APPLICATION

1. The Applicant, Truist Bank (“**Truist**”), in its capacity as agent (in such capacity, the “**Agent**”) for a syndicate of lenders comprising Truist, Bank of Montreal and The Toronto-Dominion Bank (collectively, the “**Lenders**”), makes application (the “**Application**”) for an Order substantially in the form attached hereto at TAB 3 to the Application Record for the following relief:

- (a) abridging the time for service of this Application and the Application Record, and dispensing with service on any person other than those served;
- (b) appointing FTI Consulting Canada Inc. (“**FTI**”) as receiver and manager of the assets, property and undertakings (collectively, the “**Property**”) of Kew Media Group Inc. (“**Kew**”), Kew Media International (Canada) Inc. (“**KMICI**”) and Architect Films Inc. (“**Architect**”) pursuant to section 243(1) of the *Bankruptcy and Insolvency Act* (Canada) R.S.C. 1985, c. B-3, as amended (the “**BIA**”), and section 101 of the *Courts of Justice Act*, R.S.O. 1990, c. C-43, as amended (“**CJA**”);
- (c) granting the Receiver, and counsel to the Receiver, a charge on the Property (the “**Receiver’s Charge**”) as security for their fees and disbursements, and declaring that the Receiver’s Charge shall form a first charge on the Property in priority to all security interests, trusts, liens, charges and encumbrances, statutory or otherwise, in favour of any person, but subject to sections 14.06(7), 81.4(4) and 81.6(2) of the BIA;
- (d) granting a charge on the Property as security for the payment of monies borrowed by the Receiver, in priority to all security interests, trusts, liens, charges and encumbrances, statutory, or otherwise, in favour of any other person, but subordinate to the Receiver’s Charge and the charges as set out in sections 14.06(7), 81.4(4) and 81.6(2) of the BIA;
- (e) granting judgment to the Agent in the amount of the Indebtedness (as defined herein), plus interest and costs; and

- (f) Such further and other relief as counsel may advise and this Honourable Court may permit;

2. **THE GROUNDS FOR THE APPLICATION ARE:**

**Description of the Respondents**

- (a) Kew is a corporation incorporated under the laws of the Province of Ontario and is headquartered in Toronto. Kew is the parent company of a large group of companies that develops, produces and distributes multi-genre audiovisual content worldwide. Kew has offices and operations in Canada, the United States, the United Kingdom, Australia and New Zealand;
- (b) Each of KMICI and Architect is a corporation incorporated under the laws of the Province of Ontario and is a wholly-owned subsidiary of Kew;

**Indebtedness and Security**

- (c) Pursuant to an Amended and Restated Revolving Credit and Term Loan Agreement, dated as of July 23, 2018 (as amended, supplemented or otherwise modified from time to time, the "**Loan Agreement**"), the Lenders made available to Kew and Kew Media International Limited, formerly known as Content Media Corporation International Limited ("**KMIL**"), as co-borrowers (together, "**Borrowers**"), loan facilities in the aggregate amount of US\$110,000,000;
- (d) Pursuant to a U.S. Guaranty and Security Agreement and a Canadian Security Agreement, each made as of July 28, 2017 (together, as amended, supplemented or otherwise modified from time to time, the "**Security**"), Kew granted security over the Property to the Agent on behalf of the Lenders;
- (e) Kew has pledged its shares, and the shares of its Canadian subsidiaries, to the Agent on behalf of the Lenders;

- (f) As of February 25, 2020, Kew is indebted to the Lenders pursuant to the Loan Agreement in the amount of \$113,786,709.05, plus interest and costs which continue to accrue (the “**Indebtedness**”);

**Default**

- (g) In early December 2019, the Agent was notified by Kew that Kew was in default of certain financial covenants under the Loan Agreement;
- (h) On December 11, 2019, Kew issued a press release advising that it had formed a special committee of the board (the “**Special Committee**”) to examine strategic alternatives that followed upon expressions of interest that had been received from a number of parties concerning Kew. TD Securities Inc. (“**TD Securities**”) was hired as special advisor to the Special Committee. The press release went on to state:

Kew has also learned that certain reports provided by Geoff Webb, the Company’s Chief Financial Officer, to the Company and its senior lenders contained inaccurate information regarding working capital. Mr. Webb has now left the Company. The Company is conducting a detailed review of these matters with the support of its financial and legal advisors and is currently in discussion with its senior lenders regarding this and its short term liquidity requirements;
- (i) In substance, Kew advised the Agent that the borrowing base certificates that Mr. Webb had been providing to the Agent were materially overstated;
- (j) On December 12, 2019, the Agent wrote to the Borrowers to notify the Borrowers that, based on information provided by Kew, an Event of Default had occurred under the Loan Agreement;
- (k) In order to address immediate funding needs such as payroll and rent, the parties entered into a Third Amendment to the Loan Agreement, dated as of December 31, 2019 (the “**Third Amending Agreement**”);
- (l) On or about December 16, 2019, Kew provided a recalculated borrowing base certificate which showed that, as of November 30, 2019, instead of a previously

reported surplus of about US\$2 million as against the debt outstanding under the Loan Agreement, there was actually a collateral deficiency that was over twice the outstanding debt. The same recalculation done as at December 31, 2018, also revealed significant collateral deficiencies;

- (m) On January 15, 2020, Kew announced that Grant Thornton LLP, its auditor, had withdrawn various audit reports for the years ending December 31, 2017, and December 31, 2018, along with any interim audit review reports for any interim periods in the 2017, 2018 and 2019 fiscal years;
- (n) On January 16, 2020, the Ontario Securities Commission (the "OSC") issued a notice of temporary cease trade order of Kew's shares for a 15-day period pending a hearing set for January 29, 2020, to make the order permanent. On January 20, 2020, the OSC issued a permanent cease trader order;
- (o) The above breaches of the Loan Agreement are in addition to numerous other breaches, including: (i) concluding a sale of the assets of certain US subsidiaries without consent of the Lenders in accordance with the Loan Agreement; (ii) various payments that should have gone to KMIL, and then to the Lenders, or directly to the Lenders, being instead paid to other parties providing specific project financings; (iii) not all required account control agreements being provided to the Lenders; and (iv) failing to follow through and deliver on various post-closing covenants required pursuant to the Third Amending Agreement;
- (p) TD Securities has been running a sales process in respect of Kew. It is readily apparent from the offers received to date that the Lenders will suffer a significant shortfall on the Indebtedness, even if one or more transaction described in the non-binding letters of intent/expressions of interest are consummated;
- (q) The Lenders have lost confidence in the management of Kew;
- (r) Kew Media UK, Kew Media Group IK Holdings Limited and KMIL are in the process of being placed into administration in the United Kingdom;

- (s) The Lenders are not prepared to provide any further funding to Kew outside of a Court-supervised process;
- (t) The Agent proposes a full receivership of Kew and KMICI and a limited receivership with respect to Architect to take possession of cash and shares of Architect's subsidiaries;

**Demand and NOI**

- (u) By letters dated February 27, 2020, the Agent, on behalf of the Lenders, demanded that Kew repay the Indebtedness (the "**Demand Letter**"). The Demand Letter was accompanied by a Notice of Intention to Enforce Security pursuant to subsection 244(1) of the BIA;

**Just and Convenient to Appoint Receiver**

- (v) Kew is in default of the terms of the Loan Agreement and Security in favour of the Agent on behalf of the Lenders;
- (w) Kew has failed to repay the Indebtedness owing to the Lenders, despite demand to do so from the Agent on behalf of the Lenders;
- (x) The Bank proposes that FTI, an independent party, be appointed receiver and manager of the Property (in such capacity, the "**Receiver**");
- (y) FTI is presently acting as advisor to the Lenders in respect of Kew and is familiar with the operations of Kew and the sales process being implemented by TD Securities;
- (z) FTI Consulting LLP, in England, is in the process of being appointed as administrators of Kew's English affiliates. There will be further synergies in having FTI work with its English affiliate to attempt to maximize realizations for the Lenders;
- (aa) FTI is a licensed trustee in bankruptcy and has consented to act as Receiver should the Court so appoint it;

- (bb) Section 243 of the BIA;
- (cc) Section 101 of the CJA;
- (dd) Rules 2.03, 3.02, 14.05, 16.03 and 17 of the *Rules of Civil Procedure* (Ontario); and
- (ee) Such further and other grounds as counsel may advise and this Honourable Court may permit.

**3. THE FOLLOWING DOCUMENTARY EVIDENCE WILL BE USED AT THE HEARING OF THE APPLICATION:**

- (a) The Affidavit of Juan de Jesus-Caballero sworn February 27, 2020, and the exhibits attached thereto;
- (b) The consent of FTI to act as Receiver; and
- (c) Such further and other material as counsel may advise and this Honourable court may permit.

(“**Sienna**”); 2565936 Ontario Limited (“**2565936**”); Kew Media International (Canada) Inc. (“**KMI (Canada)**”); and Big Timber Media Inc. In the United Kingdom, the principal wholly-owned subsidiaries are Kew Media Group UK Limited, formerly known as Content Media Corporation plc (and also formerly known as NEWINCCO 2014 PLC) (“**Kew Media UK**”), and TCB Media Rights Ltd (“**TCB**”). In the United States, Kew owns Kew Media Group US, Inc., formerly known as Content Media Corporation (“**Kew Media US**”). In Australia, Kew owns Kew Media Group Pty Limited. Beneath each of

these companies are a myriad of further subsidiary companies. A corporate organization chart of Kew is set out in Exhibit “A” attached to this affidavit.

6. Until recently, Kew’s shares traded on the Toronto Stock Exchange with the symbol KEW. As will be explained further below, the shares are no longer trading. However, Kew does remain a reporting issuer in Ontario and certain other provinces in Canada.

### **INDEBTEDNESS AND SECURITY**

7. Pursuant to an Amended and Restated Revolving Credit and Term Loan Agreement, dated as of July 23, 2018 (as amended, supplemented or otherwise modified from time to time, the “**Loan Agreement**”), the Lenders made available to Kew, and Kew Media International Limited, formerly known as Content Media Corporation International Limited (“**KMIL**”), as co-borrowers (collectively, the “**Borrowers**”), loan facilities in the aggregate amount of US\$110,000,000<sup>1</sup>. KMIL is a company incorporated under the laws of England and Wales, and is a wholly owned subsidiary of Kew Media UK. A copy of the Loan Agreement is attached as Exhibit “B” to this affidavit.<sup>2</sup>

8. Before the events that gave rise to this application took place, there had been two amendments to the Loan Agreement. Copies of the First Amendment to the Loan Agreement, entered into as of June 28, 2019, and the Second Amendment to the Loan Agreement, entered into as of November 12, 2019, are attached, respectively, as Exhibits “C” and “D” to this affidavit.

<sup>1</sup> Unless otherwise indicated, all amounts set out herein are in USD.

<sup>2</sup> The fully compiled Loan Agreement runs to over 800 pages. The appendices have been omitted but can be produced if necessary.

9. Pursuant to the U.S. Guaranty and Security Agreement referred to in paragraph 12 below and a Canadian Security Agreement, made as of July 28, 2017, Kew granted security over the Property to the Agent on behalf of the Lenders. Each of Architect, BGM, Frantic, MHFT, OHM and Sienna became subject to the Canadian Security Agreement pursuant to a Canadian Assumption of Joinder Agreement, each dated as of July 23, 2018, and each of 2565936 and KMI (Canada) became subject to the Canadian Security Agreement pursuant to a Canadian Security Agreement Assumption and Joinder Agreement, dated as of December 31, 2019. Copies of the Canadian Security Agreement and such joinder agreements are attached as Exhibits “E-1” through “E-8” to this affidavit.

10. Kew pledged its shares in its Canadian subsidiaries to the Agent on behalf of the Lenders pursuant to a Canadian Securities Pledge Agreement dated as of July 28, 2017. A copy of the Canadian Securities Pledge Agreement is attached as Exhibit “F-1” to this affidavit. Kew pledged its shares in Kew Media UK pursuant to a Deed dated July 28, 2017, and its shares in TCB pursuant to a Deed dated July 23, 2018, copies of which are attached as Exhibits “F-2” and “F-3,” respectively, to this affidavit. Kew also pledged its shares in all of its direct subsidiaries pursuant to the U.S. Guaranty and Security Agreement referred to in paragraph 12 below.

11. Each of Architect, BGM, Frantic, MHFT, OHM and Sienna became subject to the Canadian Securities Pledge Agreement pursuant to a Canadian Pledge Assumption and Joinder Agreement, each dated as of July 23, 2018. Each of 2565936 and KMI (Canada) became subject to the Canadian Securities Pledge Agreement pursuant to a Canadian Pledge Assumption and Joinder Agreement, dated as of December 31, 2019. Copies of such joinder agreements are attached as Exhibits “G-1” through “G-7” to this affidavit.

12. Kew and several of its subsidiaries are parties to a Guaranty and Security Agreement, dated as of July 28, 2017 (as amended, supplemented or otherwise modified from time to time, the “**U.S. Guaranty and Security Agreement**”), pursuant to which these companies all guaranteed the obligations of Kew and KMIL pursuant to the Loan Agreement. Each of Architect, BGM, Frantic, MHFT, OHM and Sienna became subject to the U.S. Guaranty and Security Agreement pursuant to a Joinder Agreement, each dated as of July 23, 2018. Each of 2565936 and KMI (Canada) became subject to the U.S. Guaranty and Security Agreement pursuant to a Joinder Agreement, dated as of December 31, 2019. Copies of the U.S. Guaranty and Security Agreement and such Joinders are attached as Exhibits “**H-1**” through “**H-8**” to this affidavit.

13. As of February 25, 2020, Kew is indebted to the Lenders, pursuant to the Loan Agreement, in the amount of \$113,786,709.05 plus interest and costs to the date of payment (the “**Indebtedness**”).

#### **OTHER SECURED FINANCING**

14. Generally, Kew’s subsidiaries obtained financing for individual productions by having individual production companies borrow directly, not via the Loan Agreement. In the case of the Canadian production companies, other than the subsidiaries of Frantic, such financing came from Bank of Montreal. In the case of Frantic, financing came from Royal Bank of Canada. Each of the production companies would have granted security on its assets to the particular production lender. The Agent and the Lenders, for the most part, do not have security on such companies and where they do, the Lenders’ security is subordinate to that in favour of the production lender. Although it may be necessary to extend the receivership application to subsidiary companies, the Lenders do

not intend to seek any relief related to companies over which they are not the first ranking secured creditor.

#### **DEFAULT**

15. In early December 2019, the Agent was notified by Kew that Kew was in default of certain financial covenants under the Loan Agreement. On December 11, 2019, Kew issued a press release headlined “KEW MEDIA GROUP Announces Strategic Review Process and Management Changes”. In the press release Kew advised that it had formed a special committee of the board (“**Special Committee**”) to examine strategic alternatives that followed upon expressions of interest that had been received from a number of parties concerning Kew. TD Securities Inc. (“**TD Securities**”) was hired as a financial adviser to the Special Committee. The same press release went on to state:

“Kew has also learned that certain reports provided by Geoff Webb, the Company’s Chief Financial Officer, to the Company and its senior lenders contained inaccurate information regarding working capital. Mr. Webb has now left the Company. The Company is conducting a detailed review of these matters with the support of its financial and legal advisors and is currently in discussion with its senior lenders regarding this and its short term liquidity requirements.”

A copy of this press release is attached as Exhibit “I” to this affidavit.

16. In substance, Kew advised the Agent that the borrowing base certificates that Mr. Webb had been providing to the Agent were materially overstated. On December 12, 2019, the Agent wrote to the Borrowers to notify the Borrowers, based on the information provided by Kew, that an Event of Default had occurred under the Loan Agreement. A copy of this letter is attached as Exhibit “J” to this affidavit.

17. On December 16, 2019, Kew issued a press release to announce that the notice of default had been received “due to the inaccurate information provided to them by Kew’s former Chief Financial Officer....The Company continues to discuss its short term liquidity requirements with its senior lenders.” A copy of this press release is attached as Exhibit “**K**” to this affidavit.

18. Around that time, Kew provided a recalculated borrowing base certificate which showed that, as at November 30, 2019, instead of a previously reported surplus of approximately \$2 million as against the debt outstanding under the Loan Agreement, there was actually a collateral deficiency that was approximately half of the outstanding debt. The same recalculation done as at December 31, 2018, showed that instead of an approximate \$4.5 million surplus, there was a collateral deficiency that was also approximately half of the outstanding debt.

19. In order to address immediate funding needs such as payroll and rent, the parties entered into a Third Amendment to the Loan Agreement, dated as of December 31, 2019 (“**Third Amending Agreement**”). A copy of this agreement is attached as Exhibit “**L**” to this affidavit.

20. On January 15, 2020, Kew announced that Grant Thornton LLP, its auditor, had withdrawn various audit reports for the years ending December 31, 2017, and December 31, 2018, along with any interim audit review reports for any interim periods in the 2017, 2018, and 2019 fiscal years. The “...withdrawal is a result of the actions of KEW’s former Chief Financial Officer and its inability to rely on representations he made to Grant Thornton in the course of its audits....” A copy of this press release is attached as Exhibit “**M**” to this affidavit.

21. The next day, January 16, 2020, the Ontario Securities Commission (“**OSC**”), issued a notice of a temporary cease trade order of Kew’s shares for a 15-day period pending a hearing set for January 29, 2020, to make the order permanent. The aforementioned withdrawal of the audit

reports was cited as grounds for the order. A copy of the OSC's Notice of Temporary Order and Hearing is attached as Exhibit "N" to this affidavit.

22. On January 29, 2020, the OSC issued a permanent cease trade order. A copy of this order is attached as Exhibit "O" to this affidavit.

23. At the same time, the Agent and the Lenders became aware of a number of additional breaches of the Loan Agreement by the Borrowers and the other Loan Parties referred to therein. These breaches included: (i) concluding a sale of the assets of certain US subsidiaries without the requisite consent of Lenders in accordance with the Loan Agreement; (ii) various payments that should have gone to KMIL, and then to the Lenders, or directly to the Lenders being instead paid to other parties providing specific project financings; (iii) not all required account control agreements being provided to the Lenders; and (iv) failing to follow through and deliver on various post-closing covenants required pursuant to the Third Amending Agreement. These defaults were all set out in a January 27, 2020 letter from the Agent to the Borrowers. A copy of this letter is attached as Exhibit "P" to this affidavit.

24. At no time has Kew or any other Loan Party under the Loan Agreement contested the occurrence of any Event of Default of which they have been notified by the Agent on behalf of the Lenders.

25. As mentioned above, TD Securities was hired as an adviser to the Special Committee. TD Securities has been running a sales process for the assets of, or ownership interests in, Kew and its subsidiaries for many weeks. Non-binding letters of intent/expressions of interest were submitted by potentially interested buyers during the week of February 17, 2020. After having reviewed the offers received, it is readily apparent that the Lenders will suffer a significant shortfall on the

Indebtedness even if one or more transactions described in such non-binding letters of intent/expressions of interest are consummated.

26. The Lenders have lost confidence in the board and management of Kew. On Friday, February 21, 2020, I learned that Kew's board authorized \$515,000 to be spent to purchase a "tail" related to a directors & officers' insurance policy that will expire in late March. That leaves Kew in a position where it may be unable able to make payroll next week in Canada unless the Lenders advance more funds. In any event, Kew and certain key subsidiaries cannot continue without further funding.

27. Kew Media UK, Kew Media Group UK Holdings Limited and KMIL are in the process of being placed into administration in the United Kingdom around the same time as the receivership application. The Lenders are not prepared to continue to provide any funding outside of some type of legal process for Kew. At the present, the Lenders believe that only Kew and Kew Media International (Canada) Inc. ("KMICI") should be placed into full receivership, along with a more limited receivership with respect to Architect. The reasons for KMICI and Architect are outlined below. However, if the board(s) of the various other subsidiaries choose to resign then this may require adding more companies to the receivership.

