SCHEDULE "A"

1. AGREEMENT

The Purchaser hereby agrees to purchase from the Vendor the Strata Lot for the Purchase Price and upon the terms and conditions set forth in this Agreement, including this Schedule "A" and any other schedules and addenda attached hereto. Freehold title to the Strata Lot to be conveyed by the Vendor to the Purchaser on the Completion Date (hereinafter defined) will be subject only to:

(a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

(b) the charges and encumbrances referred to in the Disclosure Statement; and

(c) claims of builders' liens if the Vendor's Solicitors (hereinafter defined) have undertaken to remove same in accordance with subparagraph 10.1(b) hereof

(collectively the "**Permitted Encumbrances**").

2. DESCRIPTION OF STRATA LOT

2.1 The Strata Lot will be part of the Development to be constructed on the Lands, substantially as shown on the Preliminary Strata Plan. The Purchaser acknowledges that the Strata Lot will include the items set out in paragraph 1.03 of this Agreement.

3. DISCLOSURE STATEMENT

3.1 The Purchaser acknowledges that the Purchaser has received a copy of the disclosure statement for the Development dated June 11, 2021 including all amendments thereto, if any, filed up to the date of this Agreement (collectively, the "**Disclosure Statement**") and has been given a reasonable opportunity to read and review the Disclosure Statement prior to entering into this Agreement. The execution by the Purchaser of this Agreement will constitute a confirmation of the Purchaser's receipt of the Disclosure Statement. The Disclosure Statement contains provisions explaining the obligations of the owner of the Strata Lot to pay monthly contributions to the common expenses of the Strata Corporation.

3.2 Without in any way limiting paragraph 14.6, the Purchaser acknowledges and agrees that the Disclosure Statement (as defined above) and any future amendments to the Disclosure Statement may, in the Vendor's sole discretion, be provided to the Purchaser by electronic means. The Purchaser acknowledges and agrees that it is the Purchaser's sole responsibility to advise the Vendor of any changes to the Purchaser's contact information, including but not limited to the Purchaser's e-mail address, and the Purchaser covenants to provide the Vendor with written notice of any such changes.

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owne**r"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

11. ASSIGNMENT BY PURCHASER

11.1 Defined terms. In this paragraph 11, the following capitalized terms have the following meanings ascribed to them:

11.3 Purchaser's Acknowledgement. The Purchaser acknowledges and agrees that no assignment of this purchase agreement by the Purchaser will release the Purchaser from any of the Purchaser's obligations or liabilities hereunder.

11.4 Developer's Consent. The developer's prior consent referred to in subparagraph 11.2(a) will only be effective if it is in writing and may be unreasonably withheld by the developer in its sole discretion and, unless otherwise agreed to by the developer in writing, such consent will only be provided if all of the following conditions have been satisfied:

(a) the request for assignment of this purchase agreement by the Purchaser is made to the developer at least twelve months following a firm and binding purchase agreement is entered into by the Purchaser and at least one (1) month prior to the first day of the then current estimated date range of completion of construction of the Development as disclosed in Section 5.1 of the Disclosure Statement;

		YU

12.1 Pursuant to Policy Statement #6 ("**PS#6**") issued by the Superintendent of Real Estate, a developer may file a disclosure statement and market strata lots prior to obtaining a financing commitment provided that an amendment with respect to PS#6 disclosing the particulars of the financing commitment (individually an "**Amendment**" and together, the "**Amendments**") to the disclosure statement for the development is filed within twelve (12) months of the developer filing the original disclosure statement and subject to the conditions, set out in paragraph 12.2 below. The Vendor and the Purchaser acknowledge and agree that the Strata Lot is being offered subject to PS#6.

12.2 If the required Amendments, referred to in paragraph 12.1 hereof, have not been filed prior to the date the Purchaser has executed this Agreement, then notwithstanding anything else herein contained the following applies until such time as the required Amendments have been delivered to the Purchaser:

(a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

(c) if this Agreement is terminated pursuant to subparagraph 12.2(a) above, then the Purchaser will not incur any financial penalty and all Deposits paid by a Purchaser, including interest earned if applicable, will be returned promptly to the Purchaser upon notice of cancellation from the Purchaser; and

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

subparagraph 14.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 14.1(a) above or permit one or more further extensions pursuant to subparagraph 14.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 14.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

14.2 Condition Removal. The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. The Purchaser hereby irrevocably and unconditionally waives any claim the Purchaser has or may have against the Vendor or other entities or persons related to or in any way associated with the Vendor in respect of the matters set out in this paragraph 14.2. 14.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. Such notice will be deemed to have been received if so delivered or transmitted when delivered or transmitted and if mailed, on the second business day (exclusive of Saturdays, Sundays and statutory holidays) after such mailing. (a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

(b) the charges and encumbrances referred to in the Disclosure Statement; and

(c) claims of builders' liens if the Vendor's Solicitors (hereinafter defined) have undertaken to remove same in accordance with subparagraph 10.1(b) hereof

(collectively the "**Permitted Encumbrances**").

2. DESCRIPTION OF STRATA LOT

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

12.1 Pursuant to Policy Statement #6 ("**PS#6**") issued by the Superintendent of Real Estate, a developer may file a disclosure statement and market strata lots prior to obtaining a financing commitment provided that an amendment with respect to PS#6 disclosing the particulars of the financing commitment (individually an "**Amendment**" and together, the "**Amendments**") to the disclosure statement for the development is filed within twelve (12) months of the developer filing the original disclosure statement and subject to the conditions, set out in paragraph 12.2 below. The Vendor and the Purchaser acknowledge and agree that the Strata Lot is being offered subject to PS#6.

12.2 If the required Amendments, referred to in paragraph 12.1 hereof, have not been filed prior to the date the Purchaser has executed this Agreement, then notwithstanding anything else herein contained the following applies until such time as the required Amendments have been delivered to the Purchaser:

(a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

(c) if this Agreement is terminated pursuant to subparagraph 12.2(a) above, then the Purchaser will not incur any financial penalty and all Deposits paid by a Purchaser, including interest earned if applicable, will be returned promptly to the Purchaser upon notice of cancellation from the Purchaser; and

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

subparagraph 14.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 14.1(a) above or permit one or more further extensions pursuant to subparagraph 14.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 14.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

14.2 Condition Removal. The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. The Purchaser hereby irrevocably and unconditionally waives any claim the Purchaser has or may have against the Vendor or other entities or persons related to or in any way associated with the Vendor in respect of the matters set out in this paragraph 14.2. 14.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. The Purchaser agrees that for so long as the Vendor is the owner of any strata lots/units in the Development or the Adjacent Developments, the Vendor may carry out marketing, promotional and sales activities within the common property (including parking stalls and recreational facilities) of the Development or within those strata lots within the Development owned or leased by the Developer, including, without limitation, maintaining display suites, other display areas, parking areas, and signage (including signage placed on the common property of the Development) and permitting public access to same for the purpose of marketing any unsold strata lots/units in the Development or the Adjacent Developments. In addition, the Developer may conduct tours of the Development from time to time with prospective purchasers of strata lots/units in the Development or Adjacent Developments and hold events and other activities within the common property of the Development in connection with marketing and sales activities related to the Development and/or the Adjacent Developments.

Such notice will be deemed to have been received if so delivered or transmitted when delivered or transmitted and if mailed, on the second business day (exclusive of Saturdays, Sundays and statutory holidays) after such mailing. WITNESS in consideration of the premises and the sum of $1.00 and other good and valuable consideration now paid by the Vendor to the Guarantor (the receipt and sufficiency of which are hereby acknowledged), the Guarantor covenants under to seal and makes the following guarantee and agreement (the "**Guarantee**") with and in favour of the Vendor:

   (b) pay the Purchase Price under the Agreement;
   (c) pay any other monies due to the Vendor under the Agreement; and
   (d) perform and satisfy all other obligations of the Purchaser under the Agreement which are not obligations to pay monies to the Vendor.

2. The Guarantor hereby agrees with the Vendor that it will:

(a) promptly and completely observe or perform all Guaranteed Obligations;
(b) execute and deliver and provide the Vendor with any information required pursuant to Section 12 and 13 (Requirements under REDMA respecting Assignments and Assignment) of the Agreement or as otherwise required by the Vendor in accordance with applicable laws; and
(c) indemnify and save harmless the Vendor from any claims arising out of any failure by the Purchaser to perform the Guaranteed Obligations.

3. This Guarantee is absolute and unconditional and the obligations of the Guarantor will not be released, discharged, mitigated, impaired, or affected by:

(a) any waiver by or failure of the Vendor to enforce any of the terms, covenants, and conditions contained in the Agreement;
(b) any assignment of the Agreement by the Purchaser or by any trustee, receiver, or liquidator of the Purchaser; or
(c) any consent which the Vendor gives to any assignment.

4. The Guarantor hereby expressly waives notice of non-performance or non-observance on the part of the Purchaser of the terms, covenants, and conditions contained in this Guarantee.

5. In the event of a default by the Purchaser under the Agreement, the Guarantor waives any right to require the Vendor to:

6. The Guarantor acknowledges and agrees that the Guarantor has been provided with a true copy of the Agreement and was afforded a reasonable opportunity to read the Agreement.

7. Without limiting the generality of the foregoing, the liability of the Guarantor under this Guarantee is not deemed to have been waived, released, discharged, impaired or affected by reason of the release or discharge of the Purchaser in any receivership, bankruptcy, winding-up, or any other insolvency or bankruptcy proceedings.

8. No action or proceedings brought or instituted under this Guarantee and no recovery in pursuance thereof will be a bar or defence to any further action or proceeding which may be brought under this Guarantee by reason of any further default hereunder or in the performance and observance of the Guaranteed Obligations.

Freehold title to the Strata Lot to be conveyed by the Vendor to the Purchaser on the Completion Date (hereinafter defined) will be subject only to:

(a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

DS Purchaser Purchaser

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1 or 12.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(d) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1 or 12.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor. If the Completion Date has not occurred by March 14, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between December 15, 2023 and March 14, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with section 1.06, then the Deposit will be paid to the Vendor in accordance with the requirements of section 1.06.

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1 or 12.2 hereof, then the Deposit will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1 or 12.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly.

4.4 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit in accordance with the provisions hereof; and

(b) to interplead the Deposit, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.5 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor. If the Completion Date has not occurred by August 31, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts, expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8 CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not

INITIALS: DS

represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the **"Released Parties"**) from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed defects or deficiencies (the **"List"**). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the **"Service Facilities"**). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owner**"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

12.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. SCHEDULE "A"

1. AGREEMENT

The Purchaser hereby agrees to purchase from the Vendor the Strata Lot for the Purchase Price and upon the terms and conditions set forth in this Agreement, including this Schedule "A" and any other schedules and addenda attached hereto. Freehold title to the Strata Lot to be conveyed by the Vendor to the Purchaser on the Completion Date (hereinafter defined) will be subject only to:

(a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

(b) the charges and encumbrances referred to in the Disclosure Statement; and

(c) claims of builders' liens if the Vendor's Solicitors (hereinafter defined) have undertaken to remove same in accordance with subparagraph 10.1(b) hereof

(collectively the "**Permitted Encumbrances**").

2. DESCRIPTION OF STRATA LOT

2.1 The Strata Lot will be part of the Development to be constructed on the Lands, substantially as shown on the Preliminary Strata Plan. The Purchaser acknowledges that the Strata Lot will include the items set out in paragraph 1.03 of this Agreement.

3. DISCLOSURE STATEMENT

3.1 The Purchaser acknowledges that the Purchaser has received a copy of the disclosure statement for the Development dated June 11, 2021 including all amendments thereto, if any, filed up to the date of this Agreement (collectively, the "**Disclosure Statement**") and has been given a reasonable opportunity to read and review the Disclosure Statement prior to entering into this Agreement. The execution by the Purchaser of this Agreement will constitute a confirmation of the Purchaser's receipt of the Disclosure Statement. The Disclosure Statement contains provisions explaining the obligations of the owner of the Strata Lot to pay monthly contributions to the common expenses of the Strata Corporation.

3.2 Without in any way limiting paragraph 14.6, the Purchaser acknowledges and agrees that the Disclosure Statement (as defined above) and any future amendments to the Disclosure Statement may, in the Vendor's sole discretion, be provided to the Purchaser by electronic means. The Purchaser acknowledges and agrees that it is the Purchaser's sole responsibility to advise the Vendor of any changes to the Purchaser's contact information, including but not limited to the Purchaser's e-mail address, and the Purchaser covenants to provide the Vendor with written notice of any such changes.

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owne**r"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

11.3 Purchaser's Acknowledgement. The Purchaser acknowledges and agrees that no assignment of this purchase agreement by the Purchaser will release the Purchaser from any of the Purchaser's obligations or liabilities hereunder.

11.4 Developer's Consent. The developer's prior consent referred to in subparagraph 11.2(a) will only be effective if it is in writing and may be unreasonably withheld by the developer in its sole discretion and, unless otherwise agreed to by the developer in writing, such consent will only be provided if all of the following conditions have been satisfied:

		YU

12.1 Pursuant to Policy Statement #6 ("**PS#6**") issued by the Superintendent of Real Estate, a developer may file a disclosure statement and market strata lots prior to obtaining a financing commitment provided that an amendment with respect to PS#6 disclosing the particulars of the financing commitment (individually an "**Amendment**" and together, the "**Amendments**") to the disclosure statement for the development is filed within twelve (12) months of the developer filing the original disclosure statement and subject to the conditions, set out in paragraph 12.2 below. The Vendor and the Purchaser acknowledge and agree that the Strata Lot is being offered subject to PS#6.

12.2 If the required Amendments, referred to in paragraph 12.1 hereof, have not been filed prior to the date the Purchaser has executed this Agreement, then notwithstanding anything else herein contained the following applies until such time as the required Amendments have been delivered to the Purchaser:

(a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

(c) if this Agreement is terminated pursuant to subparagraph 12.2(a) above, then the Purchaser will not incur any financial penalty and all Deposits paid by a Purchaser, including interest earned if applicable, will be returned promptly to the Purchaser upon notice of cancellation from the Purchaser; and

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

subparagraph 14.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 14.1(a) above or permit one or more further extensions pursuant to subparagraph 14.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 14.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

14.2 Condition Removal. The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. The Purchaser hereby irrevocably and unconditionally waives any claim the Purchaser has or may have against the Vendor or other entities or persons related to or in any way associated with the Vendor in respect of the matters set out in this paragraph 14.2. 14.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. Such notice will be deemed to have been received if so delivered or transmitted when delivered or transmitted and if mailed, on the second business day (exclusive of Saturdays, Sundays and statutory holidays) after such mailing. (a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor. If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owner**"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

12. AMENDMENT

DS INITIALS

Purchaser	Purchaser	Vendor

12.1 Pursuant to Policy Statement #6 ("**PS#6**") issued by the Superintendent of Real Estate, a developer may file a disclosure statement and market strata lots prior to obtaining a financing commitment provided that an amendment with respect to PS#6 disclosing the particulars of the financing commitment (individually an "**Amendment**" and together, the "**Amendments**") to the disclosure statement for the development is filed within twelve (12) months of the developer filing the original disclosure statement and subject to the conditions, set out in paragraph 12.2 below. The Vendor and the Purchaser acknowledge and agree that the Strata Lot is being offered subject to PS#6.

12.2 If the required Amendments, referred to in paragraph 12.1 hereof, have not been filed prior to the date the Purchaser has executed this Agreement, then notwithstanding anything else herein contained the following applies until such time as the required Amendments have been delivered to the Purchaser:

(a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

(c) if this Agreement is terminated pursuant to subparagraph 12.2(a) above, then the Purchaser will not incur any financial penalty and all Deposits paid by a Purchaser, including interest earned if applicable, will be returned promptly to the Purchaser upon notice of cancellation from the Purchaser; and

(d) all monies received by the Vendor will be held in trust by a brokerage, a solicitor, or a notary public until the transaction is completed or earlier terminated.

13. MINIMUM PRESALES

13.1 If the Vendor has not entered into binding offers to purchase and agreements of sale with purchasers in respect of 29 or more of the strata lots in the Development (the "**Minimum Pre-Sales**") by June 11, 2022 (the "**Minimum Pre-Sales Date**"), then the Vendor will have the right to terminate the Purchase Agreement by giving notice of termination in writing to the Purchaser or the Purchaser's Solicitor at any time after the Minimum Pre-Sales Date until the earlier of:

(a) the date that the Minimum Pre-Sales are achieved; and

(b) the date that is one month after the Minimum Pre-Sales Date.

Without limiting the foregoing, in consideration of Two Dollars ($2.00) paid by the Vendor to the Purchaser, the receipt and sufficiency of which is hereby acknowledged by the Purchaser, the Purchaser agrees not to revoke its offer herein while this Agreement remains subject to the foregoing termination right in favour of the Vendor. If this Agreement is terminated in accordance with this paragraph 12, then the Deposit will be returned to the Purchaser in accordance with subparagraph 4.2(c) and each party will be released from all of its obligations to the other hereunder.

14. MISCELLANEOUS

14.1 Time of Essence. Time is of the essence hereof and unless all payments on account of the Purchase Price, subject to adjustments thereto as provided for herein, and any other monies payable by the Purchaser hereunder are paid when due, or if the Purchaser is otherwise in default of the provisions of this Agreement, then the Vendor may, at the option of the Vendor in its sole discretion, either:

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

(b) elect to extend the time for completion, and revise such terms of this Agreement as may be required in order to accommodate the extension, and to complete the transaction contemplated by this Agreement, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price:

i. interest on the unpaid portion of the Purchase Price and other unpaid amounts payable by the Purchaser hereunder at the rate of 2.0% per month (27% per annum), which interest will be calculated daily from and including the date upon which such payment and amounts were due pursuant to the terms hereof to and including the date upon which such payment and amounts are paid; and/or

ii. such other amount(s) as determined by the Vendor in its sole discretion.

If from time to time the Purchaser's default continues beyond the last extended date for completion established pursuant to

DS INITIALS

subparagraph 14.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 14.1(a) above or permit one or more further extensions pursuant to subparagraph 14.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 14.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

14.2 Condition Removal. Notwithstanding anything herein contained to the contrary, if the Purchaser's obligation to purchase the Strata Lot is subject to one or more conditions, then the conditions will be set out in an addendum attached hereto and if such conditions exist then the Vendor may, on written notice delivered to the Purchaser, require the Purchaser to either satisfy or waive such conditions by the delivery of written notice to the Vendor within seventy two (72) hours from the time the Vendor delivers its notice to the Purchaser. If the Purchaser's written notice either satisfying or waiving the Purchaser's conditions is not received by the Vendor within the time permitted as aforesaid, then this Agreement will terminate and the Deposit will be promptly refunded to Purchaser.

14.3 Larger Development. The Purchaser acknowledges that the Purchaser is purchasing the Strata Lot with full and complete awareness and unconditionally accepts and agrees that the Development will form a part of a larger development which the Vendor anticipates will also include a commercial component (the "**Adjacent Development**"). The Purchaser further acknowledges that the Development may be completed prior the Adjacent Development, and in that event, there will be, from time to time, related construction, noise, vibrations, odours, dust, dirt tracks and other construction activity at or in close proximity to the Development that are greater than those that are usual in an urban development. The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. The Purchaser hereby irrevocably and unconditionally waives any claim the Purchaser has or may have against the Vendor or other entities or persons related to or in any way associated with the Vendor in respect of the matters set out in this paragraph 14.2. The provisions set out in this paragraph 14.2 will survive the Completion Date, registration of the Transfer, and payment of the Purchase Price to the Vendor.

14.4 Money Laundering/Terrorist Activity. The Developer may, in its sole discretion, terminate the this Agreement if the Developer has reasonable grounds to suspect that any part of the transaction contemplated by the this Agreement is related to the commission or attempted commission of a "money laundering offence" or a "terrorist activity financing offence", as defined in the *Proceeds of Crime (Money Laundering)* and *Terrorist Financing Act* (Canada) and regulations under that Act, as amended from time to time, in which event the portion of the Deposit that has been paid shall be returned to the purchaser and the purchaser shall have no further claims against the Developer.

14.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. The Purchaser agrees that for so long as the Vendor is the owner of any strata lots/units in the Development or the Adjacent Developments, the Vendor may carry out marketing, promotional and sales activities within the common property (including parking stalls and recreational facilities) of the Development or within those strata lots within the Development owned or leased by the Developer, including, without limitation, maintaining display suites, other display areas, parking areas, and signage (including signage placed on the common property of the Development) and permitting public access to same for the purpose of marketing any unsold strata lots/units in the Development or the Adjacent Developments. In addition, the Developer may conduct tours of the Development from time to time with prospective purchasers of strata lots/units in the Development or Adjacent Developments and hold events and other activities within the common property of the Development in connection with marketing and sales activities related to the Development and/or the Adjacent Developments.

14.6 Notices and Tender. Any notice to be given by the Vendor to the Purchaser will be sufficiently given if deposited in any postal receptacle in Canada addressed to the Purchaser at the Purchaser's address as set out on the first page of this Agreement or to the Purchaser's Solicitor at its offices and sent by regular mail, postage prepaid, or if delivered by hand or if transmitted by facsimile or other form of electronic communication capable of producing a printed copy to the Purchaser's Solicitor at its office or to the Purchaser. Such notice will be deemed to have been received if so delivered or transmitted when delivered or transmitted and if mailed, on the second business day (exclusive of Saturdays, Sundays and statutory holidays) after such mailing. The address, facsimile number (if any), or electronic mail address (if any) for the Purchaser will be as set out on Page 1 of this Agreement or such other address, facsimile number (if any), or electronic mail address (if any), the Purchaser has last notified the Vendor in writing. Any notice to be delivered to the Purchaser may be delivered to the Purchaser or the Purchaser's Solicitor and any notice to be delivered to the Vendor may be given to the Vendor or the Vendor's Solicitors in the same manner, and any such notice will be deemed to have been received, as provided for in the preceding provisions of this paragraph 14.6, in the same manner. SCHEDULE "A"

1. **AGREEMENT**

The Purchaser hereby agrees to purchase from the Vendor the Strata Lot for the Purchase Price and upon the terms and conditions set forth in this Agreement, including this Schedule "A" and any other schedules and addenda attached hereto. Freehold title to the Strata Lot to be conveyed by the Vendor to the Purchaser on the Completion Date (hereinafter defined) will be subject only to:

(a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

(b) the charges and encumbrances referred to in the Disclosure Statement; and

(c) claims of builders' liens if the Vendor's Solicitors (hereinafter defined) have undertaken to remove same in accordance with subparagraph 10.1(b) hereof

(collectively the "**Permitted Encumbrances**").

2. **DESCRIPTION OF STRATA LOT**

2.1 The Strata Lot will be part of the Development to be constructed on the Lands, substantially as shown on the Preliminary Strata Plan. The Purchaser acknowledges that the Strata Lot will include the items set out in paragraph 1.03 of this Agreement.

3. **DISCLOSURE STATEMENT**

3.1 The Purchaser acknowledges that the Purchaser has received a copy of the disclosure statement for the Development dated June 11, 2021 including all amendments thereto, if any, filed up to the date of this Agreement (collectively, the "**Disclosure Statement**") and has been given a reasonable opportunity to read and review the Disclosure Statement prior to entering into this Agreement. The execution by the Purchaser of this Agreement will constitute a confirmation of the Purchaser's receipt of the Disclosure Statement. The Disclosure Statement contains provisions explaining the obligations of the owner of the Strata Lot to pay monthly contributions to the common expenses of the Strata Corporation.

3.2 Without in any way limiting paragraph 12.6, the Purchaser acknowledges and agrees that the Disclosure Statement (as defined above) and any future amendments to the Disclosure Statement may, in the Vendor's sole discretion, be provided to the Purchaser by electronic means. The Purchaser acknowledges and agrees that it is the Purchaser's sole responsibility to advise the Vendor of any changes to the Purchaser's contact information, including but not limited to the Purchaser's e-mail address, and the Purchaser covenants to provide the Vendor with written notice of any such changes.

4. **PURCHASE PRICE, DEPOSIT AND PAYMENT**

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) If the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) If the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

INITIALS

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1 or 12.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(d) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1 or 12.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor. If the Completion Date has not occurred by March 14, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between December 15, 2023 and March 14, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the **"Final Strata Plan"**) for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

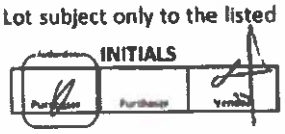
A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the **"Released Parties"**) from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed



YU

defects or deficiencies (the "List"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the **"Registered Owner"**), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the **"Beneficial Owner"**). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

12. MISCELLANEOUS

12.1 Time of Essence. Time is of the essence hereof and unless all payments on account of the Purchase Price, subject to adjustments thereto as provided for herein, and any other monies payable by the Purchaser hereunder are paid when due, or if the Purchaser is otherwise in default of the provisions of this Agreement, then the Vendor may, at the option of the Vendor in its sole discretion, either:

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

(b) elect to extend the time for completion, and revise such terms of this Agreement as may be required in order to accommodate the extension, and to complete the transaction contemplated by this Agreement, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price:

i. interest on the unpaid portion of the Purchase Price and other unpaid amounts payable by the Purchaser hereunder at the rate of 2.0% per month (27% per annum), which interest will be calculated daily from and including the date upon which such payment and amounts were due pursuant to the terms hereof to and including the date upon which such payment and amounts are paid; and/or

ii. such other amount(s) as determined by the Vendor in its sole discretion.

If from time to time the Purchaser's default continues beyond the last extended date for completion established pursuant to subparagraph 12.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 12.1(a) above or permit one or more further extensions pursuant to subparagraph 12.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 12.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

12.2 Condition Removal. Notwithstanding anything herein contained to the contrary, if the Purchaser's obligation to purchase the Strata Lot is subject to one or more conditions, then the conditions will be set out in an addendum attached hereto and if such conditions exist then the Vendor may, on written notice delivered to the Purchaser, require the Purchaser to either satisfy or waive such conditions by the delivery of written notice to the Vendor within seventy two (72) hours from the time the Vendor delivers its notice to the Purchaser. If the Purchaser's written notice either satisfying or waiving the Purchaser's conditions is not received by the Vendor within the time permitted as aforesaid, then this Agreement will terminate and the Deposit will be promptly refunded to Purchaser.

12.3 Larger Development. The Purchaser acknowledges that the Purchaser is purchasing the Strata Lot with full and complete awareness and unconditionally accepts and agrees that the Development will form a part of a larger development which the Vendor anticipates will also include a commercial component (the **"Adjacent Development"**). The Purchaser further acknowledges that the Development may be completed prior the Adjacent Development, and in that event, there will be, from time to time, related construction, noise, vibrations, odours, dust, dirt tracks and other construction activity at or in close proximity to the Development that are greater than those that are usual in an urban development. The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. The Purchaser hereby irrevocably and unconditionally waives any claim the Purchaser has or may have against the Vendor or other entities or persons related to or in any way associated with the Vendor in respect of the matters set out in this paragraph 12.3. The provisions set out in this paragraph 12.3 will survive the Completion Date, registration of the Transfer, and payment of the Purchase Price to the Vendor.

12.4 Money Laundering/Terrorist Activity. The Developer may, in its sole discretion, terminate the this Agreement if the Developer has reasonable grounds to suspect that any part of the transaction contemplated by the this Agreement is related to the commission or attempted commission of a "money laundering offence" or a "terrorist activity financing offence", as defined in the *Proceeds of Crime (Money Laundering)* and *Terrorist Financing Act* (Canada) and regulations under that Act, as amended from time to time, in which event the portion of the Deposit that has been paid shall be returned to the purchaser and the purchaser shall have no further claims against the Developer.

12.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. The Purchaser agrees that for so long as the Vendor is the owner of any strata lots/units in the Development or the Adjacent Developments, the Vendor may carry out marketing, promotional and sales activities within the common property (including parking stalls and recreational facilities) of the

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than ~~5%~~ Three (3%) smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by ~~5%~~ Three (3%) or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than ~~5%~~ Three (3%), than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

The Vendor and the Purchaser acknowledge and agree that the Strata Lot is being offered subject to PS#6.

12.2 If the required Amendments, referred to in paragraph 12.1 hereof, have not been filed prior to the date the Purchaser has executed this Agreement, then notwithstanding anything else herein contained the following applies until such time as the required Amendments have been delivered to the Purchaser:

(a) this Agreement is terminable at the Purchaser's option if the Purchaser does not receive the Amendment under PS#6, which sets out particulars of a satisfactory financing commitment, within twelve (12) months of the date on which the Vendor filed the Disclosure Statement with the Superintendent of Real Estate, until the required Amendment is received by the Purchaser;

(b) the maximum deposit or down payment payable hereunder is 10% of the Purchase Price;

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of paragraph 12.2 hereof, then the Deposit together with all interest accrued thereon will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor;

(d) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1, 13.1 or 14.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(e) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1, 12.2 or 14.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by February 28, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between November 30, 2023 and February 28, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owne**r"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

12.1 Pursuant to Policy Statement #6 ("**PS#6**") issued by the Superintendent of Real Estate, a developer may file a disclosure statement and market strata lots prior to obtaining a financing commitment provided that an amendment with respect to PS#6 disclosing the particulars of the financing commitment (individually an "**Amendment**" and together, the "**Amendments**") to the disclosure statement for the development is filed within twelve (12) months of the developer filing the original disclosure statement and subject to the conditions, set out in paragraph 12.2 below. The Vendor and the Purchaser acknowledge and agree that the Strata Lot is being offered subject to PS#6.

12.2 If the required Amendments, referred to in paragraph 12.1 hereof, have not been filed prior to the date the Purchaser has executed this Agreement, then notwithstanding anything else herein contained the following applies until such time as the required Amendments have been delivered to the Purchaser:

14. MISCELLANEOUS

14.1 Time of Essence. Time is of the essence hereof and unless all payments on account of the Purchase Price, subject to adjustments thereto as provided for herein, and any other monies payable by the Purchaser hereunder are paid when due, or if the Purchaser is otherwise in default of the provisions of this Agreement, then the Vendor may, at the option of the Vendor in its sole discretion, either:

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

(b) elect to extend the time for completion, and revise such terms of this Agreement as may be required in order to accommodate the extension, and to complete the transaction contemplated by this Agreement, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price:

i. interest on the unpaid portion of the Purchase Price and other unpaid amounts payable by the Purchaser hereunder at the rate of 2.0% per month (27% per annum), which interest will be calculated daily from and including the date upon which such payment and amounts were due pursuant to the terms hereof to and including the date upon which such payment and amounts are paid; and/or

ii. such other amount(s) as determined by the Vendor in its sole discretion.

