APPLICATION

1. The Applicant, Ligado Networks LLC (“**Ligado**”), makes this Application on its own behalf and in its capacity as proposed foreign representative (in such capacity, the “**Foreign Representative**”) of Ligado Networks Corp., Ligado Networks Holdings (Canada) Inc., Ligado Networks (Canada) Inc., ATC Technologies, LLC, Ligado Networks Inc. of Virginia, One Dot Six LLC, One Dot Six TVCC LLC, Ligado Networks Subsidiary LLC, Ligado Networks Finance LLC and Ligado Networks Build LLC (collectively with Ligado, the “**Debtors**”) for certain relief pursuant to Part IV of the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”), and for Orders substantially in the form included in the Application Record, including:

- (a) an initial recognition order (foreign main proceeding) (the “**Initial Recognition Order**”), among other things:
 - (i) abridging the time for service of this Notice of Application and the Application Record, and dispensing with service on any person other than those served;
 - (ii) appointing Ligado as “foreign representative”, as defined in section 45 of the CCAA, of the Debtors;
 - (iii) declaring that the centre of main interest of each of the Debtors is the United States of America and recognizing the chapter 11 cases (the “**Chapter 11 Cases**”) commenced by the Debtors in the United States Bankruptcy Court for the District of Delaware (the “**U.S. Court**”) under chapter 11 of title 11 of the United States Code, 11

U.S.C. §§ 101-1532 (the “**U.S. Bankruptcy Code**”) as a “foreign main proceeding”, as defined in section 45 of the CCAA;

- (iv) granting a stay of proceedings in Canada in respect of the Debtors, including the property, business, directors and officers of the Debtors; and
 - (v) requiring the Information Officer (defined herein), on behalf of the Foreign representative, to publish notice of the proceeding pursuant to subsection 53(b) of the CCAA; and
- (b) a supplemental order (foreign main proceeding) (the “**Supplemental Order**”), among other things:
- (i) recognizing in Canada and enforcing certain orders of the U.S. Court made in the Chapter 11 Cases (collectively, the “**First Day Orders**”);
 - (ii) appointing FTI Consulting Canada Inc. (“**FTI Canada**”) as the information officer in respect of this proceeding (in such capacity, the “**Information Officer**”);
 - (iii) staying any claims, rights, liens or proceedings against or in respect of the Debtors, the business and property of the Debtors and the directors and officers of the Debtors;

- (iv) restraining the right of any person or entity to, among other things, discontinue or terminate any supply of products or services to the Debtors;
 - (v) granting a super-priority charge up to the maximum amount of CA\$750,000 over the Debtors' property, in favour of the Information Officer and its counsel, and the Foreign Representative's Canadian counsel, as security for their professional fees and disbursements incurred in respect of these proceedings (the "**Administration Charge**"); and
 - (vi) granting a super-priority charge over the Debtors' property (the "**DIP Lender's Charge**") which shall be consistent with the liens and charges granted by the Interim DIP Order entered by the U.S. Court in the Chapter 11 Cases; and
- (c) such further and other relief as counsel may advise and this Honourable Court may permit.

2. Capitalized terms used but not otherwise defined in this Notice of Application have the meanings given to them in the Initial Recognition Order, Supplemental Order, or Affidavit of Douglas Smith sworn January 14, 2025, as applicable.

THE GROUNDS FOR THE APPLICATION ARE:

Overview

3. The Debtors are a mobile communications company that operates a satellite network across North America that has been providing mobile satellite services (“MSS”) to government and commercial customers for over 25 years.

4. On January 5, 2024 (the “**Petition Date**”), the Debtors commenced the Chapter 11 Cases in the U.S. Court under chapter 11 of title 11 of the U.S. Bankruptcy Code. On January 7, 2025, the U.S. Court granted the First Day Orders. On this Application, Ligado, as proposed Foreign Representative, seeks recognition by this Court of the Chapter 11 Cases and First Day Orders in Canada, together with the other relief set forth in paragraph 1, above.

5. The Debtors have sought relief under Chapter 11 of the U.S. Bankruptcy Code and are seeking corollary relief under Part IV of the CCAA to effectuate, among other things, a comprehensive balance sheet restructuring. As described in the Smith Affidavit, concurrently with the filing of the Chapter 11 Cases, Ligado and their key stakeholders were able to successfully negotiate: (i) a restructuring transaction to recapitalize Ligado’s balance sheet; and (ii) a binding term sheet with AST & Science, LLC (“**AST**”) setting forth the terms of a long-term commercial transaction between Ligado and AST (the “**AST Transaction**”), which culminated in the signing of a restructuring support agreement on January 5, 2025 (the “**RSA**”).

6. Upon emergence from the Chapter 11 Cases and these Canadian recognition proceedings (the “**Recognition Proceedings**”), Ligado anticipates that its indebtedness will be reduced from US\$8.6 billion today to approximately US\$1.2 billion.

7. The Debtors will continue to operate through the Chapter 11 Cases and Recognition Proceedings, providing services to its existing customers and advancing its mobile satellite plans to emerge from the Chapter 11 Cases and Recognition Proceedings on firm footing. In Canada, Ligado intends to continue paying its trade creditors in the ordinary course and does not anticipate any changes to its local Canadian workforce of approximately 31 employees during the restructuring.

The Restructuring

8. The RSA contemplates a restructuring of the Debtors through: (i) a prearranged chapter 11 plan and recognition proceedings pursuant to Part IV of the CCAA; (ii) DIP financing (the “**DIP Facility**”) to provide the Debtors with the liquidity necessary to fund the Chapter 11 Cases; (iii) the equitization of all of the Debtors’ prepetition funded indebtedness (except for debt that is repaid or rolled up through the DIP Facility); (iv) the retention of preferred and common equity interests and relative priority amongst current equity holders; (v) entry into the AST Transaction; and (vi) the conversion of the DIP Facility into an exit facility upon the effective date of an acceptable plan pursuant to the DIP Facility.

9. The AST Transaction involves, among other things, the provision by the Debtors to AST of certain usage rights with respect to the Debtors’ L-band MSS spectrum and related assets in exchange for AST: (i) contributing certain AST common equity, warrants, convertible notes and/or cash to the Debtors; (ii) making certain annual usage-right payments to the Debtors; and (iii) paying the Debtors a certain percentage of revenues derived from AST’s use of the L-band MSS spectrum and related assets.

10. The Debtors and the consenting stakeholders believe that the AST Transaction, together with the recapitalization provided for in the RSA, represents a value maximizing transaction that benefits all stakeholders. The RSA also sets forth certain key case milestones to ensure these Chapter 11 Cases remain on track, including, among other things: (a) deadlines for entry of the interim and final DIP orders; (b) approval of a break-up fee in connection with the AST Transaction; (c) entry into definitive documentation in connection with the AST Transaction; and (d) emergence from Chapter 11 within 12 months of the Petition Date.

The Debtors' Corporate and Capital Structure

11. Ligado owns, directly or indirectly, ten domestic and foreign subsidiaries in two jurisdictions in the United States (Delaware and Virginia) and two jurisdictions in Canada (Ontario and Nova Scotia). Ligado and all of its U.S. and Canadian subsidiaries are the Debtors in the Chapter 11 Cases.

12. The Debtors' capital structure as of the Petition Date is summarized in the below table:

The Debtors' Canadian Operations and Assets

13. Three of the Debtors, each of which is a subsidiary of Ligado, are Canadian companies: Ligado Networks Corp. (“**Networks Corp.**”), Ligado Networks Holdings (Canada) Inc. (“**Holdings**”) and Ligado Networks (Canada) Inc. (“**Networks Inc.**” and, collectively with Networks Corp. and Holdings, the “**Canadian Debtors**”).

14. Networks Corp. is a Nova Scotia corporation that is extra-provincially registered to carry on business in Ontario, with its principal place of business located at 1601 Telesat Court, Ottawa, Ontario (the “**Ottawa Premises**”). Holdings and Networks Inc. are both incorporated under the laws of Ontario.

15. Networks Corp. is the sole operating entity in Canada. Networks Inc. and Networks Corp. hold the Canadian spectrum and regulatory licenses on behalf of the Debtors, and Holdings is an inactive holding company without books or records.

16. The Canadian Debtors, through Networks Corp., carry on substantially the same business as Ligado, i.e., delivery of satellite capacity and related services to end customers. The Debtors have two satellite gateway locations in Canada: one in Ottawa, Ontario, and a second location in Saskatoon, Saskatchewan.

17. In practice, the operations of the Canadian Debtors are deeply integrated with Ligado and the other Debtors in the United States. Most core business functions for the Canadian operations, including legal and accounting, are administered centrally from the United States. A majority of the Canadian Debtors' funding needs are provided by Ligado through intercompany contributions, specifically:

- (a) Networks Corp. is funded by Ligado (i.e., Ligado Networks LLC), with such contributions treated as equity; and
- (b) Networks Inc. is in turn funded by Networks Corp, with such contributions treated as intercompany payables or receivables, as applicable.

18. At present, Networks Inc. owes Networks Corp approximately US\$4.2 million in such intercompany payables. The Canadian Debtors do not have the resources to repay the intercompany indebtedness and are financially dependent on Ligado to maintain operations.

Canadian Cash Management System

19. Networks Corp. has three bank accounts: (a) a Canadian-dollar account held with The Bank of Nova Scotia; (b) a U.S. dollar account held with JP Morgan Chase Bank; and (c) a U.S. dollar account held with Truist Bank. These accounts are used for payment of Canadian landlords and general operating expenses, including payments to suppliers, and are also used to deposit payments from Canadian customers.

Canadian Employees and Creditors

20. To maintain their operations and preserve the value of the business, it is essential that the Debtors continue to operate, to the extent possible, in the ordinary course of their business. To achieve that result, the Debtors must retain the uninterrupted service and the loyalty of their employees. In Canada, day-to-day operations are carried out by Networks Corp, which employs approximately 31 people, primarily from its operations offices at the Ottawa Premises.

21. The Debtors do not contemplate making any operational or employee changes to its Canadian operations through the Chapter 11 Cases or these Recognition Proceedings.

22. The Canadian Debtors are current on payroll, accounts payable to trade vendors and landlords with, in many cases, pre-payments made to the Petition Date.

Connection to the Province of Ontario

23. The Debtors' main interests in Canada are located in the Province of Ontario, specifically:
- (a) the Canadian Debtors operate from the Ottawa Premises and substantially all of their Canadian employees reside in the Ottawa area;
 - (b) one of the Debtors' two Canadian-based satellite gateways is located in Ontario;
 - (c) Canadian counsel to Debtors are situated in Toronto, Ontario; and
 - (d) the proposed Information Officer and its counsel, Stikeman Elliott LLP, are situated in Toronto, Ontario.

Events Leading to the Chapter 11 Cases

24. For approximately 20 years, the Debtors have been working to develop terrestrial wireless capabilities that would augment their satellite network. The Debtors finally obtained FCC approval in April 2020 to use their ATC authority to provide 5G terrestrial communication services (the “**FCC Order**”).

25. In October 2020, in direct reliance on the FCC Order, the Debtors recapitalized their capital structure: (a) to make the US\$700 million Inmarsat 2020 Prepayment; and (b) to begin developing the technological and commercial ecosystem as well as the partnerships necessary to fully deploy their coordinated licensed and leased spectrum.

26. Notwithstanding the issuance of the FCC Order, however, the Debtors’ ability to fully develop and implement their business plans continues to be thwarted by the actions of the United States government, acting through the United States Department of Defense, the United States Department of Commerce (“**DOC**”), the National Telecommunications and Information Administration—an agency within DOC—and the United States Congress (collectively, the “**U.S. Government**”), including the U.S. Government’s use of the Debtors’ spectrum and continued opposition to the FCC Order. Because of such actions, the Debtors do not yet generate sufficient cash to fund their business and are facing a precarious liquidity situation.

27. In addition, the Debtors’ business has been adversely affected by breaches by Inmarsat Global Limited (“**Inmarsat**”), which was acquired by Viasat Inc. (“**Viasat**”) on May 30, 2023, of a cooperation agreement entered into in 2007 and amended and on August 6, 2010 (as further amended and restated from time to time, the “**Cooperation Agreement**”). The purpose of the Cooperation Agreement was to coordinate the MSS L-Band spectrum to provide the Debtors with

sufficient contiguous spectrum blocks free from interference to help the Debtors' obtain the ability to provide mobile services to the North American market consisting of an MSS network and a terrestrial wireless service (i.e., an ATC).

28. The U.S. Government's actions, combined with Inmarsat's breaches of the Cooperation Agreement, each of which is elaborated upon in the Smith Affidavit, have necessitated the filing of the Chapter 11 Cases and these Recognition Proceedings.

The Need for Chapter 11 and CCAA Relief

29. The Debtors intend to take advantage of the breathing spell afforded by the Chapter 11 Cases and these Recognition Proceedings to: (i) pursue a lawsuit against the U.S. Government to obtain just compensation for the taking of the spectrum that the FCC granted exclusively to them for terrestrial use; (ii) pursue their rights against Inmarsat, including in the adversary proceeding in the Chapter 11 Cases; (iii) continue their efforts to develop the technology and commercial ecosystem necessary to fully deploy their spectrum assets; and (iv) execute definitive documentation for and consummate the AST Transaction.

30. The proposed restructuring through the Chapter 11 Cases and Recognition Proceedings is the best path available to maximize value for the Debtors' stakeholders.

Recognition of Foreign Main Proceedings is Appropriate

31. The centre of the main interest for the Debtors, including the Canadian Debtors, is in the United States. Among other things:

- (a) their operating mind and management are in all respects located in the United States and all material decision making is made by Ligado personnel in the United States;
- (b) the Debtors' headquarters is located at 10802 Parkridge Boulevard, Reston, Virginia;
- (c) the majority of directors are located in the US;
- (d) virtually all back-office functions (including administrative, tax, accounting, technical support, legal and other functions) are directed by senior management in the United States;
- (e) all authorized signatories for the bank accounts reside in the United States;
- (f) the Canadian Debtors do not have separate audited financial statements;
- (g) although the Canadian Debtors have some unique customers, most of their customers are cross-border customers with primary and/or originating ties to Ligado's relationships in the United States; and
- (h) the Canadian Debtors are funded by and operate on an integrated basis with Ligado and would be unable to operate independently.

32. The Debtors (other than the Canadian Debtors) have no material presence, property or direct business operations in Canada.

33. Ligado is the principal operating entity of the Debtors. If the Initial Recognition Order is granted, Ligado will be appointed as the foreign representative of itself and the other Debtors in the Chapter 11 Cases and as such will fall within the definition of “foreign representative” under subsection 45(1) of the CCAA.

34. Pursuant to subsection 46(1) of the CCAA, Ligado may apply to the Court as foreign representative for recognition of the Chapter 11 Proceeding.

35. Pursuant to subsection 47(1) of the CCAA, this Court shall make an order recognizing the Chapter 11 Cases if it is satisfied that the application relates to “foreign proceedings” and that Ligado is a “foreign representative”.

36. Pursuant to subsection 47(2) of the CCAA, this Court shall specify in the order recognizing the Chapter 11 Proceeding whether it is a foreign main proceeding or foreign non-main proceeding.

37. For the foregoing reasons, each of the Debtors’ centre of main interest is in the United States and, therefore, the Chapter 11 Cases constitute a “foreign main proceeding” as defined in subsection 45(1) of the CCAA.

The Stay of Proceedings is Appropriate

38. Pursuant to subsection 48(1) of the CCAA, this Court shall, in the case of a foreign main proceeding, exercise its jurisdiction to prohibit the commencement or continuance of any action, suit or proceeding against the Debtors, subject to any terms and conditions that this Court considers appropriate.

39. The stay of proceedings in Canada is essential to protect the efforts of the Debtors to proceed in the Chapter 11 Cases and implement the RSA, particularly in light of certain key assets and licences within Canada held by certain of the Debtors, i.e. the Canadian Debtors.

Appointment of the Information Officer is Appropriate

40. As part of the restructuring process, FTI Canada, if appointed as Information Officer, will report to the Canadian Court from time to time on the status of the Chapter 11 Cases and these Recognition Proceedings.

41. FTI Canada is a licensed insolvency trustee, well-known for its expertise in CCAA matters, including cross-border plenary and ancillary proceedings under the CCAA, and has consented to act as Information Officer in these proceedings.

Administration Charge is Appropriate

42. Ligado requests that the Canadian Court grant the proposed Information Officer, its legal counsel, Stikeman Elliott LLP, and Canadian counsel to Ligado as Foreign Representative, Dentons, the Administration Charge with respect to their fees and disbursements in the maximum amount of CA\$750,000 on the Debtors' property in Canada.

43. Ligado has paid retainers to the proposed Information Officer and its counsel in the amount of CA\$75,000 each. The quantum of the Administration Charge was agreed to in the material agreements the Debtors have entered into in connection with the Chapter 11 Cases with the lenders of their funded debt and the DIP Facility. Approval of the Administration Charge and appointment of professionals by the Canadian Court is appropriate because the professionals will be providing services in respect of these proceedings before the Canadian Court.

44. The amount of the Administration Charge to be reasonable in the circumstances, having regard to the size and complexity of these proceedings and the roles that will be required of Ligado's Canadian legal counsel, the proposed Information Officer, and its legal counsel.

DIP Facility and Charge are Appropriate

45. As of the Petition Date, the Debtors had approximately US\$9.6 million of cash on hand. During the Chapter 11 Cases and these Recognition Proceedings, the Debtors will need current liquidity to satisfy payroll, meet overhead obligations, satisfy the costs, fees, and expenses (including all professional fees and expenses) of administering these cases and for the continued management, operation, and preservation of their business. The ability to satisfy these expenses as and when due is essential to the Debtors' successful operation of their business during these proceedings. The DIP Facility is intended, among other things, to address the Debtors' funding needs during the Chapter 11 Cases and these Recognition Proceedings.

46. On January 7, 2025, the U.S. Court confirmed approval of the Debtors' DIP Motion on an interim basis and entered the Interim DIP Order on January 8, 2025, including interim approval of the DIP Facility. The DIP Facility includes:

- (a) new money loans, which are superpriority senior secured multiple draw debtor-in-possession term loans to Ligado in a total aggregate principal amount not to exceed US\$441,999,891 (the "**DIP New Money Loans**"); and
- (b) a roll-up of US\$441,999,891 to US\$497,133,616 of 1L Debt Obligations (other than 1L First Out Loan Obligations), on a cashless, dollar-for-dollar basis, into DIP Loans (the "**Roll-Up**").

47. Through the DIP Facility, the Debtors obtained (or will obtain) access to the DIP New Money Loans over multiple draws as follows:

- (a) first funding loans in an amount not to exceed US\$12,000,000, which were made available to Ligado following the entry of the Interim DIP Order (the “**DIP First Funding Loans**”);
- (b) second funding loans in an amount not to exceed US\$326,999,891, which shall be made available to Ligado following the entry of the Final DIP Order (the “**DIP Second Funding Loans**”) and used to repay in full in cash the 1L First Out Loan Obligations (the “**Refinancing**”); and
- (c) delayed draw term loans in an amount not to exceed US\$103,000,000, which shall be made available to Ligado in three draws following the entry of the Final DIP Order (the “**DIP Delayed Draw Term Loans**”).

48. On this Application, Ligado seeks recognition from the Canadian Court of the Interim DIP Order granted by the U.S. Court and the DIP Lender’s Charge with respect to interim financing over the Debtors’ property in Canada.

49. For clarity, although the DIP Facility contemplates a roll-up of pre-petition obligations, the Interim DIP Order does not authorize the Roll-Up, which would not occur until the entry of the Final DIP Order, nor does the Interim DIP Order authorize the advancement of the DIP Second Funding Loans or the DIP Delayed Draw Term Loans or the Refinancing, each of which is subject to entry of the Final DIP Order.

50. The DIP Facility is the best financing available under the circumstances, will provide the Debtors with liquidity that is immediately and critically needed, and is essential to the efficient reorganization and success of the Debtors' Chapter 11 Cases and these Recognition Proceedings.

Recognition of First Day Orders is Appropriate

51. By operation of the U.S. Bankruptcy Code, the Debtors obtained the benefit of a stay of proceedings upon filing their petitions with the U.S. Court. However, in order to continue their operations, the Debtors required additional relief from the U.S. Court. The First Day Motions filed by the Debtors in the Chapter 11 Cases are as follows:

- (a) **Joint Administration Motion.** Debtors' Motion for Entry of an Order: (I) Directing Joint Administration of Chapter 11 Cases; and (II) Granting Related Relief;
- (b) **Omni Retention Application.** Application of Debtors for Entry of an Order: (I) Authorizing and Approving the Appointment of Omni Agent Solutions, Inc. as Claims and Noticing Agent; and (II) Granting Related Relief;
- (c) **Redaction Motion.** Debtors' Motion for Entry of an Order: (I) Authorizing the Debtors to Redact Certain Personal Identification Information; and (II) Granting Related Relief;
- (d) **Foreign Representative Motion.** Debtors' Motion for Entry of an Order Authorizing Ligado Networks LLC To Act as Foreign Representative Pursuant to 11 U.S.C. § 1505;

- (e) **Cash Management Motion.** Debtors' Motion for Entry of Interim and Final Orders: (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System and Maintain Existing Bank Accounts, (B) Utilize Their Credit Cards, and (C) Engage in Intercompany Transactions; (II) Granting a Waiver of the Requirements of Section 345(b) of the Bankruptcy Code and U.S. Trustee Guidelines; and (III) Granting Related Relief;
- (f) **Wages Motion.** Debtors' Motion for Entry of Interim and Final Orders: (I) Authorizing Them to (A) Satisfy Prepetition Obligations on Account of Compensation and Benefits Programs and (B) Continue Compensation and Benefits Programs; and (II) Granting Related Relief;
- (g) **Insurance Motion.** Debtors' Motion for Entry of Interim and Final Orders: (I) Authorizing the Debtors to (A) Maintain Insurance Policies and Surety Bond Program and Honor Obligations Thereunder, and (B) Renew, Amend, Supplement, Extend, or Purchase Insurance Policies and Surety Bonds; and (II) Granting Related Relief;
- (h) **Taxes Motion.** Debtors' Motion for Entry of Interim and Final Orders: (I) Authorizing the Payment of Certain Taxes and Fees; and (II) Granting Related Relief;
- (i) **Utilities Motion.** Debtors' Motion for Entry of Interim and Final Orders: (I) Approving the Proposed Adequate Assurance of Payment for Future Utility Services and Related Procedures; (II) Prohibiting Utility Companies to Alter, Refuse, or Discontinue Services; and (III) Granting Related Relief; and

- (j) **DIP Motion.** Debtors' Motion For Entry of Interim and Final Orders: (I) Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Use Cash Collateral; (II) Granting Liens and Superpriority Administrative Expense Claims; (III) Granting Adequate Protection; (IV) Modifying the Automatic Stay; (V) Scheduling a Final Hearing; and (VI) Granting Related Relief.

52. The U.S. Court granted Orders related to each of the First Day Motions on January 7, 2025. Ligado seeks Canadian Court recognition of the First Day Orders made by the U.S. Court on January 7, 2025.

**AFFIDAVIT OF DOUGLAS SMITH
(sworn January 14, 2025)**

I, Douglas Smith, of the City of Leesburg, in the State of Virginia, in the United States of America, MAKE OATH AND SAY:

1. I am the Chief Executive Officer of the Applicant, Ligado Networks LLC (“**Ligado**” and, collectively with its affiliated debtors and debtors in possession, the “**Debtors**”).¹ I have been employed in this and other capacities by the Debtors since 2010. Accordingly, I am familiar with the Debtors’ day-to-day operations, business, and financial affairs. Where the facts described in this affidavit are not based on my direct knowledge, but are based upon information and belief from other sources, I have specified the source of that information and believe it to be true.

¹ The Debtors are: Ligado Networks LLC; ATC Technologies, LLC; Ligado Networks (Canada) Inc.; Ligado Networks Build LLC; Ligado Networks Corp.; Ligado Networks Finance LLC; Ligado Networks Holdings (Canada) Inc.; Ligado Networks Inc. of Virginia; Ligado Networks Subsidiary LLC; One Dot Six LLC; and One Dot Six TVCC LLC.

2. I swear this affidavit to assist the Ontario Superior Court of Justice (Commercial List) (the “**Canadian Court**”) and interested parties in understanding the circumstances that resulted in the commencement of chapter 11 cases (the “**Chapter 11 Cases**”) in the United States Bankruptcy Court for the District of Delaware (the “**U.S. Court**”), filed January 5, 2025 (the “**Petition Date**”), under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (the “**U.S. Bankruptcy Code**”), and in support of Ligado’s request for certain relief pursuant to Part IV of the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”), including:

- (a) an initial recognition order (foreign main proceeding) (the “**Initial Recognition Order**”), among other things:
 - (i) appointing Ligado as “foreign representative”, as defined in section 45 of the CCAA, of the Debtors (in such capacity, the “**Foreign Representative**”);
 - (ii) declaring that the centre of main interest of each of the Debtors is the United States of America and recognizing the Chapter 11 Cases commenced by the Debtors in the U.S. Court under the U.S. Bankruptcy Code as a “foreign main proceeding”, as defined in section 45 of the CCAA;
 - (iii) granting a stay of proceedings in Canada in respect of the Debtors, including the property, business, directors and officers of the Debtors; and

- (iv) requiring the Information Officer (defined herein), on behalf of the Foreign representative, to publish notice of the proceeding pursuant to subsection 53(b) of the CCAA; and
- (b) a supplemental order (foreign main proceeding) (the “**Supplemental Order**”), among other things:
 - (i) recognizing in Canada and enforcing certain orders of the U.S. Court made in the Chapter 11 Cases (collectively, the “**First Day Orders**”);²
 - (ii) appointing FTI Consulting Canada Inc. (“**FTI Canada**”) as the information officer in respect of this proceeding (in such capacity, the “**Information Officer**”);
 - (iii) staying any claims, rights, liens or proceedings against or in respect of the Debtors, the business and property of the Debtors and the directors and officers of the Debtors;
 - (iv) restraining the right of any person or entity to, among other things, discontinue or terminate any supply of products or services to the Debtors;

² The First Day Orders are summarized below at paragraph 103 of this affidavit and attached to the affidavit of Sarah Lam sworn January 14, 2025.

- (v) granting a super-priority charge up to the maximum amount of CA\$750,000 over the Debtors' property, in favour of the Information Officer and its counsel, and the Foreign Representative's Canadian counsel, as security for their professional fees and disbursements incurred in respect of these proceedings (the "**Administration Charge**"); and
- (vi) granting a super-priority charge over the Debtors' property (the "**DIP Lender's Charge**") which shall be consistent with the liens and charges granted by the Interim DIP Order entered by the U.S. Court in the Chapter 11 Cases.

3. On January 6, 2025, I executed a declaration (the "**U.S. Declaration**") in connection with the Chapter 11 Cases. The U.S. Declaration includes a comprehensive overview of the Debtors' business and the factors contributing to the filing of the Chapter 11 Cases. A copy of the U.S. Declaration is attached hereto as **Exhibit "A"**.

4. In summary, the Debtors have sought relief under Chapter 11 of the U.S. Bankruptcy Code and are seeking corollary relief under Part IV of the CCAA to effectuate, among other things, a comprehensive balance sheet restructuring. As described below, concurrently with the filing of the Chapter 11 Cases, Ligado and their key stakeholders were able to successfully negotiate: (i) a restructuring transaction to recapitalize Ligado's balance sheet; and (ii) a binding term sheet with AST & Science, LLC ("**AST**") setting forth the terms of a long-term commercial transaction between Ligado and AST (the "**AST Transaction**"), which culminated in the signing of a

restructuring support agreement on January 5, 2025 (the “**RSA**”). A copy of the RSA is attached hereto as **Exhibit “B”**.

5. Upon emergence from the Chapter 11 Cases and these Canadian recognition proceedings (the “**Recognition Proceedings**”), Ligado anticipates that its indebtedness will be reduced from US\$8.6 billion today to approximately US\$1.2 billion.

6. The Debtors will continue to operate through the Chapter 11 Cases and Recognition Proceedings, providing services to its existing customers and advancing its mobile satellite plans to emerge from the Chapter 11 Cases and Recognition Proceedings on firm footing. In Canada, Ligado intends to continue paying its trade creditors in the ordinary course and does not anticipate any changes to its local Canadian workforce of approximately 31 employees during the restructuring.

I. OVERVIEW

A. The Debtors’ Business

7. The Debtors are a mobile communications company that operates a satellite network across North America that has been providing mobile satellite services (“**MSS**”) to government and commercial customers for over 25 years.

8. In the near term, Ligado is planning to evolve its satellite services to easily integrate with terrestrial networks and to communicate directly to standard mobile devices. In addition, Ligado has the authority to develop terrestrial-based solutions for both Fifth Generation (“**5G**”) public and

private networks using its coordinated licensed and leased spectrum in the “L-Band,” located in the highly attractive one- to two- gigahertz (“**GHz**”) spectrum category, known as the lower mid-band.

9. Ligado is licensed as an MSS operator in the L-Band in the U.S. and Canadian parts of “ITU Region 2”. Ligado has fully coordinated its satellite system with all other North American Region 2 L-band operators and maintains access to over 40 megahertz (“**MHz**”) of MSS spectrum in the U.S. and Canada.

10. The Debtors spent years working to develop and obtain approval from the United States Federal Communications Commission (“**FCC**”) to operate an ancillary terrestrial component (“**ATC**”) to their MSS licenses and have invested billions of dollars in connection therewith. In April 2020, the commissioners for the FCC issued a unanimous and bipartisan order granting the Debtors an exclusive ATC authorization across the United States for 30 MHz of their MSS licensed L-Band spectrum. The Debtors also have access to five MHz of spectrum at 1670-1675 MHz. In total, the Debtors have access to 35 MHz of terrestrial spectrum in the United States.

B. The Debtors’ Products, Services and Existing Mobile Satellite Business

11. The Debtors currently support a range of MSS products and services in the United States, Canada, and Mexico on their MSS network. The Debtors are developing technical and commercial plans to enhance their current MSS network. They also have been planning to deploy 35 MHz of their coordinated licensed and leased spectrum in the L-Band for new and innovative

communication services. To support this, the Debtors are developing a technology ecosystem for their MSS spectrum and their coordinated licensed and leased spectrum for communication services. Direct-to-device satellite communications and terrestrial 5G private networks using the 1670-1675 MHz band are among the solutions that are being developed by the Debtors to serve the mobile consumer market and the enterprise sector.

12. The Debtors' business includes the operation of a highly sophisticated satellite network that provides fixed and mobile communications throughout North America. In the United States, the Debtors operate the SkyTerra-1 satellite. In Canada, the Debtors are authorized to provide service using the SkyTerra-1 satellite. The Debtors are also authorized in principle by Innovation, Science & Economic Development Canada to operate the SkyTerra-2 satellite, which is constructed and stored in preparation for launch into a Canadian orbital location.

13. The Debtors' satellites (SkyTerra-1 and SkyTerra-2) are two of the most powerful mobile satellites ever constructed. Each is equipped with a 22-meter (75 foot) diameter antenna, which is capable of ten times better performance than that provided by the Debtors' prior satellites. The satellites have the capability of forming up to 1,500 beams over North America and can operate with devices that are as small as standard Internet of Things (IoT) devices, mobile hotspots, and consumer smartphones.

14. The SkyTerra-1 and SkyTerra-2 satellite systems utilize state-of-the-art ground-based beam forming, which allows flexibility in altering beam shapes, number of beams, bandwidth allocation, and power allocation, all occurring from the ground. This capability is unprecedented

in prior mobile satellite systems where beams were pre-formed onboard the spacecraft prior to launch and incapable of change once in orbit. Below is a visual depiction of the coverage capability of the Debtors' satellite system:

15. The Debtors' customers in government and industry include end users (among others) in the public safety, utilities, and transportation segments who use the Debtors' current satellite network for emergency response, remote monitoring, asset tracking, and numerous other mission-critical applications. An important component of the Debtors' current satellite business is the Mobile Satellite Communications Push-to-Talk and Telephony Voice service, which provides

access to national and regional “SMARTtm Talk Groups.” Such talk groups enable critical interoperable communications among officials from homeland security, law enforcement, emergency response, and public safety from various departments and agencies across the United States and Canada.

16. In 2022, the Third Generation Partnership Project (“**3GPP**”), the wireless industry’s global standard-setting body, designated the L-band as one of only two bands included for standardization as part of the first 3GPP Release 17 for Non-Terrestrial Networks. With the emergence of these standards for satellite networks in the L-band, and an in-orbit satellite network that can readily support the next generation of consumer devices, Ligado is developing technology and partnerships that will serve the growing demand for Direct-to-Device satellite connectivity.

17. A more detailed overview of the Debtors’ spectrum assets, licenses and related agreements is set forth in my U.S. Declaration beginning at paragraph 20.

C. Inmarsat Cooperation Agreement

18. The Debtors’ capital structure is premised on a business that is entitled to the full benefits of a cooperation agreement they entered into in 2007 with Inmarsat Global Limited (“**Inmarsat**”), which was acquired by Viasat Inc. (“**Viasat**”) on May 30, 2023. The parties entered into an amended and restated cooperation agreement on August 6, 2010 (as further amended and restated from time to time, the “**Cooperation Agreement**”).

19. The Cooperation Agreement has been amended numerous times and addresses a number of regulatory, technological and spectrum coordination matters involving L-band spectrum and its use over North America. The purpose of the Cooperation Agreement was to coordinate the MSS L-Band spectrum to provide the Debtors with sufficient contiguous spectrum blocks free from interference to help the Debtors' obtain the ability to provide mobile services to the North American market consisting of an MSS network and a terrestrial wireless service (i.e., an ATC). To that end, the Cooperation Agreement involves Inmarsat moving its operations and reallocating its customers' use from identified portions of its coordinated spectrum in the MSS L-Band and upgrading some of its equipment so that the spectrum could be delivered to the Debtors without the possibility of interference to or from Inmarsat's customers' satellite terminals.

20. The term of the Cooperation Agreement runs until December 31, 2107, and the agreement requires the Debtors to pay Inmarsat substantial sums for this spectrum over a period of 99 years.³ As of the Petition Date, the Debtors have paid Inmarsat over US\$1.7 billion.

21. In return, Inmarsat is required to facilitate the necessary FCC license authorization. The parties understood that FCC approval of the Debtors' license application was critical to achieving the purpose of the Cooperation Agreement, and both parties pledged to use their best commercial efforts to support approval from the relevant regulatory authorities, including the FCC specifically, and to remedy the situation in the event of any indication of objection or disapproval.

³ Approximately 83 years remain under the current term of the Cooperation Agreement.

22. In addition, Inmarsat is required to implement the so-called “Spectrum Plans” contemplated in the Cooperation Agreement to create sufficient contiguous spectrum blocks and use its best commercial efforts to ensure that Ligado receives the full anticipated benefit of the spectrum, including in or near airports and waterways.

23. Inmarsat has taken steps to create the contiguous spectrum blocks, but it has failed to perform other obligations. In addition to creating contiguous spectrum blocks, the Cooperation Agreement requires Inmarsat to address interference that might arise in the particular use case of Inmarsat satellite terminals operating on Inmarsat’s system on airplanes and water vessels and the Debtors’ planned ATC services. Inmarsat’s resolution of these terminal interference issues was contractually bargained and paid for by the Debtors. Specifically, aviation and maritime customers of Inmarsat use systems provided by Inmarsat for communications and operate near to the spectrum the Cooperation Agreement specifies is for the Debtors’ use for their terrestrial communication and MSS services.

24. The potential for interference between Inmarsat’s customers’ terminals in or near airports and waterways and the Debtors’ communication services in the vicinity of same should have been remedied by Inmarsat through replacement of the Inmarsat terminals or through modification (with the use of filters or otherwise) of the Inmarsat terminals. This is known as “terminal resilience.” Achieving this terminal resilience so that Ligado could operate anywhere in the U.S. (including in or near airports and waterways) was a material obligation of Inmarsat to provide the Debtors under the Cooperation Agreement.

25. To address the terminal resilience issues in those specific geographic areas, Inmarsat and the Debtors agreed on the need to develop a plan to replace or modify those terminals. Because those terminals were Inmarsat terminals provided to Inmarsat customers to enable them to receive signals over the Inmarsat system, the parties' understanding, as reflected in the Cooperation Agreement and the parties' course of conduct, was that Inmarsat would be responsible for ensuring the design, development, approval, manufacture, distribution, and installation of the equipment needed to achieve terminal resilience, *and* all costs in connection with that transition. Inmarsat was also responsible for implementing that plan through modifications in all contracts and relationships with its customers. These terms were agreed to by the parties and are clearly set out in technical exhibits to the Cooperation Agreement.

26. To resolve the terminal interference issues, the Cooperation Agreement requires that "appropriate modifications" be made to "*all* terminals operating on the Inmarsat system" that might receive or cause interference, or that Inmarsat, in its discretion, could otherwise address such interference by discontinuance or replacement of any affected service or terminal. In part to offset the costs of that transition, the Debtors paid Inmarsat a US\$250.0 million transition payment. To date, Inmarsat has still not completed the required work to effect the required terminal resilience as required under the Cooperation Agreement.

27. Over the years, the Cooperation Agreement has been amended twenty-one times to address issues relating to plans for the delivery of spectrum and payments due thereunder, to alter certain transition options and notifications relating to them, to delay and defer payments during the

Debtors' prior bankruptcy, to meet coordination obligations with the other North American L-Band operator, Telecomunicaciones de Mexico, to allow for a large prepayment of the future annual payment obligations, and to reduce the amount of the overall lease obligations going forward.

28. In the wake of the FCC's April 2020 Order authorizing ATC deployment and in connection with the Debtors' recapitalization, in 2020, the Debtors made a lump sum payment of US\$700.0 million to Inmarsat in two installments of approximately US\$35.5 million on October 13, 2020, and US\$664.5 million on October 23, 2020 (collectively, the "**Inmarsat 2020 Prepayment**"), which prepaid 60% of all future payment obligations. The Debtors have the right until October 15, 2025, to exercise a further call option to prepay the remainder of the payment obligations on certain terms and conditions described in the Cooperation Agreement.

29. On December 20, 2022, the Debtors and Inmarsat amended the Cooperation Agreement ("**Amendment No. 7**") to extend a portion of the approximately US\$395.8 million payment to Inmarsat under the Cooperation Agreement (the "**Inmarsat 2023 Payment**") that was coming due in January 2023. Under this amendment, the Debtors paid US\$30.0 million on December 28, 2022, with proceeds from the Prepetition First Lien Loan Facility (as defined in the U.S. Declaration), and agreed to pay the remaining balance on April 6, 2023, after the expiration of the grace period, with interest. As part of that amendment, Inmarsat agreed to dismiss its complaint alleging an anticipatory breach of the Inmarsat 2023 Payment, which was filed on December 15, 2022, in the Supreme Court of the State of New York, County of New York, against

Ligado and its affiliate, Ligado Networks (Canada) Inc. The complaint was dismissed without prejudice on December 29, 2022.

30. The Debtors and Inmarsat further amended the Cooperation Agreement five more times in 2023 and nine more times in 2024 to, among other things, delay payment of additional amounts owed by the Debtors to Inmarsat thereunder. As part of the twenty-first and latest amendment to the Cooperation Agreement, Inmarsat agreed to defer payment until January 13, 2025 (after the applicable grace period) of: (i) a US\$16.7 million quarterly payment originally due in March 2023; (ii) a \$393.2 million payment originally due on July 1, 2023; (iii) US\$16.9 million quarterly payment originally due in June 2023; (iv) a US\$16.5 million quarterly payment due in September 2023; (v) a US\$16.2 million payment due in December 2023; (vi) a US\$15.9 million payment due in March 2024; (vii) a US\$16 million payment due in June 2024; and (viii) a US\$15.7 million payment due in September 2024.

31. For the reasons stated above, and as further detailed in the U.S. Declaration, the Debtors submit that Inmarsat has materially breached its obligations under the Cooperation Agreement by failing to resolve the terminal interference issues around airports and waterways and addressing concerns raised to the FCC by Inmarsat's own customers about those terminal interference issues. These failures directly contributed to, among other things, a prolonged regulatory approval process with respect to the Debtors' license modification applications and thereby forced the Debtors to spend significant time and resources during such process.

32. Despite the Debtors' good faith efforts to negotiate with Viasat to resolve the ongoing issues regarding the Cooperation Agreement and work together to seek a commercial arrangement with a third-party to better monetize the value of the parties' contiguous spectrum blocks, it became clear in the weeks leading up to the commencement of the Chapter 11 Cases and these Recognition Proceedings that, in reality, Viasat was not interested in reaching a workable commercial resolution with the Debtors.

33. The Debtors' other key contracts and agreements are summarized in my U.S. Declaration.

D. The Restructuring Support Agreement and AST Transaction

34. As discussed above, notwithstanding Viasat's refusal to work constructively towards a commercial resolution, the Debtors and their key stakeholders were able to successfully negotiate: (i) a restructuring transaction to recapitalize the Debtors' balance sheet; and (ii) a binding term sheet with AST setting forth the terms of the AST Transaction, which culminated in the signing of the RSA on January 5, 2025.

35. The RSA contemplates a restructuring of the Debtors through: (i) a prearranged chapter 11 plan and recognition proceedings pursuant to Part IV of the CCAA; (ii) DIP financing (the "**DIP Facility**") to provide the Debtors with the liquidity necessary to fund the Chapter 11 Cases; (iii) the equitization of all of the Debtors' prepetition funded indebtedness (except for debt that is repaid or rolled up through the DIP Facility); (iv) the retention of preferred and common equity interests and relative priority amongst current equity holders; (v) entry into the AST Transaction; and (vi)

the conversion of the DIP Facility into an exit facility upon the effective date of an acceptable plan pursuant to the DIP Facility.

36. The binding term sheet for the AST Transaction is attached to the RSA. The AST Transaction involves, among other things, the provision by the Debtors to AST of certain usage rights with respect to the Debtors' L-band MSS spectrum and related assets in exchange for AST: (i) contributing certain AST common equity, warrants, convertible notes and/or cash to the Debtors; (ii) making certain annual usage-right payments to the Debtors; and (iii) paying the Debtors a certain percentage of revenues derived from AST's use of the L-band MSS spectrum and related assets.

37. The Debtors and the consenting stakeholders believe that the AST Transaction, together with the recapitalization provided for in the RSA, represents a value maximizing transaction that benefits all stakeholders. The RSA also sets forth certain key case milestones to ensure these Chapter 11 Cases remain on track, including, among other things: (a) deadlines for entry of the interim and final DIP orders; (b) approval of a break-up fee in connection with the AST Transaction; (c) entry into definitive documentation in connection with the AST Transaction; and (d) emergence from Chapter 11 within 12 months of the Petition Date. Consenting stakeholders who are party to the RSA, include:

II. THE DEBTORS' CORPORATE AND CAPITAL STRUCTURE

A. Corporate Structure

38. Ligado owns, directly or indirectly, ten domestic and foreign subsidiaries in two jurisdictions in the United States (Delaware and Virginia) and two jurisdictions in Canada (Ontario

and Nova Scotia). Ligado and all of its U.S. and Canadian subsidiaries are the Debtors in the Chapter 11 Cases. A corporate organization chart for the Debtors is attached hereto as **Exhibit “C”**.

B. Capital Structure

39. The Debtors’ capital structure as of the Petition Date is summarized in the below table:

⁵ All loans issued after this date pursuant to the Prepetition First Out Term Loans are payable on demand.

40. Further details regarding the prepetition indebtedness, which as of the Petition Date included approximately US\$8.6 billion in funded debt, can be found in the U.S. Declaration at paragraphs 45-72. The Debtors' intercreditor agreements are summarized at paragraphs 73-76 and its membership interests (i.e., preferred and common units) are set out at paragraphs 78-83 of the U.S. Declaration. With respect to unsecured debt, the Debtors generally have and intend to continue to pay trade obligations as they come due, both in the U.S. and Canada.

III. THE DEBTORS' CANADIAN OPERATIONS AND ASSETS

A. Canadian Entities

41. Three of the Debtors, each of which is a subsidiary of Ligado, are Canadian companies: Ligado Networks Corp. ("**Networks Corp.**"), Ligado Networks Holdings (Canada) Inc. ("**Holdings**") and Ligado Networks (Canada) Inc. ("**Networks Inc.**" and, collectively with Networks Corp. and Holdings, the "**Canadian Debtors**").

42. Networks Corp. is a Nova Scotia corporation that is extra-provincially registered to carry on business in Ontario, with its principal place of business located at 1601 Telesat Court, Ottawa, Ontario (the "**Ottawa Premises**"). Holdings and Networks Inc. are both incorporated under the laws of Ontario. Copies of the corporation profile reports for each of the Canadian Debtors are attached hereto as **Exhibits "D"**, "**E"** and "**F"**, respectively.

43. Networks Corp. is the sole operating entity in Canada. Networks Inc. and Networks Corp. hold the Canadian spectrum and regulatory licenses on behalf of the Debtors, and Holdings is an inactive holding company without books or records.

44. The Canadian Debtors, through Networks Corp., carry on substantially the same business as Ligado, i.e., delivery of satellite capacity and related services to end customers. The Debtors have two satellite gateway locations in Canada: one in Ottawa, Ontario, and a second location in Saskatoon, Saskatchewan. These locations are depicted on the graphic inserted at paragraph 14, above.

B. Integration with the U.S.

45. In practice, the operations of the Canadian Debtors are deeply integrated with Ligado and the other Debtors in the United States. Most core business functions for the Canadian operations, including legal and accounting, are administered centrally from the United States. A majority of the Canadian Debtors' funding needs are provided by Ligado through intercompany contributions, specifically:

- (a) Networks Corp. is funded by Ligado (i.e., Ligado Networks LLC), with such contributions treated as equity; and
- (b) Networks Inc. is in turn funded by Networks Corp, with such contributions treated as intercompany payables or receivables, as applicable.

46. At present, Networks Inc. owes Networks Corp approximately US\$4.2 million in such intercompany payables. The Canadian Debtors do not have the resources to repay the intercompany indebtedness and are financially dependent on Ligado to maintain operations.

C. Canadian Cash Management System

47. Networks Corp. has three bank accounts: (a) a Canadian-dollar account held with The Bank of Nova Scotia; (b) a U.S. dollar account held with JP Morgan Chase Bank; and (c) a U.S. dollar account held with Truist Bank. These accounts are used for payment of Canadian landlords and general operating expenses, including payments to suppliers, and are also used to deposit payments from Canadian customers.

48. The Canadian Debtors wish to continue using their bank accounts during the pendency of the Chapter 11 Cases and Recognition Proceedings and, as such, are seeking the Canadian Court's recognition of the Cash Management Order granted by the U.S. Court. Further details regarding the Debtors' cash management system are set forth in my U.S. Declaration at paragraphs 158-179.

D. Canadian Employees and Creditors

49. To maintain their operations and preserve the value of the business, it is essential that the Debtors continue to operate, to the extent possible, in the ordinary course of their business. To achieve that result, the Debtors must retain the uninterrupted service and the loyalty of their employees. In Canada, day-to-day operations are carried out by Networks Corp, which employs approximately 31 people, primarily from its operations offices at the Ottawa Premises. Additional

details regarding the Debtors' U.S. and Canadian workforce, compensation and benefits programs, bonus programs and non-insider severance program are set forth in my U.S. Declaration beginning at paragraph 180.

50. The Debtors do not contemplate making any operational or employee changes to its Canadian operations through the Chapter 11 Cases or these Recognition Proceedings.

51. The Canadian Debtors are current on payroll, accounts payable to trade vendors and landlords with, in many cases, pre-payments made to the Petition Date.

52. I understand that a cashflow forecast for the Canadian Debtors will be included in a pre-filing report of FTI Canada as proposed Information Officer (the "**Pre-Filing Report**"), to be filed separately.

E. PPSA Searches

53. I am advised by John Salmas of Dentons Canada LLP ("**Dentons**"), Canadian counsel to the Debtors, and do verily believe that lien searches were conducted on or about December 16, 2024 against the Canadian Debtors under the applicable personal property lien registries in Ontario, Saskatchewan and Nova Scotia (the "**PPSA Searches**"). The search results are summarized as follows:

(a) Networks Corp.:

- (i) registrations in Ontario, Saskatchewan and Nova Scotia in favour of U.S. Bank National Association, as Collateral Agent and Collateral Trustee, and U.S. Bank Trust Company, National Association, as Collateral Agent;
- (b) Holdings:
 - (i) registrations in Ontario and Saskatchewan and Nova Scotia in favour of U.S. Bank National Association, as Collateral Agent and Collateral Trustee, and U.S. Bank Trust Company, National Association, as Collateral Agent; and
- (c) Networks Inc.:
 - (i) registrations in Ontario and Saskatchewan in favour of U.S. Bank National Association, as Collateral Agent and Collateral Trustee, and U.S. Bank Trust Company, National Association, as Collateral Agent.

54. Copies of the PPSA Searches are attached hereto as **Exhibits “G”, “H” and “I”**, respectively. I am advised by Dentons that counsel to the proposed Information Officer has conducted a security opinion in respect of the Canadian Debtors, which is to be summarized in the Pre-Filing Report.

F. Connection to the Province of Ontario

55. The Debtors’ main interests in Canada are located in the Province of Ontario, specifically:

- (a) the Canadian Debtors operate from the Ottawa Premises and substantially all of their Canadian employees reside in the Ottawa area;
- (b) one of the Debtors' two Canadian-based satellite gateways is located in Ontario;
- (c) Canadian counsel to Debtors are situated in Toronto, Ontario; and
- (d) the proposed Information Officer and its counsel, Stikeman Elliott LLP, are situated in Toronto, Ontario.

IV. EVENTS LEADING TO THE CHAPTER 11 CASES

56. As described above, for approximately 20 years, the Debtors have been working to develop terrestrial wireless capabilities that would augment their satellite network. The Debtors finally obtained FCC approval in April 2020 to use their ATC authority to provide 5G terrestrial communication services (the "**FCC Order**").

57. In October 2020, in direct reliance on the FCC Order, the Debtors recapitalized their capital structure: (a) to make the US\$700 million Inmarsat 2020 Prepayment; and (b) to begin developing the technological and commercial ecosystem as well as the partnerships necessary to fully deploy their coordinated licensed and leased spectrum. Notwithstanding the issuance of the FCC Order, however, the Debtors' ability to fully develop and implement their business plans continues to be thwarted by the actions of the United States government, acting through the United States Department of Defense ("**DOD**"), the United States Department of Commerce ("**DOC**"), the National Telecommunications and Information Administration ("**NTIA**")—an agency within

DOC—and the United States Congress (collectively, the “**U.S. Government**”), including the U.S. Government’s use of the Debtors’ spectrum and continued opposition to the FCC Order. Because of such actions, the Debtors do not yet generate sufficient cash to fund their business and are facing a precarious liquidity situation. The U.S. Government’s actions, combined with Inmarsat’s breaches of the Cooperation Agreement, each of which is elaborated upon below, have necessitated the filing of the Chapter 11 Cases and these Recognition Proceedings.

A. Lawsuit Against the U.S. Government

58. In September 2012, Ligado filed an application to modify its existing MSS license to obtain the authorizations needed to enable the development of nationwide terrestrial services to complement its existing satellite infrastructure. The Debtors then filed a modification to that application on December 31, 2015 (the “**2015 FCC Application**”). The DOD and DOC initially supported Ligado’s 2015 FCC Application. That support aligned with the position of GPS manufacturers themselves, who had worked with Ligado and other stakeholders operating in nearby spectrum bands to mitigate potential interference risks. It also comported with data from testing arranged by Ligado and performed at a lab sponsored by DOD and DOC, the results of which had demonstrated that Ligado’s terrestrial services would not harmfully interfere with the vast majority of GPS receivers.

59. In 2018, however, the DOD and DOC suddenly reversed their position and leveled unfounded claims against the Debtors and the effect their terrestrial-based services would have on GPS systems. Unbeknownst to the Debtors and (upon information and belief) the FCC, DOD had

taken Ligado's exclusively licensed spectrum by operating previously undisclosed systems that use—and indeed, depend on—that spectrum. According to government officials, these previously undisclosed systems depend on the entirety of the Debtors' spectrum authorized for wireless terrestrial 5G services and are needed by DOD on a permanent basis. Notwithstanding DOD's and DOC's position, in April 2020 the FCC unanimously rejected the agencies' unsupported claims of GPS interference and granted the Debtors' application to provide ATC services.

60. Rather than compensating the Debtors for DOD's appropriation of the Debtors' licensed spectrum, DOD, acting in concert with DOC, improperly took steps to interfere with implementation of the FCC Order and to prevent the Debtors from using their own authorized spectrum for terrestrial services, from realizing the value of their FCC license and newly modified ATC authority, from securing a return on its immense investments, and from discovering DOD's use of their property. DOD and DOC have forced the Debtors' terrestrial airwaves to remain quiet—rendering the Debtors' valuable spectrum a quiet zone within which the Debtors' terrestrial commercial services cannot be deployed—both through physical occupation and by preventing the Debtors from using its FCC license to provide terrestrial services in their spectrum.

61. DOD and DOC effectuated this taking by, among other things, physically occupying the spectrum, preventing Ligado from using its spectrum, and refusing to implement the FCC Order granting Ligado ATC authority.

62. DOD's refusal to cooperate with Ligado to address spectrum interference concerns, as contemplated by the FCC Order, began upon the Order's issuance and continues through the present. That refusal has prevented Ligado from commencing ATC operations.

63. In addition, DOD and DOC have engaged in a number of subsidiary efforts to further their overarching goal of preventing Ligado from using its FCC-granted ATC authority. Those efforts include threatening the Debtors' potential business partners by warning them that they would not be eligible for lucrative government contracts if they worked with the Debtors; refusing to work with the Debtors and share information necessary for Debtors to use their spectrum; and publicly spreading false and harmful information about the Debtors' planned services. Representatives of DOD gave incomplete and misleading testimony to Congress that caused Congress to pass legislation facilitating DOD's efforts to block the Debtors' use of the spectrum.

64. As a result, DOD and DOC have excluded the Debtors from their own spectrum and deprived the Debtors of the value of their FCC license, and in particular the ATC authority conveyed by that license. DOD and DOC continued their taking of the Debtors' exclusive property without paying just compensation to the Debtors, threatening to destroy the Debtors' company in the process. In addition, the United States, by enacting the 2021 National Defense Authorization Act ("**2021 NDAA**"), has effected a legislative taking of the Debtors' property rights. The 2021 NDAA targeted the Debtors with precision, destroying the value of the Debtors' exclusively licensed spectrum, and rendering worthless the Debtors' 5G ATC authority.

65. As a result of those actions, among others, on October 12, 2023, Ligado filed *Ligado Networks LLC v. United States, et al.*, C.A. No. 23-cv-01797 (Fed. Cl.) (the “**USG Lawsuit**”), in the U.S. Court of Federal Claims against the United States of America, the DOD, the DOC and the National Telecommunications and Information Administration (collectively, the “**Government**”), seeking just compensation for the U.S. Government’s physical, categorical, regulatory and legislative takings of Ligado’s property. A copy of Ligado’s complaint in the USG Lawsuit is attached hereto as **Exhibit “J”**.

66. The Government filed a motion to dismiss on January 25, 2024. The Debtors filed their opposition to the Government’s motion to dismiss on March 25, 2024, and the Department of Justice filed its reply in support of the motion to dismiss on May 6, 2024. On July 29, 2024, the court ordered the parties to file supplemental briefs in response to the court’s questions. The parties filed supplemental brief responses on September 9, 2024.

67. On November 18, 2024, the Court of Federal Claims denied the U.S. Government’s motion to dismiss in part, ruling that Ligado has alleged a physical, regulatory, categorical, but not a legislative taking. The Court of Federal Claims found that a property interest does exist in Ligado’s FCC license vis-à-vis the Department of Defense but not vis-à-vis the FCC.

B. Inmarsat’s Breach of the Cooperation Agreement

68. Pursuant to the Cooperation Agreement, Inmarsat and the Debtors agreed to cooperatively allocate their collective licensed MSS spectrum in the L-band into contiguous spectrum blocks

within the spectrum and at the power levels agreed upon by the parties and set forth in the Cooperation Agreement. Inmarsat intended to use its spectrum for MSS, and the Debtors intended to use their spectrum to offer nationwide terrestrial services and MSS, all as defined in parameters specified by the parties and set out in detail in the Cooperation Agreement.

69. The Parties agreed that Inmarsat would help Ligado obtain the necessary FCC license authorization and any other necessary government approvals. Further, the Cooperation Agreement requires resolution of certain interference issues between the Debtors' planned terrestrial wireless service and Inmarsat's operations in or near airports and waterways. Thus, Inmarsat was also obligated to implement the so-called "Spectrum Plans" contemplated in the Cooperation Agreement and to use its best commercial efforts to ensure that Ligado received the full anticipated benefit of the coordinated spectrum.

70. Inmarsat, however, failed to, among other things, adequately resolve the interference issues with respect to its aviation and maritime customer terminals operating on the Inmarsat system. Shortly after entry of the FCC Order and after the Debtors made the Inmarsat 2020 Prepayment, and 10 years after assuming the obligations under the Cooperation Agreement, Inmarsat disclosed that it was likely years away from resolving those issues. To make matters worse, Inmarsat's customers continued to raise concerns with both Ligado and the relevant government regulators, all while Inmarsat sat idle despite its contractual obligations. As a result of Inmarsat's failures, Ligado did not receive material benefits owed to it by Inmarsat under the Cooperation Agreement.

71. Moreover, unbeknownst to Ligado, the DOD has for some time been operating systems that use or depend on Ligado's authorized spectrum. The DOD's reliance on that spectrum led the DOD to oppose Ligado's FCC modification application, and to prevent Ligado's use of that spectrum even after the company obtained FCC approval. Based on its work with the DOD, Inmarsat knew that the DOD would oppose Ligado's deployment of its terrestrial wireless service regardless of FCC approval. Notwithstanding that knowledge and obligation to assist Ligado in securing necessary regulatory approvals, Inmarsat continued to accept Ligado's payments and induced Ligado into making additional and accelerated payments.

72. Inmarsat has received a windfall of over US\$1.7 billion, including a US\$250.0 million payment intended in part to compensate for the cost of resolving terminal interference issues.

73. The Debtors have filed a complaint against Inmarsat in an adversary proceeding in the Chapter 11 Cases, alleging, among other things, breach of contract, fraudulent inducement, frustration of purpose, unjust enrichment, and fraudulent transfer claims.

C. Liquidity Issues and Financing Efforts

74. As a result of the foregoing issues, the Debtors do not yet generate sufficient cash flows from operations to finance their business and, beginning in 2022, their liquidity started running low. Indeed, as of March 31, 2022, the Debtors had cash, cash equivalents, and short-term investments of approximately US\$44.9 million, and by June 30, 2022, their liquidity had dropped to US\$21.2 million.

75. In response to their liquidity issues, the Debtors sought incremental financing from certain of the Prepetition Secured Parties to extend the Debtors' runway and enable them to continue to build the commercial partnerships necessary to deploy their coordinated licensed and leased spectrum, as well as negotiate an agreement to resolve their disputes and avoid commencing the lawsuit against the U.S. Government.

76. By November 2022, the Debtors' liquidity was once again approaching low levels, and the Debtors sought to raise additional financing to bridge to a more holistic solution to their liquidity needs and capital structure. To that end, in December 2022, the Debtors engaged in negotiations with certain of the Prepetition Secured Parties to provide bridge financing and launched a consent solicitation seeking the requisite consents to amend the Prepetition Secured Documents to incur such financing.

77. In December 2022, the Debtors were able to obtain the initial draw under the Prepetition First Lien Loan Facility and negotiate Amendment No. 7 to the Cooperation Agreement. Pursuant to Amendment No. 7 to the Cooperation Agreement, a portion of the US\$395.8 million payment due to Inmarsat was deferred and Inmarsat agreed to dismiss its complaint without prejudice in exchange for a US\$30 million payment to Inmarsat.

78. In April 2023 and then again in July 2023 and November 2023, the Debtors entered into amendments to the Prepetition First Lien Loan Agreement to provide additional liquidity in the form of Prepetition First Out Term Loans. The Debtors used this additional runway to fund an additional payment to Inmarsat and continue negotiating with Inmarsat and certain of the

Prepetition Secured Parties around a comprehensive solution to the Debtors' recurring liquidity issues and unsustainable capital structure.

79. By January 2024, however, no commercial resolution with Viasat and Inmarsat had been reached and the Debtors' liquidity position had once again deteriorated. As a result, throughout 2024, the parties entered into numerous amendments to the Cooperation Agreement to further delay the payments to Inmarsat until January 13, 2025 (after application of the grace period). At the same time, the Debtors engaged with their key stakeholders to reach a consensus with respect to a comprehensive recapitalization transaction, which ultimately resulted in an agreement in principle premised on an acceptable commercial resolution with Inmarsat.

80. Over the course of 2024, the Debtors engaged in extensive discussions with Viasat and Inmarsat around a comprehensive resolution of the Cooperation Agreement to restructure the Debtors' significant payment obligations thereunder. The parties determined a framework for a commercial agreement and agreed to work towards definitive documentation for the transaction contemplated thereby. Unfortunately, in September 2024, Viasat suddenly raised a purported tax issue that upended the viability of the entire transaction that the parties had been pursuing.

81. In October 2024, Viasat proposed a new, alternative structure, but the Debtors determined that Viasat's proposal did not provide a fair value exchange and was not in the best interests of the Debtors. Since that time, the Debtors have endeavored to negotiate with Viasat to reach a comprehensive resolution of the Cooperation Agreement. However, Viasat ultimately refused to provide additional payment extensions—which would allow the parties more time to reach an out-

of-court solution—unless the Debtors made a substantial payment to Inmarsat for an extension, knowing full well that the Debtors did not have the liquidity to make such payment.

82. Without an extension and facing an obligation to make significant payments to Inmarsat under the Cooperation Agreement, and insufficient liquidity to meet these obligations due to the U.S. Government's uncompensated taking, the Debtors were forced to seek bankruptcy protection.

IV. NEED FOR CHAPTER 11 AND CCAA RELIEF

83. The Debtors intend to take advantage of the breathing spell afforded by the Chapter 11 Cases and these Recognition Proceedings to: (i) pursue their lawsuit against the U.S. Government to obtain just compensation for the taking of the spectrum that the FCC granted exclusively to them for terrestrial use; (ii) pursue their rights against Inmarsat, including in the adversary proceeding in the Chapter 11 Cases; (iii) continue their efforts to develop the technology and commercial ecosystem necessary to fully deploy their spectrum assets; and (iv) execute definitive documentation for and consummate the AST Transaction.

84. I believe that the proposed restructuring through the Chapter 11 Cases and Recognition Proceedings is the best path available to maximize value for the Debtors' stakeholders.

A. Recognition of Foreign Main Proceedings

85. The centre of the main interest for the Debtors, including the Canadian Debtors, is in the United States. Among other things:

- (a) their operating mind and management are in all respects located in the United States and all material decision making is made by Ligado personnel in the United States;
- (b) the Debtors' headquarters is located at 10802 Parkridge Boulevard, Reston, Virginia;
- (c) the majority of directors are located in the US;
- (d) virtually all back-office functions (including administrative, tax, accounting, technical support, legal and other functions) are directed by senior management in the United States;
- (e) all authorized signatories for the bank accounts reside in the United States;
- (f) the Canadian Debtors do not have separate audited financial statements;
- (g) although the Canadian Debtors have some unique customers, most of their customers are cross-border customers with primary and/or originating ties to Ligado's relationships in the United States; and
- (h) the Canadian Debtors are funded by and operate on an integrated basis with Ligado and would be unable to operate independently.

86. The Debtors (other than the Canadian Debtors) have no material presence, property or direct business operations in Canada.

87. I believe that a recognition order, including a stay of proceedings affecting all of their Canadian creditors, will support the Debtors' objectives in the Chapter 11 Cases. I further believe the positions of the Canadian Debtors' unique creditors will not be materially prejudiced by the recognition of the Chapter 11 Cases, by the imposition of the stay of proceedings, or by permitting Networks Corp. to continue its operations in Canada during the pendency of these Recognition Proceedings.

B. Appointment of Information Officer, Administration Charge and Notice

88. As part of the restructuring process, FTI Canada, if appointed as Information Officer, will report to the Canadian Court from time to time on the status of the Chapter 11 Cases and these Recognition Proceedings.

89. FTI Canada is a licensed insolvency trustee, well-known for its expertise in CCAA matters, including cross-border plenary and ancillary proceedings under the CCAA, and has consented to act as Information Officer in these proceedings. A copy of FTI Canada's consent is attached hereto as **Exhibit "K"**.

90. Ligado requests that the Canadian Court grant the proposed Information Officer, its legal counsel, Stikeman Elliott LLP, and Canadian counsel to Ligado as Foreign Representative, Dentons, the Administration Charge with respect to their fees and disbursements in the maximum amount of CA\$750,000 on the Debtors' property in Canada.

91. Ligado has paid retainers to the proposed Information Officer and its counsel in the amount of CA\$75,000 each. The quantum of the Administration Charge was agreed to in the material agreements the Debtors have entered into in connection with the Chapter 11 Cases with the lenders of their funded debt and the DIP Facility. Approval of the Administration Charge and appointment of professionals by the Canadian Court is appropriate because the professionals will be providing services in respect of these proceedings before the Canadian Court. I believe the amount of the Administration Charge to be reasonable in the circumstances, having regard to the size and complexity of these proceedings and the roles that will be required of Ligado's Canadian legal counsel, the proposed Information Officer, and its legal counsel.

92. The initial hearing of this application will be brought on notice to the proposed Information Officer, U.S. Bank Trust Company, National Association, as administrative agent in respect of the DIP Facility (in such capacity, the "**DIP Agent**"), the United States Trustee and the agents under the current secured debt facilities to which Ligado is a party.

93. The proposed Supplemental Order provides that the Information Officer will publish a notice in a Canadian national newspaper. In addition, notice of the Chapter 11 Cases will be given through notices mandated by the U.S. Court. Both the claims agent in the Chapter 11 Cases and the proposed Information Officer will maintain websites providing detailed information regarding the Chapter 11 Cases and these Recognition Proceedings, respectively.

C. DIP Facility and Charge

94. The Debtors' financing needs and arrangements are set forth in the declaration of Bruce Mendelsohn, Partner and Global Head of the Financing and Capital Solutions Group at Perella Weinberg Partners L.P., made January 6, 2025 in support of the DIP Motion (the "**Mendelsohn Declaration**"), a copy of which is attached hereto as **Exhibit "L"**.⁶

95. As of the Petition Date, the Debtors had approximately US\$9.6 million of cash on hand. During the Chapter 11 Cases and these Recognition Proceedings, the Debtors will need current liquidity to satisfy payroll, meet overhead obligations, satisfy the costs, fees, and expenses (including all professional fees and expenses) of administering these cases and for the continued management, operation, and preservation of their business. The ability to satisfy these expenses as and when due is essential to the Debtors' successful operation of their business during these proceedings. The DIP Facility is intended, among other things, to address the Debtors' funding needs during the Chapter 11 Cases and these Recognition Proceedings.

