

Lynx Air Employee FAQ

Please visit the [Lynx Employee page](#) on FTI's website, where we will update any FAQ's on a regular basis. Below you find general information on ROEs, your Avanti portal, and WEPP program.

Internal assistance:

1. Your ROE will be sent directly to Service Canada. We will not be emailing them individually. We have 30 days after your final pay date to provide an ROE, however we are endeavoring to release as quickly as we can. Please check your Service Canada Account regularly.

2. Here is the Avanti Portal Login: Login (myavanti.ca)

a. You are able to access your paystubs and T4s through here (you can also access your T4 on your Service Canada Account)

b. In order to fully understand your deductions through Avanti from your paystub, be sure to open up the actual paystub (PDF or email) for a full breakdown

If you are requesting a confirmation of employment letter for your time spent at Lynx, please allow us up to 3 business days to respond

Government provided assistance:

Your WEPP information and estate number will be sent directly by FTI consulting

Please note that only WEPP and CCAA questions should be directed to the monitor Employee.LynxAir@fticonsulting.com (FTI)
