense in 2019—soon to be 2020—to put as little information out as possible about people’s personal lives to present [sic] scams . . . [Identity theft] is a real-life issue, and, of course, the issue of domestic violence is extremely important.” Hr’g Tr. at 48:20–22, 49:3–5, *In re Anna Holdings*, No. 19-12551 (CSS) (Bankr. D. Del. Dec. 3, 2019).

Notably, Judge Sontchi acknowledged that “the world is very different from [the 1980s] when you and I started practice with the problems of identity theft” and that his perspective had evolved in that he was not previously aware of “the dangers with this kind of information becoming public.” *See* Hr’g Tr. at 45:25-46:2, 47:22–24. The Debtors reserve the right to supplement the record with respect to such risks insofar as they are not self-evident in this instance.

26. For these reasons, the Debtors respectfully submit that cause exists to authorize the Debtors to seal, pursuant to 11 U.S.C. § 107(c)(1), personally identifiable information—including email addresses and home addresses—in respect of the Debtors’ individual creditors (including employees) who are listed on the Creditor Matrix, and interest holders who are listed on the equity interest holder list or any other document filed with the Court. Absent such relief, the Debtors would unnecessarily render individuals more susceptible to identity theft and could jeopardize the safety of individuals who, unbeknownst to the Debtors, are survivors of domestic violence or stalking by publishing their home addresses without any advance notice or opportunity to opt out or take protective measures.

**V. REQUEST TO ALTER NOTICE REQUIRED PURSUANT TO BANKRUPTCY RULE 2002(A) WITH RESPECT TO PRO ACCESS MEMBERS**

27. The resources of a debtor in possession’s estate are always limited, and a Bankruptcy Court must use discretion in deciding how those limited assets should be allocated among various creditor constituencies, including how much to spend on providing notice to creditors. *See In re US Airways, Inc.*, 2005 Bankr. LEXIS 2696, 19-20 (Bankr. E.D. Va. Nov. 21, 2005) (*citing Vancouver Women’s Health Collective Soc. v. A.H. Robins Co. (In re A.H. Robins)*, 820 F.2d 1359, 1364 (4th Cir. 1987)).

In Bankruptcy, the court has an obligation not only to the potential claimants, but also to existing claimants and the petitioner’s stockholders. The Court must balance the needs of notification of potential claimants with the interests of existing creditors and claimants. A bankrupt estate’s resources are always limited and the bankruptcy court must use discretion in balancing these interests when deciding how much to spend on notification.

*Id.* Accordingly, “[n]otice by publication may thus be entirely appropriate when the potential claimants are numerous, unknown, or have small claims (whether nominally or, . . . realistically).”

*Fogel v. Zell*, 221 F.3d 955, 963 (7th Cir. 2000).

28. A debtor need only do what is reasonable under the circumstances to provide notice to ascertainable creditors. *See White v. New Century TRS Holdings, (In re New Century TRS Holdings, Inc.)*, 450 B.R. 504, 513 (Bankr. D. Del. 2011). “What is reasonable must be determined by considering the totality of the circumstances in each case in light of certain factors, including . . . whether the cost of giving actual notice would consume a disproportionate share of the debtor’s resources . . . .” *Id.* at note 12.

29. The Advisory Committee Note to Bankruptcy Rule 2002 suggests general situations in which notice by publication may be advisable: (1) the debtor has disappeared; (2) the debtor’s records have been destroyed together with the names and addresses of creditors; or (3) the number of nominal creditors is large and the assets are insufficient to defray the costs of mailing notices. *See Fed. R. Bankr. P. 2002, advisory committee’s notes (1983).*

30. Mailing notices in the Debtors’ cases to a matrix of creditors that includes PRO Access members would present a continuing burden to the estates and will result in excessive administrative expenses and consume a disproportionate share of the Debtors’ resources. A single, “global” mailing of a first-class letter to the PRO Access members will cost the estate over \$450,000 in postage alone. This cost is unreasonable and disproportionately high when compared to the approximately \$5.1 million value of shipments owed to PRO Access members, in addition to the fact that the Debtors’ ordinary course practice is to communicate to such members via email.

31. On information and belief, this approach of excluding a large subscriber base from the creditor matrix has been previously utilized in bankruptcies involving large media companies. *See e.g., In re Affiliated Media, Inc.*, Case No. 10-10202 (KJC) (Bankr. D. Del. Jan. 22, 2010) (stating in *Declaration of Ronald A. Mayo, Vice President and Chief Financial Officer of Affiliated Media, Inc., in Support of First Day Relief Filed by Affiliated Media, Inc.* [Docket No. 3], filed

Jan. 22, 2010, that the Company had a daily and Sunday paid circulation of approximately 2.3 million and 2.4 million, respectively, but only listing 651 creditors in the *List of Creditors Filed by Affiliated Media, Inc.* [Docket No. 2], filed Jan. 22, 2010); *In re CommerceConnect Media Holdings, Inc.*, Case No. 09-12765 (BLS) (Bankr. D. Del. Aug. 3, 2009) (stating in *Motion to Continue Customer Programs Filed by CommerceConnect Media Holdings, Inc.* [Docket No. 5], filed Aug. 3, 2009, that the Company had sold approximately 1,372,000 subscriptions that were paid for but not yet delivered to customers and received approximately 63,300 prepayment deposits for trade shows from approximately 62,000 customers, but only listing 7,495 creditors in the *List of Creditors Matrix Filed by CommerceConnect Media Holdings, Inc.* [Docket No. 17], filed Aug. 3, 2009); *In re Chicago Newspaper Liquidation Corp.*, Case No. 09-11092 (CSS) (Bankr. D. Del. Mar. 31, 2009) (stating in *the Declaration of James D. McDonough in Support of First Day Motions Filed by Sun-Times Media Group, Inc.* [Docket No. 4], filed Mar. 31, 2009, that the company had an average audit circulation of 536,202 copies on weekdays, 398,996 copies on Saturdays, and 491,217 copies on Sundays, but only listing approximately 25,000 entries in the *List of Creditors Filed by Sun-Times Media Group, Inc.* [Docket No. 16], filed Mar. 31, 2009); *In re Tribune Company*, Case No. 08-13141 (KJC) (Bankr. D. Del. Dec. 8, 2008) (stating in the *Affidavit of Chandler Bigelow, III, Senior Vice President and Chief Financial Officer of Tribune Company in Support of First Day Motions* [Docket No. 3], filed Dec. 8, 2008, that the company had a paid circulation of 2.2 million copies daily and 3.3 million copies on Sundays, but only listing approximately 71,600 entries in the *List of Creditors Filed by Tribune Company* [Docket No. 17], filed Dec. 8, 2008).

32. Pursuant to Section 105(a) of the Bankruptcy Code, the Court “may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions” of the Bankruptcy

Code. 11 U.S.C. § 105(a). Bankruptcy Rule 2002(m) provides that “[t]he court may from time to time enter orders designating the matters in respect to which, the entity to whom, and the form and manner in which notices shall be sent . . .” Fed. R. Bankr. P. 2002(m). Bankruptcy Rule 9007 states that “[w]hen notice is to be given under these rules, the court shall designate, if not otherwise specified herein, . . . the entities to whom, and the form and manner in which the notice shall be given.” Fed. R. Bankr. P. 9007. Together, Bankruptcy Rules 2002(m), 9007, and Section 105(a) of the Bankruptcy Code provide this Court with the authority to limit the parties to whom notice is given. *See also In re Duncraggen Realty Corp.*, 2007 Bankr. LEXIS 3003 (Bankr. S.D.N.Y. Aug. 29, 2007) (recognizing the Court’s authority to regulate notices pursuant to Bankruptcy Rule 9007).

33. Limiting service of paper copies to major creditor constituencies and those parties most interested in the cases will reduce the Debtors’ administrative costs, conserve resources, and maximize value of the estate available to satisfy creditors.

34. The Debtors respectfully submit that, in light of the extremely high cost of completing mailings on over 840,000 additional parties, and the fact that the Debtors intend to continue honoring all obligations owed to PRO Access members (subject to Court approval), the Debtors should not be required to include PRO Access members in the Creditor Matrix. The Debtors respectfully submit that (i) notice by email to the PRO Access members, where available, (ii) notice to the home address of the PRO Access where email is not available, and (iii) publication in a nationally circulated newspaper to achieve as wide a distribution as possible where neither email nor home address is available, constitutes good and sufficient notice to PRO Access members for the purposes of Bankruptcy Rule 2002.

**NOTICE**

35. approximately \$12.5 million is for goods received in the 20 days prior to the Petition Date (as defined below) and thus entitled to administrative expense priority.

### **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “**Local Rules**”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 363(b), 503(b)(9), 1107(a) and 1108 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “**Bankruptcy Code**”) and rules 6003 and 6004 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

### **BACKGROUND**

3. On June 23, 2020 (the “**Petition Date**”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “**Chapter 11 Cases**”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies' Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the "**First Day Declaration**")<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

#### **THE CRITICAL VENDORS AND THE CRITICAL VENDOR CLAIMS**

6. The Debtors' core business is delivering the very best in health, wellness, and performance products to their loyal customer base. While their business is vertically integrated, from formulating and manufacturing products to selling them in their retail stores and online, the Debtors rely on a network of critical vendors for a number of goods and services. These critical vendors include: (a) suppliers of (i) products that the Debtors sell as their own branded products to customers (the "**Branded Products Suppliers**"), (ii) products that the Debtors sell directly to customers (the "**Third-Party Products Suppliers**"), and (iii) packaging and labeling that the Debtors use to package and label shipments directly to customers (the "**Packaging Suppliers**" and together with the Branded Products Suppliers and Third-Party Products Suppliers, the

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court's website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors' proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

“*Suppliers*”);<sup>4</sup> (b) providers of information technology services (the “*Information Technology Service Providers*”); and (c) providers of advertising and other critical services (the “*Advertising and Other Service Providers*”). The goods and services these vendors provide and the Debtors’ relationships with them are described further below.

7. In keeping with their fiduciary duties and in the exercise of their sound business judgment, the Debtors, their management team, and their advisors invested considerable efforts evaluating their vendors (the “*Vendors*”) and their projected prepetition claims during the weeks leading up to the Petition Date. More specifically, the Debtors considered the following criteria to identify the pool of Vendors whose claims would need to be paid to smooth the Debtors’ transition into chapter 11, maximize value, and keep their reorganization efforts advancing:

- whether a Vendor is a sole- or limited-source or high-volume supplier for goods or services critical to the Debtors’ business operations;
- whether alternative vendors are available that can provide requisite volumes of similar goods or services on equal (or better) terms and, if so, whether the Debtors would be able to continue operating while transitioning to an alternative;
- the degree to which replacement costs (including pricing, transition expenses, professional fees, and lost sales or future revenue) exceed the amount of a Vendor’s prepetition claim;
- whether an agreement exists by which the Debtors could compel a Vendor to continue performing on prepetition terms;
- whether certain specifications or contract requirements prevent, directly or indirectly, the Debtors from obtaining goods or services from alternative sources;
- whether failure to pay all or part of a particular Vendor’s claim could cause the vendor to refuse to ship inventory or to provide critical services postpetition;

---

<sup>4</sup> Certain of the Suppliers are both Branded Products Suppliers and Third-Party Products Suppliers.

- whether the Debtors’ inability to pay all or part of a Vendor’s prepetition claim could trigger financial distress for the Vendor; and
- whether failure to pay a Vendor could result in contraction of trade terms as a matter of applicable nonbankruptcy law or regulation.

8. Based on this evaluation, the Debtors believe that they may need to pay certain critical Vendors up to \$25.0 million in the first 21 days of the Chapter 11 Cases and up to \$40.0 million in total on account of prepetition claims (collectively, the “*Critical Vendor Claims*,” and the Vendors holding such claims, the “*Critical Vendors*”)<sup>5</sup> to avoid significant disruption to their operations and degradation to the value of their estates. While the Debtors will attempt to negotiate with the Critical Vendors to avoid having to make these payments, authorizing them to do so (as necessary and subject to the terms set forth in the Proposed Orders and described herein) is fully justified in these circumstances. In particular, each of the Critical Vendors provides important goods or services for the Debtors, which are described further below, and satisfies one or more of the criteria the Debtors considered.

## **I. SUPPLIERS**

9. The Debtors’ business is dependent on delivering the very best in health, wellness, and performance products to their loyal customer base, and without the Critical Vendors of specialized goods, the Debtors could not effectively compete in the marketplace. If the Debtors fail to stock such core products, the effects would extend far beyond simply not selling those particular products. If consumers become aware that the Debtors do not stock a well-known, high quality product, they will simply not visit the Debtors’ stores or website, where such customers

---

<sup>5</sup> The Critical Vendor Claims do not include any claims which the Debtors have requested authority to pay under the *Motion of Debtors for Orders (A) Authorizing Payment of Prepetition Lien Claims and Import Claims and (B) Confirming Administrative Expense Priority of Outstanding Orders*, filed contemporaneously herewith (the “*Lien Claimants Motion*”), which claims may be held by Critical Vendors. To the extent the relief requested in the Lien Claimants Motion is not granted, the Debtors reserve the right to request, on appropriate notice to parties in interest, that the proposed caps on payment of Critical Vendor Claims be increased.

otherwise may have purchased additional items beyond the one product that they initially sought. In addition, certain of the Debtors' items are already included in advertisements. Without these core products, the Debtors' business would suffer greatly.

10. The Debtors obtain these core products from a limited number of highly specialized Critical Vendors that are irreplaceable, due to, among other things, demand created by branding and marketing for finished products, the technical supply and manufacturing process, and the perishability and geographic location of raw materials. Moreover, the Debtors rely on timely and frequent delivery of these critical goods and services, and any interruption in this supply—however brief—would disrupt the Debtors' operations and could potentially cause irreparable harm to their business, goodwill, customer base, and market share. The harm to the Debtors' estates of not having products or services provided by the Critical Vendors would far outweigh the cost of payment of the Critical Vendor Claims.

**A. Branded Products Suppliers**

11. The Debtors sell a variety of products which are GNC-branded, including, but not limited to, protein powders, vitamins, and other dietary supplements. These products, which the Debtors must keep readily available to satisfy customer demand, are manufactured and supplied by the Branded Products Suppliers. Before the Debtors will accept products to be used as their branded products, each Branded Products Supplier must be individually deemed qualified and have the applicable product specifications validated by the Debtors and, in some cases, a third party auditor. Onboarding a Branded Products Supplier can take 12 to 15 weeks of sampling and testing, an additional 8 to 12 weeks of lead times, 12 weeks of stability testing, and a minimum of two weeks of consumer testing. Coordination among product development, packaging, merchandising, the Debtors' brand contacts, project management, and formula and bottle/cap/labels specialists at fill and packaging vendors is required to complete the review process. This technical and time

consuming process is necessary to ensure uniform production of the high-quality products that the Debtors' customers have come to expect. In addition, the Debtors' third-party contract customers typically require their own approval and specification validation process for any replacement Branded Products Supplier. Due to the specialized nature of the supply chain, replacing an existing Branded Products Supplier would be extremely time consuming and disruptive. Accordingly, the Branded Products Suppliers are vital to the Debtors' businesses and not replaceable absent significant cost and disruption.

12. Certain of the Branded Products Suppliers provide products in quantities that would be difficult or impossible to replace. Simply put, without a consistent stream of goods from the Branded Products Suppliers, the Debtors would be unable to supply the requisite amount of product to meet customer demand, and the Debtors' shelves would quickly run empty, directly affecting sales and revenue. In addition, many of the Branded Products Suppliers are invaluable as they are sole- or limited-source or high-volume suppliers for certain products. Accordingly, Branded Products Suppliers are essential to the Debtors' business and the continued production of the Debtors' products.

**B. Third-Party Products Suppliers**

13. Certain of the Debtors' Critical Vendors are Third-Party Products Suppliers. Given the unique nature of the merchandise sold in the Debtors' stores, with certain products having strong, entrenched brand identities that render them irreplaceable, the inventory and merchandise that the Debtors purchase from the Third-Party Products Suppliers cannot be substituted. Furthermore, the Debtors' business is reliant on the sale of such products, as a failure to stock the highest quality, most in-demand products would render the Debtors' stores irrelevant to the vast majority of shoppers, resulting in significant lost revenue. Without these Third-Party Products

Suppliers' products and agreement to continue an ordinary course relationship, the Debtors cannot operate a profitable, successful business.

14. Furthermore, in the case of certain Third-Party Products Suppliers, the Debtors' have exclusivity arrangements for their products. These arrangements provide the Debtors an opportunity to provide products not offered by their competitors and are key to maintaining the Debtors' success in the market. If the Debtors are unable to pay such Critical Vendors, the Debtors may lose exclusivity, removing a key differentiating factor in the Debtors' business.

15. Additionally, in the case of both Third-Party Products Suppliers and Branded Products Suppliers, products supplied to and sold by the Debtors and the Debtors' non-debtor affiliates outside the United States usually must be registered with applicable government authorities. This registration process historically has taken between 12-18 months before such products were approved for sale in such locations. If the Debtors are unable to pay the Third-Party Products Suppliers and Branded Products Suppliers, any replacement products sold outside the United States in locations where product registration is required would not be able to be sold until such products are successfully registered. This would cause a significant reduction in the Debtors' product offerings and would likely result in significant lost revenue.

### **C. Packaging Suppliers**

16. The Debtors' rely on a number of Packaging Suppliers to provide packaging and labelling used to ship products directly to customers who purchase products via the Debtors' e-commerce channels. If the Debtors' supply of packaging and labelling provided by the Packaging Suppliers were interrupted, the Debtors would be unable to provide their products to customers until relationships with alternative suppliers are established, which could take some time and would be a significant disruption in the Debtors' business. Additionally, the products provided by the Packaging Suppliers are especially integral to the Debtors' e-commerce operation

(which is the fastest growing sales channel for the Debtors), and any disruption in the Debtors' relationship with the Packaging Suppliers could have a detrimental effect on this essential part of the Debtors' business.

**D. Nutra Manufacturing**

17. The Debtors' largest supplier by dollar value is Nutra Manufacturing, LLC ("**Nutra**"), and Nutra is the Debtors' most important Critical Vendor.

18. As discussed further in the First Day Declaration, in March 2019, non-Debtor affiliate GNC Newco Parent, LLC ("**GNC Newco Parent**") sold a 57.14% stake in Nutra to International Vitamin Corporation ("**IVC**") for an aggregate purchase price of \$101 million, and agreed to sell IVC the remaining stake in Nutra in equal installments on or around each of the four anniversaries following the initial sale, for an aggregate purchase price of \$75 million (subject to adjustment based on Nutra's performance). The Debtors currently own, indirectly through non-Debtor affiliate GNC Newco Parent, approximately 32.14% of Nutra, but will sell that stake in installments over the next three years to IVC.

19. In connection with the above-referenced transaction, (i) non-Debtor GNC Supply Purchaser, LLC ("**Supply Purchaser**") entered into a product supply agreement (the "**Product Supply Agreement**") with Nutra, whereby Nutra agreed to manufacture and supply products to Supply Purchaser, and (ii) Debtor General Nutrition Corporation entered into a contract with Supply Purchaser to provide Supply Purchaser the services required to perform Supply Purchaser's obligations under the Product Supply Agreement (including the obligation to pay Nutra), and Supply Purchaser agreed to direct Nutra to deliver all products directly to General Nutrition Corporation. No Debtor entity is party to the Product Supply Agreement with Nutra.

20. Payment to Nutra as a Critical Vendor is essential for several reasons. **First**, since the Debtors are not party to the Product Supply Agreement, and they do not have control of Nutra,

they cannot compel Nutra to continue supplying them product. *Second*, the disruption and loss of revenue from Nutra's failure to supply products would be significant. Nutra's products are unique GNC-branded products, and are sold throughout all of the Debtors' channels, including domestic, Canada, international, and wholesale. In addition, Nutra's products are some of the Debtors' highest margin products, and represent a disproportionate share of the Debtors' revenue and profit. *Third*, the three remaining installment payments from IVC for the purchase of Nutra are subject to adjustment based on the magnitude of product acquired under the Product Supply Agreement. Accordingly, a halt in the purchase of goods from Nutra would result in a significant reduction of the amount the Debtors will receive from IVC for the Debtors' remaining interest in Nutra. In the event the Product Supply Agreement is terminated, future installment payments could be reduced to zero. *Fourth*, GNC Newco Parent's interest in Nutra is pledged to IVC, such that in the event of a breach of the Product Supply Agreement, IVC may foreclose on GNC Newco Parent's remaining interests in Nutra.

## **II. INFORMATION TECHNOLOGY**

21. Additionally, the Debtors' business requires a global software platform in order to meet the needs of their customers. The Debtors rely on a number of Information Technology Service Providers to provide services which include marketing customer relationship management, a cloud-based system, data management, a semi-integrated payment support system, and a system that allows consumers to make online purchases, receive shipments from the Debtors' stores, and place orders for store pickup. The Information Technology Service Providers are instrumental in the Debtors' ability to manage their customers, and the services they provide are essential for the Debtors to maintain their physical and digital commerce channels. Disruptions to these services would result in significant damage to the Debtors' commercial platform.

22. Without the functions provided by the Information Technology Service Providers, the Debtors would not be able to meet the demands of consumers or maintain their business operations, and the Debtors could lose the sensitive and vital information that they have accumulated during their many years of operation. Furthermore, the costs that the Debtors would incur to replace these systems would be significant. Replacement of the current data system would require a technical, extensive, and time consuming process as the Debtors would need to coordinate among many departments and develop new software to set up these systems and rebuild them from the ground up.

### **III. ADVERTISING AND OTHER SERVICES**

23. A significant portion of the Debtors' business is derived from consistent customers who have come to expect quality customer service from the Debtors for their products. Certain Advertising and Other Service Providers allow customers to access chat and phone services where they are able to inquire about products, place orders, report any issues, and provide any other information which allows the Debtors to better meet consumer needs. Additionally, the Debtors rely on advertising support services to reach shoppers on desktops, tablets, and mobile devices, create relevant campaigns, and access transparent campaign metrics. The ability to maintain this platform is essential for the Debtors to continue operations and generate sales. The services provided by the Advertising and Other Service Providers allow the Debtors to support and maintain their customer base, and are responsible for a significant amount of the Debtors' sales. Without this, the Debtors would face significant loss to their revenue and be unable to maintain their current business operations.

### **REQUIREMENT OF CUSTOMARY TRADE TERMS**

24. As set forth in the Proposed Orders, the Debtors propose that any Critical Vendor that accepts payment of its Critical Vendor Claims be required—as a condition to the payment—

to provide the Debtors trade terms in line with historical practice, including with respect to credit limits, pricing, cash discounts, timing of payments, allowances, product mix, availability, other terms covered by existing agreements, or other programs, for all goods and services delivered postpetition and to continue supplying those goods and services for the duration of the Chapter 11 Cases. Therefore, the Debtors seek authority to condition the payment of any Critical Vendor Claim on the applicable Critical Vendor's agreement to continue to provide goods or services to the Debtors for the duration of the Chapter 11 Cases in accordance with trade terms at least as favorable to the Debtors as those in place as of 180 days before the Petition Date, as the same may be modified by any Trade Agreement (as defined below) (the "*Customary Trade Terms*").

25. To memorialize this agreement, the Debtors propose to execute a trade agreement, substantially in the form attached hereto as **Exhibit C** (each, a "*Trade Agreement*"). The Debtors request authority to enter into these Trade Agreements, including such modifications or amendments thereto as the Debtors may determine in their business judgment are in the best interests of their estates.

26. If any party accepts payment of its Critical Vendor Claim under the Proposed Orders and thereafter fails to provide the Debtors with the Customary Trade Terms, the Proposed Orders will provide that, subject to the terms of any Trade Agreement with that party: (a) the payment may be deemed to be an improper postpetition transfer on account of a prepetition claim and immediately recoverable by the Debtors in cash upon written request; (b) upon recovery by the Debtors, any prepetition claim of the party will be reinstated as if the payment had not been made; and (c) if there exists an outstanding postpetition balance due from the Debtors to the party, the Debtors may elect to recharacterize and apply any payment made under the Proposed Orders to the outstanding postpetition balance, with the Critical Vendor being required to return any

amounts in excess of such balance to the Debtors without setoff or other provisions for payment of claims of any kind.

### **BASIS FOR RELIEF**

#### **I. PAYING THE CRITICAL VENDOR CLAIMS IS IN THE BEST INTERESTS OF THE DEBTORS' ESTATES AND THEIR CREDITORS**

27. In order to ensure the success of the Debtors' businesses, the Debtors necessarily rely on certain Critical Vendors that provide the Debtors with goods and services related to the Debtors' operations. Without the goods and services provided by the Critical Vendors, the Debtors would be unable to efficiently provide products to their customers. Unless the Debtors are authorized to pay the Critical Vendor Claims, the Debtors believe that the Critical Vendors may refuse to provide critical goods and services, resulting in a material disruption of the Debtors' operations. Such a disruption in operations could lead to a significant loss of business, erosion of goodwill, and deterioration in the value of the Debtors' operations to the detriment of the Debtors' stakeholders.

#### **II. PAYING THE CRITICAL VENDOR CLAIMS IS APPROPRIATE UNDER SECTION 363(B) AND 105(A) OF THE BANKRUPTCY CODE AND THE DOCTRINE OF NECESSITY.**

28. The relief requested in this motion is appropriate under sections 363(b) and 105(a) of the Bankruptcy Code. As described below, payment of Critical Vendor Claims is necessary to ensure continued operation of the Debtors' business and, in turn, preserve and enhance the value of the Debtors' estates.

##### **A. PAYING THE CRITICAL VENDOR CLAIMS IS A SOUND EXERCISE OF BUSINESS JUDGMENT AND THEREFORE SHOULD BE APPROVED.**

29. The Debtors should be authorized to pay the Critical Vendor Claims on the terms set forth in the Proposed Orders, as it reflects a sound exercise of their business judgment. Section 363(b) of the Bankruptcy Code provides, in relevant part, that a debtor "may use, sell, or lease,

other than in the ordinary course of business, property of the estate” after notice and a hearing. 11 U.S.C. § 363(b)(1). Generally, the debtor is only required to “show that a sound business purpose” justifies the proposed use of property. *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999); *see also In re Phx. Steel Corp.*, 82 B.R. 334, 335–36 (Bankr. D. Del. 1987) (requiring “good business reason” for use under section 363(b) of the Bankruptcy Code). This standard prohibits other parties from second-guessing the debtor’s business judgment if the debtor has shown that the proposed use will benefit the debtor’s estate. *See In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) (“Where the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor’s conduct.”); *see also In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) (“Overcoming the presumptions of the business judgment rule on the merits is a near-Herculean task.”).

**B. PAYING THE CRITICAL VENDOR CLAIMS IS NECESSARY TO THE SUCCESS OF THE DEBTORS’ REORGANIZATION AND THEREFORE SHOULD BE APPROVED.**

30. In addition, the Debtors should be authorized to pay the Critical Vendor Claims as set forth in the Proposed Orders because doing so is necessary to the success of their reorganization. Section 105(a) of the Bankruptcy Code provides that a bankruptcy court “may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions” of the Bankruptcy Code. 11 U.S.C. § 105(a). Courts have interpreted this provision to authorize payments on prepetition claims where the payments are essential to the success of the debtor’s reorganization under what is known as the “necessity of payment doctrine.” *See In re Lehigh & New Eng. Ry.*, 657 F.2d 570, 581 (3d Cir. 1981) (“Thus, the ‘necessity of payment’ doctrine...teaches no more than, if a payment of a claim which arose prior to reorganization is essential to the continued operation of the [debtor’s business] during reorganization, payment may

be authorized...”); *see also In re Just for Feet, Inc.*, 242 B.R. 821, 824–25 (D. Del. 1999) (holding that section 105(a) “provides a statutory basis for payment of pre-petition claims” under necessity of payment doctrine); *In re Columbia Gas Sys., Inc.*, 171 B.R. 189, 191-92 (Bankr. D. Del. 1994) (“The appropriate standard...is commonly referred to as ‘the necessity of payment doctrine.’”).

31. Courts in this District often authorize the satisfaction of prepetition vendor claims where it is critical to the debtor’s ongoing operations. *See In re Real Industry, Inc.*, No. 17-12464 (KJC) (Bankr. D. Del. Dec. 19, 2017); *In re True Religion Apparel, Inc.*, No. 17-11460 (CSS) (Bankr. D. Del. July 31, 2017); *In re Panda Temple Power, LLC*, No. 17-10839 (LSS) (Bankr. D. Del. May 12, 2017); *In re Chaparral Energy, Inc.*, No. 16-11144 (LSS) (Bankr. D. Del. May 11, 2016).

32. Further, where, as here, payment of select prepetition claims is critical to maximize the value of a debtor’s estate, courts in this District routinely authorize such payments. *In re Imerys Talc Am., Inc.*, Case No. 10289 (LSS) (Bankr. D. Del. Feb. 14, 2019) (D.I. 51); *In re Consolidated Infrastructure Grp., Inc.*, Case No. 19-10165 (BLS) (Bankr. D. Del. Jan. 31, 2019) (D.I. 29); *In re LBI Media, Inc.* Case No. 18-12655 (CSS) (Bankr. D. Del. Nov. 27, 2019) (D.I. 82); *In re ATD Corp.*, Case No. 18-12221 (KJC) (Bankr. D. Del. Oct. 5, 2018) (D.I. 102); *In re Color Spot Holdings, Inc.*, Case No. 18-11272 (LSS) (Bankr. D. Del. May 30, 2018) (D.I. 36); *In re The Nordam Grp., Inc.*, Case No. 18-11699 (MFW) (Bankr. D. Del. July 24, 2018) (D.I. 81). Given the nature of the goods and services provided by the Critical Vendors and the essential nature of these goods and services to the Debtors’ business, the consequences should the Critical Vendors cease to provide these goods and services, and the related potential loss of value to the Debtors’ estates, similar relief is warranted here, and the Court should authorize the payment of Critical

Vendor Claims under sections 363(b) and 105(a) of the Bankruptcy Code and the doctrine of necessity.

33. The Debtors have carefully reviewed their accounts payable and undertaken a process to identify vendors, suppliers, and service providers essential to ongoing operations. Without the Critical Vendors' goods and services, the Debtors may be forced to cease providing products their customers rely on, which would negatively impact the Debtors' ongoing business while they search for substitute vendors and the Debtors could be forced to forego existing favorable trade terms.

