To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

B. Jurisdiction, Venue, Core Proceeding (28 U.S.C. §§ 157(b)(2), 1334(a)).
The Court has jurisdiction over the Debtors' Chapter 11 Cases pursuant to 28 U.S.C. §§ 157 and 1334, and the *Amended Standing Order of Reference from the United States District Court for the District of Delaware* dated February 29, 2012. Pursuant to Section 12.3(a) of the Plan, after the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Allowed Claims pursuant to the Plan, subject to any applicable consent or approval rights, the Debtors may remedy any defect or omission or reconcile any inconsistencies in the Plan or this Order with respect to such matters as may be necessary to carry out the purposes or effects of the Plan, and any holder of a Claim or Interest that has accepted the Third Amended Plan shall be deemed to have accepted the Plan as further amended, modified, or supplemented.

K. Solicitation Procedures Order. On January 5, 2018, the Court entered the Solicitation Procedures Order, which, among other things, approved the Disclosure Statement as

containing “adequate information” within the meaning of section 1125 of the Bankruptcy Code, authorized the Debtors to solicit acceptances and rejections of the Plan, and established February 6, 2018 at 4:00 p.m. (ET) as the deadline to vote to accept or reject the Plan (the “**Voting Deadline**”). On February 3, 2018, the Debtors extended the Voting Deadline to February 9, 2018 at 4:00 p.m. (ET) as set forth in the *Notice of Extension of Voting Deadline to Accept or Reject Plan to February 9, 2018 at 4:00 P.M. (ET)* [Docket No. 1907]. On February 8, 2018, the Debtors further extended the Voting Deadline to February 12, 2018 at 5:00 p.m. (ET) as set forth in the *Notice of Further Extension of Voting Deadline to Accept or Reject Plan to February 12, 2018 at 5:00 P.M. (ET)* [Docket No. 1907]. On February 11, 2018, the Debtors further extended the Voting Deadline to February 14, 2018 at 8:00 p.m. (ET) as set forth in the *Notice of Adjourned Hearing to Consider Confirmation of Plan and Further Extension of Voting Deadline* [Docket No. 2018], which deadline was further extended to 9:00 p.m. (ET) by notice posted on the website maintained by the Solicitation Agent.

L. Solicitation. The Solicitation Packages were transmitted and served in compliance with the Bankruptcy Rules, including Bankruptcy Rules 3017 and 3018, the Local Rules of Bankruptcy Practice and Procedure for the United States Bankruptcy Court for the District of Delaware (the “**Local Rules**”), and the Solicitation Procedures Order. The forms of the Ballots adequately addressed the particular needs of these Chapter 11 Cases and were appropriate for the holders of Claims in Class 3 (Mexico Class Action Claims and Mexico Labor Claims), Class 4 (OEM Unsecured Claims), Class 5 (PSAN PI/WD Claims), Class 6 (Other General Unsecured Claims), and Class 7 (Other PI/WD Claims) – the Classes of Claims entitled to vote to accept or reject the Plan (the “**Voting Classes**”). The period during which the Debtors solicited votes on the Plan was a reasonable period of time for the holders of Claims in the

Voting Classes to make an informed decision to accept or reject the Plan. The Debtors were not required to solicit votes from the holders of Claims in Class 1 (Other Secured Claims) and Class 2 (Other Priority Claims) as each such Class is Unimpaired under the Plan and is conclusively presumed to have accepted the Plan under section 1126(f) of the Bankruptcy Code. The Debtors were not required to solicit votes from the holders of Claims or Interests in Class 8 (Intercompany Interests) and Class 9 (Subordinated Claims) as such holders are not entitled to receive a distribution under the Plan on account of their Claims or Interests, and, thus, pursuant to section 1126(g) of the Bankruptcy Code, the holders are deemed to reject the Plan. As described in and as evidenced by the Voting Certification and the Affidavit of Service, the transmittal and service of the Solicitation Packages was timely, adequate, and sufficient under the circumstances. The solicitation of votes on the Plan complied with the Solicitation Procedures, was appropriate and satisfactory based upon the circumstances of the Chapter 11 Cases, was conducted in good faith, and was in compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable rules, laws, and regulations.

M. Notice. The transmittal and service of the Solicitation Packages were adequate and sufficient under the circumstances, and all parties required to be given notice of the Confirmation Hearing (including the deadline for filing and serving objections to confirmation of the Plan) have been given due, proper, timely, and adequate notice in accordance with the Solicitation Procedures Order and in compliance with the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and applicable non-bankruptcy law and such parties have had an opportunity to appear and be heard with respect thereto. No other or further notice is required.

N. Voting. Votes to accept or reject the Third Amended Plan have been solicited and tabulated fairly, in good faith, and in a manner consistent with the Solicitation Procedures Order, the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and applicable non-bankruptcy law.

O. Plan Supplement. On January 23, 2018, the Debtors filed the Initial Plan Supplement, containing the following documents: (i) updated Post-Closing Date structure for Reorganized Takata, Warehousing Entity, and TK Global LLC, (ii) list of material definitive documents relating to Restructuring Transactions, (iii) schedule of Allowed OEM Claims of Consenting OEMs, (iv) Indemnity Agreement, (v) TK Global Operating Agreement, (vi) Plan Administrator Agreement, (vii) Plan Administrator qualifications, (viii) Transition Services Agreement, (ix) Shared Services Agreement, (x) Reorganized TK Holdings Organizational Documents, (xi) Reorganized TK Holdings Trust Agreement, (xii) Schedule of Causes of Action (including Avoidance Actions) not Acquired by the Plan Sponsor or Waived Pursuant to Section 10.11 of the Plan, (xiii) PSAN PI/WD Trust Agreement, (xiv) PSAN PI/WD TDP, (xv) Participating OEM Contribution Agreement, (xvi) Claims Estimation Report, (xvii) Other PI/WD Claims Analysis, and (xviii) the identities of the Legacy Trustee, the OEM Claims Administrator, the initial PSAN PI/WD Trustee, the initial members of the PSAN PI/WD Trust Advisory Committee, and the initial members of the PSAN PI/WD OEM Advisory Committee. On February 11, 2018, the Debtors filed the First Amended Plan Supplement, containing a revised version of the PSAN PI/WD TDP. On February 16, 2018, the Debtors filed the Second Amended Plan Supplement, containing a revised version of the PSAN PI/WD Trust Agreement and a revised version of the Participating OEM Contribution Agreement. All such materials comply with the terms of the Plan, and the filing and notice of such documents, including the

notice of filing of the Plan Supplement, is good and proper in accordance with the Bankruptcy Code, the Bankruptcy Rules, and all other applicable rules, laws, and regulations, and no other or further notice is or shall be required. All documents included in the Plan Supplement are integral to, part of, and incorporated by reference into the Plan. Subject to the terms of the Plan, the Debtors reserve all rights to, and, to the extent required by the Settlement Term Sheets, shall, alter, amend, update, or modify the Plan Supplement before the Effective Date subject to compliance with the Bankruptcy Code and the Bankruptcy Rules, provided that no such alteration, amendment, update, or modification shall be inconsistent with the terms of this Order or the Plan.

P. State Governmental Claims. All Claims against the Debtors arising out of or related to (a) the complaint filed by the State of Hawai'i ("*Hawai'i*"), by its Office of Consumer Protection, in Hawai'i state court (the "*Hawai'i Proceeding*"), asserting Causes of Action for unfair or deceptive acts or practices pursuant to Hawai'i Revised Statute chapters 480 and 487 and applicable Hawai'i common law and seeking a permanent injunction barring the Debtors "from engaging in their unfair and deceptive conduct," civil penalties per violation in accordance with H.R.S. §§ 480-15, restitution and disgorgement (collectively with any similar or related Claims asserted by Hawai'i in any proof of claim filed in these Chapter 11 Cases, the "*Hawai'i Claim*"); (b) the complaint filed by the Government of the United States Virgin Islands ("*USVI*") in USVI state court (the "*USVI Proceeding*") asserting Causes of Action under certain USVI consumer protection laws, the USVI Criminally Influenced and Corrupt Organizations Act (14 V.I.C. §§600-14), the USVI Consumer Fraud & Deceptive Business Practices Act (12A V.I.C. §301), and USVI common law, seeking civil penalties, administrative fines, restitution, disgorgement, and an injunction requiring the defendants to cease their alleged violations of the

law and to expand their public education efforts (collectively with any similar or related Claims asserted by the USVI in any proof of claim filed in these Chapter 11 Cases, the “*USVI Claim*”); and (c) the complaint filed by the State of New Mexico (“*New Mexico*”) in New Mexico state court (the “*New Mexico Proceeding*”) alleging violations of New Mexico’s Unfair Practices Act (N.M. Stat. Ann. § 57-12-1, *et seq.*), seeking disgorgement as well as five thousand dollars (\$5,000) per defective airbag inflator that entered into New Mexico and five thousand dollars (\$5,000) a day for each day that the Debtors allegedly hid or obscured defects in airbag inflators (collectively with any similar or related Claims asserted by New Mexico in any proof of claim filed in these Chapter 11 Cases, the “*New Mexico Claim*”) are properly classified as Class 9 (Subordinated Claims).

Q. The Hawai’i Proceeding, the USVI Proceeding, and the New Mexico Proceeding are subject to the Plan Injunction.

Compliance with the Requirements of Section 1129 of the Bankruptcy Code

R. Plan Compliance with the Bankruptcy Code (11 U.S.C. § 1129(a)(1)).

The Plan complies with the applicable provisions of the Bankruptcy Code, thereby satisfying section 1129(a)(1) of the Bankruptcy Code.

(a) Proper Classification (11 U.S.C. §§ 1122, 1123(a)(1)). In addition to Administrative Expense Claims, Fee Claims, Adequate Protection Claims, and Priority Tax Claims, which need not be classified, Articles III and IV of the Plan classify nine (9) Classes of Claims against and Interests in the Debtors, based on differences in the legal nature or priority of such Claims against and Interests in each Debtor. The Claims and Interests placed in each Class are substantially similar to other Claims and Interests, as the case may be, in each such Class. Valid business, factual, and legal reasons exist for separately classifying the various Classes of

Claims and Interests created under the Plan. The Plan therefore satisfies sections 1122 and 1123(a)(1) of the Bankruptcy Code.

(b) Specified Unimpaired Classes (11 U.S.C. § 1123(a)(2)). Articles III and IV of the Plan specify that Class 1 (Other Secured Claims) and Class 2 (Other Priority Claims) are Unimpaired under the Plan within the meaning of section 1124 of the Bankruptcy Code, thereby satisfying section 1123(a)(2) of the Bankruptcy Code.

(c) Specified Treatment of Impaired Classes (11 U.S.C. § 1123(a)(3)). Articles III and IV of the Plan designate Class 3 (Mexico Class Action Claims and Mexico Labor Claims), Class 4 (OEM Unsecured Claims), Class 5 (PSAN PI/WD Claims), Class 6 (Other General Unsecured Claims), Class 7 (Other PI/WD Claims), Class 8 (Intercompany Interests), and Class 9 (Subordinated Claims) as Impaired within the meaning of section 1124 of the Bankruptcy Code and specify the treatment of the Claims and Interests in such Classes, thereby satisfying section 1123(a)(3) of the Bankruptcy Code.

(d) Equal Treatment (11 U.S.C. § 1123(a)(4)). The Plan provides for the same treatment by the Debtors for each Claim or Interest in each respective Class unless the holder of a particular Claim or Interest has agreed to a less favorable treatment of such Claim or Interest, thereby satisfying section 1123(a)(4) of the Bankruptcy Code.

(e) Implementation of the Plan (11 U.S.C. § 1123(a)(5)). The Plan and the various documents and agreements set forth in the Plan Supplement as well as the exhibits and schedules to the Plan provide adequate and proper means for the implementation of the Plan, thereby satisfying section 1123(a)(5) of the Bankruptcy Code, including (i) the sale of the Purchased Assets to the Plan Sponsor free and clear of all Claims, interests, Liens, other encumbrances, and liabilities of any kind or nature whatsoever, except for the Assumed

Liabilities and Permitted Liens, in accordance with the terms of the Plan and the U.S. Acquisition Agreement and the allocation of Cash Proceeds, (ii) the vesting of the PSAN Assets in Reorganized Takata, (iii) the vesting of the Warehoused PSAN Assets and Other Excluded Assets in the applicable Legacy Entity, (iv) the provision of the Plan Sponsor Backstop Funding (if any) in accordance with the Plan and the Plan Sponsor Backstop Funding Agreement, (v) the continued corporate existence of the Reorganized Debtors, (vi) the consummation of the Plan Settlement, including payment of the Plan Settlement Payment, (vii) the establishment and funding of the Support Party Creditor Fund, (viii) the execution of the Reorganized TK Holdings Trust Agreement and the establishment of the Reorganized TK Holdings Trust, (ix) the establishment of TK Global LLC and the Warehousing Entity and the funding thereof through, among other things, the Warehousing Entity Reserve and the Post-Closing Reserve, (x) the establishment and funding of the PSAN PI/WD Trust, (xi) the transfer of the PI/WD Insurance Rights to the PSAN PI/WD Trust, (xii) the creation of the Claims Reserves and the Recovery Funds to make Distributions to holders of Allowed General Unsecured Claims, (xiii) the provisions for the Plan Sponsor Contribution and any TKJP Contribution Amount for the benefit of PSAN PI/WD Claims, solely as an administrative convenience for the settling parties, and the establishment and funding of the Plan Settlement Fund, (xiv) the consummation of the TKC and Mexico restructuring transactions contemplated by Sections 5.11 and 5.13 of the Plan, respectively, (xv) the funding of the TSAC DOJ Restitution Claim Funding Deficiency in accordance with Section 5.12 of the Plan, and (xvi) the taking of all necessary or appropriate actions by the Debtors or the Reorganized Debtors, as applicable, to effectuate the Restructuring Transactions and the Plan.

(f) Non-Voting Equity Securities (11 U.S.C. § 1123(a)(6)). The certificate of incorporation, articles of incorporation, limited liability company agreement, operating agreement, or similar governing document, as applicable, of each Debtor has been or will be amended on or prior to the Effective Date to prohibit the issuance of non-voting equity securities to the extent prohibited by section 1123(a)(6) of the Bankruptcy Code, thereby satisfying section 1123(a)(6) of the Bankruptcy Code.

(g) Designation of Directors and Officers (11 U.S.C. § 1123(a)(7)). The Plan Supplement and Sections 5.7 through 5.9 of the Plan contain provisions with respect to the manner of selection of directors and officers of Reorganized Takata, TK Global LLC, and the Warehousing Entity that are consistent with the interests of creditors, equity security holders, and public policy, thereby satisfying section 1123(a)(7) of the Bankruptcy Code. The Debtors have identified the directors and officers of each Reorganized Debtor in the Plan Supplement to the extent such information is available.

(h) Impairment/Unimpairment of Classes of Claims and Interests (11 U.S.C. § 1123(b)(1)). Pursuant to Articles III and IV of the Plan, as set forth in section 1123(b)(1) of the Bankruptcy Code, Class 1 (Other Secured Claims) and Class 2 (Other Priority Claims) are Unimpaired and Class 3 (Mexico Class Action Claims and Mexico Labor Claims), Class 4 (OEM Unsecured Claims), Class 5 (PSAN PI/WD Claims), Class 6 (Other General Unsecured Claims), Class 7 (Other PI/WD Claims), Class 8 (Intercompany Interests), and Class 9 (Subordinated Claims) are Impaired.

(i) Assumption and Rejection (11 U.S.C. § 1123(b)(2)). Article VIII of the Plan, subject to the provisions of Section 5.19(h) of the Plan and Section 2.7(g) of the U.S. Acquisition Agreement, addresses the assumption and rejection of executory contracts and

unexpired leases, and meets the requirements of section 365(b) of the Bankruptcy Code. In accordance with Section 8.2 of the Plan, the Debtors have filed and served, as set forth in the *Affidavits of Service* [Docket Nos. 1750, 1905], the *Notice of Filing of Proposed Cure Costs for Executory Contracts and Unexpired Leases* [Docket No. 1703] (the “*Initial Cure Amount Notice*”), and the *Notice of Filing of Amendments to Proposed Cure Costs for Executory Contracts and Unexpired Leases* [Docket No. 1859] (the “*Notice of First Amendments to the Cure Amount Notice*”) on parties to executory contracts and unexpired leases setting forth the proposed Cure Amount (if any). On February 15, 2018, the Debtors further filed the *Notice of Filing of Second Amendments to Proposed Cure Costs for Executory Contracts and Unexpired Leases* [Docket No. 2091] (the “*Notice of Second Amendments to the Cure Amount Notice*,” and together with the Initial Cure Amount Notice and the Notice of First Amendments to the Cure Amount Notice, the “*Cure Amount Notice*”).

(j) If an executory contract or unexpired lease is not listed on the Cure Amount Notice, the Cure Amount for such executory contract or unexpired lease shall be deemed to be zero dollars (\$0); *provided, however*, that the foregoing shall not apply if the counterparty to such executory contract or unexpired lease otherwise filed a proof of Claim with the Court with respect to such executory contract or unexpired lease; and, *provided, further*, that the Contract Notices (as defined below) shall not apply to any OEM Assumed Contracts. Furthermore, notwithstanding anything to the contrary herein or in any Contract Notice, the assumption, assignment, cure and/or other assumption of liabilities under, and/or rejection of any contract between the Debtors and the OEMs shall be governed in all respects by Section 8.4 of the Plan and, as between the Consenting OEMs and the Plan Sponsor, the Indemnity Agreement. On January 31, 2017, the Debtors filed the (i) *Notice of Assumption of Executory Contracts and*

Unexpired Leases by Reorganized Takata [Docket No. 1857], (ii) *Notice of Assumption of Executory Contracts and Unexpired Leases by the Warehousing Entity* [Docket No. 1858], and (iii) *Notice of Rejection of Executory Contracts and Unexpired Leases* [Docket No. 1860] (collectively, the “**Initial Notices of Assumed and Rejected Contracts**”). On February 15, 2018, the Debtors further filed the (i) *Notice of Amendments to Schedule of Executory Contracts and Unexpired Leases to be Rejected* [Docket No. 2092], (ii) *Notice of Amendments to Schedule of Executory Contracts and Unexpired Leases to be Assumed by Reorganized Takata* [Docket No. 2093], and (iii) *Notice of Amendments to Schedule of Executory Contracts and Unexpired Leases to be Assumed and Assigned to the Warehousing Entity* [Docket No. 2094] (collectively, the “**Amended Notices of Assumed and Rejected Contracts**,” and together with the Cure Amount Notice, the “**Contract Notices**”). The time given to parties in interest to object to the assumption, assumption and assignment, and rejection of their executory contracts or expired leases was good and sufficient and no other or further notice is required. Notwithstanding anything in this Order, the Plan, the Disclosure Statement, or any of the Contract Notices to the contrary, any Cure Dispute that has not been resolved on or prior to the Confirmation Hearing shall be adjourned to a later date to be determined by the Court in accordance with section 8.2(c) of the Plan. All rights, remedies, and/or claims arising from or relating to such Cure Disputes are preserved.

(k) Settlement and Retention of Claims and Causes of Action and Reservation of Rights (11 U.S.C. § 1123(b)(3)). Pursuant to section 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019 and in consideration for the distributions and other benefits, including releases, provided under the Plan (as supplemented by the documents memorializing the Plan Settlement), the provisions of the Plan constitute a good faith compromise or settlement of all

Claims, Interests, and controversies resolved thereunder, and the entry of this Order constitutes approval of the compromise or settlement of all such Claims, Interests, and controversies, as well as a finding by the Court that such compromise and settlement is (i) in the best interests of the Debtors, their Estates, and their respective property and stakeholders, including the holders of Claims and Interests, and (ii) fair, equitable, and within the range of reasonableness. Further, in accordance and compliance with section 1123(b)(3)(A) of the Bankruptcy Code, Section 10.12 of the Plan properly retains certain Causes of Action of the Debtors and, in accordance and compliance with section 1123(b)(3)(B) of the Bankruptcy Code, Section 5.6(b) of the Plan properly transfers and provides for commencement and pursuit of Causes of Action that are expressly preserved and not released under the Plan by the Reorganized TK Holdings Trust.

(l) Sale of Substantially All Assets (11 U.S.C. § 1123(b)(4)). The Plan provides for the sale, transfer, and/or conveyance of substantially all of the Debtors' non-PSAN assets to the Plan Sponsor pursuant to the U.S. Acquisition Agreement. Thus, the Plan complies with section 1123(b)(4) of the Bankruptcy Code.

(m) Unaffected Rights of Holders of Classes of Claims (11 U.S.C. § 1123(b)(5)). In accordance and in compliance with section 1123(b)(5) of the Bankruptcy Code, the Plan properly modifies the rights of holders of Claims in Class 3 (Mexico Class Action Claims and Mexico Labor Claims), Class 4 (OEM Unsecured Claims), Class 5 (PSAN PI/WD Claims), Class 6 (Other General Unsecured Claims), and Class 7 (Other PI/WD Claims). The Plan leaves unaffected the rights of holders of Claims in Class 1 (Other Secured Claims) and Class 2 (Other Priority Claims). Thus, the Plan complies with section 1123(b)(5) of the Bankruptcy Code.

(n) Additional Plan Provisions (11 U.S.C. § 1123(b)(6)). The permissive provisions of the Plan are appropriate and consistent with the applicable provisions of the Bankruptcy Code, thereby satisfying section 1123(b)(6) of the Bankruptcy Code. The failure to address specifically a provision of the Bankruptcy Code in this Order shall not diminish or impair the effectiveness of this Order.

(o) Debtors Are Not Individuals (11 U.S.C. § 1123(c)). The Debtors are not individuals. Accordingly, section 1123(c) of the Bankruptcy Code is inapplicable in these Chapter 11 Cases.

(p) Cure of Defaults (11 U.S.C. § 1123(d)). Sections 8.3 (subject to the provisions of Section 5.19(h) of the Plan) and 8.4 of the Plan, provide for the satisfaction (or, in the case of Consenting OEM PSAN Cure Claims, the settlement) of default Claims associated with each executory contract and unexpired lease to be assumed pursuant to the Plan in accordance with section 365(b)(1) of the Bankruptcy Code other than OEM Assumed Contracts. All Cure Amounts will be determined in accordance with the underlying agreements and applicable non-bankruptcy law. Thus, the Plan complies with section 1123(d) of the Bankruptcy Code.

S. Bankruptcy Rule 3016. In accordance with Bankruptcy Rule 3016(a), the Plan is dated and identifies the Debtors as proponents. The Debtors appropriately filed the Disclosure Statement and the Plan with the Court, thereby satisfying Bankruptcy Rule 3016(b).

T. The Debtors' Compliance with the Bankruptcy Code (11 U.S.C. § 1129(a)(2)). The Debtors have complied with the applicable provisions of the Bankruptcy Code, thereby satisfying section 1129(a)(2) of the Bankruptcy Code. Specifically, the Debtors have complied with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the

Local Rules, applicable non-bankruptcy law, and the Solicitation Procedures Order in transmitting the Disclosure Statement, the Plan, the Plan Supplement, the Ballots, and related documents and notices and in soliciting and tabulating votes on the Plan.

U. Plan Proposed in Good Faith (11 U.S.C. § 1129(a)(3)). The Debtors have proposed the Plan (and all documents necessary to effectuate the Plan) in good faith and not by any means forbidden by law, thereby satisfying section 1129(a)(3) of the Bankruptcy Code. The Debtors' good faith is evident from the facts and record of these Chapter 11 Cases, including testimony adduced at the Confirmation Hearing, the contents of the Confirmation Declarations, and the record of the Confirmation Hearing and these Chapter 11 Cases. The Plan was proposed with the legitimate and honest purpose of maximizing the value of the Debtors' Estates and recoveries to holders of Claims under the circumstances of the Chapter 11 Cases. The Plan (including the Plan Supplement and all other documents necessary to effectuate the Plan) was negotiated at arm's length among representatives of the Debtors, the Restructuring Support Parties, the Committees, the Future Claims Representative, and their respective professionals. Each of the Restructuring Support Parties, the Committees, and the Future Claims Representative supports confirmation of the Plan. Further, the Plan's classification, indemnification, exculpation, release, and injunction provisions, including Sections 5.19(j), 10.5, 10.6, 10.7, and 10.8 of the Plan, have been negotiated in good faith and at arm's length, and are consistent with sections 105, 1122, 1123(b)(3)(A), 1123(b)(6), 1129, and 1142 of the Bankruptcy Code.

V. Payment for Services or Costs and Expenses (11 U.S.C. § 1129(a)(4)). Any payment made or to be made by any of the Debtors for services or for costs and expenses in or in connection with the Chapter 11 Cases, or in connection with the Plan and incident to the

Chapter 11 Cases has been approved by, or is subject to the approval of, the Court as reasonable, thereby satisfying section 1129(a)(4) of the Bankruptcy Code.

W. Directors, Officers, and Insiders (11 U.S.C. § 1129(a)(5)). The Debtors have complied with section 1129(a)(5) of the Bankruptcy Code. The identity and affiliations of the persons proposed to serve as the initial directors and officers of the Reorganized Takata, TK Global LLC, and the Warehousing Entity upon the Effective Date of the Plan, and the identity of and nature of any compensation for any insider to be employed or retained by Reorganized Takata, TK Global LLC, and the Warehousing Entity, have been fully disclosed to the extent such information is available, and the appointment to, or continuance in, such offices of such persons is consistent with the interests of holders of Claims against and Interests in the Debtors and with public policy.

X. No Rate Changes (11 U.S.C. § 1129(a)(6)). The Plan does not provide for rate changes by any of the Reorganized Debtors. Thus, section 1129(a)(6) of the Bankruptcy Code is not applicable in these Chapter 11 Cases.

Y. Best Interest of Creditors (11 U.S.C. § 1129(a)(7)). The Plan satisfies section 1129(a)(7) of the Bankruptcy Code. The liquidation analysis provided in the Disclosure Statement and other evidence proffered or adduced at the Confirmation Hearing (i) are persuasive and credible, (ii) have not been controverted by other evidence, and (iii) establish that each holder of an Impaired Claim or Interest either has accepted the Plan or will receive or retain under the Plan, on account of such Claim or Interest, property of a value, as of the Effective Date, that is not less than the amount that such holder would receive or retain if the Debtors were liquidated under chapter 7 of the Bankruptcy Code on such date.

Z. Acceptance by Certain Classes (11 U.S.C. § 1129(a)(8)). Class 1 (Other Secured Claims) and Class 2 (Other Priority Claims) are Classes of Unimpaired Claims that are conclusively presumed to have accepted the Plan in accordance with section 1126(f) of the Bankruptcy Code. As reflected in the Voting Certification, Class 3 (Mexico Class Action Claims and Mexico Labor Claims), Class 4 (OEM Unsecured Claims), Class 5 (PSAN PI/WD Claims), Class 6 (Other General Unsecured Claims) at IIM, SMX, and TDM, and Class 7 (Other PI/WD Claims) have voted to accept the Plan in accordance with section 1126(c) of the Bankruptcy Code. Class 6 (Other General Unsecured Claims) at the TKH Debtors has voted to reject the Plan, and Class 8 (Intercompany Interests) and Class 9 (Subordinated Claims) are Classes of Impaired Claims or Interests that are deemed to have rejected the Plan in accordance with section 1126(g) of the Bankruptcy Code.³ Therefore, section 1129(a)(8) of the Bankruptcy Code has not been satisfied with respect to the rejecting Classes. Accordingly, confirmation of the Plan is sought pursuant to section 1129(b) of the Bankruptcy Code with respect to the rejecting Classes.

AA. Treatment of Administrative Expense Claims, Priority Tax Claims, and Other Priority Claims (11 U.S.C. § 1129(a)(9)). The treatment of Allowed Administrative Expense Claims, Adequate Protection Claims, and Fee Claims pursuant to Sections 2.3, 2.4, and 2.5, respectively, of the Plan satisfies the requirements of section 1129(a)(9)(A) of the Bankruptcy Code. The treatment of Other Priority Claims pursuant to Article IV of the Plan satisfies the requirements of section 1129(a)(9)(B) of the Bankruptcy Code. The treatment of Priority Tax Claims pursuant to Section 2.6 of the Plan satisfies the requirements of section 1129(a)(9)(C) of the Bankruptcy Code. The Debtors have sufficient Cash to pay Allowed Administrative Expense Claims, Fee Claims, Other Priority Claims, and Priority Tax Claims and

³ In the event that the Claim of the Commonwealth of Puerto Rico [Proof of Claim No. 4215] (the "*Puerto Rico Claim*") is classified as a Subordinated Claim in Class 9, Class 6 (Other General Unsecured Claims) would have voted to accept the Plan at all applicable Debtors.

to provide the treatment of Adequate Protection Claims set forth in the Plan through the payment of the Plan Settlement Payment.

BB. Acceptance by Impaired Class (11 U.S.C. § 1129(a)(10)). Class 3 (Mexico Class Action Claims and Mexico Labor Claims), Class 4 (OEM Unsecured Claims), Class 5 (PSAN PI/WD Claims), Class 6 (Other General Unsecured Claims) at IIM, SMX, and TDM, and Class 7 (Other PI/WD Claims) are each Impaired and have accepted the Plan.⁴ Accordingly, at least one Class of Claims against the Debtors that is Impaired under the Plan has voted to accept the Plan by the requisite majorities, determined without including any acceptance of the Plan by any insider, thereby satisfying the requirements of section 1129(a)(10) of the Bankruptcy Code.

CC. Feasibility (11 U.S.C. § 1129(a)(11)). The information in the Disclosure Statement (including the financial projections attached thereto), the Bowling Declaration, and the evidence proffered or adduced at the Confirmation Hearing (i) are persuasive and credible, (ii) have not been controverted by other evidence, and (iii) establish that the Plan is feasible and that there is a reasonable prospect of Reorganized Takata, TK Global LLC, and the Warehousing Entity being able to meet their financial obligations under the Plan and their business in the ordinary course and that confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of Reorganized Takata, TK Global LLC, or the Warehousing Entity, thereby satisfying the requirements of section 1129(a)(11) of the Bankruptcy Code.

DD. Payment of Statutory Fees (11 U.S.C. § 1129(a)(12)). The Plan provides that all fees payable under section 1930 of title 28 of the United States Code, as determined by

⁴ As indicated above, Class 6 (Other General Unsecured Claims) has voted to accept the Plan at all applicable Debtors, except the TKH Debtors. If the Puerto Rico Claim is classified as a Subordinated Claim in Class 9, Class 6 (Other General Unsecured Claims) would have voted to accept the Plan at all applicable Debtors.

the Court, have been or will be paid on or before the Effective Date pursuant to Section 12.5 of the Plan, thereby satisfying the requirements of section 1129(a)(12) of the Bankruptcy Code.

EE. Benefit Plans (11 U.S.C. § 1129(a)(13)). The Plan complies with section 1129(a)(13) of the Bankruptcy Code by reason of the provisions of Section 8.7 of the Plan and the *Order Pursuant to 11 U.S.C. §§ 105(a), 363(b), and 1114(e) and Fed. R. Bankr. P. 9019(a) (I) Authorizing Debtors to Enter Into Settlement and Release Agreements with the Covered Executives And (II) Authorizing Debtors to Terminate or Cease Providing Retiree Benefits*, entered on February 1, 2018 [Docket No. 1879].

FF. No Domestic Support Obligations (11 U.S.C. § 1129(a)(14)). The Debtors are not required by a judicial or administrative order, or by statute, to pay a domestic support obligation. Accordingly, section 1129(a)(14) of the Bankruptcy Code is inapplicable in these Chapter 11 Cases.

GG. Debtors Are Not Individuals (11 U.S.C. § 1129(a)(15)). The Debtors are not individuals, and accordingly, section 1129(a)(15) of the Bankruptcy Code is inapplicable in these Chapter 11 Cases.

HH. No Applicable Non-Bankruptcy Law Regarding Transfers (11 U.S.C. § 1129(a)(16)). Each of the Debtors is a moneyed business, commercial corporation, or trust, and accordingly, section 1129(a)(16) of the Bankruptcy Code is inapplicable in these Chapter 11 Cases.

II. Nonconsensual Confirmation (11 U.S.C. § 1129(b)). As set forth above, all of the requirements of section 1129(a) of the Bankruptcy Code, other than 1129(a)(8), have been satisfied. Class 8 (Intercompany Interests) and Class 9 (Subordinated Claims) are deemed to have rejected the Plan pursuant to section 1126(g) of the Bankruptcy Code and Class 6 (Other

General Unsecured Claims) at the TKH Debtors voted to reject the Plan. Notwithstanding the foregoing rejection, the Plan satisfies the requirements of section 1129(b) of the Bankruptcy Code and, accordingly, can be confirmed. First, as set forth above, the Plan does not discriminate unfairly because holders of Claims or Interests with similar legal rights will not be receiving materially different treatment under the Plan. Second, the Plan is fair and equitable with respect to each Class of Claims or Interests that is impaired under, and has not accepted, the Plan. With respect to Classes 6 at the TKH Debtors, 8 and 9, no holders of Claims or Interests junior to such Classes will receive or retain any property under the Plan on account of such Claims or Interests. In addition, as set forth below, no holder of a Claim senior to such Classes is receiving a Distribution under the Plan in excess of the amount of its Allowed Claim. Accordingly, the Plan does not discriminate unfairly and is fair and equitable, as required by section 1129(b)(1) and (b)(2) of the Bankruptcy Code, and may be confirmed notwithstanding the rejection or deemed rejection by Class 6 (Other General Unsecured Claims) at the TKH Debtors, Class 8 (Intercompany Interests), and Class 9 (Subordinated Claims).

JJ. Only One Plan (11 U.S.C. § 1129(c)). The Plan is the only plan filed in each of these Chapter 11 Cases, and accordingly, section 1129(c) of the Bankruptcy Code is inapplicable in these Chapter 11 Cases.

KK. Principal Purpose of the Plan (11 U.S.C. § 1129(d)). The principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act, and no governmental entity has objected to the confirmation of the Plan on any such grounds. The Plan, therefore, satisfies the requirements of section 1129(d) of the Bankruptcy Code.

LL. Small Business Case (11 U.S.C. § 1129(e)). None of these Chapter 11 Cases are a “small business case,” as that term is defined in the Bankruptcy Code, and, accordingly, section 1129(e) of the Bankruptcy Code is inapplicable.

MM. Good Faith Solicitation (11 U.S.C. § 1125(e)). Based on the record before the Court in these Chapter 11 Cases, including evidence presented at the Confirmation Hearing, the Debtors, the Restructuring Support Parties, the Committees, and the Future Claims Representative, and their respective directors, officers, employees, members, agents, advisors, and professionals have acted in “good faith” within the meaning of section 1125(e) of the Bankruptcy Code in compliance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any applicable non-bankruptcy law, rule, or regulation in connection with all their respective activities relating to the solicitation of acceptances to the Plan and their participation in the activities described in section 1125 of the Bankruptcy Code, and are entitled to the protections afforded by section 1125(e) of the Bankruptcy Code and the exculpation provisions set forth in Section 10.8 of the Plan.

NN. Based upon the foregoing, the Plan satisfies the requirements for confirmation set forth in section 1129 of the Bankruptcy Code.

Findings Relating to the Sale of Purchased Assets

OO. Valid Transfer. Except as expressly set forth in the U.S. Acquisition Agreement, the Debtors are the sole and lawful owners of the Purchased Assets, and no other Person has any ownership right, title, or interests therein. The Purchased Assets constitute property of the Debtors’ Estates and good title thereto is vested in the Debtors’ Estates within the meaning of section 541(a) of the Bankruptcy Code. The sale and transfer of the Purchased Assets pursuant to the U.S. Acquisition Agreement and this Order will be a legal, valid, enforceable, and effective sale and transfer of the Purchased Assets. On the Effective Date,

except for the Assumed Liabilities and the Permitted Liens, the Purchased Assets shall, in accordance with sections 1141(c) and 363(f) of the Bankruptcy Code, be purchased by or otherwise transferred to the Plan Sponsor in accordance with the U.S. Acquisition Agreement free and clear of all Claims, interests, Liens, other encumbrances, and liabilities of any kind or nature whatsoever, including rights or claims based on any Successor or Other Liabilities (as defined below).

PP. No Fraudulent Transfer. The U.S. Acquisition Agreement is a valid and binding contract between the Debtors and the Plan Sponsor and shall be enforceable pursuant to its terms. The U.S. Acquisition Agreement was not entered into for the purpose of hindering, delaying, or defrauding creditors under the Bankruptcy Code or under the laws of the United States, any state, territory, possession, or the District of Columbia, or foreign jurisdiction. The consideration provided by the Plan Sponsor for the Purchased Assets pursuant to the U.S. Acquisition Agreement (i) is fair and reasonable, (ii) is the highest and best offer for the Purchased Assets, (iii) will provide a greater recovery for the Debtors' creditors than would be provided by any other practical available alternative, and (iv) constitutes equivalent value and fair consideration under or with respect to the fraudulent transfer or comparable laws of any jurisdiction, foreign or domestic, as to which equivalence and/or fairness of consideration is a constitutive element, defense, or otherwise a legally relevant fact. Neither the Debtors nor the Plan Sponsor is entering into the transactions contemplated by the U.S. Acquisition Agreement and the Plan fraudulently for the purpose of statutory and common-law fraudulent conveyance and fraudulent transfer claims.

QQ. Sale Free and Clear; No Merger; Plan Sponsor Not an Insider; No Successor Liability. Following the Effective Date, the Plan Sponsor will not be a successor or

mere continuation of the Debtors or their Estates, and there is no continuity of enterprise or common identity between the Plan Sponsor and the Debtors. The Plan Sponsor is not an alter ego of the Debtors. The Plan Sponsor is not holding itself out to the public as a successor to or a continuation of the Debtors or their Estates. The Plan Sponsor is not a successor to any of the Debtors or their Estates by reason of any theory of law or equity, and the sale and transfer of Purchased Assets does not amount to a consolidation, succession, merger, or *de facto* merger of Plan Sponsor and the Debtors. The Plan Sponsor is paying substantial cash consideration, among other consideration, to purchase the Purchased Assets of the Debtors. As noted, the consideration provided by Plan Sponsor for the Purchased Assets is fair and reasonable. The sale does not eliminate all remedies for the Debtors' creditors.

RR. Immediately prior to the Effective Date, the Plan Sponsor was not an "insider" or "affiliate" of the Debtors, as those terms are defined in the Bankruptcy Code, and no common identity of incorporators, directors, or controlling stockholders existed between the Debtors and the Plan Sponsor. The sale and transfer of the Purchased Assets to the Plan Sponsor, and the assumption of the Assumed Liabilities, except for Assumed Liabilities and Permitted Liens or as otherwise explicitly set forth in the U.S. Acquisition Agreement, does not, and will not, subject the Plan Sponsor to any liability whatsoever, with respect to the Debtors or the operation of the Debtors' businesses prior to the Effective Date or by reason of such transfer, including under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, or any foreign jurisdiction, based, in whole or in part, directly or indirectly, on any, or any theory of, successor, transferee, vicarious, antitrust, environmental, revenue, pension, ERISA, tax, labor (including any WARN Act), employment or benefits, *de facto* merger, business continuation, substantial continuity, alter ego, derivative, transferee, veil

piercing, escheat, continuity of enterprise, mere continuation, product line, or products liability or law, or other applicable law, rule, or regulation (including filing requirements under any such law, rule, or regulation), or theory of liability, whether legal, equitable, or otherwise (collectively, the “*Successor or Other Liabilities*”).

SS. Pursuant to the U.S. Acquisition Agreement, the Plan Sponsor is not purchasing all of the Debtors’ assets in that the Plan Sponsor is not purchasing any of the Excluded Assets or assuming the Excluded Liabilities (as defined in the U.S. Acquisition Agreement) and shall have no liability for the Excluded Liabilities.

TT. The injunction set forth in Section 10.5 of the Plan is in aid of the sale and transfer of the Purchased Assets to the Plan Sponsor free and clear of all Claims, interests, Liens, other encumbrances, and liabilities of any kind or nature whatsoever (other than Permitted Liens and Assumed Liabilities), including rights or claims based on any Successor or Other Liabilities in accordance with sections 1123(a)(5)(D), 1123(b), 1141(c), and 363(f) of the Bankruptcy Code and does not violate section 524(e) of the Bankruptcy Code.

UU. The Debtors and the Plan Sponsor have submitted good and sufficient evidence in respect of each of the foregoing findings of fact concerning the sale and transfer free and clear of all Claims, interests, Liens, other encumbrances, and liabilities of any kind or nature whatsoever (including with respect to any claims grounded in Successor or Other Liabilities), which evidence has not been timely objected to or otherwise timely challenged by any party.

Other Findings

VV. Executory Contracts and Unexpired Leases. Article VIII, Section 5.19(h) of the Plan, and Section 2.7(g) of the U.S. Acquisition Agreement, governing the assumption, rejection, and assumption and assignment of executory contracts and unexpired leases, satisfy the requirements of section 365(b) of the Bankruptcy Code.

WW. Injunction, Releases, and Exculpation. The Court has jurisdiction under section 1334 of title 28 of the United States Code to approve the injunctions, releases, and exculpation set forth in Section 5.19(j) and Article X of the Plan. Section 105(a) of the Bankruptcy Code permits issuance of the injunction and approval of the releases set forth in Sections 5.19(j), 10.5, 10.6, and 10.7 of the Plan if, as has been established here, based upon the record in the Chapter 11 Cases and the evidence presented at the Confirmation Hearing, such provisions (i) were integral to the agreement among the various parties in interest, as reflected in the *Order (I) Authorizing Debtors to Enter Into and Perform Under Restructuring Support Agreement; (II) Approving Plan Sponsor Protections; and (III) Modifying the Automatic Stay*, dated December 13, 2017 [Docket No. 1335] and the Plan Settlement, and are essential to the formulation and implementation of the Plan, as provided in section 1123 of the Bankruptcy Code, (ii) confer substantial benefits on the Debtors' estates, (iii) are fair, equitable, and reasonable, (iv) are in the best interests of the Debtors, their Estates, and parties in interest, (v) were given in exchange for good and valuable consideration, including the consideration being provided in connection with the Plan Settlement, (vi) were given and made after due notice and opportunity for hearing, (vi) serve as a bar to any of the releasing parties asserting any Claim or Cause of Action released pursuant to the release against any of the Consenting OEMs, the Released Parties, or the Protected Parties, as applicable, and (vii) are consistent with sections 105, 524, 1123, 1129, 1141, and other applicable provisions of the Bankruptcy Code.

The release contained in Section 10.6(b) of the Plan was adequately disclosed and explained on the Ballots, in the Disclosure Statement, and in the Plan. The releases contained in Section 10.6(b) of the Plan are consensual because they are being provided only by (i) the holders of all Claims, other than the Consenting OEMs, that voted to accept the Plan, (ii) the

holders of Claims, other than the Consenting OEMs, that are Unimpaired under the Plan, (iii) the holders of Claims, other than the Consenting OEMs, whose vote to accept or reject the Plan was solicited but who did not vote either to accept or to reject the Plan, (iv) the holders of Claims, other than the Consenting OEMs, or Interests who voted, or are deemed, to reject the Plan but did not opt out of granting such releases, (v) the holders of Claims, other than the Consenting OEMs, and Interests who were given notice of the opportunity to opt out of granting these releases but did not opt out, and (vi) all other holders of Claims, other than the Consenting OEMs, and Interests to the maximum extent permitted by law. *See In re Indianapolis Downs, LLC*, 486 B.R. 286, 303 (Bankr. D. Del. 2013).

The releases of non-Debtors under the Plan and the related injunction are fair to holders of Claims and are necessary to the proposed reorganization, thereby satisfying the applicable standards contained in *In re Indianapolis Downs*, 486 B.R. at 303 and are otherwise appropriate under *In re W.R. Grace & Co.*, 475 B.R. 34, 107 (D. Del. 2012). Such releases and injunction are given in exchange for and are supported by fair, sufficient, and adequate consideration provided by or for each and all of the Consenting OEMs, Released Parties, or Protected Parties, as applicable. With respect to the Consenting OEMs, and the Plan Sponsor Parties, and their respective related parties, the injunctions and releases set forth in the Plan and implemented by this Order are also fair, equitable, reasonable, and in the best interests of the Debtors and their Estates pursuant to section 1123(b)(3) of the Bankruptcy Code and Bankruptcy Rule 9019(a). Based on the record of these Chapter 11 Cases, the representations of the parties, and the evidence proffered, adduced, and presented at the Confirmation Hearing, this Court finds that the injunction, releases, and exculpation set forth in Section 5.19(j) and Article X of the Plan are consistent with the Bankruptcy Code and applicable law. The failure to implement the

injunctions, releases, and exculpation would seriously impair the Debtors' ability to confirm and consummate the Plan.

The Channeling Injunction described in Section 10.7 of the Plan was adequately disclosed and explained on the relevant Ballots, in the Disclosure Statement, and in the Plan. The Channeling Injunction is essential to effectuate the Plan and essential to the Debtors' reorganization efforts and is to be implemented in accordance with the Plan and the PSAN PI/WD Trust Agreement. Pursuant to the Channeling Injunction established under Section 10.7 of the Plan and section 105(a) of the Bankruptcy Code, all Persons that have held or asserted, that hold or assert, or that will hold or assert any PSAN PI/WD Claim against the Protected Parties, or any of them, shall be permanently and forever stayed, restrained, and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering, or receiving payments, satisfaction, or recovery from any such Protected Party with respect to any such PSAN PI/WD Claims. Pursuant to the Plan and the PSAN PI/WD Trust Agreement, liability for all such PSAN PI/WD Claims against the Protected Parties shall be channeled to and assumed by the PSAN PI/WD Trust. The sole recourse of any such holder of a PSAN PI/WD Claim against any of the Protected Parties shall be to the PSAN PI/WD Trust. All PSAN PI/WD Claims against the Protected Parties shall be channeled to the PSAN PI/WD Trust to be treated in accordance with the PSAN PI/WD Trust Agreement and the PSAN PI/WD TDP.

(a) Identity of Interest. The Debtors and the Protected Parties jointly formulated the Plan over a period of over one (1) year and share a common interest in having the Plan confirmed, thereby ensuring an identity of interest with the Debtors. Absent the involvement of each of the Protected Parties, none of the settlements and contributions required

for, or entered into in connection with, the confirmation of the Plan would be possible, and few, if any, assets would be available for distribution to the Debtors' creditors.

(b) Substantial Contribution. The Restructuring Support Parties have provided substantial contributions necessary to implement the Global Transaction and to make the Plan feasible and to provide a fair result and fair consideration for affected creditors in exchange for the releases and injunctions provided in Sections 5.19(j), 10.5, 10.6 and 10.7 of the Plan. The Plan Sponsor Parties' contributions include:

- i. The Base Purchase Price under the U.S. Acquisition Agreement, and significant sources of potential additional value, including the Business Incentive Plan Payment and the Plan Sponsor Backstop Funding, all of which will fund substantial recoveries for creditors. The Plan Sponsor's commitment under the Plan Sponsor Backstop Funding Agreement increases the likelihood that the Debtors will have sufficient liquidity to fund certain elements that are critical to the Global Transaction.
- ii. In the settlement with the Debtors, the Consenting OEMs, the Tort Claimants' Committee, and the Future Claims Representative, in exchange for the releases and injunction in favor of the Plan Sponsor Parties, the Plan Sponsor has agreed to contribute \$25 million, which amount is expected to be drawn under the Plan Sponsor Backstop Funding at closing to the PSAN PI/WD Trust upon repayment of such amount to the Plan Sponsor from post-closing dividends from TSAC to TKC.
- iii. The Plan Sponsor agreed in the settlement with the Creditors' Committee to, subject to certain exclusions, assume all third-party executory contracts related to the non-PSAN acquired business, and contribute \$2.5 million (inclusive of any remaining amount of the Cure Claims Cap) to fund recoveries to general unsecured creditors with non-contingent, liquidated claims.

The Consenting OEMs' contributions include:

- i. the Consenting OEMs' obligations under the Indemnity Agreement (without which the Plan Sponsor would have been unwilling to enter into the Restructuring Transactions and pay the Purchase Price for the Purchased Assets);
- ii. the Consenting OEMs' post-Effective Date commitments to the Plan Sponsor's business;

- iii. the Consenting OEMs' agreement to certain modifications to the OEM Assumed Contracts and to have such OEM Assumed Contracts be assigned to the Plan Sponsor;
- iv. the Consenting OEMs' agreement to resolve the Settled OEM Claims on the terms set forth in the Plan Settlement;
- v. the Consenting OEMs' contributions to the Plan Settlement Fund, as set forth in Sections 5.19(b)(iv) and 5.19(e) of the Plan; and
- vi. the Consenting OEMs' contributions to the Support Party Creditor Fund as set forth in Section 5.19(g) of the Plan.

(c) Necessity to the Reorganization. The injunction and release provisions are critical to the success of the Plan. Without the releases, and the enforcement of such releases through the Plan's injunction provisions, the Restructuring Support Parties are not willing to make their contributions under the Plan. The releases and injunctions in favor of the Plan Sponsor Parties contained in Sections 10.5, 10.6 and 10.7 of the Plan constitute an essential inducement for the Plan Sponsor's participation in the Global Transaction as it relates to the Debtors and are material to the settlements to be effectuated pursuant to the Plan. The release in favor of the Consenting OEMs contained in Section 5.19(j) of the Plan constitutes an essential inducement for the Consenting OEMs' agreement to contribute to the Plan Settlement Fund and Support Party Creditor Fund in accordance with the Plan Settlement. Without these assurances, the Plan Sponsor would not have undertaken the Global Transaction and the Plan Sponsor and Consenting OEMs would not have agreed to settlements with Creditors Committee, Tort Claimants' Committee, and the Future Claims Representative. Absent those contributions, the Plan would not have been feasible. The injunctions are necessary to preserve and enforce the releases and are narrowly tailored to achieve that purpose.

(d) Support of Affected Creditors. The Creditors' Committee, the Tort Claimants' Committee, the Future Claims Representative, and the Consenting OEMs

affirmatively support the release and injunction provisions in favor of the Released Parties and the Protected Parties (as applicable).

(e) Fair Consideration. The Plan affords substantial recoveries to holders of Claims affected by the releases and injunctions that would not otherwise be available. The Plan provides a mechanism to pay fair consideration to affected creditors by providing distributions under the Plan including the Plan Sponsor Contribution Amount, establishing a Support Party Creditor Fund, establishing a Plan Settlement Fund and establishing the PSAN PI/WD Trust, which will receive directly the Plan Sponsor Contribution Amount and, if a subsequent settlement is achieved in accordance with the Plan, any TKJP Contribution Amount.

(f) The Record Supports Specific Factual and Legal Findings. The record of the Confirmation Hearing and these Chapter 11 Cases is sufficient to support the releases and injunctions contained in the Plan.

(g) Extraordinary Circumstances. Extraordinary circumstances surrounding the Chapter 11 Cases support the release and channeling injunction in sections 10.6(c) and 10.7 of the Plan. The Debtors filed these Chapter 11 Cases in the face of mounting mass-tort liabilities arising out of PSAN Inflatos to pursue a sale of substantially all of the Debtors non-PSAN assets through coordinated insolvency proceedings. The Protected Parties were involved with the Debtors' reorganization process for two years, and the Plan, which incorporates the Plan Settlement and has the support of the Creditors' Committee, the Tort Claimants' Committee, and the Future Claims Representative, maximizes the value of the Debtors' estates. The extensive efforts and substantial contributions by each of the Released Parties, along with the significant recoveries under the Plan, constitute extraordinary circumstances warranting the releases and injunctions set forth in the Plan.

(h) Subject Matter Jurisdiction. The Court has subject matter jurisdiction over the Claims subject to the release and injunction provisions in the Plan.

XX. Acceptance of Releases and Channeling Injunction. Holders of PSAN PI/WD Claims in each applicable Class voting on the Plan have indicated their acceptance of the releases and the Channeling Injunction in Sections 10.6(c) and 10.7 of the Plan in a sufficient number within each such Class to support granting the releases and an issuance of the Channeling Injunction.

YY. Approval of the Channeling Injunction and Related Releases. The Court, having considered both the confirmation of the Plan and the granting of the releases under Section 10.6(c) and the issuance of the Channeling Injunction at the Confirmation Hearing, finds and determines that the releases, the Channeling Injunction, and the PSAN PI/WD Trust to be established by virtue of the Plan and this Order are consistent with the provisions of the Bankruptcy Code. The releases and the Channeling Injunction are subject to affirmance by the District Court, unless the requirement for such affirmance is waived by the applicable parties pursuant to Section 10.7(f) of the Plan.

ZZ. 9019 Settlements. The complexity of the Debtors' Chapter 11 Cases necessitated a consensual exit strategy, particularly in light of the potential for complex disputes on multiple fronts, including with respect to all Claims and controversies relating to the Settled OEM Claims and the U.S. Acquisition Agreement, and Claims subject to investigation in connection with the Challenge Period. The litigations of any of these items would be costly and time consuming, reducing liquidity and value otherwise available for creditor recoveries. The evidence establishes that the Debtors concluded that it was in the best interests of the Debtors' stakeholders to resolve such disputes and related matters on the terms set forth in the Plan,

including the Plan Settlement. For the reasons stated herein, the Court agrees and so finds. The evidence establishes that each of the factors to be considered in determining whether to approve a settlement pursuant to Bankruptcy Rule 9019 — probability of success, complexity, and likely duration of litigation, and certain other factors bearing on the wisdom of the compromise — weighs in favor of resolution of the parties' disputes on the terms set forth in the Plan. In addition, the evidence establishes that sound business justifications exist for the Debtors to enter into the Plan Settlement. Each component of the Plan Settlement, including the Consenting OEM Contributions, the establishment of the Plan Settlement Fund, the establishment and funding of the Support Party Creditor Fund, and the Plan Sponsor Contribution Amount is an integral, integrated, and inextricably linked part of the Plan that is not severable from the entirety of the Plan. Accordingly, the Debtors have met their burden of proving that the Plan Settlement, and the treatment of creditors as provided under the Plan, are fair, reasonable, and in the best interests of the Debtors' Estates and the Debtors' stakeholders. For the avoidance of doubt, the Plan Sponsor's and Consenting OEMs' contributions to the Support Party Creditor Fund do not constitute property of the Estate.

AAA. Implementation. The Plan Documents and all other related, necessary, or appropriate documents have been negotiated in good faith and at arm's length, the terms and conditions thereof are fair and reasonable and entry therein is in the best interests of the Debtors, the Estates, and all holders of Claims and Interests. The Plan Documents and all other related, necessary, or appropriate documents shall, upon completion of documentation and execution, be valid, binding, and enforceable agreements that are not in conflict with any federal or state law.

BBB. Good Faith. The Debtors, the Consenting OEMs, the Committees, the Future Claims Representative, and the Plan Sponsor have been, are, and will continue to act in

good faith if they proceed to (i) consummate the Plan and the agreements, settlements, transactions, and transfers set forth therein and (ii) take the actions authorized and directed by this Order. The Plan Sponsor is a good faith purchaser for value and, as such, is entitled to all of the protections afforded under section 363(m) of the Bankruptcy Code and has otherwise acted in good faith in connection with the Restructuring Transactions.

CCC. Objections. All parties have had a full and fair opportunity to litigate all issues raised, or which might have been raised, in the Objections and informal comments, and all Objections have been fully and fairly litigated.

DDD. Waiver of Stay. Given the facts and circumstances of these Chapter 11 Cases, it is appropriate that the stays of effectiveness of this Order imposed by Bankruptcy Rules 3020(e), 6004(h), 6006(d), and 7062, to the extent applicable, be waived.

EEE. Retention of Jurisdiction. Except as otherwise provided for in the Plan, the Court may properly, and upon the Effective Date shall, retain exclusive jurisdiction over all matters arising out of, and related to, the Chapter 11 Cases, including the matters set forth in Article XI of the Plan and section 1142 of the Bankruptcy Code.

ORDER

**ACCORDINGLY, IT IS HEREBY ORDERED, ADJUDGED, DECREED,
AND DETERMINED THAT:**

1. Findings of Fact and Conclusions of Law. The above-referenced findings of fact and conclusions of law are hereby incorporated by reference as though fully set forth herein and shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7051, made applicable herein by Bankruptcy Rule 9014. To the extent that any finding of fact shall be determined to be a conclusion of law, it shall be deemed so, and vice versa.

2. Confirmation Hearing Notice. The Confirmation Hearing Notice complied with the terms of the Solicitation Procedures Order, was appropriate and satisfactory based upon the circumstances of the Chapter 11 Cases, and was in compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and applicable non-bankruptcy law.

3. Solicitation. The solicitation of votes on the Third Amended Plan complied with the Solicitation Procedures, was appropriate and satisfactory based upon the circumstances of the Chapter 11 Cases, and was in compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the Solicitation Procedures Order, and applicable non-bankruptcy law.

4. Confirmation of the Plan. The Plan and each of its provisions shall be, and hereby are, **CONFIRMED** under section 1129 of the Bankruptcy Code. The terms of the Plan, all Exhibits and Schedules thereto, the Plan Documents, and the Plan Supplement are incorporated by reference into and are an integral part of the Plan and this Order (whether or not such terms are expressly referenced or described herein).

5. Plan Supplement and Exhibits and Schedules to the Plan. The documents, substantially in the form contained in the Plan Supplement, the Exhibits and Schedules to the Plan, and any amendments, modifications, and supplements thereto, and the execution, delivery, and performance thereof by the Debtors, the Reorganized Debtors, the Reorganized TK Holdings Trust, TK Global LLC, or the Warehousing Entity, as applicable, are authorized and approved, subject to, as to certain of such documents, the reasonable acceptance of the Creditors' Committee, the Tort Claimants' Committee, and the Future Claims Representative in accordance with the applicable Settlement Term Sheet.

6. Settlement of Claims and Controversies. Pursuant to sections 105(a) and 1123 of the Bankruptcy Code, Bankruptcy Rule 9019, and Section 5.19 of the Plan, the Plan (as supplemented by the terms of the documents memorializing the Plan Settlement) incorporates an integrated compromise, settlement, and release of claims, including all Claims subject to investigation in connection with the Challenge Period and the Settled OEM Claims. The entry of this Order shall constitute the Court's approval, as of the Effective Date, of the Plan Settlement as well as the Court's determination that the Plan Settlement is (i) in the best interest of the Debtors and the Estates and their respective property and stakeholders; and (ii) fair, equitable, and within the range of reasonableness. In the event that, for any reason, the Effective Date does not occur, the Debtors, the Committees, the Future Claims Representative, the Consenting OEMs, and the Plan Sponsor reserve all of their respective rights with respect to any and all disputes resolved and settled under the Plan Settlement.

7. The Settlement Term Sheets and the Plan, as such documents relate to the fixing or determination of Claim amounts or point values, and the Consenting OEM contributions to the Plan Settlement Fund, shall not constitute or be construed as admissions of any fact or liability, stipulation or waiver, but rather are in furtherance of settlement negotiations in the Chapter 11 Cases and shall not be admissible against any Consenting OEM or holder of a PSAN PI/WD Claim or Other PI/WD Claim in any non-bankruptcy proceeding involving such parties.

8. The Consenting OEMs may use, contribute, or reallocate the remaining portion of the Resolution Reserve in accordance with the Settlement Term Sheets without further order of the Court; *provided, however*, that the Debtors shall file a notice on the docket in the

Chapter 11 Cases describing any such use, contribution, or reallocation of the Resolution Reserve.

9. Modifications to the Plan. The modifications made to the Third Amended Plan following solicitation of votes thereon satisfy the requirements of section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 and do not adversely affect the treatment of any Claims and, accordingly, neither require additional disclosure under section 1125 of the Bankruptcy Code nor re-solicitation of votes on the Plan under section 1126 of the Bankruptcy Code, nor do they require that holders of Claims be afforded an opportunity to change previously cast acceptances or rejections of the Third Amended Plan.

10. Objections. All Objections that have not been withdrawn, waived, settled, or deferred, and all reservations of rights pertaining to confirmation of the Plan, other than those withdrawn with prejudice in their entirety prior to, or on the record at, the Confirmation Hearing, shall be, and hereby are, overruled on the merits.

11. Binding Effect. Except as provided in section 1141(d)(3) of the Bankruptcy Code, on or after entry of this Order and subject to the occurrence of the Effective Date, the provisions of the Plan shall be binding on the Debtors, the Reorganized Debtors, TK Global LLC, the Warehousing Entity, the Plan Administrator, the Legacy Trustee, the OEM Claims Administrator, the PSAN PI/WD Trustee, the Plan Sponsor, any entity acquiring or receiving property or a Distribution under the Plan, every holder of a Claim against or Interest in any Debtor, any and all non-Debtor parties to executory contracts and unexpired leases with any of the Debtors, any other party in interest in the Chapter 11 Cases, and the respective heirs, executors, administrators, successors, estates, or assigns, if any, of any of the foregoing

regardless of whether the Claim or Interest of such holder is Impaired under the Plan or whether such holder has accepted or is deemed to have accepted the Plan.

12. No Action. Pursuant to applicable non-bankruptcy law and section 1142(b) of the Bankruptcy Code, no action of the respective directors, managers, members, or stockholders, as applicable, of the Debtors, TK Global LLC, or the Warehousing Entity shall be required to authorize the Debtors to enter into, execute, deliver, file, adopt, amend, restate, consummate, or effectuate, as the case may be, the Plan and any contract, instrument, or other document to be executed, delivered, adopted, or amended in connection with the implementation of the Plan, including any contract, instrument, or other document included in the Plan Supplement.

13. Plan Classification Controlling. The classification of Claims and Interests for purposes of the Distributions to be made under the Plan shall be governed solely by the terms of the Plan. The classifications set forth on the Ballots tendered to or returned by the Debtors' creditors in connection with voting on the Plan (i) were set forth on the Ballots for purposes of voting to accept or reject the Plan, (ii) do not necessarily represent, and in no event shall be deemed to modify or otherwise affect, the actual classifications of such Claims and Interests under the Plan for distribution purposes, and (iii) shall not be binding on the Debtors.

14. Implementation of the Plan. Pursuant to section 1123(a)(5)(D) of the Bankruptcy Code, on, prior to the Effective Date, or as soon thereafter as is reasonably practicable, the Debtors or the Reorganized Debtors, as applicable, may take all actions as may be necessary or appropriate to effect any transaction described in, approved by, contemplated by, or necessary to effectuate the Plan, including (i) the sale of the Purchased Assets to the Plan Sponsor free and clear of all Claims, interests, Liens, other encumbrances, and liabilities of any

All such actions taken or caused to be taken consistent with the terms of this Order and the Plan,

including any such actions taken with respect to the Restructuring Transactions prior to the date of entry of the Confirmation Order, shall be deemed to have been authorized and approved by the Court without further approval, act, or action under any applicable law, order, rule, or regulation. At no time shall any property deposited in the Support Party Creditor Fund constitute property of the Debtors' Estates. For the avoidance of doubt, the mechanics of the establishment of, and distributions under, the Support Party Creditor Fund shall be set forth in the Reorganized TK Holdings Trust Agreement.

15. Compliance with Section 1123(a)(6) of the Bankruptcy Code. The adoption and filing by the Debtors or Reorganized Debtors, as applicable, of the Amended By-Laws, Amended Certificates of Incorporation, the Reorganized TK Holdings Organizational Documents, or similar governing documents, as applicable, of each Debtor on or after the Effective Date to prohibit the issuance of non-voting equity securities to the extent required by section 1123(a)(6) of the Bankruptcy Code is hereby authorized, ratified, and approved. The Debtors have complied in all respects, to the extent necessary, with section 1123(a)(6) of the Bankruptcy Code.

16. Setoffs and Recoupments. Subject to Sections 2.2 and 10.5 through 10.8 and Section 5.19(j) of the Plan, the applicable Claims Administrator may, but shall not be required to, set off against or recoup from any Claim and from any payments to be made pursuant to the Plan in respect of such Claim any claims of any nature whatsoever (to the extent permitted by applicable law) that the Debtors may have against the claimant; provided, that neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors or the Claims Administrators of any such Claim it may have against such claimant.

17. Claims Resolution Procedures Approved. The procedures for resolving Disputed Claims set forth in Article VII of the Plan are hereby approved.

18. Disputed Claims Reserves. In accordance with Section 7.1 of the Plan, from and after the Effective Date, and until such time as all Disputed Claims have been compromised and settled or determined by a Final Order of the Court, the Legacy Trustee shall, consistent with and subject to section 1123(a)(4) of the Bankruptcy Code, retain from the Available Cash an aggregate amount equal to the Pro Rata Share of each Distribution that would have been made to a holder of a Disputed Claim from the applicable Recovery Fund in accordance with the Distribution Formula and allocate such amount to the applicable Disputed Claims Reserve in accordance with the Distribution Formula as if such Disputed Claim were an Allowed Claim against the Debtors in an amount equal to the least of (i) the filed amount of such Disputed Claim, (ii) the amount determined, to the extent permitted by the Bankruptcy Code and Bankruptcy Rules, by the Court for purposes of fixing the amount to be reserved for such Disputed Claim, and (iii) such other amount as may be agreed upon by the holder of such Disputed Claim and the applicable Claims Administrator.

19. From and after the Effective Date, and until such time as all Disputed Other PI/WD Claims have been compromised and settled or determined by a Final Order of the Court, the PSAN PI/WD Trustee shall retain from the Consenting OEM Contributions, any TKJP Contribution Amount, and the Plan Sponsor Contribution Amount an aggregate amount equal to the Pro Rata Share of each contribution that would have been made to a holder of a Disputed Other PI/WD Claim from the Consenting OEM Contributions, any TKJP Contribution Amount, and the Plan Sponsor Contribution Amount in accordance with the Contributions Distribution Formula and allocate such amount to the Disputed Contributions Reserve in accordance with the

Contributions Distribution Formula as if such Disputed Other PI/WD Claim was an Allowed Other PI/WD Claim against the Debtors in an amount equal to the least of (i) the filed amount of such Disputed Other PI/WD Claim, (ii) the amount determined, to the extent permitted by the Bankruptcy Code and Bankruptcy Rules, by the Court for purposes of fixing the amount to be retained for such Disputed Other PI/WD Claim, and (iii) such other amount as may be agreed upon by the holder of such Disputed Other PI/WD Claim and the PSAN PI/WD Trustee. On the first Distribution Date following the date on which a Disputed Other PI/WD Claim becomes an Allowed Other PI/WD Claim against a Debtor, the PSAN PI/WD Trustee shall remit to the Other PI/WD Funds, for Distribution to the holder of such Allowed Other PI/WD Claim, the Consenting OEM Contributions, any TKJP Contribution Amount, and the Plan Sponsor Contribution Amount retained in the Disputed Contributions Reserve in an amount equal to the amount that would have been distributed to the holder of such Other PI/WD Claim from the Effective Date through and including the Distribution Date had such Other PI/WD Claim been Allowed as of the Effective Date. For the avoidance of doubt, the amount to be contributed pursuant to this paragraph shall be based on the Contributions Distribution Formula as applied on the applicable Distribution Date and not the Contributions Distribution Formula as applied on the Effective Date. After the Initial Distribution Date, the PSAN PI/WD Trustee shall make contributions on the Periodic Distribution Dates from the Disputed Contributions Reserve to the Other PI/WD Funds and the PSAN PI/WD Funds for holders of Allowed Other PI/WD Claims and PSAN PI/WD Claims against the Debtors as a result of resolving Disputed Other PI/WD Claims and releasing Cash from the Disputed Contributions Reserve into the Other PI/WD Funds and the PSAN PI/WD Funds in accordance with the Contributions Distribution Formula, as re-applied at each Distribution Date.

20. Assumption, Rejection, or Assignment of Executory Contracts and Unexpired Leases (11 U.S.C. § 1123(b)(2)). Pursuant to Section 8.1 of the Plan, and subject to the provisions of Section 5.19(h) of the Plan and Section 2.7(g) of the U.S. Acquisition Agreement, as of and subject to the occurrence of the Effective Date, all executory contracts or unexpired leases to which any of the Debtors are parties shall be assumed and assigned to the Plan Sponsor, including those executory contracts and unexpired leases identified on the Contract Notices, except for any executory contract or unexpired lease that (i) has previously been assumed or rejected pursuant to a Final Order of the Court, (ii) is specifically designated on the Schedule of Assumed Contracts [Docket Nos. 1857, 1858, 2093, 2094], which includes executory contracts and unexpired leases to be assumed by the applicable Debtor and executory contracts and unexpired leases to be assumed by the applicable Debtor and assigned to the Warehousing Entity, or the Schedule of Rejected Contracts [Docket No. 1860, 2092], which were filed and served on January 31, 2018 and amended on February 15, 2018, (iii) is being assumed, assumed and assigned, or otherwise assigned pursuant to section 8.4 of the Plan, (iv) is the subject of a separate assumption or rejection motion filed by the Debtors under section 365 of the Bankruptcy Code pending on the Confirmation Date, or (iv) is the subject of a pending Cure Dispute. Notwithstanding anything to the contrary set forth in the Plan or this Order, but subject to Section 8.4 of the Plan and paragraph 28 of this Order, the Plan Sponsor will not assume any contracts related to the PSAN Inflater Business. Notwithstanding anything to the contrary herein or in any Contract Notice, the assumption, assignment, cure and/or other assumption of liabilities under, and/or rejection of any contract between the Debtors and the OEMs shall be governed in all respects by Section 8.4 of the Plan and, as between the Consenting OEMs and the Plan Sponsor, the Indemnity Agreement. Additionally, notwithstanding anything to the contrary in

Article VIII of the Plan, all Excluded Contracts described in clauses (i)(a), (i)(b), (i)(d), (ii), (iii), (iv), and (vi) thereof shall be rejected unless the Plan Sponsor otherwise instructs the Debtors in writing.

21. The Court hereby approves (i) the assumption of the executory contracts or unexpired leases in accordance with the Plan, and (ii) the assignment of such executory contracts and unexpired leases to the Plan Sponsor, the Reorganized TK Holdings Trust, and the Warehousing Entity, as applicable, and (iii) the rejection of the executory contracts and unexpired leases identified on the Schedule of Rejected Contracts.

22. Notwithstanding anything to the contrary in the Plan, this Order, the U.S. Acquisition Agreement or any notices of assumption or assumption and assignment of executory contracts filed by the Debtors, absent a further order of this Court or agreement between the applicable parties, (i) none of the agreements between one or more of the Debtors, on the one hand, and Oracle America, Inc. (including any of its predecessors-in-interest) ("**Oracle Agreements**") shall be assumed, assumed and assigned or otherwise transferred to any party, (ii) no Oracle Agreements, software, products or services shall be transferred to any party, (iii) no Oracle Agreements, software, products or services shall be subject to the Transition Services Agreement or the Shared Services Agreement contemplated by the Plan, and (iv) all parties' rights are specifically reserved with respect to the Oracle Agreements, including but not limited to, their assumption, assignment, transferability, cure issues, adequate assurance or otherwise.

