TABLE OF CONTENTS

I. INTRODUCTION

1. This brief is submitted on behalf of the applicant, 541466 Alberta Ltd, which carries on business as JLG Ball Enterprises and shall be referred to herein as "JLG".

II. FACTUAL BACKGROUND

2. On March 15, 2019 JLG entered into a purchase and sale agreement (the "JLG Sale Agreement") with JMB Crushing Systems Inc ("JMB") pursuant to which JMB purchased certain surface material rights, miscellaneous interests and goodwill from JLG as more particularly set out in the JLG Sale Agreement.

Affidavit of Lisa Ball, Sworn on September 28, 2020 [JLG Affidavit] at para 3, Exhibit "A"

3. As consideration for the JLG Sale Agreement, JLG entered into a Non-Competition Agreement with JMB dated March 22, 2019 for a three-year term, expiring March 22, 2022 (the "Non-Competition Agreement").

JLG Affidavit, at para 12, Exhibit "E"

4. JMB is indebted to JLG in the amount of $3,000,000.00 plus accrued interest pursuant to the JLG Sale Agreement. This indebtedness is evidenced by a Closing Promissory Note.

JLG Affidavit, at para 4, Exhibit "B"

5. The Closing Promissory Note specifies that the sum of $600,000.00, together with accrued interest, was due and payable to JLG by JMB on March 22, 2020 (the "First Installment Payment"). To date, the First Installment Payment has not been paid. The second payment of $600,000 together with accrued interest will be due on March 22, 2021 (the "Second Installment Payment").

JLG Affidavit, at para 5, Exhibit "B" – "C"

6. On or about May 1, 2020, JMB was granted an initial order under the *Companies' Creditors Arrangement Act*, RSC 1985, c C-36, as amended (the "CCAA"), which was amended and restated on May 11, 2020.

Amended and Restated CCAA Initial Order, dated May 11, 2020 [CCAA Order] [TAB 1]

7. Under the September 28, 2020 Amended and Restated Asset Purchase Agreement (the "APA") the Non-Competition Agreement is an asset proposed to be assign to Mantle Materials Group Ltd. ("Mantle").

Draft Assignment Order, pursuant to section 11.3 of the *CCAA*, dated October 1, 2020, Preamble, Schedule "A" [Draft Assignment Order] [TAB 2]

8. In the draft assignment order dated October 1, 2020 (the "Draft Assignment Order"), the Non-Competition Agreement is listed as a Restricted Agreement in Schedule "A". The Draft Assignment Order proposes, at paragraph 7:

> 7. All monetary defaults in relation to the Restricted Agreements existing prior to the Closing, if any, other than those arising by reason only of the insolvency of the Applicants, the commencement of these CCAA proceedings or the failure to perform a non-monetary obligation under any Restricted Agreement, shall be paid to the Monitor on Closing as part of the Purchase Price and in accordance with the APA. Provided the Cure Costs are paid to the Monitor, then the Monitor shall make payment of Cure Costs to the Counterparties to the Restricted Agreements within 20 days of Closing
>
> (emphasis added).

Draft Assignment Order, para 7 [TAB 2]

9. JLG's position is that in order for the Non-Competition Agreement to be assigned to Mantle pursuant to paragraph 7 the Draft Assignment Order in relation to the Non-Competition Agreement the Monitor needs to make payment to JLG of Cure Costs, as defined in the APA and the Draft Assignment Order.

III. ISSUES

10. JLG submits that the issue to be determined by this Honourable Court is whether JMB was in default of the Non-Competition Agreement prior to its insolvency such that JLG is entitled to payment of any monetary defaults as a precondition to the assignment of the Non-Competition Agreement to Mantle.

IV. LAW AND ARGUMENT

A. Statutory Framework

11. Section 11.3 of the CCAA states:

> Assignment of agreements
>
> 11.3 (1) On application by a debtor company and on notice to every party to an agreement and the monitor, the court may make an order assigning the rights and obligations of the company under the agreement to any person who is specified by the court and agrees to the assignment.
>
> Exceptions
>
> (2) Subsection (1) does not apply in respect of rights and obligations that are not assignable by reason of their nature or that arise under
>
> (a) an agreement entered into on or after the day on which proceedings commence under this Act;
>
> (b) an eligible financial contract; or
>
> (c) a collective agreement.
>
> Factors to be considered
>
> (3) In deciding whether to make the order, the court is to consider, among other things,
>
> (a) whether the monitor approved the proposed assignment;
>
> (b) whether the person to whom the rights and obligations are to be assigned would be able to perform the obligations; and
>
> (c) whether it would be appropriate to assign the rights and obligations to that person.
>
> Restriction
>
> (4) The court may not make the order unless it is satisfied that all monetary defaults in relation to the agreement — other than those arising by reason only of the company's insolvency, the commencement of proceedings under this Act or the company's failure to perform a non-monetary obligation — will be remedied on or before the day fixed by the court
>
> (emphasis added).

CCAA, s. 11.3 [TAB 3]

12. Section 11.3 of the CCAA broadly addresses the statutory authority to approve assignment of agreements to a purchaser. Section 11.3(4) of the CCAA specifies that a purchaser must remedy all eligible monetary defaults in relation to the agreement prior to the assignment taking effect.

***Veris Gold Corp. (Re)*, 2015 BCSC 1204, at para 48 [*Veris*] [TAB 4]**

13. Section 11.3 of the CCAA came into force in September 2009. Since its enactment, judicial consideration of s. 11.3 is scarce.

***Veris*, at paras 53 and 57 [TAB 4]**

14. JLG has been unable to find any case law which provides a framework for the interpretation of section 11.3(4) of the CCAA. JLG submits that the section should be interpreted in accordance with its plain and ordinary meaning.

15. Therefore, JLG submits that this Honourable Court should not grant the Draft Assignment Order unless it is satisfied that all monetary defaults in relation to the Non-Competition Agreement will be remedied within 20 days of the closing date which is defined in the APA ("Closing"), pursuant to section 7 of the Draft Assignment Order.

B. Analysis

16. Mantle has taken the position that there has not been a monetary default under the Non-Competition Agreement and as such, no cure costs need to be paid to JLG.