### **III. PAYING THE CRITICAL VENDOR CLAIMS IS SUPPORTED BY SECTION 503(B)(9) OF THE BANKRUPTCY CODE**

34. Furthermore, with respect to the Critical Vendor Claims that arise from goods provided within 20 days of the Petition Date and in the ordinary course of the Debtors' business, the issue of payment proves to mostly be one of timing. Section 503(b)(9) of the Bankruptcy Code provides administrative expense treatment to claims arising from goods received by the Debtors in the ordinary course of their business during the 20 days prior to the Petition Date. 11 U.S.C. § 503(b)(9). As a result, the Debtors would have to pay these Critical Vendor Claims in full, to the extent they fall within the scope of section 503(b)(9) of the Bankruptcy Code, regardless of timing of such payment. Consequently, the Debtors seek to have the Critical Vendors apply any postpetition payments received first against such Critical Vendors' claim arising under section 503(b)(9) of the Bankruptcy Code. As of the Petition Date, the Debtors estimate that approximately \$12.5 million of the Critical Vendor Claims qualify for administrative expense treatment under section 503(b)(9) of the Bankruptcy Code.

#### **IV. THE DEBTORS SHOULD BE AUTHORIZED TO PAY CRITICAL VENDOR CLAIMS UNDER SECTIONS 1107(A) AND 1108 OF THE BANKRUPTCY CODE**

35. The Debtors are operating their business as debtors in possession under sections 1107(a) and 1108 of the Bankruptcy Code, and they are therefore fiduciaries “holding the bankruptcy estate[s] and operating the business[es] for the benefit of [their] creditors and (if the value justifies) [their] equity owners.” *In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002). A chapter 11 debtor in possession has the implicit duty “to protect and preserve the estate, including an operating business’s going-concern value.” *Id.*

36. Courts have noted that a debtor in possession can, in certain instances, fulfill its fiduciary duty “only . . . by the preplan satisfaction of a prepetition claim.” *Id.* The *CoServ* court specifically noted that preplan satisfaction of prepetition claims would be a valid exercise of a debtor’s fiduciary duty when the payment “is the only means to effect a substantial enhancement of the estate.” *Id.* The court provided a three-prong test for determining whether a preplan payment on account of a prepetition claim was a valid exercise of a debtor’s fiduciary duty:

First, it must be critical that the debtor deal with the claimant. Second, unless it deals with the claimant, the debtor risks the probability of harm, or, alternatively, loss of economic advantage to the estate or the debtor’s going concern value, which is disproportionate to the amount of the claimant’s prepetition claim. Third, there is no practical or legal alternative by which the debtor can deal with the claimant other than by payment of the claim.

*Id.* at 498.

37. Payment of the Critical Vendor Claims meets each *CoServ* element. First, it is critical that the Debtors deal with the Critical Vendors because the Critical Vendors provide goods and services necessary to the Debtors’ ongoing operations. Second, the Debtors believe that the Critical Vendors may otherwise be unwilling or unable to provide goods and services to the Debtors on a postpetition basis if their prepetition balances are not paid. Accordingly, not paying Critical Vendor Claims harms the Debtors financially because losing access postpetition to the

necessary goods and services provided by the Critical Vendors could force the Debtors to halt ongoing business and potentially forgo existing favorable trade terms. Third, the Debtors have examined other options short of paying Critical Vendor Claims and have determined that, to avoid any unexpected or inopportune interruptions to their business operations, there is no practical alternative to paying Critical Vendor Claims consistent with the applicable Critical Vendor Claims cap. Therefore, the Debtors submit that paying Critical Vendor Claims is a sound exercise of their fiduciary duties as debtors in possession under sections 1107(a) and 1108 of the Bankruptcy Code.

**PROCESSING OF CHECKS AND  
ELECTRONIC FUND TRANSFERS SHOULD BE AUTHORIZED**

38. The Debtors have sufficient funds to pay any amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to debtor-in-possession financing and cash collateral. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Critical Vendor Claims. Accordingly, the Debtors believe there is minimal risk that checks or wire transfer requests that the Court has not authorized will be inadvertently made. Therefore, the Debtors respectfully request that the Court authorize all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

**BANKRUPTCY RULE 6003 HAS BEEN SATISFIED AND  
BANKRUPTCY RULE 6004 SHOULD BE WAIVED**

39. Certain aspects of the relief requested herein are subject to Bankruptcy Rule 6003, which governs the availability of certain types of relief within 21 days after the Petition Date. Pursuant to Bankruptcy Rule 6003, a court may grant this relief on an expedited basis if it is necessary to avoid immediate and irreparable harm. The Debtors submit that the facts set forth

herein and in the First Day Declaration demonstrate that the relief requested is necessary to avoid immediate and irreparable harm to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied.

40. Additionally, with respect to any aspect of the relief sought herein that constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a), to the extent not satisfied, and of the fourteen-day stay under Bankruptcy Rule 6004(h). As described above, the relief that the Debtors seek in this Motion is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates. The Debtors thus submit that the requested waiver of the notice requirements of Bankruptcy Rule 6004(a) and of the fourteen-day stay imposed by Bankruptcy Rule 6004(h) is appropriate.

#### **RESERVATION OF RIGHTS**

41. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

## NOTICE

42. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange Commission; (n) the United States Drug Enforcement Agency; (o) the United States Food and Drug Administration; and (p) all parties requesting notice pursuant to Bankruptcy Rule 2002. **ORDERED, ADJUDGED AND DECREED THAT:**

1. The Motion is GRANTED as set forth herein.
2. The Debtors are authorized, but not directed, to honor, pay, or otherwise satisfy the Critical Vendor Claims in an amount not to exceed \$25.0 million on an interim basis.
3. The form of the Trade Agreement, substantially in the form attached to the Motion as **Exhibit C**, is approved in its entirety, and the Debtors are authorized, but not directed, to negotiate, modify, or amend the Trade Agreement as entered into with any Critical Vendor in their business judgment.
4. The Debtors are authorized, but not directed, to condition the honoring, payment, or other satisfaction of any Critical Vendor Claim on the execution of a Trade Agreement, and the Debtors are authorized, but not directed, to enter into such Trade Agreements when and if the Debtors determine it appropriate, in their business judgment.
5. If any party accepts payment hereunder and does not continue supplying goods or services to the Debtors in accordance with Customary Trade Terms, then, subject to the terms of any Trade Agreement between the Debtors and such party: (a) any payment made on account of any prepetition claim held by such party shall be deemed, in the Debtors’ discretion, an improper postpetition transfer and, therefore, immediately recoverable by the Debtors in cash upon written request by the Debtors; (b) upon recovery by the Debtors, any prepetition claim satisfied by such

payment shall be reinstated as if the payment had not been made; and (c) if there exists an outstanding prepetition balance due from the Debtors to such party, the Debtors may elect to recharacterize and apply any payment made pursuant to the relief requested by the Motion to such outstanding postpetition balance and such supplier or vendor will be required to repay to the Debtors such paid amounts that exceed the postpetition obligations then outstanding without the right of any setoffs, recoupments, provisions for payment of any claims, or otherwise.

6. Payments made to Critical Vendors shall be applied, in the first instance, against claims held by such Critical Vendors which arise under section 503(b)(9) of the Bankruptcy Code, in whole or in part as applicable.

7. Any Critical Vendor that accepts payment or other form of satisfaction from the Debtors on account of all or a portion of a Critical Vendor Claim pursuant to this Interim Order shall be deemed to (a) agree to the terms and provisions of this Interim Order and (b) have waived, to the extent so paid or satisfied, any and all prepetition claims, of any type, kind, or priority (including any reclamation claim), against the Debtors, their estates, and their assets and properties.

8. The Debtors' banks and financial institutions shall be, and are hereby authorized, when requested by the Debtors in their sole discretion, to process, honor, pay, and, if necessary, reissue any and all checks and electronic fund transfers, including prepetition checks and electronic payment and transfer requests that the Debtors reissue or re-request postpetition, drawn on the Debtors' bank accounts relating to the Critical Vendor Claims, whether those checks were presented prior to or after the Petition Date, provided that sufficient funds are available in the applicable accounts to make the payments.

9. The Debtors' banks and financial institutions may rely on the representations of the Debtors with respect to whether any check or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to this Interim Order, and any such bank or financial institution shall not have any liability to any party for relying on such representations by the Debtors as provided for in this Interim Order.

10. Nothing in the Motion or this Interim Order, or the Debtors' payment of any claims pursuant to this Interim Order, shall be construed as: (i) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (ii) a waiver of the Debtors' rights to dispute any claim or lien on any grounds; (iii) a promise to pay any claim; (iv) an implication or admission that any particular claim would constitute an allowed claim; (v) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code; or (vi) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to this Interim Order. Nothing contained in this Interim Order shall be deemed to increase, decrease, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

11. Notwithstanding anything contained in the Motion or this Interim Order, any payment made, and any authorization of the Debtors contained herein shall be subject to the terms and conditions contained in any interim or final orders entered by this Court authorizing the Debtors to obtain debtor-in-possession financing and/or authorizing the use of cash collateral (each such order, a "*DIP Order*"), the documentation in respect of any such debtor-in-possession financing or use of cash collateral, and any budget in connection with any such debtor-in-possession financing and/or use of cash collateral. To the extent there is any inconsistency

between the terms of the DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP Order shall control.

12. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable this Interim Order shall be effective and enforceable immediately upon entry hereof.

13. The requirements set forth in Bankruptcy Rule 6004(a) are hereby waived.

14. The requirements set forth in Bankruptcy Rule 6003(b) are satisfied because the relief set forth in this Interim Order is necessary to avoid immediate and irreparable harm.

**ORDERED, ADJUDGED AND DECREED THAT:**

1. The Motion is GRANTED as set forth herein.
2. The Debtors are authorized, but not directed, to honor, pay, or otherwise satisfy the Critical Vendor Claims in an aggregate final amount not to exceed \$40.0 million, inclusive of amounts paid pursuant to the Interim Order.
3. The form of the Trade Agreement, substantially in the form attached to the Motion as **Exhibit C**, is approved in its entirety, and the Debtors are authorized, but not directed, to negotiate, modify, or amend the Trade Agreement as entered into with any Critical Vendor in their business judgment.
4. The Debtors are authorized, but not directed, to condition the honoring, payment, or other satisfaction of any Critical Vendor Claim on the execution of a Trade Agreement, and the Debtors are authorized, but not directed, to enter into such Trade Agreements when and if the Debtors determine it appropriate, in their business judgment.
5. If any party accepts payment hereunder and does not continue supplying goods or services to the Debtors in accordance with Customary Trade Terms, then, subject to the terms of any Trade Agreement between the Debtors and such party: (a) any payment made on account of any prepetition claim held by such party shall be deemed, in the Debtors’ discretion, an improper

postpetition transfer and, therefore, immediately recoverable by the Debtors in cash upon written request by the Debtors; (b) upon recovery by the Debtors, any prepetition claim satisfied by such payment shall be reinstated as if the payment had not been made; and (c) if there exists an outstanding prepetition balance due from the Debtors to such party, the Debtors may elect to recharacterize and apply any payment made pursuant to the relief requested by the Motion to such outstanding postpetition balance and such supplier or vendor will be required to repay to the Debtors such paid amounts that exceed the postpetition obligations then outstanding without the right of any setoffs, recoupments, provisions for payment of any claims, or otherwise.

6. Payments made to Critical Vendors shall be applied, in the first instance, against claims held by such Critical Vendors which arise under section 503(b)(9) of the Bankruptcy Code, in whole or in part as applicable.

7. Any Critical Vendor that accepts payment or other form of satisfaction from the Debtors on account of all or a portion of a Critical Vendor Claim pursuant to this Final Order shall be deemed to (a) agree to the terms and provisions of this Final Order and (b) have waived, to the extent so paid or satisfied, any and all prepetition claims, of any type, kind, or priority (including any reclamation claim), against the Debtors, their estates, and their assets and properties.

8. The Debtors' banks and financial institutions shall be, and are hereby authorized, when requested by the Debtors in their sole discretion, to process, honor, pay, and, if necessary, reissue any and all checks and electronic fund transfers, including prepetition checks and electronic payment and transfer requests that the Debtors reissue or re-request postpetition, drawn on the Debtors' bank accounts relating to the Critical Vendor Claims, whether those checks were presented prior to or after the Petition Date, provided that sufficient funds are available in the applicable accounts to make the payments.

9. The Debtors' banks and financial institutions may rely on the representations of the Debtors with respect to whether any check or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to this Final Order, and any such bank or financial institution shall not have any liability to any party for relying on such representations by the Debtors as provided for in this Final Order.

10. Nothing in the Motion or this Final Order, or the Debtors' payment of any claims pursuant to this Final Order, shall be construed as: (i) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (ii) a waiver of the Debtors' rights to dispute any claim or lien on any grounds; (iii) a promise to pay any claim; (iv) an implication or admission that any particular claim would constitute an allowed claim; (v) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code; or (vi) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to this Final Order. Nothing contained in this Final Order shall be deemed to increase, decrease, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

11. Notwithstanding anything contained in the Motion or this Final Order, any payment made, and any authorization of the Debtors contained herein shall be subject to the terms and conditions contained in any interim or final orders entered by this Court authorizing the Debtors to obtain debtor-in-possession financing and/or authorizing the use of cash collateral (each such order, a "***DIP Order***"), the documentation in respect of any such debtor-in-possession financing or use of cash collateral, and any budget in connection with any such debtor-in-possession financing and/or use of cash collateral. To the extent there is any inconsistency between the terms

of the DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP Order shall control.

12. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable this Final Order shall be effective and enforceable immediately upon entry hereof.

13. The Debtors are authorized and empowered to take such actions and to execute such documents as may be necessary to implement the relief granted by this Final Order

14. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation and/or interpretation of this Final Order.

**Trade Agreement**

**THIS TRADE AGREEMENT IS NOT A SOLICITATION OF ACCEPTANCE OR REJECTION OF A CHAPTER 11 PLAN. ACCEPTANCE OR REJECTION OF A CHAPTER 11 PLAN MAY NOT BE SOLICITED UNTIL A DISCLOSURE STATEMENT HAS BEEN APPROVED BY THE BANKRUPTCY COURT FOR ANY SUCH CHAPTER 11 PLAN. THE INFORMATION IN THIS TRADE AGREEMENT IS SUBJECT TO CHANGE. THIS TRADE AGREEMENT IS NOT AN OFFER TO SELL ANY SECURITIES AND IS NOT SOLICITING AN OFFER TO BUY ANY SECURITIES.**

## TRADE AGREEMENT

[ ● ] (the “*Company*”), on the one hand, and the vendor identified in the signature block below (the “*Vendor*”), on the other hand, hereby enter into the following trade agreement (this “*Trade Agreement*”), dated as of the date with the Vendor’s signature below.

### Recitals

WHEREAS on [ ● ], 2020 (the “*Petition Date*”), General Nutrition Centers, Inc. and certain of its affiliated entities (collectively, the “*Debtors*”) filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “*Bankruptcy Code*”), in the United States Bankruptcy Court for the District of Delaware (the “*Court*”).

WHEREAS on [ ● ], the Court entered its *Interim Order Authorizing Payment of Certain Prepetition Critical Vendor Claims* (the “*Interim Critical Trade Order*”) [Docket No. [ ● ]] authorizing the Debtors on an interim basis, under certain conditions, to pay the prepetition claims of certain vendors, including Vendor, subject to the terms and conditions set forth therein.

WHEREAS on [ ● ], the Court entered its *Final Order Authorizing Payment of Certain Prepetition Critical Vendor Claims* (the “*Final Critical Trade Order*,” and together with the Interim Critical Trade Order, the “*Critical Trade Orders*”) [Docket No. [ ● ]] authorizing the Debtors on a final basis, under certain conditions, to pay the prepetition claims of certain vendors, including Vendor, subject to the terms and conditions set forth therein.

WHEREAS prior to the Petition Date, Vendor delivered goods to the Company, and the Company paid Vendor for such goods, according to Customary Trade Terms (as defined herein).

WHEREAS the Company and Vendor (each a “*Party*,” and collectively, the “*Parties*”) agree to the following terms as a condition of payment on account of certain pre-petition claims Vendor may hold against the Company.

### Agreement

1. Recitals. The foregoing recitals are incorporated by reference as if set forth fully herein.
2. Vendor Payment. Vendor represents and agrees that, after due investigation, the sum of all amounts currently due and owing by the Company to Vendor is \$[●] (the “*Agreed Vendor Claim*”). Following execution of this Trade Agreement, the Company shall, in full and final satisfaction of the Agreed Vendor Claim, pay Vendor \$[●] on account of its prepetition claim (the “*Vendor Payment*”) (without interest, penalties, or other charges), as such invoices become due and payable.

3. Agreement to Supply.

a. Vendor shall supply goods and/or perform services to the Company, and the Company shall accept and pay for goods and/or service from Vendor, for the duration of the Debtors' chapter 11 cases based on the following "*Customary Trade Terms*": the trade terms at least as favorable to the Company as those practices and programs (including credit limits, pricing, cash discounts, timing of payments, allowances (as may be incorporated or contemplated by any agreements between the Parties or based on historic practice, as applicable), product mix, availability, and other programs) in place in the 180 days prior to the Petition Date except for any partial payments or other payments (or assurances) Company made with respect to any unfinished product.

b. The Customary Trade Terms may not be modified, adjusted, or reduced in a manner adverse to the Company except as agreed-to in writing by the Parties.

c. Vendor shall continue to honor any existing allowances, credits, contractual obligations, or balances that were accrued as of the Petition Date and shall apply all such allowances, credits, or balances towards future orders in the ordinary course of business.

4. Other Matters.

a. Vendor agrees that it shall not require a lump-sum payment upon the effective date of a plan in the Company's chapter 11 cases on account of any outstanding administrative claims Vendor may assert arising from the delivery of postpetition goods or services, to the extent that payment of such claims is not yet due. Vendor agrees that such claims will be paid in the ordinary course of business after confirmation of a plan pursuant to the Customary Trade Terms then in effect. The Vendor Payment will be made concurrently with payment of other outstanding administrative claims as provided in a confirmed plan.

b. Vendor will not separately seek payment from the Company on account of any prepetition claim (including, without limitation, any reclamation claim or any claim pursuant to section 503(b)(9) of the Bankruptcy Code) outside the terms of this Trade Agreement or a plan confirmed in the Company's chapter 11 case.

c. Vendor will not file or otherwise assert against the Company, its assets, or any other person or entity or any of their respective assets or property (real or personal) any lien, regardless of the statute or other legal authority upon which the lien is asserted, related in any way to any remaining prepetition amounts allegedly owed to Vendor by the Company arising from prepetition agreements or transactions. Furthermore, if Vendor has taken steps to file or assert such a lien prior to entering into this Trade Agreement, Vendor will promptly take all necessary actions to remove such liens.

5. Vendor Breach.

a. In the event that the Company pays Vendor its Vendor Payment and Vendor is determined to have breached this Trade Agreement (a "*Vendor Breach*"), upon written notice to Vendor, Vendor shall promptly pay to the Company immediately available funds in an amount equal to, at the election of the Company, the Vendor Payment or any portion of the Vendor Payment which cannot be recovered by the Company from the postpetition receivables then owing to Vendor from the Company.

b. In the event that the Company recovers the Vendor Payment pursuant to Section 5(a) hereof or otherwise, the full Agreed Vendor Claim shall be reinstated as if the Vendor Payment had not been made.

c. Vendor agrees and acknowledges that irreparable damage would occur in the event of a Vendor Breach and remedies at law would not be adequate to compensate the Company. Accordingly, Vendor agrees that the Company shall have the right, in addition to any other rights and remedies existing in its favor, to seek an injunction or injunctions to prevent breaches of the provisions of this Trade Agreement and to enforce its rights and obligations hereunder not only by an action or actions for damages but also by an action or actions for specific performance, injunctive relief and/or other equitable relief. The right to equitable relief, including specific performance or injunctive relief, shall exist notwithstanding, and shall not be limited by, any other provision of this Trade Agreement. Vendor hereby waives any defense that a remedy at law is adequate and any requirement to post bond or other security in connection with actions instituted for injunctive relief, specific performance, or other equitable remedies.

6. Notice.

If to Vendor, then to the person and address identified with Vendor's signature hereto.

7. Representations and Acknowledgements. The Parties, agree, acknowledge, and represent that:

a. the Parties have reviewed the terms and provisions of the Critical Trade Order and this Trade Agreement and consent to be bound by such terms and that this Trade Agreement is expressly subject to the procedures approved pursuant to the Critical Trade Order;

b. any payments made on account of the Agreed Vendor Claim shall be subject to the terms and conditions of the Critical Trade Order;

c. if Vendor refuses to supply goods or services to the Company as provided herein or otherwise fails to perform any of its obligations hereunder, the Company may exercise all rights and remedies available under the Critical Trade Order, the Bankruptcy Code, or applicable law; and

d. in the event of disagreement between the Parties regarding whether a breach has occurred, either Party may apply to the Court for a determination of their relative rights, in which event, no action may be taken by either Party, including, but not limited to, the discontinuing of shipment of goods from Vendor to the Company, until a ruling of the Court is obtained.

8. Confidentiality. In addition to any other obligations of confidentiality between Vendor and Company, Vendor agrees to hold in confidence and not disclose to any party: (a) this Trade Agreement; (b) any and all payments made by the Company pursuant to this Trade Agreement; (c) the terms of payment set forth herein; and (d) the Customary Trade Terms (collectively, the “*Confidential Information*”); *provided* that if any party seeks to compel Vendor’s disclosure of any or all of the Confidential Information, through judicial action or otherwise, or Vendor intends to disclose any or all of the Confidential Information, Vendor shall immediately provide the Company with prompt written notice so that the Company may seek an injunction, protective order or any other available remedy to prevent such disclosure; *provided, further*, that, if such remedy is not obtained, Vendor shall furnish only such information as Vendor is legally required to provide.

9. Miscellaneous.

a. The Parties hereby represent and warrant that: (i) they have full authority to execute this Trade Agreement on behalf of the respective Parties; (ii) the respective Parties have full knowledge of, and have consented to, this Trade Agreement; and (iii) they are fully authorized to bind that Party to all of the terms and conditions of this Trade Agreement.

b. This Trade Agreement sets forth the entire understanding of the Parties regarding the subject matter hereof and supersedes all prior oral or written agreements between them. This Trade Agreement may not be changed, modified, amended or supplemented, except in a writing signed by both Parties. Moreover, Vendor agrees to vote all claims now or hereafter beneficially owned by Vendor in favor of, and not take any direct or indirect action to oppose or impede confirmation of, any chapter 11 plan on a timely basis in accordance with the applicable procedures set forth in any related disclosure statement and accompanying solicitation materials, and timely return a duly-executed ballot to the Debtors in connection therewith, if such chapter 11 plan provides for a treatment of any Agreed Vendor Claim that is materially consistent with this Agreement.

c. Signatures by facsimile or electronic signatures shall count as original signatures for all purposes.

d. This Trade Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement.

e. The Parties hereby submit to the exclusive jurisdiction of the Court to resolve any dispute with respect to or arising from this Trade Agreement.

f. This Trade Agreement shall be deemed to have been drafted jointly by the Parties, and any uncertainty or omission shall not be construed as an attribution of drafting by any Party.

## **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “**Local Rules**”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a) and 363(b) of chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “**Bankruptcy Code**”) and rules 6003 and 6004 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

## **BACKGROUND**

3. On June 23, 2020 (the “**Petition Date**”), the Debtors filed voluntary petitions for relief in this Court commencing cases (the “**Chapter 11 Cases**”) for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in the Chapter 11 Cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies’ Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is

set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the “**First Day Declaration**”)<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

### **THE CUSTOMER PROGRAMS AND RELATED OBLIGATIONS**

6. The Debtors maintain a number of programs and policies for the benefit of their customers that promote loyalty and encourage repeat shopping at their stores and online (collectively, the “**Customer Programs**”). These Customer Programs include, without limitation, loyalty and subscription programs, special pricing and other incentives, return and exchange policies, gift cards, charitable fundraising, and third party retailer relationships. Because the Customer Programs encourage both new and long-term customers alike to shop with the Debtors instead of their competitors, continuing to honor the Customer Programs described below—including prepetition obligations arising under them—will maximize the value of the Debtors’ estates and benefit all creditors and stakeholders in the Chapter 11 Cases.

#### **I. LOYALTY PROGRAMS.**

7. The Debtors maintain two customer loyalty programs that have been highly successful since their introduction with the launch of “One New GNC” in December 2016. Approximately 81% of the Debtors’ sales are to members of the customer loyalty programs.<sup>4</sup> The first loyalty program, called “**myGNC Rewards**,” is free to all customers. Once signed up for

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court’s website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors’ proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

<sup>4</sup> Approximately 56% of sales made by the Debtor are to members of the myGNC Rewards program and approximately 25% of sales made by the Debtors are to members of the PRO Access program.

myGNC Rewards, a member begins accruing points with each purchase—one point for each dollar spent—which may be redeemed for cash discounts on any product that the Debtors sell. Specifically, for every 150 points earned, the member is entitled to a \$5 discount, which is either credited automatically to the member’s next purchase once earned, or accumulated on the member’s account until voluntarily redeemed (based on the member’s election). The points are valid for one year from the date they are earned and expire thereafter. The myGNC Rewards program includes more than 20 million members and approximately \$79 million in monthly sales revenue is generated by sales to myGNC Rewards members.

8. In addition to myGNC Rewards, the Debtors maintain a paid-membership loyalty program called “**PRO Access**.” To become a PRO Access member, a customer pays \$39.99 per year, which entitles them to certain benefits not available to basic myGNC Rewards members. PRO Access members receive two shipments from the Debtors each year (each, a “**PRO Box**”). Every PRO Box includes sample merchandise and other materials tailored specifically to each member. In addition, each PRO Access member is entitled to a full week of savings four times a year, during which he or she receives three rewards points per dollar spent on the Debtors’ products. Beyond these benefits, PRO Access members also earn one point per dollar on all purchases from the Debtors. Points for PRO Access members are redeemable for cash discounts just like they are for myGNC Rewards members—150 points equates to a \$5 discount. The PRO Access program has approximately 829,795 current members and approximately \$35 million in monthly sales<sup>5</sup> revenue is generated by sales to PRO Access members.

---

<sup>5</sup> Due to the COVID-19 pandemic, the recent monthly sales revenue generated by PRO Access members may be lower than previous months.

9. The Debtors estimate that approximately \$4.3 million to \$6.2 million in potential cash discounts have accrued on account of unexpired points earned by myGNC Rewards and PRO Access members. The Debtors accrue approximately \$4.2 million to \$4.5 million in liabilities per month on account of their loyalty programs. Further, the average rate of points redemptions over the twelve months before the Petition Date equates to approximately \$2.1 million in cash discounts honored per month. The Debtors cannot predict to what extent the commencement of the Chapter 11 Cases may affect the redemption rate but request authority to honor all myGNC Rewards and PRO Access point redemptions, regardless of whether the points were accrued before or after the Petition Date. Due to the COVID-19 pandemic, the Debtors have not made shipments of PRO Boxes the second quarter of 2020, but instead provided PRO Access members with a coupon for a 30% discount on an entire purchase. As of the Petition Date, the Debtors estimate that the approximate cost of shipping PRO Boxes to PRO Access members on account of membership fees paid prepetition is approximately \$8.4 million. The Debtors request authority to send those PRO Boxes, and otherwise to maintain the myGNC Rewards and PRO Access programs postpetition – including by honoring rewards points earned prepetition – in the ordinary course.

## **II. GIFT CARDS.**

10. Like many other businesses, the Debtors have available for purchase in their stores and certain third-party locations prepaid, non-expiring gift cards (the “*Gift Cards*”) in various denominations. In addition, the Debtors issue Gift Cards in connection with certain returns of products, as described further below. The Gift Cards can be redeemed in stores for products at a later date. Further, the Debtors are currently implementing changes to their online platform that will allow customers to redeem Gift Cards for online purchases.

11. The Debtors estimate they have Gifts Cards with an aggregate value of approximately \$10.1 million outstanding which have not yet been redeemed by customers. The

Debtors do not track and have no information about the holders of Gift Cards. While the Debtors do not believe that all of the Gift Cards outstanding will be redeemed, they seek authority to honor all Gift Cards, including those purchased or issued prepetition, consistent with their prior practices and to continue the sale, issuance, and honoring of Gift Cards postpetition.<sup>6</sup>

### III. REFUNDS AND EXCHANGES

12. As is customary in the retail industry, the Debtors accept returns or exchanges from their customers within 30 days of the date of purchase if the customer is not satisfied with his or her purchase for any reason, except that purchases will not be refunded unless accompanied by a sales receipt, packing slip, or other approved proof of purchase (the “*Refund and Exchange Policy*”). Under the Refund and Exchange Policy, a customer is entitled to: (a) a refund of the full purchase price of the product in the original form of payment, if the return is accompanied by an original sales receipt or packing slip (for online orders); (b) an exchange for new products (i) up to the full purchase price, if accompanied by an original sales receipt or packing slip, or (ii) otherwise up to the lowest sale price in the preceding 60 days; or (c) a Gift Card, if the customer returns a product, does not want to complete an exchange, and does not want or is not entitled to a refund, in an amount (i) up to the full purchase price, if accompanied by an original sales receipt or packing slip, or (ii) otherwise up to the lowest sale price in the preceding 60 days. On average, the Debtors processed approximately \$3.6 million per month of refunds and exchanges under the Refund and Exchange Policy during the twelve months before the Petition Date.

---

<sup>6</sup> In the event that the Debtors determine it appropriate to discontinue the practice of accepting Gift Cards, the Debtors shall file a notice regarding such termination, no later than 7 days after terminating such practice, and shall serve such notice on the United States Trustee for the District of Delaware, any statutory committee appointed in these Chapter 11 Cases, and all parties who file a request for notice under Bankruptcy Rule 2002.