96. On January 7, 2025, the U.S. Court confirmed approval of the Debtors' DIP Motion on an interim basis and entered the Interim DIP Order on January 8, 2025, including interim approval of the DIP Facility. The DIP Facility includes:

⁶ Capitalized terms used but not otherwise defined in this section of my affidavit are defined in the Mendelsohn Declaration.

- (a) new money loans, which are superpriority senior secured multiple draw debtor-in-possession term loans to Ligado in a total aggregate principal amount not to exceed US\$441,999,891 (the “**DIP New Money Loans**”); and
- (b) a roll-up of US\$441,999,891 to US\$497,133,616 of 1L Debt Obligations (other than 1L First Out Loan Obligations), on a cashless, dollar-for-dollar basis, into DIP Loans (the “**Roll-Up**”).

97. Through the DIP Facility, the Debtors obtained (or will obtain) access to the DIP New Money Loans over multiple draws as follows:

- (a) first funding loans in an amount not to exceed US\$12,000,000, which were made available to Ligado following the entry of the Interim DIP Order (the “**DIP First Funding Loans**”);
- (b) second funding loans in an amount not to exceed US\$326,999,891, which shall be made available to Ligado following the entry of the Final DIP Order (the “**DIP Second Funding Loans**”) and used to repay in full in cash the 1L First Out Loan Obligations (the “**Refinancing**”); and
- (c) delayed draw term loans in an amount not to exceed US\$103,000,000, which shall be made available to Ligado in three draws following the entry of the Final DIP Order (the “**DIP Delayed Draw Term Loans**”).

98. On this application, Ligado seeks recognition from the Canadian Court of the Interim DIP Order granted by the U.S. Court and the DIP Lender's Charge with respect to interim financing over the Debtors' property in Canada.

99. For clarity, although the DIP Facility contemplates a roll-up of pre-petition obligations, the Interim DIP Order does not authorize the Roll-Up, which would not occur until the entry of the Final DIP Order, nor does the Interim DIP Order authorize the advancement of the DIP Second Funding Loans or the DIP Delayed Draw Term Loans or the Refinancing, each of which is subject to entry of the Final DIP Order.

100. I am advised by Milbank LLP, the Debtors' U.S. bankruptcy counsel, that a "Second Day Hearing" in the Chapter 11 Cases is scheduled for February 5, 2025, at which time the Debtors will seek the U.S. Court's approval of the Final DIP Order. I am advised by John Salmas of Dentons that the Foreign Representative will seek recognition in Canada of the Final DIP Order at a subsequent hearing before this Court.

101. I would note at this time, however, that the Roll-Up and Refinancing constitute key components of the DIP Facility, and the DIP Lenders have represented to the Debtors that they would not agree to provide the DIP Facility absent the Roll-Up and the Refinancing. Under the circumstances, given the lack of any actionable alternative financing offers, I believe that the Roll-Up and the Refinancing are reasonable and appropriate.

102. I believe that the DIP Facility is the best financing available under the circumstances, will provide the Debtors with liquidity that is immediately and critically needed, and is essential to the efficient reorganization and success of the Debtors' Chapter 11 Cases and these Recognition Proceedings.

D. Recognition of First Day Orders

103. By operation of the U.S. Bankruptcy Code, the Debtors obtained the benefit of a stay of proceedings upon filing their petitions with the U.S. Court. However, in order to continue their operations, the Debtors required additional relief from the U.S. Court. The First Day Motions filed by the Debtors in the Chapter 11 Cases are as follows:

- (a) **Joint Administration Motion.** Debtors' Motion for Entry of an Order: (I) Directing Joint Administration of Chapter 11 Cases; and (II) Granting Related Relief;
- (b) **Omni Retention Application.** Application of Debtors for Entry of an Order: (I) Authorizing and Approving the Appointment of Omni Agent Solutions, Inc. as Claims and Noticing Agent; and (II) Granting Related Relief;
- (c) **Redaction Motion.** Debtors' Motion for Entry of an Order: (I) Authorizing the Debtors to Redact Certain Personal Identification Information; and (II) Granting Related Relief;

- (d) **Foreign Representative Motion.** Debtors' Motion for Entry of an Order Authorizing Ligado Networks LLC To Act as Foreign Representative Pursuant to 11 U.S.C. § 1505;
- (e) **Cash Management Motion.** Debtors' Motion for Entry of Interim and Final Orders: (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System and Maintain Existing Bank Accounts, (B) Utilize Their Credit Cards, and (C) Engage in Intercompany Transactions; (II) Granting a Waiver of the Requirements of Section 345(b) of the Bankruptcy Code and U.S. Trustee Guidelines; and (III) Granting Related Relief;
- (f) **Wages Motion.** Debtors' Motion for Entry of Interim and Final Orders: (I) Authorizing Them to (A) Satisfy Prepetition Obligations on Account of Compensation and Benefits Programs and (B) Continue Compensation and Benefits Programs; and (II) Granting Related Relief;
- (g) **Insurance Motion.** Debtors' Motion for Entry of Interim and Final Orders: (I) Authorizing the Debtors to (A) Maintain Insurance Policies and Surety Bond Program and Honor Obligations Thereunder, and (B) Renew, Amend, Supplement, Extend, or Purchase Insurance Policies and Surety Bonds; and (II) Granting Related Relief;

- (h) **Taxes Motion.** Debtors' Motion for Entry of Interim and Final Orders: (I) Authorizing the Payment of Certain Taxes and Fees; and (II) Granting Related Relief;
- (i) **Utilities Motion.** Debtors' Motion for Entry of Interim and Final Orders: (I) Approving the Proposed Adequate Assurance of Payment for Future Utility Services and Related Procedures; (II) Prohibiting Utility Companies to Alter, Refuse, or Discontinue Services; and (III) Granting Related Relief; and
- (j) **DIP Motion.** Debtors' Motion For Entry of Interim and Final Orders: (I) Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Use Cash Collateral; (II) Granting Liens and Superpriority Administrative Expense Claims; (III) Granting Adequate Protection; (IV) Modifying the Automatic Stay; (V) Scheduling a Final Hearing; and (VI) Granting Related Relief.

104. The U.S. Court granted Orders related to each of the First Day Motions on January 7, 2025. Further details regarding each of these First Day Motions are set out in my U.S. Declaration.

105. Ligado seeks Canadian Court recognition of the First Day Orders made by the U.S. Court on January 7, 2025. I am advised by Dentons that they will be filing a supplemental affidavit including copies of the First Day Orders.

106. I swear this affidavit in support of Ligado's within application and for no other or improper purpose.

**DECLARATION OF DOUGLAS SMITH,
CHIEF EXECUTIVE OFFICER OF LIGADO NETWORKS LLC,
IN SUPPORT OF CHAPTER 11 PETITIONS AND FIRST DAY PLEADINGS**

Under 28 U.S.C. § 1746, I, Douglas Smith, declare as follows under penalty of perjury:

1. I am the Chief Executive Officer of Ligado Networks LLC (“Ligado” and, collectively with its affiliated debtors and debtors in possession, the “Debtors”). I have been employed in this and other capacities by the Debtors since 2010. Accordingly, I am familiar with the Debtors’ day-to-day operations, business, and financial affairs, and I submit this declaration (the “Declaration”) to assist the Court and the parties in interest in understanding the circumstances that compelled the commencement of these chapter 11 cases (the “Chapter 11 Cases”) and in support of the (a) Debtors’ petitions for relief under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101-1532 (as amended, the “Bankruptcy Code”), filed on January 5, 2025 (the “Petition Date”) and (b) relief requested in the motions and applications that the Debtors filed with the Court on the date hereof (collectively, the “First Day Pleadings”). I am authorized to submit this Declaration on behalf of the Debtors.

¹ The Debtors in these cases, along with the last four digits of each Debtor’s federal tax identification number, as applicable, are: Ligado Networks LLC (3801); ATC Technologies, LLC (N/A); Ligado Networks (Canada) Inc. (N/A); Ligado Networks Build LLC (N/A); Ligado Networks Corp. (N/A); Ligado Networks Finance LLC (N/A); Ligado Networks Holdings (Canada) Inc. (N/A); Ligado Networks Inc. of Virginia (9725); Ligado Networks Subsidiary LLC (N/A); One Dot Six LLC (8763); and One Dot Six TVCC LLC (N/A). The Debtors’ headquarters is located at: 10802 Parkridge Boulevard, Reston, Virginia 20191.

2. As described herein, the First Day Pleadings seek, among other things, authorization for the Debtors' continued use of cash collateral and provision of adequate protection to the Prepetition Secured Parties (as defined below), continuation of the Debtors' cash management system and other business operations without interruption, as well as, in general, relief that would enable them to maintain employee confidence and morale and establish certain administrative procedures to promote a seamless transition into the Chapter 11 Cases. I am familiar with the contents of each of the First Day Pleadings, and I believe that the relief sought in each of these pleadings is necessary to permit an effective transition into the Chapter 11 Cases. In my opinion, approval of the relief requested in the First Day Pleadings will minimize disruptions to the Debtors' business operations, thereby preserving and maximizing the value of the Debtors' estates and assisting the Debtors in achieving a successful reorganization; without such relief, I believe that the Debtors' estates would suffer immediate and irreparable harm.

3. I have reviewed the factual support set forth in each of the First Day Pleadings and attest to the accuracy thereof. Except as otherwise indicated, all facts set forth herein are based on my personal knowledge, my discussions with other members of the Debtors' senior management, my review of relevant documents, or my opinion based upon experience, knowledge, and information concerning the Debtors' operations and financial affairs. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

4. This Declaration is intended to provide an overview of the Debtors' business, their corporate and capital structure, and the factors that contributed to the filing of the Chapter 11 Cases. The Declaration then summarizes the relief requested in certain of the First Day Pleadings.

I. Introduction

5. The Debtors are a mobile communications company that operates a satellite network across North America that has been providing mobile satellite services (“MSS”)² to government and commercial customers for over 25 years. In the near term, Ligado is planning to evolve its satellite services to easily integrate with terrestrial networks and to communicate directly to standard mobile devices. In addition, Ligado has the authority to develop terrestrial-based solutions for both Fifth Generation (“5G”) public and private networks using its coordinated licensed and leased spectrum³ in the “L-Band,” located in the highly attractive one- to two-gigahertz (“GHz”) spectrum category, known as the lower mid-band. Ligado is licensed as an MSS operator in the L-Band in the U.S. and Canadian parts of ITU Region 2. Ligado has fully coordinated its satellite system with all other North American Region 2 L-band operators and maintains access to over 40 megahertz (“MHz”) of MSS spectrum in the United States and Canada.

6. The Debtors spent years working to develop and obtain approval from the United States Federal Communications Commission (“FCC”) to operate an ancillary terrestrial component (“ATC”)⁴ to their MSS licenses and have invested billions of dollars in connection therewith. In April 2020, the commissioners for the FCC issued a unanimous and bipartisan order

² “Mobile Satellite Service” or “MSS” is:
A radiocommunication service:
– between mobile earth stations and one or more space stations, or between space stations used by this service; or
– between mobile earth stations by means of one or more space stations.
Int’l Telecomm. Union [ITU], *Radio Regulations: Articles*, art. 1.25 (2016) (emphasis removed).

³ “Spectrum” refers to the radio spectrum, which is the part of the electromagnetic spectrum with frequencies from 30 hertz to 300 GHz, and whose radio waves are widely used in modern technology, particularly in telecommunication.

⁴ An “ancillary terrestrial component” or “ATC” system consists of terrestrial base stations and mobile terminals licensed to the operator of an MSS system, which allows an MSS licensee to integrate terrestrial capabilities into its MSS networks for purposes of filling in gaps in its MSS coverage area, particularly in urban areas and inside buildings.

granting the Debtors an exclusive nationwide ATC authorization for 30 MHz of their MSS licensed L-Band spectrum. The Debtors also have access to five MHz of spectrum at 1670-1675 MHz.⁵ In total, the Debtors have access to 35 MHz of terrestrial spectrum in the United States.

7. Despite the FCC’s approval of the Debtors’ L-Band spectrum plan, the Debtors’ efforts to develop nationwide terrestrial wireless services to complement their existing satellite infrastructure have been thwarted by the actions of the United States government, acting through the Department of Defense (“DOD”), the Department of Commerce (“DOC”), the National Telecommunications and Information Administration (“NTIA”)—an agency within DOC⁶—and the United States Congress (collectively, the “U.S. Government”).

8. These governmental actors have unlawfully prevented the Debtors from using or otherwise operating within the portion of spectrum that the FCC exclusively licensed to the Debtors for terrestrial communications services. Indeed, DOD has gone further: it has taken the Debtors’ spectrum for the agency’s *own* use, operating previously undisclosed systems that use or depend on the Debtors’ allocated spectrum without compensating the Debtors. To facilitate and cover up its previously undisclosed use of the Debtors’ property and prevent the Debtors from using their spectrum and FCC license for terrestrial services, DOD (with DOC’s assistance) made unfounded claims—to the FCC, Congress, the White House, other federal agencies, and the public—about the effects of the Debtors’ proposed 5G terrestrial services. Because of this, and as further described below, the Debtors commenced a lawsuit on October 12, 2023 against the United States of America, DOD, DOC, and NTIA in the United States Court of Federal Claims seeking,

⁵ From July 2007 to the present, the Debtors, through their wholly owned subsidiary One Dot Six LLC, have leased five MHz of spectrum in the 1670-1675 MHz spectrum band through agreements with Crown Castle MM Holding LLC and OP LLC, the entity which holds the underlying United States nationwide spectrum license.

⁶ Unless stated otherwise, references to DOC include NTIA.

among other things, compensation for the U.S. Government’s physical, categorical, regulatory, and legislative takings—which, as of the date of this filing, have deprived the Debtors of tens of billions of dollars in lost revenues.⁷ On November 18, 2024, the Court of Federal Claims denied the U.S. Government’s motion to dismiss in substantial part, ruling that Ligado has alleged a physical, regulatory, categorical, but not a legislative taking. The Court of Federal Claims found that a property interest does exist in Ligado’s FCC license vis-à-vis the Department of Defense but not vis-à-vis the FCC.

9. The actions of the U.S. Government have prevented the Debtors’ full use of their L-Band license, costing the Debtors significant time and billions of dollars in sunk costs and lost profits. Further, these actions continue to harm the Debtors’ future revenue potential by creating substantial uncertainties and pressure on the Debtors’ business model and prospects to timely implement their business plans and, ultimately, the value of the Debtors’ L-Band spectrum. As a result, the Debtors do not yet generate adequate cash flows from operations to fund their operating expenses and capital expenditures.

10. Separately, the Debtors’ capital structure is premised on a business that is entitled to the full benefits of the Cooperation Agreement with Inmarsat (each, as defined below) whereby Inmarsat and Ligado (together with its predecessor entities) agreed to cooperatively coordinate their licensed spectrum in the L-band into contiguous spectrum blocks within the spectrum and at the power levels agreed upon by the parties and set forth in the Cooperation Agreement. The Debtors are obligated to pay Inmarsat under the Cooperation Agreement for these coordinated spectrum rights. Over the course of the last year, the Debtors engaged in extensive discussions with Viasat (which, as described below, acquired Inmarsat in 2023) and Inmarsat

⁷ See Complaint, *Ligado Networks LLC v. United States*, No. 23-1797-L (Fed. Cl. Oct. 12, 2023).

around a comprehensive resolution of the Cooperation Agreement to restructure the Debtors' significant payment obligations thereunder. Viasat, however, raised a purported tax issue while the parties were working to finalize the contours of a commercial agreement, which suddenly upended the entire framework the parties had been discussing.

11. After the breakdown in negotiations on account of the purported tax issue, Viasat expressed to the Debtors that it was focused on receiving payments under the Cooperation Agreement. Accordingly—as Viasat is aware—the Debtors then engaged in conversations with third parties regarding alternative options. In some instances, the conversations were among Viasat, interested third parties, and the Debtors; in other instances, the conversations were held directly between Viasat and interested third parties. Based on the feedback from these conversations, the Debtors discussed potential transactions with Viasat that could have led to a commercial resolution of Viasat's stated objective. Viasat rejected such alternative options and revealed that its true intent is to access the Debtors' spectrum in order to implement Viasat's commercial goals. In other words, without the Debtors' spectrum, Viasat cannot execute on its business plan.

12. Despite the Debtors' good faith efforts to negotiate with Viasat to resolve the ongoing issues regarding the Cooperation Agreement and work together to seek a commercial arrangement with a third-party to better monetize the value of the parties' contiguous spectrum blocks, it became clear in the weeks leading up to the commencement of these Chapter 11 Cases that, in reality, Viasat was not interested in reaching a workable commercial resolution with the Debtors.

13. Notwithstanding Viasat's refusal to work constructively towards a commercial resolution, the Debtors and their key stakeholders were able to successfully negotiate

(i) a restructuring transaction to recapitalize the Debtors' balance sheet and (ii) a binding term sheet with AST & Science, LLC ("AST") setting forth the terms of a long-term commercial transaction between the Debtors and AST (the "AST Transaction"), which culminated in the signing of a restructuring support agreement on January 5, 2025 (the "RSA"), which is attached hereto as **Exhibit B**.

14. The RSA contemplates a restructuring of the Debtors through (i) a prearranged chapter 11 plan and recognition proceedings pursuant to Canada's Part IV of the Companies' Creditors Arrangement Act, (ii) DIP financing (the "DIP Facility") to provide the Debtors with the liquidity necessary to fund the Chapter 11 Cases, (iii) the equitization of all of the Debtors' prepetition funded indebtedness (except for debt that is repaid or rolled up through the DIP Facility), (iv) the retention of preferred and common equity interests and relative priority amongst current equity holders, (v) entry into the AST Transaction, and (vi) the conversion of the DIP Facility into an exit facility upon the effective date of an acceptable plan pursuant to the DIP facility.

15. The binding term sheet for the AST Transaction is attached to the RSA. The AST Transaction involves, among other things, the provision by the Debtors to AST of certain usage rights with respect to Debtors' L-band MSS spectrum and related assets in exchange for AST (i) contributing certain AST common equity, warrants, convertible notes and/or cash to the Debtors, (ii) making certain annual usage-right payments to the Debtors and (iii) paying the Debtors a certain percentage of revenues derived from AST's use of the L-band MSS spectrum and related assets. The Debtors and the consenting stakeholders believe that the AST Transaction, together with the recapitalization provided for in the RSA, represents a value maximizing transaction that benefits all stakeholders. The RSA also sets forth certain key case milestones to

ensure these Chapter 11 Cases remain on track, including, among other things, (a) deadlines for entry of the interim and final DIP orders, (b) approval of a break-up fee in connection with the AST Transaction; (c) entry into definitive documentation in connection with the AST Transaction; and (d) milestones for confirmation of a chapter 11 plan and emergence. Consenting stakeholders who are party to the RSA, include:

16. The Debtors intend to take advantage of the breathing spell afforded by chapter 11 to (i) pursue their lawsuit against the U.S. Government to obtain just compensation for the taking of the spectrum that the FCC granted exclusively to them for terrestrial use,

(ii) vigorously prosecute their rights against Inmarsat, (iii) continue their efforts to develop the technology and commercial ecosystem necessary to fully deploy their spectrum assets, and (iv) execute definitive documentation for and consummate the AST Transaction.

II. Overview of the Debtors' Business

17. The Debtors currently support a range of MSS products and services in the United States, Canada, and Mexico on their MSS network. The Debtors are developing technical and commercial plans to enhance their current MSS network. They also have been planning to deploy 35 MHz of their coordinated licensed and leased spectrum in the L-Band⁸ for new and innovative communication services. To support this, the Debtors are developing a technology ecosystem for their MSS spectrum and their coordinated licensed and leased spectrum for communication services. Direct-to-device satellite communications and terrestrial 5G private networks using the 1670-1675 MHz band are among the solutions that are being developed by the Debtors to serve the mobile consumer market and the enterprise sector. However, as discussed herein, the U.S. Government has prevented the Debtors from deploying terrestrial communications services in 30 MHz of this spectrum as set forth in the Debtors' lawsuit against the U.S. Government.

18. The Debtors believe that their access to spectrum for terrestrial wireless use, in addition to their satellite capabilities, support new 5G market opportunities. The Debtors have done what they could, but for the actions of the U.S. Government, to prepare to deploy their terrestrial services in their exclusively licensed spectrum, including making significant investments to develop 4G and 5G products to enable deployment of the L-Band. For instance, in

⁸ This 35 MHz is inclusive of the 5 MHz of spectrum licensed for terrestrial use in the 1670-1675 MHz spectrum band that the Debtors lease pursuant to the One Dot Six Lease.

reliance on the FCC Order, the Debtors engaged in a twelve-month successful project in the Third Generation Partnership Project (“3GPP”), the wireless industry’s global standard-setting body, to standardize the L-Band and thereby enable infrastructure vendors to develop 4G and 5G products compatible with the Debtors’ lower mid-band spectrum. Throughout 2021 and 2022, the Debtors took significant steps to invest in the L-Band ecosystem and develop the technology necessary to integrate their potential 4G and 5G services into consumer and industrial telecommunications products. Since the entry of the FCC Order, the Debtors have invested substantial time, energy, and capital into creating base stations and mobile chipsets compatible with their authorized spectrum and positioning themselves to serve critical spectrum infrastructure needs.

19. This successful preparatory work had been conducted with the goal of advancing the value and potential of the Debtors’ FCC-authorized terrestrial spectrum and services to play a meaningful role in accelerating 5G in the United States. But all of this preparatory work and economic investment has been lost and will continue to go to waste so long as the DOD and DOC continue to prevent the Debtors’ use of their authorized spectrum.

A. The Debtors’ Spectrum Assets, Licenses, and Related Agreements

20. The Debtors hold licenses from the FCC and Innovation, Science & Economic Development Canada (“ISED”) to operate mobile satellites using lower mid-band spectrum that support MSS throughout North America, as well as an authorization from the FCC for ATC operations within the United States. More specifically, the Debtors are authorized to provide MSS in the 1525-1559 MHz and 1626.5-1660.5 MHz portions of the L-Band, with the lower band (1525-1559 MHz) allocated for downlink transmissions (from MSS satellites to mobile earth stations) and the upper band (1626.5-1660.5 MHz) allocated for uplink transmissions (from mobile earth stations to MSS satellites). With the issuance of the FCC Order, the Debtors have an

ATC authorization for the following sub-bands: 1526-1536 MHz (Lower Downlink); 1627.5-1637.5 MHz (Lower Uplink); and 1646.5-1656.5 MHz (Upper Uplink). In addition, the Debtors have access to 5 MHz of spectrum licensed for terrestrial use in the 1670-1675 MHz spectrum band pursuant to the One Dot Six Lease (as defined below). Set forth below is a visual depiction of the Debtors’ spectrum authorized by the FCC and through coordination for MSS and terrestrial use.

21. The Debtors’ spectrum holdings are subject to the following additional licenses and authorizations granted by the FCC or ISED to Ligado Networks Subsidiary LLC or Ligado Networks (Canada) Inc., respectively, each a wholly owned direct or indirect subsidiary of Ligado:

- a license to operate SkyTerra-1, a second-generation L-Band MSS satellite, which operates at the 101.3 West Longitude orbital position;
- a license to launch and operate SkyTerra-2, a second-generation L-Band MSS satellite which will be operational at the 107.5 West Longitude orbital position, which has an ISED launch milestone of March 31, 2029, and an

International Telecommunications Union⁹ “Bring Into Use” (“BIU”) date of March 28, 2030;

- an ITU filing for a satellite at 106.5 West Longitude to be BIU prior to February 19, 2031; and
- multiple spectrum licenses and authorizations to make use of the 12.75-13.25 GHz (Uplink) and 10.7-10.95, 11.2-11.45 GHz (Downlink) Ku-band FSS spectrum for feeder links in the provision of MSS in Canada and the United States via the SkyTerra-1 and SkyTerra-2 satellites.

22. **Multilateral Spectrum Coordination.** The Debtors’ use of their licensed L-Band spectrum is subject to United States and Canadian treaty commitments to the ITU and the terms of multilateral and bilateral coordination agreements entered into pursuant to the ITU Radio Regulations. Five national administrations (i.e., the United States, Canada, the United Kingdom, Russia, and Mexico) are party to the Memorandum of Understanding for Intersystem Coordination of Certain Geostationary Mobile Satellite Systems Operating in the Bands 1525-1544/1545-1559 MHz and 1626.5-1645.5/1646.5-1660.5 MHz, agreed to in Mexico City (the “Mexico City MoU”), a coordination framework agreement developed in 1996 for satellites that were operational or soon-to-be-launched, providing for their shared use of MSS L-Band in ITU Region 2, which covers North America pursuant to the ITU Radio Regulations. The Mexico City MoU established terms for coexistence among the administrations by providing for annual assignments of spectrum to each of their operators for specified beams based on coordination and demonstrated need.

23. **5 MHz One Dot Six Lease.** From July 2007 to the present, the Debtors, through their wholly owned subsidiary One Dot Six LLC, have leased 5 MHz of spectrum in the 1670-1675 MHz spectrum band through agreements with Crown Castle MM Holding LLC and

⁹ The International Telecommunication Union (“ITU”) is the United Nations specialized agency for information and communication technologies that allocates global radio spectrum and satellite orbits and develops the technical standards to ensure networks and technologies seamlessly interconnect.

OP LLC, the entity which holds the underlying U.S. nationwide spectrum license (such agreements collectively, the “One Dot Six Lease”). In December 2022, the One Dot Six Lease was amended to provide the Debtors the option to purchase the spectrum license from OP LLC on January 1, 2025 for a purchase price of \$196.1 million and thereafter every two years at an increased purchase price based on an agreed upon CPI inflation formula.

24. The FCC granted a ten-year license renewal for the 1670-1675 MHz spectrum in April 2024 for an additional term through October 1, 2033. The One Dot Six Lease is effective through October 1, 2033, and subject to FCC approvals and grants, will be renewed for a further term through December 31, 2034. The December 2022 amendment harmonized the balance of payments due under the initial term, and the Debtors paid \$3.6 million upon executing the amendment, an additional \$3.6 million on December 31, 2022, and made a final payment of \$7.2 million on April 1, 2023, for the balance of the initial term. In October 2023, the Debtors paid an additional \$3.6 million for the remainder of 2023. Then, beginning in 2024, the Debtors began making annual payments of \$14.9 million, subject to a 4% increase each year of the renewal term, in two equal installments on January 1 and July 1. The Debtors will also continue to incur additional operating and maintenance costs associated with the operation of a DVB-H (Digital Video Broadcasting-Handheld) network in this spectrum band.

25. **Inmarsat Cooperation Agreement.** In 2007, the Debtors and Inmarsat Global Limited (“Inmarsat”), which was acquired by Viasat Inc. (“Viasat”) on May 30, 2023, entered into a cooperation agreement, and they entered into an Amended and Restated Cooperation Agreement on August 6, 2010 (as further amended and restated from time to time, the “Cooperation Agreement”). The Cooperation Agreement has been amended numerous times and addresses a number of regulatory, technological and spectrum coordination matters involving L-

band spectrum and its use over North America. The purpose of the Cooperation Agreement was to coordinate the MSS L-Band spectrum to provide the Debtors with sufficient contiguous spectrum blocks free from interference to help the Debtors’ obtain the ability to provide mobile services to the North American market consisting of an MSS network and a terrestrial wireless service (i.e., an ATC).¹⁰ To that end, the agreement involves Inmarsat moving its operations and reallocating its customers’ use from identified portions of its coordinated spectrum in the MSS L-Band and upgrading some of its equipment so that the spectrum could be delivered to the Debtors without the possibility of interference to or from Inmarsat’s customers’ satellite terminals. The term of the Cooperation Agreement runs until December 31, 2107, and the agreement requires the Debtors to pay Inmarsat substantial sums for this spectrum over a period of 99 years.¹¹ As of the Petition Date, the Debtors have paid Inmarsat over \$1.7 billion.

26. In return, Inmarsat is required to facilitate the necessary FCC license authorization. The parties understood that FCC approval of the Debtors’ license application was critical to achieving the purpose of the Cooperation Agreement, and both parties pledged to use their best commercial efforts to support approval from the relevant regulatory authorities, including the FCC specifically, and to remedy the situation in the event of any indication of objection or disapproval.

27. In addition, Inmarsat is required to implement the so-called “Spectrum Plans” contemplated in the Cooperation Agreement to create sufficient contiguous spectrum blocks and use its best commercial efforts to ensure that Ligado received the full anticipated benefit

¹⁰ Historically, Inmarsat and the Debtors’ predecessors in interest each held the rights to thin slivers of MSS L-Band spectrum. Inmarsat used that spectrum to provide MSS, including aeronautical and maritime communications and navigation services. The Debtors used that spectrum to provide MSS to government and commercial customers for emergency response, remote monitoring, and numerous other mission-critical applications.

¹¹ Approximately 83 years remain under the current term of the Cooperation Agreement.

of the spectrum, including in or near airports and waterways. Inmarsat has taken steps to create the contiguous spectrum blocks, but it has failed to perform other obligations. Specifically, in addition to creating contiguous spectrum blocks the Cooperation Agreement requires Inmarsat to address interference that might arise in the particular use case of Inmarsat satellite terminals operating on Inmarsat's system on airplanes and water vessels and the Debtors' planned ATC services. Inmarsat's resolution of these terminal interference issues was contractually bargained and paid for by the Debtors. Specifically, aviation and maritime customers of Inmarsat use systems provided by Inmarsat for communications and operate near to the spectrum the Cooperation Agreement specifies is for the Debtors' use for their terrestrial communication and MSS services. The potential for interference between Inmarsat's customers' terminals in or near airports and waterways and the Debtors' communication services in the vicinity of same should have been remedied by Inmarsat through replacement of the Inmarsat terminals or through modification (with the use of filters or otherwise) of the Inmarsat terminals. This is known as "terminal resilience." Achieving this terminal resilience so that Ligado could operate anywhere in the country (including in or near airports and waterways) was a material obligation of Inmarsat to provide the Debtors under the Cooperation Agreement.

28. To address the terminal resilience issues in those specific geographic areas, Inmarsat and the Debtors agreed on the need to develop a plan to replace or modify those terminals. Because those terminals were Inmarsat terminals provided to Inmarsat customers to enable them to receive signals over the Inmarsat system, the parties' understanding, as reflected in the Cooperation Agreement and the parties' course of conduct, was that Inmarsat would be responsible for ensuring the design, development, approval, manufacture, distribution, and installation of the equipment needed to achieve terminal resilience, *and* all costs in connection with that transition.

Inmarsat was also responsible for implementing that plan through modifications in all contracts and relationships with its customers. These terms were agreed to by the parties and are clearly set out in technical exhibits to the Cooperation Agreement.

29. To resolve the terminal interference issues, the Cooperation Agreement requires that “appropriate modifications” be made to “*all* terminals operating on the Inmarsat system” that might receive or cause interference, or that Inmarsat, in its discretion, could otherwise address such interference by discontinuance or replacement of any affected service or terminal.¹² In part to offset the costs of that transition, the Debtors paid Inmarsat a \$250.0 million transition payment. To date, Inmarsat has still not completed the required work to effect the required terminal resilience as required under the Cooperation Agreement.

30. Over the years, the Cooperation Agreement has been amended twenty-one times to address issues relating to plans for the delivery of spectrum and payments due thereunder, to alter certain transition options and notifications relating to them, to delay and defer payments during the Debtors’ prior bankruptcy, to meet coordination obligations with the other North American L-Band operator, Telecomunicaciones de Mexico, to allow for a large prepayment of the future annual payment obligations, and to reduce the amount of the overall lease obligations going forward. In the wake of the FCC’s April 2020 Order authorizing ATC deployment and in connection with the recapitalization, in 2020, the Debtors made a lump sum payment of \$700.0 million to Inmarsat in two installments of approximately \$35.5 million on October 13, 2020, and \$664.5 million on October 23, 2020 (collectively, the “Inmarsat 2020 Prepayment”), which prepaid 60% of all future payment obligations. The Debtors have the right until October 15, 2025,

¹² Cooperation Agreement § 3.2(g).

to exercise a further call option to prepay the remainder of the payment obligations on certain terms and conditions described in the Cooperation Agreement.

31. On December 20, 2022, the Debtors and Inmarsat amended the Cooperation Agreement (“Amendment No. 7”) to extend a portion of the approximately \$395.8 million payment to Inmarsat under the Cooperation Agreement (the “Inmarsat 2023 Payment”) that was coming due in January 2023. Under this amendment, the Debtors paid \$30.0 million on December 28, 2022, with proceeds from the Prepetition First Lien Loan Facility (as defined below), and agreed to pay the remaining balance on April 6, 2023, after the expiration of the grace period, with interest. As part of that amendment, Inmarsat agreed to dismiss its complaint alleging an anticipatory breach of the Inmarsat 2023 Payment, which was filed on December 15, 2022, in the Supreme Court of the State of New York, County of New York, against Ligado and its affiliate, Ligado Networks (Canada) Inc. The complaint was dismissed without prejudice on December 29, 2022.

32. The Debtors and Inmarsat further amended the Cooperation Agreement five more times in 2023 and nine more times in 2024 to, among other things, delay payment of additional amounts owed by the Debtors to Inmarsat thereunder. As part of the twenty-first and latest amendment to the Cooperation Agreement, Inmarsat agreed to defer payment until January 13, 2025 (after the applicable grace period) of (i) a \$16.7 million quarterly payment originally due in March 2023, (ii) a \$393.2 million payment originally due on July 1, 2023, (iii) \$16.9 million quarterly payment originally due in June 2023, (iv) a \$16.5 million quarterly payment due in September 2023, (v) a \$16.2 million payment due in December 2023, (vi) a \$15.9 million payment due in March 2024, (vii) a \$16 million payment due in June 2024, and (viii) a \$15.7 million payment due in September 2024.

33. In March 2016, the Debtors provided Inmarsat with the “Additional Phase 2 Recommencement Notice” electing delivery of 30 MHz of spectrum under the terms of the Cooperation Agreement. Through the amendments following that election, Inmarsat and the Debtors agreed to a spectrum transition plan that would require delivery of all spectrum to complete the 30 MHz plan by December 31, 2021. Inmarsat has represented that it has delivered the spectrum required to give effect to the 30 MHz plan. The Debtors disagree that such delivery conforms to all of the terms of the Cooperation Agreement and has sent a letter to Inmarsat notifying them that this failure to conform is a breach of the Cooperation Agreement. The Debtors are still actively attempting to work with Inmarsat to satisfy all of the related conditions to effectuate the full delivery.

34. As further described below, the Debtors submit that Inmarsat has materially breached its obligations under the Cooperation Agreement by failing to resolve the terminal interference issues around airports and waterways and addressing concerns raised to the FCC by Inmarsat’s own customers about those terminal interference issues. These failures directly contributed to, among other things, a prolonged regulatory approval process with respect to the Debtors’ license modification applications and thereby forced the Debtors to spend significant time and resources during such process.

35. **Boeing Agreement.** On January 9, 2006, the Debtors entered into an agreement with Boeing Satellite Systems International, Inc. (“Boeing”) for the construction of the Debtors’ next-generation space-based network (“SBN”), which was amended and restated on November 10, 2010, and subsequently amended by multiple contract changes (the “Boeing Agreement”). The Boeing Agreement provides for the design, delivery, and testing of the Debtors’ two SBNs, initial operational performance support, launch mission and launch support services,

and related warranty and support. The agreement also provides for option pricing for additional satellites, extended warranties, and for a portion of the satellite price to be payable as an in-orbit performance incentive (“OPI”). The Boeing Agreement also provides for payment of liquidated damages earnbacks (“LDE”) to Boeing to the extent earned.

36. The initial term of the Boeing Agreement is from January 9, 2006, through twenty years following the Debtors’ acceptance of the last SBN to be delivered, unless otherwise terminated. Boeing may terminate this agreement upon written notice to the Debtors for their failure to cure payment defaults.

37. The Debtors’ SkyTerra-1 satellite was launched on November 14, 2010, and successfully completed in-orbit testing in February 2011. Boeing has completed construction of the Debtors’ SkyTerra-2 satellite, which was placed into on-ground storage in 2011. Under the Boeing Agreement, Boeing was entitled to payment of all outstanding milestone payments, OPI amounts, and LDE amounts, less all work yet to be completed, after the SkyTerra-2 satellite was in storage for a period of three years. In connection with the resolution of certain outstanding contractual issues, the Debtors agreed to make a payment to Boeing for outstanding amounts of \$42.6 million during August 2016, with additional payments aggregating approximately \$6.0 million over the next three years, of which \$1.0 million was paid during 2017, \$2.0 million was paid during 2018, and \$3.0 million was paid during 2019. The Debtors do not owe any additional payments of OPI or LDE amounts for the SkyTerra-2 satellite. The Debtors and Boeing continue to work toward reaching an agreement on the refurbishment contract for the SkyTerra-2 satellite. The Debtors always intended to refurbish the SkyTerra-2 satellite and, over the years, have attempted to negotiate a contract. However, Boeing and its subcontractor have failed to honor their contractual obligations with respect to this refurbishment effort. In addition, the Debtors face

challenges with certain suppliers on the SkyTerra-2 program and within the satellite industry at large, including recent satellite failures experienced by other operators, supply chain constraints related to increased demand, and delays in reconditioning or replacing of aged-out parts. These contractual issues and wider trends have resulted in an increase in the time Boeing has estimated to refurbish the SkyTerra-2 satellite and higher than expected costs.

38. In May 2024, the Debtors initiated the dispute resolution process under the Boeing Agreement to resolve these contractual disputes related to the refurbishment and storage of the SkyTerra-2 satellite. Boeing responded by initiating a dispute related to its assertion that it has continued to earn payments for OPIs and LDEs for the SkyTerra-1 satellite following an anomaly that occurred in April 2023. Due to the degradation in performance of the SkyTerra-1 satellite following the anomaly, the Debtors filed an insurance claim and Boeing no longer satisfies the performance metrics set forth in the Boeing Agreement despite its assertions to the contrary. The Debtors have continued to engage proactively with Boeing to reach a resolution that addresses the SkyTerra-1 satellite and SkyTerra-2 satellite disputes and continued storage of the SkyTerra-2 satellite. The prior terms for the storage of SkyTerra-2 expired on November 30, 2024. If the Debtors do not reach an agreement with Boeing on the refurbishment program or terms for additional storage, the Debtors must (i) take title to the SkyTerra-2 satellite and find suitable storage for the satellite or (ii) receive injunctive relief preventing Boeing from disposing of the satellite, in each case, after Boeing provides 30 days' notice to the Debtors of its intention to dispose of the SkyTerra-2 satellite. Ligado has not been able to find a suitable facility to store the satellite going forward. If Boeing provides notice of its intent to dispose of the SkyTerra-2 satellite, the Debtors will pursue all remedies to maintain the satellite at the Boeing storage facility until the parties' dispute concerning the refurbishment of the SkyTerra-2 satellite is resolved.

B. Existing Mobile Satellite Business

39. The Debtors operate a highly sophisticated satellite network that provides fixed and mobile communications throughout North America. In the United States, the Debtors operate SkyTerra-1. In Canada, the Debtors are authorized to provide service using the SkyTerra-1 satellite. As described above, the Debtors are authorized in principle by ISED to operate the SkyTerra-2 satellite, which is constructed and stored in preparation for launch into a Canadian orbital location.

40. The Debtors' satellites (SkyTerra-1 and SkyTerra-2) are two of the most powerful mobile satellites ever constructed. Each is equipped with a 22-meter (75 foot) diameter antenna, which is capable of ten times better performance than that provided by the Debtors' prior satellites. The satellites have the capability of forming up to 1,500 beams over North America and can operate with devices that are as small as standard IoT devices, mobile hotspots, and consumer smartphones. The SkyTerra-1 and SkyTerra-2 satellite systems utilize state-of-the-art ground-based beam forming, which allows flexibility in altering beam shapes, number of beams, bandwidth allocation, and power allocation, all occurring from the ground. This capability is unprecedented in prior mobile satellite systems where beams were pre-formed onboard the spacecraft prior to launch and incapable of change once in orbit. Below is a visual depiction of the coverage capability of the Debtors' satellite system.

41. The Debtors’ customers in government and industry include end users (among others) in the public safety, utilities, and transportation segments who use the Debtors’ current satellite network for emergency response, remote monitoring, asset tracking, and numerous other mission-critical applications. An important component of the Debtors’ current satellite business is the Mobile Satellite Communications Push-to-Talk and Telephony Voice service, which provides access to national and regional “SMART™ Talk Groups.” Such talk groups enable critical interoperable communications among officials from homeland security, law enforcement, emergency response, and public safety from various departments and agencies across the United States.

42. In 2022, 3GPP designated the L-band as one of only two bands included for standardization as part of the first 3GPP Release 17 for Non-Terrestrial Networks (“NTN”). With the emergence of these standards for satellite networks in the L-band, and an in-orbit satellite network that can readily support the next generation of consumer devices, Ligado is developing technology and partnerships that will serve the growing demand for Direct-to-Device satellite connectivity.

III. The Debtors’ Corporate and Capital Structure

A. The Debtors’ Corporate Structure

43. Ligado owns, directly or indirectly, ten domestic and foreign subsidiaries in two jurisdictions in the United States (Delaware and Virginia) and two jurisdictions in Canada (Ontario and Nova Scotia). Ligado and all of its U.S. and Canadian subsidiaries are the Debtors in these Chapter 11 Cases. A corporate organization chart is annexed as **Exhibit A** hereto.

(i) Prepetition Indebtedness

45. As of the Petition Date, the Debtors’ capital structure includes approximately \$8.6 billion in funded debt.

46. **Prepetition First Lien Notes.** On October 23, 2020, Ligado originally issued \$2.85 billion in aggregate principal amount of 15.5% PIK Senior Secured First Lien Notes due 2023 (the “Prepetition First Lien Notes” and, the holders of the Prepetition First Lien Notes, the “Prepetition First Lien Noteholders”) at an issue price of 100.0% of par value pursuant to that certain indenture, dated as of October 23, 2020 (as amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time, the “Prepetition First Lien Indenture” and, collectively with all other First Lien Documents (as defined in the Prepetition First Lien Indenture) and any other agreements and documents executed or delivered in connection therewith, each as may be amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time, the “Prepetition First Lien Notes Documents”), by and among Ligado, as issuer, the guarantors party thereto, and U.S. Bank National Association, as trustee (in such capacity, the “Prepetition First Lien Notes Trustee” and, U.S. Bank National Association, in its capacity as collateral trustee under the Prepetition First Lien Notes Documents, the “Prepetition First Lien Notes Collateral Trustee” and, the Prepetition First Lien Noteholders,

the Prepetition First Lien Notes Trustee, and the Prepetition First Lien Notes Collateral Trustee collectively, the “Prepetition First Lien Notes Secured Parties”).

47. On December 23, 2022, the First Lien Indenture was amended to, among other things, permit the incurrence of the Prepetition First Lien Loans (as defined below), and in connection with the amendments, the Debtors paid the holders of the Prepetition First Lien Notes a consent fee represented by an increase in the aggregate principal amount of the Prepetition First Lien Notes of \$25.1 million. On March 31, 2023, the Prepetition First Lien Indenture was further amended to, among other things, permit the incurrence of the incremental Prepetition First Out Term Loans (as defined below). On May 24, 2024, the Prepetition First Lien Indenture was further amended to, among other things, permit the incurrence of term loans in an aggregate principal amount not exceeding \$75,000,000.

48. On October 20, 2023, the Debtors entered into a forbearance agreement (the “1L Notes Forbearance Agreement”) with holders of more than a majority of the outstanding principal amount of the Prepetition First Lien Notes (collectively, the “1L Consenting Holders”). Pursuant to the 1L Notes Forbearance Agreement, the 1L Consenting Holders agreed to forbear until November 15, 2023—which forbearance date was further extended to, among other things, the earlier of February 7, 2025 or seven days following the extended date for the deferred payments as set forth in the Cooperation Agreement (the “1L Notes Forbearance Period”)—the exercise of their respective rights and remedies under the First Lien Indenture and the related security documents, as a result of the Debtors’ anticipated failure to timely pay principal and accrued interest, if applicable, on the Prepetition First Lien Notes at maturity on November 1, 2023. Under the 1L Notes Forbearance Agreement, until November 1, 2023, the Prepetition First Lien Notes bore interest at a rate of 15.5% *per annum*, payable in kind. Starting from the date of maturity on

November 1, 2023, and during the 1L Notes Forbearance Period, Ligado pays interest at the default rate of 17.5% *per annum* payable in kind, in accordance with the terms of the Prepetition First Lien Notes Documents.

49. The Prepetition First Lien Notes are guaranteed by Ligado’s material subsidiaries and secured by perfected first-priority liens on and security interests in (to the extent legally permissible) substantially all of the Debtors’ assets, other than certain “excluded property” (the “Prepetition Collateral”).

50. The Debtors also entered into waivers with respect to the Prepetition 1.5 Lien Facility and Prepetition Second Lien Notes for anticipated cross defaults arising from the Payment Default.

51. As of the Petition Date, an aggregate amount of approximately \$5.5 billion in principal and accrued interest was outstanding under the Prepetition First Lien Notes.

52. **Prepetition First Lien Loan Facility.** Ligado is the borrower under that certain First Lien Loan Agreement, dated as of December 23, 2022 (as amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time, the “Prepetition First Lien Loan Agreement” and, collectively with all other Loan Documents (as defined in the Prepetition First Lien Loan Agreement) and any other agreements and documents executed or delivered in connection therewith, each as may be amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time, the “Prepetition First Lien Loan Documents,” and the facility made available thereunder, the “Prepetition First Lien Loan Facility” and, the Prepetition First Lien Loan Documents together with the Prepetition First Lien Notes Documents, the “Prepetition First Lien Documents”), by and among, Ligado, as the borrower, the guarantors party thereto, the lenders party thereto (collectively in such capacities, the “Prepetition

First Lien Lenders”), and U.S. Bank Trust Company, National Association, as administrative agent (as successor in interest to U.S. Bank National Association, as administrative agent) (in such capacity, the “Prepetition First Lien Loan Administrative Agent,” and U.S. Bank Trust Company, National Association in its capacity as collateral agent under the Prepetition First Lien Loan Documents (as successor in interest to U.S. Bank National Association), the “Prepetition First Lien Loan Collateral Agent,” and the Prepetition First Lien Loan Collateral Agent, the Prepetition First Lien Loan Administrative Agent, and the Prepetition First Lien Lenders collectively, the “Prepetition First Lien Loan Secured Parties,” and the Prepetition First Lien Loan Secured Parties together with the Prepetition First Lien Notes Secured Parties, the “Prepetition First Lien Secured Parties”).

53. The Prepetition First Lien Loan Agreement was amended on April 3, 2023, July 17, 2023, November 18, 2023, January 22, 2024, June 4, 2024, October 2, 2024, and December 23, 2024, to, among other things, permit incremental loans to the Debtors under the Prepetition First Lien Loan Agreement.

54. The Prepetition First Lien Loan Facility provides for up to approximately (i) \$122.3 million in term loans that are secured on a *pari passu* basis with the Prepetition First Lien Notes (the “Prepetition First Lien Senior Pari Term Loans”) and (ii) \$141.0 million in term loans that are secured on a *pari passu* basis with the Prepetition First Lien Notes but are “first out” in payment priority pursuant to the First Lien Intercreditor Agreement (as defined below) (the “Prepetition First Out Term Loans”) and, the Prepetition First Out Term Loans together with the Prepetition First Lien Senior Pari Term Loans, the “Prepetition First Lien Term Loans,” and the Prepetition First Lien Term Loans together with the Prepetition First Lien Notes, the “Prepetition First Lien Debt”). The Prepetition First Out Term Loans rank senior in right of

repayment to all of the Debtors' existing debt, including all other Prepetition First Lien Debt. The Prepetition First Out Term Loans also bear interest at a default rate of 17.5% *per annum*, payable in kind, in accordance with the terms of the Prepetition First Lien Loan Agreement.

55. On October 20, 2023, the Debtors entered into a forbearance agreement (the "1L Loan Forbearance Agreement") with holders of more than a majority of the outstanding principal amount of the Prepetition First Lien Term Loans (collectively, the "1L Consenting Lenders"). Pursuant to the 1L Loan Forbearance Agreement, the 1L Consenting Lenders agreed to forbear until November 15, 2023—which forbearance date was further extended to, among other things, the earlier of February 7, 2025 or seven days following the extended date for the deferred payments as set forth in the Cooperation Agreement (the "1L Loan Forbearance Period")—the exercise of their respective rights and remedies under the Prepetition First Lien Loan Agreement and the related security documents, as a result of the Debtors' anticipated failure to timely pay principal and accrued interest, if applicable, on the Prepetition First Lien Term Loans at maturity on November 1, 2023. Under the 1L Loan Forbearance Agreement, until November 1, 2023, Ligado paid interest on the Prepetition First Lien Facility at a rate of 15.5% *per annum*, payable in kind. Starting from the date of maturity on November 1, 2023, and during the 1L Loan Forbearance Period, Ligado pays interest at the default rate of 17.5% *per annum* payable in kind, in accordance with the terms of the Prepetition First Lien Loan Agreement.

56. The Prepetition First Lien Loan Facility is secured by perfected first-priority liens on and security interests in (to the extent legally permissible) the Prepetition Collateral on a *pari passu* basis with the Prepetition First Lien Notes and is guaranteed by Ligado's material subsidiaries on a *pari passu* basis with the Prepetition First Lien Notes.

57. The Debtors also entered into waivers with respect to the Prepetition 1.5 Lien Facility and Prepetition Second Lien Notes (each, as defined below) for anticipated cross defaults arising from the Payment Default.

58. As of the Petition Date, an aggregate amount of approximately \$441.8 million in principal and accrued interest was outstanding under the Prepetition First Lien Loan Facility.

59. **Prepetition 1.5 Lien Facility.** Ligado is the borrower under that certain 1.5 Lien Loan Agreement, dated as of May 27, 2020 (as amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time, the “Prepetition 1.5 Lien Loan Agreement” and, collectively with all other Loan Documents (as defined in the Prepetition 1.5 Lien Loan Agreement) and any other agreements and documents executed or delivered in connection therewith, each as may be amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time, the “Prepetition 1.5 Lien Loan Documents,” and the facility made available thereunder, the “Prepetition 1.5 Lien Facility”), by and among Ligado, as the borrower, the guarantors party thereto, the lenders party thereto (collectively in such capacities, the “Prepetition 1.5 Lien Lenders”), Jefferies Finance LLC, as administrative agent (in such capacity, the “Prepetition 1.5 Lien Administrative Agent”), and U.S. Bank Trust Company, National Association, as successor collateral agent (in such capacity, the “Prepetition 1.5 Lien Collateral Agent” and, the Prepetition 1.5 Lien Collateral Agent, the Prepetition 1.5 Lien Administrative Agent, and the Prepetition 1.5 Lien Lenders, collectively, the “Prepetition 1.5 Lien Secured Parties”).

60. The Prepetition 1.5 Lien Loan Agreement was amended on October 23, 2020, February 24, 2021, August 10, 2022, and December 23, 2022, to among other things, permit incremental commitment increases to the Debtors under the Prepetition 1.5 Lien Loan Agreement.

61. On August 10, 2022, the Debtors entered into an agreement to borrow up to an additional \$88.0 million (the “Incremental 1.5 Lien Loans”) under the Prepetition 1.5 Lien Facility that resulted in available proceeds of \$36.0 million after accounting for the original issue discount and other paid-in-kind fees. The Incremental 1.5 Lien Loans were structured as three separate draws of \$12.0 million each in net cash proceeds to the Debtors. The three draws of \$12.0 million each occurred on August 10, 2022, September 9, 2022, and October 14, 2022, respectively. The Incremental 1.5 Lien Loans bore interest at the greater of (i) SOFR and (ii) 1.00% *plus* the applicable margin (20.0% *plus* 15 bps). The maturity date of the Incremental 1.5 Lien Loans was May 1, 2024.

62. On December 23, 2022, the Debtors entered into an agreement to borrow up to an additional \$68.3 million (the “Additional Incremental 1.5 Lien Loans”) under the Prepetition 1.5 Lien Facility. The Additional Incremental 1.5 Lien Loans were funded on a non-cash basis on four separate funding dates: (i) the first funding date on December 27, 2022, on which date \$28.3 million of the Additional Incremental 1.5 Lien Loans were funded; (ii) the second funding date on January 4, 2023, on which date \$13.3 million of the Additional Incremental 1.5 Lien Loans were funded; (iii) the third funding date on February 1, 2023, on which date \$13.3 million of the Additional Incremental 1.5 Lien Loans were funded; and (iv) the fourth funding date on March 1, 2023, on which date \$13.325 million of the Additional Incremental 1.5 Lien Loans were funded. The proceeds of the Additional Incremental 1.5 Lien Loans were used solely to pay an incentive fee to each lender of the Incremental First Lien Loans.

63. The Additional Incremental 1.5 Lien Loans bore interest at the greater of (i) SOFR and (ii) 1.00% *plus* the applicable margin (20.0% *plus* 15 bps) until the maturity date of May 1, 2024.

64. On January 19, 2024, the Debtors entered into a forbearance agreement (the “1.5L Forbearance Agreement”) with the consenting 1.5 Prepetition Lien Lenders (the “1.5L Consenting Lenders”), pursuant to which the 1.5L Consenting Lenders (a) agreed to forbear until June 7, 2024, the exercise of their respective rights and remedies under the Prepetition 1.5L Lien Facility, as a result of the Debtors’ anticipated failure to timely pay principal and unpaid interest, if applicable, at maturity (the “Anticipated 1.5L Payment Default”) and any related cross-defaults, which forbearance date was further extended to, among other things, the earlier of February 7, 2025 or seven days following the extended date for the deferred payments as set forth in the Cooperation Agreement (the “1.5L Forbearance Period”), and (b) directed the Administrative Agent and Collateral Agent (as defined in the 1.5L Forbearance Agreement) to forbear from exercising rights and remedies under the Prepetition 1.5L Lien Facility, with respect to the Anticipated 1.5L Payment Default. Under the 1.5L Forbearance Agreement, starting from the date of maturity on May 1, 2024, and during the 1.5L Forbearance Period, Ligado pays interest on the Prepetition 1.5 Lien Loan, the Incremental 1.5 Lien Loans and the Additional Incremental 1.5L Lien Loans as described above plus 2.00%, in each case, to account for the default interest rate, in accordance with the terms of the Prepetition 1.5 Lien Loan Documents.

65. The Prepetition 1.5 Lien Facility is secured by perfected 1.5 priority liens on and security interests in (to the extent legally permissible) the Prepetition Collateral and is guaranteed by Ligado’s material subsidiaries on a 1.5 priority basis.

66. The Prepetition 1.5 Lien Lenders of more than a majority of the loans under the Prepetition 1.5 Lien Facility provided cross-default waivers as a result of the Anticipated 1.5L Payment Default.

67. As of the Petition Date, an aggregate amount of approximately \$591.5 million in principal and accrued interest was outstanding under the Prepetition 1.5 Lien Facility.

68. **Prepetition Second Lien Notes.** On October 23, 2020, Ligado originally issued \$1.0 billion aggregate principal amount of 17.5% PIK Senior Secured Second Lien Notes due 2024 (the “Prepetition Second Lien Notes,” and the holders of the Prepetition Second Lien Notes, the “Prepetition Second Lien Noteholders”) at an issue price of 75.0% of par value pursuant to that certain indenture, dated as of October 23, 2020 (as amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time, the “Prepetition Second Lien Indenture,” and collectively with all other Second Lien Documents (as defined in the Prepetition Second Lien Indenture) and any other agreements and documents executed or delivered in connection therewith, each as may be amended, restated, amended and restated, supplemented, waived, or otherwise modified from time to time, the “Prepetition Second Lien Documents” and, the Prepetition Second Lien Documents, the Prepetition First Lien Documents, and the Prepetition 1.5 Lien Documents, collectively, the “Prepetition Secured Documents”), by and among Ligado, as issuer, the guarantors party thereto, and Wilmington Savings Fund Society, FSB, as trustee (as successor in interest to U.S. Bank National Association, as trustee) (in such capacity, the “Prepetition Second Lien Trustee,” and U.S. Bank National Association in its capacity as collateral trustee under the Prepetition Second Lien Documents, the “Prepetition Second Lien Collateral Trustee,” and the Prepetition Second Lien Noteholders, the Prepetition Second Lien Trustee, and the Prepetition Second Lien Collateral Trustee collectively, the “Prepetition Second Lien Secured

110

Parties,” and the Prepetition Second Lien Secured Parties, the Prepetition First Lien Secured Parties, and the Prepetition 1.5 Lien Secured Parties collectively, the “Prepetition Secured Parties”).

69. On January 19, 2024, the Debtors entered into a forbearance agreement (the “2L Forbearance Agreement”) with the consenting Prepetition Second Lien Noteholders (the “2L Consenting Holders”), pursuant to which the 2L Consenting Holders (A) agreed to forbear until June 7, 2024 the exercise of their respective rights and remedies under the Prepetition Second Lien Documents, as a result of the Debtors’ anticipated failure to timely pay principal and unpaid interest, if applicable, at maturity (the “Anticipated 2L Payment Default”) and any related cross-defaults, which forbearance date was further extended to, among other things, the earlier of February 7, 2025 or seven days following the extended date for the deferred payments as set forth in the Cooperation Agreement (the “2L Forbearance Period”), and (B) directed the Trustee (as defined in the 2L Forbearance Agreement) to forbear from exercising rights and remedies under the Prepetition Second Lien Documents, with respect to the Anticipated 2L Payment Default. Under the 2L Forbearance Agreement, until May 1, 2024, the Prepetition Second Lien Notes bore interest at a rate of 17.5% *per annum*, payable in kind. Starting from the date of maturity on May 1, 2024, and during the 2L Forbearance Period, Ligado pays interest at the default rate of 19.5% *per annum* payable in kind, in accordance with the terms of the Prepetition Second Lien Documents.

70. The Prepetition Second Lien Notes are secured by perfected second-priority liens on and security interests in (to the extent legally permissible) the Prepetition Collateral and are guaranteed on a second lien priority basis by the same Ligado subsidiaries that guarantee the Prepetition First Lien Notes and the Prepetition 1.5 Lien Facility.

71. The holders of more than a majority of the outstanding principal amount of the Prepetition Second Lien Notes provided cross-default waivers as a result of the Anticipated 2L Payment Default.

(ii) Membership Interests

78. As of the Petition Date, Ligado had 100,000,000 issued and outstanding preferred units (out of 100,000,000 authorized) and 10,000,000 issued and outstanding common units (out of 20,000,000 authorized).

79. **Series A-0 Preferred Units.** Ligado has issued 20,000,000 (out of an authorized 20,000,000) Series A-0 Preferred Units (the “Series A-0 Preferred Units”). Distribution Waterfall. The Series A-0 Preferred Units have preemptive rights for 90% of any new issuances by Ligado of preferred units which would rank senior to the Series A-0 Preferred Units (the “Super Senior Preferred Units”).

80. **Series A-1 and A-2 Preferred Units.** Ligado has issued 20,000,000 (out of an authorized 20,000,000) Series A-1 Preferred Units (the “Series A-1 Preferred Units”) and 20,000,000 (out of an authorized 20,000,000) Series A-2 Preferred Units (the “Series A-2 Preferred Units”). The Series A-1 Preferred Units have preemptive rights for 10% of any new issuances by Ligado of Super Senior Preferred Units. As set forth in the Operating Agreement, the Series A-1 Preferred Units generally have priority over the Series A-2 Preferred Units, the Series B Preferred Units, the Series C Preferred Units, and the Common Units under the Distribution Waterfall. However, under the Distribution Waterfall, after a certain amount of distributions have been paid out to the Series A-0 Preferred Units and the Series A-1 Preferred Units, the Series A-1 Preferred Units and the Series A-2 Preferred Units share *pro rata* (based on their respective liquidation preferences) with the Series B Preferred Units and the Series C Preferred Units (based on their respective liquidation preferences).

81. **Series B Preferred Units.** Ligado has issued 20,000,000 (out of an authorized 20,000,000) Series B Preferred Units (the “Series B Preferred Units”). Under the Distribution Waterfall, after a certain amount of distributions have been paid out to the Series A-0 Preferred Units and the Series A-1 Preferred Units, the Series B Preferred Units share *pro rata*

115

(based on the Series B liquidation preference) with the Series A-1 Preferred Units, the Series A-2 Preferred Units, and the Series C Preferred Units (based on their respective liquidation preferences).

82. **Series C Preferred Units.** Ligado has issued 20,000,000 (out of an authorized 20,000,000) Series C Preferred Units (the “Series C Preferred Units” and, collectively with the Series A-0 Preferred Units, Series A-1 Preferred Units, Series A-2 Preferred Units, and the Series B Preferred Units, the “Preferred Units”). The Series C Preferred Units have a liquidation preference equal to \$658,128,799. As set forth in the Operating Agreement, the Series C Preferred Units generally have priority over the Common Units under the Distribution Waterfall. Under the Distribution Waterfall, after a certain amount of distributions have been paid out to the Series A-0 Preferred Units and the Series A-1 Preferred Units, the Series C Preferred Units share *pro rata* (based on the Series C liquidation preference) with the Series A-1 Preferred Units, the Series A-2 Preferred Units, and the Series B Preferred Units (based on their respective liquidation preferences).

The Series A Common Units rank *pari passu* with the Series B Common Units in liquidation and distributions, and both series of Common Units have certain limited voting rights. With respect to distributions of available cash and distributions upon liquidation, the Common Units are subordinated to the Series A-0 Preferred Units, the Series A-1 Preferred Units, the Series A-2 Preferred Units, the Series B Preferred Units, and the Series C Preferred Units.

84. **Distribution Waterfall.** Pursuant to the Operating Agreement, if Ligado's

Board authorizes a cash distribution, the distributions will be made as follows:

- First, (x) 94.75% to all holders of outstanding Series A-0 Preferred Units (such distribution to be made *pro rata* in proportion to the Series A-0 Preferred Units held by each such holder) and (y) 5.25% to all holders of outstanding Series A-1 Preferred Units (such distribution to be made *pro rata* in proportion to the Series A-1 Preferred Units held by each such holder), until certain distributed amount valuation thresholds are met.
- Second, (x) 70% to all holders of outstanding Series A-0 Preferred Units (such distribution to be made *pro rata* in proportion to the Series A-0 Preferred Units held by each such holder) and (y) 30% to all holders of outstanding Series A-1 Preferred Units (such distribution to be made *pro rata* in proportion to the Series A-1 Preferred Units held by each such holder), until certain distributed amount valuation thresholds are met.
- Third, (x) 30% to all holders of outstanding Series A-0 Preferred Units (such distribution to be made *pro rata* in proportion to the Series A-0 Preferred Units held by each such holder) and (y) 70% to all holders of outstanding Series A-1 Preferred Units (such distribution to be made *pro rata* in proportion to the Series A-1 Preferred Units held by each such holder), until certain distributed amount valuation thresholds are met.
- Fourth, (x) 35% to all holders of outstanding Series A-0 Preferred Units (such distribution to be made *pro rata* in proportion to the Series A-0 Preferred Units held by each such holder) and (y) 65% to all holders of outstanding Series A-1 Preferred Units, Series A-2 Preferred Units, Series B Preferred Units, and Series C Preferred Units (such distribution to be made (A) as to each such series of Preferred Units, based on the Sharing Percentage¹⁵ of such series of Preferred Units and (B) as to each holder within each such series of Preferred Units, *pro rata* in proportion to the Preferred Units of such series held by each such holder), until certain distributed amount valuation thresholds are met.
- Fifth, 100% to holders of Common Units and vested Incentive Rights (as defined in the Operating Agreement).

¹⁵ "Sharing Percentage" means, as to each of the Series A-1 Preferred Units, Series A-2 Preferred Units, Series B Preferred Units, and Series C Preferred Units, as of any date of determination, a percentage equal to (a) the amount of the liquidation preference for such series of Preferred Units as of such date, *divided by* (b) the sum total of the liquidation preferences of the Series A-1 Preferred Units, Series A-2 Preferred Units, Series B Preferred Units, and Series C Preferred Units as of such date.

Once the holders of Preferred Units have received all distributions to which they are entitled in accordance with the Operating Agreement, such holders will no longer have the right to participate in any future distributions, and the Preferred Units will be considered fully redeemed.

IV. Events Leading to Commencement of Chapter 11 Cases

85. For approximately 20 years, the Debtors have been working to develop terrestrial wireless capabilities that would augment their satellite network. The Debtors finally obtained FCC approval in April 2020 to use their ATC authority to provide 5G terrestrial communication services (the “FCC Order”). For approximately 10 years prior to the issuance of the FCC Order, however, the Debtors were mired in a contentious, protracted regulatory process that prevented them from utilizing their ATC authorizations. This process not only compelled the Debtors to take on massive amounts of debt (to make payments to Inmarsat and to meet the FCC’s initial build-out requirements discussed below), but also drained their liquidity as they were not able to deploy and commercialize their ATC by providing terrestrial communication services, which caused them to file for chapter 11 protection in 2012 and consummate an out-of-court recapitalization and restructuring in October 2020.

86. In direct reliance on the FCC Order, in October 2020 the Debtors recapitalized their capital structure (i) to make the \$700.0 million Inmarsat 2020 Prepayment and (ii) to begin developing the technological and commercial ecosystem as well as the partnerships necessary to fully deploy their coordinated licensed and leased spectrum. Notwithstanding the issuance of the FCC Order, however, the Debtors’ ability to fully develop and implement their business plans continues to be hampered by the U.S. Government’s use of the Debtors’ spectrum and continued opposition to the FCC Order. Because of such actions, the Debtors do not yet

generate sufficient cash to fund their business and are facing a precarious liquidity situation, which has necessitated the filing of the Chapter 11 Cases.

A. Events Leading to Commencement of Prior Chapter 11 Cases

87. **Development of Terrestrial Communication Services.** In 2001, convinced that adding an ATC to their existing satellite operations would optimize the use of their MSS spectrum and enable the Debtors to provide wholesale terrestrial communication services with superior reliability and coverage, the Debtors were the first to apply to the FCC for authority to implement a new and innovative ground-based wireless service to be operated in conjunction with the MSS they already provided. As the FCC began adopting rules in 2003 to encourage and permit other MSS licensees to offer these superior ground-based mobile services using spectrum already allocated for MSS, the Debtors submitted a new application (in compliance with such rules) requesting authorization to provide terrestrial communication services (ATC authority). In 2004, the FCC granted the Debtors such authority, and they became the first MSS licensee authorized to deploy and operate, side-by-side, with their satellite lines of business, a terrestrial network.

