AFFIDAVIT OF AUDREY NG
Sworn on August 13, 2019

I, **AUDREY NG**, of the City of Calgary, in the Province of Alberta, **SWEAR AND SAY THAT:**

1. I am a Senior Manager with the Special Loans Group of National Bank of Canada ("**National Bank**"). I have been directly involved with the account of R.D.E. Ventures Inc. ("**TOPCO**"), Aable Surfaces Inc., R.D.E. Inc. o/a Terrateam Equipment, Frontline Civil Holdings Inc. ("**Frontline**"), and R.D.E. Transport Inc. (collectively, the "**Guarantors**", TOPCO and the Guarantors are collectively referred to as, the "**Borrowers**") and am responsible for managing the secured credit facilities provided to the Borrowers by National Bank. Additionally, I have reviewed the books and records maintained by and in the possession of National Bank in the ordinary course of business. Based on the aforementioned and upon such review, I have personal knowledge of the matters and facts hereinafter sworn to, except where stated to be based on information and belief, in which case, I believe the same to be true.

2. TOPCO is a body corporate, incorporated pursuant to the laws of the Province of Alberta, carrying on business in the City of Edmonton and elsewhere in the Province of Alberta. Attached

hereto and marked as **Exhibit “A”** to this my affidavit, is a copy of the Alberta Corporate Registry search in respect of TOPCO, dated May 31, 2019.

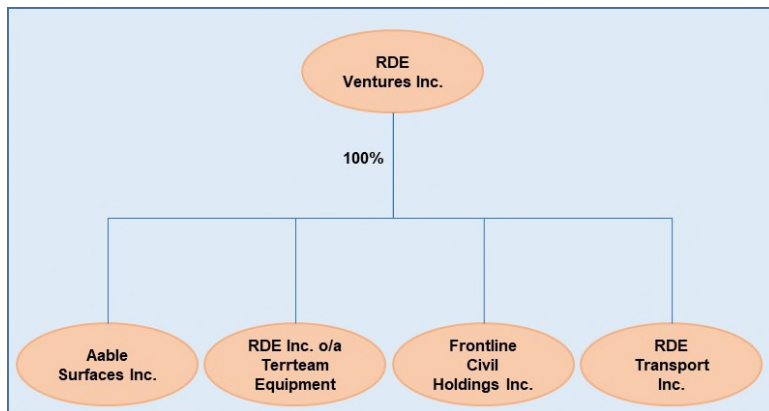

Summary of Relief Sought

3. As of July 9, 2019 (being the date upon which National Bank demanded payment of all amounts outstanding to it), the Borrowers were indebted to National Bank in the amount of \$11,052,152.32, exclusive of all accruing interest, fees, costs, and expenses, pursuant to and in accordance with the terms of the agreements between National Bank and the Borrowers; no material payments have been received by National Bank since July 9, 2019 (collectively, the “**Indebtedness**”).

4. This affidavit is sworn in support of an application by National Bank to: (i) terminate the time within which TOPCO has to file a proposal to its creditors; and (ii) appoint FTI Consulting Canada Inc. (“**FTI**”) as receiver and manager over certain of the assets, properties, and undertaking (as further described below) (collectively, the “**Property**”) of TOPCO pursuant to section 243(1) of the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3 (the “**BIA**”), section 13(2) of the *Judicature Act*, RSA 2000, c J-2, section 99(a) of the *Business Corporations Act*, RSA 2000, c B-9, and 65(7) of the *Personal Property Security Act*, RSA 2000, c P-7.

Overview

5. The Borrowers are part of a corporate group known as the RDE Group. The RDE Group is a privately owned group of companies that provides services to resource industries, construction, property development, and municipalities in Western Canada. The RDE Group’s head office is located in the City of Spruce Grove, Alberta. Reproduced below is an organizational chart of the Borrowers:

6. TOPCO is the management arm of the RDE Group and also owns heavy equipment utilized by members of the RDE Group in its operations.

7. National Bank began financing the RDE Group in July, 2018 by providing a \$10.5 million credit facility. Further detail on the nature of the secured financing is set out below.

8. The Borrowers were required to provide 2018 year-end audited financial statements to National Bank on or before February 28, 2019.

9. In March, 2019, the then Chief Financial Officer of the Borrowers contacted National Bank to request additional time to provide the audited financial statements. The reason expressed for the request included the then Chief Financial Officer advising that extra time was required because 2018 was the first year that audited financial statements were being prepared and that the RDE Group had switched to a new accounting firm. National Bank agreed to this request.

10. By late April, 2019, the audited financial statements had not yet been provided. The Chief Financial Officer provided repeated assurances to National Bank that the statements were a day or two away from being delivered.

11. In May, 2019, National Bank elevated the demand for production of the audited financial statements to the President of the RDE Group. The President investigated and advised National Bank that the Chief Financial Officer had been misrepresenting the circumstances to both him and National Bank inasmuch as auditors had not in fact been hired. The Chief Financial Officer was terminated.

12. National Bank was then extremely concerned with the Borrowers' state of affairs including because: (i) of the situation involving the Chief Financial Officer; (ii) the credit facilities were to have been repaid in full by April 30, 2019; (iii) the Borrowers were by this point in time making repeated requests of National Bank to return (bounce) payments they had caused to be issued to their suppliers; and (iv) in early June, 2019, the Borrowers had exceeded their available credit and required National Bank to extend additional credit on an urgent basis to fund the Borrowers' payroll.

13. On June 4, 2019, National Bank requested the Borrowers to confirm the engagement of FTI by National Bank's counsel to provide a review of the Borrowers' operations.

14. By June 18, 2019, the Borrowers had still not signed off or confirmed the FTI engagement. The Borrowers' interim Chief Financial Officer emailed me on June 18, 2019 indicating that the Borrowers would be "\$80,000 short for payroll this week". National Bank allowed a further bulge in the credit facilities to allow payroll to be made. Attached hereto and marked as **Exhibit "B"** to this my Affidavit, is a true copy of the June 18, 2019 email.

15. On June 25, 2019, the Borrowers executed the FTI engagement letter.

16. On June 27, 2019, the Borrowers indicated that the business "would cease operations as early as [June 28]" if \$95,598.76 in payments were not made. Ultimately, the payments were made by the Borrowers as a result of National Bank permitting a further bulge in the credit available. Attached hereto and marked as **Exhibit "C"** to this my Affidavit, is a true copy of the June 27, 2019 email.

National Bank's Credit Facility

17. The Borrowers entered into the following financing agreements with National Bank:

- (a) Offer of Financing, dated July 19, 2018, between National Bank, as lender, TOPCO, as borrower, and Guarantors, as guarantors;
- (b) Offer of Financing, dated November 5, 2018, between National Bank, as lender, TOPCO, as borrower, and the Guarantors, as guarantors;
- (c) Amendment to Offer of Financing, dated December 24, 2018, between National Bank, as lender, TOPCO, as borrower, and the Guarantors, as guarantors; and,
- (d) Amendment to Offer of Financing, dated April 3, 2019, between National Bank, as lender, the Borrower, as borrower, and the Guarantors, as guarantors,

(collectively, the "**Offer of Financing**"). Attached hereto and marked as **Exhibits "D"**, **"E"**, **"F"**, and **"G"**, respectively, to this my Affidavit are copies of the Offer of Financing.

18. Under the Offer of Financing, National Bank made the following credit facilities available to TOPCO:

- (a) Demand Revolving Operating Credit in the amount of \$3,000,000 ("**Facility A**");

- (b) Seasonal Demand Revolving Operating Credit in the amount of \$4,000,000 (“**Facility B**”);
 - (c) Revolving Equipment Credit of \$4,500,000;
 - (d) MasterCards in the amount of \$100,000 (“**Facility D**” and together with Facility A, Facility B and Facility C, the “**Demand Facilities**”);
 - (e) Global Net Risk Line in the amount of \$1,000,000; and,
 - (f) Electronic Funds Transfer Settled Risk in the amount of \$1,000,000
- (collectively, the “**Credit Facilities**”).

19. Borrowings under the Demand Facilities are repayable at any time upon National Bank’s demand.

Guarantees

20. All obligations and indebtedness due and owing by TOPCO to National Bank, are guaranteed pursuant to the following guarantees:

- (a) Unlimited Continuing Guarantee, dated August 21, 2018, granted by Aable Surfaces Inc. to and in favour of National Bank;
- (b) Unlimited Continuing Guarantee, dated August 21, 2018, granted by R.D.E. Inc. to and in favour of National Bank;
- (c) Unlimited Continuing Guarantee, dated August 21, 2018, granted by Frontline to and in favour of National Bank; and,
- (d) Unlimited Continuing Guarantee, dated August 21, 2018, granted by R.D.E. Transport Inc. to and in favour of National Bank,

(collectively, the “**Guarantees**”).

Security

21. The Borrowers also granted to National Bank, as general and continuing collateral security for the payment and performance of all debts, liabilities, and obligations of the Borrowers, a mortgage, pledge, charge, and security interest to and in favour of National Bank in all of the Borrowers present and after-acquired personal property and in all proceeds and renewals thereof, accessions thereto, and substitutions therefor (collectively referred to as, the "**Collateral**") pursuant to:

- (a) a General Security Agreement, dated August 21, 2018 (the "**TOPCO GSA**"), as granted by TOPCO to and in favour of National Bank; and
- (b) General Security Agreements, dated August 21, 2018, as granted by each of the Guarantors to and in favour of National Bank,

(collectively, the "**GSAs**"). Attached hereto and marked as **Exhibit "H"** to this my Affidavit, is a copy of the TOPCO GSA.

22. National Bank's rights and remedies under the TOPCO GSA is enforceable, *inter alia*, upon default, which includes, among others, failing to pay the Indebtedness due and owing to National Bank. Additionally, the GSA provide that upon a default or event of default, National Bank is entitled to apply for the appointment of a Receiver.

Specific Equipment and PPR Search Results

23. TOPCO provided FTI with a list of equipment owned by it. FTI's reproduction of that list is attached hereto and marked as **Exhibit "I"** to this my Affidavit.

24. National Bank perfected its security interests, as granted under the GSAs, against TOPCO, the Guarantors, and the Collateral in the Alberta and British Columbia Personal Property Registries (the "**PPR**"). Now shown to me and marked as **Exhibits "J"** and "**K"** to this my Affidavit, but not attached hereto due to the fact that the same are unduly large, is a copy of the Alberta PPR and British Columbia PPR debtor name searches with respect to TOPCO.

Post-Demand / Notice of Intention to Make a Proposal Proceedings (the “NOI Proceedings”)

25. On July 2, 2019, Element Fleet Management Inc. seized equipment in the Borrowers’ possession in relation to amounts alleged to be owing and in default of \$567,546. Attached hereto and marked as **Exhibit “L”** to this my Affidavit, is a copy of Element Fleet Management Inc.’s notice, Warrant, Notice of Seizure, and Notice of Intention to Dispose of Personal Property.