28. With respect to KMICI, Jim Robinson of FTI informs me that a number of employees of this company work for the benefit of the English companies that are being placed into administration. A number of these employees will not be needed going forward. I understand from Mr. Robinson that putting KMICI into receivership will allow the employees whose services are no longer needed to be formally terminated and they will also then have access to the Wage Earner Protection Program ("WEPP").

29. With respect to Architect, the sale process that TD ran solicited no offers, not even a management buy out. Its only assets are cash and certain income tax receivables for certain subsidiaries. There does not appear to be any benefit that would be gained for a full fledged receivership over Architect and so the request with respect to Architect is to limit the receivership to take possession of the cash and the shares of its subsidiaries so that there is an ability to collect on the remaining receivables and also allow the Receiver to take the steps needed to allow Architect's employees to be able to access WEPP.

30. By letter dated February 27, 2020, the Agent demanded repayment of the Indebtedness ("**Demand Letter**"). The Demand Letter to Kew, KMICI, and Architect was accompanied by a Notice of Intention to Enforce Security ("**NITES**") pursuant to Subsection 244(1) of BIA ("**BIA Notice**"), dated February 27, 2020. Copies of the Demand Letter and accompanying NITES are attached hereto, respectively, as Exhibits "**Q**" and "**R**".

31. Kew management has previously indicated to me that they would work co-operatively with the Lenders and so I would expect that they will consent to an abridgement of the ten day notice period. Nevertheless, even if such consent is not provided before the hearing of this application given the urgent funding needs and the commencement of the administration proceedings in England, the Agent believes that circumstances would justify this Honourable Court's exercising its discretion to abridge the notice period and would respectfully request that this be done.

32. There are a number of potential transactions for various assets of Kew that have in some cases very short windows to close including deadlines early next week. I believe that the appointment of the Receiver will allow a number of these transactions to close in a more orderly and efficient manner.

## **APPOINTMENT OF RECEIVER**

33. Kew is in default of the terms of the Loan Agreement and security in favour of the Agent.

34. The Agent proposes that FTI be appointed as receiver and manager for the Property. FTI is a licensed trustee in bankruptcy and has consented to act as receiver or interim receiver should the Court so appoint it. A copy of FTI's consent is attached to the Application Record herein.

35. FTI has been advising the Lenders in relation to Kew since mid-December. FTI has gained a great deal of insight into the operations of Kew and its subsidiaries. The appointment of FTI will avoid the cost of getting another professional insolvency practitioner up to speed, which is particularly relevant here given the scale of the loss the Lenders are going to experience.

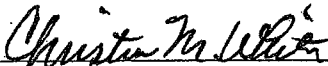

36. In addition, Simon Ian Kirkhope and Andrew James Johnson, of FTI Consulting LLP, in England, are in the process of being appointed as administrators of the English companies. There will be further synergies in having FTI work with its English affiliate to attempt and maximize realizations for the Lenders.

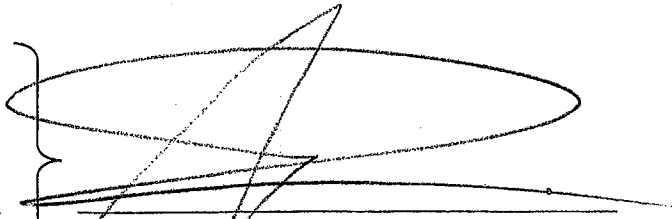

37. FTI has projected that up to \$2.3 million is necessary to fund the receivership. The Lenders have committed to provide FTI with the necessary funds if appointed as receiver. The funds would be used for funding needs of the receivership including, with consent of the Lenders, advances to subsidiaries of Kew where FTI considers this to be necessary.

38. If FTI is appointed as receiver, I understand that their plan would be to discuss with TD Securities whether to continue the present sale process for some or all of the subsidiaries. In any event, FTI would be working toward completing a sale of the various assets that Kew owns as quickly as possible, and subject to the approval of this Court for any material transactions.

39. This Affidavit is made in support of the within application, and for no other or improper purpose.

For purposes of clarity, no removal of any Approved Completion Guarantor shall affect previously qualified Borrowing Base inclusions.

“Approved Fund” shall mean any Person (other than a natural Person) that is (or will be) engaged in making, purchasing, holding or otherwise investing in commercial loans and similar

(c) Québec Hypothecary Representative. Without limiting the powers of the Administrative Agent under this Agreement and the other Loan Documents, for the purposes of holding any Lien granted by any Loan Party pursuant to the laws of the Province of Québec to secure the payment and performance of the Obligations of any Loan Party, each of the Loan Parties and the Lenders hereby irrevocably appoints and authorizes the Administrative Agent and, to the extent necessary, ratifies the appointment and authorization of the Administrative Agent, to act as the hypothecary representative of the Secured Parties as contemplated under Article 2692 of the Civil Code, and to enter into, to take and to hold on its behalf, and for its benefit, any hypothec, and to exercise such powers and duties that are conferred upon the Administrative Agent, in its capacity as hypothecary representative under any hypothec (in such capacity, the “Hypothecary Representative”). Any Person who becomes a Secured Party shall be deemed to have consented to and confirmed the Administrative Agent as the Person acting as hypothecary representative holding the aforementioned hypothecs and to have ratified, as of the date it becomes a Secured Party, all actions taken by the Hypothecary Representative. ## ARTICLE II AMOUNT AND TERMS OF THE COMMITMENTS

2.1 General Description of Facilities. Subject to and upon the terms and conditions herein set forth, (i) the Lenders hereby establish in favor of the Borrower a revolving credit facility pursuant to which each Lender severally agrees (to the extent of such Lender’s Revolving Commitment) to make Revolving Loans to the Borrower in accordance with Section 2.2; (ii) the Issuing Bank may issue Letters of Credit in accordance with Section 2.20; (iii) each Lender agrees to purchase a participation interest in the Letters of Credit pursuant to the terms and

conditions hereof; provided that in no event shall the aggregate principal amount of all outstanding Revolving Loans and outstanding LC Exposure exceed the Aggregate Revolving Commitment Amount in effect from time to time; and (iv) each Lender severally agrees to make a Term Loan to the Borrower in a principal amount not exceeding such Lender's Term Loan Commitment on the Closing Date through conversion of a like amount of such Lender's Existing Revolving Loans.

## 2.2 Loans.

(a) Revolving Loans. Subject to the terms and conditions set forth herein, each Lender severally agrees to make Revolving Loans, ratably in proportion to its Pro Rata Share of the Aggregate Revolving Commitments, to the Borrower in Dollars or one or more Alternate Currencies, from time to time during the Availability Period, in an aggregate principal amount outstanding at any time that will not result in (a) such Lender's Revolving Credit Exposure exceeding such Lender's Revolving Commitment, (b) a mandatory prepayment event by the Borrower under Section 2.10(d) or (c) the sum of the aggregate Revolving Credit Exposures of all Lenders exceeding the Aggregate Revolving Commitment Amount denominated in any Alternative Currency exceeding the Alternative Currency Sublimit for such Alternative Currency; provided that, as of the date of any Borrowing to fund an amount included in the Aggregate Production/Acquisition Cost Reserve Amount, without double-counting, the applicable Aggregate Production/Acquisition Cost Reserve Amount shall not be deducted for purposes of determining availability hereunder for such Borrowing. During the Availability Period, the Borrower shall be entitled to borrow, prepay and reborrow Revolving Loans in accordance with the terms and conditions of this Agreement; provided that the Borrower may not borrow or reborrow should there exist a Default or Event of Default.

(b) Term Loans. Subject to the terms and conditions set forth herein, each Lender severally agrees to make a single term loan to the Borrower on the Closing Date in a principal amount equal to the Term Loan Commitment of such Lender through conversion of a like principal amount of such Lender's Existing Revolving Loans. The Term Loans may be, from time to time, Base Rate Loans or Eurocurrency Loans or a combination thereof; provided that on the Closing Date all Term Loans shall be Base Rate Loans. The execution and delivery of this Agreement by the Borrower and the satisfaction of all conditions precedent pursuant to Section 3.1 shall be deemed to constitute the Borrower's request to so convert a portion of each Lender's Existing Revolving Loans to Term Loans on the Closing Date.

2.3 Procedure for Revolving Borrowings. The Borrower shall give the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of each Revolving Borrowing, substantially in the form of Exhibit 2.3 attached hereto (a "Notice of Revolving Borrowing"), (x) prior to 11:00 a.m. one (1) Business Day prior to the requested date of each Base Rate Borrowing, (y) prior to 11:00 a.m. three (3) Business Days prior to the requested date of each Eurocurrency Borrowing denominated in Dollars and (z) prior to 11:00 a.m. four (4) Business Days prior to the requested date of each Eurocurrency Borrowing denominated in Alternative Currencies. Each Notice of Revolving Borrowing shall be irrevocable and shall specify (i) the aggregate principal amount of such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) the Type of such Revolving Loan

comprising such Borrowing, (iv) in the case of a Eurocurrency Borrowing, the duration of the initial Interest Period applicable thereto (subject to the provisions of the definition of Interest Period) and (v) if a Eurocurrency Borrowing, the currency of the Revolving Loan to be borrowed; provided, that in no event may more than two currencies be requested by the Borrower in any Notice of Revolving Borrowing. Each Borrowing shall consist entirely of Base Rate Loans or Eurocurrency Loans, as the Borrower may request. The aggregate principal amount of each Eurocurrency Borrowing shall not be less than \$500,000 or a larger multiple of \$50,000, and the aggregate principal amount of each Base Rate Borrowing shall not be less than \$500,000 or a larger multiple of \$50,000; provided that Base Rate Loans made pursuant to Section 2.4 or Section 2.20(d) may be made in lesser amounts as provided therein. At no time shall the total number of Eurocurrency Borrowings outstanding at any time exceed five (5). Promptly following the receipt of a Notice of Revolving Borrowing in accordance herewith, the Administrative Agent shall advise each Lender of the details thereof and the amount of such Lender's Revolving Loan to be made as part of the requested Revolving Borrowing. Notwithstanding the provisions of this Section and/or the absence of a request from the Borrower that the Lenders make a Revolving Loan, the Administrative Agent may direct the Lenders to make Revolving Loans (but not in excess of their respective Revolving Commitments) in accordance with Section 9.11(k) hereof if an Event of Default shall have occurred and be continuing, with respect to any Item of Product being produced by a Loan Party and pay the proceeds thereof directly to either the Approved Completion Guarantor (if applicable) or to the Persons providing services in connection with the production, delivery and distribution of such Item of Product so as to ensure Completion of such Item of Product and/or the collection of accounts receivable.

#### 2.4 Funding of Borrowings.

(a) Each Lender will make available each Loan to be made by it hereunder on the proposed date thereof by wire transfer in Same Day Funds to the Administrative Agent at the Payment Office for the applicable currency not later than 11:00 a.m., in the case of any Loan denominated in Dollars, and not later than the Applicable Time specified by the Administrative Agent in the case of any Loan denominated in an alternative currency. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts that it receives, in like funds by the close of business on such proposed date, to an account maintained by the Borrower with the Administrative Agent or, at the Borrower's option, by effecting a wire transfer of such amounts to an account designated by the Borrower to the Administrative Agent.

(b) Unless the Administrative Agent shall have been notified by any Lender prior to 5:00 p.m. one (1) Business Day prior to the date of a Borrowing in which such Lender is to participate that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date, and the Administrative Agent, in reliance on such assumption, may make available to the Borrower on such date a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender on the date of such Borrowing, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest (x) at the Federal Funds Rate until the second Business Day after such demand and (y) at the Base Rate at all times thereafter. In such event, if a Lender has not in fact made its

share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of a payment to be made by such Lender, the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, and (ii) in the case of a payment to be made by the Borrower, the interest rate applicable to the Borrowing. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Nothing in this subsection shall be deemed to relieve any Lender from its obligation to fund its Pro Rata Share of any Borrowing hereunder or to prejudice any rights which the Borrower may have against any Lender as a result of any default by such Lender hereunder.

(c) All Revolving Borrowings shall be made by the Lenders on the basis of their respective Pro Rata Shares. No Lender shall be responsible for any default by any other Lender in its obligations hereunder, and each Lender shall be obligated to make its Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Loans hereunder.

## 2.5 Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Notice of Revolving Borrowing. Thereafter, the Borrower may elect to convert such Borrowing into a different Type or to continue such Borrowing, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall give the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of each Borrowing that is to be converted or continued, as the case may be, substantially in the form of Exhibit 2.5 attached hereto (a "Notice of Conversion/Continuation") (x) prior to 10:00 a.m. one (1) Business Day prior to the requested date of a conversion into a Base Rate Borrowing, (y) prior to 11:00 a.m. three (3) Business Days prior to a continuation of or conversion into a Eurocurrency Borrowing denominated in Dollars or of a Eurocurrency Borrowing denominated in Dollars into a Borrowing of another Type denominated in Dollars and (z) prior to 11:00 a.m. four (4) Business Days prior to a continuation of or conversion into a Eurocurrency Borrowing denominated in Alternative Currencies or of a Eurocurrency Borrowing denominated in an Alternative Currency into a Borrowing of another Type denominated in an Alternative Currency. Each such Notice of Conversion/Continuation shall be irrevocable and shall specify (i) the Borrowing to which such Notice of Conversion/Continuation applies and, if different options are being elected with respect to different portions thereof, the portions thereof that are to be

allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) shall be specified for each resulting Borrowing), (ii) the effective date of the election made pursuant to such Notice of Conversion/Continuation, which shall be a Business Day, (iii) whether the resulting Borrowing is to be a Base Rate Borrowing or a Eurocurrency Borrowing, (iv) if the resulting Borrowing is to be a Eurocurrency Borrowing, the Interest Period applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of "Interest Period" and (v) if the Borrowing is to be a Eurocurrency Borrowing, the currency of the Borrowing to be converted or continued. If any such Notice of Conversion/Continuation requests a Eurocurrency Borrowing but does not specify an Interest Period, the Borrower shall be deemed to have selected an Interest Period of one month. The principal amount of any resulting Borrowing shall satisfy the minimum borrowing amount for Eurocurrency Borrowings and Base Rate Borrowings set forth in Section 2.3.

(c) If, on the expiration of any Interest Period in respect of any Eurocurrency Borrowing, the Borrower shall have failed to deliver a Notice of Conversion/Continuation, then, unless such Borrowing is repaid as provided herein, the Borrower shall be deemed to have elected to convert such Borrowing to a Base Rate Borrowing; provided, that in the case of a failure to timely request a continuation or conversion of Revolving Loans denominated in an Alternative Currency, such Loans shall be continued as Eurocurrency Loans in their original currency with an Interest Period of one month. No Borrowing may be converted into, or continued as, a Eurocurrency Borrowing if a Default or an Event of Default exists, unless the Administrative Agent and each of the Lenders shall have otherwise consented in writing. No conversion of any Eurocurrency Loan shall be permitted except on the last day of the Interest Period in respect thereof.

(d) Upon receipt of any Notice of Conversion/Continuation, the Administrative Agent shall promptly notify each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If a Notice of Revolving Borrowing or a Notice of Conversion/Continuation does not specify a Type, the Borrower shall be deemed to have requested a Base Rate Borrowing with respect to the Revolving Loans. If the Borrower fails to specify a currency in a Notice of Conversion/Continuation with respect to a Eurocurrency Borrowing, then the Revolving Loans so requested shall be made in Dollars.

(f) Except as otherwise provided herein, a Eurocurrency Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Loan. During the existence of a Default, no Revolving Loans may be requested as, converted to or continued as Eurocurrency Loans (whether in Dollars or any Alternative Currency) without the consent of the Required Lenders, and the Required Lenders may demand that any or all of the then outstanding Eurocurrency Loans denominated in an Alternative Currency be redenominated into Dollars in the amount of the Dollar Equivalent thereof, on the last day of the then current Interest Period with respect thereto.

## 2.6 Optional Reduction and Termination of Commitments.

(a) Unless previously terminated, all Revolving Commitments and LC Commitments shall terminate on the Revolving Commitment Termination Date. The Term Loan Commitments shall terminate on the Closing Date upon the making of the Term Loans pursuant to Section 2.2(b).

(b) Upon at least three (3) Business Days' prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent (which notice shall be irrevocable), the Borrower may reduce the Aggregate Revolving Commitments in part or terminate the Aggregate Revolving Commitments in whole; provided that (i) any partial reduction shall apply to reduce proportionately and permanently the Revolving Commitment of each Lender, (ii) any partial reduction pursuant to this Section shall be in an amount of at least \$1,000,000 and any larger multiple of \$1,000,000, and (iii) no such reduction shall be permitted which would reduce the Aggregate Revolving Commitment Amount to an amount less than the aggregate outstanding Revolving Credit Exposure of all Lenders. Any such reduction in the Aggregate Revolving Commitment Amount below the principal amount of the LC Commitment shall result in a Dollar-for-Dollar reduction in the LC Commitment.

(c) With the written approval of the Administrative Agent, the Borrower may terminate (on a non-ratable basis) the unused amount of the Revolving Commitment of a Defaulting Lender, and in such event the provisions of Section 2.24 will apply to all amounts thereafter paid by the Borrower for the account of any such Defaulting Lender under this Agreement (whether on account of principal, interest, fees, indemnity or other amounts); provided that such termination will not be deemed to be a waiver or release of any claim that the Borrower, the Administrative Agent, the Issuing Bank or any other Lender may have against such Defaulting Lender.

(d) Upon receipt of any Notice of Conversion/Continuation, the Administrative Agent shall promptly notify each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

## 2.7 Repayment of Loans.

(a) The outstanding principal amount of all Revolving Loans shall be due and payable (together with accrued and unpaid interest thereon) on the Revolving Commitment Termination Date.

(b) The Borrower unconditionally promises to pay to the Administrative Agent for the account of each Lender the then unpaid principal amount of the Term Loan of such Lender in installments payable on the last day of each Fiscal Quarter commencing with the Fiscal Quarter ending September 30, 2018, with the aggregate amount of each such installment being equal to 2.5% of the original aggregate principal amount of the Term Loans made by the Lenders hereunder (and on such other date(s) and in such other amounts as may be required from time to time pursuant to this Agreement); provided that, to the extent not previously paid, the aggregate unpaid principal balance of the Term Loans shall be due and payable on the Maturity Date.

## 2.8 Evidence of Indebtedness.

(a) Each Lender shall maintain in accordance with its usual practice appropriate records evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable thereon and paid to such Lender from time to time under this Agreement. The Administrative Agent shall maintain appropriate records in which shall be recorded (i) the Revolving Commitment and Term Loan Commitment of each Lender, (ii) the amount of each Loan made hereunder by each Lender, the Class and Type thereof and, in the case of each Eurocurrency Loan, the Interest Period applicable thereto, (iii) the date of any continuation of any Loan pursuant to Section 2.5, (iv) the date of any conversion of all or a portion of any Loan to another Type pursuant to Section 2.5, (v) the date and amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder in respect of the Loans and (vi) both the date and amount of any sum received by the Administrative Agent hereunder from the Borrower in respect of the Loans and each Lender's Pro Rata Share thereof. The entries made in such records shall be *prima facie* evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided that the failure or delay of any Lender or the Administrative Agent in maintaining or making entries into any such record or any error therein shall not in any manner affect the obligation of the Borrower to repay the Loans (both principal and unpaid accrued interest) of such Lender in accordance with the terms of this Agreement.

(b) This Agreement evidences the obligation of the Borrower to repay the Loans and is being executed as a "noteless" credit agreement. However, at the request of any Lender at any time, the Borrower agrees that it will prepare, execute and deliver to such Lender a promissory note payable to the order of such Lender (or, if requested by such Lender, to such Lender and its registered assigns) and in a form approved by the Administrative Agent (each, a "Note"). Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment permitted hereunder) be represented by one or more promissory notes in such form payable to the order of the payee named therein (or, if such promissory note is a registered note, to such payee and its registered assigns).