88. In reliance on these regulatory approvals, the Debtors commissioned the manufacture and launch of two, state-of-the-art, next-generation satellites, SkyTerra-1 and SkyTerra-2, and the related ground structure for operations, and invested significant funds in furtherance of their new business. From 2001 to date, the Debtors invested billions of dollars in their wireless business plan from moneys borrowed from their lenders and/or capital contributed by their shareholders. During such period, the Debtors worked closely with numerous public and federal agencies as they moved toward deployment and entered into agreements with customers.

119

89. In 2010, the FCC approved (in connection with a change of equity ownership) a “change of control” as to the Debtor entity holding the underlying license but conditioned its approval on the Debtors satisfying an aggressive terrestrial network build-out schedule that required coverage of at least 100 million people by December 31, 2012, 145 million people by December 31, 2013, and 260 million people by December 31, 2015. To ensure that they satisfied the FCC’s conditions to approval in full and, in reliance on such approval, the Debtors continued investing billions of dollars and entered into various agreements to aid in the deployment of their nationwide terrestrial communication services.

90. **Barriers to Full Utilization of the Debtors’ FCC License and Authorization.** As the Debtors invested billions of dollars after the FCC’s 2010 approval to build out their terrestrial communication services, technical objections to the Debtors’ then-existing spectrum plan began to emerge. The Global Positioning System (“GPS”) industry and the United States GPS Industry Council (the “USGIC”), a trade association that represents the interests of certain members of the GPS industry, raised concerns that the Debtors’ transmissions at the then-proposed power levels could potentially interfere with GPS, and that the Debtors’ terrestrial base stations might cause “overload interference” to GPS receivers and other GPS devices. At each stage of the FCC approval process, the Debtors worked cooperatively with public and federal agencies, including the GPS industry and the USGIC, to alleviate and protect against such potentially harmful out-of-band emissions and overload interference. Indeed, the Debtors, among other things, consented to reducing power levels and other technical modifications of their license, which cost the Debtors hundreds of millions of dollars to implement, along with burdensome testing requirements, which the FCC directed the Debtors to undertake.

91. However, in February 2012, following several studies concerning the impacts of the then-proposed terrestrial use of the L-band on GPS services, which the Debtors vigorously disputed, the NTIA sent a letter to the FCC stating that NTIA could not support at that time the deployment of the terrestrial communication services then proposed by the Debtors. Immediately following the NTIA’s letter, the FCC issued a Public Notice that proposed to suspend indefinitely the Debtors’ ATC authority.

92. The years of disputes, delay, and uncertainty with respect to final regulatory approval had begun to take their toll. Recognizing that they would need additional time to resolve the issues with the FCC and the GPS industry and to preserve resources on hand, the Debtors undertook several corporate initiatives and reached out to their major creditor constituencies to avert a looming financial collapse. Ultimately, however—and despite their best efforts—the Debtors could not reach a mutually satisfactory agreement with their prepetition secured lenders or Inmarsat. The Debtors were thus forced to seek chapter 11 protection to preserve the value of their assets while they continued to pursue a resolution of the GPS-related concerns with the use of their spectrum assets.¹⁶

B. Continued Regulatory Efforts Post-Emergence from Prior Chapter 11 Cases

93. The Debtors emerged from the Prior Chapter 11 Cases on December 7, 2015, with the expectation that an FCC decision to resolve GPS interference issues would be made within a reasonable period thereafter.

94. **GPS Settlement Agreements.** Within days of emergence, the Debtors entered into settlement and cooperation agreements with various GPS manufacturers that resolved

¹⁶ On May 14, 2012, the Debtors’ predecessors in interest filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code (“Prior Chapter 11 Cases”). In December 2014, following months of mediation and negotiations with the key parties in interest, the Debtors proposed a plan of reorganization, which was confirmed on March 26, 2015.

their concerns about interference and pursuant to which the Debtors accepted dramatically reduced power and out-of-band emissions limits and agreed to relinquish the Debtors' existing authorization to provide ATC at 1545-1555 MHz (i.e., the frequency band closest to the band allocated for GPS devices). The GPS manufacturers agreed that they would not object to the Debtors' new spectrum plan and the deployment of terrestrial communication services meeting the limits set forth in the GPS settlement agreements that were to be codified by the FCC as part of the Debtors' new spectrum plan.

95. **Omnibus Filing.** On December 31, 2015, the Debtors made a new set of filings with the FCC (together with supplemental filings in relation and in addition thereto, the "Omnibus Filing") that requested modifications of the Debtors' terrestrial license and codification of the reduced operational levels agreed to in the GPS settlement agreements. More specifically, the Omnibus Filing requested that the FCC take the following actions: (i) incorporate the reduced power and out-of-band emissions limits outlined in the GPS settlement agreements into the Debtors' license; (ii) unconditionally remove the Debtors' authorization to provide terrestrial communication services at 1545-1555 MHz; and (iii) add a condition to the Debtors' license requiring their terrestrial communication services in the 1526-1536 MHz channel be compatible with current and future standards mandated by the Federal Aviation Administration (the "FAA") for certified aviation GPS receivers.

96. In support of the Omnibus Filing, the Debtors worked with the FAA (which is part of the Department of Transportation ("DOT")), the aviation industry, and RTCA, Inc. (a standards-setting organization for the aviation industry) to determine the power levels for the lower downlink that would render the spectrum plan compatible with the FAA's standards for certified aviation devices. In 2017, the Debtors and the FAA completed these discussions and identified

the appropriate power level range that would protect certified aviation devices. Prior to and during this process, the DOT conducted a study of the impact of adjacent-band LTE signals on GPS certified aviation devices. On April 26, 2018, the DOT released its final report, which addressed multiple issues and with respect to certified aviation receivers the DOT report concluded that the appropriate power level with respect to protecting certified aviation receivers should be 9.8 dBW—a specific power level within the range identified by the FAA and Debtors in 2017. That report also proposed a revised standard for future certified aviation receivers that when fully implemented throughout all airships would be compatible with higher power levels.

97. The Debtors then filed, on May 31, 2018, an amendment to the Omnibus Filing that established the power level for the lower downlink at 9.8 dBW. This submission also proposed additional mitigation measures applicable to all GPS devices, including continuous monitoring of the transmit power for each base station site, the maintenance of a toll-free telephone number for the public to report apparent incidences of interference from the Debtors’ operations on GPS, and other safeguards. The Debtors also committed, in an August 2019 filing, to repair or replace, as needed, U.S. Government GPS devices that experience or are likely to experience harmful interference from the Debtors’ operations. All of these actions were taken in the good-faith belief that once the Debtors resolved all potential concerns about harmful interference to GPS, if any, the Debtors would be allowed to develop and deploy their spectrum assets free from disruption by the U.S. Government and others.

98. To help facilitate the outcome and at the specific request of DOD, the Debtors also arranged for the testing of the power levels proposed in the Omnibus Filing. One test was conducted pursuant to an April 2016 Cooperative Research and Development Agreement (the “CRADA”) the Debtors entered into with the National Advanced Spectrum and Communications

Test Network (the “NASCTN”), a joint initiative of the National Institute of Standards and Technology (which is part of DOC), DOD, and NTIA. NASCTN evaluated the impact of LTE signals on GPS devices in the L-Band and released a report on the results of this study on February 15, 2017. These results were submitted to the FCC and support the Debtors’ position that their terrestrial communication services will not cause harmful interference to GPS. This data is also consistent with testing performed in 2016 at the Debtors’ direction by Roberson and Associates, an engineering consulting firm retained by the Debtors’ outside counsel, and submitted to the FCC.

99. **Inmarsat’s Customers’ Opposition.** In summer 2016, several Inmarsat customers and/or their representatives submitted comments to the FCC on the Debtors’ Omnibus Filing, stating their view that the terminal resilience issues needed to be addressed before the FCC could approve the Debtors’ plan. For example, two influential parties—Boeing and Aviation Spectrum Resources Inc. (“ASRI”)—requested that the FCC determine how Inmarsat terminals would be replaced *before* acting on the Debtors’ application.

100. At that time, the Debtors asked Inmarsat to help them address the concerns raised by Boeing and ASRI. Inmarsat’s CEO noted that Boeing’s request was “the most challenging” to address. Inmarsat then filed a letter with the FCC stating only that it was “working with manufacturers, customers, and Ligado to reduce potential interference from Inmarsat users.” Of course, this statement fell short of Inmarsat’s contractual obligation to fully address (not simply reduce) terminal interference on *all* terminals. Inmarsat provided no information about when manufacturers would make filters or other terminal modifications available, it said nothing about when standards would be adopted or approvals obtained by the FCC, and it said nothing about the timing of terminal replacements, or who would pay for those terminal modifications or

replacements. As a result, this response also failed to satisfy Inmarsat’s obligation to help the Debtors secure the FCC approval they were seeking.

101. Not surprisingly, Inmarsat’s vague letter did not assuage the concerns of these powerful aviation industry stakeholders. A year later, on June 20, 2017, representatives of ASRI filed another comment letter with the FCC noting that Inmarsat continues providing services in the L-Band, and specifically referencing that Inmarsat had never explained the technical or operational basis for the cooperation arrangement between Inmarsat and the Debtors as a basis for their objection. ASRI noted that Inmarsat, in a filing with Ofcom, Inmarsat’s UK regulator, had expressed concerns about the compatibility with the Debtors’ system. ASRI also highlighted a statement made by Inmarsat in September 2016 that its “interference mitigation strategy [with the Debtors] may not be successful.”

102. Despite the persistence of those concerns by Inmarsat’s customers about the details of Inmarsat’s terminal resilience plan, and notwithstanding its obligations in the Cooperation Agreement, Inmarsat took no action to directly address these concerns, to develop and implement the plan needed to modify or replace the terminals, or to otherwise address the terminal interference issues. Nor did it explain to its customers, the complaining entities, or the FCC its plan to address the interference issues in a level of detail sufficient to assuage their concerns. In fact, the little bit of information Inmarsat provided had the opposite effect—it contributed to increasing concern by creating confusion and uncertainty among its customers. As a result, Inmarsat wholly failed to use its best commercial efforts to assist Ligado in obtaining the necessary approvals.

103. Inmarsat’s continued inaction fostered additional calls for delay of the FCC approval. Boeing again expressed concern about the potential for interference with Inmarsat

terminals. Inmarsat should have responded to address those concerns with concrete information about how terminal interference would be resolved to assure both the FCC and Inmarsat's customers that such interference would not be an issue.

104. Inmarsat was not able to do so because it had failed to develop (let alone implement) a plan in accordance with the Cooperation Agreement sufficient to address those interference issues and to ensure that the Debtors receive the full value of the spectrum in a timely manner. The Debtors sent Inmarsat a letter setting forth their views regarding the impact of Inmarsat's lack of action on the Debtors' regulatory approval. Inmarsat took no actions to remedy the situation.

105. **DOD and DOC's Pretextual Claims for Harmful Interference to GPS.** Prior to the issuance of the FCC Order, and in an effort to prevent the Debtors from obtaining revised ATC authority and to protect DOD's ability to operate previously undisclosed systems that use the Debtors' exclusively licensed spectrum without compensation, DOD (and its ally, DOC) adopted a strategy of deceit and misinformation. Both agencies had previously recognized that the Debtors' proposed terrestrial services would not cause harmful interference to GPS receivers. But as the Debtors inched closer to receiving FCC approval to use their ATC authority to provide 5G terrestrial communications services, DOD and DOC abruptly changed positions and began actively campaigning against the Debtors to officials across the U.S. Government based solely on the false claim that the Debtors' services would cause widespread harmful interference to GPS. Despite support for the Debtors' license modification application (including from officials in DOD and DOC) and despite the scientific studies concluding that the Debtors' intended use of the spectrum would not harmfully interfere with GPS receivers (including the NASCTN testing overseen by

DOD and DOC), DOD and DOC changed course in 2018 and opposed the Debtors' plans—all without notifying the FCC or the Debtors of the real reason behind their objections.

106. DOD and DOC leveled unsubstantiated claims painting the Debtors as a threat to GPS in order to protect and to mask DOD's own use of the Debtors' authorized spectrum. Moreover, DOD and DOC propagated—and continue to propagate to this day—these misleading and scientifically meritless arguments about harmful GPS interference with impunity to sister agencies, the White House, and Congress.

107. **FCC Approval.** On April 22, 2020, the FCC unanimously approved the Debtors' license modification applications and modified the Debtors' exclusive license and ATC authority to enable them to operate 5G terrestrial communication services within the 1526 to 1536 MHz, 1627.5 to 1637.5 MHz, and 1646.5 to 1656.5 MHz bands, in addition to their existing satellite network (the "Order").¹⁷ In doing so, the FCC explicitly rejected DOD and DOC's assertions about harmful interference to GPS.

108. The FCC Order approved the proposed power level of 9.8 dBW for the 1526-1536 MHz downlink band and allows the Debtors to use 30 MHz of their licensed MSS spectrum in the L-Band to provide 5G terrestrial communication services. This decision added 30 MHz of terrestrial (ATC) spectrum to the 5 MHz of spectrum that the Debtors lease pursuant to the One Dot Six Lease, which is already fully authorized for use on a terrestrial basis. Based on the extensive record before it, the FCC concluded that the Omnibus Filing and related technical documents addressed the GPS industry's harmful interference concerns, and that "it is in the public

¹⁷ See Order and Authorization, *In re LightSquared Technical Working Group Report*, FCC, IB Docket No. 11-109 (Released April 22, 2020).

interest to grant the modification applications to facilitate the deployment of a low power terrestrial-based network in [their] licensed MSS spectrum.”¹⁸

109. Under the FCC Order’s conditions, the Debtors are required to take various precautions and actions to ensure that their operations will not cause harmful interference to nearby spectrum users. Specifically, the FCC Order requires the Debtors to, among other things: not engage in terrestrial communication services in the 1536-1559 MHz band, thus creating a 23-MHz guard band for GPS; adhere to the reduced power levels and emissions limits consistent with the Debtors’ commitments in the Omnibus Filing as amended and in supporting documents filed in the FCC record; monitor the power levels of their base stations; provide notice to federal agency GPS users and GPS device manufacturers of their base station locations’ technical operating parameters prior to launching operations; provide prompt responses to credible reports of harmful interference; work directly with any federal agency with concerns about the potential for harmful interference to their GPS devices; develop and maintain a database of base station information for use by the aviation community; conduct drive testing to ensure compliance with power prescribed limits; and repair or replace any U.S. Government device shown to be susceptible to harmful interference.

110. **Continued Opposition to FCC Order.** Since the release of the FCC Order, several non-government and government entities, including DOD and DOC, have publicly stated their ongoing opposition to the FCC’s decision. In addition, eight parties, including NTIA, filed petitions for reconsideration with the FCC seeking reversal of virtually every conclusion in the FCC Order. NTIA also asked the FCC for a stay of the effectiveness of the FCC Order. The Debtors filed answers to those petitions, and the petitioners filed replies. The FCC issued an order

¹⁸ See *id.*

denying NTIA’s position to stay the FCC Order on January 19, 2021. The Debtors do not know when, or how, the FCC will rule on any of the pending petitions for reconsideration. The FCC Order continues to be in full force and effect, and the Debtors remain confident that the science and the technology are sound and that the unanimous FCC Order protects GPS from harmful interference from the Debtors’ terrestrial communication services.

111. In addition, some members of the U.S. House of Representatives and Senate have publicly stated their opposition to the FCC Order. This opposition was orchestrated by DOD’s efforts to continue its unlawful use of the Debtors’ exclusively licensed spectrum. As a result of DOD’s efforts, the 2021 National Defense Authorization Act (the “2021 NDAA”) included several provisions targeting the Debtors, including prohibiting DOD from contracting with any entity using the Debtors’ spectrum for commercial terrestrial operations without the Secretary of Defense first certifying to the Congressional Defense Committees that these operations do not cause harmful interference to DOD GPS devices. The 2021 NDAA also included a provision directing the National Academy of Sciences (“NAS”) to conduct an independent technical review of the FCC Order. NAS began its review in September 2021 and released its report on September 9, 2022.¹⁹

¹⁹ Section 1663 of the 2021 NDAA mandates that DOD engage NAS within thirty days of the enactment of the 2021 NDAA and that NAS return a report 270 days after that. If DOD had acted in a timely manner, the full report would have been submitted to Congress by the end of October 2021. Instead, NAS did not hold its first meeting of the study team until September 20, 2021, merely five weeks before Congress asked for the study to be completed. Because of DOD’s delay, the NAS report was not published until September 9, 2022, nearly a year after the timeline Congress established.

Section 1664 requires DOD to estimate and certify the costs of complying with the FCC Order before taking any steps to implement it. DOD has not yet issued that certification and has provided no indication that it plans to do so. Most tellingly, DOD has refused the Debtors’ attempts to assist in identifying potentially affected GPS receivers. In fact, neither DOD nor DOC has ever provided even a single example of a GPS receiver that would be harmed by the Debtors’ terrestrial services, even though Section 1661 explicitly provides that DOD may spend funds to “conduct [] technical or information exchanges with” the Debtors regarding harmful interference to GPS devices. Given that DOD studied the impacts of the Debtors’ proposals for more than twenty years, the agency’s failure to develop a cost estimate more than two years after the FCC Order is inexcusable.

112. Importantly, the NAS report did not assess the legal or technical conclusions in the FCC Order. The NAS report makes clear that the NAS panel did not undertake a review of whether the FCC Order was correct in light of applicable FCC spectrum rules and the requirements of the Administrative Procedures Act. Instead, the NAS panel took an academic approach and set aside established FCC rules and the agency’s definition of “Harmful Interference” and used their own metric to assess the relationship between GPS devices and the proposed spectrum use. The NAS panel’s methodology caused confusion about the import of the report to the FCC Order, which DOD and DOC sought to exploit by issuing press releases stating that the NAS report confirmed their view that the FCC erred in entering the FCC Order. This behavior prompted NAS to issue an unusual addendum on November 8, 2022: *“As detailed in the committee’s report and in the comments made verbally during the public briefing at which this slide deck was used, the committee makes an explicit distinction between the FCC-defined regulatory term ‘Harmful Interference’ and the committee’s use of the term ‘harmful interference’ in describing its task and in its conclusions. To avoid any confusion that might come from only looking at the slide deck and not having access to the verbal delivery, these slides have been annotated to clearly indicate which term is being used in each circumstance.”*

113. The 2022 National Defense Authorization Act (the “2022 NDAA”) includes a provision requiring a briefing on potential harmful interference to GPS, MSS, or other tactical or strategic systems of DOD from commercial terrestrial operations and MSS no later than thirty days after the enactment of this legislation. Under the 2022 NDAA, the Secretary of Defense was required to provide that briefing to the National Security Council, the Secretary of Commerce, and the Commissioners of the FCC, as well as the Congressional Defense Committees, the House Energy and Commerce Committee, and the Senate Commerce Committee early in 2022. On

information and belief, DOD did not provide these required briefings within thirty days of the passage of the 2022 NDAA (i.e., January 26, 2022), continuing its pattern of strategic delay.

C. 2020 Recapitalization and Inmarsat Payment

114. At the time of the issuance of the FCC Order in April 2020, the Debtors were faced with \$8.9 billion of maturing funded debt obligations and the desire to make the Inmarsat 2020 Prepayment under the Cooperation Agreement. The FCC Order provided the Debtors with an opportunity to position themselves for long-term financial stability and commercial success. So, beginning in May 2020, and in good-faith reliance on the FCC Order's authorization for the Debtors to provide 5G terrestrial communication services within their coordinated licensed and leased spectrum, the Debtors began a process that included negotiating a restructuring of their (i) contractual obligations under the Cooperation Agreement and (ii) over-levered balance sheet.

115. In June 2020, the Debtors negotiated and executed Amendment No. 5 to the Cooperation Agreement with Inmarsat. This amendment provides for:

- making the \$700.0 million Inmarsat 2020 Prepayment, which prepaid approximately 20% of the then-outstanding future lease balance and resulted in a reduction in quarterly payments due to Inmarsat by 60% and decreased future cash payment obligations;
- a call option, enabling the Debtors to prepay the remaining portion of the lease;
- multiple year deferral of quarterly payments and previously deferred amounts; and
- significant net present value savings after making the \$700.0 million Inmarsat 2020 Prepayment.

116. The effectiveness of Amendment No. 5, however, was conditioned on the Debtors obtaining the necessary funds to make the \$700.0 million Inmarsat 2020 Prepayment. Recognizing the importance of making this payment and resolving their balance sheet issues, the

Debtors embarked on a two-prong path. First, the Debtors commenced efforts to raise approximately \$3.6 billion of financing, which would enable the Debtors to make the Inmarsat 2020 Prepayment, refinance their then-existing first lien term loan facility, and provide a multi-year runway in which the Debtors could work to deploy their spectrum assets (the “2020 Financing Transactions”). Second, the Debtors needed to restructure the junior portion of their capital structure, including the approximately \$6.0 billion of maturing debt under their then-existing second lien term loan facility, without which they would be unable to raise the financing necessary to pay Inmarsat and refinance their senior debt obligations (the “2020 Restructuring Transactions” and, together with the 2020 Financing Transactions, the “2020 Recapitalization”).

117. In September 2020, following several weeks of arms-length negotiations, the Debtors, an *ad hoc* group of second lien lenders, and an *ad hoc* group of holders of the Series A-1 Preferred Units reached an agreement on the principal terms of the 2020 Recapitalization, which was documented in a restructuring support agreement and related term sheet that was executed by the parties on September 25, 2020 (the “2020 RSA”). Ultimately, 100% of the second lien lenders, 100% of the holders of the Preferred Units, and 100% of the holders of the Common Units executed the 2020 RSA and committed to support the 2020 Recapitalization.

118. The 2020 Financing Transactions consisted of the Debtors issuing \$2.85 billion in aggregate principal amount of the Prepetition First Lien Notes and \$1.0 billion in aggregate principal amount of the Prepetition Second Liens Notes at a price of 75% of par value. In addition, the Debtors amended and restated their Prepetition 1.5 Lien Facility to, among other things, (i) extend the maturity date of the facility to February 2, 2024, (ii) subordinate the loans under the facility in right of payment to the Prepetition First Lien Notes, and (iii) borrow an

additional \$11.8 million under the facility that resulted in proceeds of approximately \$10 million after taking into account the original issue discount. The proceeds from the 2020 Financing Transactions were used to repay in full the amounts outstanding under the Debtors' then-existing first lien term loan facility, to pay the final \$664.5 million of the \$700.0 million Inmarsat 2020 Prepayment, to provide working capital, and for general corporate purposes.

119. The 2020 Restructuring Transactions consisted of the Debtors (i) exchanging all amounts outstanding under their then-existing second lien term loan facility for the Series A-0 Preferred Units and (ii) amending and restating their Operating Agreement to provide, among other things, for the issuance of the Series A-0 Preferred Units (with all outstanding Preferred Units and Common Units remaining outstanding), as well as for the amendments to the Distribution Waterfall described above.

D. 2023 Takings Lawsuit Against U.S. Government

120. As described above, in September 2012, Ligado filed an application to modify its existing MSS license to obtain the authorizations needed to enable the development of nationwide terrestrial services to complement its existing satellite infrastructure. The Debtors then filed a modification to that application on December 31, 2015 (the "2015 FCC Application"). The DOD and DOC initially supported Ligado's 2015 FCC Application. That support aligned with the position of GPS manufacturers themselves, who had worked with Ligado and other stakeholders operating in nearby spectrum bands to mitigate potential interference risks. It also comported with data from testing arranged by Ligado and performed at a lab sponsored by DOD and DOC, the results of which had demonstrated that Ligado's terrestrial services would not harmfully interfere with the vast majority of GPS receivers.

121. In 2018, however, the DOD and DOC suddenly reversed their position and leveled unfounded claims against the Debtors and the effect their terrestrial-based services would have on GPS systems. Unbeknownst to the Debtors and (upon information and belief) the FCC, DOD had taken the Ligado's exclusively licensed spectrum by operating previously undisclosed systems that use—and indeed, depend on—that spectrum. According to government officials, these previously undisclosed systems depend on the entirety of the Debtors' spectrum authorized for wireless terrestrial 5G services and are needed by DOD on a permanent basis. Notwithstanding DOD's and DOC's position, in April 2020 the FCC unanimously rejected the agencies' unsupported claims of GPS interference and granted the Debtors' application to provide ATC services.

122. Rather than compensating the Debtors for DOD's appropriation of the Debtors' licensed spectrum, DOD, acting in concert with DOC, improperly took steps to interfere with implementation of the FCC Order and to prevent the Debtors from using their own authorized spectrum for terrestrial services, from realizing the value of their FCC license and newly modified ATC authority, from securing a return on its immense investments, and from discovering DOD's use of their property. DOD and DOC have forced the Debtors' terrestrial airwaves to remain quiet—rendering the Debtors' valuable spectrum a quiet zone within which the Debtors' terrestrial commercial services cannot be deployed—both through physical occupation and by preventing the Debtors from using its FCC license to provide terrestrial services in their spectrum.

123. DOD and DOC effectuated this taking by, among other things, physically occupying the spectrum, preventing Ligado from using its spectrum, and refusing to implement the FCC Order granting Ligado ATC authority. DOD's refusal to cooperate with Ligado to address spectrum interference concerns, as contemplated by the FCC Order, began upon the Order's

issuance and continues through the present. That refusal has prevented Ligado from commencing ATC operations. In addition, DOD and DOC have engaged in a number of subsidiary efforts to further their overarching goal of preventing Ligado from using its FCC-granted ATC authority. Those efforts include threatening the Debtors' potential business partners by warning them that they would not be eligible for lucrative government contracts if they worked with the Debtors; refusing to work with the Debtors and share information necessary for Debtors to use their spectrum; and publicly spreading false and harmful information about the Debtors' planned services. Representatives of DOD gave incomplete and misleading testimony to Congress that caused Congress to pass legislation facilitating DOD's efforts to block the Debtors' use of the spectrum. As a result, DOD and DOC have excluded the Debtors from their own spectrum and deprived the Debtors of the value of their FCC license and, in particular, the ATC authority conveyed by that license. DOD and DOC continued their taking of the Debtors' exclusive property without paying just compensation to the Debtors, threatening to destroy the Debtors' company in the process. In addition, the United States, by enacting the 2021 NDAA, has effected a legislative taking of the Debtors' property rights. The 2021 NDAA targeted the Debtors with precision, destroying the value of the Debtors' exclusively licensed spectrum, and rendering worthless the Debtors' 5G ATC authority.

124. As a result of those actions, among others, on October 12, 2023, Ligado filed *Ligado Networks LLC v. United States, et al.*, C.A. No. 23-cv-01797 (Fed. Cl.) (the "USG Lawsuit"), in the U.S. Court of Federal Claims against the United States of America, the DOD, the DOC and the National Telecommunications and Information Administration (collectively, the "Government"), seeking just compensation for the U.S. Government's physical, categorical, regulatory and legislative takings of Ligado's property. The Government filed a motion to dismiss

on January 25, 2024. On February 9, 2024, Iridium Communications, Inc., Aireon LLC, the Air Line Pilots Association, International, Airlines for America, and the International Air Transport Association filed a motion for leave to file a brief as *amici curiae* in support of the Government’s motion to dismiss (the “Amicus Motion”). The Debtors filed an opposition to the Amicus Motion on February 23, 2024. The court granted the Amicus Motion on April 24, 2024, and ordered the Government and the Debtors to file briefs responding to a limited question concerning judicial reviewability of FCC orders, raised in the Amicus Motion. The parties filed those briefs on May 1, 2024 as ordered by the Court. The Debtors filed their opposition to the Government’s motion to dismiss on March 25, 2024, and the Department of Justice filed its reply in support of the motion to dismiss on May 6, 2024. On July 29, 2024, the court ordered the parties to file supplemental briefs in response to the court’s questions. The parties filed supplemental brief responses on September 9, 2024. On November 18, 2024, the Court of Federal Claims denied the U.S. Government’s motion to dismiss in part, ruling that Ligado has alleged a physical, regulatory, categorical, but not a legislative taking. The Court of Federal Claims found that a property interest does exist in Ligado’s FCC license vis-à-vis the Department of Defense but not vis-à-vis the FCC.

E. Inmarsat’s Breach of Cooperation Agreement

125. As described above, pursuant to the Cooperation Agreement, Inmarsat and the Debtors agreed to cooperatively allocate their collective licensed MSS spectrum in the L-band into contiguous spectrum blocks within the spectrum and at the power levels agreed upon by the parties and set forth in the Cooperation Agreement. Inmarsat intended to use its spectrum for MSS, and the Debtors intended to use their spectrum to offer nationwide terrestrial services and MSS, all as defined in parameters specified by the parties and set out in detail in the Cooperation Agreement.

126. The Parties agreed that Inmarsat would help Ligado obtain the necessary FCC license authorization and any other necessary government approvals. Further, the Cooperation Agreement requires resolution of certain interference issues between the Debtors' planned terrestrial wireless service and Inmarsat's operations in or near airports and waterways. Thus, Inmarsat was also obligated to implement the so-called "Spectrum Plans" contemplated in the Cooperation Agreement and to use its best commercial efforts to ensure that Ligado received the full anticipated benefit of the coordinated spectrum.

127. Inmarsat, however, failed to, among other things, adequately resolve the interference issues with respect to its aviation and maritime customer terminals operating on the Inmarsat system. Shortly after entry of the FCC Order and after the Debtors made the Inmarsat 2020 Prepayment, and 10 years after assuming the obligations under the Cooperation Agreement, Inmarsat disclosed that it was likely years away from resolving those issues. To make matters worse, Inmarsat's customers continued to raise concerns with both Ligado and the relevant government regulators, all while Inmarsat sat idle despite its contractual obligations. As a result of Inmarsat's failures, Ligado did not receive material benefits owed to it by Inmarsat under the Cooperation Agreement.

128. Moreover, unbeknownst to Ligado, the DOD has for some time been operating systems that use or depend on Ligado's authorized spectrum. The DOD's reliance on that spectrum led the DOD to oppose Ligado's FCC modification application, and to prevent Ligado's use of that spectrum even after the company obtained FCC approval. Based on its work with the DOD, Inmarsat knew that the DOD would oppose Ligado's deployment of its terrestrial wireless service regardless of FCC approval. Notwithstanding that knowledge and obligation to

assist Ligado in securing necessary regulatory approvals, Inmarsat continued to accept Ligado's payments and induced Ligado into making additional and accelerated payments.

129. Inmarsat has received a windfall of over \$1.7 billion, including a \$250.0 million payment intended in part to compensate for the cost of resolving terminal interference issues.

F. 2022-24 Liquidity Issues and Financing Efforts

130. As described above, the Debtors have been working to create the technology and commercial ecosystem of chipset, device, and equipment suppliers necessary for the deployment of their coordinated licensed and leased spectrum. Despite making significant progress, the Debtors have been thwarted by DOD and DOC's uncompensated taking of the Debtors' spectrum and continued opposition to the FCC Order and the Debtors' integration of an ATC into their MSS. These actions have resulted in significant uncertainty surrounding the Debtors' business prospects and, ultimately, the value of their spectrum. As a result, the Debtors do not yet generate sufficient cash flows from operations to finance their business and, beginning in 2022, their liquidity started running low. Indeed, as of March 31, 2022, the Debtors had cash, cash equivalents, and short-term investments of approximately \$44.9 million, and by June 30, 2022, their liquidity had dropped to \$21.2 million.

131. In response to their liquidity issues, the Debtors sought incremental financing from certain of the Prepetition Secured Parties to extend the Debtors' runway and enable them to continue to build the commercial partnerships necessary to deploy their coordinated licensed and leased spectrum, as well as negotiate an agreement to resolve their disputes and avoid commencing the lawsuit against the U.S. Government. As discussed above, in August 2022, the Debtors obtained the initial draw of the Incremental 1.5 Lien Loans. Also in August 2022, the

Debtors retained Perella Weinberg Partners LP (“PWP”) as their investment banker to assist with their restructuring efforts generally.

132. By November 2022, the Debtors’ liquidity was once again approaching low levels, and the Debtors sought to raise additional financing to bridge to a more holistic solution to their liquidity needs and capital structure. To that end, in December 2022, the Debtors engaged in negotiations with certain of the Prepetition Secured Parties to provide bridge financing and launched a consent solicitation seeking the requisite consents to amend the Prepetition Secured Documents to incur such financing.

133. During this time, the Debtors also engaged in negotiations with Inmarsat with respect to modifications to certain terms of the Cooperation Agreement. While these negotiations were ongoing, Inmarsat commenced a lawsuit against the Debtors in New York state court alleging that the Debtors had anticipatorily breached the Cooperation Agreement. Inmarsat sought money damages, a judicial determination that the parties should move to a particular “Default Spectrum Plan” that is more favorable to Inmarsat, and a judicial determination that the Debtors’ claims against Inmarsat for failing to resolve the terminal interference issues are meritless. The Debtors vehemently deny this allegation.

134. In December 2022, the Debtors were able to obtain the initial draw under the Prepetition First Lien Loan Facility and negotiate Amendment No. 7 to the Cooperation Agreement. Pursuant to Amendment No. 7 to the Cooperation Agreement, a portion of the \$395.8 million payment due to Inmarsat was deferred and Inmarsat agreed to dismiss its complaint without prejudice in exchange for a \$30.0 million payment to Inmarsat.

135. In April 2023 and then again in July 2023 and November 2023, the Debtors entered into amendments to the Prepetition First Lien Loan Agreement to provide additional

liquidity in the form of Prepetition First Out Term Loans. The Debtors used this additional runway to fund an additional payment to Inmarsat and continue negotiating with Inmarsat and certain of the Prepetition Secured Parties around a comprehensive solution to the Debtors' recurring liquidity issues and unsustainable capital structure.

136. By January 2024, however, no commercial resolution with Viasat and Inmarsat had been reached and the Debtors' liquidity position had once again deteriorated. As a result, throughout 2024, the parties entered into numerous amendments to the Cooperation Agreement to further delay the payments to Inmarsat until January 13, 2025 (after application of the grace period). At the same time, the Debtors engaged with their key stakeholders to reach a consensus with respect to a comprehensive recapitalization transaction, which ultimately resulted in an agreement in principle premised on an acceptable commercial resolution with Inmarsat.

137. Over the course of 2024, the Debtors engaged in extensive discussions with Viasat and Inmarsat around a comprehensive resolution of the Cooperation Agreement to restructure the Debtors' significant payment obligations thereunder. The parties determined a framework for a commercial agreement and agreed to work towards definitive documentation for the transaction contemplated thereby. Unfortunately, in September 2024, Viasat suddenly raised a purported tax issue that upended the viability of the entire transaction that the parties had been pursuing. Viasat proposed a new, alternative structure in October 2024, but the Debtors determined that Viasat's proposal did not provide a fair value exchange and was not in the best interests of the Debtors. Since that time, the Debtors have endeavored to negotiate with Viasat to reach a comprehensive resolution of the Cooperation Agreement. However, Viasat ultimately refused to provide additional payment extensions—which would allow the parties more time to

reach an out-of-court solution—unless the Debtors made a substantial payment to Inmarsat for an extension, knowing full well that the Debtors did not have the liquidity to make such payment.

138. Without an extension and facing an obligation to make significant payments to Inmarsat under the Cooperation Agreement, and insufficient liquidity to meet these obligations due to the U.S. Government’s uncompensated taking, the Debtors were forced to seek bankruptcy protection.

V. Objectives of the Chapter 11 Cases

139. The promise of the potential value of the Debtors’ spectrum assets remains substantial. However, the Debtors must vindicate their rights against the U.S. Government and Inmarsat. The Debtors, therefore, intend to take advantage of the breathing room afforded by chapter 11 to (i) pursue their lawsuit against the U.S. Government to obtain just compensation for the taking of their spectrum, (ii) vigorously prosecute their rights against Inmarsat, (iii) continue their efforts to develop the technology and commercial ecosystem necessary to fully deploy their spectrum assets, and (iv) execute definitive documentation for and consummate the AST Transaction.

VI. First Day Pleadings²⁰

140. As discussed above, concurrently with the filing of their chapter 11 petitions, the Debtors filed various First Day Pleadings, which they believe are necessary to (a) continue their operations with as little disruption and loss of productivity as possible, (b) maintain the confidence and support of their customers, public safety agencies, employees, suppliers, and other key constituencies, and (c) establish procedures for the smooth and efficient

²⁰ Unless otherwise defined, terms defined in this Section have the meaning ascribed to them in the respective First Day Pleading described.

administration of the Chapter 11 Cases. I have reviewed each of the First Day Pleadings, including exhibits thereto, and I believe that the relief sought in each of the First Day Pleadings is both narrowly tailored to meet the goals described above and will be critical to the Debtors' ability to achieve a successful reorganization.

A. Procedural Motions

(i) *Joint Administration Motion. Debtors' Motion for Entry of an Order (I) Directing Joint Administration of Chapter 11 Cases and (II) Granting Related Relief.*

141. In this motion, the Debtors seek joint administration of the Chapter 11 Cases for procedural purposes only and certain related relief.

142. Given the integrated nature of the Debtors' operations, the joint administration of these cases will provide significant administrative convenience. Many of the filings, hearings, and orders in these cases will affect each Debtor. Thus, I believe that joint administration of these cases will decrease fees and costs by avoiding duplicative filings that would be required absent such relief. I understand that joint administration will also allow parties in interest to monitor these cases with greater ease and efficiency.

143. On the other hand, joint administration of these cases will not, to the best of my knowledge, harm nor otherwise adversely affect the Debtors' respective stakeholders because the Debtors seek only joint administration of their cases, and not substantive consolidation of their estates. All parties in interest will benefit from the cost reductions associated with joint administration. Accordingly, I believe that the joint administration of these cases is in the best interests of their estates, their creditors, and other parties in interest.

(ii) *Omni Retention Application. Application of Debtors for Entry of an Order (I) Authorizing and Approving the Appointment of Omni Agent Solutions, Inc. as Claims and Noticing Agent and (II) Granting Related Relief.*

144. In the Omni Retention Application, the Debtors seek authority to engage Omni Agent Solutions (“Omni”) to act as their claims and noticing agent, effective as of the Petition Date. If retained, Omni will, among other things, assume full responsibility for the distribution of notices, balloting and solicitation, and maintenance, processing, and docketing of proofs of claims filed in these Chapter 11 Cases.

145. The Debtors chose Omni based on their experience, reputation, and competitiveness of their fees. Omni is comprised of leading industry professionals with significant experience in both the legal and administrative aspects of large, complex chapter 11 cases. Omni professionals have experience in noticing, claims administration, solicitation, balloting, and facilitating other administrative aspects of chapter 11 cases of this size and complexity. Omni’s retention should maximize efficiency in administering the Chapter 11 Cases and ease administrative burdens that otherwise would fall upon the Debtors and the clerk of this Court.

146. I respectfully submit that Omni’s billing rates are competitive and comparable to the rates charged by their competitors for similar services. Indeed, prior to retaining Omni, the Debtors conducted a comparison of the terms offered by several firms prior to selecting Omni as claims and noticing agent and, following arm’s-length negotiations, determined Omni’s rates to be more than reasonable given the quality of Omni’s bankruptcy expertise and the services for which it is being retained, in view of the substantial number of parties receiving notice in these chapter 11 cases and the significant number of anticipated claimants.

147. Accordingly, I believe that Omni is well qualified to serve in the capacity of the Debtors’ claims and noticing agent, that its fees are reasonable, and that Omni’s retention

in such capacity and as an agent of the Court is in the best interests of the Debtors' estates and all parties in interest.

(iii) *Redaction Motion. Debtors' Motion for Entry of an Order (I) Authorizing the Debtors to Redact Certain Personal Identification Information, and (II) Granting Related Relief.*

148. The Debtors seek entry of an order (i) authorizing the Debtors to redact certain personal information and (ii) granting related relief.

149. I submit that permitting the Debtors to maintain a single consolidated list of creditors (the "Creditor Matrix") in lieu of maintaining a separate creditor matrix for each Debtor is warranted under the circumstances of these cases. Requiring the Debtors to segregate and convert their computerized records to a Debtor-specific creditor matrix format would be an unnecessarily burdensome task and is likely to result in duplicate mailings.

150. I respectfully submit that it is appropriate to authorize the Debtors to redact from any paper filed or to be filed with the Court in these Chapter 11 Cases, including the Creditor Matrix, the home addresses of individual creditors—including the Debtors' employees and former employees—because such information could be used, among other things, to perpetrate identity theft or to locate survivors of domestic violence, harassment, or stalking. I understand this risk is not merely speculative as, in at least one chapter 11 case, the abusive former partner of a debtor's employee exploited the publicly accessible creditor and employee information filed in that case to track the employee to her new address, which had not been publicly available until then, forcing the employee to change addresses again for her safety.

151. The Debtors propose to provide, on a confidential basis an unredacted version of the Creditor Matrix and any other filing redacted pursuant to the proposed order to (i) the Court, U.S. Trustee, the Ad Hoc Cross-Holder Group (including counsel thereto), counsel to an official committee of unsecured creditors appointed in the Chapter 11 Cases (if any), and (ii) any

party in interest upon a request to the Debtors (email is sufficient) or to the Court that is reasonably related to the Chapter 11 Cases. In addition, the Debtors will distribute to their current employees any notices that are received at the Debtors' corporate headquarters and are intended for such employee.

152. Based on the foregoing, I believe that the relief requested in the Redaction Motion is in the best interests of the Debtors, their estates, and all other parties in interest and should be granted.

(iv) *Foreign Representative Motion. Debtors' Motion for Entry of an Order Authorizing Ligado Networks LLC to Act as Foreign Representative Pursuant to 11 U.S.C. § 1505.*

153. The Debtors seek entry of an order (i) authorizing Ligado to act as the Foreign Representative of the Debtors' estates in any judicial or other proceeding in a foreign country, including the Canadian Proceeding; (ii) authorizing Ligado to seek recognition by the Canadian Court of the Chapter 11 Cases and the orders entered in the Chapter 11 Cases; (iii) requesting the Canadian Court to lend assistance to this Court and (iv) granting any other appropriate relief.

154. In addition to their operations in the United States, the Debtors also have limited operations and assets in Canada. Three of the Debtors, each of which is a subsidiary of Ligado Networks, are incorporated in Canada: Ligado Networks Corp., Ligado Networks Holdings (Canada) Inc., and Ligado Networks (Canada) Inc. The Debtors believe that, to obtain the full benefits of bankruptcy relief, it would be necessary for them to commence an ancillary proceeding in Canada (the "Canadian Proceeding") pursuant to the Companies' Creditors Arrangement Act (Canada) R.S.C. 1985, Ch. C-36 (as amended, the "CCAA").

155. If appointed as the Foreign Representative, Ligado intends to commence the Canadian Proceeding on behalf of the Debtors in the Ontario Superior Court of Justice

(Commercial List) in Toronto, Ontario, Canada (the “Canadian Court”), requesting that the Canadian Court recognize the Chapter 11 Cases as a “foreign main proceeding” under the applicable provisions of the CCAA to, among other things, protect the Debtors’ assets and operations in Canada.

156. I understand from counsel that, to commence the Canadian Proceeding, a person or an entity must have the authority to act as the “foreign representative” on behalf of the Debtors’ estates and, therefore, the Debtors seek to appoint Ligado as their Foreign Representative. I further understand from counsel that, if the Court enters an order authorizing Ligado to act as the Foreign Representative in the Canadian Proceedings, Ligado will be able to file that order with the Canadian Court as the instrument authorizing Ligado to act as the Foreign Representative pursuant to section 46 of the CCAA.

157. I respectfully submit that authorizing Ligado to act as the Foreign Representative on behalf of the Debtors’ estates in the Canadian Proceeding will allow coordination of the Chapter 11 Cases and the Canadian Proceeding and provide an effective mechanism to protect and maximize the value of the Debtors’ estates. Accordingly, I believe that appointing Ligado to act as the Foreign Representative is in the best interests of the Debtors and their estates.

B. Operational Motions

- (i) *Cash Management Motion. Debtors’ Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System and Maintain Existing Bank Accounts, (B) Utilize Their Credit Cards, and (C) Engage in Intercompany Transactions, (II) Granting a Waiver of the Requirements of Section 345(b) of the Bankruptcy Code and U.S. Trustee Guidelines, and (iii) Granting Related Relief.*

158. The Debtors seek entry of interim and final orders (i) authorizing the Debtors to continue to (a) operate their Cash Management System and maintain existing Bank

Accounts, (b) utilize their Credit Cards, and (c) engage in Intercompany Transactions, (ii) granting a waiver of certain requirements of section 345(b) of the Bankruptcy Code and of the U.S. Trustee Guidelines, and (iii) granting certain related relief.

159. *Cash Management System.* In the ordinary course of business, the Debtors utilize a centralized Cash Management System to collect, manage, disburse, and invest funds used in their operations. The Debtors maintain current and accurate accounting records of all their daily cash transactions.

160. As of the Petition Date, the Debtors maintain the following Bank Accounts at the following Cash Management Banks:

Concentration Account: The Debtors maintain one account at JP Morgan in the name of Ligado Networks LLC that serves as a primary collection point for all funds moved into and through the Cash Management System. The Concentration Account is funded manually, on an as needed basis, from the Investment Account. All wire and automated clearing house payments, including those relating to operating expenses, insurance, and taxes, are made, either directly or indirectly, from this account.

Disbursement/Operating Accounts: In addition to the Concentration Account, the Debtors maintain: (i) one corporate disbursement and operating account at JP Morgan in the name of One Dot Six LLC; (ii) one corporate disbursement and operating account at JP Morgan in the name of Ligado Networks Corp.; and (iii) one corporate disbursement and operating account at Scotiabank in the name of Ligado Networks Corp. The Disbursement/Operating Accounts are used to pay the Debtors' general corporate expenses, including accounts payable. The Ligado Networks Canadian Dollar Disbursement/Operating Account is used to pay general corporate expenses of the Canadian Debtors, including payroll, benefit obligations, operational expenses, and other business disbursements. The Disbursement/Operating Accounts are all funded manually, on an as needed basis. The Concentration Account funds any shortfalls in the One Dot Disbursement/Operating Account and the Ligado Networks Disbursement/Operating Accounts.

Truist Bank Accounts: The Debtors also maintain parallel accounts at Truist, which were previously used as the primary cash

management accounts that are no longer utilized as primary cash management accounts since the transition to JP Morgan has been completed. The accounts at Truist include one account in the name of Ligado Networks LLC, one account in the name of One Dot Six LLC, and one account in the name of Ligado Networks Corp.

Investment Account: The Debtors maintain one investment account at a U.S. branch of the Royal Bank of Canada. The Investment Account is funded by the excess funds transferred from the Concentration Account. Funds in the Investment Account are invested in accordance with the Debtors' corporate investment guidelines and as described further below. In the past, the Debtors manually transferred funds from the Investment Account to the Concentration Account or third parties periodically on an as needed basis. All transfers between the Investment Account and the Concentration Account are initiated by the Debtors' approved signatories, including the Treasurer and the Vice President of Accounting Operations, delivering transfer instructions to the investment managers responsible for the applicable accounts.

Restricted Account: The Debtors maintain one interest-bearing restricted certificate of deposit in the name of Ligado Networks LLC at Truist. The Restricted Account is funded from the Concentration Account, as needed, and contains cash collateral associated with the Debtors' Credit Card program. Interest earned on the funds in the Restricted Account is deposited into the Concentration Account.

161. The Debtors wish to continue using the Cash Management Banks and the Bank Accounts. As of the Petition Date, the Debtors hold approximately \$9.6 million of cash, which they intend to use to fund, either directly or through Intercompany Transactions, their obligations arising in the ordinary course of business.

162. In the ordinary course, the Cash Management Banks charge, and the Debtors pay, honor, or allow the automatic deduction from the appropriate account for, certain service and other fees, costs, charges, and expenses. The Debtors pay the Cash Management Banks an aggregate of approximately \$4,600 per month on account of the Bank Fees, which are generally due and paid monthly or quarterly. The amount of Bank Fees that is due each month fluctuates based on the amount of Bank Account funding and activity. As a result, it is difficult for the

Debtors to calculate the precise amount of prepetition Bank Fees due as of the Petition Date. However, as of the Petition Date, the Debtors estimate that they owe the Cash Management Banks approximately \$4,200 on account of unpaid Bank Fees.

163. I believe that requiring the Debtors to close the Bank Accounts and to adopt a new cash management system during the pendency these cases would be expensive, time-consuming, burdensome, and unnecessarily disruptive to the Debtors' operations, thus needlessly reducing the value of the Debtors' estates to the detriment of their creditors. The Cash Management System provides the Debtors with the ability to track the location and amount of funds, which, in turn, allows the Debtors' management to control such funds, ensure cash availability, and reduce administrative costs. Maintaining the Cash Management System will also facilitate the Debtors' transition into chapter 11 by, among other things, minimizing delays in paying postpetition obligations and eliminating administrative inefficiencies. Finally, maintaining the Cash Management System will allow the Debtors' treasury and accounting employees to focus on their daily responsibilities and thereby maximize the value of the Debtors' estates.

164. I respectfully submit that parties in interest will not be harmed by the Debtors' continued use of the Cash Management System, including maintenance of the Bank Accounts, because the Debtors have implemented appropriate mechanisms to ensure that unauthorized payments will not be made on account of obligations incurred before the Petition Date, other than those authorized by the Court. Specifically, the Debtors have implemented internal control procedures that prohibit payments on account of prepetition debt. In light of such protective measures, I submit that maintaining the Cash Management System is in the best interests of the Debtors' estates and creditors.

165. The Debtors also respectfully request that the Court authorize the Debtors to continue to pay Bank Fees, including any prepetition Bank Fees that accrued prepetition. In light of the material benefit of maintaining the Cash Management System in order to avoid unnecessary disruption and costly delays, especially as compared to the relatively modest amount of the Bank Fees, I respectfully submit that such relief is warranted. I am also advised that the Cash Management Banks will likely have setoff rights with respect to the Bank Fees. Thus, payment of prepetition Bank Fees will not alter any rights of unsecured creditors.

166. *Credit Cards.* In the ordinary course of business, the Debtors maintain company-paid credit cards issued by Truist for use by their employees in connection with (i) business travel expenses (e.g., airfare, lodging, meals, ground transportation, and other essential expenditures); (ii) payment of certain of the Debtors' vendors; and (iii) payment of amounts due to certain corporate taxing authorities.

167. The Debtors believe that they do not owe any amounts on account of their Credit Cards as of the Petition Date. However, out of an abundance of caution, the Debtors request authority to continue to pay any prepetition amounts due and owing under their Credit Cards, including service charges, fees, and other costs and charges owed to Truist, and to continue to make such payments on a postpetition basis in the ordinary course of business.

168. Continued use of the Credit Cards is integral to the success and stability of the Debtors' business. The Debtors rely on the ability of their employees to pay for expenses incurred in the ordinary course and to make other work-related purchases necessary to fulfill their day-to-day professional obligations. Permitting the Debtors to continue using their Credit Cards and incurring related expenses will ensure that the Debtors' employees are able to fulfill their daily professional obligations and prevent significant disruption to the Debtors' business operations.

169. If the Debtors do not pay outstanding amounts owing under their Credit Cards, there is a significant risk that Truist, the issuer of the Credit Cards, could (i) restrict the Debtors' access to their Credit Cards and/or (ii) set off amounts owing against the cash posted by the Debtors as collateral in the Restricted Account. Satisfying any prepetition amounts outstanding under their Credit Cards will help minimize the risk of any adverse action by the issuer of the Credit Cards. Accordingly, I believe the Debtors should be authorized to pay any outstanding amounts owing on account of their Credit Cards, without regard to whether such amounts accrued or arose before the Petition Date.

170. *Intercompany Transactions.* In the ordinary course of business, funds may be received or paid by one Debtor on behalf of another Debtor and, depending on the transaction, have been historically recorded as capital contributions or equity investments. The Debtors also utilize a cost allocation system, through which expenses initially paid by a Debtor for the benefit of another Debtor are allocated to the appropriate entity in proportion to the benefits received. As a result of the Intercompany Transactions, intercompany receivables and payables are created in the ordinary course of business. Although the Debtors have in the past created notes to evidence some of the Intercompany Transactions, the Intercompany Transactions are sometimes settled by book entry, rather than by an actual transfer of cash evidenced by an Intercompany Note. The Debtors maintain records of all Intercompany Transactions and Intercompany Claims and can ascertain, trace, and account for all such transactions and claims at any time. Continuing Intercompany Transactions will benefit the Debtors' estates. If the Intercompany Transactions were to be discontinued, the Cash Management System and related administrative controls would be disrupted to the detriment of the Debtors' estates and creditors. The Debtors will continue

monitoring and recording all Intercompany Transactions and Intercompany Claims during these chapter 11 cases.

171. The Intercompany Transactions are an essential component of the Debtors' operations. If the Intercompany Transactions were to be discontinued, implementation of new administrative controls would be highly disruptive to the Debtors' business and detrimental to their estates and creditors. Accordingly, I respectfully submit that continuation of the Intercompany Transactions is in the best interest of the Debtors' estates and their creditors, and therefore, the Debtors should be permitted to continue engaging in such transactions.

172. *U.S. Trustee Guidelines and Section 345 Requirements.* I am advised that the U.S Trustee Guidelines require chapter 11 debtors to, among other things, deposit all estate funds into an account at a depository institution on a pre-approved list issued by the U.S. Trustee, and that the Bankruptcy Code imposes certain requirements on the Debtors with respect to investment practices and bank deposits, unless the Court for cause orders otherwise. Specifically, I understand that section 345(a) of the Bankruptcy Code requires debtors to maximize returns (accounting for the safety of investments) when making investment decisions. In addition, I am advised that if debtor funds are deposited into any account that is not insured or guaranteed by the United States or by a department, agency, or instrumentality of the United States or backed by the full faith and credit of the United States, section 345(b) of the Bankruptcy Code requires, unless the court orders otherwise, the financial institution at which such account is maintained to post a surety bond or pledge securities to secure the debtor's estate's interest in such funds or to deposit securities of the kind specified in 31 U.S.C. § 9303.

173. The Debtors maintain (i) one domestic Investment Account at RBC, which is not an Authorized Depository and (ii) one foreign bank account, the Ligado Networks Canadian

Dollar Disbursement/Operating Account, at Scotiabank. The Debtors generally maintain less than approximately \$1 million in the Ligado Networks Canadian Dollar Disbursement/Operating Account at any given time, and not for a period longer than fourteen (14) days. The Non-Authorized Depository Account and the Foreign Bank Account are vital to the Cash Management System and requiring the Debtors to transfer funds to other banks on the “authorized depository” list would be unduly expensive and burdensome to the Debtors’ operations and could potentially cause severe tax consequences to the detriment of the Debtors’ estates.

174. In addition, among other considerations, based upon their Moody’s and S&P long-term debt/deposits ratings and their general reputations in the banking market, the Investment Account and the Ligado Networks Canadian Dollar Disbursement/Operating Account are maintained at well-capitalized, highly-rated banks. Indeed, as set forth below, these banks are financially stable and internationally recognized financial institutions, comparable to those included on the Authorized Depository list.

<u>Bank</u>	<u>Ratings</u>	<u>Description</u>
Scotiabank	<i>Deposits/ Commercial Paper Rating</i> Moody’s: P-1 S&P: A-1	Scotiabank offers personal and commercial banking, wealth management and private banking, corporate and investment banking, and capital markets services. Scotiabank has a global team of over 89,000 employees and assets of approximately \$1.4 trillion (as of July 31, 2024).
Royal Bank of Canada	<i>Counterparty/Deposits</i> Moody’s: Aa1 S&P: AA-	RBC is one of North America’s leading diversified financial services companies, and provides personal and commercial banking, wealth management, insurance, investor services and capital markets products and services on a global basis. RBC is one of Canada’s

		largest banks, and among the largest in the world based on market capitalization. RBC has over 97,000 full- and part-time employees who serve 17 million clients in Canada, the United States, and 27 other countries.

175. In the ordinary course of business, the Debtors' Investment Account is subject to the Investment Policy, whose objective is to preserve principal and maintain sufficient liquidity to meet operational objectives, contractual obligations, and debt requirements, while seeking to maximize investment yield. Pursuant to the Investment Policy, the Debtors invest surplus cash, through the Investment Account, in (i) obligations issued, fully guaranteed or insured by U.S. government agencies, authorities, instrumentalities, or sponsored entities, (ii) money market mutual funds with high S&P's and Moody's ratings, and (iii) to a more limited degree, certificates of deposit, commercial paper, and repurchase agreements with high ratings from S&P's and Moody's. The Debtors hold, on average, approximately \$10 million in the Investment Account.

176. If the Debtors are limited to direct investments in U.S. Government Securities, they would need to work with their current investment managers to establish (i) a new account to trade the securities and (ii) new associated controls and procedures. The risk of a compliance breakdown in connection with these activities is at least as large as any incremental risk posed by investment in the Investment Accounts, and the costs associated with these activities would likely exceed the yield on the investments. I believe that cause exists to allow the Debtors to continue to utilize the existing Cash Management Banks.

177. Additionally, in the ordinary course of business, the Debtors use numerous business forms, including, without limitation, checks, business cards, letterhead, purchase orders,

and invoices. To minimize expense to their estates and avoid confusion on the part of employees, customers, and suppliers, the Debtors respectfully request that the Court authorize them to continue using existing Business Forms, including checks, as such forms existed immediately prior to the Petition Date without reference to the Debtors' status as debtors in possession.

178. By virtue of the nature and scope of the Debtors' business operations, it is important that the Debtors be permitted to continue to use their existing checks and other Business Forms without alteration or change. Because parties doing business with the Debtors undoubtedly will be aware of the Debtors' status as debtors in possession as a result of the publicized nature of the Chapter 11 Cases and the communications and notice of the commencement of the Chapter 11 Cases that the Debtors intend to distribute to such parties, changing Business Forms is unnecessary and unduly burdensome.

179. For these reasons, I believe that sufficient cause exists to exempt the Debtors from the requirements of the U.S. Trustee Guidelines and section 345 of the Bankruptcy Code.

(ii) *Wages Motion. Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing Them to (A) Satisfy Prepetition Obligations on Account of Compensation and Benefits Programs and (B) Continue Compensation and Benefits Programs, and (II) Granting Related Relief.*

180. The Debtors seek entry of interim and final orders (i) authorizing, but not directing, the Debtors to (a) pay and honor prepetition wages, salaries, reimbursable expenses, and other obligations on account of the Compensation and Benefits Programs and (b) maintain, and continue to honor and pay amounts with respect to, the Compensation and Benefits Programs, as such programs were in effect prior to the Petition Date and as they may be modified, amended, or supplemented from time to time, in the ordinary course of business, and (ii) granting certain related relief.

181. *The Debtors' Workforce.* To maintain their operations and preserve the value of their estates, it is essential that the Debtors continue to operate, to the extent possible, in the ordinary course of their business. To achieve that result, the Debtors must retain the uninterrupted service and the loyalty of their Employees. The Debtors currently employ approximately 80 employees, 15 of which are employed by the Debtors on an hourly basis and the remainder of which are employed on a full-time, salaried basis. Forty-nine Employees are based in the United States, and 31 Employees are based in Canada. In addition to their Employees, the Debtors supplement their workforce with consultants and independent contractors depending on their business needs. The Debtors regularly utilize the services of approximately six Independent Contractors.

182. The Employees and Independent Contractors are among the Debtors' most valuable assets and are critical to a successful reorganization, as they perform various critical functions, including core network engineering, customer care, external affairs, financial planning and analysis, government sales/contracting, accounting, administrative support, accounts payable, billing operations, compliance (legal and regulatory), corporate development, human resources, information technology, legal, marketing, network operations and maintenance, payroll, procurement, sales, and treasury. The Employees' and Independent Contractors' skills and their knowledge and understanding of the Debtors' operations and infrastructure are essential to the effective operation and reorganization of the Debtors' business.

183. The Employees and Independent Contractors are intimately familiar with the Debtors' business, processes, and systems, possess unique skills, experience, knowledge, and understanding of the Debtors' operations and infrastructure, and/or have developed relationships with vendors that are essential to the Debtors' business. These individuals are not easily replaced,

and their skills are essential to the effective operation of the Debtors' business. Without the continued, uninterrupted services of the Employees and Independent Contractors, the Debtors' business operations would be halted, and the administration of their estates severely disrupted to the detriment of all stakeholders.

184. Further, the vast majority of the Debtors' Employees rely on their compensation and benefits to satisfy their daily living expenses. Consequently, these Employees will be exposed to significant financial difficulties if the Debtors fail to satisfy obligations related to the Compensation and Benefits Programs.

185. *Compensation and Benefits Programs.* Among other things, the Debtors pay and incur a number of obligations related to their Employees and Independent Contractors (as applicable), such as (i) wages, salaries, and/or other compensation and obligations, (ii) payroll service fees, (iii) federal, state, provincial, and withholding and income taxes and other withheld amounts (including, without limitation, wage garnishments, and pre-tax and after-tax deductions), (iv) certain allowed reimbursable expenses incurred in the scope of employment, (v) manager compensation and reimbursement of expenses, (vi) bonus and incentive programs, (vii) employee benefits programs, including (a) health insurance programs (including medical, dental, and vision health plans, the Canadian Comprehensive Benefits Plan, supplemental mental health benefits, and flexible spending programs), (b) other insurance and disability benefits (including life insurance, accidental death and dismemberment insurance, short- and long-term disability coverage, and other voluntary supplemental insurance benefits), (c) workers' compensation insurance, (d) paid leave for, among other things, holidays, personal or family illness, personal days, vacation days, and other leaves of absence, (e) retirement benefits (including 401(k) contributions and the Canadian Defined Contribution Pension Plan), (f) assistance programs (including counseling and

financial assistance and tuition assistance), and (g) severance for non-Insiders, and (viii) other benefits that the Debtors have historically provided in the ordinary course of business.²¹

186. *Bonus Programs and Non-Insider Severance Program.* The Debtors maintain several bonus programs, including the Annual Bonus Program, the Transaction Commission Plan, the Referral Bonus Program, and the Patent Bonus Program, each of which are critical to the Debtors' ability to motivate and reward their Employees and are integral to the Debtors' operations going forward.

187. The Debtors provide the Annual Bonus Program to all eligible employees. The current Annual Bonus Program replaced the Debtors' previous annual bonus program, which was based on Employee and Company performance and in which all Employees received an annual target expressed as a percentage of their base salary. Employees had the opportunity to receive a bonus at, above, or below the target level based on assessment of personal and Company goals. The Annual Bonus Program was modified for 2024 to reflect the need to encourage Employees to continue to perform at high levels over the course of the last year while the Debtors considered various restructuring transactions, thus maximizing the value of the Debtors' business. The 2024 Annual Bonus Program was based on assumed 100% satisfaction of annual target levels, 50% of which was paid quarterly. All quarterly payments under the Annual Bonus Program for 2024 were made prepetition. Under the 2024 Annual Bonus Program, if Ligado consummates a specific transaction, Employees would be entitled to receive the remaining 50% of their annual 2024 target amount. The Debtors have approved a similar program for 2025. Only Employees employed prior

²¹ The summary of the Employee Obligations provided herein and in the Wages Motion is qualified entirely by the Debtors' official policies or other practices, programs, or agreements, whether written or unwritten, evidencing an arrangement among the Debtors and their Employees. In the event of any inconsistency or ambiguity between these summaries and an Official Policy, the terms of such Official Policy shall govern.

to October 1st of any year in which they have earned a bonus under the Annual Bonus Program are eligible to receive such bonus.²²

188. The Debtors also maintain the Ligado Networks LLC Transaction Commission Plan. The Transaction Commission Plan provides a cash payment to participants upon certain debt repayment events or a change in control, with the value of such payments based generally on the aggregate proceeds received from prior sales of assets and, in the case of a change in control, based on the total enterprise value of the Debtors at the time of the change in control. The payments under the Transaction Commission Plan will only be made to the extent of available liquidity and to the extent it would not cause the Debtors to become insolvent; provided that if any payments would cause the Debtors to become insolvent, the participants will instead receive Class A-0 preferred equity, with a value equal to the amount of payment that otherwise would have been made, with such preferred equity to be redeemed in exchange for cash equal to its value upon a future date on which payment would not cause the Debtors to become insolvent. As of the Petition Date, the Debtors estimate that they do not owe any amounts on account of the Transaction Commission Plan. The Debtors will not seek to make any payments under the Transaction Commission Plan absent further order of the Court.

189. Additionally, the Debtors offer a Referral Bonus Program for Employees who refer candidates for employment if such candidates are ultimately hired by the Debtors and remain employed for at least three (3) months. The Debtors also offer a Patent Bonus Program for Employees below the Vice-President level (i) when the Employee receives a determination of the Debtors' Patent Committee that such Employee has submitted a full and complete invention

²² Under Canadian law, employees are deemed to still be employed through the end of any applicable notice of termination of employment period.

disclosure, (ii) if the invention disclosure is filed with the USPTO, and/or (iii) if the filing results in the grant of a patent by the USPTO.

190. The Debtors also provide severance payments for non-Insider Employees. For certain senior-level non-Insider Employees in the United States, the Non-Insider Severance is provided for in the Employee's individual employment agreements and generally provides (i) for a severance payment in an amount equal to one-year base salary, plus one-year performance bonus, based on the relevant Employee's target bonus, payable in equal installments on regular payroll dates and (ii) requires that such Employee execute (a) a general release of claims against the Debtors and (b) in most cases, a non-compete and non-disclosure agreement that typically provides that it will remain in effect for one year following the termination of the Employee's employment. For other U.S. Employees, in situations other than termination for cause, the Non-Insider Severance has been historically based on the applicable Employee's position and years of service and is a minimum of two weeks of pay per year of service.

191. For Canadian Employees, severance is based on both Canadian common law requirements (which include factors such as employee age, position, and ability to mitigate damages by obtaining comparable employment with respect to both position and remuneration) as well as informal internal policy (altogether, the "Canadian Severance"). The Canadian Severance generally provides for payment of (i) approximately 18-24 months' salary for Employees in certain senior positions (i.e. employees with the following words in their job title: Senior, Manager, V.P., Director, Lead), and (ii) approximately 6-12 months' salary for most other Employees.

192. For the avoidance of doubt, the Debtors are not seeking authority to make any payments under the Bonus Programs and/or the Non-Insider Severance Program to any Employee that (i) was appointed or hired directly by the Board; (ii) exercises managerial control

over, or has responsibility for, the Debtors' operations as a whole; (iii) directs the Debtors' overall corporate policy or governance; (iv) has independent control over substantial budgetary amounts; (v) reports to the Board; (vi) is a member of the Board; (vii) participates in meetings of the Board; or (viii) has authority to approve the divestment of substantial corporate assets. I believe that the Debtors should be authorized to continue the Bonus Programs and the Non-Insider Severance Program in the ordinary course of business in order to maintain Employee morale and disincentivize Employees to pursue other employment opportunities. I believe that the costs associated with the Bonus Programs and Non-Insider Severance Program, to the extent any were incurred prepetition, would be greatly outweighed by the potential negative consequences of failing to do so, including the costs of hiring replacement employees.