23. Rejection Claims. Pursuant to Section 8.5 of the Plan, if the rejection of an executory contract or unexpired lease by any of the Debtors pursuant to Section 8.1 of the Plan results in damages to the other party or parties to such contract or lease, any Claim for such damages, if not heretofore evidenced by a timely filed proof of Claim, shall be forever barred

and shall not be enforceable against the Debtors or the Reorganized Debtors, or their respective Estates, properties or interests in property, unless a proof of Claim is filed with the Court and served upon the Debtors no later than thirty (30) days after the later of (i) the Confirmation Date and (ii) the effective date of the rejection of such executory contract or unexpired lease. Any such Claims, to the extent Allowed, shall be classified as Class 6 Other General Unsecured Claims.

24. Determination of Cure Disputes and Deemed Consent. On January 18, 2018, the Debtors filed and served the Initial Cure Amount Notice on all counterparties to the Debtors' executory contracts and unexpired leases (other than the contracts addressed in Section 8.4 of the Plan), which set forth the proposed Cure Amount (if any) for each executory contract and unexpired lease. On January 31, 2018, the Debtors filed and served the Notice of First Amendments to the Cure Amount Notice on all counterparties to the Debtors' executory contracts and unexpired leases that had been modified in, added to, or deleted from the Cure Amount Notice. Additionally, on January 31, 2018, the Debtors filed the Schedule of Assumed Contracts, which indicated whether an executory contract or unexpired lease (other than contracts addressed in Section 8.4 of the Plan) is being assumed by a Debtor or being assumed by a Debtor and assigned to the Warehousing Entity. On February 15, 2018, the Debtors further filed the Notice of Second Amendments to the Cure Amount Notice. Subject to Sections 5.19(h) and 8.1 of the Plan and Section 2.7(g) of the U.S. Acquisition Agreement, any executory contracts or unexpired leases not identified on the Schedule of Assumed Contracts or Schedule of Rejected Contracts or otherwise subject to one of the exceptions set forth in Section 8.1 (a) of the Plan shall be deemed assumed and assigned to the Plan Sponsor.

25. Notwithstanding anything in this Order, the Plan, the Disclosure Statement, or any of the Cure Amount Notices to the contrary, any Cure Dispute that has not been resolved on or prior to the Confirmation Hearing shall be adjourned to a later date to be determined by the Court in accordance with section 8.2(c) of the Plan. All rights, remedies, and/or claims arising from or relating to such Cure Disputes are preserved.

26. To the extent that an objection is not timely filed and properly served on the Debtors with respect to a Cure Amount set forth in the Cure Amount Notice, then the counterparty to the applicable contract or lease shall be deemed to have assented to (i) the Cure Amount proposed by the Debtors and (ii) the assumption of such contract or lease, notwithstanding any provision thereof that (a) prohibits, restricts, or conditions the transfer or assignment of such contract or lease, or (b) terminates or permits the termination of a contract or lease as a result of any direct or indirect transfer or assignment of the rights of the Debtor under such contract or lease or a change in the ownership or control as contemplated by the Plan, and shall forever be barred and enjoined from asserting such objection against the Debtors or terminating or modifying such contract or lease on account of transactions contemplated by the Plan. To the extent (i) any Cure Dispute with respect to a Purchased Contract has not been resolved prior to the Effective Date and (ii) (a) the aggregate amount of all Disputed Cure Claims with respect to the Purchased Contracts plus (b) the aggregate amount of all other Cure Claims paid by the Plan Sponsor on the Effective Date exceeds the Cure Claims Cap, the Debtors shall establish the Disputed Cure Claims Reserve. Any amounts remaining in the Disputed Cure Claims Reserve after the resolution and payment, if applicable, of all Disputed Cure Claims with respect to the Purchased Contracts, shall be included in the Claims Reserve of the applicable Reorganized Debtor, subject to the provisions of Section 5.19(h) of the Plan.

27. Upon payment of the applicable Cure Claims, the Plan Sponsor shall have no obligations for any amounts outstanding on or prior to the Effective Date under the Purchased Contracts, except as otherwise set forth in the U.S. Acquisition Agreement or the Plan.

28. OEM Contracts. Notwithstanding anything to the contrary set forth in Article VIII of the Plan, this Order, any Contract Notice or any other notice of assumption or assumption and assignment of executory contracts:

(a) Each Standalone OEM Assumed Contract shall be assumed by the applicable Debtor and assigned (and to the extent not executory, assigned) to the Plan Sponsor entity to which the applicable Consenting OEM consents (in its sole discretion), as of the Effective Date on an “as is” basis (and without giving effect to any accommodations provided pursuant to the Global Accommodation Agreement) without modification of any kind, including as to terms or price, other than (i) to substitute the Plan Sponsor entity to whom such Standalone OEM Assumed Contract is being assigned (with the consent of the applicable Consenting OEM, in its sole discretion) for the applicable Debtor and (ii) for any Standalone OEM Assumed Contract of a Consenting OEM, incorporate the ROLR (as defined in the Indemnity Agreement) on the terms set forth in Section 10 of the Indemnity Agreement, to the extent such Standalone OEM Assumed Contract is not otherwise deemed amended in accordance with Section 8.4(d) of the Plan.

(b) All Standalone PSAN Assumed Contracts shall be assumed by Reorganized TK Holdings or its applicable subsidiary (and to the extent not executory, assigned to Reorganized TK Holdings or its applicable subsidiary) as of the Effective Date on an “as is” basis (and without giving effect to any accommodations provided pursuant to the Global Accommodation Agreement) without modification of any kind, including as to terms or price,

other than to (i) substitute Reorganized TK Holdings (or its applicable subsidiary) for the applicable Debtor and (ii) account for pricing adjustments consistent with the Reorganized Takata Business Model on a cost basis.

(c) Each Non-Standalone OEM Contract shall be automatically severed on the Effective Date (to the extent such severance has not occurred prior to the Effective Date) so as to create a Modified Assumed OEM Contract and, in the case of a Non-Standalone OEM Contract of a PSAN Consenting OEM, Consenting OEM PSAN Contract Manufacturer, or Consenting OEM PSAN Tier One, severed so as to create a Modified Assumed OEM Contract and either a Modified Assumed PSAN Contract or a standalone contract for the sale of PSAN Inflators that shall be rejected in accordance with the below, as applicable. Each such severed Non-Standalone OEM Contract shall be: (i) as it relates to a Modified Assumed OEM Contract, assumed by the applicable Debtor and assigned (and to the extent not executory, assigned) to the Plan Sponsor entity to which the applicable Consenting OEM consents (in its sole discretion), “as is” (and without giving effect to any accommodations provided by the Global Accommodation Agreement), without modification of any kind, including as to terms or price, other than (A) as necessary to separate the manufacture and sale of the PSAN Inflators and release the Plan Sponsor (including the Acquired Non-Debtor Affiliates) from all Liabilities (as defined in the Indemnity Agreement) and obligations thereunder with respect to PSAN Inflators on the terms set forth in the Indemnity Agreement (and such released obligations shall be (I) in the case of a Modified Assumed PSAN Contract, transferred to, and the severed portion of the contract related to such manufacture, sale, Liabilities (as defined in the Indemnity Agreement), and obligations novated to and assumed by, Reorganized TK Holdings (or its applicable subsidiary) as a Modified Assumed PSAN Contract; or (II) in all other cases, rejected as of the Effective

Date), (B) to account for pricing adjustments for the PSAN Inflator production not being assumed by the Plan Sponsor, where such adjustments are to be resolved between the applicable Consenting OEM and the Plan Sponsor pursuant to normal commercial dealings, (C) to substitute the Plan Sponsor entity to whom the Modified Assumed OEM Contract is assigned (with the consent of the applicable Consenting OEM, in its sole discretion) for the applicable Debtor, and (D) for a Non-Standalone OEM Contract of a Consenting OEM, to incorporate the ROLR (as defined in the Indemnity Agreement) on the terms set forth in Section 10 of the Indemnity Agreement to the extent such Consenting OEM's Non-Standalone OEM Contract is not otherwise deemed amended in accordance with Section 8.4 of the Plan; and (ii) as it relates to a Modified Assumed PSAN Contract, assumed by Reorganized TK Holdings or its applicable subsidiary (and to the extent not executory, assigned to Reorganized TK Holdings or its applicable subsidiary) "as is" (and without giving effect to any accommodations provided pursuant to the Global Accommodation Agreement) without modification of any kind, including as to terms or price, other than (A) as necessary to separate the manufacture and sale of the PSAN Inflators and release Reorganized Takata from all Liabilities (as defined in the Indemnity Agreement), and obligations thereunder unrelated to PSAN Inflators, and such released obligations shall be transferred to, and the severed portion of the contract related to such manufacture, sale, Liabilities (as defined in the Indemnity Agreement), and obligations novated to and assumed by, the Plan Sponsor entity to whom the Modified Assumed OEM Contract is assigned (with the consent of the applicable Consenting OEM, in its sole discretion) as a Modified Assumed OEM Contract, (B) to account for pricing adjustments consistent with the Reorganized Takata Business Model on a cost basis, and (C) to substitute Reorganized TK Holdings (or its applicable subsidiary) for the applicable Debtor.

(d) The Plan and this Order shall constitute an amendment to the applicable OEM Assumed Contracts and Assumed PSAN Contracts to incorporate the provisions set forth herein, including, in the case of OEM Assumed Contracts, the ROLR on the terms set forth in Section 10 of the Indemnity Agreement, and no additional amendments to such contracts shall be necessary to effectuate any of the provisions hereof.

(e) Notwithstanding the foregoing, in respect of any Non-Standalone OEM Contracts where a Consenting OEM PSAN Contract Manufacturer or Consenting OEM PSAN Tier One is the counterparty, (i) the applicable Consenting OEM and Plan Sponsor will work cooperatively to cause the Consenting OEM PSAN Contract Manufacturer or Consenting OEM PSAN Tier One to modify its Non-Standalone OEM Contracts consistent with Section 8.4 of the Plan and the Plan shall not constitute a deemed amendment to such Non-Standalone OEM Contracts, and (ii) Plan Sponsor shall have no obligation to assume any Non-Standalone OEM Contract where a Consenting OEM PSAN Contract Manufacturer or Consenting OEM PSAN Tier One is the counterparty unless (A) such counterparty modifies its Non-Standalone OEM Contract consistent with Section 8.4 of the Plan and (B) either (x) such counterparty grants a release consistent with Sections 8.a, 8.b, and 8.e of the Indemnity Agreement and agrees to the contractual subordination terms set forth in the penultimate paragraph of Section 5 of the Indemnity Agreement or (y) the applicable Consenting OEM is required to, or agrees to, indemnify and hold harmless Joyson KSS Auto Safety S.A. pursuant to Section 6 of the Indemnity Agreement with respect to any related PSAN Claims (as defined in the Indemnity Agreement) asserted by such counterparty in respect of such Non-Standalone OEM Contract (to the extent such Claim relates to the applicable OEM's vehicles), it being understood that any Non-Standalone OEM Contract that Plan Sponsor does not assume as permitted by Section 8.4

of the Plan shall not constitute an OEM Assumed Contract for any purposes hereunder and, notwithstanding anything to the contrary set forth in the Plan, neither Plan Sponsor nor any Acquired Non-Debtor Affiliate shall have any obligation under the Plan with respect to any such counterparty with respect to the applicable Non-Standalone OEM Contract.

(f) Except as otherwise agreed to between the Plan Sponsor and the Consenting OEMs, the Plan Sponsor shall assume all Assumed Liabilities (as defined in the Indemnity Agreement) in accordance with Section 4.b of the Indemnity Agreement.

(g) The Consenting OEM PSAN Cure Claims shall be deemed fully and finally satisfied upon consummation of the Plan Settlement in accordance with Section 5.19 of the Plan.

(h) Notwithstanding anything to the contrary in the Plan or this Order, any Cure Claims of Consenting OEMs, other than Consenting OEM PSAN Cure Claims, shall be assumed by the Plan Sponsor and paid to the respective Consenting OEM in the ordinary course of business. The Debtors shall have no obligations with respect to such Cure Claims, and such Cure Claims shall not be counted for determining the Disputed Cure Claims Reserve or included in or limited by the Cure Claims Cap. Such Cure Claims shall not be subject to any Cure Claim procedures set forth in the Plan or the Solicitation Procedures Order. Further, nothing in the Plan shall be deemed a waiver of such Cure Claims by the Consenting OEMs nor affect the assumption and assignment of the OEM Assumed Contracts on an “as is” basis as provided above.

(i) All Purchase Orders and other executory contracts and unexpired leases between any Debtor and any OEM that purchased PSAN Inflatoms from the Debtors that is not a Consenting OEM shall be deemed rejected as of the Effective Date, to the extent not rejected

prior to the Effective Date. For the avoidance of doubt, any Purchase Orders between any Debtor and any OEM relating solely to PSAN Inflators not assumed or assumed and assigned pursuant to Section 8.4 of the Plan shall be deemed rejected as of the Effective Date, to the extent not rejected prior to the Effective Date.

29. General Authorizations. Each of the Debtors, TK Global LLC, the Warehousing Entity, the Reorganized TK Holdings Trust, and the PSAN PI/WD Trust is authorized to execute, deliver, file, or record such contracts, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and provisions of the Plan and the Plan Settlement. The Debtors and their directors, officers, members, agents, and attorneys are authorized and empowered to issue, execute, deliver, file, or record any agreement or document, including the documents contained in the Plan Supplement and the Exhibits and Schedules to the Plan, as modified, amended, and supplemented, in substantially the form included therein, and to take any action necessary or appropriate to implement, effectuate, and consummate the Plan in accordance with its terms, or take any or all corporate actions authorized to be taken pursuant to the Plan, including merger of any of the Debtors and the dissolution of each of the Debtors, and any release, amendment, or restatement of any bylaws, certificates of incorporation, or other organizational documents of the Debtors, whether or not specifically referred to in the Plan or the Plan Supplement, without further order of the Court, and any or all such documents shall be accepted by each of the respective state filing offices and recorded in accordance with the applicable state law and shall become effective in accordance with their terms and the provisions of state law. Pursuant to Section 5.17 of the Plan, the Reorganized Debtors are authorized to file certificates of cancellation, dissolution, or merger without further action under applicable law,

regulation, order, or rule, including, without express or implied limitation, any action by the stockholders, members, or directors (or other governing body) of the Reorganized Debtors.

30. Restructuring Transactions. On the Effective Date or as soon as reasonably practicable thereafter, the Reorganized Debtors may take all actions consistent with the Plan and the U.S. RSA as may be necessary or appropriate to effectuate any transaction described in, approved by, contemplated by, or necessary to effectuate the Restructuring Transactions under and in connection with the Plan.

Sale of Purchased Assets

31. Approval of Sale of Purchased Assets. Pursuant to Bankruptcy Code sections 1123(a)(5), 1123(b), 1141(c), and 363(f), the sale and transfer of the Purchased Assets to the Plan Sponsor in accordance with the terms of the Plan and the U.S. Acquisition Agreement, and all transactions contemplated thereby, and all the terms and conditions thereof are authorized and approved. The failure to specifically reference any particular provision of the U.S. Acquisition Agreement in this Order shall not diminish or impair the efficacy of such provision, it being the intent of this Court that the U.S. Acquisition Agreement and each and every provision, term, and condition thereof be authorized and approved in its entirety.

32. The Debtors are authorized and directed to execute and deliver, and empowered to perform under, consummate, and implement, the U.S. Acquisition Agreement, together with all additional instruments and documents that the Debtors or the Plan Sponsor deem necessary or appropriate to implement the U.S. Acquisition Agreement and effectuate the sale and transfer of the Purchased Assets and the assumption of the Assumed Liabilities, and to take all further actions as may reasonably be required by the Plan Sponsor for the purpose of assigning, transferring, granting, conveying, and conferring to the Plan Sponsor or reducing to

possession the Purchased Assets and assumption of the Assumed Liabilities or as may be necessary or appropriate to the performance of the parties' obligations under the U.S. Acquisition Agreement and the Plan, including any and all actions reasonably requested by the Plan Sponsor that are consistent with the U.S. Acquisition Agreement and the Plan. On the Effective Date, any and all acts and transactions required to be consummated in connection with the sale and transfer of Purchased Assets and the assumption of the Assumed Liabilities and any and all documents entered into in connection therewith shall be deemed authorized, approved, and consummated.

33. This Order is binding on all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, registrars of patents, trademarks, or other intellectual property, administrative agencies, governmental departments, secretaries of state, federal and local officials, and all other Persons and Entities who may be required by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any lease ("**Recordation Officers**"). Each and every Recordation Officer is authorized, from and after the Closing, to strike all Claims, interests, Liens, or other encumbrances in or against the Purchased Assets (other than Assumed Liabilities or Permitted Liens) from their records, official and otherwise, without further order of the Court or act of any party. Each and every Recordation Officer is authorized (i) to file, record, and/or register any and all documents and instruments presented to consummate or memorialize the U.S. Acquisition Agreement and the Restructuring Transactions, and (ii) to accept and rely on this Order as the sole and sufficient evidence of the transfer of title of the Purchased Assets.

34. Compliance with the legal requirements relating to bulk sales and transfers is not necessary or appropriate under the circumstances.

35. The terms and provisions of the U.S. Acquisition Agreement, the Plan, and this Order shall upon the Effective Date be binding in all respects upon the Debtors, their affiliates, all known and unknown creditors of, and holders of equity security interests in, any Debtor, including any holders of Claims, interests, Liens, and other encumbrances, including alleged rights or claims based on any Successor or Other Liabilities, all non-Debtor parties to the Purchased Contracts, all successors and assigns of the Plan Sponsor, the Purchased Assets, all interested parties, and their successors and assigns.

36. Sale of Purchased Assets Free and Clear. On the Effective Date, except for the Assumed Liabilities and the Permitted Liens, the Purchased Assets shall, in accordance with section 1141(c) and 363(f) of the Bankruptcy Code, be purchased by or otherwise transferred to the Plan Sponsor in accordance with the U.S. Acquisition Agreement free and clear of all Claims, interests, Liens, other encumbrances, and liabilities of any kind or nature whatsoever, including rights or claims based on any Successor or Other Liabilities.

37. The Plan Sponsor is a good faith purchaser for value and, as such, is entitled to all of the protections afforded under section 363(m) of the Bankruptcy Code and has otherwise acted in good faith in connection with the Restructuring Transactions. Specifically, (a) the Plan Sponsor is not an “insider” of the Debtors, as that term is defined in the Bankruptcy Code; (b) the U.S. Acquisition Agreement was negotiated at arm’s length and in good faith, and at all times each of the Plan Sponsor and the Sellers (as defined in the U.S. Acquisition Agreement) was represented by competent counsel of their choosing; (c) the Plan Sponsor did not in any way induce or cause the filing of the Chapter 11 Cases; (d) the consideration provided

by the Plan Sponsor pursuant to the U.S. Acquisition Agreement is fair and reasonable; and (e) the Restructuring Transactions are not the result of fraud or collusion. Neither the Debtors nor the Plan Sponsor has engaged in any conduct that would cause or permit the Restructuring Transactions to be avoided or result in the imposition of any costs or damages under Bankruptcy Code section 363(n).

38. This Order is and shall be effective as a determination that all Claims, interests, Liens, other encumbrances, and liabilities of any kind or nature whatsoever, including any Successor or Other Liabilities, shall be and are, without further action by any person or entity, released with respect to the Purchased Assets as of the Effective Date, except for the Assumed Liabilities and Permitted Liens or as otherwise specifically set forth in this Order and the U.S. Acquisition Agreement. The Plan Sponsor Parties are not, and shall not be liable for any Claims, interests, Liens, other encumbrances, and liabilities of any kind or nature whatsoever released hereunder, including those based on Successor or Other Liabilities. Without limiting the foregoing, all Liens granted to the Consenting OEMs under the Access Agreement and the Adequate Protection Order are released on the Effective Date.

39. No Successor Liability; Prohibition of Actions Against the Plan Sponsor Parties. The Plan Sponsor is not a “successor” to, continuation of, or alter ego of, any of the Debtors or their Estates by reason of any theory of law or equity. Except for the Assumed Liabilities and the Permitted Liens, the Plan Sponsor shall not have, assume, or be deemed to assume, or in any way be responsible for, any liability or obligation of any of the Debtors or their Estates, or any of the Debtors’ predecessors or affiliates with respect to the Purchased Assets or otherwise. Without limiting the generality of the foregoing, and except for Assumed Liabilities and Permitted Liens or as otherwise specifically provided in the U.S. Acquisition Agreement, the

Plan Sponsor shall not be liable for any interests against, or with respect to, the Debtors, their Estates, or any of the Debtors' predecessors or affiliates, including but not limited to, any Successor or Other Liabilities. Neither the purchase of the Purchased Assets by the Plan Sponsor nor the fact that the Plan Sponsor is using any of the Purchased Assets previously operated by the Debtors will cause the Plan Sponsor to be deemed a successor to, combination of, or alter ego of, in any respect, any of the Debtors or the Debtors' businesses, or incur any liability derived therefrom within the meaning of any foreign, federal, state, or local revenue, pension, ERISA, tax, antitrust, environmental, labor law (including any WARN Act), employment or benefits law, de facto merger, business continuation, substantial continuity, successor, vicarious, alter ego, derivative, or transferee liability, veil piercing, escheat, continuity of enterprise, mere continuation, product line, or other law, rule, regulation (including filing requirements under any such laws, rules, or regulations), or under any products liability law or doctrine with respect to the Debtors' liability under such law, rule, or regulation or doctrine, whether now known or unknown, now existing or hereafter arising, whether fixed or contingent, whether asserted or unasserted, whether legal or equitable, whether matured or unmatured, whether contingent or noncontingent, whether liquidated or unliquidated, whether arising prior to or subsequent to the Petition Date, whether imposed by agreement, understanding, law, equity, or otherwise, including, but not limited to, liabilities on account of warranties, intercompany loans, and receivables among the Debtors, and any taxes, arising, accruing, or payable under, out of, in connection with, or in any way relating to the cancellation of debt of the Debtors or their affiliates, or in any way relating to the operation of any of the Purchased Assets prior to the Effective Date.

40. Pursuant to section 1141(c) and 363(f) of the Bankruptcy Code, on the Effective Date, all Persons are forever prohibited and enjoined from taking any action against the Plan Sponsor based on any Successor or Other Liabilities, including commencing or continuing any action or other proceeding, whether at law or equity, in any judicial, administrative, arbitral, or other proceeding against the Plan Sponsor with respect to any Claims, interests, Liens, other encumbrances, and liabilities of any kind or nature whatsoever against the Debtors or the Debtors' property.

41. All Persons are hereby forever prohibited and enjoined from taking any action that would adversely affect or interfere with the ability of the Debtors to sell and transfer the Purchased Assets to the Plan Sponsor in accordance with the terms of the U.S. Acquisition Agreement, the Plan, and this Order.

42. Regulatory Approvals. The Plan Sponsor and the sellers under the U.S. Acquisition Agreement are authorized to take, or cause to be taken, all action contemplated by Section 7.4(c) of the U.S. Acquisition Agreement. Any amendments to the U.S. Acquisition Agreement or the Plan required to effectuate any such action are hereby approved.

43. Assumed Liabilities. As of the Effective Date, on the terms and subject to the conditions set forth in the U.S. Acquisition Agreement, the Plan Sponsor shall assume and be solely responsible for the Assumed Liabilities. reasonably be expected to increase the likelihood that the Plan Sponsor Backstop Funding would be triggered during the period commencing on the Closing Date and ending on the Backstop Expiration Date and shall promptly comply with any reasonable requests by the Plan Sponsor for financial information relating to its obligation to provide Plan Sponsor Backstop Funding. So long as the Plan Sponsor Backstop Funding remains potentially available for Reorganized Takata, the Reorganized TK Holdings Trust, and the Warehousing Entity, each of those entities shall, and shall cause each of their subsidiaries (if any) during the period commencing on the Closing Date, and ending on the Backstop Expiration Date to (i) keep proper books of record and accounts in which true and correct entries in conformity in all material respects with U.S. generally accepted accounting principles shall be made of all dealings and transactions in relation to its business and activities and (ii) permit any authorized representatives designated by the Plan Sponsor to visit and inspect any of the properties of Reorganized Takata, the Reorganized TK Holdings Trust, or the Warehousing Entity to inspect, copy, and take extracts from its and their financial and accounting records and to discuss its and their affairs, finances, and accounts with its and their officers and independent public accountants, all upon reasonable notice and at such reasonable times during normal business hours and as often as may reasonably be requested.

45. Vesting of Assets. For the avoidance of doubt, (i) no Warehoused PSAN Assets or Other Excluded Assets shall vest in any Reorganized Debtor and such assets shall instead be

transferred to and vest in the Warehousing Entity and the Reorganized TK Holdings Trust, respectively, and (ii) Reorganized Takata shall not acquire, own, or maintain the Warehoused PSAN Assets or be required to, or otherwise be authorized to, comply with the obligations under the NHTSA Preservation Order related to the Warehoused PSAN Assets. The Warehousing Entity shall instead be required to comply with the obligations under the NHTSA Preservation Order related to the Warehoused PSAN Assets.

46. Allocation of Purchase Price. Pursuant to Section 5.5(a) of the Plan, on the Effective Date, the Plan Sponsor shall pay the Purchase Price for the Purchased Assets. The Purchase Price shall be allocated, either directly or indirectly, to each of IIM, SMX, TDM, TKAM, TKC, TKF, and the TKH Debtors based on the allocation methodology described in Sections 7.1 and 7.2 of the Disclosure Statement. From the Cash Proceeds and the Plan Sponsor Backstop Funding, if any (in accordance with the terms and subject to the conditions set forth in the Plan Sponsor Backstop Funding Agreement and the Plan), the Debtors shall, pursuant to the Plan Settlement and the other terms of the Plan (i) distribute the Plan Settlement Turnover Amount in accordance with Section 5.19(b) of the Plan, (ii) establish the IIM Claims Reserve, the SMX Claims Reserve, the TDM Claims Reserve, the TKAM Claims Reserve, the TKC Claims Reserve, the TKF Claims Reserve, and the TKH Claims Reserve from each applicable Debtor's Cash Proceeds, (iii) establish the PSAN PI/WD Trust Reserve from the IIM Cash Proceeds, the SMX Cash Proceeds, the TDM Cash Proceeds, and the TKH Cash Proceeds pursuant to each of IIM's, SMX's, TDM's, and the TKH Debtors' Allocable Shares, (v) establish the Reorganized TK Holdings Trust Reserve from the IIM Cash Proceeds, the SMX Cash Proceeds, the TDM Cash Proceeds, and the TKH Cash Proceeds pursuant to each of IIM's, SMX's, TDM's, and the TKH Debtors' Allocable Shares, (vi) establish the Warehousing Entity

47. Transferability of Distribution Rights. Any right to receive a Distribution from the Reorganized TK Holdings Trust or any Claims Reserve or Recovery Fund shall not be evidenced by any certificate, security, or receipt or in any other form or manner whatsoever, except as maintained on the books and records of the Reorganized TK Holdings Trust by the Legacy Trustee. Further, any right to receive a Distribution from the Reorganized TK Holdings Trust or any Claims Reserve or Recovery Fund shall be nontransferable and non-assignable except by will, intestate succession, or operation of law. Any right to receive a Distribution from the Reorganized TK Holdings Trust or any Claims Reserve or Recovery Fund shall not constitute "securities" and shall not be registered pursuant to the Securities Act. If it is determined that such rights constitute "securities," the exemption provisions of section 1145(a)(1) of the Bankruptcy Code are satisfied and such securities are exempt from registration.

administer the closure of the Chapter 11 Cases in accordance with the Bankruptcy Code and the Bankruptcy Rules, in all cases, consistent with the Plan. The Legacy Trustee shall be responsible for all decisions and duties with respect to the Reorganized TK Holdings Trust and the Reorganized TK Holdings Trust Assets. In all circumstances, the Legacy Trustee shall act in the best interests of all beneficiaries of the Reorganized TK Holdings Trust, in furtherance of the purpose of the Reorganized TK Holdings Trust, and in accordance with the Reorganized TK Holdings Trust Agreement.

59. Insurance Neutrality.

(a) Nothing contained in the Plan, the Plan Documents, or this Order, including any provision that purports to be preemptory or supervening, shall in any way operate to, or have the effect of, impairing, altering, supplementing, changing, expanding, decreasing, or modifying (a) the rights or obligations of any of the Insurers or (b) any rights or obligations of the Debtors arising out of or under any Insurance Policy. For all issues relating to insurance coverage, the provisions, terms, conditions, and limitations of the Insurance Policies shall control.

(b) For the avoidance of doubt, nothing contained in the Plan, the Plan Documents, or this Order shall operate to require any PI/WD Insurance Company to indemnify or pay the liability of any Protected Party that it would not have been required to pay in the absence of this Plan. This subparagraph (b) in no way modifies, alters or limits the rights and/or obligations set forth in subparagraph (a), above.

(c) None of (a) the Court's or District Court's approval of the Plan or the Plan Documents, (b) this Order or any findings and conclusions entered with respect to confirmation, nor (c) any estimation or valuation of any PSAN PI/WD Claims or Trust Administered Claims, either individually or in the aggregate in the Chapter 11 Cases, shall, with respect to any

insurance company, constitute a trial or hearing on the merits or an adjudication or judgment with respect to any Trust Claim.

60. NHTSA Claims: The NHTSA Claims are Allowed as Class 6(d) (Other General Unsecured Claims) against TKH in the aggregate amount of \$50 million. TKC's assumed payment obligation(s) shall (i) constitute Administrative Expense Claims against TKC, (ii) be in an amount equal to any dividend(s) made by TSAC to TKC, and (iii) be conditioned on receipt of such dividends. Such dividend(s) shall be used solely to pay the TSAC payment obligation(s) assumed by TKC under the Global Settlement Agreement. For the avoidance of doubt, nothing in Section 5.11 of the Plan or this Order shall be construed as limiting or otherwise altering the Plan Sponsor's right under the Plan Sponsor Backstop Agreement to

64. Upon the liquidation and dissolution of any subsidiary of Reorganized TK Holdings, any proceeds thereof shall be treated as Reorganized Takata Post-Closing Cash. In addition, any Reorganized TK Holdings Trust Post-Closing Cash arising from distributions after the Effective Date on account of Intercompany Interests held by TKAM, TKC, and TKF shall (i) first, solely with respect to distributions from TKC's subsidiary, be used towards the repayment

of the RTK Loan, the RTKHT Loan, the PSAN Assets Advance Payment, and the Plan Sponsor Backstop Funding Repayment (including repayment of any unreimbursed Restructuring Expenses) in accordance with the terms and subject to the conditions of the Plan Sponsor Backstop Funding Agreement and section 5.12 of the Plan and (ii) second, constitute Available Cash of such Debtor.

Pursuant to Section 10.5(a) of the Plan, this Order shall, except as otherwise provided in the Plan or this Order, constitute an injunction, as of the entry of this Order but subject to the occurrence of the Effective Date, permanently enjoining all Persons or entities who have held, hold, or may hold Claims against or Interests in any Debtor with respect to any such Claim or Interest, from (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action, or other proceeding of any kind (including any proceeding in a judicial, arbitral, administrative, or other forum) against or affecting, directly or indirectly, a Debtor, a Reorganized Debtor, or an Estate or the property of any of the foregoing,

or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Parties mentioned in this subparagraph (i) or any property of any such transferee or successor; (ii) enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering in any manner or by any means, whether directly or indirectly, any judgment, award, decree, or order against a Debtor, a Reorganized Debtor, or an Estate or its property, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Parties mentioned in this subparagraph (ii) or any property of any such transferee or successor; (iii) creating, perfecting, or otherwise enforcing in any manner, directly or indirectly, any encumbrance of any kind against a Debtor, a Reorganized Debtor, or an Estate or any of its property, or any direct or indirect transferee of any property of, or successor in interest to, any of the foregoing Persons mentioned in this subparagraph (iii) or any property of any such transferee or successor; (iv) acting or proceeding in any manner, in any place whatsoever, that does not conform to or comply with the provisions of the Plan; and (v) commencing or continuing, in any manner or in any place, any action that does not comply with or is inconsistent with the provisions of the Plan; *provided, however*, that nothing contained herein shall preclude such Parties who have held, hold, or may hold Claims against or Interests in a Debtor or an Estate from exercising their rights, or obtaining benefits, pursuant to and consistent with the terms of the Plan and the Plan Documents.

67. Plan Injunction as to Plan Sponsor Parties. Pursuant to Section 10.5(b) of the Plan, as of the Effective Date, except as expressly permitted by the U.S. Acquisition Agreement and except as to Assumed Liabilities and Permitted Liens, all Persons, including all debt security holders, governmental, tax, and regulatory authorities, lenders, trade creditors, dealers, customers, employees, litigation claimants, and other creditors, holding Claims, Liens,

Interests, charges, encumbrances, and other interests of any kind or nature whatsoever, including rights or Claims based on any successor or transferee liability, against or in a Debtor or the Purchased Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or noncontingent, known or unknown), arising under or out of, in connection with, or in any way relating to the Debtors, the Purchased Assets, the operation of the Purchased Assets prior to the Effective Date, or the Restructuring Transactions, are forever barred, estopped and permanently enjoined from asserting against the Plan Sponsor Parties, their respective successors and assigns, their property or the Purchased Assets, such Person's Claims, Liens, Interests, charges, encumbrances, and other interests (including rights or Claims based on any successor or transferee liability), including, without limitation, by: (i) commencing, conducting, or continuing in any manner, directly or indirectly, any suit, action, or other proceeding of any kind (including any proceeding in a judicial, arbitral, administrative, or other forum) against or affecting, directly or indirectly, a Plan Sponsor Party or the property of any Plan Sponsor Party, or any direct or indirect transferee of any property of, or direct or indirect successor in interest to, any of the foregoing Persons mentioned in this subsection (i) or any property of any such transferee or successor; (ii) enforcing, levying, attaching (including any prejudgment attachment), collecting, or otherwise recovering in any manner or by any means, whether directly or indirectly, any judgment, award, decree, or order against a Plan Sponsor Party or its property, or any direct or indirect transferee of any property of, or direct or indirect successor-in-interest to, any of the foregoing Persons mentioned in this subsection (ii) or any property of any such transferee or successor; (iii) creating, perfecting, or otherwise enforcing any encumbrance of any kind or asserting any Released Claims in any manner, directly or indirectly, against a Plan Sponsor Party or any of its property, or any direct or indirect transferee of any property of, or successor in

68. No Successor Liability. Pursuant to Section 10.14 of the Plan, as of the Effective Date, except for Assumed Liabilities and Permitted Liens or as otherwise expressly provided in the Plan, this Order, or the U.S. Acquisition Agreement, each of the Plan Sponsor Parties (i) is not, and shall not be deemed to assume, agree to perform, pay, or otherwise have any responsibilities for any liabilities or obligations of the Debtors or any other Person relating to or arising out of the operations of or the assets of the Debtors on or prior to the Effective Date; (ii) is not, and shall not be, a successor to the Debtors by reason of any theory of law or equity or responsible for the knowledge or conduct of any Debtor prior to the Effective Date; and (iii) shall not have any successor or transferee liability of any kind or character; *provided, however*, that the Plan Sponsor shall timely perform and discharge the obligations specified in the U.S. Acquisition Agreement, including the Assumed Liabilities.

69. Pre-Confirmation Injunctions and Stays. Unless otherwise provided in the Plan, all injunctions and stays arising under or entered during the Chapter 11 Cases, whether under sections 105 or 362 of the Bankruptcy Code or otherwise, and in existence on the date of entry of the Confirmation Order, shall remain in full force and effect until the later of the Effective Date and the date indicated in the order providing for such injunction or stay,

For the avoidance of doubt, as of the Effective Date, all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, Liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever shall be released in all respects as set forth in the foregoing sentence. The Reorganized Debtors, the Reorganized TK Holdings Trust, and any other newly-formed entities that shall be administering the Excluded Assets and/or continuing the Debtors' businesses after the Effective Date shall be bound, to the same extent the Debtors are bound, by the releases and discharges set forth in Section 5.19(j) of the Plan.

71. Releases by the Debtors. Pursuant to Section 10.6(a) of the Plan, as of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan, this Order, and the obligations contemplated by the Restructuring Transactions, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Released Parties to facilitate the reorganization of the Debtors and the implementation of the Restructuring Transactions, and except as otherwise provided in the Plan or in this Order, the Released Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably and forever released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, by the Debtors, the Reorganized Debtors, and the Estates from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, Liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or their Estates (including, any Causes of Action arising under chapter 5 of the Bankruptcy Code), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that the Debtors, the Reorganized Debtors, or their Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or their non-Debtor affiliates (including the Acquired Non-

Debtor Affiliates), or their Estates, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party (including the exercise of any common law or contractual rights of setoff or recoupment by any Released Party at any time on or prior to the Effective Date), the Restructuring Transactions, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the Disclosure Statement, the U.S. Acquisition Agreement, the Global Accommodation Agreement, the U.S. RSA, and the Plan and related agreements, instruments, and other documents, and the negotiation, formulation, preparation or implementation thereof, the solicitation of votes with respect to the Plan, or any other act or omission, other than Claims or Causes of Action arising out of or related to any act or omission of a Released Party that is a criminal act or constitutes fraud, gross negligence, or willful misconduct. The Reorganized Debtors and any newly-formed entities that shall be continuing the Debtors' businesses after the Effective Date shall be bound, to the same extent the Debtors are bound, by the releases and discharges set forth in Section 10.6(a) of the Plan.

72. Releases by Holders of Claims and Interests. Pursuant to Section 10.6(b) of the Plan, as of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan, this Order, and the obligations contemplated by the Restructuring Transactions and the Settlement Term Sheets, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Released Parties to facilitate the reorganization of the Debtors and the implementation of the Restructuring Transactions, and except as otherwise provided in the Plan or in this Order, the Released Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably and

forever released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, except as otherwise provided in the Plan, by (i) the holders of all Claims, other than the Consenting OEMs, who vote to accept the Plan, (ii) the holders of all Claims, other than the Consenting OEMs, that are Unimpaired under the Plan, (iii) the holders of all Claims, other than the Consenting OEMs, whose vote to accept or reject the Plan is solicited but who do not vote either to accept or to reject the Plan, (iv) the holders of all Claims, other than the Consenting OEMs, or Interests who vote, or are deemed, to reject the Plan but do not opt out of granting the releases set forth in Section 10.6(b) of the Plan, (v) the holders of all Claims, other than the Consenting OEMs, and Interests who were given notice of the opportunity to opt out of granting the releases set forth in Section 10.6(b) of the Plan but did not opt out, and (vi) all other holders of Claims, other than the Consenting OEMs, and Interests to the maximum extent permitted by law, in each case from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, Liens, remedies, losses, contributions, indemnities, costs, liabilities, and attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or their Estates (including any Causes of Action arising under chapter 5 of the Bankruptcy Code), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such holders or their estates, affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives,

consultants, agents, and any other Persons or parties claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or their non-Debtor affiliates (including the Acquired Non-Debtor Affiliates), the Reorganized Debtors, or their Estates, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements or interactions between any Debtor and any Released Party (including the exercise of any common law or contractual rights of setoff or recoupment by any Released Party at any time on or prior to the Effective Date), the Restructuring Transactions, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the Disclosure Statement, the U.S. Acquisition Agreement, the Global Accommodation Agreement, the U.S. RSA, and the Plan and related agreements, instruments, and other documents, and the negotiation, formulation, preparation, or implementation thereof, the solicitation of votes with respect to the Plan, or any other act or omission, other than Claims or Causes of Action arising out of or related to any act or omission of a Released Party that constitutes fraud, gross negligence or willful misconduct. For the avoidance of doubt, no OEM shall receive a release from holders of Claims and Interests pursuant to Section 10.6(b) of the Plan, and the failure of any holder of a PSAN PI/WD Claim to opt out of granting the releases set forth in Section 10.6(b) of the Plan and the confirmation of the Plan shall not waive any such holder's right, if any, to participate in the DOJ PI/WD Restitution Fund.

73. Adequate Protection Order and Plan Settlement Releases. Nothing in the Plan shall limit, modify, or affect in any way the releases granted under paragraph 4(g) of the Adequate Protection Order or Section 5.19(j) of the Plan, and such releases shall remain in full force and effect through and after the Effective Date (in the case of releases under paragraph 4(g) of the Adequate Protection Order), and shall be in full force and effect from and after the Effective Date (in the case of releases under section 5.19(j) of the Plan).

74. No Releases Among OEMs. Notwithstanding anything to the contrary herein, in the Plan, or in the Plan Supplement, no OEM has provided, or shall be deemed to have provided, a release to any other OEM.

75. Releases by Holders of PSAN PI/WD Claims. Pursuant to Section 10.6(c) of the Plan, as of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan, to the maximum extent permitted under applicable law, the holders of PSAN PI/WD Claims shall be deemed to provide a full and complete discharge and release to the Protected Parties and their respective property and successors and assigns from any and all Causes of Action whatsoever, whether known or unknown, asserted or unasserted, derivative or direct, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, fraud, contract, veil piercing or alter-ego theories of liability, contribution, indemnification, joint liability, or otherwise, arising from or related in any way to such holders' PSAN PI/WD Claims. Notwithstanding anything to the contrary in the Plan or this Order, nothing in the Plan or this Order shall release any OEM that is not a Participating OEM from liability for a PSAN PI/WD Claim.

76. Imposition of Channeling Injunction. In order to preserve and promote the settlements contemplated by and provided for in the Plan and to supplement, where necessary,

the injunctive effect of the Plan Injunction and the Releases described in Sections 10.5 and 10.6 of the Plan, and pursuant to the exercise of the equitable jurisdiction and power of the Court under section 105(a) of the Bankruptcy Code, all Persons that have held or asserted, that hold or assert, or that will hold or assert any PSAN PI/WD Claim against the Protected Parties, or any of them, shall be permanently and forever stayed, restrained, and enjoined from taking all action for the purpose of directly or indirectly collecting, recovering or receiving payments, satisfaction, or recovery from any such Protected Party with respect to any such PSAN PI/WD Claim, including:

(a) commencing, conducting, or continuing, in any manner, whether directly or indirectly, any suit, action, or other proceeding of any kind in any forum with respect to any such PSAN PI/WD Claim, against or affecting any of the Protected Parties, or any property or interests in property of any Protected Party with respect to any such PSAN PI/WD Claim;

(b) enforcing, levying, attaching, collecting or otherwise recovering, by any manner or means, or in any manner, either directly or indirectly, any judgment, award, decree or other order against any of the Protected Parties or against the property of any Protected Party with respect to any such PSAN PI/WD Claim;

(c) creating, perfecting, or enforcing in any manner, whether directly or indirectly, any Lien of any kind against any Protected Party or the property of any Protected Party with respect to any such PSAN PI/WD Claims;

(d) asserting or accomplishing any setoff, right of subrogation, indemnity, contribution, or recoupment of any kind, whether directly or indirectly, against any obligation due to any Protected Party or against the property of any Protected Party with respect to any such PSAN PI/WD Claim; and

(e) taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan Documents, with respect to such PSAN PI/WD Claims.

77. Notwithstanding anything to the contrary in Section 10.7 of the Plan or paragraph 75 and 76 above, this Channeling Injunction shall not enjoin:

(a) the rights of Entities to the treatment afforded them under the Plan or this Order, including the rights of Entities holding (or, from time to time, assigned or subrogated to) PSAN PI/WD Claims to assert such Claims in accordance with the PSAN PI/WD Trust Agreement and the PSAN PI/WD TDP solely against the PSAN PI/WD Trust whether or not there are funds to pay such PSAN PI/WD Claims;

(b) the rights of Entities to assert any Claim, debt, litigation, or liability for payment of PSAN PI/WD Trust Expenses solely against the PSAN PI/WD Trust whether or not there are funds to pay such PSAN PI/WD Trust Expenses;

(c) the PSAN PI/WD Trust from enforcing its rights under the PSAN PI/WD Trust Agreement and the PSAN PI/WD TDP; and

(d) the PSAN PI/WD Trust from asserting any Claim, cause of action, debt, obligation, or liability for payment from any PI/WD Insurance Company.

78. Nothing in the Plan or the PSAN PI/WD Trust Agreement shall be construed in any way to limit the scope, enforceability, or effectiveness of the Channeling Injunction issued in connection with the Plan or the PSAN PI/WD Trust's assumption of all liabilities of Protected Parties with respect to PSAN PI/WD Claims.

79. Participating OEM Contribution Agreement. Execution of the Participating OEM Contribution Agreement by the Initial Participating OEM and the PSAN

PI/WD Trust shall be a condition to effectiveness of the Channeling Injunction with respect to the applicable Participating OEM but shall not be a condition to the Effective Date of the Plan. In the event that the Initial Participating OEM, the Tort Claimants' Committee, and the Future Claims Representative have not agreed to the form of the Participating OEM Contribution Agreement by 4:00 p.m. (ET) on March 9, 2018, any of the Initial Participating OEM, the Tort Claimants' Committee, or the Future Claims Representative may submit to the Court for expedited resolution of any dispute as to the form of the Participating OEM Contribution Agreement, and the Court's resolution shall be binding on the Initial Participating OEM and the PSAN PI/WD Trust.

80. PSAN PI/WD Trust Agreement. In the event that the Consenting OEMs, the Tort Claimants' Committee, and the Future Claims Representative have not agreed to the form of the PSAN PI/WD Trust Agreement and all exhibits thereto, other than the PSAN PI/WD TDP (which form has already been agreed upon) by 4:00 p.m. (ET) on March 9, 2018, any of the Consenting OEMs, the Tort Claimants' Committee, or the Future Claims Representative may submit to the Court for expedited resolution of any dispute as to the form of the PSAN PI/WD Trust Agreement, and the Court's resolution shall be binding on the Consenting OEMs and the PSAN PI/WD Trust.

81. Exculpation. Notwithstanding anything in the Plan to the contrary, and to the maximum extent permitted by applicable law, except for the rights that remain in effect from and after the Effective Date to enforce the Plan, this Order, and obligations contemplated by the Restructuring Transactions, no Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from, any Claim, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, remedy, loss, and liability for any Claim in connection with or

arising out of the administration of the Chapter 11 Cases; the negotiation and pursuit of the Disclosure Statement (including any information provided or statements made in the Disclosure Statement or omitted therefrom), the Restructuring Transactions, the Global Accommodation Agreement, the U.S. RSA, the Plan, and the solicitation of votes for, and confirmation of, the Plan; the funding of the Plan; the occurrence of the Effective Date; the administration of the Plan and the property to be distributed under the Plan; the wind-down of the Reorganized Debtors and Reorganized Takata; the issuance of securities under or in connection with the Plan; and the transactions in furtherance of any of the foregoing; except for breach of fiduciary duty, fraud, gross negligence, willful misconduct, failure to comply with this Order and failure to distribute assets according to the Plan. This exculpation shall be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable law or rules protecting such Exculpated Parties from liability.

82. Special Provisions for Governmental Units.

(a) Notwithstanding anything to the contrary in the Plan or this Order, nothing in the Plan shall release, bar, or discharge any liability of any OEM to any Governmental Unit, including any Claim by any state attorney general or similar Governmental Unit enforcing consumer protection laws or any other statutory or common law or principles of equity for any Claim against any OEM, whenever arising, and nothing in the Plan shall stay or enjoin any state attorney general or similar Governmental Unit from enforcing consumer protection laws or any statutory or common law or principles of equity for any Claim, whenever arising, against an OEM. Further, notwithstanding any provision of the Plan, OEMs are not relieved from any obligations to address or comply with requests or inquiries from any state attorney general or similar Governmental Unit enforcing consumer protection laws. Nothing in the Plan or this

Order shall be a waiver or other limitation of any OEM's rights, Claims, and defenses with respect to any Claims or other Causes of Action by a Governmental Unit.

(b) Notwithstanding anything to the contrary herein, nothing in this Order, the Plan, or the Plan Documents:

- i. (a) with respect to any Entity other than the Plan Sponsor and its affiliates, which shall be dealt with in (i)(b): discharges, releases, precludes, or enjoins (1) any liability to any Governmental Unit that is not a "claim" as defined in 11 U.S.C. § 101(5); (2) except as otherwise agreed to by a Governmental Unit, any claim of a Governmental Unit arising on or after the Effective Date; (3) any liability to a Governmental Unit under police and regulatory statutes or regulations that any entity would be subject to as the owner or operator of property after the Effective Date; (4) any liability to a Governmental Unit on the part of any Entity other than the Debtors or Reorganized Debtors (including but not limited to any OEM or any warehouse owner or landlord). Nor shall anything in the Plan enjoin or otherwise bar a Governmental Unit from asserting or enforcing, outside of the Court, any liability described in the preceding sentence; *provided, however,* that all parties' rights and defenses under non-bankruptcy law with respect to (1)-(4) above are fully preserved; and (b) with respect to the Plan Sponsor and its affiliates: discharges, releases, precludes, or enjoins any (1) liability of the Plan Sponsor and its affiliates to a Governmental Unit under environmental statutes or regulations that the Plan Sponsor and its affiliates would be subject to as the owner or operator of property after the Effective Date or (2) obligation by the Plan Sponsor and its affiliates to comply with any police and regulatory statutes or regulations that the Plan Sponsor and its affiliates would be subject to as the owner or operator of property after the Effective Date. Nor shall anything in this Order or the Plan enjoin or otherwise bar a Governmental Unit from asserting or enforcing, outside of the Court, any liability described in the preceding sentence; *provided, however,* that all parties' rights and defenses under non-bankruptcy law are fully preserved;
- ii. authorizes the transfer or assignment of any governmental (a) license, (b) permit, (c) registration, (d) authorization, or (e) approval, or the discontinuation of any obligation thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory law;
- iii. affects any valid setoff or recoupment rights of any Governmental Unit against any of the Debtors or the Reorganized Debtors; *provided, however,* that the Debtors, the Reorganized Debtors, and the Plan Sponsor reserve all of their rights and defenses under applicable nonbankruptcy law with respect thereto; for the avoidance of doubt, nothing in the Plan,

the Plan Documents, or the Confirmation Order shall bar the IRS from exercising its nonbankruptcy rights to offset any request for a tax refund for a tax year ending prior to the Petition Date against any prepetition claim of the United States government against any of the Debtors;

- iv. divests any tribunal of any jurisdiction it may have under police or regulatory law to interpret this Order or the Plan or to adjudicate any defense asserted under this Order or the Plan; *provided, however*, that the Court retains jurisdiction as set forth in and pursuant to the terms of the Plan, including jurisdiction, but not exclusive jurisdiction, to determine whether liabilities asserted by any Governmental Unit are discharged or otherwise barred by this Order, the Plan, or the Bankruptcy Code;
- v. shall be construed to deprive the Plan Sponsor of the benefits of the Confirmation Order and sections 5.2(c) and 10.14 of the Plan; *provided, however*, that such provisions shall not be construed to override (b)(i)(b) above; and
- vi. shall be interpreted to deem Plan Sponsor, Reorganized Takata, or the Warehousing Entity the successor to the Debtors under any state or federal law successor liability doctrine with respect to any liabilities under police or regulatory statutes, laws, or regulations, except solely with respect to Reorganized TK Holdings as set forth in section 5.8(m) of the Plan, for penalties for days of violation prior to the Effective Date or for liabilities relating to off-site disposal of wastes by the Debtors prior to the Effective Date, or be construed as a waiver by any party, including the Plan Sponsor, of any applicable rights or defenses under non-bankruptcy law or be construed to create for any Governmental Unit any substantive right that does not already exist under law. For the avoidance of doubt, nothing in paragraph (b)(i)(a) applies to the Plan Sponsor or its affiliates.

(c) Notwithstanding anything to the contrary contained in this Order, nothing in the Plan or Plan Documents: (i) shall grant any relief to any Entity that the Court is prohibited from granting by the Declaratory Judgment Act, 28 U.S.C. § 2201(a), or the Tax Anti-Injunction Act, 26 U.S.C. § 7421(a); (ii) release or discharge any claim for federal taxes against any Entity other than the Debtors, or enjoin the collection or assessment of such taxes; or (iii) grant the Debtors a release or discharge of any claims for federal taxes except as provided by 11 U.S.C. §§ 524 and 1141(d), or enjoin the collection or assessment of such taxes except as provided by those provisions. Notwithstanding the reservation of rights in the preceding sentence, the Plan

Sponsor is acquiring the Purchased Assets free and clear of all claims and interests of creditors, including, without limitation, the IRS, and including, for the avoidance of doubt, taxes of the Debtors that are not Assumed Liabilities.

83. TCEQ Settlement. The Debtors and Texas Commission on Environmental Quality (“**TCEQ**”), by and through the Office of the Texas Attorney General possessing the authority to enter into the settlement contained in this paragraph of the Order, have reached a settlement of the *Objection to Confirmation of the Debtors’ Third Amended Joint Chapter 11 Plan of Reorganization* [Docket No. 1918] (the “**TCEQ Objection**”) and the adversary proceeding styled *The Texas Commission on Environmental Quality v. TK Holdings, Inc. et al., and J Azteca Express, Inc.* (Adv. Proc. 18-50282) (the “**TCEQ Adversary Proceeding**”).

(a) Eagle Pass Warehouse. The Debtors, the Reorganized Debtors, and the Warehousing Entity shall use commercially reasonable efforts to provide TCEQ with written supplemental, documentation from the Debtors’ retained risk management professionals or from the Eagle Pass fire marshal, that the fire suppression system at the Debtors’ leased Eagle Pass, Texas Warehouse (the “**Eagle Pass Warehouse**”) is now adequate by no later than April 2, 2018, subject to extension by the TCEQ in writing or by order of the Court. Such documentation shall be sent via certified mail and electronic mail to the following addresses: Abigail Ryan; Senior Attorney, Bankruptcy Program Manager, TCEQ, MC-132, P.O. Box 1308, Austin TX 78711-3087; Email: Abigail.Ryan@tceq.texas.gov. Each of the Debtors and the Warehousing Entity shall use commercially reasonable efforts to remove from Texas all inflators currently being stored in the Eagle Pass Warehouse (the “**Eagle Pass Inflators**”); provided that all of the Eagle Pass Inflators shall be removed no later than four months from the Effective Date. The Debtors, the Warehousing Entity, or Reorganized Debtors may request extensions, but any such extension

shall be authorized only if approved by TCEQ in writing or by order of the Court. On or before sixty days after the Effective Date, the Debtors, the Reorganized Debtors, and/or the Warehousing Entity shall provide a report to TCEQ regarding the status of removing the inflators from Texas including what commercially reasonable efforts they have undertaken and how many inflators have been removed.

(b) Eagle Pass Injunction. The obligation to remove from Texas all of the Eagle Pass Inflators shall be enforced as an injunction of this Court against the Debtors, Reorganized Debtors, and the Warehousing Entity. The Debtors' Plan shall provide for adequate funding to fully accomplish the above injunction. With the exception of inflators currently in transit to the Eagle Pass Warehouse, the Debtors, Reorganized Debtors, and Warehousing Entity shall stop shipping inflators to Texas and the Eagle Pass Warehouse for storage as of the Effective Date. On or before four months after the Effective Date, the Debtors, the Reorganized Debtors, and/or the Warehousing Entity shall send written notice to the TCEQ certifying as to the Debtors' compliance with the injunction unless any extension has been granted by TCEQ or the Court, in which case they shall send the notice to the TCEQ on or before the expiration of the extension (the "*Certification Notice Date*"). At such time, in the future, after the Certification Notice Date or by written mutual agreement, as a TCEQ permitted facility is able to lawfully store, process and/or dispose of inflators, the Debtors may notify TCEQ to request permission to ship inflators, in accordance with applicable transportation laws and regulations, into Texas and such approval shall not be unreasonably withheld. Upon receipt of such certification notice, TCEQ may, but shall not be required to, file a notice of same with the Court. Upon the transmittal of the certification in accordance with the preceding paragraphs, TCEQ shall, within three (3) business days, voluntarily dismiss with prejudice the *Request of the Texas Commission*

on Environmental Quality for Declaratory Judgment and Complaint for Injunctive Relief (Adv. Proc. 18-50282) [Docket No. 1] as to all defendants. The TCEQ Adversary Proceeding is stayed/abated until the Certification Notice Date. Similarly, TCEQ shall voluntarily stay enforcement action against the Debtors, the Reorganized Debtors, or the Warehousing Entity for matters arising out of the Eagle Pass Warehouse while the Debtors, the Reorganized Debtors, and the Warehousing Entity are complying with the injunction. TCEQ, as part of the settlement contained herein, has agreed that upon full compliance with the above injunction, shall not pursue any Defendants in the TCEQ Adversary Proceeding or any of the Debtors, the Reorganized Debtors, or the Warehousing Entity for alleged non-compliance with the Resource Conservation and Recovery Act, Tier II reporting, or any other Texas environmental laws in connection with the Eagle Pass Warehouse arising prior to the Certification Notice Date.

84. Administrative Expense Claims Bar Date. Except as otherwise provided in Section 2.1 of the Plan, holders of Administrative Expense Claims (other than holders of Administrative Expense Claims paid in the ordinary course of business, holders of Administrative Expense Claims arising under section 1930 of chapter 123 of title 28 of the United States Code, holders of Fee Claims, holders of Cure Claims, holders of Consenting OEM PSAN Administrative Expense Claims, holders of Administrative Expense PSAN PI/WD Claims, and holders of Administrative Expense PI/WD Claims) must file and serve on the Debtors requests for the payment of their respective Administrative Expense Claims not already Allowed by a Final Order on or before the first Business Day that is sixty (60) days following the Effective Date, unless otherwise ordered by the Court (the “*Administrative Expense Claims Bar Date*”). Holders of Administrative Expense Claims that are required to, but do not, file and serve requests for the payment of such Administrative Expense Claims by the Administrative

Expense Claims Bar Date shall be forever barred, estopped, and enjoined from asserting such Claims against the Debtors or their assets or properties, and such Claims shall be deemed discharged as of the Effective Date.

85. Fee Claims. Pursuant to Section 2.5 of the Plan, all Professional Persons seeking awards by the Court of compensation for services rendered or reimbursement of expenses incurred through and including the Effective Date under sections 327, 328, 330, 331, 503(b)(2), 503(b)(3), 503(b)(4), 503(b)(5), or 1103 of the Bankruptcy Code shall (i) file and serve on the Reorganized Debtors, on or before the date that is forty five (45) days after the Effective Date, their respective applications for final allowances of compensation for services rendered and reimbursement of expenses incurred and (ii) be paid in full, in Cash, in such amounts as are Allowed by the Court or authorized to be paid in accordance with the order(s) relating to or allowing any such Fee Claim.

86. On the Effective Date, the Debtors shall establish and fund the Fee Escrow Account. The Debtors shall fund the Fee Escrow Account with Cash equal to each Professional Person's good faith estimate of its aggregate Fee Claims. Funds held in the Fee Escrow Account shall not be considered property of the Debtors' Estates or property of the Reorganized Debtors, but shall revert to the Reorganized TK Holdings Trust only after all Fee Claims allowed by the Court have been irrevocably paid in full. The Fee Escrow Account shall be held in trust for Professional Persons retained by the Debtors and for no other parties until all Fee Claims Allowed by the Court have been paid in full. Fees owing to the applicable Professional Persons shall be paid in Cash to such Professional Persons from funds held in the Fee Escrow Account when such Claims are Allowed by an order of the Court or authorized to be paid under the Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of

Professionals; *provided, however*, that the Reorganized Debtors' obligations with respect to Fee Claims shall not be limited by nor deemed limited to the balance of funds held in the Fee Escrow Account. To the extent that funds held in the Fee Escrow Account are insufficient to satisfy the amount of accrued Fee Claims owing to the Professional Persons, such Professional Persons shall have an Allowed Administrative Expense Claim for any such deficiency, which shall be satisfied in accordance with Section 2.3 of the Plan (but for the avoidance of doubt shall not be subject to any Administrative Expense Claims Bar Date). No Claims, interests, Liens, other encumbrances, or liabilities of any kind shall encumber the Fee Escrow Account in any way.

87. TKJP 503(b)(9) Claim. Notwithstanding the foregoing, the rights of the Tort Claimants' Committee and the Future Claims Representative to object to or otherwise challenge (which challenge may include the commencement of an adversary proceeding) the TKJP 503(b)(9) Claim and TKJP Intercompany Claims, and TKJP's right to assert the TKJP 503(b)(9) Claim and TKJP Intercompany Claims and interpose any defense available under applicable law, shall be preserved (and the Tort Claimants' Committee and the Future Claims Representative shall have the standing and authority as of the Confirmation Date to control and assert the Estates' rights with respect to any such objection or challenge and the PSAN PI/WD Trustee shall succeed to the Tort Claimants' Committee's rights and position after the Effective Date), and the TKJP 503(b)(9) Claim or Intercompany Claims of TKJP shall not be treated as Allowed Claims under the Plan for up to ninety (90) days following the Confirmation Date or such later date as TKJP may agree; *provided, however*, in the event that an objection or adversary proceeding is filed (under applicable law) prior to the expiration of the ninety (90) day period following the Confirmation Date, the TKJP 503(b)(9) Claim or Intercompany Claims of TKJP shall not be treated as Allowed Claims until resolved by the parties or by an order of the

Court. For the avoidance of doubt, unless and until they become Released Parties, Avoidance Actions against TKSAC and the Japan Debtors are not waived.

88. Restructuring Expenses. Pursuant to Section 12.6 of the Plan, subject to review by the U.S. Trustee, the Committees, and the Future Claims Representative for reasonableness in accordance with the RSA Order and the related procedures set forth in paragraph 9 thereof, the Debtors or the Reorganized Debtors, as applicable, shall pay the Restructuring Expenses in accordance with the terms of the U.S. Acquisition Agreement without the need for any application or notice to or approval by the Court. All Restructuring Expenses payable pursuant to Section 12.6 of the Plan shall be paid as follows: (A) if and to the extent that at such time any advisor or other third party providing services to the Plan Sponsor in connection with the Restructuring Transactions has not been paid in full (including all estimated amounts for unbilled fees and expenses, subject to the terms hereof) by the Plan Sponsor, such payment shall be made directly to the applicable advisor or other third party in accordance with the documentation and written instructions of such advisors or other third parties; *provided, however,* that if the aggregate amounts owing to such advisors or other third parties exceed the amount of the applicable Restructuring Expenses required to be paid by the Debtors or the Reorganized Debtors under the U.S. Acquisition Agreement, then the Debtors or the Reorganized Debtors shall pay all such advisors and other third parties ratably based on their relative total percentage of recovery; and (B) with respect to any Restructuring Expenses not paid directly to advisors and other third parties pursuant to subpart (A) hereof, the payment shall be made directly to the Plan Sponsor as reimbursement for Restructuring Expenses previously paid. In order to receive a Direct Expense Payment for unbilled fees and expenses, the advisors and other third parties entitled thereto shall, as part of the documentation provided to the Debtors

or the Reorganized Debtors hereunder, estimate fees and expenses due for periods that have not been billed as of the Effective Date, it being understood that within forty-five (45) days after the Effective Date, an advisor or other third party receiving payment for the estimated period shall submit a detailed invoice covering such period and, if the estimated payment received by such third party or other advisor exceeds the actual fees and expenses for such period, this excess amount shall be paid over to the Plan Sponsor as reimbursement for Restructuring Expenses previously paid or, if all Restructuring Expenses subject to Direct Expense Payment or reimbursement to the Plan Sponsor have been paid or reimbursed in full, then such excess amount shall be returned to the Debtors or the Reorganized Debtors.

89. Executive Compensation Related Assets.

(a) NQ Plan Rabbi Trust. The Debtors are authorized, but not directed, in their sole discretion, pursuant to section 363(b) of the Bankruptcy Code, to terminate the TK Holdings Supplemental Management Retirement Plan & Trust sponsored by TK Holdings Inc. effective immediately. Wells Fargo Bank, N.A. ("*NQ Plan Trustee*") serves as trustee for the Plan under the rabbi trust agreement ("*NQ Plan Rabbi Trust*") dated April 1, 2013. Pursuant to section 542 of the Bankruptcy Code, the NQ Plan Trustee, as trustee of the NQ Plan Rabbi Trust, shall promptly distribute to the Debtors all assets held by the NQ Plan Trustee in connection with the TK Holdings Inc. Supplemental Management Retirement Plan & Trust that remain following reduction for amounts owed to the NQ Plan Rabbi Trustee for fees and expenses. Upon distribution of assets, the NQ Plan Trustee shall close the trust account. For the avoidance of doubt, the NQ Plan Rabbi Trust shall not constitute a Purchased Asset and termination of the Trust shall be deemed in compliance with Article XII of the NQ Plan Rabbi Trust. The Debtors shall provide assistance, to the extent reasonable, to the NQ Plan Rabbi Trustee to the extent

needed for the distribution of assets and the closing of the NQ Plan Rabbi Trust, including, but not limited to, execution of any documentation associated with each.

(b) COLI Trust Agreement. The Debtors are authorized, but not directed in their sole discretion, pursuant to section 363(b) of the Bankruptcy Code, to terminate the Executive Retirement Plan Trust Agreement by and between TK Holdings Inc. and MassMutual Trust Company (the “*COLI Trustee*”), dated September 30, 2002, as amended effective as of November 11, 2015 (the “*COLI Trust Agreement*”), effective immediately. In accordance with the U.S. Acquisition Agreement and section 542 of the Bankruptcy Code, the COLI Trustee as trustee of the COLI Trust Agreement shall transfer (if such transfer has not already occurred) on the Effective Date (i) the corporate owned life insurance policies on Jack P. Fedorchak and Robert C. Fisher to the Reorganized TK Holdings Trust and (ii) the corporate owned life insurance policy on Scott E. Caudill to the Debtors. For the avoidance of doubt, the COLI Trust Agreement shall not constitute a Purchased Asset.

(c) Corporate Owned Life Insurance Policy. The Debtors are authorized, but not directed, in their sole discretion, pursuant to section 363(b) of the Bankruptcy Code and in accordance with the U.S. Acquisition Agreement, to transfer the corporate owned life insurance policy on Scott E. Caudill to the Plan Sponsor.

(d) TK Holdings Supplemental Management Retirement Plan. The Debtors and Plan Sponsor agree that, for purposes of the TK Holdings Supplemental Management Retirement Plan, the Transferred Employees’ transfer of employment from the Debtors and their affiliates to Plan Sponsor and its affiliates shall not constitute a “separation from service” pursuant to Treas. Reg. Section 1.409A-1(h)(4).

90. Insurance Policies. On or prior to the Effective Date, the Debtors may fund an upfront premium payment to purchase “tail insurance” to continue the Debtors’ existing directors’ and officers’ insurance subject to the reasonable consent of the Requisite Consenting OEMs. All insurance policies to which any Debtor is a party as of the Effective Date shall be deemed to be and treated as executory contracts, shall be assumed by the applicable Debtor, and shall vest in the Reorganized Debtors (other than the PI/WD Insurance Policies) and continue in full force and effect thereafter in accordance with their respective terms.

91. Return of Deposits. Pursuant to the *Final Order Pursuant to 11 U.S.C. §§ 366 and 105(a) (I) Approving Debtors’ Proposed Form of Adequate Assurance of Payment to Utility Companies, (II) Establishing Procedures for Resolving Objections by Utility Companies, and (III) Prohibiting Utility Companies from Altering, Refusing, or Discontinuing Service* [Docket No. 329] (the “*Utilities Order*”), on the Effective Date, the Debtors are authorized to release any and all funds deposited into any segregated accounts maintained for the benefit of any utility companies pursuant to the Utilities Order and such funds shall be available to the Debtors.

92. Retention of Causes of Action and Reservation of Rights. Except as expressly provided in Section 10.11 of the Plan or this Order, and subject to Sections 5.19, 10.5, 10.6, 10.7, and 10.8 of the Plan, nothing contained in the Plan or this Order shall be deemed to be a waiver or relinquishment of any rights, Claims, Causes of Action (including Avoidance Actions), rights of setoff or recoupment, or other legal or equitable defenses that the Debtors had immediately before the Effective Date on behalf of the Estates or of themselves in accordance with any provision of the Bankruptcy Code or any applicable nonbankruptcy law. Subject to Sections 5.19, 10.5, 10.6, 10.7, and 10.8 of the Plan, the Reorganized TK Holdings Trust shall

have, retain, reserve, and be entitled to assert all such Claims, Causes of Action (including Avoidance Actions), rights of setoff, or recoupment, and other legal or equitable defenses as fully as if the Chapter 11 Cases had not been commenced, and all of the Debtors' legal and equitable rights in respect of an Unimpaired Claim may be asserted after the Effective Date to the same extent as if the Chapter 11 Cases had not been commenced. For the avoidance of doubt, on the Effective Date, all Avoidance Actions that relate to the continued operation of the Business (as defined in the U.S. Acquisition Agreement), Reorganized Takata, or the Warehousing Entity, including with respect to ongoing trade vendors, suppliers, licensors, manufacturers, strategic or other business partners, customers, employees, or counterparties to all Purchased Contracts to be acquired by the Plan Sponsor, assumed by Reorganized Takata, or assumed and assigned to the Warehousing Entity shall be waived and released. For the avoidance of doubt, no rights, Claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses of the Debtors against the Consenting OEMs are preserved under the Plan, and all such rights, Claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses of the Debtors against the Consenting OEMs are being released pursuant to Section 5.19(j) of the Plan.

93. Dissolution of the Committees; Discharge of the Future Claims

Representative. Upon the Effective Date, (i) the Committees shall be dissolved, (ii) the retention and employment of the Committees' respective attorneys, accountants, and other professionals and agents shall terminate, (iii) the retention and employment of the Future Claims Representative's attorneys, experts, and other professionals and agents shall terminate, and (iv) the Future Claims Representative (subject to paragraph 57 of this Order) and the Committees and their respective current and former members shall be released and discharged of and from all

further authority, duties, responsibilities, and obligations related to and arising from and in connection with the Chapter 11 Cases; *provided, however*, that the Committees shall not be dissolved and the Future Claims Representative shall not be discharged, and the retention and employment of their respective attorneys and other professionals and agents shall not terminate, solely with respect to (i) prosecuting and defending any fee applications or related objections, (ii) prosecuting or participating in any appeals or stays of any orders related to the Plan until such time as such orders become Final Orders, and (iii) enforcing the terms of the Settlement Term Sheets to the extent not enforced by the Legacy Trustee or the PSAN PI/WD Trustee, as applicable.

94. Removal of Related Proceedings. Notwithstanding anything herein or in any prior order of the Court to the contrary, including the *Order Pursuant to Fed. R. Bankr. P. 9006(b) and 9027 and Local Rule 9006-2 Enlarging the Time Within Which to File Notices of Removal of Related Proceedings* [Docket No. 780] (the “**Removal Order**”), the time period provided by Bankruptcy Rule 9027 within which the Debtors or any other party as contemplated by 28 U.S.C. § 1452 may file notices of removal of the Civil Actions (as defined in the Removal Order), as well as any other civil proceeding that may be removed pursuant to 28 U.S.C. § 1452, is enlarged and extended to the date that is seven (7) days following the filing with the Court of the Notice of Effective Date (as herein defined).

95. State Governmental Claims. The Hawai’i Claim, the USVI Claim, and the New Mexico Claim are properly classified as Class 9 (Subordinated Claims).

