(y) The termination of the Restructuring Support Agreement in accordance with its terms due to the action or omission, as applicable, of the Loan Parties; or

(z) The failure to meet any of the Milestones by the applicable date for such Milestone set forth in the Bankruptcy Court DIP Order;

then, and in any such event, with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent (and for the avoidance of doubt no other Person) shall, by notice to the Borrower, declare the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents to be due and payable forthwith, whereupon the same shall immediately become due and payable, subject to the Bankruptcy Court DIP Order and the Canadian Court DIP Order.

## SECTION 8. THE AGENTS

8.1 Appointment. Each Lender hereby irrevocably designates, appoints and authorizes the Administrative Agent and the Collateral Agent as the agents of such Lender under this Agreement and the other Loan Documents, and each such Lender irrevocably authorizes the Administrative Agent and the Collateral Agent, in such capacities, to take such action on its behalf under the provisions of this Agreement and the other Loan Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent and the Collateral Agent by the terms of this Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, each Lender hereby authorizes the Administrative Agent and the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and the Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto and to enter into each Security Document, the Intercreditor Agreements and any other intercreditor or subordination agreements contemplated hereby on behalf of and for the benefit of the Lenders and the other Secured Parties and agrees to be bound by the terms thereof. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent and the Collateral Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent or the Collateral Agent. Notwithstanding anything to the contrary herein or in any other Loan Document, the Collateral Agent is authorized to take direction from the Administrative Agent.

Without limiting the powers of the Collateral Agent, for the purposes of holding any hypothec granted to the Attorney (as defined below) pursuant to the laws of the Province of Québec to secure the prompt payment and performance of any and all Obligations by any Loan Party, each of the Lenders hereby irrevocably appoints and authorizes the Collateral Agent and, to the extent necessary, ratifies the appointment and authorization of the Collateral Agent, to act as the hypothecary representative of the creditors as contemplated under Article 2692 of the Civil Code of Québec (in such capacity, the “Attorney”), and to enter into, to take and to hold on their behalf, and for their benefit, any hypothec, and to exercise such powers and duties that are conferred upon the Attorney under any related deed of hypothec. The Attorney shall: (a) have the sole and exclusive right and authority to exercise, except as may be otherwise specifically restricted by the terms hereof, all rights and remedies given to the Attorney pursuant to any such

deed of hypothec and applicable law, and (b) benefit from and be subject to all provisions hereof with respect to the Collateral Agent mutatis mutandis, including, without limitation, all such provisions with respect to the liability or responsibility to and indemnification by the Lenders and the Loan Parties. Any person who becomes a Lender shall, by its execution of an Assignment and Assumption Agreement, be deemed to have consented to and confirmed the Attorney as the person acting as hypothecary representative holding the aforesaid hypothecs as aforesaid and to have ratified, as of the date it becomes a Lender, all actions taken by the Attorney in such capacity. The substitution of the Collateral Agent pursuant to the provisions of this Section 8 also constitute the substitution of the Attorney.

8.2 Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may execute any of its duties under this Agreement and the other Loan Documents by or through sub-agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No such Agent shall be responsible for the negligence or misconduct of any such sub-agents or attorneys-in-fact selected by it with reasonable care. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of each such Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Facility as well as activities as such Agent. No such Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

8.3 Exculpatory Provisions. Neither any Agent nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates shall be:

(a) liable to any other Credit Party for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (i) with the consent or at the request of the Ad Hoc Group of Crossover Lenders, the Required Lenders (or such other number or percentage of the Lenders as shall be necessary) or (in the case of the Collateral Agent) the Administrative Agent, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 9.2) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default or Event of Default unless and until notice describing such Default or Event of Default is given in writing to such Agent by the Borrower or a Lender;

(b) responsible in any manner to any other Credit Party for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party party thereto to perform its obligations hereunder or thereunder. The Agents shall not be under any obligation to any other Credit Party to ascertain or to inquire as to the observance or performance of any of the covenants or agreements

contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. Neither the Administrative Agent nor the Collateral Agent shall be under any obligation to any other Credit Party to ascertain or to inquire as to the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by the Security Documents, the value or the sufficiency of any Collateral, or the satisfaction of any condition set forth in Section 4 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent;

(c) subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(d) subject to any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or the Collateral Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) or (in the case of the Collateral Agent) the Administrative Agent, provided that such Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

(e) subject to a duty or responsibility to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent, the Collateral Agent or any of their respective Affiliates in any capacity, except as expressly set forth herein and in the other Loan Documents;

(f) obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it;

(g) responsible for any unsuitability, inadequacy, expiration or unfitness of any security interest created hereunder or pursuant to any other Loan Document nor shall it be obligated to make any investigation into, and shall be entitled to assume, the adequacy and fitness of any security interest created hereunder or pursuant to any other Loan Document; or

(h) responsible or liable for any failure or delay in the performance of its obligations hereunder or under any other Loan Document arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

8.4 Reliance by the Agents. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying and shall not incur any liability for relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, facsimile or email message, statement, order, telephonic or electronic notices or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Loan Parties), independent accountants and other experts selected by such Agent. Each of the Administrative Agent and the Collateral Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent. Each of the Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all affected Lenders) or (in the case of the Collateral Agent) the Administrative Agent as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each of the Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Ad Hoc Group of Crossover Lenders or the Required Lenders (or, if so specified by this Agreement, all affected Lenders), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans. In determining compliance with any condition hereunder to the making of a Loan or a Withdrawal that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan or Withdrawal. Each of the Administrative Agent and the Collateral Agent may consult with legal counsel (who may be counsel for the Loan Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

8.5 Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received notice from a Lender, Parent or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default”. In the event that the Administrative Agent or the Collateral Agent receives such a notice, such Agent shall give notice thereof to the Lenders and the other such Agent. Each of the Administrative Agent and the Collateral Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all affected Lenders) or (in the case of the Collateral Agent) the Administrative Agent; provided that unless and until such Agent shall have received such directions, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

8.6 Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that none of the Agents nor any of their respective officers, directors, employees,

agents, advisors, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, no Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of such Agent or any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates.

8.7 Indemnification. The Lenders agree to indemnify each Agent and its officers, directors, employees, affiliates, agents, advisors and controlling persons (each, an “Agent Indemnitee”) (to the extent not reimbursed by the Loan Parties and without limiting any obligation of the Loan Parties to do so), ratably according to their respective Aggregate Exposure Percentages in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such Aggregate Exposure Percentages immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee’s gross negligence or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

8.8 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, own securities of, act as the financial advisor of or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any Subsidiary or other Affiliate thereof as though such Agent were not an Agent and without any duty to account therefor to the Lenders or provide notice to or consent of the Lenders with

respect thereto. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms “Lender” and “Lenders” shall include each Agent in its individual capacity.

8.9 Successor Administrative Agent. Either of the Agents may resign as Agent upon 10 days’ notice to the Lenders and the Borrower. If either Agent shall resign, then the Borrower and the Required Lenders (or, if an Event of Default has occurred and is continuing under Section 7.1(a), the Required Lenders) shall appoint a successor agent for the Lenders, which shall be a financial institution with an office in the United States, or an Affiliate of any such financial institution with an office in the United States, whereupon such successor agent shall succeed to the rights, powers and duties of such Agent, and the term “Administrative Agent” or “Collateral Agent”, as applicable, shall mean such successor agent effective upon such appointment and approval, and the former Agent’s rights, powers and duties as Administrative Agent or Collateral Agent, as applicable, shall be terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has been appointed as Administrative Agent or Collateral Agent, as applicable, by the date that is 10 days following a retiring Agent’s notice of resignation (or such earlier date as shall be agreed by the Borrower and the Required Lenders) (the “Resignation Effective Date”), the retiring Agent’s resignation shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of such Agent hereunder until such time, if any, as the Borrower and Required Lenders (or, if an Event of Default has occurred and is continuing under Section 7.1(a), the Required Lenders as set forth above) shall appoint a successor agent as provided for above; provided that in no event shall any successor Agent be a Defaulting Lender or a Disqualified Institution. After any retiring Agent’s resignation as Administrative Agent, the provisions of this Section 8 and of Section 9.3 shall continue to inure to its benefit.

8.10 Effect of Resignation or Removal. With effect from the Resignation Effective Date (i) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (ii) except for any indemnity payments or other amounts then owed to the retiring Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Borrower (or, if an Event of Default has occurred and is continuing under Section 7.1(a), the Required Lenders as set forth above) shall appoint a successor agent as provided for above. Upon the acceptance of a successor’s appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Agent (other than any rights to indemnity payments or other amounts owed to the retiring Agent as of the Resignation Effective Date), and the retiring Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring Agent’s resignation hereunder and under the other Loan Documents, the

provisions of this Section 8 and Section 9.3 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them (i) while the retiring Agent was acting as Agent and (ii) after such resignation or removal for as long as any of them continues to act in any capacity (other than in its capacity as a Lender) hereunder or under the other Loan Documents, including, without limitation, (A) acting as collateral agent or otherwise holding any collateral security on behalf of any of the Secured Parties and (B) in respect of any actions taken in connection with transferring the agency to any successor Agent.

8.11 Collateral and Guarantee Matters. The Administrative Agent and the Collateral Agent agree:

(a) to take such action and execute such documents as may be reasonably requested by the Loan Parties pursuant to Section 9.14 to release any Lien on any property granted to or held by the Collateral Agent on behalf of the Secured Parties under any Loan Document (i) upon the payment in full of the Obligations (other than Obligations in respect of contingent reimbursement and indemnification obligations) and termination of all Commitments, (ii) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Loan Document, (iii) that is or becomes an Excluded Asset or (iv) if approved, authorized or ratified in writing by the Required Lenders in accordance with Section 9.2;

(b) to subordinate any Lien on any property granted to or held by the Collateral Agent on behalf of the Secured Parties under any Loan Document as set forth in the applicable Intercreditor Agreement; and

(c) to take such action and execute such documents as may be reasonably requested by any of the Loan Parties pursuant to Section 9.14 to release any Guarantor from its Guarantee Obligations and other obligations under the Loan Documents, and to release any Liens granted by it under the Loan Documents, if such Person ceases to be a Subsidiary or is or becomes an Excluded Subsidiary as a result of a transaction permitted under the Loan Documents.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Ad Hoc Group of Crossover Lenders or the Required Lenders will confirm in writing the Administrative Agent's and the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantee Obligations or Liens pursuant to this Section 8.11. In each case as specified in this Section 8.11, the Administrative Agent and the Collateral Agent will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guarantee and Collateral Agreement or the Canadian Guarantee and Collateral Agreement and to release the Liens granted by such Guarantor under the Loan Documents, in each case in accordance with the terms of this Section 8.11.

Neither the Administrative Agent nor the Collateral Agent shall be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent or the Collateral Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral, any security interests of the Administrative Agent or the Collateral Agent therein or any filings, registrations, or recordings made with respect thereto. Neither the Collateral Agent nor the Administrative Agent shall have any obligation whatsoever to any Lender or any other person to investigate, confirm or assure that the Collateral exists or is owned by any Loan Party or is insured or has been encumbered, or that the liens and security interests granted to the Collateral Agent pursuant hereto or any of the Loan Documents or otherwise have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority.

8.12 Appointment of Borrower. Each of the Loan Parties hereby appoints the Borrower to act as its agent for all purposes of this Agreement, the other Loan Documents and all other documents and electronic platforms entered into in connection herewith and agrees that (a) the Borrower may execute such documents and provide such authorizations on behalf of such Loan Parties as the Borrower deems appropriate in its sole discretion and each Loan Party shall be obligated by all of the terms of any such document and/or authorization executed on its behalf, (b) any notice or communication delivered by the Administrative Agent or a Lender to the Borrower shall be deemed delivered to each Loan Party and (c) the Administrative Agent, or the Lenders may accept, and be permitted to rely on, any document, authorization, instrument or agreement executed by the Borrower on behalf of each of the Loan Parties.

8.13 Administrative Agent or Collateral Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, including during the pendency of the Chapter 11 Cases, each of the Administrative Agent and Collateral Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent or Collateral Agent shall have made any demand on the Loan Parties) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, Administrative Agent and Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of Lenders, Administrative Agent, Collateral Agent and their respective agents and counsel and all other amounts due Lenders, Administrative Agent and Collateral Agent hereunder) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

(c) and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to pay

to Administrative Agent or Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent, Collateral Agent and their respective agents and counsel, and any other amounts due Administrative Agent or Collateral Agent hereunder. To the extent that the payment of any such compensation, expenses, disbursements and advances of Administrative Agent, Collateral Agent and their respective agents and counsel, and any other amounts due Administrative Agent or Collateral Agent under this Agreement out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

8.14 Agent Duties. If any of the rights, responsibilities or duties of the Agents conflict with such Agents' rights, responsibilities or duties under the Prepetition Term Loan Agreement, this Agreement shall supersede the Prepetition Term Loan Agreement.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent, the Collateral Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto. All notices and other

communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

(d) THE PLATFORM IS PROVIDED “AS IS” AND “AS AVAILABLE.” THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “Agent Parties”) have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower’s, any Loan Party’s or the Administrative Agent’s transmission of Borrower Materials or notices through the Platform, any other electronic platform or electronic messaging service, or through the Internet, other than for direct or actual damages to the extent resulting from the gross negligence, bad faith or willful misconduct of such party or its Related Parties as determined by a final and non-appealable judgment of a court of competent jurisdiction.

(e) The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices (including, without limitation, telephonic or electronic notices) purportedly given by or on behalf of any Loan Party even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, the Collateral Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of a Loan Party in accordance with Section 9.3. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

9.2 Waivers; Amendments. (a) No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by Parent or the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent or any Lender may have had notice or knowledge of such Default at the time.

(a) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.1, Section 4.2 or the waiver of any Default, mandatory prepayment or mandatory reduction of Commitments shall not constitute an increase of any Commitment of any Lender), (ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly and adversely affected thereby (except in connection with the waiver of applicability of any post-default increase in interest rates (which waiver shall be effective with the consent of the Required Lenders)), (iii) postpone the scheduled date of payment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment without the written consent of each Lender directly and adversely affected thereby (it being understood that a waiver of any condition precedent set forth in Section 4.1 or Section 4.2 or the waiver of any Default, mandatory prepayment or mandatory reduction of Commitments shall not constitute a postponement of the scheduled date of expiration of any Commitment of any Lender), (iv) change Section 2.21(b) or (c) in a manner that would alter the pro rata sharing of payments required thereby without the written consent of each Lender directly and adversely affected thereby, or (v) change any of the provisions of this Section or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or grant any consent hereunder, or release all or substantially all of the Collateral or release Guarantors from their guarantee obligations under the Guarantee and Collateral Agreement and the Canadian Guarantee and Collateral Agreement representing all or substantially all of the value of such guarantees, taken as a whole, in each case, without the written consent of each Lender directly and adversely affected thereby; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent hereunder in a manner adverse to such Agent without the prior written consent of such Agent.

(b) Notwithstanding anything to the contrary contained in this Section 9.2, the Administrative Agent and the Borrower, in their sole discretion, may amend, modify or supplement any provision of this Agreement or any other Loan Document to (i) amend, modify or supplement such provision or cure any ambiguity, omission, mistake, error, defect or inconsistency, so long as such amendment, modification or supplement does not directly and adversely affect the rights or obligations of any Lender, (ii) to permit additional affiliates of the Borrower to guarantee the Obligations and/or provide Collateral therefor and (iii) to add covenants and other terms for the benefit of the Lenders as provided herein. Such amendments shall become effective without any further action or consent of any other party to any Loan Document.

(c) Notwithstanding anything to the contrary contained in this Section 9.2 or any other Loan Document, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended

and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Requirements of Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement or any other Loan Documents.

9.3 Expenses; Indemnity; Damage Waiver. (a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by each Agent and its Affiliates, including the reasonable and documented out-of-pocket fees, charges and disbursements of legal counsel for the Administrative Agent and the other Agents, the Ad Hoc Group Advisors in connection with the preparation and administration of this Agreement or any amendments, modifications or waivers of the provisions hereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Collateral Agent, or all Lenders collectively, including the reasonable and documented out-of-pocket fees, charges and disbursements of legal counsel, the Ad Hoc Group Advisors, the Administrative Agent and the Collateral Agent, or all Lenders collectively, in connection with the enforcement or protection of its rights in connection with this Agreement, including its rights under this Section, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans; provided that the Borrower's obligations under this Section 9.3(a) for fees and expenses of legal counsel shall be limited to fees and expenses of (x) one outside legal counsel for all Indemnitees described in clauses (i) and (ii) above, taken as a whole (plus one separate outside legal counsel for each of the Collateral Agent and the Administrative Agent), (y) in the case of any conflict of interest, one outside legal counsel for such affected Indemnitee or group of Indemnitees and (z) if necessary, one local or foreign legal counsel in each relevant jurisdiction.

(a) The Borrower shall indemnify the Ad Hoc Committee, the Administrative Agent, each other Agent and each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related reasonable and documented out-of-pocket expenses (including the reasonable and documented out-of-pocket fees, charges and disbursements of (i) one outside legal counsel to each of the Administrative Agent and the Collateral Agent and one outside legal counsel to the other Indemnitees taken as a whole, (ii) in the case of any conflict of interest, one outside legal counsel for the affected Lender or group of Lenders and (iii) if necessary, one local or foreign legal counsel in each relevant jurisdiction), which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnitee arising out of, in connection with, or as a result of (w) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or any other transactions contemplated hereby, (x) any Loan or the use of the proceeds therefrom, (y) any actual or alleged presence or release of Hazardous Materials at, on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability of the Borrower or any of its Subsidiaries, or (z) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims,

damages, liabilities or related expenses (1) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or (except with respect to the Agents) material breach of its obligations under the Loan Documents or willful misconduct of such Indemnitee or its Primary Related Parties, (2) arise out of any claim, litigation, investigation or proceeding that does not involve an act or omission by the Borrower or any of its Affiliates and that is brought by an Indemnitee against any other Indemnitee (provided that in the event of such a claim, litigation, investigation or proceeding involving a claim or proceeding brought by or against the Administrative Agent (in its capacity as such) or the Collateral Agent (in its capacity as such) by other Indemnitees, the Administrative Agent (in its capacity as such) or the Collateral Agent (in its capacity as such) shall be entitled (subject to the other limitations and exceptions set forth above) to the benefit of the indemnities set forth above) or (3) are in respect of indemnification payments made pursuant to Section 8.7, to the extent the Borrower would not have been or was not required to make such indemnification payments directly pursuant to the provisions of this Section 9.3(b). This Section 9.3 shall not apply to Taxes, except any Taxes that represent losses, claims, damages or liabilities arising from a non-Tax claim. As used herein, the “Primary Related Parties” of an Indemnitee are its Affiliates with direct involvement in the negotiation of the Facilities under this Agreement and such Indemnitee’s and Affiliates’ respective directors, officers and employees.

(b) To the extent permitted by applicable law, none of Parent, the Borrower nor any Indemnitee shall assert, and Parent, the Borrower and each Indemnitee hereby waives, any claim against Parent, the Borrower or any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any agreement or instrument contemplated hereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and, to the extent permitted by applicable law, Parent and Borrower and each Indemnitee hereby waive, release and agree not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that nothing contained in this paragraph shall limit the obligations of the Borrower under Section 9.3(b) in respect of any such damages claimed against the Indemnitees by Persons other than Indemnitees.

(c) All amounts due under this Section shall be payable not later than thirty days after written demand therefor.

9.4 Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) subject to Section 6.4, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related

Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(a) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower, provided that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or, if an Event of Default has occurred and is continuing under Section 7.1(a), any other Eligible Assignee; and provided, further, that the Borrower shall be deemed to have consented to any such assignment unless the Borrower shall have objected thereto by written notice to the Administrative Agent not later than the fifth Business Day following the date the Borrower acknowledges its receipt of notice of the proposed assignment; and

(B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to a Lender, an Affiliate of a Lender, or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Loans, the amount of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1,000,000 (and shall be in integral multiples of \$1,000,000 in excess thereof) unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default under Section 7.1(a) has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with (unless waived by the Administrative Agent in its sole discretion, or unless such assignment is to an Affiliate or an Approved Fund of such assignor) a processing and recordation fee of \$3,500;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more Credit Contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the Loan Parties and their related parties or their respective securities) will be made available and who may receive such

information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws;

- (E) no such assignment shall be made to a natural person; and
- (F) such assignment does not violate Section 9.4(e).

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.18, 2.19, 2.20 and 9.3). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.4 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.4(c).

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount and stated interest of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, and, if an Event of Default has occurred and is continuing, any Lender (but only with respect to the entries related to such Lender), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section (unless waived by the Administrative Agent in its sole discretion) and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.8(b), 2.21(d) or 8.7, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No

assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) On or after the Final DIP Order Entry Date, the New Money Loans on the one hand, and the Roll-up Loans, on the other hand, may be assigned or transferred separately and such Loans are not “stapled to” each other. Prior to the Final DIP Order Entry Date, the right to receive Roll-up Loans is on account of such Lender’s New Money Loans and New Money Loan Commitment.

(b) (i) Subject to compliance with Section 9.4(e), any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a “Participant”) in all or a portion of such Lender’s rights and obligations under this Agreement (including all or a portion of the Loans owing to it); provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.2(b) that (1) requires the consent of each Lender or each directly and adversely affected Lender and (2) directly and adversely affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.18, 2.19 and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.8 as though it were a Lender, provided such Participant agrees to be subject to Section 2.21(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under this Agreement (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant’s interest in any Loans, or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) and Proposed Section 1.163-5(b) (and any amended or successor version) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. The portion of the Participant Register relating to any Participant requesting payment from the Borrower under the Loan Documents shall be made available to the Borrower upon request.

(i) A Participant shall not be entitled to receive any greater payment under Section 2.18, 2.19 or 2.20 than the applicable Lender would have been entitled to

receive with respect to the participation sold to such Participant, unless (A) the Borrower is notified of the participation sold to such Participant and the sale of the participation to such Participant is made with the Borrower's prior written consent or (B) such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.20 unless such Participant agrees, for the benefit of the Borrower, to comply (and actually complies) with Section 2.20(e) as though it were a Lender.

(ii) No participation may be sold to an Affiliated Lender.

(c) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(d) (i) No assignment or participation shall be made to any Person that is a Disqualified Institution to the extent the list thereof has been provided to any Lender requesting the same as of the date (the "Trade Date") on which such Lender entered into a binding agreement to sell and assign or participate all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any Assignee that becomes a Disqualified Institution after the applicable Trade Date, (x) such Assignee shall not retroactively be disqualified from becoming a Lender and (y) the execution by the Borrower of an Assignment and Acceptance with respect to such Assignee will not by itself result in such Assignee no longer being considered a Disqualified Institution. Any assignment in violation of this paragraph (e) shall not be void, but the other provisions of this paragraph (e) shall apply.

(ii) If any assignment or participation is made to any Disqualified Institution without the Borrower's prior written consent in violation of clause (e)(i) above, or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, (A) purchase or prepay the outstanding Term Loans of such Disqualified Institution by paying the lower of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such Term Loans or (B) require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.4), all of its interest, rights and obligations under this Agreement to one or more Assignees at the lower of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations.

(iii) Notwithstanding anything to the contrary contained in this Agreement, (A) Disqualified Institutions will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrower, any other Loan Party, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting on any plan of reorganization, each Disqualified Institution party hereto hereby agrees (1) not to vote on such plan of reorganization, (2) if such Disqualified Institution does vote on such plan of reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has accepted or rejected such plan of reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(iv) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to provide the list of Disqualified Institutions to each Lender requesting the same and to post such list to the Platform. Each Lender shall have the right, and the Borrower hereby authorizes each Lender, to provide the list of Disqualified Institutions to any of such Lender’s actual or prospective transferees (including any actual or prospective assignee or participant).

(v) The Administrative Agent, in its capacity as such, shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions; provided that without limiting the generality of the foregoing, the Administrative Agent, in its capacity as such, shall not (a) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Institution or (b) have any liability with respect to or arising out of any assignment or participation of loans, or disclosure of confidential information in connection therewith, to any Disqualified Institution; it being agreed that the foregoing shall not relieve the Administrative Agent, to the extent constituting a Lender, from its obligations in respect of Disqualified Institutions in connection with assignments and participations, and disclosure of confidential information in connection therewith, by it.

9.5 Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with

or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement (excluding Obligations in respect of contingent reimbursement and indemnification obligations that are not then due and payable at the time all other Obligations hereunder are discharged) is outstanding and unpaid. The provisions of Sections 2.18, 2.19, 2.20 and 9.3 and Section 8 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans or the termination of this Agreement or any provision hereof.

9.6 Counterparts; Integration. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

9.7 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

9.8 Right of Setoff. Subject to the terms of the Bankruptcy Court DIP Order, the Canadian Court DIP Recognition Order and the Carve Out, if an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time with the prior written consent of the Administrative Agent, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) (excluding payroll, tax withholding and trust accounts maintained in the ordinary course of business) at any time held and other obligations at any time owing by such Lender to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have but subject to the terms of the Bankruptcy Court DIP Order, the Canadian Court DIP Recognition Order and the Carve Out. Each Lender shall notify the Administrative Agent and the Borrower promptly after any such setoff.

9.9 Governing Law; Jurisdiction; Consent to Service of Process. (a) EXCEPT TO THE EXTENT SUPERSEDED BY THE BANKRUPTCY CODE, THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(a) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL BE BROUGHT IN THE BANKRUPTCY COURT, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE BANKRUPTCY COURT. EACH LOAN PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF THE BANKRUPTCY COURT AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH HEREIN. THE LOAN PARTIES AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT AND THE LENDERS TO SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW. EACH LOAN PARTY HEREBY EXPRESSLY AND IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE JURISDICTION OR LAYING OF VENUE OF ANY SUCH LITIGATION BROUGHT IN SUCH COURT AND ANY CLAIM THAT ANY SUCH LITIGATION HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. TO THE EXTENT THAT ANY LOAN PARTY HAS OR HEREAFTER MAY ACQUIRE ANY IMMUNITY FROM JURISDICTION OF ANY COURT OR FROM ANY LEGAL PROCESS (WHETHER THROUGH SERVICE OR NOTICE, ATTACHMENT PRIOR TO JUDGMENT, ATTACHMENT IN AID OF EXECUTION OR OTHERWISE) WITH RESPECT TO ITSELF OR ITS PROPERTY, EACH LOAN PARTY HEREBY IRREVOCABLY WAIVES SUCH IMMUNITY IN RESPECT OF ITS OBLIGATIONS UNDER THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS.

(b) EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN THE MANNER PROVIDED FOR NOTICES IN SECTION 9.1. NOTHING IN THIS AGREEMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

(c) EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT IT MAY LEGALLY AND EFFECTIVELY DO SO, ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT IN ANY COURT REFERRED TO IN PARAGRAPH (b) OF THIS SECTION. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING IN ANY SUCH COURT.

9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER

LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

9.12 Confidentiality. (a) Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent requested by any regulatory authority claiming jurisdiction over it, (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided that the applicable Agent or such Lender, as applicable, shall notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority claiming jurisdiction over it) unless such notification is prohibited by applicable law, rule or regulation), (iv) to any other party to this Agreement, (v) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (vi) to any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation of any Loans or any participations therein or by any direct or indirect contractual counterparties (or the professional advisors thereto) to any swap or derivative transaction relating to the Borrower and its obligations (provided, such assignees, transferees, participants, counterparties and advisors are advised of and agree to be bound by either the provisions of this Section 9.12 or other provisions at least as restrictive as this Section 9.12), (vii) with the prior written consent of the Borrower or (viii) to the extent such Information (A) becomes publicly available other than as a result of a breach of this Section 9.12 or (B) becomes available other than as a result of a breach of this Section 9.12 to the Administrative Agent or any Lender on a nonconfidential basis from a source other than the Borrower or any of its Affiliates. For the purposes of this Section, "Information" means all information received from Parent, the Borrower or any of their Affiliates relating to Parent or the Borrower or any of its Subsidiaries or businesses, other than any such information that is available other than as a result of a breach of this Section 9.12 to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information which shall in no event be less than commercially reasonable care. To the extent the list of Disqualified Institutions has been

provided to any Lender requesting the same, Information shall not be disclosed to a Disqualified Institution that constitutes a Disqualified Institution at the time of such disclosure without the Borrower's prior written consent.

**(a) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.**

**(b) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS AND WARRANTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.**

9.14 Release of Liens and Guarantees. (a) In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise Disposes of all or any portion of any of the Capital Stock or assets of any Loan Party to a Person that is not (and is not required hereunder to become) a Loan Party in a transaction permitted under this Agreement, the Liens created by the Loan Documents in respect of such Capital Stock or assets shall automatically terminate and be released without the requirement for any further action by any Person, and the Collateral Agent shall promptly (and the Lenders hereby authorize the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Parent or the Borrower and at the Borrower's expense to further document and evidence such termination and release of Liens created by any Loan Document in respect of such Capital Stock or assets, and, in the case of a transaction permitted under this Agreement the result of which is that a Loan Party would cease to be a Subsidiary or would become an Excluded Subsidiary, the Guarantee Obligations created

by the Loan Documents in respect of such Loan Party (and all security interests granted by such Guarantor under the Loan Documents) shall automatically terminate and be released without the requirement for any further action by any Person, and the Administrative Agent and the Collateral Agent shall promptly (and the Lenders hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Parent or the Borrower and at the Borrower's expense to further document and evidence such termination and release of such security interests and such Loan Party's Guarantee Obligations in respect of the Obligations (including, without limitation, its Guarantee Obligations under the Guarantee and Collateral Agreement or the Canadian Guarantee and Collateral Agreement). Any representation, warranty or covenant contained in any Loan Document relating to any such Capital Stock, asset or subsidiary of any Loan Party shall no longer be deemed to be made with respect thereto once such Capital Stock or asset or Subsidiary is so conveyed, sold, leased, assigned, transferred or disposed of.

(a) Upon the payment in full of the Obligations (excluding contingent reimbursement and indemnification obligations that are not then due and payable), all Liens created by the Loan Documents shall automatically terminate and be released without the requirement for any further action by any Person, and the Collateral Agent shall promptly (and the Lenders hereby authorize the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Parent or the Borrower and at the Borrower's expense to further document and evidence such termination and release of Liens created by the Loan Documents, and the Guarantee Obligations created by the Loan Documents in respect of the Guarantors shall automatically terminate and be released without the requirement for any further action by any Person, and the Collateral Agent shall promptly (and the Lenders hereby authorize the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Parent or the Borrower and at the Borrower's expense to further document and evidence such termination and release of the Guarantors' Guarantee Obligations in respect of the Obligations (including, without limitation, the Guarantee Obligations under the Guarantee and Collateral Agreement or the Canadian Guarantee and Collateral Agreement).

9.15 Enforcement Matters. Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against Parent, the Borrower, any of its Restricted Subsidiaries or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 7.1 for the benefit of the Required Lenders; provided that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) the Collateral Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Collateral Agent) hereunder and under the other Loan Documents (c) any Lender from exercising setoff rights in accordance with Section 9.8 (subject to the terms of Section 2.21(c)), or (d) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then the Required Lenders (and no other

Person) shall have the rights otherwise ascribed to the Administrative Agent at the instruction of the Required Lenders pursuant to Section 7.1.

9.16 No Fiduciary Duty. Each Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the “Lender Parties”) may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender Parties, on the one hand, and such Loan Party, its stockholders or its affiliates, on the other. The Loan Parties acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm’s-length commercial transactions between the Lender Parties, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender Parties have assumed any advisory, agent (other than to the extent set forth in Section 9.4(b)(iv)) or fiduciary responsibility in favor of any Loan Party, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender Parties have advised, are currently advising or will advise any Loan Party, its stockholders or its Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents, (y) the Administrative Agent, the Collateral Agent, their respective Affiliates and the Lenders may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, the other Loan Parties and their respective Affiliates, and neither the Administrative Agent, the Collateral Agent, any of their respective Affiliates nor any Lender has any obligation to disclose any of such interests to the Borrower, any other Loan Party or any of their respective Affiliates and (z) the Lender Parties are acting solely as principals and not as the agents or fiduciaries of any Loan Party, its management, stockholders, creditors or any other Person. Each Loan Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate, that it is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Loan Party agrees that it will not claim that the Lender Parties have rendered advisory services of any nature or respect, or owe a fiduciary or similar duty to such Loan Party, in connection with such transaction or the process leading thereto. To the fullest extent permitted by law, each of the Borrower and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the Collateral Agent, any of their respective Affiliates or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transactions contemplated hereby.

9.17 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any

payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

9.18 Canadian Anti-Money Laundering Legislation. (a) Each Loan Party acknowledges that, pursuant to Canadian Anti-Money Laundering Legislation and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws (collectively, including any guidelines or orders thereunder, “AML Legislation”), the Lenders may be required to obtain, verify and record information regarding the Loan Parties and their respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Loan Parties, and the transactions contemplated hereby. Each Loan Party shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or any prospective assignee or participant of a Lender or any Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(a) If the Administrative Agent has ascertained the identity of any Loan Party or any authorized signatories of the Loan Parties for the purposes of applicable AML Legislation, then the Administrative Agent:

(i) shall be deemed to have done so as an agent for each Lender, and this Agreement shall constitute a “written agreement” in such regard between each Lender and the Administrative Agent within the meaning of the applicable AML Legislation; and

(ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Lenders agrees that neither the Administrative Agent nor any other Agent has any obligation to ascertain the identity of the Loan Parties or any authorized signatories of the Loan Parties on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any Loan Party or any such authorized signatory in doing so.

9.19 Judgment Currency. If for the purpose of obtaining judgment in any court it is necessary to convert an amount due hereunder in the currency in which it is due (the “Original Currency”) into another currency (the “Second Currency”), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the Administrative Agent could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date two (2) Business Days preceding that on which judgment is given. The Borrower agrees that its obligation in respect of any Original Currency due from it hereunder shall, notwithstanding any judgment or payment in such other currency, be discharged only to the extent that, on the Business Day following the date the Administrative Agent receives payment of any sum so adjudged to be due hereunder in the Second Currency, the Administrative Agent may, in accordance with normal banking procedures, purchase, in the New York foreign exchange market, the Original Currency with the amount of the Second Currency so paid; and if

the amount of the Original Currency so purchased or could have been so purchased is less than the amount originally due in the Original Currency, the Borrower agrees as a separate obligation and notwithstanding any such payment or judgment to indemnify the Administrative Agent against such loss; and if the amount of the Original Currency so purchased or could have been so purchased is greater than the amount originally due in the Original Currency, the Administrative Agent agrees to remit such excess amount to the Borrower. The term “rate of exchange” in this Section 9.19 means the spot rate at which the Administrative Agent, in accordance with normal practices, is able on the relevant date to purchase the Original Currency with the Second Currency, and includes any premium and costs of exchange payable in connection with such purchase.

9.20 Electronic Execution. The words “delivery,” “execute,” “execution,” “signed,” “signature,” and words of like import in any Loan Document or any other document executed in connection herewith shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided further, without limiting the foregoing, upon the request of the Administrative Agent, any electronic signature shall be promptly followed by such manually executed counterpart.

9.21 Acknowledgement and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including (without limitation), if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such

shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

9.22 Conflicts. If any provision in this Agreement or any other Loan Document expressly conflicts with any provision in the Interim DIP Order or Final DIP Order, the provisions in the Bankruptcy Court DIP Order shall govern and control.

9.23 Operating Account. The parties hereto acknowledge and agree that the Operating Account does not constitute (a) ABL Priority Collateral or (b) collateral for the Prepetition ABL Agreement or the Prepetition ABL/FILO Amendment and Restatement.

## SECTION 10. SECURITY AND PRIORITY

### 10.1 Collateral; Grant of Lien and Security Interest.

(a) Pursuant to, and otherwise subject to the terms of, the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order and in accordance with the terms thereof and subject to the Carve Out, as security for the full and timely payment and performance of all of the Obligations, the Loan Parties hereby pledge and grant to the Collateral Agent (for the benefit of the Secured Parties), a security interest in and to, and a Lien on, all of the Collateral.

(b) Notwithstanding anything herein to the contrary (i) all proceeds received by the Collateral Agent and the Lenders from the Collateral subject to the Liens granted in this Section 10.1 and in each other Loan Document and by the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order shall be subject in all respects to the Carve Out and (ii) no Person entitled to amounts in respect of the Carve Out shall be entitled to sell or otherwise dispose, or seek or object to the sale or other disposition, of any Collateral.

### 10.2 Priority and Liens Applicable to Loan Parties.

(a) Upon entry of the Interim DIP Order or Final DIP Order and subject to the terms thereof, as the case may be, the Obligations, Liens and security interests in favor of the Secured Parties shall, subject in all respects to the Carve Out, at all times, pursuant to the Bankruptcy Code, be secured by a perfected Lien on and security interest in all of the Collateral of the Loan Parties.

(b) The relative priorities of the Liens with respect to the Collateral shall be as set forth in the Interim DIP Order (and, when entered, the Final DIP Order) and each party hereto consents to such relative priorities of the Liens.

(c) Each Loan Party hereby confirms and acknowledges that, pursuant to the Interim DIP Order (and, when entered, the Final DIP Order), the Liens in favor of the Collateral Agent on behalf of and for the benefit of the Secured Parties in all of the Collateral shall be created and perfected, to the maximum extent permitted by law, without the execution or the

recordation or filing in any land records or filing offices of, any mortgage, assignment, security agreements, mortgages, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the Collateral Agent of, or over, any Collateral, as set forth in the Interim DIP Order (and, when entered, the Final DIP Order).

10.3 Grants, Rights and Remedies. The Liens and security interests granted pursuant to Section 10.1 hereof and the administrative claim priority and lien priority granted pursuant to Section 10.2 hereof may be independently granted in the Loan Documents. This Agreement, the Bankruptcy Court DIP Order and such other Loan Documents supplement each other, and the grants, priorities, rights and remedies of the Agents and the Lenders hereunder and thereunder are cumulative; provided that to the extent of conflict the Bankruptcy Court DIP Order controls.

10.4 No Filings Required. The Liens and security interests referred to herein shall be deemed valid and perfected by entry of the Interim DIP Order or the Final DIP Order, as the case may be, and entry of the Interim DIP Order shall have occurred on or before the date of the initial Borrowing hereunder. The Collateral Agent shall not be required to file any financing statements, mortgages, notices of Lien or similar instruments in any jurisdiction or filing office, take possession or control of any Collateral, or take any other action in order to validate or perfect the Lien and security interest granted by or pursuant to this Agreement, the Interim DIP Order or the Final DIP Order, as the case may be, or any other Loan Document.

10.5 Survival. Except as set forth in the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order, the Liens, lien priority, administrative priorities and other rights and remedies granted to the Collateral Agent and the Lenders pursuant to this Agreement, the Bankruptcy Court DIP Orders, and the Canadian Court DIP Recognition Order and the other Loan Documents (specifically including, but not limited to, the existence, perfection and priority of the Liens and security interests provided herein and therein, and the administrative priority provided herein and therein) shall not be modified, altered or impaired in any manner by any other financing or extension of credit or incurrence of Indebtedness by the Borrower (pursuant to Section 364 of the Bankruptcy Code or otherwise), or by any dismissal or conversion of any of the Chapter 11 Cases, or by any other act or omission whatsoever.

10.6 Amendment of Prepetition Term Loan Agreement and Agreement Regarding Method of Issuance of Roll Up Loans. The parties hereto, acting in their capacities as Parent under the Prepetition Term Loan Agreement, Borrower under the Prepetition Term Loan Agreement, Prepetition Term Loan Lenders, Prepetition Term Loan Agent and Prepetition Collateral Agent hereby amend the definition of “Eligible Assignee” in the Prepetition Term Loan Agreement by adding the following at the end thereof: Eligible Assignee shall also include any Loan Party that is a Wholly Owned Subsidiary and a Domestic Subsidiary and a disregarded entity for tax purposes. Roll-up Loans shall be initially issued to such Loan Party in escrow, which will thereupon assign such Roll-up Loan to the corresponding Roll-up Lender in consideration of assignment by such Roll-up Lender to such Loan Party of an equal amount of Prepetition Term Loans. All Prepetition Term Loans so assigned to such Loan Party shall be automatically extinguished upon completion of the assignment and assumption transactions described in this Section 10.6.

- C. The consent of the Required First-Lien Second Out Lenders shall be required for any waiver, amendment or modification, unless such waiver, amendment or modification relates solely to the First-Lien First Out Loans and does not directly or indirectly adversely affect the First-Lien Second Out Lenders in any manner.

**Covenants:**

Subject to the immediately succeeding paragraph, to be substantially identical to the Pre-Existing Facility Documentation (including, without limitation, a covenant to use commercially reasonable efforts to obtain a public rating for the Exit Term Loan Facility (but no requirement to obtain or maintain a specific rating)) with such modifications as may be reasonably agreed by the Required Exit Lenders and the Company.

The negative covenant restricting incurrence of Indebtedness shall include a “basket” that permits incurrence of a new revolving credit facility (the “**New Revolver Facility**”), if, after giving effect to the incurrence thereof, (a) the New Revolver Facility availability (not the commitments therefor) does not exceed the remainder of (x) the Borrowing Base (as defined in the Prepetition ABL/FILO Amendment and Restatement, but without giving effect to the “Availability Cushion” described in the New Revolver Basket and Exit FILO Facility Term Sheet (the “**Availability Cushion**”)) less (y)

the aggregate principal amount of Exit FILO Loans then outstanding and (b) as a condition to drawing on the New Revolver Facility, the Borrower shall be in compliance with the Borrowing Base (as defined in the Prepetition ABL/FILO Amendment and Restatement, but without giving effect to the Availability Cushion) after giving effect to such borrowing.

**Financial Covenant:** A maximum total net leverage ratio at a single level to be agreed, tested quarterly beginning with the fiscal quarter ending on June 30, 2022.

Liquidity (as defined below) of \$30 million, tested quarterly beginning with the fiscal quarter ending on June 30, 2022.

**Events of Default:** To be substantially identical to the Pre-Existing Facility Documentation (collectively, the “*Events of Default*”).

**Mandatory Prepayments:** Mandatory prepayments of the borrowings under the Exit Term Loan Facility shall be made at par, without premium or penalty, subject to certain provisions, including rights with respect to ABL Priority Collateral, substantially similar to those under the Pre-Existing Facility Documentation and others to be agreed, modified as appropriate to reflect the proposed exit facility, with respect to:

(i) certain asset sales, including net cash proceeds received in connection with the sale of Nutra to IVC (the “*Nutra Proceeds*”) at the end of the fiscal quarter in which such proceeds are received; *provided* that with respect to Nutra Proceeds received during the first three fiscal quarters of 2021 or 2022 (1) the amount of such payment at such quarter end shall be limited to the lesser of (x) the amount of net cash proceeds so received and (y) the amount that would not cause Liquidity (after giving effect to such prepayment) to be less than the Applicable Liquidity Amount (the difference between clauses (x) and (y), the “*IVC Holdback Amount*”), (2) if there is an IVC Holdback Amount, then at the end of each subsequent fiscal quarter in 2021 or 2022 (other than the fourth fiscal quarter), as applicable, a mandatory prepayment shall be made in an amount equal to the lesser of (i) the IVC Holdback Amount less any portion of the IVC Holdback Amount so applied in prior fiscal quarters and (ii) the amount that would not cause Liquidity (after giving effect to such prepayment) to be less than the Applicable Liquidity Amount (any such prepayment pursuant to this clause (2), an “*IVC Holdback Prepayment*”) and (3) if there is any IVC Holdback Amount remaining as of the end of the fourth fiscal quarter of 2021 or 2022, as applicable, then at the end of such fiscal quarter a mandatory prepayment shall be made in respect of such remaining amount. “*Applicable Liquidity Amount*” shall mean \$75 million for each of fiscal year 2021 and 2022. Any Nutra Proceeds received after 2022 shall be used to prepay borrowings under the Exit Term Loan Facility and there shall be no IVC Holdback Amount after the end of the 2022 calendar year.

(ii) insurance proceeds,

(iii) incurrences of indebtedness not otherwise permitted to be incurred, and

(iv) subject to the following paragraph, receipts of tax refunds by the Loan Parties (the “*Tax Refunds*”) at the end of the fiscal quarter in which such proceeds are received; *provided* that (1) the amount of such Tax Refunds

prepayment at such quarter end shall be limited to the lesser of (x) the amount of net cash proceeds so received and (y) the amount that would not cause Liquidity (after giving effect to such prepayment and any prepayment of the Exit FILO Facility) to be less than \$75 million (the difference between clauses (x) and (y), the “**Tax Holdback Amount**”; and the difference between clause (x) and the Tax Holdback Amount, the “**Tax Refund Prepayment**”) and (2) if there is a Tax Holdback Amount, then at the end of each subsequent fiscal quarter a mandatory prepayment shall be made in an amount equal to the lesser of (i) the Tax Holdback Amount less any portion of the Tax Holdback Amount so applied pursuant to this clause (2) in prior fiscal quarters and (ii) the amount that would not cause Liquidity (after giving effect to such prepayment and any prepayment of the Exit FILO Facility) to be less than \$75 million (any such prepayment pursuant to this clause (2), a “**Tax Holdback Prepayment**”; Tax Holdback Prepayments and Tax Refund Prepayments are collectively referred to herein as “**Tax Prepayments**”).

Mandatory prepayments pursuant to clauses (i) through (iii) above shall be applied *first* to First-Lien First Out Loans and *second* to First-Lien Second Out Loans. Mandatory prepayments pursuant to clause (iv) above shall be applied as follows: a percentage to be agreed to prepay loans under the Exit FILO Facility; and a percentage to be agreed to prepay First-Lien First Out Loans and First-Lien Second Out Loans (with such percentages to be agreed among the Borrower, the Required Exit Lenders and the “Required FILO Lenders” (as defined the New Revolver Basket and Exit FILO Facility Term Sheet)).

The Exit Term Loan Facility shall provide for an excess cash flow sweep substantially consistent with that set forth in the Pre-Existing Facility Documentation (except that (i) for the avoidance of doubt, no Tax Refund nor Nutra Proceeds shall be included in the calculation of excess cash flow in the year received and (ii) excess cash flow shall be reduced by any Tax Holdback Prepayments made during the applicable period and the sweep will be applied on the remaining excess cash flow amount at the applicable percentage set forth below) of (i) 75.00% for the fiscal year ending 2021 to be applied ratably to prepay First-Lien First Out Loans and First-Lien Second Out Loans and (ii) 50.00% for the fiscal year ending 2022 and thereafter to prepay the First-Lien Second Out Loans (but not the First-Lien First Out Loans), in the case of each of clauses (i) and (ii), measured annually and payable within five (5) business days following the delivery of audited financial statements of such fiscal year, but only so long as Liquidity as of the date of such payment is greater than \$40,000,000 after giving pro forma effect to such excess cash flow payment.

Mandatory prepayments will be applied to payments due on the loans in direct order of maturity.

Mandatory prepayments and the application of such proceeds at all times will be subject to the intercreditor arrangements consistent with the Prepetition Intercreditor Agreement, the Pre-Existing Facility Documentation, and the Prepetition ABL Loan Documents, or otherwise

reasonably satisfactory to the Borrower, the Required Exit Lenders and the “required lenders” under the New Revolver and Exit FILO Facility.

For purposes hereof, “*Liquidity*” shall mean unrestricted cash of the Loan Parties and their restricted subsidiaries (other than cash held by foreign subsidiaries that are not Guarantors, cash included in the Borrowing Base and cash supporting letters of credit) and amounts available to be drawn under any revolving credit facility.

**Application of Payments:**

If at any time (x) insufficient funds are received by and available to the Agent to pay fully all amounts of principal, interest and fees and other obligations then due under the Exit Term Loan Facility or (y) during the continuation of an Event of Default and the enforcement of remedies in connection therewith, the Agent receives proceeds of Collateral pledged by the Loan Parties, such funds shall be applied:

- (i) *first*, toward payment of any expenses, fees and indemnities due to the Agent;
- (ii) *second*, toward payment of interest and fees then due from the Borrower with respect to any First-Lien First Out Loans, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties;
- (iii) *third*, toward payment of principal then due from the Borrower with respect to any First-Lien First Out Loans, ratably among the parties entitled thereto in accordance with the amounts of such principal then due to such parties;
- (iv) *fourth*, toward payment of interest and fees then due from the Borrower with respect to any First-Lien Second Out Loans, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties;
- (v) *fifth*, toward payment of principal then due from the Borrower with respect to any First-Lien Second Out Loans, ratably among the parties entitled thereto in accordance with the amounts of such principal then due to such parties;
- (vi) *sixth*, to payment of all other obligations of the Borrower and the Loan Parties then due and payable under the Exit Term Loan Facility, ratably among the parties entitled thereto in accordance with the amounts of such obligations then due to such parties; and
- (vii) *seventh*, to the Borrower or as otherwise required pursuant to any intercreditor agreement.

**Voluntary Prepayments:** Voluntary prepayments of the borrowings under the Exit Term Loan Facility will be permitted at any time at par, without premium or penalty, subject to the reimbursement of the Exit Lenders' redeployment costs in the case of a prepayment of LIBOR borrowings other than on the last day of the relevant interest period; *provided*, that no voluntary prepayment shall be made on account of the First-Lien Second Out Loans until the First-Lien First Out Loans have been repaid in full.

**Governing Law:** State of New York.

**Agent:** Unless the Required Exit Lenders and the Borrower otherwise elect, GLAS Trust Company LLC will serve as the administrative agent and collateral agent under the Exit Term Loan Facility and will perform duties customarily associated with such capacities (the "*Agent*").

**Expenses and Indemnification:** To be substantially consistent with the Pre-Existing Facility Documentation.

1.4 Accounting Terms; GAAP. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time (provided that, notwithstanding anything to the contrary herein, (i) all accounting or financial terms used herein shall be construed, and all financial computations pursuant hereto shall be made, without giving effect to any election under

Accounting Standards Codification 825-10-25 (previously referred to as Statement of Financial Accounting Standards 159) (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any Indebtedness or other liabilities of Holdings or any Subsidiary at “fair value”, as defined therein, (ii) any treatment of Indebtedness in respect of convertible debt instruments under Accounting Standards Codification 470-20 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) to value any such Indebtedness in a reduced or bifurcated manner as described therein shall be disregarded, and such Indebtedness shall at all times be valued at the full stated principal amount thereof), (iii) [reserved] and (iv) notwithstanding anything to the contrary herein, only those leases that would result or would have resulted in Capital Lease Obligations or Capital Expenditures under GAAP as in effect on the Prepetition Credit Closing Date (assuming for purposes hereof such leases were in existence on the Prepetition Credit Closing Date) will be considered capital leases and all calculations under this Agreement will be made in accordance therewith. In the event that any “Accounting Change” as defined below shall occur and such change results in a change in the method of calculation of financial covenants, standards or terms in this Agreement, then upon the written request of the Borrower or the Administrative Agent, the Borrower, the Administrative Agent and the Lenders shall enter into good faith negotiations in order to amend such provisions of this Agreement so as to equitably reflect such Accounting Change with the desired result that the criteria for evaluating the Borrower’s financial condition shall be the same after such Accounting Change as if such Accounting Change had not occurred; provided that provisions of this Agreement in effect prior to the date of such Accounting Change shall remain in effect until the effective date of such amendment. “Accounting Change” refers to any change in accounting principles required by the promulgation of any rule, regulation, pronouncement or opinion by the Financial Accounting Standards Board of the American Institute of Certified Public Accountants.

1.5 Required Lender Representative; Agent Determinations. (a) On or prior to the date that is ten (10) Business Days after the Closing Date (or such later date as agreed by the Administrative Agent in its sole discretion), Lenders holding at least 66⅔% of the aggregate amount of the FILO Term Loans shall appoint a representative (which may consist of more than one entity, but not more than three entities, and which shall be reasonably acceptable to the Borrower) to act as set forth in in this Section 1.5 (such representative(s) collectively, together with their respective successors in such capacity, the “Required Lender Representative”) and agree that the Required Lender Representative may provide such directions and consents as expressly set forth in this Agreement and the other Loan Documents (including, without limitation, as set forth in Section 1.5(b) below) as the Required Lender Representative on instruction of Required Lenders deems appropriate and the Lenders shall be obligated by the terms of any such direction or consent. Any Required Lender Representative may resign upon prior written notice delivered to the Borrower, each Agent and the Lenders; provided that Lenders holding at least 66⅔% of the aggregate amount of FILO Term Loans shall appoint a successor Required Lender Representative as soon as possible, and in no event later than ten (10) Business Days (or such later date as agreed to by the Administrative Agent in its sole discretion), after the date such notice of resignation is delivered; provided further that such resignation shall become effective ten (10) Business Days after the date such notice of resignation is delivered if a successor Required Lender Representative is not appointed on or prior to the date that is ten (10) Business Days after the date such notice of resignation is delivered; provided further that so long as at least one Required Lender Representative remains appointed after giving effect to any such

resignation of a Required Lender Representative, Lenders holding at least 66 $\frac{2}{3}$ % of the aggregate amount of FILO Term Loans may elect not to appoint a successor for such resigning Required Lender Representative by providing written notice to the Administrative Agent and the Borrower on or prior to the date that is ten (10) Business Days after the date such notice of resignation is delivered.

(b) Any express references in this Agreement or any other Loan Document to actions, requests, determinations or decisions being made at the Permitted Discretion of or at the discretion of (or any like or similar term, but not “sole” discretion of an Agent) any Agent shall, in each case, mean (or be deemed to mean) such Agent acting at the written direction of, or with the written consent of, the Required Lender Representative (which written direction or consent may be provided via email); provided that if at any time no Required Lender Representative has been appointed, any such reference described in the foregoing provisions of this Section 1.5(b) shall, in each case, mean (or be deemed to mean) such Agent acting at the written direction of, or with the written consent of, the Required Lenders (which written direction or consent may be provided via email and shall be deemed given if the Required Lenders do not object thereto within three (3) Business Days of notice thereof to the Lenders and (to the extent named in Section 9.1) the Ad Hoc Committee Advisors (or if the Bankruptcy Court shall have so approved the matter in question)); provided further that if there is more than one Required Lender Representative and the Required Lender Representatives provide conflicting direction or consent to any Agent, (i) at any time that there are three Required Lender Representatives and a majority of the Required Lender Representatives provide the same direction or consent, such Agent shall act based on the direction or consent provided by such majority of the Required Lender Representatives and (ii) at all other times, such Agent shall not be required to take or make any such action, request, determination or decision without the written direction of, or with the written consent of, the Required Lenders (which written direction or consent may be provided via email and shall be deemed given if the Required Lenders do not object thereto within three (3) Business Days of notice thereof to the Lenders and (to the extent named in Section 9.1) the Ad Hoc Committee Advisors (or if the Bankruptcy Court shall have so approved the matter in question)). The Lenders agree that each Agent may accept, and be permitted to rely on, any direction or consent provided by the Required Lender Representative or the Required Lenders, as applicable, pursuant to this Section 1.5(b) without any obligation or duty to ascertain or to inquire as to the validity, enforceability, effectiveness or genuineness of any such direction or consent provided by the Required Lender Representative.

(c) Any references in this Agreement to matters, calculations or documentation being satisfactory or acceptable (or any like or similar term) to any Agent shall mean (or be deemed to mean) such Agent, as applicable, acting at the written direction of, or with the written consent of, the Required Lenders; provided that the Required Lenders shall be deemed to be satisfied with or to have accepted (or any like or similar term) any such matter, calculation or documentation unless objected to by the Required Lenders in writing within three (3) Business Days after notice of such matter, calculation or documentation is delivered to the Lenders and (to the extent named in Section 9.1) the Ad Hoc Committee Advisors. The Lenders agree that each Agent may accept, and be permitted to rely on, any direction or consent provided by the Required Lenders pursuant to this Section 1.5(b) without any obligation or duty to ascertain or to inquire as to the validity, enforceability, effectiveness or genuineness of any such direction or consent provided by the Required Lenders.

(d) The provisions of this Agreement in respect of the Required Lender Representative shall apply only during such time as JPMorgan Chase Bank, N.A. shall be an Agent hereunder unless otherwise agreed to by the Borrower and the Required Lenders.

1.6 Classification of Permitted Items. For purposes of determining compliance at any time with Sections 6.2, 6.3, 6.5, 6.6, 6.8, 6.9, 6.14 or 6.15, in the event that any Lien, Investment, Indebtedness, Disposition, Restricted Payment, Contractual Obligation, encumbrance or restriction or payment, prepayment, repurchase, redemption, defeasance or amendment, modification or other change in respect of Indebtedness meets the criteria of more than one of the categories of transactions permitted pursuant to any clause of such Sections 6.2, 6.3, 6.5, 6.6, 6.8, 6.9, 6.14 or 6.15, such transaction (or portion thereof) at any time shall be permitted under one or more of such clauses as determined by the Borrower in its sole discretion at such time of determination. For the avoidance of doubt, the Borrower may at any time classify and reclassify Indebtedness (or any portion thereof) incurred under Section 6.2 and Liens (or any portion thereof) incurred under Section 6.3 among applicable exceptions to such covenants.

1.7 Rounding. Any financial ratios required to be satisfied in order for a specific action to be permitted under this Agreement shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up if there is no nearest number).

1.8 Currency Equivalents Generally.

(a) For purposes of determining compliance with Sections 6.2, 6.3, 6.8 and 6.9 with respect to any amount of Indebtedness or Investment in a currency other than Dollars, no Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Indebtedness or Investment is incurred (so long as such Indebtedness or Investment, at the time incurred, made or acquired, was permitted hereunder).

(b) [Reserved]

(c) Principal, interest, reimbursement obligations, fees, and all other amounts payable under this Agreement and the other Loan Documents to Agents and the Lenders shall be payable in the currency in which such Obligations are denominated. Unless stated otherwise, all calculations, comparisons, measurements or determinations under this Agreement shall be made in Dollars. For the purpose of such calculations, comparisons, measurements or determinations, amounts or proceeds denominated in other currencies shall be converted to the Equivalent Amount (as defined below) of Dollars on the date of calculation, comparison, measurement or determination. In particular, without limitation, for purposes of valuations or computations under Section 2, Section 3, Section 5, Section 6 and Section 7 and calculating the Borrowing Base, eligibility criteria including Eligible Accounts Receivable, Eligible Inventory, Eligible Credit Card Receivables, or Eligible Gift Card Receivables, unless expressly provided otherwise, where a reference is made to a Dollar amount, the amount is to be considered as the amount in Dollars and, therefore, each other currency shall be converted into the Equivalent Amount thereof in Dollars. As used herein, “Equivalent Amount” means, on any date, the amount of

Dollars into which an amount of any foreign currency may be converted at the Administrative Agent's spot buying rate in New York City as at approximately 12:00 noon (New York City time) on such date.

1.9 FILO Ad Hoc Group. The terms of the Interim DIP Order, the Final DIP Order, the Interim DIP Recognition Order and the Final DIP Recognition Order, including any amendment, modification, waiver, forbearance, or supplement thereto, shall, to the extent such orders, or any amendments, modification, waivers, forbearances, or supplements thereto, relate to the this Agreement and are adverse to the Lenders, be subject to the approval of the Required FILO Ad Hoc Group Members (as defined in the Restructuring Support Agreement), such approval not to be unreasonably withheld, delayed or conditioned (such approval right, the "Required FILO Ad Hoc Group Approval").

## SECTION 2. AMOUNT AND TERMS OF COMMITMENTS

2.1 FILO Term Loan Roll-Up. Effective upon the occurrence of the Roll-Up Effective Time, without any further action by any party to this Agreement, the Bankruptcy Court or any other Person, to the extent set forth in the Bankruptcy Court DIP Order, (a) all Prepetition FILO Loans owing to each Lender in its capacity as a "FILO Term Loan Lender" under the Prepetition ABL Agreement (the "Rolled-Up Obligations" and such loans, the "FILO Term Loans", and such commitments, the "Rolled-Up Commitments") shall be deemed made hereunder and shall constitute a portion of the outstanding amount of the Obligations owing to the Lenders hereunder. The principal amount of each Lender's FILO Term Loans is set forth on Schedule 2.1. The aggregate principal amount of FILO Term Loans is \$275,000,000.

2.2 [Reserved].

2.3 Repayment of FILO Term Loans. The FILO Term Loans of each FILO Term Loan Lender shall mature and be payable in full on the Maturity Date, and the principal amount of the FILO Term Loans repaid on the Maturity Date shall be, in any event, an amount equal to the aggregate principal amount of all FILO Term Loans outstanding on such date. The FILO Term Loans will not amortize.

2.4 [Reserved].

2.5 Loans and Borrowings. (a) The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder.

(b) Subject to Section 2.17, each Borrowing shall be comprised entirely of ABR Loans or Eurodollar Loans as the Borrower may request in accordance herewith. Each Lender at its option may make any Eurodollar Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the applicable Lender to make such Loan and the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any Eurodollar Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of \$500,000 and not less than \$2,500,000. At the time each ABR Borrowing is made, such

Borrowing shall be in an aggregate amount that is an integral multiple of \$100,000 and not less than \$1,000,000. Borrowings of more than one Type may be outstanding at the same time; provided that there shall not at any time be more than a total of 15 Eurodollar Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrower shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the applicable Maturity Date for such Borrowing.

2.6 [Reserved].

2.7 [Reserved].

2.8 [Reserved].

2.9 [Reserved].

2.10 Interest Elections. (a) Each Borrowing initially shall be of the Type specified by the Borrower to the Administrative Agent prior to the Roll-Up Effective Time and, in the case of a Eurodollar Borrowing, shall have an initial Interest Period as specified in such notice. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurodollar Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone not later than 11:00 a.m., New York City time, on the day of a conversion to or continuation of ABR Loans or 11:00 a.m., New York City time, three Business Days before the day of a conversion to or continuation of Eurodollar Loans. Each such telephonic Interest Election Request shall be irrevocable and shall be confirmed promptly by hand delivery or electronic transmission to the Administrative Agent of a written Interest Election Request signed by the Borrower.

(c) Each telephonic and written Interest Election Request shall specify the following information:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Eurodollar Borrowing; and

(iv) if the resulting Borrowing is a Eurodollar Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period".

If any such Interest Election Request requests a Eurodollar Borrowing but does not specify an Interest Period, then the Borrower shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrower fails to deliver a timely Interest Election Request with respect to a Eurodollar Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notifies the Borrower, then, so long as an Event of Default is continuing (x) no such outstanding Borrowing may be converted to or continued as a Eurodollar Borrowing and (y) unless repaid, each such Eurodollar Borrowing shall be converted to an ABR Borrowing at the end of the Interest Period applicable thereto.

2.11 [Reserved].

2.12 Repayment of Loans; Evidence of Debt. (a) Except as otherwise set forth in Section 2.24 hereof, the Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of each Loan of such Lender on the Maturity Date either in cash or as set forth in Section 2.24.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder, the Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence absent manifest error of the existence and amounts of the obligations recorded therein; provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner

affect the obligation of the Borrower to repay the Loans in accordance with the terms of this Agreement. To the extent any such accounts are inconsistent with the Register, the Register shall govern.

(e) Any Lender may request through the Administrative Agent that Loans deemed made by it be evidenced by a promissory note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns and in the form of Exhibit D. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.4) be represented by one or more promissory notes in such form payable to such payee and its registered assigns.

2.13 Prepayment of Loans. (a) The Borrower shall have the right at any time and from time to time to prepay any Borrowing in whole or in part, without premium or penalty (but subject to Section 2.19) subject to prior notice in accordance with paragraph (c) of this Section.

(b) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (c) of this Section.

(c) The Borrower shall notify the Administrative Agent by telephone (confirmed by written notice (which may be by email)) of any voluntary prepayment hereunder (i) in the case of prepayment of a Eurodollar Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment, or (ii) in the case of prepayment of an ABR Borrowing, not later than 10:00 a.m., New York City time, on the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid; provided that, any notice of prepayment of FILO Term Loans may be conditioned upon the effectiveness of other credit facilities or any other financing or a sale transaction, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Promptly following receipt of any such notice relating to a Borrowing, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial voluntary prepayment pursuant to Section 2.13(a) of any Borrowing shall be in an integral multiple of \$500,000 and not less than \$2,500,000 (or, if less, the remaining outstanding amount of such Borrowing). Prepayments shall be accompanied by accrued interest to the extent required by Section 2.16. Each prepayment of FILO Term Loans pursuant to Section 2.13(a), shall be applied ratably to the FILO Term Loans then outstanding. In the event the Borrower fails to specify the Borrowings to which any voluntary prepayment shall be applied, such prepayment shall be applied to prepay FILO Term Loans ratably.

2.14 Fees. (a) [Reserved].

(b) [Reserved]

(c) The Borrower agrees to pay to the Administrative Agent and to the Collateral Agent, for their own account, fees payable in the amounts and at the times separately agreed upon between Parent and each of the Administrative Agent and the Collateral Agent.

2.15 Mandatory Prepayments. (a) If Indebtedness is incurred by a Loan Party (other than Indebtedness permitted under Section 6.2), then no later than two Business Days after the date of such issuance or incurrence, an amount equal to 100% of the Net Cash Proceeds thereof shall be applied to the prepayment of the FILO Term Loans as set forth in Section 2.15(d) together with accrued and unpaid interest thereon. The provisions of this Section do not constitute a consent to the incurrence of any Indebtedness by any Loan Party.

(b) If on any date a Loan Party shall receive Net Cash Proceeds from any Recovery Event then, unless a Reinvestment Notice shall be delivered in respect thereof, no later than three Business Days (or, if a Default or Event of Default has occurred and is continuing, one Business Day) after the date of receipt by such Loan Party of such Net Cash Proceeds, an amount equal to 100% of such Net Cash Proceeds shall be applied to the prepayment of the Term Loans as set forth in Section 2.15(d) together with accrued and unpaid interest thereon; provided that (i) notwithstanding the foregoing, on each Reinvestment Prepayment Date an amount equal to the Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event shall be applied to the prepayment of the FILO Term Loans (together with accrued interest thereon), and (ii) if the Net Cash Proceeds from any Recovery Event exceed \$1,000,000, then no Reinvestment Notice with respect thereto may be delivered without the consent of the Required Lenders; provided further that to the extent that the Net Cash Proceeds of any such Recovery Event result from any settlement of, or payment in respect of, any property or casualty insurance claim or any condemnation proceeding relating to Term Priority Collateral, such Net Cash Proceeds shall first be applied as required pursuant to Section 2.15(d) of the Term Loan DIP Credit Agreement before being applied to the mandatory prepayment of the FILO Term Loans pursuant to this Section 2.15(a).

(c) In the event the aggregate amount of outstanding FILO Term Loans exceeds the Borrowing Base, then the Borrower will immediately repay outstanding FILO Term Loans in an aggregate amount equal to such excess.

(d) Amounts to be applied pursuant to this Section 2.15 shall be applied first to prepay outstanding ABR Loans and then to prepay Eurodollar Loans, and shall be applied ratably to the Loans then outstanding.

2.16 Interest. (a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin.

(b) The Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin.

(c) Notwithstanding the foregoing, upon the occurrence and during the continuance of any Event of Default pursuant to Section 7.1(a), any overdue amount payable by the Borrower hereunder shall bear interest, after as well as before judgment, at a rate per annum

equal to (i) in the case of overdue principal of or interest on any Loan, 2% plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other overdue amount, 2% plus the rate applicable to FILO Term Loans that are ABR Loans as provided in paragraph (a) of this Section prior to giving effect to any increase in such rate pursuant to this paragraph (c).

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan; provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand and (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate at times when the Alternate Base Rate is based on the Prime Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted LIBO Rate or LIBO Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error. Notwithstanding the forgoing, solely for the purposes of the Interest Act (Canada) and disclosure under such Act, whenever interest to be paid under this Agreement is to be calculated on the basis of a year of 365 days or any other period of time that is less than a calendar year, the yearly rate of interest to which the rate determined pursuant to such calculation is equivalent is the rate so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by either 365 or such other period of time, as the case may be.

2.17 Alternate Rate of Interest. (a) If prior to the commencement of any Interest Period for a Eurodollar Borrowing:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means (including, without limitation, by means of an Interpolated Rate) do not exist for ascertaining the Adjusted LIBO Rate or the LIBO Rate, as applicable (including because the Screen Rate is not available or published on a current basis), for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted LIBO Rate or the LIBO Rate, as applicable, for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period, then the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or electronic transmission as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (A) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective, and (B) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

(b) If at any time the Administrative Agent (in consultation with the Required Lenders and the Borrower) determines (which determination shall be conclusive absent manifest error) that either (i) the circumstances set forth in clause (a)(i) of this Section 2.17 have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (a)(i) of this Section 2.17 have not arisen but the supervisor for the administrator of the Screen Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Screen Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent (in consultation with the Required Lenders) and the Borrower shall endeavor to establish an alternate rate of interest to the LIBO Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for syndicated loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but for the avoidance of doubt, such related changes shall not include a reduction of the Applicable Margin); provided that, if such alternate rate of interest as so determined would be less than zero, such rate shall be deemed to be zero for the purposes of this Agreement. Notwithstanding anything to the contrary in Section 9.2, such amendment shall become effective without any further action or consent of any other party to this Agreement so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that such Required Lenders object to such amendment. Until an alternate rate of interest shall be determined in accordance with this clause (b) (but, in the case of the circumstances described in clause (ii) of the first sentence of this Section 2.17(b), only to the extent the Screen Rate for such Interest Period is not available or published at such time on a current basis), (x) any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a Eurodollar Borrowing shall be ineffective and (y) if any Borrowing Request requests a Eurodollar Borrowing, such Borrowing shall be made as an ABR Borrowing.

2.18 Increased Costs. (a) If any Change in Law shall:

- (i) subject the Administrative Agent or any Lender to any Taxes (other than (A) Indemnified Taxes covered under Section 2.20, (B) Excluded Taxes or (C) Other Taxes) on its Loans Commitments or other obligations hereunder, or its deposits, reserves or other liabilities or capital attributable thereto;
- (ii) impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate); or
- (iii) impose on any Lender or the London interbank market any other condition, cost or expense (excluding any condition relating to Taxes) affecting this Agreement or Eurodollar Loans made by such Lender;

and the result of any of the foregoing shall be to (x) increase the cost to such Lender (or in the case of clause (i), to the Administrative Agent or such Lender) of making, converting to, continuing or maintaining any Eurodollar Loan (or in the case of clause (i), any Loan) (or of

maintaining its obligation to make any such Loan) or (y) reduce the amount of any sum received or receivable by the Administrative Agent or such Lender hereunder (whether of principal, interest or otherwise), then, upon request of such Lender, the Borrower will pay to the Administrative Agent or such Lender, as the case may be, such additional amount or amounts as will compensate the Administrative Agent or such Lender, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements or in the interpretation or application thereof or compliance by such Lender or any corporation controlling such Lender with any request or directive regarding capital or liquidity requirements (whether or not having the force of law) from any Governmental Authority made subsequent to the Closing Date has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy or liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth in reasonable detail the matters giving rise to a claim under this Section 2.18 by such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrower shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor; provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) If any Lender reasonably determines that any Requirement of Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable lending office to make, maintain or fund Eurodollar Loans, or to determine or charge interest rates based upon the Adjusted LIBO Rate, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue Eurodollar Loans or to convert ABR Loans to Eurodollar Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower may at its option revoke any pending request for a borrowing of, conversion to or continuation of Eurodollar Loans and shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all Eurodollar Loans of such Lender to

ABR Loans, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurodollar Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such Eurodollar Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted. Each Lender agrees to designate a different lending office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

2.19 Break Funding Payments. In the event of (a) the payment of any principal of any Eurodollar Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.13(c) and is revoked in accordance therewith), or (d) the assignment of any Eurodollar Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.22(c), then, in any such event, the Borrower shall compensate each Lender for the loss, cost and expense attributable to such event (other than loss of profit). Such loss, cost or expense to any Lender shall consist of an amount determined by such Lender to be the excess, if any, of (i) the amount of interest which would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted LIBO Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest which would accrue on such principal amount for such period at the interest rate which such Lender would bid were it to bid, at the commencement of such period, for dollar deposits of a comparable amount and period from other banks in the eurodollar market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower and shall be conclusive absent manifest error. Absent manifest error in the determination of such amount, the Borrower shall pay such Lender the amount shown as due on any such certificate within 15 days after receipt thereof.

2.20 Taxes. (a) Any and all payments by or on account of any obligation of any Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided that if the applicable Withholding Agent shall be required by Requirement of Tax Law to deduct any Indemnified Taxes or Other Taxes from such payments, then (i) the sum payable shall be increased by the applicable Loan Party as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.20(a)) the Administrative Agent or Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable Withholding Agent shall make or cause to be made such deductions and (iii) the applicable Withholding Agent shall pay or cause to be paid the full amount deducted to the relevant Governmental Authority in accordance with Requirement of Tax Law.

(b) In addition, the Loan Parties shall pay any Other Taxes to the relevant Governmental Authority in accordance with Requirement of Tax Law.

(c) The Loan Parties shall indemnify the Administrative Agent and each Lender within 30 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of any Loan Party hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto; provided that the Loan Parties shall not be obligated to make payment to the Administrative Agent or any Lender pursuant to this Section in respect of penalties, interest and other liabilities attributable to any Indemnified Taxes or Other Taxes if (i) written demand therefor has not been made by the Administrative Agent or such Lender within 30 days from the date on which the Administrative Agent or such Lender knew of the imposition of such Indemnified Taxes or Other Taxes by the relevant Governmental Authority, (ii) such penalties, interest and other liabilities have accrued after the Loan Parties have indemnified or paid any additional amount pursuant to this Section or (iii) such penalties, interest and other liabilities are attributable to the gross negligence, bad faith or willful misconduct of the Administrative Agent or such Lender as determined by a court of competent jurisdiction by final and non-appealable judgment. A certificate setting forth in reasonable detail the basis for such claim and the calculation of the amount of any such payment or liability shall be delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, and shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by a Loan Party to a Governmental Authority, the Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) (i) Each Lender other than a Foreign Lender shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement two properly completed and duly executed copies of IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal withholding tax. Each Foreign Lender shall deliver to the Borrower and the Administrative Agent (i) two properly completed and duly executed copies of IRS Form W-8BEN or Form W-8BEN-E, Form W-8ECI or, to the extent a Foreign Lender is not the beneficial owner, Form W-8IMY (together with any applicable underlying IRS forms), or any subsequent versions thereof or successors thereto, (ii) in the case of a Foreign Lender claiming exemption from United States Federal withholding tax under Section 871(h) or 881(c) of the Code with respect to payments of “portfolio interest,” a certificate in the form attached hereto as Exhibit E-1, E-2, E-3 or E-4, as applicable, and two properly completed and duly executed copies of the applicable IRS Form W-8BEN or Form W-8BEN-E, or any subsequent versions thereof or successors thereto, or (iii) any other form prescribed by applicable requirements of U.S. federal income tax law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable requirements of law to permit the Borrower and the Administrative Agent to determine the deduction required to be made, in each case, certifying such Foreign Lender’s entitlement to an exemption from or a reduction in United States Federal withholding tax with respect to payments of interest to be made hereunder or under any other Loan Documents. Such forms shall be delivered by each Lender on or before

the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation) and from time to time thereafter upon the request of the Borrower or the Administrative Agent. In addition, each Lender shall promptly deliver such forms upon the obsolescence or invalidity of any form previously delivered by such Lender. Each Lender shall promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower (or any other form of certification adopted by the United States taxing authorities for such purpose). Any Lender, if requested by the Administrative Agent or the Borrower, shall deliver such other documentation prescribed by or reasonably requested by the Administrative Agent or the Borrower as will enable the Administrative Agent or the Borrower to determine whether or not such Lender is subject to backup withholding or information reporting requirements.

(ii) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed pursuant to FATCA if such Lender fails to comply with any requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the applicable Withholding Agent, on or before the date it becomes a party to this Agreement (or, in the case of any Participant, on or before the date such Participant purchases the related participation) and from time to time thereafter upon the request of the applicable Withholding Agent, such documentation prescribed by Requirement of Tax Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the applicable Withholding Agent as may be necessary for the applicable Withholding Agent to comply with its obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA and to determine the amount to deduct and withhold from such payment. To the extent that the relevant documentation provided pursuant to this paragraph is rendered obsolete or inaccurate in any material respect as a result of changes in circumstances with respect to the status of a Lender, such Lender shall, to the extent permitted by Requirement of Tax Law, deliver to the applicable Withholding Agent revised and/or updated documentation sufficient for the applicable Withholding Agent to confirm as to whether such Lender has complied with its respective obligations under FATCA. Solely for purposes of this clause (e)(ii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Notwithstanding any other provision of this Section 2.20, a Lender shall not be required to deliver any form pursuant to this Section 2.20 that such Lender is not legally able to deliver.

(f) Each Lender shall indemnify the Administrative Agent for the full amount of any Taxes imposed by any Governmental Authority that are attributable to such Lender and that are payable or paid by the Administrative Agent, together with all interest, penalties, reasonable costs and expenses arising therefrom or with respect thereto, as determined by the Administrative Agent in good faith. Should the applicable Withholding Agent not deduct or withhold any Taxes imposed by FATCA from a payment under any Loan Document based on the documentation provided by a Lender pursuant to Section 2.20(e)(ii), any amounts subsequently determined by a Governmental Authority to be subject to United States Federal

withholding Tax imposed pursuant to FATCA (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) shall be indemnified by such Lender. A certificate as to the amount of such payment or liability delivered to any Lender by the Withholding Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent under this paragraph (f).

(g) Solely for purposes of determining withholding Taxes imposed under FATCA, from and after the Closing Date, the Borrower and the Administrative Agent shall treat (and the Lenders hereby authorize the Administrative Agent to treat) the Loans as not qualifying as a “grandfathered obligation” within the meaning of Treasury Regulation Section 1.1471-2(b)(2)(i).

(h) If the Administrative Agent, or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by a Loan Party or with respect to which a Loan Party has paid additional amounts pursuant to this Section 2.20, it shall pay over such refund to the applicable Loan Party within a reasonable period (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.20 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Loan Party pursuant to this Section 2.20(h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the Administrative Agent or any Lender be required to pay any amount to a Loan Party pursuant to this paragraph (h) the payment of which would place the Administrative Agent or any Lender in a less favorable net after-Tax position than the such party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.20(h) shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person.

(i) Each party’s obligations under this Section 2.20 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other Obligations.

2.21 Payments Generally; Pro Rata Treatment; Sharing of Set-offs. (a) The Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or amounts payable under Section 2.18, 2.19 or 2.20 or otherwise) prior to the time expressly required hereunder for such payment (or if no such time is expressly required, prior to 2:00 p.m. New York City time), on the date when due, in immediately available funds, without

set off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices at 270 Park Avenue, New York, New York, except that payments pursuant to Sections 2.18, 2.19, 2.20 or 9.3 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under any Loan Document shall be made in Dollars. Any FILO Term Loans paid or prepaid may not be reborrowed.

(b) If at any time (x) insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees and other Obligations then due hereunder, or (y) during the continuation of an Event of Default and the enforcement of remedies in connection therewith in accordance with Section 7.1, the Administrative Agent or the Collateral Agent receives proceeds of Collateral pledged by the Loan Parties, such funds will be applied,

- (1) first, toward payment of any expenses, fees and indemnities due to the Administrative Agent or the Collateral Agent hereunder;
- (2) second, on a pro rata basis toward payment of any outstanding obligations owed to Cash Management Banks under any Cash Management Obligations ratably among the parties entitled thereto in accordance with the amounts of such Cash Management Obligations then due to such parties;
- (3) third, toward payment of interest, expenses and fees then due from the Borrower hereunder with respect to any FILO Term Loan (including amounts due under Section 9.3), ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties;
- (4) fourth, on a pro rata basis, toward payment of principal then due from the Borrower hereunder with respect to any FILO Term Loans, ratably among the parties entitled thereto in accordance with the amounts of such principal then due to such parties;
- (5) fifth, to payment of all other Obligations of the Borrower and the Loan Parties then due and payable, ratably among the parties entitled thereto in accordance with the amounts of such Obligations then due to such parties; and

(6) sixth, to the Borrower or as otherwise required pursuant to any Intercreditor Agreement;

provided that the application of such proceeds at all times will be subject to the application of proceeds provisions contained in the Intercreditor Agreements.

(c) If any Lender shall, by exercising any right of set off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted under this Agreement. The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.21(d) or 8.7, then the Administrative Agent may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

2.22 Mitigation Obligations; Replacement of Lenders. (a) If any Lender requests compensation under Section 2.18, or if the Borrower is required to pay any amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section

2.20, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.18 or 2.20, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable and documented out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender (or any Participant in the Loans held by such Lender) requests compensation under Section 2.18, or if the Borrower is required to pay any amount to any Lender (or its Participant) or any Governmental Authority for the account of any Lender pursuant to Section 2.20, or if any Lender becomes a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.4 (provided that, if the required Assignment and Assumption is not executed and delivered by such Lender, such Lender will be unconditionally and irrevocably deemed to have executed and delivered such Assignment and Assumption as of the date such Lender receives payment in full of the amounts set forth in clause (i) below)), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees, and all other amounts payable to it hereunder (but, for the avoidance of doubt, not any amounts in respect of contingent reimbursement and indemnification obligations which are not due and payable), from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (ii) in the case of any such assignment resulting from a claim for compensation under Section 2.18 or payments required to be made pursuant to Section 2.20, such assignment will result in a reduction in such compensation or payments in the future. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

(c) If any Lender (such Lender, a “Non-Consenting Lender”) has failed to consent to a proposed amendment, waiver, discharge or termination which pursuant to the terms of Section 9.2 requires the consent of all of the Lenders or all affected Lenders, then the Borrower may (unless such Non-Consenting Lender grants such consent), at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.4 (provided that, if the required Assignment and Assumption is not executed and delivered by such Non-Consenting Lender, such Non-Consenting Lender will be unconditionally and irrevocably deemed to have executed and delivered such Assignment and Assumption as of the date such Non-Consenting Lender receives payment in full of the amounts set forth in clause (i) below)), all of its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (i) such Non-Consenting Lender shall have received payment of an amount equal

to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder (but, for the avoidance of doubt, not any amounts in respect of contingent reimbursement and indemnification obligations which are not due and payable), from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (ii) the replacement Lender shall grant its consent with respect to the applicable proposed amendment, waiver, discharge or termination.

2.23 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then for so long as such Lender is a Defaulting Lender, the FILO Term Loans of such Defaulting Lender shall not be included in determining whether the Required Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 9.2); provided, that this clause (a) shall not apply to the vote of a Defaulting Lender in the case of an amendment, waiver or other modification requiring the consent of such Lender or each Lender affected thereby if such amendment, waiver or modification would adversely affect such Defaulting Lender compared to other similarly affected Lenders; provided further that no amendment, waiver or modification that would require the consent of a Defaulting Lender under clause (i), (ii) or (iii) of the first proviso of Section 9.2(b) may be made without the consent of such Defaulting Lender.

2.24 Conversion of Loans. (a) Upon the consummation of an Approved Plan of Reorganization, subject to the satisfaction, or waiver, of the conditions set forth in the Exit ABL Term Sheet and otherwise substantially in accordance with the terms set forth in the Exit ABL Credit Agreement, the Borrower may exercise an option to continue or convert the Loans into an exit FILO term facility financing on the effective date of such Approved Plan of Reorganization (the "Exit Conversion").

(b) If the Borrower elects to exercise the Exit Conversion, subject to the satisfaction or waiver of the conditions contained in the Exit ABL Term Sheet by Lenders holding at least 66 $\frac{2}{3}$ % of the aggregate amount of the FILO Term Loans:

(i) each Lender, severally and not jointly, hereby agrees to continue its Loans hereunder outstanding on the effective date of the Approved Plan of Reorganization as Exit FILO Loans under, and subject entirely and exclusively to the terms and provisions of, the definitive documentation to be mutually agreed (including a credit agreement governing the continuation and conversion of the Loans, the "Exit ABL Credit Agreement") and related documentation which documentation shall be substantially consistent with the Exit ABL Facility Term Sheet and is otherwise in form and substance reasonably satisfactory to Lenders holding at least 66 $\frac{2}{3}$ % of the aggregate amount of the FILO Term Loans; and

(ii) subject to Section 2.24(a), the Administrative Agent, the Lenders and the Loan Parties agree that, upon the effectiveness of the Exit ABL Credit Agreement:

(A) the Borrower, in its capacity as reorganized "Borrower" and each Guarantor that is a guarantor under the Prepetition Term Loan Agreement (subject to the Approved Plan of Reorganization), in its capacity as a reorganized Guarantor, shall assume all

the Obligations hereunder with respect to the Loans and all other obligations in respect thereof in the manner set forth in the Exit ABL Credit Agreement and related loan documents;

(B) the Loans hereunder shall be continued as or converted to, as the case may be, Exit FILO Loans under the Exit ABL Credit Agreement;

(C) each Lender hereunder shall be a lender under the Exit ABL Credit Agreement in respect of its Loans continued as or converted to, as the case may be, Exit FILO Loans;

(D) the administrative agent and collateral agent under the Exit ABL Credit Agreement shall be selected by the Required Lenders and the Borrower reasonably in advance of the Exit Conversion; and

(E) with respect to the Loans, this Agreement and all Obligations hereunder with respect thereto shall terminate and be superseded and replaced by the Exit ABL Credit Agreement.

### SECTION 3. REPRESENTATIONS AND WARRANTIES

To induce the Agents and the Lenders to enter into this Agreement, Parent and the Borrower hereby jointly and severally represent and warrant to Agent and each Lender that:

3.1 Financial Condition. The audited consolidated balance sheets of Holdings as at December 31, 2019, and the related consolidated statements of income and of cash flows for the fiscal years ended on such dates, reported on by and accompanied by an unqualified report from PricewaterhouseCoopers, present fairly in all material respects the consolidated financial condition of Holdings as at such date, and the consolidated results of its operations and its consolidated cash flows for the respective fiscal years then ended. The unaudited consolidated balance sheet of Holdings as at March 31, 2020, and the related unaudited consolidated statements of income and cash flows for the three-month period ended on such date, present fairly in all material respects the consolidated financial condition of Holdings as at such date and the consolidated results of its operations and its consolidated cash flows for the three-month period then ended (subject to normal year-end audit adjustments). All such financial statements, including the related schedules and notes thereto, have been prepared in accordance with GAAP (unless otherwise noted therein) applied consistently throughout the periods involved (except as disclosed therein).

3.2 No Change. Since the Petition Date there has been no development or event that has had or would reasonably be expected to have a Material Adverse Effect.

3.3 Corporate Existence; Compliance with Law. As of the Petition Date, each of the Loan Parties (a) is duly organized, validly existing and in good standing or in full force and effect under the laws of the jurisdiction of its organization (to the extent such concepts exist in such jurisdictions), (b) subject to the entry and terms of the Bankruptcy Court DIP Order and other orders of the Bankruptcy Court, as applicable, has the organizational power and authority, and the legal right, to own and operate its Property, to lease the Property it operates as lessee and to conduct the business in which it is currently engaged, (c) is duly qualified as a foreign

organization and in good standing or in full force and effect under the laws of each jurisdiction where its ownership, lease or operation of Property or the conduct of its business requires such qualification and (d) unless stayed by the Chapter 11 Cases, is in compliance with all Requirements of Law, except, in the case of the foregoing clauses (a) (solely with respect to Subsidiaries), (b), (c) and (d), as would not, in the aggregate, reasonably be expected to have a Material Adverse Effect.

3.4 Organizational Power; Authorization; Enforceable Obligations. Subject to the entry and terms of the Bankruptcy Court DIP Order, each Loan Party has the corporate or other organizational power and authority, and the legal right, to make, deliver and perform the Loan Documents to which it is a party and, in the case of the Borrower, to borrow hereunder. Each Loan Party has taken all necessary corporate or other organizational action to authorize the execution, delivery and performance of the Loan Documents to which it is a party. Other than the Bankruptcy Court DIP Order, no material consent or authorization of, filing with, notice to or other act by or in respect of, any Governmental Authority or any other Person is required in connection with the execution, delivery, performance, validity or enforceability of this Agreement or any of the other Loan Documents, except (i) consents, authorizations, filings and notices that have been obtained or made and are in full force and effect, (ii) the consents, authorizations, filings and notices described in Schedule 3.4, (iii) the filings referred to in Section 3.18, (iv) filings necessary to create or perfect Liens on the Collateral granted by the Loan Parties in favor of the Secured Parties and (v) those consents, authorizations, filings and notices the failure of which to obtain or make would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. Each Loan Document has been duly executed and delivered on behalf of each Loan Party that is a party thereto. Subject to the entry and the terms of the Bankruptcy Court DIP Order, this Agreement constitutes, and each other Loan Document upon execution will constitute, a legal, valid and binding obligation of each Loan Party that is a party thereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

3.5 No Legal Bar. Subject to the entry and terms of the Bankruptcy Court DIP Order, the execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party, the borrowings hereunder and the use of the proceeds thereof will not violate any Requirement of Law applicable to, or any Contractual Obligation of, Parent, the Borrower or any of its Restricted Subsidiaries, except, in each case, as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect and will not result in, or require, the creation or imposition of any Lien on any of their respective properties or revenues pursuant to any such Requirement of Law or any such Contractual Obligation (other than Permitted Liens).

3.6 No Material Litigation. As of the Petition Date, except as set forth on Schedule 3.6 and except for the Chapter 11 Cases (or matters arising therefrom) and Recognition Proceedings (or matters arising therefrom), no litigation, investigation or proceeding of or before any arbitrator or Governmental Authority is pending or, to the knowledge of Parent or the Borrower, threatened in writing against any Loan Party or against any of their respective

properties or revenues (a) with respect to this Agreement or any of the other Loan Documents or any of the transactions contemplated hereby or thereby, or (b) that would reasonably be expected to have a Material Adverse Effect (after giving effect to indemnification from certain manufacturers and applicable insurance).

3.7 No Default. None of the Loan Parties is in default under or with respect to any of its post-petition material Contractual Obligations in any respect that would reasonably be expected to have a Material Adverse Effect.

3.8 Ownership of Property; Liens. As of the Petition Date, each of the Loan Parties has good title to, or a valid leasehold interest in, all real property and other Property material to the conduct of its business except where the failure to have such title or interests would not reasonably be expected to have a Material Adverse Effect. None of the Pledged Capital Stock is subject to any Lien except for Permitted Liens.

3.9 Intellectual Property. As of the Petition Date, except as would not reasonably be expected to result in a Material Adverse Effect, to the knowledge of Parent and the Borrower, (i) each of the Loan Parties owns, or has a valid license to use, all Intellectual Property necessary for the conduct of its business as currently conducted ("Company Intellectual Property"); (ii) no claim has been asserted in writing and is pending by any Person challenging or questioning the use of any Company Intellectual Property or the validity or effectiveness of any Company Intellectual Property, nor does Parent or the Borrower know of any valid basis for any such claim; and (iii) the use of Company Intellectual Property by the Loan Parties does not infringe on the Intellectual Property rights of any Person.

3.10 Taxes. As of the Petition Date, each of the Loan Parties has filed or caused to be filed all income and all other material tax returns that are required to be filed and has paid all income and all other material Taxes, assessments, fees and other governmental charges levied or imposed upon it or its properties, income or assets due and payable by it (other than any the amount or validity of which are currently being contested in good faith by appropriate proceedings and with respect to which reserves in conformity with GAAP have been provided on the books of the applicable Loan Party, as the case may be) except, in each case, where the failure to do so would not reasonably be expected to have a Material Adverse Effect. otherwise exist against the Administrative Agent or the Collateral Agent. Notwithstanding anything to the contrary herein or in any other Loan Document, (i) each Agent is authorized to take direction from the Required Lender Representative to the extent set forth in Section 1.5(b), (ii) each Agent is authorized to take direction from the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 9.2) and (iii) the Collateral Agent is authorized to take direction from the Administrative Agent.

Without limiting the powers of the Administrative Agent, for the purposes of holding any hypothec granted to the Attorney (as defined below) pursuant to the laws of the Province of Québec to secure the prompt payment and performance of any and all Obligations by any Loan Party, each of the Lenders hereby irrevocably appoints and authorizes the Administrative Agent and, to the extent necessary, ratifies the appointment and authorization of the Administrative Agent, to act as the hypothecary representative of the creditors as contemplated under Article 2692 of the Civil Code of Québec (in such capacity, the “Attorney”), and to enter into, to take and to hold on their behalf, and for their benefit, any hypothec, and to exercise such powers and duties that are conferred upon the Attorney under any related deed of hypothec. The Attorney shall: (a) have the sole and exclusive right and authority to exercise, except as may be otherwise specifically restricted by the terms hereof, all rights and remedies given to the Attorney pursuant to any such deed of hypothec and applicable law, and (b) benefit from and be subject to all provisions hereof with respect to the Administrative Agent mutatis mutandis, including, without limitation, all such provisions with respect to the liability or responsibility to and indemnification by the Lenders and the Loan Parties. Any person who becomes a Lender shall, by its execution of an Assignment and Assumption Agreement, be deemed to have consented to and confirmed the Attorney as the person acting as hypothecary representative holding the aforesaid hypothecs as aforesaid and to have ratified, as of the date it becomes a Lender, all actions taken by the Attorney in such capacity. The substitution of the Administrative Agent pursuant to the provisions of this Section 8 also constitute the substitution of the Attorney.

