The Plan is put forward in the expectation that stakeholders generally will derive a greater benefit from the continued operation of the Business by New Canwest than would result from a bankruptcy or liquidation of the Business.

2.2 Persons Affected

The Plan provides for the compromise, discharge and/or release at the Effective Time of Affected Claims against the Plan Entities, Intercompany Claims against the CTLP Group Entities, a release and discharge of Canwest and the Canwest Subsidiaries in respect of all claims pertaining to the Notes, and a release of all claims and Affected Claims against the Directors and Officers and a restructuring of the Business. - (a) On the Plan Implementation Date, and without limiting in any way the releases and discharges of all Claims provided for in Sections 5.5(e) and 5.5(h) and Section 6.3(d), Canwest, the CMI Entities and the Canwest Subsidiaries and each of their respective present and former shareholders, the Directors and Officers, members of the Special Committee or any pension or other committee or governance counsel, financial advisors (including RBC and Genuity), legal counsel and agents, the Monitor and its counsel, FTI, the Chief Restructuring Advisor, the Initial Directors, the Retiree Representative Counsel, the Retiree Representatives, CIBC and the Plan Sponsor and the present and former directors, officers and agents of each (collectively, the “**Released Parties**”) will be released and discharged from any and all demands, claims, actions, causes of action, counterclaims, suits, debts, sums of money, accounts, covenants, damages, judgments, expenses, executions, liens and other recoveries on account of any indebtedness, liability, obligation, demand

or cause of action of whatever nature that any Person (including any Person who may claim contribution or indemnification against or from them) may be entitled to assert, including any and all Claims in respect of statutory liabilities of Directors, Officers, and any alleged fiduciary (whether acting as a director, officer, member of the Special Committee or a pension or other committee or governance counsel or acting in any other capacity in connection with the administration of the CH Plan or any other pension or benefit plan of any of the CMI Entities) whether known or unknown, matured or unmatured, direct, indirect or derivative, foreseen or unforeseen, existing or hereafter arising, based in whole or in part on any act or omission, transaction, dealing or other occurrence existing or taking place on or prior to the Plan Implementation Date relating to, arising out of or in connection with any claim, including any claim arising out of (i) the restructuring, disclaimer, resiliation, breach or termination of any contract, lease, agreement or other arrangement, whether written or oral, (ii) the business and affairs of Canwest, any of the CMI Entities or any of the Canwest Subsidiaries, (iii) the administration or management of the CH Plan or any other pension or benefit plans, (iv) the Plan, (v) the CCAA Proceedings, (vi) any transaction referenced in the Support Agreement, the Subscription Agreement, the Shaw Support Agreement, the CTLP Limited Partnership Agreement or the Plan Emergence Agreement, and (vii) the Canwest Articles of Reorganization and related transactions, provided however that nothing in this Section 7.3 will release or discharge:

- (A) Canwest or any of the Canwest Subsidiaries (other than the CTLP Plan Entities) from or in respect of (x) any Unaffected Claim or (y) its obligations to Affected Creditors under the Plan or under any Order;
- (B) a Released Party if the Released Party is adjudged by the express terms of a judgment rendered on a final determination on the merits to have committed fraud or wilful misconduct or to have been grossly negligent or, in the case of Directors, in respect of any claim referred to in section 5.1(2) of the CCAA;
- (C) any Claim (other than a Claim of a Noteholder or the Trustee) against a CMI Entity which is not a Plan Entity, and any Affected Creditor shall be allowed to continue to assert such Claim against National Post Holdings, National Post, and any National Post Consolidated Bankruptcy Estate or against any such other CMI Entity which is not a Plan Entity; and
- (D) claims of creditors against Canwest Subsidiaries which are not CMI Entities.

For greater certainty and notwithstanding sub-paragraphs A, B, C and D above, all Claims including all Restructuring Period Claims filed against the Directors and Officers pursuant to the Claims Procedure Order or otherwise and all other claims against the Directors and Officers of Canwest and the Canwest Subsidiaries shall

be discharged, released and forever barred with prejudice, and the Directors and Officers shall have no further liability in respect thereto.

- (b) At the Effective Time, the Noteholders, the Ad Hoc Committee, the Trustee and each of their respective present and former shareholders, officers, directors, legal counsel, agents and Houlihan, (collectively, the “**Noteholder Released Parties**”) will be released and discharged from any and all demands, claims, actions, causes of action, counterclaims, suits, debts, sums of money, accounts, covenants, damages, judgments, expenses, executions, liens and other recoveries on account of any indebtedness, liability, obligation, demand or cause of action of whatever nature that any Person (including any Person who may claim contribution or indemnification against or from them) may be entitled to assert whether known or unknown, matured or unmatured, direct, indirect or derivative, foreseen or unforeseen, existing or hereafter arising, based in whole or in part on any act or omission, transaction, dealing or other occurrence existing or taking place on or prior to the Effective Time relating to, arising out of or in connection with the Notes (including any guarantee obligations under the Notes or the Indenture), the recapitalization of the CMI Entities, the Plan, the CCAA Proceedings, the Support Agreement and the Shaw Support Agreement and any other actions or matters related directly or indirectly to the foregoing; provided that nothing in this Section 7.3(b) will release or discharge any of the Noteholder Released Parties in respect of their obligations under the Plan and provided further that nothing in this Section 7.3(b) will release or discharge a Noteholder Released Party if the Noteholder Released Party is adjudged by the express terms of a judgment rendered on a final determination on the merits to have committed fraud or wilful misconduct, or to have been grossly negligent.

7.4 Guarantees and Similar Covenants

No Person who has a Claim under any guarantee, surety, indemnity or similar covenant in respect of any Claim that is compromised under the Plan or who has any right to claim over in respect of, or to be subrogated to the rights of, any Person in respect of a Claim that is compromised under the Plan will be entitled to any additional rights beyond the rights of the Affected Creditor whose Claim is compromised under the Plan.

7.5 Consents, Waivers and Agreements

At the Effective Time, each Affected Creditor will be deemed to have consented and agreed to all of the provisions of the Plan, in its entirety. Without limitation to the foregoing, each Affected Creditor will be deemed:

- (a) to have executed and delivered to the CMI Entities all consents, assignments, releases and waivers, statutory or otherwise, required to implement and carry out the Plan in its entirety;
- (b) to have waived any default by or rescinded any demand for payment against any CMI Entity that has occurred on or prior to the Plan Implementation Date pursuant to, based upon or as a result of any provision, express or implied, in any agreement

or other arrangement, written or oral, existing between such Affected Creditor and such CMI Entity with respect to an Affected Claim;

- (c) to have agreed that, if there is any conflict between the provisions, express or implied, of any agreement or other arrangement, written or oral, existing between such Affected Creditor and any CMI Entity with respect to an Affected Claim as at the Plan Implementation Date and the provisions of the Plan, then the provisions of the Plan take precedence and priority and the provisions of such agreement or other arrangement are amended accordingly; and
- (d) from and after the Effective Time, such Affected Creditor shall be deemed to have waived any and all defaults of the CMI Entities (except defaults under the securities, contracts, instruments, releases and other documents delivered under the Plan or entered into in connection therewith or pursuant thereto) then existing or previously committed by the CMI Entities or caused by the CMI Entities, directly or indirectly, or non-compliance with any covenant, warranty, representation, term, provision, condition or obligation, express or implied, in any contract, credit document, agreement for sale, lease or other agreement, written or oral, and any and all amendments or supplements thereto, existing between such Affected Creditor and the CMI Entities arising from the filing by the Applicants under the CCAA or the transactions contemplated by the Plan and the failure by any CMI Entity to receive any consent from such Affected Creditor to any transaction contemplated by the Plan, including a default arising therefrom under a covenant relating to any affiliate or a Canwest Subsidiary other than the CMI Entities, and any and all notices of default and demands for payment under any instrument, including any guarantee arising from such default, shall be deemed to have been rescinded.

7.6 Multiple Affected Claims

At the Effective Time, for distribution purposes under the Plan, in respect of all Affected Creditors and their rights in respect of Affected Claims: (a) all guarantees and indemnities of a Plan Entity of the payment or performance by another Plan Entity with respect to any Affected Claim will be deemed eliminated and cancelled; and (b) any Affected Claim against a Plan Entity and all guarantees and indemnities by a Plan Entity of any such Affected Claim will be treated as a single Affected Claim against the Plan Entities.

For greater certainty, the treatment of Affected Claims as provided in this Section 7.6 will not affect the legal and corporate structures of the CMI Entities or cause any CMI Entity to be liable for any Claim for which it is not otherwise liable.