193. *Need for the Relief Requested in the Wages Motion.* I believe that the maintenance and continuation of the Compensation and Benefits Programs and the related arrangements, as well as the payment of amounts owing in respect thereof, is essential to the success of the Debtors' reorganization. Should the Debtors be unable to pay and honor obligations related to the Compensation and Benefits Programs, I believe attracting qualified talent to replace Employees that might depart would be extremely difficult and most likely require higher salaries, guaranteed bonuses, and overall higher cost compensation packages than are currently provided to the Employees. Without the requested relief, I believe that Employee morale and loyalty could be jeopardized at the time when Employee support and workforce continuity is critical to the Debtors' restructuring efforts, while granting the relief requested will enhance the likelihood of the Debtors' successful rehabilitation and maximize the value of the estates for the benefit of all stakeholders.

194. Additionally, I have been advised that the Debtors have sufficient funds to pay the amounts described in the Wages Motion in the ordinary course of business by virtue of

expected cash flows from ongoing business operations and the anticipated authorization to use cash collateral. Accordingly, I believe the relief requested in the Wages Motion is necessary to avoid immediate and irreparable harm and is in the best interests of the Debtors, their estates, and all parties in interest.

(iii) *Insurance Motion. Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Maintain Insurance Policies and Surety Bond Program and Honor Obligations Thereunder, and (B) Renew, Amend, Supplement, Extend, or Purchase Insurance Policies and Surety Bonds, and (II) Granting Related Relief.*

195. The Debtors seek entry of interim and final orders (i) authorizing them to (a) continue to maintain the Insurance Policies and Surety Bond Program and honor any premiums, deductibles, assessments, and other related payments and fees under the Insurance Policies and the Surety Bond Program, and (b) renew, revise, amend, supplement, extend, or enter into new Insurance Policies and Surety Bonds in the ordinary course of business; and (ii) granting certain related relief.

196. In the ordinary course of business, the Debtors maintain approximately sixteen (16) Insurance Policies that have been obtained from, and are administered by, various third-party Insurance Carriers. These Insurance Policies provide coverage for, among other things: (i) employment practices liability, (ii) general commercial liability for the Debtors' business operations in the United States and Canada, (iii) property losses, (iv) risks associated with business travel outside of the United States and Canada, (v) cargo loss, (vi) special crimes, (vii) directors' and officers' liability, and (viii) excess claims liability.

197. The Debtors prepay the Insurance Premiums on an annual basis. The Debtors estimate that, as of the Petition Date, they do not owe any amounts on account of Insurance Premiums or other payment obligations related to the Insurance Policies. The Debtors also contract with several Insurance Brokers to assist them in obtaining comprehensive insurance

coverage by providing access to specific insurance markets and expertise in certain lines and types of coverage and aiding with the procurement and negotiation of the Insurance Policies on advantageous terms. The Debtors do not pay separate broker fees; rather, all fees incurred by the Debtors in connection with obtaining the Insurance Policies are billed as part of the Insurance Premiums.

198. The Debtors also maintain two Surety Bonds. The bonds are issued by Travelers Insurance on behalf of One Dot Six LLC for the benefit of St. Lucie County of Florida and issued by Trisura Guarantee Insurance Company on behalf of Ligado Networks Corp. for the benefit of Canadian Services Agency. The principal amount of the Travelers Surety Bond is approximately \$5,000 and the principal amount of the Trisura Surety Bond is approximately \$17,361 (\$25,000 CAD). The annual premium due to Travelers on account of the Travelers Surety Bond is \$100 and the annual premium due to Trisura on account of the Trisura Surety Bond is \$365 (\$525 CAD). As of the Petition Date, the Debtors do not believe that they owe any prepetition amounts on account of the Surety Bond Program.

199. I believe that the Insurance Policies and the Surety Bond are essential to the preservation of the value of the Debtors' businesses, property, and assets and are required under the Debtors' prepetition credit agreements. Failure to pay premiums for the Insurance Policies and the Surety Bond when due may harm the Debtors' estates in several ways, including the loss of coverage and subsequent need to obtain replacement insurance and bonding on an emergency basis, likely at a higher price. Accordingly, I believe that the relief sought in the Insurance Motion is in the best interests of the Debtors and their estates and creditors.

- (iv) Taxes Motion. Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Payment of Certain Taxes and Fees and (II) Granting Related Relief.

200. The Debtors seek entry of interim and final orders authorizing, but not directing, them to satisfy, pay, or use credits to offset, the Taxes and Fees that arose prior to the Petition Date (whether due and owing before or after the Petition Date), including all Taxes subsequently determined by audit or otherwise to be owed for periods prior to the Petition Date and to satisfy, pay, or use credits to offset any postpetition amounts that become due to the Authorities in the ordinary course of business during these cases.

201. The Debtors (i) collect, withhold, incur, pay, and/or use credits to offset a variety of Taxes, including, without limitation, U.S. and Canadian federal, state, provincial, territorial, and municipal taxes, sales and use taxes, real and personal property taxes, franchise taxes, and other Taxes and (ii) are charged certain regulatory assessments and fees, including, without limitation, annual reporting fees, FCC fees, Industry Science and Economic Development fees, and other fees, charges, and assessments, by various taxing, licensing, and other regulatory authorities.

202. As of the Petition Date, the Debtors estimate that they have accrued approximately \$160,000 in unpaid Taxes and Fees, approximately \$55,000 of which will become due and payable within the thirty (30) days following the Petition Date.

203. Payment of the Taxes and Fees is imperative to preserving the value of the estates and the Debtors' continued operation and ability to restructure. The Debtors' failure to pay the Taxes and Fees could materially and adversely impact the Debtors' business operations in several ways. The Authorities may initiate audits of the Debtors, which would unnecessarily divert the Debtors' attention from the tasks required by the reorganization process at a critical time for the Debtors' business. The Authorities may also attempt to suspend the Debtors' operations, file

liens, seek to lift the automatic stay, and pursue other remedies that will be administratively burdensome to the Debtors' estates. Additionally, under U.S. and Canadian law, if certain Prepetition Taxes and Fees remain unpaid, the Authorities may seek to recover such amounts directly from the Debtors' directors and officers, which will divert their attention from the administration of these cases. The payment of the Prepetition Taxes and Fees will benefit the Debtors' estates and creditors by, among other things, (i) permitting the Debtors to continue operating their businesses without interruption, (ii) reducing the amount and priority of claims that could be asserted against the Debtors' estates, and (iii) preventing the Debtors from incurring late fees, penalties, and other charges. Furthermore, counsel informs me that certain directors and officers could be subject to personal liability, which would likely distract those key personnel from their duties related to the Debtors' restructuring efforts. Moreover, counsel further informs me that the Debtors' failure to pay some of the Fees to the Authorities and other relevant third parties may (i) cause the Debtors to incur late fees, penalties, and other charges and (ii) result in a loss of the Debtors' licenses, which, in turn, could bring the Debtors' operations to a halt.

204. Accordingly, I believe that payment of the prepetition Taxes and Fees is amply justified.

- (v) *Utilities Motion. Debtors' Motion for Entry of Interim and Final Orders (I) Approving the Proposed Adequate Assurance of Payment for Future Utility Services and Related Procedures, (II) Prohibiting Utility Companies to Alter, Refuse, or Discontinue Services, and (III) Granting Related Relief.*

205. The Debtors seek entry of interim and final orders (i) approving the proposed adequate assurance of payment for future Utility Services and the Adequate Assurance Procedures; (ii) prohibiting Utility Companies to alter, refuse, or discontinue services to the Debtors; and (iii) granting certain related relief.

206. Preserving Utility Services on an uninterrupted basis is essential to the Debtors' ongoing operations and, therefore, to the success of their reorganization. Indeed, any interruption in Utility Services, even for a brief period of time, would disrupt the Debtors' ability to continue operations and service their customers. Such a disruption is sure to adversely impact customer relationships and result in a decline in the Debtors' revenues and profits, which could jeopardize the Debtors' reorganization efforts and, ultimately, creditor recoveries. Therefore, it is critical that Utility Services continue uninterrupted during these chapter 11 cases.

207. I am told that, to the best of the Debtors' knowledge, there are no defaults or arrearages with respect to the undisputed invoices for prepetition Utility Services. On average, the Debtors spent, in the aggregate, approximately \$140,000 per month on utility costs through the Utility Companies over the past twelve (12) months. As of the Petition Date, the Debtors estimate that approximately \$54,800 in utility costs may be outstanding.

208. I believe that cash held by the Debtors on the Petition Date and cash generated postpetition in the ordinary course of business will provide sufficient liquidity to pay the Debtors' obligations on account of the Utility Services in accordance with prepetition practice. Nevertheless, to provide additional assurance of payment to the Utility Companies, the Debtors propose to deposit, within twenty (20) days after entry of the Interim Order, an aggregate amount of approximately \$70,000 into the Adequate Assurance Account for the duration of these cases, which amount is sufficient to cover one half of the Postpetition Monthly Cost and may be applied to any postpetition defaults in the payment to the Utility Companies.

209. The Adequate Assurance Procedures provide a streamlined process for the Utility Companies to address their potential concerns regarding the Proposed Adequate Assurance, while allowing the Debtors to administer their estates uninterrupted.

210. I believe that the Proposed Adequate Assurance and the Adequate Assurance Procedures are adequate and should be approved.

- (vi) *DIP Motion. Debtors' Motion For Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Use Cash Collateral, (II) Granting Liens and Superpriority Administrative Expense Claims, (III) Granting Adequate Protection; (IV) Modifying the Automatic Stay; (V) Scheduling a Final Hearing, and (VI) Granting Related Relief.*

211. The Debtors seek entry of interim and final orders (i) authorizing, but not directing, the Debtors to (a) obtain postpetition financing and (b) use cash collateral, (ii) granting liens and superpriority administrative expense claims, (iii) granting adequate protection, (iv) modifying the automatic stay, (v) scheduling a final hearing, and (vi) granting related relief. The DIP Motion is supported by the *Declaration of Bruce Mendelsohn in Support of Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Use Cash Collateral; (II) Granting Liens and Superpriority Administrative Expense Claims; (III) Granting Adequate Protection; (IV) Modifying the Automatic Stay; (V) Scheduling a Final Hearing; and (VI) Granting Related Relief* (the "DIP Declaration"). The DIP Motion sets forth the Debtors' proposed financing, which contemplates financing in the form of \$939,133,507 in term loans to be funded as follows: (a) new money term loans to be made in (i) an Initial Draw of \$12,000,000 following the entry of the Interim DIP Order, and (ii) after the entry of the Final DIP Order, subsequent new money term loan draws in an aggregate principal amount of \$429,999,891 which will be available, subject to satisfaction of certain milestones and conditions precedent, and (b) a roll-up of prepetition 1L Debt Obligations (other than 1L First Out Obligations) in the aggregate principal amount of between \$441,999,891 - 497,133,616 upon entry of the Final Order upon the terms and conditions set forth in the proposed DIP Order. As discussed in more detail in the DIP Declaration, the proposed financing (a) is the best financing available under the circumstances, (b) will provide the Debtors with liquidity that

is immediately and critically needed, and (c) is essential to the efficient reorganization and success of the Debtors' Chapter 11 Cases.

Section 5. *Transfer of Claims and Interests.*

(a) During the Agreement Effective Period, no Consenting Stakeholder shall sell, use, pledge, assign, transfer, permit the participation in, or otherwise dispose of (each, a “Transfer”) any ownership (including any beneficial ownership⁷) in the Claims/Interests to any affiliated or unaffiliated party, including any party in which it may hold a direct or indirect beneficial interest, unless (a transferee that satisfies such requirement, a “Permitted Transferee,” and such Transfer, a “Permitted Transfer”):

⁷ As used herein, the term “beneficial ownership” means the direct or indirect economic ownership of, and/or the power, whether by contract or otherwise, to direct the exercise of the voting rights and the disposition of, the Claims/Interests or the right to acquire such claims or interests.

(i) the intended transferee is (A) another Consenting Stakeholder or (B)(1) a qualified institutional buyer as defined in Rule 144A of the Securities Act of 1933, as amended (the “Securities Act”) (such qualified institutional buyer, a “QIB”), (2) not a U.S. person (as defined in Regulation S of the Securities Act) (a “Non-U.S. Person”), (3) an institutional accredited investor (as defined in Rule 501(a)(1), (2), (3), (7), (8), (9), (12), and (13) under the Securities Act) (such institutional accredited investor, an “Institutional Accredited Investor”), or (4) an affiliate of a Consenting Stakeholder, and in each case of clauses (A) and (B), such intended transferee executes and delivers to each of the Company Advisors, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors, on the terms set forth below, an executed form of the transfer agreement in the form attached hereto as **Exhibit B** (a “Transfer Agreement”) before such Transfer is effective (it being understood that any Transfer shall not be effective as against the Company until notification of such Transfer and a copy of the executed Transfer Agreement is received by counsel to the Company, in each case, on the terms set forth herein); *provided*, that in each case, this Agreement and any vote in favor of the Plan by such transferring Consenting Stakeholder shall be binding upon the Permitted Transferee.

(b) Notwithstanding Section 5(a), a Qualified Marketmaker⁸ that acquires any right, title, or interest in any Claims/Interests subject to Section 5 of this Agreement while acting in its capacity as a Qualified Marketmaker for such Claims/Interests shall not be required to execute and deliver to each the Company Advisors, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors a Transfer Agreement in respect of such Claims/Interests or be a Permitted Transferee if such Qualified Marketmaker transfers the right, title, or interest in such Claims/Interests within ten (10) business days of its acquisition to a transferee that (A) is a Permitted Transferee at the time of such Transfer or (B) becomes a Permitted Transferee by the date of settlement of such Transfer and, in each case, the Transfer is otherwise permitted under Section 5.

⁸ As used herein, the term “Qualified Marketmaker” means an entity that (a) holds itself out to the public or the applicable private markets as standing ready in the ordinary course of business to purchase from customers and sell to customers claims against or interests in the Company (including debt securities or other debt) or enter with customers into long and short positions in claims against or interests in the Company (including debt securities or other debt), in its capacity as a dealer or market maker in such claims against or interests in the Company, and (b) is, in fact, regularly in the business of making a market in claims against or interests in issuers or borrowers (including debt securities or other debt).

(c) The Transfer shall not, in the reasonable business judgment of the Company and its legal advisors, in consultation with the Ad Hoc First Lien Group Advisors and the Ad Hoc Crossholder Group Advisors, materially and adversely affect the Company's ability to obtain the regulatory consents or approvals necessary to effectuate the Restructuring; *provided*, that (a) the Company's review and confirmation shall not be unreasonably withheld and such review shall be solely limited to issues arising from the Company's ability to obtain regulatory consents and approvals and (b) the Company shall provide such review and confirmation no later than five business days after receiving notice and a copy of an executed Transfer Agreement (or a Transfer Agreement to be executed upon confirmation from the Company pursuant to this provision); *provided, further*, that this restriction set forth in this Section 5(c) shall not apply to a Permitted Transfer that is an internal transfer between affiliates so long as both parties to the assignment are already parties to this Agreement.

(d) Notwithstanding Section 5(a), to the extent that a Consenting Stakeholder is acting in its capacity as a Qualified Marketmaker, it may Transfer any right, title, or interest in any Claims/Interests that such Consenting Stakeholder, in its capacity as a Qualified Marketmaker, acquires from a holder of Claims/Interests that is not a Consenting Stakeholder without the requirement that the transferee execute and deliver to the Company Advisors, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors a Transfer Agreement in respect of such Claims/Interests or be a Permitted Transferee.

(e) Notwithstanding Section 5(b) above, a Qualified Marketmaker may Transfer any right, title, or interest in any Claims/Interests that it acquires from a Consenting Stakeholder to another Qualified Marketmaker (the "Transferee Qualified Marketmaker") without the requirement that the Transferee Qualified Marketmaker execute and deliver to each of the Company Advisors, the Ad Hoc Crossholder Group Advisors, and the Ad Hoc First Lien Group Advisors, a Transfer Agreement in respect of such Claims/Interests or be a Permitted Transferee, if such Transferee Qualified Marketmaker transfers the right, title, or interest in such Claims/Interests within ten (10) business days of its acquisition from the Qualified Marketmaker to a transferee that (A) is a Permitted Transferee at the time of such Transfer or (B) becomes a Permitted Transferee by the date of settlement of such Transfer and, in each case, the Transfer is otherwise permitted under Section 5.

(f) This Agreement shall in no way be construed to preclude the Consenting Stakeholders from acquiring additional Claims/Interests; *provided* that (i) any Consenting Stakeholder that acquires additional Claims/Interests during the Agreement Effective Period shall execute and deliver a Transfer Agreement to each of the Company Advisors, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors before such Transfer is effective and such Transfer is otherwise a Permitted Transfer, and (ii) such additional Claims/Interests shall automatically and immediately upon acquisition by a Consenting Stakeholder be deemed subject to the terms of this Agreement.

(g) This Section 5 shall not impose any obligation on the Company to issue any "cleansing letter" or otherwise publicly disclose information for the purpose of enabling a Consenting Stakeholder to Transfer any Claims/Interests.

(h) Any Transfer made in violation of this Section 5 shall be void *ab initio*. Any Consenting Stakeholder that effectuates a Permitted Transfer to a Permitted Transferee shall have no liability under this Agreement arising from or related to the failure of the Permitted Transferee to comply with the terms of this Agreement.

(i) In addition, other than pursuant to a Permitted Transfer, any holder of Claims/Interests may become a Party, and become a Consenting Stakeholder, by executing and delivering a Joinder Agreement in the form attached hereto as Exhibit C to counsel to the Company.

(j) Notwithstanding anything to the contrary in this Section 5, the restrictions on Transfer set forth in this Section 5 shall not apply to the grant of any liens or encumbrances on any claims and interests in favor of a bank or broker-dealer holding custody of such claims and interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such claims and interests.

Section 6. *Representations and Warranties of Consenting Stakeholders.* Each Consenting Stakeholder, severally, and not jointly, represents and warrants that:

(a) it is the beneficial owner of the face amount of the Claims/Interests, or is the nominee, investment manager, or advisor for beneficial holders of the Claims/Interests, as reflected in such Consenting Stakeholder's signature block to this Agreement (or below its name on the signature page of a Transfer Agreement or a Joinder Agreement for any Consenting Stakeholder that becomes a party hereto after the date hereof) (such Claims/Interests, the "Owned Claims/Interests"); *provided* that no Consenting Stakeholder shall be required to include in its Claims/Interests identified on its signature page hereto any amount that is subject to an open trade as of the date hereof, and, notwithstanding anything herein to the contrary, such amounts shall not be subject to the terms of this Agreement unless such Claims/Interests are identified on such Consenting Stakeholder's signature page hereto or acquired by a Consenting Stakeholder after the date hereof.

(b) it has the full power and authority to act on behalf of, vote, and consent to matters concerning the Owned Claims/Interests;

(c) the Owned Claims/Interests are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would adversely affect in any way such Consenting Stakeholder's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed;

(d) (i) it is either (A) a QIB, (B) an Institutional Accredited Investor, (C) a Non-U.S. Person, or (D) the foreign equivalent of (A) or (B) above, and (ii) any securities of the Company acquired by the applicable Consenting Stakeholder in connection with the Restructuring will have been acquired for investment and not with a view to distribution or resale in violation of the Securities Act; and

10.05. Mutual Termination. This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual agreement among each of the Company, the Required Consenting Creditors, and AST.

10.06. Automatic Termination. This Agreement shall terminate automatically without any further required action or notice on (i) the Plan Effective Date; or (ii) with respect to AST, upon the automatic termination of the AST Term Sheet as provided therein, unless the AST Definitive Agreements have been executed and supersede such AST Term Sheet.

10.07. Individual Termination. Any individual Consenting Stakeholder or AST may terminate this Agreement as to itself only, upon written notice to the Company, delivered in accordance with Section 14.09 hereof, if the Plan Effective Date has not occurred by the date that is 120 calendar days after the Outside Date (the "Individual Termination Transaction Outside Date").

10.08. Effect of Termination. No Party may terminate this Agreement if such Party failed to perform or comply in all material respects with the terms and conditions of this Agreement, with such failure to perform or comply directly or indirectly causing, or resulting in, the occurrence of the termination event on which such termination is based. The date on which termination of this Agreement as to a Party is effective in accordance with any of Sections 10.01-10.07 shall be referred to

as a “Termination Date.” Upon the occurrence of a Termination Date as to a Party, this Agreement shall be of no further force and effect and each Party subject to such termination shall be released from its commitments, undertakings, and agreements under or related to this Agreement and shall have the rights and remedies that it would have had, had it not entered into this Agreement, and shall be entitled to take all actions, whether with respect to the Restructuring or otherwise, that it would have been entitled to take had it not entered into this Agreement; *provided* that in no event shall any such termination relieve a Party for liability for its breach or non-performance of its obligations hereunder that arose prior to the date of such termination or any obligations hereunder that expressly survive termination of this Agreement under Section 11 hereof. Upon the occurrence of a Termination Date, any and all consents or ballots tendered by the Parties subject to such termination before a Termination Date shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring and this Agreement or otherwise. Notwithstanding anything to the contrary, nothing in this Agreement shall be construed to prohibit the Company, any of the Consenting Stakeholders, or AST from contesting whether any termination is in accordance with the terms of this Agreement or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date. Nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict (a) any right of the Company or the ability of the Company to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims (if any) against any Consenting Stakeholder or AST, (b) any right of any Consenting Stakeholder, or the ability of any Consenting Stakeholders, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its Claims against any Company entity or claims (if any) against any other Consenting Stakeholders or AST, and (c) any right of AST, or the ability of AST, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its Claims against any Company entity or claims (if any) against any other Consenting Stakeholders. If this Agreement terminates at any time during which, absent the Company’s consent, Bankruptcy Court approval would otherwise be required to change any ballots submitted or votes cast in connection with confirmation of the Plan, the Company shall be deemed to consent to any Consenting Stakeholder’s modification or withdrawal of any ballots or votes previously submitted or cast by such Consenting Stakeholder and such ballots or votes may be changed or resubmitted regardless of whether the applicable voting deadline has passed (without the need to seek an order of a court of competent jurisdiction or consent from the Company or any other applicable Party allowing such change or resubmission). Nothing in this Section 10.08 shall restrict the Company’s right to terminate this Agreement in accordance with Section 10.04(f), the Required Consenting First Lien Group Creditors’ right to terminate this Agreement in accordance with Section 10.01(e) hereof, the Required Consenting Crossholder Group Creditors’ right to terminate this Agreement in accordance with Section 10.02(e) hereof, or AST’s right to terminate this Agreement in accordance with Section 10.03(e) hereof.

10.09. Automatic Stay. The Company acknowledges that, after the commencement of the Chapter 11 Cases, the giving of notice of default or termination by any other Party pursuant to this Agreement shall not be a violation of the automatic stay under section 362 of the Bankruptcy Code or any stay imposed by the Canadian Court, and the Company hereby waives, to the fullest extent permitted by law, the applicability of the automatic stay as it relates to any such notice being provided; *provided* that nothing herein shall prejudice any Party’s rights to argue that the giving of notice of default or termination was not proper under the terms of this Agreement.

Section 11. *Survival*. Notwithstanding the termination of this Agreement pursuant to Section 10, the agreements and obligations of the Parties in Section 10.08, Section 14, Section

15, and Section 17, and any defined terms needed for the interpretation of any such Sections, shall survive such termination and shall continue in full force and effect in accordance with the terms hereof.

Section 12. *No Solicitation; Fiduciary Duties.*

Promptly, and in any event within 24 hours, after the commencement of the Agreement Effective Period, the Company shall terminate access by any Person (other than AST and AST's representatives) to any physical or electronic dataroom relating to a potential Alternative Commercial Transaction Proposal (or prior discussions in respect of a potential Alternative Commercial Transaction Proposal) and request that each Person (other than AST and AST's representatives) that has executed a confidentiality agreement relating to a potential Alternative Commercial Transaction Proposal promptly return to the Company or destroy all non-public documents and materials containing non-public information of the Company that has been furnished by the Company or any of its representatives to such Person pursuant to the terms of such confidentiality agreement.

12.02. During the period beginning on the Agreement Effective Date and ending on the date the AST Definitive Agreements Order is entered, as promptly as practicable, and in any event within 24 hours, following receipt of an Alternative Commercial Transaction Proposal, the Company shall provide AST, the Ad Hoc First Lien Group Advisors and the Ad Hoc Crossholder Group Advisors with written notice thereof, which notice shall indicate the identity of the Person making such Alternative Commercial Transaction Proposal and the material terms and conditions thereof. Thereafter, the Company shall keep AST, the Ad Hoc First Lien Group Advisors and the Ad Hoc Crossholder Group Advisors reasonably informed on a prompt and timely basis with respect to the status of or material terms and conditions of any such Alternative Commercial Transaction Proposal (including any amendments or proposed amendments to such terms). The Company shall promptly (and in any event within 24 hours following receipt or delivery thereof) provide AST, the Ad Hoc First Lien Group Advisors and the Ad Hoc Crossholder Group Advisors with copies of all written Alternative Commercial Transaction Proposals and all materials (including draft and proposed financing documents) relating to any Alternative Commercial Transaction Proposal that, in each case, are either (a) received

by the Company or any of its representatives from the Person(s) making any such Alternative Commercial Transaction Proposal or any of its representatives or (b) delivered by the Company or any of its Representatives to such Person(s) or any of its or their representatives.

12.03. Notwithstanding anything to the contrary set forth in this Section 12, at any time during the period beginning on the Agreement Effective Date and ending on the date the AST Definitive Agreements Order is entered, if (a) the Company has received a written, *bona fide* Alternative Commercial Transaction Proposal from any Person that did not result from a breach of this Section 12 and (b) the board of managers of Parent (the “Parent Board”) determines in good faith, after consultation with its independent financial advisor and outside legal counsel, that such Alternative Commercial Transaction Proposal constitutes or is reasonably likely to lead to a Superior Commercial Transaction Proposal and that the failure to take such action described in clause (i), (ii) or (iii) below would be inconsistent with its fiduciary duties under applicable law, then the Company may (i) enter into an Acceptable Confidentiality Agreement with such Person, (ii) furnish information with respect to the Company to the Person making such Alternative Commercial Transaction Proposal and its representatives (*provided*, that the Company shall concurrently provide or make available to AST any non-public information concerning the Company that is provided to such Person and that was not previously provided or made available to AST) and (iii) participate and engage in discussions or negotiations with, or facilitate or assist any effort by, the Person making such Alternative Commercial Transaction Proposal and its representatives regarding such Alternative Commercial Transaction Proposal.

12.04. Notwithstanding the foregoing or anything to the contrary set forth in this Agreement, the Parent Board may, in response to (x) the receipt of a written, *bona fide* Alternative Commercial Transaction Proposal received during the Agreement Effective Period that did not result from a material breach of this Section 12, or (y) the occurrence of an Intervening Event, terminate this Agreement pursuant to Section 10.04(f); *provided*, that prior to such termination, (a) the Parent Board determines in good faith, after consultation with its independent financial advisor and outside legal counsel, that the failure to so terminate this Agreement would be inconsistent with its fiduciary duties under applicable law, (b) in the case of receipt of an Alternative Commercial Transaction Proposal, the Parent Board determines in good faith, after consultation with its independent financial advisor and outside legal counsel, that such Alternative Commercial Transaction Proposal constitutes a Superior Commercial Transaction Proposal, (c) the Company provides written notice to AST, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors at least fifteen (15) business days (or, if such notice to AST is delivered following entry of the Break-Up Fee Order, ten (10) business days) prior to terminating this Agreement pursuant to Section 10.04(f), of its intent to take such action, specifying the reasons therefor, including, in the case of receipt of an Alternative Commercial Transaction Proposal, the material terms and conditions of such Alternative Commercial Transaction Proposal (including a copy of all binding agreements (and drafts thereof) in respect thereof and any other relevant proposed transaction documentation (including any financing commitments) (a “Termination Notice”), (d) prior to terminating this Agreement pursuant to Section 10.04(f), the Company negotiates, and causes its representatives to negotiate, with AST in good faith (to the extent AST desires to negotiate) during such ten (10) or fifteen (15) business day period (as applicable) to enable AST to propose amendments to the terms and conditions of this Agreement that would obviate the basis for the termination of this Agreement and (e) no earlier than the end of such ten (10) or fifteen (15) business day period (as applicable) (i) the Parent Board determines in good faith, after consultation with its independent financial advisor and outside legal counsel, after considering any amendments to the terms and

conditions of this Agreement proposed by AST during such ten (10) or fifteen (15) business day period (as applicable) that the failure to terminate this Agreement pursuant to Section 10.04(f) would be inconsistent with its fiduciary duties under applicable law and (ii) in the case of receipt of an Alternative Commercial Transaction Proposal, that such Alternative Commercial Transaction Proposal is a binding written offer capable of acceptance by the Company and continues to constitute a Superior Commercial Transaction Proposal. Following delivery of a Termination Notice in the case of an Alternative Commercial Transaction Proposal, in the event of any change to the financial terms (including any change to the amount or form of consideration payable) or other material revision to the terms or conditions of such Alternative Commercial Transaction Proposal, the Company shall provide a new Termination Notice to AST, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors, and any termination of this Agreement pursuant to Section 10.04(f) following delivery of such new Termination Notice shall again be subject to clauses (a) through (e) of the immediately preceding sentence, except that references to a ten (10) or fifteen (15) business day period (as applicable) shall be deemed to be five (5) business days.

12.05. As used in this Agreement:

(a) “Alternative Commercial Transaction” means any sale of a material portion of assets, plan proposal or other transaction of similar effect (in each case, outside of the ordinary course of business), other than in accordance with or in furtherance of the AST Transaction.

(b) “Alternative Commercial Transaction Proposal” means any plan, inquiry, proposal, offer, bid, term sheet, discussion or agreement with respect to any Alternative Commercial Transaction.

(c) “Intervening Event” means an event, change, or development that does not relate to an Alternative Commercial Transaction Proposal.

(e) “Acceptable Confidentiality Agreement” means any confidentiality agreement containing provisions limiting the disclosure and use of non-public information of or with respect to the Company that are, in each case, no less favorable to the Company than the terms of the confidentiality agreement between Parent and AST, dated as of January 18, 2022.

“Person” means any “person” as defined in section 101(41) of the Bankruptcy Code.

12.06. Subject to, and without limiting in any respect the obligations of the Company and its representatives set forth in, Sections 12.01, 12.02, 12.03, 12.04, and 12.05 of this Agreement with respect to an AST Transaction, an Alternative Commercial Transaction Proposal, a Superior Commercial Transaction Proposal, or an Intervening Event, nothing in this Agreement shall require the

Company, and the Company’s directors, managers, and officers to take or refrain from taking any action with respect to the Restructuring (including, without limitation, terminating this Agreement under Section 10) to the extent such person or persons determine, based on the advice of counsel, that taking, or refraining from taking, such action, as applicable, would be inconsistent with applicable law or its fiduciary obligations under applicable law. The Company shall give prompt (and to the extent reasonably practicable under the circumstances, prior) written notice to the Ad Hoc First Lien Group Advisors, the Ad Hoc Crossholder Group Advisors, and AST of any determination made in accordance with this Section 12.06. Notwithstanding anything to the contrary herein, (a) each Consenting Stakeholder and AST reserves its rights to challenge any action or inaction by the Company in reliance on this Section 12.06, and (b) nothing in this Section 12.06 shall impede any Consenting Stakeholder’s or AST’s right to terminate this Agreement pursuant to Section 10 of this Agreement.

12.07. The Parties agree that the Company’s right to deliver a notice pursuant to Section 12.06 (or otherwise terminate this Agreement) in respect of its fiduciary out shall terminate upon entry of the AST Definitive Agreements Order and the AST Definitive Agreements Order shall expressly so provide.

12.08. For the avoidance of doubt, nothing contained in this Section 12 shall prohibit or impair the Company’s ability to engage in or enter into (a) any discussions or transactions concerning Ligado’s existing commercial agreements or coordination agreements or any agreements Ligado enters into in the ordinary course related to the use of the Spectrum for MSS on Ligado’s Skyterra-1 satellite or any modifications or amendments thereto; *provided* that any such discussions, transactions, or applicable agreements (i) include commercially reasonable termination rights and (ii) would not otherwise adversely affect in any material respect the AST Transaction; (b) any discussions concerning the spectrum related to Ligado’s U.S. Government takings litigation; or (c) any discussions or transactions related to the 1670-1675 MHz spectrum that Ligado leases; *provided* that any such discussions, transactions, or applicable agreements (i) include commercially reasonable termination rights and (ii) would not otherwise adversely affect in any material respect the AST Transaction. For the avoidance of doubt, none of the transactions provided for in this section shall constitute an Alternative Commercial Transaction.

Section 13. Amendments. This Agreement may not be modified, amended, or supplemented in any manner except in writing signed by each of the Company, the Required Consenting Creditors, and AST (solely with respect to any modification, amendment, or supplement that has a material effect on the AST Transaction); *provided* that any waiver, modification, amendment, or supplement to the Definitive Documents shall be governed by Section 3(b) hereof; *provided further* that (a) any waiver, modification, amendment, or supplement that materially, disproportionately, and adversely affects the economic recoveries, treatment, and/or rights of any Consenting Stakeholder compared to the economic recoveries, treatment, and/or rights of any other similarly situated Consenting Stakeholder (after taking into account each Consenting Stakeholder’s respective holdings of Claims/Interests in the Company and the recoveries contemplated by the Restructuring Term Sheet) shall require the prior written consent of such Consenting Stakeholder, (b) any amendment or modification of this Section 13 or the definition of “Required Consenting First Lien Group Creditors” shall require the consent of each Consenting First Lien Group Creditor and AST (solely with respect to any amendment or modification of this Section 13 or such definition that shall have the effect of permitting a material amendment or modification of this Agreement that has a material effect on the AST Transaction), and (c) any amendment or modification of this Section 13 or the definition of

“Required Consenting Crossholder Group Creditors” shall require the consent of each Consenting Crossholder Group Creditor and AST (solely with respect to any amendment or modification of this Section 13 or such definition that shall have the effect of permitting a material amendment or modification of this Agreement that has a material effect on the AST Transaction). Any proposed modification, amendment, or supplement that is not approved by the requisite Parties as set forth above shall be ineffective and void *ab initio*.

Section 14. *Miscellaneous.*

14.01. Further Assurances. Subject to the other terms of this Agreement, the Parties agree to execute and deliver such other instruments and perform such acts, in addition to the matters herein specified, as may be reasonably appropriate or necessary, or as may be required by order of the Bankruptcy Court or the Canadian Court, from time to time, to effectuate the Restructuring, as applicable.

14.02. Complete Agreement. This Agreement constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral, or written, among the Parties with respect thereto.

14.03. Headings. The headings of all sections of this Agreement are inserted solely for the convenience of reference and are not a part of and are not intended to govern, limit, or aid in the construction or interpretation of any term or provision hereof.

14.04. GOVERNING LAW; SUBMISSION TO JURISDICTION; SELECTION OF FORUM; WAIVER OF TRIAL BY JURY. THIS AGREEMENT IS TO BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED IN SUCH STATE. Each Party hereto agrees that it shall bring any action or proceeding in respect of any claim arising out of or related to this Agreement in either the United States District Court for the Southern District of New York or any New York state court, or in each case any court of proper appellate jurisdiction (the “Chosen Courts”), and solely in connection with claims arising under this Agreement: (a) irrevocably submits to the exclusive jurisdiction of the Chosen Courts; (b) waives any objection to laying venue in any such action or proceeding in the Chosen Courts; and (c) waives any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction over any Party hereto or constitutional authority to finally adjudicate the matter; *provided* that if the Company commences the Chapter 11 Cases and Recognition Proceedings, then the Bankruptcy Court or the Canadian Court, as applicable, (or court of proper appellate jurisdiction) shall be the exclusive Chosen Courts.

14.05. Trial by Jury Waiver. EACH PARTY HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

14.06. Execution of Agreement. This Agreement may be executed and delivered in any number of counterparts and by way of electronic signature and delivery, each such counterpart, when executed and delivered, shall be deemed an original, and all of which together shall constitute the same agreement. Except as expressly provided in this Agreement, each individual executing this Agreement

on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

14.07. Interpretation and Rules of Construction. This Agreement is the product of negotiations among the Company, the Consenting Stakeholders, and AST and in the enforcement or interpretation hereof, is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion hereof, shall not be effective in regard to the interpretation hereof. The Company, the Consenting Stakeholders, and AST were each represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel. In addition, this Agreement shall be interpreted in accordance with section 102 of the Bankruptcy Code.

14.08. Successors and Assigns. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors and permitted assigns, as applicable. or such other address as may have been furnished by a Party to each of the other Parties by notice given in accordance with the requirements set forth above. Any notice given by delivery, mail (electronic or otherwise), or courier shall be effective when received.

14.10. Independent Due Diligence and Decision Making. Each Party hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions, and prospects of the Company. Each Party hereby confirms that it has not relied upon the investigation of any Company Advisor and acknowledges and agrees that the Company Advisors are not verifying the Company's information and are not making any representation or warranty with respect to any information provided by or on behalf of the Company.

14.11. Reservation of Rights; No Waiver. If the Restructuring is not consummated, or if this Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict the ability of each of the Parties to protect and preserve its rights, remedies, and interests, including its claims against any of the other Parties (or their respective affiliates or subsidiaries) or its full participation in any bankruptcy case filed by the Company or any of its affiliates and subsidiaries, so long as such participation and the positions advocated in connection therewith are consistent with this Agreement. This Agreement is part of a proposed settlement of matters that could otherwise be the subject of litigation among the Parties. Pursuant to Federal Rule of Evidence 408, any applicable state rules of evidence, and any other applicable law, foreign or domestic, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms, pursue the consummation of the Restructuring, or the payment of

damages to which a Party may be entitled under this Agreement. This Agreement shall in no event be construed as or be deemed to be evidence of an admission or concession on the part of any Party of any claim or fault or liability or damages whatsoever. Each of the Parties denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses which it has asserted or could assert.

14.12. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of the Bankruptcy Court, the Canadian Court, or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

14.13. Several, Not Joint, Claims. The agreements, representations, warranties, and obligations of the Consenting Stakeholders and AST under this Agreement are, in all respects, several and not joint.

14.14. Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

14.15. Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

14.16. Capacities of Consenting Stakeholders. Each Consenting Stakeholder and AST has entered into this agreement on account of all Claims/Interests that it holds (directly or through discretionary accounts that it manages or advises) and, except where otherwise specified in this Agreement, shall take or refrain from taking all actions that it is obligated to take or refrain from taking under this Agreement with respect to all such Claims/Interests.

14.17. E-mail Consents/Waivers. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, including a written approval by the Company or any Consenting Stakeholders, or AST, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

14.18. Good Faith Cooperation. The Parties shall cooperate with each other in good faith and shall coordinate their activities (to the extent practicable) in respect of all matters concerning the implementation and consummation of the Restructuring.

14.19. Fortress/Mubadala Relationship. Notwithstanding anything to the contrary contained in this Agreement, Mubadala Investment Company (“Mubadala”) and members of the Mubadala Group⁹ shall not be deemed to be affiliates of Fortress Credit Corp. or of its affiliates.

Section 15. *Break-Up Fee.*

15.01. Break-Up Fee and Conditions for Payment.

(a) Each Party acknowledges that the agreements contained in this Section 15 are an integral part of this Agreement and that, without these agreements, AST would not enter into this Agreement. AST represents to the Company that this Section 15 is a condition precedent to AST’s execution of this Agreement and is necessary to ensure that AST will continue to pursue the proposed AST Transaction hereunder, and the Company acknowledges that the Break-Up Fee and the Break-Up Reimbursements, if payable hereunder, (i) constitute actual and necessary costs and expenses of preserving the Company’s estates, within the meaning of section 503(b) of the Bankruptcy Code, (ii) are of substantial benefit to the Company’s estates, (iii) are reasonable and appropriate, including in light of the size and nature of the AST Transaction contemplated hereby and the efforts that have been or will be expended by AST, and (iv) were negotiated by the Parties at arm’s-length and in good faith.

(b) In consideration for AST having expended considerable time and resources in connection with this Agreement and the negotiation thereof and of the AST Transaction, in the event the Company consummates an Alternative Commercial Transaction and following entry of the Break-Up Fee Order, the Company shall pay or cause to be paid directly to AST or its designee, within five (5) Business Days following the date of such consummation, a break-up fee in an amount equal to \$200 million (the “Break-Up Fee”); *provided* that the Company’s obligation to pay the Break-Up Fee shall be subject to the limitations set forth in Section 15.01(c).

(c) Notwithstanding the foregoing or anything to the contrary in this Agreement (including with respect to termination of this Agreement), the Company shall be required to pay the Break-Up Fee if the following conditions are met:

(i) either (A) the Company, the Required Consenting First Lien Group Creditors, or the Required Consenting Crossholder Group Creditors terminate this Agreement, other than on account of a material breach by AST, or (B) AST terminates this Agreement (1) on account of a material breach by the Company, the Required Consenting First Lien Group Creditors, or the Required Consenting Crossholder Group Creditors, that, in any case, has an adverse effect in any material respect on the AST Transaction, or (2) for any other reason other than on account of material breach by the Company, the Required Consenting First Lien Group

⁹ “Mubadala Group” means any Person controlling, controlled by or under common control with Mubadala or any other owner of Fortress Investment Group LLC, that is not also controlled by Fortress Investment Group LLC and is not Softbank or a member of the Softbank Group. For purposes of this definition, “control” means the power, through ownership of securities, contract or otherwise, to direct the policies of the applicable person or entity.

Creditors, or the Required Consenting Crossholder Group Creditors, *provided* that, in either case, AST has not itself materially breached this Agreement;

(ii) the Company consummates an Alternative Commercial Transaction with (A) a party that submitted a *bona fide*, written Alternative Commercial Transaction Proposal before any termination of the type described in the foregoing sub-clause (i)(A) or sub-clause (i)(B), or (B) a different party that submitted a *bona fide*, written Alternative Commercial Transaction Proposal as a result of the Company having received an Alternative Commercial Transaction Proposal described in the foregoing sub-clause (ii)(A) (each such transaction described in sub-clause (ii)(A) and sub-clause (ii)(B), a “Qualifying Transaction”); and

(iii) such Qualifying Transaction either (a) closes on or before the effective date of any plan of reorganization involving the Company or (b) closes after the effective date of any plan of reorganization involving the Company, but, at the time of the occurrence of such plan effective date, is evidenced by signed and binding documentation providing for the closing of such Qualifying Transaction.

(d) For the avoidance of doubt, if the Company, the Required Consenting First Lien Group Creditors, or the Required Consenting Crossholder Group Creditors validly terminate this Agreement on account of AST’s material breach of this Agreement or AST’s material breach of the AST Definitive Agreements (following execution thereof) at a time when such non-AST terminating Party is not in material breach of this Agreement, the Company will not be required to pay the Break-Up Fee.

15.02. Break-Up Reimbursements. As to be set forth in the Break-Up Fee Order, no later than ten (10) Business Days (the “Alternative Commercial Transaction Reimbursement Date”) after the date of execution of binding agreements for an Alternative Commercial Transaction by the parties thereto, the Company shall reimburse AST or its designee for all actual amounts paid by AST to the Company on account of the Company’s obligations under the Inmarsat Agreement and the CCI Agreement (as defined in the AST Term Sheet) during the period from the date of the execution of the AST Definitive Agreements up to and including the Alternative Commercial Transaction Reimbursement Date (“Break-Up Reimbursements”), and (ii) on the Alternative Commercial Transaction Signing Date, the penny warrants issued pursuant to the AST Term Sheet shall be canceled.

Section 16. *Payment of Fees and Expenses.* The Company shall pay and reimburse promptly all reasonable and documented fees and out-of-pocket expenses, to the extent invoiced and subject to and in accordance with the terms of any applicable engagement letter or fee letter or as otherwise agreed between the Company and the applicable party or professional (the “Agreed Engagement Letter”), as the case may be, of: (a)(i) Sidley Austin LLP (“Sidley Austin”), as counsel to the Ad Hoc First Lien Group, (ii) Guggenheim Securities, LLC (“Guggenheim”), as financial advisor to the Ad Hoc First Lien Group, and (iii) any local counsel, foreign counsel (including any Canadian counsel), and regulatory counsel to the Ad Hoc First Lien Group (collectively with Sidley Austin and Guggenheim, the “Ad Hoc First Lien Group Advisors”); (b)(i) Kirkland & Ellis LLP (“Kirkland”), as counsel to the Ad Hoc Crossholder Group, and (ii) any local counsel, foreign counsel (including any Canadian counsel), and regulatory counsel to the Ad Hoc Crossholder Group (together with Kirkland, collectively the “Ad Hoc Crossholder Group Advisors”); and (c) Freshfields US LLP as counsel to AST, up to \$550,000; *provided*, that

to the extent that this Agreement is terminated in accordance with Section 10 hereof, the Company's reimbursement obligations under this Section 16 shall survive with respect to any and all fees and expenses earned or incurred on or before the date of termination and such termination shall not automatically terminate any applicable fee or engagement letters; *provided, further* that, (i) any fees and expenses expressly set forth in an Agreed Engagement Letter shall be deemed reasonable for all purposes hereunder and (ii) notwithstanding anything to the contrary herein, and for the avoidance of doubt, none of the terms of this Agreement (irrespective of how such Agreement is terminated, whether in accordance with Section 10 hereof or otherwise) shall be construed to override, amend, replace, restrict or otherwise modify in any manner whatsoever any of the Company's payment, reimbursement or other obligations set forth in any Agreed Engagement Letter. Before the Petition Date, the Company will pay all reasonable and documented fees and expenses accrued and outstanding as of the Petition Date.

Section 17. *Consenting Creditor Consideration and Conditions Thereto.* In the event the Break-Up Fee becomes due and payable in accordance with Section 15 hereof, the Consenting Creditors shall provide AST with a call option for either (a) New Series A-1 Preferred Units issued under the Plan having a Market Value¹⁰ of \$100 million and an exercise price of \$0.01, or (b) if a plan of reorganization other than the Plan is confirmed and goes effective, equity securities of the Parent having reasonably equivalent value and rights to such New Series A-1 Preferred Units contemplated by the Plan (such consideration, the "Call Option"). The Consenting Creditors will provide AST with the Call Option on the effective date of the Plan or the effective date of another plan of reorganization, on a *pro rata* basis (determined by the total amount of First Lien Pari Debt held by such Consenting Creditors on the relevant effective date).

Section 18. *Relationship Among Consenting Stakeholders.* Notwithstanding anything to the contrary herein, the duties and obligations of the Consenting Stakeholders under this Agreement shall be several, not joint. It is understood and agreed that no Consenting Stakeholder has any fiduciary duty or duty of trust or confidence in any kind or form with any other Consenting Stakeholder, the Company, or any other stakeholder of the Company and, except as expressly provided in this Agreement, there are no commitments among or between them. In this regard, it is understood and agreed that any Consenting Stakeholder may trade in the debt of the Company without the consent of the Company or any other Consenting Stakeholder, subject to applicable securities laws, the terms of this Agreement, and any confidentiality agreement entered into with the Company; *provided* that no Consenting Stakeholder shall have any responsibility for any such trading by any other person or entity by virtue of this Agreement. No prior history, pattern, or practice of sharing confidences among or between the Consenting Stakeholders shall in any way affect or negate this understanding and agreement. Nothing in this Agreement shall create any fiduciary obligations or duties on the part of any of the Consenting Stakeholders, or any members, partners, managers, managing members, equityholders, officers, directors, employees, advisors, principals, attorneys, professionals, accountants, investment bankers, consultants, agents, or other representatives of the same or their respective affiliated entities, in such person's capacity as a member, partner, manager, managing member, equity holder, officer, director,

¹⁰ "Market Value" for the purposes of this Section 17 means a value calculated upon, if available, the average of the daily volume-weighted average price over a trailing 30-day period of such New Series A-1 Preferred Units. The definitive documentation evidencing the Call Option shall include a process to resolve disputes arising with respect to the Call Option, including any dispute regarding Market Value.

employee, advisor, principal, attorney, professional, accountant, investment banker, consultant, agent, or other representative of such Party or its affiliated entities, that such entities did not have prior to the execution of this Agreement.

Section 19. Disclosure and Public Statements. The Company and AST shall submit drafts to the Ad Hoc First Lien Group, the Ad Hoc Crossholder Group, and AST of any press releases or public disclosure documents that disclose of the existence or terms of this Agreement or any amendment to the terms of this Agreement at least forty-eight (48) hours prior to making any such disclosure and shall afford them a reasonable opportunity under the circumstances to comment on such documents and disclosures and shall incorporate such reasonable comments in good faith. Any party that intends to issue a press release regarding the terms of this Agreement or the Restructuring shall provide a draft to the Company at least forty-eight (48) hours prior to making any such disclosure, to the extent practicable, and shall afford the Company a reasonable opportunity under the circumstances to comment on such documents and disclosures and shall consider any such comments in good faith. Except as required by law or agreed by the Required Consenting Creditors, neither the Company nor AST shall (a) use the name of any Consenting Crossholder Group Creditors or Consenting First Lien Group Creditors in any public manner (including any press release) with respect to this Agreement, the Restructuring, or any of the Definitive Documents or (b) disclose the principal amount or percentage of any Claims/Interests or any other securities of the Company held by any other Party, in each case, without such Party's prior written consent; *provided* that (i) if such disclosure is required by law, subpoena, or other legal process or regulation, the disclosing Party shall afford the relevant Party a reasonable opportunity to review and comment in advance of such disclosure and shall take all reasonable measures to limit such disclosure (including by way of a protective order) and (ii) the foregoing shall not prohibit the disclosure of the aggregate percentage or aggregate principal amount of Claims/Interests held by the Ad Hoc First Lien Group, the Ad Hoc Crossholder Group, or all the Consenting Stakeholders. Any public filing of this Agreement with the Bankruptcy Court or otherwise shall not include (a) the executed signature pages to this Agreement or (b) or Annex A to the AST Term Sheet.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the day and year first above written.

(xi) For the avoidance of doubt, each Backstop Lender agrees to consummate the transactions pursuant to this Section 2.01(f).

(g) Payment in Kind of Certain Fees. In addition to the Borrowings set forth in clauses (a), (b), (c), (d) and (e) of this Section 2.01, the Borrower shall also be deemed to Borrow additional Loans (of the applicable Class) in an amount equal to the Backstop Fee, Commitment Fee, DIP First Funding Discount Fee, DIP Second Funding Discount Fee, DIP DDTL Funding Discount Fee and DIP Unused Commitment Fee, as applicable, in accordance with Section 2.05.

Section 2.02 Loans.

(a) The failure of any applicable Lender to make any DIP First Funding Loan, DIP Second Funding Loan, DIP Delayed Draw Term Loan and/or Incremental Loan required to be made by it pursuant to Section 2.01, as applicable, shall not relieve any other Lender of its obligation to make any DIP First Funding Loan, DIP Second Funding Loan, DIP Delayed Draw Term Loan and/or Incremental Loan required to be made by it pursuant to Section 2.01, as applicable. Each Lender shall be responsible solely to the extent of its applicable Commitments and no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made hereunder by such other Lender.

(b) Each Lender shall make any Loans (other than Roll-Up Loans or fees being Paid In Kind) required to be made by it hereunder on the applicable Funding Date by wire transfer of immediately available funds, in an amount equal to the principal amount of such Loan, as applicable, with respect to such Loan, to such account as the Administrative Agent may designate by not later than 1:00 p.m., New York City time on each such Funding Date, and the Administrative Agent shall promptly credit the amounts so received to an account as directed by the Borrower in the Borrowing Request maintained with the Administrative Agent; *provided* that, if any applicable Lender funds its pro rata portion of the requested Class of Loans prior to the conditions precedent being met for any applicable Funding Date and a borrowing of such requested Class of Loans shall not occur on such Funding Date because such conditions precedent have not been met, the Administrative Agent shall promptly return the amounts so received to the respective Lenders; *provided*, further, that the Administrative Agent shall promptly apply the amounts received in respect of the DIP Second Funding Loans to repay in full in cash all Prepetition First Out Obligations pursuant to written instructions provided by the 1L Loan Administrative Agent in consultation with the Required Ad Hoc Group and the Borrower (and if any excess amounts in respect of the DIP Second Funding Loans remain after the repayment of the Prepetition First Out Obligations (such excess, the “**Excess DIP Second Funding Loans Proceeds**”), the Administrative Agent shall promptly return such Excess DIP Second Funding Loans Proceeds to the DIP Second Funding Lenders on a pro rata basis, with such return being deemed to have been a prepayment by the Borrower of DIP Second Funding Loans on the DIP Second Funding Date in an amount equal to such Excess DIP Second Funding Loans Proceeds (and with any interest on such deemed prepaid DIP Second Funding Loans automatically cancelled)). For the avoidance of doubt, the Borrower may not borrow any DIP Delayed Draw Term Loans (other than the First DIP DDTL Borrowing) or Incremental Loans unless such Borrowing is approved by the Required Lenders in writing, in their sole discretion.

(c) For the avoidance of doubt, once funded, the DIP First Funding Loans, DIP Second Funding Loans and the DIP Delayed Draw Term Loans (and any applicable Incremental Loans) shall be deemed to be part of the same Class of Loans for all purposes under this Agreement.

Section 2.03 Borrowing Procedure. To request Loans of any Class from the applicable Lenders, the Borrower shall deliver, by electronic transmission, a duly completed and executed Borrowing Request to the Administrative Agent not later than 1:00 p.m., New York City time, three (3) Business Days before the date of the proposed Borrowing (or such shorter period as may be acceptable to Administrative Agent); *provided*, that with (i) respect to the DIP First Funding Loans, such Borrowing Request may be delivered one (1) Business Day prior to the DIP First Funding Date and (ii) the Borrower shall not be required to deliver a Borrowing Request in respect

of the DIP Second Funding Loans or the Roll-Up Loans and by its execution and delivery of this Agreement it shall have requested (x) that the Lenders with a DIP Second Funding Commitment on the DIP Second Funding Date make DIP Second Funding Loans on the DIP Second Funding Date pursuant to Section 2.01(b) and (y) the deemed issuance of the Roll-Up Loans hereunder on the Final DIP Order Entry Date pursuant to Section 2.01(d). The Borrowing Request shall specify the following information:

- (a) the aggregate amount and Class of such Borrowing;
- (b) the date of such Borrowing, which shall be a Business Day; and
- (c) the location and number of Borrower's account to which funds are to be disbursed, which for any Borrowing of DIP Delayed Draw Term Loans or Incremental Loans shall be the DIP Loan Proceeds Account.

Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested borrowing. In addition, promptly upon the occurrence of the Final DIP Order Entry Date, the Administrative Agent shall advise each applicable Lender of the occurrence thereof and of the amount of such Lender's Loan to be made as part of the requested borrowing of the DIP Second Funding Loans set forth in the second proviso of the first paragraph of this Section 2.03.

Section 2.04 Evidence of Debt; Repayment of Loans.

(a) *Promise to Repay.* The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender, the principal amount of each Loan of such Lender as provided in Section 2.09.

(b) *Lender and Administrative Agent Records.* Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal (including Capitalized Amount) and interest payable and paid to such Lender from time to time under this Agreement. The Administrative Agent shall maintain records including (i) the amount of each Loan made hereunder; (ii) the amount of any principal (including Capitalized Amount) or interest due and payable or to become due and payable from the Borrower to each Lender hereunder; and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. The entries made in the records maintained by the Administrative Agent and each Lender pursuant to this paragraph shall be prima facie evidence of the existence and amounts of the obligations therein recorded; *provided* that the failure of any Lender or the Administrative Agent to maintain such records or any error therein shall not in any manner affect the obligations of the Borrower to repay the Loans in accordance with their terms. In the event of any conflict between the records maintained by any Lender and the records of the Administrative Agent in respect of such matters, the records of the Administrative Agent shall control in the absence of manifest error.

(c) *Promissory Notes.* Any Lender by written notice to the Borrower (with a copy to the Administrative Agent) may request that Loans made by it be evidenced by a Promissory

Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns in the form of Exhibit E. Thereafter, the Loans evidenced by such Promissory Note and interest thereon shall at all times (including after assignment pursuant to Section 10.04) be represented by one or more Promissory Notes in such form payable to such payee and its registered assigns and the Borrower hereby irrevocably authorizes each Lender to make (or cause to be made) appropriate notations to such Promissory Note of, among other things, the date of, the outstanding principal amount of, and the interest rate and Interest Period applicable to, the Loans evidenced thereby. Such notations shall, to the extent not inconsistent with notations made by the Administrative Agent in the records referenced above, be conclusive and binding on each Loan Party absent manifest error; *provided* that the failure of any Lender to make any such notations shall not limit or otherwise affect any Obligations of any Loan Party.

Section 2.05 Fees; Additional Payment.

(a) The Borrower agrees to pay to the Administrative Agent, for its own account, the administrative and other fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(b) The Borrower agrees to pay, on the earlier of the Interim DIP Order Entry Date and the Maturity Date, to the Administrative Agent, for the account of each Lender on the Closing Date, a nonrefundable backstop fee (the “**Backstop Fee**”) in an amount equal to 12.5% of the aggregate amount of Commitments of such Lender on the Closing Date (for the avoidance of doubt prior to the Borrowing of any Loans), which Backstop Fee (x) will be fully earned, due and payable on the earlier of the Interim DIP Order Entry Date and the Maturity Date and (y) for the avoidance of doubt, shall be Paid in Kind on the such date by capitalizing on the outstanding principal amount of Loans then held by such Lender on such date (or, if such Lender does not have any outstanding Loans on such date then such Backstop Fee shall be Paid In Kind pursuant to a deemed issuance on such date of DIP First Funding Loans owing to such lender); *provided*, that if such Backstop Fee is due and payable on (or after) the Maturity Date such Backstop Fee shall be paid in cash.

(c) The Borrower agrees to pay, on the Interim DIP Order Entry Date, to the Administrative Agent, for the account of each Lender on the Closing Date, a nonrefundable commitment fee (the “**Commitment Fee**”) in an amount equal to 5.0% of the aggregate amount of Commitments of such Lender on the Closing Date (for the avoidance of doubt prior to the Borrowing of any Loans), which Commitment Fee (x) will be fully earned, due and payable on the earlier of the Interim DIP Order Entry Date and the Maturity Date and (y) for the avoidance of doubt, shall be Paid in Kind on such date by capitalizing on the outstanding principal amount of Loans then held by such Lender on such date (or, if such Lender does not have any outstanding Loans on such date then such Commitment Fee shall be Paid In Kind pursuant to a deemed issuance on such date of DIP First Funding Loans owing to such lender); *provided*, that if such Commitment Fee is due and payable on (or after) the Maturity Date such Commitment Fee shall be paid in cash.

(d) The Borrower agrees to pay, on the DIP First Funding Date, to the Administrative Agent, for the account of each Lender with a DIP First Funding Commitment on

the DIP First Funding Date, a nonrefundable funding fee (the “**DIP First Funding Discount Fee**”) in an amount equal to 5.0% of the aggregate amount of DIP First Funding Loans made by such Lender on the DIP First Funding Date, which DIP First Funding Discount Fee (x) will be fully earned, due and payable on the DIP First Funding Date and (y) for the avoidance of doubt, shall be Paid in Kind on the DIP First Funding Date by capitalizing on the outstanding principal amount of Loans then held by such Lender immediately after the funding of the DIP First Funding Loans on the DIP First Funding Date.

(e) The Borrower agrees to pay, on the DIP Second Funding Date, to the Administrative Agent, for the account of each Lender with a DIP Second Funding Commitment on the DIP Second Funding Date, a nonrefundable funding fee (the “**DIP Second Funding Discount Fee**”) in an amount equal to 5.0% of the aggregate amount of DIP Second Funding Loans (other than Excess DIP Second Funding Loans Proceeds to the extent returned to such Lender on the DIP Second Funding Date) made by such Lender on the DIP Second Funding Date, which DIP Second Funding Discount Fee (x) will be fully earned, due and payable on the DIP Second Funding Date and (y) for the avoidance of doubt, shall be Paid in Kind on the DIP Second Funding Date by capitalizing on the outstanding principal amount of DIP Second Funding Loans then held by such Lender immediately after the funding of the DIP Second Funding Loans on the DIP Second Funding Date.

(f) The Borrower agrees to pay, on each DIP DDTL Funding Date, to the Administrative Agent, for the account of each Lender with a DIP DDTL Commitment on such DIP DDTL Funding Date, a nonrefundable funding fee (each, a “**DIP DDTL Funding Discount Fee**”) in an amount equal to 5.0% of the aggregate amount of DIP Delayed Draw Term Loans made by such Lender on such DIP DDTL Funding Date, which DIP DDTL Funding Discount Fee (x) will be fully earned, due and payable on the applicable DIP DDTL Funding Date and (y) for the avoidance of doubt, shall be Paid in Kind by capitalizing such DIP DDTL Fee on the outstanding principal amount of Loans then held by such Lender immediately after the funding of the DIP Delayed Draw Term Loans on the applicable DIP DDTL Funding Date.

(g) The Borrower agrees to pay on each DIP Unused Commitment Fee Payment Date, an unused commitment fee to each DIP DDTL Commitment Lender and each DIP Second Funding Commitment Lender in an amount equal to the average daily balance of the unused DIP DDTL Commitments of such DIP DDTL Commitment Lender and unused DIP Second Funding Commitments of such DIP Second Funding Commitment Lender, as applicable, during the applicable DIP Unused Commitment Fee Period, multiplied by 3.0% *per annum* (the “**DIP Unused Commitment Fee**”). The DIP Unused Commitment Fee shall accrue at all times from and after the Closing Date, shall be calculated in accordance with Section 2.06(d) and shall (x) be Paid in Kind by capitalizing on the outstanding principal amount of Loans then held by such Lender (or if such Lender does not have any Loans of such date shall be Paid In Kind pursuant to a deemed issuance of Loans owing to such Lender). For the avoidance of doubt, all DIP Unused Commitment Fees that are paid in cash shall be paid to the Administrative Agent for the account of the applicable Lender.

Section 2.06 Interest on Loans.

(a) *Interest.* Subject to the provisions of Section 2.06(b), the Loans shall bear interest on the outstanding principal amount thereof (including, for the avoidance of doubt, any Capitalized Amount) at the Applicable Margin.

(b) *Default Rate.* Notwithstanding the foregoing, if an Event of Default has occurred and is continuing, or if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, then the outstanding principal amount of the Loans hereunder, and any overdue interest, fees and other amounts, shall automatically (unless the Required Lenders provide written notice to the contrary), to the fullest extent permitted by applicable law, after as well as before judgment, bear interest at a rate per annum equal to 19.5% (the “**Default Rate**”).

(c) *Interest Payment Dates.* Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan (and at such other times as may be specified herein) and shall be Paid In Kind; *provided* that (i) the Borrower may elect with respect to any Interest Period ending prior to the Maturity Date to pay the interest accrued during such Interest Period in cash by delivering to the Administrative Agent irrevocable written notice of the election thereof, which written election must be received by the Administrative Agent no earlier than five (5) Business Days, and not later than three (3) Business Days, prior to the applicable Interest Payment Date (such election, a “**Cash Interest Election**”; it being understood and agreed that upon delivery of such Cash Interest Election the Borrower shall be obligated to pay such interest in cash on such Interest Payment Date), (ii) interest accruing at the Default Rate pursuant to Section 2.06(b), or otherwise while an Event of Default has occurred and is continuing, shall be due and payable upon demand and shall be payable in cash, (iii) interest (and all other amounts hereunder) due on the Maturity Date shall be payable in cash and (iv) in the event of any repayment or prepayment, whether voluntary or mandatory (including as a result of an acceleration), of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and shall be payable in cash in dollars.

(d) *Interest, DIP Unused Commitment Fee Calculations.* All interest and DIP Unused Commitment Fees hereunder shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(e) *Interest Act (Canada).* For the purposes of the *Interest Act* (Canada) and disclosure thereunder, in any case in which an interest or fee rate is stated in this Agreement to be calculated on the basis of a number of days that is other than the number in a calendar year, the yearly rate to which such interest or fee rate is equivalent is equal to such interest or fee rate multiplied by the actual number of days in the year in which the relevant interest or fee payment accrues and divided by the number of days used as the basis for such calculation; *provided* that this clause (e) shall not modify the interest owed by the Borrower pursuant to clauses (a) or (b) above.

(f) *No Criminal Rate of Interest.* If any provision of this Agreement would oblige a Canadian Loan Party to make any payment of interest or other amount payable to any Secured Party in an amount or calculated at a rate which would be prohibited by any applicable law or would result in a receipt by that Secured Party of “interest” at a “criminal rate” (as such

terms are construed under the Criminal Code (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted (solely with respect to the Obligations of such Canadian Loan Party) with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by that Secured Party of “interest” at a “criminal rate”, such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows:

(i) first, by reducing the amount or rate of interest required to be paid to the affected Secured Party; and

(ii) thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to the affected Lender which would constitute interest for purposes of section 347 of the Criminal Code (Canada).

Section 2.07 [Reserved]

Section 2.08 [Reserved]

Section 2.09 Repayment of Loans. To the extent not previously paid, the Borrower shall pay to the Administrative Agent, in cash, for the account of the Lenders, on the Maturity Date, the entire principal amount of the Loans then outstanding, together with accrued and unpaid interest thereon and all fees, expenses and other amounts payable under the terms of the Loan Documents or the DIP Orders, and all other Obligations (other than contingent indemnification Obligations to the extent no claim giving rise thereto has been asserted).

Section 2.10 Optional and Mandatory Prepayments of Loans.

(a) *Optional Prepayments*. The Borrower shall have the right at any time (and from time to time) to prepay the Loans, in whole or in part in cash, subject to the requirements of Sections 2.10(g) and (h); *provided* that each partial prepayment shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 or, if less, the outstanding principal amount of the Loans; *provided further* that no prepayment of Roll-Up Loans may be made pursuant to this Section 2.10(a) prior to the payment in full in cash of the DIP New Money Loans.

(b) *Incurrence of Debt*. Concurrently upon the incurrence or the issuance by any Loan Party or any Subsidiary of any Loan Party of Indebtedness (other than Net Issuance Proceeds from the incurrence of Indebtedness permitted under Section 6.01), the Borrower shall prepay the Loans in an aggregate amount equal to the Net Issuance Proceeds of such Indebtedness in accordance with Section 2.10(h). Nothing in this Section 2.10(b) shall be construed to permit or waive any Default or Event of Default arising from any incurrence or issuance of Indebtedness not permitted under the terms of this Agreement.