26. On July 3, 2019, the Borrowers made yet another request of National Bank to return payments issued by the Borrowers to their suppliers. Attached hereto and marked as **Exhibit “M”** to this my Affidavit, is a copy of the July 3, 2019 email.

27. National Bank was in dialogue with the Borrowers during the first business week of July, 2019, including for the purposes of attempting to ascertain the Borrowers’ intention relative to its restructuring plan. The Borrowers advised National Bank that they were in discussions with Wolverine Energy and Infrastructure (“**Wolverine**”) surrounding a transaction that would form the basis for payment of the obligations owing to National Bank.

28. On July 9, 2019, owing to the then ongoing defaults of the Borrowers and the Borrowers’ deteriorating financial position, National Bank delivered to the Borrowers a letter (the “**Demand**”): (i) demanding repayment of the Indebtedness, in full by July 19, 2019; and, (ii) terminating all availability under the Offer of Financing and the Credit Facilities. Together with the Demand, National Bank also issued Notices of Intention to Enforce Security to the Borrowers, in accordance with Section 244 of the BIA. Attached hereto and marked as **Exhibit “N”** to this my Affidavit is a copy of the Demand and the corresponding 244 notices.

29. On July 17, 2019, TOPCO and Frontline advised FTI of their intention to lodge Notices of Intention to Make a Proposal under and pursuant to the BIA. Attached hereto and marked as **Exhibit “O”** to this my Affidavit, is a true copy of the July 17, 2019 email.

30. I am advised by Tom Powell of FTI, and do verily believe, that as at July 17, 2019 he had discovered that:

- (a) the Borrowers had received a significant receivable from CN Rail;

- (b) the Borrowers diverted the receivable from being deposited into their bank account with National Bank (as is required under the National Bank Offer of Financing) into a different financial institution; and
- (c) the Borrowers' stated purpose for wrongfully diverting the receivable was to allow it to make payments to certain undisclosed "critical" vendors.

31. On July 19, 2019, TOPCO and Frontline filed Notices of Intention to Make a Proposal (the "NOIs"). Attached hereto and marked as **Exhibit "P"** to this my Affidavit, is a true copy of the NOIs.

32. Immediately following the filing by the Borrowers of their NOIs, FTI and McCarthy Tétrault LLP contacted the trustee appointed under the NOIs, the Bowra Group Inc. (the "**Proposal Trustee**") in an attempt to:

- (a) ascertain the Borrowers' intention with respect to the NOI Proceedings; and
- (b) request the Proposal Trustee to make due inquiry of the Borrowers with respect to the amount of receivables diverted by the Borrowers, the application of such diverted funds, and the location of such funds. Additionally, I am advised by Sean Collins, counsel to National Bank, and do verily believe, that he impressed upon the Proposal Trustee the fact that National Bank viewed the diversion of receivables subject to its security interest as being a serious conduct issue and that the Proposal Trustee should impress upon the Borrowers the fact that, if National Bank was to support the Borrowers' restructuring efforts, then the Borrowers would have to immediately provide an accounting for diverted funds and ensure that all future receivables, subject to National Bank's security, were deposited into the Borrowers' account with National Bank as is required under the terms of the National Bank loan and security.

Attached hereto and marked as **Exhibit "Q"** to this my Affidavit, is a true copy of an email from Doug Chivers of the Proposal Trustee to Sean Collins providing a response to National Bank's inquiry relative to the diverted receivables.

33. While the email contained at **Exhibit "Q"** provided high-level detail with respect to the diverted receivables, bank statements have never been provided nor has there ever been any further advice provided by the Borrowers with respect to whether further receivables have been

diverted or, despite repeated requests through counsel, a commitment on the part of the Borrowers to comply with the covenants imposed upon them under the National Bank loan and credit documentation requiring that all receivables subject to National Bank's security be deposited into the Borrowers' accounts with National Bank.

34. Over the course of the first ten days following the filing of the NOIs, National Bank and its advisors engaged in discussions with the Proposal Trustee to ascertain the ability of the Borrowers to continue meeting their post-filing obligations, having regard to the Borrowers' severely constrained cash position. National Bank and its advisors made requests to review preliminary cash-flow projections in an attempt to assist National Bank in developing a view with respect to whether a restructuring by the Borrowers was feasible. The cash-flow statements were provided by TOPCO and Frontline at or near the last moment that the same were due under and pursuant to the provisions of the BIA (i.e. 10 days following the filing of the NOIs). Attached hereto and marked as **Exhibits "R"** and **"S"** to this my Affidavit, are true copies of the cash-flow statements.

35. The cash-flow statements were predicated on the assumption that Wolverine would provide funding to permit payment to be made to various sub-contractors. Absent such payments, the *pro forma* revenue would not be forthcoming from CN Rail. Of further material significance is the fact that I am advised by Tom Powell, and do verily believe, that Frontline is in arrears to Canada Revenue Agency on account of unremitted source deductions in the amount of approximately \$3 million.

36. During the week of August 5, 2019, National Bank and its advisors, once again attempted to ascertain whether further receivables would be received by the Borrowers and, if so, details in relation to same. On Saturday, August 10, 2019, the Proposal Trustee advised FTI that it had issued material adverse change reports (the **"MACs"**) on Thursday, August 8, 2019. The substance of the MACs issued by the Proposal Trustee are that the circumstances that would permit payment of receivables to the Borrowers never came to pass with the result that the Borrowers' cash-flows were no longer accurate. Attached hereto and marked as **Exhibit "T"** to this my Affidavit, is a true copy of the MACs.

37. During this same period of time, Wolverine provided National Bank with a draft proposal (the **"Wolverine Proposal"**). The draft Wolverine proposal is completely unacceptable to National Bank. A copy of the Wolverine Proposal is attached hereto and marked as **Confidential**

Exhibit “1” to this my Affidavit. National Bank will apply for a sealing order at the return of its application in respect of this Confidential Exhibit.

38. FTI provided a preliminary assessment of the value of the security held by National Bank. Attached hereto and marked as **Confidential Exhibit “2”** to this my Affidavit, is a true copy of FTI’s report to National Bank, dated July 17, 2019 (the “**FTI Report**”). National Bank will apply for a sealing order at the return of its application in respect of this Confidential Exhibit.

39. With respect to the Confidential Exhibits for which National Bank is seeking a sealing order, in the first instance, counsel to National Bank has provided notification, in accordance with Rule 6.28 of the *Alberta Rules of Court*, to the media in connection with its intention to make application for a sealing order. Attached hereto and marked as **Exhibit “U”** to this my Affidavit, is a true copy of the notification provided to the media in accordance with Rule 6.28 of the *Alberta Rules of Court*.

40. In connection with the sealing order request, the Wolverine Proposal was communicated to National Bank with the expectation and on the basis that the same would remain confidential. The FTI Report was provided to counsel to National Bank with respect to counsel providing legal advice to National Bank and the same is confidential and was originally subject to solicitor-client privilege. Moreover, the confidential exhibits contain sensitive financial information that, if made public during the currency of any sales process with respect to the Borrowers’ assets, could cause significant and irreparable harm to the Borrowers’ estate and stakeholders. It is proposed that the sealing order will be temporary in nature with the same to expire upon conclusion of the within proceedings.

National Bank is the Fulcrum Creditor

41. The FTI Report demonstrates that National Bank will suffer a significant and material short-fall on its secured claim.

42. As far as I am aware, TOPCO has continued to allow Frontline to utilize and deplete National Bank’s collateral. The ongoing utilization of National Bank’s collateral is in addition to any further prejudice that has been or will be suffered by National Bank as a result of TOPCO being unable to meet its obligations as they come due.

Termination of NOI Proceedings

43. As at the time of swearing this my Affidavit, there has been no meaningful communication from the Borrowers with respect to their plan or intention. Indeed, it is incumbent upon the Borrowers to apply for an extension of the time within which to make a proposal on or before August 19, 2019. The Borrowers have given no indication of their intention to make such an application.

44. In the circumstances, National Bank seeks to terminate the time within which TOPCO may file a proposal because:

- (a) TOPCO has not applied to extend the time within which it may file a proposal. Absent an extension, TOPCO (and Frontline) will be automatically bankrupt and National Bank is concerned that the collateral subject to its security is in jeopardy;
- (b) including for the reasons as outlined in the MACs, TOPCO and Frontline have no or negligible revenue and will not be able to make a viable proposal before the expiration of the time to do so;
- (c) National Bank has lost complete confidence in the Borrowers' management, including for the reasons as articulated above relative to the Borrowers' wrongfully appropriating National Bank's security into the diverted bank account but also generally due to the inability of the management of the Borrowers to advance a restructuring proposal or any meaningful plan; and
- (d) National Bank will not support a continuation of the NOI Proceedings.

Necessity of the Appointment of a Receiver

45. TOPCO currently has no access or availability under National Bank's Credit Facilities or the Offer of Financing. National Bank is not prepared to extend any further credit to the Borrowers. Absent further funding, TOPCO is unable to meet its obligations as they become due.

46. Due to TOPCO's liquidity issues and its inability to meet its obligations as they become due, absent further funding and extensions from National Bank, TOPCO will be unable to continue its operations. National Bank therefore has serious and valid concerns regarding the protection

and preservation of its Collateral which includes any value attributed to TOPCO's ongoing operations.

47. The granting of the relief sought by National Bank will preserve and protect National Bank's first security position. The order sought is limited to TOPCO's equipment and other assets described in the draft order that forms part of the application record herein. It is not anticipated that the Receiver will operate the business of TOPCO. It is anticipated that FTI will assemble the equipment in a location and will either: (i) retain an auction house to conduct a public auction, with or without reserved bids, in respect of the equipment; or (ii) obtain a guaranteed minimum buyout from an auction house to purchase the equipment. In the circumstances, the draft order sought seeks to empower the Receiver to auction the equipment or sell same to an auction house without further order of the Court.

48. FTI is a licensed trustee in bankruptcy and has consented to being appointed as Receiver of TOPCO. The consent will be available at the return of the within application.

49. The order sought includes a provision indemnifying the Receiver for its fees and disbursements up to the amount of \$250,000.00 and to provide the Receiver with a paramount charge to secure such amounts over TOPCO's property. The order sought also seeks to permit the Receiver to borrow up to the amount of \$250,000.00 and to provide a charge to secure such borrowings over TOPCO's property subordinate only to the aforementioned indemnification charge.

50. As to the former charge, I am advised by Deryck Helkaa that FTI has considered, as best it can due to the preliminary status of this matter, the amount of the charge sought and that such charge represents a reasonable estimate of the potential quantum of that which may be subject to such charge.