#### **IV. PRICING AND SALES PROMOTIONS.**

13. The Debtors regularly conduct sales promotions in their stores and on their website (collectively, the “*Promotions*”), including pricing discounts (by dollars or percentage off of sales), “buy one get one” offers, coupons printed on sales receipts (subject to expiration), online offers through the customer rewards program, and similar Promotions. Often, Promotions are offered only in individual stores or on individual products or brands. Thus, at any one time, including as of the Petition Date, different Promotions may be available to different customers across the country and online. The Promotions are an important part of the Debtors’ overall marketing strategy, as they help attract new customers and retain existing ones by encouraging purchases of the Debtors’ products. By this Motion, the Debtors seek authority to continue to utilize Promotions in the ordinary course, including any Promotions ongoing as of the Petition Date.

#### **V. SUBSCRIPTION PROGRAM.**

14. The Debtors maintain a subscription-based program in which a customer pays a monthly fee and receives a monthly shipment of products the customer selects. As of the Petition Date, Debtors have approximately 400,722 active subscriptions which have provided approximately \$1.2 million in weekly total sales. Customers enrolled in the subscription program receive a 10% discount on re-occurring orders. The program, since its initial launch in 2018, has provided a consistent basis for future business. The Debtors accordingly request authority to continue this subscription program, including honoring all their obligations thereunder.

#### **VI. CHARITABLE FUNDRAISING.**

15. In the ordinary course of business, the Debtors’ accept charitable donations from customers at stores and online on behalf of various charitable organizations (the “*Charitable Fundraising Programs*”) including, for example, Fit Ops, American Red Cross, Operation

Homefront, Feeding America, and St. Jude Children’s Research Hospital. The Debtors then contribute these collected customer donations to the applicable charity. During the twelve months before the Petition Date, the Debtors’ collected and disbursed approximately \$478,281 in customer donations. As of the Petition Date, the Debtors do not believe they hold any customer donations which have not been contributed to the Debtors’ partnership charities.

16. As part of the Charitable Fundraising Program, the Debtors raise money for charities through contests and raffles, during which prizes are given. As of the Petition Date, the Debtors owe a prize to a winner of a contest held to raise money for a charity, the value of which is approximately \$5,750. By this Motion, the Debtors request relief to continue the Charitable Fundraising Programs in the ordinary course and to honor all prepetition obligations relating thereto.

## **VII. RELATIONSHIPS WITH THIRD PARTY RETAILERS**

17. The Debtors maintain relationships with third party retailers (the “*Third Party Retailers*”) that benefit both the Debtors and their customers. As an example, the Debtors have developed a beneficial relationship with Amazon in which the Debtors are a “Prime supplier”—that is, certain of the Debtors’ products are available through Amazon’s Prime membership program, which generally promises fast delivery windows at no extra charge to members. To facilitate the expedited delivery schedules that underpin the Prime membership program, the Debtors must permit Amazon to hold certain of the Debtors’ inventory in Amazon’s distribution centers. More specifically, approximately half of the Debtors’ products that are sold through Amazon are shipped from Amazon distribution centers, and the other half are shipped from the Debtors’ distribution centers once an Amazon-based order is routed to the Debtors for fulfillment.

18. The Debtors have benefitted greatly from their relationships with Amazon and other Third Party Retailers, and such relationships also benefit the Debtors’ customers through quick

(and low- or no-cost) deliveries of online orders. In exchange for the ability to use the Third Party Retailers' platforms to sell their goods, the Debtors pay commissions and fees which are taken out of total revenue from the goods sold which are paid directly to such Third Party Retailers from customers.<sup>7</sup> Third Party Retailers typically remit the remaining revenues to the Debtors on a monthly basis. In 2019, the gross revenue of the Debtors' goods sold through Third Party Retailers was approximately \$49.7 million, and Third Party Retailers withheld approximately \$20.0 million on account of commissions, marketing expenses, and fulfillment fees in connection with such sales. As of the Petition Date, the Debtors estimate that Third Party Retailers have received approximately \$1.4 million on account of commissions, marketing expenses, and fulfillment fees in connection with sales for which the Debtors have yet to receive revenues from the applicable Third Party Retailers. The Debtors' Third Party Retailers serve as the Debtors' agents with respect to a significant portion of the Debtors' sales and provide an invaluable platform for the Debtors to reach their customers. The disruption of this link between the Debtors and their customers would irreparably damage the Debtors' business. As such, the Debtors seek authority to continue these arrangements postpetition and honor any fulfillment or other obligations that may have arisen, but were not satisfied, prepetition, including allowing the Third Party Retailers to set off amounts owing to them and in their possession before remitting proceeds to the Debtors, consistent with prepetition practices.

19. The Third Party Retailers play a pivotal role in making the Debtors products more widely visible around the world and generating sales of the Debtors products on additional platforms. Without the Third Party Retailers, the Debtors' ability to reach customers through established retail channels in an effective and value-maximizing manner would be severely

---

<sup>7</sup> The Debtors separately make payments directly to Third Party Retailers for marketing expenses.

undermined. Thus, to ensure a seamless transition into these Chapter 11 Cases and to prevent significant harm to these estates, the Debtors seek the relief requested herein to continue their arrangements with the Third Party Retailers in the ordinary course of business.

### **BASIS FOR RELIEF**

#### **I. HONORING PREPETITION OBLIGATIONS UNDER THE CUSTOMER PROGRAMS IS A SOUND EXERCISE OF BUSINESS JUDGMENT AND, THEREFORE, SHOULD BE APPROVED.**

20. The Debtors should be authorized to honor all prepetition obligations under the Customer Programs, as doing reflects a sound exercise of their business judgment. Section 363(b) of the Bankruptcy Code provides, in relevant part, that a debtor “may use, sell, or lease, other than in the ordinary course of business, property of the estate” after notice and a hearing. 11 U.S.C. § 363(b)(1). Generally, the debtor is only required to “show that a sound business purpose” justifies the proposed use of property. *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999); *see also In re Phx. Steel Corp.*, 82 B.R. 334, 335–36 (Bankr. D. Del. 1987) (requiring “good business reason” for use under section 363(b) of the Bankruptcy Code). This standard prohibits other parties from second-guessing the debtor’s business judgment if the debtor has shown that the proposed use will benefit the debtor’s estate. *See In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) (“Where the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor’s conduct.”); *see also In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) (“Overcoming the presumptions of the business judgment rule on the merits is a near-Herculean task.”). Additionally, when retaining loyalty and patronage of customers is critical to successful reorganization, courts have not hesitated to grant the relief request. *In In re Federated Dep’t Stores, Inc.*, Case Nos. 1-90-00130 to 1-90-00196, 1990 Bankr. LEXIS 102 (Bankr. S.D. Ohio Jan. 15, 1990) (authorizing debtors to treat deposits or prepayments

on goods and services “in the same manner as Debtors treated Deposits prior to the commencement of [the] cases.”).

21. While honoring all the Customer Programs will involve the Debtors paying or otherwise satisfying prepetition claims and obligations, the cost of doing so is greatly outweighed by (a) the benefits of demonstrating mutual loyalty to and care for the Debtors’ customers, and (b) the potential damage to the Debtors’ businesses from being seen as neglecting their customers, were the Debtors to dishonor those obligations. The Customer Programs are a major factor in driving new and repeat business to their stores. For example, the myGNC Rewards and PRO Access programs encourage members to return to the Debtors’ stores and website to accumulate more points and cash in available discounts, and the Refund and Exchange Policy gives all customers the comfort to try new products with the knowledge that they can get their money back if they are unsatisfied. On the other hand, if the Debtors were to dishonor the Gift Cards, their reputation would be irreparably damaged, to the detriment of all of the Debtors’ stakeholders. Moreover, the Debtors would risk alienating certain customer constituencies or, possibly, even encouraging them to initiate business relationships with the Debtors’ competitors. Accordingly, in light of the relative weight of costs and benefits, the Debtors submit that honoring all prepetition obligations under the Customer Programs reflects a sound exercise of business judgment and should be approved. Accordingly, in the exercise of their sound business judgment, the Debtors believe that a sound business purpose exists for the relief requested herein because it will pay dividends with respect to the value of the Debtors’ business, both in terms of profitability and the engendering of goodwill, especially at this critical time following the commencement of the Chapter 11 Cases.

22. In addition, because the Debtors pay the Customer Obligations in the ordinary course of business, the Debtors submit that Court approval of the Debtors' payment of postpetition Customer Obligations is not necessary because of the authority granted to them by section 363(c) of the Bankruptcy Code. Indeed, most, if not all, of the Customer Programs are standard practice in the Debtors' industry. Nonetheless, out of an abundance of caution, the Debtors request that the Court grant the relief requested herein and enter an order authorizing them to pay the Customer Obligations in the ordinary course of the Debtors' business.

**II. HONORING PREPETITION OBLIGATIONS UNDER THE CUSTOMER PROGRAMS IS NECESSARY TO THE SUCCESS OF THE DEBTORS' REORGANIZATION AND, THEREFORE, SHOULD BE APPROVED.**

23. The Debtors believe that their proposed maintenance of the Customer Programs and payment of the Customer Obligations should also be authorized pursuant to section 105(a) of the Bankruptcy Code and the "doctrine of necessity." Section 105(a) of the Bankruptcy Code empowers the bankruptcy court to "issue any order, process, or judgment that is necessary or appropriate to carry out the provisions" of the Bankruptcy Code. 11 U.S.C. § 105(a). Courts have interpreted this provision to authorize payments on prepetition claims where the payments are essential to the success of the debtor's reorganization under what is known as the "necessity of payment doctrine." See *In re Lehigh & New Eng. Ry.*, 657 F.2d 570, 581 (3d Cir. 1981) ("Thus, the 'necessity of payment' doctrine...teaches no more than, if a payment of a claim which arose prior to reorganization is essential to the continued operation of the [debtor's business] during reorganization, payment may be authorized..."); see also *In re Just for Feet, Inc.*, 242 B.R. 821, 824-25 (D. Del. 1999) (holding that section 105(a) of the Bankruptcy Code "provides a statutory basis for payment of pre-petition claims" under necessity of payment doctrine); *In re Columbia Gas Sys., Inc.*, 171 B.R. 189, 191-92 (Bankr. D. Del. 1994) ("The appropriate standard...is commonly referred to as 'the necessity of payment doctrine.'").

24. Failing to honor the Customer Programs, including prepetition obligations thereunder, would directly jeopardize the Debtors' restructuring efforts. Any successful reorganization for the Debtors will be premised upon the value of their businesses as a going-concern, and estranging their loyal customers and deterring new ones can only damage that value, perhaps irreparably. Moreover, the potential disruptions that could result throughout the Debtors' complex enterprise both directly from implementing a cessation of the Customer Programs (or a freeze on related prepetition obligations) and indirectly from the ill effects of lost sales and reputational harm could derail the restructuring process before it is even able to begin. Accordingly, the Debtors submit that immediate authorization to honor all obligations under the Customer Programs, including prepetition ones, is necessary to their reorganization and appropriate under section 105(a) of the Bankruptcy Code. Specifically, as discussed above, the Third Party Retailers play an essential role in increasing the exposure of the Debtors' products and generating additional revenue. Without their services, the provision of which facilitates the Debtors' efforts to reach additional customers, the Debtors revenues would be significantly decreased. Any disruption to this relationship would irreparably damage the Debtors' relationship with thousands of customers and potential customers. The Debtors respectfully submit that payment of any claims held by the Third Party Retailers is warranted in these Chapter 11 Cases, particularly because such claims are generally satisfied in the ordinary course of business by netting such amounts from the sale proceeds that are in the possession of the Third Party Retailers before net proceeds are remitted to the Debtors. If the Debtors do not obtain authority to continue prepetition practices with the Third Party Retailers, the Third Party Retailers may stop performing services for the Debtors or may seek to exercise their contractual set off rights. Given the

significant revenue the Debtors collect from sales through the Third Party Retailers, a disruption in that relationship could have severe consequences for the Debtors' business.

25. Courts in this District often authorize the satisfaction of prepetition claims arising under customer-related programs where it is critical to the debtor's ongoing operations. *See In re The Bon-Ton Stores, Inc.*, No. 18-10248 (MFW) (Bankr. D. Del. Feb. 6, 2018); *In re Vitamin World, Inc.*, No. 17-11933 (KJC) (Bankr. D. Del. Oct. 6, 2017); *In re Model Reorg Acquisition, LLC*, No. 17-11794 (CSS) (Bankr. D. Del. Aug. 29, 2017); *In re True Religion Apparel, Inc.*, No. 17-11460 (CSS) (Bankr. D. Del. July 31, 2017).

**PROCESSING OF CHECKS AND  
ELECTRONIC FUND TRANSFERS SHOULD BE AUTHORIZED**

26. The Debtors have sufficient funds to pay any amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to debtor-in-possession financing and cash collateral. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the obligations under the Customer Programs. Accordingly, the Debtors believe there is minimal risk that checks or wire transfer requests that the Court has not authorized will be inadvertently made. Therefore, the Debtors respectfully request that the Court authorize all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

**BANKRUPTCY RULE 6003 HAS BEEN SATISFIED AND  
BANKRUPTCY RULE 6004 SHOULD BE WAIVED**

27. Certain aspects of the relief requested herein are subject to Bankruptcy Rule 6003, which governs the availability of certain types of relief within 21 days after the Petition Date. Pursuant to Bankruptcy Rule 6003, a court may grant this relief on an expedited basis if it is

necessary to avoid immediate and irreparable harm. The Debtors submit that the facts set forth herein and in the First Day Declaration demonstrate that the relief requested is necessary to avoid immediate and irreparable harm to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied.

28. Additionally, with respect to any aspect of the relief sought herein that constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a), to the extent not satisfied, and of the fourteen-day stay under Bankruptcy Rule 6004(h). As described above, the relief that the Debtors seek in this Motion is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates. The Debtors thus submit that the requested waiver of the notice requirements of Bankruptcy Rule 6004(a) and of the fourteen-day stay imposed by Bankruptcy Rule 6004(h) is appropriate.

#### **RESERVATION OF RIGHTS**

29. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be

construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

**NOTICE**

30. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) the indenture trustee for the Debtors' prepetition convertible notes; (g) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (h) the United States Attorney's Office for the District of Delaware; (i) the attorneys general for all 50 states and the District of Columbia; (j) the United States Department of Justice; (k) the Internal Revenue Service; (l) the Securities and Exchange Commission; (m) the United States Drug Enforcement Agency; (n) the United States Food and Drug Administration; and (o) all parties requesting notice pursuant to Bankruptcy Rule 2002. Notice of this Motion and any order entered hereon will be served in accordance with Local Rule 9013-1(m). The Debtors submit that, under the circumstances, no other or further notice is required.

*[Remainder of page intentionally left blank.]*

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Orders, granting the relief requested in this Motion and such other relief as may be just and proper.

Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105, 361, 362, 363, 364 and 507 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “**Bankruptcy Code**”), Rules 2002 4001, 6003 and 6004 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”), and Local Rule 4001-2(a)(i) and (ii).

## **BACKGROUND**

3. On June 23, 2020 (the “**Petition Date**”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “**Chapter 11 Cases**”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in the Chapter 11 Cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies’ Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the “**First Day Declaration**”) filed contemporaneously herewith.<sup>4</sup>

6. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration, the *Declaration of Robert Del Genio, Senior Managing Director of FTI Consulting, Inc., in Support of the Motion of Debtors for Orders (I) Authorizing the Debtors to (A) Obtain Senior Secured Postpetition Financing, (B) Grant Liens and Superpriority Administrative Expense Status, (C) Use Cash Collateral of Prepetition Secured Parties and (D) Grant Adequate Protection to Prepetition Secured Parties; (II) Scheduling a Final Hearing Pursuant to Bankruptcy Rules 4001(B) and 4001(C); and (III) Granting Related Relief* (the “**Del Genio Declaration**”), and the *Declaration of Pranav Goel, in Support of the Motion of Debtors for Orders (I) Authorizing the Debtors to (A) Obtain Senior Secured Postpetition Financing, (B) Grant Liens and Superpriority Administrative Expense Status, (C) Use Cash Collateral of Prepetition Secured Parties and (D) Grant Adequate Protection to Prepetition Secured Parties; (II) Scheduling a Final Hearing Pursuant to Bankruptcy Rules 4001(B) and 4001(C); and (III) Granting Related Relief* (the “**Goel Declaration**” and together with the Del Genio Declaration and the First Day Declaration, the “**Declarations**”), each filed contemporaneously herewith.

## PRELIMINARY STATEMENT

7. The structure of the DIP Facilities largely mirrors the structure set forth in the Prepetition Secured Credit Documents (as defined herein). Specifically, the DIP Facilities consist of:

- (a) DIP Term Facility. A \$200 million senior secured superpriority DIP term loan facility with certain Prepetition Term Lenders (as defined below) consisting of \$100 million in new money term loans and a dollar-for-dollar “roll-up” of such amounts due under the Prepetition Term Credit Agreement (as defined below) for such lenders.
- (b) DIP ABL FILO Facility. A senior secured superpriority DIP first-in-last-out term loan with an initial principal amount of \$275 million plus all accrued and unpaid interest on account of the Prepetition FILO Term Loans (as defined herein) with the Prepetition ABL FILO Lenders (as defined below) consisting entirely of a “roll-up” of prepetition amounts outstanding under the Prepetition ABL FILO Credit Agreement (as defined below).

8. Upon entry of the Interim Order, the Debtors will make an initial draw (the “*Interim Draw*”) of the Interim Amount under the DIP Term Facility and will draw the remainder upon entry of the Final Order.

9. The Debtors, in consultation with their advisors, determined that the DIP Facilities represented the best postpetition DIP financing alternative available to the Debtors. The DIP Facilities were the product of extensive arm’s-length, good-faith negotiations. Alternative sources of postpetition financing were not readily available to the Debtors (whether unsecured or secured) on terms better than or comparable to the DIP Facilities. The proposed DIP Facilities provide the Debtors with immediate and critical access to liquidity that is necessary to ensure that the Debtors’ businesses are stabilized, that chapter 11 administrative costs are paid in full, and that value is preserved during the course of the Debtors’ Chapter 11 Cases (as defined below).

**THE DEBTORS' PREPETITION INDEBTEDNESS**

10. As described in further detail below, as of the Petition Date, the Debtors have outstanding funded debt obligations consisting of approximately \$903.4 million. The Debtors' prepetition funded debt consists of: (a) an asset-based revolving credit facility; (b) an asset-based first-in, last-out secured term loan facility; (c) a secured term loan facility; and (c) unsecured convertible notes. A summary of the Debtors' prepetition funded debt is provided below:

## I. THE PREPETITION ABL REVOLVING CREDIT FACILITY AND FILO TERM LOAN

11. Certain of the Debtors are party to that certain ABL Credit Agreement, dated as of February 28, 2018 (as amended by that certain First Amendment, dated as of March 18, 2018, that certain Second Amendment, dated as of May 15, 2020, and that certain Third Amendment dated as of June 12, 2020, and as may be amended, restated, amended and restated, supplemented or otherwise modified from time to time in accordance with the terms thereof, the “*Prepetition ABL FILO Credit Agreement*” and together with all documentation executed in connection therewith, collectively the “*Prepetition ABL FILO Documents*”), by and among the Debtors party thereto,<sup>7</sup> Barclays Bank plc, and Citizens Bank, N.A., as co-documentation agents, JPMorgan Chase Bank, N.A., as administrative agent and collateral agent (in such capacity, the “*Prepetition ABL FILO Agent*”), and the revolving lenders from time to time party thereto (collectively, the “*Prepetition*

<sup>6</sup> After giving effect to certain mandatory prepayments occurring on the closing date thereof.

<sup>7</sup> The obligors under the ABL Credit Agreement are: GNC Corporation, General Nutrition Centers, Inc., General Nutrition Corporation, General Nutrition Investment Company, Lucky Oldco Corporation, GNC Funding, Inc., GNC Canada Holdings, Inc., General Nutrition Centres Company, GNC Government Services, LLC, and GNC International Holdings, Inc. (collectively, the “*Debtor Obligors*”).

*ABL Lenders*”), the term lenders party thereto from time to time (the “*Prepetition FILO Lenders*” and, together with the Prepetition ABL FILO Agent, the “*Prepetition ABL Secured Parties*”). Pursuant to the ABL Credit Agreement, the Prepetition ABL FILO Lenders have provided (a) an asset-based revolving credit facility of up to \$81 million (the “*Prepetition ABL Revolving Credit Facility*”), and (b) an asset-based secured term loan incurred on a “first-in, last-out” basis in an initial principal amount of \$275 million (the “*Prepetition FILO Term Loan Facility*” and together with the Prepetition ABL Revolving Credit Facility, collectively, the “*Prepetition ABL FILO Facility*”).

12. The obligations arising under the Prepetition ABL FILO Facility are secured by first priority security interests in, and liens upon all of the following assets of the Debtor Obligors other than certain excluded assets (collectively, the “*Prepetition ABL Priority Collateral*”): (a) accounts receivable (other than those arising as a result of the disposition of Prepetition Term Priority Collateral (as defined herein)), (b) inventory, (c) tax refunds (except tax refunds in respect of Prepetition Term Priority Collateral), (d) cash, deposit accounts, securities accounts and investment property (other than (i) capital stock and (ii) any deposit account or securities account (or amount on deposit therein) established solely to hold identifiable proceeds of Prepetition Term Priority Collateral), (e) all insurance proceeds (including business interruption insurance) (other than proceeds in respect of Prepetition Term Priority Collateral), (f) all general intangibles, contract rights (including under franchise agreements and customer contracts), chattel paper, documents, documents of title, supporting obligations and books and records related to the foregoing, provided that to the extent any of the foregoing items in this clause (f) also relates to Prepetition Term Priority Collateral, only that portion related to the items referred to in the preceding clauses (a) through (e) shall be included in the Prepetition ABL Priority Collateral, (g)

all commercial tort claims and letter of credit rights to the extent such commercial tort claims and letter of credit rights arise in connection with collateral that is Prepetition ABL Priority Collateral pursuant to clauses (a) through (f) above, and (h) all products and proceeds of any and all of the foregoing (other than identifiable proceeds of Prepetition Term Priority Collateral).

13. Additionally, the obligations arising under the Prepetition ABL FILO Facility are secured by second priority security interests in, and liens upon all of the following assets of the Debtor Obligors other than certain excluded assets (collectively, the “*Prepetition Term Priority Collateral*” and, together with the Prepetition ABL Priority Collateral, the “*Prepetition Collateral*”): (a) all capital stock issued by Debtor General Nutrition Centers, Inc. and certain capital stock issued by certain of its Restricted Subsidiaries (as defined in the Prepetition Term Loan Credit Agreement (as defined herein)), (b) all intellectual property, (c) all other assets to the extent not constituting Prepetition ABL Priority Collateral, including, without limitation, contracts (other than those relating to Prepetition ABL Priority Collateral), equipment, other general intangibles (other than those relating to Prepetition ABL Priority Collateral) and intercompany notes, (d) all products and proceeds of any and all of the foregoing (other than identifiable proceeds of Prepetition ABL Priority Collateral).

14. On May 15, 2020, the Prepetition ABL FILO Credit Agreement was amended to allow the Debtor Obligors to avoid a springing maturity provision that would have resulted in the accelerated maturity of the Prepetition ABL FILO Facility on May 16, 2020; the amendment changed such springing maturity date to August 10, 2020, as described below. The Prepetition ABL Revolving Credit Facility matures on the earlier of (a) August 28, 2022 or (b) August 10, 2020 (or, if later, the date that is 91 days prior to the maturity date of any debt that refinances the Notes (as defined herein)) (the “*Revolver Springing Maturity Date*”) if, as of such date, the

outstanding principal balance under the Notes is greater than \$50 million (the “**Springing Maturity Trigger**”). The Prepetition FILO Term Loan Facility matures on the earlier of (y) December 31, 2022 or (z) August 10, 2020 (or, if later, the date that is 91 days prior to the maturity date of any debt that refinances the Notes) (the “**FILO Term Loan Springing Maturity Date**”), if, as of such date, the Springing Maturity Trigger has occurred. Notwithstanding the foregoing, each of the Revolver Springing Maturity Date and the FILO Term Loan Springing Maturity Date (and the testing of the Springing Maturity Trigger) would have accelerated from August 10, 2020 to June 15, 2020 (the “**Accelerated Springing Maturity Date**”) if (a) liquidity of the Debtor Obligors and certain of their subsidiaries is less than \$100 million on June 15, 2020 or on any date thereafter and (b) the holders of more than 25% of any of (i) the loans and commitments under the Prepetition ABL Revolving Credit Facility, (ii) the loans under the Prepetition FILO Term Loan Facility or (iii) the loans under the Prepetition Term Loan Facility (as defined herein) elect to so accelerate (and if any such acceleration occurs, each of the Revolver Springing Maturity Date, the FILO Term Loan Springing Maturity Date and the Term Loan Springing Maturity Date (as defined herein) shall accelerate to June 15, 2020) (the foregoing clauses (a) and (b) are referred to herein collectively as the “**Liquidity Trigger**”).

15. On June 12, 2020, the ABL/FILO Credit Agreement was further amended to change the Accelerated Springing Maturity Date to June 30, 2020.

16. As of the Petition Date, there was approximately (a) \$60 million in principal amount outstanding of revolving credit loans (the “**Prepetition ABL Loans**”) outstanding under the Prepetition ABL Revolving Credit Facility, (b) \$275 million in principal outstanding under the Prepetition FILO Term Loan Facility (the “**Prepetition FILO Term Loans**”), (c) approximately \$5.1 million in face amount of letters of credit outstanding under the Prepetition ABL FILO

Documents (the “*Prepetition Letters of Credit*”), and (d) in respect of the Specified Hedge Agreement (as defined in the Prepetition ABL FILO Credit Agreement) entered into with the Prepetition ABL FILO Agent pursuant to an ISDA Master Agreement and accompanying schedule dated March 16, 2007 and by subsequent trade confirmations, and which was terminated on or about the Petition Date (the “*Agent Hedge Agreement*”).

## II. THE TERM LOAN FACILITY

17. The Debtor Obligors are party to that certain amended and restated term loan credit agreement (as amended by that certain First Amendment, dated as of May 15, 2020, and that certain Second Amendment, dated as of June 12, 2020, and as may be further amended, restated, amended and restated, supplemented, or otherwise modified from time to time, the “*Prepetition Term Credit Agreement*” and together with all documentation executed in connection therewith, collectively, the “*Prepetition Term Documents*”)<sup>8</sup> by and among, the Debtor Obligors, Barclays Bank plc, and Citizens Bank, N.A., as co-documentation agents, GLAS Trust Company LLC as collateral agent (in such capacity, the “*Prepetition Term Collateral Agent*”), JPMorgan Chase Bank, N.A., as administrative agent (in such capacity, the “*Prepetition Term Administrative Agent*” and together with the Prepetition Term Collateral Agent, the “*Prepetition Term Agents*” and the Prepetition Term Agents together with the Prepetition ABL FILO Agent, the “*Prepetition Agents*”), and the lenders from time to time party thereto (the “*Prepetition Term Lenders*” and, together with the Prepetition Term Agents, the “*Prepetition Term Secured Parties*” and together with the Prepetition ABL Secured Parties, the “*Prepetition Secured Parties*”). Pursuant to the Prepetition Term Credit Agreement, the Prepetition Term Lenders have provided a secured term

loan facility in the initial principal amount of approximately \$856.1 million (the “*Prepetition Term Facility*”).<sup>9</sup> The Prepetition Term Credit Agreement represents an amendment and restatement of the Debtors’ previous credit agreement, dated as of November 26, 2013 (the “*Old Credit Agreement*”) and was entered into at the same time as the Prepetition ABL FILO Credit Agreement as part of a restructuring of the Company’s capital structure in connection with the Harbin Transaction described in greater detail herein.

18. The obligations arising under the Prepetition Term Facility are secured by (a) first priority security interests in, and liens upon the Prepetition Term Priority Collateral and (b) second priority security interests in, and liens upon the Prepetition ABL Priority Collateral. On May 15, 2020, the Prepetition Term Credit Agreement was amended to allow the Debtor Obligors to avoid a springing maturity provision that would have resulted in the accelerated maturity of the Prepetition Term Facility on May 16, 2020; the amendment changed such springing maturity date to August 10, 2020, as described below. The Prepetition Term Facility matures on the earlier of (y) March 4, 2021 or (z) August 10, 2020 (or, if later, the date that is 91 days prior to the maturity date of any debt that refinances the Notes) (the “*Term Springing Maturity Date*”; the Term Springing Maturity Date, together with the Revolver Springing Maturity Date and the FILO Term Loan Springing Maturity Date are referred to herein collectively as the “*Springing Maturity Dates*”) if, as of such date, the Springing Maturity Trigger has occurred. Notwithstanding the foregoing, the Term Springing Maturity Date (and the testing of the Springing Maturity Trigger) would have accelerated from August 10, 2020 to June 15, 2020 if the Liquidity Trigger had

<sup>9</sup> On the initial closing date of the Term Loan Facility, the Term Loan Facility consisted of a Tranche B-1 in the initial principal amount of \$151.8 million and a Tranche B-2 in the initial principal amount of \$704.3 million. Tranche B-1 was fully repaid on March 4, 2019.

occurred. On June 12, 2020, the Term Loan Credit Agreement was amended to change the Accelerated Spring Maturity Date to June 30, 2020.

19. As of the Petition Date, there was approximately \$410.8 million in principal outstanding under the Prepetition Term Loan Facility.

### **III. CONVERTIBLE SENIOR NOTES**

20. On August 10, 2015, Debtor GNC Holdings, Inc. (“*GNC Holdings*”) issued \$287.5 million principal amount of 1.5% convertible senior notes due 2020 (the “*Notes*”) in a private offering. The Notes are governed by the terms of an Indenture between GNC Holdings, as issuer, the subsidiary guarantors party thereto, and BNY Mellon Trust Company, N.A., as the Trustee (the “*Indenture*”). The Notes will mature on August 15, 2020, unless earlier purchased by GNC Holdings or converted by the holders. In connection with the issuance of the Notes, the Company paid down \$164.3 million of its then outstanding term loan facility.

21. The Notes are unsecured obligations and do not contain any financial covenants or restrictions on the payments of dividends, the incurrence of indebtedness, or the issuance or repurchase of securities by GNC Holdings or any of its subsidiaries. The Notes are fully and unconditionally guaranteed on an unsecured basis by certain subsidiaries of GNC Holdings (the “*Note Guarantors*”) and rank equal in right of payment with respect to the Note Guarantors’ other obligations.