If from time to time the Purchaser's default continues beyond the last extended date for completion established pursuant to

INITIALS

subparagraph 14.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 14.1(a) above or permit one or more further extensions pursuant to subparagraph 14.1(b) above.

Should any extension of the Completion Date pursuant to subparagraph 14.1(b) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of this Schedule "A", the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate this Agreement.

14.2 Condition Removal. Notwithstanding anything herein contained to the contrary, if the Purchaser's obligation to purchase the Strata Lot is subject to one or more conditions, then the conditions will be set out in an addendum attached hereto and if such conditions exist then the Vendor may, on written notice delivered to the Purchaser, require the Purchaser to either satisfy or waive such conditions by the delivery of written notice to the Vendor within seventy two (72) hours from the time the Vendor delivers its notice to the Purchaser. If the Purchaser's written notice either satisfying or waiving the Purchaser's conditions is not received by the Vendor within the time permitted as aforesaid, then this Agreement will terminate and the Deposit will be promptly refunded to Purchaser.

14.3 Larger Development. The Purchaser acknowledges that the Purchaser is purchasing the Strata Lot with full and complete awareness and unconditionally accepts and agrees that the Development will form a part of a larger development which the Vendor anticipates will also include a commercial component (the "**Adjacent Development**"). The Purchaser further acknowledges that the Development may be completed prior the Adjacent Development, and in that event, there will be, from time to time, related construction, noise, vibrations, odours, dust, dirt tracks and other construction activity at or in close proximity to the Development that are greater than those that are usual in an urban development. The Purchaser also acknowledges and agrees that the Vendor will have access over the common property of the Development as necessary in connection with the construction of the Development and/or Adjacent Development. The Purchaser hereby irrevocably and unconditionally waives any claim the Purchaser has or may have against the Vendor or other entities or persons related to or in any way associated with the Vendor in respect of the matters set out in this paragraph 14.2. The provisions set out in this paragraph 14.2 will survive the Completion Date, registration of the Transfer, and payment of the Purchase Price to the Vendor.

14.4 Money Laundering/Terrorist Activity. The Developer may, in its sole discretion, terminate the this Agreement if the Developer has reasonable grounds to suspect that any part of the transaction contemplated by the this Agreement is related to the commission or attempted commission of a "money laundering offence" or a "terrorist activity financing offence", as defined in the *Proceeds of Crime (Money Laundering)* and *Terrorist Financing Act* (Canada) and regulations under that Act, as amended from time to time, in which event the portion of the Deposit that has been paid shall be returned to the purchaser and the purchaser shall have no further claims against the Developer.

14.5 Marketing. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. The Purchaser agrees that for so long as the Vendor is the owner of any strata lots/units in the Development or the Adjacent Developments, the Vendor may carry out marketing, promotional and sales activities within the common property (including parking stalls and recreational facilities) of the Development or within those strata lots within the Development owned or leased by the Developer, including, without limitation, maintaining display suites, other display areas, parking areas, and signage (including signage placed on the common property of the Development) and permitting public access to same for the purpose of marketing any unsold strata lots/units in the Development or the Adjacent Developments. In addition, the Developer may conduct tours of the Development from time to time with prospective purchasers of strata lots/units in the Development or Adjacent Developments and hold events and other activities within the common property of the Development in connection with marketing and sales activities related to the Development and/or the Adjacent Developments.

14.6 Notices and Tender. Any notice to be given by the Vendor to the Purchaser will be sufficiently given if deposited in any postal receptacle in Canada addressed to the Purchaser at the Purchaser's address as set out on the first page of this Agreement or to the Purchaser's Solicitor at its offices and sent by regular mail, postage prepaid, or if delivered by hand or if transmitted by facsimile or other form of electronic communication capable of producing a printed copy to the Purchaser's Solicitor at its office or to the Purchaser. Such notice will be deemed to have been received if so delivered or transmitted when delivered or transmitted and if mailed, on the second business day (exclusive of Saturdays, Sundays and statutory holidays) after such mailing. The address, facsimile number (if any), or electronic mail address (if any) for the Purchaser will be as set out on Page 1 of this Agreement or such other address, facsimile number (if any), or electronic mail address (if any), the Purchaser has last notified the Vendor in writing. Any notice to be delivered to the Purchaser may be delivered to the Purchaser or the Purchaser's Solicitor and any notice to be delivered to the Vendor may be given to the Vendor or the Vendor's Solicitors in the same manner, and any such notice will be deemed to have been received, as provided for in the preceding provisions of this paragraph 14.6, in the same manner. Save and except for as otherwise provided herein, any documents or money to be tendered on the Vendor will be tendered by way of certified funds or bank draft and will be delivered at the Purchaser's expense to the Vendor or the Vendor's Solicitors.

1. AGREEMENT

The Purchaser hereby agrees to purchase from the Vendor the Strata Lot for the Purchase Price and upon the terms and conditions set forth in this Agreement, including this Schedule "A" and any other schedules and addenda attached hereto. Freehold title to the Strata Lot to be conveyed by the Vendor to the Purchaser on the Completion Date (hereinafter defined) will be subject only to:

(a) the exceptions listed in Section 23(2) of the *Land Title Act* (British Columbia);

(b) the charges and encumbrances referred to in the Disclosure Statement; and

(c) claims of builders' liens if the Vendor's Solicitors (hereinafter defined) have undertaken to remove same in accordance with subparagraph 10.1(b) hereof

(collectively the "**Permitted Encumbrances**").

2. DESCRIPTION OF STRATA LOT

2.1 The Strata Lot will be part of the Development to be constructed on the Lands, substantially as shown on the Preliminary Strata Plan. The Purchaser acknowledges that the Strata Lot will include the items set out in paragraph 1.03 of this Agreement.

3. DISCLOSURE STATEMENT

3.1 The Purchaser acknowledges that the Purchaser has received a copy of the disclosure statement for the Development dated June 11, 2021 including all amendments thereto, if any, filed up to the date of this Agreement (collectively, the "**Disclosure Statement**") and has been given a reasonable opportunity to read and review the Disclosure Statement prior to entering into this Agreement. The execution by the Purchaser of this Agreement will constitute a confirmation of the Purchaser's receipt of the Disclosure Statement. 4. PURCHASE PRICE, DEPOSIT AND PAYMENT

4.1 The Purchaser will pay the Purchase Price to the Vendor as follows:

(a) The deposit monies in the amounts set out in paragraph 1.01 of this Agreement will be paid by the Purchaser to "**Clark Wilson LLP**" (the "**Vendor's Solicitors**"), "in trust". If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided herein; and

(b) The balance of the Purchase Price plus or minus adjustments pursuant to paragraph 5.2 hereof will be paid by the Purchaser to the Vendor's Solicitors on the Completion Date by way of certified cheque or bank draft in accordance with the provisions of subparagraph 10.1(b) hereof.

4.2 Subject to paragraphs 4.3 and 4.5 below, the Deposit will be dealt with as follows:

(a) if the Purchaser completes the purchase of the Strata Lot on the terms and conditions herein contained, then the Deposit will form part of and be applied to the Purchase Price and be paid by the Vendor's Solicitors to the Vendor. Any interest earned thereon (less the Vendor's Solicitors' related reasonable administrative fees not to exceed $200.00) will be paid to the Vendor, provided that the Vendor's Solicitors may transfer the Deposit from an interest bearing to non-interest bearing account at least one (1) month prior to the estimated Completion Date in order to allow the interest amount to be fixed and in such case, the interest earned on the Deposit, less the Vendor's Solicitors' reasonable administration fees not to exceed $200.00, will accrue to the benefit of the Vendor;

(b) if the Purchaser defaults on any of the Purchaser's obligations set out herein including without limitation the obligation of the Purchaser to complete the purchase of the Strata Lot on the Completion Date pursuant to this Agreement then:

(i) the Vendor may, at its election, terminate this Agreement by notice in writing delivered to the Purchaser; and

(ii) the Vendor's Solicitors, upon receipt of the written certification from the Vendor required in accordance with Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), and without prejudice to any other right or remedy of the Vendor, will pay the non-refundable Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor on behalf of the Purchaser as liquidated damages. The parties hereby agree that such amount constitutes a genuine pre-

estimate of the minimum damages suffered by the Vendor and that such Deposit is non-refundable. The Vendor reserves the right to claim for further damages.

For greater certainty, for purposes of Section 18(4) of the *Real Estate Development Marketing Act* (British Columbia), if the Purchaser fails to pay a subsequent deposit or the balance of the Purchase Price when required, the Vendor may elect to cancel this Agreement and, if the Vendor makes such election, the amount of the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors are entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit and any interest accrued thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) to the Vendor under this paragraph 4.2(b) notwithstanding the Vendor's knowledge of any adverse claim to the Deposit including a claim by the Purchaser;

(c) if this Agreement is terminated in accordance with the terms of any of paragraphs 5.1 or 12.2 hereof, then:

(i) the Deposit will be paid by the Vendor's Solicitors to the Purchaser; and

(ii) all interest accrued on the Deposit (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Vendor,

and the Purchaser will have no further claim against the Vendor; and

(d) if this Agreement is not terminated in accordance with the terms of any of paragraphs 5.1 or 12.2 hereof and the Vendor fails to complete the sale of the Strata Lot on the terms and conditions herein contained, then the Deposit together with all accrued interest thereon (less the Vendor's Solicitors' reasonable administrative fees not to exceed $200.00) will be paid by the Vendor's Solicitors to the Purchaser and the Purchaser will have no further claim against the Vendor.

4.3 In accordance with Section 19 of the *Real Estate Development Marketing Act* (British Columbia), developers may enter into a deposit protection contract (as defined in the *Real Estate Development Marketing Act* (British Columbia) and as discussed in Section 7.1 of the Disclosure Statement) with an approved insurer pursuant to which the deposits paid by purchasers of land which is proposed to be subdivided or strata titled may be released to the developer. The Vendor, at its sole option, may enter into a deposit protection contract as provided by such legislation with respect to the Deposit (or any portion thereof) and the Strata Lot and in such case, the Deposit (or such portion thereof) will be released by the Vendor's Solicitors to the Vendor in accordance with such insurance contract or security agreement and the provisions of this Agreement will be deemed to have been amended accordingly. Notwithstanding anything else provided herein, if the Vendor enters into a deposit protection contract as contemplated in this paragraph 4.3, the Purchaser acknowledges that no interest will accrue nor be earned on the Deposit as of the date such deposit protection contract is entered into.

4.4 Notwithstanding the provisions of paragraph 4.2 above, if the Purchaser is a non-resident of Canada as defined under the *Income Tax Act* (Canada), the Purchaser irrevocably authorizes the Vendor's Solicitors to remit directly to the Receiver General for Canada such non-resident withholding tax in respect of interest earned on the Deposit as may be required by the *Income Tax Act* (Canada).

4.5 The Vendor and the Purchaser hereby irrevocably authorize the Vendor's Solicitors:

(a) to deal with the Deposit and all interest earned thereon in accordance with the provisions hereof; and

(b) to interplead the Deposit and all interest thereon, at the expense of the party ultimately determined to be entitled to such funds, should any dispute arise regarding the obligations of the Vendor's Solicitors with respect to the Deposit.

4.6 Lien Holdback. That portion, if any, of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid on the Completion Date to the Vendor's Solicitors. The Lien Holdback will be held in trust by the Vendor's Solicitors pursuant to the *Strata Property Act* (British Columbia) and *Builders Lien Act* (British Columbia) (or successor statutes) solely in respect of lien claims registered in the applicable land title office (the "**Land Title Office**") in connection with work done at the request of the Vendor. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest bearing trust account and to pay to the Vendor on the earlier of (a) the date set out in the *Strata Property Act* (British Columbia) and/or the *Builders Lien Act* (British Columbia), and (b) the 56th day after the Strata Lot is conveyed to the Purchaser, the Lien Holdback plus interest, if any, accrued thereon, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's solicitor or notary public (the "**Purchaser's Solicitor**") notifies the Vendor's Solicitors in writing by 4:00 p.m. on that day. The Purchaser hereby authorizes the Vendor to bring any legal proceedings required to clear title to the Strata Lot of any lien claims filed with respect to the Strata Lot, including payment of the Lien Holdback into Court if desired by the Vendor.

5. COMPLETION, POSSESSION AND ADJUSTMENT DATES

5.1 Completion Date. The Purchaser will pay the balance of the Purchase Price at the Purchaser's expense by way of **CERTIFIED CHEQUE** or **BANK DRAFT** to the Vendor's Solicitors **by NO LATER THAN 4:00 p.m. on the Completion Date** (defined below). The completion of the purchase and sale of the Strata Lot will take place on that date (the "**Completion Date**") specified in a written notice from the Vendor or the Vendor's Solicitor to the Purchaser to be delivered to the Purchaser or the Purchaser's Solicitor no later than that date which is between two and 60 days after the later of (i) the date that title to the Strata Lot is issued in the Land Title Office, and (ii) the date that the Strata Lot is ready to be occupied. The Completion Date specified in the aforesaid notice will be a minimum of 10 business days (or as otherwise may be agreed between the parties) and no more than 30 days from the date of delivery of the notice. Whether the Strata Lot is ready to be occupied refers only to the Strata Lot and not to any other strata lot or common property within the Development and the Strata Lot will be deemed to be ready to be occupied on the Completion Date if the City of Vancouver (the "**City**") has given oral or written permission to occupy the Strata Lot, whether such permission is temporary, conditional, provisional or final. If the Completion Date falls on a Saturday, Sunday, holiday or a day upon which the Land Title Office is not open for business, the Completion Date will be the next following business day. The notice of the Completion Date delivered from the Vendor or the Vendor's Solicitors to the Purchaser or the Purchaser's Solicitor may be based on the Vendor's estimate as to when title to the Strata Lot will be issued by the Land Title Office and/or when the Strata Lot will be ready to be occupied. If on the Completion Date so established title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied, then the Vendor may delay the Completion Date for up to 30 days from time to time as required by notice of such delay to the Purchaser or the Purchaser's Solicitor**.** If the Completion Date has not occurred by March 14, 2025 (the "**Outside Date**"), then this Agreement will terminate and the Deposit will be promptly returned to Purchaser and each party will be released from all of its obligations to the other hereunder, provided that:

(a) if the Vendor is delayed from completing the construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climactic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay; and

(b) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to this paragraph 5.1 and whether or not any delay described in this paragraph 5.1 has occurred, elect to extend the Outside Date for up to 120 days.

The Vendor confirms that it currently estimates that the Completion Date will occur between December 15, 2023 and March 14, 2024 (the "**Estimated Date Range**"). The Purchaser acknowledges that the Estimated Date Range has been provided by the Vendor as a matter of convenience only and is not meant to be legally binding upon the Vendor, and that the actual Completion Date will be established in the manner set out above, which may be sooner or later than, or fall within, the Estimated Date Range.

5.2 Adjustments. The Purchaser will assume all taxes, rates, local improvement assessments, water rates, assessments of the strata corporation of which the Strata Lot forms part, including but not limited to an adjustment to credit the Vendor with the Purchaser's share of the prepaid insurance premium for the strata corporation, and all other adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made, as of the Completion Date. If the amount of any such taxes, rates or assessments have been levied in respect of a parcel greater than the Strata Lot, an estimated portion thereof as determined by the Vendor, acting reasonably, will be allocated to the Strata Lot in accordance with its unit entitlement as discussed in the Disclosure Statement. The Purchaser will pay GST and any other applicable value-added or sales tax in accordance with paragraph 6 below.

5.3 Possession Date. Provided the Vendor's Solicitors have received the balance of the Purchase Price and all other amounts payable by the Purchaser to the Vendor in respect of the Strata Lot on the Completion Date, the Purchaser will have possession of the Strata Lot on the day immediately following the Completion Date (the "**Possession Date**").

5.4 Risk. The Strata Lot and all other items included in the purchase and sale contemplated in this Agreement, will be and will remain at the risk of the Vendor until 12:01 a.m. on the Completion Date, after which time they will be at the risk of the Purchaser.

6. GST.

6.1 The Purchase Price does not include GST or any other value-added or sales tax. The Purchaser is responsible for the payment of GST and all other applicable value-added or sales taxes on the Purchase Price. The Purchase Price does not include any applicable rebates, including but not limited to the new housing rebate under the *Excise Tax Act*, R.S.C., 1985.

7. REPRESENTATIONS/ENTIRE AGREEMENT

7.1 The Purchaser acknowledges and agrees that this Agreement constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts,

expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement. For clarity, all sales brochures, models, websites, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing do not form part of this Agreement. Without in any way limiting the foregoing, the Purchaser acknowledges and agrees that presentation centre/display suite/showroom decorator features, wall treatments, drapes/curtains, dining light fixtures and furnishings are not included in the Purchase Price. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floorplans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and municipal, structural and Vendor and/or architectural requirements.

8. CONSTRUCTION

8.1 The Purchaser is aware that area measurements are approximate and based on architectural drawings and measurements. Final floor plans and surveyed areas may vary. The Strata Lot is as shown on the Preliminary Strata Plan. The Vendor may make alterations to the features and layout of the Strata Lot which are desirable in the discretion of the Vendor. The Vendor reserves the right to alter the common property of the Development at any time and from time to time if, in its sole opinion, such alteration or alterations improve the structural integrity of the Development, its mechanical systems, its ability to withstand water penetration or aesthetics. The proposed dimensions, lot lines and location of the strata lots in the Development are set out in the Preliminary Strata Plan. The actual size, dimensions and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property as set forth in the final strata plan (the "**Final Strata Plan**") for the Development may vary from what is depicted on the Preliminary Strata Plan. The areas and dimensions of the strata lots in the Development set out in the marketing materials referred to in paragraph 7.1 are approximate and are provided for information purposes only and are not represented as being the actual final areas and dimensions of the strata lots (including the Strata Lot) in the Development. In the event of any discrepancy between the area, size, dimensions, location and/or configuration of the strata lots, balconies, patios and/or decks and/or other limited common property in the Preliminary Strata Plan and/or any architectural plans relating to the Development and/or any marketing materials and the Final Strata Plan, the Final Strata Plan will prevail.

8.2 Notwithstanding paragraph 8.1, the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this paragraph 8.2;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

8.3 Subject to paragraph 9.1 below, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Strata Lot or the Development prior to the Possession Date without the prior written consent of the Vendor, which consent the Vendor may withhold in its sole discretion, and then only if accompanied by an authorized representative of the Vendor. The Purchaser hereby releases the Vendor, the Vendor's partners, the Registered Owner (as defined in paragraph 10.3 below), and their respective directors, officers, employees, agents, contractors and representatives (collectively, the "**Released Parties**") from and against any loss, cost, damage, injury or death resulting from any act or omission of any one or more of the Released Parties, including that arising from the negligence of any one or more of the Released Parties, or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person acting on behalf of the Purchaser in the Development, or any act or omission of the Purchaser or any person acting on behalf of the Purchaser while within the Development. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties.

9. PRE-OCCUPANCY WALK THROUGH

9.1 The Vendor, or a representative of the Vendor, and the Purchaser, or a representative of the Purchaser, will together walk through the Strata Lot at a reasonable time designated by the Vendor prior to the Completion Date. At the conclusion of such pre-occupancy walk through, a conclusive list of any defects or deficiencies will be prepared. The parties or their representatives will sign the list and the Purchaser will be deemed to have accepted the physical condition of the Strata Lot subject only to the listed

defects or deficiencies (the "**List**"). The Purchaser acknowledges and agrees that neither the Purchaser nor the Purchaser's representatives, agents or assigns will be allowed access to the Strata Lot except for the purpose of this pre-occupancy walk through prior to the Completion Date, except with the express written authorization of the Vendor. Any refusal or failure by the Purchaser to complete the pre-occupancy walk through in accordance with this section will be deemed by the Purchaser to be a waiver and forfeiture of such right. If the Purchaser of the Strata Lot fails to complete the pre-occupancy walk through in accordance with this paragraph 9.1, or fails to sign the list of defects and deficiencies, or if there is any dispute as to defects or deficiencies, the project architect for the Development will settle the list of defects and deficiencies or the matter in dispute, it being agreed that such determination by the project architect will be binding upon the parties and need not occur prior to the Completion Date. The Vendor will remedy the defects or deficiencies noted on the list, or as settled by the project architect, as soon as reasonably possible after the Completion Date to the satisfaction of the project architect, and the parties agree that notwithstanding the existence of any defects or deficiencies on the Completion Date, such will not permit the Purchaser to elect not to complete the purchase of the Strata Lot and there will be no deficiency holdback in respect of any defects or deficiencies which may exist on the Completion Date. The List will be considered final and binding on any subsequent assignee of this agreement if the developer consents to such assignment in their sole discretion pursuant to paragraph 11.

9.2 The Purchaser acknowledges that the Development will include service facilities and equipment such as transformers, fire protection systems and equipment, mechanical and electrical systems and equipment, electrical room, vents, ducts, fans, elevators, garage gates, and other such facilities and equipment (collectively, the "**Service Facilities**"). The Service Facilities will be located as required by the City or as recommended by the Vendor's consultants and/or representatives.

10. CONVEYANCE, RISK, PERMITTED ENCUMBRANCES

10.1 Conveyance.

(a) It will be the responsibility of the Purchaser and/or the Purchaser's Solicitor to prepare the documents necessary to complete this transaction including without limitation a freehold transfer (the "**Transfer**"), in registrable form, and a statement of adjustments, and to deliver such closing documents to the Vendor's Solicitors at least four (4) business days prior to the Completion Date. The Purchaser will be responsible for obtaining all other documents required in order to complete the transfer of the Strata Lot to the Purchaser, including a Form F and a Form B Information Certificate as such forms are described under the *Strata Property Act* (British Columbia). The Vendor will not be required to execute or deliver any agreements, transfer documents, resolutions, certificates, statutory declarations, or assurances whatsoever to the Purchaser other than the Transfer and the Vendor's statement of adjustments with such modifications as the Vendor will require acting reasonably.

(b) On the Completion Date, the Vendor will transfer title to the Strata Lot to the Purchaser free and clear of all registered liens, mortgages, charges and encumbrances of any nature whatsoever save and except Permitted Encumbrances and on or before the Completion Date, the Vendor will have taken whatever steps are necessary in order to obtain or make arrangements for the release or discharge of any registered liens, mortgages, charges and encumbrances save and except the Permitted Encumbrances. The Purchaser acknowledges and agrees that the Vendor will be using the sale proceeds received from the Purchaser to obtain a partial discharge of any mortgage, assignment of rents and security collateral thereto. The Purchaser's Solicitor will pay the balance of the Purchase Price subject to any adjustments as provided herein, on the Completion Date by way of certified cheque or bank draft made payable and delivered at the Purchaser's expense to the Vendor's Solicitors in trust on the Vendor's Solicitors' undertaking to pay the amount required from the holder of the prior financial encumbrance to legally obligate the holder of the prior financial encumbrance to provide the Vendor's Solicitors with a registrable partial discharge of such prior financial encumbrance as it relates to the Strata Lot and to register the discharge of the aforesaid charges from title to the Strata Lot and, in the case of a claim of builder's lien, on the Vendor's Solicitors' undertaking to pay the amount sufficient to cause same to be filed with the Land Title Office within thirty (30) days after the Completion Date, or such later period of time as may be necessary in the circumstances provided the Vendor is diligently proceeding to obtain such discharge. If the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the balance of the adjusted Purchase Price on the Completion Date, may wait to pay same until after the Transfer and new mortgage documents have been lodged for registration at the applicable Land Title Office but only if before such lodging against title to the Strata Lot, the Purchaser has:

(i) deposited in trust with the Purchaser's Solicitor the cash balance of the adjusted Purchase Price not being financed by the new mortgage;

(ii) fulfilled all the new mortgagee's conditions for funding except lodging the Transfer for registration; and

(iii) made available to the Vendor's Solicitors an undertaking given by the Purchaser's Solicitor to pay on the Completion Date the balance of the adjusted Purchase Price upon the lodging of the Transfer and the new mortgage documents and the advance by the new mortgagee of the mortgage proceeds or withdraw the Transfer from registration at the Land Title Office.

10.2 The Purchaser will pay all costs (including the Purchaser's Solicitor's fees and disbursements) in connection with the completion of purchase and the sale (including any federal and provincial sales, GST, value-added tax, sales tax, property transfer or other tax other than income tax) required to be paid by the Vendor or the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment and appliances included with the purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot of financial encumbrances and the legal fees of the Vendor.

10.3 Signatory. The Purchaser agrees to accept the Transfer executed by the registered owner of the Strata Lot, 1076255 B.C. Ltd. (the "**Registered Owner**"), in satisfaction of section 6 of the *Property Law Act* (British Columbia). The Purchaser acknowledges and agrees that the Registered Owner has the full power and authority to enter agreements, including but not limited to this Agreement, on behalf of itself as registered owner of the Lands and on behalf of the beneficial owner of the Lands, Lightstone Development Ltd. (the "**Beneficial Owne**r"). The Purchaser acknowledges and agrees that if the Purchaser enters any agreements with or receives any documentation of any kind from the Registered Owner only, then the Purchaser will accept such agreements and documents as firm and binding on the Vendor, and will not require the Beneficial Owner to be a signatory in any form to such agreements and documents.

Time is of the essence hereof and unless all payments on account of the Purchase Price, subject to adjustments thereto as provided for herein, and any other monies payable by the Purchaser hereunder are paid when due, or if the Purchaser is otherwise in default of the provisions of this Agreement, then the Vendor may, at the option of the Vendor in its sole discretion, either:

(a) terminate this Agreement and in such case the entire Deposit, including both paid and unpaid portions thereof, and all interest accrued thereon will be absolutely forfeited to the Vendor, which payment will be non-refundable, will not be deemed to be all inclusive liquidated damages and will not preclude any further claims or remedies by the Vendor against the Purchaser arising as a result of the default of the Purchaser; or

(b) elect to extend the time for completion, and revise such terms of this Agreement as may be required in order to accommodate the extension, and to complete the transaction contemplated by this Agreement, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price:

i. interest on the unpaid portion of the Purchase Price and other unpaid amounts payable by the Purchaser hereunder at the rate of 2.0% per month (27% per annum), which interest will be calculated daily from and including the date upon which such payment and amounts were due pursuant to the terms hereof to and including the date upon which such payment and amounts are paid; and/or

ii. such other amount(s) as determined by the Vendor in its sole discretion.

If from time to time the Purchaser's default continues beyond the last extended date for completion established pursuant to subparagraph 12.1(b) above the Vendor, in its sole discretion, may thereafter elect to terminate this Agreement pursuant to subparagraph 12.1(a) above or permit one or more further extensions pursuant to subparagraph 12.1(b) above.

Your Relationship with a Real Estate Professional

BC Financial Services Authority is the legislated regulatory agency that works to ensure real estate professionals have the skills and knowledge to provide you with a high standard of service. All real estate professionals must follow rules that help protect consumers, like you. We're here to help you understand your rights as a real estate consumer.

Keep this information page for your reference.

Real estate professionals have a regulatory requirement to present you with this consumer information before providing services to you.

This information explains the different relationships you can have with a real estate professional to buy, sell or lease property. Before you disclose confidential information to a real estate professional regarding a real estate transaction, you should understand what type of business relationship you have with that individual.

You can work with a real estate professional in one of the following ways:

AS A CLIENT

If you are the client of a real estate professional, they work on your behalf. The real estate professional representing you has special legal duties to you, including:

- **Loyalty.** They will act only in your best interests.
- Full disclosure. They must tell you everything they know that might influence your decision in a transaction.
- **Avoid conflicts of interest.** They must avoid any situation that would affect their duty to act in your best interests.
- **Confidentiality.** They must not reveal your private information without your permission, even after your relationship ends. That includes:
  - your reasons for buying, selling or leasing
  - your minimum/maximum price
  - any preferred terms and conditions you may want to include in a contract

When you become a client, you may be asked to sign a written agreement setting out your and the real estate professional's responsibilities.

AS A NON-CLIENT

A real estate professional who is not representing you as a client does not owe you special legal duties:

- **No loyalty.** They may be representing a client with competing interests to yours in a transaction. They must be loyal to their client, not you.
- **No duty of full disclosure.** They do not have a duty to give you all relevant information.
- **No duty to avoid conflicts.** They are not acting in your interests.
- **No confidentiality.** They must share any information you tell them with their clients in a transaction.

As a non-client, a real estate professional may give you only limited services.

Whenever a real estate professional works with you in a real estate transaction, whether you are their client or not, they have a responsibility to act honestly and with reasonable care and skill.

PRIVACY NOTICE AND CONSENT

To help you sell, buy or lease real estate, REALTORS®, brokerages and real estate boards need to collect, use and disclose some of your personal information. This form provides you with information about, and obtains your consent to, such information handling practices.

DEFINITIONS

Personal Information means any identifiable information about you, including your name, address, phone number, financial information and may include information about your property (such as listing and selling price, lease rate, listing term, etc.).

A **REALTOR®** is a member of a real estate board, the British Columbia Real Estate Association (BCREA) and of The Canadian Real Estate Association (CREA). REALTORS® in BC are licensed under the *Real Estate Services Act*. **Brokerage** refers to the real estate company where your REALTOR® is licensed. The **boards** are British Columbia real estate boards that are members of BCREA. REALTORS® provide MLS® services, which are professional services to effect the purchase and sale of real estate as part of a co-operative selling system, otherwise known as an MLS® System. A **MLS® System** is a member-to-member cooperative selling system for the purchase, sale or lease of real estate that is owned or controlled by a board, includes an inventory of listings of participating REALTORS®, and ensures a certain level of accuracy of information, professionalism, and cooperation amongst REALTOR® members.

How is my personal information collected?

Most personal information will be collected directly from you through the contracts and other documents you fill out (e.g., Multiple Listing Contract, Contract of Purchase and Sale, Offer to Lease, seller's Property Disclosure Statement) and through discussions you have with the REALTOR® to whom you are giving this consent. Some information may be collected from other sources such as government departments and agencies (e.g., Land Title Offices, BC Assessment), financial institutions and mortgage brokers.

To whom may my personal information be disclosed?

Your information may be disclosed to (or may be accessible by) the boards and their staff and members, other REALTORS® and their clients, government departments and agencies, financial institutions, legal advisors, service providers, BCREA, the Real Estate Council of British Columbia (RECBC), CREA and members of the public, for the purposes described below.

Not all of your information will be accessible to each of the above-mentioned entities. For example, once the listing term has ended, the general public will not have access to your information, unless it is otherwise available through public registries or publications (e.g., Land Title Offices, BC Assessment, REALTOR.ca).