17. JLG submits that as the Non-Competition Agreement was in default prior to the CCAA commencing, that it is entitled to be paid the First Installment Payment within 20 days of Closing and the Second Installment Payment by March 22, 2021 in order for the Non-Competition Agreement to be assigned to Mantle.

a. The monetary default

18. The JLG Sale Agreement, provides that a portion of the purchase price was to be paid by JMB to JLG over the period of five years as evidenced by the Closing Promissory Note for $3,000,000.00, plus interest.

JLG Affidavit, Exhibit A, Article 2.3(b)(ii), Exhibit "B"

19. The Closing Promissory Note provides that the First Installment Payment will be paid on March 22, 2020.

JLG Affidavit, Exhibit B

20. JMB did not pay the First Installment Payment which was due on March 22, 2020 to JMB. JMB entered these CCAA proceedings on May 1, 2020. Therefore, a monetary default occurred prior to the commencement of these CCAA proceedings, which did not arise by reason only of the company's insolvency, the commencement of proceedings under the CCAA, or the company's failure to perform a non-monetary obligation

JLG Affidavit, Exhibit C

CCAA Order [TAB 1]

b. The monetary default constitutes a default of the Non-Competition Agreement

21. The JLG Sale Agreement contains the following terms:

...

1(pp) "Non-Competiton Agreement" means a non-competition agreement substantially similar to the form attached as Schedule C [sic].

...

1.2 Schedules

...

Schedule B Form of Non-Competition Agreement

...

5.1 Deliveries by Vendor at Closing

At the Closing Time, Vendor shall deliver, or cause to be delivered, to Purchaser:

...

(e) Non-Competition Agreement executed by Lisa Ball and Gordon Ball

...

9.2 Interim Period Restrictions on Vendor's Business

...

(b) The Interim Restrictions shall survive termination of this Agreement and apply until the earliest of: (i) the date that Closing the occurs and the Non-Competition Agreements are duly executed and delivered to Purchaser; or (ii) the date of termination of this Agreement with Closing not having occurred.

...

12.1 Post-Closing Matters

...

(c) Following Closing, if and to the extent that the Company must be novated into, recognized as a party to, or otherwise accepted as assignee or transferee of Vendor's interest in the Purchased Interests or certain of them, including any agreements governing or otherwise pertaining to any Purchased Interests, but excluding the Leases, the following provisions shall apply with respect to the applicable Purchased Interests until such novation, recognition or acceptance has occurred:

...

(iv) Vendor shall continue to strictly abide by the restrictions on its activities in accordance with Clause 9.2 and the Non-Competition Agreements, but for certainty, such activities carried out by Vendor or its Related Persons solely under this Clause 12.1 shall not be in breach of the same.

JLG Affidavit, Exhibit "A"

22. The Non-Competition Agreement contains the following terms:

WHEREAS the Purchaser and 541466 have entered into an purchase and sale agreement dated March 15, 2019 (the "Sale Agreement") pursuant to which inter alia the Purchaser has agreed to purchase from 541466 all the Shares of the Company, which holds the entire right, title to and in the Purchased Interests used in carrying on the Business upon the terms and conditions contained in the Sale Agreement (the "Transaction").

AND WHEREAS the execution and delivery of this Agreement by the Restricted Parties is a condition precedent to the obligation of the Purchaser to complete the Transaction.

AND WHEREAS the Restricted Parties understand that this Agreement is necessary for the Purchaser to receive the full benefit of the goodwill of the Business and to preserve

the fair market value of the assets of 541466 being purchased by the Purchaser and, accordingly, the Restricted Parties are willing to enter into this Agreement in order to ensure that such benefit is not impaired and the fair market value of such assets is not diminished by actions of the Restricted Parties.

AND WHEREAS the Restricted Parties understand that this Agreement is an integral part of the Transaction under which the Restricted Parties are receiving significant benefit and that the Purchaser is relying on the agreements and acknowledgements given herein by the Restricted Parties.

...

2.9 Restricted Parties' Acknowledgments and Agreements

The Restricted Parties acknowledge and agree that:

(e) the covenants contained herein are intended to ensure that the Purchaser receives the full benefit of the goodwill of the Business (including, without limitation, the Restricted Parties' relationships with customers and suppliers, and the Business' confidential Information) and to preserve the fair market value of the assets of the 541466 being purchased by the Purchaser;

(emphasis added).

JLG Affidavit, Exhibit "E", Recitals, s. 2.9(e)

23. The JLG Sale Agreement required JLG to execute the Non-Competition Agreement in favour of JMB as a condition precedent to closing the transaction. If the Non-Competition Agreement was not executed by JLG and delivered to JMB, JMB would have had the option not to close the transaction. Therefore, the Non-Competition Agreement was an essential component of the JLG Sale Agreement.

24. The recitals of the Non-Competition Agreement are clear that the Non-Competition Agreement was entered into by JLG as consideration for the JLG Sale Agreement. In order for JMB to enjoy the benefits of the JLG Sale Agreement, the Non-Competition Agreement was necessary. This understanding is again confirmed in section 2.9(e) of the Non-Competition Agreement.

25. It is further acknowledged in the recitals to the Non-Competition Agreement that JLG is receiving a significant benefit as a result of the JLG Purchase Agreement. That benefit is the purchase price pursuant to the JLG Purchase Agreement.

26. However, JLG did not receive the full benefit of the JLG Sale Agreement in that it has not received the full purchase price. The First Installment Payment remains outstanding and the Second Installment Payment will become due during the term of the Non-Competition Agreement.

27. It is therefore submitted that JMB's failure to pay the First Installment Payment constitutes a default of the Non-Competition Agreement as the Non-Competition Agreement was consideration for the JLG Sale Agreement.

28. It would be unjust for Mantle to continue to receive the benefit of the assignment of the Non-Competition Agreement without remedying the monetary default with respect to the First Installment Payment.

29. JLG submits that the First Installment Payment must be cured pursuant to section 11.3(4) of the CCAA prior to the assignment of the Non-Competition Agreement to Mantle.

c. JLG's obligations are ongoing

30. The term of the Non-Competition Agreement is three years, from March 22, 2019 to March 22, 2022. Article 2 of the Non-Competition Agreement sets out significant restrictions on JLG regarding competition practices, solicitation, disparagement and confidentiality. JLG's obligations under the Non-Competition Agreement are ongoing throughout its three-year term.

JLG Affidavit, Exhibit "E", ss 2.1 – 2.5

31. Therefore, it is submitted that in order for Mantle to continue to receive the benefit of the Non-Competition Agreement, the Second Installment Payment, which is due on March 22, 2021, should also be paid by Mantle to JLG.