22. On December 20, 2017, GNC Holdings executed exchange agreements with certain holders of the Notes to exchange, in privately negotiated transactions, \$98,935,000 aggregate principal amount of the Notes for an aggregate of 14,626,473 newly issued shares of GNC Holding’s Class A common stock, \$0.001 par value per share, together with approximately \$500,000 in cash, representing accrued and unpaid interest on the Notes being exchanged.

#### **IV. TOTAL PREPETITION FUNDED INDEBTEDNESS**

23. As of the Petition Date, the Debtor Obligors, were indebted (a) to the Prepetition ABL Secured Parties, without defense, counterclaim or offset of any kind, in respect of loans made and letters of credit issued in the aggregate outstanding principal amount under the Prepetition ABL FILO Facility of not less than (i) \$60 million of revolving credit loans, plus accrued and unpaid interest and fees with respect thereto, (ii) \$275 million of term loans, plus accrued and unpaid interest and fees with respect thereto, (iii) \$5.1 million in face amount of outstanding Letters of Credit (as defined in the Prepetition ABL FILO Credit Agreement), and (iv) in respect of Specified Hedge Agreements (as defined in the Prepetition ABL FILO Credit Agreement) entered into with the Prepetition ABL FILO Agent pursuant to an ISDA Master Agreement and accompanying schedule dated March 16, 2007 and by subsequent trade confirmations, and (b) to the Prepetition Term Secured Parties, without defense, counterclaim or offset of any kind, in respect of loans made in the aggregate outstanding principal amount under the Prepetition Term Facility of not less than \$410.8 million, plus accrued and unpaid interest and fees with respect thereto, which amounts set forth in the preceding clause (a) and (b), for the avoidance of doubt, do not include the Prepetition Secured Parties' accrued and unpaid attorneys' fees, costs, and expenses, or any premium, make-whole or penalty payments otherwise required by the terms of the Prepetition Secured Credit Documents, including, without limitation, upon a prepayment or acceleration of the obligations thereunder (such amounts, together with any amounts incurred or accrued but unpaid prior to the Petition Date in accordance with the Prepetition Secured Credit Documents, including but not limited to, accrued and unpaid interest, any fees, expenses and disbursements, treasury, cash management, derivative obligations, indemnification obligations, and other charges, amounts and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing or chargeable in respect of any of the Debtors'

obligations pursuant to the Prepetition Secured Credit Documents, collectively the “*Prepetition Secured Obligations*”), and (c) in respect of Notes issued pursuant to the Prepetition Indenture in the aggregate outstanding principal amount under the Prepetition Indenture of not less than \$157.6 million, plus accrued and unpaid interest and fees with respect thereto, which amounts, for the avoidance of doubt, do not include the Indenture Trustee’s accrued and unpaid attorneys’ fees, costs, and expenses, or any premium, make-whole or penalty payments otherwise required by the terms of the Prepetition Indenture, including, without limitation, upon a prepayment or acceleration of the obligations thereunder (such amounts, together with any amounts incurred or accrued but unpaid prior to the Petition Date in accordance with the Prepetition Indenture, including but not limited to, accrued and unpaid interest, any fees, expenses and disbursements, treasury, cash management, derivative obligations, indemnification obligations, and other charges, amounts and costs of whatever nature owing, whether or not contingent, whenever arising, accrued, accruing, due, owing or chargeable in respect of any of the Debtors’ obligations pursuant to the Prepetition Indenture, collectively the “*Prepetition Notes Obligations*”).

24. As described above, to secure the Prepetition Secured Obligations, the Borrowers and Guarantors granted to the Prepetition Secured Parties the Prepetition Liens (as defined herein) upon all the Prepetition Collateral.

## **THE DEBTORS’ EFFORTS TO OBTAIN POSTPETITION FINANCING**

### **I. THE MARKETING PROCESS**

25. Given the Debtors’ prepetition capital structure, liquidity needs and the challenges facing the Debtors’ businesses, the DIP Facilities represent the best available postpetition financing. As set forth in greater detail in the Goel Declaration, the Debtors recognized from the outset that their choices with respect to postpetition financing were limited. In addition to difficult market conditions, substantially all of the Debtors’ assets, other than certain excluded assets as set

forth in the Prepetition Secured Credit Documents, are pledged as collateral to the Prepetition ABL FILO Credit Agreement and the Prepetition Term Credit Agreement. Because the Debtors' unpledged assets that could be used to support a financing were limited, the Debtors, together with their investment banker Evercore Group, L.L.C. ("**Evercore**") determined that any postpetition financing would require pledging as collateral assets already subject to the Prepetition ABL FILO Credit Agreement and the Prepetition Term Credit Agreement as well as certain unpledged assets. However, in discussions with the Debtors, the Prepetition Agents insisted that they would not consent to any priming of their security interests as part of a third-party DIP financing. Thus, the Debtors faced limited options to raise debtor-in-possession financing: (a) prime the liens held by the Prepetition Secured Parties, thereby initiating a contested priming fight; or (b) locate a third-party lender willing to provide DIP financing either on an unsecured basis or secured by liens junior in priority to the liens securing interests in the Prepetition Collateral.

26. As set forth in greater detail in the Goel Declaration, Evercore conducted a robust marketing process in search of third-party postpetition financing. And, at the same time, the Debtors and their advisors commenced hard-fought, arm's length negotiations with the Prepetition ABL FILO Agent as well as the an ad hoc group of holders of loans under both the Prepetition Term Loan Facility and Prepetition FILO Term Loan Facility (the "**Ad Hoc Group of Crossover Lenders**") and an ad hoc group of lenders under the Prepetition FILO Term Loan Facility (the "**Ad Hoc FILO Term Lender Group**") with respect to postpetition financing. Ultimately, the Debtors and these parties came to a mutual agreement in the form of the proposed DIP Facilities.

## **II. THE DIP TERM FACILITY**

27. As set forth in the Goel Declaration, the Debtors engaged in arm's-length negotiations with the Ad Hoc Group of Crossover Lenders with respect to funding these Chapter 11 Cases through a new money investment. As part of the financing package, the parties focused

on the ultimate DIP sizing to fund these Chapter 11 Cases and certain costs that might be associated with exiting from bankruptcy. The Ad Hoc Group of Crossover Lenders ultimately agreed to provide the \$200 million DIP Term Facility, which provides \$100 million new money and refinances \$100 million of the Prepetition Term Facility upon entry of the Final Order. The DIP Term Facility is backstopped by certain members of the Ad Hoc Group of Crossover Lenders and open to all Prepetition Term Lenders. The Term Roll-Up is a material component of the structure of the DIP Term Facility and was required by the lenders as a condition to their commitment to provide postpetition financing. The Term Roll-Up will become effective only upon entry of the Final Order.

28. The DIP Term Facility is directly connected to a restructuring support agreement (the “*Restructuring Support Agreement*”), which provides a framework within which the Debtors can restructure their capital structure. Under the Restructuring Support Agreement, the DIP Term Lenders have agreed to roll their exposure into long-term exit financing for the Debtors should the plan contemplated within the Restructuring Support Agreement be consummated.

29. The DIP Term Facility includes various fees and postpetition liens, which were expressly required by the lenders as a condition to provide the DIP Facilities and are an integral component of the financing package. These fees and liens were each subject to arm’s-length negotiations.

### **III. REPAYMENT OF PREPETITION ABL REVOLVING CREDIT FACILITY**

30. The Debtors’ Prepetition ABL Revolving Credit Facility and Prepetition FILO Term Loan Facility are subject to compliance with a borrowing base. The Debtors’ borrowing base has declined to the point where the Debtors are forced to pledge cash into the borrowing base to support the Prepetition ABL Loans and Prepetition FILO Term Loans. The pledged cash is therefore restricted and unavailable to fund the Debtors’ operations. As of the Petition Date, a

significant portion of cash is pledged to the borrowing base in support of the outstanding Prepetition ABL Loans. The Debtors have therefore reasonably concluded that it is prudent to pay down the Prepetition ABL Loans using the cash currently pledged to the borrowing base to avoid unnecessary interest expense and potential fees associated with keeping the Prepetition ABL Revolving Credit Facility in place.

#### **IV. THE DIP ABL FILO FACILITY**

31. The Debtors focused their discussions with the Prepetition ABL FILO Lenders on a package that would provide the Prepetition ABL FILO Lenders with reasonable adequate protection, but also provide the Debtors with use of cash collateral and additional liquidity through relief from continuing to pledge cash into the borrowing base. The Prepetition ABL FILO Lenders expressly conditioned any consensual adequate protection package on continuing to have borrowing base protection.

32. After multiple rounds of negotiations, the Prepetition ABL FILO Lenders agreed to make changes to the borrowing base requirement that are favorable to the Debtors. The Prepetition ABL FILO Lenders agreed not to step down the advance rates of the borrowing base upon repayment of the Prepetition ABL Revolving Credit Facility, and also agreed to provide up to \$30 million of incremental liquidity through the Chapter 11 Cases and a commitment to convert the DIP ABL FILO Facility into long-term exit financing for the Debtors should the plan outlined under the Restructuring Support Agreement be consummated.

33. In exchange, the Prepetition ABL FILO Lenders required the ABL FILO Roll-Up. Although the lenders initially asked for fees in association with this conversion, the Debtors successfully negotiated to remove such fees. Because the Prepetition ABL FILO Lenders, who the Debtors believe are covered by the current borrowing base and did not seek any additional fees for this roll up, were providing incremental liquidity by increasing their risk exposure and were

providing potential long-term post-emergence capital for the Debtors, the Debtors agreed to convert Prepetition FILO Term Loans into DIP ABL FILO Loans. Given the nature of the Debtors' covenants related to collateral securing the Prepetition ABL FILO Facility and its oversecured status, the Prepetition ABL FILO Lenders' unwillingness to modify these terms, and all of the benefits to modifying that facility detailed herein, the Debtors believe the conversion of the Prepetition ABL FILO Facility into DIP ABL FILO Loans is reasonable, from a financial point of view, under the circumstances and substantially beneficial to the Debtors and their stakeholders.

34. The DIP Facilities are the best postpetition financing available to the Debtors. The Debtors are not able to obtain unsecured credit allowable as an administrative expense under section 503(b)(1) of the Bankruptcy Code, and new credit is not available to the Debtors without providing the DIP Agents, for the benefit of the DIP Lenders, the (i) DIP Superpriority Claims (as defined herein); (ii) the Roll-Ups; and (iii) DIP Liens in the DIP Collateral, as provided herein and in the DIP Documents.

**NEED FOR DEBTOR IN POSSESSION FINANCING  
AND USE OF PREPETITION COLLATERAL**

35. If this Motion is not approved and the Debtors do not obtain authorization to borrow under the DIP Facilities and to use the Cash Collateral, the Debtors will suffer immediate and irreparable harm. The Debtors, like many other retailers, face unprecedented challenges due to the COVID-19 pandemic, which has led to declining sales and reduction in the Debtors' available liquidity. As of the Petition Date, substantially all of the Debtors' cash is restricted because it is pledged to support the borrowing base under the Prepetition ABL FILO Credit Agreement.

36. The Debtors, with the assistance of their financial advisor, FTI Consulting, Inc. ("*FTI*") and Evercore, analyzed potential liquidity needs for a chapter 11 process. The Debtors determined, in consultation with their advisors, that procuring sufficient financing at the start of

these Chapter 11 Cases would be essential to meet operational expenses and to fund these Chapter 11 Cases. The DIP Facilities into which the Debtors seek authority to enter are critical to the Debtors' ability to administer these Chapter 11 Cases, to provide the Debtors with liquidity to continue operations in the ordinary course and to avoid irreparable harm to their business, and to pursue a restructuring of their capital structure. If the Debtors do not obtain postpetition financing, the Debtors will soon be unable to pay their vendors, landlords, and employees, rendering it likely that the Debtors would cease operations.

**THE PREPETITION AND POSTPETITION PRIORITY OF THE PREPETITION SECURED PARTIES' COLLATERAL**

**SUMMARY OF RELIEF REQUESTED**

38. The Debtors seek authority to establish the DIP Facilities that provide for postpetition secured loans in an amount not to exceed \$475,000,000 (the “*DIP Loans*”), subject to the terms and conditions of the DIP Documents. The Debtors further seek authority pursuant to the Interim Order to (a) draw \$30,000,000 in New Money DIP Term Loans under the DIP Term Facility on an interim basis prior to the Final Hearing on this Motion, (b) repay the remaining Prepetition ABL Loans, together with any interest or fees due thereunder, in full in cash (the “*ABL Repayment*”); (c) cash collateralize the outstanding Prepetition Letters of Credit pursuant to the LC Cash Collateral Agreement with the Prepetition ABL FILO Agent; and (d) “roll-up” and convert \$275,000,000 of Prepetition FILO Term Loans, together with all accrued and unpaid interest thereon, through an amendment and restatement of the Prepetition ABL FILO Credit Agreement into DIP ABL FILO Loans in accordance with the DIP ABL FILO Credit Agreement. The Debtors seek authority pursuant to the Final Order to: (a) draw up to an additional \$70,000,000 in New Money DIP Term Loans, and (b) “roll-up” and convert \$100,000,000 of Prepetition Term Loans into DIP Term Loans.

**Carve-Out**  
*Local Rule 4001-2(a)(i)(F)*

As used in the Interim Order, the term “**Carve-Out**” means the sum of:

(i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the notice set forth in clause (iv) below);

(ii) all reasonable fees and expenses up to \$75,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in clause (iv) below);

(iii) to the extent allowed at any time, whether by interim or final compensation order, procedural order, or otherwise, all unpaid fees and expenses (including any monthly or success or Transaction Fee payable to estate professionals) (the “**Allowed Professional Fees**”) incurred by persons or firms retained the Loan Parties pursuant to section 327, 328, or 363 of the Bankruptcy Code (the “**Debtor Professionals**”) and the Committee (if any) pursuant to section 328 or 1103 of the Bankruptcy Code (the “**Committee Professionals**”) and, together with the Debtor Professionals, the “**Professional Persons**”) at any time before or on the first business day following delivery by the DIP Term Agent or the DIP ABL FILO Agent of a Carve-Out Trigger Notice, whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice (the amounts set forth in clauses (i) through (iii), the “**Pre-Carve-Out Trigger Notice Cap**”); and

(iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$2,500,000 incurred after the first business day following the date of delivery by the DIP Term Agent or the DIP ABL FILO Agent of the Carve-Out Trigger Notice (such date, the “**Trigger Date**”), to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “**Post-Carve-Out Trigger Notice Cap**” and, together with the Pre-Carve-Out Trigger Notice Cap, the “**Carve-Out Cap**”); *provided*, that under no circumstances shall any success, completion, or similar fees be paid from the Carve-Out following delivery of a Trigger Notice unless such fee was earned and payable prior to the Trigger Date; *provided, further* that nothing herein shall be construed to impair the ability of any party to object to the fees, expenses, reimbursement or compensation described in the Carve-Out Cap on any other grounds.

For purposes of the foregoing, “**Carve-Out Trigger Notice**” shall mean a written notice delivered by email (or other electronic means) by the DIP Term Agent or the DIP ABL FILO Agent to each other, the Loan Parties, their lead restructuring counsel (Latham & Watkins LLP), the U.S. Trustee, counsel to the Committee (if any), and counsel to each of the Ad Hoc Committees and the DIP Agents, which notice may be delivered following the occurrence and during the continuation of an Event of Default and acceleration of the obligations under either of the DIP Facilities, stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

On the day on which a Carve Out Trigger Notice is given by either DIP Agent to the Loan Parties with a copy to counsel to the Committee (if any) (the “**Termination Declaration Date**”), the Carve-Out Trigger Notice shall constitute a demand to the Loan Parties to utilize (i) first, all cash in the DIP Funding Account, and then the Operating Account, notwithstanding anything in the DIP Term Documents to the contrary, including with respect to the existence of a default or an Event of Default, the failure of the Debtors to satisfy any or all of the conditions precedent for the withdrawal of funds from the DIP Funding Account or the Operating Account, including any Milestone or entry of the Final Order, or any termination of the commitments under the DIP Term Facility, and (ii) second, to the extent the cash set forth in clause (i) is insufficient, all cash on hand as of such date and any available cash thereafter generated by the Debtors to deposit in a segregated account at the DIP Term Agent (the “**Escrow Account**”) an amount equal to the Carve-Out Cap and hold in trust to pay such amounts benefiting from the Carve-Out. On or after the Termination Declaration Date, immediately following the consummation of (A) the sale of the business as a going concern,

	<p>whether in one or a series of transactions, or (B) the consummation of a plan of reorganization (in each case, a “<i>Consummated Transaction</i>”), in either case having the support of the Ad Hoc Committees, (1) the Post-Carve-Out Trigger Notice Cap shall be increased in an amount not to exceed \$4,500,000 by the Restructuring Fee or Sale Fee (as defined in the engagement letter referred to below in this clause (1)), as applicable, payable to Evercore Group L.L.C., as financial advisor of the Loan Parties (any such fee, a “<i>Transaction Fee</i>”), in accordance with that certain engagement letter, dated April 16, 2020 between Evercore Group L.L.C., Latham &amp; Watkins LLP and GNC Holdings, Inc. in effect on the date hereof, subject to the approval of the Court, earned as a result of such Consummated Transaction, and (2) an amount equal to any such Transaction Fee, not to exceed \$4,500,000, shall be deposited in the Escrow Account and used to pay any such Transaction Fees to the extent such Transaction Fees are earned and payable and to the extent such Transaction Fees are not paid directly to the applicable Debtor Professional at the consummation of the transaction. Notwithstanding the foregoing, the Post-Carve-Out Trigger Notice Cap shall not be increased in the event of a liquidation of the assets.</p> <p>Notwithstanding anything to the contrary in the Interim Order, (i) the failure of the Escrow Account to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve-Out, and (ii) in no way shall the Budget, the Carve-Out, the Escrow Account, or any of the foregoing be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors. None of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Persons incurred in connection with the Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in the Interim Order or otherwise shall be construed to obligate the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement. Any payment or reimbursement made on or after the occurrence of the Trigger Date in respect of any Allowed Professional Fees shall permanently reduce the Carve-Out on a dollar-for-dollar basis.</p> <p>Proceeds from the DIP Facilities not to exceed the Investigation Budget Amount may be used on account of professional fees and expenses of Committee Professionals in connection with the Investigation, which obligations will benefit from the Carve-Out in an amount not to exceed the Investigation Budget Amount to the extent unpaid as of the delivery of a Carve-Out Trigger Notice.</p> <p>For the avoidance of doubt, if a DIP Repayment occurs or the DIP Facilities are otherwise terminated, the Interim Order shall remain in full force and effect, including with respect to the Debtors’ use of Cash Collateral, the Carve-Out, and all related provisions in respect thereof, and the Prepetition Agents shall assume any rights and obligations that the DIP Agents previously had with respect to the Carve-Out.</p> <p>See Proposed Interim Order ¶ 29.</p>	

**Lien & Other Challenges**  
*Local Rule 4001-2(a)(i)(B)*

**Generally.** The Stipulations shall be binding on the Debtors, any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee for any of the Loan Parties or any other estate representative appointed in the Chapter 11 Cases or any Successor Cases) in all circumstances and for all purposes. The Stipulations shall also be binding on all creditors and other parties in interest and all of their respective successors and assigns, including, without limitation, a Committee (if appointed) and any other person or entity acting or seeking to act on behalf of the Loan Parties' estates in all circumstances and for all purposes, unless (i) the Committee or a party in interest (in each case, to the extent requisite standing is obtained pursuant to an order of this Court entered prior to the Challenge Deadline) has timely commenced an appropriate proceeding or contested matter required under the Bankruptcy Code and Bankruptcy Rules, including, without limitation, as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 36) by the Challenge Deadline challenging any of the Stipulations (each such proceeding or contested matter, a "**Challenge**") and (ii) there is entered a final non-appealable order in favor of the plaintiff in any such timely filed Challenge; *provided* that any pleadings filed in any Challenge (or in any application to extend the Challenge Deadline) shall set forth with specificity the basis for such Challenge (and any Challenges not so specified prior to the Challenge Deadline shall be deemed forever, waived, released and barred). The Court may fashion any appropriate remedy following a successful Challenge.

If any such Challenge is timely and properly filed prior to the Challenge Deadline, the Stipulations shall nonetheless remain binding and preclusive (as provided in paragraph 36(a) of the Interim Order) on the Committee (if appointed) and on any other person or entity, the Loan Parties and any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee appointed or elected for any of the Loan Parties in the Chapter 11 Cases or any Successor Cases), except to the extent that such Stipulations were expressly and successfully challenged by such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. If any such Challenge is timely and properly filed prior to the Challenge Deadline and remains pending and the Chapter 11 Cases are converted to chapter 7, the chapter 7 trustee may continue to prosecute such Challenge on behalf of the Debtors' estates; *provided* that if the Challenge Deadline has elapsed and no timely and properly filed Challenge has been commenced either before or after conversion of the Chapter 11 Cases to chapter 7 cases, or any Challenge has been resolved prior to the conversion of the Chapter 11 Cases to chapter 7 cases, the chapter 7 trustee shall be bound by the Stipulations or such resolution, as applicable; *provided further* that if a chapter 7 trustee is appointed prior to the expiration of the Challenge Deadline, such trustee shall have until the expiration of the Challenge Deadline to commence a Challenge.

The "**Challenge Deadline**" shall mean the earlier of (i) 60 days from the date of the formation of the Committee (if appointed) and (ii) 75 days following the entry of the Interim Order, as such deadline may be extended (x) in writing prior to the expiration of the Challenge Deadline (which writing may be in the form of email by counsel) from time to time in the sole discretion of the Prepetition ABL FILO Agent (with respect to the Prepetition ABL FILO Liens and Prepetition ABL FILO Obligations or the adequate protection afforded to the Prepetition ABL FILO Secured Parties) and the Prepetition Term Administrative Agent (with respect to the Prepetition Term Liens and Prepetition Term Obligations or the adequate protection afforded to the Prepetition Term Secured Parties) or (y) by this Court for good cause shown upon an application for an extension filed and served by a party in interest, pursuant to an order entered prior to the expiration of the Challenge Deadline; *provided*, that an extension pursuant to the foregoing clause (y) shall only be applicable as to such party in interest and the particular Challenge set forth in such application. Nothing in the Interim Order vests or confers on any entity (as defined in the Bankruptcy Code), including the Committee (if appointed) or any non-statutory committees appointed or formed in these Chapter 11 Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Stipulations, and all rights to object to such standing are expressly reserved.

	<p><b>Binding Effect.</b> To the extent no Challenge is timely and properly commenced by the Challenge Deadline, or to the extent such Challenge does not result in a final and non-appealable judgment or order that is inconsistent with any of the Stipulations, then, without further notice, motion, or application to, order of, or hearing before, this Court and without the need or requirement to file any proof of claim, the Stipulations shall, pursuant to the Interim Order, become irrevocably binding on any person, entity, or party in interest in the Chapter 11 Cases, as well as their successors and assigns, and in any Successor Case for all purposes and shall not be subject to further challenge or objection. Notwithstanding anything to the contrary in the Interim Order, if any Challenge is properly and timely commenced by a party in interest, the Stipulations shall nonetheless remain binding on all other parties in interest. For the avoidance of doubt, initiation of a timely and procedurally proper Challenge shall preserve the Challenge only with respect to the party initiating such Challenge (and such Challenge shall be limited to the Challenge identified with specificity prior to the expiration of the Challenge Deadline). To the extent any Challenge is timely and properly commenced and is unsuccessful, the Prepetition Secured Parties shall be entitled to, as adequate protection, payment of the related costs and expenses, including, but not limited to, reasonable and documented attorneys’ fees, incurred in defending themselves against any unsuccessful Challenge.</p> <p><i>See Proposed Interim Order ¶ 36.</i></p>

## **BASIS FOR RELIEF**

### **I. STANDARDS OF APPROVAL UNDER SECTIONS 364(C) AND 364(D)(1) OF THE BANKRUPTCY CODE**

40. Section 364(c) of the Bankruptcy Code requires a finding, made after notice and a hearing, that a debtor seeking postpetition financing on a secured basis cannot “obtain unsecured credit allowable under section 503(b)(1) of [the Bankruptcy Code] as an administrative expense.” 11 U.S.C. § 364(c).

41. In addition, under section 364(d)(1) of the Bankruptcy Code, courts may, after notice and a hearing, authorize a debtor to obtain postpetition credit secured by a “priming” lien from affected secured parties if (i) the debtor obtains the consent of such parties or (ii) the debtor cannot obtain credit elsewhere and the interests of existing lienholders are adequately protected. 11 U.S.C. § 364(d)(1). Specifically, section 364(d)(1) provides, in relevant part, that a court may, after notice and a hearing:

authorize the obtaining of credit or the incurring of debt secured by a senior or equal lien on property of the estate that is subject to a lien only if-

(A) the [debtor] is unable to obtain credit otherwise; and

(B) there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted.

11 U.S.C. § 364(d)(1).

42. In evaluating proposed postpetition financing under sections 364(c) and 364(d)(1) of the Bankruptcy Code, courts perform a qualitative analysis and generally consider various factors including whether:

- i. unencumbered credit or alternative financing without superpriority status is available to the debtor;
- ii. the credit transactions are necessary to preserve assets of the estate;

- iii. the terms of the credit agreement are fair, reasonable, and adequate;
- iv. the proposed financing agreement was negotiated in good faith and at arm's-length and entry thereto is an exercise of sound and reasonable business judgment and in the best interest of the debtors' estate and their creditors; and
- v. the proposed financing agreement adequately protects prepetition secured creditors.

*See, e.g., In re Aqua Assoc.*, 123 B.R. 192 (Bankr. E.D. Pa. 1991) (applying the first three factors in making a determination under section 364(c)); *In re Crouse Group, Inc.*, 71 B.R. 544 (Bankr. E.D. Pa. 1987) (same); *Bland v. Farmworker Creditors*, 308 B.R. 109, 113-14 (S.D. Ga. 2003) (applying all factors in making a determination under section 364(d)).

43. Section 364 of the Bankruptcy Code also allows for postpetition financing secured by a priming lien. Section 364(d)(1) provides that the court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt if:

- (A) the trustee is unable to obtain such credit otherwise; and
- (B) there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted.

11 U.S.C. § 364(d)(1).

44. For the reasons discussed herein, the Debtors satisfy the standards required to access postpetition financing on a superpriority claim and priming lien basis under sections 364(c) and 364(d) of the Bankruptcy Code.

**A. The Debtors Cannot Obtain Financing on More Favorable Terms**

45. In demonstrating that credit was not available without the protections afforded by section 364(c) or 364(d) of the Bankruptcy Code, a debtor need only make a good faith effort. *See, e.g., In re Ames Dep't Stores, Inc.*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990) (approving financing facility and holding that debtor made reasonable efforts to satisfy the standards of section 364(c)

to obtain less onerous terms where debtor approached four lending institutions, was rejected by two and selected the least onerous financing option from the remaining two lenders); *see also In re Snowshoe Co.*, 789 F.2d 1085, 1088 (4th Cir. 1986) (“[t]he statute imposes no duty to seek credit from every possible lender before concluding that such credit is unavailable”); *In re Phoenix Steel Corp.*, 39 B.R. 218, 222 (D. Del. 1984) (holding the debtor satisfied its burden to show an inability to obtain credit on other terms through its time and effort spent trying to obtain credit on alternative terms and conditions).

46. Moreover, where few lenders likely can or will extend the necessary credit to a debtor, “it would be unrealistic and unnecessary to require [the debtor] to conduct such an exhaustive search for financing.” *In re Sky Valley, Inc.*, 100 B.R. 107, 113 (Bankr. N.D. Ga. 1988), *aff d sub nom., Anchor Sav. Bank FSB v. Sky Valley, Inc.*, 99 B.R. 117, 120 n.4 (N.D. Ga. 1989); *see also In re Stanley Hotel, Inc.*, 15 B.R. 660, 663 (D. Colo. 1981) (bankruptcy court’s finding that two national banks refused to grant unsecured loans was sufficient to support conclusion that section 364 requirement was met).

47. As set forth above, and in the Del Genio and Goel Declarations, given their current financial condition, financing arrangements and capital structure, the Debtors were unable to obtain sufficient interim and long-term financing from sources other than the DIP Lenders on terms more favorable than those under the DIP Facilities and the DIP Documents, and are not able to obtain unsecured credit allowable as an administrative expense under section 503(b)(1) of the Bankruptcy Code. New credit is unavailable to the Debtors without providing the DIP Agent, for the benefit of the DIP Lenders, the (i) DIP Superpriority Claims and (ii) DIP Liens in the DIP Collateral, as provided herein and in the DIP Documents.

**B. The DIP Facilities are Necessary to Preserve the Value of the Debtors' Estates**

48. As debtors in possession, the Debtors have a fiduciary duty to protect and maximize their estates' assets. *See In re Mushroom Transp. Co.*, 382 F.3d 325, 339 (3d Cir. 2004). The DIP Facilities, if approved, will provide working capital critical to funding the Debtors' day-to-day operations. Without access to the DIP Facilities, the Debtors will be forced to cease operations, which would result in immediate and irreparable harm to their business and deplete the going concern value of such business. The Debtors' ability to maintain business relationships with their vendors, suppliers, operators and managers, to make capital expenditures and to satisfy other working capital and operational needs and otherwise finance their operations is essential to the Debtors' continued viability. Because the Debtors' available and projected Cash Collateral is insufficient to fund their operations, the credit to be provided under the DIP Facilities is necessary to preserve the value of the Debtors' estates for the benefit of all stakeholders.

**C. Terms of the DIP Facilities are Fair, Reasonable and Adequate under the Circumstances**

49. In considering whether the terms of postpetition financing are fair and reasonable, courts consider the terms in light of the relative circumstances of both the debtor and the proposed lender. *In re L.A. Dodgers LLC*, 457 B.R. 308, 312 (Bankr. D. Del. 2011) (stating that approval of the DIP Facility transaction requires terms that are "fair, reasonable and adequate, given the circumstances of the debtor-borrower and the proposed lender"); *In re Farmland Indus., Inc.*, 294 B.R. 855, 886 (Bankr. W.D. Mo. 2003); *see also Unsecured Creditors' Comm. Mobil Oil Corp. v. First Nat'l Bank & Trust Co. (In re Ellingsen MacLean Oil Co.)*, 65 B.R. 358, 365 (W.D. Mich. 1986) (a debtor may have to enter into hard bargains to acquire funds). The appropriateness of a proposed financing facility should also be considered in light of current market conditions. *See Transcript of Record at 740:4-6, In re Lyondell Chem. Co.*, No. 09-10023 (REG) (Bankr. S.D.N.Y.