8.2 Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may execute any of its duties under this Agreement and the other Loan Documents by or through sub-agents or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. No such Agent shall be responsible for the negligence or misconduct of any such sub-agents or attorneys-in-fact selected by it with reasonable care. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of each such Agent and any such sub-agent, and shall apply to their respective activities as Arranger and as such Agent. No such Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agents.

8.3 Exculpatory Provisions. Neither any Agent, Arranger, nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates shall be:

(a) liable to any other Credit Party for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan

Document (i) with the consent or at the request of the Required Lender Representative in accordance with Section 1.5, the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary, under the circumstances as provided in Section 9.2) or (ii) in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge of any Default or Event of Default unless and until notice describing such Default or Event of Default is given in writing to such Agent by the Borrower or a Lender;

(b) responsible in any manner to any other Credit Party for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents or the Arranger under or in connection with, this Agreement or any other Loan Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page) or for any failure of any Loan Party party thereto to perform its obligations hereunder or thereunder. The Agents and the Arranger shall not be under any obligation to any other Credit Party to ascertain or to inquire as to the observance or performance of any of the covenants or agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party. Neither the Administrative Agent nor the Collateral Agent nor the Arranger shall be under any obligation to any other Credit Party to ascertain or to inquire as to the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan Document or any other agreement, instrument or document (including, for the avoidance of doubt, in connection with the Administrative Agent's reliance on any Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), or the creation, perfection or priority of any Lien purported to be created by the Security Documents, the value or the sufficiency of any Collateral, or the satisfaction of any condition set forth in Section 4 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent or the Arranger, as applicable;

(c) subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(d) subject to any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or the Collateral Agent is required to exercise as directed in writing by the Required Lender Representative or the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that such Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law;

(e) subject to a duty or responsibility to disclose, and shall not be liable for the failure to disclose, any information relating to any Loan Party or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent, the Collateral Agent, an Arranger or any of their respective Affiliates in any capacity, except as expressly set forth herein and in the other Loan Documents;

(f) obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it;

(g) responsible for any unsuitability, inadequacy, expiration or unfitness of any security interest created hereunder or pursuant to any other Loan Document nor shall it be obligated to make any investigation into, and shall be entitled to assume, the adequacy and fitness of any security interest created hereunder or pursuant to any other Loan Document; or

(h) responsible or liable for any failure or delay in the performance of its obligations hereunder or under any other Loan Document arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services.

8.4 Reliance by Administrative Agent. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying and shall not incur any liability for relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, facsimile or email message, statement, order, telephonic or electronic notices or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Loan Parties), independent accountants and other experts selected by such Agent. Each of the Administrative Agent and the Collateral Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with such Agent. Each of the Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Loan Document unless it shall first receive such advice or concurrence of the Required Lender Representative in accordance with Section 1.5 or the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents or, if so specified by this Agreement, all affected Lenders) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. Each of the Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Loan Documents in accordance with a request of the Required Lender Representative in accordance with Section 1.5, the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents or, if so specified by this Agreement, all affected Lenders), and such request

and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans. In determining compliance with any condition hereunder to the occurrence of the Closing Date that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the occurrence of the Closing Date. The Administrative Agent and the Collateral Agent may consult with legal counsel (who may be counsel for the Loan Parties), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

8.5 Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received notice from a Lender, Parent or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a “notice of default”. In the event that the Administrative Agent or the Collateral Agent receives such a notice, such Agent shall give notice thereof to the Lenders and the other such Agent. Each of the Administrative Agent and the Collateral Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents or, if so specified by this Agreement, all affected Lenders); provided that unless and until such Agent shall have received such directions, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

8.6 Non-Reliance on Agents, Arranger and Other Lenders. Each Lender expressly acknowledges that none of the Agents, the Arranger nor any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates have made any representations or warranties to it and that no act by any Agent or Arranger hereafter taken, including any review of the affairs of a Loan Party or any affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent or Arranger to any Lender. Each Lender represents to the Agents and the Arrangers that it has, independently and without reliance upon any Agent, Arranger or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent, Arranger or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and their affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent hereunder, no Agent or Arranger shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any affiliate of a Loan Party that may come into the possession of such

Agent or Arranger or any of their respective officers, directors, employees, agents, advisors, attorneys-in-fact or affiliates.

8.7 Indemnification. The Lenders agree to indemnify each Agent and its officers, directors, employees, affiliates, agents, advisors and controlling persons (each, an “Agent Indemnitee”) (to the extent not reimbursed by the Loan Parties and without limiting any obligation of the Loan Parties to do so), ratably according to their respective outstanding FILO Term Loans in effect on the date on which indemnification is sought under this Section (or, if indemnification is sought after the date upon which the Commitments shall have terminated and the Loans shall have been paid in full, ratably in accordance with such outstanding FILO Term Loans immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs and expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent Indemnitee in any way relating to or arising out of, the Commitments, the FILO Term Loans, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent Indemnitee under or in connection with any of the foregoing; provided that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent Indemnitee’s gross negligence, bad faith or willful misconduct. The agreements in this Section shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

8.8 Agent in Its Individual Capacity. Each Agent and its affiliates may make loans to, accept deposits from, own securities of, act as the financial advisor of or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any Subsidiary or other Affiliate thereof as though such Agent were not an Agent and without any duty to account therefor to the Lenders or provide notice to or consent of the Lenders with respect thereto. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under this Agreement and the other Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms “Lender” and “Lenders” shall include each Agent in its individual capacity.

8.9 Successor Administrative Agent. Either of the Agents may resign as Agent upon 10 days’ notice to the Lenders and the Borrower. The Borrower and the Required Lenders, after consultation with the Agent (it being understood that the consent of the Agent shall not be required), may upon 10 days’ prior notice remove either or both Agents. If either Agent shall resign or be removed, then the Borrower and the Required Lenders (or, if an Event of Default has occurred and is continuing under Section 7.1(a), the Required Lenders) shall appoint a successor agent for the Lenders, which shall be a financial institution with an office in the United States, or an Affiliate of any such financial institution with an office in the United States, whereupon such successor agent shall succeed to the rights, powers and duties of such Agent, and the term “Administrative Agent” or “Collateral Agent”, as applicable, shall mean such successor agent effective upon such appointment and approval, and the former Agent’s rights, powers and duties as Administrative Agent or Collateral Agent, as applicable, shall be

terminated, without any other or further act or deed on the part of such former Agent or any of the parties to this Agreement or any holders of the Loans. If no successor agent has been appointed as Administrative Agent or Collateral Agent, as applicable, by the date that is 10 days following a retiring Agent's notice of resignation or the delivery of such removal notice (or such earlier date as shall be agreed by the Borrower and the Required Lenders) (the "Resignation Effective Date"), the retiring Agent's resignation or removal, as the case may be, shall nevertheless thereupon become effective, and the Lenders shall assume and perform all of the duties of such Agent hereunder until such time, if any, as the Borrower and the Required Lenders (or, if an Event of Default has occurred and is continuing under Section 7.1(a), the Required Lenders as set forth above) shall appoint a successor agent as provided for above; provided that in no event shall any successor Agent be a Defaulting Lender or a Disqualified Institution. After any retiring Agent's resignation or removal as Administrative Agent, the provisions of this Section 8 and of Section 9.3 shall continue to inure to its benefit.

8.10 Effect of Resignation or Removal. With effect from the Resignation Effective Date (i) the retiring Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Collateral Agent (or its agent or bailee for such purpose) on behalf of the Lenders under any of the Loan Documents, the retiring or removed Collateral Agent (or its agent or bailee for such purpose) shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed) and (ii) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Borrower (or, if an Event of Default has occurred and is continuing under Section 7.1(a), the Required Lenders as set forth above) shall appoint a successor agent as provided for above. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring or removed Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Agent as of the Resignation Effective Date), and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section). The fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Section 8 and Section 9.3 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them (i) while the retiring or removed Agent was acting as Agent and (ii) after such resignation or removal for as long as any of them continues to act in any capacity (other than in its capacity as a Lender) hereunder or under the other Loan Documents, including, without limitation, (A) acting as collateral agent or otherwise holding any collateral security on behalf of any of the Secured Parties and (B) in respect of any actions taken in connection with transferring the agency to any successor Agent.

8.11 Collateral and Guarantee Matters. Each of the Lenders hereby irrevocably authorizes the Administrative Agent and the Collateral Agent to, and the Administrative Agent and the Collateral hereby agree:

(a) to take such action and execute such documents as may be reasonably requested by any of the Loan Parties pursuant to Section 9.14 to release any Lien on any property granted to or held by the Collateral Agent under any Loan Document (i) upon the payment in full of the Obligations (other than Obligations in respect of Cash Management Obligations and contingent reimbursement and indemnification obligations) and termination of all Commitments, (ii) that is sold or otherwise disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted hereunder or under any other Loan Document, (iii) that is or becomes an Excluded Asset or (iv) if approved, authorized or ratified in writing by the Required Lenders in accordance with Section 9.2;

(b) to subordinate any Lien on any property granted to or held by the Collateral Agent on behalf of the Secured Parties under any Loan Document as set forth in the applicable Intercreditor Agreement; and

(c) to take such action and execute such documents as may be reasonably requested by any of the Loan Parties pursuant to Section 9.14 to release any Guarantor from its Guarantee Obligations and other obligations under the Loan Documents, and to release any Liens granted by it under the Loan Documents, if such Person ceases to be a Subsidiary or is or becomes an Excluded Subsidiary as a result of a transaction permitted under the Loan Documents.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's and the Collateral Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantee Obligations or Liens pursuant to this Section 8.11. In each case as specified in this Section 8.11, the Administrative Agent and the Collateral Agent will, at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Guarantor from its obligations under the Guarantee and Collateral Agreement or the Canadian Guarantee and Collateral Agreement and to release the Liens granted by such Guarantor under the Loan Documents, in each case in accordance with the terms of this Section 8.11.

Neither the Administrative Agent nor the Collateral Agent shall be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Administrative Agent or the Collateral Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral, any security interests of the Administrative Agent or the Collateral Agent therein or any filings, registrations, or recordings made with respect thereto. Neither the Collateral Agent nor the Administrative Agent shall have any obligation whatsoever to any Lender or any other person to investigate, confirm or assure that the Collateral exists or is owned by any Loan Party or is insured or has been encumbered, or that the liens and security interests granted to the Collateral Agent pursuant hereto or any of the Loan Documents or otherwise have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority.

8.12 Appointment of Borrower. Each of the Loan Parties hereby appoints the Borrower to act as its agent for all purposes of this Agreement, the other Loan Documents and all other documents and electronic platforms entered into in connection herewith and agrees that (a) the Borrower may execute such documents and provide such authorizations on behalf of such Loan Parties as the Borrower deems appropriate in its sole discretion and each Loan Party shall be obligated by all of the terms of any such document and/or authorization executed on its behalf, (b) any notice or communication delivered by the Administrative Agent or a Lender to the Borrower shall be deemed delivered to each Loan Party and (c) the Administrative Agent, or the Lenders may accept, and be permitted to rely on, any document, authorization, instrument or agreement executed by the Borrower on behalf of each of the Loan Parties.

8.13 Administrative Agent or Collateral Agent May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, including during the pendency of the Chapter 11 Cases, each of the Administrative Agent and Collateral Agent (irrespective of whether the principal of any Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether Administrative Agent or Collateral Agent shall have made any demand on the Loan Parties) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, Administrative Agent and Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of Lenders, Administrative Agent, Collateral Agent and their respective agents and counsel and all other amounts due Lenders, Administrative Agent and Collateral Agent hereunder) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to pay to Administrative Agent or Collateral Agent any amount due for the reasonable compensation, expenses, disbursements and advances of Administrative Agent, Collateral Agent and their respective agents and counsel, and any other amounts due Administrative Agent or Collateral Agent hereunder. To the extent that the payment of any such compensation, expenses, disbursements and advances of Administrative Agent, Collateral Agent and their respective agents and counsel, and any other amounts due Administrative Agent or Collateral Agent under this Agreement out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

8.14 Agent Duties. If any of the rights, responsibilities or duties of the Agents conflict with such Agents' rights, responsibilities or duties under the Prepetition ABL Agreement, this Agreement shall supersede the Prepetition ABL Agreement.

8.15 Arranger. Anything herein to the contrary notwithstanding, the Arranger shall have no duties or responsibilities hereunder in its capacity as such.

8.16 The Collateral Agent. The Collateral Agent shall be entitled to all rights, protections, immunities and indemnities granted to it in the Security Documents as if set forth herein.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communications pursuant to procedures approved by the

Administrative Agent; provided that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent, the Collateral Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

(c) Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

(d) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD-PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's, any Loan Party's or the Administrative Agent's transmission of Borrower Materials or notices through the Platform, any other electronic platform or electronic messaging service, or through the Internet, other than for direct or actual damages to the extent resulting from the gross negligence, bad faith or willful misconduct of such party or its Related Parties as determined by a final and non-appealable judgment of a court of competent jurisdiction.

(e) The Administrative Agent, the Collateral Agent and the Lenders shall be entitled to rely and act upon any notices (including, without limitation, telephonic or electronic notices) purportedly given by or on behalf of any Loan Party even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify the Administrative Agent, the Collateral Agent, each Lender and the Related Parties of each of them from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of a Loan Party in accordance with Section 9.3. All telephonic notices to and other telephonic communications with the Administrative Agent or the Collateral Agent may be recorded by the Administrative Agent or the Collateral Agent, as applicable, and each of the parties hereto hereby consents to such recording.

9.2 Waivers; Amendments. (a) No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or

any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by Parent or the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Collateral Agent or any Lender may have had notice or knowledge of such Default at the time.

(b) Neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and the Administrative Agent with the consent of the Required Lenders; provided that no such agreement shall (i) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly and adversely affected thereby (except in connection with the waiver of applicability of any post-default increase in interest rates (which waiver shall be effective with the consent of the Required Lenders)), (ii) postpone the scheduled date of payment of the principal amount of any Loan, or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment without the written consent of each Lender directly and adversely affected thereby (it being understood that a waiver of any condition precedent set forth in Section 4.1, Section 4.2 or the waiver of any Default, mandatory prepayment or mandatory reduction of Commitments shall not constitute a postponement of the scheduled date of expiration of any Commitment of any Lender), (iii) change Section 2.21(b) or (c) in a manner that would alter the pro rata sharing of payments required thereby or the “waterfall” contained therein without the written consent of each Lender directly and adversely affected thereby, (iv) change any of the provisions of this Section or the definition of “Required Lenders” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or grant any consent hereunder, or release all or substantially all of the Collateral or release Guarantors from their guarantee obligations under the Guarantee and Collateral Agreement and the Canadian Guarantee and Collateral Agreement representing all or substantially all of the value of such guarantees, taken as a whole, in each case, without the written consent of each Lender directly and adversely affected thereby, (v) increase the advance rates set forth in the definition of “Borrowing Base” without the consent of the Lenders holding at least 66  $\frac{2}{3}$ % of the aggregate amount of FILO Term Loans, (vi) change the definition of the “Borrowing Base” without the consent of the Lenders holding at least 66  $\frac{2}{3}$ % of the aggregate amount of FILO Term Loans, (vii) amend the Exit ABL Term Sheet or the conditions precedent to Exit Conversion set forth in Section 2.24, in each case without the consent of the Lenders holding at least 66  $\frac{2}{3}$ % of the aggregate amount of FILO Term Loans (provided that consent of each Lender directly and adversely affected thereby shall be required with respect to modifications of the terms of Exit FILO Loans that would require the consent of each directly and adversely affected Lender if such Exit FILO Loans were FILO Term Loans), (viii) permit the incurrence by any Loan Party of Indebtedness for borrowed money that is secured by (A) Liens on ABL Priority

Collateral that rank senior in priority to or *pari passu* with the Liens thereon in favor of the Lenders or (B) Liens on Term Priority Collateral that rank senior in priority to the Liens thereon in favor of the Lenders, in each case without the consent of the Lenders holding at least 66 ⅔% of the aggregate amount of FILO Term Loans, (ix) permit the Bankruptcy Court DIP Order to be amended or modified to change the priority, as between the Lenders and the Term Loan Lenders, of their respective claims or of the Liens on the ABL Priority Collateral or the Term Priority Collateral in a manner materially adverse to the Lenders without the consent of the Lenders holding at least 66 ⅔% of the aggregate amount of FILO Term Loans, or (x) permit the Bankruptcy Court DIP Order to be amended or modified in a manner materially adverse to the FILO Ad Hoc Group or the Lenders taken as a whole without the consent of the Lenders holding at least 66 ⅔% of the aggregate amount of FILO Term Loans; provided that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Agent in a manner adverse to the Administrative Agent or the Collateral Agent, respectively, without the prior written consent of the Administrative Agent or the Collateral Agent, as the case may be.

(c) Notwithstanding anything to the contrary contained in this Section 9.2, the Administrative Agent and the Borrower, in their discretion, may amend, modify or supplement any provision of this Agreement or any other Loan Document to (i) cure any ambiguity, omission, mistake, error, defect or inconsistency, so long as such amendment, modification or supplement does not directly and adversely affect the rights or obligations of any Lender, (ii) to permit additional affiliates of the Borrower to guarantee the Obligations and/or provide Collateral therefor and (iii) to add covenants and other terms for the benefit of the Lenders as provided herein. Subject to Section 1.5, such amendments shall become effective without any further action or consent of any other party to any Loan Document.

(d) Notwithstanding anything to the contrary contained in this Section 9.2 or any other Loan Document, guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment or waiver is delivered in order (i) to comply with local Requirements of Law or advice of local counsel, (ii) to cure ambiguities or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement or any other Loan Documents.

9.3 Expenses; Indemnity; Damage Waiver. (a) The Borrower shall pay (i) all reasonable and documented out-of-pocket expenses incurred by each Agent and its Affiliates, including the reasonable and documented out-of-pocket fees, charges and disbursements of the Ad Hoc Committee Advisors and of legal counsel for the Administrative Agent and the other Agents in connection with the preparation and administration of this Agreement or any amendments, modifications or waivers of the provisions hereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (ii) all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Collateral Agent, or all Lenders collectively, including the reasonable and documented out-of-pocket fees, charges and disbursements of the Ad Hoc Committee Advisors and of legal counsel for the Administrative Agent and the Collateral Agent, or all Lenders collectively, in connection with the enforcement

or protection of its rights in connection with this Agreement, including its rights under this Section, including all such reasonable and documented out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans; provided that the Borrower's obligations under this Section 9.3(a) for fees and expenses of legal counsel shall be limited to fees and expenses of (x) (I) one outside legal counsel for each Agent and its Affiliates, taken as a whole, and (II) one outside legal counsel for all Indemnitees described in clauses (i) and (ii) above, taken as a whole, (y) in the case of any conflict of interest, one outside legal counsel for such affected Indemnitee or group of Indemnitees and (z) if necessary, (I) one local or foreign legal counsel in each relevant jurisdiction for each Agent and its Affiliates, taken as a whole, and (II) one local or foreign legal counsel in each relevant jurisdiction for all other Indemnitees described in clauses (i) and (ii) above, taken as a whole.

(b) The Borrower shall indemnify the Administrative Agent, each other Agent, the Arranger, each Lender and the Required Lender Representative, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee"), against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related reasonable and documented out-of-pocket expenses (including the reasonable and documented out-of-pocket fees, charges and disbursements of (i) one outside legal counsel to the Administrative Agent and one outside legal counsel to the other Indemnitees taken as a whole, (ii) in the case of any conflict of interest, one outside legal counsel for the affected Lender or group of Lenders and (iii) if necessary, one local or foreign legal counsel in each relevant jurisdiction), which may at any time be imposed on, incurred by or asserted or awarded against any such Indemnitee arising out of, in connection with, or as a result of (w) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or any other transactions contemplated hereby, (x) any Loan or the use of the proceeds therefrom, (y) any actual or alleged presence or release of Hazardous Materials at, on or from any property owned or operated by the Borrower or any of its Subsidiaries, or any Environmental Liability of the Borrower or any of its Subsidiaries, or (z) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (1) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or material breach of its obligations under the Loan Documents or willful misconduct of such Indemnitee or its Primary Related Parties, (2) arise out of any claim, litigation, investigation or proceeding that does not involve an act or omission by the Borrower or any of its Affiliates and that is brought by an Indemnitee against any other Indemnitee (provided that in the event of such a claim, litigation, investigation or proceeding involving a claim or proceeding brought against the Arranger (in its capacity as such), the Administrative Agent (in its capacity as such) or the Collateral Agent (in its capacity as such) by other Indemnitees, the Arranger (in its capacity as such), the Administrative Agent (in its capacity as such) or the Collateral Agent (in its capacity as such) shall be entitled (subject to the other limitations and exceptions set forth above) to the benefit of the indemnities set forth above) or (3) are in respect of indemnification payments made pursuant to Section 8.7, to the extent the Borrower would not have been or was not required to make such indemnification payments directly pursuant to the provisions of this Section 9.3(b). This Section 9.3 shall not apply to Taxes, except any Taxes that represent losses,

claims, damages or liabilities arising from a non-Tax claim. As used herein, the “Primary Related Parties” of an Indemnitee are its Affiliates with direct involvement in the negotiation of the Facilities under this Agreement and such Indemnitee’s and Affiliates’ respective directors, officers and employees.

(c) To the extent permitted by applicable law, none of Parent, the Borrower nor any Indemnitee shall assert, and Parent, the Borrower and each Indemnitee hereby waives, any claim against Parent, the Borrower or any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any agreement or instrument contemplated hereby, any Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and, to the extent permitted by applicable law, Parent, the Borrower and each Indemnitee hereby waive, release and agree not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that nothing contained in this paragraph shall limit the obligations of the Borrower under Section 9.3(b) in respect of any such damages claimed against the Indemnitees by Persons other than Indemnitees.

(d) All amounts due under this Section shall be payable not later than thirty days after written demand therefor.

9.4 Successors and Assigns. (a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) subject to Section 6.4, the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld) of:

(A) the Borrower, provided that no consent of the Borrower shall be required for an assignment to a Lender, an Affiliate of a Lender or if an Event of Default has occurred and is continuing under Section 7.1(a), to any other Eligible Assignee; and provided, further, that the Borrower shall be deemed to have consented to any such assignment unless the Borrower shall have objected thereto by written notice to the Administrative Agent not later than the tenth

Business Day following the date the Borrower acknowledges its receipt of notice of the proposed assignment; and

(B) the Administrative Agent, provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a FILO Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an assignment of the entire remaining amount of the assigning Lender's Loans, the amount of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1,000,000 unless each of the Borrower and the Administrative Agent otherwise consent, provided that no such consent of the Borrower shall be required if an Event of Default under Section 7.1(a) has occurred and is continuing;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with (unless waived by the Administrative Agent in its sole discretion) a processing and recordation fee of \$3,500;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire in which the assignee designates one or more Credit Contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the Loan Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws;

(E) no such assignment shall be made to a natural person; and

(F) such assignment does not violate Section 9.4(g).

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(iv) of this Section, from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its

obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.18, 2.19, 2.20 and 9.3). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 9.4 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 9.4(b)(vi).

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and principal amount and stated interest of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and, if an Event of Default has occurred and is continuing, any Lender (but only with respect to the entries related to such Lender), at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section (unless waived by the Administrative Agent in its sole discretion) and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; provided that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to Section 2.21(d) or 8.7, the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register unless and until such payment shall have been made in full, together with all accrued interest thereon. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) Subject to compliance with Section 9.4(g), any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to

approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.2(b) that (1) requires the consent of each Lender or each directly and adversely affected Lender and (2) directly and adversely affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.18, 2.19 and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.8 as though it were a Lender, provided such Participant agrees to be subject to Section 2.21(c) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Loans, or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Loan or other obligation is in registered form under Section 5f.103-1(c) and Proposed Section 1.163-5(b) (and any amended or successor version) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. The portion of the Participant Register relating to any Participant requesting payment from the Borrower under the Loan Documents shall be made available to the Borrower upon request.

(vii) A Participant shall not be entitled to receive any greater payment under Section 2.18, 2.19 or 2.20 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless (A) the Borrower is notified of the participation sold to such Participant and the sale of the participation to such Participant is made with the Borrower's prior written consent or (B) such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. A Participant that would be a Foreign Lender if it were a Lender shall not be entitled to the benefits of Section 2.20 unless such Participant agrees, for the benefit of the Borrower, to comply (and actually complies) with Section 2.20(e) as though it were a Lender.

(c) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(d) [Reserved].

(e) [Reserved].

(f) [Reserved].

(g) No assignment or participation shall be made to any Person that is a Disqualified Institution to the extent the list thereof has been provided to any Lender requesting the same as of the date (the “Trade Date”) on which such Lender entered into a binding agreement to sell and assign or participate all or a portion of its rights and obligations under this Agreement to such Person (unless the Borrower has consented to such assignment in writing in its sole and absolute discretion, in which case such Person will not be considered a Disqualified Institution for the purpose of such assignment or participation). For the avoidance of doubt, with respect to any Assignee that becomes a Disqualified Institution after the applicable Trade Date, (x) such Assignee shall not retroactively be disqualified from becoming a Lender and (y) the execution by the Borrower of an Assignment and Acceptance with respect to such Assignee will not by itself result in such Assignee no longer being considered a Disqualified Institution. Any assignment in violation of this paragraph (g) shall not be void, but the other provisions of this paragraph (g) shall apply.

(h) If any assignment or participation is made to any Disqualified Institution without the Borrower’s prior written consent in violation of clause (g)(i) above, or if any Person becomes a Disqualified Institution after the applicable Trade Date, the Borrower may, at its sole expense and effort, upon notice to the applicable Disqualified Institution and the Administrative Agent, require such Disqualified Institution to assign, without recourse (in accordance with and subject to the restrictions contained in this Section 9.4), all of its interest, rights and obligations under this Agreement to one or more Assignees at the lower of (x) the principal amount thereof and (y) the amount that such Disqualified Institution paid to acquire such interests, rights and obligations.

(i) Notwithstanding anything to the contrary contained in this Agreement, (A) Disqualified Institutions will not (x) have the right to receive information, reports or other materials provided to Lenders by the Borrower, any other Loan Party, the Administrative Agent or any other Lender, (y) attend or participate in meetings attended by the Lenders and the Administrative Agent, or (z) access any electronic site established for the Lenders or confidential communications from counsel to or financial advisors of the Administrative Agent or the Lenders and (B) (x) for purposes of any consent to any amendment, waiver or modification of, or any action under, and for the purpose of any direction to the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) under this Agreement or any other Loan Document, each Disqualified Institution will be deemed to have consented in the same proportion as the Lenders that are not Disqualified Institutions consented to such matter, and (y) for purposes of voting on any plan of reorganization, each Disqualified Institution party hereto hereby agrees (1) not to vote on such plan of reorganization, (2) if such Disqualified Institution does vote on such plan of reorganization notwithstanding the restriction in the foregoing clause (1), such vote will be deemed not to be in good faith and shall be “designated” pursuant to Section 1126(e) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws), and such vote shall not be counted in determining whether the applicable class has

accepted or rejected such plan of reorganization in accordance with Section 1126(c) of the Bankruptcy Code (or any similar provision in any other Debtor Relief Laws) and (3) not to contest any request by any party for a determination by the Bankruptcy Court (or other applicable court of competent jurisdiction) effectuating the foregoing clause (2).

(j) The Administrative Agent shall have the right, and the Borrower hereby expressly authorizes the Administrative Agent, to provide the list of Disqualified Institutions to each Lender requesting the same and to post such list to the Platform. Each Lender shall have the right, and the Borrower hereby authorizes each Lender, to provide the list of Disqualified Institutions to any of such Lender's actual or prospective transferees (including any actual or prospective assignee or participant).

(k) The Administrative Agent, in its capacity as such, shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Institutions; provided that without limiting the generality of the foregoing, the Administrative Agent, in its capacity as such, shall not (a) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Institution or (b) have any liability with respect to or arising out of any assignment or participation of loans, or disclosure of confidential information in connection therewith, to any Disqualified Institution; it being agreed that the foregoing shall not relieve the Administrative Agent, to the extent constituting a Lender, from its obligations in respect of Disqualified Institutions in connection with assignments and participations, and disclosure of confidential information in connection therewith, by it.

9.5 Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement (excluding Obligations in respect of Cash Management Obligations and contingent reimbursement and indemnification obligations that are not then due and payable at the time all other Obligations hereunder are discharged) is outstanding and unpaid. The provisions of Sections 2.18, 2.19, 2.20 and 9.3 and Section 8 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans or the termination of this Agreement or any provision hereof.

#### 9.6 Counterparts; Integration; Electronic Signatures.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and

supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

(b) Delivery of an executed counterpart of a signature page of (x) this Agreement, (y) any other Loan Document and/or (z) any document, amendment, approval, consent, information, notice (including, for the avoidance of doubt, any notice delivered pursuant to Section 9.1), certificate, request, statement, disclosure or authorization related to this Agreement, any other Loan Document and/or the transactions contemplated hereby and/or thereby (each an “Ancillary Document”) that is an Electronic Signature transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement, such other Loan Document or such Ancillary Document, as applicable. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to this Agreement, any other Loan Document and/or any Ancillary Document shall be deemed to include Electronic Signatures, deliveries or the keeping of records in any electronic form (including deliveries by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be; provided that nothing herein shall require the Administrative Agent to accept Electronic Signatures in any form or format without its prior written consent and pursuant to procedures approved by it; provided, further, without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept any Electronic Signature, the Administrative Agent and each of the Lenders shall be entitled to rely on such Electronic Signature purportedly given by or on behalf of the Borrower or any other Loan Party without further verification thereof and without any obligation to review the appearance or form of any such Electronic Signature and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by a manually executed counterpart. Without limiting the generality of the foregoing, the Borrower and each Loan Party hereby (i) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders, the Borrower and the Loan Parties, Electronic Signatures transmitted by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page and/or any electronic images of this Agreement, any other Loan Document and/or any Ancillary Document shall have the same legal effect, validity and enforceability as any paper original, (ii) the Administrative Agent and each of the Lenders may, at its option, create one or more copies of this Agreement, any other Loan Document and/or any Ancillary Document in the form of an imaged electronic record in any format, which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document (and all such electronic records shall be considered an original for all purposes and shall have the same legal effect, validity and enforceability as a paper record), (iii) waives any argument, defense or right to contest the legal effect, validity or enforceability of this Agreement, any other Loan Document and/or any Ancillary Document based solely on the lack of paper original copies of this Agreement, such other Loan Document and/or such Ancillary Document, respectively, including with respect to any signature pages thereto and (iv) waives any claim against any Indemnitee for any losses, claims (including intraparty claims), demands, damages or liabilities of any kind arising solely from the Administrative Agent’s and/or any Lender’s reliance on or use of Electronic Signatures and/or

transmissions by telecopy, emailed pdf. or any other electronic means that reproduces an image of an actual executed signature page, including any losses, claims (including intraparty claims), demands, damages or liabilities of any kind arising as a result of the failure of the Borrower and/or any Loan Party to use any available security measures in connection with the execution, delivery or transmission of any Electronic Signature.

9.7 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

9.8 Right of Setoff. Subject to the terms of the Bankruptcy Court DIP Order, the Canadian Court DIP Recognition Order and the Carve Out, if an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time with the prior written consent of the Administrative Agent, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) (excluding payroll, tax withholding and trust accounts maintained in the ordinary course of business) at any time held and other obligations at any time owing by such Lender to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmaturing. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have but subject to the terms of the Bankruptcy Court DIP Order, the Canadian Court DIP Recognition Order and the Carve Out. Each Lender shall notify the Administrative Agent and the Borrower promptly after any such setoff.

9.9 Governing Law; Jurisdiction; Consent to Service of Process. (a) EXCEPT TO THE EXTENT SUPERSEDED BY THE BANKRUPTCY CODE, THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING WITH RESPECT TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT SHALL BE BROUGHT IN THE BANKRUPTCY COURT, AND, BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY HEREBY IRREVOCABLY ACCEPTS IN RESPECT OF ITS PROPERTY, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE BANKRUPTCY COURT. EACH LOAN PARTY HEREBY IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OUT OF THE BANKRUPTCY COURT AND IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO THE BORROWER AT ITS ADDRESS FOR NOTICES AS SET FORTH HEREIN. THE LOAN PARTIES AGREE THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT AND THE LENDERS

9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

(a) Each of the Administrative Agent, the Arranger and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (i) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent requested by any regulatory authority claiming jurisdiction over it, (iii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process (provided that the applicable Agent or such Lender, as applicable, shall notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority claiming jurisdiction over it) unless such notification is prohibited by applicable law, rule or regulation), (iv) to any other party to this Agreement, (v) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, (vi) to any bona fide or potential assignee, transferee or participant in connection with the contemplated assignment, transfer or participation of any Loans or any participations therein or by any direct or indirect contractual counterparties (or the professional advisors thereto) to any swap or derivative transaction relating to the Borrower and its obligations (provided, such assignees, transferees, participants, counterparties and advisors are advised of and agree to be bound by either the provisions of this Section 9.12 or other provisions at least as restrictive as this Section 9.12), (vii) with the prior written consent of the Borrower or (viii) to the extent such Information (A) becomes publicly available other than as a result of a breach of this Section 9.12 or (B) becomes available other than as a result of a breach of this Section 9.12 to the Administrative Agent, the Arranger or any Lender on a nonconfidential basis from a source other than the Borrower or any of its Affiliates. For the purposes of this Section, "Information" means all information received from Parent, the Borrower or any of their Affiliates relating to Parent or the Borrower or any of its Subsidiaries or businesses, other than any such information that is available other than as a result of a breach of this Section 9.12 to the Administrative Agent, the Arranger or any Lender on a nonconfidential basis prior to disclosure by the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information which shall in no event be less than commercially reasonable care. To the extent the list of Disqualified Institutions has been provided to any Lender requesting the same, Information shall not be disclosed to a Disqualified Institution that constitutes a Disqualified Institution at the time of such disclosure without the Borrower's prior written consent.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

**(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS AND WARRANTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.**

9.13 USA PATRIOT Act. Each Lender that is subject to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the “Act”) and the Administrative Agent and the Collateral Agent (in each case for themselves and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the Act, it may be required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender or such Agent, as applicable, to identify the Borrower in accordance with the Act.

9.14 Release of Liens and Guarantees. (a) In the event that any Loan Party conveys, sells, leases, assigns, transfers or otherwise Disposes of all or any portion of any of the Capital Stock or assets of any Loan Party to a Person that is not (and is not required hereunder to become) a Loan Party in a transaction permitted under this Agreement, the Liens created by the Loan Documents in respect of such Capital Stock or assets shall automatically terminate and be released without the requirement for any further action by any Person, and the Administrative Agent and the Collateral Agent shall promptly (and the Lenders hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Parent or the Borrower and at the Borrower’s expense to further document and evidence such termination and release of Liens created by any Loan Document in respect of such Capital Stock or assets, and, in the case of a transaction permitted under this Agreement the result of which is that a Loan Party would cease to be a Subsidiary or would become an Excluded Subsidiary, the Guarantee Obligations created by the Loan Documents in respect of such Loan Party (and all security interests granted by such Guarantor under the Loan Documents) shall automatically terminate and be released without the requirement for any further action by any Person, and the Administrative Agent and the Collateral Agent shall promptly (and the Lenders hereby authorize the Administrative Agent and the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Parent or the Borrower and at the Borrower’s expense to further document and evidence such termination and release of such security interests and such Loan Party’s Guarantee Obligations in respect of the Obligations (including, without limitation, its Guarantee Obligations under the Guarantee and Collateral Agreement or the Canadian Guarantee and Collateral Agreement). Any representation, warranty or covenant contained in any Loan Document relating to any such Capital Stock, asset or subsidiary of any Loan Party shall no longer be deemed to be made with respect thereto once such Capital Stock or asset or Subsidiary is so conveyed, sold, leased, assigned, transferred or disposed of.

(b) Upon the payment in full of the Obligations (excluding Obligations in respect of Cash Management Obligations and contingent reimbursement and indemnification obligations that are not then due and payable), all Liens created by the Loan Documents shall automatically terminate and be released without the requirement for any further action by any Person, and the Collateral Agent shall promptly (and the Lenders hereby authorize the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Parent or the Borrower and at the Borrower's expense to further document and evidence such termination and release of Liens created by the Loan Documents, and the Guarantee Obligations created by the Loan Documents in respect of the Guarantors shall automatically terminate and be released without the requirement for any further action by any Person, and the Collateral Agent shall promptly (and the Lenders hereby authorize the Collateral Agent to) take such action and execute any such documents as may be reasonably requested by Parent or the Borrower and at the Borrower's expense to further document and evidence such termination and release of the Guarantors' Guarantee Obligations in respect of the Obligations (including, without limitation, the Guarantee Obligations under the Guarantee and Collateral Agreement or the Canadian Guarantee and Collateral Agreement).

9.15 Enforcement Matters. Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against Parent, the Borrower, any of its Restricted Subsidiaries or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 7.1 for the benefit of the Required Lenders; provided that the foregoing shall not prohibit (a) the Administrative Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Administrative Agent) hereunder and under the other Loan Documents, (b) any Lender from exercising setoff rights in accordance with Section 9.8 (subject to the terms of Section 2.21(c)), or (c) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and provided, further, that if at any time there is no Person acting as Administrative Agent hereunder and under the other Loan Documents, then the Required Lenders (and no other Person) shall have the rights otherwise ascribed to the Administrative Agent at the instruction of the Required Lenders pursuant to Section 7.1.

9.16 No Fiduciary Duty. Each Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "Lender Parties") may have economic interests that conflict with those of the Loan Parties, their stockholders and/or their affiliates. Each Loan Party agrees that nothing in the Loan Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender Parties, on the one hand, and such Loan Party, its stockholders or its affiliates, on the other. The Loan Parties acknowledge and agree that (i) the transactions contemplated by the Loan Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lender Parties, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender Parties have assumed any advisory, agent (other than to the extent set forth in Section 9.4(b)(iv)) or fiduciary responsibility in favor of any Loan Party, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with

respect thereto) or the process leading thereto (irrespective of whether any Lender Parties have advised, are currently advising or will advise any Loan Party, its stockholders or its Affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Loan Documents, (y) the Administrative Agent, the Collateral Agent, their respective Affiliates and the Lenders may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, the other Loan Parties and their respective Affiliates, and neither the Administrative Agent, the Collateral Agent, any of their respective Affiliates nor any Lender has any obligation to disclose any of such interests to the Borrower, any other Loan Party or any of their respective Affiliates and (z) the Lender Parties are acting solely as principals and not as the agents or fiduciaries of any Loan Party, its management, stockholders, creditors or any other Person. Each Loan Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate, that it is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Loan Party agrees that it will not claim that the Lender Parties have rendered advisory services of any nature or respect, or owe a fiduciary or similar duty to such Loan Party, in connection with such transaction or the process leading thereto. To the fullest extent permitted by law, each of the Borrower and each other Loan Party hereby waives and releases any claims that it may have against the Administrative Agent, the Collateral Agent, any of their respective Affiliates or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transactions contemplated hereby.

9.17 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or any Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

9.18 Security Documents and Intercreditor Agreements. The parties hereto acknowledge and agree that any provision of any Loan Document to the contrary notwithstanding, prior to the discharge in full of all “Obligations” (as defined in the Term Loan DIP Credit Agreement and in the Prepetition Term Loan Agreement), the Loan Parties shall not be required to act or refrain from acting under any Security Document with respect to the Term Loan Priority Collateral in any manner that would result in a “Default” or “Event of Default” (as defined in the Term Loan DIP Credit Agreement and the Prepetition Term Loan Agreement) under the terms and provisions of the “Loan Documents” (as defined in the Term Loan DIP Credit Agreement and the Prepetition Term Loan Agreement). Additionally, each Lender hereunder:

(a) consents to the subordination of Liens provided for in the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order; and

(b) agrees that it will be bound by and will take no actions contrary to the provisions of the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order.

The foregoing provisions are intended as an inducement to the lenders under the Term Loan DIP Credit Agreement to enter into the Term Loan DIP Credit Agreement and such lenders are intended third party beneficiaries of such provisions.

9.19 Canadian Anti-Money Laundering Legislation. (a) Each Loan Party acknowledges that, pursuant to Canadian Anti-Money Laundering Legislation and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws (collectively, including any guidelines or orders thereunder, “AML Legislation”), the Lenders may be required to obtain, verify and record information regarding the Loan Parties and their respective directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Loan Parties, and the transactions contemplated hereby. Each Loan Party shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or any prospective assignee or participant of a Lender or any Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(b) If the Administrative Agent has ascertained the identity of any Loan Party or any authorized signatories of the Loan Parties for the purposes of applicable AML Legislation, then the Administrative Agent:

(i) shall be deemed to have done so as an agent for each Lender, and this Agreement shall constitute a “written agreement” in such regard between each Lender and the Administrative Agent within the meaning of the applicable AML Legislation; and

(ii) shall provide to each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Lenders agrees that neither the Administrative Agent nor any other Agent has any obligation to ascertain the identity of the Loan Parties or any authorized signatories of the Loan Parties on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from any Loan Party or any such authorized signatory in doing so.

9.20 Judgment Currency. If for the purpose of obtaining judgment in any court it is necessary to convert an amount due hereunder in the currency in which it is due (the “Original Currency”) into another currency (the “Second Currency”), the rate of exchange applied shall be that at which, in accordance with normal banking procedures, the Administrative Agent could purchase, in the New York foreign exchange market, the Original Currency with the Second Currency on the date two (2) Business Days preceding that on which judgment is given. The Borrower agrees that its obligation in respect of any Original Currency due from it hereunder shall, notwithstanding any judgment or payment in such other currency, be discharged

only to the extent that, on the Business Day following the date the Administrative Agent receives payment of any sum so adjudged to be due hereunder in the Second Currency, the Administrative Agent may, in accordance with normal banking procedures, purchase, in the New York foreign exchange market, the Original Currency with the amount of the Second Currency so paid; and if the amount of the Original Currency so purchased or could have been so purchased is less than the amount originally due in the Original Currency, the Borrower agrees as a separate obligation and notwithstanding any such payment or judgment to indemnify the Administrative Agent against such loss; and if the amount of the Original Currency so purchased or could have been so purchased is greater than the amount originally due in the Original Currency, the Administrative Agent agrees to remit such excess amount to the Borrower. The term “rate of exchange” in this Section 9.19 means the spot rate at which the Administrative Agent, in accordance with normal practices, is able on the relevant date to purchase the Original Currency with the Second Currency, and includes any premium and costs of exchange payable in connection with such purchase.

9.21 Electronic Execution. The words “delivery,” “execute,” “execution,” “signed,” “signature,” and words of like import in any Loan Document or any other document executed in connection herewith shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided further, without limiting the foregoing, upon the request of the Administrative Agent, any electronic signature shall be promptly followed by such manually executed counterpart.

9.22 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(b) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(c) the effects of any Bail-in Action on any such liability, including (without limitation), if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

9.23 Conflicts. If any provision in this Agreement or any other Loan Document expressly conflicts with any provision in the Interim DIP Order or Final DIP Order, the provisions in the Bankruptcy Court DIP Order shall govern and control.

9.24 Revolver Termination. The parties hereto acknowledge and agree that the Revolver Termination has been consummated notwithstanding that the Borrower provided fewer than the three Business Days' notice specified for termination of commitments and prepayment of loans in Sections 2.11 and 2.13 of the Prepetition ABL Agreement.

9.25 Amendment and Restatement. This Agreement constitutes an amendment to and restatement of the Prepetition ABL Agreement. The parties hereto hereby agree to the terms of this Agreement and in furtherance thereof, further agree that, on the Closing Date, this Agreement shall be amended and restated as set forth herein. The FILO Term Loan Lenders (as defined in the Prepetition ABL Agreement) holding at least 66 ⅔% of the FILO Term Loans (as defined in the Prepetition ABL Agreement) hereby authorize and instruct the Administrative Agent and the Collateral Agent to execute and deliver the other Loan Documents contemplated to be executed and delivered on the date hereof, and shall be deemed to have consented to, approved or accepted or to be satisfied with each such Loan Document or other matter required thereunder to be consented to, approved or accepted or satisfactory to the FILO Term Loan Lenders (as defined in the Prepetition ABL Agreement) holding at least 66 ⅔% of the FILO Term Loans (as defined in the Prepetition ABL Agreement).

9.26 Termination of Certain Provisions of that certain Second Amendment, dated as of May 15, 2020, and that certain Third Amendment, dated as of June 12, 2020. Section 2 and Section 3 of that certain Second Amendment, dated as of May 15, 2020, and Section 2 of that certain Third Amendment, dated as of June 12, 2020, in each case to the Prepetition ABL Agreement are hereby deleted and of no further force or effect.

9.27 Operating Account. The parties hereto acknowledge and agree that the Operating Account does not constitute (a) ABL Priority Collateral or (b) Collateral for the Obligations.

## SECTION 10. SECURITY AND PRIORITY

### 10.1 Collateral; Grant of Lien and Security Interest.

(a) Pursuant to, and otherwise subject to the terms of, the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order and in accordance with the terms thereof and subject to the Carve Out, as security for the full and timely payment and performance

of all of the Obligations, the Loan Parties hereby pledge and grant to the Collateral Agent (for the benefit of the Secured Parties), a security interest in and to, and a Lien on, all of the Collateral.

(b) Notwithstanding anything herein to the contrary (i) all proceeds received by the Collateral Agent and the Lenders from the Collateral subject to the Liens granted in this Section 10.1 and in each other Loan Document and by the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order shall be subject in all respects to the Carve Out and (ii) no Person entitled to amounts in respect of the Carve Out shall be entitled to sell or otherwise dispose, or seek or object to the sale or other disposition, of any Collateral.

#### 10.2 Priority and Liens Applicable to Loan Parties.

(a) Upon entry of the Interim DIP Order or Final DIP Order and subject to the terms thereof, as the case may be, the Obligations, Liens and security interests in favor of the Secured Parties shall, subject in all respects to the Carve Out, at all times, pursuant to the Bankruptcy Code, be secured by a perfected Lien on and security interest in all of the Collateral of the Loan Parties.

(b) The relative priorities of the Liens with respect to the Collateral shall be as set forth in the Interim DIP Order (and, when entered, the Final DIP Order).

(c) Each Loan Party hereby confirms and acknowledges that, pursuant to the Interim DIP Order (and, when entered, the Final DIP Order), the Liens in favor of the Collateral Agent on behalf of and for the benefit of the Secured Parties in all of the Collateral shall be created and perfected, to the maximum extent permitted by law, without the execution or the recordation or filing in any land records or filing offices of, any mortgage, assignment, security agreements, mortgages, control agreements, pledge agreements, financing statements or other similar documents, or the possession or control by the Collateral Agent of, or over, any Collateral, as set forth in the Interim DIP Order (and, when entered, the Final DIP Order).

10.3 Grants, Rights and Remedies. The Liens and security interests granted pursuant to Section 10.1 hereof and the administrative claim priority and lien priority granted pursuant to Section 10.2 hereof may be independently granted in the Loan Documents. This Agreement, the Bankruptcy Court DIP Order and such other Loan Documents supplement each other, and the grants, priorities, rights and remedies of the Agents and the Lenders hereunder and thereunder are cumulative; provided that to the extent of conflict the Bankruptcy Court DIP Order controls.

10.4 No Filings Required. The Liens and security interests referred to herein shall be deemed valid and perfected by entry of the Interim DIP Order or the Final DIP Order, as the case may be, and entry of the Interim DIP Order shall have occurred on or before the date of the initial Borrowing hereunder. The Collateral Agent shall not be required to file any financing statements, mortgages, notices of Lien or similar instruments in any jurisdiction or filing office, take possession or control of any Collateral, or take any other action in order to validate or perfect the Lien and security interest granted by or pursuant to this Agreement, the Interim DIP Order or the Final DIP Order, as the case may be, or any other Loan Document.

10.5 Survival. Except as set forth in the Bankruptcy Court DIP Order and the Canadian Court DIP Recognition Order, the Liens, lien priority, administrative priorities and other rights and remedies granted to the Collateral Agent and the Lenders pursuant to this Agreement, the Bankruptcy Court DIP Orders and the other Loan Documents (specifically including, but not limited to, the existence, perfection and priority of the Liens and security interests provided herein and therein, and the administrative priority provided herein and therein) shall not be modified, altered or impaired in any manner by any other financing or extension of credit or incurrence of Indebtedness by the Borrower (pursuant to Section 364 of the Bankruptcy Code or otherwise), or by any dismissal or conversion of any of the Chapter 11 Cases, or by any other act or omission whatsoever.

**Exhibit J<sup>1</sup>**

**NEW REVOLVER BASKET AND EXIT FILO FACILITY TERM SHEET**

Set forth below is a summary of the principal terms and conditions for the New Revolver Facility and the Exit FILO Facility (each as defined below). Unless otherwise noted below, capitalized terms used but not defined in this Exhibit J shall have the meanings set forth in the Restructuring Support Agreement or the Debtor-in-Possession ABL Credit Agreement (the “DIP ABL FILO Credit Agreement”), to which this Exhibit J is attached.

**Summary of Principal Terms and Conditions**

**Borrower:** Either (i) a new entity as contemplated by the Restructuring Support Agreement or (ii) reorganized General Nutrition Centers, Inc., a Delaware corporation, formerly a debtor and debtor-in-possession in the Chapter 11 Cases (the “Company” or the “Borrower”); *provided* that the Borrower shall be the same as the borrower under Exit Term Loan Facility (as defined in the Restructuring Support Agreement).

**Guarantors:** Either (i) new entities as contemplated by the Restructuring Support Agreement or (ii) each of the entities listed on Exhibit A-1 hereof (collectively, the “Guarantors” and, together with the Borrower, the “Loan Parties”); *provided* that the Guarantors shall be the same as the guarantors under the Exit Term Loan Facility. All obligations of the Borrower under the Exit FILO Facility will be unconditionally guaranteed on a joint and several basis by the Guarantors. [In addition, [TaxFilerCo] shall provide a limited guarantee and security agreement pledging Tax Refunds (as defined below) to the Agent for the benefit of the Secured Parties, or alternatively, shall enter into an exit tax sharing agreement.]

For the avoidance of doubt, each of the affiliates of the Borrower listed on Exhibit A-2 hereof will not be a Guarantor.

**New Revolver Facility Basket:** A secured revolving credit facility on a “first-out” basis (the “New Revolver Facility”) of new money revolving loans and letter of credit obligations (collectively, the “New Revolver Loans”, and the lenders thereof, the “New Revolver Lenders”). Such facility will be on market terms, will have the same lien priority on the Collateral (as defined below) as the Exit FILO Facility (as defined below) and will be paid prior to the Exit FILO Facility in the payment waterfall.

For the avoidance of doubt, the consummation of the New Revolver Facility shall not be a condition precedent to the effectiveness and consummation of the Plan (as defined below), the Exit FILO Facility or the Exit Term Loan Facility. The New Revolver Facility shall operate as a basket for future debt of the Company, it being understood that the Borrower shall be permitted, whether at the Exit Date or thereafter, to add the New Revolver Facility if, after giving effect thereto, (a) the New Revolver Facility availability (not

the commitments therefor) does not exceed the remainder of (x) the Borrowing Base (without giving effect to the Availability Cushion (as defined below)) less (y) the aggregate principal amount of Exit FILO Loans then outstanding and (b) as a condition to drawing on such New Revolver Facility, the Borrower shall be in compliance with the Borrowing Base (without giving effect to the Availability Cushion) after giving effect to such borrowing.

**Exit FILO Facility:** A \$275 million secured term loan credit facility (the “Exit FILO Facility”) comprised of FILO Term Loans (as defined in the DIP ABL FILO Credit Agreement) (the “DIP FILO Loans”) converted on a dollar-for-dollar basis on the Exit Date (as defined below) (the “Exit FILO Loans”, and the lenders thereof, the “Exit FILO Lenders”). The Exit FILO Loans will be incurred on a “last out” basis with payment priority behind the New Revolver Facility (at any time that a New Revolver Facility is in effect). For the avoidance of doubt, the Exit FILO Loans shall include all unpaid amounts due and payable (including interest and fees) in respect of the DIP FILO Loans (the “DIP FILO Unpaid Amounts”).

The “Plan” means the Chapter 11 Plan of Reorganization and the related disclosure statement of the Debtors to be filed with the Bankruptcy Court, in form and substance reasonably satisfactory to the Required FILO Lenders (as defined below). The reorganization contemplated by the Plan is referred to herein as the “Reorganization.”

**Conversion of Claims and Use of Proceeds:** On the Exit Date, the DIP FILO Loans and the DIP FILO Unpaid Amounts will be converted dollar-for-dollar into Exit FILO Loans.

**Exit Date:** The date (the “Exit Date”) on which the Exit FILO Loans are issued under the Exit FILO Facility and all Closing Conditions (as defined below) have been satisfied or waived by lenders holding more than 66 2/3% of the loans under the Exit FILO Facility (the “Required FILO Lenders”).

**Maturity:** With respect to the Exit FILO Loans, the date that is four (4) years after the Exit Date.

**Collateral:** The New Revolver Facility and the Exit FILO Facility will both be secured by a perfected lien on, with the priority described below under the caption “Priority,” substantially all of the Loan Parties’ tangible and intangible assets (collectively, the “Collateral”), including owned and ground leased real property, tax refunds, the equity interests of the Guarantors and other majority owned subsidiaries (subject to customary exclusions) and all deposit and security accounts (which shall be subject to control agreements to the extent set forth in the Pre-Existing FILO Facility Documentation (as defined below)), with materiality thresholds and exceptions to be agreed.

**Priority:** The New Revolver Facility and the Exit FILO Facility will both have (i) a first priority lien on ABL Priority Collateral, subject to certain customary baskets and exceptions to be agreed (“Permitted Liens”), and (ii) a second priority lien on Term Priority Collateral, subject to Permitted Liens, which ABL Priority Collateral and Term Priority Collateral shall be as defined in and subject to ranking and intercreditor arrangements substantially

consistent with the Prepetition Intercreditor Agreement or otherwise reasonably satisfactory to the Required FILO Lenders, subject to any agreed post-closing perfection requirements and subject to thresholds, exceptions and exclusions substantially identical to the Pre-Existing FILO Facility Documentation.

The Exit Term Loan Facility will have (i) a first priority lien on Term Priority Collateral, subject to Permitted Liens, and (ii) a second priority lien on ABL Priority Collateral, subject to Permitted Liens.

**Exit FILO Facility Documentation:**

The loan documents governing the Exit FILO Facility shall contain terms substantially similar to the terms of that certain ABL Credit Agreement dated as of February 28, 2018, (as amended by that certain First Amendment dated as of March 20, 2018 and as in effect on such date) among GNC Corporation, a Delaware corporation, as parent, General Nutrition Centers, Inc., a Delaware corporation, as borrower, each other borrower from time to time party thereto, the several banks and other financial institutions or entities from time to time parties thereto and JPMorgan Chase Bank, N.A., as administrative agent and collateral agent (the “Pre-Existing FILO Facility Documentation”), with modifications to reflect this term sheet and other adjustments reasonably satisfactory to the Borrower and the Required FILO Lenders (such loan documents, the “Exit FILO Facility Documentation”).

**Conditions to Closing:**

Limited to the following (collectively, the “Closing Conditions”):

- A. The negotiation, execution and delivery of the Exit FILO Facility Documentation by the Loan Parties.
- B. The following documents shall be reasonably satisfactory to the Borrower and the Required FILO Lenders:
  - the Plan;
  - the terms of the Exit Term Loan Facility, which terms shall be deemed reasonably satisfactory to the Required FILO Lenders if substantially consistent with the Exit Term Loan Facility Term Sheet in the form attached hereto as Exhibit B; and
  - the confirmation order with respect to the Plan, and corresponding recognition order of the Canadian Court.
- C. To the extent that the Borrower or any Guarantor is a new entity formed as contemplated by the Restructuring Support Agreement, all assets that are to be owned by such new entity under the Plan shall have been transferred to such new entity pursuant to documentation in form and substance reasonably acceptable to the Agent.
- D. Substantial consummation (as defined in Section 1101 of the Bankruptcy Code) of the Plan (all conditions precedent set forth therein having been satisfied or waived in accordance with the terms thereof).
- E. Immediately after the Exit Date, the Loan Parties shall have outstanding no indebtedness for borrowed money other than indebtedness outstanding under the New Revolver Facility (if any), the

Exit FILO Facility, the Exit Term Loan Facility and indebtedness contemplated by the Plan.

- F. Accuracy in all material respects (or, in the case of representations and warranties that are qualified by materiality, in all respects) on the Exit Date (except to the extent such representations and warranties expressly relate to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date) of representations and warranties contained in the Exit FILO Facility Documentation which shall be no more burdensome to the Company than those set forth in the Pre-Existing FILO Facility Documentation and absence of an Event of Default under the Exit FILO Facility Documentation.
- G. Compliance with customary documentation conditions for a facility of this size, type, and purpose, including the delivery of customary legal opinions and closing certificates (including a customary solvency certificate in substantially the form provided under the Pre-Existing FILO Facility Documentation), good standing certificates and certified organizational documents, in each case, in form and substance reasonably satisfactory to the Required FILO Lenders.
- H. The Agent shall have a perfected lien on the Collateral of the Loan Parties, subject to Permitted Liens and any post-closing perfection requirements, with the priority set forth under the heading “Priority” hereunder; *provided* that security interests will not be required to be perfected on the Exit Date other than by (A) filings of UCC and PPSA financing statements in the office of the secretary of state or provincial ministry (or similar central filing office) of the Loan Parties, and (B) delivery to the Agent, for the benefit of the secured parties, of promissory notes representing material intercompany indebtedness for borrowed money and equity certificates (other than equity issued by GNC Holdings, Inc.) representing equity issued by Loan Parties, in each case, together with customary transfer powers executed in blank.

- K. All requisite governmental and material third party approvals shall have been obtained, and there shall be no litigation, governmental, administrative or judicial action against the Loan Parties, in each case, the failure to obtain or existence of which would reasonably be expected to restrain, prevent or impose materially burdensome restrictions on the substantial consummation of the Plan or the Exit FILO Facility.
- L. Delivery of all documentation and other information required by bank regulatory authorities under applicable “know-your-customer”, anti-money laundering rules and regulations, and the Patriot Act that has

been reasonably requested by the Exit FILO Lenders at least ten (10) business days prior to the closing date of the Exit FILO Facility.

- M. Payment by the Borrower on the Exit Date of all reasonable and documented out-of-pocket costs, fees and expenses owed or otherwise required to be paid pursuant to the Exit FILO Facility to the Agent and Lenders (including reasonable and documented fees and expenses of counsel and one financial advisor (which shall be Alix Partners for the FILO Ad Hoc Group); *provided*, that legal fees shall be limited to the reasonable and documented fees and disbursements of one counsel for the Agent and one U.S. counsel for the FILO Ad Hoc Group (which shall be Paul, Weiss, Rifkind, Wharton & Garrison LLP) and, in addition, local counsel for each in each appropriate jurisdiction), including reasonable and documented out-of-pocket costs and expenses of (a) the Agent administering the Exit FILO Facility and (b) preparing all documents relating to the Exit FILO Facility.

**Interest Rate:**

With respect to the Exit FILO Loans, (i) initially, LIBOR + 9.00% *per annum* paid in cash and (ii) upon elimination of the Availability Cushion, LIBOR + 7.00% *per annum* paid in cash.

LIBOR will be subject to a 1.00% “floor”.

During the continuance of a payment or bankruptcy Event of Default, past due amounts under the Exit FILO Facility will bear interest at an additional 2.00% *per annum* above the interest rate otherwise applicable.

The Borrower shall also have the right to elect that the Exit FILO Loans bear interest at a rate determined by reference to an “alternate base rate”, and the interest rate margin with respect to Exit FILO Loans bearing interest at the alternate base rate shall be reduced by 1.00% *per annum*.

**Borrowing Base:**

On the Exit Date, to be substantially identical (including with respect to advance rates, reserves and cash dominion) to the DIP ABL FILO Credit Agreement, including the component of the Borrowing Base thereunder consisting of an amount equal to \$17.5 million (the “Availability Cushion”), which Availability Cushion shall be eliminated beginning July 1, 2021. The Borrower may, at its option elect to reduce the Availability Cushion, in whole or in part and on one or more occasions, earlier than set forth in the preceding sentence (the date that the Availability Cushion is reduced to zero is referred to herein as the “Availability Cushion Termination Date”). The Exit FILO Facility shall not include “cash dominion” provisions. Any “reserves” shall (i) prior to the occurrence of the Availability Cushion Termination Date, be calculated as set forth in the DIP ABL FILO Credit Agreement, and (ii) on and after the occurrence of the Availability Cushion Termination Date, be calculated as set forth in the Pre-Existing FILO Facility Documentation.

**Financial Covenant:** None.

**Agency Fees:** As agreed with the Agent.

**Scheduled Amortization:** None.

**Call Protection:** None.

**Lender Voting:** To be substantially identical to the Pre-Existing FILO Facility Documentation, with such modifications as may be reasonably agreed by the Required FILO Lenders and the Company. For the avoidance of doubt, modifications with respect to customary sacred rights provisions shall require consent of each affected lender and modifications with respect to the Borrowing Base (including advance rates and components thereof) shall require supermajority lenders consent.

**Covenants:** To be substantially identical to the Pre-Existing FILO Facility Documentation (including, without limitation, a covenant to use commercially reasonable efforts to obtain a public rating for the Exit FILO Facility (but no requirement to obtain or maintain a specific rating)), except that baskets based on “payment conditions” or “distribution conditions” will be replaced by the baskets that were included in the Prepetition Term Loan Documents (but were not included in the Pre-Existing FILO Facility Documentation), with such modifications as may be reasonably agreed by the Required FILO Lenders and the Company.

**Events of Default:** To be substantially identical to the Pre-Existing FILO Facility Documentation (collectively, the “Events of Default”).

**Mandatory Prepayments:** Mandatory prepayments of the borrowings under the Exit FILO Facility shall be made at par, without premium or penalty, subject to certain provisions, including rights with respect to Term Priority Collateral, substantially similar to those under the Pre-Existing FILO Facility Documentation and others to be agreed, modified as appropriate to reflect the proposed exit facility, including, subject to the following paragraph, with respect to receipt of tax refunds by the Loan Parties (the “Tax Refunds”) at the end of the fiscal quarter in which such proceeds are received; *provided* that (1) the amount of such Tax Refunds prepayment at such quarter end shall be limited to the lesser of (x) the amount of net cash proceeds so received and (y) the amount that would not cause Liquidity (as defined below) (after giving effect to such prepayment and any prepayment of the Exit Term Loan Facility) to be less than \$75 million (the difference between clauses (x) and (y), the “Holdback Amount”; and the difference between clause (x) and the Holdback Amount, the “Refund Prepayment”) and (2) if there is a Holdback Amount, then at the end of each subsequent fiscal quarter a mandatory prepayment shall be made in an amount equal to the lesser of (i) the Holdback Amount less any portion of the Holdback Amount so applied pursuant to this clause (2) in prior fiscal quarters and (ii) the amount that would not cause Liquidity (after giving effect to such prepayment and any prepayment of the Exit Term Loan Facility) to be less than \$75 million (any such prepayment pursuant to this clause (2), a

“Holdback Prepayment”; and Holdback Prepayments and Refund Prepayments are collectively referred to herein as “Tax Prepayments”).

Any mandatory prepayment relating to Tax Prepayments shall be applied as follows: a percentage to be agreed to prepay loans under the Exit Term Loan Facility; and a percentage to be agreed to prepay the Exit FILO Loans (but not the New Revolver Loans) (with such percentages to be agreed among the Borrower, the Required FILO Lenders and the “Required Exit Lenders” (as defined the Exit Term Loan Facility Term Sheet)).

Mandatory prepayments and the application of such proceeds at all times will be subject to the intercreditor arrangements consistent with the Prepetition Intercreditor Agreement, the Pre-Existing FILO Facility Documentation, and the Prepetition Term Loan Documents, or otherwise reasonably satisfactory to the Borrower, the Required FILO Lenders and the “required lenders” under the Exit Term Loan Facility.

For purposes hereof, “Liquidity” shall mean unrestricted cash of the Loan Parties and their restricted subsidiaries (other than cash held by foreign subsidiaries that are not Guarantors, cash included in the Borrowing Base and cash supporting letters of credit) and amounts available to be drawn under any revolving credit facility.

**Application of Payments:**

To be substantially similar to the Pre-Existing FILO Facility Documentation as reasonably agreed by the Required FILO Lenders and the Company, with the New Revolver Loans taking the position of the Revolving Credit Exposure (as defined in the Prepetition ABL Agreement) and the Exit FILO Loans taking the position of the FILO Term Loan (as defined in the Prepetition ABL Agreement) and subject to the terms and conditions of the intercreditor arrangements between the New Revolver Lenders and the Exit FILO Lenders.

**Voluntary Prepayments:**

Voluntary prepayments of the borrowings under the Exit FILO Facility will be permitted at any time at par, without premium or penalty, subject to the reimbursement of the Exit FILO Lenders’ redeployment costs in the case of a prepayment of LIBOR borrowings other than on the last day of the relevant interest period.

**Governing Law:**

State of New York.

**Agent:**

To be agreed between the Borrower and the Required FILO Lenders.

**Expenses and Indemnification:**

To be substantially consistent with the Pre-Existing FILO Facility Documentation.

the “*Common Stock*” and the “*Convertible Preferred Stock*”). These procedures will generally apply to any person or shareholder who owns, directly or indirectly, more than a certain percentage of Common Stock or Convertible Preferred Stock.

### **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “*Local Rules*”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 362(a)(3), and 541 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532, as amended (the “*Bankruptcy Code*”) and Rules 3001 and 3002 of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”),

### **BACKGROUND**

3. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions in this Court commencing cases (the “*Chapter 11 Cases*”) for relief under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under Bankruptcy Code Sections 1107 and 1108. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies' Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the "**First Day Declaration**")<sup>2</sup> filed contemporaneously herewith, which is fully incorporated herein by reference. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

#### **TAX ATTRIBUTES**

6. The relief sought by this Motion will allow the Debtors to monitor certain transfers of, and certain worthlessness deductions with respect to, Common Stock and Convertible Preferred Stock so that the Debtors can act expeditiously to prevent such transfers or deductions, if necessary, and preserve the potential value of potential net operating losses ("**NOLs**"), disallowed business interest expense under Section 163(j) of the Internal Revenue Code of 1986, as amended (the "**Tax Code**") ("**Excess Interest Expense**"), potential built-in losses with respect to the Debtors' assets and certain other built-in items ("**Built-in Losses**"),<sup>4</sup> and certain other tax attributes (the potential NOLs, collectively with the potential Built-in

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court's website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors' proposed claims and noticing agent, Prime Clerk, at <https://cases.primeclerk.com/gnc>.

<sup>4</sup> The amount of the Debtors' potential Built-in Losses will depend, among other things, on the extent to which the Debtors' assets have an aggregate tax basis in excess of their aggregate fair market value.

Losses, Excess Interest Expense and certain other tax attributes, the “*Tax Attributes*”). This will allow the Debtors the flexibility to develop a chapter 11 plan of reorganization that will maximize the use and value of their Tax Attributes. Immediate entry of the Proposed Interim Order is necessary to preserve the status quo in this regard.

7. The Debtors’ Tax Attributes are valuable assets of the Debtors’ estates because the Tax Code generally permits a corporation to carry forward such corporation’s NOLs, Excess Interest Expense and certain other Tax Attributes to offset future taxable income or directly offset federal income tax liability in future periods.<sup>5</sup> Depending upon future operating results of the Debtors and absent any intervening limitations prior to the effective date of the Debtors’ chapter 11 plan of reorganization, the Debtors’ Tax Attributes could allow the Debtors to significantly reduce their future U.S. federal income tax liability, including by offsetting any taxable income that may result from transactions completed in connection with the Debtors’ chapter 11 plan of reorganization. These savings could substantially enhance the Debtors’ value and contribute to the Debtors’ efforts toward a successful reorganization.

8. The ability of a corporation to use its Tax Attributes to reduce future U.S. federal income tax liability is subject to certain limitations under Section 382 of the Tax Code (“*Section 382*”). In general, if a corporation undergoes an “ownership change,” Section 382 imposes an annual limitation on the corporation’s ability to use its Tax Attributes to offset future taxable income. Under Section 382, an ownership change occurs when the percentage (by value) of a corporation’s equity held by one or more “5-percent shareholders” (as such term is defined in Section 382) increases by more than fifty (50) percentage points over the lowest percentage of stock owned by such shareholders at any time during the preceding three-year rolling testing

---

<sup>5</sup> See 26 U.S.C. §§ 39, 163(j), 172.

period or since the last ownership change, as applicable (the “*Testing Period*”).<sup>6</sup>

9. For purposes of determining an ownership change under Section 382, a corporation’s equity not only includes the common stock of the corporation but also any convertible preferred stock of the corporation. In 2018 and 2019, GNC issued and sold, in three tranches, Convertible Preferred Stock for a purchase price of \$1,000 per share (“*Stated Value*”), or an aggregate of approximately \$300 million, to Harbin Pharmaceutical Group Co., Ltd. (“*Harbin*”). Convertible Preferred Stock ranks senior to Common Stock, and each share of Convertible Preferred Stock is convertible at any time, at the option of Harbin, into a number of shares of Common Stock equal to the liquidation preference as of the conversion date divided by the conversion price (*i.e.*, \$5.35 per share as adjusted). Harbin, as the sole holder of shares of Convertible Preferred Stock, is entitled to receive cumulative preferential dividends, payable quarterly in arrears, at an annual rate of 6.5% of the Stated Value, subject to increase in connection with the payment of dividends in kind. Such dividends are payable at GNC’s option: (a) in cash from legally available funds or (b) in kind by issuing additional shares of Convertible Preferred Stock with a stated value equal to the amount of payment being made or by increasing the Stated Value of the outstanding Convertible Preferred Stock by the amount per share of the dividend or in a combination thereof. Upon any liquidation, each share of Convertible Preferred Stock is entitled to receive the Stated Value of the share plus (i) any accumulated but unpaid

---

<sup>6</sup> For example, assume (i) an individual (“*A*”) owns 50.1% of the stock of corporation XYZ (“*XYZ*”) and (ii) *A* sells her 50.1% interest in XYZ to another individual (“*B*”), who currently owns 5% of XYZ’s stock. Under Section 382, an ownership change has occurred upon *B*’s acquisition of *A*’s 50.1% interest in XYZ because the percentage of XYZ stock held by *B* has increased more than fifty (50) percentage points (from 5% to 55.1%) during the Testing Period. The same result would follow even if *B* owned no XYZ stock prior to the transaction with *A* because *B* both becomes a “5-percent shareholder” and increases the percentage of XYZ stock *B* holds by more than fifty (50) percentage points during the Testing Period. To be clear, a “5-percent shareholder” increasing its holding by 50 percent (*i.e.*, from 5% to 7.5%) as opposed to 50 percentage points would not, in and of itself, result in an “ownership change” under Section 382. Any subsequent ownership change with respect to XYZ would be determined based only on equity transfers that occur subsequent to the ownership change resulting from the transaction between *A* and *B* described immediately above.

dividends and (ii) the per share amount of all cash, securities or other property to be distributed in respect of a share of Common Stock on an as-converted basis. As a result of the liquidation preference and dividends rights, Convertible Preferred Stock could represent the vast majority of GNC's equity (by value), and thus, to preserve the Debtors' Tax Attributes, the Debtors request for the application of a prudent approach with respect to Convertible Preferred Stock for preventing an ownership change under Section 382 by merely implementing notice and hearing procedures for transfers of, or the taking of worthlessness deductions with respect to, Convertible Preferred Stock by certain shareholders.

10. Section 382 imposes an annual limitation on the amount of taxable income that can be offset by pre-change-of-ownership Tax Attributes to an amount equal to the long-term tax exempt bond rate (as published monthly by the United States Treasury), as of the ownership change date, multiplied by the value of the stock of the corporation immediately before the ownership change (a "*Section 382 Limitation*").<sup>7</sup> Under certain circumstances, built-in losses recognized during the five-year period after the ownership change date are subject to similar annual limitations. Accordingly, an ownership change under Section 382 prior to the effective date of a chapter 11 plan of reorganization may hinder or significantly reduce the ability of the Debtors to use their Tax Attributes on a reorganized basis, thereby resulting in a loss of potential value to the Debtors and the Debtors' estates.

11. Similarly, an ownership change may result if a shareholder who beneficially owns

---

<sup>7</sup> For ownership changes occurring in June 2020, the applicable long-term tax-exempt rate is 1.09 percent. If a corporation has a "net unrealized built-in gain" ("*NUBIG*") in its assets as of the time of the ownership change, the Section 382 Limitation may be increased in certain circumstances. If a corporation has a "unrealized built-in loss" ("*NUBIL*") in assets as of the time of the ownership change, any recognized built-in losses during the five-year period beginning on the date of the ownership change will be subject to the Section 382 Limitation. The Debtors are in the process of analyzing whether they currently have a NUBIL or a NUBIG in their assets and can't predict whether they will have a NUBIL or a NUBIG as of the effective date of their chapter 11 plan of reorganization.

50-percent or more of Common Stock or Convertible Preferred Stock were, for income tax purposes, to treat the Common Stock or Convertible Preferred Stock held by such shareholder as becoming worthless (*i.e.*, taking a worthless stock deduction with respect to such stock) for any tax year ending prior to the Debtors emerging from chapter 11 protection. Under Section 382(g)(4)(D) of the Tax Code, such shareholder would be treated as having transferred such stock, which could trigger an ownership change, and thus could adversely affect the Debtors' ability to fully utilize their Tax Attributes.<sup>8</sup>

### **RELIEF REQUESTED**

12. The Debtors seek authorization to protect and preserve their Tax Attributes by (a) establishing certain notification and hearing procedures regarding the transfer of Common Stock and Convertible Preferred Stock that must be complied with before transfers of such stock become effective and (b) establishing similar notice and hearing procedures regarding the taking of any worthlessness deduction, for income tax purposes, with respect to Common Stock and Convertible Preferred Stock.

#### **I. EQUITY TRANSFERS**

13. By establishing procedures for continuously monitoring the transfers of Common Stock and Convertible Preferred Stock, the Debtors can preserve their ability to seek substantive relief at the appropriate time, particularly if it appears that additional transfers may jeopardize the Debtors' ability to fully utilize their Tax Attributes. Accordingly, the Debtors request that the Court enter an order establishing the following procedures for the transfer of Common Stock

---

<sup>8</sup> For example, if a person with 50 percent of a corporation's stock claims a worthless stock deduction with respect to the 2019 tax year, but does not sell such stock, that person is treated: (a) as not having owned the stock at the end of 2019, and (b) as having purchased the stock on January 1, 2020. That deemed purchase would cause an ownership change because the 50-percent shareholder would be deemed to have a 50-percentage point increase in its stock ownership.

and Convertible Preferred Stock (the “*Equity Transfer Procedures*”):

- (a) Any person or entity (as defined in Treasury Regulations section 1.382-3(a)) who currently is or hereafter becomes a Substantial Shareholder (as such term is defined in paragraph (e) below) must file with the Court, and serve upon (i) the Debtors and counsel for the Debtors and (ii) counsel to the Ad Hoc Group of Crossover Lenders, a notice of such status, in substantially the form attached hereto as Exhibit C, on or before the later of (i) twenty (20) calendar days after entry of the Proposed Interim Order or (ii) ten (10) days after becoming a Substantial Shareholder.
- (b) At least twenty (20) calendar days prior to effectuating any transfer<sup>9</sup> of Common Stock (including options to acquire Common Stock, as defined in paragraph (e) below) or Convertible Preferred Stock that would result in an increase in the amount of Common Stock or Convertible Preferred Stock beneficially owned by a Substantial Shareholder, or would result in a person or entity becoming a Substantial Shareholder, such Substantial Shareholder, person or entity must file with the Court, and serve upon the Debtors and counsel for the Debtors, an advance written notice of the intended transfer of Common Stock or Convertible Preferred Stock, in substantially the form attached hereto as Exhibit D (each a “*Notice of Intent to Purchase, Acquire, or Otherwise Accumulate*”).
- (c) At least twenty (20) calendar days prior to effectuating any transfer of Common Stock (including options to acquire Common Stock) or Convertible Preferred Stock that would result in a decrease in the amount of Common Stock or Convertible Preferred Stock beneficially owned by a Substantial Shareholder, or would result in a person or entity ceasing to be a Substantial Shareholder, such Substantial Shareholder, person or entity must file with the Court, and serve upon the Debtors and counsel for the Debtors, an advance written notice of the intended transfer of Common Stock or Convertible Preferred Stock, in substantially the form attached hereto as Exhibit E (each a “*Notice of Intent to Sell, Trade, or Otherwise Transfer*” and, collectively with each Notice of Intent to Purchase, Acquire, or Otherwise Accumulate, a “*Notice of Proposed Transfer*”).
- (d) The Debtors shall have fifteen (15) calendar days after receipt of a

---

<sup>9</sup> For purposes of this Motion, a “*transfer*” includes any conversion of shares of Convertible Preferred Stock into shares of Common Stock.

Notice of Proposed Transfer, and after consultation with the Ad Hoc Group of Crossover Lenders, to file with the Court and serve upon such Substantial Shareholder, person or entity an objection to any proposed transfer of Common Stock or Convertible Preferred Stock described in the Notice of Proposed Transfer on the grounds that such transfer might adversely affect the Debtors' ability to utilize their Tax Attributes. If the Debtors file an objection, such transfer would not be effective unless approved by a final and non-appealable order of the Court. If the Debtors do not object within such 15-day period, such transfer shall be permitted to proceed solely as set forth in the Notice of Proposed Transfer. Further transfers within the scope of this paragraph (d) shall be the subject of additional notices as set forth herein, with additional 15-day waiting periods.

- (e) For purposes of these procedures: (i) a “**Substantial Shareholder**” is any person or entity that beneficially owns in excess of: (A) 4,018,926 shares of Common Stock (representing approximately 4.75%<sup>10</sup> of all issued and outstanding shares of Common Stock); or (B) 14,247 shares of Convertible Preferred Stock (representing approximately 4.75% of all issued and outstanding shares of Convertible Preferred Stock),<sup>11</sup> (ii) “**beneficial ownership**” of equity interests means beneficial ownership for U.S. federal income tax purposes as determined in accordance with applicable rules under Section 382, Treasury Regulations promulgated thereunder and rulings issued by the Internal Revenue Service, and thus, to the extent provided therein, from time to time shall include, without limitation, (A) direct and indirect, actual and constructive, beneficial ownership (for example, a holding company would be considered to beneficially own all shares owned or acquired by its subsidiaries), (B) ownership by such holder's family members and other related persons and persons acting in concert with such holder to make a

---

<sup>10</sup> In general, under Section 382(g)(4)(A) of the Tax Code, all shareholders who, individually, beneficially own less than 5% of the stock of a corporation are deemed to be a single 5-percent shareholder throughout the Testing Period, and transfers between such shareholders are disregarded for purposes of determining whether an ownership change has occurred (the “**Public Group Rule**”). Thus, so long as 50% or more of the stock of such corporation is beneficially owned by less than 5-percent shareholders throughout the Testing Period, there generally will be no change of ownership due to the Public Group Rule. Accordingly, the Debtors do not seek to impose the notice and hearing procedures on transfers by shareholders beneficially owning less than 4.75% of Common Stock or Convertible Preferred Stock; *provided, however*, that such shareholders do not intend to accumulate a 4.75% or greater block of such stock or add or sell shares to or from such a block. Using 4.75% instead of 5% to calculate the threshold amount allows for a prudent margin of error.

<sup>11</sup> Based on approximately 84,608,976 shares of Common Stock or 299,950 shares of Convertible Preferred Stock outstanding as of the Petition Date.

coordinated acquisition of stock, and (C) ownership of shares which such holder has an option to acquire, and (iii) an “*option*” to acquire stock includes any option, contingent purchase, warrant, put, stock subject to risk of forfeiture, contract to acquire stock, or similar interest, regardless of whether it is contingent or otherwise not currently exercisable.

- (f) Effective as of the Petition Date and until further order of the Court to the contrary, any purchase, sale, or other transfer of beneficial ownership of Common Stock, including options to acquire Common Stock, or Convertible Preferred Stock in violation of the procedures set forth herein shall be null and void *ab initio* as an act in violation of the automatic stay under Bankruptcy Code Sections 362 and 105(a).

## II. WORTHLESS STOCK DEDUCTIONS

14. The Debtors also request that the Court enter an order establishing similar notice and hearing procedures restricting the ability of shareholders that beneficially own or have beneficially owned 50% or more, by value, of Common Stock or Convertible Preferred Stock to take worthless stock deductions on their income tax returns for a tax year ending before the Debtors’ emergence from chapter 11 protection. Under Section 382(g)(4)(D) of the Tax Code, any stock held by such a shareholder would be treated as being transferred if such shareholder takes a worthlessness deduction with respect to such stock. It is therefore essential that shareholders that beneficially own or have beneficially owned 50% or more of Common Stock or Convertible Preferred Stock defer taking such worthlessness deductions until a tax year ending after the Debtors have emerged from bankruptcy.

15. By restricting 50-percent Shareholders from taking worthless stock deductions for any tax year ending prior to the Debtors’ emergence from chapter 11 protection, the Debtors can preserve their ability to seek substantive relief at the appropriate time. Accordingly, the Debtors request that the Court enter an order establishing the following procedures (the “*Worthless Stock Deduction Procedures*”):

- (a) Any person or entity that currently is or becomes a 50-percent Shareholder (as such term is defined in paragraph (d) below) must file with the Court, and serve upon (i) the Debtors and counsel for the Debtors and (ii) counsel to the Ad Hoc Group of Crossover Lenders, a notice of such status, in substantially the form attached hereto as Exhibit F, on or before the later of (i) twenty (20) calendar days after entry of the Proposed Interim Order or (ii) ten (10) days after becoming a 50-percent Shareholder.
- (b) At least twenty (20) calendar days prior to filing any income tax return, or any amendment to such a return, taking any worthlessness deduction with respect to Common Stock or Convertible Preferred Stock for a tax year ending before the Debtors' emergence from chapter 11 protection, such 50-percent Shareholder must file with the Court, and serve upon the Debtors and counsel for the Debtors, an advance written notice of the intended worthlessness deduction, in substantially the form attached hereto as Exhibit G (each a "*Notice of Intent to Take a Worthless Stock Deduction*").
- (c) The Debtors shall have fifteen (15) calendar days after receipt of a Notice of Intent to Take a Worthless Stock Deduction, and after consultation with the Ad Hoc Group of Crossover Lenders, to file with the Court and serve upon such 50-percent Shareholder an objection to any proposed worthlessness deduction described in the Notice of Intent to Take a Worthless Stock Deduction on the grounds that such deduction might adversely affect the Debtors' ability to utilize their Tax Attributes. If the Debtors file an objection, the filing of the income tax return with such deduction would not be permitted or effective unless approved by a final and non-appealable order of the Court. If the Debtors do not object within such 15-day period, the filing of the income tax return with such deduction shall be permitted as set forth in the Notice of Intent to Take a Worthless Stock Deduction. Additional income tax returns within the scope of this paragraph (c) shall be the subject of additional notices as set forth herein, with additional 15-day waiting periods.
- (d) For purposes of these procedures: (i) a "*50-percent Shareholder*" is any person or entity that at any time during the three-year period ending on the Petition Date has had beneficial ownership of 50% or more of Common Stock or Convertible Preferred Stock or is otherwise considered a 50-percent shareholder of GNC within the

meaning of Section 382(g)(4)(D) of the Tax Code,<sup>12</sup> (ii) “*beneficial ownership*” of equity interests means beneficial ownership for U.S. federal income tax purposes as determined in accordance with applicable rules under Section 382, Treasury Regulations promulgated thereunder and rulings issued by the Internal Revenue Service, and thus, to the extent provided therein, from time to time shall include, without limitation, (A) direct and indirect, actual and constructive, beneficial ownership (for example, a holding company would be considered to beneficially own all shares owned or acquired by its subsidiaries), (B) ownership by such holder’s family members and other related persons and persons acting in concert with such holder to make a coordinated acquisition of stock, and (C) ownership of shares which such holder has an option to acquire, and (iii) an “*option*” to acquire stock includes any option, contingent purchase, warrant, put, stock subject to risk of forfeiture, contract to acquire stock, or similar interest, regardless of whether it is contingent or otherwise not currently exercisable.

- (e) In the event that a 50-percent Shareholder takes a worthlessness deduction with respect to Common Stock or Convertible Preferred Stock in violation of the procedures set forth herein, such worthlessness deduction shall be null and void *ab initio* as an act in violation of the automatic stay under Bankruptcy Code Sections 362 and 105(a), and such 50-percent Shareholder shall be required to file an amended income tax return, as applicable, revoking such worthlessness deduction.

16. The Debtors request that the Court order that any purchase, sale, or other transfer of, or the taking of any worthlessness deduction with respect to, Common Stock or Convertible Preferred Stock in violation of these procedures be null and void *ab initio* as an act in violation of the automatic stay under Bankruptcy Code Sections 362 and 105(a).

17. The Debtors also request that the Court enter the Proposed Interim Order and the Proposed Final Order permitting the Debtors to waive, in writing and in consultation with the Ad Hoc Group of Crossover Lenders, any and all restrictions, stays, and notification procedures

---

<sup>12</sup> Beneficial ownership of 50% or more of (i) Common Stock currently is equivalent to owning approximately 42,304,488 or more shares based on 84,608,976 shares of Common Stock outstanding as of the Petition Date or (ii) Convertible Preferred Stock currently is equivalent to approximately 149,975 or more shares based on 299,950 shares of Convertible Preferred Stock outstanding as of the Petition Date.

contained in this Motion or in any order entered with respect hereto.

18. To ensure parties in interest receive appropriate notice of the Equity Transfer Procedures and the Worthless Stock Deduction Procedures, the Debtors request that the Court approve of their proposal to send a notice, in substantially the form attached hereto as **Exhibit H** (the “*Notice of Order*”), to the Initial Notice Parties (as defined in this Motion).

### **BASIS FOR RELIEF**

#### **I. THE SIGNIFICANCE OF THE DEBTORS’ TAX ATTRIBUTES**

19. The Debtors have incurred, and are expecting to incur, NOLs and significant Excess Interest Expense. The Debtors believe that, as of December 31, 2019, they have Excess Interest Expense totaling approximately \$80 million and state NOLs totaling approximately \$345 million.<sup>13</sup> The Debtors are experiencing significant operational losses that may well generate consolidated federal and additional state NOLs in 2020, which may include losses arising from the restructuring transaction, and additional Excess Interest Expense may be generated prior to the effective date of the Debtors’ chapter 11 plan of reorganization.<sup>14</sup> The Debtors’ Tax Attributes could translate into significant potential future tax savings for the Debtors. The value of the Debtors’ Tax Attributes therefore will inure to the benefit of all the Debtors’ future stakeholders.

---

<sup>13</sup> As of the date of this Motion, the Debtors have not filed their tax returns with respect to the tax year ending December 31, 2019. These estimates described herein are subject to change upon finalization of such tax returns, including with respect to analyzing the impact of the recently enacted Coronavirus Aid, Relief, and Economic Security Act (“*CARES Act*”).

<sup>14</sup> The CARES Act generally permits NOLs generated in the 2018, 2019 and 2020 tax years to be carried back to offset taxable income in each of the five preceding taxable years. The Debtors currently expect to carry back their NOLs generated in the 2020 tax year to offset taxable income in the 2015 tax year. However, the House of Representatives recently passed the Health and Economic Recovery Omnibus Emergency Solutions Act (“*HEROES Act*”), which would limit the Debtors ability to carry back such NOLs to the 2018 and 2019 tax years. If the HEROES Act or similar legislation were to be enacted, the Debtors ability to carryback such NOLs could be substantially limited, in which case the Debtors may, in some circumstance, carry forward such NOLs to post-emergence tax years.

20. Subject to certain limitations, Section 172(b) and Section 163(j) of the Tax Code permit a corporation to carry forward NOLs and Excess Interest Expense, respectively, to offset future taxable income, thereby potentially resulting in both a significant reduction in U.S. federal income tax liability and an improvement in such corporation's cash position.<sup>15</sup> In addition, built-in tax losses can be generated on taxable disposition of the Debtors' assets or through other circumstances, such as depreciation and amortization. The Debtors' Tax Attributes are valuable assets of their estates that, if available, could help facilitate the Debtors' successful reorganization and serve to improve creditor recoveries. The termination or limitation of the Tax Attributes could be materially detrimental to all parties in interest. The Debtors' ability to use their pre-change-of-ownership Tax Attributes, however, could be severely limited under Section 382 as a result of the transfer of, or any worthlessness deduction with respect to, Common Stock or Convertible Preferred Stock prior to the consummation of a chapter 11 plan of reorganization.

## **II. THE PROVISIONS OF SECTION 382**

21. As described above, Section 382 imposes an annual limitation on the amount of taxable income a corporation can offset using its Tax Attributes if the corporation undergoes an ownership change. If an ownership change were to, for example, occur during the course of the Chapter 11 Cases, Section 382 would impose an annual limitation on the amount of taxable income that the Debtors could offset by pre-change-of-ownership Tax Attributes to an amount equal to the long-term tax exempt bond rate (as published monthly by the United States Treasury), as of the ownership change date, multiplied by the value of the stock of the corporation immediately before the ownership change. This formulaic limitation under Section

---

<sup>15</sup> The CARES Act generally increases the interest expense limitation under Section 163(j) for any taxable year beginning in 2019 or 2020. The Debtors are evaluating the impact of this change and thus the Debtors' estimates of Excess Interest Expense may be subject to change.

382 can severely restrict the ability to use pre-change-of-ownership Tax Attributes as the value of the stock of a distressed corporation may be quite low. Moreover, once an equity transfer takes place, it cannot be undone, and once a Section 382 Limitation is triggered, the Debtors' use of their pre-change-of-ownership Tax Attributes would be forever limited. The relief sought herein is necessary to avoid the potentially significant limitations on the Debtors' ability to fully utilize their Tax Attributes to offset taxable income on a reorganized basis, which would jeopardize savings that could substantially enhance the Debtors' value and contribute to the Debtors' plan for a successful reorganization. Otherwise, the unrestricted transfer of, and the taking of any worthlessness deduction with respect to, Common Stock or Convertible Preferred Stock would likely result in irreparable harm to the Debtors and the Debtors' estates.

### **III. RELIEF FROM THE PROVISIONS SECTION 382**

22. The limitations imposed by Section 382 are significantly more relaxed in the context of an ownership change pursuant to a confirmed chapter 11 plan of reorganization. First, the ownership change must occur pursuant to the consummation of the chapter 11 plan of reorganization, and not during the course of the Chapter 11 Cases prior to such consummation, in order for the Debtors to qualify for these Section 382 bankruptcy relief provisions—Sections 382(l)(5) or (l)(6) of the Tax Code. Under Section 382(l)(5) of the Tax Code, a Section 382 Limitation will not result from an ownership change arising from the consummation of a chapter 11 plan of reorganization, provided that, under such plan, a debtor's pre-change-of-ownership shareholders (*i.e.*, persons or entities who owned such debtor's stock immediately before such ownership change) and/or certain qualified creditors emerge from the reorganization owning at least 50% of such debtor's stock (measured by value and voting power) immediately after the ownership change due to such shareholders and/or qualified creditors being

shareholders and/or qualified creditors immediately prior to the ownership change. Section 382(l)(6) of the Tax Code provides that if a corporation undergoes an ownership change pursuant to a chapter 11 plan of reorganization and Section 382(l)(5) of the Tax Code does not apply (either because the corporation elects out of such provision or because such provision's requirements are not satisfied), then the value of such corporation's equity for purposes of calculating the Section 382 Limitation shall reflect the increase (if any) in value of such corporation's stock resulting from any surrender or cancellation of creditors' claims in the chapter 11 plan of reorganization. Thus, assuming the value of the equity of the Debtors increases as a result of a reorganization, Section 382(l)(6) of the Tax Code would provide for a higher annual limitation than would result under the general rules of Section 382 and could allow the Debtors to use a greater portion of their pre-change-of-ownership Tax Attributes to offset any post-change taxable income.

23. Second, preventing an ownership change prior to the consummation of the plan of reorganization may also benefit the Debtors and Debtors' estates by allowing the Debtors a greater use of their Tax Attributes to offset any taxable income that arises as a result of, or prior to, the effective date of such plan. Thus, in all circumstances, it is in the best interests of the Debtors and the Debtors' estates to grant the requested relief so as to prevent an ownership change prior to consummation of a chapter 11 plan of reorganization.