ARTICLE 8 GENERAL

8.1 Amendments

Before and during each Meeting, the CMI Entities may at any time and from time to time, amend the Plan by written instrument and the Monitor shall post such amendment on the Website, subject

to the receipt of the prior written consent to such amendment of the Plan Sponsor and the Ad Hoc Committee. The CMI Entities will give reasonable written notice to all Affected Creditors present at each Meeting of the details of any such amendment prior to the vote being taken to approve the Plan. After the Meetings, the CMI Entities may at any time and from time to time amend the Plan by written instrument if (a) the Court, the CMI Entities, the Ad Hoc Committee and the Plan Sponsor, or (b) the Monitor, the CMI Entities, the Plan Sponsor and the Ad Hoc Committee without the need for obtaining an Order, consent to such amendment and determine that such amendment would not be materially prejudicial to the interests of the Affected Creditors under the Plan or is necessary to give effect to the full intent of the Plan or the Sanction Order, provided that the CMI Entities shall give reasonable written notice of the details of any such amendment to Affected Creditors that have filed a notice of appearance in the CCAA Proceedings and shall post such notice on the Website. The Applicants will file a copy of any amendment to the Plan with the Court, but no notice will be provided to Affected Creditors, other than as provided in this Section 8.1, and no additional vote of the Affected Creditors will be necessary to give effect to such amendment to the Plan.

8.2 Non-Consummation of the Plan

If the Sanction Order is not issued, the Plan will be null and void in all respects and any claim, settlement, compromise or assignment embodied in the Plan, any restructuring, termination, disclaimer or resiliation of executory contracts, any releases effected by the Plan and any document or agreement executed pursuant to the Plan will be deemed null and void. If the Sanction Order is not issued or subsequently the Plan is not implemented, nothing contained in the Plan, and no act taken in preparation for implementation of the Plan will: (a) constitute or be deemed to constitute a waiver or release of any Claims by or against any CMI Entity or any Person; (b) prejudice in any manner, the rights of any CMI Entity or any Person in any further proceedings involving a CMI Entity; or (c) constitute an admission of any sort by any CMI Entity or any other Person, including in respect of the classification of creditors.

8.3 Contracts and Leases

Except as otherwise provided in the Plan, as of the Effective Time, each Plan Entity shall be deemed to have ratified each executory contract and unexpired lease to which it is a party (other than in respect of Claims arising from such contract or lease which for greater certainty will be Affected Claims of which are compromised pursuant to the Plan), unless such contract or lease: (a) was previously disclaimed, resiliated or terminated by such Plan Entity; (b) previously expired or terminated pursuant to its own terms; or (c) was amended as evidenced by a written agreement with the Plan Entity and in such case, the amended contract or lease shall be deemed ratified.

8.4 Preferential Transactions

Section 36.1 of the CCAA, sections 95 to 101 of the BIA and any federal or provincial Law relating to preferences, fraudulent conveyances or transfers at undervalue shall not apply to the Plan or to any payments or distributions made in connection with the restructuring and recapitalization of the CMI Entities, whether made before or after the Filing Date, including to any and all transactions contemplated by and to be implemented pursuant to the Plan.

8.5 Severability of Plan Provisions

If, prior to the Effective Time, any provision of the Plan is held by the Court to be invalid, void or unenforceable, the Court, at the request of the Applicants and subject to the consent of the Monitor, the Plan Sponsor and the Ad Hoc Committee, may alter and interpret such provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of such provision, and such provision will then be applicable as altered or interpreted and the remainder of the provisions of the Plan will remain in full force and effect and will in no way be invalidated by such alteration or interpretation.

8.6 Deeming Provisions

In the Plan, the deeming provisions are not rebuttable and are conclusive and irrevocable.

8.7 Paramountcy

Except with respect to the Unaffected Claims, from and after the Effective Time, any conflict between the Plan and the covenants, warranties, representations, terms, conditions, provisions or obligations, expressed or implied, of any contract, mortgage, security agreement, indenture, trust indenture, loan agreement, commitment letter, agreement for sale, bylaws of the CMI Entities, lease or other agreement, written or oral and any and all amendments or supplements thereto existing between one or more of the Affected Creditors and the CMI Entities as at the Plan Implementation Date will be deemed to be governed by the terms, conditions and provisions of the Plan and the Sanction Order, which shall take precedence and priority.

8.8 Set-Off

The law of set-off applies to all Affected Claims.

8.9 Responsibilities of the Monitor

FTI is acting in its capacity as Monitor in the CCAA Proceedings with respect to the CMI Entities and not in its personal or corporate capacity and will not be responsible or liable for any obligations of any CMI Entity under the Plan or otherwise, including with respect to the making of distributions or the receipt of any distribution by an Affected Creditor pursuant to the Plan or the Plan Emergence Agreement. The Monitor will have the powers and protections granted to it by the Plan, the CCAA, the Initial Order, the Meeting Order, the Sanction Order and any other Order.

8.10 Different Capacities

Persons who are affected by the Plan may be affected in more than one capacity. Unless expressly provided herein to the contrary, a Person will be entitled to participate hereunder in each such capacity in accordance with the Meeting Order. Any action taken by a Person in one capacity will not affect such Person in any other capacity, unless otherwise provided in the Meeting Order, or unless expressly agreed by the Person in writing.

8.11 Further Assurances

At the request of the CMI Entities, each of the Persons named or referred to in, or subject to, the Plan will execute and deliver all such documents and instruments and do all such acts and things as may be necessary or desirable to carry out the full intent and meaning of the Plan and to give effect to the transactions contemplated herein, notwithstanding any provision of the Plan that deems any transaction or event to occur without further formality.

8.12 Governing Law

The Plan will be governed by and construed in accordance with the Laws of the Province of Ontario and the Laws of Canada applicable therein.

NEW CANWEST ARTICLES OF INCORPORATION

FORM 1 – ARTICLES OF INCORPORATION

- Item 3 See attached Schedule A
- Item 4 The shares of the Corporation shall be subject to the restriction on the transfer of securities set out under other provisions, if any.
- Item 5 Minimum of 1; Maximum of 10
- Item 6 None
- Item 7 See attached Schedule B

**SCHEDULE A
TO THE ARTICLES OF INCORPORATION**

The Corporation is authorized to issue an unlimited number of class A Common, an unlimited number of Class B Common and an unlimited number of Preferred shares each subject to the rights, privileges, restrictions and conditions as set forth below:

1. The class A Common shares and the Class B Common shares shall be subject to the following rights, privileges, restrictions and conditions:
 - (a) The holders of class A Common shares shall be entitled to receive notice of, attend at and vote at all meetings of shareholders on the basis of one (1) vote for each class A Common share held;
 - (b) Subject to the provisions of the *Canada Business Corporations Act*, the holders of Class B Common shares shall not be entitled to receive notice of, attend at or vote at any meetings of shareholders;
 - (c) The holders of class A Common shares and Class B Common shares shall be entitled to receive dividends as and when declared by the Corporation. Dividends may be paid on the class A Common shares (to the complete exclusion of the Class B Common shares), or on the Class B Common shares (to the complete exclusion of the class A Common shares), or in part on each such class;
 - (d) Upon the liquidation or dissolution of the Corporation, the holders of class A Common shares and Class B Common shares shall, subject to the rights, privileges, restrictions and conditions attaching to any other class of shares of the Corporation, be entitled to share, pro rata, according to the number of class A Common shares and Class B Common shares held, in the remaining property of the Corporation; and
 - (e) Except as hereinbefore provided, class A Common shares and Class B Common shares shall rank *pari passu* with each other.
2. The Preferred shares shall be subject to the following rights, privileges, restrictions and conditions:
 - (a) The redemption price (the “**Redemption Price**”) with respect to each Preferred share shall be fixed by the directors at the time of the first issuance of any such Preferred shares and shall equal the amount obtained when the difference, if positive, between:
 - (i) the fair market value, at the time of the first issuance of any Preferred shares, of all consideration received by the Corporation in connection with such issuance (whether or not, in connection with such issuance, the Corporation also issues or gives any non-share consideration in exchange for the consideration received) and
 - (ii) the fair market value of any non-share consideration issued by the Corporation for the consideration received is divided by the number of

Preferred shares so issued. The Redemption Price may be adjusted in accordance with the provisions of any written agreement between the Corporation and the subscriber for any such Preferred shares;