96. The Hawai’i Proceeding, the USVI Proceeding, and the New Mexico Proceeding are subject to the Plan Injunction.

97. ACTS. Notwithstanding any other provision in this Order, the *Limited Objection of Automotive Coalition for Traffic Safety, Inc. to Confirmation of the Third Amended Joint Plan of Reorganization of TK Holdings and its Affiliated Debtors* [Docket No. 1948] (the “*ACTS Limited Plan Objection*”) and the *Objection of Automotive Coalition for Traffic Safety, Inc. to Assumption of Executory Contract and Proposed Cure Amount* [Docket No. 1951] (the “*ACTS Contract Objection*”) are continued to the March 26, 2018 omnibus hearing. Until such hearing, (i) the ACTS IP (as defined in paragraph 2 of the ACTS Limited Plan Objection), and (ii) the ACTS Agreements (referenced in paragraph 1 of the ACTS Contract Objection) shall not be deemed to be Purchased Assets transferred to the Plan Sponsor.

98. Fisher. Subject to paragraph 89 of this Order, nothing in this Order or the Plan shall serve as an adjudication, finding or determination of the nature, extent, validity, priority or amount of the claims asserted in the Claim filed by Mr. and Mrs. Robert C. Fisher [Proof of Claim No. 3621] (the “*Fisher Claim*”) against the Debtors, including, to the extent asserted in the Fisher Claim or the *Limited Objection of Mr. and Mrs. Robert C. Fisher to (I) Notice of Proposed Cure Costs (D.I. 1703), (II) Notice of Rejection of Executory Contracts and Unexpired Leases (D.I. 1860), and (III) Confirmation of the Third Amended Joint Chapter 11 Plan of Reorganization of TK Holdings Inc. and Its Affiliated Debtors* [Docket No. 1947], claims Mr. and Mrs. Fisher have asserted against: (i) Sun Life Financial Insurance Policy, Policy Number 020169319; (ii) Pacific Life, Pacific Secure Income Fixed, Deferred Income Annuity 2015-8EJSL-1; or (iii) any other annuity contracts or insurance policies purchased by the Debtors for the benefit of Mr. and Mrs. Robert C. Fisher. All of the parties’ respective rights with respect thereto are hereby reserved.

99. H&H. Notwithstanding anything to the contrary in the Solicitation Procedures Order, the Disclosure Statement, the Plan, any Ballot for voting on the Plan, this Order, any Plan Documents, or any amendment or supplement to any of the foregoing items: (1) Howard & Howard Attorneys PLLC (“**H&H**”) holds only a General Unsecured Claim in the amount of \$7,151.50 against TKH, which Claim is Impaired under the Plan, and therefore H&H is entitled to exercise, and has timely exercised, its right to opt out of the Releases set forth in Section 10.6(b) of the Plan; (2) H&H withdrew Claim No. 2743 effectively via its *Notice of Withdrawal* filed on January 26, 2018 [Docket No. 1828] and the Ballot pertaining to Claim No. 2743 (bearing Voter ID 60745) was cancelled and, consequently, H&H’s failure to vote such Ballot does not impair H&H’s opt out of the Releases in Section 10.6(b) of the Plan; and (3) H&H has not granted any Released Party any release whatsoever in connection with these Chapter 11 Cases, and all of H&H’s defenses to any Cause of Action are expressly preserved.

100. Infor. Notwithstanding anything to the contrary in the Plan, this Order, the U.S. Acquisition Agreement or any notices of assumption or assumption and assignment of executory contracts filed by the Debtors, absent a further order of this Court or agreement between the applicable parties, (i) none of the agreements between one or more of the Debtors, on the one hand, and Infor (US), Inc. (including any of its predecessors-in-interest) (“**Infor Agreements**”) shall be assumed, assumed and assigned, or otherwise transferred to any party, (ii) no Infor Agreement, software, products or services shall be transferred to any party, (iii) no Infor Agreement, software, products or services shall be subject to the Transition Services Agreement or the Shared Services Agreement contemplated by the Plan, and (iv) all parties’ rights are specifically reserved with respect to the Infor Agreements, including but not limited to, their assumption, assignment, transferability, cure issues, adequate assurance or otherwise.

101. Pacific Sintered. Notwithstanding anything to the contrary in the Plan or this Order, Pacific Sintered Metal, Inc.'s opt out of the releases in Section 10.6(b) of the Plan elected in the Plan Ballot timely submitted by Pacific Sintered Metals, Inc. (identified in the Ballot as "Pacific Sintered") is valid and effective as to Pacific Sintered Metals, Inc. and its affiliates ("*Pacific*") regardless of the treatment, amount, priority, classification, allowance or disallowance of any Claim of Pacific under the Plan, whether or not all or any portion of Pacific's Claims are Unimpaired, whether or not any of Pacific's executory contracts are assumed and assigned and the Cure Amounts thereunder paid in accordance with the Plan, or whether any of Pacific's Claims or any portion thereof are allowed as an Administrative Expense Claim rather than as General Unsecured Claims. Further, such opt out by Pacific does not release, diminish, impair or otherwise affect Pacific's rights, Claims and remedies whether or not any of its executory contracts are assumed, assumed and assigned or rejected, or the amounts of its Claims, which are reserved.

102. Sigma. Notwithstanding anything herein to the contrary, Sigma International Inc. ("*Sigma*") shall be paid, by the Debtors, the Reorganized TK Holdings Trust and/or the Plan Sponsor, pursuant to and in accordance with, *inter alia*, Section 2.3(a) of the Plan, for any allowed postpetition amounts owed on any unpaid invoices in accordance with the terms and subject to the conditions of any invoices, orders, or agreements by and between Sigma and the Debtors, the Reorganized Debtors and/or the Plan Sponsor.

103. TX Litigation. Notwithstanding any provision of this Order, the Plan or any Plan-related documents to the contrary, and for the avoidance of doubt, if any, nothing in the Plan or this Order shall release, prejudice, impair or otherwise affect any claims by (i) Serena Martinez, (ii) Rene De Los Santos Olveda, (iii) Richard Walter Mott, (iv) Roxana Hernandez

Mott, (v) Jesus Pena, (vi) Maria Pena, (vii) Juan Perez, (viii) Haisa Utter, (ix) Pedro Utter, (x) Gennise Marquez, (xi) Individually and as Next Friend of XXXXX XXXXX, (xii) Bobby J. Mason, (xiii) Sandra Perez, Individually and as Next Friend of XXXXX XXXXX, (xiv) Jesus Jaime Perez, (xv) Jose Alberto Perez, (xvi) Julio Grajales, (xvii) Olga G. Perez, (xviii) Harold D. Langley, (xix) Nadia Navejas, Individually and as Next Friend of XXXX XXXXXX and XXX XXXXXX, (xx) Ana Torres, (xxi) Gregory Torres, (xxii) Homero Galindo, (xxiii) Argelia Galindo, Individually and as Next Friend of XXXXXXXX XXXXXXXX, (xxiv) Homero Galindo, Jr. as existing Plaintiffs of record and San Juanita Marisela Rodriguez, (xxv) Miguel Angel Almaguer, (xxvi) Phillip Lopez, (xxvii) Rolando Galindo, (xxviii) Teresita Hambly, (xxix) Elvira Langley, (xxx) Merle Mott, (xxxi) Becky Davis, (xxxii) Stan Davis, (xxxiii) Antonio Flores, (xxxiv) Ernest Flores, (xxxv) Rosa Flores, (xxxvi) Rosa Flores, parent of E.D., (xxxvii) Rosa Flores – J.D., (xxxviii) Beatriz Galvan, (xxxix) Jose Luis Galvan, (xl) Tomasita Galvan, (xli) Mary Jason, (xlii) Chris Robles, individually, (xliii) Chris Robles, estate of Lucia Robles, (xliv) Mark Robles, (xlv) Sofia Robles, (xlvi) Juan Rodriguez, (xlvii) Maria Guadalupe Rodriguez, (xlviii) and Matilda Rodriguez (collectively, the “*TX Plaintiffs*”) against the existing, as of the date hereof, non-Debtor Defendants (the “*TX Third Parties*”) in Cause No. 16-09-33479, pending before the District Court of the 365th Judicial District in Maverick County, Texas (the “*TX Litigation*”). Notwithstanding any provision of this Order or the Plan to the contrary, the automatic stay provisions under section 362(a) of the Bankruptcy Code and any injunctions, stays or similar provisions in the Plan or this Order, shall be modified and lifted to the extent necessary to enable any TX Plaintiffs to become Plaintiffs of record in the TX Litigation and for the TX Plaintiffs to prosecute the TX Litigation to final judgment or settlement against the Debtors and the TX Third Parties and to engage in one or more legal actions with

Debtors' insurers to collect against Debtors' insurance coverage; *provided, however*, that the TX Plaintiffs may attempt to recover any liquidated final judgment or settlement against the Debtors with respect to the TX Litigation solely from insurance coverage, if any, available under one or more insurance policies issued to the Debtors that cover the TX Litigation and are: (1) not PI/WD Insurance Policies or (2) are PI/WD Insurance Policies that contain an exclusion for products-completed operations claims; for the avoidance of doubt, if any, the foregoing shall not impede the TX Plaintiffs ability to recover from any TX Third Parties either directly or through their insurance. The Debtors will use commercially reasonable efforts to obtain and provide the relevant insurance policies but will have no further duties to cooperate including to participate in any discovery. Notwithstanding any provision of the Plan or this Order to the contrary, to the extent there are any PI/WD Insurance Policies that contain an exclusion for products-completed operation claims, and such policies provide or may provide coverage for the TX Litigation, the PSAN PI/WD Trust agrees that its right to pursue such coverage will not be exclusive and that the TX Plaintiffs may immediately pursue and receive payment on claims against such policies.

104. Separate Plans. The Plan constitutes a separate chapter 11 plan for each Debtor. Voting was properly calculated on a Debtor-by-Debtor basis, and, except as otherwise provided in the Plan or this Order, the Debtors are authorized to make distributions on a Debtor-by-Debtor basis.

105. Documents, Mortgages, and Instruments. Each federal, state, commonwealth, local, foreign, or other governmental agency is hereby authorized to accept any and all documents, mortgages, and instruments necessary or appropriate to effectuate, implement, or consummate the transactions contemplated by the Plan and this Order.

106. Revocation or Withdrawal of the Plan. The Debtors are hereby granted the right to revoke or withdraw the Plan prior to the Effective Date as to any or all of the Debtors. If, with respect to a Debtor, the Plan has been revoked or withdrawn prior to the Effective Date, or if the occurrence of the Effective Date as to such Debtor does not occur on the Effective Date, then, with respect to such Debtor: (i) the Plan shall be null and void in all respects; (ii) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount any Claim or Interest or Class of Claims or Interests), assumption or rejection of executory contracts or unexpired leases affected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void; and (iii) nothing contained in the Plan shall (a) constitute a waiver or release of any Claim by or against, or any Interest in, such Debtor or any other Person; (b) prejudice in any manner the rights of such Debtor or any other Person; or (c) constitute an admission of any sort by any Debtor or any other Person.

107. Reversal/Stay/Modification/Vacatur of Order. Except as otherwise provided in this Order, if any or all of the provisions of this Order are hereafter reversed, modified, vacated, or stayed by subsequent order of this Court, or any other court, such reversal, stay, modification, or vacatur shall not affect the validity or enforceability of any act, obligation, indebtedness, liability, priority, or lien incurred or undertaken by the Debtors or the Reorganized Debtors, as applicable, prior to the effective date of such reversal, stay, modification, or vacatur. Notwithstanding any such reversal, stay, modification, or vacatur of this Order, any such act or obligation incurred or undertaken pursuant to, or in reliance on, this Order prior to the effective date of such reversal, stay, modification, or vacatur shall be governed in all respects by the provisions of this Order, the Plan, the Plan Documents, or any amendments or modifications to the foregoing.

108. Retention of Jurisdiction. Notwithstanding the entry of this Order or the occurrence of the Effective Date, pursuant to sections 105 and 1142 of the Bankruptcy Code, this Court, except as otherwise provided in the Plan, the Plan Documents, or this Order, shall retain exclusive jurisdiction over all matters arising out of, and related to, the Chapter 11 Cases to the fullest extent as is legally permissible, including jurisdiction over the matters set forth in Article XI of the Plan.

109. Exemption from Certain Transfer Taxes. Pursuant to section 1146(a) of the Bankruptcy Code, the assignment or surrender of any lease or sublease, or the delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with the Plan, including any deeds, bills of sale, or assignments executed in connection with any disposition of assets contemplated by the Plan, including the sale of the Purchased Assets to the Plan Sponsor under the U.S. Acquisition Agreement, shall not be subject to any stamp, real estate transfer, mortgage recording, or other similar tax.

110. Modifications and Amendments. The Plan and the other Plan Documents may be amended, modified, or supplemented by the Debtors in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Court; *provided, however*, that any such amendments, modifications, or supplements shall be made in accordance with the terms of the U.S. RSA. In addition, after the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Allowed Claims pursuant to the Plan, the Debtors may remedy any defect or omission or reconcile any inconsistencies in the Plan, the Plan Documents, or this Order with respect to such matters as may be necessary to carry out the purposes or effects of the Plan, and any holder of a Claim or

Interest that has accepted the Plan shall be deemed to have accepted the Plan as amended, modified, or supplemented. Prior to the Effective Date, the Debtors may make appropriate technical adjustments and modifications to the Plan and the Plan Documents without further order or approval of the Court; *provided, however*, that such technical adjustments and modifications do not adversely affect in a material way the treatment of holders of Claims or Interests under the Plan.

111. Consent Rights of Certain Parties. Notwithstanding anything in the Plan or this Order to the contrary, any and all consent rights of the Restructuring Support Parties, the Committees, and the Future Claims Representative, as set forth in the U.S. RSA, the Settlement Term Sheets, or Section 1.4 of the Plan, as applicable, with respect to the form and substance of the Plan, all Exhibits to the Plan, the Plan Supplement, and the other Plan Documents, including any amendments, restatements, supplements, or other modifications to such documents, and any consents, waivers, or other deviations under or from any such documents, shall be incorporated herein by this reference (including to the applicable definitions in Section 1.1 of the Plan) and fully enforceable as if stated in full herein.

112. Applicable Non-Bankruptcy Law. Pursuant to section 1123(a) and 1142(a) of the Bankruptcy Code, the provisions of this Order, the Plan, and related documents, or any amendments or modifications thereto shall apply and be enforceable notwithstanding any otherwise applicable non-bankruptcy law.

113. Waiver of Filings. Any requirement under section 521 of the Bankruptcy Code or Bankruptcy Rule 1007 obligating the Debtors to file any list, schedule, or statement with the Court or the Office of the U.S. Trustee (except for monthly operating reports or any other

post-confirmation reporting obligations to the U.S. Trustee), is hereby waived as to any such list, schedule, or statement not filed as of the Confirmation Date.

114. Governmental Approvals Not Required. This Order shall constitute all approvals and consents required, if any, by the laws, rules, or regulations of any state or other governmental authority with respect to the implementation or consummation of the Plan and any documents, instruments, or agreements, and any amendments or modifications thereto, and any other acts referred to in, or contemplated by, the Plan and the Disclosure Statement.

115. Nonoccurrence of the Effective Date. In the event that the Effective Date does not occur, then (i) the Plan, (ii) the rejection of executory contracts or unexpired leases pursuant to the Plan, (iii) any document or agreement executed pursuant to the Plan, and (iv) any actions, releases, waivers, or injunctions authorized by this Order or any order in aid of consummation of the Plan shall be deemed null and void. In such event, nothing contained in this Order, any order in aid of consummation of the Plan, or the Plan, and no acts taken in preparation for consummation of the Plan shall be (y) deemed to constitute a waiver or release of any Claims against or Interests in the Debtors or any other Persons, to prejudice in any manner the rights of the Debtors or any person or entity in any further proceedings involving the Debtors or otherwise, or to constitute an admission of any sort by the Debtors or any other Persons as to any issue, or (z) construed as a finding of fact or conclusion of law in respect thereof.

116. Notice of Entry of Confirmation Order. On or before the thirtieth (30th) day following the date of entry of this Order, the Debtors shall serve notice of entry of this Order (which, in the Debtors' discretion, may be combined with the Notice of the Effective Date (as defined below)) pursuant to Bankruptcy Rules 2002(f)(7), 2002(k), and 3020(c) on all known creditors and interest holders, the U.S. Trustee, and other parties in interest, by causing notice of

entry of the Confirmation Order (the “*Notice of Confirmation*”), to be delivered to such parties by first-class mail, postage prepaid. The Debtors shall also post the Notice of Confirmation on the website maintained by the Debtors’ claims and noticing agent, at <https://restructuring.primeclerk.com/takata>. The notice described herein is adequate under the particular circumstances and no other or further notice is necessary.

117. Notice of the Effective Date. On the Effective Date, the Legacy Trustee shall file a notice of the occurrence of the Effective Date (the “*Notice of Effective Date*”) with the Court. As soon as practicable after the occurrence of the Effective Date, the Legacy Trustee, on behalf of the Reorganized Debtors, shall serve the Notice of Effective Date on all holders of Claims and Interests, the U.S. Trustee, and other parties in interest, by causing the Notice of Effective Date to be delivered to such parties by first-class mail, postage prepaid.

118. Substantial Consummation. On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127 of the Bankruptcy Code.

119. Severability. Each term and provision of the Plan, as it may have been altered or interpreted by the Court in accordance with Section 12.7 of the Plan, is (i) valid and enforceable pursuant to its terms, (ii) integral to the Plan and may not be deleted or modified except in accordance with the terms of the Plan, and (iii) nonseverable and mutually dependent.

120. Governing Law. Except to the extent that the Bankruptcy Code or other federal law is applicable or to the extent that a Plan Document provides otherwise, the rights, duties, and obligations arising under the Plan and the Plan Documents shall be governed by, and construed and enforced in accordance with, the internal laws of the State of New York, without giving effect to the principles of conflicts of laws thereof (other than section 5-1401 and section 5-1402 of the New York General Obligations Law).

121. Immediate Effectiveness; Waiver of Stay. The requirements under Bankruptcy Rule 3020(e) that an order confirming a plan is stayed until the expiration of fourteen (14) days after entry of the order are hereby waived. The terms and provisions of this Order shall be immediately effective and shall not be stayed pursuant to Bankruptcy Rules 3020(e), 6004(h), 6006(d), or 7062.

122. Inconsistency. To the extent of any inconsistency between this Order and the Plan, this Order shall govern.

123. No Waiver. The failure to include specifically any particular provision of the Plan in this Order will not diminish the effectiveness of such provision nor constitute a waiver thereof, it being the intent of the Court that the Plan is confirmed in its entirety and incorporated herein by this reference.

124. Final Order. This Order is a Final Order and the period in which an appeal must be filed shall commence upon the entry hereof.

The PSAN PI/WD Trustee shall have no obligation to use any other funds of, or administered by, the PSAN PI/WD Trust therefor, including, without limitation, PSAN PI/WD Funds, Other PI/WD Funds, any part of the Consenting OEM Contributions, any TKJP Contribution Amount, or Plan Sponsor Contribution Amount, amounts in the Disputed Contributions Reserve, or PSAN PI/WD Top-Up Amounts. The PSAN PI/WD Trustee shall have no obligation to use any other funds of, or administered by, the PSAN PI/WD Trust therefor, including, without limitation, PSAN PI/WD Funds, Other PI/WD Funds, any part of the Consenting OEM Contributions, any TKJP Contribution Amount, or Plan Sponsor Contribution Amount, amounts in the Disputed Contributions Reserve, or PSAN PI/WD Top-Up Amounts. 503(b)(5), or 1103 of the Bankruptcy Code shall (i) file, on or before the date that is forty five (45) days after the Effective Date, their respective applications for final allowances of compensation for services rendered and reimbursement of expenses incurred and (ii) be paid in full, in Cash, in such amounts as are Allowed by the Bankruptcy Court or authorized to be paid in accordance with the order(s) relating to or allowing any such Fee Claim. On the Effective Date, the Debtors shall establish and fund the Fee Escrow Account. The Debtors shall fund the Fee Escrow Account with Cash equal to the Professional Persons' good faith estimates of the Fee Claims. Funds held in the Fee Escrow Account shall not be considered property of the Debtors' Estates or property of the Reorganized Debtors, but shall revert to the Reorganized TK Holdings Trust only after all Fee Claims allowed by the Bankruptcy Court have been irrevocably paid in full. The Fee Escrow Account shall be held in trust for Professional Persons retained by the Debtors and for no other parties until all Fee Claims Allowed by the Bankruptcy Court have been paid in full. Fees owing to the applicable Professional Persons shall be paid in Cash to such Professional Persons from funds held in the Fee Escrow Account when such Claims are Allowed by an order of the Bankruptcy Court or authorized to be paid under the Order Establishing Procedures for Interim Compensation and Reimbursement of Expenses of Professionals; *provided, however*, that the Reorganized Debtors' obligations with respect to Fee Claims shall not be limited by nor deemed limited to the balance of funds held in the Fee Escrow Account. To the extent that funds held in the Fee Escrow Account are insufficient to satisfy the amount of accrued Fee Claims owing to the Professional Persons, such Professional Persons shall have an Allowed Administrative Expense Claim for any such deficiency, which shall be satisfied in accordance with section 2.3 of this Plan (but for the avoidance of doubt shall not be subject to any Administrative Expense Claims Bar Date). No Claims, Interests, Liens, other encumbrances, or liabilities of any kind shall encumber the Fee Escrow Account in any way. Notwithstanding the foregoing, Professional Persons performing services on behalf of either of the Committees or the Future Claims Representative following the Effective Date in connection with the enforcement of the UCC Term Sheet or the TCC/FCR Term Sheet, as applicable, any appeals or stays of any orders related to the Plan until such time as such orders become Final Orders, and the preparation of or objection to fee applications are entitled to payment of reasonable fees and reimbursement of reasonable expenses related to such work. Solely with respect to the immediately foregoing sentence, any such Professional Person may seek compensation for such fees and expenses by submitting invoices to the Legacy Trustee for payment out of the Reorganized TK Holdings Trust Reserve, and any undisputed invoices shall be paid in the ordinary course of business; *provided, however*, that such post-Effective Date fees shall not exceed \$500,000 in the aggregate for all such Professional Persons without the prior written consent of the Legacy Trustee or order of the Bankruptcy Court, which consent or order shall only be provided or entered upon a determination or finding, as applicable, that the Reorganized TK Holdings Trust Reserve is otherwise sufficiently funded based on reasonably conservative estimates of the future amounts required to be funded out of the Reorganized TK Holdings Trust Reserve.

(d) **Oversight Committee.** The Oversight Committee comprised of three (3) members shall be appointed to serve as the board of managers of TK Global LLC. Two (2) members of the Oversight Committee shall be selected by the Warehouse Consenting OEMs and may include representatives of the Consenting OEMs. The remaining Independent Member of the Oversight Committee shall be selected by the Debtors, subject to the reasonable consent of the Warehouse Consenting OEMs, and shall not be an “insider” of Takata, the Consenting OEMs, or the Plan Sponsor. The Oversight Committee shall have governance rights over TK Global LLC. The Oversight Committee, among other things, will review and approve budgets, forecasts, and cash flow projections of TK Global LLC and its subsidiaries, including Reorganized Takata and the Warehousing Entity.

(e) **Exculpation of Plan Administrator and Oversight Committee.** The Plan Administrator and the Oversight Committee shall be exculpated (subject, in each case, to exceptions for willful misconduct, bad faith, gross negligence, or fraud) to the fullest extent allowable by applicable law with respect to the operation and wind-down of TK Global LLC, Reorganized Takata’s estates, and the Warehousing Entity, including the services the Plan Administrator provides to Reorganized Takata related to the manufacture and sale of PSAN Inflators to PSAN Consenting OEMs, the liquidation of Reorganized Takata’s remaining assets, the services the Plan Administrator provides to the Warehousing Entity related to the warehousing, shipping, and disposal of the Warehoused PSAN Assets, and the liquidation of the Warehousing Entity’s remaining assets.

(f) **Shared Services Agreement.** Certain services shall be provided by TK Global LLC to each of Reorganized Takata and the Warehousing Entity in accordance with the scope and the terms of the Shared Services Agreement.

(g) **U.S. Federal Income Tax Treatment of TK Global LLC.** TK Global LLC will be treated as an entity disregarded from its owner, the Reorganized TK Holdings Trust, for purposes of U.S. federal income tax.

(h) **Dissolution.** TK Global LLC, the Plan Administrator, and the Oversight Committee shall be dissolved or discharged, as applicable, upon completion of their duties, but in no event shall TK Global LLC be dissolved later than the Non-PSAN PI/WD Claims Termination Date or such shorter or longer period authorized by the Bankruptcy Court.

5.8 Reorganized Takata.

(a) **Ownership and Governance of Reorganized Takata.** On the Effective Date, and in accordance with and pursuant to the terms of the Plan, TK Global LLC shall become the sole equity interest holder of Reorganized TK Holdings. As of the Effective Date, the terms of the current members of the board of directors of TKH shall expire without further action by any Person and new members shall be appointed to the board of directors of Reorganized TKH.

(b) **The Authorized Purposes.** Other than with respect to the Assumed PSAN Contracts and any renewals or extensions thereof or in respect of production of current model series (including current and past model Service Parts) as set forth herein and the continuation of any contracts between the Debtors' non-Debtor Affiliates and the PSAN Consenting OEMs for the manufacture and sale of PSAN Inflators, which such contracts shall be assumed by Reorganized TK Holdings or its applicable subsidiary as of the Effective Date in a manner similar to the assumption of Assumed PSAN Contracts and in accordance with the Global Accommodation Agreement, Reorganized Takata shall not enter into any new contracts for the sale of PSAN Inflators after the Effective Date, and Reorganized Takata shall not agree or consent to any amendment to the NHTSA Consent Order without the prior written consent of the Consenting OEMs. In no event shall any Cash on hand or the Post-Closing Reserve be used by Reorganized Takata to manufacture PSAN Inflators for a non-Consenting OEM unless such non-Consenting OEM becomes a PSAN Consenting OEM as provided by this Plan. In the event that any proposed modification to the NHTSA Consent Order may negatively affect the Plan Sponsor in respect of its obligations to provide the Services (as defined in the Transition Services Agreement) under the Transition Services Agreement, the Plan Administrator shall first consult with the Plan Sponsor. On the Effective Date, Reorganized Takata shall become party to the Plan Sponsor Backstop Funding Agreement and possess all of the rights and be subject to all of the obligations of Reorganized Takata under and as set forth in the Plan Sponsor Backstop Funding Agreement.

(c) **Post-Closing Reserve.** The Post-Closing Reserve shall provide the initial capitalization for Reorganized Takata, and the Reorganized Takata Post-Closing Cash shall provide the working capital for Reorganized Takata. The anticipated costs of winding down Reorganized Takata are to be covered from the Post-Closing Reserve (to the extent available) and the Reorganized Takata Post-Closing Cash. The Post-Closing Reserve shall be held by Reorganized Takata and administered by the Plan Administrator. Consenting OEMs that are not PSAN Consenting OEMs will not be required to support in any way the operations of Reorganized Takata. Upon expiration of the Operating Term, the Plan Administrator shall transfer the remaining Cash in the Post-Closing Reserve allocated to the costs and fees of the Special Master and his professionals to the PSAN PI/WD Trust, to be held by the PSAN PI/WD Trustee for the costs and fees of the Special Master and his professionals.

(d) **Special Master Retainer.** The Special Master shall submit to the Plan Administrator monthly invoices setting forth in reasonable detail the work completed by the Special Master during such monthly period. The Plan Administrator shall pay the fees and costs of the Special Master and his professionals in accordance with the terms and conditions in the Special Master's engagement agreement with TKJP, as approved by the United States District Court for the Eastern District of Michigan on September 13, 2017. In the event the Plan Administrator has not paid the Special Master all fees and costs within thirty (30) days upon receipt of a monthly invoice, the Special Master may immediately apply funds in the Special Master Retainer to make such payment; *provided, however*, that the foregoing shall not otherwise limit the Plan Administrator's ability to dispute any of the Special Master's fees or costs or the application of the retainer in the United States District Court for the Eastern District of Michigan. In the event of overdue payment, the Plan Administrator shall pay the Special Master, by wire transfer, within ten (10) days of the Special Master giving notice to the Plan

Administrator of the application of the Special Master Retainer, the funds necessary to restore the Special Master Retainer to its full value.

(e) **Employees.** Reorganized Takata shall retain or hire employees as necessary to manufacture and sell PSAN Inflators after the Effective Date, including equipment and machinery operators, safety and regulatory specialists and engineers. Certain personnel of the Plan Sponsor shall resign from Plan Sponsor and shall be hired by Reorganized Takata, if necessary, pursuant to the Transition Services Agreement. In some instances, services of certain employees of TK Global LLC shall be provided to Reorganized Takata pursuant to the terms of the Shared Services Agreement, and such employees shall be paid directly from the Post-Closing Reserve in accordance with the Reorganized Takata Business Model.

(f) **Operating Term.** Reorganized Takata's operations related to the production of PSAN Inflators shall continue solely for the Authorized Purposes during the Operating Term. Reorganized Takata shall continue in existence solely for the purposes specified herein until all Claims, if any, against Reorganized Takata have been fully resolved, and all other duties and functions of the Plan Administrator with respect to Reorganized Takata as set forth in the Plan have been fully performed.

(g) **Subordination of PSAN Consenting OEM Claims.** Any Claims of PSAN Consenting OEMs against Reorganized Takata shall be subordinated to certain Claims and rights of the Plan Sponsor in accordance with section 5 of the Indemnity Agreement.

(h) **Forbearance of PSAN Consenting OEM Claims.** During the Operating Term, the PSAN Consenting OEMs shall forbear from exercising remedies with respect to any Claims arising from PSAN recalls and PSAN-related indemnity and monetary warranty Claims (excluding any other Claims, including Claims arising from non-conforming parts, short shipments, or other ordinary course Claims, and non-monetary warranty obligations) against Reorganized Takata.

(i) **Reporting Requirements.** Reorganized Takata shall be responsible for all disclosure, reporting, and warning obligations regarding the manufacture and sale of PSAN Inflators by Reorganized Takata to the extent required to be made to the PSAN Consenting OEMs and (without limiting the independent disclosure, reporting, and warning obligations of such PSAN Consenting OEMs) consumers and regulators; *provided, however*, that Reorganized Takata shall include the Plan Administrator and the Independent Member of the Oversight Committee in any meetings between Reorganized Takata and its applicable regulators. The Plan Administrator will be responsible for developing budgets, forecasts, cash flow projections, and reporting against budgets, each subject to review and approval by the Oversight Committee. The obligations of Reorganized Takata under this section 5.8(i) shall terminate automatically and without further consent or order upon expiration of the Operating Term.

(j) **Insurance.** Subject to the reasonable consent of the Requisite PSAN Consenting OEMs, Reorganized Takata may fund an upfront premium payment to purchase products liability, economic loss, directors' and officers', and other liability cap insurance policies.

(k) **Independent Consultant.** The PSAN Consenting OEMs will have the right to engage the Independent Consultant if agreed by the Requisite PSAN Consenting OEMs to conduct an assessment and make a report to the PSAN Consenting OEMs on a quarterly basis of Reorganized Takata's operations, including quality control, safety, and manufacturing systems (including all systems from receiving to shipping). Reorganized Takata shall pay for such Independent Consultant through the Post-Closing Reserve solely to the extent that the Plan Administrator believes that sufficient funds exist in the Post-Closing Reserve for such purpose. Otherwise, the PSAN Consenting OEMs shall pay all costs associated with the Independent Consultant. The Independent Consultant will also monitor Reorganized Takata's financial and general business affairs. A copy of the reports produced by the Independent Consultant will be provided to the Oversight Committee.

(l) **Dissolution Date Cash and Residual Value.** Any Dissolution Date Cash in Reorganized Takata following expiration of the Operating Term and wind down of Reorganized Takata shall be available (i) first, to pay existing creditors of Reorganized Takata (including PSAN Consenting OEMs on account of any non-contingent recall related claims against Reorganized Takata and the Plan Sponsor on account of services provided to Reorganized Takata under the Transition Services Agreement) in accordance with section 5.8(g) of the Plan, (ii) second, to the Warehousing Entity Reserve to the extent that the Warehousing Entity has not been dissolved, (iii) third, to the Reorganized TK Holdings Trust Reserve to the extent that the Reorganized TK Holdings Trust has not been dissolved and such reserve is insufficiently funded to satisfy the purpose for which such reserve was established, and (iv) fourth, to a Claims Reserve to the extent that it is insufficiently funded to satisfy the purpose for which such reserve was established, but solely as to an applicable Debtor's Allocable Share of such Dissolution Date Cash; *provided, however*, that no Dissolution Date Cash in Reorganized Takata contributed by a non-Debtor affiliate shall be allocated to the Reorganized TK Holdings Trust Reserve pursuant to subparagraph (iii) above. The Legacy Trustee shall determine whether the Claims Reserves with respect to Administrative Expense PSAN PI/WD Claims are insufficiently funded to satisfy the purposes for which such reserves were established based on either the Claims Estimation Report or the Updated Claims Estimation Report, as applicable. After the Warehousing Entity has been dissolved, each Debtor's Allocable Share of the Residual Value of Reorganized Takata shall become Available Cash of such Debtor and, as applicable, be deposited into such Debtor's Recovery Funds and Disputed Claims Reserves pursuant to the Distribution Formula. Any Residual Value in the Post-Closing Reserve that was contributed by a non-Debtor affiliate of the Debtors shall be returned to such affiliate based on its funded share of the Post-Closing Reserve.

(m) **NHTSA Claims.** Notwithstanding section 4.4(e) of this Plan, the NHTSA Consent Order shall otherwise survive, as modified herein and in the Confirmation Order, and shall be binding (i) in its entirety upon TK Global LLC and (ii) on Reorganized TK Holdings and the Warehousing Entity with respect to provisions of the NHTSA Consent Order applicable to each of their respective Authorized Purposes, if any; *provided, however*, nothing herein shall prejudice NHTSA from asserting that any particular provision of the NHTSA Consent Order is applicable to Reorganized TK Holdings and/or the Warehousing Entity. For the avoidance of doubt, to the extent of each entity's responsibilities as outlined in the preceding sentence, paragraphs 19(b) and (c) of the NHTSA Consent Order shall be binding upon Reorganized TK Holdings, the Warehousing Entity, and TK Global LLC; *provided, however*,

that on or prior to the Effective Date, the Debtors shall have the right to object to the contingent civil penalties arising under paragraph 47 (as incorporated by reference in paragraph 19(c)) of the NHTSA Consent Order as a contingent prepetition Claim subject to discharge and NHTSA shall have the right to respond to such objection on any grounds, substantive or procedural. The obligations of Reorganized TK Holdings under the NHTSA Consent Order shall terminate automatically and without further consent or order upon expiration of the Operating Term.

(n) **Reorganized Takata Organizational Documents.** The organizational documents of Reorganized Takata, including the Reorganized TK Holdings Organizational Documents, shall require the consent of the Requisite PSAN Consenting OEMs to make certain material amendments to such documents.

(o) **U.S. Federal Income Tax Treatment of Reorganized TK Holdings.** Reorganized TK Holdings will be treated as a corporation for U.S. federal income tax purposes. Reorganized TK Holdings shall file (or cause to be filed) statements, returns, or disclosures relating to Reorganized TK Holdings that are required by any governmental unit. The Plan Administrator shall be responsible for payment, out of Reorganized Takata Post-Closing Cash, of any taxes imposed on Reorganized TK Holdings, including estimated and annual U.S. federal income taxes. The Plan Administrator may request an expedited determination of taxes of Reorganized TK Holdings under section 505(b) of the Bankruptcy Code for all returns filed for, or on behalf of, Reorganized TK Holdings for all taxable periods through the dissolution of Reorganized TK Holdings.

(p) **Access to Information.** Reorganized Takata shall maintain all product information (including model and serial numbers), drawings and test reports regarding the PSAN Inflators and airbag modules or assemblies that incorporate the PSAN Inflators, including both with respect to PSAN Inflators sold by any Debtor to or for the benefit of a Consenting OEM prior to the Effective Date (including prior to the Petition Date) and PSAN Inflators provided to the Plan Sponsor (or its applicable subsidiary) by Reorganized Takata after the Effective Date for Module Production, Kitting Operations, and PSAN Service Parts (each as defined in the Indemnity Agreement), solely to the extent that such information is necessary to track and identify such PSAN Inflators. Such information shall be provided by Reorganized Takata to (i) the Plan Sponsor (or its applicable subsidiary) and (ii) upon request, the applicable Consenting OEM that purchased such Products from the Debtors or Reorganized Takata. In conjunction with and prior to the wind-down of Reorganized Takata, Reorganized Takata shall transfer all such information to the Plan Sponsor (or its applicable subsidiary) to maintain in its capacity as a tier one supplier.

5.9 The Warehousing Entity.

(a) **Ownership and Governance of the Warehousing Entity.** On or before the Effective Date, and in accordance with and pursuant to the terms of the Plan, TK Global LLC shall be the holder of all the equity interests of the Warehousing Entity. Except as provided herein or in the Plan Administrator Agreement, the management of the Warehousing Entity shall be the responsibility of the Plan Administrator.

(b) **Warehousing Entity Organizational Documents.** On or before the Effective Date, all necessary steps shall be taken to establish the Warehousing Entity, including the adoption of the Warehousing Entity Organizational Documents. In the event of any conflict between the terms of the Plan and the terms of the Warehousing Entity Organizational Documents, the terms of the Plan shall govern.

(c) **Purpose of the Warehousing Entity.** The Warehousing Entity shall be formed to acquire, own, maintain, operate, and control the Warehoused PSAN Assets and to comply with the obligations under the NHTSA Preservation Order and all applicable laws and regulations, to dispose of PSAN Inflators in accordance with applicable environmental law, and any other obligations related to the Warehoused PSAN Assets; *provided, however*, that the Warehousing Entity shall only be responsible for the maintenance, shipping, and disposal of PSAN Inflators returned to and warehoused by Takata prior to the Effective Date (which for all purposes herein shall include those PSAN Inflators that the Warehouse Consenting OEMs demonstrate, by documentation or otherwise, are in transit to Takata as of the Effective Date). Notwithstanding the foregoing, upon request by a Warehouse Consenting OEM, the Warehousing Entity and such Warehouse Consenting OEM shall enter into an agreement for the maintenance, shipping, and disposal of PSAN Inflators returned after the Effective Date as long as (i) such agreement is in form and substance acceptable to the Warehousing Entity and such Warehouse Consenting OEM and (ii) all related costs are the sole responsibility of and paid by such Warehouse Consenting OEM. The Warehousing Entity shall be responsible for the payment of the Debtors' share of the costs of maintenance, shipping, and disposal of the Warehoused PSAN Assets returned prior to the Effective Date. The Debtors' share of such costs shall be based on the percentage of warehousing, shipping, and disposal costs attributable to the Debtors relative to all global warehousing, shipping, and disposal costs attributable to Takata; *provided, however*, that the funding of the Warehousing Entity Reserve from the Cash Proceeds pursuant to the Plan Settlement shall not be limited to the Debtors' share of such costs to the extent that the Warehousing Entity Reserve is not otherwise fully funded on the Effective Date taking into account any amounts funded by the Debtors' non-Debtor affiliates. For the avoidance of doubt, except with respect to certain obligations of the Plan Sponsor set forth in the Plan Sponsor Backstop Funding Agreement and the Transition Services Agreement, the Plan Sponsor shall have no obligations related to the maintenance, warehousing, shipping, or disposal of PSAN Inflators. On the Effective Date, the Warehousing Entity shall become party to the Plan Sponsor Backstop Funding Agreement and possess all of the rights and be subject to all of the obligations of the Warehousing Entity under and as set forth in the Plan Sponsor Backstop Funding Agreement. In furtherance of the purposes of the Warehousing Entity as described herein, the Warehousing Entity may form one or more wholly-owned subsidiaries that shall hold certain of the Warehousing Entity Assets.

(d) **United States Warehoused PSAN Inflator Cap.** The Warehousing Entity shall be responsible for all costs relating to PSAN Inflators returned to and warehoused in the United States by Takata as of February 16, 2018. The Warehousing Entity shall also be responsible for all costs relating to PSAN Inflators returned to and warehoused in the United States by Takata or the Warehousing Entity after February 16, 2018 as follows: (i) up to 200,000 per week on average (for clarity, such cap can be exceeded in any one week so long as the total of inflators returned does not exceed an average of 200,000 per week) for PSAN Inflators returned to Takata from February 16, 2018 through the Effective Date; and (ii) up to 1

million PSAN Inflatos in transit from OEM dealers, directly or indirectly, on the Effective Date, which shall not include any unused recall kits.

On the Effective Date, the Debtors shall transfer all the Warehousing Entity Assets to the Warehousing Entity free and clear of all Claims, Interests, Liens, other encumbrances, and liabilities of any kind but subject to section 10.15 of the Plan. On the Effective Date, the Warehoused PSAN Assets held by the Debtors shall vest in and be assumed and assigned to the Warehousing Entity and, subject to any limitations under law or contract, the Warehoused PSAN Assets held by certain non-Debtor affiliates shall be transferred and assigned to the Warehousing Entity.

(f) **The Warehousing Entity Disposal Trust Funds.** The Warehousing Entity shall fund the Warehousing Entity Disposal Trust Funds, as part of the Warehousing Entity Reserve, in accordance with **Schedule E** attached hereto. The Cash in the segregated Warehousing Entity Disposal Trust Fund for a State, including all interest, dividends, revenue, or other accretions thereto, shall be used exclusively for the disposal, in accordance with applicable environmental law, of PSAN Inflatos returned to and warehoused by the Debtors in the applicable State prior to the Effective Date (including those in transit and/or in accord with the terms and conditions of the TCEQ Settlement) and may not be used for any other purpose, subject to the terms set forth in this section 5.9(f). The Oversight Committee shall provide written quarterly reports to each Warehousing Entity Disposal Trust Fund Beneficiary setting forth information relating solely to the disposal of PSAN Inflatos returned prior to the Effective Date, including expenditures to date, remaining funding, the aggregate number of PSAN Inflatos disposed of, the aggregate number of PSAN Inflatos remaining to be disposed of, the estimated cost of disposal of remaining PSAN Inflatos, and copies of any contracts entered into for the disposal of PSAN Inflatos. At any time after the Effective Date, the Plan Administrator may, in writing by email or otherwise, request that the applicable Warehousing Entity Disposal Trust Fund Beneficiaries consent to the transfer of a specified portion of the Cash in the applicable Warehousing Entity Disposal Trust Fund that the Plan Administrator believes is not needed for the remaining disposal of PSAN Inflatos warehoused in the applicable State, with any such request to be accompanied by supporting documentation demonstrating the basis of such request, to either (i) another Warehousing Entity Disposal Trust Fund or (ii) if all Warehousing Entity Disposal Trust Funds are believed to have adequate funding, the Warehousing Entity Reserve. The applicable Warehousing Entity Disposal Trust Fund Beneficiaries shall use reasonable efforts to respond to the Plan Administrator's request in writing within fourteen (14) days of receipt of such request and, if the response is to deny approval of the request, shall provide the reasons for such denial. Notwithstanding that such Cash was held in trust for a Warehousing Entity Disposal Trust Fund Beneficiary, the Plan Administrator is authorized to transfer Cash out of the Warehousing Entity Disposal Trust Funds as set forth in this paragraph 5.9(e) upon either (i) written consent of the applicable Warehousing Entity Disposal Trust Fund

Beneficiaries, which such consent shall not be unreasonably withheld and may be by email from a person who the Plan Administrator reasonably believes has the authority to provide such consent, or (ii) order of the Bankruptcy Court. Upon the completion of the disposal of PSAN Inflators returned prior to the Effective Date warehoused in an applicable State, any remaining funds in the Warehousing Entity Disposal Trust Fund for such State shall be transferred to: (i) first, to any other Warehousing Entity Disposal Trust Fund if such fund is determined to have insufficient funds to accomplish its disposal obligations; and (ii) second, if such other Warehousing Entity Disposal Trust Funds have sufficient funds, then to the Warehousing Entity Reserve, notwithstanding that such funds were held in trust for Warehousing Entity Disposal Trust Fund Beneficiaries. The Plan Administrator shall (i) provide the Warehousing Entity Disposal Trust Fund Beneficiaries with access to the respective PSAN Warehouses for the purpose of inspection or for conducting response action at the PSAN Warehouses and (ii) notify the Warehousing Entity Disposal Trust Fund Beneficiaries of (a) the date(s) that any and all PSAN Inflators warehoused in Texas are shipped from Texas to Missouri or any other State in accordance with terms and conditions of the TCEQ Settlement and (b) the location of any and all facilities in Missouri or any other State to which such PSAN Inflators from Texas are being shipped and warehoused. The Warehousing Entity Disposal Trust Fund Beneficiaries shall not be deemed to be an owner, operator, trustee, partner, agent, shareholder, officer, or director of the Warehousing Entity Disposal Trust Fund or any Warehousing Assets as a result of this Plan.

(g) **Employees.** The Warehousing Entity shall retain or hire employees as necessary to administer and maintain the Warehoused PSAN Assets. In some instances, services of certain employees of TK Global LLC or Reorganized Takata shall be provided to the Warehousing Entity pursuant to the terms of the Shared Services Agreement, and such employees shall be paid directly from the Warehousing Entity Reserve.

(h) **U.S. Federal Income Tax Treatment of Warehousing Entity.** The Warehousing Entity will be treated as a corporation for U.S. federal income tax purposes. The Warehousing Entity shall file (or cause to be filed) statements, returns, or disclosures relating to the Warehousing Entity that are required by any governmental unit. The Plan Administrator shall be responsible for payment, out of the Warehousing Entity Reserves, of any taxes imposed on the Warehousing Entity or the Warehousing Entity Assets, including estimated and annual U.S. federal income taxes. The Plan Administrator may request an expedited determination of taxes of the Warehousing Entity under section 505(b) of the Bankruptcy Code for all returns filed for, or on behalf of, the Warehousing Entity for all taxable periods through the dissolution of the Warehousing Entity.

(i) **Dissolution.** The Warehousing Entity shall be dissolved upon completion of its purposes and obligations, including under any agreements entered into by the Warehousing Entity and Warehousing Consenting OEMs for the maintenance, shipping, and disposal of PSAN Inflators returned after the Effective Date and when all Warehousing Entity Assets have been liquidated, but in no event shall the Warehousing Entity be dissolved later than the Non-PSAN PI/WD Claims Termination Date or such shorter or longer period authorized by the Bankruptcy Court. Notwithstanding the foregoing, in no event shall the Warehousing Entity be dissolved prior to the disposal in accordance with applicable environmental law of all PSAN Inflators in the PSAN Warehouses.

(j) **Dissolution Date Cash and Residual Value.** Any Dissolution Date Cash in the Warehousing Entity remaining upon dissolution of the Warehousing Entity pursuant to section 5.9(i) of the Plan shall be available (i) first, to pay all creditors of the Warehousing Entity, (ii) second, to the Post-Closing Reserve to the extent that Reorganized Takata has not been dissolved, (iii) third, to the Reorganized TK Holdings Trust Reserve to the extent that the Reorganized TK Holdings Trust has not been dissolved and such reserve is insufficiently funded to satisfy the purpose for which such reserve was established, and (iv) fourth, to a Claims Reserve to the extent that it is insufficiently funded to satisfy the purpose for which such reserve was established, but solely as to an applicable Debtor's Allocable Share of such Dissolution Date Cash; provided, however, that no Dissolution Date Cash in the Warehousing Entity contributed by a non-Debtor affiliate shall be allocated to the Reorganized TK Holdings Trust Reserve pursuant to subparagraph (iii) above. The Legacy Trustee shall determine whether the Claims Reserves with respect to Administrative Expense PSAN PI/WD Claims are insufficiently funded to satisfy the purposes for which such reserves were established based on either the Claims Estimation Report or the Updated Claims Estimation Report, as applicable. After Reorganized Takata has been dissolved, each Debtor's Allocable Share of the Residual Value of the Warehousing Entity shall become Available Cash of such Debtor and, as applicable, be deposited in the applicable Recovery Funds and Disputed Claims Reserves pursuant to the Distribution Formula. Any Residual Value in the Warehousing Entity Reserve that was contributed by a non-Debtor affiliate of the Debtors shall be returned to such affiliate based on its funded share of the Warehousing Entity Reserve.

5.10 *The PSAN PI/WD Trust*

(a) **Establishment and Purpose of PSAN PI/WD Trust.** On the Effective Date, the PSAN PI/WD Trust shall be established. The PSAN PI/WD Trust shall:

- (i) assume the liability for all PSAN PI/WD Claims against the Debtors and the Protected Parties;
- (ii) administer, process, settle, resolve, and liquidate Trust Claims;
- (iii) use any applicable PI/WD Insurance Proceeds and the amounts transferred by the IIM Claims Reserve, the SMX Claims Reserve, the TDM Claims Reserve, and the TKH Claims Reserve to the PSAN PI/WD Trust on the Non-PSAN PI/WD Claims Termination Date to establish segregated bank accounts to hold such funds, having been estimated to be sufficient to pay in full all estimated Administrative Expense PI/WD Claims and Administrative Expense PSAN PI/WD Claims, on the Non-PSAN PI/WD Claims Termination Date, and to thereafter satisfy and make payments therefrom to holders of Administrative Expense PI/WD Claims and Administrative Expense PSAN PI/WD Claims;

- (iv) use the PSAN PI/WD Funds to satisfy and make payments to holders of PSAN PI/WD Claims that qualify for a recovery under this Plan (including section 5.10(g) of the Plan), all in accordance with the terms of the Plan (including section 5.10(i) hereof), the PSAN PI/WD Trust Agreement, the PSAN PI/WD TDP, and any Participating OEM Contribution Agreement, if applicable; *provided, however,* that each PSAN PI/WD Top-Up Amount shall only be used to fund distributions to holders of PSAN PI/WD Claims whose injuries resulted from a vehicle manufactured or sold by the applicable Participating OEM, and the PSAN PI/WD Trustee shall separately track, account for, and maintain each PSAN PI/WD Top-Up Amount contributed by each Participating OEM in separate PSAN PI/WD Top-Up Funds;
- (v) administer the PSAN PI/WD Funds, Other PI/WD Funds, the Disputed Contributions Reserve, and the proceeds of the Plan Settlement Fund, subject to the Consenting OEM PSAN PI/WD Trust Reserves, to the extent applicable;
- (vi) use any applicable PI/WD Insurance Proceeds and the Other PI/WD Funds to satisfy and make payments to holders of Other PI/WD Claims; and
- (vii) establish a segregated bank account to hold any PI/WD Insurance Proceeds applicable to PSAN PI/WD Claims and Other PI/WD Claims.

The PSAN PI/WD Trust shall administer, process, settle, resolve, liquidate, satisfy, and pay (from the designated funds therefor), as applicable, PSAN PI/WD Claims against the Debtors and the Protected Parties, Other PI/WD Claims against the Debtors, and, after the Non-PSAN PI/WD Claims Termination Date, Administrative Expense PI/WD Claims, and Administrative Expense PSAN PI/WD Claims in such a way that the holders of Trust Claims within each such category are treated equitably and in a substantially similar manner, respectively, subject to the terms of the Plan, the PSAN PI/WD Trust Agreement, and the PSAN PI/WD TDP to the extent applicable. The PSAN PI/WD Claims against the Protected Parties shall be channeled to the PSAN PI/WD Trust pursuant to the Channeling Injunction set forth in section 10.7 of this Plan and may thereafter be asserted only and exclusively against the PSAN PI/WD Trust. All such PSAN PI/WD Claims shall be liquidated and paid in accordance with the PSAN PI/WD Trust Agreement, the PSAN PI/WD TDP, this Plan, the Confirmation Order, and any Participating OEM Contribution Agreement, if applicable. The PSAN PI/WD Trust shall be administered and implemented by the PSAN PI/WD Trustee as provided in the PSAN PI/WD Trust Agreement.

(b) **PSAN PI/WD TDP.** On the Effective Date, the PSAN PI/WD Trust shall implement the PSAN PI/WD TDP in accordance with the terms of the PSAN PI/WD

Trust Agreement. On or after the Effective Date, the PSAN PI/WD Trustee shall have the authority to administer, amend, supplement, or modify the PSAN PI/WD TDP in accordance with the terms thereof and the PSAN PI/WD Trust Agreement. From and after the Effective Date, the PSAN PI/WD Trust shall liquidate and make distributions to holders of PSAN PI/WD Claims in accordance with the PSAN PI/WD TDP and PSAN PI/WD Trust Agreement. From and after the Non-PSAN PI/WD Claims Termination Date, the PSAN PI/WD Trust shall liquidate and make distributions to holders of Allowed Administrative Expense PI/WD Claims and Administrative Expense PSAN PI/WD Claims from the segregated funds available for such purposes in the discretion of the PSAN PI/WD Trustee.

(c) **Imposition of Channeling Injunction.** From and after the Effective Date, all PSAN PI/WD Claims against the Protected Parties shall be subject to the Channeling Injunction pursuant to section 105(a) of the Bankruptcy Code and the provisions of this Plan and the Confirmation Order. From and after the Effective Date, the Protected Parties shall have no obligation with respect to any liability of any nature or description arising out of, relating to, or in connection with any PSAN PI/WD Claims; *provided, however*, that nothing in the Plan shall preclude any action by the PSAN PI/WD Trust to enforce the Plan. Further, nothing section in this section 5.10(c) of the Plan or the Channeling Injunction shall constitute or be deemed a waiver of any claim, right, or Cause of Action against any Entity that is not a Protected Party in connection with any Trust Claim or enjoin the PSAN PI/WD Trust from obtaining the PI/WD Insurance Rights or asserting any Claim, Cause of Action, debt, obligation or liability for payment from any PI/WD Insurance Company. For the avoidance of doubt, although the Other PI/WD Claims are being administered through the PSAN PI/WD Trust as provided herein, the Other PI/WD Claims are not subject to the Channeling Injunction

(d) **Releases of Liabilities to Holders of PSAN PI/WD Claims.** Except as provided in the Plan, the transfer to, vesting in, and assumption by the PSAN PI/WD Trust of the PSAN PI/WD Funds as contemplated by the Plan shall, as of the Effective Date, bar recovery or any action against the Protected Parties and their respective estates, affiliates, and subsidiaries, for or in respect of all PSAN PI/WD Claims. The PSAN PI/WD Trust shall, as of the Effective Date, assume sole and exclusive responsibility and liability for all PSAN PI/WD Claims against the Debtors and the Protected Parties, and such Claims shall be liquidated, resolved, or paid by the PSAN PI/WD Trust from the PSAN PI/WD Funds.

(e) **Administrative Obligations and Assumption of Liabilities.** In furtherance of the purposes of the PSAN PI/WD Trust, and subject to the PSAN PI/WD Trust Agreement, the PSAN PI/WD Trust shall expressly (i) assume all responsibility and liability for all (A) PSAN PI/WD Claims against the Debtors and the Protected Parties and (B) all PSAN PI/WD Trust Expenses (except as otherwise provided in any applicable Participating OEM Contribution Agreement, the PSAN PI/WD Trust Agreement, or the PSAN PI/WD TDP), and (ii) undertake to administer and pay with the designated funds thereof (A) Other PI/WD Claims, (B) PSAN PI/WD Claims arising from rights of indemnification, subrogation, and/or contribution against the Debtors that were contingent and unliquidated as of the Petition Date for settlements entered into by a holder of a PSAN PI/WD Claim after the Petition Date, (C) Administrative Expense PSAN PI/WD Claims, (D) Administrative Expense PI/WD Claims (in the case of (C) through (D), after the Non-PSAN PI/WD Claims Termination Date). The PSAN PI/WD Trust shall have all defenses, cross-claims, offsets, and recoupments regarding PSAN

PI/WD Claims, Other PI/WD Claims, and, after the Non-PSAN PI/WD Claims Termination Date, Administrative Expense PSAN PI/WD Claims, and Administrative Expense PI/WD Claims that the Protected Parties, Debtors or Reorganized Debtors have or would have had under applicable law and solely to the extent consistent with the PSAN PI/WD Trust Agreement and PSAN PI/WD TDP, as applicable; provided, however, that no such claims, defenses, or rights may be asserted against any Protected Party.

(f) **Transfer of PI/WD Insurance Rights.** In furtherance of the purpose of the PSAN PI/WD Trust:

- (i) Effective on the Effective Date, the Debtors shall irrevocably transfer, grant, and assign to the PSAN PI/WD Trust, and the PSAN PI/WD Trust shall receive and accept, any and all of the Debtors' PI/WD Insurance Rights. To the extent any PI/WD Insurance Company consented to a prepetition settlement agreement of a PSAN PI/WD Claim or a Trust Administered Claim, or otherwise has consented to pay a PSAN PI/WD Claim or a Trust Administered Claim on behalf of one or more of the Debtors, the Debtors transfer and assign to the PSAN PI/WD Trust the right to enforce such PI/WD Insurance Company's obligation. This Insurance Rights Transfer is made to the PSAN PI/WD Trust for the benefit of Persons that have a Claim for compensation for damages against the Debtors.
- (ii) Subject to the rights of the Debtors' Non-Debtor affiliates, the Insurance Rights Transfer is made free and clear of all Claims, Liens, encumbrances, or Causes of Action of any nature whatsoever, except available limits of liability for coverage of certain types of claims under one or more PI/WD Insurance Policies that may have been reduced by certain prepetition payments made by a PI/WD Insurance Company to or on behalf of one or more of the Debtors or the Debtors' non-Debtor affiliates.
- (iii) The PSAN PI/WD Trust shall satisfy, to the extent required under applicable law, any retrospective premiums, deductibles, and self-insured retentions arising in any way out of any and all PSAN PI/WD Claims or Trust Administered Claims.
- (iv) The PSAN PI/WD Trust shall comply with any notice obligations required under the PI/WD Insurance Policies and applicable law.
- (v) The Insurance Rights Transfer is made to the maximum extent possible under applicable law.

- (vi) The Insurance Rights Transfer is absolute and does not require any further action by the Debtors, the PSAN PI/WD Trust, the Bankruptcy Court, or any other Entity.
- (vii) The Insurance Rights Transfer is not an assignment of any insurance policy itself.
- (viii) The Insurance Rights Transfer shall be governed by, and construed in accordance with, the Bankruptcy Code and the laws of Delaware, without regard to its conflict of law principles.

(g) **Funding of PSAN PI/WD Trust.**

- (i) PSAN PI/WD Funds. Upon the Effective Date, the Debtors shall assign and transfer the PSAN PI/WD Funds to the PSAN PI/WD Trust; *provided, however,* that to the extent certain assets comprising the PSAN PI/WD Funds, because of their nature or because such assets will accrue or become transferable subsequent to the Effective Date, cannot be transferred to, vested in, and assumed by the PSAN PI/WD Trust on the Effective Date, such assets shall be automatically, and without further act or deed, transferred to, vested in, or assumed by the PSAN PI/WD Trust as soon as reasonably practicable after the Effective Date. Notwithstanding anything in the Plan to the contrary, no monies, choses in action, and/or assets comprising the PSAN PI/WD Funds that have been transferred, granted, assigned, or otherwise delivered to the PSAN PI/WD Trust shall be used for any purpose other than in accordance with the Plan, the PSAN PI/WD TDP, the PSAN PI/WD Trust Agreement, and the Participating OEM Contribution Agreement(s), and for the payment, defense, or administration of the PSAN PI/WD Claims as set forth in the PSAN PI/WD Trust Agreement
- (ii) PI/WD Insurance Rights. Any applicable PI/WD Insurance Proceeds recovered or received by the PSAN PI/WD Trust will be allocated as set forth in the PSAN PI/WD Trust Agreement.

(h) **Estimate of PSAN PI/WD Claims.** In connection with the Plan Settlement, the amount of PSAN PI/WD Claims to be used solely for the Distribution Formula shall be \$1.3 billion, which amount has not been endorsed, approved, or accepted by any Consenting OEM or any other Party other than for the express purpose set forth herein and shall not be binding on any Consenting OEM or any other Party for any purpose or admissible in any legal or other proceeding.

(i) **Payment of PSAN PI/WD Claims.** The PSAN PI/WD Trust shall pay PSAN PI/WD Claims against the Debtors, the Reorganized Debtors, and the Protected Parties, up to the full amount of such Claims in accordance with the PSAN PI/WD Trust Agreement and the PSAN PI/WD TDP, from (i) the applicable PSAN PI/WD Insurance Proceeds, if any, (ii) the PSAN PI/WD Funds, (iii) the Consenting OEM Contributions, any TKJP Contribution Amount, and the Plan Sponsor Contribution Amount allocated to the PSAN PI/WD Funds in accordance with this Plan, and (iv) subject to the terms of the applicable Participating OEM Contribution Agreement, the PSAN PI/WD Top-Up Amounts with respect to any amount remaining to be paid on such PSAN PI/WD Claims after application of the funds described in clauses (i) through (iii); *provided, however* that (A) payments from the sources identified in clauses (iii) through (iv) above shall be made solely as an administrative convenience to the parties to the Plan Settlement and (B) such PSAN PI/WD Top-Up Amounts shall only be utilized to pay Claims related to vehicles manufactured or sold by the applicable Participating OEM, if any, subject to the terms of the applicable Participating OEM Contribution Agreement. Each holder of a PSAN PI/WD Claim that qualifies for a recovery under this Plan, all in accordance with the terms of Plan, including the PSAN PI/WD TDP, shall receive its Pro Rata Share of the Consenting OEM Contributions, any TKJP Contribution Amount, and the Plan Sponsor Contribution Amount allocated to the PSAN PI/WD Funds in accordance with the Contributions Distribution Formula.

(j) **Payment of Other PI/WD Claims.** The PSAN PI/WD Trust shall be used to pay Other PI/WD Claims against the Debtors from any portion of the IIM Available Cash, SMX Available Cash, TDM Available Cash, or TKH Available Cash allocated to the Other PI/WD Funds and any applicable PI/WD Insurance Proceeds in accordance with this Plan; *provided, however*, that such Other PI/WD Claims shall not be administered or liquidated pursuant to the PSAN PI/WD TDP. The PSAN PI/WD Trust shall cause, solely as an administrative convenience to the parties to the Plan Settlement, each holder of an Allowed Other PI/WD Claim to receive its Pro Rata Share of the Consenting OEM Contributions, any TKJP Contribution Amount, and the Plan Sponsor Contribution Amount allocated to the Other PI/WD Funds in accordance with the Contributions Distribution Formula.

(k) **Payment of Administrative Expense PSAN PI/WD Claims.** After the Non-PSAN PI/WD Claims Termination Date, the segregated bank account established in the PSAN PI/WD Trust for the benefit of the holders of Administrative Expense PSAN PI/WD Claims and funded with amounts equal to the total estimated amount of Administrative Expense PSAN PI/WD Claims, based on the Updated Claims Estimation Report and by agreement of the Legacy Trustee and the PSAN PI/WD Trustee or, if an agreement cannot be reached, by order of the Bankruptcy Court, shall be used to pay Administrative Expense PSAN PI/WD Claims in the full amount of such Claims.

(l) **Payment of Administrative Expense PI/WD Claims.** After the Non-PSAN PI/WD Claims Termination Date, the segregated bank account established in the PSAN PI/WD Trust for the benefit of holders of Administrative Expense PI/WD Claims and funded with amounts equal to the total estimated amount of Administrative Expense PI/WD Claims shall be used to pay Administrative Expense PI/WD Claims in the full amount of such Claims.

(m) **Payment of Post-Closing PSAN PI/WD Claims.** Based on the Claims Estimation Report produced by the Debtors' claims estimation expert, the Reorganized Debtors do not have any anticipated liability for Post-Closing PSAN PI/WD Claims. As a result, no Cash Proceeds are being reserved for Post-Closing PSAN PI/WD Claims.

(n) **Consenting OEM PSAN PI/WD Trust Reserves.** On the Effective Date, if the aggregate Cash allocated to the PSAN PI/WD Funds, including Available Cash, Consenting OEM Contributions, the Plan Sponsor Contribution Amount, and PSAN PI/WD Insurance Proceeds but excluding PSAN PI/WD Top-Up Funds, is estimated to exceed \$75 million on or after the Effective Date, the PSAN PI/WD Trust shall implement a limited period, diminishing Consenting OEM PSAN PI/WD Trust Reserve. Each Consenting OEM PSAN PI/WD Trust Reserve shall be established, subject to any amendments or modifications, as follows: (i) two-thirds of each Consenting OEM's Consenting OEM Contributions (to be calculated in accordance with the Agreed Allocation) distributed to the PSAN PI/WD Trust, to be reduced by any amounts paid after the Effective Date by the PSAN PI/WD Trust on PSAN PI/WD Claims arising from an injury sustained in a vehicle sold or manufactured by such Consenting OEM, shall be reserved for Distributions on account of PSAN PI/WD Claims relating to vehicles sold or manufactured by such Consenting OEM for three years after the Effective Date; (ii) each Consenting OEM PSAN PI/WD Trust Reserve shall be reduced to one-half in the fourth year after the Effective Date; (iii) each Consenting OEM PSAN PI/WD Trust Reserve shall be reduced to one-third in the fifth year after the Effective Date; and (iv) the Consenting OEM PSAN PI/WD Trust Reserves shall be eliminated at the conclusion of the fifth year after the Effective Date. The payment of PSAN PI/WD Claims relating to vehicles sold or manufactured by a particular Consenting OEM shall first reduce and be paid out of such Consenting OEM's Consenting OEM PSAN PI/WD Trust Reserve dollar-for-dollar until such reserve is fully depleted before the payment of PSAN PI/WD Claims is made from funds in the PSAN PI/WD Funds other than the Consenting OEM PSAN PI/WD Trust Reserves. If there are any PSAN PI/WD Claims relating to vehicles sold or manufactured by a Participating OEM during the five year period in which the Consenting OEM PSAN PI/WD Trust Reserves exist that would exceed the amount available to pay such PSAN PI/WD Claims after taking into account the estimated payment percentage for holders of PSAN PI/WD Claims and applicable Consenting OEM PSAN PI/WD Trust Reserves, such Participating OEM shall be required to pay such PSAN PI/WD Claims in full through its PSAN PI/WD Top-Up Amount. For vehicles not sold and manufactured by the same Consenting OEM, the PSAN PI/WD Trust shall accept joint instructions on how to apply and adjust the Consenting OEM PSAN PI/WD Trust Reserves for the applicable Consenting OEMs, provided that the PSAN PI/WD Trust and the holder of a PSAN PI/WD Claim shall not be adversely affected by such instructions. In the event such joint instructions are not timely provided following notice to the applicable Consenting OEMs, the PSAN PI/WD Trustee shall apply the Consenting OEM PSAN PI/WD Trust Reserves in a manner most favorable to the holders of PSAN PI/WD Claims. For the avoidance of doubt, the existence of the Consenting OEM PSAN PI/WD Trust Reserves is not intended to provide a greater recovery to any holder of PSAN PI/WD Claims based on whether such holder's injury was sustained in a vehicle manufactured by a specific Consenting OEM. No separate accounts are required to be established in connection with the Consenting OEM PSAN PI/WD Trust Reserves, which may be maintained as book entry reserves.

(o) **Excess Assets in the PSAN PI/WD Trust.** On the PSAN PI/WD Trust Termination Date, after the payment of all PSAN PI/WD Claims that are entitled to a Distribution from the PSAN PI/WD Trust, Allowed Other PI/WD Claims, Allowed Administrative Expense PI/WD Claims, Allowed Administrative Expense PSAN PI/WD Claims, and PSAN PI/WD Trust Expenses that have been provided for and the liquidation of all assets then held by the PSAN PI/WD Trust, any remaining value in the PSAN PI/WD Funds and Other PI/WD Funds shall be distributed (i) first, to the Special Master for contribution to the DOJ PI/WD Restitution Fund and (ii) second, if the Special Master's appointment has concluded, then to a charity to be selected by the PSAN PI/WD Trustee. For the avoidance of doubt, nothing herein shall govern the distribution of any remaining value in the DOJ PI/WD Restitution Fund, whether or not merged with the PSAN PI/WD Funds as set forth in this Plan.

(p) **PSAN PI/WD Trust Expenses and Other PI/WD Claims Expenses.** The PSAN PI/WD Trust shall pay all PSAN PI/WD Trust Expenses and Other PI/WD Claims Expenses from the PSAN PI/WD Trust, as provided for in the PSAN PI/WD Trust Agreement. The PSAN PI/WD Trust Reserve is to be funded to the PSAN PI/WD Trust to assist in the funding of such expenses. The Protected Parties shall have no obligation to pay any PSAN PI/WD Trust Expenses, except as expressly provided in the PSAN PI/WD Trust Agreement and the Participating OEM Contribution Agreements (as applicable); *provided, however,* that neither the PSAN PI/WD Trust Agreement nor the Participating OEM Contribution Agreements shall impose on the Plan Sponsor Parties any obligation to pay PSAN PI/WD Trust Expenses without their express consent.

(q) **PSAN PI/WD Trustee.** There shall be one (1) PSAN PI/WD Trustee. On the Confirmation Date, the Bankruptcy Court shall appoint the PSAN PI/WD Trustee to serve in accordance with, and who shall have the functions and rights provided in, the PSAN PI/WD Trust Agreement. Any successor PSAN PI/WD Trustee shall be appointed in accordance with the terms of the PSAN PI/WD Trust Agreement. For purposes of any PSAN PI/WD Trustee performing his or her duties and fulfilling his or her obligations under the PSAN PI/WD Trust and the Plan, the PSAN PI/WD Trust and the PSAN PI/WD Trustee shall be deemed to be "parties in interest" within the meaning of section 1109(b) of the Bankruptcy Code. The PSAN PI/WD Trustee shall be the "administrator" of the PSAN PI/WD Trust as such term is used in Treas. Reg. Section 1.468B-2(k)(3).

(r) **Compensation of the PSAN PI/WD Trustee and Retention of Professionals.** The PSAN PI/WD Trustee shall be entitled to compensation as provided in the PSAN PI/WD Trust Agreement. The PSAN PI/WD Trustee may retain and reasonably compensate, without Bankruptcy Court approval, counsel and other professionals as reasonably necessary to assist in his duties as PSAN PI/WD Trustee, subject to the terms of the PSAN PI/WD Trust Agreement. All fees and expenses incurred in connection with the foregoing shall be payable from the PSAN PI/WD Trust in accordance with the terms of the PSAN PI/WD Trust Agreement. For the avoidance of doubt, any professionals retained by the Special Master pursuant to the DOJ Restitution Order that are performing services relating to the DOJ Restitution Order shall be compensated pursuant to the DOJ Restitution Order and not by the PSAN PI/WD Trust. The only costs and fees of the Special Master and his professionals paid by the PSAN PI/WD Trust shall be those that are necessary solely due to the Special Master's role as PSAN PI/WD Trustee and that would not have otherwise been provided.