51. As to the receiver's borrowing charge, I am advised by Deryck Helkaa that FTI has considered the costs that will be required to preserve, maintain, and realize upon TOPCO's assets over the course of the remainder of the remaining summer and beyond and that FTI is of the view that the receiver's borrowing charge represents a reasonable estimate of the potential quantum of that which may be subject to such charge.

52. I am advised by Deryck Helkaa that FTI's consent to being appointed as receiver and manager is conditional upon the indemnification and receiver's borrowing charges and the relative

priority of the same, being approved by the Court. I believe that it is in the best interest of TOPCO and all of its stakeholders that the requested charges be approved because in the circumstances of this case there is no practical alternative to preserving, protecting and realizing upon the TOPCO collateral other than through the appointment of a receiver.

Conclusion

53. It is just, convenient, and appropriate for a Receiver to be appointed over TOPCO, and the Property, for the following reasons:

- (a) TOPCO has no capacity to meet critical payment obligations and will likely cease to function as a going-concern entity.
- (b) TOPCO has a history of internal mismanagement and financial difficulty and has not presented National Bank with a viable plan or course of action to address the repayment of the Indebtedness; and
- (c) National Bank has valid and serious concerns regarding the preservation and protection of the Collateral, particularly due to TOPCO's liquidity issues and its inability to meets its obligations as they become due.

54. I swear this affidavit in support of an application to terminate the within NOI Proceedings and to appoint FTI as Receiver of the assets of TOPCO as set out in the draft receivership order.

Hi Iris, Audrey,

I wanted to get a couple pieces of info across today, sorry for it being late in the day.

I've got all my fiscal 2018 review questions in and my review complete. I am switching modes to start to get to current on information that has been passed to you for Fiscal 2019. My biggest concern in 2019 is receivables and the reclasses are flowing in there in the March 31 reporting period, which I can appreciate establish part of the lending base for you.

I'm also putting together a financial pro-forma for 2019 to take the cash flow that Dean produced and turn it into some expectations on where the actual financial ratios will land. The projections are coming together okay, but opening balances will be a bit because the intercompany changes and balance sheet reclasses that went through the financials need to be reconciled locally.

We will be checking on substantial payments we expect from CN that should be landing in the next few business days. I am concerned that they will not land in time for payroll this week. If we do not get any receivables landing, we will fall \$80,000 short for payroll this week. I will have a better idea on whether we are going to see funds come in to cover that shortfall tomorrow and will be in contact with you on that.

If you have any questions or concerns, shoot me an email or give me a call.

Hi Audrey, Iris,

We met this morning and the payments we expected have not landed yet. They are included in the CN Portal attached along with other pending payments.

That puts the business in a spot where it would cease operations as early as tomorrow if it can't get 2 payments done:

1. Insurance - \$40,598.76. This payment would avoid cancellation.
2. LOA - \$55,000. This payment would maintain the staff in the field

The other important payment we were hoping to process is employee severance - \$10,000.

The priority of payments would be to pay insurance, as an insurance cancellation would immediately cease operations as of tomorrow. The secondary priority would be the LOA, which could also cease operation at CN.

Both payments would need to be processed today out of RDE to meet the deadlines.

We request that the 2 requested payments be allowed to fund, which would keep the business operating. The two larger CN payments that are listed as 'Awaiting Payment Approval' are expected to fall as scheduled. The 'Awaiting Payment' nomenclature and the 'Awaiting Payment Approval' in the past haven't been different in terms of the actual payments happening.

I will follow up with a call. Audrey, I appreciate the sentiment yesterday that you were hoping to have the 3pm meeting first. I fear that waiting may cause irreparable damage, so I will reach out this morning and get your perspective on whether these payments can go through or if there is another solution that we haven't considered.

- 6.2.3** Provide the Bank with any information or document that the Bank may from time to time reasonably request and give, at all times, to the Bank representatives or agents the right to inspect its establishments and access thereto, and shall further permit the Bank's representatives to examine its books of account and other records and take extracts therefrom or make copies thereof;
- 6.2.4** Maintain, at all times, insurance coverage on its property against loss or damage caused by fire and any other risk as is customarily maintained by companies carrying on a similar business;
- 6.2.5** Transact all or most of its banking business with the Bank;

- 6.2.6 Punctually pay all taxes, assessments, deductions at source, income taxes or other levies for which the payment is secured by privilege, prior claim, legal hypothec, security or other lien or charge, with no subrogation or consolidation;

- 6.2.8 Provide the Bank with an updated appraisal on fixed assets from time to time upon request of the Bank acting reasonably;
- 6.2.9 Provide the Bank any additional information requested that it may reasonably require.

6.3 Negative Covenants

The Borrower and any corporate guarantor, if applicable, respectively undertake to obtain the Bank's prior written consent before they:

- 6.3.1 Materially change the nature of its operations or business;
- 6.3.2 Acquire or amalgamate with any other entity, continue its existence under the laws of another jurisdiction or initiate its dissolution, liquidation or file a notice of intention, an assignment of bankruptcy, a proposal seeking a reorganization or an arrangement with its creditors, under the bankruptcy and insolvency laws of Canada or similar laws of any foreign jurisdiction;
- 6.3.3 Hypothecate, encumber, pledge, or otherwise give as security any of its movable/personal or immovable/real property other than what is approved under **Permitted Indebtedness**;

- 6.3.5 Grant financial assistance, make an investment or provide a guarantee to a third party other than a subsidiary;

- 6.3.8 Declare or pay dividends on any class or kind of its shares, repurchase or redeem any of its shares or reduce its capital in any way whatsoever or repay any shareholders' advances if doing any of these would result in the breach of any financial covenant. Distributions allowed provided all covenants in compliance pre and post distribution, and the Funded Deb/EBITDA ratio does not exceed 2.50:1 pre and post distribution;
- 6.3.9 Make any type of distribution to its partners, other than salary expenses in the usual and normal course of business; and,

- 6.4.3 At the request of and in accordance with the conditions set by the Bank and, at its own cost, furnish any information with respect to its environmental situation, including any report prepared by a firm acceptable to the Bank;

6.4.5 Indemnify the Bank for any damage which the Bank may suffer or any liability which it may incur as a result of non-compliance with the Environmental Requirements.

The provisions, undertakings and indemnification set out in this section shall survive the cancellation and release of the security, and/or the final payment in full of any amount owing by the Borrower to the Bank.

SECTION 7. DEFAULT

7.1 Events of Default

Without limiting the demand nature of the credits, as applicable, the occurrence of one or more of the following events shall constitute a default hereunder:

- 7.1.1** If the Borrower fails to pay any payment of principal or any interest, fees and incidental charges or any other amount payable hereunder or under any of the security documents when due and payable;
- 7.1.2** If the Borrower or any guarantor, if applicable, made a representation or warranty to the Bank which proves to be incorrect, erroneous or inaccurate;
- 7.1.3** If the Borrower, any guarantor or any intervenor, if applicable, fails to perform any of its obligations hereunder or pursuant to any of the security documents;
- 7.1.4** If the Borrower or any guarantor, if applicable, becomes insolvent or bankrupt, is in the process of winding up, makes an assignment of its property for the benefit of its creditors, files a proposal or gives notice of its intention to file such a proposal, is being reorganized, ceases to operate its business or if a material adverse change affects its financial situation;
- 7.1.5** If proceedings are instituted by the Borrower, any guarantor or a third party with respect to the Borrower or any guarantor, as applicable, or their operations for the bankruptcy, dissolution, winding-up, reorganization, composition, arrangement or readjustment of the indebtedness;
- 7.1.6** If a creditor, trustee in bankruptcy, receiver or other third party takes possession of all or a significant portion of the property of the Borrower or any guarantor, if applicable, or if in the Bank's opinion such property is subject to a prior notice of the exercise of a hypothecary right or an enforcement of security notice or a notice to withdraw authorization to collect claims, or is seized;
- 7.1.7** If the Borrower or any guarantor, if applicable, is in default under the terms of any other contract, agreement or writing with the Bank, any financial institution or government entity or any other creditor having any liens on the property of the Borrower or any guarantor, if applicable;
- 7.1.8** If this offer, any security document or other document related thereto ceases to be in force, including, without limitation, if a security ceases to retain the ranking provided for herein;
- 7.1.9** If any event causes a material adverse effect to the Borrower, its operations, or financial status and such material adverse effect is not remedied or is not able to be remedied within a period of ten (10) business days from the date of such event or written notice by the Bank to the Borrower of such event or from the date when the Borrower became aware of such event.

7.2 Rights and Remedies of the Bank

Without limiting the Bank's rights hereunder, under the security or related documents and subject to its other rights and remedies, in the event of default:

- 7.2.1** The Bank may terminate any credit facility and declare liquid and payable all monetary obligations of the Borrower not yet due at that time and claim from the Borrower or any guarantor, if applicable, without further notice or demand, immediate payment of all amounts owing;
- 7.2.2** The Bank may charge the Borrower reasonable analysis, administration and follow-up charges and may also retain the services of legal counsel, accountants or other professionals (and pay their fees) with respect to protecting and enforcing the Bank's security;
- 7.2.3** Any amount collected or received by the Bank, including the balance of any proceeds from the realization on the security, may be withheld by the Bank and, at its discretion, be applied to any portion of the Borrower's indebtedness to the Bank (on the understanding that any amount

disbursed by the Bank to realize, retain or preserve any right or security given hereunder shall bear interest until payment in full, at the Bank's Canadian Prime Rate plus 3%).

The preceding provisions shall apply notwithstanding the fact that any of the beneficiaries or bearers of commercial letters of credit, letters of guarantee or bankers' acceptances issued hereunder, if applicable, has not requested payment in full or in part or has requested partial payment only from the Bank.

7.3 Waiver, Omission and Cumulative Remedies

The Bank may set time limits, accept or waive security, accept arrangements, grant discharges and acknowledge cancellation/discharge, and transact with the Borrower, as it shall deem appropriate without in any way reducing the liability of the Borrower or any guarantor, or affecting the rights of the Bank hereunder, under the security provided herein or under any related document.

Any omission on the part of the Bank to notify the Borrower or any guarantor of any event of default hereunder or to avail itself of any of its rights hereunder shall not be construed as a waiver by the Bank to take recourse in such event of default or to exercise any right.

Acceptance by the Bank, following any default by the Borrower, of any sum owing to it or its exercising of any right or remedy shall not preclude the Bank from exercising any other right or remedy, which it may have, whether pursuant to any agreement or otherwise provided by law, said rights and remedies of the Bank being cumulative and not alternative, and in addition to and not in substitution for, any other right or remedy of the Bank.

7.4 Increased Risk

Should a material change, deemed unfavourable by the Bank, occur in the (i) level of inherent risk in the financing, (ii) the financial situation of the Borrower and/or any guarantor, (iii) the value of the property given as security to the Bank by the Borrower and/or any guarantor or the value of their enterprises (operations), (iv) the rank of the security granted in favour of the Bank, or (v) the Borrower's capacity to meet its obligations to the Bank, pursuant to the law or the terms and conditions of any contract deemed material by the Bank, the Bank reserves the right to cancel any credit facility at its sole discretion and demand repayment of any amount already disbursed in this respect.

