Based on the material filed, including the pre-filing Report of F.T.I. Consulting dated Dec 6, 2021 and the submissions of Counsel, for the reasons set out in the applicant's factum, I am satisfied the initial Order granting the applicant protection under the CCAA should be granted; FTI should be appointed as Monitor; the DIP financing agreement should be approved & the DIP lender's change granted and the Administration and Director's Changes approved. The relief sought is reasonably necessary for the continued operation of Haste during the initial stay period. The confidential information in Ex A to the Bouchier affidavit should be sealed as it meets the criteria in Sherman Estate.