- (b) The holders of Preferred shares shall be entitled to receive and the Corporation shall pay thereon, as and if declared by the board of directors, out of the moneys of the Corporation properly applicable to the payment of dividends, non-cumulative dividends at a rate to be determined by the directors upon the first issuance of any such shares. In respect of the fiscal year of the Corporation in which a particular Preferred share is issued, such dividends in respect thereof shall accrue from the date of allotment of such Preferred share. The board of directors shall be entitled from time to time to declare part of the said non-cumulative dividend for any fiscal year, notwithstanding that such dividend for such fiscal year shall not be declared in full. If within three (3) months after the expiration of any fiscal year of the Corporation the board of directors in its discretion shall not declare any dividend on the Preferred shares for such fiscal year, or shall only declare a part of the said non-cumulative dividend, then the rights of the holders of the Preferred shares to such dividend for such fiscal year shall, as to the undeclared part thereof, be forever extinguished. The holders of the Preferred shares shall not be entitled to any dividends other than or in excess of the non-cumulative dividends hereinbefore provided for;
- (c) In the event of the liquidation, dissolution or winding up of the Corporation or other distribution of assets or property of the Corporation among shareholders for the purpose of winding-up its affairs, the holders of Preferred shares shall be entitled to receive from the assets and property of the Corporation, a sum equivalent to the Redemption Price plus all declared but unpaid dividends thereon, in respect of each Preferred share held by them respectively, before any amount shall be paid or any property or assets of the Corporation distributed to the holders of any class of common shares or any other class or series of shares ranking junior to the Preferred shares. After payment to the holders of the Preferred shares of the amount so payable to them as hereinbefore provided for, they shall not be entitled to share any further in the distribution of the assets or property of the Corporation;
- (d) Subject to the provisions of the *Canada Business Corporations Act*, the Corporation may, upon giving notice as hereinafter provided, redeem at any time the whole or from time to time any part of the then outstanding Preferred shares on payment for each share to be redeemed of the Redemption Price plus all declared but unpaid dividends thereon. In case a part only of the then outstanding Preferred shares is at any time to be redeemed, the Preferred shares so to be redeemed shall be selected from the outstanding Preferred shares held by each holder as nearly (disregarding fractions), as may be in proportion to his total holding of such shares;
- (e) In the case of redemption of Preferred shares under the provisions of clause (d) hereof, the Corporation shall at least thirty (30) days before the date specified for redemption mail or deliver to each person who at the date of mailing or delivery is a holder of Preferred shares to be redeemed, a notice in writing of the intention of the Corporation to redeem such Preferred shares. In case of mailing, such notice shall be mailed by letter, postage prepaid, addressed to the holder at such holder's

address as it appears on the records of the Corporation or in the event of the address of any such holder not so appearing, then to the last known address of such holder. Such notice shall specify (i) the number of Preferred shares that the Corporation desires to redeem; (ii) the business day (the "Redemption Date") on which the Corporation desires to redeem the Preferred shares; (iii) the amount of all declared but unpaid dividends with respect to the Preferred shares to be redeemed; and (iv) the place or places of redemption;

On or after the Redemption Date, the Corporation shall pay or cause to be paid in respect of each Preferred share to be redeemed, to or to the order of the holders of the Preferred shares to be redeemed, the Redemption Price thereof plus all declared but unpaid dividends thereon, if any, on presentation and surrender at the registered office of the Corporation or any other place designated in such notice of the certificates representing the Preferred shares called for redemption. Such payment shall be made by cheque payable at par at any branch of the Corporation's bankers for the time being in Canada. If a part only of the shares represented by any certificate are to be redeemed, a new certificate for the balance shall be issued at the expense of the Corporation. From and after the Redemption Date the holders of the Preferred shares called for redemption shall cease to be entitled to dividends and shall not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Redemption Price plus all declared but unpaid dividends thereon shall not be made upon presentation of certificates in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected. The Corporation shall have the right at any time after the mailing of notice of its intention to redeem any Preferred shares to deposit the Redemption Price plus all declared but unpaid dividends thereon, if any, of the shares so called for redemption with respect to such of the said shares represented by certificates as have not at the date of such deposit been surrendered by the holders thereof in connection with such redemption to a special account in any chartered bank or any trust company in Canada named in such notice, to be paid without interest to or to the order of the respective holders of such Preferred shares called for redemption upon presentation and surrender to such bank or trust company of the certificates representing same. Upon such deposit being made or upon the date specified for redemption in such notice, whichever is the later, the Preferred shares in respect whereof such deposit shall have been made shall be redeemed and the rights of the holders thereof after such deposit or such redemption date, as the case may be, shall be limited to receiving, without interest, their proportionate part of the total Redemption Price plus all declared but unpaid dividends thereon, if any, so deposited against presentation and surrender of the said certificates held by them respectively;

- (f) Subject to the provisions of the *Canada Business Corporations Act*, the Corporation may purchase at any time the whole or from time to time any part of the then outstanding Preferred shares on payment for each share to be purchased of the Redemption Price thereof plus all declared but unpaid dividends thereon, if any. The provisions of clauses (d) and (e) above shall apply mutatis mutandis to any such purchase;

- (g) A holder of Preferred shares shall, subject to the provisions of clause (h) below, be entitled by written notice given to the Corporation at its registered office in Alberta, to require the Corporation at the option of such holder, to either redeem or purchase all or any of the issued and outstanding Preferred shares held by such holder. The holder shall tender with such notice to the Corporation at its registered office a share certificate or certificates representing the Preferred shares which the registered holder desires to have the Corporation redeem or purchase together with a request in writing specifying (i) that the registered holder desires to have the Preferred shares represented by such certificate or certificates redeemed or purchased by the Corporation and, if part only of the Preferred shares represented by such certificate or certificates is to be redeemed or purchased, the number thereof to be so redeemed or purchased; and (ii) the business day (the "Redemption Date") on which the holder desires to have the Corporation redeem or purchase such Preferred shares;

Unless waived by the Corporation, the Redemption Date shall be not less than thirty (30) days after the day on which the request in writing is given to the Corporation. Upon receipt of a share certificate or certificates representing the Preferred shares which the registered holder desires to have the Corporation redeem or purchase together with such a request, the Corporation shall on the Redemption Date redeem such Preferred shares by paying to such registered holder the Redemption Price per Preferred share for each such share being redeemed or purchased plus all declared but unpaid dividends thereon. Such payment shall be made by cheque payable at par at any branch of the Corporation's bankers for the time being in Canada. If a part only of the shares represented by any certificate be redeemed or purchased a new certificate for the balance shall be issued at the expense of the Corporation. The said Preferred shares shall be redeemed or purchased on the Redemption Date and from and after the Redemption Date such shares shall cease to be entitled to dividends and the holder thereof shall not be entitled to exercise any of the rights of holders of Preferred shares in respect thereof unless payment of the Redemption Price per Preferred share plus all declared but unpaid dividends thereon is not made on the Redemption Date, in which event the rights of the holder of the said Preferred shares shall remain unaffected;

- (h) In the event that a redemption or purchase by the Corporation of those Preferred shares specified in the written notice given to it by a holder of Preferred shares pursuant to the provisions of clause (g) above cannot be complied with without contravening a provision or provisions of the *Canada Business Corporations Act* or some other applicable legislation, then the Corporation shall only redeem or purchase, as the case may be, such proportion (if any, and disregarding fractions) of the issued and outstanding Preferred shares held by each holder thereof as can be redeemed or purchased without causing such contravention and the Corporation shall redeem or purchase the balance of the outstanding Preferred shares in respect of which the Corporation has received notices for redemption or purchase on a pro rata basis, disregarding fractions, at such time or times as such redemption or purchase can be made without causing the Corporation to be in contravention of the *Canada Business Corporations Act* or some other applicable legislation;

- (i) If it is determined at any time subsequent to the date of issue of a Preferred share and prior to its redemption or purchase by the Corporation, that the Redemption Price of that share exceeded or was exceeded by the fair market value as at such date of the consideration received therefor (herein the "Fair Market Value of the Consideration"), then (i) if the Redemption Price exceeded the Fair Market Value of the Consideration, then as and from such determination the Redemption Price shall be reduced by the amount required to eliminate such excess; and (ii) if the Redemption Price is exceeded by the Fair Market Value of the Consideration, then as and from such determination the Redemption Price shall be increased by the amount required to eliminate such excess or the Corporation shall forthwith issue that number of Preferred shares as may be required to eliminate such excess;

If it is determined at any time subsequent to the date of issue of a Preferred share and subsequent to its redemption or purchase by the Corporation, that the Redemption Price of that share exceeded or was exceeded by the Fair Market Value of the Consideration as at such date, then (i) if the Redemption Price exceeded the Fair Market Value of the Consideration, then the holder of that Preferred share shall forthwith pay to the Corporation an amount equal to such excess; and (ii) if the Redemption Price is exceeded by the Fair Market Value of the Consideration, then the Corporation shall forthwith pay to the holder of that Preferred share an amount equal to such excess or shall issue that number of Preferred shares as may be required to eliminate such excess;

- (j) Subject to the provisions of the *Canada Business Corporations Act*, the holders of Preferred shares shall not be entitled to receive notice of, attend at or vote at any meetings of shareholders;

3. Notwithstanding anything herein expressed or implied to the contrary, no dividend shall be declared or paid on any common shares of the Corporation if such declaration or payment would cause the realizable value of the assets of the Corporation to be less than the aggregate of:

- (a) its liabilities;
- (b) the stated capital of all issued and outstanding shares of the Corporation; and
- (c) the amount the Corporation would be required to pay on a complete redemption or purchase of any issued and outstanding Preferred shares of the Corporation.

(b) Seal.

The Corporation may, but need not, adopt a corporate seal, and may change a corporate seal that is adopted. Any corporate seal adopted for the Corporation shall be such as the board of directors may by resolution from time to time approve.

