AFFIDAVIT OF JOHN CURTIS MCBURNEY

Sworn on December 17, 2012

I JOHN CURTIS MCBURNEY, of the City of Atlanta, in the State of Georgia in the United States of America, SWEAR AND SAY THAT:

1. I am a director, Corporate Secretary and Chief Financial Officer of The McBurney Corporation ("McBurney") and am a director of McBurney Power Limited ("MPL"). McBurney is in restructuring proceedings in the United States (the "U.S.") under chapter 11 of the U.S. Bankruptcy Code (the "U.S. Proceedings"). I am familiar with the U.S. Proceedings and with the day to day operations, business affairs, books and records of both McBurney and MPL. As such, I have personal knowledge of the matters to which I depose in this Affidavit. Where I do not

possess such personal knowledge, I have stated the source of my information and do verily believe it to be true.

2. I make this affidavit in support of an application by MPL for recognition of the U.S. Proceedings pursuant to Part IV of the *Companies' Creditors Arrangement Act* (the "CCAA"). In particular, MPL is seeking the following relief:
 - (a) Recognition of MPL as the "foreign representative" of the U.S. Proceedings;
 - (b) Recognition of the U.S. Proceedings as "foreign proceedings" and in particular, as "foreign main proceedings";
 - (c) Recognition in Canada of certain orders issued in the U.S. Proceedings, including recognition of the U.S. Confirmation Order (as such term is defined below) to facilitate the implementation of the plan of reorganization in Canada and facilitate the continued operation of McBurney in Canada; and
 - (d) The appointment of FTI Consulting Inc. as information officer in Canada to keep the Court and the Canadian stakeholders apprised of developments in the U.S. Proceedings and to facilitate implementation of the plan of reorganization in Canada.
3. If the requested relief is granted, and if a stay of proceedings is granted and the plan of reorganization is properly implemented in Canada with the assistance of the information officer, it is anticipated that MPL will bring a further application to this Court seeking recognition that the plan has been implemented and binds all Canadian creditors who participated in the U.S. Proceedings.
4. I am not aware of any insolvency or restructuring proceedings commenced in respect of McBurney outside of the U.S. at this time. Further, MPL has not commenced insolvency proceedings in any jurisdiction.

BACKGROUND

5. McBurney is a corporation formed under the laws of the State of Georgia, in the U.S. and was headquartered and conducted business at 1650 International Court, Suite 100, Norcross, Georgia.

6. McBurney is in the business of designing and constructing steam boiler systems that are used for various purposes, including but not limited to manufacturing plant processes, power generation and other applications requiring steam power generation. McBurney also does the following:
 - (a) provides construction, installation, design and procurement services;
 - (b) purchases and sells boiler equipment, materials and supplies;
 - (c) repairs boiler equipment; and
 - (d) provides other maintenance services to various customers operating and constructing steam boiler systems.

7. MPL is a corporation formed pursuant to the laws of Canada and is a wholly owned subsidiary of McBurney. MPL was created for the purpose of providing field services, contracting services and executing projects in Canada on behalf of and in relation to McBurney's business. From time to time, McBurney acted as a subcontractor or supplier of goods and services to MPL with respect to Canadian projects.

8. Beginning in late 2009 and through to 2011, McBurney experienced cash flow difficulties, in part due to a receivable owed to McBurney by Abitibi-Consolidated Inc. which merged with Bowater Inc. to form AbitibiBowater Inc. ("Abitibi"), a pulp and paper manufacturer which filed for creditor protection in Canada in April, 2009. Directly, or through MPL, McBurney was owed in excess of \$10,000,000 from Abitibi. As a result of Abitibi's insolvency proceedings, McBurney was forced to divert substantial amounts of money from its business operations as it incurred legal expenses both to defend claims and pursue the recovery of funds from Abitibi in the insolvency proceedings.

9. In addition to the cash flow difficulties associated with collecting on amounts due from Abitibi, McBurney also experienced difficulties collecting on receivables due from Tate & Lyle Industries PLC ("Tate & Lyle") in relation to a project commenced in the United Kingdom. In the spring of 2010, Tate & Lyle was in default of its payment obligations to McBurney in the amount of \$3,933,449. McBurney made efforts to collect on the amounts owing by Tate & Lyle, however, was unsuccessful and ultimately filed an action against Tate & Lyle in the United States District Court for the Northern District of Georgia for recovery of more than \$3.9 million in damages for breach of contract.