#### **IV. THE REQUESTED RELIEF IS NARROWLY TAILORED**

24. The requested relief does not *per se* bar all transfers of, or the taking of all worthlessness deductions with respect to, Common Stock and Convertible Preferred Stock. Rather, it merely implements notice and hearing procedures for such transfers and deductions. At this early juncture, the Debtors seek to establish procedures only to monitor those types of

transfers and restrict those types of worthless stock deductions that would pose a serious risk of resulting in a Section 382 Limitation upon the Debtors' pre-change-of-ownership Tax Attributes, so as to preserve the Debtors' ability to seek substantive relief if it appears that a proposed transfer or deduction will jeopardize the Debtors' ability to fully utilize their Tax Attributes. The procedures requested by the Debtors in this Motion would likely permit most transfers to continue, subject to applicable law. The restrictions on taking worthlessness deductions with respect to Common Stock and Convertible Preferred Stock would apply only to 50-percent Shareholders and, even then, would not prohibit such deductions entirely but would merely require them to be postponed to taxable years ending after the Debtors emerge from chapter 11 protection.

**V. THE REQUESTED RELIEF IS NECESSARY TO AVOID IRREPARABLE HARM TO THE DEBTORS**

25. Once a Tax Attribute is limited under Section 382, its use is limited forever, and once an equity interest is transferred, that transfer cannot be undone. The relief sought herein is necessary to avoid both the potentially significant limitations on the Debtors' ability to fully utilize their Tax Attributes to offset taxable income on a reorganized basis and the irreparable harm to the Debtors and the Debtors' estates which could be caused by the unrestricted transfer of, and the taking of worthlessness deductions with respect to, Common Stock and Convertible Preferred Stock.

26. Absent granting the relief requested herein on an immediate basis, the Debtors and the Debtors' estates could be irreparably harmed by the mere filing of this Motion. If the Debtors filed this Motion in accordance with the usual notice procedures set forth in the Bankruptcy Rules, the Debtors believe that transfers involving Common Stock or Convertible Preferred Stock may immediately follow and that such transfers may impact the Debtors' ability

to fully utilize their Tax Attributes. Parties holding such stock might rush to transfer their interests before the restrictions on transfers are imposed by the Court. Similarly, a 50-percent Shareholder could rush to take a worthlessness deduction with respect to Common Stock or Convertible Preferred Stock on such shareholder's income tax returns for a tax year ending before the Debtors' emergence from chapter 11 protection. Such unrestricted transfers and the taking of such worthless stock deductions could put the Debtors' Tax Attributes at risk of being subject to a Section 382 Limitation, as described above, and would therefore be counterproductive to the Debtors' objectives in seeking this relief. Accordingly, the Debtors respectfully request that the procedures described herein be approved.

## **VI. TAX ATTRIBUTES ARE PROPERTY OF THE DEBTORS' ESTATES AND ARE ENTITLED TO COURT PROTECTION**

27. Courts have uniformly held that a debtor's NOLs constitute property of a debtor's estate under Bankruptcy Code Section 541 and, as such, courts have authority to implement certain protective measures to preserve these Tax Attributes. The seminal case articulating this rule is *In re Prudential Lines, Inc.*, 107 B.R. 832 (Bankr. S.D.N.Y. 1989), *aff'd*, 119 B.R. 430 (S.D.N.Y. 1990), *aff'd*, 928 F.2d 565 (2d Cir. 1991), *cert. denied* 502 U.S. 821 (1991). In *Prudential Lines*, the Bankruptcy Court for the Southern District of New York enjoined a parent corporation from taking a worthless stock deduction with respect to its wholly owned debtor subsidiary on the grounds that doing so would destroy its debtor-subsidary's NOLs. In issuing the injunction, the court held that a "debtor's potential ability to utilize [net operating losses] is property of [the] estate." 107 B.R. at 838. In addition, "the taking of a worthless stock deduction is an exercise of control over a debtor's [net operating losses]," 107 B.R. at 842, and thus was properly subject to the automatic stay provisions of Bankruptcy Code Section 362. *See In re Grossman's, Inc.*, Case No. 97-695 (PJW) (Bankr. D. Del. Oct. 9, 1997) (noting that the

debtors' net operating loss carry-forwards are property of the debtors' estates protected by the automatic stay provisions of the Bankruptcy Code); *In re White Metal Rolling & Stamping Corp.*, 222 B.R. 417, 424 (Bankr. S.D.N.Y., 1998) ("It is beyond peradventure that [net operating loss] carry-backs and carry[-forwards] are property of the estate of the loss corporation that generated them.").

28. Similar to NOLs, other Tax Attributes constitute property of a debtor's estate under Bankruptcy Code Section 541 and, as such, courts have authority to implement certain protective measures to preserve them as well. *See, e.g., In re Quicksilver Res. Inc.*, Case No. 15-10585 (LSS) (Bankr. D. Del. April 17, 2015); *In re Delta Air Lines, Inc.*, Case No. 05-17923 (PCB) (Bankr. S.D.N.Y. Sept. 16, 2005) (finding that tax credit carryforwards are property of the debtors' estates and subsequently approving notification procedures and restrictions on certain transfers of claims against and interests in the debtors to protect, among other things, the tax credit carryforwards).

29. Accordingly, because the Debtors' Tax Attributes are property of their estates, the Court has the authority under Bankruptcy Code Section 362 to enforce the automatic stay by restricting the transfer of, and the taking of any worthlessness deduction with respect to, Common Stock and Convertible Preferred Stock that could jeopardize the Debtors' ability to fully utilize these valuable assets.

30. Courts have routinely restricted transfers of equity interests and/or the taking of worthless stock deductions, or otherwise issued injunctive relief to protect a debtor against the possible loss of their Tax Attributes. *See, e.g., In re Akorn, Inc.*, Case No. 20-11777 (KBO) (Bankr. D. Del. May 22, 2020) (approving NOL trading restriction for public corporation's securities); *In re Exide Holdings, Inc.*, Case No. 20-11157 (CSS) (Bankr. D. Del. May 21, 2020)

(approving NOL trading restriction for private corporation's securities); *In re Cloud Peak Energy Inc.*, Case No. 19-11047 (KG) (Bankr. D. Del. May 14, 2019) (approving NOL trading restriction for public corporation's securities); *In re Samson Res. Corp.*, Case No. 15-11934 (CSS) (Bankr. D. Del. Oct. 14, 2015); *In re Quicksilver Res. Inc.*, Case No. 15-10585 (LSS) (Bankr. D. Del. April 17, 2015); *In re Sabine Oil & Gas Corp.*, Case No. 15-11835 (SCC) (Bankr. S.D.N.Y. Aug. 10, 2015).

31. The Debtors' Tax Attributes are valuable assets that could inure to the benefit of the Debtors' estates and stakeholders and facilitate the Debtors' reorganization. Unrestricted transfers of Common Stock or Convertible Preferred Stock with no advance warning of such transfers or the unrestricted taking of worthlessness deductions with respect to Common Stock or Convertible Preferred Stock could jeopardize and impair the Debtors' ability to utilize these valuable assets. The requested relief imposes a minimal burden to achieve a substantial benefit for the Debtors, their estates, their creditors and other interested parties. Accordingly, the Court should grant the requested relief and establish a notice and hearing procedure governing the transfers of Common Stock and Convertible Preferred Stock and the taking of worthlessness deductions with respect to Common Stock and Convertible Preferred Stock.

#### **RESERVATION OF RIGHTS**

32. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to

Bankruptcy Code Section 365; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

### **NOTICE OF MOTION**

33. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange Commission; (n) the United States Drug Enforcement Agency; (o) the United States Food and Drug Administration; (p) the Substantial Shareholders; (q) the transfer agents for the Common Stock and the Convertible Preferred Stock; and (r) all parties requesting notice pursuant to Bankruptcy Rule 2002 (the "***Initial Notice Parties***"). Notice of this Motion and any order entered hereon will be served in accordance with Local Rule 9013-1(m). The Debtors submit that, under the circumstances, no other or further notice is required.

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Orders, granting the relief requested in this Motion and such other relief as may be just and proper.

2. The purchase, sale, or other transfer of, or the taking of any worthlessness deduction with respect to, Common Stock and Convertible Preferred Stock in violation of the procedures set forth herein shall be null and void *ab initio* as an act in violation of the automatic stay under Bankruptcy Code Sections 362 and 105(a).
3. The following procedures and notices are approved and shall apply to transfers of Common Stock and Convertible Preferred Stock (the “*Equity Transfer Procedures*”):

- (a) Any person or entity (as defined in Treasury Regulations section 1.382-3(a)) who currently is or hereafter becomes a Substantial Shareholder (as such term is defined in paragraph (e) below) must file with the Court, and serve upon (i) the Debtors and counsel for the Debtors and (ii) counsel to the Ad Hoc Group of Crossover Lenders, a notice of such status, in substantially the form attached to the Motion as Exhibit C, on or before the later of (i) twenty (20) calendar days after entry of this Interim Order or (ii) ten (10) days after becoming a Substantial Shareholder.
- (b) At least twenty (20) calendar days prior to effectuating any transfer<sup>3</sup> of Common Stock (including options to acquire Common Stock, as defined in paragraph (e) below) or Convertible Preferred Stock that would result in an increase in the amount of Common Stock or Convertible Preferred Stock beneficially owned by a Substantial Shareholder, or would result in a person or entity becoming a Substantial Shareholder, such Substantial Shareholder, person or entity must file with the Court, and serve upon the Debtors and counsel for the Debtors, an advance written notice of the intended transfer of Common Stock or Convertible Preferred Stock, in substantially the form attached to the Motion as

---

<sup>3</sup> For purposes of this Interim Order, a “*transfer*” includes any conversion of shares of Convertible Preferred Stock into shares of Common Stock.

Exhibit D (each a “*Notice of Intent to Purchase, Acquire, or Otherwise Accumulate*”).

- (c) At least twenty (20) calendar days prior to effectuating any transfer of Common Stock (including options to acquire Common Stock) or Convertible Preferred Stock that would result in a decrease in the amount of Common Stock or Convertible Preferred Stock beneficially owned by a Substantial Shareholder, or would result in a person or entity ceasing to be a Substantial Shareholder, such Substantial Shareholder, person or entity must file with the Court, and serve upon the Debtors and counsel for the Debtors, an advance written notice of the intended transfer of Common Stock or Convertible Preferred Stock, in substantially the form attached to the Motion as Exhibit E (each a “*Notice of Intent to Sell, Trade, or Otherwise Transfer*” and, collectively with each Notice of Intent to Purchase, Acquire, or Otherwise Accumulate, a “*Notice of Proposed Transfer*”).
- (d) The Debtors shall have fifteen (15) calendar days after receipt of a Notice of Proposed Transfer, and after consultation with the Ad Hoc Group of Crossover Lenders, to file with the Court and serve upon such Substantial Shareholder, person or entity an objection to any proposed transfer of Common Stock or Convertible Preferred Stock described in the Notice of Proposed Transfer on the grounds that such transfer might adversely affect the Debtors’ ability to utilize their Tax Attributes. If the Debtors file an objection, such transfer would not be effective unless approved by a final and non-appealable order of the Court. If the Debtors do not object within such 15-day period, such transfer shall be permitted to proceed solely as set forth in the Notice of Proposed Transfer. Further transfers within the scope of this paragraph (d) shall be the subject of additional notices as set forth herein, with additional 15-day waiting periods.
- (e) For purposes of these procedures: (i) a “*Substantial Shareholder*” is any person or entity that beneficially owns in excess of: (A) 4,018,926 shares of Common Stock (representing approximately 4.75% of all issued and outstanding shares of Common Stock); or (B) 14,247 shares of Convertible Preferred Stock (representing approximately 4.75% of all issued and outstanding shares of Convertible Preferred Stock), (ii) “*beneficial ownership*” of equity interests means beneficial ownership for U.S. federal income tax purposes as determined in accordance with applicable rules under Section 382 of the Internal Revenue Code of 1986, as amended (the “*Tax Code*”), Treasury Regulations promulgated thereunder and rulings issued by the Internal Revenue Service, and thus, to the extent provided therein, from time to time

shall include, without limitation, (A) direct and indirect, actual and constructive, beneficial ownership (for example, a holding company would be considered to beneficially own all shares owned or acquired by its subsidiaries), (B) ownership by such holder's family members and other related persons and persons acting in concert with such holder to make a coordinated acquisition of stock, and (C) ownership of shares which such holder has an option to acquire, and (iii) an "**option**" to acquire stock includes any option, contingent purchase, warrant, put, stock subject to risk of forfeiture, contract to acquire stock, or similar interest, regardless of whether it is contingent or otherwise not currently exercisable.

- (f) Effective as of the Petition Date and until further order of the Court to the contrary, any purchase, sale, or other transfer of beneficial ownership of Common Stock or Convertible, including options to acquire Common Stock, or Convertible Preferred Stock in violation of these procedures shall be null and void *ab initio* as an act in violation of the automatic stay under Bankruptcy Code Sections 362 and 105(a).

4. The following restrictions shall apply to taking worthlessness deductions, for income tax purposes, with respect to Common Stock and Convertible Preferred Stock (the "**Worthless Stock Deduction Procedures**"):

- (a) Any person or entity that currently is or becomes a 50-percent Shareholder (as such term is defined in paragraph (d) below) must file with the Court, and serve upon (i) the Debtors and counsel for the Debtors and (ii) counsel to the Ad Hoc Group of Crossover Lenders, a notice of such status, in substantially the form attached to the Motion as Exhibit F, on or before the later of (i) twenty (20) calendar days after entry of this Interim Order or (ii) ten (10) days after becoming a 50-percent Shareholder.
- (b) At least twenty (20) calendar days prior to filing any income tax return, or any amendment to such a return, taking any worthlessness deduction with respect to Common Stock or Convertible Preferred Stock for a tax year ending before the Debtors' emergence from chapter 11 protection, such 50-percent Shareholder must file with the Court, and serve upon the Debtors and counsel for the Debtors, an advance written notice of the intended worthlessness deduction, in substantially the form attached to the Motion as Exhibit G (each a "**Notice of Intent to Take a Worthless Stock Deduction**").

- (c) The Debtors shall have fifteen (15) calendar days after receipt of a Notice of Intent to Take a Worthless Stock Deduction, and after consultation with the Ad Hoc Group of Crossover Lenders, to file with the Court and serve upon such 50-percent Shareholder an objection to any proposed worthlessness deduction described in the Notice of Intent to Take a Worthless Stock Deduction on the grounds that such deduction might adversely affect the Debtors' ability to utilize their Tax Attributes. If the Debtors file an objection, the filing of the income tax return with such deduction would not be permitted or effective unless approved by a final and non-appealable order of the Court. If the Debtors do not object within such 15-day period, the filing of the income tax return with such deduction shall be permitted as set forth in the Notice of Intent to Take a Worthless Stock Deduction. Additional income tax returns within the scope of this paragraph (c) shall be the subject of additional notices as set forth herein, with additional 15-day waiting periods.
- (d) For purposes of these procedures: (i) a “**50-percent Shareholder**” is any person or entity that at any time during the three-year period ending on the Petition Date has had beneficial ownership of 50% or more of Common Stock or Convertible Preferred Stock or is otherwise considered a 50-percent shareholder of GNC within the meaning of Section 382(g)(4)(D) of the Tax Code; (ii) “**beneficial ownership**” of equity interests means beneficial ownership for U.S. federal income tax purposes as determined in accordance with applicable rules under Section 382 of the Tax Code, Treasury Regulations promulgated thereunder and rulings issued by the Internal Revenue Service, and thus, to the extent provided therein, from time to time shall include, without limitation, (A) direct and indirect, actual and constructive, beneficial ownership (for example, a holding company would be considered to beneficially own all shares owned or acquired by its subsidiaries), (B) ownership by such holder's family members and other related persons and persons acting in concert with such holder to make a coordinated acquisition of stock, and (C) ownership of shares which such holder has an option to acquire, and (iii) an “**option**” to acquire stock includes any option, contingent purchase, warrant, put, stock subject to risk of forfeiture, contract to acquire stock, or similar interest, regardless of whether it is contingent or otherwise not currently exercisable.
- (e) In the event that a 50-percent Shareholder takes a worthlessness deduction with respect to GNC common stock in violation of these procedures, such worthlessness deduction shall be null and void *ab initio* as an act in violation of the automatic stay under Bankruptcy Code Sections 362 and 105(a), and such 50-percent Shareholder

shall be required to file an amended income tax return, as applicable, revoking such worthlessness deduction.

5. The Debtors may waive, in writing and in their sole and absolute discretion, any and all restrictions, stays, and notification procedures contained in this Interim Order.

6. Within three (3) business days of entry of this Interim Order, the Debtors shall serve a notice in substantially the form attached to the Motion as Exhibit H (the “*Notice of Order*”) to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors’ postpetition financing facility; (c) counsel to the Ad Hoc Group of Crossover Lenders; (d) counsel to the Ad Hoc FILO Term Lender Group; (e) counsel to the agent under the Debtors’ secured term and asset-based financing facilities; (f) the indenture trustee for the Debtors’ prepetition convertible notes; (g) the parties included on the Debtors’ consolidated list of thirty (30) largest unsecured creditors; (h) the United States Attorney’s Office for the District of Delaware; (i) the attorneys general for all 50 states and the District of Columbia; (j) the United States Department of Justice; (k) the Internal Revenue Service; (l) the Securities and Exchange Commission; (m) the United States Drug Enforcement Agency; (n) the United States Food and Drug Administration; (o) any directly registered and record holders of outstanding Common Stock and Convertible Preferred Stock (with instructions to serve down to beneficial holders, as applicable); (p) the transfer agents for the Common Stock and the Convertible Preferred Stock; and (q) all parties requesting notice pursuant to Bankruptcy Rule 2002 (the “*Initial Notice Parties*”). No further notice of entry of this Interim Order need be served by the Debtor.

7. The requirements set forth in this Interim Order are in addition to the requirements of Bankruptcy Rules 3001 and 3002 and all applicable securities, corporate and other laws, and do not waive compliance or excuse non-compliance therewith.

8. The Debtors are authorized and empowered to take all actions necessary to implement the relief granted in this Interim Order.

9. This Interim Order and the Equity Transfer Procedures and the Worthless Stock Deduction Procedures approved herein shall remain in full force and effect until such time as the Court enters a final order with respect to the Motion.

10. Objections, if any, to approval of the Motion on a final basis must be in writing and timely filed in accordance with the requirements set forth in the Notice of Order and served upon the Debtors and counsel to the Debtors.

authorizing the Debtors to abandon the personal property located at the premises related to the Rejection Leases (collectively, the “*Premises*”) as of the Petition Date.

### **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “*Local Rules*”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 365(a) and 554(a) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “*Bankruptcy Code*”), and Rules 6006 and 6007 of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”).

### **BACKGROUND**

3. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “*Chapter 11 Cases*”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies' Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the "**First Day Declaration**")<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

### **MOTION SPECIFIC BACKGROUND**

6. As described in detail in the First Day Declaration, the Debtors have today filed these Chapter 11 Cases amid an unprecedented health crisis with difficult social, political and economic implications. While the Debtors would have preferred to wait out the current instabilities of the financial markets and retail industry, they simply could not afford to do so. The relief sought in this Motion is critical to preserve liquidity and maintain the Debtors' viability as a going concern.

#### **I. THE REJECTION LEASES**

7. As of the Petition Date, the Debtors are parties to approximately 3,616 real property leases in the United States, Canada and Puerto Rico, 772 of which are subleased to 330 franchisees. As part of their ongoing restructuring efforts, the Debtors are engaging in a comprehensive review

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court's website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors' proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

and analysis of their lease portfolio. After careful evaluation, the Debtors have identified 100 stores to be rejected (the “*Rejection Stores*”). As such, the Debtors have determined, in the exercise of their business judgment, that it is in the best interests of their estates to seek authority to reject the Rejection Leases associated with the Rejection Stores as of the Petition Date. Rejecting the Rejection Leases will allow the Debtors to avoid the accrual of unnecessary administrative expenses with no foreseeable benefits to the Debtors’ estates. Moreover, given the obligations under the Rejection Leases and current market conditions, the Debtors have concluded, in consultation with their advisors, that the Rejection Leases are not marketable and are unlikely to generate material value for the Debtors’ estates.

8. On June 18, 2020, the Debtors sent letters to each landlord counterparty (the “*Landlords*”) to the Rejection Leases, which were delivered no later than the Petition Date, notifying them that the Debtors were unequivocally surrendering possession of the Premises and abandoning any Debtor-owned personal property in conjunction therewith as of such time.

## **II. REMAINING PROPERTY**

9. Certain Rejection Stores store property that belongs to the Debtors, including, but not limited to, inventory, books and records, equipment, fixtures, furniture and other personal property (the “*Remaining Property*”). Before the Debtors vacated the Premises, the Debtors evaluated the Remaining Property located at the Premises and determined that (a) the Remaining Property is of inconsequential value or (b) the cost of removing and storing the Remaining Property for future use, marketing, or sale exceeded its value to the Debtors’ estates. Because the Debtors have no intent to operate the stores at the Premises, the Remaining Property will no longer be necessary for the administration of the Debtors’ estates.

10. Accordingly, to reduce postpetition administrative costs and in the exercise of the Debtors' sound business judgment, the Debtors believe that the abandonment of the Remaining Property is appropriate and in the best interests of the Debtors, their estates, and their creditors.

### **BASIS FOR RELIEF**

#### **I. REJECTION OF THE REJECTION LEASES REFLECTS THE DEBTORS' SOUND BUSINESS JUDGMENT.**

11. Section 365(a) of the Bankruptcy Code provides that a debtor, "subject to the court's approval, may assume or reject any executory contract or unexpired lease of the debtor." 11 U.S.C. § 365(a). The purpose behind section 365(a) is "to permit the trustee or debtor-in-possession to use valuable property of the estate and to renounce title to and abandon burdensome property." *In re Republic Airways Holdings Inc.*, 547 B.R. 578, 582 (Bankr. S.D.N.Y. 2016) (quoting *In re Orion Pictures Corp. v. Showtime Networks, Inc. (In re Orion Pictures Corp.)*, 4 F.3d 1095, 1098 (2d Cir. 1993)); *see also In re Exide Techs.*, 607 F.3d 957, 967 (3d Cir. 2010) ("Courts may use § 365 to free a [debtor] from burdensome duties that hinder its reorganization."); *N.L.R.B. v. Bildisco and Bildisco (In re Bildisco)*, 465 U.S. 513, 528 (1984) ("[t]he authority to reject an executory contract is vital to the basic purpose to a Chapter 11 reorganization, because rejection can release the debtor's estate from burdensome obligations that can impede a successful reorganization."). Pursuant to Bankruptcy Rule 6006(f), a trustee or debtor in possession may file a motion for the authority to reject multiple leases. Fed. R. Bankr. P. 6006(f).

12. The standard applied by courts to determine whether the assumption or rejection of an unexpired nonresidential lease should be authorized is the "business judgment" test, which requires a debtor to have determined that the requested assumption or rejection would be beneficial to its estate. *See Grp. Of Institutional Inv'rs v. Chi., Milwaukee St. Paul & Pac. R.R.*, 318 U.S. 523, 550 (1943) (noting that "the question whether a lease should be rejected...is one of business

judgment”); *In re Bildisco*, 682 F.2d 72, 79 (3d Cir. 1982), *aff’d*, 465 U.S. 513 (“The usual test for rejection of an executory contract is simply whether rejection would benefit the estate, the ‘business judgment’ test.”); *accord In re HQ Glob. Holdings, Inc.*, 290 B.R. 507, 511 (Bankr. D. Del. 2003).

13. In applying the business judgment standard, bankruptcy courts give deference to a debtor’s decision to assume or reject leases. *See, e.g., Sharon Steel Corp. v. Nat’l Fuel Gas Distrib. Corp.*, 872 F.2d 36, 39-40 (3d Cir. 1989) (affirming the rejection of a service agreement as a sound exercise of the debtor’s business judgment when the bankruptcy court found that such rejection would benefit the debtors’ estate); *In re Trans World Airlines, Inc.*, 261 B.R. 103, 121 (Bankr. D. Del. 2001) (“[A] debtor’s decision to reject an executory contract must be summarily affirmed unless it is the product of bad faith, or whim, or caprice.”).

14. Rejection of the Rejection Leases is well within the Debtors’ business judgment and will serve to maximize the value of their estates. The Debtors seek authority to reject the Rejection Leases to avoid the incurrence of any additional unnecessary expenses related to the Rejection Leases and the maintenance of the Rejection Stores. The Debtors have concluded that the cost of maintaining the Rejection Stores outweighs any revenues that the Rejection Stores currently generate or are likely to generate in the future.

15. After evaluation and analysis, the Debtors have determined, in the exercise of their sound business judgment, that there is no net benefit that is likely to be realized from the Debtors’ continued efforts to retain and potentially market the Rejection Leases and that there is little, if any, likelihood that the Debtors will be able to realize value from the Rejection Leases. Accordingly, the Debtors have concluded that rejection of the Rejection Leases is in the best interest of the Debtors’ estates, their creditors, and other parties in interest.

**II. THE COURT SHOULD DEEM THE REJECTION LEASES REJECTED EFFECTIVE AS OF THE PETITION DATE AND AUTHORIZE DEBTORS TO ABANDON THE REMAINING PROPERTY.**

16. Section 365 of the Bankruptcy Code does not restrict a bankruptcy court from applying rejection retroactively. *See In re Jamesway Corp.*, 179 B.R. 33, 37 (S.D.N.Y. 1995) (stating that section 365 does not include “restrictions as to the manner in which the court can approve rejection”); *see also In re CCI Wireless, LLC*, 297 B.R. 133, 138 (D. Colo. 2003) (noting that section 365 “does not prohibit the bankruptcy court from allowing the rejection of leases to apply retroactively”).

17. Courts have held that a bankruptcy court may, in its discretion, authorize rejection retroactively to a date prior to entry of an order authorizing such rejection where the balance of equities favors such relief. *See In re Thinking Machs. Corp.*, 67 F.3d 1021, 1029 (1st Cir. 1995) (stating that “rejection under section 365(a) does not take effect until judicial approval is secured, but the approving court has the equitable power, in suitable cases, to order a rejection to operate retroactively”); *In re Chi-Chi’s, Inc.*, 305 B.R. 396, 399 (Bankr. D. Del. 2004) (stating “the court’s power to grant retroactive relief is derived from the bankruptcy court’s equitable powers so long as it promotes the purposes of § 365(a)”; *In re CCI Wireless, LLC*, 297 B.R. at 140 (holding that a “court has authority under section 365(d)(3) to set the effective date of rejection at least as early as the filing date of the motion to reject”).

18. Here, the equities of these Chapter 11 Cases favor the Court’s approval of the retroactive rejection of the Rejection Leases to the Petition Date. Without such relief, the Debtors will potentially incur unnecessary administrative expenses related to the Rejection Leases—agreements that provide no benefit to the Debtors’ estates in light of their goal to maximize value of the business as a going concern. *See* 11 U.S.C. § 365(d)(3).

19. Moreover, the Landlords will not be unduly prejudiced if the Rejection Leases are rejected effective as of the Petition Date because the Debtors have served this Motion on the Landlords and/or their agents or representatives by electronic mail and/or facsimile, on the date hereof, and by overnight mail, the following day, stating that the Debtors intend to reject the Rejection Leases effective as of the Petition Date. Furthermore, the Debtors have, on or before the date hereof, turned over the keys to the Premises to the Landlords or their representatives and abandoned the Premises, and in conjunction therewith indicated that they were unequivocally surrendering possession of the Premises as a result thereof. Therefore, based on the Debtors' desire to eliminate the potential for administrative claims against their estates, and to avoid the potential accrual of any further obligations under the Rejection Leases, the Debtors respectfully submit that the retroactive rejection of the Rejection Leases as of the Petition Date is appropriate.

20. Further, the abandonment of the Remaining Property is appropriate and authorized by the Bankruptcy Code. *See* 11 U.S.C. § 554(a). Section 554(a) provides that “[a]fter notice and a hearing, the trustee may abandon any property of the estate that is burdensome to the estate or that is of inconsequential value and benefit to the estate.” *Id.* Courts generally give a debtor in possession great deference to its decision to abandon property. *See In re Vel Rey Props., Inc.*, 174 B.R. 859, 867 (Bankr. D.D.C. 1994) (“Clearly, the court should give deference to the trustee’s judgment in such matters.”). Unless certain property is harmful to the public, once a debtor has shown that it is burdensome or of inconsequential value to the estate, a court should approve the abandonment. *Id.*

21. Before deciding to abandon any Remaining Property, the Debtors determined that the costs of moving and storing such Remaining Property outweighed any benefit to the Debtors’

estates. Further, any efforts by the Debtors to move or market the Remaining Property would have unnecessarily delayed the Debtors' rejection of the Rejection Leases.

22. Accordingly, the Debtors respectfully submit that the Court deem the Rejection Leases rejected effective as of the Petition Date and authorize the Debtors to abandon the Remaining Property as of such date.

### **RESERVATION OF RIGHTS**

23. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (f) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law.

### **NOTICE**

24. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange

Commission; (n) the United States Drug Enforcement Agency; (o) the United States Food and Drug Administration; (p) the counterparties to the Rejection Leases (via overnight mail) and (q) all parties requesting notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, under the circumstances, no other or further notice is required.

*[Remainder of page intentionally left blank.]*

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Order, granting the relief requested in this Motion and such other relief as may be just and proper.

5. Any proofs of claim for damages in connection with the rejection of the Rejection Leases, if any, shall be filed on or before the later of (a) the claims bar date established by the Court in these Chapter 11 Cases, if any, and (b) thirty (30) days after entry of this Order.

6. Nothing in the Motion or this Order, shall be construed as: (i) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (ii) a waiver of the Debtors' rights to Dispute any claim or lien on any grounds; (iii) a promise to pay any claim; or (iv) an implication or admission that any particular claim would constitute an allowed claim. Nothing contained in this Order shall be deemed to increase, decrease, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

7. The requirements set forth in Bankruptcy Rules 6006 and 6007 are satisfied.

8. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation and/or interpretation of this Order.

This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “**Local Rules**”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 363(b), 506(a), 507(a)(8), 541, and 1505 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “**Bankruptcy Code**”) and rule 6003 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

## BACKGROUND

2. On June 23, 2020 (the “**Petition Date**”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “**Chapter 11 Cases**”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

3. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings*,

*Inc. in Support of Chapter 11 Petitions and First Day Pleadings (the “First Day Declaration”)*<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

4. The Debtors together with their non-Debtor affiliates (collectively, the “*Company*”) are a leading retailer of a premium assortment of health, wellness, and performance products with a worldwide network of approximately 7,500 company-owned and franchised locations worldwide, including in Canada. GNC Holdings, a publicly traded Delaware corporation, is the ultimate parent of the Company’s corporate group. Debtor General Nutrition Centres Company (“*GNC Canada*”) is the operating entity for the Debtors’ business in Canada. GNC Canada is an indirect wholly-owned subsidiary of GNC Holdings. All material decisions regarding GNC Canada and its operations are made by personnel located at the Company’s Pittsburgh headquarters, and substantially all of its books and records are located in the United States. Further, proposed co-counsel to the Debtors, Young, Conaway, Stargatt & Taylor LLP holds an approximately \$50,000 retainer from GNC Canada pursuant to its engagement letter with GNC Canada. As a result, the center of main interest for GNC Canada is located in the United States.

5. Following the filing of these Chapter 11 Cases, the Debtors intend to commence an ancillary proceeding (the “*Ancillary Proceeding*”) under Part IV of the *Companies’ Creditors Arrangement Act* (Canada), R.S.C. 1985, c. C-36 (as amended, the “*CCAA*”), in the Ontario

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court’s website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors’ proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

Superior Court of Justice (Commercial List) (the “*Canadian Court*”).<sup>4</sup> GNC Holdings, as the proposed foreign representative for the Debtors in the Ancillary Proceeding, intends to seek recognition of these Chapter 11 Cases and certain orders entered in the Chapter 11 Cases.

### **BASIS FOR RELIEF**

6. Section 1505 of the Bankruptcy Code allows a debtor in possession to obtain a court order recognizing the debtor in possession as the foreign representative of the debtor’s estate, in order to submit a petition to a foreign court requesting recognition of the debtor’s Chapter 11 case. Specifically, Section 1505 of the Bankruptcy Code provides:

A trustee or another entity (including an examiner) may be authorized by the court to act in a foreign country on behalf of an estate created under section 541. An entity authorized to act under this section may act in any way permitted by the applicable foreign law.

11 U.S.C. § 1505. Section 1505 only applies to cases filed under chapters other than Chapter 15 of the Bankruptcy Code because a Chapter 15 case does not create an estate under Section 541. For Chapter 11 Cases, authority to act as a foreign representative may be granted to the debtor in possession because a “trustee,” as defined by Section 1502(6) of the Bankruptcy Code, “includes... a debtor in possession in a case under any chapter of this title.” *Id.* § 1502(6).

7. The purpose of section 1505 is to allow a debtor to petition a foreign court for recognition of its chapter 11 case, and to request that the foreign court cooperate with and lend assistance to the debtor and the United States Bankruptcy Court in meeting the objectives of both chapter 15 of the Bankruptcy Code and the UNCITRAL Model Law on Cross-Border Insolvency

---

<sup>4</sup> The Debtors intend to propose that FTI Consulting Canada Inc. be appointed by the Canadian Court as information officer in the CCAA proceedings (the “*Information Officer*”). The Information Officer will serve as an officer of the Canadian Court and report to the Canadian Court from time to time (including at the hearing on the initial application) on the status of these Chapter 11 Cases, the Debtors’ proposed restructuring, and any other information that may be material to the Canadian Court.

(the “*Model Law*”)<sup>5</sup>, on which Chapter 15 is based. These objectives are stated in section 1501 of the Bankruptcy Code:

- (a) The purpose of this chapter is to incorporate the Model Law on Cross-Border Insolvency so as to provide effective mechanisms for dealing with cases of cross-border insolvency with the objectives of—
  - (1) cooperation between—
    - (A) courts of the United States, United States trustees, trustees, examiners, debtors, and debtors in possession; and
    - (B) the courts and other competent authorities of foreign countries involved in cross-border insolvency cases;
  - (2) greater legal certainty for trade and investment;
  - (3) fair and efficient administration of cross-border insolvencies that protects the interests of all creditors, and other interested entities, including the debtor;
  - (4) protection and maximization of the value of the debtor’s assets; and
  - (5) facilitation of the rescue of financially troubled businesses, thereby protecting investment and preserving employment.

*Id.* § 1501.<sup>6</sup> Thus, the authority sought by a debtor under section 1505 is specific to seeking recognition of the debtor’s Chapter 11 case and fostering cooperation between the bankruptcy court and foreign courts.

---

<sup>5</sup> The UNCITRAL Model Law on Cross Border Insolvency, together with the Guide to Enactment, can be found at <https://www.uncitral.org/pdf/english/texts/insolven/1997-Model-Law-Insol-2013-Guide-Enactment-e.pdf>.

<sup>6</sup> The preamble of the Model Law is virtually identical:

The purpose of this Law is to provide effective mechanisms for dealing with cases of cross-border insolvency so as to promote the objectives of:

- (a) Cooperation between the courts and other competent authorities of this State and foreign States involved in cases of cross-border insolvency;
- (b) Greater legal certainty for trade and investment;
- (c) Fair and efficient administration of cross-border insolvencies that protects the interests of all creditors and other interested persons, including the debtor;

8. An explicit grant of authority to act as the foreign representative is meant to facilitate the process of petitioning for recognition in a foreign court. For this reason, Article 5 of the Model Law provides that the person or body administering a reorganization or liquidation in a country that has enacted the Model Law (an “*Enacting State*”) “is authorized to act in a foreign State on behalf of a proceeding under . . . the laws of the enacting State relating to insolvency.” Model Law Art. 5. The Guide to Enactment and Interpretation of the UNCITRAL Model Law on Cross-Border Insolvency (the “*Guide to Enactment*”) <sup>7</sup> explains that

[t]he lack of such authorization in some States has proved to be an obstacle to effective international cooperation in cross-border cases. An [E]nacting State in which administrators are already equipped to act as foreign representatives may decide to forgo inclusion of article 5, although even such a[n Enacting] State might want to keep article 5 in order to provide clear statutory evidence of that authority.

See Guide to Enactment ¶ 84. Clear evidence of a Chapter 11 debtor’s authority to act in a foreign country is particularly necessary because a Chapter 11 case commences immediately upon the filing of a petition, with no order signed by the court that explicitly appoints the debtor as the fiduciary or trustee of the debtor’s estate. The fact that a Chapter 11 debtor has this authority by virtue of being a debtor in possession may not be persuasive to a foreign court.

9. Moreover, absent a court order, a Chapter 11 debtor may find it difficult to satisfy the requirements of a petition for recognition. These requirements are substantially similar in most countries that have adopted the Model Law, including Canada. Specifically, section 46 of the

- 
- (d) Protection and maximization of the value of the debtor’s assets; and
  - (e) Facilitation of the rescue of financially troubled businesses, thereby protecting investment and preserving employment.

<sup>7</sup> The Guide to Enactment prepared by the Secretariat pursuant to the request of UNICTRAL is based on the deliberations and Commissions at the thirtieth session, when the Model Law was adopted, as well as on considerations of the Working Group on Insolvency Law, which conducted the preparatory work. The Guide is intended to “provide useful insight to those charged with interpretation and application of the Model Law, such as judges.”

CCAA (which is similar to chapter 15) provides that an application for recognition of a foreign proceeding made by a foreign representative<sup>8</sup> shall be accompanied by

(a) a certified copy of the instrument, however designated, that commenced the foreign proceeding or a certificate from the foreign court affirming the existence of the foreign proceeding;

(b) a certified copy of the instrument, however designated, authorizing the foreign representative to act in that capacity or a certificate from the foreign court affirming the foreign representative's authority to act in that capacity; and

(c) a statement identifying all foreign proceedings in respect of the debtor company that are known to the foreign representative.

CCAA § 46. Because of the differences between Chapter 11 of the Bankruptcy Code and most other national insolvency laws, a Chapter 11 debtor generally does not have the type of evidence specified above. Congress therefore modified the text of Article 5 of the Model Law when incorporating it into section 1505 of the Bankruptcy Code. The legislative history to section 1505 explains the reason for this variance in the text as codified by Chapter 15:

While the Model Law automatically authorizes an administrator to act abroad, this section requires all trustees and debtors to obtain court approval before acting abroad. That requirement is a change from the language of the Model Law, but one that is purely internal to United States law. Its main purpose is to ensure that the court has knowledge and control of possibly expensive activities, but it will have the collateral benefit of providing further assurance to foreign courts that the United States debtor or representative is under judicial authority and supervision.

*See* H.R. Rep. No. 109-31, pt. 1, 108 (2005), as reprinted in 2005 U.S.C.C.A.N. 88, 171.

---

<sup>8</sup> Under the CCAA, a person or entity must be duly authorized as a "foreign representative" to commence such an ancillary proceeding. Specifically, under section 45(1) of the CCAA, a "foreign representative" is defined as "a person or body, including one appointed on an interim basis, who is authorized, in a foreign proceeding [in] respect of a debtor company, to (a) monitor the debtor company's business and financial affairs for the purpose of reorganization; or (b) act as a representative in respect of the foreign proceeding."

10. If the relief sought by this Motion is granted, GNC expects to immediately submit an application to the Canadian Court that seeks recognition of the Chapter 11 Cases as foreign main proceedings.

11. Consistent with one of the key objectives of the Model Law—to provide “[c]ooperation between the courts and other competent authorities . . . involved in cases of crossborder insolvency” (Model Law, preamble)—the application for recognition that GNC Holdings will file, if this Motion is granted, will seek to obtain the assistance of the Canadian Court. If the Canadian Court decides to recognize the Chapter 11 Cases as foreign main proceedings, the Debtors will benefit from the protection of an automatic stay against commencement or continuation of actions or proceedings concerning the Debtors’ assets, rights, obligations, and liabilities in Canada, which stay would be in addition to the discretion of the Canadian Court to otherwise order a stay under Canadian law. In addition, the foreign representative can seek a wide range of relief from the Canadian Court where it is necessary to protect the assets of the Debtors or the interests of its creditors in Canada. Based on the foregoing, the Debtors submit that there is sufficient statutory basis and ample justification for this Court to grant the relief requested.

12. Authorizing GNC Holdings to act as the foreign representative of the Debtors’ estates is appropriate. First, such relief permits the Debtors to seek recognition of their Chapter 11 Cases in Canada in order to protect and maximize the value of their global assets. Second, as a Debtor in these Chapter 11 Cases and as the ultimate parent of each Debtor, GNC Holdings is well-positioned to represent the Debtors in foreign proceedings and to serve as a conscientious foreign representative to ensure that the Ancillary Proceeding is well-coordinated with these

Chapter 11 Cases. Third, authorizing GNC Holdings to serve as the foreign representative will avoid the added expense of retaining a third party to act as such.

13. This Court is the proper venue in these Chapter 11 Cases because the majority of assets and back-office operations of each Debtor is in the United States. The Debtors' corporate office are located in Pittsburgh, Pennsylvania, and the majority of the Debtors' directors and officers, including all of the directors and officers of GNC Canada, reside in the United States.

#### **BANKRUPTCY RULE 6003 HAS BEEN SATISFIED**

14. Certain aspects of the relief requested herein are subject to Bankruptcy Rule 6003 which governs the availability of certain types of relief within 21 days after the Petition Date. Pursuant to Bankruptcy Rule 6003, a court may grant this relief on an expedited basis if it is necessary to avoid immediate and irreparable harm. The Debtors submit that because the Debtors cannot commence the Ancillary Proceeding under the CCAA until a foreign representative is appointed, the relief requested by this Motion is necessary to avoid immediate irreparable harm to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied. to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied.

#### **RESERVATION OF RIGHTS**

15. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or

(g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

### **NOTICE**

16. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) the indenture trustee for the Debtors' prepetition convertible notes; (g) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (h) the United States Attorney's Office for the District of Delaware; (i) the attorneys general for all 50 states and the District of Columbia; (j) the United States Department of Justice; (k) the Internal Revenue Service; (l) the Securities and Exchange Commission; (m) the United States Drug Enforcement Agency; (n) the United States Food and Drug Administration; and (o) all parties requesting notice pursuant to Bankruptcy Rule 2002. Notice of this Motion and any order entered hereon will be served in accordance with Local Rule 9013-1(m). The Debtors submit that, under the circumstances, no other or further notice is required.

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Orders, granting the relief requested in this Motion and such other relief as may be just and proper.

## JURISDICTION

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “**Local Rules**”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 363(b), 363(c), and 364(c) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “**Bankruptcy Code**”) and rule 6003 of the Federal Rules of Bankruptcy Procedure (the “**Bankruptcy Rules**”).

## BACKGROUND

3. On June 23, 2020 (the “**Petition Date**”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “**Chapter 11 Cases**”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies’ Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is

set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the “**First Day Declaration**”)<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

### **THE DEBTORS’ INSURANCE PROGRAM**

6. In the ordinary course of business, the Debtors maintain certain insurance policies that are administered by multiple third-party insurance carriers (the “**Insurance Carriers**”), which provide coverage for, among other things, general liability, products liability, worker’s compensation,<sup>4</sup> fiduciary liability, executive risk liability, employment practices liability, business auto liability, crime liability, directors’ and officers’ liability, umbrella liability, international liability, property liability, stock through put, cyber liability, and aviation liability (collectively, the “**Insurance Policies**”). A detailed list of the Insurance Policies that are currently held by the Debtors is attached hereto as **Exhibit C**.<sup>5</sup> The Insurance Policies are essential to the preservation of the Debtors’ businesses, property, and assets, and, in some cases, the coverage may be required by various laws and regulations, as well as the terms of the Debtors’ various commercial contracts.

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court’s website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors’ proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

<sup>4</sup> The Debtors have separately sought authorization to honor their obligations under their workers’ compensation programs as part of the contemporaneously filed *Motion of Debtors for Orders (A) Authorizing Payment of Certain Prepetition Workforce Obligations, (B) Authorizing Continuance of Workforce Programs, (C) Authorizing Payment of Withholding and Payroll-Related Taxes, and (D) Authorizing Payment of Prepetition Claims Owing to Workforce Program Administrators*. The Debtors, however, have additionally included hereunder reference to workers’ compensation insurance and the attendant premiums associated with that coverage out of an abundance of caution.

<sup>5</sup> The Debtors request authority to honor obligations and renew all insurance policies, as applicable, notwithstanding any failure of the Debtors to include a particular insurance policy on **Exhibit C**.

The Debtors believe the Insurance Policies provide coverage that is typical in scope and amount for businesses within the Debtors' industry.

7. Certain of the Debtors' Insurance Carriers permit the Debtors to defer payment of certain premiums, deductibles, and fees by providing the Insurance Carrier with security in the form of an irrevocable letter of credit. The Debtors have outstanding eight (8) letters of credit totaling approximately \$5.1 million. A list of the Debtors' irrevocable letters of credit issued by JPMorgan Chase Bank, N.A. for the benefit of certain Insurance Carriers is attached hereto as **Exhibit D**.

8. The Debtors typically obtain their Insurance Policies through Willis of Pennsylvania, Inc. (the "**Broker**"), pursuant to that certain Service Agreement covering the period through August 7, 2022 (the "**Broker Contract**").<sup>6</sup> The Broker assists the Debtors in obtaining comprehensive insurance coverage and providing related services. The Broker also assists with procuring and negotiating the Insurance Policies, enabling the Debtors to obtain the Insurance Policies on advantageous terms and at competitive rates. The Broker Contract provides for an annual fee to the Broker of \$365,000. These fees are in addition to the premium paid for the insurance policies purchased through the Broker and are payable in quarterly installments that commenced on August 7, 2019 – with net 60 day payments terms. For the August 2019 to August 2020 service year, the Debtors have paid to the Broker \$273,750, and have one quarterly payment of \$91,250 remaining as of the Petition Date, which is due by July 6, 2020.

9. Should the Broker terminate the Broker Contract, the Debtors would have to seek out their own insurance policies or find a new broker, potentially at greater expense, to assist the

<sup>6</sup> Prior to the Petition Date the Debtors obtained renewals of certain Insurance Policies set to expire shortly after the Petition Date. The Debtors engaged CAC Specialty as a broker to obtain such extensions, and CAC Specialty was paid from the premiums for the policy extensions, and is not owed any prepetition claims.

Debtors in obtaining comprehensive insurance coverage and providing related services. Accordingly, maintaining their relationship with the Broker allows the Debtors to obtain the insurance coverage necessary to operate their businesses in a reasonable and prudent manner and to realize savings in the procurement of the policies. The Debtors, therefore, believe that it is in the best interests of their creditors and estates to continue their business relationship with the Broker.

10. The Debtors pay premiums for certain of their Insurance Policies through a premium financing agreement with BankDirect Capital Finance (“**Premium Financing Agreement**”). The Premium Financing Agreement was effective as of April 1, 2020, and the Debtors made a down payment of \$84,124.25. The Debtors’ remaining payment obligations under the Premium Financing Agreement, including interest, total \$106,451.22, which are to be paid in two quarterly installments of \$53,225.61.

11. The total amount paid in annual premiums and payments associated with all of the Insurance Policies is approximately \$6.2 million. The Debtors’ Insurance Policies renew at various times throughout each year. The majority of the Insurance Policies are paid in full, but certain policies are paid in monthly installments, and others are paid in installments under the Premium Financing Agreement. The Debtors are not aware of any pending requests for payment under the Insurance Policies. However, in the event that a request for payment of amounts attributable to the period prior to the Petition Date is outstanding or is received by the Debtors in connection with the Insurance Policies, including under the Premium Financing Agreement, the Debtors request authority to pay the prepetition amounts (the “**Prepetition Insurance Obligations**”). The Debtors further request authority to renew, revise, or extend the existing Insurance Policies or to obtain new insurance policies postpetition.

## THE DEBTORS' BONDING PROGRAM

12. In the ordinary course of business, the Debtors are required by certain applicable statutes, rules, and regulations to maintain bonds in favor of certain third parties to secure the Debtors' payment or performance of certain obligations, often to governmental units or other public agencies (the "**Bonding Program**"). The Bonding Program covers a range of obligations, including, among other things, obligations related to state programs, taxes, and utilities (the "**Covered Obligations**"). A detailed list of the bonds that are currently maintained by the Debtors is attached hereto as **Exhibit E**.<sup>7</sup> The Debtors believe that the Bonding Program provides coverage that is typical in scope and amount for businesses within the Debtors' industry.

13. As of the Petition Date, the Debtors have outstanding twenty-one (21) surety bonds (the "**Surety Bonds**") totaling approximately \$666,427. The Surety Bonds renew on a yearly basis at various points throughout the year, and the Surety Bond premium is paid on renewal. The total amount paid in annual premiums and payments associated with all of the surety bonds is approximately \$13,020.

14. Willis also serves as the Debtors' Broker for Surety Bonds and manages the Debtors' relationships with the Sureties. Among other things, the Broker assists the Debtors in selecting the appropriate Sureties (subject to the Debtors' approval) and represents the Debtors in negotiations with the Sureties. The Broker has allowed the Debtors to obtain the bonding coverage necessary to operate their businesses in a reasonable and prudent manner, and to realize savings in the procurement of such policies. The Broker is paid by commission for Surety Bond placements,

---

<sup>7</sup> The Debtors request authority to honor obligations and renew all bonds, as applicable, notwithstanding any failure of the Debtors to include a particular bond on **Exhibit E**.

and such commissions are paid from the premium payments the Debtors make under the Bonding Program.

15. The issuance of a Surety Bond shifts the risk of the Debtors' nonperformance or nonpayment of their obligations covered by the Surety Bond from the beneficiary of the surety to the surety (each a "***Surety***"). If the Debtors fail to pay Covered Obligations, the applicable Surety will pay the Debtors' obligations up to a specified amount. Unlike an insurance policy, if a Surety incurs a loss on a Surety Bond, the surety is entitled to recover the full amount of that loss from the Debtors.

16. To continue their business operations, the Debtors must be able to provide financial assurances to federal and state governments, regulatory agencies, and other third parties. This in turn requires the Debtors to maintain the existing Bonding Program, including paying the premiums and any related fees as they come due, as well as renewing or potentially acquiring additional bonding capacity as needed in the ordinary course of their businesses, requesting releases from obsolete bonding obligations, and executing other agreements in connection with the Bonding Program. The success of the Debtors' efforts to operate effectively and efficiently will depend on the maintenance of the Bonding Program on an uninterrupted basis. No feasible alternative to maintaining the Bonding Program exists.

17. As of the Petition Date, the Debtors believe that all premium payments due and owing under the Bonding Program have been paid in full and the Debtors are not aware of any pending requests for payment by the Sureties. However, the Debtors request that they be authorized to maintain the Bonding Program in the same manner as they did prepetition and to pay any prepetition claims arising under the Bonding Program (the "***Prepetition Bonding Obligations***"). The Debtors further request authority to honor the current bonds in place and

revise, extend, supplement, or change the Bonding Program as needed, including through the issuance of new surety bonds, postpetition.

### **BASIS FOR RELIEF**

#### **I. PAYING PREPETITION INSURANCE OBLIGATIONS AND RENEWAL OF THE INSURANCE POLICIES IS NECESSARY TO COMPLY WITH VARIOUS LEGAL REQUIREMENTS AND GUIDELINES**

18. Maintaining insurance coverage under the various Insurance Policies on an uninterrupted basis is essential to the continued operation of the Debtors' businesses and, in some cases, is required under the United States Trustee's Operating Guidelines for Chapter 11 Cases (the "*Operating Guidelines*"), laws and regulations applicable to the Debtors' businesses, the laws of the various states in which the Debtors operate, and the Debtors' various contractual commitments. *See* Operating Guidelines Sec. 3 (requiring maintenance of appropriate insurance coverage).

19. The Debtors believe that the ordinary course maintenance of their insurance coverage, including paying all Prepetition Insurance Obligations, satisfying all postpetition commitments to the Insurance Carriers, renewing the Insurance Policies, entering into new insurance or premium financing arrangements, and paying any Broker's fees, without further order of the Court, is necessary and essential to the Debtors' achievement of their chapter 11 objectives, especially where, as here, the Debtors' failure to take all actions necessary to honor their obligations to and preserve their relationships with the Insurance Carriers could have disastrous consequences for the Debtors' estates.

#### **II. PAYING PREPETITION INSURANCE OBLIGATIONS AND PREPETITION BONDING OBLIGATIONS IS A SOUND EXERCISE OF BUSINESS JUDGMENT.**

20. The Debtors should be authorized to pay Prepetition Insurance Obligations and Prepetition Bonding Obligations under section 363(b) of the Bankruptcy Code. Section 363(b)

provides, in relevant part, that a debtor “may use, sell, or lease, other than in the ordinary course of business, property of the estate” after notice and a hearing. 11 U.S.C. § 363(b)(1). Generally, the debtor is only required to “show that a sound business purpose” justifies the proposed use of property. *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999); *see also In re Phx. Steel Corp.*, 82 B.R. 334, 335-36 (Bankr. D. Del. 1987) (requiring “good business reason” for use under section 363(b) of the Bankruptcy Code). This standard generally bars other parties from second-guessing the debtor’s business judgment if the debtor has shown that a use of property will benefit the debtor’s estate. *See In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) (“Where the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor’s conduct.”); *see also In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) (“Overcoming the presumptions of the business judgment rule on the merits is a near-Herculean task.”).

21. The Debtors’ sound business judgment supports paying the Prepetition Insurance Obligations and the Prepetition Bonding Obligations because the failure to pay the obligations could result in: (a) the cancellation of the Insurance Policies or the surety bonds; (b) the Debtors’ inability to obtain renewal of the Insurance Policies or surety bonds on terms that are as competitive; and (c) the violation of the Operating Guidelines, applicable laws and regulations, various contractual commitments, or the fiduciary duties of the Debtors as debtors in possession. Each of these outcomes would be detrimental to the Debtors, their creditors, and their estates and would create unnecessary risks that far outweigh the cost of paying the applicable prepetition amounts. Accordingly, the Debtors should be authorized to pay the Prepetition Insurance Obligations and Prepetition Bonding Obligations under section 363(b) of the Bankruptcy Code.

### **III. PAYING THE PREPETITION INSURANCE OBLIGATIONS AND PREPETITION BONDING OBLIGATIONS IS NECESSARY TO THE DEBTORS' REORGANIZATION.**

22. The Debtors should also be authorized to pay the Prepetition Insurance Obligations and the Prepetition Bonding Obligations because doing so is necessary to the success of their reorganization. Section 105(a) of the Bankruptcy Code provides that a bankruptcy court “may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions” of the Bankruptcy Code. 11 U.S.C. § 105(a). Courts have interpreted this provision to authorize payments on prepetition claims where the payments are essential to the success of the debtor’s reorganization under what is known as the “necessity of payment doctrine.” *See In re Lehigh & New Eng. Ry.*, 657 F.2d 570, 581 (3d Cir. 1981) (“Thus, the ‘necessity of payment’ doctrine...teaches no more than, if a payment of a claim which arose prior to reorganization is essential to the continued operation of the [debtor’s business] during reorganization, payment may be authorized...”); *see also In re Just for Feet, Inc.*, 242 B.R. 821, 824–25 (D. Del. 1999) (holding that section 105(a) “provides a statutory basis for payment of pre-petition claims” under necessity of payment doctrine); *In re Columbia Gas Sys., Inc.*, 171 B.R. 189, 191-92 (Bankr. D. Del. 1994) (“The appropriate standard...is commonly referred to as ‘the necessity of payment doctrine.’”).

23. Paying the Prepetition Insurance Obligations and Prepetition Bonding Obligations is necessary to avoid cancellation, default, alteration, assignment, attachment, lapse, or any form of impairment to the coverage, benefits, or proceeds provided under the Insurance Policies and the Bonding Program, and to maintain good relationships with the Insurance Carriers, the Broker, and the Sureties. If any of those risks were to materialize, they could cause substantial disruptions and expose the Debtors to liabilities significantly greater than the amount of the obligations to be paid. These consequences could derail the Debtors’ restructuring efforts and, therefore, paying the

Prepetition Insurance Obligations and the Prepetition Bonding Obligations should be approved under section 105(a) of the Bankruptcy Code and the necessity of payment doctrine.

**IV. THE DEBTORS SHOULD BE AUTHORIZED TO MAINTAIN POSTPETITION INSURANCE COVERAGE AND THE BONDING PROGRAM AND TO ENTER INTO NEW COVERAGE.**

24. The Debtors submit that section 363(c) of the Bankruptcy Code provides statutory authority for the Debtors' request for authorization to satisfy all of the Debtors' postpetition commitments with respect to the Insurance Carriers and the Broker, renew the Insurance Policies and Surety Bonds, or enter into new insurance policies, premium financing arrangements, and surety bonds. Section 363(c) provides that a debtor in possession may "enter into transactions" in the ordinary course without notice or a hearing. *See* 11 U.S.C. § 363(c). In evaluating whether a transaction is in the ordinary course, a court must determine whether it is "of the sort commonly undertaken by companies in [the debtor's] industry" and whether it subjects a hypothetical creditor "to economic risk of a nature different from those he accepted when he decided to extend credit." *In re Roth Am., Inc.*, 975 F.2d 949, 952–53 (3d Cir. 1992).

25. Maintaining the Insurance Policies and the Bonding Program and honoring postpetition obligations arising thereunder and under the Broker Contract, including undertaking renewals of the Insurance Policies and the Surety Bonds as they expire or entering into new insurance arrangements, premium financing arrangements or surety contracts, are each the type of ordinary course transactions contemplated by section 363(c) of the Bankruptcy Code. In the event, however, that this Court believes that any actions are not properly characterized as transactions in the ordinary course of the Debtors' business, the Debtors respectfully request that this Court authorize the Debtors to take actions pursuant to section 363(b) of the Bankruptcy Code as a sound exercise of their business judgment.

26. Relief similar to the relief requested herein has been granted in this district in numerous Chapter 11 Cases. *See, e.g., In re Vitamin World, Inc.*, No. 17-11933 (KJC) (Bankr. D. Del. Oct. 6, 2017); *In re Panda Temple Power, LLC*, No. 17-10839 (LSS) (Bankr. D. Del. Apr. 20, 2017); *In re Gen. Wireless Operations Inc. dba RadioShack*, No. 17-10506 (BLS) (Bankr. D. Del. Mar. 10, 2017); *In re Chaparral Energy, Inc.*, No. 16-11144 (LSS) (Bankr. D. Del. May 11, 2016).

**PROCESSING OF CHECKS AND  
ELECTRONIC FUND TRANSFERS SHOULD BE AUTHORIZED**

27. The Debtors have sufficient funds to pay any amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to debtor-in-possession financing and cash collateral. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Prepetition Insurance Obligations and Prepetition Bonding Obligations. Accordingly, the Debtors believe there is minimal risk that checks or wire transfer requests that the Court has not authorized will be inadvertently made. Therefore, the Debtors respectfully request that the Court authorize all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

**BANKRUPTCY RULE 6003 HAS BEEN SATISFIED AND  
BANKRUPTCY RULE 6004 SHOULD BE WAIVED**

28. Certain aspects of the relief requested herein are subject to Bankruptcy Rule 6003, which governs the availability of certain types of relief within 21 days after the Petition Date. Pursuant to Bankruptcy Rule 6003, a court may grant this relief on an expedited basis if it is necessary to avoid immediate and irreparable harm. The Debtors submit that the facts set forth

herein and in the First Day Declaration demonstrate that the relief requested is necessary to avoid immediate and irreparable harm to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied.

29. Additionally, with respect to any aspect of the relief sought herein that constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a), to the extent not satisfied, and of the fourteen-day stay under Bankruptcy Rule 6004(h). As described above, the relief that the Debtors seek in this Motion is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates. The Debtors thus submit that the requested waiver of the notice requirements of Bankruptcy Rule 6004(a) and of the fourteen-day stay imposed by Bankruptcy Rule 6004(h) is appropriate.

#### **RESERVATION OF RIGHTS**

30. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

**ORDERED, ADJUDGED AND DECREED THAT:**

1. The Motion is GRANTED on an interim basis as set forth herein.

7. The Debtors' banks and financial institutions may rely on the representations of the Debtors with respect to whether any check or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to this Interim Order, and any such bank or financial institution shall not have any liability to any party for relying on such representations by the Debtors as provided for in this Interim Order.

8. **MOTION OF DEBTORS FOR ORDER  
AUTHORIZING JOINT ADMINISTRATION OF CHAPTER 11 CASES**

---

The debtors in possession in the above-captioned cases (collectively, the “*Debtors*”) hereby move (this “*Motion*”) and respectfully state as follows:

## **RELIEF REQUESTED**

1. By this Motion, the Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A** (the “*Proposed Order*”), directing the joint administration of the Debtors’ Chapter 11 Cases for procedural purposes only.

## **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “*Local Rules*”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are rule 1015(b) of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”), and Local Rule 1015-1.

## **BACKGROUND**

3. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “*Chapter 11 Cases*”) under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “*Bankruptcy Code*”). The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies' Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the "**First Day Declaration**")<sup>1</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>2</sup>

#### **BASIS FOR RELIEF**

6. Bankruptcy Rule 1015(b) provides that "if . . . two or more petitions are pending in the same court by or against . . . a debtor and an affiliate, the court may order joint administration of the estates" of the debtor and such affiliates. *See* Fed. R. Bankr. P. 1015(b)(4). Section 101(2) of the Bankruptcy Code, in turn, defines the term "affiliate" in pertinent part, as follows:

(A) [an] entity that directly or indirectly owns, controls, or holds with power to vote, 20 percent or more of the outstanding voting securities of the debtor . . . ;

(B) [a] corporation 20 percent or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote, by the debtor, or by an entity that directly or indirectly owns, controls, or holds with power to vote, 20 percent or more of the outstanding voting securities of the debtor . . . ;

---

<sup>1</sup> Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to such terms in the First Day Declaration.

<sup>2</sup> The First Day Declaration and other relevant case information is available from (a) the Court's website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors' proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/GNC>.

(C) [a] person whose business is operated under a lease or operating agreement by a debtor, or person substantially all of whose property is operated under an operating agreement with the debtor; or

(D) [an] entity that operates the business or substantially all of the property of the debtor under a lease or operating agreement.

11 U.S.C. § 101(2).

7. Further, Local Rule 1015-1 provides the following:

[a]n order of joint administration may be entered, without notice and an opportunity for hearing, upon the filing of a motion for joint administration pursuant to Fed. R. Bankr. P. 1015, supported by an affidavit, declaration or verification, which establishes that the joint administration of two or more cases pending in this Court under title 11 is warranted and will ease the administrative burden for the Court and the parties.

Del. Bankr. L.R. 1015-1.

8. The Debtors are “affiliates” as that term is defined in section 101(2) of the Bankruptcy Code and as used in Bankruptcy Rule 1015(b). Accordingly, joint administration of the Chapter 11 Cases is appropriate under Bankruptcy Rule 1015(b) and Local Rule 1015-1.

9. The Debtors anticipate that numerous notices, applications, motions, other pleadings, hearings, and orders in the Chapter 11 Cases will affect all of the Debtors. With seventeen Debtors, each with its own case docket, not administering the Chapter 11 Cases jointly would result in numerous, duplicative filings for each issue, which would then be served upon separate service lists. This duplication would be extremely wasteful and would unnecessarily overburden the Clerk of the Court and the Debtors.

10. Joint administration of the Chapter 11 Cases will save time and money and avoid duplicative and potentially confusing filings by permitting counsel for all parties in interest to (a) use a single caption on the numerous documents that will be served and filed in the Chapter 11 Cases and (b) file the papers in one case rather than in multiple cases. Moreover, the Court will

be relieved of the burden of entering duplicative orders and maintaining duplicative files. Also, joint administration will ease the burden on the office of the United States Trustee for the District of Delaware in supervising the Chapter 11 Cases.

11. Further, joint administration of the Chapter 11 Cases will permit the Clerk of the Court to use a single general docket for each of the Debtor’s cases and to combine notices to creditors and other parties in interest. Joint administration also will protect parties in interest by ensuring that parties in each of the Debtor’s respective cases will be apprised of the various matters before the Court in the Chapter 11 Cases.

12. The rights of the respective creditors of each of the Debtors will not be adversely affected by joint administration of the Chapter 11 Cases inasmuch as the relief sought is purely procedural and is in no way intended to affect substantive rights. Each creditor and other party in interest will maintain whatever rights it has against the particular estate against which it asserts a claim or right. In addition, all creditors will benefit from the reduced costs that will result from joint administration.

13. Accordingly, the Debtors request that the official caption to be used by all parties on all pleadings and other filings in the jointly administered cases be as follows:

In re:	)	
GNC HOLDINGS, INC., <i>et al.</i> ,	)	Chapter 11
Debtors. <sup>1</sup>	)	Case No. 20-11662 (___)
	)	Jointly Administered

<sup>1</sup> The debtors in these Chapter 11 Cases, along with the last four digits of each debtor’s United States federal tax identification number, if applicable, or other applicable identification number, are: GNC Holdings, Inc. (6244); GNC Parent LLC (7572); GNC Corporation (5170); General Nutrition Centers, Inc. (5168); General Nutrition Corporation (4574); General Nutrition Investment Company (3878); Lucky Oldco Corporation (7141); GNC Funding, Inc. (7837); GNC International Holdings, Inc. (9873); GNC China Holdco LLC (0004); GNC Headquarters LLC (7550); Gustine Sixth Avenue Associates, Ltd. (0731); GNC Canada Holdings, Inc. (3879); General Nutrition Centres Company (0939); GNC Government Services, LLC (2295); GNC Puerto Rico Holdings, Inc. (4559); and GNC Puerto Rico, LLC (7234). The debtors’ mailing address is 300 Sixth Avenue, Pittsburgh, Pennsylvania 15222.

The footnote reference in the caption above will set forth a complete listing of the Debtors' names, as well as the last four digits of each Debtor's tax identification number and the Debtors' mailing address, as shown.

14. The Debtors submit that use of this simplified caption, without reference to their complete tax identification numbers and other detail specified by section 342(c)(1) of the Bankruptcy Code and Bankruptcy Rule 2002(n), will eliminate cumbersome and confusing procedures and ensure a uniformity of pleading identification. Further, this case-specific information will be listed in the Debtors' petitions, which are publicly available to parties in interest or will be provided by the Debtors upon request. In addition, this information will be included in key notices to parties in interest, such as the notices required under Bankruptcy Rules 2002(a)(1), 2002(a)(7), and 2002(b), as made applicable to the Chapter 11 Cases. Therefore, the Debtors submit that the policies behind the requirements of section 342(c)(1) of the Bankruptcy Code and Bankruptcy Rule 2002(n) have been satisfied.

15. In addition, the Debtors request that the Court make separate docket entries on the case docket of each Debtor (except that of GNC Holdings, Inc.), substantially as follows:

An order has been entered in this case consolidating this case with the case of GNC Holdings, Inc., Case No. 20-11662 (\_\_\_), for procedural purposes only and providing for its joint administration in accordance with the terms thereof. The docket in Case No. 20-11662 (\_\_\_) should be consulted for all matters affecting this case.

16. As the proposed joint administration is procedural only, the Debtors respectfully request that the Court direct that any creditor filing a proof of claim against any of the Debtors or their respective estates clearly assert its claim against the particular Debtor obligated on such claim, and not against the jointly administered Debtors.

17. An order of joint administration relates to the routine administration of a case and may be entered by the Court in its sole discretion on an *ex parte* basis. See Del. Bankr. L.R. 1015-1.

No party will be prejudiced by virtue of the relief requested in this Motion. Specifically, the relief sought herein is solely procedural and is not intended to affect substantive rights.

18. Accordingly, the Debtors submit that the relief requested herein is in the best interest of the Debtors, their estates, creditors, and other parties in interest and, therefore, should be granted.

### **NOTICE**

19. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange Commission; (n) the United States Drug Enforcement Agency; (o) the United States Food and Drug Administration; and (p) all parties requesting notice pursuant to Bankruptcy Rule 2002. Notice of this Motion and any order entered hereon will be served in accordance with Local Rule 9013-1(m). The Debtors submit that, under the circumstances, no other or further notice is required.

*[Remainder of page intentionally left blank.]*

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Order, granting the relief requested in this Motion and such other relief as may be just and proper.

obligations in the ordinary course of business; and (c) authorizing financial institutions to honor and process related checks and transfers.

### **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “*Local Rules*”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 363(b), 506(b), 1107(a) and 1108 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “*Bankruptcy Code*”) and rules 6003 and 6004 of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”).

### **BACKGROUND**

3. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “*Chapter 11 Cases*”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies' Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the "*First Day Declaration*")<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

#### **PREPETITION OBLIGATIONS TO BE SATISFIED**

6. While the Debtors' businesses are vertically-integrated to a significant extent, they rely heavily on third party providers of goods and services to deliver the broad range of high quality health and wellness products their customers have come to expect. All of the Debtors' vendors play key parts in the Debtors' operations, and preserving these business relationships and the operational success and stability that goes along with them is critical to the Debtors' transition into the Chapter 11 Cases. Importantly, certain of the Debtors' vendors provide specific types of goods or services that may entitle them to security interests, priorities, or other rights in or over the Debtors' assets. If these vendors were to assert those rights on account of outstanding unpaid amounts, the Debtors and their estates could suffer numerous ill effects that would likely lead to direct value losses or missed opportunities for sales, all to the detriment of the Debtors' creditors and other stakeholders.

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court's website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors' proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

7. These potential claims and rights, and the Debtors' justifications for paying the related outstanding amounts, are discussed further below. In the aggregate, the Debtors seek authority to pay (a) \$6,212,000, on an interim basis, and \$6,251,000, in an aggregate final amount, inclusive of amounts paid pursuant to the Interim Order, on account of outstanding Lien Claims and Import Claims (each as defined below) (collectively, the "**Obligations**"), and (b) all undisputed, postpetition amounts, incurred in the ordinary course of business, owing on account of the Obligations.

#### **I. THE LIEN CLAIMS**

8. The Debtors owe, either directly or indirectly, certain prepetition shipping, delivery, warehousing, and related charges (all such charges, the "**Shipping and Warehousing Claims**") to certain third-party haulers, common carriers, truckers, and/or other transporters and logistics providers (collectively, the "**Shippers**") and to certain third-party warehousemen (the "**Warehousemen**") for prepetition shipping-related and warehousing services provided to the Debtors ( the "**Shipping and Warehousing Services**"). In the ordinary course of business, the Debtors rely on line Shippers to ship, transport, store, and otherwise facilitate the movement of their health and wellness products manufactured and distributed by the Debtors and the Debtors' vendors through established distribution networks to the Warehousemen's and Debtors' warehouses and rely on pool Shippers to perform these tasks between the warehouses and retail stores.

9. The Debtors also employ various third party service providers or contractors who may be permitted to assert statutory or possessory liens against the Debtors' property if the Debtors fail to pay for those parties' services (the "**Non-Merchant Lienholders**", and together with the Shippers and Warehousemen, the "**Lien Claimants**"). As examples, the Debtors owe prepetition amounts to Non-Merchant Lienholders (the "**Non-Merchant Charges**") on account of

services such as on-site construction and repair at the Debtors' corporate headquarters, distribution centers and retail stores, on account of renovations of closed retail stores to return such stores to their original condition, and on account of maintenance and repairs to the Debtors' signage. Some of the Non-Merchant Lienholders are not required to perform future services, but rather perform work and related services on an order-by-order basis. It is imperative that the Non-Merchant Lienholders continue providing these services. Otherwise, the Debtors' uncompleted remodeling and construction projects may grind to a halt, and the Non-Merchant Lienholders may not make necessary repairs essential to the continued operation of the Debtors' corporate headquarters, warehouses, and retail stores.

10. Collectively, the Debtors estimate approximately \$6,122,000 of Shipping and Warehousing Claims and Non-Merchant Charges (collectively, the "*Lien Claims*") are due and owing as of the Petition Date, of which approximately \$6,122,000 may become due or owing during the interim period.

11. Under certain nonbankruptcy laws, the Lien Claimants may be able to assert liens on the goods in their possession or other statutory mechanics' liens to secure payment of the charges or expenses incurred in connection with the Lien Claims.

12. Accordingly, in the event the Lien Claims remain unpaid, the Lien Claimants are likely to attempt to assert such possessory liens or other statutory liens, and may refuse to deliver or release goods in their possession until their claims are satisfied and their liens redeemed. The Lien Claimants' retention of the Debtors' goods and supplies would disrupt the Debtors' operations, and affect the Debtors' ability to efficiently administer the Chapter 11 Cases.

13. By this Motion, the Debtors seek authority, but not direction, to (a) pay up to \$6,122,000 during the interim period, and up to \$6,122,000 on a final basis on account of

prepetition Lien Claims, and (b) pay all undisputed, postpetition amounts incurred in the ordinary course of business, as determined by the Debtors, owing on account of the Lien Claims.

## **II. THE IMPORT CLAIMS**

14. In the ordinary course of their business, the Debtors import inventory and related materials (collectively, the “*Imported Goods*”) from certain of the Debtors’ vendors through the Debtors’ customs broker Bollore Logistics Canada. Timely receipt or transmittal, as applicable, of the Imported Goods is critical to the Debtors’ Canada business operations. Any disruption or delay would adversely affect the Debtors’ business operations and affect the Debtors’ ability to efficiently administer the Chapter 11 Cases.

15. In connection with the import and export of goods, the Debtors may be required to pay various charges (the “*Import Claims*”), including customs duties, tariffs and excise taxes, and various fees and import-related charges.

16. The Debtors seek authority to pay any and all necessary and appropriate Import Claims incurred on account of prepetition transactions. Absent such payment, parties to whom the Debtors owe Import Claims (the “*Import Claimants*”) may interfere with the transportation of the Imported Goods. If the flow of Imported Goods were to be interrupted, the Debtors may be deprived of the inventory necessary to stock the shelves in their stores, which means the Debtors would not have inventory to sell to their customers. The ultimate value of such sales is worth far more to the Debtors (both in terms of future receipts and the maintenance of valuable customer goodwill) than the aggregate amount of incurred, but unpaid, Import Claims.

17. In 2019, the Debtors’ incurred approximately \$43,000 per month of import-related charges, though that has increased to approximately \$76,000 per month in 2020. Collectively, the Debtors estimate approximately \$129,000 of Import Claims are due and owing

as of the Petition Date, of which approximately \$90,000 may become due or owing during the interim period.

18. By this Motion, the Debtors seek authority, but not direction, to (a) pay up to \$90,000 during the interim period, and up to \$129,000 on a final basis on account of prepetition Import Claims, and (b) pay all undisputed, postpetition amounts incurred in the ordinary course of business, as determined by the Debtors, owing on account of the Import Claims.

### **THE OUTSTANDING ORDERS**

19. Prior to the Petition Date and in the ordinary course of business, the Debtors may have ordered goods that will not be delivered until after the Petition Date (the “*Outstanding Orders*”). To avoid becoming general unsecured creditors of the Debtors’ estates with respect to such goods, certain suppliers may refuse to ship or transport such goods (or may recall such shipments) with respect to such Outstanding Orders unless the Debtors issue substitute purchase orders postpetition. To prevent any disruption to the Debtors’ business operations, and given that goods delivered after the Petition Date are afforded administrative expense priority under section 503(b) of the Bankruptcy Code, the Debtors seek an order (a) granting administrative expense priority under section 503(b) of the Bankruptcy Code to all undisputed obligations of the Debtors arising from the acceptance of goods subject to Outstanding Orders, and (b) authorizing the Debtors to so satisfy such obligations in the ordinary course of business.

### **BASIS FOR RELIEF**

#### **I. PAYING THE OBLIGATIONS IS A SOUND EXERCISE OF BUSINESS JUDGMENT AND THEREFORE SHOULD BE APPROVED.**

20. To the extent that payment of the Obligations would be deemed to constitute a use of property outside the ordinary course of business, a basis for authorizing such payment is found under section 363 of the Bankruptcy Code. Section 363(b) of the Bankruptcy Code provides, in

relevant part, that a debtor “may use, sell, or lease, other than in the ordinary course of business, property of the estate” after notice and a hearing. 11 U.S.C. § 363(b)(1). Generally, the debtor is only required to “show that a sound business purpose” justifies the proposed use of property. *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999); *see also In re Phx. Steel Corp.*, 82 B.R. 334, 335–36 (Bankr. D. Del. 1987) (requiring “good business reason” for use under section 363(b) of the Bankruptcy Code). This standard prohibits other parties from second-guessing the debtor’s business judgment if the debtor has shown that the proposed use will benefit the debtor’s estate. *See In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) (“Where the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor’s conduct.”); *see also In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) (“Overcoming the presumptions of the business judgment rule on the merits is a near-Herculean task.”).

21. Paying the Obligations reflects a sound exercise of the Debtors’ business judgment and should be approved. First, if the Shippers are not paid on a timely basis, they may refuse to perform additional services for the Debtors. This would cause the Debtors to incur additional expenses (such as premium shipping costs) to replace the current Shippers, which amounts would likely exceed the amounts of any unpaid prepetition amounts owed to the Shippers. In addition, to the extent the Debtors’ products are in the possession of the Shippers on the Petition Date, the Shippers would likely assert, under applicable law, possessory liens against the products in their possession and would significantly disrupt the Debtors’ operations.<sup>4</sup>

---

<sup>4</sup> For example, section 7-307 of the Uniform Commercial Code provides, in pertinent part, that a “carrier has a lien on the goods covered by a bill of lading or on the proceeds thereof in its possession for charges after the date of the carrier’s receipt of the goods for storage or transportation, including demurrage and terminal charges, and for expenses necessary for preservation of the goods incident to their transportation or reasonably

22. Likewise, if the Warehousemen are not paid on a timely basis, they may assert possessory liens on the products currently in their possession and refuse to deliver or release them until their invoices are paid.<sup>5</sup> The consequence would be an immediate destruction of value for the Debtors' estates and could potentially cost the Debtors substantial revenue and future business.

23. The Debtors must rely on the Shippers and Warehousemen, who have specialized skills and offer superior care in the transportation of the products. By every measure, the services provided by the Shippers and Warehousemen are critical to the day-to-day operations of the Debtors' core businesses, and finding replacement vendors for the transportation and storage of the products would be cumbersome, time-consuming, and very costly.

24. In addition, the assertion of liens and interests by the Non-Merchant Lienholders would unnecessarily burden the Debtors and their estates. The Debtors believe that the Non-Merchant Lienholders may refuse to continue to provide their services if their Non-Merchant Charges will not be paid due to the pendency of the Chapter 11 Cases. The failure to properly and timely complete these services would likely adversely affect the Debtors' financial condition and operations. These adverse effects likely will exceed the amount of unpaid prepetition Non-Merchant Charges that the Debtors request permission to pay hereunder.

25. Without payment to the Import Claimants, the flow of the Debtors' goods into

---

incurred in their sale pursuant to law." U.C.C. § 7-307(a). By this Motion, the Debtors do not concede that any liens (contractual, common law, statutory, or otherwise) are valid, and the Debtors expressly reserve the right to contest the extent, validity, and perfection of any and all such liens.

<sup>5</sup> The Warehousemen may be able to assert possessory or other liens on items currently in their possession if their prepetition claims are not paid. *See* U.C.C. § 7-209(a) (lien of warehouseman). The perfection and maintenance of liens is, in most cases, dependent upon possession, so the Warehousemen likely would refuse to deliver or release such items until their claims have been satisfied and the liens released. The value of these items generally exceeds the amount of the outstanding amounts owed to the Warehousemen and, thus, the Warehousemen would hold secured claims on account of the amounts owed to them. Irrespective of the amount and validity of their liens, the mere assertion of possessory or other liens will delay delivery of the products to the ultimate purchasers of the products, thereby severely, if not irreparably, damaging the Debtors' businesses and ability to maximize estate value.

Canada would be disrupted, depriving the Debtors' Canada business of the inventory it needs to sell to customers.

26. Under these circumstances, it is the Debtors' business judgment that the failure to pay the Obligations could have a material adverse impact on the day-to-day operations of their businesses and to their prospects for reorganizing successfully. Paying them, on the other hand, does not result in material prejudice to any parties in interest due to the rights and interests that the holders of the Obligations have or could assert to collect on the Obligations. Therefore, the Debtors should be authorized to pay the Obligations under section 363(b) of the Bankruptcy Code.

## **II. PAYING THE OBLIGATIONS IS NECESSARY TO THE SUCCESS OF THE DEBTORS' REORGANIZATION AND THEREFORE SHOULD BE APPROVED.**

27. In addition, the Debtors should be authorized to pay the Obligations as set forth in the Proposed Orders because doing so is necessary to the success of their reorganization. Section 105(a) of the Bankruptcy Code provides that a bankruptcy court "may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions" of the Bankruptcy Code. 11 U.S.C. § 105(a). Courts have interpreted this provision to authorize payments on prepetition claims where the payments are essential to the success of the debtor's reorganization under what is known as the "necessity of payment doctrine." *See In re Lehigh & New Eng. Ry.*, 657 F.2d 570, 581 (3d Cir. 1981) ("Thus, the 'necessity of payment' doctrine...teaches no more than, if a payment of a claim which arose prior to reorganization is essential to the continued operation of the [debtor's business] during reorganization, payment may be authorized..."); *see also In re Just for Feet, Inc.*, 242 B.R. 821, 824-25 (D. Del. 1999) (holding that section 105(a) of the Bankruptcy Code "provides a statutory basis for payment of pre-petition claims" under necessity of payment doctrine); *In re Columbia Gas Sys., Inc.*, 171

B.R. 189, 191-92 (Bankr. D. Del. 1994) (“The appropriate standard...is commonly referred to as ‘the necessity of payment doctrine.’”).

28. As set forth above, paying the Obligations is necessary to help the Debtors preserve the stability, continuity, and success of their core businesses and, therefore, necessary to the success of their reorganization. Failing to pay the Obligations could lead to severe operational disruptions, administrative and logistical costs to manage those disruptions, increased costs imposed by new vendors, and opportunity costs as the Debtors’ personnel devote their time to managing through these crises instead of maximizing sales and profitability. These harmful effects could reverberate through the Chapter 11 Cases and jeopardize the Debtors’ path to emergence as a revitalized enterprise. Thus, the Debtors should be authorized to pay the Obligations under the necessity of payment doctrine and section 105(a) of the Bankruptcy Code.

### **III. PAYING THE OBLIGATIONS WILL PREVENT THE ASSERTION OF POSSESSORY LIENS BY THE LIEN CLAIMANTS.**

29. In addition, the Debtors believe that their failure to pay the Lien Claims may result in the assertion of possessory liens by many of the Lien Claimants under applicable state law with respect to certain of the Debtors’ property (the “*Liens*”). Pursuant to section 362(b)(3) of the Bankruptcy Code, acts to perfect such Liens or interests, to the extent consistent with section 546(b) of the Bankruptcy Code, are expressly excluded from the automatic stay otherwise established by section 362(a) of the Bankruptcy Code. 11 U.S.C. § 362(b)(3). Moreover, under section 546(b) of the Bankruptcy Code, a debtor’s lien avoidance powers “are subject to any generally applicable law that . . . permits perfection of an interest in property to be effective against an entity that acquires rights in such property before the date of perfection.” 11 U.S.C. § 546(b). Therefore, notwithstanding the automatic stay established by section 362 of the Bankruptcy Code, many of the Lien Claimants may assert and attempt to perfect Liens or interests

against the Debtors' property. Thus, there is a risk that they would be deemed to hold secured claims under section 506(b) of the Bankruptcy Code that would, in any event, be required to be paid in full under section 1129(b)(2)(A) of the Bankruptcy Code. 11 U.S.C. § 1129(b)(2)(A).

30. Moreover, to protect any asserted Lien rights, such counterparties may refuse to release goods or property in their possession unless and until their Lien Claims have been satisfied. Therefore, notwithstanding the automatic stay imposed by section 362 of the Bankruptcy Code, many of these parties: (i) may be entitled to assert and perfect Liens against the Debtors' property, which would entitle them to payment ahead of other general unsecured creditors in any event; and (ii) may hold the property subject to the asserted Liens pending payment, to the direct detriment of the Debtors and their estates. The time and resources that would be required for the Debtors to contest Liens would detract from the value of the estates and could impair the Debtors' ability to stabilize their operations.

31. Furthermore, since the amount of the Lien Claims is likely materially less than the value of any property securing those claims, any such party holding a Lien arguably is a fully secured creditor. For any Lien Claims that are deemed secured claims, section 1129(b)(2)(A) of the Bankruptcy Code requires that they be satisfied through deferred cash payments totaling at least the allowed amount of each such claim, of a value as of the effective date of the plan equal to the value of the collateral securing the claim, with a continuation of the Liens against the collateral; or if the collateral is to be sold, that the Lien securing the claim attach to the proceeds of sale; or that the holder realize the indubitable equivalent of the claim. 11 U.S.C. § 1129 (b)(2)(A).

32. Additionally, under section 506(b) of the Bankruptcy Code, fully secured creditors are entitled to receive postpetition interest accruing on their claims to the extent that

such claims are oversecured. 11 U.S.C. § 506(b). Consequently, payment of those of Lien Claims that are subject to valid Liens should give such counterparties no more than that to which they otherwise would be entitled under a plan and save the Debtors the interest costs that otherwise may accrue on the Lien Claims during the Chapter 11 Cases.

#### **IV. THE DEBTORS SHOULD BE AUTHORIZED TO PAY CRITICAL VENDOR CLAIMS UNDER SECTIONS 1107(A) AND 1108 OF THE BANKRUPTCY CODE**

33. The Debtors are operating their business as debtors in possession under sections 1107(a) and 1108 of the Bankruptcy Code, and they are therefore fiduciaries “holding the bankruptcy estate[s] and operating the business[es] for the benefit of [their] creditors and (if the value justifies) [their] equity owners.” *In re CoServ, L.L.C.*, 273 B.R. 487, 497 (Bankr. N.D. Tex. 2002). A chapter 11 debtor in possession has the implicit duty “to protect and preserve the estate, including an operating business’s going-concern value.” *Id.*

34. Courts have noted that a debtor in possession can, in certain instances, fulfill its fiduciary duty “only . . . by the preplan satisfaction of a prepetition claim.” *Id.* The *CoServ* court specifically noted that preplan satisfaction of prepetition claims would be a valid exercise of a debtor’s fiduciary duty when the payment “is the only means to effect a substantial enhancement of the estate.” *Id.* The court provided a three-prong test for determining whether a preplan payment on account of a prepetition claim was a valid exercise of a debtor’s fiduciary duty:

First, it must be critical that the debtor deal with the claimant. Second, unless it deals with the claimant, the debtor risks the probability of harm, or, alternatively, loss of economic advantage to the estate or the debtor’s going concern value, which is disproportionate to the amount of the claimant’s prepetition claim. Third, there is no practical or legal alternative by which the debtor can deal with the claimant other than by payment of the claim.

*Id.* at 498.

35. Payment of the Obligations meet each *CoServ* element. First, it is critical that the Debtors deal with the Lien Claimants and Import Claimants because each of these claimants provide goods and services necessary to the Debtors' ongoing operations. Second, the Debtors believe that the Lien Claimants and Import Claimants may otherwise be unwilling or unable to provide goods and services to the Debtors on a postpetition basis if their prepetition balances are not paid. Accordingly, not paying the Obligations harms the Debtors financially because losing access postpetition to the necessary goods and services provided by the Lien Claimants and Import Claimants could force the Debtors to halt ongoing business and potentially forgo existing favorable trade terms. Third, the Debtors have examined other options short of paying the Obligations and have determined that, to avoid any unexpected or inopportune interruptions to their business operations, there is no practical alternative to paying the Obligations. Therefore, the Debtors submit that paying the Obligations is a sound exercise of their fiduciary duties as debtors in possession under sections 1107(a) and 1108 of the Bankruptcy Code.

**V. THE COURT SHOULD CONFIRM THAT OUTSTANDING ORDERS ARE ADMINISTRATIVE EXPENSE PRIORITY CLAIMS AND THAT PAYMENT OF SUCH CLAIMS IS AUTHORIZED.**

36. Pursuant to section 503(b)(1) of the Bankruptcy Code, obligations that arise in connection with the postpetition delivery of goods and services, including goods ordered prepetition, are administrative expense priority claims because they benefit the estate postpetition. *See* 11 U.S.C. § 503(b)(1)(A) (providing that the “actual [and] necessary costs and expenses of preserving the estate” are administrative expenses); *see also In re John Clay & Co.*, 43 B.R. 797, 809–10 (Bankr. D. Utah 1984) (holding that goods ordered prepetition but delivered postpetition are entitled to administrative priority). Thus, the relief requested herein with respect to the Outstanding Orders will not afford the applicable vendors any greater priority

than they otherwise would have if the relief requested herein were not granted, and will not prejudice any other party in interest.

37. Absent this relief, however, the Debtors would have to reissue the requests underlying the Outstanding Orders and likely spend time resolving related complications with their vendors. The attendant disruption to the continuous and timely flow of materials, finished products, and other goods to the Debtors would force the Debtors to potentially halt operations, damage the Debtors' business reputation, erode the Debtors' customer base, and ultimately lead to a loss of revenue, all to the detriment of the Debtors and their creditors. Accordingly, the Debtors submit that the Court should confirm the administrative expense priority status of the Outstanding Orders and should authorize the Debtors to pay the Outstanding Orders in the ordinary course of business.

**PROCESSING OF CHECKS AND  
ELECTRONIC FUND TRANSFERS SHOULD BE AUTHORIZED**

38. The Debtors have sufficient funds to pay any amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to debtor-in-possession financing and cash collateral. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Obligations. Accordingly, the Debtors believe there is minimal risk that checks or wire transfer requests that the Court has not authorized will be inadvertently made. Therefore, the Debtors respectfully request that the Court authorize all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

**BANKRUPTCY RULE 6003 HAS BEEN SATISFIED AND  
BANKRUPTCY RULE 6004 SHOULD BE WAIVED**

39. Certain aspects of the relief requested herein are subject to Bankruptcy Rule 6003, which governs the availability of certain types of relief within 21 days after the Petition Date. Pursuant to Bankruptcy Rule 6003, a court may grant this relief on an expedited basis if it is necessary to avoid immediate and irreparable harm. The Debtors submit that the facts set forth herein and in the First Day Declaration demonstrate that the relief requested is necessary to avoid immediate and irreparable harm to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied.

40. Additionally, with respect to any aspect of the relief sought herein that constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a), to the extent not satisfied, and of the fourteen-day stay under Bankruptcy Rule 6004(h). As described above, the relief that the Debtors seek in this Motion is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates. The Debtors thus submit that the requested waiver of the notice requirements of Bankruptcy Rule 6004(a) and of the fourteen-day stay imposed by Bankruptcy Rule 6004(h) is appropriate.

**RESERVATION OF RIGHTS**

41. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to

section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

### **NOTICE**

42. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange Commission; (n) the United States Drug Enforcement Agency; (o) the United States Food and Drug Administration; and (p) all parties requesting notice pursuant to Bankruptcy Rule 2002. Notice of this Motion and any order entered hereon will be served in accordance with Local Rule 9013-1(m). The Debtors submit that, under the circumstances, no other or further notice is required.

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Orders, granting the relief requested in this Motion and such other relief as may be just and proper.

**ORDERED, ADJUDGED AND DECREED THAT:**

1. The Motion is GRANTED on an interim basis as set forth herein.

3. The Debtors are authorized, but not directed to remit and pay in the ordinary course of business all undisputed, postpetition amounts owing on account of Lien Claims and Import Claims consistent with the parties’ customary practices in effect prior to the Petition Date.
4. The Debtors shall determine which of the Obligations, if any, shall be paid under this Interim Order.
5. All undisputed obligations of the Debtors arising from the acceptance of goods subject to Outstanding Orders is granted administrative expense priority status. Further, the

Debtors are authorized, but not directed, to satisfy such obligations in the ordinary course of business.

6. The Debtors' banks and financial institutions shall be, and are hereby authorized, when requested by the Debtors, to process, honor, pay, and if necessary, reissue any and all checks and electronic fund transfers, including prepetition checks and electronic payment and transfer requests that the Debtors reissue or re-request postpetition, drawn on the Debtors' bank accounts relating to the Obligations, whether those checks were presented prior to or after the Petition Date, provided that sufficient funds are available in the applicable accounts to make the payments.

7. The Debtors' banks and financial institutions may rely on the representations of the Debtors with respect to whether any check or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to this Interim Order, and any such bank or financial institution shall not have any liability to any party for relying on such representations by the Debtors as provided for in this Interim Order.

8. reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

9. Notwithstanding anything contained in the Motion or this Interim Order, any payment made, and any authorization of the Debtors contained herein shall be subject to the terms and conditions contained in any interim or final orders entered by this Court authorizing the Debtors to obtain debtor-in-possession financing and/or authorizing the use of cash collateral (each such order, a “*DIP Order*”), the documentation in respect of any such debtor-in-possession financing or use of cash collateral, and any budget in connection with any such debtor-in-possession financing and/or use of cash collateral. 10. Neither the provisions contained herein, nor any actions or payments made by the Debtors pursuant to this Interim Order shall be deemed an admission as to the validity of any underlying obligation or a waiver of any rights the Debtors may have to dispute such obligation on any ground that applicable law permits.

11. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable this Interim Order shall be effective and enforceable immediately upon entry hereof.