DIRECTORS

3. Number and Duties.

Subject to any unanimous shareholder agreement, the directors shall manage, or supervise the management of, the business and affairs of the Corporation. The board of directors may consist of the number of directors set out in the articles of the Corporation or, where a minimum and maximum number is provided for in the articles, such number of directors as may be determined from time to time by ordinary resolution of the shareholders or if the resolution of the shareholders empowers the directors to determine such number, then by resolution of the directors. Subject to the Act, at least twenty-five per cent of the directors shall be resident Canadians. However, subject to the Act, if the Corporation has less than four directors, at least one director shall be a resident Canadian. If the Corporation is a distributing corporation and any of its securities remain outstanding and are held by more than one person, at least two of the directors shall not be officers or employees of the Corporation or any affiliate of the Corporation. In exercising his or her powers and discharging his or her duties each director shall (a) act honestly and in good faith with a view to the best interests of the Corporation and (b) exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances.

4. Term of Office.

A director's term of office (subject to (a) the provisions of the articles of the Corporation; (b) the provisions of the Act; (c) any unanimous shareholder agreement; and (d) any expressly stated term of office) shall be from the date on which the director is elected or appointed until the annual meeting next following.

5. Vacation of Office.

A director of the Corporation ceases to hold office when the director: (a) becomes bankrupt; (b) is found to be of unsound mind by a court in Canada or elsewhere; (c) by notice in writing to the Corporation, resigns, which resignation shall be effective at the time it is received by the Corporation or at the time specified in the notice, whichever is later; (d) dies; (e) is removed from office by the shareholders in accordance with paragraph 6; or (f) if required to hold shares issued by the Corporation to be qualified as a director, ceases to hold such shares.

6. Election and Removal.

Subject to Section 107 of the Act, the shareholders of the Corporation shall elect, at the first meeting of shareholders and at each succeeding annual meeting at which an election of directors is required, directors to hold office for a term expiring not later than the close of the next annual meeting of shareholders following the election. A director not elected for an expressly

stated term ceases to hold office at the close of the first annual meeting of shareholders following the director's election, but, if qualified, is eligible for re-election. If directors are not elected at a meeting of shareholders, the incumbent directors continue in office until their successors are elected. Provided always that, subject to Section 109 of the Act, the shareholders of the Corporation may, by ordinary resolution passed at a special meeting of shareholders, remove any director or directors from office and a vacancy created by the removal of a director may be filled at the meeting of the shareholders at which the director is removed.

7. Committees of Directors.

The directors may appoint from among their number a committee or committees and subject to Section 115 of the Act may delegate to any such committee any of the powers of the directors. Subject to the by-laws and any resolution of the board of directors, any committee of directors may meet for the transaction of business, adjourn and otherwise regulate its meetings as it sees fit and may from time to time adopt, amend or repeal rules or procedures in this regard. Subject to the Act, except to the extent otherwise determined by the board of directors or, failing such determination, as determined by such committee of directors, the provisions of paragraphs 8 to 15, inclusive, shall apply, mutatis mutandis, to such committee.

MEETINGS OF DIRECTORS

8. Place of Meeting.

Meetings of the directors may be held within or outside Canada.

9. Notice.

A meeting of directors may be convened by the Chairperson of the Board, the Vice-Chairperson of the Board, the Managing Director, the Chief Executive Officer if he is a director, the President if he is a director, a Vice-President who is a director or any two directors at any time, and the Secretary, when directed or authorized by any of such officers or any two directors, shall convene a meeting of directors. The notice of any meeting convened as aforesaid need not specify the purpose of or the business to be transacted at the meeting, except for any of the matters set out in Section 115(3) of the Act.

Notice of any such meeting shall be served in the manner specified in paragraph 60 of this by-law not less than two days (exclusive of the day on which the notice is delivered or sent but inclusive of the day for which notice is given) before the meeting is to take place; provided always that a director may in any manner waive notice of a meeting of directors (whether before or after such meeting) and attendance of a director at a meeting of directors shall constitute a waiver of notice of the meeting except where a director attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called; provided further that meetings of directors may be held at any time without notice if all the directors are present (except where a director attends a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called) or if all of the absent directors waive notice before or after the date of such meeting.

If the first meeting of the directors following the election of directors by the shareholders is held immediately thereafter, then for such meeting or for a meeting of the directors at which a director is appointed to fill a vacancy in the board, no notice shall be necessary to such elected or appointed directors or directors in order to legally constitute the meeting, provided that a quorum of the directors is present.

10. Omission of Notice.

The accidental omission to give notice of any meeting of directors to, or the non-receipt of any notice by, any person shall not invalidate any resolution passed or any proceeding taken at such meeting.

11. Adjournment.

Any meeting of directors may be adjourned from time to time by the Chairperson of the meeting, with the consent of the meeting, to a fixed time and place. Notice of any adjourned meeting of directors is not required to be given if the time and place of the adjourned meeting is announced at the original meeting. Any adjourned meeting shall be duly constituted if held in accordance with the terms of the adjournment and a quorum is present thereat. The directors who formed a quorum at the original meeting are not required to form the quorum at the adjourned meeting. If there is no quorum present at the adjourned meeting, the original meeting shall be deemed to have terminated forthwith after its adjournment. Any business may be brought before or dealt with at any adjourned meeting which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same.

12. Quorum.

A majority of the number of directors fixed under paragraph 3 shall form a quorum for the transaction of business and, notwithstanding any vacancy among the directors, a quorum of directors may exercise all the powers of directors. No business shall be transacted at a meeting of directors unless a quorum of the board of directors is present and, except as otherwise permitted or restricted by the Act, at least twenty-five per cent of the directors present are resident Canadians or, if the Corporation has less than four directors, at least one of the directors present is a resident Canadian.

13. Telephone Participation.

A director may, in accordance with the Regulations, if any, and if all of the directors of the Corporation consent, participate in a meeting of directors or of a committee of directors by means of such telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting. A director participating in such a meeting by such means is deemed to be present at that meeting.

14. Voting.

Questions arising at any meeting of the board of directors shall be decided by a majority of votes. In case of an equality of votes the Chairperson of the meeting in addition to his or her original vote shall have a second or casting vote.

15. Resolution in Lieu of Meeting.

Notwithstanding any of the provisions of this by-law, but subject to the Act or any unanimous shareholder agreement, a resolution in writing, signed by all of the directors entitled to vote on that resolution at a meeting of the directors is as valid as if it had been passed at a meeting of the directors.

REMUNERATION OF DIRECTORS

16. Remuneration of Directors.

The remuneration to be paid to the directors shall be such as the board of directors shall from time to time determine and such remuneration shall be in addition to the salary paid to any officer or employee of the Corporation who is also a member of the board of directors. The board of directors may also award special remuneration to any director undertaking any special services on the Corporation's behalf other than the routine work ordinarily required of a director by the Corporation and the confirmation of any such resolution or resolutions by the shareholders shall not be required. The directors shall also be entitled to be paid their travelling and other expenses properly incurred by them in connection with the affairs of the Corporation.

SUBMISSION OF CONTRACTS OR TRANSACTIONS TO SHAREHOLDERS FOR APPROVAL

17. Submission of Contracts or Transactions to Shareholders for Approval.

The board of directors in its discretion may submit any contract, act or transaction for approval or ratification at any annual meeting of the shareholders or at any special meeting of the shareholders called for the purpose of considering the same and, subject to the provisions of Section 120 of the Act, any such contract, act or transaction that shall be approved or ratified or confirmed by a resolution passed by a majority of the votes cast at any such meeting (unless any different or additional requirement is imposed by the Act or by the Corporation's articles or any other by-law) shall be as valid and as binding upon the Corporation and upon all the shareholders as though it had been approved, ratified or confirmed by every shareholder of the Corporation.

FOR THE PROTECTION OF DIRECTORS AND OFFICERS

18. Conflict of Interest.

In supplement of and not by way of limitation upon any rights conferred upon directors and officers by the Act, no director or officer shall be disqualified by his or her office from, or vacate his or her office by reason of, holding any office or place of profit under the Corporation or under any body corporate in which the Corporation shall be a shareholder; nor shall

any director or officer be liable to account to the Corporation or any of its shareholders or creditors for any profit arising from any such office or place of profit; and, subject to the provisions of Section 120 of the Act, no contract or arrangement entered into by or on behalf of the Corporation in which any director or officer shall be in any way directly or indirectly interested shall be avoided or voidable and no director or officer shall be liable to account to the Corporation or any of its shareholders or creditors for any profit realized by or from any such contract or arrangement by reason of any fiduciary relationship. A director or officer of the Corporation who is a party to a material contract or transaction or proposed material contract or transaction with the Corporation, or is a director or an officer, or an individual acting in a similar capacity of, or has a material interest in, any person who is a party to a material contract or transaction or proposed material contract or transaction with the Corporation shall disclose the nature and extent of such interest at the time and in the manner provided in the Act. Except as provided in the Act, no such director of the Corporation shall vote on any resolution to approve such contracts or transactions but each such director may be counted to determine the presence of a quorum at the meeting of directors where such vote is being taken.