Committees. (s) **Future Claims Representative and the PSAN PI/WD Trust**

- (i) Future Claims Representative. The PSAN PI/WD Trust Agreement shall provide for the continuation of the Future Claims Representative to represent the interests of holders of PSAN PI/WD Claims against the Debtors that will be asserted in the future based on injuries arising after the Petition Date. The Future Claims Representative shall have the functions and rights set forth in the PSAN PI/WD Trust Agreement. The initial Future Claims Representative shall be Roger Frankel so long as he is the Future Claims Representative in the Chapter 11 Cases as of the Effective Date. The PSAN PI/WD Trustee shall consult with the Future Claims Representative on matters pertaining to the administration of the PSAN PI/WD Trust and must obtain the consent of the Future Claims Representative as set forth in the PSAN PI/WD Trust Agreement and the PSAN PI/WD TDP. The PSAN PI/WD Trustee shall meet with the Future Claims Representative no less frequently than quarterly. The Future Claims Representative shall receive reasonable compensation for his services and may utilize professionals in the performance of his duties, and the Future Claims Representative and his professionals shall be entitled to reasonable reimbursement by the PSAN PI/WD Trust, subject to compliance with an agreed upon budget that shall be set forth in the PSAN PI/WD Trust Agreement.
- (ii) PSAN PI/WD Trust Advisory Committee. The PSAN PI/WD Trust Agreement shall provide for the establishment of the PSAN PI/WD Trust Advisory Committee to represent the interests of holders of current PSAN PI/WD Claims. The PSAN PI/WD Trust Advisory Committee shall have the functions and rights provided for in the PSAN PI/WD Trust Agreement. The initial PSAN PI/WD Trust Advisory Committee shall consist of three members who shall be disclosed in the Plan Supplement. The PSAN PI/WD Trust Agreement shall provide that the PSAN PI/WD Trustee shall consult with the PSAN PI/WD Trust Advisory Committee on matters pertaining to the administration of the PSAN PI/WD Trust and must obtain the consent of the PSAN PI/WD Trust Advisory Committee as set forth in the PSAN PI/WD Trust Agreement and the PSAN PI/WD TDP. The PSAN PI/WD Trustee shall meet with the PSAN PI/WD Trust Advisory Committee no less frequently than quarterly. The PSAN PI/WD Trust

Advisory Committee shall receive reasonable compensation for its services and may utilize professionals in the performance of its duties, and the members of the PSAN PI/WD Trust Advisory Committee and their professionals shall be entitled to reasonable reimbursement by the PSAN PI/WD Trust, subject to compliance with an agreed upon budget that shall be set forth in the PSAN PI/WD Trust Agreement.

- (iii) PSAN PI/WD OEM Advisory Committee. The PSAN PI/WD Trust Agreement shall provide for the establishment of the PSAN PI/WD OEM Advisory Committee to represent the interests of the Participating OEMs; *provided, however,* that, if there is no Initial Participating OEM, there shall be no Channeling Injunction with respect to the OEMs and thus no opt-in process (as provided in section 5.10(w)(i) of the Plan), and if there is no Channeling Injunction for the OEMs, there shall be no PSAN PI/WD OEM Advisory Committee and no involvement of Consenting OEMs with respect to determinations as to Claims against or distributions from the PSAN PI/WD Trust. The PSAN PI/WD OEM Advisory Committee shall have the functions and rights provided for in the PSAN PI/WD Trust Agreement. The initial PSAN PI/WD OEM Advisory Committee shall consist of the Initial Participating OEM(s) and any additional Participating OEM(s), if they elect to serve. There shall also be up to three non-member, non-voting observer representatives that are non-Participating OEMs and that may attend meetings of the PSAN PI/WD OEM Advisory Committee and be consulted on matters specified in the PSAN PI/WD Trust Agreement and the PSAN PI/WD TDP. The PSAN PI/WD Trust Agreement shall provide that the PSAN PI/WD Trustee shall obtain the consent of the PSAN PI/WD OEM Advisory Committee as set forth in the PSAN PI/WD Trust Agreement and the PSAN PI/WD TDP. The PSAN PI/WD Trustee shall meet with the PSAN PI/WD OEM Advisory Committee no less frequently than quarterly. For the avoidance of doubt, no fees or expenses of the PSAN PI/WD OEM Advisory Committee shall be payable or reimbursed by the PSAN PI/WD Trust.

(t) **Cooperation; Transfer of Books and Records.**

- (i) On the Effective Date or as soon as reasonably practicable thereafter, the Debtors shall transfer and assign, or cause to be transferred and assigned, to the PSAN PI/WD Trustee,

- (a) all of the books and records of the Debtors that pertain to PSAN PI/WD Claims and Trust Administered Claims, (b) a copy of a database or other information as reasonably required to assist the PSAN PI/WD Trust in identifying the PSAN PI/WD Claims being channeled to the PSAN PI/WD Trust or Trust Administered Claims, (c) copies of all PI/WD Insurance Policies, (d) information relating to all Claims previously noticed, tendered, or submitted under the PI/WD Insurance Policies or paid by any PI/WD Insurance Company, and (e) any other information reasonably necessary to operate the PSAN PI/WD Trust and preserve, secure, or obtain the benefit of the PI/WD Insurance Rights. If, at any time, after the Effective Date, the Reorganized Debtors discover the existence of an insurance policy that provides or may provide coverage for PSAN PI/WD Claims or Trust Administered Claims, the Entity discovering such policy or evidence of the existence of such policy shall promptly inform the PSAN PI/WD Trust.
- (ii) The transfer or assignment of information, which may include PSAN PI/WD Privileged Information, to the PSAN PI/WD Trustee in accordance with this section 5.10(t)(ii) of the Plan shall not result in the destruction or waiver of any applicable privileges pertaining to PSAN PI/WD Privileged Information. Further, with respect to any privileges: (a) they are transferred to or contributed for the sole purpose of enabling the PSAN PI/WD Trustee to perform its duties to administer the PSAN PI/WD Trust and for no other reason, (b) they are vested solely in the PSAN PI/WD Trustee and not in the PSAN PI/WD Trust, the PSAN PI/WD Trust Advisory Committee or any other Person, committee or subcomponent of the PSAN PI/WD Trust, or any other Person (including counsel and other professionals) who has been engaged by, represents or has represented any holder of a PSAN PI/WD Claim or any Person who alleges or may allege a Claim directly or indirectly relating to or arising from the Debtors' Products or operations, (c) they shall be preserved and not waived, (d) for the avoidance of doubt, any such transfer shall have no effect on any right, Claim or privilege of any Person other than the Debtors, TKJP, or any other non-Debtor Takata entities, and (e) no information subject to a privilege shall be publicly disclosed by the PSAN PI/WD Trustee or the PSAN PI/WD Trust or communicated to any Person not entitled to receive such information or in a manner that would diminish the protected status of any such information. Notwithstanding the foregoing, nothing herein shall

preclude the PSAN PI/WD Trustee from providing information received pursuant to this section to any PI/WD Insurance Company as necessary to preserve, secure, or obtain the benefit of the PI/WD Insurance Rights.

(u) **U.S. Federal Income Tax Treatment of the PSAN PI/WD Trust.** The PSAN PI/WD Trust shall be a “qualified settlement fund” within the meaning of Treasury Regulation section 1.468B-1. The PSAN PI/WD Trust shall file (or cause to be filed) statements, returns, or disclosures relating to the PSAN PI/WD Trust that are required by any governmental unit. The PSAN PI/WD Trustee shall be responsible for the payment of any taxes imposed on the PSAN PI/WD Trust or the PSAN PI/WD Trust Assets, including estimated and annual U.S. federal income taxes in accordance with the terms of the PSAN PI/WD Trust Agreement. The PSAN PI/WD Trustee may request an expedited determination of taxes on the PSAN PI/WD Trust under section 505(b) of the Bankruptcy Code for all returns filed for, or on behalf of, the PSAN PI/WD Trust for all taxable periods through the dissolution of the PSAN PI/WD Trust.

(v) **Institution and Maintenance of Legal and Other Proceedings.** As of the Effective Date, the PSAN PI/WD Trust shall be empowered to initiate, prosecute, defend, and resolve all legal actions and other proceedings related to any asset, liability, or responsibility of the PSAN PI/WD Trust. The PSAN PI/WD Trust shall be empowered to initiate, prosecute, defend, and resolve all such actions in the name of the Debtors if deemed necessary or appropriate by the PSAN PI/WD Trustee. The PSAN PI/WD Trust shall be responsible for the payment of all damages, awards, judgments, settlements, expenses, costs, fees, and other charges incurred subsequent to the Effective Date arising from or associated with any legal action or other proceeding brought pursuant to this section 5.10(v) of this Plan and shall pay or reimburse all deductibles, retrospective premium adjustments, or other charges which may arise from the receipt of the PI/WD Insurance Proceeds by the PSAN PI/WD Trust. For the avoidance of doubt, the PSAN PI/WD Trust, pursuant to section 1123(b)(3)(B) of the Bankruptcy Code and applicable State corporate law, is appointed as the successor-in-interest to, and representative, of the Debtors and their Estates for the retention, enforcement, settlement, or adjustment of all PSAN PI/WD Claims, Other PI/WD Claims and, after the Non-PSAN PI/WD Claims Termination Date, Administrative Expense PI/WD Claims and Administrative Expense PSAN PI/WD Claims.

(w) **Participating OEMs.**

- (i) **Opt-In Election.** Individual Consenting OEMs may elect to become Participating OEMs at any time during the Initial Opt-In Period. In addition, any individual Consenting OEM that has no resolved or pending litigation raising PSAN PI/WD Claims against such Consenting OEM as of the Effective Date may elect to become a Participating OEM during the Extended Opt-In Period, subject to satisfaction of the option payment required by the PSAN PI/WD Trust Agreement in accordance with the terms thereof. PSAN PI/WD Claims asserted against a

Consenting OEM that elects to become a Participating OEM after the Effective Date in litigation that is pending at the time of such election shall not be channeled to the PSAN PI/WD Trust without the consent of all plaintiffs in such litigation; *provided*, that all PSAN PI/WD Claims against such Consenting OEM asserted after such election shall be channeled to the PSAN PI/WD Trust and the Participating OEM shall be released from liability subject to the terms of the Plan, the PSAN PI/WD Trust Agreement, and the Participating OEM Contribution Agreement. A Participating OEM may limit its election to become a Participating OEM with respect to only its vehicles that are subject to recall and, in such event, shall agree to a consent order or other appropriate documentation expressly indicating the PSAN PI/WD Claims involving non-recalled vehicles are not released or channeled to the PSAN PI/WD Trust. Consenting OEMs that are not Participating OEMs may make an irrevocable election at any time not to participate in the PSAN PI/WD Trust. If a Consenting OEM elects to become a Participating OEM after the date of the Disclosure Statement hearing, then the Debtors (if before the Effective Date) or the PSAN PI/WD Trust (if after the Effective Date) shall provide notice of such election to all holders of pending PSAN PI/WD Claims relating to vehicles manufactured by such Participating OEM, and all costs of such additional noticing shall be reimbursed to the Debtors or the PSAN PI/WD Trust, as applicable, by such new Participating OEM.

- (ii) Support of Channeling Injunction. The ballots distributed to holders of PSAN PI/WD Claims pursuant to the Solicitation Procedures Order shall provide such holders the opportunity to indicate their support for the Channeling Injunction for the benefit of the Participating OEM (or potential Participating OEM) that manufactured the vehicle containing the PSAN Inflator that is alleged to have resulted in such holders' PSAN PI/WD Claims.
- (iii) Participating OEM Funding. On the date the Channeling Injunction becomes effective with respect to an individual Participating OEM (or at such later date as may be otherwise agreed to by the PSAN PI/WD Trustee, with the consent of the PSAN PI/WD Trust Advisory Committee, the PSAN PI/WD OEM Advisory Committee, and the Future Claims Representative, and the applicable Participating OEM), each Participating OEM shall deliver an executed Participating OEM Contribution Agreement to

the PSAN PI/WD Trust. The Participating OEM Contribution Agreement shall require the Participating OEMs to make contributions as provided therein. Subject to the terms and conditions of the applicable Participating OEM Contribution Agreement, if an individual Participating OEM defaults under its Participating OEM Contribution Agreement on its obligations to the PSAN PI/WD Trust, after a reasonable opportunity to cure, the Channeling Injunction and related releases provided for pursuant to the Plan shall be null and void with respect to such Participating OEM as provided in the Participating OEM Contribution Agreement; *provided, however*, that nothing herein shall limit the rights of the PSAN PI/WD Trust to seek any and all remedies against any such defaulting Participating OEM as set forth in the applicable Participating OEM Contribution Agreement.

- (iv) **Indemnification.** The PSAN PI/WD Trust shall indemnify a Participating OEM, and any Person set forth in subpart (v) of the definition of “Protected Party” that is affiliated with such Participating OEM, for any loss, cost, fees, or expenses incurred by such Participating OEM or any such Person if, after the payment of any portion or all of the PSAN PI/WD Top-Up Amount by the applicable Participating OEM, the Participating OEM or any such Person is (a) held liable for any PSAN PI/WD Claim or (b) required to provide payment, reimbursement, or restitution under any theory of liability for the same loss, damage, or other Claim that is reimbursed by the PSAN PI/WD Trust or is otherwise based on the same events, facts, matters, or circumstances that gave rise to the PSAN PI/WD Claim, in each case in an amount not to exceed the applicable Participating OEM’s PSAN PI/WD Top-Up Amount. The PSAN PI/WD Trust shall not be obligated to provide the indemnification set forth in this section 5.10(w)(iv) if, after exercising its best efforts, the PSAN PI/WD Trust is unable to obtain insurance for such obligations at a reasonable cost, with any such cost to be funded solely by the Participating OEMs.

(x) **Insurance Neutrality.**

- (i) Nothing contained in the Plan, the Plan Documents, or the Confirmation Order, including any provision that purports to be preemptory or supervening, shall in any way operate to, or have the effect of, impairing, altering, supplementing, changing, expanding, decreasing, or modifying (a) the

rights or obligations of any of the Insurers or (b) any rights or obligations of the Debtors arising out of or under any Insurance Policy. For all issues relating to insurance coverage, the provisions, terms, conditions, and limitations of the Insurance Policies shall control.

- (ii) For the avoidance of doubt, nothing contained in the Plan, the Plan Documents, or the Confirmation Order shall operate to require any PI/WD Insurance Company to indemnify or pay the liability of any Protected Party that it would not have been required to pay in the absence of this Plan. This subparagraph (ii) in no way modifies, alters or limits the rights and/or obligations set forth in subparagraph (i), above.
- (iii) None of (a) the Bankruptcy Court's or District Court's approval of the Plan or the Plan Documents, (b) the Confirmation Order or any findings and conclusions entered with respect to confirmation, nor (c) any estimation or valuation of any PSAN PI/WD Claims or Trust Administered Claims, either individually or in the aggregate in the Chapter 11 Cases, shall, with respect to any insurance company, constitute a trial or hearing on the merits or an adjudication or judgment with respect to any Trust Claim.

5.11 TKC Restructuring Transaction.

Upon entry of the Confirmation Order and prior to or on the Effective Date, TKC shall be authorized to assume, in one or more transactions, some or all of TSAC's obligations under the Global Settlement Agreement to pay or cause to be paid certain settlement amounts owed to the Consenting OEMs and/or certain of their affiliates. TKC's assumed payment obligation(s) shall (i) constitute Administrative Expense Claims against TKC, (ii) be in an amount equal to any dividend(s) made by TSAC to TKC prior to the Effective Date plus the PSAN Assets Advance Payment, RTK Loan, and/or the RTKHT Loan, and (iii) be conditioned on receipt of any dividends. Such dividend(s), the PSAN Assets Advance Payment, the RTK Loan, and/or the RTKHT Loan shall be used solely to pay the TSAC payment obligation(s) assumed by TKC under the Global Settlement Agreement. For the avoidance of doubt, nothing in this section 5.11 of the Plan shall be construed as limiting or otherwise altering the Plan Sponsor's right to receive the Plan Sponsor Backstop Funding Repayment from distributions to TKC after the Effective Date on account of Intercompany Interests held by TKC in TSAC in accordance with section 5.12 of the Plan.

5.12 TSAC DOJ Restitution Claim Funding Deficiency.

To the extent that a TSAC DOJ Restitution Claim Funding Deficiency exists as of the Effective Date, such deficiency shall be funded in accordance with this section 5.12 of the Plan.

(a) **PSAN Assets Advance Payment.** TKAM (on behalf of TSAC) shall submit a Backstop Funding Request Certificate (as defined in the Plan Sponsor Backstop Funding Agreement) to the Plan Sponsor prior to the Effective Date for the full \$25 million PSAN Assets Advance Payment to fund up to the first \$25 million of the TSAC DOJ Restitution Claim Funding Deficiency. Upon receipt of such Backstop Funding Request Certificate, the Plan Sponsor shall pay the full PSAN Assets Advance Payment to TKC, which TKC shall use to pay a portion of the TSAC DOJ Restitution Claim Funding Deficiency in accordance with section 5.11 of the Plan. The PSAN Assets Advance Payment shall be repaid to the Plan Sponsor solely in accordance with section 5.12(d) and 5.12(e), who shall contribute the amount repaid, as soon as practicable upon receipt, to the Plan Settlement Fund in accordance with sections 5.5(e)(i), 5.17, and 5.19(f) of the Plan. Upon the Plan Sponsor's payment of the PSAN Assets Advance Payment, \$50 million of Plan Sponsor Backstop Payments shall continue to be available under the Plan Sponsor Backstop Funding Agreement in accordance with its terms.

(b) **RTKHT Loan.** On the Effective Date, if (x) there exists a TSAC DOJ Restitution Claim Funding Deficiency greater than \$25 million and (y) the aggregate amount in the Post-Closing Reserve and the Warehousing Entity Reserve on account of PSAN Legacy Costs (inclusive of any amounts that fund the RTK Loan) exceeds \$200 million, the Reorganized TK Holdings Trust shall provide the RTKHT Loan to TKC, which TKC shall use to pay a portion of the TSAC DOJ Restitution Claim Funding Deficiency in accordance with section 5.11 of the Plan.

(c) **RTK Loan.** On the Effective Date, if there exists a TSAC DOJ Restitution Claim Funding Deficiency greater than \$25 million plus the amount of the RTKHT Loan, Reorganized TK Holdings shall provide the RTK Loan to TKC, which TKC shall use to pay a portion of the TSAC DOJ Restitution Claim Funding Deficiency in accordance with section 5.11 of the Plan.

(d) **Plan Sponsor Backstop Funding Payments.** Until the RTK Loan is repaid, (i) the amount of the RTK Loan shall not count as funding in the Post-Closing Reserve or the Warehousing Entity Reserve, except to the extent that the RTK Loan is repaid and (ii) the amount of the RTKHT Loan shall be deducted from the amounts funded in the Post-Closing Reserve and the Warehousing Entity Reserve, in each case for purposes of applying the \$200 million cap on PSAN Legacy Costs under the Plan Sponsor Backstop Funding Agreement. Notwithstanding anything to the contrary in the Plan Sponsor Backstop Funding Agreement or this Plan, each dollar of the RTK Loan repaid will count as funded PSAN Legacy Costs in applying the \$200 million cap on PSAN Legacy Costs set forth in the Plan Sponsor Backstop Funding Agreement. Upon repayment in full of the RTK Loan, the amount of the RTKHT Loan shall no longer be deducted from the aggregate amount funded in the Post-Closing Reserve and the Warehousing Entity Reserve for purposes of applying the \$200 million cap on PSAN Legacy Costs. For the avoidance of doubt, the Plan Sponsor Backstop Payments, to the extent called for

funding of PSAN Legacy Costs (after giving effect to the first sentence of this section 5.12(d)), shall be used to fund PSAN Legacy Costs, which in turn shall be deemed to repay and reduce any balance outstanding under the RTK Loan.

(e) **Waterfall.** Any dividend, transfer or distribution from TSAC to TKC (or any direct or indirect parent) shall be applied:

- (i) first, in an amount equal to \$25 million, to the repayment of the PSAN Assets Advance Payment, which repayment will be contributed by the Plan Sponsor to the PSAN PI/WD Trust as set forth in section 5.19(f) of the Plan;
- (ii) second, to the repayment of the RTK Loan;
- (iii) third, to the Plan Sponsor Backstop Funding Repayment, if any; and
- (iv) fourth, to the repayment of the RTKHT Loan.

(f) **Conflicts.** In the event of any conflict between the terms of this section 5.12 and the terms of the Plan Sponsor Backstop Funding Agreement, the terms of this section 5.12 shall govern.

5.13 Mexico Restructuring Transaction.

Notwithstanding anything to the contrary in the Order (I) Authorizing Debtors to (A) Continue Their Existing Cash Management System, (B) Honor Certain Prepetition Obligations Related to the Use Thereof, (C) Provide Certain Postpetition Claims Administrative Expense Priority, (D) Continue Intercompany Funding of Certain Non-Debtors, and (E) Maintain Existing Bank Accounts and Business Forms; and (II) Waiving the Requirements of 11 U.S.C. 345(b) [Docket No. 736], upon entry of the Confirmation Order, IIM, SMX, TDM, and TKHDM shall be authorized to take any and all steps necessary to prepare for the closing of the sale of the Purchased Assets to the Plan Sponsor pursuant to the U.S. Acquisition Agreement. Such steps may include (i) completing any remaining unperformed steps authorized by the Bankruptcy Court pursuant to the Order for Authority to Effect Certain Pre-Restructuring Steps and Transactions with Respect to the Debtors' Mexican Affiliates Necessary for the Global Transaction [Docket No. 1314], including the sale of certain assets and liabilities of SMX, (ii) undertaking any changes to the cash management and cash pooling arrangement in Mexico that the Debtors deem necessary in furtherance of the Restructuring Transactions, (iii) satisfying some or all prepetition and postpetition Intercompany Claims owed by TKHDM to IIM, SMX, TDM, and the Debtors' non-Debtor Mexican affiliates in connection with the cash pooling arrangement in Mexico, and (iv) making, approving, or receiving intercompany transfers, dividends, or capital contributions between and among TKHDM, IIM, SMX, TDM and the Debtors' non-Debtor Mexican affiliates in furtherance of the Restructuring Transactions.

5.14 Charters; By-laws.

The charters, by-laws, and other organizational documents of the Reorganized Debtors shall be amended or amended and restated in a manner consistent with section 1123(a)(6) of the Bankruptcy Code, if applicable, and the terms of this Plan, including section 5.8(n).

5.15 Cancellation of Notes, Interests, Instruments, Certificates, and Other Documents.

Except to the extent assumed by the Plan Sponsor in connection with the Restructuring Transactions or as otherwise provided herein, on the Effective Date, all notes, instruments, certificates evidencing debt to, or equity interests in, the Debtors shall be cancelled and obligations of the Debtors thereunder shall be discharged.

5.16 Separate Plans.

Notwithstanding the combination of separate plans of reorganization set forth in this Plan for purpose of economy and efficiency, this Plan constitutes a separate chapter 11 plan for each Debtor. Accordingly, if the Bankruptcy Court does not confirm this Plan with respect to one or more Debtors, it may still confirm this Plan with respect to any other Debtor that satisfies the confirmation requirements of section 1129 of the Bankruptcy Code.

5.17 Merger; Dissolution; Consolidation; Discharge.

On or after the Effective Date, Reorganized TK Holdings or the Legacy Trustee may, subject to the terms of the Plan, the Amended Certificates of Incorporation and Amended By-Laws for the Reorganized Debtors, and the Reorganized TK Holdings Organizational Documents, (i) cause any or all of the Reorganized Debtors to be merged into one or more of the Reorganized Debtors, dissolved, or otherwise consolidated, (ii) cause the transfer of assets between or among the Reorganized Debtors, and (iii) engage in any other transaction in furtherance of the Plan. Notwithstanding the foregoing, within thirty (30) days after its completion of the acts required by the Plan, or as soon as reasonably practicable thereafter, each Reorganized Debtor shall be deemed dissolved for all purposes without the necessity for any other or further actions to be taken by or on behalf of each Reorganized Debtor; *provided, however,* that each Reorganized Debtor, as applicable, shall file with the office of the Secretary of State or other appropriate office for the state of its organization a certificate of cancellation or dissolution. No corporate transaction undertaken pursuant to this section 5.17 shall excuse the Legacy Trustee or the Plan Administrator, as applicable, from repayment of the RTK Loan, the RTKHT Loan, the PSAN Assets Advance Payment, and the Plan Sponsor Backstop Funding Repayment (including repayment of any unreimbursed Restructuring Expenses) in accordance with the terms and subject to the conditions of the Plan Sponsor Backstop Funding Agreement and section 5.12 of the Plan, and, in the case of any corporate transaction under this section 5.17 involving TKC, the terms and conditions of this Plan and the Plan Sponsor Backstop Funding Agreement shall apply *mutatis mutandis* to TKC's successor-in-interest or the assignee of TKC's payment receivable from its subsidiary.

Upon the liquidation and dissolution of any subsidiary of Reorganized TK Holdings, any proceeds thereof shall be treated as Reorganized Takata Post-Closing Cash. In addition, any Reorganized TK Holdings Trust Post-Closing Cash arising from distributions after the Effective Date on account of Intercompany Interests held by TKAM, TKC, and TKF shall (i) first, solely with respect to distributions from TKC's subsidiary, be used towards the repayment of the RTK Loan, the RTKHT Loan, the PSAN Assets Advance Payment, and the Plan Sponsor Backstop Funding Repayment (including repayment of any unreimbursed Restructuring Expenses) in accordance with the terms and subject to the conditions of the Plan Sponsor Backstop Funding Agreement and section 5.12 of the Plan and (ii) second constitute Available Cash of such Debtor.

The Debtors, prior to the Effective Date, and the Reorganized Debtors, after the Effective Date, reserve the right to convert any Debtor or Reorganized Debtor entity, as applicable, that is a corporation to an LLC.

5.18 Closing of the Chapter 11 Cases.

When all Disputed Claims (other than Disputed PSAN PI/WD Claims) filed against the Debtors have become Allowed Claims or have been Disallowed, all of the Reorganized TK Holdings Trust Assets have been distributed in accordance with the Plan, and all Allowed Claims (other than PSAN PI/WD Claims) have been satisfied in accordance with the Plan, the Legacy Trustee shall seek authority from the Bankruptcy Court to close the Chapter 11 Cases in accordance with the Bankruptcy Code and the Bankruptcy Rules.

5.19 Plan Settlement.

(a) **Plan Settlement.** The provisions of the Plan (including provisions relating to the Plan Settlement Payment, the Plan Settlement Fund, the Support Party Creditor Fund, the release provided in section 5.19(j) of the Plan, and the release and injunctive provisions contained in Article X of the Plan to the extent applicable to a Consenting OEM or the Plan Sponsor) and the other documents entered into in connection with the Restructuring Transactions constitute a good faith compromise and settlement among the Debtors, the Plan Sponsor, the Consenting OEMs, the Creditors' Committee, the Tort Claimants' Committee, and the Future Claims Representative of Claims and controversies among such parties, including all Claims subject to the investigation in connection with the Challenge Period and Claims and controversies relating to the Settled OEM Claims, the Consenting OEM Unsecured Claims, and the U.S. Acquisition Agreement, and are also in consideration of the significant value provided to the Estates by the Restructuring Support Parties in connection with the Restructuring Transactions, including, without limitation (i) the Consenting OEMs' obligations under the Indemnity Agreement (without which the Plan Sponsor would have been unwilling to enter into the Restructuring Transactions and pay the Purchase Price for the Purchased Assets), (ii) the Consenting OEMs' post-Effective Date commitments to the Plan Sponsor's business, (iii) the Consenting OEMs' agreement to certain modifications to the OEM Assumed Contracts and to have such OEM Assumed Contracts be assigned to the Plan Sponsor, (iv) the Plan Sponsor's entry into the Restructuring Transactions, (v) the Plan Sponsor's obligation to provide the Plan Sponsor Backstop Funding in accordance with the terms and subject to the conditions of the Plan Sponsor Backstop Funding Agreement and this Plan, (vi) the Business Incentive Plan Payment,

(vii) the Plan Sponsor's agreement to enter into the Transition Services Agreement, (viii) the Consenting OEMs' contributions to the Plan Settlement Fund, as set forth in sections 5.19(b)(iv) and 5.19(e) of the Plan, (ix) the Plan Sponsor Parties' payment of the Plan Sponsor Contribution Amount to the PSAN PI/WD Trust, as set forth in section 5.19(f) of the Plan, (x) the Consenting OEMs' contributions to the Support Party Creditor Fund as set forth in section 5.19(g) of the Plan, (xi) the Plan Sponsor's contributions to the Support Party Creditor Fund, as set forth in section 5.19(g) of the Plan, and (xii) the commitments of Reorganized Takata and the Plan Sponsor to assume certain executory contracts subject to and in accordance with section 5.19(h). The Plan shall be deemed a motion to approve the Plan Settlement and the good faith compromise and settlement of all of the Claims and controversies described in the foregoing sentence pursuant to Bankruptcy Rule 9019, and entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the Plan Settlement under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that the Plan Settlement is fair, equitable, reasonable, and in the best interests of the Debtors and their Estates.

(b) **Plan Settlement Payment.** Upon approval of the Plan Settlement by the Bankruptcy Court in the Confirmation Order and the occurrence of the Effective Date of the Plan: (i) the Plan Settlement Payment, less the Plan Settlement Turnover Amount, shall be paid in full in Cash by the Plan Sponsor (in accordance with the Plan Settlement Payment Waterfall set forth in section 5.19(c) of this Plan) to the OEMs in accordance with the Agreed Allocation for the Consenting OEMs free and clear of all Claims, Interests, Liens, other encumbrances, and liabilities of any kind, and such payment shall be deemed to be made both (x) on behalf of the Debtors on account of the Plan Settlement Payment and (y) with the consent of the Special Master, on behalf of the Special Master, on account of the DOJ Restitution Claim; (ii) \$100,000 of the Plan Settlement Turnover Amount shall be contributed by the Consenting OEMs to each of the IIM Recovery Funds, the SMX Recovery Funds, the TDM Recovery Funds, and the TKH Recovery Funds for the benefit of holders of General Unsecured Claims; *provided, however,* that \$100,000 of the Plan Settlement Turnover Amount shall be contributed by the Consenting OEMs to each of the IIM Recovery Funds and TDM Recovery Funds solely in the event that the Mexico Class Action Claims have not been fully resolved (through adjudication, settlement, or otherwise) prior to the Effective Date; (iii) the Post-Closing Reserve and the Warehousing Entity Reserve shall be fully funded in accordance with this Plan; and (iv) the Business Incentive Plan Payment shall be paid, when payable under the terms of the U.S. Acquisition Agreement, to the Consenting OEMs in accordance with the Agreed Allocation; *provided, however,* that eighty percent (80%) of any amounts that the Consenting OEMs would be entitled to receive on account of the Business Incentive Plan Payment pursuant to this clause (iv), excluding any amounts of the Business Incentive Plan Payment that are allocable to TKAM, shall be reallocated to the Plan Settlement Fund when such amounts would otherwise be payable to the Consenting OEMs in accordance with this clause (iv). Notwithstanding anything to the contrary in this Plan, to the extent that the Post-Closing Reserve and the Warehousing Entity Reserve are not fully funded on the Effective Date taking into account any amounts funded by the Debtors' non-Debtor affiliates, the Cash Proceeds shall be used to fund such reserves in the full amount necessary to ensure that such reserves are sufficiently funded to satisfy the purposes for which such reserves were established. Such payments, transfers, and funding shall be made in full and final satisfaction of the Settled OEM Claims and shall be final. For the avoidance of doubt, the Plan Settlement Payment and other payments and funding obligations set forth in this section 5.19(b) shall not be deemed to be in satisfaction of any Claims of Consenting OEMs that

do not constitute Settled OEM Claims, including (x) any OEM Unsecured Claims held by any Consenting OEM, (y) any Administrative Expense Claims or Cure Claims held by any Consenting OEM that do not constitute Settled OEM Claims, or (z) any Claims held by any Consenting OEM against any party other than the Debtors, including the Debtors' non-Debtor affiliates.

(c) **Plan Settlement Payment Waterfall.** The Consenting OEMs have directed that the Plan Settlement Payment, other than the Plan Settlement Turnover Amount, be paid by the Debtors from the Cash Proceeds as follows: (i) first, from the TKC Cash Proceeds; (ii) second, from the TKAM Cash Proceeds; (iii) third, from the TKF Cash Proceeds; (iv) fourth, from the IIM Cash Proceeds; (v) fifth, from the TDM Cash Proceeds; (vi) sixth, from the SMX Cash Proceeds, and (vii) seventh, from the TKH Cash Proceeds. For the avoidance of doubt, the Plan Settlement Payment shall not be paid under clauses (ii) through (vii) hereof unless the applicable Debtor's Cash Proceeds in the immediately preceding clause are exhausted. The Consenting OEMs have directed that the Plan Settlement Turnover Amount be paid by the TKH Debtors from the TKH Cash Proceeds.

(d) **Assumed PSAN Contracts.** Reorganized Takata is assuming the Assumed PSAN Contracts in accordance with section 8.4 of this Plan as part of the Plan Settlement and to ensure (i) continued production of PSAN Inflators for the PSAN Consenting OEMs and (ii) compliance with applicable NHTSA regulations and orders. As part of the Plan Settlement, the PSAN Consenting OEMs are agreeing to settle any Consenting OEM PSAN Cure Claims arising under the Assumed PSAN Contracts in exchange for the treatment of the Settled OEM Claims set forth in section 5.19(b) above.

(e) **Consenting OEM Contributions to Plan Settlement Fund.**

- (i) On the Effective Date, the Consenting OEMs shall be deemed to have contributed to the Plan Settlement Fund their rights to the following payments, and such payments shall be reallocated to the Plan Settlement Fund as and when such amounts would otherwise be paid or payable to the Consenting OEMs hereunder: (a) eighty percent (80%) of Consenting OEM GUC Recoveries until the Consenting OEMs have contributed \$5 million to the Support Party Creditor Fund from the Resolution Reserve in accordance with section 5.19(g) below and, thereafter, ninety (90%) of Consenting OEM GUC Recoveries until the Consenting OEM GUC Recovery Threshold is met; (b) twenty-five (25%) of Consenting OEM Additional GUC Recoveries; and (c) eighty percent (80%) of any Consenting OEM Incremental GUC Recoveries until the Consenting OEMs have contributed \$5 million from the Resolution Reserve to the Support Party Creditor Fund in accordance with section 5.19(g) below and, thereafter, ninety (90%) of Consenting OEM Incremental GUC Recoveries; *provided, however*, that the Consenting OEM GUC Recoveries and the

Consenting OEM Incremental GUC Recoveries shall be subject to the Resolution Reserve.

- (ii) All Consenting OEM Contributions in the Plan Settlement Fund shall be automatically contributed to the PSAN PI/WD Trust on the Effective Date or on the Distribution Date on which such amounts would otherwise be payable to the Consenting OEMs. The PSAN PI/WD Trustee shall distribute the Consenting OEM Contributions, once contributed to the PSAN PI/WD Trust, to (i) the PSAN PI/WD Funds, (ii) the Other PI/WD Funds, and (iii) the Disputed Contributions Reserve pursuant to the Contributions Distribution Formula set forth in section 6.3 of the Plan and in accordance with section 7.12 of the Plan.
- (iii) The Consenting OEM Contributions shall not constitute or be construed as admissions of any fact or liability, stipulation or waiver, but rather are in furtherance of settlement negotiations in the Chapter 11 Cases and shall not be admissible against any Consenting OEM or holder of a PSAN PI/WD Claim or Other PI/WD Claim in any non-bankruptcy proceeding involving such party.

(f) **Plan Sponsor Contribution Amount.** In exchange for the release of the Plan Sponsor Parties pursuant to section 10.6(c) of the Plan and the Channeling Injunction in favor of the Plan Sponsor Parties pursuant to section 10.7 of the Plan, the Plan Sponsor shall contribute the Plan Sponsor Contribution Amount to the PSAN PI/WD Trust. The Plan Sponsor shall use reasonable best efforts to facilitate the payment of the Plan Sponsor Contribution Amount to the PSAN PI/WD Trust as soon as practicable after the Plan Sponsor receives repayment by TKAM, TKF, or TKC of \$25 million of the PSAN Assets Advance Payment drawn by TKAM (on behalf of TSAC) on the Effective Date. The PSAN PI/WD Trustee shall then distribute the Plan Sponsor Contribution Amount to (i) the PSAN PI/WD Funds, (ii) the Other PI/WD Funds, and (iii) the Disputed Contributions Reserve pursuant to the Contributions Distribution Formula set forth in section 6.3 of the Plan and in accordance with section 7.12 of the Plan.

(g) **Support Party Creditor Fund.** On the Effective Date, the Support Party Creditor Fund shall be established and, solely as an administrative convenience to the parties to the Plan Settlement, held by the Reorganized TK Holdings Trust. The Support Party Creditor Fund shall be funded as follows: (i) the Consenting OEMs shall be deemed to have contributed to the Support Party Creditor Fund their rights to ten percent (10%) of the Consenting OEM GUC Recoveries and Consenting OEM Incremental GUC Recoveries, in each case from the Resolution Reserve, until such contributions equal \$5 million and such amount shall be payable to the Support Party Creditor Fund on the Effective Date or as soon as such amount is paid or payable to the Consenting OEMs hereunder in connection with their Consenting OEM GUC Recoveries, (ii) the Plan Sponsor shall contribute the Excess Amount to the Support Party Creditor Fund on the Effective Date (to the extent that the Excess Amount is

less than \$2.5 million, the Plan Sponsor shall contribute an additional amount, such that the Support Party Creditor Fund receives, in the aggregate, \$2.5 million from the Plan Sponsor inclusive of the Excess Amount), and (iii) to the extent required under section 5.19(h)(iii) hereof, the Debtors shall contribute the Additional Support Party Funds. The Support Party Creditor Fund shall at no time be property of the Debtors' Estates. The funds in the Support Party Creditor Fund shall be distributed Pro Rata among the Eligible Creditors. For the avoidance of doubt, each Eligible Creditor shall also receive its Pro Rata share of the Available Cash allocated to the Other Creditors Funds.

(h) **Executory Contracts.** Notwithstanding anything to the contrary herein but subject to section 8.4 of the Plan, the Debtors shall assume and assign to the Plan Sponsor all third-party executory contracts related to the Purchased Assets, except for the Excluded Contracts, provided that:

- (i) the Plan Sponsor may exclude from such assumption and assignment any Purchased Contract as long as the aggregate amount of Other General Unsecured Claims arising from the rejection of such contracts does not exceed \$2 million, including any executory contracts or unexpired leases rejected by the Debtors pursuant to section 5.19(h)(iii) of the Plan;
- (ii) if the aggregate amount of Cure Claims exceeds \$60 million, the Plan Sponsor and the Debtors shall have the right to reject executory contracts and unexpired leases in accordance with section 8.1 of the Plan and section 2.7(g) of the U.S. Acquisition Agreement as in effect on November 16, 2017; and
- (iii) with respect to executory contracts or unexpired leases, other than executory contracts for the supply of Component Parts, that were not disclosed on the Schedule of Rejected Contracts filed with the Bankruptcy Court on January 31, 2018 [Docket No. 1860] or to the Plan Sponsor on or prior to January 30, 2018, the Plan Sponsor shall have the right to decline the assumption and assignment of any such executory contract or unexpired lease, and the Debtors shall determine, in their discretion, whether to assume or reject any such declined executory contract or unexpired lease; *provided, however*, that if the Debtors reject any such executory contract or unexpired lease and such rejection results in Other General Unsecured Claims that, together with the Claims resulting from the rejection of executory contracts and unexpired leases in section 5.19(h)(i) of the Plan, exceed \$2 million, the Debtors shall contribute the Additional Support Party Funds to the Support Party Creditor Fund, subject to Bankruptcy Court approval.

(i) **Allowance of Consenting OEM Unsecured Claims.** Pursuant to the Plan Settlement, the Consenting OEM Unsecured Claims shall be Allowed for distribution purposes in the aggregate amount of \$38,645,862,823.

(j) **Plan Settlement Release.** Subject to approval of the Plan Settlement and the occurrence of the Effective Date, and as of the Effective Date, the Debtors, the Reorganized Debtors, and their Estates shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever released and discharged each Consenting OEM (and its respective subsidiaries and affiliates) from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, Liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the Debtors, the Reorganized Debtors, or their Estates (including any Causes of Action arising under chapter 5 of the Bankruptcy Code), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement, or otherwise, that the Debtors, the Reorganized Debtors, or their Estates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Person, against any Consenting OEM, based on acts or omissions occurring on or prior to the Effective Date of the Plan. For the avoidance of doubt, as of the Effective Date, all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, Liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever shall be released in all respects as set forth in the foregoing sentence. The Reorganized Debtors, the Reorganized TK Holdings Trust, and any other newly-formed entities that shall be administering the Excluded Assets and/or continuing the Debtors' businesses after the Effective Date shall be bound, to the same extent the Debtors are bound, by the releases and discharges set forth in this section 5.19(j) of the Plan.

(k) **Tolling of the Challenge Period.** The Challenge Period shall be tolled until the earlier of (i) the Effective Date and (ii) thirty (30) days following the receipt of a No Plan Notice by either of the Committees or the Debtors. On the Effective Date, the Challenge Period shall automatically terminate and all of the Committees' Claims, disputes, and Causes of Action subject to the Challenge Period shall be released with prejudice. If, however, a No Plan Notice is received by either of the Committees or the Debtor, the Challenge Period will be reinstated. If any party contests the issuance of a No Plan Notice, the Bankruptcy Court shall hold an emergency hearing to determine if the No Plan Notice was properly issued. If the Bankruptcy Court holds that the No Plan Notice was not properly issued, then it shall be as if the No Plan Notice was never issued for all purposes.

(l) **Resolution Reserve.** The Consenting OEMs may use, contribute or reallocate the remaining portion of the Resolution Reserve in accordance with the TCC/FCR Term Sheet at any time on or prior to the Effective Date without further order of the Bankruptcy Court; *provided, however*, that the Debtors shall file a notice on the docket in the Chapter 11 Cases describing any such use, contribution, or reallocation of the Resolution Reserve.

(m) **Intercompany Claims.** Besides other matters set forth already in the Plan, pursuant to the TCC/FCR Term Sheet, but subject to section 10.6(e) of the Plan, the Debtors agree to use reasonable best efforts to net all prepetition Intercompany Claims and waive or otherwise eliminate any residual Intercompany Claims owed by the Debtors where the net payable exceeds \$4 million, with an aggregate amount of less than \$9 million of net Intercompany Claims to be treated under the Plan and not waived or otherwise eliminated.

(c) the percentage of TDM Available Cash to be allocated to each of the TDM PSAN PI/WD Fund, the TDM OEM Fund, the TDM Other Creditors Fund, the TDM Other PI/WD Fund, and the TDM Disputed Claims Reserve, respectively, shall be based on, as of the Effective Date or the applicable Periodic Distribution Date, as set forth in sections 6.5 and 7.7 of this Plan: (i) PSAN PI/WD Claims against TDM in the aggregate amount of \$1.3 billion, (ii) Allowed OEM Unsecured Claims against TDM, (iii) Allowed Other General Unsecured Claims against TDM, (iv) Allowed Other PI/WD Claims against TDM, and (v) an aggregate amount equal to the least of, with respect to each Disputed OEM Unsecured Claim, Disputed Other General Unsecured Claim, and Disputed Other PI/WD Claim against TDM, (w) the filed amount of such Disputed General Unsecured Claim, (x) the amount determined, to the extent permitted by the Bankruptcy Code and Bankruptcy Rules, by the Bankruptcy Court for purposes of fixing the amount to be retained for such Disputed General Unsecured Claim, and (y) such other amount as may be agreed upon by the holder of such Disputed General Unsecured Claim and the applicable Claims Administrator, with each of the foregoing clauses (i) – (v) as a percentage of the aggregate of clauses (i) – (v). For the avoidance of doubt, the PSAN PI/WD Top-Up Amounts shall not be taken into consideration in determining the allocation of TDM Available Cash among the Recovery Funds in accordance with this paragraph; and

(d) the percentage of TKH Available Cash to be allocated to each of the TKH PSAN PI/WD Fund, the TKH OEM Fund, the TKH Other Creditors Fund, the TKH Other PI/WD Fund, and the TKH Disputed Claims Reserve, respectively, shall be based on, as of the Effective Date or the applicable Periodic Distribution Date, as set forth in sections 6.5 and 7.7 of this Plan: (i) PSAN PI/WD Claims against the TKH Debtors in the aggregate amount of \$1.3 billion, (ii) Allowed OEM Unsecured Claims against the TKH Debtors, (iii) Allowed Other General Unsecured Claims against the TKH Debtors, (iv) Allowed Other PI/WD Claims against the TKH Debtors, and (v) an aggregate amount equal to the least of, with respect to each Disputed OEM Unsecured Claim, Disputed Other General Unsecured Claim, and Disputed Other PI/WD Claim against the TKH Debtors, (w) the filed amount of such Disputed General Unsecured Claim, (x) the amount determined, to the extent permitted by the Bankruptcy Code and Bankruptcy Rules, by the Bankruptcy Court for purposes of fixing the amount to be retained for such Disputed General Unsecured Claim, and (y) such other amount as may be agreed upon by the holder of such Disputed General Unsecured Claim and the applicable Claims Administrator, with each of the foregoing clauses (i) – (v) as a percentage of the aggregate of clauses (i) – (v). For the avoidance of doubt, the PSAN PI/WD Top-Up Amounts shall not be taken into consideration in determining the allocation of TKH Available Cash among the Recovery Funds in accordance with this paragraph.

6.3 Contributions Distribution Formula.

Consenting OEM Contributions, any TKJP Contribution Amount, and the Plan Sponsor Contribution Amount shall be allocated between the PSAN PI/WD Funds, the Other PI/WD Funds, and the Disputed Contributions Reserve as follows:

(a) the percentage of Consenting OEM Contributions, any TKJP Contribution Amount, and the Plan Sponsor Contribution Amount to be allocated to each of the PSAN PI/WD Funds, the Other PI/WD Funds, and the Disputed Contributions Reserve, respectively, shall be based on, as of the Effective Date or the applicable Periodic Distribution Date, as set forth in sections 7.12 of this Plan: (i) PSAN PI/WD Claims against the TKH Debtors in the aggregate amount of \$1.3 billion, (ii) Allowed Other PI/WD Claims against the Debtors, and (iii) an aggregate amount equal to the least of, with respect to each Disputed Other PI/WD Claim against the Debtors, (w) the filed amount of such Disputed Other PI/WD Claim, (x) the amount determined, to the extent permitted by the Bankruptcy Code and Bankruptcy Rules, by the Bankruptcy Court for purposes of fixing the amount to be retained for such Disputed Other PI/WD Claim, and (y) such other amount as may be agreed upon by the holder of such Disputed Other PI/WD Claim and the PSAN PI/WD Trustee, with each of the foregoing clauses (i) – (iii) as a percentage of the aggregate of clauses (i) – (iii); *provided, however*, that the aggregate amount of Other PI/WD Claims shall not exceed \$10 million for purposes of the Contributions Distribution Formula. In undertaking the foregoing allocation to the PSAN PI/WD Funds and the Other PI/WD Funds, the PSAN PI/WD Trustee shall perform such allocation separately for each of the TKH Debtors, IIM, SMX, and TDM based on the total amount of PSAN PI/WD Claims and Other PI/WD Claims asserted against such Debtors and in the PSAN PI/WD Trustee's discretion.

6.4 Available Cash.

Available Cash shall be used to fund (i) Distributions under the Plan to holders of Allowed General Unsecured Claims in each Class from the Recovery Funds on a Pro Rata Basis, and (ii) the Disputed Claims Reserves, all on the terms set forth herein.

6.5 Initial Distribution of Available Cash.

On the Initial Distribution Date, after the satisfaction in full (or the establishment of reserves sufficient for the satisfaction in full) of the Plan Settlement Payment, the Claims Reserves, the Legacy Entities Reserves, the Post-Closing Reserve, and the PSAN PI/WD Trust Reserve, the Disbursing Agent shall make an initial Distribution of the Available Cash in the Recovery Funds to holders of Allowed General Unsecured Claims against the Debtors in accordance with the provisions of this Plan. After this initial Distribution, the applicable Claims Administrator shall make periodic Distributions of the Available Cash in the Recovery Funds to holders of Allowed General Unsecured Claims against the Debtors on the Periodic Distribution Dates.

6.6 Date of Distributions.

In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the

performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date.

6.7 Disbursing Agent.

All Distributions under the Plan by the Reorganized TK Holdings Trust or the PSAN PI/WD Trust shall be made by the Disbursing Agent (who may be the applicable Claims Administrator) on and after the Effective Date as provided herein. The Disbursing Agent shall be deemed to hold all property to be distributed under this Plan in trust for the Persons entitled to receive the same. The Disbursing Agent (other than the Plan Sponsor, to the extent the Plan Sponsor is appointed by the Special Master for the purpose of making distributions to the OEMs on account of the DOJ Restitution Claim) shall not hold an economic or beneficial interest in the property to be distributed under this Plan. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties.

6.8 Rights and Powers of Disbursing Agent.

The Disbursing Agent shall be empowered to (i) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan, (ii) make all Distributions contemplated by the Plan, (iii) employ professionals to represent it with respect to its responsibilities, and (iv) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions of the Plan.

The Disbursing Agent shall only be required to act and make Distributions in accordance with the terms of the Plan and shall have no liability for actions taken in accordance with the Plan or in reliance upon information provided to it in accordance with the Plan or obligation or liability for Distributions under the Plan to any party who does not hold an Allowed Claim at the time of Distribution or who does not otherwise comply with the terms of the Plan; *provided, however*, that the foregoing shall not affect the liability that otherwise would result from any such act or omission to the extent such act or omission is determined by a Final Order to have constituted willful misconduct, gross negligence, intentional fraud, or criminal conduct of any such Person.

6.9 Expenses of Disbursing Agent.

Except as otherwise ordered by the Bankruptcy Court, any reasonable fees and expenses incurred by the Disbursing Agents on or after the Effective Date shall be paid in Cash by the Reorganized TK Holdings Trust, except that fees and expenses incurred by the PSAN PI/WD Trustee shall be paid by the PSAN PI/WD Trust.

6.10 Delivery of Distributions.

Subject to Bankruptcy Rule 9010, all distributions to any holder of an Allowed Claim shall be made at the address of such holder (i) as set forth on the Schedules filed with the Bankruptcy Court or (ii) on the books and records of the Debtors or their agents, as applicable, unless the Debtors or the applicable Claims Administrator has been notified in writing of a change of address, including, without limitation, by filing of a proof of Claim by such holder that

contains an address for such holder different than the address of such holder as set forth in the Schedules.

6.11 Undeliverable and Unclaimed Distributions.

In the event that any Distribution to any holder of an Allowed Claim is returned as undeliverable, no distribution to such holder shall be made unless and until the Disbursing Agent has been notified of the then-current address of such holder, at which time or as soon as reasonably practicable thereafter such distribution shall be made to such holder without interest; *provided, however*, that all Distributions under the Plan that are unclaimed for a period of six (6) months after the Distribution thereof shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and revert in either the Reorganized TK Holdings Trust or the PSAN PI/WD Trust, as applicable, and any entitlement of any holder of any Claims to such Distributions shall be extinguished and forever barred.

6.12 Distribution Record Date.

As of the close of business on the Distribution Record Date, the claims register shall be closed. The applicable Claims Administrator shall have no obligation to recognize any transfer of any such Claims occurring after the close of business on the Distribution Record Date, and shall instead be entitled to recognize and deal for all purposes under the Plan with only those holders of record as of the close of business on the Distribution Record Date.

6.13 Manner of Payment under Plan.

At the option of the Disbursing Agent, any Cash payment to be made pursuant to the Plan may be made by a check or wire transfer or as otherwise required or provided in the Reorganized TK Holdings Trust Agreement.

6.14 Minimum Cash Distributions.

The Disbursing Agent shall not be required to make any Distributions of Cash less than \$100, or such lower amount as determined by the Disbursing Agent, to any holder of an Allowed General Unsecured Claim; *provided, however*, that if any Distribution is not made pursuant to this section 6.14, such Distribution shall be added to any subsequent Distribution to be made on behalf of the holder's Allowed General Unsecured Claims. The Disbursing Agent shall not be required to make any final Distribution of Cash less than \$25 to any holder of an Allowed General Unsecured Claim. If the amount of any final Distribution to any holder of Allowed General Unsecured Claims would be \$25 or less, then such Distribution shall be made available for distribution to all holders of Allowed General Unsecured Claims receiving final Distributions of at least \$25, in accordance with the Distribution Formula. Available Cash remaining in the Recovery Funds after all final Distributions to holders of Allowed General Unsecured Claims have been made in accordance with the Plan shall be distributed to the holders of Intercompany Interests in the applicable Debtor.

6.15 Setoffs and Recoupment.

Subject to sections 2.2, 5.19(j), and 10.5 through 10.8 of the Plan, the applicable Claims Administrator may, but shall not be required to, setoff against or recoup from any Claim and from any payments to be made pursuant to the Plan in respect of such Claim any claims of any nature whatsoever (to the extent permitted by applicable law) that the Debtors may have against the claimant, but neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors or the Claims Administrators of any such Claim it may have against such claimant.

6.16 Distributions after Effective Date.

Distributions made after the Effective Date to holders of Disputed Claims that are not Allowed Claims as of the Effective Date, but which later become Allowed Claims, shall be deemed to have been made on the Effective Date.

6.17 Interest and Penalties on Claims.

Unless otherwise provided in the Plan, the Confirmation Order, or required by applicable bankruptcy law, no holder of a Claim shall be entitled to interest accruing on or after the Petition Date or penalties on any Claim. Any such interest or penalty component of any such Claims, if Allowed, shall be paid only in accordance with section 726(b) of the Bankruptcy Code.

6.18 No Distribution in Excess of Amount of Allowed Claim.

Notwithstanding anything to the contrary in this Plan, no holder of an Allowed Claim shall receive, on account of such Allowed Claim, Distributions in excess of the Allowed amount of such Claim when combined with amounts received by such holders from other sources.

6.19 Satisfaction of Claims.

Unless otherwise provided herein, any Distributions and deliveries to be made on account of Allowed Claims under this Plan shall be in complete and final satisfaction, settlement, and discharge of and exchange for such Allowed Claims.

6.20 Withholding and Reporting Requirements.

(a) **Withholding Rights.** In connection with the Plan, and all instruments or Interests issued in connection therewith and in consideration thereof, any party issuing any instrument or making any distribution described in the Plan shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all distributions pursuant to the Plan and all related agreements shall be subject to any such withholding or reporting requirements. In the case of a non-Cash distribution that is subject to withholding, the distributing party may withhold an appropriate portion of such distributed property and either (i) sell such withheld property to generate Cash necessary to pay over the withholding tax (or reimburse the distributing party for any advance payment of the

withholding tax), or (ii) pay the withholding tax using its own funds and retain such withheld property. Any amounts withheld pursuant to the preceding sentence shall be deemed to have been distributed to and received by the applicable recipient for all purposes of the Plan. Notwithstanding the foregoing, each holder of an Allowed Claim or any other Person that receives a distribution pursuant to the Plan shall have responsibility for any taxes imposed by any governmental unit, including, without limitation, income, withholding, and other taxes, on account of such distribution. In the event any party issues any instrument or makes any non-Cash distribution pursuant to the Plan that is subject to withholding tax and such issuing or distributing party has not sold such withheld property to generate Cash to pay the withholding tax or paid the withholding tax using its own funds and retains such withheld property as described above, such issuing or distributing party has the right, but not the obligation, to not make a distribution until such holder has made arrangements reasonably satisfactory to such issuing or disbursing party for payment of any such tax obligations.

(b) **Forms.** Any party entitled to receive any property as an issuance or Distribution under the Plan shall, upon request, deliver to the Disbursing Agent or such other Person designated by the Reorganized Debtors (which Person shall subsequently deliver to the Disbursing Agent any applicable IRS Form W-8 or Form W-9 received) an appropriate Form W-9 or Form W-8, as applicable, and any other forms or documents reasonably requested by any Reorganized Debtor to reduce or eliminate any withholding required by any federal, state, or local taxing authority. If such request is made by any Reorganized Debtors, the Disbursing Agent, or such other Person designated by the Reorganized Debtors or Disbursing Agent and the holder fails to comply before the date that is three hundred sixty-five (365) calendar days after the request is made, the amount of such Distribution shall irrevocably revert to the Reorganized Debtors and any Claim in respect of such Distribution shall be discharged and forever barred from assertion against the Reorganized Debtors or its property.

(c) **Obligation.** Notwithstanding the above, each holder of an Allowed Claim that is to receive a Distribution under this Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed on such holder by any governmental unit, including income, withholding, and other tax obligations, on account of such distribution.

ARTICLE VII PROCEDURES FOR DISPUTED CLAIMS.

7.1 Disputed Claims Reserves.

From and after the Effective Date, and until such time as all Disputed Claims have been compromised and settled or determined by a Final Order of the Bankruptcy Court, the applicable Claims Administrator shall, consistent with and subject to section 1123(a)(4) of the Bankruptcy Code, retain from the Available Cash an aggregate amount equal to the Pro Rata Share of each Distribution that would have been made to a holder of a Disputed Claim from the Recovery Funds in accordance with the Distribution Formula and allocate such amount to the applicable Disputed Claims Reserve in accordance with the Distribution Formula as if such Disputed Claim were an Allowed Claim against the Debtors in an amount equal to the least of (i) the filed amount of such Disputed Claim, (ii) the amount determined, to the extent permitted by the Bankruptcy Code and Bankruptcy Rules, by the Bankruptcy Court for purposes of fixing

the amount to be retained for such Disputed Claim, and (iii) such other amount as may be agreed upon by the holder of such Disputed Claim and the applicable Claims Administrator.

7.2 Claim Objections.

On or after the Effective Date, objections to Claims against the Debtors may be interposed and prosecuted only by the applicable Claims Administrator. Except as otherwise provided in section 2.1 of the Plan with respect to Administrative Expense Claims, any objections to Claims shall be served on the respective Claim holder and filed with the Bankruptcy Court (i) on or before one hundred twenty (120) days following the later of (a) the Effective Date and (b) the date that a proof of Claim is filed or amended or a Claim is otherwise asserted or amended in writing by or on behalf of a holder of such Claim, or (ii) on such later date as may be fixed by the Bankruptcy Court; *provided, however*, that the foregoing time periods shall not apply to PSAN PI/WD Claims.

7.3 No Distribution Pending Allowance.

Notwithstanding any other provision in the Plan, if any portion of a Claim is Disputed, no payment or Distribution provided under the Plan shall be made on account of such Claim unless and until such Disputed Claim becomes an Allowed Claim.

7.4 Estimation of Claims.

The Debtors (before the Effective Date) or the applicable Claims Administrator (on or after the Effective Date) may, at any time, request that the Bankruptcy Court estimate, pursuant to section 502(c) of the Bankruptcy Code, any Disputed Claim that the Bankruptcy Court has jurisdiction to estimate in accordance with the Bankruptcy Code or other applicable law regardless of whether an objection was previously filed with the Bankruptcy Court with respect to such Claim, or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim at any time during litigation concerning any objection to any Claim, including during the pendency of any appeal relating to any such objection. If the Bankruptcy Court estimates a Disputed Claim, that estimated amount shall constitute either the Allowed amount of such Claim, the amount used to determine the Disputed Claims Reserve, or a maximum limitation on such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on such Claim, the applicable Claims Administrator may elect to pursue any supplemental proceeding to object to any ultimate Distribution on account of such Claim.

7.5 Distribution After Allowance.

On the first Distribution Date following the date on which a Disputed Claim becomes an Allowed Claim against a Debtor, the Disbursing Agent shall remit to the respective Recovery Fund, for Distribution to the holder of such Allowed Claim, the Available Cash retained in the applicable Disputed Claims Reserve in an amount equal to the amount that would have been distributed to the holder of such Claim from the Effective Date through and including the Distribution Date had such Claim been Allowed as of the Effective Date. For the avoidance of doubt, the amount to be distributed pursuant to this section 7.5 shall be based on the

Distribution Formula as applied on the applicable Distribution Date and not the Distribution Formula as applied on the Effective Date.

7.6 Resolution of Claims.

Except as expressly provided herein or in any order entered in the Chapter 11 Cases before the Effective Date, including the Confirmation Order, the Claims Administrators (on or after the Effective Date) shall have and retain any and all rights and defenses held by the Debtors with respect to any Claim as of the Petition Date. On and after the Effective Date, in accordance with the Plan, the Claims Administrators shall have the authority to compromise, settle, otherwise resolve, or withdraw any objections to Claims against the Debtors and to compromise, settle, or otherwise resolve any Disputed Claims without approval of the Bankruptcy Court, subject to the conditions and rights of the Claims Oversight Committee set forth in section 7.13 of the Plan. If a Claims Administrator and a holder of a Disputed Claim are unable to reach a settlement on the Disputed Claim, such Disputed Claim shall be submitted to the Bankruptcy Court for resolution. Absent the consent of the Tort Claimants' Committee and the Future Claims Representative from the Confirmation Date until the Effective Date and the PSAN PI/WD Trustee on or after the Effective Date, no settlements, Claim allowances, or other related actions that could or would materially reduce the funding for the PSAN PI/WD Trust may be undertaken other than from the Resolution Reserve.

7.7 Periodic Distributions from the Disputed Claims Reserves.

After the Initial Distribution Date, the applicable Claims Administrator shall make distributions on the Periodic Distribution Dates from the Disputed Claims Reserves to the Recovery Funds for holders of Allowed General Unsecured Claims against the Debtors as a result of resolving Disputed Claims and releasing Cash from the Disputed Claims Reserves into the Recovery Funds in accordance with the Distribution Formula, as re-applied at each Distribution Date. The applicable Claims Administrator shall make Distributions on the Periodic Distribution Dates from the Recovery Funds to the holders of Allowed General Unsecured Claims against the Debtors in accordance with ARTICLE VI of this Plan.

7.8 Distributions on the Non-PSAN PI/WD Claims Termination Date.

On the Non-PSAN PI/WD Claims Termination Date, when all Disputed Claims (other than PSAN PI/WD Claims) are resolved and have either become Allowed or are Disallowed, a final Distribution of Available Cash in the Disputed Claims Reserves shall be deposited into the Recovery Funds pursuant to the then applicable Distribution Formula. Immediately thereafter, a final Distribution shall be made from the Recovery Funds to holders of Allowed Claims (other than PSAN PI/WD Claims) in accordance with ARTICLE VI of this Plan.

7.9 Property Held in the Disputed Claims Reserves.

Each holder of a Disputed Claim that ultimately becomes an Allowed Claim shall have recourse only to the undistributed applicable Available Cash held in the Disputed Claims Reserves for satisfaction of the Distributions to which holders of Allowed Claims are entitled

under the Plan, and not against Reorganized Takata or the Legacy Entities, their property (including reserves), or any assets previously distributed on account of any Allowed Claim.

7.10 Claims Resolution Procedures Cumulative.

All of the objection, estimation, settlement, and resolution procedures set forth in this Plan are intended to be cumulative and not exclusive of one another. Claims may be established and subsequently settled, compromised, withdrawn, or resolved in accordance with this Plan by any mechanism approved by the Bankruptcy Court.

7.11 No Postpetition Interest.

Unless otherwise specifically provided for in the Plan, the Confirmation Order, or required by applicable bankruptcy law, postpetition interest shall not accrue or be paid on any Claims, and no holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim. Interest shall not accrue or be paid upon any Disputed Claim in respect of the period from the Effective Date to the date a Distribution is made thereon on and after such Disputed Claim becomes an Allowed Claim.

7.12 Disputed Contributions Reserve.

From and after the Effective Date, and until such time as all Disputed Other PI/WD Claims have been compromised and settled or determined by a Final Order of the Bankruptcy Court, the PSAN PI/WD Trustee shall retain from the Consenting OEM Contributions, any TKJP Contribution Amount, and the Plan Sponsor Contribution Amount an aggregate amount equal to the Pro Rata Share of each contribution that would have been made to a holder of a Disputed Other PI/WD Claim from the Consenting OEM Contributions, any TKJP Contribution Amount, and the Plan Sponsor Contribution Amount in accordance with the Contributions Distribution Formula and allocate such amount to the Disputed Contributions Reserve in accordance with the Contributions Distribution Formula as if such Disputed Other PI/WD Claim was an Allowed Other PI/WD Claim against the Debtors in an amount equal to the least of (i) the filed amount of such Disputed Other PI/WD Claim, (ii) the amount determined, to the extent permitted by the Bankruptcy Code and Bankruptcy Rules, by the Bankruptcy Court for purposes of fixing the amount to be retained for such Disputed Other PI/WD Claim, and (iii) such other amount as may be agreed upon by the holder of such Disputed Other PI/WD Claim and the PSAN PI/WD Trustee. On the first Distribution Date following the date on which a Disputed Other PI/WD Claim becomes an Allowed Other PI/WD Claim against a Debtor, the PSAN PI/WD Trustee shall remit to the Other PI/WD Funds, for Distribution to the holder of such Allowed Other PI/WD Claim, the Consenting OEM Contributions, any TKJP Contribution Amount, and the Plan Sponsor Contribution Amount retained in the Disputed Contributions Reserve in an amount equal to the amount that would have been distributed to the holder of such Other PI/WD Claim from the Effective Date through and including the Distribution Date had such Other PI/WD Claim been Allowed as of the Effective Date. For the avoidance of doubt, the amount to be contributed pursuant to this section 7.12 shall be based on the Contributions Distribution Formula as applied on the applicable Distribution Date and not the Contributions Distribution Formula as applied on the Effective Date. After the Initial Distribution Date, the PSAN PI/WD Trustee shall make contributions on the Periodic Distribution Dates from the

Disputed Contributions Reserve to the Other PI/WD Funds and the PSAN PI/WD Funds for holders of Allowed Other PI/WD Claims and PSAN PI/WD Claims against the Debtors as a result of resolving Disputed Other PI/WD Claims and releasing Cash from the Disputed Contributions Reserve into the Other PI/WD Funds and the PSAN PI/WD Funds in accordance with the Contributions Distribution Formula, as re-applied at each Distribution Date.

7.13 Claims Oversight Committee.

Notwithstanding anything herein to the contrary, the Legacy Trustee shall notify the Claims Oversight Committee prior to settling, compromising, or allowing any Claim in a liquidated amount in excess of \$1,000,000 for an Other General Unsecured Claim and \$500,000 for a Priority Claim or a Secured Claim (including any such Claim originally scheduled or filed in an unliquidated amount). The Claims Oversight Committee shall have a period of three (3) Business Days after receipt of such notice to review the proposed settlement or compromise and notify the Legacy Trustee of objections, if any, to the proposed settlement or compromise of such Claim. If such objection is made, the Legacy Trustee shall not move forward with the matter absent Court approval after at least ten (10) Business Days' notice and opportunity to object to the Claims Oversight Committee. In addition, the combined compensation payable from the Reorganized TK Holdings Trust Reserve, subject to the terms of the Reorganized TK Holdings Trust Agreement, to the members of the Claims Oversight Committee and to the Legacy Trustee shall not exceed \$240,000 per year.

ARTICLE VIII EXECUTORY CONTRACTS AND UNEXPIRED LEASES.

8.1 Assumption and Rejection of Executory Contracts and Unexpired Leases.

(a) As of and subject to the occurrence of the Effective Date, all executory contracts and unexpired leases to which the Debtors are party shall be deemed assumed and assigned to the Plan Sponsor except for an executory contract or unexpired lease that (i) has previously been assumed or rejected pursuant to a Final Order of the Bankruptcy Court, (ii) is specifically designated on the Schedule of Assumed Contracts or the Schedule of Rejected Contracts, which shall be filed and served on January 31, 2018 in accordance with the Solicitation Procedures Order, (iii) is being assumed, assumed and assigned, or otherwise assigned pursuant to section 8.4 of this Plan, (iv) is the subject of a separate assumption or rejection motion filed by the Debtors under section 365 of the Bankruptcy Code pending on the Confirmation Date, or (v) is the subject of a pending Cure Dispute. Notwithstanding anything to the contrary herein, the Debtors' rights to modify the treatment of any particular executory contract or unexpired lease pursuant to this Plan shall be (i) in all respects subject to the provisions of section 5.19(h) of the Plan and (ii) reasonably acceptable to the Plan Sponsor. Additionally, notwithstanding anything to the contrary in this ARTICLE VIII, all contracts described in clauses (i)(a), (i)(b), (i)(d), (ii), (iii), (iv), and (v) of the "Excluded Contracts" definition shall be rejected unless the Plan Sponsor otherwise instructs the Debtors in writing.

(b) Subject to the occurrence of the Effective Date, the payment of any applicable Cure Amount, and the resolution of any Cure Dispute, the entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of the rejections, assumptions, and

assumptions and assignments provided for in the Solicitation Procedures Order and in this Plan pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Unless otherwise indicated or provided in a separate order of the Bankruptcy Court, rejections or assumptions or assumptions and assignments of executory contracts and unexpired leases pursuant to the Solicitation Procedures Order and this Plan are effective as of the Effective Date. Each executory contract and unexpired lease assumed pursuant to this Plan or by order of the Bankruptcy Court but not assigned to a third party on or before the Effective Date shall vest in and be fully enforceable by the applicable Reorganized Debtor in accordance with its terms, except as modified by the provisions of this Plan, any order of the Bankruptcy Court authorizing and providing for its assumption, or applicable law.

(c) Unless otherwise provided herein (including section 8.4 of this Plan) or by separate order of the Bankruptcy Court, each executory contract and unexpired lease that is assumed or assumed and assigned shall include any and all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without regard to whether such agreement, instrument, or other document is listed in the Schedule of Assumed Contracts.

(d) Except as otherwise expressly set forth on the Cure Amount Notice, any contracts, engagement letters, retention agreements, and similar arrangements, in each case between the Debtors and any attorneys, accountants, financial advisors, investment bankers, or similar professionals, representatives, or advisors have not been included on the Cure Amount Notice and shall not be treated under the Plan as executory contracts subject to assumption, assumption and assignment, or rejection. Counterparties to any such contracts, engagement letters, retention agreements, and similar arrangements were required to file proofs of claim by the General Bar Date (as defined in the Bar Date Order) and any Allowed Claims relating thereto shall be treated as Other General Unsecured Claims against the applicable Debtor.

8.2 Determination of Cure Disputes and Deemed Consent.

(a) The Debtors shall file and serve on all required parties, as directed in the Solicitation Procedures Order, the Cure Amount Notice no later than thirty (30) days prior to the Confirmation Hearing, which Cure Amount Notice shall be in form and substance reasonably acceptable to the Plan Sponsor. If a counterparty to an executory contract or unexpired lease (excluding, for the avoidance of doubt, any OEM Assumed Contract) is not listed on such Cure Amount Notice, the proposed Claim Cure for such executory contract or unexpired lease shall be deemed to be zero dollars (\$0); *provided, however*, that the foregoing shall not apply to those counterparties not listed on the Cure Amount Notice that otherwise file a proof of Claim with the Bankruptcy Court.

(b) Any counterparty to an executory contract or unexpired lease shall have the time prescribed by the Solicitation Procedures Order to object to the Cure Claims listed on the notice and to adequate assurance of future performance by the Plan Sponsor.