Feb. 27, 2009) (“[B]y reason of present market conditions, as disappointing as the [DIP] pricing terms are, I find the provisions [of a DIP that included a roll-up of prepetition secured debt] reasonable here and now.”).

50. Given the urgent need of the Debtors to obtain financial stability for the benefit of all parties in interest, the terms of the DIP Facilities are fair, appropriate, reasonable and in the best interests of the Debtors, their estates and their creditors. The DIP Documents were negotiated extensively by the Debtors and the DIP Lenders, in good faith and at arm’s length as required by section 364(e) of the Bankruptcy Code, with all parties represented by experienced counsel.

**D. Entry into the DIP Documents Reflects the Debtors’ Reasonable Business Judgment**

51. A debtor’s decision to enter into a postpetition lending facility under section 364 of the Bankruptcy Code is governed by the business judgment standard. *See In re Trans World Airlines, Inc.*, 163 B.R. 964, 974 (Bankr. D. Del 1994) (noting that the interim loan, receivable facility and asset based facility were approved because they “reflect[ed] sound and prudent business judgment [were] reasonable under the circumstances and in the best interests of TWA and its creditors”); *Ames Dep’t Stores, Inc.*, 115 B.R. at 40 (“cases consistently reflect that the court’s discretion under section 364 is to be utilized on grounds that permit reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit parties in interest”); *Group of Institutional Holdings v. Chicago Mil. St. P. & Pac. Ry.*, 318 U.S. 523, 550 (1943); *In re Simasko Prod. Co.*, 47 B.R. 444, 449 (Bankr. D. Colo. 1985) (“Business judgments should be left to the board room and not to this Court.”); *In re Lifeguard Indus., Inc.*, 37 B.R. 3, 17 (Bankr. S.D. Ohio 1983) (same).

52. Bankruptcy courts typically defer to the debtors' business judgment on the decision to borrow money unless such decision is arbitrary and capricious. *See In re Trans World Airlines, Inc.*, 163 B.R. at 974. In fact, "[m]ore exacting scrutiny would slow the administration of the debtor's estate and increase its cost, interfere with the Bankruptcy Code's provision for private control of administration of the estate and threaten the court's ability to control a case impartially." *Richmond Leasing Co. v. Capital Bank, N.A.*, 762 F.2d 1303, 1311 (5th Cir. 1985).

53. For the reasons set forth above, the Debtors submit that the entry into the DIP Facilities is the exercise of the Debtors' reasonable business judgment.

**E. Proposed Adequate Protection is Appropriate**

54. To the extent a secured creditor's interests in the collateral constitute valid and perfected security interests and liens as of the Petition Date, section 364(d)(1)(B) of the Bankruptcy Code requires that adequate protection be provided where the liens of such secured creditor are being primed to secure the obligations under a debtor in possession financing facility. Section 361 of the Bankruptcy Code delineates the forms of adequate protection, which include periodic cash payments, additional liens, replacement liens and other forms of relief. What constitutes adequate protection must be decided on a case-by-case basis. *See In re Columbia Gas Sys., Inc.*, 1992 WL 79323, at \*2 (Bankr. D. Del. Feb. 18, 1992); *In re O'Connor*, 808 F.2d 1393, 1396 (10th Cir. 1987); *In re Martin*, 761 F.2d 472 (8th Cir. 1985). The focus of the requirement is to protect a secured creditor from the diminution in the value of its interest in the particular collateral during the period of use. *See In re Swedeland Dev. Group, Inc.*, 16 F.3d 552, 564 (3d Cir. 1994) ("The whole purpose of adequate protection for a creditor is to insure that the creditor receives the value for which he bargained prebankruptcy.") (internal citations omitted).

55. The proposed adequate protection provided to the Prepetition Term Secured Parties comprises the following: (a) solely to the extent of any Diminution in Value of their interests in

the Prepetition Collateral, Term Adequate Protection Liens (as defined in the Proposed Interim Order) with the relative priorities set forth on Exhibit B to the Proposed Interim Order and Term 507(b) Claims (as defined in the Proposed Interim Order); (b) current payment of reasonable and documented fees and expenses and other disbursements as set forth in paragraph 13 of the Proposed Interim Order; and (c) financial and other reporting, in each case, as set forth in paragraph 13 of the Proposed Interim Order.

56. The proposed adequate protection provided to the Prepetition ABL FILO Secured Parties comprises the following: subject to (i) the repayment in full of the Prepetition ABL FILO Obligations in cash and/or through the conversion into the DIP ABL FILO Loans as contemplated hereunder and (ii) the expiration of the Challenge Deadline without a Challenge (as defined in the Proposed Interim Order) in respect of the Prepetition ABL FILO Obligations and/or Prepetition ABL FILO Liens being commenced (or if commenced, upon the dismissal of such Challenge, with prejudice), the Prepetition ABL FILO Secured Parties will receive (a) current payment of interest, commitment fees and/or letter of credit fees (as applicable) as more fully set forth in paragraph 12 of the Proposed Interim Order, (b) solely to the extent of any Diminution in Value of their interests in the Prepetition Collateral, ABL FILO Adequate Protection Liens (as defined in the Proposed Interim Order) with the relative priorities set forth on Exhibit B to the Proposed Interim Order and ABL FILO 507(b) Claims (as defined in the Proposed Interim Order); (c) current payment of reasonable and documented fees and expenses and other disbursements as set forth in paragraph 12 of the Proposed Interim Order; and (d) financial and other reporting, in each case, as set forth in paragraph 12 of the Proposed Interim Order.

57. The Debtors believe that the adequate protection proposed herein to protect any diminution in value of the Prepetition Secured Parties' interest in the Prepetition Collateral is fair

and reasonable. Further, in reliance upon, among other things, such adequate protection, the Prepetition Secured Parties have consented to the priming of Prepetition Liens. The consent of the Prepetition Secured Parties permits the Debtors to avoid potentially time-consuming and unpredictable priming litigation. The Prepetition Secured Parties' consent to the priming of their liens thus permits the Debtors to save considerable resources, not to mention avoid a delay, in obtaining postpetition financing. Accordingly, based upon the foregoing, the Debtors respectfully request that the Court authorize the Debtors to provide the adequate protection described above to such parties.

**F. The Debtors Should be Authorized to Pay the Fees and Payments Required by the DIP Agents and the DIP Lenders Under the DIP Documents**

58. In addition to the various Adequate Protection Payments (as defined in the Proposed Interim DIP Order) and other reimbursement obligations, in each case specified under the DIP Documents, and the Proposed Interim DIP Order the Debtors have agreed, subject to Court approval, to pay certain fees and other payments to the DIP Agents and the DIP Lenders. In particular, as noted above, the Debtors have agreed to pay:

- (a) Original Issue Discount. A discount of 4% of the aggregate amount of New Money DIP Term Loans due and payable on, with respect to \$30,000,000 of such New Money DIP Term Loans, the date of the Interim DIP Order, and with respect to the remaining \$70,000,000 of such New Money DIP Loans, the date of the Final Order.
- (b) Backstop Premium. A fee equal to 6% of the aggregate amount of the New Money DIP Term Loans, paid as original issue discount upon entry of the Interim DIP Order.
- (c) Exit Conversion Fee. A fee equal to 3% of the aggregate amount of the New Money DIP Term Loans on conversion thereof from obligations under the DIP Term Facility to obligations under an exit facility upon consummation of such conversion, payable in cash.
- (d) Agency and Arranger Fees. Certain Agency and Arranger Fees relating to each of, the DIP Term Credit Agreement and the DIP

ABL FILO Credit Agreement in an aggregate amount less than \$200,000.

- (e) LC Fee. A letter of credit fee equal to 1% of the daily amount outstanding to be drawn under the outstanding letters of credit under the Prepetition ABL FILO Credit Agreement, payable quarterly, in arrears to the DIP ABL FILO Agent pursuant to the LC Cash Collateral Agreement.

59. It is understood and agreed by all parties, including the Debtors, that these fees are an integral component of the overall terms of the DIP Facilities and were required by the applicable DIP Agents and DIP Lenders as consideration for the extension of postpetition financing after arm's-length and good faith negotiations. Accordingly, the Bankruptcy Court should authorize the Debtors to pay the fees provided under the DIP Documents in connection with entering into those agreements

**G. The Proposed Roll-Ups of Prepetition Secured Obligations and the ABL Repayment Should Be Approved**

60. As set forth herein, the Roll-Ups contemplate refinancing certain amounts of the Prepetition Secured Obligations outstanding as of the Petition Date. Specifically, the DIP ABL FILO Credit Agreement contemplates a "roll-up" into the DIP ABL FILO Facility, on a dollar-for-dollar basis, of \$275 million in Prepetition FILO Term Loans, together with all accrued and unpaid interest thereon. Pursuant to the Interim Order, the Debtors also seek authority to repay all outstanding Prepetition ABL Loans.

61. Further, the DIP Term Loan Agreement contemplates a dollar-for-dollar "roll-up" into the DIP Term Loan Facility of amounts outstanding under the Prepetition Term Credit Agreement, pursuant to the Final Order. Specifically, under the Term Roll-Up, a principal amount of loans outstanding under the Prepetition Term Credit Agreement will be exchanged for the DIP New Money Term Loans in an amount equal to one dollar of loans outstanding under the

Prepetition Term Facility Credit Agreement for every one dollar of DIP New Money Term Loans provided by the DIP Term Loan Lenders.

62. As of the Petition Date, significant cash is pledged to support the borrowing base under the Prepetition ABL FILO Credit Agreement. The Debtors have therefore reasonably concluded that it is prudent to pay down the Prepetition ABL Loans using the cash currently pledged to the borrowing base to avoid unnecessary interest expense and potential fees associated with keeping the Prepetition ABL Revolving Credit Facility in place. Such payments will not prejudice the Debtors or their estates, because the Prepetition ABL Loans are substantially oversecured, such payments are subject to challenge provisions of the Interim Order, and this refinancing will result in a substantial increase in the Debtors' available financing in order to support these Chapter 11 Cases. Courts in this district have permitted debtors to use postpetition financing to pay prepetition claims of a lender where, as here, the loan cannot be obtained on any other basis and the claims of the prepetition lender are fully secured. *See In re Capmark Fin. Grp. Inc.*, 438 B.R. 471, 511 (Bankr. D. Del. 2010) ("post-petition refinancing of uneconomical secured debt through a DIP loan may be authorized by section 363(b) of the Bankruptcy Code as a use of estate property outside the ordinary course of business"); *In re Energy Future Holding Corp.*, 527 B.R. 157, 167 (D. Del. 2015).

63. The Debtors and the DIP Lenders engaged in arm's-length negotiations and ultimately agreed to the Roll-Ups as consideration for, among other things, the Debtors' continued use of Cash Collateral, the Prepetition ABL FILO Lenders' agreement to make adjustments to the borrowing base calculation under the Prepetition ABL FILO Credit Agreement providing the Debtors with approximately \$30 million in additional liquidity (after factoring in the ABL Repayment), and the risk associated with the extension of the DIP Facilities throughout these

Chapter 11 Cases. Thus, after careful consideration of all available alternatives, the Debtors determined that refinancing a certain portion of the Prepetition Secured Obligations is necessary and appropriate to obtain access to the liquidity necessary to preserve the value of their business for the benefit of all stakeholders. Importantly, the proposed Roll-Ups are subject to review by a creditors' committee (if appointed) or another party-in-interest with requisite standing if a committee is not appointed.

64. Roll-ups are a common feature in debtor in possession financing arrangements. Courts in this jurisdiction have approved similar debtor in possession financing features on the first day of the case. *See, e.g., In re Forever 21, Inc.*, No. 19-12122 (KG) (Bankr. D. Del. Oct. 2, 2019) (authorizing a “creeping” roll up of Prepetition ABL FILO Facility of \$60 million pursuant to interim order and a final roll up of remaining amounts pursuant to final order); *In re Blackhawk Mining LLC*, No. 19-11595 (LSS) (Bankr. D. Del. Aug. 13, 2019) (authorizing an approximately \$240 million DIP that included a roll-up of \$70 million in prepetition term loans debt and up to \$82 million of prepetition ABL debt pursuant to interim order); *In re Charming Charlie LLC*, No. 19-11534 (CSS) (Bankr. D. Del. July 12, 2019) (authorizing a “creeping” roll up of Prepetition ABL FILO Facility of \$9.5 million pursuant to interim order and a final roll up of remaining amounts pursuant to final order); *In re Bon-Ton Stores, Inc.*, No. 18-10248 (MFW) (Bankr. D. Del. Feb. 6, 2018) (authorizing full roll-up of all \$489 million outstanding prepetition revolving obligations pursuant to interim order); *In re Real Indus. Inc.*, No. 17-12464 (KJC) (Bankr. D. Del. Nov. 20, 2017) [Docket Nos. 59, 348] (authorizing approximately \$365 million DIP that included a creeping roll-up, pursuant to an interim order, and a full roll-up, pursuant to final order of approximately \$266 million prepetition debt); *In re American Apparel, Inc.*, No. 15-

12055 (Bankr. D. Del. Oct. 6, 2017) (approving on an interim basis the repayment in full of all outstanding amounts under the prepetition revolving credit agreement).

65. Accordingly, the Debtors respectfully submit that the Court should approve the Debtors' request to enter into the DIP Facilities and comply with the provisions thereof, including the Roll-Ups under the DIP Facilities, as a sound exercise of the Debtors' business judgment.

## **II. APPROVAL OF USE OF CASH COLLATERAL IS APPROPRIATE**

66. Section 363(c)(2) of the Bankruptcy Code provides that a debtor may not use, sell or lease cash collateral unless "(a) each entity that has an interest in such cash collateral consents; or (b) the court, after notice and hearing, authorizes such use, sale, or lease in accordance with the provisions of this section."

67. The Debtors have an urgent need for the immediate use of the Prepetition Collateral, including the Cash Collateral, and seek to use all Cash Collateral existing on or after the Petition Date pursuant to the terms of the DIP Documents. The Debtors need the Cash Collateral to pay operating expenses, including essential vendors, in order to ensure a continued supply of goods and services essential to the Debtors' business. Indeed, absent such relief, the Debtors' businesses will be brought to an immediate halt, with damaging consequences for the Debtors and their estates and creditors.

68. The Debtors believe that the terms and conditions of their use of the Cash Collateral (including the provision of adequate protection described above) are appropriate and reasonable and that such adequate protection is sufficient to secure any adequate protection obligations under the circumstances. Furthermore, the Prepetition Secured Parties have consented to the Debtors' use of the Cash Collateral subject to the terms and conditions of the DIP Documents and the Interim Order. Therefore, the Debtors submit that they should be authorized to use the Cash Collateral on the terms set forth in the DIP Documents.

### **III. MODIFICATION OF THE AUTOMATIC STAY**

69. The proposed Interim Order provides that the automatic stay provisions of section 362 of the Bankruptcy Code are vacated and modified to the extent necessary to permit the DIP Agents and the DIP Lenders to exercise, upon the occurrence and during the continuation of any Event of Default under the DIP Credit Agreement, all rights and remedies provided in the DIP Credit Agreement without further order of or application to the Court. However, the DIP Agents must provide the Debtors and various other parties with five (5) business days' notice prior to exercising any enforcement rights or remedies in respect of their collateral. During such period, the Debtors and other parties in interest may contest whether an Event of Default has occurred and is continuing.

70. Stay modification provisions of this sort are common features of postpetition financing facilities and, in the Debtors' business judgment, are reasonable under these circumstances. Accordingly, the Debtors request that the Court modify the automatic stay to the extent contemplated by the DIP Credit Agreement and the proposed Interim Order and Final Order.

### **IV. APPROVAL OF INTERIM RELIEF**

71. Bankruptcy Rules 4001(b)(2) and 4001(c)(2) provide that a final hearing on a motion to use cash collateral or obtain credit, respectively, may not be commenced earlier than fourteen (14) days after the service of such motion. Upon request, however, the court may conduct a preliminary expedited hearing on the motion and authorize the use of cash collateral and the obtaining of credit on an interim basis "to the extent necessary to avoid immediate and irreparable harm to the estate pending a final hearing." Fed. R. Bankr. P. 4001(b)(2); (c)(2).

72. As described above in some detail, the Debtors have an urgent and immediate need for cash in order to maintain business relationships with their vendors, suppliers, operators and managers, to make capital expenditures and to satisfy other working capital and operational needs

and otherwise finance their operations. Given the immediate and irreparable harm to be suffered by the Debtors, their estates and their creditors absent interim relief, the Debtors request that, pending the Final Hearing, the Court schedule an interim hearing within two (2) business days of the Petition Date or as soon thereafter as practicable to consider the interim relief requested in the Motion.

#### **V. REQUEST FOR A FINAL HEARING**

73. The DIP Credit Agreement requires that a Final Order approving the Motion be entered within thirty (30) days after the Petition Date. As such, pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2), the Debtors request that the Court set a date for the Final Hearing that is as soon as practicable, but in no event later than thirty (30) days following the Petition Date, and fix the time and date prior to the Final Hearing for parties to file objections to the Motion.

#### **BANKRUPTCY RULE 6003 HAS BEEN SATISFIED AND BANKRUPTCY RULE 6004 SHOULD BE WAIVED**

74. Certain aspects of the relief requested herein are subject to Bankruptcy Rule 6003, which governs the availability of certain types of relief within 21 days after the Petition Date. Pursuant to Bankruptcy Rule 6003, a court may grant this relief on an expedited basis if it is necessary to avoid immediate and irreparable harm. The Debtors submit that the facts set forth herein and in the First Day Declaration demonstrate that the relief requested is necessary to avoid immediate and irreparable harm to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied.

75. Additionally, with respect to any aspect of the relief sought herein that constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a), to the extent not satisfied, and of the fourteen-day stay under Bankruptcy Rule 6004(h). As described above, the relief that the Debtors seek in this Motion is immediately necessary for the Debtors to be able to continue to operate their

businesses and preserve the value of their estates. The Debtors thus submit that the requested waiver of the notice requirements of Bankruptcy Rule 6004(a) and of the fourteen-day stay imposed by Bankruptcy Rule 6004(h) is appropriate.

### **RESERVATION OF RIGHTS**

76. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

### **NOTICE**

77. Notice of this Motion will be given to (collectively, the "*Notice Parties*"): (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the

Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange Commission; (n) the United States Drug Enforcement Agency; (o) the United States Food and Drug Administration; and (p) all parties requesting notice pursuant to Bankruptcy Rule 2002. Notice of this motion and any order entered hereon will be served in accordance with Local Rule 9013-1(m). The Debtors submit that, under the circumstances, no other or further notice is required.

*[Remainder of page intentionally left blank]*

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Orders, granting the relief requested in this Motion and such other relief as may be just and proper.

(ii) *Priming of the Prepetition Liens.* The priming of the Prepetition Liens under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Documents and as provided herein, will enable the Debtors to obtain the DIP Facilities and to continue to operate their business during the pendency of the Chapter 11 Cases, to the benefit of their estates and creditors. The Prepetition Secured Parties are entitled to receive adequate protection as set forth in this Interim Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, solely to the extent of any Diminution in Value of their respective interests in the Prepetition Collateral (including Cash Collateral).

(iii) *Need for Postpetition Financing and Use of Cash Collateral.* The Debtors have a need to use Cash Collateral on an interim basis and to obtain credit in an amount equal to the Interim Amount, plus the ABL FILO Roll-Up Amount, pursuant to the DIP Facilities in order to, among other things, enable the orderly continuation of their operations and to administer and preserve the value of their estates. The ability of the Debtors to maintain business relationships with their vendors, suppliers, and customers, to pay their employees, and otherwise finance their operations requires the availability of working capital from the DIP Term Facility and the use of Cash Collateral, the absence of either of which would immediately and irreparably harm the Debtors, their estates, and parties-in-interest. The Debtors do not have sufficient available sources of working capital and financing to operate their businesses or maintain their properties in the ordinary course of business prior to the entry of the Final Order without the authorization to use Cash Collateral and to borrow the Interim Amount.

(iv) *No Credit Available on More Favorable Terms.* The DIP Facilities are the best source of debtor-in-possession financing available to the Debtors. Given their current financial condition, financing arrangements, and capital structure, the Debtors have been and

continue to be unable to obtain financing from sources other than the DIP Lenders on terms more favorable than the DIP Facilities. The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain (a) unsecured credit having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) credit secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. Financing on a postpetition basis on better terms is not available without granting the DIP Agents, for the benefit of themselves and the DIP Lenders, (1) perfected security interests in and liens on (each as provided herein) the DIP Collateral, with the priorities set forth herein; (2) superpriority claims; and (3) the other protections set forth in this Interim Order.

(v) *Use of Cash Collateral and Proceeds of the DIP Term Facility.* As a condition to entry into the DIP Agreements, the extension of credit under the DIP Facilities and the authorization to use the Prepetition Collateral, including Cash Collateral, the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties require, and the Debtors have agreed, that proceeds of the DIP Term Facility and the Prepetition Secured Parties' Cash Collateral shall be used in a manner consistent with the terms and conditions of this Interim Order and the DIP Documents and in accordance with the budget (as the same may be modified from time to time consistent with the terms of the DIP Term Documents and subject to such variances and exclusions as permitted in the DIP Term Documents, and as set forth in paragraphs 16 and 17 hereof, the "***Budget***"),<sup>5</sup> solely for the purposes set forth in the DIP Documents and this Interim Order, including (a) ongoing working capital and other general corporate purposes of the Debtors;

---

<sup>5</sup> A copy of the initial Budget is attached hereto as **Schedule 1**.

(b) permitted payment of costs of administration of the Chapter 11 Cases, including restructuring charges arising on account of the Chapter 11 Cases, including statutory fees of the U.S. Trustee and allowed professional fees and expenses of the Debtor Professionals (as defined herein) and professionals retained by a Committee (if any), subject to the Investigation Budget Amount (as defined herein); (c) payment of such prepetition expenses as consented to by the DIP Term Agent, acting at the direction of the Required Term Lenders or otherwise permitted under the DIP Documents in accordance with the Budget (subject to Permitted Variances (as defined below)); (d) payment of interest, premiums, fees, expenses, and other amounts (including, without limitation, legal and other professionals' fees and expenses of the DIP Agents and the DIP Lenders) owed under the DIP Documents, including those incurred in connection with the preparation, negotiation, documentation, and Court approval of the DIP Facilities whether incurred before or after the Petition Date; (e) payment of certain adequate protection amounts to the Prepetition Secured Parties, as set forth in paragraphs 12-13 hereof; and (f) payment of obligations arising from or related to the Carve-Out.

(vi) *Application of Proceeds of DIP Collateral.* As a condition to entry into the DIP Agreements, the extension of credit under the DIP Facilities, and authorization to use Cash Collateral, the Debtors, the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties have agreed that as of and commencing on the date of the Interim Hearing, the Debtors shall utilize the proceeds of the DIP Collateral in accordance with this Interim Order.

(vii) *Repayment of Prepetition ABL Loans.* Upon entry of the Interim Order, the Debtors shall (1) repay the Prepetition ABL Loans, together with any interest or fees due thereunder, in full in cash and cancel the associated commitments, (2) subject to the entry into the LC Cash Collateral Agreement, cash collateralize any outstanding Prepetition Letters of Credit,

and (3) make termination payments in respect of any terminated prepetition hedge agreements, including the Agent Hedge Agreement. The Debtors are authorized (but not directed) to renew any letters of credit cash collateralized under the LC Cash Collateral Agreement.

(viii) *Roll-up Loans.* Without any further action by the Debtors or any other party, (x) subject to the entry of the Final Order and the making of \$100,000,000 of DIP Term Loans, \$100,000,000 of Prepetition Term Loans shall be converted into DIP Term Loans and (y) upon entry of this Interim Order, \$275,000,000 of Prepetition FILO Term Loans, together with all accrued and unpaid interest thereon, shall be converted by amendment and restatement into DIP ABL FILO Loans in accordance with the DIP ABL FILO Credit Agreement. Notwithstanding any other provision of this Interim Order, the DIP Agreements or the Intercreditor Agreement to the contrary, all rights of the Prepetition Secured Parties under the Prepetition Documents shall be fully preserved. The Prepetition ABL FILO Secured Parties would not otherwise consent to the use of their Cash Collateral, the expansion of the borrowing base, the release of reserves or the subordination of their liens to the DIP Liens without the inclusion of the DIP ABL FILO Loans in the DIP Obligations. The conversion (or “roll-up”) shall be authorized as compensation for, in consideration for, and solely on account of, the agreement of certain Prepetition FILO Lenders to, *inter alia*, provide liquidity relief and permit access to Cash Collateral, and the agreement of certain Prepetition Term Lenders to provide new-money liquidity and permit access to Cash Collateral, and not as payments under, adequate protection for, or otherwise on account of, any Prepetition Secured Obligations. The conversion and “roll-up” of Prepetition Term Loans into DIP Term Loans and Prepetition FILO Term Loans into DIP ABL FILO Loans will enable the Debtors to obtain urgently needed financing that will allow them to free up liquidity to fund a reorganization process and emerge from these Chapter 11 Cases as a

going concern. Because the DIP ABL FILO Loans and the DIP Term Loans are subject to the reservation of rights in paragraph 36 below, they will not prejudice the right of any party in interest.

(ix) *DIP Election Procedures.* The procedures to govern the participation of the Prepetition Term Lenders in the DIP Term Facility (the “*DIP Election Procedures*”), as set forth in the DIP Term Credit Agreement, are fair and reasonable.

J. **Adequate Protection.**

(i) Subject to paragraph 12(f), the Prepetition ABL FILO Agent, for the benefit of the Prepetition ABL FILO Secured Parties, is entitled to receive adequate protection solely to the extent of any Diminution in Value of their interests in the Prepetition Collateral, including, without limitation, the Cash Collateral. Pursuant to sections 361, 363 and 507(b) of the Bankruptcy Code, as adequate protection, subject in all respects to the Carve-Out and subject to paragraph 36 of this Interim Order, the Prepetition ABL FILO Secured Parties will receive (a) solely to the extent of any Diminution in Value of their interests in the Prepetition Collateral, ABL FILO Adequate Protection Liens (as defined below) with the relative priorities set forth on **Exhibit B** hereto and ABL FILO 507(b) Claims (as defined below); (b) current payment of reasonable and documented fees and expenses and other disbursements as set forth in paragraph 12 herein; and (c) financial and other reporting, in each case, as set forth in paragraph 12 herein.

(ii) The Prepetition Term Agents, for the benefit of the Prepetition Term Secured Parties, are entitled to receive adequate protection solely to the extent of any Diminution in Value of their interests in the Prepetition Collateral, including, without limitation, the Cash Collateral. Pursuant to sections 361, 363 and 507(b) of the Bankruptcy Code, as adequate protection, subject in all respects to the Carve-Out and subject to paragraph 36 of this Interim Order, the Prepetition Term Secured Parties will receive (a) solely to the extent of any Diminution

in Value of their interests in the Prepetition Collateral, Term Adequate Protection Liens (as defined below) with the relative priorities set forth on **Exhibit B** hereto and Term 507(b) Claims (as defined below); (b) current payment of reasonable and documented fees and expenses and other disbursements as set forth in paragraph 13 herein; and (c) financial and other reporting, in each case, as set forth in paragraph 13 herein.

K. **Sections 506(c) and 552(b).** In light of (i) the DIP Agents' and the DIP Lenders' agreement that their liens and superpriority claims shall be subject to the Carve-Out; (ii) the Prepetition Secured Parties' agreement that their respective liens and claims, including any adequate protection liens and claims, shall be subject to the Carve-Out and in certain respects subordinate to the DIP Liens (as defined below) as set forth herein; and (iii) the DIP Agents', the DIP Lenders', and the Prepetition Secured Parties' agreement to the payment (in accordance with the Budget (subject to the Permitted Variances) and subject to the terms and conditions of this Interim Order and the DIP Documents) of certain expenses of administration of these Chapter 11 Cases, (a) upon entry of a Final Order, the Prepetition Secured Parties are entitled to a waiver of any "equities of the case" exception under section 552(b) of the Bankruptcy Code and (b) upon entry of a Final Order, the DIP Agents, the DIP Lenders, and, the Prepetition Secured Parties are each entitled to a waiver of the provisions of section 506(c) of the Bankruptcy Code.

L. **Good Faith of the DIP Agents and DIP Lenders and the Prepetition Secured Parties.**

(i) Based upon the pleadings and proceedings of record in the Chapter 11 Cases, (i) the extensions of credit under the DIP Facilities are fair and reasonable, are appropriate for secured financing to debtors in possession, are the best available to the Debtors under the circumstances, reflect the Debtors' exercise of prudent business judgment consistent

with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration; (ii) the terms and conditions of the DIP Facilities and the use of the Cash Collateral have been negotiated in good faith and at arm's length among the Debtors, the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties, with the assistance and counsel of their respective advisors; (iii) the use of Cash Collateral, including, without limitation, pursuant to this Interim Order, has been allowed in "good faith" within the meaning of section 364(e) of the Bankruptcy Code; (iv) any actions under the DIP Documents, including credit to be extended, loans to be made, and other financial accommodations to be extended to the Debtors, by the DIP Agents, the DIP Lenders and the Prepetition Secured Parties, including, without limitation, pursuant to this Interim Order, have been allowed, advanced, extended, issued, or made, as the case may be, in "good faith" within the meaning of section 364(e) of the Bankruptcy Code by the DIP Agents, the DIP Lenders and the Prepetition Secured Parties in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code; and (v) the DIP Facilities, the DIP Liens (as defined below), the DIP Superpriority Claims (as defined below), the Adequate Protection Liens (as defined below), and the 507(b) Claims (as defined below) shall be entitled to the full protection of section 364(e) of the Bankruptcy Code in the event that this Interim Order or any provision hereof is vacated, reversed, or modified, on appeal or otherwise.