Your personal information may be transferred to or stored in a foreign country, in which case the governments, courts, law enforcement, or regulatory agencies of that country may be able to obtain access to your personal information through the laws of that foreign country.

Why is my personal information collected, used and disclosed?

Your personal information may be collected, used and disclosed for some or all of the primary uses set out below.

1a) To list/market your property on the MLS® System in accordance with the terms and conditions of the MLS® System and the boards.

1b) To allow members of real estate boards (including REALTORS® and appraisers) to value your property.

1c) To market your property through any other media (both print and electronic).

1d) To help you locate a suitable property to buy or lease.

1e) To facilitate the purchase and sale or lease transaction both before and after the completion of your transaction or entering into of your lease (including by cooperating with financial institutions, legal advisors, government departments and agencies and third parties engaged in connection with the purchase and sale or lease transaction, such as photographers, appraisers and other service providers, and by communicating with you to coordinate any of the foregoing or to ensure your satisfaction with any of the foregoing and the real estate services provided to you in connection with the transaction)

1f) To allow the boards (including REALTORS®) to compile current and historical statistics on sales and property prices and lease rates, and to conduct comparative market analyses. Information about your property will be retained in the MLS® System and handled in accordance with its and the boards' terms and conditions, and published by the boards from time to time for these purposes after your property has sold or leased or your listing has expired (if you are a seller/landlord) and after you have purchased or leased your property (if you are a buyer/tenant).

1g) To enforce codes of professional conduct and ethics for REALTORS® (by cooperating with the boards, BCREA, RECBC, CREA and other regulatory bodies).

1h) To comply with legal requirements and to act pursuant to legal authorizations.

The above-mentioned primary uses are a necessary part of your relationship with the REALTOR® to whom you are giving this consent.

Will my personal information be collected, used and disclosed for any other purposes?

Your personal information may also be collected, used and disclosed for the secondary uses set out below. These secondary uses are optional. If you do not want your personal information used or disclosed for any of these secondary uses, you may opt out of granting consent to any of them by initialing the "Opt Out" box(es) to the right of the secondary use(s) to which you do not want to consent.

2.1 General Description of the Development

(a) **Location of the Development**

The development known as "Chloe" (the "**Development**") is located in Vancouver, B.C. and has the civic address of 2096 West 47th Avenue, Vancouver, British Columbia.

(b) **Street Address of the Development**

As of the date of this Disclosure Statement, the Strata Lots located within the Building (as defined in subsection 2.1(c)) are municipally described as separate units located at 2096 West 47th Avenue, Vancouver, British Columbia. The Developer anticipates that the addresses of the Strata Lots within the Development will be assigned by the City of Vancouver (the "**City**"). The municipal address(es) of the Strata Lots and/or the Development may be changed by the City during the course of completion of the Development.

(c) **The Development**

The Original Developer has filed in the New Westminster Land Title Office (the "**Land Title Office**") an airspace subdivision plan under registration number EPP133834 (the "**Airspace Plan**"), attached as **Exhibit "A"** (the "**Airspace Plan**"), which Airspace Plan created the following parcels:

(i) airspace parcel (the "**Airspace Parcel**"); and

(ii) the remainder (the "**Remainder**").

Subsequent to the filing of the Airspace Plan, the Developer filed in the Land Title Office Strata Plan EPS9999 (the "**Strata Plan**") that subdivided the Airspace Parcel to create the Strata Lots and the Common Property (both terms defined in subsection 2.1(c)) comprising the Development. The Strata Plan is attached as Exhibit "B".

As shown on the Airspace Plan, the Development forms a part of a larger, mixed-use residential and commercial complex (the "**Complex**"). The Development consists of one four (4) storey concrete building (the "**Building**") that is connected to the Remainder and

a two (2) level below grade parking facility (the "**Parking Facility**"), which Parking Facility is partially located within the Airspace Parcel and partially within the Remainder. For further details regarding the general composition of the Complex and the Parking Facility, please see subsection 2.1(d) and Section 3.6.

The Development is wholly located within the Airspace Parcel and consists of, generally: portions of the Parking Facility; portions of the ground floor of the Building; substantially all the floors within the Building located above the ground floor, and those other areas within the Airspace Parcel as shown on the Airspace Plan. For further details regarding the above, please see subsection 2.1(d).

The Development is a residential development consisting of 46 strata lots, some of which are not being marketed under this Disclosure Statement. Each of the strata lots that are being marketed under this Disclosure Statement can be described as follows:

Each Strata Lot is registered in the name of the Nominee. The Strata Lots are located within the Building as shown on the Strata Plan.

The lobby within the ground floor of the Building (the "**Lobby**") and the Parking Facility provide access to two passenger elevators (collectively, the "**Elevators**") as shown on the Airspace Plan and Strata Plan that provide access to all of the Strata Lots. In addition, the Elevators and the Lobby are available for the exclusive use of the owners, tenants, occupants and invitees of the Strata Lots. The Development consists of the following types of Strata Lots:

Type of Strata Lot	Number of Strata Lots
1 Bedroom	10
2 Bedroom	27
3 Bedroom	9

The Developer reserves the right, in its sole discretion, to not market and offer for sale one or more of the above types of Strata Lots and/or to market and offer for sale more or fewer of the above types of Strata Lots and/or one or more additional types of Strata Lots.

Subject to the encumbrances referred to in Section 4.3 and Section 4.4 and any restrictions outlined in this Disclosure Statement and the Bylaws (defined in Section 3.5), each of the owners of the Strata Lots is entitled to a proportionate share of the common property (the "**Common Property**") of the Development, other common facilities, and other assets of the Strata Corporation (defined in Section 3.2 below), which the owners of the Strata Lots own as tenants-in-common.

The layout of the Development and the approximate dimensions and location of the Strata Lots are set out in the Strata Plan.

(d) **Commercial Development and Shared Parking**

The commercial development (the "**Commercial Development**") is constructed within the Remainder and includes: (a) commercial and retail units that are located within the Remainder, and in part, within the Building; and (b) maintenance, parking and storage for the owners, tenants, guests and invitees of the units within the Commercial Development area located within the Remainder, Parking Facility and the Building.

Despite being located adjacent to the Development but partially within the Building and Parking Facility, the Commercial Development is not included on the Strata Plan and is effectively a neighbour to the Development. Accordingly, the Commercial Development is not part of the Strata Corporation (defined in Section 3.2) of the Development.

The Development and the Commercial Development each rely upon the other for structural support and share various areas, including portions of the Parking Facility, equipment, mechanical and electrical systems, telecommunications, loading and landscaped areas, facilities and certain other things located within the Complex. The relationship between the Development and the Commercial Development is not governed by the *Strata Property Act* (British Columbia) (the "***Strata Property Act***"), but by an airspace agreement registered against titles to the Strata Lots and Common Property in the Land Title Office under registration number CB1428814 (the "**Airspace Agreement**"), which Airspace Agreement, contains provisions, covenants, easements and/or equitable charges regarding support, access and use of shared areas, management, maintenance, cost-sharing and/or insurance requirements. For further details regarding the shared use of the Parking Facility, see subsection 3.6(d) and Section 4.4.

Notwithstanding any intention to the contrary expressed in this subsection 2.1(d), the Developer reserves the right in its sole discretion to implement any other method or arrangement that will govern the relationship between the Development and the Commercial Development including how the Parking Facility will be accessed and/or shared which method or arrangement may be based on easements, covenants, equitable charges and other registered agreements and/or unregistered agreements including leases, and licenses. For further details, see Sections 3.3, 3.6, 4.4 and 7.4.

3. STRATA INFORMATION

3.1 Unit Entitlement

The unit entitlement of a strata lot is a figure indicating the strata lot owner's share in the common property and assets of the strata corporation, and is used to determine each strata lot owner's contribution to the expenses of the strata corporation. The unit entitlement (collectively, the "**Unit Entitlements**" and individually, a "**Unit Entitlement**") for the Strata Lots is calculated according to the habitable area of each Strata Lot in square metres, rounded to the nearest whole number. The habitable area is defined in the Regulations to the *Strata Property Act* as "the area of a residential strata lot which can be lived in, but does not include patios, balconies, garages, parking stalls or storage areas other than closet space". The Schedule of Unit Entitlement is attached as Exhibit "D" to this Disclosure Statement.

3.2 Voting

The Owners, Strata Plan EPS9999 (the "**Strata Corporation**") is the strata corporation that was formed in respect of the Strata Lots. Each Strata Lot has one (1) vote in the Strata Corporation.

Access to the Amenities will be limited to residents, tenants, and guests of the Strata Lots.

3.4 Limited Common Property

(a) **Limited Common Property**

Limited common property ("**Limited Common Property**") means areas within the Common Property that are used exclusively by one or more Strata Lot owners. Any additional repair or maintenance expense created thereby will be paid by such owner(s) on the basis of such owners' Unit Entitlement except as provided for in the bylaws of the Strata Corporation. The Developer has designated the Limited Common Property. These areas are shown on the Strata Plan attached as Exhibit "B", but generally includes

balconies and decks. Such designations may only be removed by unanimous vote resolution of the members of the Strata Corporation.

The Strata Corporation is responsible for maintaining the Common Property, including limited common property. However, pursuant to the *Strata Property Act*, the Strata Corporation may, by bylaw, make owners responsible for the repair and maintenance of limited common property which they use. Pursuant to the Bylaws (defined in Section 3.5 below), an owner of a Strata Lot is responsible for maintaining and repairing Limited Common Property which such owner uses, except the following, which the Strata Corporation shall repair and maintain:

(i) all limited common property other than that identified below in paragraphs (A) through (F) and in Bylaw 3 of the Bylaws (defined in Section 3.5 and attached hereto as Exhibit "E"), but the duty to repair and maintain it is restricted to repair and maintenance that, in the ordinary course of events, occurs less often than once a year, and

The Bylaws of the Strata Corporation contain, among other provisions, provisions that:

(a) impose limitations on the use of Strata Lots generally (Bylaws 4 and 41);

3.6 Parking and Storage Areas

(a) **Parking**

As noted in subsection 2.1(c), the Parking Facility is located partially within the Airspace Parcel and partially within the Remainder as shown on the Airspace Plan. The Parking Facility includes related driveway aisles, exits, stairwells and refuge spaces for ingress and egress from the Parking Facility.

(i) Parking Facility

The Development was allocated approximately 74 parking stalls and one (1) motorcycle stall (individually, a "**Parking Stall**" and collectively, the "**Parking Stalls**"), which Parking Stalls are located within the portion of the Parking Facility located within the Airspace Parcel. A security gate is included within the Parking Facility that restricts access to the Parking Stalls to residents and guests of residents of the Strata Lots.

(ii) Electric Vehicle Stalls

71 of the Parking Stalls are available for use by electric vehicles and each is equipped with a 208 - 240 volt energized outlet capable of providing level 2 charging or higher according to the SAE International's J1772 standard (the "**EV Stalls**"). The use of the EV Stalls is subject to the bylaws of the Strata Corporation in place from time to time, as provided in more detail in Section 3.5 hereof, and any lease, option to lease or partial assignment of lease in respect of the Parking Stalls. The allocation and manner of allocation of the EV Stalls is determined by the Developer in its sole discretion. Any electricity that is consumed as a result of the use of an EV Stall is metered to the Strata Corporation (the "**Electricity Costs**"). As a result, the Electricity Costs are equally invoiced to those respective owners using the EV Stalls and an amount an owner pays with respect to the consumption of electricity may not correspond to the amount of electricity

consumed by such owner. In addition, the Strata Corporation may also charge a user fee for the use of an EV Stall. The Developer reserves the right, in its sole discretion, to vary how the Electricity Costs are invoiced to Strata Lots.

(iii) Disabled Stalls

Two (2) of the Parking Stalls are marked and for the use of persons with disabilities (the "**Disabled Stalls**"). The allocation of the Disabled Stalls is determined by the Developer in its sole discretion. The Parking, Bicycle Storage Locker/Storage Locker Lease (as defined below) provides that the Disabled Stalls will be allocated on a first-come, first-served basis, for use by the owners of the Strata Lots who are eligible to receive (or whose spouse, dependent child or tenant residing in the applicable Strata Lot is eligible to receive) a disabled person's parking permit from the applicable government authority for use of parking stalls designed for use by persons with a disability.

The Disabled Stalls may be partially assigned to, and used by, Strata Lot owners who do not qualify for the use of disabled parking stalls. However, the Parking, Bicycle Storage Locker/Storage Locker Lease (as defined below) requires that if a Strata Lot owner, or his or her spouse, dependent child or tenant qualifies for the use of a disabled parking stall, then a Strata Lot owner who does not qualify for the use of a disabled parking stall but who has been assigned a Disabled Stall will exchange that Disabled Stall for the Parking Stall assigned to the Strata Lot owner who qualifies for the use of a disabled parking stall pursuant to the terms in the Parking, Bicycle Storage Locker/Storage Locker Lease.

(iv) Parking Garages

There are 3 parking garages within the Parking Facility that include two (2) Parking Stalls and a Storage Locker (as defined below) (individually, a "**Parking Garage**" and collectively, the "**Parking Garages**"). The Developer, in its sole discretion, may offer a Parking Garage to Strata Lot owners at the time of entering into a Purchase Agreement which will convert two (2) Parking Stalls and a Storage Locker into a Parking Garage at an additional cost to be determined by the Developer, in its sole discretion.

(b) **Bicycle Storage Lockers, Bike Racks and Storage Lockers**

The Development includes 13 bicycle lockers (individual, a "**Bicycle Storage Locker**" and collectively, the "**Bicycle Storage Lockers**") and 34 storage lockers (individually a "**Storage Locker**" and collectively, the "Storage Lockers", and collectively with the Bicycle Storage Lockers, the "**Lockers**") that are located in the Parking Facility. The Lockers are designated as Common Property, subject to terms of the Parking, Bicycle Storage Locker/Storage Locker Lease (defined below). The Development also contains approximately 60 bicycle storage spaces (collectively, the "**Bike Racks**") that are located in four separate bicycle rooms in the Parking Facility. The Bike Racks are designated as Common Property (as shown on the Strata Plan attached as Exhibit "B") and will be allocated and maintained by the Strata Corporation, in its sole discretion.

The Lockers are designated as Common Property subject to the terms of an option to lease or lease in favour of an entity related to the Developer. Notwithstanding the foregoing, the Developer reserves the right, in its sole discretion, to allocate the exclusive use of any of the Lockers and/or Bike Racks, or one or more portions thereof, to one or more purchasers of Strata Lots by any method the Developer may determine without consultation of any purchasers of the Strata Lots and in its sole discretion. Any Locker allocated will be determined by the Developer in its sole discretion.

(c) **Parking, Bicycle Storage Locker/Storage Locker Lease**

Pursuant to an option to lease (the "**Parking, Bicycle Storage Locker/Storage Locker Lease**") registered in the Land Title Office under registration number CB1428809, a copy of which is attached to this Disclosure Statement as Exhibit "F", the Parking Stalls and Lockers may be leased by the Developer to 1284673 B.C. Ltd., an entity that is related to the Developer (the "**Tenant**"). The Developer may cause the Tenant to assign the right to the sole use of any of the available Parking Stalls to the owners of the Strata Lots on terms established by the Developer. The Parking/Bicycle Storage Locker/Storage Locker Lease requires the re-allocation of the Disabled Stalls if needed by someone requiring a disabled stall. The Parking Stalls and Lockers will be allocated by the Developer, in its sole discretion, without consultation of any purchasers of the Strata Lots and in its sole discretion.

While the Developer currently intends to designate the Parking Stalls by partial assignments of rights under the Parking/Bicycle Storage Locker Lease, the Developer may, in its sole discretion, allocate any Parking Stalls for the exclusive use of one or more individual Strata Lot owners, on such terms as the Developer may determine using one or more of the following methods:

(i) partial assignment of rights under a lease; or

(ii) such other method as the Developer may determine.

The use of Parking Stalls will always be subject to the bylaws of the Strata Corporation in place from time to time, as provided in more detail in Section 3.5 hereof, and any lease, option to lease or partial assignment of lease in respect of the Parking Stalls.

The Parking Stalls may be small car stalls, have limited overhead capacity, and / or may be marked for the use of persons with disabilities. Further, Parking Stalls and Lockers may vary in size, shape or may partially be obstructed by columns, pipes, ducts, electrical or mechanical equipment, or other equipment necessary to the operation of the Development. Certain Strata Lots may not be allocated the option of acquiring a Parking Stall designated to such Strata Lot.

(d) **Shared Use of Parking Facility**

As noted in subsection 2.1(d), the Development and the Commercial Development will share portions of the Parking Facility as follows:

(i) the occupants and guests of the Development will have the non-exclusive use of certain driveway aisles, exits, stairwells, ramps and refuge spaces located within the portion of the Parking Facility within the Remainder for various purposes including accessing certain mechanical systems located within such portion of the Parking Facility and ingress and egress to the portion of the Parking Facility within the Airspace Parcel; and

(ii) the occupants and guests of the Commercial Development will have the non-exclusive use of certain driveway aisles, exits, stairwells, ramps and refuge spaces located within the portion of the Parking Facility within the Airspace Parcel for various purposes including accessing certain mechanical systems located within such portion of the Parking Facility

(the above-referenced shared areas being collectively referred to as the "**Shared Areas**").

The use of the Shared Areas by the occupants and guests of the Development and Commercial Development, respectively, are secured by way of easement(s) registered against the Remainder and Airspace Parcel, as applicable, in favour of the other parcel (the "**Parking Easement**") which Parking Easement is contained within the Airspace Agreement. The Developer reserves the right, in its sole discretion, to secure the use of the Shared Areas by any other means available to the Developer and to allocate the exclusive use or shared use, of any other areas within the Airspace Parcel to the Commercial Development.

3.7 Furnishings, Equipment and Appliances

The following equipment/furnishings may be included in the purchase of each Strata Lot:

(a) dishwasher

(b) cooktop range

(c) washer and dryer

(d) fridge and freezer

(e) overhead hood fan

(f) wall oven

(g) microwave

(h) blinds

The Developer reserves the right in its sole discretion to not include any of the above items or replace certain items with other equipment/furnishings. The Developer will determine, in its sole discretion, whether the Strata Lots will include window blinds, rollers or shades.

Any manufacturer's warranty for appliances and equipment whether located in the Strata Lots or on the Common Property will be passed on to the purchaser or the Strata Corporation if and to the extent permitted by such warranty.

3.8 Budget

The operating budget (the "**Budget**") of the Strata Corporation for the period beginning on the first day of the month following the month in which the first conveyance of a Strata Lot to a purchaser occurs is attached hereto as Exhibit "G". The monthly allocation of the Budget amongst the Strata Lots is set out in the schedule attached as Exhibit "H" and is calculated in proportion to the Unit Entitlement figure (see Exhibit "D") for each Strata Lot relative to the aggregate Unit Entitlement of all Strata Lots. The monthly contributions will be further adjusted upon the establishment by the Strata Corporation of the actual budget of operating expenses at the first annual general meeting of the Strata Corporation.

The *Strata Property Act* requires that depreciation reports be obtained by the Strata Corporation from time to time, in accordance with and subject to the provisions of the *Strata Property Act* and Regulations. It is anticipated that the costs associated with obtaining the required depreciation reports will be added to future budgets of the Strata Corporation, and that these added costs will result in increases to the budget from time to time.

The Development is serviced by a thermal energy system that provides for domestic hot water heating and space heating of the Strata Lots and the Common Property the associated costs of which will be paid by the Strata Corporation and are currently included within the Budget attached hereto as Exhibit "G". Therefore, the amount an owner of a Strata Lot pays with respect to the consumption of domestic hot water heating and space heating may not correspond to the amount of domestic hot water heating and space heating consumed by such owner.

Effective November 1, 2023, the minimum lump sum amount that developers are required to contribute to a contingency reserve fund has increased from 5% to 10% of the estimated operating expenses set out in the budget. In addition, strata corporations will be required to contribute a minimum of 10% of the estimated operating expenses set out in the budget to the contingency reserve fund. Accordingly, the Budget attached as Exhibit "G" hereto includes that the contribution to the contingency reserve fund required to be made by the Strata Lot owners is 10% of the total estimated operating expenses of the Strata Corporation.

As further described in Section 3.6, any electricity that is consumed as a result of the use of an EV Stall is metered to the Strata Corporation. As a result, the Electricity Costs (as defined in Section 3.6) are equally invoiced to those respective owners using the EV Stalls and an amount an owner pays with respect to the consumption of electricity may not correspond to the amount of electricity consumed by such owner.

3.9 Utilities and Services

(a) **General**

As the Development is located within the City, all usual municipal and utility services are provided to the Development, including water, electricity, sewerage, fire protection, telephone and access. Natural gas is provided to the Development and will be paid for by the Strata Corporation as set out in the Budget attached as Exhibit "G" and their cost will be prorated to the owners of the Strata Lots and included in the monthly assessments.

The Development is serviced by a thermal energy system that provides for domestic hot water heating and space heating for the Strata Lots and the Common Property.

(b) **Strata Lot Taxes**

Each Strata Lot owner will be responsible for real property taxes for his or her Strata Lot. Real property taxes are levied by and payable to the City.

(c) **Strata Lot Expenses**

Electricity, cable, telephone and internet are separately metered or assessed to each Strata Lot and they are not included in the Budget set out in Exhibit "G". Purchasers must make the appropriate application to set up accounts for these services for each Strata Lot.

(d) **Common Area Expenses**

Common area utilities and other expenses related to the Common Property are paid by the Strata Corporation as set out in the Budget attached as Exhibit "G" and their cost will be prorated to the owners of the Strata Lots and included in the monthly assessments.

The Development is serviced by a thermal energy system that provides for domestic hot water heating and space heating/cooling of the Strata Lots and Common Property.

(c) The Purchaser acknowledges and agrees that time is of the essence under the Purchase Agreement and, unless all payments on account of the Purchase Price (as defined in the

Purchase Agreement), including any Deposits, and all other amounts payable thereunder are paid by the purchaser when due, then the Developer may, at its option:

(i) terminate the Purchase Agreement by written notice to the purchaser and, in such event, the portion of the Deposit that has been paid and all interest accrued thereon will be absolutely forfeited to the Developer as liquidated damages, the parties agreeing that the total amount of the Deposit (including all portions thereof, whether paid or unpaid) together with interest thereon constitutes a genuine pre-estimate of the minimum damages the Developer will suffer as a result of the Purchaser's failure to pay, when due, any payment on account of the Purchase Price, together with adjustments thereto as provided herein, or any other amounts payable hereunder, without prejudice to the Developer s other remedies including, without limitation, the right of the Developer to pursue the purchaser for any unpaid balance of the Deposit and to seek additional damages and the Developer's solicitors are hereby irrevocably authorized and directed by the purchaser to pay the amount held by them and such interest as may have accrued thereon to the Developer upon delivery by the Developer to the Developer's solicitors of a written certification confirming the purchaser's breach, in accordance with section 18(4) of the *Real Estate Development Marketing Act*, as further described below; or

(ii) elect to extend the date for payment or the Completion Date, as applicable, to a certain date determined by the Developer, time to remain of the essence hereof and subject to the Developer's right in its sole discretion, to grant further extensions to a certain date each time, in which event the purchaser will pay to the Developer, in addition to the Purchase Price, interest on the unpaid portion of the Purchase Price and other unpaid amounts payable thereunder at the rate of 2% per month (approximately 27% per annum), calculated daily and compounded monthly not in advance, from the date upon which such portion and amounts were due to the date upon which such portion and amounts are paid.

(d) If the Developer defaults in its obligations under the Purchase Agreement, the Deposit (including interest thereon) will be paid to the purchaser as liquidated damages (the parties agreeing that such amount constitutes a genuine pre-estimate of damages) and as the purchaser's sole and exclusive remedy.

(e) The purchaser will pay the Deposit to the Developer's solicitors, in trust, to be held as trustee in accordance with the *Real Estate Development Marketing Act*. The Deposit, or any portion thereof, when received, will be deposited by the Developer's solicitors in an interest-bearing trust account with the interest to accrue to the benefit of the Developer, except as otherwise expressly provided in the Purchase Agreement.

(f) Without the Developer's prior consent, any assignment of the Purchase Agreement is prohibited. An assignment under the *Real Estate Development Marketing Act* is a transfer of some or all of the rights, obligations and benefits under a purchase agreement made in respect of a strata lot in a development property, whether the transfer is made by the purchaser under the purchase agreement to another person or is a subsequent transfer.

Each proposed party to an assignment agreement must provide the developer with the information and records required under the *Real Estate Development Marketing Act*.

(g) The purchaser may not assign the purchaser's interest in the Strata Lot or in the Purchase Agreement without the written consent of the Developer, which consent may be arbitrarily withheld in the Developer's sole discretion. Unless the Developer has consented to an assignment, the Developer will not be required to convey the Strata Lot to anyone other than the purchaser named therein. The Developer may, at its option, charge an administration fee equal to three percent (3%) of the aggregate of: (i) the Purchase Price, and (ii) the amount of any consideration received by the purchaser from the assignee in respect of the assignment, plus applicable taxes, as consideration for agreeing to an assignment of the purchaser's interest in the Strata Lot or in the Purchase Agreement and for any associated legal and administrative costs. In the event that the purchaser wishes to assign the purchaser's rights under the Purchase Agreement to his/her/their spouse, child, sibling or parent, or to a corporation which is wholly owned or controlled by the purchaser, the Developer will charge a flat administration fee of $1,000.00 plus applicable taxes, on the condition that the purchaser first provides the Developer's solicitors with such information or documents, including, without limitation, a statutory declaration sworn by the purchaser, setting out the particulars of and confirming the required relationship between the purchaser and the assignee in sufficient detail as to be reasonably satisfactory to the Developer's solicitors. In addition to the foregoing, the Developer may impose such other conditions upon the Developer's consent to an assignment request by the purchaser as it may determine in its sole discretion, including, without limitation, that the purchaser has paid all instalments of the Deposit as required under the Purchase Agreement and is otherwise not in default under the Purchase Agreement. Following any assignment, the assignor will not be relieved of his/her/its/their obligations but will continue to remain liable to perform all obligations of the purchaser under the Purchase Agreement. The Purchaser will not advertise or solicit offers from the public or use the Multiple Listing Service® (MLS) with respect to the resale of the Strata Lot by the purchaser before the Completion Date without the express written consent of the Developer, which consent may be arbitrarily withheld. Before the Developer consents to an assignment of the purchaser's interest in the Strata Lot or in the Purchase Agreement, the Developer will be required to collect information and records under the *Real Estate Development Marketing Act* from each proposed party to an assignment agreement, including personal information, respecting the following: (A) the party's identity; (B) the party's contact and business information; and (C) the terms of the assignment agreement. Information and records collected by the Partnership must be reported by the Partnership to the administrator designated under the *Property Transfer Tax Act* (British Columbia) (the "**PTTA**"). The information and records may only be used or disclosed for tax purposes and other purposes authorized by section 20.5 of the *Real Estate Development Marketing Act*, which includes disclosure to the Canada Revenue Agency. The purchaser and the proposed assignee will give to the Partnership all such information and records and any additional information and records requested by the Developer pursuant to the *Real Estate Development Marketing Act* or regulations thereto from time to time, and hereby consent to the Partnership making any filings or disclosing the aforesaid information and records as required or permitted by the *Real Estate Development Marketing Act* or regulations thereto, as may be amended from time to time. In addition, the purchaser and the proposed assignee will give to the Developer

all such information and records and any additional information and records requested by the Partnership pursuant to the *Prohibition* on the *Purchase of Residential Property by Non-Canadians Act* (Canada), as may be amended from time to time (the "**PPNCA**"), or the regulations thereto, including the Prohibition on the Purchase of Residential Property by Non-Canadians Regulations, SOR 2022-250, as may be amended from time to time (the "**PPNCR**"). The purchaser and any proposed assignee will jointly and severally indemnify and save harmless the Released Parties (as defined in the Purchase Agreement) from any loss, damage, liability, cost and expense (including, without limitation, fines and penalties) suffered by the Released Parties, directly or indirectly as a result of any misrepresentation or false or misleading statement in any information and records provided to the Developer pursuant to the Purchase Agreement. No assignment will be valid until the Developer has received the applicable administrative fee, and the assignor and the assignee have executed and delivered to the Developer an assumption agreement in favour of the Developer in the form required by the Developer and the Developer has received any additional documents it may require from the assignor, the assignee and/or any other party in connection with its consent to the assignment, including, without limitation, any certificate or other documents necessary or required by the Developer pursuant to the PPNCA. Notwithstanding the foregoing, and regardless of whether or not the Developer consents in writing to an assignment of the Purchase Agreement, the Purchaser will not, under any circumstances, assign the Purchase Agreement in a manner that: (1) qualifies as an "avoidance transaction" as such term is defined under section 2.04 of the PTTA; or (2) contravenes the provisions of the PPNCA or the PPNCR. The purchaser will indemnify the Released Parties against any damages, losses, duties, levies, fees, penalties, costs and expenses that any of the Released Parties may suffer or incur under the PTTA or any regulation thereunder, or under the PPNCA or the PPNCR, in connection with an assignment of the Purchase Agreement or otherwise in connection with the transaction contemplated therein.

(h) The Developer will be entitled, in its sole and absolute discretion, to sell, assign or otherwise transfer its right, title and interest in the Purchase Agreement without the consent of the purchaser.

7.3 Developer's Commitments

The Developer intends to assign the following agreements to the Strata Corporation:

(a) lease agreements with respect to certain fitness equipment located within the Amenities; and

(b) lease agreement with respect to the security system which includes the enterphone system, access control, and CCTV system.

THE OWNERS, STRATA PLAN EPS9999, CHLOE

Definitions

Unless otherwise stated, all terms have the meanings prescribed in the *Strata Property Act*, S.B.C. 1998, c. 43 (the "**Act**"). For the purposes of these bylaws:

(a) "**alteration**" includes, but is not limited to, the replacement of an existing item, whether or not the replacement is identical to the item being replaced;

(b) "**common property**" includes, but is not limited to, limited common property, unless specifically stated to be otherwise in these bylaws;

(c) "**residents**" means collectively, owners, tenants and occupants and "**a resident**" means collectively, an owner, a tenant and an occupant;

(d) "**strata council**" means council as required under the Act;

(e) "**strata council majority vote**" means a vote in favour of a strata council resolution by more than ½ of the votes cast by strata council members who are present in person at the time the vote is taken and who have not abstained from voting;

(f) "**strata insurance**" means the insurance coverage obtained and maintained by the strata corporation pursuant to the Act and these bylaws.