12. The requirements set forth in Bankruptcy Rule 6004(a) are hereby waived.

**DEBTORS' APPLICATION FOR APPOINTMENT OF  
PRIME CLERK LLC AS CLAIMS AND NOTICING AGENT**

The above-captioned debtors and debtors in possession (collectively, the “*Debtors*”) file this application (the “*Section 156(c) Application*”) for entry of an order, substantially in the form of Exhibit A hereto (the “*Retention Order*”), pursuant to section 156(c) of title 28 of the United States Code, section 105(a) of title 11 of the United States Code (the “*Bankruptcy Code*”) and Rule 2002-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “*Local Rules*”), appointing Prime Clerk LLC (“*Prime Clerk*”) as claims and noticing agent (“*Claims and Noticing Agent*”) in the Debtors’ Chapter 11 Cases effective as of the Petition Date (as defined below). In support of the Section 156(c) Application, the Debtors submit the Declaration of Benjamin J. Steele (the “*Steele Declaration*”), attached hereto as Exhibit B, and respectfully represent as follows:

---

<sup>1</sup> The debtors in these Chapter 11 Cases, along with the last four digits of each debtor’s United States federal tax identification number, if applicable, or other applicable identification number, are: GNC Holdings, Inc. (6244); GNC Parent LLC (7572); GNC Corporation (5170); General Nutrition Centers, Inc. (5168); General Nutrition Corporation (4574); General Nutrition Investment Company (3878); Lucky Oldco Corporation (7141); GNC Funding, Inc. (7837); GNC International Holdings, Inc. (9873); GNC China Holdco, LLC (0004); GNC Headquarters LLC (7550); Gustine Sixth Avenue Associates, Ltd. (0731); GNC Canada Holdings, Inc. (3879); General Nutrition Centres Company (0939); GNC Government Services, LLC (2295); GNC Puerto Rico Holdings, Inc. (4559); and GNC Puerto Rico, LLC (7234). The debtors’ mailing address is 300 Sixth Avenue, Pittsburgh, Pennsylvania 15222.

## **JURISDICTION**

1. The Court has jurisdiction over this matter under 28 U.S.C. §§ 157 and 1334. This is a core proceeding within the meaning of 28 U.S.C. § 157(b), and the Debtors confirm their consent pursuant to Local Rule 9013-1(f) to the entry of a final order by the Court in connection with this Application to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 363(b), 506(a), 507(a)(8) and 541 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “*Bankruptcy Code*”) and rule 6003 of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”).

## **BACKGROUND**

2. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions in this Court, commencing cases (the “*Chapter 11 Cases*”) under the Bankruptcy Court. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

3. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies’ Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

4. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of*

*GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the “**First Day Declaration**”)<sup>2</sup> filed contemporaneously herewith. In support of the Section 156(c) Application, the Debtors rely on and fully incorporate by reference the First Day Declaration.<sup>3</sup>

### **RELIEF REQUESTED**

5. The Debtors request entry of an order appointing Prime Clerk as the Claims and Noticing Agent for the Debtors and their Chapter 11 Cases, including assuming full responsibility for the distribution of notices and the maintenance, processing and docketing of proofs of claim filed in the Debtors’ Chapter 11 Cases. The Debtors’ selection of Prime Clerk to act as the Claims and Noticing Agent has satisfied the Court’s *Protocol for the Employment of Claims and Noticing Agents under 28 U.S.C. § 156(c)* (the “*Claims Agent Protocol*”), in that the Debtors have obtained and reviewed engagement proposals from at least two other court-approved claims and noticing agents to ensure selection through a competitive process. Moreover, the Debtors submit, based on all engagement proposals obtained and reviewed, that Prime Clerk’s rates are competitive and reasonable given Prime Clerk’s quality of services and expertise. The terms of Prime Clerk’s retention are set forth in the Engagement Agreement attached hereto as **Exhibit C** (the “*Engagement Agreement*”); provided, however, that the Debtors are seeking approval solely of the terms and provisions as set forth in this Section 156(c) Application and the proposed Retention Order attached hereto.

6. Although the Debtors have not yet filed their schedules of assets and liabilities, they anticipate that there will be hundreds of thousands of entities to be noticed. Local Rule 2002-1(f) provides that “[i]n all cases with more than 200 creditors or parties in interest listed on

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court’s website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by Prime Clerk, at <https://cases.primeclerk.com/gnc>.

the creditor matrix, unless the Court orders otherwise, the debtor shall file [a] motion [to retain a claims and noticing agent] on the first day of the case or within seven (7) days thereafter.” In view of the number of anticipated claimants and the complexity of the Debtors' businesses, the Debtors submit that the appointment of a claims and noticing agent is required by Local Rule 2002-1(f) and is otherwise in the best interests of both the Debtors' estates and their creditors.

7. By separate application, the Debtors will seek authorization to retain and employ Prime Clerk as administrative advisor in these Chapter 11 Cases pursuant to section 327(a) of the Bankruptcy Code because the administration of these Chapter 11 Cases will require Prime Clerk to perform duties outside the scope of 28 U.S.C. § 156(c).

#### **PRIME CLERK'S QUALIFICATIONS**

8. Prime Clerk is comprised of leading industry professionals with significant experience in both the legal and administrative aspects of large, complex chapter 11 cases. Prime Clerk's professionals have experience in noticing, claims administration, solicitation, balloting and facilitating other administrative aspects of Chapter 11 Cases and experience in matters of this size and complexity. Prime Clerk's professionals have acted as debtor's counsel or official claims and noticing agent in many large bankruptcy cases in this District and in other districts nationwide. Prime Clerk's active and former cases include: *Paddock Enterprises, LLC*, No. 20-10028 (LSS) (Bankr. D. Del); *High Ridge Brands Co.*, No. 19-12689 (BLS) (Bankr. D. S.D.N.Y.); *New Cotai Holdings, LLC*, No. 19-22911 (RDD) (Bankr. S.D.N.Y.); *Payless Holdings LLC*, No. 19-40883 (Bankr. E.D. Mo.); *PG&E Corporation*, No. 19-30088 (DM) (Bankr. N.D. Cal.); *PHI, Inc.*, No. 19-30923 (HDH) (Bankr. N.D. Tex.); *McDermott International, Inc.*, No. 20-30336 (DRJ) (Bankr. S.D. Tex.); and *Alta Mesa Resources, Inc.*, No. 19-35133 (MI) (Bankr. S.D. Tex.).

9. By appointing Prime Clerk as the Claims and Noticing Agent in these Chapter 11 Cases, the distribution of notices and the processing of claims will be expedited, and the Office of the Clerk of the Bankruptcy Court (the “*Clerk*”) will be relieved of the administrative burden of processing what may be an overwhelming number of claims.

### **SERVICES TO BE PROVIDED**

10. This Section 156(c) Application pertains only to the work to be performed by Prime Clerk under the Clerk’s delegation of duties permitted by 28 U.S.C. § 156(c) and Local Rule 2002-1(f). Any work to be performed by Prime Clerk outside of this scope is not covered by this Section 156(c) Application or by any order granting approval hereof. Specifically, Prime Clerk will perform the following tasks in its role as Claims and Noticing Agent, as well as all quality control relating thereto:

- (a) Prepare and serve required notices and documents in these Chapter 11 Cases in accordance with the Bankruptcy Code and the Bankruptcy Rules in the form and manner directed by the Debtors and/or the Court, including (i) notice of the commencement of these Chapter 11 Cases and the initial meeting of creditors under Bankruptcy Code § 341(a), (ii) notice of any claims bar date, (iii) notices of transfers of claims, (iv) notices of objections to claims and objections to transfers of claims, (v) notices of any hearings on a disclosure statement and confirmation of the Debtors’

- (d) Furnish a notice to all potential creditors of the last date for filing proofs of claim and a form for filing a proof of claim, after such notice and form are approved by the Court, and notify said potential creditors of the existence, amount and classification of their respective claims as set forth in the Schedules, which may be effected by inclusion of such information (or the lack thereof, in cases where the Schedules indicate no debt due to the subject party) on a customized proof of claim form provided to potential creditors;
- (e) Maintain a post office box or address for the purpose of receiving claims and returned mail, and process all mail received;
- (f) For *all* notices, motions, orders or other pleadings or documents served, prepare and file or cause to be filed with the Clerk an affidavit or certificate of service within seven (7) business days of service which includes (i) either a copy of the notice served or the docket number(s) and title(s) of the pleading(s) served, (ii) a list of persons to whom it was mailed (in alphabetical order) with their addresses, (iii) the manner of service and (iv) the date served;
- (g) Process all proofs of claim received, including those received by the Clerk, check said processing for accuracy and maintain the original proofs of claim in a secure area;
- (h) Maintain the official claims register for each Debtor (collectively, the "***Claims Registers***") on behalf of the Clerk; upon the Clerk's request, provide the Clerk with certified, duplicate unofficial Claims Registers; and specify in the Claims Registers the following information for each claim docketed: (i) the claim number assigned, (ii) the date received, (iii) the name and address of the claimant and agent, if applicable, who filed the

claim, (iv) the amount asserted, (v) the asserted classification(s) of the claim (*e.g.*, secured, unsecured, priority, *etc.*), (vi) the applicable Debtor and (vii) any disposition of the claim;

- (j) Implement necessary security measures to ensure the completeness and integrity of the Claims Registers and the safekeeping of the original claims;
- (k) Record all transfers of claims and provide any notices of such transfers as required by Bankruptcy Rule 3001(e);
- (l) Relocate, by messenger or overnight delivery, all of the court-filed proofs of claim to the offices of Prime Clerk, not less than weekly;
- (m) Upon completion of the docketing process for all claims received to date for each case, turn over to the Clerk copies of the Claims Registers for the Clerk's review (upon the Clerk's request);
- (n) Monitor the Court's docket for all notices of appearance, address changes, and claims-related pleadings and orders filed and make necessary notations on and/or changes to the claims register and any service or mailing lists, including to identify and eliminate duplicative names and addresses from such lists;
- (o) Identify and correct any incomplete or incorrect addresses in any mailing or service lists;
- (p) Assist in the dissemination of information to the public and respond to requests for administrative information regarding these Chapter 11 Cases as directed by the Debtors or the Court, including through the use of a case website and/or call center;
- (q) Monitor the Court's docket in these Chapter 11 Cases and, when filings are made in error or containing errors, alert the filing party of such error and work with them to correct any such error;
- (r) If these Chapter 11 Cases are converted to cases under chapter 7 of the Bankruptcy Code, contact the Clerk's office within three (3) days of notice to Prime Clerk of entry of the order converting the cases;
- (s) Thirty (30) days prior to the close of these Chapter 11 Cases, to the extent practicable, request that the Debtors submit to the Court a proposed order dismissing Prime Clerk as Claims and Noticing Agent and terminating its services in such capacity upon completion of its duties and responsibilities and upon the closing of these Chapter 11 Cases;

- (t) Within seven (7) days of notice to Prime Clerk of entry of an order closing these Chapter 11 Cases, provide to the Court the final version of the Claims Registers as of the date immediately before the close of the Chapter 11 Cases; and
- (u) At the close of these Chapter 11 Cases, (i) box and transport all original documents, in proper format, as provided by the Clerk's office, to (A) the Philadelphia Federal Records Center, 14700 Townsend Road, Philadelphia, PA 19154-1096 or (B) any other location requested by the Clerk's office; and (ii) docket a completed SF-135 Form indicating the accession and location numbers of the archived claims.

11. The Claims Registers shall be open to the public for examination without charge during regular business hours and on a case-specific website maintained by Prime Clerk.

### **PROFESSIONAL COMPENSATION**

12. The Debtors respectfully request that the undisputed fees and expenses incurred by Prime Clerk in the performance of the above services be treated as administrative expenses of the Debtors' chapter 11 estates pursuant to 28 U.S.C. § 156(c) and section 503(b)(1)(A) of the Bankruptcy Code and be paid in the ordinary course of business without further application to or order of the Court. Prime Clerk agrees to maintain records of all services showing dates, categories of services, fees charged and expenses incurred, and to serve monthly invoices on the Debtors, the office of the United States Trustee, counsel for the Debtors, counsel for any official committee monitoring the expenses of the Debtors and any party-in-interest who specifically requests service of the monthly invoices. If any dispute arises relating to the Engagement Agreement or monthly invoices, the parties shall meet and confer in an attempt to resolve the dispute; if resolution is not achieved, the parties may seek resolution of the matter from the Court.

13. Prior to the Petition Date, the Debtors provided Prime Clerk an advance in the amount of \$75,000. Prime Clerk seeks to first apply the advance to all prepetition invoices, and thereafter, to have the advance replenished to the original advance amount, and thereafter, to

hold the advance under the Engagement Agreement during these Chapter 11 Cases as security for the payment of fees and expenses incurred under the Engagement Agreement.

14. Additionally, under the terms of the Engagement Agreement, the Debtors have agreed to indemnify, defend and hold harmless Prime Clerk and its members, officers, employees, representatives and agents under certain circumstances specified in the Engagement Agreement, except in circumstances resulting solely from Prime Clerk's gross negligence or willful misconduct or as otherwise provided in the Engagement Agreement or Retention Order. The Debtors believe that such an indemnification obligation is customary, reasonable and necessary to retain the services of a Claims and Noticing Agent in these Chapter 11 Cases.

#### **DISINTERESTEDNESS**

15. Although the Debtors do not propose to employ Prime Clerk under section 327 of the Bankruptcy Code pursuant to this Section 156(c) Application (such retention will be sought by separate application), Prime Clerk has nonetheless reviewed its electronic database to determine whether it has any relationships with the creditors and parties in interest provided by the Debtors, and, to the best of the Debtors' knowledge, information, and belief, and except as disclosed in the Steele Declaration, Prime Clerk has represented that it neither holds nor represents any interest materially adverse to the Debtors' estates in connection with any matter on which it would be employed.

16. Moreover, in connection with its retention as Claims and Noticing Agent, Prime Clerk represents in the Steele Declaration, among other things, that:

- (a) Prime Clerk is not a creditor of the Debtors;
- (b) Prime Clerk will not consider itself employed by the United States government and shall not seek any compensation from the United States government in its capacity as the Claims and Noticing Agent in these Chapter 11 Cases;

- (c) By accepting employment in these Chapter 11 Cases, Prime Clerk waives any rights to receive compensation from the United States government in connection with these Chapter 11 Cases;
- (d) In its capacity as the Claims and Noticing Agent in these Chapter 11 Cases, Prime Clerk will not be an agent of the United States and will not act on behalf of the United States;
- (e) Prime Clerk will not employ any past or present employees of the Debtors in connection with its work as the Claims and Noticing Agent in these Chapter 11 Cases;

U.S.C. § 156(c) to utilize, at the Debtors' expense, outside agents and facilities to provide notices to parties in title 11 cases and to receive, docket, maintain, photocopy and transmit proofs of claim; and the Court being satisfied that Prime Clerk has the capability and experience to provide such services and that Prime Clerk does not hold an interest adverse to the Debtors or the estates respecting the matters upon which it is to be engaged; and good and sufficient notice of the Application having been given and no other or further notice being required; and it appearing that the employment of Prime Clerk is in the best interests of the Debtors, their estates and creditors; and sufficient cause appearing therefor; it is hereby ORDERED THAT:

1. Notwithstanding the terms of the Engagement Agreement attached to the Application, the Application is approved solely as set forth in this Order.

2. The Debtors are authorized to retain Prime Clerk as Claims and Noticing Agent effective as of the Petition Date under the terms of the Engagement Agreement, and Prime Clerk is authorized and directed to perform noticing services and to receive, maintain, record and otherwise administer the proofs of claim filed in these Chapter 11 Cases, and all related tasks, all as described in the Application.

3. Prime Clerk shall serve as the custodian of court records and shall be designated as the authorized repository for all proofs of claim filed in these Chapter 11 Cases and is authorized and directed to maintain official claims registers for each of the Debtors, to provide public access to every proof of claim unless otherwise ordered by the Court and to provide the Clerk with a certified duplicate thereof upon the request of the Clerk.

4. Prime Clerk is authorized and directed to provide an electronic interface for filing proofs of claim and to obtain a post office box or address for the receipt of proofs of claim.

5. Prime Clerk is authorized to take such other action to comply with all duties set forth in the Application.

6. The Debtors are authorized to compensate Prime Clerk in accordance with the terms of the Engagement Agreement upon the receipt of reasonably detailed invoices setting forth the services provided by Prime Clerk and the rates charged for each, and to reimburse Prime Clerk for all reasonable and necessary expenses it may incur, upon the presentation of appropriate documentation, without the need for Prime Clerk to file fee applications or otherwise seek Court approval for the compensation of its services and reimbursement of its expenses.

7. Prime Clerk shall maintain records of all services showing dates, categories of services, fees charged and expenses incurred, and shall serve monthly invoices on the Debtors, the office of the United States Trustee, counsel for the Debtors, counsel for any official committee monitoring the expenses of the Debtors and any party-in-interest who specifically requests service of the monthly invoices.

8. The parties shall meet and confer in an attempt to resolve any dispute which may arise relating to the Engagement Agreement or monthly invoices; provided that the parties may seek resolution of the matter from the Court if resolution is not achieved.

9. Pursuant to section 503(b)(1)(A) of the Bankruptcy Code, the fees and expenses of Prime Clerk under this Order shall be an administrative expense of the Debtors' estates.

10. Prime Clerk may apply its advance to all prepetition invoices, which advance shall be replenished to the original advance amount, and thereafter, Prime Clerk may hold its advance under the Engagement Agreement during the Chapter 11 Cases as security for the payment of fees and expenses incurred under the Engagement Agreement.

11. The Debtors shall indemnify Prime Clerk under the terms of the Engagement Agreement, as modified pursuant to this Order.

12. Prime Clerk shall not be entitled to indemnification, contribution or reimbursement

pursuant to the Engagement Agreement for services other than the services provided under the Engagement Agreement, unless such services and the indemnification, contribution or reimbursement therefor are approved by the Court.

13. Notwithstanding anything to the contrary in the Engagement Agreement, the Debtors shall have no obligation to indemnify Prime Clerk, or provide contribution or reimbursement to Prime Clerk, for any claim or expense that is either: (i) judicially determined (the determination having become final) to have arisen from Prime Clerk's gross negligence, willful misconduct or fraud; (ii) for a contractual dispute in which the Debtors allege the breach of Prime Clerk's contractual obligations if the Court determines that indemnification, contribution or reimbursement would not be permissible pursuant to *In re United Artists Theatre Co.*, 315 F.3d 217 (3d Cir. 2003); or (iii) settled prior to a judicial determination under (i) or (ii), but determined by this Court, after notice and a hearing, to be a claim or expense for which Prime Clerk should not receive indemnity, contribution or reimbursement under the terms of the Engagement Agreement as modified by this Order.

14. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these Chapter 11 Cases (that order having become a final order no longer subject to appeal), or (ii) the entry of an order closing these Chapter 11 Cases, Prime Clerk believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution and/or reimbursement obligations under the Engagement Agreement (as modified by this Order), including the advancement of defense costs, Prime Clerk must file an application therefor in this Court, and the Debtors may not pay any such amounts to Prime Clerk before the entry of an order by this Court approving the payment. This paragraph is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and

expenses by Prime Clerk for indemnification, contribution or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify Prime Clerk. All parties in interest shall retain the right to object to any demand by Prime Clerk for indemnification, contribution or reimbursement.

15. The limitation of liability section in paragraph 10 of the Engagement Agreement is deemed to be of no force or effect with respect to the services to be provided pursuant to this Order.

16. In the event Prime Clerk is unable to provide the services set out in this order, Prime Clerk will immediately notify the Clerk and the Debtors' attorney and, upon approval of the Court, cause to have all original proofs of claim and computer information turned over to another claims and noticing agent with the advice and consent of the Clerk and the Debtors' attorney.

17. The Debtors may submit a separate retention application, pursuant to 11 U.S.C. § 327 and/or any applicable law, for work that is to be performed by Prime Clerk but is not specifically authorized by this Order.

18. The Debtors and Prime Clerk are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Application.

19. Notwithstanding any term in the Engagement Agreement to the contrary, the Court retains jurisdiction with respect to all matters arising from or related to the implementation of this Order.

20. Notwithstanding any provision in the Bankruptcy Rules to the contrary, this Order shall be immediately effective and enforceable upon its entry.

21. Prime Clerk shall not cease providing claims processing services during the chapter 11 case(s) for any reason, including nonpayment, without an order of the Court.

22. In the event of any inconsistency between the Engagement Agreement, the Application and the Order, the Order shall govern.

In performing such services, Prime Clerk will charge the Debtors the rates set forth in the Engagement Agreement, which is attached as **Exhibit C** to the Application.

5. Prime Clerk represents, among other things, the following:
  - (a) Prime Clerk is not a creditor of the Debtors;
  - (b) Prime Clerk will not consider itself employed by the United States government and shall not seek any compensation from the United States government in its capacity as the Claims and Noticing Agent in these Chapter 11 Cases;

6. To the best of my knowledge, and based solely upon information provided to me by the Debtors, and except as provided herein, neither Prime Clerk, nor any of its professionals, has any materially adverse connection to the Debtors, their creditors or other relevant parties. Prime Clerk may have relationships with certain of the Debtors' creditors as vendors or in connection with cases in which Prime Clerk serves or has served in a neutral capacity as claims and noticing agent and/or administrative advisor for another chapter 11 debtor.

7. Prime Clerk has reviewed its electronic database to determine whether it has any relationships with the list of entities provided by the Debtors. Based on the results of such search, at this time, Prime Clerk is not aware of any relationship that would present a disqualifying conflict of interest. Should Prime Clerk discover any new relevant facts or relationships bearing on the matters described herein during the period of its retention, Prime Clerk will use reasonable efforts to promptly file a supplemental declaration.

Moreover, these professionals were not employed by their

previous firms when these Chapter 11 Cases were filed.

9. Prime Clerk is an indirect subsidiary of Duff & Phelps LLP (“**D&P**”). D&P is the global advisor that protects, restores and maximizes value for clients. Within the D&P corporate structure, Prime Clerk operates independently from D&P. As such, any relationships that D&P and its affiliates maintain do not create an interest of Prime Clerk that is materially adverse to the Debtors’ estates or any class of creditors or security holders.

10. Prime Clerk, as well as its personnel, has and will continue to have relationships personally or in the ordinary course of business with certain vendors, professionals, financial institutions, and other parties in interest that may be involved in the Debtors’ Chapter 11 Cases. Prime Clerk may also provide professional services to entities or persons that may be creditors or parties in interest in these Chapter 11 Cases, which services do not directly relate to, or have any direct connection with, these Chapter 11 Cases or the Debtors.

11. Prime Clerk, and its personnel in their individual capacities, regularly utilize the services of law firms, investment banking and advisory firms, accounting firms and financial advisors. Such firms engaged by Prime Clerk or its personnel may appear in Chapter 11 Cases representing the Debtors or parties in interest. All engagements where such firms represent Prime Clerk or its personnel in their individual capacities are unrelated to these Chapter 11 Cases.

12. Based on the foregoing, I believe that Prime Clerk is a “disinterested person” as that term is defined in section 101(14) of the Bankruptcy Code with respect to the matters upon which it is to be engaged. Moreover, to the best of my knowledge and belief, neither Prime Clerk nor any of its partners or employees hold or represent any interest materially adverse to the Debtors’ estates with respect to any matter upon which Prime Clerk is to be engaged.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my information, knowledge and belief.

- (b) The Company acknowledges and agrees that Prime Clerk will often take direction from the Company's representatives, employees, agents and/or professionals (collectively, the "**Company Parties**") with respect to providing Services hereunder. The parties agree that Prime Clerk may rely upon, and the Company agrees to be bound by, any requests, advice or information provided by the Company Parties to the same extent as if such requests, advice or information were provided by the Company.
- (c) The Company agrees and understands that Prime Clerk shall not provide the Company or any other party with legal advice.

### 2. Rates, Expenses and Payment

- (a) Prime Clerk will provide the Services on an as-needed basis and upon request or agreement of the Company (which request or agreement shall be in writing to the extent the services to be provided are beyond the scope of this Agreement or any Bankruptcy Court order), in each case in accordance with the rate structure attached hereto and incorporated by reference herein (the "**Rate Structure**"); provided, however that Prime Clerk will provide a discount of 10% off the attached hourly rates for the remaining life of the engagement. The Company agrees to pay for reasonable out of pocket expenses incurred by Prime Clerk in connection with providing Services hereunder.
- (b) The Rate Structure sets forth individual unit pricing for each of the Services. The Company may request separate Services or all of the Services.
- (c) Prime Clerk will bill the Company no less frequently than monthly. All invoices shall be due and payable upon receipt. Where an expense or group of expenses to be incurred is expected to exceed \$10,000 (e.g., publication notice), Prime Clerk may require advance or direct payment from the Company before the performance of Services hereunder. If any amount is

- (d) In case of a good faith dispute with respect to an invoice amount, the Company shall provide a detailed written notice of such dispute to Prime Clerk within 10 days of receipt of the invoice. The undisputed portion of the invoice will remain due and payable immediately upon receipt thereof. Late charges shall not accrue on any amounts disputed in good faith.
- (e) The Company shall pay any fees and expenses for Services relating to, arising out of or resulting from any error or omission made by the Company or the Company Parties.
- (f) The Company shall pay or reimburse any taxes, other than income taxes, that are applicable to Services performed hereunder or that are measured by payments made hereunder and are required to be collected by Prime Clerk or paid by Prime Clerk to a taxing authority.
- (g) Upon execution of this Agreement, the Company shall pay Prime Clerk an advance of \$75,000. Prime Clerk may use such advance against unpaid fees and expenses hereunder. Prime Clerk may use the advance against all prepetition fees and expenses, which advance then shall be replenished immediately by the Company to the original advance amount; thereafter, Prime Clerk may hold such advance to apply against unpaid fees and expenses hereunder.
- (h) Prime Clerk reserves the right to make reasonable increases to the Rate Structure on an annual basis effective on the first business day of each year. If such annual increases represent an increase greater than 10% from the previous year's levels, Prime Clerk shall provide 30 days' notice to the Company of such increases.

### **3. Retention in Bankruptcy Case**

- (a) If the Company commences a case pursuant to title 11 of the United States Code (the "**Bankruptcy Code**"), the Company promptly shall file applications with the Bankruptcy Court to retain Prime Clerk (i) as claims and noticing agent pursuant to 28 U.S.C. § 156(c) and (ii) as administrative advisor pursuant to section 327(a) of the Bankruptcy Code for all Services that fall outside the scope of 28 U.S.C. § 156(c). The form and substance of such applications and any order approving them shall be reasonably acceptable to Prime Clerk.
- (b) If any Company chapter 11 case converts to a case under chapter 7 of the Bankruptcy Code, Prime Clerk will continue to be paid for Services pursuant to 28 U.S.C. § 156(c) and the terms hereunder.
- (c) Notwithstanding anything to the contrary, if the Company commences a case under the Bankruptcy Code, the Company's payment of Prime Clerk's fees and expenses will be subject to the limitations, if any, imposed by the Bankruptcy Code and any applicable order of the Bankruptcy Court.

### **4. Confidentiality**

- (a) The Company and Prime Clerk agree to keep confidential all non-public records, systems, procedures, software and other information received from the other party in connection with the Services provided hereunder; provided, however, that if any such information was publicly available, already in the party's possession or known to it, independently developed, lawfully obtained from a third party or required to be disclosed by law, then a party shall bear no responsibility for publicly disclosing such information.

- (b) If either party reasonably believes that it is required to disclose any confidential information pursuant to an order from a governmental authority, such party shall provide written notice to the other party promptly after receiving such order, to allow the other party sufficient time to seek any remedy available under applicable law to prevent disclosure of the information.

## 5. Property Rights

Prime Clerk reserves all property rights in and to all materials, concepts, creations, inventions, works of authorship, improvements, designs, innovations, ideas, discoveries, know-how, techniques, programs, systems, specifications, applications, processes, routines, manuals, documentation and any other information or property (collectively, "**Property**") furnished by Prime Clerk for itself or for use by the Company hereunder. Fees and expenses paid by the Company do not vest in the Company any rights in such Property. Such Property is only being made available for the Company's use during and in connection with the Services provided by Prime Clerk hereunder.

## 6. Bank Accounts

At the request of the Company or the Company Parties, Prime Clerk shall be authorized to establish accounts with financial institutions in the name of and as agent for the Company to facilitate distributions pursuant to a chapter 11 plan or other transaction. To the extent that certain financial products are provided to the Company pursuant to Prime Clerk's agreement with financial institutions, Prime Clerk may receive compensation from such institutions for the services Prime Clerk provides pursuant to such agreement.

## 7. Term and Termination

- (a) This Agreement shall remain in effect until terminated by either party: (i) on 30 days' prior written notice to other party; or (ii) immediately upon written notice for Cause (as defined herein). "**Cause**" means (i) gross negligence or willful misconduct of Prime Clerk that causes material harm to the Company's restructuring under chapter 11 of the Bankruptcy Code, (ii) the failure of the Company to pay Prime Clerk invoices for more than 60 days from the date of invoice, unless such delay results from limitations imposed under the Bankruptcy Code or by order of the Bankruptcy Court or (iii) the accrual of invoices or unpaid Services in excess of the retainer held by Prime Clerk where Prime Clerk reasonably believes it will not be paid. Upon receipt of such written notice, Prime Clerk shall cease providing Services, unless directed otherwise by the Company in writing or as required pursuant to Bankruptcy Court order, the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, or the Local Bankruptcy Rules for the district in which any bankruptcy case is commenced.
- (b) If this Agreement is terminated after Prime Clerk is retained pursuant to Bankruptcy Court order, the Company promptly shall seek entry of a Bankruptcy Court order discharging Prime Clerk of its duties under such retention, which order shall be in form and substance reasonably acceptable to Prime Clerk.
- (c) If this Agreement is terminated, the Company shall remain liable for all amounts then accrued and/or due and owing to Prime Clerk hereunder.
- (d) If this Agreement is terminated, Prime Clerk shall coordinate with the Company and, to the extent applicable, the clerk of the Bankruptcy Court, to maintain an orderly transfer of record keeping functions, and Prime Clerk shall provide the necessary staff, services and assistance

required for such an orderly transfer. The Company agrees to pay for such Services pursuant to the Rate Structure.

**8. No Representations or Warranties**

Prime Clerk makes no representations or warranties, express or implied, including, without limitation, any express or implied warranty of merchantability, fitness or adequacy for a particular purpose or use, quality, productiveness or capacity.

**9. Indemnification**

- (a) To the fullest extent permitted by applicable law, the Company shall indemnify and hold harmless Prime Clerk and its members, directors, officers, employees, representatives, affiliates, consultants, subcontractors and agents (collectively, the “**Indemnified Parties**”) from and against any and all losses, claims, damages, judgments, liabilities and expenses, whether direct or indirect (including, without limitation, counsel fees and expenses) (collectively, “**Losses**”) resulting from, arising out of or related to Prime Clerk’s performance hereunder. Without limiting the generality of the foregoing, Losses include any liabilities resulting from claims by any third parties against any Indemnified Party.
- (b) Prime Clerk and the Company shall notify each other in writing promptly upon the assertion, threat or commencement of any claim, action, investigation or proceeding that either party becomes aware of with respect to the Services provided hereunder.
- (c) The Company’s indemnification of Prime Clerk hereunder shall exclude Losses resulting from Prime Clerk’s gross negligence or willful misconduct.
- (d) The Company’s indemnification obligations hereunder shall survive the termination of this Agreement.

**10. Limitations of Liability**

Except as expressly provided herein, Prime Clerk’s liability to the Company for any Losses, unless due to Prime Clerk’s gross negligence or willful misconduct, shall be limited to the total amount paid by the Company for the portion of the particular work that gave rise to the alleged Loss. In no event shall Prime Clerk’s liability to the Company for any Losses arising out of this Agreement exceed the total amount actually paid to Prime Clerk for Services provided hereunder. In no event shall Prime Clerk be liable for any indirect, special or consequential damages (such as loss of anticipated profits or other economic loss) in connection with or arising out of the Services provided hereunder.

**11. Company Data**

- (a) The Company is responsible for, and Prime Clerk does not verify, the accuracy of the programs, data and other information it or any Company Party submits for processing to Prime Clerk and for the output of such information, including, without limitation, with respect to preparation of statements of financial affairs and schedules of assets and liabilities (collectively, “**SOFAs and Schedules**”). Prime Clerk bears no responsibility for the accuracy and content of SOFAs and Schedules, and the Company is deemed hereunder to have approved and reviewed all SOFAs and Schedules filed on its behalf.

- (b) The Company agrees, represents and warrants to Prime Clerk that before delivery of any information to Prime Clerk: (i) the Company has full authority to deliver such information to Prime Clerk; and (ii) Prime Clerk is authorized to use such information to perform Services hereunder.
- (c) Any data, storage media, programs or other materials furnished to Prime Clerk by the Company may be retained by Prime Clerk until the Services provided hereunder are paid in full. The Company shall remain liable for all fees and expenses incurred by Prime Clerk under this Agreement as a result of data, storage media or other materials maintained, stored or disposed of by Prime Clerk. Any such disposal shall be in a manner requested by or acceptable to the Company; provided that if the Company has not utilized Prime Clerk's Services for a period of 90 days or more, Prime Clerk may dispose of any such materials, and be reimbursed by the Company for the expense of such disposition, after giving the Company 30 days' notice. The Company agrees to initiate and maintain backup files that would allow the Company to regenerate or duplicate all programs, data or information provided by the Company to Prime Clerk.
- (d) If Prime Clerk is retained pursuant to Bankruptcy Court order, disposal of any Company data, storage media or other materials shall comply with any applicable court orders and rules or clerk's office instructions.

## **12. Non-Solicitation**

The Company agrees that neither it nor any of its subsidiaries or affiliates shall directly or indirectly solicit for employment, employ or otherwise retain as employees, consultants or otherwise, any employees of Prime Clerk during the term of this Agreement and for a period of 12 months after termination thereof unless Prime Clerk provides prior written consent to such solicitation or retention.

## **13. Force Majeure**

Whenever performance by Prime Clerk of any of its obligations hereunder is materially prevented or impacted by reason of any act of God, government requirement, strike, lock-out or other industrial or transportation disturbance, fire, flood, epidemic, lack of materials, law, regulation or ordinance, act of terrorism, war or war condition, or by reason of any other matter beyond Prime Clerk's reasonable control, then such performance shall be excused, and this Agreement shall be deemed suspended during the continuation of such prevention and for a reasonable time thereafter.

## **14. Choice of Law**

The validity, enforceability and performance of this Agreement shall be governed by and construed in accordance with the laws of the State of New York.

## **15. Arbitration**

Any dispute arising out of or relating to this Agreement or the breach thereof shall be finally resolved by arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules, and judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction. There shall be three arbitrators named in accordance with such rules. The arbitration shall be conducted in the English language in New York, New York in accordance with the United States Arbitration Act.

**16. Integration; Severability; Modifications; Assignment**

- (a) Each party acknowledges that it has read this Agreement, understands it and agrees to be bound by its terms and further agrees that it is the complete and exclusive statement of the agreement between the parties, which supersedes and merges all prior proposals, understandings, agreements and communications between the parties relating to the subject matter hereof.
- (b) If any provision of this Agreement shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall in no way be affected or impaired thereby.
- (c) This Agreement may be modified only by a writing duly executed by an authorized representative of the Company and an officer of Prime Clerk.
- (d) This Agreement and the rights and duties hereunder shall not be assignable by the parties hereto except upon written consent of the other; provided, however, that Prime Clerk may assign this Agreement to a wholly-owned subsidiary or affiliate without the Company's consent.

**17. Effectiveness of Counterparts**

This Agreement may be executed in two or more counterparts, each of which will be deemed an original, but all of which shall constitute one and the same agreement. This Agreement will become effective when one or more counterparts have been signed by each of the parties and delivered to the other party, which delivery may be made by exchange of copies of the signature page by fax or email.

authorizing the Debtors to abandon the personal property located at the premises related to the Rejection Leases (collectively, the “*Premises*”) as of the Petition Date.

### **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “*Local Rules*”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 365(a) and 554(a) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “*Bankruptcy Code*”), and Rules 6006 and 6007 of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”).

### **BACKGROUND**

3. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “*Chapter 11 Cases*”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies' Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the "**First Day Declaration**")<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

### **MOTION SPECIFIC BACKGROUND**

6. As described in detail in the First Day Declaration, the Debtors have today filed these Chapter 11 Cases amid an unprecedented health crisis with difficult social, political and economic implications. While the Debtors would have preferred to wait out the current instabilities of the financial markets and retail industry, they simply could not afford to do so. The relief sought in this Motion is critical to preserve liquidity and maintain the Debtors' viability as a going concern.

#### **I. THE REJECTION LEASES**

7. As of the Petition Date, the Debtors are parties to approximately 3,616 real property leases in the United States, Canada and Puerto Rico, 772 of which are subleased to 330 franchisees. As part of their ongoing restructuring efforts, the Debtors are engaging in a comprehensive review

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court's website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors' proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

and analysis of their lease portfolio. After careful evaluation, the Debtors have identified 100 stores to be rejected (the “*Rejection Stores*”). As such, the Debtors have determined, in the exercise of their business judgment, that it is in the best interests of their estates to seek authority to reject the Rejection Leases associated with the Rejection Stores as of the Petition Date. Rejecting the Rejection Leases will allow the Debtors to avoid the accrual of unnecessary administrative expenses with no foreseeable benefits to the Debtors’ estates. Moreover, given the obligations under the Rejection Leases and current market conditions, the Debtors have concluded, in consultation with their advisors, that the Rejection Leases are not marketable and are unlikely to generate material value for the Debtors’ estates.

8. On June 18, 2020, the Debtors sent letters to each landlord counterparty (the “*Landlords*”) to the Rejection Leases, which were delivered no later than the Petition Date, notifying them that the Debtors were unequivocally surrendering possession of the Premises and abandoning any Debtor-owned personal property in conjunction therewith as of such time.

## **II. REMAINING PROPERTY**

9. Certain Rejection Stores store property that belongs to the Debtors, including, but not limited to, inventory, books and records, equipment, fixtures, furniture and other personal property (the “*Remaining Property*”). Before the Debtors vacated the Premises, the Debtors evaluated the Remaining Property located at the Premises and determined that (a) the Remaining Property is of inconsequential value or (b) the cost of removing and storing the Remaining Property for future use, marketing, or sale exceeded its value to the Debtors’ estates. Because the Debtors have no intent to operate the stores at the Premises, the Remaining Property will no longer be necessary for the administration of the Debtors’ estates.

10. Accordingly, to reduce postpetition administrative costs and in the exercise of the Debtors' sound business judgment, the Debtors believe that the abandonment of the Remaining Property is appropriate and in the best interests of the Debtors, their estates, and their creditors.

### **BASIS FOR RELIEF**

#### **I. REJECTION OF THE REJECTION LEASES REFLECTS THE DEBTORS' SOUND BUSINESS JUDGMENT.**

11. Section 365(a) of the Bankruptcy Code provides that a debtor, "subject to the court's approval, may assume or reject any executory contract or unexpired lease of the debtor." 11 U.S.C. § 365(a). The purpose behind section 365(a) is "to permit the trustee or debtor-in-possession to use valuable property of the estate and to renounce title to and abandon burdensome property." *In re Republic Airways Holdings Inc.*, 547 B.R. 578, 582 (Bankr. S.D.N.Y. 2016) (quoting *In re Orion Pictures Corp. v. Showtime Networks, Inc. (In re Orion Pictures Corp.)*, 4 F.3d 1095, 1098 (2d Cir. 1993)); *see also In re Exide Techs.*, 607 F.3d 957, 967 (3d Cir. 2010) ("Courts may use § 365 to free a [debtor] from burdensome duties that hinder its reorganization."); *N.L.R.B. v. Bildisco and Bildisco (In re Bildisco)*, 465 U.S. 513, 528 (1984) ("[t]he authority to reject an executory contract is vital to the basic purpose to a Chapter 11 reorganization, because rejection can release the debtor's estate from burdensome obligations that can impede a successful reorganization."). Pursuant to Bankruptcy Rule 6006(f), a trustee or debtor in possession may file a motion for the authority to reject multiple leases. Fed. R. Bankr. P. 6006(f).

12. The standard applied by courts to determine whether the assumption or rejection of an unexpired nonresidential lease should be authorized is the "business judgment" test, which requires a debtor to have determined that the requested assumption or rejection would be beneficial to its estate. *See Grp. Of Institutional Inv'rs v. Chi., Milwaukee St. Paul & Pac. R.R.*, 318 U.S. 523, 550 (1943) (noting that "the question whether a lease should be rejected...is one of business

judgment”); *In re Bildisco*, 682 F.2d 72, 79 (3d Cir. 1982), *aff’d*, 465 U.S. 513 (“The usual test for rejection of an executory contract is simply whether rejection would benefit the estate, the ‘business judgment’ test.”); *accord In re HQ Glob. Holdings, Inc.*, 290 B.R. 507, 511 (Bankr. D. Del. 2003).

13. In applying the business judgment standard, bankruptcy courts give deference to a debtor’s decision to assume or reject leases. *See, e.g., Sharon Steel Corp. v. Nat’l Fuel Gas Distrib. Corp.*, 872 F.2d 36, 39-40 (3d Cir. 1989) (affirming the rejection of a service agreement as a sound exercise of the debtor’s business judgment when the bankruptcy court found that such rejection would benefit the debtors’ estate); *In re Trans World Airlines, Inc.*, 261 B.R. 103, 121 (Bankr. D. Del. 2001) (“[A] debtor’s decision to reject an executory contract must be summarily affirmed unless it is the product of bad faith, or whim, or caprice.”).

14. Rejection of the Rejection Leases is well within the Debtors’ business judgment and will serve to maximize the value of their estates. The Debtors seek authority to reject the Rejection Leases to avoid the incurrence of any additional unnecessary expenses related to the Rejection Leases and the maintenance of the Rejection Stores. The Debtors have concluded that the cost of maintaining the Rejection Stores outweighs any revenues that the Rejection Stores currently generate or are likely to generate in the future.

15. After evaluation and analysis, the Debtors have determined, in the exercise of their sound business judgment, that there is no net benefit that is likely to be realized from the Debtors’ continued efforts to retain and potentially market the Rejection Leases and that there is little, if any, likelihood that the Debtors will be able to realize value from the Rejection Leases. Accordingly, the Debtors have concluded that rejection of the Rejection Leases is in the best interest of the Debtors’ estates, their creditors, and other parties in interest.

**II. THE COURT SHOULD DEEM THE REJECTION LEASES REJECTED EFFECTIVE AS OF THE PETITION DATE AND AUTHORIZE DEBTORS TO ABANDON THE REMAINING PROPERTY.**

16. Section 365 of the Bankruptcy Code does not restrict a bankruptcy court from applying rejection retroactively. *See In re Jamesway Corp.*, 179 B.R. 33, 37 (S.D.N.Y. 1995) (stating that section 365 does not include “restrictions as to the manner in which the court can approve rejection”); *see also In re CCI Wireless, LLC*, 297 B.R. 133, 138 (D. Colo. 2003) (noting that section 365 “does not prohibit the bankruptcy court from allowing the rejection of leases to apply retroactively”).

17. Courts have held that a bankruptcy court may, in its discretion, authorize rejection retroactively to a date prior to entry of an order authorizing such rejection where the balance of equities favors such relief. *See In re Thinking Machs. Corp.*, 67 F.3d 1021, 1029 (1st Cir. 1995) (stating that “rejection under section 365(a) does not take effect until judicial approval is secured, but the approving court has the equitable power, in suitable cases, to order a rejection to operate retroactively”); *In re Chi-Chi’s, Inc.*, 305 B.R. 396, 399 (Bankr. D. Del. 2004) (stating “the court’s power to grant retroactive relief is derived from the bankruptcy court’s equitable powers so long as it promotes the purposes of § 365(a)”; *In re CCI Wireless, LLC*, 297 B.R. at 140 (holding that a “court has authority under section 365(d)(3) to set the effective date of rejection at least as early as the filing date of the motion to reject”).

18. Here, the equities of these Chapter 11 Cases favor the Court’s approval of the retroactive rejection of the Rejection Leases to the Petition Date. Without such relief, the Debtors will potentially incur unnecessary administrative expenses related to the Rejection Leases—agreements that provide no benefit to the Debtors’ estates in light of their goal to maximize value of the business as a going concern. *See* 11 U.S.C. § 365(d)(3).

19. Moreover, the Landlords will not be unduly prejudiced if the Rejection Leases are rejected effective as of the Petition Date because the Debtors have served this Motion on the Landlords and/or their agents or representatives by electronic mail and/or facsimile, on the date hereof, and by overnight mail, the following day, stating that the Debtors intend to reject the Rejection Leases effective as of the Petition Date. Furthermore, the Debtors have, on or before the date hereof, turned over the keys to the Premises to the Landlords or their representatives and abandoned the Premises, and in conjunction therewith indicated that they were unequivocally surrendering possession of the Premises as a result thereof. Therefore, based on the Debtors' desire to eliminate the potential for administrative claims against their estates, and to avoid the potential accrual of any further obligations under the Rejection Leases, the Debtors respectfully submit that the retroactive rejection of the Rejection Leases as of the Petition Date is appropriate.

20. Further, the abandonment of the Remaining Property is appropriate and authorized by the Bankruptcy Code. *See* 11 U.S.C. § 554(a). Section 554(a) provides that “[a]fter notice and a hearing, the trustee may abandon any property of the estate that is burdensome to the estate or that is of inconsequential value and benefit to the estate.” *Id.* Courts generally give a debtor in possession great deference to its decision to abandon property. *See In re Vel Rey Props., Inc.*, 174 B.R. 859, 867 (Bankr. D.D.C. 1994) (“Clearly, the court should give deference to the trustee’s judgment in such matters.”). Unless certain property is harmful to the public, once a debtor has shown that it is burdensome or of inconsequential value to the estate, a court should approve the abandonment. *Id.*

21. Before deciding to abandon any Remaining Property, the Debtors determined that the costs of moving and storing such Remaining Property outweighed any benefit to the Debtors’

estates. Further, any efforts by the Debtors to move or market the Remaining Property would have unnecessarily delayed the Debtors' rejection of the Rejection Leases.

22. Accordingly, the Debtors respectfully submit that the Court deem the Rejection Leases rejected effective as of the Petition Date and authorize the Debtors to abandon the Remaining Property as of such date.

### **RESERVATION OF RIGHTS**

23. ### **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “*Local Rules*”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C.

§§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 363, 365 and 554(a) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “*Bankruptcy Code*”), Rules 6003 and 6004 of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”), and Local Rule 9013-1(m).

### **BACKGROUND**

3. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “*Chapter 11 Cases*”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies’ Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List) (the “*CCAA Court*”).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the “*First Day Declaration*”)<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court’s website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors’ proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

## **MOTION SPECIFIC BACKGROUND**

### **I. THE STORE CLOSING DECISIONS AND THE CONSULTING AGREEMENTS**

6. As described more fully in the First Day Declaration, in the wake of extreme market conditions and faced with limited liquidity, the Debtors seek to wind down approximately 726 store locations (the “*Closing Stores*”) listed on Exhibit 2 to Exhibit A and Exhibit B attached hereto throughout the U.S. and Canada through a going-out-of-business sales process. As described in the First Day Declaration, given continuously declining profitability and operational challenges, and despite the best efforts of the Debtors and their advisors to secure the capital necessary to preserve the entire business as a going concern, the Debtors are simply unable to meet their financial obligations. The Debtors have worked in concert with their secured lenders to facilitate an expedited sale and orderly wind-down process for certain stores that will maximize value and recoveries for stakeholders in these cases.

7. Concurrently, the Debtors, with the assistance of A&G Realty Partners, LLC and MPA Inc., are negotiating lease modifications with many of the Debtors’ landlords in the U.S. and Canada, respectively, for certain rent concessions and early termination rights (the “*Lease Negotiations*”), with the goal of improving the financial performance of the Debtors’ remaining store base. These Lease Negotiations are ongoing and the Debtors’ ability to negotiate more favorable lease terms and rent reductions will drive the determination of whether or not to close additional stores. Where the Debtors are unable to obtain sufficient relief in the Lease Negotiations concerning stores that are on the cusp of failing to meet certain performance standards, such stores may close as part of the Store Closings (which may begin simultaneously or on a rolling basis, depending on the relative timing the various Lease Negotiations conclude).

8. The Debtors selected and engaged the Consultant to (a) manage the Store Closings; (b) sell their store inventory (the “*Merchandise*”), owned furniture, furnishings, trade fixtures,

machinery, equipment, office supplies, supplies and other tangible personal property (the “*FF&E*”) under the Consulting Agreements, and solely with respect to the U.S. Consulting Agreement, the “Additional Consultant Goods” (the “*Additional Consultant Goods*” and together with the FF&E and the Merchandise, the “*Store Assets*”) located in the stores; and (c) surrender the stores to the Debtors on the terms set forth in the Consulting Agreements, including, without limitation, the terms of the sale guidelines attached to the Canada Consulting Agreement (such guidelines, the “*Canadian Sale Guidelines*”) in the case of Store Closings in Canada. The Debtors have a historical relationship with the Consultant, who has helped the Debtors with annual appraisals of inventory and accounts receivable, making the Consultant familiar with the Debtors’ businesses. In early 2020, the Debtors retained the Consultant for a store closing test, at which time the Consultant was subject to an evaluation process that included, among other things, review of proposals from other service providers, providing candidates with equal access to all information (such as store level volume, margins, and inventory) provided by the Debtors; seeking references; providing standard requirements for the submission or recovery assumptions; conducting forecasts and analysis; and phone and in-person meetings with the Debtors’ management. Given the Consultant’s longstanding familiarity with the Debtors’ business, the efficiencies resulting from the same to the Debtors’ estates, and the Consultant’s experience in conducting store closings on an expedited timeline, the Debtors’ management, in consultation with the Debtors’ advisors, selected the Consultant to manage the Store Closings. The Canadian Store Closing Procedures in respect of Store Closings in Canada incorporate the Canadian Sale Guidelines, which guidelines are substantially consistent with the store closing process that is typically used in Canada, and which Canadian Store Closing Procedures shall control such Store Closings. To the extent that the Canadian Store Closing Procedures differ from the U.S. Store

Closing Procedures, it is to reflect such sale guidelines and such typical Canadian store closing process.

9. By this Motion, the Debtors seek to assume the Consulting Agreements so that the Consultant may continue in its role as Consultant for the Store Closings on a postpetition basis without interruption. The Debtors have determined, in an exercise of their business judgment, that (a) the continuation of services by the Consultant is necessary for efficient large-scale execution of the Store Closings, and to maximize the value of the assets being sold, and (b) any change in or elimination of the Consultant would significantly disrupt the Store Closing process and impair the value of the remaining assets in the stores.

10. Further, the Store Closings are a critical component of the Debtors' go-forward business plan, and assumption of the Consulting Agreements will allow the Debtors to conduct the Store Closings in an efficient, controlled manner that will maximize value for the Debtors' estates. The relief requested in this Motion is integral to maximizing the value of the Debtors' estates. It will permit the Debtors to commence the Store Closings in a timely manner as contemplated by this Motion and will establish fair and uniform store closing procedures to assist the Debtors and their creditors through the Debtors' transition to a smaller, more profitable enterprise.<sup>4</sup>

11. For the convenience of the Court and interested parties, a summary of the salient terms of the Consulting Agreements is set forth below.<sup>5</sup>

---

<sup>4</sup> By this Motion, the Debtors' seek approval of the conduct of the Store Closings and the associated disposition of the Merchandise and the owned FF&E in a manner consistent with customary practices in this jurisdiction and in jurisdictions throughout the country in connection with the Store Closings. However, nothing in this Motion seeks approval of the Debtors' assumption and assignment of any of their non-residential real property leases or executory contracts. To the extent that the Debtors', through the services of the Consultant, find one or more buyers of stores, the Debtors' would file one or more separate motions seeking approval of such asset sales on as expedited a basis as the circumstances and/or economics of such sale dictate.

<sup>5</sup> The following summary chart is for the convenience of the Court and parties in interest. To the extent there is any conflict between this summary and the Consulting Agreements, the Consulting Agreements shall govern in all respects. Any capitalized terms used in the summary chart but not defined therein are used as defined in the Consulting Agreements.

TERM	CONSULTING AGREEMENTS <sup>6</sup>
<p><b>Services Provided by Consultant</b></p>	<p>Consultant shall: (a) conduct a review and assessment of Merchant’s current store closing plan and accompanying assumptions in light of the current market environment, (b) make recommendations in order to minimize expenses and maximize the return from the sale of Merchandise, (c) consult with Merchant as to which stores to close immediately (or to not reopen) and at which to conduct the Sale, and (d) consult with Merchant as to the logistics of transferring merchandise from the Closing Stores to the GOB Stores (i.e. where Store Closings will be conducted). During the Sale Term, Consultant shall, in collaboration with Merchant, (a) provide one or more qualified supervisors (the “<i>Supervisors</i>”) engaged by Consultant and reasonably approved in advance by Merchant to oversee the Sale and management of the GOB Stores in an effort to maximize revenue and sell all of the Merchandise prior to the end of the Sale; (b) determine appropriate point-of-sale and external advertising, reasonably approved in advance by Merchant; (c) determine appropriate discounts of Merchandise, staffing levels, and appropriate bonus and incentive programs, if any, for the GOB Stores’ employees, in each case reasonably approved in advance by Merchant; (d) oversee display of Merchandise for the GOB Stores; (e) evaluate sales of Merchandise by category, provide sales reporting and monitor expenses; (f) maintain the confidentiality of all proprietary or non-public information regarding Merchant in accordance with the provisions of the confidentiality agreement signed by the Parties and for Merchant Confidential Information; (g) assist Merchant in connection with managing and controlling loss prevention and employee relations matters; (h) to the extent necessary, assist Merchant in obtaining all required permits and governmental consents required to conduct the Sale; (i) price, market, and sell the FF&amp;E on behalf of Merchant; and (j) provide such other related services deemed necessary or appropriate by Merchant and Consultant. In addition, pursuant to the Canada Consulting Agreement, Canada Consultant shall: (x) provide such information and reporting as may be requested by the Information Officer; (y) comply with all applicable Orders entered in this Bankruptcy Case or granted in the CCAA Proceedings; and (z) comply with the Canadian Sale Guidelines with respect to the conduct of the Sale in Canada.</p>
<p><b>Term of Sale</b></p>	<p>For GOB Stores that are currently operating, the Sale shall commence on or about June 25, 2020, and (b) for GOB Stores that are not currently operating, the Sale shall commence on or about the later of the date upon which Merchant reopens each such GOB Store and June 25, 2020 (the “<i>Sale Commencement Date</i>”). Pursuant to the Canada Consulting Agreement, the commencement of the Sale is subject to obtaining the Approval Order. The Sale shall conclude no later than September 30, 2020 (the “<i>Sale Termination Date</i>”); <u>provided, however</u>, that Merchant may agree in writing in its sole discretion to extend or terminate the Sale at any GOB Store prior to the Sale Termination Date (it being understood that, if the timing set forth herein changes, Merchant and Consultant shall mutually agree on any adjustments to the Expense Budget (as defined below) and Consultant’s compensation); <u>provided further, however</u>, that Merchant may agree in writing in its sole discretion to make any GOB Store a Closing Store prior to the Sale Termination Date. The period between the Sale Commencement Date and the Sale Termination Date shall be referred to as the “<i>Sale Term</i>.” Upon the removal of Merchandise from each Store and at the conclusion of the Sale at each GOB Store, (a) Consultant shall surrender the premises for such Store to Merchant in broom clean condition with any unsold FF&amp;E abandoned in place at such Store, and (b) Consultant shall reasonably assist Merchant to photographically document the condition of each such Store upon the conclusion of the Sale there. Pursuant to the Canada Consulting Agreement, the Canada Consultant shall comply with the Canadian Sale Guidelines with respect to the conduct of the Sale in Canada.</p>

<sup>6</sup> Except as otherwise noted, the terms of the U.S. Consulting Agreement and Canada Consulting Agreement are substantially the same.

<p><b>Expenses of Consultant</b></p>	<p>Merchant shall be responsible for all reasonable and documented costs and expenses of the Sale, including all Store level operating expenses. To control expenses of the Sale, Merchant and Consultant have established a budget (the “<i>Expense Budget</i>”) of certain delineated expenses in connection with the Sale, including supervision (including Supervisors’ wages, fees, travel and any other compensation and any travel expenses of Consultant), advertising costs and signage. The Expense Budget for the Sale is attached to each of the Consulting Agreements as <u>Exhibit B</u>. The Expense Budget may only be modified by mutual written agreement of Consultant and Merchant, and, pursuant to the Canada Consulting Agreement, with the approval of the Information Officer from and after the date of the Approval Order. Unless otherwise agreed to by Merchant, Merchant shall not be obligated to pay costs of supervision, advertising costs and signage that exceed the budgeted amount, on an aggregate basis. The Parties acknowledge that the Expense Budget will be updated as appropriate in connection with any modification of the lists of GOB Stores or the terms of the Sale and agree to cooperate in good faith with respect to such updates or to any Additional Stores.</p>								
<p><b>Compensation for Consultant</b></p>	<p>In consideration of its services, Consultant shall earn a base fee of USD\$1,000 per GOB Store and USD\$500 per Closing Store (the “<i>Base Fee</i>”) payable as follows for the U.S Consulting Agreement: (x) 50% upon entry of an interim Approval Order of the Court authorizing the Sale pursuant to the terms and conditions of the U.S. Consulting Agreement and (y) 50% upon entry of the final Approval Order; and payable as follows for the Canada Consulting Agreement: (x) 50% upon entry of the Interim Order (as defined in the Canada Consulting Agreement) and (y) 50% upon entry of the Final Order (as defined in the Canada Consulting Agreement). In addition, Merchant may earn an additional incentive fee (the “<i>Incentive Fee</i>” and together with the Base Fee, the “<i>Consulting Fee</i>”) based upon the following thresholds of Gross Proceeds received during the Sale divided by the Cost Value of the Merchandise sold during the Sale (the “<i>Gross Recovery Percentage</i>”) calculated back to the first dollar received:</p> <table border="1" data-bbox="626 1073 1295 1199"> <thead> <tr> <th>Gross Recovery Percentage</th> <th>Total Incentive Fee</th> </tr> </thead> <tbody> <tr> <td>Between 120% to 134.99%</td> <td>.50% of Gross Proceeds</td> </tr> <tr> <td>Between 135% to 149.99%</td> <td>.75% of Gross Proceeds</td> </tr> <tr> <td>150.0% or above</td> <td>1.25% of Gross Proceeds</td> </tr> </tbody> </table> <p>After it is determined that Consultant has earned an Incentive Fee, Merchant shall pay such Incentive Fee as earned as part of the weekly reconciliations and in any event no later than the Final Reconciliation.</p> <p>Consultant shall also be entitled to a commission equal to fifteen percent of the Gross FF&amp;E Proceeds.</p>	Gross Recovery Percentage	Total Incentive Fee	Between 120% to 134.99%	.50% of Gross Proceeds	Between 135% to 149.99%	.75% of Gross Proceeds	150.0% or above	1.25% of Gross Proceeds

<p><b>Merchant’s Insurance Obligations</b></p>	<p>Merchant shall maintain, throughout the Sale Term, liability insurance policies (including products liability in the amounts currently provided, commercial general liability insurance and auto liability insurance) covering injuries to persons and property in or in connection with the Stores, and shall cause Consultant to be included as an additional insured with respect to all such policies. At Consultant’s request, Merchant shall provide Consultant with a certificate or certificates evidencing the insurance coverage required hereunder and that Consultant is an additional insured thereunder. In addition, Merchant shall maintain throughout the Sale Term, in such amounts as it currently has in effect, workers compensation insurance in compliance with all applicable statutory requirements.</p>								

<p><b>Consultant's Insurance Obligations</b></p>	<p>As an expense of the Sale and as set forth on the Expense Budget, Consultant shall maintain, throughout the Sale Term, liability insurance policies (including products liability/completed operations, contractual liability, comprehensive commercial general liability, without limitation, including auto liability insurance) on an occurrence basis in an amount of at least one million dollars (\$1,000,000) per occurrence and an aggregate basis of at least five million dollars (\$5,000,000) for commercial general liability covering injuries to persons and property in or in connection with Consultant's provision of services at the Stores and \$5,000,000 per occurrence combined single limit for auto. Consultant shall name Merchant as an additional insured and loss payee under such policies, and upon execution of this Agreement provide Merchant with a certificate or certificates of insurance evidencing the insurance coverage required hereunder. In addition, Consultant shall maintain throughout the Sale Term workers compensation insurance compliant with all statutory requirements. Further, should Consultant employ or engage third parties to perform any of Consultant's undertakings with regard to this Agreement, Consultant will ensure that such third parties are covered by Consultant's insurance or maintain all of the same insurance as Consultant is required to maintain pursuant to this paragraph and name Merchant as an additional insured and loss payee under the policy for each such insurance.</p>
<p><b>Indemnification by Consultant</b></p>	<p>Consultant shall, on a joint and several basis, indemnify, defend and hold Merchant and its affiliates and their respective consultants, members, managers, partners, officers, directors, employees, attorneys, advisors, principals, and affiliates (other than the Consultant or the Consultant Indemnified Parties) (collectively, "<b>Merchant Indemnified Parties</b>") harmless from and against all liabilities, claims, demands, damages, costs and expenses (including reasonable attorneys' fees) arising from or related to (a) the willful or grossly negligent acts or omissions of Consultant or the Consultant Indemnified Parties; (b) the breach of any provision of, or the failure to perform any obligation under, this Agreement by Consultant; (c) any liability or other claims made by Consultant's Indemnified Parties or any other person (excluding Merchant Indemnified Parties) against a Merchant Indemnified Party arising out of or related to Consultant's conduct of the Sale, except claims arising from Merchant's negligence, willful misconduct, or unlawful behavior; (d) any harassment, discrimination or violation of any laws or regulations or any other unlawful, tortious or otherwise actionable treatment of Merchant Indemnified Parties or Merchant's customers by Consultant or any of the Consultant Indemnified Parties and (e) any claims made by any party engaged by Consultant as an employee, agent, representative or independent contractor arising out of such engagement.</p>

<b>Indemnification by Merchant</b>	<p>Merchant shall indemnify, defend, and hold each party comprising Consultant and its consultants, members, managers, partners, officers, directors, employees, attorneys, advisors, principals, affiliates, and Supervisors (collectively, "<b>Consultant Indemnified Parties</b>") harmless from and against all liabilities, claims, demands, damages, costs and expenses (including reasonable attorneys' fees) arising from or related to: (a) the willful or grossly negligent acts or omissions of Merchant or the Merchant Indemnified Parties; (b) the material breach of any provision of this Agreement by Merchant; (c) any liability or other claims, including, without limitation, product liability claims, asserted by customers, any Store employees (under a collective bargaining agreement or otherwise), or any other person (excluding Consultant Indemnified Parties) against Consultant or a Consultant Indemnified Party, except claims arising from Consultant's negligence, willful misconduct, or unlawful behavior; (d) any harassment, discrimination or violation of any laws or regulations or any other unlawful, tortious or otherwise actionable treatment of Consultant's Indemnified Parties or Merchant's customers by Merchant or Merchant's Indemnified Parties; (e) Merchant's failure to pay over to the appropriate taxing authority any taxes required to be paid by Merchant during the Sale Term in accordance with applicable law, and, pursuant to the Canada Consulting Agreement, Merchant's failure to collect, remit and pay over to the appropriate taxing authority all sales and other taxes required to be collected, remitted or paid by Merchant during the Sale Term in accordance with applicable law; and (f) any claims of Merchant's employees for wages, benefits, severance pay, termination pay, vacation pay, pay in lieu of notice of termination or any other liability arising from Merchant's employment, hiring or retention of its employees, and, pursuant to the Canada Consulting Agreement, any claims of Merchant's employees for wages, benefits (including pension related benefits and obligations), severance pay, termination pay, accrued vacation, vacation pay, pay in lieu of notice of termination or any other liability arising from Merchant's employment, hiring, retention, furlough, layoff or termination of its employees.</p>

## II. THE STORE CLOSING PROCEDURES

12. In connection with, and in facilitation of, the Store Closings, the Debtors further seek approval of the Store Closing Procedures, the form and substance of which are consistent with the procedures utilized by debtors in this and many other jurisdictions in connection with similar such store closing processes. In particular, the Canadian Store Closing Procedures in respect of Store Closings in Canada incorporate the Canadian Sale Guidelines, which guidelines are substantially consistent with the store closing process that is typically used in Canada. To the extent that the Canadian Store Closing Procedures differ from the U.S. Store Closing Procedures described below, it is to reflect such Canadian Sale Guidelines and such typical Canadian store closing process.

13. As is customary, the Store Closing Procedures provide, among other things, that: (a) all sales of Store Assets will be deemed free and clear of all liens, claims, interests, and other encumbrances; (b) the Merchandise and the FF&E will be sold with the benefit of various marketing techniques and price markdowns to promote efficient liquidation; and (c) certain unsold FF&E and other Store Assets that cannot be promptly liquidated may be abandoned if and when the Debtors determine, in their business judgment, that retaining, storing, or removing such assets would result in unnecessary expense with little or no benefit to the estates. The Debtors seek approval of the Store Closing Procedures to, among other things, provide local regulatory authorities and media in which the Store Closings may be advertised with knowledge that the Debtors are conducting the Store Closings in compliance with the Court's order.

14. The Debtors also respectfully request a waiver of any contractual restrictions that could otherwise inhibit or prevent the Debtors from maximizing value for creditors through the Store Closings. In certain cases, the contemplated Store Closings may be inconsistent with various provisions of leases, subleases, or other documents with respect to the premises in which the Debtors operate, including, without limitation, reciprocal easement agreements, agreements containing covenants, conditions, and restrictions (including, without limitation, "go dark" provisions and landlord recapture rights), or other similar documents or provisions. Such restrictions, unless waived, would hamper the Debtors' ability to maximize value in selling their inventory.

15. The Debtors also request that no entity, including, without limitation, utilities, landlords, shopping center managers and personnel, creditors, and all persons acting for or on the behalf of the foregoing parties shall interfere with or otherwise impede the conduct of the Store Closings, nor institute any action against the Debtors in any court (other than this Court) or before

any administrative body that in any way directly or indirectly interferes with, obstructs, or otherwise impedes the conduct of the Store Closings or the advertising and promotion (including through the posting of signs) of the Store Closings.

16. The Debtors have determined, in the exercise of their business judgment and in consultation with their advisors, that the Store Closing Procedures will provide the best, most efficient, and most organized means of selling the Merchandise and the FF&E to maximize the value of the Debtors' estates. The Debtors intend to facilitate the Store Closings using current personnel at no increased cost (except as set forth herein), and estimate that, with perhaps a few exceptions, the Stores Closings will be completed by no later than September 30, 2020, provided that the Debtors may unilaterally agree in writing to extend or terminate the Store Closings at certain stores prior to the Sale Termination Date.

### **III. LIQUIDATION SALE LAWS AND DISPUTE RESOLUTION PROCEDURES**

17. Certain states in which the Debtors operate stores have or may have licensing or other requirements governing the conduct of store closing, liquidation, or other inventory clearance sales, including, without limitation, state and local laws, statutes, rules, regulations, and ordinances (the "*Liquidation Sale Laws*"). Liquidation Sale Laws may establish licensing, permitting, or bonding requirements, waiting periods, time limits, and bulk sale restrictions and augmentation limitations that would otherwise apply to the Store Closings. Such requirements hamper the Debtors' ability to maximize value in selling their inventory. Subject to the Court's approval, the Debtors intend to conduct the Store Closings in accordance with the Store Closing Procedures, and to the extent such procedures conflict with the Liquidation Sale Laws, the Store Closing Procedures should control. In the case of Store Closings in Canada, the Canadian Store Closing Procedures shall control.

18. To facilitate the orderly resolution of any disputes between the Debtors and any Governmental Units (as defined in section 101(27) of the Bankruptcy Code) arising due to the Store Closing Procedures and the alleged applicability of any Liquidation Sale Laws, the Debtors respectfully request that the Court authorize the Debtors to implement the following dispute resolution procedures (the “**Dispute Resolution Procedures**”), on an interim and final basis:

- a. Provided that the Store Closings are conducted in accordance with the terms of the Interim Order or the Final Order, as applicable, and the applicable Store Closing Procedures, and in light of the provisions in the laws of many Governmental Units (as defined in the Bankruptcy Code) that exempt court-ordered sales from their provisions, the Debtors will be presumed to be in compliance with any Liquidation Sale Laws and are authorized to conduct Store Closings in accordance with the terms of the Interim Order or the Final Order, as applicable, and the applicable Store Closing Procedures, without the necessity of further showing compliance with any such Liquidation Sale Laws.
- b. Within three business days after entry of the Interim Order, the Debtors will serve by email, facsimile, or first-class mail, copies of the Interim Order, the proposed Final Order and the Store Closing Procedures on the following: (i) the landlords for the Closing Stores; (ii) the Attorney General’s office for each state in which the Store Closings are being held; (iii) the county consumer protection agency or similar agency for each county in which the Store Closings are being held; (iv) the division of consumer protection for each state in which the Store Closings are being held; and (v) the chief legal counsel for each local jurisdiction in which the Store Closings are being held (collectively, the “**Dispute Notice Parties**”).
- c. With respect to any additional Closing Stores, within three business days after Court authorization to close additional stores (each, an “**Additional Closing Store List**”), the Debtors will serve by email, facsimile, or first-class mail, copies of the Interim Order or Final Order, as applicable, and the Store Closing Procedures on the Dispute Notice Parties. To the extent that there is a dispute arising from or relating to the Store Closings, the Interim Order, the proposed Final Order, or the Store Closing Procedures, as applicable, which dispute relates to any Liquidation Sale Laws (a “**Reserved Dispute**”), the Court shall retain exclusive jurisdiction to resolve the Reserved Dispute. Any time within ten days following entry of the Interim Order or service of any Additional Closing Store List, as applicable, any Governmental Unit may assert that a Reserved Dispute exists by sending a notice (the “**Dispute Notice**”) explaining the nature of the dispute to: (a) proposed counsel to the Debtors, Young Conaway Stargatt & Taylor, LLP, Rodney Square, 1000 North King Street, Wilmington, DE 19801, Attn: Michael R. Nestor, Kara Hammond Coyle, and Joseph M. Mulvihill (mnestor@ycst.com; kcoyle@ycst.com; and jmulvihill@ycst.com) and Latham & Watkins LLP, 330 North Wabash Avenue, Suite 2800, Chicago, IL 60611, Attn: Caroline Reckler,

Asif Attarwala, and Brett Newman (caroline.reckler@lw.com; asif.attarwala@lw.com; brett.newman@lw.com); (b) the U.S. Trustee, 844 King Street, Suite 2207, Lock Box 35, Wilmington, DE 19801, Attn: Jane Leamy (jane.m.leafy@usdoj.gov); (c) counsel to the administrative agent under the DIP Term Facility (the “**DIP Term Agent**”), Dorsey & Whitney LLP, 51 West 52<sup>nd</sup> Street, New York, NY 10019, Attn: Erin E. Trigg and Samuel S. Kohn (trigg.erin@dorsey.com and kohn.samuel@dorsey.com); (d) counsel to the Ad Hoc Group of Crossover Lenders, Milbank LLP, 2029 Century Park East, 33rd Floor, Los Angeles, CA 90067, Attn: Mark Shinderman (mshinderman@milbank.com) and Daniel B. Denny (ddenny@milbank.com); (e) counsel to the administrative agent under the DIP ABL FILO Facility (the “**DIP ABL FILO Agent**”), Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, NY 10017, Attn: Sandy Qusba, Daniel L. Biller, and Jamie Fell (squsba@stblaw.com, daniel.biller@stblaw.com, and jamie.fell@stblaw.com); (f) counsel to the Ad Hoc FILO Term Lender Group, (i) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 1285 Avenue of the Americas, New York, New York 10019, Attn: Andrew N. Rosenberg, Jacob Adlerstein, and Douglas R. Keeton (arosenberg@paulweiss.com, jadlerstein@paulweiss.com, and dkeeton@paulweiss.com); and (ii) Landis Rath & Cobb LLP, 919 Market Street, Suite 1800, Wilmington, Delaware 19801, Attn: Richard S. Cobb (cobb@lrclaw.com); (g) the indenture trustee for the Debtors’ prepetition convertible notes, The Bank of New York Mellon Trust Company, N.A., 525 William Penn Place, 38th Floor, Pittsburgh, PA 15259, Attn: Corporate Trust Administration and BNY Mellon Corporate Trust, US Corporate Client Service Management, 500 Ross Street, 12th Floor, Pittsburgh, PA 15262, Attn: Mindy M. Wrzesinski (Melinda.m.wrzesinski@bnymellon.com); (h) lead counsel to the Consultant, Tiger Capital Group, 60 State Street, 11<sup>th</sup> Floor, Boston, MA 02109, Attn: Mark P. Naughton (MNaughton@tigergroup.com); and (i) counsel to any statutory committee appointed in these Chapter 11 Cases. If the Debtors and the Governmental Unit are unable to resolve the Reserved Dispute within 15 days after service of the Dispute Notice, the Governmental Unit may file a motion with the Court requesting that the Bankruptcy Court resolve the Reserved Dispute (a “**Dispute Resolution Motion**”).

- d. In the event that a Dispute Resolution Motion is filed, nothing in the Interim Order or the Final Order, as applicable, shall preclude the Debtors, a landlord, or any other interested party from asserting (i) that the provisions of any Liquidation Sale Laws are preempted by the Bankruptcy Code, or (ii) that neither the terms of the Interim Order or the Final Order nor the conduct of the Debtors pursuant to the Interim Order or the Final Order violates such Liquidation Sale Laws. Filing a Dispute Resolution Motion as set forth herein shall not be deemed to affect the finality of the Interim Order or the Final Order or to limit or interfere with the Debtors’ ability to conduct or to continue to conduct the Store Closings pursuant to the Interim Order or the Final Order, absent further order of the Court. Upon the entry of the Interim Order or the Final Order, as applicable, the Court grants authority for the Debtors to conduct the Store Closings pursuant to the terms of the Interim Order or the Final Order, as applicable, the Store Closing Procedures and to take all actions reasonably related thereto or arising in connection therewith. The Governmental Unit will be

entitled to assert any jurisdictional, procedural, or substantive arguments it wishes with respect to the requirements of its Liquidation Sale Laws or the lack of any preemption of such Liquidation Sale Laws by the Bankruptcy Code. Nothing in the Interim Order or the Final Order will constitute a ruling with respect to any issues to be raised in any Dispute Resolution Motion.

- e. If, at any time, a dispute arises between the Debtors and a Governmental Unit as to whether a particular law is a Liquidation Sale Law, and subject to any provisions contained in the Interim Order or the Final Order related to the Liquidation Sale Laws, then any party to that dispute may utilize the provisions of subparagraphs (c) and (d) above by serving a notice to the other party and proceeding thereunder in accordance with those subparagraphs. Any determination with respect to whether a particular law is a Liquidation Sale Law shall be made *de novo*.

#### IV. FAST PAY LAWS

19. Many states in which the Debtors operate have laws and regulations that require the Debtors to pay their employees in the U.S. Closing Stores contemporaneously with his or her termination (the “*Fast Pay Laws*” and, together with the Liquidation Sale Laws, the “*Applicable State Laws*”). These laws often require payment to occur immediately or within a period of only a few days from the date an employee is terminated.

20. The nature of the Store Closings contemplated by this Motion will result in many employees being terminated at or near the end of the Store Closings. To be clear, the Debtors intend to pay their terminated employees as expeditiously as possible, under normal payment procedures, and pursuant to applicable Court order.<sup>7</sup> Moreover, the Debtors’ postpetition debtor-in-possession financing budget expressly contemplates the payment of employee wages in the ordinary course during the Store Closings. The Debtors therefore believe that their current systems will allow their employees to be paid expeditiously and in accordance with any Applicable State Laws. However, given the number of employees who will likely be terminated in connection with

---

<sup>7</sup> The Debtors are seeking such relief pursuant to the *Motion of Debtors for Orders (A) Authorizing Payment of Certain Prepetition Workforce Obligations, (B) Authorizing Continuance of Workforce Programs, (C) Authorizing Payment of Withholding and Payroll-Related Taxes, and (D) Authorizing Payment of Prepetition Claims Owing to Workforce Program Administrators*, (the “*Wages Motion*”) filed contemporaneously herewith.

the Store Closings, the Debtors request a waiver of compliance with the Applicable State Laws to the extent that the Debtors' payroll systems limit their ability to so comply.

#### **V. STORE CLOSING BONUS PLAN**

21. Through this Motion, the Debtors are requesting the authority, but not the obligation, to pay a one thousand dollar (\$1,000) incentive payment (the "***Store Closing Bonuses***") to non-insider store managers (and in some cases associates in charge of a store, if the store does not have a store manager) at the stores where Store Closings will occur in the U.S. and Canada who remain in the employ of the Debtors during the Store Closings (the "***Store Closing Bonus Plan***"). The total aggregate cost of the Store Closing Bonus Plan will vary depending on how many stores ultimately conduct Store Closings. The Debtors believe that the Store Closing Bonus Plan will motivate managers during the Store Closings and will enable the Debtors to retain those managers necessary to successfully complete the Store Closings.

22. Providing such non-insider bonus benefits is critical to ensuring that key employees that will be affected by the reduction in the Debtors' workforce due to the Store Closings will continue to provide critical services to the Debtors during the ongoing Store Closing process. For the avoidance of doubt, the Debtors do not propose to make any payment on account of Store Closing Bonuses to any insiders.

23. Accordingly, the Debtors respectfully submit that the Store Closing Bonus Plan is in the best interests of their estates and request that the Court authorize the payments under the Store Closing Bonus Plan as a sound exercise of their business judgment.

## BASIS FOR RELIEF

### **I. THE DEBTORS HAVE A VALID BUSINESS JUSTIFICATION FOR THE STORE CLOSINGS.**

24. Section 363(b)(1) of the Bankruptcy Code, which governs asset sales outside of a debtor's ordinary course of business, provides that "the trustee, after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1). When selling assets outside of the ordinary course of business, a debtor must articulate a valid business justification to obtain court approval. *See, e.g., Myers v. Martin (In re Martin)*, 91 F.3d 389, 394–95 (3d Cir. 1996) (citation omitted); *In re Abbotts Dairies, Inc.*, 788 F.2d 143, 147-48 (3d Cir. 1986) (implicitly adopting the "sound business judgment" test of *Comm. of Equity Sec. Holders v. Lionel Corp. (In re Lionel Corp.)*, 722 F.2d 1063, 1070-71 (2d Cir. 1983)); *In re Delaware & Hudson Ry. Co.*, 124 B.R. 169, 175–76 (D. Del. 1991) (concluding that the Third Circuit adopted the "sound business judgment" test in the *Abbotts Dairies* decision). When a debtor demonstrates a valid business justification for a decision, a strong presumption arises "that in making [the] business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action taken was in the best interests of the company." *Official Comm. of Subordinated Bondholders v. Integrated Res., Inc. (In re Integrated Res., Inc.)*, 147 B.R. 650, 656 (S.D.N.Y. 1992) (holding that the Delaware business judgment rule has "vitality by analogy" in chapter 11 cases, especially where the debtor is a Delaware corporation).

25. Store closing or liquidation sales are a routine occurrence in chapter 11 cases involving retail debtors. *See, e.g., In re Ames Dep't Stores, Inc.*, 136 B.R. 357, 359 (S.D.N.Y. 1992) (noting that liquidation sales are an important part of "overriding federal policy requiring [a] Debtor to maximize estate assets").

26. Sufficient business justification exists to approve the proposed Store Closings under section 363(b)(1) of the Bankruptcy Code. The Debtors, with the assistance of their advisors, have determined that the Store Closings represent the best alternative to maximize recoveries to the Debtors' estates with respect to the Merchandise and the FF&E and provide the Debtors with much-needed liquidity. There are meaningful amounts of Merchandise, in the aggregate, that will be monetized most efficiently and quickly through an orderly process conducted in consultation with an experienced liquidation firm. Further, delay in commencing the Store Closings would diminish the recovery tied to monetization of the Merchandise and the FF&E for several important reasons. Many of the Closing Stores fail to generate positive cash flow currently, or will fail to do so in the short term, and therefore will become a significant drain on liquidity. As such, the Debtors will realize an immediate benefit in terms of financial liquidity upon the sale of the Merchandise and the FF&E and the termination of operations at the Closing Stores. Further, uninterrupted and orderly Store Closings will allow the Debtors to timely reject leases associated with the Closing Stores and, therefore, avoid the accrual of unnecessary administrative expenses for rent and related costs. Suspension of the Store Closings until entry of the Final Order may cause the Debtors to incur claims for rent at many of these stores, creating a further drain on the Debtors' liquidity.

27. Courts in this district and courts in other jurisdictions have approved sale guidelines in chapter 11 cases on an interim basis. Importantly, a number of courts have granted retail debtors first day authority to implement such procedures. *See, e.g., In re Destination Maternity Corporation*, No. 19-12256 (BLS) (Bankr. D. Del. Oct. 22, 2019) [Docket No. 71] (approving procedures on an interim basis); *In re Fred's, Inc.*, No. 19-11984 (CSS) (Bankr. D. Del. Sept. 11, 2019) [Docket No. 82] (same); *In re Z Gallerie, LLC*, No. 19-10488 (LSS) (Bankr. D. Del. Mar.

15, 2019) [Docket No. 74] (same); *In re Things Remembered, Inc.*, No. 19-10234 (KG) (Bankr. D. Del. Feb. 7, 2019) [Docket No. 64] (same); *In re Payless Holdings LLC*, No. 17-42267 (Bankr. E.D. Mo. May 17, 2017) [Docket No. 786] (same).

**II. THE COURT SHOULD APPROVE THE SALE OF THE MERCHANDISE AND THE FF&E FREE AND CLEAR OF ALL LIENS, ENCUMBRANCES, AND OTHER INTERESTS UNDER BANKRUPTCY CODE SECTION 363(F).**

28. The Debtors request approval to sell the Merchandise and the FF&E on a final “as is” basis, free and clear of any and all liens, claims, and encumbrances in accordance with section 363(f) of the Bankruptcy Code. A debtor in possession may sell property under sections 363(b) and 363(f) “free and clear of any interest in such property of an entity other than the estate” if any one of the following conditions is satisfied: (a) applicable non-bankruptcy law permits sale of such property free and clear of such interest; (b) such entity consents; (c) such interest is a lien and the price at which such property is to be sold is greater than the aggregate value of all liens on such property; (d) such interest is in bona fide dispute; or (e) such entity could be compelled, in a legal or equitable proceeding, to accept a money satisfaction of such interest. 11 U.S.C. § 363(f); *see also Citicorp Homeowners Servs., Inc. v. Elliot (In re Elliot)*, 94 B.R. 343, 345 (E.D. Pa. 1988) (noting that since section 363(f) is written in the disjunctive, the court may approve a sale free and clear if any one subsection is met). Moreover, the Third Circuit has indicated that a debtor possesses broad authority to sell assets free and clear of liens. *See In re TWA Inc.*, 322 F.3d 283, 289 (3d Cir. 2003).

29. Although the term “any interest” is not defined in the Bankruptcy Code, the Third Circuit has noted that the trend in modern cases is toward “a broader interpretation which includes other obligations that may flow from ownership of the property.” *Folger Adam Security, Inc. v. DeMatteis/MacGregor, JV*, 209 F.3d 252, 258–59 (3d Cir. 2000). As the Fourth Circuit held in *In re Leckie Smokeless Coal Co.*, 99 F.3d 573, 581–82 (4th Cir. 1996) (cited with approval by the

Third Circuit in *Folger Adam*), the scope of section 363(f) is not limited to *in rem* interests in a debtor's assets. Thus, a debtor can sell its assets under section 363(f) "free and clear of successor liability that otherwise would have arisen under federal statute." *Folger Adam*, 209 F.3d at 258.

30. With respect to any other party asserting a lien, claim, or encumbrance against the Merchandise and the FF&E, the Debtors anticipate that they will be able to satisfy one or more of the conditions set forth in section 363(f). In connection with the sale of the Merchandise and the FF&E, the Debtors propose that any liens, claims, and encumbrances asserted against the Merchandise and the FF&E be transferred to and attach to the amounts earned by the Debtors under the Store Closings with the same force, effect, and priority as such liens currently have on the Merchandise and the FF&E.

### **III. THE COURT SHOULD WAIVE COMPLIANCE WITH APPLICABLE STATE LAWS AND APPROVE THE DISPUTE RESOLUTION PROCEDURES.**

31. The Debtors' ability to conduct the Store Closings in accordance with the applicable Store Closing Procedures and without strict compliance with all Applicable State Laws is critical to the Store Closings' success. Although the Debtors intend to comply with state and local health and safety laws and consumer protection laws in conducting the Store Closings, many Liquidation Sale Laws require special and cumbersome licenses, waiting periods, time limits, and other procedures for store closing, liquidation, or similar sales.

32. To eliminate the time, delay, and expense associated with the administrative procedures necessary to comply with the Applicable State Laws, the Debtors propose the Store Closing Procedures as a way to streamline the administrative burdens on their estates while still adequately protecting the broad and varied interests of both landlords and applicable governmental agencies charged with enforcing any Liquidation Sale Laws that may apply to the Store Closings. As such, the Debtors believe the Store Closing Procedures mitigate any concerns that their

landlords or governmental agencies may raise with respect to the Store Closings and, therefore, the requested relief is in compliance with any applicable Liquidation Sale Laws.

33. The Debtors submit that there is strong support for granting them the authority to not comply with the Liquidation Sale Laws. **First**, it is generally accepted that many state statutes and regulations provide that, if a liquidation or bankruptcy sale is court-authorized, a company need not comply with the Liquidation Sale Laws. *See, e.g.*, Ark. Code Ann. § 4-74-103 (exempting from the provisions of the chapter sales pursuant to any court order); Fla. Stat. Ann. 559.25(2) (same); Ga. Code Ann. § 10-1-393(b)(24)(C)(iv) (same); 815 ILCS 350/3 (same); La. Rev. Stat. Ann. § 51:43(1) (same); N.Y. Gen. Bus. Law § 584(a) (same); Or. Rev. Stat. Ann. § 646A.100(2)(b) (“‘Going out of business sale’ does not include a sale conducted by a bankruptcy trustee.”); Tex. Bus. & Com. Code Ann. § 17.91(3) (exempting from subchapter sales conducted pursuant to court order). **Second**, pursuant to section 105(a) of the Bankruptcy Code, the Court has the authority to permit the Store Closings to proceed notwithstanding contrary Applicable State Laws as it is essential to maximize the value of the Debtors’ business. **Third**, this Court will be able to supervise the Store Closings because the Debtors and their assets are subject to this Court’s exclusive jurisdiction. *See* 28 U.S.C. § 1334. As such, creditors and the public interest are adequately protected by notice of this Motion and the ongoing jurisdiction and supervision of the Court because the Debtors are only seeking interim relief at the outset of these cases, and parties in interest will be able to raise any further issues at the final hearing.

34. Further, bankruptcy courts have consistently recognized, with limited exception, that federal bankruptcy law preempts state and local laws that contravene the underlying policies of the Bankruptcy Code. *See Belculfine v. Aloe (In re Shenango Group, Inc.)*, 186 B.R. 623, 628 (Bankr. W.D. Pa. 1995) (“Trustees and debtors-in-possession have unique fiduciary and legal

obligations pursuant to the bankruptcy code. . . . [A] state statute [] cannot place burdens on [a debtor] where the result would contradict the priorities established by the federal bankruptcy code.”), *aff’d*, 112 F.3d 633 (3d Cir. 1997).

35. Courts in some jurisdictions have found that preemption of state law is not appropriate if the laws deal with public health and safety. *See Baker & Drake, Inc. v. Pub. Serv. Comm’n of Nev. (In re Baker & Drake, Inc.)*, 35 F.3d 1348, 1353–54 (9th Cir. 1994) (holding that Bankruptcy Code did not preempt state law prohibiting taxicab leasing that was promulgated in part as public safety measure). However, preemption is appropriate where, as is the case here, the only state laws involved concern economic regulation rather than the protection of public health and safety. *See In re Baker & Drake, Inc.*, 35 F.3d at 1353 (finding that “federal bankruptcy preemption is more likely . . . where a state statute is concerned with economic regulation rather than with protecting the public health and safety”).

36. Under the circumstances of these Chapter 11 Cases, enforcing the strict requirements of the Liquidation Sale Laws would undermine the fundamental purpose of section 363(b) of the Bankruptcy Code by placing constraints on the Debtors’ ability to maximize estate assets for the benefit of creditors. Accordingly, authorizing the Store Closings without the delays and burdens associated with obtaining various state and local licenses, observing state and local waiting periods or time limits, and/or satisfying any additional requirements with respect to advertising and similar items is necessary and appropriate. The Debtors do not seek a general waiver of all state and local law requirements, but only those that apply specifically to retail liquidation sales. Indeed, the requested waiver is narrowly tailored to facilitate the successful consummation of the Store Closings. Moreover, the Debtors will comply with applicable state and local public health and safety laws, and applicable tax, labor, employment, environmental, and consumer protection laws,

including consumer laws regulating deceptive practices and false advertising. Finally, the Dispute Resolution Procedures provide an ordered means for resolving any disputes arising between the Debtors and any Governmental Units with respect to the applicability of any Liquidation Sale Laws, and should therefore be approved.

37. Further, this Court has recognized that the Bankruptcy Code preempts certain state laws and have granted relief similar to that requested herein. *See, e.g., In re Coldwater Creek Inc.*, No. 14-10867 (BLS) (Bankr. D. Del. May 7, 2014) [Docket No. 355] (stating that debtors were authorized to conduct store closing sales under the terms of the order “without the necessity of further showing compliance” with liquidation laws); *In re Boscov’s*, No. 08-11637 (KG) (Bankr. D. Del. Aug. 15, 2008) [Docket No. 163] (ordering that “[g]overnmental units shall not fine, assess or otherwise penalize Debtors or Agent (or any of the landlords of the Closing Stores) for conducting or advertising the Store Closing Sales in a manner inconsistent with Liquidation Sales Laws, provided that the Store Closing Sales are conducted and advertised in compliance with this Order”); *In re Goody’s Family Clothing, Inc.*, No. 08-11133 (CSS) (Bankr. D. Del. June 13, 2008) [Docket No. 116] (ordering that the “Store Closing Sales at the Closing Stores shall be conducted by the Debtors and the Store Closing Agent without the necessity of compliance with any federal, state or local statute or ordinance, lease provision or licensing requirement affecting store closing, ‘going out of business’, liquidation or auction sales, or affecting advertising, including signs, banners, and posting of signage, other than Safety Laws and General Laws”).

#### **IV. THE COURT SHOULD WAIVE COMPLIANCE WITH ANY RESTRICTION IN THE LEASES AND APPROVE THE STORE CLOSING PROCEDURES.**

38. Certain of the Debtors’ leases governing the premises of the stores subject to any Store Closings may contain provisions purporting to restrict or prohibit the Debtors from conducting store closing, liquidation, or similar sales. Such provisions have been held to be

unenforceable in chapter 11 cases as they constitute an impermissible restraint on a debtor's ability to properly administer its reorganization case and maximize the value of its assets under section 363 of the Bankruptcy Code. *See Ames Dep't Stores*, 136 B.R. at 359 (deciding that enforcement of such lease restrictions would "contravene overriding federal policy requiring Debtor to maximize estate assets. . . ."); *In re R. H. Macy & Co., Inc.*, 170 B.R. 69, 73–74 (Bankr. S.D.N.Y. 1994) (holding that the lessor could not recover damages for breach of a covenant to remain open throughout the lease term, because the debtor had a duty to maximize the value to the estate and the debtor fulfilled this obligation by holding a store closing sale and closing the store); *In re Tobago Bay Trading Co.*, 112 B.R. 463, 467-68 (Bankr. N.D. Ga. 1990) (finding that a debtor's efforts to reorganize would be significantly impaired to the detriment of creditors if lease provisions prohibiting a debtor from liquidating its inventory were enforced); *In re Libson Shops, Inc.*, 24 B.R. 693, 695 (Bankr. E.D. Mo. 1982) (holding restrictive lease provision unenforceable in chapter 11 case where debtor sought to conduct a liquidation sale).

39. This Court has long held that restrictive lease provisions affecting store liquidation sales in chapter 11 cases are unenforceable.

40. Thus, to the extent that such provisions or restrictions exist in any of the leases of the stores subject to the Store Closings, the Debtors request that the Court authorize the Debtors to conduct the Store Closings without reference to any such restrictive provisions or interference by any landlords or other persons affected, directly or indirectly, by the Store Closings; provided, however, that the Canadian Store Closing Procedures, including, without limitation, the Canadian Sale Guidelines, shall control Store Closings in Canada.

**V. THE STORE CLOSING BONUS PLAN IS A SOUND EXERCISE OF THE DEBTORS' BUSINESS JUDGMENT AND SHOULD BE APPROVED.**

41. Section 363 of the Bankruptcy Code provides, in relevant part, that “[t]he [debtor], after notice and a hearing, may use, sell, or lease, other than in the ordinary course of business, property of the estate.” 11 U.S.C. § 363(b)(1). Under this section, a court may authorize a debtor to use property of the estate when such use has a “sound business purpose” and when the use of the property is proposed in good faith. *See In re W.A. Mallory Co., Inc.*, 214 B.R. 834, 836 (Bankr. E.D. Va. 1997); *In re WBQ P’ship*, 189 B.R. 97, 102 (Bankr. E.D. Va. 1995).