V. CONCLUSION AND REMEDY SOUGHT

32. As a condition precedent to, and in consideration of, the JLG Sale Agreement, JLG executed the Non-Competition Agreement. JMB, and by virtue of the proposed assignment, Mantle, will continue to receive the benefit of the restrictions imposed on JLG throughout the term of the Non-Competition Agreement.

33. The Non-Competition Agreement acknowledges that JLG receives a significant benefit from the JLG Sale Agreement which is, mainly, the purchase price. However, the remainder of the purchase price remains outstanding by virtue of the Closing Promissory Note.

34. JMB's default on the First Installment Payment under the Closing Promissory Note constitutes a default of the Non-Competition Agreement as the Non-Competition Agreement was given in consideration of the JLG Sale Agreement. As JLG is not receiving the benefit of the JLG Sale Agreement, Mantle should not receive the benefit of the Non-Competition Agreement.

35. The First Installment Payment was due to be paid by JMB to JLG on March 22, 2020. JMB entered these CCAA proceedings on May 1, 2020, after the First Installment Payment was due. Therefore, JLG submits that the First Installment Payment is a monetary default which did not arise by reason only of the company's insolvency, the commencement of proceedings under the CCAA, or the company's failure to perform a non-monetary obligation.

36. In order for Mantle to continue to receive the benefit of the Non-Competition Agreement, the Second Installment Payment should also be paid by Mantle to JLG.

37. JLG respectfully requests the following relief:

    a. a declaration that the First Installment Payment must be paid by Mantle to FTI Consulting Canada Inc., the Court-appointed Monitor of JMB Crushing Systems Inc. and 2161889 Alberta Ltd (the "Monitor") on Closing as part of the Purchase Price (as defined in the APA) and in accordance with the APA;

b. a declaration that the Monitor will make payment of the First Installment Payment to JLG within 20 days of Closing;

c. a declaration that the Second Installment Payment must be paid to JLG by Mantle on or before March 22, 2021;

d. the costs of this application; and

e. such further and other relief as this Honourable Court may deem just and appropriate.

ALL OF WHICH IS RESPECTIFULLY SUBMITTED THIS 20th day of October, 2020.

If the Applicants disclaim or resiliate the lease governing such leased premises in accordance with section 32 of the CCAA, they shall not be required to pay Rent under such lease pending resolution of any such dispute other than Rent payable for the notice period provided for in section 32(5) of the CCAA, and the disclaimer or resiliation of the lease shall be without prejudice to the Applicants' claim to the fixtures in dispute.

(a) during the notice period prior to the effective time of the disclaimer or resiliation, the landlord may show the affected leased premises to prospective tenants during normal business hours, on giving the Applicants and the Monitor 24 hours' prior written notice; and

(b) at the effective time of the disclaimer or resiliation, the relevant landlord shall be entitled to take possession of any such leased premises without waiver of or prejudice to any claims or rights such landlord may have against the Applicants in respect of such lease or leased premises and such landlord shall be entitled to notify the Applicants of the basis on which it is taking possession and to gain possession of and re-lease such leased premises to any third party or parties on such terms as such landlord considers advisable, provided that nothing herein shall relieve such landlord of its obligation to mitigate any damages claimed in connection therewith.

NO PROCEEDINGS AGAINST THE APPLICANTS OR THE PROPERTY

    (a) empower the Applicants to carry on any business that the Applicants are not lawfully entitled to carry on;

15. Nothing in this Order shall prevent any party from taking an action against the Applicants where such an action must be taken in order to comply with statutory time limitations in order to preserve their rights at law, provided that no further steps shall be taken by such party except in accordance with the other provisions of this Order, and notice in writing of such action be given to the Monitor at the first available opportunity.

NO INTERFERENCE WITH RIGHTS

16. During the Stay Period, no person shall accelerate, suspend, discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right,

The Applicants shall be entitled to the continued use of their current premises, telephone numbers, facsimile numbers, internet addresses and domain names, provided in each case that the usual prices or charges for all such goods or services received after the date of the Initial Order are paid by the Applicants in accordance with the payment practices of the Applicants, or such other practices as may be agreed upon by the supplier or service provider and each of the Applicants and the Monitor, or as may be ordered by this Court.

NON-DEROGATION OF RIGHTS

18. On May 1, 2020, JMB Crushing Systems Inc. ("**JMB Crushing**") and 2161889 Alberta Ltd. ("**216**", and together with JMB Crushing, collectively, "**JMB**") applied for an Initial Order (the "**Initial Order**") from the Alberta Court of Queen's Bench (the "**Court**") in Court Action No. 2001–05482 pursuant to the *Companies' Creditors Arrangement Act*, RSC 1985, c C-36 ("**CCAA**"), to, among other things, appoint FTI Consulting Canada Inc. ("**FTI**") as the monitor (the "**Monitor**") of JMB,

In connection with the CCAA proceedings, a sale, re-capitalization and investment solicitation process is being implemented in respect of JMB (the "**SISP**") in order to solicit interest in and opportunities for a sale of, or investment in, JMB or all or any part of JMB's property, assets and undertakings ("**Property**") and its business operations ("**Business**"). Such opportunities may include one or more of a restructuring, recapitalization or other form of reorganization of the business and affairs of one or more of JMB Crushing and/or 216 as a going concern, or a sale of all, substantially all or one or more components of JMB's Property and Business as a going concern or otherwise.

The SISP will be conducted by the Monitor with the assistance of a sale advisor to be retained by the Monitor after consultation with JMB, ATB and Fund VI (the "**Sale Advisor**") and subject to the overall approval of the Court pursuant to the Initial Order.

The Applicants anticipate that there may be a stalking horse bidder. If that is the case, the Applicants reserve their right to amend the SISP to include provisions applicable to a stalking horse bid.

Parties who wish to have their bids and/or proposals considered shall be expected to participate in this SISP as conducted by the Monitor and the Sale Advisor.

OPPORTUNITY

1. The SISP is intended to solicit interest in, and opportunities for a sale of, or investment in, all or part of JMB's Property or Business (the "**Opportunity**"), which primarily consists of aggregate inventory, equipment, surface material leases and royalty agreements. The inventory and lands to which the leases and royalty agreements apply are located in Alberta.