SECTION 8. MISCELLANEOUS PROVISIONS

8.1 Accounting Terms

Each accounting term used herein, unless otherwise defined, shall have the meaning ascribed to it in the generally accepted accounting principles of the Canadian Institute of Chartered Accountants in effect at the time this Offer is accepted, and any financial information provided to the Bank by the Borrower must be prepared in accordance with those principles. Should there be a change in the way these accounting principles are interpreted or applied, in particular, with respect to the Borrower, which affects the calculation of certain ratios and other financial commitments, the Bank reserves the right to review these ratios and financial commitments, whether or not the financing has expired.

8.2 Specifications concerning term loans

Terms and conditions for term loans may be agreed upon verbally and confirmed to the Borrower by email or regular mail. If the Bank and the Borrower choose to extend the term before the term loan expires, the new term, applicable interest rate and the payment date (as applicable) may be agreed upon verbally with the loan remaining subject to the other applicable conditions. These terms and conditions may then be confirmed to the Borrower and Guarantor by email or regular mail. Neither the Bank nor the Borrower shall be obligated to extend a term loan at expiry, the Borrower could then repay the loan in full and the Bank could require payment of said loan.

8.3 Definitions

“Business day”: means any day, other than Saturday or Sunday, on which the offices of the Bank are open in the province identified in the last section herein titled “Governing Law.”

“Canadian Prime Rate”: means the annual floating interest rate announced publicly by the Bank from time to time and used to determine the interest rates applicable to commercial loans in Canadian dollars granted by the Bank in Canada.

“Excess generated funds”: means [net income + amortization +/- deferred income taxes for a given fiscal year] - [principal payments made during the given fiscal year].

“Floating rate”: means the interest rate applicable to floating-rate advances in Canadian or U.S. dollars, as applicable, made hereunder.

“Permitted indebtedness”: means encumbrances on specific equipment of the Borrower permitted by the Bank for existing and future equipment loans and leases totaling not more than \$10,000,000 in aggregate and reducing on a dollar for dollar basis when the credits described herein are used to pay out Permitted Indebtedness;

“Rate offered”: means the annual interest rate determined from time to time by the Bank, for the term chosen by the Borrower, as being the fixed interest rate applicable to its commercial fixed-rate term loans granted by the Bank in Canada for the same term.

“U.S. Base Rate”: means the annual floating interest rate announced publicly by the Bank from time to time and used to determine the interest rates applicable to commercial loans in U.S. dollars granted by the Bank in Canada.

8.4 Calculation of Interest and Arrears

Unless otherwise stipulated herein or in any related document relating to this Offer, including without limitation, all demand and term notes, interest and arrears shall be calculated as follows:

8.4.1 Interest on any amount due hereunder shall be calculated daily and not in advance on the basis of a 365-day year. For the purposes of the Interest Act (Canada) in the case of a leap year, the annual interest rate corresponding to the interest calculated on the basis of a 365-day year is equal to the interest rate thus calculated multiplied by 366 and divided by 365;

8.4.2 Interest shall be payable on the 26th day of each month, with a minimum charge of \$10 per credit payable on demand. However, under no circumstances shall the interest payable (or any amount considered interest under the law) exceed the maximum interest amount permitted by law. As applicable, the interest amount will be reduced so as not to exceed this maximum; and

8.4.3 Any amount of principal, interest, commission, discount or of any other nature remaining unpaid at maturity shall bear interest at the rate of the credit concerned. The interest on arrears shall be compounded monthly and payable on demand.

8.5 **Records**

The Bank shall keep records evidencing the amounts payable under this financing, including but not limited to the principal repayment and interest payment conditions as well as applicable fees. Unless expressly indicated otherwise, the content of these records shall provide evidence as to the indebtedness to which they attest.

Converting advances or loans, during the term of credit or at expiry, based on the terms and conditions set out for the applicable credit, as well as any change in a credit name or number in the Bank's records shall not result in the novation of credits or the Borrower's indebtedness, regardless of the transaction entry or processing by the Bank's computer systems.

8.6 **Currency of Payments**

All amounts due by the Borrower hereunder shall be paid by the Borrower to the Bank in the currency of the relevant credit. Whenever an amount in Canadian dollars is to be converted into or expressed in U.S. dollars, or the equivalent in U.S. dollars (or inversely) must be determined, the Bank may calculate this conversion or equivalence in accordance with its normal practices.

8.7 **Credit Facility Overrun**

Should the indebtedness owing to the Bank under a credit facility hereof exceed the authorized credit amount hereunder and the Bank has not formally authorized this situation, the Borrower shall be required to repay the Bank, without further notice or demand, an amount equal to such excess amount. If, however, the Bank were to tolerate an amount in excess of the authorized credit facility, the Borrower hereby undertakes to pay the overlimit fees required at such time by the Bank, failing which the Borrower shall be required to repay such excess amount to the Bank.

8.8 **Additional Costs**

The Borrower undertakes to pay the Bank for the following costs, as determined by the Bank:

8.8.1 Should a statute, regulation, or administrative policy or order have the effect of increasing the costs of the credit facility for the Bank (namely as a result of the imposition of any reserves, taxes or capital adequacy requirements for the Bank), the Borrower shall pay this additional cost on demand; and

8.8.2 All taxes or additional costs that may arise from the application of any federal, provincial or municipal legislation.

8.9 **Payments and Debit to the Account(s)**

The Borrower irrevocably authorizes the Bank to debit periodically or from time to time any bank account it may maintain at the Bank in order to pay all or part of the amounts it may owe to the Bank hereunder. If the payment is payable on a non-business day, this payment may be made on the next business day and this delay shall be taken into consideration when calculating the interest.

8.10 **Set-off**

In addition to all its other rights, the Bank may offset any amount owing hereunder with any sum due by the Bank to the Borrower or a guarantor (including in accordance with any deposit made with the Bank), even if this sum is not due or is payable in another currency (in which case the Bank can convert this amount into the currency of the amount due to the Bank). To do any of the foregoing, the Bank may debit any account held by the Borrower or a guarantor with the Bank.

Without limiting the foregoing, the Borrower authorizes the Bank to establish every day, or at any other interval the Bank may determine, the position or net position, as applicable, of the Borrower's deposit account(s) with the Bank (the "Deposit Account"), and it is understood that:

8.10.1 If the position or net position of the Deposit Account represents a credit balance, the Bank may apply all or part of this credit to the repayment of the advances under any revolving credit made

available to the Borrower and shall debit the Deposit Account for the amount paid, rounded to the amount of the minimum repayment applicable to the relevant credit; and

- 8.10.2** If the position or net position of the Deposit Account represents a debit balance, the Bank shall grant an advance under any revolving credit made available to the Borrower to create a credit balance or a net credit balance in the Deposit Account and increase the advances for such revolving credit by an equivalent amount without however exceeding the authorized credit amount; the advance shall be rounded to the amount of the minimum disbursement applicable to the relevant credit, if applicable.

8.11 **Assignment**

The Borrower cannot assign its rights hereunder. The Bank may, however, assign or transfer all or part of its rights and obligations under this Offer (or grant participations), without notifying the Borrower or any guarantor.

8.12 **Presumption of Accuracy of Information**

All documents and information provided to the Bank by the Borrower, regardless of the medium (paper, electronic, verbal or other form) whether or not they are signed by one of the Borrower's representatives, shall be deemed by the Bank to be accurate and validly issued by the Borrower, without further formality. Moreover, the Bank shall not be held liable for any fees or delays which may be caused when an instruction is sent and which could be due to a technical problem attributable to the systems in use at the Bank.

8.13 **Final Agreement, Interpretation and Counterparts**

Once accepted and signed by the Borrower, this Offer of Financing shall constitute the final agreement between the parties, with the exception of any subsequent written amendments agreed upon by the parties, and it shall supersede any prior agreements, verbal or written, with respect to the financing solution described herein.

This Offer is made without novation to the credits already granted to the Borrower, if applicable, and without derogation to the rights, hypothecs, security, mortgages, guarantees, suretyships, remedies, recourses and priority ranking arising from any previous offer of financing and the security documents, and the other writings related thereto, which shall continue to secure all the terms, conditions and obligations of such credits, whether covered or not by this Offer.

In the event of inconsistency between this Offer and any other prior agreement relating to the credits described herein already granted in favour of the Borrower, the terms and conditions of this Offer shall prevail.

This Offer may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and all such counterparts taken together shall constitute one and the same document.

8.14 **Indemnification**

The Borrower and guarantor agree to indemnify and save harmless the Bank, its officers, administrators, employees and agents against all losses, liability, claims, damages and fees suffered or incurred by them, in any manner whatsoever, arising from or in connection with this offer (notably further to the Borrower's failure to abide comply with any applicable law or regulation, including failure to comply with fiscal law or regulation), except if these losses, liability, damages or fees result from the gross negligence or intentional fault of the Bank, its officers, administrators, employees or agents. This provision shall survive the cancellation of the security or full and final payment of any amount owing by the Borrower to the Bank.

8.15 **Liability**

When the term "Borrower" designates more than one person, each one shall be jointly and severally (Canada except Quebec) or solidarily (Quebec) liable for the obligations stipulated herein including, without limitation, those resulting from advances made by the Bank.

8.16 **Review**

The terms and conditions of the credits granted by the Bank to the Borrower hereunder are subject to periodic review, at the Bank's discretion.

8.17 Fees and Charges

The previously collected application fee in the amount of **\$5,000 and a further Non-refundable application fee in the amount of \$20,000** shall be earned, due and payable by the Borrower and shall be collected directly from the Borrower's current account on acceptance of these Terms and Conditions if not paid by the Borrower separately prior to any initial advance.

In addition, non-refundable fees for preparing and maintaining the movable/personal property security plus fees for each cession of rank required, if applicable, are payable to the Bank in addition to the other fees already provided for herein and shall be collected directly from the Borrower's current account, on acceptance of this Offer or during their preparation for cessions of rank. Fees are also applicable for any changes that could be made to the security, including a reduction.

All fees charged to the Bank by Export Development Canada or any other such insurer to obtain any guarantee or suretyship regarding any credit described herein shall be payable by the Borrower and shall be collected directly from the Borrower's current account.

Monthly fees in the amount of \$300 shall be collected by the Bank to monitor financing conditions as previously noted in in section 1 above.

Whether or not the following proposed transaction is carried out or whether or not the financing is disbursed, the following costs, charges and expenses, if applicable, are payable by the Borrower, in addition to the other fees already provided for herein:

- (i) All the costs to prepare and register security documents required herein; and
- (ii) All the professional fees, charges and expenses (in particular, appraisal, audit, notary and lawyer fees) incurred under this Offer and other documents covered by these Terms and Conditions.