(ii) Absent an order of this Court and the provision of Adequate Protection Obligations and Adequate Protection Liens (each as defined below), consent of the Prepetition Secured Parties is required for the Debtors' use of Cash Collateral and other Prepetition Collateral. The Prepetition Secured Parties have consented, or are deemed pursuant to the Prepetition Documents to have consented, or have not objected, to the Debtors' use of Cash Collateral and other Prepetition Collateral or to the Debtors' entry into the DIP Documents in

accordance with and subject to the terms and conditions in this Interim Order and the DIP Documents.

M. **Immediate Entry.** Sufficient cause exists for immediate entry of this Interim Order pursuant to Bankruptcy Rule 4001(c)(2).

N. **Interim Hearing.** Notice of the Interim Hearing and the relief requested in the Motion has been provided by the Debtors, whether by facsimile, electronic mail, overnight courier, or hand delivery to certain parties in interest, including the Notice Parties (as defined in the Motion). The Debtors have made reasonable efforts to afford the best notice possible under the circumstances, and no other notice is required in connection with the relief set forth in this Interim Order.

Based upon the foregoing findings and conclusions, the Motion, and the record before the Court with respect to the Motion, and after due consideration and good and sufficient cause appearing therefor,

**IT IS HEREBY ORDERED THAT:**

1. **DIP Facilities Approved on Interim Basis.** The Motion is granted on an interim basis as set forth herein. The DIP Term Facility, in an amount equal to the Interim Amount, and the DIP ABL FILO Facility, in an amount equal to the ABL FILO Roll-Up Amount, are each hereby authorized and approved to the extent set forth herein, and the use of Cash Collateral on an interim basis is authorized, in each case subject to the terms and conditions set forth in the DIP Documents and this Interim Order. All objections to this Interim Order, to the extent not withdrawn, waived, settled, or resolved, are hereby denied and overruled. This Interim Order shall become effective immediately upon its entry.

2. Authorization of the DIP Facilities. The DIP Facilities are hereby approved as set forth herein. The Debtors are expressly and immediately authorized and empowered to execute and deliver the DIP Documents and to incur and to perform the DIP Obligations in accordance with, and subject to, the terms of this Interim Order and the DIP Documents, including, without limitation, to pay the Prepetition ABL Loans in full in cash, cancel the associated commitments, and cash collateralize the Prepetition Letters of Credit and to renew any such Prepetition Letters of Credit so cash collateralized, and to deliver all instruments, certificates, agreements, and documents that may be required or necessary for the performance by the Debtors under the DIP Facilities and the creation and perfection of the DIP Liens (as defined below). The Debtors are hereby authorized and directed to pay, in accordance with this Interim Order, the principal, interest, premiums, fees, payments, expenses, and other amounts described in the DIP Documents as such amounts become due and payable, without need to obtain further Court approval, whether or not such fees arose before, on, or after the Petition Date, and whether or not the transactions contemplated hereby are consummated, to implement all applicable reserves, and to take any other actions that may be necessary or appropriate, all as provided in this Interim Order or the DIP Documents. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations, or otherwise, will be deposited and applied as required by this Interim Order and the DIP Documents. Upon execution and delivery, the DIP Documents shall represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms. Upon the Closing Date (as defined in the DIP Term Credit Agreement, the “*Closing Date*”), the Commitment Premium (as defined in the DIP Term Credit Agreement), the Exit Premium (as defined in the DIP Term Credit Agreement), and the “Backstop Premium” as defined and set forth

in the Backstop Commitment Letter, shall be fully earned and non-refundable and shall be payable in accordance with and at the times specified in the DIP Documents. The Debtors are hereby authorized and directed to pay, in accordance with this Interim Order, the principal, interest, fees, payments, expenses, and other amounts described in the DIP Documents as such amounts become due and without need to obtain further Court approval, including, without limitation, backstop, closing, arrangement or commitment fees (including the Commitment Premium, the Backstop Premium, and all fees and other amounts owed to the DIP Lenders), administrative agent's fees and collateral agent's fees (including all fees and other amounts owed to the DIP Agents), the reasonable fees and disbursements of counsel and other professionals, whether or not such fees arose before, on, and after the Petition Date, in accordance with this Interim Order or the DIP Documents.

3. Authorization to Borrow. To prevent immediate and irreparable harm to the Debtors' estates, from the entry of this Interim Order through and including the earliest to occur of (i) entry of the Final Order or (ii) the DIP Termination Date (as defined below), and subject to the terms, conditions, and limitations on availability set forth in the DIP Documents and this Interim Order, the Debtors are hereby authorized to (a) borrow (in the form of DIP Term Loans) under the DIP Term Facility in an aggregate outstanding principal amount equal to the Interim Amount and (b) convert by amendment and restatement and "roll-up" Prepetition FILO Term Loans into DIP ABL FILO Loans in an amount equal to the ABL FILO Roll-Up Amount.

4. Amendment of the DIP Documents. The DIP Documents may from time to time be amended, modified, or supplemented by the parties thereto without further order of the Court if the amendment, modification, or supplement is (a) non-material and (b) in accordance with the DIP Documents. In the case of a material amendment, modification, or supplement to the

DIP Documents, the Debtors shall (i) provide notice (which may be provided through electronic mail or facsimile) to counsel to any Committee (if appointed), the U.S. Trustee, the DIP Agents, and the Prepetition Agents; (ii) provide notice to the Court; and (iii) obtain approval of the Court.

5. DIP Obligations.

(a) The DIP Documents and this Interim Order shall constitute and evidence the validity and binding effect of the DIP Obligations, which shall be enforceable against the Debtors, their estates and any successors thereto, including, without limitation, any trustee appointed in the Chapter 11 Cases or in any case under chapter 7 of the Bankruptcy Code upon the conversion of any of the Chapter 11 Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the “*Successor Cases*”). Upon entry of this Interim Order, the DIP Obligations will include all loans and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the Debtors to the DIP Agents or any of the DIP Lenders, in each case, under the DIP Documents or this Interim Order or secured by the DIP Liens (as defined below), including, without limitation, all principal, accrued and unpaid interest, costs, fees, expenses, and other amounts owing under the DIP Documents. The Debtors shall be jointly and severally liable for the DIP Obligations. The DIP Obligations shall be due and payable, and the use of Cash Collateral shall automatically cease, in each case, without notice or demand on the DIP Termination Date, except as provided in paragraph 25 herein and subject to the requirements of the Carve-Out. Subject to paragraph 36, as applicable, no obligation, payment, transfer, or grant of collateral security hereunder or under the DIP Documents (including any DIP Obligation or DIP Liens (as defined below) but excluding any adequate protection provided to the Prepetition Secured Parties hereunder) shall be stayed, restrained, voidable, avoidable, or recoverable under the Bankruptcy Code or under any applicable law (including,

without limitation, under chapter 5 of the Bankruptcy Code, section 724(a) of the Bankruptcy Code, or any other provision with respect to avoidance actions under the Bankruptcy Code or applicable state law equivalents) or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

(b) Upon the closing of the DIP ABL FILO Facility, all existing cash management obligations constituting “Cash Management Obligations” under the Prepetition ABL FILO Credit Agreement and outstanding on the Petition Date shall be deemed Cash Management Obligations under the DIP ABL FILO Credit Agreement. All existing cash management services constituting “Cash Management Services” under the Prepetition ABL FILO Credit Agreement, which services are being continued by order of the Court entered contemporaneously herewith, shall be deemed Cash Management Services under the DIP ABL FILO Credit Agreement. The payment priorities in respect of the Cash Management Obligations under the DIP ABL FILO Credit Agreement, as set forth in Section 2.21(b) thereof, shall not be modified without the consent of the holders of all Cash Management Obligations, in each case under the DIP ABL FILO Credit Agreement.

6. DIP Liens. As security for the DIP Obligations, effective immediately upon entry of this Interim Order, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, the DIP ABL FILO Agent, for the benefit of itself and the DIP ABL FILO Lenders, and the DIP Term Agent, for the benefit of itself and the DIP Term Lenders, are hereby granted valid, binding, continuing, enforceable, non-avoidable, and automatically and properly perfected security interests and liens on all real and personal property, whether now existing or

hereafter arising and wherever located, tangible or intangible, of each of the Debtors (the “**DIP Collateral**”) including, without limitation (a) all cash, cash equivalents, deposit accounts, securities accounts, accounts, other receivables (including credit card receivables), chattel paper, contract rights, inventory (wherever located), instruments (including, without limitation, promissory notes), documents, securities (whether or not marketable) and investment property (including, without limitation, all of the issued and outstanding capital stock of each of Holdings’ subsidiaries, all securities accounts and security entitlements related thereto, and financial assets carried therein, and all commodity accounts and commodity contracts), hedge agreements, furniture, fixtures, equipment (including documents of title), goods, vehicles, franchise rights, trade names, trademarks, service marks, copyrights, patents, license rights, intellectual property, general intangibles (including, for the avoidance of doubt, payment intangibles), rights to the payment of money (including, without limitation, tax refunds and any other extraordinary payments), supporting obligations, guarantees, letter of credit rights, commercial tort claims, causes of action, and all substitutions, indemnification rights, all present and future intercompany debt, fee interests in real property owned by the Debtors, books, records, ledger cards, files, correspondence, customer lists, blueprints, technical specifications, manuals, computer software, computer printouts, tapes, disks and other electronic storage media and related data processing software related to the foregoing, and accessions, products, rents, profits and proceeds of the foregoing, wherever located, including insurance or other proceeds; (b) all owned real property interests and all proceeds of leased real property; (c) actions brought under section 549 of the Bankruptcy Code to recover any post-petition transfer of DIP Collateral; (d) subject to entry of a Final Order, the proceeds of any avoidance actions (such actions, “**Avoidance Actions**”) brought pursuant to chapter 5 of the Bankruptcy Code or section 724(a) of the Bankruptcy Code or any

other avoidance actions under the Bankruptcy Code or applicable state law equivalents (the “*Avoidance Action Proceeds*”); *provided*, that no liens shall attach to Avoidance Actions; (e) subject to entry of the Final Order, the proceeds of any exercise of the Debtors’ rights under section 506(c) and 550 of the Bankruptcy Code; and (f) all assets of the Loan Parties (including, without limitation, all equity in non-U.S. subsidiaries of the Loan Parties) that do not constitute DIP Term Priority Collateral or DIP ABL FILO Priority Collateral (each as defined below) and are not otherwise subject to valid, perfected, enforceable and unavoidable security interests or liens in existence as of the Petition Date or valid liens perfected (but not granted) after the Petition Date (to the extent such perfection in respect of a prepetition claim is expressly permitted under the Bankruptcy Code) (the “*Unencumbered Collateral*”); in each case subject and subordinate to the Carve-Out and the Permitted Prior Liens, as set forth in this Interim Order and in accordance with the priorities set forth in **Exhibit B** hereto (all such liens and security interests granted to the DIP Agents, for their benefit and for the benefit of the DIP Lenders, pursuant to this Interim Order and the DIP Documents, the “*DIP Liens*”); *provided*, that, notwithstanding the foregoing, the DIP Collateral shall not include (and the DIP Liens shall not extend to) any “Excluded Assets” (as defined in the applicable DIP Documents).

7. **DIP Lien Priority.** The DIP Liens shall have the priority as set forth below and as illustrated in **Exhibit B** hereto:<sup>6</sup>

(a) pursuant to Section 364(c) of the Bankruptcy Code, the liens securing the DIP Term Facility (the “*DIP Term Liens*”) shall be first-priority liens on all Unencumbered Collateral, other than “Excluded Assets” (as defined in the DIP Documents), senior

in priority on such Unencumbered Collateral to the liens securing the DIP ABL FILO Facility (the “**DIP ABL FILO Liens**”) and the Term Adequate Protection Liens, and, subject to paragraph 12(f), the Prepetition ABL FILO Liens and the ABL FILO Adequate Protection Liens; *provided*, that, as to the Avoidance Action Proceeds, the DIP Term Liens shall be senior to the DIP ABL FILO Liens solely to the extent of the aggregate outstanding principal amount of New Money DIP Term Loans, plus unpaid interest on, the New Money DIP Term Loans and all fees, and other expenses related thereto and arising and payable under the DIP Facility (the “**New Money DIP Term Claims**”) and *pari passu* with the DIP ABL FILO Liens to the extent of the aggregate outstanding principal amount of, plus unpaid interest on, the Term Roll-Up Amount, and all fees, and other expenses related thereto and arising and payable under the DIP Facility (the “**Roll-Up DIP Term Claims**”);

(b) pursuant to Section 364(c)(3) of the Bankruptcy Code, the DIP Term Liens shall be immediately junior to any liens on all of each Loan Party’s present and future assets and properties, in each case other than the DIP Term Priority Collateral and the DIP ABL FILO Priority Collateral (each as defined below), that are subject to any validly perfected, enforceable and unavoidable security interest or lien in existence as of the Petition Date (the “**Other Encumbered Collateral**” and such security interests or liens, the “**Other Liens**”), senior in priority on such Other Encumbered Collateral to (x) the Term Adequate Protection Liens, (y) the DIP ABL FILO Liens, and (z) subject to paragraph 12(f), the Prepetition ABL FILO Liens and the ABL FILO Adequate Protection Liens;

(c) pursuant to Section 364(d) of the Bankruptcy Code, (i) the DIP Term Liens shall be priming first-priority liens on DIP Collateral that constitutes or, but for the commencement of the Chapter 11 Cases would have constituted, Prepetition Term Priority Collateral or proceeds or products thereof (the “**DIP Term Priority Collateral**”), in all respects senior in priority to the

Prepetition Term Liens, the Term Adequate Protection Liens, the DIP ABL FILO Liens, and, subject to paragraph 12(f), the Prepetition ABL FILO Liens and the ABL FILO Adequate Protection Liens thereon, and (ii) the DIP ABL FILO Liens shall be priming first-priority liens on DIP Collateral that constitutes, or, but for the commencement of the Chapter 11 Cases would have constituted, Prepetition ABL FILO Priority Collateral or proceeds or products thereof (the “***DIP ABL FILO Priority Collateral***”),<sup>7</sup> in all respects senior in priority to the Prepetition ABL FILO Liens and the ABL FILO Adequate Protection Liens, to the extent such foregoing liens are permitted pursuant to paragraph 12 below, and the DIP Term Liens, the Prepetition Term Liens and the Term Adequate Protection Liens thereon;

(d) pursuant to Bankruptcy Code Section 364(d) or other applicable law, (i) the DIP Term Liens shall be priming second-priority liens upon all DIP ABL FILO Priority Collateral, in each case junior in priority to the DIP ABL FILO Liens, and, subject to paragraph 12(f), the Prepetition ABL FILO Liens and the ABL FILO Adequate Protection Liens, but senior in priority to the Prepetition Term Liens and the Term Adequate Protection Liens and (ii) the DIP ABL FILO Liens shall be priming second-priority liens upon all DIP Term Priority Collateral, in each case junior in priority to the DIP Term Liens, the Prepetition Term Liens, and the Term Adequate Protection Liens, but senior in priority to, subject to paragraph 12(f), the Prepetition ABL FILO Liens and the ABL FILO Adequate Protection Liens; and

(e) other than as set forth herein (including with respect to the Carve-Out) or permitted under the DIP Documents, the DIP Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Chapter 11 Cases or any

<sup>7</sup> For the avoidance of doubt, neither of the Operating Account nor the DIP Funding Account (each as defined in the DIP Term Credit Agreement) shall constitute or may be deemed to constitute DIP ABL FILO Priority Collateral.

Successor Cases and shall be valid and enforceable against any trustee appointed in the Chapter 11 Cases or any Successor Cases, upon the conversion of any of the Chapter 11 Cases to any Successor Case, and/or upon the dismissal of any of the Chapter 11 Cases or Successor Cases. The DIP Liens shall not be subject to any of sections 510, 549 or 550 of the Bankruptcy Code (subject, as applicable, to the Challenge Deadline (as defined below) and related provisions set forth in paragraph 36 herein). No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the DIP Liens.

8. Superpriority Claims. Subject and subordinate to the Carve-Out, upon entry of this Interim Order, the DIP Agents, on their own behalf and on behalf of the DIP Lenders, are hereby granted, pursuant to section 364(c)(1) of the Bankruptcy Code, allowed superpriority administrative expense claims in each of the Chapter 11 Cases and any Successor Cases (collectively, the “*DIP Superpriority Claims*”) for all DIP Obligations (a) with priority over any and all administrative expense claims and unsecured claims against the Debtors or their estates in any of the Chapter 11 Cases or any Successor Cases, at any time existing or arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 364, 503(a), 503(b), 507(a), 507(b), 546(c), 546(d), 726, 1113, or 1114 of the Bankruptcy Code or any other provision of the Bankruptcy Code and (b) which shall at all times be senior to the rights of the Debtors and their estates, and any successor trustee or other estate representative to the extent permitted by law. Notwithstanding anything contained herein or in any of the DIP Documents to the contrary, the DIP Superpriority Claims granted to (x) the DIP ABL FILO Lenders shall, at all times be in respect of any assets or property that constitute, or, but for the commencement of the Chapter 11 Cases would have constituted, DIP ABL FILO Priority Collateral, senior to the DIP Superpriority Claims

granted to the DIP Term Lenders, and (y) the DIP Term Agent, on their own behalf and on behalf of the DIP Term Lenders shall, at all times be in respect of any assets or property that constitute, or, but for the commencement of the Chapter 11 Cases would have constituted, Prepetition Term Priority Collateral or proceeds or products thereof, senior to the DIP Superpriority Claims granted to the DIP ABL FILO Lenders.

9. No Obligation to Extend Credit. The DIP Lenders shall have no obligation to make any loan or advance or to issue, amend, renew, or extend any letters of credit or bankers' acceptance under the DIP Documents unless (and subject to the occurrence of the Closing Date) all of the conditions precedent to the making of such extension of credit or the issuance, amendment, renewal, or extension of such letter of credit or bankers' acceptance under the applicable DIP Documents and this Interim Order have been satisfied in full or waived by the applicable DIP Agent in accordance with the terms of the applicable DIP Agreement.

10. Use of Proceeds of DIP Facilities.

(a) From and after the Petition Date, the Debtors shall use proceeds of borrowings under the DIP Facilities only for the purposes specifically set forth in this Interim Order and the DIP Documents, and, in each case, in compliance with the Budget (subject to any Permitted Variances (as defined in the DIP Term Credit Agreement, the "*Permitted Variances*")) and the terms and conditions in this Interim Order and the DIP Documents.

(b) The Debtors are authorized to cash collateralize any outstanding Prepetition Letters of Credit issued under the Prepetition ABL FILO Credit Agreement pursuant to the LC Cash Collateral Agreement and in compliance with the Budget (subject to Permitted Variances).

11. Authorization to Use Cash Collateral. Subject to the terms and conditions

of this Interim Order and the DIP Documents, and in accordance with the Budget (subject to the Permitted Variances), the Debtors are authorized to use Cash Collateral until the DIP Termination Date; *provided, however*, that during the Remedies Notice Period (as defined below), the Debtors may use Cash Collateral solely to meet payroll obligations and pay expenses necessary to avoid immediate and irreparable harm to the Debtors' estates, in accordance with the Budget (subject to the Permitted Variances). Nothing in this Interim Order shall authorize the disposition of any assets of the Debtors or their estates outside the ordinary course of business, or any Debtor's use of any Cash Collateral or other proceeds resulting therefrom, except as permitted in this Interim Order (including with respect to the Carve-Out), the DIP Facilities, the DIP Documents, or by an order of the Court, and in accordance with the Budget (subject to the Permitted Variances).

12. Adequate Protection for the Prepetition ABL FILO Secured Parties.

Subject to the Investigation (as defined below) and paragraph 12(f), the Prepetition ABL FILO Secured Parties are entitled, pursuant to sections 361, 362, 363(c)(2), 363(e), and 507 of the Bankruptcy Code, to adequate protection of their interests in the Prepetition Collateral, including the Cash Collateral, solely to the extent of any Diminution in Value of their interests in the Prepetition Collateral (the "***ABL FILO Adequate Protection Obligations***"). As adequate protection, the Prepetition ABL FILO Secured Parties are hereby granted the following:

(a) ABL FILO Adequate Protection Liens. As security for the payment of the ABL FILO Adequate Protection Obligations, the Prepetition ABL FILO Agent (for itself and for the benefit of the Prepetition FILO Lenders) is hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution by the Debtors of security agreements, pledge agreements, mortgages, financing statements, or other agreements) a valid, perfected replacement security interest in and lien on all DIP Collateral, including, upon

entry of the Final Order, the Avoidance Action Proceeds (the “**ABL FILO Adequate Protection Liens**”), subject and subordinate only to (i) the Carve-Out, (ii) the Permitted Prior Liens, (iii) with respect to DIP Collateral that constitutes DIP Term Priority Collateral, the DIP Term Liens, the Prepetition Term Liens, the Term Adequate Protection Liens (as defined below), and the DIP ABL FILO Liens, (iv) with respect to the Unencumbered Collateral and the Other Encumbered Collateral, the DIP Term Liens, the Term Adequate Protection Liens, and the DIP ABL FILO Liens, and (v) with respect to DIP Collateral that constitutes DIP ABL FILO Priority Collateral, the DIP ABL FILO Liens and the Prepetition ABL FILO Liens; *provided*, that, as to the Avoidance Action Proceeds, the ABL FILO Adequate Protection Liens shall be *pari passu* with the Term Adequate Protection Liens.

(b) ABL FILO Section 507(b) Claims. The ABL FILO Adequate Protection Obligations shall constitute superpriority claims as provided in section 507(b) of the Bankruptcy Code (the “**ABL FILO 507(b) Claims**”), with priority in payment over any and all administrative expenses of the kinds specified or ordered pursuant to any provision of the Bankruptcy Code, including, without limitation, sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 726, 1113, or 1114 of the Bankruptcy Code, whether incurred in these Chapter 11 Cases or in any Successor Cases, subject and subordinate only to (i) the Carve-Out and (ii) the DIP Superpriority Claims granted in favor of the DIP Obligations and *pari passu* with the Term 507(b) Claims (as defined below). Except to the extent expressly set forth in this Interim Order, the Prepetition ABL FILO Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the ABL FILO 507(b) Claims unless and until the Carve-Out is funded and, other than with regard to the DIP ABL FILO Priority Collateral, all DIP Obligations shall have indefeasibly been paid in full in cash. Notwithstanding their status

as ABL FILO 507(b) Claims, the ABL FILO Adequate Protection Obligations may be satisfied in a plan of reorganization confirmed in the Chapter 11 Cases in any manner set forth in such plan if holders of more than 66-2/3% in amount of the ABL FILO Adequate Protection Obligations consent to such treatment; *provided, however*, that nothing in this Interim Order shall be construed as establishing that the confirmation requirements for a chapter 11 plan have been satisfied, predetermining any provision of a chapter 11 plan, or predetermining how any vote by any insider is counted with respect to a chapter 11 plan.

(c) ABL FILO Adequate Protection Payments. The Debtors are authorized and directed to pay, as adequate protection, in the form of payment in cash, solely to the extent that any Prepetition ABL FILO Obligations remain subject to a Challenge (as defined below) pursuant to paragraph 36 hereof, all accrued and unpaid fees and reasonable and documented disbursements, including professional fees, incurred by the Prepetition ABL FILO Agent and the ad hoc group of holders of the Prepetition FILO Term Loans (the “*Ad Hoc Committee of FILO Lenders*”), whether accrued before, on, or after the Petition Date, including, without limitation, the reasonable and documented fees and expenses of Paul, Weiss, Rifkind, Wharton & Garrison LLP (“*Paul, Weiss*”), as counsel to the Ad Hoc Committee of FILO Lenders, AlixPartners LLP (“*AlixPartners*”), as financial advisor to the Ad Hoc Committee of FILO Lenders, and Landis, Rath & Cobb LLP (“*Landis*” and, together with Paul, Weiss and AlixPartners, the “*Ad Hoc FILO Committee Advisors*”), as Delaware co-counsel (excluding success or transaction fees). The payment of the fees, expenses and disbursements set forth in this paragraph (to the extent incurred after the Petition Date) shall be subject to paragraph 36 and the review process set forth in paragraph 32. To the extent the DIP ABL FILO Loans are subject to a

successful Challenge in accordance with paragraph 36 hereof, interest on the ABL FILO Roll-Up Amount shall be deemed to have accrued pursuant to the Prepetition ABL FILO Documents.

(d) Information. The Debtors shall concurrently deliver to the Prepetition ABL FILO Agent and the legal and financial advisors to the Ad Hoc Committee of FILO Lenders, all information, reports, documents, and other materials that the Debtors provide to the DIP Lenders pursuant to the DIP Documents, this Interim Order, and the Final Order, subject to the confidentiality provisions contained in the Prepetition ABL FILO Credit Agreement.

(e) Nothing in this Interim Order or the DIP Documents shall prejudice the rights, remedies and privileges of the Prepetition ABL FILO Agent, the Prepetition FILO Lenders, and the Prepetition ABL Lenders granted in the Bankruptcy Code or as set forth in the Prepetition ABL FILO Documents to the extent the Prepetition ABL FILO Obligations or the Agent Hedge Agreement, each to be in respect of the Prepetition ABL Loans repaid pursuant to this Interim Order are not so repaid promptly following the entry of this Interim Order, or, after repayment, are required to be disgorged or otherwise avoided or reinstated, and all of the Prepetition ABL FILO Agent's, Prepetition FILO Lenders', and Prepetition ABL Lenders' rights and remedies under the Bankruptcy Code and the Prepetition ABL FILO Documents (including the Intercreditor Agreement) are hereby fully preserved, including their right to seek additional or further adequate protection.

(f) The provisions for adequate protection in this paragraph 12 with respect to the Prepetition ABL FILO Obligations, Prepetition ABL FILO Liens and any ABL FILO Adequate Protection Obligations, including ABL FILO Adequate Protection Liens and ABL FILO 507(b) Claims, shall be deemed satisfied and discharged (and without any further obligation to provide continuing adequate protection thereunder) upon both (x) the repayment in full of the

Prepetition ABL FILO Obligations in cash and/or through the conversion into the DIP ABL FILO Loans as contemplated hereunder and (y) the expiration of the Challenge Deadline without a Challenge in respect of the Prepetition ABL FILO Obligations and/or Prepetition ABL FILO Liens being commenced (or if commenced, upon the dismissal of such Challenge, with prejudice).

13. Adequate Protection for the Prepetition Term Secured Parties. Subject to the Investigation, the Prepetition Term Secured Parties are entitled, pursuant to sections 361, 362, 363(c)(2), 363(e), and 507 of the Bankruptcy Code, to adequate protection of their interests in the Prepetition Collateral, including the Cash Collateral, solely to the extent of any Diminution in Value of their interests in the Prepetition Collateral (the “*Term Adequate Protection Obligations*”, and, together with the ABL FILO Adequate Protection Obligations, the “*Adequate Protection Obligations*”). As adequate protection, the Prepetition Term Secured Parties are hereby granted the following:

(a) Term Adequate Protection Liens. As security for the payment of the Term Adequate Protection Obligations, the Prepetition Term Collateral Agent (for itself and for the benefit of the Prepetition Term Lenders) is hereby granted (effective and perfected upon the date of this Interim Order and without the necessity of the execution by the Debtors of security agreements, pledge agreements, mortgages, financing statements, or other agreements) a valid, perfected replacement security interest in and lien on all of the DIP Collateral, including, subject to entry of the Final Order, Avoidance Action Proceeds (the “*Term Adequate Protection Liens*” and, together with the ABL FILO Adequate Protection Liens, the “*Adequate Protection Liens*”), subject and subordinate only to (i) the Carve-Out, (ii) the Permitted Prior Liens, (iii) as to all DIP Collateral constituting DIP Term Priority Collateral, the DIP Term Liens and the Prepetition Term Liens, (iv) as to all DIP Collateral constituting DIP ABL FILO Priority Collateral, the DIP ABL

FILO Liens, the Prepetition ABL FILO Liens, the ABL FILO Adequate Protection Liens, and the DIP Term Liens, and (v) as to the Unencumbered Collateral and the Other Encumbered Collateral, the DIP Term Liens, and the DIP ABL FILO Liens; provided, that, as to the Avoidance Action Proceeds, the Term Adequate Protection Liens shall be *pari passu* with the ABL FILO Adequate Protection Liens.

(b) Term Section 507(b) Claims. The Term Adequate Protection Obligations shall constitute superpriority claims as provided in section 507(b) of the Bankruptcy Code (the “*Term 507(b) Claims*” and, together with the ABL FILO 507(b) Claims, the “*507(b) Claims*”), with priority in payment over any and all administrative expenses of the kinds specified or ordered pursuant to any provision of the Bankruptcy Code, including, without limitation, sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 546(d), 726, 1113, or 1114 of the Bankruptcy Code, whether incurred in these Chapter 11 Cases or in any Successor Cases, subject and subordinate only to (i) the Carve-Out and (ii) the DIP Superpriority Claims granted in respect of the DIP Obligations, and *pari passu* with the ABL 507(b) Claims. Except to the extent expressly set forth in this Interim Order, the Prepetition Term Secured Parties shall not receive or retain any payments, property, or other amounts in respect of the Term 507(b) Claims unless and until the Carve-Out is funded and all DIP Obligations, ABL FILO Adequate Protection Obligations, and Prepetition ABL FILO Obligations shall have indefeasibly been paid in full in cash. Notwithstanding their status as Term 507(b) Claims, the Term Adequate Protection Obligations may be satisfied in a plan of reorganization confirmed in the Chapter 11 Cases in any manner set forth in such plan if holders of more than 66-2/3% in amount of the Term Adequate Protection Obligations consent to such treatment; *provided, however*, that nothing in this Interim Order shall be construed as establishing that the confirmation requirements for a chapter 11 plan

have been satisfied, predetermining any provision of a chapter 11 plan, or predetermining how any vote by any insider is counted with respect to a chapter 11 plan.