19. For the Protection of Directors and Officers.

Except as otherwise provided in the Act, no director or officer for the time being of the Corporation shall be liable for the acts, receipts, neglects or defaults of any other director or officer or employee or for joining in any receipt or act for conformity or for any loss, damage or expense happening to the Corporation through the insufficiency or deficiency of title to any property acquired by the Corporation or for or on behalf of the Corporation or for the insufficiency or deficiency of any security in or upon which any of the moneys of or belonging to the Corporation shall be placed out or invested or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person, including any person with whom or which any moneys, securities or effects shall be lodged or deposited or for any loss, conversion, misapplication or misappropriation of or any damage resulting from any dealings with any moneys, securities or other assets belonging to the Corporation or for any other loss, damage or misfortune whatever which may happen in the execution of the duties of his or her respective office or trust or in relation thereto unless the same shall happen by or through his or her failure to exercise the powers and to discharge the duties of his office honestly and in good faith with a view to the best interests of the Corporation and in connection therewith to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. The directors for the time being of the Corporation shall not be under any duty or responsibility in respect of any contract, act or transaction whether or not made, done or entered into in the name or on behalf of the Corporation, except such as shall have been submitted to and authorized or approved by the board of directors. If any director or officer of the Corporation shall be employed by or shall perform services for the Corporation otherwise than as a director or officer or shall have an interest in a person which is employed by or performs services for the Corporation, the fact of his or her being a shareholder, director or officer of the Corporation shall not disentitle such director or officer or such person, as the case may be, from receiving proper remuneration for such services.

20. Indemnities to Directors and Officers.

Subject to the provisions of Section 124 of the Act, the Corporation shall indemnify a director or officer, a former director or officer, or another individual who acts or acted at the

Corporation's request as a director or officer, or an individual acting in a similar capacity of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal or administrative action or proceeding to which the individual is involved because of that association with the Corporation or other entity, if (a) the individual acted honestly and in good faith with a view to the best interests of the Corporation or, as the case may be, to the best interests of the other entity for which the individual acted as director or officer or in a similar capacity at the Corporation's request; and (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, the individual had reasonable grounds for believing that the individual's conduct was lawful. The Corporation shall also indemnify any such person in such other circumstances as the Act or law permits or requires. Nothing in this by-law shall limit the right of any person entitled to indemnity to claim indemnity apart from the provisions of this by-law to the extent permitted by the Act or law. The Corporation may also purchase insurance for the benefit of any or all directors and/or officers or other individuals referred to above against any such liability.

OFFICERS

21. Appointments Generally.

The board of directors may annually or oftener as may be required appoint a Chairperson of the Board, a Vice-Chairperson of the Board, a Chief Executive Officer, a President, one or more Vice-Presidents, a Secretary, a Treasurer, one or more Assistant Secretaries, one or more Assistant Treasurers, a Managing Director, a General Manager, a General Counsel or a Comptroller. Notwithstanding the foregoing, each incumbent officer shall continue in office until the earliest of (a) the officer's resignation, which resignation shall be effective at the time a written resignation is received by the Corporation or at the time specified in the resignation, whichever is later, (b) the appointment of the officer's successor, (c) the officer ceasing to be a director or resident Canadian if such is a necessary qualification of the officer's appointment, (d) the meeting at which the board of directors annually appoints the officers of the Corporation, (e) the officer's removal, and (f) the officer's death. A director may be appointed to any office of the Corporation but none of the officers except the Chairperson of the Board, the Vice-Chairperson of the Board and the Managing Director need be a member of the board of directors. Two or more of such offices may be held by the same person. In case and whenever the same person holds the offices of Secretary and Treasurer, he may but need not be known as the Secretary-Treasurer. The board of directors may from time to time appoint such other officers and agents as it shall deem necessary who shall have such authority and shall perform such duties as may from time to time be prescribed by the board of directors. The board of directors may from time to time and subject to the provisions of the Act, vary, add to or limit the duties and powers of any officer.

22. Remuneration and Removal.

The remuneration of all officers appointed by the board of directors shall be determined from time to time by resolution of the board of directors. The fact that any officer or employee is a director or shareholder of the Corporation shall not disqualify such officer or employee from receiving such remuneration as may be determined. All officers, in the absence of

agreement to the contrary, shall be subject to removal by resolution of the board of directors at any time, with or without cause.

23. Powers and Duties.

All officers shall sign such contracts, documents or instruments in writing as require their respective signatures and shall respectively have and perform all powers and duties incident to their respective offices and such other powers and duties respectively as may from time to time be assigned to them by the board of directors.

24. Duties May be Delegated.

In case of the absence or inability to act of any officer of the Corporation or for any other reason that the board of directors may deem sufficient, the board of directors may delegate all or any of the powers of such officer to any other officer or to any director for the time being.

25. Chairperson of the Board.

The Chairperson of the Board (if any) shall, when present, preside as Chairperson at all meetings of the directors, any committee of directors and the shareholders.

26. Vice-Chairperson of the Board.

If the Chairperson of the Board is absent or is unable or refuses to act, the Vice-Chairperson of the Board (if any) shall, when present, preside as chairperson at all meetings of the directors, any committee of directors and the shareholders.

27. Chief Executive Officer.

The Chief Executive Officer shall be the chief executive officer of the Corporation who shall exercise general supervision over the affairs of the Corporation. The Chief Executive Officer shall be vested with and may exercise all the powers and shall perform all the duties of the Chairperson of the Board and/or the Vice-Chairperson of the Board if none be appointed or if the Chairperson of the Board and the Vice-Chairperson of the Board are absent or are unable or refuse to act; provided, however, that unless the Chief Executive Officer is a director, he or she shall not preside as Chairperson at any meeting of directors or of any committee of directors or, subject to paragraph 44 of this by-law, at any meeting of shareholders.

28. President.

The President shall be vested with and may exercise all the powers and shall perform all the duties of the Chief Executive Officer in the absence or inability or refusal to act of the Chief Executive Officer; provided, however, that a President who is not a director shall not preside as Chairperson at any meeting of directors or of any committee of directors or, subject to paragraph 44 of this by-law, at any meeting of shareholders.

29. Vice-President.

The Vice-President or, if more than one, the Vice-Presidents, in order of seniority, shall be vested with all the powers and shall perform all the duties of the President in the absence or inability or refusal to act of the President; provided, however, that a Vice-President who is not a director shall not preside as Chairperson at any meeting of directors or of any committee of directors or, subject to paragraph 44 of this by-law, at any meeting of shareholders.

30. Secretary.

The Secretary shall give or cause to be given notices for all meetings of the directors, any committee of directors and the shareholders when directed to do so and shall have charge of the minute and record books of the Corporation and, subject to the provisions of paragraph 51 of this by-law, of the records (other than accounting records) referred to in Section 20 of the Act. The Secretary shall, when present, act as secretary of meetings of the board of directors and of the shareholders.

31. Treasurer.

Subject to the provisions of any resolution of the board of directors, the Treasurer (or any other person holding a similar function) shall have the care and custody of all the funds and securities of the Corporation and shall deposit the same in the name of the Corporation in such bank or banks or with such other depository or depositories as the board of directors may direct.

32. Assistant Secretary and Assistant Treasurer.

The Assistant Secretary or, if more than one, the Assistant Secretaries in order of seniority, and the Assistant Treasurer or, if more than one, the Assistant Treasurers in order of seniority, shall respectively perform all the duties of the Secretary and the Treasurer, respectively, in the absence or inability or refusal to act of the Secretary or the Treasurer, as the case may be.

33. Managing Director.

The Managing Director shall be a member of the board of directors, and a resident Canadian and shall exercise such powers and have such authority as may be delegated to the Managing Director by the board of directors in accordance with the provisions of Section 115 of the Act.

34. General Manager.

The board of directors may from time to time appoint a General Manager and may delegate to such General Manager full power to manage and direct the business and affairs of the Corporation (except such matters and duties as by law must be transacted or performed by the board of directors and/or by the shareholders) and to employ and discharge agents and employees of the Corporation or may delegate to the General Manager any lesser authority. The General Manager shall conform to all lawful orders given by the board of directors and shall at all reasonable times give to the directors or any of them all information they may require regarding the affairs of the Corporation. Any agent or employee appointed by the General Manager shall be subject to discharge by the board of directors.

35. Vacancies.

If the office of any officer of the Corporation shall be or become vacant by reason of death, resignation, disqualification or otherwise, the board of directors may appoint a person to fill such vacancy.

SHAREHOLDERS' MEETINGS

36. Annual Meeting.

Subject to the provisions of Section 133 of the Act, the annual meeting of the shareholders shall be held on such day in each year and at such time as the board of directors may determine.

37. Special Meetings.

Special meetings of the shareholders may be convened by order of the Chairperson of the Board, the Vice-Chairperson of the Board, the Managing Director, the Chief Executive Officer if a director, the President if a director, a Vice-President if a director or by the board of directors at any date and time.

38. Place of Meetings.

Meetings of shareholders shall be held at any place within Canada that the board of directors determines, or at any place outside Canada if such place is specified in the articles or all the shareholders entitled to vote at the meeting agree that the meeting is to be held at that place. A shareholder who attends a meeting of shareholders held outside Canada is deemed to have agreed to it being held outside Canada except when the shareholder attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully held.