2.9 Optional Prepayments. The Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, without premium or penalty, by giving written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent no later than (i) in the case of any prepayment of any Eurocurrency Borrowing denominated in Dollars, 11:00 a.m. not less than three (3) Business Days prior to the date of such prepayment, (ii) in the case of prepayment of any Eurocurrency Borrowing denominated in an Alternative Currency, 11:00 a.m. not less than four (4) Business Days prior to any such prepayment and (iii) in the case of any prepayment of any Base Rate Borrowing, not less than one (1) Business Day prior to the date of such prepayment. Each such notice shall be irrevocable and shall specify the proposed date of such prepayment and the principal amount of each Borrowing or portion thereof to be prepaid. Upon receipt of any such notice, the Administrative Agent shall promptly notify each affected Lender of the contents thereof and of such Lender's Pro Rata Share of any such prepayment. If such notice is given, the aggregate amount specified in such notice shall be due and payable on the date designated in such notice, together with accrued interest to such date on the amount so prepaid in accordance with Section 2.11(d); provided that if a Eurocurrency

Borrowing is prepaid on a date other than the last day of an Interest Period applicable thereto, the Borrower shall also pay all amounts required pursuant to Section 2.17. Each partial prepayment of any Loan shall be in a Dollar Equivalent amount that would be permitted in the case of an advance of a Revolving Borrowing of the same Type pursuant to Section 2.2(a). Each prepayment of a Borrowing shall be applied ratably to the Loans comprising such Borrowing and, in the case of a prepayment of a Term Loan Borrowing, to principal installments on a *pro rata* basis (including, without limitation, the final payment due on the Maturity Date).

#### 2.10 Mandatory Prepayments.

(a) Immediately upon receipt by the Borrower or any other Group Member of any proceeds of any sale or disposition by the Borrower or any other Loan Party of any of its assets, or any proceeds from any casualty insurance policies or eminent domain, condemnation or similar proceedings, or any earnings, balance sheet or similar adjustment payment under the Qualifying Acquisition Documents, the Borrower shall prepay the Obligations in an amount equal to all such proceeds, net of commissions and other reasonable and customary transaction costs, fees and expenses properly attributable to such transaction and payable by the Borrower in connection therewith (in each case, paid to non-Affiliates); provided that the Borrower shall not be required to prepay the Obligations with respect to (i) proceeds from the sales of assets in the ordinary course of business and (ii) proceeds from casualty insurance policies or eminent domain, condemnation or similar proceedings that are reinvested in assets then used or usable in the business of the Group Members within 180 days following receipt thereof, so long as such proceeds are held in Controlled Accounts at SunTrust Bank or subject to Control Account Agreements until reinvested. Any such prepayment shall be applied in accordance with subsection (d) of this Section.

(b) No later than the Business Day following the date of receipt by any Group Member of any proceeds from any issuance of Indebtedness or equity securities by any Group Member, the Borrower shall prepay the Obligations in an amount equal to all such proceeds, net of underwriting discounts and commissions and other reasonable and customary transaction costs, fees and expenses properly attributable to such transaction and payable by the Borrower in connection therewith (in each case, paid to non-Affiliates); provided that the Borrower shall not be required to prepay the Obligations with respect to (i) proceeds of Indebtedness permitted under Section 7.1, (ii) proceeds of Capital Stock issued by a Loan Party to another Loan Party and (iii) proceeds of Capital Stock issued by the Parent to members of management, directors, officers and employees pursuant to employment agreements, compensation or bonus plans, or employee stock or option plans of the Parent and its Subsidiaries not to exceed 25% of the total Capital Stock issued and outstanding on the Closing Date. Any such prepayment shall be applied in accordance with subsection (c) of this Section.

(c) Any prepayments made by the Borrower pursuant to subsections (a), (b) or (g) of this Section shall be applied as follows: first, to the Administrative Agent's fees and reimbursable expenses then due and payable pursuant to any of the Loan Documents; second, to all reimbursable expenses of the Lenders then due and payable pursuant to any of the Loan Documents, *pro rata* to the Lenders based on their respective *pro rata* shares of such fees and expenses; third, to the principal balance of the Term Loans, until the same shall have been paid (i) in full, with respect to any prepayments made by the Borrower pursuant to subsections (a) or

(g) of this Section, and (ii) in an aggregate outstanding principal amount equal to \$7,000,000, with respect to any prepayments made by the Borrower pursuant to subsection (b) of this Section, and in each case *pro rata* to the Lenders based on their *pro rata* shares of the Term Loans, and applied to installments of the Term Loans in inverse order of maturity; fourth to the principal balance of the Revolving Loans, until the same shall have been paid in full, *pro rata* to the Lenders based on their respective Revolving Commitments; fifth, to Cash Collateralize the Letters of Credit in an amount in cash equal to the LC Exposure as of such date plus any accrued and unpaid fees thereon; and sixth, to the remaining principal balance of the Term Loans, until the same shall have been paid in full, with respect to any prepayments made by the Borrower pursuant to subsection (b) of this Section, *pro rata* to the Lenders based on their *pro rata* shares of the Term Loans, and applied to installments of the Term Loans in inverse order of maturity. The Revolving Commitments of the Lenders shall not be permanently reduced by the amount of any prepayments made pursuant to clauses second through fifth above, unless an Event of Default has occurred and is continuing and the Required Revolving Lenders so request.

(d) If at any time either (i) the aggregate Total Credit Exposure of all Lenders plus the Reserves then in effect exceeds the Aggregate Revolving Commitment Amount, as reduced pursuant to Section 2.6 or otherwise, plus the aggregate outstanding principal amount of the Term Loans of all Lenders, or (ii) the aggregate Total Credit Exposure of all Lenders exceeds the Borrowing Base then in effect, then the Borrower shall immediately repay the Loans in an amount equal to such excess, together with all accrued and unpaid interest on such excess amount and any amounts due under Section 2.17. Each prepayment shall be applied as follows: first, to the principal balance of the Term Loans, until the same shall have been paid in full, *pro rata* to the Lenders based on their *pro rata* shares of the Term Loans, and applied to installments of the Term Loans in inverse order of maturity; and second to the principal balance of the Revolving Loans, until the same shall have been paid in full, *pro rata* to the Lenders based on their respective Revolving Commitments. Each prepayment hereunder shall be applied as follows: first, to the Base Rate Loans to the full extent thereof; and second, to the Eurocurrency Loans to the full extent thereof. If, after giving effect to prepayment of all Revolving Loans, the aggregate Revolving Credit Exposure of all Lenders exceeds the Aggregate Revolving Commitment Amount, the Borrower shall Cash Collateralize its reimbursement obligations with respect to all Letters of Credit in an amount equal to such excess plus any accrued and unpaid fees thereon.

(e) The Administrative Agent shall notify the Borrower at any time that the sum of the aggregate outstanding amount of all Revolving Loans and LC Exposure, in each case, denominated in any Alternative Currency at such time exceeds an amount equal to 105% of the applicable Alternative Currency Sublimit then in effect, and, within five (5) Business Days after receipt of such notice, the Borrower shall prepay Loans or shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Issuing Bank and the Lenders, an amount in cash equal to the excess of the sum of the aggregate outstanding amount of all Revolving Loans and LC Exposure, in each case, denominated in such Alternative Currency (including any accrued and unpaid fees thereon) over the amount that is 100% of the applicable Alternative Currency Sublimit then in effect (without reduction of the same) to be held as collateral for the LC Exposure. Such account shall be administered in accordance with Section 2.20(g) hereof. The Administrative Agent may, at any time and from time to time after the initial deposit of such cash collateral, request that additional cash collateral

be provided in order to protect against the results of further exchange rate fluctuations to the extent reasonably determined by the Administrative Agent to be necessary, so long as such changes are generally adopted by the Administrative Agent in similar credit facilities extended to similarly situated Persons.

(f) Simultaneously with each termination and/or optional reduction of the Aggregate Revolving Commitments pursuant to Section 2.6 hereof, the Borrower shall pay to the Administrative Agent for the benefit of the Lenders an amount equal to the excess (if any) of (i) the aggregate outstanding Revolving Credit Exposure of all Lenders plus the Reserves then in effect over (ii) the reduced Aggregate Revolving Commitment Amount. Any such prepayment made by the Borrower shall be applied as follows: first, to the Revolving Loans that constitute Base Rate Loans until the same shall have been paid in full, *pro rata* to the Lenders based on their Pro Rata Shares of such Revolving Loans; and second, to the Revolving Loans that constitute Eurocurrency Loans, *pro rata* to the Lenders based on their Pro Rata Shares of such Revolving Loans.

(g) Commencing with the Fiscal Year ending December 31, 2018, and continuing until the Term Loan Amortization Trigger Date, no later than five (5) Business Days after the date on which the Borrower's annual audited financial statements for each such Fiscal Year are required to be delivered pursuant to Section 5.1(a), the Borrower shall prepay the Obligations in an amount equal to 50% of Excess Cash Flow for such Fiscal Year. Any such prepayment shall be applied in accordance with subsection (c) of this Section. Any such prepayment shall be accompanied by a certificate signed by a Responsible Officer certifying in reasonable detail the manner in which Excess Cash Flow and the resulting prepayment were calculated, which certificate shall be in form and substance reasonably satisfactory to the Administrative Agent.

(h) So long as an Event of Default has not occurred and is not continuing, any proceeds of the Collateral may be used by the Loan Parties in any manner (including repayment of the Obligations) which is lawful and would not violate any of the provisions of this Agreement or any of the other Loan Documents, except as otherwise set forth in any Intercreditor Agreement (or any other agreement among, *inter alia*, the Administrative Agent, a Loan Party and a third Person) pursuant to which the Administrative Agent has committed thereunder to pay to such third Person a portion of the cash flow derived from an Item of Product.

(i) Notwithstanding anything to the contrary in this Section, if an Event of Default has occurred and is continuing, subject to the terms of any Intercreditor Agreement (or any other agreement among, *inter alia*, the Administrative Agent, a Loan Party and a third Person), all proceeds of the Collateral shall be applied to satisfy the Obligations in the manner set forth in Section 8.2.

#### 2.11 Interest on Loans.

(a) The Borrower shall pay interest on (i) each Base Rate Loan at the Base Rate plus the Applicable Margin in effect from time to time and (ii) each Eurocurrency Loan at the Eurocurrency Rate for the applicable Interest Period in effect for such Loan plus the

Applicable Margin in effect from time to time plus, in the case of a Eurocurrency Loan of any Lender which is lent from an Applicable Lending Office in the United Kingdom or a Participating Member State, the Mandatory Cost.

(b) Notwithstanding subsection (a) of this Section, at the option of the Required Lenders if an Event of Default has occurred and is continuing, and automatically after acceleration or with respect to any past due amount hereunder, the Borrower shall pay interest (“Default Interest”) with respect to all Eurocurrency Loans at the rate *per annum* equal to 200 basis points above the otherwise applicable interest rate for such Eurocurrency Loans for the then-current Interest Period until the last day of such Interest Period plus any Mandatory Cost, and thereafter, and with respect to all Base Rate Loans and all other Obligations hereunder (other than Loans), at the rate *per annum* equal to 200 basis points above the otherwise applicable interest rate for Base Rate Loans.

(c) Interest on the principal amount of all Loans shall accrue from and including the date such Loans are made to but excluding the date of any repayment thereof. Interest on all outstanding Base Rate Loans shall be payable quarterly in arrears on the last day of each March, June, September and December and on the Revolving Commitment Termination Date. Interest on all outstanding Eurocurrency Loans shall be payable on the last day of each Interest Period applicable thereto, and, in the case of any Eurocurrency Loans having an Interest Period in excess of three months, on each day which occurs every three months after the initial date of such Interest Period, and on the Revolving Commitment Termination Date. Interest on any Loan which is converted into a Loan of another Type or which is repaid or prepaid shall be payable on the date of such conversion or on the date of any such repayment or prepayment (on the amount repaid or prepaid) thereof. All Default Interest shall be payable on demand.

(d) The Administrative Agent shall determine each interest rate applicable to the Loans hereunder and shall promptly notify the Borrower and the Lenders of such rate in writing (or by telephone, promptly confirmed in writing). Any such determination shall be conclusive and binding for all purposes, absent manifest error.

(e) For the purposes of the Interest Act (Canada), (i) whenever a rate of interest or fee rate hereunder is calculated on the basis of a year (the “deemed year”) that contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest or fee rate shall be expressed as a yearly rate by multiplying such rate of interest or fee rate by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year, (ii) the principle of deemed reinvestment of interest shall not apply to any interest calculation hereunder and (iii) the rates of interest stipulated herein are intended to be nominal rates and not effective rates or yields.

## 2.12 Fees.

(a) The Borrower shall pay to the Administrative Agent for its own account fees in the amounts and at the times previously agreed upon in writing by the Borrower and the Administrative Agent.

(b) The Borrower agrees to pay to the Administrative Agent for the account of each Lender a commitment fee (each, a “Commitment Fee”) in Dollars, which shall accrue at the Applicable Percentage *per annum* (determined daily in accordance with Schedule I) on the daily amount of the unused Revolving Commitment of such Lender during the Availability Period. For purposes of computing the commitment fee, the Revolving Commitment of each Lender shall be deemed used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender.

(c) The Borrower agrees to pay (i) to the Administrative Agent, for the account of each Lender, in Dollars, a letter of credit fee with respect to its participation in each Letter of Credit, which shall accrue at a rate *per annum* equal to the Applicable Margin for Eurocurrency Loans then in effect on the Dollar Equivalent of the average daily amount of such Lender’s LC Exposure attributable to such Letter of Credit during the period from and including the date of issuance of such Letter of Credit to but excluding the date on which such Letter of Credit expires or is drawn in full (including, without limitation, any LC Exposure that remains outstanding after the Revolving Commitment Termination Date) and (ii) to the Issuing Bank for its own account, in Dollars, a facing fee, which shall accrue at the rate set forth in the Fee Letter on the Dollar Equivalent of the average daily amount of the LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements) during the Availability Period (or until the date that such Letter of Credit is irrevocably cancelled, whichever is later), as well as the Issuing Bank’s standard fees, in Dollars, with respect to issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Notwithstanding the foregoing, if the Required Lenders elect to increase the interest rate on the Loans to the rate for Default Interest pursuant to Section 2.11(b), the rate *per annum* used to calculate the letter of credit fee pursuant to clause (i) above shall automatically be increased by 200 basis points.

(d) The Borrower shall pay on the Closing Date to the Administrative Agent and its affiliates in Dollars all fees in the Fee Letter that are due and payable on the Closing Date.

(e) Accrued fees under subsections (b) and (c) of this Section shall be payable quarterly in arrears on the last day of each March, June, September and December, commencing on September 30, and on the Revolving Commitment Termination Date (and, if later, the date the Loans and LC Exposure shall be repaid in their entirety); provided that any such fees accruing after the Revolving Commitment Termination Date shall be payable on demand.

### 2.13 Computation of Interest and Fees.

Interest hereunder based on the Administrative Agent’s prime lending rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year) and paid for the actual number of days elapsed (including the first day but excluding the last day). All other interest and all fees hereunder shall be computed on the basis of a year of 360 days and paid for the actual number of days elapsed (including the first day but excluding the last day), or, in the case of interest in respect of Revolving Loans denominated in Alternative Currencies as to which market practice differs from the foregoing, in accordance with such market practice. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be made in good faith and, except for manifest error, shall be final, conclusive and binding for all purposes.

2.14 Inability to Determine Interest Rates. If, prior to the commencement of any Interest Period for any Eurocurrency Borrowing:

(a) the Administrative Agent shall have determined (which determination shall be conclusive and binding upon the Borrower) that, by reason of circumstances affecting the relevant interbank market, adequate means do not exist for ascertaining the Eurocurrency Rate for such Interest Period, or

(b) the Administrative Agent shall have received notice from the Required Lenders that the Eurocurrency Rate does not adequately and fairly reflect the cost to such Lenders of making, funding or maintaining their Eurocurrency Loans for such Interest Period,

(c) the Administrative Agent shall give written notice (or telephonic notice, promptly confirmed in writing) to the Borrower and to the Lenders as soon as practicable thereafter. Until the Administrative Agent shall notify the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, (i) the obligations of the Lenders to make Eurocurrency Revolving Loans or to continue or convert outstanding Loans as or into Eurocurrency Loans shall be suspended and (ii) all such affected Loans shall be converted into Base Rate Loans on the last day of the then current Interest Period applicable thereto unless the Borrower prepays such Loans in accordance with this Agreement. Unless the Borrower notifies the Administrative Agent at least one (1) Business Day before the date of any Eurocurrency Borrowing for which a Notice of Revolving Borrowing has previously been given that it elects not to borrow, continue or convert to a Eurocurrency Borrowing on such date, then such Borrowing shall be made as, continued as or converted into a Base Rate Borrowing.

2.15 Illegality. If any Change in Law shall make it unlawful or impossible for any Lender to perform any of its obligations hereunder or to make, maintain or fund any Eurocurrency Loan (whether denominated in Dollars or an Alternative Currency) and such Lender shall so notify the Administrative Agent, the Administrative Agent shall promptly give notice thereof to the Borrower and the other Lenders, whereupon until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make Eurocurrency Loans, or to continue or convert outstanding Loans as or into Eurocurrency Loans, shall be suspended. In the case of the making of a Eurocurrency Borrowing, such Lender's Revolving Loan shall be made as a Base Rate Loan as part of the same Revolving Borrowing for the same Interest Period and, if the affected Eurocurrency Loan is then outstanding, such Loan shall be converted to a Base Rate Loan either (i) on the last day of the then current Interest Period applicable to such Eurocurrency Loan if such Lender may lawfully continue to maintain such Loan to such date or (ii) immediately if such Lender shall determine that it may not lawfully continue to maintain such Eurocurrency Loan to such date. Notwithstanding the foregoing, the affected Lender shall, prior to giving such notice to the Administrative Agent, use reasonable efforts to designate a different Applicable Lending Office if such designation would avoid the need for giving such notice and if such designation would not otherwise be disadvantageous to such Lender in the good faith exercise of its discretion.

2.16 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement that is not otherwise included in the determination of the Eurocurrency Rate hereunder against assets of, deposits with or for the account of, or credit extended by, any Lender (except (A) any such reserve requirement reflected in the Eurocurrency Rate and (B) the requirements of the Bank of England and the Financial Conduct Authority or the European Central Bank reflected in the Mandatory Cost, other than as set forth below) or the Issuing Bank; or

(ii) subject any Recipient to any Taxes (other than (A) Indemnified Taxes and (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

(iii) impose on any Lender, the Issuing Bank or the eurocurrency interbank market any other condition affecting this Agreement or any Eurocurrency Loans made by such Lender or any Letter of Credit or any participation therein; or

(iv) result in the failure of the Mandatory Cost, as calculated hereunder, to represent the cost to any Lender of complying with the requirements of the Bank of England and/or the Financial Conduct Authority or the European Central Bank in relation to its making, funding or maintaining Eurocurrency Loans;

and the result of any of the foregoing is to increase the cost to such Lender of making, converting into, continuing or maintaining a Eurocurrency Loan or to increase the cost to such Lender or the Issuing Bank of participating in or issuing any Letter of Credit or to reduce the amount received or receivable by such Lender or the Issuing Bank hereunder (whether of principal, interest or any other amount),

then, from time to time, such Lender or the Issuing Bank may provide the Borrower (with a copy thereof to the Administrative Agent) with written notice and demand with respect to such increased costs or reduced amounts, and within five (5) Business Days after receipt of such notice and demand, the Borrower shall pay to such Lender or the Issuing Bank, as the case may be, such additional amounts as will compensate such Lender or the Issuing Bank for any such increased costs incurred or reduction suffered.

(b) If any Lender or the Issuing Bank shall have determined that any Change in Law regarding capital or liquidity ratios or requirements has or would have the effect of reducing the rate of return on such Lender's or the Issuing Bank's capital (or on the capital of the Parent Company of such Lender or the Issuing Bank) as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender, the Issuing Bank or such Parent Company could have achieved but for such Change in Law (taking into consideration such Lender's or the Issuing Bank's policies or the policies of such Parent Company with respect to capital adequacy and liquidity), then, from time to time, such Lender or the Issuing Bank may provide the Borrower (with a copy thereof to the Administrative Agent) with written notice and demand with respect to such reduced amounts, and within five (5)

Business Days after receipt of such notice and demand the Borrower shall pay to such Lender or the Issuing Bank, as the case may be, such additional amounts as will compensate such Lender, the Issuing Bank or such Parent Company for any such reduction suffered.