(c) *Asset Sales; Events of Loss*. No later than the first Business Day following the date of receipt by Borrower or any of its Subsidiaries of any Net Cash Proceeds of any Asset Sale or Event of Loss, Borrower shall prepay the Loans in an aggregate amount equal to one hundred percent (100%) of such Net Cash Proceeds, in accordance with Section 2.10(h); *provided*, that Borrower shall not be required to make any such prepayment with the first \$100,000 of such

Net Cash Proceeds (in aggregate) received after the Closing Date. Nothing in this Section 2.10(c) shall be construed to permit or waive any Default or Event of Default arising from any Asset Sale not permitted under the terms of this Agreement.

(d) *Change in Control.* Immediately following any Change in Control, the Borrower shall prepay the outstanding Loans in an amount equal to 100% of the principal amount thereof (plus accrued and unpaid interest thereon, if any) in accordance with Section 2.10(h). Nothing in this Section 2.10(d) shall be construed to permit or waive any Default or Event of Default arising from the occurrence of any Change in Control.

(e) *Extraordinary Receipts.* On the date of receipt by the Borrower or any of its Subsidiaries of any Extraordinary Receipts, the Borrower shall prepay on such date the outstanding Loans in the amount of such Extraordinary Receipts.

(f) *Issuance of Equity Securities.* On the date of receipt by the Borrower of any cash proceeds from a capital contribution to, or the issuance of any Capital Stock of, the Borrower or, without limiting Section 6.11, any of its Subsidiaries, the Borrower shall prepay on such date the outstanding Loans in the aggregate amount equal to 100% of such proceeds, net of underwriting discounts and commissions and other reasonable and documented and actually paid cash costs and cash expenses associated therewith, in each case, paid to non-Affiliates.

(g) *Notice of Prepayment.* The Borrower shall notify the Administrative Agent by written notice of any prepayment hereunder not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment. Each such notice shall be irrevocable; *provided* that a notice of prepayment so delivered, if delivered with respect to the entire outstanding principal amount of the Obligations, may state that such notice is conditioned upon the effectiveness of another credit facility or the closing of a securities offering, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to 2:00 p.m., New York City time on the specified prepayment date) if such condition is not satisfied. Each such notice shall specify the prepayment date, the principal amount of the Loans to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof.

(h) *Application of Payments.* Each prepayment of Loans pursuant to this Section 2.10 shall be allocated first, ratably among the DIP New Money Loans (treated, for the avoidance of doubt, as a single Class) based on the outstanding principal amounts thereof and thereafter to the Roll-Up Loans; *provided* that, solely for the purpose of the calculation of purchase price in connection with Section 2.01(f)(iv) in respect of Purchased Loans, prepayments shall be applied first to the portion of Loans comprised of principal not arising from any interest, fees or other amounts that were Paid In Kind. Prepayments shall be accompanied by accrued interest as more fully set forth in Section 2.06.

(i) *Voluntary Termination of Commitments.* For the avoidance of doubt, the Borrower shall not be permitted to voluntarily terminate any Commitments hereunder.

Section 2.11 [Reserved]

Section 2.12 Yield Protection.

(a) *Increased Costs Generally.* If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge, liquidity or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in, by any Lender; or

(ii) subject any Lender to any Taxes of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (in each case, except for (i) Indemnified Taxes indemnifiable under Section 2.15, (ii) Taxes described in clauses (b) through (e) of the definition of Excluded Taxes payable by such Lender and (iii) Connection Income Taxes);

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting into, continuing or maintaining any Loans or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, the Borrower will pay, without duplication, to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) *Capital Requirements.* If any Lender reasonably determines in good faith that any Change in Law affecting such Lender or any lending office of such Lender or its holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender, to a level below that which such Lender or its holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or its holding company for any such reduction suffered.

(c) *Certificates for Reimbursement.* A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.12 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) *Delay in Requests.* Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.12 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.12 for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or

reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

Section 2.13 [Reserved]

Section 2.14 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) *Payments Generally.* The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, premium or fees, or of amounts payable under Sections 2.12, 2.15 or 10.03, or otherwise) on or before the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff, deduction or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices, except that payments pursuant to Sections 2.12, 2.15 or 10.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, unless specified otherwise, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest (and/or in respect of a commitment and/or unused fee), interest thereon (and/or additional commitment and/or unused fee) shall be payable for the period of such extension. All payments under each Loan Document (including repayments and prepayments of the Loans and payments of any interest, fees, indemnification amounts or expense reimbursements) shall be made in dollars.

(b) *Pro Rata Treatment.*

(i) Except as provided in Section 2.12(b), each payment by the Borrower of interest, fees, premiums, and other payments in respect of the Loans shall be applied to the amounts of such obligations owing to the Lenders pro rata according to the respective amounts then due and owing to the Lenders.

(ii) Except as provided in Section 2.12(b), each payment on account of principal of the Loans shall be allocated among the Lenders pro rata based on the principal amount of the Loans held by the Lenders.

(c) *Insufficient Funds.* Subject to Section 8.02, if at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest, premium and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and premium then due hereunder, ratably in accordance with Section 2.10(h) (as if such payment was a prepayment) among the parties entitled thereto in accordance with the amounts of principal and premium then due to such parties.

(d) *Sharing of Set-Off.* If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other Obligations resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans (including all amounts Paid in Kind that have been added to the principal amount) and accrued interest thereon or other Obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) make adjustments as shall be equitable with the consent of the Required Lenders, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal (including all amounts Paid in Kind that have been added to the principal amount) of and accrued interest on their respective Loans and other amounts owing them, *provided* that the provisions of this paragraph shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for any Transfer of its Loans to an Eligible Assignee.

Each Loan Party agrees, to the extent it may effectively do so under applicable Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation. If under applicable bankruptcy, insolvency or any similar law any Secured Party receives a secured claim in lieu of a setoff or counterclaim to which this Section 2.14(d) applies, such Secured Party shall to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights to which the Secured Party is entitled under this Section 2.14(d) to share in the benefits of the recovery of such secured claim.

(e) *The Borrower Default.* Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 2.15 Taxes.

(a) *Payments Free of Taxes.* Any and all payments by or at the direction of (or on behalf of) the Loan Parties on account of any obligation hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Taxes, unless required by applicable Requirements of Law. Subject to Section 2.15(i), if the applicable withholding agent shall be required by applicable Requirements of Law (as determined in the good faith discretion of the applicable withholding agent) to deduct or withhold any Taxes from such payments, then (i) if such Taxes are Indemnified Taxes, the sum payable shall be increased by the Loan Parties as necessary so that after all required deductions have been made (including

deductions applicable to additional sums payable under this Section 2.15) the Administrative Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(b) *Payment of Other Taxes by Loan Parties.* Without limiting the provisions of paragraph (a) above, the Loan Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(c) *Indemnification by Loan Parties.* The Loan Parties shall, jointly and severally, indemnify the Administrative Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) payable by, paid by, or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, setting forth in reasonable detail the basis and computation of such payment or liability, shall be conclusive absent manifest error; *provided* that, upon the Borrower's timely written request, the Administrative Agent or Lender may, in its sole discretion, after consultation with the Borrower, and at the Borrower's expense, contest the validity, applicability or amount of such Taxes by (i) resisting payment thereof, (ii) not paying the same except under protest, if protest is necessary and proper, or (iii) if payment is made, using reasonable efforts to obtain a refund thereof in appropriate administrative and judicial proceedings; *provided* that (y) the Administrative Agent or such Lender will not be required to take any action or continue to pursue an action (or inaction) hereunder which, in its sole discretion, could cause the Administrative Agent or such Lender to suffer any disadvantage, and (z) on written demand from the Administrative Agent or the Lender, as the case may be, the Borrower agrees to pay, and shall timely pay, to the Administrative Agent or such Lender all reasonable costs and expenses that the Administrative Agent or such Lender actually incurs in connection with and reasonably allocable to contesting such claim (including reasonable legal and accounting fees, penalties, interest, and additions to Tax) and any Indemnified Taxes that are paid by the Administrative Agent or the Lender.

(d) *Evidence of Payments.* As soon as practicable after any payment of Indemnified Taxes (or any Taxes otherwise withheld or deducted from any payments to the Administrative Agent, the Lenders, or any other recipient under the Loan Documents) by any Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) *Status of Lenders.* Any Lender that is entitled to an exemption from or reduction of any withholding Tax with respect to any payments hereunder or under any other Loan Document shall, to the extent it may lawfully do so, deliver to the Borrower and to the

Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Requirements of Law as will permit such payments to be made without withholding or at a reduced rate of withholding (including any withholding under FATCA). In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the above two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.15(e)(ii)(A), (ii)(C) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any unreimbursed cost or expense or would be disadvantageous to such Lender in any material respect.

(i) Without limiting the generality of the foregoing,

(A) any Foreign Lender shall, to the extent it may lawfully do so deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(1) duly completed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any applicable successor forms of either), as applicable, claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(2) duly completed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, in substantially the form of Exhibit H-1, or any other form approved by the Administrative Agent, to the effect that such Foreign Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and that no payments in connection with the Loan Documents are effectively connected with such Foreign Lender's conduct of a U.S. trade or business and (y) duly completed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any successor forms), as applicable,

(4) to the extent a Foreign Lender is not the beneficial owner executed originals of Internal Revenue Service Form W-8IMY, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E (or any successor forms), as applicable, a certificate in substantially the form of Exhibit H-2 or Exhibit H-3, Form W-9 (or any successor form), and/or other certification documents from each beneficial owner, as applicable; *provided* that, if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a certificate, in substantially the form of Exhibit H-4, on behalf of such direct and indirect partner or

(5) any other form prescribed by applicable Requirements of Law or reasonably requested by the Borrower or the Administrative Agent as a basis for claiming exemption from or a reduction in United States federal withholding Tax duly completed together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(B) Each Foreign Lender shall, to the extent it is legally entitled to do so, from time to time after the initial delivery by such Foreign Lender of the forms described above, whenever a lapse in time or change in such Foreign Lender's circumstances renders such forms, certificates or other evidence so delivered obsolete or inaccurate, promptly (1) deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) renewals, amendments or additional or successor forms, properly completed and duly executed by such Foreign Lender, together with any other certificate or statement of exemption required in order to confirm or establish such Foreign Lender's status or that such Foreign Lender is entitled to an exemption from or reduction in withholding Tax or (2) notify Administrative Agent and the Borrower of its legal inability to deliver any such forms, certificates or other evidence.

(C) Any Lender that is not a Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter as prescribed by applicable law or upon the reasonable request of the Borrower or the Administrative Agent), duly executed and properly completed copies of Internal Revenue Service Form W-9 (or any successor form) certifying that it is not subject to U.S. federal backup withholding.

(D) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if

such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) *Treatment of Certain Refunds.* If the Administrative Agent or a Lender determines, in its reasonable discretion, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by a Loan Party or with respect to which a Loan Party has paid additional amounts pursuant to this Section 2.15, it shall pay to the applicable Loan Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.15 with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person. Notwithstanding anything to the contrary, in no event will the Administrative Agent or any Lender be required to pay any amount to a Loan Party if such payment would place the Administrative Agent or such Lender in a less favorable net after-tax position than the Administrative Agent or such Lender would have been in if the Indemnified Taxes giving rise to such refund had never been imposed in the first instance and the indemnification payments or additional amounts with respect to the Indemnified Taxes had never been paid.

(g) *Payments.* For purposes of this Section 2.15, (i) any payments by the Administrative Agent to a Lender of any amounts received by the Administrative Agent from the Borrower on behalf of such Lender shall be treated as a payment from the Borrower to such Lender and (ii) if a Lender is treated as a partnership for United States federal income tax purposes, any withholding or payment of such United States federal income tax that is an Indemnified Tax by

the Lender in respect of any of such Lender's partners shall be considered a withholding or payment of such Indemnified Tax by the Borrower.

(h) *Survival.* Each party's obligations under this Section 2.15 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction, or discharge of all obligations under any Loan Document.

(i) *Tax Treatment.* For U.S. federal income tax purposes, the Borrower and the Lenders intend that (i) the DIP Facility is treated as debt and (ii) the Backstop Fee shall not be treated as a fee (collectively, the "**Intended Tax Treatment**"). Each of the Borrower and the Lenders agree not to file any tax return, report or declaration inconsistent with the Intended Tax Treatment, except as otherwise required due to a determination within the meaning of Section 1313(a) of the Code or due to a change in applicable law after the date hereof.

Section 2.16 Mitigation Obligations. If any Lender requests compensation under Section 2.12, or requires the Borrower to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or 2.15, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment. A certificate setting forth such costs and expenses submitted by such Lender to the Borrower shall be conclusive absent manifest error.

Section 2.17 Currency Indemnity. If, for the purposes of obtaining judgment in any court in any jurisdiction with respect to this Agreement or any other Loan Document, it becomes necessary to convert into a particular currency (the "**Judgment Currency**") any amount due under this Agreement or under any other Loan Document in any currency other than the Judgment Currency (the "**Currency Due**"), then conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which judgment is given. For this purpose "rate of exchange" means the rate at which the Administrative Agent is able, on the relevant date, to purchase the Currency Due with the Judgment Currency in accordance with its normal practice at its head office. In the event that there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given and the date of receipt by the Administrative Agent of the amount due, the Borrower will, on the date of receipt by the Administrative Agent, pay such additional amounts, if any, or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount received by the Administrative Agent on such date is the amount in the Judgment Currency which when converted at the rate of exchange prevailing on the date of receipt by the Administrative Agent is the amount then due under this Agreement or such other Loan Document in the Currency Due. If the amount of the Currency Due which the Administrative Agent is so able to purchase is less than the amount of the Currency Due originally due to it, the Borrower shall indemnify and save the Administrative Agent and the Lenders harmless from and against all loss or damage arising as a result of such

deficiency. This indemnity shall constitute a secured obligation separate and independent from the other obligations contained in this Agreement and the other Loan Documents, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Administrative Agent from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Agreement or any other Loan Document or under any judgment or order.

Section 2.18 Incremental Loan Facilities.

(a) *Borrower Request.* Subject to obtaining prior approval from the Required Lenders in writing (in their sole discretion) for the applicable Incremental Loan Facility, the Borrower may, by written notice to the Administrative Agent at any time and from time to time, elect to incur additional Loans or request the establishment of one or more new term loan facilities (the “**Incremental Loan Facility**”; the commitments in respect thereof, the “**Incremental Commitments**”), in an aggregate original principal amount for all Incremental Loan Facilities that may be agreed in writing by the Required Lenders; *provided* that the Borrower (and no other Loan Party) shall only be entitled to request or borrow under the Incremental Loan Facility if the Required Lenders have consented in writing in their sole discretion to the request for or borrowing under such Incremental Loan Facility. Such notice shall specify (A) the amount of Incremental Loans being requested and (B) the date on which the Borrower proposes as the applicable Funding Date(s) on which the Borrower proposes that the Incremental Loan Facility shall be available to be funded. For the avoidance of doubt, the Required Lenders shall not be obligated to consent to the Incremental Loan Facility and may withhold consent for any reason.

Any Incremental Loan Facility shall be effected by a joinder agreement in form and substance acceptable to the Required Lenders (an “**Increase Joinder**”) executed by the Borrower, the Administrative Agent and each Lender providing the Incremental Loan Facility.

(b) *Conditions.* The Incremental Commitments shall become effective as of the Business Day upon which each of the conditions precedent set forth below is satisfied (or waived by the Required Ad Hoc Holders in their sole discretion) (each such date, an “**Increase Effective Date**”):

(i) Each of the representations and warranties made by any Loan Party set forth in Article 3 hereof or in any other Loan Document shall be true and correct in all material respects (except that any representation and warranty that is qualified as to “materiality” or “Material Adverse Effect” shall be true and correct in all respects) on and as of the applicable Increase Effective Date, except to the extent such representations and warranties expressly relate to an earlier date;

(ii) The Borrower and each other Loan Party shall be in compliance in all material respects with all the terms and provisions set forth herein and in each other Loan Document on its part to be observed or performed, and, at the time of and immediately after the Increase Effective Date, no Default or Event of Default shall have occurred and be continuing or would immediately result from such Borrowing on such date;

(iii) Each of the Material Contracts shall be in full force and effect and shall not have been terminated;

(iv) The Administrative Agent shall have received, with respect to the Increase Joinder and other Loan Documents and any other matters as the Administrative Agent shall reasonably request, certificates and documents substantially equivalent to those required under Section 4.01(b)(i) and (b)(ii);

(v) The Administrative Agent shall have received a certificate, dated the Increase Effective Date and signed by a Responsible Officer of the Borrower, confirming compliance with the conditions set forth in Sections 2.18(b)(i) through 2.18(b)(iv) as of such Increase Effective Date;

(vi) The Administrative Agent shall have received evidence in form and substance reasonably satisfactory to the Administrative Agent and the Required Lenders of the Bankruptcy Court's approval of such Incremental Loan Facility;

(vii) The Required Lenders shall have consented to the Borrower's incurrence of the Incremental Commitments under such Increase Joinder; and

(viii) Without limiting the foregoing requirement to receive the written consent of the Required Lenders, the satisfaction of each other condition required by the Required Lenders in respect thereof.

(c) *Terms of New Loans and Commitments.* The terms and conditions of the Loans made pursuant to the Incremental Loan Facility ("**Incremental Loans**"), shall be as mutually agreed between the Borrower, the Administrative Agent, the Required Lenders, and each Lender providing the Incremental Loan Facility; *provided that:*

(i) the Incremental Loan Facility will rank *pari passu* in right of payment and *pari passu* with respect to security with the then existing Loans, shall not be secured by any assets that do not constitute Collateral, shall be incurred by the Borrower and shall not be guaranteed by any Person that is not a Loan Party;

(ii) [reserved]; and

(iii) except as otherwise agreed with the Required Lenders, (A) the Incremental Loan Facility will be subject to the same terms and conditions as the Loans except those conditions to borrowing explicitly set forth in this Section 2.18, (B) the Incremental Loans, once funded, shall be considered a part of the same Class as all other Loans outstanding at such time (unless otherwise specified in the applicable Increase Joinder), (C) the final maturity of any Incremental Loan Facility will be the Maturity Date and (D) no Incremental Loan Facility shall amortize or have mandatory prepayments other than those applicable to the existing Loans.

(d) *Equal and Ratable Benefit.* The Loans and Commitments established pursuant to this Section 2.18 shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without

limiting the foregoing, benefit equally and ratably from the Guarantees and the security interests created by the Loan Security Documents. The Loan Parties shall take any actions reasonably required by the Administrative Agent to ensure and/or demonstrate that the Lien and security interests granted by the Loan Security Documents continue to be perfected under the UCC, the PPSA or otherwise after giving effect to the establishment of any such Loans or any such new Commitments.

(e) This Section 2.18 shall supersede any provisions in Section 2.14 or Section 10.02 to the contrary.

Section 2.19 Certain Bankruptcy Matters.

(a) The Loan Parties hereby agree that, subject only to the Carve-Out, the AST Break-Up Fee (if any) and Administration Charge, the Obligations shall (i) constitute DIP Superpriority Claims with priority over all administrative expense claims and any and all other claims against the Borrower and the other Loan Parties now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, all administrative expense claims of the kind specified in sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c) (subject to entry of the Final DIP Order), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provisions of the Bankruptcy Code and all superpriority administrative expense claims granted to any other Person, the establishment of which superpriority shall have been approved and authorized by the Bankruptcy Court and (ii) be secured as provided in, and be deemed valid and perfected by entry of any of, the DIP Orders pursuant to the applicable provisions of the Bankruptcy Code.

(b) In the event of a conflict between, or inconsistency among, the Interim DIP Order or the Final DIP Order, on the one hand, and any other Loan Document, on the other hand, the Interim DIP Order or the Final DIP Order, as the case may be, shall control.

(c) Notwithstanding anything to the contrary contained herein or elsewhere:

(i) No Agent or Lender shall be required to prepare, file, register or publish any financing statements, mortgages, hypothecs, account control agreements, notices of Lien or similar instruments in any jurisdiction or filing or registration office, or to take possession of any Collateral or to take any other action in order to validate, render enforceable or perfect the Liens on the Collateral granted by or pursuant to this Agreement, the DIP Orders, the DIP Recognition Orders or any other Loan Document. If the Collateral Agent (at the Required Lenders' direction, which shall be in their sole discretion), from time to time elects to prepare, file, register or publish any such financing statements, mortgages, hypothecs, account control agreements, notices of Lien or similar instruments, take possession of any Collateral, or take any other action to validate, render enforceable or perfect all or any portion of the Collateral Agent's Liens on the Collateral, (A) all such documents and actions shall be deemed to have been filed, registered, published or recorded or taken at the time and on the date that the Interim DIP Order is entered, and (B) shall not negate or impair the validity or effectiveness of this Section 2.22(c) or of the perfection of any other Liens in favor of the Collateral

Agent, for the benefit of the Lenders and the other Secured Parties, on the Collateral.

(ii) Except as otherwise expressly agreed to by each of the Secured Parties in writing, the Liens, Lien priorities, DIP Superpriority Claims and other rights and remedies granted to the Collateral Agent, the Lenders and the other Secured Parties pursuant to this Agreement, the DIP Orders, the DIP Recognition Orders or the other Loan Documents (specifically including, but not limited to, the existence, perfection, enforceability and priority of the Liens provided for herein and therein, and the DIP Superpriority Claims provided herein and therein) shall not be modified, altered or impaired in any manner by any other financing or extension of credit or incurrence of indebtedness by the Borrower or any other Loan Party (pursuant to Section 364 of the Bankruptcy Code or otherwise), or by dismissal or conversion of any of the Cases, or by any other act or omission whatsoever.

(d) Without limiting the generality of the foregoing, notwithstanding any such financing, extension, incurrence, dismissal, conversion, act or omission:

(i) subject only to the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge, no costs or expenses of administration which have been or may be incurred in the Cases or any conversion of the same or in any other proceedings related thereto, and no priority claims, are or will be prior to or on a parity with any claim of any Secured Party or any Agent against the Borrower or any other Loan Parties in respect of any Obligations;

(ii) the Collateral Agent's Liens on the Collateral shall constitute valid, enforceable and perfected First Priority Liens, and, other than as expressly provided in the DIP Orders, DIP Recognition Orders or the Loan Documents, shall be prior to all other Liens, now existing or hereafter arising, in favor of any other creditor or other Person; and

(iii) the Collateral Agent's Liens on the Collateral shall continue to be valid, enforceable and perfected without the need for any Agent or any other Secured Party to prepare, file, register or publish any financing statements, mortgages, hypothecs, account control agreements, notices of Lien or similar instruments or to otherwise perfect the Collateral Agent's Liens under applicable non-bankruptcy law.

In connection with any Asset Sale or other disposition of all or any portion of the Collateral, including in each case pursuant to Sections 9-610 or 9-620 of the UCC, at any sale thereof conducted under the provisions of the Bankruptcy Code, including Section 363 of the Bankruptcy Code or as part of restructuring plan subject to confirmation under section 1129(b)(2)(A)(iii) of the Bankruptcy Code, or at any sale or foreclosure conducted by the Collateral Agent, in accordance with applicable law and, with respect to any credit bid, section 363(k) of the Bankruptcy Code, the Borrower and each other Loan Party hereby gives the Collateral Agent (at the direction of the Required Lenders) the power and right, without assent by such Loan Party, to

“credit bid” the full amount of all Obligations in order to purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral.

ARTICLE 3 REPRESENTATIONS AND WARRANTIES

Each Loan Party represents and warrants to the Administrative Agent and each of the Lenders that:

Section 3.01 Organization; Powers. Each Company (a) is duly organized and validly existing under the laws of the jurisdiction of its organization, (b) has all requisite power and authority (x) to carry on its business as now conducted, subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, and (y) to own and lease its property and (c) is qualified and in good standing (to the extent such concept is applicable in the applicable jurisdiction) to do business in every jurisdiction where such qualification is required, except in such jurisdictions where the failure to so qualify or be in good standing, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. There is no existing default under any Organizational Document of any Company or any event which, with the giving of notice or passage of time or both, would constitute a default by any party thereunder.

Section 3.02 Authorization; Enforceability. Subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, the Transactions to be entered into by each Loan Party are within such Loan Party’s powers and have been duly authorized by all necessary action on the part of such Loan Party. This Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors’ rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 3.03 No Conflicts. Except as set forth on Schedule 3.03 and subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (i) such as have been obtained or made and are in full force and effect, (ii) filings necessary to perfect Liens created by the Loan Documents and (iii) consents, approvals, registrations, filings, permits or actions the failure to obtain or perform which would not reasonably be expected to result in a Material Adverse Effect, (b) will not violate the Organizational Documents of any Company, (c) will not violate any material Requirement of Law, (d) will not violate or result in a default or require any consent or approval that has not been obtained under any indenture, agreement or other instrument binding upon any Company or its property, or give rise to a right thereunder to require any payment to be made by any Company (other than (i) with respect to the Prepetition Facilities that are stayed as a result of the Cases and (ii) violations arising solely and directly as a result of the commencement of the Cases and Recognition Proceedings and except as otherwise excused by the Bankruptcy

Court), and (e) will not result in the creation or imposition of any Lien on any property of any Company, except Liens created by the Loan Documents and Permitted Liens.

Section 3.04 Financial Statements; Projections.

(a) *Historical Balance Sheets; Forecasted Cash Flows.* The Borrower has heretofore delivered to the Administrative Agent and the Lenders (i) an unaudited consolidated balance sheet as of and for the fiscal quarter ending September 30, 2024, and (ii) the audited financial statements of the Borrower as of and for the year ending December 31, 2023. The financial statements delivered pursuant to Sections 5.01(a) and (b) have been prepared in accordance with GAAP and present fairly and accurately the financial condition and, if applicable, the results of operations and cash flows, of the Borrower as of the dates and for the periods to which they relate.

(b) *No Liabilities; No Material Adverse Effect.* Except as set forth in the financial statements referred to in Section 3.04(a) (or, after the Closing Date, as set forth in the financial statements referred to in Section 5.01(a)), there are no liabilities of any Company of any kind, whether accrued, contingent, absolute, determined, determinable or otherwise, which would reasonably be expected to result in a Material Adverse Effect. Since the Petition Date, there has been no event, change, circumstance or occurrence that, individually or in the aggregate, has had or would reasonably be expected to result in a Material Adverse Effect.

(c) *Budget.* A true and complete copy of the Initial Budget, as agreed to with the Required Lenders as of the Closing Date, is attached as Exhibit J hereto. The Initial Budget and each Cash Flow Forecast delivered thereafter pursuant to Section 5.01(f) hereof are based on good faith estimates and assumptions made by the management of the Borrower and believed by such management to be reasonable and attainable as of the date delivered to the Administrative Agent (it being understood that any projections contained therein are not to be viewed as facts, are subject to significant uncertainties and contingencies, many of which are beyond the control of the Loan Parties and that no assurance can be given that any particular projections will be realized, that actual results may differ and that such differences may be material).

Section 3.05 Properties.

(a) *Generally.* Each Company has good title to, or valid leasehold interests in, all its property material to its business, free and clear of all Liens except for, in the case of Collateral, Permitted Liens and, in the case of all other material property, Permitted Liens and minor irregularities or deficiencies in title that, individually or in the aggregate, do not interfere with its ability to conduct its business as currently conducted or to utilize such property for its intended purpose. The property of the Companies, taken as a whole, (i) is in good operating order, condition and repair (ordinary wear and tear excepted) and (ii) constitutes all the property which is required for the business and operations of the Companies as presently conducted.

(b) *Real Property.* Schedules 7(a) and 7(b) to the Perfection Certificate dated the Closing Date contain a true and complete list of each interest in Real Property, other than Real Property located in Canada, and each interest in Real Property located in Canada material to the business, assets, property, operations or condition of the Borrower or any Loan Party, in each case

(i) owned by the Borrower or any of its Subsidiaries as of the date hereof and describes the type of interest therein held and whether such owned Real Property is leased and if leased whether the underlying Lease contains any option to purchase all or any portion of such Real Property or any interest therein or contains any right of first refusal relating to any sale of such Real Property or any portion thereof or interest therein and (ii) leased, subleased or otherwise occupied or utilized by the Borrower or any of its Subsidiaries, as lessee, sublessee, franchisee or licensee, as of the date hereof and describes the type of interest therein held by such Company and, in each of the cases described in clauses (i) and (ii) of this Section 3.05(b), whether any Lease requires the consent of the landlord or tenant thereunder, or other party thereto, to the Transactions.

(c) *No Casualty Event.* Except in respect of Skyterra-1 and Skyterra-2 as described in Schedule 3.08, no Company has received any notice of, nor has any knowledge of, the occurrence or pendency or contemplation of any Casualty Event affecting all or any material portion of its property. No mortgage encumbers improved Real Property that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards within the meaning of the National Flood Insurance Act of 1968 unless flood insurance available under such Act has been obtained in accordance with Section 5.04.

(d) *Collateral.* Subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, each Loan Party owns or has rights to use all of the Collateral and all rights with respect to any of the foregoing used in, necessary for or material to each Loan Party's business as currently conducted. The use by each Loan Party of such Collateral and all such rights with respect to the foregoing do not infringe on the rights of any Person other than such infringement which would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. No claim has been made and remains outstanding that any Loan Party's use of any Collateral does or may violate the rights of any third party that would, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(e) *Material Contracts.* Each Material Contract and Material Lease is in full force and effect and no defaults giving any party thereto the right to terminate such Material Contract or Material Lease currently exist thereunder (other than as a result of the Cases or the Recognition Proceedings). Each Material Contract and Material Lease is a legal, valid and binding obligation of the Borrower and its Subsidiaries party thereto and, to the knowledge of the Borrower, each other party thereto, is enforceable in accordance with its terms and is in full force and effect, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights (including the Cases) and to general equity principles. Neither the Borrower nor its Subsidiaries, nor to the knowledge of the Responsible Officers of the Borrower or its Subsidiaries, any other party to any Material Contract or Material Lease, is or was in material breach or default, under the terms of any Material Contract or Material Lease, and no condition existed or exists which, with the giving of notice or the lapse of time or both, could constitute a material breach or default by the Borrower or any of its Subsidiaries thereunder (in each case, other than as a result of the Cases or the Recognition Proceedings). Each Company enjoys peaceful and undisturbed possession under each Material Lease to which it is a party (in each case, other than as a result of the Cases or the Recognition Proceedings).

Section 3.06 Intellectual Property.

(a) *Ownership/No Claims.* Each Company owns, or is licensed to use, all patents, industrial designs, trademarks, trade names, service marks, copyrights (and all registrations and applications for registration of any of the foregoing), technology, trade secrets, proprietary information, domain names, know-how and processes (collectively, the “**Intellectual Property**”) material to the conduct of its business as currently conducted and as planned to be conducted (as reflected in each Company’s written public statements made prior to the date hereof). No claim has been asserted and is pending by any Person challenging or questioning the use of any such Intellectual Property or the validity or effectiveness of any such Intellectual Property or alleging that any Company is infringing, misappropriating or otherwise violating the Intellectual Property rights of any Person, nor does any Company know of any valid basis for any such claim that in each case would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. The conduct of the business of each Company as currently conducted and as planned to be conducted (as reflected in each Company’s written public statements made prior to the date hereof) does not and will not infringe, misappropriate or otherwise violate the Intellectual Property rights of any Person, except as will not have a Material Adverse Effect.

(b) *Registrations.* Except pursuant to licenses and other user agreements entered into by the Borrower and its Subsidiaries in the ordinary course of business that are listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date, on and as of the date hereof (i) the Borrower or its Subsidiaries, as indicated in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date, owns and possesses the right to use, and has not licensed any other Person to use, any copyright, patent, trademark or service mark (or any application for registration of any of the foregoing listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date) and (ii) to each Loan Party’s knowledge, all registrations listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date are valid and in full force and effect.

(c) *No Violations or Proceedings.* To each Loan Party’s knowledge, on and as of the date hereof, there is no material violation by others of any right of the Borrower or its Subsidiaries with respect to any copyright, patent, industrial design, trademark or service mark listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date, pledged by it under the name of such Loan Party except as may be set forth on Schedule 3.06(c).

Section 3.07 Equity Interests and Subsidiaries.

(a) *Equity Interests.* Schedules 1(a) and 9(a) to the Perfection Certificate dated the Closing Date set forth a list of (i) each Subsidiary of the Borrower and its jurisdiction of organization as of the Closing Date and (ii) the number of each class of its Equity Interests authorized, and the number outstanding, on the Closing Date and the number of shares covered by all outstanding options, warrants, rights of conversion or purchase and similar rights at the Closing Date. All Equity Interests of each Company are duly and validly issued and are fully paid and non-assessable, and, other than the Equity Interests of the Borrower, are owned by the Borrower, directly or indirectly through Wholly Owned Subsidiaries. Each Loan Party is the record and beneficial owner of, and has good and marketable title to, the Equity Interests pledged by it under

the Loan Security Agreement or the Canadian Security Agreement, as applicable, free of any and all Liens, rights or claims of other Persons, except the security interest created by the Loan Security Agreement, the Canadian Security Agreement or the Prepetition Security Agreements, as applicable. As of the Closing Date, there are no outstanding warrants, options or other rights to purchase, or shareholder, voting trust or similar agreements outstanding with respect to, or property that is convertible into, or that requires the issuance or sale of, any such Equity Interests.

(b) *No Consent of Third Parties Required.* Subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, no consent of any Person including any other general or limited partner, any other member of a limited liability company, any other shareholder or any other trust beneficiary is necessary or reasonably desirable (from the perspective of a secured party) in connection with the creation, perfection or priority status of the security interest of the Administrative Agent in any Equity Interests pledged to the Administrative Agent for the benefit of the Secured Parties under the Loan Security Agreement or the Canadian Security Agreement, as applicable, or the exercise by the Administrative Agent of the voting or other rights provided for in the Loan Security Agreement or the Canadian Security Agreement, or the exercise of remedies in respect thereof, except for such FCC, ISED or CRTC consents as may be required under the Communications Laws in connection with the exercise of such remedies.

(c) *Organizational Chart.* An accurate organizational chart, showing the ownership structure of the Borrower and each Subsidiary on the Closing Date, and after giving effect to the Transactions, is set forth on Schedule 3.07(c).

Section 3.08 Litigation; Compliance with Laws. Except for the Cases and as set forth in Schedule 3.08, there are no actions, suits or proceedings at law or in equity by or before any Governmental Authority now pending or, to the knowledge of any Company, threatened against or affecting any Company or any business, property or rights of any Company as to which, in any case, there is a reasonable possibility of an adverse determination and that, if adversely determined, would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. No Company or any of its property is in violation of, nor will the continued operation of its property as currently conducted violate, any Requirements of Law (including any zoning or building ordinance, code or approval or any building permits) or any restrictions of record or agreements affecting any Company's Real Property or is in default with respect to any Requirement of Law, where such violation or default, individually or in the aggregate, would reasonably be expected to result in a Material Adverse Effect.

Section 3.09 Agreements. As of the Petition Date, no Company is a party to any agreement or instrument or subject to any corporate or other constitutional restriction that has resulted or would reasonably be expected to result in a Material Adverse Effect. No Company is in default in any manner under any provision of any indenture or other agreement or instrument evidencing Indebtedness, or any other agreement or instrument to which it is a party or by which it or any of its property is or may be bound (other than the Prepetition Facilities that are stayed as a result of the Cases), where such default would reasonably be expected to result in a Material Adverse Effect, and no condition exists which, with the giving of notice or the lapse of time or both, would constitute such a default. Schedule 3.09 accurately and completely lists all material agreements (other than leases of Real Property set forth on Schedule 7(a) or 7(b) to the Perfection

Certificate dated the Closing Date) to which any Company is a party which are in effect on the date hereof in connection with the operation of the business conducted thereby and the Borrower has delivered to the Administrative Agent complete and correct copies of all such material agreements, including any amendments, supplements or modifications with respect thereto, and all such agreements are in full force and effect.

Section 3.10 Federal Reserve Regulations. No Company is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock. No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of, or that is inconsistent with, the provisions of the regulations of the Board of Governors, including Regulation T, U or X. The pledge of the Securities Collateral (as defined in the Loan Security Agreement) pursuant to the Loan Security Agreement does not violate such regulations.

Section 3.11 Investment Company Act. No Company is required to register as an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

Section 3.12 Use of Proceeds. Subject to the Budget and any additional restrictions on the use of proceeds provided herein and in accordance with the DIP Orders and DIP Recognition Orders, the Borrower will use the proceeds of the Loans hereunder for the following purposes:

(a) With respect to Loans other than the DIP Second Funding Loans, (i) for working capital and general corporate purposes as approved in the Budget; (ii) to consummate the Roll-Up in accordance with Section 2.02; (iii) to pay professional fees in connection with the Cases and for other post-petition general corporate purposes, in each case, as approved in the Budget; (iv) to make adequate protection payments to the Prepetition Secured Parties as set forth in the DIP Orders; (v) to fund the Carve-Out and amounts secured by the Administration Charge; (v) to pay interest, fees and expenses due hereunder; and (vi) as otherwise agreed in writing between the Borrower and the Required Lenders; and

(b) With respect to the DIP Second Funding Loans, to repay in full in cash all outstanding Obligations (as defined in the 1L Loan Agreement) in respect of the First Out Loans (as defined in the 1L Loan Agreement) (such Obligations, the “**Prepetition First Out Obligations**”);

provided that, except as otherwise set forth hereunder, in no event shall the proceeds of the Loans be used to make payments in regards to the Debtors’ obligations under the Prepetition Facilities (other than pursuant to the Roll-Up or, in the case of the DIP Second Funding Loans, the Prepetition First Out Obligations) or to fund expenses or other amounts not otherwise set forth in this Section 3.12. No portion of the proceeds of any Loan shall be used in any manner that causes or might cause such Loan or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Board of Governors or any other regulation thereof or to violate the Exchange Act.

Section 3.13 Taxes. Each Company has (a) timely filed or caused to be timely filed all material federal Tax Returns and all material state, provincial, local and foreign Tax Returns required to have been filed by it and all such Tax Returns are true and correct in all material respects, (b) duly and timely paid, collected or remitted or caused to be duly and timely paid, collected or remitted all Taxes (whether or not shown on any Tax Return) due and payable, collectible or remittable by it and all assessments received by it, except Taxes (i) that are being contested in good faith by appropriate proceedings and for which such Company has set aside on its books adequate reserves (after the Closing Date, in accordance with GAAP), (ii) which would not, individually or in the aggregate, have a Material Adverse Effect or (iii) to the extent payment of such Tax is excluded by, or is otherwise prohibited by, the provisions of the Bankruptcy Code or order of the Bankruptcy Court and (c) satisfied all of its withholding tax obligations except for failures that would not be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect. Each Company has made adequate provision (after the Closing Date, in accordance with GAAP) for all material Taxes not yet due and payable. Each Company is unaware of any proposed or pending tax assessments, deficiencies or audits that would be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect. Except as would not be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect, no Company has ever “**participated**” in a “**listed transaction**” within the meaning of Treasury Regulation Section 1.6011-4.

Section 3.14 No Material Misstatements. No information, reports, financial statements, certificates, Borrowing Requests, exhibits or schedules furnished by or on behalf of any Company to the Administrative Agent or any Lender in connection with the negotiation of any Loan Document or included therein or delivered pursuant thereto, taken as a whole, contained or contains any material misstatement of fact or omitted or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were or are made, not misleading as of the date such information is dated or certified; *provided* that to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast or projection, each Company represents only that it acted in good faith and utilized reasonable assumptions and due care in the preparation of such information, report, financial statement, exhibit or schedule.

Section 3.15 Labor Matters. There are no strikes, stoppages, lockouts, slowdowns or other labor disputes against any Company pending or, to the knowledge of any Company, threatened except as would not individually or in the aggregate be expected to result in a Material Adverse Effect, (i) the hours worked by and payments made to employees of any Company have not been in violation of the Fair Labor Standards Act of 1938, as amended, the Canada Labour Code, as amended, or any other applicable Requirements of Law dealing with such matters and (ii) all payments due from any Company, or for which any claim may be made against any Company, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of such Company (except to the extent such payments have been stayed by the commencement of the Cases and, where applicable, the recognition thereof by the CCAA Court). The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Company is bound.

Section 3.16 [Reserved].

Section 3.17 Employee Benefit Plans. With respect to each Employee Benefit Plan, Single Employer Plan and Multiemployer Plan, each Company and its ERISA Affiliates is in compliance in all material respects with the applicable Requirements of Law, including all applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder, except where noncompliance would not, either individually, or taken together with all other exceptions to the representations set forth in this Section 3.17 reasonably be expected to result in a Material Adverse Effect. Each Employee Benefit Plan which is intended to qualify under Section 401(a) of the Code has received a favorable determination letter from the Internal Revenue Service indicating that such Employee Benefit Plan is so qualified and to the knowledge of each Company, nothing has occurred subsequent to the issuance of such determination letter which would cause such Employee Benefit Plan to lose its qualified status. No liability to the PBGC (other than required premium payments), the Internal Revenue Service, any Employee Benefit Plan, Single Employer Plan or Multiemployer Plan (other than in the ordinary course) or any trust established under Title IV of ERISA has been or is expected to be incurred by any Company or any of its ERISA Affiliates with respect to any Employee Benefit Plan, Single Employer Plan or Multiemployer Plan, except where such liability, either individually, or taken together with all other exceptions to the representations set forth in this Section 3.17, would not reasonably be expected to result in a Material Adverse Effect. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, would reasonably be expected to result in a Material Adverse Effect or the imposition of a Lien on any of the property of any Company or any of its ERISA Affiliates. The present value of all accrued benefits under each Single Employer Plan or similar Foreign Plan (based on those assumptions used to fund such plan) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such plan allocable to such accrued benefit by a material amount. As of the most recent valuation date for each Multiemployer Plan, the potential liability of each Company and its ERISA Affiliates for a complete withdrawal from such Multiemployer Plan (within the meaning of Section 4203 or Section 4205 of ERISA), when aggregated with such potential liability for a complete withdrawal from all Multiemployer Plans, is not material. The Companies and their respective ERISA Affiliates have complied with the requirements of Section 515 of ERISA in all material respects with respect to each Multiemployer Plan and are not in material “default” (as defined in Section 4219(c)(5) of ERISA) with respect to payments to a Multiemployer Plan. Neither any Company nor any of its ERISA Affiliates has any contingent liability with respect to any post-retirement welfare benefit under an Employee Benefit Plan, other than liability for continuation coverage described in Part 6 of Title I of ERISA or other applicable law, except where such liability, either individually, or taken together with all other exceptions to the representations set forth in this Section 3.17, would not reasonably be expected to result in a Material Adverse Effect.

To the extent applicable, each Foreign Plan has been maintained in substantial compliance with its terms and with the requirements of any and all applicable Requirements of Law and has been maintained, where required, in good standing with applicable regulatory authorities. No Company has incurred any material obligation in connection with the termination of or withdrawal from any Foreign Plan. Except as would not reasonably be expected to result in a Material Adverse Effect, the present value of the accrued benefit liabilities (whether or not vested) under each Foreign Plan which is fully or partially funded, determined as of the end of the most recently ended fiscal year of the respective Company on the basis of actuarial assumptions, each of which is reasonable, did not exceed the current value of the property of such Foreign Plan by any material

amount, and for each Foreign Plan which is not funded, the obligations of such Foreign Plan are properly accrued and reported.

No Foreign Plan that is not a Canadian Pension Plan is subject to federal or provincial pension standards legislation.

The Canadian Pension Plans are duly registered under the Canadian Income Tax Act and any other applicable laws which require registration, have been administered in all material respects in accordance with the Canadian Income Tax Act and such other applicable laws, and no event has occurred and no condition exists that has resulted in or which would reasonably be expected to cause the loss of such registered status, except to the extent that any failure to do so would not reasonably be expected to have a Material Adverse Effect. The Canadian Pension Plans are in substantial compliance with all Requirements of Law applicable thereto, and, without limiting the generality of the foregoing, all material obligations of each of the Loan Parties (including fiduciary, funding, investment and administration obligations) required to be performed in connection with the Canadian Pension Plans and the funding agreements therefor have been performed on a timely basis, except to the extent that any failure to do so would not reasonably be expected to have a Material Adverse Effect. All contributions or premiums required to be made or paid by each of the Loan Parties to the Canadian Pension Plans have been made on a timely basis in accordance with the terms of such plans, their funding agreements and all applicable laws. There have been no material improper withdrawals or applications of the assets of the Canadian Pension Plans. None of the Canadian Pension Plans contain or have ever contained a “defined benefit provision”, as that term is defined in subsection 147.1(1) of the Canadian Income Tax Act. No Canadian Pension Plan is a “multi-employer pension plan” as defined under the *Pension Benefits Standards Act, 1985* (Canada) or under similar provincial pension standards legislation. No event has occurred and no condition exists that would reasonably be expected to result in an order to terminate any Canadian Pension Plan in whole or in part. No Person has ordered or given notice of the termination or wind up of a Canadian Pension Plan in whole or in part.

Section 3.18 Environmental Matters.

(a) Except as set forth in Schedule 3.18 and except as, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect:

(i) The Companies and their businesses, operations and Real Property have been and are in compliance with, and the Companies have no liability under, any applicable Environmental Law; and under the business plan of the Companies, no expenditures or operational adjustments will be required in order to comply with applicable Environmental Laws during the next five years;

(iv) There is no Environmental Claim pending or, to the knowledge of the Companies, threatened against the Companies, or relating to the Real Property currently or formerly owned, leased or operated by the Companies or their predecessors in interest or relating to the operations of the Companies, and there are no actions, activities, circumstances, conditions, events or incidents that would reasonably form the basis of such an Environmental Claim; and

(v) No Person with an indemnity or contribution obligation to the Companies relating to compliance with or liability under Environmental Law is in default with respect to such obligation.

(b) Except as set forth in Schedule 3.18:

(i) No Company is obligated to perform any action or otherwise incur any expense under Environmental Law pursuant to any order, decree, judgment or agreement by which it is bound or has assumed by contract, agreement or operation of law, and no Company is conducting or financing any Response pursuant to any Environmental Law with respect to any Real Property or any other location;

(ii) No Real Property or facility owned, operated or leased by the Companies and, to the knowledge of the Companies, no Real Property or facility formerly owned, operated or leased by the Companies or any of their predecessors in interest is (i) listed or proposed for listing on the National Priorities List promulgated pursuant to CERCLA or (ii) listed on the Comprehensive Environmental Response, Compensation and Liability Information System promulgated pursuant to CERCLA or (iii) included on any similar list maintained by any Governmental Authority including any such list relating to petroleum;

(v) The Companies have made available to the Lenders all material records and files in the possession, custody or control of the Companies concerning compliance with or liability under Environmental Law, including those concerning

the actual or suspected existence of Hazardous Material at Real Property or facilities currently or formerly owned, operated, leased or used by the Companies.

Section 3.19 Insurance. Schedule 3.19 sets forth a true, complete and correct description of all insurance maintained by each Company as of the Closing Date. All insurance maintained by the Companies is in full force and effect, all premiums have been duly paid, no Company has received notice of violation or cancellation thereof, the premises, and the use, occupancy and operation thereof, comply in all material respects with all insurance requirements, and there exists no default under any insurance requirement. Each Company has insurance in such amounts and covering such risks and liabilities as are customary for companies of a similar size engaged in similar businesses in similar locations.

Section 3.20 Loan Security Documents.

(a) *Loan Security Agreement*. The Loan Security Agreement, taken together with the Interim DIP Order and/or the Final DIP Order, is effective to create in favor of the Collateral Agent, for the benefit of the Lenders and the other Secured Parties, legal, valid, and enforceable continuing First Priority Liens on, and automatically perfected security interests in, the Collateral pledged hereunder or thereunder, in each case, subject to no Liens other than Permitted Liens, the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge. Pursuant to the terms of the Interim DIP Order and/or Final DIP Order, no filing or other action will be necessary to perfect or protect such Liens and security interests. Pursuant to and to the extent provided in the Interim DIP Order and/or the Final DIP Order, the Obligations of the Loan Parties under this Agreement will constitute allowed super-priority administrative expense claims in the Cases under Section 364(c) of the Bankruptcy Code, having priority over all administrative expense claims and unsecured claims against such Loan Parties now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expense claims of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code and all super-priority administrative expense claims granted to any other Person, subject only to the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge. Notwithstanding anything to the contrary herein, the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge shall be senior to all Liens and claims (including administrative and superpriority claims) securing the Obligations, the Loan Parties' pre-petition obligations, adequate protection Liens, and all other Liens or claims (including administrative claims and DIP Superpriority Claims), including all other forms of adequate protection, Liens, or claims (including administrative claims and DIP Superpriority Claims) securing the Obligations and pre-petition obligations granted or recognized as valid, including the Liens, security interests, and claims (including administrative claims and DIP Superpriority Claims) granted to the Collateral Agent and the other Secured Parties. The provisions of this Agreement and the other Loan Documents create legal and valid Liens on all the Collateral in favor of Collateral Agent, for the benefit of the Secured Parties, and such Liens constitute perfected and continuing Liens on the Collateral, securing the Obligations, enforceable against the applicable Loan Party and all third parties, and having priority over all other Liens on the Collateral except in the case of the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge.

(b) *Canadian Security Agreement*. The Canadian Security Agreement, taken together with the Interim DIP Recognition Order and Final DIP Recognition Order, are effective

(c) *Intellectual Property.* When the financing statements referred to in Section 3.20(b) (i) have been filed, the Liens created by such Canadian Security Agreement shall constitute fully perfected Liens on, and security interests in, all right, title and interest of the grantors thereunder in Patents, Copyrights and Trademarks (as each such term is defined in the Canadian Security Agreement) registered or applied for with CIPO, in each case subject to no Liens other than Permitted Liens, including the Administration Charge.

(d) *Copyright Office Filing.* When the Loan Security Agreement or a short form thereof is filed in the United States Copyright Office, the Liens created by such Loan Security Agreement shall constitute fully perfected Liens on, and security interests in, all right, title and interest of the grantors thereunder in all Copyrights (as defined in the Loan Security Agreement) registered or applied for with the United States Copyright Office, subject to no Liens other than Permitted Liens.

(e) *Unencumbered Assets.* (i) The Collateral constitutes all of the material assets of the Companies (for the avoidance of doubt, excluding the Second Satellite until such time as the Companies take title to the Second Satellite), and (ii) no Company has granted a Lien on Collateral in respect of Indebtedness permitted under Section 6.01(l) which has not been granted to secure the Obligations.

(f) *Valid Liens.* Each Loan Security Document delivered pursuant to Sections 5.11 and 5.12 will, upon execution and delivery thereof and taken together with the Interim DIP Order and/or the Final DIP Order, and the DIP Recognition Orders, be effective to create in favor of the Collateral Agent, for the benefit of the Secured Parties, legal, valid and enforceable Liens on, and security interests in, all of the Loan Parties' right, title and interest in and to the Collateral thereunder, and such Loan Security Document will constitute fully perfected Liens on, and security interests in, all right, title and interest of the Loan Parties in such Collateral, in each case subject to no Liens other than the applicable Permitted Liens, including the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge.

(b) Neither the Borrower nor any of its Subsidiaries is party to or otherwise bound by any agreement or other arrangement that prohibits, restricts or imposes any condition upon (a) the ability of the Borrower or any Subsidiary to create, incur or permit to exist any Lien upon any of its property or assets (except for Indebtedness permitted under Section 6.01, so long as such Indebtedness does not prohibit Liens on the Collateral in favor of the Collateral Agent and the Lenders), or (b) the ability of any Subsidiary to pay dividends or other distributions with respect to any shares of its capital stock or to make or repay loans or advances to the Borrower or any other Subsidiary or to Guarantee Indebtedness of the Borrower or any other Subsidiary.

Section 3.23 Communications Licenses and Regulatory Matters.

(a) Schedule 3.23(a) accurately and completely lists all Communications Licenses, including a separate designation of Communications Licenses deemed to be Material Licenses as of the date hereof. The Companies hold, or have applied for (and have no reason to believe that any such application will not be granted), all authorizations, licenses, permits, certificates, approvals, registrations, orders and franchises and similar forms of authority with respect to the use of radio frequencies and/or the provision of communications or

telecommunications services and spectrum leases required in connection with the conduct of the businesses of the Companies as presently conducted. (h) Indebtedness of the Borrower or any Subsidiary arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within five Business Days of incurrence;

(i) Indebtedness of the Borrower or any Subsidiary representing the financing of installments of insurance premiums in the ordinary course of business, *provided* that the amount of such Indebtedness shall not exceed the amount of the unpaid cost of such insurance; and

(j) Indebtedness of the Borrower or any Subsidiary arising in connection with endorsement of instruments for deposit in the ordinary course of business.

For purposes of determining compliance with this Section 6.01, in the event that an item of Indebtedness (including, for the avoidance of doubt, any portion thereof) meets the criteria of one or more of the categories of Permitted Debt described in Section 6.01(c) through 6.01(j), the Borrower may not divide, classify or reclassify or later divide, classify or reclassify (as if Incurred at such later time), such item of Indebtedness (including, for the avoidance of doubt, any portion thereof) in any manner. Accrual of interest, the accretion of accreted value, amortization of original issue discount, the payment of a paid-in-kind fee in connection with any Incurrences of Indebtedness under this Agreement, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies shall not be deemed to be an Incurrence of Indebtedness for purposes of this Section

6.01. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 6.01.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

Notwithstanding any other provision of this Section 6.01, the maximum amount of Indebtedness that the Borrower and the Guarantors may Incur pursuant to this Section 6.01 shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies.

Section 6.02 Liens. Unless explicitly consented to by the Required Ad Hoc Holders in writing (delivered to the Borrower and the Administrative Agent), create, Incur, assume or permit or suffer to exist, directly or indirectly, any Lien on any property now owned or hereafter acquired by it or on any income or revenues or rights in respect of any thereof, except for Permitted Liens.

Section 6.04 Viasat Proceedings. Without the prior written consent of the Required Ad Hoc Holders (in their sole discretion), file or commence any action, suit, litigation or proceeding, or make any material filing or take any material action in respect of (or during the pendency of) the foregoing (including any settlement in respect thereof), whether at law or in equity by or before any Governmental Authority, or otherwise pursuant to the Cases, against Viasat or any Affiliate thereof; *provided* that, without limiting the foregoing, it is understood and agreed that, for purposes of this Section 6.04, (i) the Required Ad Hoc Holders have consented to the filing by the Borrower of a civil complaint against Viasat, which complaint shall be substantially in the form of the draft complaint delivered by the Borrower to the Ad Hoc Cross-Holder Group Primary Advisors and the Ad Hoc First Lien Group Primary Advisors on January 2, 2025 and (ii) the Borrower shall share drafts of material pleadings in respect of the litigation relating to such civil complaint with

the Ad Hoc Cross-Holder Group Primary Advisors and the Ad Hoc First Lien Group Primary Advisors prior to the filing thereof and shall afford them a reasonable opportunity under the circumstances to comment on such pleadings and shall incorporate such reasonable comments in good faith.

(c) any Subsidiary may dissolve, liquidate or wind up its affairs at any time; *provided* that such dissolution, liquidation or winding up, as applicable, would not reasonably be expected to have a Material Adverse Effect and such Subsidiary contributes all of its assets (but not debts) to a Loan Party; and

(d) any Subsidiary that is not a Guarantor may amalgamate, merge or consolidate with or into, or sell all or substantially all of its assets to, the Borrower, any Guarantor, or any Subsidiary that is not a Guarantor so long as the Borrower or applicable Guarantor, in the case of a merger or consolidation with or into a Loan Party, is the surviving Person (and no debt is sold, assumed or otherwise Incurred by any Loan Party in connection therewith).

Section 6.06 Asset Sales. Unless explicitly consented to by the Required Ad Hoc Holders in writing (delivered to the Borrower and the Administrative Agent), neither the Borrower nor any Subsidiary shall cause or make an Asset Sale.

ARTICLE 7 GUARANTEE

Section 7.01 The Guarantee. The Guarantors hereby jointly and severally guarantee, as a primary obligor and not as a surety to each Loan Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest on (including any interest, fees, costs or charges that would accrue but for the provisions of any Debtor Relief Law after the filing of the Cases or any other bankruptcy or insolvency petition under such

Debtor Relief Law) the Loans made by the Lenders to, and the Promissory Notes held by each Lender of, the Borrower, and all other Obligations from time to time owing to the Loan Secured Parties by any Loan Party under any Loan Document, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by required prepayment, declaration, demand, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 7.02 Obligations Unconditional. The obligations of the Guarantors under Section 7.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Requirements of Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement, the Promissory Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full in cash). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

- (i) at any time or from time to time, without notice to any Guarantors, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;
- (ii) any of the acts mentioned in any of the provisions of this Agreement or the Promissory Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;
- (iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;
- (iv) any Lien or security interest granted to, or in favor of, any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or
- (v) the release of any other Guarantor pursuant to Section 7.09.

The Guarantors hereby, to the fullest extent permitted by applicable Requirements of Law, expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Loan Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Promissory Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other Person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Loan Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Loan Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Loan Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Loan Secured Parties or any other Person at any time of any right or remedy against the Borrower or against any other Person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto and each Guarantor hereby expressly renounces all benefit of division or discussion. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 7.03 Reinstatement. The obligations of the Guarantors under this Article 7 shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of the Cases or any other proceedings in bankruptcy or reorganization or otherwise.

Section 7.04 Subrogation; Subordination. Each Guarantor hereby agrees that until the indefeasible payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 7.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party permitted pursuant to Section 6.01(c) shall be subordinated to such Loan Party's Obligations in the manner set forth in the Intercompany Note.

Section 7.05 Remedies. The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Promissory Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.01 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.01) for purposes of Section 7.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically

due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 7.01.

Section 7.06 Instrument for the Payment of Money. Each Guarantor hereby acknowledges that the guarantee in this Article 7 constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 7.07 Continuing Guarantee. The guarantee in this Article 7 is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 7.08 General Limitation on Guarantee Obligations. In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, the Cases or any other federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 7.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 7.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other Person, be automatically limited and reduced to the highest amount (after giving effect to the right of contribution established in Section 7.10) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding. Without limiting the generality of the foregoing, to the extent that Section 2.06(f) or Section 10.16 shall operate to adjust any amount or rate payable by any Canadian Loan Party to any Secured Party to the maximum permissible amount or rate, as the case may be, to ensure that the Obligations of the Canadian Loan Parties do not include any amount or rate that would result in a receipt by such Secured Party of “interest” at a “criminal rate” (as such terms are construed under the Criminal Code (Canada)), the Guaranteed Obligations of such Canadian Loan Party shall be deemed to be automatically limited and reduced with retroactive effect by a corresponding amount or rate, as the case may be, equal to such adjustment.

Section 7.09 Release of Guarantors. If, in compliance with the terms and provisions of the Loan Documents and the DIP Orders, all or substantially all of the Equity Interests of any Subsidiary Guarantor are sold or otherwise transferred (a “**Transferred Guarantor**”) to a Person or Persons, none of which is the Borrower or a Subsidiary, such Transferred Guarantor shall, upon the consummation of such sale or transfer, be automatically released from its obligations under this Agreement (including under Section 10.03 hereof) and its obligations to pledge and grant any Collateral owned by it pursuant to any Loan Security Document and the pledge of such Equity Interests to the Administrative Agent pursuant to the Loan Security Agreement or the Canadian Security Agreement, as applicable, shall be automatically released, and, so long as the Borrower shall have provided the Administrative Agent such certifications or documents as the Administrative Agent shall reasonably request, the Administrative Agent shall take such actions as are necessary to effect each release described in this Section 7.09 in accordance with the relevant provisions of the Loan Security Documents.

Section 7.10 Right of Contribution. Each Subsidiary Guarantor hereby agrees that to the extent that a Subsidiary Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against any other Subsidiary Guarantor hereunder which has not paid its proportionate share of such payment. Each Subsidiary Guarantor's right of contribution shall be subject to the terms and conditions of Section 7.04. The provisions of this Section 7.10 shall in no respect limit the obligations and liabilities of any Subsidiary Guarantor to the Administrative Agent and the Lenders, and each Subsidiary Guarantor shall remain liable to the Administrative Agent and the Lenders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

Section 7.11 Post-Petition Savings Clause. Notwithstanding anything herein to the contrary, to the extent the guaranty of the Guaranteed Obligations set forth in this Article 7 is interpreted in any Case to solely be a prepetition obligation, then such guaranty shall automatically be deemed to have been given on the Petition Date immediately after the filing of the applicable Cases.

ARTICLE 8 EVENTS OF DEFAULT

Section 8.01 Events of Default. Upon the occurrence and during the continuance of the following events ("**Events of Default**"):

(a) the Borrower defaults in the payment of (i) principal or premium, if any, of any Loan when due at its Stated Maturity, upon optional prepayment, upon required repayment, upon declaration of acceleration or otherwise or (ii) interest on any Loan or any fee or any other amount due hereunder or due and payable pursuant to the DIP Orders when the same becomes due and payable;

term, covenant, condition or agreement contained in any agreement or instrument evidencing or governing any such Indebtedness if the effect of any failure referred to in this Section 8.01(d)(ii) is to cause, or to permit the holder or holders of such Indebtedness or a trustee or other representative on its or their behalf (with or without the giving of notice, the lapse of time or both) to cause, such Indebtedness to become due prior to its Stated Maturity or become subject to a mandatory offer purchase by the obligor; *provided* that it shall not constitute an Event of Default pursuant to this Section 8.01(d) unless the aggregate amount of all payments on such Indebtedness referred to in clause (i) and the aggregate amount of Indebtedness referred to in clause (ii) exceeds \$10 million at any one time; *provided* that, notwithstanding the foregoing, this clause (b) shall not apply to any Prepetition Indebtedness that is stayed as a result of the Cases;

(e) Any representation, warranty, stipulation, certification or other statement made or deemed made by any Loan Party (or Responsible Officer thereof) in any Loan Document or any DIP Order or any statement, report or certificate delivered in connection with any Loan Document or any DIP Order shall be false in any material respects (except that such materiality qualifier shall not be applicable to any representation, warranty, stipulation, certification or other statement that is already qualified or modified as to “materiality” or “Material Adverse Effect” in the text thereof);

(f) except for any order fixing the amount of any claim in the Cases, one or more judgments, orders or decrees for the payment of money in an aggregate amount in excess of \$15.0 million shall be rendered against the Borrower or any Guarantor or any combination thereof and the same shall remain undischarged, unvacated or unbonded for a period of 30 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to levy upon properties of the Borrower or any Guarantor to enforce any such judgment;

(i) any Loan Document or any material provisions thereof shall at any time and for any reason be declared by a court of competent jurisdiction to be null and void, or a proceeding

shall be commenced by the Borrower or any Guarantor or any other Person, or by any Governmental Authority, seeking to establish the invalidity or unenforceability thereof (exclusive of questions of interpretation of any provision thereof), or the Borrower or any Guarantor shall repudiate or deny any portion of its liability or obligation for the Obligations;

(j) commencement of ancillary insolvency proceedings, other than the Recognition Proceedings, in applicable foreign jurisdictions with respect to any Loan Party and the entry of applicable recognition, administrative, and substantive orders by the applicable court, in each case without prior consent of the Required Lenders or on terms not satisfactory to the Required Lenders; *provided* that no Event of Default shall occur under this Section 8.01(j) if such proceeding would not reasonably be expected to have a Material Adverse Effect or cause a material delay of the Cases;

(k) actual or asserted (by any Loan Party) invalidity or impairment of any Loan Document (including the failure of any Liens purported to be created by any Loan Security Document or the DIP Orders or the DIP Recognition Orders on any material portion of the Collateral to remain or otherwise become perfected);

(v) the entry of an order in any of the Cases denying or terminating use of Cash Collateral by the Loan Parties or imposing any additional conditions thereon;

(vii) the failure by the Debtors to object to any administrative claim filed in the Cases over \$750,000, or the settlement by the Debtors of any claim in any amount over \$100,000, without the prior written consent of the Required Ad Hoc Holders;

(xviii) except as otherwise provided in the Interim DIP Order or the Final DIP Order, any of the Loan Parties seek or if there is entered, an order under Section 365 of the Bankruptcy Code rejecting a material lease (i) to which any Loan Party is a party, and (ii) that is part of (or whose premises contain any of) the Collateral;

(xix) cessation of the Liens or the DIP Superpriority Claims to be valid, perfected and enforceable in all respects;

(q) the Borrower shall file (or fail to oppose) any motion seeking an order authorizing the sale of all or substantially all of the assets of the Loan Parties (unless (i) in connection with an Acceptable Plan to the extent explicitly provided for in such Acceptable Plan or (ii) such sale would result in the repayment in full in cash of all Obligations and all Prepetition Secured Obligations upon consummation thereof, except as otherwise agreed to by the Required Lenders);

(r) any of the following shall occur with respect to any Property of any Loan Party or any of their respective Subsidiaries with a fair market value in excess of \$15.0 million in aggregate: (a) any loss, destruction or damage of such Property or (b) any actual condemnation, seizure or taking, by exercise of the power of eminent domain or otherwise, of such Property, or confiscation of such Property or the requisition of the use of such Property; or

(s) the Bankruptcy Court shall cease to have exclusive jurisdiction with respect to all matters relating to the exercise of rights and remedies under the Loan Documents, the DIP Orders, the Liens granted under the Loan Security Documents and the Collateral (other than as may be provided for in the Recognition Proceedings);

then, and in every such event and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate forthwith the Commitments and (ii) declare the Loans and other Obligations then outstanding to be forthwith due and payable in whole or in part, whereupon the principal amount of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued fees, and all other Obligations of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower and the Guarantors, notwithstanding anything contained herein or in any other Loan Document or in the DIP Orders or DIP Recognition Orders to the contrary.

Without further notice, application or order of the Bankruptcy Court, and unless otherwise ordered by the Bankruptcy Court, upon the occurrence and during the continuance of an Event of Default, and after providing not less than two (2) Business Days' advance written notice thereof, which notice may be by electronic mail, to counsel to the Debtors, the U.S. Trustee, counsel to the Information Officer, and counsel to any official committee of unsecured creditors appointed in the Cases pursuant to section 1102 of the Bankruptcy Code (the "**Committee**"), the Collateral Agent (at the direction of the Required Lenders) for the benefit of itself and the Lenders shall be entitled to take any action and exercise all rights and remedies provided to them by the Interim DIP Order, the Final DIP Order, the DIP Recognition Orders, this Agreement or any other Loan Document, or applicable law as the Collateral Agent (at the direction of the Required Lenders) may deem appropriate in their sole discretion to, among other things, proceed against and realize upon the Collateral or any other assets or properties of the Debtors' estates upon which the Collateral Agent, for the benefit of itself and the Lenders, has been or may hereafter be granted liens or security interests to obtain the payment in full of the Obligations.