(c) Adequate Protection Payments. The Debtors are authorized and directed to pay, as adequate protection, in the form of payment in cash all accrued and unpaid fees and reasonable and documented disbursements incurred by the Prepetition Term Agents, their advisors, including Dorsey & Whitney LLP, as counsel, and advisors to the ad hoc group of holders of Prepetition Term Loans and Prepetition FILO Term Loans (the “*Ad Hoc Group of Crossover Lenders*” and, together with the Ad Hoc Committee of FILO Lenders, the “*Ad Hoc Committees*”), including Milbank LLP (“*Milbank*”) as counsel, Morris, Nichols, Arsht & Tunnell LLP (“*MNAT*”) as Delaware counsel, Cassels Brock & Blackwell LLP (“*Cassels*”) as Canadian counsel and Houlihan Lokey, Inc. as financial advisor (“*Houlihan*” and, together with MNAT, Cassels and Milbank, the “*Ad Hoc Crossover Group Advisors*” and, together with the Ad Hoc FILO Committee Advisors, the “*Ad Hoc Committee Advisors*”), in each case whether accrued before, on, or after the Petition Date. The payment of the fees, expenses and disbursements set forth in this paragraph (to the extent incurred after the Petition Date) shall be subject to paragraph 36 and the review process set forth in paragraph 32.

(d) Information. The Debtors shall concurrently deliver to the Prepetition Term Agents, their legal advisors, and the legal advisors to the Ad Hoc Group of Crossover Lenders all information, reports, documents, and other material that the Debtors provide to the DIP Lenders pursuant to the DIP Documents, this Interim Order, and the Final Order, subject to the confidentiality provisions contained in the Prepetition Term Credit Agreement.

14. Adequate Protection Reservation. Subject to the Carve-Out, nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that

the adequate protection provided to the Prepetition Secured Parties hereunder is insufficient to compensate for any Diminution in Value of their respective interests in the Prepetition Collateral during the Chapter 11 Cases or any Successor Cases. The receipt by the Prepetition Secured Parties of the adequate protection provided herein shall not be deemed an admission that the interests of the Prepetition Secured Parties are adequately protected. Further, this Interim Order shall not prejudice or limit the rights of the Prepetition Secured Parties to seek additional relief with respect to the use of Cash Collateral or for additional adequate protection, subject in all respects to the terms and limitations of the Intercreditor Agreement.

15. Effect of Order on Adequate Protection. In the event that it is determined by a final order, which order shall not be subject to any appeal, stay, reversal, or vacatur, that (a) no Diminution in Value of any Prepetition Secured Party's respective interests in the Prepetition Collateral has occurred or (b) such Prepetition Secured Party is determined to be undersecured, then a party in interest shall have the right to assert that payments on account of adequate protection pursuant to this Interim Order shall be applied toward repayment of the principal amount due under the Prepetition Secured Facilities as is owing to such Prepetition Secured Party.

16. Budget Maintenance. The Debtors shall use the proceeds of all borrowings under the DIP Facilities and Cash Collateral in accordance with the Budget, subject in all respects to the Permitted Variance. The Budget annexed hereto as Schedule 1 shall constitute the initial Budget. On the first Wednesday that is four (4) full weeks after the Petition Date, and on the Wednesday of each fourth week thereafter, the Debtors shall provide to the DIP Term Agent, their legal advisors, the DIP ABL FILO Agent, and the Ad Hoc Committee Advisors (a) an updated proposed rolling 13-week statement of the Debtors' anticipated cash receipts and disbursements for the subsequent 13-week period (a "**Proposed Budget**"), which Proposed Budget shall modify

and supersede any prior Budget on the Wednesday of the week following the delivery of any Proposed Budget, unless prior to such date the DIP Term Agent, at the direction of the Required Term Lenders or Required Term Lenders notifies the Loan Parties in writing (which may be by email) that such Proposed Budget is not in form and substance satisfactory to the Required Term Lenders. If the DIP Term Agent, at the direction of the Required Term Lenders or Required Term Lenders deliver such notice that such Proposed Budget is not in form and substance satisfactory to the Required Term Lenders, the Budget then in effect shall continue as the then-effective Budget, and the DIP Term Lenders shall have no obligation to fund such Proposed Budget. Each Budget delivered to the DIP Term Agent and the Ad Hoc Committee Advisors shall be accompanied by such supporting documentation as reasonably requested by the Ad Hoc Committee Advisors, and each Budget shall be prepared in good faith based upon assumptions the Debtors believe to be reasonable. A copy of the Budget shall be delivered to the legal and financial advisors to the Committee (if appointed) and the U.S. Trustee following such Budget's approval.

17. Budget and Reporting Compliance. The Debtors shall at all times comply with the Budget, subject to the Permitted Variances, and the Debtors shall provide all reports and other information as required in the DIP Agreements (subject to the grace periods provided therein). The Debtors' failure to comply with the Budget (subject to the Permitted Variance) or to provide the reports and other information required in the DIP Agreements shall constitute an Event of Default (as defined below), following the expiration of any applicable grace period set forth in the applicable DIP Agreement.

18. Modification of Automatic Stay. The automatic stay imposed under section 362(a)(2) of the Bankruptcy Code is hereby modified as necessary to effectuate all of the terms and provisions of this Interim Order, including, without limitation, to (a) permit the Debtors to

grant the DIP Liens, Adequate Protection Liens, DIP Superpriority Claims, and 507(b) Claims; (b) permit the Debtors to perform such acts as the DIP Agents, the Prepetition ABL FILO Agent, and the Prepetition Term Agents each may reasonably request to assure the perfection and priority of the liens granted herein; (c) permit the Debtors to incur all liabilities and obligations to the DIP Agents, DIP Lenders, and Prepetition Secured Parties under the DIP Documents, the DIP Facilities, and this Interim Order, as applicable; and (d) authorize the Debtors to pay, and the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties to retain and apply, payments made in accordance with the terms of this Interim Order.

19. Perfection of DIP Liens and Adequate Protection Liens. This Interim Order shall be sufficient and conclusive evidence of the creation, validity, perfection, and priority of all liens granted herein, including the DIP Liens and the Adequate Protection Liens, without the necessity of filing or recording any financing statement, mortgage, notice, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Liens or the Adequate Protection Liens or to entitle the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties to the priorities granted herein. Notwithstanding the foregoing, each of the DIP Agents, Prepetition ABL FILO Agent, and Prepetition Term Agents are authorized to file or record, as it in its sole discretion deems necessary or advisable, such financing statements, security agreements, mortgages, notices of liens, and other similar documents to perfect its respective liens in accordance with applicable non-bankruptcy law, and all such financing statements, mortgages, notices, and other documents shall be deemed to have been filed or recorded as of the Petition Date; *provided, however*, that no such filing or recordation shall be

necessary or required in order to create or perfect the DIP Liens or the Adequate Protection Liens. The Debtors are authorized and directed to execute and deliver, promptly upon demand to the DIP Agents, Prepetition ABL FILO Agent, and Prepetition Term Agents, all such financing statements, mortgages, notices, and other documents as the DIP Agents, Prepetition ABL FILO Agent, or Prepetition Term Agents, as applicable, may reasonably request. Each of the DIP Agents, Prepetition ABL FILO Agent, and Prepetition Term Agents, in its discretion, may file a photocopy of this Interim Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien, or similar instrument, and all applicable officials are hereby directed to accept a photocopy of this Interim Order for filing or recordation for such purpose. To the extent any of the Prepetition ABL FILO Agent or Prepetition Term Agents are the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Documents or is listed as loss payee or additional insured under any of the Debtors' insurance policies, the DIP Agents shall also be deemed to be the secured party or the loss payee or additional insured, as applicable, under such documents. The Prepetition ABL FILO Agent and Prepetition Term Agents, as applicable, shall serve as agents for the DIP Agents for purposes of perfecting the DIP Liens on all DIP Collateral that is of a type such that, without giving effect to the Bankruptcy Code and this Interim Order, perfection of a lien thereon may be accomplished only by possession or control by a secured party.

20. Protections of Rights of DIP Agents, DIP Lenders and Prepetition Secured Parties.

- (a) Unless the DIP Agents, the Prepetition ABL FILO Agent, and the

Prepetition Term Agents shall have provided their prior written consent, or all DIP Obligations and all Prepetition Secured Obligations (excluding contingent indemnification obligations for which no claim has been asserted) have been indefeasibly paid in full in cash and the lending commitments under the DIP Facilities have terminated, there shall not be entered in any of these Chapter 11 Cases or any Successor Cases any order (including any order confirming any plan of reorganization or liquidation) that authorizes any of the following (unless such order provides for the simultaneous satisfaction of such obligations): (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other lien on all or any portion of the DIP Collateral or the Prepetition Collateral or that is entitled to administrative priority status, in each case that is superior to or *pari passu* with the DIP Liens, the DIP Superpriority Claims, the Prepetition Liens, the Adequate Protection Liens, or the 507(b) Claims, except as expressly set forth in this Interim Order or the DIP Documents; (ii) the use of Cash Collateral for any purpose other than as permitted in the Budget, subject to the Permitted Variances, the DIP Documents, and this Interim Order; or (iii) any modification of any DIP Agent's, any DIP Lender's, or any Prepetition Secured Party's rights under this Interim Order, the DIP Documents, or the Prepetition Documents with respect any DIP Obligations or Prepetition Secured Obligations.

(b) The Debtors (and/or their legal and financial advisors in the case of clauses (ii) through (iv) below) will, whether or not the DIP Obligations (excluding contingent indemnification obligations for which no claim has been asserted) have been indefeasibly paid in full in cash, (i) maintain books, records, and accounts to the extent and as required by the DIP Documents and the Prepetition Documents (and subject to the applicable grace periods set forth therein); (ii) reasonably cooperate with, consult with, and provide to the DIP Agents and the

Prepetition Agents all such information and documents that any or all of the Debtors are obligated (including upon reasonable request by any of the DIP Agents or the Prepetition Agents) to provide under the DIP Documents, the Prepetition Documents, or the provisions of this Interim Order; (iii) authorize their independent certified public accountants, financial advisors, investment bankers and consultants, including Evercore Group LLC and FTI Consulting Inc. to cooperate and consult with the DIP Agents (and, so long as an Event of Default has occurred and is continuing, each DIP Lender), the Ad Hoc Committee Advisors, and the Prepetition Agents; (iv) upon reasonable advance notice, permit the DIP Agents, the DIP Lenders, and the Prepetition Agents to visit and inspect any of the Debtors' respective properties, to examine and make abstracts or copies from any of their respective books and records, to tour the Debtors' business premises and other properties, and to discuss their respective affairs, finances, properties, business operations, and accounts with their respective officers, employees, independent public accountants, and other professional advisors (other than legal counsel) as and to the extent required by the DIP Documents and/or the Prepetition Documents; (v) permit the DIP Agents, the Prepetition Agents and the Ad Hoc Committee Advisors to consult with the Debtors' management and advisors on matters concerning the Debtors' businesses, financial condition, operations, and assets; and (vi) upon reasonable advance notice, permit the DIP Agents and the Prepetition Agents to conduct, at their discretion and at the Debtors' cost and expense, field audits, collateral examinations, and liquidation valuations at reasonable times in respect of any or all of the DIP Collateral or the Prepetition Collateral, in accordance with the DIP Documents and the Prepetition Documents.

21. Credit Bidding. In connection with any sale process authorized by the Court, whether effectuated through sections 363, 725, or 1123 of the Bankruptcy Code, the DIP Agents, DIP Lenders, and the Prepetition Secured Parties may credit bid up to the full amount of

the outstanding DIP Obligations or the relevant Prepetition Secured Obligations, as applicable, in each case including any accrued and unpaid interest, expenses, fees, and other obligations for their respective priority collateral (each such bid, a “*Credit Bid*”) pursuant to section 363(k) of the Bankruptcy Code, subject in each case to the Intercreditor Agreement and the priorities set forth herein; *provided*, that any Credit Bid includes cash consideration sufficient to pay in full any obligations with senior liens on the collateral that is subject to the Credit Bid.

22. Proceeds of Subsequent Financing. If the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Chapter 11 Cases or any Successor Cases shall obtain credit or incur debt pursuant to sections 364(b), 364(c), 364(d) of the Bankruptcy Code in violation of the DIP Documents or this Interim Order at any time prior to the indefeasible repayment in full of all DIP Obligations and the termination of the DIP Agents’ and DIP Lenders’ obligation to extend credit under the DIP Facilities, including subsequent to the confirmation of any plan with respect to any or all of the Debtors (if applicable), then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Term Agent or the DIP ABL FILO Agent, as applicable, to be applied in accordance with the Prepetition Intercreditor Agreement, this Interim Order and the DIP Documents.

23. Maintenance of DIP Collateral. Until the indefeasible payment in full of all DIP Obligations, all Prepetition Secured Obligations, and the termination of the DIP Agents’ and the DIP Lenders’ obligation to extend credit under the DIP Facilities, the Debtors shall (a) insure the DIP Collateral as required under the DIP Facilities or the Prepetition Documents, as applicable; (b) maintain the cash management system in effect as of the Petition Date, as modified by any order entered by the Court; and (c)(i) maintain accurate records of all transfers (including

intercompany transactions) within the cash management system so that all postpetition transfers and transactions shall be adequately and promptly documented in, and readily ascertainable from, their books and records, to the same extent maintained by the Debtors before the Petition Date, and (ii) provide reasonable access to such records to the DIP Agents and the Ad Hoc Committee Advisors.

24. Disposition of DIP Collateral. The Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral other than in the ordinary course of business without the prior written consent of the DIP Agents and the Prepetition Agents (and no such consent shall be implied, from any other action, inaction, or acquiescence by the DIP Agents, DIP Lenders, or the Prepetition Secured Parties), except as otherwise provided for in the DIP Documents or as ordered by the Court, and subject in all respects to the Intercreditor Agreement.

25. DIP Termination Date. On the DIP Termination Date (as defined below), which, for the avoidance of doubt, shall include the “Maturity Date” under each DIP Agreement, subject to the Carve-Out, (a) all DIP Obligations shall be immediately due and payable, all commitments to extend credit under the DIP Facilities will terminate, other than as required in paragraph 36 with respect to the Carve-Out; (b) all authority to use Cash Collateral shall cease, other than as required in paragraph 36 with respect to the Carve-Out; *provided, however*, that during the Remedies Notice Period, the Debtors may use Cash Collateral solely to meet payroll obligations and pay expenses necessary to avoid immediate and irreparable harm to the Debtors’ estates, in accordance with the Budget (subject to the Permitted Variances), or as otherwise agreed by the DIP Term Agent at the direction of the Required Term Lenders; and (c) subject to paragraph 28, the DIP Agents and DIP Lenders shall be otherwise entitled to exercise rights and remedies

under the DIP Documents in accordance with this Interim Order.

26. Events of Default. The occurrence of any of the following events, unless waived by the DIP Term Agent, at the direction of the Required Term Lenders, and/or the DIP ABL FILO Agent (as applicable) in writing and in accordance with the terms of the applicable DIP Agreements, shall constitute an event of default (collectively, the “*Events of Default*”) under this Interim Order: (a) the failure of the Debtors to perform or comply with, in any respect, any of the terms, provisions, conditions, covenants, or obligations under this Interim Order, subject to a three-day cure period (if such failure is capable of being cured); or (b) the occurrence of an “Event of Default” under either of the DIP Agreements. Upon the indefeasible payment in full in cash of the DIP Obligations (a “*DIP Repayment*”), the foregoing Events of Default may be waived by the Prepetition Agents as set forth in the Prepetition Documents.

27. Milestones. As a condition to the DIP Facilities and the use of Cash Collateral, the Debtors shall comply with the “*Milestones*” set forth on Schedule 2 hereto. The failure of the Debtors to comply with any of the Milestones shall (a) constitute an Event of Default under (i) each of the DIP Agreements and (ii) this Interim Order and, (b) subject to the expiration of the Remedies Notice Period, result in the automatic termination of the Debtors’ authority to use Cash Collateral under this Interim Order, and (c) permit the DIP Agents, subject to the terms of paragraph 28, to exercise the rights and remedies provided for in this Interim Order and the DIP Documents.

28. Rights and Remedies Upon Event of Default. Immediately upon the occurrence and during the continuation of an Event of Default or the “Maturity Date” under the applicable DIP Agreement, notwithstanding the provisions of section 362 of the Bankruptcy Code, without any application, motion or notice to, hearing before, or order of the Court, but subject to

the terms of this Interim Order, (a) each of the DIP Term Agent and the DIP ABL FILO Agent may declare (i) all outstanding DIP Obligations owing under the respective DIP Documents to be immediately due and payable, (ii) the termination of any further commitment to extend credit to the Debtors to the extent any such commitment remains under the respective DIP Facilities, (iii) termination of the respective DIP Facilities and the respective DIP Documents as to any future liability or obligation of the applicable DIP Agent and the DIP Lenders, without affecting any of the DIP Liens or the DIP Obligations, and (iv) that the application of the Carve-Out has occurred through the delivery of the Carve-Out Trigger Notice (as defined below) to the Debtors; and (b) subject to the provisions in paragraph 25, the Prepetition Agents may declare the termination of the Debtors' ability to use Cash Collateral (any such declaration shall be referred to as a "***DIP Termination Declaration***") and the date on which a DIP Termination Declaration is delivered shall be referred to as the "***DIP Termination Date***"). A DIP Termination Declaration shall be delivered by electronic mail (or other electronic means) to counsel to the Debtors, counsel to a Committee (if appointed), counsel to each of the DIP Agents (or the other DIP Agent, if made by one of the DIP Agents), counsel to each of the Ad Hoc Committees, counsel to each of the Prepetition Agents (or the other Prepetition Agent, if made by one of the Prepetition Agents), and the U.S. Trustee. The automatic stay is hereby modified so that five (5) business days after the date a DIP Termination Declaration is delivered (such five-day period, the "***Remedies Notice Period***"), the DIP Agents and the DIP Lenders shall be entitled to exercise their rights and remedies in accordance with their respective DIP Documents, as applicable, and this Interim Order, subject in all respects to the Carve-Out. During the Remedies Notice Period, the Debtors and/or a Committee (if appointed) shall be entitled to seek an emergency hearing from the Court, and upon and after delivery of the DIP Termination Declaration, each DIP Agent delivering such DIP Termination

Declaration shall be deemed to have consented to such emergency hearing. The Debtors hereby waive their right to and shall not be entitled to invoke section 105 of the Bankruptcy Code in an effort to restrict or preclude the DIP Agents or DIP Lenders from exercising any rights or remedies set forth in this paragraph 28 or elsewhere in the Interim Order or DIP Documents. Unless the Court orders otherwise, the automatic stay shall automatically be terminated at the end of the Remedies Notice Period without further notice or order as to the DIP Agents and the DIP Lenders. Upon the occurrence and during the continuation of an Event of Default, the DIP Agents and any liquidator or other professional will have the right to access and utilize, at no cost or expense, any trade names, trademarks, copyrights, or other intellectual property of the Debtors to the extent necessary or appropriate in order to sell, lease, or otherwise dispose of any of the DIP Collateral, including pursuant to any Court-approved sale process; *provided, however*, that the DIP Agents and the other DIP Lenders may only enter upon a leased premises of the Debtors after a DIP Termination Declaration in accordance with (i) a separate written agreement among the DIP Agents, the other DIP Lenders, and the applicable landlord for the leased premises, (ii) pre-existing rights of the DIP Agents or the other DIP Lenders under applicable non-bankruptcy law, (iii) written consent of the applicable landlord for the leased premises, or (iv) entry of an order by this Court approving such access to the leased premises after notice and an opportunity to be heard for the applicable landlord for the leased premises.

29. Carve-Out.

(a) As used in this Interim Order, the term “*Carve-Out*” means the sum of: (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under 28 U.S.C. § 1930(a) plus interest at the statutory rate (without regard to the notice set forth in clause (iv) below); (ii) all reasonable fees and expenses up to \$75,000 incurred by a trustee under section

726(b) of the Bankruptcy Code (without regard to the notice set forth in clause (iv) below); (iii) to the extent allowed at any time, whether by interim or final compensation order, procedural order, or otherwise, all unpaid fees and expenses (including any monthly or success or Transaction Fee (defined below) payable to estate professionals) (the “**Allowed Professional Fees**”) incurred by persons or firms retained by the Loan Parties pursuant to section 327, 328, or 363 of the Bankruptcy Code (the “**Debtor Professionals**”) and the Committee (if any) pursuant to section 328 or 1103 of the Bankruptcy Code (the “**Committee Professionals**” and, together with the Debtor Professionals, the “**Professional Persons**”) at any time before or on the first business day following delivery by the DIP Term Agent or the DIP ABL FILO Agent of a Carve-Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve-Out Trigger Notice (as defined below) (the amounts set forth in clauses (i) through (iii), the “**Pre-Carve-Out Trigger Notice Cap**”); and (iv) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed \$2,500,000 incurred after the first business day following the date of delivery by the DIP Term Agent or the DIP ABL FILO Agent of the Carve-Out Trigger Notice (such date, the “**Trigger Date**”), to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the “**Post-Carve-Out Trigger Notice Cap**” and, together with the Pre-Carve-Out Trigger Notice Cap, the “**Carve-Out Cap**”); *provided*, that under no circumstances shall any success, completion, or similar fees be paid from the Carve-Out following delivery of a Trigger Notice unless such fee was earned and payable prior to the Trigger Date; *provided, further* that nothing herein shall be construed to impair the ability of any party to object to the fees, expenses, reimbursement or compensation described in the Carve-Out Cap on any other grounds.

(b) For purposes of the foregoing, “**Carve-Out Trigger Notice**” shall

mean a written notice delivered by email (or other electronic means) by the DIP Term Agent or the DIP ABL FILO Agent to each other, the Loan Parties, their lead restructuring counsel (Latham & Watkins LLP), the U.S. Trustee, counsel to the Committee (if any), and counsel to each of the Ad Hoc Committees and the DIP Agents, which notice may be delivered following the occurrence and during the continuation of an Event of Default (as defined herein) and acceleration of the obligations under either of the DIP Facilities, stating that the Post-Carve-Out Trigger Notice Cap has been invoked.

(c) On the day on which a Carve Out Trigger Notice is given by either DIP Agent to the Loan Parties with a copy to counsel to the Committee (if any) (the “**Termination Declaration Date**”), the Carve-Out Trigger Notice shall constitute a demand to the Loan Parties to utilize (i) first, all cash in the DIP Funding Account, and then the Operating Account, notwithstanding anything in the DIP Term Documents to the contrary, including with respect to the existence of a default or an Event of Default, the failure of the Debtors to satisfy any or all of the conditions precedent for the withdrawal of funds from the DIP Funding Account or the Operating Account, including any Milestone or entry of the Final Order, or any termination of the commitments under the DIP Term Facility, and (ii) second, to the extent the cash set forth in clause (i) is insufficient, all cash on hand as of such date and any available cash thereafter generated by the Debtors to deposit in a segregated account at the DIP Term Agent (the “**Escrow Account**”) an amount equal to the Carve-Out Cap and hold in trust to pay such amounts benefiting from the Carve-Out. On or after the Termination Declaration Date, immediately following the consummation of (A) the sale of the business as a going concern, whether in one or a series of transactions, or (B) the consummation of a plan of reorganization (in each case, a “**Consummated Transaction**”), in either case having the support of the Ad Hoc Committees, (1) the Post-Carve-

Out Trigger Notice Cap shall be increased in an amount not to exceed \$4,500,000 by the Restructuring Fee or Sale Fee (as defined in the engagement letter referred to below in this clause (1)), as applicable, payable to Evercore Group L.L.C., as financial advisor of the Loan Parties (any such fee, a “*Transaction Fee*”), in accordance with that certain engagement letter, dated April 16, 2020 between Evercore Group L.L.C., Latham & Watkins LLP and GNC Holdings, Inc. in effect on the date hereof, subject to the approval of the Court, earned as a result of such Consummated Transaction, and (2) an amount equal to any such Transaction Fee, not to exceed \$4,500,000, shall be deposited in the Escrow Account and used to pay any such Transaction Fees to the extent such Transaction Fees are earned and payable and to the extent such Transaction Fees are not paid directly to the applicable Debtor Professional at the consummation of the transaction. Notwithstanding the foregoing, the Post-Carve-Out Trigger Notice Cap shall not be increased in the event of a liquidation of the assets.

(d) The funds on deposit in the Escrow Account shall only be available to satisfy the obligations set forth in the definition of Carve-Out herein, and the DIP Agents, the DIP Lenders and the Prepetition Secured Parties (x) shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of assets) of the Debtors to the extent necessary to fund the Escrow Account as provided above and (y) shall have a security interest only upon any residual amount in the Escrow Account available following satisfaction in cash in full of all obligations benefiting from the Carve-Out as further described in clause (f) below.

(e) All funds in the Escrow Account shall be used first to pay all obligations benefitting from the Pre-Carve-Out Trigger Notice Cap, until paid in full, and then the obligations benefitting from the Post-Carve-Out Trigger Notice Cap. If, after paying all amounts set forth in the definition of Carve-Out, the Escrow Account has not been reduced to zero, all

remaining funds in the Escrow Account that are funded pursuant to paragraph 29(c) (i) out of the proceeds of DIP Term Priority Collateral or the DIP Funding Account, shall be distributed to the DIP Term Agent on account of the DIP Term Loans, and (ii) out of DIP ABL FILO Priority Collateral or proceeds thereof, shall be distributed to the DIP ABL FILO Agent on account of the DIP ABL FILO Loans.

(f) Notwithstanding anything to the contrary in this Interim Order, (i) the failure of the Escrow Account to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve-Out, and (ii) in no way shall the Budget, the Carve-Out, the Escrow Account, or any of the foregoing be construed as a cap or limitation on the amount of Allowed Professional Fees due and payable by the Debtors. None of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Persons incurred in connection with the Chapter 11 Cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in this Interim Order or otherwise shall be construed to obligate the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement. Any payment or reimbursement made on or after the occurrence of the Trigger Date in respect of any Allowed Professional Fees shall permanently reduce the Carve-Out on a dollar-for-dollar basis.

(g) Proceeds from the DIP Facilities not to exceed the Investigation Budget Amount may be used on account of professional fees and expenses of Committee Professionals in connection with the Investigation, which obligations will benefit from the Carve-Out in an amount not to exceed the Investigation Budget Amount to the extent unpaid as of the

delivery of a Carve-Out Trigger Notice.

(h) For the avoidance of doubt, if a DIP Repayment occurs or the DIP Facilities are otherwise terminated, the Interim Order shall remain in full force and effect, including with respect to the Debtors' use of Cash Collateral, the Carve-Out, and all related provisions in respect thereof, and the Prepetition Agents shall assume any rights and obligations that the DIP Agents previously had with respect to the Carve-Out.

30. Limitations on Use of DIP Proceeds, Cash Collateral, and Carve-Out. No portion of the Carve-Out, the proceeds of any DIP Term Loans, or any Cash Collateral may be used to (or support any other party to) litigate, object to, contest or challenge in any manner or raise any defenses to the debt, collateral position, liens or claims of any of the DIP Lenders, the DIP Agents, or the Prepetition Secured Parties, whether by challenging the validity, extent, amount, perfection, priority or enforceability of the indebtedness under the DIP Facilities, the Prepetition ABL FILO Credit Agreement or the Prepetition Term Credit Agreement, or the validity, extent, perfection, priority or enforceability of any mortgage, security interest or lien with respect thereto or any other rights or interests or replacement liens with respect thereto or any other rights or interests of any of the DIP Lenders, the DIP Agents, or the Prepetition Secured Parties, or by seeking to subordinate or recharacterize the DIP Facilities (or amounts outstanding thereunder), the Prepetition ABL FILO Credit Agreement (or amounts outstanding thereunder) or the Prepetition Term Credit Agreement (or amounts outstanding thereunder), or to disallow or avoid any claim, mortgage, security interest, lien, or replacement lien or by asserting any claims or causes of action, including, without limitation, any actions under chapter 5 of the Bankruptcy Code, against any of the DIP Lenders, the DIP Agents, or the Prepetition Secured Parties, or any of their respective officers, directors, agents, or employees; *provided, however*, that the Carve-Out

and such collateral proceeds and loans under the DIP Documents may be used for allowed fees and expenses, in an amount not to exceed \$75,000 (the “*Investigation Budget Amount*”) incurred solely by a Committee (if appointed), in investigating (but not prosecuting or challenging) the validity, enforceability, perfection, priority, or extent of the Prepetition Liens (the “*Investigation*”) before the Challenge Deadline (as defined below). In addition, none of the Carve-Out, proceeds of DIP Term Loans, nor any Cash Collateral shall be used in connection with (a) preventing, hindering or delaying any of the DIP Lenders’, the DIP Agents’, or the Prepetition Secured Parties’ enforcement or realization upon the DIP Collateral or the exercise of rights by the DIP Agents or the Prepetition Agents once an Event of Default has occurred and is continuing, (b) using or seeking to use Cash Collateral or selling or otherwise disposing of the DIP Collateral other than as provided herein, (c) using or seeking to use any insurance proceeds related to the DIP Collateral without the consent of the DIP Term Agent, the DIP ABL FILO Agent, the Prepetition ABL FILO Agent or the Prepetition Term Agents, as applicable; or (d) incurring Indebtedness (as defined in the DIP Term Credit Agreement) other than in accordance with the Budget or other than as permitted in the DIP Documents; *provided* that the foregoing limitations shall not prevent the Loan Parties and their professionals from being heard on whether an Event of Default has occurred and is continuing.

31. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Interim Order. Based on the findings set forth in this Interim Order and the record made during the Interim Hearing, and in accordance with section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of this Interim Order are hereafter modified, amended, or vacated by a subsequent order of this Court or any other court of competent jurisdiction, the DIP Agents, the DIP Lenders, and Prepetition Secured Parties are entitled to the protections provided

in section 364(e) of the Bankruptcy Code. Any such modification, amendment, or vacatur shall not affect the validity and enforceability of any advances previously made or made hereunder, or lien, claim, or priority authorized or created hereby, unless such authorization and the incurring of such debt, or the granting of such priority or lien, is stayed pending appeal.