2. In order to maximize the number of participants that may have an interest in the Opportunity, the SISP will provide for the solicitation of interest for:

(a) the sale of JMB's interest in the Property. In particular, interested parties may submit proposals to acquire all, substantially all or a portion of the Property of either JMB Crushing or 216 or both collectively (a "**Sale Proposal**"); and

(b) an investment in the Business as a going concern of JMB. Such proposals for the Business may take the form of an investment in the Business including by way of a plan of compromise or arrangement pursuant to the CCAA (an "**Investment Proposal**").

3. Except to the extent otherwise set forth in a definitive sale or investment agreement with a Successful Bidder (as hereinafter defined), any Sale Proposal or any Investment Proposal will be on an "as is, where is" basis and without surviving representations or warranties of any kind, nature, or description by the Monitor, the Sale Advisor or JMB, or any of their respective affiliates, agents, advisors or estates, and, in the event of a sale, all of the right, title and interest of JMB in and to the Property to be acquired will be sold free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options, and interests therein and thereon pursuant to Court orders, except as otherwise provided in such Court orders.

SOLICITATION OF INTEREST

4. As soon as reasonably practicable following the Initial Order, the Sale Advisor shall, in consultation with the Monitor:

(e) send the Teaser Letter and NDA to all Known Potential Bidders and to any other party who requests a copy of the Teaser Letter and NDA or who is identified to the

Sale Advisor, JMB or the Monitor as a potential bidder as soon as reasonably practicable after such request or identification, as applicable.

5. As soon as reasonably practicable following the Initial Order, the Monitor shall issue a press release setting out the information contained in the Notice and such other relevant information that the Monitor` considers appropriate.

PHASE 1: NON-BINDING LETTERS OF INTENT

Qualified Bidders

6. Any party who expresses a desire to participate in the SISP (a "**Potential Bidder**") must, prior to being given any additional information such as the CIM or access to the Data Room, provide to the Sale Advisor written confirmation of the identity of the Potential Bidder, the contact information for such Potential Bidder, and disclosure of the direct and indirect principals of the Potential Bidder.

7. If a Potential Bidder has delivered the NDA and the confirmation contemplated in paragraph 6 above with disclosure that is satisfactory to the Sale Advisor, acting reasonably and in consultation with the Monitor, then such Potential Bidder will be deemed to be a "**Phase 1 Qualified Bidder**".

8. At any time during Phase 1 of the SISP, the Monitor may, acting reasonably, eliminate a Phase 1 Qualified Bidder from the SISP, in which case such bidder will be eliminated from the SISP and will no longer be a Phase 1 Qualified Bidder for the purposes of the SISP.

Due Diligence

9. The Sale Advisor, in consultation with the Monitor, subject to competitive and other business considerations, will afford each Phase 1 Qualified Bidder such access to due diligence materials through the Data Room and information relating to the Property and Business as it deems appropriate. Due diligence access may further include management presentations with the participation of the Monitor, and JMB where appropriate, on-site inspections, and other matters which a Phase 1 Qualified Bidder may reasonably request and to which the Sale Advisor, in its reasonable business judgment and in consultation with the Monitor, may agree. The Sale Advisor will designate a representative to coordinate all reasonable requests for additional information and due diligence access from Phase 1 Qualified Bidders and the manner in which such requests must be communicated. Further, and for the avoidance of doubt, selected due diligence materials may be withheld from certain Phase 1 Qualified Bidders if the Monitor determines it is information that pertains to proprietary or commercially sensitive competitive information.

10. Phase 1 Qualified Bidders must rely solely on their own independent review, investigation and/or inspection of all information relating to the Property and Business in connection with their participation in the SISP and any transaction they enter into with JMB.

Submission of Non-Binding Letters of Intent

11. A Phase 1 Qualified Bidder who wishes to pursue the Opportunity further must deliver an executed letter of intent ("**LOI**"), identifying such bidder's interest in each specific Property or Business, to the Monitor at the address specified in Schedule "A" hereto (including by email or fax transmission), so as to be received by them not later than 5:00 PM (Mountain Daylight Time) on or before **June 19, 2020** (the "**Phase 1 Bid Deadline**").

12. An LOI so submitted will be considered a qualified LOI (a "**Qualified LOI**") only if all of the following conditions are satisfied:

    (a) It is submitted to the Monitor on or before the Phase 1 Bid Deadline by a Phase 1 Qualified Bidder;

    (b) It contains an indication of whether the Phase 1 Qualified Bidder is making a:

        (i) Sale Proposal; or

        (ii) an Investment Proposal;

    (c) In the case of a Sale Proposal, it identifies or contains the following:

        (i) the purchase price, in Canadian dollars, including details of any liabilities to be assumed by the Phase 1 Qualified Bidder and key assumptions supporting the valuation. If a Phase 1 Qualified Bidder wishes to acquire Property owned by both JMB Crushing and 216, a price must be allocated for such Property as between the relevant entities;

        (ii) a description of the Property that is expected to be subject to the transaction and any of the Property, obligations or liabilities for each Property expected to be excluded; and

        (iii) a specific indication of the financial capability (including analysis of the Phase 1 Qualified Bidder's current available cash liquidity, summary of key covenants and or restrictions on such liquidity), together with evidence of such capability, of the Phase 1 Qualified Bidder and the expected structure and financing of the transaction;

    (d) In the case of an Investment Proposal, it identifies or contains the following:

        (i) a description of how the Phase 1 Qualified Bidder proposes to structure the proposed investment in the Business;

        (ii) the aggregate amount of the equity and/or debt investment to be made in the Business in Canadian dollars and key assumptions supporting the valuation;

        (iii) the underlying assumptions regarding the *pro forma* capital structure; and

        (iv) a specific indication of the sources of capital for the Phase 1 Qualified Bidder and the structure and financing of the proposed transaction;

(e) In the case of either a Sale Proposal or an Investment Proposal:

(i) it identifies or contains the following:

(A) a description of the conditions and approvals required for a final and binding offer;

(B) an outline of any additional due diligence required to be conducted in order to submit a final and binding offer and expected timeline for same;

(C) an acknowledgement that any Sale Proposal or Investment Proposal, as applicable, is made on an "as-is, where-is" basis;

(D) all conditions to closing that the Phase 1 Qualified Bidder may wish to impose; and

(ii) it does not contain any requirement or provision for exclusivity, a break fee or reimbursement of expenses associated with submitting the Sale Proposal or Investment Proposal, conducting the due diligence in respect thereof or otherwise; and

(iii) it contains such other information as reasonably requested by the Sale Advisor or the Monitor from time to time.

