i. attach as an exhibit a true copy of the agreement of purchase and sale in respect of the subject Residential Lot (or Residential Lots), including any relevant addendums;

b) the Receiver's activities since the Receivership Date;

c) the SPA Holdbacks and the Receiver's application for the SPA Holdback Order;

BACKGROUND

10. The Debtors were formed for the purpose of developing Chloe, with 107 as registered owner in trust for Lighstone as beneficial owner.

11. Lightstone is owned by three companies: Gold Coast Industries Ltd. ("**Gold Coast**"), 1082463 B.C. Ltd. ("**1082**"), and 1218548 B.C. ("**1218**"). 1082 and 1218 are owned 50/50 by the same two individuals: Xiao Song Zheng (who also goes by the name "**Vicky Zheng**") and Xiao Li. Gold Coast is owned by Ying Zheng Yu and Fangchi Yu.

12. Vicky Zheng is the principal of Lightstone, the developer of Chloe.

13. Chloe is a mixed-used residential and commercial building, consisting of a four-storey concrete building with two levels of below grade parking. It includes 46 residential strata lots and 11 commercial strata lots.

14. McCarthy Tétrault LLP ("**Receiver's Counsel**") has provided the Receiver with Strata Plan EPS9998 and Strata Plan EPS9999 denoting the stratified commercial and residential strata lots, respectively. A copy of the Strata Plan EPS9998 and Strata Plan EPS9999 are attached as Appendix "**A**".

15. While an occupancy permit has been issued for Chloe, there is certain warranty, deficiency and building maintenance work that remains to be completed.

16. As at the Receivership Date, 22 residential strata lots were sold and title was transferred to the relevant purchasers. The Debtors were and remain registered and beneficial owners of the remaining unsold lots (together, the "**Unsold Units**"), as described in Appendix "**B**":

    a) 24 residential strata lots (the "**Residential Units**" listed by strata lot number); and

    b) all 11 commercial retail strata lots (the "**Commercial Units**" listed by strata lot number).

17. Certain of the Unsold Units, including all of the Commercial Units ("**Incomplete Units**"), were subject to pre-receivership contracts for purchase and sale for which sales had not yet completed together with (the "**Incomplete Contracts**"). The Incomplete Contracts also include an incomplete pre-receivership contract for purchase and sale in respect of a residential strata lot that was sold to another purchaser.

18. Many of the Incomplete Contracts appear to have expired on their terms, as detailed below. The Receiver is not aware of any pre-sale purchasers who exercised a right under the Incomplete Contracts to extend the applicable outside termination date.

19. The Debtors had the following secured debt as at the Receivership Date:

a) $47.3 million plus accrued interest and legal costs (the "**NBC Loan**") owing to National Bank of Canada ("**NBC**"), secured by a mortgage and assignment of rents under instrument numbers CB292874 and CB292875 (the "**NBC Mortgage**") and a general security agreement registered under the *Personal Property Security Act*, R.S.B.C. 1996, c. 359 (the "**PPSA**");

b) an undetermined amount (the "**Westmount Loan**"), to Westmount West Services Inc. ("**Westmount**") in respect of the Debtors' deposit protection insurance, secured by a mortgage and assignment of rents in the principal amount of $15,000,000 under instrument numbers CB294046 and CB294047 (the "**Westmount Mortgage**") and a location specific security agreement registered under the PPSA. There were no known claims by pre-sale purchasers for return of deposits against Westmount as at the Receivership Date, but they are likely to accrue as contracts are disclaimed or otherwise terminated;

c) $19.2 million plus accrued interest and legal costs (the "**Peterson Loan**") to Peterson Investment Group Inc. ("**Peterson**"), secured by a mortgage and assignment of rents under instrument numbers CB293126 and CB293127 (the "**Peterson Mortgage**") and a general security agreement registered under the PPSA;

d) $10.9 million in total owing to the "**Fourth Priority Lenders**". The Fourth Priority Lenders Agreements are attached as Appendix "**C**" and summarized as follows:

i. $3.5 million to Lei Bun Leung, Xiao Lian Zhang, Johnson Rui Leung, Jon Kit Leung, and Karen Leung, secured by a mortgage and assignment of rents registered against Commercial Units 1, 2, 6, 7 and 8;

ii. $4 million to Li Jiang, secured by a mortgage and assignment of rents registered against Commercial Units 6, 7 and 8;

iii. $2.5 million to Bei Chen, Qing Su, Jide Liu, secured by an option to purchase (now expired), mortgage and assignment of rents registered against Residential Units 19, 37 and 43; and

iv. $850,000 to 686912366 Investment Ltd., secured by a mortgage and assignment of rents registered against Residential Unit 34.

e) Urban One Contractor Inc. ("**Urban One**"), the general contractor for Chloe, claims a lien against the SPA Holdbacks in the amount of approximately $676,000 (the "**Urban One Lien**").

20. As at the Receivership Date, the Debtors reported approximately $2.2 million of unpaid GST remittances and approximately $1.5 million owing to unsecured creditors.

21. The NBC Loan was initially secured by a prior mortgage and assignment of rents with registration numbers CA8665673-CA8665674 (the "**First NBC Mortgage**") which was registered on title to the lands on which Chloe was built, before those lands were subdivided into strata lots (the "**Original Lands**"). The legal description of the Original Lands (prior to subdivision) was:

PID: 031-145-884
Lot 1 Block 2 District Lot 526 Group 1 New Westminster District Plan EPP91453

22. The First NBC Mortgage was registered on December 22, 2020 and was discharged on October 24, 2022, following registration of the NBC Mortgage, as shown by the historic title search attached hereto as Appendix "**D**".

23. The Receiver's Counsel conducted a security review of the NBC Loan and Westmount Loan. The security review did not include a review of the First NBC Mortgage. The Receiver is advised by Receiver's Counsel, subject to standard assumptions and qualifications, that

    a) the NBC Loan is secured by a first priority mortgage; and

    b) the Westmount Loan by a second priority mortgage.

24. On April 3, 2025, Peterson obtained an order nisi of foreclosure in this proceeding confirming its priority over the petition respondents.

25. The Receiver has become aware of certain unsecured claims against the Debtors by some pre-sale purchasers of Residential Units. These parties claim to have paid for their units in full directly to the Debtors. It appears these alleged purchases were not completed through legal counsel, nor were they completed under trust conditions to ensure security discharges of the encumbrances or in conjunction with the lenders.

26. The Receiver has not investigated these claims in detail except to verify that legal and beneficial title to the Residential Units remains with the Debtors. As noted above, any claim would be unsecured and subordinated to the registered mortgages.

27. On the Receiver's current assessment of the Debtors' affairs, it does not appear that secured creditors will receive full recovery.

RECEIVER'S ACTIVITIES

28. The Receiver's initial activities since the Receivership Date have included the following:

a) attending an initial meeting with representatives of Lightstone to notify them of the receivership and explain the Receivership Order;

b) retaining the Receiver's Counsel to act as independent legal counsel to the Receiver;

c) taking possession of the Residential Units and Commercial Units including securing the keys and changing locks, where appropriate;

d) taking possession of the available books and records of 107 and performing a backup of the Company's electronic records;

e) corresponding with MNP LLP as the Debtors' accountant to arrange the transfer of all accounting books and records;

f) freezing all of the Debtors' bank accounts and setting up estate bank accounts;

g) notifying Canada Revenue Agency ("**CRA**") of the Receiver's appointment and requesting that new remittance accounts be opened for the goods and sales tax obligations arising subsequent to the Date of Appointment;

h) attending to various statutory notices and other duties of the Receiver pursuant to the Receivership Order, the Bankruptcy and Insolvency Act and other applicable statues;

i) communicating with Chloe's residential strata manager, Rancho Management Services (B.C.) Ltd. ("**Rancho**") and retaining Rancho to act as strata manager for the Commercial Units;

j) acting as Chloe's residential strata council until first annual general meeting of the residential strata corporation can be held;

k) attending to insurance matters including adding the Receiver as named insured on the Debtors' insurance policies and obtaining supplemental coverage where required;

l) retaining Onside Site Restoration to perform urgent restoration work to remediate damage to certain units caused by a burst pipe in February 2024;

m) retaining Urban One to assist with construction, warranty and deficiency work;

n) engaging Avison Young Valuation & Advisory Service, LP ("**AY**") to complete an appraisal for the Unsold Units (the "**AY Appraisal**");

o) responding to various parties that submitted offers or expressed interest in purchasing certain of the Residential Units and Commercial Units;

p) soliciting competitive brokerage proposals and selecting Marcus & Millichap REIS Canada Inc. ("**M&M**") and Exclusive Vancouver Real Estate Group ("**EV**") to act as exclusive brokers for the Commercial Units and Residential Units, respectively;

q) filing an updated Disclosure Statement (the "**Receivership Disclosure Statement**") and a subsequent amendment (the "**First Amendment to the Receivership Disclosure Statement**") with the Superintendent of Real Estate and providing a copy of the Updated Disclosure Statement to Pre-sale Units purchasers;

r) arranging for the issuance of two Receiver's Certificates in respect of Receiver's borrowings provided by NBC;

s) disclaiming a lease for one of the Commercial Units and negotiation a potential new lease;

t) providing periodic updates to NBC, Westmount and Peterson in their capacities as senior secured lenders to the Debtor; and

u) preparing this First Report and the Confidential Supplement.

SPA HOLDBACKS

29. On the Receivership Date, approximately $3.1 million of SPA Holdbacks were held in trust by Clark Wilson. The funds had been withheld from the proceeds of 22 pre-receivership sales transactions pursuant to the *Strata Property Act*, S.B.C. 1998, C. 43 ("**SPA**") and the *Builders Lien Act* S.B.C. 1997, c. 45.

30. The SPA requires that the SPA Holdbacks be retained from the Debtors until 55 days after each sold lot has been conveyed to the purchaser (the "**Holdback Period**"), unless a lien is claimed against title to the sold lot or a proceeding is commenced to enforce a lien against the SPA Holdback during that period. The Holdback Period has expired for each of the holdback amounts currently held in trust.

31. On December 9, 2024, Urban One commenced proceedings against the Debtors, Clark Wilson and several John Doe defendants claiming a judgment in the amount of approximately $676,000 plus interest (the "**Urban One Claim**"). Urban One also claims the Urban One Lien against the SPA Holdbacks. A copy of the Notice of Civil Claim filed in the Urban One Claim is attached as Appendix "**E**". The Receiver's Counsel has advised the Receiver that as of July 3, 2025, other than the Urban One Claim, no proceedings claiming a lien against the SPA Holdbacks have been commenced and posted to Court Services Online.

32. The NBC Loan and Peterson Loan, and many of the obligations to Westmount, were advanced or incurred prior to Urban One Claim. Since December 8, 2024—the day prior to filing of the Urban One Claim—no additional amounts were advanced under the NBC Loan or Peterson Loan.

33. The Receiver is seeking the SPA Holdback Order to direct Clark Wilson to pay the SPA Holdbacks to the Receiver forthwith while confirming that neither Clark Wilson, nor any purchasers of the sold the closed units of Chloe, shall bear any liability for doing so. As described further in its application for the SPA Holdback Order, the Receiver's position is that the Receiver is entitled to take possession of the SPA Holdbacks pursuant to the Receivership Order and use these funds in this proceeding, subject to allocation and other approvals.

34. Receiver's Counsel has provided title searches for each of the sold residential strata lots, which are attached as Appendix "**F**". Receiver's Counsel has also provided the contracts for purchase and sale of the sold residential strata lots, which are attached as Appendix "**G**".

AY APPRAISAL

35. The Receiver commissioned the AY Appraisal to inform the Receiver's realization efforts, assist with evaluating the existing pre-sale agreements and support any Court application to approval a sale. AY was selected based on their knowledge of the Vancouver Westside neighborhood, strengths in both residential and commercial properties and prior experience working with FTI.

36. AY was provided with measurements, floorplans and other details in respect of the applicable units and performed a site visit.

37. On April 1, 2025, AY issued the AY Appraisal which ascribes values for each of the Unsold Units.

38. The Receiver is of the view that disclosure of the AY Appraisal may be detrimental to the realization process or jeopardize the value that could be obtained from the remaining Unsold Units and is therefore has included the AY Appraisal in the Confidential Supplement.

DISCLOSURE STATEMENT

39. The Receiver was required to file the Receivership Disclosure Statement pursuant to the *Real Estate Development Marketing Act*, S.B.C. 2004 due to the change in control resulting from the receivership of the Debtors. The Receivership Disclosure Statement was updated for, among other things, the named developer (now FTI in its capacity as Receiver), removal of references to the previous listing agent, and a revised strata budget.

40. The Receiver's Counsel finalized and filed the Receivership Disclosure Statement with the Superintendent of Real Estate on April 10, 2025. A copy of the Receivership Disclosure Statement is attached as Appendix "**H**".

41. The Superintendent of Real Estate requested certain amendments to the Receivership Disclosure Statements and the Receiver's Counsel filed the First Amendment to the Receivership Disclosure Statement on April 29, 2025. A copy of the First Amendment to the Receivership Disclosure Statement is attached as Appendix "**I**".

42. The disclosure statements with four amendments filed by Lightstone prior to the Receivership are attached as Appendix "**J**".

43. The Receiver sent the Receivership Disclosure Statement to all known pre-sale purchasers of Residential Units on April 16, 2025.