39. Participation in Meeting by Electronic Means.

Any person entitled to attend a meeting of shareholders may participate in the meeting, in accordance with the Regulations, if any, by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting, if the Corporation makes available such a communication facility. A person participating in a meeting by such means is deemed for the purposes of the Act to be present at the meeting.

40. Meeting Held by Electronic Means.

If the directors or the shareholders of the Corporation call a meeting of shareholders pursuant to the Act, those directors or shareholders, as the case may be, may determine that the meeting shall be held, in accordance with the Regulations, if any, entirely by means of a telephonic, electronic or other communication facility that permits all participants to communicate adequately with each other during the meeting.

41. Notice.

A notice stating the day, hour and place of meeting shall be sent within the period prescribed by the Regulations to each shareholder entitled to vote at such meeting, to each director and to the auditor of the Corporation in the manner specified in paragraphs 60 or 75 of this by-law. Notwithstanding the foregoing, if the Corporation is not a distributing corporation, the notice may be sent not less than 10 days before the date of the meeting. Notice of a meeting at which special business, as defined in Section 135(5) of the Act, is to be transacted shall state (a) the nature of that business in sufficient detail to permit the shareholder to form a reasoned judgment thereon, and (b) the text of any special resolution to be submitted to the meeting. Provided that a meeting of shareholders may be held for any purpose on any day and at any time without notice if all of the shareholders and all other persons entitled to attend such meeting are present in person or, where appropriate, represented by proxy at the meeting (except where a shareholder or other person attends the meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called) or if all of the shareholders and all other persons entitled to attend such meeting who are not present in person or, where appropriate, represented by proxy thereat waive notice before or after the date of such meeting. The directors may fix in advance a date as the record date for purposes of determining shareholders entitled to receive notice of a meeting of shareholders or entitled to vote at a meeting of shareholders in accordance with the requirements of Section 134 of the Act and the Regulations.

42. Waiver of Notice.

A shareholder or any other person entitled to attend a meeting of shareholders may in any manner waive notice of a meeting of shareholders (whether before or after such meeting) and their attendance at a meeting of shareholders is a waiver of notice of the meeting, except where they attend a meeting for the express purpose of objecting to the transaction of any business on the grounds that the meeting is not lawfully called.

43. Omission of Notice.

The accidental omission to give notice of any meeting or any irregularity in the notice of any meeting or the non-receipt of any notice by any shareholder or shareholders, director or directors or the auditor of the Corporation shall not invalidate any resolution passed or any proceedings taken at any meeting of shareholders.

44. Voting.

Every question submitted to any meeting of shareholders shall be decided in the first instance by a show of hands unless a person entitled to vote at the meeting has demanded a ballot. In the case of an equality of votes, the Chairperson of the meeting shall both on a show of hands and on a ballot have a second or casting vote in addition to the vote or votes to which he or she may be otherwise entitled.

Notwithstanding the foregoing, any vote taken at a meeting of shareholders may be held, in accordance with the Regulations, if any, entirely by means of a telephonic, electronic or other communication facility, if the Corporation makes available such a communication facility.

Any person participating in a meeting of shareholders by electronic means pursuant to Subsection 132(4) or (5) of the Act and entitled to vote at the meeting may vote, in accordance with the Regulations, if any, by means of the telephonic, electronic or other communication facility that the Corporation has made available for that purpose.

A ballot may be demanded either before or after any vote by show of hands by any person entitled to vote at the meeting. If at any meeting a ballot is demanded on the election of a Chairperson or on the question of adjournment it shall be taken forthwith without adjournment. If at any meeting a ballot is demanded on any other question or as to the election of directors, the vote (subject to Section 152(3) of the Act) shall be taken by ballot in such manner and either at once, later in the meeting or after adjournment as the Chairperson of the meeting directs. The result of a ballot shall be deemed to be the resolution of the meeting at which the ballot was demanded. A demand for a ballot may be withdrawn.

Where two or more persons hold the same share or shares jointly, one of these holders present at a meeting of shareholders may, in the absence of the other or others, vote the share or shares but if two or more of those persons who are present, in person or by proxy, vote, they shall vote as one on the share or shares jointly held by them.

At any meeting unless a ballot is demanded, an entry in the minutes of a meeting to the effect that the Chairperson of the meeting declared a resolution to be carried or defeated is, in the absence of evidence to the contrary, proof of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution.

45. Chairperson of the Meeting.

In the event that the Chairperson of the Board and the Vice-Chairperson of the Board are absent and the Chief Executive Officer is absent or is not a director and the President is absent or is not a director and there is no Vice-President present who is a director, the persons who are present and entitled to vote shall choose another director as Chairperson of the meeting and if no director is present or if all the directors present decline to take the chair then the persons who are present and entitled to vote shall choose one of their number to be Chairperson.

46. Proxies.

Votes at meetings of shareholders may be given either personally or by proxy or, in the case of a shareholder who is a body corporate or association, by an individual authorized to represent it at meetings of shareholders of the Corporation. At every meeting at which he or she is entitled to vote, every shareholder and/or person appointed by proxy and/or individual so authorized to represent a shareholder who is present in person shall have one vote on a show of hands. Upon a ballot at which he or she is entitled to vote, every shareholder present in person or represented by proxy or by an individual so authorized shall (subject to the provisions, if any, of the articles of the Corporation) have one vote for every share held by him or her.

A proxy shall be executed by the shareholder or the shareholder's attorney authorized in writing or, if the shareholder is a body corporate or association, by an officer or

attorney thereof duly authorized and is valid only at the meeting in respect of which it is given or any adjournment thereof.

A person appointed by proxy need not be a shareholder.

Subject to the provisions of the Act and the Regulations, a proxy may be in the following form:

The undersigned shareholder of <> hereby appoints <> of <> or failing such person, <> of <> as the nominee of the undersigned to attend and act for the undersigned and on behalf of the undersigned at the <> meeting of the shareholders of the said Corporation to be held on the <> day of <>, 20<> and at any adjournment or adjournments thereof in the same manner, to the same extent and with the same power as if the undersigned were present at the said meeting or such adjournment or adjournments thereof.

DATED this <> day of <>, 20<>.

Signature of Shareholder

The board of directors may from time to time make regulations regarding the lodging of proxies at some place or places other than the place at which a meeting or adjourned meeting of shareholders is to be held and for particulars of such proxies to be provided before the meeting or adjourned meeting to the Corporation or any agent of the Corporation for the purpose of receiving such particulars and providing that proxies so lodged may be voted upon as though the proxies themselves were produced at the meeting or adjourned meeting and votes given in accordance with such regulations shall be valid and shall be counted. The Chairperson of any meeting of shareholders may, subject to any regulations made as aforesaid, in the Chairperson's discretion accept any legible form of communication as to the authority of any person claiming to vote on behalf of and to represent a shareholder notwithstanding that no proxy conferring such authority has been lodged with the Corporation, and any votes given in accordance with such communication accepted by the Chairperson of the meeting shall be valid and shall be counted.

47. Adjournment.

The Chairperson of any meeting may with the consent of the meeting adjourn the same from time to time to a fixed time and place and no notice of such adjournment need be given to the shareholders unless the meeting is adjourned by one or more adjournments for an aggregate of thirty days or more in which case, subject to Section 135(4) of the Act, notice of the adjourned meeting shall be given as for an original meeting. Any business may be brought before or dealt with at any adjourned meeting for which no notice is required which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same.

Any adjourned meeting shall be duly constituted if held in accordance with the terms of the adjournment and a quorum is present thereat. The persons who formed a quorum at the original meeting are not required to form the quorum at the adjourned meeting. If there is no

quorum present at the adjourned meeting, the original meeting shall be deemed to have terminated forthwith after its adjournment.

48. Quorum.

A quorum at any meeting of shareholders (unless a greater number of persons are required to be present or a greater number of shares are required to be represented by the Act or by the articles or any other by-law) shall be persons present not being less than two in number and holding or representing more than twenty per cent of the total number of the issued shares of the Corporation for the time being entitling the holders thereof to vote at such meeting. Notwithstanding the foregoing, if the Corporation has only one shareholder, or only one holder of any class or series of shares, the shareholder present in person or by proxy constitutes a meeting. No business shall be transacted at any meeting unless the requisite quorum be present at the time of the transaction of such business. If a quorum is not present at the time appointed for a meeting of shareholders or within such reasonable time thereafter as the shareholders present may determine, the persons present and entitled to vote may adjourn the meeting to a fixed time and place but may not transact any other business and the provisions of paragraph 46 with regard to notice shall apply to such adjournment.

49. Resolution in Lieu of Meeting.

Notwithstanding any of the provisions of this by-law, a resolution in writing signed by all of the shareholders entitled to vote on that resolution at a meeting of the shareholders is, subject to Section 142 of the Act, as valid as if it had been passed at a meeting of the shareholders.