13. The Monitor, in consultation with the Sale Advisor, may waive compliance with any one or more of the requirements specified above and deem such non-compliant bids to be a Qualified LOI. For the avoidance of doubt, the completion of any Sale Proposal or Investment Proposal shall be subject to the approval of the Court and the requirement of approval of the Court may not be waived.

Assessment of Phase 1 Bids

14. Following the Phase 1 Bid Deadline, the Monitor will assess the Qualified LOIs in consultation with, the Sale Advisor, JMB and the Secured Creditors, as appropriate. If it is determined that a Phase 1 Qualified Bidder that has submitted a Qualified LOI: (a) has a *bona fide* interest in completing a Sale Proposal or Investment Proposal (as the case may be); and (b) has the financial capability (based on availability of financing, experience and other considerations) to consummate such a transaction based on the financial information provided, then such Phase 1 Qualified Bidder will be deemed to be a "**Phase 2 Qualified Bidder**", provided that the Monitor, in consultation with the Sale Advisor, may limit the number of Phase 2 Qualified Bidders (and thereby eliminate some Phase 1 Qualified Bidders from the process). Only Phase 2 Qualified Bidders shall be permitted to proceed to Phase 2 of the SISP.

15. The Sale Advisor, in consultation with the Monitor, will prepare a bid process letter for Phase 2 (the "**Bid Process Letter**"), which will include a draft purchase/investment agreement (the "**Draft Purchase/Investment Agreement**") which will be made available in the Data Room, and the Bid Process Letter will be sent to all Phase 2 Qualified Bidders who are invited to participate in Phase 2.

PHASE 2: FORMAL BINDING OFFERS

16. Paragraphs 18 to 26 below and the conduct of the Phase 2 bidding are subject to paragraphs 17, 18 and 35, any adjustments made to the Phase 2 process as defined in the Bid Process Letter, and any further order of the Court.

Formal Binding Offers

17. Phase 2 Qualified Bidders that wish to make a formal Sale Proposal or an Investment Proposal shall submit to the Monitor at the address specified in Schedule "A" hereto (including by email or fax transmission), a sealed binding offer that complies with all of the following requirements, so as to be received by them by 5:00 pm. (Mountain Daylight Time) on **July 20, 2020**, or such later date that is determined by the Monitor, in consultation with the Sale Advisor and the Secured Creditors, and communicated to the Phase 2 Qualified Bidders (the "**Phase 2 Bid Deadline**"):

    (a) Subject to paragraph 13, it complies with all of the requirements set forth in respect of the Phase 1 Qualified LOIs;

    (b) It contains: (i) duly executed binding transaction document(s) generally in the form of the Draft Purchase/Investment Agreement; and (ii) a blackline to the Draft Purchase/Investment Agreement;

    (c) It contains evidence of authorization and approval from the Phase 2 Qualified Bidder's board of directors (or comparable governing body);

    (d) It (either individually or in combination with other bids that make up one bid) is an offer to purchase or make an investment in some or all of the Property or Business on terms and conditions reasonably acceptable to the Monitor;

    (e) It includes a letter stating that the Phase 2 Qualified Bidder's offer is irrevocable until the selection of the Successful Bidder (as defined below), provided that if such Phase 2 Qualified Bidder is selected as the Successful Bidder, its offer shall remain irrevocable until the earlier of (i) the closing of the transaction with the Successful Bidder, and (ii) that number of days following the Sale Approval Application (as defined below) that the Monitor determines, acting reasonably, is appropriate in light of market conditions at the time, subject to further extensions as may be agreed to under the applicable transaction agreement(s);

    (f) It provides written evidence of a firm, irrevocable financial commitment for all required funding or financing;

(g) It is not conditional upon the outcome of unperformed due diligence by the bidder, and/or obtaining financing;

(h) It specifies any regulatory or other third party approvals the party anticipates would be required to complete the transaction;

(i) It fully discloses the identity of each entity that will be entering into the transaction or the financing, or that is participating or benefiting from such bid;

(j) It is accompanied by a cash deposit (the "**Deposit**") of 10%: (i) of the purchase price offered in respect of a Sale Proposal; (ii) of the total new investment contemplated in respect of an Investment Proposal; or (iii) of the total cash consideration, less the value of the consideration allocated to the credit portion, of a Credit Bid, which shall be paid to the Monitor by wire transfer (to a bank account specified by the Monitor) and held in trust by the Monitor in accordance with this SISP;

(k) It includes acknowledgments and representations of the Phase 2 Qualified Bidder that: (i) it has had an opportunity to conduct any and all due diligence regarding the Property, Business and JMB prior to making its offer; (ii) it has relied solely upon its own independent review, investigation and/or inspection of any documents, the Business and/or the Property in making its bid; and (iii) it did not rely upon any written or oral statements, representations, warranties, or guarantees whatsoever made by the Sale Advisor, JMB or the Monitor, whether express, implied, statutory or otherwise, regarding the Business, Property, or JMB, or the accuracy or completeness of any information provided in connection therewith, except as expressly stated in the definitive transaction agreement(s) signed by the Monitor for and on behalf of JMB; and

(l) It is received by the Phase 2 Bid Deadline.

18. Following the Phase 2 Bid Deadline, the Monitor, in consultation with JMB, the Sale Advisor and the Secured Creditors, will assess the Phase 2 Bids received with respect to the Property or Business. The Monitor, in consultation with and the Sale Advisor, will designate the most competitive bids that comply with the foregoing requirements to be "**Phase 2 Qualified Bids**". Only Phase 2 Qualified Bidders whose bids have been designated as Phase 2 Qualified Bids are eligible to become the Successful Bidder(s).

19. The Monitor may waive strict compliance with any one or more of the requirements specified above and deem such non-compliant bids to be a Phase 2 Qualified Bid.

20. The Sale Advisor, upon receiving instructions from the Monitor, shall notify each Phase 2 Qualified Bidder in writing as to whether its bid constitutes a Phase 2 Qualified Bid within five (5) business days of the Phase 2 Bid Deadline, or at such later time as the Monitor deems appropriate.

21. If the Monitor is not satisfied with the number or terms of the Phase 2 Qualified Bids, it may, in consultation with the Sale Advisor and the Secured Creditors, extend the Phase 2 Bid Deadline without Court approval.