44. Subsequently, the Receiver identified six additional Incomplete Contracts that had not previously been disclosed to the Receiver and for which no deposits had been received by Clark Wilson. On April 29, the Receiver sent the Receivership Disclosure Statement to these parties and the First Amendment to the Receivership Disclosure Statement to all pre-sale purchasers of Residential Units.

45. Following receipt of the Receivership Disclosure Statement, seven pre-sale purchasers of Residential Units exercised their right to rescind their pre-receivership contracts for purchase and sale.

DISCLAIMERS OF PRE-RECEIVERSHIP AGREEMENTS

46. As described above, the Debtors entered into the Incomplete Contracts prior to the Receivership Date but did not complete the transactions. Pursuant to the Receivership Order, the Receiver is empowered to disclaim contracts entered into by the Debtors prior to the Receivership Date, where doing so would maximize the value of the Property.

47. Overall, the Receiver is of the view that the net cash proceeds and likelihood of concluding successful transactions for the Incomplete Units would be higher by disclaiming the agreements and remarketing them. It is not in the best interests of creditors to complete the Incomplete Contracts, and the Receiver thus seeks the Authorisation and Direction to Disclaim Order.

48. The Receiver has reviewed the Incomplete Contracts with consideration to, among other things:

    a) the purchase price, conditionality and other commercial terms;

    b) whether the potential purchasers allege to have made loans to the developer which were intended to be set-off against the purchase price of an eventual sale;

c) whether the potential purchasers allege to have paid most or all of the purchase price to the Debtors or other parties already;

d) whether the potential purchases have responded to the Receiver's requests for acknowledgement of the Receivership Disclosure Statement;

e) whether the potential purchaser paid a deposit to Clark Wilson;

f) whether the contracts relate to units that have already been sold; and

g) whether the purchase agreements have expired.

49. As a result of this analysis, the Receiver is planning to disclaim the Incomplete Contracts.

50. Copies of the redacted Incomplete Contracts are attached as Appendix "**K**", with the exception of the Incomplete Contract with Bei Chen, Qing Su, and Jide Liu in respect of Incomplete Units 19, 37 and 43, of which the Receiver is only aware because it is referenced in another agreement of the Debtors, and which the Receiver has been unable to locate and verify. Pricing of the Incomplete Contracts are included in the Confidential Supplement.

51. Title searches for Incomplete Units are attached as Appendix "**L**".

52. The "Strata Lot #" and "Suite #" noted in each Incomplete Contract in respect of residential units correspond to the preliminary strata plan current at the time each such Incomplete Contract was entered. These were revised by amendments to the disclosure statement, and the list below reflects the numbering set out in the fourth amendment to the disclosure statement at Appendix "J":

CRU 9, 10, 11	9, 10, 11	1518861 B.C. LTD.	January 6, 2025	N/a	No

53. The above purchase agreement with 1518861 B.C. Ltd. for CRU 3, 4, 5 was subject to an assignment agreement to assign the units to Lunanova Shipping Ltd. A copy of the assignment agreement is attached as Appendix "**M**".

54. In addition, the Fourth Priority Lenders had communicated with the Receiver asserting a potential right to complete a purchase in the event that the Fourth Priority Lenders were not otherwise repaid. The Receiver is planning to disclaim the following Incomplete Contracts, to the extent that there were executed purchase and sale agreements entered into with the Fourth Priority Lenders:

Incomplete Unit by Strata Lot #	Suite #	Purchaser(s)	Contract Date	Outside (Termination) Date	Deposit Paid
34	318	686912366 Investment Ltd.	May 9, 2024	February 28, 2025	Unknown

55. In addition, the following Incomplete Contract was entered in respect of residential strata lot #2, which has been sold to another purchaser. The Receiver is planning to disclaim the following Incomplete Contract in respect of residential strata lot #2:

Strata Lot #	Suite #	Purchaser(s)	Contract Date	Outside (Termination) Date	Deposit Paid
2	202	Andy Ting Lu Wang	November 1, 2024	August 31, 2025	No

56. An expanded summary including the associated purchase prices and deposits paid is included in the Confidential Supplement.

57. For clarity and out of a desire for efficiency, finality and certainty, the Receiver seeks to disclaim Incomplete Contracts for which disclaimer may not be strictly necessary, including:

a) Incomplete Contracts appear that appear to have expired on their terms, as described above;

b) The Incomplete Contract with Bei Chen, Qing Su, and Jide Liu in respect of Incomplete Units 19, 37 and 43, of which the Receiver is only aware because it is referenced in another agreement of the Debtors, and which the Receiver has been unable to locate and verify (this purported agreement is described as an Incomplete Contract for the Court's completeness only, and disclaimer is sought to the extent the agreement exists); and

c) Incomplete Contracts for the Commercial Units. The pre-sale purchasers under these agreements have either expressed that they do not wish to complete their respective transactions or renegotiated their purchase and sale agreement (as described further below regarding the Commercial SAVO Order).

58. Deposits, to the extent they were paid by pre-sale purchasers, were collected by Clark Wilson (counsel to the Debtors). The Receiver has reviewed records provided by Clark Wilson that indicate all pre-sale deposits collected were released prior to the Receivership Date, and none are held in trust by Clark Wilson.

SALES APPROVAL ORDER

59. The Receiver solicited competing proposals from three residential real estate brokerage firms to act as listing agent for the Residential Units. The three firms were each provided with detailed listings of the Residential Units and other building information to assist with their proposals and were provided with access to the building to perform walkthroughs of the individual units.

60. The Receiver met with each of the listing agents to discuss their proposals including valuation assumptions, proposed sales strategy, marketing approach and projected absorption periods.

61. The Receiver, in consultation with NBC and Peterson selected EV as the exclusive listing agent for the Residential Units based on, among other things, the following factors:

a) EV is a professional marketing agent in residential real estate with a high profile in Vancouver and the Kerrisdale neighbourhood and westside of Vancouver;

b) the marketing approach proposed by EV is well suited to the variety of layouts and profiles of the Residential Units;

c) the pricing guidance provided by EV is aligned with Receiver's objective of maximizing recoveries while incentivizing timely sales in the current challenging real estate market in Vancouver;

d) EV has experience marketing residential property in the context of a receivership proceeding; and

e) the commission structure proposed by EV is competitive with the other proposals received.

62. The Sales Approval Order will allow for the approval, sale and vesting of the Residential Units by desk order upon the filing of a Certificate by the Receiver in respect of each Residential Unit that, among other things, will confirm that the gross purchase price in respect of the subject Residential Unit falls within a prescribed price range ("**Price Range**"). The Price Range was adjusted from the appraised values in consultation with the listing agents and the senior secured creditors given the recent turn in the Lower Mainland real estate market, as described in the Confidential Supplement.

63. The Price Range, which is described in the Confidential Supplement, has been developed in consultation with EV based on, among other things:

a) recent historic sales of comparable units in the Kerrisdale neighbourhood;

b) projected absorption in the Kerrisdale residential condominium market; and

c) the attributes and relative attractiveness of each of the individual Residential Units.

64. The Receiver's comments with respect to the Sale Approval Order are as follows:

a) the Receiver is of the opinion that selling the Residential Units on an individual basis will provide stakeholders with the greatest possible recovery;

b) the Sale Approval Order will permit the Receiver to expeditiously and efficiently complete the sale of the Residential Units at a lower cost than having Court hearings to approve each individual sale;

c) the price ranges provided for in the Sale Approval Order have been developed in consultation with EV and with consideration to the AY Appraisal, competing broker proposals and recent comparable sales;

d) the Price Range has been developed to maximize recoveries while incentivizing timely sales to mitigate the ongoing interest costs and costs of the receivership proceedings;

e) the EV Marketing and Sales Service Agreement provides for the Residential Units to be broadly marketed in a fair and transparent manner;

f) the marketing efforts proposed by EV include posting the listing on the Multiple Listing Service and will allow the Residential Units to be marketed to a wide range of potential purchasers;

g) the Receiver has shared its draft application for the Sale Approval Order with key stakeholders including NBC, Westmount and Peterson, who are reviewing and confirming instructions; and

h) overall, the Sale Approval Order will allow the Receiver to pursue timely sales of the Residential Units and is in the best interests of the Debtors' stakeholders.

65. A copy of the redacted EV Marketing and Sales Services Agreement without the Price Range is attached as Appendix "**N".** Additional details with respect to the Marketing and Sales Services Agreement and Price Range are included in the Confidential Supplement.

COMMERCIAL LISTING AGENT

66. The Receiver solicited competing proposals from three commercial real estate brokerage firms to act as listing agent for the Commercial Units. The three firms were each provided with details of the Commercial Units and were provided with access to the building to perform walkthroughs of the individual units.

67. Similar to with the Residential Units, the Receiver met with each of the commercial brokers to discuss their proposals including valuation assumptions, proposed sales strategy and marketing approach and pricing guidance.

68. The Receiver, in consultation with NBC and Peterson, have decided to engage M&M to act as exclusive listing agent for the Commercial Units based on, among other things, the following factors:

a) the favourable pricing guidance and fee structure included in M&M's proposal;

b) M&M reputation as a market leading broker of commercial retail property in Vancouver; and

c) M&M's previous experience acting as the leasing agent for the Chloe commercial units has provided them with knowledge of the building and potential purchasers.

69. A copy of the redacted M&M Marketing and Sales Services Agreement without the Price Range is attached as Appendix "**O**"**.**

COMMERCIAL SAVO

70. Prior to the Receivership, the Debtors had marketed the Commercial Units extensively since at least December 2024, but were unable to complete a transaction prior to the Receivership Date.

71. Following the Receivership Date, Lightstone provided the Receiver with three purchase agreements for various Commercial Units which had unsatisfied conditions or had otherwise been unable to close.

72. The Receiver inquired with the potential purchasers as to their willingness to complete the transactions and each party confirmed that they were not willing to complete a transaction on the existing contract terms. However, one purchaser, 7D Holdings Ltd. presented a revised offer to the Receiver and, following negotiations and consultation with the secured lenders, the Receiver entered into the Commercial Purchase Agreement with 7D Holdings Ltd. on May 1, 2025.

73. A copy of the redacted Commercial Purchase Agreement is attached as Appendix "**P**". The price of the Commercial Purchase Agreement is described in the Confidential Supplement.

74. The key commercial terms of the Commercial Purchase Agreement are summarized as follows:

a) the purchaser is 7D Holdings Ltd.;

b) the purchased property includes the commercial retail strata lots referred to as Commercial Unit 1 and Commercial Unit 2;

c) it is subject to certain conditions in favour of 7D Holdings Ltd. including verification of the property's suitability for its intended use as a dental clinic, access to necessary drawings, physical unit inspections and other due diligence items that have since been satisfied;

d) it is conditional upon the approval of this Honourable Court; and

e) closing is to occur no later than 3 business days from Receiver obtains a certified copy of court order approving the Commercial SAVO.

75. The Receiver's comments with respect to the Commercial SAVO are as follows:

a) the Commercial Units have been marketed for sale by the Debtors since at least December 2024;

b) the purchase price is reasonable when compared to the AY Appraisal and pricing guidance provided by M&M in respect of Commercial Units 1 & 2;

c) the sale is supported by NBC, Westmount and Peterson; and

d) overall, it is the Receiver's view that completing the transaction contemplated by the Commercial Purchase Agreement is reasonable in the circumstances and is in the best interests of the Debtors' creditors.

ASSIGNMENTS IN BANKRUPTCY

76. The Receiver is seeking the authorization of this Honourable Court to assign the Debtors into bankruptcy. The Receiver's preliminary review of the information indicates that there have been recent transactions that are not reflected in the books and records of the Debtors, some of which may have been with related and/or affiliated parties. Assignments in bankruptcy in respect of the debtors will allow the trustee in bankruptcy enhanced powers to investigate these transaction and pursue them under the BIA for the benefit of the estate and creditors.

77. The Debtors are insolvent and have committed acts of bankruptcy pursuant to the BIA, including failure to meet their obligations as they generally become due and owing. Accordingly, a creditor would likely be successful in seeking a bankruptcy order. Allowing the Receiver to assign the Debtors into bankruptcy is a more cost effective method to achieve this result. There is no material prejudice to any party should the Debtors be assigned into bankruptcy.

INTERIM STATEMENT OF RECEIPTS AND DISBURSEMENTS

78. The Receiver's interim R&D for the period from the Receivership Date to June 13, 2025 is summarized below:

After the Closed Period the Loan may be prepaid in full upon 30 days' written notice. SCHEDULE "A"

1. AGREEMENT

The Purchaser hereby agrees to purchase from the Vendor the Strata Lot for the Purchase Price and upon the terms and conditions set forth in this Agreement, including this Schedule "A" and any other schedules and addenda attached hereto. Freehold title to the Strata Lot to be conveyed by the Vendor to the Purchaser on the Completion Date (hereinafter defined) will be subject only to:

(a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

(b) the charges and encumbrances referred to in the Disclosure Statement; and

(c) claims of builders' liens if the Vendor's Solicitors (hereinafter defined) have undertaken to remove same in accordance with subparagraph 9.1(b) hereof

(collectively the "**Permitted Encumbrances**").

2. DESCRIPTION OF STRATA LOT

2.1 The Strata Lot will be part of the Development to be constructed on the Lands, substantially as shown on the Preliminary Strata Plan. The Purchaser acknowledges that the Strata Lot will include the items set out in paragraph 1.03 of this Agreement.