SECURITIES

50. Issuance of Shares.

Subject to the provisions of Section 25 of the Act, the articles, by-laws and any unanimous shareholder agreement, shares in the capital of the Corporation may be issued by the board of directors at such times and on such terms and conditions and to such persons or class of persons as the board of directors determines.

51. Certificates.

Certificates for shares and the instrument of transfer, if any, on the reverse side thereof shall (subject to Section 49 of the Act) be in such form as the board of directors may approve and such certificates shall be signed by at least one of the following persons, or the signature shall be printed or otherwise mechanically reproduced on the certificate:

- (a) a director or officer of the Corporation;
- (b) a registrar, transfer agent or branch transfer agent of the Corporation, or an individual on their behalf; and
- (c) a trustee who certifies it in accordance with a trust indenture.

A share certificate containing the signature of a person which is printed, engraved, lithographed or otherwise mechanically reproduced thereon may be issued notwithstanding that the person has ceased to be a director or an officer, as the case may be, of the Corporation and shall be as valid as if the person were a director or an officer, as the case may be, at the date of its issue.

TRANSFER OF SECURITIES

52. **Transfer Agent and Registrar.**

The board of directors may from time to time appoint or remove one or more transfer agents and/or branch transfer agents and/or registrars and/or branch registrars (which may or may not be the same individual or body corporate) for the securities issued by the Corporation in registered form (or for such securities of any class or classes) and may provide for the registration of transfers of such securities (or such securities of any class or classes) in one or more places and such transfer agents and/or branch transfer agents and/or registrars and/or branch registrars shall keep all necessary books and registers of the Corporation for the registering of such securities (or such securities of the class or classes in respect of which any such appointment has been made). In the event of any such appointment in respect of the shares (or the shares of any class or classes) of the Corporation, all share certificates issued by the Corporation in respect of the shares (or the shares of the class or classes in respect of which any such appointment has been made) of the Corporation shall be countersigned by or on behalf of one of the said transfer agents and/or branch transfer agents and by or on behalf of one of the said registrars and/or branch registrars, if any.

53. **Securities Registers.**

A central securities register of the Corporation shall be kept at the registered office of the Corporation or at such other office or place in Canada as may from time to time be designated by the board of directors and a branch securities register or registers may be kept at such office or offices of the Corporation or other place or places, either in or outside Canada, as may from time to time be designated by the board of directors. Such register or registers shall comply with the provisions of Section 50 of the Act.

54. **Surrender of Certificates.**

Subject to the Act and the provisions of paragraph 52, no transfer of a security issued by the Corporation shall be registered unless the security certificate representing the security to be transferred has been surrendered or, if no security certificate has been issued by the Corporation in respect of such security, unless a duly executed instrument of transfer in respect thereof has been delivered to the Corporation or its transfer agent, as the case may be.

55. **Shareholder Indebted to the Corporation.**

If so provided in the articles of the Corporation, the Corporation has a lien on a share registered in the name of a shareholder or the shareholder's personal representative for a debt of that shareholder to the Corporation. Such lien on a share of the Corporation may, subject to the Act, be enforced as follows:

(a) where such share is redeemable pursuant to the articles of the Corporation, by redeeming such share and applying the redemption price to such debt;

(b) by purchasing such share for cancellation for a price equal to the book value of such share and applying the proceeds to such debt;

(c) by selling such share to any third party whether or not such party is at arm's length to the Corporation including, without limitation, any officer or director of the Corporation, for the best price which the board of directors in its sole discretion considers to be obtainable for such share and applying the proceeds to such debt;

(d) by refusing to permit the registration of a transfer of such share until such debt is paid; or

(e) by any other means permitted by law.

56. Lost, Apparently Destroyed or Wrongfully Taken Security Certificates.

Subject to the Act, in case of the loss, apparent destruction or wrongful taking of a security certificate, a new certificate may be issued in replacement of the one lost, apparently destroyed or wrongfully taken or a transfer of the securities represented by such certificate may be registered, upon such terms as the board of directors may from time to time prescribe, either generally or in respect of any particular loss, apparent destruction or wrongful taking of a security certificate.

DIVIDENDS

57. Dividends.

The board of directors may from time to time declare and the Corporation may pay dividends on the issued and outstanding shares in the capital of the Corporation subject to the provisions (if any) of the articles of the Corporation.

The board of directors shall not declare and the Corporation shall not pay a dividend if there are reasonable grounds for believing that:

(a) the Corporation is, or would after the payment be, unable to pay its liabilities as they become due; or

(b) the realizable value of the Corporation's assets would thereby be less than the aggregate of its liabilities and stated capital of all classes.

The Corporation may pay a dividend by issuing fully paid shares of the Corporation and, subject to the foregoing, the Corporation may pay a dividend in money or property.

The Corporation may fix a record date for determination of shareholders entitled to receive a dividend in accordance with the requirements of Section 134 of the Act and the Regulations.

In case several persons are registered as the joint holders of any shares, any one of such persons may give effectual receipts for all dividends and payments on account of dividends and/or redemption of shares (if any) subject to redemption.

VOTING SHARES AND SECURITIES IN OTHER BODIES CORPORATE

58. Voting Shares and Securities in Other Bodies Corporate.

All of the shares or other securities carrying voting rights of any other body corporate held from time to time by the Corporation may be voted at any and all meetings of shareholders or holders of other securities (as the case may be) of such other body corporate and in such manner and by such person or persons as the board of directors of the Corporation shall from time to time determine. The duly authorized signing officers of the Corporation may also from time to time execute and deliver for and on behalf of the Corporation proxies and/or arrange for the issuance of voting certificates and/or other evidence of the right to vote in such names as they may determine without the necessity of a resolution or other action by the board of directors.

INFORMATION AVAILABLE TO SHAREHOLDERS

59. Confidential Information Not Available to Shareholders.

Except as provided by the Act, no shareholder shall be entitled to any information respecting any details or conduct of the Corporation's business which in the opinion of the board of directors it would be inexpedient in the interests of the Corporation to communicate to the public.

60. Availability of Corporate Records to Shareholders.

The board of directors may from time to time, subject to rights conferred by the Act, determine whether and to what extent and at what time and place and under what conditions or regulations the documents, books and registers and accounting records of the Corporation or any of them shall be open to the inspection of shareholders and no shareholder shall have any right to inspect any document or book or register or accounting record of the Corporation except as conferred by statute or authorized by the board of directors or by a resolution of the shareholders.

NOTICES

61. Service.

Any notice or document required by the Act, the Regulations, the articles or the by-laws to be sent to any shareholder or director or to the auditor may be sent by prepaid mail addressed to, or may be delivered personally to, any such shareholder at the shareholder's latest address as shown in the records of the Corporation or its transfer agent and to any such director at the director's latest address as shown in the records of the Corporation or in the last notice filed under Section 106 or 113 of the Act, and to the auditor at the auditor's business address; provided

always that notice may be waived or the time for the notice may be waived or abridged at any time with the consent in writing of the person entitled thereto. If a notice or document is sent to a shareholder by prepaid mail in accordance with this paragraph and the notice or document is returned on two consecutive occasions because the shareholder cannot be found, it shall not be necessary to send any further notices or documents to the shareholder until the shareholder informs the Corporation in writing of the shareholder's new address.

62. Securities Registered in More Than One Name.

All notices or documents with respect to any securities of the Corporation registered in more than one name shall be given to whichever of such persons is named first in the records of the Corporation and any notice or document so given shall be sufficient notice or delivery to all of the holders of such securities.

63. Persons Becoming Entitled by Operation of Law.

Subject to Section 51 of the Act, every person who by operation of law, transfer or by any other means whatsoever shall become entitled to any securities of the Corporation shall be bound by every notice or document in respect of such securities which, previous to such person's name and address being entered in the records of the Corporation, shall have been duly given to the person or persons from whom such person derives title to such securities.

64. Deceased Security Holders.

Subject to Section 51 of the Act, any notice or document delivered or sent pursuant to paragraph 60 of this by-law or in accordance with the provisions of paragraphs 75 and 76 of this by-law to the address of any security holder as the same appears in the records of the Corporation shall, notwithstanding that such security holder be then deceased, and whether or not the Corporation has notice of such security holder's decease, be deemed to have been duly served in respect of the securities held by such security holder (whether held solely or with any other person or persons) until some other person be entered in such security holder's stead in the records of the Corporation as the holder or one of the holders thereof and such service shall for all purposes be deemed a sufficient service of such notice or document on such security holder's heirs, the personal representatives of such heirs, or the personal representatives of the estate of such security holder and on all other persons, if any, interested with such security holder in such securities.

65. Signature to Notices.

The signature of any director or officer of the Corporation to any notice or document to be given by the Corporation may be written or mechanically reproduced.

66. Computation of Time.

Where a given number of days' notice or notice extending over a period is required to be given under any provisions of the articles or by-laws of the Corporation, the day of giving or serving the notice or document shall not, unless it is otherwise provided, be counted in such number of days or other period.

