<sup>2</sup> Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the Motion.

<sup>3</sup> The Monitor was appointed as monitor of the Debtors pursuant to provisions of Canada’s Companies’ Creditors Arrangement Act (the “CCAA”), R.S.C. 1985, c. C-36, the statute under which the Debtors have been granted relief from creditors. An initial order was entered on January 19, 2016 in the Ontario Superior Court of Justice by the Honourable Mr. Justice Penny, Court File No. CV-16-11257-OOCL, In the Matter of a Plan of Compromise or Arrangement of PT Holdco, Inc., Primus Telecommunications Canada Inc., PTUS, Inc. Proceeding and Related Relief (the "Petition for Recognition"), and all related documents filed contemporaneously therewith, including, but not limited to, the Declaration of Nigel D. Meakin in connection with the Petition for Recognition, including all facts specifically alleged and verified therein; and upon the record herein; and due and sufficient cause appearing therefor; the Court hereby finds and concludes as follows:<sup>4</sup>

A. The Monitor has demonstrated a substantial likelihood of success on the merits that the Debtors are the subject of a pending foreign main proceeding in Canada and that the Monitor is the foreign representative of the Debtors;

B. The Monitor has demonstrated that, without a stay of execution against the Debtors' assets located in the United States and the protections of section 362 of the Bankruptcy Code, there is a material risk that the Debtors will suffer irreparable harm to the value of their business, assets, and property located in the United States;

C. The Monitor has demonstrated that, without the protections of section 365 of the Bankruptcy Code, there is a material risk that key contracts may not be preserved and that counterparties to certain of the Debtors' agreements may take the position that the commencement of the Canadian Proceeding authorizes them to terminate such contract or accelerate obligations thereunder;

D. The Monitor has demonstrated that such termination or acceleration, if permitted and valid, would severely disrupt the Debtors' operations in the United States, result in irreparable damage to the value of the Debtors' businesses in the United States, and cause

substantial harm to the Debtors' creditors and other parties in interest;

E. The Monitor has demonstrated that no injury will result to any party that is greater than the harm to the Debtors' business, assets, and property located in the United States in the absence of the requested relief;

F. The Monitor has demonstrated that the interests of the public will be served by this Court's granting of the relief requested by the Monitor;

G. In the context of these cases, it would have been infeasible for the Monitor to have served notice of the Motion on all parties in interest in connection with the provisional emergency relief requested in the Motion;