3. DISCLOSURE STATEMENT

3.1 The Purchaser acknowledges that the Purchaser has received a copy of the disclosure statement for the Development dated June 11, 2021 including all amendments thereto, if any, filed up to the date of this Agreement (collectively, the "**Disclosure Statement**") and has been given a reasonable opportunity to read and review the Disclosure Statement prior to entering into this Agreement. The execution by the Purchaser of this Agreement will constitute a confirmation of the Purchaser's receipt of the Disclosure Statement. The Disclosure Statement contains provisions explaining the obligations of the owner of the Strata Lot to pay monthly contributions to the common expenses of the Strata Corporation.

3.2 Without in any way limiting paragraph 11.6, the Purchaser acknowledges and agrees that the Disclosure Statement (as defined above) and any future amendments to the Disclosure Statement may, in the Vendor's sole discretion, be provided to the Purchaser by electronic means. The Purchaser acknowledges and agrees that it is the Purchaser's sole responsibility to advise the Vendor of any changes to the Purchaser's contact information, including but not limited to the Purchaser's e-mail address, and the Purchaser covenants to provide the Vendor with written notice of any such changes.

3.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 3.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

3.4 If the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

3.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

3.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the

INITIALS

	Purchaser	Vendor

"Purchaser's Solicitor") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

4. COMPLETION, POSSESSION AND ADJUSTMENT DATES

4.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 6:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 30 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 15 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor. If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 4.1 and whether or not any delay described in this paragraph 4.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between May 10, 2024 and June 30, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

4.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 5 below.

4.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

4.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

5. GST.

5.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

6. REPRESENTATIONS/ENTIRE AGREEMENT

6.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts, expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

7. CONSTRUCTION

7.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 6.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

7.2 Notwithstanding paragraph 7.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 3% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 3% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 3%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

$R = (.97 - A/P) \times$ the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 7.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

7.3 Subject to paragraph 8.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 9.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss,

cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

8. PRE-OCCUPANCY WALK THROUGH

8.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 8.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 10.

8.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

9. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

9.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the

Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

9.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

9.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owner**"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

10. ASSIGNMENT BY PURCHASER

(a) "**assignment**" has the meaning ascribed to it in the *Real Estate Development Marketing Act* (British Columbia);

(a) the Purchaser provides the Vendor with notice of such assignment and evidence to satisfy the Vendor that the assignee is affiliated entity of the Purchaser;

(b) the Purchaser and the Proposed Assignee will covenant and agree that each of them are jointly and severally liable to Vendor for the observance and performance of all of the Purchaser's obligations as provided in this Agreement; and

The information and records may only be used or disclosed for tax purposes and other purposes authorized by section 20.5 of the *Real Estate Development Marketing Act*, which includes disclosure to the Canada Revenue Agency.

10.3 Collection, Retention and Release of Information.

(a) The Purchaser acknowledges and agrees that it will provide to the developer, and cause any proposed assignee of this purchase agreement to provide to the developer, the Prescribed Information and such other information and records as may be required by the developer, in its sole discretion, and the Assignment Agreements as executed by the Purchaser and proposed assignee of this purchase agreement.

11. MISCELLANEOUS

11.1 Time of Essence. Time is of the essence hereof and unless all payments on account of the Purchase Price, subject to adjustments thereto as provided for herein, and any other monies payable by the Purchaser hereunder are paid when due, or if the Purchaser is otherwise in default of the provisions of this Agreement, then the Vendor may, at the option of the Vendor in its sole discretion, either:

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

(b) elect to extend the time for completion, and revise such terms of this Agreement as may be required in order to accommodate the extension, and to complete the transaction contemplated by this Agreement, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price:

i. interest on the unpaid portion of the Purchase Price and other unpaid amounts payable by the Purchaser hereunder at the rate of 2.0% per month (27% per annum), which interest will be calculated daily from and including the date upon which such payment and amounts were due pursuant to the terms hereof to and including the date upon which such payment and amounts are paid; and/or

ii. such other amount(s) as determined by the Vendor in its sole discretion.

If from time to time the Purchaser's default continues beyond the last extended date for completion established pursuant to subparagraph 11.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 11.1(a) above or permit one or more further extensions pursuant to subparagraph 11.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 11.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 4.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

11.2 Condition Removal. Notwithstanding anything herein contained to the contrary, if the Purchaser's obligation to purchase the Strata Lot is subject to one or more conditions, then the conditions will be set out in an addendum attached hereto and if such conditions exist then the Vendor may, on written notice delivered to the Purchaser, require the Purchaser to either satisfy or waive such conditions by the delivery of written notice to the Vendor within seventy two (72) hours from the time the Vendor delivers its notice to the Purchaser. If the Purchaser's written notice either satisfying or waiving the Purchaser's conditions is not received by the Vendor within the time permitted as aforesaid, then this Agreement will terminate and the Deposit will be promptly refunded to Purchaser.

11.3 Larger Development. The Purchaser acknowledges that the Purchaser is purchasing the Strata Lot with full and complete awareness and unconditionally accepts and agrees that the Development will form a part of a larger development which the Vendor anticipates will also include a commercial component (the "**Adjacent Development**"). The Purchaser further acknowledges that the Development may be completed prior the Adjacent Development, and in that event, there will be, from time to time, related construction, noise, vibrations, odours, dust, dirt tracks and other construction activity at or in close proximity to the Development that are greater than those that are usual in an urban development. The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. The Purchaser hereby irrevocably and unconditionally waives any claim the Purchaser has or may have against the Vendor or other entities or persons related to or in any way associated with the Vendor in respect of the matters set out in this paragraph 11.2. The provisions set out in this paragraph 11.2 will survive the Completion Date, registration of the Transfer, and payment of the Purchase Price to the Vendor.

11.4 Money Laundering/Terrorist Activity. The Developer may, in its sole discretion, terminate the this Agreement if the Developer has reasonable grounds to suspect that any part of the transaction contemplated by the this Agreement is related to the commission or attempted commission of a "money laundering offence" or a "terrorist activity financing offence", as defined in the *Proceeds of Crime (Money Laundering)* and *Terrorist Financing Act* (Canada) and regulations under that Act, as amended from time to time, in which event the portion of the Deposit that has been paid shall be returned to the purchaser and the purchaser shall have no further claims against the Developer.

11.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. The Purchaser agrees that for so long as the Vendor is the owner of any strata lots/units in the Development or the Adjacent Developments, the Vendor may carry out marketing, promotional and sales activities within the common property (including parking stalls and recreational facilities) of the Development or within those strata lots within the Development owned or leased by the Developer, including, without limitation, maintaining display suites, other display areas, parking areas, and signage (including signage placed on the common property of the Development) and permitting public access to same for the purpose of marketing any unsold strata lots/units in the Development or the Adjacent Developments. In addition, the Developer may conduct tours of the Development from time to time with prospective purchasers of strata lots/units in the Development or Adjacent Developments and hold events and other activities within the common property of the Development in connection with marketing and sales activities related to the Development and/or the Adjacent Developments.

11.6 Notices and Tender. Any notice to be given by the Vendor to the Purchaser will be sufficiently given if deposited in any postal receptacle in Canada addressed to the Purchaser at the Purchaser's address as set out on the first page of this Agreement or to the Purchaser's Solicitor at its offices and sent by regular mail, postage prepaid, or if delivered by hand or if transmitted by facsimile or other form of electronic communication capable of producing a printed copy to the Purchaser's Solicitor at its office or to the Purchaser. Such notice will be deemed to have been received if so delivered or transmitted when delivered or transmitted and if mailed, on the second business day (exclusive of Saturdays, Sundays and statutory holidays) after such mailing. The address, facsimile number (if any), or electronic mail address (if any) for the Purchaser will be as set out on Page 1 of this Agreement or such other address, facsimile number (if any), or electronic mail address (if any), the Purchaser has last notified the Vendor in writing. Any notice to be delivered to the Purchaser may be delivered to the Purchaser or the Purchaser's Solicitor and any notice to be delivered to the Vendor may be given to the Vendor or the Vendor's Solicitors in the same manner, and any such notice will be deemed to have been received, as provided for in the preceding provisions of this paragraph 11.6, in the same manner. Save and except for as otherwise provided herein, any documents or money to be tendered on the Vendor will be tendered by way of certified funds or bank draft and will be delivered at the Purchaser's expense to the Vendor or the Vendor's Solicitors.

11.7 Display Strata Lot. The parties hereby agree that such amount constitutes a genuine pre-estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

3. COMPLETION

The completion of the purchase and sale of the Property will take place on that date (the "**Completion Date**") specified in a written notice (the "**Notice**") from the Vendor to the Purchaser to be delivered to the Purchaser no later than that date which is between two (2) and thirty (30) days after the later of (i) the date that title to the Property is issued by the Land Title Office, and (ii) the date that the construction of the improvements forming part of the Property are substantially completed as confirmed by the architect or engineer retained by the Vendor in connection with the Development (the "**Vendor's Consultant**"). The Notice delivered from the Vendor to the Purchaser may be based on the Vendor's estimate as to when title to the Property will be issued by the Land Title Office and/or when the construction of the improvements forming part of the Property will be substantially completed as confirmed by the Vendor's Consultant. If on the Completion Date so established title to the Property has not been issued by the Land Title Office or the construction of the improvements forming part of the Property are not substantially completed as confirmed by the Vendor's Consultant, then the Vendor may delay the Completion Date for up to thirty (30) days from time to time as required by notice of such delay to the Purchaser. This Agreement may be rescinded by the Purchaser by written notice to the Vendor within seven (7) days after the mutual execution and delivery of this Agreement by each of the Vendor and the Purchaser (the "**Purchaser's Rescission Notice**"). If the Purchaser delivers the Purchaser's Rescission Notice to the Vendor on or before the aforementioned date, this Agreement will be null and void and neither party will have any further legal obligations to the other thereafter under this Agreement, and the First Deposit will be forthwith repaid to the Purchaser, together with accrued interest, if any. If the Purchaser fails to deliver the Purchaser's Rescission Notice to the Vendor on or before the aforementioned date, this Agreement will be firm and binding and the Purchaser will have no further rescission rights.

5. TITLE, RISK, POSSESSION AND ADJUSTMENTS

The Purchaser will be entitled to vacant possession of the Property on the Business Day following the Completion Date provided the Vendor has received payment of the adjusted balance of the Purchase Price in accordance with Section 13 (the "**Possession Date**"). The Property will be at the risk of the Vendor to and including the day preceding the Completion Date and thereafter is at the risk of the Purchaser.

The Vendor will convey title to the Property free and clear of all encumbrances except the Permitted Encumbrances and any Vendor's Financial Charges to be discharged in accordance with Section 13 hereof following the Completion Date and receipt by the Vendor of the balance of the Purchase Price pursuant to Subsection 2(b) hereof.

The Purchaser will assume all taxes, rates, local improvement assessments, water rates and scavenging rates, assessments of the Strata Corporation of which the Property forms part and all other adjustments, both incoming and outgoing, of whatever nature in respect of the Property will be made, as of the Completion Date, which will be reflected on the statement of adjustments referred to in Section 13 hereof. If a separate

assessment of taxes, rates, local improvement assessments or other charges for the Property is not available, the amount applicable to the Property will be pro-rated in that proportion that the unit entitlement for the Property bears to the unit entitlement for all strata lots in the Development as shown on the schedule of unit entitlement for the Development.

The Purchaser will be responsible for all utility charges as of the Possession Date and shall notify the necessary utility companies to have the utilities transferred into the name of the Purchaser on the Possession Date. In the event the Purchaser does not transfer the utilities into the Purchaser's name as of the Possession Date, any charges to the Vendor that should be the Purchaser's responsibility shall be paid to the Vendor within 5 Business Days of notification, failing which a $100.00 charge shall be applied to the outstanding amount.

6. CONSTRUCTION

The Vendor will, prior to the Completion Date and as determined by the Vendor's Consultant in its sole discretion, substantially complete the construction of the Property to the Base Building Specifications as set out and defined in the Information Summary. The Purchaser acknowledges and agrees that:

(a) Other than as set out in the Base Building Specifications, the Vendor will not provide any work, improvements or equipment to the Property;

(b) Other than as provided for in the Base Building Specifications, any required building permits or construction approvals with respect to the Property will be the responsibility of the Purchaser;

(c) the area measurements of the Property and the Development are approximate and based on architectural drawings and measurements;

(d) the final floor plans and surveyed areas of the Property and the Development may vary;

(e) the Property is generally as shown on the preliminary strata plan (the "**Preliminary Strata Plan**") included in the Information Summary. The Vendor may make alterations to and determine the features and layout of the Property which are required by the Vendor in its sole discretion, or by the City of Vancouver in connection with the Vendor's Development approvals. The Vendor reserves the right to alter the common property of the Development at any time and from time to time in its sole discretion;

(f) the proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan, and that the actual size, dimensions and/or configuration of the strata lots and/or other limited common property and/or common property as set forth in the final strata plan (the "**Final Strata Plan**") and/or final building survey (the "**Final Building Survey**") for the Development may vary from what is depicted on the Preliminary Strata Plan and/or set out in the Information Summary, including the Base Building Specifications;

(g) the areas and dimensions of the strata lots in the Development set out in the Information Summary, this Agreement and related marketing materials are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Property) in the Development; and

(h) in the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots and/or other limited common property and/or common property in the Preliminary Strata Plan, the Information Summary, including the Base Building Specifications, this Agreement, any architectural plans relating to the Development and/or any

marketing materials and the Final Strata Plan and the Final Building Survey, the Final Strata Plan and Final Building Survey will prevail,

provided that if the Property as shown on the Final Strata Plan is more than 5% smaller or larger as compared to it as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced or increased, as applicable, by an amount equal to the number of percent by which the Property is more than 5% smaller or larger, as applicable, multiplied by the Purchase Price, and neither of the parties hereto will have any other claim against the other in respect of such reduction or increase in the size of the Property. For clarity, if the Property as shown on the Final Strata Plan is less than 5% smaller or larger as compared to it as shown on the Preliminary Strata Plan, then neither party hereto will have any claim against the other in respect of same.