22. Without limiting anything else herein, the Monitor, in consultation with the Sale Advisor, may aggregate separate bids from unaffiliated Phase 2 Qualified Bidders to create one or more "Phase 2 Qualified Bid(s)".

Evaluation of Competing Bids

23. A Phase 2 Qualified Bid will be evaluated based upon several factors, including, without limitation, items such as the Purchase Price, the net value and form of consideration to be provided by such bid, the identity and circumstances of the Phase 2 Qualified Bidder, any conditions attached to the bid and the expected feasibility of such conditions, the proposed transaction documents, factors affecting the speed, certainty and value of the transaction, the assets included or excluded from the bid, any related restructuring costs, the likelihood and timing of consummating such transactions, and the ability of the bidder to finance and ultimately consummate the proposed transaction, each as determined by the Monitor, in consultation with the Sale Advisor.

Selection of Successful Bid

24. The Monitor, in consultation with the Sale Advisor, JMB and the Secured Creditors: (a) will review and evaluate each Phase 2 Qualified Bid, and shall be permitted to negotiate the terms of any Phase 2 Qualified Bid with the applicable Phase 2 Qualified Bidder, and such Phase 2 Qualified Bid may be amended, modified or varied as a result of such negotiations, and (b) identify the highest or otherwise best bid or bids (the "**Successful Bid**"), and the Phase 2 Qualified Bidder making such Successful Bid (the "**Successful Bidder**") for any particular Property or the Business in whole or part. The determination of any Successful Bid by the Monitor shall be subject to consultation with the Secured Creditors and approval by the Court.

25. If the Monitor determines that: (a) no Phase 2 Qualified Bids were received other than the Sale Agreement; (b) at least one Phase 2 Qualified Bid was received, but it is not likely that the transaction contemplated in any such Phase 2 Qualified Bid will be consummated; (c) proceeding with the SISP is not in the best interests of JMB and its stakeholders, then the Monitor shall forthwith: (i) terminate this SISP; (ii) notify each Phase 2 Qualified Bidder that this SISP has been terminated; and (iii) consult with JMB, the Secured Creditors and the Sales Advisor regarding next steps, including concluding the Sale Agreement.

26. The Monitor shall have no obligation to select a Successful Bid, and JMB with the consent of the Monitor, in consultation with the Secured Creditors and the Sale Advisor, shall the right to reject any or all Phase 2 Qualified Bids.

Sale Approval Hearing

27. At the hearing of the application to approve any transaction with a Successful Bidder (the "**Sale Approval Application**"), the Monitor shall seek, among other things, approval from the Court for the consummation of any Successful Bid. All the Phase 2 Qualified Bids other than the Successful Bid, if any, shall be deemed rejected by JMB on and as of the date of approval of the Successful Bid by the Court.

28. Any Deposit delivered with a Phase 2 Qualified Bid that is not selected as a Successful Bid, will be returned to the applicable bidder within ten (10) business days of the date on which the Successful Bid is approved by the Court, or such earlier date as may be determined by the Monitor, in consultation with the Sale Advisor.

CONFIDENTIALITY, STAKEHOLDER/BIDDER COMMUNICATION AND ACCESS TO INFORMATION

29. Except as otherwise permitted herein, participants and prospective participants in the SISP shall not be permitted to receive any information that is not made generally available to all participants relating to the number or identity of Potential Bidders, Phase 1 Qualified Bidders, LOIs, Phase 2 Qualified Bidders, Phase 2 Qualified Bids, the details of any bids submitted or the details of any confidential discussions or correspondence between the Monitor and/or the Sale Advisor, and such other bidders or Potential Bidders in connection with the SISP.

30. All discussions regarding a Sale Proposal, Investment Proposal, LOI or Phase 2 Bid shall be directed through the Sale Advisor and/or the Monitor.

SUPERVISION OF THE SISP

31. The Monitor will oversee, in all respects, the conduct of the SISP by the Sale Advisor and will participate in the SISP in the manner set out herein, and is entitled to receive all information in relation to the SISP.

32. This SISP does not, and will not be interpreted to create any contractual or other legal relationship between JMB or the Monitor and any Phase 1 Qualified Bidder, any Phase 2 Qualified Bidder or any other party, other than as specifically set forth in any definitive agreement that may be signed by the Monitor for and on behalf of JMB.

33. Without limiting the preceding paragraph, neither the Monitor nor the Sale Advisor shall have any liability whatsoever to any person or party, including without limitation, any Potential Bidder, Phase 1 Qualified Bidder, Phase 2 Qualified Bidder, the Successful Bidder, or any other creditor or other stakeholder of JMB, for any act or omission related to the process contemplated by this SISP procedure, except to the extent such act or omission is the result of gross negligence or willful misconduct by the Monitor or Sale Advisor. By submitting a bid, each Phase 1 Qualified Bidder, Phase 2 Qualified Bidder, or Successful Bidder shall be deemed to have agreed that it has no claim against the Monitor or Sale Advisor for any reason whatsoever, except to the extent such claim is the result of gross negligence or willful misconduct of the Monitor or Sale Advisor.

34. Participants in the SISP are responsible for all costs, expenses and liabilities incurred by them in connection with the submission of any LOI, bid, due diligence activities, and any further negotiations or other actions whether or not they lead to the consummation of a transaction.

35. The Monitor shall have the right to modify the SISP if, in its reasonable business judgment in consultation with the Sale Advisor and the Secured Creditors, such modification will enhance the process or better achieve the objectives of the SISP; provided that the service list in these CCAA proceedings shall be advised of any substantive modification to the procedures set forth herein.

Additional factor — initial application

(5) When an application is made under subsection (1) at the same time as an initial application referred to in subsection 11.02(1) or during the period referred to in an order made under that subsection, no order shall be made under subsection (1) unless the court is also satisfied that the terms of the loan are limited to what is reasonably necessary for the continued operations of the debtor company in the ordinary course of business during that period.

a) la durée prévue des procédures intentées à l'égard de la compagnie sous le régime de la présente loi;

b) la façon dont les affaires financières et autres de la compagnie seront gérées au cours de ces procédures;

c) la question de savoir si ses dirigeants ont la confiance de ses créanciers les plus importants;

Facteur additionnel : demande initiale

(5) Lorsqu'une demande est faite au titre du paragraphe (1) en même temps que la demande initiale visée au paragraphe 11.02(1) ou durant la période visée dans l'ordonnance rendue au titre de ce paragraphe, le tribunal ne rend l'ordonnance visée au paragraphe (1) que s'il est également convaincu que les modalités du financement temporaire demandé sont limitées à ce qui est normalement nécessaire à la continuation de l'exploitation de la compagnie débitrice dans le cours ordinaire de ses affaires durant cette période.