The Schedule of Standard Bylaws to the Act does not apply to the strata corporation.

Duties of Owners, Tenants, Occupants and Visitors

1. Compliance with bylaws and rules

1.1 All residents and visitors must comply strictly with the bylaws and rules of the strata corporation adopted from time to time.

2. Payment of strata fees and special levies

2.1 An owner must pay strata fees on or before the first day of the month to which the strata fees relate.

2.2 Where an owner fails to pay strata fees in accordance with bylaw 2.1, outstanding strata fees will be subject to:

(a) an interest charge of 10% per annum, compounded annually; and

(b) a fine of up to $50.

2.3 An owner must provide the strata corporation or its agent with written authorization for monthly automatic debit from the owner's bank account for strata fees or, only if such monthly automatic debit is not available to an owner, twelve (12) consecutive, monthly post-dated cheques for strata fees for the fiscal year of the strata corporation, dated as of the first day of each month.

2.4 Failure by an owner to submit written authorization for automatic debit for strata fees or twelve (12) monthly, post-dated strata fee cheques in accordance with bylaw 2.3 is a contravention of bylaw 2.3 and is subject to a fine of up to $200 for each contravention.

2.5 Each dishonoured automatic debit or dishonoured cheque will be subject to a fine of up to $50 and an administration charge of $50.

2.6 A special levy is due and payable on the date or dates noted in the resolution authorizing the special levy.

2.7 Where an owner fails to pay a special levy in accordance with bylaw 2.6, the outstanding special levy contributions will be subject to:

(a) an interest charge of 10% per annum, compounded annually; and

(b) a fine of up to $50.

3. Repair and maintenance of property by owner

3.1 An owner must repair and maintain the owner's strata lot, except for repair and maintenance that is the responsibility of the strata corporation under these bylaws. In addition to and without limiting this bylaw 3.1, an owner must:

(a) repair and maintain anything located within the owner's strata lot, except for common property or anything that is otherwise the responsibility of the strata corporation to repair and maintain under these bylaws; and

(b) not allow a strata lot to become unsanitary or untidy.

3.2 An owner who has the use of limited common property must repair and maintain it, except for repair and maintenance that is the responsibility of the strata corporation under these bylaws.

3.3 Despite bylaw 11.1(c) and without limiting bylaw 3.2, an owner who has the use of a balcony, terrace or roof terrace that is designated as limited common property for the exclusive use of their strata lot is responsible for all regular maintenance of such balcony, terrace or roof terrace (including the cleaning of the surface of the balcony, terrace or roof terrace and associated railings, as well as the removal of debris from any associated drains).

4. Use of property

4.1 A resident or visitor must not use a strata lot, the common property or common assets in a way that:

(a) causes a nuisance or hazard to another person,

(b) causes unreasonable noise,

(c) unreasonably interferes with the rights of other persons to use and enjoy the common property, common assets or another strata lot,

(d) is illegal or otherwise contrary to any applicable laws (including the provisions, rules, regulations or ordinances of any statute, whether federal or provincial, or any municipal by-laws), or

(e) is contrary to a purpose for which the strata lot or common property is intended as shown expressly or by necessary implication on or by the strata plan.

4.2 A resident or visitor must not cause damage, other than reasonable wear and tear, to the common property, common assets or those parts of a strata lot which the strata corporation must repair and maintain under these bylaws or insure under section 149 of the Act.

4.3 A resident or visitor must not do, or omit to do, whether deliberately, accidentally or inadvertently, anything which may adversely affect the strata insurance, including, not exhaustively, anything which may:

(a) increase the rate of any premium applicable to or any deductible under the strata insurance;

(b) result in the cancellation or voiding of any policy of strata insurance; or

(c) result in the loss of any insurance coverage that the strata corporation would ordinarily obtain.

4.4 A resident must not use, or permit to be used, the strata lot except as a single family dwelling.

4.5 A strata lot must not be used for short-term accommodation purposes, including, but not limited to, a bed-and-breakfast, lodging house, hotel, motel, home exchange, time share, temporary housing, corporate housing, vacation rental or extended vacation rental, whether arranged through websites such as Air BnB, VRBO, Premiere Executive Suites, Corporate Stays or through companies that advertise this type of accommodation. For the purposes of this bylaw 4.5, short-term accommodation refers to stays of less than 30 consecutive days. Without limiting the generality of the foregoing, a resident must not enter into a license for the use of all or part of a strata lot for accommodation purposes for a period of less than 30 consecutive days. Any breach of this bylaw 4.5 is subject to a fine of up to $1,000 per day.

4.6 A resident or visitor must not use or occupy, or permit to be used or occupied, a strata lot, the common property, limited common property or common assets for the purpose of growing, producing, harvesting, marketing, selling or distribution of cannabis.

5. Pets and animals

5.1 A resident or visitor must not keep any pets or other animals on a strata lot or common property or on land that is a common asset except in accordance with these bylaws.

5.2 The keeping of pets in a strata lot is restricted to the following:

(a) a reasonable number of fish;

(b) up to 2 caged birds;

(c) one cat and one dog or two cats or two dogs,

(collectively, "**Permitted Pets**" and any one pet a "**Permitted Pet**").

5.3 A resident must not harbour exotic pets, including not exhaustively, snakes, reptiles, spiders or large members of the cat family.

5.4 A resident or visitor must not bring, harbour or keep a vicious dog anywhere on or within Strata Plan EPS9999 or a common asset. For the purposes of this bylaw 5.4, a "**vicious dog**" includes a dog which meets one or more of the following conditions:

(a) any dog with a known propensity, tendency, or disposition to attack without provocation other domestic animals or humans;

(b) any dog which has bitten another domestic animal or human without provocation;

(c) a Pit Bull Terrier, American Pit Bull Terrier, Pit bull, Staffordshire Bull Terrier, American Staffordshire Terrier or any dog of mixed breeding which includes any of the aforementioned breeds.

In the event of a dispute as to whether a dog is a "**vicious dog**" within the meaning of this bylaw 5.4, the strata council may choose a veterinarian and request a letter of certification from that veterinarian, or in the alternate, select a suitable dog expert, at the dog owner's expense, to meet with the owner and the dog to assess the dog's behaviour and potential for causing harm to other dogs or to people.

5.5 A resident must register each cat and each dog with the strata council within 30 days of the cat or dog, as applicable, residing on a strata lot (or the passage of this bylaw 5) and by providing, in writing, the name (if any) of the cat or dog (as applicable), breed, colour and markings, together with the name, strata lot number and telephone number of the pet owner.

5.6 A pet owner must:

(a) not permit a loose or unleashed Permitted Pet (leashes cannot exceed six feet in length) at any time on the common property or on land that is a common asset. A Permitted Pet found loose on common property or land that is a common asset will be delivered to the municipal pound at the cost of the strata lot owner;

(b) keep a Permitted Pet only in a strata lot, except for ingress and egress; and

(c) ensure that a Permitted Pet is kept quiet, controlled and clean. Any excrement on common property or on land that is a common asset must be immediately disposed of by the pet owner.

5.7 A resident must not keep a Permitted Pet which is a nuisance on a strata lot, on common property or on land that is a common asset. If a resident has a pet which is not a Permitted Pet or if, in the opinion of strata council, the Permitted Pet is a nuisance or has caused or is causing an unreasonable interference with the use and enjoyment by residents or visitors of a strata lot, common property or common assets, the strata council may order such pet to be removed permanently from the strata lot, the common property or common asset or all of them.

5.8 If a resident contravenes bylaw 5.7, the owner of the strata lot will be subject to a fine of up to $200.

5.9 Despite bylaw 5.8, a resident whose pet contravenes bylaw 5.7 will be subject to an immediate injunction application and the owner of the strata lot will be responsible for all expenses incurred by the strata corporation to obtain the injunction, including legal costs.

5.10 A strata lot owner must assume all liability for all actions by a Permitted Pet, regardless of whether the owner had knowledge, notice or forewarning of the likelihood of such action.

5.11 A resident or visitor must not feed birds, rodents or other wild animals from any strata lot, limited common property, common property or land that is a common asset. No bird feeders of any kind are permitted to be kept on balconies, terraces, roof terraces, strata lots, common property or land that is a common asset.

5.12 A resident who contravenes any of bylaws 5.1 to 5.7 (inclusive) or 5.10 to 5.11 (inclusive) will be subject to a fine of up to $200.

6. Inform strata corporation

6.1 An owner must notify the strata corporation of:

(a) the owner's name and any occupants' names, strata lot number and mailing address outside the strata plan, if any, within two weeks of becoming an owner;

(b) a tenant's name and the names of the persons occupying the strata lot with the tenant within 2 weeks of the tenancy commencing; and

(c) any changes in the names of any persons residing in the strata lot within 2 weeks of any such changes occurring.

6.2 On request by the strata corporation, a resident or visitor must inform the strata corporation of the resident's or visitor's name and the strata lot which the resident occupies or the visitor is visiting.

7. Permit entry to strata lot

7.1 A resident or visitor must allow any person(s) authorized by the strata corporation to enter the strata lot or limited common property:

(a) in an emergency, without notice, to ensure safety or prevent significant loss or damage;

(b) at a reasonable time, on 48 hours' written notice,

(i) to inspect, repair, renew, replace or maintain common property, common assets and any portions of a strata lot that are the responsibility of the strata corporation to repair, replace, renew and maintain under these bylaws or the Act or to insure under section 149 of the Act; or

(ii) to ensure a resident's or visitor's compliance with the Act, bylaws and rules.

7.2 The notice referred to in bylaw 7.1(b) must include the date and approximate time of entry, and the reason for entry.

7.3 If access to a strata lot is not provided in accordance with bylaw 7.1, the owner will be responsible for:

(a) all costs of forced entry incurred by the strata corporation if the strata corporation, having made reasonable efforts is unable to contact the owner of the strata lot, requires access to the strata lot due to an emergency;

(b) all costs incurred by the strata corporation in respect of contractors who must re-attend at the building to access the strata lot.

Alterations to a Strata Lot, Common Property or Limited Common Property

8. Approval for alterations to a strata lot, limited common property or common property

8.1 An owner must obtain the written approval of the strata corporation before making or authorizing:

(a) an alteration to a strata lot that involves any of the following:

(i) the structure of a building;

(ii) the exterior of a building;

(iii) terraces, roof terraces, chimneys, stairs, balconies or other things attached to the exterior of a building;

(iv) doors, windows or skylights on the exterior of a building, or that front on the common property;

(v) fences, railings or similar structures that enclose a terrace, roof terrace, balcony or yard;

(vi) common property located within the boundaries of a strata lot;

(vii) those parts of the strata lot which the strata corporation must insure under section 149 of the Act;

(viii) flooring;

(ix) wiring, plumbing, piping, heating, air conditioning and other services; and

(x) installation or removal of a wall or walls, whether structural or not; and

(b) any alteration to common property, including limited common property, or to common assets.

8.2 The strata corporation may require as part of an application for approval of any alteration under bylaw 8.1 that an owner must:

(a) submit, in writing, detailed plans and description of the intended alteration;

(b) obtain all applicable permits, licences and approvals from the appropriate governmental authorities and provide copies to the strata council; and

(c) determine whether the *Workers Compensation Act*, *Occupational Health and Safety Regulation* and/or related regulations apply to or have any impact on the intended alteration (for example, whether asbestos or lead paint must be addressed as part of the intended alteration and under what conditions).

8.3 The strata corporation may require, as a condition of its approval under bylaw 8.1, that the owner agree, in writing, to certain terms and conditions, including, not exhaustively, the following:

(a) that alterations be done in accordance with the design or plans approved by the strata council or its duly authorized representatives;

(b) that the standard of work and materials be not less than that of the existing structures;

(c) that all work and materials necessary for the alteration be at the sole expense of the owner;

(d) that the owner from time to time of the strata lot receiving the benefit of an alteration to a strata lot, common property, limited common property or common assets must, for so long as he or she remains an owner, be responsible for all present and future maintenance, repairs and replacements, increases in insurance, and any damage suffered or cost incurred by the strata corporation as a result, directly or indirectly, of the alterations to a strata lot, common property, limited common property or common assets;

(e) that the owner and any subsequent owner on title who receives the benefit of such alteration, must, with respect only to claims or demands arising during the time that they are an owner, indemnify and hold harmless the strata corporation, its strata council members, employees and agents from any and all claims and demands whatsoever arising out of or in any manner attributable to the alteration. Any costs or expenses incurred by the strata corporation as the result of such claim or demand will be the responsibility of the owner from time to time of the strata lot who has benefited from the alteration and the said costs or expenses incurred must be charged to that owner and will become due and payable on or before the first day of the month next following the date upon which the cost or expenses are incurred, but not necessarily paid by the strata corporation;

(f) that alterations be done by a qualified tradesperson(s) who is/are licensed, insured and in good standing with WorkSafe BC.

8.4 An owner who has altered a strata lot, common property, limited common property or common assets will indemnify and hold harmless the strata corporation, its strata council members, employees and agents from any and all claims and demands whatsoever arising out of or in any manner attributable to a breach of the *Workers Compensation Act*, *Occupational Health and Safety Regulation* and/or related regulations that apply or applied to or had or have any impact on the alteration. Any costs or expenses incurred by the strata corporation as the result of such claim or demand will be the responsibility of the owner who has altered a strata lot, common property, limited common property or common assets and the said costs or expenses incurred must be charged to that owner and will become due and payable on or before the first day of the month next following the date upon which the cost or expenses are incurred, but not necessarily paid by the strata corporation.

8.5 If, subsequent to the passage of bylaws 8.1 to 8.4 inclusive, an owner alters a strata lot, common property, limited common property, or common assets without adhering strictly to these bylaws, the strata corporation may require the owner to restore, at the owner's sole expense, the strata lot, common property, limited common property or common assets, as the case may be, to its condition prior to the alteration. If the owner refuses or neglects to restore the strata lot, common property, limited common property, or common assets back to its original condition following a demand by the strata corporation pursuant to this bylaw 8.5, the strata corporation may, in its discretion, conduct all or part of the restoration, at the expense of the owner who altered the strata lot, common property, limited common property, or common assets. If the strata corporation undertakes any restoration work pursuant to this bylaw 8.5, the cost of such restoration will become due and payable on or before the first day of the month next following the date on which the cost was incurred.

8.6 The strata corporation will not be responsible for repairing, restoring or replacing any alterations undertaken by an owner to a strata lot, common property, limited common property or common assets. In the event that the existence of the alteration to a strata lot, common property, limited common property, or common assets undertaken by an owner results in additional costs to the strata corporation in undertaking the repair and maintenance of common property, limited common property, common assets or a strata lot in accordance with these bylaws, the then current owner of the strata lot receiving the benefit of the alteration must indemnify the strata corporation for all such additional costs.

9. Hard-Surface Flooring

9.1 For the purposes of these bylaws, **"hard surface flooring**" includes porcelain, ceramic, marble, slate, quarry, limestone, travertine, glass, granite, stone, bamboo, cork, hardwood, laminate, resilient flooring, linoleum, vinyl or other similar materials.

9.2 An owner must, in accordance with bylaw 8, apply in writing to the strata council for written approval to install hard surface flooring in a strata lot, prior to the commencement of the installation.

9.3 The strata council may, in its discretion as a condition of its approval of the installation of any hard surface flooring, require the owner to use the highest rated sound dampening materials suited to the type of hard surface flooring to be installed. Despite the foregoing, the strata council will not grant permission to install hard surface flooring in a strata lot unless a minimum value of 71 for each of the Sound Transmission Class (STC) and the Impact Insulation Class (IIC) can be achieved with respect to the installation of the hard-surface flooring. As a condition of its approval and in addition to any requirements imposed by the strata council pursuant to bylaw 8, the strata council, may require that the owner, at the owner's sole cost and expense, obtain a written report prepared by a professional engineer or other professional, satisfactory to the strata council, confirming that the minimum value of 71 for the STC and IIC ratings will be achieved by the owner's proposed hard surface flooring installation.

9.4 An owner must install the hard surface flooring in accordance with the specifications mandated by the strata council from time to time, copies of which will be provided to the owner, at the time of an owner's written request under bylaw 9.2.

10. Conduct of Alterations

10.1 An owner must:

(a) give the strata council two working days' prior notice of the scheduled arrival of tradespersons or delivery of materials. Tradespersons must be licensed, insured and in good standing with WorkSafe BC;

(b) not permit any construction debris, materials or packaging to be deposited in the strata corporation's disposal containers;

(c) ensure that the delivery of any construction materials is through the parking lot and, if in an elevator, the owner must ensure the elevator is protected with proper wall pads and floor coverings. An owner must not permit any alteration materials to be delivered through the main lobby;

(d) ensure drop cloths are installed and removed daily between the elevators and the strata lot as well as between other doors to protect common areas from any spillage or dripping;

(e) ensure stairs, lobbies and paths through the parking areas are regularly cleaned (and vacuumed at the request of the strata council) and the residential corridor thoroughly vacuumed daily;

(f) ensure that the hours of work are restricted to 8:00 a.m. to 5:00 p.m., Monday through Friday, and 10:00 a.m. to 5:00 p.m., Saturdays, Sundays and statutory holidays. To perform alterations on statutory holidays, an owner must apply for permission in writing to the strata council at least five business days before the holiday date; and

(g) be in attendance for all significant alterations, with the determination of significant to be in the discretion of the strata council.

10.2 An owner performing or contracting with others to perform alterations will be responsible, financially and otherwise, for ensuring that any and all required permits and licences are obtained.

10.3 An owner in contravention of bylaws 10.1 to 10.2 (inclusive) will be subject to a fine of up to $200 for each contravention, as well as be responsible for any clean up or repair costs.

10.4 Where a tenant, occupant or visitor is undertaking an alteration with an owner's permission, such owner having obtained any required approvals of the strata corporation in accordance with bylaws 8 and 9, such tenant, occupant or visitor must comply with bylaws 10.1 to 10.3 (inclusive).

12.1 The strata council must have at least 3 and not more than 7 members.

13. Strata council eligibility

13.1 No person may stand for the strata council or continue to be on the strata council with respect to a strata lot if the strata corporation is entitled to register a lien against that strata lot under section 116(1) of the Act.

14. Strata council members' terms

14.1 The term of office of a strata council member ends at the end of the annual general meeting at which the new strata council is elected.

14.2 A person whose term as strata council member is ending is eligible for reelection.

15. Removing strata council member

15.1 Unless all the owners are on the strata council, the strata corporation may, by a resolution passed by a majority vote at an annual or special general meeting, remove one or more strata council members. The strata corporation must pass a separate resolution for each strata council member to be removed.

15.2 After removing a strata council member, the strata corporation may hold an election at the same annual or special general meeting to replace the strata council member for the remainder of the term or, if the strata corporation does not hold such an election to replace the strata council member so removed, the remaining members of the strata council may appoint a replacement strata council member for the remainder of the term.

15.3 If the strata corporation removes all of the strata council members, the strata corporation must hold an election at the same annual or special general meeting to replace the strata council members for the remainder of the term up to, at least, the minimum number of strata council members required by bylaw of the strata corporation for the remainder of the term.

16. Replacing strata council member

16.1 If a strata council member resigns or is unwilling or unable to act, the remaining members of the strata council may appoint a replacement strata council member for the remainder of the term.

16.2 The strata council may appoint a strata council member under bylaw 16.1 even if the absence of the strata council member being replaced leaves the strata council without a quorum.

16.3 If all the members of the strata council resign or are unwilling or unable to act, persons holding at least 20% of the strata corporation's votes may hold a special general meeting to elect a new strata council by complying with the provisions of the Act, the regulations and the bylaws respecting the calling and holding of meetings.

17. Officers

17.1 At the first meeting of the strata council held after each annual general meeting of the strata corporation, the strata council must elect:

(a) from among its members, a president, a vice president, a secretary and a treasurer; and

(b) a privacy officer.

17.2 A person may hold more than one office at a time, other than the offices of president and vice president.

17.3 The vice president has the powers and duties of the president

(a) while the president is absent or is unwilling or unable to act,

(b) if the president is removed, or

(c) for the remainder of the president's term if the president ceases to hold office.

17.4 The strata council may vote to remove an officer.

17.5 If an officer other than the president is removed, resigns, is unwilling or unable to act, the strata council members may elect a replacement officer from among themselves for the remainder of the term.

18. Calling strata council meetings

18.1 Any strata council member may call a strata council meeting by giving the other strata council members at least one week's notice of the meeting, specifying the reason for calling the meeting.

18.2 The notice in bylaw 18.1 does not have to be in writing.

18.3 A strata council meeting may be held on less than one week's notice if

(a) all strata council members consent in advance of the meeting, or

(b) the meeting is required to deal with an emergency situation, and all strata council members either

(i) consent in advance of the meeting, or

(ii) are unavailable to provide consent after reasonable attempts to contact them.

19. Quorum of strata council

19.1 A quorum of the strata council is

(a) 2, if the strata council consists of 3 or 4 members,

(b) 3, if the strata council consists of 5 or 6 members, and

(c) 4, if the strata council consists of 7 members.

19.2 Strata council members must be present in person at the strata council meeting to be counted in establishing quorum.

20. Strata council meetings

20.1 The strata council may meet together for the conduct of business, adjourn and otherwise regulate its meetings as it thinks fit.

20.2 The strata council may provide for attendance at a strata council meeting by telephone or any other electronic method if the method permits all persons participating in the meeting to communicate with each other during the meeting. For certainty, the strata council may call an exclusively electronic strata council meeting, hold a strata council meeting exclusively by telephone or any other electronic method, and is not required to provide for in-person attendance at an electronic meeting of the strata council, provided the electronic method permits all persons participating in the meeting to communicate with each other during the meeting. For clarity, the strata council may only make a decision by electronic mail where the following criteria are met:

(a) a decision of the strata council is required before the next scheduled strata council meeting;

(b) except where section 32 of the Act applies, all strata council members must be included in all electronic mail exchanged between strata council members regarding the decision;

(c) except in the event of an emergency to prevent or minimize physical loss or damage or injury, or where responses are received in a shorter period, strata council members must have no less than 48 hours to respond to the request for a decision;

(d) any decision must be approved by a majority vote of the total number of strata council members;

(e) any decisions made by electronic mail must be ratified by the strata council at the next strata council meeting and reflected in the minutes of that meeting; and

(f) the strata corporation must keep a record of the electronic mail exchanged amongst the strata council members and the managing agent regarding the decision for the 2 year period following the making of the decision. Subject to redaction of such electronic mail in accordance with the *Personal Information Protection Act* or where solicitor-client privilege of the strata corporation applies, such electronic mail shall be considered a record of the strata corporation for the purposes of sections 35 and 36 of the Act.

20.3 At the option of the strata council, a member of the strata council or other participant may attend a strata council meeting by electronic means, so long as all strata council members and other participants can communicate with each other.

20.4 Any person attending a strata council meeting by electronic means is deemed to be present in person for the purposes of the meeting.

21. Voting at strata council meetings

21.1 At strata council meetings, all strata council decisions must be made by a strata council majority vote.

21.2 If there is a tie vote at a strata council meeting, the president may break the tie by casting a second, deciding vote.

21.3 Decisions made at a strata council meeting must be recorded in the strata council meeting minutes.

22. Strata council to inform owners of minutes

22.1 The strata council must circulate to or post for owners the minutes of all strata council meetings within 2 weeks of the meeting, whether or not the minutes have been approved.

23. Delegation of strata council's powers and duties

23.1 Subject to bylaws 23.2, 23.3 and 23.4, the strata council may delegate some or all of its powers and duties to one or more strata council members or persons who are not members of the strata council, and may revoke the delegation.

23.2 The strata council may delegate its spending powers or duties, but only by a resolution that

(a) delegates the authority to make an expenditure of a specific amount for a specific purpose, or

(b) delegates the general authority to make expenditures in accordance with bylaw 23.3.

23.3 A delegation of a general authority to make expenditures must:

(a) set a maximum amount that may be spent, and

(b) indicate the purposes for which, or the conditions under which, the money may be spent.

23.4 The strata council may not delegate its powers to determine, based on the facts of a particular case:

(a) whether a person has contravened a bylaw or rule,

(b) whether a person should be fined, and the amount of the fine, or

(c) whether a person should be denied access to a recreational facility.

24. Restrictions on Strata Council Members

24.1 A person may not spend the strata corporation's money unless the person has been delegated the power to do so in accordance with these bylaws.

24.2 Despite section 98(2) of the Act, the strata corporation may make expenditures out of the operating fund that were not put forward for approval in the operating budget or at an annual or special general meeting, if the expenditure, together with all other unapproved expenditures, whether of the same type or not, is less than 5% of the total contribution to the operating fund for current year.

24.3 Despite 24.1, a strata council member may spend the strata corporation's money to repair or replace common property or common assets if the repair or replacement is immediately required to ensure safety or prevent significant loss or damage.

25. Limitation on liability of strata council member

25.1 A strata council member who acts honestly and in good faith is not personally liable because of anything done or omitted in the exercise or intended exercise of any power or the performance or intended performance of any duty of the strata council.

25.2 Bylaw 25.1 does not affect a strata council member's liability, as an owner, for a judgment against the strata corporation.

25.3 All acts done in good faith by strata council members are, even if it is afterwards discovered that there was some defect in the appointment or continuance in office of a member of the strata council, as valid as if the strata council member had been duly appointed or had duly continued in office.

25.4 In addition to bylaw 25.1, the strata corporation will reasonably indemnify and save harmless a strata council member, whether or not they continue to act in such capacity or hold the position of a strata council member, from and against any liability arising, and all costs, charges and expenses actually and reasonably sustained or incurred, from the exercise of their powers and performance of their duties as a strata council member and for expenses for errors and omissions made in the exercise of their powers and performance of their duties as a strata council member, but only to the extent that such liability and such costs, charges and expenses are not covered by operation of any

strata insurance policy, provided that the strata corporation is given an accounting of all such costs, charges and expenses actually and reasonably sustained or incurred by a strata council member and prompt written notice of any action, suit or proceeding against a strata council member, and an opportunity to participate and to defend the same to the extent the strata corporation is permitted to do so by law. Excluded from this indemnity will be any claim, issue or matter where:

(a) it is adjudged that a strata council member did not exercise the powers and perform the duties of the strata corporation acting honestly and in good faith with a view to the best interests of the strata corporation and exercise the care, diligence and skill of a reasonably prudent person in comparable circumstances; or

(b) it is adjudged, in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, that a strata council member had no reasonable ground for believing that the strata council member's conduct was lawful.

In this bylaw 25.4, "**adjudged**" means adjudged by a court, tribunal or by way of arbitration.

Enforcement of Bylaws and Rules

26. Fines

26.1 Except where specifically stated to be otherwise in these bylaws, the strata corporation may fine an owner or tenant up to:

(a) $200 for each contravention of a bylaw, and

(b) $50 for each contravention of a rule.

26.2 Any fine levied will be due and payable on or before the first day of the month next following the date on which the strata council provides notice of such fine.

27. Continuing contravention

27.1 Except where specifically stated to be otherwise in these bylaws, if an activity or lack of activity that constitutes a contravention of a bylaw or rule continues, without interruption, for longer than 7 days, a fine may be imposed every 7 days.

28. Bylaw and rule enforcement costs

28.1 Any costs, including, not exhaustively, legal costs on a full indemnity basis, incurred by the strata corporation in enforcing the bylaws or rules of the strata corporation will be the responsibility of and will be recoverable from the person who may be fined for the contravention of a bylaw or rule under section 130 of the Act.

Annual and Special General Meetings

29. Quorum of meeting

29.1 If within 15 minutes from the time appointed for an annual or special general meeting, a quorum is not present, the eligible voters, present in person or by proxy, constitute a quorum.

This bylaw 29.1 is an alternative to section 48(3) of the Act. This bylaw does not apply to a meeting demanded pursuant to section 43 of the Act and failure to obtain a quorum for a meeting demanded pursuant to section 43 terminates, and does not adjourn, that meeting.

30. Person to chair meeting

30.1 Annual and special general meetings must be chaired by the president of the strata council.

30.2 If the president of the strata council is unwilling or unable to act, the meeting must be chaired by the vice president of the strata council.

30.3 If neither the president nor the vice president of the strata council chairs the meeting, a chair must be elected by the eligible voters present in person or by proxy from among those persons who are present at the meeting.

31. Participation by other than eligible voters

31.1 Tenants and occupants may attend annual and special general meetings, whether or not they are eligible to vote.

31.2 Persons who are not eligible to vote must not participate in the discussion at a meeting.

31.3 Tenants and occupants who are not eligible to vote must leave the meeting if requested to do so by a resolution passed by a majority vote at the meeting.

32. Voting

32.1 Except on matters requiring a unanimous vote or an 80% vote, the vote for a strata lot may not be exercised if the strata corporation is entitled to register a lien against that strata lot under section 116(1) of the Act.

32.2 At an annual or special general meeting, voting cards must be issued to eligible voters.

32.3 At an annual or special general meeting a vote is decided on a show of voting cards, unless an eligible voter requests a precise count.

32.4 If a precise count is requested, the chair must decide whether it will be by show of voting cards or by roll call, secret ballot or some other method.

32.5 The outcome of each vote, including the number of votes for and against the resolution if a precise count is requested, must be announced by the chair and recorded in the minutes of the meeting.

32.6 If there is a tie vote at an annual or special general meeting, the president, or, if the president is absent or unable or unwilling to vote, the vice president, may break the tie by casting a second, deciding vote.

32.7 Despite anything in this bylaw 32, an election of strata council or removal of a strata council member must be held by secret ballot, if the secret ballot is requested by an eligible voter and approved by a majority vote resolution.

33. Electronic general meetings

33.1 The strata corporation may provide for attendance at an annual or special general meeting by telephone or any other electronic method if the method permits all persons participating in the meeting to communicate with each other during the meeting. For certainty, the strata corporation may call an exclusively electronic annual or special general meeting, hold an annual or special general meeting exclusively by telephone or any other electronic method, and is not required to provide for in-person attendance at an electronic annual or special general meeting, provided the electronic method permits all persons participating in the meeting to communicate with each other during the meeting.

33.2 A person who is eligible to vote may attend an annual or special general meeting by electronic means so long as the person and the other participants can communicate with each other.

33.3 Any person attending an annual or special general meeting by electronic means is deemed to be present in person for the purposes of the meeting.

33.4 Despite bylaw 32, in the event that a general meeting is held pursuant to bylaw 33.1 or an eligible voter attends an annual or special general meeting by electronic means, the strata corporation has no obligation to make provision for a secret ballot or issue a voting card for, as applicable, that meeting or the particular voter.