Notwithstanding the foregoing but subject to any adjustment of the Purchase Price as aforesaid, the Purchaser acknowledges and agrees that the Vendor may, from time to time and without notice or compensation to or consent from the Purchaser, make any changes to the Property and/or Development, or any modifications in features, design, configuration and layout of the Property and/or Development as may be desirable or reasonably required, as determined by the Vendor in its sole discretion, including any changes or modifications required by any governmental or other approving authority or any changes or modifications required to improve the structural integrity of the Development, its mechanical or utility systems, its ability to withstand water penetration or its aesthetics.

If any issue regarding construction matters cannot be resolved by the parties, each acting reasonably, then the professional opinion of the Vendor's Consultant will be binding on the parties, including matters related to the existence and the rectification of Deficiencies, (as defined in Section 7), and the construction of the Property to the Base Building Specifications.

7. PRE-CLOSING WALKTHROUGH

(a) The Purchaser, or its representative, and a representative of the Vendor will be entitled to complete a walkthrough of the Property at a reasonable time designated by the Vendor by written notice or by telephone prior to the Completion Date. At the conclusion of such walkthrough a conclusive list of any defects or deficiencies (collectively, the "**Deficiencies**") will be prepared by a representative of the Vendor, the parties or their representatives will sign the list of Deficiencies, and the Purchaser will be deemed to have accepted the physical condition of the Property on an "as is, where is" basis subject only to the Deficiencies, and except as otherwise set out herein.

(c) If there is any dispute as to the defects or deficiencies to be included in the list of Deficiencies, the Vendor's Consultant will determine the list of Deficiencies, in its sole and absolute discretion, it being agreed that such determination will be binding upon the parties and need not occur prior to the Completion Date.

(d) If there are any Deficiencies noted by the parties, or determined by the Vendor's Consultant, then the parties acknowledge and agree that: (i) the Vendor will remedy the Deficiencies, to the satisfaction of the Vendor's Consultant and that such remediation may not occur until after the Completion Date; (ii) notwithstanding the existence of any Deficiencies on the Completion Date, the Purchaser will not be entitled to elect not to complete the purchase of the Property and there will be no deficiency holdback in respect of any Deficiencies which may exist on the

Completion Date; and (iii) the Purchaser will provide the Vendor or a representative of the Vendor access to the Property during reasonable business hours on 24 hours' prior notice to remediate any outstanding Deficiencies existing after the Completion Date.

8. ACCESS TO PROPERTY/DEVELOPMENT

Subject to Section 7, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Property or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's Consultant, the Vendor's partners, their respective directors, shareholders, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including any loss, cost, damage, injury or death arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. LIEN HOLDBACK

Any portion of the Purchase Price required by law to be held back by the Purchaser with respect to potential builders' lien claims (the "**Lien Holdback**") will be paid to Clark Wilson LLP, in trust (the "**Vendor's Solicitors**") on the Completion Date. The Lien Holdback will be held by the Vendor's Solicitors in trust pursuant to the *Strata Property Act* (British Columbia) and *the Builders Lien Act* (British Columbia), with interest thereon, if any, credited to the Vendor. The Lien Holdback will be held in trust solely with respect to builder's lien claims registered in the Land Title Office or filed in the applicable court registry in connection with work done at the direction of the Vendor.

The Vendor's Solicitors are authorized to pay to the Vendor on the fifty-sixth (56th) day following the earlier of: (i) the Completion Date; (ii) and the date the Vendor's Consultant has certified that the construction of the improvements forming part of the Property are substantially completed, the Lien Holdback plus accrued interest less the amount representing builders' lien claims filed against title to the Property or in the applicable court registry which the Purchaser's solicitor has notified the Vendor's Solicitor of in writing by 1:00 p.m. that day, if any.

The Purchaser hereby authorizes the Vendor and the Vendor's Solicitors to do all things necessary to discharge any liens, including bringing court proceedings in the name of the Purchaser, provided that any such proceedings will be at the expense of the Vendor.

The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owner**"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

The transfer of the Property may also be subject to the Vendor's Financial Charges provided that the Vendor's Solicitors undertake to pay an amount required in a written statement from the holder of the Vendor's Financial Charges to require the holder of the Vendor's Financial Charges to provide the Vendor's Solicitors with a registrable partial discharge of such Vendor's Financial Charges from the Property only, and to register the partial discharge of the aforesaid charges from title to the Property and, in the case of a claim of builders lien, on their undertaking to pay an amount sufficient to cause same to be discharged within a reasonable period time

after receiving the balance of the Purchase Price due on the Completion Date. The Purchaser acknowledges that the Vendor's Financial Charges may remain as a charge against the common property of the Development and against the Vendor in the Personal Property Registry until the Vendor has completed the sale of the balance of the strata lots in the Development whereupon the Vendor covenants such financing will be discharged entirely.

If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the Purchase Price on the Completion Date, may wait to pay the Purchase Price to the Vendor until after the transfer and new mortgage documents have been lodged for registration in the Land Title Office, but only if, before such lodging, the Purchaser has: (a) made available for tender to the Vendor that portion of the Purchase Price not secured by the new mortgage; (b) fulfilled all the new mortgagee's conditions for funding except lodging the mortgage for registration and confirmed the same in writing with the Vendor's Solicitors; and (c) made available to the Vendor and the Vendor's Solicitors a British Columbia solicitor's undertaking, on such terms and conditions as the Vendor's Solicitors consider appropriate, acting reasonably, to pay the Purchase Price upon the lodging of the transfer and new mortgage documents and the advance by the mortgagee of the mortgage proceeds.

14. COSTS / GST

The Purchaser will pay, in addition to the Purchase Price, all costs in connection with the sale and purchase of the Property (including property transfer tax and any federal and provincial sales taxes, GST, value added or other tax required to be paid by the Purchaser in connection with the purchase and sale of the Property), other than the costs of the Vendor incurred in clearing title to the Property of the Vendor's Financial Charges or other encumbrances that are not Permitted Encumbrances. Without limiting the generality of the foregoing, the Purchaser agrees that the Purchase Price and any other amounts payable to the Vendor hereunder do not include GST, or any other applicable taxes, and that, if and to the extent required under Part IX of the *Excise Tax Act* (Canada), the Purchaser will remit to the Vendor on the Completion Date any GST that may be exigible under Part IX of the *Excise Tax Act* (Canada) in respect of the transaction contemplated herein, the Vendor agrees that it will remit such funds or otherwise account for such funds to Canada Customs and Revenue Agency ("**CRA**") in accordance with its obligations under Part IX of the *Excise Tax Act* (Canada). Notwithstanding the foregoing, if the Purchaser is registered for GST purposes and, on or before the Completion Date, the Purchaser provides the Vendor with a certificate as to the GST registered status of the Purchaser containing the Purchaser's GST registration number, the Purchaser will not be required to pay the GST to the Vendor but will be entitled to self-assess the GST and account for the same directly to CRA.

15. TIME IS OF THE ESSENCE

Time will be of the essence hereof and unless all payments on account of the Purchase Price, together with adjustments thereto as provided herein and all other amounts payable hereunder are paid when due, then the Vendor may, at its option:

(a) terminate this Agreement by written notice to the Purchaser and, in such event, the Deposit will be absolutely forfeited to the Vendor without prejudice to the Vendor's other remedies; or

(b) elect to extend the Completion Date to a certain date determined by the Vendor, time to remain of the essence hereof and subject to the Vendor's right in its sole discretion, to grant further extensions to a certain date each time, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price, interest on the unpaid portion of the Purchase Price and other unpaid amounts payable hereunder at the rate of 2% per month (24% per annum), calculated daily and compounded monthly not in advance, from the original Completion Date to the date upon which such portion and amounts are paid.

The Vendor may cancel this Agreement pursuant to Subsection 15(a)at any time after extending the Completion Date pursuant to Subsection 15(b) if the Purchaser fails to complete on or before such extended date. Should any extension of the Completion Date pursuant to Subsection 15(b) result in the Completion Date extending beyond the Outside Date, the Outside Date will be deemed to be extended to the next Business Day following the Completion Date.

Section 6.02 Safekeeping: The Creditor shall not be obligated to keep any Collateral separate or identifiable or to take steps to preserve the rights relating to any Collateral against other persons. The Creditor shall have no duty with respect to any Collateral delivered to it other than to use the same degree of care in the safe custody of the Collateral delivered to it that it uses with respect to any similar property that it owns of similar value.

Section 6.03 Further Assurances; Immunities etc.: The Pledgor agrees, at the request of the Creditor and at the expense of the Pledgor, to do, file, record, make, execute and register all such acts, deeds, things, notices and instruments as may be necessary in the opinion of the Creditor and its counsel (acting reasonably), to vest more fully in and assure to the Creditor the security interests in the Collateral created hereby or intended to be so created, and the enforcement and full realization of the rights, remedies and powers of the Creditor hereunder relating to the Collateral. The Pledgor hereby irrevocably appoints the Creditor as its irrevocable attorney-in-fact to perform, in the name of the Pledgor as applicable, or otherwise, any and all acts, including, without limitation, the signing and filing of financing statements and amendments thereto, which the Creditor and its counsel may deem necessary to effect and continue perfection of the security interests created hereby or intended so to be or otherwise to preserve and protect the Pledged Shares and the security interests of the Creditor hereunder, but nothing herein or otherwise shall require the Creditor to take any such action. Without limitation, and except as specifically provided for in this Agreement, the Creditor shall not have a duty to send any notices, perform any services, vote, pay, exercise any options or make any elections with respect to, or pay any taxes or charges associated with, or otherwise take any other action of any kind with respect to the Collateral. In addition, except as otherwise provided herein, the Creditor shall not have any obligation to take any steps, and the Pledgor shall in each case duly take all steps, necessary to perfect and otherwise preserve against all other parties (including without limitation other shareholders) the rights of the Pledgor and those of the Creditor in the Collateral and each and every one thereof.

PAYMENT PROVISIONS:

Interest Rate

The Principal Amount described in item 5 (the "Principal Sum") or the amount thereof outstanding from time to time shall bear interest, both before and after any default or demand hereunder, from the date of advance of all or any portion of the Principal Sum up to, but excluding August 6, 2024 at the rate of 15% per annum, compounded monthly. The fees payable by the Borrower to the Lender(s) as described in a Commitment Letter dated September 25, 2023 (the "Loan Agreement") and the rate of interest payable hereunder, are based upon an expected repayment of the Principal Sum and interest by August 6, 2024 (the "Rate Escalation Date").

To compensate the Lender(s) for:

(a) loss of ability to earn additional fee income on the Principal Sum after on and after the Rate Escalation Date;
(b) the risk to the Lender(s) of the loan being outstanding on and after the Rate Escalation Date; and
(c) the risk to the Lender(s) of fixed rates rising substantially and the Lender(s) not being able to reinvest its money on and after the Rate Escalation Date at such higher rates;

subject to the provisions hereof dealing with the Backup Rate, the Principal Sum shall bear interest on and from the Rate Escalation Date at the rate of 30% per annum, compounded monthly, until all amounts secured or payable under or pursuant to this Mortgage shall be paid in full.

If the rate of interest on any sums to be advanced pursuant hereto would, except for this paragraph be, a criminal rate, or void for uncertainty, or unenforceable for any other reason, or not able to be ascertained, or is determined by a court to be subject to deemed reinvestment of interest, then the interest rate (the "Backup Rate") chargeable on the credit so advanced shall be 1.00% per annum less than the maximum rate which would not be a criminal rate calculated in accordance with generally accepted actuarial practices and principles and all other provisions of this Mortgage are subject to this paragraph. Notwithstanding any other provision hereof the Borrower shall not pay or tender for payment any principal, interest, cost, fee, bonus, fine, penalty, commission or other similar charge or expense which would result in payment of interest at a rate higher than the Backup Rate. If any such payment is tendered contrary to the provisions hereof, it shall be applied to the Principal Sum or if no Principal Sum is then outstanding refunded by the Lender(s) to the Borrower on demand.

Each provision hereof dealing with the payment of money by the Borrower to or on behalf of the Lender(s) shall be deemed to be prefaced with the words, "subject to the provisions hereof dealing with the Backup Rate".

Interest Calculation Period

Interest at the Interest Rate is compounded monthly, not in advance. Interest is payable on overdue interest and on the Principal Amount at the aforesaid Interest Rate both before and after default, maturity and judgment until the Principal Amount has been repaid in full.

Amount of each Periodic Payment

$43,750.00 interest only per month, before August 6, 2024; and
$87,500.00 interest only per month, on, from and after August 6, 2024, until this Mortgage has been repaid in full.

Assignment of Rents

In this Mortgage:

"Indebtedness" means the Principal Amount of the Mortgage and all interest thereon and all other indebtedness, liability or obligations of the Borrower to the Lender(s) from time to time secured by the Mortgage.