Neither the Loan Parties, the Committee, nor any other party-in-interest shall have the right to contest the enforcement of remedies set forth in the DIP Orders, DIP Recognition Orders and the

Loan Documents on any basis other than an assertion that an Event of Default has not occurred or has been cured within the cure periods expressly set forth in the applicable Loan Documents. The Loan Parties shall cooperate fully with the Agents and the Lenders in their exercise of rights and remedies, whether against the Collateral or otherwise. The Loan Parties hereby waive any right to seek relief under the Bankruptcy Code, including under Section 105 thereof, to the extent such relief would restrict or impair the rights and remedies of the Agents and the Lenders set forth in the DIP Orders, DIP Recognition Orders and in the Loan Documents.

In case any one or more of the covenants and/or agreements set forth in this Agreement or any other Loan Document shall have been breached by any Loan Party, then the Agents or any Lender may proceed to protect and enforce the Lenders' rights either by suit in equity and/or by action at law, including an action for damages as a result of any such breach and/or an action for specific performance of any such covenant or agreement contained in this Agreement or such other Loan Document. Without limitation of the foregoing, the Borrower agrees that failure to comply with any of the covenants contained herein will cause irreparable harm and that specific performance shall be available in the event of any breach thereof. The Agents and any Lender acting pursuant to this paragraph shall be indemnified by the Borrower against all liability, loss or damage, together with all reasonable costs and expenses related thereto (including reasonable legal and accounting fees and expenses) in accordance with Section 10.03.

Notwithstanding the foregoing, the Required Ad Hoc Holders in their sole discretion may waive (in writing) the occurrence and continuance of any Event of Default on a retroactive basis, including interest accruing at the Default Rate.

Section 8.02 Application of Proceeds. The proceeds received by the Administrative Agent or Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral pursuant to the exercise by the Administrative Agent or Collateral Agent of its remedies shall be applied, in full or in part, together with any other sums then held by the Administrative Agent or Collateral Agent pursuant to this Agreement, promptly by the Administrative Agent or Collateral Agent as follows:

(a) *First*, to the payment of all reasonable costs and expenses, fees, commissions and taxes of such sale, collection or other realization including compensation to the Administrative Agent and the Collateral Agent and their respective agents and counsel, and all expenses, liabilities and advances made or incurred by the Administrative Agent or the Collateral Agent in connection therewith and all amounts for which the Administrative Agent and Collateral Agent are entitled to indemnification pursuant to the provisions of any Loan Document, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(b) *Second*, to the payment of all other reasonable costs and expenses of such sale, collection or other realization including compensation to the other Loan Secured Parties and their agents and counsel (including Kirkland & Ellis LLP, Sidley Austin LLP, Blake, Cassels & Graydon LLP, Foley & Lardner LLP and Wiley Rein LLP) and all costs, liabilities and advances made or incurred by the other Loan Secured Parties in connection therewith, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(c) *Third*, without duplication of amounts applied pursuant to clauses (a) and (b) above, to the indefeasible payment in full in cash, pro rata, of interest and other amounts constituting Obligations (other than principal), in each case equally and ratably in accordance with the respective amounts thereof then due and owing;

(d) *Fourth*, to the indefeasible payment in full in cash, pro rata, of the amount of the Obligations constituting principal on the Loans; *provided*, that such prepayment shall be allocated between the DIP New Money Loans and the Roll-Up Loans in accordance with Section 2.10(h) (as if such payment was a prepayment); and

(e) *Fifth*, the balance, if any, to the Person lawfully entitled thereto (including the applicable Loan Party or its successors or assigns) or as a court of competent jurisdiction may direct.

In the event that any such proceeds are insufficient to pay in full the items described in clauses (a) through (e) of this Section 8.02, the Loan Parties shall remain liable, jointly and severally, for any deficiency.

Section 8.03 Government Approval. Notwithstanding anything to the contrary contained herein or in any other Loan Document, any foreclosure on, sale, transfer or other disposition of any Collateral or any other action taken or proposed to be taken hereunder that would affect the operational, voting, or other control of any Loan Party or affect the ownership of the Communications Licenses, the One Dot Six Lease or any company holding the Communications Licenses or the One Dot Six Lease shall be pursuant to the Communications Laws and, if and to the extent required thereby, subject to the prior consent of the FCC, ISED, the CRTC or any other applicable Governmental Authority. Notwithstanding anything to the contrary contained herein, the Administrative Agent and the Lenders shall not take any action pursuant hereto or under any other Loan Document that would constitute or result in any assignment of the Communications Licenses or the One Dot Six Lease or transfer of control or voting rights of any Loan Party or any company holding the Communications Licenses or One Dot Six Lease if such assignment or transfer of control or voting rights would require, under then-existing law (including Communications Laws), the prior approval of the FCC, ISED, the CRTC or any other applicable Governmental Authority, without first obtaining such approval of the FCC, ISED, the CRTC or such other Governmental Authority. Each Loan Party agrees to take any lawful action which the Administrative Agent may request in order to obtain and enjoy the full rights and benefits granted to the Administrative Agent and the Loan Secured Parties by this Agreement, including specifically, after the occurrence and during the continuance of an Event of Default, the use of such Loan Party's best efforts to assist in obtaining any approval of the FCC, ISED, the CRTC and any other Governmental Authority that is then required under Communications Laws or under any other law for any action or transaction contemplated by this Agreement or the other Loan Documents, including, without limitation, the sale or transfer of Collateral. Such efforts shall include, to the extent permitted by the Communications Laws, sharing with Administrative Agent any FCC registration numbers, account numbers and passwords for the FCC's electronic filing system, as well as any account numbers, user names and passwords for ISED's Spectrum Management System and for the CRTC's Industry Data Collection System, and preparing, certifying and filing (or causing to be prepared, certified and filed) with the FCC, ISED, the CRTC or any other applicable Governmental Authority any portion of any application or applications for

consent to the assignment of the Communications Licenses or transfer of control of any Loan Party required to be filed under Communications Laws for approval of any sale or transfer of Collateral and/or the Communications Licenses.

ARTICLE 9 THE ADMINISTRATIVE AGENT

Section 9.01 Appointment and Authority. Each Lender hereby irrevocably appoints the Administrative Agent and Collateral Agent (together, for purposes of this Article 9, the “Agent”) its agent, and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, each Lender hereby authorizes the Administrative Agent to consent, on behalf of each Lender, to the Interim DIP Order and the Final DIP Order (so long as such Interim DIP Order and Final DIP Order have been approved in writing (which approval may be via email) by the Required Lenders (or their counsel(s) on their behalf) as of the applicable date), each to be negotiated between the Loan Parties, the Agent, the Lenders, certain other parties and the statutory committees appointed pursuant to sections 327 and 1103 of the Bankruptcy Code. The provisions of this Article 9 are solely for the benefit of the Agent and the Lenders, and neither the Borrower nor any other Loan Party shall have any rights as a third-party beneficiary of any such provisions. In performing its functions and duties hereunder, the Agent shall act solely as an agent of Lenders (or applicable Secured Party) and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for any Loan Party. It is understood and agreed that the use of the term “Agent” or “agent” herein or in any other Loan Documents (or any other similar term) with reference to an Agent, is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between the contracting parties. Without limiting the generality of the foregoing, the Agent is hereby expressly authorized to (a) execute any and all documents (including releases) with respect to the Collateral and the rights of the Loan Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Loan Security Documents and (b) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

Section 9.02 Rights of a Lender. The institution serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender, and may exercise the same as though it were not an Agent, and such bank and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not an Agent hereunder. The Lenders acknowledge that, pursuant to such activities, any Agent (acting in capacities other than as Agent) or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent (acting in capacities other than as Agent) shall be under any obligation to provide such information to them.

Section 9.03 Exculpatory Provisions. The Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents, and its duties hereunder shall be solely administrative in nature. Without limiting the generality of the foregoing, (a) the Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing, (b) the Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is instructed in writing to exercise as directed in writing by the Required Lenders or the Required Ad Hoc Holders, as applicable (or such other number, percentage or composition of the Lenders as shall be necessary under the circumstances as provided in Section 10.02), provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of any automatic stay under any Debtor Relief Law or any other aspect of any applicable Debtor Relief Law and (c) except as expressly set forth in the Loan Documents, the Agent shall not have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders, or such other number or percentage of the Lenders as shall be necessary or as such Agent shall in good faith believe to be necessary under the circumstances as provided in Section 10.02, or in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is given to such Agent by the Borrower or a Lender in accordance with Section 10.01 hereof, and the Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, recital, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection, or priority of Liens on the Collateral or the existence of the Collateral (for the avoidance of doubt, other than inquiries as to Collateral in an Agent's possession), or (vi) the satisfaction of any condition set forth in Article 4 or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent. The Agent will not be responsible or liable for any action taken or omitted to be taken by it hereunder or under any Loan Document, except for its own gross negligence or willful misconduct, in ease case as determined by a final, non-appealable order by a court of competent jurisdiction. Without limiting the foregoing, except for action expressly required of the Agent hereunder or under any Loan Document, the Agent shall in all cases be fully justified in failing or refusing to act hereunder and thereunder unless it shall receive indemnity and security satisfactory to it against any and all liability or expense that may be incurred by it by reason of taking or continuing to take any such action. The Agent shall not be liable for any error of judgment, or for any act done or step taken or omitted by it in good faith or for any mistake in act or law, or for anything which it may do or refrain from doing in connection herewith, in each case except for its own gross negligence or willful misconduct. The Agent will not be required to take any action (including any action at the direction of the Required Lenders), to advance or

expend any funds or otherwise incur any financial liability in the performance of its duties or the exercise of its power or rights hereunder unless it has been provided with security or indemnity reasonably satisfactory to it against any and all liability or expense which may be incurred by it by reason of taking or continuing to take such action. For purposes of clarity, and without limiting any rights, protections, immunities or indemnities afforded to either Agent hereunder (including without limitation this Article 9), phrases such as “satisfactory to the Agent,” “approved by the Agent,” “acceptable to the Agent,” “as determined by the Agent,” “in the Agent’s discretion,” “selected by the Agent,” “elected by the Agent,” “requested by the Agent,” and phrases of similar import that authorize and permit an Agent to approve, disapprove, determine, act or decline to act in its discretion shall be subject to such Agent receiving written direction from the Required Lenders or the Required Ad Hoc Holders, as applicable (or such other number, percentage or composition of the Lenders as expressly required hereunder or under the other Loan Documents) to take such action or to exercise such rights.

Section 9.04 Reliance by Agent. The Agent shall be entitled to seek and rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Agent may presume that such condition is satisfactory to such Lender unless the Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Whenever in the administration of this Agreement, the Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Agent may conclusively rely upon instructions from the Required Lenders.

The Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders or the Required Ad Hoc Holders, as applicable (or such greater number or different composition of Lenders as may be expressly required hereby in any instance).

Section 9.05 Delegation of Duties. The Agent may perform any and all its duties and exercise its rights and powers by or through any one or more subagents, attorneys, accountants, appraisers or other experts or advisors selected by it in good faith as it may reasonably require and will not be responsible for any misconduct or gross negligence on the part of any of them. The Agent and any such subagent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such subagent and to the Related Parties of each Agent and any such subagent, and shall apply to their respective activities in connection with the syndication of the facilities hereunder as well as activities as Agent. Notwithstanding anything herein to the contrary, with respect to each sub agent appointed by an Agent, such sub agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including

exculpatory rights and rights to indemnification) and shall have all of the rights and benefits of a third party beneficiary.

Section 9.06 Resignation of the Agent. Subject to the appointment and acceptance of a successor Agent as provided below, the Agent may resign at any time by notifying the Lenders and the Borrower, and the Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Borrower and the Agent and signed by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation or receives notice of its removal, (or such earlier day as shall be agreed by the Required Lenders) (the “**Resignation Effective Date**”), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent which shall be a bank (or another Person (other than the Loan Parties or any Affiliate thereof) that in its ordinary course of business serves as administrative agent and collateral agent for credit facilities of this type) with an office in New York, New York, or an Affiliate of any such bank. If no successor Agent has been appointed pursuant to the immediately preceding sentence by the Resignation Effective Date, such Agent’s resignation or removal shall become effective and the Required Lenders shall thereafter perform all the duties of such Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent, as the case may be. Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. The Administrative Agent fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After an Agent’s resignation or removal hereunder, the provisions of this Article 9 and Section 10.03 shall continue in effect for the benefit of such retiring Agent, its subagents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

Section 9.07 Non-Reliance on Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

Section 9.08 Agent May File Proofs of Claim.

(a) In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any of the Debtors, the Agent (irrespective of whether the principal of any Loan or Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file a verified statement pursuant to rule 2019 of the Federal Rules of Bankruptcy Procedure that, in its sole opinion, complies with such rule's disclosure requirements for entities representing more than one creditor;

(ii) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agent and their respective agents and counsel and all other amounts due the Lenders and the Agent under Sections 2.05 and 10.03) allowed in such judicial proceeding; and

(iii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Agent and, in the event that the Agent shall consent to the making of such payments directly to the Lenders, to pay to the Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agent and its agents and counsel, and any other amounts due the Agent under Sections 2.05 and 10.03. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Agent and its respective agents and counsel, and any other amounts due to Agent under this Agreement out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders may be entitled to receive in such proceeding whether in liquidation or any plan of reorganization or arrangement or otherwise.

(b) Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding (unless such Lender explicitly directs in writing the Administrative Agent to so vote its claim).

Section 9.09 Collateral and Guarantee Matters.

(a) The Lenders irrevocably authorize the Agent, at its option and in its sole discretion:

(i) to release any Lien on any property granted to, or held by, the Agent under any Loan Document (x) on or after the date that the Obligations (other than contingent indemnity and expense reimbursement obligations as to which no claim has been made) have been indefeasibly paid in full in cash and the Commitments have been terminated, (y) with respect to any property that is sold or otherwise

disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Loan Documents and the DIP Orders or (z), if approved, authorized or ratified in writing by the Required Lenders (or such other number of Lenders as shall be required hereunder); and

(ii) to release any Subsidiary from its obligations under the Loan Documents if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Loan Documents and the DIP Orders.

(b) Upon request by the Agent at any time, the Required Lenders will confirm in writing, the Agent's authority to release its interest in particular types or items of property, or to release any Subsidiary from its obligations under the Loan Documents pursuant to this Section 9.09.

(c) The Agent shall not be responsible for, or have a duty to, ascertain or inquire into any representation or warranty regarding the existence, value or collectability of any Collateral, the existence, priority or perfection of the Collateral or the Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Section 9.10 Not Partners or Co-Venturers; Administrative Agent as Representative of the Secured Parties.

(a) The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Administrative Agent) authorized to act for, any other Lender. In its capacity, the Administrative Agent is a "representative" of the Secured Parties within the meaning of the term "secured party" as defined in the New York Uniform Commercial Code. Each Lender authorizes the Administrative Agent to enter into each of the Collateral Documents to which it is a party and to take all action contemplated by such documents. To the extent there is an Administrative Agent and a Collateral Agent at such time, each Lender agrees that no Secured Party (other than the Administrative Agent and the Collateral Agent) shall have the right individually to seek to realize upon the security granted by any Collateral Document, it being understood and agreed that such rights and remedies may be exercised solely by the Administrative Agent and the Collateral Agent for the benefit of the Secured Parties upon the terms herein and the other applicable Loan Documents; *provided*, that the Administrative Agent and the Collateral Agent shall follow the written direction of the Required Lenders in respect of such rights and remedies. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Secured Obligations, the Collateral Agent is hereby authorized to execute and deliver for the benefit of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Collateral Agent for the benefit of the Secured Parties.

Section 9.11 Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, or any Person who has received funds on behalf of a Lender (any such Lender or other recipient, a "**Payment Recipient**")

that the Administrative Agent has determined in its sole discretion that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “**Erroneous Payment**”) and demands the return of such Erroneous Payment (or a portion thereof) (provided that, without limiting any other rights or remedies (whether at law or in equity), the Administrative Agent may not make any such demand under this clause (a) with respect to an Erroneous Payment unless such demand is made within five Business Days of the date of receipt of such Erroneous Payment by the applicable Payment Recipient), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two (2) Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including such second Business Day until the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by any Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from or on behalf of any Borrower or any other Loan Party (including from the proceeds of any Collateral) for the purpose of making such Erroneous Payment.

The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

(ii) Any Electronic System used by the Administrative Agent is provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the adequacy of such Electronic Systems and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. Section 10.02 Waivers; Amendment.

(a) *Generally.* No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

(b) *Required Consents.* Subject to Sections 2.01(d)(iii), 2.01(f)(ix), 10.02(c), (d) and (e), neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended, supplemented or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, the Guarantors and the Administrative Agent or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are party thereto, in each case with the written consent of the Required Lenders; *provided* that no such agreement shall be effective if the effect thereof would:

(i) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that no amendment, modification, termination, waiver or consent with respect to any condition precedent, covenant or Default shall constitute an increase or extension in the Commitment of any Lender);

(ii) except as set forth in Section 2.06(f), reduce the principal amount or premium, if any, of any Loan or reduce the rate of interest thereon (other than reduction of Default Rate pursuant to Section 2.06(b)), or reduce any fees payable hereunder, or change the form or currency of payment of any Obligation, without the written consent of each Lender directly affected thereby;

(iii) (A) change the scheduled final maturity of any Loan (other than as set forth in the definition of "Maturity Date"), (B) postpone the date for payment or capitalization of any interest, premium or fees payable hereunder or (C) reduce the amount of, waive or excuse any such payment or accrual (other than waiver of any increase in the interest rate pursuant to Section 2.06(b)), in any case, without the written consent of each Lender directly affected thereby; *provided* that waiving or excusing, in whole or in part, any prepayment or repayment pursuant to Section 2.10(c) shall not be subject to this clause (iii);

(iv) permit the assignment or delegation by the Borrower of any of its rights or obligations under any Loan Document, without the written consent of each Lender (such consent not to be unreasonably withheld, conditioned or delayed);

(v) [reserved];

(vi) change Sections 2.10(h), 2.14(b), (c) or (d) or 8.02 in a manner that would alter the pro rata sharing of payments or setoffs or application of proceeds required thereby or any other provision in a manner that would alter the pro rata allocation or application of proceeds among the Lenders of payments in respect of the Loans, without the written consent of each Lender;

(vii) change any provision of this Section 10.02(b) or Section 10.02(c) or (d) or any of the defined terms used in such Sections in a manner that would have the effect of changing the provisions of such Sections, without the written consent of each Lender directly affected thereby;

(viii) change the percentage or any exclusion or restriction set forth in (x)(A) the definition of “Required Lenders” without the written consent of each Lender, (B) the definition of “Required Ad Hoc Holders” without the written consent of the Ad Hoc First Lien Group and the Ad Hoc Cross-Holder Group, (C) the definition of “Cerberus Lenders” without the written consent of all Cerberus Lenders (but no other Person), (D) the definition of “Fortress Lenders” without the written consent of all Fortress Lenders (but no other Person) or (y) any other provision of any Loan Document (including this Section) specifying the number or percentage of Lenders (including without limitation the Required Lenders and the Required Ad Hoc Holders) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender;

(ix) [reserved];

(x) [reserved];

(xi) modify Section 2.10(g) or (h), without the written consent of each Lender adversely affected thereunder;

(xii) change or waive any provision of Article 9 as the same applies to the Administrative Agent, or any other provision hereof as the same applies to the rights or obligations of the Administrative Agent, in each case without the written consent of the Administrative Agent; or

(xiii) change or waive the definition of Permitted Holders, without the written consent of each Permitted Holder that is a party hereto.

Notwithstanding anything to the contrary herein, any Loan Document may be waived, amended, supplemented or modified pursuant to an agreement or agreements in writing entered into by the Borrower and the Administrative Agent (without the consent of any Lender) solely to cure any manifest mistake, defect or error or to grant a new Lien for the benefit of the Loan Secured Parties or extend an existing Lien over additional property.

(c) *Collateral.* Without the consent of any other Person, the applicable Loan Party or Loan Parties, the Administrative Agent and/or the Collateral Agent may (in its or their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Loan Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Loan Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law.

(d) *Incremental Amendments.* Notwithstanding anything in this Agreement or any other Loan Document to the contrary (including, without limitation, the foregoing provisions of this Section 10.02), with the written consent of the Required Lenders this Agreement and the other Loan Documents may be amended to effect an Increase Joinder (and the corresponding

Incremental Facility) pursuant to Section 2.18 (and the Required Lenders and the Borrower may effect such amendments to this Agreement and the other Loan Documents without the consent of any other party, as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the terms of any such Increase Joinder (and the corresponding Incremental Facility)).

Section 10.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrower and each Guarantor agrees to jointly and severally pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent and the Lenders, including the fees, charges and disbursements of any counsel for the Administrative Agent, the Collateral Agent and/or any Lenders (including for any DIP Secured Party Advisors) in connection with (i) the negotiation, preparation, execution, delivery and administration of this Agreement and the other Loan Documents and any consents, amendments, waivers or other modifications hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), including in connection with post-closing searches to confirm that security filings and recordations have been properly made, (ii) the creation, perfection or protection of the Liens under the Loan Documents (including all reasonable search, filings and recording fees, expenses, stamp, documentary or similar taxes, and title insurance premiums) and (iii) the Cases and any other legal proceeding relating to or arising out of the DIP Facility or the other transactions contemplated by the Loan Documents. The Borrower shall pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Collateral Agent and the Lenders in connection with the enforcement or protection of its rights in connection with this Agreement, including enforcement of this Section 10.03, and the Loans hereunder, including all reasonable and documented out-of-pocket expenses incurred by each of the Administrative Agent, the Collateral Agent and the Lenders during any workout, restructuring or negotiations in respect of such Loans in connection with such enforcement or protection of rights (but excluding fees and expenses of financial advisors and other similar professionals); *provided* that the reimbursement of any fees, charges or disbursements of counsel shall be limited to one counsel to the Administrative Agent, one counsel to the Collateral Agent and no more than two firms of counsel to the Lenders (which counsel shall be designated by the Administrative Agent or the Required Lenders, as applicable (and in the case of the Lenders shall initially be Kirkland & Ellis LLP and Sidley Austin LLP)) (and (x) appropriate local counsel in applicable local jurisdictions, but limited to one local counsel for the Administrative Agent, one local counsel for the Collateral Agent and one counsel to the Lenders, in each such jurisdiction (which counsel shall be designated by the Administrative Agent or the Required Lenders, as applicable), (y) regulatory counsel, limited to one local counsel for the Administrative Agent, one local counsel for the Collateral Agent and one counsel to the Lenders, in each such jurisdiction (which counsel shall be designated by the Administrative Agent or the Required Lenders, as applicable) and (z) solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction or regulatory counsel for the Administrative Agent and one additional counsel in each relevant jurisdiction or regulatory counsel for each group of similarly situated Lenders).

(b) The Borrower and each Guarantor shall jointly and severally indemnify the Administrative Agent, Collateral Agent and each Lender, each Backstop Lender (including, other than in the case of subclause (v) below, as a Prepetition Lender and Holder) and each Related Party of any of the foregoing Persons (each such Person being called an “**Indemnitee**”) against, and

hold each Indemnitee harmless from, any and all actual losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of one counsel for all Indemnitees, taken as a whole (which counsel shall be designated by Indemnitees holding a majority of the aggregate principal amount of Loans held by all Indemnitees) (and one additional counsel for each of the Administrative Agent and the Collateral Agent) (and solely in the case of a conflict of interest, one additional counsel for all similarly situated Indemnitees, taken as a whole (which counsel shall be selected by similarly situated Indemnitees holding a majority of the aggregate principal amount of Loans held by all similarly situated Indemnitees)), incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or the consummation of the Transactions or any other transactions contemplated hereby, including enforcement of this Section 10.03, (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on, at, in or from any property owned, leased, licensed or operated by the Borrower or any of its Subsidiaries, or any Environmental Claim related in any way to the Borrower or any of its Subsidiaries, (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto or (v) the Cases, the Recognition Proceedings, or any related cases in any other jurisdiction; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (i) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith, willful misconduct or a material breach of the obligations under Section 2.01 or Section 2.02 by such Indemnitee and (y) to the extent arising from any dispute solely among Indemnitees other than (i) any claims against the Administrative Agent and/or the Collateral Agent acting in such capacity or in fulfilling such role or any similar role under this Agreement and (ii) any claims arising out of any act or omission on the part of the Borrower or its Subsidiaries. This Section 10.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent in its capacity as such.

(d) To the extent permitted by applicable law, no party hereto shall assert, and each such party hereby waives, any claim against any other party, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof; *provided* that, nothing in this clause (d) shall relieve the Borrower of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(e) All amounts due under this Section 10.03 shall be payable promptly after written demand therefor.

Section 10.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower or any other Loan Party without such consent shall be null and void) and (ii) no Lender may consummate any Transfer of Loans or any of its rights or obligations hereunder except in accordance with this Section 10.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in Section 10.04(b)(ii), any Lender may assign to a Lender, an Affiliate of a Lender, a Participant or any other Person that is an Eligible Assignee (and any attempted assignment or transfer to a Person that is not an Eligible Assignee shall be null and void) all or a portion of its rights and obligations under this Agreement as a Lender (including all or a portion of its Commitments and Loans at the time owing to it), in each case (other than any assignment consummated pursuant to the Syndication Transactions), with the prior written consent of:

(A) [reserved]; and

(B) the Administrative Agent, which consent shall not be unreasonably withheld, conditioned or delayed; *provided* that with respect to any assignment by a Lender to an Affiliate of such Lender or an Approved Fund of such Lender, such consent shall be deemed given so long as both parties to the assignment have complied with the other provisions set forth herein and the Administrative Agent has completed “know-your-customer” and other verifications required by law with respect to the assignee.

(ii) Any such assignments (which, for the avoidance of doubt, shall not include any assignment consummated pursuant to the Syndication Transactions) shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s applicable Commitment or Loans, the amount of the applicable Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1,000,000; *provided* that

simultaneous assignments by, or to, two or more Approved Funds shall be combined for purposes of determining whether the minimum assignment requirement is met;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall (A) execute and deliver to the Administrative Agent and the Borrower an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent or (B) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Assumption, in each case, together with a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(D) the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent and the Borrower an Administrative Questionnaire in which the assignee designates one or more contacts (as defined in the Administrative Questionnaire) to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws and all applicable tax forms;

(E) the Assignment and Assumption will include a representation from the assignee thereunder that such assignee is an Eligible Assignee;

(F) no assignment may be made prior to the DIP Second Funding Date other than an assignment by a Lender to an Affiliate of such Lender or an Approved Fund of such Lender unless waived by the Required Ad Hoc Holders in their sole discretion;

(G) [reserved]; and

(H) for the avoidance of doubt, no Loans or Commitments may be assigned to the Borrower or any of its Subsidiaries, any Affiliate of the Borrower, or to any natural Person (or a holding company, investment vehicle or trust for, owned and operated for the primary benefit of a natural Person).

Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or potential Lender or any Participant or potential Participant is an Eligible Assignee, the Administrative Agent shall have no liability with respect to any assignment made to a Person

that is not an Eligible Assignee and the Administrative Agent shall have no responsibility or obligation with respect to provisions concerning Affiliate Lenders, including without limitation Section 10.04(b)(ii)(F). Any assigning Lender shall, in connection with any potential assignment, provide to the Borrower a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not an Event of Default has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to Section 10.04(b)(iv), from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.12, Section 2.15 and Section 10.03 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement as a Lender that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.04(c), to the extent such participation is permitted by Section 10.04(c).

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 10.04(b) and any written consent to such assignment required by Section 10.04(b) and any applicable tax forms, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; *provided* that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to, Section 2.02(b), Section 2.14(d) or Section 10.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register

unless and until such payment shall have been made in full, together with all accrued interest thereon; *provided*, further, that in the case of any assignment consummated pursuant to the Syndication Transactions the Administrative Agent shall accept such assignments, and record the applicable information in respect thereof, upon the consummation thereof in accordance with Section 2.01(f). No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may sell participations to one or more banks or other entities that are Eligible Assignees and not the Borrower, Subsidiaries or other Affiliates of the Borrower (a “**Participant**”) in all or a portion of such Lender’s rights and obligations under this Agreement with respect to Loans and/or related Commitments; (B) such Lender’s obligations under this Agreement shall remain unchanged; (C) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; (D) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement; and (E) no participations may be sold or otherwise transferred to any Person that is not an Eligible Assignee. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement, in each case, to the extent provided for herein; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant (such consent not to be unreasonably withheld, conditioned or delayed), agree to any amendment, modification or waiver (1) described in clause (i), (ii), (iii) or (v) of the first proviso to Section 10.02(b) and (2) that directly affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Section 2.12 and Section 2.15 (subject to the requirements and limitations therein, including the requirements under Section 2.15(e) (it being understood that the documentation required under Section 2.15(e) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; *provided* that such Participant (A) agrees to be subject to the provisions of Section 2.16 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.12 or Section 2.15, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower’s request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.16 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.14(d) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under the Loan Documents (the “**Participant Register**”); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any Commitments, Loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States

Treasury Regulations and Section 1.163-5(b) of the Proposed United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to any Person (other than a natural Person) to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 10.04 shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Without limiting the prohibitions in this Agreement on the Borrower, Subsidiaries or Affiliates of a Borrower becoming a Lender hereunder, Affiliate Lenders shall be excluded from (a) attending (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender and (b) receiving any information or material prepared by Administrative Agent or any Lender or any communication by or among the Administrative Agent and/or one or more Lenders.

Section 10.05 Survival of Agreement. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of (including all amounts Paid in Kind that have been added to the principal amount) or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Section 2.12, Section 2.15 and Section 10.03 and Article 9 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 10.06 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken

together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.07 Severability.

Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 10.08 Right of Setoff.

Subject to the DIP Orders and solely with respect to the Canadian Collateral, the DIP Recognition Orders, if an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 10.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York and, to the extent applicable, the Bankruptcy Code, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

(b) The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court

does not have, or abstains from jurisdiction, the Supreme Court of the State of New York sitting in New York County, Borough of Manhattan, and of the United States District Court for the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement against the Borrower or its properties in the courts of any jurisdiction.

The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in any action or proceeding arising out of or relating to any Loan Document in the manner provided for notices in Section 10.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 10.10 Waiver of Jury Trial. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 10.12 Treatment of Certain Information; Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential

nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, or otherwise relating to the Cases, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of, or any prospective assignee of, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower, (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent or any Lender on a non-confidential basis from a source other than the Borrower or (i) on a confidential basis to (x) any rating agency in connection with rating the Borrower or its Subsidiaries or the Loans hereunder or (y) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the facilities or any market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent in connection with the administration, settlement and management of this Agreement and the Loan Documents. For the purposes of this Section, “**Information**” means all information received from the Borrower or any of its Subsidiaries, the Borrower or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower or any of its Subsidiaries; *provided* that, in the case of information received from the Borrower after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 10.13 Material Non-Public Information.

(a) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 10.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(b) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED

IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

Section 10.14 Authorization to Distribute Certain Materials to Public-Siders.

(a) None of the Loan Parties currently has any publicly traded securities outstanding (including, but not limited to, 144A Securities, commercial paper notes or American Depositary Receipts); *provided* that the Borrower agrees that if any of the Loan Parties issues any publicly traded securities at a future date, any of the information in the Loan Documents and the Financial Statements to be furnished pursuant to Section 5.01(a) or (b), to the extent then material, will be publicly disclosed or set forth in the related prospectus or other offering document for such issuance.

(b) The Borrower hereby authorizes the Administrative Agent to distribute the execution versions of the Loan Documents to the Lenders and Financial Statements to all Lenders, including their Public-Siders who indicate that they would not wish to receive information that would be deemed to be material non-public information within the meaning of the United States federal and state securities laws if the Companies had publicly-traded securities outstanding.

(c) If the Borrower issues any 144A Securities during the term of this Agreement and its Financial Statements are not filed with the Securities and Exchange Commission, the Borrower (i) agrees to deliver to the Administrative Agent, and authorizes their posting by the Administrative Agent to the public-side view site of any applicable agency website, the Financial Statements and (ii) represents, warrants and agrees that the Financial Statements will not constitute information that, upon disclosure to Public-Siders, would restrict them or their firms from purchasing or selling any of the 144A Securities under United States federal and state securities laws. The Borrower further agrees to clearly label such Financial Statements with a notice stating: “Confidential Financial Statements provided to 144A Holders” before delivering them to the Administrative Agent.

(d) The Borrower acknowledges its understanding that Public-Siders and their firms may be trading in any of the Loan Parties’ respective securities while in possession of the materials, documents and information distributed to them pursuant to the authorizations made herein.

Section 10.15 USA PATRIOT Act Notice and Customer Verification. Each Lender that is subject to the requirements of the USA PATRIOT Act and the Administrative Agent hereby notifies the Borrower that pursuant to the requirements of the Act and/or the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide (a) to the extent the Borrower qualifies as a “legal entity customer” under 31 C.F.R. § 1010.230 (the “**Beneficial Ownership Regulation**”), a customary certification for the Borrower regarding beneficial ownership in relation to the Borrower, in form and substance satisfactory to Administrative Agent and the Lenders and (b) all other documentation and other information that the Administrative

Agent or such Lender reasonably requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the PATRIOT Act.

Section 10.16 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, subject to sections 2.06(f) and 7.08, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 10.17 Obligations Absolute. To the fullest extent permitted by applicable Requirements of Law, all obligations of the Loan Parties hereunder shall be absolute and unconditional irrespective of:

- (a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Loan Party;
- (b) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto against any Loan Party;
- (c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument relating thereto;
- (d) any exchange, release or non-perfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Obligations;
- (e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect hereof or any Loan Document; or
- (f) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Loan Parties.

Section 10.18 AML Legislation.

- (a) The Borrower acknowledges that, pursuant to the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws, whether within Canada or else-where (collectively, including any guidelines or orders thereunder, “AML

Legislation”), the Loan Secured Parties or any future assignee of a Loan Secured Party may be required, now or hereafter, to obtain, verify and record information regarding the Borrower, its directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Borrower, and the transactions contemplated hereby. The Borrower shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Loan Secured Party or the Administrative Agent, or any prospective or future assign or participant of a Loan Secured Party, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(b) If the Administrative Agent has ascertained the identity of the Borrower or any authorized signatories of the Borrower for the purposes of applicable AML Legislation, then the Administrative Agent:

(i) shall be deemed to have done so as an agent for each Loan Secured Party (or any future assignee of a Loan Secured Party), and this Agreement shall constitute a “written agreement” in such regard between each Loan Secured Party (or any future assignee of a Loan Secured Party) and the Administrative Agent within the meaning of applicable AML Legislation; and

(ii) shall provide to each Loan Secured Party (or any future assignee of a Loan Secured Party) copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Loan Secured Parties agrees that the Administrative Agent has no obligation to ascertain the identity of the Borrower or any authorized signatories of the Borrower on behalf of any Loan Secured Party or any future assignee of a Loan Secured Party, or to confirm the completeness or accuracy of any information it obtains from the Borrower or any such authorized signatory in doing so.

Section 10.19 [Reserved].

Section 10.20 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 10.21 Acknowledgement Regarding Any Supported QFCs. Notwithstanding anything to the contrary otherwise herein, nothing in this Agreement shall:

(a) affect the ability of any Consenting Stakeholder to consult with any other Consenting Stakeholder, the Company, AST, or any other party in interest in the Bankruptcy Cases;

(b) limit the rights of any Consenting Stakeholder or AST under any applicable bankruptcy, insolvency, foreclosure, or similar proceeding (including appearing in any such proceeding) so long as the exercise of such rights is not inconsistent with the terms and conditions of this Agreement;

(c) require any Consenting Stakeholder or AST to incur any material financial or other material liability other than as expressly described in this Agreement or the Definitive Documents;

(f) prevent any Consenting Stakeholder from taking any customary perfection step or other action as is necessary to preserve or defend the validity, existence, and priority of its Claims/Interests or any lien securing any such Claims/Interests (including, without limitation, the filing of proofs of claim).

Section 5. *Transfer of Claims and Interests.*

(a) During the Agreement Effective Period, no Consenting Stakeholder shall sell, use, pledge, assign, transfer, permit the participation in, or otherwise dispose of (each, a “Transfer”) any ownership (including any beneficial ownership⁷) in the Claims/Interests to any affiliated or unaffiliated party, including any party in which it may hold a direct or indirect beneficial interest, unless (a transferee that satisfies such requirement, a “Permitted Transferee,” and such Transfer, a “Permitted Transfer”):

⁷ As used herein, the term “beneficial ownership” means the direct or indirect economic ownership of, and/or the power, whether by contract or otherwise, to direct the exercise of the voting rights and the disposition of, the Claims/Interests or the right to acquire such claims or interests.

(i) the intended transferee is (A) another Consenting Stakeholder or (B)(1) a qualified institutional buyer as defined in Rule 144A of the Securities Act of 1933, as amended (the “Securities Act”) (such qualified institutional buyer, a “QIB”), (2) not a U.S. person (as defined in Regulation S of the Securities Act) (a “Non-U.S. Person”), (3) an institutional accredited investor (as defined in Rule 501(a)(1), (2), (3), (7), (8), (9), (12), and (13) under the Securities Act) (such institutional accredited investor, an “Institutional Accredited Investor”), or (4) an affiliate of a Consenting Stakeholder, and in each case of clauses (A) and (B), such intended transferee executes and delivers to each of the Company Advisors, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors, on the terms set forth below, an executed form of the transfer agreement in the form attached hereto as **Exhibit B** (a “Transfer Agreement”) before such Transfer is effective (it being understood that any Transfer shall not be effective as against the Company until notification of such Transfer and a copy of the executed Transfer Agreement is received by counsel to the Company, in each case, on the terms set forth herein); *provided*, that in each case, this Agreement and any vote in favor of the Plan by such transferring Consenting Stakeholder shall be binding upon the Permitted Transferee.

(b) Notwithstanding Section 5(a), a Qualified Marketmaker⁸ that acquires any right, title, or interest in any Claims/Interests subject to Section 5 of this Agreement while acting in its capacity as a Qualified Marketmaker for such Claims/Interests shall not be required to execute and deliver to each the Company Advisors, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors a Transfer Agreement in respect of such Claims/Interests or be a Permitted Transferee if such Qualified Marketmaker transfers the right, title, or interest in such Claims/Interests within ten (10) business days of its acquisition to a transferee that (A) is a Permitted Transferee at the time of such Transfer or (B) becomes a Permitted Transferee by the date of settlement of such Transfer and, in each case, the Transfer is otherwise permitted under Section 5.

⁸ As used herein, the term “Qualified Marketmaker” means an entity that (a) holds itself out to the public or the applicable private markets as standing ready in the ordinary course of business to purchase from customers and sell to customers claims against or interests in the Company (including debt securities or other debt) or enter with customers into long and short positions in claims against or interests in the Company (including debt securities or other debt), in its capacity as a dealer or market maker in such claims against or interests in the Company, and (b) is, in fact, regularly in the business of making a market in claims against or interests in issuers or borrowers (including debt securities or other debt).

(c) The Transfer shall not, in the reasonable business judgment of the Company and its legal advisors, in consultation with the Ad Hoc First Lien Group Advisors and the Ad Hoc Crossholder Group Advisors, materially and adversely affect the Company's ability to obtain the regulatory consents or approvals necessary to effectuate the Restructuring; *provided*, that (a) the Company's review and confirmation shall not be unreasonably withheld and such review shall be solely limited to issues arising from the Company's ability to obtain regulatory consents and approvals and (b) the Company shall provide such review and confirmation no later than five business days after receiving notice and a copy of an executed Transfer Agreement (or a Transfer Agreement to be executed upon confirmation from the Company pursuant to this provision); *provided, further*, that this restriction set forth in this Section 5(c) shall not apply to a Permitted Transfer that is an internal transfer between affiliates so long as both parties to the assignment are already parties to this Agreement.

(d) Notwithstanding Section 5(a), to the extent that a Consenting Stakeholder is acting in its capacity as a Qualified Marketmaker, it may Transfer any right, title, or interest in any Claims/Interests that such Consenting Stakeholder, in its capacity as a Qualified Marketmaker, acquires from a holder of Claims/Interests that is not a Consenting Stakeholder without the requirement that the transferee execute and deliver to the Company Advisors, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors a Transfer Agreement in respect of such Claims/Interests or be a Permitted Transferee.

(e) Notwithstanding Section 5(b) above, a Qualified Marketmaker may Transfer any right, title, or interest in any Claims/Interests that it acquires from a Consenting Stakeholder to another Qualified Marketmaker (the "Transferee Qualified Marketmaker") without the requirement that the Transferee Qualified Marketmaker execute and deliver to each of the Company Advisors, the Ad Hoc Crossholder Group Advisors, and the Ad Hoc First Lien Group Advisors, a Transfer Agreement in respect of such Claims/Interests or be a Permitted Transferee, if such Transferee Qualified Marketmaker transfers the right, title, or interest in such Claims/Interests within ten (10) business days of its acquisition from the Qualified Marketmaker to a transferee that (A) is a Permitted Transferee at the time of such Transfer or (B) becomes a Permitted Transferee by the date of settlement of such Transfer and, in each case, the Transfer is otherwise permitted under Section 5.

(f) This Agreement shall in no way be construed to preclude the Consenting Stakeholders from acquiring additional Claims/Interests; *provided* that (i) any Consenting Stakeholder that acquires additional Claims/Interests during the Agreement Effective Period shall execute and deliver a Transfer Agreement to each of the Company Advisors, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors before such Transfer is effective and such Transfer is otherwise a Permitted Transfer, and (ii) such additional Claims/Interests shall automatically and immediately upon acquisition by a Consenting Stakeholder be deemed subject to the terms of this Agreement.

(g) This Section 5 shall not impose any obligation on the Company to issue any "cleansing letter" or otherwise publicly disclose information for the purpose of enabling a Consenting Stakeholder to Transfer any Claims/Interests.

(h) Any Transfer made in violation of this Section 5 shall be void *ab initio*. Any Consenting Stakeholder that effectuates a Permitted Transfer to a Permitted Transferee shall have no liability under this Agreement arising from or related to the failure of the Permitted Transferee to comply with the terms of this Agreement.

(i) In addition, other than pursuant to a Permitted Transfer, any holder of Claims/Interests may become a Party, and become a Consenting Stakeholder, by executing and delivering a Joinder Agreement in the form attached hereto as Exhibit C to counsel to the Company.

(j) Notwithstanding anything to the contrary in this Section 5, the restrictions on Transfer set forth in this Section 5 shall not apply to the grant of any liens or encumbrances on any claims and interests in favor of a bank or broker-dealer holding custody of such claims and interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such claims and interests.

Section 6. *Representations and Warranties of Consenting Stakeholders.* Each Consenting Stakeholder, severally, and not jointly, represents and warrants that:

(a) it is the beneficial owner of the face amount of the Claims/Interests, or is the nominee, investment manager, or advisor for beneficial holders of the Claims/Interests, as reflected in such Consenting Stakeholder's signature block to this Agreement (or below its name on the signature page of a Transfer Agreement or a Joinder Agreement for any Consenting Stakeholder that becomes a party hereto after the date hereof) (such Claims/Interests, the "Owned Claims/Interests"); *provided* that no Consenting Stakeholder shall be required to include in its Claims/Interests identified on its signature page hereto any amount that is subject to an open trade as of the date hereof, and, notwithstanding anything herein to the contrary, such amounts shall not be subject to the terms of this Agreement unless such Claims/Interests are identified on such Consenting Stakeholder's signature page hereto or acquired by a Consenting Stakeholder after the date hereof.

(b) it has the full power and authority to act on behalf of, vote, and consent to matters concerning the Owned Claims/Interests;

(c) the Owned Claims/Interests are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would adversely affect in any way such Consenting Stakeholder's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed;

(d) (i) it is either (A) a QIB, (B) an Institutional Accredited Investor, (C) a Non-U.S. Person, or (D) the foreign equivalent of (A) or (B) above, and (ii) any securities of the Company acquired by the applicable Consenting Stakeholder in connection with the Restructuring will have been acquired for investment and not with a view to distribution or resale in violation of the Securities Act; and

(e) as of the date hereof, it has no actual knowledge of any event that, due to any fiduciary or similar duty to any other person or entity, would prevent it from taking any action required of it under this Agreement.

(k) any court of competent jurisdiction has entered a final, non-appealable judgment or order declaring this Agreement to be unenforceable.

10.05. Mutual Termination. This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual agreement among each of the Company, the Required Consenting Creditors, and AST.

10.06. Automatic Termination. This Agreement shall terminate automatically without any further required action or notice on (i) the Plan Effective Date; or (ii) with respect to AST, upon the automatic termination of the AST Term Sheet as provided therein, unless the AST Definitive Agreements have been executed and supersede such AST Term Sheet.

10.07. Individual Termination. Any individual Consenting Stakeholder or AST may terminate this Agreement as to itself only, upon written notice to the Company, delivered in accordance with Section 14.09 hereof, if the Plan Effective Date has not occurred by the date that is 120 calendar days after the Outside Date (the "Individual Termination Transaction Outside Date").

10.08. Effect of Termination. No Party may terminate this Agreement if such Party failed to perform or comply in all material respects with the terms and conditions of this Agreement, with such failure to perform or comply directly or indirectly causing, or resulting in, the occurrence of the termination event on which such termination is based. The date on which termination of this Agreement as to a Party is effective in accordance with any of Sections 10.01-10.07 shall be referred to

as a “Termination Date.” Upon the occurrence of a Termination Date as to a Party, this Agreement shall be of no further force and effect and each Party subject to such termination shall be released from its commitments, undertakings, and agreements under or related to this Agreement and shall have the rights and remedies that it would have had, had it not entered into this Agreement, and shall be entitled to take all actions, whether with respect to the Restructuring or otherwise, that it would have been entitled to take had it not entered into this Agreement; *provided* that in no event shall any such termination relieve a Party for liability for its breach or non-performance of its obligations hereunder that arose prior to the date of such termination or any obligations hereunder that expressly survive termination of this Agreement under Section 11 hereof. Upon the occurrence of a Termination Date, any and all consents or ballots tendered by the Parties subject to such termination before a Termination Date shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring and this Agreement or otherwise. Notwithstanding anything to the contrary, nothing in this Agreement shall be construed to prohibit the Company, any of the Consenting Stakeholders, or AST from contesting whether any termination is in accordance with the terms of this Agreement or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date. Nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict (a) any right of the Company or the ability of the Company to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims (if any) against any Consenting Stakeholder or AST, (b) any right of any Consenting Stakeholder, or the ability of any Consenting Stakeholders, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its Claims against any Company entity or claims (if any) against any other Consenting Stakeholders or AST, and (c) any right of AST, or the ability of AST, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its Claims against any Company entity or claims (if any) against any other Consenting Stakeholders. If this Agreement terminates at any time during which, absent the Company’s consent, Bankruptcy Court approval would otherwise be required to change any ballots submitted or votes cast in connection with confirmation of the Plan, the Company shall be deemed to consent to any Consenting Stakeholder’s modification or withdrawal of any ballots or votes previously submitted or cast by such Consenting Stakeholder and such ballots or votes may be changed or resubmitted regardless of whether the applicable voting deadline has passed (without the need to seek an order of a court of competent jurisdiction or consent from the Company or any other applicable Party allowing such change or resubmission). Nothing in this Section 10.08 shall restrict the Company’s right to terminate this Agreement in accordance with Section 10.04(f), the Required Consenting First Lien Group Creditors’ right to terminate this Agreement in accordance with Section 10.01(e) hereof, the Required Consenting Crossholder Group Creditors’ right to terminate this Agreement in accordance with Section 10.02(e) hereof, or AST’s right to terminate this Agreement in accordance with Section 10.03(e) hereof.

10.09. Automatic Stay. The Company acknowledges that, after the commencement of the Chapter 11 Cases, the giving of notice of default or termination by any other Party pursuant to this Agreement shall not be a violation of the automatic stay under section 362 of the Bankruptcy Code or any stay imposed by the Canadian Court, and the Company hereby waives, to the fullest extent permitted by law, the applicability of the automatic stay as it relates to any such notice being provided; *provided* that nothing herein shall prejudice any Party’s rights to argue that the giving of notice of default or termination was not proper under the terms of this Agreement.

Section 11. *Survival*. Notwithstanding the termination of this Agreement pursuant to Section 10, the agreements and obligations of the Parties in Section 10.08, Section 14, Section

15, and Section 17, and any defined terms needed for the interpretation of any such Sections, shall survive such termination and shall continue in full force and effect in accordance with the terms hereof.

Section 12. *No Solicitation; Fiduciary Duties.*

12.01. In furtherance and not in limitation of Sections 4.01 and 4.02, but subject to Section 12.03, during the Agreement Effective Period, (a) neither the Company nor any of the Consenting Stakeholders shall, and each of the foregoing shall cause its subsidiaries and its and its subsidiaries' respective directors, managers and officers not to and shall use reasonable best efforts to cause its and its subsidiaries' other representatives not to, directly or indirectly, (i) solicit, initiate or knowingly encourage, facilitate or assist (including by way of furnishing non-public information relating to the Company or any of its subsidiaries or affording access to the business, properties, assets, books, records or personnel of the Company or any of its subsidiaries) any Alternative Commercial Transaction Proposal, (ii) participate or engage in any discussions or negotiations with any Person with respect to any Alternative Commercial Transaction Proposal, (iii) adopt, approve or enter into any binding or non-binding agreement with respect to any Alternative Commercial Transaction or (iv) resolve or agree to do any of the foregoing and (b) the Company and the Consenting Stakeholders shall, and each of the foregoing shall cause its subsidiaries and its and its subsidiaries' respective directors, managers and officers to and shall use reasonable best efforts to cause its and its subsidiaries' other representatives to, immediately cease all existing discussions or negotiations with any Person (other than AST and AST's representatives) conducted prior to the commencement of the Agreement Effective Period with respect to any Alternative Commercial Transaction Proposal. Promptly, and in any event within 24 hours, after the commencement of the Agreement Effective Period, the Company shall terminate access by any Person (other than AST and AST's representatives) to any physical or electronic dataroom relating to a potential Alternative Commercial Transaction Proposal (or prior discussions in respect of a potential Alternative Commercial Transaction Proposal) and request that each Person (other than AST and AST's representatives) that has executed a confidentiality agreement relating to a potential Alternative Commercial Transaction Proposal promptly return to the Company or destroy all non-public documents and materials containing non-public information of the Company that has been furnished by the Company or any of its representatives to such Person pursuant to the terms of such confidentiality agreement.

12.02. During the period beginning on the Agreement Effective Date and ending on the date the AST Definitive Agreements Order is entered, as promptly as practicable, and in any event within 24 hours, following receipt of an Alternative Commercial Transaction Proposal, the Company shall provide AST, the Ad Hoc First Lien Group Advisors and the Ad Hoc Crossholder Group Advisors with written notice thereof, which notice shall indicate the identity of the Person making such Alternative Commercial Transaction Proposal and the material terms and conditions thereof. Thereafter, the Company shall keep AST, the Ad Hoc First Lien Group Advisors and the Ad Hoc Crossholder Group Advisors reasonably informed on a prompt and timely basis with respect to the status of or material terms and conditions of any such Alternative Commercial Transaction Proposal (including any amendments or proposed amendments to such terms). The Company shall promptly (and in any event within 24 hours following receipt or delivery thereof) provide AST, the Ad Hoc First Lien Group Advisors and the Ad Hoc Crossholder Group Advisors with copies of all written Alternative Commercial Transaction Proposals and all materials (including draft and proposed financing documents) relating to any Alternative Commercial Transaction Proposal that, in each case, are either (a) received

by the Company or any of its representatives from the Person(s) making any such Alternative Commercial Transaction Proposal or any of its representatives or (b) delivered by the Company or any of its Representatives to such Person(s) or any of its or their representatives.

12.03. Notwithstanding anything to the contrary set forth in this Section 12, at any time during the period beginning on the Agreement Effective Date and ending on the date the AST Definitive Agreements Order is entered, if (a) the Company has received a written, *bona fide* Alternative Commercial Transaction Proposal from any Person that did not result from a breach of this Section 12 and (b) the board of managers of Parent (the “Parent Board”) determines in good faith, after consultation with its independent financial advisor and outside legal counsel, that such Alternative Commercial Transaction Proposal constitutes or is reasonably likely to lead to a Superior Commercial Transaction Proposal and that the failure to take such action described in clause (i), (ii) or (iii) below would be inconsistent with its fiduciary duties under applicable law, then the Company may (i) enter into an Acceptable Confidentiality Agreement with such Person, (ii) furnish information with respect to the Company to the Person making such Alternative Commercial Transaction Proposal and its representatives (*provided*, that the Company shall concurrently provide or make available to AST any non-public information concerning the Company that is provided to such Person and that was not previously provided or made available to AST) and (iii) participate and engage in discussions or negotiations with, or facilitate or assist any effort by, the Person making such Alternative Commercial Transaction Proposal and its representatives regarding such Alternative Commercial Transaction Proposal.

12.04. Notwithstanding the foregoing or anything to the contrary set forth in this Agreement, the Parent Board may, in response to (x) the receipt of a written, *bona fide* Alternative Commercial Transaction Proposal received during the Agreement Effective Period that did not result from a material breach of this Section 12, or (y) the occurrence of an Intervening Event, terminate this Agreement pursuant to Section 10.04(f); *provided*, that prior to such termination, (a) the Parent Board determines in good faith, after consultation with its independent financial advisor and outside legal counsel, that the failure to so terminate this Agreement would be inconsistent with its fiduciary duties under applicable law, (b) in the case of receipt of an Alternative Commercial Transaction Proposal, the Parent Board determines in good faith, after consultation with its independent financial advisor and outside legal counsel, that such Alternative Commercial Transaction Proposal constitutes a Superior Commercial Transaction Proposal, (c) the Company provides written notice to AST, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors at least fifteen (15) business days (or, if such notice to AST is delivered following entry of the Break-Up Fee Order, ten (10) business days) prior to terminating this Agreement pursuant to Section 10.04(f), of its intent to take such action, specifying the reasons therefor, including, in the case of receipt of an Alternative Commercial Transaction Proposal, the material terms and conditions of such Alternative Commercial Transaction Proposal (including a copy of all binding agreements (and drafts thereof) in respect thereof and any other relevant proposed transaction documentation (including any financing commitments) (a “Termination Notice”), (d) prior to terminating this Agreement pursuant to Section 10.04(f), the Company negotiates, and causes its representatives to negotiate, with AST in good faith (to the extent AST desires to negotiate) during such ten (10) or fifteen (15) business day period (as applicable) to enable AST to propose amendments to the terms and conditions of this Agreement that would obviate the basis for the termination of this Agreement and (e) no earlier than the end of such ten (10) or fifteen (15) business day period (as applicable) (i) the Parent Board determines in good faith, after consultation with its independent financial advisor and outside legal counsel, after considering any amendments to the terms and

conditions of this Agreement proposed by AST during such ten (10) or fifteen (15) business day period (as applicable) that the failure to terminate this Agreement pursuant to Section 10.04(f) would be inconsistent with its fiduciary duties under applicable law and (ii) in the case of receipt of an Alternative Commercial Transaction Proposal, that such Alternative Commercial Transaction Proposal is a binding written offer capable of acceptance by the Company and continues to constitute a Superior Commercial Transaction Proposal. Following delivery of a Termination Notice in the case of an Alternative Commercial Transaction Proposal, in the event of any change to the financial terms (including any change to the amount or form of consideration payable) or other material revision to the terms or conditions of such Alternative Commercial Transaction Proposal, the Company shall provide a new Termination Notice to AST, the Ad Hoc First Lien Group Advisors, and the Ad Hoc Crossholder Group Advisors, and any termination of this Agreement pursuant to Section 10.04(f) following delivery of such new Termination Notice shall again be subject to clauses (a) through (e) of the immediately preceding sentence, except that references to a ten (10) or fifteen (15) business day period (as applicable) shall be deemed to be five (5) business days.

12.05. As used in this Agreement:

(a) “Alternative Commercial Transaction” means any sale of a material portion of assets, plan proposal or other transaction of similar effect (in each case, outside of the ordinary course of business), other than in accordance with or in furtherance of the AST Transaction.

(b) “Alternative Commercial Transaction Proposal” means any plan, inquiry, proposal, offer, bid, term sheet, discussion or agreement with respect to any Alternative Commercial Transaction.

(c) “Intervening Event” means an event, change, or development that does not relate to an Alternative Commercial Transaction Proposal.

(d) “Superior Commercial Transaction Proposal” means a *bona fide*, written Alternative Commercial Transaction Proposal that did not result from a breach of Section 12 of this Agreement on terms that the Parent Board determines in good faith, after consultation with independent financial advisor and outside legal counsel, to be (i) more favorable to the Consenting Stakeholders, from a financial point of view, than the terms of this AST Transaction (including any changes to the terms and conditions of this Agreement proposed by AST in response to such proposal in accordance with Section 12) and (ii) reasonably likely to be consummated in accordance with its terms.

(e) “Acceptable Confidentiality Agreement” means any confidentiality agreement containing provisions limiting the disclosure and use of non-public information of or with respect to the Company that are, in each case, no less favorable to the Company than the terms of the confidentiality agreement between Parent and AST, dated as of January 18, 2022.

“Person” means any “person” as defined in section 101(41) of the Bankruptcy Code.

12.06. Subject to, and without limiting in any respect the obligations of the Company and its representatives set forth in, Sections 12.01, 12.02, 12.03, 12.04, and 12.05 of this Agreement with respect to an AST Transaction, an Alternative Commercial Transaction Proposal, a Superior Commercial Transaction Proposal, or an Intervening Event, nothing in this Agreement shall require the

Company, and the Company's directors, managers, and officers to take or refrain from taking any action with respect to the Restructuring (including, without limitation, terminating this Agreement under Section 10) to the extent such person or persons determine, based on the advice of counsel, that taking, or refraining from taking, such action, as applicable, would be inconsistent with applicable law or its fiduciary obligations under applicable law. The Company shall give prompt (and to the extent reasonably practicable under the circumstances, prior) written notice to the Ad Hoc First Lien Group Advisors, the Ad Hoc Crossholder Group Advisors, and AST of any determination made in accordance with this Section 12.06. Notwithstanding anything to the contrary herein, (a) each Consenting Stakeholder and AST reserves its rights to challenge any action or inaction by the Company in reliance on this Section 12.06, and (b) nothing in this Section 12.06 shall impede any Consenting Stakeholder's or AST's right to terminate this Agreement pursuant to Section 10 of this Agreement.

12.07. The Parties agree that the Company's right to deliver a notice pursuant to Section 12.06 (or otherwise terminate this Agreement) in respect of its fiduciary out shall terminate upon entry of the AST Definitive Agreements Order and the AST Definitive Agreements Order shall expressly so provide.

12.08. For the avoidance of doubt, nothing contained in this Section 12 shall prohibit or impair the Company's ability to engage in or enter into (a) any discussions or transactions concerning Ligado's existing commercial agreements or coordination agreements or any agreements Ligado enters into in the ordinary course related to the use of the Spectrum for MSS on Ligado's Skyterra-1 satellite or any modifications or amendments thereto; *provided* that any such discussions, transactions, or applicable agreements (i) include commercially reasonable termination rights and (ii) would not otherwise adversely affect in any material respect the AST Transaction; (b) any discussions concerning the spectrum related to Ligado's U.S. Government takings litigation; or (c) any discussions or transactions related to the 1670-1675 MHz spectrum that Ligado leases; *provided* that any such discussions, transactions, or applicable agreements (i) include commercially reasonable termination rights and (ii) would not otherwise adversely affect in any material respect the AST Transaction. For the avoidance of doubt, none of the transactions provided for in this section shall constitute an Alternative Commercial Transaction.

Section 13. Amendments. This Agreement may not be modified, amended, or supplemented in any manner except in writing signed by each of the Company, the Required Consenting Creditors, and AST (solely with respect to any modification, amendment, or supplement that has a material effect on the AST Transaction); *provided* that any waiver, modification, amendment, or supplement to the Definitive Documents shall be governed by Section 3(b) hereof; *provided further* that (a) any waiver, modification, amendment, or supplement that materially, disproportionately, and adversely affects the economic recoveries, treatment, and/or rights of any Consenting Stakeholder compared to the economic recoveries, treatment, and/or rights of any other similarly situated Consenting Stakeholder (after taking into account each Consenting Stakeholder's respective holdings of Claims/Interests in the Company and the recoveries contemplated by the Restructuring Term Sheet) shall require the prior written consent of such Consenting Stakeholder, (b) any amendment or modification of this Section 13 or the definition of "Required Consenting First Lien Group Creditors" shall require the consent of each Consenting First Lien Group Creditor and AST (solely with respect to any amendment or modification of this Section 13 or such definition that shall have the effect of permitting a material amendment or modification of this Agreement that has a material effect on the AST Transaction), and (c) any amendment or modification of this Section 13 or the definition of

“Required Consenting Crossholder Group Creditors” shall require the consent of each Consenting Crossholder Group Creditor and AST (solely with respect to any amendment or modification of this Section 13 or such definition that shall have the effect of permitting a material amendment or modification of this Agreement that has a material effect on the AST Transaction). Any proposed modification, amendment, or supplement that is not approved by the requisite Parties as set forth above shall be ineffective and void *ab initio*.

Section 14. *Miscellaneous.*

14.01. Further Assurances. Subject to the other terms of this Agreement, the Parties agree to execute and deliver such other instruments and perform such acts, in addition to the matters herein specified, as may be reasonably appropriate or necessary, or as may be required by order of the Bankruptcy Court or the Canadian Court, from time to time, to effectuate the Restructuring, as applicable.

14.02. Complete Agreement. This Agreement constitutes the entire agreement among the Parties with respect to the subject matter hereof and supersedes all prior agreements, oral, or written, among the Parties with respect thereto.

14.03. Headings. The headings of all sections of this Agreement are inserted solely for the convenience of reference and are not a part of and are not intended to govern, limit, or aid in the construction or interpretation of any term or provision hereof.

14.05. Trial by Jury Waiver. EACH PARTY HERETO IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

14.06. Execution of Agreement. or such other address as may have been furnished by a Party to each of the other Parties by notice given in accordance with the requirements set forth above. Any notice given by delivery, mail (electronic or otherwise), or courier shall be effective when received.

14.10. Independent Due Diligence and Decision Making. Each Party hereby confirms that its decision to execute this Agreement has been based upon its independent investigation of the operations, businesses, financial and other conditions, and prospects of the Company. Each Party hereby confirms that it has not relied upon the investigation of any Company Advisor and acknowledges and agrees that the Company Advisors are not verifying the Company's information and are not making any representation or warranty with respect to any information provided by or on behalf of the Company.

14.11. Reservation of Rights; No Waiver. If the Restructuring is not consummated, or if this Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict the ability of each of the Parties to protect and preserve its rights, remedies, and interests, including its claims against any of the other Parties (or their respective affiliates or subsidiaries) or its full participation in any bankruptcy case filed by the Company or any of its affiliates and subsidiaries, so long as such participation and the positions advocated in connection therewith are consistent with this Agreement. This Agreement is part of a proposed settlement of matters that could otherwise be the subject of litigation among the Parties. Pursuant to Federal Rule of Evidence 408, any applicable state rules of evidence, and any other applicable law, foreign or domestic, this Agreement and all negotiations relating thereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms, pursue the consummation of the Restructuring, or the payment of

This Agreement shall in no event be construed as or be deemed to be evidence of an admission or concession on the part of any Party of any claim or fault or liability or damages whatsoever. Each of the Parties denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses which it has asserted or could assert.

14.12. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of the Bankruptcy Court, the Canadian Court, or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

14.13. Several, Not Joint, Claims. The agreements, representations, warranties, and obligations of the Consenting Stakeholders and AST under this Agreement are, in all respects, several and not joint.

14.14. Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

14.15. Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

14.16. Capacities of Consenting Stakeholders. Each Consenting Stakeholder and AST has entered into this agreement on account of all Claims/Interests that it holds (directly or through discretionary accounts that it manages or advises) and, except where otherwise specified in this Agreement, shall take or refrain from taking all actions that it is obligated to take or refrain from taking under this Agreement with respect to all such Claims/Interests.

14.17. E-mail Consents/Waivers. Where a written consent, acceptance, approval, or waiver is required pursuant to or contemplated by this Agreement, including a written approval by the Company or any Consenting Stakeholders, or AST, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if, by agreement between counsel to the Parties submitting and receiving such consent, acceptance, approval, or waiver, it is conveyed in writing (including electronic mail) between each such counsel without representations or warranties of any kind on behalf of such counsel.

14.18. Good Faith Cooperation. The Parties shall cooperate with each other in good faith and shall coordinate their activities (to the extent practicable) in respect of all matters concerning the implementation and consummation of the Restructuring.

14.19. Fortress/Mubadala Relationship. Notwithstanding anything to the contrary contained in this Agreement, Mubadala Investment Company (“Mubadala”) and members of the Mubadala Group⁹ shall not be deemed to be affiliates of Fortress Credit Corp. or of its affiliates.

Section 15. *Break-Up Fee.*

15.01. Break-Up Fee and Conditions for Payment.

(a) Each Party acknowledges that the agreements contained in this Section 15 are an integral part of this Agreement and that, without these agreements, AST would not enter into this Agreement. AST represents to the Company that this Section 15 is a condition precedent to AST’s execution of this Agreement and is necessary to ensure that AST will continue to pursue the proposed AST Transaction hereunder, and the Company acknowledges that the Break-Up Fee and the Break-Up Reimbursements, if payable hereunder, (i) constitute actual and necessary costs and expenses of preserving the Company’s estates, within the meaning of section 503(b) of the Bankruptcy Code, (ii) are of substantial benefit to the Company’s estates, (iii) are reasonable and appropriate, including in light of the size and nature of the AST Transaction contemplated hereby and the efforts that have been or will be expended by AST, and (iv) were negotiated by the Parties at arm’s-length and in good faith.

(b) In consideration for AST having expended considerable time and resources in connection with this Agreement and the negotiation thereof and of the AST Transaction, in the event the Company consummates an Alternative Commercial Transaction and following entry of the Break-Up Fee Order, the Company shall pay or cause to be paid directly to AST or its designee, within five (5) Business Days following the date of such consummation, a break-up fee in an amount equal to \$200 million (the “Break-Up Fee”); *provided* that the Company’s obligation to pay the Break-Up Fee shall be subject to the limitations set forth in Section 15.01(c).

(c) Notwithstanding the foregoing or anything to the contrary in this Agreement (including with respect to termination of this Agreement), the Company shall be required to pay the Break-Up Fee if the following conditions are met:

(i) either (A) the Company, the Required Consenting First Lien Group Creditors, or the Required Consenting Crossholder Group Creditors terminate this Agreement, other than on account of a material breach by AST, or (B) AST terminates this Agreement (1) on account of a material breach by the Company, the Required Consenting First Lien Group Creditors, or the Required Consenting Crossholder Group Creditors, that, in any case, has an adverse effect in any material respect on the AST Transaction, or (2) for any other reason other than on account of material breach by the Company, the Required Consenting First Lien Group

⁹ “Mubadala Group” means any Person controlling, controlled by or under common control with Mubadala or any other owner of Fortress Investment Group LLC, that is not also controlled by Fortress Investment Group LLC and is not Softbank or a member of the Softbank Group. For purposes of this definition, “control” means the power, through ownership of securities, contract or otherwise, to direct the policies of the applicable person or entity.