8.18 Collection, Use and Disclosure of Information

The Borrower, the guarantor(s), if applicable, and their representative(s) hereby authorize the Bank to use the necessary information pertaining to them which the Bank has or may have for the purpose of granting credit and insurance products (where permitted by law) and further authorize the Bank to disclose such information to its affiliates and subsidiaries for this same purpose. Moreover, they hereby authorize the Bank to obtain personal information pertaining to them from any party likely to have such information (financial intermediaries, depositaries, credit-reporting agencies, financial institutions, creditors, employers, professionals, tax authorities, public entities, persons with whom they have business relations, and Bank affiliates and subsidiaries) in order to verify the accuracy of all information provided to the Bank and to ensure the solvency of the Borrower, the guarantor(s), if applicable, and their representative(s).

8.19 Confidentiality

The Borrower shall not make any public announcements, and keep confidential any agreement or other documentation as well as any information or communication, written or verbal, between the Bank, any member of its group, any individual involved or any representative and any individual who is part of the Borrower, all regarding the transaction proposed herein and the reasons motivating it.

8.20 Demand Credit Facilities

Notwithstanding any provision to the contrary, the Borrower agrees and acknowledges that (i) the credit facilities payable on demand in this Offer constitute demand credits and, are therefore payable at any time at the Bank's sole discretion and (ii) the Bank may, at any time, before or after a request for reimbursement, terminate these credit facilities and stop making new advances, without delay or notice to the Borrower.

8.21 Invalidity of Any Provisions Herein

This Offer does not constitute an indivisible whole. Any decision by a court rendering any of the provisions hereof null or unenforceable shall in no way affect, invalidate or render unenforceable the other provisions hereof.

Neither the Bank nor the Borrower shall be obligated to extend a term loan at expiry, the Borrower could then repay the loan in full and the Bank could require payment of said loan.

8.3 Definitions

“Business day”: means any day, other than Saturday or Sunday, on which the offices of the Bank are open in the province identified in the last section herein titled “Governing Law.”

“Canadian Prime Rate”: means the annual floating interest rate announced publicly by the Bank from time to time and used to determine the interest rates applicable to commercial loans in Canadian dollars granted by the Bank in Canada.

“Excess generated funds”: means [net income + amortization +/- deferred income taxes for a given fiscal year] - [principal payments made during the given fiscal year].

“Floating rate”: means the interest rate applicable to floating-rate advances in Canadian or U.S. dollars, as applicable, made hereunder.

“Permitted Indebtedness”: means encumbrances on specific equipment of the Borrower permitted by the Bank for existing and future equipment loans and leases totaling not more than \$10,000,000 in aggregate and reducing on a dollar for dollar basis when the credits described herein are used to pay out Permitted Indebtedness;

“Rate offered”: means the annual interest rate determined from time to time by the Bank, for the term chosen by the Borrower, as being the fixed interest rate applicable to its commercial fixed-rate term loans granted by the Bank in Canada for the same term.

“U.S. Base Rate”: means the annual floating interest rate announced publicly by the Bank from time to time and used to determine the interest rates applicable to commercial loans in U.S. dollars granted by the Bank in Canada.

8.4 Calculation of Interest and Arrears

Unless otherwise stipulated herein or in any related document relating to this Offer, including without limitation, all demand and term notes, interest and arrears shall be calculated as follows:

8.4.1 Interest on any amount due hereunder shall be calculated daily and not in advance on the basis of a 365-day year. For the purposes of the Interest Act (Canada) in the case of a leap year, the annual interest rate corresponding to the interest calculated on the basis of a 365-day year is equal to the interest rate thus calculated multiplied by 366 and divided by 365;

8.4.2 Interest shall be payable on the 26th day of each month, with a minimum charge of \$10 per credit payable on demand. However, under no circumstances shall the interest payable (or any amount considered interest under the law) exceed the maximum interest amount permitted by law. As applicable, the interest amount will be reduced so as not to exceed this maximum; and

- 8.4.3** Any amount of principal, interest, commission, discount or of any other nature remaining unpaid at maturity shall bear interest at the rate of the credit concerned. The interest on arrears shall be compounded monthly and payable on demand.

8.5 **Records**

The Bank shall keep records evidencing the amounts payable under this financing, including but not limited to the principal repayment and interest payment conditions as well as applicable fees. Unless expressly indicated otherwise, the content of these records shall provide evidence as to the indebtedness to which they attest.

Converting advances or loans, during the term of credit or at expiry, based on the terms and conditions set out for the applicable credit, as well as any change in a credit name or number in the Bank's records shall not result in the novation of credits or the Borrower's indebtedness, regardless of the transaction entry or processing by the Bank's computer systems.

8.6 **Currency of Payments**

All amounts due by the Borrower hereunder shall be paid by the Borrower to the Bank in the currency of the relevant credit. Whenever an amount in Canadian dollars is to be converted into or expressed in U.S. dollars, or the equivalent in U.S. dollars (or inversely) must be determined, the Bank may calculate this conversion or equivalence in accordance with its normal practices.

8.7 **Credit Facility Overrun**

Should the indebtedness owing to the Bank under a credit facility hereof exceed the authorized credit amount hereunder and the Bank has not formally authorized this situation, the Borrower shall be required to repay the Bank, without further notice or demand, an amount equal to such excess amount. If, however, the Bank were to tolerate an amount in excess of the authorized credit facility, the Borrower hereby undertakes to pay the overlimit fees required at such time by the Bank, failing which the Borrower shall be required to repay such excess amount to the Bank.

8.8 **Additional Costs**

The Borrower undertakes to pay the Bank for the following costs, as determined by the Bank:

- 8.8.1** Should a statute, regulation, or administrative policy or order have the effect of increasing the costs of the credit facility for the Bank (namely as a result of the imposition of any reserves, taxes or capital adequacy requirements for the Bank), the Borrower shall pay this additional cost on demand; and
- 8.8.2** All taxes or additional costs that may arise from the application of any federal, provincial or municipal legislation.

8.9 **Payments and Debit to the Account(s)**

The Borrower irrevocably authorizes the Bank to debit periodically or from time to time any bank account it may maintain at the Bank in order to pay all or part of the amounts it may owe to the Bank hereunder. If the payment is payable on a non-business day, this payment may be made on the next business day and this delay shall be taken into consideration when calculating the interest.

8.10 **Set-off**

In addition to all its other rights, the Bank may offset any amount owing hereunder with any sum due by the Bank to the Borrower or a guarantor (including in accordance with any deposit made with the Bank), even if this sum is not due or is payable in another currency (in which case the Bank can convert this amount into the currency of the amount due to the Bank). To do any of the foregoing, the Bank may debit any account held by the Borrower or a guarantor with the Bank.

Without limiting the foregoing, the Borrower authorizes the Bank to establish every day, or at any other interval the Bank may determine, the position or net position, as applicable, of the Borrower's deposit account(s) with the Bank (the "Deposit Account"), and it is understood that:

- 8.10.1** If the position or net position of the Deposit Account represents a credit balance, the Bank may apply all or part of this credit to the repayment of the advances under any revolving credit made

available to the Borrower and shall debit the Deposit Account for the amount paid, rounded to the amount of the minimum repayment applicable to the relevant credit; and

- 8.10.2** If the position or net position of the Deposit Account represents a debit balance, the Bank shall grant an advance under any revolving credit made available to the Borrower to create a credit balance or a net credit balance in the Deposit Account and increase the advances for such revolving credit by an equivalent amount without however exceeding the authorized credit amount; the advance shall be rounded to the amount of the minimum disbursement applicable to the relevant credit, if applicable.

8.11 **Assignment**

The Borrower cannot assign its rights hereunder. The Bank may, however, assign or transfer all or part of its rights and obligations under this Offer (or grant participations), without notifying the Borrower or any guarantor.

8.12 **Presumption of Accuracy of Information**

All documents and information provided to the Bank by the Borrower, regardless of the medium (paper, electronic, verbal or other form) whether or not they are signed by one of the Borrower's representatives, shall be deemed by the Bank to be accurate and validly issued by the Borrower, without further formality. Moreover, the Bank shall not be held liable for any fees or delays which may be caused when an instruction is sent and which could be due to a technical problem attributable to the systems in use at the Bank.

8.13 **Final Agreement, Interpretation and Counterparts**

Once accepted and signed by the Borrower, this Offer of Financing shall constitute the final agreement between the parties, with the exception of any subsequent written amendments agreed upon by the parties, and it shall supersede any prior agreements, verbal or written, with respect to the financing solution described herein.

This Offer is made without novation to the credits already granted to the Borrower, if applicable, and without derogation to the rights, hypothecs, security, mortgages, guarantees, suretyships, remedies, recourses and priority ranking arising from any previous offer of financing and the security documents, and the other writings related thereto, which shall continue to secure all the terms, conditions and obligations of such credits, whether covered or not by this Offer.

In the event of inconsistency between this Offer and any other prior agreement relating to the credits described herein already granted in favour of the Borrower, the terms and conditions of this Offer shall prevail.

This Offer may be executed in any number of counterparts, each of which so executed shall be deemed to be an original, and all such counterparts taken together shall constitute one and the same document.

8.14 **Indemnification**

The Borrower and guarantor agree to indemnify and save harmless the Bank, its officers, administrators, employees and agents against all losses, liability, claims, damages and fees suffered or incurred by them, in any manner whatsoever, arising from or in connection with this offer (notably further to the Borrower's failure to abide comply with any applicable law or regulation, including failure to comply with fiscal law or regulation), except if these losses, liability, damages or fees result from the gross negligence or intentional fault of the Bank, its officers, administrators, employees or agents. This provision shall survive the cancellation of the security or full and final payment of any amount owing by the Borrower to the Bank.

8.15 **Liability**

When the term "Borrower" designates more than one person, each one shall be jointly and severally (Canada except Quebec) or solidarily (Quebec) liable for the obligations stipulated herein including, without limitation, those resulting from advances made by the Bank.

8.16 **Review**

The terms and conditions of the credits granted by the Bank to the Borrower hereunder are subject to periodic review, at the Bank's discretion.

8.17 Fees and Charges

An additional, Non-refundable application fee in the amount of \$5,000 shall be earned, due and payable by the Borrower and shall be collected directly from the Borrower's current account on acceptance of these Terms and Conditions if not paid by the Borrower separately prior to any initial advance.

In addition, non-refundable fees for preparing and maintaining the movable/personal property security plus fees for each cession of rank required, if applicable, are payable to the Bank in addition to the other fees already provided for herein and shall be collected directly from the Borrower's current account, on acceptance of this Offer or during their preparation for cessions of rank. Fees are also applicable for any changes that could be made to the security, including a reduction.