"Leases" means each and every written or unwritten agreement to lease, lease renewal, tenancy agreement, licence and right of occupancy made or to be made, or granted or to be granted, with respect to the lands described in Item 2 of this Mortgage or any part thereof, now or in the future.

"Rents" means all rents and other payments due or accruing due or at any time hereafter to become due pursuant to the Leases and the benefit of all guarantees of payment and all covenants to pay therein contained.

1. The Borrower will, from time to time as the Lender(s) requires, provide to the Lender(s) a true copy of each of the Leases and give to the Lender(s) full information relating to each of the leases.

2. The Borrower hereby assigns to the Lender(s) all Rents, for the Lender(s) to have and to hold until the indebtedness and all obligations of the Borrower in respect of this Mortgage have been fully paid and satisfied.

3. The Borrower hereby grants to the Lender(s) full power and authority to enter upon the mortgaged Land to collect the Rents, to serve demands on the holders of the Leases in respect of payment of the Rents and to demand, collect, sue for, distrain for, recover and give receipts for the Rents, and to enforce payment of the Rents and performance of the said guarantees of payment and covenants to pay, in the Lender(s)' own name or in the name of and as agent for the Borrower, as the Lender(s) may elect, and hereby grants to the Lender(s) irrevocable authority to join the Borrower in any such proceedings or actions.

4. Although this is a present and absolute assignment, (subject to defeasance on repayment of the Indebtedness), the Borrower, as agent for the Lender(s), will be entitled to collect and retain the Rents as and when they become due and payable according to the terms of the Leases until there is a default in the observance or performance by the Borrower of any term, covenant, agreement, proviso or condition of the Mortgage or of any other collateral security; PROVIDED that this paragraph shall not relieve the Borrower from the observance and performance of the Borrower' obligations hereunder.

5. In the event of default by the Borrower under the Mortgage, proceedings may, at the option of the Lender(s), be taken under this assignment of rents either independently or in conjunction with the other rights and remedies of the Lender(s) under the Mortgage.

6. Nothing herein contained shall be deemed to have the effect of making the Lender(s) responsible for the collection of the Rents or for the observance or performance of any of the provisions of the Leases either by the Borrower or by any holders of the Leases, or of rendering the Lender(s) a Lender(s) in possession of the mortgaged Land or in any way accountable or liable as such, or of imposing any obligation on the Lender(s) to take any action or exercise any remedy in the collection or recovery of the Rents.

7. The Lender(s) will be liable to account for only such moneys as it actually receives pursuant to this assignment of rents, including such portions thereof as may be expended by the Lender(s) on collection charges, inspection fees, costs as between solicitor and client, and other expenses to which the Lender(s) may be put in respect thereof, and the balance of such moneys, when so received by the Lender(s), will be applied on account of the Indebtedness.

8. The giving of this assignment of rents is by way of additional and collateral security for the Indebtedness and not in substitution for or satisfaction of any other collateral security and will not in any way derogate from or delay or prejudice any rights or remedies to which the Lender(s) may be entitled under any other security collateral hereto and will not in any way prejudice or limit the obligations of the Borrower under any such other security.

9. The Borrower will execute and deliver such further assurances, assignments, notices or other documents as the Lender(s) may reasonably require from time to time, to render such assignment effective.

10. At the request of the Lender(s) from time to time, the Borrower will give any other party to any of the Leases actual written notice of this assignment of rents, and will use the Borrower' best efforts to obtain from such party an acknowledgement of any such notice, but nothing in this paragraph shall oblige the Lender(s) to make any such request.

11. To the knowledge of the Borrower, there are no existing or future rights of set-off, assignment, commutation or prepayment with respect to the Rents.

12. To the knowledge of the Borrower, there have been no defaults under any of the existing Leases by the Borrower or by any of the holders of the Leases, and there are no outstanding disputes pursuant to such Leases.

13. The Borrower will at all times observe and perform all the Borrower' obligations under the Leases.

14. The Borrower now has good and sufficient power, authority and right to assign the Rents and other benefits referred to herein in the manner aforesaid according to the true intent and meaning of this assignment of rents.

Privacy Act Consent: The Nominee, Borrower and the Guarantor(s) acknowledge that the Lender(s) will be collecting information about the Nominee, Borrower and Guarantor(s) which may include financial information, credit reports, references and other information which is needed to evaluate the financing under consideration. (collectively, hereinafter the "**Lender(s)**")

dealing with LIGHTSTONE DEVELOPMENT LTD. (the **"Borrower"**) pursuant to a Commitment Letter dated September 25, 2023 (the "**Loan Agreement**"), as amended from time to time, and relating to a credit facility registered in the amount of $3,500,000 and charging the lands and premises civically known as 2096 West 47th Avenue, Vancouver, British Columbia and legally described as:

PID: 031-145-884; LOT 1 BLOCK 2 DISTRICT LOT 526 GROUP 1 NEW WESTMINSTER DISTRICT PLAN EPP91453

along with one dollar and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the undersigned and each of them, if more than one, hereby jointly and severally guarantees payment of all debts and liabilities, present or future, direct or indirect, absolute or contingent, matured or not, at any time owing by the Borrower to the Lender(s) or remaining unpaid by the Borrower to the Lender(s), whether arising from dealings between the Borrower and the Lender(s) or from any other dealings by which the Borrower may become in any manner whatever liable to the Lender(s) either alone or jointly with any other corporation, person or persons or otherwise (such debts and liabilities being herein called the **"guaranteed liabilities"**), together with interest thereon and all costs, charges and expenses (including legal fees on a solicitor and client basis) incurred by the Lender(s) or the agent of the Lender(s) in the perfection and enforcement of this Guarantee and Postponement of Claim and of any security held by the Lender(s) in respect of such indebtedness, liabilities, interest and expenses.

AND THE UNDERSIGNED and each of them, if more than one, hereby jointly and severally agrees with the Lender(s) as follows:

1. In this guarantee the word **"Guarantor"** shall mean the undersigned and, if there is more than one guarantor, it shall mean each of them.

2. This guarantee shall be a continuing guarantee of all the guaranteed liabilities and shall apply to and secure any ultimate balance due or remaining unpaid to the Lender(s); and this guarantee shall not be considered as wholly or partially satisfied by the payment or liquidation at any time of any sum of money for the time being due or remaining unpaid to the Lender(s).

3. The Lender(s) shall not be bound to exhaust its recourse against the Borrower or others or any securities or other guarantees it may at any time hold before being entitled to payment from the Guarantor, and the Guarantor renounces all benefits of discussion and division.

4. The Guarantor's liability to make payment under this guarantee shall arise forthwith after demand for payment has been made in writing on the undersigned or any one of them, if more than one, and such demand shall be deemed to have been effectually made when an envelope containing such demand addressed to the undersigned or such one of them at the address of the undersigned or such one of them last known to the Lender(s) is posted, postage prepaid, in the post office; and the Guarantor's liability shall bear interest from the date of such demand at the rate hereinbefore set out.

5. Upon default in payment of any sum owing by the Borrower to the Lender(s) at any time, the Lender(s) may treat all guaranteed liabilities as due and payable and may forthwith collect from the Guarantor the total amount hereby guaranteed and may apply the sum so collected upon the guaranteed liabilities or may place it to the credit of a special account.

6. This guarantee shall be in addition to and not in substitution for any other guarantees or other securities which the Lender(s) may now or hereafter hold in respect of the guaranteed liabilities and the Lender(s) shall be under no obligation to marshal in favour of the Guarantor any other guarantees or other securities or any moneys or other assets which the Lender(s) may be entitled to receive or may have a claim upon; and no loss of or in respect of or unenforceability of any other guarantees or other securities which the Lender(s) may now or hereafter hold in respect of the guaranteed liabilities, whether occasioned by the fault of the Lender(s) or otherwise, shall in any way limit or lessen the Guarantor's liability.

7. Without prejudice to or in any way limiting or lessening the Guarantor's liability and without obtaining the consent of or giving notice to the Guarantor, the Lender(s) may discontinue, reduce, increase or otherwise vary the credit of the Borrower, may grant time, renewals, extensions, indulgences, releases and discharges to and accept compositions from or otherwise deal with the Borrower and others, including the Guarantor and any other guarantor as the Lender(s) may see fit, and the Lender(s) may take, abstain from taking or perfecting, vary, exchange, renew, discharge, give up, realize on or otherwise deal with securities and guarantees in such manner as the Lender(s) may see fit, and the Lender(s) may apply all moneys received from the Borrower or others or from securities or guarantees upon such parts of the guaranteed liabilities as the Lender(s) may see fit and change any such application in whole or in part from time to time. This guarantee will not be diminished or modified on account of any act on the part of the Lender(s) that would prevent subrogation operating in favour of the Guarantor. All dividends, compositions and monies received by the Lender(s) from the Borrower or from any other person or estate, may be applied by the Lender(s) in reduction of the debts and liabilities guaranteed by the Guarantor, which the Lender(s) shall be entitled to prove against the estate of the Borrower upon any insolvency or winding up, in respect of the whole said debts and liabilities. The Guarantor shall have no right to be subrogated to the Lender(s) until the Lender(s) shall have received payment in full of its claims against the Borrower with interest and costs.

8. Until repayment in full of all the guaranteed liabilities, all dividends, compositions, proceeds of securities, securities valued or payments received by the Lender(s) from the Borrower or others or from estates in respect of the guaranteed liabilities shall be regarded for all purposes as payments in gross without any right on the part of the Guarantor to claim the benefit thereof in reduction of the liability under this guarantee, and the Guarantor shall not claim any set-off or counterclaim against the Borrower in respect of any liability of the Borrower to the Guarantor, claim or prove in the bankruptcy or insolvency of the Borrower in competition with the Lender(s).

9. If any circumstances arise making it necessary for the Lender(s) to file its claim against the estate of the Borrower and to value its securities, it will be entitled to place such valuation as the Lender(s) may in its discretion see fit, and the filing of such claim and the valuation of its securities shall in no way prejudice or restrict its rights against the Guarantor.

10. The Guarantor shall be bound by any account settled between the Lender(s) and the Borrower and, if no such account has been so settled immediately before demand of payment under this guarantee, any account stated by the Lender(s) shall be accepted by the Guarantor as conclusive evidence of the amount which at the date of the account so stated is due by the Borrower to the Lender(s).

11. This guarantee shall not be discharged or otherwise affected by the death or loss of capacity of the Borrower, by any change in the name of the Borrower, or in the membership of the Borrower, if a partnership, or in the objects, capital structure or constitution of the Borrower, if a corporation, or by the sale of the Borrower's business or any part thereof or by the Borrower being amalgamated with a corporation, but shall, notwithstanding any such event, continue to apply to all guaranteed liabilities whether theretofore or thereafter incurred; and in the case of a change in the membership of the Borrower which is a partnership or in the case of the Borrower being amalgamated with a corporation, this guarantee shall apply to the liabilities of the resulting partnership or corporation, and the term "Borrower" shall include each such resulting partnership and corporation.

12. This guarantee shall continue and be enforceable notwithstanding any amalgamation of the Lender(s) with any other Lender(s), financial institution(s) or other corporation(s), and any such further amalgamations. Furthermore, all securities, real or personal, moveable or immoveable, which have been or will be given by the Guarantor for the debts and liabilities guaranteed by the Guarantor shall be valid in the hands of the Lender(s), as well as its successors and assigns.

13. All advances, renewals and credits made or granted by the Lender(s) purportedly to or for the Borrower after the death, loss of capacity, bankruptcy or insolvency of the Borrower, but before the Lender(s) has received notice thereof shall be deemed to form part of the guaranteed liabilities; and all advances, renewals and credits obtained from the Lender(s) purportedly by or on behalf of the Borrower shall be deemed to form part of the guaranteed liabilities, notwithstanding any lack or limitation of power, incapacity or disability of the Borrower or of the directors, partners or agents thereof, or that the Borrower may not be a legal or suable entity, or any irregularity, defect or informality in the obtaining of such advances, renewals or credits, whether or not the Lender(s) had knowledge thereof; and any such advance, renewal or credit which may not be recoverable from the undersigned as guarantor(s) shall be recoverable from the undersigned and each of them, if more than one, jointly and severally as principal debtor(s) in respect thereof and shall be paid to the Lender(s) on demand with interest at the rate hereinbefore set out.

14. The Purchaser hereby agrees to purchase from the Vendor the Strata Lot for the Purchase Price and upon the terms and conditions set forth in this Agreement, including this Schedule "A" and any other schedules and addenda attached hereto. Freehold title to the Strata Lot to be conveyed by the Vendor to the Purchaser on the Completion Date (hereinafter defined) will be subject only to:

(a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

(b) the charges and encumbrances referred to in the Disclosure Statement; and

(collectively the "**Permitted Encumbrances**").

2. DESCRIPTION OF STRATA LOT

2.1 The Strata Lot will be part of the Development to be constructed on the Lands, substantially as shown on the Preliminary Strata Plan. The Purchaser acknowledges that the Strata Lot will include the items set out in paragraph 1.03 of this Agreement.