67. Proof of Service.

With respect to every notice or document sent by mail it shall be sufficient to prove that the envelope or wrapper containing the notice or other document was properly addressed as provided in paragraph 60 of this by-law and put into a post office or into a letter box. A certificate of a director or an officer of the Corporation in office at the time of the making of the certificate or of a transfer officer of any transfer agent or branch transfer agent of shares of any class of the Corporation as to facts in relation to the sending or delivery of any notice or document to any security holder, director, officer or auditor or publication of any notice or document shall be conclusive evidence thereof and shall be binding on every security holder, director, officer or auditor of the Corporation, as the case may be.

CHEQUES, DRAFTS AND NOTES

68. Cheques, Drafts and Notes.

All cheques, drafts or orders for the payment of money and all notes and acceptances and bills of exchange shall be signed by such director of directors or officer or officers or person or persons, whether or not officers of the Corporation, and in such manner as the board of directors may from time to time designate.

CUSTODY OF SECURITIES

69. Custody of Securities.

All shares and other securities owned by the Corporation shall be lodged (in the name of the Corporation) with a chartered bank or a trust company or in a safety deposit box or, if so authorized by resolution of the board of directors, with such other depositaries or in such other manner as may be determined from time to time by the board of directors.

All shares and other securities belonging to the Corporation may be issued or held in the name of a nominee or nominees of the Corporation (and if issued or held in the names of more than one nominee shall be held in the names of the nominees jointly with right of survivorship).

EXECUTION OF INSTRUMENTS

70. Execution of Instruments.

Contracts, documents or instruments in writing requiring the signature of the Corporation may be signed by:

- (a) any two of the officers appointed pursuant to paragraph 21;
- (b) any two directors; or
- (c) any one of such officers together with any one director;

and all contracts, documents and instruments in writing so signed shall be binding upon the Corporation without any further authorization or formality. Provided that where one person is the only director and officer of the Corporation, that person may sign such contracts, documents or instruments in writing. The board of directors shall have power from time to time to appoint any director or directors, or any officer or officers, or any other person or persons, on behalf of the Corporation either to sign contracts, documents and instruments in writing generally or to sign specific contracts, documents or instruments in writing.

The corporate seal of the Corporation, if any, may be affixed to contracts, documents and instruments in writing signed as aforesaid or by any director or directors, officer or officers, other person or persons, appointed as aforesaid by the board of directors but any such contract, document or instrument is not invalid merely because the corporate seal, if any, is not affixed thereto.

The term "contracts, documents or instruments in writing" as used in this by-law shall include security certificates, deeds, mortgages, hypothecs, charges, conveyances, transfers and assignments of property real or personal, immovable or movable, agreements, releases, receipts and discharges for the payment of money or other obligations and conveyances, transfers and assignments of shares, share warrants, stocks, bonds, debentures or other securities and all paper writings.

In particular without limiting the generality of the foregoing:

- (a) any two of the officers appointed pursuant to paragraph 21;
- (b) any two directors; or
- (c) any one of such officers together with any one director;

shall have authority to sell, assign, transfer, exchange, convert or convey any and all shares, stocks, bonds, debentures, rights, warrants or other securities owned by or registered in the name of the Corporation and to sign and execute (under the seal of the Corporation or otherwise) all assignments, transfers, conveyances, powers of attorney and other instruments that may be necessary for the purpose of selling, assigning, transferring, exchanging, converting or conveying any such shares, stocks, bonds, debentures, rights, warrants or other securities. Provided that where one person is the only director and officer of the Corporation, that person shall have such authority.

The signature or signatures of the director or directors of the Corporation and/or of any officer or officers of the Corporation appointed pursuant to paragraph 21 and/or of any other person or persons, appointed as aforesaid by the board of directors may, if specifically authorized by the board of directors, be printed, engraved, lithographed or otherwise mechanically reproduced upon any contracts, documents or instruments in writing or bonds, debentures or other securities of the Corporation executed or issued by or on behalf of the Corporation and all contracts, documents or instruments in writing or bonds, debentures or other securities of the Corporation on which the signature or signatures of any one or more of the foregoing directors or officers or the other persons authorized as aforesaid shall be so reproduced pursuant to such

authorization by the board of directors shall be deemed to have been manually signed by each such director, officer or other person whose signature is so reproduced and shall be as valid to all intents and purposes as if they had been signed manually and notwithstanding that any such director, officer or other person whose signature is so reproduced may have ceased to hold office at the date of the delivery or issue of such contracts, documents or instruments in writing or bonds, debentures or other securities of the Corporation.

DIVISIONS

71. Authority to Create Divisions.

The board of directors may cause the business and operations of the Corporation or any part thereof to be divided into one or more divisions based upon character or type of operations, geographical territories, manufactured products, method of distribution, type of product or products manufactured or distributed or upon such other basis of division as the board may from time to time determine to be advisable. In particular, the board may authorize:

- (i) the further division of the business and operations of any such division into sub-units and the consolidation of the business and operations of any such divisions or sub-units; and
- (ii) the designation of any such division or sub-unit by, and the carrying on of the business and operations of any such division or sub-unit under, a name other than the name of the Corporation.

72. Designation and Appointment of Divisional Officers.

The board of directors may, by resolution, designate and appoint divisional officers assigned to that particular division or a sub-unit of that division provided that any such divisional officer shall not, as such, be an officer of the Corporation. The divisional officers, if any, shall be appointed by the board of directors annually or oftener as may be required. Notwithstanding the foregoing, each incumbent divisional officer shall continue in office until the earliest of (a) the divisional officer's resignation, which resignation shall be effective at the time a written resignation is received by the Corporation or at the time specified in the resignation, whichever is later, (b) the divisional officer's appointment of the divisional officer's successor, (c) the meeting at which the board of directors annually appoints the divisional officers of the Corporation, (d) the divisional officer's death, and (e) the divisional officer's removal by resolution of the board of directors, which removal may be made by the board of directors at any time, with or without cause, without prejudice to such divisional officer's rights under any employment contract or in law. For certainty, the removal of a divisional officer from his or her position as a divisional officer does not of itself constitute a termination of that person's employment with the Corporation. The divisional officers need not be directors and one person may hold more than one divisional office.

73. Duties and Authority of Divisional Officers.

The duties, responsibilities, limitations and remuneration of the divisional officers shall be such as are determined from time to time by the person or persons and/or committee or

committees designated by the board of directors of the Corporation having responsibility for the division to which such divisional officer has been appointed. The authority of any such divisional officer shall, however, be limited to acts and transactions relating only to the business and operations which his or her division is authorized to transact and perform, provided, however, that if the same person is also appointed an officer of the Corporation, the foregoing shall not limit his or her acts under the powers and duties of such corporate office.

74. Execution of Instruments.

Contracts or documents requiring the signature of the Corporation and relating only to a particular division of the Corporation may be signed in accordance with paragraph 69 or by any one of the divisional officers appointed pursuant to paragraph 71 with respect to such division. All such contracts or documents so signed shall be binding upon the Corporation without further authorization or formality. The board of directors shall have power from time to time by resolution to appoint any divisional officer or officers appointed pursuant to paragraph 71, or other person or persons, to sign specific contracts or documents on behalf of the Corporation and relating only to a particular division of the Corporation.

Any such divisional signing officer may affix the seal of the Corporation to any such contract or document, and may certify a copy of any instrument, resolution, by-law or other document of the Corporation to be a true copy thereof.

If specifically authorized by a resolution of the board of directors, the signature of any divisional signing officer may be printed, engraved, lithographed or otherwise mechanically reproduced upon all contracts or documents relating only to the division and all such contracts or documents on which the signature of any of the foregoing divisional signing officers have been so reproduced shall be deemed to have been manually signed by the divisional signing officer whose signature is so reproduced and shall be as valid as if signed manually and notwithstanding that the divisional signing officer whose signature is so reproduced may have ceased to hold office at the date of delivery or issue of such contracts or documents.

FINANCIAL YEAR

75. Financial Year.

The financial year of the Corporation shall terminate on such date in each year as the board of directors may from time to time determine.

ELECTRONIC DOCUMENTS

76. Creation and Provision of Information.

Unless the Corporation's articles otherwise provide, and subject to and in accordance with the provisions of Part XX.I of the Act, the Regulations and paragraph 76 of this by-law, the Corporation may satisfy any requirement under the Act or the Regulations to create or provide a notice, document or other information to any person by the creation or provision of an electronic document. Except as provided in Section 252.6 of the Act, "electronic document"

means any form of representation of information or of concepts fixed in any medium in or by electronic, optical or other similar means and that can be read or perceived by a person or by any means.

77. Consent and Other Requirements.

Notwithstanding the foregoing paragraph 75, a requirement under the Act or the Regulations to provide a person with a notice, document or other information shall not be satisfied by the provision of an electronic document unless

- (a) the addressee has consented, in accordance with the Regulations, and has designated an information system for the receipt of the electronic document; and
- (b) the electronic document is provided to the designated information system, unless the Regulations provide otherwise.

The term “information system” means a system used to generate, send, receive, store, or otherwise process an electronic document.