All fees charged to the Bank by Export Development Canada or any other such insurer to obtain any guarantee or suretyship regarding any credit described herein shall be payable by the Borrower and shall be collected directly from the Borrower's current account.

Monthly fees in the amount of \$300 shall be collected by the Bank to monitor financing conditions as previously noted in in section 1 above.

Whether or not the following proposed transaction is carried out or whether or not the financing is disbursed, the following costs, charges and expenses, if applicable, are payable by the Borrower, in addition to the other fees already provided for herein:

- (i) All the costs to prepare and register security documents required herein; and
- (ii) All the professional fees, charges and expenses (in particular, appraisal, audit, notary and lawyer fees) incurred under this Offer and other documents covered by these Terms and Conditions.

8.18 Collection, Use and Disclosure of Information

The Borrower, the guarantor(s), if applicable, and their representative(s) hereby authorize the Bank to use the necessary information pertaining to them which the Bank has or may have for the purpose of granting credit and insurance products (where permitted by law) and further authorize the Bank to disclose such information to its affiliates and subsidiaries for this same purpose. Moreover, they hereby authorize the Bank to obtain personal information pertaining to them from any party likely to have such information (financial intermediaries, depositaries, credit-reporting agencies, financial institutions, creditors, employers, professionals, tax authorities, public entities, persons with whom they have business relations, and Bank affiliates and subsidiaries) in order to verify the accuracy of all information provided to the Bank and to ensure the solvency of the Borrower, the guarantor(s), if applicable, and their representative(s).

8.19 Confidentiality

The Borrower shall not make any public announcements, and keep confidential any agreement or other documentation as well as any information or communication, written or verbal, between the Bank, any member of its group, any individual involved or any representative and any individual who is part of the Borrower, all regarding the transaction proposed herein and the reasons motivating it.

8.20 Demand Credit Facilities

Notwithstanding any provision to the contrary, the Borrower agrees and acknowledges that (i) the credit facilities payable on demand in this Offer constitute demand credits and, are therefore payable at any time at the Bank's sole discretion and (ii) the Bank may, at any time, before or after a request for reimbursement, terminate these credit facilities and stop making new advances, without delay or notice to the Borrower.

8.21 Invalidity of Any Provisions Herein

This Offer does not constitute an indivisible whole. Any decision by a court rendering any of the provisions hereof null or unenforceable shall in no way affect, invalidate or render unenforceable the other provisions hereof.

1.5 Real Property

- (a) With respect to (and only to) Real Property, the security granted hereby is constituted by way of floating charge, but will become a fixed charge upon the earlier of (i) the Obligations becoming immediately payable, and (ii) the occurrence of any other event which by operation of law would result in such floating charge becoming a fixed charge;
- (b) The security granted hereby will not extend to the last day of the term of any lease or agreement relating to Real Property, but the Debtor will hold such last day in trust for the Bank and, upon the enforcement by the Bank of its security, will assign such last day as directed by the Bank.

2. REPRESENTATIONS, WARRANTIES AND COVENANTS

2.1 Representations and Warranties

The Debtor hereby represents and warrants to the Bank that:

- (a) the principal residence, chief executive office and registered office of the Debtor (as applicable) are located at the addresses specified in Schedule A; for the purposes of the Ontario *Personal Property Security Act*, the Debtor is governed by the law of the jurisdiction specified in Schedule A, if applicable;
- (b) the Inventory and Equipment of the Debtor are located at the addresses specified in Schedule A, except for goods in transit or on lease or consignment; and
- (c) all motor vehicles, trailers, mobile or manufactured homes, aircraft, boats and outboard motors ("Serial Numbered Goods") in which the Debtor has rights and used as equipment are fully and accurately described in Schedule "A"; the Debtor will advise the Bank promptly, in writing, of any other Serial Numbered Goods that are held as Equipment and will provide the Bank with full and complete descriptions of such Serial Numbered Goods.

2.2 Covenants

The Debtor covenants with the Bank that the Debtor will:

- (a) not change the location of its principal residence, chief executive office, registered office or its governing law, or move any of the Inventory or Equipment from the locations specified in Schedule A hereto, without the written consent of the Bank;
- (b) not change its name without first giving written notice to the Bank of its proposed new name and, if the Debtor is a corporation, not amalgamate with any other corporation without the prior written consent of the Bank;
- (c) preserve the value of the Collateral, and carry on its business in compliance with all applicable laws and regulations;
- (d) not permit any Collateral consisting of personal property to be affixed to real property or to other personal property so as to become a fixture or accession without the written consent of the Bank;
- (e) keep the Collateral free and clear of all liens, security interests, mortgages, charges, assignments and other encumbrances or interests except as permitted in writing by the Bank;

- (f) pay all taxes, levies, assessments and government fees or dues payable in respect of the Collateral as and when the same become due, and furnish to the Bank, when requested, evidence of such payment;
- (g) whenever requested by the Bank, furnish to the Bank in writing all information requested relating to the Collateral, and the Bank will be entitled from time to time to inspect the Collateral and make copies of all information relating to the Collateral and for such purposes the Bank will have access to all premises occupied by the Debtor or where the Collateral may be found;
- (h) ensure that the security granted hereby is at all times fully enforceable and perfected in respect of any Collateral; and
- (i) pay to the Bank forthwith upon demand all costs, fees and expenses (including, without limitation, all legal, receiver, consulting and accounting fees and expenses) incurred or charged by the Bank in connection with the preparation, perfection, administration and discharge of this Agreement and the preservation and exercise of the rights, powers and remedies of the Bank; and all such costs, fees and expenses will bear interest at the highest rate borne by any of the Obligations and will form part of the Obligations.

2.3 Schedule A

Each schedule referred to in this Agreement and attached hereto shall form part of this Agreement. Any subsequent modifications to a schedule will be deemed to replace and supersede the earlier version and form part of this Agreement.

3. INSURANCE

3.1 Insurance Covenant

The Debtor must obtain and maintain, at its own expense, insurance against loss or damage to the Collateral including, without limitation, loss by fire, theft, collision and such other risks as are customarily insured against for each type of Collateral, in an amount not less than the full insurable value thereof, with such insurers as are reasonably satisfactory to the Bank.

3.2 Bank loss payee

All insurance policies must name the Bank as an additional insured and loss payee and must provide that the insurer will give the Bank at least 15 days written notice of intended cancellation or non-renewal. At the Bank's request, the Debtor must furnish the Bank with evidence satisfactory to the Bank that the required insurance coverage is in effect. The Debtor must forthwith give the Bank notice of any loss or damage to the Collateral.

4. DEALING WITH COLLATERAL

4.1 Disposition of Collateral by the Debtor

The Debtor must not sell, lease or otherwise dispose of any of the Collateral without the prior written consent of the Bank, except that the Debtor may, until an Event of Default occurs hereunder, dispose of Inventory in the ordinary course of its business, but all proceeds of any such disposition will continue to be subject to the security granted hereby and Section 4.4 below will apply to all such proceeds received by the Debtor.

4.2 Notification of Account Debtors

The Bank may at any time (i) give notice of this Agreement and the security granted hereby to any account debtor of the Debtor or to any other person liable to the Debtor and (ii) give notice to any such account debtor or other person to make all further payments to the Bank. Any payment or other proceeds of Collateral received by the Debtor from account debtors or from any other person liable to the Debtor, whether before or after any notice is given by the Bank will continue to be subject to the security granted hereby and Section 4.4 below will apply to all such proceeds.

4.3 Securities

The Bank may have any Securities registered in its name or in the name of its nominee and will be entitled, but not required, to exercise any of the rights that any holder of such Securities may at any time have. However, until an Event of Default occurs, the Debtor will be entitled to exercise, in a manner not prejudicial to the interests of the Bank or which would not violate this Agreement, all voting power from time to time exercisable in respect of the Securities. The Bank will not be responsible for any loss occasioned by its exercise of any of such rights. Before or after an Event of Default occurs

hereunder, the Debtor must deliver forthwith to the Bank those Securities requested by the Bank duly endorsed for transfer.

4.4 Proceeds held in Trust for the Bank

All proceeds received by the Debtor from the collection or disposition of Collateral or otherwise will be received by the Debtor as trustee for the Bank, must be held separate and apart from other property and must be paid over to the Bank upon request.

4.5 Application of Funds

All sums collected or received by the Bank in respect of the Collateral may be applied to such parts of the Obligations as the Bank in its sole discretion determines, or may be held unappropriated in a collateral account, or in the discretion of the Bank may be released to the Debtor, all without prejudice to the Bank's rights against the Debtor.

4.6 Collateral held by the Bank

In the holding of any Collateral, the Bank and any agent on its behalf is only bound to exercise the same degree of care as it would exercise with respect to similar property of its own of similar value held in the same place. The Bank and any agent on its behalf will be deemed to have exercised reasonable care with respect to the custody and preservation of the Collateral if it takes such action for that purpose as the Debtor reasonably requests in writing, but failure of the Bank or its agent to comply with any such request will not of itself be deemed a failure to exercise reasonable care.

5. DEFAULT AND REMEDIES

5.1 Events of Default

The Debtor will be in default under this Agreement upon the occurrence of any of the following events (herein referred to as an "Event of Default"):

- (a) the Debtor does not pay to the Bank when payable any sum owing under the Obligations;
- (b) the Debtor does not perform any of its covenants or obligations under this Agreement;
- (c) any representation or warranty made by the Debtor herein or in any document provided at any time to the Bank in connection with this Agreement is incorrect or misleading in any material respect;
- (d) the Debtor is in default under any other agreement with the Bank;
- (e) the Debtor ceases or threatens to cease to carry on the business currently being carried on by it or a substantial portion thereof;
- (f) the Debtor is insolvent;
- (g) the commencement of any proceeding or the taking of any step by or against the Debtor (i) for the bankruptcy, reorganization, liquidation, dissolution or winding-up of the Debtor, (ii) for an arrangement or compromise with its creditors, or (iii) for the appointment of a trustee, receiver, custodian, liquidator or any other person with similar powers with respect to the Debtor or any part of the Collateral;
- (h) the Collateral or any part thereof is seized or otherwise attached or is subject to a taking of possession by anyone and the same is not released or discharged within the shorter of a period of (i) 30 days and (ii) 10 days less than such period as would permit such property to be sold pursuant thereto; or
- (i) the Bank believes in good faith that the prospect of payment or performance of any of the Obligations is impaired or that the Collateral is in danger of being lost, damaged or confiscated, or of being encumbered by the Debtor or seized or otherwise attached.

5.2 Consequences of a Default

On or after the occurrence of any Event of Default, at the option of the Bank, (i) any or all of the Obligations not yet payable will become immediately payable, without notice; (ii) the obligation, if any, of the Bank to extend further credit to the Debtor will cease; and (iii) the security granted hereby will become immediately enforceable.