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owne**r"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

(a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

SCHEDULE "A"

1. AGREEMENT

The Purchaser hereby agrees to purchase from the Vendor the Strata Lot for the Purchase Price and upon the terms and conditions set forth in this Agreement, including this Schedule "A" and any other schedules and addenda attached hereto. Freehold title to the Strata Lot to be conveyed by the Vendor to the Purchaser on the Completion Date (hereinafter defined) will be subject only to:

(a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

(b) the charges and encumbrances referred to in the Disclosure Statement; and

(c) claims of builders' liens if the Vendor's Solicitors (hereinafter defined) have undertaken to remove same in accordance with subparagraph 10.1(b) hereof

(collectively the "**Permitted Encumbrances**").

2. DESCRIPTION OF STRATA LOT

2.1 The Strata Lot will be part of the Development to be constructed on the Lands, substantially as shown on the Preliminary Strata Plan. The Purchaser acknowledges that the Strata Lot will include the items set out in paragraph 1.03 of this Agreement.

3. DISCLOSURE STATEMENT

3.1 The Purchaser acknowledges that the Purchaser has received a copy of the disclosure statement for the Development dated June 11, 2021 including all amendments thereto, if any, filed up to the date of this Agreement (collectively, the "**Disclosure Statement**") and has been given a reasonable opportunity to read and review the Disclosure Statement prior to entering into this Agreement. The execution by the Purchaser of this Agreement will constitute a confirmation of the Purchaser's receipt of the Disclosure Statement. The Disclosure Statement contains provisions explaining the obligations of the owner of the Strata Lot to pay monthly contributions to the common expenses of the Strata Corporation.

Purchaser Purchaser

3.2 Without in any way limiting paragraph 14.6, the Purchaser acknowledges and agrees that the Disclosure Statement (as defined above) and any future amendments to the Disclosure Statement may, in the Vendor's sole discretion, be provided to the Purchaser by electronic means. The Purchaser acknowledges and agrees that it is the Purchaser's sole responsibility to advise the Vendor of any changes to the Purchaser's contact information, including but not limited to the Purchaser's e-mail address, and the Purchaser covenants to provide the Vendor with written notice of any such changes.

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owne**r"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

11. ASSIGNMENT BY PURCHASER

11.1 Defined terms. In this paragraph 11, the following capitalized terms have the following meanings ascribed to them:

(a) "**assignment**" has the meaning ascribed to it in the *Real Estate Development Marketing Act* (British Columbia), which meaning is outlined below in subparagraph 11.2(a);

(i) the party's identity;

(ii) the party's contact and business information;

(iii) the terms of the assignment agreement.

The information and records may only be used or disclosed for tax purposes and other purposes authorized by section 20.5 of the *Real Estate Development Marketing Act*, which includes disclosure to the Canada Revenue Agency.

11.3 Purchaser's Acknowledgement. The Purchaser acknowledges and agrees that no assignment of this purchase agreement by the Purchaser will release the Purchaser from any of the Purchaser's obligations or liabilities hereunder.

11.4 Developer's Consent. The developer's prior consent referred to in subparagraph 11.2(a) will only be effective if it is in writing and may be unreasonably withheld by the developer in its sole discretion and, unless otherwise agreed to by the developer in writing, such consent will only be provided if all of the following conditions have been satisfied:

(a) the request for assignment of this purchase agreement by the Purchaser is made to the developer at least twelve months following a firm and binding purchase agreement is entered into by the Purchaser and at least one (1) month prior to the first day of the then current estimated date range of completion of construction of the Development as disclosed in Section 5.1 of the Disclosure Statement;

Your Relationship with a Real Estate Professional

Real estate professionals have a regulatory requirement to present you with this consumer information before providing services to you.

This information explains the different relationships you can have with a real estate professional to buy, sell or lease property. Before you disclose confidential information to a real estate professional regarding a real estate transaction, you should understand what type of business relationship you have with that individual.

RECBC REAL ESTATE COUNCIL OF BRITISH COLUMBIA

You can work with a real estate professional in one of the following ways:

As a client

If you are the client of a real estate professional, they work on your behalf. The real estate professional representing you has special legal duties to you, including:

- ☑ **Loyalty.** They will act only in your best interests.
- ☑ **Full disclosure.** They must tell you everything they know that might influence your decision in a transaction.
- ☑ **Avoid conflicts of interest.** They must avoid any situation that would affect their duty to act in your best interests.
- ☑ **Confidentiality.** They must not reveal your private information without your permission, even after your relationship ends. That includes:
  - your reasons for buying, selling or leasing
  - your minimum/maximum price
  - any preferred terms and conditions you may want to include in a contract

When you become a client, you may be asked to sign a written agreement setting out your and the real estate professional's responsibilities.

As a non-client

A real estate professional who is not representing you as a client does not owe you special legal duties:

- ☒ **No loyalty.** They may be representing a client with competing interests to yours in a transaction. They must be loyal to their client, not you.
- ☒ **No duty of full disclosure.** They do not have a duty to give you all relevant information.
- ☒ **No duty to avoid conflicts.** They are not acting in your interests.
- ☒ **No confidentiality.** They must share any information you tell them with their clients in a transaction.

As a non-client, a real estate professional may give you only limited services.

✱ Whenever a real estate professional works with you in a real estate transaction, whether you are their client or not, they have a responsibility to act honestly and with reasonable care and skill.

When this Record is completed, it is the responsibility of the broker to ensure that a record is kept for five years from the date it was created. When both the buyer and seller are represented, it is the agent of the buyer who is required to complete and retain a Receipt of Funds Record in respect of the deposit made, regardless of who retains the deposit.

Receipt of Funds Record

NOTE: A Receipt of Funds record is required by the Proceeds of Crime (Money Laundering) and Terrorist Financing Regulation for every amount of funds that a REALTOR® member receives in the course of a single purchase or sale real estate transaction.

A REALTOR® does NOT have to complete a Receipt of Funds Record if:

(i) the funds are received from a financial entity, very large corporation or a public body that is buying or selling; or,

(ii) a Large Cash Transaction Record must be completed; or,

(iii) the deposit does not go into the trust account of a licensed practitioner. In other words, if the deposit goes directly into the account of a builder, lawyer or notary, or developer, a Receipt of Funds Record does not have to be completed by a member acting as the buyers' agent.

When this Record is completed, it is the responsibility of the broker to ensure that a record is kept for five years from the date it was created. When both the buyer and seller are represented, it is the agent of the buyer who is required to complete and retain a Receipt of Funds Record in respect of the deposit made, regardless of who retains the deposit.

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. (a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

subparagraph 14.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 14.1(a) above or permit one or more further extensions pursuant to subparagraph 14.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 14.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

14.2 Condition Removal. 14.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. (collectively the "**Permitted Encumbrances**").

2. DESCRIPTION OF STRATA LOT

2.1 The Strata Lot will be part of the Development to be constructed on the Lands, substantially as shown on the Preliminary Strata Plan. The Purchaser acknowledges that the Strata Lot will include the items set out in paragraph 1.03 of this Agreement.

3.1 The Purchaser acknowledges that the Purchaser has received a copy of the disclosure statement for the Development dated June 11, 2021 including all amendments thereto, if any, filed up to the date of this Agreement (collectively, the "**Disclosure Statement**") and has been given a reasonable opportunity to read and review the Disclosure Statement prior to entering into this Agreement. The execution by the Purchaser of this Agreement will constitute a confirmation of the Purchaser's receipt of the Disclosure Statement. The Disclosure Statement contains provisions explaining the obligations of the owner of the Strata Lot to pay monthly contributions to the common expenses of the Strata Corporation.

3.2 Without in any way limiting paragraph 14.6, the Purchaser acknowledges and agrees that the Disclosure Statement (as defined above) and any future amendments to the Disclosure Statement may, in the Vendor's sole discretion, be provided to the Purchaser by electronic means. The Purchaser acknowledges and agrees that it is the Purchaser's sole responsibility to advise the Vendor of any changes to the Purchaser's contact information, including but not limited to the Purchaser's e-mail address, and the Purchaser covenants to provide the Vendor with written notice of any such changes.

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owne**r"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

The developer's prior consent referred to in subparagraph 11.2(a) will only be effective if it is in writing and may be unreasonably withheld by the developer in its sole discretion and, unless otherwise agreed to by the developer in writing, such consent will only be provided if all of the following conditions have been satisfied:

12. AMENDMENT

INITIALS

Purchaser	Purchaser	Vendor
		YU

12.1 Pursuant to Policy Statement #6 ("**PS#6**") issued by the Superintendent of Real Estate, a developer may file a disclosure statement and market strata lots prior to obtaining a financing commitment provided that an amendment with respect to PS#6 disclosing the particulars of the financing commitment (individually an "**Amendment**" and together, the "**Amendments**") to the disclosure statement for the development is filed within twelve (12) months of the developer filing the original disclosure statement and subject to the conditions, set out in paragraph 12.2 below. The Vendor and the Purchaser acknowledge and agree that the Strata Lot is being offered subject to PS#6.

12.2 If the required Amendments, referred to in paragraph 12.1 hereof, have not been filed prior to the date the Purchaser has executed this Agreement, then notwithstanding anything else herein contained the following applies until such time as the required Amendments have been delivered to the Purchaser:

(a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

(c) if this Agreement is terminated pursuant to subparagraph 12.2(a) above, then the Purchaser will not incur any financial penalty and all Deposits paid by a Purchaser, including interest earned if applicable, will be returned promptly to the Purchaser upon notice of cancellation from the Purchaser; and

(d) all monies received by the Vendor will be held in trust by a brokerage, a solicitor, or a notary public until the transaction is completed or earlier terminated.

13. MINIMUM PRESALES

13.1 If the Vendor has not entered into binding offers to purchase and agreements of sale with purchasers in respect of 29 or more of the strata lots in the Development (the "**Minimum Pre-Sales**") by June 11, 2022 (the "**Minimum Pre-Sales Date**"), then the Vendor will have the right to terminate the Purchase Agreement by giving notice of termination in writing to the Purchaser or the Purchaser's Solicitor at any time after the Minimum Pre-Sales Date until the earlier of:

(a) the date that the Minimum Pre-Sales are achieved; and

(b) the date that is one month after the Minimum Pre-Sales Date.

The Purchaser acknowledges that it is signing this Agreement under seal and that the Purchaser will not have any right to revoke its offer herein while this Agreement remains subject to the foregoing termination right in favour of the Vendor. Without limiting the foregoing, in consideration of Two Dollars ($2.00) paid by the Vendor to the Purchaser, the receipt and sufficiency of which is hereby acknowledged by the Purchaser, the Purchaser agrees not to revoke its offer herein while this Agreement remains subject to the foregoing termination right in favour of the Vendor. If this Agreement is terminated in accordance with this paragraph 12, then the Deposit will be returned to the Purchaser in accordance with subparagraph 4.2(c) and each party will be released from all of its obligations to the other hereunder.

14. MISCELLANEOUS

14.1 Time of Essence. Time is of the essence hereof and unless all payments on account of the Purchase Price, subject to adjustments thereto as provided for herein, and any other monies payable by the Purchaser hereunder are paid when due, or if the Purchaser is otherwise in default of the provisions of this Agreement, then the Vendor may, at the option of the Vendor in its sole discretion, either:

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

(b) elect to extend the time for completion, and revise such terms of this Agreement as may be required in order to accommodate the extension, and to complete the transaction contemplated by this Agreement, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price:

i. interest on the unpaid portion of the Purchase Price and other unpaid amounts payable by the Purchaser hereunder at the rate of 2.0% per month (27% per annum), which interest will be calculated daily from and including the date upon which such payment and amounts were due pursuant to the terms hereof to and including the date upon which such payment and amounts are paid; and/or

ii. such other amount(s) as determined by the Vendor in its sole discretion.

If from time to time the Purchaser's default continues beyond the last extended date for completion established pursuant to

INITIALS

		YU

subparagraph 14.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 14.1(a) above or permit one or more further extensions pursuant to subparagraph 14.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 14.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

14.2 Condition Removal. Notwithstanding anything herein contained to the contrary, if the Purchaser's obligation to purchase the Strata Lot is subject to one or more conditions, then the conditions will be set out in an addendum attached hereto and if such conditions exist then the Vendor may, on written notice delivered to the Purchaser, require the Purchaser to either satisfy or waive such conditions by the delivery of written notice to the Vendor within seventy two (72) hours from the time the Vendor delivers its notice to the Purchaser. If the Purchaser's written notice either satisfying or waiving the Purchaser's conditions is not received by the Vendor within the time permitted as aforesaid, then this Agreement will terminate and the Deposit will be promptly refunded to Purchaser.

14.3 Larger Development. The Purchaser acknowledges that the Purchaser is purchasing the Strata Lot with full and complete awareness and unconditionally accepts and agrees that the Development will form a part of a larger development which the Vendor anticipates will also include a commercial component (the "**Adjacent Development**"). The Purchaser further acknowledges that the Development may be completed prior the Adjacent Development, and in that event, there will be, from time to time, related construction, noise, vibrations, odours, dust, dirt tracks and other construction activity at or in close proximity to the Development that are greater than those that are usual in an urban development. The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. The Purchaser hereby irrevocably and unconditionally waives any claim the Purchaser has or may have against the Vendor or other entities or persons related to or in any way associated with the Vendor in respect of the matters set out in this paragraph 14.2. The provisions set out in this paragraph 14.2 will survive the Completion Date, registration of the Transfer, and payment of the Purchase Price to the Vendor.