CHAPTER 11 PROCEEDINGS

10. As a result of the cash flow difficulties experienced by McBurney, in part due to the unpaid receivables from Abitibi and Tate & Lyle, on or about July 15, 2011 (the "Petition Date"), McBurney filed a voluntary petition in the U.S. Proceedings with the United States Bankruptcy Court, Northern District of Georgia (the "U.S. Court"). Attached hereto and marked as **Exhibit "A"** to this my Affidavit is a Certified True Copy of the Voluntary Petition filed by McBurney with the U.S. Court.
11. On the Petition Date, and as part of the voluntary petition filed in the U.S. Proceedings, McBurney prepared a Verification of Creditor Matrix listing approximately 28 Canadian entities, either individuals or corporations, as among the creditors of McBurney. I am advised by U.S. Counsel that these Canadian creditors were given notice of the U.S. Proceedings.
12. On the List of Creditors Holding 20 Largest Unsecured Claims, a document prepared in the U.S. Proceedings and appended to the Petition attached hereto as Exhibit "A", two Canadian creditors, MBB Power Services, Inc. ("MBB Power") and the Canada Revenue Agency (the "CRA"), are listed as creditors of McBurney, each among 20 of the largest unsecured creditors of McBurney.
13. In the U.S. Proceedings pursuant to an order dated July 29, 2011, a claims process was established which required creditors to file a proof of claim against McBurney no later than September 20, 2011. Both MBB Power and the CRA, among other Canadian entities, received notice of the filing deadlines to assert claims against McBurney.
14. The CRA filed an unsecured claim against McBurney in the amount of \$734,861.71 in the U.S. Proceedings pursuant to a proof of claim form dated August 25, 2011. I am advised by U.S. Counsel and do verily believe that the CRA claim was allowed. Attached hereto and marked as **Exhibit "B"** to this my Affidavit is a copy of the proof of claim form filed by the CRA in the U.S. Proceedings.
15. McBurney filed a Plan of Reorganization in the U.S. Proceedings, which was amended on three occasions (the "Plan"). On May 3, 2012, the U.S. Court approved a disclosure statement and permitted McBurney to solicit votes on the Plan (the "Solicitation Order"). McBurney sent to its Creditors, including the CRA and other Canadian creditors, a solicitation package in accordance with the Solicitation Order. The solicitation package included a copy of the Solicitation Order,

the Plan and a ballot containing voting instructions. The result of the solicitation was that the Plan was approved by the requisite majority of creditors.

16. The Solicitation Order is **Exhibit "C"** to this my Affidavit, however, is not attached hereto due to its size. The Solicitation Order will be provided to the Court and will be provided to any interested party upon request.
17. McBurney operated its business and managed its property throughout the U.S. Proceedings and I am advised by McBurney's U.S. counsel at Parker, Hudson, Rainer & Dobbs LLP ("U.S. Counsel") and do verily believe that no request for the appointment of a trustee or examiner was made in the U.S. Proceedings.

THE PLAN OF REORGANIZATION

18. The Order confirming the third amended Plan in the U.S. Proceedings was granted by the Honourable Judge James E. Massey on June 20, 2012 (the "U.S. Confirmation Order") of the U.S. Court. The effective date of the Plan was July 9, 2012. A certified true copy of the U.S. Confirmation Order is attached hereto and marked as **Exhibit "D"** to this my Affidavit.
19. The Plan is designed to allow McBurney to restructure based on a capital structure that can be supported by cash flow from the operation of McBurney's business. Pursuant to the terms of the Plan, McBurney's creditors whose claims were allowed will receive distributions in varying amounts depending on their classification and order of priority as established in the Plan.
20. Pursuant to the terms of the Plan, the CRA is treated as a Class E creditor, being the General Unsecured Creditors class, and will be entitled to a total distribution of approximately \$136,000. Under the Plan, Class E creditors like the CRA holding general unsecured claims receive pro rata treatment and are entitled to receive periodic payments over a maximum period of 5 years. The first distribution to the CRA pursuant to the Plan was issued by McBurney on or about December 7, 2012.
21. Pursuant to the terms of the Plan, MBB Power is treated as a Class F creditor, being a creditor with intercompany claims. MBB Power and the other Class F creditors will not receive a distribution of funds at this time.
22. There are a number of smaller claims by Canadian entities who constitute Class E creditors and who will receive small distributions pursuant to the terms of the Plan.