Creditors, or the Required Consenting Crossholder Group Creditors, *provided* that, in either case, AST has not itself materially breached this Agreement;

(ii) the Company consummates an Alternative Commercial Transaction with (A) a party that submitted a *bona fide*, written Alternative Commercial Transaction Proposal before any termination of the type described in the foregoing sub-clause (i)(A) or sub-clause (i)(B), or (B) a different party that submitted a *bona fide*, written Alternative Commercial Transaction Proposal as a result of the Company having received an Alternative Commercial Transaction Proposal described in the foregoing sub-clause (ii)(A) (each such transaction described in sub-clause (ii)(A) and sub-clause (ii)(B), a “Qualifying Transaction”); and

(iii) such Qualifying Transaction either (a) closes on or before the effective date of any plan of reorganization involving the Company or (b) closes after the effective date of any plan of reorganization involving the Company, but, at the time of the occurrence of such plan effective date, is evidenced by signed and binding documentation providing for the closing of such Qualifying Transaction.

(d) For the avoidance of doubt, if the Company, the Required Consenting First Lien Group Creditors, or the Required Consenting Crossholder Group Creditors validly terminate this Agreement on account of AST’s material breach of this Agreement or AST’s material breach of the AST Definitive Agreements (following execution thereof) at a time when such non-AST terminating Party is not in material breach of this Agreement, the Company will not be required to pay the Break-Up Fee.

15.02. Break-Up Reimbursements. As to be set forth in the Break-Up Fee Order, no later than ten (10) Business Days (the “Alternative Commercial Transaction Reimbursement Date”) after the date of execution of binding agreements for an Alternative Commercial Transaction by the parties thereto, the Company shall reimburse AST or its designee for all actual amounts paid by AST to the Company on account of the Company’s obligations under the Inmarsat Agreement and the CCI Agreement (as defined in the AST Term Sheet) during the period from the date of the execution of the AST Definitive Agreements up to and including the Alternative Commercial Transaction Reimbursement Date (“Break-Up Reimbursements”), and (ii) on the Alternative Commercial Transaction Signing Date, the penny warrants issued pursuant to the AST Term Sheet shall be canceled.

Section 16. *Payment of Fees and Expenses.* The Company shall pay and reimburse promptly all reasonable and documented fees and out-of-pocket expenses, to the extent invoiced and subject to and in accordance with the terms of any applicable engagement letter or fee letter or as otherwise agreed between the Company and the applicable party or professional (the “Agreed Engagement Letter”), as the case may be, of: (a)(i) Sidley Austin LLP (“Sidley Austin”), as counsel to the Ad Hoc First Lien Group, (ii) Guggenheim Securities, LLC (“Guggenheim”), as financial advisor to the Ad Hoc First Lien Group, and (iii) any local counsel, foreign counsel (including any Canadian counsel), and regulatory counsel to the Ad Hoc First Lien Group (collectively with Sidley Austin and Guggenheim, the “Ad Hoc First Lien Group Advisors”); (b)(i) Kirkland & Ellis LLP (“Kirkland”), as counsel to the Ad Hoc Crossholder Group, and (ii) any local counsel, foreign counsel (including any Canadian counsel), and regulatory counsel to the Ad Hoc Crossholder Group (together with Kirkland, collectively the “Ad Hoc Crossholder Group Advisors”); and (c) Freshfields US LLP as counsel to AST, up to \$550,000; *provided*, that

to the extent that this Agreement is terminated in accordance with Section 10 hereof, the Company’s reimbursement obligations under this Section 16 shall survive with respect to any and all fees and expenses earned or incurred on or before the date of termination and such termination shall not automatically terminate any applicable fee or engagement letters; *provided, further* that, (i) any fees and expenses expressly set forth in an Agreed Engagement Letter shall be deemed reasonable for all purposes hereunder and (ii) notwithstanding anything to the contrary herein, and for the avoidance of doubt, none of the terms of this Agreement (irrespective of how such Agreement is terminated, whether in accordance with Section 10 hereof or otherwise) shall be construed to override, amend, replace, restrict or otherwise modify in any manner whatsoever any of the Company’s payment, reimbursement or other obligations set forth in any Agreed Engagement Letter. Before the Petition Date, the Company will pay all reasonable and documented fees and expenses accrued and outstanding as of the Petition Date.

Section 17. *Consenting Creditor Consideration and Conditions Thereto.* In the event the Break-Up Fee becomes due and payable in accordance with Section 15 hereof, the Consenting Creditors shall provide AST with a call option for either (a) New Series A-1 Preferred Units issued under the Plan having a Market Value¹⁰ of \$100 million and an exercise price of \$0.01, or (b) if a plan of reorganization other than the Plan is confirmed and goes effective, equity securities of the Parent having reasonably equivalent value and rights to such New Series A-1 Preferred Units contemplated by the Plan (such consideration, the “Call Option”). The Consenting Creditors will provide AST with the Call Option on the effective date of the Plan or the effective date of another plan of reorganization, on a *pro rata* basis (determined by the total amount of First Lien Pari Debt held by such Consenting Creditors on the relevant effective date).

Section 18. *Relationship Among Consenting Stakeholders.* Notwithstanding anything to the contrary herein, the duties and obligations of the Consenting Stakeholders under this Agreement shall be several, not joint. It is understood and agreed that no Consenting Stakeholder has any fiduciary duty or duty of trust or confidence in any kind or form with any other Consenting Stakeholder, the Company, or any other stakeholder of the Company and, except as expressly provided in this Agreement, there are no commitments among or between them. In this regard, it is understood and agreed that any Consenting Stakeholder may trade in the debt of the Company without the consent of the Company or any other Consenting Stakeholder, subject to applicable securities laws, the terms of this Agreement, and any confidentiality agreement entered into with the Company; *provided* that no Consenting Stakeholder shall have any responsibility for any such trading by any other person or entity by virtue of this Agreement. No prior history, pattern, or practice of sharing confidences among or between the Consenting Stakeholders shall in any way affect or negate this understanding and agreement. Nothing in this Agreement shall create any fiduciary obligations or duties on the part of any of the Consenting Stakeholders, or any members, partners, managers, managing members, equityholders, officers, directors, employees, advisors, principals, attorneys, professionals, accountants, investment bankers, consultants, agents, or other representatives of the same or their respective affiliated entities, in such person’s capacity as a member, partner, manager, managing member, equity holder, officer, director,

¹⁰ “Market Value” for the purposes of this Section 17 means a value calculated upon, if available, the average of the daily volume-weighted average price over a trailing 30-day period of such New Series A-1 Preferred Units. The definitive documentation evidencing the Call Option shall include a process to resolve disputes arising with respect to the Call Option, including any dispute regarding Market Value.

employee, advisor, principal, attorney, professional, accountant, investment banker, consultant, agent, or other representative of such Party or its affiliated entities, that such entities did not have prior to the execution of this Agreement.

Section 19. Disclosure and Public Statements. The Company and AST shall submit drafts to the Ad Hoc First Lien Group, the Ad Hoc Crossholder Group, and AST of any press releases or public disclosure documents that disclose of the existence or terms of this Agreement or any amendment to the terms of this Agreement at least forty-eight (48) hours prior to making any such disclosure and shall afford them a reasonable opportunity under the circumstances to comment on such documents and disclosures and shall incorporate such reasonable comments in good faith. Any party that intends to issue a press release regarding the terms of this Agreement or the Restructuring shall provide a draft to the Company at least forty-eight (48) hours prior to making any such disclosure, to the extent practicable, and shall afford the Company a reasonable opportunity under the circumstances to comment on such documents and disclosures and shall consider any such comments in good faith. Except as required by law or agreed by the Required Consenting Creditors, neither the Company nor AST shall (a) use the name of any Consenting Crossholder Group Creditors or Consenting First Lien Group Creditors in any public manner (including any press release) with respect to this Agreement, the Restructuring, or any of the Definitive Documents or (b) disclose the principal amount or percentage of any Claims/Interests or any other securities of the Company held by any other Party, in each case, without such Party's prior written consent; *provided* that (i) if such disclosure is required by law, subpoena, or other legal process or regulation, the disclosing Party shall afford the relevant Party a reasonable opportunity to review and comment in advance of such disclosure and shall take all reasonable measures to limit such disclosure (including by way of a protective order) and (ii) the foregoing shall not prohibit the disclosure of the aggregate percentage or aggregate principal amount of Claims/Interests held by the Ad Hoc First Lien Group, the Ad Hoc Crossholder Group, or all the Consenting Stakeholders. Any public filing of this Agreement with the Bankruptcy Court or otherwise shall not include (a) the executed signature pages to this Agreement or (b) or Annex A to the AST Term Sheet.

IN WITNESS WHEREOF, the Parties have executed this Agreement on the day and year first above written.

(B) For each \$1.00 of Loans and/or Commitments held by such Lender as of the Final DIP Order Entry Date, excluding any Capitalized Amounts as a result of any interest, fee or other amount that was Paid in Kind pursuant to the terms of this Agreement, in excess of such Lender's DIP Pro Rata Allocation Amount, such Lender (or its Designated Roll-Up Beneficiary, as applicable) shall be entitled to, and deemed to have funded in accordance with Section 2.01(d)(i), \$2.00 of Roll-Up Loans.

(f) *Syndication.*

(i) Each Lender as of the Closing Date (collectively, the "**Backstop Lenders**") and the Borrower hereby acknowledge and agree that each Prepetition Lender and Holder under the 1L Loan Agreement and/or the 1L Notes Indenture as

of the Petition Date that is an Eligible Assignee, does not exclusively hold Prepetition First Out Obligations and is not a Backstop Lender (or an Affiliate or Approved Fund of a Backstop Lender) (collectively, the “**Syndication Eligible Prepetition Lenders**”) may participate to provide (via assignment) its DIP Pro Rata Allocation Amount of the DIP First Funding Loans (other than DIP First Funding Loans that represent the Backstop Fee that was Paid In Kind on the DIP First Funding Date) (the “**Syndication DIP First Funding Loans**”), the DIP Second Funding Commitments and the DIP DDTL Commitments (such Syndication Eligible Prepetition Lenders’ DIP Pro Rata Allocation Amount of any such Class, its “**Potential DIP Portion**”) in accordance with this clause (f), in each case, by delivering (x) an executed election joinder in the form of Exhibit K (an “**Election Joinder**”) in respect thereof to the Administrative Agent by no later than the Initial Election Deadline and (y) a joinder agreement (or acknowledgement and acceptance) to the Restructuring Support Agreement (pursuant to which such Syndication Eligible Prepetition Lender shall become party thereto, or otherwise agrees to be bound by the terms and obligations thereof), in form and substance reasonably acceptable to the Required Ad Hoc Holders (any such Syndication Eligible Prepetition Lender that so delivers an Election Joinder in respect thereof and such joinder agreement or acknowledgment and acceptance to the Restructuring Support Agreement, a “**First Round Electing Lender**”; any such Syndication Eligible Prepetition Lender that does not so deliver an Election Joinder and such joinder agreement or acknowledgment and acceptance to the Restructuring Support Agreement, a “**Declining Lender**”; the Potential DIP Portions of the First Round Electing Lenders, the “**Initial Assumed DIP Portions**”). To the extent that not all Syndication Eligible Prepetition Lenders submit Election Joinders in respect of their Potential DIP Portion on or prior to the Initial Election Deadline, the Administrative Agent (in consultation with the Required Ad Hoc Holders) shall deliver written notice on the Business Day immediately following the Initial Election Deadline to each First Round Electing Lender and each Backstop Lender of the aggregate amount of Potential DIP Portions of the Syndication DIP First Funding Loans, the DIP Second Funding Commitments and the DIP DDTL Commitments of the Declining Lenders (such amounts, the “**Remaining Subscription Amounts**”) and each Backstop Lender and each First Round Electing Lender may elect to participate to provide (via assignment) all or any portion of the Remaining Subscription Amount in accordance with this clause (f), in each case, by delivering an Election Joinder in respect thereof to the Administrative Agent by no later than the Subsequent Election Deadline (any Backstop Lender or First Round Electing Lender that so delivers such Election Joinder in respect of the Remaining Subscription Amounts on or prior to the Subsequent Election Deadline, a “**Second Round Electing Lender**”, and together with any First Round Electing Lender, the “**Electing Lenders**”; the portion of the Remaining Subscription Amount elected to be provided by any Second Round Electing Lender (subject to the proviso below), such Second Round Electing Lender’s “**Subsequent Assumed DIP Portion**”; any Electing Lender’s Initial Assumed DIP Portion and Subsequent Assumed DIP Portion is collectively referred to as such Electing Lender’s “**DIP Portion**”);

provided, that, (x) such election in respect of Remaining Subscription Amounts must be for an equal percentage of each Class of the DIP Facility comprising the Remaining Subscription Amount and (y) to the extent the aggregate amount of elections in respect of the Remaining Subscription Amount exceeds the aggregate Remaining Subscription Amount, such Remaining Subscription Amount shall be allocated among the Second Round Electing Lenders on a pro rata basis based on their DIP Pro Rata Allocation Percentage.

(ii) [Reserved].

(iii) Subject to the satisfaction of the conditions and terms set forth in the following subclauses (iv), (v) and (vi) and delivery of the applicable Election Joinders in accordance with subclause (i) and the making (for the benefit of the Selling Lenders and the Administrative Agent) of the representations and warranties set forth therein, on January 24, 2025 (or such other date as may be consented to in writing by the Required Ad Hoc Holders) (the “**Syndication Consummation Date**”) (each of the following transactions, the “**Syndication Transactions**”):

(A) each Electing Lender shall assume its DIP Portion of each of the DIP Second Funding Commitments and the DIP DDTL Commitments as of the Syndication Consummation Date, with such assumption being effectuated by an automatic assignment, by each existing Lender (as of such date) of such Class (each a “**Commitment Assigning Lender**”) of unused Commitments of such Class in an individual amount equal to (x) the applicable DIP Portion of such Class of such Electing Lender multiplied by (y)(1) the aggregate amount of unused Commitments of such Class held by such Commitment Assigning Lender as of such date divided by (2) the aggregate amount of unused Commitments of such Class as of such date (each such Commitment assigned and assumed, an “**Assumed Commitment**”);

(B) each Electing Lender shall purchase its applicable DIP Portion of the Syndication DIP First Funding Loans as of the Syndication Consummation Date, with such purchase being effectuated by an automatic assignment, by each existing Lender (as of such date) of such Class (each a “**Loan Assigning Lender**”, and together with each Commitment Assigning Lender, a “**Selling Lender**”), of outstanding Syndication DIP First Funding Loans in an individual amount equal to (x) the applicable DIP Portion of the Syndication DIP First Funding Loans of such Electing Lender multiplied by (y)(1) the aggregate amount of outstanding Syndication DIP First Funding Loans held by such Loan Assigning Lender as of such date divided by (2) the aggregate amount of outstanding Syndication DIP First Funding Loans as of such date (each such purchased Loan, a “**Purchased Loan**”); and

(C) each Electing Lender shall purchase, and each applicable Selling Lender shall sell, (x) all accrued and unpaid DIP Unused Commitment Fees on the applicable Assumed Commitments (it being understood that no DIP Unused Commitment Fees that have been Paid in Kind shall be considered unpaid for purposes of this subclause (x)) and (y) all accrued and unpaid interest on the Purchased Loans (it being understood that no interest that has been Paid in Kind shall be considered unpaid for purposes of this subclause (y)) (such purchased interest and DIP Unused Commitment Fees, “**Purchased Interest and Fees**”, and together with the Purchased Loans and Assumed Commitments, the “**Purchased Obligations**”).

(iv) No consideration (other than the opportunity to participate in the syndication provided by this clause (f)) shall be payable by any party in connection with the assignment and assumption of the Assumed Commitments. The purchase price payable by each Electing Lender to the Administrative Agent for the benefit of each Loan Assigning Lender in respect of the Purchased Loans shall equal (A) the amount of Purchased Loans of the applicable Loan Assigning Lender sold to such Electing Lender, minus (B) the amount of such Purchased Loans that represents the Commitment Fee and/or the DIP First Funding Discount Fee that was Paid In Kind on the Interim DIP Order Entry Date or DIP First Funding Date, as applicable. The purchase price payable by each Electing Lender to the Administrative Agent for the benefit of each Selling Lender in respect of the Purchased Interest and Fees shall equal the amount of Purchased Interest and Fees sold by such Selling Lender. The calculation of the foregoing consideration (as well as the amounts of the applicable Purchased Obligations) shall be determined by the Administrative Agent no later than three (3) Business Days prior to the Syndication Consummation Date and shall control in the absence of manifest error (it being understood and agreed that the Administrative Agent shall deliver notice to the Electing Lenders and Selling Lenders of such amounts no later than two (2) Business Days prior to the Syndication Consummation Date).

(v) Each Electing Lender shall make available to the Administrative Agent, for the account of the applicable Selling Lenders, in Dollars and immediately available funds, the consideration set forth in clause (iv) in respect of the Purchased Obligations of the Selling Lenders no later than one (1) Business Day prior to the Syndication Consummation Date, and the Administrative Agent shall transfer such consideration to each applicable Selling Lender on the Syndication Consummation Date pursuant to the wire instructions most recently provided by such Selling Lender to the Administrative Agent.

(vi) Each Electing Lender (that is not an existing Lender at such time) shall make available to the Administrative Agent, concurrently with the delivery of its Election Joinder, a completed Administrative Questionnaire and any applicable tax forms.

(vii) Subject to the satisfaction of the conditions and terms set forth in the foregoing subclauses (iv), (v) and (vi) and delivery of the applicable Election Joinder in accordance with subclause (i) and making (for the benefit of the Selling Lenders and the Administrative Agent) of the representations and warranties set forth therein, and notwithstanding anything to the contrary contained in Section 10.04, the Syndication Transactions shall automatically and without any further action by any party occur on the Syndication Consummation Date.

(viii) Each Electing Lender hereby acknowledges and agrees that the sale, assignment and assumption of the Purchased Obligations are without any representation or warranty by any Selling Lender, and no Electing Lender shall have any recourse against any Selling Lender in connection with the Syndication Transactions.

(ix) Notwithstanding anything to the contrary contained in Section 10.02, (A) the Required Lenders (in consultation with the Administrative Agent, the Borrower and the applicable Selling Lender) may modify Schedule 2.01, and direct the Administrative Agent to update the Register, to evidence the consummation of the Syndication Transactions on the Syndication Consummation Date, and (B) the Required Lenders and the Administrative Agent may modify this clause (f) (other than the following subclause (x) hereof) without the consent of the Borrower.

(x) From the period commencing with the Closing Date and ending on the Syndication Consummation Date, the Borrower shall use commercially reasonable efforts to facilitate the syndication contemplated by this clause (f), including (A) obtaining a true and correct copy of the Register (including holding amounts and contact information) for the 1L Loan Agreement and the 1L Notes Indenture and (B) to the extent requested in writing by the Required Lenders, instructing its financial advisor to assist in such syndication, preparing customary marketing materials in respect thereof and directing any prepetition agent or trustee in respect of the 1L Loan Agreement and/or 1L Notes Indenture; *provided* that the foregoing shall not require any officer or director of the Borrower to violate any applicable fiduciary duty.

(xi) For the avoidance of doubt, each Backstop Lender agrees to consummate the transactions pursuant to this Section 2.01(f).

(g) Payment in Kind of Certain Fees. In addition to the Borrowings set forth in clauses (a), (b), (c), (d) and (e) of this Section 2.01, the Borrower shall also be deemed to Borrow additional Loans (of the applicable Class) in an amount equal to the Backstop Fee, Commitment Fee, DIP First Funding Discount Fee, DIP Second Funding Discount Fee, DIP DDTL Funding Discount Fee and DIP Unused Commitment Fee, as applicable, in accordance with Section 2.05.

Section 2.02 Loans.

(a) The failure of any applicable Lender to make any DIP First Funding Loan, DIP Second Funding Loan, DIP Delayed Draw Term Loan and/or Incremental Loan required to be made by it pursuant to Section 2.01, as applicable, shall not relieve any other Lender of its obligation to make any DIP First Funding Loan, DIP Second Funding Loan, DIP Delayed Draw Term Loan and/or Incremental Loan required to be made by it pursuant to Section 2.01, as applicable. Each Lender shall be responsible solely to the extent of its applicable Commitments and no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made hereunder by such other Lender.

(b) Each Lender shall make any Loans (other than Roll-Up Loans or fees being Paid In Kind) required to be made by it hereunder on the applicable Funding Date by wire transfer of immediately available funds, in an amount equal to the principal amount of such Loan, as applicable, with respect to such Loan, to such account as the Administrative Agent may designate by not later than 1:00 p.m., New York City time on each such Funding Date, and the Administrative Agent shall promptly credit the amounts so received to an account as directed by the Borrower in the Borrowing Request maintained with the Administrative Agent; *provided* that, if any applicable Lender funds its pro rata portion of the requested Class of Loans prior to the conditions precedent being met for any applicable Funding Date and a borrowing of such requested Class of Loans shall not occur on such Funding Date because such conditions precedent have not been met, the Administrative Agent shall promptly return the amounts so received to the respective Lenders; *provided*, further, that the Administrative Agent shall promptly apply the amounts received in respect of the DIP Second Funding Loans to repay in full in cash all Prepetition First Out Obligations pursuant to written instructions provided by the 1L Loan Administrative Agent in consultation with the Required Ad Hoc Group and the Borrower (and if any excess amounts in respect of the DIP Second Funding Loans remain after the repayment of the Prepetition First Out Obligations (such excess, the “**Excess DIP Second Funding Loans Proceeds**”), the Administrative Agent shall promptly return such Excess DIP Second Funding Loans Proceeds to the DIP Second Funding Lenders on a pro rata basis, with such return being deemed to have been a prepayment by the Borrower of DIP Second Funding Loans on the DIP Second Funding Date in an amount equal to such Excess DIP Second Funding Loans Proceeds (and with any interest on such deemed prepaid DIP Second Funding Loans automatically cancelled)). For the avoidance of doubt, the Borrower may not borrow any DIP Delayed Draw Term Loans (other than the First DIP DDTL Borrowing) or Incremental Loans unless such Borrowing is approved by the Required Lenders in writing, in their sole discretion.

(c) For the avoidance of doubt, once funded, the DIP First Funding Loans, DIP Second Funding Loans and the DIP Delayed Draw Term Loans (and any applicable Incremental Loans) shall be deemed to be part of the same Class of Loans for all purposes under this Agreement.

Section 2.03 Borrowing Procedure. To request Loans of any Class from the applicable Lenders, the Borrower shall deliver, by electronic transmission, a duly completed and executed Borrowing Request to the Administrative Agent not later than 1:00 p.m., New York City time, three (3) Business Days before the date of the proposed Borrowing (or such shorter period as may be acceptable to Administrative Agent); *provided*, that with (i) respect to the DIP First Funding Loans, such Borrowing Request may be delivered one (1) Business Day prior to the DIP First Funding Date and (ii) the Borrower shall not be required to deliver a Borrowing Request in respect

of the DIP Second Funding Loans or the Roll-Up Loans and by its execution and delivery of this Agreement it shall have requested (x) that the Lenders with a DIP Second Funding Commitment on the DIP Second Funding Date make DIP Second Funding Loans on the DIP Second Funding Date pursuant to Section 2.01(b) and (y) the deemed issuance of the Roll-Up Loans hereunder on the Final DIP Order Entry Date pursuant to Section 2.01(d). The Borrowing Request shall specify the following information:

- (a) the aggregate amount and Class of such Borrowing;
- (b) the date of such Borrowing, which shall be a Business Day; and
- (c) the location and number of Borrower's account to which funds are to be disbursed, which for any Borrowing of DIP Delayed Draw Term Loans or Incremental Loans shall be the DIP Loan Proceeds Account.

Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested borrowing. In addition, promptly upon the occurrence of the Final DIP Order Entry Date, the Administrative Agent shall advise each applicable Lender of the occurrence thereof and of the amount of such Lender's Loan to be made as part of the requested borrowing of the DIP Second Funding Loans set forth in the second proviso of the first paragraph of this Section 2.03.

Section 2.04 Evidence of Debt; Repayment of Loans.

(a) *Promise to Repay.* The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender, the principal amount of each Loan of such Lender as provided in Section 2.09.

(b) *Lender and Administrative Agent Records.* Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal (including Capitalized Amount) and interest payable and paid to such Lender from time to time under this Agreement. The Administrative Agent shall maintain records including (i) the amount of each Loan made hereunder; (ii) the amount of any principal (including Capitalized Amount) or interest due and payable or to become due and payable from the Borrower to each Lender hereunder; and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. The entries made in the records maintained by the Administrative Agent and each Lender pursuant to this paragraph shall be prima facie evidence of the existence and amounts of the obligations therein recorded; *provided* that the failure of any Lender or the Administrative Agent to maintain such records or any error therein shall not in any manner affect the obligations of the Borrower to repay the Loans in accordance with their terms. In the event of any conflict between the records maintained by any Lender and the records of the Administrative Agent in respect of such matters, the records of the Administrative Agent shall control in the absence of manifest error.

(c) *Promissory Notes.* Any Lender by written notice to the Borrower (with a copy to the Administrative Agent) may request that Loans made by it be evidenced by a Promissory

Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns in the form of Exhibit E. Thereafter, the Loans evidenced by such Promissory Note and interest thereon shall at all times (including after assignment pursuant to Section 10.04) be represented by one or more Promissory Notes in such form payable to such payee and its registered assigns and the Borrower hereby irrevocably authorizes each Lender to make (or cause to be made) appropriate notations to such Promissory Note of, among other things, the date of, the outstanding principal amount of, and the interest rate and Interest Period applicable to, the Loans evidenced thereby. Such notations shall, to the extent not inconsistent with notations made by the Administrative Agent in the records referenced above, be conclusive and binding on each Loan Party absent manifest error; *provided* that the failure of any Lender to make any such notations shall not limit or otherwise affect any Obligations of any Loan Party.

Section 2.05 Fees; Additional Payment.

(a) The Borrower agrees to pay to the Administrative Agent, for its own account, the administrative and other fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(b) The Borrower agrees to pay, on the earlier of the Interim DIP Order Entry Date and the Maturity Date, to the Administrative Agent, for the account of each Lender on the Closing Date, a nonrefundable backstop fee (the “**Backstop Fee**”) in an amount equal to 12.5% of the aggregate amount of Commitments of such Lender on the Closing Date (for the avoidance of doubt prior to the Borrowing of any Loans), which Backstop Fee (x) will be fully earned, due and payable on the earlier of the Interim DIP Order Entry Date and the Maturity Date and (y) for the avoidance of doubt, shall be Paid in Kind on the such date by capitalizing on the outstanding principal amount of Loans then held by such Lender on such date (or, if such Lender does not have any outstanding Loans on such date then such Backstop Fee shall be Paid In Kind pursuant to a deemed issuance on such date of DIP First Funding Loans owing to such lender); *provided*, that if such Backstop Fee is due and payable on (or after) the Maturity Date such Backstop Fee shall be paid in cash.

(c) The Borrower agrees to pay, on the Interim DIP Order Entry Date, to the Administrative Agent, for the account of each Lender on the Closing Date, a nonrefundable commitment fee (the “**Commitment Fee**”) in an amount equal to 5.0% of the aggregate amount of Commitments of such Lender on the Closing Date (for the avoidance of doubt prior to the Borrowing of any Loans), which Commitment Fee (x) will be fully earned, due and payable on the earlier of the Interim DIP Order Entry Date and the Maturity Date and (y) for the avoidance of doubt, shall be Paid in Kind on such date by capitalizing on the outstanding principal amount of Loans then held by such Lender on such date (or, if such Lender does not have any outstanding Loans on such date then such Commitment Fee shall be Paid In Kind pursuant to a deemed issuance on such date of DIP First Funding Loans owing to such lender); *provided*, that if such Commitment Fee is due and payable on (or after) the Maturity Date such Commitment Fee shall be paid in cash.

the DIP First Funding Date, a nonrefundable funding fee (the “**DIP First Funding Discount Fee**”) in an amount equal to 5.0% of the aggregate amount of DIP First Funding Loans made by such Lender on the DIP First Funding Date, which DIP First Funding Discount Fee (x) will be fully earned, due and payable on the DIP First Funding Date and (y) for the avoidance of doubt, shall be Paid in Kind on the DIP First Funding Date by capitalizing on the outstanding principal amount of Loans then held by such Lender immediately after the funding of the DIP First Funding Loans on the DIP First Funding Date.

(e) The Borrower agrees to pay, on the DIP Second Funding Date, to the Administrative Agent, for the account of each Lender with a DIP Second Funding Commitment on the DIP Second Funding Date, a nonrefundable funding fee (the “**DIP Second Funding Discount Fee**”) in an amount equal to 5.0% of the aggregate amount of DIP Second Funding Loans (other than Excess DIP Second Funding Loans Proceeds to the extent returned to such Lender on the DIP Second Funding Date) made by such Lender on the DIP Second Funding Date, which DIP Second Funding Discount Fee (x) will be fully earned, due and payable on the DIP Second Funding Date and (y) for the avoidance of doubt, shall be Paid in Kind on the DIP Second Funding Date by capitalizing on the outstanding principal amount of DIP Second Funding Loans then held by such Lender immediately after the funding of the DIP Second Funding Loans on the DIP Second Funding Date.

(f) The Borrower agrees to pay, on each DIP DDTL Funding Date, to the Administrative Agent, for the account of each Lender with a DIP DDTL Commitment on such DIP DDTL Funding Date, a nonrefundable funding fee (each, a “**DIP DDTL Funding Discount Fee**”) in an amount equal to 5.0% of the aggregate amount of DIP Delayed Draw Term Loans made by such Lender on such DIP DDTL Funding Date, which DIP DDTL Funding Discount Fee (x) will be fully earned, due and payable on the applicable DIP DDTL Funding Date and (y) for the avoidance of doubt, shall be Paid in Kind by capitalizing such DIP DDTL Fee on the outstanding principal amount of Loans then held by such Lender immediately after the funding of the DIP Delayed Draw Term Loans on the applicable DIP DDTL Funding Date.

(g) The Borrower agrees to pay on each DIP Unused Commitment Fee Payment Date, an unused commitment fee to each DIP DDTL Commitment Lender and each DIP Second Funding Commitment Lender in an amount equal to the average daily balance of the unused DIP DDTL Commitments of such DIP DDTL Commitment Lender and unused DIP Second Funding Commitments of such DIP Second Funding Commitment Lender, as applicable, during the applicable DIP Unused Commitment Fee Period, multiplied by 3.0% *per annum* (the “**DIP Unused Commitment Fee**”). The DIP Unused Commitment Fee shall accrue at all times from and after the Closing Date, shall be calculated in accordance with Section 2.06(d) and shall (x) be Paid in Kind by capitalizing on the outstanding principal amount of Loans then held by such Lender (or if such Lender does not have any Loans of such date shall be Paid In Kind pursuant to a deemed issuance of Loans owing to such Lender). For the avoidance of doubt, all DIP Unused Commitment Fees that are paid in cash shall be paid to the Administrative Agent for the account of the applicable Lender.

Section 2.06 Interest on Loans.

(a) *Interest.* Subject to the provisions of Section 2.06(b), the Loans shall bear interest on the outstanding principal amount thereof (including, for the avoidance of doubt, any Capitalized Amount) at the Applicable Margin.

(b) *Default Rate.* Notwithstanding the foregoing, if an Event of Default has occurred and is continuing, or if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, then the outstanding principal amount of the Loans hereunder, and any overdue interest, fees and other amounts, shall automatically (unless the Required Lenders provide written notice to the contrary), to the fullest extent permitted by applicable law, after as well as before judgment, bear interest at a rate per annum equal to 19.5% (the “**Default Rate**”).

(c) *Interest Payment Dates.* Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan (and at such other times as may be specified herein) and shall be Paid In Kind; *provided* that (i) the Borrower may elect with respect to any Interest Period ending prior to the Maturity Date to pay the interest accrued during such Interest Period in cash by delivering to the Administrative Agent irrevocable written notice of the election thereof, which written election must be received by the Administrative Agent no earlier than five (5) Business Days, and not later than three (3) Business Days, prior to the applicable Interest Payment Date (such election, a “**Cash Interest Election**”; it being understood and agreed that upon delivery of such Cash Interest Election the Borrower shall be obligated to pay such interest in cash on such Interest Payment Date), (ii) interest accruing at the Default Rate pursuant to Section 2.06(b), or otherwise while an Event of Default has occurred and is continuing, shall be due and payable upon demand and shall be payable in cash, (iii) interest (and all other amounts hereunder) due on the Maturity Date shall be payable in cash and (iv) in the event of any repayment or prepayment, whether voluntary or mandatory (including as a result of an acceleration), of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and shall be payable in cash in dollars.

(d) *Interest, DIP Unused Commitment Fee Calculations.* All interest and DIP Unused Commitment Fees hereunder shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(e) *Interest Act (Canada).* For the purposes of the *Interest Act* (Canada) and disclosure thereunder, in any case in which an interest or fee rate is stated in this Agreement to be calculated on the basis of a number of days that is other than the number in a calendar year, the yearly rate to which such interest or fee rate is equivalent is equal to such interest or fee rate multiplied by the actual number of days in the year in which the relevant interest or fee payment accrues and divided by the number of days used as the basis for such calculation; *provided* that this clause (e) shall not modify the interest owed by the Borrower pursuant to clauses (a) or (b) above.

(f) *No Criminal Rate of Interest.* If any provision of this Agreement would oblige a Canadian Loan Party to make any payment of interest or other amount payable to any Secured Party in an amount or calculated at a rate which would be prohibited by any applicable law or would result in a receipt by that Secured Party of “interest” at a “criminal rate” (as such

terms are construed under the Criminal Code (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted (solely with respect to the Obligations of such Canadian Loan Party) with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by that Secured Party of “interest” at a “criminal rate”, such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows:

(i) first, by reducing the amount or rate of interest required to be paid to the affected Secured Party; and

(ii) thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to the affected Lender which would constitute interest for purposes of section 347 of the Criminal Code (Canada).

Section 2.07 [Reserved]

Section 2.08 [Reserved]

Section 2.09 Repayment of Loans. To the extent not previously paid, the Borrower shall pay to the Administrative Agent, in cash, for the account of the Lenders, on the Maturity Date, the entire principal amount of the Loans then outstanding, together with accrued and unpaid interest thereon and all fees, expenses and other amounts payable under the terms of the Loan Documents or the DIP Orders, and all other Obligations (other than contingent indemnification Obligations to the extent no claim giving rise thereto has been asserted).

Section 2.10 Optional and Mandatory Prepayments of Loans.

(a) *Optional Prepayments*. The Borrower shall have the right at any time (and from time to time) to prepay the Loans, in whole or in part in cash, subject to the requirements of Sections 2.10(g) and (h); *provided* that each partial prepayment shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 or, if less, the outstanding principal amount of the Loans; *provided further* that no prepayment of Roll-Up Loans may be made pursuant to this Section 2.10(a) prior to the payment in full in cash of the DIP New Money Loans.

(b) *Incurrence of Debt*. Concurrently upon the incurrence or the issuance by any Loan Party or any Subsidiary of any Loan Party of Indebtedness (other than Net Issuance Proceeds from the incurrence of Indebtedness permitted under Section 6.01), the Borrower shall prepay the Loans in an aggregate amount equal to the Net Issuance Proceeds of such Indebtedness in accordance with Section 2.10(h). Nothing in this Section 2.10(b) shall be construed to permit or waive any Default or Event of Default arising from any incurrence or issuance of Indebtedness not permitted under the terms of this Agreement.

(c) *Asset Sales; Events of Loss*. No later than the first Business Day following the date of receipt by Borrower or any of its Subsidiaries of any Net Cash Proceeds of any Asset Sale or Event of Loss, Borrower shall prepay the Loans in an aggregate amount equal to one hundred percent (100%) of such Net Cash Proceeds, in accordance with Section 2.10(h); *provided*, that Borrower shall not be required to make any such prepayment with the first \$100,000 of such

Net Cash Proceeds (in aggregate) received after the Closing Date. Nothing in this Section 2.10(c) shall be construed to permit or waive any Default or Event of Default arising from any Asset Sale not permitted under the terms of this Agreement.

(d) *Change in Control.* Immediately following any Change in Control, the Borrower shall prepay the outstanding Loans in an amount equal to 100% of the principal amount thereof (plus accrued and unpaid interest thereon, if any) in accordance with Section 2.10(h). Nothing in this Section 2.10(d) shall be construed to permit or waive any Default or Event of Default arising from the occurrence of any Change in Control.

(e) *Extraordinary Receipts.* On the date of receipt by the Borrower or any of its Subsidiaries of any Extraordinary Receipts, the Borrower shall prepay on such date the outstanding Loans in the amount of such Extraordinary Receipts.

(f) *Issuance of Equity Securities.* On the date of receipt by the Borrower of any cash proceeds from a capital contribution to, or the issuance of any Capital Stock of, the Borrower or, without limiting Section 6.11, any of its Subsidiaries, the Borrower shall prepay on such date the outstanding Loans in the aggregate amount equal to 100% of such proceeds, net of underwriting discounts and commissions and other reasonable and documented and actually paid cash costs and cash expenses associated therewith, in each case, paid to non-Affiliates.

(g) *Notice of Prepayment.* The Borrower shall notify the Administrative Agent by written notice of any prepayment hereunder not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment. Each such notice shall be irrevocable; *provided* that a notice of prepayment so delivered, if delivered with respect to the entire outstanding principal amount of the Obligations, may state that such notice is conditioned upon the effectiveness of another credit facility or the closing of a securities offering, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to 2:00 p.m., New York City time on the specified prepayment date) if such condition is not satisfied. Each such notice shall specify the prepayment date, the principal amount of the Loans to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof.

(h) *Application of Payments.* Each prepayment of Loans pursuant to this Section 2.10 shall be allocated first, ratably among the DIP New Money Loans (treated, for the avoidance of doubt, as a single Class) based on the outstanding principal amounts thereof and thereafter to the Roll-Up Loans; *provided* that, solely for the purpose of the calculation of purchase price in connection with Section 2.01(f)(iv) in respect of Purchased Loans, prepayments shall be applied first to the portion of Loans comprised of principal not arising from any interest, fees or other amounts that were Paid In Kind. Prepayments shall be accompanied by accrued interest as more fully set forth in Section 2.06.

(i) *Voluntary Termination of Commitments.* For the avoidance of doubt, the Borrower shall not be permitted to voluntarily terminate any Commitments hereunder.

Section 2.11 [Reserved]

Section 2.12 Yield Protection.

(a) *Increased Costs Generally.* If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge, liquidity or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in, by any Lender; or

(ii) subject any Lender to any Taxes of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (in each case, except for (i) Indemnified Taxes indemnifiable under Section 2.15, (ii) Taxes described in clauses (b) through (e) of the definition of Excluded Taxes payable by such Lender and (iii) Connection Income Taxes);

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting into, continuing or maintaining any Loans or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, the Borrower will pay, without duplication, to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) *Capital Requirements.* If any Lender reasonably determines in good faith that any Change in Law affecting such Lender or any lending office of such Lender or its holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender, to a level below that which such Lender or its holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or its holding company for any such reduction suffered.

(c) *Certificates for Reimbursement.* A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.12 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) *Delay in Requests.* Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.12 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.12 for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or

reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

Section 2.13 [Reserved]

Section 2.14 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) *Payments Generally.* The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, premium or fees, or of amounts payable under Sections 2.12, 2.15 or 10.03, or otherwise) on or before the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff, deduction or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices, except that payments pursuant to Sections 2.12, 2.15 or 10.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, unless specified otherwise, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest (and/or in respect of a commitment and/or unused fee), interest thereon (and/or additional commitment and/or unused fee) shall be payable for the period of such extension. All payments under each Loan Document (including repayments and prepayments of the Loans and payments of any interest, fees, indemnification amounts or expense reimbursements) shall be made in dollars.

(b) *Pro Rata Treatment.*

(i) Except as provided in Section 2.12(b), each payment by the Borrower of interest, fees, premiums, and other payments in respect of the Loans shall be applied to the amounts of such obligations owing to the Lenders pro rata according to the respective amounts then due and owing to the Lenders.

(ii) Except as provided in Section 2.12(b), each payment on account of principal of the Loans shall be allocated among the Lenders pro rata based on the principal amount of the Loans held by the Lenders.

(c) *Insufficient Funds.* Subject to Section 8.02, if at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest, premium and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and premium then due hereunder, ratably in accordance with Section 2.10(h) (as if such payment was a prepayment) among the parties entitled thereto in accordance with the amounts of principal and premium then due to such parties.

(d) *Sharing of Set-Off.* If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other Obligations resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans (including all amounts Paid in Kind that have been added to the principal amount) and accrued interest thereon or other Obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) make adjustments as shall be equitable with the consent of the Required Lenders, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal (including all amounts Paid in Kind that have been added to the principal amount) of and accrued interest on their respective Loans and other amounts owing them, *provided* that the provisions of this paragraph shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for any Transfer of its Loans to an Eligible Assignee.

Each Loan Party agrees, to the extent it may effectively do so under applicable Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation. If under applicable bankruptcy, insolvency or any similar law any Secured Party receives a secured claim in lieu of a setoff or counterclaim to which this Section 2.14(d) applies, such Secured Party shall to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights to which the Secured Party is entitled under this Section 2.14(d) to share in the benefits of the recovery of such secured claim.

(e) *The Borrower Default.* Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 2.15 Taxes.

(a) *Payments Free of Taxes.* Any and all payments by or at the direction of (or on behalf of) the Loan Parties on account of any obligation hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Taxes, unless required by applicable Requirements of Law. Subject to Section 2.15(i), if the applicable withholding agent shall be required by applicable Requirements of Law (as determined in the good faith discretion of the applicable withholding agent) to deduct or withhold any Taxes from such payments, then (i) if such Taxes are Indemnified Taxes, the sum payable shall be increased by the Loan Parties as necessary so that after all required deductions have been made (including

deductions applicable to additional sums payable under this Section 2.15) the Administrative Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(b) *Payment of Other Taxes by Loan Parties.* Without limiting the provisions of paragraph (a) above, the Loan Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(c) *Indemnification by Loan Parties.* The Loan Parties shall, jointly and severally, indemnify the Administrative Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) payable by, paid by, or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, setting forth in reasonable detail the basis and computation of such payment or liability, shall be conclusive absent manifest error; *provided* that, upon the Borrower's timely written request, the Administrative Agent or Lender may, in its sole discretion, after consultation with the Borrower, and at the Borrower's expense, contest the validity, applicability or amount of such Taxes by (i) resisting payment thereof, (ii) not paying the same except under protest, if protest is necessary and proper, or (iii) if payment is made, using reasonable efforts to obtain a refund thereof in appropriate administrative and judicial proceedings; *provided* that (y) the Administrative Agent or such Lender will not be required to take any action or continue to pursue an action (or inaction) hereunder which, in its sole discretion, could cause the Administrative Agent or such Lender to suffer any disadvantage, and (z) on written demand from the Administrative Agent or the Lender, as the case may be, the Borrower agrees to pay, and shall timely pay, to the Administrative Agent or such Lender all reasonable costs and expenses that the Administrative Agent or such Lender actually incurs in connection with and reasonably allocable to contesting such claim (including reasonable legal and accounting fees, penalties, interest, and additions to Tax) and any Indemnified Taxes that are paid by the Administrative Agent or the Lender.

(d) *Evidence of Payments.* As soon as practicable after any payment of Indemnified Taxes (or any Taxes otherwise withheld or deducted from any payments to the Administrative Agent, the Lenders, or any other recipient under the Loan Documents) by any Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) *Status of Lenders.* Any Lender that is entitled to an exemption from or reduction of any withholding Tax with respect to any payments hereunder or under any other Loan Document shall, to the extent it may lawfully do so, deliver to the Borrower and to the

Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Requirements of Law as will permit such payments to be made without withholding or at a reduced rate of withholding (including any withholding under FATCA). In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the above two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.15(e)(ii)(A), (ii)(C) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any unreimbursed cost or expense or would be disadvantageous to such Lender in any material respect.

(i) Without limiting the generality of the foregoing,

(A) any Foreign Lender shall, to the extent it may lawfully do so deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(1) duly completed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any applicable successor forms of either), as applicable, claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(2) duly completed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, in substantially the form of Exhibit H-1, or any other form approved by the Administrative Agent, to the effect that such Foreign Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and that no payments in connection with the Loan Documents are effectively connected with such Foreign Lender's conduct of a U.S. trade or business and (y) duly completed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any successor forms), as applicable,

(4) to the extent a Foreign Lender is not the beneficial owner executed originals of Internal Revenue Service Form W-8IMY, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E (or any successor forms), as applicable, a certificate in substantially the form of Exhibit H-2 or Exhibit H-3, Form W-9 (or any successor form), and/or other certification documents from each beneficial owner, as applicable; *provided* that, if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a certificate, in substantially the form of Exhibit H-4, on behalf of such direct and indirect partner or

(5) any other form prescribed by applicable Requirements of Law or reasonably requested by the Borrower or the Administrative Agent as a basis for claiming exemption from or a reduction in United States federal withholding Tax duly completed together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(B) Each Foreign Lender shall, to the extent it is legally entitled to do so, from time to time after the initial delivery by such Foreign Lender of the forms described above, whenever a lapse in time or change in such Foreign Lender's circumstances renders such forms, certificates or other evidence so delivered obsolete or inaccurate, promptly (1) deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) renewals, amendments or additional or successor forms, properly completed and duly executed by such Foreign Lender, together with any other certificate or statement of exemption required in order to confirm or establish such Foreign Lender's status or that such Foreign Lender is entitled to an exemption from or reduction in withholding Tax or (2) notify Administrative Agent and the Borrower of its legal inability to deliver any such forms, certificates or other evidence.

(C) Any Lender that is not a Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter as prescribed by applicable law or upon the reasonable request of the Borrower or the Administrative Agent), duly executed and properly completed copies of Internal Revenue Service Form W-9 (or any successor form) certifying that it is not subject to U.S. federal backup withholding.

(D) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if

such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) *Treatment of Certain Refunds.* If the Administrative Agent or a Lender determines, in its reasonable discretion, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by a Loan Party or with respect to which a Loan Party has paid additional amounts pursuant to this Section 2.15, it shall pay to the applicable Loan Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.15 with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person. Notwithstanding anything to the contrary, in no event will the Administrative Agent or any Lender be required to pay any amount to a Loan Party if such payment would place the Administrative Agent or such Lender in a less favorable net after-tax position than the Administrative Agent or such Lender would have been in if the Indemnified Taxes giving rise to such refund had never been imposed in the first instance and the indemnification payments or additional amounts with respect to the Indemnified Taxes had never been paid.

(g) *Payments.* For purposes of this Section 2.15, (i) any payments by the Administrative Agent to a Lender of any amounts received by the Administrative Agent from the Borrower on behalf of such Lender shall be treated as a payment from the Borrower to such Lender and (ii) if a Lender is treated as a partnership for United States federal income tax purposes, any withholding or payment of such United States federal income tax that is an Indemnified Tax by

the Lender in respect of any of such Lender's partners shall be considered a withholding or payment of such Indemnified Tax by the Borrower.

(h) *Survival.* Each party's obligations under this Section 2.15 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction, or discharge of all obligations under any Loan Document.

(i) *Tax Treatment.* For U.S. federal income tax purposes, the Borrower and the Lenders intend that (i) the DIP Facility is treated as debt and (ii) the Backstop Fee shall not be treated as a fee (collectively, the "**Intended Tax Treatment**"). Each of the Borrower and the Lenders agree not to file any tax return, report or declaration inconsistent with the Intended Tax Treatment, except as otherwise required due to a determination within the meaning of Section 1313(a) of the Code or due to a change in applicable law after the date hereof.

Section 2.16 Mitigation Obligations. If any Lender requests compensation under Section 2.12, or requires the Borrower to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or 2.15, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment. A certificate setting forth such costs and expenses submitted by such Lender to the Borrower shall be conclusive absent manifest error.

Section 2.17 Currency Indemnity. If, for the purposes of obtaining judgment in any court in any jurisdiction with respect to this Agreement or any other Loan Document, it becomes necessary to convert into a particular currency (the "**Judgment Currency**") any amount due under this Agreement or under any other Loan Document in any currency other than the Judgment Currency (the "**Currency Due**"), then conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which judgment is given. For this purpose "rate of exchange" means the rate at which the Administrative Agent is able, on the relevant date, to purchase the Currency Due with the Judgment Currency in accordance with its normal practice at its head office. In the event that there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given and the date of receipt by the Administrative Agent of the amount due, the Borrower will, on the date of receipt by the Administrative Agent, pay such additional amounts, if any, or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount received by the Administrative Agent on such date is the amount in the Judgment Currency which when converted at the rate of exchange prevailing on the date of receipt by the Administrative Agent is the amount then due under this Agreement or such other Loan Document in the Currency Due. If the amount of the Currency Due which the Administrative Agent is so able to purchase is less than the amount of the Currency Due originally due to it, the Borrower shall indemnify and save the Administrative Agent and the Lenders harmless from and against all loss or damage arising as a result of such

deficiency. This indemnity shall constitute a secured obligation separate and independent from the other obligations contained in this Agreement and the other Loan Documents, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Administrative Agent from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Agreement or any other Loan Document or under any judgment or order.

Section 2.18 Incremental Loan Facilities.

(a) *Borrower Request.* Subject to obtaining prior approval from the Required Lenders in writing (in their sole discretion) for the applicable Incremental Loan Facility, the Borrower may, by written notice to the Administrative Agent at any time and from time to time, elect to incur additional Loans or request the establishment of one or more new term loan facilities (the “**Incremental Loan Facility**”; the commitments in respect thereof, the “**Incremental Commitments**”), in an aggregate original principal amount for all Incremental Loan Facilities that may be agreed in writing by the Required Lenders; *provided* that the Borrower (and no other Loan Party) shall only be entitled to request or borrow under the Incremental Loan Facility if the Required Lenders have consented in writing in their sole discretion to the request for or borrowing under such Incremental Loan Facility. Such notice shall specify (A) the amount of Incremental Loans being requested and (B) the date on which the Borrower proposes as the applicable Funding Date(s) on which the Borrower proposes that the Incremental Loan Facility shall be available to be funded. For the avoidance of doubt, the Required Lenders shall not be obligated to consent to the Incremental Loan Facility and may withhold consent for any reason.

Any Incremental Loan Facility shall be effected by a joinder agreement in form and substance acceptable to the Required Lenders (an “**Increase Joinder**”) executed by the Borrower, the Administrative Agent and each Lender providing the Incremental Loan Facility.

(b) *Conditions.* The Incremental Commitments shall become effective as of the Business Day upon which each of the conditions precedent set forth below is satisfied (or waived by the Required Ad Hoc Holders in their sole discretion) (each such date, an “**Increase Effective Date**”):

(i) Each of the representations and warranties made by any Loan Party set forth in Article 3 hereof or in any other Loan Document shall be true and correct in all material respects (except that any representation and warranty that is qualified as to “materiality” or “Material Adverse Effect” shall be true and correct in all respects) on and as of the applicable Increase Effective Date, except to the extent such representations and warranties expressly relate to an earlier date;

(ii) The Borrower and each other Loan Party shall be in compliance in all material respects with all the terms and provisions set forth herein and in each other Loan Document on its part to be observed or performed, and, at the time of and immediately after the Increase Effective Date, no Default or Event of Default shall have occurred and be continuing or would immediately result from such Borrowing on such date;

(iii) Each of the Material Contracts shall be in full force and effect and shall not have been terminated;

(iv) The Administrative Agent shall have received, with respect to the Increase Joinder and other Loan Documents and any other matters as the Administrative Agent shall reasonably request, certificates and documents substantially equivalent to those required under Section 4.01(b)(i) and (b)(ii);

(v) The Administrative Agent shall have received a certificate, dated the Increase Effective Date and signed by a Responsible Officer of the Borrower, confirming compliance with the conditions set forth in Sections 2.18(b)(i) through 2.18(b)(iv) as of such Increase Effective Date;

(vi) The Administrative Agent shall have received evidence in form and substance reasonably satisfactory to the Administrative Agent and the Required Lenders of the Bankruptcy Court's approval of such Incremental Loan Facility;

(vii) The Required Lenders shall have consented to the Borrower's incurrence of the Incremental Commitments under such Increase Joinder; and

(viii) Without limiting the foregoing requirement to receive the written consent of the Required Lenders, the satisfaction of each other condition required by the Required Lenders in respect thereof.

(c) *Terms of New Loans and Commitments.* The terms and conditions of the Loans made pursuant to the Incremental Loan Facility ("**Incremental Loans**"), shall be as mutually agreed between the Borrower, the Administrative Agent, the Required Lenders, and each Lender providing the Incremental Loan Facility; *provided* that:

(i) the Incremental Loan Facility will rank *pari passu* in right of payment and *pari passu* with respect to security with the then existing Loans, shall not be secured by any assets that do not constitute Collateral, shall be incurred by the Borrower and shall not be guaranteed by any Person that is not a Loan Party;

(ii) [reserved]; and

(iii) except as otherwise agreed with the Required Lenders, (A) the Incremental Loan Facility will be subject to the same terms and conditions as the Loans except those conditions to borrowing explicitly set forth in this Section 2.18, (B) the Incremental Loans, once funded, shall be considered a part of the same Class as all other Loans outstanding at such time (unless otherwise specified in the applicable Increase Joinder), (C) the final maturity of any Incremental Loan Facility will be the Maturity Date and (D) no Incremental Loan Facility shall amortize or have mandatory prepayments other than those applicable to the existing Loans.

(d) *Equal and Ratable Benefit.* The Loans and Commitments established pursuant to this Section 2.18 shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without

limiting the foregoing, benefit equally and ratably from the Guarantees and the security interests created by the Loan Security Documents. The Loan Parties shall take any actions reasonably required by the Administrative Agent to ensure and/or demonstrate that the Lien and security interests granted by the Loan Security Documents continue to be perfected under the UCC, the PPSA or otherwise after giving effect to the establishment of any such Loans or any such new Commitments.

(e) This Section 2.18 shall supersede any provisions in Section 2.14 or Section 10.02 to the contrary.

Section 2.19 Certain Bankruptcy Matters.

(a) The Loan Parties hereby agree that, subject only to the Carve-Out, the AST Break-Up Fee (if any) and Administration Charge, the Obligations shall (i) constitute DIP Superpriority Claims with priority over all administrative expense claims and any and all other claims against the Borrower and the other Loan Parties now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, all administrative expense claims of the kind specified in sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c) (subject to entry of the Final DIP Order), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provisions of the Bankruptcy Code and all superpriority administrative expense claims granted to any other Person, the establishment of which superpriority shall have been approved and authorized by the Bankruptcy Court and (ii) be secured as provided in, and be deemed valid and perfected by entry of any of, the DIP Orders pursuant to the applicable provisions of the Bankruptcy Code.

(b) In the event of a conflict between, or inconsistency among, the Interim DIP Order or the Final DIP Order, on the one hand, and any other Loan Document, on the other hand, the Interim DIP Order or the Final DIP Order, as the case may be, shall control.

(c) Notwithstanding anything to the contrary contained herein or elsewhere:

(i) No Agent or Lender shall be required to prepare, file, register or publish any financing statements, mortgages, hypothecs, account control agreements, notices of Lien or similar instruments in any jurisdiction or filing or registration office, or to take possession of any Collateral or to take any other action in order to validate, render enforceable or perfect the Liens on the Collateral granted by or pursuant to this Agreement, the DIP Orders, the DIP Recognition Orders or any other Loan Document. If the Collateral Agent (at the Required Lenders' direction, which shall be in their sole discretion), from time to time elects to prepare, file, register or publish any such financing statements, mortgages, hypothecs, account control agreements, notices of Lien or similar instruments, take possession of any Collateral, or take any other action to validate, render enforceable or perfect all or any portion of the Collateral Agent's Liens on the Collateral, (A) all such documents and actions shall be deemed to have been filed, registered, published or recorded or taken at the time and on the date that the Interim DIP Order is entered, and (B) shall not negate or impair the validity or effectiveness of this Section 2.22(c) or of the perfection of any other Liens in favor of the Collateral

Agent, for the benefit of the Lenders and the other Secured Parties, on the Collateral.

(ii) Except as otherwise expressly agreed to by each of the Secured Parties in writing, the Liens, Lien priorities, DIP Superpriority Claims and other rights and remedies granted to the Collateral Agent, the Lenders and the other Secured Parties pursuant to this Agreement, the DIP Orders, the DIP Recognition Orders or the other Loan Documents (specifically including, but not limited to, the existence, perfection, enforceability and priority of the Liens provided for herein and therein, and the DIP Superpriority Claims provided herein and therein) shall not be modified, altered or impaired in any manner by any other financing or extension of credit or incurrence of indebtedness by the Borrower or any other Loan Party (pursuant to Section 364 of the Bankruptcy Code or otherwise), or by dismissal or conversion of any of the Cases, or by any other act or omission whatsoever.

(d) Without limiting the generality of the foregoing, notwithstanding any such financing, extension, incurrence, dismissal, conversion, act or omission:

(i) subject only to the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge, no costs or expenses of administration which have been or may be incurred in the Cases or any conversion of the same or in any other proceedings related thereto, and no priority claims, are or will be prior to or on a parity with any claim of any Secured Party or any Agent against the Borrower or any other Loan Parties in respect of any Obligations;

(ii) the Collateral Agent's Liens on the Collateral shall constitute valid, enforceable and perfected First Priority Liens, and, other than as expressly provided in the DIP Orders, DIP Recognition Orders or the Loan Documents, shall be prior to all other Liens, now existing or hereafter arising, in favor of any other creditor or other Person; and

(iii) the Collateral Agent's Liens on the Collateral shall continue to be valid, enforceable and perfected without the need for any Agent or any other Secured Party to prepare, file, register or publish any financing statements, mortgages, hypothecs, account control agreements, notices of Lien or similar instruments or to otherwise perfect the Collateral Agent's Liens under applicable non-bankruptcy law.

In connection with any Asset Sale or other disposition of all or any portion of the Collateral, including in each case pursuant to Sections 9-610 or 9-620 of the UCC, at any sale thereof conducted under the provisions of the Bankruptcy Code, including Section 363 of the Bankruptcy Code or as part of restructuring plan subject to confirmation under section 1129(b)(2)(A)(iii) of the Bankruptcy Code, or at any sale or foreclosure conducted by the Collateral Agent, in accordance with applicable law and, with respect to any credit bid, section 363(k) of the Bankruptcy Code, the Borrower and each other Loan Party hereby gives the Collateral Agent (at the direction of the Required Lenders) the power and right, without assent by such Loan Party, to

“credit bid” the full amount of all Obligations in order to purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral.

ARTICLE 3 REPRESENTATIONS AND WARRANTIES

Each Loan Party represents and warrants to the Administrative Agent and each of the Lenders that:

Section 3.01 Organization; Powers. Each Company (a) is duly organized and validly existing under the laws of the jurisdiction of its organization, (b) has all requisite power and authority (x) to carry on its business as now conducted, subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, and (y) to own and lease its property and (c) is qualified and in good standing (to the extent such concept is applicable in the applicable jurisdiction) to do business in every jurisdiction where such qualification is required, except in such jurisdictions where the failure to so qualify or be in good standing, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. There is no existing default under any Organizational Document of any Company or any event which, with the giving of notice or passage of time or both, would constitute a default by any party thereunder.

Section 3.02 Authorization; Enforceability. Subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, the Transactions to be entered into by each Loan Party are within such Loan Party’s powers and have been duly authorized by all necessary action on the part of such Loan Party. This Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors’ rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 3.03 No Conflicts. Except as set forth on Schedule 3.03 and subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (i) such as have been obtained or made and are in full force and effect, (ii) filings necessary to perfect Liens created by the Loan Documents and (iii) consents, approvals, registrations, filings, permits or actions the failure to obtain or perform which would not reasonably be expected to result in a Material Adverse Effect, (b) will not violate the Organizational Documents of any Company, (c) will not violate any material Requirement of Law, (d) will not violate or result in a default or require any consent or approval that has not been obtained under any indenture, agreement or other instrument binding upon any Company or its property, or give rise to a right thereunder to require any payment to be made by any Company (other than (i) with respect to the Prepetition Facilities that are stayed as a result of the Cases and (ii) violations arising solely and directly as a result of the commencement of the Cases and Recognition Proceedings and except as otherwise excused by the Bankruptcy

Court), and (e) will not result in the creation or imposition of any Lien on any property of any Company, except Liens created by the Loan Documents and Permitted Liens.

Section 3.04 Financial Statements; Projections.

(a) *Historical Balance Sheets; Forecasted Cash Flows.* The Borrower has heretofore delivered to the Administrative Agent and the Lenders (i) an unaudited consolidated balance sheet as of and for the fiscal quarter ending September 30, 2024, and (ii) the audited financial statements of the Borrower as of and for the year ending December 31, 2023. The financial statements delivered pursuant to Sections 5.01(a) and (b) have been prepared in accordance with GAAP and present fairly and accurately the financial condition and, if applicable, the results of operations and cash flows, of the Borrower as of the dates and for the periods to which they relate.

(b) *No Liabilities; No Material Adverse Effect.* Except as set forth in the financial statements referred to in Section 3.04(a) (or, after the Closing Date, as set forth in the financial statements referred to in Section 5.01(a)), there are no liabilities of any Company of any kind, whether accrued, contingent, absolute, determined, determinable or otherwise, which would reasonably be expected to result in a Material Adverse Effect. Since the Petition Date, there has been no event, change, circumstance or occurrence that, individually or in the aggregate, has had or would reasonably be expected to result in a Material Adverse Effect.

(c) *Budget.* A true and complete copy of the Initial Budget, as agreed to with the Required Lenders as of the Closing Date, is attached as Exhibit J hereto. The Initial Budget and each Cash Flow Forecast delivered thereafter pursuant to Section 5.01(f) hereof are based on good faith estimates and assumptions made by the management of the Borrower and believed by such management to be reasonable and attainable as of the date delivered to the Administrative Agent (it being understood that any projections contained therein are not to be viewed as facts, are subject to significant uncertainties and contingencies, many of which are beyond the control of the Loan Parties and that no assurance can be given that any particular projections will be realized, that actual results may differ and that such differences may be material).

Section 3.05 Properties.

(a) *Generally.* Each Company has good title to, or valid leasehold interests in, all its property material to its business, free and clear of all Liens except for, in the case of Collateral, Permitted Liens and, in the case of all other material property, Permitted Liens and minor irregularities or deficiencies in title that, individually or in the aggregate, do not interfere with its ability to conduct its business as currently conducted or to utilize such property for its intended purpose. The property of the Companies, taken as a whole, (i) is in good operating order, condition and repair (ordinary wear and tear excepted) and (ii) constitutes all the property which is required for the business and operations of the Companies as presently conducted.

(b) *Real Property.* Schedules 7(a) and 7(b) to the Perfection Certificate dated the Closing Date contain a true and complete list of each interest in Real Property, other than Real Property located in Canada, and each interest in Real Property located in Canada material to the business, assets, property, operations or condition of the Borrower or any Loan Party, in each case

(i) owned by the Borrower or any of its Subsidiaries as of the date hereof and describes the type of interest therein held and whether such owned Real Property is leased and if leased whether the underlying Lease contains any option to purchase all or any portion of such Real Property or any interest therein or contains any right of first refusal relating to any sale of such Real Property or any portion thereof or interest therein and (ii) leased, subleased or otherwise occupied or utilized by the Borrower or any of its Subsidiaries, as lessee, sublessee, franchisee or licensee, as of the date hereof and describes the type of interest therein held by such Company and, in each of the cases described in clauses (i) and (ii) of this Section 3.05(b), whether any Lease requires the consent of the landlord or tenant thereunder, or other party thereto, to the Transactions.

(c) *No Casualty Event.* Except in respect of Skyterra-1 and Skyterra-2 as described in Schedule 3.08, no Company has received any notice of, nor has any knowledge of, the occurrence or pendency or contemplation of any Casualty Event affecting all or any material portion of its property. No mortgage encumbers improved Real Property that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards within the meaning of the National Flood Insurance Act of 1968 unless flood insurance available under such Act has been obtained in accordance with Section 5.04.

(d) *Collateral.* Subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, each Loan Party owns or has rights to use all of the Collateral and all rights with respect to any of the foregoing used in, necessary for or material to each Loan Party's business as currently conducted. The use by each Loan Party of such Collateral and all such rights with respect to the foregoing do not infringe on the rights of any Person other than such infringement which would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. No claim has been made and remains outstanding that any Loan Party's use of any Collateral does or may violate the rights of any third party that would, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(e) *Material Contracts.* Each Material Contract and Material Lease is in full force and effect and no defaults giving any party thereto the right to terminate such Material Contract or Material Lease currently exist thereunder (other than as a result of the Cases or the Recognition Proceedings). Each Material Contract and Material Lease is a legal, valid and binding obligation of the Borrower and its Subsidiaries party thereto and, to the knowledge of the Borrower, each other party thereto, is enforceable in accordance with its terms and is in full force and effect, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights (including the Cases) and to general equity principles. Neither the Borrower nor its Subsidiaries, nor to the knowledge of the Responsible Officers of the Borrower or its Subsidiaries, any other party to any Material Contract or Material Lease, is or was in material breach or default, under the terms of any Material Contract or Material Lease, and no condition existed or exists which, with the giving of notice or the lapse of time or both, could constitute a material breach or default by the Borrower or any of its Subsidiaries thereunder (in each case, other than as a result of the Cases or the Recognition Proceedings). Each Company enjoys peaceful and undisturbed possession under each Material Lease to which it is a party (in each case, other than as a result of the Cases or the Recognition Proceedings).

Section 3.06 Intellectual Property.

(a) *Ownership/No Claims.* Each Company owns, or is licensed to use, all patents, industrial designs, trademarks, trade names, service marks, copyrights (and all registrations and applications for registration of any of the foregoing), technology, trade secrets, proprietary information, domain names, know-how and processes (collectively, the “**Intellectual Property**”) material to the conduct of its business as currently conducted and as planned to be conducted (as reflected in each Company’s written public statements made prior to the date hereof). No claim has been asserted and is pending by any Person challenging or questioning the use of any such Intellectual Property or the validity or effectiveness of any such Intellectual Property or alleging that any Company is infringing, misappropriating or otherwise violating the Intellectual Property rights of any Person, nor does any Company know of any valid basis for any such claim that in each case would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. The conduct of the business of each Company as currently conducted and as planned to be conducted (as reflected in each Company’s written public statements made prior to the date hereof) does not and will not infringe, misappropriate or otherwise violate the Intellectual Property rights of any Person, except as will not have a Material Adverse Effect.