42. Courts generally require a debtor to demonstrate that a valid business purpose exists for the use of estate property in a manner that is outside the ordinary course of business. *See, e.g., In re Lionel Corp.*, 722 F.2d 1063, 1070–71 (2d Cir. 1983). The debtor’s articulation of a valid business justification raises a presumption that the debtor’s decision was made on an informed basis, in good faith, and with the honest belief that the action is in the best interest of the company. *See In re Integrated Res., Inc.*, 147 B.R. 650, 656 (S.D.N.Y. 1992). Furthermore, once “the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor’s conduct.” *In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986). The business judgment rule shields a debtor’s management from judicial second-guessing. *See In re Integrated Res., Inc.*, 147 B.R. at 656; *Johns-Manville*, 60 B.R. at 615–16 (noting that “the Code favors the continued operation of a business by a debtor and a presumption of reasonableness attaches to a debtor’s management decisions”). Thus, if a debtor’s actions satisfy the business judgment rule, then the actions in question should be approved under section 363(b)(1) of the Bankruptcy Code.

43. In this case, the Store Closing Bonus Plan is a sound exercise of the Debtors’ business judgment and is in the best interests of the Debtors and their estates. The store

managers—along with their skills, knowledge, and hard work—are more critical now than ever. Through their commitment and performance, they can ensure that the Debtors continue to maximize stakeholder value in a challenging economic environment and at a time when those employees’ positions may soon be terminated. Additionally, the Store Closing Bonus Plan involves a compensation structure often used in other restructuring situations to incentivize employees to continue optimal performances despite the added stress inherent in the chapter 11 process.

44. The Store Closing Bonus Plan is comparable to employee incentive plans regularly paid as “expenses of sale” by liquidating agents in other “store closing” and similar-themed sales. As such, courts have approved incentive payments similar to those contemplated by the Store Closing Bonus Plan. *See, e.g., In re Destination Maternity Corporation*, No. 19-12256 (BLS) (Bankr. D. Del. Nov. 14, 2019) [Docket No. 252] (authorizing store closing retention bonus program on a final basis); *In re Z Gallerie, LLC*, No. 19-10488 (LSS) (Bankr. D. Del. Mar. 15, 2019) [Docket No. 74] (same); *In re Toys “R” Us, Inc.*, No. 17-34665 (KLP) (Bankr. E.D. Va. Mar. 22, 2018) [Docket No. 2344] (same); *In re rue21, Inc.*, No. 17-22045 (GLT) (Bankr. W.D. Pa. June 12, 2017) [Docket No. 507] (same).

45. The Debtors respectfully submit that the Store Closing Bonus Plan is a sound exercise of the Debtors’ business judgment and should be approved pursuant to section 363 of the Bankruptcy Code as it is in the best interests of the Debtors, their estates, and all parties in interest in these Chapter 11 Cases.

## **VI. THE COURT SHOULD AUTHORIZE THE ASSUMPTION OF THE CONSULTING AGREEMENTS.**

46. Section 365(a) of the Bankruptcy Code provides, in pertinent part, that a debtor in possession “subject to the court’s approval, may assume or reject any executory contract . . . of the

debtor.” The standard governing bankruptcy court approval of a debtor’s decision to assume or reject an executory contract is whether the debtor’s reasonable business judgment supports such assumption or rejection. *See, e.g., In re HQ Glob. Holdings, Inc.*, 290 B.R. 507, 511 (Bankr. D. Del. 2003) (finding that debtor’s decision to assume or reject an executory contract is governed by the business judgment standard, and that such decision may only be overturned if found to be a product of bad faith, whim, or caprice); *see also In re Market Square Inn, Inc.*, 978 F.2d 116, 121 (3d Cir. 1992) (finding that assumption or rejection of leases “will be a matter of business judgment by the bankruptcy court”).

47. The business judgment test “requires only that the trustee [or debtor-in-possession] demonstrate that [assumption] or rejection of the executory contract will benefit the estate.” *Wheeling-Pittsburgh Steel Corp. v. West Penn Power Co. (In re Wheeling-Pittsburgh Steel Corp.)*, 72 B.R. 845, 846 (Bankr. W.D. Pa. 1987). Any more exacting scrutiny would slow the administration of the debtor’s estate and increase costs, interfere with the Bankruptcy Code’s provision for private control of administration of the estate, and threaten the court’s ability to control a case impartially. *See Richmond Leasing Co. v. Capital Bank*, 762 F.2d 1303, 1311 (5th Cir. 1985).

48. Assumption of the Consulting Agreements is beneficial to the Debtors’ estates, and, therefore, is a reasonable exercise of the Debtors’ business judgment. In consultation with their advisors, the Debtors have determined that the stores to be closed are unduly burdensome, and the Merchandise and the FF&E should be liquidated for the benefit of the Debtors’ estates and their creditors. The Debtors determined that entering into the Consulting Agreements, after engaging in extensive negotiations with the Consultant, will provide the greatest return to the Debtors’ estates for the Merchandise and the FF&E. The Debtors believe, in their business judgment, that the terms

set forth in the Consulting Agreements constitute the best available alternative for the conduct of the Store Closings in both the U.S. and Canada.

49. The Consultant has extensive expertise in conducting liquidation sales and can oversee and assist in the management and implementation of the Store Closings in an efficient and cost-effective manner. Assumption of the Consulting Agreements upon entry of the Final Order and the granting by the CCAA Court of a recognition and approval order in respect thereof will enable the Debtors to utilize the skills and resources of the Consultant to effectively and efficiently conduct the Store Closings for the benefit of all stakeholders. Given the number of stores and the particular issues in administering the Store Closings, the Debtors may not be able to retain a liquidator able to conduct the process as efficiently and effectively as the Consultant, who already has significant experience with the Debtors' business operations and outlay of stores in both the U.S. and Canada. If the Consulting Agreements are not approved, operative, and effective on an interim basis, the Store Closings would lose the benefit of the Consultant's oversight and might be delayed or suspended entirely, leading to a loss of additional liquidity and increased administrative expenses. Moreover, it is imperative that the Consulting Agreements be approved on an interim basis so that the Debtors and the Consultant can immediately begin conducting the Store Closings and closing stores in accordance with the Store Closing Procedures, which will generate more proceeds for the Debtors and their estates.

**BANKRUPTCY RULE 6003 HAS BEEN SATISFIED AND  
BANKRUPTCY RULE 6004 SHOULD BE WAIVED**

50. Certain aspects of the relief requested herein are subject to Bankruptcy Rule 6003, which governs the availability of certain types of relief within 21 days after the Petition Date. Pursuant to Bankruptcy Rule 6003, a court may grant this relief on an expedited basis if it is necessary to avoid immediate and irreparable harm. The Debtors submit that the facts set forth

herein and in the First Day Declaration demonstrate that the relief requested is necessary to avoid immediate and irreparable harm to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied.

51. Additionally, with respect to any aspect of the relief sought herein that constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a), to the extent not satisfied, and of the fourteen-day stay under Bankruptcy Rule 6004(h). As described above, the relief that the Debtors seek in this Motion is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates. The Debtors thus submit that the requested waiver of the notice requirements of Bankruptcy Rule 6004(a) and of the fourteen-day stay imposed by Bankruptcy Rule 6004(h) is appropriate.

#### **RESERVATION OF RIGHTS**

52. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

## NOTICE

53. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange Commission; (n) the United States Drug Enforcement Agency; (o) the United States Food and Drug Administration; (p) the Dispute Notice Parties; (q) the counterparties to the Debtors' real property leases; and (r) all parties requesting notice pursuant to Bankruptcy Rule 2002. Notice of this Motion and any order entered hereon will be served in accordance with Local Rule 9013-1(m). The Debtors submit that, under the circumstances, no other or further notice is required.

*[Remainder of page intentionally left blank.]*

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Orders, granting the relief requested in this Motion and such other relief as may be just and proper.

<sup>3</sup> Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact where appropriate.

C. E. The Store Closings are in the best interest of the Debtors' estates.

F. The entry of this Interim Order is in the best interest of the Debtors and their estates, creditors, and interest holders and all other parties in interest herein; and now therefore it is hereby

**ORDERED, ADJUDGED AND DECREED THAT:**

1. The Motion is GRANTED as set forth herein.

2. The Debtors are authorized, but not directed, to make payments under the Store Closing Bonus Plan in an amount not to exceed \$342,000 on an interim basis.

3. The Debtors and the Consultant are authorized to take all actions necessary to effectuate the relief granted in this Interim Order in accordance with the Motion. The failure to specifically include any provisions of the Consulting Agreements in this Interim Order shall not diminish or impair the effectiveness of such provisions, it being the intent of the Court that the Consulting Agreements and all of their provisions, payments, and transactions be, and hereby are, authorized and approved as and to the extent provided in this Interim Order.

4. To the extent of any conflict between this Interim Order, the Consulting Agreements, and the Store Closing Procedures, the terms of this Interim Order shall control. Notwithstanding

any other term of this Interim Order, the Canadian Store Closing Procedures and the Canadian Sale Guidelines shall control in respect of Store Closings in Canada.

**I. AUTHORITY TO ENGAGE IN CLOSING SALES AND CONDUCT STORE CLOSINGS.**

5. The Debtors and the Consultant are authorized, on an interim basis pending the Final Hearing (as defined below), pursuant to sections 105(a) and 363(b)(1) of the Bankruptcy Code, to conduct Store Closings at the Closing Stores in accordance with this Interim Order, the applicable Store Closing Procedures, and the Consulting Agreements as may be modified by a Side Letter (as defined below) between the Debtors and the landlords at the closing locations.

6. The Store Closing Procedures are approved in their entirety on an interim basis. The Store Closing Procedures shall be used for all permitted Store Closings in these Chapter 11 Cases, unless otherwise ordered.

7. The Debtors are authorized to discontinue operations at the Closing Stores in accordance with this Interim Order, the applicable Store Closing Procedures, and the Consulting Agreements

8. All entities that are presently in possession of some or all of the Merchandise or FF&E in which the Debtors hold an interest that are or may be subject to this Interim Order hereby are directed to surrender possession of such Merchandise or FF&E to the Debtors.

9. Neither the Debtors nor any of their officers, employees, or agents shall be required to obtain the approval of any third party, including, without limitation, any Governmental Unit (as defined in Bankruptcy Code section 101(27)) or landlord, to conduct the Store Closings and to take the related actions authorized herein.

## II. CONDUCT OF THE SALES.

10. All media in which the Store Closings may be advertised and all landlords are directed to accept this Interim Order as binding authority so as to authorize the Debtors and the Consultant to conduct the Store Closings and the sale of Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement), including, without limitation, to conduct and advertise the sale of the Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement) in the manner contemplated by and in accordance with this Interim Order, the Store Closing Procedures, and the Consulting Agreements.

11. The Debtors and the Consultant are hereby authorized to take such actions as may be necessary and appropriate to conduct the Store Closings without necessity of further order of this Court as provided in this Interim Order, the Store Closing Procedures, and the Consulting Agreements, including, but not limited to, advertising the sale as a “store closing sale,” “sale on everything,” “everything must go,” or similar-themed sales through the posting of signs (including the use of exterior banners at non-enclosed mall closing locations, and at enclosed mall closing locations to the extent the applicable closing location entrance does not require entry into the enclosed mall common area), use of signwalkers, and street signage; *provided, however*, that only Debtor-approved terminology will be used at each Closing Store in connection with the Store Closings.

12. Pursuant to the U.S. Consulting Agreement, and subject to the Debtors’ prior written approval, the Consultant is authorized to supplement the Merchandise in the Closing Stores with Additional Consultant Goods pursuant to the Debtors’ prior written approval of a plan with respect to the placement and sale of such Additional Consultant Goods, and provided that any such supplementing with Additional Consultant Goods must be of like kind and no lesser quality than goods sold in the Closing Stores prior to the Petition Date. Sales of Additional Consultant Goods

shall be run through the Debtors' cash register systems; provided, however, that the Consultant shall mark the Additional Consultant Goods using either a "dummy" SKU or department number or in such other manner so as to distinguish the sale of Additional Consultant Goods from the sale of Merchandise.

13. Pursuant to the U.S. Consulting Agreement, all transactions relating to the Additional Consultant Goods are, shall be construed as, and are acknowledged by the Debtors to be, a true consignment from Consultant to the Debtors under Article 9 of the Uniform Commercial Code in effect in the State of Delaware (the "*UCC*") and not a consignment for security purposes. At all times and for all purposes, the Additional Consultant Goods and their proceeds shall be the exclusive property of the Consultant, and no other person or entity (including, without limitation, the Debtors, or any third person claiming a security interest in the Debtors' property, including any of the Debtors' secured lenders) shall have any claim against any of the Additional Consultant Goods or the proceeds thereof. The Additional Consultant Goods shall at all times remain subject to the exclusive control of the Consultant. Pursuant to the U.S. Consulting Agreement, and to the extent necessary, Consultant is hereby granted a first priority security interest in and lien upon (i) the Additional Consultant Goods and (ii) the Additional Consultant Goods proceeds.

14. Notwithstanding anything herein to the contrary, and in view of the importance of the use of sign-walkers, banners, and other advertising to the sale of the Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement), to the extent that, prior to the Final Hearing (as defined below), disputes arise during the course of such sale regarding laws regulating the use of sign-walkers, banners, or other advertising and the Debtors are unable to resolve the matter consensually, any party may request an immediate telephonic hearing with this Court pursuant to these provisions. Such hearing will, to the extent practicable,

be scheduled initially no later than the earlier of (a) the Final Hearing (as defined below), or (b) within two (2) business days of such request. This scheduling shall not be deemed to preclude additional hearings for the presentation of evidence or arguments as necessary.

15. The sale of the Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement) shall be conducted by the Debtors notwithstanding any restrictive provision of any lease, sublease, restrictive covenant, or other agreement relative to occupancy affecting or purporting to restrict the conduct of the Store Closings (including the sale of the Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement)) and the rejection of leases, abandonment of assets, or “going dark” provisions, and such provisions shall not be enforceable in conjunction with the Store Closings. Breach of any such provisions in these Chapter 11 Cases in conjunction with the Store Closings shall not constitute a default under a lease or provide a basis to terminate the lease; *provided* that the Store Closings are conducted in accordance with the terms of this Interim Order and the applicable Store Closing Procedures. Subject to the approval of Debtors’ secured lenders, including the Ad Hoc Group of Crossover Lenders and the Ad Hoc FILO Term Lender Group, the Debtors and landlords of the Closing Stores are authorized to enter into agreements (“*Side Letters*”) between themselves modifying the Store Closing Procedures without further order of the Court and such Side Letters shall be binding as among the Debtors and any such landlords. In the event of any conflict between the Store Closing Procedures and any Side Letter, the terms of such Side Letter shall control. The Expense Budget attached to each of the Consulting Agreements may only be modified according to the procedures provided by the respective Consulting Agreements and after consultation with counsel to the Ad Hoc Group of Crossover Lenders and counsel to the Ad Hoc FILO Term Lender Group.

16. Except as expressly provided for herein or in the Store Closing Procedures, and except with respect to any Governmental Unit (as to which paragraphs 24 and 25 shall apply) no person or entity, including, but not limited to, any landlord, licensor, service provider, utility, or creditor, shall take any action to directly or indirectly prevent, interfere with, or otherwise hinder consummation of the Store Closings or the sale of the Merchandise, FF&E, or Additional Consultant Goods (with respect to the U.S. Consulting Agreement), or the advertising and promotion (including the posting of signs and exterior banners or the use of signwalkers) of such sales, and all such parties and persons of every nature and description, including, but not limited to, any landlord, licensor, service provider, utility, and creditor and all those acting for or on behalf of such parties, are prohibited and enjoined from (a) interfering in any way with, obstructing, or otherwise impeding the conduct of the Store Closings, and/or (b) instituting any action or proceeding in any court (other than this Court) or administrative body seeking an order or judgment against, among others, the Debtors, or the landlords at the Closing Stores that might in any way directly or indirectly obstruct or otherwise interfere with or adversely affect the conduct of the Store Closings or other liquidation sales at the Closing Stores and/or seek to recover damages for breach(es) of covenants or provisions in any lease, sublease, license, or contract based upon any relief authorized herein.

17. In accordance with and subject to the terms and conditions of the Consulting Agreements, the Consultant shall have the right to use the Closing Stores and all related Closing Store services, furniture, fixtures, equipment, and other assets of the Debtors for the purpose of conducting the Store Closings, free of any interference from any entity or person, subject to compliance with the applicable Store Closing Procedures and this Interim Order.

18. All sales of the Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement) shall be “as is” and final. Returns related to the purchase of Store Assets shall not be accepted at stores that are not participating in the Store Closings. However, as to the Closing Stores, all state and federal laws relating to implied warranties for latent defects shall be complied with and are not superseded by the sale of said goods or the use of the terms “as is” or “final sales.”

19. The Consultant shall accept the Debtors’ validly-issued gift certificates and gift cards that were issued by the Debtors before the commencement of the Store Closings in accordance with the Debtors’ gift certificate and gift card policies and procedures as they existed on the Petition Date, and accept returns of merchandise sold by the Debtors before the commencement of the Store Closings for the first thirty (30) days of the Store Closings, provided that such returns are otherwise in compliance with the Debtors’ return policies in effect as of the Petition Date.

20. The Consultant shall not be liable for sales taxes except with respect to the Additional Consultant Goods (with respect to the U.S. Consulting Agreement), and as expressly provided in the Consulting Agreements, and the payment of any and all sales taxes is the responsibility of the Debtors, subject to Consultant’s obligation to collect and remit the sales taxes attributable to the sale of Additional Consultant Goods pursuant to the U.S. Consulting Agreement. The Debtors are directed to remit all taxes arising from the Store Closings to the applicable Governmental Units as and when due; *provided* that in the case of a *bona fide* dispute the Debtors are only directed to pay such taxes upon the resolution of the dispute, if and to the extent that the dispute is decided in favor of the applicable Governmental Unit. For the avoidance of doubt, sales taxes collected and held in trust by the Debtors shall not be used to pay any creditor

or any other party, other than the applicable Governmental Unit for which the sales taxes are collected. This Interim Order does not enjoin, suspend, or restrain the assessment, levy, or collection of any tax under state law, and does not constitute a declaratory judgment with respect to any party's liability for taxes under state law.

21. Pursuant to section 363(f) of the Bankruptcy Code, the Consultant, on behalf of the Debtors, is authorized to sell Store Assets—and all sales of Store Assets whether by the Consultant or the Debtors, shall be—free and clear of any and all of any liens, claims, encumbrances, assignments, preferences, debts, easements, charges, suits, licenses, options, rights-of-recovery, judgments, orders and decrees of any court or foreign or domestic governmental entity, taxes (including foreign, state, and local taxes), licenses, covenants, restrictions, indentures, instruments, leases, options, off-sets, claims for reimbursement, contribution, indemnity or exoneration, successor, product, environmental, tax, labor, ERISA, CERCLA, alter ego and other liabilities, causes of action, contract rights, and claims, to the fullest extent of the law, in each case, of any kind or nature (including, without limitation, all “claims” as defined in section 101(5) of the Bankruptcy Code), known or unknown, whether pre-petition or post-petition, secured or unsecured, choate or inchoate, filed or unfiled, scheduled or unscheduled, perfected or unperfected, liquidated or unliquidated, noticed or unnoticed, recorded or unrecorded, contingent or non-contingent material or non-material, statutory or non-statutory, matured or unmatured, legal or equitable (collectively, “*Encumbrances*”); as provided for herein because in each case, one or more of the standards set forth in section 363(f)(1)–(5) has been satisfied; *provided, however*, that any such Encumbrances shall attach to the proceeds of the sale of the Merchandise and the FF&E with the same validity, in the amount, with the same priority as, and to the same extent that any such Encumbrances have with respect to the Merchandise and the FF&E, subject to any claims and

defenses that any party may possess with respect thereto and subject to the Consultant's fees and expenses (as provided in the Consulting Agreements).

22. No FF&E sold or abandoned by the Debtors will contain personal and/or confidential information about the Debtors' employees and/or customers.

23. The Debtors are authorized and empowered to transfer Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement) among, and into, the Closing Stores.

### **III. DISPUTE RESOLUTION PROCEDURES WITH GOVERNMENTAL UNITS.**

24. Nothing in this Interim Order or the Store Closing Procedures releases, nullifies, or enjoins the enforcement of any liability to a governmental unit under environmental laws or regulations (or any associated liabilities for penalties, damages, cost recovery, or injunctive relief) to which any entity would be subject as the owner, lessor, lessee, or operator of the property after the date of entry of this Interim Order. Nothing contained in this Interim Order or the Store Closing Procedures shall in any way: (a) diminish the obligation of any entity to comply with environmental laws; or (b) diminish the obligations of the Debtors to comply with environmental laws consistent with its rights and obligations as debtor in possession under the Bankruptcy Code. The Store Closings shall not be exempt from laws of general applicability, including, without limitation, public health and safety, criminal, tax, labor, employment, environmental, antitrust, fair competition, traffic, and consumer protection laws, including consumer laws regulating deceptive practices and false advertising (collectively, "**General Laws**"). Nothing in this Interim Order, the Consulting Agreements, or the Store Closing Procedures, shall alter or affect obligations to comply with all applicable federal safety laws and regulations. Nothing in this Interim Order shall be deemed to bar any Governmental Unit (as such term is defined in section 101(27) of the Bankruptcy Code) from enforcing General Laws, subject to the Debtors' rights to assert in that

forum or before this Court that any such laws are not in fact General Laws or that such enforcement is impermissible under the Bankruptcy Code or this Interim Order. Notwithstanding any other provision in this Interim Order, no party waives any rights to argue any position with respect to whether the conduct was in compliance with this Interim Order and/or any applicable law, or that enforcement of such applicable law is preempted by the Bankruptcy Code. Nothing in this Interim Order shall be deemed to have made any rulings on any such issues.

25. To the extent that the sale of Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement) is subject to any Liquidation Sale Laws, including any federal, state or local statute, ordinance, or rule, or licensing requirement directed at regulating “going out of business,” “store closing,” similar inventory liquidation sales, or bulk sale laws, laws restricting safe, professional and non- deceptive, customary advertising such as signs, banners, posting of signage, and use of sign- walkers solely in connection with the sale and including ordinances establishing license or permit requirements, waiting periods, time limits, or bulk sale restrictions that would otherwise apply solely to the sale of the Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement), the Dispute Resolution Procedures in this section shall apply:

- a. Provided that the Store Closings are conducted in accordance with the terms of the Interim Order or the Final Order, as applicable, and the applicable Store Closing Procedures, and in light of the provisions in the laws of many Governmental Units (as defined in the Bankruptcy Code) that exempt court-ordered sales from their provisions, the Debtors will be presumed to be in compliance with any Liquidation Sale Laws and are authorized to conduct the Store Closings in accordance with the terms of the Interim Order or the Final Order, as applicable, and the applicable Store Closing Procedures without the necessity of further showing compliance with any such Liquidation Sale Laws.
- b. Within three business days after entry of the Interim Order, the Debtors will serve by email, facsimile, or first-class mail, copies of the Interim Order, the proposed Final Order and the Store Closing Procedures on the following: (i) the landlords for the Closing Stores; (ii) the Attorney General’s office for each state in which the Store Closings are being held; (iii) the county consumer protection agency or

similar agency for each county in which the Store Closings are being held; (iv) the division of consumer protection for each state in which the Store Closings are being held; and (v) the chief legal counsel for each local jurisdiction in which the Store Closings are being held (collectively, the “**Dispute Notice Parties**”).

- c. With respect to any additional Closing Stores, within three business days after Court authorization to close additional stores (each, an “**Additional Closing Store List**”), the Debtors will serve by email, facsimile, or first-class mail, copies of the Interim Order or Final Order, as applicable, and the Store Closing Procedures on the Dispute Notice Parties. To the extent that there is a dispute arising from or relating to the Store Closings, the Interim Order, the proposed Final Order, or the Store Closing Procedures, as applicable, which dispute relates to any Liquidation Sale Laws (a “**Reserved Dispute**”), the Court shall retain exclusive jurisdiction to resolve the Reserved Dispute. Any time within ten days following entry of the Interim Order or service of any Additional Closing Store List, as applicable, any Governmental Unit may assert that a Reserved Dispute exists by sending a notice (the “**Dispute Notice**”) explaining the nature of the dispute to: (a) proposed counsel to the Debtors, Young Conaway Stargatt & Taylor, LLP, Rodney Square, 1000 North King Street, Wilmington, DE 19801, Attn: Michael R. Nestor, Kara Hammond Coyle, and Joseph M. Mulvihill (mnestor@ycst.com; kcoyle@ycst.com; and jmulvihill@ycst.com) and Latham & Watkins LLP, 330 North Wabash Avenue, Suite 2800, Chicago, IL 60611, Attn: Caroline Reckler, Asif Attarwala, and Brett Newman (caroline.reckler@lw.com; asif.attarwala@lw.com; brett.newman@lw.com); (b) the U.S. Trustee, 844 King Street, Suite 2207, Lock Box 35, Wilmington, DE 19801, Attn: Jane Leamy (jane.m.leafy@usdoj.gov); (c) counsel to the DIP Term Agent, Dorsey & Whitney LLP, 51 West 52<sup>nd</sup> Street, New York, NY 10019, Attn: Erin E. Trigg and Samuel S. Kohn (trigg.erin@dorsey.com and kohn.samuel@dorsey.com); (d) counsel to the Ad Hoc Group of Crossover Lenders, Milbank LLP, 2029 Century Park East, 33rd Floor, Los Angeles, CA 90067, Attn: Mark Shinderman (mshinderman@milbank.com) and Daniel B. Denny (ddenny@milbank.com); (e) counsel to the DIP ABL FILO Agent, Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, NY 10017, Attn: Sandy Qusba, Daniel L. Biller, and Jamie Fell (squsba@stblaw.com, daniel.biller@stblaw.com, and jamie.fell@stblaw.com); (f) counsel to the Ad Hoc FILO Term Lender Group, (i) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 1285 Avenue of the Americas, New York, New York 10019, Attn: Andrew N. Rosenberg, Jacob Adlerstein, and Douglas R. Keeton (arosenberg@paulweiss.com, jadlerstein@paulweiss.com, and dkeeton@paulweiss.com); and (ii) Landis Rath & Cobb LLP, 919 Market Street, Suite 1800, Wilmington, Delaware 19801, Attn: Richard S. Cobb (cobb@lrclaw.com); (g) the indenture trustee for the Debtors’ prepetition convertible notes, The Bank of New York Mellon Trust Company, N.A., 525 William Penn Place, 38th Floor, Pittsburgh, PA 15259, Attn: Corporate Trust Administration and BNY Mellon Corporate Trust, US Corporate Client Service Management, 500 Ross Street, 12th Floor, Pittsburgh, PA 15262, Attn: Mindy M. Wrzesinski (Melinda.m.wrzesinski@bnymellon.com); (h) lead counsel to the Consultant, Tiger Capital Group, 60 State Street, 11<sup>th</sup> Floor, Boston, MA 02109,

Attn: Mark P. Naughton (MNaughton@tigergroup.com); and (i) counsel to any statutory committee appointed in these Chapter 11 Cases. If the Debtors and the Governmental Unit are unable to resolve the Reserved Dispute within 15 days after service of the Dispute Notice, the Governmental Unit may file a motion with the Court requesting that the Bankruptcy Court resolve the Reserved Dispute (a “*Dispute Resolution Motion*”).

- d. In the event that a Dispute Resolution Motion is filed, nothing in the Interim Order or the Final Order, as applicable, shall preclude the Debtors, a landlord, or any other interested party from asserting (i) that the provisions of any Liquidation Sale Laws are preempted by the Bankruptcy Code, or (ii) that neither the terms of the Interim Order or the Final Order nor the conduct of the Debtors pursuant to the Interim Order or the Final Order violates such Liquidation Sale Laws. Filing a Dispute Resolution Motion as set forth herein shall not be deemed to affect the finality of the Interim Order or the Final Order or to limit or interfere with the Debtors’ ability to conduct or to continue to conduct the Store Closings pursuant to the Interim Order or the Final Order, absent further order of the Court. Upon the entry of the Interim Order or the Final Order, as applicable, the Court grants authority for the Debtors to conduct the Store Closings pursuant to the terms of the Interim Order or the Final Order, as applicable, the Store Closing Procedures and to take all actions reasonably related thereto or arising in connection therewith. The Governmental Unit will be entitled to assert any jurisdictional, procedural, or substantive arguments it wishes with respect to the requirements of its Liquidation Sale Laws or the lack of any preemption of such Liquidation Sale Laws by the Bankruptcy Code. Nothing in the Interim Order or the Final Order will constitute a ruling with respect to any issues to be raised in any Dispute Resolution Motion.
- e. If, at any time, a dispute arises between the Debtors and a Governmental Unit as to whether a particular law is a Liquidation Sale Law, and subject to any provisions contained in the Interim Order or the Final Order related to the Liquidation Sale Laws, then any party to that dispute may utilize the provisions of subparagraphs (c) and (d) above by serving a notice to the other party and proceeding thereunder in accordance with those subparagraphs. Any determination with respect to whether a particular law is a Liquidation Sale Law shall be made *de novo*.

26. Subject to paragraphs 24 and 25 above, each and every federal, state, or local agency, departmental unit, or Governmental Unit with regulatory authority over the Store Closings, and all newspapers and other advertising media in which the Store Closings are advertised shall consider this Interim Order as binding authority that no further approval, license, or permit of any Governmental Unit shall be required, nor shall the Debtors be required, to post any bond, to conduct the Store Closings.

27. Within three business days of this Interim Order, the Debtors shall serve copies of this Interim Order and the Store Closing Procedures via e-mail, facsimile, or regular mail, on: (a) the United States Trustee for the District of Delaware; (b) counsel for the agent for the Debtors' postpetition financing facility; (c) counsel to the Ad Hoc Group of Crossover Lenders; (d) counsel to the Ad Hoc FILO Term Lender Group; (e) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (f) the indenture trustee for the Debtors' prepetition convertible notes; (g) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (h) the United States Attorney's Office for the District of Delaware; (i) the attorneys general for all 50 states and the District of Columbia; (j) the United States Department of Justice; (k) the Internal Revenue Service; (l) the Securities and Exchange Commission; (m) the United States Drug Enforcement Agency; (n) the United States Food and Drug Administration; (o) all parties who are known by the Debtors to assert liens against the Merchandise and the FF&E; (p) all state attorneys general in which the Merchandise and the FF&E are located; (q) municipalities in which the Merchandise and the FF&E are located; (r) all of the counterparties to the Debtors' real property leases; (s) all applicable state and consumer protection agencies; and (t) all parties requesting notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

#### **IV. EFFECTIVENESS OF THE CONSULTING AGREEMENTS.**

28. The Consulting Agreements are operative and effective on an interim basis. The Debtors are authorized to act and perform in accordance with the terms of the Consulting Agreements, including, without limitation, reimbursing all expenses to the Consultant as required by the Consulting Agreements without the need for any application of the Consultant or a further order of the Court. For avoidance of doubt, the Debtors are also authorized to fund the Expense Budgets in accordance with the terms of each of the Consulting Agreements.

29. Subject to the restrictions set forth in this Interim Order and the applicable Store Closing Procedures, the Debtors and the Consultant are hereby authorized to take any and all actions as may be necessary or desirable to implement the Consulting Agreements and the Store Closings, and each of the transactions contemplated by the Consulting Agreements, and any actions taken by the Debtors and the Consultant necessary or desirable to implement the Consulting Agreements and the Store Closings prior to the date hereof, are hereby approved and ratified. The failure to specifically include any particular provision of the Consulting Agreements in this Interim Order shall not diminish or impair the effectiveness of such provisions, it being the intent of this Court that the Consulting Agreements and all of their provisions, payments, and transactions, be and hereby are authorized and approved as and to the extent provided for in this Interim Order.

30. Notwithstanding anything to the contrary in the Consulting Agreements, the Debtors and their estates shall not indemnify the Consultant for any damages arising primarily out of any act or omission by the Consultant constituting fraud, gross negligence, or willful misconduct.

31. To the extent that the Debtors seek to conduct Store Closings at any location not identified as a Closing Store on Exhibit 2 attached hereto (each an “*Additional Closing Store*”), the Debtors shall (a) first consult with the DIP Term Agent and the DIP ABL FILO Agent, and use commercially reasonable efforts to consult with the Ad Hoc Group of Crossover Lenders and the Ad Hoc FILO Term Lender Group, (b) file an Additional Closing Store List, and (c) serve a notice of their intent to conduct Store Closings at those locations on the Additional Closing Store landlords, counsel to the Ad Hoc Group of Crossover Lenders, counsel to the Ad Hoc FILO Term Lender Group, and applicable governmental units by email (to the extent available to the Debtors) or by overnight mail. The Additional Closing Store landlords shall have seven (7) days after

service of the applicable Additional Closing Store List to object to the application of this Interim Order to their store locations. If no timely objections are filed with respect to the application of this Interim Order to any store locations identified on any Additional Closing Store List, then the Debtors shall be authorized, pursuant to section 105(a) and section 363(b)(1) of the Bankruptcy Code, to conduct Store Closings at such store locations in accordance with this Interim Order, the applicable Store Closing Procedures, the Consultant Agreement, and any Side Letter. If any objections are filed with respect to the application of this Interim Order to any store locations identified on any Additional Closing Store List and such objections are not resolved, the objections and the application of this Interim Order to any affected store locations shall be considered by the Court at the next regularly scheduled omnibus hearing.

32. On a confidential basis and for professionals' "eyes only" and upon the written (including email) request of the U.S. Trustee, the agent for the Debtors' postpetition financing facility, the Ad Hoc Group of Crossover Lenders, the agent under the Debtors' secured term and asset-based financing facilities, the Ad Hoc FILO Term Lender Group, the indenture trustee for the Debtors' prepetition convertible notes, or the committee of unsecured creditors, if any, the Debtors shall provide such requesting party, if any, with copies of periodic reports concerning the Store Closings that are prepared by the Debtors, their professionals or the Consultant, provided, however, that the foregoing shall not require the Debtors, their professionals, or the Consultant to prepare or undertake to prepare any additional or new reporting not otherwise being prepared by the Debtors, their professionals, or the Consultant in connection with the Store Closings.

#### **V. OTHER PROVISIONS.**

33. The Consultant shall not be liable for any claims against the Debtors, and the Debtors shall not be liable for any claims against Consultant, in each case, other than as expressly provided for in the Consulting Agreements.

34. The Debtors shall not be required to comply with any state or local law requiring that the Debtors pay an employee substantially contemporaneously with his or her termination; *provided, however*, that the Debtors shall pay any accrued wages to terminated employees as expeditiously as possible.

35. Nothing in the Motion or this Interim Order, or the Debtors' payment of any claims pursuant to this Interim Order, shall be construed as: (i) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (ii) a waiver of the Debtors' rights to dispute any claim or lien on any grounds; (iii) a promise to pay any claim; (iv) an implication or admission that any particular claim would constitute an allowed claim; (v) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code (other than the Consulting Agreements); or (vi) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to this Interim Order. Nothing contained in this Interim Order shall be deemed to increase, decrease, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

36. Notwithstanding anything contained in the Motion or this Interim Order, any payment made, and any authorization of the Debtors contained herein shall be subject to the terms and conditions contained in any interim or final orders entered by this Court authorizing the Debtors to obtain debtor-in-possession financing and/or authorizing the use of cash collateral (each such order, a "***DIP Order***"), the documentation in respect of any such debtor-in-possession financing or use of cash collateral, and any budget in connection with any such debtor-in-possession financing and/or use of cash collateral. To the extent there is any inconsistency between the terms of the DIP Order and any action taken or proposed to be taken hereunder, the

terms of the DIP Order shall control; *provided, however*, that with respect to amounts due to the Consultant pursuant to the Consultant Agreements paid solely from proceeds of sales of the Merchandise and the FF&E, the DIP Order and any budget attached thereto shall not constitute or require a cap or reduction on amounts due to the Consultant under the Consulting Agreements other than any such cap or reduction resulting from the Consultant's required compliance with the applicable Expense Budget.

37. Neither the provisions contained herein, nor any actions or payments made by the Debtors pursuant to this Interim Order shall be deemed an admission as to the validity of any underlying obligation or a waiver of any rights the Debtors may have to dispute such obligation on any ground that applicable law permits.

38. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable this Interim Order shall be effective and enforceable immediately upon entry hereof.

39. The requirements set forth in Bankruptcy Rule 6004(a) are hereby waived.

40. The requirements set forth in Bankruptcy Rule 6003(b) are satisfied because the relief set forth in this Interim Order is necessary to avoid immediate and irreparable harm.

41. The Debtors are authorized and empowered to take such actions and to execute such documents as may be necessary to implement the relief granted by this Interim Order.

42. A hearing to consider entry of an order granting the Motion on a final basis (the "***Final Hearing***") shall be held on \_\_\_\_\_, 2020, at \_\_:\_\_\_ .m. (prevailing Eastern time). Any objections or responses to the entry of such an order must be filed on or before 4:00 p.m. (prevailing Eastern time) on \_\_\_\_\_, 2020, and served on (a) proposed counsel to the Debtors, (i) Latham & Watkins LLP, 330 North Wabash Avenue, Suite 2800, Chicago, Illinois 60611, Attn: Caroline Reckler, Asif Attarwala, and Brett Newman (email:

the event that no objections to entry of the Proposed Final Order on the Motion are timely received, this Court may enter such Proposed Final Order without need for the Final Hearing.

43. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation and/or interpretation of this Interim Order, including, but not limited to, (a) any claim or issue relating to any efforts by any party or person to prohibit, restrict or in any way limit banner and sign-walker advertising, including with respect to any allegations that such advertising is not being conducted in a safe, professional, and non-deceptive manner, (b) any claim of the Debtors, the landlords for protection from interference with the Store Closings, (c) any other disputes related to the Store Closings, and (d) protection of the Debtors against any assertions of any liens, claims, encumbrances, and other interests. No such parties or person shall take any action against the Debtors, the landlords, or the Store Closings until this Court has resolved such dispute. This Court shall hear the request of such parties or persons with respect to any such disputes on an expedited basis, as may be appropriate under the circumstances.

**EXHIBIT 1**

**Store Closing Procedures**

## U.S. Store Closing Procedures<sup>1</sup>

1. These U.S. Store Closing Procedures shall control the Store Closings in the United States.
2. The Store Closings shall be conducted so that the stores in which Store Closings are to occur will remain open no longer than during the normal hours of operation or such hours as otherwise provided for in the respective leases for the Closing Stores.
3. The Store Closings shall be conducted in accordance with applicable state and local “Blue Laws,” where applicable, so that no Store Closing shall be conducted on Sunday unless the Debtors had been operating such Closing Stores on a Sunday prior to the commencement of the Store Closings.
4. On “shopping center” property, the Consultant shall not distribute handbills, leaflets or other written materials to customers outside of any Closing Stores’ premises, unless permitted by the lease or if distribution is customary in the “shopping center” in which such Closing Store is located; *provided* that the Consultant may solicit customers in the Closing Stores themselves. On “shopping center” property, the Consultant shall not use any flashing lights or amplified sound to advertise the Store Closings or solicit customers, except as permitted under the applicable lease or agreed to by the landlord.
5. At the conclusion of the Store Closings, the Consultant shall, subject to the Consulting Agreements, vacate the Closing Stores in broom clean condition; *provided* that Consultant may abandon any FF&E not sold in the Store Closings at the conclusion of the Store Closings, without cost or liability of any kind to the Consultant. The Debtors will have the option to remove the FF&E at their own cost prior to the termination date. Any abandoned FF&E left in a Closing Store after a lease is rejected shall be deemed abandoned to the landlord having a right to dispose of the same as the landlord chooses without any liability whatsoever on the part of the landlord to any party and without waiver of any damage claims against the Debtors. For the avoidance of doubt, as of the Sale Termination Date, the Consultant may abandon, in place and without further responsibility or liability of any kind, any FF&E.
6. The Consultant and the Debtors may advertise each Store Closing as a “store closing,” “sale on everything,” “everything must go,” or similar themed sale, and to the extent permitted in the Interim Order or Final Order, as applicable, “going out of business”. The Consultant and the Debtors may also have “countdown to closing” signs prominently displayed in a manner consistent with these Store Closing Procedures. All signs, banners, ads and other advertising collateral, promotions, and campaigns will be approved by the Debtors in accordance with these Store Closing Procedures.
7. The Consultant shall be permitted to utilize sign walkers, display, hanging signs, and interior banners in connection with the Store Closings; *provided* that such sign walkers, display,

hanging signs, and interior banners shall be professionally produced and hung in a professional manner. The Debtors and the Consultant shall not use neon or day-glo on its sign walkers, display, hanging signs, or interior banners. Furthermore, with respect to enclosed mall locations, no exterior signs or signs in common areas of a mall shall be used unless otherwise expressly permitted in these Store Closing Procedures. In addition, the Debtors and the Consultant shall be permitted to utilize exterior banners at (i) non-enclosed mall stores and (ii) enclosed mall stores to the extent the entrance to the applicable store does not require entry into the enclosed mall common area; *provided*, however, that such banners shall be located or hung so as to make clear that the Store Closings are being conducted only at the affected Closing Stores, and shall not be wider than the storefront of the Closing Stores. In addition, the Debtors and the Consultant shall be permitted to utilize sign walkers in a safe and professional manner and in accordance with the terms of the Interim Order or Final Order, as applicable. Nothing contained in these Store Closing Procedures shall be construed to create or impose upon the Debtors or the Consultant any additional restrictions not contained in the applicable lease agreement.

8. Conspicuous signs shall be posted in the cash register areas of each of the affected Closing Stores to the effect that “all sales are final.”

9. Except with respect to the hanging of exterior banners, the Consultant shall not make any alterations to the storefront or exterior walls of any Closing Stores, except as authorized by the applicable lease.

10. The Consultant shall not make any alterations to interior or exterior Closing Stores’ lighting, except as authorized by the applicable lease. No property of the landlord of a Closing Store shall be removed or sold during the Store Closings. The hanging of exterior banners or in-store signage and banners shall not constitute an alteration to a Closing Store.

11. The Consultant shall keep Closing Stores’ premises and surrounding areas clean and orderly consistent with present practices.

12. Subject to the provisions of the Consulting Agreements, the Consultant shall have the right to use and sell all FF&E. The Consultant may advertise the sale of the FF&E in a manner consistent with these guidelines. The purchasers of any FF&E sold during the Store Closings shall be permitted to remove the FF&E either through the back or alternative shipping areas at any time, or through other areas after applicable business hours, *provided, however* that the foregoing shall not apply to *de minimis* FF&E sales made whereby the item can be carried out of the Closing Stores in a shopping bag. For the avoidance of doubt, as of the Sale Termination Date, the Consultant and the Debtors may abandon, in place and without further responsibility, any FF&E.

13. At the conclusion of the Store Closings at each Closing Store, pending assumption or rejection of applicable leases, the landlords of the Closing Stores shall have reasonable access to the Closing Stores’ premises as set forth in the applicable leases. The Debtors, the Consultant, and their representatives and agents shall continue to have access to the Closing Stores as provided for in the Consulting Agreements.

14. The rights of landlords against the Debtors for any damages to a Closing Store shall be reserved in accordance with the provisions of the applicable lease.

15. If and to the extent that the landlord of any Closing Store affected hereby contends that the Debtors or the Consultant is in breach of or default under these Store Closing Procedures, such landlord shall email or deliver written notice by overnight delivery to the Debtors, the Ad Hoc Group of Crossover Lenders, the Ad Hoc FILO Term Lender Group, and the Consultant as follows:

### Canadian Sale Guidelines

The following procedures shall apply to the Sale to be conducted at the Stores of General Nutrition Centres Company (the “**Merchant**”). All terms not herein defined shall have the meaning set forth in the Consulting Agreement by and between a joint venture comprised of Tiger Asset Solutions Canada, ULC and GA Retail Canada ULC (collectively with their respective U.S. affiliates, the “**Consultant**”) and the Merchant dated as of June 18, 2020 (the “**Consulting Agreement**”).

1. Except as otherwise expressly set out herein, and subject to: (i) the orders granted or issued in the Merchant’s bankruptcy case (the “**Bankruptcy Case**”) in the United States of America under Chapter 11 of the United States Bankruptcy Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the District of Delaware (the “**Court**”) and the Merchant’s ancillary proceedings (the “**CCAA Proceedings**”) in Canada under Part IV of the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”) before the Ontario Superior Court of Justice (Commercial List) (individually, an “**Order**”, and, collectively, the “**Orders**”); or (ii) any subsequent written agreement between the Merchant and the applicable landlord(s) (individually, a “**Landlord**” and, collectively, the “**Landlords**”) and approved by each of the Consultant and Information Officer in writing, or (iii) as otherwise set forth herein, the Sale shall be conducted in accordance with the terms of the applicable leases/or other occupancy agreements to which the affected Landlords are privy for each of the affected Stores (individually, a “**Lease**” and, collectively, the “**Leases**”). However, nothing contained herein shall be construed to create or impose upon the Merchant or the Consultant any additional restrictions not contained in the applicable Lease or other occupancy agreement.
2. The Sale shall be conducted so that each of the Stores remains open during its normal hours of operation provided for in its respective Lease until the respective Sale Termination Date for such Store. The Sale at the Stores shall end by no later than the Sale Termination Date. Rent payable under the respective Leases shall be paid in accordance with the terms of the Orders, as applicable.
3. The Sale shall be conducted in accordance with applicable federal, provincial and municipal laws and regulations, unless otherwise set out herein or otherwise ordered by the Court.
4. All display and hanging signs used by the Consultant in connection with the Sale shall be professionally produced and all hanging signs shall be hung in a professional manner. Notwithstanding anything to the contrary contained in the Leases, the Consultant may advertise the Sale at the Stores as an “everything on sale”, an “everything must go”, a “store closing” or similar theme sale at the Stores (provided however that no signs shall advertise the Sale as a “bankruptcy”, a “going out of business” or a “liquidation” sale it being understood that the French equivalent of “clearance” is “liquidation” and is permitted to be used). Forthwith upon written request from a Landlord, the Landlord’s counsel, the Merchant or the Information Officer, the Consultant shall provide the proposed signage packages along with the proposed dimensions and number of signs (as approved by the

Merchant pursuant to the Consulting Agreement) by e-mail to such Landlord(s) or to their counsel of record and the Information Officer. Where the provisions of the Lease conflict with these Canadian Sale Guidelines, these Canadian Sale Guidelines shall govern. The Consultant shall not use neon or day-glow or handwritten signage (unless otherwise contained in the sign package, including “you pay” or “topper” signs). In addition, the Consultant shall be permitted to utilize exterior banners/signs at stand alone or strip mall Stores or enclosed mall Stores with a separate entrance from the exterior of the enclosed mall, provided, however, that where such banners are not explicitly permitted by the applicable Lease and the Landlord requests in writing that the banners are not to be used, no banners shall be used absent further Order of the Court. Any banners used shall be located or hung so as to make clear that the Sale is being conducted only at the affected Store and shall not be wider than the premises occupied by the affected Store. All exterior banners shall be professionally hung and to the extent that there is any damage to the façade of the premises of a Store as a result of the hanging or removal of the exterior banner, such damage shall be professionally repaired at the expense of the Consultant. If a Landlord is concerned with “store closing” signs being placed in the front window of a Store or with the number or size of the signs in the front window, the Consultant and the Landlord will discuss the Landlord’s concerns and work to resolve the dispute.

5. The Consultant shall be permitted to utilize sign walkers and street signage; provided, however, such sign walkers and street signage shall not be located on the shopping centre or mall premises.
6. The Consultant shall not make any alterations to interior or exterior Store lighting, except as authorized pursuant to the applicable Lease. The hanging of exterior banners or other signage, where permitted in accordance with the terms of these guidelines, shall not constitute an alteration to a Store.
7. Conspicuous signs shall be posted in the cash register areas of each Store to the effect that all sales are “final”.
8. The Consultant shall not distribute handbills, leaflets or other written materials to customers outside of any of the Stores on any Landlord's property, unless permitted by the applicable Lease or, if distribution is customary in the shopping centre in which the Store is located. Otherwise, the Consultant may solicit customers in the Stores themselves. The Consultant shall not use any giant balloons, flashing lights or amplified sound to advertise the Sale or solicit customers, except as permitted under the applicable Lease, or agreed to by the Landlord, and no advertising trucks shall be used on a Landlord property or mall ring roads, except as explicitly permitted under the applicable Lease or agreed to by the Landlord.
9. At the conclusion of the Sale in each Store, the Consultant shall arrange that the premises for each Store are in “broom-swept” and clean condition, and shall arrange that the Stores are materially in the same condition as on the commencement of the Sale, ordinary wear and tear excepted. No property of any Landlord of a Store shall be removed or sold during the Sale. No permanent fixtures (other than FF&E which for clarity is owned by the Merchant) may be removed without the applicable Landlord's written consent unless

otherwise provided by the applicable Lease. Any fixtures or personal property left in a Store after the Sale Termination Date in respect of which the applicable Lease has been disclaimed by the Merchant shall be deemed abandoned, with the applicable Landlord having the right to dispose of the same as the Landlord chooses, without any liability whatsoever on the part of the Landlord.

10. Subject to the terms of paragraph 9 above, the Consultant may sell Offered FF&E which is located in the Stores during the Sale. The Merchant and the Consultant may advertise the sale of Offered FF&E consistent with these guidelines on the understanding that any applicable Landlord may require that such signs be placed in discreet locations acceptable to the applicable Landlord, acting reasonably. Additionally, the purchasers of any Offered FF&E sold during the Sale shall only be permitted to remove the Offered FF&E either through the back shipping areas designated by the applicable Landlord, or through other areas after regular store business hours, or through the front door of the Store during store business hours if the Offered FF&E can fit in a shopping bag, with applicable Landlord's supervision as required by the applicable Landlord. The Consultant shall repair any damage to the Stores resulting from the removal of any Offered FF&E by Consultant or by third party purchasers of Offered FF&E from Consultant.
11. The Merchant hereby provides notice to the Landlords of the Merchant and the Consultant's intention to sell and remove Offered FF&E from the Stores. The Merchant will arrange a walk through with each Landlord that requests a walk through with the Consultant to identify the Offered FF&E subject to the sale. The relevant Landlord shall be entitled to have a representative present in the Store to observe such removal. If the Landlord disputes the Consultant's entitlement to sell or remove any FF&E under the provisions of the Lease, such FF&E shall remain on the premises and shall be dealt with as agreed between the Merchant, the Consultant and such Landlord, or pursuant to the dispute resolution section of the Canadian Store Closing Procedures. If the Merchant has rejected the Lease governing such Store in accordance with the Bankruptcy Code, it shall not be required to pay rent under such Lease pending resolution of any such dispute (other than rent payable for the notice period provided for under the Bankruptcy Code), and the rejection of the Lease shall be without prejudice to the Merchant's or Consultant's claim to the FF&E in dispute.
12. If a rejection notice is delivered to a Landlord pursuant to the Bankruptcy Code while the Sale is ongoing and the Store in question has not yet been vacated, then: (a) during the notice period prior to the effective time of such rejection, the applicable Landlord may show the affected leased premises to prospective tenants during normal business hours, on giving the Merchant and the Consultant 24 hours' prior written notice; and (b) at the effective time of the rejection, the relevant Landlord shall be entitled to take possession of any such Store without waiver of or prejudice to any claims or rights such Landlord may have against the Merchant in respect of such Lease or Store, provided that nothing herein shall relieve such Landlord of its obligation to mitigate any damages claimed in connection therewith.
13. The Consultant and its agents and representatives shall have the same access rights to the Stores as the Merchant under the terms of the applicable Lease, and the applicable

Landlords shall have the rights of access to the Stores during the Sale provided for in the applicable Lease (subject, for greater certainty, to any applicable stay of proceedings).

14. The Merchant and the Consultant shall not conduct any auctions of Merchandise or Offered FF&E at any of the Stores.
15. The Consultant shall designate a party to be contacted by the Landlords should a dispute arise concerning the conduct of the Sale. The initial contact person for the Consultant shall be Daniel Richer who may be reached by phone at 416-865-4445 or email at driche@fasken.com. Contact persons for the Merchant and the Information Officer are set out in the Canadian Store Closing Procedures. If the parties are unable to resolve the dispute between themselves, the notice and dispute sections of the Canadian Store Closing Procedures shall be followed by the parties. For the duration of any such dispute, the Consultant shall cease all activity in dispute other than activity expressly permitted herein, pending the determination of the matter by the Court; provided, for greater certainty, that if a banner has been hung in accordance with these Canadian Sale Guidelines and is thereafter the subject of a dispute, the Consultant shall not be required to take any such banner down pending determination of the dispute.
16. Nothing herein is, or shall be deemed to be a consent by any Landlord to the sale, assignment or transfer of any Lease, or to grant to the Landlord any greater rights than already exist under the terms of any applicable Lease.
17. These Canadian Sale Guidelines may be amended by written agreement between the Merchant, the Consultant and any applicable Landlord (provided that such amended Canadian Sale Guidelines shall not affect or bind any other Landlord not privy thereto without further Order of the Court).

<sup>3</sup> Findings of fact shall be construed as conclusions of law and conclusions of law shall be construed as findings of fact where appropriate.

C. E. The entry of this Final Order is in the best interest of the Debtors and their estates, creditors, and interest holders and all other parties in interest herein; and now therefore it is hereby

**ORDERED, ADJUDGED AND DECREED THAT:**

1. The Motion is GRANTED on a final basis as set forth herein.

2. The Debtors are authorized, but not directed, to make payments under the Store Closing Bonus Plan.

3. The Debtors and the Consultant are authorized to take all actions necessary to effectuate the relief granted in this Final Order in accordance with the Motion. The failure to specifically include any provisions of the Consulting Agreements in this Final Order shall not diminish or impair the effectiveness of such provisions, it being the intent of this Court that the Consulting Agreements and all of their provisions, payments, and transactions be, and hereby are, authorized and approved as and to the extent provided in this Final Order.

4. The assumption of the Consulting Agreements by the Debtors pursuant to section 365 of the Bankruptcy Code is approved on a final basis. The Debtors are authorized to act and perform in accordance with the terms of the Consulting Agreements, including making payments required by the Consulting Agreements to the Consultant without the need for any application of the Consultant or a further order of the Court.

5. To the extent of any conflict between this Final Order, the Consulting Agreements, and the Store Closing Procedures, the terms of this Final Order shall control. Notwithstanding any other term of this Final Order, the Canadian Store Closing Procedures and the Canadian Sale Guidelines shall control in respect of Store Closings in Canada.

**I. AUTHORITY TO ENGAGE IN CLOSING SALES AND CONDUCT STORE CLOSINGS.**

6. The Debtors and the Consultant are authorized, on a final basis pursuant to sections 105(a) and 363(b)(1) of the Bankruptcy Code, to continue to conduct Store Closings at the Closing Stores in accordance with this Final Order, the applicable Store Closing Procedures, and the Consulting Agreements as may be modified by a Side Letter (as defined below) between the Debtors and the landlords at the closing locations.

7. The Store Closing Procedures are approved in their entirety on a final basis. The Store Closing Procedures shall be used for all permitted Store Closings in these Chapter 11 Cases, unless otherwise ordered.

8. The Debtors are authorized to discontinue operations at the Closing Stores in accordance with this Final Order, the applicable Store Closing Procedures, and the Consulting Agreements.

9. All entities that are presently in possession of some or all of the Merchandise or FF&E in which the Debtors hold an interest that are or may be subject to this Final Order hereby are directed to surrender possession of such Merchandise or FF&E to the Debtors.

10. Neither the Debtors nor any of their officers, employees, or agents shall be required to obtain the approval of any third party, including, without limitation, any Governmental Unit (as defined in Bankruptcy Code section 101(27)) or landlord, to conduct the Store Closings and to take the related actions authorized herein.

## II. CONDUCT OF THE SALES.

11. All media in which the Store Closings may be advertised and all landlords are directed to accept this Final Order as binding authority so as to authorize the Debtors and the Consultant to conduct the Store Closings and the sale of Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement), including, without limitation, to conduct and advertise the sale of the Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement) in the manner contemplated by and in accordance with this Final Order, the Store Closing Procedures, and the Consulting Agreements.

12. The Debtors and the Consultant are hereby authorized to take such actions as may be necessary and appropriate to conduct the Store Closings without necessity of further order of this Court as provided in this Final Order, the Store Closing Procedures, and the Consulting Agreements, including, but not limited to, advertising the sale as a “store closing sale,” “sale on everything,” “everything must go,” or similar-themed sales through the posting of signs (including the use of exterior banners at non-enclosed mall closing locations, and at enclosed mall closing locations to the extent the applicable closing location entrance does not require entry into the enclosed mall common area), use of signwalkers, and street signage;*provided, however*, that only Debtor-approved terminology will be used at each Closing Store in connection with the Store Closings.

13. Pursuant to the U.S. Consulting Agreement, and subject to the Debtors’ prior written approval, the Consultant is authorized to supplement the Merchandise in the Closing Stores with Additional Consultant Goods pursuant to the Debtors’ prior written approval of a plan with respect to the placement and sale of such Additional Consultant Goods, and provided that any such supplementing with Additional Consultant Goods must be of like kind and no lesser quality than goods sold in the Closing Stores prior to the Petition Date. Sales of Additional Consultant Goods

shall be run through the Debtors' cash register systems; provided, however, that the Consultant shall mark the Additional Consultant Goods using either a "dummy" SKU or department number or in such other manner so as to distinguish the sale of Additional Consultant Goods from the sale of Merchandise.

14. Pursuant to the U.S. Consulting Agreement, all transactions relating to the Additional Consultant Goods are, shall be construed as, and are acknowledged by the Debtors to be, a true consignment from Consultant to the Debtors under Article 9 of the Uniform Commercial Code in effect in the State of Delaware (the "*UCC*") and not a consignment for security purposes. At all times and for all purposes, the Additional Consultant Goods and their proceeds shall be the exclusive property of the Consultant, and no other person or entity (including, without limitation, the Debtors, or any third person claiming a security interest in the Debtors' property, including any of the Debtors' secured lenders) shall have any claim against any of the Additional Consultant Goods or the proceeds thereof. The Additional Consultant Goods shall at all times remain subject to the exclusive control of the Consultant. Pursuant to the U.S. Consulting Agreement, and to the extent necessary, Consultant is hereby granted a first priority security interest in and lien upon (i) the Additional Consultant Goods and (ii) the Additional Consultant Goods proceeds.

15. Notwithstanding anything herein to the contrary, and in view of the importance of the use of sign-walkers, banners, and other advertising to the sale of the Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement), to the extent that, prior to the final hearing, disputes arise during the course of such sale regarding laws regulating the use of sign-walkers, banners, or other advertising and the Debtors are unable to resolve the matter consensually, any party may request an immediate telephonic hearing with this Court pursuant to these provisions. Such hearing will, to the extent practicable, be scheduled initially no

later than the earlier of (a) the final hearing, or (b) within two (2) business days of such request. This scheduling shall not be deemed to preclude additional hearings for the presentation of evidence or arguments as necessary.

16. The sale of the Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement) shall be conducted by the Debtors notwithstanding any restrictive provision of any lease, sublease, restrictive covenant, or other agreement relative to occupancy affecting or purporting to restrict the conduct of the Store Closings (including the sale of the Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement)) and the rejection of leases, abandonment of assets, or “going dark” provisions, and such provisions shall not be enforceable in conjunction with the Store Closings. Breach of any such provisions in these Chapter 11 Cases in conjunction with the Store Closings shall not constitute a default under a lease or provide a basis to terminate the lease; *provided* that the Store Closings are conducted in accordance with the terms of this Final Order and the applicable Store Closing Procedures. Subject to the approval of Debtors’ secured lenders, including the Ad Hoc Group of Crossover Lenders and the Ad Hoc FILO Term Lender Group, the Debtors and landlords of the Closing Stores are authorized to enter into agreements (“*Side Letters*”) between themselves modifying the Store Closing Procedures without further order of the Court and such Side Letters shall be binding as among the Debtors and any such landlords. In the event of any conflict between the Store Closing Procedures and any Side Letter, the terms of such Side Letter shall control. The Expense Budget attached to each of the Consulting Agreements may only be modified according to the procedures provided by the respective Consulting Agreements and after consultation with counsel to the Ad Hoc Group of Crossover Lenders and counsel to the Ad Hoc FILO Term Lender Group.

17. Except as expressly provided for herein or in the Store Closing Procedures, and except with respect to any Governmental Unit (as to which paragraphs 25 and 26 shall apply) no person or entity, including, but not limited to, any landlord, licensor, service provider, utility, or creditor, shall take any action to directly or indirectly prevent, interfere with, or otherwise hinder consummation of the Store Closings or the sale of the Merchandise, FF&E, or Additional Consultant Goods (with respect to the U.S. Consulting Agreement), or the advertising and promotion (including the posting of signs and exterior banners or the use of signwalkers) of such sales, and all such parties and persons of every nature and description, including, but not limited to, any landlord, licensor, service provider, utility, and creditor and all those acting for or on behalf of such parties, are prohibited and enjoined from (a) interfering in any way with, obstructing, or otherwise impeding the conduct of the Store Closings, and/or (b) instituting any action or proceeding in any court (other than this Court) or administrative body seeking an order or judgment against, among others, the Debtors, or the landlords at the Closing Stores that might in any way directly or indirectly obstruct or otherwise interfere with or adversely affect the conduct of the Store Closings or other liquidation sales at the Closing Stores and/or seek to recover damages for breach(es) of covenants or provisions in any lease, sublease, license, or contract based upon any relief authorized herein.

18. In accordance with and subject to the terms and conditions of the Consulting Agreements, the Consultant shall have the right to use the Closing Stores and all related Closing Store services, furniture, fixtures, equipment, and other assets of the Debtors for the purpose of conducting the Store Closings, free of any interference from any entity or person, subject to compliance with the applicable Store Closing Procedures and this Final Order.

19. All sales of the Merchandise, FF&E and Additional Consultant Goods (with respect to the U.S. Consulting Agreement) shall be “as is” and final. Returns related to the purchase of Store Assets shall not be accepted at stores that are not participating in the Store Closings. However, as to the Closing Stores, all state and federal laws relating to implied warranties for latent defects shall be complied with and are not superseded by the sale of said goods or the use of the terms “as is” or “final sales.”

20. The Consultant shall accept the Debtors’ validly-issued gift certificates and gift cards that were issued by the Debtors before the commencement of the Store Closings in accordance with the Debtors’ gift certificate and gift card policies and procedures as they existed on the Petition Date, and accept returns of merchandise sold by the Debtors before the commencement of the Store Closings for the first thirty (30) days of the Store Closings, provided that such returns are otherwise in compliance with the Debtors’ return policies in effect as of the Petition Date.

21. The Consultant shall not be liable for sales taxes except with respect to the Additional Consultant Goods (with respect to the U.S. Consulting Agreement), and as expressly provided in the Consulting Agreements, and the payment of any and all sales taxes is the responsibility of the Debtors, subject to Consultant’s obligation to collect and remit the sales taxes attributable to the sale of Additional Consultant Goods pursuant to the U.S. Consulting Agreement. The Debtors are directed to remit all taxes arising from the Store Closings to the applicable Governmental Units as and when due; *provided* that in the case of a *bona fide* dispute the Debtors are only directed to pay such taxes upon the resolution of the dispute, if and to the extent that the dispute is decided in favor of the applicable Governmental Unit. For the avoidance of doubt, sales taxes collected and held in trust by the Debtors shall not be used to pay any creditor or any other

party, other than the applicable Governmental Unit for which the sales taxes are collected. This Final Order does not enjoin, suspend, or restrain the assessment, levy, or collection of any tax under state law, and does not constitute a declaratory judgment with respect to any party's liability for taxes under state law.

22. Pursuant to section 363(f) of the Bankruptcy Code, the Consultant, on behalf of the Debtors, is authorized to sell Store Assets—and all sales of Store Assets whether by the Consultant or the Debtors, shall be—free and clear of any and all of any liens, claims, encumbrances, assignments, preferences, debts, easements, charges, suits, licenses, options, rights-of-recovery, judgments, orders and decrees of any court or foreign or domestic governmental entity, taxes (including foreign, state, and local taxes), licenses, covenants, restrictions, indentures, instruments, leases, options, off-sets, claims for reimbursement, contribution, indemnity or exoneration, successor, product, environmental, tax, labor, ERISA, CERCLA, alter ego and other liabilities, causes of action, contract rights, and claims, to the fullest extent of the law, in each case, of any kind or nature (including, without limitation, all “claims” as defined in section 101(5) of the Bankruptcy Code), known or unknown, whether pre-petition or post-petition, secured or unsecured, choate or inchoate, filed or unfiled, scheduled or unscheduled, perfected or unperfected, liquidated or unliquidated, noticed or unnoticed, recorded or unrecorded, contingent or non-contingent, material or non-material, statutory or non-statutory, matured or unmatured, legal or equitable (collectively, “*Encumbrances*”); as provided for herein because in each case, one or more of the standards set forth in section 363(f)(1)–(5) has been satisfied; *provided, however*, that any such Encumbrances shall attach to the proceeds of the sale of the Merchandise and the FF&E with the same validity, in the amount, with the same priority as, and to the same extent that any such Encumbrances have with respect to the Merchandise and the FF&E, subject to any claims and

defenses that any party may possess with respect thereto and subject to the Consultant's and expenses (as provided in the Consulting Agreements).

23. No FF&E sold or abandoned by the Debtors will contain personal and/or confidential information about the Debtors' employees and/or customers.

24. The Debtors are authorized and empowered to transfer Merchandise, FF&E and Additional Consultant Goods (with respect to the U.S. Consulting Agreement) among, and into, the Closing Stores.

### **III. DISPUTE RESOLUTION PROCEDURES WITH GOVERNMENTAL UNITS.**

25. Nothing in this Final Order, or the Store Closing Procedures, releases, nullifies, or enjoins the enforcement of any liability to a governmental unit under environmental laws or regulations (or any associated liabilities for penalties, damages, cost recovery, or injunctive relief) to which any entity would be subject as the owner, lessor, lessee, or operator of the property after the date of entry of this Final Order. Nothing contained in this Final Order, or the Store Closing Procedures shall in any way: (a) diminish the obligation of any entity to comply with environmental laws; or (b) diminish the obligations of the Debtors to comply with environmental laws consistent with its rights and obligations as debtor in possession under the Bankruptcy Code. The Store Closings shall not be exempt from laws of general applicability, including, without limitation, public health and safety, criminal, tax, labor, employment, environmental, antitrust, fair competition, traffic, and consumer protection laws, including consumer laws regulating deceptive practices and false advertising (collectively, "**General Laws**"). Nothing in this Final Order, the Consulting Agreements, or the Store Closing Procedures, shall alter or affect obligations to comply with all applicable federal safety laws and regulations. Nothing in this Final Order shall be deemed to bar any Governmental Unit (as such term is defined in section 101(27) of the Bankruptcy Code) from enforcing General Laws, subject to the Debtors' rights to assert in that forum or before this

Court that any such laws are not in fact General Laws or that such enforcement is impermissible under the Bankruptcy Code or this Final Order. Notwithstanding any other provision in this Final Order, no party waives any rights to argue any position with respect to whether the conduct was in compliance with this Final Order and/or any applicable law, or that enforcement of such applicable law is preempted by the Bankruptcy Code. Nothing in this Final Order shall be deemed to have made any rulings on any such issues.

26. To the extent that the sale of Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement) is subject to any Liquidation Sale Laws, including any federal, state or local statute, ordinance, or rule, or licensing requirement directed at regulating “going out of business,” “store closing,” similar inventory liquidation sales, or bulk sale laws, laws restricting safe, professional and non- deceptive, customary advertising such as signs, banners, posting of signage, and use of sign- walkers solely in connection with the sale and including ordinances establishing license or permit requirements, waiting periods, time limits, or bulk sale restrictions that would otherwise apply solely to the sale of the Merchandise, FF&E, and Additional Consultant Goods (with respect to the U.S. Consulting Agreement), the Dispute Resolution Procedures in this section shall apply:

- a. Provided that the Store Closings are conducted in accordance with the terms of the Interim Order or the Final Order, as applicable, and the applicable Store Closing Procedures, and in light of the provisions in the laws of many Governmental Units (as defined in the Bankruptcy Code) that exempt court-ordered sales from their provisions, the Debtors will be presumed to be in compliance with any Liquidation Sale Laws and are authorized to conduct the Store Closings in accordance with the terms of the Interim Order or the Final Order, as applicable, and the applicable Store Closing Procedures without the necessity of further showing compliance with any such Liquidation Sale Laws.
- b. Within three business days after entry of the Interim Order, the Debtors will serve by email, facsimile, or first-class mail, copies of the Interim Order, the proposed Final Order and the Store Closing Procedures on the following: (i) the landlords for the Closing Stores; (ii) the Attorney General’s office for each state in which the Store Closings are being held; (iii) the county consumer protection agency or

similar agency for each county in which the Store Closings are being held; (iv) the division of consumer protection for each state in which the Store Closings are being held; and (v) the chief legal counsel for each local jurisdiction in which the Store Closings are being held (collectively, the “**Dispute Notice Parties**”).

- c. With respect to any additional Closing Stores, within three business days after Court authorization to close additional stores (each, an “**Additional Closing Store List**”), the Debtors will serve by email, facsimile, or first-class mail, copies of the Interim Order or Final Order, as applicable, and the Store Closing Procedures on the Dispute Notice Parties. To the extent that there is a dispute arising from or relating to the Store Closings, the Interim Order, the proposed Final Order, or the Store Closing Procedures, as applicable, which dispute relates to any Liquidation Sale Laws (a “**Reserved Dispute**”), the Court shall retain exclusive jurisdiction to resolve the Reserved Dispute. Any time within ten days following entry of the Interim Order or service of any Additional Closing Store List, as applicable, any Governmental Unit may assert that a Reserved Dispute exists by sending a notice (the “**Dispute Notice**”) explaining the nature of the dispute to: (a) proposed counsel to the Debtors, Young Conaway Stargatt & Taylor, LLP, Rodney Square, 1000 North King Street, Wilmington, DE 19801, Attn: Michael R. Nestor, Kara Hammond Coyle, and Joseph M. Mulvihill (mnestor@ycst.com; kcoyle@ycst.com; and jmulvihill@ycst.com) and Latham & Watkins LLP, 330 North Wabash Avenue, Suite 2800, Chicago, IL 60611, Attn: Caroline Reckler, Asif Attarwala, and Brett Newman (caroline.reckler@lw.com; asif.attarwala@lw.com; brett.newman@lw.com); (b) the U.S. Trustee, 844 King Street, Suite 2207, Lock Box 35, Wilmington, DE 19801, Attn: Jane Leamy (jane.m.leafy@usdoj.gov); (c) counsel to the DIP Term Agent, Dorsey & Whitney LLP, 51 West 52<sup>nd</sup> Street, New York, NY 10019, Attn: Erin E. Trigg and Samuel S. Kohn (trigg.erin@dorsey.com and kohn.samuel@dorsey.com); (d) counsel to the Ad Hoc Group of Crossover Lenders, Milbank LLP, 2029 Century Park East, 33rd Floor, Los Angeles, CA 90067, Attn: Mark Shinderman (mshinderman@milbank.com) and Daniel B. Denny (ddenny@milbank.com); (e) counsel to the DIP ABL FILO Agent, Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, NY 10017, Attn: Sandy Qusba, Daniel L. Biller, and Jamie Fell (squsba@stblaw.com, daniel.biller@stblaw.com, and jamie.fell@stblaw.com); (f) counsel to the Ad Hoc FILO Term Lender Group, (i) Paul, Weiss, Rifkind, Wharton & Garrison LLP, 1285 Avenue of the Americas, New York, New York 10019, Attn: Andrew N. Rosenberg, Jacob Adlerstein, and Douglas R. Keeton (arosenberg@paulweiss.com, jadlerstein@paulweiss.com, and dkeeton@paulweiss.com); and (ii) Landis Rath & Cobb LLP, 919 Market Street, Suite 1800, Wilmington, Delaware 19801, Attn: Richard S. Cobb (cobb@lrclaw.com); (g) the indenture trustee for the Debtors’ prepetition convertible notes, The Bank of New York Mellon Trust Company, N.A., 525 William Penn Place, 38th Floor, Pittsburgh, PA 15259, Attn: Corporate Trust Administration and BNY Mellon Corporate Trust, US Corporate Client Service Management, 500 Ross Street, 12th Floor, Pittsburgh, PA 15262, Attn: Mindy M. Wrzesinski (Melinda.m.wrzesinski@bnymellon.com); (h) lead counsel to the Consultant, Tiger Capital Group, 60 State Street, 11<sup>th</sup> Floor, Boston, MA 02109,

Attn: Mark P. Naughton (MNaughton@tigergroup.com); and (i) counsel to any statutory committee appointed in these Chapter 11 Cases. If the Debtors and the Governmental Unit are unable to resolve the Reserved Dispute within 15 days after service of the Dispute Notice, the Governmental Unit may file a motion with the Court requesting that the Bankruptcy Court resolve the Reserved Dispute (a “*Dispute Resolution Motion*”).

- d. In the event that a Dispute Resolution Motion is filed, nothing in the Interim Order or the Final Order, as applicable, shall preclude the Debtors, a landlord, or any other interested party from asserting (i) that the provisions of any Liquidation Sale Laws are preempted by the Bankruptcy Code, or (ii) that neither the terms of the Interim Order or the Final Order nor the conduct of the Debtors pursuant to the Interim Order or the Final Order violates such Liquidation Sale Laws. Filing a Dispute Resolution Motion as set forth herein shall not be deemed to affect the finality of the Interim Order or the Final Order or to limit or interfere with the Debtors’ ability to conduct or to continue to conduct the Store Closings pursuant to the Interim Order or the Final Order, absent further order of the Court. Upon the entry of the Interim Order or the Final Order, as applicable, the Court grants authority for the Debtors to conduct the Store Closings pursuant to the terms of the Interim Order or the Final Order, as applicable, the Store Closing Procedures and to take all actions reasonably related thereto or arising in connection therewith. The Governmental Unit will be entitled to assert any jurisdictional, procedural, or substantive arguments it wishes with respect to the requirements of its Liquidation Sale Laws or the lack of any preemption of such Liquidation Sale Laws by the Bankruptcy Code. Nothing in the Interim Order or the Final Order will constitute a ruling with respect to any issues to be raised in any Dispute Resolution Motion.
- e. If, at any time, a dispute arises between the Debtors and a Governmental Unit as to whether a particular law is a Liquidation Sale Law, and subject to any provisions contained in the Interim Order or the Final Order related to the Liquidation Sale Laws, then any party to that dispute may utilize the provisions of subparagraphs (c) and (d) above by serving a notice to the other party and proceeding thereunder in accordance with those subparagraphs. Any determination with respect to whether a particular law is a Liquidation Sale Law shall be made *de novo*.

27. Subject to paragraphs 25 and 26 above, each and every federal, state, or local agency, departmental unit, or Governmental Unit with regulatory authority over the Store Closings, and all newspapers and other advertising media in which the Store Closings are advertised shall consider the Final Order as binding authority that no further approval, license, or permit of any Governmental Unit shall be required, nor shall the Debtors be required, to post any bond, to conduct the Store Closings.

28. Within three business days of the Final Order, the Debtors shall serve copies of the Final Order, and the Store Closing Procedures via e-mail, facsimile, or regular mail, on: (a) the United States Trustee for the District of Delaware; (b) counsel for the agent for the Debtors' postpetition financing facility; (c) counsel to the Ad Hoc Group of Crossover Lenders; (d) counsel to the Ad Hoc FILO Term Lender Group; (e) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (f) the indenture trustee for the Debtors' prepetition convertible notes; (g) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (h) the United States Attorney's Office for the District of Delaware; (i) the attorneys general for all 50 states and the District of Columbia; (j) the United States Department of Justice; (k) the Internal Revenue Service; (l) the Securities and Exchange Commission; (m) the United States Drug Enforcement Agency; (n) the United States Food and Drug Administration; (o) all parties who are known by the Debtors to assert liens against the Merchandise and the FF&E; (p) all state attorneys general in which the Merchandise and the FF&E are located; (q) municipalities in which the Merchandise and the FF&E are located; (r) all of the counterparties to the Debtors' real property leases; (s) all applicable state and consumer protection agencies; and (t) all parties requesting notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

#### **IV. EFFECTIVENESS OF THE CONSULTING AGREEMENTS.**

29. The Consulting Agreements are operative and effective on a final basis. The Debtors are authorized to act and perform in accordance with the terms of the Consulting Agreements, including, without limitation, reimbursing all expenses to the Consultant as required by the Consulting Agreements without the need for any application of the Consultant or a further order of the Court. For avoidance of doubt, the Debtors are also authorized to fund the Expense Budgets in accordance with the terms of each of the Consulting Agreements.

30. Subject to the restrictions set forth in this Final Order and the applicable Store Closing Procedures, the Debtors and the Consultant are hereby authorized to take any and all actions as may be necessary or desirable to implement the Consulting Agreements and the Store Closings, and each of the transactions contemplated by the Consulting Agreements, and any actions taken by the Debtors and the Consultant necessary or desirable to implement the Consulting Agreements and the Store Closings prior to the date hereof, are hereby approved and ratified. The failure to specifically include any particular provision of the Consulting Agreements in this Final Order shall not diminish or impair the effectiveness of such provisions, it being the intent of this Court that the Consulting Agreements and all of their provisions, payments, and transactions, be and hereby are authorized and approved as and to the extent provided for in this Final Order.

31. Notwithstanding anything to the contrary in the Consulting Agreements, the Debtors and their estates shall not indemnify the Consultant for any damages arising primarily out of any act or omission by the Consultant constituting fraud, gross negligence, or willful misconduct.

32. To the extent that the Debtors seek to conduct Store Closings at any location not identified as a Closing Store on Exhibit 2 attached hereto (each an “*Additional Closing Store*”), the Debtors shall (a) first consult with the DIP Term Agent and the DIP ABL FILO Agent, and use commercially reasonable efforts to consult with the Ad Hoc Group of Crossover Lenders and the Ad Hoc FILO Term Lender Group, (b) file an Additional Closing Store List, and (c) serve a notice of their intent to conduct Store Closings at those locations on the Additional Closing Store landlords, counsel to the Ad Hoc Group of Crossover Lenders, counsel to the Ad Hoc FILO Term Lender Group, and applicable governmental units by email (to the extent available to the Debtors) or by overnight mail. The Additional Closing Store landlords shall have seven (7) days after

service of the applicable Additional Closing Store List to object to the application of this Final Order to their store locations. If no timely objections are filed with respect to the application of this Final Order to any store locations identified on any Additional Closing Store List, then the Debtors shall be authorized, pursuant to section 105(a) and section 363(b)(1) of the Bankruptcy Code, to conduct Store Closings at such store locations in accordance with this Final Order, the applicable Store Closing Procedures, the Consultant Agreement, and any Side Letter. If any objections are filed with respect to the application of this Final Order to any store locations identified on any Additional Closing Store List and such objections are not resolved, the objections and the application of this Final Order to any affected store locations shall be considered by the Court at the next regularly scheduled omnibus hearing.

33. On a confidential basis and for professionals' "eyes only" and upon the written (including email) request of the U.S. Trustee, the agent for the Debtors' postpetition financing facility, the Ad Hoc Group of Crossover Lenders, the agent under the Debtors' secured term and asset-based financing facilities, the Ad Hoc FILO Term Lender Group, the indenture trustee for the Debtors' prepetition convertible notes, or the committee of unsecured creditors, if any, the Debtors shall provide such requesting party, if any, with copies of periodic reports concerning the Store Closings that are prepared by the Debtors, their professionals or the Consultant, provided, however, that the foregoing shall not require the Debtors, their professionals, or the Consultant to prepare or undertake to prepare any additional or new reporting not otherwise being prepared by the Debtors, their professionals, or the Consultant in connection with the Store Closings.

## **V. OTHER PROVISIONS.**

34. The Consultant shall not be liable for any claims against the Debtors, and the Debtors shall not be liable for any claims against Consultant, in each case, other than as expressly provided for in the Consulting Agreements.

35. The Debtors shall not be required to comply with any state or local law requiring that the Debtors pay an employee substantially contemporaneously with his or her termination; *provided, however*, that the Debtors shall pay any accrued wages to terminated employees as expeditiously as possible.

36. Nothing in the Motion or this Final Order, or the Debtors' payment of any claims pursuant to this Final Order, shall be construed as: (i) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (ii) a waiver of the Debtors' rights to Dispute any claim or lien on any grounds; (iii) a promise to pay any claim; (iv) an implication or admission that any particular claim would constitute an allowed claim; (v) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code (other than the Consulting Agreements); or (vi) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to this Final Order. Nothing contained in this Final Order shall be deemed to increase, decrease, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

37. Notwithstanding anything contained in the Motion or this Final Order, any payment made, and any authorization of the Debtors contained herein shall be subject to the terms and conditions contained in any interim or final orders entered by this Court authorizing the Debtors to obtain debtor-in-possession financing and/or authorizing the use of cash collateral (each such order, a "***DIP Order***"), the documentation in respect of any such debtor-in-possession financing or use of cash collateral, and any budget in connection with any such debtor-in-possession financing and/or use of cash collateral. To the extent there is any inconsistency between the terms of the DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP

Order shall control; *provided, however*, that with respect to amounts due to the Consultant pursuant to the Consultant Agreements paid solely from proceeds of sales of the Merchandise and the FF&E, the DIP Order and any budget attached thereto shall not constitute or require a cap or reduction on amounts due to the Consultant under the Consulting Agreements other than any such cap or reduction resulting from the Consultant's required compliance with the applicable Expense Budget.

38. Neither the provisions contained herein, nor any actions or payments made by the Debtors pursuant to this Final Order shall be deemed an admission as to the validity of any underlying obligation or a waiver of any rights the Debtors may have to dispute such obligation on any ground that applicable law permits.

39. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable this Final Order shall be effective and enforceable immediately upon entry hereof.

40. The Debtors are authorized and empowered to take such actions and to execute such documents as may be necessary to implement the relief granted by this Final Order.

41. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation and/or interpretation of this Final Order, including, but not limited to, (a) any claim or issue relating to any efforts by any party or person to prohibit, restrict or in any way limit banner and sign-walker advertising, including with respect to any allegations that such advertising is not being conducted in a safe, professional, and non-deceptive manner, (b) any claim of the Debtors, the landlords for protection from interference with the Store Closings, (c) any other disputes related to the Store Closings, and (d) protection of the Debtors against any assertions of any liens, claims, encumbrances, and other interests. No such parties or person shall take any action against the Debtors, the landlords, or the Store Closings until this Court has resolved such

dispute. This Court shall hear the request of such parties or persons with respect to any such disputes on an expedited basis, as may be appropriate under the circumstances.

**EXHIBIT 1**

**Store Closing Procedures**

## U.S. Store Closing Procedures<sup>1</sup>

1. These U.S. Store Closing Procedures shall control the Store Closings in the United States.
2. The Store Closings shall be conducted so that the stores in which Store Closings are to occur will remain open no longer than during the normal hours of operation or such hours as otherwise provided for in the respective leases for the Closing Stores.
3. The Store Closings shall be conducted in accordance with applicable state and local “Blue Laws,” where applicable, so that no Store Closing shall be conducted on Sunday unless the Debtors had been operating such Closing Stores on a Sunday prior to the commencement of the Store Closings.
4. On “shopping center” property, the Consultant shall not distribute handbills, leaflets or other written materials to customers outside of any Closing Stores’ premises, unless permitted by the lease or if distribution is customary in the “shopping center” in which such Closing Store is located; provided that the Consultant may solicit customers in the Closing Stores themselves. On “shopping center” property, the Consultant shall not use any flashing lights or amplified sound to advertise the Store Closings or solicit customers, except as permitted under the applicable lease or agreed to by the landlord.
5. At the conclusion of the Store Closings, the Consultant shall, subject to the Consulting Agreements, vacate the Closing Stores in broom clean condition; *provided* that Consultant may abandon any FF&E not sold in the Store Closings at the conclusion of the Store Closings, without cost or liability of any kind to the Consultant. The Debtors will have the option to remove the FF&E at their own cost prior to the termination date. Any abandoned FF&E left in a Closing Store after a lease is rejected shall be deemed abandoned to the landlord having a right to dispose of the same as the landlord chooses without any liability whatsoever on the part of the landlord to any party and without waiver of any damage claims against the Debtors. For the avoidance of doubt, as of the Sale Termination Date, the Consultant may abandon, in place and without further responsibility or liability of any kind, any FF&E.
6. The Consultant and the Debtors may advertise each Store Closing as a “store closing,” “sale on everything,” “everything must go,” or similar themed sale, and to the extent permitted in the Interim Order or Final Order, as applicable, “going out of business”. The Consultant and the Debtors may also have “countdown to closing” signs prominently displayed in a manner consistent with these Store Closing Procedures. All signs, banners, ads and other advertising collateral, promotions, and campaigns will be approved by the Debtors in accordance with these Store Closing Procedures.

---

<sup>1</sup> Capitalized terms used but not defined in these U.S. Store Closing Procedures have the meanings given to them in the Final Order to which these U.S. Store Closing Procedures are attached as **Exhibit 1** or the Motion to which the Final Order is attached as **Exhibit B**, as applicable.

7. The Consultant shall be permitted to utilize sign walkers, display, hanging signs, and interior banners in connection with the Store Closings; *provided* that such sign walkers, display, hanging signs, and interior banners shall be professionally produced and hung in a professional manner. The Debtors and the Consultant shall not use neon or day-glo on its sign walkers, display, hanging signs, or interior banners. Furthermore, with respect to enclosed mall locations, no exterior signs or signs in common areas of a mall shall be used unless otherwise expressly permitted in these Store Closing Procedures. In addition, the Debtors and the Consultant shall be permitted to utilize exterior banners at (i) non-enclosed mall stores and (ii) enclosed mall stores to the extent the entrance to the applicable store does not require entry into the enclosed mall common area; *provided*, however, that such banners shall be located or hung so as to make clear that the Store Closings are being conducted only at the affected Closing Stores, and shall not be wider than the storefront of the Closing Stores. In addition, the Debtors and the Consultant shall be permitted to utilize sign walkers in a safe and professional manner and in accordance with the terms of the Interim Order or Final Order, as applicable. Nothing contained in these Store Closing Procedures shall be construed to create or impose upon the Debtors or the Consultant any additional restrictions not contained in the applicable lease agreement.

8. Conspicuous signs shall be posted in the cash register areas of each of the affected Closing Stores to the effect that “all sales are final.”

9. Except with respect to the hanging of exterior banners, the Consultant shall not make any alterations to the storefront or exterior walls of any Closing Stores, except as authorized by the applicable lease.

10. The Consultant shall not make any alterations to interior or exterior Closing Stores’ lighting, except as authorized by the applicable lease. No property of the landlord of a Closing Store shall be removed or sold during the Store Closings. The hanging of exterior banners or in-store signage and banners shall not constitute an alteration to a Closing Store.

11. The Consultant shall keep Closing Stores’ premises and surrounding areas clean and orderly consistent with present practices.

12. Subject to the provisions of the Consulting Agreements, the Consultant shall have the right to use and sell all FF&E. The Consultant may advertise the sale of the FF&E in a manner consistent with these guidelines. The purchasers of any FF&E sold during the Store Closings shall be permitted to remove the FF&E either through the back or alternative shipping areas at any time, or through other areas after applicable business hours, *provided, however* that the foregoing shall not apply to *de minimis* FF&E sales made whereby the item can be carried out of the Closing Stores in a shopping bag. For the avoidance of doubt, as of the Sale Termination Date, the Consultant and the Debtors may abandon, in place and without further responsibility, any FF&E.

13. At the conclusion of the Store Closings at each Closing Store, pending assumption or rejection of applicable leases, the landlords of the Closing Stores shall have reasonable access to the Closing Stores’ premises as set forth in the applicable leases. The Debtors, the Consultant, and their representatives and agents shall continue to have access to the Closing Stores as provided for in the Consulting Agreements.

14. The rights of landlords against the Debtors for any damages to a Closing Store shall be reserved in accordance with the provisions of the applicable lease.

15. ## Exhibit A

### Canadian Sale Guidelines

The following procedures shall apply to the Sale to be conducted at the Stores of General Nutrition Centres Company (the “*Merchant*”). All terms not herein defined shall have the meaning set forth in the Consulting Agreement by and between a joint venture comprised of Tiger Asset Solutions Canada, ULC and GA Retail Canada ULC (collectively with their respective U.S. affiliates, the “*Consultant*”) and the Merchant dated as of June 18, 2020 (the “*Consulting Agreement*”).

1. Except as otherwise expressly set out herein, and subject to: (i) the orders granted or issued in the Merchant’s bankruptcy case (the “*Bankruptcy Case*”) in the United States of America under Chapter 11 of the United States Bankruptcy Code (the “*Bankruptcy Code*”) in the United States Bankruptcy Court for the District of Delaware (the “*Court*”) and the Merchant’s ancillary proceedings (the “*CCAA Proceedings*”) in Canada under Part IV of the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “*CCAA*”) before the Ontario Superior Court of Justice (Commercial List) (individually, an “*Order*”, and, collectively, the “*Orders*”); or (ii) any subsequent written agreement between the Merchant and the applicable landlord(s) (individually, a “*Landlord*” and, collectively, the “*Landlords*”) and approved by each of the Consultant and Information Officer in writing, or (iii) as otherwise set forth herein, the Sale shall be conducted in accordance with the terms of the applicable leases/or other occupancy agreements to which the affected Landlords are privy for each of the affected Stores (individually, a “*Lease*” and, collectively, the “*Leases*”). However, nothing contained herein shall be construed to create or impose upon the Merchant or the Consultant any additional restrictions not contained in the applicable Lease or other occupancy agreement.
2. The Sale shall be conducted so that each of the Stores remains open during its normal hours of operation provided for in its respective Lease until the respective Sale Termination Date for such Store. The Sale at the Stores shall end by no later than the Sale Termination Date. Rent payable under the respective Leases shall be paid in accordance with the terms of the Orders, as applicable.
3. The Sale shall be conducted in accordance with applicable federal, provincial and municipal laws and regulations, unless otherwise set out herein or otherwise ordered by the Court.
4. All display and hanging signs used by the Consultant in connection with the Sale shall be professionally produced and all hanging signs shall be hung in a professional manner. Notwithstanding anything to the contrary contained in the Leases, the Consultant may advertise the Sale at the Stores as an “everything on sale”, an “everything must go”, a “store closing” or similar theme sale at the Stores (provided however that no signs shall advertise the Sale as a “bankruptcy”, a “going out of business” or a “liquidation” sale it being understood that the French equivalent of “clearance” is “liquidation” and is permitted to be used). Forthwith upon written request from a Landlord, the Landlord’s counsel, the Merchant or the Information Officer, the Consultant shall provide the proposed signage

packages along with the proposed dimensions and number of signs (as approved by the Merchant pursuant to the Consulting Agreement) by e-mail to such Landlord(s) or to their counsel of record and the Information Officer. Where the provisions of the Lease conflict with these Canadian Sale Guidelines, these Canadian Sale Guidelines shall govern. The Consultant shall not use neon or day-glow or handwritten signage (unless otherwise contained in the sign package, including “you pay” or “topper” signs). In addition, the Consultant shall be permitted to utilize exterior banners/signs at stand alone or strip mall Stores or enclosed mall Stores with a separate entrance from the exterior of the enclosed mall, provided, however, that where such banners are not explicitly permitted by the applicable Lease and the Landlord requests in writing that the banners are not to be used, no banners shall be used absent further Order of the Court. Any banners used shall be located or hung so as to make clear that the Sale is being conducted only at the affected Store and shall not be wider than the premises occupied by the affected Store. All exterior banners shall be professionally hung and to the extent that there is any damage to the façade of the premises of a Store as a result of the hanging or removal of the exterior banner, such damage shall be professionally repaired at the expense of the Consultant. If a Landlord is concerned with “store closing” signs being placed in the front window of a Store or with the number or size of the signs in the front window, the Consultant and the Landlord will discuss the Landlord’s concerns and work to resolve the dispute.