23. Because the Plan provides for certain relief for stakeholders in Canada and the United States, its implementation will require the cooperation of the U.S. Court and this Honourable Court.

CENTER OF MAIN INTEREST

24. I am advised by Robyn Gurofsky at Borden Ladner Gervais LLP, legal counsel to McBurney in Canada, and do verily believe that on an application for recognition of foreign insolvency proceedings, the Canadian Court must determine whether the proceedings are “foreign main proceedings” or “foreign non-main proceedings” based on the center of main interest of the debtor company. It is my belief that the U.S. is the center of main interest of McBurney, based on the following factors:

- (a) McBurney was founded as a sole proprietorship 1911 under U.S. law and was incorporated in the State of Georgia in 1966;
- (b) McBurney had its registered head office in the U.S. and was headquartered at 1650 International Court, Suite 100, Norcross, Georgia;
- (c) The executives and directors of McBurney who are responsible for managing and directing its affairs are U.S. citizens;
- (d) As of the Petition Date, McBurney employed approximately 44 employees in Georgia, South Carolina, Florida, Arkansas and Alabama;
- (e) While McBurney operated in some respects outside of the U.S., the majority of the sales of McBurney took place in U.S. dollars to customers located in the U.S.;
- (f) The operating bank accounts of McBurney are located in the U.S.; and
- (g) In managing its affairs, McBurney has contracted for ongoing legal and accounting services from U.S. service providers.

CRA REQUIREMENT TO PAY

25. On or about June 5, 2012, the CRA issued a requirement to pay on MPL and McBurney pursuant to section 317 of the *Excise Tax Act*, indicating that \$764,072.26 was due and owing by

McBurney to the CRA and that if MPL had any accounts payable to McBurney, that the CRA would garnishee these funds. Attached hereto and marked as **Exhibit "E"** is a copy of the CRA requirement to pay.

26. The CRA requirement to pay relates to the same payment obligations for which the CRA filed a proof of claim in the U.S. Proceedings. In fact, the requirement to pay is dated approximately 7 months after the CRA filed its proof of claim in the U.S. Proceedings and approximately 1 month after the CRA would have received the solicitation package McBurney issued pursuant to the Solicitation Order.

NEED FOR RECOGNITION AND REQUESTED RELIEF

27. The U.S. Court granted an order in the U.S. Proceedings dated October 31, 2012 authorizing MPL to act as a foreign representative on behalf of McBurney in Canada (the "Foreign Representative Order"). Attached hereto and marked as **Exhibit "F"** is a certified true copy of the Foreign Representative Order.
28. It is important for the ongoing operations of both McBurney and MPL that the U.S. Proceedings are recognized in Canada to prevent the CRA and other Canadian entities from enforcing against property held by McBurney in Canada, either directly or indirectly through MPL, despite their participation in the U.S. Proceedings.
29. The U.S. Court has made a number of orders throughout the U.S. Proceedings to facilitate the reorganization of McBurney. MPL is requesting that those orders which affect the Canadian entities be recognized and enforced in Canada. In particular, MPL is requesting recognition of:
- (a) The Solicitation Order; and
 - (b) The U.S. Confirmation Order.
30. In order to ensure that affected creditors and stakeholders in Canada are properly informed of developments associated with the implementation of the Plan, MPL is also requesting the appointment of an information officer to report to the Canadian Court from time to time on said developments. MPL is proposing FTI Consulting Inc. to act as information officer in this proceedings and FTI Consulting Inc. has consented to act as such, if the Canadian Court so orders.

- 31. As discussed above, it is my belief that the center of main interest of McBurney is the U.S. Accordingly, MPL is requesting that the Canadian Court declare that the U.S. Proceedings in respect of McBurney are "foreign main proceedings".

- 32. Arrangements have been made for funding of any information officer appointed by the Canadian Court, such that no super priority administrative charge will be necessary in these proceedings.