(c) To the extent that a Cure Dispute is asserted in an objection filed in accordance with the Solicitation Procedures Order, such Cure Dispute shall be scheduled for a hearing by the Bankruptcy Court. Following resolution of a Cure Dispute by Final Order of the Bankruptcy Court, the applicable contract or lease shall be deemed assumed effective as of the Effective Date; *provided, however*, subject to the terms of section 5.19(h) of the Plan, if any Claim subject to a Cure Dispute is Allowed in an amount greater than the Cure Amount for such Claim listed on the Cure Amount Notice, the Debtors reserve the right (and shall do so if directed by the Plan Sponsor with respect to any Purchased Contract) to reject such executory contract or unexpired lease for a period of seven (7) Business Days following entry of a Final Order of the Bankruptcy Court resolving the applicable Cure Dispute by filing a notice indicating such rejection with the Bankruptcy Court.

(d) To the extent (i) any Cure Dispute with respect to a Purchased Contract has not been resolved prior to the Effective Date and (ii) (a) the aggregate amount of all Disputed Cure Claims with respect to the Purchased Contracts plus (b) the aggregate amount of all other Cure Claims paid by the Plan Sponsor on the Effective Date exceeds the Cure Claims Cap, the Debtors shall establish the Disputed Cure Claims Reserve. Any amounts remaining in the Disputed Cure Claims Reserve after the resolution and payment, if applicable, of all Disputed Cure Claims with respect to the Purchased Contracts, shall be included in the Claims Reserve of the applicable Reorganized Debtor. For the avoidance of doubt, the Plan Sponsor's obligation to pay Cure Claims in connection with assumption and assignment of the Purchased Contracts shall not exceed the Cure Claims Cap. To the extent the total aggregate value of Cure Claims (including all Disputed Cure Claims) with respect to the Purchased Contracts exceeds the Cure Claims Cap, (i) the Plan Sponsor, in its sole discretion, shall determine the specific Cure Claims that it shall pay up to the Cure Claims Cap and (ii) the Debtors shall pay the excess of (x) the aggregate amount of such Cure Claims over (y) the Cure Claims Cap.

(e) To the extent that an objection is not timely filed and properly served on the Debtors with respect to a Cure Dispute, then the counterparty to the applicable contract or lease shall be deemed to have assented to (i) the Cure Amount proposed by the Debtors and (ii) the assumption of such contract or lease, notwithstanding any provision thereof that (a) prohibits, restricts, or conditions the transfer or assignment of such contract or lease, or (b) terminates or permits the termination of a contract or lease as a result of any direct or indirect transfer or assignment of the rights of the Debtor under such contract or lease or a change in the ownership or control as contemplated by the Plan, and shall forever be barred and enjoined from asserting such objection against the Debtors or terminating or modifying such contract or lease on account of transactions contemplated by the Plan.

(f) With respect to payment of any Cure Amounts or Cure Disputes, neither the Debtors, the Plan Sponsor, nor the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable executory contract or unexpired lease, even if such non-Debtor party has sold, assigned, or otherwise transferred its Cure Claim.

8.3 Payments Related to Assumption of Contracts and Leases.

(a) Subject to resolution of any Cure Dispute, any monetary amounts by which any executory contract and unexpired lease to be assumed hereunder is in default shall be satisfied, under section 365(b)(1) of the Bankruptcy Code, by the Debtors or the Plan Sponsor (solely with respect to the Purchased Contracts and up to the Cure Claims Cap), as the case may be, upon assumption thereof.

(b) Assumption and assignment of any executory contract or unexpired lease pursuant to the Plan, or otherwise, shall result in the full release and satisfaction of any Claims or defaults, subject to satisfaction of the Cure Amount, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed executory contract or unexpired lease at any time before the effective date of assumption and/or assignment; *provided, however*, that nothing in this section 8.3(b) of the Plan or otherwise shall release the Plan Sponsor from any Assumed Liabilities as defined in the U.S. Acquisition Agreement. (c) Each Non-Standalone OEM Contract shall be automatically severed on the Effective Date (to the extent such severance has not occurred prior to the

Effective Date) so as to create a Modified Assumed OEM Contract and, in the case of a Non-Standalone OEM Contract of a PSAN Consenting OEM, Consenting OEM PSAN Contract Manufacturer, or Consenting OEM PSAN Tier One, severed so as to create a Modified Assumed OEM Contract and either a Modified Assumed PSAN Contract or a standalone contract for the sale of PSAN Inflators that shall be rejected in accordance with the below, as applicable. Each such severed Non-Standalone OEM Contract shall be: (i) as it relates to a Modified Assumed OEM Contract, assumed by the applicable Debtor and assigned (and to the extent not executory, assigned) to the Plan Sponsor entity to which the applicable Consenting OEM consents (in its sole discretion), "as is" (and without giving effect to any accommodations provided by the Global Accommodation Agreement), without modification of any kind, including as to terms or price, other than (A) as necessary to separate the manufacture and sale of the PSAN Inflators and release the Plan Sponsor (including the Acquired Non-Debtor Affiliates) from all Liabilities (as defined in the Indemnity Agreement) and obligations thereunder with respect to PSAN Inflators on the terms set forth in the Indemnity Agreement (and such released obligations shall be (I) in the case of a Modified Assumed PSAN Contract, transferred to, and the severed portion of the contract related to such manufacture, sale, Liabilities (as defined in the Indemnity Agreement), and obligations novated to and assumed by, Reorganized TK Holdings (or its applicable subsidiary) as a Modified Assumed PSAN Contract; or (II) in all other cases, rejected as of the Effective Date), (B) to account for pricing adjustments for the PSAN Inflator production not being assumed by the Plan Sponsor, where such adjustments are to be resolved between the applicable Consenting OEM and the Plan Sponsor pursuant to normal commercial dealings, (C) to substitute the Plan Sponsor entity to whom the Modified Assumed OEM Contract is assigned (with the consent of the applicable Consenting OEM, in its sole discretion) for the applicable Debtor, and (D) for a Non-Standalone OEM Contract of a Consenting OEM, to incorporate the ROLR (as defined in the Indemnity Agreement) on the terms set forth in Section 10 of the Indemnity Agreement to the extent such Consenting OEM's Non-Standalone OEM Contract is not otherwise deemed amended in accordance with section 8.4 of the Plan; and (ii) as it relates to a Modified Assumed PSAN Contract, assumed by Reorganized TK Holdings or its applicable subsidiary (and to the extent not executory, assigned to Reorganized TK Holdings or its applicable subsidiary) "as is" (and without giving effect to any accommodations provided pursuant to the Global Accommodation Agreement) without modification of any kind, including as to terms or price, other than (A) as necessary to separate the manufacture and sale of the PSAN Inflators and release Reorganized Takata from all Liabilities (as defined in the Indemnity Agreement), and obligations thereunder unrelated to PSAN Inflators, and such released obligations shall be transferred to, and the severed portion of the contract related to such manufacture, sale, Liabilities (as defined in the Indemnity Agreement), and obligations novated to and assumed by, the Plan Sponsor entity to whom the Modified Assumed OEM Contract is assigned (with the consent of the applicable Consenting OEM, in its sole discretion) as a Modified Assumed OEM Contract, (B) to account for pricing adjustments consistent with the Reorganized Takata Business Model on a cost basis, and (C) to substitute Reorganized TK Holdings (or its applicable subsidiary) for the applicable Debtor.

(e) Notwithstanding the foregoing, in respect of any Non-Standalone OEM Contracts where a Consenting OEM PSAN Contract Manufacturer or Consenting OEM PSAN Tier One is the counterparty, (i) the applicable Consenting OEM and Plan Sponsor will work cooperatively to cause the Consenting OEM PSAN Contract Manufacturer or Consenting OEM PSAN Tier One to modify its Non-Standalone OEM Contracts consistent with this section 8.4 and the Plan shall not constitute a deemed amendment to such Non-Standalone OEM Contracts, and (ii) Plan Sponsor shall have no obligation to assume any Non-Standalone OEM Contract where a Consenting OEM PSAN Contract Manufacturer or Consenting OEM PSAN Tier One is the counterparty unless (A) such counterparty modifies its Non-Standalone OEM Contract consistent with this section 8.4 and (B) either (x) such counterparty grants a release consistent with Sections 8.a, 8.b, and 8.e of the Indemnity Agreement and agrees to the contractual subordination terms set forth in the penultimate paragraph of Section 5 of the Indemnity Agreement or (y) the applicable Consenting OEM is required to, or agrees to, indemnify and hold harmless Joyson KSS Auto Safety S.A. pursuant to Section 6 of the Indemnity Agreement with respect to any related PSAN Claims (as defined in the Indemnity Agreement) asserted by such counterparty in respect of such Non-Standalone OEM Contract (to the extent such Claim relates to the applicable OEM's vehicles), it being understood that any Non-Standalone OEM Contract that Plan Sponsor does not assume as permitted by this section 8.4 shall not constitute an OEM Assumed Contract for any purposes hereunder and, notwithstanding anything to the contrary set forth in this Plan, neither Plan Sponsor nor any Acquired Non-Debtor Affiliate shall have any obligation under this Plan with respect to any such counterparty with respect to the applicable Non-Standalone OEM Contract.

(f) Except as otherwise agreed to between the Plan Sponsor and the Consenting OEMs, the Plan Sponsor shall assume all Assumed Liabilities (as defined in the Indemnity Agreement) in accordance with Section 4.b of the Indemnity Agreement.

(h) Notwithstanding anything herein to the contrary, any Cure Claims of Consenting OEMs, other than Consenting OEM PSAN Cure Claims, shall be assumed by the Plan Sponsor and paid to the respective Consenting OEM in the ordinary course of business. The Debtors shall have no obligations with respect to such Cure Claims, and such Cure Claims shall not be counted for determining the Disputed Cure Claims Reserve or included in or limited by the Cure Claims Cap. Such Cure Claims shall not be subject to any Cure Claim procedures set forth in this Plan or the Solicitation Procedures Order. Further, nothing in this Plan shall be deemed a waiver of such Cure Claims by the Consenting OEMs nor affect the assumption and assignment of the OEM Assumed Contracts on an "as is" basis as provided above.

(i) (i) All Purchase Orders and other executory contracts and unexpired leases between any Debtor and any OEM that purchased PSAN Inflators from the Debtors that is not a Consenting OEM shall be deemed rejected as of the Effective Date, to the extent not rejected prior to the Effective Date. For the avoidance of doubt, any Purchase Orders between any Debtor and any OEM relating solely to PSAN Inflators not assumed or assumed

and assigned pursuant to this section 8.4 shall be deemed rejected as of the Effective Date, to the extent not rejected prior to the Effective Date.

8.5 Rejection Claims.

In the event that the rejection of an executory contract or unexpired lease by any of the Debtors herein results in damages to the other party or parties to such contract or lease, any Claim for such damages, if not heretofore evidenced by a timely filed proof of Claim, shall be forever barred and shall not be enforceable against the Debtors or the Reorganized Debtors, or their respective Estates, properties or interests in property, unless a proof of Claim is filed with the Bankruptcy Court and served upon the Debtors no later than thirty (30) days after the later of (i) the Confirmation Date and (ii) the effective date of the rejection of such executory contract or unexpired lease. Subject to section 5.19(g) of the Plan, any such Claims, to the extent Allowed, shall be classified as Class 6 Other General Unsecured Claims. All such obligations shall be deemed and treated as executory contracts to be assumed by the Debtors under this Plan and shall continue as obligations of the Reorganized Debtors. Any Claim based on the Debtors' obligations herein shall not be a Disputed Claim or subject to any objection, in either case, by reason of section 502(e)(1)(B) of the Bankruptcy Code.

8.7 Compensation and Benefit Plans.

Except with respect to any benefit plans, policies, or programs (i) for which the Debtors have received approval of the Bankruptcy Court to reject or terminate on or before the Effective Date, (ii) that are rejected or terminated pursuant to the Plan, (iii) that are subject to a pending motion to reject or terminate as of the Confirmation Hearing, or (iv) that are listed on the Schedule of Rejected Contracts, all employment and severance policies, and all compensation and benefit plans, policies, and programs of the Debtors applicable to their respective employees, and non-employee directors, including all savings plans, retirement plans, healthcare plans, disability plans, severance benefit plans, incentive and bonus plans (including, for the avoidance of doubt, any letter agreements with the PSAN Employees (as defined in the U.S. Acquisition Agreement) relating to the Key Employee Bonus Plan), and life and accidental

8.8 Insurance Policies.

On or prior to the Effective Date, the Debtors may fund an upfront premium payment to purchase “tail insurance” to continue the Debtors’ existing directors’ and officers’ insurance subject to the reasonable consent of the Requisite Consenting OEMs. All insurance policies to which any Debtor is a party as of the Effective Date shall be deemed to be and treated as executory contracts, shall be assumed by the applicable Debtor, and shall vest in the Reorganized Debtors (other than the PI/WD Insurance Policies) and continue in full force and effect thereafter in accordance with their respective terms.

8.9 Reservation of Rights.

(a) Neither the exclusion nor the inclusion by the Debtors of any contract or lease on any exhibit, schedule, or other annex to this Plan or in the Plan Supplement, nor anything contained in this Plan, shall constitute an admission by the Debtors that any such contract or lease is or is not an executory contract or unexpired lease or that the Debtors or the Reorganized Debtors or their respective affiliates has any liability thereunder.

(b) Except as explicitly provided in this Plan, nothing herein shall waive, excuse, limit, diminish, or otherwise alter any of the defenses, claims, Causes of Action, or other rights of the Debtors or the Reorganized Debtors under any executory or non-executory contract or unexpired lease.

(c) Nothing in this Plan shall increase, augment, or add to any of the duties, obligations, responsibilities, or liabilities of the Debtors or the Reorganized Debtors, as applicable, under any executory or non-executory contract or unexpired or expired lease, including the PI/WD Insurance Policies.

The Reorganized Debtors and any newly-formed entities that shall be continuing the Debtors' businesses after the Effective Date shall be bound, to the same extent the Debtors are bound, by the releases and discharges set forth in this section 10.6(a).

(b) Releases by Holders of Claims and Interests.

As of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan, the Confirmation Order and the obligations contemplated by the Restructuring Transactions, for good and valuable consideration, the adequacy of which is hereby confirmed, including, without limitation, the service of the Released Parties to facilitate the reorganization of the Debtors and the implementation of the Restructuring Transactions, and except as otherwise provided in the Plan or in the Confirmation Order, the Released Parties shall be deemed conclusively, absolutely, unconditionally, irrevocably and forever released and discharged, to the maximum extent permitted by law, as such law may be extended subsequent to the Effective Date, except as otherwise provided herein, by (i) the holders of all Claims, other than the Consenting OEMs, who vote to accept the Plan, (ii) the holders of all Claims, other than the Consenting OEMs, that are Unimpaired under the Plan, (iii) the holders of all Claims, other than the Consenting OEMs, whose vote to accept or reject the Plan is solicited but who do not vote either to accept or to reject the Plan, (iv) the holders of all Claims, other than the Consenting OEMs, or Interests who vote, or are deemed, to reject the Plan but do not opt out of granting the releases set forth herein, (v) the holders of all Claims, other than the Consenting OEMs, and Interests who were given notice of the opportunity to opt out of granting the releases set forth herein but did not opt out, and (vi) all other holders of Claims, other than the Consenting OEMs, and Interests to the maximum extent permitted by law, in each case from any and all Claims, counterclaims, disputes, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, Liens, remedies, losses, contributions, indemnities, costs, liabilities, attorneys' fees and expenses whatsoever, including any derivative claims, asserted or assertable on behalf of the

Debtors, the Reorganized Debtors, or their Estates (including any Causes of Action arising under chapter 5 of the Bankruptcy Code), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted, accrued or unaccrued, existing or hereinafter arising, whether in law or equity, whether sounding in tort or contract, whether arising under federal or state statutory or common law, or any other applicable international, foreign, or domestic law, rule, statute, regulation, treaty, right, duty, requirement or otherwise, that such holders or their estates, affiliates, heirs, executors, administrators, successors, assigns, managers, accountants, attorneys, representatives, consultants, agents, and any other Persons or parties claiming under or through them would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the holder of any Claim or Interest or other Person, based on or relating to, or in any manner arising from, in whole or in part, the Debtors or their non-Debtor affiliates (including the Acquired Non-Debtor Affiliates), the Reorganized Debtors, or their Estates, the Chapter 11 Cases, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements or interactions between any Debtor and any Released Party (including the exercise of any common law or contractual rights of setoff or recoupment by any Released Party at any time on or prior to the Effective Date), the Restructuring Transactions, the restructuring of any Claim or Interest before or during the Chapter 11 Cases, the Disclosure Statement, the U.S. Acquisition Agreement, the Global Accommodation Agreement, the U.S. RSA, and the Plan and related agreements, instruments, and other documents, and the negotiation, formulation, preparation or implementation thereof, the solicitation of votes with respect to the Plan, or any other act or omission, other than Claims or Causes of Action arising out of or related to any act or omission of a Released Party that constitutes fraud, gross negligence or willful misconduct. For the avoidance of doubt, no OEM shall receive a release from holders of Claims and Interests pursuant to this section 10.6(b), and the failure of any holder of a PSAN PI/WD Claim to opt out of granting the releases set forth in 10.6(b) of the Plan and the confirmation of the Plan shall not waive any such holder's right, if any, to participate in the DOJ PI/WD Restitution Fund.

(c) Releases by Holders of PSAN PI/WD Claims.

As of the Effective Date, except for the rights that remain in effect from and after the Effective Date to enforce the Plan, to the maximum extent permitted under applicable law, the holders of PSAN PI/WD Claims shall be deemed to provide a full and complete discharge and release to the Protected Parties and their respective property and successors and assigns from any and all Causes of Action whatsoever, whether known or unknown, asserted or unasserted, derivative or direct, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, whether for tort, fraud, contract, veil piercing or alter-ego theories of liability, contribution, indemnification, joint liability, or otherwise, arising from or related in any way to such holders' PSAN PI/WD Claims. Notwithstanding anything to the contrary in the Plan, nothing in the Plan shall release any OEM that is not a Participating OEM from liability for a PSAN PI/WD Claim.

(d) Adequate Protection Order and Plan Settlement Releases.

Nothing in this Plan shall limit, modify, or affect in any way the releases granted under paragraph 4(g) of the Adequate Protection Order or section 5.19(j) of the Plan, and such releases shall remain in full force and effect through and after the Effective Date (in the case of releases under paragraph 4(g) of the Adequate Protection Order), and shall be in full force and effect from and after the Effective Date (in the case of releases under section 5.19(j) of the Plan).

(e) Intercompany Claims/TKJP 503(b)(9) Claim.

Notwithstanding sections 10.6(a) and 10.6(b) of the Plan, the Claims of the Debtors against their Non-Debtor Affiliates and the Claims of the Non-Debtor Affiliates against the Debtors (including the TKJP 503(b)(9) Claim) shall not be released pursuant to such sections. For the avoidance of doubt, the treatment of Intercompany Claims under this Plan, including section 5.19(m), shall apply only to Intercompany Claims that would not otherwise be acquired by the Plan Sponsor pursuant to the Final Joint Proposal (as defined in the U.S. Acquisition Agreement) as set forth in section 7.17 of the U.S. Acquisition Agreement.

10.7 Channeling Injunction.

In order to supplement the injunctive effect of the Plan Injunction and the Releases set forth in sections 10.5 and 10.6 of the Plan for PSAN PI/WD Claims, the Confirmation Order shall provide for the following permanent injunction to take effect as of the Effective Date:

(a) Terms. In order to preserve and promote the settlements contemplated by and provided for in the Plan and to supplement, where necessary, the injunctive effect of the Plan Injunction and the Releases described in sections 10.5 and 10.6 of the Plan, and pursuant to the exercise of the equitable jurisdiction and power of the Bankruptcy Court and District Court under section 105(a) of the Bankruptcy Code, all Persons that have held or asserted, or that hold or assert any PSAN PI/WD Claim against the Protected Parties, or any of them, shall be permanently and forever stayed, restrained, and enjoined from taking any action for the purpose of directly or indirectly collecting, recovering, or receiving payments, satisfaction, or recovery from any such Protected Party with respect to any such PSAN PI/WD Claims, including:

- (i) commencing, conducting, or continuing, in any manner, whether directly or indirectly, any suit, action, or other proceeding of any kind in any forum with respect to any such PSAN PI/WD Claim, against or affecting any of the Protected Parties, or any property or interests in property of any Protected Party with respect to any such PSAN PI/WD Claim;
- (ii) enforcing, levying, attaching, collecting or otherwise recovering, by any manner or means, or in any manner, either directly or indirectly, any judgment, award, decree or other order against any of the Protected Parties or against

the property of any Protected Party with respect to any such PSAN PI/WD Claim;

- (iii) creating, perfecting, or enforcing in any manner, whether directly or indirectly, any Lien of any kind against any Protected Party or the property of any Protected Party with respect to any such PSAN PI/WD Claims;
- (iv) asserting or accomplishing any setoff, right of subrogation, indemnity, contribution, or recoupment of any kind, whether directly or indirectly, against any obligation due to any Protected Party or against the property of any Protected Party with respect to any such PSAN PI/WD Claim; and
- (v) taking any act, in any manner, in any place whatsoever, that does not conform to, or comply with, the provisions of the Plan Documents, with respect to such PSAN PI/WD Claims.

(b) **Reservations.** Notwithstanding anything to the contrary in section 10.7 of the Plan, this Channeling Injunction shall not enjoin:

- (i) the rights of Entities to the treatment afforded them under the Plan, including the rights of Entities holding PSAN PI/WD Claims to assert such Claims in accordance with the PSAN PI/WD Trust Agreement and the PSAN PI/WD TDP solely against the PSAN PI/WD Trust whether or not there are funds to pay such PSAN PI/WD Claims;
- (ii) the rights of Entities to assert any Claim, debt, litigation, or liability for payment of PSAN PI/WD Trust Expenses solely against the PSAN PI/WD Trust whether or not there are funds to pay such PSAN PI/WD Trust Expenses; and
- (iii) the PSAN PI/WD Trust from enforcing its rights under the PSAN PI/WD Trust Agreement and the PSAN PI/WD TDP.

(c) **Modifications.** There can be no modification, dissolution, or termination of the Channeling Injunction, which shall be a permanent injunction.

(d) **Non-Limitation Channeling Injunction.** Nothing in the Plan or the PSAN PI/WD Trust Agreement shall be construed in any way to limit the scope, enforceability, or effectiveness of the Channeling Injunction issued in connection with the Plan or the PSAN PI/WD Trust's assumption of all liability with respect to PSAN PI/WD Claims.

(e) **Bankruptcy Rule 3016 Compliance.** The Debtors' compliance with the requirements of Bankruptcy Rule 3016 shall not constitute an admission that the Plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code.

(f) **Approval of Channeling Injunction and Related Releases.** The Debtors shall seek an order by the District Court approving the Channeling Injunction and Releases by Holders of PSAN PI/WD Claims for the benefit of Participating OEMs and the Plan Sponsor as set forth in section 10.6(c) of this Plan; *provided, however*, that the requirement for District Court approval may be waived by the Debtors and (i) the Participating OEMs as it relates to the Channeling Injunction and Releases by Holders of PSAN PI/WD Claims for the benefit of the Participating OEMs or (ii) the Plan Sponsor as it relates to the Channeling Injunction and Releases by Holders of PSAN PI/WD Claims for the benefit of the Plan Sponsor. In addition, the effectiveness of the Channeling Injunction and Releases by holders of PSAN PI/WD Claims for the benefit of a Participating OEM shall be subject to (x) the consent of the Future Claims Representative and (y) the Bankruptcy Court or the District Court (as applicable) having determined that holders of PSAN PI/WD Claims in each applicable Class voting on the Plan in accordance with ARTICLE IV hereof have indicated their acceptance of the Channeling Injunction in a sufficient number within each such Class to support issuance of the Channeling Injunction for the benefit of the applicable Participating OEM. For the avoidance of doubt, the effectiveness of the Channeling Injunction and Releases by Holders of PSAN PI/WD Claims for the benefit of any Protected Party is not a condition to the Effective Date. In the event the Channeling Injunction and related provisions with respect to any Protected Party have not received requisite court approval as of the Effective Date, the Channeling Injunction and such related provisions set forth in the Plan shall be of no force and effect solely with respect to such Protected Party unless and until requisite court approval is obtained. The notice of the occurrence of the Effective Date shall indicate whether and to what extent the Channeling Injunction is in effect as of the date thereof.

(g) **No Duplicative Recovery.** In no event will any holder of a PSAN PI/WD Claim against a Participating OEM be entitled to receive any duplicative payment, reimbursement or restitution from a Participating OEM under any theory of liability for the same loss, damage, or other Claim that is reimbursed by the PSAN PI/WD Trust or is otherwise based on the same events, facts, matters, or circumstances that gave rise to the PSAN PI/WD Claim.

10.8 Exculpation.

To the maximum extent permitted by applicable law, except for the rights that remain in effect from and after the Effective Date to enforce the Plan, the Confirmation Order, and obligations contemplated by the Restructuring Transactions, no Exculpated Party shall have or incur, and each Exculpated Party is hereby released and exculpated from, any Claim, obligation, suit, judgment, damage, demand, debt, right, Cause of Action, remedy, loss, and liability for any Claim in connection with or arising out of the administration of the Chapter 11 Cases; the negotiation and pursuit of the Disclosure Statement (including any information provided or statements made in the Disclosure Statement or omitted therefrom), the Restructuring Transactions, the Global Accommodation Agreement, the U.S. RSA, the Plan, and the solicitation of votes for, and confirmation of, the Plan; the funding of the Plan; the occurrence of the Effective Date; the administration of the Plan and the property to be distributed

under the Plan; the wind-down of the Reorganized Debtors and Reorganized Takata; the issuance of securities under or in connection with the Plan; and the transactions in furtherance of any of the foregoing; except for breach of fiduciary duty, fraud, gross negligence, willful misconduct, failure to comply with the Confirmation Order and failure to distribute assets according to the Plan. This exculpation shall be in addition to, and not in limitation of, all other releases, indemnities, exculpations, and any other applicable law or rules protecting such Exculpated Parties from liability.

10.9 Injunction Related to Releases and Exculpation.

To the maximum extent permitted under applicable law, the Confirmation Order shall permanently enjoin the commencement or prosecution by any Person, whether directly, derivatively, or otherwise, of any Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, losses, or liabilities released pursuant to this Plan, including, without limitation, the Claims, obligations, suits, judgments, damages, demands, debts, rights, Causes of Action, and liabilities released or exculpated in this Plan and the Claims, Liens, Interests, charges, encumbrances, and other interests described in section 5.2(c) of this Plan.

10.10 Subordinated Claims.

The allowance, classification, and treatment of all Allowed Claims and Allowed Interests and the respective distributions and treatments thereof under this Plan take into account and conform to the relative priority and rights of the Claims and Interests in each Class in connection with contractual, legal, and equitable subordination rights relating thereto, whether arising under general principles of equitable subordination, sections 510(a), 510(b), or 510(c) of the Bankruptcy Code, or otherwise. Pursuant to section 510 of the Bankruptcy Code, the Debtors reserve the right to reclassify any Allowed Claim or Allowed Interest in accordance with any contractual, legal, or equitable subordination relating thereto.

10.11 Avoidance Actions.

All Avoidance Actions that relate to the continued operation of the Business (as defined in the U.S. Acquisition Agreement), Reorganized Takata, or the Warehousing Entity, including with respect to ongoing trade vendors, suppliers, licensors, manufacturers, strategic or other business partners, customers, employees, or counterparties to all Purchased Contracts to be acquired by the Plan Sponsor, assumed by Reorganized Takata, or assumed and assigned to the Warehousing Entity shall be waived and released on the Effective Date. The Reorganized TK Holdings Trust shall have the right to prosecute any and all Avoidance Actions that are not acquired by the Plan Sponsor or waived pursuant to this section 10.11. Any Avoidance Actions retained by the Reorganized TK Holdings Trust shall be identified on a schedule to be filed as part of the Plan Supplement.

10.12 Retention of Causes of Action and Reservation of Rights.

Except as expressly provided in section 10.11 of this Plan, and subject to sections 5.19, 10.5, 10.6, 10.7, and 10.8 of this Plan, nothing contained in this Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights, Claims, Causes of Action (including Avoidance Actions), rights of setoff or recoupment, or other legal or equitable

defenses that the Debtors had immediately before the Effective Date on behalf of the Estates or of themselves in accordance with any provision of the Bankruptcy Code or any applicable nonbankruptcy law. Subject to sections 5.19, 10.5, 10.6, 10.7, and 10.8 of this Plan, the Reorganized TK Holdings Trust shall have, retain, reserve, and be entitled to assert all such Claims, Causes of Action (including Avoidance Actions), rights of setoff, or recoupment, and other legal or equitable defenses as fully as if the Chapter 11 Cases had not been commenced, and all of the Debtors' legal and equitable rights in respect of an Unimpaired Claim may be asserted after the Effective Date to the same extent as if the Chapter 11 Cases had not been commenced. For the avoidance of doubt, no rights, Claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses of the Debtors against the Consenting OEMs are preserved under this Plan, and all such rights, Claims, Causes of Action, rights of setoff or recoupment, or other legal or equitable defenses of the Debtors against the Consenting OEMs are being released pursuant to section 5.19(j) of the Plan.

10.13 *Ipsa Facto and Similar Provisions Ineffective.*

Any term of any policy, contract, or other obligation applicable to a Debtor shall be void and of no further force or effect with respect to any Debtor to the extent that such policy, contract, or other obligation is conditioned on, creates an obligation of the Debtor as a result of, or gives rise to a right of any Person based on any of the following: (i) the insolvency or financial condition of a Debtor; (ii) the commencement of the Chapter 11 Cases; (iii) the confirmation or consummation of this Plan, including any change of control that shall occur as a result of such consummation; or (iv) the Restructuring Transactions.

10.14 *No Successor Liability.*

Except as otherwise expressly provided in this Plan, the Confirmation Order, or the U.S. Acquisition Agreement, each of the Plan Sponsor Parties (i) is not, and shall not be deemed to assume, agree to perform, pay, or otherwise have any responsibilities for any liabilities or obligations of the Debtors or any other Person relating to or arising out of the operations of or the assets of the Debtors on or prior to the Effective Date; (ii) is not, and shall not be, a successor to the Debtors by reason of any theory of law or equity or responsible for the knowledge or conduct of any Debtor prior to the Effective Date; and (iii) shall not have any successor or transferee liability of any kind or character; *provided, however*, that the Plan Sponsor shall timely perform and discharge the obligations specified in the U.S. Acquisition Agreement, including the Assumed Liabilities.

10.15 *Special Provisions for Governmental Units.*

(a) Notwithstanding anything to the contrary herein, nothing in this Plan shall release, bar, or discharge any liability of any OEM to any governmental unit, including any Claim by any state attorney general or similar governmental unit enforcing consumer protection laws or any other statutory or common law or principles of equity for any Claim against any OEM, whenever arising, and nothing in this Plan shall stay or enjoin any state attorney general or similar governmental unit from enforcing consumer protection laws or any statutory or common law or principles of equity for any Claim, whenever arising, against an OEM. Further, notwithstanding any provision of this Plan, OEMs are not relieved from any

obligations to address or comply with requests or inquiries from any state attorney general or similar governmental unit enforcing consumer protection laws. Nothing in the Plan shall be a waiver or other limitation of any OEM's rights, Claims, and defenses with respect to any Claims or other Causes of Action by a governmental unit.

(b) Notwithstanding anything to the contrary herein, nothing in the Plan or the Plan Documents:

- (i) (a) with respect to any Entity other than the Plan Sponsor and its affiliates, which shall be dealt with in (i)(b): discharges, releases, precludes, or enjoins (1) any liability to any Governmental Unit that is not a "claim" as defined in 11 U.S.C. § 101(5); (2) except as otherwise agreed to by a Governmental Unit, any claim of a Governmental Unit arising on or after the Effective Date; (3) any liability to a Governmental Unit under police and regulatory statutes or regulations that any entity would be subject to as the owner or operator of property after the Effective Date; (4) any liability to a Governmental Unit on the part of any Entity other than the Debtors or Reorganized Debtors (including but not limited to any OEM or any warehouse owner or landlord). Nor shall anything in this Plan enjoin or otherwise bar a Governmental Unit from asserting or enforcing, outside of the Bankruptcy Court, any liability described in the preceding sentence; *provided, however*, that all parties' rights and defenses under non-bankruptcy law with respect to (1)-(4) above are fully preserved; and (b) with respect to the Plan Sponsor and its affiliates: discharges, releases, precludes, or enjoins any (1) liability of the Plan Sponsor and its affiliates to a Governmental Unit under environmental statutes or regulations that the Plan Sponsor and its affiliates would be subject to as the owner or operator of property after the Effective Date or (2) obligation by the Plan Sponsor and its affiliates to comply with any police and regulatory statutes or regulations that the Plan Sponsor and its affiliates would be subject to as the owner or operator of property after the Effective Date. Nor shall anything in the Plan enjoin or otherwise bar a Governmental Unit from asserting or enforcing, outside of the Bankruptcy Court, any liability described in the preceding sentence; *provided, however*, that all parties' rights and defenses under non-bankruptcy law are fully preserved;
- (ii) authorizes the transfer or assignment of any governmental (a) license, (b) permit, (c) registration, (d) authorization, or (e) approval, or the discontinuation of any obligation

thereunder, without compliance with all applicable legal requirements and approvals under police or regulatory law;

- (iii) affects any valid setoff or recoupment rights of any Governmental Unit against any of the Debtors or the Reorganized Debtors; *provided, however*, that the Debtors, the Reorganized Debtors, and the Plan Sponsor reserve all of their rights and defenses under applicable nonbankruptcy law with respect thereto; for the avoidance of doubt, nothing in the Plan, the Plan Documents, or the Confirmation Order shall bar the IRS from exercising its nonbankruptcy rights to offset any request for a tax refund for a tax year ending prior to the Petition Date against any prepetition claim of the United States government against any of the Debtors;
- (iv) divests any tribunal of any jurisdiction it may have under police or regulatory law to interpret the Confirmation Order or the Plan or to adjudicate any defense asserted under the Confirmation Order or the Plan; *provided, however*, that the Bankruptcy Court retains jurisdiction as set forth in and pursuant to the terms of the Plan, including jurisdiction, but not exclusive jurisdiction, to determine whether liabilities asserted by any Governmental Unit are discharged or otherwise barred by the Confirmation Order, the Plan, or the Bankruptcy Code;
- (v) shall be construed to deprive the Plan Sponsor of the benefits of the Confirmation Order and sections 5.2(c) and 10.14 of the Plan; *provided, however*, that such provisions shall not be construed to override (b)(i)(b) above; and
- (vi) shall be interpreted to deem Plan Sponsor, Reorganized Takata, or the Warehousing Entity the successor to the Debtors under any state or federal law successor liability doctrine with respect to any liabilities under police or regulatory statutes, laws, or regulations, except solely with respect to Reorganized TK Holdings as set forth in section 5.8(m) of the Plan, for penalties for days of violation prior to the Effective Date or for liabilities relating to off-site disposal of wastes by the Debtors prior to the Effective Date, or be construed as a waiver by any party, including the Plan Sponsor, of any applicable rights or defenses under non-bankruptcy law or be construed to create for any Governmental Unit any substantive right that does not already exist under law. For the avoidance of doubt,

nothing in paragraph (b)(i)(a) applies to the Plan Sponsor or its affiliates.

(c) Notwithstanding anything to the contrary contained herein, nothing in the Plan or Plan Documents: (i) shall grant any relief to any Entity that the Bankruptcy Court is prohibited from granting by the Declaratory Judgment Act, 28 U.S.C. § 2201(a), or the Tax Anti-Injunction Act, 26 U.S.C. § 7421(a); (ii) release or discharge any claim for federal taxes against any Entity other than the Debtors, or enjoin the collection or assessment of such taxes; or (iii) grant the Debtors a release or discharge of any claims for federal taxes except as provided by 11 U.S.C. §§ 524 and 1141(d), or enjoin the collection or assessment of such taxes except as provided by those provisions. Notwithstanding the reservation of rights in the preceding sentence, the Plan Sponsor is acquiring the Purchased Assets free and clear of all claims and interests of creditors, including, without limitation, the IRS, and including, for the avoidance of doubt, taxes of the Debtors that are not Assumed Liabilities.

ARTICLE XI RETENTION OF JURISDICTION

11.1 Retention of Jurisdiction.

(a) Except for matters arising from or related to the costs and fees of the Special Master (including the Special Master Retainer), which shall be subject to the exclusive jurisdiction of the United States District Court for the Eastern District of Michigan, the Bankruptcy Court shall retain exclusive jurisdiction of all matters arising under, arising out of, or related to the Chapter 11 Cases and the Plan pursuant to, and for the purposes of, sections 105(a) and 1142 of the Bankruptcy Code and for, among other things, the following purposes:

- (i) to hear and determine applications for the assumption or rejection of executory contracts or unexpired leases and any disputes over Cure Amounts resulting therefrom;
- (ii) to determine any motion, adversary proceeding, application, contested matter, and other litigated matter pending on or commenced after the entry of the Confirmation Order;
- (iii) to hear and resolve any disputes arising from or related to (i) any orders of the Bankruptcy Court granting relief under Bankruptcy Rule 2004 or (ii) any protective orders entered by the Bankruptcy Court in connection with the foregoing;
- (iv) to ensure that Distributions to holders of Allowed Claims are accomplished as provided in this Plan and the Confirmation Order;
- (v) to consider Claims or the allowance, classification, priority, compromise, estimation, or payment of any Claim, including any Administrative Expense Claim;

- (vi) to enter, implement, or enforce such orders as may be appropriate in the event that the Confirmation Order is for any reason stayed, reversed, revoked, modified, or vacated;
- (vii) to issue and enforce injunctions, enter and implement other orders, and take such other actions as may be necessary or appropriate to restrain interference by any Person with the consummation, implementation, or enforcement of this Plan, the Confirmation Order, or any other order of the Bankruptcy Court;
- (viii) to hear and determine any application to modify this Plan in accordance with section 1127 of the Bankruptcy Code to remedy any defect or omission or reconcile any inconsistency in this Plan, the Disclosure Statement, or any order of the Bankruptcy Court, including the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects thereof;
- (ix) to hear and determine all Fee Claims;
- (x) to resolve disputes concerning any reserves with respect to Disputed Claims or the administration thereof;
- (xi) to hear and resolve disputes related to the Insurance Rights Transfer or the PI/WD Insurance Rights, to the extent permitted under applicable law;
- (xii) to hear and determine disputes arising in connection with the interpretation, implementation, or enforcement of this Plan, the Confirmation Order, any transactions or payments in furtherance of either, or any agreement, instrument, or other document governing or related to any of the foregoing;
- (xiii) to take any action and issue such orders, including any such action or orders as may be necessary after entry of the Confirmation Order or the occurrence of the Effective Date, as may be necessary to construe, enforce, implement, execute, and consummate this Plan, including any release, exculpation, or injunction provisions, including the Channeling Injunction, set forth in this Plan, or to maintain the integrity of this Plan following the occurrence of the Effective Date;
- (xiv) to determine such other matters and for such other purposes as may be provided in the Confirmation Order;

- (xv) to hear and determine any other matters related to the Chapter 11 Cases and not inconsistent with the Bankruptcy Code or title 28 of the United States Code;
- (xvi) to resolve any disputes concerning whether a Person had sufficient notice of the Chapter 11 Cases, the Disclosure Statement, any solicitation conducted in connection with the Chapter 11 Cases, any bar date established in the Chapter 11 Cases, or any deadline for responding or objecting to a Cure Amount, in each case, for the purpose for determining whether a Claim or Interest is discharged hereunder or for any other purpose;
- (xvii) to recover all Assets of the Debtors and property of the Estates, wherever located;
- (xviii) to hear and determine all matters relating to the UCC Term Sheet, including the funding, administration of, and distributions from, the Support Party Creditor Fund, and TCC/FCR Term Sheet, to the extent permitted under applicable law; and
- (xix) to enter a final decree closing each of the Chapter 11 Cases.

(b) The Bankruptcy Court shall retain jurisdiction of all matters arising under, arising out of, or related to the Chapter 11 Cases and the Plan to, among other things, hear and determine matters concerning state, local, and federal taxes in accordance with sections 346, 505, and 1146 of the Bankruptcy Code.

To the extent that the Bankruptcy Court is not permitted under applicable law to preside over any of the forgoing matters, the reference to the "Bankruptcy Court" in this ARTICLE XI shall be deemed to be replaced by the "District Court." Notwithstanding anything in this ARTICLE XI to the contrary, the resolution of PSAN PI/WD Claims against the Debtors and the Protected Parties and, after the Non-PSAN PI/WD Claims Termination Date, Administrative Expense PSAN PI/WD Claims and Administrative Expense PI/WD Claims and the forum in which such resolution shall be determined shall be governed by and in accordance with the PSAN PI/WD TDP and the PSAN PI/WD Trust Agreement. Nothing contained in this section 11.1 shall expand the exclusive jurisdiction of the Bankruptcy Court beyond that provided by applicable law.

ARTICLE XII MISCELLANEOUS PROVISIONS

12.1 Exemption from Certain Transfer Taxes.

Pursuant to section 1146(a) of the Bankruptcy Code, the assignment or surrender of any lease or sublease, or the delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with the Plan, including any deeds, bills of sale, or assignments executed in connection with any disposition of assets contemplated by the Plan, including the

sale of the Purchased Assets to the Plan Sponsor under the U.S. Acquisition Agreement, shall not be subject to any stamp, real estate transfer, mortgage recording, or other similar tax.

12.2 Dates of Actions to Implement This Plan.

In the event that any payment or act under this Plan is required to be made or performed on a date that is not a Business Day, then making of such payment or the performance of such act may be completed on or as soon as reasonably practicable after the next succeeding Business Day but shall be deemed to have been completed as of the required date.

12.3 Amendments.

(a) **Plan Modifications.** This Plan may be amended, modified, or supplemented by the Debtors in the manner provided for by section 1127 of the Bankruptcy Code or as otherwise permitted by law, without additional disclosure pursuant to section 1125 of the Bankruptcy Code, except as otherwise ordered by the Bankruptcy Court; *provided, however*, that any such amendments, modifications, or supplements shall be made in accordance with the terms of the U.S. RSA, the UCC Term Sheet, and the TCC/FCR Term Sheet. In addition, after the Confirmation Date, so long as such action does not materially and adversely affect the treatment of holders of Allowed Claims pursuant to this Plan, the Debtors may remedy any defect or omission or reconcile any inconsistencies in this Plan or the Confirmation Order with respect to such matters as may be necessary to carry out the purposes or effects of this Plan, and any holder of a Claim or Interest that has accepted this Plan shall be deemed to have accepted this Plan as amended, modified, or supplemented.

(b) **Certain Technical Amendments.** Prior to the Effective Date, the Debtors may make appropriate technical adjustments and modifications to this Plan without further order or approval of the Bankruptcy Court; *provided, however*, that such technical adjustments and modifications do not adversely affect in a material way the treatment of holders of Claims or Interests under this Plan.

12.4 Revocation or Withdrawal of Plan.

The Debtors reserve the right to revoke or withdraw this Plan prior to the Effective Date as to any or all of the Debtors. If, with respect to a Debtor, this Plan has been revoked or withdrawn prior to the Effective Date, or if confirmation or the occurrence of the Effective Date as to such Debtor does not occur on the Effective Date, then, with respect to such Debtor: (i) this Plan shall be null and void in all respects; (ii) any settlement or compromise embodied in this Plan (including the fixing or limiting to an amount any Claim or Interest or Class of Claims or Interests), assumption or rejection of executory contracts or unexpired leases affected by this Plan, and any document or agreement executed pursuant to this Plan shall be deemed null and void; and (iii) nothing contained in this Plan shall (a) constitute a waiver or release of any Claim by or against, or any Interest in, such Debtor or any other Person; (b) prejudice in any manner the rights of such Debtor or any other Person; or (c) constitute an admission of any sort by any Debtor or any other Person.

12.5 Payment of Statutory Fees.

All fees payable under section 1930 of chapter 123 of title 28 of the United States Code shall be paid on or before the Effective Date by the Debtors. - a. up to \$25 million will be provided (on a non-refundable and non-reimbursable basis) by the Plan Sponsor at the direction of an Authorized Entity, during the period commencing on the Closing Date and ending on the Backstop Expiration Date, which shall be credited against the payments required to be paid by the Plan Sponsor to purchase certain PSAN Assets pursuant to and in accordance with Section 7.12 of the U.S. Acquisition Agreement (collectively, the “**PSAN Assets Advance Payment**”), solely as and to the extent that there exists, at the time of such request, a present or near-term expected deficiency in the funding of the Backstopped Claims, as determined by the applicable Authorized Entity, in each case, subject to Section 3 hereof;

approval of the Civil Rehabilitation Plan; *provided, further, however*, that the Plan Sponsor Backstop Funding shall never exceed the Backstop Funding Cap, and once the Plan Sponsor has funded an amount equal to the Backstop Funding Cap, the Plan Sponsor shall have no obligation to fund any additional amounts regardless of whether such amounts have been repaid to the Plan Sponsor under the Plan Sponsor Backstop Funding Repayment or the OEM Payover.

3. Plan Sponsor Backstop Funding.

a. Plan Sponsor Backstop Funding at the Closings.

- i. If an Authorized Entity determines in good faith that a payment of the Plan Sponsor Backstop Funding is required to be made at the Closings in accordance with the terms of this Agreement, then such Authorized Entity shall deliver to the Plan Sponsor and the Consenting OEMs not less than ten (10) business days prior to the anticipated Closing Date a certificate (the “*Backstop Funding Request Certificate*”) signed by an authorized officer or agent of such Authorized Entity that certifies and sets forth in reasonable detail the anticipated sources and uses of the proceeds of the Aggregate Consideration available in the applicable region (TKH, TKAM, EMEA or Japan) as of the close of business on the anticipated Closing Date, the amount of any deficiencies in the funding of the Backstopped Claims resulting in the triggering of the Plan Sponsor Backstop Funding, and the aggregate amount of the requested Plan Sponsor Backstop Funding required as a result thereof. The Backstop Funding Request Certificate and the determinations and calculations contained therein shall be prepared in good faith and in accordance with this Agreement, including the definitions set forth or incorporated herein. The Plan Sponsor, the Consenting OEMs and their respective representatives shall be provided with such reasonable access to the financial books and records of Takata, as well as any relevant information and work papers as they may reasonably request, to enable the Plan Sponsor, the Consenting OEMs and their respective representatives to evaluate the Backstop Funding Request Certificate. The form and content of the Backstop Funding Request Certificate shall be reasonably acceptable to the Consenting OEMs. Prior to submitting any Backstop Funding Request Certificate, the Authorized Entity requesting such funding shall provide a copy thereof to the Plan Sponsor and its counsel and provide the Plan Sponsor and its counsel two (2) business days, or longer if reasonably practicable, to review and comment on the content of such Backstop Funding Request Certificate; *provided* that the Authorized Entity is not required to accept any of Plan Sponsor’s comments.
- ii. In the event that the Plan Sponsor disputes the claims and/or amounts set forth in the Backstop Funding Request Certificate, then the Plan Sponsor shall send notice within three (3) business days of receipt of the Backstop Funding Request Certificate to counsel for each Authorized Entity and to counsel for each Consenting OEM signatory hereto setting forth in reasonable detail the basis for such dispute. To the extent that there is a dispute between Takata and the Plan Sponsor with respect to any Plan Sponsor Backstop Funding required at the Closings, the Plan Sponsor shall fund any undisputed amounts at the Closings and the obligation of the Plan Sponsor to pay any disputed portion of the Plan Sponsor Backstop Funding shall be conditioned upon a determination or confirmation by the Bankruptcy Court, the Civil Rehabilitation Court or Pricewaterhouse Coopers solely with respect to the adequacy of the Liquidation Reserve for the applicable Liquidating Entity (each such term as

defined in the Global Settlement Agreement and in accordance with the procedures set forth in the Global Settlement Agreement), as applicable, of the amount of the Plan Sponsor Backstop Funding, if any, required on the Closing Date, in order to satisfy, as applicable in each region, the Backstopped Claims, in connection with (i) the requirements for confirmation and effectiveness of the Plan in the Chapter 11 Cases (by taking into account all other payments to be made, as required by the Bankruptcy Court, in connection therewith) and/or (ii) approval of the Section 42 Business Transfer (as defined in the Japan RSA) and the Section 85(5) Motion (as defined in the Japan RSA) (by taking into account all other payments to be made, as required by the Civil Rehabilitation Court, in connection therewith) and/or (iii) the requirements under the TK Europe Acquisition Agreement (after giving effect to the payments contemplated under the Global Settlement Agreement and an adequate reserve for the solvent liquidation of the Liquidating Entities, subject to the dispute resolution mechanism for the Liquidation Reserve with respect to the Liquidating Entities (each such term as defined in the Global Settlement Agreement) set forth in the Global Settlement Agreement). The Plan Sponsor agrees not to object to any request by Takata to have such disputes heard by the applicable court on an expedited basis. All parties agree not to appeal any such determination by the applicable court. In the event of a dispute, the Plan Sponsor shall pay any disputed portion of the Plan Sponsor Backstop Funding required by this Section 3.a.ii on the later of (i) the Closing Date and (ii) three (3) business days following a determination or confirmation by the Bankruptcy Court, the Civil Rehabilitation Court or Pricewaterhouse Coopers, as applicable, of the amount of Plan Sponsor Backstop Funding, if any, required on the Closing Date.

b. Plan Sponsor Backstop Funding After the Closings.

- i. If an Authorized Entity determines in good faith that (1) the funding of any remaining PSAN Assets Advance Payment is required, (2) the funding of the First Plan Sponsor Backstop Payment is required or (3) the funding of the Second Plan Sponsor Backstop Payment is required, in each case, in accordance with Section 2 of this Agreement, then such Authorized Entity shall deliver to the Plan Sponsor and the Consenting OEMs not less than two (2) weeks prior to the date of the requested Plan Sponsor Backstop Funding, a Backstop Funding Request Certificate signed by an authorized officer or agent of such Authorized Entity that certifies and sets forth in reasonable detail any Aggregate Consideration available to such Authorized Entity as of the close of business on the Business Day immediately preceding the date of such Backstop Funding Request Certificate, the proposed uses for such Aggregate Consideration as of such date, the amount of any deficiencies in the payment of the Backstopped Claims resulting in the triggering of the Plan Sponsor Backstop Funding, and the aggregate amount of the requested Plan Sponsor Backstop Funding required as a result thereof.
- ii. During the two (2) week period between the delivery of the Backstop Funding Request Certificate and the date of the requested Plan Sponsor Backstop Funding, the Plan Sponsor, the Consenting OEMs and their respective representatives shall be provided with such reasonable access to the financial books and records of Reorganized Takata, the Reorganized TK Holdings Trust and the Warehousing Trust and their Affiliates, as well as any relevant information and work papers as they may reasonably request, to enable the Plan Sponsor, the Consenting OEMs and their respective representatives to evaluate the Backstop Funding Request Certificate.

- iii. No later than two (2) weeks following the delivery by an Authorized Entity of the Backstop Funding Request Certificate, the Plan Sponsor shall notify such Authorized Entity, as applicable, and the Consenting OEMs and their counsel in writing whether it accepts or disputes the accuracy of the determination or the calculations set forth on the Backstop Funding Request Certificate. If the Plan Sponsor accepts the determinations and calculations set forth on the Backstop Funding Request Certificate, then the Plan Sponsor shall pay the Plan Sponsor Backstop Funding in accordance with the Backstop Funding Request Certificate.
- iv. If the Plan Sponsor disputes the accuracy of any of the determinations or calculations set forth on the Backstop Funding Request Certificate, then the Plan Sponsor shall provide written notice to the Authorized Entity and the Consenting OEMs and their counsel no later than two (2) weeks following the delivery by such Authorized Entity to the Plan Sponsor of the Backstop Funding Request Certificate (the “*Dispute Notice*”), setting forth in reasonable detail those items that the Plan Sponsor disputes. During the two (2) week period following delivery of a Dispute Notice, the Plan Sponsor and Reorganized Takata, the Warehousing Trust, the Reorganized TK Holdings Trust or the Plan Administrator, as applicable, shall negotiate in good faith with a view to resolving their disagreements over the disputed items. If the parties fail to resolve their disagreements over the disputed items within such two (2) week period, then the Plan Sponsor and Reorganized Takata, the Warehousing Trust, the Reorganized TK Holdings Trust or the Plan Administrator, as applicable, shall forthwith jointly request that Deloitte and Touche LLP or another nationally recognized accounting firm agreed to by the parties (the “*Accounting Expert*”) act as an expert, and not as an arbitrator, to make a binding determination as to the amount of the Plan Sponsor Backstop Funding, if any, required in order to satisfy, as applicable in each region, the Backstopped Claims, including, by taking into account, the requirements for confirmation and effectiveness of the Civil Rehabilitation Plan in the Japan Proceedings with respect to any payments required to satisfy the Catch-Up Rule Amount.
- v. The Accounting Expert will under the terms of its engagement have no more than two (2) weeks from the date of referral and no more than five (5) business days from the final submission of information and presentations by the applicable Authorized Entity and the Consenting OEMs within which to render its written decision with respect to the disputed items (and only with respect to any unresolved disputed items set forth in the Dispute Notice) and the final determination of the Plan Sponsor’s obligations with respect to such Plan Sponsor Backstop Funding shall be based solely on the resolution of such disputed items. The Accounting Expert shall review such submissions and base its determination solely on such submissions. In resolving any disputed item, the Accounting Expert may not assign a value to any item greater than the maximum value for such item claimed by either party or less than the minimum value for such item claimed by either party. Absent manifest error, the decision of the Accounting Expert shall be deemed final and binding upon the parties and enforceable by any court of competent jurisdiction. The fees and expenses of the Accounting Expert shall be allocated to be paid by the Plan Sponsor, on the one hand, and by the applicable Authorized Entity, on the other hand, based upon the percentage that the portion of the contested amount not awarded to each party bears to the amount actually contested by such party, as determined by the Accounting Expert.

- vi. In the event the Plan Sponsor receives multiple Backstop Funding Request Certificates that (together with all previous Plan Sponsor Backstop Funding) exceed (together with any amount of any Plan Sponsor Backstop Funding already paid) the Backstop Funding Cap, the Plan Sponsor shall pay the Authorized Entity *first*, amounts requested in respect of clause (i) of the definition of “Backstopped Claims” to cure any deficiency in payment in full for such claims; *second*, amounts requested in respect of clause (ii) of the definition of “Backstopped Claims” to cure any deficiency for funding of such claims or reserves until funded in full subject to the applicable limitations in clause (ii) of the definition of “Backstopped Claims”; and *third*, amounts requested in respect of clause (iii) of the definition of “Backstopped Claims” subject to the applicable limitations in the Backstop Funding Cap.
4. **Information.** The Liquidating Entities (as defined in the Global Settlement Agreement), TKJP (solely with respect to the period after the Closing but prior to confirmation and effectiveness of the Civil Rehabilitation Plan), and one of TKJP, the liquidator or such similar official appointed under the terms of the Civil Rehabilitation Plan (solely with respect to the period after the confirmation and effectiveness of the Civil Rehabilitation Plan but prior to the liquidation of TKJP) shall be required to and the Plan shall provide that Reorganized Takata, the Reorganized TK Holdings Trust, the Warehousing Trust and the Plan Administrator shall be required to keep the Plan Sponsor and the Consenting OEMs reasonably informed of all material developments that could reasonably be expected to increase the likelihood that the Plan Sponsor Backstop Funding would be triggered during the period commencing on the Closing Date and ending on the Backstop Expiration Date, and that they will promptly comply with any reasonable requests by the Plan Sponsor for financial information relating to its obligation to provide Plan Sponsor Backstop Funding. The Liquidating Entities (as defined in the Global Settlement Agreement), TKJP (solely with respect to the period after the Closing but prior to confirmation and effectiveness of the Civil Rehabilitation Plan), and one of TKJP, the liquidator or such similar official appointed under the terms of the Civil Rehabilitation Plan (solely with respect to the period after the confirmation and effectiveness of the Civil Rehabilitation Plan but prior to the liquidation of TKJP) agree to and the Plan shall provide that Reorganized Takata, the Reorganized TK Holdings Trust and the Warehousing Trust agree, and agree to cause each of their subsidiaries during the period commencing on the Closing Date and ending on the Backstop Expiration Date, to (i) keep proper books of record and accounts in which true and correct entries in conformity in all material respects with the applicable generally accepted accounting principles shall be made of all dealings and transactions in relation to its business and activities and (ii) permit any authorized representatives designated by the Plan Sponsor to visit and inspect any of the properties of Reorganized Takata, the Reorganized TK Holdings Trust, the Warehousing Trust, the Liquidating Entities, TKJP (solely with respect to the period after the Closing but prior to confirmation and effectiveness of the Civil Rehabilitation Plan) or one of TKJP, the liquidator or such similar official appointed under the terms of the Civil Rehabilitation Plan (solely with respect to the period after the confirmation and effectiveness of the Civil Rehabilitation Plan but prior to the liquidation of TKJP) to inspect, copy and take extracts from its and their financial and accounting records, and to discuss its and their affairs, finances and accounts with its and their officers and independent public accountants, all upon reasonable notice and at such reasonable times during normal business hours and as often as may reasonably be requested. For the avoidance of doubt, nothing herein shall delay or prevent the liquidation of any of the Liquidating Entities.
5. **Plan Sponsor Backstop Funding Repayment.**
- a. If the Plan Sponsor acquires the assets (but not the equity interests of) of Takata (Shanghai) Automotive Component Co., Ltd. (“*TSAC*”) at the Closings, then upon a distribution of cash after the Closing Date from TSAC to TK China, LLC (or Reorganized TK Holdings) or any

of its affiliates that are not organized under the laws of China, Reorganized Takata, the Reorganized TK Holdings Trust, the Legacy Trustee or the Plan Administrator shall use such cash to repay the amount of any Plan Sponsor Backstop Payments and any unreimbursed Expenses (such payment, the "***Plan Sponsor Backstop Funding Repayment***"); *provided, however*, that only cash actually received by the Plan Sponsor shall be treated as a Plan Sponsor Backstop Funding Repayment.

- b. To the extent that (1) each Consenting OEM has received its allocable share of the full amount of the DOJ Restitution Claim in accordance with the Agreed Allocation, (2) the Backstopped Claims have been paid in cash in full (without giving effect to any aggregate limits in the definition of Backstopped Claims; *provided* that any distribution to the Consenting OEMs on account of OEM Unsecured PSAN Claims have been used to fund any deficiency in the funding of PSAN Legacy Costs), and (3) each Consenting OEM has been paid or reimbursed in full its Professional Fees up to the amount it is or would be entitled to receive under the Global Accommodation Agreement, then any amounts actually received by each Consenting OEM in excess of such allocable share and such full reimbursement (i) on account of its OEM Unsecured PSAN Claims in the Chapter 11 Cases or the Japan Proceedings or (ii) from the residual proceeds of the solvent liquidation pursuant to the Global Settlement Agreement, as the case may be, (for the avoidance of doubt, in each case not including any Non-PSAN Inflation Recoveries or Professional Fee Recoveries) shall be used to reimburse the Plan Sponsor for (x) any First Plan Sponsor Backstop Payment or Second Plan Sponsor Backstop Payment actually made and (y) any unreimbursed Expenses (such reimbursements, the "***OEM Payover***"). The OEM Payover shall be secondary to any amounts received or reasonably expected to be received from the Plan Sponsor Backstop Funding Repayment.
- c. Notwithstanding the OEM Payover, each Consenting OEM may negotiate, litigate, settle, manage or otherwise treat its respective OEM Unsecured PSAN Claims in any manner in its sole discretion and shall have no duty to account for, or any other duties to, the Plan Sponsor with respect thereto; *provided* that each Consenting OEM shall keep the Plan Sponsor reasonably apprised with respect to negotiations, litigations or settlements of its respective OEM Unsecured PSAN Claims and shall reasonably consider the Plan Sponsor's input with respect thereto.
- d. For the avoidance of doubt, the Plan Sponsor is entitled to only a single satisfaction of any amounts that the Plan Sponsor is entitled to be reimbursed for under the terms and conditions of this Agreement. Under no other circumstances shall there be an obligation to repay the Plan Sponsor Backstop Funding.

6. Form of Payment.

- a. Any payments of Plan Sponsor Backstop Funding required to be made pursuant to Section 3.a shall be made by wire transfer of immediately available funds to (i) in the case of Plan Sponsor Backstop Funding required to be made to fund any deficiency in the funding of the DOJ Restitution Claim, to the Consenting OEMs in accordance with the applicable Acquisition Agreement or (ii) in the case of Plan Sponsor Backstop Funding required to be made to fund any deficiency in the funding of PSAN Legacy Costs or the Catch-Up Rule Amount, to an account designated in advance by the applicable Authorized Entity, and shall be made (A) in the case of undisputed payments required to be made under Section 3.a.i., on the Closing Date and (B) in the case of disputed payments required to be made under Section

3.a.ii., on the later of (i) the Closing Date and (ii) three (3) business days following the final resolution of the applicable dispute.

- b. Any payments of Plan Sponsor Backstop Funding required to be made pursuant to Section 3.b. shall be made by wire transfer of immediately available funds to an account designated in advance by the applicable Authorized Entity, and shall be made (i) in the case of undisputed payments required to be made under Section 3.b., on the requested funding date set forth in the Backstop Funding Request Certificate, and (ii) in the case of disputed payments required to be made under Section 3.b., on or prior to the fifth (5th) business day following the final resolution of the applicable dispute in accordance with Section 3.b.
 - c. Any payments required to be made pursuant to Section 5.a. shall be made by wire transfer of immediately available funds to an account designated in advance by the Plan Sponsor, and shall be made on or prior to the fifth (5th) business day following: (a) by TSAC after the Closing Date once TSAC has sufficient funds and regulatory approval, if required, to make a Plan Sponsor Backstop Repayment and repayment of any unreimbursed Expenses, or (b) by the Debtors or Reorganized TK Holdings after the Closing Date, upon receipt of funds from TSAC.
 - d. The OEM Payover shall be paid over to the Plan Sponsor in the same amount and form received by the applicable Consenting OEM within ten (10) business days of the later of (x) actual receipt thereof or (y) the date on which any OEM Payover amounts become due and payable in accordance with Section 5.b.; *provided* that any Consenting OEM may, with the consent of the Plan Sponsor, direct that any amount that, upon receipt by such Consenting OEM, would be required to be used to reimburse the Plan Sponsor pursuant to Section 5.b shall be paid directly by the applicable Takata entity to the Plan Sponsor on behalf of such Consenting OEM. The Consenting OEMs acknowledge and agree that amounts paid over to the Plan Sponsor in accordance with this Agreement shall be exempt from any requirement to be turned over to any escrow account on behalf of Consenting OEMs under any agreement regarding allocation of distributions among the Consenting OEMs
7. **Obligations of the Plan Sponsor Regarding Plan Sponsor Backstop Funding.** The obligations set forth in this Agreement shall be binding on the Plan Sponsor and any successor to the Plan Sponsor. Until the Backstop Expiration Date, the Plan Sponsor shall not merge or transfer greater than fifty percent (50%) of its assets in the aggregate to any party unless the successor agrees to be bound by this Agreement in advance of such merger or transfer in an executed document to be provided to the Plan Sponsor and filed with the Bankruptcy Court.
8. **Performance Guaranty.** The Guarantor guarantees the due, prompt and faithful payment, performance and discharge by, and compliance with, all of the obligations, covenants, agreements, terms, conditions and undertakings of the Plan Sponsor hereunder, including any such obligations, covenants, agreements, terms, conditions and undertakings that are required to be performed, discharged or complied with following the Closings by the Plan Sponsor. Such guarantee is an absolute and unconditional guarantee of payment and performance and not merely of collectability, and is in no way conditioned or contingent upon any attempt to collect from, enforce performance or compliance by, or otherwise seek remedies from, the Plan Sponsor.
9. **Use of Funds.** Each recipient of Plan Sponsor Backstop Funding (including but not limited to each Authorized Entity, Reorganized Takata, the Warehousing Trust and the Plan Administrator) shall promptly use the proceeds of the Plan Sponsor Backstop Funding hereunder to fund any deficiency in

the funding of the Backstopped Claims, in accordance with the terms and conditions of this Agreement.

10. **Prohibition on Use of Funds.** In the Chapter 11 Cases, Plan Sponsor Backstop Funding shall not be used directly or indirectly as a means to fund distributions to non-priority general unsecured creditors. The Plan Sponsor agrees that (i) the Plan attached to the U.S. RSA, including the Plan Settlement Turnover Amount, does not violate this Section 10, and (ii) any future Plan consented to in writing by the Plan Sponsor would not violate this Section 10.
11. **Assumption of Obligations at the Closings.** Takata shall cause Reorganized Takata, the Reorganized TK Holdings Trust and the Warehousing Trust and each of their respective trustees to assume this Agreement at the Closings and to comply with the terms of this Agreement as and to the extent necessary to give effect to the terms and provisions hereof and the benefits and protections intended to be afforded to the parties hereunder.
12. **Termination.** Except as set forth below, this Agreement will have an indefinite term. This Agreement shall automatically terminate without further action of, or notice to, any of the parties hereto if the U.S. Acquisition Agreement terminates prior to the Closings.
13. **Amendments.** This Agreement may not be modified, altered, or amended except by an agreement in writing signed by all of the parties or, with respect to Section 5. b.-c., by the Plan Sponsor and the Consenting OEMs. In the event that multiple legal entities in multiple jurisdictions are necessary to perform the operation of the Warehousing Trust in each jurisdiction, it is the intention of the parties that each such legal entity shall have the benefit of the Plan Sponsor Backstop Funding, and the parties agree to enter into such amendments to this Agreement as may be reasonably necessary to effectuate such intent.
14. **Binding Agreement; Assignment.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that (i) each of Reorganized Takata, the Warehousing Trust or the Reorganized TK Holdings Trust may assign its rights and obligations hereunder only with the Plan Sponsor's and the Consenting OEMs' written consent, which shall not be unreasonably withheld; (ii) the Plan Sponsor may assign its rights or obligations hereunder only with Reorganized Takata's, the Warehousing Trust's and the Consenting OEMs' consent, which shall not be unreasonably withheld; *provided, however,* that the Plan Sponsor may assign this Agreement and its rights, interests and/or obligations hereunder to one or more Affiliates of the Plan Sponsor or to any security trustee or collateral agent appointed by the Plan Sponsor's lenders for collateral security purposes without Reorganized Takata's, the Warehousing Trust's or the Consenting OEMs' consent; *provided, further, however,* that any such assignment shall not relieve the Plan Sponsor or the Guarantor of their respective obligations under this Agreement; and (iii) each Consenting OEM may assign its rights or obligations hereunder only with Reorganized Takata's, the Warehousing Trust's and the Plan Sponsor's consent, which shall not be unreasonably withheld.
15. **Governing Law; Jurisdiction.** This Agreement and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the conflicts of laws or principles thereof. Except as otherwise explicitly set forth herein, if the parties are unable to resolve any dispute within thirty (30) days (or such longer period as agreed to by the parties) after notice of dispute is given, each party irrevocably consents and agrees that such dispute shall be fully and finally resolved by binding arbitration in accordance with the Swiss Rules of International Arbitration of Swiss Chambers' Arbitration Institution in force on the date on which the Notice of Arbitration is submitted in accordance with such Rules. The number of arbitrators shall be three. The

language of the arbitration and of the Award shall be English. The parties agree that the seat of such arbitration shall be Geneva, Switzerland, and that the hearing shall be in Geneva, unless otherwise agreed by the parties. Award enforcement proceedings can be brought in any jurisdiction in which the party against whom enforcement is sought is subject to personal jurisdiction, under the rules applicable in the country in which enforcement is sought.

16. **Section Headings.** The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.
17. **Severability.** The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement in the proceeding in which such provision(s) was deemed invalid or unenforceable. In the event that any of the provisions of this Agreement shall be held by any reviewing court, governmental authority, arbitration panel or other similar party (a "**Reviewing Party**") to be invalid or unenforceable, such provisions shall be limited or eliminated in the applicable proceeding only to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect. In the event of any such determination of invalidity or unenforceability, the Reviewing Party shall be permitted to reform the terms of this Agreement in the applicable proceeding to most closely give effect to the expressed intent of the Parties hereto while still complying with applicable law. If any provisions of this Agreement are deemed invalid or unenforceable, or this Agreement is reformed in any manner by any Reviewing Party, at the request of the affected party(ies), the Agreement shall subsequently be submitted to arbitration pursuant to Section 15 for further reformation (including the reinsertion of any provision deemed invalid or unenforceable) by the arbitrators, which further reformed Agreement shall be controlling and binding upon the parties.
18. **Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument. This Agreement or any counterpart may be executed and delivered by electronic communications in portable document format (.pdf), each of which shall be deemed an original.
19. **Acknowledgments.** **THIS AGREEMENT HAS BEEN FREELY AND VOLUNTARILY ENTERED INTO BY THE PARTIES, WITHOUT ANY DURESS OR COERCION, AND AFTER THE PARTIES HAVE EITHER CONSULTED WITH COUNSEL OR HAVE BEEN GIVEN AN OPPORTUNITY TO DO SO, AND EACH OF THE PARTIES ACKNOWLEDGES THAT IT (A) IS A SOPHISTICATED PARTY WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT, (B) HAS ADEQUATE INFORMATION CONCERNING THE MATTERS THAT ARE THE SUBJECT OF THIS AGREEMENT, (C) HAS CAREFULLY AND COMPLETELY READ AND UNDERSTANDS ALL OF THE TERMS AND PROVISIONS OF THIS AGREEMENT AND (D) HAS INDEPENDENTLY AND WITHOUT RELIANCE UPON ANY OTHER PARTY TO THIS AGREEMENT OR ANY OFFICER, EMPLOYEE, AGENT OR REPRESENTATIVE THEREOF MADE ITS OWN ANALYSIS AND DECISION TO ENTER INTO THIS AGREEMENT.**
20. **Waiver of Jury Trial.** **THE PARTIES HERETO ACKNOWLEDGE THAT THE RIGHT TO TRIAL BY JURY IS A CONSTITUTIONAL RIGHT, BUT THAT THIS RIGHT MAY BE WAIVED. THE PARTIES EACH HEREBY KNOWINGLY, VOLUNTARILY AND WITHOUT COERCION, WAIVE ALL RIGHTS TO A TRIAL BY JURY OF ALL DISPUTES ARISING OUT OF OR IN RELATION TO THIS AGREEMENT.**

Purchased Contract that is subject to a Disputed Cure Claim as of the U.S. Closing will be treated in accordance with procedures set forth in Section 2.7.