34. Order of business

34.1 The order of business at annual and special general meetings is as follows:

(a) certify proxies and corporate representatives and issue voting cards;

(b) determine that there is a quorum;

(c) elect a person to chair the meeting, if necessary;

(d) present to the meeting proof of notice of meeting or waiver of notice;

(e) approve the agenda;

(f) approve minutes from the last annual or special general meeting;

(g) deal with unfinished business;

(h) receive reports of strata council activities and decisions since the previous annual general meeting, including reports of committees, if the meeting is an annual general meeting;

(i) ratify any new rules made by the strata corporation under section 125 of the Act;

(j) report on insurance coverage in accordance with section 154 of the Act, if the meeting is an annual general meeting;

(m) elect a strata council, if the meeting is an annual general meeting;

(n) terminate the meeting.

34.2 Despite bylaw 34.1, the order of business at an annual or special general meeting may be amended by a majority vote resolution passed at the same meeting.

35. Minutes of meeting

35.1 The strata council must circulate to or post for owners the minutes of all annual and special general meetings within 2 weeks of the meeting, whether or not the minutes have been approved.

Small Claims Court Proceedings

36. Authorization to proceed

36.1 The strata corporation may proceed under the *Small Claims Act*, without further authorization by the owners, to recover money owing from an owner or other person.

Marketing Activities by Owners

37. Sale or rental of a strata lot

37.1 Real estate signs must not be displayed in a strata lot or on the common property except in the location designated by the strata corporation for real estate signs.

37.2 The owner or the owner's real estate agent must accompany any person viewing a strata lot for sale or rental purposes at all times while the person is on the common property.

Insurance and Responsibility

38. Insuring against major perils

38.1 The strata corporation must insure against major perils, as set out in regulation 9.1(2), including, without limitation, earthquakes.

39. Resident insurance

39.1 A resident is responsible for obtaining insurance coverage to cover risks that are not covered by the strata insurance. Without limiting the foregoing, an owner is responsible for obtaining insurance coverage to pay any deductibles payable under the strata insurance for which the owner is responsible.

40. Responsibility of Owners

40.1 If an owner is responsible for any loss or damage to a strata lot, common property, limited common property, or common assets, that owner must indemnify and save harmless the strata corporation from the expense of any maintenance, repair or replacement rendered necessary to the strata lot, common property, limited common property or common assets but only to the extent that such expense is not reimbursed from the proceeds received by operation of any strata insurance policy.

40.2 For clarity and without limiting the meaning of the word "**responsible**", an owner is deemed to be responsible, under bylaw 40.1, for any of the following:

(a) the owner is responsible for any loss or damage to the common property, limited common property, common assets or to any strata lot, and/ or personal injury or death, as the word "**responsible**" has been interpreted in the courts or a tribunal in connection with section 158(2) of the Act;

(b) any loss or damage to the common property, limited common property, common assets or to any strata lot, and/ or personal injury or death, where the cause of such loss or damage is the result of an act, omission, negligence or carelessness of the owner, and/or owner's tenants, occupants, and visitors (including family members, employees, agents, contractors, guests or invitees); and

(c) any loss or damage caused to the common property, limited common property, common assets or to any strata lot, and/or personal injury or death, where the cause of such loss or damage originated within the owner's strata lot or limited common property designated for the exclusive use of such owner's strata lot, including, but not limited to, anything arising from any of the following:

(i) dishwasher;

(ii) refrigerator with ice/water dispensing capabilities;

(iii) garburator;

(iv) washing machine;

(v) toilets, sinks, bathtubs;

(vi) dedicated plumbing related pipes and fixtures, that solely service a strata lot;

(vii) fireplaces;

(viii) exhaust fans and humidifiers/dehumidifiers;

(ix) anything introduced into the strata lot by a resident or visitor;

(x) any alterations or additions to the strata lot, the limited common property or the common property made by the owner or by prior owner(s) of the strata lot;

(xi) any pets residing in or visiting at the owner's strata lot;

(xii) any person residing in or visiting at the owner's strata lot; and

(xiii) barbecues or smokers.

40.3 For the purposes of these bylaws, an expense not covered by the strata insurance proceeds received by the strata corporation includes:

(a) the costs of investigating the cause of any loss or damage, where the owner is responsible;

(b) the costs of repairing the cause of any loss or damage, where the owner is responsible;

(c) legal costs, on a full indemnity basis, incurred in relation to defending any claim against the strata corporation, and/or prosecuting any claim made against the owner;

(d) any insurance deductible paid or payable by the strata corporation; and

(e) the costs to repair the loss or damage, where no strata insurance policy operates or where the strata council decides not to make a claim on any strata insurance policy because no strata insurance policy would operate or because making a claim is not in the best interests of the strata corporation, as determined by the strata council acting reasonably. Where an insurance claim is not made because it would not be in the best interests of the strata corporation, the owner's liability under this bylaw 40.3(e) is limited to an amount equal to the insurance deductible that would have been paid or payable by the strata corporation had an insurance claim been made and accepted by the insurer.

An expense not covered by the strata insurance proceeds received by the strata corporation will be charged to the owner. For certainty, nothing in this bylaw 40 requires the strata corporation to make a claim on any strata insurance policy in order to charge an amount to the owner in accordance with bylaws 40.1, 40.2, and/or 40.3.

41. Resident Responsibility for Children and Visitors

41.1 A resident is responsible for the conduct of their visitors, including ensuring that noise is kept at a level that, in the sole determination of a majority of the strata council, is not a breach of bylaw 4.1.

41.2 A resident is responsible for the conduct of children residing in or visiting their strata lot, including ensuring that noise is kept at a level that, in the sole determination of a majority of the strata council, is not a breach of bylaw 4.1.

41.3 A resident is responsible to assume liability for and properly supervise activities of children residing in or visiting their strata lot, including, but not exhaustively, bicycling, skateboarding and hockey.

Parking and Storage

42.5 A resident must park only in the parking stall assigned to the resident's strata lot.

42.6 A resident or visitor must not permit a vehicle to be parked or left unattended in a manner that interferes with parking stalls, access lanes or no parking zones.

42.7 Any vehicle parked in violation of bylaw 42.6 will be subject to removal by a towing company authorized by strata council, and all costs associated with such removal will be charged to the vehicle owner.

42.8 A resident or visitor must not use any parking area as a work area for carpentry, alterations, repairs (including, but not exhaustively, sawing, drilling and the use of any adhesive or hardening compounds) or work on vehicles involving any automotive fluids or paints, motor tune ups or mechanical repairs.

42.9 A resident or visitor operating a vehicle in the parking areas must activate the vehicle's headlights and not exceed 10 km/hour.

42.10 A resident must wash a vehicle in the location designated for vehicle washing only. Once washing is completed, the resident must hose down and remove all dirt, refuse

and excess water from the washing area. While washing, a resident must keep audio volume low.

42.11 A resident must not park or store any vehicle that drips oil or gasoline. A resident must remove any dripped oil, gasoline or other automotive residue.

43. Storage lockers and bicycle storage

43.1 A resident must store bicycles and tricycles only in the bicycle rack and storage lockers.

43.2 A resident may store items in storage lockers, but must not store any hazardous or flammable substances in storage lockers.

44. Parking, bicycle storage locker, and storage locker lease

44.1 Each owner of a strata lot may be entitled to the exclusive use of zero, one or more than one of the parking stalls, zero, one or more than one of the storage lockers, and zero, one or more than one of the bicycle storage lockers located within the common property pursuant to a partial assignment of the parking, bicycle storage locker, and storage locker lease (the "**Parking/Bicycle Storage Locker/Storage Locker Lease**") originally entered into between 1076255 B.C. Ltd. and Lightstone Development Ltd. (collectively, the "**Developer**"), together as landlord, and 1284673 B.C. Ltd. (the "**Tenant**"), as tenant. Pursuant to the Parking/Bicycle Storage Locker/Storage Locker Lease, upon the registration of the strata plan for the development, the strata corporation may assume all of the covenants and obligations of the Developer under the Parking/Bicycle Storage Locker/Storage Locker Lease with respect to the Stalls, the Bicycle Stalls, and the Storage Lockers (as defined in the Parking/Bicycle Storage Locker/Storage Locker Lease), and 1284673 B.C. Ltd. may assign its interest, as tenant, to the Developer.

45. Electric vehicles

45.1 Certain of the parking stalls (the "**EV Stalls**") may be equipped with a 208 – 240 volt energized outlet capable of providing level 2 charging or higher according to the SAE International's J1772 standard.

45.2 A resident or visitor who charges an electric vehicle by using an energized outlet, electrical outlet or electric vehicle charging station or infrastructure in the underground parking or any common property must pay a fee as stated in the rules of the strata corporation, if any such fee is stated, as a condition of use of the energized outlet, electrical outlet or electric vehicle charging station or infrastructure.

46. Disabled parking stalls

46.1 Certain of the parking stalls (the "**Disabled Stalls**") may be marked and for the use of persons with disabilities. If a holder of an interest (the "**Disabled Stall Owner**") in a Disabled Stall, or his or her spouse, dependent child or tenant who resides in the Disabled Stall Owner's strata lot in the strata corporation, is not disabled, then the strata corporation may require that the Disabled Stall Owner exchange his or her interest in the Disabled Stall with a holder of an interest (the "**Disabled Owner**") in a stall that is not a Disabled Stall (the "**Standard Stall**"), if there is any such Disabled Stall and to be selected by the strata corporation in its sole discretion if there is more than one such

Disabled Stall Owner who is not disabled, for consideration of ONE DOLLAR ($1.00), if that Disabled Owner or his or her spouse, dependent child or tenant is disabled and resides in the Disabled Owner's strata lot in the strata corporation. If immediately prior to such exchange, the Disabled Owner has an interest in more than one Standard Stall, then the Disabled Stall Owner who is not disabled will be entitled to select which of the Disabled Owner's Standard Stalls the Disabled Stall Owner wishes to receive in exchange for its interest in the Disabled Stall. Such an exchange will be accomplished by the Disabled Stall Owner partially assigning their interest in the Parking/Bicycle Storage Locker/Storage Locker Lease to the Disabled Owner in respect of the Disabled Stall, and the Disabled Owner partially assigning their interest in the Parking/Bicycle Storage Locker/Storage Locker Lease to the Disabled Stall Owner in respect of the Standard Stall. The Disabled Stall Owner and the Disabled Owner will each execute a partial assignment of the Parking/Bicycle Storage Locker/Storage Locker Lease in favour of the other substantially in the form attached to the Parking/Bicycle Storage Locker/Storage Locker Lease as Schedule B, and the strata corporation is, by way of the Parking/Bicycle Storage Locker/Storage Locker Lease, granted a power of attorney to execute such partial assignment on behalf of the Disabled Stall Owner to effect such transfer.

47.4 A resident must ensure that all common areas are left damage free, clean and all hallways and lobby areas vacuumed immediately upon completion of the move.

47.5 An owner must pay a non-refundable fee of $200 on each move in or move out of the owner's strata lot 48 hours prior to any move.

47.6 An owner must pay a refundable damage deposit of $200 on each move in or move out of the owner's strata lot 48 hours prior to any move and any expenses incurred by the strata corporation attributable to the resident and all fines levied will be deducted from the deposit.

THIS AGREEMENT made as of the 8th day of July, 2024

BETWEEN:

1076255 B.C. LTD. and
LIGHTSTONE DEVELOPMENT LTD., of #1530 - 1200 West 73rd Avenue, Vancouver, British Columbia V6P 6G5

(collectively, the "**Owner**")

AND:

1284673 B.C. LTD., of 800 – 885 West Georgia Street, Vancouver, British Columbia

(the "**Tenant**")

WITNESSES THAT WHEREAS:

A. The Owner is the owner of certain lands and premises located in Vancouver, British Columbia, and legally described as:

Parcel Identifier: 031-145-884
Lot 1 Block 2 District Lot 526 Group 1 New Westminster District Plan EPP91453

(the "**Lands**");

B. The Owner has agreed to lease to the Tenant those portions (the "**Leased Premises**") of the underground parking facility (the "**Parking Facility**") to be located on the Lands as shown outlined in heavy black line on the explanatory plan attached hereto as Schedule A, which is registered in the Land Title Office under registration number EPP137766 (the "**Parking/Locker Plan**"), all on the terms and conditions set out in this Lease and with the right of the Tenant to grant partial assignments of this Lease pertaining to particular parking stalls (collectively, the "**Stalls**" and each a "**Stall**"), bicycle lockers (collectively, the "**Bicycle Storage Lockers**" and each a "**Bicycle Storage Locker**"), the storage lockers (collectively, the "**Storage Lockers**" and each a "**Storage Locker**", and collectively with the Bicycle Storage Lockers, the "**Lockers**")). After entering into this Lease, the Owner proposes to subdivide the Lands by means of a strata plan (the "**Strata Plan**") pursuant to the *Strata Property Act* (British Columbia) to create a strata development (the "**Strata Development**");

C. A certain number of the Stalls (collectively, the "**Disabled Stalls**" and each a "**Disabled Stall**") are designated on the Parking/Locker Plan as disabled stalls and will be available for use by disabled owners of strata lots within the Development (collectively, the "**Strata Lots**" and each a "**Strata Lot**"), as provided for herein;

D. The Strata Plan will designate the Stalls and the Lockers as common property for the strata corporation (the "**Strata Corporation**") formed upon the deposit for registration of the Strata Plan in the appropriate Land Title Office; and

E. Each of the parties to this Lease agrees that title to the Lands will be encumbered by this Lease and, if applicable, a document securing or evidencing this Lease.

NOW, THEREFORE THIS AGREEMENT WITNESSES that in consideration of the premises and the sum of $10.00 of lawful money of Canada now paid by the Tenant to the Owner, the receipt and sufficiency of which are hereby acknowledged by the Owner, and in consideration of the mutual promises and agreements set forth in this Lease, the parties agree each with the other as follows:

ARTICLE 1
GRANT AND TERM

1.1 Grant

The Owner hereby leases to the Tenant for the Term (as defined in Section 1.2) all of the Stalls and Lockers, as shown outlined in heavy black line on the Parking/Locker Plan. The Stalls and Lockers are collectively referred to in this Lease as the "**Leased Premises**".

1.2 Term

The term (the "**Term**") of this Lease will commence on the 8th day of July, 2024 and terminate on the earliest of:

(a) the 8th day of July, 2123;

(b) the date the Strata Corporation is dissolved; and

(c) the date the Strata Corporation files a notice of destruction in prescribed form with the registrar of the appropriate Land Title Office following the destruction or deemed destruction of the building in which the Stalls and the Lockers are located.

1.3 Rent

The parties acknowledge that the sum of $10.00 now paid by the Tenant to the Owner will be the only payment required to be paid to the Owner for the use and enjoyment of the Leased Premises by the Tenant, and that no further payment to the Owner is required for any partial assignment of rights under this Lease to the Strata Corporation or to an assignee who is, or who is entitled to become, a member of the Strata Corporation.

1.4 Licence

The Owner agrees that the Tenant may at all times, in common with the Owner and all other persons now or hereafter having the express or implied permission of the Owner or having a similar right, enter upon and pass over any part of the Lands designated as drive aisles, roadways, stairs or walkways for the purpose of obtaining access to or egress from the Leased Premises or a particular Stall, Bicycle Storage Locker or Storage Locker or the Bicycle Storage Room, provided that the operation of vehicles be restricted to roadways and access by foot be restricted to pedestrian walkways and stairs. The Owner will at all times provide the Tenant, in its capacity as the tenant of the Leased Premises, with means of access to any security devices as necessary to enable the Tenant and subsequent assignees to use and enjoy the Leased Premises.

ARTICLE 2
SUBDIVISION BY STRATA PLAN

2.1 Strata Plan

This Lease and the covenants and obligations of the Owner under this Lease run with and bind the Lands, and, upon the subdivision of the Lands by means of the Strata Plan, such covenants and obligations will:

(a) continue to run with and bind each subdivided parcel or part thereof which contains the Leased Premises; and

(b) to the extent applicable to any portion of the Leased Premises contained in the Strata Plan, be automatically assumed by the Strata Corporation as the representative of the owners of Strata Lots created by deposit for registration of the Strata Plan in the Land Title Office,

at which time the Owner will be automatically and absolutely released from any obligations or liabilities hereunder. In connection with the foregoing, the Owner may elect to cause the Strata Corporation to enter into an agreement in a form reasonably required by the Owner pursuant to which the Owner will assign to the Strata Corporation all of the Owner's right, title and benefit under this Lease, and the Strata Corporation, as the representative of the owners of the Strata Lots, will assume all of the covenants and obligations of the Owner under this Lease and which will provide that, upon execution thereof, the Owner will be absolutely released from any obligations or liabilities hereunder and will no longer be entitled to the benefit of any rights hereunder.

2.2 Common Property

This will confirm that upon any subdivision by a strata plan, the Leased Premises will be wholly within the common property designated under the Strata Plan. The Tenant will, upon the request of the Owner or the Strata Corporation, at the expense of the Owner (or of the Strata Corporation, as the case may be) execute and deliver a discharge or other instrument recording that this Lease does not burden the title to any individual strata lot.

ARTICLE 3
MAINTENANCE AND ENCUMBRANCES

3.1 Management and Maintenance.

The Owner confirms that until the deposit for registration of the Strata Plan, subject to the terms of this Lease, the Owner will be solely responsible for the control, management and administration of the Leased Premises, but thereafter, pursuant to section 2.1 of this Lease, the Strata Corporation, subject to the terms of this Lease, will assume full responsibility for the control, management and administration of the Leased Premises included in the Strata Plan from time to time, as common property in accordance with the provisions of the *Strata Property Act* (British Columbia) and may pass bylaws or make rules and regulations with respect to the Leased Premises as long as the Tenant is given notice of such bylaws, rules or regulations and such bylaws, rules or regulations:

(a) are of general application to all Stalls and Lockers in the Leased Premises and all users of such Stalls and Lockers;

(b) are fairly and uniformly enforced with respect to all Stalls and Lockers and all users of such Stalls and Lockers;

(c) do not interfere with the Tenant's or any subsequent assignee's right of continuous uninterrupted access to the Stalls and Lockers during the Term, including the right of the Tenant or any subsequent assignee to store a boat trailer or other recreational vehicle within any Stall leased by the Tenant or assigned to the assignee hereunder, provided that such boat trailer or other recreational vehicle fits within such Stall without creating a danger or hazard to other users of the Parking Facility and complies with all applicable bylaws, and provided that the Tenant or assignee, as the case may be, has obtained adequate insurance coverage in respect thereof and provided that the Strata Corporation may remove or cause to be removed from any Stall any vehicle, boat trailer or other recreational vehicle that is deemed by the Strata Corporation to create a danger or a hazard to other users of the Parking Facility or is not adequately insured; and

(d) do not materially interfere with the rights of the Tenant or any subsequent assignee under this Lease.

3.2 Alterations.

The Tenant, its successors and assigns, are not entitled to alter, or to perform any repairs of any sort whatsoever to the Leased Premises or to any Stall, Bicycle Storage Locker or Storage Locker. Any such alterations or repairs are the responsibility of the Owner, prior to the registration of the Strata Plan, and thereafter the sole responsibility of the Strata Corporation. The Owner, prior to the registration of the Strata Plan, and thereafter the Strata Corporation, will be responsible for maintaining and repairing the Stalls and Lockers in the same manner and to the same standard as it maintains and repairs all of the common property within the Development.

3.3 Taxes, and Utilities, Services

The Tenant will not be responsible for payment of property taxes, rates, levies, and assessments or utility charges (which, after the Strata Plan has been filed, will be paid by the owners of the Strata Lots from time to time). The Tenant shall not, by virtue of this Lease, be liable for any expenses or charges, other than as expressly provided herein.

3.4 Subordination

The Tenant agrees to subordinate its interest pursuant to this Lease to any financial encumbrance registered by the Owner against title to the Lands.

ARTICLE 4
ASSIGNMENT

4.1 Partial Assignments

The Tenant may partially assign this Lease and its rights under this Lease pertaining to particular Stalls, Bicycle Storage Lockers and/or Storage Lockers to purchasers of strata lots within the Strata Development or to the Strata Corporation. Any such assignment will be for such consideration as the Tenant may in its sole discretion determine, which consideration may be retained by the Tenant for its own benefit. Any partial assignment by the Tenant, or by any subsequent assignee, of this Lease and its rights under this Lease pertaining to a particular Stall or Locker:

(a) will be absolute, and the assignee and its guests, lessees, successors and permitted assigns will be entitled to the use and enjoyment of the Stall and/or Locker so assigned for the balance of the Term;

(b) will be an assignment of rights to which an assignee will only be entitled for so long as such assignee owns a strata lot within the Strata Development unless the assignment is to the Strata Corporation;

(c) may only be assigned to an owner or purchaser of a strata lot within the Strata Development or to the Strata Corporation; and

(d) will not be effective until written notice of such assignment (together with a copy of such assignment if available) is delivered by the assignee to the Strata Corporation with a copy to the Tenant, subject to Section 4.2 of this Lease.

4.2 Automatic Assignment

If a holder of an interest in a Stall and/or Locker sells all of his or her interest in a strata lot within the Strata Development to which such Stall and/or Locker is at such time appurtenant as shown on the register maintained under Section 4.7 without concurrently executing an assignment of such Stall and/or Locker to another owner or purchaser of a strata lot within the Strata Development, then the interest of such holder in such Stall and/or Locker will be deemed to have been automatically assigned to and assumed by the purchaser of such strata lot without execution of a partial assignment of this Lease with respect to such Stall and/or Locker or delivery of notice of such partial assignment to the Strata Corporation or the Tenant.

4.3 Exchanges and Transfers

(a) A holder of an interest (the "**First Owner**") in a Stall and/or Locker (the "**First Stall/Locker**") may exchange his or her interest in the First Stall/Locker with the holder of an interest (the "**Second Owner**") in a different Stall and/or Locker (the "**Second Stall/Locker**") for such consideration as the First Owner and the Second Owner may agree. Such an exchange will be accomplished by the First Owner partially assigning this Lease to the Second Owner in respect of the First Stall/Locker, and the Second Owner partially assigning this Lease to the First Owner in respect of the Second Stall/Locker. The First Owner and the Second Owner will each execute a partial assignment of lease, substantially in the form attached to this Lease as Schedule B. The exchange will be on the terms set out in subsections 4.1(a) to (c) and will not be effective until written notice of each assignment (together with a copy of each assignment) is delivered to the Strata Corporation, with a copy to the Tenant. For greater certainty, Section 4.2 will not apply to exchanges under this Section 4.3(a).

(b) A holder of an interest (the "**First Owner**") in a Stall and/or Locker may transfer his or her interest in such Stall and/or Locker to an owner of a strata lot within the Strata Development or to the Strata Corporation (the "**Second Owner**") for such consideration as the First Owner may in his or her discretion determine, provided that following the transfer, the First Owner is left with an interest in at least one Stall and/or Locker. Such a transfer will be accomplished by the First Owner partially assigning this Lease to the Second Owner and, in connection therewith, the First Owner will execute a partial assignment, substantially in the form attached to this Lease as Schedule B. The transfer will be on the terms set out in subsections 4.1(a) to (c) and will not be effective until written notice of the assignment (together with a copy of the assignment) is delivered to the Strata Corporation, with a copy to the Tenant. For greater certainty, Section 4.2 will not apply to transfers under this Section 4.3(b).

(c) If a holder of an interest (the "**Disabled Stall Owner**") in a Disabled Stall, or his or her spouse, dependent child or tenant who resides in the Disabled Stall Owner's strata lot in the Strata

Development is not disabled, then the Strata Corporation may require that the Disabled Stall Owner exchange his or her interest in the Disabled Stall with a holder of an interest (the "**Disabled Owner**") in a Stall that is not a Disabled Stall (the "**Standard Stall**"), if any and to be selected by the Strata Corporation in its sole discretion if there is more than one such Disabled Stall Owner who is not disabled, for consideration of ONE DOLLAR ($1.00), if that Disabled Owner or his or her spouse or dependent child is disabled and resides in the Disabled Owner's strata lot in the Strata Development. If immediately prior to such exchange, the Disabled Owner has an interest in more than one Standard Stall, then the Disabled Stall Owner who is not disabled will be entitled to select which of the Disabled Owner's Standard Stall it wishes to receive in exchange for its interest in the Disabled Stall. Such an exchange will be accomplished by the Disabled Stall Owner partially assigning this Lease to the Disabled Owner in respect of the Disabled Stall, and the Disabled Owner partially assigning this Lease to the Disabled Stall Owner in respect of the Standard Stall. The Disabled Stall Owner and the Disabled Owner will each execute a partial assignment of this Lease in favour of the other substantially in the form attached hereto as Schedule B, and the Strata Corporation is hereby granted a power of attorney to execute such partial assignment on behalf of the Disabled Stall Owner to effect such transfer. The exchange will be on the terms set out in subsections 4.1(a) to (c).

4.4 Consents

Nothing in this Lease requires the consent of the Strata Corporation for any partial assignment of this Lease.

4.5 Form of Partial Assignments

Subject to Section 4.2, all partial assignments of this Lease will be substantially in the form attached to this Lease as Schedule B. No such partial assignment will be registrable by an assignee in any Land Title Office.

4.6 Release of Assignors

Upon the partial assignment (including an automatic assignment pursuant to Section 4.2) of this Lease pertaining to a particular Stall, Bicycle Storage Locker and/or Storage Locker, the Tenant and any subsequent assignor of an interest in such Stall and/or Locker will be automatically and absolutely released from any obligations or liabilities under this Lease pertaining to such Stall and/or Locker.

4.7 Register of Partial Assignments

The Owner will maintain a record or register of all Stalls and Lockers and will record on such register each partial assignment of this indicating:

(a) the number of the Stall, Bicycle Locker and/or Storage Locker assigned;

(b) the date of assignment;

(c) the name and address of the assignee; and

(d) the strata lot number within the Strata Development owned by the assignee to which such Stall and/or Locker is at the time appurtenant, unless the assignee is the Strata Corporation in which event the Stall and/or Locker need not be appurtenant to a strata lot.

Upon request by any owner or prospective purchaser of a strata lot within the Strata Development, the Owner will provide a certificate, within 7 days of receipt of such request, certifying the name and address of the owner to whom a particular Stall and/or Locker is assigned and the strata lot number within the Strata Development to which such Stall and/or Locker is at the time appurtenant. The Owner may require a fee of not more than $10.00, or a greater amount reasonably prescribed by the bylaws of the Strata Corporation, from the person requesting such certificate. Upon the Owner becoming aware of a partial assignment pertaining to a particular Stall and/or Locker under Sections 4.1 or 4.2 the Owner will amend the register accordingly.

The Owner may, anything to the contrary herein notwithstanding, at any time elect to cease to maintain or keep the record or register and provide certificates as set out above. In that case, each assignee of a Stall or Locker will recognize that the Strata Corporation may do so and may charge the fee stated above.

ARTICLE 5
MISCELLANEOUS

5.1 Enurement

This Lease will enure to the benefit of and be binding on each of the parties to this Lease and their respective successors and permitted assigns.

IN WITNESS WHEREOF the parties to this Lease have executed this Lease as of the year and date first above written.

(b) The Purchaser will pay the Deposit to McCarthy Tétrault LLP (the "**Vendor's Solicitors**"), in trust, to be held as trustee in accordance with the *Real Estate Development Marketing Act* (British Columbia) ("**REDMA**"). Deposit payments must be made by certified cheque, bank draft or wired funds and may not be made in cash or by credit card. The Deposit, or any portion thereof, when received, will be deposited by the Vendor's Solicitors in an interest-bearing trust account with the interest to accrue to the benefit of the Vendor except as otherwise expressly set out herein. If the Vendor or the Vendor's Solicitor deliver a Vesting Order Notice (as defined in section 6) to the Purchaser or the Purchaser's solicitors/notary (the "**Purchaser's Solicitors**") establishing a Completion Date (as defined in section 6) that is prior to the date for payment of any portion of the Deposit, such portion of the Deposit must be paid on the Completion Date.

(c) If the Purchaser fails to pay any portion of the Deposit when required hereunder or fails to complete the purchase of the Strata Lot in default of the Purchaser's obligations hereunder, then, subject to subsection 11(b), the Vendor may elect to terminate this Contract and, in such event, the portion of the Deposit that has been paid together with interest accrued thereon will be absolutely forfeited to the Vendor as liquidated damages, the parties agreeing that the total amount of the Deposit (including all portions thereof, whether paid or unpaid) together with interest thereon constitutes a genuine pre-estimate of the minimum damages the Vendor will suffer as a result of the Purchaser's failure to pay, when due, any payment on account of the Purchase Price, together with adjustments thereto as provided herein, or any other amounts payable hereunder, without prejudice to any other remedy which the Vendor may have in respect of the Purchaser's default, including, without limitation, the right of the Vendor to pursue the Purchaser for any unpaid balance of the Deposit and to seek additional damages. If the Vendor defaults in its obligations hereunder, the Deposit (including interest thereon) will be paid to the Purchaser as liquidated damages (the parties hereby agreeing that such amount constitutes a genuine pre-estimate of damages) and as the Purchaser's sole and exclusive remedy.

3. Receipt of Disclosure Statement. The Purchaser acknowledges that the Purchaser has received a copy of the disclosure statement for the Development dated April 10, 2025 (the "**Initial Disclosure Statement**") and any additional amendments to the disclosure statement, if any, filed up to the date hereof in respect of the Initial Disclosure Statement (the "**Amendments**" and, together with the Initial Disclosure Statement, the "**Disclosure Statement**"), and that he/she/it/they has/have been given a reasonable opportunity to read the Disclosure Statement before entering into this Contract. The Purchaser further acknowledges that the Purchaser has been referred to section 7.2 of the Disclosure Statement in respect of information concerning this Contract. The Purchaser will promptly provide a receipt, in the Vendor's form, upon receipt of any Amendments from the Vendor.

Purchaser(s)

4. Electronic Delivery of Disclosure Statement and Amendments. The Purchaser consents and agrees that the Vendor may deliver any notice or document, including, without limitation, the Initial Disclosure Statement and any Amendments, to the Purchaser by electronic means, including by e-mail, to the e-mail address set out above, and the Purchaser confirms he/she/it/they is/are capable of retrieving and processing any such notice or document in electronic form.

Purchaser(s)

5. Included Items. The Purchase Price includes the following items: refrigerator, washer, dryer, dishwasher, cooktop, wall oven, hood fan, microwave, heating/cooling unit, and energy recovery ventilator. Fixtures and features as represented in the Disclosure Statement shall also be included, provided that the Vendor may substitute materials and brands of reasonably similar or better quality.