5. The Consultant shall be permitted to utilize sign walkers and street signage; provided, however, such sign walkers and street signage shall not be located on the shopping centre or mall premises.
6. The Consultant shall not make any alterations to interior or exterior Store lighting, except as authorized pursuant to the applicable Lease. The hanging of exterior banners or other signage, where permitted in accordance with the terms of these guidelines, shall not constitute an alteration to a Store.
7. Conspicuous signs shall be posted in the cash register areas of each Store to the effect that all sales are “final”.
8. The Consultant shall not distribute handbills, leaflets or other written materials to customers outside of any of the Stores on any Landlord's property, unless permitted by the applicable Lease or, if distribution is customary in the shopping centre in which the Store is located. Otherwise, the Consultant may solicit customers in the Stores themselves. The Consultant shall not use any giant balloons, flashing lights or amplified sound to advertise the Sale or solicit customers, except as permitted under the applicable Lease, or agreed to by the Landlord, and no advertising trucks shall be used on a Landlord property or mall ring roads, except as explicitly permitted under the applicable Lease or agreed to by the Landlord.
9. At the conclusion of the Sale in each Store, the Consultant shall arrange that the premises for each Store are in “broom-swept” and clean condition, and shall arrange that the Stores are materially in the same condition as on the commencement of the Sale, ordinary wear and tear excepted. No property of any Landlord of a Store shall be removed or sold during the Sale. No permanent fixtures (other than FF&E which for clarity is owned by the

Merchant) may be removed without the applicable Landlord's written consent unless otherwise provided by the applicable Lease. Any fixtures or personal property left in a Store after the Sale Termination Date in respect of which the applicable Lease has been disclaimed by the Merchant shall be deemed abandoned, with the applicable Landlord having the right to dispose of the same as the Landlord chooses, without any liability whatsoever on the part of the Landlord.

10. Subject to the terms of paragraph 9 above, the Consultant may sell Offered FF&E which is located in the Stores during the Sale. The Merchant and the Consultant may advertise the sale of Offered FF&E consistent with these guidelines on the understanding that any applicable Landlord may require that such signs be placed in discreet locations acceptable to the applicable Landlord, acting reasonably. Additionally, the purchasers of any Offered FF&E sold during the Sale shall only be permitted to remove the Offered FF&E either through the back shipping areas designated by the applicable Landlord, or through other areas after regular store business hours, or through the front door of the Store during store business hours if the Offered FF&E can fit in a shopping bag, with applicable Landlord's supervision as required by the applicable Landlord. The Consultant shall repair any damage to the Stores resulting from the removal of any Offered FF&E by Consultant or by third party purchasers of Offered FF&E from Consultant.
11. The Merchant hereby provides notice to the Landlords of the Merchant and the Consultant's intention to sell and remove Offered FF&E from the Stores. The Merchant will arrange a walk through with each Landlord that requests a walk through with the Consultant to identify the Offered FF&E subject to the sale. The relevant Landlord shall be entitled to have a representative present in the Store to observe such removal. If the Landlord disputes the Consultant's entitlement to sell or remove any FF&E under the provisions of the Lease, such FF&E shall remain on the premises and shall be dealt with as agreed between the Merchant, the Consultant and such Landlord, or pursuant to the dispute resolution section of the Canadian Store Closing Procedures. If the Merchant has rejected the Lease governing such Store in accordance with the Bankruptcy Code, it shall not be required to pay rent under such Lease pending resolution of any such dispute (other than rent payable for the notice period provided for under the Bankruptcy Code), and the rejection of the Lease shall be without prejudice to the Merchant's or Consultant's claim to the FF&E in dispute.
12. If a rejection notice is delivered to a Landlord pursuant to the Bankruptcy Code while the Sale is ongoing and the Store in question has not yet been vacated, then: (a) during the notice period prior to the effective time of such rejection, the applicable Landlord may show the affected leased premises to prospective tenants during normal business hours, on giving the Merchant and the Consultant 24 hours' prior written notice; and (b) at the effective time of the rejection, the relevant Landlord shall be entitled to take possession of any such Store without waiver of or prejudice to any claims or rights such Landlord may have against the Merchant in respect of such Lease or Store, provided that nothing herein shall relieve such Landlord of its obligation to mitigate any damages claimed in connection therewith.

13. The Consultant and its agents and representatives shall have the same access rights to the Stores as the Merchant under the terms of the applicable Lease, and the applicable Landlords shall have the rights of access to the Stores during the Sale provided for in the applicable Lease (subject, for greater certainty, to any applicable stay of proceedings).
14. The Merchant and the Consultant shall not conduct any auctions of Merchandise or Offered FF&E at any of the Stores.
15. The Consultant shall designate a party to be contacted by the Landlords should a dispute arise concerning the conduct of the Sale. The initial contact person for the Consultant shall be Daniel Richer who may be reached by phone at 416-865-4445 or email at driche@fasken.com. Contact persons for the Merchant and the Information Officer are set out in the Canadian Store Closing Procedures. If the parties are unable to resolve the dispute between themselves, the notice and dispute sections of the Canadian Store Closing Procedures shall be followed by the parties. For the duration of any such dispute, the Consultant shall cease all activity in dispute other than activity expressly permitted herein, pending the determination of the matter by the Court; provided, for greater certainty, that if a banner has been hung in accordance with these Canadian Sale Guidelines and is thereafter the subject of a dispute, the Consultant shall not be required to take any such banner down pending determination of the dispute.
16. Nothing herein is, or shall be deemed to be a consent by any Landlord to the sale, assignment or transfer of any Lease, or to grant to the Landlord any greater rights than already exist under the terms of any applicable Lease.
17. These Canadian Sale Guidelines may be amended by written agreement between the Merchant, the Consultant and any applicable Landlord (provided that such amended Canadian Sale Guidelines shall not affect or bind any other Landlord not privy thereto without further Order of the Court).

**U.S. Consulting Agreement**

## CONSULTING AGREEMENT

This Consulting Agreement (“Agreement”) is made as of June 10, 2020 (the “Effective Date”), by and among GNC Holdings, Inc. (“Merchant”) and a joint venture comprised of Tiger Capital Group, LLC (“Tiger”) and Great American Group, LLC (“GA”) (collectively, the “Consultant” and together with Merchant, the “Parties” and each a “Party”).

### RECITALS

WHEREAS, Merchant operates retail stores and desires that the Consultant act as Merchant’s exclusive consultant for the limited purposes of (a) assisting Merchant (i) in determining stores to close immediately (or not to reopen) (the “Closing Stores”) and stores at which to conduct a Sale as defined below (the “GOB Stores”) and (ii) with the logistics of transferring Merchandise (as defined below) from the Closing Stores to the GOB Stores; (b) selling all of the Merchandise (as defined below) from Merchant’s Closing Stores and GOB Stores identified on Exhibit A attached hereto (as may be modified prior to the Sale Commencement Date (as defined below) including by adding or removing stores, in each case pursuant to Section 1 below) (each such store identified on Exhibit A individually a “Store,” and collectively the “Stores”) by means of a “store closing”, “location closing”, “sale on everything”, “everything must go”, or similar themed sale as agreed between the Parties at the GOB Stores (as further described below, the “Sale”); and (c) selling or otherwise disposing of Merchant owned furniture, furnishings, trade fixtures, machinery, equipment, office supplies, supplies and other tangible personal property that are located in the Stores (collectively, “FF&E”) in the Stores, each upon the terms set forth herein.

### AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Consultant and Merchant hereby agree as follows:

#### **Section 1. Appointment of Consultant**

Effective as of the date hereof, subject to the entry of the Approval Order (as defined below) by the Bankruptcy Court (as defined below), Merchant hereby appoints the Consultant, and the Consultant hereby agrees to serve, as Merchant’s consultant for the purpose of conducting the Sale in accordance with the terms and conditions of this Agreement as more definitively set forth in Section 4 hereof. Subject to Section 12, Consultant shall be authorized to advertise the Sale as a “store closing”, “location closing”, “sale on everything”, “everything must go”, or similar-themed sale in accordance with the terms hereof.

After the date hereof, at the option of the Merchant and if necessary subject to the approval of the Bankruptcy Court, Merchant may add additional Closing Stores and GOB Stores for Consultant to serve as Merchant’s independent consultant in connection with the conduct of a Sale (the “Additional Stores”) with respect to such Additional Stores on the terms and conditions of this Agreement subject to appropriate adjustments as agreed for the Sale Commencement Date, the Sale Termination Date, the Expense Budget, the Consulting Fee and the FF&E Fee (each as defined below) for such Additional Stores (as may be applicable), which Additional Stores and such terms shall be set forth in a written addendum hereto. The Additional Stores and the initial Stores shall be collectively referred to as the “Stores” herein.

#### **Section 2. Merchandise**

For purposes hereof, “Merchandise” shall mean all goods, saleable in the ordinary course, located in the Stores on the Sale Commencement Date (as defined below) or delivered thereto after the Sale Commencement Date pursuant to the terms hereof. “Merchandise” does not mean and shall not include: (1) goods that belong to

sublessees, licensees, or concessionaires of Merchant or are leased and licensed from third parties by Merchant, or are held by Merchant on memo, on consignment or as bailee, in each case, to the extent identified by Merchant as excluded from Merchandise; (2) FF&E; (3) expired goods or goods that expire prior to the Sale Termination Date (as defined below); (4) damaged or defective merchandise that cannot be sold for the purpose for which it was intended; or (5) gift cards (third party and Merchant branded).

### **Section 3. Sale Term**

The Sale shall commence as mutually agreed; provided, however, (a) for GOB Stores that are currently operating, the Sale shall commence on or about June 25, 2020, and (b) for GOB Stores that are not currently operating, the Sale shall commence on or about the later of the date upon which Merchant reopens each such GOB Store and June 25, 2020 (the "Sale Commencement Date"). The Sale shall conclude no later than September 30, 2020 (the "Sale Termination Date"); provided, however, that Merchant may agree in writing in its sole discretion to extend or terminate the Sale at any GOB Store prior to the Sale Termination Date (it being understood that, if the timing set forth herein changes, Merchant and Consultant shall mutually agree on any adjustments to the Expense Budget (as defined below) and Consultant's compensation); provided further, however, that Merchant may agree in writing in its sole discretion to make any GOB Store a Closing Store prior to the Sale Termination Date. The period between the Sale Commencement Date and the Sale Termination Date shall be referred to as the "Sale Term." Upon the removal of Merchandise from each Store and at the conclusion of the Sale at each GOB Store, (a) Consultant shall surrender the premises for such Store to Merchant in broom-swept and clean condition with any unsold FF&E abandoned in place at such Store, and (b) Consultant shall reasonably assist Merchant to photographically document the condition of each such Store upon the conclusion of the Sale there.

### **Section 4. Project Management**

#### **(A) Consultant's Undertakings**

After the Effective Date hereof, Consultant shall (a) conduct a review and assessment of Merchant's current store closing plan and accompanying assumptions in light of the current market environment, (b) make recommendations in order to minimize expenses and maximize the return from the sale of Merchandise, (c) consult with Merchant as to which stores to close immediately (or to not reopen) and at which to conduct the Sale, and (d) consult with Merchant as to the logistics of transferring merchandise from the Closing Stores to the GOB Stores. During the Sale Term, Consultant shall, in collaboration with Merchant, (a) provide one or more qualified supervisors (the "Supervisors") engaged by Consultant and reasonably approved in advance by Merchant to oversee the Sale and management of the GOB Stores in an effort to maximize revenue and sell all of the Merchandise prior to the end of the Sale; (b) determine appropriate point-of-sale and external advertising, reasonably approved in advance by Merchant; (c) determine appropriate discounts of Merchandise, staffing levels, and appropriate bonus and incentive programs, if any, for the GOB Stores' employees, in each case reasonably approved in advance by Merchant; (d) oversee display of Merchandise for the GOB Stores; (e) evaluate sales of Merchandise by category, provide sales reporting and monitor expenses; (f) maintain the confidentiality of all proprietary or non-public information regarding Merchant in accordance with the provisions of the confidentiality agreement signed by the Parties and for Merchant Confidential Information (as defined below) in accordance with the next paragraph; (g) assist Merchant in connection with managing and controlling loss prevention and employee relations matters; (h) to the extent necessary, assist Merchant in obtaining all required permits and governmental consents required to conduct the Sale; (i) price, market, and sell the FF&E on behalf of Merchant; and (j) provide such other related services deemed necessary or appropriate by Merchant and Consultant.

Without limiting the generality of the foregoing, all information of a business nature relating to the pricing, sales, promotions, marketing, assets, liabilities, or other business affairs of Merchant, its customers, parent, subsidiaries, or other affiliated entities (for purposes of this paragraph, all such entities are included within each reference to "Merchant") is Merchant's confidential, trade secret information ("Merchant Confidential

Information”), which is and shall remain the exclusive intellectual property of Merchant. Except as may be required for Consultant to perform its obligations under this Agreement in respect of the Sale, Consultant shall not divulge, furnish, make available, or in any other manner disclose such information to any third party other than to the respective affiliates, officers, employees, representatives, and agents of each party comprising Consultant. Each party comprising Consultant shall take and shall cause its respective affiliates, officers, employees, representatives, and agents to take such action as shall be reasonably necessary or advisable to preserve and protect the confidentiality of Merchant Confidential Information. Each party comprising Consultant agrees to maintain strict confidentiality and agrees that it may use Merchant Confidential Information only as reasonably necessary in the performance of its obligations related to the Sale.

The Parties expressly acknowledge and agree that Merchant shall have no liability to the Supervisors for wages, benefits, severance pay, termination pay, vacation pay, pay in lieu of notice of termination or any other liability arising from Consultant’s hiring or engagement of the Supervisors, and the Supervisors shall not be considered employees of Merchant. Merchant shall only be responsible for reimbursing Consultant for the cost of such Supervisors as part of the Expense Budget (as defined below). Consultant shall vacate the GOB Stores on the Sale Termination Date, or such other date as agreed between the Merchant and the Consultant in accordance with the terms hereof.

(B) Merchant’s Undertakings

During the Sale Term, Merchant shall, as applicable, (a) remain the employer of the Stores’ employees; (b) remain responsible for all taxes, costs, expenses, accounts payable, and other liabilities relating to the Stores, the Stores’ employees and other representatives of Merchant; (c) prepare and process all tax forms and other documentation; (d) collect all sales taxes and pay them to the appropriate taxing authorities for the Stores; (e) use reasonable efforts to cause Merchant’s employees to cooperate with Consultant and the Supervisors; (f) execute all agreements mutually determined by the Merchant and the Consultant to be necessary or desirable for the operation of the GOB Stores during the Sale; (g) arrange for the ordinary maintenance of all point-of-sale equipment required for the GOB Stores; and (h) ensure that Consultant has quiet use and enjoyment of the GOB Stores for the Sale Term in order to perform its obligations under this Agreement.

Merchant shall provide throughout the Sale Term central administrative services typically provided to Stores in the ordinary course and necessary for the Sale, including internal payroll processing, MIS services, cash and inventory reconciliation, data processing and reporting, email preparation and distribution, information technology updates, functionality, and maintenance, and accounting, all at no cost to Consultant.

The Parties expressly acknowledge and agree that Consultant shall have no liability to Merchant’s employees for wages, benefits, severance pay, termination pay, vacation pay, pay in lieu of notice of termination or any other liability arising from Merchant’s employment, hiring or retention of its employees, and such employees shall not be considered employees of Consultant.

The Parties acknowledge that this Agreement is being entered into in the midst of the outbreak of the COVID-19 pandemic and that local, state, and national laws and responses are continuously developing and evolving, often in unpredictable ways. Merchant hereby agrees that, while Consultant will fully cooperate with Merchant to adhere to any restrictions, laws, regulations, recommendations, or orders imposed by local, state or federal governmental entities, or similar regulatory or authoritative agencies, that may be imposed on any aspect of Merchant’s ability to operate the Stores in response to the COVID-19 pandemic, the responsibility and expense of complying with any such restrictions, laws, regulations, recommendations, or orders, including their enforcement and implementation, shall be the sole responsibility of Merchant. Examples of such restrictions, regulations or recommendations may include, without limitation: (a) providing protective gear (such as masks, sanitizers, and similar items) aimed at reducing the spread of the virus to Merchant’s employees, customers, vendors, etc.; (b) implementing physical restrictions with regard to Store operations, including monitoring the number of customers allowed into a Store at any given time; and (c) enforcing daily cleaning and sanitizing procedures at the Stores. Merchant and its employees shall be responsible to facilitate, enforce, and implement

any such restrictions or regulations, however, Consultant agrees not to violate any such restrictions, laws, regulations, recommendations or orders in the performance of its services hereunder.

## **Section 5. The Sale**

All sales of Merchandise and FF&E shall be made on behalf of, and solely in the name of, Merchant. Consultant does not have, nor shall it have, any right, title, or interest in the Merchandise or FF&E. All sales of Merchandise and FF&E shall be by cash, gift card, gift certificate, merchandise credit, debit card, or credit card and, at Merchant's discretion, by check or otherwise in accordance with Merchant's policies, and shall be "final" with no returns accepted or allowed unless otherwise directed by Merchant or mandated by law. If Merchant commences a case(s) under chapter 11 of the Bankruptcy Code (as defined below), the right to honor gift cards, gift certificates or merchandise credit, after the commencement of such case(s) shall be subject to further order of the Bankruptcy Court.

## **Section 6. Consultant Fee and Expenses in Connection with the Sale**

### **(A) Consultant's Fee**

Subject to the entry of the Approval Order, Consultant shall be entitled to a base fee for its services equal to \$1,000 per GOB Store and \$500 per Closing Store (the "Base Fee") payable as follows: (x) 50% upon entry of an interim Approval Order of the Bankruptcy Court authorizing the Sale pursuant to the terms and conditions of this Agreement and (y) 50% upon entry of the final Approval Order. In addition, Merchant may earn an additional incentive fee (the "Incentive Fee" and together with the Base Fee, the "Consulting Fee") based upon the following thresholds of Gross Proceeds (as defined below) received during the Sale divided by the Cost Value (as defined below) of the Merchandise sold during the Sale (the "Gross Recovery Percentage") calculated back to the first dollar received:

<u>Gross Recovery Percentage</u>	<u>Total Incentive Fee</u>
Between 120% to 134.99%	.50% of Gross Proceeds
Between 135% to 149.99%	.75% of Gross Proceeds
150.0% or above	1.25% of Gross Proceeds

For the avoidance of doubt, the above Incentive Fee, if achieved, is in addition to the Base Fee.

After it is determined that Consultant has earned an Incentive Fee, Merchant shall pay such Incentive Fee as earned as part of the weekly reconciliations and in any event no later than the Final Reconciliation (as defined below).

For purposes of this calculation, (i) "Gross Proceeds" shall mean the sum of the gross proceeds of all sales of Merchandise that is sold through the Sale (including, as a result of the redemption of any gift card, gift certificate or merchandise credit as well as wholesale sales to third parties and miscellaneous income) during the Sale Term, after the application of all discounts including, without limitation, any discount coupons issued by Merchant in the ordinary course of its business, and net only of sales taxes, and (ii) "Cost Value" shall mean the aggregate gross cost of Merchandise sold during the Sale per the Merchant's books and records. For the avoidance of doubt, the proceeds of the sale of Additional Consultant Goods (as defined below) pursuant to Section 7 hereof shall not constitute Gross Proceeds. The Parties shall mutually agree upon the Consulting Fee for any Additional Stores in writing.

For purposes of calculating Gross Proceeds, Consultant and Merchant shall jointly keep (i) a strict count of gross register receipts less applicable sales taxes and (ii) cash reports of sales within each Store. Register receipts shall show for each item sold the retail price (as reflected on Merchant's books and records) for such

item, and the markdown or other discount granted in connection with such sale. All such records and reports shall be made available to Consultant and Merchant during regular business hours upon reasonable notice.

(B) Expenses

Merchant shall be responsible for all reasonable and documented costs and expenses of the Sale, including all Store level operating expenses. To control expenses of the Sale, Merchant and Consultant have established a budget (the "Expense Budget") of certain delineated expenses in connection with the Sale, including supervision (including Supervisors' wages, fees, travel and any other compensation and any travel expenses of Consultant), advertising costs and signage. The Expense Budget for the Sale is attached hereto as **Exhibit B**. The Expense Budget may only be modified by mutual written agreement of Consultant and Merchant. Notwithstanding anything herein to the contrary, unless otherwise agreed to by Merchant, Merchant shall not be obligated to pay costs of supervision, advertising costs and signage that exceed the budgeted amount, on an aggregate basis. The Parties acknowledge that the Expense Budget will be updated as appropriate in connection with any modification of the lists of GOB Stores or the terms of the Sale and agree to cooperate in good faith with respect to such updates or to any Additional Stores.

(C) Reconciliation

Consultant shall maintain books and records as it relates to the services rendered under this Agreement. Subject to the terms of the Approval Order, all accounting matters (including, without limitation, any Consulting Fees and expenses per the Expense Budget that are reimbursable or payable to Consultant and, if applicable, the Additional Consultant Goods Fee (as defined below)) shall be reconciled on every Wednesday for the prior week and shall be paid within seven (7) days after each such weekly reconciliation.

Within twenty (20) days following the Sale Termination Date for each GOB Store, the Parties shall complete a final reconciliation and settlement based upon the total Gross Proceeds received and all amounts earned and due to Consultant and contemplated by this Agreement (including, without limitation, Expense Budget items) (the "Final Reconciliation"). Upon completion of the Final Reconciliation, if a payment is due from either Party, such Party shall pay the other Party any amounts calculated to be due as part of such Final Reconciliation after considering any amount previously paid to the Consultant (including without limitation Expense Budget items and any other payments under this Agreement). Merchant or its firm of auditors appointed by Merchant has the right, upon reasonable written notice to Consultant, to inspect at reasonable times and locations such documentation, records, and equipment that reasonably relate to the services provided for under this Agreement for purposes of ensuring performance of Consultant's obligations under this Agreement.

(D) Advance on Expenses

Subject to the terms of the Approval Order, as an advance against the expenses of the Sale, and to secure payment of the same and any other amounts due to Consultant, no later than five (5) days after the Effective Date, and in no event later than the last business day before the filing of a bankruptcy case, Merchant shall pay to Consultant a deposit in the amount of \$1,200,000, which is an estimate of the costs of signage, advertising and Supervisors for a two (2) week period, and is calculated based on the number of Stores included on **Exhibit A** as of the Effective Date (the "Advance"). The Parties agree that the Advance may only be used to pay for expenses pursuant to the Expense Budget. The Parties further agree to increase the sum of the Advance in the event that Additional Stores are added and as needed, provided, however, that Merchant must expressly approve such increases in writing. The Advance shall be applied against the reimbursement of expenses or payment of the Consulting Fee at the end of the Sale Term to the extent not otherwise paid, and to the extent not expended when the Sale concludes, and shall be returned to Merchant as part of the Final Reconciliation or such other time that Merchant and Consultant mutually agree.

**Section 7. Additional Consultant Goods**

Subject to Merchant's prior written approval, and further subject to the Approval Order authorizing the sale of Additional Consultant Goods, and upon the terms of such Approval Order, and further subject to Merchant's prior written approval of a plan with respect to the placement and sale of such Additional Consultant Goods, Consultant shall be allowed to include in the Sale supplemental goods procured by Consultant of like kind and no lesser quality to the Merchandise ("Additional Consultant Goods") located in the GOB Stores. Consultant shall be responsible for payment of the out-of-pocket costs directly associated with procuring any Additional Consultant Goods, which costs shall not constitute expenses reimbursable pursuant to the Expense Budget under this Agreement; provided, however, that such costs shall not include any occupancy expenses related to the Stores. Merchant shall have no liability whatsoever for any shrink relating to the Additional Consultant Goods. Consultant will ring the Additional Consultant Goods using either a "dummy" SKU or department number, or in such other manner as will enable the Parties to distinguish sales of the Additional Consultant Goods from sales of the Merchandise. Consultant shall pay Merchant five percent (5.0%) of the aggregate gross proceeds of the sale of Additional Consultant Goods during the Sale (net only of sales taxes related thereto) (the "Additional Consultant Goods Fee").

Consultant and Merchant intend that any transactions relating to the Additional Consultant Goods are, and shall be construed as, a true consignment from Consultant to Merchant in all respects and not a consignment for security purposes. Subject solely to Consultant's obligation to pay to Merchant the Additional Consultant Goods Fee, at all times and for all purposes the Additional Consultant Goods and the proceeds thereof shall be the exclusive property of Consultant, and no other person or entity shall have any claim against any of the Additional Consultant Goods or their proceeds. The Additional Consultant Goods shall at all times remain subject to the exclusive control of Consultant. Subject solely to Consultant's obligations to pay Merchant the Additional Consultant Goods Fee, the Additional Consultant Goods and the identifiable proceeds thereof shall not be property of Merchant (or Merchant's estate) and shall not constitute property of Merchant (or Merchant's estate) subject to any lender's lien.

The Consultant at Consultant's sole expense shall insure the Additional Consultant Goods and, if required, promptly file any proofs of loss with regard to same with its insurers. Consultant shall be responsible for payment of any deductible under any such insurance in the event of any casualty affecting the Additional Consultant Goods.

Consultant acknowledges, and the Approval Order shall provide, that the Additional Consultant Goods shall be consigned to Merchant as a true consignment under Article 9 of the Uniform Commercial Code (the "UCC") and, to the extent necessary, Consultant is hereby granted a first priority security interest in and lien upon the Additional Consultant Goods and the proceeds thereof less the Additional Consultant Goods Fee.

## **Section 8. Indemnification**

### **(A) Merchant's Indemnification**

Except as otherwise provided for in this Agreement, Merchant shall indemnify, defend, and hold each party comprising Consultant and its consultants, members, managers, partners, officers, directors, employees, attorneys, advisors, principals, affiliates, and Supervisors (collectively, "Consultant Indemnified Parties") harmless from and against all liabilities, claims, demands, damages, costs and expenses (including reasonable attorneys' fees) arising from or related to: (a) the willful or grossly negligent acts or omissions of Merchant or the Merchant Indemnified Parties (as defined below); (b) the material breach of any provision of this Agreement by Merchant; (c) any liability or other claims, including, without limitation, product liability claims, asserted by customers, any Store employees (under a collective bargaining agreement or otherwise), or any other person (excluding Consultant Indemnified Parties) against Consultant or a Consultant Indemnified Party, except claims arising from Consultant's negligence, willful misconduct, or unlawful behavior; (d) any harassment, discrimination or violation of any laws or regulations or any other unlawful, tortious or otherwise actionable treatment of Consultant's Indemnified Parties or Merchant's customers by Merchant or Merchant's Indemnified Parties (as defined below); (e) Merchant's failure to pay over to the appropriate taxing authority

any taxes required to be paid by Merchant during the Sale Term in accordance with applicable law; and (f) any claims of Merchant's employees for wages, benefits, severance pay, termination pay, vacation pay, pay in lieu of notice of termination or any other liability arising from Merchant's employment, hiring or retention of its employees.

**(B) Consultant's Indemnification**

Except as otherwise provided for in this Agreement, Consultant shall, on a joint and several basis, indemnify, defend and hold Merchant and its affiliates and their respective consultants, members, managers, partners, officers, directors, employees, attorneys, advisors, principals, and affiliates (other than the Consultant or the Consultant Indemnified Parties) (collectively, "Merchant Indemnified Parties") harmless from and against all liabilities, claims, demands, damages, costs and expenses (including reasonable attorneys' fees) arising from or related to (a) the willful or grossly negligent acts or omissions of Consultant or the Consultant Indemnified Parties; (b) the breach of any provision of, or the failure to perform any obligation under, this Agreement by Consultant; (c) any liability or other claims made by Consultant's Indemnified Parties or any other person (excluding Merchant Indemnified Parties) against a Merchant Indemnified Party arising out of or related to Consultant's conduct of the Sale, except claims arising from Merchant's negligence, willful misconduct, or unlawful behavior; (d) any harassment, discrimination or violation of any laws or regulations or any other unlawful, tortious or otherwise actionable treatment of Merchant Indemnified Parties or Merchant's customers by Consultant or any of the Consultant Indemnified Parties and (e) any claims made by any party engaged by Consultant as an employee, agent, representative or independent contractor arising out of such engagement.

**Section 9. Insurance**

**(A) Merchant's Insurance Obligations**

Merchant shall maintain, throughout the Sale Term, liability insurance policies (including products liability in the amounts currently provided, commercial general liability insurance and auto liability insurance) covering injuries to persons and property in or in connection with the Stores, and shall cause Consultant to be included as an additional insured with respect to all such policies. At Consultant's request, Merchant shall provide Consultant with a certificate or certificates evidencing the insurance coverage required hereunder and that Consultant is an additional insured thereunder. In addition, Merchant shall maintain throughout the Sale Term, in such amounts as it currently has in effect, workers compensation insurance in compliance with all applicable statutory requirements.

**(B) Consultant's Insurance Obligations**

As an expense of the Sale and as set forth on the Expense Budget, Consultant shall maintain, throughout the Sale Term, liability insurance policies (including products liability/completed operations, contractual liability, comprehensive commercial general liability, without limitation, including auto liability insurance) on an occurrence basis in an amount of at least one million dollars (\$1,000,000) per occurrence and an aggregate basis of at least five million dollars (\$5,000,000) for commercial general liability covering injuries to persons and property in or in connection with Consultant's provision of services at the Stores and \$5,000,000 per occurrence combined single limit for auto. Consultant shall name Merchant as an additional insured and loss payee under such policies, and upon execution of this Agreement provide Merchant with a certificate or certificates of insurance evidencing the insurance coverage required hereunder. In addition, Consultant shall maintain throughout the Sale Term workers compensation insurance compliant with all statutory requirements. Further, should Consultant employ or engage third parties to perform any of Consultant's undertakings with regard to this Agreement, Consultant will ensure that such third parties are covered by Consultant's insurance or maintain all of the same insurance as Consultant is required to maintain pursuant to this paragraph and name Merchant as an additional insured and loss payee under the policy for each such insurance.

**Section 10. Representations, Warranties, Covenants and Agreements**

(A) Merchant's Representations, Warranties, Covenants and Agreements.

Merchant warrants, represents, covenants and agrees that (a) Merchant is a company duly organized, validly existing and in good standing under the laws of its state of organization, with full power and authority to execute and deliver this Agreement and to perform its obligations hereunder (subject to any requisite Bankruptcy Court approval), and maintains its principal executive office at the address set forth herein, (b) the execution, delivery and performance of this Agreement has been duly authorized by all necessary actions of Merchant and this Agreement constitutes a valid and binding obligation of Merchant enforceable against Merchant in accordance with its terms and conditions, and the consent of no other entity or person is required for Merchant to fully perform all of its obligations herein, (c) all ticketing of Merchandise at the Stores has been and will be done in accordance with Merchant's customary ticketing practices, and (d) all normal course hard markdowns on the Merchandise have been and will be, taken consistent with customary Merchant's practices.

(B) Consultant's Representations, Warranties, Covenants and Agreements.

Each party comprising Consultant respectively warrants, represents, covenants and agrees that (a) it is a company duly organized, validly existing and in good standing under the laws of its state of organization, with full power and authority to execute and deliver this Agreement and to perform its obligations hereunder, and maintains its principal executive office at the addresses set forth herein, (b) the execution, delivery and performance of this Agreement has been duly authorized by all necessary actions of such Consultant party and this Agreement constitutes a valid and binding obligation of such Consultant party, enforceable against such Consultant party in accordance with its terms and conditions, and the consent of no other entity or person is required for such Consultant party to fully perform all of its obligations herein, (c) subject to Section 4(A) above, it shall comply with and act in accordance with any and all applicable state and local laws, rules, regulations, and other legal obligations of all governmental authorities in conducting the Sale, (d) no non-emergency repairs or maintenance in the Stores will be conducted without Merchant's prior written consent, (e) it will not take any disciplinary action against any employee of Merchant, (f) Consultant will comply with lease terms, obligations and restrictions for each Store while performing the services hereunder, and (g) it shall conduct the Sale in accordance with the terms of this Agreement.

**Section 11. Furniture, Fixtures and Equipment**

Subject to evaluation by the parties on a case by case basis to determine what may be sold from each Store as provided below, Consultant shall sell the FF&E in the GOB Stores and, to the extent applicable, the Closing Stores. Subject to the terms of the Approval Order, Merchant shall reimburse Consultant for Consultant's reasonable and documented out of pocket costs and expenses incurred by Consultant in connection with the sale of FF&E, which costs and expenses shall be incurred pursuant to a written budget or budgets to be established from time to time by mutual written agreement of the Parties (the "FF&E Budget"). Consultant shall have the right to abandon at the Stores any unsold FF&E, in a neat and orderly fashion. Unless otherwise agreed to by Merchant, the sale of the FF&E in each Store shall conclude no later than the Sale Termination Date for each Store.

Subject to the terms of the Approval Order, for the Stores set forth on **Exhibit A**, Consultant shall be entitled to a commission equal to fifteen percent (15.0%) of the Gross FF&E Proceeds (as defined below) from the sale of the FF&E (the "FF&E Fee").

Notwithstanding the foregoing, Merchant may inform Consultant that it intends to remove certain fixtures from the Stores and such fixtures shall not be included in the FF&E. Prior to the commencement of the Sale, Merchant will provide a list of any such fixtures at each store location to Consultant and will remove such fixtures from the Stores as soon as practical before or during the Sale. Consultant will use commercially reasonable efforts to ensure that the designated fixtures remain in good condition throughout the Sale.

Consultant shall remit to Merchant all Gross FF&E Proceeds. For purposes of this Agreement, "Gross FF&E Proceeds" means gross receipts from the sale of FF&E, net only of applicable sales taxes. During each weekly reconciliation described above, Consultant's FF&E Fee (if any) shall be calculated, and Consultant's calculated FF&E Fee and all FF&E costs and expenses then incurred shall be paid within seven (7) days after each such weekly reconciliation.

**Section 12. Advertising, Promotions, Signwalkers and Signage**

Consultant shall obtain prior written approval from Merchant for any advertising, promotions, signwalkers, and signage, which shall not be unreasonably withheld, and except as provided otherwise in the Approval Order shall cooperate with Merchant to ensure reasonable compliance with state and local government regulations and Store lease agreements. Advertising and signage shall be at the expense of Merchant as provided in **Exhibit B** or as otherwise agreed between the parties.

**Section 13. Termination**

The following shall constitute "Termination Events" hereunder:

- (a) Merchant's or Consultant's failure to perform any of their respective material obligations hereunder, which failure remains uncured for seven (7) days after receipt of written notice thereof to the defaulting Party;
- (b) Any representation or warranty made by Merchant or Consultant is untrue in any material respect as of the date made or at any time and throughout the Sale Term;
- (c) The Sale is terminated or materially interrupted or impaired for any reason other than an event of default by Consultant or Merchant;
- (d) Bankruptcy Court approval of this Agreement is required and the Bankruptcy Court does not provide interim approval of Merchant's entry into and performance under this Agreement on or before July 7, 2020; or
- (e) The Bankruptcy Court issues any Order requiring the termination of this Agreement.

If a Termination Event occurs, the non-defaulting Party (in the case of an event of default) or either Party (if the Sale is otherwise terminated or materially interrupted or impaired) may, in its discretion, elect to terminate this Agreement by providing seven (7) business days' written notice thereof to the other Party and, in the case of an event of default, in addition to terminating this Agreement, pursue any and all rights and remedies and damages resulting from such default. If this Agreement is terminated, Merchant shall be obligated to pay Consultant all undisputed amounts due under this Agreement through and including the termination date. Merchant will be permitted to terminate this Agreement for any reason upon thirty (30) days' written notice to Consultant and, in such case, subject to the terms of the Approval Order, Consultant shall be paid its fee for selling Merchandise and FF&E through the date of such termination.

**Section 14. Notices**

All notices, certificates, approvals, and payments provided for herein shall be sent by fax or by recognized overnight delivery service as follows: (a) To Merchant: GNC Holdings, Inc., Attention: Accounts Payable Dept, 300 Sixth Avenue, Pittsburgh, PA 15222; (b) to Consultant: Tiger Capital Group, 60 State Street, 11<sup>th</sup> Floor, Boston, MA 02109, Attn: Mark P. Naughton, with a copy to Great American Group, LLC, 21255 Burbank Blvd., Suite 400, Woodland Hills, CA 91367, Attn: Scott K. Carpenter and Marina Fineman; and (c) such other address as may be designated in writing by Merchant or Consultant.

**Section 15. Independent Consultant**

Consultant's relationship to Merchant is that of an independent contractor without the capacity to bind Merchant in any respect. No employer/employee, principal/agent, joint venture or other such relationship is created by this Agreement. Merchant shall have no control over the hours that Consultant or its employees or assistants or the Supervisors work or the means or manner in which the services that will be provided are performed and Consultant is not authorized to enter into any contracts or agreements on behalf of Merchant or to otherwise create any obligations of Merchant to third parties, unless authorized in writing to do so by Merchant.

**Section 16. Non-Assignment**

Neither this Agreement nor any of the rights hereunder may be transferred or assigned by either Party without the prior written consent of the other Party. No modification, amendment or waiver of any of the provisions contained in this Agreement, or any future representation, promise or condition in connection with the subject matter of this Agreement, shall be binding upon any Party to this Agreement unless made in writing and signed by a duly authorized representative or agent of such Party. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, legal representatives, successors and permitted assigns.

**Section 17. Severability**

If any term or provision of this Agreement, as applied to either Party or any circumstance, for any reason shall be declared by a court of competent jurisdiction to be invalid, illegal, unenforceable, inoperative or otherwise ineffective, that provision shall be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable. If the surviving portions of the Agreement fail to retain the essential understanding of the Parties, the Agreement may be terminated by mutual consent of the Parties.

**Section 18. Governing Law, Venue, Jurisdiction and Jury Waiver**

This Agreement, and its validity, construction and effect, shall be governed by and enforced in accordance with the internal laws of the State of Delaware (without reference to the conflicts of laws provisions therein). Merchant and Consultant waive their respective rights to trial by jury of any cause of action, claim, counterclaim, or cross-complaint in any action, proceeding and/or hearing brought by either Consultant against Merchant or Merchant against Consultant on any matter whatsoever arising out of, or in any way connected with, this Agreement, the relationship between Merchant and Consultant, any claim of injury or damage or the enforcement of any remedy under any law, statute, or regulation, emergency or otherwise, now or hereafter in effect.

**Section 19. Security**

Consultant has implemented and shall operate at all times the technical and organizational security measures set forth on Exhibit C hereto.

**Section 20. Entire Agreement**

This Agreement, together with all additional schedules and exhibits attached hereto, constitutes a single, integrated written contract expressing the entire agreement of the Parties concerning the subject matter hereof. No covenants, agreements, representations or warranties of any kind whatsoever have been made by any Party except as specifically set forth in this Agreement. All prior agreements, discussions and negotiations are entirely superseded by this Agreement.

**Section 21. Execution**

This Agreement may be executed simultaneously in counterparts (including by means of electronic mail, facsimile or portable document format (pdf) signature pages), any one of which need not contain the signatures of more than one party, but all such counterparts taken together shall constitute one and the same instrument. This Agreement, and any amendments hereto, to the extent signed and delivered by means of electronic mail, a facsimile machine or electronic transmission in portable document format (pdf), shall be treated in all manner and respects as an original thereof and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person.

**Section 22. Bankruptcy Court Approval**

If Merchant commences a case under Chapter 11 of title 11, United States Code (the "Bankruptcy Code"), with a bankruptcy court (the "Bankruptcy Court"), or consents to relief in the event an involuntary petition for relief under the Bankruptcy Code is filed against Merchant, Merchant shall file a motion to approve or assume this Agreement under section 365 of the Bankruptcy Code, and utilize its commercially reasonable efforts to ensure that such motion is approved by an order (the "Approval Order") that provides for, among other things, as follows: (i) approval and/or assumption of this Agreement; (ii) the payment of all fees and reimbursement of expenses hereunder to Consultant, free and clear of all liens, claims and encumbrances, on a weekly basis without further order of the Bankruptcy Court and otherwise in accordance with this Agreement; (iii) approval of the transaction contemplated hereby; (iv) authorizing the Sale without the necessity of complying with state and local rules, laws, ordinances and regulations, including, without limitation, permitting and licensing requirements, that could otherwise govern the Sale; (v) authorizing the Sale notwithstanding restrictions in leases, reciprocal easement agreements or other contracts that purport to restrict the Sale or the necessity of obtaining any third party consents; (vi) authorizing the advertising of the Sale, including with the use of signwalkers, upon the terms set forth herein; (vii) authorizing the sale of Additional Consultant Goods and granting Consultant a first priority senior security interest and lien upon the Additional Consultant Goods and proceeds thereof as provided herein; and (viii) authorizing Merchant to take such further actions as are necessary or appropriate to carry out the terms and conditions of this Agreement. The Parties acknowledge that Bankruptcy Court approval is required for Merchant to enter into and perform under this Agreement. In the event of a bankruptcy filing, any legal action, suit or proceeding arising in connection with this Agreement shall be submitted to the exclusive jurisdiction of the Bankruptcy Court having jurisdiction over Merchant, and each Party hereby waives any defenses or objections based on lack of jurisdiction, improper venue, and/or forum non conveniens. From and after entry of the Approval Order, Consultant shall conduct the Sale in accordance with the terms of the Approval Order in all material respects.

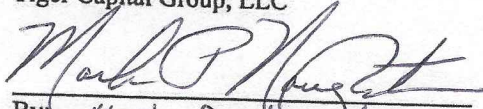

**Section 23. Authorized Consultant Party**

Tiger and GA have formed a joint venture, and, as such, share in the rights and liabilities of Consultant as set forth in this Agreement. Tiger is hereby designated as the lead and authorized party to deal directly with Merchant on behalf of Consultant and has the authority to contractually bind Consultant under this Agreement without having to obtain any express written concurrent approval(s) from GA. Tiger and GA will be jointly and severally liable for all acts, omissions, and obligations of Consultant hereunder.

### AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Consultant and Merchant hereby agree as follows:

#### **Section 1. Appointment of Consultant**

Effective as of the date hereof, subject to the entry of the Approval Order (as defined below) by the Court, Merchant hereby appoints the Consultant, and the Consultant hereby agrees to serve, as Merchant’s consultant for the purpose of conducting the Sale in accordance with the terms and conditions of this Agreement as more definitively set forth in Section 4 hereof. Subject to Section 11, Consultant shall be authorized to advertise the Sale as a “store closing”, “location closing”, “sale on everything”, “everything must go”, or similar-themed sale in accordance with the terms hereof, provided that no signs shall advertise the Sale as a “bankruptcy”, a “going out of business” or a “liquidation” sale with it being understood that the French equivalent of “clearance” is “liquidation” and is permitted to be used.

After the date hereof, at the option of the Merchant and if necessary subject to requisite approval Orders entered in the Bankruptcy Case or granted in the CCAA Proceedings and/or the Information Officer appointed by the Court (the “Information Officer”), Merchant may add additional Closing Stores and GOB Stores for Consultant to serve as Merchant’s independent consultant in connection with the conduct of a Sale (the “Additional Stores”) with respect to such Additional Stores on the terms and conditions of this Agreement subject to appropriate adjustments as agreed for the Sale Commencement Date, the Sale Termination Date, the Expense

Budget, the Consulting Fee and the FF&E Fee (each as defined below) for such Additional Stores (as may be applicable), which Additional Stores and such terms shall be set forth in a written addendum hereto. Subject to obtaining the Approval Order (as defined herein) from the Court, the Sale shall commence as mutually agreed; provided, however, (a) for GOB Stores that are currently operating, the Sale shall commence on or about June 25, 2020, and (b) for GOB Stores that are not currently operating, the Sale shall commence on or about the date that is the later of the date upon which Merchant reopens each such GOB Store and June 25, 2020 (the “Sale Commencement Date”). The Sale shall conclude no later than September 30, 2020 (the “Sale Termination Date”); provided, however, that Merchant may agree in writing in its sole discretion to extend or terminate the Sale at any GOB Store prior to the Sale Termination Date (it being understood that, if the timing set forth herein changes, Merchant and Consultant shall mutually agree on any adjustments to the Expense Budget (as defined below) and Consultant’s compensation); provided further, however, that Merchant may agree in writing in its sole discretion to make any GOB Store a Closing Store prior to the Sale Termination Date. The period between the Sale Commencement Date and the Sale Termination Date shall be referred to as the “Sale Term.” Upon the removal of Merchandise from each Store and at the conclusion of the Sale at each GOB Store, (a) Consultant shall surrender the premises for such Store to Merchant in broom-swept and clean condition with any unsold FF&E abandoned in place at such Store, and (b) Consultant shall reasonably assist Merchant to photographically document the condition of each such Store upon the conclusion of the Sale there.

During the Sale Term, Consultant shall, in collaboration with Merchant, (a) provide one or more qualified supervisors (the “Supervisors”) engaged by Consultant and reasonably approved in advance by Merchant to oversee the Sale and management of the GOB Stores in an effort to maximize revenue and sell all of the Merchandise prior to the end of the Sale; (b) determine appropriate point-of-sale and external advertising, reasonably approved in advance by Merchant and in accordance with the Canadian Sale Guidelines attached as **Exhibit D**; (c) determine appropriate discounts of Merchandise, staffing levels, and appropriate bonus and incentive programs, if any, for the GOB Stores’ employees, in each case reasonably approved in advance by Merchant; (d) oversee display of Merchandise for the GOB Stores; (e) evaluate sales of Merchandise by category, provide

Without limiting the generality of the foregoing, all information of a business nature relating to the pricing, sales, promotions, marketing, assets, liabilities, or other business affairs of Merchant, its customers, parent, subsidiaries, or other affiliated entities (for purposes of this paragraph, all such entities are included within each reference to “Merchant”) is Merchant’s confidential, trade secret information (“Merchant Confidential Information”), which is and shall remain the exclusive intellectual property of Merchant. Except as may be required for Consultant to perform its obligations under this Agreement in respect of the Sale, Consultant shall not divulge, furnish, make available, or in any other manner disclose such information to any third party other than to the Information Officer and the respective affiliates, officers, employees, representatives, attorneys and agents of each party comprising Consultant. Each party comprising Consultant shall take and shall cause its respective affiliates, officers, employees, representatives, attorneys and agents to take such action as shall be reasonably necessary or advisable to preserve and protect the confidentiality of Merchant Confidential Information. Each party comprising Consultant agrees to maintain strict confidentiality and agrees that it may use Merchant Confidential Information only as reasonably necessary in the performance of its obligations related to the Sale.

The Parties expressly acknowledge and agree that Merchant shall have no liability to the Supervisors for wages, benefits, severance pay, termination pay, vacation pay, pay in lieu of notice of termination or any other liability arising from Consultant’s hiring or engagement of the Supervisors, and the Supervisors shall not be considered employees of Merchant. Merchant shall only be responsible for reimbursing Consultant for the cost of such Supervisors as part of the Expense Budget (as defined below). Consultant shall vacate the GOB Stores on the Sale Termination Date, or such other date as agreed between the Merchant and the Consultant in accordance with the terms hereof.

(B) Merchant’s Undertakings

During the Sale Term, Merchant shall, as applicable, (a) remain the employer of the Stores’ employees; (b) remain responsible for all taxes, costs, expenses, accounts payable, and other liabilities relating to the Stores, the Stores’ employees and other representatives of Merchant; (c) prepare and process all tax forms and other documentation; (d) collect all sales taxes and pay them to the appropriate taxing authorities for the Stores; (e) use reasonable efforts to cause Merchant’s employees to cooperate with Consultant and the Supervisors; (f) execute all agreements mutually determined by the Merchant and the Consultant to be necessary or desirable for the operation of the GOB Stores during the Sale; (g) arrange for the ordinary maintenance of all point-of-sale equipment required for the GOB Stores; and (h) ensure that Consultant has quiet use and enjoyment of the GOB Stores for the Sale Term in order to perform its obligations under this Agreement.

Merchant shall provide throughout the Sale Term central administrative services typically provided to Stores in the ordinary course and necessary for the Sale, including internal payroll processing, MIS services, cash and inventory reconciliation, data processing and reporting, email preparation and distribution, information technology updates, functionality, and maintenance, and accounting, all at no cost to Consultant.

The Parties expressly acknowledge and agree that Consultant shall have no liability to Merchant’s employees for wages, benefits (including any pension related benefits and obligations), severance pay, termination pay, accrued vacation entitlement, vacation pay, pay in lieu of notice of termination or any other liability arising

from Merchant's employment, hiring, retention, furlough, layoff, or termination of its employees, and such employees shall not be considered employees of Consultant.

The Parties acknowledge that this Agreement is being entered into in the midst of the outbreak of the COVID-19 pandemic and that local, provincial, and national laws and responses are continuously developing and evolving, often in unpredictable ways. Merchant hereby agrees that, while Consultant will fully cooperate with Merchant to adhere to any restrictions, laws, regulations, recommendations, or orders imposed by governmental entities, or similar regulatory or authoritative agencies, that may be imposed on any aspect of Merchant's ability to operate the Stores in response to the COVID-19 pandemic, the responsibility and expense of complying with any such restrictions, laws, regulations, recommendations, or orders, including their enforcement and implementation, shall be the sole responsibility of Merchant. Examples of such restrictions, regulations or recommendations may include, without limitation: (a) providing protective gear (such as masks, sanitizers, and similar items) aimed at reducing the spread of the virus to Merchant's employees, customers, vendors, etc.; (b) implementing physical restrictions with regard to Store operations, including monitoring the number of customers allowed into a Store at any given time; and (c) enforcing daily cleaning and sanitizing procedures at the Stores. Merchant and its employees shall be responsible to facilitate, enforce, and implement any such restrictions or regulations, however, Consultant agrees not to violate any such restrictions, laws, regulations, recommendations or orders in the performance of its services hereunder.

## **Section 5. The Sale**

All sales of Merchandise and FF&E shall be made on behalf of, and solely in the name of, Merchant. Consultant does not have, nor shall it have, any right, title, or interest in the Merchandise or FF&E. Subject to the terms of the Approval Order, all sales of Merchandise and FF&E shall be by cash, gift card, gift certificate, merchandise credit, debit card, or credit card and, at Merchant's discretion, by check or otherwise in accordance with Merchant's policies, and shall be "final" with no returns accepted or allowed unless otherwise directed by Merchant or mandated by law. The right to honor gift cards, gift certificates or merchandise credit, after the commencement of the Bankruptcy Case and the CCAA Proceedings shall be subject to further Orders entered in the Bankruptcy Case and granted in the CCAA Proceedings.

## **Section 6. Consultant Fee and Expenses in Connection with the Sale**

### **(A) Consultant's Fee**

Consultant shall be entitled to a base fee for its services equal to USD\$1,000 per GOB Store and USD\$500 per Closing Store (the "Base Fee") payable as follows: (x) 50% upon entry of the Interim Order (as defined below), and (y) 50% upon entry of the Final Order (as defined below). In addition, Merchant may earn an additional incentive fee (the "Incentive Fee" and together with the Base Fee, the "Consulting Fee") based upon the following thresholds of Gross Proceeds (as defined below) received during the Sale divided by the Cost Value (as defined below) of the Merchandise sold during the Sale (the "Gross Recovery Percentage") calculated back to the first dollar received:

Gross Recovery Percentage	Total Incentive Fee
Between 120% to 134.99%	.50% of Gross Proceeds
Between 135% to 149.99%	.75% of Gross Proceeds
150.0% or above	1.25% of Gross Proceeds

For the avoidance of doubt, the above Incentive Fee, if achieved, is in addition to the Base Fee.

After it is determined that Consultant has earned an Incentive Fee, Merchant shall pay such Incentive Fee as earned as part of the weekly reconciliations and in any event no later than the Final Reconciliation (as defined below).

For purposes of this calculation, (i) “Gross Proceeds” shall mean the sum of the gross proceeds of all sales of Merchandise that is sold through the Sale (including, as a result of the redemption of any gift card, gift certificate or merchandise credit as well as wholesale sales to third parties and miscellaneous income) during the Sale Term, after the application of all discounts including, without limitation, any discount coupons issued by Merchant in the ordinary course of its business, and net only of sales taxes, and (ii) “Cost Value” shall mean the aggregate gross cost of Merchandise sold during the Sale per the Merchant’s books and records. The Parties shall mutually agree upon the Consulting Fee for any Additional Stores in writing.

For purposes of calculating Gross Proceeds, Consultant and Merchant shall jointly keep (i) a strict count of gross register receipts less applicable sales taxes and (ii) cash reports of sales within each Store. Register receipts shall show for each item sold the retail price (as reflected on Merchant’s books and records) for such item, and the markdown or other discount granted in connection with such sale. All such records and reports shall be made available to Consultant and Merchant during regular business hours upon reasonable notice.

(B) Expenses

Merchant shall be responsible for all reasonable and documented costs and expenses of the Sale, including all Store level operating expenses. To control expenses of the Sale, Merchant and Consultant have established a budget (the “Expense Budget”) of certain delineated expenses in connection with the Sale, including supervision (including Supervisors’ wages, fees, travel and any other compensation and any travel expenses of Consultant), advertising costs and signage. The Expense Budget for the Sale is attached hereto as **Exhibit B**. The Expense Budget may only be modified by mutual written agreement of Consultant and Merchant, and with the approval of the Information Officer from and after the date of the Approval Order. Notwithstanding anything herein to the contrary, unless otherwise agreed to by Merchant, Merchant shall not be obligated to pay costs of supervision, advertising costs and signage that exceed the budgeted amount, on an aggregate basis. The Parties acknowledge that the Expense Budget will be updated as appropriate in connection with any modification of the lists of GOB Stores or the terms of the Sale and agree to cooperate in good faith with respect to such updates or to any Additional Stores.

(C) Reconciliation

Consultant shall maintain books and records as it relates to the services rendered under this Agreement. Subject to the terms of the Approval Order, all accounting matters (including, without limitation, any Consulting Fees and expenses per the Expense Budget that are reimbursable or payable to Consultant) shall be reconciled on every Wednesday for the prior week and shall be paid within seven (7) days after each such weekly reconciliation.

Within twenty (20) days following the Sale Termination Date for each GOB Store, the Parties shall complete a final reconciliation and settlement based upon the total Gross Proceeds received and all amounts earned and due to Consultant and contemplated by this Agreement (including, without limitation, Expense Budget items) (the “Final Reconciliation”). Upon completion of the Final Reconciliation, if a payment is due from either Party, such Party shall pay the other Party any amounts calculated to be due as part of such Final Reconciliation after considering any amount previously paid to the Consultant (including without limitation Expense Budget items and any other payments under this Agreement). Merchant or its firm of auditors appointed by Merchant has the right, upon reasonable written notice to Consultant, to inspect at reasonable times and locations such documentation, records, and equipment that reasonably relate to the services provided for under this Agreement for purposes of ensuring performance of Consultant’s obligations under this Agreement.

(D) Advance on Expenses

Subject to the terms of the Approval Order, as an advance against the expenses of the Sale, and to secure payment of the same and any other amounts due to Consultant, no later than five (5) days after the Effective

Date, and in no event later than the last business day before the earliest of filing by Merchant of a Bankruptcy Case or CCAA Proceedings, Merchant shall pay to Consultant a deposit in the amount of USD\$200,000, which is an estimate of the costs of signage, advertising and Supervisors for a two (2) week period, and is calculated based on the number of Stores included on **Exhibit A** as of the Effective Date (the "Advance"). The Parties agree that the Advance may only be used to pay for expenses pursuant to the Expense Budget and to secure reimbursement of the Expenses and payment of the Consulting Fee and other amounts due hereunder. The Parties further agree to increase the sum of the Advance in the event that Additional Stores are added and as needed, provided, however, that Merchant must expressly approve such increases in writing. The Advance shall be applied against the reimbursement of expenses or payment of the Consulting Fee at the end of the Sale Term to the extent not otherwise paid, and to the extent not expended when the Sale concludes, and any unapplied balance shall be returned to Merchant as part of the Final Reconciliation or such other time that Merchant and Consultant mutually agree.

(E) Taxes on Payments

Merchant acknowledges that the amounts payable to Consultant hereunder may be subject to sales or other taxes and agrees to pay to Consultant all such taxes in accordance with applicable laws in addition to the amounts payable hereunder.

**Section 7. Indemnification**

(A) Merchant's Indemnification

Except as otherwise provided for in this Agreement, Merchant shall indemnify, defend, and hold each party comprising Consultant and its consultants, members, managers, partners, officers, directors, employees, attorneys, advisors, principals, affiliates, and Supervisors (collectively, "Consultant Indemnified Parties") harmless from and against all liabilities, claims, demands, damages, costs and expenses (including reasonable attorneys' fees) arising from or related to: (a) the willful or grossly negligent acts or omissions of Merchant or the Merchant Indemnified Parties (as defined below); (b) the material breach of any provision of this Agreement by Merchant; (c) any liability or other claims, including, without limitation, product liability claims, asserted by customers, any Store employees (under a collective bargaining agreement or otherwise), or any other person (excluding Consultant Indemnified Parties) against Consultant or a Consultant Indemnified Party, except claims arising from Consultant's negligence, willful misconduct, or unlawful behavior; (d) any harassment, discrimination or violation of any laws or regulations or any other unlawful, tortious or otherwise actionable treatment of Consultant's Indemnified Parties or Merchant's customers by Merchant or Merchant's Indemnified Parties (as defined below); (e) Merchant's failure to collect, remit and pay over to the appropriate taxing authority all sales and other taxes required to be collected, remitted or paid by Merchant during the Sale Term in accordance with applicable law; and (f) any claims of Merchant's employees for wages, benefits (including pension related benefits and obligations), severance pay, termination pay, accrued vacation, vacation pay, pay in lieu of notice of termination or any other liability arising from Merchant's employment, hiring, retention, furlough, layoff or termination of its employees.

Consultant's conduct of the Sale, except claims arising from Merchant's negligence, willful misconduct, or unlawful behavior; (d) any harassment, discrimination or violation of any laws or regulations or any other unlawful, tortious or otherwise actionable treatment of Merchant Indemnified Parties or Merchant's customers by Consultant or any of the Consultant Indemnified Parties and (e) any claims made by any party engaged by Consultant as an employee, agent, representative or independent contractor arising out of such engagement.

**Section 8. Insurance**

(A) Merchant's Insurance Obligations

Merchant shall maintain, throughout the Sale Term, liability insurance policies (including products liability in the amounts currently provided, commercial general liability insurance and auto liability insurance) covering injuries to persons and property in or in connection with the Stores, and shall cause Consultant to be included as an additional insured with respect to all such policies. At Consultant's request, Merchant shall provide Consultant with a certificate or certificates evidencing the insurance coverage required hereunder and that Consultant is an additional insured thereunder. In addition, Merchant shall maintain throughout the Sale Term, in such amounts as it currently has in effect, workers compensation insurance in compliance with all applicable statutory requirements.

Consultant shall name Merchant as an additional insured and loss payee under such policies, and upon execution of this Agreement provide Merchant with a certificate or certificates of insurance evidencing the insurance coverage required hereunder. Merchant shall reimburse Consultant for Consultant's reasonable and documented out of pocket costs and expenses incurred by Consultant in connection with the sale of FF&E, which costs and expenses shall be incurred pursuant to a written budget or budgets to be established from time to time by mutual written agreement of the Parties (the "FF&E Budget"). Consultant shall have the right to abandon at the Stores any unsold FF&E, in a neat and orderly fashion. Unless otherwise agreed to by Merchant, the sale of the FF&E in each Store shall conclude no later than the Sale Termination Date for each Store.

During each weekly reconciliation described above, Consultant's FF&E Fee (if any) shall be calculated, and Consultant's calculated FF&E Fee and all FF&E costs and expenses then incurred shall be paid within seven (7) days after each such weekly reconciliation.

- (c) The Sale is terminated or materially interrupted or impaired for any reason other than an event of default by Consultant or Merchant;

If this Agreement is terminated, Merchant shall be obligated to pay Consultant all undisputed amounts due under this Agreement through and including the termination date. Merchant will be permitted to terminate this Agreement for any reason upon thirty (30) days' written notice to Consultant and, in such case, subject to the terms of the Approval Order, Consultant shall be paid its fee for selling Merchandise and FF&E through the date of such termination.

Merchant shall have no control over the hours that Consultant or its employees or assistants or the Supervisors work or the means or manner in which the services that will be provided are performed and Consultant is not authorized to enter into any contracts or agreements on behalf of Merchant or to otherwise create any obligations of Merchant to third parties, unless authorized in writing to do so by Merchant.

**Section 15. Non-Assignment**

Neither this Agreement nor any of the rights hereunder may be transferred or assigned by either Party without the prior written consent of the other Party. From and after the date of the Approval Order, any assignment shall also require the consent of the Information Officer. No modification, amendment or waiver of any of the provisions contained in this Agreement, or any future representation, promise or condition in connection with the subject matter of this Agreement, shall be binding upon any Party to this Agreement unless made in writing and signed by a duly authorized representative or agent of such Party. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective heirs, legal representatives, successors and permitted assigns.

**Section 16. Severability**

If any term or provision of this Agreement, as applied to either Party or any circumstance, for any reason shall be declared by a court of competent jurisdiction to be invalid, illegal, unenforceable, inoperative or otherwise ineffective, that provision shall be limited or eliminated to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect and enforceable. If the surviving portions of the Agreement fail to retain the essential understanding of the Parties, the Agreement may be terminated by mutual consent of the Parties.

**Section 17. Governing Law, Venue, Jurisdiction and Jury Waiver**

This Agreement, and its validity, construction and effect, shall be governed by and enforced in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein (without reference to the conflicts of laws provisions therein). Merchant and Consultant waive their respective rights to trial by jury of any cause of action, claim, counterclaim, or cross-complaint in any action, proceeding and/or hearing brought by either Consultant against Merchant or Merchant against Consultant on any matter whatsoever arising out of, or in any way connected with, this Agreement, the relationship between Merchant and Consultant, any claim of injury or damage or the enforcement of any remedy under any law, statute, or regulation, emergency or otherwise, now or hereafter in effect.

**Section 18. Security**

Consultant has implemented and shall operate at all times the technical and organizational security measures set forth on Exhibit C hereto.

**Section 19. Entire Agreement**

This Agreement, together with all additional schedules and exhibits attached hereto, constitutes a single, integrated written contract expressing the entire agreement of the Parties concerning the subject matter hereof. No covenants, agreements, representations or warranties of any kind whatsoever have been made by any Party except as specifically set forth in this Agreement. All prior agreements, discussions and negotiations are entirely superseded by this Agreement.

**Section 20. Execution**

This Agreement, and any amendments hereto, to the extent signed and delivered by means of electronic mail, a facsimile machine or electronic transmission in portable document format (pdf), shall be treated in all manner and respects as an original thereof and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person.

**Section 21. Court Approval**

Concurrent with, or as soon as possible following, the commencement of the CCAA Proceedings, Merchant shall file a motion with the Court to approve this Agreement and utilize its commercially reasonable efforts to ensure that such motion is approved by an order substantially in the form attached hereto as **Exhibit E** (the “Approval Order”, and any interim and final orders obtained in the Bankruptcy Case in connection with the consulting services described herein and similar services, the “Interim Order” and the “Final Order”, respectively) that provides for, among other things, as follows: (i) approval of this Agreement; (ii) approves the payment of all fees and reimbursement of expenses hereunder to Consultant, free and clear of all liens, claims and encumbrances, on a weekly basis and otherwise in accordance with this Agreement; (iii) approval of the transaction contemplated hereby; (iv) authorizing the Sale and providing that any Sale conducted hereunder shall be free of all claims, liens and encumbrances that existed prior to or after such Court Order including any Charges created by any Order of the Court; in accordance with the Canadian Sale Guidelines attached as **Exhibit D**; (v) declaring that this Agreement shall not be rejected or disclaimed by Merchant, and that the obligations of Merchant hereunder shall not be compromised in any plan, and (vi) authorizing Merchant to take such further actions as are necessary or appropriate to carry out the terms and conditions of this Agreement. The Parties acknowledge that Court approval is required for Merchant to enter into and perform under this Agreement. In the event of such a filing, any legal action, suit or proceeding arising in connection with this Agreement shall be submitted to the exclusive jurisdiction of the Court having jurisdiction over Merchant, and each Party hereby waives any defenses or objections based on lack of jurisdiction, improper venue, and/or forum non conveniens. 3. The Sale shall be conducted in accordance with applicable federal, provincial and municipal laws and regulations, unless otherwise set out herein or otherwise ordered by the Court.
4. All display and hanging signs used by the Consultant in connection with the Sale shall be professionally produced and all hanging signs shall be hung in a professional manner. Notwithstanding anything to the contrary contained in the Leases, the Consultant may advertise the Sale at the Stores as an “everything on sale”, an “everything must go”, a “store closing” or similar theme sale at the Stores (provided however that no signs shall advertise the Sale as a “bankruptcy”, a “going out of business” or a “liquidation” sale it being understood that the French equivalent of “clearance” is “liquidation” and is permitted to be used). Forthwith upon written request from a Landlord, the Landlord’s counsel, the Merchant or the Information Officer, the Consultant shall provide the proposed signage packages along with the proposed dimensions and number of signs (as approved by the Merchant pursuant to the Consulting Agreement) by e-mail to such Landlord(s) or to their counsel of record and the Information Officer. Where the provisions of the Lease conflict with these Canadian Sale Guidelines, these Canadian Sale Guidelines shall govern. The Consultant shall not use neon or day-glow or handwritten signage (unless otherwise contained in the sign package, including “you pay” or “topper” signs). In addition, the Consultant shall be permitted to utilize exterior banners/signs at stand alone or strip mall Stores or enclosed mall Stores with a separate entrance from the exterior of the enclosed mall, provided, however, that where such banners are not explicitly permitted by the applicable Lease and the Landlord requests in

writing that the banners are not to be used, no banners shall be used absent further Order of the Court. Any banners used shall be located or hung so as to make clear that the Sale is being conducted only at the affected Store and shall not be wider than the premises occupied by the affected Store. All exterior banners shall be professionally hung and to the extent that there is any damage to the façade of the premises of a Store as a result of the hanging or removal of the exterior banner, such damage shall be professionally repaired at the expense of the Consultant. If a Landlord is concerned with “store closing” signs being placed in the front window of a Store or with the number or size of the signs in the front window, the Consultant and the Landlord will discuss the Landlord’s concerns and work to resolve the dispute.

5. The Consultant shall be permitted to utilize sign walkers and street signage; provided, however, such sign walkers and street signage shall not be located on the shopping centre or mall premises.
6. The Consultant shall not make any alterations to interior or exterior Store lighting, except as authorized pursuant to the applicable Lease. The hanging of exterior banners or other signage, where permitted in accordance with the terms of these guidelines, shall not constitute an alteration to a Store.
7. Conspicuous signs shall be posted in the cash register areas of each Store to the effect that all sales are “final”.
8. The Consultant shall not distribute handbills, leaflets or other written materials to customers outside of any of the Stores on any Landlord's property, unless permitted by the applicable Lease or, if distribution is customary in the shopping centre in which the Store is located. Otherwise, the Consultant may solicit customers in the Stores themselves. The Consultant shall not use any giant balloons, flashing lights or amplified sound to advertise the Sale or solicit customers, except as permitted under the applicable Lease, or agreed to by the Landlord, and no advertising trucks shall be used on a Landlord property or mall ring roads, except as explicitly permitted under the applicable Lease or agreed to by the Landlord.
9. At the conclusion of the Sale in each Store, the Consultant shall arrange that the premises for each Store are in “broom-swept” and clean condition, and shall arrange that the Stores are materially in the same condition as on the commencement of the Sale, ordinary wear and tear excepted. No property of any Landlord of a Store shall be removed or sold during the Sale. No permanent fixtures (other than FF&E which for clarity is owned by the Merchant) may be removed without the applicable Landlord's written consent unless otherwise provided by the applicable Lease. Any fixtures or personal property left in a Store after the Sale Termination Date in respect of which the applicable Lease has been disclaimed by the Merchant shall be deemed abandoned, with the applicable Landlord having the right to dispose of the same as the Landlord chooses, without any liability whatsoever on the part of the Landlord.
10. Subject to the terms of paragraph 9 above, the Consultant may sell Offered FF&E which is located in the Stores during the Sale. The Merchant and the Consultant may advertise the sale of Offered FF&E consistent with these guidelines on the understanding that any applicable Landlord may require that such signs be placed in discreet locations acceptable to the applicable Landlord, acting reasonably. Additionally, the purchasers of any Offered FF&E sold during the Sale shall only be permitted to remove the Offered FF&E either through the back shipping areas designated by the applicable Landlord, or through other areas after regular store business hours, or through the front door of the Store during store business hours if the Offered FF&E can fit in a shopping bag, with applicable Landlord’s supervision

as required by the applicable Landlord. The Consultant shall repair any damage to the Stores resulting from the removal of any Offered FF&E by Consultant or by third party purchasers of Offered FF&E from Consultant.

11. The Merchant hereby provides notice to the Landlords of the Merchant and the Consultant's intention to sell and remove Offered FF&E from the Stores. The Merchant will arrange a walk through with each Landlord that requests a walk through with the Consultant to identify the Offered FF&E subject to the sale. The relevant Landlord shall be entitled to have a representative present in the Store to observe such removal. If the Landlord disputes the Consultant's entitlement to sell or remove any FF&E under the provisions of the Lease, such FF&E shall remain on the premises and shall be dealt with as agreed between the Merchant, the Consultant and such Landlord, or pursuant to the dispute resolution section of the Canadian Store Closing Procedures. If the Merchant has rejected the Lease governing such Store in accordance with the Bankruptcy Code, it shall not be required to pay rent under such Lease pending resolution of any such dispute (other than rent payable for the notice period provided for under the Bankruptcy Code), and the rejection of the Lease shall be without prejudice to the Merchant's or Consultant's claim to the FF&E in dispute.
12. If a rejection notice is delivered to a Landlord pursuant to the Bankruptcy Code while the Sale is ongoing and the Store in question has not yet been vacated, then: (a) during the notice period prior to the effective time of such rejection, the applicable Landlord may show the affected leased premises to prospective tenants during normal business hours, on giving the Merchant and the Consultant 24 hours' prior written notice; and (b) at the effective time of the rejection, the relevant Landlord shall be entitled to take possession of any such Store without waiver of or prejudice to any claims or rights such Landlord may have against the Merchant in respect of such Lease or Store, provided that nothing herein shall relieve such Landlord of its obligation to mitigate any damages claimed in connection therewith.
13. The Consultant and its agents and representatives shall have the same access rights to the Stores as the Merchant under the terms of the applicable Lease, and the applicable Landlords shall have the rights of access to the Stores during the Sale provided for in the applicable Lease (subject, for greater certainty, to any applicable stay of proceedings).
14. The Merchant and the Consultant shall not conduct any auctions of Merchandise or Offered FF&E at any of the Stores.
15. The Consultant shall designate a party to be contacted by the Landlords should a dispute arise concerning the conduct of the Sale. The initial contact person for the Consultant shall be Daniel Richer who may be reached by phone at [416-865-4445](tel:416-865-4445) or email at [dricher@fasken.com](mailto:dricher@fasken.com). Contact persons for the Merchant and the Information Officer are set out in the Canadian Store Closing Procedures. If the parties are unable to resolve the dispute between themselves, the notice and dispute sections of the Canadian Store Closing Procedures shall be followed by the parties. For the duration of any such dispute, the Consultant shall cease all activity in dispute other than activity expressly permitted herein, pending the determination of the matter by the Court; provided, for greater certainty, that if a banner has been hung in accordance with these Canadian Sale Guidelines and is thereafter the subject of a dispute, the Consultant shall not be required to take any such banner down pending determination of the dispute.
16. Nothing herein is, or shall be deemed to be a consent by any Landlord to the sale, assignment or transfer of any Lease, or to grant to the Landlord any greater rights than already exist under the terms of any applicable Lease.

17. These Canadian Sale Guidelines may be amended by written agreement between the Merchant, the Consultant and any applicable Landlord (provided that such amended Canadian Sale Guidelines shall not affect or bind any other Landlord not privy thereto without further Order of the Court).

**MOTION OF DEBTORS FOR ORDERS  
AUTHORIZING PAYMENT OF PREPETITION TAXES AND FEES**

---

The debtors in possession in the above-captioned cases (collectively, the “*Debtors*”) hereby move (this “*Motion*”) and respectfully state as follows:

**RELIEF REQUESTED**

1. By this Motion, the Debtors seek entry of interim and final orders, substantially in the form attached hereto as **Exhibit A** (the “*Proposed Interim Order*”) and **Exhibit B** (the “*Proposed Final Order*,” and together with the Proposed Interim Order, the “*Proposed Orders*”), respectively: authorizing, but not directing, them to remit and pay any prepetition sales and use taxes, income taxes, franchise taxes, other business or regulatory taxes or fees, real and personal property taxes, rent taxes, and any other taxes and fees for which the Debtors’ directors and officers may be liable or which may not constitute property of the Debtors’ estates and other types of taxes, fees, assessments or similar charges and any penalty, interest or similar charges in

---

<sup>1</sup> The debtors in these Chapter 11 Cases, along with the last four digits of each debtor’s United States federal tax identification number, if applicable, or other applicable identification number, are: GNC Holdings, Inc. (6244); GNC Parent LLC (7572); GNC Corporation (5170); General Nutrition Centers, Inc. (5168); General Nutrition Corporation (4574); General Nutrition Investment Company (3878); Lucky Oldco Corporation (7141); GNC Funding, Inc. (7837); GNC International Holdings, Inc. (9873); GNC China Holdco, LLC (0004); GNC Headquarters LLC (7550); Gustine Sixth Avenue Associates, Ltd. (0731); GNC Canada Holdings, Inc. (3879); General Nutrition Centres Company (0939); GNC Government Services, LLC (2295); GNC Puerto Rico Holdings, Inc. (4559); and GNC Puerto Rico, LLC (7234). The debtors’ mailing address is 300 Sixth Avenue, Pittsburgh, Pennsylvania 15222.

respect of such taxes and fees (collectively, the “*Taxes and Fees*”) owing to international, federal, state and local governmental or quasi-governmental entities (the “*Taxing Authorities*”).<sup>2</sup>

2. Unless further authorization is obtained from this Court, the Debtors propose to limit the aggregate amount of payments to be made on account of prepetition Taxes and Fees under this Motion to (i) \$5,799,000 on an interim basis and (ii) \$10,280,000 in an aggregate final amount, inclusive of amounts paid pursuant to the Interim Order, or such higher amount as may be set forth in any budget governing postpetition financing or the use of cash collateral.

3. For the avoidance of doubt, the requested authorization would be discretionary. In addition, the requested authorization would be without prejudice to the Debtors’ rights to contest the amounts of any Taxes and Fees on any grounds they deem appropriate and would extend to the payment of Taxes and Fees relating to tax audits that have been completed, are in progress, or arise from prepetition periods.

4. In addition, the Debtors request that the Court authorize all banks and financial institutions to receive, process, honor, pay, and, if necessary, reissue all prepetition and postpetition checks, including prepetition checks and electronic payment and transfer requests that the Debtors reissue or re-request postpetition, drawn on the bank accounts used by the Debtors to satisfy their obligations in connection with the Taxes and Fees approved herein, upon receipt by each bank or financial institution of notice of such authorization, provided that sufficient funds are on deposit in the applicable accounts to cover such payments. The Debtors additionally request that the Court authorize them to issue new postpetition checks to replace any checks that may nevertheless be dishonored and to reimburse any expenses that holders of claims

The Debtors will serve on any of the subsequently identified entities a copy of this Motion and the Interim and Final Orders entered with respect to the Motion.

in connection with the Taxes and Fees may incur as a result of any bank's failure to honor a prepetition check.

5. As set forth below, the Taxes and Fees at issue are appropriate for payment to the extent that they are priority or secured claims that are payable in full or, alternatively, under the personal liability theory or the doctrine of necessity. By paying the Taxes and Fees in the ordinary course of business, as and when due, the Debtors will avoid unnecessary disputes with the Taxing Authorities—and expenditures of time and money resulting from such disputes—over myriad issues that are typically raised by the Taxing Authorities as they attempt to enforce their rights to collect Taxes and Fees.

### **JURISDICTION**

6. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “*Local Rules*”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 363(b), 506(a), 507(a)(8) and 541 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “*Bankruptcy Code*”) and rule 6003 of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”).

## **BACKGROUND**

7. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “*Chapter 11 Cases*”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in the Chapter 11 Cases, and no committees have been appointed.

8. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies’ Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

9. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the “*First Day Declaration*”)<sup>3</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>4</sup>

## **THE TAXES AND FEES**

10. Prior to the Petition Date, the Debtors incurred obligations related to the Taxes and Fees, which include:<sup>5</sup>

---

<sup>3</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>4</sup> The First Day Declaration and other relevant case information is available from (a) the Court’s website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors’ proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

<sup>5</sup> The Debtors incur various taxes related to their employees which are separately addressed in the *Motion of Debtors for Interim and Final Orders (A) Authorizing Payment of Certain Prepetition Workforce Obligations, (B) Authorizing Continuance of Workforce Programs, (C) Authorizing Payment of Withholding and Payroll-Related Taxes, and (D) Authorizing Payment of Prepetition Claims Owing to Workforce Program Administrators or Providers*, filed contemporaneously herewith.

- (a) **Sales and Use Taxes.** The Debtors incur, collect, and remit sales taxes to the Taxing Authorities, in connection with the sale and distribution of products in their stores and through online orders. Additionally, the Debtors purchase a variety of products and materials necessary for the operation of their business from vendors who may not operate in the state where the property is to be delivered and, therefore, do not charge the Debtors sales tax in connection with such purchases. In these cases, applicable law generally requires the Debtors to subsequently pay use taxes on such purchases to the applicable Taxing Authorities. Accordingly, the Debtors seek authority to pay and remit any such prepetition sales and use taxes to the relevant Taxing Authorities.
- (b) **Income Taxes.** In the ordinary course of operating their businesses, the Debtors incur international, federal, state and local income taxes. The Debtors believe they are current with respect to payment of income taxes, but out of an abundance of caution seek authority to pay any prepetition income taxes.
- (c) **Franchise Taxes / Business Fees.** The Debtors are required to pay various franchise taxes, business licensing and related fees required to conduct business in jurisdictions in which the Debtors operate.
- (d) **Property Taxes.** State and local laws in the jurisdictions where the Debtors operate generally grant Taxing Authorities the power to levy property taxes against the Debtors' real and personal property. To avoid the imposition of statutory liens on their real and personal property, the Debtors typically pay property taxes in the ordinary course of business.
- (e) **Rent Taxes.** The Debtors incur commercial rent taxes related to their store locations in the borough of Manhattan, New York, NY.
- (g) **Other Taxes.** The Debtors incur additional taxes and fees including bag taxes, sugar taxes, and miscellaneous taxes not accounted for in the above categories which the Debtors are required to pay to Taxing Authorities.

11. Although, as of the Petition Date, the Debtors are substantially current in the payment of assessed and undisputed Taxes and Fees, certain Taxes and Fees attributable to the prepetition period may not yet have become due and owing or may be or become subject to audit by the applicable Taxing Authority. The Debtors' estimate of Taxes and Fees accrued prior to the Petition Date is as follows:<sup>6</sup>

---

<sup>6</sup> Due to the COVID-19 pandemic, certain jurisdictions where the Debtors operate have granted extensions on tax obligations including income tax payments. As a result, it is unclear when and in what amount certain Taxes

<b>Category</b>	<b>Approximate Amount Accrued as of Petition Date</b>	<b>Approximate Amount Due Within 21 Days</b>
Sales and Use Taxes	\$ 7,080,000	\$ 3,981,000
Income Taxes	\$ 1,190,000	\$ 969,000
Franchise Taxes / Business Fees	\$ 700,000	\$ 494,000
Property Taxes	\$ 1,170,000	\$ 302,000

Other Taxes	\$ 110,000	\$ 31,000
<b>Total</b>	<b>\$ 10,280,000</b>	<b>\$ 5,799,000</b>

12. Continuing to pay the Taxes and Fees as they come due will preserve the resources of the Debtors' estates and advance the Debtors' goal of a successful restructuring. If the Taxes and Fees are not timely paid, the Debtors may be required to spend time and incur attorneys' fees and other costs to resolve a multitude of related issues, each turning on the particular terms of applicable laws, including whether (a) the obligations are priority, secured, or unsecured in nature, (b) the obligations are proratable or fully prepetition or postpetition, and (c) penalties, interest, attorneys' fees, and costs can continue to accrue on a postpetition basis and, if so, whether such penalties, interest, attorneys' fees, and costs are priority, secured, or unsecured in nature.

13. These Chapter 11 Cases are complicated due to the nature of the Debtors' business and the particulars of the Debtors' capital structure, and the Debtors' focus should be on addressing their operational and financial issues in a manner that will maximize recoveries. In

---

and Fees payable by the Debtors may come due. The Debtors request authorization to pay all Taxes and Fees as they come due in the ordinary course of business.

this context, paying the Taxes and Fees carries relatively insignificant costs and will have no meaningful effect on the recoveries of creditors in the Chapter 11 Cases, particularly in view of the priority or secured status associated with such obligations. Moreover, the payment amount will likely be offset in no small part by the amount of postpetition resources that the Debtors will conserve by obviating the need to spend time and money to address disputes with the Taxing Authorities.

14. Nonpayment or delayed payment of the Taxes and Fees may also subject the Debtors to efforts by certain Taxing Authorities, whether or not permissible under the Bankruptcy Code, to revoke the Debtors' licenses and other privileges either on a postpetition or postconfirmation basis. Moreover, certain of the Taxes and Fees may be considered to be obligations as to which the Debtors' officers and directors may be held directly or personally liable in the event of nonpayment. These collection efforts by the Taxing Authorities would create obvious distractions for the Debtors and their officers and directors in their efforts to bring the Chapter 11 Cases to a successful conclusion. Accordingly, the Debtors believe the relief requested herein is both essential to continue ongoing operations without disruption and in the best interests of the Debtors, their estates, and all interested parties.

15. Certain of the Taxing Authorities may not have been paid or may have been sent checks and/or fund transfers for Taxes and Fees that may or may not have been presented or cleared as of the Petition Date. Similarly, in other cases, Taxes and Fees have accrued or are accruing, but have not yet become due and payable and, thus, any checks or fund transfers will be issued on a postpetition basis. Accordingly, the Debtors request entry of the Interim and Final Orders authorizing their banks and other financial institutions to receive, process, honor pay and, if necessary, reissue all prepetition and postpetition checks and fund transfers, including

prepetition checks and electronic payment and transfer requests that the Debtors reissue or rerequest postpetition, issued by the Debtors in payment of Taxes and Fees that had not been honored and paid as of the Petition Date and authorizing the Debtors' banks and financial institutions to rely on the representations of the Debtors as to which checks and fund transfers should be honored and paid in respect of Taxes and Fees, provided that sufficient funds are on deposit in the applicable accounts to cover such payments.

### **BASIS FOR RELIEF**

#### **I. CERTAIN OF THE TAXES AND FEES MAY BE SECURED OR PRIORITY CLAIMS UNDER THE BANKRUPTCY CODE.**

16. To the extent that the Taxes and Fees are priority claims pursuant to section 507(a)(8) of the Bankruptcy Code, or secured claims pursuant to section 506(a) of the Bankruptcy Code, their payment should be authorized on the basis that they are required to be paid in full as a condition to satisfying the plan confirmation requirements under section 1129 of the Bankruptcy Code or, in any event, that they would be entitled to payment before any prepetition non-priority unsecured claim. And in fact, the Debtors believe that the vast majority of the Taxes and Fees constitute either priority claims under section 507(a)(8) or secured claims under section 506(a) of the Bankruptcy Code. Therefore, the Debtors' payment of the Taxes and Fees now, will likely affect only the timing of the payments and not the amounts to be received by the Taxing Authorities. Moreover, by paying legitimate tax claims now, the Debtors will avoid any unnecessary fees, interest, or penalties that might otherwise be asserted. Other creditors and parties in interest, therefore, will not be prejudiced—and, indeed, will ultimately benefit—if the relief sought herein is granted by this Court.

## **II. PAYING THE TAXES AND FEES IS A SOUND EXERCISE OF BUSINESS JUDGMENT AND SHOULD BE APPROVED.**

17. This Court may also authorize the Debtors to pay the Taxes and Fees under sections 363(b) of the Bankruptcy Code. Section 363(b) of the Bankruptcy Code provides, in relevant part, that a debtor “may use, sell, or lease, other than in the ordinary course of business, property of the estate” after notice and a hearing. 11 U.S.C. § 363(b)(1). Generally, the debtor is only required to “show that a sound business purpose” justifies the proposed use of property. *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999); *see also In re Phx. Steel Corp.*, 82 B.R. 334, 335–36 (Bankr. D. Del. 1987) (requiring “good business reason” for use under section 363(b) of the Bankruptcy Code). This standard prohibits other parties from second-guessing the debtor’s business judgment if the debtor has shown that the proposed use will benefit the debtor’s estate. *See In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) (“Where the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor’s conduct.”); *see also In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) (“Overcoming the presumptions of the business judgment rule on the merits is a near-Herculean task.”).

18. Failure to pay the Taxes and Fees to the Taxing Authorities in full and on time, thereby risking the cessation of normal relations between the Taxing Authorities and the Debtors, would harm the Debtors’ estates to a far greater extent than the amount of the prepetition Taxes and Fees owing. Foremost, the Taxing Authorities could determine to take precipitous action, including a marked increase in audits, a flurry of lien filings, and significant administrative maneuvering at the expense of the Debtors’ time and resources. Prompt and regular payment of

the Taxes and Fees will avoid this unnecessary governmental action. Thus, paying the Taxes and Fees reflects a sound exercise of the Debtors' business judgment.

### **III. PAYING THE TAXES AND FEES IS NECESSARY TO THE SUCCESS OF THESE CHAPTER 11 CASES AND SHOULD BE APPROVED**

19. In addition, the Debtors should be authorized to pay the Taxes and Fees because doing so is necessary to the success of these chapter 11 cases. Section 105(a) of the Bankruptcy Code provides that a bankruptcy court “may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions” of the Bankruptcy Code. 11 U.S.C. § 105(a). Courts have interpreted this provision to authorize payments on prepetition claims where the payments are essential to the success of the debtor's chapter 11 process under what is known as the “necessity of payment doctrine.” *See In re Lehigh & New Eng. Ry.*, 657 F.2d 570, 581 (3d Cir. 1981) (“Thus, the ‘necessity of payment’ doctrine...teaches no more than, if a payment of a claim which arose prior to reorganization is essential to the continued operation of the [debtor's business] during reorganization, payment may be authorized...”); *see also In re Just for Feet, Inc.*, 242 B.R. 821, 824–25 (D. Del. 1999) (holding that section 105(a) “provides a statutory basis for payment of pre-petition claims” under necessity of payment doctrine); *In re Columbia Gas Sys., Inc.*, 171 B.R. 189, 191-92 (Bankr. D. Del. 1994) (“The appropriate standard...is commonly referred to as ‘the necessity of payment doctrine.’”).

20. Because of the adverse consequences that could follow if the Taxes and Fees are not paid, doing so is necessary to the Debtors' reorganization efforts. The Debtors' very ability to continue operations in jurisdictions where the Taxes and Fees are not paid could be jeopardized. Even where the consequences are not so severe, the potential for disruption, distraction, and incurring unnecessary costs is very real and could thwart the Debtors'

restructuring efforts. Accordingly, the Debtors should be authorized to pay the Taxes and Fees under section 105(a) of the Bankruptcy Code and the necessity of payment doctrine.

#### **IV. CERTAIN “TRUST FUND” TAXES ARE NOT PROPERTY OF THE DEBTORS’ ESTATES AND SHOULD BE AUTHORIZED TO BE PAID**

21. Certain of the Taxes and Fees may constitute so-called “trust fund” taxes, which are required to be collected from third parties and held in trust for payment to the Taxing Authorities. Such taxes are not considered property of the estates under section 541(d) of the Bankruptcy Code. *See, e.g., Begier v. Internal Revenue Serv.*, 496 U.S. 53, 59 (1990); *City of Farrell v. Sharon Steel Corp.*, 41 F.3d 92, 97 (3d Cir. 1994) (holding that income required to be withheld by city ordinance and state law is held “in trust” for the taxing authority); *DeChiaro v. N.Y. State Tax Comm’n*, 760 F.2d 432, 433-34 (2d Cir. 1985) (holding that a sales tax that is required by state law to be collected by sellers from their customers is a “trust fund” tax). The Debtors, therefore, arguably have no equitable interest in the applicable Taxes and Fees that are trust fund taxes, are obligated to pay over the collected amounts, and should be authorized to do so.

#### **V. ABSENT THE REQUESTED RELIEF, THE DEBTORS’ OFFICERS AND DIRECTORS MAY BE PERSONALLY LIABLE FOR NON-PAYMENT OF CERTAIN TAXES AND FEES**

22. Additionally, under the laws of many states, officers and directors may be held directly or personally liable for the nonpayment of certain of these taxes. It is in the best interest of the Debtors’ estates to eliminate the possibility that officers and directors will become subject to time-consuming and potentially damaging distractions.

23. These Chapter 11 Cases are complicated due to, among other things, the nature and geographic scope of the Debtors’ businesses, and the Debtors’ focus should be on addressing their operational and financial issues in a manner that will maximize recoveries. In this context,

the payment of the Taxes and Fees is insignificant and will have no meaningful effect on the recoveries of creditors in these Chapter 11 Cases, particularly in view of the priority or secured status of a significant portion of such obligations. Moreover, the payment amount will likely be offset in no small part by the amount of postpetition resources that the Debtors will conserve by obviating the need to spend time and money to address disputes with the Taxing Authorities that are unnecessary and wasteful of the resources of the Debtors and this Court.

#### **VI. PRECEDENT CASES SUPPORT THE GRANTING OF THE REQUESTED RELIEF**

24. The relief requested in this Motion is similar to relief granted by numerous courts, including this court in other chapter 11 cases in this district. *See, e.g., In re Hexion Holdings LLC*, Case No. 19-10684 (KG) (Bankr. D. Del. Apr. 2, 2019) (authorizing debtors to pay prepetition taxes and fees in the ordinary course of business); *In re Imerys Talc America Inc.*, Case No. 19-10289 (LSS) (Bankr. D. Del. Feb. 13, 2019) (same); *In re J & M Sales Inc.*, Case No. 18-11801 (LLS); (Bankr. D. Del. Aug. 27, 2018) (same); *In re Samuels Jewelers, Inc.*, Case No. 18-11818(KJC) (Aug. 8, 2018) (same); *In re Enduro Res. Partners LLC*, Case No. 18-11174 (KG) (Bankr. D. Del. Jun. 8, 2018) (same); *In re Claire's Stores, Inc.*, Case No. 18-10584 (MFW) (Bankr. D. Del. Apr. 17, 2018) (same).

#### **PROCESSING OF CHECKS AND ELECTRONIC FUND TRANSFERS SHOULD BE AUTHORIZED**

25. The Debtors have sufficient funds to pay any amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to debtor-in-possession financing and cash collateral. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Taxes and Fees. Accordingly, the Debtors believe there is minimal risk that checks or wire transfer

requests that the Court has not authorized will be inadvertently made. Therefore, the Debtors respectfully request that the Court authorize all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

**BANKRUPTCY RULE 6003 HAS BEEN SATISFIED AND  
BANKRUPTCY RULE 6004 SHOULD BE WAIVED**

26. Certain aspects of the relief requested herein are subject to Bankruptcy Rule 6003, which governs the availability of certain types of relief within 21 days after the Petition Date. Pursuant to Bankruptcy Rule 6003, a court may grant this relief on an expedited basis if it is necessary to avoid immediate and irreparable harm. The Debtors submit that the facts set forth herein and in the First Day Declaration demonstrate that the relief requested is necessary to avoid immediate and irreparable harm to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied.

27. Additionally, with respect to any aspect of the relief sought herein that constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a), to the extent not satisfied, and of the fourteen-day stay under Bankruptcy Rule 6004(h). As described above, the relief that the Debtors seek in this Motion is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates. The Debtors thus submit that the requested waiver of the notice requirements of Bankruptcy Rule 6004(a) and of the fourteen-day stay imposed by Bankruptcy Rule 6004(h) is appropriate.

**RESERVATION OF RIGHTS**

28. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other

applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

#### **NOTICE**

29. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange Commission; (n) the United States Drug Enforcement Agency; (o) the United States Food and Drug Administration; (p) the Taxing Authorities and (q) all parties requesting notice pursuant to Bankruptcy Rule 2002. Notice of this Motion and any order entered hereon will be

served in accordance with Local Rule 9013-1(m). The Debtors submit that, under the circumstances, no other or further notice is required.

*[Remainder of page intentionally left blank.]*

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Orders, granting the relief requested in this Motion and such other relief as may be just and proper.

4. The Debtors' rights to contest the amounts of any Taxes and Fees on any grounds they deem appropriate are reserved and extend to the payment of Taxes and Fees relating to tax audits that have been completed, are in progress, or arise from prepetition periods.

5. Nothing in the Motion or this Interim Order shall be construed as impairing the Debtors' right to contest the validity, amount, or priority of any Taxes and Fees allegedly due or owing to any Taxing Authorities, or any claim or lien against the Debtors and all of the Debtors' rights with respect thereto are hereby reserved.

6. The Debtors' banks and financial institutions shall be, and are hereby authorized, when requested by the Debtors, to process, honor, pay, and, if necessary, reissue any and all checks and electronic fund transfers, including prepetition checks and electronic payment and transfer requests that the Debtors reissue or re-request postpetition, drawn on the Debtors' bank accounts relating to the Taxes and Fees, whether those checks were presented prior to or after the Petition Date, provided that sufficient funds are available in the applicable accounts to make the payments.

7. The Debtors' banks and financial institutions may rely on the representations of the Debtors with respect to whether any check or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to this Interim Order, and any such bank or financial institution shall not have any liability to any party for relying on such representations by the Debtors as provided for in this Interim Order.