2.6 Consent to Certain Assignments.

(a) Notwithstanding anything in this Agreement to the contrary, this Agreement shall not constitute an agreement to transfer or assign any asset, claim or right or any benefit arising thereunder or resulting therefrom if an attempted assignment (in whole or, to the extent relevant, in part) thereof, without the consent of a third party, would constitute a breach or other contravention under any agreement or Law to which any Seller is a party or by which it is bound, or in any way adversely affect the rights of Sellers or, upon transfer, the Plan Sponsor under such asset, claim or right, unless the applicable provisions of the Bankruptcy Code permits and/or the Confirmation Order authorizes the assumption and assignment (in whole or, to the extent relevant, in part) of such asset, claim, or right irrespective of the consent or lack thereof of a third party. If, with respect to any Purchased Asset, such consent is not obtained or such assignment (in whole or, to the extent relevant, in part) is not attainable pursuant to the Bankruptcy Code or the Confirmation Order, then such Purchased Asset shall not be transferred hereunder, and the U.S. Closing shall proceed with respect to the remaining Purchased Assets for the full Purchase Price and Sellers shall use their commercially reasonable efforts, and the Plan Sponsor shall cooperate with Sellers, to obtain any such consent after the U.S. Closing.

(b) If (i) notwithstanding the applicable provisions of Sections 363 and 365 of the Bankruptcy Code and the Confirmation Order and the commercially reasonable efforts of Sellers, any consent is not obtained prior to the U.S. Closing and as a result thereof the Plan Sponsor shall be prevented by a third party from receiving the rights and benefits with respect to a Purchased Asset intended to be transferred hereunder, or (ii) any Purchased Asset is not otherwise capable of sale and/or assignment (after giving effect to the Confirmation Order and the Bankruptcy Code), then, in each case, Sellers shall (at the Plan Sponsor's expense), subject to any approval of the Bankruptcy Court that may be required, at the request of the Plan Sponsor, reasonably cooperate with the Plan Sponsor in any lawful and commercially reasonable arrangement under which the Plan Sponsor would, to the extent practicable, obtain the economic claims, rights and benefits under such asset and assume the economic burdens and obligations with respect thereto in accordance with this Agreement, including by subcontracting, sublicensing or subleasing to the Plan Sponsor. Sellers shall promptly pay to the Plan Sponsor when received all monies received by Sellers under such Purchased Asset or any claim or right or any benefit arising thereunder and the Plan Sponsor shall promptly pay Sellers for all Liabilities of Sellers associated with such arrangement, if requested; provided, however, that nothing in this Section 2.6 shall entitle the Plan Sponsor to reduce the Purchase Price.

2.7 Contract Designation.

(a) No later than ninety (90) days prior to the Confirmation Hearing, Sellers shall deliver to the Plan Sponsor a true, correct and complete list (as amended from time to time, the "**Executory Contract List**") of all Contracts related to the Purchased Assets or otherwise used, or held for use, in connection with the Business as it is conducted by Sellers (each, an "**Executory Contract**"). The Executory Contract List shall describe the monetary amounts that must be paid, including pursuant to Section 365(b)(1)(A) and (B) of the Bankruptcy Code, in

order for the Plan Sponsor to assume the Purchased Contracts (other than OEM Assumed Contracts) pursuant to this Agreement. Sellers shall use commercially reasonable efforts to provide the Plan Sponsor with true, correct and complete copies of each such Executory Contract.

(b) Subject to the entry of the Solicitation Procedures Order and to the terms and provisions thereof, a copy of the cure notice listing the Cure Claims, which cure notice shall be in form and substance reasonably acceptable to the Plan Sponsor, shall be served on all required parties as directed in the Solicitation Procedures Order but in no event later than thirty (30) days prior to the Confirmation Hearing. Any counterparty to an Executory Contract (other than an OEM Assumed Contract) included on the Executory Contract List shall have the time period prescribed by the Solicitation Procedures Order to object to the Cure Claims listed on the Executory Contract List and to adequate assurance of future performance by the Plan Sponsor.

(c) To the extent a counterparty to an Executory Contract (other than an OEM Assumed Contract) objects or otherwise challenges or disputes the Cure Claim that Sellers determine is required in order for the Plan Sponsor to assume such Executory Contract pursuant to this Agreement, and such counterparty asserts a different monetary amount that must be paid and/or nonmonetary obligations that otherwise must be satisfied, including pursuant to Section 365(b)(1)(A) and (B) of the Bankruptcy Code, such amounts and/or nonmonetary obligations asserted by such counterparty shall be referred to as the "**Disputed Cure Claims.**"

(d) At any time and from time to time on or prior to the deadline set by the Bankruptcy Court for filing objections to confirmation of the Plan, the Plan Sponsor may designate in writing that any Executory Contract (other than OEM Assumed Contracts) shall be a Purchased Contract to be assumed and assigned (and to the extent not executory, assigned) pursuant to the Plan, this Agreement, and the Confirmation Order. The Plan Sponsor shall be obligated to pay at the U.S. Closing any Cure Claims associated with the assumption of the Purchased Contracts that are Executory Contracts (other than OEM Assumed Contracts) up to the Cure Claims Cap or such other amount as agreed to between the Plan Sponsor and the counterparty; provided, however, that the Plan Sponsor's obligation to pay Cure Claims in connection with the Purchased Contracts (other than OEM Assumed Contracts) shall not exceed the Cure Claims Cap. To the extent the total aggregate value of Cure Claims (including all Disputed Cure Claims) other than under OEM Assumed Contracts exceeds the Cure Claims Cap, (i) the Plan Sponsor, in its sole discretion, shall determine the specific Cure Claims that it shall pay up to the Cure Claims Cap and (ii) Sellers shall pay the excess of (x) the aggregate amount of Cure Claims over (y) the Cure Claims Cap, in accordance with Section 2.5. To the extent any Purchased Contract (other than OEM Assumed Contracts) is subject to a Cure Claim payable by the Plan Sponsor, the Plan Sponsor shall pay such Cure Claim directly to the applicable counterparty. Notwithstanding anything contained herein to the contrary, the Plan Sponsor shall only assume, and shall only be responsible for, Contracts designated by it as Purchased Contracts (which, for purposes of clarity, include all OEM Assumed Contracts), and which Purchased Contracts are in fact assigned to, and assumed by, the Plan Sponsor, pursuant to this Section 2.7 (it being expressly agreed by the Plan Sponsor and Sellers that all OEM Assumed Contracts will be assumed and assigned (and to the extent not executory, assigned) by Sellers to the Plan Sponsor at the U.S. Closing). Notwithstanding the foregoing, for purposes of this Section 2.7(d), the Plan Sponsor shall have no obligation to assume any Non-Standalone OEM Contract where a

Consenting OEM PSAN Contract Manufacturer or Consenting OEM PSAN Tier One is a counterparty unless (A) such counterparty modifies its Non-Standalone OEM Contract consistent with Section 4 of the OEM Indemnity and Release Agreement and (B) either (x) such counterparty grants a release consistent with Sections 8.a and 8.b of the OEM Indemnity and Release Agreement or (y) the applicable Consenting OEM is required to, or agrees to, indemnify and hold harmless the Plan Sponsor pursuant to Section 6 of the OEM Indemnity and Release Agreement with respect to any related PSAN Claims (as defined in the OEM Indemnity and Release Agreement) asserted by such counterparty in respect of such Non-Standalone OEM Contract (to the extent such claim relates to the applicable OEM's vehicles), it being understood that any Non-Standalone OEM Contract that Plan Sponsor does not assume as permitted by this Section 2.7(d) shall not constitute an OEM Assumed Contract for any purpose hereunder and, notwithstanding anything to the contrary set forth in this Agreement, neither Plan Sponsor nor any Acquired Subsidiary shall have any obligation under this Agreement with respect to any such counterparty with respect to the applicable Non-Standalone OEM Contract.

(e) If a counterparty asserts a Disputed Cure Claim, the Cure Claim shall be paid following the later of (x) a reasonable period of time following the Effective Date if the dispute is resolved consensually between the applicable counterparty, Sellers and the Plan Sponsor prior to the Effective Date, or (y) a reasonable period of time following the entry of a Final Order adjudicating the dispute and approving the assumption and assignment of such Purchased Contract to the Plan Sponsor subsequent to the Effective Date; provided that if there is a dispute as to the amount of the Cure Claim that cannot be resolved consensually among the applicable counterparty, Sellers and the Plan Sponsor, then notwithstanding anything to the contrary herein or in the Confirmation Order, Sellers shall have the right (and shall do so if directed by the Plan Sponsor) to reject the contract or lease for a period of seven (7) days after entry of a Final Order establishing the Cure Claim in excess of that provided by Sellers. To the extent (i) any Disputed Cure Claims have not been resolved prior to the Effective Date and (ii) (a) the aggregate amount of all Disputed Cure Claims plus (b) the aggregate amount of all other Cure Claims paid by the Plan Sponsor at the U.S. Closing exceeds the Cure Claims Cap, Sellers shall establish a segregated account funded with cash sufficient to pay (1) (x) the aggregate amount of such Disputed Cure Claims less (y) the amount equal to the Cure Claims Cap less any other Cure Claims paid by the Plan Sponsor at the U.S. Closing, or (2) such other amount as ordered by the Bankruptcy Court (the "**Disputed Claim Account**"). Any amounts remaining in the Disputed Claim Account after the resolution and payment, if applicable, of all Disputed Cure Claims shall be returned to Sellers. For the avoidance of doubt, the Plan Sponsor's obligation to pay Cure Claims in connection with the Purchased Contracts shall not exceed the Cure Claims Cap. To the extent the total aggregate value of Cure Claims (including all Disputed Cure Claims) exceeds the Cure Claims Cap, (i) the Plan Sponsor, in its sole discretion, shall determine the specific Cure Claims that it shall pay up to the Cure Claims Cap and (ii) Sellers shall pay the excess of (x) the aggregate amount of Cure Claims over (y) the Cure Claims Cap, in accordance with Section 2.5.

(f) Sellers shall use commercially reasonable efforts to reduce, and shall use commercially reasonable efforts to cooperate with the Plan Sponsor in its efforts to reduce, the Disputed Cure Claims.

(g) At any time and from time to time until the later of (i) two (2) Business Days prior to the U.S. Closing and (ii) seven (7) days after entry of a Final Order establishing the Cure Claim of a Disputed Cure Claim in accordance with Section 2.7(e), the Plan Sponsor, in its discretion by written notice to Sellers, may exclude from being assigned pursuant hereto any Executory Contracts (other than OEM Assumed Contracts), including any such Executory Contract previously designated by the Plan Sponsor as a Purchased Contract (other than OEM Assumed Contracts), and, in such circumstances, such Executory Contracts shall be rejected by Sellers, removed and not assumed by the Plan Sponsor, shall not constitute Purchased Contracts and shall be Excluded Assets, and the Plan Sponsor shall not acquire any rights or assume any Liabilities with respect thereto pursuant to Section 2.3(a); provided, however, that nothing in this Section 2.7(g) shall entitle the Plan Sponsor to (i) reduce the Purchase Price or (ii) exclude, or require Sellers to reject, any OEM Assumed Contract. Upon the Plan Sponsor's reasonable request, Sellers shall use commercially reasonable efforts to provide additional information as to the Liabilities under the Executory Contracts sufficient for the Plan Sponsor to make an informed assessment as to whether to designate such Executory Contracts as Excluded Assets.

2.8 Further Conveyances and Assumptions.

(a) From time to time following the U.S. Closing, subject to Section 2.2(e), Sellers shall, or shall cause their Affiliates to, make available to the Plan Sponsor personnel records of Transferred Employees as is reasonably necessary for the Plan Sponsor to transition such employees into the Plan Sponsor's records.

(b) From time to time following the U.S. Closing, Sellers and the Plan Sponsor shall, and shall cause their respective Affiliates to, execute, acknowledge and deliver all such further conveyances, notices, assumptions, releases and such other instruments, and shall take such further actions, as may reasonably be necessary or appropriate to assure fully to the Plan Sponsor and its respective successors or permitted assigns, all of the properties, rights, titles, interests, estates, remedies, powers and privileges intended to be conveyed to the Plan Sponsor under this Agreement and all other agreements contemplated hereby and to assure fully to Sellers and their Affiliates and their respective successors and permitted assigns, the assumption of the Liabilities and obligations intended to be assumed and assigned (and to the extent not executory, assigned) by the Plan Sponsor under this Agreement and all other agreements contemplated hereby, and to otherwise make effective the transactions contemplated hereby and thereby.

(c) For the avoidance of doubt, the Parties acknowledge and agree that, except as otherwise set forth in this Agreement, Sellers shall not have any Liability with respect to the ownership, operation or use by the Plan Sponsor of (i) the Purchased Assets from and after the U.S. Closing or (ii) the PSAN Assets from and after the acquisition thereof in accordance with Section 7.12.

ARTICLE III

CONSIDERATION

3.1 Consideration.

(a) The aggregate consideration for the Purchased Assets shall be (A) an amount in cash equal to (i) \$830,652,632 (as calculated in accordance with Annex A hereto and as may be adjusted as provided in Section 3.1(b), the "**Base Purchase Price**"), *minus* (ii) the aggregate amount of Repaid Indebtedness of the Acquired Subsidiaries, *minus* (iii) the aggregate amount of outstanding payment obligations of the Acquired Subsidiaries pursuant to the Global Settlement Agreement, *minus* (iv) the aggregate amount of accounts receivable of the Seller Entities that are paid prior to the U.S. Closing (whether before or after the date of this Agreement) on an accelerated schedule pursuant to the Accommodation Agreement (but only to the extent such accounts receivable would not have otherwise been paid prior to the U.S. Closing but for such acceleration), *minus* (v) if the Equipment Option is exercised by any Consenting OEM prior to the Closing Date pursuant to the Accommodation Agreement with respect to any Purchased Assets or any assets held by an Acquired Subsidiary, an amount equal to the purchase price paid by any such Consenting OEM in respect thereof, *minus* (vi) subject to and in accordance with Section 7.20(c), the TSAC Purchase Price, *minus* (vii) the amount, if any, of Transfer Taxes payable in connection with the Transactions that the Plan Sponsor reasonably determines are required to be paid, whether as a sole or joint obligation, by the Plan Sponsor or an Affiliate of the Plan Sponsor (including any Acquired Subsidiary after the U.S. Closing) (as determined in accordance with the immediately following two sentences), *minus* (viii) the Estimated Total Non-Recoverable VAT Amount, it being understood that such amount shall be used by the Plan Sponsor to satisfy the VAT due in connection with the transactions referred to in the definition of Estimated Total Non-Recoverable VAT Amount, *minus* (ix) Sellers' Regional Share of the Estimated Total Recoverable VAT Amount, it being understood that such amount shall be used by the Plan Sponsor to satisfy the VAT due in connection with the transactions referred to in the definition of Estimated Total Recoverable VAT Amount, *minus* (x) if the Acquired Cash is less than the Required Cash, Sellers' Cash Allocation Share of such deficit, *plus* (xi) if the Acquired Cash is greater than the Required Cash, Sellers' Cash Allocation Share of such excess up to Sellers' Cash Allocation Share of fifty million dollars (\$50,000,000.00), *minus* (xii) the amount of the Expenses of Plan Sponsor to be deducted pursuant to Section 7.21, *minus* (xiii) the amount of any receivables of any Seller Entity set off by any OEM at Closing in respect of the DOJ Restitution Claim (the amount calculated pursuant to the formula set forth in this clause (A), the "**Purchase Price**"), (B) subject to and in accordance with Section 3.6, the Business Incentive Plan Payment, (C) the Plan Sponsor's assumption of the Assumed Liabilities and (D) the amounts paid pursuant to Section 7.12. As soon as reasonably practicable, but not less than fifteen (15) Business Days prior to the anticipated Closing Date, the Plan Sponsor shall deliver to Sellers a certificate signed by the Chief Financial Officer of KSS Holdings which demonstrates the calculation of the amount of Transfer Taxes described in clause (A)(vii) above, the calculation of the Estimated Total Non-Recoverable VAT Amount, and the calculation of the Estimated Total Recoverable VAT Amount, together with reasonable supporting documentation (the "**Closing Tax Certificate**"). Sellers hereby agree that they will cooperate in good faith and provide any assistance or information reasonably requested by the Plan Sponsor in connection with the preparation of the Closing Tax Certificate. In the event Sellers dispute in good faith the Plan Sponsor's calculation of any amount shown on the Closing Tax Certificate, Sellers and the Plan Sponsor shall work in good faith to resolve such dispute. Not less than seven (7) Business Days prior to the anticipated Closing Date, Sellers shall deliver to the Plan Sponsor their good faith calculation of the Purchase Price (the "**Estimated Purchase Price**"), including the estimates for the various categories of the formula set forth in clause (a) of this Section 3.1. In

the event the Plan Sponsor disputes in good faith any amounts provided by Sellers in respect of the Estimated Purchase Price, Sellers and the Plan Sponsor shall work in good faith to resolve such dispute. As soon as reasonably practicable, but no later than one hundred ninety five (195) days after the Closing Date, the Plan Sponsor shall deliver to Sellers a certificate signed by the Chief Financial Officer of KSS Holdings which demonstrates the calculation of the Total Non-Recoverable VAT Amount, the Total Recoverable VAT Amount, and the amount of Transfer Taxes actually paid to the applicable Tax Authorities by a Seller Entity, Plan Sponsor or an Affiliate of the Plan Sponsor (including an Acquired Subsidiary after the U.S. Closing) in connection with the Transactions as of one hundred eighty (180) days after the Closing Date, together with reasonable supporting documentation (the "**180 Day Tax Certificate**"). Sellers agree that they will cooperate in good faith and provide any assistance or information reasonably requested by the Plan Sponsor in connection with the preparation of the 180 Day Tax Certificate. In the event Sellers dispute in good faith the Plan Sponsor's calculation of any amount shown on the 180 Day Tax Certificate, Sellers and the Plan Sponsor shall work in good faith to resolve such dispute. Sellers and the Plan Sponsor shall resolve any disputes regarding amounts shown on the 180 Day Tax Certificate no later than two hundred twenty five (225) days after the Closing Date. In the event that the Estimated Total Recoverable VAT Amount exceeds the Total Recoverable VAT Amount (taking into account any prior payments to the applicable competent Tax Authority or to the Plan Sponsor with respect to VAT made or caused to be made by Sellers pursuant to this Section 3.1, or the sellers or any of their Affiliates pursuant to the provisions corresponding to this Section 3.1 in any of the Cross-Conditioned Agreements), the Plan Sponsor shall refund, or cause to be refunded, to Sellers their Regional Share of such excess no later than two hundred twenty five (225) days after the Closing Date by wire transfer of immediately available funds to an account or accounts designated in writing by Sellers for such purpose. In the event that the Estimated Total Non-Recoverable VAT Amount exceeds the Total Non-Recoverable VAT Amount (taking into account any prior payments to the applicable competent Tax Authority or to the Plan Sponsor with respect to VAT made or caused to be made by Sellers pursuant to this Section 3.1), the Plan Sponsor shall refund, or cause to be refunded, the excess to Sellers no later than two hundred twenty five (225) days after the Closing Date by wire transfer of immediately available funds to an account or accounts designated in writing by Sellers for such purpose. In the event that the Estimated Total Recoverable VAT Amount is less than the Total Recoverable VAT Amount, Sellers shall pay their Regional Share of the amount of such deficiency to the Plan Sponsor (taking into account any prior payments to the applicable competent Tax Authority or to the Plan Sponsor with respect to VAT made or caused to be made by Sellers pursuant to this Section 3.1, or the sellers or any of their Affiliates pursuant to the provisions corresponding to this Section 3.1 in any of the Cross-Conditioned Agreements, it being understood that if any such payments have exceeded such deficiency, Sellers' Regional Share of such excess shall be reimbursed to Sellers). In the event that the Estimated Total Non-Recoverable VAT Amount is less than the Total Non-Recoverable VAT Amount, Sellers shall pay the amount of such deficiency to the Plan Sponsor (taking into account any prior payments to the applicable competent Tax Authority or to the Plan Sponsor with respect to VAT made or caused to be made by Sellers pursuant to this Section 3.1, it being understood that if any such payments have exceeded such deficiency, such excess shall be reimbursed to Sellers). In each case where Sellers are paying any such deficiency, Sellers shall pay such amount by wire transfer of immediately available funds to an account or accounts designated in writing by the Plan Sponsor for such purpose at least two (2) Business Days prior to the due date for the payment of

the VAT underlying any such deficiency; provided, however, that the Plan Sponsor shall in each case pay or cause such VAT to be paid to the relevant Tax Authorities, and provide Sellers with reasonable notice prior to the due date for any such VAT. If the Plan Sponsor or any of its Affiliates (including an Acquired Subsidiary after the Closings) actually realizes a refund, credit, or other recovery of either the Total Recoverable VAT Amount or the Total Non-Recoverable VAT Amount after the Regulatory Escrow Amount has reached the \$50,000,000 cap in accordance with the definition of Regulatory Escrow Amount, then the Plan Sponsor shall promptly pay, or cause to be paid, to Sellers their Regional Share of such recovery (except in the case of a recovery of the Total Non-Recoverable VAT Amount, which shall be paid in its entirety to Sellers) by wire transfer of immediately available funds to an account or accounts designated in writing by Sellers for such purpose; provided, however, that such excess recovery will be paid only to the extent such amount was economically borne by a Seller Entity (excluding Acquired Subsidiaries after the U.S. Closing) or a seller or any Affiliate thereof under any Cross-Conditioned Agreement (excluding any acquired subsidiaries thereunder after the Closings) in connection with the Closings and/or any pre-closing restructurings contemplated by this Agreement and/or any Cross-Conditioned Agreement (whether by direct payment, reduction of the Purchase Price or the purchase price payable under any of the Cross-Conditioned Agreements, or otherwise).

(b) The Parties acknowledge and agree that:

(i) the Base Purchase Price shall be subject to adjustment following the final determination of each of (w) the EMEA Appraisal Amount, (x) the Mexico Appraisal Amount, (y) the TSAC Appraisal Amount, and (z) the treatment of the Intercompany Balances in accordance with Section 7.17 (such adjustment to be effected solely to the extent that such determinations, in the aggregate, would result in the Base Purchase Price being a value different from \$830,652,632); provided, notwithstanding any provision in this Section 3.1(b), any such adjustment may be made only on or prior to the Intercompany Balances Outside Date and the appraisals referenced in in clauses (w) through (y) above must be completed prior to any such adjustment. For the avoidance of doubt, in any event and under all circumstances, the Global Base Purchase Price shall be \$1,588,000,000;

(ii) the Base Purchase Price shall be adjusted in accordance with clause (i) above to be an amount equal to the sum of (A) the product of (x) the Global Base Purchase Price minus the Aggregate Appraisal Amount and (y) 54.9370503%, plus (B) the TSAC Appraisal Amount, plus (C) the Mexico Appraisal Amount; provided that the percentage set forth in the foregoing clause (A)(y) shall be adjusted (to the extent necessary) to reflect the treatment of Intercompany Balances in accordance with Section 7.17. In making such adjustments to such percentage to reflect the treatment of Intercompany Balances, following resolution of the treatment of Intercompany Balances in accordance with Section 7.17, and determination of each of the EMEA Appraisal Amount, the Mexico Appraisal Amount, and the TSAC Appraisal Amount, the Plan Sponsor and the Sellers shall adjust the net asset values initially used for the calculation of the Base Purchase Price for each Seller Entity and each seller entity under the Cross-Conditioned Agreements (other than seller entities under the TK Europe Purchase Agreement, the applicable Seller Entities organized in Mexico, and other than in respect

of the TSAC Purchased Assets) in a fair and equitable manner to reflect any differences in the treatment of Intercompany Balances from the assumed treatment of such balances that was used by the Parties in establishing the Regional Share amounts set forth on Schedule B and the "Purchase Price" amounts set forth on Annex A, and jointly determine the adjustment to such percentage that is warranted thereby;

(iii) Sellers and the Plan Sponsor shall use commercially reasonable efforts to resolve the treatment of Intercompany Balances in accordance with Section 7.17 as soon as practicable following the date hereof; and

(iv) the "Base Purchase Price" as defined in each Cross-Conditioned Agreement shall be subject to equivalent adjustments to those set forth in clause (i) above, as provided therein.

3.2 Purchase Price Deposit. Without duplication of Plan Sponsor's obligations under Section 3.2 of each of the Cross-Conditioned Agreements, upon the execution of this Agreement, pursuant to the terms of the Escrow Agreement, Parent or one of its Affiliates shall immediately, on behalf of an applicable current or future Subsidiary (or Subsidiaries) of Parent designated to purchase certain of the Purchased Assets, deposit with Delaware Trust Company, in its capacity as escrow agent (the "**Escrow Agent**"), cash or an Escrow Letter of Credit in the amount of twenty-five million dollars (\$25,000,000) (the "**Escrow Amount**"), with Sellers' Regional Share of such Escrow Amount deposited in an account exclusive to Sellers, to be returned to the Plan Sponsor or drawn by the Escrow Agent and Sellers' Regional Share of the proceeds thereof paid to Sellers, in accordance with the provisions of the Escrow Agreement. The Plan Sponsor, in its sole discretion, may at any time replace any Escrow Letter of Credit posted pursuant to this Section 3.2 with an equal amount of cash, in which case the Escrow Letter of Credit shall be promptly released and returned to the Plan Sponsor. Pursuant to the Escrow Agreement, Sellers' Regional Share of the Escrow Amount (together with all accrued investment income thereon) shall be distributed as follows:

(a) if the U.S. Closing shall occur, (x) if the Escrow Amount is in the form of cash, Sellers' Regional Share of the Escrow Amount, together with all accrued investment income thereon, if any, shall be applied towards the Purchase Price payable by the Plan Sponsor to Sellers under Section 3.3 and shall be delivered to Sellers at the U.S. Closing and (y) if the Escrow Amount is in the form of an Escrow Letter of Credit, either (A) such Escrow Letter of Credit shall provide for a draw down by the Escrow Agent in the amount of the Escrow Amount at the U.S. Closing, with Sellers' Regional Share of the Escrow Amount to be disbursed to Sellers or (B) the Plan Sponsor, in its sole option, may deliver to Sellers at the U.S. Closing a cash payment equal to the amount of Sellers' Regional Share of the Escrow Amount, in which case Sellers and the Plan Sponsor shall jointly instruct the Escrow Agent to release and return the Escrow Letter of Credit to the Plan Sponsor at the U.S. Closing;

(b) if this Agreement is terminated pursuant to (i) Section 4.4(c)(i), Section 4.4(c)(ii) or Section 4.4(b)(v) (but only if such right of termination pursuant to Section 4.4(b)(v) is due to (x) a termination of the TKJP Purchase Agreement pursuant to Section 4.4(c)(i) or Section 4.4(c)(ii) thereof, (y) a termination of the TK Europe Purchase Agreement pursuant to Section 4.4(c)(i) or Section 4.4(c)(ii) thereof or (z) termination of the TSAC Purchase

Agreement (if applicable) pursuant to the termination provisions therein comparable to Section 4.4(c)(i) or Section 4.4(c)(ii) of this Agreement) or (ii) any of Sections 4.4(b)(i), 4.4(b)(ii) or 4.4(b)(v) in a circumstance in which the Regulatory Termination Fee pursuant to Section 4.7 is required, (x) if the Escrow Amount is in the form of cash, Sellers' Regional Share of the Escrow Amount, together with all accrued investment income thereon, if any, shall be released to Sellers or (y) if the Escrow Amount is in the form of an Escrow Letter of Credit, either (A) such Escrow Letter of Credit shall provide for a draw down by the Escrow Agent in the amount of the Escrow Amount, with Sellers' Regional Share of the Escrow Amount to be disbursed to Sellers or (B) the Plan Sponsor, in its sole option, may deliver to Sellers a cash payment equal to the amount of Sellers' Regional Share of the Escrow Amount, in which case Sellers and the Plan Sponsor shall jointly instruct the Escrow Agent to release and return the Escrow Letter of Credit to the Plan Sponsor (for the avoidance of doubt, notwithstanding the distribution of the Escrow Amount to Sellers pursuant to this Section 3.2(b), Sellers may seek damages (if any) against the Plan Sponsor under applicable Law if there is a breach by the Plan Sponsor of this Agreement); or

(c) if this Agreement is terminated for any reason other than by Sellers pursuant to (i) Section 4.4(c)(i), (ii) Section 4.4(c)(ii) or (iii) any of Sections 4.4(b)(i), 4.4(b)(ii) or 4.4(b)(v) (but only if such right of termination pursuant to Section 4.4(b)(v) is due to (x) a termination of the TKJP Purchase Agreement pursuant to Section 4.4(c)(i) or Section 4.4(c)(ii) thereof, (y) a termination of the TK Europe Purchase Agreement pursuant to Section 4.4(c)(i) or Section 4.4(c)(ii) thereof or (z) termination of the TSAC Purchase Agreement (if applicable) pursuant to the termination provisions therein comparable to Section 4.4(c)(i) or Section 4.4(c)(ii) of this Agreement) or in a circumstance in which the Regulatory Termination Fee pursuant to Section 4.7 is required, (x) if the Escrow Amount is in the form of cash, Sellers' Regional Share of the Escrow Amount, together with all accrued investment income thereon, if any, shall be released to the Plan Sponsor or, (y) if the Escrow Amount is in the form of an Escrow Letter of Credit, Sellers and the Plan Sponsor shall jointly instruct the Escrow Agent to release and return the Escrow Letter of Credit to the Plan Sponsor.

3.3 Payments by the Plan Sponsor of Certain Portions of the Purchase Price.

(a) DOJ Payment. On the Closing Date, pursuant to Sections 5.5(a) and 5.15 of the Plan, the Plan Sponsor shall pay the U.S. Chapter 11 Debtor Contribution Amount to the OEMs entitled thereto in accordance with the Agreed Allocation (as defined in the Plan), out of the Purchase Price and the Plan Sponsor Backstop Funding, if any, subject to and in accordance with Section 3.5 (the payment made pursuant to this Section 3.3(a), the "**DOJ Payment Amount**"). The DOJ Payment Amount shall be deemed to be made both (i) on behalf of Sellers on account of the Plan Settlement Payment (as defined in the Plan) and (ii) with the consent of the Special Master, on behalf of the Special Master on account of the DOJ Restitution Payment.

(b) NHTSA Payment. On the Closing Date, the Plan Sponsor shall pay a portion of the Purchase Price to NHTSA, by wire transfer of immediately available funds to the accounts(s) designated by NHTSA in an amount equal to \$50,000,000 less payments made by Takata prior to the Closing (the "**NHTSA Payment Amount**").

(c) PSAN Legacy Costs Payment. On the Closing Date, pursuant to Section 5.15 of the Plan, the Plan Sponsor shall fund a portion of (i) the Post-Closing Reserve with an

amount equal to the product of (x) the total amount estimated to be needed to fund the Post-Closing Reserve as set forth in the Legacy Cost Report and (y) 33.3296072%, (ii) the Warehousing Trust Reserve with an amount equal to the product of (x) the total amount estimated to be needed to fund all costs of the Warehousing Trust Reserve other than those costs specifically related to warehousing, shipping, and disposal, as set forth in the Legacy Cost Report and (y) 33.3296072%, and (iii) the Warehousing Trust Reserve with an amount equal to the total cost of warehousing, shipping, and disposal of PSAN Inflators in the Sellers' leased warehouses as of the Closing Date, as set forth in the Legacy Cost Report, from the Purchase Price and the Plan Sponsor Backstop Funding, if any, subject to and in accordance with Section 3.5 (the "**PSAN Legacy Costs Payment**").

(d) Certain Global Settlement Agreement Payments. On the Closing Date, pursuant to Sections 4.a, 4.b and 4.c. of the Global Settlement Agreement, the Plan Sponsor shall pay out of the Base Purchase Price pursuant to Section 3.1(a)(A)(iii) hereof (in the case of TKBR) and Section 3.1(a)(A)(vi) hereof (in the case of TSAC), (i) on behalf of TKBR, the Brazil Subsidiary Contribution Amount payable by TKBR pursuant to the Global Settlement Agreement, in accordance with Schedule 6 thereof, (ii) on behalf of TKBR, the PSAN Legacy Costs Payment (as defined in the Global Settlement Agreement) of TKBR payable by TKBR pursuant to the Global Settlement Agreement, in accordance with Schedule 7 thereof, and (iii) on behalf of TSAC, the TSAC Payment Contribution payable by TSAC pursuant to the Global Settlement Agreement, in accordance with Schedule 6 thereof, in each case, or as otherwise agreed among the Plan Sponsor and the parties to the Global Settlement Agreement.

3.4 Repaid Indebtedness. At the U.S. Closing, all outstanding Indebtedness of the Acquired Subsidiaries under the loans or other financing arrangements set forth on Schedule 5.28 or incurred by an Acquired Subsidiary since the date of this Agreement in accordance with or in violation of Section 7.2(b)(xxiv), shall be fully repaid (the "**Repaid Indebtedness**") and such repayment shall be funded by the Plan Sponsor and deducted from the Purchase Price in accordance with Section 3.1. No later than five (5) Business Days prior to U.S. Closing, Sellers shall provide to the Plan Sponsor (a) payoff letters with respect to the Repaid Indebtedness, in each case, (i) that set forth the amount to be paid on the Closing Date, together with wire transfer instructions and (ii) evidencing that the payment of such amount would result in the full repayment, satisfaction, release and discharge of the Repaid Indebtedness and (b) customary release documents providing for the release of all encumbrances on the transfer of Equity Interests and assets of the Acquired Subsidiaries and the Business (i) in respect of any Repaid Indebtedness and (ii) related to the Access Agreement among Sellers, the Seller Entities and the Consenting OEMs. At the U.S. Closing, the Plan Sponsor, on behalf of the Acquired Subsidiaries, shall pay or cause to be paid all Repaid Indebtedness pursuant to such payoff letters.

(c) Superior Proposal in Japan. In the event that the TKJP Purchase Agreement is terminated pursuant to Section 4.4(b)(iv) thereof and this Agreement is not concurrently terminated pursuant to Section 4.4(b)(iv), the Plan Sponsor shall have the option to: (i) terminate this Agreement pursuant to Section 4.4(b)(v) (for the avoidance of doubt, without prejudice to the Plan Sponsor's rights pursuant to Section 4.6(b)) or (ii) require Sellers to negotiate in good faith with the Plan Sponsor to seek to reform this Agreement in order to consummate the transactions contemplated hereby on terms that are fair and reasonable to the Plan Sponsor and Sellers (it being understood that such reformed agreements shall give effect to the rights of the Plan Sponsor pursuant to Section 4.6(b)). In the event that (x) the Plan Sponsor elects to terminate this Agreement pursuant to clause (i) above or (y) the Plan Sponsor elects to require Sellers to negotiate in good faith with the Plan Sponsor to seek to reform this Agreement

pursuant to clause (ii) above, but thereafter this Agreement is terminated pursuant to Section 4.4(b)(v) by Sellers because this Agreement has not been reformed within twenty (20) Business Days of the termination of the TKJP Purchase Agreement as contemplated by Section 4.4(b)(v), and on or prior to the date that is twelve (12) months after such termination of this Agreement Sellers consummate an Alternative Transaction with the party (or an Affiliate thereof) consummating the Superior Proposal pursuant to the TKJP Purchase Agreement, then Sellers shall pay to the Plan Sponsor the Break-Up Fee plus Expenses incurred by the Plan Sponsor prior to the termination of this Agreement up to the Alternative Transaction Expense Reimbursement Amount (provided that the aggregate amount of Expenses to be paid to the Plan Sponsor pursuant to this Section 4.6(c) shall not exceed the Alternative Transaction Expense Reimbursement Amount *minus* the amount of any Expenses previously paid pursuant to this Section 4.6). For purposes of this Section 4.6(c), the references to "twenty percent (20%)" in the definition of Alternative Transaction when used in determining the meaning of the term Alternative Transaction Proposal as used herein shall be deemed to be references to "fifty percent (50%)". All payments to be made by Sellers pursuant to this Section 4.6(c) shall be made within two (2) Business Days following consummation of the Alternative Transaction to the account(s) directed by the Plan Sponsor in writing.

(d) Seller Termination Events. In the event that this Agreement is terminated pursuant to (i) any Seller Breach Termination Trigger or (ii) Section 4.4(b)(ii), Section 4.4(b)(iii), Section 4.4(d)(iv), Section 4.4(d)(v) or Section 4.4(d)(vii), (but, with respect to each such termination event in this clause (ii), only if (x) such termination was a result of a material breach by Sellers of their obligations under the first sentence of Section 7.6(a), (y) the Plan Sponsor has provided notice to Sellers of such breach and (z) Sellers failed to cure such breach within thirty (30) days of receipt of such notice), in consideration for the Plan Sponsor having expended considerable time and expense in connection with this Agreement and the negotiation thereof, Sellers shall pay the Expenses, up to an aggregate amount equal to the Seller Breach Expense Reimbursement Amount, calculated as follows: (i) if this Agreement is terminated on or before December 31, 2017, up to an aggregate amount equal to two-thirds (2/3) of the Seller Breach Expense Reimbursement Amount for Expenses paid or incurred by the Plan Sponsor through and including December 31, 2017 and not reimbursed prior to termination of this Agreement; and (ii) if this Agreement is terminated following December 31, 2017, up to an aggregate amount equal to the Seller Breach Expense Reimbursement Amount, for Expenses incurred by the Plan Sponsor through and including the date of termination of this Agreement and not reimbursed prior to termination of this Agreement. Such payment shall be made by Sellers directly to the Plan Sponsor or as the Plan Sponsor may direct within two (2) Business Days following a termination contemplated by this Section 4.6(d).

(e) Other Termination Events. In the event that this Agreement is terminated for any reason other than (i) those specified as giving rise to the payment of a Break-Up Fee or Expense Reimbursement pursuant to Section 4.6(a), Section 4.6(b), Section 4.6(c) or Section 4.6(d), (ii) pursuant to Section 4.4(c)(i), (iii) Section 4.4(c)(ii), (iv) pursuant to Section 4.4(b)(v) (but only if such termination pursuant to Section 4.4(b)(v) was a result of a material breach by the Plan Sponsor of its obligations under the Cross-Conditioned Agreements or the RSA), (v) pursuant to Section 4.4(d)(ii) (subject to the immediately following sentence), (vi) pursuant to Section 4.4(d)(xi), (vii) pursuant to Section 4.4(d)(xii), (viii) pursuant to Section 4.4(d)(xv), (ix) pursuant to Section 4.4(d)(xvi), (x) pursuant to Section 4.4(b)(i) (but solely under circumstances

in which, at the time of such termination, all of the conditions to the U.S. Closing have been satisfied (other than conditions that by their nature are to be satisfied at the U.S. Closing itself) except for the conditions set forth in Section 9.1(c) (but only if such failure of the conditions set forth in Section 9.1(c) was due to circumstances related exclusively to the Plan Sponsor's ineligibility to be issued or reissued Permits or the failure of the Plan Sponsor to comply with its obligations set forth in the first two sentences of Section 7.18(a), Section 9.1(p) or Section 9.1(q)), or (xi) those which require payment of the Regulatory Termination Fee, in consideration for the Plan Sponsor having expended considerable time and expense in connection with this Agreement and the negotiation thereof, Sellers shall pay the Expenses, up to an aggregate amount equal to the No-Fault Expense Reimbursement Amount, calculated as follows: (A) if this Agreement is terminated on or before December 31, 2017, up to an aggregate amount equal to two-thirds (2/3) of the No-Fault Expense Reimbursement Amount, for Expenses paid or incurred by the Plan Sponsor through and including December 31, 2017 and not reimbursed prior to termination of this Agreement; and (B) if this Agreement is terminated following December 31, 2017, up to an aggregate amount equal to the No-Fault Expense Reimbursement Amount, for Expenses paid or incurred by the Plan Sponsor through and including the date of termination of this Agreement and not reimbursed prior to termination of this Agreement. In the event that this Agreement is terminated pursuant to Section 4.4(d)(ii) and each of the specified OEMs listed on Schedule H hereto have executed the OEM Indemnity and Release Agreement, Sellers shall pay the Expenses paid or incurred by the Plan Sponsor, up to an aggregate amount equal to one-third (1/3) of the No-Fault Expense Reimbursement Amount. Any payments to be made pursuant to this Section 4.6(e) shall be made by Sellers to the account(s) designated in writing by the Plan Sponsor within two (2) Business Days following a termination contemplated by this Section 4.6(e).

(f) Plan Sponsor Breach. Notwithstanding anything to the contrary herein, under no circumstances shall Sellers be obligated to pay any Expenses pursuant to Section 4.6(d) or Section 4.6(e) if, at the time of a termination by the Plan Sponsor contemplated by either Section, Sellers also have a right of termination pursuant to (i) Section 4.4(c)(i), (ii) Section 4.4(c)(ii) or (iii) Section 4.4(b)(v) (but only if such right of termination pursuant to Section 4.4(b)(v) is due to (x) a termination of the TKJP Purchase Agreement pursuant to Section 4.4(c)(i) or Section 4.4(c)(ii) thereof or (y) a termination of the TK Europe Purchase Agreement pursuant to Section 4.4(c)(i) or Section 4.4(c)(ii) thereof).

(g) Court Order and Priority. Sellers shall seek to obtain, no later than December 6, 2017, an order entered by the Bankruptcy Court approving the Break-Up Fee and Expense Reimbursement. Sellers shall seek to obtain in such order super-priority administrative claim status with regard to the Break-Up Fee and the Expense Reimbursement in the Bankruptcy Cases pursuant to section 507(b) of the Bankruptcy Code, which shall be (A) subordinate to any "carve-out" granted in favor of the professionals retained in the Bankruptcy Cases and (B) senior to all other administrative expense priority items; provided, however, that, if the U.S. Closing occurs (and in no other circumstances), the Expense Reimbursement shall be subordinate to the DOJ Restitution Fund and the Legacy Costs, as set forth in the Plan. Except as otherwise provided in Section 4.8(b), the payment by Sellers to the Plan Sponsor of the Break-Up Fee and/or Expense Reimbursement pursuant to this Section 4.6 shall, in circumstances in which the Break-Up Fee and Expense Reimbursement are owed to the Plan Sponsor, be the sole and exclusive remedy of the Plan Sponsor for any loss suffered by the Plan Sponsor as a result of the

failure of the transactions contemplated herein to be consummated, and upon such payment thereof in accordance with this Section 4.6, Sellers shall not have any further liability or obligation relating to or arising out of this Agreement. Any Break-Up Fee and/or Expense Reimbursement paid to the Plan Sponsor pursuant to this Agreement shall be paid by wire transfer of immediately available funds to an account or accounts designated in writing by the Plan Sponsor for such purpose. The Parties acknowledge that the agreements contained in this Section 4.6 are an integral part of the Transactions, and that without these agreements, the Parties would not enter into this Agreement and that any amounts payable pursuant to this Section 4.6 do not constitute a penalty.

(h) Liability for Break-Up Fee and Expenses. Each Seller acknowledges and agrees that such Seller shall be jointly and severally liable for the entire Break-Up Fee and Expense Reimbursement payable by Sellers pursuant to this Section 4.6.

4.7 Regulatory Termination Fee.

(a) In the event that this Agreement is terminated by Sellers or the Plan Sponsor pursuant to Section 4.4(b)(i) or Section 4.4(b)(ii) and all of the conditions to the U.S. Closing of the Plan Sponsor set forth in Article IX (other than (A) the conditions set forth in Section 9.3(c), Section 9.3(d) (solely with respect to or relating to Antitrust Laws or approvals or CFIUS Clearance) or Section 9.3(e) (with respect to or relating to Antitrust Laws or approvals) and (B) those other conditions that, by their nature, cannot be satisfied until the Closing Date, but, in the case of clause (B), which conditions would be capable of satisfaction if the Closing Date were the date of such termination, in each case other than any failures of such conditions to be satisfied or capable of being satisfied that result from a breach by the Plan Sponsor of this Agreement) have been satisfied or waived on or prior to the date of such termination, then the Plan Sponsor shall promptly, but in no event later than three (3) Business Days after the date of such termination, pay to Sellers the Regulatory Termination Fee, it being understood that in no event shall the Plan Sponsor be required to pay the Regulatory Termination Fee on more than one occasion. Any Regulatory Termination Fee paid to Sellers pursuant to this Agreement shall be paid by wire transfer of immediately available funds to an account or accounts designated in writing by Sellers for such purpose. The Parties acknowledge that the agreements contained in this Section 4.7 are an integral part of the Transactions, and that without these agreements, the Parties would not enter into this Agreement and that any amounts payable pursuant to this Section 4.7 do not constitute a penalty; accordingly, if the Plan Sponsor fails to promptly pay the amount due pursuant to this Section 4.7 and, in order to obtain such payment, Sellers commence a Legal Proceeding that results in a judgment against the Plan Sponsor for any amounts due pursuant to this Section 4.7, the Plan Sponsor shall pay to Sellers' costs and expenses (including attorneys' fees) in connection with such Legal Proceeding, together with interest on the amount of such amount or portion thereof at the latest U.S. prime rate as published in The Wall Street Journal in effect on the date such payment was required to be made.

(b) Notwithstanding anything herein to the contrary, except in the case of intentional fraud, willful misconduct or a willful and material breach by the Plan Sponsor of its obligations in Section 7.4 with respect to or relating to CFIUS, Antitrust Laws or approvals or specific performance prior to termination of this Agreement, the Regulatory Termination Fee (together with the reimbursement contemplated by Section 4.7(a)) shall be the sole and exclusive

remedy of Sellers against the Plan Sponsor, its Affiliates and any of their respective former, current, or future stockholders, directors, officers, Affiliates or agents, for any losses or damages of whatsoever nature suffered as a result of any breach by the Plan Sponsor of its obligations in Section 7.4 with respect to or relating to Antitrust Laws or approvals, and upon payment of the Regulatory Termination Fee (together with the reimbursement contemplated by Section 4.7(a)) if and when due, (i) none of the Plan Sponsor, its Subsidiaries or any of their respective former, current, or future stockholders, directors, officers, Affiliates or agents shall have any further Liability or obligation relating to or arising out of this Agreement or the Transactions in connection with such breach by the Plan Sponsor, (ii) payment and receipt of the Regulatory Termination Fee (together with the reimbursement contemplated by Section 4.7(a)) shall extinguish any right of any Seller, on behalf of itself or any of its Subsidiaries, to sue or pursue any claim for any such losses or damages against the Plan Sponsor its Affiliates, any of its former, current, or future stockholders, directors, officers, Affiliates or agents with respect to, in connection with or arising out of such breach by the Plan Sponsor and (iii) Sellers shall terminate with prejudice any pending claims in litigation pursuing any such claim for such losses or damages commenced prior to receiving the Regulatory Termination Fee with respect to, in connection with, or arising out of such breach by the Plan Sponsor.

(c) In the event one of the Cross-Conditioned Agreements is terminated in accordance with its terms, and any Regulatory Termination Fee (as defined therein) becomes payable pursuant to such terminated Cross-Conditioned Agreement, then the Plan Sponsor shall promptly pay the applicable Regulatory Termination Fee (together with the reimbursement contemplated by Section 4.7(a)) to Sellers.

4.8 Effect of Termination.

(a) In the event that this Agreement is validly terminated as provided herein, then each of the Parties shall be relieved of its duties and obligations arising under this Agreement after the date of such termination and such termination shall be without liability to the Plan Sponsor, Sellers or Guarantor (solely for purposes of Section 7.22); provided, however, that the obligations of the Parties set forth in Section 4.6, Section 4.7, this Section 4.8, and Article XI shall survive any such termination and shall be enforceable hereunder.

(b) Nothing in this Section 4.8 shall relieve the Plan Sponsor, Sellers or Guarantor (solely for purposes of Section 7.22), from liability for any breach of this Agreement occurring prior to the date of termination that, individually or in the aggregate with other breaches, is material; except that (i) under circumstances where the Plan Sponsor is required to pay the Regulatory Termination Fee as provided in Section 4.7(a), the Plan Sponsor's liability for any breaches occurring before the termination of this Agreement shall be capped at the Regulatory Termination Fee, and (ii) under circumstances where Sellers are required to pay the Break-Up Fee and Expense Reimbursement, as provided in Section 4.6, Sellers' liability for any breaches occurring before the termination of this Agreement shall be capped at the amount of such Break-Up Fee and Expense Reimbursement, other than with respect to clauses (i) and (ii), in the case of intentional fraud, willful misconduct, or willful and material breach of this Agreement by the Plan Sponsor or Sellers, respectively.

(c) The Confidentiality Agreement shall survive any termination of this Agreement in accordance with its terms and nothing in this Section 4.8 shall relieve the Plan Sponsor or Sellers of their obligations under the Confidentiality Agreement.

(d) For the avoidance of doubt, under no circumstances shall Sellers be obligated to pay (i) the Break-Up Fee more than once or (ii) Expenses in excess of the applicable cap.

(e) In the event that there is an adjustment to the percentages set forth on Schedule B (as contemplated by the definition of Regional Share), the amount of (i) the Expenses, (ii) the Break-Up Fee, and (iii) the Regulatory Termination Fee, in this Agreement and each Cross-Conditioned Agreement, shall be adjusted on a pro-rata basis. For the avoidance of doubt, in the event of any such adjustment, the aggregate Expenses provided for in this Agreement and each of the Cross-Conditioned Agreements as of the date hereof, the aggregate Break-Up Fees provided for in this Agreement and each of the Cross-Conditioned Agreements as of the date hereof, and the aggregate Regulatory Termination Fees provided for in this Agreement and each of the Cross-Conditioned Agreements as of the date hereof shall not change.

4.9 Treatment of OEMs that Have Not Used PSAN. Notwithstanding anything in this Agreement to the contrary, to the extent an OEM that is not listed on Schedule I and that is not a Consenting OEM (a "Non-PSAN OEM") takes an action that it would not have been permitted to take pursuant to the Accommodation Agreement, OEM Indemnity and Release Agreement or the Global Settlement Agreement had such Non-PSAN OEM been a Consenting OEM, (a) Plan Sponsor shall not have any termination right related to or resulting from any such action taken by such Non-PSAN OEM and (b) no such action taken by a Non-PSAN OEM shall be taken into account when determining whether any condition to the Plan Sponsor's obligations to consummate the Transactions has been satisfied.

ARTICLE V

REPRESENTATIONS AND WARRANTIES OF SELLERS

Sellers represent and warrant to the Plan Sponsor that the statements contained in this Article V are true and correct as of the date of this Agreement, except as set forth in the disclosure schedule accompanying this Agreement (the "**Disclosure Schedule**").

5.1 Organization and Good Standing. Each Seller is duly organized, validly existing and in good standing under the laws of the state of its incorporation or formation (as applicable) and has, subject to the necessary authority from the Bankruptcy Court, all requisite organizational power and authority to own, lease and operate its assets and properties and to carry on its business as now conducted and to perform its obligations under this Agreement and all other agreements and certificates contemplated hereby to which it is a party. Each Seller is duly qualified or authorized to do business and is, if applicable, in good standing under the laws of each jurisdiction in which it owns or leases real property or in which the conduct of its business or the ownership of its properties requires such qualification or authorization, except where the failure to be so qualified, authorized or in good standing is the result of the filing of

the Bankruptcy Cases or as would not be material to the conduct of the Business or the Purchased Assets taken as a whole. Other than with respect to the Bankruptcy Cases, there are no bankruptcy, reorganization or insolvency proceedings pending against or, to the Knowledge of Sellers, threatened against, the Seller Entities.

5.2 Acquired Subsidiaries; Ownership of Equity Interests.

(a) Except as set forth on Schedule 5.2(a), no Seller (i) has any Subsidiaries or (ii) owns, directly or indirectly, any Equity Interest in any Person, except, in each case, (A) other Sellers, (B) the Acquired Subsidiaries, and (C) the Retained Subsidiaries. Schedule 5.2(a) sets forth a true, correct and complete list of (x) the Subsidiaries of Sellers and (y) the Equity Interests in the Acquired Subsidiaries. No Acquired Subsidiary is a participant in any joint venture, partnership or similar arrangement. No Acquired Subsidiary is obligated to make or bound by any agreement or obligation to make any investment in (including loans or other debt or equity investments) or capital contribution to any other Person.

(b) All of the outstanding shares of capital stock, membership interests, partnership interests, voting securities or other Equity Interests in each of the Acquired Subsidiaries have been duly authorized, validly issued, fully paid and, as applicable, non-assessable and are owned by Sellers, free and clear of all Liens, and free of any other restriction (including any restriction on the right to vote, sell or otherwise dispose of such Equity Interests), except for restrictions imposed by applicable securities laws and as otherwise set forth on Schedule 5.2(b). There are no (i) options, warrants or other rights (including registration rights), agreements, arrangements or commitments to which any Seller or any of the Acquired Subsidiaries is a party relating to the issued or unissued capital stock, membership interests, partnership interests, voting securities or other Equity Interests of any of the Acquired Subsidiaries or obligating any Seller or any of the Acquired Subsidiaries to grant, issue or sell any shares of the capital stock, membership interests, partnership interests, voting securities or other Equity Interests of any of the Acquired Subsidiaries or subjecting any such share of capital stock, membership interests, partnership interests, voting securities or other Equity Interest to any right of first refusal, right of first offer, tag-along right, drag-along right or similar right; (ii) obligations, contingent or otherwise, of any Seller or any of the Acquired Subsidiaries to repurchase, redeem or otherwise acquire any shares of the capital stock, membership interests, partnership interests, voting securities or other Equity Interests of any of the Acquired Subsidiaries; or (iii) voting trusts, proxies or other agreements or understandings to which any Seller or any of the Acquired Subsidiaries is a party or by which any Seller or any of the Acquired Subsidiaries is bound with respect to the voting of any shares of capital stock, membership interests, partnership interests, voting securities or other Equity Interests of any of the Acquired Subsidiaries.

(c) Immediately following the U.S. Closing, the Plan Sponsor will directly or indirectly own all Equity Interests of the Acquired Subsidiaries, free and clear of all Liens, and free of any other restriction (including any restriction on the right to vote, sell or otherwise dispose of such Equity Interests), except for restrictions imposed by applicable securities laws.

5.3 Authorization of Agreement. Subject to the Bankruptcy Court's entry of the Confirmation Order, each Seller has all requisite power and authority to execute and deliver this

Agreement and all other agreements and certificates contemplated hereby to which it is a party and to perform its obligations hereunder and thereunder. The execution, delivery, and performance of this Agreement and all other agreements and certificates contemplated hereby to which each Seller is a party have been duly authorized by such Seller. Upon due execution hereof by each Seller, this Agreement and all other agreements and certificates contemplated hereby (assuming due authorization, execution and delivery by the other parties thereto) shall constitute, subject to the Bankruptcy Court's entry of the Confirmation Order, the valid and legally binding obligation of such Seller, enforceable against such Seller in accordance with its terms and subject to applicable bankruptcy, reorganization, insolvency, moratorium, or other similar laws relating to creditors' rights and general principles of equity.

5.4 Conflicts; Consents of Third Parties.

(a) Except as set forth on Schedule 5.4(a), none of (x) the execution and delivery by Sellers of this Agreement, (y) the consummation of the Transactions or (z) the compliance by Sellers with the terms hereof will (i) conflict in any material respect with or result in a material violation or default under the organizational documents of any Seller Entity, (ii) subject to the entry of the Confirmation Order, violate any Law or Order to which any Seller or any of the Purchased Assets is subject, or (iii) subject to the entry of the Confirmation Order, result in a breach of, constitute a default under, result in the creation of any Lien (other than Permitted Liens, excluding Intellectual Property, Software and Technology licenses), result in the acceleration of, create in any party the right to accelerate, terminate, modify or cancel, or require any notice under any Material Contract to which any Seller Entity is a party or to which any of the Purchased Assets is subject, except, in the case of either clause (ii) or (iii), for such conflicts, violations, breaches, defaults, accelerations, rights or failures to give notice as would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(b) Except as set forth on Schedule 5.4(b), and other than (i) the applicable requirements of the HSR Act and other Antitrust Laws, (ii) as required by NHTSA, the DOJ, or any related third party or entity, including the NHTSA Monitor and the DOJ Monitor, (iii) CFIUS Clearance and (iv) as required or pursuant to the Bankruptcy Code or the Confirmation Order, no Seller Entity is required to give any notice to, make any filing with, or obtain any authorization, consent or approval of any Governmental Authority in order for the Parties to consummate the Transactions.

(b) Except as set forth on Schedule 5.5(b), the Seller Entities own, and will own as of the U.S. Closing, all rights, title and interests in and to the Purchased Assets free and clear of all Liens, other than Permitted Liens. Pursuant to the Confirmation Order, at the U.S.

5.7 No Undisclosed Liabilities. Except as set forth on Schedule 5.7, no Seller Entity has incurred any Indebtedness, obligations or Liabilities of any kind that would have been required to be reflected in, reserved against or otherwise described in the Balance Sheet or the notes thereto in accordance with GAAP, other than (a) Liabilities reflected on the Balance Sheet, (b) Liabilities incurred in the Ordinary Course of Business since the Balance Sheet Date and Liabilities under this Agreement, the Accommodation Agreement, the Access Agreement or the RSA, (c) Liabilities incurred in connection with the Transactions, (d) Liabilities that would not reasonably be expected to be material to the Seller Entities and (e) bank guarantees or similar Liabilities.

RSA, (i) since the Balance Sheet Date, the Business has been conducted in the Ordinary Course of Business; (ii) since the Balance Sheet Date, Sellers have not taken any action that, if taken after the date of this Agreement, would have required the consent of the Plan Sponsor pursuant to Section 7.2(b)(i)(c), Section 7.2(b)(vi), (vii), (xiv) or (xv); and (iii) since the Balance Sheet Date and prior to the date hereof, there has not been any Material Adverse Effect.

The Plan Sponsor and Sellers agree that without the prior written consent of the other Party (such consent not to be unreasonably withheld, conditioned or delayed), it shall not, and shall cause its Representatives not to, take any action that will have or may have the effect of extending any waiting period under the HSR Act or other Antitrust Law. The Plan Sponsor and Sellers shall each pay one half of all filing fees or other payments to any Governmental Authority in connection with any filings under the HSR Act or such other filings as may be required under any other applicable Antitrust Law.

(g) In furtherance and not in limitation of the foregoing, Sellers and the Plan Sponsor agree to (i) fully cooperate and consult with each other with respect to any filings or submissions to any Governmental Authority and (ii) keep each other fully informed as to the progress of any filings or submissions to any Governmental Authority. For the avoidance of doubt, prior to any filing or submission being made, the filing Party shall provide to the other Party a draft of the proposed filing or submission (with necessary redactions under applicable Antitrust Laws), and consider in good faith any comments reasonably made by the other Party with respect to such draft, provided, however, that neither Party shall be required to provide the other Party with documents submitted to the FTC, DOJ or any foreign Governmental Authority that relate to valuation of the Transactions. To the extent permitted by any Governmental Authority, Sellers and the Plan Sponsor shall provide the other Party with the opportunity to participate in any material meeting and shall keep the other Party apprised of all material discussions with any Governmental Authority with respect to any filings, investigation or other inquiry in connection with the Transactions; provided, however, that the Plan Sponsor, in its sole discretion, may have material discussions with any Governmental Authority without the participation of Sellers, if having such discussions will further the objective of obtaining any necessary antitrust clearance as provided herein.

(h) Actions or agreements required of the Plan Sponsor pursuant to this Section 7.4 shall under no circumstances be considered a Material Adverse Effect. For the avoidance of doubt, the Plan Sponsor must take any and all steps necessary to consummate the Transactions, including divesting or agreeing to divest assets (including those of the Plan Sponsor and those to be acquired by the Plan Sponsor in the Transactions) to third parties in a manner acceptable to the FTC and DOJ, and any other applicable Governmental Authority. For the avoidance of doubt, there shall be no adjustment to the Purchase Price or any other payment obligation of the Plan Sponsor under this Agreement due to any divestiture or requirement to divest. The proceeds of any such divestiture received by any Seller, net of all related expenses and an amount of any Taxes that would not have been paid or incurred by Sellers but for such divestiture or requirement to divest, shall be paid to the Plan Sponsor.

7.5 Bankruptcy Court Filings and Approvals.

(a) Sellers and the Plan Sponsor acknowledge that the Transactions are subject to Bankruptcy Court approval.

(b) As soon as reasonably practicable, but no later than November 15, 2017, Sellers shall file the Plan and a disclosure statement with respect to the Plan, which disclosure

statement shall be in a form and substance reasonably acceptable to the Plan Sponsor (the "**Disclosure Statement**"), with the Bankruptcy Court, along with the Solicitation Procedures Motion.

(c) The Plan Sponsor shall promptly take such actions as are reasonably requested by Sellers to assist in obtaining entry of the Confirmation Order, including a finding of adequate assurance of future performance by the Plan Sponsor, including by furnishing affidavits or other non-confidential documents or information for filing with the Bankruptcy Court for the purposes, among others, of providing necessary assurances of performance by the Plan Sponsor under this Agreement.

(d) In the event an appeal is taken, or a stay pending appeal is requested, from the Confirmation Order, Sellers shall promptly notify the Plan Sponsor of such appeal or stay request and shall promptly provide to the Plan Sponsor a copy of the related notice of appeal or order of stay. Sellers shall use reasonable best efforts to defend any such appeal.

(e) After entry of the Confirmation Order, Sellers shall not take any action that is intended to result in, or fail to take any action the intent of which failure to act would result in, the reversal, voiding, modification or staying of the Confirmation Order.

(f) To the extent reasonably practicable, prior to filing any material pleadings, motions or other document in the Bankruptcy Cases that relates, in material part, to this Agreement, Sellers shall (i) provide a copy thereof to the Plan Sponsor and its counsel, (ii) provide the Plan Sponsor and its counsel a reasonable opportunity to review and comment on such document, and any amendment or supplement thereto and (iii) reasonably consider any reasonable comments of the Plan Sponsor and its counsel, as determined in the sole discretion of Sellers and their counsel, into such document and any amendment or supplement thereto that are consistent with the terms of this Agreement and the Transactions.

(g) Sellers shall provide notice in accordance with the Notice Protocol.

7.6 Further Assurances; Separation of PSAN Assets.

(a) Sellers and the Plan Sponsor shall use their respective reasonable best efforts to (i) take all actions necessary or appropriate to consummate the Transactions and (ii) cause the fulfillment at the earliest practicable date of all of the conditions to their respective obligations to consummate the Transactions. The Plan Sponsor shall fully cooperate with Sellers and take all actions that may be reasonably necessary in connection with the separation of Sellers' PSAN Inflater Business from the Business (including any necessary assistance in amending or modifying any Contract of an Acquired Subsidiary, Purchased Contract or Excluded Contract). Sellers and the Plan Sponsor shall use their commercially reasonable efforts to consummate the Transactions and the separation of Sellers' PSAN Inflater Business in a manner that minimizes adverse Tax consequences.

(b) Without limiting the generality of Section 7.6(a), neither the Plan Sponsor nor any Seller shall take any action, or permit any of their respective Subsidiaries to take any action, to materially diminish the ability of a Party to consummate, or materially delay a Party's ability to consummate, the Transactions, including any action that is intended or would

reasonably be expected to result in any of the conditions to a Party's obligations to consummate the Transactions set forth in Article IX to not be satisfied.

(c) If at any time on or after December 31, 2017, the Parties and the Requisite Consenting OEMs (as such term is defined in the Accommodation Agreement) reasonably believe that the U.S. Closing is not likely to occur on or prior to the Outside Date the Parties and the Consenting OEMs shall negotiate in good faith for a reasonable period of time, not to exceed the Outside Date, in an effort to agree upon a mutually acceptable alternative transaction structure designed to achieve a more expedited closing.

7.7 Confidentiality.

(a) The Plan Sponsor acknowledges that the Confidential Information provided to it in connection with this Agreement, including under Section 7.1, and the consummation of the Transactions, is subject to the terms of the confidentiality agreement between TKJP and KSS Holdings dated July 20, 2016 (as amended the "**Confidentiality Agreement**"), the terms of which are incorporated herein by reference. Effective upon, and only upon, the Closing Date, the Confidentiality Agreement shall terminate with respect to information relating solely to the Business or otherwise included in the Purchased Assets; provided, however, that the Plan Sponsor acknowledges that any and all other Confidential Information provided to them shall remain subject to the terms and conditions of the Confidentiality Agreement after the Closing Date.

(b) On and after the Closing Date, Sellers and each of their respective Affiliates and Representatives shall maintain in confidence and not use or disclose to any third party any confidential or proprietary information regarding the Business or the Purchased Assets or Assumed Liabilities (including any information constituting Purchased Assets). To the extent that any former Representative of Sellers or their Affiliates is subject to a confidentiality agreement with such Party with respect to confidential information subject to this Section 7.7, such Party shall, and shall cause its respective Affiliates to, enforce such confidentiality obligations and not waive such rights or release such former Representative from its obligations with respect thereto, and, to the extent reasonably practicable, enable and allow the Plan Sponsor to enforce such rights directly.

(c) Sellers shall, and shall cause Sellers' Affiliates, within ninety (90) days after the U.S. Closing, notify the Plan Sponsor of, and provide copies of any software, proprietary Technology and other Purchased Intellectual Property that remain in its possession or control and, upon written confirmation from the Plan Sponsor, Sellers shall, and shall cause Sellers' Affiliates to, promptly purge any copies of any Purchased Intellectual Property in their possession or control, other than such Purchased Intellectual Property that either (i) is licensed to Sellers pursuant to the Intellectual Property License Agreement or (ii) copies of which are required to be retained in connection with current litigation matters or to comply with court orders. Notwithstanding the foregoing, Sellers shall not be required to remove copies of Purchased Intellectual Property on back-up and disaster recovery media which would require significant effort to selectively purge, provided, that Sellers shall not, and shall not allow any other Person, to make any use of such copies, and shall permanently purge or destroy such copies

on any media once such media is to be reused or discarded, whichever occurs earlier, and Sellers shall remain responsible for protecting such media from any use or disclosure.

(d) The covenants and undertakings contained in this Section 7.7 relate to matters which are of a special, unique and extraordinary character and a violation of any of the terms of this Section 7.7 will cause irreparable injury to the Party harmed by such violation, the amount of which will be impossible to estimate or determine and which cannot be adequately compensated. Therefore, each Party will be entitled to an injunction, restraining order or other equitable relief from any court of competent jurisdiction in the event of any breach of this Section 7.7. The rights and remedies provided by this Section 7.7 are cumulative and in addition to any other rights and remedies which a Party may have hereunder or at law or in equity.

7.8 Preservation of Records. Sellers and the Plan Sponsor agree that each of them shall preserve and keep the records held by it or their Affiliates relating to the Business for a period of the lesser of (i) six (6) years from the Closing Date and (ii) the duration of the operations of Reorganized Takata as contemplated by the Plan, and shall make such records and personnel available to the other as may reasonably be required by such Party in connection with, among other things, any insurance claims by, Legal Proceedings against or governmental investigations of Sellers or the Plan Sponsor or any of their Affiliates or in order to enable Sellers or the Plan Sponsor to comply with their respective obligations under this Agreement and each other agreement, document or instrument contemplated hereby or thereby. In the event Sellers or the Plan Sponsor wish to destroy such records before or after that time, such Party shall first give ninety (90) days written prior notice to the other and such other Party shall have the right at its option and expense, upon prior written notice given to such Party within such ninety (90) day period, to take possession of the records within one hundred and eighty (180) days after the date of such notice. With respect to Tax matters, Sellers and the Plan Sponsor agree that each of them shall retain all books and records held by each of them or their Affiliates with respect to Tax matters pertinent to the Business or any Purchased Asset relating to any Tax period (or portion thereof) beginning before the Closing Date until the expiration of the applicable statute of limitations of the respective Tax period or Tax matter and abide by all record retention agreements entered into with any Tax Authority.

7.9 Publicity. Neither Sellers nor the Plan Sponsor shall issue any press release or public announcement concerning this Agreement or the Transactions without obtaining the prior written approval of the other Party, which approval will not be unreasonably withheld, conditioned or delayed, unless, in the sole judgment of the Plan Sponsor or Sellers, disclosure is otherwise required by applicable Law or by order of the Bankruptcy Court with respect to filings to be made with the Bankruptcy Court in connection with this Agreement or by the applicable rules of any stock exchange on which the Plan Sponsor or Sellers lists securities; provided that the Party intending to make such release shall use its reasonable best efforts consistent with such applicable Law or Bankruptcy Court requirement to consult with the other Party with respect to the text thereof; provided, further, that the foregoing shall not restrict press releases or other public announcements made by the Plan Sponsor and its Affiliates after the Closing Date related to the Business or the Plan Sponsor's acquisition thereof.

7.10 Use of Name.

(a) The Plan Sponsor agrees that (i) subject to Section 7.10(a)(ii), after the Closing Date neither the Plan Sponsor nor any of its Affiliates shall have any rights in or to the Sellers' Marks (as defined below), (ii) it shall as promptly as reasonably practicable after the Closing Date but in no event later than twenty-four (24) months following the Closing Date (the "**Phase-Out Period**"), cease to make any use of any Marks, identifying symbols, emblems, signs or insignia related thereto or containing or comprising the foregoing, including any name or Mark confusingly similar thereto and any other Mark, in each case, to the extent included in the Seller Retained IP (collectively, the "**Sellers' Marks**"), including in any corporate or other legal name and (iii) without limiting Section 7.10(a)(ii), immediately after the U.S. Closing, cease to hold itself out as having any affiliation with Sellers or any of their Affiliates. In furtherance thereof, as promptly as practicable but in no event later than the conclusion of the Phase-Out Period, the Plan Sponsor shall remove, strike over or otherwise obliterate all Sellers' Marks from all customer- and public-facing materials, including any vehicles, machinery, business cards, schedules, stationery, packaging materials, displays, signs, promotional materials, manuals, forms, Software and other materials. Following the end of the Phase-Out Period, if Sellers discover any incident of usage of Sellers' Marks by the Plan Sponsor or its Affiliates in violation of this Section 7.10(a), promptly upon receipt of notice from Sellers, the Plan Sponsor shall or shall cause their Affiliates, as applicable, to promptly destroy or re-label the relevant materials incorporating Sellers' Marks. For purposes of clarity, nothing in this Section 7.10(a) shall prohibit any uses of Sellers' Marks by the Plan Sponsor that are required under applicable Law or any nominative uses of Sellers' Marks to refer to Sellers and that would not cause confusion as to the origin of a good or service, and references to Sellers' Marks in historical, tax, and similar records.

(b) Sellers agree that (i) subject to Section 7.10(b)(ii), after the Closing Date neither Sellers nor any of their Affiliates shall have any rights in or to Former Sellers' Marks, (ii) they shall as promptly as reasonably practicable after the Closing Date, but in no event later than the Phase-Out Period, cease to make any use of any Marks included in the Purchased Intellectual Property, identifying symbols, emblems, signs or insignia related thereto or containing or comprising the foregoing, including any name or Mark confusingly similar thereto and any other Mark, in each case, to the extent not included in the Seller Retained IP (collectively, the "**Former Sellers' Marks**"), including in any corporate or other legal name and (iii) without limiting Section 7.10(b)(ii), immediately after the U.S. Closing, cease to hold itself out as having any affiliation with Plan Sponsor or any of its Affiliates or the Business. In furtherance thereof, as promptly as practicable but in no event later than the conclusion of the Phase-Out Period, Sellers shall remove, strike over or otherwise obliterate all Former Sellers' Marks from all customer- and public-facing materials, including any vehicles, machinery, business cards, schedules, stationery, packaging materials, displays, signs, promotional materials, manuals, forms, Software and other materials. Following the end of the Phase-Out Period, if the Plan Sponsor discovers any incident of usage of Former Sellers' Marks by Sellers or any of their Affiliates in violation of this Section 7.10(b), promptly upon receipt of notice from the Plan Sponsor, Sellers shall or shall cause their Affiliates, as applicable, to promptly destroy or re-label the relevant materials incorporating Former Sellers' Marks. For purposes of clarity, nothing in this Section 7.10(b) shall prohibit any uses of Former Sellers' Marks by Sellers that are required or otherwise not prohibited under applicable Law, including uses of Former Sellers' Marks not in commerce, uses that would not cause confusion as to the origin of a good or service, and references to Former Sellers' Marks in historical, tax, and similar records.