6. Completion Date. The Purchaser will pay the balance of the Purchase Price, as adjusted in accordance with this Contract, by delivery to the Vendor's Solicitors of a SOLICITOR'S CERTIFIED TRUST CHEQUE or BANK DRAFT by NO LATER THAN 2:00 p.m. (Vancouver time) on the completion date (the "**Completion Date**"), which will be the date that is 3 Business Days from the date that the Vendor obtains a certified copy court order approving the transfer of the Strata Lot to the Purchaser, which is not subject to any stay, appeal, or other order restraining this Contract or the transaction contemplated hereby (the "**Vesting Order**"). The Completion Date may be based on the Vendor's estimate as to when the Vesting Order will be obtained, provided that the Vendor or the Vendor's Solicitors will give a minimum of 3 Business Days' notice (the "**Vesting Order Notice**") thereof. If the Strata Lot is not ready to be occupied on the Completion Date so established, then the Vendor may delay the Completion Date from time to time as required by the Vendor, by written notice of such delay to the Purchaser or the Purchaser's Solicitors. If the Completion Date has not occurred by April 10, 2025 (the "**Outside Date**"), this Contract will terminate on the Outside Date, the Deposit (excluding interest thereon) will be returned to the Purchaser and the parties will be released from all of their obligations hereunder. The Purchaser acknowledges and agrees that the Completion Date will be determined in accordance with this section 6.

7. Conveyance.

(a) On the Completion Date the Vendor shall transfer the fee simple interest in the Strata Lot by way of a Vesting Order. The Purchaser agrees to take title subject to and be bound by the Permitted Encumbrances. The Purchaser will cause the Purchaser's Solicitors to prepare and deliver to the Vendor's Solicitors, at least five days prior to the Completion Date, a statement of adjustments for the Strata Lot. The Vendor will execute and deliver, or cause to be executed and delivered, the statement of adjustments and a certified copy of the Vesting Order to the Purchaser's Solicitors on or before the Completion Date, on the condition that, forthwith upon the Purchaser's Solicitors obtaining a post-registration index search from the land title office (the "**LTO**") indicating that, in the ordinary course of LTO procedure, the Purchaser will become the registered owner of the Strata Lot (subject only to the Permitted Encumbrances and charges for which the Purchaser is responsible), the Purchaser will cause payment of the adjusted balance of the Purchase Price due on the Completion Date to be delivered by the Purchaser's Solicitors to the Vendor's Solicitors. The Purchaser acknowledges that certain financial charges may remain as a charge against the common property of the Development until the Vendor has completed the sale of the balance of the strata lots in the Development whereupon such financing will be discharged entirely. The Purchaser will bear all costs of the conveyance and any costs related to arranging a mortgage and the Vendor will bear all costs of clearing title.

(b) If the Purchaser is relying upon a new mortgage to finance a portion of the Purchase Price, the Purchaser, while still required to pay the Purchase Price on the Completion Date, may wait to pay the Purchase Price to the Vendor until after the Vesting Order and new mortgage document(s) have been deposited for registration in the LTO, but only if, before such deposit, the Purchaser has: (i) made available for tender to the Vendor that portion of the Purchase Price not secured by the new mortgage; and (ii) fulfilled all the new mortgagee's conditions for funding except deposit of the mortgage document(s) for registration in the LTO; and (iii) made available to the Vendor's Solicitors a solicitor's or notary's undertaking to pay the Purchase Price upon the deposit of the Vesting Order and new mortgage document(s) for registration in the LTO and the advance by the new mortgagee of the mortgage proceeds.

(c) In this Contract, "**Permitted Encumbrances**" means, collectively, the subsisting conditions, exceptions, reservations (including royalties) and other rights contained or reserved to the Crown in the original grant of the Lands from the Crown and the legal notations, charges and encumbrances, including proposed encumbrances, referred to in the Disclosure Statement and registered or pending registration in the LTO on the Completion Date against title to the Strata Lot and/or the common property of the Development.

8. **Possession, Risk and Adjustment.** The Strata Lot will be at the risk of the Vendor to and including the day preceding the Completion Date, and thereafter at the risk of the Purchaser. The Purchaser may have possession of the Strata Lot at 12 noon on the day following the Completion Date (the "**Possession Date**"). All adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made as of the Completion Date.

9. **Builders' Lien Holdback.** That portion, if any, of the balance of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid to the Vendor's Solicitors on the Completion Date. The Lien Holdback will be held in trust for the Purchaser pursuant to the *Strata Property Act* (British Columbia) and the *Builders Lien Act* (British Columbia) (or successor statutes) (together the "**Acts**") solely in respect of lien claims registered in the LTO in connection with work done at the Vendor's request. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest-bearing trust account and to pay to the Vendor, on the date permitted by the Acts, the Lien Holdback plus interest earned thereon, if any, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's Solicitors notify the Vendor's Solicitors in writing by 1:00 p.m. (Vancouver time) on that day. The Purchaser hereby authorizes the Vendor and the Vendor's Solicitors to do all things necessary to discharge any builders' liens, including bringing court proceedings in the name of the Purchaser, provided that any such proceedings will be at the sole expense of the Vendor.

10. **Vendor's Rights to Terminate.** The Purchaser acknowledges and agrees that the Vendor may, in its sole discretion, terminate this Contract at any time by giving written notice to the Purchaser or the Purchaser's Solicitors:

    (a) if the mortgages secured against the property is redeemed pursuant to the terms of an order nisi of foreclosure or otherwise;

    (b) if the Vendor is not able to obtain the Vesting Order, or otherwise determines, in its sole discretion, that it is not advisable to present the Purchase Agreement to the court in furtherance of obtaining the Vesting Order;

    (c) if the Vendor has reasonable grounds to suspect that any part of the transaction contemplated by this Contract is related to the commission or attempted commission of a "money laundering offence" or a "terrorist activity financing offence", as defined in the *Proceeds of Crime (Money Laundering)* and *Terrorist Financing Act* (Canada) and regulations under that statute, as amended from time to time; and

    (d) if:

        (i) the Vendor has reasonable grounds to suspect that any of the representations and warranties made by the Purchaser pursuant to subsection 23(a) are untrue, incomplete, inaccurate or misleading in any respect;

        (ii) the Purchaser fails to provide the Supporting Documents (as defined in subsection 23(b)) as required pursuant to subsection 23(b); or

        (iii) the Vendor has reasonable grounds to suspect that any part of the transaction contemplated by this Contract would result in liability to the Vendor pursuant to the PPNCA or PPNCR (each as defined in section 18).

    If the Vendor terminates this Contract in accordance with this section 10, this Contract will be null and void effective as of the day the Vendor delivers notice of termination to the Purchaser and the Vendor will return to the Purchaser that portion of the Deposit (excluding interest thereon) paid by the Purchaser pursuant to this Contract. The Purchaser acknowledges and agrees that it is signing this Contract under seal and that the Purchaser will not have any right to revoke his/her/its/their offer herein while this Contract remains subject to the foregoing termination rights in favour of the Vendor. The Purchaser acknowledges and agrees that the Vendor will not be liable for any damages or costs whatsoever incurred by the Purchaser resulting from any such termination including, without limitation, relocation costs, professional fees and disbursements, opportunity costs, loss of bargain, damages and/or costs resulting from hardship or any other damages or costs incurred by the Purchaser, directly or indirectly, and that this provision will constitute a complete defence to any claim that may be made against the Vendor by the Purchaser in respect of the Vendor's termination of this Contract and any matter associated therewith.

11. **Time is of The Essence.** Time is of the essence hereof and, unless all payments on account of the Purchase Price, including any Deposits, and all other amounts payable hereunder are paid by the Purchaser when due, then the Vendor may, at its option:

    (a) terminate this Contract by written notice to the Purchaser and, in such event, the portion of the Deposit that has been paid and all interest accrued thereon will be absolutely forfeited to the Vendor as liquidated damages, the parties agreeing that the total amount of the Deposit (including all portions thereof, whether paid or unpaid) together with interest thereon constitutes a genuine pre-estimate of the minimum damages the Vendor will suffer as a result of the Purchaser's failure to pay, when due, any payment on account of the Purchase Price, together with adjustments thereto as provided herein, or any other amounts payable hereunder, without prejudice to the Vendor's other remedies including, without limitation, the right of the Vendor to pursue the Purchaser for any unpaid balance of the Deposit and to seek additional damages and the Vendor's Solicitors are hereby irrevocably authorized and directed by the Purchaser to pay the amount held by them and such interest as may have accrued thereon to the Vendor upon delivery by the Vendor to the Vendor's Solicitors of a written certification confirming the Purchaser's breach hereunder, in accordance with section 18(4) of REDMA, as further described below; or

    (b) elect to extend the date for payment or the Completion Date, as applicable, to a certain date determined by the Vendor, time to remain of the essence hereof and subject to the Vendor's right in its sole discretion, to grant further extensions to a certain date each time, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price, interest on the unpaid portion of the Purchase Price and other unpaid amounts payable hereunder at the rate of 2% per month (approximately 27% per annum), calculated daily and

compounded monthly not in advance, from the date upon which such portion and amounts were due to the date upon which such portion and amounts are paid.

The Vendor may cancel this Contract pursuant to subsection 11(a) or grant one or more further extensions pursuant to subsection 11(b), at any time after extending the date for payment or the Completion Date, as the case may be, pursuant to subsection 11(b) if the Purchaser fails to make such payment or complete the purchase of the Strata Lot, as the case may be, in accordance with this Contract on or before such extended date. If the Purchaser is in breach of any covenant or obligation hereunder, including, without limitation, the covenants and obligations of the Purchaser set out in section 2 of this Contract, or the purchase and sale contemplated by this Contract is not completed by reason of the Purchaser's default hereunder, the Vendor's Solicitors are authorized (unless precluded by Court Order) to pay the Deposit to the Vendor in accordance with section 18(4) of REDMA, without prejudice to any other right or remedy of the Vendor and subject to sections 2 and 11 herein. If the Purchaser is in breach of any of the covenants or obligations hereunder, the Vendor may, at its election, retain the Deposit and accrued interest thereon. The Vendor reserves the right to claim for damages pursuant to subsection 11(a) above. For greater certainty, for the purposes of section 18(4) of REDMA, if the Purchaser fails to pay a subsequent Deposit when required or the balance of the Purchase Price when required, the Vendor may elect to cancel this Contract and, if the Vendor makes such election, the amount of the Deposit will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors will be entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit to the Vendor notwithstanding the Vendor's knowledge of any adverse claim to the Deposit, including a claim by the Purchaser.

12. Entire Contract/Representations. The Purchaser acknowledges and agrees that this Contract constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts, expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement, including, without limitation, arising out of any sales brochures, models, websites, social media, blogs, Twitter, Facebook, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floor plans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and any municipal, structural, Vendor and/or architectural requirements.

13. Area of the Strata Lot. The areas and dimensions of the Strata Lot and the Common Property are as set out on Strata Plan EPS9999 and sales brochures or other marketing materials are provided for informational purposes only and are not represented as being the actual final areas and dimensions of the Strata Lot. The Purchase Price for the Strata Lot shall not be subject to adjustment by reason of the actual area of the Strata Lot. The Purchaser further acknowledges and agrees that any materials used in the finishing of the Strata Lot including, without limitation, any natural stone, ceramic, porcelain and wood, may have conspicuous variations in colour, grain, vein, texture, pattern and size and any such variations are merely characteristics of the respective material and will not be considered as defects or deficiencies in the Strata Lot and that certain materials used in the finishing of the Strata Lot may be subject to staining or changed colouration over time by virtue of general use or by exposure to daylight.

14. Purchaser Acknowledgements. The Purchaser acknowledges and agrees that:

(a) the Completion Date may be any day up to and including the Outside Date, and the Purchaser releases the Released Parties (as defined in section 16) from any actions, causes of action, costs, claims, demands and liabilities arising as a result of the date on which the Completion Date occurs;

(b) legal title to the Strata Lot is or will be held by 1076255 B.C. Ltd. (the "**Registered Owner**") as nominee, agent and bare trustee for and on behalf of Lightstone Development Ltd. (the "**Beneficial Owner**" and, together with the Registered Owner, the "**Companies**"), as beneficial owner. The Purchaser agrees, notwithstanding any provisions to the contrary herein or in the *Property Law Act* (British Columbia), to accept the Vesting Order and other closing documents executed by FTI Consulting Canada Inc, in its capacity as court-appointed the receiver and manager of all of the assets, undertakings and property of the Companies, in satisfaction of section 6 of the *Property Law Act* (British Columbia) and, in addition, the Vendor and the Purchaser acknowledge and agree that, upon the filing of the Vesting Order in the LTO; and

(c) as of the Completion Date, the Purchaser will be deemed to have assumed and will observe and perform, all covenants, agreements and obligations of the owner of the Strata Lot (if any) under each of the Permitted Encumbrances.

15. Inspection. The Vendor warrants that on the Completion Date the Strata Lot and the common property of the Development will be registered under a third party new home warranty provider. The Purchaser or his/her/its/their representative will have the right to inspect the Strata Lot with a representative of the Vendor at a reasonable time designated by the Vendor by written notice or by telephone prior to the Completion Date and a refusal or failure by the Purchaser to inspect the Strata Lot at such time will be deemed to be a waiver and forfeiture of such right, in which case the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot (including the existing kitchen, bathrooms and other installations, equipment, appliances and furnishings in the Strata Lot) on the Completion Date. At the conclusion of such inspection, the Vendor will prepare a conclusive list of any defects or deficiencies (the "**Deficiencies**") which are to be rectified by the Vendor. The parties will sign the list and the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot (including the existing kitchen, bathrooms and other installations, equipment, appliances and furnishings) subject only to the Deficiencies. If the Purchaser does not sign the Deficiencies list the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot (including the existing kitchen, bathroom and other installations, equipment, appliances and furnishings). Notwithstanding the foregoing, if, as a result of an epidemic, pandemic, quarantine, public lockdown, public health order and/or other reason of a like nature, the Vendor determines that the inspection procedure set out above cannot be safely completed, the Vendor, in its sole discretion, may implement an alternative inspection procedure. The Purchaser covenants and agrees to complete the purchase of the Strata Lot on the Completion Date on the terms and conditions herein contained notwithstanding that the Deficiencies may

be rectified subsequent to the Completion Date. No holdback will be made on closing in respect of the Deficiencies or other deficiencies. In the event of a disagreement between the Purchaser and the Vendor as to what constitutes a defect or deficiency, or whether or not a defect or deficiency has been rectified, the decision of the architect of the Development or any replacement therefor appointed by the Vendor will be conclusive, final and binding on the parties. Following the Completion Date, the Purchaser agrees to provide the Vendor and its representatives, contractors and agents with access to the Strata Lot at all reasonable times on 24 hours' notice from the Vendor in order for the Vendor or its representatives, contractors or agents to rectify any outstanding Deficiencies, and the Purchaser will in no manner interfere with or impede any such person while he/she/they is/are carrying out such work.

16. Access. Except as provided in section 15, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Development prior to the Possession Date without the prior written permission of the Vendor (which the Vendor may withhold in its sole and absolute discretion) and then only if accompanied by a representative of the Vendor. The Purchaser hereby releases the Vendor (including the general partner of the Vendor), the partners of the Vendor (including any general partner of any such partners), and the Registered Owner and their respective directors, officers, shareholders, unit holders, employees, agents, contractors and representatives (all, collectively, the "**Released Parties**") from and against any loss, cost, damage, demand, claim, action, cause of action and liability whatsoever resulting from any act or omission of any one or more of the Released Parties (negligent or otherwise) or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person on behalf of the Purchaser within the Development prior to the Possession Date, or any act or omission (negligent or otherwise) of the Purchaser or any person on behalf of the Purchaser while within the Development prior to the Possession Date. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties. The indemnity in this section 16 will not merge on, and will survive, the completion of the transaction contemplated in this Contract.

17. Costs/Sales and Transfer Taxes.

(a) The Purchaser will pay all costs in connection with the sale and purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot.

(b) In addition to the Purchase Price, the Purchaser will be liable for and will pay all applicable property transfer tax, GST, harmonized sales tax and any other federal or provincial sales, service, value added, transition or other tax payable by the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment, appliances, or other extras included in the Purchase Price and imposed pursuant to Part IX of the *Excise Tax Act* (Canada), the *Property Transfer Tax Act* (British Columbia) (the "**PTTA**"), the *Speculation and Vacancy Tax Act* (British Columbia) and any other federal or provincial legislation in respect of the transaction contemplated herein (including, without limitation but for greater clarity, basic property transfer tax payable under section 2 of the PTTA and, if the Purchaser is or will be on the Completion Date a "foreign entity" or "taxable trustee", as defined in section 2.01 of the PTTA, an additional property transfer tax payable pursuant to section 2.02 of the PTTA). The Purchaser will be solely responsible for applying to the appropriate governmental authorities in order to obtain any applicable federal or provincial new housing rebate.

(c) Notwithstanding the foregoing, if the Purchaser is a corporation, trust or partnership which is registered for GST purposes and, on or before the Completion Date, the Purchaser provides the Vendor with a certificate as to the GST registered status of the Purchaser containing the Purchaser's GST registration number, the Purchaser will not be required to pay the GST to the Vendor but will be liable for, will self-assess and will remit same directly to the Canada Revenue Agency (the "**CRA**"). The Purchaser will indemnify and save harmless the Released Parties from and against any and all GST, penalties, costs and/or interest which may become payable by or assessed against the Released Parties as a result of any failure by the Purchaser to comply with the foregoing and such indemnity will survive and not merge upon closing of the sale of the Strata Lot contemplated herein. For greater certainty and in addition to the foregoing, the Purchaser's GST certificate will include an indemnity from the Purchaser in favour of the Released Parties on the terms and conditions set out in the preceding sentence

18. Assignment. Without the developer's prior consent, any assignment of this purchase agreement is prohibited. An assignment under REDMA is a transfer of some or all of the rights, obligations and benefits under a purchase agreement made in respect of a strata lot in a development property, whether the transfer is made by the purchaser under the purchase agreement to another person or is a subsequent transfer. Each proposed party to an assignment agreement must provide the developer with the information and records required under REDMA. For the purposes of this paragraph, "developer" means "Vendor" and "purchase agreement" means "Contract".

The Purchaser may not assign his/her/its/their interest in the Strata Lot or in this Contract without the written consent of the Vendor, which consent may be arbitrarily withheld in the Vendor's sole discretion. Unless the Vendor has consented to an assignment, the Vendor will not be required to convey the Strata Lot to anyone other than the Purchaser named herein. The Vendor may, at its option, charge an administration fee equal to three percent (3%) of the aggregate of: (a) the Purchase Price, and (b) the amount of any consideration received by the Purchaser from the assignee in respect of the assignment, plus applicable taxes, as consideration for agreeing to an assignment of the Purchaser's interest in the Strata Lot or in this Contract and for any associated legal and administrative costs. In the event that the Purchaser wishes to assign the Purchaser's rights under this Contract to his/her/their spouse, child, sibling or parent, or to a corporation which is wholly owned or controlled by the Purchaser, the Vendor will charge a flat administration fee of $1,000.00 plus applicable taxes, on the condition that the Purchaser first provides the Vendor's Solicitors with such information or documents, including, without limitation, a statutory declaration sworn by the Purchaser, setting out the particulars of and confirming the required relationship between the Purchaser and the assignee in sufficient detail as to be reasonably satisfactory to the Vendor's Solicitors. In addition to the foregoing, the Vendor may impose such other conditions upon the Vendor's consent to an assignment request by the Purchaser as it may determine in its sole discretion, including, without limitation, that the Purchaser has paid all instalments of the Deposit as required hereunder and is otherwise not in default hereunder. Following any assignment, the assignor will not be relieved of his/her/its/their obligations hereunder but will continue to remain liable to perform all obligations of the Purchaser under this Contract. The Purchaser will not advertise or solicit offers from the public or use the Multiple Listing Service® (MLS) with

respect to the resale of the Strata Lot by the Purchaser before the Completion Date without the express written consent of the Vendor, which consent may be arbitrarily withheld. Before the Vendor consents to an assignment of the Purchaser's interest in the Strata Lot or in this Contract, the Vendor will be required to collect information and records under REDMA from each proposed party to an assignment agreement, including personal information, respecting the following: (i) the party's identity; (ii) the party's contact and business information; and (iii) the terms of the assignment agreement. Information and records collected by the Vendor must be reported by the Vendor to the administrator designated under the PTTA. The information and records may only be used or disclosed for tax purposes and other purposes authorized by section 20.5 of REDMA, which includes disclosure to the CRA. The Purchaser and the proposed assignee will give to the Vendor all such information and records and any additional information and records requested by the Vendor pursuant to REDMA or regulations thereto from time to time, and hereby consent to the Vendor making any filings or disclosing the aforesaid information and records as required or permitted by REDMA or regulations thereto, as may be amended from time to time. In addition, the Purchaser and the proposed assignee will give to the Vendor all such information and records and any additional information and records requested by the Vendor pursuant to the Prohibition on the *Purchase of Residential Property by Non-Canadians Act* (Canada), as may be amended from time to time (the "**PPNCA**"), or the regulations thereto, including the *Prohibition on the Purchase of Residential Property by Non-Canadians Regulations*, SOR 2022-250, as may be amended from time to time (the "**PPNCR**"). The Purchaser and any proposed assignee will jointly and severally indemnify and save harmless the Released Parties from any loss, damage, liability, cost and expense (including, without limitation, fines and penalties) suffered by the Released Parties, directly or indirectly as a result of any misrepresentation or false or misleading statement in any information and records provided to the Vendor pursuant to this section 18.

No assignment under this section 18 will be valid until the Vendor has received the applicable administrative fee payable in accordance with this section 18, and the assignor and the assignee have executed and delivered to the Vendor an assumption agreement in favour of the Vendor in the form required by the Vendor and the Vendor has received any additional documents it may require from the assignor, the assignee and/or any other party in connection with its consent to the assignment, including, without limitation, any certificate or other documents necessary or required by the Vendor pursuant to the PPNCA. Notwithstanding the foregoing provisions of this section 18 and regardless of whether or not the Vendor consents in writing to an assignment of this Contract in accordance with this section 18, the Purchaser will not, under any circumstances, assign this Contract in a manner that: (A) qualifies as an "avoidance transaction" as such term is defined under section 2.04 of the PTTA; or (B) contravenes the provisions of the PPNCA or the PPNCR. The Purchaser will indemnify the Released Parties against any damages, losses, duties, levies, fees, penalties, costs and expenses that any of the Released Parties may suffer or incur under the PTTA or any regulation thereunder, or under the PPNCA or the PPNCR, in connection with an assignment of this Contract or otherwise in connection with the transaction contemplated herein

19. Assignment by Vendor. The Vendor will be entitled, in its sole and absolute discretion, to sell, assign or otherwise transfer its right, title and interest in this Contract without the consent of the Purchaser.

20. Personal Information. The Purchaser hereby consents to the collection, use and disclosure of personal information contained in this Contract and otherwise collected by or on behalf of the Vendor, its agents, solicitors, affiliates and service providers for all purposes consistent with the transaction contemplated herein including to: (a) complete the transaction contemplated by this Contract; (b) invest the Deposit as provided for herein including providing personal information to the financial institution as required for reporting interest earned on the Deposit in accordance with applicable laws; (c) facilitate the entering into of a deposit protection contract and release of the Deposit in accordance therewith; (d) facilitate the management of the Development; (e) market, sell, provide and inform the Purchaser of products and services of the Vendor and its affiliates and partners, including information about future projects; (f) comply with the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and regulations, rules and policies thereunder or relating thereto, the *Freedom of Information and Privacy Act* (British Columbia) and regulations, rules and policies thereunder or relating thereto, REDMA and regulations, rules and policies thereunder or relating thereto, and the PPNCA and the PPNCR, each as may be amended from time to time, and all other applicable laws; and (g) disclose such personal information to the Vendor's affiliates, agents, assignees, partners, business partners, contractors, suppliers, bankers, solicitors, accountants, insurers, warranty providers, utility providers, relevant governmental authorities or agencies and other advisors and consultants in furtherance of the foregoing purposes. The Purchaser also agrees to provide to the Vendor, the Vendor's agents and the Vendor's Solicitors, promptly upon request, any additional personal or other information not contained herein that is required in order to comply with the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and regulations, rules and policies thereunder or relating thereto, REDMA and regulations, rules and policies thereunder or relating thereto, the PPNCA and the PPNCR, and with all other applicable laws, each as may be amended from time to time, and the Purchaser acknowledges that the foregoing consent applies to any such personal information.

21. Notices and Tender.

(a) Any notice or other communication required or desired to be given pursuant to or relating to this Contract will be in writing and delivered in accordance with this section 21. Any notice to the Purchaser may be delivered by the Vendor by any one of the following means, in the sole discretion of the Vendor: (i) by e-mail to the e-mail address for the Purchaser set out on page 1 of this Contract, as may be changed only by an Address Change Notice; (ii) by personal delivery or by registered mail, courier or any other type of third party physical delivery service addressed to the Purchaser at the Purchaser's address set out on page 1 of this Contract, as may be changed only by an Address Change Notice; or (iii) by delivery to the Purchaser's Solicitors by personal delivery, registered mail, courier or any other type of third party physical delivery service or by e-mail. The address and e-mail address for the Purchaser will be as set out on page 1 of this Contract or such other address or e-mail address of which the Purchaser has last notified the Vendor in an Address Change Notice. Any documents to be tendered on the Purchaser may be tendered on the Purchaser or the Purchaser's Solicitors. If the Vendor defaults in its obligations hereunder, the Deposit (including interest thereon) will be paid to the Purchaser as liquidated damages (the parties hereby agreeing that such amount constitutes a genuine pre-estimate of damages) and as the Purchaser's sole and exclusive remedy.

The Purchaser will pay the balance of the Purchase Price, as adjusted in accordance with this Contract, by delivery to the Vendor's Solicitors of a SOLICITOR'S CERTIFIED TRUST CHEQUE or BANK DRAFT by NO LATER THAN 2:00 p.m. (Vancouver time) on the completion date (the "**Completion Date**"), which will be the date that is 3 Business Days from the date that the Vendor obtains a certified copy court order approving the transfer of the Strata Lot to the Purchaser, which is not subject to any stay, appeal, or other order restraining this Contract or the transaction contemplated hereby (the "**Vesting Order**"). The Completion Date may be based on the Vendor's estimate as to when the Vesting Order will be obtained, provided that the Vendor or the Vendor's Solicitors will give a minimum of 3 Business Days' notice (the "**Vesting Order Notice**") thereof. If the Completion Date has not occurred by April 11, 2026 (the "**Outside Date**"), this Contract will terminate on the Outside Date, the Deposit (excluding interest thereon) will be returned to the Purchaser and the parties will be released from all of their obligations hereunder. 7. Conveyance.

(a) On the Completion Date the Vendor shall transfer the fee simple interest in the Strata Lot by way of a Vesting Order. The Purchaser agrees to take title subject to and be bound by the Permitted Encumbrances. The Purchaser will cause the Purchaser's Solicitors to prepare and deliver to the Vendor's Solicitors, at least five days prior to the Completion Date, a statement of adjustments for the Strata Lot. The Vendor will execute and deliver, or cause to be executed and delivered, the statement of adjustments and a certified copy of the Vesting Order to the Purchaser's Solicitors on or before the Completion Date, on the condition that, forthwith upon the Purchaser's Solicitors obtaining a post-registration index search from the land title office (the "**LTO**") indicating that, in the ordinary course of LTO procedure, the Purchaser will become the registered owner of the Strata Lot (subject only to the Permitted Encumbrances and charges for which the Purchaser is responsible), the Purchaser will cause payment of the adjusted balance of the Purchase Price due on the Completion Date to be delivered by the Purchaser's Solicitors to the Vendor's Solicitors. The Purchaser acknowledges that certain financial charges may remain as a charge against the common property of the Development until the Vendor has completed the sale of the balance of the strata lots in the Development whereupon such financing will be discharged entirely. The Purchaser will bear all costs of the conveyance and any costs related to arranging a mortgage and the Vendor will bear all costs of clearing title.

(b) If the Purchaser is relying upon a new mortgage to finance a portion of the Purchase Price, the Purchaser, while still required to pay the Purchase Price on the Completion Date, may wait to pay the Purchase Price to the Vendor until after the Vesting Order and new mortgage document(s) have been deposited for registration in the LTO, but only if, before such deposit, the Purchaser has: (i) made available for tender to the Vendor that portion of the Purchase Price not secured by the new mortgage; and (ii) fulfilled all the new mortgagee's conditions for funding except deposit of the mortgage document(s) for registration in the LTO; and (iii) made available to the Vendor's Solicitors a solicitor's or notary's undertaking to pay the Purchase Price upon the deposit of the Vesting Order and new mortgage document(s) for registration in the LTO and the advance by the new mortgagee of the mortgage proceeds.

(c) In this Contract, "**Permitted Encumbrances**" means, collectively, the subsisting conditions, exceptions, reservations (including royalties) and other rights contained or reserved to the Crown in the original grant of the Lands from the Crown and the legal notations, charges and encumbrances, including proposed encumbrances, referred to in the Disclosure Statement and registered or pending registration in the LTO on the Completion Date against title to the Strata Lot and/or the common property of the Development.

8. Possession, Risk and Adjustment. The Strata Lot will be at the risk of the Vendor to and including the day preceding the Completion Date, and thereafter at the risk of the Purchaser. The Purchaser may have possession of the Strata Lot at 12 noon on the day following the

Completion Date (the "**Possession Date**"). All adjustments both incoming and outgoing of whatever nature in respect of the Strata Lot will be made as of the Completion Date.

9. Builders' Lien Holdback. That portion, if any, of the balance of the Purchase Price required by law to be held back by the Purchaser in respect of builders' lien claims (the "**Lien Holdback**") will be paid to the Vendor's Solicitors on the Completion Date. The Lien Holdback will be held in trust for the Purchaser pursuant to the *Strata Property Act* (British Columbia) and the *Builders Lien Act* (British Columbia) (or successor statutes) (together the "**Acts**") solely in respect of lien claims registered in the LTO in connection with work done at the Vendor's request. The Vendor's Solicitors are authorized to invest the Lien Holdback in an interest-bearing trust account and to pay to the Vendor, on the date permitted by the Acts, the Lien Holdback plus interest earned thereon, if any, less the amount of any builders' lien claims filed against the Strata Lot of which the Purchaser or the Purchaser's Solicitors notify the Vendor's Solicitors in writing by 1:00 p.m. (Vancouver time) on that day. The Purchaser hereby authorizes the Vendor and the Vendor's Solicitors to do all things necessary to discharge any builders' liens, including bringing court proceedings in the name of the Purchaser, provided that any such proceedings will be at the sole expense of the Vendor.