(c) A certificate of such Lender or the Issuing Bank setting forth the amount or amounts necessary to compensate such Lender, the Issuing Bank or the Parent Company of such Lender or the Issuing Bank, as the case may be, specified in subsection (a) or (b) of this Section shall be delivered to the Borrower (with a copy to the Administrative Agent) and shall be conclusive, absent manifest error.

(d) Failure or delay on the part of any Lender or the Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or the Issuing Bank's right to demand such compensation.

2.17 Funding Indemnity. In the event of (a) the payment of any principal of a Eurocurrency Loan other than on the last day of the Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion or continuation of a Eurocurrency Loan other than on the last day of the Interest Period applicable thereto, (c) the failure by the Borrower to borrow, prepay, convert or continue any Eurocurrency Loan on the date specified in any applicable notice (regardless of whether such notice is withdrawn or revoked) or (d) the failure by the Borrower to make payment of any Loan or drawing under any Letter of Credit (or interest due thereon) denominated in an Alternative Currency on its scheduled due date or any payment thereof in a different currency, then, in any such event, the Borrower shall compensate each Lender, within five (5) Business Days after written demand from such Lender, for any loss, foreign exchange loss, cost or expense attributable to such event. In the case of a Eurocurrency Loan, such loss, foreign exchange loss, cost or expense shall be deemed to include an amount determined by such Lender to be the excess, if any, of (A) the amount of interest that would have accrued on the principal amount of such Eurocurrency Loan if such event had not occurred at the Eurocurrency Rate applicable to such Eurocurrency Loan for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Eurocurrency Loan) over (B) the amount of interest that would accrue on the principal amount of such Eurocurrency Loan for the same period if the Eurocurrency Rate were set on the date such Eurocurrency Loan was prepaid or converted or the date on which the Borrower failed to borrow, convert or continue such Eurocurrency Loan. A certificate as to any additional amount payable under this Section submitted to the Borrower by any Lender (with a copy to the Administrative Agent) shall be conclusive, absent manifest error.

## 2.18 Taxes.

(a) Defined Terms. For purposes of this Section 2.18, the term "Lender" includes Issuing Bank and the term "applicable law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the

deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Borrower. The Borrower shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrower. The Borrower shall indemnify each Recipient, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.4(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower or any other Loan Party to a Governmental Authority pursuant to this Section 2.18, the Borrower or other Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.18(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing, in the event that the Borrower is or becomes a U.S. Borrower:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(I) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or

reduction of, U.S. federal withholding Tax pursuant to the “business profits” or “other income” article of such tax treaty;

(II) executed originals of IRS Form W-8ECI;

(III) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit 2.18A to the effect that such Foreign Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code (a “U.S. Tax Compliance Certificate”) and (y) executed originals of IRS Form W-8BEN or IRS Form W-8BEN-E, as applicable; or

(IV) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.18B or Exhibit 2.18C, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit 2.18D on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by

law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iii) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.18 (including by the payment of additional amounts pursuant to this Section 2.18), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Additional United Kingdom Withholding Tax Matters.

(i) Subject to paragraph (i)(ii) below, each Treaty Lender and each UK Loan Party which makes a payment to such Treaty Lender shall cooperate in completing any procedural formalities necessary for such UK Loan Party to obtain authorization to make such payment without withholding or deduction for Taxes imposed under the laws of the United Kingdom ("UK Tax Deduction").

(ii) (A) A Treaty Lender on the day on which this Agreement closes that (x) holds a passport under the HMRC DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall provide its scheme reference number and its jurisdiction of tax residence to each UK Loan Party and the Administrative Agent opposite its name in Schedule II to this Agreement (and thereby confirms that it is a Treaty Lender); and

(B) a Lender which becomes a Lender hereunder after the day on which this Agreement closes that (x) holds a passport under the HMRC DT Treaty Passport scheme and (y) wishes such scheme to apply to this Agreement, shall provide its scheme reference number and its jurisdiction of tax residence to each UK Loan Party and the Administrative Agent and such shall be included in any document of transfer or assignment pursuant to Section 2.21 or Section 2.22 or Section 10.4, and

(C) Upon satisfying either clause (A) or (B) above, such Treaty Lender shall have satisfied its obligation under paragraph (i)(ii) above.

(iii) If a Lender has confirmed its scheme reference number and its jurisdiction of tax residence in accordance with paragraph (i)(ii) above, each UK Loan Party shall make a DTTP Filing with respect to such Lender, and shall promptly provide a copy of such filing to the Administrative Agent for delivery to the relevant Lender, provided that, if:

(A) each UK Loan Party making a payment to such Lender has not made a DTTP Filing in respect of such Lender; or

(B) each UK Loan Party making a payment to such Lender has made a DTTP Filing in respect of such Lender but

(I) such DTTP Filing has been rejected by HM Revenue & Customs; or

(II) HM Revenue & Customs has not given such UK Loan Party authority to make payments to such Lender without a UK Tax Deduction within 60 days of the date of such DTTP Filing;

and in each case, such UK Loan Party has notified that Lender in writing of either clause (I) or (II) above, then such Lender and such UK Loan Party shall cooperate in completing any additional procedural formalities necessary for such UK Loan Party to obtain authorization to make that payment without a UK Tax Deduction.

(iv) If a Lender has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with paragraph (i)(ii) above, no UK Loan Party shall make a DTTP Filing or file any other form relating to the HMRC DT Treaty Passport scheme in respect of that Lender's Commitment(s) or its participation in any Loan unless the Lender otherwise agrees.

(v) Each Lender shall notify the Borrowers and Administrative Agent if it determines in its sole discretion that it ceases to be a Treaty Lender, but failure by a Lender to do so shall not constitute a breach of this Agreement.

(j) VAT.

(i) All amounts set out, or expressed to be payable under a Loan Document by any party to a Recipient which (in whole or part) constitute the consideration for a supply or supplies for VAT purposes shall be deemed to be exclusive of any VAT which is chargeable on such supply or supplies, and accordingly, subject to clause (ii) below, if VAT is or becomes chargeable on any supply made by any Recipient to any party under a Loan Document and such Recipient is required to account to the relevant tax authority for the VAT, such Recipient shall promptly provide an appropriate VAT invoice to such party and that party shall pay to the Recipient (in addition to and at the same time as paying the consideration for such supply) an amount equal to the amount of such VAT.

(ii) If VAT is or becomes chargeable on any supply made by any Recipient (the "Supplier") to any other Recipient (the "Supply Recipient") under a Loan Document, and any party other than the Supply Recipient (the "Subject Party") is required by the terms of any Loan Document to pay an amount equal to the consideration for such supply to the Supplier (rather than being required to reimburse the Supply Recipient in respect of that consideration):

(A) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Subject Party shall also pay to the Supplier (in addition to and at the same time as paying that amount) an additional amount equal to the amount of such VAT. The Supplier will issue a valid VAT invoice to the Supply Recipient. The Supply Recipient will promptly pay to the Subject Party an amount equal to any credit or repayment obtained by the Supply Recipient from the relevant tax authority which the Supply Recipient reasonably determines relates to the VAT chargeable on that supply; and

(B) (where the Supply Recipient is the person required to account to the relevant tax authority for the VAT) the Subject Party shall promptly, following demand from the Supply Recipient, pay to the Supply Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Supply Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(iii) Where a Loan Document requires any party to reimburse a Recipient for any costs or expenses, that party shall also at the same time reimburse or indemnify (as the case may be) such Recipient for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that the Recipient reasonably determines that it is entitled to credit or repayment from the relevant tax authority in respect of the VAT.

(iv) Any reference in this Section 2.18 to any party shall, at any time when such party is treated as a member of a group for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the representative member of such group at such time (the term “representative member” to have the same meaning as in the Value Added Tax Act 1994).

(v) In relation to any supply made by a Recipient to any party under a Loan Document, if reasonably requested by such Recipient, that party must promptly provide such Recipient with details of that party's VAT registration and such other information as is reasonably requested in connection with such Recipient's VAT reporting requirements in relation to such supply.

(k) Survival. Each party's obligations under this Section 2.18 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

#### 2.19 Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) Except as otherwise expressly provided herein and except with respect to principal of and interest on Loans denominated in an Alternative Currency, the Borrower shall make each payment required to be made by it hereunder (whether of principal, interest, fees or reimbursement of LC Disbursements, or of amounts payable under Section 2.16, 2.17 or 2.18 or otherwise) prior to 12:00 noon on the date when due, in Dollars in Same Day Funds, free and clear of any defenses, rights of set-off, counterclaim, or withholding or deduction of Taxes. Notwithstanding the foregoing, all payments by the Borrower hereunder with respect to principal and interest on Loans denominated in an Alternative Currency shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the Payment Office applicable to the respective currency in such Alternative Currency and in Same Day Funds not later than the Applicable Time specified by the Administrative Agent on the date when due, free and clear of any defenses, rights of set-off or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at the Payment Office (applicable to the respective currency), except payments to be made directly to the Issuing Bank as expressly provided herein and except that payments pursuant to Sections 2.16, 2.17, 2.18 and 10.3 shall be made directly to the Persons entitled thereto. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be made payable for the period of such extension. If, for any reason, the Borrower is prohibited by any applicable law, regulation or ruling by a Governmental Authority from making any required payment hereunder in an Alternative Currency, the Borrower shall make such payment in Dollars in the Dollar Equivalent of the Alternative Currency payment amount.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied as follows: first, to all fees and reimbursable expenses of the Administrative Agent then due and payable pursuant to any of the Loan Documents; second, to all reimbursable expenses of the Lenders and all fees and reimbursable expenses of the Issuing Bank then due and payable pursuant to any of the Loan Documents, *pro rata* to the Lenders and the Issuing Bank based on their respective *pro rata* shares of such fees and expenses; third, to all interest and fees then due and payable hereunder, *pro rata* to the Lenders based on their respective *pro rata* shares of such interest and fees; and fourth, to all principal of the Loans and unreimbursed LC Disbursements then due and payable hereunder, *pro rata* to the parties entitled thereto based on their respective *pro rata* shares of such principal and unreimbursed LC Disbursements.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in LC Disbursements that would result in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Credit Exposure, Term Loans and accrued interest and fees thereon than the proportion received by any other Lender with respect to its Revolving Credit Exposure or Term Loans, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Credit Exposure and Term Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Credit Exposure and Term Loans; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this subsection shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Revolving Credit Exposure or Term Loans to any assignee or participant, other than to the Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this subsection shall apply). The Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against the Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of the Borrower in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Bank hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders or the Issuing Bank, as the case may be, the amount or amounts due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment

to the Administrative Agent, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

## 2.20 Letters of Credit.

(a) During the Availability Period, the Issuing Bank, in reliance upon the agreements of the other Lenders pursuant to subsections (d) and (e) of this Section, may, in its sole discretion, issue, at the request of the Borrower, Letters of Credit, denominated in Dollars or one or more Alternative Currencies, for the account of the Borrower on the terms and conditions hereinafter set forth; provided that (i) each Letter of Credit shall expire on the earlier of (A) the date one year after the date of issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (B) the date that is five (5) Business Days prior to the Revolving Commitment Termination Date; (ii) each Letter of Credit shall be in a stated amount (Dollar Equivalent) of at least \$50,000; and (iii) the Borrower may not request any Letter of Credit if, after giving effect to such issuance, (A) the aggregate LC Exposure would exceed the LC Commitment or (B) the aggregate Revolving Credit Exposure of all Lenders would exceed the Aggregate Revolving Commitment Amount or, in the case of a Letter of Credit denominated in an Alternative Currency, the aggregate Revolving Credit Exposure of all Lenders denominated in such Alternative Currency would exceed the applicable Alternative Currency Sublimit and (iv) the Borrower shall not request, and the Issuing Bank shall have no obligation to issue, any Letter of Credit the proceeds of which would be made available to any Person (AA) to fund any activity or business of or with any Sanctioned Person or in any Sanctioned Countries, that, at the time of such funding, is the subject of any Sanctions or (BB) in any manner that would result in a violation of any Sanctions by any party to this Agreement. Each Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Issuing Bank without recourse a participation in each Letter of Credit equal to such Lender's Pro Rata Share of the aggregate amount available to be drawn under such Letter of Credit on the date of issuance thereof. Each issuance of a Letter of Credit shall be deemed to utilize the Revolving Commitment of each Lender by an amount equal to the amount of such participation.

(b) To request the issuance of a Letter of Credit (or any amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall give the Issuing Bank and the Administrative Agent irrevocable written notice at least three (3) Business Days prior to the requested date of such issuance specifying the date (which shall be a Business Day) such Letter of Credit is to be issued (or amended, renewed or extended, as the case may be), the expiration date of such Letter of Credit, the amount and currency of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. In addition to the satisfaction of the conditions in Article III, the issuance of such Letter of Credit (or any amendment which increases the amount of such Letter of Credit) will be subject to the further conditions that such Letter of Credit shall be in such form and contain such terms as the Issuing Bank shall approve and that the Borrower shall have executed and delivered any additional applications, agreements and instruments relating to such Letter of Credit as the Issuing Bank shall reasonably require; provided that in the event of any conflict between such applications, agreements or instruments and this Agreement, the terms of this Agreement shall control.

(c) At least two (2) Business Days prior to the issuance of any Letter of Credit, the Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received such notice, and, if not, the Issuing Bank will provide the Administrative Agent with a copy thereof. Unless the Issuing Bank has received notice from the Administrative Agent, on or before the Business Day immediately preceding the date the Issuing Bank is to issue the requested Letter of Credit, directing the Issuing Bank not to issue the Letter of Credit because such issuance is not then permitted hereunder because of the limitations set forth in subsection (a) of this Section or that one or more conditions specified in Article III are not then satisfied, then, subject to the terms and conditions hereof, the Issuing Bank shall, on the requested date, issue such Letter of Credit in accordance with the Issuing Bank's usual and customary business practices.

(d) The Issuing Bank shall examine all documents purporting to represent a demand for payment under a Letter of Credit promptly following its receipt thereof. The Issuing Bank shall notify the Borrower and the Administrative Agent of such demand for payment and whether the Issuing Bank has made or will make a LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse the Issuing Bank and the Lenders with respect to such LC Disbursement. The Borrower shall be irrevocably and unconditionally obligated to reimburse the Issuing Bank for any LC Disbursements paid by the Issuing Bank in respect of such drawing, without presentment, demand or other formalities of any kind. Unless the Borrower shall have notified the Issuing Bank and the Administrative Agent prior to 11:00 a.m. (or the Applicable Time, in the case of Letters of Credit to be reimbursed in an Alternative Currency) on the Business Day immediately prior to the date on which such drawing is honored that the Borrower intends to reimburse the Issuing Bank for the amount of such drawing in funds other than from the proceeds of Revolving Loans, the Borrower shall be deemed to have timely given a Notice of Revolving Borrowing to the Administrative Agent requesting the Lenders to make a Base Rate Borrowing on the date on which such drawing is honored in an exact amount (expressed in Dollars in the amount of the Dollar Equivalent thereof in the case of a Letter of Credit denominated in an Alternative Currency) due to the Issuing Bank; provided that for purposes solely of such Borrowing, the conditions precedent set forth in Section 3.3 hereof shall not be applicable. The Administrative Agent shall notify the Lenders of such Borrowing in accordance with Section 2.3 (expressed in Dollars in the amount of the Dollar Equivalent thereof in the case of a Letter of Credit denominated in an Alternative Currency), and each Lender shall make the proceeds of its Base Rate Loan included in such Borrowing available to the Administrative Agent for the account of the Issuing Bank in accordance with Section 2.4. The proceeds of such Borrowing shall be applied directly by the Administrative Agent to reimburse the Issuing Bank for such LC Disbursement. In the case of a Letter of Credit denominated in an Alternative Currency, the Borrower shall reimburse the Issuing Bank in such Alternative Currency, unless (A) the Issuing Bank (at its option) shall have specified in such notice that it will require reimbursement in Dollars, or (B) in the absence of any such requirement for reimbursement in Dollars, the Borrower shall have notified the Issuing Bank promptly following receipt of the notice of drawing that the Borrower will reimburse the Issuing Bank in Dollars. In the case of any such reimbursement in Dollars of a drawing under a Letter of Credit denominated in an Alternative Currency, the Issuing Bank shall notify the Borrower of the Dollar Equivalent of the amount of the drawing promptly following the determination thereof.

(e) If for any reason a Base Rate Borrowing may not be (as determined in the sole discretion of the Administrative Agent), or is not, made in accordance with the foregoing provisions, then each Lender (other than the Issuing Bank) shall be obligated to fund the participation that such Lender purchased pursuant to subsection (a) of this Section in an amount equal to its Pro Rata Share of such LC Disbursement on and as of the date which such Base Rate Borrowing should have occurred. Each Lender's obligation to fund its participation shall be absolute and unconditional and shall not be affected by any circumstance, including, without limitation, (i) any set-off, counterclaim, recoupment, defense or other right that such Lender or any other Person may have against the Issuing Bank or any other Person for any reason whatsoever, (ii) the existence of a Default or an Event of Default or the termination of the Aggregate Revolving Commitments, (iii) any adverse change in the condition (financial or otherwise) of the Parent or any of its Subsidiaries, (iv) any breach of this Agreement by the Borrower or any other Lender, (v) any amendment, renewal or extension of any Letter of Credit or (vi) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing. On the date that such participation is required to be funded, each Lender shall promptly transfer, in Same Day Funds (to be made in Dollars), the amount of its participation to the Administrative Agent for the account of the Issuing Bank. Whenever, at any time after the Issuing Bank has received from any such Lender the funds for its participation in a LC Disbursement, the Issuing Bank (or the Administrative Agent on its behalf) receives any payment on account thereof, the Administrative Agent or the Issuing Bank, as the case may be, will distribute to such Lender its Pro Rata Share of such payment; provided that if such payment is required to be returned for any reason to the Borrower or to a trustee, receiver, liquidator, administrator, custodian or similar official in any bankruptcy proceeding, such Lender will return to the Administrative Agent or the Issuing Bank any portion thereof previously distributed by the Administrative Agent or the Issuing Bank to it.

(f) To the extent that any Lender shall fail to pay any amount required to be paid pursuant to subsection (d) or (e) of this Section on the due date therefor, such Lender shall pay interest to the Issuing Bank (through the Administrative Agent) on such amount from such due date to the date such payment is made at a rate *per annum* equal to the Federal Funds Rate; provided that if such Lender shall fail to make such payment to the Issuing Bank within three (3) Business Days of such due date, then, retroactively to the due date, such Lender shall be obligated to pay interest on such amount at the Base Rate.

(g) If any Event of Default shall occur and be continuing, on the Business Day that the Borrower receives notice from the Administrative Agent or the Required Lenders demanding that its reimbursement obligations with respect to the Letters of Credit be Cash Collateralized pursuant to this subsection, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Issuing Bank and the Lenders, an amount in cash equal to 105% of the aggregate LC Exposure of all Lenders as of such date plus any accrued and unpaid fees thereon; provided that such obligation to Cash Collateralize the reimbursement obligations of the Borrower with respect to the Letters of Credit shall become effective immediately, and such deposit shall become immediately due and payable, without demand or notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in Section 8.1(g) or (h). Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and

control, including the exclusive right of withdrawal, over such account. The Borrower agrees to execute any documents and/or certificates to effectuate the intent of this subsection. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent and at the Borrower's risk and expense, such deposits shall not bear interest. Interest and profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Bank for LC Disbursements for which it had not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated, with the consent of the Required Lenders, be applied to satisfy other obligations of the Borrower under this Agreement and the other Loan Documents. If the Borrower is required to Cash Collateralize its reimbursement obligations with respect to the Letters of Credit as a result of the occurrence of an Event of Default, such cash collateral so posted (to the extent not so applied as aforesaid) shall be returned to the Borrower within three (3) Business Days after all Events of Default have been cured or waived.