7.11 Competing Transaction. This Agreement is subject to approval by the Bankruptcy Court and, solely to the extent and for such time as required by the Bankruptcy Code and other applicable Law, remains subject to the consideration by Sellers of Superior Proposals in accordance with this Section 7.11:

(a) Sellers shall immediately cease any discussions or negotiations with any parties that may be ongoing with respect to any Alternative Transaction Proposal, shall terminate access to any virtual data room or other source of confidential information, and shall seek to have returned to Sellers any confidential information that has been provided in any such discussions or negotiations. Unless otherwise ordered by the Bankruptcy Court, from the date hereof until the Closings have occurred, Sellers shall not, and shall cause their respective Affiliates and Representatives not to, directly or indirectly, (i) solicit, initiate or knowingly encourage, or take any other action designed to facilitate, any inquiries or the making of any proposal which constitutes, or may reasonably be expected to lead to, an Alternative Transaction Proposal, (ii) engage in any discussions or negotiations regarding any Alternative Transaction Proposal, (iii) provide any confidential information or data to any Person in relation to an Alternative Transaction Proposal, (iv) approve or recommend, or propose publicly to approve or recommend, any Alternative Transaction Proposal or (v) approve or recommend, or propose publicly to approve or recommend, or execute or enter into, any letter of intent, agreement in principle, merger agreement, acquisition agreement, business combination agreement, option agreement or other similar agreement related to any Alternative Transaction Proposal (excluding any confidentiality agreements entered into in connection with any Alternative Transaction Proposal that constitutes, or would reasonably be expected to result in, a Superior Proposal) or propose publicly or agree to do any of the foregoing related to any Alternative Transaction Proposal; provided, however, that (x) Sellers may ascertain facts from the party making such Alternative Transaction Proposal for the sole purpose of Sellers' informing themselves about the Alternative Transaction Proposal and the party that made it and (y) if, following the receipt of an Alternative Transaction Proposal, Sellers determine in good faith, after consultation with outside advisors, that such Alternative Transaction Proposal constitutes, or would reasonably be expected to result in, a Superior Proposal and a failure to take action with respect to such Alternative Transaction Proposal would be inconsistent with the Bankruptcy Code or other applicable Law (including the fiduciary duties of the applicable board of directors), Sellers may, in response to such Alternative Transaction Proposal, subject to compliance with Section 7.11(b), (i) furnish information with respect to Sellers to the party making such Alternative Transaction Proposal and its respective Representatives pursuant to a confidentiality agreement that contains provisions not less favorable to Sellers than those contained in the Confidentiality Agreement; provided that (A) such confidentiality agreement may not include any provision calling for an exclusive right to negotiate with Sellers and (B) Sellers shall advise Plan Sponsor of all such nonpublic information delivered to such party substantially concurrently with its delivery to such party, and shall provide the Plan Sponsor with copies of any such information not previously provided to the Plan Sponsor and (ii) engage in discussions or negotiations with such party and its Representatives regarding such Alternative Transaction Proposal. Sellers shall not waive or fail to enforce any provision of any confidentiality or standstill agreement to which they are a party relating to a potential or actual Alternative Transaction Proposal unless Sellers determine in good faith, after consultation with outside legal counsel, that the failure to do so would be inconsistent with the Bankruptcy Code or other applicable Law (including the fiduciary duties of the applicable board of directors).

(b) Sellers shall advise the Plan Sponsor orally and in writing within 24 hours following receipt by any Representative of Sellers or of Sellers' Affiliates of (i) any Alternative Transaction Proposal, (ii) any request for nonpublic information relating to any Affiliate of Sellers or access to the properties, books or records of any Affiliate of Sellers, other than requests in the Ordinary Course of Business and unrelated to an offer or proposal relating to an Alternative Transaction, or (iii) any inquiry or request for discussions or negotiations regarding an offer or proposal relating to an Alternative Transaction. Sellers shall promptly (and in any event within 24 hours) provide the Plan Sponsor with a copy (if in writing) or, if made orally, a summary of the material terms of any such offer or proposal or request, in each case including the identity of the person making or considering such offer or proposal or making such request, and shall keep the Plan Sponsor apprised of any material developments, discussions and negotiations on a reasonably current basis (and in any event within 24 hours).

(c) Notwithstanding anything in this Agreement to the contrary, prior to entering into an agreement in connection with any Superior Proposal, Sellers shall have (i) provided prior written notice to the Plan Sponsor, at least forty-eight (48) hours in advance (the "Notice Period"), of their intention to take such action with respect to such Superior Proposal, specifying the material terms and conditions of any such Superior Proposal (including the identity of the party proposing to effect such Superior Proposal) and furnishing to the Plan Sponsor a copy of the relevant proposed transaction agreements with the party proposing to effect such Superior Proposal and other material documents and (ii) during the Notice Period, and in any event prior to taking such action, negotiated, and have caused their financial and legal advisors to negotiate, with the Plan Sponsor in good faith (to the extent the Plan Sponsor desires to negotiate) to make such adjustments in the terms and conditions of this Agreement so that such proposal or offer for an Alternative Transaction ceases to constitute a Superior Proposal. The foregoing shall apply with respect to any and all subsequent bids and proposals as well.

7.12 PSAN Assets.

(a) Schedule 7.12 sets forth the book value of the PSAN Assets listed thereon as of March 31, 2017. Following the date hereof, Sellers shall be permitted to update Schedule 7.12 to identify any assets that are no longer PSAN Assets (as determined in good faith by Sellers) ("**Former PSAN Assets**"). No fewer than ten (10) Business Days prior to the U.S. Closing, Sellers shall deliver a final Schedule 7.12, which shall identify all Former PSAN Assets as of the Closing Date and the aggregate book value thereof (the "**Aggregate Former PSAN Asset Book Value**"). All Former PSAN Assets shall constitute Purchased Assets at the Closing and, for the avoidance of any doubt, no additional consideration shall be paid at the U.S. Closing in respect of the Aggregate Former PSAN Asset Book Value.

(b) From time to time, as Reorganized Takata determines that any PSAN Assets set forth on Schedule 7.12 are no longer needed (as determined in good faith by its Oversight Committee (including the affirmative vote of the Independent Member of its Oversight Committee) based upon then-anticipated production requirements of PSAN Consenting OEMs (as such term is defined in the Plan) as inflator production is transitioned from PSAN to GuNi or another alternative propellant, or is otherwise no longer needed), Reorganized Takata may deliver a written notice of sale to the Plan Sponsor with respect to such PSAN Assets. The closing of the purchase and sale of such PSAN Assets shall occur within thirty (30) Business

Days following delivery of such notice. At each such closing, the Plan Sponsor shall pay to an account designated by Reorganized Takata cash in an amount equal to the net book value of such PSAN Assets as set forth opposite such assets on Schedule 7.12, and the parties shall execute and deliver customary documentation to evidence and effect the transfer of such PSAN Assets, the form and substance of which shall be reasonably acceptable to the parties thereto; provided, however, that if and to the extent that the Plan Sponsor makes any PSAN Assets Advance Payment, then such PSAN Assets Advance Payment shall be treated as an advance payment of, and shall be credited against, any amount required to be paid by the Plan Sponsor pursuant to this Section 7.12; provided, further, that the Plan Sponsor shall be permitted to set-off any debt, liability or other payment obligations of Reorganized Takata to the Plan Sponsor or any of its Affiliates (solely to the extent the applicable amount is not in dispute) as a credit against the purchase price otherwise payable hereunder in respect of such PSAN Assets. For the avoidance of doubt, (i) Reorganized Takata may deliver one or more notices pursuant to this Section 7.12(b) and (ii) the Plan Sponsor shall not purchase or otherwise acquire Warehoused PSAN Assets or contracts with PSAN Consenting OEMs for the manufacture and sale of PSAN Inflators.

(c) On the fifth (5th) anniversary of the Closing Date, or on such earlier date that Reorganized Takata ceases operations with respect to the PSAN Assets, Reorganized Takata shall deliver a written notice to the Plan Sponsor with respect to any of the PSAN Assets listed on Schedule 7.12 that have not been transferred and sold to the Plan Sponsor as of such date and for which no notice of sale has been delivered pursuant to Section 7.12(b). The closing of the purchase and sale of such PSAN Assets shall occur within thirty (30) Business Days following delivery of such notice. At each such closing, the Plan Sponsor shall pay to an account designated by Reorganized Takata cash in an amount equal to the net book value of such PSAN Assets as set forth opposite such assets on Schedule 7.12, and the parties shall execute and deliver customary documentation to evidence and effect the transfer of such PSAN Assets, the form and substance of which shall be reasonably acceptable to the parties thereto; provided, however, that if and to the extent that the Plan Sponsor makes any PSAN Assets Advance Payment, then such PSAN Assets Advance Payment shall be treated as an advance payment of, and shall be credited against, any amount required to be paid by the Plan Sponsor pursuant to this Section 7.12; provided, further, that the Plan Sponsor shall be permitted to set-off any debt, liability or other payment obligations of Reorganized Takata to the Plan Sponsor or any of its Affiliates (solely to the extent the applicable amount is not in dispute) as a credit against the purchase price otherwise payable hereunder in respect of such PSAN Assets.

(d) For purposes of this Section 7.12, "PSAN Assets" shall include the TCX Transferred Assets following the acquisition of such assets by New China Company pursuant to Section 7.20(d).

7.13 Wrong Pocket. If Sellers receive any payment related to any Purchased Asset after the U.S. Closing, Sellers agree to promptly remit (or cause to be promptly remitted) such funds to the Plan Sponsor to the extent related to such Purchased Asset, and the Plan Sponsor shall reimburse Sellers for their reasonable expenses incurred in connection therewith. If the Plan Sponsor or any Affiliate of the Plan Sponsor receives any payment related to any Excluded Asset after the U.S. Closing, the Plan Sponsor agrees to promptly remit (or cause to be promptly

remitted) such funds to Sellers to the extent related to such Excluded Asset, and Sellers shall reimburse the Plan Sponsor for its reasonable expenses incurred in connection therewith.

7.14 Rule 11 Plea Agreement. Pursuant to that certain Rule 11 Plea Agreement, dated January 13, 2017, entered into by TKJP and the DOJ (the "**Plea Agreement**"), the Parties hereby agree to use commercially reasonable efforts to secure written agreements with the DOJ with respect to the matters set forth on Schedule 9.1(o).

7.15 Financing. The Plan Sponsor shall keep Sellers informed on a reasonably current basis in reasonable detail of the status of its efforts to arrange the Financing and shall not permit any amendment or modification to be made to the Commitment Letters without the prior written consent of Sellers if such amendment or modification would or would reasonably be expected to (i) materially delay or prevent the U.S. Closing, (ii) reduce the aggregate amount of the Financing from that contemplated by the Commitment Letters as in effect on the date of this Agreement in a manner that would adversely impact the Plan Sponsor's ability to pay, or cause to be paid, the Purchase Price on the Closing Date (unless the Equity Source has made a corresponding shareholder loan or increase to its commitment under the Equity Commitment Letter), (iii) impose new or additional conditions or otherwise expand, amend or modify any of the conditions to the receipt of the Financing in a manner materially adverse to the Plan Sponsor, (iv) adversely affect the ability of the Plan Sponsor to satisfy its obligations under this Agreement, or (v) adversely impact the ability of the Plan Sponsor to enforce its rights against the other parties to the Commitment Letters, it being understood that notwithstanding the foregoing, the Plan Sponsor may amend any Debt Commitment Letter to add lenders, lead arrangers, bookrunners, syndication agents or similar entities who had not executed such Debt Commitment Letter as of the date of this Agreement and to change the syndicate banks and the borrower or borrowers. The Plan Sponsor shall provide notice to Sellers promptly upon receiving the Debt Financing and shall furnish true and correct copies of all documents with respect thereto to Sellers promptly upon their execution; provided that the fee letters may be redacted to remove economic terms. Upon any amendment or modification of the Commitment Letters in accordance with this Section 7.15, the Plan Sponsor shall furnish true, correct and complete copies of the definitive agreements with respect thereto to Sellers promptly upon their execution, and (i) references herein to "Debt Commitment Letter" and "Equity Commitment Letter" shall, in each case, include such document as amended or modified and (ii) references to "Debt Financing" and "Equity Financing" shall include the financing contemplated by the Debt Commitment Letter and the Equity Commitment Letter, respectively, as so amended. The Plan Sponsor acknowledges and agrees that its obligations to consummate the Global Transactions are not conditioned or contingent upon receipt of the Financing. The Plan Sponsor shall use its reasonable best efforts to cause the Debt Financing Sources to fund the Debt Financing on the Closing Date and shall diligently and in good faith enforce its rights under the Debt Commitment Letters. In the event that the Debt Financing becomes unavailable, the Plan Sponsor shall use its reasonable best efforts to obtain alternative debt financing (such financing, "**Alternative Financing**") in amounts necessary, together with the other consideration contemplated under this Agreement, to consummate the Transactions on terms not materially less beneficial to the Plan Sponsor, in the aggregate, than the Debt Commitment Letters as in effect on the date hereof; provided, that such Alternative Financing shall not, without the prior written consent of Sellers, have conditions to funding that are more expansive in any material respect than those set forth in the Debt Commitment Letter.

7.16 Cooperation.

(a) From the date of this Agreement until the Closing Date, Sellers shall provide, shall cause each other Seller Entity to provide, and shall use reasonable best efforts to cause their respective Representatives to provide, on a timely basis, such cooperation as is reasonably required and customary in connection with the arrangement of the Debt Financing (or the issuance of debt securities in lieu thereof or any other permitted alternative financing), which cooperation may include using commercially reasonable efforts to: (i) upon reasonable advance notice, participate in a reasonable number of due diligence sessions with prospective Debt Financing Sources and their Representatives, and provide reasonable access to documents and other information in connection with customary due diligence investigations; (ii) upon reasonable advance notice, participate (including making members of management, with appropriate seniority and expertise, and other necessary representatives of the Seller and the Seller Entities available) in a reasonable number of requested meetings, presentations and road shows (including one-on-one meetings with the parties acting as lead arrangers or agents for, and prospective lenders and purchasers of, the Debt Financing or Alternative Financing) in connection with the syndication or other marketing of the Debt Financing or any debt securities issued in lieu thereof; (iii) reasonably assisting (including participating in drafting sessions) with the preparation of materials, in each case to the extent such materials relate to information concerning any Seller Entity for rating agency presentations, lender presentations, offering documents, private placement memoranda, bank information memoranda and similar documents customarily required in connection with the Debt Financing or any debt securities issued in lieu thereof; (iv) furnishing the Plan Sponsor with information required and reasonably requested in writing by the parties acting as lead arrangers for, or lenders under, the Debt Financing at least ten (10) Business Days prior to the Closing Date under applicable "know your customer" and anti-money laundering rules and regulations; (v) assisting the Plan Sponsor in obtaining accountants' comfort letters, including customary "negative assurance" comfort from Sellers' independent accountants on customary terms; (vi) cooperating with the Plan Sponsor and the Plan Sponsor's efforts to obtain customary corporate, facilities and securities ratings; (vii) providing customary authorization letters to the arrangers in respect of the Debt Financing authorizing the distribution of information to prospective lenders; (viii) cooperating with reasonable requests of the Plan Sponsor's and/or the Debt Financing Sources' legal counsel in connection with any legal opinions that such legal counsel may be required to deliver in connection with the Debt Financing or the Alternative Financing; (ix) providing and, if applicable, executing customary documents relating to the repayment of the Repaid Indebtedness of the Acquired Subsidiaries and the release of related encumbrances, including customary payoff letters and evidence that notice of such repayment has been timely delivered to the holders of such Repaid Indebtedness; (x) satisfying the conditions precedent set forth in the Debt Commitment Letters or any definitive documentation relating to the Debt Financing or any Alternative Financing to the extent the satisfaction of such conditions requires the cooperation of or is within the control of Sellers, the Seller Entities or their respective Affiliates, including causing officers of Sellers, the Seller Entities and their respective Affiliates to execute agreements, documents or certificates reasonably requested by the Plan Sponsor that facilitate the creation, perfection or enforcement of encumbrances securing the Debt Financing or the Alternative Financing (including original copies of all certificated securities (with transfer powers executed in blank), control agreements, perfection certificates, landlord consents and access letters) as are requested by the Plan Sponsor, its Subsidiaries or their Debt Financing

Sources (provided that no obligation under any such agreement, document or certificate shall be effective until the Closing); and (xi) cooperating with the Debt Financing Sources' due diligence investigation to the extent reasonable and not unreasonably interfering with the business.

(b) Notwithstanding anything in this Agreement to the contrary, (i) no Seller Entity (prior to the U.S. Closing) shall be required to pay any commitment or other similar fee, provide any indemnities, incur or reimburse any costs or expenses or incur any other liability or obligation of any kind in connection with the Financing (including any cooperation obligations described in Section 7.16(a)), (ii) no Seller Entity (prior to the U.S. Closing) shall be required to execute, enter into or perform any binding agreement or commitment, or adopt any resolution or otherwise take any corporate or similar action or deliver any certificate, in connection with the Financing (other than customary authorization letters pursuant to Section 7.16(a)) and (iii) nothing shall obligate any Seller Entity to provide, or cause to be provided, any legal opinion or to provide, or cause to be provided, any information or take, or cause to be taken, any action to the extent doing so could reasonably be expected to result in (x) a violation of applicable Law, any Seller Entity's organizational documents or any Contract binding on any Seller Entity or any confidentiality obligations binding on any Seller Entity or (y) the loss of any attorney-client privilege. The cooperation of the Seller Entities shall not unreasonably interfere with ongoing operations of the Seller Entities or otherwise materially impair the ability of any Representatives of the Seller Entities to carry out its duties to the Seller Entities.

(c) All non-public or otherwise confidential information obtained by the Plan Sponsor, its Representatives or its Debt Financing Sources pursuant to this Section 7.16 shall be kept confidential in accordance with the Confidentiality Agreement, except that the Plan Sponsor shall be permitted to disclose such information to the Debt Financing Sources, rating agencies and prospective lenders and investors during syndication of the Debt Financing or any permitted replacement, amended, modified or alternative financing subject to the ratings agencies and prospective lenders and investors entering into customary confidentiality undertakings reasonably satisfactory to Sellers with respect to such information (including through a notice and undertaking in a form customarily used in confidential information memoranda for senior credit facilities), and to potential investors in a customary offering memorandum and related materials used in connection with an offering of debt securities used to finance the consummation of the Transactions.

(d) Plan Sponsor shall reimburse the Seller Entities for all reasonable and documented out-of-pocket expenses (including reasonable outside attorneys' fees) incurred by the Seller Entities in connection with the assistance required by this Section 7.16 (the "**Cooperation Expenses**"); provided, however, that such reimbursement shall be paid as a credit against Sellers' Expense Reimbursement obligations set forth in Section 4.6 and Section 7.21. In the event that (i) the Cooperation Expenses exceed Sellers' Expense Reimbursement obligations set forth in Section 4.6 and Section 7.21, or (ii) this Agreement is terminated for any reason other than those specified as giving rise to any Expense Reimbursement obligations pursuant to Section 4.6, the Plan Sponsor shall promptly reimburse the Seller Entities for the amount of Cooperation Expenses due and payable following the Closing or termination of this Agreement, as applicable.

7.17 Termination of Affiliate and Intercompany Agreements.

(a) Except (i) as set forth on Schedule 7.17(a), (ii) as provided below in this Section 7.17, or (iii) as otherwise determined by the Plan Sponsor, Sellers shall (and shall cause their applicable controlled Affiliates to) cause all Affiliate Transactions to be terminated prior to the Closing Date, and all Liabilities thereunder shall be satisfied prior to the Closing Date with no residual Liabilities or other obligations (including payment obligations) applicable against the Acquired Subsidiaries, the Plan Sponsor or any entity acquired by the Plan Sponsor or any Affiliate thereof pursuant to any Cross-Conditioned Agreement; provided, that the Plan Sponsor shall consider in good faith any requests by Sellers not to terminate such Affiliate Transactions.

(b) No later than ten (10) days after the date hereof, Sellers shall provide to the Plan Sponsor a statement, as of September 30, 2017, true and correct in all material respects, of all Liabilities under guarantees, security, collateral, comfort letters, or similar instruments issued to any Seller or Retained Subsidiary or any third party, other than solely to secure Indebtedness that is owed by Acquired Subsidiaries or any Assumed Liabilities, that are applicable to any of the Acquired Subsidiaries or any entity to be acquired by the Plan Sponsor or any Affiliate of the Plan Sponsor pursuant to any Cross-Conditioned Agreement ("**Intercompany Guarantees**"). Except as otherwise determined by the Plan Sponsor, on or prior to December 15, 2017, in its sole discretion, Sellers shall (and shall cause their applicable controlled Affiliates to) cause all Intercompany Guarantees to be terminated at or prior to the Closing, and all Liabilities thereunder shall be satisfied at or prior to the Closing with no residual Liabilities or other obligations (including payment obligations) applicable against the Acquired Subsidiaries, the Plan Sponsor or any entity acquired by the Plan Sponsor or any Affiliate thereof pursuant to any Cross-Conditioned Agreement; provided, that the Plan Sponsor shall consider in good faith any requests by Sellers not to terminate such Intercompany Guarantees.

(c) No later than ten (10) days after the date hereof, Sellers shall provide to the Plan Sponsor a statement, true and correct in all material respects, of all intercompany balances (other than Intercompany Guarantees) as of September 30, 2017 between (i) any Seller, on the one hand, and any other Seller or any seller under any of the Cross-Conditioned Agreements, on the other hand, (ii) any Seller, on the one hand, and any Retained Subsidiary or retained subsidiary under any of the Cross-Conditioned Agreements, on the other hand, (iii) any Retained Subsidiary, on the one hand, and any seller under any of the Cross-Conditioned Agreements, on the other hand, (iv) any Seller, on the one hand, and any Acquired Subsidiary or acquired subsidiary under any of the Cross-Conditioned Agreements, on the other hand, (v) any Retained Subsidiary, on the one hand, and any Acquired Subsidiary or acquired subsidiary under any of the Cross-Conditioned Agreements, on the other hand, (vi) any Acquired Subsidiary, on the one hand, and any seller under any of the Cross-Conditioned Agreements, on the other hand, (vii) any Acquired Subsidiary, on the one hand, and any retained subsidiary under any of the Cross-Conditioned Agreements, on the other hand, (viii) any Acquired Subsidiary, on the one hand, and any other Acquired Subsidiary or any acquired subsidiary under any of the Cross-Conditioned Agreements, on the other hand, and (ix) any Retained Subsidiary, on the one hand, and any other Retained Subsidiary or any retained subsidiary under any of the Cross-Conditioned Agreements, on the other hand (the intercompany balances described in subclauses (i) through (ix) above, the "**Intercompany Balances**"). The Plan Sponsor will evaluate all Intercompany Balances as promptly as reasonably practicable and will use commercially reasonable efforts to acquire at the Closing both the receivable portion and the payable portion of all Intercompany Balances; it being understood that the tax consequences, clawback risk and similar economic and

liability exposure impacts on the Plan Sponsor associated with acquiring any such Intercompany Balances shall be taken into account in determining commercial reasonableness, as well as the corresponding impacts on Sellers. The Plan Sponsor and Sellers shall jointly prepare a statement that sets forth the proposed treatment of all Intercompany Balances (the "**Intercompany Balances Proposal**") on or prior to December 4, 2017 to be submitted to the various appraisers engaged in connection with the TSAC Appraisal Amount, the EMEA Appraisal Amount and the Mexico Appraisal Amount, as applicable (collectively, the "**Appraisers**") (for the avoidance of doubt, the Plan Sponsor and Sellers shall not be deemed to have agreed on a treatment of Intercompany Balances by virtue of the Intercompany Balances Proposal for the purposes of Section 4.4(c)(iii) or Section 4.4(d)(xv)). To the extent Sellers and Plan Sponsor do not agree on an Intercompany Balances Proposal by December 4, 2017, Plan Sponsor shall have the right to submit its sole Intercompany Balances Proposal to the Appraisers. Following such preparation of the Intercompany Balances Proposal, the Plan Sponsor and Sellers shall engage in good faith discussions on the adjustment of Base Purchase Price as set forth in Section 3.1(b) based upon the Intercompany Balances Proposal and the related feedback from the Appraisers, and shall use commercially reasonable efforts to agree upon a mutually acceptable proposal, on or prior to December 15, 2017, with respect to the treatment of all Intercompany Balances (including identifying those Intercompany Balances that the Plan Sponsor will acquire and those that the Plan Sponsor will not acquire) (the "**Final Joint Proposal**"). Except for all such Intercompany Balances that the Plan Sponsor agrees to acquire in the Final Joint Proposal as provided above, Sellers shall (and shall cause their applicable controlled Affiliates to) cause all Intercompany Balances that affect the Plan Sponsor, any of the Acquired Subsidiaries or any entity acquired by the Plan Sponsor or any Affiliate of the Plan Sponsor pursuant to this Agreement or any Cross-Conditioned Agreement to be terminated at or prior to the Closing, and all Liabilities thereunder shall be satisfied at or prior to the Closing with no residual Liabilities or other obligations (including payment obligations) applicable against the Plan Sponsor, the Acquired Subsidiaries or any entity acquired by the Plan Sponsor or any Affiliate of the Plan Sponsor pursuant to this Agreement or any Cross-Conditioned Agreement; provided that the Plan Sponsor shall use commercially reasonable efforts to assist Sellers with the termination of any such Intercompany Balances not acquired by the Plan Sponsor so as to minimize any adverse effect thereof on Sellers. For the avoidance of doubt, to the extent the Plan Sponsor agrees to acquire any accounts receivable corresponding to any Intercompany Balances, the Plan Sponsor shall also assume the applicable accounts payable corresponding to such Intercompany Balances, and vice versa.

(d) Sellers and the Plan Sponsor will cooperate in good faith in the evaluation of the Intercompany Balances (including the provision of appropriate information by Sellers) and use their respective commercially reasonable efforts to minimize the aggregate economic impact from the resolution of the Intercompany Balances on both Sellers and the Plan Sponsor. Sellers shall not (and shall cause their applicable controlled Affiliates not to) enter into or materially increase any Intercompany Balances after the date hereof, other than (i) Intercompany Balances in respect of transactions in the Ordinary Course of Business, (ii) Intercompany Balances that do not affect the Plan Sponsor, any of the Acquired Subsidiaries or any entity acquired by the Plan Sponsor or any Affiliate of the Plan Sponsor pursuant to this Agreement or any Cross-Conditioned Agreement, or (iii) with prior written consent of the Plan Sponsor (which consent shall not be unreasonably withheld, conditioned or delayed).

(e) Each Seller shall cooperate with, and use its reasonable best efforts to assist, the other Sellers and the sellers under each of the Cross-Conditioned Agreements in fulfilling their respective obligations under this Section 7.17 and the provisions comparable to Section 7.17 of each of the Cross-Conditioned Agreements.

7.18 Permits.

(a) Sellers and the Plan Sponsor shall cooperate with each other and, as promptly as practicable after the date of this Agreement, use reasonable best efforts to obtain the transfer, modifications, issuance or reissuance to the Plan Sponsor of all Permits used or held for use by Sellers in the Ordinary Course of Business. The Parties shall respond promptly to any requests for additional information made by such agencies, use their respective reasonable best efforts to participate in any hearings, settlement proceedings or other proceedings ordered with respect to applications to transfer, modify, issue or reissue such Permits, and use respective reasonable best efforts to cause regulatory approval to be obtained at the earliest possible date after the date of filing. Each Party will bear its own costs of the preparation and review of any such filing. Sellers and the Plan Sponsor shall have the right to review in advance all characterizations of the information relating to the Transactions which appear in any filings to transfer the Permits and the filing Party shall consider in good faith any revisions reasonably requested by the non-filing Party.

(b) In the event that Sellers or the Plan Sponsor are unable, despite their respective reasonable best efforts, to obtain a transfer, modification, issuance, or reissuance of any Permit as of the Closing Date, the Plan Sponsor or its Affiliates may use the existing Permit issued to Sellers or any of their Affiliates, provided that (i) such use is not unlawful and it is expressly permitted under the applicable Law, (ii) the Plan Sponsor and Sellers continue to use reasonable best efforts to obtain a transfer, modification, issuance, or reissuance of such Permit after the Closing Date, and (iii) the Plan Sponsor indemnifies Sellers for any damages, losses, claims or penalties suffered by Sellers and shall hold Sellers harmless in connection with the Permit that is not transferred, modified, issued or reissued as of the Closing Date resulting from the Plan Sponsor's use of the existing Permit following the Closing Date.

(c) In the event that any Permits are used or held for use by Sellers in connection with both the Business and the PSAN Inflator Business (such Permits, "**Shared Permits**"), the Parties shall cooperate with each other to determine, in good faith, whether it would be most practicable for Sellers to transfer, modify, or seek the issuance or reissuance of such Shared Permit to the Plan Sponsor and obtain a new Permit for use in connection with the PSAN Inflator Business, or for Sellers to retain such Shared Permit and the Plan Sponsor to obtain a comparable Permit, to the extent permitted under applicable Law. In making such determination, the Parties shall consider in good faith all relevant factors, including (i) the costs and expenses of transferring or modifying such Shared Permit as compared to obtaining a new Permit (and the resulting impact on the other Party), (ii) the time required to transfer or modify a Shared Permit as compared to obtaining a new Permit, (iii) whether the Plan Sponsor already has a comparable Permit and (iv) any losses, claims or penalties that the Parties would suffer without an active Permit. In the event that the Parties determine to transfer, modify, issue or reissue a Shared Permit, the Parties shall do so pursuant to the terms of Sections 7.18(a) and (b). If the

Parties jointly determine in good faith that such transfer, modification, issuance or reissuance would be impracticable, Sellers shall be permitted to retain such Shared Permit.

(d) In the event that (i) Sellers or the Plan Sponsor are unable, despite their respective reasonable best efforts, to obtain a transfer, modification, issuance or reissuance of any Permit as of the Closing Date and (ii) notwithstanding the provisions set forth elsewhere in this Agreement, the Plan Sponsor or its Affiliates are unable to use the existing Permit issued to Sellers or any of their Affiliates under applicable Law, the Parties agree that such event shall not itself be considered a breach or failure of any of the provisions of this Agreement so long as the inability to use an existing Permit could not reasonably be expected to cause a material adverse impact to Plan Sponsor or any Consenting OEM (including, for the avoidance of doubt, any material interruption in production or operations at an assembly facility or plant or any material disruption in the supply of Products to such Consenting OEM or the sale of such Consenting OEM's vehicles containing such Products). In such event, the Parties agree to negotiate in good faith an alternative option acceptable to the Consenting OEMs and the Parties in order not to delay the U.S. Closing.

7.19 Global Settlement Agreement. Prior to the U.S. Closing, Sellers shall cause the applicable Acquired Subsidiaries to enter into and perform their respective obligations under the settlement and release agreement with the Consenting OEMs on the terms and subject to the conditions contemplated by the RSA and as set forth on Exhibit G hereto (the "**Global Settlement Agreement**").

7.20 Certain Pre-Closing Restructurings.

(a) Prior to the Closing, (i) TK Holdings de Mexico, TK Mexico LLC and/or SMX shall, or shall cause one or more of their Affiliates approved by the Plan Sponsor to, incorporate a new Subsidiary in Mexico ("**New Mexico Trading Company**") for the purpose of acquiring all of SMX's right, title and interest in, to and under all assets of SMX that would constitute Purchased Assets if sold, transferred, assigned, conveyed and/or delivered directly to Plan Sponsor by SMX (collectively, "**SMX Transferred Assets**"), and assuming all liabilities and obligations of SMX that would otherwise constitute Assumed Liabilities (collectively, "**SMX Assumed Liabilities**"), (ii) SMX shall, and Sellers shall cause SMX to, contribute, sell, transfer, assign, convey and/or deliver, as applicable, to New Mexico Trading Company, all of SMX's right, title and interest in, to and under the SMX Transferred Assets, and (iii) Sellers and SMX shall cause New Mexico Trading Company to assume the SMX Assumed Liabilities, in each case, in a manner reasonably satisfactory to the Plan Sponsor, taking into account, in good faith, among other considerations, adverse Tax impacts, transactional costs and liability management. For the avoidance of any doubt, the shares of capital stock and any other Equity Interests of New Mexico Trading Company, including such Equity Interests that might be acquired by SMX pursuant to this Section 7.20, shall constitute Purchased Assets hereunder and the shares of capital stock and any other Equity Interests of SMX shall constitute Excluded Assets hereunder.

(b) Prior to the U.S. Closing, Sellers shall cause Industrias and TK de Mexico to (i) contribute, sell, transfer, assign, convey and/or deliver, as applicable, to Equipo Automotriz Americana, S.A. de C.V. ("**Equipo**"), all of TK de Mexico's and Industrias' respective right, title

and interest in, to and under all assets of TK de Mexico and Industrias that would constitute Purchased Assets if contributed, sold, transferred, assigned, conveyed and/or delivered directly to Plan Sponsor by Industrias and TK de Mexico, respectively (collectively, "**TK de Mexico and Industrias Transferred Assets**"), and (ii) Equipo to assume all liabilities and obligations of TK de Mexico and Industrias that constitute Assumed Liabilities of TK de Mexico and Industrias if TK de Mexico and Industrias were Sellers hereunder, in each case, in a manner reasonably satisfactory to the Plan Sponsor, taking into account, in good faith, among other considerations, adverse Tax impacts, transactional costs and liability management. For the avoidance of any doubt, the shares of capital stock and any other Equity Interests of Equipo, including such Equity Interests that might be acquired by TK de Mexico and Industrias pursuant to this Section 7.20, shall constitute Purchased Assets hereunder and the shares of capital stock and any other Equity Interests of TK de Mexico and Industrias shall constitute Excluded Assets hereunder.

(c) At the U.S. Closing, Sellers shall use reasonable best efforts to cause Takata (Shanghai) Automotive Component Co., Ltd. ("**TSAC**") to, directly or indirectly, sell, transfer, convey, assign and deliver to the Plan Sponsor all assets of TSAC that would constitute Purchased Assets of TSAC if TSAC were a Seller hereunder (collectively, "**TSAC Purchased Assets**"), and Plan Sponsor shall assume all liabilities and obligations of TSAC that would constitute Assumed Liabilities of TSAC if TSAC were a Seller hereunder (collectively, "**TSAC Assumed Liabilities**"), all pursuant to an agreement (the "**TSAC Purchase Agreement**") on terms that the parties determine in good faith to maximize the efficiency and value of such transfer and to manage liabilities in a manner reasonably acceptable to the parties and generally consistent with the terms and conditions set forth in this Agreement and the Cross-Conditioned Agreements. In furtherance of the foregoing, Sellers shall, and shall cause their respective controlled Affiliates to, cooperate in good faith with the Plan Sponsor to determine the most efficient manner in which to, directly or indirectly, sell, transfer, convey, assign and deliver the TSAC Purchased Assets to the Plan Sponsor, and for the Plan Sponsor to assume the TSAC Assumed Liabilities. The purchase price to be paid for the TSAC Purchased Assets shall be the fair market value of the TSAC Purchased Assets, as determined by the Parties and subject to confirmation through delivery of a valuation report by an independent valuation firm, plus the assumption of the TSAC Assumed Liabilities, subject to adjustment in a manner consistent with the adjustments set forth in Section 3.1 and subject to reduction, on a dollar-for-dollar basis, in respect of all accounts receivable of any non-Consenting OEM customers of TSAC, which shall be paid at the U.S. Closing (the "**TSAC Purchase Price**"). At the U.S. Closing, the Purchase Price payable hereunder shall be reduced by an amount equal to the TSAC Purchase Price as provided in Section 3.1. Notwithstanding the foregoing, in lieu of purchasing the TSAC Purchased Assets and assuming the TSAC Assumed Liabilities, in the event that the OEM Indemnity and Release Agreement shall have been executed and delivered to the Plan Sponsor by the Initial Consenting OEMs and each of the parties set forth on Schedule H, and the aggregate number of PSAN Inflators sold to non-Consenting OEMs by TSAC does not exceed 500,000, then the Plan Sponsor may elect to purchase the shares of capital stock and any other Equity Interests of the direct or indirect equityholders of TSAC, in which case Sellers shall, or shall cause their applicable Subsidiaries to, sell, transfer, convey, assign and deliver to the Plan Sponsor all such capital stock or other Equity Interests for a purchase price equal to the TSAC Purchase Price and on such other terms as may be set forth in the TSAC Purchase Agreement (such transaction, a "**TSAC Equity Sale**"). In the event of a TSAC Equity Sale that is effected through a sale of the Equity Interests of TSAC, TK China LLC or another indirect Subsidiary of

Sellers pursuant to a separate purchase agreement (and not pursuant to this Agreement by making the applicable seller a party hereto), the Purchase Price shall be reduced by the TSAC Purchase Price. Sellers shall, and shall cause TSAC and the other Seller Entities to, engage in any internal corporate restructuring, reorganization or similar transaction that is reasonably requested by the Plan Sponsor and not materially adverse to the Seller Entities or their stakeholders for purposes of effecting the purchase and sale of the TSAC Purchased Assets or a TSAC Equity Sale, as applicable. TSAC shall be treated in the TSAC Purchase Agreement as having the same obligations as a Seller pursuant to Section 4.6 hereof. Prior to the U.S. Closing, subject to the Plan Sponsor's approval (which approval shall not be unreasonably withheld, conditioned, or delayed), Sellers may engage in a sale leaseback financing transaction with a third party leasing company with respect to some or all of the TSAC Purchased Assets.

(d) As contemplated by Section 7.20(a) of the TKJP Purchase Agreement, prior to the Japan Closing (as defined in the TKJP Purchase Agreement), (a) TK Holdings shall form New China Company (as defined in the TKJP Purchase Agreement) for the purpose of acquiring the TCX Transferred Assets (as defined in the TKJP Purchase Agreement) and assuming the TCX Transferred Liabilities (as defined in the TKJP Purchase Agreement), (b) TK Holdings shall use commercially reasonable efforts to cooperate with the applicable sellers under the TKJP Purchase Agreement to obtain all Permits required for New China Company to acquire and use the TCX Transferred Assets and operate after the Japan Closing in substantially the same manner as by TCX prior to the Japan Closing, and assume the TCX Transferred Liabilities, (c) TK Holdings shall cause New China Company to purchase, acquire and accept all of the applicable sellers' right, title and interest in, to and under the TCX Transferred Assets and (d) in consideration for the TCX Transferred Assets, TK Holdings shall cause New China Company to assume the TCX Transferred Liabilities; provided, however, that the Parties acknowledge that the transaction structure set forth above in clauses (a) through (d) may be changed upon mutual agreement among the Plan Sponsor, TK Holdings, and the sellers under the TKJP Purchase Agreement through good faith discussions taking into account all relevant Tax, legal, regulatory, financial and other aspects thereof.

(e) Prior to the U.S. Closing, Sellers shall cooperate with and assist their Affiliates, the sellers under each of the Cross-Conditioned Agreements and any of such sellers' Affiliates in connection with the distribution, sale, contribution or other transfer of all of TIF's right, title and interest in, to and under its Equity Interests of TK Europe, Takata Asia Pte Ltd, Takata Istanbul Automotive Safety Systems Production and Trading Ltd. or European Automotive Systems Limited (collectively, the "**TIF Subsidiaries**") to another entity, other than an Acquired Subsidiary or any acquired subsidiary under any of the Cross-Conditioned Agreements, such that such TIF Subsidiaries shall not be acquired by Plan Sponsor, in such manner as is consented to by the Plan Sponsor (such consent not to be unreasonably withheld).

(f) Takata Americas and TK Holdings shall cause ALS, Inc. ("**ALS**") to transfer its PSAN Assets (including any Warehoused PSAN Assets) and all related obligations and Liabilities, directly or indirectly, to the Warehousing Trust on or prior to the Closing Date, such that Plan Sponsor will not indirectly acquire any PSAN Assets or anything that would constitute Excluded Liabilities if ALS were a Seller hereunder as a result of Plan Sponsor's acquisition of ALS. Prior to the Closing, to the extent Plan Sponsor determines that the acquisition of ALS could reasonably be expected to result in the incurrence of material liabilities

due to ALS's handling, storage, shipping or possession of PSAN Assets, the Plan Sponsor and Sellers shall engage in good faith discussions regarding whether ALS should become a Seller. Following such good faith discussions, if the Plan Sponsor reasonably determines on or prior to December 15, 2017, taking into account any related liability management concerns, that ALS should become a Seller, Takata Americas and TK Holdings shall cause ALS to become a Seller prior to the U.S. Closing such that ALS shall not sell, assign or transfer to the Plan Sponsor or any of its Affiliates, and neither the Plan Sponsor nor any of its Affiliates shall acquire purchase or assume from ALS, any PSAN Assets or other assets which, if held by the Sellers, would constitute Excluded Assets or any Liabilities which, if held by the Sellers, would constitute Excluded Liabilities.

(g) From the date of this Agreement until the U.S. Closing or the earlier termination of this Agreement in accordance with its terms, in addition to and separately from the transactions contemplated by Sections 7.20(a)-(f), Sellers shall, and shall cause the Seller Entities to, engage in any internal corporate restructuring, reorganization or similar transaction that is reasonably requested by the Plan Sponsor (taking into account any potential delay of the U.S. Closing) and not materially adverse to the Seller Entities or their stakeholders. If the transaction requested to be undertaken by the Plan Sponsor pursuant to this Section 7.20(e) would result in a material amount of incremental Taxes or other expenses imposed by any Governmental Authority that would not have arisen but for the transaction requested by the Plan Sponsor, as jointly determined in good faith by the Parties taking into account applicable Law based on the advice of tax advisors, then the transaction shall be deemed materially adverse to the Seller Entities. If any such transaction is undertaken, the Plan Sponsor shall promptly reimburse the Seller Entities for all reasonable and documented out-of-pocket fees and expenses paid or incurred by the Seller Entities in connection with any such additional transaction requested by the Plan Sponsor, including the amount of any incremental Taxes or other expenses imposed by any Governmental Authority that would not have been paid or incurred by the Seller Entities but for such transaction, as jointly determined in good faith by the Parties taking into account applicable Law based on the advice of tax advisors. For the avoidance of doubt, this Section 7.20(e) does not apply to the conduct and/or transactions contemplated by Sections 7.20(a)-(f).

(h) After the U.S. Closing, Sellers shall use reasonable best efforts to liquidate certain Seller Entities that are not Acquired Subsidiaries in accordance with the Plan.

7.21 Expense Reimbursement During Bankruptcy Cases. If the U.S. Closing occurs, subject to payment in full of the DOJ Restitution Fund and Legacy Costs and entry of a Final Order of the Bankruptcy Court approving the Break-Up Fee and Expense Reimbursement as provided herein, all Expenses of the Plan Sponsor, in an aggregate amount not to exceed the Alternative Transaction Expense Reimbursement Amount, shall be deducted from the Purchase Price pursuant to Section 3.1(a)(A)(xii); provided that if Acquired Cash exceeds Maximum Acquired Cash, Sellers' Regional Share of such amount of Cash and Cash Equivalents that exceed Maximum Acquired Cash shall be credited against the amount of actual Expenses otherwise deducted from the Purchase Price pursuant to Section 3.1(a)(A)(xii) up to the Alternative Transaction Expense Reimbursement Amount.

7.22 Performance Guaranty. The Guarantor hereby guarantees the due, prompt and faithful payment, performance and discharge by, and compliance with, all of the obligations, covenants, agreements, terms, conditions and undertakings of the Plan Sponsor under this Agreement in accordance with the terms hereof, including any such obligations, covenants, agreements, terms, conditions and undertakings that are required to be performed, discharged or complied with following the U.S. Closing by the Plan Sponsor. Such guarantee is an absolute and unconditional guarantee of payment and performance and not merely of collectability, and is in no way conditioned or contingent upon any attempt to collect from, enforce performance or compliance by, or otherwise seek remedies from, the Plan Sponsor. The Guarantor hereby makes the representations and warranties in Sections 6.1, 6.2, 6.3, 6.4, and 6.6 of this Agreement, *mutatis mutandis*.

7.23 Delivery of Cash. In connection with Section 2.1(a), prior to the U.S. Closing, (i) Sellers shall use reasonable best efforts to cause each of the Acquired Subsidiaries to hold Cash and Cash Equivalents of not less than ninety percent (90%) of the amounts set forth on Schedule I hereto and (ii) Sellers shall reasonably consider in good faith (but shall not be obligated to effect) any reasonable requests by the Plan Sponsor to deliver the remaining amount of Sellers' Acquired Cash in such jurisdictions, entities and currencies as the Plan Sponsor may reasonably request.

7.24 Non-Consenting OEMs. The Plan Sponsor shall seek to develop a reasonable strategy to obtain the execution and delivery of the Indemnity and Release Agreement by the parties set forth on Schedule I on or before November 30, 2017, and, in furtherance thereof, engage in good faith discussions and negotiations with such parties. The Plan Sponsor hereby agrees that it shall, as reasonably requested by Sellers, provide updates with respect to the status of such discussions and negotiations (including whether the Plan Sponsor believes that any such party will not in any event execute the Indemnity and Release Agreement).

7.25 Severing PSAN Contracts. Prior to the U.S. Closing, Sellers shall use their commercially reasonable efforts to sever all Modified Assumed OEM Contracts as necessary to separate the manufacture and sale of the PSAN Inflators and release the Plan Sponsor from all liabilities and obligations thereunder with respect to PSAN Inflators in accordance with Section 21(d) of the Accommodation Agreement, including exercising any rights Sellers have under the Accommodation Agreement.

7.26 Excess Cash. To the extent an Excess Cash notice provided pursuant to Section 9.2(e) indicates that the condition set forth in Section 9.2(e) is not expected to be satisfied on the Closing Date, Sellers, the Plan Sponsor and the Consenting OEMs will negotiate in good faith to attempt to agree on acceptable arrangements so that the Acquired Cash at the Closing will be less than or equal to the Excess Cash. To the extent that (i) Sellers, the Plan Sponsor and the Consenting OEMs are unable to agree on such arrangements or (ii) Sellers have failed to provide the notice contemplated by Section 9.2(e) and at the Closing the Acquired Cash is equal to or in excess of the Excess Cash, the Plan Sponsor shall use reasonable efforts to transfer Sellers' Cash Allocation Share of the Acquired Cash in excess of Sellers' Cash Allocation Share of the Excess Cash to Sellers within ten (10) days following determination of the Final Acquired Cash, net of any Taxes or other expenses imposed by a Governmental Authority incurred by the Plan Sponsor in connection with such transfer.

7.27 Break-Up Fee and Expense Reimbursement Cooperation. Sellers shall use reasonable best efforts and take any action reasonably necessary to compel the sellers under the Cross-Conditioned Agreements to pay such sellers' applicable shares of the Break-Up Fee and Expenses under the Cross-Conditioned Agreements when such Break-Up Fee and Expenses are due, if applicable.

7.28 Joyson Shareholder Approval. The Plan Sponsor shall use reasonable best efforts to cause Joyson to establish a record date for, duly call, give notice of, convene and hold, as promptly as practicable, a meeting of the shareholders of Joyson for the purpose of obtaining the Joyson Shareholder Approval. The Plan Sponsor shall use reasonable best efforts to cause Joyson not to adjourn or otherwise postpone or delay such shareholders meeting. The Plan Sponsor and Sellers agree to provide such cooperation as may be reasonably requested by Joyson in order to prepare any disclosure materials needed for the solicitation of votes in connection with the Joyson Shareholder Approval and shall otherwise reasonably cooperate with Joyson in connection with Joyson's efforts to obtain the Joyson Shareholder Approval.

7.29 Equipment Option Notice. If at any time prior to the U.S. Closing, any Consenting OEM exercises its Equipment Option, Sellers shall give prompt notice of such exercise to Plan Sponsor.

ARTICLE VIII

EMPLOYEES AND EMPLOYEE BENEFITS

8.1 Employment.

(a) Transferred Employees. As of the U.S. Closing, the Plan Sponsor shall or shall cause its Affiliate to (i) continue the employment of each Employee (including Alien Employees) of an Acquired Subsidiary employed immediately prior to the U.S. Closing and (ii) deliver, in writing, an offer of employment to each Employee (including Alien Employees) in the U.S. who is not employed by an Acquired Subsidiary (other than the PSAN Employees, temporary employees employed through a third party, contractors, advisors and outsourced or indirectly employed workers) who remains actively employed by Seller Entities immediately prior to the U.S. Closing (the "**Offer Employees**"). With respect to each Offer Employee who is not actively at work due to a leave of absence approved by a Seller Entity (not including individuals receiving long-term disability benefits), the Plan Sponsor will or will cause its Affiliate to provide such Offer Employee an offer of employment if, and at such time that, such Offer Employee is willing and able to return to active employment within six (6) months following the U.S. Closing or such longer period of time required by applicable Law, and upon commencing employment with Plan Sponsor or Plan Sponsor's Affiliate such Offer Employee shall be treated as a Transferred Employee (as defined below). Each such offer or continuation of employment shall be in compliance with Section 8.1(d) and provide for a position and location of employment, that are substantially comparable to the position and location of employment in effect immediately prior to the U.S. Closing. Such individuals who continue in employment with an Acquired Subsidiary or who accept such offer by the Closing Date are hereinafter referred to as the "**Transferred Employees.**" Notwithstanding the foregoing, the terms and conditions for any Transferred Employees subject to a collective bargaining agreement, labor agreement or

works council agreement shall be in accordance with the applicable collective bargaining agreement, labor agreement or works council agreement to the extent required by such agreement or applicable Law.

(b) PSAN Employees. Sellers shall ensure that, not later than immediately prior to the Closing Date, no PSAN Employee is employed by an Acquired Subsidiary. The Plan Sponsor or the Plan Sponsor's Affiliate shall, no later than ten (10) Business Days prior to the termination of a PSAN Employee in connection with the wind down of all or a portion of the PSAN Inflator Business (each termination date, respectively, a "**PSAN End Date**"), deliver, in writing, an offer of employment to each such PSAN Employee in the U.S., Mexico and China who remains actively employed immediately prior to such PSAN End Date, and not including temporary employees employed through a third party, contractors, advisors or outsourced or indirectly employed workers. Upon acceptance of such offer of employment and commencement of employment with Plan Sponsor, such PSAN Employee shall be treated as a Transferred Employee and entitled to the rights and benefits provided for under this Section 8.1. The Plan Sponsor shall, or shall cause its Affiliate to, enter into an employment agreement with each such PSAN Employee in Mexico who accepts the Plan Sponsor's or the Plan Sponsor's Affiliate's offer effective on the applicable PSAN End Date, recognizing the PSAN Employee's original date of hire with Sellers for seniority purposes and an equal or similar compensation package in the aggregate. For the avoidance of doubt, neither the Plan Sponsor nor its Affiliates shall be responsible for paying such PSAN Employees' accrued benefits through the applicable PSAN End Date.

(c) Standard Procedure. For purposes of payroll taxes with respect to Transferred Employees in the U.S., the Parties shall use commercially reasonable efforts to treat the transaction contemplated herein as a transaction described in U.S. Treasury Regulation Sections 31.3121(a)(1)-1(b)(2) and 31.3306(b)(1)-1(b)(2) and the Parties further agree to implement this treatment by utilizing solely Section 4 of Revenue Procedure 2004-53, STANDARD PROCEDURE FOR PREDECESSORS AND SUCCESSORS.

(d) Compensation and Benefits. The Plan Sponsor shall provide, or cause to be provided, for a period of one (1) year following the Closing Date or such longer period of time required by applicable Law, (i) to each of the Transferred Employees, an annual base salary or wage rate that is at least equal to his or her annual base salary or wage rate as in effect immediately prior to the U.S. Closing, (ii) to each of the Transferred Employees, an annual target incentive or commission opportunity that is at least equal to his or her annual target incentive or commission opportunity as in effect immediately prior to the U.S. Closing, (iii) employee benefits that are substantially comparable in the aggregate to the employee benefits provided to the Transferred Employees immediately prior to the U.S. Closing and (iv) for those Transferred Employees in the United States, severance payments and benefits that are no less favorable than those provided to similarly situated employees of Plan Sponsor.

(e) Credited Services; Co-Pay and Deductibles. For purposes of eligibility and vesting (but not benefit accrual) under the employee benefit plans of the Plan Sponsor (or its Affiliates) providing benefits to Transferred Employees (the "**Plan Sponsor Plans**"), the Plan Sponsor shall credit, or cause to be credited, each Transferred Employee with his or her years of service with the Seller Entities and any predecessor entities, to the same extent as such

Transferred Employee was entitled immediately prior to the U.S. Closing to credit for such service under any similar Employee Benefit Plan (excluding for purposes of any defined benefit pension plan and retiree medical plan); provided, however, that such service shall not be recognized to the extent that such recognition would result in a duplication of benefits. For the purposes of each Plan Sponsor Plan that provides for medical, dental, pharmaceutical, vision and or disability benefits, the Plan Sponsor shall use commercially reasonable efforts to (i) cause all waiting periods, pre-existing condition exclusions, evidence of insurability requirements and actively-at-work or similar requirements of such Plan Sponsor Plan to be waived for such Transferred Employee and his or her covered dependents and (ii) shall allow any eligible expenses incurred by such Transferred Employee and his or her covered dependents during the portion of the plan year of the Employee Benefit Plan ending on the date such employee's participation in the corresponding Plan Sponsor Plan begins to be given full credit under such Plan Sponsor Plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Transferred Employee and his or her covered dependents for the applicable plan year as if such amounts had been paid in accordance with such Plan Sponsor Plan.

(f) Accrued Vacation. Except as required by applicable Law, Plan Sponsor shall, or shall cause its Affiliate to, be responsible for all Liabilities with respect to Transferred Employees attributable to their accrued and unused vacation days through the Closing Date.

(g) Immigration. Sellers shall, and shall cause the other Seller Entities to, cooperate with Plan Sponsor and its Affiliates to allow for any foreign national Employees who require authorization from the U.S. Citizenship and Immigration Services ("USCIS") in order to work for the Plan Sponsor or its Affiliate in his or her current position (such foreign national Employees who have such authorization, the "**Alien Employees**") to continue to work in such position as a Transferred Employee following the Closing Date, or, as applicable, such later date that such Employee's employment transfers to the Plan Sponsor or its applicable Affiliate. The Plan Sponsor shall, or shall cause its Affiliate to: (i) employ Offer Employees who are Alien Employees in H-1B non-immigrant status as well as those Alien Employees for whom there are pending or approved Applications for Permanent Employment Certification (PERM) and/or I-140 immigrant petitions as of the Closing Date, in each case who receive and accept the Plan Sponsor's or its Affiliate's offer of employment, under terms and conditions, as applicable, that qualify the Plan Sponsor or its Affiliates as a "successor employer" under applicable United States immigration laws effective as of the Closing Date; (ii) employ Offer Employees who are Alien Employees, in any other non-immigrant status or those with employment authorization documents issued by the USCIS, who receive and accept the Plan Sponsor's or its Affiliate's offer of employment and (iii) assume all of the immigration related rights, obligations and liabilities relating to any immigration petitions, applications and filings filed with the USCIS and/or the U.S. Department of Labor by Sellers on behalf of Alien Employees in H-1B non-immigrant status, as well as those Alien Employees for whom there are pending or approved Applications for Permanent Employment Certification (PERM) and/or I-140 immigrant petitions as of the Closing Date, and, in the Plan Sponsor's discretion, any other Alien Employees, in each case who become Transferred Employees.

(h) Key Employee Bonus Plan. Plan Sponsor shall assume and honor all Liabilities under the Key Employee Bonus Plan awards for Transferred Employees, which are set forth on Schedule 8.1(h).

(i) Flexible Spending Accounts. The parties shall take all actions necessary or appropriate so that, effective as of the U.S. Closing Date, (i) the account balances (whether positive or negative) (the "**Transferred FSA Balances**") under the applicable flexible spending plan of the Seller Entities (collectively, the "**Seller FSA Plan**") of the Transferred Employees who are participants in the Seller FSA Plan shall be transferred to one or more comparable plans of Plan Sponsor (collectively, the "**Plan Sponsor FSA Plan**"); (ii) the elections, contribution levels and coverage levels of such Transferred Employees shall apply under the Plan Sponsor FSA Plan in the same manner as under the Seller FSA Plan; and (iii) such Transferred Employees shall be reimbursed from the Plan Sponsor FSA Plan for claims incurred at any time during the plan year of the Seller FSA Plan in which the U.S. Closing Date occurs that are submitted to the Plan Sponsor FSA Plan from and after the U.S. Closing Date on the same basis and the same terms and conditions as under the Seller FSA Plan. As soon as practicable after the U.S. Closing Date, and in any event within ten (10) Business Days after the amount of the Transferred FSA Balances is determined, Sellers shall pay Plan Sponsor the net aggregate amount of the Transferred FSA Balances, if such amount is positive, and Plan Sponsor shall pay Seller the net aggregate amount of the Transferred FSA Balances, if such amount is negative.

(j) WARN. On or before the U.S. Closing, for each jurisdiction where the WARN Act applies, Sellers shall provide a true, correct and complete list, by site of employment, of any and all employees of any Seller Entity who, within ninety (90) days prior to the U.S. Closing, have experienced, or will experience, an employment loss or layoff as defined by the WARN Act. Sellers shall update this list up to and including the U.S. Closing.

(k) Notice and Consultation. Prior to the U.S. Closing, Sellers shall, and shall cause the other Seller Entities to, satisfy any and all obligations and requirements under any applicable collective bargaining agreement, labor agreement or works council agreement or applicable Laws to provide notice to, enter into any consultation procedure with, obtain an opinion from, or engage in bargaining with any group of employees or any labor union, labor organization, works council or other representative body, in connection with the Transactions.

(l) Treatment of Employee Benefit Plans. Prior to the Closing Date, Sellers shall take all actions to effectuate the following as of the Closing Date:

(i) all Transferred Employees shall cease to participate in and accrue benefits under the Employee Benefit Plans, except for the Business Benefit Plans. Sellers shall retain all Liabilities under the Employee Benefit Plans, except for the Business Benefit Plans, for all periods on or prior to the Closing Date; and

(ii) cause the Acquired Subsidiaries' withdrawal from participation in all Employee Benefit Plans, other than the Business Benefit Plans, to the extent any additional action is needed, in each case, without resulting in any actual or contingent Liability to the Acquired Subsidiaries, the Plan Sponsor or their respective Affiliates.

(m) Workers Compensation. The Plan Sponsor shall be responsible for providing benefits in respect of all claims for benefits in respect of workers compensation and any comparable liabilities that are based upon Transferred Employees' injuries or illnesses that arise after the Closing Date. Sellers shall be responsible for providing benefits in respect of all claims for benefits in respect of workers compensation and any comparable liabilities that are based upon Transferred Employees' injuries or illnesses that arise at or prior to the Closing Date.

(n) Third Party Beneficiaries. Notwithstanding anything contained in the Agreement to the contrary, no provision of this Agreement is intended to, or does, require the Plan Sponsor or its Affiliates to keep any Person employed for any period of time or constitute the establishment or adoption of, or amendment to, any Employee Benefit Plan. The provisions of this Article VIII are solely for the benefit of the respective Parties and nothing in this Article VIII, express or implied, shall confer upon any employee of any Seller Entity, or legal representative or beneficiary thereof or any other Person, any rights or remedies, including any right to employment or continued employment for any specified period, or compensation or benefits of any nature or kind whatsoever under this Agreement or a right in any employee or beneficiary of such employee or other Person under an Employee Benefit Plan that such employee or beneficiary or other Person would not otherwise have under the terms of that Employee Benefit Plan.

8.2 Mexico Employees. Notwithstanding any provision of Section 8.1, any and all Employees, other than PSAN Employees, whose employment is governed by Mexican Laws (including pursuant to an employment agreement governed by such Laws) ("**Transferred Mexican Employees**") shall be governed by this Section 8.2 and the documents referred to herein with respect to any Mexican labor matter regarding the Transactions; provided, however, Transferred Mexican Employees shall not include Employees employed by Equipo prior to the employer substitution described in this Section 8.2 (the employment of whom, provided such Employees remain employed through the U.S. Closing, shall be continued in accordance with Section 8.1(a)(i)). The Parties hereby agree that the terms, conditions and other aspects of the employment of the Transferred Mexican Employees shall be as set forth in the Mexican Employees Transfer Agreement substantially in the form attached hereto as Exhibit D (the "**Mexican Employees Transfer Agreement**"). The Mexican Employees Transfer Agreement shall be executed and delivered by the Parties concurrently with the execution of this Agreement. The Mexican Employees Transfer Agreement shall provide that Sellers undertake to effectuate an employer substitution with the Transferred Mexican Employees employed immediately prior to the U.S. Closing, pursuant to Article 41 of the Federal Mexican Labor Law and Article 290 of the Mexican Social Security Law and it shall include, among other provisions, the following:

(a) Transferred Mexican Employees. Transferred Mexican Employees involved with the Purchased Assets shall be transferred to Equipo prior to the U.S. Closing.

(b) Transferring Scheme. The Plan Sponsor acknowledges that because Equipo, which shall employ the Transferred Mexican Employees and hold the Purchased Assets (and the production lines required for the Business) following the employer substitution, shall be transferred to the Plan Sponsor upon the U.S. Closing, the Plan Sponsor is required following the U.S. Closing (pursuant to the requirements of an employer substitution under Mexican Laws) to cause Equipo, and hereby agrees that it shall cause Equipo, to continue the activities of the

Business without any interruption, using the same machinery and tools, occupying the same location and maintaining the same lines of business.

(c) Collective Matters. Prior to the employer substitution, (i) Sellers shall comply with all obligations under collective bargaining agreements covering the Transferred Mexican Employees to notify applicable unions of the Transactions (including a description thereof) and the employer substitution with respect to the Transferred Mexican Employees and (ii) the terms and conditions of the collective bargaining agreements covering the Transferred Mexican Employees before the U.S. Closing shall be replicated and included into the new collective bargaining agreement to be entered into by Equipo prior to the U.S. Closing.

(d) Benefits and Compensation. The Plan Sponsor shall provide, for an indefinite period of time, to each of the Transferred Mexican Employees, (i) a salary or wage rate that is at least equal to his or her salary or wage rate as in effect immediately prior to the U.S. Closing and (ii) benefits at least equal to those in effect immediately prior to the U.S. Closing.

(e) Further Actions. Sellers shall prepare the substitution letters and prepare and file notices with the Social Security Mexican Institute (IMSS per its acronym in Spanish), the National Fund for Workers Housing Institute (INFONAVIT per its acronym in Spanish), and the National Fund for Employee Consumption (FONACOT per its acronym in Spanish). The employer substitution process to be executed before the aforementioned government offices (IMSS, INFONAVIT and FONACOT) must be fully consummated and in effect before the U.S. Closing. The Plan Sponsor shall have the right to review and consent (which consent shall not be unreasonably withheld, conditioned or delayed) to any and all documents prepared in connection with the employer substitution, provided, however, that the Sellers shall be considered solely responsible for the completion of the employer substitution process.

(f) Conflicts. The Mexican Employees Transfer Agreement shall include the aforementioned provisions and any other provisions necessary to effectuate the employer substitution process to be carried out by Sellers. If there are inconsistencies between the provisions of this Section 8.2 and the provisions set forth in the Mexican Employees Transfer Agreement, the latter shall prevail; provided, however, nothing in the Mexican Employees Transfer Agreement shall change Sellers' obligation to effectuate an employer substitution to transfer the Transferred Mexican Employees to Equipo prior to the U.S. Closing.

8.3 Employee Census. Within thirty (30) days following the date hereof, Sellers shall provide the Plan Sponsor with a complete, accurate and current Employee census identifying each Employee and his or her employing entity, location, job title, date of hire, salary or wage, target bonus for the current year, exempt or non-exempt status, full-time or part-time status, active or inactive status, temporary or permanent status, whether such Employee is a PSAN Employee or not, and, for any Employee who requires a visa to work in the relevant jurisdiction, the visa category, visa expiration date, work authorization expiration date and total duration of time in visa category. Such census shall be updated by Sellers sixty (60) days prior to the U.S. Closing and again immediately prior to the U.S. Closing.

ARTICLE IX

CONDITIONS TO CLOSING

9.1 Conditions Precedent to Obligations of the Plan Sponsor. The obligation of the Plan Sponsor to consummate the Transactions is subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions (any or all of which may be waived by the Plan Sponsor in whole or in part to the extent permitted by applicable Law):

(d) (i) each of the OEM Indemnity and Release Agreement and the Global Settlement Agreement shall be in full force and effect (other than those provisions that are dependent upon consummation of the U.S. Closing and the Other Closings, for which all conditions to effectiveness shall have been satisfied other than consummation of the U.S. Closing and the Other Closings in accordance with the terms of this Agreement and the Cross-Conditioned Agreements) and (ii) all other conditions to the continued effectiveness of each of the OEM Indemnity and Release Agreement and the Global Settlement Agreement from and after the U.S. Closing shall have been satisfied; provided that with respect to the Global Settlement Agreement, only the continued effectiveness with respect to the Acquired Subsidiaries must be satisfied;

(h) no Material Adverse Effect shall have occurred since the date of this Agreement;

(i) the separation of Sellers' PSAN Inflator Business shall have been consummated in accordance with this Agreement or as otherwise agreed to by the Parties;

(j) the Bankruptcy Court shall have entered the Solicitation Procedures Order in a form reasonably satisfactory to Plan Sponsor;

(k) the Plan shall be in substantially the form attached hereto as Exhibit B or otherwise reasonably acceptable to the Plan Sponsor, and the Confirmation Order shall be reasonably acceptable to the Plan Sponsor;

(l) except for those rights which expressly survive termination of the Accommodation Agreement, any and all rights granted to the Consenting OEMs under the Accommodation Agreement including with respect to tooling and licenses shall have been terminated;

(m) any and all liens granted to the Consenting OEMs under the Access Agreement shall have been released;

(n) the Acquired Cash shall equal or exceed ninety percent (90%) of the Required Cash and the Plan Sponsor shall have received a certificate signed by an authorized officer of Sellers, dated the Closing Date, to the foregoing effect, together with reasonable supporting documentation;

(o) the Plan Sponsor shall have secured written agreements with the DOJ and NHTSA with respect to the matters set forth on Schedule 9.1(o); provided, that, if such agreements are not obtained by the DOJ/NHTSA Outside Date and this Agreement has not been terminated pursuant to Section 4.4(d)(xv) within five (5) Business Days after the DOJ/NHTSA Outside Date, the condition set forth in this Section 9.1(o) shall be deemed to have been irrevocably waived as of the date that is five (5) Business Days after the DOJ/NHTSA Outside Date;

(p) the PRC Regulatory Approvals shall have been obtained;

(q) the Joyson Shareholder Approval shall have been obtained;

(r) Sellers shall have delivered, or caused to be delivered, to the Plan Sponsor all of the items set forth in Section 4.2; and

(s) no right, title or interest in, to or under the Equity Interests of any TIF Subsidiary shall be held by TIF, any Acquired Subsidiary or any acquired subsidiary under any of the Cross-Conditioned Agreements.

9.2 Conditions Precedent to Obligations of Sellers. The obligations of Sellers to consummate the Transactions are subject to the fulfillment, prior to or on the Closing Date, of each of the following conditions (any or all of which may be waived by Sellers in whole or in part to the extent permitted by applicable Law):

(a) the representations and warranties of the Plan Sponsor set forth in this Agreement, disregarding all qualifications and exceptions contained therein relating to materiality, shall be true and correct on and as of the date of this Agreement and on and as of Closing Date as if made on and as of the Closing Date (or, to the extent given as of a specific date, as of such date), except for such failures to be true and correct as would not, individually or in the aggregate, reasonably be expected to prevent the Plan Sponsor's ability to consummate the Transactions or perform its obligations hereunder on a timely basis, and Sellers shall have received a certificate signed by an authorized officer of the Plan Sponsor, dated the Closing Date, to the foregoing effect;

(b) the Plan Sponsor shall have performed and complied in all material respects with all obligations and agreements required by this Agreement to be performed or complied with by the Plan Sponsor on or prior to the Closing Date, and Sellers shall have received a certificate signed by an authorized officer of the Plan Sponsor, dated the Closing Date, to the foregoing effect;

(c) the Confirmation Order shall be acceptable to Sellers;

(d) the Plan Sponsor shall have delivered, or caused to be delivered, to Sellers all of the items set forth in Section 4.3;

(e) the Acquired Cash shall be less than or equal to the Excess Cash. If Sellers anticipate the condition set forth in this Section 9.2(e) will not be satisfied on the Closing Date, Sellers shall provide the Plan Sponsor with written notice at least ten (10) Business Days prior to

the anticipated Closing Date; provided, that to the extent the Plan Sponsor shall have the obligation to transfer Sellers' Cash Allocation Share of the Acquired Cash in excess of Sellers' Cash Allocation Share of the Excess Cash as contemplated by Section 7.26 after the Closing, this Section 9.2(e) shall be deemed to have been irrevocably waived as of immediately prior to the Closing; and

(f) the Seller Entities shall have all Permits required to operate the PSAN Inflater Business after the U.S. Closing, the failure of which to be obtained would result in the Seller Entities being prohibited by applicable Laws governing automotive safety or similar matters from producing any products required to satisfy the Seller Entities' contractual obligations with respect to the PSAN Inflater Business, and all such Permits shall be in full force and effect;

9.3 Conditions Precedent to Obligations of the Plan Sponsor and Sellers. The respective obligations of the Plan Sponsor and Sellers to consummate the Transactions are subject to the fulfillment, on or prior to the Closing Date, of each of the following conditions (any or all of which may be waived by the Plan Sponsor and Sellers in whole or in part to the extent permitted by applicable Law):

(a) all conditions to the effectiveness of the Plan shall have been satisfied or waived in accordance with their terms;

(b) the entry of the Confirmation Order by the Bankruptcy Court, and the Confirmation Order shall be a Final Order;

9.4 Frustration of Closing Conditions. Neither Sellers nor the Plan Sponsor may rely on the failure of any condition set forth in Sections 9.1, 9.2 or 9.3, as the case may be, if such failure was caused by such Party's failure to comply with any provision of this Agreement.