5.3 Remedies

In addition to any right or remedy otherwise provided herein or by law, on or after the occurrence of any Event of Default, the Bank will have the rights and remedies set out below, all of which may be enforced successively or concurrently:

- (a) the Bank may take possession of the Collateral and require the Debtor to assemble the Collateral and deliver or make the Collateral available to the Bank at such places as may be specified by the Bank;
- (b) the Bank may take such steps as it considers desirable to maintain, preserve or protect the Collateral;
- (c) the Bank may carry on all or any part of the business of the Debtor;
- (d) the Bank may enforce any rights of the Debtor in respect of the Collateral;
- (e) the Bank may sell, lease or otherwise dispose of the Collateral at public auction, by private tender, by private sale or otherwise either for cash or upon credit, upon such terms and conditions as the Bank may determine and without notice to the Debtor unless required by law;
- (f) the Bank may accept the Collateral in total or partial satisfaction of the Obligations in the manner provided by law;
- (g) the Bank may, for any purpose specified herein, borrow money on the security of the Collateral, which security will rank in priority to the security granted hereby;
- (h) the Bank may occupy and use all or any of the premises, buildings and plants occupied by the Debtor and use all or any of the Equipment and other property of the Debtor for such time as the Bank requires to facilitate the realization of the Collateral, free of charge; the Bank will not be liable for any rent, charges, depreciation or damages in connection with such actions; or
- (i) the Bank may appoint a receiver or receiver and manager (each herein referred to as the "Receiver") of the whole or any part of the Collateral and may remove or replace such Receiver from time to time or may institute proceedings in any court of competent jurisdiction for the appointment of a Receiver of the Collateral.

5.4 Powers of the Receiver

Any Receiver will have all of the rights and powers that the Bank is entitled to exercise pursuant to Section 5.3, but the Bank will not be in any way responsible for any misconduct or negligence of any such Receiver.

5.5 Liability of Bank

The Bank will not be liable or responsible for any failure to seize, collect, realize, or obtain payment with respect to the Collateral and is not bound to institute proceedings or to take other steps for the purpose of seizing, collecting, realizing or obtaining possession or payment with respect to the Collateral or for the purpose of preserving any rights of the Bank, the Debtor or any other person in respect of the Collateral. This Agreement and the security granted hereby will not render the Bank liable to observe or perform any covenant or obligation of the Debtor in any agreement or document to which the Debtor is a party or by which it is bound. In the exercise of its rights and the performance of its obligations, the Bank will only be liable for gross negligence or wilful misconduct.

5.6 Proceeds of Realization

The Bank may apply any proceeds of realization of the Collateral to payment of costs, fees and expenses mentioned in Section 2.2(i), including those related to the realization of the Collateral, and the Bank may apply any balance to payment of all other Obligations in such order as the Bank sees fit. If there is any surplus remaining, the Bank may pay it to any person entitled thereto by law of whom the Bank has knowledge and any balance remaining may be paid to the Debtor. If the realization of the Collateral fails to satisfy the Obligations, the Debtor will be liable to pay any deficiency to the Bank.

6. GENERAL

6.1 Failure of Debtor to Perform

If the Debtor fails to perform any of its covenants or obligations under this Agreement, the Bank may, in its absolute discretion, but without being required to do so, perform any such covenant or obligation. If any such covenant or obligation requires the payment of monies, the Bank may make such payment. All sums so paid by the Bank will be payable by the Debtor to the Bank and, for greater certainty, Section 2.2(i) will apply to such sums. No such performance or payment will relieve the Debtor from any default under this Agreement or any consequences of such default.

6.2 Power of Attorney

The Debtor hereby irrevocably appoints the Bank to be the attorney of the Debtor for and in the name of the Debtor to do all things and execute and deliver, documents, financing statements, demands and assignments which the Debtor is obliged to do or execute or deliver hereunder and generally to act in the name of the Debtor in the exercise of any of the powers hereby conferred on the Bank.

6.3 Appointment of Consultant

The Bank will be entitled to appoint a consultant to provide such services and advice as the Bank may determine in its sole discretion, with power to enter the Debtor's premises, to inspect and evaluate the Collateral, to make copies of the Debtor's records, to review the Debtor's business plans and projections, to assess the conduct and viability of the Debtor's business, to prepare reports on the Debtor's affairs and to distribute such reports to the Bank or to other such persons as the Bank may direct. Such consultant will act as an agent for the Bank and will owe no duty to the Debtor. The consultant is to have no managerial or advisory capacity and will have no decision making responsibility. The Debtor authorizes the Bank to provide confidential information to the consultant. All fees and expenses in connection with the engagement of a consultant are payable by the Debtor to the Bank and, for greater certainty, Section 2.2(i) will apply to such fees and expenses.

6.4 Waivers by Debtor

The Bank may (i) grant extensions of time, (ii) take and perfect or abstain from taking and perfecting security, (iii) give up any security, (iv) accept compositions or compromises, (v) grant releases and discharges, and (vi) otherwise waive rights against the Debtor, debtors of the Debtor, guarantors and others and with respect to the Collateral and other security as the Bank sees fit. No such action or omission will reduce the Obligations or affect the Bank's rights hereunder.

6.5 Waivers of Legal Limitations

To the fullest extent permitted by law, the Debtor waives all of the rights, benefits and protections given by the provisions of any law which imposes limitations upon the powers, rights or remedies of a secured party, including any law which limits the rights of a secured party to both seize collateral and sue for any deficiency following realization of collateral. Without limitation, the Debtor (if a corporation) agrees that the *Limitation of Civil Rights Act* and Part IV of the *Saskatchewan Farm Securities Act* of the Province of Saskatchewan will not apply to this Agreement or any of the rights, remedies or powers of the Bank or any Receiver hereunder.

6.6 Copy of Documents and Consent to Filings

The Debtor acknowledges having received a copy of this Agreement and waives all rights to receive from the Bank a copy of any financing statement, financing change statement, or verification statement, filed or issued at any time in respect of this Agreement. The Debtor confirms its consent to the filing by the Bank or on its behalf of any such financing statement or financing change statement.

6.7 Notices

Any notice to be given to a party in connection with this Agreement will be given in writing and will be given by personal delivery, by registered mail or by electronic means, addressed to the recipient at its address specified at the end of this Agreement or such other address as may be notified by any party to the other.

6.8 Additional Security and Other Remedies

This Agreement and the security granted hereby are in addition to and not in substitution for any other security or right now or hereafter held by the Bank. This Agreement is a continuing agreement and security that will remain in full force and effect until discharged by the Bank. The Bank may sue the Debtor and enforce all of its other rights and remedies in respect of the Obligations without being required to exercise or exhaust any of its rights and remedies hereunder.

6.9 Further Assurances

The Debtor must at its expense do all things and execute and deliver all such financing statements, further assignments and documents as may be reasonably requested by the Bank for the purpose of giving effect to this Agreement and establishing compliance with the obligations of the Debtor hereunder.

6.10 Discharge

The Debtor will be entitled to a discharge of this Agreement upon written request by the Debtor and full payment, performance and satisfaction of the Obligations. No discharge will be effective unless in writing and executed by the Bank.

6.11 Severability

If any provision of this Agreement were to be found invalid or unenforceable, the remaining terms and provisions of this Agreement will remain in full force and effect.

6.12 Governing Law

This Agreement will be governed by and construed in accordance with the laws of the province in which the office of the Bank specified below is located, except that if such office is located in the province of Quebec, then this Agreement will be governed by and construed in accordance with the laws of the province of Ontario.

IN WITNESS WHEREOF the parties have executed this Agreement.

Attention: Mr. Robert Stewart and Dean Eastman

Dear Sirs:

Re: Secured Credit Facilities granted by National Bank of Canada to R.D.E. Ventures Inc.

DEMAND AND NOTICE OF INTENTION TO ENFORCE

We are counsel to National Bank of Canada (“NBC”) in connection with the secured credit facilities (the “**Credit Facilities**”) NBC has granted to R.D.E. Ventures Inc. (the “**Debtor**”) pursuant to an amended and restated offer of financing, dated November 5, 2018, between NBC, as lender, the Debtor, as borrower, Aable Surfaces Inc., R.D.E. Inc. (o/a Terrateam Equipment), Frontline Civil Holdings Inc., and R.D.E. Transport Inc. (collectively, the “**Guarantors**”), as guarantors, as subsequently amended pursuant to: (i) an amendment to offer of financing, dated December 24, 2018; and, (ii) an amendment to offer of financing, dated April 3, 2019, as may be subsequently amended, supplemented, and restated from time to time (collectively referred to as, the “**Offer of Financing**”).

Reference is also made to the General Security Agreement, dated August 21, 2018 (the “**Debtor GSA**”), granted by the Debtor to and in favour of NBC.

As of July 9, 2019, pursuant to the Offer of Financing the Debtor is indebted to NBC in the following amounts:

<u>Credit Facility</u>	<u>Indebtedness</u>
Facility A – Demand Revolving Operating Credit	\$2,988,150.00
Facility B – Seasonal Demand Revolving Operating Credit	\$4,000,000.00
Facility C – Revolving Equipment Credit	\$3,911,529.05
Overdraft on bank account	\$152,473.27
Global Net Risk Line for Foreign Exchange Transactions and Derivatives	\$0
MasterCard	\$0

Electronic Funds Transfer Settlement Risk	\$0
TOTAL INDEBTEDNESS	\$11,052,152.32

(collectively, the "**Indebtedness**").

The Indebtedness continues to accrue interest in an approximate total *per diem* rate of \$1478.16. The per diem on the overdraft is \$87.72.

Pursuant to the Offer of Financing, the Debtor has: (i) failed to repay, in full, all amounts due and owing under the Demand Revolving Operating Credit facility on or before April 30, 2019, as required pursuant to Section 1.1.1 of the Offer of Financing; (ii) failed to repay, in full, all amounts due and owing under the Seasonal Demand Revolving Operating Credit facility on or before March 31, 2019, as required pursuant to Section 1.2.1 of the Offer of Financing; and, (iii) failed to provide audited consolidated annual financial statements within 150 days of the end of the Debtor's 2018 fiscal year, as required pursuant to Section 6.1.1.1 of the Offer of Financing (collectively, the "**Defaults**").

Further to the Defaults and in accordance with the demand nature of the Credit Facilities, on behalf of NBC, we hereby demand repayment of all Indebtedness plus any and all interest, standby fees, costs, and expenses, which continue to accrue in accordance with the terms and conditions of the Offer of Financing and the Debtor GSA. Please contact us on the date repayment is to be made and we shall provide the then outstanding balance inclusive of professional fees and costs.

In addition to the aforementioned, we hereby provide notice that all availability under the Offer of Financing and the Credit Facilities is hereby terminated.