10. Vendor's Rights to Terminate. The Purchaser acknowledges and agrees that the Vendor may, in its sole discretion, terminate this Contract at any time by giving written notice to the Purchaser or the Purchaser's Solicitors:

(a) if the mortgages secured against the property is redeemed pursuant to the terms of an order nisi of foreclosure or otherwise;

(b) if the Vendor is not able to obtain the Vesting Order, or otherwise determines, in its sole discretion, that it is not advisable to present the Purchase Agreement to the court in furtherance of obtaining the Vesting Order;

(c) if the Vendor has reasonable grounds to suspect that any part of the transaction contemplated by this Contract is related to the commission or attempted commission of a "money laundering offence" or a "terrorist activity financing offence", as defined in the *Proceeds of Crime (Money Laundering)* and *Terrorist Financing Act* (Canada) and regulations under that statute, as amended from time to time; and

(d) if:

(i) the Vendor has reasonable grounds to suspect that any of the representations and warranties made by the Purchaser pursuant to subsection 23(a) are untrue, incomplete, inaccurate or misleading in any respect;

(ii) the Purchaser fails to provide the Supporting Documents (as defined in subsection 23(b)) as required pursuant to subsection 23(b); or

(iii) the Vendor has reasonable grounds to suspect that any part of the transaction contemplated by this Contract would result in liability to the Vendor pursuant to the PPNCA or PPNCR (each as defined in section 18).

If the Vendor terminates this Contract in accordance with this section 10, this Contract will be null and void effective as of the day the Vendor delivers notice of termination to the Purchaser and the Vendor will return to the Purchaser that portion of the Deposit (excluding interest thereon) paid by the Purchaser pursuant to this Contract. The Purchaser acknowledges and agrees that it is signing this Contract under seal and that the Purchaser will not have any right to revoke his/her/its/their offer herein while this Contract remains subject to the foregoing termination rights in favour of the Vendor. The Purchaser acknowledges and agrees that the Vendor will not be liable for any damages or costs whatsoever incurred by the Purchaser resulting from any such termination including, without limitation, relocation costs, professional fees and disbursements, opportunity costs, loss of bargain, damages and/or costs resulting from hardship or any other damages or costs incurred by the Purchaser, directly or indirectly, and that this provision will constitute a complete defence to any claim that may be made against the Vendor by the Purchaser in respect of the Vendor's termination of this Contract and any matter associated therewith.

11. Time is of The Essence. Time is of the essence hereof and, unless all payments on account of the Purchase Price, including any Deposits, and all other amounts payable hereunder are paid by the Purchaser when due, then the Vendor may, at its option:

(a) terminate this Contract by written notice to the Purchaser and, in such event, the portion of the Deposit that has been paid and all interest accrued thereon will be absolutely forfeited to the Vendor as liquidated damages, the parties agreeing that the total amount of the Deposit (including all portions thereof, whether paid or unpaid) together with interest thereon constitutes a genuine pre-estimate of the minimum damages the Vendor will suffer as a result of the Purchaser's failure to pay, when due, any payment on account of the Purchase Price, together with adjustments thereto as provided herein, or any other amounts payable hereunder, without prejudice to the Vendor's other remedies including, without limitation, the right of the Vendor to pursue the Purchaser for any unpaid balance of the Deposit and to seek additional damages and the Vendor's Solicitors are hereby irrevocably authorized and directed by the Purchaser to pay the amount held by them and such interest as may have accrued thereon to the Vendor upon delivery by the Vendor to the Vendor's Solicitors of a written certification confirming the Purchaser's breach hereunder, in accordance with section 18(4) of REDMA, as further described below; or

(b) elect to extend the date for payment or the Completion Date, as applicable, to a certain date determined by the Vendor, time to remain of the essence hereof and subject to the Vendor's right in its sole discretion, to grant further extensions to a certain date each time, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price, interest on the unpaid portion of the Purchase Price and other unpaid amounts payable hereunder at the rate of 2% per month (approximately 27% per annum), calculated daily and compounded monthly not in advance, from the date upon which such portion and amounts were due to the date upon which such portion and amounts are paid.

The Vendor may cancel this Contract pursuant to subsection 11(a) or grant one or more further extensions pursuant to subsection 11(b), at any time after extending the date for payment or the Completion Date, as the case may be, pursuant to subsection 11(b) if the Purchaser fails to make such payment or complete the purchase of the Strata Lot, as the case may be, in accordance with this Contract on or before such extended date. If the Purchaser is in breach of any covenant or obligation hereunder, including, without limitation, the covenants and obligations of the Purchaser set out in section 2 of this Contract, or the purchase and sale contemplated by this Contract is not completed by reason of the Purchaser's default hereunder, the Vendor's Solicitors are authorized (unless precluded by Court Order) to pay the Deposit to the Vendor in accordance with section 18(4) of REDMA, without prejudice to any other right or remedy of the Vendor and subject to sections 2 and 11 herein. If the Purchaser is in breach of any of the covenants or obligations hereunder, the Vendor may, at its election, retain the Deposit and accrued interest thereon. The Vendor reserves the right to claim for damages pursuant to subsection 11(a) above. For greater certainty, for the purposes of section 18(4) of REDMA, if the Purchaser fails to pay a subsequent Deposit when required or the balance of the Purchase Price when required, the Vendor may elect to cancel this Contract and, if the Vendor makes such election, the amount of the Deposit will be forfeited to the Vendor. The Purchaser further acknowledges and agrees that the Vendor's Solicitors will be entitled to rely on the Vendor's written statement that the Purchaser is in breach of a covenant or obligation hereunder and may pay the Deposit to the Vendor notwithstanding the Vendor's knowledge of any adverse claim to the Deposit, including a claim by the Purchaser.

12. Entire Contract/Representations. The Purchaser acknowledges and agrees that this Contract constitutes the entire agreement between the parties with respect to the sale and purchase of the Strata Lot and supersedes any prior agreements, negotiations or discussions, whether oral or written, of the Vendor and the Purchaser, and that there are no representations, warranties, conditions or collateral contracts, expressed or implied, statutory or otherwise, or applicable hereto, made by the Vendor, its agents or employees, or any other person on behalf of the Vendor, other than those contained herein and in the Disclosure Statement, including, without limitation, arising out of any sales brochures, models, websites, social media, blogs, Twitter, Facebook, representative view sets, showroom displays, photographs, illustrations or renderings or other marketing materials provided to the Purchaser or made available for the Purchaser's viewing. In particular, the Purchaser acknowledges and agrees that the materials, specifications, details, dimensions and floor plans set out in any materials viewed by the Purchaser are approximate and subject to change without notice in order to comply with building site conditions and any municipal, structural, Vendor and/or architectural requirements.

13. Area of the Strata Lot. The areas and dimensions of the Strata Lot and the Common Property are as set out on Strata Plan EPS9999 and sales brochures or other marketing materials are provided for informational purposes only and are not represented as being the actual final areas and dimensions of the Strata Lot. The Purchase Price for the Strata Lot shall not be subject to adjustment by reason of the actual area of the Strata Lot. The Purchaser further acknowledges and agrees that any materials used in the finishing of the Strata Lot including, without limitation, any natural stone, ceramic, porcelain and wood, may have conspicuous variations in colour, grain, vein, texture, pattern and size and any such variations are merely characteristics of the respective material and will not be considered as defects or deficiencies in the Strata Lot and that certain materials used in the finishing of the Strata Lot may be subject to staining or changed colouration over time by virtue of general use or by exposure to daylight.

14. Purchaser Acknowledgements. The Purchaser acknowledges and agrees that:

(a) the Completion Date may be any day up to and including the Outside Date, and the Purchaser releases the Released Parties (as defined in section 16) from any actions, causes of action, costs, claims, demands and liabilities arising as a result of the date on which the Completion Date occurs;

(b) legal title to the Strata Lot is or will be held by 1076255 B.C. Ltd. (the "**Registered Owner**") as nominee, agent and bare trustee for and on behalf of Lightstone Development Ltd. (the "**Beneficial Owner**" and, together with the Registered Owner, the "**Companies**"), as beneficial owner. The Purchaser agrees, notwithstanding any provisions to the contrary herein or in the *Property Law Act* (British Columbia), to accept the Vesting Order and other closing documents executed by FTI Consulting Canada Inc, in its capacity as court-appointed the receiver and manager of all of the assets, undertakings and property of the Companies, in satisfaction of section 6 of the *Property Law Act* (British Columbia); and

(c) as of the Completion Date, the Purchaser will be deemed to have assumed and will observe and perform, all covenants, agreements and obligations of the owner of the Strata Lot (if any) under each of the Permitted Encumbrances.

15. Inspection. The Vendor warrants that on the Completion Date the Strata Lot and the common property of the Development will be registered under a third party new home warranty provider. The Purchaser or his/her/its/their representative will have the right to inspect the Strata Lot with a representative of the Vendor at a reasonable time designated by the Vendor by written notice or by telephone prior to the Completion Date and a refusal or failure by the Purchaser to inspect the Strata Lot at such time will be deemed to be a waiver and forfeiture of such right, in which case the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot (including the existing kitchen, bathrooms and other installations, equipment, appliances and furnishings in the Strata Lot) on the Completion Date. At the conclusion of such inspection, the Vendor will prepare a conclusive list of any defects or deficiencies (the "**Deficiencies**") which are to be rectified by the Vendor. The parties will sign the list and the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot (including the existing kitchen, bathrooms and other installations, equipment, appliances and furnishings) subject only to the Deficiencies. If the Purchaser does not sign the Deficiencies list the Purchaser will be deemed to be satisfied with and to have accepted the physical condition of the Strata Lot (including the existing kitchen, bathroom and other installations, equipment, appliances and furnishings). Notwithstanding the foregoing, if, as a result of an epidemic, pandemic, quarantine, public lockdown, public health order and/or other reason of a like nature, the Vendor determines that the inspection procedure set out above cannot be safely completed, the Vendor, in its sole discretion, may implement an alternative inspection procedure. The Purchaser covenants and agrees to complete the purchase of the Strata Lot on the Completion Date on the terms and conditions herein contained notwithstanding that the Deficiencies may be rectified subsequent to the Completion Date. No holdback will be made on closing in respect of the Deficiencies or other deficiencies. In the event of a disagreement between the Purchaser and the Vendor as to what constitutes a defect or deficiency, or whether or not a defect or deficiency has been rectified, the decision of the architect of the Development or any replacement therefor appointed by the Vendor will be conclusive, final and binding on the parties. Following the Completion Date, the Purchaser agrees to provide the Vendor and its

representatives, contractors and agents with access to the Strata Lot at all reasonable times on 24 hours' notice from the Vendor in order for the Vendor or its representatives, contractors or agents to rectify any outstanding Deficiencies, and the Purchaser will in no manner interfere with or impede any such person while he/she/they is/are carrying out such work.

16. Access. Except as provided in section 15, the Purchaser acknowledges and agrees that the Purchaser will not be entitled to have access to the Development prior to the Possession Date without the prior written permission of the Vendor (which the Vendor may withhold in its sole and absolute discretion) and then only if accompanied by a representative of the Vendor. The Purchaser hereby releases the Vendor (including the general partner of the Vendor), the partners of the Vendor (including any general partner of any such partners), and the Registered Owner and their respective directors, officers, shareholders, unit holders, employees, agents, contractors and representatives (all, collectively, the "**Released Parties**") from and against any loss, cost, damage, demand, claim, action, cause of action and liability whatsoever resulting from any act or omission of any one or more of the Released Parties (negligent or otherwise) or any condition within the Development and agrees to indemnify and hold harmless the Released Parties from and against any loss, cost, damage, injury or death resulting from the presence of the Purchaser or any person on behalf of the Purchaser within the Development prior to the Possession Date, or any act or omission (negligent or otherwise) of the Purchaser or any person on behalf of the Purchaser while within the Development prior to the Possession Date. The Purchaser hereby acknowledges and the Vendor hereby confirms that the Vendor has acted as agent for and on behalf of the other Released Parties with respect to obtaining the foregoing release and indemnity from the Purchaser for the benefit of such Released Parties. The indemnity in this section 16 will not merge on, and will survive, the completion of the transaction contemplated in this Contract.

17. Costs/Sales and Transfer Taxes.

(a) The Purchaser will pay all costs in connection with the sale and purchase of the Strata Lot other than the costs of the Vendor incurred in clearing title to the Strata Lot.

(b) In addition to the Purchase Price, the Purchaser will be liable for and will pay all applicable property transfer tax, GST, harmonized sales tax and any other federal or provincial sales, service, value added, transition or other tax payable by the Purchaser in connection with the purchase and sale of the Strata Lot and any equipment, appliances, or other extras included in the Purchase Price and imposed pursuant to Part IX of the *Excise Tax Act* (Canada), the *Property Transfer Tax Act* (British Columbia) (the "**PTTA**"), the *Speculation and Vacancy Tax Act* (British Columbia) and any other federal or provincial legislation in respect of the transaction contemplated herein (including, without limitation but for greater clarity, basic property transfer tax payable under section 2 of the PTTA and, if the Purchaser is or will be on the Completion Date a "foreign entity" or "taxable trustee", as defined in section 2.01 of the PTTA, an additional property transfer tax payable pursuant to section 2.02 of the PTTA). The Purchaser will be solely responsible for applying to the appropriate governmental authorities in order to obtain any applicable federal or provincial new housing rebate.

(c) Notwithstanding the foregoing, if the Purchaser is a corporation, trust or partnership which is registered for GST purposes and, on or before the Completion Date, the Purchaser provides the Vendor with a certificate as to the GST registered status of the Purchaser containing the Purchaser's GST registration number, the Purchaser will not be required to pay the GST to the Vendor but will be liable for, will self-assess and will remit same directly to the Canada Revenue Agency (the "**CRA**"). The Purchaser will indemnify and save harmless the Released Parties from and against any and all GST, penalties, costs and/or interest which may become payable by or assessed against the Released Parties as a result of any failure by the Purchaser to comply with the foregoing and such indemnity will survive and not merge upon closing of the sale of the Strata Lot contemplated herein. For greater certainty and in addition to the foregoing, the Purchaser's GST certificate will include an indemnity from the Purchaser in favour of the Released Parties on the terms and conditions set out in the preceding sentence

18. Assignment. Without the developer's prior consent, any assignment of this purchase agreement is prohibited. An assignment under REDMA is a transfer of some or all of the rights, obligations and benefits under a purchase agreement made in respect of a strata lot in a development property, whether the transfer is made by the purchaser under the purchase agreement to another person or is a subsequent transfer. Each proposed party to an assignment agreement must provide the developer with the information and records required under REDMA. For the purposes of this paragraph, "developer" means "Vendor" and "purchase agreement" means "Contract".

The Purchaser may not assign his/her/its/their interest in the Strata Lot or in this Contract without the written consent of the Vendor, which consent may be arbitrarily withheld in the Vendor's sole discretion. Unless the Vendor has consented to an assignment, the Vendor will not be required to convey the Strata Lot to anyone other than the Purchaser named herein. The Vendor may, at its option, charge an administration fee equal to three percent (3%) of the aggregate of: (a) the Purchase Price, and (b) the amount of any consideration received by the Purchaser from the assignee in respect of the assignment, plus applicable taxes, as consideration for agreeing to an assignment of the Purchaser's interest in the Strata Lot or in this Contract and for any associated legal and administrative costs. In the event that the Purchaser wishes to assign the Purchaser's rights under this Contract to his/her/their spouse, child, sibling or parent, or to a corporation which is wholly owned or controlled by the Purchaser, the Vendor will charge a flat administration fee of $1,000.00 plus applicable taxes, on the condition that the Purchaser first provides the Vendor's Solicitors with such information or documents, including, without limitation, a statutory declaration sworn by the Purchaser, setting out the particulars of and confirming the required relationship between the Purchaser and the assignee in sufficient detail as to be reasonably satisfactory to the Vendor's Solicitors. In addition to the foregoing, the Vendor may impose such other conditions upon the Vendor's consent to an assignment request by the Purchaser as it may determine in its sole discretion, including, without limitation, that the Purchaser has paid all instalments of the Deposit as required hereunder and is otherwise not in default hereunder. Following any assignment, the assignor will not be relieved of his/her/its/their obligations hereunder but will continue to remain liable to perform all obligations of the Purchaser under this Contract. The Purchaser will not advertise or solicit offers from the public or use the Multiple Listing Service® (MLS) with respect to the resale of the Strata Lot by the Purchaser before the Completion Date without the express written consent of the Vendor, which consent may be arbitrarily withheld. Before the Vendor consents to an assignment of the Purchaser's interest in the Strata Lot or in this Contract, the Vendor will be required to collect information and records under REDMA from each proposed party to an assignment agreement, including personal information, respecting the following: (i) the party's identity; (ii) the party's contact and business

information; and (iii) the terms of the assignment agreement. Information and records collected by the Vendor must be reported by the Vendor to the administrator designated under the PTTA. The information and records may only be used or disclosed for tax purposes and other purposes authorized by section 20.5 of REDMA, which includes disclosure to the CRA. The Purchaser and the proposed assignee will give to the Vendor all such information and records and any additional information and records requested by the Vendor pursuant to REDMA or regulations thereto from time to time, and hereby consent to the Vendor making any filings or disclosing the aforesaid information and records as required or permitted by REDMA or regulations thereto, as may be amended from time to time. In addition, the Purchaser and the proposed assignee will give to the Vendor all such information and records and any additional information and records requested by the Vendor pursuant to the Prohibition on the *Purchase of Residential Property by Non-Canadians Act* (Canada), as may be amended from time to time (the "**PPNCA**"), or the regulations thereto, including the *Prohibition on the Purchase of Residential Property by Non-Canadians Regulations*, SOR 2022-250, as may be amended from time to time (the "**PPNCR**"). The Purchaser and any proposed assignee will jointly and severally indemnify and save harmless the Released Parties from any loss, damage, liability, cost and expense (including, without limitation, fines and penalties) suffered by the Released Parties, directly or indirectly as a result of any misrepresentation or false or misleading statement in any information and records provided to the Vendor pursuant to this section 18.

No assignment under this section 18 will be valid until the Vendor has received the applicable administrative fee payable in accordance with this section 18, and the assignor and the assignee have executed and delivered to the Vendor an assumption agreement in favour of the Vendor in the form required by the Vendor and the Vendor has received any additional documents it may require from the assignor, the assignee and/or any other party in connection with its consent to the assignment, including, without limitation, any certificate or other documents necessary or required by the Vendor pursuant to the PPNCA. Notwithstanding the foregoing provisions of this section 18 and regardless of whether or not the Vendor consents in writing to an assignment of this Contract in accordance with this section 18, the Purchaser will not, under any circumstances, assign this Contract in a manner that: (A) qualifies as an "avoidance transaction" as such term is defined under section 2.04 of the PTTA; or (B) contravenes the provisions of the PPNCA or the PPNCR. The Purchaser will indemnify the Released Parties against any damages, losses, duties, levies, fees, penalties, costs and expenses that any of the Released Parties may suffer or incur under the PTTA or any regulation thereunder, or under the PPNCA or the PPNCR, in connection with an assignment of this Contract or otherwise in connection with the transaction contemplated herein

19. Assignment by Vendor. The Vendor will be entitled, in its sole and absolute discretion, to sell, assign or otherwise transfer its right, title and interest in this Contract without the consent of the Purchaser.

20. Personal Information. The Purchaser hereby consents to the collection, use and disclosure of personal information contained in this Contract and otherwise collected by or on behalf of the Vendor, its agents, solicitors, affiliates and service providers for all purposes consistent with the transaction contemplated herein including to: (a) complete the transaction contemplated by this Contract; (b) invest the Deposit as provided for herein including providing personal information to the financial institution as required for reporting interest earned on the Deposit in accordance with applicable laws; (c) facilitate the entering into of a deposit protection contract and release of the Deposit in accordance therewith; (d) facilitate the management of the Development; (e) market, sell, provide and inform the Purchaser of products and services of the Vendor and its affiliates and partners, including information about future projects; (f) comply with the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and regulations, rules and policies thereunder or relating thereto, the *Freedom of Information and Privacy Act* (British Columbia) and regulations, rules and policies thereunder or relating thereto, REDMA and regulations, rules and policies thereunder or relating thereto, and the PPNCA and the PPNCR, each as may be amended from time to time, and all other applicable laws; and (g) disclose such personal information to the Vendor's affiliates, agents, assignees, partners, business partners, contractors, suppliers, bankers, solicitors, accountants, insurers, warranty providers, utility providers, relevant governmental authorities or agencies and other advisors and consultants in furtherance of the foregoing purposes. The Purchaser also agrees to provide to the Vendor, the Vendor's agents and the Vendor's Solicitors, promptly upon request, any additional personal or other information not contained herein that is required in order to comply with the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and regulations, rules and policies thereunder or relating thereto, REDMA and regulations, rules and policies thereunder or relating thereto, the PPNCA and the PPNCR, and with all other applicable laws, each as may be amended from time to time, and the Purchaser acknowledges that the foregoing consent applies to any such personal information.

21. Notices and Tender.

(a) Any notice or other communication required or desired to be given pursuant to or relating to this Contract will be in writing and delivered in accordance with this section 21. Any notice to the Purchaser may be delivered by the Vendor by any one of the following means, in the sole discretion of the Vendor: (i) by e-mail to the e-mail address for the Purchaser set out on page 1 of this Contract, as may be changed only by an Address Change Notice; (ii) by personal delivery or by registered mail, courier or any other type of third party physical delivery service addressed to the Purchaser at the Purchaser's address set out on page 1 of this Contract, as may be changed only by an Address Change Notice; or (iii) by delivery to the Purchaser's Solicitors by personal delivery, registered mail, courier or any other type of third party physical delivery service or by e-mail. Any documents to be tendered on the Purchaser may be tendered on the Purchaser or the Purchaser's Solicitors. The Vendor will have no duty to further verify the currency of the Purchaser's postal address or e-mail address or the Purchaser's Solicitors' postal address or e-mail address. The Purchaser will notify the Vendor of the name and address of the Purchaser's Solicitors as soon as reasonably possible and in any event well in advance of the Completion Date.

(b) Any notice to be given to the Vendor will be sufficiently given if sent by registered mail, courier or any other type of third party physical delivery service to the address of the Vendor set out on page 1 of this Contract. If the Vendor has obtained actual notice of a notice that was not validly delivered, but instead was delivered to the Vendor by personal delivery, fax, or e-mail, then the Vendor may at any time, in its sole discretion, deem such notice to be valid and delivered in satisfaction of the notice requirements of this Contract.

22. Continuing Construction and Marketing. The Purchaser agrees that the Vendor may continue to carry out construction work on the Development after the completion of the purchase of the Strata Lot by the Purchaser. The Purchaser acknowledges and accepts that such work may cause inconvenience to the use and enjoyment of the Strata Lot. The Purchaser will not impede or interfere with the Vendor's completion of construction of other strata lots, the common property, or the Development. The Purchaser acknowledges that the Vendor may retain strata lots in the Development for use as sales and administrative offices and/or display suites for marketing purposes or otherwise. The Purchaser agrees that, for so long as the Vendor is the owner of any strata lots in the Development, the Vendor and its marketing agents, and its and their affiliates, may carry out marketing, promotional and sales activities within the common property (including parking stalls and recreational facilities) of the Development or strata lots owned or leased by the Vendor including, without limitation, maintaining display suites, other display areas, parking areas and signage (including signage on the exterior of the Development) and permitting public access to same for the purpose of marketing any unsold strata lots. 2. GENERAL DESCRIPTION

2.1 General Description of the Development

(a) Legal Description

The development to be known as "Chloe" (the "**Development**") will be located on a portion of the lands currently legally described as follows:

Parcel Identifier: 031-145-884
Lot 1 Block 2 District Lot 526 Group 1 New Westminster District Plan EPP91453

(the "**Lands**")

The Developer intends to file in the New Westminster Land Title Office (the "**Land Title Office**") an airspace subdivision plan (the "**Airspace Plan**"), substantially in accordance with the preliminary airspace sketch plan attached as Exhibit "A" (the "**Preliminary Airspace Plan**"), which Airspace Plan will subdivide the Lands, as shown in the Preliminary Airspace Plan, to create the following parcels:

(i) airspace parcel (the "**Airspace Parcel**"); and

(ii) the remainder (the "**Remainder**").

Upon the filing of the Airspace Plan, each of the Airspace Parcel and Remainder will be registered in the name of the Nominee. Subsequent to the filing of the Airspace Plan, the Developer intends to file in the Land Title Office a strata plan (the "**Final Strata Plan**") that will subdivide the Airspace Parcel to create the Strata Lots and the Common Property (both terms defined in subsection 2.1(c)) comprising the Development. The Developer intends that the Final Strata Plan will be substantially in accordance with the preliminary strata plan (the "**Preliminary Strata Plan**") attached as Exhibit "B".

(b) Street Address of the Development

As of the date of this Disclosure Statement, the Strata Lots located within the Building (as defined in subsection 2.1(c)) are intended to be municipally described as separate units located at 2096 West 47th Avenue, Vancouver, British Columbia. The Developer anticipates that the addresses of the Strata Lots within the Development will be assigned by the City of Vancouver (the "**City**") prior to the filing of the Final Strata Plan. The municipal address(es) of the Strata Lots and/or the Development may be changed by the City during the course of completion of the Development.

(c) The Development

As shown on the Preliminary Airspace Plan, it is intended that the Development will form a part of a larger, mixed-use residential and commercial complex (the "**Complex**") that will be constructed within the Lands. It is intended that the Development will consist of one four (4) storey concrete building (the "**Building**") that is connected to the Remainder and a two (2) level below grade parking facility (the "**Parking Facility**"), which Parking Facility will be partially located within the Airspace Parcel and partially within the Remainder. For further details regarding the general composition of the Complex and the Parking Facility, please see subsection 2.1(d) and Section 3.6.

The Developer intends that the Development will be wholly located within the Airspace Parcel and will consist of, generally: portions of the Parking Facility; portions of the ground floor of the Building; substantially all the floors within the Building located above the ground floor, and those other areas within the Airspace Parcel as shown on the Preliminary Airspace Plan. For further details regarding the above, please see subsection 2.1(d).

The Developer intends that the Development will be a residential development consisting of 48 strata lots (each a "**Strata Lot**" and collectively, the "**Strata Lots**"). Each Strata Lot will initially be registered in the name of the Nominee upon the filing of the Final Strata Plan. The Strata Lots will be owned individually and located within the Building as shown on the Preliminary Strata Plan attached hereto as Exhibit "B". All of the Strata Lots are being marketed by the Developer under this Disclosure Statement.

It is intended that a lobby within the ground floor of the Building (the "**Lobby**") and the Parking Facility will provide access to two passenger elevators (collectively, the "**Elevators**") as shown on the Preliminary Airspace Plan and Preliminary Strata Plan that will provide access to all of the Strata Lots. In addition, it is further intended that the Elevators and the Lobby will be available for the exclusive use of the owners, tenants, occupants and invitees of the Strata Lots.

It is intended that the Development will consist of the following types of Strata Lots:

Type of Strata Lot	Number of Strata Lots
1 Bedroom	14
2 Bedroom	26
3 Bedroom	8
Total Strata Lots	**48**

The Developer reserves the right, in its sole discretion, to not market and offer for sale one or more of the above types of Strata Lots and/or to market and offer for sale more or fewer of the above types of Strata Lots and/or one or more additional types of Strata Lots.

Subject to the encumbrances referred to in Section 4.3 and Section 4.4 and any restrictions outlined in this Disclosure Statement and the Proposed Bylaws (defined in Section 3.5), each of the owners of the Strata Lots will also be entitled to a proportionate share of the common property (the "**Common Property**") of the Development, other common facilities, and other assets of the Strata Corporation (defined in Section 3.2 below), which the owners of the Strata Lots will own as tenants-in-common.

The proposed layout of the Development and the approximate dimensions and location of the Strata Lots are set out in the Preliminary Airspace Plan and Preliminary Strata Plan which are attached hereto as Exhibit "A" and Exhibit "B", respectively. The size and locations of the Strata Lots shown on the Preliminary Airspace Plan and Preliminary Strata Plan, and in any sales brochures or other marketing materials, are provided for information purposes only, and are not represented as being the actual final areas, sizes or locations of the Strata Lots. The Final Strata Plan will be prepared upon completion of construction of the Development. The sizes and locations of the Strata Lots and the sizes and locations of the Common Property and the Limited Common Property (defined in Section 3.4) on the Final Strata Plan may vary from those shown on the Preliminary Airspace Plan and/or Preliminary Strata Plan.

The Developer reserves the right to make amend the features and designs as set out in the Preliminary Airspace Plan, Preliminary Strata Plan and to the architectural plans and specifications of the Strata Lots or the Development. The Developer may use alternative materials or finishes, as may be necessary or desirable in the opinion of the Developer or its architect. The Developer also reserves the right to amend the size, number and type of Strata Lots (including increasing or decreasing the number of Strata Lots), Parking Stalls, Storage Lockers and/or Bicycle Storage Lockers for the Development, to combine two or more Strata Lots into a single Strata Lot, to subdivide single Strata Lots into two or more Strata Lots, to renumber the Strata Lots, Parking Stalls, Storage Lockers and/or Bicycle Storage Lockers or to renumber the unit numbers assigned to the Strata Lots, and to amend the locations, layouts, configurations, contents and sizes of any Common Property and/or Limited Common Property prior to filing the Final Strata Plan relating to the Development without notice, compensation to or consent from the Strata Corporation and the purchasers of the Strata Lots.

(d) Commercial Development and Shared Parking

It is intended that a commercial development (the "**Commercial Development**") may be constructed within the Remainder and may include: (a) commercial and retail units which will be located within the Remainder, and in part, within the Building; and (b) maintenance, parking and storage for the owners, tenants, guests and invitees of the units within the Commercial Development which will be located within the Remainder, Parking Facility and the Building.

Despite being located adjacent to the Development but partially within the Building and Parking Facility, the Commercial Development will not be included on the Final Strata Plan and will effectively be a neighbour to the Development. Accordingly, the Commercial Development will not be part of the Strata Corporation (defined in Section 3.2) of the Development.