Factors to be considered

(3) In deciding whether to make the order, the court is to consider, among other things,

Introduction

[1] This is a proceeding pursuant to the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36 (the "*CCAA*"). The assets of the petitioner companies (collectively, "Veris Gold") principally comprise a gold mine in the State of Nevada, United States of America and mining properties in Yukon, Canada.

[2] There has been no shortage of effort in these proceedings to restructure the considerable debt or monetize the assets of Veris Gold for the benefit of the stakeholders. However, in the face of considerable operational setbacks and disappointing refinancing and sale results, those stakeholders now face two stark options: (i) allow the interim lender to deal with the assets in a receivership or liquidation scenario; or (ii) allow an orderly transfer of the assets to that interim lender by way of a credit bid which would allow operations in the U.S. to continue.

[3] The court-appointed monitor, Ernst & Young Inc., (the "Monitor") now applies to complete the sale to a new entity created by the interim lender, which is said to provide the best result achievable in less than desirable circumstances.

Background Facts

[4] Much of the history of these proceedings was set out in my reasons for judgment issued earlier this year: *Veris Gold Corp. (Re)*, 2015 BCSC 399. For the purposes of this application, I will summarize that history as follows.

[5] On June 9, 2014, this Court granted an initial order. This filing was necessary in light of the imminent steps that were to be taken by Veris Gold's major secured creditor, Deutsche Bank A.G. ("DB") to collect its debt of approximately US$90 million.

[6] The Canadian filing was immediately followed by the Monitor commencing proceedings in Nevada pursuant to Chapter 15 of the *United States Bankruptcy Code*, 11 U.S.C. §§ 101-1532 (the "*Bankruptcy Code*").

significant expense and with the possibility of environmental damage resulting from a surrender of the mine site without the lead time needed by the regulators.

[45] In all the circumstances, a consideration of all the factors in s. 36 of the *CCAA* supports the conclusions that the proposed transaction is fair and reasonable and that the Agreement should be approved.

(b) Assignment of Contracts

[46] The asset sale agreement provides that WBVG will be assigned the "Assigned Contracts", which are defined as meaning "all Designated Seller Contracts" and also described as "Required Assigned Contracts". All of these contracts are listed in a schedule attached to the purchaser disclosure schedule delivered by WBVG to Veris Gold.

[47] The Monitor seeks approval of the assignment of the Designated Seller Contracts, save to the extent that consents from counterparties have not already been obtained.

[48] The relevant statutory authority to approve such assignments is found in s. 11.3 of the *CCAA*:

> 11.3 (1) On application by a debtor company and on notice to every party to an agreement and the monitor, the court may make an order assigning the rights and obligations of the company under the agreement to any person who is specified by the court and agrees to the assignment.
>
> ….
>
> (3) In deciding whether to make the order, the court is to consider, among other things,
>
> (*a*) whether the monitor approved the proposed assignment;
>
> (*b*) whether the person to whom the rights and obligations are to be assigned would be able to perform the obligations; and
>
> (*c*) whether it would be appropriate to assign the rights and obligations to that person.
>
> (4) The court may not make the order unless it is satisfied that all monetary defaults in relation to the agreement — other than those arising by reason only of the company's insolvency, the commencement of proceedings under this Act or the company's failure to perform a non-monetary obligation — will be remedied on or before the day fixed by the court.

> (5) The applicant is to send a copy of the order to every party to the agreement.

[49] The Monitor's report and recommendations are in support of approval of these assignments. These approvals are part of the Monitor's overall recommendations in favour of the Agreement. WBVG has indicated its willingness to continue the operations of Veris Gold in Nevada on a going concern basis. The participation of WBox and Mr. Sprott lend credibility to its ability to do so, while performing any obligations under these contracts.

[50] In that context, it is appropriate that WBVG obtain the benefit of contracts that will facilitate its ability to continue these operations. Indeed, some of the contracts are critical or necessary for future operations.

[51] In addition, the Agreement contemplates the payment of "cure costs" which are defined in the Agreement in relation to statutory obligations arising under both s. 11.3(4) of the *CCAA* and s. 365(b)(1) of the *Bankruptcy Code* where the assignment of contracts is approved. Cure costs are defined in the Agreement as follows:

> "Cure Cost" means, as applicable with respect to any Seller, (i) any amounts or assurances required by Section 365(b)(1) of the U.S. Bankruptcy Code under any applicable Designated Seller Contract or (ii) any amounts required to satisfy monetary defaults in relation to the applicable Designated Seller Contract pursuant to Section 11.3 of the CCAA.

[52] Each of the Designated Seller Contracts and related anticipated cure costs are set out in a schedule to the Agreement. Pursuant to the Agreement, such cure costs are payable on closing. The order sought provides that upon payment, and upon assignment:

> 10. … the Required Assigned Contracts [aka the Designated Seller Contracts] shall be deemed valid and binding and in full force and effect at the Closing, and the Purchaser shall enjoy all of the rights and benefits under each such Required Assigned Contract as of the applicable date of assumption.

[53] Section 11.3 of the *CCAA* came into force in September 2009. Prior to that time, there was little case authority in terms of a *CCAA* court approving assignments of contracts over the objections of counterparties. One of those early cases is *Playdium Entertainment Corp., Re*, [2002] 31 C.B.R. (4th) 302 (Ont. S.C.J.); additional reasons [2002] 31 C.B.R. (4th) 309 (Ont. S.C.J.).

[54] In *Re Nexient Learning Inc.*, [2010] 62 C.B.R. (5th) 248 at 258 (Ont. S.C.J.), Wilton-Siegel J. cited both Spence J. in *Playdium* and Tysoe J. (as he then was) in *Re Woodward's Ltd.* (1993), 79 B.C.L.R. (2d) 257 (S.C.), in framing the test as being whether the assignment was "important to the reorganization process". Also of relevance was the effect of the assignment on the counterparty and the principle that third party rights should only be affected as is absolutely required to assist in the reorganization and in a manner fair to that counterparty: see the additional reasons in *Playdium* at 319; *Nexient* at 259. See also discussion in *Barafield Realty Ltd. v. Just Energy (B.C.) Limited Partnership*, 2014 BCSC 945 at paras. 107-108.