(h) Upon the request of any Lender, but no more frequently than quarterly, the Issuing Bank shall deliver (through the Administrative Agent) to each Lender and the Borrower a report describing the aggregate Letters of Credit then outstanding. Upon the request of any Lender from time to time, the Issuing Bank shall deliver to such Lender any other information reasonably requested by such Lender with respect to each Letter of Credit then outstanding.

(i) The Borrower's obligation to reimburse LC Disbursements hereunder shall be absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under all circumstances whatsoever and irrespective of any of the following circumstances:

(i) any lack of validity or enforceability of any Letter of Credit or this Agreement;

(ii) the existence of any claim, set-off, defense or other right which the Borrower or any Subsidiary or Affiliate of the Borrower may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons or entities for whom any such beneficiary or transferee may be acting), any Lender (including the Issuing Bank) or any other Person, whether in connection with this Agreement or the Letter of Credit or any document related hereto or thereto or any unrelated transaction;

(iii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect;

(iv) payment by the Issuing Bank under a Letter of Credit against presentation of a draft or other document to the Issuing Bank that does not comply with the terms of such Letter of Credit;

(v) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or

equitable discharge of, or provide a right of set-off against, the Borrower's obligations hereunder;

(vi) any adverse change in the relevant exchange rates or in the availability of the relevant Alternative Currency to the Borrower or in the relevant currency markets generally; or

(vii) the existence of a Default or an Event of Default.

Neither the Administrative Agent, the Issuing Bank, any Lender nor any Related Party of any of the foregoing shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to above), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Bank; provided that the foregoing shall not be construed to excuse the Issuing Bank from liability to the Borrower to the extent of any actual direct damages (as opposed to special, indirect (including claims for lost profits or other consequential damages), or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by the Issuing Bank's failure to exercise due care when determining whether drafts or other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of the Issuing Bank (as finally determined by a court of competent jurisdiction), the Issuing Bank shall be deemed to have exercised due care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(j) Unless otherwise expressly agreed by the Issuing Bank and the Borrower when a Letter of Credit is issued and subject to applicable laws, (i) each standby Letter of Credit shall be governed by the "International Standby Practices 1998" (ISP98) (or such later revision as may be published by the Institute of International Banking Law & Practice on any date any Letter of Credit may be issued), (ii) each documentary Letter of Credit shall be governed by the Uniform Customs and Practices for Documentary Credits (2007 Revision), International Chamber of Commerce Publication No. 600 (or such later revision as may be published by the International Chamber of Commerce on any date any Letter of Credit may be issued) and (iii) the Borrower shall specify the foregoing in each letter of credit application submitted for the issuance of a Letter of Credit.

2.21 Increase of Commitments; Additional Lenders.

(a) From time to time after the Closing Date and in accordance with this Section, the Borrower and one or more Increasing Lenders or Additional Lenders (each as defined below) may enter into an agreement to increase the aggregate Revolving Commitments and/or the aggregate Term Loan Commitments hereunder (each such increase, an “Incremental Commitment”) so long as the following conditions are satisfied:

(i) the aggregate principal amount of all such Incremental Commitments made pursuant to this Section shall not exceed \$25,000,000 (the principal amount of each such Incremental Commitment, the “Incremental Commitment Amount”);

(ii) the Borrower shall execute and deliver such documents and instruments and take such other actions as may be reasonably required by the Administrative Agent in connection with and at the time of any such proposed increase;

(iii) at the time of and immediately after giving effect to any such proposed increase, no Default or Event of Default shall exist, all representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct in all material respects (other than those representations and warranties that are expressly qualified by a Material Adverse Effect or other materiality qualifier, in which case such representations and warranties shall be true and correct in all respects), and, since December 31, 2017, there shall have been no change which has had or could reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect;

(iv) (x) any incremental Term Loans made pursuant to this Section (the “Incremental Term Loans”) and (y) any incremental Revolving Commitments provided pursuant to this Section (the “Incremental Revolving Commitments”) shall have terms identical to the Term Loans or Revolving Commitments, as applicable, outstanding immediately prior to such incurrence, except in each case for fees payable to the Lenders providing such Incremental Term Loans and Incremental Revolving Commitments, as applicable, as may be mutually agreed in writing among the Administrative Agent, the Borrower and the applicable Lenders;

(v) the Borrower and its Subsidiaries shall be in pro forma compliance with each of the financial covenants set forth in Article VI as of the most recently ended Fiscal Quarter for which financial statements are required to have been delivered, calculated as if all such Incremental Term Loans had been made and all such Incremental Revolving Commitments had been established (and fully funded) as of the first day of the relevant period for testing compliance;

(vi) any collateral securing any such Incremental Commitments shall also secure all other Obligations on a *pari passu* basis; and

(vii) all other terms and conditions with respect to any such Incremental Commitments shall be reasonably satisfactory to the Administrative Agent.

(b) The Borrower shall provide at least 30 days’ written notice to the Administrative Agent (who shall promptly provide a copy of such notice to each Lender) of any

proposal to establish an Incremental Commitment. The Borrower may also, but is not required to, specify any fees offered to those Lenders (the “Increasing Lenders”) that agree to increase the principal amount of their Revolving Commitments and/or their Term Loan Commitments, which fees may be variable based upon the amount by which any such Lender is willing to increase the principal amount of its Revolving Commitment and/or its Term Loan Commitment, as applicable. Each Increasing Lender shall as soon as practicable, and in any case within 15 days following receipt of such notice, specify in a written notice to the Borrower and the Administrative Agent the amount of such proposed Incremental Commitment that it is willing to provide. No Lender (or any successor thereto) shall have any obligation, express or implied, to offer to increase the aggregate principal amount of its Revolving Commitment and/or its Term Loan Commitment, and any decision by a Lender to increase its Revolving Commitment and/or its Term Loan Commitment shall be made in its sole discretion independently from any other Lender. Only the consent of each Increasing Lender shall be required for an increase in the aggregate principal amount of the Revolving Commitments and/or the Term Loan Commitments, as applicable, pursuant to this Section. No Lender which declines to increase the principal amount of its Revolving Commitment and/or its Term Loan Commitment may be replaced with respect to its existing Revolving Commitment and/or its Term Loans, as applicable, as a result thereof without such Lender’s consent. If any Lender shall fail to notify the Borrower and the Administrative Agent in writing about whether it will increase its Revolving Commitment and/or its Term Loan Commitment within 15 days after receipt of such notice, such Lender shall be deemed to have declined to increase its Revolving Commitment and/or its Term Loan Commitment, as applicable. The Borrower may accept some or all of the offered amounts or designate new lenders that are acceptable to the Administrative Agent (such approval not to be unreasonably withheld) as additional Lenders hereunder in accordance with this Section (the “Additional Lenders”), which Additional Lenders may assume all or a portion of such Incremental Commitment. The Borrower and the Administrative Agent shall have discretion jointly to adjust the allocation of such Incremental Revolving Commitments and/or such Incremental Term Loans among the Increasing Lenders and the Additional Lenders. The sum of the increase in the Revolving Commitments and the Term Loan Commitments of the Increasing Lenders plus the Revolving Commitments and the Term Loan Commitments of the Additional Lenders shall not in the aggregate exceed the unsubscribed amount of the Incremental Commitment Amount.

(c) Subject to subsections (a) and (b) of this Section, any increase requested by the Borrower shall be effective upon delivery to the Administrative Agent of each of the following documents:

(i) an originally executed copy of an instrument of joinder, in form and substance reasonably acceptable to the Administrative Agent, executed by the Borrower, by each Additional Lender and by each Increasing Lender, setting forth the new Revolving Commitments and/or new Term Loan Commitments, as applicable, of such Lenders and setting forth the agreement of each Additional Lender to become a party to this Agreement and to be bound by all of the terms and provisions hereof;

(ii) such evidence of appropriate corporate authorization on the part of the Borrower with respect to such Incremental Commitment and such opinions of counsel for the

Borrower with respect to such Incremental Commitment as the Administrative Agent may reasonably request;

(iii) a certificate of the Borrower signed by a Responsible Officer, in form and substance reasonably acceptable to the Administrative Agent, certifying that each of the conditions in subsection (a) of this Section has been satisfied;

(iv) to the extent requested by any Additional Lender or any Increasing Lender, executed Notes evidencing such Incremental Revolving Commitments and/or such Incremental Term Loans, issued by the Borrower in accordance with Section 2.8; and

(v) any other certificates or documents that the Administrative Agent shall reasonably request, in form and substance reasonably satisfactory to the Administrative Agent.

Upon the effectiveness of any such Incremental Commitment, the Commitments and Pro Rata Share of each Lender will be adjusted to give effect to the Incremental Revolving Commitments and/or the Incremental Term Loans, as applicable, and Schedule II shall automatically be deemed amended accordingly.

(d) The scheduled principal payments on the Term Loans to be made pursuant to Section 2.7 shall be ratably increased after the making of any Incremental Term Loans under this Section by the aggregate principal amount of such Incremental Term Loans. If the Borrower incurs Incremental Commitments under this Section, the Borrower shall, after such time, repay and incur Revolving Loans ratably as between the Incremental Commitments and the Revolving Commitments outstanding immediately prior to such incurrence. Notwithstanding anything to the contrary in Section 10.2, the Administrative Agent is expressly permitted to amend the Loan Documents to the extent necessary to give effect to any increase pursuant to this Section and mechanical changes necessary or advisable in connection therewith (including amendments to implement the requirements in the preceding sentence, amendments to ensure *pro rata* allocations of Eurocurrency Loans and Base Rate Loans between Loans incurred pursuant to this Section and Loans outstanding immediately prior to any such incurrence and amendments to implement ratable participation in Letters of Credit).

2.22 Mitigation of Obligations. If any Lender requests compensation under Section 2.16, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.18, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the sole judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable under Section 2.16 or Section 2.18, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all costs and expenses incurred by any Lender in connection with such designation or assignment.

2.23 Replacement of Lenders. If (a) any Lender requests compensation under Section 2.16, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.18, or (b) any Lender is a Defaulting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions set forth in Section 10.4(b)), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.16 or 2.18, as applicable) and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender) (a “Replacement Lender”); provided that (i) the Borrower shall have received the prior written consent of the Administrative Agent, which consent shall not be unreasonably withheld, (ii) such Lender shall have received payment of an amount equal to the outstanding principal amount of all Loans owed to it, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (in the case of such outstanding principal and accrued interest) and from the Borrower (in the case of all other amounts), and (iii) in the case of a claim for compensation under Section 2.16 or payments required to be made pursuant to Section 2.18, such assignment will result in a reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

2.24 Defaulting Lenders.

(a) Cash Collateral.

(i) At any time that there shall exist a Defaulting Lender, within one Business Day following the written request of the Administrative Agent or the Issuing Bank (with a copy to the Administrative Agent) the Borrower shall Cash Collateralize the Issuing Bank’s LC Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.24(b)(v) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than 105% of the Issuing Bank’s LC Exposure with respect to such Defaulting Lender.

(ii) The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Issuing Bank, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lenders’ obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (iii) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent and the Issuing Bank as herein provided, or that the total amount of such Cash Collateral is less than the minimum amount required pursuant to clause (i) above, the Borrower will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(iii) Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.24(a) or Section 2.24(b) in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender’s obligation to fund participations in respect of Letters of Credit or LC Disbursements (including, as to Cash

Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(iv) Cash Collateral (or the appropriate portion thereof) provided to reduce any Issuing Bank's LC Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.24(a) following (A) the elimination of the applicable LC Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the Administrative Agent and the Issuing Bank that there exists excess Cash Collateral; provided that, subject to Section 2.24(b) through (d) the Person providing Cash Collateral and each Issuing Bank may agree that Cash Collateral shall be held to support future anticipated LC Exposure or other obligations and provided further that to the extent that such Cash Collateral was provided by the Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

(b) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders and in Section 10.2.

(ii) Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.7 shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; second, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Issuing Bank hereunder; third, to Cash Collateralize the Issuing Bank's LC Exposure with respect to such Defaulting Lender in accordance with Section 2.24(a); fourth, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fifth, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Bank's future LC Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.24(a); sixth, to the payment of any amounts owing to the Lenders or the Issuing Bank as a result of any judgment of a court of competent jurisdiction obtained by any Lender or the Issuing Bank against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and eighth, to such Defaulting Lender or as otherwise directed by a court of competent

jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or LC Disbursements in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 3.3 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and LC Disbursements owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or LC Disbursements owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations are held by the Lenders pro rata in accordance with the Commitments under the applicable Facility without giving effect to sub-section (iv) below. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.24(b)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) (A) Commitment Fees: No Defaulting Lender shall be entitled to receive any Commitment Fee pursuant to Section 2.12(b) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive letter of credit fees pursuant to Section 2.12(c) for any period during which that Lender is a Defaulting Lender only to the extent allocable to that portion of its LC Exposure for which it has provided Cash Collateral pursuant to Section 2.24(a).

(C) With respect to any commitment fee or letter of credit fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to each Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to the Issuing Bank's LC Exposure with respect to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iv) Any Reserve in existence at a time when a Lender is a Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Revolving Percentages but only to the extent that the sum of (A) all non-Defaulting Lenders' collective Pro Rata Shares of the aggregate Revolving Credit Exposures of all Lenders plus the Reserves immediately prior to giving effect to such reallocation, plus (B) the Defaulting Lender's Pro Rata Share of the Reserves, in each case at such time, does not exceed the sum of all non-Defaulting Lenders' aggregate Revolving Commitments at such time. "Revolving Percentage" shall mean, with respect to any Lender, the percentage of the Aggregate Revolving Commitments represented by such Lender's Revolving Commitment; provided, that, if the Revolving Commitments have terminated or expired, a Lender's Revolving Percentage shall be

determined based upon the Aggregate Revolving Commitments most recently in effect, giving effect to any assignments.

(v) All or any part of such Defaulting Lender's participation in Letters of Credit shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares of the Revolving Commitments (calculated without regard to such Defaulting Lender's Revolving Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(vi) If the reallocation described in clause (v) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, Cash Collateralize the Issuing Bank's LC Exposure with respect to such Defaulting Lender in accordance with the procedures set forth in Section 2.24(a).

(c) Defaulting Lender Cure. If the Borrower, the Administrative Agent and Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit to be held pro rata by the Lenders in accordance with the applicable Commitments (without giving effect to Section 2.24(b)(v), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(d) Letters of Credit. So long as any Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, extend, renew or increase any Letter of Credit unless it is satisfied that it will have no LC Exposure after giving effect thereto.

## 2.25 Provisions Relating to the Borrowing Base.

(a) The Administrative Agent or the Required Lenders may from time to time by written notice to the Borrower (i) remove any Acceptable Obligor or Affiliated Group from Annex B, or (ii) decrease the Allowable Amount for any Acceptable Obligor or Affiliated Group, (iii) reclassify any Acceptable Obligor or Affiliated Group into a different category of Acceptable Obligor or Affiliated Group (as the case may be), or (iv) modify the type(s) of Item(s) of Product permitted for such Acceptable Obligor or Affiliated Group, in each case as the

Administrative Agent or the Required Lenders, as the case may be, acting in good faith may deem appropriate in its (or their) reasonable discretion as a result of a change in the circumstances of such Acceptable Obligor or Affiliated Group or experience with regard to the set offs or deductions taken or asserted by the Acceptable Obligor or a member of its Affiliated Group with regard to prior credits included in the Borrowing Base; provided, that any such removal, decrease, reclassification or modification shall be effective on a prospective basis only and shall not be effective (x) with respect to any Acceptable Obligor or Affiliated Group if, prior to the Borrower's receipt of such notice, any of the Loan Parties has executed a deal memo or other written agreement with such Acceptable Obligor or Affiliated Group with respect to amounts to be paid to such Loan Party solely in connection with a single Item of Product and/or (y) to the extent that giving effect to such notice would otherwise result in a mandatory prepayment by the Borrower under Section 2.10(d) (but such notice shall nevertheless be effective for all other purposes under this Agreement), subject to the provisos in subsections (d) and (e) of this Section; and provided, further, that, to the extent practicable (and subject to any confidentiality requirements imposed by law or a third Person), the Administrative Agent shall, in the case of any such removal, decrease, reclassification or modification, provide the Borrower with an explanation for any such removal, decrease, reclassification or modification, it being understood that the absence of or the content of any such explanation shall not render such notice of removal, decrease, reclassification or modification invalid and the Administrative Agent shall have no obligation to provide any such explanation in writing.

(b) The Administrative Agent or the Required Lenders may (either independently or after a request has been received from the Borrower) from time to time by written notice to the Borrower, as it or they may in its or their discretion deem appropriate, (i) add or reinstate an Acceptable Obligor or Affiliated Group to Annex B, (ii) increase the Allowable Amount for any Acceptable Obligor or Affiliated Group, (iii) reclassify any Acceptable Obligor or Affiliated Group into a different category of Acceptable Obligor with the effect of increasing the advance rates in the Borrowing Base with respect to Eligible Receivables from such Acceptable Obligor or (iv) increase the type(s) of Item(s) of Product permitted for such Acceptable Obligor.

(c) In the event either Administrative Agent or the Required Lenders notify the Borrower that an Acceptable Obligor or Affiliated Group is removed from Annex B in accordance with subsection (a) of this Section, no new Eligible Receivables with respect to such Person or Affiliated Group may be included in the Borrowing Base, and any existing Eligible Receivables may no longer be included in the Borrowing Base for purposes of further Loans made hereunder, in each case subsequent to such notice, unless supported by an Acceptable L/C or the Administrative Agent or the Required Lenders thereafter notify the Borrower that such Acceptable Obligor or Affiliated Group is reinstated as an Acceptable Obligor in accordance with subsection (b) of this Section.

(d) In the event either Administrative Agent or the Required Lenders notify the Borrower that the Allowable Amount with respect to an Acceptable Obligor or Affiliated Group is to be reduced in accordance with subsection (a) of this Section, (i) no new Eligible Receivables with respect to such Acceptable Obligor or Affiliated Group may be included in a Borrowing Base subsequent to such notice if such inclusion would result in the aggregate amount of Eligible Receivables from such Acceptable Obligor or Affiliated Group (plus any then un-

funded co-financing commitments of such Person(s) with respect to a Co-Financed Item of Product) being in excess of the Allowable Amount for such Acceptable Obligor or Affiliated Group after giving effect to such reduction, and (ii) no further Loans shall be made on the basis of Eligible Receivables with respect to such Acceptable Obligor or Affiliated Group subsequent to such notice if such Loans would result in a mandatory prepayment by the Borrower under Section 2.10(d) after giving effect to such reduction, in each case to the extent of such excess only, unless such excess is supported by an Acceptable L/C or the Required Lenders thereafter notify the Borrower that the Allowable Amount for such Acceptable Obligor or Affiliated Group is increased in accordance with subsection (b) of this Section; provided, that notwithstanding the foregoing, any reduction of an Allowable Amount with respect to an Acceptable Obligor or Affiliated Group shall have no effect on then existing Eligible Receivables included in the Borrowing Base for purposes of Loans to fund the Budgeted Negative Cost of an Item of Product for which an initial Loan was made prior to such reduction.

(e) In the event either Administrative Agent or the Required Lenders notify the Borrower that any Acceptable Obligor or Affiliated Group is reclassified into a different category of Acceptable Obligor with the effect of reducing the advance rates in the Borrowing Base with respect to Eligible Receivables with respect to such Acceptable Obligor or Affiliated Group in accordance with subsection (a) of this Section, (i) any additional Eligible Receivables from such Acceptable Obligor may be included in a Borrowing Base subsequent to such notice only if classified at the new category of Acceptable Obligor or Affiliated Group and at the new advance rate after giving effect to such reclassification, and (ii) no further Loans shall be made on the basis of existing Eligible Receivables from such Acceptable Obligor or Affiliated Group subsequent to such notice if such Loans would result in a mandatory prepayment by the Borrower under Section 2.10(d) after giving effect to such reduction, in each case unless the Required Lenders thereafter notify the Borrower that such Acceptable Obligor or Affiliated Group is reclassified in accordance with subsection (b) of this Section; provided, that notwithstanding the foregoing, any reclassification of an Acceptable Obligor shall have no effect on then existing Eligible Receivables included in the Borrowing Base for purposes of Loans to fund the Budgeted Negative Cost of an Item of Product for which an initial Loan was made prior to such reclassification.