32. Payment of Fees and Expenses. The Debtors are authorized and directed to pay all reasonable and documented prepetition and postpetition fees and out-of-pocket expenses of the DIP Agents and DIP Lenders, including the Ad Hoc Committees, in connection with the DIP Facilities, as provided in the DIP Documents. Any time that professionals of the DIP Agents and the DIP Lenders, including the Ad Hoc Committees, seek payment of fees and expenses from the Debtors, each professional shall provide summary copies of its fee and expense statements or invoices (which shall not be required to contain time entries and which may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work-product doctrine) to the U.S. Trustee and counsel to the Committee (if appointed) contemporaneously with the delivery of such fee and expense statements to the Debtors. The Debtors, any Committee, or the U.S. Trustee may, within ten (10) days of receipt of a statement, dispute the payment of any portion of such invoiced fees and expenses (the “***Disputed Invoiced Fees***”) by notifying the submitting party in writing setting forth the specific objections to the Disputed Invoiced Fees (to be followed by the filing with the Court, if necessary, of a motion or other pleading, with at least ten (10) days prior written notice to the submitting party of any hearing on such motion or other pleading). If no objection is timely made to a statement, then the Debtors shall promptly pay in full in cash such invoiced fees and expenses. If an objection is

timely made to a statement, the Debtors shall promptly pay in full in cash all such invoiced fees and expenses other than the Disputed Invoiced Fees. Notwithstanding the foregoing, the Debtors are authorized and directed to pay on the Closing Date all reasonable and documented fees, costs, and out-of-pocket expenses of the DIP Agents and the DIP Lenders incurred on or prior to such date without the need for any professional engaged by either of the DIP Agents or by the DIP Lenders to first deliver a copy of its invoice as provided for herein. No attorney or advisor to either of the DIP Agents or to the DIP Lenders shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. Any and all fees, costs, and expenses paid prior to the Petition Date by any of the Debtors to the (i) DIP Agents or DIP Lenders in connection with the DIP Facilities and (ii) Prepetition Secured Parties in connection with the Chapter 11 Cases, are hereby approved in full.

33. Proofs of Claim. The DIP Agents, the DIP Lenders, and the Prepetition Secured Parties will not be required to file proofs of claim in any of the Chapter 11 Cases or Successor Cases for any claim allowed herein. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the Chapter 11 Cases or Successor Cases to the contrary, each of the Prepetition ABL FILO Agent and the Prepetition Term Agents is hereby authorized and entitled, in its sole discretion, to file a master proof of claim on behalf of the Prepetition ABL FILO Secured Parties and the Prepetition Term Secured Parties, as applicable, in each of the Chapter 11 Cases or Successor Cases. Any proof of claim filed by the Prepetition ABL FILO Agent or the Prepetition Term Agents shall be deemed to be in addition to and not in lieu of any other proof of claim that may be filed by any of the Prepetition ABL FILO Secured Parties or the Prepetition Term Secured Parties, respectively. The provisions of this paragraph 33 and each master proof of claim are intended solely for the purpose of administrative convenience and shall

not affect the right of each Prepetition Secured Party (or its successors in interest) to vote separately on any plan proposed in these Chapter 11 Cases or to assert that the amount of its claim is different from that set forth on the applicable master proof of claim. The master proofs of claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Secured Parties, which instruments, agreements or other documents will be provided upon written request to counsel to the applicable Prepetition Secured Party.

34. No Direct Responsibility for Fees or Disbursements. None of the DIP Agents, the DIP Lenders or the Prepetition Secured Parties shall be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Chapter 11 Cases or any Successor Cases. Nothing in the Interim Order, the Final Order, or otherwise shall be construed to obligate any of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties in any way, to pay compensation to, or to reimburse expenses of, any Professional Person or to guarantee that the Loan Parties have sufficient funds to pay such compensation or reimbursement.

35. Payment of Compensation. So long as an unwaived Event of Default has not occurred, the Debtors shall be permitted to pay fees and expenses allowed and payable by final order (that has not been vacated or stayed, unless the stay has been vacated) under sections 328, 330, 331, and 363 of the Bankruptcy Code, as the same may be due and payable, in accordance with the DIP Documents and subject to the Budget.

36. Effect of Stipulations on Third Parties.

(a) *Generally.* The Stipulations shall be binding on the Debtors, any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee for any of the

Loan Parties or any other estate representative appointed in the Chapter 11 Cases or any Successor Cases) in all circumstances and for all purposes. The Stipulations shall also be binding on all creditors and other parties in interest and all of their respective successors and assigns, including, without limitation, a Committee (if appointed) and any other person or entity acting or seeking to act on behalf of the Loan Parties' estates in all circumstances and for all purposes, unless (i) the Committee or a party in interest (in each case, to the extent requisite standing is obtained pursuant to an order of this Court entered prior to the Challenge Deadline) has timely commenced an appropriate proceeding or contested matter required under the Bankruptcy Code and Bankruptcy Rules, including, without limitation, as required pursuant to Part VII of the Bankruptcy Rules (in each case subject to the limitations set forth in this paragraph 36) by the Challenge Deadline challenging any of the Stipulations (each such proceeding or contested matter, a "**Challenge**") and (ii) there is entered a final non-appealable order in favor of the plaintiff in any such timely filed Challenge; *provided* that any pleadings filed in any Challenge (or in any application to extend the Challenge Deadline) shall set forth with specificity the basis for such Challenge (and any Challenges not so specified prior to the Challenge Deadline shall be deemed forever, waived, released and barred). The Court may fashion any appropriate remedy following a successful Challenge.

(b) If any such Challenge is timely and properly filed prior to the Challenge Deadline, the Stipulations shall nonetheless remain binding and preclusive (as provided in paragraph 36(a) hereof) on the Committee (if appointed) and on any other person or entity, the Loan Parties and any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee appointed or elected for any of the Loan Parties in the Chapter 11 Cases or any Successor Cases), except to the extent that such Stipulations were expressly and successfully challenged by

such Challenge as set forth in a final, non-appealable order of a court of competent jurisdiction. If any such Challenge is timely and properly filed prior to the Challenge Deadline and remains pending and the Chapter 11 Cases are converted to chapter 7, the chapter 7 trustee may continue to prosecute such Challenge on behalf of the Debtors' estates; *provided* that if the Challenge Deadline has elapsed and no timely and properly filed Challenge has been commenced either before or after conversion of the Chapter 11 Cases to chapter 7 cases, or any Challenge has been resolved prior to the conversion of the Chapter 11 Cases to chapter 7 cases, the chapter 7 trustee shall be bound by the Stipulations or such resolution, as applicable; *provided further* that if a chapter 7 trustee is appointed prior to the expiration of the Challenge Deadline, such trustee shall have until the expiration of the Challenge Deadline to commence a Challenge.

(c) The "**Challenge Deadline**" shall mean the earlier of (i) 60 days from the date of the formation of the Committee (if appointed) and (ii) 75 days following the entry of the Interim Order, as such deadline may be extended (x) in writing prior to the expiration of the Challenge Deadline (which writing may be in the form of email by counsel) from time to time in the sole discretion of the Prepetition ABL FILO Agent (with respect to the Prepetition ABL FILO Liens and Prepetition ABL FILO Obligations or the adequate protection afforded to the Prepetition ABL FILO Secured Parties) and the Prepetition Term Administrative Agent (with respect to the Prepetition Term Liens and Prepetition Term Obligations or the adequate protection afforded to the Prepetition Term Secured Parties) or (y) by this Court for good cause shown upon an application for an extension filed and served by a party in interest, pursuant to an order entered prior to the expiration of the Challenge Deadline; *provided*, that an extension pursuant to the foregoing clause (y) shall only be applicable as to such party in interest and the particular Challenge set forth in such application. Nothing in this Interim Order vests or confers on any

entity (as defined in the Bankruptcy Code), including the Committee (if appointed) or any non-statutory committees appointed or formed in these Chapter 11 Cases, standing or authority to pursue any claim or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Stipulations, and all rights to object to such standing are expressly reserved.

(d) *Binding Effect.* To the extent no Challenge is timely and properly commenced by the Challenge Deadline, or to the extent such Challenge does not result in a final and non-appealable judgment or order that is inconsistent with any of the Stipulations, then, without further notice, motion, or application to, order of, or hearing before, this Court and without the need or requirement to file any proof of claim, the Stipulations shall, pursuant to this Interim Order, become irrevocably binding on any person, entity, or party in interest in the Chapter 11 Cases, as well as their successors and assigns, and in any Successor Case for all purposes and shall not be subject to further challenge or objection. Notwithstanding anything to the contrary herein, if any Challenge is properly and timely commenced by a party in interest, the Stipulations shall nonetheless remain binding on all other parties in interest. For the avoidance of doubt, initiation of a timely and procedurally proper Challenge shall preserve the Challenge only with respect to the party initiating such Challenge (and such Challenge shall be limited to the Challenge identified with specificity prior to the expiration of the Challenge Deadline). To the extent any Challenge is timely and properly commenced and is unsuccessful, the Prepetition Secured Parties shall be entitled to, as adequate protection, payment of the related costs and expenses, including, but not limited to, reasonable and documented attorneys' fees, incurred in defending themselves against any unsuccessful Challenge.

37. No Third-Party Rights. Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder, or any direct, indirect, or incidental beneficiary.

38. Section 506(c) Claims. Subject to entry of the Final Order, except to the extent of the Carve-Out, no costs or expenses of administration that have been or may be incurred in the Chapter 11 Cases at any time shall be charged against the DIP Agents, the DIP Lenders, the Prepetition ABL FILO Agent, the Prepetition FILO Lenders, the Prepetition Term Agents, the DIP Collateral, or the Prepetition Term Lenders, or the Prepetition Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent of the DIP Term Agent, the DIP ABL FILO Agent, the Prepetition ABL FILO Agent, or the Prepetition Term Agents, as applicable, and no such consent shall be implied from any action, inaction, or acquiescence by any party.

39. No Marshaling/Applications of Proceeds. Subject to entry of the Final Order, the DIP Agents, the DIP Lenders, the Prepetition ABL FILO Agent, the Prepetition FILO Lenders, the Prepetition Term Agents, and the Prepetition Term Lenders shall at no time be subject to the equitable doctrine of “marshaling” or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral.

40. Section 552(b). Subject to entry of the Final Order, the Prepetition ABL FILO Agent, the Prepetition FILO Lenders, the Prepetition Term Agents, and the Prepetition Term Lenders shall each be entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the “equities of the case” exception thereunder shall not apply to any of them.

41. DIP Released Parties. Subject to entry of the Final Order, the Debtors hereby absolutely and unconditionally release and forever discharge and acquit the DIP Agents,

the DIP Lenders and each of their respective successors, assigns, affiliates, parents, subsidiaries, partners, controlling persons, representatives, agents, attorneys, advisors, financial advisors, consultants, professionals, officers, directors, members, managers, shareholders, and employees, past, present and future, and their respective heirs, predecessors, successors and assigns, each in such capacity (collectively, the “*DIP Released Parties*”) from any and all obligations and liabilities to the Debtors (and their successors and assigns) and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness and obligations, rights, assertions, allegations, actions, suits, controversies, proceedings, losses, damages, injuries, attorneys’ fees, costs, expenses, or judgments of every type (in each case, arising on or prior to the date of the Final Order), whether known, unknown, asserted, unasserted, suspected, unsuspected, accrued, unaccrued, fixed, contingent, pending, or threatened including, without limitation, all legal and equitable theories of recovery, arising under common law, statute or regulation or by contract, of every nature and description, in each case, arising in connection with or relating to the DIP Facilities, the DIP Liens or any of the DIP Documents; *provided*, that nothing herein shall relieve the DIP Released Parties from fulfilling their obligations under the DIP Documents and/or this Interim Order.

42. Limits on Lender Liability. Subject to entry of the Final Order, nothing in this Interim Order, any of the DIP Documents, the Prepetition Documents, or any other documents related thereto, shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties of any liability for any claims arising from any activities by the Debtors in the operation of their businesses or in connection with the administration of these Chapter 11 Cases or any Successor Cases. The DIP Agents, the DIP Lenders, and the Prepetition Secured Parties shall not, solely by reason of having made loans under

the DIP Facilities, authorizing the use of Cash Collateral or performing any act authorized by the DIP Documents, be deemed in control of the operations of the Debtors or to be acting as a “responsible person” or “owner or operator” with respect to the operation or management of the Debtors (as such terms, or any similar terms, are used in the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 *et seq.*, as amended, or any similar federal or state statute). Nothing in this Interim Order or the DIP Documents shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Agents, the DIP Lenders, or any of the Prepetition Secured Parties of any liability for any claims arising from the prepetition or postpetition activities of any of the Debtors.

43. Insurance Proceeds and Policies. Upon entry of this Interim Order and to the fullest extent provided by applicable law, the DIP Agents (on behalf of the DIP Lenders), the Prepetition ABL FILO Agent (on behalf of the Prepetition FILO Lenders), and the Prepetition Term Agents (on behalf of the Prepetition Term Lenders), shall be, and shall be deemed to be, without any further action or notice, named as additional insured and loss payee on each insurance policy maintained by the Debtors that in any way relates to the DIP Collateral.

44. Joint and Several Liability. Nothing in this Interim Order shall be construed to constitute a substantive consolidation of any of the Debtors’ estates, it being understood, however, that the Debtors shall be jointly and severally liable for the obligations hereunder and all DIP Obligations in accordance with the terms hereof and of the DIP Documents.

45. Rights Preserved. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, subject to the Prepetition Documents and the Intercreditor Agreement: (a) the DIP Agents’, DIP Lenders’, and Prepetition Secured Parties’ rights to seek any other or supplemental

relief; (b) any of the rights of any of the DIP Agents, DIP Lenders, and/or the Prepetition Secured Parties under the Bankruptcy Code or applicable non-bankruptcy law, including, without limitation, the right to (i) request modification of the automatic stay imposed by section 362 of the Bankruptcy Code, (ii) request dismissal of any of the Chapter 11 Cases or Successor Cases, conversion of any of the Chapter 11 Cases to cases under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a chapter 11 plan or plans; or (c) any other rights, claims, or privileges (whether legal, equitable, or otherwise) of any of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the Debtors', a Committee's (if appointed), or any party in interest's right to oppose any of the relief requested in accordance with the immediately preceding sentence except as expressly set forth in this Interim Order.

46. No Waiver by Failure to Seek Relief. The failure of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Interim Order, the DIP Documents, the Prepetition Documents, or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise of the DIP Agents, the DIP Lenders, or the Prepetition Secured Parties.

47. Binding Effect of Interim Order. Immediately upon entry on the docket of this Court, the terms and provisions of this Interim Order shall become binding upon the Debtors, the DIP Agents, the DIP Lenders, the Prepetition Secured Parties, all other creditors of any of the Debtors, any Committee, and all other parties in interest and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in any of the Chapter 11 Cases,

any Successor Cases, or upon dismissal of any Chapter 11 Case or Successor Case.

48. No Modification of Interim Order. Until and unless the DIP Obligations and the Prepetition Secured Obligations (other than contingent obligations with respect to then unasserted claims) have been indefeasibly paid in full in cash (such payment being without prejudice to any terms or provisions contained in the DIP Facilities which survive such discharge by their terms), and all commitments to extend credit under the DIP Facilities have been terminated, the Debtors shall not seek or consent to, directly or indirectly, any modification, stay, vacatur, or amendment to this Interim Order without the prior written consent of the DIP Agents, the Prepetition ABL FILO Agent, and the Prepetition Term Agents, and no such consent shall be implied by any action or inaction of the DIP Agents or the Prepetition Agents.

49. Continuing Effect of Intercreditor Agreement. The Debtors, the DIP Agents, the DIP Lenders, and the Prepetition Secured Parties each shall be bound by, and in all respects of the DIP Facilities shall be governed by, and be subject to all the terms, provisions, and restrictions of the Intercreditor Agreement.

50. Interim Order Controls. In the event of any inconsistency between the terms and conditions of the DIP Documents and this Interim Order, the provisions of this Interim Order shall control.

51. Discharge. The DIP Obligations and the obligations of the Debtors with respect to the adequate protection provided herein shall not be discharged by the entry of an order confirming any plan of reorganization in any of the Chapter 11 Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been indefeasibly paid in full in cash (other than contingent indemnification obligations for which no claim has been asserted), on or before the effective date of such plan of reorganization, or each of

the DIP Term Agent, the DIP ABL FILO Agent, the DIP Lenders, the Prepetition ABL FILO Agent, and the Prepetition Term Agents, as applicable, has otherwise agreed in writing; *provided*, that the DIP Term Loans and the DIP ABL FILO Loans shall convert into a first lien first out exit loans, subject to and in accordance with the DIP Agreements.

52. Survival. The provisions of this Interim Order and any actions taken pursuant hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization in any of the Chapter 11 Cases; (b) converting any of the Chapter 11 Cases to a case under chapter 7 of the Bankruptcy Code; (c) dismissing any of the Chapter 11 Cases or any Successor Cases; or (d) pursuant to which this Court abstains from hearing any of the Chapter 11 Cases or any Successor Cases. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.4) be represented by one or more promissory notes in such form payable to such payee and its registered assigns.

2.13 Prepayment of Loans. (a) The Borrower shall have the right at any time and from time to time to voluntarily prepay any Borrowing in whole but not in part, without premium or penalty (but subject to Section 2.19) subject to prior notice in accordance with paragraph (c) of this Section.

(a) Each prepayment of Term Loans pursuant to Section 2.13(a) shall be applied ratably to the Loans then outstanding.

(b) The Borrower shall notify the Administrative Agent by telephone (confirmed by written notice (which may be by email)) of any voluntary prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 10:00 a.m., New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date; provided that any notice of prepayment of Term Loans may be conditioned upon the effectiveness of other credit facilities or any other financing or a sale transaction, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.16. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing.

2.14 Premiums and Fees.

(a) The Borrower and each Lender agrees that on the date of each Borrowing, the Borrower shall receive proceeds from the New Money Loans based on a purchase price of 96% of the principal amount thereof.

(b) On the date of the Exit Conversion, the Borrower shall pay to the Lenders an exit premium in the amount of 3.00% of the New Money Loans, payable upon the Exit Conversion.

(c) The Borrower shall pay to the Backstop Lenders the amounts and at the times agreed in the Backstop Commitment Letter.

(d) The Borrower agrees to pay to the Administrative Agent and to the Collateral Agent, for their own account, fees payable in the amounts and at the times separately agreed upon in the fee proposal dated June 7, 2020 between the Borrower and GLAS Trust Company LLC, as Administrative Agent and Collateral Agent.

2.15 Mandatory Prepayments. (a) If Indebtedness is incurred by a Loan Party (other than Indebtedness permitted under Section 6.2), then no later than two Business Days after the date of such issuance or incurrence, an amount equal to 100% of the Net Cash Proceeds thereof shall be applied to the prepayment of the Term Loans as set forth in Section 2.15(d) together with accrued and unpaid interest thereon. The provisions of this Section do not constitute a consent to the incurrence of any Indebtedness by any Loan Party.

(a) If on any date a Loan Party shall receive Net Cash Proceeds from any Recovery Event then, unless a Reinvestment Notice shall be delivered in respect thereof, no later than three Business Days (or, if a Default or Event of Default has occurred and is continuing, one Business Day) after the date of receipt by such Loan Party of such Net Cash Proceeds, an amount equal to 100% of such Net Cash Proceeds shall be applied to the prepayment of the Term Loans as set forth in Section 2.15(d) together with accrued and unpaid interest thereon; provided that (i) notwithstanding the foregoing, on each Reinvestment Prepayment Date an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied to the prepayment of the Term Loans (together with accrued interest thereon), and (ii) if the Net Cash Proceeds from any Recovery Event exceed \$1,000,000, then no Reinvestment Notice with respect thereto may be delivered without the consent of the Required Lenders; provided further that to the extent that the Net Cash Proceeds of any such Recovery Event result from any settlement of, or payment in respect of, any property or casualty insurance claim or any condemnation proceeding relating to ABL Priority Collateral, such Net Cash Proceeds shall first be applied as required pursuant to Section 2.15(b) of the Prepetition ABL/FILO Amendment and Restatement before being applied to the mandatory prepayment of the Term Loans pursuant to this Section 2.15(b).

(b) [Reserved].

(c) Amounts to be applied pursuant to this Section 2.15 shall be applied first to prepay outstanding ABR Loans and then to prepay Eurodollar Loans, and shall be applied ratably to the Loans then outstanding.

2.16 Interest. (a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin.

(a) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(b) Notwithstanding the foregoing, upon the occurrence and during the continuance of any Event of Default pursuant to Section 7.1(a), any overdue amount payable by the Borrower hereunder shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of or interest on any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other overdue amount, 2% plus the rate applicable to Term Loans that are ABR Loans as provided in paragraph (a) of this Section prior to giving effect to any increase in such rate pursuant to this paragraph (c).

(c) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand and (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment.

(d) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. Notwithstanding the forgoing, solely for the purposes of the Interest Act (Canada) and disclosure under such Act, whenever interest to be paid under this Agreement is to be calculated on the basis of a year of 365 days or any other period of time that is less than a calendar year, the yearly rate of interest to which the rate determined pursuant to such calculation is equivalent is the rate so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by either 365 or such other period of time, as the case may be.

(e) Notwithstanding anything to the contrary herein, interest shall not accrue on the Roll-up Loans until the day they are deemed made pursuant to Section 2.2 hereof.

2.17 Alternate Rate of Interest. (a) If prior to the commencement of any Interest Period for a Eurodollar Borrowing the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period, then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or electronic transmission as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and (B) if any

Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

(a) If at any time the Administrative Agent (in consultation with the Required Lenders and the Borrower) determines (which determination shall be conclusive absent manifest error) that either (i) the circumstances set forth in clause (a)(i) of this Section 2.17 have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) of this Section 2.17 have not arisen but the supervisor for the administrator of the Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Screen Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent (in consultation with the Required Lenders) and the Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Margin); provided that, if such alternate rate of interest as so determined would be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 9.2, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.17(b), only to the extent the Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and (y) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

2.18 Increased Costs. (a) If any Change in Law shall:

(i) subject the Administrative Agent or any Lender to any Taxes (other than (A) Indemnified Taxes covered under Section 2.20, (B) Excluded Taxes or (C) Other Taxes) on its Loans, Commitments or other obligations hereunder, or its deposits, reserves or other liabilities or capital attributable thereto;

(ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate); or

(iii) impose on any Lender or the London interbank market any other condition, cost or expense (excluding any condition relating to Taxes) affecting this Agreement or Eurodollar Loans made by such Lender;

and the result of any of the foregoing shall be to increase the cost to such Lender (or in the case of clause (i), to the Administrative Agent or such Lender) of making, converting to, continuing or maintaining any Eurodollar Loan (or in the case of clause (i), any Loan) (or of maintaining its obligation to make any such Loan) or to reduce the amount of any sum received or receivable by the Administrative Agent or such Lender hereunder (whether of principal, interest or otherwise), then, upon request of such Lender, the Borrower will pay to the Administrative Agent or such Lender, as the case may be, such additional amount or amounts as will compensate the Administrative Agent or such Lender, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital or liquidity requirements (whether or not having the force of law) from any Governmental Authority made subsequent to the Closing Date has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender, to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth in reasonable detail the matters giving rise to a claim under this Section 2.18 by such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) If any Lender reasonably determines that any Requirement of Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund Eurodollar Loans, or to determine or charge interest rates based upon the Adjusted LIBO Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue Eurodollar Loans or to convert ABR Loans to Eurodollar Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the

Borrower may at its option revoke any pending request for a borrowing of, conversion to or continuation of Eurodollar Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Loans of such Lender to ABR Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

2.19 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.13(c) and is revoked in accordance therewith), or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.22(c), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event (other than loss of profit). Such loss, cost or expense to any Lender shall consist of an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. Absent manifest error in the determination of such amount, the Borrower shall pay such Lender the amount shown as due on any such certificate within 15 days after receipt thereof.

2.20 Taxes. (a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided that if the applicable Withholding Agent shall be required by Requirement of Tax Law to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased by the applicable Loan Party as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.20(a)) the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable Withholding Agent shall make or cause to be made such deductions and (iii) the applicable Withholding Agent shall pay or cause to be paid the full amount deducted to the relevant Governmental Authority in accordance with Requirement of Tax Law.

(a) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with Requirement of Tax Law.

(b) The Loan Parties shall indemnify the Administrative Agent and each Lender within 30 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of any Loan Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto; provided that the Loan Parties shall not be obligated to make payment to the Administrative Agent or any Lender pursuant to this Section in respect of penalties, interest and other liabilities attributable to any Indemnified Taxes or Other Taxes if (i) written demand therefor has not been made by the Administrative Agent or such Lender within 30 days from the date on which the Administrative Agent or such Lender knew of the imposition of such Indemnified Taxes or Other Taxes by the relevant Governmental Authority, (ii) such penalties, interest and other liabilities have accrued after the Loan Parties have indemnified or paid any additional amount pursuant to this Section or (iii) such penalties, interest and other liabilities are attributable to the gross negligence, bad faith or willful misconduct of the Administrative Agent or such Lender as determined by a court of competent jurisdiction by final and non-appealable judgment. A certificate setting forth in reasonable detail the basis for such claim and the calculation of the amount of any such payment or liability shall be delivered to the Borrower by a Lender or by the Administrative Agent on its own behalf or on behalf of a Lender, and shall be conclusive absent manifest error.

(c) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, the Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) (i) Each Lender other than a Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly executed copies of IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal withholding tax. Each Foreign Lender shall deliver to the Borrower and the Administrative Agent (i) two properly completed and duly executed copies of IRS Form W-8BEN or Form W-8BEN-E, Form W-8ECI or, to the extent a Foreign Lender is not the beneficial owner, Form W-8IMY (together with any applicable underlying IRS forms), or any subsequent versions thereof or successors thereto, (ii) in the case of a Foreign Lender claiming exemption from U.S. federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of “portfolio interest,” a certificate in the form attached hereto as Exhibit E-1, E-2, E-3 or E-4, as applicable, and two properly completed and duly executed copies of the applicable IRS Form W-8BEN or Form W-8BEN-E, or any subsequent versions thereof or successors thereto, or (iii) any other form prescribed by applicable requirements of U.S. federal income tax law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable requirements of law to permit the Borrower and the Administrative Agent to determine the deduction required to be made, in

each case, certifying such Foreign Lender's entitlement to an exemption from or a reduction in U.S. federal withholding tax with respect to payments of interest to be made hereunder or under any other Loan Documents. Such forms shall be delivered by each Lender on or before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation) and from time to time thereafter upon the request of the Borrower or the Administrative Agent. In addition, each Lender shall promptly deliver such forms upon the obsolescence or invalidity of any form previously delivered by such Lender. Each Lender shall promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the United States taxing authorities for such purpose). Any Lender, if requested by the Administrative Agent or the Borrower, shall deliver such other documentation prescribed by or reasonably requested by the Administrative Agent or the Borrower as will enable the Administrative Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(i) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed pursuant to FATCA if such Lender fails to comply with any requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the applicable Withholding Agent, on or before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation) and from time to time thereafter upon the request of the applicable Withholding Agent, such documentation prescribed by Requirement of Tax Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the applicable Withholding Agent as may be necessary for the applicable Withholding Agent to comply with its obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and to determine the amount to deduct and withhold from such payment. To the extent that the relevant documentation provided pursuant to this paragraph is rendered obsolete or inaccurate in any material respect as a result of changes in circumstances with respect to the status of a Lender, such Lender shall, to the extent permitted by Requirement of Tax Law, deliver to the applicable Withholding Agent revised and/or updated documentation sufficient for the applicable Withholding Agent to confirm as to whether such Lender has complied with its respective obligations under FATCA. Solely for purposes of this clause (e)(ii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this Section 2.20, a Lender shall not be required to deliver any form pursuant to this Section 2.20 that such Lender is not legally able to deliver.

(e) Each Lender shall indemnify the Administrative Agent for the full amount of any Taxes imposed by any Governmental Authority that are attributable to such Lender and that are payable or paid by the Administrative Agent, together with all interest, penalties, reasonable costs and expenses arising therefrom or with respect thereto, as determined by the Administrative Agent in good faith. Should the applicable Withholding Agent not deduct or

withhold any Taxes imposed by FATCA from a payment under any Loan Document based on the documentation provided by a Lender pursuant to Section 2.20(e)(ii), any amounts subsequently determined by a Governmental Authority to be subject to U.S. federal withholding Tax imposed pursuant to FATCA (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) shall be indemnified by such Lender. A certificate as to the amount of such payment or liability delivered to any Lender by the Withholding Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent under this paragraph (f).

(f) Solely for purposes of determining withholding Taxes imposed under FATCA, from and after the Closing Date, the Borrower and the Administrative Agent shall treat (and the Lenders hereby authorize the Administrative Agent to treat) the Loans as not qualifying as a “grandfathered obligation” within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

(g) If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which a Loan Party has paid additional amounts pursuant to this Section 2.20, it shall pay over such refund to the applicable Loan Party within a reasonable period (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.20 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Loan Party pursuant to this Section 2.20(h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the Administrative Agent or any Lender be required to pay any amount to a Loan Party pursuant to this paragraph (h) the payment of which would place the Administrative Agent or any Lender in a less favorable net after-Tax position than the such party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.20(h) shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

(h) Each party’s obligations under this Section 2.20 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

2.21 Payments Generally; Pro rata Treatment; Sharing of Set-offs. (a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or amounts payable under Section 2.18, 2.19 or 2.20 or otherwise) prior to the time

expressly required hereunder for such payment (or if no such time is expressly required, prior to 2:00 p.m. New York City time), on the date when due, in immediately available funds, without set off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 3 Second Street, Suite 206, Jersey City, NJ 07311, except that payments pursuant to Sections 2.18, 2.19, 2.20 or 9.3 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under any Loan Document shall be made in Dollars. Any Term Loans paid or prepaid may not be reborrowed.

(a) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(b) If any Lender shall, by exercising any right of set off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted under this Agreement. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(c) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the

Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may (but shall not be obligated to), in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(d) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.8(b), 2.21(d) or 8.7, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

2.22 Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.18, or if the Borrower is required to pay any amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.20, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.18 or 2.20, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable and documented out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment.

(a) If any Lender (or any Participant in the Loans held by such Lender) requests compensation under Section 2.18, or if the Borrower is required to pay any amount to any Lender (or its Participant) or any Governmental Authority for the account of any Lender pursuant to Section 2.20, or if any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.4 (provided that, if the required Assignment and Assumption is not executed and delivered by such Lender, such Lender will be unconditionally and irrevocably deemed to have executed and delivered such Assignment and Assumption as of the date such Lender receives payment in full of the amounts set forth in clause (i) below)), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (but, for the avoidance of doubt, not any amounts in respect of contingent reimbursement and indemnification obligations which are not due and payable), from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (ii) in the case of any such assignment resulting from a claim for compensation under Section 2.18 or payments required to be made pursuant to

Section 2.20, such assignment will result in a reduction in such compensation or payments in the future.