If full payment, as set forth above, is not made within ten (10) days from the date hereof, NBC will take whatever steps it deems necessary or appropriate to secure payment of all amounts outstanding. To this end, we enclose for service upon the Debtor, a Notice of Intention to Enforce Security in accordance with Section 244(1) of the *Bankruptcy and Insolvency Act*. NBC kindly requests that the Debtor consider providing their consent to NBC enforcing its security prior to the expiration of the statutorily mandated ten (10) day period and that if the Debtor determines it advisable to provide such consent, NBC kindly requests that the Debtor endorse the consent attached to the Debtor's Notice of Intention to Enforce Security, enclosed therein.

Additionally, reference is also made to the following guarantees:

1. Guarantee, dated August 21, 2018, granted by Aable Surfaces Inc. to and in favour of NBC;
2. Guarantee, dated August 21, 2018, granted by Frontline Civil Holdings Inc. to and in favour of NBC;
3. Guarantee, dated August 21, 2018, granted by R.D.E. Inc. to and in favour of NBC; and,
4. Guarantee, dated August 21, 2018, granted by R.D.E. Transport Inc. to and in favour of NBC,

(collectively, the "**Guarantees**").

By way of copy of this letter to the Guarantors, NBC hereby demands that the Guarantors perform their obligations, as set out under the Guarantees, within the time stipulated for repayment by the Debtor, as set out herein.

As it pertains to the Guarantors, reference is also made to the following security agreements:

1. General Security Agreement, dated August 21, 2018, granted by Able Surfaces Inc. to and in favour of NBC;
2. General Security Agreement, dated August 21, 2018, granted by Frontline Civil Holdings Inc. to and in favour of NBC;
3. General Security Agreement, dated August 21, 2018, granted by R.D.E. Inc. to and in favour of NBC; and,
4. General Security Agreement, dated August 21, 2018, granted by R.D.E. Transport Inc. to and in favour of NBC,

(collectively, the "**Guarantor GSAs**").

Also enclosed herein, for service upon the Guarantors, are NBC's Notices of Intention to Enforce Security in accordance with Section 244(1) of the *Bankruptcy and Insolvency Act*. NBC kindly requests that each of the Guarantors consider providing their consent to NBC enforcing its security prior to the expiration of the statutorily mandated ten (10) day period and that if the Guarantors determine it advisable to provide such consent, NBC kindly requests that the Guarantors endorse the consent attached to their respective Notice of Intention to Enforce Security, all as enclosed therein.

NBC expressly reserves any and all of its rights and remedies as against the Debtor and the Guarantors in connection with the Indebtedness and all further amounts that may become due and owing to NBC. Good afternoon,

I've been directed by Rob and Dean to communicate the company's intention to file a Notice of Intention to Make a Proposal.

This decision to file resulted from the demand letter dated July 9, 2019 sent to the company.

The company remains open to other options should those options provide better assurance for the continuity of the company as it proceeds towards a business transaction. That being said, the company feels this is the best way to provide for continuity in the near term and is in the best interests of all stakeholders.

If you have any questions regarding this decision, please feel free to call.

Sean,

As per our discussions here is the information I gathered on the bank account:

FI: Royal Bank of Canada

Deposit amount: \$422,883

Payments made

Payroll: \$232,000

Materials: \$110,000 (gravel supplier)

Retainer: \$40,000 (TBGI)

Misc expenses for supplies: \$15,000

I have requested the online statement and they are just getting online access. As soon as I have it I will send to you - I have told them I expect this ASAP. The Company (Dean) has also confirmed there are no other deposits and they will inform me before hand if they are going to receive one.

If you need to discuss with me please give me a call. I understand the deposit came in on Wednesday or Thursday of last week but will confirm as soon as I have the statement.

I am just working on their options and discussions with the key customers as well as finalizing some numbers for costs to complete and the cash flows. I will update you and call to discuss when we have that info completed.

Trustee's Report on Cash-Flow Statement
 (Paragraphs 50(6)(b) and 50.4(2)(b) of the Act)

In the matter of the proposal of
 R.D.E. VENTURES INC.
 of the City of SPRUCE GROVE, in the Province of Alberta

The attached statement of projected cash flow of R.D.E. VENTURES INC., as of the 29th day of July 2019, consisting of a statement of projected receipts and disbursements for the period of July 20, 2019 to September 29, 2019, has been prepared by the management of the insolvent person (or the insolvent debtor) for the purpose described in the notes attached, using the probable and hypothetical assumptions set out in the notes attached.

Our review consisted of inquiries, analytical procedures and discussion related to information supplied to us by: the management and employees of the insolvent person or the insolvent person. Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the projection. We have also reviewed the support provided by: management or the insolvent person for the probable assumptions and preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects,

- (a) the hypothetical assumptions are not consistent with the purpose of the projection;
- (b) as at the date of this report, the probable assumptions developed are not suitably supported and consistent with the plans of the insolvent person or do not provide a reasonable basis for the projection, given the hypothetical assumptions; or
- (c) the projection does not reflect the probable and hypothetical assumptions.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.

The projection has been prepared solely for the purpose described in the notes attached, and readers are cautioned that it may not be appropriate for other purposes.

TABLE OF CONTENTS

BACKGROUND TO THESE PROCEEDINGS.....	3
CASH FLOW.....	3
MATERIAL ADVERSE CHANGE.....	4

BACKGROUND TO THESE PROCEEDINGS

1. On July 19, 2019 Frontline Civil Holdings Inc. (the “Company” or “Frontline”) filed a Notice of Intention to Make a Proposal (“NOI”) pursuant to Section 50.4(1) of the *Bankruptcy and Insolvency Act*. The Bowra Group Inc. consented to act as Licensed Insolvency Trustee (the “Trustee”) in these proceedings.
2. Frontline is a civil construction company operating in Alberta and British Columbia. The Company has contracts with various parties, including CN Rail. Most of the contracts have performance bonds, as well as, labor and material bonds through Trisura Guarantee Insurance Company (“Trisura”).
3. R.D.E. Ventures Inc. (“RDE”), a related company, also filed an NOI on July 19, 2019. The Bowra Group Inc. consented to act as Licensed Insolvency Trustee. Frontline is a subsidiary of RDE.
4. Frontline found themselves in financial difficulty when required financing did not materialize at the beginning of 2019 and, as a result, Frontline could not support the working capital needed under their ongoing contracts

CASH FLOW

5. As required, on July 29, 2019 Frontline filed with the Trustee and the Office of the Superintendent of Bankruptcy (the “OSB”) a cash flow for the period of July 19, 2019 to September 29, 2019. The cash flow contemplated the following:
 - i. Financing through a third party would be obtained to fund the short-term obligations of Frontline, until sufficient receivables were collected;
 - ii. Receivables, primarily from the CN Rail contract, would continue to be collected in the normal course of operations;
 - iii. The receivables would be used to fund the remaining costs to complete the contracts, which were scheduled to be completed by September 29, 2019; and,
 - iv. Post filing obligations for Canada Revenue Agency including source deductions would be kept current.

6. Frontline was in negotiations with a third party to provide short term funding for working capital. However, Frontline was not able to negotiate appropriate terms that would provide the funding required.
7. As of August 6, 2019, CN Rail has locked Frontline out of the job sites for non-compliance with Worksafe BC and the Workers Compensation Board of Alberta. The non-compliance is a result of the lack of payment to each party.
8. In addition, CN Rail has ceased making payments to Frontline. This was a result of receiving a letter from Trisura directing them not to pay Frontline for past and future work due to the potential bonding liabilities.
9. With lack of funding receivable collections, it is unlikely RDE will be able to make a viable proposal to its creditors.

MATERIAL ADVERSE CHANGE

10. This report has been filed pursuant to section 50.4(7)(b) of the BIA as a result of the Trustee ascertaining that a material adverse change in the insolvent person's projected cash flow and financial circumstances occurred.
11. As a result of Frontline not obtaining adequate short-term funding for working capital and their inability to collect ongoing receivables the Trustee is of the opinion that this represents a material adverse change in Frontline's cash flow and financial circumstances which:
 - i. Significantly impairs Frontline's financial circumstances;
 - ii. Significantly impairs Frontline's ability to carry on operations;
 - iii. Significantly impairs the likelihood of a success of a proposal; and,
 - iv. May prejudice the rights and interests of one or more classes of creditors.

All of which is respectfully submitted this 8th day of August 2019.

TABLE OF CONTENTS

BACKGROUND TO THESE PROCEEDINGS.....	3
CASH FLOW.....	3
MATERIAL ADVERSE CHANGE.....	4

BACKGROUND TO THESE PROCEEDINGS

1. On July 19, 2019 R.D.E Ventures Inc. (the “Company” or “RDE”) filed a Notice of Intention to Make a Proposal (“NOI”) pursuant to Section 50.4(1) of the *Bankruptcy and Insolvency Act*. The Bowra Group Inc. consented to act as Licensed Insolvency Trustee (the “Trustee”) in these proceedings.
2. RDE is an equipment rental company operating in Alberta and British Columbia. The Company rents equipment to various subsidiary companies including Frontline Civil Holdings Inc. (“Frontline”).
3. Frontline, a related company, also filed an NOI on July 19, 2019. The Bowra Group Inc. consented to act as Licensed Insolvency Trustee. The majority of RDE’s revenue is generated from Frontline.
4. A significant amount of the equipment that RDE rents is financed through various lessors and to continue operations RDE is required to make monthly payments to those lessors.
5. RDE found themselves in financial difficulty when required financing did not materialize at the beginning of 2019 and, as a result, Frontline could not support the working capital needed under its ongoing contracts. This prevented RDE from generating enough working capital for its own operating needs.

CASH FLOW

6. As required, on July 29, 2019 RDE filed with the Trustee and the Office of the Superintendent of Bankruptcy (the “OSB”) a cash flow for the period of July 19, 2019 to September 29, 2019. The cash flow contemplated the following:
 - i. Receipts from Frontline sufficient to pay the ongoing operating costs of RDE; and,
 - ii. Post filing obligations for Canada Revenue Agency including source deductions would be kept current.
7. Frontline has been unable to continue their operations that would allow for the required payments to RDE.

8. With lack of funding receivable collections, it is unlikely RDE will be able to make a viable proposal to its creditors.

MATERIAL ADVERSE CHANGE

9. This report has been filed pursuant to section 50.4(7)(b) of the BIA as a result of the Trustee ascertaining that a material adverse change in the insolvent person's projected cash flow and financial circumstances occurred.
10. As a result of RDE not collecting the required receipts from Frontline the Trustee is of the opinion that this represents a material adverse change in RDE's cash flow and financial circumstances which:
 - i. Significantly impairs RDE's financial circumstances;
 - ii. Significantly impairs RDE's ability to carry on operations;
 - iii. Significantly impairs the likelihood of a success of a proposal; and,
 - iv. May prejudice the rights and interests of one or more classes of creditors.

All of which is respectfully submitted this 8th day of August 2019.