8. Nothing in the Motion or this Interim Order, or the Debtors' payment of any claims pursuant to this Interim Order, shall be construed as: (i) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (ii) a waiver of the Debtors' rights to Dispute any claim or lien on any grounds; (iii) a promise to pay any claim; (iv) an implication or admission that any particular claim would constitute an allowed claim; (v) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code; or (vi) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to this Interim Order. 9. Notwithstanding anything contained in the Motion or this Interim Order, any payment made, and any authorization of the Debtors contained herein shall be subject to the terms and conditions contained in any interim or final orders entered by this Court authorizing the Debtors to obtain debtor-in-possession financing and/or authorizing the use of cash collateral (each such order, a "***DIP Order***"), the documentation in respect of any such debtor-in-possession financing or use of cash collateral, and any budget in connection with any such debtor-in-possession financing and/or use of cash collateral. To the extent there is any inconsistency between the terms of the DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP Order shall control.

10. Neither the provisions contained herein, nor any actions or payments made by the Debtors pursuant to this Interim Order shall be deemed an admission as to the validity of any

underlying obligation or a waiver of any rights the Debtors may have to dispute such obligation on any ground that applicable law permits.

11. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable this Interim Order shall be effective and enforceable immediately upon entry hereof.

12. The requirements set forth in Bankruptcy Rule 6004(a) are hereby waived.

authorizing the Debtors to abandon the personal property located at the premises related to the Rejection Leases (collectively, the “*Premises*”) as of the Petition Date.

### **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “*Local Rules*”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 365(a) and 554(a) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “*Bankruptcy Code*”), and Rules 6006 and 6007 of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”).

### **BACKGROUND**

3. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “*Chapter 11 Cases*”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies' Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the "**First Day Declaration**")<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

### **MOTION SPECIFIC BACKGROUND**

6. As described in detail in the First Day Declaration, the Debtors have today filed these Chapter 11 Cases amid an unprecedented health crisis with difficult social, political and economic implications. While the Debtors would have preferred to wait out the current instabilities of the financial markets and retail industry, they simply could not afford to do so. The relief sought in this Motion is critical to preserve liquidity and maintain the Debtors' viability as a going concern.

#### **I. THE REJECTION LEASES**

7. As of the Petition Date, the Debtors are parties to approximately 3,616 real property leases in the United States, Canada and Puerto Rico, 772 of which are subleased to 330 franchisees. As part of their ongoing restructuring efforts, the Debtors are engaging in a comprehensive review

---

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court's website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors' proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/gnc>.

and analysis of their lease portfolio. After careful evaluation, the Debtors have identified 48 stores to be rejected (the “*Rejection Stores*”). As such, the Debtors have determined, in the exercise of their business judgment, that it is in the best interests of their estates to seek authority to reject the Rejection Leases associated with the Rejection Stores as of the Petition Date. Rejecting the Rejection Leases will allow the Debtors to avoid the accrual of unnecessary administrative expenses with no foreseeable benefits to the Debtors’ estates. Moreover, given the obligations under the Rejection Leases and current market conditions, the Debtors have concluded, in consultation with their advisors, that the Rejection Leases are not marketable and are unlikely to generate material value for the Debtors’ estates.

8. On June 18, 2020, the Debtors sent letters to each landlord counterparty (the “*Landlords*”) to the Rejection Leases, which were delivered no later than the Petition Date, notifying them that the Debtors were unequivocally surrendering possession of the Premises and abandoning any Debtor-owned personal property in conjunction therewith as of such time.

## **II. REMAINING PROPERTY**

9. Certain Rejection Stores store property that belongs to the Debtors, including, but not limited to, inventory, books and records, equipment, fixtures, furniture and other personal property (the “*Remaining Property*”). Before the Debtors vacated the Premises, the Debtors evaluated the Remaining Property located at the Premises and determined that (a) the Remaining Property is of inconsequential value or (b) the cost of removing and storing the Remaining Property for future use, marketing, or sale exceeded its value to the Debtors’ estates. Because the Debtors have no intent to operate the stores at the Premises, the Remaining Property will no longer be necessary for the administration of the Debtors’ estates.

10. Accordingly, to reduce postpetition administrative costs and in the exercise of the Debtors' sound business judgment, the Debtors believe that the abandonment of the Remaining Property is appropriate and in the best interests of the Debtors, their estates, and their creditors.

### **BASIS FOR RELIEF**

#### **I. REJECTION OF THE REJECTION LEASES REFLECTS THE DEBTORS' SOUND BUSINESS JUDGMENT.**

11. Section 365(a) of the Bankruptcy Code provides that a debtor, "subject to the court's approval, may assume or reject any executory contract or unexpired lease of the debtor." 11 U.S.C. § 365(a). The purpose behind section 365(a) is "to permit the trustee or debtor-in-possession to use valuable property of the estate and to renounce title to and abandon burdensome property." *In re Republic Airways Holdings Inc.*, 547 B.R. 578, 582 (Bankr. S.D.N.Y. 2016) (quoting *In re Orion Pictures Corp. v. Showtime Networks, Inc. (In re Orion Pictures Corp.)*, 4 F.3d 1095, 1098 (2d Cir. 1993)); *see also In re Exide Techs.*, 607 F.3d 957, 967 (3d Cir. 2010) ("Courts may use § 365 to free a [debtor] from burdensome duties that hinder its reorganization."); *N.L.R.B. v. Bildisco and Bildisco (In re Bildisco)*, 465 U.S. 513, 528 (1984) ("[t]he authority to reject an executory contract is vital to the basic purpose to a Chapter 11 reorganization, because rejection can release the debtor's estate from burdensome obligations that can impede a successful reorganization."). Pursuant to Bankruptcy Rule 6006(f), a trustee or debtor in possession may file a motion for the authority to reject multiple leases. Fed. R. Bankr. P. 6006(f).

12. The standard applied by courts to determine whether the assumption or rejection of an unexpired nonresidential lease should be authorized is the "business judgment" test, which requires a debtor to have determined that the requested assumption or rejection would be beneficial to its estate. *See Grp. Of Institutional Inv'rs v. Chi., Milwaukee St. Paul & Pac. R.R.*, 318 U.S. 523, 550 (1943) (noting that "the question whether a lease should be rejected...is one of business

judgment”); *In re Bildisco*, 682 F.2d 72, 79 (3d Cir. 1982), *aff’d*, 465 U.S. 513 (“The usual test for rejection of an executory contract is simply whether rejection would benefit the estate, the ‘business judgment’ test.”); *accord In re HQ Glob. Holdings, Inc.*, 290 B.R. 507, 511 (Bankr. D. Del. 2003).

13. In applying the business judgment standard, bankruptcy courts give deference to a debtor’s decision to assume or reject leases. *See, e.g., Sharon Steel Corp. v. Nat’l Fuel Gas Distrib. Corp.*, 872 F.2d 36, 39-40 (3d Cir. 1989) (affirming the rejection of a service agreement as a sound exercise of the debtor’s business judgment when the bankruptcy court found that such rejection would benefit the debtors’ estate); *In re Trans World Airlines, Inc.*, 261 B.R. 103, 121 (Bankr. D. Del. 2001) (“[A] debtor’s decision to reject an executory contract must be summarily affirmed unless it is the product of bad faith, or whim, or caprice.”).

14. Rejection of the Rejection Leases is well within the Debtors’ business judgment and will serve to maximize the value of their estates. The Debtors seek authority to reject the Rejection Leases to avoid the incurrence of any additional unnecessary expenses related to the Rejection Leases and the maintenance of the Rejection Stores. The Debtors have concluded that the cost of maintaining the Rejection Stores outweighs any revenues that the Rejection Stores currently generate or are likely to generate in the future.

15. After evaluation and analysis, the Debtors have determined, in the exercise of their sound business judgment, that there is no net benefit that is likely to be realized from the Debtors’ continued efforts to retain and potentially market the Rejection Leases and that there is little, if any, likelihood that the Debtors will be able to realize value from the Rejection Leases. Accordingly, the Debtors have concluded that rejection of the Rejection Leases is in the best interest of the Debtors’ estates, their creditors, and other parties in interest.

**II. THE COURT SHOULD DEEM THE REJECTION LEASES REJECTED EFFECTIVE AS OF THE PETITION DATE AND AUTHORIZE DEBTORS TO ABANDON THE REMAINING PROPERTY.**

16. Section 365 of the Bankruptcy Code does not restrict a bankruptcy court from applying rejection retroactively. *See In re Jamesway Corp.*, 179 B.R. 33, 37 (S.D.N.Y. 1995) (stating that section 365 does not include “restrictions as to the manner in which the court can approve rejection”); *see also In re CCI Wireless, LLC*, 297 B.R. 133, 138 (D. Colo. 2003) (noting that section 365 “does not prohibit the bankruptcy court from allowing the rejection of leases to apply retroactively”).

17. Courts have held that a bankruptcy court may, in its discretion, authorize rejection retroactively to a date prior to entry of an order authorizing such rejection where the balance of equities favors such relief. *See In re Thinking Machs. Corp.*, 67 F.3d 1021, 1029 (1st Cir. 1995) (stating that “rejection under section 365(a) does not take effect until judicial approval is secured, but the approving court has the equitable power, in suitable cases, to order a rejection to operate retroactively”); *In re Chi-Chi’s, Inc.*, 305 B.R. 396, 399 (Bankr. D. Del. 2004) (stating “the court’s power to grant retroactive relief is derived from the bankruptcy court’s equitable powers so long as it promotes the purposes of § 365(a)”; *In re CCI Wireless, LLC*, 297 B.R. at 140 (holding that a “court has authority under section 365(d)(3) to set the effective date of rejection at least as early as the filing date of the motion to reject”).

18. Here, the equities of these Chapter 11 Cases favor the Court’s approval of the retroactive rejection of the Rejection Leases to the Petition Date. Without such relief, the Debtors will potentially incur unnecessary administrative expenses related to the Rejection Leases—agreements that provide no benefit to the Debtors’ estates in light of their goal to maximize value of the business as a going concern. *See* 11 U.S.C. § 365(d)(3).

19. Moreover, the Landlords will not be unduly prejudiced if the Rejection Leases are rejected effective as of the Petition Date because the Debtors have served this Motion on the Landlords and/or their agents or representatives by electronic mail and/or facsimile, on the date hereof, and by overnight mail, the following day, stating that the Debtors intend to reject the Rejection Leases effective as of the Petition Date. Furthermore, the Debtors have, on or before the date hereof, turned over the keys to the Premises to the Landlords or their representatives and abandoned the Premises, and in conjunction therewith indicated that they were unequivocally surrendering possession of the Premises as a result thereof. Therefore, based on the Debtors' desire to eliminate the potential for administrative claims against their estates, and to avoid the potential accrual of any further obligations under the Rejection Leases, the Debtors respectfully submit that the retroactive rejection of the Rejection Leases as of the Petition Date is appropriate.

20. Further, the abandonment of the Remaining Property is appropriate and authorized by the Bankruptcy Code. *See* 11 U.S.C. § 554(a). Section 554(a) provides that “[a]fter notice and a hearing, the trustee may abandon any property of the estate that is burdensome to the estate or that is of inconsequential value and benefit to the estate.” *Id.* Courts generally give a debtor in possession great deference to its decision to abandon property. *See In re Vel Rey Props., Inc.*, 174 B.R. 859, 867 (Bankr. D.D.C. 1994) (“Clearly, the court should give deference to the trustee’s judgment in such matters.”). Unless certain property is harmful to the public, once a debtor has shown that it is burdensome or of inconsequential value to the estate, a court should approve the abandonment. *Id.*

21. Before deciding to abandon any Remaining Property, the Debtors determined that the costs of moving and storing such Remaining Property outweighed any benefit to the Debtors’

estates. Further, any efforts by the Debtors to move or market the Remaining Property would have unnecessarily delayed the Debtors' rejection of the Rejection Leases.

22. Accordingly, the Debtors respectfully submit that the Court deem the Rejection Leases rejected effective as of the Petition Date and authorize the Debtors to abandon the Remaining Property as of such date.

### **RESERVATION OF RIGHTS**

23. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (f) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law.

### **NOTICE**

24. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange

Commission; (n) the United States Drug Enforcement Agency; (o) the United States Food and Drug Administration; (p) the counterparties to the Rejection Leases (via overnight mail) and (q) all parties requesting notice pursuant to Bankruptcy Rule 2002. The Debtors submit that, under the circumstances, no other or further notice is required.

*[Remainder of page intentionally left blank.]*

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Order, granting the relief requested in this Motion and such other relief as may be just and proper.

as the method for resolving disputes regarding adequate assurance of payment to Utility Companies, (c) prohibiting the Utility Companies from altering, refusing, or discontinuing services to or discriminating against the Debtors except as may be permitted by the proposed procedures, and (d) authorizing payment of any prepetition Service Fees (as defined below).

2. In addition, the Debtors request that the Court authorize all banks and financial institutions to receive, process, honor, pay, and, if necessary, reissue all prepetition and postpetition checks, including prepetition checks and electronic payment and transfer requests that the Debtors reissue or re-request postpetition, drawn on the bank accounts used by the Debtors to satisfy their obligations in connection with the Service Fees approved herein, upon receipt by each bank or financial institution of notice of such authorization, provided that sufficient funds are on deposit in the applicable accounts to cover such payments. The Debtors additionally request that the Court authorize them to issue new postpetition checks to replace any checks that may nevertheless be dishonored and to reimburse any expenses that the Payment Processor (as defined below) may incur as a result of any bank's failure to honor a prepetition check.

### **JURISDICTION**

3. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the "**Local Rules**"), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C.

§§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a) and 366 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “*Bankruptcy Code*”) and rule 6003 of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”).

### **BACKGROUND**

4. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “*Chapter 11 Cases*”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

5. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies’ Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

6. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the “*First Day Declaration*”)<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

## **THE UTILITY SERVICES AND THE PROPOSED ADEQUATE ASSURANCE**

7. The Debtors use utility services such as electricity, water, telephone, internet, and other similar products and services (the “*Utility Services*”) across the United States and Canada in their headquarters, manufacturing and distribution centers, and thousands of retail locations. The Utility Services are provided by a number of different providers who provide services to the Debtors directly or indirectly through a landlord (each a “*Utility Company*,” and, collectively, the “*Utility Companies*”). A list of the Utility Companies and the Utility Services they provide is attached to this Motion as **Exhibit C**.<sup>4</sup> As used herein, the Utility Companies do not include any utility provider the Debtors pay through rent payments, though it may include certain landlords that the Payment Processor (as defined herein) pays on the Debtors’ behalf for Utility Services.

8. Uninterrupted Utility Services are essential to the Debtors’ ongoing business operations and the overall success of the Chapter 11 Cases. Without Utility Services at any of their operating locations, the Debtors’ businesses could be negatively affected and value could be lost to their estates, whether in the form of lost sales in their stores, supply chain problems leading to increased costs, or management disruptions causing any number of problems in the Debtors’ complex, multinational operations.

9. In general, the Debtors have established satisfactory payment histories with the Utility Companies and payments have been made on a regular and timely basis. To the best of the Debtors’ knowledge, there are no material defaults or arrearages with respect to invoices for prepetition Utility Services as of the Petition Date. To facilitate timely and efficient processing and payment of invoices with respect to the Utility Services, the Debtors contract, in the ordinary

<sup>4</sup> For the avoidance of doubt, the presence or absence of the name of any party in **Exhibit C** shall not constitute an admission or stipulation of any kind by the Debtors, including that any party is or is not a “utility” within the meaning of section 366 of the Bankruptcy Code.

course of business, with CASS Information Systems, Inc. (the “**Payment Processor**”) to process and remit payments to certain Utility Companies on the Debtors’ behalf. The Payment Processor receives, processes, and reviews applicable utility bills and submits to the Debtors a master invoice on account of unpaid and processed utility bills in exchange for a fee of \$1.45 per invoice (the “**Service Fees**”). Following a review of each such invoice, the Debtors remit payment to the Payment Processor and the Payment Processor arranges for payment to the applicable Utility Companies. The Debtors remit Service Fees related to Utility Services provided in the United States each business day and remit Service Fees related to Utility Services provided in Canada on a monthly basis. During the twelve months preceding the Petition Date, the Debtors remitted approximately \$9,000 per month in Service Fees to the Service Provider. As of the Petition Date, the Debtors estimate that approximately \$2,915 in Service Fees remain outstanding and payable, all of which will come due and owing during the first 21 days following the Petition Date.

10. The Debtors intend to pay all postpetition obligations owed to the Utility Companies in the ordinary course of business and in a timely manner. Nevertheless, to provide additional assurance of payment for future services to the Utility Companies, the Debtors will deposit approximately \$947,000, which is an amount equal to approximately fifty percent (50%) of the Debtors’ historical average monthly costs of Utility Services provided by the Utility Companies based on the twelve months before the Petition Date (the “**Adequate Assurance Deposit**”),<sup>5</sup> into an existing, segregated, interest-bearing account at JPMorgan Chase Bank, N.A. in the name of Debtor GNC Holdings, Inc., with last four digits 7167,<sup>6</sup> within twenty (20) days of

<sup>5</sup> For the avoidance of doubt, the Debtors are not providing any adequate assurance deposits on account any party who Debtors pay indirectly for Utility Services through rent payments.

<sup>6</sup> More information on the Debtors’ bank accounts and cash management system are set forth in the *Motion of Debtors for Orders (A) Authorizing Continued Use of Existing Cash Management System, Including Maintenance of Existing Bank Accounts, Checks, and Business Forms, (B) Authorizing Continuation of Existing Deposit*

the Petition Date.<sup>7</sup> The balance of the Adequate Assurance Deposit will be maintained during the Chapter 11 Cases, subject to adjustment by the Debtors to account for the termination or beginning of new Utility Services or entry into other arrangements with respect to adequate assurance of payment reached with individual Utility Companies.

11. The Debtors propose that the Adequate Assurance Deposit may be adjusted and/or reduced by the Debtors to account for any of the following: (i) the extent to which the Adequate Assurance Deposit includes any amount on account of a company that the Debtors subsequently determine is not a “utility” within the meaning of section 366 of the Bankruptcy Code, (ii) the termination of a Utility Service by a Debtor regardless of any Additional Adequate Assurance Request (as defined below), (iii) the closure of a utility account with a Utility Company for which funds have been contributed for the Adequate Assurance Deposit, or (iv) any other arrangements with respect to adequate assurance of payment reached by a Debtor with individual Utility Companies; *provided*, that, with respect to the Debtors’ termination of a Utility Service or closure of a utility account with a Utility Company, the Debtors may adjust and/or amend the balance of the Adequate Assurance Deposit upon reconciliation and payment by the Debtors of such Utility Company’s final invoice in accordance with applicable nonbankruptcy law, to the extent that there are no outstanding disputes related to postpetition payments due.

12. The Debtors submit that the Adequate Assurance Deposit, in conjunction with the Debtors’ ability to pay for future Utility Services in the ordinary course of business, constitutes sufficient adequate assurance to the Utility Companies. If any Utility Company believes that

additional assurance is required, it may request the assurance pursuant to the following procedures (the “*Additional Assurance Procedures*”):

- (a) Except as provided by the Additional Assurance Procedures, the Utility Companies are forbidden to (i) alter, refuse, or discontinue services to, or discriminate against, the Debtors on account of unpaid prepetition invoices or any objections to the Debtors’ Adequate Assurance Deposit or due to the commencement of the Chapter 11 Cases or (ii) require the Debtors to pay a deposit or other security in connection with the provision of postpetition Utility Services, other than the establishment of the Adequate Assurance Deposit.
- (b) The Debtors shall serve on the Utility Companies (i) copies of this Motion and the Interim Order within forty-eight (48) hours after the entry thereof and (ii) a copy of the Final Order within forty-eight (48) hours after the entry thereof.
- (c) In the event that a Utility Company asserts that the Adequate Assurance Deposit is not adequate assurance of payment as contemplated by section 366(c)(2) of the Bankruptcy Code, that Utility Company shall serve a written request (an “*Additional Assurance Request*”) for adequate assurance in addition to or in lieu of its rights in the Adequate Assurance Deposit. All Additional Assurance Requests shall be delivered by mail and email (where available) to each Utility Notice Party.<sup>8</sup>
- (d) Any Additional Assurance Request must (i) set forth the location(s) for which Utility Services are provided, (ii) set forth the account number(s) for which Utility Services are provided, (iii) include a summary of the Debtors’ payment history relevant to the affected account(s), including any security deposit(s), (iv) set forth what the Utility Company would accept as satisfactory adequate assurance of payment, and (v) provide a facsimile

number and an email address to which the Debtors may respond to the Additional Assurance Request.

- (e) Upon the Debtors' receipt of an Additional Assurance Request, the Debtors shall promptly negotiate with the Utility Company to resolve the Additional Assurance Request.
- (f) Without further order of the Court or notice to the Court and after consultation with counsel to the Ad Hoc Group of Crossover Lenders and the Ad Hoc FILO Term Lender Group, the Debtors may resolve an Additional Assurance Request by entering into agreements granting additional assurance to the requesting Utility Company if the Debtors agree to alternative provisions with the Utility Company; provided however, that the Debtors shall maintain a summary record of such agreements and their respective terms, to be made available, on request, to (i) counsel to the agent for the Debtors' postpetition financing facility, (ii) any statutory committee appointed in these Chapter 11 Cases, and (iii) the U.S. Trustee.
- (g) If the Debtors are not able to reach a resolution with the Utility Company within ten (10) days of the Debtors' receipt of an Additional Assurance Request (or such later date as agreed to by the Debtors and the requesting Utility Company), the Debtors shall request a hearing (the "**Determination Hearing**") before this Court to determine the adequacy of assurance of payment with respect to the particular Utility Company pursuant to section 366(c)(3) of the Bankruptcy Code.
- (h) The Determination Hearing shall be an evidentiary hearing at which the Court shall determine whether the Adequate Assurance Deposit and the additional assurance of payment requested by the Utility Company should be modified pursuant to section 366(c)(3)(A) of the Bankruptcy Code. Pending resolution of any Additional Adequate Assurance Request, the Utility Company making such request shall be prohibited from altering, refusing, or discontinuing service to the Debtors, or from discriminating against the Debtors with respect to the provision of Utility Services, on account of unpaid charges for prepetition services, the filing of the Chapter 11 Cases, or any objection to the adequacy of the Additional Adequate Assurance Procedures.
- (i) Any Utility Company that does not serve an Additional Assurance Request in accordance with the Additional Assurance Procedures shall be deemed to have received adequate assurance of payment that is satisfactory to the Utility Company within the meaning of section 366(c)(2) of the Bankruptcy Code.
- (j) All Utility Companies, including subsequently added Utility Companies, shall be prohibited from altering, refusing or discontinuing Utility Services

to the Debtors, or from discriminating against the Debtors with respect to the provision of Utility Services, absent further order of this Court.

13. The Debtors request a final hearing on this Motion to be held within thirty (30) days after the Petition Date to ensure that, if a Utility Company argues that the Adequate Assurance Deposit or the Additional Assurance Procedures are not satisfactory and that the Utility Company is entitled to unilaterally alter, refuse, or discontinue Utility Services to the Debtors immediately following the thirtieth (30th) day after the Petition Date, the Debtors will have the opportunity to address these assertions in time to avoid any potential termination of Utility Services.

#### **SUBSEQUENTLY IDENTIFIED UTILITY COMPANIES**

14. The Debtors reserve the right to amend **Exhibit C** attached hereto to add or delete any Utility Company. To the extent that the Debtors subsequently identify any additional Utility Companies that provide Utility Services to them, the Debtors propose to add these Utility Companies to **Exhibit C** and to have the terms of the orders with respect to this Motion apply to any of these Utility Companies. The Debtors will serve on any of the subsequently identified Utility Companies a copy of this Motion and the order entered with respect to this Motion, along with an amended **Exhibit C** that includes these subsequently-added Utility Companies. The Debtors propose that the resolution of any Additional Assurance Request submitted by any newly added Utility Company will occur in accordance with the Additional Assurance Procedures. The Debtors further reserve the right to assert or determine that any of the entities now or hereafter listed on **Exhibit C** is not a “utility” within the meaning of section 366(a) of the Bankruptcy Code.

15. To the extent necessary, the Debtors will increase the Adequate Assurance Deposit by 50 percent of the historical average monthly amount paid to any subsequently-added Utility Companies. Further, the Debtors will withdraw from the Adequate Assurance Deposit any

amounts corresponding to Utility Companies whose Utility Services to the Debtors are terminated or that otherwise are removed from Exhibit C.

### **BASIS FOR RELIEF**

#### **I. The Proposed Adequate Assurance Deposit is Sufficient.**

16. Congress enacted section 366 of the Bankruptcy Code to protect debtors from utility service cutoffs upon a bankruptcy filing while, at the same time, providing utility companies or providers with adequate assurance that the debtors will pay for postpetition services. See H.R. Rep. No. 95-595, at 350 (1978), reprinted in 1978 U.S.C.C.A.N. 5963, 6306. In the context of Chapter 11 Cases, the statutory framework for debtor protections and adequate assurance obligations was modified by the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 (“BAPCPA”) with the addition of section 366(c) of the Bankruptcy Code.

17. Under section 366(c) of the Bankruptcy Code, a utility may alter, refuse or discontinue utility service if a debtor has not provided satisfactory adequate assurance within thirty (30) days of its bankruptcy filing. In addition, section 366(c) of the Bankruptcy Code restricts the factors that a court can consider when determining whether an adequate assurance proposal is, in fact, adequate. Specifically, courts may not consider (a) the absence of a security deposit before the debtor’s petition date, (b) the debtor’s history of timely payments, or (c) the availability of an administrative expense priority, in determining the amount of a deposit. Section 366(c), however, does not limit the court’s ability to determine the amount of payment necessary, if any, to provide adequate assurance. Indeed, section 366(c) of the Bankruptcy Code now gives courts more discretion in determining the amount of payment necessary for adequate assurance than they previously had. Compare 11 U.S.C. § 366(b) (2004) (pre-BAPCPA) (“On request of a party in interest and after notice and a hearing, the court may order reasonable modification of the amount of the deposit or other security necessary to provide adequate assurance.” (emphasis added)), with

11 U.S.C. § 366(c)(3)(A) (2005) (post-BAPCPA) (“On request of a party in interest and after notice and a hearing, the court may order modification of the amount of an assurance payment under paragraph (2).”).

18. The Utility Services are crucial to the Debtors’ operations. Should the Utility Companies refuse or discontinue service, even for a brief period, the Debtors’ business operations would be severely disrupted, and, simultaneously, the Debtors would be forced to address numerous requests by Utility Companies in an unorganized manner at a critical period in the Chapter 11 Cases. By making the Adequate Assurance Deposit and establishing the Additional Assurance Procedures, the Debtors are providing adequate assurance to the Utility Companies and implementing an orderly process to determine any challenges to the adequacy of that adequate assurance, avoiding these potential harms to their estates. The relief requested in this Motion, therefore, is necessary for a smooth transition by the Debtors into chapter 11.

19. Furthermore, the relief requested herein does not undermine the rights of the Utility Companies under the Bankruptcy Code. First, the Adequate Assurance Deposit is one of the acceptable forms of adequate protection set forth in sections 366(b) and 366(c)(1) of the Bankruptcy Code. In other words, the Debtors are not seeking to bypass the limits on forms of security imposed by the Bankruptcy Code. Second, the Utility Companies may exercise their rights under section 366(c)(2) of the Bankruptcy Code in accordance with the Additional Assurance Procedures. Third, whatever rights the Utility Companies have under section 366(c)(3) of the Bankruptcy Code would be preserved.

20. The Debtors maintain that the relief requested herein strikes a fair balance between the rights of Utility Companies and the Debtors’ rights under the Bankruptcy Code and the need to continue to receive the Utility Services upon which their businesses depend.

21. Similar relief to the relief requested herein has been granted by numerous courts in this district subsequent to the 2005 amendments to the Bankruptcy Code. *See, e.g., In re Hexion Holdings LLC*, Case No. 19-10684 (KG) (Bankr. D. Del. Apr. 1, 2019); *In re Imerys Talc Am. Inc.*, Case No. 19-10289 (LSS) (Bankr. D. Del. Feb. 13, 2019); *In re J & M Sales Inc.*, Case No. 18-11801 (LSS) (Bankr. D. Del. ## **II. Payment of Prepetition Service Fees is Warranted Under Sections 363(b) and 105(a) of the Bankruptcy Code.**

22. To the extent that payment of the Service Fees would be deemed to constitute a use of property outside the ordinary course of business, a basis for authorizing such payment is found under section 363 of the Bankruptcy Code. Section 363(b) of the Bankruptcy Code provides, in relevant part, that a debtor “may use, sell, or lease, other than in the ordinary course of business, property of the estate” after notice and a hearing. 11 U.S.C. § 363(b)(1). Generally, the debtor is only required to “show that a sound business purpose” justifies the proposed use of property. *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999); *see also In re Phx. Steel Corp.*, 82 B.R. 334, 335–36 (Bankr. D. Del. 1987) (requiring “good business reason” for use under section 363(b) of the Bankruptcy Code). This standard prohibits other parties from second-guessing the debtor’s business judgment if the debtor has shown that the proposed use will benefit the debtor’s estate. *See In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) (“Where the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the

debtor's conduct."); *see also In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) ("Overcoming the presumptions of the business judgment rule on the merits is a near-Herculean task.").

23. Paying the Service Fees reflects a sound exercise of the Debtors' business judgment and should be approved. The Debtors rely on the Payment Processor to coordinate billing and payment of their obligations to the majority of the Utility Companies. Absent the Payment Processor's services, the Debtors would likely experience disruptions to their ability to pay Utility Companies in a timely manner. Further, absent the Payment Processor's services, the Debtors would have to coordinate payment to thousands of Utility Companies themselves, consuming valuable time and manpower at a time when those resources are better directed towards ensuring a successful restructuring.

24. Under these circumstances, it is the Debtors' business judgment that the failure to pay the Service Fees could have a material adverse impact on the day-to-day operations of their businesses and to their prospects for reorganizing successfully. Therefore, the Debtors respectfully request authorization to pay the Service Fees under sections 363(b) of the Bankruptcy Code.

25. In addition, the Debtors should be authorized to pay the Service Fees because doing so is necessary to the success of their reorganization. Section 105(a) of the Bankruptcy Code provides that a bankruptcy court "may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions" of the Bankruptcy Code. 11 U.S.C. § 105(a). Courts have interpreted this provision to authorize payments on prepetition claims where the payments are essential to the success of the debtor's reorganization under what is known as the "necessity of payment doctrine." *See In re Lehigh & New Eng. Ry.*, 657 F.2d 570, 581 (3d Cir. 1981) ("Thus, the 'necessity of payment' doctrine...teaches no more than, if a payment of a claim which arose prior to reorganization is essential to the continued operation of the [debtor's business] during

reorganization, payment may be authorized...”); *see also In re Just for Feet, Inc.*, 242 B.R. 821, 824–25 (D. Del. 1999) (holding that section 105(a) of the Bankruptcy Code “provides a statutory basis for payment of pre-petition claims” under necessity of payment doctrine); *In re Columbia Gas Sys., Inc.*, 171 B.R. 189, 191-92 (Bankr. D. Del. 1994) (“The appropriate standard...is commonly referred to as ‘the necessity of payment doctrine.’”).

26. As set forth above, paying the Service Fees is necessary to help the Debtors preserve the stability, continuity, and success of their core businesses and, therefore, necessary to the success of their reorganization. Failing to pay the Service could lead to severe operational disruptions, administrative costs to manage those disruptions, and opportunity costs as the Debtors’ personnel devote their time to managing through these crises instead of maximizing sales and profitability. These harmful effects could reverberate through the Chapter 11 Cases and jeopardize the Debtors’ path to emergence as a revitalized enterprise. Thus, the Debtors should be authorized to pay the Service Fees under the necessity of payment doctrine and section 105(a) of the Bankruptcy Code.

**PROCESSING OF CHECKS AND  
ELECTRONIC FUND TRANSFERS SHOULD BE AUTHORIZED**

27. The Debtors have sufficient funds to pay any amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to debtor-in-possession financing and cash collateral. In addition, under the Debtors’ existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Service Fees. Accordingly, the Debtors believe there is minimal risk that checks or wire transfer requests that the Court has not authorized will be inadvertently made. Therefore, the Debtors respectfully request that the Court authorize all applicable financial institutions, when requested by the Debtors, to receive,

process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

**BANKRUPTCY RULE 6003 HAS BEEN SATISFIED AND  
BANKRUPTCY RULE 6004 SHOULD BE WAIVED**

28. Certain aspects of the relief requested herein are subject to Bankruptcy Rule 6003, which governs the availability of certain types of relief within 21 days after the Petition Date. Pursuant to Bankruptcy Rule 6003, a court may grant this relief on an expedited basis if it is necessary to avoid immediate and irreparable harm. The Debtors submit that the facts set forth herein and in the First Day Declaration demonstrate that the relief requested is necessary to avoid immediate and irreparable harm to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied.

29. Additionally, with respect to any aspect of the relief sought herein that constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a), to the extent not satisfied, and of the fourteen-day stay under Bankruptcy Rule 6004(h). As described above, the relief that the Debtors seek in this Motion is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates. The Debtors thus submit that the requested waiver of the notice requirements of Bankruptcy Rule 6004(a) and of the fourteen-day stay imposed by Bankruptcy Rule 6004(h) is appropriate.

**RESERVATION OF RIGHTS**

30. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or

authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

### **NOTICE**

31. The amount of the Adequate Assurance Deposit will remain \$947,000 throughout the Chapter 11 Cases (*i.e.*, the amount will not be recalculated), unless otherwise adjusted as provided for herein. the Ad Hoc FILO Term Lender Group, the Debtors may resolve an Additional Assurance Request by entering into agreements granting additional assurance to the requesting Utility Company if the Debtors agree to alternative provisions with the Utility Company; *provided, however*, that the Debtors shall maintain a summary record of such agreements and their respective terms, to be made available, on request, to (i) counsel to the agent for the Debtors' postpetition financing facility, (ii) any statutory committee appointed in these Chapter 11 Cases, and (iii) the U.S. Trustee.

- (g) If the Debtors are not able to reach a resolution with the Utility Company within ten (10) days of the Debtors' receipt of an Additional Assurance Request (or such later date as agreed to by the Debtors and the requesting Utility Company), the Debtors shall request a hearing (the "***Determination Hearing***") before this Court to determine the adequacy of assurance of payment with respect to the particular Utility Company pursuant to section 366(c)(3) of the Bankruptcy Code.
- (h) The Determination Hearing shall be an evidentiary hearing at which the Court shall determine whether the Adequate Assurance Deposit and the additional assurance of payment requested by the Utility Company should be modified pursuant to section 366(c)(3)(A) of the Bankruptcy Code. Pending resolution of any Additional Adequate Assurance Request, the Utility Company making such request shall be prohibited from altering, refusing, or discontinuing service to the Debtors, or from discriminating against the Debtors with respect to the provision of Utility Services, on account of unpaid charges for prepetition services, the filing of the Chapter 11 Cases, or any objection to the adequacy of the Additional Adequate Assurance Procedures.
- (i) Any Utility Company that does not serve an Additional Assurance Request in accordance with the Additional Assurance Procedures shall be deemed to have received adequate assurance of payment that is satisfactory to the Utility Company within the meaning of section 366(c)(2) of the Bankruptcy Code.
- (j) All Utility Companies, including subsequently added Utility Companies, shall be prohibited from altering, refusing or discontinuing Utility Services to the Debtors, or from discriminating against the Debtors with respect to the provision of Utility Services, absent further order of this Court.

6. The Debtors are authorized to amend **Exhibit C** attached to the Motion to add or delete any Utility Company, and this Interim Order shall apply in all respects to any Utility Company that is subsequently added to **Exhibit C** to the Motion. For those Utility Companies that are subsequently added to **Exhibit C**, the Debtors shall serve a copy of the Motion and this

Interim Order on the Utility Company, along with an amended **Exhibit C** that includes the Utility Company. The Debtors shall increase the amount of the Adequate Assurance Deposit in the event an additional Utility Company is added to the Utility Company List by an amount equal to fifty percent of the estimated average monthly cost of such Utility Services based on historical averages over the preceding twelve months. Any such subsequently-added Utility Company shall otherwise be subject in all respects to the Additional Assurance Procedures.

7. The Debtors may amend the Utility Company List to delete a Utility Company, or may seek to terminate a Utility Company, only if the Debtors have provided fourteen days' advance notice to such Utility Company, and have not received any objection from such Utility Company. If an objection is received, the Debtors shall request a hearing before this Court at the next omnibus hearing date, or such other date that the Debtors and the Utility Company may agree. The Debtors shall not deduct from the Adequate Assurance Deposit the amount set aside for any Utility Company that the Debtors seek to terminate or delete from the Utility Company List unless and until the fourteen days' notice period has passed and the Debtors have not received any objection to termination or deletion from such Utility Company, or until any such objection has been resolved consensually or by order of the Court.

8. The Additional Adequate Assurance Procedures, the Adequate Assurance Deposit, and the Debtors' ability to pay for future Utility Services in the ordinary course of business constitute adequate assurance of future payment to the Utility Companies to satisfy the requirements of section 366 of the Bankruptcy Code.

9. The Debtors' banks and financial institutions shall be, and are hereby authorized, when requested by the Debtors, to process, honor, pay, and, if necessary, reissue any and all checks and electronic fund transfers, including prepetition checks and electronic payment and transfer

requests that the Debtors reissue or re-request postpetition, drawn on the Debtors' bank accounts relating to the Taxes and Fees, whether those checks were presented prior to or after the Petition Date, provided that sufficient funds are available in the applicable accounts to make the payments.

10. The Debtors' banks and financial institutions may rely on the representations of the Debtors with respect to whether any check or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to this Interim Order, and any such bank or financial institution shall not have any liability to any party for relying on such representations by the Debtors as provided for in this Interim Order.

11. Nothing in the Motion or this Interim Order, or the Debtors' payment of any claims pursuant to this Interim Order, shall be construed as: (i) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (ii) a waiver of the Debtors' rights to Dispute any claim or lien on any grounds; (iii) a promise to pay any claim; (iv) an implication or admission that any particular claim would constitute an allowed claim; (v) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code; or (vi) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to this Interim Order. Nothing contained in this Interim Order shall be deemed to increase, decrease, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

12. Notwithstanding anything contained in the Motion or this Interim Order, any payment made, and any authorization of the Debtors contained herein shall be subject to the terms and conditions contained in any interim or final orders entered by this Court authorizing the Debtors to obtain debtor-in-possession financing and/or authorizing the use of cash collateral (each

such order, a “*DIP Order*”), the documentation in respect of any such debtor-in-possession financing or use of cash collateral, and any budget in connection with any such debtor-in-possession financing and/or use of cash collateral. To the extent there is any inconsistency between the terms of the DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP Order shall control.

13. Notwithstanding anything to the contrary in the Motion or this Interim Order, any payment made or authorization hereunder shall be subject to the applicable budget and/or cash collateral authorization requirements imposed on the Debtors under any order(s) of the Court authorizing the Debtors’ use of cash collateral and postpetition debtor-in-possession financing facilities.

14. Neither the provisions contained herein, nor any actions or payments made by the Debtors pursuant to this Interim Order shall be deemed an admission as to the validity of any underlying obligation or a waiver of any rights the Debtors may have to dispute such obligation on any ground that applicable law permits.

15. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable this Interim Order shall be effective and enforceable immediately upon entry hereof.

16. The requirements set forth in Bankruptcy Rule 6004(a) are hereby waived.

17. The requirements set forth in Bankruptcy Rule 6003(b) are satisfied because the relief set forth in this Interim Order is necessary to avoid immediate and irreparable harm.

18. The Debtors are authorized and empowered to take such actions and to execute such documents as may be necessary to implement the relief granted by this Interim Order.

19. A hearing to consider entry of an order granting the Motion on a final basis (the “*Final Hearing*”) shall be held on \_\_\_\_\_, 2020, at \_\_:\_\_\_ .m. (prevailing Eastern

the Ad Hoc FILO Term Lender Group, the Debtors may resolve an Additional Assurance Request by entering into agreements granting additional assurance to the requesting Utility Company if the Debtors agree to alternative provisions with the Utility Company; *provided, however*, that the Debtors shall maintain a summary record of such agreements and their respective terms, to be made available, on request, to (i) counsel to the agent for the Debtors' postpetition financing facility, (ii) any statutory committee appointed in these Chapter 11 Cases, and (iii) the U.S. Trustee.

- (g) If the Debtors are not able to reach a resolution with the Utility Company within ten (10) days of the Debtors' receipt of an Additional Assurance Request (or such later date as agreed to by the Debtors and the requesting Utility Company), the Debtors shall request a hearing (the "***Determination Hearing***") before this Court to determine the adequacy of assurance of payment with respect to the particular Utility Company pursuant to section 366(c)(3) of the Bankruptcy Code.
- (h) The Determination Hearing shall be an evidentiary hearing at which the Court shall determine whether the Adequate Assurance Deposit and the additional assurance of payment requested by the Utility Company should be modified pursuant to section 366(c)(3)(A) of the Bankruptcy Code. Pending resolution of any Additional Adequate Assurance Request, the Utility Company making such request shall be prohibited from altering, refusing, or discontinuing service to the Debtors, or from discriminating against the Debtors with respect to the provision of Utility Services, on account of unpaid charges for prepetition services, the filing of the Chapter 11 Cases, or any objection to the adequacy of the Additional Adequate Assurance Procedures.
- (i) Any Utility Company that does not serve an Additional Assurance Request in accordance with the Additional Assurance Procedures shall be deemed to have received adequate assurance of payment that is satisfactory to the Utility Company within the meaning of section 366(c)(2) of the Bankruptcy Code.
- (j) All Utility Companies, including subsequently added Utility Companies, shall be prohibited from altering, refusing or discontinuing Utility Services to the Debtors, or from discriminating against the Debtors with respect to the provision of Utility Services, absent further order of this Court.

6. The Debtors are authorized to amend **Exhibit C** attached to the Motion to add or delete any Utility Company, and this Final Order shall apply in all respects to any Utility Company that is subsequently added to **Exhibit C** to the Motion. For those Utility Companies that are subsequently added to **Exhibit C**, the Debtors shall serve a copy of the Motion and this Final Order

on the Utility Company, along with an amended **Exhibit C** that includes the Utility Company. The Debtors shall increase the amount of the Adequate Assurance Deposit in the event an additional Utility Company is added to the Utility Company List by an amount equal to fifty percent of the estimated average monthly cost of such Utility Services based on historical averages over the preceding twelve months. Any such subsequently-added Utility Company or Additional Assurance Request shall otherwise be subject in all respects to the Additional Assurance Procedures.

7. The Debtors may amend the Utility Company List to delete a Utility Company, or may seek to terminate a Utility Company, only if the Debtors have provided fourteen days' advance notice to such Utility Company, and have not received any objection from such Utility Company. If an objection is received, the Debtors shall request a hearing before this Court at the next omnibus hearing date, or such other date that the Debtors and the Utility Company may agree. The Debtors shall not deduct from the Adequate Assurance Deposit the amount set aside for any Utility Company that the Debtors seek to terminate or delete from the Utility Company List unless and until the fourteen days' notice period has passed and the Debtors have not received any objection to termination or deletion from such Utility Company, or until any such objection has been resolved consensually or by order of the Court.

8. The Additional Adequate Assurance Procedures, the Adequate Assurance Deposit, and the Debtors' ability to pay for future Utility Services in the ordinary course of business constitute adequate assurance of future payment to the Utility Companies to satisfy the requirements of section 366 of the Bankruptcy Code.

9. The Debtors' banks and financial institutions shall be, and are hereby authorized, when requested by the Debtors to process, honor, pay, and, if necessary, reissue any and all checks

and electronic fund transfers, including prepetition checks and electronic payment and transfer requests that the Debtors reissue or re-request postpetition, drawn on the Debtors' bank accounts relating to the Taxes and Fees, whether those checks were presented prior to or after the Petition Date, provided that sufficient funds are available in the applicable accounts to make the payments.

10. The Debtors' banks and financial institutions may rely on the representations of the Debtors with respect to whether any check or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to this Final Order, and any such bank or financial institution shall not have any liability to any party for relying on such representations by the Debtors as provided for in this Final Order.

11. Nothing in the Motion or this Final Order, or the Debtors' payment of any claims pursuant to this Final Order, shall be construed as: (i) an admission as to the validity of any claim against any Debtor or the existence of any lien against the Debtors' properties; (ii) a waiver of the Debtors' rights to Dispute any claim or lien on any grounds; (iii) a promise to pay any claim; (iv) an implication or admission that any particular claim would constitute an allowed claim; (v) an assumption or rejection of any executory contract or unexpired lease pursuant to section 365 of the Bankruptcy Code; or (vi) a limitation on the Debtors' rights under section 365 of the Bankruptcy Code to assume or reject any executory contract with any party subject to this Final Order. Nothing contained in this Final Order shall be deemed to increase, decrease, reclassify, elevate to an administrative expense status, or otherwise affect any claim to the extent it is not paid.

12. Notwithstanding anything contained in the Motion or this Final Order, any payment made, and any authorization of the Debtors contained herein shall be subject to the terms and conditions contained in any interim or final orders entered by this Court authorizing the Debtors

to obtain debtor-in-possession financing and/or authorizing the use of cash collateral (each such order, a “*DIP Order*”), the documentation in respect of any such debtor-in-possession financing or use of cash collateral, and any budget in connection with any such debtor-in-possession financing and/or use of cash collateral. To the extent there is any inconsistency between the terms of the DIP Order and any action taken or proposed to be taken hereunder, the terms of the DIP Order shall control.

13. Notwithstanding anything to the contrary in the Motion or this Final Order, any payment made or authorization hereunder shall be subject to the applicable budget and/or cash collateral authorization requirements imposed on the Debtors under any order(s) of the Court authorizing the Debtors’ use of cash collateral and postpetition debtor-in-possession financing facilities.

14. Neither the provisions contained herein, nor any actions or payments made by the Debtors pursuant to this Final Order shall be deemed an admission as to the validity of any underlying obligation or a waiver of any rights the Debtors may have to dispute such obligation on any ground that applicable law permits.

15. Notwithstanding Bankruptcy Rule 6004(h), to the extent applicable this Final Order shall be effective and enforceable immediately upon entry hereof.

16. The Debtors are authorized and empowered to take such actions and to execute such documents as may be necessary to implement the relief granted by this Final Order.

17. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation and/or interpretation of this Final Order.

**Exhibit C**

**Utility Companies**

The Utility Companies known and identified by the Debtors to date are listed below.

While the Debtors have used their best efforts to list all of their Utility Companies below, it is possible that certain Utility Companies may have been inadvertently omitted from this list. Accordingly, the Debtors reserve the right, under the terms and conditions of the Motion and without further order of the Court, to amend this **Exhibit C** to add any Utility Companies that were omitted therefrom and to apply the relief requested to all those entities.

In addition, the Debtors reserve the right to argue that any entity now or hereafter listed on this **Exhibit C** is not a “utility” within the meaning of Bankruptcy Code Section 366(a).

### **JURISDICTION**

2. This Court has jurisdiction to consider this Motion under 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware dated as of February 29, 2012. This is a core proceeding pursuant to 28 U.S.C. § 157(b), and, under Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “*Local Rules*”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution. Venue of these cases and this Motion in this district is proper under 28 U.S.C. §§ 1408 and 1409. The statutory and legal predicates for the relief requested herein are sections 105(a), 362(d), 363(b), 507(a), 541, 553, 1107(a), and 1108 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “*Bankruptcy Code*”) and rule 6003 of the Federal Rules of Bankruptcy Procedure (the “*Bankruptcy Rules*”).

## **BACKGROUND**

3. On June 23, 2020 (the “*Petition Date*”), the Debtors filed voluntary petitions for relief in this Court, commencing cases (the “*Chapter 11 Cases*”) under chapter 11 of the Bankruptcy Code. The Debtors continue to manage and operate their businesses as debtors in possession under sections 1107 and 1108 of the Bankruptcy Code. No trustee or examiner has been requested in these cases, and no committees have been appointed.

4. The Debtors anticipate commencing an ancillary proceeding under Part IV of the Companies’ Creditors Arrangement Act (Canada) in Toronto, Ontario, Canada before the Ontario Superior Court of Justice (Commercial List).

5. The factual background regarding the Debtors, including their business operations, their capital and debt structures, and the events leading to the filing of these Chapter 11 Cases, is set forth in detail in the *Declaration of Tricia Tolivar, Chief Financial Officer of GNC Holdings, Inc. in Support of Chapter 11 Petitions and First Day Pleadings* (the “*First Day Declaration*”)<sup>2</sup> filed contemporaneously herewith. In support of the Motion, the Debtors rely upon and incorporate by reference the First Day Declaration.<sup>3</sup>

## **THE DEBTORS’ WORKFORCE AND WORKFORCE OBLIGATIONS**

### **I. THE WORKFORCE**

6. As of the Petition Date, inclusive of the Furloughed Employees (as defined below) the Debtors employ 10,833 employees, of which 3,944 are full-time employees and 6,889 are part-time employees. 10,220 of the Debtors’ employees are employed in the United States (including

<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the First Day Declaration.

<sup>3</sup> The First Day Declaration and other relevant case information is available from (a) the Court’s website, [www.deb.uscourts.gov](http://www.deb.uscourts.gov), and (b) the website maintained by the Debtors’ proposed claims and noticing agent, Prime Clerk LLC, at <https://cases.primeclerk.com/GNC>.

Puerto Rico) (the “*U.S. Employees*”), and 613 are employed in Canada (the “*Canadian Employees*” and together with the U.S. Employees, the “*Employees*”). Approximately 845 of the Debtors’ Employees are salaried employees and 9,988 are hourly employees. Of the Debtors’ Employees, 995 perform functions at the corporate level related to the management of the Debtors’ omni-channel enterprise as a whole, including those employed in the Debtors’ distribution centers (the “*Corporate Employees*”) and 9,838 are employed in roles dedicated the management of the infrastructure and ongoing operations of the Debtors’ company-owned and franchised retail locations (the “*Field Employees*”). The U.S. Corporate Employees are employed by Debtor General Nutrition Centers, Inc., the U.S. Field Employees are employed by Debtor General Nutrition Corporation, and the Canadian Employees are employed by Debtor General Nutrition Centres Company. The Debtors have ten Employees who, the Debtors believe, may constitute “insiders” as the term is defined in section 101(31) of the Bankruptcy Code (each, an “*Insider*” and collectively, the “*Insiders*”).<sup>4</sup> All of the Insiders are U.S. Corporate Employees. Approximately 24 Employees have the title of Vice President (such Employees, the “*Senior Employees*”). The Debtors submit that not all of the Senior Employees are Insiders.

7. Due to store closures and other stresses to the Debtors’ business caused by the COVID-19 pandemic, the Debtors have furloughed a total of approximately 4,000 Employees in both the U.S. and Canada (the “*Furloughed Employees*”) in recent months, approximately 1,700 of whom remain furloughed as of the Petition Date. While furloughed, the Furloughed Employees are no longer receiving their wages or salaries, however, the Debtors are covering the full costs of

---

<sup>4</sup> The following ten executives are considered to be potential “insiders” as defined by the Bankruptcy Code: (1) Ken Martindale, Chief Executive Officer; (2) Tricia Tolivar, Executive Vice President; (3) Josh Burris, Chief U.S. Officer; (4) Ryan Ostrom, Chief Brand Officer; (5) Carl Seletz, Chief Global Officer; (6) Susan Canning, General Counsel; (7) Nathan Frazier, Senior Vice President, U.S. Field Operations; (8) Steve Piano, Chief Human Resources Officer; (9) Cam Lawrence, Chief Accounting Officer; and (10) John Learish, Senior Vice President, Marketing.

U.S. Medical Plans, Canadian Health Benefits, U.S. Dental Plans, and U.S. Vision Plans (as defined below) relating to the Furloughed Employees while they remain on furlough, including certain obligations that would otherwise be deducted from such Employees' paychecks. The Debtors seek authority to, in their sole discretion, continue this practice postpetition.

8. In addition to the Employees, the Debtors also utilize independent contractors and temporary employees in the jurisdictions in which they operate (the "*ICs*" and "*Temporary Employees*," respectively, and together with the Employees, collectively the "*Workforce*"). The Debtors source ICs and Temporary Employees through several agencies, including, but not limited to IT Delivery Consulting, Computer Enterprises, Raeder Landree, RDX, Beacon Hill Staffing, Envista, K-Force, Precision Recruiting, Robert Half, Asentech and Snider-Blake Personnel (each a "*Staffing Agency*" and collectively the "*Staffing Agencies*"). The Debtors' Workforce is not subject to a collective bargaining agreement or similar labor agreement.

9. The Workforce provides a variety of critical functions relating to the management and day-to-day operations of the Debtors' businesses, including general administrative functions, supply chain management, procurement, sales, human resources, accounting, financial, and general corporate. The skills, expertise, and experience of the Workforce, as well as their relationships with customers and vendors and their knowledge of the Debtors' business, are essential to the Debtors' operations and ability to effectively maximize the value of their businesses during the Chapter 11 Cases.

## **II. THE WORKFORCE OBLIGATIONS**

10. In the ordinary course of business, the Debtors incur various labor-related obligations (the "*Workforce Obligations*") under plans, programs, policies, and agreements maintained by or for the benefit of, or contributed to or entered into by, the Debtors prior to the Petition Date (each of the programs described in this Section II of this Motion, a "*Workforce*

*Program*” and together, collectively, the “*Workforce Programs*”),<sup>5</sup> including but not limited to: (i) wages, salaries, and related compensation (the “*Wage Obligations*”), (ii) incentive and/or bonus obligations to non-Insider Employees (the “*Incentive Obligations*”), (iii) deductions associated with the forgoing (the “*Workforce Deductions*”), (iv) various health, financial, and welfare benefits historically provided to the Debtors’ Workforce (the “*Benefits Obligations*”), (v) paid time off (“*PTO Obligations*”), and (vi) reimbursable expenses and related obligations (the “*Reimbursable Expenses Obligations*”). In addition, in connection with the Workforce Programs, the Debtors incur and pay certain fees and expenses to third-party Administrators to administer the various Workforce Programs. By this Motion, the Debtors are seeking authorization to pay the following aggregate amounts on account of the prepetition Workforce Obligations.

<b>Workforce Obligations</b>	<b>Approximate Outstanding Prepetition Amount</b>	<b>Approximate Amount Due Within Interim Period</b>
<b><i>U.S. Workforce Obligations</i></b>		
i. U.S. Wage Obligations (including U.S. Deductions)	\$9,360,000	\$9,360,000
ii. U.S. Incentive Obligations	\$365,000	\$98,000
iii. U.S. Benefits Obligations	\$1,268,800	\$1,268,000
iv. U.S. PTO Obligations	\$9,020,000 <sup>6</sup>	\$0
v. U.S. Workers’ Compensation	\$731,500	\$473,000
<b>U.S. Total</b>	<b>\$20,745,300</b>	<b>\$11,199,800</b>
<b><i>Canadian Workforce Obligations</i></b>		

<sup>5</sup> By this Motion, the Debtors do not seek to assume or reject any Workforce Program to the extent that such Workforce Program is deemed to be an executory contract within the meaning of section 365 of the Bankruptcy Code. Moreover, the Debtors do not waive their right to modify or terminate any Workforce Program to the extent that such right exists under the terms of the Workforce Program or as may be authorized by applicable law.

<sup>6</sup> The Debtors estimate that, as of the Petition Date, aggregate accrued but unpaid PTO Obligations for all U.S. Employees totals approximately \$9.02 million. This accrued amount, however, does not represent a true “cash” liability for the Debtors, as the Debtors anticipate that Employees will use most of their PTO in the ordinary course of business, and eligible departing Employees may receive cash payments on account of unused PTO.

<b>Workforce Obligations</b>	<b>Approximate Outstanding Prepetition Amount</b>	<b>Approximate Amount Due Within Interim Period</b>
i. Canadian Wage Obligations (including Canadian Deductions)	\$901,000	\$901,000

**A. The Debtors' U.S. Workforce Obligations**

**1. *The Debtors' U.S. Wages Obligations.***

11. The Debtors' Field Employees working in Rhode Island, Connecticut, New York and New Hampshire are paid wages and salaries on a weekly basis, whereas the Debtors' Corporate Employees and Field Employees working other U.S. states, are paid wages and salaries on a bi-weekly basis.<sup>8</sup> The average gross payroll on account of U.S. Employees for each pay period is approximately \$11.4 million. The Debtors process payroll internally utilizing Intuit's Lawson

<sup>7</sup> The Debtors estimate that, as of the Petition Date, aggregate accrued but unpaid PTO Obligations for all Canadian Employees totals approximately \$1.08 million. This accrued amount, however, does not represent a true "cash" liability for the Debtors, as the Debtors anticipate that Employees will use most of their PTO in the ordinary course of business, and eligible departing Employees may receive cash payments on account of unused PTO.

<sup>8</sup> In order to avoid any potential delay in payment to the Employees as a result of the Chapter 11 Cases, the Debtors paid accrued wages for five Employees on June 12, 2020 and six Employees on June 23, 2020.

payroll software (“*Lawson*”). The Debtors pay their U.S. Employees in arrears for work performed one or two week(s) prior to the Debtors’ normal weekly or bi-weekly payroll, as applicable. Hourly U.S. Employees are eligible for overtime pay at a rate of one and one-half times their regular rate of pay for all hours worked in excess of 40 hours per week. In order to receive overtime pay, U.S. Employees must receive prior authorization for any time worked in excess of 40 hours per week. The Debtors’ overtime pay policy allows the Debtors to assign mandatory overtime work for certain U.S. Employees should business needs require. All U.S. Employees assigned overtime work receive overtime pay at the same one and one-half times rate.

12. The Debtors estimate that, as of the Petition Date, they owe approximately \$9.18 million in Wage Obligations to U.S. Employees, all of which will become due and owing within the first 21 days after the Petition Date (the “*Interim Period*”).

## 2. *Incentive Programs.*<sup>9</sup>

13. In the ordinary course of business, to incentivize and reward outstanding performance, the Debtors offer certain Employees the opportunity to earn awards under certain incentive programs, including a set of short-term incentive plans (each of the plans described in subsection (a) below, a “*2020 STI Plan*” and such plans together, collectively, the “*2020 STI Plans*”) and long-term incentive plans (the “*2020 LTI Plans*” and together with the 2020 STI Plans, the “*U.S. Incentive Programs*”).<sup>10</sup> Pursuant to the U.S. Incentive Programs, eligible

---

<sup>9</sup> In addition to the Incentive Programs (as defined and described herein), pursuant to the *Motion of Debtors for Orders (A) Approving Procedures for Store Closing Sales, (B) Authorizing Customary Bonuses to Employees of Closing Stores, and (D) Granting Related Relief* filed contemporaneously herewith (the “*GOB Motion*”) the Debtors are separately requesting to make incentive payments (“*GOB Bonuses*”) to Retail Employees working at stores that are in the process of undergoing going out of business sales (“*GOB Sales*”). The details of the GOB Bonuses are set forth in the GOB Motion. For the avoidance of doubt, the Debtors are not seeking to pay any GOB Bonuses pursuant to this Motion

<sup>10</sup> In the interest of full disclosure, separate from and unrelated to the U.S. Incentive Programs described herein, the Debtors paid retention bonuses which must be repaid if the recipient does not continue working for the Debtors for the specified retention period – to certain Insider and non-Insider Employees on or about June 19, 2020. By

Employees may earn awards based on individual and business targets. Payments with respect to the U.S. Incentive Programs are made by the Debtors directly to the applicable Employees. By this Motion, the Debtors request authorization to continue the U.S. Incentive Programs in the ordinary course of business and to make payments thereunder to non-Insider Employees as they come due. By this Motion, the Debtors do not seek authority to pay any amounts to Insiders under the U.S. Incentive Programs but the Debtors reserve the right to seek such authority during these Chapter 11 Cases by separate motion. Further, the Debtors do not seek authority to pay any amounts to Senior Employees under any of the U.S. Incentive Programs pursuant to the Interim Order, but do request authority to make such payments to Senior Employees pursuant to the Final Order.

a. *2020 Short-Term Incentive Plans.*

14. The 2020 STI Plans comprise a set of incentive plans targeted across all of the Debtors' enterprise-wide and worldwide operations. As described in detail below, U.S. Employees are eligible to participate in the 2020 STI Plan that is designed for such Employee's business segment, based upon such Employee's title.<sup>11</sup> Under most of the 2020 STI Plans, bonuses are earned quarterly based on a set of metrics that differ by business segment and eligible Employees entitled to a bonus payment are paid at the end of the applicable fiscal year ended December 31 (the "*Fiscal Year*"). As of the Petition Date, the Debtors believe U.S. Employees have earned approximately \$365,000 under the 2020 STI Plans that has not yet been paid to the applicable U.S. Employees.

---

this Motion, the Debtors do not seek approval or authorization from the Court or any other relief with respect to such payments, which were made prior to the Petition Date.

non-Insider Employees have earned approximately \$18,000 in accrued, but unpaid bonuses under the Loss Prevention Incentive Plan for the Fiscal Quarter ended March 31, 2020.

- i) Supply Chain Incentive Plans. Approximately 393 Corporate Employees employed in the Debtors' distribution centers are eligible to participate in several short term incentive plans. All supply chain production associates are eligible to participate in an incentive plan intended to optimize, among other things, time spent locating and picking products, observance of best practices for grasping and bending, travel time, and delays in deliveries (the "**LMS Incentive Plan**"). Additionally, all supply chain and production associates except those that are eligible for incentive plans other than the LMS Incentive Plan are eligible to participate in an incentive plan designed to incentivize cost reduction and increased productivity based on savings to budgeted sales for the applicable distribution center (the "**Production Incentive Plan**"). Finally, supply chain Employees with the title of "Logistics Supervisor" are eligible to participate in an incentive plan based on increasing productivity goals (the "**Logistics Supervisor Incentive Plan**" and together with the LMS Incentive Plan and the Production Incentive Plan, the "**Supply Chain Incentive Plans**"). Pursuant to the Supply Chain Incentive Plans, eligible Employees earn bonuses on a quarterly basis based on meeting the targets described above, with a threshold of their distribution center meeting its EBIT goals.
- j) Wholesale Incentive Plans. Approximately four Corporate Employees with the title of "VP Wholesale and Senior Director," "DMM – Owned Brand," "National Account Manager" and "Wholesale Business Specialist" are eligible to participate

in incentive plans (the “*Wholesale Incentive Plans*”) based on achieving EBITDA and revenue goals related to the Debtors’ wholesale sales of branded goods to third-party retailers. As of the Petition Date, the Debtors estimate that non-Insider Employees have earned approximately \$94,000 in accrued, but unpaid bonuses under the Store Manager Pilot Incentive Plan in the current Fiscal Quarter.
- m) Merchandise Sales Incentive Plan. Approximately five Field Employees with the title of “Category Merchant” are eligible to participate in an incentive plan based

Pursuant to the Merchandise Incentive Plan, eligible Employees earn bonuses on a monthly basis based on the level of their sales of merchandise. As of the Petition Date, the Debtors estimate that non-Insider Employees have earned approximately \$4,000 in accrued, but unpaid bonuses under the Merchandise Incentive Plan in the current Fiscal Quarter.

15. Pursuant to the STI Plans described in subsections (b)—(f), (h), (j) and (k) above, quarterly bonuses accrued are paid to eligible Employees following the close of the Fiscal Year. Pursuant to the STI Plans described in subsections (g) and (i) above, quarterly bonuses accrued are paid to eligible Employees following the close of the applicable Fiscal Quarter. Pursuant to the STI Plans described in subsections (a), (l) and (m) above, monthly bonuses accrued are paid to eligible Employees following the close of the applicable month or Fiscal Quarter.

16. As of the Petition Date, U.S. Employees have earned approximately \$365,000 pursuant to the STI Plans described in subsections (b) and (m) above, approximately \$98,000 of which will become payable during the Interim Period. As of the Petition Date, the Debtors estimate that no amounts have been earned under any of the STI Plans described in subsections (a) and (c)—(l) above, due to the poor financial performance as the Debtors’ business, in large part caused by the global outbreak of COVID-19. Nevertheless, the Debtors seek authority to continue each of the STI Plans described above for non-Insider Employees, and to make any payments to non-Insider Employees (including Senior Employees solely pursuant to the Final Order) to the extent any amounts become due and owing during the pendency of these Chapter 11 Cases.

17. For the avoidance of doubt, the Debtors are not seeking authority to pay any amounts owed to Insiders under any of the STI Plans.

b. *Long-Term Incentive Plans.*

18. In addition to the 2020 STI Plans, the Debtors offer certain Employees long term incentive awards in the form of lump sum cash awards, restricted stock units, and restricted cash (the “*LTI Plan*”). New hires are not immediately eligible to participate in the LTI Plan by default, but are eligible for consideration for eligibility to earn awards under the LTI Plan in the first quarter of the first Fiscal Year after they are hired. The Debtors assess the use of LTI Plan awards in Employee compensation on a case-by-case basis. Restricted stock units, performance cash and restricted cash awarded under the LTI Plan typically vest after three years, with some awards vesting after one year. As of the Petition Date, the Debtors have allocated \$5.1 million in performance cash awards under the LTI Plan in 2020, for eligible U.S. Employees, however, no performance cash awards have been earned in the current Fiscal Year. Additionally, there are approximately 5.9 million unvested shares issued to U.S. Employees under the LTI Plan which will not be payable until 2021. Additionally there are approximately \$3.1 million accrued in restricted cash awards under the LTI Plan that will become payable in 2020, approximately \$2.6 million accrued in restricted cash awards under the LTI Plan that will become payable in 2021, and approximately \$1.3 million accrued in restricted cash awards under the LTI Plan that will become payable in 2022, for non-Insider Employees. An Employee is only entitled to payments on account of the restricted cash awards under the LTI Plan, if such Employee is employed by the Debtors on the applicable date. The next payment date on account of the restricted cash awards occurs in 2021, and as such no amounts are due and owing on account of the restricted cash awards as of the Petition Date. The Debtors respectfully request authority to continue the LTI Plan in the ordinary course of business for non-Insider Employees. By this Motion, the Debtors do not seek authority to pay any amounts to Insiders under the LTI Plan, but the Debtors reserve the right to

seek such authority during these Chapter 11 Cases by separate motion, The Debtors do not seek to make any payments under LTI Plan to Senior Employees pursuant to the Interim Order.

3. ***U.S. Deductions.***

19. In the ordinary course of their businesses, the Debtors make deductions from the Workforce's paychecks for payments to third parties on behalf of members of the Workforce employed in the United States, for various federal, state, local, and foreign income, FICA, employment insurance and other taxes, as well as for court ordered garnishments, savings programs, repayments for loans taken against the savings programs, benefit plans, insurance and other similar programs (collectively, the "***U.S. Deductions***"). The Debtors' average monthly U.S. Deductions is approximately \$3,460,000. ADP, LLC ("***ADP***") provides the Debtors with services related to the management of the U.S. Deductions and the Canadian Deductions (as defined herein) as well as certain other tax-related services. The Debtors estimate that as of the Petition Date, they owe ADP approximately \$47,000 related to management of the Workforce Deductions<sup>12</sup> and other tax-related services, approximately \$25,000 of which will come due and owing within the Interim Period.

20. As of the Petition Date, certain U.S. Employees are owed prepetition amounts related to their compensation. Where such amounts are owed, the applicable U.S. Deductions have not yet been taken. Additionally, the Debtors may not yet have forwarded to the various third parties noted above the payments that are attributable to the U.S. Deductions that have been withheld from the Workforces' paychecks. The Debtors estimate that, as of the Petition Date, accrued, but yet unremitted U.S. Deductions total approximately \$180,000, all of which will come due and owing within the Interim Period. By this Motion, the Debtors request authority to remit

<sup>12</sup> Includes both U.S. and Canadian Deductions.

all amounts that are due and owing on account of U.S. Deduction in the ordinary course of business and to pay amounts owed to ADP in connection with the Workforce Deductions as they become due and owing in the ordinary course of course of business.

4. ***U.S. Employee Benefits.***

21. The Debtors provide a wide array of benefits for their U.S. Employees under a variety of benefit programs (each of the programs in subsections (a)-(g) below, a “***U.S. Employee Benefit Program***” and such programs together, collectively, the “***U.S. Employee Benefit Programs***”), which give rise to Benefits Obligations. Full-time U.S. Employees and part-time U.S. Employees who work an average of 30 or more hours per week over a twelve month period (the “***Eligible U.S. Employees***”) are eligible for all of the U.S. Employee Benefit Programs (unless otherwise specified in this Motion), however, some of the U.S. Employee Benefit Programs are available to all U.S. Employees. As noted above, the Debtors are covering the full costs of certain Benefits Obligations relating to the Furloughed Employees while they remain on furlough, including certain obligations that would otherwise be deducted from such Employees’ paychecks. The Debtors seek authority to, in their sole discretion, continue this practice postpetition.

22. The Debtors offer fully-insured health plans through an exchange sponsored by Aon Hewitt, known as the Aon Active Exchange (“***Aon***”), and administered by Alight Solutions LLC (“***Alight***”). Eligible U.S. Employees may enroll their dependents, including spouses, domestic partners, children up to age 26, and disabled children of any age in several of the U.S. Employee Benefit Programs, through Aon’s exchange. The U.S. Employee Benefit Programs include, amongst other things, medical, dental, and vision insurance programs, the Debtors’ prescription drug insurance program, and supplemental life insurance program.

23. The Debtors employ individuals in all 50 states within the United States and Puerto Rico and all of the benefits describe herein are subject to local and states laws which may require the Debtors to adjust or provide additional benefits under the U.S. Employee Benefit Programs.

a. *Medical, Dental, and Vision Programs.*

(1) *U.S. Medical Plans*

24. The Debtors' medical coverage includes several plan options in which Eligible U.S. Employees may enroll that include medical and prescription drug coverage (the "***U.S. Medical Plans***"). The U.S. Medical Plans are provided through various insurance carriers throughout the United States, including, but not limited to, Aetna Inc. ("***Aetna***"), Cigna Corporation ("***Cigna***"),<sup>13</sup> Dean Health Plan, Inc. ("***Dean***"),<sup>14</sup> Geisinger Health System ("***Geisinger***"),<sup>15</sup> Health Net, LLC ("***Health Net***"),<sup>16</sup> Highmark Inc. ("***Highmark***"), Kaiser Foundation Health Plan, Inc. ("***Kaiser***"),<sup>17</sup> UnitedHealth Group Incorporated ("***UnitedHealthcare***"), and UPMC Health Plan, Inc. ("***UPMC***"), Blue Cross Blue Shield of Hawaii ("***BCBS***"), Medical Mutual of Ohio ("***MMOH***"), Priority Health, and Triple—S Salud ("***TSS***" and together with Aetna, Cigna, Dean, Geisinger, Health Net, Highmark, Kaiser, UnitedHealthcare, UPMC, BCBS, MMOH, Priority Health and TSS, collectively, the "***Medical Plan Providers***").

25. Through Aon's exchange, the Debtors generally offer four different levels of medical coverage: (i) "Bronze Plus Medical," (ii) "Silver Medical," (iii) "Gold Medical," and (iv)

<sup>13</sup> Aetna and Cigna, Highmark, and UnitedHealthcare provide coverage to Employees located throughout the United States.

<sup>14</sup> Dean provides coverage to Employees located in Wisconsin.

<sup>15</sup> Geisinger and UPMC provide coverage to Employees located in Pennsylvania.

<sup>16</sup> Health Net provides coverage to Employees located in Arizona, California, Oregon, and Washington.

<sup>17</sup> Kaiser provides coverage to Employees located in California, Colorado, Washington D.C., Georgia, Maryland, Virginia, Oregon and southwest Washington.

“Platinum Medical.”<sup>18</sup> The Bronze Plus Medical plan is a high-deductible plan that includes a health savings account (the “*HSA*”) and prescription drug coinsurance and has a family-level deductible and out-of-pocket maximums. The HSA is administered by Alight, on Alight’s Your Savings Account platform (such platform “*YSA*”). The Debtors remit to Alight, on behalf of participating Employees, an average of approximately \$14,000 on a weekly basis, which amounts are withheld from Employee paychecks. The amounts that the Debtors remit to Alight on account of the HSA vary week to week depending on Employees’ elected deductions.

26. The Silver Medical and Gold Medical plans are preferred provider organization (“*PPO*”) options with prescription drug copays. The Platinum Medical plan is a PPO option with prescription drug copays that covers in-network care and offers limited benefits for out-of-network care. For some insurance providers through which the Debtors offer a U.S. Medical Plan, the Platinum Medical plan is a health maintenance organization (“*HMO*”) option with prescription drug copays that covers in-network care only.

27. The Debtors also offer several additional health coverage programs as part of the U.S. Medical Plans into which U.S. Employees may enroll at the Employee’s expense. These include critical illness insurance, hospital indemnity insurance, and accident insurance (the “*Additional Medical Benefits*”) through Allstate Insurance Company (“*Allstate*”). Eligible U.S. Employees may choose from three levels of critical illness coverage: (i) \$7,500, (ii) \$15,000, and (iii) \$30,000, which amounts are paid to the Employee if such Employee or their covered family member is treated for a major medical event. In addition, Eligible U.S. Employees may enroll for hospital indemnity insurance which provides the Employee with a payment if the

<sup>18</sup> In California, the Debtors offer an additional level of medical coverage, “Gold II”, which is similar to Gold Medical except it only covers in-network care. Additionally, in Hawaii the Debtors only offer two types of medical coverage: (i) Gold Medical and (ii) Platinum Medical.

Employee or a covered family member is hospitalized. The Debtors' accident insurance provides an Employee with insurance in case the Employee or a covered family member is injured in a car accident.

28. The Debtors offer Employees who are U.S. citizen expatriates health insurance (the "***ExPat Health Insurance Program***") through GeoBlue Health ("***GeoBlue***"). The ExPat Health Insurance Program provides medical coverage for the covered Employee and his or her family members. Such coverage includes preventative care, primary care, hospitalization coverage and emergency care. As of the Petition Date, one Employee is covered under the ExPat Health Insurance Program. The Debtors pay GeoBlue approximately \$5,000 per Fiscal Quarter to administer the ExPat Health Insurance Program.

29. The U.S. Medical Plans are funded both through Employee contributions and by the Debtors. Approximately 57% of the cost of the U.S. Medical Plans is borne by the Debtors,<sup>19</sup> and Employees contribute to the U.S. Medical Plans through payroll deductions to pay for the balance. Employee contributions are deducted from Employee paychecks 26 times per year or 52 times per year depending on the Employee's payment schedule. Thus, payments to the U.S. Medical Plans consist of both trust fund payments (*i.e.*, Employee contributions) and contributions from the Debtors. The Debtors' total annual cost related to the U.S. Medical Plans, based on the Debtors' most current enrollment data, is approximately \$19.7 million. Alight invoices the Debtors for premiums and fees in connection with the U.S. Medical Plans, in the beginning of each month, for the benefits to be provided for such month. Alight, in turn then pays the Medical Plan Providers for the benefits it actually provides to the U.S. Employees for the relevant benefits period. Said different, the benefits to be provided for any given month are typically paid in full

within the first two weeks of such month. Occasionally, this results in the Debtors incurring monthly and quarterly true up payments of about \$10,000-\$50,000 related to late-billed amounts under the U.S. Medical Plans, if the Debtors' initial payment was more or less than the actual costs of the benefits provided for such period.

30. The Debtors also subsidize or continue to provide certain benefits to certain former U.S. Employees after their termination, retirement, or disability leave, including (without limitation) benefits provided under the Consolidated Omnibus Budget Reconciliation Act of 1985 ("**COBRA**") and together collectively with the U.S. Medical Plans, HSA, Additional Medical Benefits, ExPat Health Insurance, the "**U.S. Medical Benefits**"), through Alight. The Debtors fund premiums on account of COBRA coverage in advance, COBRA participants then pay Alight directly for their coverage and Alight then sends a monthly payment of approximately \$16,000<sup>20</sup> to the Debtors from the amounts it receives from COBRA participants.

31. As of the Petition Date, the Debtors believe that there are approximately \$580,000 in accrued and unpaid amounts owing on account of the U.S. Medical Benefits, all of which will become due within the Interim Period. By this Motion, the Debtors request authority to make all payments and remittances for amounts attributable to the prepetition period and related to the U.S. Medical Benefits, in the ordinary course of business and in their sole discretion and to continue the U.S. Medical Benefits, in the ordinary course of business postpetition.

(2) *U.S. Dental Plans*

32. Through Aon's exchange, the Debtors also offer Eligible U.S. Employees dental care benefits through four different dental plan options: (i) "Bronze Dental," (ii) "Silver Dental,"

---

<sup>20</sup> The costs of the COBRA coverage vary from month to month depending on how many Employees are currently receiving COBRA benefits.

(iii) “Gold Dental,” and (iv) “Platinum Dental” (the “**U.S. Dental Plans**”). The Bronze Dental plan is a basic PPO option that covers both in- and out-of-network care but does not cover major services or orthodontic expenses. The Silver Dental plan is a PPO option that covers in- and out-of-network care as well as major services and orthodontic expenses for children up to age 19. The Gold Dental plan is an enhanced PPO option that covers in- and out-of-network care and major services and orthodontic expense for both children and adults. The Platinum Dental plan is a dental HMO option that covers in-network care only, including orthodontic expenses for children and adults. The U.S. Dental Plans are provided through various insurance carriers throughout the United States, including Aetna, Cigna, Delta Dental Insurance Company (“**Delta Dental**”), MetLife, Inc. (“**MetLife**”), and UnitedHealthcare (collectively, the “**Dental Plan Providers**”).<sup>21</sup>

33. The U.S. Dental Plans are funded both through Employee contributions and by the Debtors. Approximately 19% of the cost of the U.S. Dental Plans is borne by the Debtors,<sup>22</sup> and Employees contribute to the U.S. Dental Plans through payroll deductions to pay for the balance. Employee contributions are deducted from Employee paychecks 26 times per year or 52 times per year depending on the Employee’s payment schedule. Thus, payments to the U.S. Dental Plans consist of both trust fund payments (*i.e.*, Employee contributions) and contributions from the Debtors. The Debtors’ total annual cost related to the U.S. Dental Plans, based on the Debtors’ most current enrollment data, is approximately \$1.4 million. Alight invoices the Debtors for premiums and fees in connection with the U.S. Dental Plans, in the beginning of each month, for the benefits to be provided for such month. Alight, in turn then pays the Dental Plan Providers for the benefits it actually provides to the U.S. Employees for the relevant benefits period. Said

Occasionally, this results in the Debtors incurring *de minimis* true up payments related to late-billed amounts under the U.S. Dental Plans, if the Debtors' initial payment was more or less than the actual costs of the benefits provided for such period.

34. As of the Petition Date, the Debtors believe that there are approximately \$45,000 in accrued and unpaid amounts owing on account of the U.S. Dental Plans, approximately all of which will become due within the Interim Period. By this Motion, the Debtors request authority to make all payments and remittances for amounts attributable to the prepetition period and related to the U.S. Dental Plans, in the ordinary course of business and in their sole discretion. The Debtors also request authority to continue the U.S. Dental Plans in the postpetition in the ordinary course of business.

(3) *U.S. Vision Plans*

35. The Debtors also offer several vision care benefits to Eligible U.S. Employees (the "*U.S. Vision Plans*"). Through Aon's exchange, Eligible U.S. Employees can choose between three levels of vision coverage: "Bronze Vision," Silver Vision," and "Gold Vision." The Bronze Vision plan is an exam-only option that provides in-network discounts for certain services. The Silver Vision plan is a PPO option that covers in- and out-of-network care. The Gold Vision plan is an enhanced PPO option that also covers in- and out-of-network care. The U.S. Vision Plans are provided through various insurance carriers throughout the United States, including EyeMed Vision Care, LLC ("*EyeMed*"), MetLife, UnitedHealthcare, and Vision Service Plan Inc. ("*VSP*" and together with EyeMed, MetLife and UnitedHealthcare, collectively, the "*Vision Plan Providers*").<sup>23</sup>

---

<sup>23</sup> Each of the Vision Plan Administrators provides coverage for Employees throughout the United States.

36. The U.S. Vision Plans are entirely funded through Employee contributions, which are deducted from Employee paychecks 26 times per year or 52 times per year depending on the Employee's payment schedule.<sup>24</sup> As of the Petition Date, the Debtors believe that there are approximately \$16,000 in accrued and unpaid amounts owing on account of the U.S. Dental Plans, approximately all of which will become due within the Interim Period. By this Motion, the Debtors request authority to make all payments and remittances for amounts attributable to the prepetition period and related to the U.S. Vision Plans, in the ordinary course of business and in their sole discretion. The Debtors also request authority to continue the U.S. Vision Plans in the postpetition in the ordinary course of business.

b. *Miscellaneous Health and Wellness Benefits*

37. The Debtors pay for flu vaccinations for Employees at Rite Aid and Walmart two to three times per year on a seasonal basis depending on the spread of the flu (the "***Flu Vaccine Program***"). The Debtors pay Rite Aid and Walmart based on the actual costs incurred in connection with the Flu Vaccine Program. As of the Petition Date, the Debtors do not believe that there are any amounts due and outstanding on account of the Flu Vaccine Program.

38. The Debtors also offer an employee assistance program (the "***Employee Assistance Program***") administered by Health Advocate, Inc. ("***Health Advocate***") to assist Employees with their personal, family, and work/life concerns through confidential, 24/7 short-term counseling. The Debtors pay Health Advocate approximately \$7,500 per month to administer the Employee Assistance Program. As of the Petition Date, the Debtors estimate that there is approximately \$7,500 due and outstanding to Health Advocate on account of the Employee Assistance Program, all of which will come due during the Interim Period.

---

<sup>24</sup> The Debtors are currently covering 100% of the costs of the U.S. Vision Plans for Furloughed Employees.

39. The Debtors offer support to Employees raising children with learning and behavior challenges (the “***Autism Support Program***”) through live teleconsultation and easy-to-follow videos provided by Rethink Autism (“***Rethink***”). The Debtors pay Rethink approximately \$4,300 per month to administer the Autism Support Program. As of the Petition Date, the Debtors estimate that there is approximately \$4,300 due and outstanding to Rethink on account of the Autism Support Program, all of which will come due during the Interim Period.

40. The Debtors request authority to continue to make payments and remittances of prepetition amounts due and owing under the Employee Assistance Program and Autism Support Program as they come due in the ordinary course of business, and to continue the Flu Vaccine Program, Employee Assistance Program, and Autism Support Program in the ordinary course of business postpetition.

c. *Life Insurance, Disability Insurance and AD&D Insurance*

41. The Debtors provide, or in certain cases offer the option of purchasing, certain types of life and disability insurance, including basic life, supplemental life, dependent and spousal life insurance, short-term disability insurance, salary continuation benefits, long-term disability insurance, accidental death and dismemberment insurance, dependent accidental death and dismemberment insurance, and related programs (collectively, the “***U.S. Disability Benefits***”), to all full-time U.S. Employees. All of the Debtors’ U.S. Disability Benefits are administered by Allstate and MetLife, Inc. (“***MetLife***” and together with Allstate, collectively, the “***U.S. Disability Providers***”).

42. The Debtors provide basic life insurance coverage (the “***U.S. Basic Life Insurance***”) to all full-time U.S. Employees through a fully insured plan, administered by MetLife. U.S. Employees are entitled to an amount equal to such Employee’s annual earnings, rounded to the nearest one thousand dollars under the U.S. Basic Life Insurance. The U.S. Basic Life

Insurance is 100% funded by the Debtors. In addition, the Debtors offer all full-time U.S. Employees supplemental life insurance coverage (the “**Supplemental Life Insurance**”). Employees who elect to receive Supplemental Life Insurance must choose a benefit amount that ranges from a minimum of \$10,000 to a maximum of \$1,000,000. The Supplemental Life Insurance is 100% funded through Employee contributions and is of no cost to the Debtors. In addition, the Debtors offer dependent life insurance coverage, which allows all full-time U.S. Employees to purchase life insurance for their spouse and/or dependent children (the “**Dependent Life Insurance**”). The Dependent Life Insurance, provides coverage for (i) spouses in an amount ranging from a minimum of \$5,000 to a maximum of \$350,000, which amounts must be a multiple of \$5,000 and (ii) dependent children, ranging from \$1,000 to \$10,000 depending on the age of the Employee’s dependent child(ren). Under the Dependent Life Insurance, U.S. Employees aged 70 to 75 have the amount of coverage under the Dependent Life Insurance reduced by 35% and upon their 75th birthday, such insurance is reduced by an additional 15%. The Dependent Life Insurance is fully funded by Employee contributions and is therefore of no costs to the Debtors.

43. The Debtors historically offered a life insurance policy that covers certain U.S. Employees who were hired prior to January 1, 1988 (the “**Grandfathered Life Insurance Policy**”). Under the Grandfathered Life Insurance Policy, covered Employees receive a death benefit equal to two times such Employee’s annual salary. The Grandfathered Life Insurance Policy is fully funded by the Debtors. The Debtors’ total annual cost related to the Grandfathered Life Insurance Policy is approximately \$4,500.

44. The Debtors provide short-term disability coverage for all full-time U.S. Employees (“**U.S. Short-Term Disability**”) through a self-insured plan administered by MetLife. U.S. Short-Term Disability generally provides 50% of the U.S. Employee’s base weekly salary up

to a weekly maximum of \$500. The duration of the U.S. Short-Term Disability is based on the U.S. Employee's length of full-time employment with the Debtors. In addition to the U.S. Short-Term Disability, the Debtors offer salary continuation to U.S. Employees receiving U.S. Short-Term Disability who are not receiving payments under state disability programs that, together with their U.S. Short-Term Disability, total an amount greater than 80% of the U.S. Employee's base salary ("**U.S. Salary Continuation**"). U.S. Salary Continuation provides up to an additional 30% of the U.S. Employee's base salary for up to 12 weeks.

45. The Debtors also provide each full-time U.S. Employee with long-term disability coverage ("**U.S. Long-Term Disability**") through a fully-insured plan administered by MetLife. The Debtors offer these Employees an optional buy-up plan for additional long-term disability benefits (the "**Additional U.S. Long-Term Disability**"). The U.S. Long-Term Disability provides 40% of the Employee's pre-disability salary, while the Additional U.S. Long-Term Disability provides an additional 20% of the Employee's pre-disability salary, beyond what the U.S. Long-Term Disability provides. The total annual cost to the Debtors related to U.S. Long-Term Disability, based on the Debtors' most current data, is approximately \$518,000 (inclusive of fees paid to MetLife to administer the plans described in this paragraph but excluding any fees associated with the Additional U.S. Long-Term Disability).

46. The Debtors also offer accidental death and dismemberment insurance ("**AD&D Insurance**") to all full-time U.S. Employees. U.S. Employees must elect to receive the AD&D Insurance and select a benefit amount. The benefit amount must be a minimum of \$10,000 with a maximum equal to the lesser of 10 times the Employee's annual earnings or \$500,000. The AD&D Insurance is fully funded by Employee contributions and is of no cost to the Debtors. The Debtors also offer accidental death and dismemberment insurance for an Employee's spouse and/or

dependent children (the “*Dependent AD&D Insurance*”). All full-time U.S. Employees are eligible to receive the Dependent AD&D Insurance to cover their (i) spouse in an amount ranging from a minimum of \$5,000 and a maximum of \$250,000 and (ii) dependent children in an amount ranging from a minimum of \$1,000 to a maximum of \$25,000. The Dependent AD&D Insurance is fully funded through Employee contributions and is therefore of no costs to the Debtors.

47. The costs of the U.S. Short-Term Disability benefits, U.S. Salary Continuation, U.S. Long-Term Disability benefits and U.S. Basic Life Insurance are borne entirely by the Debtors. The remainder of the U.S. Disability Benefits are fully funded through Employee contributions. The Debtors pay approximately \$18,000 per month to MetLife to administer the U.S. Disability Benefits. As of the Petition Date, the Debtors estimate that there are approximately \$518,000 in obligations outstanding on account of the U.S. Disability Benefits, inclusive of amounts withheld from Employees and of fees paid to MetLife, approximately all of which will become due within the Interim Period. By this Motion, the Debtors seek authority to make all payments and remittances for amounts attributable to the prepetition period and relating to the U.S. Disability Benefits, in the ordinary course of business and in their sole discretion.

d. *Flexible Benefits.*

48. In addition to the HSA noted above, the Debtors also offer Eligible U.S. Employees the opportunity to establish flexible spending accounts which allow such U.S. Employees to set aside pre-tax wages, subject to minimum and maximum annual contributions, to pay for eligible out-of-pocket expenses (the “*FSAs*”) using YSA. There are two types of FSAs offered to Eligible U.S. Employees: health care FSAs (the “*HCFSAs*”) and dependent care FSAs (the “*DCFSAs*”). The HCFSAs allow participating U.S. Employees to set aside wages in an account to pay for out-of-pocket health care expenses that are not covered by another health care plan. The DCFSAs allow participating U.S. Employees to set aside wages in an account to pay for dependent care

expenses such as day care expenses for children up to age 13 and adults unable to care for themselves. The Debtors remit to Alight on behalf of participating Employees an average of approximately \$7,000 on a weekly basis, which amounts are withheld from Employee paychecks. Remittances to Alight on account of the FSAs are based upon actual usage of the FSAs and vary week-to-week.

49. In addition, the Debtors offer U.S. Employees commuter accounts, which allow participating Employees to set aside pre-tax wages, to pay for public transit and qualified parking (the “*Commuter Accounts*”). The Commuter Accounts are administered by Alight through YSA. The Debtors remit to Alight on behalf of participating Employees an average of approximately \$7,000 on a monthly basis, which amounts are withheld from Employee paychecks.

50. Additionally, the Debtors are subject to an ordinance issued by the San Francisco Department of Public Health (“*SFDPH*”) that requires the Debtors to provide a commuter benefits program that supports and encourages Employees to bike, take public transit, and carpool to work (the “*SFDPH Program*”). The Debtors pay the SFDPH approximately \$29,000 per Fiscal Quarter on behalf of participating Employees. By this Motion, the Debtors request authority to make all payments for amounts attributable to the prepetition period and related to the SFDPH Program, in the ordinary course of business and in their sole discretion.

51. The Debtors withhold Employee contributions to the FSAs, HSA, SFDPH Program, and Commuter Accounts each pay period. In addition, the Debtors pay Alight on average approximately, \$5,050 to administer the FSAs, HSA, SFDPH, and Commuter Accounts. As of the Petition Date, the Debtors believe that there are approximately \$57,000 in accrued amounts to be remitted on account of the FSAs, SFDPH Program, and Commuter Accounts to their respective administrators. Additionally, the Debtors estimate that as of the Petition Date, they owe

approximately \$5,800 to Alight to administer the FSAs, HSA, SFDPH Program, and Commuter Accounts. By this Motion, the Debtors request authority to make all payments and remittances for amounts attributable to the prepetition period and related to the FSAs, SFDPH Program, and Commuter Accounts, in the ordinary course of business and in their sole discretion. The Debtors also request authority to continue the FSAs, SFDPH Program, and Commuter Accounts postpetition in the ordinary course of business.

e. *Savings and Retirement Benefits.*

52. Full-time U.S. Employees and part-time U.S. Employees who work 1,000 or more hours within a calendar year, are eligible to participate in a 401(k) retirement plan sponsored by the Debtors (the “**401(k) Plan**”). The 401(k) Plan is administered by Fidelity Investments Inc. (“**Fidelity**”). Under the 401(k) Plan, an eligible U.S. Employee may contribute a portion of his or her eligible earnings each year through pre-tax contributions to the 401(k) Plan, subject to limits imposed by federal law. The Debtors match 50% of the first 5% of participating U.S. Employee contributions to their 401(k) Plan. The Debtors also receive 401(k) consulting services through Aon, in order to ensure the 401(k) Plan complies with applicable law and regulations, which services are typically paid for from 401(k) Plan forfeitures (*i.e.* Debtor contributions to the 401(k) Plan that have accrued, but not yet fully vested when an Employee leaves the Debtors’ employ). Aon also acts as the fiduciary under the 401(k) Plan. Further, the Debtors pay Louis Plung & Company (“**Louis Plung**”) approximately \$13,250 per year from 401(k) forfeitures for 401(k) auditing services.

53. In 2019, the Debtors withheld approximately \$739,000 per month from U.S. Employees participating in the 401(k) Plan, and contributed approximately \$265,000 per month in 2019 on account of matching contributions. As of the Petition Date, the Debtors do not owe any amount on account of the 401(k) Plan. By this Motion the Debtors request authority to continue

sponsoring the 401(k) Plan and to remit all amounts withheld from Employees' paychecks as contributions to the 401(k) Plan, and to pay any outstanding prepetition 401(k) matching contributions and related administrative fees.