In the event either Administrative Agent or the Required Lenders notify the Borrower that the type(s) of Item(s) of Product permitted for an Acceptable Obligor or Affiliated Group have been modified so as to eliminate a particular type of permitted Item of Product with respect to such Acceptable Obligor or Affiliated Group in accordance with subsection (a) of this Section, no new Eligible Receivables with respect to such Person or Affiliated Group may be included in the Borrowing Base in respect of such eliminated type of permitted Item of Product; provided, that notwithstanding the foregoing, any elimination a particular type of permitted Item of Product with respect to an Acceptable Obligor or Affiliated Group shall have no effect on then existing Eligible Receivables included in the Borrowing Base for purposes of Loans to fund the Budgeted Negative Cost of an Item of Product for which an initial Loan was made prior to such elimination.

3.3 Conditions to Each Credit Extension. The obligation of each Lender to make a Loan on the occasion of any Borrowing and of the Issuing Bank to issue, amend, renew or extend any Letter of Credit is subject to Section 2.24(c) and the satisfaction of the following conditions:

(a) No Default or Event of Default. At the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, no Default or Event of Default shall exist;

(b) Accuracy of Representations and Warranties. At the time of and immediately after giving effect to such Borrowing or the issuance, amendment, renewal or extension of such Letter of Credit, as applicable, all of the respective representations and warranties of each Loan Party set forth in the Loan Documents shall be true and correct in all material respects (other than those representations and warranties that are expressly qualified by a Material Adverse Effect or other materiality, in which case such representations and warranties shall be true and correct in all respects), except to the extent that such representations and warranties specifically refer to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date (other than such representations and warranties that are expressly qualified by a Material Adverse Effect or other materiality, in which case such representations and warranties shall be true and correct in all respects as of such earlier date).

(g) Alternative Currency Credit Extensions. In the case of a Revolving Loan or a Letter of Credit to be denominated in an Alternative Currency, there shall not have occurred any change in national or international financial, political or economic conditions or currency exchange rates or exchange controls which in the reasonable opinion of the Administrative

Agent, the Required Lenders (in the case of any Revolving Loans to be denominated in an Alternative Currency) or the Issuing Bank (in the case of any Letter of Credit to be denominated in an Alternative Currency) would make it impracticable for such Loan or Letter of Credit to be denominated in the relevant Alternative Currency.

Each Borrowing and each issuance, amendment, renewal or extension of any Letter of Credit shall be deemed to constitute a representation and warranty by the Borrower on the date thereof as to the matters specified in subsections (a), (b) and (c) of this Section.

3.4 Delivery of Documents. All of the Loan Documents, certificates, legal opinions and other documents and papers referred to in this Article, unless otherwise specified, shall be delivered to the Administrative Agent for the account of each of the Lenders and in sufficient counterparts or copies for each of the Lenders and shall be in form and substance satisfactory in all respects to the Administrative Agent.

#### **ARTICLE IV REPRESENTATIONS AND WARRANTIES**

The Borrower represents and warrants to the Administrative Agent, each Lender and the Issuing Bank as follows:

4.1 Existence; Power. The Borrower and each other Group Member (i) is duly organized (or, with respect to the UK Loan Parties or Australian Loan Parties, incorporated), validly existing and in good standing as a corporation, partnership or limited liability company under the laws of the jurisdiction of its organization or incorporation, (ii) has all requisite power and authority to carry on its business as now conducted, and (iii) is duly qualified to do business, and is in good standing, in each jurisdiction where such qualification is required, except where a failure to be so qualified could not reasonably be expected to result in a Material Adverse Effect.

4.2 Organizational Power; Authorization. The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party are within such Loan Party's organizational powers and have been duly authorized by all necessary organizational and, if required, shareholder, partner or member action. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document to which any Loan Party is a party, when executed and delivered by such Loan Party, will constitute, valid and binding obligations of the Borrower or such Loan Party (as the case may be), enforceable against it in accordance with their respective terms, except as may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity.

4.3 Governmental Approvals; No Conflicts. The execution, delivery and performance by each Loan Party of the Loan Documents to which it is a party (a) do not require any consent or approval of, registration or filing with, or any action by, any Governmental Authority, except those as have been obtained or made and are in full force and effect and except for filings necessary to perfect or maintain perfection of the Liens created under the Loan Documents, (b) will not violate any Requirement of Law applicable to the Parent or any of its Subsidiaries or any judgment, order or ruling of any Governmental Authority, (c) will not violate

or result in a default under any Contractual Obligation of the Parent or any of its Subsidiaries or any of its assets or give rise to a right thereunder to require any payment to be made by the Parent or any of its Subsidiaries and (d) will not result in the creation or imposition of any Lien on any asset of the Parent or any of its Subsidiaries, except Liens (if any) created under the Loan Documents.

4.4 Financial Statements. The Borrower has furnished to each Lender (i) the audited consolidated balance sheet of the Parent and its Subsidiaries as of December 31, 2017, and the related audited consolidated statements of income, shareholders' equity and cash flows for the Fiscal Year then ended, prepared by Grant Thornton LLP and (ii) the unaudited consolidated balance sheet of the Parent and its Subsidiaries as of March 31, 2018, and the related unaudited consolidated statements of income and cash flows for the Fiscal Quarter and year-to-date period then ended, certified by a Responsible Officer. Such financial statements fairly present the consolidated financial condition of the Parent and its Subsidiaries as of such dates and the consolidated results of operations for such periods in conformity with IFRS consistently applied, subject to year-end audit adjustments and the absence of footnotes in the case of the statements referred to in clause (ii). Since December 31, 2017, there have been no changes with respect to the Parent and its Subsidiaries which have had or could reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect.

4.5 Litigation and Environmental Matters.

(a) No litigation, investigation or proceeding of or before any arbitrators or Governmental Authorities is pending against or, to the knowledge of the Borrower, threatened against or affecting the Parent or any of its Subsidiaries (i) as to which there is a reasonable possibility of an adverse determination that could reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect or (ii) which in any manner draws into question the validity or enforceability of this Agreement or any other Loan Document.

(b) No Group Member (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, (ii) has become subject to any Environmental Liability, (iii) has received notice of any claim with respect to any Environmental Liability or (iv) knows of any basis for any Environmental Liability where such failure, event, notice or knowledge could reasonably be expected to have a Material Adverse Effect.

4.6 Compliance with Laws and Agreements. Each Group Member is in compliance with (a) all Requirements of Law and all judgments, decrees and orders of any Governmental Authority in all material respects and (b) all indentures, agreements or other instruments binding upon it or its properties, except where non-compliance, either individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

4.7 Investment Company Act. No Group Member is (a) an "investment company" or is "controlled" by an "investment company", as such terms are defined in, or subject to regulation under, the Investment Company Act of 1940, as amended and in effect from time to time, or (b) otherwise subject to any other regulatory scheme limiting its ability to incur debt or

requiring any approval or consent from, or registration or filing with, any Governmental Authority in connection therewith.

4.8 Taxes. Each Group Member and each other Person for whose Taxes any Group Member could become liable have timely filed or caused to be filed all Federal, state and provincial income Tax returns and all other material Tax returns that are required to be filed by it, and have paid all Taxes shown to be due and payable on such returns or on any assessments made against it or its property and all other material Taxes imposed on it or any of its property by any Governmental Authority, including all Statutory Prior Claims and all other obligations incidental to any statutory lien or deemed trust imposed upon it by applicable law which, if unpaid, might become a Lien on any of its business assets, except where the same are currently being contested in good faith by appropriate proceedings and for which such Group Member has set aside on its books adequate reserves in accordance with IFRS. The charges, accruals and reserves on the books of the Group Members in respect of such Taxes are adequate, and no Tax liabilities that could be materially in excess of the amount so provided are anticipated. For U.S. federal income Tax purposes, Borrower is (and will continue to be) treated as a foreign corporation that is not engaged (or treated as engaged) in a trade or business in the United States.

4.9 Margin Regulations. None of the proceeds of any of the Loans or Letters of Credit will be used, directly or indirectly, for “purchasing” or “carrying” any “margin stock” within the respective meanings of each of such terms under Regulation U or for any purpose that violates the provisions of Regulation T, Regulation U or Regulation X. No Group Member is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of purchasing or carrying “margin stock”.

4.10 ERISA. Each Plan (if any) is in substantial compliance in form and operation with its terms and with ERISA and the Code (including, without limitation, the Code provisions compliance with which is necessary for any intended favorable tax treatment) and all other applicable laws and regulations. Each Plan (and each related trust, if any) which is intended to be qualified under Section 401(a) of the Code has received a favorable determination letter from the Internal Revenue Service to the effect that it meets the requirements of Sections 401(a) and 501(a) of the Code covering all applicable tax law changes, or is comprised of a master or prototype plan that has received a favorable opinion letter from the Internal Revenue Service, and nothing has occurred since the date of such determination that would adversely affect such determination (or, in the case of a Plan with no determination, nothing has occurred that would adversely affect the issuance of a favorable determination letter or otherwise adversely affect such qualification). No ERISA Event has occurred or is reasonably expected to occur. There exists no Unfunded Pension Liability with respect to any Plan. Neither any Group Member nor any ERISA Affiliate is making or accruing an obligation to make contributions, or has, within any of the five calendar years immediately preceding the date this assurance is given or deemed given, made or accrued an obligation to make, contributions to any Multiemployer Plan. There are no actions, suits or claims pending against or involving a Plan (other than routine claims for benefits) or, to the knowledge of any Group Member or any ERISA Affiliate, threatened, which would reasonably be expected to be asserted successfully against any Plan and, if so asserted successfully, would reasonably be expected either singly or in the aggregate to result in liability to any Group Member. Each Group Member and each ERISA Affiliate has made all contributions to or under each Plan and Multiemployer Plan required by law within the

applicable time limits prescribed thereby, by the terms of such Plan or Multiemployer Plan, respectively, or by any contract or agreement requiring contributions to a Plan or Multiemployer Plan. No Plan which is subject to Section 412 of the Code or Section 302 of ERISA has applied for or received an extension of any amortization period within the meaning of Section 412 of the Code or Section 303 or 304 of ERISA. Neither any Group Member nor any ERISA Affiliate has ceased operations at a facility so as to become subject to the provisions of Section 4068(a) of ERISA, withdrawn as a substantial employer so as to become subject to the provisions of Section 4063 of ERISA or ceased making contributions to any Plan subject to Section 4064(a) of ERISA to which it made contributions. Each Non-U.S. Plan has been maintained in compliance with its terms and with the requirements of any and all applicable laws, statutes, rules, regulations and orders and has been maintained, where required, in good standing with applicable regulatory authorities, except as would not reasonably be expected to result in liability to any Group Member. All contributions required to be made with respect to a Non-U.S. Plan have been timely made. No Group Member has incurred any obligation in connection with the termination of, or withdrawal from, any Non-U.S. Plan. The present value of the accrued benefit liabilities (whether or not vested) under each Non-U.S. Plan, determined as of the end of the Parent's most recently ended fiscal year on the basis of reasonable actuarial assumptions, did not exceed the current value of the assets of such Non-U.S. Plan allocable to such benefit liabilities. No Group Member has established, sponsored, administered, maintained or contributed to any Defined Benefit Plan.

#### 4.11 Ownership of Property; Insurance.

(a) Each Group Member has good title to, or valid leasehold interests in, all of its properties and assets material to the operation of its business, including all such properties reflected in the most recent audited consolidated balance sheet of the Parent referred to in Section 4.4 or purported to have been acquired by the Parent or any of its Subsidiaries after said date (except as sold or otherwise disposed of in the ordinary course of business), in each case free and clear of Liens prohibited by this Agreement. All leases that individually or in the aggregate are material to the business or operations of the Group Members are valid and subsisting and are in full force.

(b) Each Group Member owns, or is licensed or otherwise has the right to use (as currently used and as reasonably anticipated to be used), all copyrights, trademarks, service marks, trade names and other intellectual property material to its business, and (to the best of the Borrower's knowledge) such use thereof by the Group Members does not infringe in any material respect on the rights of any other Person.

(c) Each of the Loan Parties has sufficient right, title and interest in each Item of Product owned by or licensed to it (including under copyright) to enable it (i) with regard to each Item of Product produced by it or on its behalf, to produce such Item of Product and (ii) to perform its Contractual Obligations relating to each such Item of Product.

(d) The properties of the Group Members are insured with financially sound and reputable insurance companies which are not Affiliates of any Group Member, in such amounts with such deductibles and covering such risks as are customarily carried by companies engaged in similar businesses and owning similar properties in localities where any Group

Member operates. All such insurance coverage complies with all applicable requirements set forth in this Agreement and any other Loan Documents.

4.12 Disclosure. The Borrower has disclosed to the Lenders all agreements, instruments, and corporate or other restrictions to which any Group Member is subject, and all other matters known to any of them, that, either individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect. Neither the Information Memorandum nor any of the reports (including, without limitation, all reports that any Loan Party is required to file with the SEC), financial statements, certificates or other information furnished by or on behalf of any Loan Party to the Administrative Agent or any Lender in connection with the negotiation or syndication of this Agreement or any other Loan Document or delivered hereunder or thereunder (as modified or supplemented by any other information so furnished) contains any material misstatement of fact or omits to state any material fact necessary to make the statements herein or therein, taken as a whole in light of the circumstances under which they were made, not misleading; provided that, with respect to projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time.

4.13 Labor Relations. There are no strikes, lockouts or other material labor disputes or grievances against any Group Member, or, to any Group Member's knowledge, threatened against or affecting any Group Member, and no significant unfair labor practice charges or grievances are pending against any Group Member, or, to any Group Member's knowledge, threatened against any of them before any Governmental Authority. All payments due from the Group Members pursuant to the provisions of any collective bargaining agreement have been paid or accrued as a liability on the books of any such Group Member, except where such payment is being disputed in good faith by such Group Member and where such Group Member has set aside on its books adequate reserves in accordance with IFRS and where the failure to do so could not reasonably be expected to have a Material Adverse Effect.

4.14 Subsidiaries. Schedule 4.14 sets forth the legal name of, the ownership interest of the applicable Loan Party in, the jurisdiction of incorporation or organization of, and the type of each Subsidiary and identifies each Subsidiary that is a Subsidiary Loan Party, in each case as of the Closing Date or as of the most recent date on which such Schedule is required to be updated in accordance with Section 5.1(c)(iii) (as the case may be).

Schedule 4.15 sets forth a true and complete list with respect to each Loan Party, reflecting as to each such Person, in each case as of the Closing Date or as of the most recent date on which such Schedule is required to be updated in accordance with Section 5.1(c)(iii) (as the case may be): (a) its legal name; (b) its jurisdiction of incorporation or organization; (c) the address of its chief executive office; (d) the address of its principal place of business; (e) all of the places where it keeps (or intends to keep) the records concerning its Collateral or keeps (or intends to keep) any material goods included in its Collateral; (f) its U.S. federal taxpayer identification number (or, in the case of any Foreign Subsidiary that does not have a U.S. taxpayer identification number, its unique identification number issued to it by the jurisdiction of its incorporation or organization); and (g) its organization identification number

4.16 Fictitious Names. Except as disclosed on Schedule 4.16, no Loan Party has done business, is doing business or intends to do business other than under its full legal name, including, without limitation, under any trade name or other “doing business as” name.

4.19 Deposit and Disbursement Accounts. Schedule 4.19 lists all banks and other financial institutions at which any Loan Party maintains deposit accounts, lockbox accounts, disbursement accounts, investment accounts or other similar accounts as of the Closing Date, and such Schedule correctly identifies the name, address and telephone number of each financial institution, the name in which the account is held, the type of the account, and the complete account number therefor.

4.20 Collateral Documents.

(a) The Guaranty and Security Agreement is effective to create in favor of the Administrative Agent for the ratable benefit of the Secured Parties a legal, valid and enforceable security interest in the Collateral (as defined therein), and when UCC financing statements in appropriate form are filed in the offices specified on Schedule 3 to the Guaranty and Security Agreement, the Guaranty and Security Agreement shall constitute a fully perfected Lien (to the extent that such Lien may be perfected by the filing of a UCC financing statement) on, and security interest in, all right, title and interest of the grantors thereunder in such Collateral, in each case prior and superior in right to any other Person, other than with respect to Specified Permitted Encumbrances. (p) any Approved Completion Bond for an Uncompleted Item of Product for which value is included in the Borrowing Base is void or voidable, unless either (i) any Borrowing Base credit supported by such Approved Completion Bond is removed and such removal did not result in a mandatory prepayment event by the Borrower under Section 2.10(d) or (ii) if the Borrowing Base credit supported by such Approved Completion Bond is removed and such removal did result in a mandatory prepayment event by the Borrower under Section 2.10(d), the Borrower has prepaid the Obligations in an amount sufficient to eliminate the applicable excess amount described in Section 2.10(d) within five (5) Business Days after such mandatory prepayment event occurred;

(q) any Lien purported to be created under any Collateral Document shall fail or cease to be, or shall be asserted by any Loan Party not to be, a valid and perfected Lien on any Collateral, with the priority required by the applicable Collateral Documents;

then, and in every such event (other than an event with respect to any Group Member described in subsection (g) or (h) of this Section) and at any time thereafter during the continuance of such event, the Administrative Agent may, and upon the written request of the Required Lenders shall, by notice to the Borrower, take any or all of the following actions, at the same or different times: (i) terminate the Commitments, whereupon the Commitment of each Lender shall terminate immediately, (ii) declare the principal of and any accrued interest on the Loans, and all other Obligations owing hereunder, to be, whereupon the same shall become, due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower, (iii) exercise all remedies contained in any other Loan Document, and (iv) exercise any other remedies available at law or in equity; provided that, if an Event of Default specified in either subsection (g) or (h) shall occur, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon, and all fees and all other Obligations shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower.

8.2 Application of Proceeds from Collateral. All proceeds from each sale of, or other realization upon, all or any part of the Collateral by any Secured Party after an Event of Default arises shall be applied as follows:

(a) first, to the reimbursable expenses of the Administrative Agent incurred in connection with such sale or other realization upon the Collateral, until the same shall have been paid in full;

(b) second, to the fees and other reimbursable expenses of the Administrative Agent and the Issuing Bank then due and payable pursuant to any of the Loan Documents, until the same shall have been paid in full;

(c) third, to all reimbursable expenses, if any, of the Lenders then due and payable pursuant to any of the Loan Documents, until the same shall have been paid in full;

(d) fourth, to the fees and interest then due and payable under the terms of this Agreement, until the same shall have been paid in full;

(e) fifth, to the aggregate outstanding principal amount of the Loans, the LC Exposure, the Bank Product Obligations and the Net Mark-to-Market Exposure of the Hedging Obligations that constitute Obligations, until the same shall have been paid in full, allocated *pro rata* among the Secured Parties based on their respective *pro rata* shares of the aggregate amount of such Loans, LC Exposure, Bank Product Obligations and Net Mark-to-Market Exposure of such Hedging Obligations;

(f) sixth, to additional cash collateral for the aggregate amount of all outstanding Letters of Credit until the aggregate amount of all cash collateral held by the

Administrative Agent pursuant to this Agreement is at least 105% of the LC Exposure after giving effect to the foregoing clause fifth; and

(g) seventh, to the extent any proceeds remain, to the Borrower or as otherwise provided by a court of competent jurisdiction.

All amounts allocated pursuant to the foregoing clauses third through fifth to the Lenders as a result of amounts owed to the Lenders under the Loan Documents shall be allocated among, and distributed to, the Lenders *pro rata* based on their respective Pro Rata Shares; provided that all amounts allocated to that portion of the LC Exposure comprised of the aggregate undrawn amount of all outstanding Letters of Credit pursuant to clauses fifth and sixth shall be distributed to the Administrative Agent, rather than to the Lenders, and held by the Administrative Agent in an account in the name of the Administrative Agent for the benefit of the Issuing Bank and the Lenders as cash collateral for the LC Exposure, such account to be administered in accordance with Section 2.20(g). All cash collateral for LC Exposure shall be applied to satisfy drawings under the Letters of Credit as they occur; if any amount remains on deposit on cash collateral after all letters of credit have either been fully drawn or expired, such remaining amount shall be applied to other Obligations, if any, in the order set forth above.