It is intended that the Development and the Commercial Development will each rely upon the other for structural support and will share various areas, including portions of the Parking

Facility, equipment, mechanical and electrical systems, telecommunications, loading and landscaped areas, facilities and certain other things located within the Complex, and that the relationship between the Development and the Commercial Development will be governed not by the *Strata Property Act* (British Columbia) (the "***Strata Property Act***"), but by an airspace agreement (the "**Airspace Agreement**") registered against titles to the Strata Lots, Common Property and the Remainder, and any other registered or unregistered agreements which the City or the Developer requires in its sole discretion, which Airspace Agreement, and other agreements if applicable, may contain provisions, covenants, easements and/or equitable charges regarding support, access and use of shared areas, management, maintenance, cost-sharing and/or insurance requirements. For further details regarding the shared use of the Parking Facility, see subsection 3.6(c) and Section 4.4.

Notwithstanding any intention to the contrary expressed in this subsection 2.1(d), the Developer reserves the right in its sole discretion to implement any other method or arrangement that will govern the relationship between the Development and the Commercial Development including how the Parking Facility will be accessed and/or shared which method or arrangement may be based on easements, covenants, equitable charges and other registered agreements and/or unregistered agreements including leases, licenses and cost sharing agreements. For further details, see Sections 3.3, 3.6, 4.4 and 7.4.

Notwithstanding any intention to the contrary expressed in this subsection 2.1(d), the Developer reserves the right in its sole discretion to: (i) not construct the Commercial Development within the Remainder; (ii) delay the construction of the Commercial Development and/or modify any plans in connection therewith; (iii) modify any plans relating to the Complex, including the location and size of its components including the Parking Facility; (iv) construct any type of development(s) within the Remainder, including condominium, commercial and retail developments which developments may include units intended to be used for commercial and/or residential uses; (v) sell and/or lease the Remainder or any part thereof to any party in its sole discretion; and/or (vi) further subdivide all or any part of the Remainder by airspace subdivision or strata plan. Without limiting the foregoing, if the Developer, in its sole discretion, subdivides the Remainder by way of the deposit of a strata plan with the Land Title Office to create strata lots, common property and a strata corporation in respect of same, then any agreements contemplated herein with the owner of the Remainder or charges contemplated to be registered against or in favour of the Remainder may, respectively, be agreements with the owner(s) of such strata lots and/or the strata corporation and charges registered against or in favour of such strata lots and/or common property.

2.2 Permitted Use

The zoning applicable to the Lands is, as of the date of this Disclosure Statement, C-2 (the "**C-2 Zone**") pursuant to the City of Vancouver Bylaw No. 3575 (the "**Bylaw**"). The Bylaw confirms that Multiple Dwelling, which is defined to include a building containing only three or more dwelling units, is a conditional approval use. As a result, the Lands may be used for Multiple Dwelling, as defined in the Bylaw, if the Director of Planning has approved such use. The Developer intends that the Lands be used as Multiple Dwelling as contemplated above. As a result, the Lands may be used as noted above subject to any required approvals and conditions noted in the excerpt attached hereto as Exhibit "C".

As shown in the excerpt of the Bylaw attached hereto as Exhibit "C", there are several other permissible uses and conditional approval uses of the Development, some of which are subject to certain conditions outlined in the Bylaw, beyond those intended by the Developer, including (without limitation):

2.3 Phasing

The Development is not part of a phased strata plan.

3. STRATA INFORMATION

3.1 Unit Entitlement

The unit entitlement of a strata lot is a figure indicating the strata lot owner's share in the common property and assets of the strata corporation, and is used to determine each strata lot owner's contribution to the expenses of the strata corporation. The unit entitlement (collectively, the "**Unit Entitlements**" and individually, a "**Unit Entitlement**") for the Strata Lots is calculated according to the habitable area of each Strata Lot in square metres, rounded to the nearest whole number. The habitable area is defined in the *Regulations* to the *Strata Property Act* as "the area of a residential strata lot which can be lived in, but does not include patios, balconies, garages, parking stalls or storage areas other than closet space". A proposed Schedule of Unit Entitlement is attached as Exhibit "D" to this Disclosure Statement. The calculation of

Unit Entitlement set out in Exhibit "D" is based on the Preliminary Strata Plan and may vary when calculated on the basis of the surveyed Final Strata Plan for the Development.

3.2 Voting

There will be one strata corporation (the "**Strata Corporation**") in respect of the Strata Lots created upon the filing of the Final Strata Plan in the Land Title Office. Each Strata Lot will have one (1) vote in the Strata Corporation.

The Developer reserves the right to designate portions of the Common Property as Limited Common Property (as defined in Section 3.4) on the Final Strata Plan, or as part of the Remainder on the Airspace Plan. Use of the Common Property is subject to the bylaws of the Strata Corporation, the *Strata Property Act*, any designations of Common Property as Limited Common Property and any licences, easements, options to lease, leases, rights-of-way or covenants described in this Disclosure Statement which are granted by the Developer prior to registration of the Final Strata Plan or by the Strata Corporation once the Final Strata Plan is registered in the Land Title Office and the Strata Corporation is formed.

It is expected that the cost of operating and maintaining those portions of the Common Property available for use by the owners of Strata Lots will be shared by the owners of the Strata Lots and included in their monthly assessments although certain portions of the Common Property may be subject to use by the Commercial Development pursuant to the Airspace Agreement, the Parking Easement (as defined in subsection 3.6(c)) or other related agreements, in which case the costs associated with operating and maintaining those portions of the Common Property may be shared with the Commercial Development.

(iii) all limited common property other than that identified below in paragraphs (A) through (F) and in Bylaw 3 of the Proposed Bylaws (defined in Section 3.5 and attached hereto as Exhibit "E"), but the duty to repair and maintain it is restricted to repair and maintenance that, in the ordinary course of events, occurs less often than once a year, and

(iv) the following limited common property, no matter how often the repair or maintenance ordinarily occurs:

A. the structure of a building;

B. the exterior of a building;

C. terraces, roof terraces, chimneys, stairs, balconies and other things attached to the exterior of a building;

D. doors, windows and skylights on the exterior of a building or that front on the common property;

E. fences, railings and similar structures that enclose terraces, roof terraces, balconies and yards; and

F. planting beds and lawn areas.

(b) Changes to Limited Common Property Designations

The Developer reserves the right in the Developer's sole and absolute discretion to revise any designation of Limited Common Property shown on the Preliminary Strata Plan and/or to designate additional areas as Limited Common Property for one or more Strata Lots prior to the deposit of the Final Strata Plan with the Land Title Office.

3.6 Parking and Storage Areas

(a) Parking

As noted in subsection 2.1(c), it is intended that the Parking Facility will be located partially within the Airspace Parcel and partially within the Remainder as shown on the Preliminary Airspace Plan. It is further intended that the Parking Facility will include related driveway aisles, exits, stairwells and refuge spaces for ingress and egress from the Parking Facility.

(i) Parking Facility

The Developer intends that the Development will be allocated approximately 65 parking stalls and one (1) motorcycle stall (individually, a "**Parking Stall**" and collectively, the "**Parking Stalls**"), which Parking Stalls, it is intended, will generally be located within the portion of the Parking Facility located within the Airspace Parcel. The locations and allocation, including manner of allocation, of the EV Stalls will be determined by the Developer in its sole discretion. Any electricity that is consumed as a result of the use of an EV Stall or after an addition of a charging station is expected to be metered individually for individuals (the "**Electricity Costs**"). As a result, the Electricity Costs will be combined with each Strata Lot's general electricity use and billed directly to each respective Strata Lot. The Developer reserves the right, in its sole discretion, to vary how the Electricity Costs are invoiced to Strata Lots, including directly to the Strata Corporation, which may be apportioned equally to Strata Lots, as applicable. As a result, the Strata Corporation may also charge a user fee for the use of an EV Stall.

(iii) Disabled Stalls

It is intended that two (2) of the Parking Stalls will be marked and for the use of persons with disabilities (the "**Disabled Stalls**"). The allocation of the Disabled Stalls may be done by the Developer in its sole discretion. The Parking, Bicycle Storage Locker/Storage Locker Lease (as defined below) will provide that the Disabled Stalls will be allocated on a first-come, first-served basis, for use by the owners of the Strata Lots who are eligible to receive (or whose spouse, dependent child or tenant residing in the applicable Strata Lot is eligible to receive) a disabled person's parking permit from the applicable government authority for use of parking stalls designed for use by persons with a disability.

The Disabled Stalls may be partially assigned to, and used by, Strata Lot owners who do not qualify for the use of disabled parking stalls. However, the Parking, Bicycle Storage Locker/Storage Locker Lease (as defined below) will require that if a Strata Lot owner, or his or her spouse, dependent child or tenant qualifies for the use of a disabled parking stall, then a Strata Lot owner who does not qualify for the use of a disabled parking stall but who has been assigned a Disabled Stall will exchange that Disabled Stall for the Parking Stall assigned to the Strata Lot owner who qualifies for the use of a disabled parking stall pursuant to the terms in the Parking, Bicycle Storage Locker/Storage Locker Lease.

(iv) Parking Garages

The Developer may include up to 13 parking garages within the Parking Facility that will include two (2) Parking Stalls and a Storage Locker (as defined below) (individually, a "**Parking Garage**" and collectively, the "**Parking Garages**"). The Developer, in its sole discretion, may offer a Parking Garage to Strata Lot owners at the time of entering into a Purchase Agreement which will convert two (2) Parking Stalls and a Storage Locker into a Parking Garage at an additional cost to be determined by the Developer, in its sole discretion. The Developer reserves the right, in its sole discretion, to amend the size, number and type of Parking Garages (including increasing or decreasing the number of Parking Garages) or to not construct the Parking Garages.

(b) Bicycle Storage Lockers, Bike Racks and Storage Lockers

It is intended that the Development will include 13 bicycle lockers (individual, a "**Bicycle Storage Locker**" and collectively, the "**Bicycle Storage Lockers**") and 35 storage lockers (individually a "**Storage Locker**" and collectively, the "**Storage Lockers**", and collectively with the Bicycle Storage Lockers, the "**Lockers**") that are expected to be located in the Parking Facility. It is anticipated that the Lockers will be designated as Common Property (as shown on the Preliminary Strata Plan attached as Exhibit "B") subject to terms of an option to lease or lease in favour of an entity related to the Developer. The Developer also intends that the Development will contain approximately 60 bicycle storage spaces (collectively, the "**Bike Racks**") that are expected to be located in two separate bicycle rooms in the Parking Facility. It is anticipated that the Bike Racks will be designated as Common Property (as shown on the Preliminary Strata Plan attached as Exhibit "B") and will be allocated and maintained by the Strata Corporation, in its sole discretion.

The size of the Lockers and Bike Racks is to be determined by the Developer in its sole discretion. It is anticipated that the Lockers will be designated as Common Property subject to the terms of an option to lease or lease in favour of an entity related to the Developer. Notwithstanding the foregoing, the Developer reserves the right, in its sole discretion, to allocate the exclusive use of any of the Lockers and/or Bike Racks, or one or more portions thereof, to one or more purchasers of Strata Lots by any method the Developer may determine without consultation of any purchasers of the Strata Lots and in its sole discretion. Any Locker allocated will be determined by the Developer in its sole discretion.

(c) Parking, Bicycle Storage Locker/Storage Locker Lease

It is intended that the Parking Stalls and Lockers will be leased by the Developer to a tenant that is related to the Developer (the "**Tenant**") pursuant to a lease (the "**Parking, Bicycle Storage Locker/Storage Locker Lease**"), the preliminary form of which is attached to this Disclosure Statement as Exhibit "F", to be entered into prior to registration of the Final Strata Plan. The Developer may cause the Tenant to assign the right to the sole use of any of the available Parking Stalls to the owners of the Strata Lots on terms established by the Developer. The Parking/Bicycle Storage Locker/Storage Locker Lease may require the re-allocation of the Disabled Stalls if needed by someone requiring a disabled stall. The Parking Stalls and Lockers will be allocated by the Developer, in its sole discretion, without consultation of any purchasers of the Strata Lots and in its sole discretion.

While the Developer currently intends to designate the Parking Stalls by partial assignments of rights under the Parking/Bicycle Storage Locker Lease, the Developer may, in its sole discretion, allocate any Parking Stalls for the exclusive use of one or more individual Strata Lot owners, on such terms as the Developer may determine using one or more of the following methods:

(i) partial assignment of rights under a lease;

(ii) designation on the Final Strata Plan as Limited Common Property to specific Strata Lots, upon filing of the Final Strata Plan;

(iii) designation on the Final Strata Plan as Limited Common Property to specific Strata Lots after the filing of the Final Strata Plan and before the first annual general meeting of the Strata Corporation in accordance with section 258 of the *Strata Property Act*; or

(iv) such other method as the Developer may determine.

The use of Parking Stalls will always be subject to the bylaws of the Strata Corporation in place from time to time, as provided in more detail in Section 3.5 hereof, and any lease, option to lease or partial assignment of lease in respect of the Parking Stalls.

Although it does not intend to do so as of the date of this Disclosure Statement, if the Developer chooses to allocate the Parking Stalls in accordance with Section 3.6(c)(iii) above, the Developer is not required to act with a view to the best interests of the Strata Corporation but must act honestly and in good faith and exercise the care, diligence and skill of a reasonable prudent person in comparable circumstances. Such a designation of Parking Stalls does not require approval by a resolution at an annual or special general meeting. On this basis, the Developer hereby reserves the right to allocate any of the Parking Stalls as Limited Common Property to specified Strata Lots for the exclusive use by the owners of one or more Strata Lots or otherwise as may be determined by the Developer, up to the first annual general meeting after the filing of the Final Strata Plan.

The number, location, size and layout of the Parking Stalls and/or Lockers is to be determined by the Developer in its sole discretion. Further, the number and size of the Parking Stalls and/or Lockers is subject to change by the Developer without compensation to the Strata Corporation and/or purchasers of the Strata Lots or owners of the Strata Lots in the Development, as the case may be. The Parking Stalls may be small car stalls, have limited overhead capacity, may be marked for the use of persons with disabilities. Further, Parking Stalls and Lockers may vary in size, shape or may partially be obstructed by columns, pipes, ducts, electrical or mechanical equipment, or other equipment necessary to the operation of the Development. Certain Strata Lots may not be allocated the option of acquiring a Parking Stall designated to such Strata Lot.

(d) Shared Use of Parking Facility

As noted in subsection 2.1(d), it is intended that the Development and the Commercial Development will share portions of the Parking Facility as follows:

1. the occupants and guests of the Development will have the non-exclusive use of certain driveway aisles, exits, stairwells, ramps and refuge spaces located within the portion of the Parking Facility within the Remainder for various purposes including accessing certain mechanical systems located within such portion of the Parking Facility and ingress and egress to the portion of the Parking Facility within the Airspace Parcel; and

2. the occupants and guests of the Commercial Development will have the non-exclusive use of certain driveway aisles, exits, stairwells, ramps and refuge spaces located within the portion of the Parking Facility within the Airspace Parcel for various purposes including accessing certain mechanical systems located within such portion of the Parking Facility

(the above-referenced shared areas being collectively referred to as the "**Shared Areas**").

It is further intended that the use of the Shared Areas by the occupants and guests of the Development and Commercial Development, respectively, will be secured by way of easement(s) registered against the Remainder and Airspace Parcel, as applicable, in favour of

the other parcel (the "**Parking Easement**") as described further in subsection 4.4(f), which Parking Easement may be contained within the Airspace Agreement. The Developer reserves the right, in its sole discretion, to secure the use of the Shared Areas by any other means available to the Developer and to allocate the exclusive use or shared use, of any other areas within the Airspace Parcel to the Commercial Development.

3.7 Furnishings, Equipment and Appliances

The following equipment/furnishings may be included in the purchase of each Strata Lot:

[a]	dishwasher	[d]	fridge and freezer	[g]	microwave
[b]	cooktop range	[e]	overhead hood fan	[h]	blinds
[c]	washer and dryer	[f]	wall oven		

The Developer reserves the right in its sole discretion to not include any of the above items or replace certain items with other equipment/furnishings. The above items will not be encumbered except to the extent of any mortgage registered in the Land Title Office and any general security agreement filed under the *Personal Property Security Act*. Any filings under the *Personal Property Security Act* are expected to be released upon payment in full of the construction financing obtained by the Developer which may not occur until after all of the strata lots/units have been sold in the Development and Commercial Development. The Developer will determine, in its sole discretion, whether the Strata Lots will include window blinds, rollers or shades.

Any manufacturer's warranty for appliances and equipment whether located in the Strata Lots or on the Common Property will be passed on to the purchaser or the Strata Corporation if and to the extent permitted by such warranty.

3.8 Budget

The estimated interim operating budget (the "**Interim Budget**") of the Strata Corporation for the 12 month period beginning on the first day of the month following the month in which the first conveyance of a Strata Lot to a purchaser occurs is attached hereto as Exhibit "G". The monthly allocation of the Interim Budget amongst the Strata Lots is set out in the schedule attached as Exhibit "H" and is calculated in proportion to the Unit Entitlement figure (see Exhibit "D") for each Strata Lot relative to the aggregate Unit Entitlement of all Strata Lots. The actual monthly contributions will be adjusted upon the finalization of the Unit Entitlement figures when the Final Strata Plan is filed. The monthly contributions will be further adjusted upon the establishment by the Strata Corporation of the actual budget of operating expenses at the first annual general meeting of the Strata Corporation.

The *Strata Property Act* requires that depreciation reports be obtained by the Strata Corporation from time to time, in accordance with and subject to the provisions of the *Strata Property Act* and Regulations. It is anticipated that the costs associated with obtaining the required depreciation reports will be added to future budgets of the Strata Corporation, and that these added costs will result in increases to the budget from time to time.

As discussed in subsection 7.4(f), it is intended that the Development may be serviced by a thermal energy system to provide for the domestic hot water heating and space heating of the Strata Lots and the Common Property the associated costs of which will be paid by the Strata Corporation and are currently included within the Interim Budget attached hereto as Exhibit

"G". Therefore, the amount an owner of a Strata Lot pays with respect to the consumption of domestic hot water heating and space heating may not correspond to the amount of domestic hot water heating and space heating consumed by such owner.

As of the date of this Disclosure Statement, there has been considerable uncertainty relating to the insurance costs for strata corporations, and premiums have been increasing significantly. This uncertainty presents difficulties in the preparation of the Interim Budget attached at Exhibit "G". As a result, the Interim Budget as set out in Exhibit "G" is based on insurance availability as of the date of this Disclosure Statement and is subject to change due to insurance market conditions.

3.9 Utilities and Services

(a) General

As the Development is located within the City, all usual municipal and utility services will be provided to the Development, including water, electricity, sewerage, fire protection, telephone and access. It is intended that natural gas will be provided to the Development and will be paid for by the Strata Corporation as set out in the Interim Budget attached as Exhibit "G" and their cost will be prorated to the owners of the Strata Lots and included in the monthly assessments.

It is anticipated that the Development will be serviced by a thermal energy system to provide for the domestic hot water heating and space heating for the Strata Lots and the Common Property; for further details please see Section 7.4(f).

The Developer intends to cause the Strata Corporation to enter into a management agreement with a professional management company, not related to or affiliated with the Developer, with

respect to the control, management and administration of the Common Property, including limited common property, and other obligations of the Strata Corporation. Notwithstanding the foregoing, the Developer reserves the right, in its sole discretion, to not cause the Strata Corporation to enter into a strata management agreement as aforesaid in which event the Strata Corporation will be self-managed.

In the event that a strata management agreement is entered into, the strata management agreement is anticipated to include, but not limited to the following scope:

(i) the collection of strata fees;

3.12 Rental Disclosure Statement

Under Section 139 of the *Strata Property Act*, a developer must disclose to any purchaser of a Strata Lot an intention to lease strata lots in order to ensure that such strata lots may be leased in the future. A rental disclosure statement has been filed with the Superintendent of Real Estate concurrently with the filing of this Disclosure Statement and a copy is attached as Exhibit "I". The Developer reserves the right to lease the Strata Lots.

Accordingly, Claims may be registered against titles to the Lands or the Airspace Parcel, as the case may be, the Strata Lots or the Common Property. 5. CONSTRUCTION AND WARRANTIES

5.1 Construction Dates

The estimated date range of commencement of construction is between November 30, 2021 and February 28, 2022. The estimated date range of completion of construction is between November 30, 2023 and February 28, 2024.The estimated commencement of construction date range is based on the anticipated first date of commencement of excavation in respect of construction of an improvement that will become part of a Strata Lot within the Development. The estimated completion of construction date range is based on the first estimated date that a Strata Lot within the Development may be lawfully occupied, even if such occupancy has been authorized on a provisional or conditional basis.

The foregoing date ranges are estimates only, made as of the date of this Disclosure Statement. Commencement and completion of construction of the Development may be earlier or later than the date ranges set out above due to construction factors and/or market conditions. Construction schedules are subject to constant change. For information regarding the closing dates for purchases of Strata Lots, see Section 7.2 and Exhibit "K".

5.2 Warranties

(a) The Development is being constructed by a licensed builder under the *Homeowners Protection Act*. The Development, including each of the Strata Lots, will be covered by the mandatory warranties required under the *Homeowners Protection Act* and will include coverage for defects in materials and labour for a period of two (2) years from the date the warranty commences, defects in the building envelope(s) for a period of five (5) years and structural defects for a period of ten (10) years. 6.2 Construction Financing

The Developer has not obtained a satisfactory financing commitment (the "**Construction Financing**") from a third party lender (the "**Construction Lender**"). The Developer anticipates that it will obtain such satisfactory financing commitment on a later date that is within twelve months following the date of this Disclosure Statement. It is anticipated that financing will be secured by registration of the Future Financial Encumbrances against title to the Lands (see subsection 4.4(a)).

Following receipt of a commitment for Construction Financing, titles to the Lands and the Strata Lots may be subject to mortgages and assignments of rent and/or any other security (collectively, the "**Construction Financing Security**") which is reasonably required by the Construction Lender in connection with the Construction Financing. The Construction Lender will provide a partial discharge of the Construction Financing Security, insofar as it pertains to any particular Strata Lot, within a reasonable period of time after the completion of the sale of such Strata Lot, upon receipt by the Construction Lender of a specified or predetermined amount from the proceeds of the sale of such Strata Lot. The Future Financial Encumbrances may remain as a charge against the Common Property until such time as all sums secured by the Future Financial Encumbrances have been paid in full.

(d) The information set out in this Section 7.2 is a summary of provisions contained in the Purchase Agreement. Please refer directly to the Purchase Agreement for the actual provisions summarized in this Section 7.2.

(e) Pursuant to the terms of the Purchase Agreement, the following provisions relate to the adjustment of the Purchase Price:

(i) the Vendor represents and warrants that the area of the Strata Lot as shown on the Final Strata Plan will be no more than 5% smaller than the area of the Strata Lot as shown on the Preliminary Strata Plan. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by 5% or less, than the area of the Strata Lot as shown on the Preliminary Strata Plan, the Purchaser will have no entitlement to any reduction in the Purchase Price and no claim whatsoever against the Vendor in respect of such variation in the size of the Strata Lot. If the area of the Strata Lot as shown on the Final Strata Plan is smaller, by more than 5%, than the area of the Strata Lot as shown on the Preliminary Strata Plan, then the Purchase Price will be reduced by an amount determined in accordance with the following formula:

R = (.95 - A/P) x the Purchase Price

where,

R = the amount of the reduction of the Purchase Price in accordance with this Section 7.2(e)(i) ;

A = the actual area of the Strata Lot on the Completion Date as shown on the Final Strata Plan; and

P = the area of the Strata Lot as indicated in the Preliminary Strata Plan.

(f) Pursuant to the terms of the Purchase Agreement, the following provisions relate to the termination of the Purchase Agreement:

(i) the Vendor may terminate the Purchase Agreement if the Purchaser defaults on any of the Purchaser's obligations as set out in the Purchase Agreement, including but not limited to payment of any amount on account of the Purchase Price. The Developer will not be liable for any costs or damages incurred by the Purchaser as a result of such termination;

(ii) the Purchase Agreement will automatically terminate in the following circumstances:

A. if the Completion Date has not occurred by the Outside Date, as such Outside Date may be extended in accordance with the Purchase Agreement; and

B. if the Purchaser's obligation to purchase a Strata Lot is subject to one or more conditions, then the Vendor may, on written notice delivered to the Purchaser, require the Purchaser to either satisfy or waive such

conditions by the delivery of written notice to the Vendor within seventy-two (72) hours from the time the Vendor delivers its notice to the Purchaser. If the Purchaser's written notice either satisfying or waiving the Purchaser's conditions is not received by the Vendor within the time permitted as aforesaid, then the Purchase Agreement will terminate.

(iii) The Developer may, in its sole discretion, terminate the Purchase Agreement if the Developer has reasonable grounds to suspect that any part of the transaction contemplated by the Purchase Agreement is related to the commission or attempted commission of a "money laundering offence" or a "terrorist activity financing offence", as defined in the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) and regulations under that Act, as amended from time to time, in which event the portion of the Deposit that has been paid shall be returned to the purchaser and the purchaser shall have no further claims against the Developer. The Developer will not be liable for any costs or damages incurred by the Purchaser as a result of such termination; and

(iv) If the Vendor has not entered into binding offers to purchase and agreements of sale with purchasers in respect of 29 or more of the strata lots in the Development (the "**Minimum Pre-Sales**") by June 11, 2022 (the "**Minimum Pre-Sales Date**"), then the Vendor will have the right to terminate the Purchase Agreement by giving notice of termination in writing to the Purchaser or the Purchaser's Solicitor at any time after the Minimum Pre-Sales Date until the earlier of:

A. the date that the Minimum Pre-Sales are achieved; and

B. the date that is one month after the Minimum Pre-Sales Date.

(g) Pursuant to the terms of the Purchase Agreement, the following provisions allow for an extension of time for completing the purchase and sale of a Strata Lot:

(i) if title to the Strata Lot has not been issued by the Land Title Office or the Strata Lot is not ready to be occupied on the Completion Date established under the Purchase Agreement, then the Vendor may delay the Completion Date for up to 30 days from time to time as required, by notice of such delay to the Purchaser or the Purchaser's Solicitors; and

(ii) if all payments on account of the Purchase Price and any other monies payable by the Purchaser under the Purchase Agreement are not paid when due or if the Purchaser is otherwise in default of the provisions of the Purchase Agreement, then the Vendor may elect to extend the time for completion, and revise such terms of the Purchase Agreement as may be required in order to accommodate the extension, and to complete the transaction contemplated by the Purchase Agreement, in which event the Purchaser will pay to the Vendor, in addition to the Purchase Price, interest on the unpaid portion of the Purchase Price and other unpaid amounts payable by the Purchaser under the Purchase Agreement at the rate of 2.0% per month (27% per annum), which interest will be calculated daily from and including the date upon which such payment and

amounts were due pursuant to the terms of the Purchase Agreement to and including the date upon which such payment and amounts are paid.

(h) Pursuant to the terms of the Purchase Agreement, the following provisions relate to the extension of the Outside Date:

(i) if the Vendor is delayed from completing construction of the Strata Lot or satisfying any other conditions of closing as a result of earthquake, flood, disease, epidemic, pandemic or other act of God, fire, explosion or accident, howsoever caused, act of any governmental authority, strike, lockout, quarantine, inability to obtain or delay in obtaining labour, supplies, materials or equipment, delay or failure by carriers or contractors, breakage or other casualty, climatic condition, interference of the Purchaser, or any other event of any nature whatsoever beyond the control of the Vendor, then the Outside Date will be extended for a period equivalent to such period of delay;

(ii) the Vendor may, at its option, exercisable by notice to the Purchaser, in addition to any other extension pursuant to subsections 7.2(g)(i) and/or 7.2(h)(i) and whether or not any delay described in such subsections has occurred, elect to extend the Outside Date for up to 120 days; and

(iii) should any extension of the Completion Date pursuant to subsection 7.2(g)(ii) result in the Completion Date extending beyond the Outside Date, as discussed in paragraph 5.1 of Schedule "A" to the Purchase Agreement, the Outside Date will be deemed to be extended to the same date as the Completion Date, and will not give the Purchaser any rights to terminate the Purchase Agreement.

(i) Pursuant to the terms of the Purchase Agreement, the follow provisions relate to the assignment of the Purchase Agreement.

Defined Terms. In this subsection, "**assignment**" has the meaning ascribed to it in the *Real Estate Development Marketing Act* (British Columbia), which meaning is outlined below in the first subparagraph (a).

Developer's Consent. The developer's prior consent referred to above will only be effective if it is in writing and may be unreasonably withheld by the developer in its sole discretion and, unless otherwise agreed to by the developer in writing, such consent will only be provided if all of the following conditions have been satisfied:

(a) the request for assignment of the purchase agreement by the Purchaser is made to the developer at least twelve months following a firm and binding purchase agreement is entered into by the Purchaser and at least one (1) months prior to the first day of the then current estimated date range of completion of construction of the Development as disclosed in Section 5.1 of this Disclosure Statement;

(b) all of the Deposit required to have been paid on or before the proposed date of the assignment of the purchase agreement has been paid;

(f) the developer has received the Assignment Fee (defined below).

If the developer's consent is not obtained in accordance with the above, then the developer will not be required to convey the Strata Lot to anyone other than the Purchaser named in the purchase agreement on the Completion Date.

Fee. If the Purchaser assigns this purchase agreement, as consideration for the Vendor agreeing to any proposed assignment of this purchase agreement and for any associated legal and administrative costs in connection with any assignment of this purchase agreement, the Purchaser will pay to the Vendor the amount equal to 2% of both: (i) the Purchase Price; and (ii) any consideration received for any assignment of this purchase agreement, plus GST and any other applicable value-added or sales tax, on such amount (collectively, the "**Assignment Fee**"), provided that the Assignment Fee will be equal to only $500.00 plus GST and any other applicable value-added or sales tax on such amount if the proposed Assignee is the Purchaser's spouse, parent, sibling, child, grandparent or grandchild.

agreement) without the prior, express written consent of the developer, which consent may be arbitrarily withheld by the developer in the developer's sole discretion.

(j) The Purchase Agreement contains the following provisions with respect to the right of the Vendor or the Purchaser to receive interest on deposit monies:

(i) If the estimated interest to be earned will exceed the Vendor's Solicitors' reasonable administration costs, the Vendor's Solicitors will invest the deposit monies in an interest bearing trust account with a Canadian chartered bank, trust company or credit union with interest to accrue to the credit of the Vendor, except as otherwise expressly provided within the Purchase Agreement;