14.4 Money Laundering/Terrorist Activity. The Developer may, in its sole discretion, terminate the this Agreement if the Developer has reasonable grounds to suspect that any part of the transaction contemplated by the this Agreement is related to the commission or attempted commission of a "money laundering offence" or a "terrorist activity financing offence", as defined in the *Proceeds of Crime (Money Laundering)* and *Terrorist Financing Act* (Canada) and regulations under that Act, as amended from time to time, in which event the portion of the Deposit that has been paid shall be returned to the purchaser and the purchaser shall have no further claims against the Developer.

14.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. The Purchaser agrees that for so long as the Vendor is the owner of any strata lots/units in the Development or the Adjacent Developments, the Vendor may carry out marketing, promotional and sales activities within the common property (including parking stalls and recreational facilities) of the Development or within those strata lots within the Development owned or leased by the Developer, including, without limitation, maintaining display suites, other display areas, parking areas, and signage (including signage placed on the common property of the Development) and permitting public access to same for the purpose of marketing any unsold strata lots/units in the Development or the Adjacent Developments. In addition, the Developer may conduct tours of the Development from time to time with prospective purchasers of strata lots/units in the Development or Adjacent Developments and hold events and other activities within the common property of the Development in connection with marketing and sales activities related to the Development and/or the Adjacent Developments.

14.6 Notices and Tender. Any notice to be given by the Vendor to the Purchaser will be sufficiently given if deposited in any postal receptacle in Canada addressed to the Purchaser at the Purchaser's address as set out on the first page of this Agreement or to the Purchaser's Solicitor at its offices and sent by regular mail, postage prepaid, or if delivered by hand or if transmitted by facsimile or other form of electronic communication capable of producing a printed copy to the Purchaser's Solicitor at its office or to the Purchaser. Such notice will be deemed to have been received if so delivered or transmitted when delivered or transmitted and if mailed, on the second business day (exclusive of Saturdays, Sundays and statutory holidays) after such mailing. The address, facsimile number (if any), or electronic mail address (if any) for the Purchaser will be as set out on Page 1 of this Agreement or such other address, facsimile number (if any), or electronic mail address (if any), the Purchaser has last notified the Vendor in writing. Any notice to be delivered to the Purchaser may be delivered to the Purchaser or the Purchaser's Solicitor and any notice to be delivered to the Vendor may be given to the Vendor or the Vendor's Solicitors in the same manner, and any such notice will be deemed to have been received, as provided for in the preceding provisions of this paragraph 14.6, in the same manner. (c) if this Agreement is terminated in accordance with section 1.06, then the Deposit will be paid to the Vendor in accordance with the requirements of section 1.06.

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1 or 12.2 hereof, then the Deposit will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1 or 12.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly.

4.4 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit in accordance with the provisions hereof; and

(b) to interplead the Deposit, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.5 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor. If the Completion Date has not occurred by August 31, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

The Vendor confirms that it currently estimates that the Completion Date will occur between June 1, 2024 and August 31, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts, expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the

marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, a statement of adjustments, and the Statutory Declaration, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owner**"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

Freehold title to the Strata Lot to be conveyed by the Vendor to the Purchaser on the Completion Date (hereinafter defined) will be subject only to:

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

(the "**Beneficial Owne**r"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

The Purchaser hereby agrees to purchase from the Vendor the Strata Lot for the Purchase Price and upon the terms and conditions set forth in this Agreement, including this Schedule "A" and any other schedules and addenda attached hereto. Freehold title to the Strata Lot to be conveyed by the Vendor to the Purchaser on the Completion Date (hereinafter defined) will be subject only to:

(a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

(b) the charges and encumbrances referred to in the Disclosure Statement; and

(collectively the "**Permitted Encumbrances**").

2. DESCRIPTION OF STRATA LOT

2.1 The Strata Lot will be part of the Development to be constructed on the Lands, substantially as shown on the Preliminary Strata Plan. The Purchaser acknowledges that the Strata Lot will include the items set out in paragraph 1.03 of this Agreement.

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owne**r"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

The developer's prior consent referred to in subparagraph 11.2(a) will only be effective if it is in writing and may be unreasonably withheld by the developer in its sole discretion and, unless otherwise agreed to by the developer in writing, such consent will only be provided if all of the following conditions have been satisfied:

12. AMENDMENT

INITIALS

Purchaser	Purchaser	Vendor
		YU

12.1 Pursuant to Policy Statement #6 ("**PS#6**") issued by the Superintendent of Real Estate, a developer may file a disclosure statement and market strata lots prior to obtaining a financing commitment provided that an amendment with respect to PS#6 disclosing the particulars of the financing commitment (individually an "**Amendment**" and together, the "**Amendments**") to the disclosure statement for the development is filed within twelve (12) months of the developer filing the original disclosure statement and subject to the conditions, set out in paragraph 12.2 below. The Vendor and the Purchaser acknowledge and agree that the Strata Lot is being offered subject to PS#6.

12.2 If the required Amendments, referred to in paragraph 12.1 hereof, have not been filed prior to the date the Purchaser has executed this Agreement, then notwithstanding anything else herein contained the following applies until such time as the required Amendments have been delivered to the Purchaser:

(a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

(c) if this Agreement is terminated pursuant to subparagraph 12.2(a) above, then the Purchaser will not incur any financial penalty and all Deposits paid by a Purchaser, including interest earned if applicable, will be returned promptly to the Purchaser upon notice of cancellation from the Purchaser; and

(d) all monies received by the Vendor will be held in trust by a brokerage, a solicitor, or a notary public until the transaction is completed or earlier terminated.

13. MINIMUM PRESALES

13.1 If the Vendor has not entered into binding offers to purchase and agreements of sale with purchasers in respect of 29 or more of the strata lots in the Development (the "**Minimum Pre-Sales**") by June 11, 2022 (the "**Minimum Pre-Sales Date**"), then the Vendor will have the right to terminate the Purchase Agreement by giving notice of termination in writing to the Purchaser or the Purchaser's Solicitor at any time after the Minimum Pre-Sales Date until the earlier of:

(a) the date that the Minimum Pre-Sales are achieved; and

(b) the date that is one month after the Minimum Pre-Sales Date.

The Purchaser acknowledges that it is signing this Agreement under seal and that the Purchaser will not have any right to revoke its offer herein while this Agreement remains subject to the foregoing termination right in favour of the Vendor. Without limiting the foregoing, in consideration of Two Dollars ($2.00) paid by the Vendor to the Purchaser, the receipt and sufficiency of which is hereby acknowledged by the Purchaser, the Purchaser agrees not to revoke its offer herein while this Agreement remains subject to the foregoing termination right in favour of the Vendor. If this Agreement is terminated in accordance with this paragraph 12, then the Deposit will be returned to the Purchaser in accordance with subparagraph 4.2(c) and each party will be released from all of its obligations to the other hereunder.

14. MISCELLANEOUS

14.1 Time of Essence. Time is of the essence hereof and unless all payments on account of the Purchase Price, subject to adjustments thereto as provided for herein, and any other monies payable by the Purchaser hereunder are paid when due, or if the Purchaser is otherwise in default of the provisions of this Agreement, then the Vendor may, at the option of the Vendor in its sole discretion, either:

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

(b) elect to extend the time for completion, and revise such terms of this Agreement as may be required in order to accommodate the extension, and to complete the transaction contemplated by this Agreement, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price:

i. interest on the unpaid portion of the Purchase Price and other unpaid amounts payable by the Purchaser hereunder at the rate of 2.0% per month (27% per annum), which interest will be calculated daily from and including the date upon which such payment and amounts were due pursuant to the terms hereof to and including the date upon which such payment and amounts are paid; and/or

ii. such other amount(s) as determined by the Vendor in its sole discretion.

If from time to time the Purchaser's default continues beyond the last extended date for completion established pursuant to

INITIALS

subparagraph 14.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 14.1(a) above or permit one or more further extensions pursuant to subparagraph 14.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 14.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

14.2 Condition Removal. Notwithstanding anything herein contained to the contrary, if the Purchaser's obligation to purchase the Strata Lot is subject to one or more conditions, then the conditions will be set out in an addendum attached hereto and if such conditions exist then the Vendor may, on written notice delivered to the Purchaser, require the Purchaser to either satisfy or waive such conditions by the delivery of written notice to the Vendor within seventy two (72) hours from the time the Vendor delivers its notice to the Purchaser. If the Purchaser's written notice either satisfying or waiving the Purchaser's conditions is not received by the Vendor within the time permitted as aforesaid, then this Agreement will terminate and the Deposit will be promptly refunded to Purchaser.

14.3 Larger Development. The Purchaser acknowledges that the Purchaser is purchasing the Strata Lot with full and complete awareness and unconditionally accepts and agrees that the Development will form a part of a larger development which the Vendor anticipates will also include a commercial component (the "**Adjacent Development**"). The Purchaser further acknowledges that the Development may be completed prior the Adjacent Development, and in that event, there will be, from time to time, related construction, noise, vibrations, odours, dust, dirt tracks and other construction activity at or in close proximity to the Development that are greater than those that are usual in an urban development. The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. The Purchaser hereby irrevocably and unconditionally waives any claim the Purchaser has or may have against the Vendor or other entities or persons related to or in any way associated with the Vendor in respect of the matters set out in this paragraph 14.2. The provisions set out in this paragraph 14.2 will survive the Completion Date, registration of the Transfer, and payment of the Purchase Price to the Vendor.

14.4 Money Laundering/Terrorist Activity. (a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

(b) the charges and encumbrances referred to in the Disclosure Statement; and

(c) claims of builders' liens if the Vendor's Solicitors (hereinafter defined) have undertaken to remove same in accordance with subparagraph 10.1(b) hereof

(collectively the "**Permitted Encumbrances**").

2. DESCRIPTION OF STRATA LOT

2.1 The Strata Lot will be part of the Development to be constructed on the Lands, substantially as shown on the Preliminary Strata Plan. The Purchaser acknowledges that the Strata Lot will include the items set out in paragraph 1.03 of this Agreement.

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

The Vendor and the Purchaser acknowledge and agree that the Strata Lot is being offered subject to PS#6.

12.2 If the required Amendments, referred to in paragraph 12.1 hereof, have not been filed prior to the date the Purchaser has executed this Agreement, then notwithstanding anything else herein contained the following applies until such time as the required Amendments have been delivered to the Purchaser:

(a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

subparagraph 14.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 14.1(a) above or permit one or more further extensions pursuant to subparagraph 14.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 14.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

14.2 Condition Removal. Notwithstanding anything herein contained to the contrary, if the Purchaser's obligation to purchase the Strata Lot is subject to one or more conditions, then the conditions will be set out in an addendum attached hereto and if such conditions exist then the Vendor may, on written notice delivered to the Purchaser, require the Purchaser to either satisfy or waive such conditions by the delivery of written notice to the Vendor within seventy two (72) hours from the time the Vendor delivers its notice to the Purchaser. If the Purchaser's written notice either satisfying or waiving the Purchaser's conditions is not received by the Vendor within the time permitted as aforesaid, then this Agreement will terminate and the Deposit will be promptly refunded to Purchaser.

The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. The Purchaser hereby irrevocably and unconditionally waives any claim the Purchaser has or may have against the Vendor or other entities or persons related to or in any way associated with the Vendor in respect of the matters set out in this paragraph 14.2. 14.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. The Purchaser agrees that for so long as the Vendor is the owner of any strata lots/units in the Development or the Adjacent Developments, the Vendor may carry out marketing, promotional and sales activities within the common property (including parking stalls and recreational facilities) of the Development or within those strata lots within the Development owned or leased by the Developer, including, without limitation, maintaining display suites, other display areas, parking areas, and signage (including signage placed on the common property of the Development) and permitting public access to same for the purpose of marketing any unsold strata lots/units in the Development or the Adjacent Developments. In addition, the Developer may conduct tours of the Development from time to time with prospective purchasers of strata lots/units in the Development or Adjacent Developments and hold events and other activities within the common property of the Development in connection with marketing and sales activities related to the Development and/or the Adjacent Developments.

Such notice will be deemed to have been received if so delivered or transmitted when delivered or transmitted and if mailed, on the second business day (exclusive of Saturdays, Sundays and statutory holidays) after such mailing. If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owne**r"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

		YU

12.1 Pursuant to Policy Statement #6 ("**PS#6**") issued by the Superintendent of Real Estate, a developer may file a disclosure statement and market strata lots prior to obtaining a financing commitment provided that an amendment with respect to PS#6 disclosing the particulars of the financing commitment (individually an "**Amendment**" and together, the "**Amendments**") to the disclosure statement for the development is filed within twelve (12) months of the developer filing the original disclosure statement and subject to the conditions, set out in paragraph 12.2 below. The Vendor and the Purchaser acknowledge and agree that the Strata Lot is being offered subject to PS#6.

12.2 If the required Amendments, referred to in paragraph 12.1 hereof, have not been filed prior to the date the Purchaser has executed this Agreement, then notwithstanding anything else herein contained the following applies until such time as the required Amendments have been delivered to the Purchaser:

(a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

(c) if this Agreement is terminated pursuant to subparagraph 12.2(a) above, then the Purchaser will not incur any financial penalty and all Deposits paid by a Purchaser, including interest earned if applicable, will be returned promptly to the Purchaser upon notice of cancellation from the Purchaser; and

(d) all monies received by the Vendor will be held in trust by a brokerage, a solicitor, or a notary public until the transaction is completed or earlier terminated.