[55] The approach of the courts in these earlier cases was essentially confirmed in *Century Services Inc. v. Canada (Attorney General)*, 2010 SCC 60, where the Court stated the basis upon which relief might be "appropriate" and that any relief should result in "fair" treatment to all stakeholders:

> [70] The general language of the *CCAA* should not be read as being restricted by the availability of more specific orders. However, the requirements of appropriateness, good faith, and due diligence are baseline considerations that a court should always bear in mind when exercising *CCAA* authority. Appropriateness under the *CCAA* is assessed by inquiring whether the order sought advances the policy objectives underlying the *CCAA*. The question is whether the order will usefully further efforts to achieve the remedial purpose of the *CCAA* — avoiding the social and economic losses resulting from liquidation of an insolvent company. I would add that appropriateness extends not only to the purpose of the order, but also to the means it employs. Courts should be mindful that chances for successful reorganizations are enhanced where participants achieve common ground and all stakeholders are treated as advantageously and fairly as the circumstances permit.
>
> [Emphasis added.]

[56] Like many other amendments to the *CCAA* in September 2009, s. 11.3 was intended, in my view, to codify what had been the general approach to assignment issues, while also clarifying certain matters that had been to that time uncertain. One example of certainty achieved, although irrelevant on this application, arises by s. 11.3(2) which excludes certain contracts from the statutory authority of the court in s. 11.3(1).

[57] Since its enactment, judicial consideration of s. 11.3 is scarce. In *Re TBS Acquireco Inc.*, 2013 ONSC 4663, D.M. Brown J. (as he then was) approved the assignment of certain leases and designated contracts, finding that this would result in the continuation of the business in the greatest number of stores and the continued employment of the greater number of people. Cure costs were also to be paid: see paras. 19-25.

[58] I do not see the result in *TBS* as deviating from the previous approach of the courts in considering whether to approve an assignment based on the twin goals of assisting the reorganization process (i.e., the sale in this case) while also treating a counterparty fairly and equitably. These considerations can be discerned in particular from the factors set out in s. 11.3(3) set out above.

[59] That brings me to the only issue that arises here in relation to the assignments. While no objection was raised to the assignments by persons who did not otherwise consent, the Monitor's counsel was candid in advising the court that only those persons on the service list were served with the Canadian application materials. It is not therefore apparent that the counterparties to the contracts did in fact receive a copy of the application materials.

[60] This is not an approach that I would endorse. It may often be the case that a counterparty is not a creditor of the estate and therefore, that party would not get notice of the filing at the commencement of those proceedings. Further, even if that is the case, no assignment issue may be apparent at the time of initial service to the point that such person would take steps to be placed on the service list.

[61] The best practice in these circumstances is to serve all counterparties to the particular contracts that are sought to be assigned, whether they are on the service list or not. Section 11.3(1) specifically provides that the application is to be "on notice to every party to an agreement". Common sense dictates that the person to be directly affected by the assignment should have the ability to consider whether the applicant debtor company has satisfied its burden that the order is appropriate, including the factors set out in s. 11.3(3). Only by service will that counterparty be made aware of the need to consider its position if such approval is granted and possibly advance evidence and considerations that would be equally relevant to the court's decision on the issue.

[62] Before proceeding with the application in *TBS*, Brown J. was satisfied that the applicant had given notice of the request to seek a court-authorized assignment of the contracts: para. 25.

[63] As I have mentioned, there was urgency in approving the Agreement so that Veris Gold's operations could continue in the ordinary course. Further delay was not feasible nor was it in the interests of all the stakeholders. The Monitor's counsel advised that all of the counterparties were in the U.S. and most of those counterparties, being capital lessors, were represented by Nevada counsel. Finally, I was advised that all of these counterparties were served with the U.S. application materials in anticipation of an application in Nevada to also approve the Agreement immediately after this application. Therefore, specific notice of the terms of the Agreement and the fact that approval of the assignment was sought would have been provided in any event, albeit in the context of the U.S. court materials.

[64] In these exigent and extraordinary circumstances, I approved the assignments on the terms sought, but subject to the U.S. court being satisfied with the notification to and service on the counterparties to the Required Assigned Contracts who did not receive direct notice of this application. In that way, these counterparties will have been given the ability to attend the U.S. hearing and make

submissions on the relief sought, all of which is a required condition to closing the Agreement.

Conclusion

[65] Veris Gold has faced a number of operational challenges and adverse events over the course of this restructuring proceeding. Initially at least, they faced significant opposition by their major secured creditor, DB. Efforts to refinance or sell the assets have been met with little interest and certainly no offer was received by that process on which to base a transaction.

[66] As matters stand, Veris Gold's operations are undercapitalized and susceptible to further disruptions unless stability is achieved quickly to avoid a liquidation process. That process would undoubtedly result in a loss of jobs, disruption of supply arrangements and heightened environmental risk.

[67] The only realistic alternative is the one before the court on this application; namely, a credit bid by WBox, the interim lender, which would see a continuation of the operations in Nevada. The Monitor's view is that proceeding to close the Agreement on an expedited basis is necessary to protect the interests of the principal stakeholders in Veris Gold's operations, namely WBox, the employees, suppliers of goods and services and the environmental regulators.

[68] The statutory requirements of the *CCAA* in ss. 36 and 11.3 have been satisfied by the Monitor toward approval of the Agreement, including approving the assignments of the Required Assigned Contracts. I am also satisfied that the orders sought are appropriate in the circumstances and consistent with the objectives of the *CCAA*.

[69] The relief sought by the Monitor is granted. The Agreement is approved and Veris Gold and the Monitor are authorized to proceed to finalize the transactions with WBVG. The vesting of the assets on closing will be subject to an order of the U.S. court approving the Agreement and making such other ancillary orders as are appropriate in accordance with the *Bankruptcy Code*. The order provides that any

issues that may be raised by the U.S. environmental regulators will be addressed by the U.S. court. Accordingly, this Court requests the aid, recognition and assistance of the U.S. court in terms of the carrying out of the terms of the order granted.

[70] Finally, all orders sought with respect to the approval of the assignment by Veris Gold to WBVG of the Required Assigned Contracts are granted on the terms sought, including that such approval is subject to the payment of the cure costs.

"Fitzpatrick J."