54. The Debtors also sponsor a non-qualified deferred compensation plan (the "**NQDC Plan**") for certain U.S. Employees. U.S. Employees with a job title of "director" or above, can participate in the NQDC Plan. Under the NQDC Plan, eligible Employees may defer up to 80% of their eligible salary and commissions and 100% of their earned bonuses, pre-tax. The Debtors match up to 3% of the participating U.S. Employee's base salary deferred. Employee deferrals are 100% vested and the Debtors' matching contribution vests after three years of the Employee's participation and contribution in the NQDC Plan. There are 45 current Employees (three of whom are Insiders) and 13 former Employees who have deferred compensation pursuant to the NQDC Plan. As of the Petition Date, there are approximately \$4.1 million in total deferred compensation obligations under the NQDC Plan. However, not all of this amount is a current cash payment obligation as a participating Employee is only entitled to cash payment distributions in the event such Employee leaves the Debtors' employment or otherwise has a pre-elected scheduled distribution.<sup>25</sup> The obligations under the NQDC Plan are backed by Debtor-owned life insurance policies (the "**COLI Policies**"), purchased on the lives of NQDC Plan participants from Nationwide Insurance ("**Nationwide**"), MetLife, General American Life Insurance Company ("**General American**"), and New England Life Insurance Co. ("**New England Life**"). The COLI Policies are held in a rabbi trust (the "**Rabbi Trust**") for which Bank of America Merrill Lynch ("**BAML**") serves as trustee and Prudential Financial Company ("**Prudential**") serves as the recordkeeper for the NQDC Plan. As of the Petition Date, the cash value of the COLI Policies is

---

<sup>25</sup> Of the current Employees who have pre-elected scheduled distributions, one such Employee is an Insider.

approximately \$4.6 million. As the COLI obligations become payable under the terms of the NQDC Plan, the Debtors have historically paid the NQDC Plan liabilities from a general liability account through payroll. From time to time, but not more frequently than quarterly, the Debtors are reimbursed from the Rabbi Trust by accessing the cash value of the COLI Policies. As of the Petition Date, there are approximately \$650,000 in deferred compensation payments scheduled to be made pursuant to the NQDC Plan through January, 2027, including approximately \$23,000 due to be paid to one former Employee during the Interim Period. By this Motion, the Debtors request the authority to maintain the NQDC Plan. The Debtors do not seek authority to make distributions under the NQDC Plan pursuant to this Motion.

55. The Debtors pay BAML approximately \$2,000 annually for its services as trustee of the Rabbi Trust, Prudential approximately \$7,500 annually for its services as recordkeeper, General American approximately \$375 annually, and New England Life approximately \$ 3,174 annually in premiums on account of the COLI Policies. As of the Petition Date, the Debtors do not owe any amounts to BAML, Prudential, General American, or New England Life on account of the Rabbi Trust or the related COLI Policies. The Debtors request the authority to continue making payments to BAML and to Prudential, MetLife, General American, and New England Life on a postpetition basis to maintain the Rabbi Trust, NQDC Plan and COLI Policies, respectively.

f. *Non-Insider Severance.*

56. The Debtors sponsor and administer an executive severance plan (the “*Executive Severance Plan*”)<sup>26</sup> and a non-executive severance plan (the “*Non-Executive Severance Plan*,”

---

<sup>26</sup> By this Motion, the Debtors do not seek authority to pay any severance benefits to Insiders, but reserve the right to do so in the future by separate motion.

and together with the Executive Severance Plan, the “*Severance Plans*”) that provide severance pay to certain Employees upon a qualifying termination of employment or other qualifying event.<sup>27</sup>

57. The Non-Executive Severance Plan accrues severance pay of one week for full-time Field Employees, with the title of “Store Manager,” upon one full year of employment with the Debtors. For each subsequent year of employment, such Field Employees accrue an additional week of severance pay up to a maximum of four weeks of severance pay.

58. The Executive Severance Plan provides severance pay for six months for Vice Presidents and twelve months for positions senior to Vice President. Additionally, the Executive Severance Plan provides for the continuation of healthcare coverage through the U.S. Medical Plans and/or U.S. Dental Plans and/or U.S. Vision Plans and the reimbursement of health insurance premiums in excess of the U.S. Employee’s premium payable immediately prior to the U.S. Employee’s termination.

59. Severance benefits under the Severance Plans are typically provided in exchange for a release in liability for the Debtors. The Debtors believe it is important that they have the flexibility to maintain their current practice of honoring the Severance Plans for Employee retention and morale.

60. Approximately 90 U.S. Employees have received severance under the Severance Plans and the Debtors have paid approximately \$2 million in severance benefits to U.S. Employees in the twelve month period prior to the Petition Date. As of the Petition Date, the Debtors have no accrued but unpaid liability to U.S. Employees on account of the Severance Plans. Accordingly,

---

<sup>27</sup> Separate and apart from the Severance Plans, certain Employees have employment contracts with the Debtors providing for severance. If an Employee’s employment contract contains severance benefits, such Employee typically may choose between the severance benefits under his or her employment agreement or the severance benefits under the applicable Severance Plan. By this Motion, the Debtors do not seek authority to pay severance benefits under any employment contract. The Debtors reserve the right to seek authority to pay such severance in the future by separate motion.

the Debtors do not seek by this Motion to pay any severance to former Employees who have already been terminated. By this Motion, the Debtors seek authority to continue providing benefits under the Severance Plans in the ordinary course of business to eligible non-Insider U.S. Employees, subject to section 503(c) of the Bankruptcy Code, provided that the Debtors do not seek authority to make payments to Senior Employees under the Severance Plans pursuant to the Interim Order.<sup>28</sup>

g. *U.S. Miscellaneous Employee Benefit Programs*

61. The Debtors offer a number of additional voluntary benefits for Eligible U.S. Employees (the “*Miscellaneous Employee Benefit Programs*”). These benefits include access to discounted legal services, identity theft protection, international vacation medical insurance, and bill negotiation services. Eligible U.S. Employees may also enroll in group auto and home insurance, and pet insurance. The Debtors incur no costs on account of the benefits described above, and the U.S. Employees enroll directly with the applicable carrier and are responsible for all payments in connection therewith.

62. In addition, the Debtors provide certain U.S. Employees, with the title of Vice President or above, with parking spaces at the Debtors’ headquarters (the “*Leased Parking Spaces*”) for use in connection with their commute to work. In addition, the Debtors provide a monthly stipend to U.S. Employees to go towards parking-related expenses in the city of Pittsburgh, Pennsylvania to further encourage such Employees, with the title of Vice President or above, to work from the Debtors’ headquarters (the “*Parking Stipend*” and together with the Leased Parking Spaces, collective, the “*Parking Expenses*”). The average monthly cost on

<sup>28</sup> For Field Employees who are Store Managers and associates in charge of a store undergoing GOB Sales, the Debtors are requesting authorization pursuant to the GOB Motion to make store closing bonus payments (the “*GOB Store Closing Bonuses*”) to such Field Employees. For the avoidance of doubt the Debtors are not seeking authorization to make GOB Store Closing Bonus payments pursuant to this Motion.

account of the Parking Expenses is approximately \$34,000 per month. As of the Petition Date, the Debtors' owe approximately \$10,000 on account of the Parking Expenses, all of which will become payable during the Interim Period.

63. The Debtors also provide car allowances (the "*Car Allowances*") for two field leaders. The Car Allowances are used by the field leaders in order for them to have a car to cover the regions which they oversee. The Car Allowances cost the Debtors approximately \$2,000 per month. As of the Petition Date the Debtors estimate that they owe approximately \$1,000 on account of the Car Allowances, all of which will be payable during the Interim Period.

64. By this Motion, the Debtors request authority to make all payments and remittances for amounts attributable to the prepetition period and related to the Miscellaneous Employee Benefit Programs, Parking Expenses, and Car Allowances, in the ordinary course of business and in their sole discretion and to continue the Miscellaneous Employee Benefit Programs, in the ordinary course of business postpetition.

**5. *Other Compensation: PTO Obligations.***

65. The Debtors offer their U.S. Employees other forms of compensations, including paid holidays, sick leave or other paid and unpaid leave, vacation time, and other earned time off (collectively, "*PTO*"), which give rise to the Debtors' PTO Obligations. Such forms of compensation are customary and necessary in order for maintaining the morale and stability of the Debtors' workforce.

**a. *PTO: Holiday, Sick Leave, and Vacation Time.***

66. The Debtors provide paid holidays for several dates annually which vary by the business segment in which the U.S. Employees work. All U.S. Employees are entitled to six paid holidays per year, based on scheduled holidays. In addition, U.S. Employees in the corporate, distribution and transportation segments receive an additional four paid holidays beyond the six

holidays that all U.S. Employees receive, on specifically designated days. Likewise, U.S. Employees in the military retail segment receive an additional five paid holidays beyond the six holidays all U.S. Employees receive, on specifically designed days. U.S. Employees in Puerto Rico also receive an additional two holidays beyond the six all U.S. Employees receive.

67. The Debtors also provide paid sick leave to U.S. Employees. Generally, U.S. Employees are provided with 40 hours of sick leave per calendar year. U.S. Employees in the military retail segment accrue paid sick leave based on hours worked and years of employment with the Debtors. U.S. Employees may carry over unused sick leave into subsequent years, subject to annual carryover caps and, in the case of U.S. Employees who work in the Debtors' retail segment, accrued balance caps, subject to applicable law.

68. The Debtors also provide U.S. Employees with paid vacation time. Vacation time offered to U.S. Employees varies depending on which segment of the Debtors' business the U.S. Employee works in. In general, vacation time accrues based on an Employee's length of service to the Debtors.

69. U.S. Employees working in the corporate and distribution and manufacturing segments begin to accrue vacation time after 90 days of employment. Thereafter, these U.S. Employees with (a) less than five years of service accrue 128 hours of vacation time per calendar year, (b) five years of service but less ten years of service accrue 168 hours of vacation time per calendar year, and (c) ten or more years of service accrue 192 hours of vacation time per calendar year. Certain of these U.S. Employees are grandfathered into a previous vacation policy in which U.S. Employees accrue 208 hours of vacation time per year if such U.S. Employees have thirteen or more years of services with the Debtors.

70. U.S. Employees working in the retail segment begin to accrue paid vacation after six months of employment. Such U.S. Employees accrue eight hours of paid vacation time per month until they reach one year of employment, at which point they are granted 88 hours per year until they reach five years of service. These U.S. Employees then accrue 128 hours of vacation time per year until their tenth year of service with the Debtors, when they then accrue 168 hours per year.

71. U.S. Employees at retail locations operated on military bases begin to accrue vacation time immediately and accrue 0.0423 hours of vacation time per hour worked up to 88 hours per year, until their fifth year of service to the Debtors. These Employees then accrue 0.0615 hours of vacation time per hour worked up to a maximum of 128 hours of vacation time per year, until their ninth year of service. Thereafter, they accrue 0.0808 hours of vacation time per hour worked up to a maximum of 168 hours of vacation time per year.

72. The Debtors also offer bereavement leave to U.S. Employees following the death of a family member. U.S. Employees are granted three days of paid leave following the death of an immediate family member and one day of paid leave following the death of other family members.

73. In addition to the above, the Debtors provide certain other paid and unpaid leave, as required by the various state laws in which the Debtors operate, including but not limited to, leave under the (i) Family and Medical Leave Act, (ii) New York State Paid Family Leave Act, (iii) California Paid Family Leave Law, (d) Hawaii Family Leave Law, and (e) Massachusetts Paid Family Leave Law. The type of leave provided under the laws mentioned above and in the other states in which the Debtors operate differ based on the applicable law, but in each case, the Debtors provide the minimum amount of leave required by such law.

74. The Debtors estimate that, as of the Petition Date, the aggregate accrued but unpaid PTO Obligations for all U.S. Employees total approximately \$9.02 million. This accrued amount, however, does not represent a true “cash” liability for the Debtors, as the Debtors anticipate that U.S. Employees will use most of their PTO in the ordinary course of business, and eligible U.S. Employees only receive cash payments on account of unused PTO upon termination or resignation, if at all.

75. Because PTO is an essential feature of the employment package provided to the Debtors’ U.S. Employees, and failure to provide this benefit would harm Employee morale and encourage the premature departure of valuable Employees, the Debtors request authority to honor all of their PTO Obligations as and when they come due in the ordinary course of business.

6. ***U.S. Workers’ Compensation.***

76. Under the laws of the various U.S. states in which the Debtors operate, the Debtors are required to maintain workers’ compensation policies and programs, or participate in workers’ compensation programs administered by state governments, to provide their U.S. Employees with workers’ compensation coverage for claims arising from or related to their employment with the Debtors. The Debtors’ U.S. Employees are covered under workers’ compensation policies (the “***U.S. Workers’ Compensation Policies***”) that are either “monopolistic” (*i.e.* provided by a government-operated insurance provider) or “non-monopolistic” (*i.e.* provided by a private sector insurance providers). The Debtors maintain six monopolistic U.S. Workers’ Compensation Policies in the states of New Mexico, North Dakota, Ohio, Washington, and Wyoming as well as in Puerto Rico (the “***Monopolistic Workers’ Compensation Policies***”). The Debtors also maintain non-monopolistic U.S. Workers’ Compensation Policies (the “***Non-Monopolistic Workers’ Compensation Policies***”), currently issued by Sentry Insurance a Mutual Insurance Company (“***Sentry***”) and previously issued by Liberty Mutual Insurance Company (“***Liberty***”), The

Travelers Companies, Inc. (“*Travelers*”), and Chubb Limited (“*Chubb*”) (collectively, the “*Workers’ Compensation Providers*”). The Debtors pay monthly premiums in the amount of approximately \$52,000 with respect to their current U.S. Workers’ Compensation Policies. As part of the Workers’ Compensation Policies, the Debtors have stop loss coverage that is provided by Sentry (the “*Stop Loss Coverage*”). The Stop Loss Coverage effectively caps the Debtors’ potential liability under the Non-Monopolistic Workers’ Compensation Policies at \$250,000 per claim. With regards to the Monopolistic Workers’ Compensation Policies, the Debtors’ only out of pocket expense is the premiums associated with such policies, with all other costs associated with such policies covered by the applicable state agency.

77. In addition, the Debtors have certain letters of credit outstanding in connection with their U.S. Workers’ Compensation Policies. As of the Petition Date, the Debtors have approximately \$4.5 million outstanding in letters of credit with JPMorgan Chase & Co. (“*Chase*”) in connection with their U.S. Workers’ Compensation Policies.

78. Under the U.S. Workers’ Compensation Policies, upon the filing of a verified claim (“*U.S. Workers’ Compensation Claim*”) by an eligible U.S. Employee, the U.S. Workers’ Compensation Provider pays the U.S. Workers’ Compensation Claim amount directly to the U.S. Employee.

79. As of the Petition Date, the Debtors have approximately \$731,500 accrued but unpaid liability on account of the U.S. Workers’ Compensation Policies, \$473,000 of which will become due during the Interim Period. By this Motion, the Debtors request authority to continue their workers’ compensation program and pay any amounts due and owing in connection therewith. It is critical that the Debtors be permitted to continue their workers’ compensation program and to make payments in connection with outstanding prepetition claims, taxes, charges,

assessments, premiums, and third party administrator fees in the ordinary course of business because alternative arrangements for workers' compensation coverage would most certainly be more costly, and the failure to provide coverage may subject the Debtors and/or their officers to severe penalties. To facilitate the ordinary course handling of U.S. Workers' Compensation Claims, the Debtors further request authority, in their sole discretion, to lift the automatic stay of section 362 of the Bankruptcy Code to allow U.S. Workers' Compensation Claims to proceed under the U.S. Workers' Compensation Policies and to allow the Debtors, their affiliates, the U.S. Workers' Compensation Provider and/or their third party administrators to negotiate, settle and/or litigate U.S. Workers' Compensation Claims, and pay resulting amounts, whether such claims arose before or after the Petition Date.

**B. The Debtors' Canadian Workforce Obligations**

**1. *The Debtors' Canadian Wages Obligations.***

80. The Debtors' Canadian Field and Corporate Employees are paid wages and salaries on a bi-weekly basis. The average gross payroll on account of Canadian Employees for each pay period is approximately \$670,000. The Debtors currently process payroll for the Canadian Employees' wages and salaries internally utilizing Lawson, and solely for Employees in the province of Quebec, CGI Payroll Services Centre Inc.'s Nethris payroll services ("*Nethris*"). The Debtors pay their Canadian Employees in arrears for work on a bi-weekly schedule. The Debtors estimate that, as of the Petition Date, they owe approximately \$850,000 in Wage Obligations to Canadian Employees, all of which will become payable during the Interim Period.

**2. *Incentive Programs.***

81. Canadian Employees with the job titles of Store Manager and District Manager are eligible to earn bonuses through two separate incentive programs described in subsections (a) and (b) below (respectively, the "*Store Manager Incentive Program*" and the "*District Manager*

*Incentive Program*” and together, collectively, the “*Canadian Incentive Programs*” and together with the U.S. Incentive Programs, collectively, the “*Incentive Programs*”).<sup>29</sup> By this Motion, the Debtors request authorization to continue the Canadian Incentive Programs in the ordinary course of business and to make payments to non-Insider Canadian Employees as they come due. In the event that the Debtors seek to pay amounts to Insiders under the Canadian Incentive Programs in the future during these Chapter 11 Cases, the Debtors will do so by separate motion. Further, the Debtors do not seek authority to pay any amounts to Senior Employees under the Canadian Incentive Programs pursuant to the Interim Order, but request such authority pursuant to the Final Order.

- a) Store Manager Incentive Program. Approximately 169 Canadian Employees with a job title of “Canada Store Manager” are eligible to receive incentive payouts under the Store Manager Incentive Program. Pursuant to the Store Manager Incentive Program, eligible Employees earn bonuses on a monthly basis based on the performance of their respective stores and management of wages relative to sales. Monthly bonuses accrued under the Store Manager Incentive Program are paid to eligible Employees following the close of the applicable Fiscal Quarter. As of the Petition Date, the Debtors estimate that non-Insider, Canadian Employees have earned approximately \$44,000 in accrued, but unpaid bonuses under the Store Manager Incentive Program in the current Fiscal Year. None of the Canadian Employees who have accrued, unpaid bonuses under the Store Manager Incentive Program are Senior Employees.

---

<sup>29</sup> In addition to the Incentive Programs (as defined herein), pursuant to the GOB Motion the Debtors are separately requesting to pay GOB Bonuses to Field Employees working at stores that are in the process of undergoing going GOB Sales. The details of the GOB Bonuses are set forth in the GOB Motion. For the avoidance of doubt, the Debtors are not seeking to pay any GOB Bonuses pursuant to this Motion.

b) District Manager Incentive Program. Approximately 11 Canadian Employees with a job title of “Canada District Manager” are eligible to receive incentive payouts under the District Manager Incentive Program. Pursuant to the District Manager Incentive Program, eligible Employees earn bonuses on a quarterly basis based on the performance of their business units and wages relative to sales. Quarterly bonuses accrued under the District Manager Incentive Program are paid to eligible Employees following the close of the applicable Fiscal Year. As of the Petition Date, the Debtors estimate that non-Insider Canadian Employees have earned approximately \$14,000 in accrued, but unpaid bonuses under the District Manager Incentive Program in the current Fiscal Year. None of the Employees who have accrued, but unpaid bonuses under the District Manager Incentive Program are Senior Employees.

82. In addition to the Canadian Incentive Programs, Canadian Employees who meet the applicable requirements are eligible to participate in certain U.S. Incentive Programs, including the Corporate Incentive Plan, Loss Prevention Incentive Plan, the GOB Bonuses and the LTI Plan on the same basis as U.S. Employees.

83. As of the Petition Date, the Debtors believe Canadian Employees have earned approximately \$197,583 under the Canadian Incentive Programs, and applicable U.S. Incentive Programs, \$44,000 of which will become due and payable during the Interim Period. By this Motion, the Debtors request authority to continue to make payments to non-Insider Canadian Employees under any applicable U.S. Incentive Programs as they come due. However, for the avoidance of doubt, the Debtors are not seeking to make any payments to Insiders under any of the Canadian Incentive Programs or U.S. Incentive Programs pursuant to this Motion. Further, the

Debtors do not seek authority to pay any amounts to Senior Employees under any of the Canadian or U.S. Incentive Programs pursuant to the Interim Order, but do request such authority pursuant to the Final Order.

3. ***Canadian Deductions.***

84. In the ordinary course of their businesses, the Debtors make deductions from the Workforce's paychecks for payments to third parties on behalf of members of the Workforce employed in Canada, for various federal, provincial, local, and employment insurance and other taxes, as well as for court ordered garnishments, savings programs, repayments for loans taken against the savings programs, benefit plans, insurance and other similar programs (collectively, the "***Canadian Deductions***"). The Debtors' average monthly Canadian Deductions is approximately \$51,000. As noted above, ADP provides the Debtors with services related to the management of the Canadian Deductions and certain other tax-related obligations.

85. As of the Petition Date, certain Canadian Employees are owed prepetition amounts related to their compensation. Where such amounts are owed, the applicable Canadian Deductions have not yet been taken. Additionally, the Debtors may not yet have forwarded to the various third parties noted above the payments that are attributable to the Canadian Deductions that have been withheld from the Workforces' paychecks. The Debtors estimate that, as of the Petition Date, accrued Canadian Deductions to be remitted total approximately \$51,000, all of which will become due and payable during the Interim Period. By this Motion, the Debtors request authority to make all payments and remittances that are due and owing on account of Canadian Deductions in the ordinary course of business including amounts owed to ADP on account of Canadian Deductions as they become due and owing in the ordinary course.

4. ***Other Compensation: PTO Obligations.***

86. The Debtors offer their Canadian Employees other forms of compensations, including PTO. Such forms of compensation are customary and necessary in order for the Debtors to retain qualified employees.

a. *PTO: Holiday, Sick Leave, and Vacation Time.*

87. The Debtors provide paid holidays for several dates annually which vary by the business segment in which the Canadian Employees work. All Canadian Employees are entitled to five paid scheduled holidays per year. Canadian Employees are granted additional paid holidays in accordance with recognized holidays of the Canadian province in which the Canadian Employee is employed.

88. The Debtors also provide paid sick leave to Canadian Employees. Generally, Canadian Employees are provided with 40 hours of sick leave per calendar year. Canadian Employees may carry over unused sick leave into subsequent years.

89. The Debtors also provide Canadian Employees with paid vacation time. Vacation time offered to Canadian Employees varies depending on which segment of the Debtors' business the Canadian Employee works in. In general, vacation time accrues based on an Employee's length of service to the Debtors. Canadian Employees working in the retail segment with less than five years of service to the Debtors accrue 80 hours of vacation time per year and in addition, receive 4% vacation eligible earnings. These Field Employees with 5 years of service but less than 10 years of service accrue 120 hours of vacation time per year and 6% vacation eligible earnings. FieldCanadian Employees with 10 or more years of service to the Debtors accrue 160 hours of vacation time per year and 8% in vacation eligible earnings.

90. Canadian Employees in the corporate segment with five or less years of service to the Debtors accrue 120 hours of vacation time per year and in addition, receive 6% vacation

eligible earnings. These Corporate Employees with 5 years of service but less than 10 years of service accrue 160 hours of vacation time per year and 8% vacation eligible earnings. Corporate Canadian Employees with 10 or more years of service to the Debtors accrue 200 hours of vacation time per year and 10% in vacation eligible earnings.

91. Canadian Employees, who are ‘directors’ with four or less years of service to the Debtors accrue 120 hours of vacation time per year and in addition, receive 6% vacation eligible earnings. These Corporate Employees with four years of service but less than 9 years of service accrue 160 hours of vacation time per year and 8% vacation eligible earnings. Director Canadian Employees with 9 or more years of service to the Debtors accrue 200 hours of vacation time per year and 10% in vacation eligible earnings.

92. The Debtors also offer bereavement leave to Canadian Employees following the death of a family member. Canadian Employees are granted three days of paid leave following the death of an immediate family member and one day of paid leave following the death of other family members.

93. The Debtors estimate that, as of the Petition Date, the aggregate accrued but unpaid PTO Obligations for all Canadian Employees total approximately \$1,080,000. This accrued amount, however, does not represent a true “cash” liability for the Debtors, as the Debtors anticipate that Canadian Employees will use most of their PTO in the ordinary course of business, and eligible Canadian Employees only receive cash payments on account of unused PTO upon termination or resignation, if at all.

94. Because PTO is an essential feature of the employment package provided to the Debtors’ Canadian Employees, and failure to provide this benefit would harm Employee morale

and encourage the premature departure of valuable Employees, the Debtors request authority to honor all of their PTO Obligations as and when they come due in the ordinary course of business.

5. ***Canadian Employee Benefits.***

95. The Debtors provide a wide array of benefits for their Employees located in Canada under a variety of benefit programs described in subsections (a)-(e) below (each of the programs in subsections (a)-(e), a “***Canadian Employee Benefit Program***” and such programs together, collectively “***Canadian Employee Benefit Programs***”). Full-time Canadian Employees are eligible for the Canadian Employee Benefit Programs (the “***Eligible Canadian Employees***”), however, some of the Canadian Employee Benefit Programs are available to all Canadian Employees, such as the Canadian Long-Term Disability and the Canadian Company Life Insurance (each as defined below).

96. Eligible Canadian Employees may enroll their dependents, including spouses, domestic partners, and children<sup>30</sup> in the Canadian Employee Benefit Programs. Children under age 21 that are not full-time students are not covered if they are working more than 30 hours per week. The Canadian Employee Benefit Programs include, amongst other things, medical, dental, and vision insurance programs, the Debtors’ prescription drug insurance program, and supplemental life insurance program.

a. ***Canadian Health Program***

97. The Debtors offer Canadian Employees health insurance (the “***Canadian Health Insurance Program***”) through the Canada Life Assurance Company (“***Canada Life***”). The Canadian Health Insurance Program provides Eligible Canadian Employees with medical

<sup>30</sup> Eligible Canadian Employees may enroll children in that are (i) full-time student and 25 years old or younger; (ii) 26 or younger and a resident of Quebec; or (iii) disabled, regardless of age in the Canadian Benefits Programs.

care, prescription drug, vision and dental coverage, and related benefits (the “*Canadian Health Benefits*”). The Canadian Health Insurance Program is fully insured.

98. The Canadian Health Benefits are funded both through Employee contributions and by the Debtors. Approximately 67% of the cost of the Canadian Health Benefits is borne by the Debtors, and Employees contribute to the Canadian Health Benefits through payroll deductions to pay for the balance<sup>31</sup>. Thus, payments on account of the Canadian Health Benefits consist of both trust fund payments (*i.e.*, Employee contributions) and contributions from the Debtors. The Debtors’ total cost related to the Canadian Health Benefits, based on the Debtors’ most current enrollment data, is approximately \$42,000 per month. As of the Petition Date, the Debtors estimate that approximately \$42,000 in obligations are accrued and outstanding under the Canadian Health Benefits, all of which will come due during the Interim Period.

99. By this Motion, the Debtors request authority to make all payments and remittances for amounts attributable to the prepetition period and related to the Canadian Health Benefits, in the ordinary course of business and in their sole discretion and to continue the Canadian Health Benefits, in the ordinary course of business postpetition.

b. *Life Insurance and Disability Insurance.*

100. The Debtors provide, or in certain cases offer the option of purchasing, certain types of life and disability insurance, including basic life and long-term disability insurance (collectively, the “*Canadian Disability Benefits*”), to all full-time Canadian Employees.

101. The Debtors offer each full-time Canadian Employee long-term disability coverage (“*Canadian Long-Term Disability*”) through Canada Life. The Canadian Long-Term Disability provides 60% of the Employee’s pre-disability salary, up to a maximum of \$6,000 per month. The

---

<sup>31</sup> The Debtors are currently covering 100% of the costs of the Canadian Health Benefits for Furloughed Employees.

Debtors provide 67% of the premiums for the Canadian Long-Term Disability, with the remaining 33% paid by the Employee. The Debtors' total annual cost related to the Canadian Long-Term Disability, based on the Debtors' most current data, is approximately \$162,000. As of the Petition Date, the Debtors estimate that there are approximately \$9,000 in obligations outstanding on account of the Canadian Long-Term Disability.

102. The Debtors provide basic life insurance coverage ("*Canadian Company Life Insurance*") through Canada Life to all full time Canadian Employees. The Debtors fund 67% of the premiums under the Canadian Company Life Insurance. The Canadian Company Life Insurance provides for an amount equal to the Employee's annual earning subject to a minimum of \$25,000 and maximum of \$250,000. Upon a Canadian Employee reaching the age of 65, the benefits under the Canadian Company Life Insurance are reduced to \$10,000. Further, in the event that an Employee's policy under the Canadian Company Life Insurance terminates on or prior to that Employee's 65<sup>th</sup> birthday, such Employee is entitled to maintain coverage by obtaining an individual life insurance policy, provided that that Employee applies for such individual policy in writing and pays the first premium within 31 days after coverage under the Canadian Company Life Insurance terminates. As of the Petition Date, the Debtors estimate that there are approximately \$3,000 in obligations outstanding on account of the Canadian Company Life Insurance, approximately all of which will become due within the Interim Period.

103. By this Motion, the Debtors seek authority to make all payments or remittances for amounts attributable to the prepetition period and relating to the Canadian Disability Benefits, in the ordinary course of business and in their sole discretion and to continue the Canadian Disability Benefits postpetition in the ordinary course of business.

c. *Canadian Savings and Retirement Benefits.*

104. The Debtors offer Canadian Employees the option of enrolling in a registered retirement savings plan (the “*RRSP*”) administered by Canada Life. Generally, only full-time Canadian Employees, after three months of service to the Debtors are eligible to enroll in the RRSP. However, part-time Canadian Employees who work in Quebec are eligible to enroll in the RRSP after three months of employment with the Debtors. Under the RRSP, an eligible Canadian Employee may contribute a portion of his or her eligible earnings each year through pre-tax contributions to the RRSP, subject to certain limits. The Debtors match 100% of the first 3% of participating Canadian Employee contributions to the RRSP. In addition under the RRSP, an eligible Canadian Employee can establish an RRSP for his or her spouse or common law partner, to which such Canadian Employee can make contributions.

105. Under the RRSP, Employees are entitled to distributions at any time in the form of lump sum payments, annuities, or can transfer the balance of their RRSP to different retirement savings accounts.

106. The Debtors remit to Canada Life approximately \$20,000 on a bi-weekly basis through Employee payroll deferrals and contributed approximately \$15,000 per month on account thereof. As of the Petition Date, no amounts are outstanding in obligations related to the RRSP on account of Canadian Employees. By this Motion the Debtors seek authorization to continue the RRSP in the ordinary course of business.

d. *Non-Insider Severance.*

107. Canadian Employees are eligible to participate in the Severance Plans to the same extent as the U.S. Employees. Approximately 118 Canadian Employees have received severance under the Severance Plans and the Debtors have paid approximately \$1,030,000 in severance benefits to Canadian Employees in the twelve month period prior to the Petition Date. As of the

Petition Date, the Debtors have no accrued but unpaid liability to Canadian Employees on account of the Severance Plans. By this Motion, the Debtors seek to continue providing benefits under the Severance Plans in the ordinary course of business to eligible non-Insider Canadian Employees, subject to section 503(c) of the Bankruptcy Code, provided that the Debtors do not seek authority to make payments to Senior Employees under the Severance Plans pursuant to the Interim Order.<sup>32</sup>

e. *Canadian Miscellaneous Employee Benefits.*

108. The Debtors lease 11 vehicles for Canadian Employees to use for their commutes and travel between stores (the “*Canadian Car Leases*”). The Debtors pay approximately \$8,000 per month on account of the Canadian Car Leases. As of the Petition Date the Debtors owe approximately \$4,000 on account of the Canadian Car Leases, all of which will become payable during the Interim Period. The Debtors request the authority to continue to make postpetition payments related to the Canadian Car Leases as they come due in the ordinary course of business.

6. *Canadian Workers’ Compensation.*

109. Under the laws of the government of Canada as well as the various Canadian provinces in which they operate, the Debtors are required to maintain workers’ compensation policies administered by insurance boards set up by the applicable Canadian provinces (the “*Canadian Insurance Boards*”) to provide Canadian Employees with workers’ compensation coverage for claims arising from and related to their employment with the Debtors (the “*Canadian Workers’ Compensation Program*”). Injured workers residing in Canada are statutorily barred from suing their employers for work related injuries or diseases. Instead they must file for workers’ compensation benefits with the applicable Canadian Insurance Boards. The Debtors pay

monthly non-negotiable premiums calculated based on gross payroll, and can either receive a rebate or be required to pay an adjustment based on expected versus actual claim costs, at the end of the year after filing a reconciliation form. The Debtors' only costs associated with the Canadian Workers' Compensation Program are the non-negotiable premiums. The Debtors pay approximately \$7,000 per month in arrears to the Canadian Insurance Boards on account of non-negotiable premiums. As of the Petition Date, approximately \$25,600 is owed to the Canadian Insurance Boards, consisting of accrued and unpaid workers' compensation premiums. The Debtors estimate that approximately \$16,000 will become due and owing on account of the Canadian Workers' Compensation Program during the Interim Period. By this Motion, the Debtors request authority to continue their Canadian Workers' Compensation Program and pay any amounts due and owing in connection therewith. It is critical that the Debtors be permitted to continue the Canadian Workers' Compensation Program and to pay outstanding premiums because the failure to provide coverage may subject the Debtors and/or their officers to severe penalties.

**C. Universal Employee Benefits**

**1. Reimbursable Expenses.**

110. In the ordinary course of business, the Debtors reimburse certain Employees in connection with: (i) business expenses, (ii) relocation expenses and (iii) certain educational expenses, incurred by such Employees, which give rise to the Debtors' Reimbursable Expenses Obligations. By this Motion, the Debtors seek authority to pay all prepetition Reimbursable Expense Obligations (as described below) accrued and unpaid as of the Petition Date and to continue such practices on a postpetition basis in the ordinary course of business.

**a. Business Expenses.**

111. The Debtors routinely reimburse their Employees for travel, lodging, ground transportation and rental cars, meals, supplies, mobile phone chargers, and other business expenses

(collectively, the “**Business Expenses**”). The Debtors have issued approximately 280 corporate credit cards (the “**Corporate Credit Cards**”), through Chase to certain Employees to pay for these Business Expenses.<sup>33</sup> Employees may also incur out-of-pocket Business Expenses and seek reimbursement for their Business Expenses from the Debtors. Generally, an Employee requesting reimbursement must submit a reimbursement request through the Debtors’ reimbursement system, SAP Concur, within 14 days of incurring the Business Expense. All claimed Business Expenses (whether charged to the Corporate Credit Cards or out-of-pocket), are subject to a review and approval process. The Debtors estimate that, as of the Petition Date, approximately \$20,000 of out-of-pocket Business Expenses, not including amounts outstanding on the Corporate Credit Cards, are accrued and unpaid on account of Employee Business Expenses, \$6,000 of which will become due and owing within the Interim Period.

b. *Relocation Expenses.*

112. In the ordinary course of business, the Debtors cover relocation expenses for certain Employees on a case by case basis (the “**Relocation Expenses**”), pursuant to various relocation policies maintained by the Debtors, including, (i) the Homeowner Relocation Policy (the “**Homeowner Policy**”), (ii) the Renter Relocation Policy (the “**Renter Policy**”), (iii) the Household Goods Move Policy (the “**Household Goods Policy**”), and (iv) the Lump-Sum Relocation Policy (the “**Lump-Sum Policy**”) (collectively, the “**Relocation Policies**”). Pursuant to the Relocation Policies, Employees are eligible for reimbursement of Relocation Expenses if (i) at the request of the Debtors, the Employee relocates at least 50 miles further than the distance between the

---

<sup>33</sup> The Debtors are separately seeking to continue to maintain the Corporate Credit Card program and to pay prepetition amounts owing related to the Corporate Credit Cards pursuant to the *Motion of Debtors for Orders (A) Authorizing Continued Use of Existing Cash Management System, Including Maintenance of Existing Bank Accounts, Checks, and Business Forms, (B) Authorizing Continuation of Existing Deposit Practices, (C) Authorizing Continuation of Intercompany Transactions, and (D) Granting Administrative Claim Status to Postpetition Intercompany Claims*, filed contemporaneously herewith.

Employee's former residence and former job site and (ii) the Employee signs a repayment agreement under which a portion or all of the reimbursed Relocation Expenses would have to be returned to the Debtors upon a voluntary termination within 24-months of the Employee's relocation.

113. Under the Homeowner Policy, the Debtors provides reimbursement for (i) house hunting costs, (ii) costs related to the sale of the Employee's existing home, and (iii) moving expenses. In addition, the Debtors provide other payments and benefits under the Homeowner Policy, such as a (i) home sale bonus, capped at \$5,000 if the Employee sells his or her house within 60 days and (ii) temporary living accommodations on a case by case basis.

114. Under the Renter Policy, the Debtors provide reimbursement for (i) rental hunting costs, (ii) moving expenses, and (iii) cost related to lease cancellation, if applicable, for up to two months' rent. In addition, the Debtors provide temporary living accommodations on a case by case basis.

115. Pursuant to the Household Goods Policy, eligible Employees are entitled to reimbursement for expenses incurred on account of moving normal household goods, up to a maximum of 5,000 pounds. The Household Goods Policy is separate and in addition to the moving expense reimbursements provided under the Homeowner Policy and Renter Policy.

116. Under the Lump-Sum Policy, the Debtors provide a one-time lump payment to the eligible Employee to cover relocation expenses.

117. As of the Petition Date, the Debtors estimate that no amounts accrued prior to the Petition Date are owed to Employees on account of Relocation Expenses. The Debtors request authority to continue the Relocation Policies in the ordinary course of business on a postpetition

basis and reimburse Employees for any Relocation Expenses that become due and owing pursuant to the Relocation Policies during these Chapter 11 Cases.

c. *Education Assistance Programs.*

118. The Debtors encourage the development of the professional skills of their Employees through a tuition reimbursement plan. All full-time Employees who have been employed by, and provided full-time service to, the Debtors for at least one year, and who have an overall internal performance rating of “satisfactory,” may be eligible for reimbursement for educational expenses related to undergraduate or graduate degrees, up to a maximum of \$3,000 per calendar year (the “*Tuition Reimbursable Expenses*” and together with the Relocation Expenses and the Business Expenses, collectively, the “*Reimbursable Expenses*”). If an Employee has received reimbursement for the Tuition Reimbursable Expenses and voluntarily terminates their employment with the Debtors within 12 months of receiving such reimbursement, the Employee is required to repay any reimbursements received in the preceding calendar year. As of the Petition Date, the Debtors estimate there is approximately \$14,000 in approved but unpaid Tuition Reimbursable Expenses, that Employees may be entitled to, subject to such Employees satisfying the requirements noted above. By this Motion, the Debtors request authority to pay any amounts owed on account of the Tuition Reimbursable Expenses as they come due in the ordinary course of business.

2. *Retirement Bonuses.*

119. In addition, the Debtors offer bonuses to certain Employees upon retirement based on years of service to the Debtors (the “*Retirement Bonuses*”). All full-time Employees who have worked at least 20 years for the Debtors are entitled to a Retirement Bonus upon retirement. Employees who retire after 20 years of service may be entitled to \$500 and Employees with over

20 years of service may be entitled to \$1,000 upon retirement. As of the Petition Date, the Debtors do not owe any amounts to Employees on account of the Retirement Bonuses.

3. ***Discount Policy.***

120. The Debtors offer two discount policies: (i) an Employee discount policy (the “***Employee Discount Policy***”) and (ii) a retiree discount policy (the “***Retiree Discount Policy***”) and together with the Employee Discount Policy, the “***Discount Policies***”) in order to incentivize all active and former Employees of the Debtors to use the Debtors’ products. In general, the Discount Policies provide a 20% discount on any merchandise purchases in any of the Debtors’ retail stores. The Debtors do not incur any cash obligations in connection with the Discount Policies.

**D. The Debtors’ ICs and Temporary Employees Obligations**

121. The Debtors incur Wage Obligations on account of their ICs and Temporary Employees whom are employed in the United States and Canada. These ICs and Temporary Employees are provided by the Staffing Agencies. The Debtors pay certain of the Staffing Agencies monthly and others weekly on account of the ICs and Temporary Employees provided by such Staffing Agency. On average, the Debtors spend approximately \$637,000 per month on account of the ICs and Temporary Employees. The Debtors estimate that, as of the Petition Date, they owe approximately \$637,000 to the Staffing Agencies on account of the ICs and Temporary Employees, of which all will become due and owing within the Interim Period. By this Motion, the Debtors seek authority to pay all amounts owed on account of the ICs and Temporary Employees in the ordinary course of business.

**III. HONORING OF PREPETITION WORKFORCE OBLIGATIONS**

122. The Debtors request authority to pay or provide, as they become due, all prepetition Workforce Obligations that are described in this Motion. The Debtors estimate that the aggregate

amount of the prepetition Workforce Obligations described above is approximately \$23,931,283, as set forth in the table in section 10 of this Motion.

123. Due to the disruption and uncertainty that typically accompanies a Chapter 11 filing, the Debtors believe that the continuity and competence of their Workforce would be jeopardized if the relief requested herein is not granted. Specifically, if the Debtors fail to honor and pay prepetition Wage Obligations, Reimbursable Expenses Obligations and Benefits Obligations, in the ordinary course of business, the Debtors' Workforce will suffer extreme personal hardship and, in some cases, may be unable to pay their basic living expenses. This hardship would have a highly negative impact on Workforce morale and productivity, thereby resulting in immediate and irreparable harm to the Debtors' continuing operations and their estates. Accordingly, the Debtors have determined that payment of these amounts is vital to preventing the loss of key members of the Workforce during the pendency of the Chapter 11 Cases and to maintaining the continuity and stability of the Debtors' operations.

#### **IV. POSTPETITION CONTINUATION OF WORKFORCE PROGRAMS**

124. The Debtors also request confirmation of their right to continue to honor and perform their obligations with respect to all of the Workforce Programs.<sup>34</sup> The Workforce Programs are essential to the Debtors' efforts to maintain Workforce morale, reward performance through certain incentives, minimize attrition, and preserve the continuity and stability of the Debtors' operations. The Debtors believe that the expenses associated with the Workforce Programs are reasonable and cost-efficient in light of the potential attrition, loss of morale, loss of productivity, and disruption of business operations that would occur if the Workforce Programs

---

<sup>34</sup> For the avoidance of doubt the Debtors will not make any payments to Insiders under any of the Incentive Programs absent a further order of this court authorizing such payments.

were discontinued. Notwithstanding the foregoing, the Debtors reserve the right to evaluate all Workforce Programs and to make such modifications, including terminating any particular plan, program, or policy, as may be necessary or appropriate during the pendency of the Chapter 11 Cases.

## V. PAYMENTS TO NON-EMPLOYEE DIRECTORS

125. In the ordinary course of business, the Debtors pay fees (the “*Non-Employee Director Fees*”) for the services of ten non-Employee directors of Debtor, GNC Holdings, Inc. (the “*Non-Employee Directors*”). The Non-Employee Directors are paid in cash and restricted stock awards on account of their board service and service on any board committees. The Non-Employee Directors are paid on a quarterly basis for services conducted during the prospective Fiscal Quarter.

126. The Debtors also reimburse the Non-Employee Directors for all properly documented expense claims for out-of-pocket expenses wholly, exclusively, and necessarily incurred to attend orientation, board, committee, or shareholder meetings and fulfill related duties, in accordance with the Debtors’ overall corporate travel and expense policy (the “*Non-Employee Director Expenses*”). The Debtors pay approximately \$270,000 in the aggregate per Fiscal Quarter to the Non-Employee Directors on account of Non-Employee Director Fees and Non-Employee Director Expenses.

127. The Non-Employee Directors’ service is necessary for the continued management of the Debtors and, accordingly, it is essential that the Debtors be authorized to pay all Non-Employee Director Fees and any Non-Employee Director Expenses incurred by the Non-Employee Directors that have accrued as of the Petition Date. As of the Petition Date, the Debtors estimate that no Non-Employee Director Fees are accrued and unpaid. In addition, the Debtors are not aware of any accrued and unpaid Non-Employee Director Expenses as of the Petition Date.

Nonetheless, by this Motion, the Debtors request the authority to reimburse any unpaid Non-Employee Director Expenses incurred by the Non-Employee Directors prior to the Petition Date. The Debtors seek authority to continue to pay the Non-Employee Director Fees and Non-Employee Director Expenses in the ordinary course of business on a postpetition basis.

## **VI. PAYMENTS TO ADMINISTRATORS**

128. With respect to the Workforce Programs described above, the Debtors contract with several vendors, as described in more detail above, to administer and deliver payments or other benefits to their Workforce (the “*Administrators*”). The Debtors’ Administrators include but are not limited to, ADP, GeoBlue, Alight, Rethink, MetLife, Allstate, the U.S. Disability Providers, Fidelity, Aon, Louis Plung, BAML, Prudential, General American, New England Life, the Workers’ Compensation Providers, and Canada Life. The Debtors pay these Administrators fees and expenses incurred in connection with providing such services. As of the Petition Date, the Debtors estimate they owe approximately \$252,800 to the Administrators, approximately \$230,800 of which will come due during the Interim Period.

129. In conjunction with the Debtors’ payment of the Workforce Obligations and continued performance under the Workforce Programs, the Debtors believe that it is necessary to obtain specific authorization to pay any claims of the Administrators on a postpetition basis, including prepetition claims to the extent necessary, to ensure uninterrupted delivery of certain benefits to the Workforce. The Debtors believe that the Administrators may fail to adequately and timely perform or may terminate their services to the Debtors unless the Debtors pay the Administrators’ prepetition claims for administrative services rendered and expenses incurred. A need to engage replacement Administrators postpetition likely would cause significant disruption to the payment of benefits and other obligations to the Workforce. Accordingly, the Debtors

submit that the payment of claims owed to the Administrators is in the best interest of the Debtors' estates.

## **VII. HONORING OF PREPETITION CHECKS**

130. Prior to the Petition Date, the Debtors paid certain of their prepetition Workforce Obligations with checks that had not been presented for payment as of the Petition Date. In order to ensure the orderly payment of any prepetition Workforce Obligations, the Debtors request that the Court enter an order authorizing the Debtors' banks to honor any such checks that are drawn on the Debtors' accounts, and authorizing the banks to rely on the representations of the Debtors as to which checks are subject to this Motion. To the extent that any such checks are nevertheless refused payment, the Debtors additionally request authority to replace any checks or electronic fund transfers that may be dishonored and to reimburse any related expenses that may be incurred as a result of any bank's failure to honor a prepetition check or electronic fund transfer.

### **BASIS FOR RELIEF**

#### **I. HONORING ALL PREPETITION WORKFORCE OBLIGATIONS IS A SOUND EXERCISE OF BUSINESS JUDGMENT AND THEREFORE SHOULD BE APPROVED.**

131. The Debtors should be authorized to honor all prepetition Workforce Obligations on the terms set forth in the Proposed Orders, as it reflects a sound exercise of their business judgment. Section 363(b) of the Bankruptcy Code provides, in relevant part, that a debtor "may use, sell, or lease, other than in the ordinary course of business, property of the estate" after notice and a hearing. 11 U.S.C. § 363(b)(1). Generally, the debtor is only required to "show that a sound business purpose" justifies the proposed use of property. *In re Montgomery Ward Holding Corp.*, 242 B.R. 147, 153 (D. Del. 1999); *see also In re Phx. Steel Corp.*, 82 B.R. 334, 335–36 (Bankr. D. Del. 1987) (requiring "good business reason" for use under section 363(b) of the Bankruptcy Code). This standard prohibits other parties from second-guessing the debtor's business judgment

if the debtor has shown that the proposed use will benefit the debtor's estate. *See In re Johns-Manville Corp.*, 60 B.R. 612, 616 (Bankr. S.D.N.Y. 1986) ("Where the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor's conduct."); *see also In re Tower Air, Inc.*, 416 F.3d 229, 238 (3d Cir. 2005) ("Overcoming the presumptions of the business judgment rule on the merits is a near-Herculean task.").

132. For the reasons discussed herein, paying their prepetition Workforce Obligations reflects a sound exercise of business judgment. If the Debtors do not pay the Workforce Obligations, their businesses and operations will suffer from falling morale and potential losses of key members of the Workforce, all at the most inopportune moment as the Debtors transition into chapter 11 and work to maximize value. On the other hand, demonstrating the Debtors' commitment to their Workforce will help engender goodwill, enthusiasm, and loyalty. Therefore, the Debtors submit that this Court should authorize the relief requested in this Motion.

## **II. HONORING ALL PREPETITION WORKFORCE OBLIGATIONS IS NECESSARY TO THE SUCCESS OF THE DEBTORS' REORGANIZATION AND THEREFORE SHOULD BE APPROVED.**

133. In addition, the Debtors should be authorized to honor their prepetition Workforce Obligations as set forth in the Proposed Orders because doing so is necessary to the success of their reorganization. Section 105(a) of the Bankruptcy Code provides that a bankruptcy court "may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions" of the Bankruptcy Code. 11 U.S.C. § 105(a). Courts have interpreted this provision to authorize payments on prepetition claims where the payments are essential to the success of the debtor's reorganization under what is known as the "necessity of payment doctrine." *See In re Lehigh & New Eng. Ry.*, 657 F.2d 570, 581 (3d Cir. 1981) ("Thus, the 'necessity of payment' doctrine...teaches no more than, if a payment of a claim which arose prior to reorganization is

essential to the continued operation of the [debtor's business] during reorganization, payment may be authorized..."); *see also In re Just for Feet, Inc.*, 242 B.R. 821, 824–25 (D. Del. 1999) (holding that section 105(a) “provides a statutory basis for payment of pre-petition claims” under necessity of payment doctrine); *In re Columbia Gas Sys., Inc.*, 171 B.R. 189, 191–92 (Bankr. D. Del. 1994) (“The appropriate standard...is commonly referred to as ‘the necessity of payment doctrine.’”).

134. Paying their prepetition Workforce Obligations is a necessary step for the Debtors to achieve a successful restructuring. The Debtors' Workforce is a fundamental building block of their operations, from each associate making individual sales in stores to supply chain managers overseeing the blocking and tackling of getting the Debtors' products on the shelves or delivered to customers' doorsteps and beyond. For every member of the Workforce, resignation or just flagging performance as a result of failing to pay their prepetition Workforce Obligations has the potential to harm the value of the Debtors' estates and reduce the likelihood of a successful reorganization. Accordingly, the Debtors should be authorized to pay their prepetition Workforce Obligations under section 105(a) of the Bankruptcy Code and the necessity of payment doctrine.

### **III. PAYMENT OF THE PRIORITY PORTION OF THE PREPETITION WORKFORCE OBLIGATIONS WILL NOT PREJUDICE CREDITORS.**

135. Sections 507(a)(4) and 507(a)(5) of the Bankruptcy Code require that certain claims for prepetition wages, salaries, commissions, vacation, sick leave, sales commissions, and employee-benefit contributions be accorded priority in payment in an amount not to exceed \$13,650 for each individual. *See* 11 U.S.C. §§ 507(a)(4), (5). In chapter 11 cases, priority claims must be paid in full. Accordingly, granting the relief requested with respect to the priority portion of their prepetition Workforce Obligations will not adversely affect the Debtors' other unsecured creditors.

136. The Debtors do not believe that any individual Employee is owed prepetition amounts in excess of the priority cap. The amounts of certain prepetition Workforce Obligations, however, are unknown pending submission of claims, and, therefore, the Debtors do not know the exact amount due on account of each Employee for the prepetition period. To the extent that Employees are owed aggregate amounts in excess of the priority cap, or amounts that are otherwise not entitled to priority status, the Debtors submit that payment of their prepetition Workforce Obligations in such higher amounts or otherwise non-priority amounts is nonetheless justified under the authority discussed above.

#### **IV. CERTAIN PREPETITION WORKFORCE OBLIGATIONS ARE REQUIRED TO BE PAID BY LAW.**

137. The Debtors are subject to federal and state laws that require them to pay certain of their prepetition Workforce Obligations or risk suit or cancellation of their qualification to operate in certain jurisdictions. Foremost, Deductions on account of income tax withholdings obligations are derived from Employee funds and held in trust for the benefit of the related payees and, thus, do not constitute property of the Debtors' estates under section 541 of the Bankruptcy Code. *See Begier v. IRS*, 496 U.S. 53, 58–59 (1990); *see also In re Columbia Gas Sys., Inc.*, 997 F.2d 1039, 1059 (3d Cir. 1993) (concluding that property that debtor holds in trust—either express or constructive—does not become property of estate when debtor files for bankruptcy, and stating that “Congress clearly intended the exclusion by section 541(d) to include not only funds held in express trust, but also funds held in constructive trust”); *EBS Pension L.L.C. v. Edison Bros. Stores, Inc. (In re Edison Bros., Inc.)*, 243 B.R. 231, 235 (Bankr. D. Del. 2000) (same). Thus, the Debtors should be authorized to pay such Deductions regardless of when those Deductions accrued or were withheld.

138. Similarly, state laws require the Debtors to maintain the Workers' Compensation Policy. If the Debtors fail to maintain their workers' compensation program, state laws may prohibit the Debtors from operating in those states. Payment of all Workers' Compensation Claims is therefore crucial to the Debtors' continued operations and the success of the Debtors' restructuring. The Debtors therefore request that the Court authorize the Debtors to maintain their workers' compensation program.

**V. A LIMITED WAIVER OF THE AUTOMATIC STAY FOR WORKERS' COMPENSATION CLAIMS IS APPROPRIATE HERE.**

139. Section 362(a) of the Bankruptcy Code operates to stay "the commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other action or proceeding against the debtor that was or could have been commenced before the commencement of the case under this title, or to recover a claim against the debtor that arose before the commencement of the case under this title..." 11 U.S.C. § 362(a)(1). Section 362 of the Bankruptcy Code, however, permits a debtor or other parties in interest to request a modification or termination of the automatic stay for "cause." *Id.* at § 362(d)(1). Cause exists here to modify the automatic stay to permit the Employees to proceed with Workers' Compensation Claims in the appropriate judicial or administrative forum. Staying the Workers' Compensation Claims could have a detrimental effect on the financial well-being and morale of the Employees.

**PROCESSING OF CHECKS AND  
ELECTRONIC FUND TRANSFERS SHOULD BE AUTHORIZED**

140. The Debtors have sufficient funds to pay any amounts described in this Motion in the ordinary course of business by virtue of expected cash flows from ongoing business operations and anticipated access to debtor-in-possession financing and cash collateral. In addition, under the Debtors' existing cash management system, the Debtors can readily identify checks or wire transfer requests as relating to an authorized payment in respect of the Workforce Obligations.

Accordingly, the Debtors believe there is minimal risk that checks or wire transfer requests that the Court has not authorized will be inadvertently made. Therefore, the Debtors respectfully request that the Court authorize all applicable financial institutions, when requested by the Debtors, to receive, process, honor, and pay any and all checks or wire transfer requests in respect of the relief requested in this Motion.

**BANKRUPTCY RULE 6003 HAS BEEN SATISFIED AND  
BANKRUPTCY RULE 6004 SHOULD BE WAIVED**

141. Certain aspects of the relief requested herein are subject to Bankruptcy Rule 6003, which governs the availability of certain types of relief within 21 days after the Petition Date. Pursuant to Bankruptcy Rule 6003, a court may grant this relief on an expedited basis if it is necessary to avoid immediate and irreparable harm. The Debtors submit that the facts set forth herein and in the First Day Declaration demonstrate that the relief requested is necessary to avoid immediate and irreparable harm to the Debtors and, thus, Bankruptcy Rule 6003 has been satisfied.

142. Additionally, with respect to any aspect of the relief sought herein that constitutes a use of property under section 363(b) of the Bankruptcy Code, the Debtors seek a waiver of the notice requirements under Bankruptcy Rule 6004(a), to the extent not satisfied, and of the fourteen-day stay under Bankruptcy Rule 6004(h). As described above, the relief that the Debtors seek in this Motion is immediately necessary for the Debtors to be able to continue to operate their businesses and preserve the value of their estates. The Debtors thus submit that the requested waiver of the notice requirements of Bankruptcy Rule 6004(a) and of the fourteen-day stay imposed by Bankruptcy Rule 6004(h) is appropriate.

**RESERVATION OF RIGHTS**

143. Nothing in this Motion shall be deemed: (a) an admission as to the amount of, basis for, or validity of any claim against the Debtors under the Bankruptcy Code or other applicable

nonbankruptcy law; (b) a waiver of the Debtors' or any other party in interest's right to dispute any claim; (c) a promise or requirement to pay any particular claim; (d) an implication or admission that any particular claim is of a type specified or defined in this Motion; (e) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (f) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (g) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law. If the Court enters any order granting the relief sought herein, any payment made pursuant to such order is not intended and should not be construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

#### **NOTICE**

144. Notice of this Motion will be given to: (a) the United States Trustee for the District of Delaware; (b) counsel to the agent for the Debtors' DIP Term Facility; (c) counsel to the agent for the Debtors' DIP ABL FILO Facility; (d) counsel to the Ad Hoc Group of Crossover Lenders; (e) counsel to the Ad Hoc FILO Term Lender Group; (f) counsel to the agent under the Debtors' secured term and asset-based financing facilities; (g) the indenture trustee for the Debtors' prepetition convertible notes; (h) the parties included on the Debtors' consolidated list of thirty (30) largest unsecured creditors; (i) the United States Attorney's Office for the District of Delaware; (j) the attorneys general for all 50 states and the District of Columbia; (k) the United States Department of Justice; (l) the Internal Revenue Service; (m) the Securities and Exchange Commission; (n) the United States Drug Enforcement Agency; (o) the United States Food and Drug Administration; and (p) all parties requesting notice pursuant to Bankruptcy Rule 2002.

Notice of this Motion and any order entered hereon will be served in accordance with Local

Rule 9013-1(m). The Debtors submit that, under the circumstances, no other or further notice is required.

*[Remainder of page intentionally left blank.]*

**WHEREFORE**, the Debtors respectfully request that the Court enter the Proposed Orders, granting the relief requested in this Motion and such other relief as may be just and proper.

APPLICATION OF ~~[NAME OF FOREIGN REPRESENTATIVE]~~GNC HOLDINGS, INC.,  
UNDER SECTION 46 OF THE  
*COMPANIES' CREDITORS ARRANGEMENT ACT*

**SUPPLEMENTAL ORDER<sup>1</sup>**  
**(FOREIGN MAIN<sup>2</sup> PROCEEDING)**

<sup>1</sup>As noted in several footnotes in this model order, practice under Part IV of the CCAA is still developing, and as certain issues are determined by Canadian courts, this model order will be amended to reflect the development of the law in this area.

<sup>2</sup>If the Canadian Court has recognized a foreign proceeding as a "main" proceeding, then section 48 of the CCAA provides that the Court must grant certain relief, subject to any terms and conditions it considers appropriate. The provisions of the model Initial Recognition Order (Foreign Main Proceeding) fulfill the mandatory requirements of section 48 with respect to a foreign main proceeding. Section 49 of the CCAA also allows the Court to make any order that it considers appropriate for the protection of the debtor company's property or the interests of a creditor or creditors. This Supplemental Order contains discretionary relief that might be granted by the Court in the appropriate circumstances. The Model Order Subcommittee has attempted to make the provisions of this model Order consistent with similar provisions in other model Orders. Supplemental relief (whether contained in this Order or in subsequent Orders) may also include provisions dealing with the sale of assets, the recognition of critical vendors, a claims process, or any number of other matters, or may recognize foreign orders or laws granting such relief.

THIS APPLICATION, made by ~~[NAME OF FOREIGN REPRESENTATIVE]~~GNC Holdings, Inc. in its capacity as the foreign representative (the "Foreign Representative") of the Debtors, pursuant to the *Companies' Creditors Arrangement Act*, R.S.C., 1985, c. C-36, as amended (the "CCAA") for an Order substantially in the form enclosed in the Application Record, was heard ~~this day at 330 University Avenue,~~by judicial videoconference via Zoom at Toronto, Ontario due to the COVID-19 crisis.

ON READING the Notice of Application, the affidavit of ~~[NAME] sworn [DATE],~~  
~~[the preliminary report of [NAME], in its capacity as proposed information officer dated [DATE]]~~Tricia Tolivar sworn June 24, 2020 (the "GNC Affidavit"), and on being advised that the secured creditors who are likely to be affected by the charges created herein were given notice, and on hearing the submissions of counsel for the Foreign Representative, ~~[counsel for the proposed information officer,]~~counsel for [OTHER PARTIES], counsel for the DIP Lenders and the Ad Hoc Group of Crossover Lenders (each as defined in the GNC Affidavit), counsel for the Canada Consultant (as defined in the GNC Affidavit), and no one appearing for ~~[NAME]~~<sup>3</sup>any other parties although duly served as appears from the ~~affidavit~~affidavits of service of ~~[NAME] sworn [DATE],~~Cathy Pellegrini and Tina Woo affirmed June 24, 2020, and on reading the consent of ~~[NAME OF PROPOSED INFORMATION OFFICER]~~FTI Consulting Canada Inc. to act as the information officer:

## SERVICE

1. THIS COURT ORDERS that the time for service of the Notice of Application and the Application Record is hereby abridged and validated<sup>4</sup> so that this Application is properly returnable today and hereby dispenses with further service thereof.

## INITIAL RECOGNITION ORDER

2. THIS COURT ORDERS that any capitalized terms not otherwise defined herein shall have the meanings given to such terms in the Initial Recognition Order (Foreign Main Proceeding) dated ~~[DATE]~~[ ] (the "Recognition Order").

<sup>3</sup>~~Include names of secured creditors or other persons who must be served before certain relief in this model Order may be granted. See, for example, CCAA Sections 11.2(1) and 11.52(1).~~

<sup>4</sup>~~If service is effected in a manner other than as authorized by the Ontario Rules of Civil Procedure, an order validating irregular service is required pursuant to Rule 16.08 of the Rules of Civil Procedure and may be granted in the appropriate circumstances.~~

3. THIS COURT ORDERS that the provisions of this Supplemental Order shall be interpreted in a manner complementary and supplementary to the provisions of the Recognition Order, provided that in the event of a conflict between the provisions of this Supplemental Order and the provisions of the Recognition Order, the provisions of the Recognition Order shall govern.

#### RECOGNITION OF FOREIGN ORDERS<sup>5</sup>

4. THIS COURT ORDERS that the following orders (collectively, the **"Foreign Orders"** of **[NAME OF FOREIGN COURT]**) of **United States Bankruptcy Court for the District of Delaware (the "U.S. Court")** made in the Foreign Proceeding are hereby recognized and given full force and effect<sup>6</sup> in all provinces and territories of Canada pursuant to **Section** 49 of the CCAA:

(a) ~~[list Foreign Orders, or portions of Foreign Orders, copies of which should be attached as schedules to this Order], attached as Schedule A to this Order,~~ **Orders (a) enforcing the protections of 11 U.S.C. §§ 362, 365, 525, and 541(c) and (b) approving notice to customers, suppliers, and other stakeholders of Debtors' non-Debtor global affiliates ("Automatic Stay Comfort Order for Foreign Entities");**

(b) **Orders (a) authorizing continued use of existing cash management system, including maintenance of existing bank accounts, checks, and business forms, (b) authorizing continuation of existing deposit practices, (c) authorizing continuation of intercompany transactions, and (d) granting**

<sup>5</sup> This model Order adopts an approach that might be applicable to some foreign proceedings, but not others. For example, U.S. proceedings will typically generate court orders that will be brought to the Canadian Courts for recognition. Other jurisdictions may have statutory or regulatory rights (rather than court orders) that need to be recognized in Canada.

<sup>6</sup> Section 50 of the CCAA provides that an order made under Part IV of the CCAA may be made on any terms and conditions that the Court considers appropriate in the circumstances. Such terms and conditions would presumably need to be consistent with the orders or laws applicable to the foreign proceeding, subject to (i) the limitations imposed by section 48(2) (an order made under section 48(1) must be consistent with any order made under the CCAA), and (ii) the limitations imposed in section 61 (which provides that the Court may apply legal or equitable rules that are not inconsistent with the CCAA, and further that the Court may refuse to do something that would be contrary to public policy). All of the Foreign Orders should be reviewed by counsel with these issues in mind, and the Court may require confirmation from counsel that there is nothing in the Foreign Orders that is inconsistent with the CCAA or that would raise the public policy exception referenced in section 61 of the CCAA.

and

attached, collectively, as Schedule A to this Order,

provided, however, that in the event of any conflict between the terms of the Foreign Orders and the Orders of this Court made in the within proceedings, the Orders of this Court shall govern with respect to Property (as defined below) in Canada.

#### **APPOINTMENT OF INFORMATION OFFICER<sup>7</sup>**

5. THIS COURT ORDERS that ~~[NAME OF INFORMATION OFFICER]~~ETL Consulting Canada Inc. (the “Information Officer”) is hereby appointed as an officer of this Court, with the powers and duties set out herein.

#### **NO PROCEEDINGS AGAINST THE DEBTORS OR THE PROPERTY<sup>8</sup>**

6. THIS COURT ORDERS that until such date as this Court may order (the “Stay Period”) no proceeding or enforcement process in any court or tribunal in Canada (each, a “Proceeding”) shall be commenced or continued against or in respect of the Debtors or affecting their business (the “Business”) or their current and future assets, undertakings, and properties of every nature and kind whatsoever, and wherever situate including all

<sup>7</sup> ~~The appointment of an Information Officer is not required by the CCAA, and is in the discretion of the Court. Information Officers are normally trustees licensed under the *Bankruptcy and Insolvency Act*.~~

<sup>8</sup> ~~The Model Order Subcommittee notes that a “Non-Derogation of Rights” section (found, for example, in the Model Initial CCAA Order) has not been included in this model Order. In a “full” CCAA proceeding, which would typically include a stay of proceedings made under section 11.02 of the CCAA, a number of actions or steps cannot be stayed, or the stay is subject to certain limits and restrictions. See, for example, CCAA Sections 11.01, 11.04, 11.06, 11.07, 11.08, and 11.1(2). However, in a Part IV proceeding, section 48 of the CCAA (rather than section 11.02 of the CCAA) is being relied upon when a stay of proceedings is being sought, and despite the wording of section 48(2) and section 61, it is not clear if the restrictions applicable to a section 11.02 stay of proceedings are also applicable to a section 48 stay of proceedings, or would restrict the recognition of foreign proceedings or foreign orders that include a stay of proceedings broader than permitted in a section 11.02 stay of proceedings. These issues remain open for determination by Canadian courts.~~

proceeds thereof (the “Property”), except with leave of this Court,<sup>9</sup> and any and all Proceedings currently under way against or in respect of any of the Debtors or affecting the Business or the Property are hereby stayed and suspended pending further Order of this Court.

#### **NO EXERCISE OF RIGHTS OR REMEDIES**

7. THIS COURT ORDERS that during the Stay Period, all rights and remedies of any individual, firm, corporation, governmental body or agency, or any other entities (all of the foregoing, collectively being “Persons” and each being a “Person”) against or in respect of the Debtors ~~[or the Foreign Representative]~~, or affecting the Business or the Property, are hereby stayed and suspended except with leave of this Court, provided that nothing in this Order shall (i) prevent the assertion of or the exercise of rights and remedies outside of Canada, (ii) empower any of the Debtors to carry on any business in Canada which that Debtor is not lawfully entitled to carry on, (iii) ~~]~~ affect such investigations or Proceedings by a regulatory body as are permitted by section 11.1 of the CCAA, ~~]~~ (iv) prevent the filing of any registration to preserve or perfect a security interest, ~~or~~ (v) prevent the registration of a claim for lien, (vi) prevent the DIP ABL FILO Lenders under the post-filing financing approved in the Foreign Proceedings pursuant to the DIP Order (the “DIP ABL FILO Credit Agreement”) or the agent thereunder (the “DIP ABL FILO Agent”) from making any filing or any registration contemplated by or consistent with the DIP ABL FILO Credit Agreement or the DIP Order, or (vii) prevent the DIP Term Lenders under the post-filing financing approved in the Foreign Proceedings pursuant to the DIP Order (the “DIP Term Credit Agreement”) or the agent thereunder (the “DIP Term Agent”) from making any filing or any registration contemplated by or consistent with the DIP Term Credit Agreement or the DIP Order.

#### **NO INTERFERENCE WITH RIGHTS**

8. THIS COURT ORDERS that during the Stay Period, no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate, or cease to perform any right, renewal

<sup>9</sup>~~Where the Court considers it to be appropriate, it may authorize other Persons, including a Court appointed Information Officer, to provide consent to any Proceeding. This same comment applies in paragraphs 6 through 11 of this Order.~~

right, contract, agreement, licence, or permit in favour of or held by any of the Debtors and affecting the Business in Canada, except with leave of this Court.

## ADDITIONAL PROTECTIONS

9. THIS COURT ORDERS that during the Stay Period, all Persons having oral or written agreements with the Debtors or statutory or regulatory mandates for the supply of goods and/or services in Canada, including without limitation all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, utility, or other services provided in respect of the Property or Business of the Debtors, are hereby restrained until further Order of this Court from discontinuing, altering, interfering with, or terminating the supply of such goods or services as may be required by the Debtors, and that the Debtors shall be entitled to the continued use in Canada of their current premises, bank accounts, telephone numbers, facsimile numbers, internet addresses, and domain names.<sup>10</sup>

10. THIS COURT ORDERS that during the Stay Period, and except as permitted by subsection 11.03(2) of the CCAA, no Proceeding may be commenced or continued against any of the former, current, or future directors or officers of the Debtors with respect to any claim against the directors or officers that arose before the date hereof and that relates to any obligations of the Debtors whereby the directors or officers are alleged under any law to be liable in their capacity as directors or officers for the payment or performance of such obligations.<sup>11</sup>

11. THIS COURT ORDERS that no Proceeding shall be commenced or continued against or in respect of the Information Officer, except with leave of this Court. In addition to the rights and protections afforded the Information Officer herein, or as an officer of this Court, the Information Officer shall have the benefit of all of the rights and protections afforded to a Monitor under the CCAA, and shall incur no liability or obligation as a result of its

<sup>10</sup> ~~Section 11.01 of the CCAA provides that no order made under section 11 or 11.02 has the effect of (a) prohibiting a person from requiring immediate payment for goods, services, etc. provided after the order is made, or (b) requiring the further advance of money or credit. It is unclear whether these provisions also apply to an order made pursuant to section 48 of the CCAA. Please see the discussion in footnote 8 above.~~

<sup>11</sup> ~~Counsel should specifically address with the Court whether this provision is appropriate in the context of this Order.~~

appointment or the carrying out of the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part.

## OTHER PROVISIONS RELATING TO INFORMATION OFFICER

12. THIS COURT ORDERS that the Information Officer:

- (a) is hereby authorized to provide such assistance to the Foreign Representative in the performance of its duties as the Foreign Representative may reasonably request;
- (b) shall report to this Court at ~~least once every [three] months~~ such times and intervals that the Information Officer considers appropriate with respect to the status of these proceedings and the status of the Foreign Proceedings, which reports may include information relating to the Property, the Business, or such other matters as may be relevant to the proceedings herein;
- ~~(c) — in addition to the periodic reports referred to in paragraph 12(b) above, the Information Officer may report to this Court at such other times and intervals as the Information Officer may deem appropriate with respect to any of the matters referred to in paragraph 12(b) above;~~
- (c) ~~(d)~~ shall have full and complete access to the Property, including the premises, books, records, data, including data in electronic form, and other financial documents of the Debtors, to the extent that is necessary to perform its duties arising under this Order; and
- (d) ~~(e)~~ shall be at liberty to engage independent legal counsel or such other persons as the Information Officer deems necessary or advisable respecting the exercise of its powers and performance of its obligations under this Order.

13. THIS COURT ORDERS that the Debtors and the Foreign Representative shall (i) advise the Information Officer of all material steps taken by the Debtors or the Foreign Representative in these proceedings or in the Foreign Proceedings, (ii) co-operate fully with the Information Officer in the exercise of its powers and discharge of its obligations, and (iii)

provide the Information Officer with the assistance that is necessary to enable the Information Officer to adequately carry out its functions.

14. THIS COURT ORDERS that the Information Officer shall not take possession of the Property and shall take no part whatsoever in the management or supervision of the management of the Business and shall not, by fulfilling its obligations hereunder, be deemed to have taken or maintained possession or control of the Business or Property, or any part thereof.

15. THIS COURT ORDERS that the Information Officer (i) shall post on its website all Orders of this Court made in these proceedings, all reports of the Information Officer filed herein, and such other materials as this Court may order from time to time, and (ii) may post on its website any other materials that the Information Officer deems appropriate.

16. THIS COURT ORDERS that the Information Officer may provide any creditor of a Debtor with information provided by the Debtors in response to reasonable requests for information made in writing by such creditor addressed to the Information Officer. The Information Officer shall not have any responsibility or liability with respect to the information disseminated by it pursuant to this paragraph. In the case of information that the Information Officer has been advised by the Debtors is privileged or confidential, the Information Officer shall not provide such information to creditors unless otherwise directed by this Court or on such terms as the Information Officer, the Foreign Representative, and the relevant Debtors may agree.

17. THIS COURT ORDERS that the Information Officer and counsel to the Information Officer shall be paid by the Debtors their reasonable fees and disbursements incurred in respect of these proceedings, both before and after the making of this Order, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts. The Debtors are hereby authorized and directed to pay the accounts of the Information Officer and counsel for the Information Officer on a ~~{TIME INTERVAL}~~ weekly basis and, in addition, the Debtors are hereby authorized to pay to the Information Officer and counsel to the Information Officer, retainers in the ~~amount[s] of \$[AMOUNT OR- AMOUNTS] [, respectively,]~~ amounts of CDN\$350,000 to the Information Officer and

CDN\$100,000 to its counsel to be held by them as security for payment of their respective fees and disbursements outstanding from time to time.

18. THIS COURT ORDERS that the Information Officer and its legal counsel shall pass their accounts from time to time, and for this purpose, the accounts of the Information Officer and its legal counsel are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice, and the accounts of the Information Officer and its counsel shall not be subject to approval in the Foreign Proceeding.

19. THIS COURT ORDERS that the Information Officer and counsel to the Information Officer, if any, shall be entitled to the benefit of and are hereby granted a charge (the "Administration Charge") on the Property in Canada, which charge shall not exceed an aggregate amount of ~~[\$[AMOUNT]]~~, CDN\$250,000, as security for their professional fees and disbursements incurred in respect of these proceedings, both before and after the making of this Order. The Administration Charge shall have the priority set out in paragraphs ~~{24}~~23 and ~~{23}~~26 hereof.

#### INTERIM FINANCING<sup>12</sup>

20. THIS COURT ORDERS that the DIP ~~Lender~~ABL FILO Agent, for its own benefit and the benefit of the DIP ABL FILO Lenders, shall be entitled to the benefit of and is hereby granted a charge (the "DIP Lender's ABL FILO Lenders' Charge") on the Property in Canada, which DIP ~~Lender's~~ABL FILO Lenders' Charge shall be consistent with the liens and charges created by the ~~[DESCRIBE DIP LOAN ORDER MADE IN THE FOREIGN PROCEEDING]~~, ~~provided however that the DIP Lender's Charge (i) shall not secure an obligation that exists before this Order is made,<sup>13</sup> and (ii) DIP Order~~ with respect to the Property in Canada, shall have the priority set out in paragraphs ~~{24}~~23, 24 and ~~{23}~~26 hereof, and ~~further provided that the DIP Lender's Charge shall not be enforced except in accordance with leave~~the terms of ~~this Court~~the DIP Order.

<sup>12</sup> Optional — if there is a DIP Lender which takes security over assets in Canada or in respect of Canadian Debtors. If more comprehensive interim financing provisions are required, please refer to the model CCAA Initial Order for sample provisions.

<sup>13</sup> This restriction appears in the interim financing provisions found in section 11.2(1) of the CCAA. It is unclear if this prohibits the recognition of a foreign order that creates a DIP Lender's Charge securing pre-filing obligations.

21. THIS COURT ORDERS that the DIP Term Agent, for its own benefit and the benefit of the DIP Term Lenders, shall be entitled to the benefit of and is hereby granted a charge (the “DIP Term Lenders’ Charge” and together with the DIP ABL FILO Lenders’ Charge, the “DIP Lenders’ Charges”) on the Property in Canada, which DIP Term Lenders’ Charge shall be consistent with the liens and charges created by the DIP Order with respect to the Property in Canada, shall have the priority set out in paragraphs 23, 24 and 26 hereof, and shall not be enforced except in accordance with the terms of the DIP Order.

22. THIS COURT ORDERS that notwithstanding the foregoing or any provisions to the contrary contained in:

- (a) this Order;
- (b) the DIP ABL FILO Credit Agreement; or
- (c) the DIP Term Credit Agreement;

to the extent that the DIP ABL FILO Agent and the DIP Term Agent (collectively, the “DIP Agents”) have been granted a security interest hereunder in any shares or other equity interests in the capital stock (“ULC Shares”) of an issuer that is an unlimited company, unlimited liability company, or unlimited liability corporation under the laws of Canada or any of its provinces or political subdivisions (each a “ULC”), the Debtor that owns such ULC Shares will remain the sole registered and beneficial owner of such ULC Shares until such time as such ULC Shares are effectively transferred into the name of a DIP Agent, the DIP Lenders, or any of their successors or assigns (in either case, a “ULC Beneficiary”), or any other person or entity on the books and records of the applicable ULC. Nothing in this Order or the DIP Agreements is intended to and nothing in this Order or the DIP Agreements shall constitute the DIP Agents, any other ULC Beneficiary, or any other person or entity other than the applicable Debtor, a member or shareholder of a ULC for the purposes of the *Companies Act* (Nova Scotia), the *Business Corporations Act* (Alberta), the *Business Corporations Act* (British Columbia), and any other present or future laws governing ULCs (the “ULC Laws”) (whether listed or unlisted, registered, or beneficial) until such time as notice is given to

such Debtor and further steps are taken pursuant hereto or thereto so as to register a DIP Agent, any other ULC Beneficiary, or such other person or entity, as specified in such notice, as the holder of the ULC Shares.

#### VALIDITY AND PRIORITY OF CHARGES CREATED BY THIS ORDER

**23.** ~~21.~~ THIS COURT ORDERS that the ~~priorities of the~~ Administration Charge shall have priority over both the DIP ABL FILO Lenders' Charge and the DIP Lender's Term Lenders' Charge, as among them, shall be as follows:<sup>14</sup> on Property in Canada.

~~First—Administration Charge (to the maximum amount of \$[AMOUNT]); and~~

~~Second—DIP Lender's Charge.~~

**24.** THIS COURT ORDERS that DIP Lenders' Charges as between them, shall have the priorities, with respect to Property in Canada, set forth in the DIP Order.

**25.** ~~22.~~ THIS COURT ORDERS that the filing, registration, or perfection of the Administration Charge or the DIP ~~Lender's Charge~~ Lenders' Charges (collectively, the "Charges") shall not be required, and that the Charges shall be valid and enforceable for all purposes, including as against any right, title, or interest filed, registered, recorded, or perfected subsequent to the Charges coming into existence, notwithstanding any such failure to file, register, record, or perfect the Charges.

**26.** ~~23.~~ THIS COURT ORDERS that each of the ~~Administration Charge and the DIP Lender's Charge~~ Charges (all as constituted and defined herein) shall constitute a charge on the Property in Canada and such Charges shall rank in priority to all other security interests, trusts, liens, charges and encumbrances, claims of secured creditors, statutory or otherwise (collectively, "Encumbrances") in favour of any Person, except for any validly perfected purchased money security interest of a secured creditor.

<sup>14</sup> ~~The ranking of these Charges is for illustration purposes only, and is not meant to be determinative. This ranking may be subject to negotiation, and should be tailored to the circumstances of the case before the Court. Similarly, the quantum and caps applicable to the Charges should be considered in each case. Please also note that the CCAA now permits Charges in favour of critical suppliers and others, which should also be incorporated into this Order (and the rankings, above), where appropriate.~~

27. ~~24.~~ THIS COURT ORDERS that except as otherwise expressly provided for herein, or as may be approved by this Court, the Debtors shall not grant any Encumbrances over any Property in Canada that rank in priority to, or *pari passu* with, the Administration Charge or the DIP ~~Lender's Charge~~ Lenders' Charges, unless the Debtors also obtain the prior written consent of the Information Officer and each of the DIP ~~Lender~~ Agents.

28. ~~25.~~ THIS COURT ORDERS that the Administration Charge and the DIP ~~Lender's Charge~~ Lenders' Charges shall not be rendered invalid or unenforceable and the rights and remedies of the chargees entitled to the benefit of the Charges (collectively, the "Chargees") shall not otherwise be limited or impaired in any way by (i) the pendency of these proceedings and the declarations of insolvency made herein; (ii) any application(s) for bankruptcy order(s) issued pursuant to BIA *Bankruptcy and Insolvency Act, R.S.C., 1985, c. B-3* (the "BIA"), or any bankruptcy order made pursuant to such applications; (iii) the filing of any assignments for the general benefit of creditors made pursuant to the BIA; (iv) the provisions of any federal or provincial statutes; or (v) any negative covenants, prohibitions, or other similar provisions with respect to borrowings, incurring debt, or the creation of Encumbrances, contained in any existing loan documents, lease, sublease, offer to lease, or other agreement (collectively, an "Agreement") which binds any Debtor, and notwithstanding any provision to the contrary in any Agreement:

- (a) the creation of the Charges shall not create or be deemed to constitute a breach by a Debtor of any Agreement to which it is a party;
- (b) none of the Chargees shall have any liability to any Person whatsoever as a result of any breach of any Agreement caused by or resulting from the creation of the Charges; and
- (c) the payments made by the Debtors to the Chargees pursuant to this Order, and the granting of the Charges, do not and will not constitute preferences, fraudulent conveyances, transfers at undervalue, oppressive conduct, or other challengeable or voidable transactions under any applicable law.

**29.** ~~26.~~ THIS COURT ORDERS that any Charge created by this Order over leases of real property in Canada shall only be a Charge in the applicable Debtor's<sup>15</sup> interest in such real property leases.

## SERVICE AND NOTICE

**30.** ~~27.~~ THIS COURT ORDERS that that the E-Service Protocol of the Commercial List (the "**Protocol**") is approved and adopted by reference herein and, in this proceeding, the service of documents made in accordance with the Protocol (which can be found on the Commercial List website at

~~<http://www.ontariocourts.ca/scj/practice/practice-directions/toronto/e-service-protocol/>~~~~<https://www.ontariocourts.ca/scj/practice/practice-directions/toronto/eservice-commercial/>~~

shall be valid and effective service. Subject to Rule ~~17.05~~**17.05**, this Order shall constitute an order for substituted service pursuant to Rule 16.04 of the Rules of Civil Procedure. This Court further orders that a Case Website shall be established in accordance with the Protocol with the following URL ~~'<@>'~~~~<http://cfcanada.fticonsulting.com/GNCC>~~.

**31.** ~~28.~~ THIS COURT ORDERS that if the service or distribution of documents in accordance with the Protocol is not practicable, the Debtors, the Foreign Representative, and the Information Officer are at liberty to serve or distribute this Order, any other materials, and orders in these proceedings, any notices, or other correspondence, by forwarding true copies thereof by prepaid ordinary mail, courier, personal delivery, or facsimile transmission to the Debtors' creditors or other interested parties at their respective addresses as last shown on the records of the applicable Debtor and that any such service or distribution by courier, personal delivery, or facsimile transmission shall be deemed to be received on the next business day following the date of forwarding thereof, or if sent by ordinary mail, on the third business day after mailing.

## GENERAL

**32.** ~~29.~~ THIS COURT ORDERS that the Information Officer may from time to time apply to this Court for advice and directions in the discharge of its powers and duties hereunder.

33. ~~30.~~ THIS COURT ORDERS that nothing in this Order shall prevent the Information Officer from acting as an interim receiver, a receiver, a receiver and manager, a monitor, a proposal trustee, or a trustee in bankruptcy of any Debtor, the Business, or the Property.

## CANADIAN SALE GUIDELINES

The following procedures shall apply to the Sale to be conducted at the Stores of General Nutrition Centres Company (the “**Merchant**”). All terms not herein defined shall have the meaning set forth in the Consulting Agreement by and between a joint venture comprised of Tiger Asset Solutions Canada, ULC and GA Retail Canada ULC (collectively with their respective U.S. affiliates, the “**Consultant**”) and the Merchant dated as of June 18, 2020 (the “**Consulting Agreement**”).

1. Except as otherwise expressly set out herein, and subject to: (i) the orders granted or issued in the Merchant’s bankruptcy case (the “**Bankruptcy Case**”) in the United States of America under Chapter 11 of the United States Bankruptcy Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the District of Delaware (the “**Court**”) and the Merchant’s ancillary proceedings (the “**CCAA Proceedings**”) in Canada under Part IV of the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”) before the Ontario Superior Court of Justice (Commercial List) (individually, an “**Order**”, and, collectively, the “**Orders**”); or (ii) any subsequent written agreement between the Merchant and the applicable landlord(s) (individually, a “**Landlord**” and, collectively, the “**Landlords**”) and approved by each of the Consultant and Information Officer in writing, or (iii) as otherwise set forth herein, the Sale shall be conducted in accordance with the terms of the applicable leases/or other occupancy agreements to which the affected Landlords are privy for each of the affected Stores (individually, a “**Lease**” and, collectively, the “**Leases**”). However, nothing contained herein shall be construed to create or impose upon the Merchant or the Consultant any additional restrictions not contained in the applicable Lease or other occupancy agreement.
2. The Sale shall be conducted so that each of the Stores remains open during its normal hours of operation provided for in its respective Lease until the respective Sale Termination Date for such Store. The Sale at the Stores shall end by no later than the Sale Termination Date. Rent payable under the respective Leases shall be paid in accordance with the terms of the Orders, as applicable.
3. The Sale shall be conducted in accordance with applicable federal, provincial and municipal laws and regulations, unless otherwise set out herein or otherwise ordered by the Court.
4. All display and hanging signs used by the Consultant in connection with the Sale shall be professionally produced and all hanging signs shall be hung in a professional manner. Notwithstanding anything to the contrary contained in the Leases, the Consultant may advertise the Sale at the Stores as an “everything on sale”, an “everything must go”, a “store closing” or similar theme sale at the Stores (provided however that no signs shall advertise the Sale as a “bankruptcy”, a “going out of business” or a “liquidation” sale it being understood that the French equivalent of “clearance” is “liquidation” and is permitted to be used). Forthwith upon written request from a Landlord, the Landlord’s counsel, the Merchant or the Information Officer, the Consultant shall provide the proposed signage packages along with the proposed dimensions and number of signs (as approved by the Merchant pursuant to the Consulting Agreement) by e-mail to such Landlord(s) or to their counsel of record and the Information Officer. Where the provisions of the Lease conflict with these Canadian Sale Guidelines, these Canadian Sale Guidelines shall govern. The Consultant shall not use neon or day-glow or handwritten signage (unless otherwise

contained in the sign package, including “you pay” or “topper” signs). In addition, the Consultant shall be permitted to utilize exterior banners/signs at stand alone or strip mall Stores or enclosed mall Stores with a separate entrance from the exterior of the enclosed mall, provided, however, that where such banners are not explicitly permitted by the applicable Lease and the Landlord requests in writing that the banners are not to be used, no banners shall be used absent further Order of the Court. Any banners used shall be located or hung so as to make clear that the Sale is being conducted only at the affected Store and shall not be wider than the premises occupied by the affected Store. All exterior banners shall be professionally hung and to the extent that there is any damage to the façade of the premises of a Store as a result of the hanging or removal of the exterior banner, such damage shall be professionally repaired at the expense of the Consultant. If a Landlord is concerned with “store closing” signs being placed in the front window of a Store or with the number or size of the signs in the front window, the Consultant and the Landlord will discuss the Landlord’s concerns and work to resolve the dispute.

5. The Consultant shall be permitted to utilize sign walkers and street signage; provided, however, such sign walkers and street signage shall not be located on the shopping centre or mall premises.
6. The Consultant shall not make any alterations to interior or exterior Store lighting, except as authorized pursuant to the applicable Lease. The hanging of exterior banners or other signage, where permitted in accordance with the terms of these guidelines, shall not constitute an alteration to a Store.
7. Conspicuous signs shall be posted in the cash register areas of each Store to the effect that all sales are “final”.
8. The Consultant shall not distribute handbills, leaflets or other written materials to customers outside of any of the Stores on any Landlord's property, unless permitted by the applicable Lease or, if distribution is customary in the shopping centre in which the Store is located. Otherwise, the Consultant may solicit customers in the Stores themselves. The Consultant shall not use any giant balloons, flashing lights or amplified sound to advertise the Sale or solicit customers, except as permitted under the applicable Lease, or agreed to by the Landlord, and no advertising trucks shall be used on a Landlord property or mall ring roads, except as explicitly permitted under the applicable Lease or agreed to by the Landlord.
9. At the conclusion of the Sale in each Store, the Consultant shall arrange that the premises for each Store are in “broom-swept” and clean condition, and shall arrange that the Stores are materially in the same condition as on the commencement of the Sale, ordinary wear and tear excepted. No property of any Landlord of a Store shall be removed or sold during the Sale. No permanent fixtures (other than FF&E which for clarity is owned by the Merchant) may be removed without the applicable Landlord's written consent unless otherwise provided by the applicable Lease. Any fixtures or personal property left in a Store after the Sale Termination Date in respect of which the applicable Lease has been disclaimed by the Merchant shall be deemed abandoned, with the applicable Landlord having the right to dispose of the same as the Landlord chooses, without any liability whatsoever on the part of the Landlord.
10. Subject to the terms of paragraph 9 above, the Consultant may sell Offered FF&E which is located in the Stores during the Sale. The Merchant and the Consultant may advertise

the sale of Offered FF&E consistent with these guidelines on the understanding that any applicable Landlord may require that such signs be placed in discreet locations acceptable to the applicable Landlord, acting reasonably. Additionally, the purchasers of any Offered FF&E sold during the Sale shall only be permitted to remove the Offered FF&E either through the back shipping areas designated by the applicable Landlord, or through other areas after regular store business hours, or through the front door of the Store during store business hours if the Offered FF&E can fit in a shopping bag, with applicable Landlord's supervision as required by the applicable Landlord. The Consultant shall repair any damage to the Stores resulting from the removal of any Offered FF&E by Consultant or by third party purchasers of Offered FF&E from Consultant.

11. The Merchant hereby provides notice to the Landlords of the Merchant and the Consultant's intention to sell and remove Offered FF&E from the Stores. The Merchant will arrange a walk through with each Landlord that requests a walk through with the Consultant to identify the Offered FF&E subject to the sale. The relevant Landlord shall be entitled to have a representative present in the Store to observe such removal. If the Landlord disputes the Consultant's entitlement to sell or remove any FF&E under the provisions of the Lease, such FF&E shall remain on the premises and shall be dealt with as agreed between the Merchant, the Consultant and such Landlord, or pursuant to the dispute resolution section of the Canadian Store Closing Procedures. If the Merchant has rejected the Lease governing such Store in accordance with the Bankruptcy Code, it shall not be required to pay rent under such Lease pending resolution of any such dispute (other than rent payable for the notice period provided for under the Bankruptcy Code), and the rejection of the Lease shall be without prejudice to the Merchant's or Consultant's claim to the FF&E in dispute.
12. If a rejection notice is delivered to a Landlord pursuant to the Bankruptcy Code while the Sale is ongoing and the Store in question has not yet been vacated, then: (a) during the notice period prior to the effective time of such rejection, the applicable Landlord may show the affected leased premises to prospective tenants during normal business hours, on giving the Merchant and the Consultant 24 hours' prior written notice; and (b) at the effective time of the rejection, the relevant Landlord shall be entitled to take possession of any such Store without waiver of or prejudice to any claims or rights such Landlord may have against the Merchant in respect of such Lease or Store, provided that nothing herein shall relieve such Landlord of its obligation to mitigate any damages claimed in connection therewith.
13. The Consultant and its agents and representatives shall have the same access rights to the Stores as the Merchant under the terms of the applicable Lease, and the applicable Landlords shall have the rights of access to the Stores during the Sale provided for in the applicable Lease (subject, for greater certainty, to any applicable stay of proceedings).
14. The Merchant and the Consultant shall not conduct any auctions of Merchandise or Offered FF&E at any of the Stores.
15. The Consultant shall designate a party to be contacted by the Landlords should a dispute arise concerning the conduct of the Sale. The initial contact person for the Consultant shall be Daniel Richer who may be reached by phone at 416-865-4445 or email at [dreicher@fasken.com](mailto:dreicher@fasken.com). Contact persons for the Merchant and the Information Officer are set out in the Canadian Store Closing Procedures. If the parties are unable to resolve the dispute between themselves, the notice and dispute sections of the Canadian Store

Closing Procedures shall be followed by the parties. For the duration of any such dispute, the Consultant shall cease all activity in dispute other than activity expressly permitted herein, pending the determination of the matter by the Court; provided, for greater certainty, that if a banner has been hung in accordance with these Canadian Sale Guidelines and is thereafter the subject of a dispute, the Consultant shall not be required to take any such banner down pending determination of the dispute.

16. Nothing herein is, or shall be deemed to be a consent by any Landlord to the sale, assignment or transfer of any Lease, or to grant to the Landlord any greater rights than already exist under the terms of any applicable Lease.
17. These Canadian Sale Guidelines may be amended by written agreement between the Merchant, the Consultant and any applicable Landlord (provided that such amended Canadian Sale Guidelines shall not affect or bind any other Landlord not privy thereto without further Order of the Court).