13. MINIMUM PRESALES

13.1 If the Vendor has not entered into binding offers to purchase and agreements of sale with purchasers in respect of 29 or more of the strata lots in the Development (the "**Minimum Pre-Sales**") by June 11, 2022 (the "**Minimum Pre-Sales Date**"), then the Vendor will have the right to terminate the Purchase Agreement by giving notice of termination in writing to the Purchaser or the Purchaser's Solicitor at any time after the Minimum Pre-Sales Date until the earlier of:

(a) the date that the Minimum Pre-Sales are achieved; and

(b) the date that is one month after the Minimum Pre-Sales Date.

The Purchaser acknowledges that it is signing this Agreement under seal and that the Purchaser will not have any right to revoke its offer herein while this Agreement remains subject to the foregoing termination right in favour of the Vendor. Without limiting the foregoing, in consideration of Two Dollars ($2.00) paid by the Vendor to the Purchaser, the receipt and sufficiency of which is hereby acknowledged by the Purchaser, the Purchaser agrees not to revoke its offer herein while this Agreement remains subject to the foregoing termination right in favour of the Vendor. If this Agreement is terminated in accordance with this paragraph 12, then the Deposit will be returned to the Purchaser in accordance with subparagraph 4.2(c) and each party will be released from all of its obligations to the other hereunder.

14. MISCELLANEOUS

14.1 Time of Essence. Time is of the essence hereof and unless all payments on account of the Purchase Price, subject to adjustments thereto as provided for herein, and any other monies payable by the Purchaser hereunder are paid when due, or if the Purchaser is otherwise in default of the provisions of this Agreement, then the Vendor may, at the option of the Vendor in its sole discretion, either:

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

(b) elect to extend the time for completion, and revise such terms of this Agreement as may be required in order to accommodate the extension, and to complete the transaction contemplated by this Agreement, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price:

i. interest on the unpaid portion of the Purchase Price and other unpaid amounts payable by the Purchaser hereunder at the rate of 2.0% per month (27% per annum), which interest will be calculated daily from and including the date upon which such payment and amounts were due pursuant to the terms hereof to and including the date upon which such payment and amounts are paid; and/or

ii. such other amount(s) as determined by the Vendor in its sole discretion.

If from time to time the Purchaser's default continues beyond the last extended date for completion established pursuant to

INITIALS

subparagraph 14.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 14.1(a) above or permit one or more further extensions pursuant to subparagraph 14.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 14.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

14.2 Condition Removal. Notwithstanding anything herein contained to the contrary, if the Purchaser's obligation to purchase the Strata Lot is subject to one or more conditions, then the conditions will be set out in an addendum attached hereto and if such conditions exist then the Vendor may, on written notice delivered to the Purchaser, require the Purchaser to either satisfy or waive such conditions by the delivery of written notice to the Vendor within seventy two (72) hours from the time the Vendor delivers its notice to the Purchaser. If the Purchaser's written notice either satisfying or waiving the Purchaser's conditions is not received by the Vendor within the time permitted as aforesaid, then this Agreement will terminate and the Deposit will be promptly refunded to Purchaser.

14.3 Larger Development. The Purchaser acknowledges that the Purchaser is purchasing the Strata Lot with full and complete awareness and unconditionally accepts and agrees that the Development will form a part of a larger development which the Vendor anticipates will also include a commercial component (the "**Adjacent Development**"). The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. The Purchaser hereby irrevocably and unconditionally waives any claim the Purchaser has or may have against the Vendor or other entities or persons related to or in any way associated with the Vendor in respect of the matters set out in this paragraph 14.2. The provisions set out in this paragraph 14.2 will survive the Completion Date, registration of the Transfer, and payment of the Purchase Price to the Vendor.

14.4 Money Laundering/Terrorist Activity. The Developer may, in its sole discretion, terminate the this Agreement if the Developer has reasonable grounds to suspect that any part of the transaction contemplated by the this Agreement is related to the commission or attempted commission of a "money laundering offence" or a "terrorist activity financing offence", as defined in the *Proceeds of Crime (Money Laundering)* and *Terrorist Financing Act* (Canada) and regulations under that Act, as amended from time to time, in which event the portion of the Deposit that has been paid shall be returned to the purchaser and the purchaser shall have no further claims against the Developer.

14.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. The Purchaser agrees that for so long as the Vendor is the owner of any strata lots/units in the Development or the Adjacent Developments, the Vendor may carry out marketing, promotional and sales activities within the common property (including parking stalls and recreational facilities) of the Development or within those strata lots within the Development owned or leased by the Developer, including, without limitation, maintaining display suites, other display areas, parking areas, and signage (including signage placed on the common property of the Development) and permitting public access to same for the purpose of marketing any unsold strata lots/units in the Development or the Adjacent Developments. In addition, the Developer may conduct tours of the Development from time to time with prospective purchasers of strata lots/units in the Development or Adjacent Developments and hold events and other activities within the common property of the Development in connection with marketing and sales activities related to the Development and/or the Adjacent Developments.

14.6 Notices and Tender. Any notice to be given by the Vendor to the Purchaser will be sufficiently given if deposited in any postal receptacle in Canada addressed to the Purchaser at the Purchaser's address as set out on the first page of this Agreement or to the Purchaser's Solicitor at its offices and sent by regular mail, postage prepaid, or if delivered by hand or if transmitted by facsimile or other form of electronic communication capable of producing a printed copy to the Purchaser's Solicitor at its office or to the Purchaser. Such notice will be deemed to have been received if so delivered or transmitted when delivered or transmitted and if mailed, on the second business day (exclusive of Saturdays, Sundays and statutory holidays) after such mailing. The address, facsimile number (if any), or electronic mail address (if any) for the Purchaser will be as set out on Page 1 of this Agreement or such other address, facsimile number (if any), or electronic mail address (if any), the Purchaser has last notified the Vendor in writing. Any notice to be delivered to the Purchaser may be delivered to the Purchaser or the Purchaser's Solicitor and any notice to be delivered to the Vendor may be given to the Vendor or the Vendor's Solicitors in the same manner, and any such notice will be deemed to have been received, as provided for in the preceding provisions of this paragraph 14.6, in the same manner. 4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

(a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. Your Relationship with a Real Estate Professional

Real estate professionals have a regulatory requirement to present you with this consumer information before providing services to you.

This information explains the different relationships you can have with a real estate professional to buy, sell or lease property. Before you disclose confidential information to a real estate professional regarding a real estate transaction, you should understand what type of business relationship you have with that individual.

RECBC REAL ESTATE COUNCIL OF BRITISH COLUMBIA

The Real Estate Council of BC is the legislated regulatory agency that works to ensure real estate professionals have the skills and knowledge to provide you with a high standard of service. All real estate professionals must follow rules that help protect consumers, like you.

We're here to help you understand your rights as a real estate consumer.

Keep this information page for your reference *and scan the QR code or visit* ***recbc.ca*** *for more information about real estate transactions.*

You can work with a real estate professional in one of the following ways:

As a client

If you are the client of a real estate professional, they work on your behalf. The real estate professional representing you has special legal duties to you, including:

- ☑ **Loyalty.** They will act only in your best interests.
- ☑ **Full disclosure.** They must tell you everything they know that might influence your decision in a transaction.
- ☑ **Avoid conflicts of interest.** They must avoid any situation that would affect their duty to act in your best interests.
- ☑ **Confidentiality.** They must not reveal your private information without your permission, even after your relationship ends. That includes:
  - your reasons for buying, selling or leasing
  - your minimum/maximum price
  - any preferred terms and conditions you may want to include in a contract

When you become a client, you may be asked to sign a written agreement setting out your and the real estate professional's responsibilities.

As a non-client

A real estate professional who is not representing you as a client does not owe you special legal duties:

- ☒ **No loyalty.** They may be representing a client with competing interests to yours in a transaction. They must be loyal to their client, not you.
- ☒ **No duty of full disclosure.** They do not have a duty to give you all relevant information.
- ☒ **No duty to avoid conflicts.** They are not acting in your interests.
- ☒ **No confidentiality.** They must share any information you tell them with their clients in a transaction.

As a non-client, a real estate professional may give you only limited services.

✱ Whenever a real estate professional works with you in a real estate transaction, whether you are their client or not, they have a responsibility to act honestly and with reasonable care and skill.

PRIVACY NOTICE AND CONSENT

To help you sell, buy or lease real estate, REALTORS®, brokerages and real estate boards need to collect, use and disclose some of your personal information. This form provides you with information about, and obtains your consent to, such information handling practices.

DEFINITIONS

Personal Information means any identifiable information about you, including your name, address, phone number, financial information and may include information about your property (such as listing and selling price, lease rate, listing term, etc.).

A **REALTOR®** is a member of a real estate board, the British Columbia Real Estate Association (BCREA) and of The Canadian Real Estate Association (CREA). REALTORS® in BC are licensed under the *Real Estate Services Act*. **Brokerage** refers to the real estate company where your REALTOR® is licensed. The **boards** are British Columbia real estate boards that are members of BCREA. REALTORS® provide MLS® services, which are professional services to effect the purchase and sale of real estate as part of a co-operative selling system, otherwise known as an MLS® System. A **MLS® System** is a member-to-member cooperative selling system for the purchase, sale or lease of real estate that is owned or controlled by a board, includes an inventory of listings of participating REALTORS®, and ensures a certain level of accuracy of information, professionalism, and cooperation amongst REALTOR® members.

How is my personal information collected?

Most personal information will be collected directly from you through the contracts and other documents you fill out (e.g., Multiple Listing Contract, Contract of Purchase and Sale, Offer to Lease, seller's Property Disclosure Statement) and through discussions you have with the REALTOR® to whom you are giving this consent. Some information may be collected from other sources such as government departments and agencies (e.g., Land Title Offices, BC Assessment), financial institutions and mortgage brokers.

To whom may my personal information be disclosed?

Your information may be disclosed to (or may be accessible by) the boards and their staff and members, other REALTORS® and their clients, government departments and agencies, financial institutions, legal advisors, service providers, BCREA, the Real Estate Council of British Columbia (RECBC), CREA and members of the public, for the purposes described below.

Not all of your information will be accessible to each of the above-mentioned entities. For example, once the listing term has ended, the general public will not have access to your information, unless it is otherwise available through public registries or publications (e.g., Land Title Offices, BC Assessment, REALTOR.ca).

Your personal information may be transferred to or stored in a foreign country, in which case the governments, courts, law enforcement, or regulatory agencies of that country may be able to obtain access to your personal information through the laws of that foreign country.

Why is my personal information collected, used and disclosed?

Your personal information may be collected, used and disclosed for some or all of the primary uses set out below.

1a) To list/market your property on the MLS® System in accordance with the terms and conditions of the MLS® System and the boards.

1b) To allow members of real estate boards (including REALTORS® and appraisers) to value your property.

1c) To market your property through any other media (both print and electronic).

1d) To help you locate a suitable property to buy or lease.

1f) To allow the boards (including REALTORS®) to compile current and historical statistics on sales and property prices and lease rates, and to conduct comparative market analyses. Information about your property will be retained in the MLS® System and handled in accordance with its and the boards' terms and conditions, and published by the boards from time to time for these purposes after your property has sold or leased or your listing has expired (if you are a seller/landlord) and after you have purchased or leased your property (if you are a buyer/tenant).

1g) To enforce codes of professional conduct and ethics for REALTORS® (by cooperating with the boards, BCREA, RECBC, CREA and other regulatory bodies).

1h) To comply with legal requirements and to act pursuant to legal authorizations.

The above-mentioned primary uses are a necessary part of your relationship with the REALTOR® to whom you are giving this consent.

Will my personal information be collected, used and disclosed for any other purposes?

Your personal information may also be collected, used and disclosed for the secondary uses set out below. These secondary uses are optional. If you do not want your personal information used or disclosed for any of these secondary uses, you may opt out of granting consent to any of them by initialing the "Opt Out" box(es) to the right of the secondary use(s) to which you do not want to consent.

Receipt of Funds Record

NOTE: A Receipt of Funds record is required by the Proceeds of Crime (Money Laundering) and Terrorist Financing Regulation for every amount of funds that a REALTOR® member receives in the course of a single purchase or sale real estate transaction.

A REALTOR® does NOT have to complete a Receipt of Funds Record if:

(i) the funds are received from a financial entity, very large corporation or a public body that is buying or selling; or,

The Purchaser hereby agrees to purchase from the Vendor the Strata Lot for the Purchase Price and upon the terms and conditions set forth in this Agreement, including this Schedule "A" and any other schedules and addenda attached hereto. Freehold title to the Strata Lot to be conveyed by the Vendor to the Purchaser on the Completion Date (hereinafter defined) will be subject only to:

(a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

(b) the charges and encumbrances referred to in the Disclosure Statement; and

(c) claims of builders' liens if the Vendor's Solicitors (hereinafter defined) have undertaken to remove same in accordance with subparagraph 10.1(b) hereof

(collectively the "**Permitted Encumbrances**").

2. DESCRIPTION OF STRATA LOT

2.1 The Strata Lot will be part of the Development to be constructed on the Lands, substantially as shown on the Preliminary Strata Plan. The Purchaser acknowledges that the Strata Lot will include the items set out in paragraph 1.03 of this Agreement.

3. DISCLOSURE STATEMENT

3.1 The Purchaser acknowledges that the Purchaser has received a copy of the disclosure statement for the Development dated June 11, 2021 including all amendments thereto, if any, filed up to the date of this Agreement (collectively, the "**Disclosure Statement**") and has been given a reasonable opportunity to read and review the Disclosure Statement prior to entering into this Agreement. 4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. (a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;