ARTICLE X

TAXES

10.1 Transfer Taxes. The Parties recognize and acknowledge that the sale, transfer, assignment and delivery of the Purchased Assets, the SMX Transferred Assets, the TK de Mexico and Industrias Transferred Assets, and any other internal corporate restructuring, reorganization or similar transactions contemplated by this Agreement may be exempt under Section 1146(c) of the Bankruptcy Code from any sales, use, stamp, documentary, filing, recording, transfer or similar fees or Taxes or governmental charges (including any Brazilian Financial Transaction (IOF) Tax, real property transfer Taxes, UCC-3 filing fees, real estate, aircraft and motor vehicle registration, title recording or filing fees and other amounts payable in respect of transfer filings, and including any interest and penalty thereon) payable in connection with the Transactions ("**Transfer Taxes**"). Any Tax Returns that must be filed in connection with Transfer Taxes (for the avoidance of doubt, other than VAT) shall be prepared and filed by the Party primarily or customarily responsible under applicable Law for filing such Tax Returns, and such Party will provide such Tax Returns to the other Party at least ten (10) Business Days prior to the date such Tax Returns are due to be filed (or, if such Tax Returns are due within ten (10) Business Days following the U.S. Closing, as soon as reasonably practicable). The Plan Sponsor and Sellers shall cooperate in the timely completion and filing of all such Tax Returns. In the event that a Transfer Tax is, under applicable Law, a joint obligation of the Plan Sponsor and the Sellers, such a Transfer Tax shall be treated as an obligation of the Plan Sponsor for purposes of this Section 10.1. The Plan Sponsor shall promptly pay, or cause to be paid, all Transfer Taxes due with respect to Tax Returns to be filed by the Plan Sponsor or an Affiliate of the Plan Sponsor (including any Acquired Subsidiary after the U.S. Closing) under this Section 10.1, and such payments shall, to the extent the Plan Sponsor reasonably determines as of the U.S. Closing that such amounts are required to be paid, be taken into account as a purchase price reduction pursuant to Section 3.1(a)(A)(vii). Sellers shall promptly pay, or cause to be paid, all Transfer Taxes due with respect to Tax Returns to be filed by a Seller Entity under this Section 10.1. In the event that a Transfer Tax is due and payable by the Plan Sponsor or by any of its Affiliates (including an Acquired Subsidiary after the U.S. Closing) and is not credited against the Purchase Price as provided in Section 3.1(a)(A)(vii), Sellers shall pay the amount of such Transfer Tax to the Plan Sponsor, by wire transfer of immediately available funds to an account or accounts designated in writing by the Plan Sponsor for such purpose at least two (2) Business Days prior to the due date for the filing of the Tax Return with which such payment is required to be made. The Parties each agree to use reasonable best efforts to take any action reasonably necessary to mitigate, reduce, or eliminate any Transfer Tax that could be imposed upon any transfer undertaken pursuant to this Agreement. If the Plan Sponsor, or any Acquired Subsidiary after the U.S. Closing, as applicable, actually realizes a refund, credit, rebate or other recovery of any Transfer Tax (for the avoidance of doubt, other than VAT), or, if after one hundred eighty (180) days following the Closing Date the amount of Transfer Taxes included in Section 3.1(a)(A)(vii) exceeds the amount of Transfer Taxes actually paid to the applicable Tax Authorities by the Plan Sponsor or an Affiliate of the Plan Sponsor (including an Acquired Subsidiary after the U.S. Closing) and not otherwise reimbursed under this Section 10.1, the Plan Sponsor shall pay, or cause to be paid, to Sellers, by wire transfer of immediately available funds to an account or accounts designated in writing by Sellers for such purpose, any such refund, credit, rebate, other recovery or excess reduction in Purchase Price within five (5) Business Days

of receipt or expiration of such one hundred eighty (180) day period. Sellers, upon request of the Plan Sponsor, shall repay to the Plan Sponsor or an Affiliate of the Plan Sponsor (including an Acquired Subsidiary after the U.S. Closing) any amount paid over, or caused to be paid over, by the Plan Sponsor or an Affiliate of the Plan Sponsor (including an Acquired Subsidiary after the U.S. Closing) with respect to any such refund, credit, rebate or other recovery (plus any penalties, interest, or other charges imposed by the relevant Tax Authority) in the event that the Plan Sponsor or an Affiliate (including an Acquired Subsidiary after the U.S. Closing) is required to repay such refund, credit, rebate or other recovery to such Tax Authority. For the avoidance of doubt, this Section 10.1 (other than the first sentence) shall not apply to VAT, which shall be governed exclusively by Section 3.1 and Section 10.2.

10.2 VAT. The Parties recognize and acknowledge that the Closings and the pre-Closing restructurings described in this Agreement, the TSAC Purchase Agreement (if applicable), the TKJP Purchase Agreement, and, to the extent relating to the sale or transfer of Owned Properties, as defined in the TK Europe Purchase Agreement, from TKAG and Takata Sachsen to Lux Sarl, the TK Europe Purchase Agreement, may result in VAT becoming payable by a Seller Entity, the Plan Sponsor or a Plan Sponsor Affiliate under applicable Law. From the proceeds deducted from the Purchase Price pursuant to Section 3.1 in respect of the Estimated Total Recoverable VAT Amount and the Estimated Total Non-Recoverable VAT Amount, the Plan Sponsor shall promptly pay, or cause to be paid, all VAT for which any Seller Entity, the Plan Sponsor or an Affiliate of the Plan Sponsor is responsible for paying under applicable Law. The Plan Sponsor shall establish an escrow account (the "**Regulatory Escrow**") into which the Plan Sponsor and, as applicable, the Sellers, the sellers under the TK Europe Purchase Agreement, the sellers under the TSAC Purchase Agreement (if applicable) and the sellers under the TKJP Purchase Agreement shall deposit, or cause to be deposited, any portion of the Regulatory Escrow Amount if, as, and when actually realized; provided, however, that such deposit will be paid only to the extent such amount was economically borne by a Seller Entity (excluding Acquired Subsidiaries after the U.S. Closing), a seller or any Affiliate thereof under any Cross-Conditioned Agreement (excluding any acquired subsidiaries thereunder after the Closings) in connection with the Closings and/or any pre-closing restructurings contemplated by this Agreement and/or any Cross-Conditioned Agreement (whether by direct payment, reduction of the Purchase Price or the purchase price payable under any of the Cross-Conditioned Agreements, or otherwise). If such recovery is subsequently denied by a Tax Authority, the Regulatory Escrow shall be adjusted accordingly so that the relevant party receives back any funds necessary to compensate such entity for the value of any such denied recovery (and any related penalties, interest, or other charges). The terms and conditions of the Regulatory Escrow shall be as set forth in the Regulatory Escrow Agreement pursuant to the Regulatory Escrow Term Sheet attached hereto as Exhibit F. The Parties each agree to use commercially reasonable efforts to take any action reasonably necessary to mitigate, reduce, or eliminate, and to promptly realize the recovery of, any VAT that could be imposed upon any transaction undertaken pursuant to this Agreement.

10.3 Real Property, Personal Property and Similar Ad Valorem Taxes. All real property, personal property and similar ad valorem Taxes levied with respect to the Purchased Assets for a Tax period which includes (but does not end on) the Closing Date (collectively, the "**Apportioned Obligations**") shall be apportioned between Sellers and the Plan Sponsor based on the number of days of such Tax period ending on the Closing Date (such portion of such Tax

period, the "**Pre-Closing Tax Period**") and the number of days of such Tax period after the Closing Date (such portion of such Tax period, the "**Post-Closing Tax Period**"). Sellers shall be liable for the proportionate amount of such Apportioned Obligations that is attributable to the Pre-Closing Tax Period, and the Plan Sponsor shall be liable for the proportionate amount of such Apportioned Obligations that is attributable to the Post-Closing Tax Period. Apportioned Obligations, if any, shall be timely paid, and all applicable filings, reports and returns shall be filed, as provided by applicable Law, or as otherwise agreed by the Parties. The paying Party shall be entitled to reimbursement from the non-paying Party in accordance with this Section 10.3. Upon payment of any such Apportioned Obligation, the paying Party shall present a statement to the non-paying Party setting forth the amount of reimbursement to which the paying Party is entitled under this Section 10.3, together with such supporting evidence as is reasonably necessary to calculate the amount to be reimbursed. The non-paying Party shall make such reimbursement by wire transfer in immediately available funds to an account or accounts designated in writing by the other Party within ten (10) days of receipt of such statement; provided, however, to the extent that the amount of any required reimbursement can be determined prior to the U.S. Closing, the amount to be so reimbursed shall be paid by the non-paying Party to the paying Party concurrently with and as part of the U.S. Closing.

10.4 Section 338 Elections.

(a) If the Plan Sponsor elects and Sellers consent (such consent not to be unreasonably withheld, conditioned or delayed) to such election, then the applicable Sellers shall, and shall cause the other applicable Seller Entities to, join with the Plan Sponsor in making a timely election under Code Section 338(h)(10) (and any corresponding election under state, local and foreign Tax Law) with respect to the purchase and sale, whether directly or indirectly, of the equity interests of any Acquired Subsidiary that is treated as a corporation for U.S. federal income Tax purposes pursuant to this Agreement, including any Acquired Subsidiary that is purchased indirectly through the purchase and sale of the equity interests of such entity's direct or indirect parent (any such elections, the "**338(h)(10) Election**"), and Sellers shall not, and shall cause the other Seller Entities to not, take or assert any position inconsistent with such 338(h)(10) Election. The applicable Sellers and the Plan Sponsor shall, and Sellers shall cause the other applicable Seller Entities to, cooperate for the purpose of effectuating a timely and effective 338(h)(10) Election to which Sellers have consented, including the execution and filing of any other forms or returns. Any 338(h)(10) Election shall be filed based upon the purchase price allocation (as described in Section 10.5). In the event that Sellers consent to the 338(h)(10) Election, at least thirty (30) days prior to the last date on which the 338(h)(10) Election must be filed, the Plan Sponsor shall prepare and deliver to any applicable Seller Entities all forms and other documents required by Code Section 338 and the U.S. Treasury Regulations thereunder including IRS Form 8023 (together with any similar state, local or foreign forms). To the extent it has not already done so, the applicable Sellers shall, and shall cause the other applicable Seller Entities to, execute all such forms and other documents required to be executed by it in connection with any 338(h)(10) Election to which Sellers have consented, as set forth in the instructions provided by the Plan Sponsor and deliver the same to the Plan Sponsor for filing within fifteen (15) days of the receipt of such other forms and other documents from the Plan Sponsor.

(b) The Plan Sponsor may, at its election but subject to the consent of Sellers (such consent not to be unreasonably withheld, conditioned or delayed), make elections under Code Section 338(g) (and any corresponding election under state, local, and foreign Tax Law) with respect to the purchase and sale, whether directly or indirectly, of the equity interests of any non-U.S. Acquired Subsidiary that is treated as a corporation for U.S. federal income Tax purposes pursuant to this Agreement (any such elections, the "**338(g) Election**"); provided, however, the Plan Sponsor shall be entitled, without the consent of Sellers, to make a 338(g) Election with respect to any such Acquired Subsidiary that is not a controlled foreign corporation within the meaning of Section 957 of the Code for the Tax period (or portion thereof) ending on the Closing Date. Each Seller shall, and shall cause each other Seller Entity to, cooperate with the Plan Sponsor to enable the Plan Sponsor, if it so elects and Sellers consent (if applicable), to make a 338(g) Election.

(c) Each Seller shall, and shall cause each other Seller Entity to, provide to the Plan Sponsor all data and information that the Plan Sponsor reasonably requests to enable the Plan Sponsor, in its sole discretion, to determine the consequences of making a 338(h)(10) Election or a 338(g) Election.

10.5 Purchase Price Allocation.

(a) Sellers and the Plan Sponsor shall allocate the Purchase Price (including the Assumed Liabilities and all other relevant items) among the Purchased Assets, and further among the assets of any Acquired Subsidiary for which a 338(h)(10) Election or a 338(g) Election (if any) is made, in accordance with Section 1060 of the Code and the U.S. Treasury Regulations thereunder and U.S. Treasury Regulation Sections 1.338-6 and 1.338-7. No later than one hundred and twenty (120) days after the Closing Date, the Plan Sponsor shall prepare and deliver to Sellers a draft allocation (the "**Asset Acquisition Statement**") for Sellers' review and comment. Any reasonable comments provided by Sellers to the Plan Sponsor within thirty (30) days of receipt of the Asset Acquisition Statement shall be accepted by the Plan Sponsor unless the Plan Sponsor does not agree with such comments. If the Plan Sponsor does not agree with any such comments, the Plan Sponsor and Sellers shall seek in good faith to resolve any such dispute. If Sellers and the Plan Sponsor are unable to reach an agreement within thirty (30) days following the delivery of comments by Sellers to the Plan Sponsor, the Parties shall refer any disputed elements of the Asset Acquisition Statement to a nationally recognized independent accounting firm jointly selected by Sellers and the Plan Sponsor for resolution (the "**Allocation Accounting Firm**"). Sellers and the Plan Sponsor shall each pay one half of all fees and expenses of such independent accounting firm. The Asset Acquisition Statement (as mutually agreed by Sellers and the Plan Sponsor, or as finally determined by the Allocation Accounting Firm) shall be conclusive and binding on the Parties. The Plan Sponsor shall prepare and deliver to Sellers from time to time revised copies of the Asset Acquisition Statement (the "**Revised Statements**") so as to report any matters on the Asset Acquisition Statement that need updating (including purchase price adjustments, if any, and to address any 338(h)(10) Election or 338(g) Election (if any) not previously addressed) consistent with the agreed upon allocation for Sellers' review and approval (subject to the dispute resolution provisions set forth above). The Purchase Price (including the Assumed Liabilities and all other relevant items) shall be allocated in accordance with the Asset Acquisition Statement or, if applicable, the last Revised Statements, prepared in accordance with this Section 10.5, and all income Tax Returns and reports (including

IRS Form 8594 and any required exhibits thereto) filed by the Plan Sponsor and Seller Entities shall be prepared consistently with such allocation, except as provided by a change in applicable Tax Law or the good faith resolution of a Tax contest.

(b) Prior to the Closing, the Plan Sponsor and Sellers shall work together in good faith to determine the amount of the Purchase Price that shall be allocated to the purchase and sale of the shares of the entities listed on Schedule G hereto. In the event that the Plan Sponsor and Sellers cannot agree on such allocation, they shall refer any disputed elements to the Allocation Accounting Firm with sufficient time to resolve the dispute prior to the U.S. Closing. For the avoidance of doubt, such allocation shall be completed prior to the U.S. Closing. The parties shall also work together to revise such completed allocation as necessary to reflect any adjustments to the Purchase Price.

(c) Notwithstanding any of the aforementioned provisions, for purposes of complying with applicable Tax provisions under Mexican Law, the Parties agree that the Purchase Price allocation for the Purchased Assets sold in Mexico shall be at market value.

10.6 Brazil Withholding Tax Matters.

(a) For the avoidance of doubt, the Plan Sponsor shall be entitled to deduct and withhold from the corresponding portion of the Purchase Price or any other payment made by it under this Agreement relating to the purchase and sale of TKBR quotas ("**Takata Brasil Quotas**") such amounts as it is required to deduct or withhold under applicable Law (including any Tax on financial transactions for the remittance from Brazil to abroad), and any amounts so deducted or withheld shall be treated for all purposes of this Agreement as having been paid to Sellers or other Person in respect of which such deduction or withholding was made; provided, that the Plan Sponsor shall cooperate in good faith with Sellers to minimize any such withholding.

(b) At least twelve (12) Business Days prior to the Closing Date, the relevant Seller(s) to which the purchase and sale of Takata Brasil Quotas relates shall notify the Plan Sponsor in writing of the cost of its acquisition in respect of the Takata Brasil Quotas to be sold, providing documentary evidence (including all foreign exchange agreements, Brazilian Central Bank registries and relevant general assembly minutes) to support such acquisition cost to the reasonable satisfaction of the Plan Sponsor.

(c) The Plan Sponsor, upon receipt of the information required pursuant to Section 10.6(b), shall (i) provide notice to such Sellers on or before the seventh (7th) Business Day prior to the Closing Date of the estimated amounts, if any, to be deducted or withheld under this Section 10.6 and Section 3.7 (the final amount to be notified to such Sellers on such Closing Date) and (ii) promptly pay to the applicable Governmental Authority or Tax Authority the full amount, if any, required to be deducted or withheld, based on the applicable rate and terms set forth in the applicable Law at the time of payment of the relevant Purchase Price (or part thereof) or other payment to be made under this Agreement, and provide Sellers with an official receipt or other documentation reasonably necessary to evidence such payment, if any.

(d) Sellers agree to comply with any and all reasonable requests made by or on behalf of the Plan Sponsor in connection with the deduction, withholding or payment of any amount under this Section 10.6.

10.7 Mexican Tax Withholding Matters.

(a) For the avoidance of doubt, the Plan Sponsor shall be entitled to deduct and withhold from the corresponding portion of the Purchase Price or any other payment made by it under this Agreement relating to the purchase and sale of any Equity Interests in Mexico such amounts as it is required to deduct or withhold under applicable Law, and any amounts so deducted or withheld shall be treated for all purposes of this Agreement as having been paid to Sellers or other Person in respect of which such deduction or withholding was made; provided, that the Plan Sponsor shall cooperate in good faith with Sellers to minimize any such withholding.

(b) At least fifteen (15) Business Days prior to the Closing Date, the relevant Seller(s) to which the purchase and sale of the Equity Interests in Mexico relates shall provide to the Plan Sponsor (i) such information and documentation that the Plan Sponsor needs, in its sole determination, subject to the following clause (ii), to determine whether any such purchase or sale results in any withholding Tax under Mexican Law and (ii) written notice of whether such Seller(s) will elect to be taxed on the capital gain, if any, in accordance with the provisions of article 161 of the Mexican Income Tax Law (*Ley del Impuesto Sobre la Renta*) and its regulations.

(c) The Plan Sponsor, upon receipt of the information required pursuant to Section 10.7(b), shall (i) provide notice to such Sellers on or before the seventh (7th) Business Day prior to the Closing Date of the estimated amounts, if any, to be deducted or withheld under this Section 10.7 and Section 3.7 (the final amount to be notified to such Sellers on such Closing Date) and (ii) promptly pay to the applicable Governmental Authority or Tax Authority the full amount, if any, required to be deducted or withheld, based on the applicable rate and terms set forth in the applicable Law at the time of payment of the relevant Purchase Price (or part thereof) or other payment to be made under this Agreement, and provide Sellers with an official receipt or other documentation reasonably necessary to evidence such payment, if any.

(d) Notwithstanding the foregoing sections (a)-(c) of this Section 10.7, pursuant to Section 10.7(b) above, if the relevant Seller(s) informs the Plan Sponsor that such Seller(s) will elect to be taxed on the capital gain, if any, in accordance with the provisions of article 161 of the Mexican Income Tax Law (*Ley del Impuesto Sobre la Renta*) and its regulations, such Seller(s) shall deliver to the Plan Sponsor: (i) at Closing, a copy of the corresponding tax return filed by such Seller(s) with the Mexican Tax Authorities; (ii) within 15 Business Days after Closing, a copy of Official Form 39 (*Aviso para presentar dictamen fiscal de enajenación de acciones*) submitted by such Seller(s) to the Mexican Tax authorities; and (iii) within 30 Business Days after Closing, a copy of the corresponding tax report (*dictamen fiscal de enajenación de acciones*) prepared by a public accountant registered before the Mexican Tax Authorities jointly with a copy of Official Form 40 (*Carta de presentación del dictamen de enajenación de acciones*) submitted by such Seller(s) with the Mexican Tax Authorities.

(e) Sellers agree to comply with any and all reasonable requests made by or on behalf of the Plan Sponsor in connection with the deduction, withholding or payment of any amount under this Section 10.7.

10.8 Pre-Closing Actions.

(a) Except (i) as required by applicable Law or by order of the Bankruptcy Court, (ii) with the prior written consent of the Plan Sponsor (which consent shall not be unreasonably withheld, conditioned or delayed), (iii) as would not be expected to have a material impact on the Plan Sponsor after the U.S. Closing, or (iv) in connection with the pre-Closing restructurings described in Section 7.20, Sellers shall not, (a) change or rescind any election relating to Taxes; (b) change any method of Tax accounting; (c) file any Tax Returns that have been prepared in a manner that is inconsistent with past practice; (d) file any amended Tax Return; (e) settle or compromise any claim, investigation, audit, or controversy relating to Taxes; (f) agree to an extension or waiver of the statute of limitations with respect to the assessment or determination of Taxes; (g) enter into any closing agreement with respect to any Tax; (h) surrender any right to claim a Tax refund; (i) file a claim for any Tax refund, credit, rebate or other recovery; or (j) take (or fail to take) any action that could result in any adverse Tax consequences (including any reduction in Tax attributes) to the Plan Sponsor or any of its Affiliates after the U.S. Closing, in each case, with respect to the Acquired Subsidiaries; provided, however, that nothing contained in this Section 10.8 shall preclude Sellers from carrying back any net operating losses, capital losses, Tax credits or similar items to any Tax period.

(b) Except (i) as required by applicable Law or by order of the Bankruptcy Court or (ii) with the prior written consent or instruction, pursuant to Section 7.20(e), of the Plan Sponsor (which consent shall not be unreasonably withheld, conditioned or delayed), no Seller Entity shall take any action, or omit to take any action, that would reasonably be expected to result in the imposition of any Tax the payment of which is due by an Acquired Subsidiary unless the Seller Entity has made reasonable provision for the payment of such Tax.

10.9 Cooperation. Sellers, on the one hand, and the Plan Sponsor, on the other hand, will provide each other with such cooperation and information as either of them reasonably may request of the other in filing any Tax Return, claiming any refund of Taxes, determining a Liability for Taxes or a right to a refund of Taxes, or conducting any audit or other proceeding in respect of Taxes. Such cooperation and information shall include providing copies of relevant Tax Returns or portions thereof, together with accompanying schedules, related work papers and documents relating to rulings and other determinations by Tax Authorities. Any information obtained under this Section 10.9 shall be kept confidential except as may be otherwise necessary in connection with the filing of Tax Returns or claims for refund or in conducting any audit or other proceeding.

10.10 Tax Treatment of Purchase Price Adjustments. Except as otherwise required by applicable Tax Law, the Parties shall treat all post-U.S. Closing payments made by one Party to the other pursuant to this Agreement as adjustments to the Purchase Price for Tax purposes.

10.11 Tax Sharing Agreements. All Tax sharing agreements or similar agreements involving any Acquired Subsidiary shall be terminated as of the Closing Date and, after the Closing Date, such Acquired Subsidiaries shall not be bound thereby or have any liability to any Person, including any Seller or any of its Affiliates, thereunder.

10.12 Exclusivity. In the event of a conflict between the provisions of this Article X and the other provisions of this Agreement, Article X shall control with respect to Tax matters.

ARTICLE XI

MISCELLANEOUS

11.1 Survival. Except for any covenant that by its terms is to be performed (in whole or in part) by a Party following the U.S. Closing, none of the representations, warranties, or covenants of a Party set forth in this Agreement (including in any certificate delivered in accordance with Section 4.2 or Section 4.3) shall survive, and each of the same shall terminate and be of no further force or effect as of, the U.S. Closing.

11.2 Expenses. Except as otherwise expressly set forth herein, and subject to Section 4.6, each Party will bear its own costs and expenses incurred in connection with the negotiation and execution of this Agreement and each other agreement, document and instrument contemplated by this Agreement and the Transactions.

11.3 Incorporation of Exhibits and Disclosure Schedule. The Exhibits to this Agreement and the Disclosure Schedule are incorporated herein by reference and made a part hereof.

11.4 Specific Performance. The Plan Sponsor and Sellers acknowledge and agree that any non-breaching Party would be damaged irreparably in the event the breaching Party does not perform its obligations under this Agreement in accordance with its specific terms or otherwise breaches this Agreement, so that, in addition to any other remedy that the non-breaching Party may have under Law or equity, the non-breaching Party shall be entitled, without the requirement of posting a bond or other security, to injunctive relief to prevent any breaches of the provisions of this Agreement and to enforce specifically this Agreement and the terms and provisions hereof. The Plan Sponsor and Sellers further acknowledge and agree that, if and to the extent that any court of competent jurisdiction grants injunctive relief to any party to the TKJP Purchase Agreement, the TSAC Purchase Agreement (if applicable) or the TK Europe Purchase Agreement to prevent any breaches of the provisions of such agreements and to enforce specifically any of those agreements and the terms and provisions thereof, then the Parties shall be required to comply with the terms of such injunctive relief in respect of the Transactions and shall not contest the application of such injunctive relief to the terms contemplated by this Agreement.

11.5 Governing Law. This Agreement shall be governed by and construed in accordance with the Laws of the State of New York (without giving effect to any principles of conflict of laws of any jurisdiction that would cause the application of other jurisdictions' laws), except to the extent that such Laws are superseded by the Bankruptcy Code.

11.6 Submission to Jurisdiction; Service of Process.

(a) Each of the Parties irrevocably and unconditionally submits to the exclusive jurisdiction of the Bankruptcy Court in any Legal Proceeding arising out of or relating to this Agreement or the Transactions and agrees that all claims in respect of such Legal Proceeding may be heard and determined in such court. Each Party also agrees not to (a) attempt to deny or defeat such exclusive jurisdiction by motion or other request for leave from the Bankruptcy Court or (b) bring any action or proceeding arising out of or relating to this Agreement or the Transactions in any other court. Each of the Parties irrevocably and unconditionally waives any objection to the laying of venue in, and any defense of inconvenient forum to the maintenance of, any Legal Proceeding so brought and waives any bond, surety or other security that might be required of the other Party with respect thereto. Either Party may make service on the other Party by sending or delivering a copy of the process to the Party to be served at the address and in the manner provided for the giving of notices in Section 11.9; provided, however, that nothing in this Section 11.6 shall affect the right of a Party to serve legal process in any other manner permitted by Law or in equity. Each Party agrees that a final judgment in any Legal Proceeding so brought shall be conclusive and may be enforced by litigation or in any other manner provided by Law or in equity. The Parties intend that all foreign jurisdictions will enforce any decree of the Bankruptcy Court in any Legal Proceeding arising out of or relating to this Agreement or the Transactions.

(b) Notwithstanding anything to the contrary in this Section 11.6 or elsewhere in this Agreement, each of the Plan Sponsor and each of Sellers agrees that it will not bring or support any action, cause of action, claim, cross-claim or third-party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against the Debt Financing Sources in any way relating to this Agreement, including any dispute arising out of the Debt Commitment Letter or the performance thereof or the Financing, in any forum other than the Supreme Court of the State of New York, County of New York, or, if under applicable law exclusive jurisdiction is vested in the Federal courts, the United States District Court for the Southern District of New York (and of the appropriate appellate courts therefrom).

11.7 WAIVER OF JURY TRIAL. EACH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY, AND IN EACH CASE INCLUDING ANY LEGAL PROCEEDING AGAINST ANY DEBT FINANCING SOURCE ARISING OUT OF OR RELATED TO THE TRANSACTIONS CONTEMPLATED HEREBY, THE DEBT COMMITMENT LETTER, THE FINANCING OR THE PERFORMANCE OF SERVICES WITH RESPECT THERETO.

11.8 Entire Agreement; Amendments and Waivers. This Agreement and the Cross-Conditioned Agreements, the Confidentiality Agreement, the RSA, the OEM Indemnity and Release Agreement and the other agreements being entered into in connection with the Agreement or otherwise expressly contemplated by this Agreement constitute (or will constitute when entered into as contemplated by this Agreement) the entire agreement between the Parties and supersede any prior understandings, agreements or representations (whether written or oral) by or between the Parties to the extent they relate in any way to the subject matter hereof. No

amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by each Party except as expressly provided herein. No waiver of any breach of this Agreement shall be construed as an implied amendment or agreement to amend or modify any provision of this Agreement. No waiver by a Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the Party making such waiver, nor shall such waiver be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent default, misrepresentation or breach of warranty or covenant. No conditions, course of dealing or performance, understanding or agreement purporting to modify, vary, explain, or supplement the terms or conditions of this Agreement shall be binding unless this Agreement is amended or modified in writing pursuant to the second sentence of this Section 11.8 except as expressly provided herein. Except where a specific period for action or inaction is provided herein, no delay on the part of a Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof. Notwithstanding the foregoing, no amendment, modification or supplement shall be made to this Agreement that would adversely affect the rights of the Debt Financing Sources as set forth in Sections 7.16(a), 11.6(b), 11.7, 11.11, 11.12, 11.13 and this Section 11.8 (the "FS Provisions") without the prior written consent of the Debt Financing Sources. The Plan Sponsor agrees that it shall not agree to amend Section 3.3 or Section 3.5 of the TK Europe Purchase Agreement, Section 3.3 or Section 3.5 of the TKJP Purchase Agreement or the provisions therein comparable to Section 3.3 or Section 3.5 under this Agreement contained in the TSAC Purchase Agreement (if applicable) (in each case, including any of the definitions referenced therein) without the prior written consent of Sellers. Sellers agree that they shall not amend the definition of "Plan Settlement Payment" in the Plan or sections 5.5(a)(viii) or 5.15(b)(i) of the Plan without the prior written consent of the Plan Sponsor.

11.9 Notices. All notices, requests, demands, claims and other communications hereunder shall be in writing except as expressly provided herein. Any notice, request, demand, claim, or other communication hereunder shall be deemed duly given: (a) when delivered personally to the recipient; (b) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid); (c) on the day such communication was sent by e-mail (with acknowledgement received); (d) five (5) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid; and (e) upon delivery when sent via email by way of a PDF attachment thereto of an executed document. 11.10 Severability. The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement. In the event that any of the provisions of this Agreement shall be held by any Governmental Authority to be illegal, invalid or unenforceable, such provisions shall be limited or eliminated only to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect.

11.11 No Third Party Beneficiaries. Except as set forth in Section 11.13, this Agreement shall not confer any rights or remedies upon any Person other than the Plan Sponsor, each Seller, and their respective successors and permitted assigns, provided, that the Debt Financing Sources and each of their respective Affiliates and their respective current, former and future direct or indirect equity holders, controlling persons, stockholders, agents, Affiliates, members, managers, general or limited partners, assignees or representatives shall be express third party beneficiaries with respect to the FS Provisions, that each FS Provision shall expressly inure to the benefit of the Debt Financing Sources (or any security trustee or collateral agent appointed on behalf of the Debt Financing Sources) and that the Debt Financing Sources (or any security trustee or collateral agent appointed on behalf of the Debt Financing Sources) shall be entitled to rely on and enforce the FS Provisions; provided, further, that the Consenting OEMs shall be express third party beneficiaries with respect to Section 9.1(c), that Section 9.1(c) shall expressly inure to the benefit of the Consenting OEMs and that the Consenting OEMs shall be entitled to rely on and enforce Section 9.1(c).

11.12 Succession and Assignment. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and permitted assigns. No Party may assign either this Agreement or any of its rights, interests, or obligations hereunder without the prior written consent of the other Party; provided, however, that the Plan Sponsor may assign this Agreement and its rights, interests and/or obligations thereunder to one or more current or future Affiliates of the Plan Sponsor or to any of the Plan Sponsor's lenders or any security trustee or collateral agent appointed by the Plan Sponsor's lenders for collateral security purposes; provided, further, however, that any such assignment shall not relieve the Plan Sponsor of its obligations under this Agreement.

11.13 Non-Recourse. All claims or causes of action (whether in contract or in tort, in law or in equity, or granted by statute) that may be based upon, in respect of, arise under, out or by reason of, be connected with, or related in any manner to this Agreement may be made only against (and are expressly limited to) the Persons that are expressly identified as parties hereto or thereto (the "**Contracting Parties**"). In no event shall any Contracting Party have any shared or vicarious liability for the actions or omissions of any other Person not an Affiliate of such Contracting Party as of the date hereof. No Person who is not a Contracting Party, including (i) any Debt Financing Source and (ii) any director, officer, employee, incorporator, member, partner, manager, stockholder, Affiliate, agent, attorney or Representative of, and any financial advisor or lender to, any of the foregoing ("**Non-Party Affiliates**"), shall have any liability (whether in contract or in tort, in law or in equity, or granted by statute or based upon any theory that seeks to impose liability of an entity party against its owners or Affiliates) for any claims,

causes of action, obligations or Liabilities arising under, out of, in connection with or related in any manner to this Agreement or based on, in respect of, or by reason of this Agreement or their negotiation, execution, performance or breach; and, to the maximum extent permitted by Law, each Contracting Party waives and releases all such Liabilities, claims and obligations against any such Non-Party Affiliates. Without limiting the foregoing, to the maximum extent permitted by Law, (a) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at law or in equity, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose Liability of a Contracting Party on any Non-Party Affiliate, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the veil, unfairness, undercapitalization, or otherwise; and (b) each Contracting Party disclaims any reliance upon any Non-Party Affiliates with respect to the performance of this Agreement or the Cross-Conditioned Agreements or any representation or warranty made in, in connection with, or as an inducement to this Agreement or the Cross-Conditioned Agreements (except, in the case of the Plan Sponsor, reliance on the terms of Section 11.16). The Parties acknowledge and agree that the Non-Party Affiliates are intended third-party beneficiaries of this Section 11.13.

11.14 Mutual Drafting. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring a Party by virtue of the authorship of any of the provisions of this Agreement.

11.15 Disclosure Schedule. All capitalized terms not defined in the Disclosure Schedule shall have the meanings ascribed to them in this Agreement. The representations and warranties of Sellers in this Agreement are made and given, and the covenants are agreed to, subject to the disclosures and exceptions set forth in the Disclosure Schedule. The disclosure of any matter in any section of the Disclosure Schedule shall be deemed to be a disclosure for purposes of all other sections of the Disclosure Schedule to which it is expressly indicated in the text of such disclosure that such matter relates or to which the relevance of other sections of the Disclosure Schedule is reasonably apparent on the face of such disclosure. The listing of any matter shall expressly not be deemed to constitute an admission by Sellers, or to otherwise imply, that any such matter is material, is required to be disclosed under this Agreement or falls within relevant minimum thresholds or materiality standards set forth in this Agreement. No disclosure in the Disclosure Schedule relating to any possible breach or violation of any Contract or Law shall be construed as an admission or indication that any such breach or violation exists or has actually occurred. In no event shall the listing of any matter in the Disclosure Schedule be deemed or interpreted to expand the scope of Sellers' representations, warranties, or covenants set forth in this Agreement. All attachments to the Disclosure Schedule are incorporated by reference into the applicable section of the Disclosure Schedule in which they are directly or indirectly referenced. The information contained in the Disclosure Schedule is in all respects provided subject to the Confidentiality Agreement. All references in the Disclosure Schedule to specific data room locations have been included for convenience purposes only and will not be deemed to incorporate by reference the document or documents located at the specified data room location.

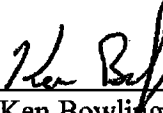

11.16 Joint Obligations. Any covenant, agreement or obligation of any Party hereunder shall be deemed to be and shall constitute a covenant, agreement and obligation of and by such Party to cause each controlled Affiliate of such Party, where reasonably required for performance (including, whether or not Affiliates are mentioned, all obligations to refrain from taking action detrimental to or potentially inhibiting or restraining the consummation of the Transactions), to perform and discharge such covenant, agreement or obligation (including obligations to refrain from taking actions). Each Party shall be jointly and severally liable for the failure by such Party, or such Party's controlled Affiliates, to perform and discharge any of their respective covenants, agreements or obligations hereunder. Any covenant, agreement or obligation of a controlled Affiliate of any Party hereunder shall constitute a covenant, agreement or obligation of such Party to cause such Affiliate to take action or refrain from taking action, as applicable. The action, or failure to act, of any Party's controlled Affiliates in accordance with the terms of this Agreement and any breach by any Party' controlled Affiliates of their agreements, representations and warranties in this Agreement shall in each case be deemed to, for the purpose of interpretation of this Agreement, constitute the action, failure to act and breach, as applicable, of such Party.

11.17 Counterparts; Electronic Signatures. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument. This Agreement or any counterpart may be executed and delivered by electronic communications in portable document format (.pdf), each of which shall be deemed an original.

ANNEX B

Acquired Cash Adjustment.

(a) No later than seven (7) Business Days prior to the Closings, Sellers shall provide to the Plan Sponsor a statement (the "**Estimated Cash Statement**") that sets forth Sellers' good faith estimate of the Acquired Cash (the "**Estimated Acquired Cash**"). The form of the Estimated Cash Statement shall be reasonably acceptable to the Plan Sponsor. Payment of the Purchase Price pursuant to Section 3.1 shall be determined by reference to the Estimated Cash Statement. If the Estimated Acquired Cash exceeds the Required Cash, then, at the Closings, (i) Sellers, the Plan Sponsor and the Escrow Agent shall enter into an escrow agreement in substantially the form of the Escrow Agreement (the "**Adjustment Escrow Agreement**"), (ii) the Plan Sponsor shall cause immediately available funds in an amount equal to the amount by which the Estimated Acquired Cash exceeds the Required Cash (the "**Adjustment Escrow Amount**") to be deposited into escrow pursuant to the Adjustment Escrow Agreement and (iii) the Acquired Cash shall be subject to adjustment following the Closings in accordance with clauses (b) through (g) of this Annex B. If the Estimated Acquired Cash is equal to or less than the Required Cash, then the Parties shall not enter into the Adjustment Escrow Agreement at the Closings.

(b) No later than thirty (30) days following the Closings, the Plan Sponsor shall deliver to Sellers a statement signed by the Chief Financial Officer of KSS Holdings (the "**Closing Cash Statement**") that sets forth (i) the Plan Sponsor's good faith calculation of the actual Acquired Cash as of the close of business on the Business Day prior to the Closings ("**Actual Acquired Cash**") and (ii) in reasonable detail the Plan Sponsor's good faith determination of the adjustments, if any, to be made to the Purchase Price on account thereof.

(c) No later than thirty (30) days following the delivery by the Plan Sponsor of the Closing Cash Statement, Sellers shall notify the Plan Sponsor in writing whether they accept or dispute the accuracy of the calculations set forth on the Closing Cash Statement. During such thirty (30) day period, Sellers and their representatives shall be provided with such reasonable access to the financial books and records included in the Purchased Assets or held by the Acquired Subsidiaries, as well as any relevant information and work papers (including statements from financial institutions) as they may reasonably request, to enable them to evaluate the Actual Acquired Cash. If Sellers accept the calculations set forth on the Closing Cash Statement, or if Sellers fail within such thirty (30) day period to notify the Plan Sponsor of any dispute with respect thereto, then the calculation of Actual Acquired Cash determined pursuant to this Annex B shall be the "**Final Acquired Cash**", which shall be final, conclusive and binding.

(d) If Sellers dispute the accuracy of any of the calculations set forth on the Closing Cash Statement, then Sellers shall provide written notice to the Plan Sponsor no later than thirty (30) days following the delivery by the Plan Sponsor to Sellers of the Closing Cash Statement (the "**Dispute Notice**"), setting forth those items that Sellers dispute. During the thirty (30) day period following delivery of a Dispute Notice, the Plan Sponsor and Sellers shall

negotiate in good faith with a view to resolving their disagreements over the disputed items. During such thirty (30) day period and until the final determination of Actual Acquired Cash pursuant to this Annex B (as so determined, the "**Final Acquired Cash**") Sellers and their representatives shall be provided with such reasonable access to the financial books and records included in the Purchased Assets or held by the Plan Sponsor or Acquired Subsidiaries as well as any relevant information and work papers (including statements from financial institutions) as they may reasonably request. If Sellers and the Plan Sponsor resolve their differences over the disputed items in accordance with the foregoing procedure, Final Acquired Cash shall be the amounts agreed upon by them. If Sellers and the Plan Sponsor fail to resolve their differences over the disputed items within such thirty (30) day period, then the Plan Sponsor and Sellers shall forthwith jointly request that the Accounting Expert act as an expert, and not as an arbitrator, to make a binding determination as to the disputed items in accordance with this Agreement.

(e) The Accounting Expert will, under the terms of its engagement, have no more than thirty (30) days from the date of referral and no more than ten (10) Business Days from the final submission of information and presentations by the Plan Sponsor and Sellers within which to render its written decision with respect to the disputed items (and only with respect to any unresolved disputed items set forth in the Dispute Notice) and the final calculation of Actual Acquired Cash shall be based solely on the resolution of such disputed items. The Accounting Expert shall review such submissions and base its determination solely on such submissions. In resolving any disputed item, the Accounting Expert may not assign a value to any item greater than the maximum value for such item claimed by either party or less than the minimum value for such item claimed by either party. Absent manifest error, the decision of the Accounting Expert shall be deemed final and binding upon the parties and enforceable by any court of competent jurisdiction and the Accounting Expert's final calculation of Actual Acquired Cash shall be deemed the "**Final Acquired Cash**". The fees and expenses of the Accounting Expert shall be borne by Sellers and Plan Sponsor in inverse proportion as they may prevail on the matters resolved by the Accounting Expert, which proportionate allocation shall be calculated on an aggregate basis based on the relative dollar values of the amounts in dispute and shall be determined by the Accounting Expert at the time the determination of Accounting Expert is rendered on the merits of the matters submitted.

(f) If the Estimated Acquired Cash is greater than the Required Cash and the Final Acquired Cash is greater than or equal to the Required Cash, then the Plan Sponsor and Sellers shall jointly instruct the Escrow Agent to release an amount equal to the amount by which the Final Acquired Cash exceeds the Required Cash to Sellers, and the Plan Sponsor and Sellers shall jointly instruct the Escrow Agent to release to the Plan Sponsor the amount, if any, remaining in escrow; if in such case the Final Acquired Cash is also greater than the Estimated Acquired Cash, the Plan Sponsor shall promptly pay to Sellers (by wire transfer of immediately available funds) the difference between the Estimated Acquired Cash and the Final Acquired Cash. If the Estimated Acquired Cash is greater than the Required Cash and the Final Acquired Cash is less than or equal to the Required Cash, then the Plan Sponsor and Sellers shall jointly instruct the Escrow Agent to release the entire amount in escrow to the Plan Sponsor and Purchase Price will be reduced accordingly. If the Estimated Acquired Cash is less than the Required Cash and the Final Acquired Cash is greater than the Estimated Required Cash, then

the Plan Sponsor shall promptly pay to Sellers (by wire transfer of immediately available funds) the difference between the Final Acquired Cash and the Estimated Acquired Cash.

(g) All payments pursuant to this Annex B shall be made by wire transfer of immediately available funds to an account designated in advance by the Plan Sponsor or Sellers, as applicable, and shall be made on or prior to the fifth (5th) Business Day following the determination of Final Acquired Cash pursuant to this Annex B. Any payments pursuant to this Annex B shall be made in accordance with Sellers' Cash Allocation Share.

NOW, THEREFORE, in consideration of the premises and in consideration of the representations, warranties and covenants herein contained, the Parties agree as follows:

1. Definitions and Interpretation

(a) Unless otherwise defined in this Agreement, all words and expressions defined in the Asset Purchase Agreement shall have the same respective meanings herein.

(c) Notwithstanding the foregoing, in connection with the operation of Sellers, the PSAN Employees will remain as employees of TK de Mexico. Sellers shall keep in full force and effect and fully comply with the collective bargaining agreements covering the PSAN Employees until the final PSAN End Date. The termination of the aforementioned collective bargaining agreements shall occur before the corresponding Mexican Labor Court on or immediately after such date. The Sellers shall be considered solely responsible of the negotiation and termination of the aforementioned collective bargaining agreements and shall indemnify and hold harmless the Plan Sponsor from any liabilities derived from such termination.

3. Mexican Employees Transferring

(a) On or before the Employee Transferring Date and to be effective on the Employee Transferring Date, Industrias and TK de Mexico shall, complying with all applicable provisions of Mexican Labor Laws, transfer all of their Employees, other than the PSAN Employees, to Equipo, along with their corresponding production lines, through an employer substitution process pursuant to Article 41 of the Federal Mexican Labor Law and Article 290 of the Mexican Social Security Law.

Industrias and TK de Mexico shall perform any necessary follow up activities in order to complete the employer substitution process.

(c) Prior to the Employee Transferring Date, Equipo shall:

1. Inform any union with which Equipo has executed a collective bargaining agreement about the employer substitution process, and perform any required actions in order to enter into a new collective bargaining agreement to cover all Transferred Mexican Employees and the purchased facilities.

3. Equipo shall properly enter into and execute a new collective bargaining agreement per facility with the corresponding union. The terms and conditions of the previous collective bargaining agreements covering the Transferred Mexican Employees shall be replicated and included into the new collective bargaining agreement to be entered into by Equipo.
4. Equipo shall register all Transferred Mexican Employees before the IMSS, as the substitute employer.
5. In accordance with the applicable Mexican Labor Laws, Equipo, TK de Mexico and Industrias will be jointly and severally liable for a period of six (6) months commencing when each of the Transferred Mexican Employees receives notice of the employer substitution, of any labor and social security responsibilities which may result from any employment relationship which existed before the U.S. Closing between either Equipo, TK de Mexico or Industrias and the Transferred Mexico Employees.

(e) After the employer substitution, the Plan Sponsor must continue the activities of the Business without any interruption, using the same machinery and tools, occupying the same location and maintaining the lines of business.

(f) Equipo, as new employer, and the Plan Sponsor shall provide to each of the Transferred Mexican Employees, (i) a salary or wage rate that is at least equal to his or her salary or wage rate as in effect immediately prior to the Employees Transferring Date, and (ii) benefits at least equal to those in effect immediately prior to the Employees Transferring Date. A complete list with the salary, benefits and other terms and conditions of all Transferred Mexican Employees, is contained in Schedule C, which schedule shall be provided by Sellers within thirty (30) days following the date hereof and shall be updated by the Seller sixty (60) days prior to the U.S. Closing and again immediately prior to the U.S. Closing.

The Plan Sponsor shall have the right to review and consent (which consent shall not be unreasonably withheld) to any and all documents prepared in connection with the employer substitution.

5. Labor Claims

Each Party shall give prompt written notice to the other of the assertion or commencement of any claim, demand, investigation, action, suit or other legal proceeding by or with respect to a Transferred Mexican Employee provided, however, that this notice requirement shall not apply to any claim, demand, investigation, action, suit or other legal proceeding in which the Parties are litigating claims against each other.

6. Miscellaneous

(a) Confidentiality. The Parties acknowledge that this Agreement shall be subject to the Confidentiality Agreement, the terms of which are incorporated herein by reference.

(b) Force Majeure. For purposes of this Agreement, "Force Majeure" shall mean any event or circumstance beyond the control of either the parties, as the case may be, after the exercise of reasonable diligence (which includes maintenance by the parties (or their permitted agents or sub-contractors) at all times of disaster recovery procedures as reasonably expected of competent persons involved in the operation of databases), which prevents or impedes due performance of the obligations of such Party, provided that the mere shortage of labor, materials, equipment or supplies shall not constitute Force Majeure unless caused by events or circumstances which are themselves Force Majeure. If either Sellers, the Mexican Entities or the Plan Sponsor is prevented or impeded from performing any of its obligations due to Force Majeure (an "Affected Party"), the Affected Party shall promptly give notice to the other (the "Non-Affected Party") stating the circumstances constituting the Force Majeure and their extent and likely duration. Thereupon such obligations may be suspended for so long as the circumstances of Force Majeure continue. Whichever of Sellers, the Mexican Entities or the Plan Sponsor is the Affected Party because of Force Majeure, it shall make every reasonable effort to minimize the effects thereof and shall promptly resume performance as soon as reasonably possible after removal of the circumstances of Force Majeure. This Section is without prejudice to any other rights and remedies to which either Sellers, the Mexican Entities or the Plan Sponsor may be entitled to in respect of such Force Majeure event.

(c) Notices.

(i) Any notice or other communication to be given under this Agreement shall be in writing, shall be deemed to have been duly served on, given to or made in relation to a Party if it is left at the authorized address of that Party or sent by courier, telefax or electronic mail, and shall be deemed to have been received at the time of delivery; provided that where, in the case of delivery by hand, delivery or transmission occurs after 6:00 p.m. (local time in the place to which a notice is being sent) on a Business Day or on a day which is not a Business Day, receipt shall be deemed to occur at 9:00 a.m. (local time in the place to which a notice is being sent) on the next following Business Day.

The above subordination of the Old PSAN Claims shall be deemed null and void *ab initio* following the delivery of an Unforeseen Event Notice with respect to such Liquidating Entity, provided that if such restriction to the subordination prevents the solvent liquidation of the relevant Liquidating Entity provided in Section 6 from being completed, finalized and closed, then the Consenting OEMs will consider in good faith any alternative to such restricted subordination proposed by the relevant Liquidating Entity to facilitate the completion of the liquidation of the relevant Liquidating Entity.

h. The Liquidating Entities shall only make a request pursuant to Section 5.g above if and when, in the good faith opinion of the relevant Liquidating Entity, such subordination is necessary to complete, finalize and close the liquidation of the relevant Liquidating Entity as set forth in Section 6 below. For the avoidance of doubt, any such subordination shall not have any impact on the right of the relevant Consenting OEMs to their share of the Settlement Amount and the Residual Liquidating Amount.

i. The subordination pursuant to Sections 5.g shall not be construed as a waiver or forgiveness of any claims of the Consenting OEMs against the Liquidating Entities under or in connection with this Agreement.

6. Liquidation

So long as no Unforeseen Event Notice has been given, the Takata Entities (other than the Acquired Takata Entities) will liquidate, or cause the liquidation of, each of the Liquidating Entities in accordance with its respective Budget, which shall reflect payment or other distributions of not more than 45% of the principal amount of the claim outstanding as of June 1, 2017 *minus* any payments made after October 1, 2017 (other than: (x) normal course interest payments, (y) reimbursement of reasonable and documented costs and expenses and (z) solely in the event that the Closing has not occurred as of May 31, 2018, default interest payments (but not any fees, charges or other remuneration) accruing after May 31, 2018) of any commercial banking or other financial institution, including without limitation, any hedge funds or private equity institutions, or any successors to any of them, unless otherwise agreed by the Initial Consenting OEMs, Takata, Parent and the Plan Sponsor. Notwithstanding anything to the contrary in clause (x) of the definition of Unforeseen Event, on or prior to the Closing, the Liquidation Reserve and the procedures set forth in the definition thereof, shall control with respect to determining whether the budgeted amounts set forth on Schedule 5 are insufficient or excessive to provide for the solvent liquidation of the Liquidating Entities. Any proposed changes to the Budget on or prior to the Closing shall require notice to the Plan Sponsor. In order to enable the solvent liquidation of the Liquidating Entities, the Consenting OEMs agree, for so long as no Unforeseen Event Notice has been given, as of the Closing, not to demand payment of or in any other way institute or continue any action or proceeding seeking to prosecute or enforce the payment of any claim against: (i) tier one suppliers if and to the extent that such tier one suppliers could demand compensation from any Liquidating Entity for all or

part of the damages, losses, costs and expenses suffered from any such claim or (ii) third parties which might have a redress or other contribution claim against the Liquidating Entities (each a "Compensation Claim") if such Compensation Claim would constitute a claim subject to the Standstill (if it were held by a Consenting OEM). In the course of the liquidation of each Liquidating Entity, all residual amounts remaining at such Liquidating Entity after payment of all debts to which the Standstill does not apply (the "Residual Liquidating Amounts") immediately prior to the completion of the liquidation of the Liquidating Entity shall be distributed to the Consenting OEMs (paid in accordance with the Allocation Agreement to the accounts previously designated for payment of Settlement Amounts, unless otherwise designated by an applicable Consenting OEM) on account of the substantial contribution made by each Consenting OEM to Takata and Parent with respect to the Restructuring. Each Liquidating Entity shall provide the Plan Sponsor with notice of the distribution of any Residual Liquidating Amounts to the Consenting OEMs. The Parties shall use reasonable best efforts (including in relation to the exercise or non-exercise of any consent, advice or objection rights they may possess as creditors) to ensure that any liquidator, manager, monitor, trustee or other similar custodian to be appointed over any Liquidating Entity under applicable law is a person reasonably acceptable to the Consenting OEMs.

7. **No Transfer of Claims.** Each Consenting OEM represents, warrants, covenants and agrees that none of the claims released by or on behalf of such Consenting OEM, nor any part thereof, has been or will be assigned, hypothecated, granted, or transferred (each, a "Transfer") in any way by such Consenting OEM to any person or entity (other than to one of its Schedule 1 Entities), including without limitation any claims that would be released in full hereunder but for such Transfer. Any purported assignment of claims released by or on behalf of any Consenting OEM hereby shall be null and void without further action.

8. **Termination.** Except as set forth below, this Agreement will have an indefinite term. Prior to the occurrence of the Settlement Effective Date for the Acquired Takata Entities, the Initial Consenting OEMs may unanimously terminate this Agreement upon the occurrence of an Unforeseen Event by providing five (5) business days written notice to Takata, Parent and KSS. On and after the occurrence of the Settlement Effective Date for the Acquired Takata Entities, upon the occurrence of an Unforeseen Event, the Consenting OEMs may unanimously terminate this Agreement solely as to the Liquidating Entities by providing five (5) business days written notice to the relevant Liquidating Entities. For the avoidance of doubt, this Agreement may not be terminated as to the Acquired Takata Entities after the occurrence of the applicable Settlement Effective Date.

9. **Professional Fee Acknowledgment and Release by German Entities.** The German Entities (and their direct and indirect subsidiaries) acknowledge that under the Global Accommodation Agreement each Initial Consenting OEM has the right to take setoffs for Professional Fees (pursuant to Section 4 of the Global Accommodation Agreement) and the right to reimbursement for Professional Fees from the German Entities (and their direct and indirect subsidiaries) (pursuant to Section 23 of the Global Accommodation Agreement). The Consenting OEMs and the Takata Entities that are parties to the Global Accommodation Agreement acknowledge and agree to comply with the caps and procedures relating to the payment of Professional Fees in the Global Accommodation Agreement, and notwithstanding

any other provision in this Agreement, the Standstill shall not apply to such setoff rights, reimbursement or payments.

10. Effectiveness of Certain Provisions of the Global Accommodation Agreement. Sections 2, 3, 5, 6, 8, 9, 10, 11, 14 and 15 of the Global Accommodation Agreement shall become binding with respect to the German Entities (as such term is defined in the Global Accommodation Agreement) and certain EMEA Entities (as such term is defined in the Global Accommodation Agreement) upon execution of this Agreement. Section 20 of the Global Accommodation Agreement shall, with respect to the EMEA Entities, remain conditioned upon the occurrence of the applicable Settlement Effective Date.

11. Representations and Warranties.

a. Each Party hereby represents and warrants, severally and not jointly, for itself and not for any other person or entity that as of the date of this Agreement:

- i. it has the requisite organizational power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its respective obligations, under this Agreement;
- ii. the execution and delivery of this Agreement and the performance of its obligations hereunder have been duly authorized by all necessary corporate or other organizational action on its part; and
- iii. the execution, delivery and performance by it of this Agreement does not violate any provision of law, rule or regulation applicable to it, or its certificate of incorporation, or bylaws, or other organizational documents.

b. Each Consenting OEM hereby further represents and warrants, on a several and not joint basis, for itself and not any other person or entity, that as of the Signing Date (with respect to Initial Consenting OEMs) or of its joinder hereto (with respect to any OEM that becomes a Consenting OEM after the Signing Date):

- i. each of the subsidiaries and controlled affiliates of such Consenting OEM that is a party to any Purchase Order with Takata or TKJP has executed and delivered this Agreement as a Consenting OEM hereunder (or that this Agreement has been validly and effectively executed and delivered on its behalf with respect to Schedule 1 Entities); and
- ii. this Agreement constitutes the valid and legally binding obligation of such Consenting OEM and its respective Schedule 1 Entities, enforceable against such Consenting OEM and its respective Schedule 1 Entities in accordance with its terms and subject to applicable bankruptcy, reorganization, insolvency, moratorium, or other similar laws relating to creditors' rights and general principles of equity.

12. **Survival; Conflicts.** This Agreement will have an indefinite term.

13. **Governing Law; Jurisdiction.** This Agreement and all disputes or controversies arising out of or relating to this Agreement or the transactions contemplated hereby shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the conflicts of laws or principles thereof. If the Parties are unable to resolve any dispute within thirty (30) days (or such longer period as agreed to by the Parties) after notice of dispute is given, each Party irrevocably consents and agrees (on behalf of itself and its Schedule 1 Entities) that such dispute shall be fully and finally resolved by binding arbitration in accordance with the Swiss Rules of International Arbitration of the Swiss Chambers' Arbitration Institution in force on the date on which the Notice of Arbitration is submitted in accordance with such Rules. The number of arbitrators shall be three. The language of the arbitration and of the Award shall be English. The Parties agree that the seat of such arbitration shall be Geneva, Switzerland, and that the hearing shall be in Geneva, unless otherwise agreed by the Parties. Award enforcement proceedings can be brought in any jurisdiction in which the party against whom enforcement is sought is subject to personal jurisdiction, under the rules applicable in the country in which enforcement is sought.

14. **Section Headings.** The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof.

15. **Severability.** The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provisions of this Agreement in the proceeding in which such provision(s) was deemed invalid or unenforceable. In the event that any of the provisions of this Agreement shall be held by any reviewing court, governmental authority or other similar party (a "Reviewing Party") to be invalid or unenforceable, such provisions shall be limited or eliminated in the applicable proceeding only to the minimum extent necessary so that this Agreement shall otherwise remain in full force and effect. In the event of any such determination of invalidity or unenforceability, the Reviewing Party shall be permitted to reform the terms of this Agreement in the applicable proceeding to most closely give effect to the expressed intent of the Parties hereto while still complying with applicable law. If any provisions of this Agreement are deemed invalid or unenforceable, or this Agreement is reformed in any manner by any Reviewing Party, at the request of the affected Party(ies), the Agreement shall subsequently be submitted to arbitration pursuant to Section 13 for further reformation (including the reinsertion of any provision deemed invalid or unenforceable) by the arbitrators, which further reformed Agreement shall be controlling and binding upon the Parties.

16. **Binding Agreement; Assignment.** This Agreement and all of the provisions hereof will be binding upon and inure to the benefit only of the Parties and their respective successors and assigns; provided, however, that neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any Party (except assignments among affiliated Schedule 1 Entities with notice to the Plan Sponsor, Takata and Parent) without the prior written consent of the Parties. Any such assignment made by any such Party without such prior written consent shall be null and void.

17. **Counterparts.** This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same instrument when one or more counterparts have been signed by each of the Parties and delivered to the other Parties.

18. **Electronic Signatures.** This Agreement may be delivered by facsimile or other electronic means, which shall constitute an original for all purposes. Each Party to this Agreement shall deliver original signature pages promptly upon the written request of any counterparty, even if such original signature pages are delivered after the Closing.

19. **Notices.** Any notice or other instrument to be given under this Agreement must be in writing and, except as otherwise provided in this Agreement, shall be deemed to be duly given if mailed, delivered by hand or sent by email or reputable overnight courier service to the parties to whom the communication is intended to be given, and any notice so delivered or sent shall be deemed to have been given: (a) if emailed, on the day and at the time at which the email was sent, (b) if sent by reputable overnight courier service, one (1) business day after being sent, and (c) if mailed, three (3) days following the date of mailing. Until changed by notice in the manner described above, the addresses of the parties for the purpose of notice shall be:

24. **No Waiver.** The failure by any Party to enforce at any time, or for any period of time, any one or more of the terms or conditions of this Agreement, or a course of dealing between or among the Parties or any of them, shall not be a waiver of such terms or conditions or of such Party's right thereafter to enforce each and every term and condition of this Agreement.

EXECUTION VERSION

THIRD AMENDMENT TO ASSET PURCHASE AGREEMENT

THIRD AMENDMENT TO ASSET PURCHASE AGREEMENT (this “**Third Amendment**”), is made and entered into as of the 15th day of February, 2018, by and among TK Holdings Inc., a Delaware corporation (“**TK Holdings**”), Takata Americas, a Delaware general partnership (“**Takata Americas**”), TK Holdings de Mexico S. de R.L. de C.V., a Mexico limited liability company (*sociedad de responsabilidad limitada de capital variable*) (“**TK Holdings de Mexico**”), TK Mexico LLC, a Delaware limited liability company (“**TK Mexico LLC**”), Industrias Irvin de Mexico, S.A. de C.V., a Mexico stock corporation (*sociedad anonima de capital variable*) (“**Industrias**”), Strosshe Mex S. de R.L. de C.V., a Mexico limited liability company (*sociedad de responsabilidad limitada de capital variable*) (“**SMX**”), Takata de Mexico S.A. de C.V., a Mexico stock corporation (*sociedad anonima de capital variable*) (“**TK de Mexico**” and, collectively with TK Holdings, Takata Americas, TK Holdings de Mexico, TK Mexico LLC, Industrias and SMX, “**Sellers**”), Joyson KSS Auto Safety S.A., a Luxembourg *société anonyme* (“**Parent**”, and collectively with one or more of its current or future Subsidiaries or Affiliates, the “**Plan Sponsor**”), and solely for purposes of Section 7.22 of the Agreement (as defined below), KSS Holdings, Inc., a Delaware corporation (“**KSS Holdings**”). Capitalized terms used but not otherwise defined herein shall have the meanings assigned to them in the Agreement (as defined below).

RECITALS

WHEREAS, on November 16, 2017, Sellers, Parent, and, solely for purposes of Section 7.22 thereof, KSS Holdings, entered into an Asset Purchase Agreement (the “**Base Agreement**”); and

WHEREAS, on December 13, 2017, Sellers, Parent, and, solely for purposes of Section 7.22 thereof, KSS Holdings, entered into the First Amendment to Asset Purchase Agreement (the “**First Amendment**”); and

WHEREAS, on December 25, 2017, Sellers, Parent, and, solely for purposes of Section 7.22 thereof, KSS Holdings, entered into the Second Amendment to Asset Purchase Agreement (together with the First Amendment and the Base Agreement, the “**Agreement**”); and

WHEREAS, Sellers, Parent and KSS Holdings, acting in accordance with Section 11.8 (Entire Agreement; Amendments and Waivers) of the Agreement, desire to amend the Agreement on the terms and subject to the conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual agreements contained herein, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Sellers, Parent, Plan Sponsor and KSS Holdings hereby agree as follows:

1. The following definition is hereby added to Section 1.1 in alphabetical order:

""Excluded Executory Contracts" means, collectively (but for clarity, in each case, excluding any OEM Assumed Contracts), (1) Contracts related to Excluded Assets including (i) Contracts related to PSAN Inflators, (ii) Contracts with the non-Consenting OEMs and related supply contracts that exclusively supply such non-Consenting OEMs, (iii) Contracts related to Transdigm Inc., Schroth Safety Systems LLC, Takata Protection Systems, Inc. and Interiors in Flight, Inc. and (iv) all insurance policies; (2) Contracts with non-directed Consenting OEM PSAN Tier Ones (as defined in the Plan) where the Plan Sponsor does not receive a release from such non-directed Consenting OEM PSAN Tier One or indemnity from the applicable Consenting OEM; (3) Contracts related to (i) employees that are not Transferred Employees and (ii) the Sellers' employee benefit plans; (4) the Contracts set forth on the Schedule of Rejected Contracts filed with the Bankruptcy Court dated January 30, 2018 [Docket No. 1860]; (5) the Sellers' IP/IT Contracts that are not assignable to the Plan Sponsor; and (6) up to 10% of the Sellers' IP/IT Contracts that are assignable to the Plan Sponsor."

2. Section 2.7(g) is hereby amended and restated in its entirety as follows:

"Other than as set forth below in this Section 2.7(g), the Plan Sponsor shall not reject any Executory Contracts and all such Executory Contracts shall be Purchased Contracts to be assumed and assigned pursuant to the Plan, this Agreement and the Confirmation Order.

(i) At any time and from time to time until the later of (i) two (2) Business Days prior to the U.S. Closing and (ii) seven (7) days after entry of a Final Order establishing the Cure Claim of a Disputed Cure Claim in accordance with Section 2.7(e), the Plan Sponsor, in its discretion by written notice to Sellers, may exclude from being assigned pursuant hereto any Executory Contracts (other than OEM Assumed Contracts), including any such Executory Contract previously designated by the Plan Sponsor as a Purchased Contract (other than OEM Assumed Contracts) as long as, as a result of any such exclusion, the aggregate amount of prepetition claims generated by all such exclusions does not exceed \$2 million (inclusive of any prepetition claims generated by any Executory Contracts rejected by Sellers pursuant to Section 2.7(g)(ii) (the "Rejection Cap"), and, in such circumstances, such Executory Contracts shall either (x) be rejected by Sellers, removed and not assumed by the Plan Sponsor, shall not constitute Purchased Contracts and shall be Excluded Assets, and the Plan Sponsor shall not acquire any rights or assume any Liabilities with respect thereto pursuant to Section 2.3(a) or (y) shall be assumed by Sellers and assigned to Reorganized Takata; provided, however, that nothing in this Section 2.7(g)(i) shall entitle the Plan Sponsor to (i) reduce the Purchase Price or (ii) exclude, or require Sellers to reject, any OEM Assumed Contract.

(ii) Notwithstanding Section 2.7(g)(i), except as noted below, with respect to Executory Contracts (other than Executory Contracts for the supply of Component Parts) that were not disclosed on the Schedule of Rejected Contracts filed with the Bankruptcy Court dated January 30, 2018 [Docket No. 1860] or to the Plan Sponsor on or prior to January 30, 2018, the Plan Sponsor may, in its discretion by written notice to Sellers, decline to assume any such Executory Contracts, and if the Plan Sponsor so declines to assume any

such Executory Contracts, the Sellers, in their discretion, may determine whether to reject such Executory Contracts or to have Reorganized Takata assume such Executory Contracts. If Reorganized Takata assumes any such Executory Contract, Reorganized Takata will pay the related Cure Amount. If the Sellers reject any such Executory Contract, and the rejection of such Executory Contract results in rejection damages that, together with the damages resulting from the rejection of other Executory Contracts by the Plan Sponsor as contemplated by Section 2.7(g)(i), exceed the Rejection Cap, subject to Bankruptcy Court approval, the Sellers will contribute sufficient funds to the Support Party Creditor Fund (as defined in the Plan) to pay the related damages claim, such that there is no dilutive effect to the proportionate recovery of the beneficiaries of the Support Party Creditor Fund (as defined in the Plan) based on the distribution percentages established as of the Effective Date. For the avoidance of doubt, subject to Section 2.7(g)(i), Section 2.7(g)(iii), Section 2.7(g)(v) and Section 2.7(g)(vi), the Plan Sponsor shall not have the right to exclude undisclosed Executory Contracts for the supply of components or parts from its obligation to assume Executory Contracts pursuant to Section 2.7.

(iii) Notwithstanding anything to the contrary contained herein, if the amount of Cure Claims that the Plan Sponsor and the Seller would be required to pay pursuant to Section 2.7(g)(i) and Section 2.7(g)(ii) would, in the aggregate, exceed \$60 million (the "Excess Cure Conditions"), the Plan Sponsor and the Sellers will have the right to reject Executory Contracts. If the Excess Cure Condition occurs, then at any time and from time to time hereafter until the later of (i) two (2) Business Days prior to the U.S. Closing and (ii) seven (7) days after entry of a Final Order establishing the Cure Claim of a Disputed Cure Claim in accordance with Section 2.7(e), the Plan Sponsor, in its discretion by written notice to Sellers, may exclude from being assigned pursuant hereto any Executory Contracts (other than OEM Assumed Contracts), including any such Executory Contract previously designated by the Plan Sponsor as a Purchased Contract (other than OEM Assumed Contracts), and, in such circumstances, such Executory Contracts shall be rejected by Sellers, removed and not assumed by the Plan Sponsor, shall not constitute Purchased Contracts and shall be Excluded Assets, and the Plan Sponsor shall not acquire any rights or assume any Liabilities with respect thereto pursuant to Section 2.3(a); provided, however, that nothing in this Section 2.7(g)(iii) shall entitle the Plan Sponsor to (i) reduce the Purchase Price or (ii) exclude, or require Sellers to reject, any OEM Assumed Contract.

(iv) Upon the Plan Sponsor's reasonable request, Sellers shall use commercially reasonable efforts to provide additional information as to the Liabilities under the Executory Contracts sufficient for the Plan Sponsor to make an informed assessment as to whether to designate such Executory Contracts as Excluded Assets.

(v) Subject to clause 2(g)(vi) below, at any time and from time to time until the later of (i) two (2) Business Days prior to the U.S. Closing and (ii) seven (7) days after entry of a Final Order establishing the Cure Claim of a Disputed Cure Claim in accordance with Section 2.7(e), the Plan Sponsor, in its discretion by written notice to Sellers, may exclude from being assigned pursuant hereto any Excluded Executory Contracts, including any such Excluded Executory Contract previously designated by the Plan

Sponsor as a Purchased Contract, and, in such circumstances, such Excluded Executory Contract shall be rejected by Sellers, removed and not assumed by the Plan Sponsor, shall not constitute Purchased Contracts and shall be Excluded Assets, and the Plan Sponsor shall not acquire any rights or assume any Liabilities with respect thereto pursuant to Section 2.3(a); provided, however, that nothing in this Section 2.7(g)(v) shall entitle the Plan Sponsor to (i) reduce the Purchase Price or (ii) exclude, or require Sellers to reject, any OEM Assumed Contract. For the avoidance of doubt, Section 2.7(g)(i), Section 2.7(g)(ii) and Section 2.7(g)(iii) shall not in any way limit the Plan Sponsor's determination to exclude any Excluded Executory Contract from being assigned to the Plan Sponsor.

(vi) Notwithstanding anything to the contrary in this Section 2.7(g), all Contracts described in clauses (1)(i), (1)(ii), 1(iv), 2, 3 and 5 of the "Excluded Executory Contracts" definition shall be rejected unless Plan Sponsor otherwise instructs the Sellers in writing."

3. The text contained in Section 3.3(b) is hereby deleted in its entirety and replaced with "[intentionally omitted]".

4. The text contained in Section 4.3(a)(i)(D) is hereby deleted in its entirety and replaced with "[intentionally omitted]".

5. Section 4.4(d)(vii) shall be amended and restated in its entirety as set forth below:

"the Confirmation Order is not entered by the Bankruptcy Court on or before February 21, 2018;"

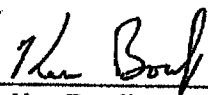

6. Except as expressly set forth herein, this Third Amendment (i) shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of the parties hereto, including without limitation any accrued to date, or any other party under the Agreement, or the documents delivered pursuant thereto, and (ii) shall not alter, modify, amend or in any way affect any of the terms or conditions contained in the Agreement, or the documents delivered pursuant thereto, all of which are ratified and affirmed in all respects and shall continue in full force and effect.

7. Upon the execution hereof, this Third Amendment and the Agreement shall constitute one agreement. The term "Agreement", as used in the Agreement, shall mean the Agreement as amended by this Third Amendment, although this change shall not alter the dates as of which any provision of the Agreement speaks, except as expressly provided herein. For example, phrases such as "as of the date hereof" and "as of the date of this Agreement" shall continue to refer to November 16, 2017, the date that the Agreement was executed, except as expressly provided herein.