Notwithstanding the foregoing, (a) no amount received from any Guarantor (including any proceeds of any sale of, or other realization upon, all or any part of the Collateral owned by such Guarantor) shall be applied to any Excluded Swap Obligation of such Guarantor and (b) Bank Product Obligations and Hedging Obligations shall be excluded from the application described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may request, from the Bank Product Provider or the Lender-Related Hedge Provider, as the case may be. Each Bank Product Provider or Lender-Related Hedge Provider that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of Article IX hereof for itself and its Affiliates as if a "Lender" party hereto.

**ARTICLE IX**  
**THE ADMINISTRATIVE AGENT**

9.1 Appointment of the Administrative Agent.

(a) Each Lender irrevocably appoints SunTrust Bank as the Administrative Agent and authorizes it to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent under this Agreement and the other Loan Documents, together with all such actions and powers that are reasonably incidental thereto. The Administrative Agent may perform any of its duties hereunder or under the other Loan Documents by or through any one or more sub-agents or attorneys-in-fact appointed by the Administrative Agent. The Administrative Agent and any such sub-agent or attorney-in-fact may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions set forth in this Article shall apply to any such sub-agent, attorney-in-fact or Related Party and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as the Administrative Agent.

(b) The Issuing Bank shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith until such time and except for so long as the Administrative Agent may agree at the request of the Required Lenders to act for the Issuing Bank with respect thereto; provided that the Issuing Bank shall have all the benefits and immunities (i) provided to the Administrative Agent in this Article with respect to any acts taken or omissions suffered by the Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and the application and agreements for letters of credit pertaining to the Letters of Credit as fully as if the term “Administrative Agent” as used in this Article included the Issuing Bank with respect to such acts or omissions and (ii) as additionally provided in this Agreement with respect to the Issuing Bank.

(c) It is understood and agreed that the use of the term “agent” herein or in any other Loan Document (or any similar term) with reference to the Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead such term is used as a matter of market custom and is intended to create or reflect only an administrative relationship between contracting parties.

9.2 Nature of Duties of the Administrative Agent. The Administrative Agent shall not have any duties or obligations except those expressly set forth in this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except those discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.2), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt

any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any Debtor Relief Law; and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Parent or any of its Subsidiaries that is communicated to or obtained by the Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it, its sub-agents or its attorneys-in-fact with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 10.2) or in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final non-appealable judgment. The Administrative Agent shall not be responsible for the negligence or misconduct of any sub-agents or attorneys-in-fact except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent acted with gross negligence or willful misconduct in the selection of such sub-agents. The Administrative Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof (which notice shall include an express reference to such event being a "Default" or "Event of Default" hereunder) is given to the Administrative Agent by the Borrower or any Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements, or other terms and conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article III or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent. The Administrative Agent may consult with legal counsel (including counsel for the Borrower) concerning all matters pertaining to such duties.

9.3 Lack of Reliance on the Administrative Agent. Each of the Lenders and the Issuing Bank acknowledges that it has, independently and without reliance upon the Administrative Agent, the Issuing Bank or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each of the Lenders and the Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Issuing Bank or any other Lender and based on such documents and information as it has deemed appropriate, continue to make its own decisions in taking or not taking any action under or based on this Agreement, any related agreement or any document furnished hereunder or thereunder.

9.4 Certain Rights of the Administrative Agent. If the Administrative Agent shall request instructions from the Required Lenders with respect to any action or actions (including the failure to act) in connection with this Agreement, the Administrative Agent shall be entitled to refrain from such act or taking such act unless and until it shall have received instructions from such Lenders, and the Administrative Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, no Lender shall have any right of action whatsoever against the Administrative Agent as a result of the Administrative Agent acting or

refraining from acting hereunder in accordance with the instructions of the Required Lenders where required by the terms of this Agreement.

9.5 Reliance by the Administrative Agent. The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, posting or other distribution) believed by it to be genuine and to have been signed, sent or made by the proper Person. The Administrative Agent may also rely upon any statement made to it orally or by telephone and believed by it to be made by the proper Person and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (including counsel for the Borrower), independent public accountants and other experts selected by it and shall not be liable for any action taken or not taken by it in accordance with the advice of such counsel, accountants or experts.

9.6 The Administrative Agent in its Individual Capacity. The bank serving as the Administrative Agent shall have the same rights and powers under this Agreement and any other Loan Document in its capacity as a Lender as any other Lender and may exercise or refrain from exercising the same as though it were not the Administrative Agent; and the terms “Lenders”, “Required Lenders”, “Required Revolving Lenders”, or any similar terms shall, unless the context clearly otherwise indicates, include the Administrative Agent in its individual capacity. The bank acting as the Administrative Agent and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of business with the Borrower or any Subsidiary or Affiliate of the Borrower as if it were not the Administrative Agent hereunder.

9.7 Successor Administrative Agent.

(a) The Administrative Agent may resign at any time by giving notice thereof to the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent, subject to approval by the Borrower provided that no Default or Event of Default shall exist at such time. If no successor Administrative Agent shall have been so appointed, and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent which shall be a commercial bank organized under the laws of the United States or any state thereof or a bank which maintains an office in the United States.

(b) Upon the acceptance of its appointment as the Administrative Agent hereunder by a successor, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. If, within 45 days after written notice is given of the retiring Administrative Agent’s resignation under this Section, no successor Administrative Agent shall have been appointed and shall have accepted such appointment, then on such 45<sup>th</sup> day (i) the retiring Administrative Agent’s resignation shall become effective, (ii) the retiring Administrative Agent shall thereupon be discharged from its duties and obligations under the Loan Documents and (iii) the Required Lenders shall thereafter perform all duties of the retiring Administrative Agent under the Loan Documents until such time as the

Required Lenders appoint a successor Administrative Agent as provided above. After any retiring Administrative Agent's resignation hereunder, the provisions of this Article shall continue in effect for the benefit of such retiring Administrative Agent and its representatives and agents in respect of any actions taken or not taken by any of them while it was serving as the Administrative Agent.

(c) In addition to the foregoing, if a Lender becomes, and during the period it remains, a Defaulting Lender, and if any Default has arisen from a failure of the Borrower to comply with Section 2.24(b), then the Issuing Bank may, upon prior written notice to the Borrower and the Administrative Agent, resign as Issuing Bank effective at the close of business Atlanta, Georgia time on a date specified in such notice (which date may not be less than five (5) Business Days after the date of such notice).

9.8 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any interest payment to any Lender an amount equivalent to any applicable withholding Tax. If the IRS or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold tax from amounts paid to or for the account of any Lender (because the appropriate form was not delivered or was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective, or for any other reason), such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Borrower and without limiting the obligation of the Borrower to do so) fully for all amounts payable or paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses.

9.9 The Administrative Agent May File Proofs of Claim.

(a) In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or any Revolving Credit Exposure shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(i) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans or Revolving Credit Exposure and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Bank and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Issuing Bank and the Administrative Agent and its agents and counsel and all other amounts due the Lenders, the Issuing Bank and the Administrative Agent under Section 10.3) allowed in such judicial proceeding; and

(ii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same.

(b) Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and the Issuing Bank to make such payments to the Administrative Agent and, if the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Bank, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 10.3.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender or the Issuing Bank any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

9.10 Authorization to Execute Other Loan Documents. Each Lender hereby authorizes the Administrative Agent to execute on behalf of all Lenders all Loan Documents (including, without limitation, the Collateral Documents and any subordination agreements) other than this Agreement.

9.11 Collateral and Guaranty Matters. The Lenders irrevocably authorize the Administrative Agent, at its option and in its discretion:

(a) to release any Lien on any property granted to or held by the Administrative Agent under any Loan Document (i) upon the Termination Date, (ii) that is sold or to be sold as part of or in connection with any sale permitted hereunder or under any other Loan Document, or (iii) if approved, authorized or ratified in writing in accordance with Section 10.2; and

(b) to release any Loan Party from its obligations under the applicable Collateral Documents if such Person ceases to be a Subsidiary as a result of a transaction permitted hereunder.

(c) to determine that the cost to a Loan Party is disproportionate to the benefit to be realized by the Secured Parties by perfecting a Lien in a given asset or group of assets included in the Collateral (including any bank account) and that such Loan Party should not be required to perfect such Lien in favor of the Administrative Agent (for the benefit of the Secured Parties);

(d) to appoint subagents to be the holder of record of a Lien to be granted to the Administrative Agent (for the benefit of the Secured Parties);

(e) to confirm in writing the right of Quiet Enjoyment (as defined in the Guaranty and Security Agreement) of Distributors pursuant to the terms of the Guaranty and Security Agreement;

(f) in connection with an Item of Product being produced by a Loan Party with respect to which (A) the principal photography is being done outside of the United States, and (B) the original Physical Materials will not be processed in a Laboratory, to approve arrangements with such Loan Party as shall be satisfactory to the Administrative Agent with respect to the temporary storage of the original negative film, the original sound track materials or other Physical Materials of such Item of Product in a production laboratory located in such other jurisdiction;

(g) to determine when a Lender is or becomes a Defaulting Lender;

(h) to enter into and perform its obligations under any Approved Completion Bond entered into in connection with an Item of Product, together with such additional documentation customarily entered into in connection therewith and in connection therewith, to approve the applicable Approved Completion Guarantor's insurance support package and/or credit support to the extent contemplated by the definition of the term "Approved Completion Guarantor" herein;

(i) to enter into Interparty Agreements, Intercreditor Agreements and/or subordination agreements on terms acceptable to the Administrative Agent with (A) unions and/or guilds with respect to the security interests in favor of such unions and/or guilds required pursuant to the terms of collective bargaining agreements, (B) any Distributor or Approved Co-Financier having any rights to any Item of Product, (C) Persons providing any services in connection with any Item of Product, (D) Persons providing tax benefit, production subsidies and/or similar arrangements for any Item of Product or (E) sales agents or licensing intermediaries which are permitted by the terms hereof to be involved in the distribution of any Item of Product;

(j) to approve the terms and conditions of (A) any co-financing arrangement for an Item of Product, (B) any Sale/Leaseback Transaction and (C) any Soft Dollar Transaction that does not comply with the applicable requirements of this Agreement, to the extent the Administrative Agent reasonably determines that such transaction will provide a positive net benefit towards the negative cost of the applicable Item of Product and is otherwise consistent with the risk profile of the Loan Parties contemplated under the terms hereof relating to the production of Items of Product, and in each of the foregoing cases of clauses (A), (B) and (C) above to take any action it deems appropriate to facilitate the completion of such transaction;

(k) notwithstanding the fact that a Default or an Event of Default shall have occurred and be continuing, to make the determination that Loans shall continue to be funded by the Lenders (in accordance with their respective Pro Rata Shares) for any Item of Product (A) that remains Uncompleted and (B) for which the Lenders have made an initial Loan pursuant to Section 3.2; provided, that (1) any such post-Default or post-Event of Default Loans are paid directly into a Production Account or the Administrative Agent is otherwise satisfied that such Loans will only be used to Complete such Item of Product, (2) any Approved Completion Bond with respect to such Item of Product remains in full force and effect and (3) such Default or Event of Default is not related to (w) the failure to pay any Obligations hereunder due and owing after the applicable grace period has expired, (x) any event described in Section 8.1(g), (h) or (i), or (z) any challenge to or impairment of the Administrative Agent's perfected Lien (with the

priority contemplated by Section 4.20) in the Collateral; and provided, further, that any such Loans shall bear interest at a rate *per annum* of 2.00% in excess of the rate then in effect for Base Rate Loans from time to time in effect from the date advanced to the date of repayment (the “Default Rate”);

- (l) to accept (and, subject to compliance with Section 2.21, the Administrative Agent shall accept) Incremental Commitments pursuant to Section 2.21; and
- (m) to enter into and perform its obligations under the Loan Documents.

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent’s authority to release its interest in particular types or items of property, or to release any Loan Party from its obligations under the applicable Collateral Documents pursuant to this Section. In each case as specified in this Section, the Administrative Agent is authorized, at the Borrower’s expense, to execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the Liens granted under the applicable Collateral Documents, or to release such Loan Party from its obligations under the applicable Collateral Documents, in each case in accordance with the terms of the Loan Documents and this Section.

9.12 Syndication Agents. Each Lender hereby designates Bank of Montreal and The Toronto-Dominion Bank as Syndication Agents and agrees that the Syndication Agents shall have no duties or obligations under any Loan Documents to any Lender or any Loan Party.

9.13 Right to Realize on Collateral and Enforce Guarantee. Anything contained in any of the Loan Documents to the contrary notwithstanding, the Borrower, the Administrative Agent and each Lender hereby agree that (i) no Lender shall have any right individually to realize upon any of the Collateral or to enforce the Collateral Documents, it being understood and agreed that all powers, rights and remedies hereunder and under the Collateral Documents may be exercised solely by the Administrative Agent, and (ii) in the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless the Required Lenders shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent at such sale or other disposition.

9.14 Secured Bank Product Obligations and Hedging Obligations. No Bank Product Provider or Lender-Related Hedge Provider that obtains the benefits of Section 8.2, the Collateral Documents or any Collateral by virtue of the provisions hereof or of any other Loan Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any

other provision of this Article to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Bank Product Obligations and Hedging Obligations unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Bank Product Provider or Lender-Related Hedge Provider, as the case may be.

(b) Electronic Communications. Notices and other communications to the Lenders and the Issuing Bank hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender or the Issuing Bank pursuant to Article II if such Lender or the Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving, or is unwilling to receive, notices under Article II by electronic communication. Any of the Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications

to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgment from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement); provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

Loan Documents may be transmitted and/or signed by facsimile or other electronic communication. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on all Loan Parties, the Agent and the Lenders.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT-RELATED PERSONS DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NONINFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT-RELATED PERSON IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall any Agent-Related Person have any liability to any Loan Party or any of their respective Subsidiaries, any Lender, the Issuing Bank or any other Person for losses, claims, damages, liabilities or expenses of any kind, whether or not based on strict liability (whether in tort, contract or otherwise) arising out of the Borrowers' or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent-Related Person; provided that in no event shall any Agent-Related Person have any liability to any Loan Party or any of their respective Subsidiaries, any Lender, the Issuing Bank or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each the Borrower, the Administrative Agent and the L/C Issuer may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent and the L/C Issuer. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative

Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including United States Federal and state securities laws and Canadian provincial securities laws, to make reference to Borrower Materials that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to any Group Member or its securities for purposes of United States Federal or state securities laws and Canadian provincial securities laws.

#### 10.2 Waiver; Amendments.

(a) No failure or delay by the Administrative Agent, the Issuing Bank or any Lender in exercising any right or power hereunder or under any other Loan Document, and no course of dealing between the Borrower and the Administrative Agent or any Lender, shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power hereunder or thereunder. The rights and remedies of the Administrative Agent, the Issuing Bank and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies provided by law. No waiver of any provision of this Agreement or of any other Loan Document or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by subsection (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance of a Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, any Lender or the Issuing Bank may have had notice or knowledge of such Default or Event of Default at the time.

(b) No amendment or waiver of any provision of this Agreement or of the other Loan Documents (other than the Fee Letter), nor consent to any departure by the Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Borrower and the Required Lenders, or the Borrower and the Administrative Agent with the consent of the Required Lenders, and then such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided that, in addition to the consent of the Required Lenders, no amendment, waiver or consent shall:

(i) increase the Commitment of any Lender without the written consent of such Lender;

(ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees or other amounts payable hereunder, without the written consent of each Lender affected thereby;

(iii) postpone the date fixed for any payment of any principal of, or interest on, any Loan or LC Disbursement or any fees or other amounts hereunder or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date for the termination or reduction of any Commitment, without the written consent of each Lender affected thereby;

(iv) (A) change Section 2.19(b) or (c) in a manner that would alter the *pro rata* sharing of payments required thereby, without the written consent of each Lender or (B) change Section 8.2 in a manner that would alter the pro rata sharing of payments or the order of application required thereby without the written consent of each Lender;

(v) change any of the provisions of this subsection (b) or the definition of “Required Lenders” or “Required Revolving Lenders” or any other provision hereof specifying the number or percentage of Lenders which are required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the consent of each Lender;

(vi) release all or substantially all of the guarantors, or limit the liability of such guarantors, under any guaranty agreement guaranteeing any of the Obligations, without the written consent of each Lender;

(vii) release all or substantially all collateral (if any) securing any of the Obligations, without the written consent of each Lender; or

(viii) amend the definition of “Alternative Currency” without the written consent of each Lender;

provided, further, that no such amendment, waiver or consent shall amend, modify or otherwise affect the rights, duties or obligations of the Administrative Agent or the Issuing Bank without the prior written consent of such Person.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that the Commitment of such Lender may not be increased or extended, and amounts payable to such Lender hereunder may not be permanently reduced, without the consent of such Lender (other than reductions in fees and interest in which such reduction does not disproportionately affect such Lender). Notwithstanding anything contained herein to the contrary, this Agreement may be amended and restated without the consent of any Lender (but with the consent of the Borrower and the Administrative Agent) if, upon giving effect to such amendment and restatement, such Lender shall no longer be a party to this Agreement (as so amended and restated), the Commitments of such Lender shall have terminated (but such Lender shall continue to be entitled to the benefits of Sections 2.16, 2.17, 2.18 and 10.3), such Lender shall have no other commitment or other obligation hereunder and such Lender shall have been paid in full all principal, interest and other amounts owing to it or accrued for its account under this Agreement.

Notwithstanding anything to the contrary herein, the Administrative Agent may, with the consent of the Borrower only, amend, modify or supplement any Loan Document to cure any ambiguity, omission, mistake, defect or inconsistency.

### 10.3 Expenses; Indemnification.

(a) The Borrower shall pay (i) all reasonable, out-of-pocket costs and expenses of the Administrative Agent and its Affiliates, including the reasonable fees, charges and disbursements of outside counsel for the Administrative Agent and its Affiliates, in connection with the syndication of the credit facility provided for herein, the due diligence in anticipation of the consummation of the transactions contemplated in this Agreement (including costs incurred in connection with legal, title and collateral diligence (including library valuation) prior to the closing thereof) and the preparation and administration of the Loan Documents and any amendments, modifications or waivers thereof (whether or not the transactions contemplated therein shall be consummated), including the reasonable fees, charges and disbursements of outside counsel for the Administrative Agent and its Affiliates, (ii) all reasonable out-of-pocket expenses incurred by the Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all out-of-pocket costs and expenses (including, without limitation, the reasonable fees, charges and disbursements of outside counsel) incurred by the Administrative Agent, the Issuing Bank or any Lender in connection with the enforcement or protection of its rights in connection with the Loan Documents, or in connection with the Loans made or any Letter of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The Borrower shall indemnify the Administrative Agent (and any sub-agent thereof), each Lender and the Issuing Bank, and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any counsel for any Indemnitee), and shall indemnify and hold harmless each Indemnitee from all fees and time charges and disbursements for attorneys who may be employees of any Indemnitee, incurred by any Indemnitee or asserted against any Indemnitee by any third party or by the Borrower or any other Loan Party arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document, any other Related Transaction Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or Release of Hazardous Materials on or from any property owned or operated by the Parent or any of its Subsidiaries, or any Environmental Liability related in any way to the Parent or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee, (y) any disputes solely among Indemnitees (other than disputes involving any Indemnitee in its

capacity as the Administrative Agent or the Issuing Bank) and not arising out of any action or inaction of the Borrower, any other Loan Party or any of their respective Affiliates or (z) a claim brought by the Borrower or any other Loan Party against such Indemnitee for breach in bad faith of such Indemnitee's obligations hereunder or under any Loan Document, if the Borrower or such Loan Party has obtained a final and non-appealable judgment in its favor on such claim as determined by a court of competent jurisdiction. No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through the Platform or any other Internet or intranet website, except as a result of such Indemnitee's gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final and non-appealable judgment. The Borrower shall not (and shall not permit any other Loan Party or any of their respective Affiliates to), without the prior written consent of any Indemnitee, effect any settlement of any pending or threatened proceeding in respect of which such Indemnitee is a party and indemnity has been sought hereunder by such Indemnitee, unless such settlement includes an unconditional release of such Indemnitee from all liability on claims that are the subject matter of such indemnity. The foregoing agreements shall be in addition to any rights that any Indemnitee may have at common law or otherwise, including, but not limited to, any right to contribution.

(c) The Borrower shall pay, and hold the Administrative Agent, the Issuing Bank and each of the Lenders harmless from and against, any and all present and future stamp, documentary, and other similar Taxes with respect to this Agreement and any other Loan Documents, any collateral described therein or any payments due thereunder, and save the Administrative Agent, the Issuing Bank and each Lender harmless from and against any and all liabilities with respect to or resulting from any delay or omission to pay such Taxes.

(d) To the extent that the Borrower fails to pay any amount required to be paid to the Administrative Agent or the Issuing Bank under subsection (a), (b) or (c) hereof, each Lender severally agrees to pay to the Administrative Agent or the Issuing Bank, as the case may be, such Lender's *pro rata* share (in accordance with its respective Revolving Commitment (or Revolving Credit Exposure, as applicable) and Term Loan determined as of the time that the unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified payment, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, or the Issuing Bank in its capacity as such.

(e) To the extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to actual or direct damages) arising out of, in connection with or as a result of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated therein, any Loan or any Letter of Credit or the use of proceeds thereof; provided, that nothing in this clause (e) shall relieve the Borrower of any obligation it may have to indemnify any Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(f) All amounts due under this Section shall be payable promptly after written demand therefor.

#### 10.4 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of subsection (b) of this Section, (ii) by way of participation in accordance with the provisions of subsection (d) of this Section or (iii) by way of pledge or assignment of a security interest subject to the restrictions of subsection (f) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in subsection (d) of this Section and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments, Loans and other Revolving Credit Exposure at the time owing to it); provided that any such assignment shall be subject to the following conditions:

(i) Minimum Amounts.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitments, Loans and other Revolving Credit Exposure at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in subsection (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans and Revolving Credit Exposure outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans and Revolving Credit Exposure of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than \$1,000,000 with respect to Term Loans and \$5,000,000 with respect to Revolving Loans and in minimum increments of \$1,000,000, unless each of the Administrative Agent and, so long as no Event of Default has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed).

(ii) Proportionate Amounts. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under

this Agreement with respect to the Loans, other Revolving Credit Exposure or the Commitments assigned, except that this subsection (b)(ii) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Commitments on a *pro rata* basis.

(iii) Required Consents. No consent shall be required for any assignment except to the extent required by subsection (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default has occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of such Lender or an Approved Fund of such Lender;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required unless such assignment is of a Term Loan to a Lender, an Affiliate of such Lender or an Approved Fund of such Lender; and

(C) the consent of the Issuing Bank (such consent not to be unreasonably withheld or delayed) shall be required for any assignment in respect of the Revolving Commitments.

(iv) Assignment and Assumption. The parties to each assignment shall deliver to the Administrative Agent (A) a duly executed Assignment and Assumption, (B) a processing and recordation fee of \$3,500, (C) an Administrative Questionnaire unless the assignee is already a Lender and (D) the documents required under Section 2.18(g).

(v) No Assignment to certain Persons. No such assignment shall be made to (A) the Borrower or any of the Borrower's Affiliates or Subsidiaries, (B) to any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (B), or (C) to any Competitor.

(vi) No Assignment to Natural Persons. No such assignment shall be made to a natural person.

(vii) No Assignment Resulting in Additional Indemnified Taxes. No such assignment shall be made to any Person that, through its Lending Offices, is not capable of lending the applicable Alternative Currencies to the Borrower without the imposition of any additional Indemnified Taxes.

(viii) Certain Additional Payments. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the

applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, the Issuing Bank and each other Lender hereunder (and interest accrued thereon), and (y) acquire (and fund as appropriate) its full pro rata share of all Loans and participations in Letters of Credit. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to subsection (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.16, 2.17, 2.18 and 10.3 with respect to facts and circumstances occurring prior to the effective date of such assignment; provided that, except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this subsection shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with subsection (d) of this Section. If the consent of the Borrower to an assignment is required hereunder (including a consent to an assignment which does not meet the minimum assignment thresholds specified above), the Borrower shall be deemed to have given its consent unless it shall object thereto by written notice to the Administrative Agent within five (5) Business Days after notice thereof has actually been delivered by the assigning Lender (through the Administrative Agent) to the Borrower.

(c) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices in Atlanta, Georgia a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans and Revolving Credit Exposure owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. Information contained in the Register with respect to any Lender shall be available for inspection by such Lender at any reasonable time and from time to time upon reasonable prior notice; information contained in the Register shall also be available for inspection by the Borrower at any reasonable time and from time to time upon reasonable prior notice. In establishing and maintaining the Register, the Administrative Agent shall serve as the Borrower's agent solely for tax purposes and solely with respect to the actions

described in this Section, and the Borrower hereby agrees that, to the extent SunTrust Bank serves in such capacity, SunTrust Bank and its officers, directors, employees, agents, sub-agents and affiliates shall constitute “Indemnitees” under Section 10.3(b).

(d) Any Lender may at any time, without the consent of, or notice to, the Borrower, the Administrative Agent or the Issuing Bank, sell participations to any Person (other than a natural person, the Borrower or any of the Borrower’s Affiliates or Subsidiaries) (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent, the Issuing Bank and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver with respect to the following to the extent affecting such Participant: (i) increase the Commitment of such Lender; (ii) reduce the principal amount of any Loan or LC Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder; (iii) postpone the date fixed for any payment of any principal of, or interest on, any Loan or LC Disbursement or any fees hereunder or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date for the termination or reduction of any Commitment; (iv) change Section 2.19(b) or (c) in a manner that would alter the *pro rata* sharing of payments required thereby; (v) change any of the provisions of Section 10.2(b) or the definition of “Required Lenders” or “Required Revolving Lenders” or any other provision hereof specifying the number or percentage of Lenders which are required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder; (vi) release all or substantially all of the guarantors, or limit the liability of such guarantors, under any guaranty agreement guaranteeing any of the Obligations; or (vii) release all or substantially all collateral (if any) securing any of the Obligations. Subject to subsection (e) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.16, 2.17, and 2.18 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to subsection (b) of this Section; provided that such Participant agrees to be subject to Section 2.22 as though it were a Lender. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.7 as though it were a Lender; provided that such Participant agrees to be subject to Section 2.19 as though it were a Lender.

Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register in the United States on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under the Loan Documents (the “Participant Register”). The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding

any notice to the contrary. The Borrower and the Administrative Agent shall have inspection rights to such Participant Register (upon reasonable prior notice to the applicable Lender) solely for purposes of demonstrating that such Loans or other obligations under the Loan Documents are in “registered form” for purposes of the Code. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(e) A Participant shall not be entitled to receive any greater payment under Sections 2.16 and 2.18 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior written consent or to the extent such entitlement to receive a greater payment results in a Change in Law that occurs after the Participant acquired the applicable participation. A Participant shall not be entitled to the benefits of Section 2.18 unless the Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the Borrower, to comply with Section 2.18(e) and (i) as though it were a Lender.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including, without limitation, any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

#### 10.5 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement and the other Loan Documents and any claims, controversy, dispute or cause of action (whether in contract or tort or otherwise) based upon, arising out of or relating to this Agreement or any other Loan Document (except, as to any other Loan Document, as expressly set forth therein) and the transactions contemplated hereby and thereby shall be construed in accordance with and be governed by the law (without giving effect to the conflict of law principles thereof) of the State of New York.

(b) Each Loan Party hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the United States District Court for the Southern District of New York, and of the Supreme Court of the State of New York sitting in New York County, Borough of Manhattan, and of any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document or the transactions contemplated hereby or thereby, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such District Court or New York state court or, to the extent permitted by applicable law, such appellate court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, the Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or its properties in the courts of any jurisdiction.

(c) Each Loan Party irrevocably and unconditionally waives any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding described in subsection (b) of this Section and brought in any court referred to in subsection (b) of this Section. Each of the parties hereto irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court, any claim that it is not subject personally to the jurisdiction of such court, that its property is exempt or immune from attachment or execution, or that the venue of such suit, action or proceeding is improper.

(d) Each party to this Agreement irrevocably consents to the service of process in the manner provided for notices in Section 10.1. Nothing in this Agreement or in any other Loan Document will affect the right of any party hereto to serve process in any other manner permitted by law.

**10.6 WAIVER OF JURY TRIAL.** EACH PARTY HERETO IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

**10.7 Right of Set-off.** In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, each Lender and the Issuing Bank shall have the right, at any time or from time to time upon the occurrence and during the continuance of an Event of Default, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, to set off and apply against all deposits (general or special, time or demand, provisional or final) of the Borrower at any time held or other obligations at any time owing by such Lender and the Issuing Bank to or for the credit or the account of the Borrower against any and all Obligations held by such Lender or the Issuing Bank, as the case may be, irrespective of whether such Lender or the Issuing Bank shall have made demand hereunder and although such Obligations may be unmatured; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.24(b) and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent, the Issuing Bank and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender and the Issuing Bank agrees promptly to notify the Administrative Agent and the Borrower after any such set-off and any application made by such Lender or the Issuing

Bank, as the case may be; provided that the failure to give such notice shall not affect the validity of such set-off and application. Each Lender and the Issuing Bank agrees to apply all amounts collected from any such set-off to the Obligations before applying such amounts to any other Indebtedness or other obligations owed by the Borrower and any of its Subsidiaries to such Lender or the Issuing Bank.

10.8 Counterparts; Integration. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. This Agreement, the Fee Letter, the other Loan Documents, and any separate letter agreements relating to any fees payable to the Administrative Agent and its Affiliates constitute the entire agreement among the parties hereto and thereto and their affiliates regarding the subject matters hereof and thereof and supersede all prior agreements and understandings, oral or written, regarding such subject matters. Delivery of an executed counterpart to this Agreement or any other Loan Document by facsimile transmission or by electronic mail in pdf format shall be as effective as delivery of a manually executed counterpart hereof.

To the extent permitted by applicable law, the words "executed", "execution," "signed," "signature," and words of like import in this Agreement and any Loan Documents shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including Parts 2 and 3 of the *Personal Information Protection and Electronic Documents Act* (Canada) and other similar federal or provincial laws based on the *Uniform Electronic Commerce Act* of the Uniform Law Conference of Canada or its *Uniform Electronic Evidence Act*, as the case may be.

10.9 Survival. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates, reports, notices or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the other Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 2.16, 2.17, 2.18, and 10.3 and Article IX shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof.

10.10 Severability. Any provision of this Agreement or any other Loan Document held to be illegal, invalid or unenforceable in any jurisdiction, shall, as to such jurisdiction, be ineffective to the extent of such illegality, invalidity or unenforceability without affecting the

legality, validity or enforceability of the remaining provisions hereof or thereof; and the illegality, invalidity or unenforceability of a particular provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.11 Confidentiality. Each of the Administrative Agent, the Issuing Bank and the Lenders agrees to take normal and reasonable precautions to maintain the confidentiality of any information relating to the Parent or any of its Subsidiaries or any of their respective businesses, to the extent designated in writing as confidential and provided to it by the Parent or any of its Subsidiaries, other than any such information that is available to the Administrative Agent, the Issuing Bank or any Lender on a non-confidential basis prior to disclosure by the Parent or any of its Subsidiaries, except that such information may be disclosed (i) to any Related Party of the Administrative Agent, the Issuing Bank or any such Lender including, without limitation, accountants, legal counsel and other advisors, (ii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (iii) to the extent requested by any regulatory agency or authority purporting to have jurisdiction over it (including any self-regulatory authority such as the National Association of Insurance Commissioners), (iv) to the extent that such information becomes publicly available other than as a result of a breach of this Section, or which becomes available to the Administrative Agent, the Issuing Bank, any Lender or any Related Party of any of the foregoing on a non-confidential basis from a source other than the Parent or any of its Subsidiaries, (v) in connection with the exercise of any remedy hereunder or under any other Loan Documents or any suit, action or proceeding relating to this Agreement or any other Loan Documents or the enforcement of rights hereunder or thereunder, (vi) subject to execution by such Person of an agreement containing provisions substantially the same as those of this Section, to (A) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, or (B) any actual or prospective party (or its Related Parties) to any swap or derivative or other transaction under which payments are to be made by reference to the Borrower and its obligations, this Agreement or payments hereunder, (vii) to any rating agency, (viii) to the CUSIP Service Bureau or any similar organization, or (ix) with the consent of the Borrower. Any Person required to maintain the confidentiality of any information as provided for in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such information as such Person would accord its own confidential information. In the event of any conflict between the terms of this Section and those of any other Contractual Obligation entered into with any Loan Party (whether or not a Loan Document), the terms of this Section shall govern.

10.12 Interest Rate Limitation.

(a) Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which may be treated as interest on such Loan under applicable law (collectively, the “Charges”), shall exceed the maximum lawful rate of interest (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by a Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and

Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Rate to the date of repayment (to the extent permitted by applicable law), shall have been received by such Lender.

(b) For the purposes of the *Interest Act* (Canada), (i) whenever a rate of interest or fee rate hereunder is calculated on the basis of a year (the “deemed year”) that contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest or fee rate shall be expressed as a yearly rate by multiplying such rate of interest or fee rate by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year, (ii) the principle of deemed reinvestment of interest shall not apply to any interest calculation hereunder and (iii) the rates of interest stipulated herein are intended to be nominal rates and not effective rates or yields.

10.13 Waiver of Effect of Corporate Seal. The Borrower represents and warrants that neither it nor any other Loan Party is required to affix its corporate seal to this Agreement or any other Loan Document pursuant to any Requirement of Law, agrees that this Agreement is delivered by the Borrower under seal and waives any shortening of the statute of limitations that may result from not affixing the corporate seal to this Agreement or such other Loan Documents.

10.14 Patriot Act and AML Act.

(a) The Administrative Agent and each Lender hereby notifies the Loan Parties that, pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Group Member, which information includes the name and address of such Group Member and other information that will allow such Lender or the Administrative Agent, as applicable, to identify such Group Member in accordance with the Patriot Act.

(b) Each Loan Party acknowledges that, pursuant to the AML Act, the Administrative Agent and each Lender may be required to obtain, verify and record information regarding the Group Members, their directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Group Members, and the transactions contemplated hereby. The Borrower shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by the Administrative Agent and any Lender or any prospective assignee or participant of any Lender, in order to comply with the AML Act.

10.15 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), the Borrower and each other Loan Party acknowledges and agrees and acknowledges its Affiliates’ understanding that (i) (A) the services regarding this Agreement provided by the Administrative Agent and/or the Lenders are arm’s-length commercial transactions between the Borrower, each other Loan Party and their respective Affiliates, on the one hand, and the Administrative Agent and the Lenders, on the other hand, (B) each of the Borrower and the other Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate, and (C) the

Borrower and each other Loan Party is capable of evaluating and understanding, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) each of the Administrative Agent and the Lenders is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower, any other Loan Party or any of their respective Affiliates, or any other Person, and (B) neither the Administrative Agent nor any Lender has any obligation to the Borrower, any other Loan Party or any of their Affiliates with respect to the transaction contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower, the other Loan Parties and their respective Affiliates, and each of the Administrative Agent and the Lenders has no obligation to disclose any of such interests to the Borrower, any other Loan Party or any of their respective Affiliates. To the fullest extent permitted by law, each of the Borrower and the other Loan Parties hereby waives and releases any claims that it may have against the Administrative Agent or any Lender with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

10.16 Location of Closing. Each Lender and the Issuing Bank acknowledges and agrees that it has delivered, with the intent to be bound, its executed counterparts of this Agreement to the Administrative Agent, c/o a New York address. The Borrower acknowledges and agrees that it has delivered, with the intent to be bound, its executed counterparts of this Agreement and each other Loan Document, together with all other documents, instruments, opinions, certificates and other items required under Section 3.1, to the Administrative Agent, a New York address. All parties agree that the closing of the transactions contemplated by this Agreement has occurred in New York.

10.17 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable (i) a reduction in full or in part or cancellation of any such liability, (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document or (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

10.18 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the “Judgment Currency”) other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the “Agreement Currency”), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or any Lender from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or any Lender in such currency, the Administrative Agent or such Lender, as the case may be, agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable law).

10.19 Lenders’ Obligations Several; No Partnership. The obligations of each Lender under this Agreement are several. The failure of any Lender to carry out its obligations hereunder shall not relieve the other Lenders of any of their respective obligations hereunder. No Lender shall be responsible for the obligations of any other Lender hereunder. Neither the entering into of this Agreement nor the completion of any transactions contemplated herein shall constitute the Lenders a partnership.

10.20 Effect of Amendment and Restatement. Upon the satisfaction or waiver in writing by SunTrust Bank, as Administrative Agent and Issuing Bank, and the Lenders of all conditions precedent set forth in Section 3.1, (a) this Agreement shall amend, restate and supersede in its entirety the Existing Credit Agreement, and (b) those other Loan Documents that amend and restate any of the other Existing Loan Documents shall amend, restate and supersede such other Existing Loan Documents. Notwithstanding the foregoing, the execution, delivery and effectiveness of this Agreement shall not excuse or constitute a waiver of any Existing Default or Existing Event of Default. The parties hereto acknowledge and agree that (i) neither this Agreement nor any of the other Loan Documents being executed in connection herewith shall constitute an accord and satisfaction or a novation of the Existing Obligations, (ii) all Existing Obligations and Existing Commitments that remain outstanding as of the Closing Date are in all respects continuing with only the terms thereof being modified as provided in this Agreement and the other Loan Documents, (iii) the Liens granted in favor of any Secured Party under the Existing Collateral Documents securing payment of the Existing Obligations are in all respects continuing and in full force and effect with respect to the Obligations hereunder and (iv) all references in the other Existing Loan Documents to the Existing Credit Agreement (or the Existing Obligations) shall be deemed to refer without further amendment to this Agreement (and the Obligations). Amounts in respect of interest, fees and other amounts payable to or for

the account of the Administrative Agent, the Issuing Bank or any Lender shall be calculated in accordance with the provisions of (A) the Existing Credit Agreement with respect to any period (or portion thereof) ending prior to the Closing Date and (B) this Agreement with respect to any period (or portion thereof) commencing on or after the Closing Date.

RECITALS

A. KMIL, the other Grantors and Administrative Agent have entered into that certain Guaranty and Security Agreement dated as of July 28, 2017 (as amended, restated, supplemented or otherwise modified, renewed or replaced from time to time, the "Agreement"), pursuant to which, among other things, Grantors (other than KMIL) have guaranteed all Obligations of KMIL and Grantors (including KMIL) have granted Liens in and to the Collateral to Administrative Agent, on behalf of the Secured Parties, to secure their respective Obligations. Capitalized terms used herein and not otherwise defined shall have the respective meanings ascribed to them in the Agreement.

B. KMIL and the other Grantors have requested that Administrative Agent and Lenders amend the Agreement to, among other things, (1) add Parent as a co-borrower with KMIL and (2) make certain amendments to the Collateral, Pledged Certificated Stock and Pledged Uncertificated Stock definitions, and KMIL, the other Grantors and Administrative Agent are willing to do so subject to the terms and conditions of this Amendment.

1. Ratification, Reaffirmation and Incorporation of Agreement. Except as expressly modified under this Amendment, (a) each Grantor hereby acknowledges, confirms, ratifies and reaffirms the grant by it of the Liens in and to the Collateral granted by it under the Agreement and all of the other terms and conditions set forth in, and its Guaranteed Obligations and all of its other obligations under, the Agreement, and (b) all of the terms and conditions set forth in the Agreement are incorporated herein by this reference as if set forth in full herein.