(b) *Registrations.* Except pursuant to licenses and other user agreements entered into by the Borrower and its Subsidiaries in the ordinary course of business that are listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date, on and as of the date hereof (i) the Borrower or its Subsidiaries, as indicated in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date, owns and possesses the right to use, and has not licensed any other Person to use, any copyright, patent, trademark or service mark (or any application for registration of any of the foregoing listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date) and (ii) to each Loan Party’s knowledge, all registrations listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date are valid and in full force and effect.

(c) *No Violations or Proceedings.* To each Loan Party’s knowledge, on and as of the date hereof, there is no material violation by others of any right of the Borrower or its Subsidiaries with respect to any copyright, patent, industrial design, trademark or service mark listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date, pledged by it under the name of such Loan Party except as may be set forth on Schedule 3.06(c).

Section 3.07 Equity Interests and Subsidiaries.

(a) *Equity Interests.* Schedules 1(a) and 9(a) to the Perfection Certificate dated the Closing Date set forth a list of (i) each Subsidiary of the Borrower and its jurisdiction of organization as of the Closing Date and (ii) the number of each class of its Equity Interests authorized, and the number outstanding, on the Closing Date and the number of shares covered by all outstanding options, warrants, rights of conversion or purchase and similar rights at the Closing Date. All Equity Interests of each Company are duly and validly issued and are fully paid and non-assessable, and, other than the Equity Interests of the Borrower, are owned by the Borrower, directly or indirectly through Wholly Owned Subsidiaries. Each Loan Party is the record and beneficial owner of, and has good and marketable title to, the Equity Interests pledged by it under

the Loan Security Agreement or the Canadian Security Agreement, as applicable, free of any and all Liens, rights or claims of other Persons, except the security interest created by the Loan Security Agreement, the Canadian Security Agreement or the Prepetition Security Agreements, as applicable. As of the Closing Date, there are no outstanding warrants, options or other rights to purchase, or shareholder, voting trust or similar agreements outstanding with respect to, or property that is convertible into, or that requires the issuance or sale of, any such Equity Interests.

(b) *No Consent of Third Parties Required.* Subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, no consent of any Person including any other general or limited partner, any other member of a limited liability company, any other shareholder or any other trust beneficiary is necessary or reasonably desirable (from the perspective of a secured party) in connection with the creation, perfection or priority status of the security interest of the Administrative Agent in any Equity Interests pledged to the Administrative Agent for the benefit of the Secured Parties under the Loan Security Agreement or the Canadian Security Agreement, as applicable, or the exercise by the Administrative Agent of the voting or other rights provided for in the Loan Security Agreement or the Canadian Security Agreement, or the exercise of remedies in respect thereof, except for such FCC, ISED or CRTC consents as may be required under the Communications Laws in connection with the exercise of such remedies.

(c) *Organizational Chart.* An accurate organizational chart, showing the ownership structure of the Borrower and each Subsidiary on the Closing Date, and after giving effect to the Transactions, is set forth on Schedule 3.07(c).

Section 3.08 Litigation; Compliance with Laws. Except for the Cases and as set forth in Schedule 3.08, there are no actions, suits or proceedings at law or in equity by or before any Governmental Authority now pending or, to the knowledge of any Company, threatened against or affecting any Company or any business, property or rights of any Company as to which, in any case, there is a reasonable possibility of an adverse determination and that, if adversely determined, would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. No Company or any of its property is in violation of, nor will the continued operation of its property as currently conducted violate, any Requirements of Law (including any zoning or building ordinance, code or approval or any building permits) or any restrictions of record or agreements affecting any Company's Real Property or is in default with respect to any Requirement of Law, where such violation or default, individually or in the aggregate, would reasonably be expected to result in a Material Adverse Effect.

Section 3.09 Agreements. As of the Petition Date, no Company is a party to any agreement or instrument or subject to any corporate or other constitutional restriction that has resulted or would reasonably be expected to result in a Material Adverse Effect. No Company is in default in any manner under any provision of any indenture or other agreement or instrument evidencing Indebtedness, or any other agreement or instrument to which it is a party or by which it or any of its property is or may be bound (other than the Prepetition Facilities that are stayed as a result of the Cases), where such default would reasonably be expected to result in a Material Adverse Effect, and no condition exists which, with the giving of notice or the lapse of time or both, would constitute such a default. Schedule 3.09 accurately and completely lists all material agreements (other than leases of Real Property set forth on Schedule 7(a) or 7(b) to the Perfection

Certificate dated the Closing Date) to which any Company is a party which are in effect on the date hereof in connection with the operation of the business conducted thereby and the Borrower has delivered to the Administrative Agent complete and correct copies of all such material agreements, including any amendments, supplements or modifications with respect thereto, and all such agreements are in full force and effect.

Section 3.10 Federal Reserve Regulations. No Company is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock. No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of, or that is inconsistent with, the provisions of the regulations of the Board of Governors, including Regulation T, U or X. The pledge of the Securities Collateral (as defined in the Loan Security Agreement) pursuant to the Loan Security Agreement does not violate such regulations.

Section 3.11 Investment Company Act. No Company is required to register as an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

Section 3.12 Use of Proceeds. Subject to the Budget and any additional restrictions on the use of proceeds provided herein and in accordance with the DIP Orders and DIP Recognition Orders, the Borrower will use the proceeds of the Loans hereunder for the following purposes:

(a) With respect to Loans other than the DIP Second Funding Loans, (i) for working capital and general corporate purposes as approved in the Budget; (ii) to consummate the Roll-Up in accordance with Section 2.02; (iii) to pay professional fees in connection with the Cases and for other post-petition general corporate purposes, in each case, as approved in the Budget; (iv) to make adequate protection payments to the Prepetition Secured Parties as set forth in the DIP Orders; (v) to fund the Carve-Out and amounts secured by the Administration Charge; (v) to pay interest, fees and expenses due hereunder; and (vi) as otherwise agreed in writing between the Borrower and the Required Lenders; and

(b) With respect to the DIP Second Funding Loans, to repay in full in cash all outstanding Obligations (as defined in the 1L Loan Agreement) in respect of the First Out Loans (as defined in the 1L Loan Agreement) (such Obligations, the “**Prepetition First Out Obligations**”);

provided that, except as otherwise set forth hereunder, in no event shall the proceeds of the Loans be used to make payments in regards to the Debtors’ obligations under the Prepetition Facilities (other than pursuant to the Roll-Up or, in the case of the DIP Second Funding Loans, the Prepetition First Out Obligations) or to fund expenses or other amounts not otherwise set forth in this Section 3.12. No portion of the proceeds of any Loan shall be used in any manner that causes or might cause such Loan or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Board of Governors or any other regulation thereof or to violate the Exchange Act.

Section 3.13 Taxes. Each Company has (a) timely filed or caused to be timely filed all material federal Tax Returns and all material state, provincial, local and foreign Tax Returns required to have been filed by it and all such Tax Returns are true and correct in all material respects, (b) duly and timely paid, collected or remitted or caused to be duly and timely paid, collected or remitted all Taxes (whether or not shown on any Tax Return) due and payable, collectible or remittable by it and all assessments received by it, except Taxes (i) that are being contested in good faith by appropriate proceedings and for which such Company has set aside on its books adequate reserves (after the Closing Date, in accordance with GAAP), (ii) which would not, individually or in the aggregate, have a Material Adverse Effect or (iii) to the extent payment of such Tax is excluded by, or is otherwise prohibited by, the provisions of the Bankruptcy Code or order of the Bankruptcy Court and (c) satisfied all of its withholding tax obligations except for failures that would not be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect. Each Company has made adequate provision (after the Closing Date, in accordance with GAAP) for all material Taxes not yet due and payable. Each Company is unaware of any proposed or pending tax assessments, deficiencies or audits that would be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect. Except as would not be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect, no Company has ever “**participated**” in a “**listed transaction**” within the meaning of Treasury Regulation Section 1.6011-4.

Section 3.14 No Material Misstatements. No information, reports, financial statements, certificates, Borrowing Requests, exhibits or schedules furnished by or on behalf of any Company to the Administrative Agent or any Lender in connection with the negotiation of any Loan Document or included therein or delivered pursuant thereto, taken as a whole, contained or contains any material misstatement of fact or omitted or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were or are made, not misleading as of the date such information is dated or certified; *provided* that to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast or projection, each Company represents only that it acted in good faith and utilized reasonable assumptions and due care in the preparation of such information, report, financial statement, exhibit or schedule.

Section 3.15 Labor Matters. There are no strikes, stoppages, lockouts, slowdowns or other labor disputes against any Company pending or, to the knowledge of any Company, threatened except as would not individually or in the aggregate be expected to result in a Material Adverse Effect, (i) the hours worked by and payments made to employees of any Company have not been in violation of the Fair Labor Standards Act of 1938, as amended, the Canada Labour Code, as amended, or any other applicable Requirements of Law dealing with such matters and (ii) all payments due from any Company, or for which any claim may be made against any Company, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of such Company (except to the extent such payments have been stayed by the commencement of the Cases and, where applicable, the recognition thereof by the CCAA Court). The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Company is bound.

Section 3.16 [Reserved].

Section 3.17 Employee Benefit Plans. With respect to each Employee Benefit Plan, Single Employer Plan and Multiemployer Plan, each Company and its ERISA Affiliates is in compliance in all material respects with the applicable Requirements of Law, including all applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder, except where noncompliance would not, either individually, or taken together with all other exceptions to the representations set forth in this Section 3.17 reasonably be expected to result in a Material Adverse Effect. Each Employee Benefit Plan which is intended to qualify under Section 401(a) of the Code has received a favorable determination letter from the Internal Revenue Service indicating that such Employee Benefit Plan is so qualified and to the knowledge of each Company, nothing has occurred subsequent to the issuance of such determination letter which would cause such Employee Benefit Plan to lose its qualified status. No liability to the PBGC (other than required premium payments), the Internal Revenue Service, any Employee Benefit Plan, Single Employer Plan or Multiemployer Plan (other than in the ordinary course) or any trust established under Title IV of ERISA has been or is expected to be incurred by any Company or any of its ERISA Affiliates with respect to any Employee Benefit Plan, Single Employer Plan or Multiemployer Plan, except where such liability, either individually, or taken together with all other exceptions to the representations set forth in this Section 3.17, would not reasonably be expected to result in a Material Adverse Effect. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, would reasonably be expected to result in a Material Adverse Effect or the imposition of a Lien on any of the property of any Company or any of its ERISA Affiliates. The present value of all accrued benefits under each Single Employer Plan or similar Foreign Plan (based on those assumptions used to fund such plan) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such plan allocable to such accrued benefit by a material amount. As of the most recent valuation date for each Multiemployer Plan, the potential liability of each Company and its ERISA Affiliates for a complete withdrawal from such Multiemployer Plan (within the meaning of Section 4203 or Section 4205 of ERISA), when aggregated with such potential liability for a complete withdrawal from all Multiemployer Plans, is not material. The Companies and their respective ERISA Affiliates have complied with the requirements of Section 515 of ERISA in all material respects with respect to each Multiemployer Plan and are not in material “default” (as defined in Section 4219(c)(5) of ERISA) with respect to payments to a Multiemployer Plan. Neither any Company nor any of its ERISA Affiliates has any contingent liability with respect to any post-retirement welfare benefit under an Employee Benefit Plan, other than liability for continuation coverage described in Part 6 of Title I of ERISA or other applicable law, except where such liability, either individually, or taken together with all other exceptions to the representations set forth in this Section 3.17, would not reasonably be expected to result in a Material Adverse Effect.

To the extent applicable, each Foreign Plan has been maintained in substantial compliance with its terms and with the requirements of any and all applicable Requirements of Law and has been maintained, where required, in good standing with applicable regulatory authorities. No Company has incurred any material obligation in connection with the termination of or withdrawal from any Foreign Plan. Except as would not reasonably be expected to result in a Material Adverse Effect, the present value of the accrued benefit liabilities (whether or not vested) under each Foreign Plan which is fully or partially funded, determined as of the end of the most recently ended fiscal year of the respective Company on the basis of actuarial assumptions, each of which is reasonable, did not exceed the current value of the property of such Foreign Plan by any material

amount, and for each Foreign Plan which is not funded, the obligations of such Foreign Plan are properly accrued and reported.

No Foreign Plan that is not a Canadian Pension Plan is subject to federal or provincial pension standards legislation.

The Canadian Pension Plans are duly registered under the Canadian Income Tax Act and any other applicable laws which require registration, have been administered in all material respects in accordance with the Canadian Income Tax Act and such other applicable laws, and no event has occurred and no condition exists that has resulted in or which would reasonably be expected to cause the loss of such registered status, except to the extent that any failure to do so would not reasonably be expected to have a Material Adverse Effect. The Canadian Pension Plans are in substantial compliance with all Requirements of Law applicable thereto, and, without limiting the generality of the foregoing, all material obligations of each of the Loan Parties (including fiduciary, funding, investment and administration obligations) required to be performed in connection with the Canadian Pension Plans and the funding agreements therefor have been performed on a timely basis, except to the extent that any failure to do so would not reasonably be expected to have a Material Adverse Effect. All contributions or premiums required to be made or paid by each of the Loan Parties to the Canadian Pension Plans have been made on a timely basis in accordance with the terms of such plans, their funding agreements and all applicable laws. There have been no material improper withdrawals or applications of the assets of the Canadian Pension Plans. None of the Canadian Pension Plans contain or have ever contained a “defined benefit provision”, as that term is defined in subsection 147.1(1) of the Canadian Income Tax Act. No Canadian Pension Plan is a “multi-employer pension plan” as defined under the *Pension Benefits Standards Act, 1985* (Canada) or under similar provincial pension standards legislation. No event has occurred and no condition exists that would reasonably be expected to result in an order to terminate any Canadian Pension Plan in whole or in part. No Person has ordered or given notice of the termination or wind up of a Canadian Pension Plan in whole or in part.

(v) No Person with an indemnity or contribution obligation to the Companies relating to compliance with or liability under Environmental Law is in default with respect to such obligation.

(b) Except as set forth in Schedule 3.18:

(i) No Company is obligated to perform any action or otherwise incur any expense under Environmental Law pursuant to any order, decree, judgment or agreement by which it is bound or has assumed by contract, agreement or operation of law, and no Company is conducting or financing any Response pursuant to any Environmental Law with respect to any Real Property or any other location;

(ii) No Real Property or facility owned, operated or leased by the Companies and, to the knowledge of the Companies, no Real Property or facility formerly owned, operated or leased by the Companies or any of their predecessors in interest is (i) listed or proposed for listing on the National Priorities List promulgated pursuant to CERCLA or (ii) listed on the Comprehensive Environmental Response, Compensation and Liability Information System promulgated pursuant to CERCLA or (iii) included on any similar list maintained by any Governmental Authority including any such list relating to petroleum;

the actual or suspected existence of Hazardous Material at Real Property or facilities currently or formerly owned, operated, leased or used by the Companies.

All insurance maintained by the Companies is in full force and effect, all premiums have been duly paid, no Company has received notice of violation or cancellation thereof, the premises, and the use, occupancy and operation thereof, comply in all material respects with all insurance requirements, and there exists no default under any insurance requirement. Each Company has insurance in such amounts and covering such risks and liabilities as are customary for companies of a similar size engaged in similar businesses in similar locations.

Section 3.20 Loan Security Documents.

(a) *Loan Security Agreement*. The Loan Security Agreement, taken together with the Interim DIP Order and/or the Final DIP Order, is effective to create in favor of the Collateral Agent, for the benefit of the Lenders and the other Secured Parties, legal, valid, and enforceable continuing First Priority Liens on, and automatically perfected security interests in, the Collateral pledged hereunder or thereunder, in each case, subject to no Liens other than Permitted Liens, the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge. Pursuant to and to the extent provided in the Interim DIP Order and/or the Final DIP Order, the Obligations of the Loan Parties under this Agreement will constitute allowed super-priority administrative expense claims in the Cases under Section 364(c) of the Bankruptcy Code, having priority over all administrative expense claims and unsecured claims against such Loan Parties now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expense claims of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code and all super-priority administrative expense claims granted to any other Person, subject only to the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge. Notwithstanding anything to the contrary herein, the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge shall be senior to all Liens and claims (including administrative and superpriority claims) securing the Obligations, the Loan Parties' pre-petition obligations, adequate protection Liens, and all other Liens or claims (including administrative claims and DIP Superpriority Claims), including all other forms of adequate protection, Liens, or claims (including administrative claims and DIP Superpriority Claims) securing the Obligations and pre-petition obligations granted or recognized as valid, including the Liens, security interests, and claims (including administrative claims and DIP Superpriority Claims) granted to the Collateral Agent and the other Secured Parties. The provisions of this Agreement and the other Loan Documents create legal and valid Liens on all the Collateral in favor of Collateral Agent, for the benefit of the Secured Parties, and such Liens constitute perfected and continuing Liens on the Collateral, securing the Obligations, enforceable against the applicable Loan Party and all third parties, and having priority over all other Liens on the Collateral except in the case of the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge.

(b) *Canadian Security Agreement*. The Canadian Security Agreement, taken together with the Interim DIP Recognition Order and Final DIP Recognition Order, are effective

(c) *Intellectual Property.* When the financing statements referred to in Section 3.20(b) (i) have been filed, the Liens created by such Canadian Security Agreement shall constitute fully perfected Liens on, and security interests in, all right, title and interest of the grantors thereunder in Patents, Copyrights and Trademarks (as each such term is defined in the Canadian Security Agreement) registered or applied for with CIPO, in each case subject to no Liens other than Permitted Liens, including the Administration Charge.

(e) *Unencumbered Assets.* (i) The Collateral constitutes all of the material assets of the Companies (for the avoidance of doubt, excluding the Second Satellite until such time as the Companies take title to the Second Satellite), and (ii) no Company has granted a Lien on Collateral in respect of Indebtedness permitted under Section 6.01(l) which has not been granted to secure the Obligations.

Section 6.01 Indebtedness. Unless explicitly consented to by the Required Ad Hoc Holders in writing (delivered to the Borrower and the Administrative Agent), directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness), except (as set forth below, the "**Permitted Debt**"):

(a) Indebtedness under the Prepetition Facilities as in effect on the Closing Date (other than the Prepetition Roll-Up Indebtedness after giving effect to the Roll-Up);

(b) Indebtedness of the Borrower or any Subsidiary outstanding on the Closing Date to the extent set forth on Schedule 6.01(b) hereto;

(c) Unsecured Indebtedness of the Borrower to any Subsidiary and of any Subsidiary to the Borrower or any other Subsidiary; *provided* such Indebtedness is subject to an

Intercompany Note and pledged by such party as Collateral pursuant to the Loan Security Documents;

(d) [reserved];

(e) Indebtedness of the Borrower or any Subsidiary in respect of Purchase Money Obligations and Capital Lease Obligations in a combined aggregate principal amount not to exceed \$10.0 million;

(f) Indebtedness and obligations of the Borrower or any Subsidiary in respect of letters of credit, bank guarantees and cash management obligations, including without limitation, letters of credit in respect of bid, performance or surety bonds, workers' compensation claims, health, disability or other benefits to former employees or their families or property, casualty or liability or self-insurance obligations and completion guarantees and bankers acceptances issued for the account of the Borrower or any Subsidiary in the ordinary course of business, provided that the aggregate principal amount of Indebtedness pursuant to this Section 6.01(f) outstanding at any time shall not exceed \$5.0 million;

(g) Contingent Obligations of (A) the Borrower or any Guarantor in respect of Indebtedness of the Borrower or any Subsidiary Guarantor, or (B) any Subsidiary that is not a Guarantor in respect of Indebtedness of any Subsidiary that is not a Guarantor, in each case so long as such Indebtedness is otherwise permitted under this covenant; *provided*, that if the applicable primary obligations are unsecured and/or subordinated to the Obligations, the applicable Contingent Obligations shall be unsecured and/or subordinated, as applicable, to the Obligations;

(h) Indebtedness of the Borrower or any Subsidiary arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within five Business Days of incurrence;

For purposes of determining compliance with this Section 6.01, in the event that an item of Indebtedness (including, for the avoidance of doubt, any portion thereof) meets the criteria of one or more of the categories of Permitted Debt described in Section 6.01(c) through 6.01(j), the Borrower may not divide, classify or reclassify or later divide, classify or reclassify (as if Incurred at such later time), such item of Indebtedness (including, for the avoidance of doubt, any portion thereof) in any manner. 6.01. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 6.01.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

Notwithstanding any other provision of this Section 6.01, the maximum amount of Indebtedness that the Borrower and the Guarantors may Incur pursuant to this Section 6.01 shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies.

(c) any Subsidiary may dissolve, liquidate or wind up its affairs at any time; *provided* that such dissolution, liquidation or winding up, as applicable, would not reasonably be expected to have a Material Adverse Effect and such Subsidiary contributes all of its assets (but not debts) to a Loan Party; and

(d) any Subsidiary that is not a Guarantor may amalgamate, merge or consolidate with or into, or sell all or substantially all of its assets to, the Borrower, any Guarantor, or any Subsidiary that is not a Guarantor so long as the Borrower or applicable Guarantor, in the case of a merger or consolidation with or into a Loan Party, is the surviving Person (and no debt is sold, assumed or otherwise Incurred by any Loan Party in connection therewith).

Section 6.19 Use of Collateral. Use Collateral, proceeds of Loans, any portion of the Carve-Out or any other amounts directly or indirectly:

Section 6.20 Use of Property; Rejection and Assumption of Contracts; Post-Filing Pleadings. On or after the Petition Date, without the Required Ad Hoc Holders’ prior written consent, file any motions or pleadings with the Bankruptcy Court (a) seeking authority for any Loan Party to (i) use any of the material properties or assets of the Loan Parties outside the ordinary course of business, (ii) satisfy prepetition claims of the Loan Parties or (iii) incur material administrative costs, in each case, to the extent such relief is inconsistent with this Agreement (including the Budget, subject to Permitted Variances), (b) seeking to reject or assume any contract, agreement, lease or other agreement to which any Loan Party is a party, or (c) seeking relief that is otherwise inconsistent with this Agreement or the DIP Orders or the DIP Recognition Orders.

Section 6.21 Restructuring Support Agreement. Without the prior written consent of the Required Ad Hoc Holders, (i) amend, restate, amend and restate or otherwise modify the Restructuring Support Agreement, (ii) waive any of its rights thereunder or (iii) consent to any deviation from the terms thereof.

ARTICLE 7 GUARANTEE

Section 7.01 The Guarantee. The Guarantors hereby jointly and severally guarantee, as a primary obligor and not as a surety to each Loan Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest on (including any interest, fees, costs or charges that would accrue but for the provisions of any Debtor Relief Law after the filing of the Cases or any other bankruptcy or insolvency petition under such

Debtor Relief Law) the Loans made by the Lenders to, and the Promissory Notes held by each Lender of, the Borrower, and all other Obligations from time to time owing to the Loan Secured Parties by any Loan Party under any Loan Document, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by required prepayment, declaration, demand, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 7.02 Obligations Unconditional. The obligations of the Guarantors under Section 7.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Requirements of Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement, the Promissory Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full in cash). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

- (i) at any time or from time to time, without notice to any Guarantors, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;
- (ii) any of the acts mentioned in any of the provisions of this Agreement or the Promissory Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;
- (iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;
- (iv) any Lien or security interest granted to, or in favor of, any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or
- (v) the release of any other Guarantor pursuant to Section 7.09.

The Guarantors hereby, to the fullest extent permitted by applicable Requirements of Law, expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Loan Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Promissory Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other Person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Loan Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Loan Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Loan Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Loan Secured Parties or any other Person at any time of any right or remedy against the Borrower or against any other Person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto and each Guarantor hereby expressly renounces all benefit of division or discussion. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 7.03 Reinstatement. The obligations of the Guarantors under this Article 7 shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of the Cases or any other proceedings in bankruptcy or reorganization or otherwise.

Section 7.04 Subrogation; Subordination. Each Guarantor hereby agrees that until the indefeasible payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 7.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party permitted pursuant to Section 6.01(c) shall be subordinated to such Loan Party's Obligations in the manner set forth in the Intercompany Note.

Section 7.05 Remedies. The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Promissory Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.01 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.01) for purposes of Section 7.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically

due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 7.01.

Section 7.06 Instrument for the Payment of Money. Each Guarantor hereby acknowledges that the guarantee in this Article 7 constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 7.07 Continuing Guarantee. The guarantee in this Article 7 is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 7.08 General Limitation on Guarantee Obligations. In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, the Cases or any other federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 7.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 7.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other Person, be automatically limited and reduced to the highest amount (after giving effect to the right of contribution established in Section 7.10) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding. Without limiting the generality of the foregoing, to the extent that Section 2.06(f) or Section 10.16 shall operate to adjust any amount or rate payable by any Canadian Loan Party to any Secured Party to the maximum permissible amount or rate, as the case may be, to ensure that the Obligations of the Canadian Loan Parties do not include any amount or rate that would result in a receipt by such Secured Party of “interest” at a “criminal rate” (as such terms are construed under the Criminal Code (Canada)), the Guaranteed Obligations of such Canadian Loan Party shall be deemed to be automatically limited and reduced with retroactive effect by a corresponding amount or rate, as the case may be, equal to such adjustment.

Section 7.09 Release of Guarantors. If, in compliance with the terms and provisions of the Loan Documents and the DIP Orders, all or substantially all of the Equity Interests of any Subsidiary Guarantor are sold or otherwise transferred (a “**Transferred Guarantor**”) to a Person or Persons, none of which is the Borrower or a Subsidiary, such Transferred Guarantor shall, upon the consummation of such sale or transfer, be automatically released from its obligations under this Agreement (including under Section 10.03 hereof) and its obligations to pledge and grant any Collateral owned by it pursuant to any Loan Security Document and the pledge of such Equity Interests to the Administrative Agent pursuant to the Loan Security Agreement or the Canadian Security Agreement, as applicable, shall be automatically released, and, so long as the Borrower shall have provided the Administrative Agent such certifications or documents as the Administrative Agent shall reasonably request, the Administrative Agent shall take such actions as are necessary to effect each release described in this Section 7.09 in accordance with the relevant provisions of the Loan Security Documents.

Section 7.10 Right of Contribution. Each Subsidiary Guarantor hereby agrees that to the extent that a Subsidiary Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against any other Subsidiary Guarantor hereunder which has not paid its proportionate share of such payment. Each Subsidiary Guarantor's right of contribution shall be subject to the terms and conditions of Section 7.04. The provisions of this Section 7.10 shall in no respect limit the obligations and liabilities of any Subsidiary Guarantor to the Administrative Agent and the Lenders, and each Subsidiary Guarantor shall remain liable to the Administrative Agent and the Lenders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

Section 7.11 Post-Petition Savings Clause. Notwithstanding anything herein to the contrary, to the extent the guaranty of the Guaranteed Obligations set forth in this Article 7 is interpreted in any Case to solely be a prepetition obligation, then such guaranty shall automatically be deemed to have been given on the Petition Date immediately after the filing of the applicable Cases.

ARTICLE 8 EVENTS OF DEFAULT

Section 8.01 Events of Default. Upon the occurrence and during the continuance of the following events ("**Events of Default**"):

(a) the Borrower defaults in the payment of (i) principal or premium, if any, of any Loan when due at its Stated Maturity, upon optional prepayment, upon required repayment, upon declaration of acceleration or otherwise or (ii) interest on any Loan or any fee or any other amount due hereunder or due and payable pursuant to the DIP Orders when the same becomes due and payable;

(c) the Borrower or any Guarantor shall fail to perform or comply with any term or condition contained herein or in any Loan Document or the Restructuring Support Agreement or any DIP Order or DIP Recognition Order (other than (x) those referred to in clauses (a) or (b) above and (y) the New MIP Milestone (as defined in the Restructuring Support Agreement)) beyond any applicable cure period provided therein, and such failure shall continue unremedied for a period of five (5) Business Days after the earlier of (i) receipt by the Borrower of notice from the Administrative Agent of such default and (ii) knowledge of a Responsible Officer of any Loan Party of such default;

(d) the Borrower or any Guarantor shall (i) fail to pay any principal or interest due in respect of any Indebtedness (other than the Obligations), when and as the same shall become due and payable beyond any applicable grace period, or (ii) fail to observe or perform any other

term, covenant, condition or agreement contained in any agreement or instrument evidencing or governing any such Indebtedness if the effect of any failure referred to in this Section 8.01(d)(ii) is to cause, or to permit the holder or holders of such Indebtedness or a trustee or other representative on its or their behalf (with or without the giving of notice, the lapse of time or both) to cause, such Indebtedness to become due prior to its Stated Maturity or become subject to a mandatory offer purchase by the obligor; *provided* that it shall not constitute an Event of Default pursuant to this Section 8.01(d) unless the aggregate amount of all payments on such Indebtedness referred to in clause (i) and the aggregate amount of Indebtedness referred to in clause (ii) exceeds \$10 million at any one time; *provided* that, notwithstanding the foregoing, this clause (b) shall not apply to any Prepetition Indebtedness that is stayed as a result of the Cases;

(e) Any representation, warranty, stipulation, certification or other statement made or deemed made by any Loan Party (or Responsible Officer thereof) in any Loan Document or any DIP Order or any statement, report or certificate delivered in connection with any Loan Document or any DIP Order shall be false in any material respects (except that such materiality qualifier shall not be applicable to any representation, warranty, stipulation, certification or other statement that is already qualified or modified as to “materiality” or “Material Adverse Effect” in the text thereof);

(f) except for any order fixing the amount of any claim in the Cases, one or more judgments, orders or decrees for the payment of money in an aggregate amount in excess of \$15.0 million shall be rendered against the Borrower or any Guarantor or any combination thereof and the same shall remain undischarged, unvacated or unbonded for a period of 30 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to levy upon properties of the Borrower or any Guarantor to enforce any such judgment;

(i) any Loan Document or any material provisions thereof shall at any time and for any reason be declared by a court of competent jurisdiction to be null and void, or a proceeding

shall be commenced by the Borrower or any Guarantor or any other Person, or by any Governmental Authority, seeking to establish the invalidity or unenforceability thereof (exclusive of questions of interpretation of any provision thereof), or the Borrower or any Guarantor shall repudiate or deny any portion of its liability or obligation for the Obligations;

(j) commencement of ancillary insolvency proceedings, other than the Recognition Proceedings, in applicable foreign jurisdictions with respect to any Loan Party and the entry of applicable recognition, administrative, and substantive orders by the applicable court, in each case without prior consent of the Required Lenders or on terms not satisfactory to the Required Lenders; *provided* that no Event of Default shall occur under this Section 8.01(j) if such proceeding would not reasonably be expected to have a Material Adverse Effect or cause a material delay of the Cases;

(k) actual or asserted (by any Loan Party) invalidity or impairment of any Loan Document (including the failure of any Liens purported to be created by any Loan Security Document or the DIP Orders or the DIP Recognition Orders on any material portion of the Collateral to remain or otherwise become perfected);

(xiii) without the prior written consent of the Required Lenders, the entry of an order in any of the Cases seeking authority to use Cash Collateral or to obtain financing under Section 364 of the Bankruptcy Code;

(xiv) [reserved];

(xv) the consummation of any sale of all or substantially all assets of the Loan Parties pursuant to Section 363 of the Bankruptcy Code, or the use of cash collateral under Section 363(c) of the Bankruptcy Code, in each case unless otherwise consented to by the Required Lenders;

(xvi) the Loan Parties' filing of (or supporting another party in the filing of) a motion seeking entry of, or the entry of an order, granting any superpriority claim or Lien (except as contemplated herein) which is senior to or pari passu with the Lenders' claims under the Loan Documents, the Prepetition Debt Documents and the transactions contemplated thereby;

(xvii) payment of or granting adequate protection with respect to prepetition debt, other than as expressly set forth in the Budget;

(xviii) except as otherwise provided in the Interim DIP Order or the Final DIP Order, any of the Loan Parties seek or if there is entered, an order under Section 365 of the Bankruptcy Code rejecting a material lease (i) to which any Loan Party is a party, and (ii) that is part of (or whose premises contain any of) the Collateral;

(xix) cessation of the Liens or the DIP Superpriority Claims to be valid, perfected and enforceable in all respects;

(xxiv) a Change of Control shall occur;

(m) any of the Loan Parties shall (i) use Cash Collateral or Loans for any item other than those set forth in, and in accordance with, the Budget or prepay any pre-petition debt (other than to the extent explicitly permitted herein or with the express prior written consent of the Required Ad Hoc Holders), (ii) assert any right of subrogation or contribution against any other Loan Party prior to the payment in full in cash of the Obligations and the Prepetition Secured Obligations, or (iii) permit (or otherwise allow to exist) any Variance in any Testing Period that is not a Permitted Variance (other than as approved in writing by the Required Lenders);

(n) failure to pay, when due, any adequate protection payments to the Prepetition Lenders and Holders, to the extent approved by the Bankruptcy Court;

(o) if a Loan Party or any of its Subsidiaries is enjoined, restrained, or in any way prevented by court order from continuing to conduct all or any material part of the business affairs of the Loan Parties and their Subsidiaries, taken as a whole;

(p) the Loan Parties or any of their Subsidiaries shall fail to comply with the terms of the Interim DIP Order or the Final DIP Order or Interim DIP Recognition Order or Final DIP Recognition Order or any "Event of Default" thereunder shall have occurred and be continuing;

(q) the Borrower shall file (or fail to oppose) any motion seeking an order authorizing the sale of all or substantially all of the assets of the Loan Parties (unless (i) in connection with an Acceptable Plan to the extent explicitly provided for in such Acceptable Plan or (ii) such sale would result in the repayment in full in cash of all Obligations and all Prepetition Secured Obligations upon consummation thereof, except as otherwise agreed to by the Required Lenders);

(r) any of the following shall occur with respect to any Property of any Loan Party or any of their respective Subsidiaries with a fair market value in excess of \$15.0 million in aggregate: (a) any loss, destruction or damage of such Property or (b) any actual condemnation, seizure or taking, by exercise of the power of eminent domain or otherwise, of such Property, or confiscation of such Property or the requisition of the use of such Property; or

(s) the Bankruptcy Court shall cease to have exclusive jurisdiction with respect to all matters relating to the exercise of rights and remedies under the Loan Documents, the DIP Orders, the Liens granted under the Loan Security Documents and the Collateral (other than as may be provided for in the Recognition Proceedings);

then, and in every such event and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate forthwith the Commitments and (ii) declare the Loans and other Obligations then outstanding to be forthwith due and payable in whole or in part, whereupon the principal amount of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued fees, and all other Obligations of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower and the Guarantors, notwithstanding anything contained herein or in any other Loan Document or in the DIP Orders or DIP Recognition Orders to the contrary.

Without further notice, application or order of the Bankruptcy Court, and unless otherwise ordered by the Bankruptcy Court, upon the occurrence and during the continuance of an Event of Default, and after providing not less than two (2) Business Days' advance written notice thereof, which notice may be by electronic mail, to counsel to the Debtors, the U.S. Trustee, counsel to the Information Officer, and counsel to any official committee of unsecured creditors appointed in the Cases pursuant to section 1102 of the Bankruptcy Code (the "**Committee**"), the Collateral Agent (at the direction of the Required Lenders) for the benefit of itself and the Lenders shall be entitled to take any action and exercise all rights and remedies provided to them by the Interim DIP Order, the Final DIP Order, the DIP Recognition Orders, this Agreement or any other Loan Document, or applicable law as the Collateral Agent (at the direction of the Required Lenders) may deem appropriate in their sole discretion to, among other things, proceed against and realize upon the Collateral or any other assets or properties of the Debtors' estates upon which the Collateral Agent, for the benefit of itself and the Lenders, has been or may hereafter be granted liens or security interests to obtain the payment in full of the Obligations.

Neither the Loan Parties, the Committee, nor any other party-in-interest shall have the right to contest the enforcement of remedies set forth in the DIP Orders, DIP Recognition Orders and the

Loan Documents on any basis other than an assertion that an Event of Default has not occurred or has been cured within the cure periods expressly set forth in the applicable Loan Documents. The Loan Parties shall cooperate fully with the Agents and the Lenders in their exercise of rights and remedies, whether against the Collateral or otherwise. The Loan Parties hereby waive any right to seek relief under the Bankruptcy Code, including under Section 105 thereof, to the extent such relief would restrict or impair the rights and remedies of the Agents and the Lenders set forth in the DIP Orders, DIP Recognition Orders and in the Loan Documents.

In case any one or more of the covenants and/or agreements set forth in this Agreement or any other Loan Document shall have been breached by any Loan Party, then the Agents or any Lender may proceed to protect and enforce the Lenders' rights either by suit in equity and/or by action at law, including an action for damages as a result of any such breach and/or an action for specific performance of any such covenant or agreement contained in this Agreement or such other Loan Document. Without limitation of the foregoing, the Borrower agrees that failure to comply with any of the covenants contained herein will cause irreparable harm and that specific performance shall be available in the event of any breach thereof. The Agents and any Lender acting pursuant to this paragraph shall be indemnified by the Borrower against all liability, loss or damage, together with all reasonable costs and expenses related thereto (including reasonable legal and accounting fees and expenses) in accordance with Section 10.03.

Notwithstanding the foregoing, the Required Ad Hoc Holders in their sole discretion may waive (in writing) the occurrence and continuance of any Event of Default on a retroactive basis, including interest accruing at the Default Rate.

Section 8.02 Application of Proceeds. The proceeds received by the Administrative Agent or Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral pursuant to the exercise by the Administrative Agent or Collateral Agent of its remedies shall be applied, in full or in part, together with any other sums then held by the Administrative Agent or Collateral Agent pursuant to this Agreement, promptly by the Administrative Agent or Collateral Agent as follows:

(a) *First*, to the payment of all reasonable costs and expenses, fees, commissions and taxes of such sale, collection or other realization including compensation to the Administrative Agent and the Collateral Agent and their respective agents and counsel, and all expenses, liabilities and advances made or incurred by the Administrative Agent or the Collateral Agent in connection therewith and all amounts for which the Administrative Agent and Collateral Agent are entitled to indemnification pursuant to the provisions of any Loan Document, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(b) *Second*, to the payment of all other reasonable costs and expenses of such sale, collection or other realization including compensation to the other Loan Secured Parties and their agents and counsel (including Kirkland & Ellis LLP, Sidley Austin LLP, Blake, Cassels & Graydon LLP, Foley & Lardner LLP and Wiley Rein LLP) and all costs, liabilities and advances made or incurred by the other Loan Secured Parties in connection therewith, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(c) *Third*, without duplication of amounts applied pursuant to clauses (a) and (b) above, to the indefeasible payment in full in cash, pro rata, of interest and other amounts constituting Obligations (other than principal), in each case equally and ratably in accordance with the respective amounts thereof then due and owing;

(d) *Fourth*, to the indefeasible payment in full in cash, pro rata, of the amount of the Obligations constituting principal on the Loans; *provided*, that such prepayment shall be allocated between the DIP New Money Loans and the Roll-Up Loans in accordance with Section 2.10(h) (as if such payment was a prepayment); and

(e) *Fifth*, the balance, if any, to the Person lawfully entitled thereto (including the applicable Loan Party or its successors or assigns) or as a court of competent jurisdiction may direct.

In the event that any such proceeds are insufficient to pay in full the items described in clauses (a) through (e) of this Section 8.02, the Loan Parties shall remain liable, jointly and severally, for any deficiency.

Section 8.03 Government Approval. Notwithstanding anything to the contrary contained herein or in any other Loan Document, any foreclosure on, sale, transfer or other disposition of any Collateral or any other action taken or proposed to be taken hereunder that would affect the operational, voting, or other control of any Loan Party or affect the ownership of the Communications Licenses, the One Dot Six Lease or any company holding the Communications Licenses or the One Dot Six Lease shall be pursuant to the Communications Laws and, if and to the extent required thereby, subject to the prior consent of the FCC, ISED, the CRTC or any other applicable Governmental Authority. Notwithstanding anything to the contrary contained herein, the Administrative Agent and the Lenders shall not take any action pursuant hereto or under any other Loan Document that would constitute or result in any assignment of the Communications Licenses or the One Dot Six Lease or transfer of control or voting rights of any Loan Party or any company holding the Communications Licenses or One Dot Six Lease if such assignment or transfer of control or voting rights would require, under then-existing law (including Communications Laws), the prior approval of the FCC, ISED, the CRTC or any other applicable Governmental Authority, without first obtaining such approval of the FCC, ISED, the CRTC or such other Governmental Authority. Each Loan Party agrees to take any lawful action which the Administrative Agent may request in order to obtain and enjoy the full rights and benefits granted to the Administrative Agent and the Loan Secured Parties by this Agreement, including specifically, after the occurrence and during the continuance of an Event of Default, the use of such Loan Party's best efforts to assist in obtaining any approval of the FCC, ISED, the CRTC and any other Governmental Authority that is then required under Communications Laws or under any other law for any action or transaction contemplated by this Agreement or the other Loan Documents, including, without limitation, the sale or transfer of Collateral. Such efforts shall include, to the extent permitted by the Communications Laws, sharing with Administrative Agent any FCC registration numbers, account numbers and passwords for the FCC's electronic filing system, as well as any account numbers, user names and passwords for ISED's Spectrum Management System and for the CRTC's Industry Data Collection System, and preparing, certifying and filing (or causing to be prepared, certified and filed) with the FCC, ISED, the CRTC or any other applicable Governmental Authority any portion of any application or applications for

consent to the assignment of the Communications Licenses or transfer of control of any Loan Party required to be filed under Communications Laws for approval of any sale or transfer of Collateral and/or the Communications Licenses.

ARTICLE 9 THE ADMINISTRATIVE AGENT

Section 9.01 Appointment and Authority. Each Lender hereby irrevocably appoints the Administrative Agent and Collateral Agent (together, for purposes of this Article 9, the “**Agent**”) its agent, and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, each Lender hereby authorizes the Administrative Agent to consent, on behalf of each Lender, to the Interim DIP Order and the Final DIP Order (so long as such Interim DIP Order and Final DIP Order have been approved in writing (which approval may be via email) by the Required Lenders (or their counsel(s) on their behalf) as of the applicable date), each to be negotiated between the Loan Parties, the Agent, the Lenders, certain other parties and the statutory committees appointed pursuant to sections 327 and 1103 of the Bankruptcy Code. The provisions of this Article 9 are solely for the benefit of the Agent and the Lenders, and neither the Borrower nor any other Loan Party shall have any rights as a third-party beneficiary of any such provisions. In performing its functions and duties hereunder, the Agent shall act solely as an agent of Lenders (or applicable Secured Party) and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for any Loan Party. It is understood and agreed that the use of the term “Agent” or “agent” herein or in any other Loan Documents (or any other similar term) with reference to an Agent, is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between the contracting parties. Without limiting the generality of the foregoing, the Agent is hereby expressly authorized to (a) execute any and all documents (including releases) with respect to the Collateral and the rights of the Loan Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Loan Security Documents and (b) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

Section 9.02 Rights of a Lender. The institution serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender, and may exercise the same as though it were not an Agent, and such bank and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not an Agent hereunder. The Lenders acknowledge that, pursuant to such activities, any Agent (acting in capacities other than as Agent) or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent (acting in capacities other than as Agent) shall be under any obligation to provide such information to them.

Section 9.03 Exculpatory Provisions. The Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents, and its duties hereunder shall be solely administrative in nature. Without limiting the generality of the foregoing, (a) the Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing, (b) the Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is instructed in writing to exercise as directed in writing by the Required Lenders or the Required Ad Hoc Holders, as applicable (or such other number, percentage or composition of the Lenders as shall be necessary under the circumstances as provided in Section 10.02), provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of any automatic stay under any Debtor Relief Law or any other aspect of any applicable Debtor Relief Law and (c) except as expressly set forth in the Loan Documents, the Agent shall not have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders, or such other number or percentage of the Lenders as shall be necessary or as such Agent shall in good faith believe to be necessary under the circumstances as provided in Section 10.02, or in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is given to such Agent by the Borrower or a Lender in accordance with Section 10.01 hereof, and the Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, recital, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection, or priority of Liens on the Collateral or the existence of the Collateral (for the avoidance of doubt, other than inquiries as to Collateral in an Agent's possession), or (vi) the satisfaction of any condition set forth in Article 4 or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent. The Agent will not be responsible or liable for any action taken or omitted to be taken by it hereunder or under any Loan Document, except for its own gross negligence or willful misconduct, in ease case as determined by a final, non-appealable order by a court of competent jurisdiction. Without limiting the foregoing, except for action expressly required of the Agent hereunder or under any Loan Document, the Agent shall in all cases be fully justified in failing or refusing to act hereunder and thereunder unless it shall receive indemnity and security satisfactory to it against any and all liability or expense that may be incurred by it by reason of taking or continuing to take any such action. The Agent shall not be liable for any error of judgment, or for any act done or step taken or omitted by it in good faith or for any mistake in act or law, or for anything which it may do or refrain from doing in connection herewith, in each case except for its own gross negligence or willful misconduct. The Agent will not be required to take any action (including any action at the direction of the Required Lenders), to advance or

expend any funds or otherwise incur any financial liability in the performance of its duties or the exercise of its power or rights hereunder unless it has been provided with security or indemnity reasonably satisfactory to it against any and all liability or expense which may be incurred by it by reason of taking or continuing to take such action. For purposes of clarity, and without limiting any rights, protections, immunities or indemnities afforded to either Agent hereunder (including without limitation this Article 9), phrases such as “satisfactory to the Agent,” “approved by the Agent,” “acceptable to the Agent,” “as determined by the Agent,” “in the Agent’s discretion,” “selected by the Agent,” “elected by the Agent,” “requested by the Agent,” and phrases of similar import that authorize and permit an Agent to approve, disapprove, determine, act or decline to act in its discretion shall be subject to such Agent receiving written direction from the Required Lenders or the Required Ad Hoc Holders, as applicable (or such other number, percentage or composition of the Lenders as expressly required hereunder or under the other Loan Documents) to take such action or to exercise such rights.

Section 9.04 Reliance by Agent. The Agent shall be entitled to seek and rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Agent may presume that such condition is satisfactory to such Lender unless the Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Whenever in the administration of this Agreement, the Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Agent may conclusively rely upon instructions from the Required Lenders.

The Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders or the Required Ad Hoc Holders, as applicable (or such greater number or different composition of Lenders as may be expressly required hereby in any instance).

Section 9.05 Delegation of Duties. The Agent may perform any and all its duties and exercise its rights and powers by or through any one or more subagents, attorneys, accountants, appraisers or other experts or advisors selected by it in good faith as it may reasonably require and will not be responsible for any misconduct or gross negligence on the part of any of them. The Agent and any such subagent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such subagent and to the Related Parties of each Agent and any such subagent, and shall apply to their respective activities in connection with the syndication of the facilities hereunder as well as activities as Agent. Notwithstanding anything herein to the contrary, with respect to each sub agent appointed by an Agent, such sub agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including

exculpatory rights and rights to indemnification) and shall have all of the rights and benefits of a third party beneficiary.

Section 9.06 Resignation of the Agent. Subject to the appointment and acceptance of a successor Agent as provided below, the Agent may resign at any time by notifying the Lenders and the Borrower, and the Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Borrower and the Agent and signed by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation or receives notice of its removal, (or such earlier day as shall be agreed by the Required Lenders) (the “**Resignation Effective Date**”), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent which shall be a bank (or another Person (other than the Loan Parties or any Affiliate thereof) that in its ordinary course of business serves as administrative agent and collateral agent for credit facilities of this type) with an office in New York, New York, or an Affiliate of any such bank. If no successor Agent has been appointed pursuant to the immediately preceding sentence by the Resignation Effective Date, such Agent’s resignation or removal shall become effective and the Required Lenders shall thereafter perform all the duties of such Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent, as the case may be. Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. The Administrative Agent fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After an Agent’s resignation or removal hereunder, the provisions of this Article 9 and Section 10.03 shall continue in effect for the benefit of such retiring Agent, its subagents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

Section 9.07 Non-Reliance on Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

Section 9.08 Agent May File Proofs of Claim.

(a) In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any of the Debtors, the Agent (irrespective of whether the principal of any Loan or Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file a verified statement pursuant to rule 2019 of the Federal Rules of Bankruptcy Procedure that, in its sole opinion, complies with such rule's disclosure requirements for entities representing more than one creditor;

(ii) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agent and their respective agents and counsel and all other amounts due the Lenders and the Agent under Sections 2.05 and 10.03) allowed in such judicial proceeding; and

(iii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Agent and, in the event that the Agent shall consent to the making of such payments directly to the Lenders, to pay to the Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agent and its agents and counsel, and any other amounts due the Agent under Sections 2.05 and 10.03. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Agent and its respective agents and counsel, and any other amounts due to Agent under this Agreement out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders may be entitled to receive in such proceeding whether in liquidation or any plan of reorganization or arrangement or otherwise.

(b) Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding (unless such Lender explicitly directs in writing the Administrative Agent to so vote its claim).

Section 9.09 Collateral and Guarantee Matters.

(a) The Lenders irrevocably authorize the Agent, at its option and in its sole discretion:

(i) to release any Lien on any property granted to, or held by, the Agent under any Loan Document (x) on or after the date that the Obligations (other than contingent indemnity and expense reimbursement obligations as to which no claim has been made) have been indefeasibly paid in full in cash and the Commitments have been terminated, (y) with respect to any property that is sold or otherwise

disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Loan Documents and the DIP Orders or (z), if approved, authorized or ratified in writing by the Required Lenders (or such other number of Lenders as shall be required hereunder); and

(ii) to release any Subsidiary from its obligations under the Loan Documents if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Loan Documents and the DIP Orders.

(b) Upon request by the Agent at any time, the Required Lenders will confirm in writing, the Agent's authority to release its interest in particular types or items of property, or to release any Subsidiary from its obligations under the Loan Documents pursuant to this Section 9.09.

(c) The Agent shall not be responsible for, or have a duty to, ascertain or inquire into any representation or warranty regarding the existence, value or collectability of any Collateral, the existence, priority or perfection of the Collateral or the Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Section 9.10 Not Partners or Co-Venturers; Administrative Agent as Representative of the Secured Parties.

(a) The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Administrative Agent) authorized to act for, any other Lender. In its capacity, the Administrative Agent is a "representative" of the Secured Parties within the meaning of the term "secured party" as defined in the New York Uniform Commercial Code. Each Lender authorizes the Administrative Agent to enter into each of the Collateral Documents to which it is a party and to take all action contemplated by such documents. To the extent there is an Administrative Agent and a Collateral Agent at such time, each Lender agrees that no Secured Party (other than the Administrative Agent and the Collateral Agent) shall have the right individually to seek to realize upon the security granted by any Collateral Document, it being understood and agreed that such rights and remedies may be exercised solely by the Administrative Agent and the Collateral Agent for the benefit of the Secured Parties upon the terms herein and the other applicable Loan Documents; *provided*, that the Administrative Agent and the Collateral Agent shall follow the written direction of the Required Lenders in respect of such rights and remedies. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Secured Obligations, the Collateral Agent is hereby authorized to execute and deliver for the benefit of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Collateral Agent for the benefit of the Secured Parties.

Section 9.11 Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, or any Person who has received funds on behalf of a Lender (any such Lender or other recipient, a "**Payment Recipient**")

that the Administrative Agent has determined in its sole discretion that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “**Erroneous Payment**”) and demands the return of such Erroneous Payment (or a portion thereof) (provided that, without limiting any other rights or remedies (whether at law or in equity), the Administrative Agent may not make any such demand under this clause (a) with respect to an Erroneous Payment unless such demand is made within five Business Days of the date of receipt of such Erroneous Payment by the applicable Payment Recipient), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two (2) Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including such second Business Day until the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by any Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from or on behalf of any Borrower or any other Loan Party (including from the proceeds of any Collateral) for the purpose of making such Erroneous Payment.

Notices delivered through Electronic Systems, to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by using Electronic Systems pursuant to procedures approved by the Administrative Agent; *provided* that the foregoing shall not apply to notices pursuant to Article 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient, at its e-mail address as described in the foregoing clause (i), of notification that such notice or communication is available and identifying the website address therefor; *provided* that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice or

(c) Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. (i) The Borrower agrees that the Administrative Agent may, but shall not be obligated to, make Communications (as defined below) available to the other Lenders by posting the Communications on Debt Domain, Intralinks, Syndtrak, ClearPar or a substantially similar Electronic System.

(ii) Any Electronic System used by the Administrative Agent is provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the adequacy of such Electronic Systems and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. In no event shall the Administrative Agent or any of its Related Parties (collectively, the “**Agent Parties**”) have any liability to the Borrower or the other Loan Parties, any Lender or any other Person or entity for damages of any kind, including, without limitation, direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of any Loan Party’s or the Administrative Agent’s transmission of communications through an Electronic System. “**Communications**” means, collectively, any notice, demand, communication, information, document or other material provided by or on behalf of any Loan Party pursuant to any Loan Document or the transactions contemplated therein which is distributed by the Administrative Agent or any Lender by means of electronic communications pursuant to this Section, including through an Electronic System.

Section 10.02 Waivers; Amendment.

(a) *Generally.* No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

(b) *Required Consents.* Subject to Sections 2.01(d)(iii), 2.01(f)(ix), 10.02(c), (d) and (e), neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended, supplemented or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, the Guarantors and the Administrative Agent or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are party thereto, in each case with the written consent of the Required Lenders; *provided* that no such agreement shall be effective if the effect thereof would:

(i) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that no amendment, modification, termination, waiver or consent with respect to any condition precedent, covenant or Default shall constitute an increase or extension in the Commitment of any Lender);

(ii) except as set forth in Section 2.06(f), reduce the principal amount or premium, if any, of any Loan or reduce the rate of interest thereon (other than reduction of Default Rate pursuant to Section 2.06(b)), or reduce any fees payable hereunder, or change the form or currency of payment of any Obligation, without the written consent of each Lender directly affected thereby;

(iii) (A) change the scheduled final maturity of any Loan (other than as set forth in the definition of “Maturity Date”), (B) postpone the date for payment or capitalization of any interest, premium or fees payable hereunder or (C) reduce the amount of, waive or excuse any such payment or accrual (other than waiver of any increase in the interest rate pursuant to Section 2.06(b)), in any case, without the written consent of each Lender directly affected thereby; *provided* that waiving or excusing, in whole or in part, any prepayment or repayment pursuant to Section 2.10(c) shall not be subject to this clause (iii);

(iv) permit the assignment or delegation by the Borrower of any of its rights or obligations under any Loan Document, without the written consent of each Lender (such consent not to be unreasonably withheld, conditioned or delayed);

(v) [reserved];

(vi) change Sections 2.10(h), 2.14(b), (c) or (d) or 8.02 in a manner that would alter the pro rata sharing of payments or setoffs or application of proceeds required thereby or any other provision in a manner that would alter the pro rata allocation or application of proceeds among the Lenders of payments in respect of the Loans, without the written consent of each Lender;

(vii) change any provision of this Section 10.02(b) or Section 10.02(c) or (d) or any of the defined terms used in such Sections in a manner that would have the effect of changing the provisions of such Sections, without the written consent of each Lender directly affected thereby;

(viii) change the percentage or any exclusion or restriction set forth in (x)(A) the definition of “Required Lenders” without the written consent of each Lender, (B) the definition of “Required Ad Hoc Holders” without the written consent of the Ad Hoc First Lien Group and the Ad Hoc Cross-Holder Group, (C) the definition of “Cerberus Lenders” without the written consent of all Cerberus Lenders (but no other Person), (D) the definition of “Fortress Lenders” without the written consent of all Fortress Lenders (but no other Person) or (y) any other provision of any Loan Document (including this Section) specifying the number or percentage of Lenders (including without limitation the Required Lenders and the Required Ad Hoc Holders) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender;

(ix) [reserved];

(x) [reserved];

(xi) modify Section 2.10(g) or (h), without the written consent of each Lender adversely affected thereunder;

(xii) change or waive any provision of Article 9 as the same applies to the Administrative Agent, or any other provision hereof as the same applies to the rights or obligations of the Administrative Agent, in each case without the written consent of the Administrative Agent; or

(xiii) change or waive the definition of Permitted Holders, without the written consent of each Permitted Holder that is a party hereto.

Notwithstanding anything to the contrary herein, any Loan Document may be waived, amended, supplemented or modified pursuant to an agreement or agreements in writing entered into by the Borrower and the Administrative Agent (without the consent of any Lender) solely to cure any manifest mistake, defect or error or to grant a new Lien for the benefit of the Loan Secured Parties or extend an existing Lien over additional property.

(c) *Collateral.* Without the consent of any other Person, the applicable Loan Party or Loan Parties, the Administrative Agent and/or the Collateral Agent may (in its or their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Loan Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Loan Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law.

(d) *Incremental Amendments.* Notwithstanding anything in this Agreement or any other Loan Document to the contrary (including, without limitation, the foregoing provisions of this Section 10.02), with the written consent of the Required Lenders this Agreement and the other Loan Documents may be amended to effect an Increase Joinder (and the corresponding

Incremental Facility) pursuant to Section 2.18 (and the Required Lenders and the Borrower may effect such amendments to this Agreement and the other Loan Documents without the consent of any other party, as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the terms of any such Increase Joinder (and the corresponding Incremental Facility)).

Section 10.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrower and each Guarantor agrees to jointly and severally pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent and the Lenders, including the fees, charges and disbursements of any counsel for the Administrative Agent, the Collateral Agent and/or any Lenders (including for any DIP Secured Party Advisors) in connection with (i) the negotiation, preparation, execution, delivery and administration of this Agreement and the other Loan Documents and any consents, amendments, waivers or other modifications hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), including in connection with post-closing searches to confirm that security filings and recordations have been properly made, (ii) the creation, perfection or protection of the Liens under the Loan Documents (including all reasonable search, filings and recording fees, expenses, stamp, documentary or similar taxes, and title insurance premiums) and (iii) the Cases and any other legal proceeding relating to or arising out of the DIP Facility or the other transactions contemplated by the Loan Documents. The Borrower shall pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Collateral Agent and the Lenders in connection with the enforcement or protection of its rights in connection with this Agreement, including enforcement of this Section 10.03, and the Loans hereunder, including all reasonable and documented out-of-pocket expenses incurred by each of the Administrative Agent, the Collateral Agent and the Lenders during any workout, restructuring or negotiations in respect of such Loans in connection with such enforcement or protection of rights (but excluding fees and expenses of financial advisors and other similar professionals); *provided* that the reimbursement of any fees, charges or disbursements of counsel shall be limited to one counsel to the Administrative Agent, one counsel to the Collateral Agent and no more than two firms of counsel to the Lenders (which counsel shall be designated by the Administrative Agent or the Required Lenders, as applicable (and in the case of the Lenders shall initially be Kirkland & Ellis LLP and Sidley Austin LLP)) (and (x) appropriate local counsel in applicable local jurisdictions, but limited to one local counsel for the Administrative Agent, one local counsel for the Collateral Agent and one counsel to the Lenders, in each such jurisdiction (which counsel shall be designated by the Administrative Agent or the Required Lenders, as applicable), (y) regulatory counsel, limited to one local counsel for the Administrative Agent, one local counsel for the Collateral Agent and one counsel to the Lenders, in each such jurisdiction (which counsel shall be designated by the Administrative Agent or the Required Lenders, as applicable) and (z) solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction or regulatory counsel for the Administrative Agent and one additional counsel in each relevant jurisdiction or regulatory counsel for each group of similarly situated Lenders).

(b) The Borrower and each Guarantor shall jointly and severally indemnify the Administrative Agent, Collateral Agent and each Lender, each Backstop Lender (including, other than in the case of subclause (v) below, as a Prepetition Lender and Holder) and each Related Party of any of the foregoing Persons (each such Person being called an “**Indemnitee**”) against, and

hold each Indemnitee harmless from, any and all actual losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of one counsel for all Indemnitees, taken as a whole (which counsel shall be designated by Indemnitees holding a majority of the aggregate principal amount of Loans held by all Indemnitees) (and one additional counsel for each of the Administrative Agent and the Collateral Agent) (and solely in the case of a conflict of interest, one additional counsel for all similarly situated Indemnitees, taken as a whole (which counsel shall be selected by similarly situated Indemnitees holding a majority of the aggregate principal amount of Loans held by all similarly situated Indemnitees)), incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or the consummation of the Transactions or any other transactions contemplated hereby, including enforcement of this Section 10.03, (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on, at, in or from any property owned, leased, licensed or operated by the Borrower or any of its Subsidiaries, or any Environmental Claim related in any way to the Borrower or any of its Subsidiaries, (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto or (v) the Cases, the Recognition Proceedings, or any related cases in any other jurisdiction; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (i) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith, willful misconduct or a material breach of the obligations under Section 2.01 or Section 2.02 by such Indemnitee and (y) to the extent arising from any dispute solely among Indemnitees other than (i) any claims against the Administrative Agent and/or the Collateral Agent acting in such capacity or in fulfilling such role or any similar role under this Agreement and (ii) any claims arising out of any act or omission on the part of the Borrower or its Subsidiaries. This Section 10.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent in its capacity as such.

(d) To the extent permitted by applicable law, no party hereto shall assert, and each such party hereby waives, any claim against any other party, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof; *provided* that, nothing in this clause (d) shall relieve the Borrower of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(e) All amounts due under this Section 10.03 shall be payable promptly after written demand therefor.

Section 10.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower or any other Loan Party without such consent shall be null and void) and (ii) no Lender may consummate any Transfer of Loans or any of its rights or obligations hereunder except in accordance with this Section 10.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in Section 10.04(b)(ii), any Lender may assign to a Lender, an Affiliate of a Lender, a Participant or any other Person that is an Eligible Assignee (and any attempted assignment or transfer to a Person that is not an Eligible Assignee shall be null and void) all or a portion of its rights and obligations under this Agreement as a Lender (including all or a portion of its Commitments and Loans at the time owing to it), in each case (other than any assignment consummated pursuant to the Syndication Transactions), with the prior written consent of:

(A) [reserved]; and

(B) the Administrative Agent, which consent shall not be unreasonably withheld, conditioned or delayed; *provided* that with respect to any assignment by a Lender to an Affiliate of such Lender or an Approved Fund of such Lender, such consent shall be deemed given so long as both parties to the assignment have complied with the other provisions set forth herein and the Administrative Agent has completed “know-your-customer” and other verifications required by law with respect to the assignee.

(ii) Any such assignments (which, for the avoidance of doubt, shall not include any assignment consummated pursuant to the Syndication Transactions) shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s applicable Commitment or Loans, the amount of the applicable Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1,000,000; *provided* that

simultaneous assignments by, or to, two or more Approved Funds shall be combined for purposes of determining whether the minimum assignment requirement is met;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall (A) execute and deliver to the Administrative Agent and the Borrower an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent or (B) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Assumption, in each case, together with a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(D) the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent and the Borrower an Administrative Questionnaire in which the assignee designates one or more contacts (as defined in the Administrative Questionnaire) to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws and all applicable tax forms;

(E) the Assignment and Assumption will include a representation from the assignee thereunder that such assignee is an Eligible Assignee;

(F) no assignment may be made prior to the DIP Second Funding Date other than an assignment by a Lender to an Affiliate of such Lender or an Approved Fund of such Lender unless waived by the Required Ad Hoc Holders in their sole discretion;

(G) [reserved]; and

(H) for the avoidance of doubt, no Loans or Commitments may be assigned to the Borrower or any of its Subsidiaries, any Affiliate of the Borrower, or to any natural Person (or a holding company, investment vehicle or trust for, owned and operated for the primary benefit of a natural Person).

Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or potential Lender or any Participant or potential Participant is an Eligible Assignee, the Administrative Agent shall have no liability with respect to any assignment made to a Person

that is not an Eligible Assignee and the Administrative Agent shall have no responsibility or obligation with respect to provisions concerning Affiliate Lenders, including without limitation Section 10.04(b)(ii)(F). Any assigning Lender shall, in connection with any potential assignment, provide to the Borrower a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not an Event of Default has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to Section 10.04(b)(iv), from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.12, Section 2.15 and Section 10.03 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement as a Lender that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.04(c), to the extent such participation is permitted by Section 10.04(c).

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 10.04(b) and any written consent to such assignment required by Section 10.04(b) and any applicable tax forms, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; *provided* that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to, Section 2.02(b), Section 2.14(d) or Section 10.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register

unless and until such payment shall have been made in full, together with all accrued interest thereon; *provided*, further, that in the case of any assignment consummated pursuant to the Syndication Transactions the Administrative Agent shall accept such assignments, and record the applicable information in respect thereof, upon the consummation thereof in accordance with Section 2.01(f). No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may sell participations to one or more banks or other entities that are Eligible Assignees and not the Borrower, Subsidiaries or other Affiliates of the Borrower (a “**Participant**”) in all or a portion of such Lender’s rights and obligations under this Agreement with respect to Loans and/or related Commitments; (B) such Lender’s obligations under this Agreement shall remain unchanged; (C) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; (D) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement; and (E) no participations may be sold or otherwise transferred to any Person that is not an Eligible Assignee. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement, in each case, to the extent provided for herein; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant (such consent not to be unreasonably withheld, conditioned or delayed), agree to any amendment, modification or waiver (1) described in clause (i), (ii), (iii) or (v) of the first proviso to Section 10.02(b) and (2) that directly affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Section 2.12 and Section 2.15 (subject to the requirements and limitations therein, including the requirements under Section 2.15(e) (it being understood that the documentation required under Section 2.15(e) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; *provided* that such Participant (A) agrees to be subject to the provisions of Section 2.16 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.12 or Section 2.15, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower’s request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.16 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.14(d) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under the Loan Documents (the “**Participant Register**”); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any Commitments, Loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States

Treasury Regulations and Section 1.163-5(b) of the Proposed United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to any Person (other than a natural Person) to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 10.04 shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Without limiting the prohibitions in this Agreement on the Borrower, Subsidiaries or Affiliates of a Borrower becoming a Lender hereunder, Affiliate Lenders shall be excluded from (a) attending (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender and (b) receiving any information or material prepared by Administrative Agent or any Lender or any communication by or among the Administrative Agent and/or one or more Lenders.

Section 10.05 Survival of Agreement. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of (including all amounts Paid in Kind that have been added to the principal amount) or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Section 2.12, Section 2.15 and Section 10.03 and Article 9 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 10.06 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken

together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.07 Severability.

Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 10.08 Right of Setoff.

Subject to the DIP Orders and solely with respect to the Canadian Collateral, the DIP Recognition Orders, if an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 10.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York and, to the extent applicable, the Bankruptcy Code, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

(b) The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court

does not have, or abstains from jurisdiction, the Supreme Court of the State of New York sitting in New York County, Borough of Manhattan, and of the United States District Court for the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement against the Borrower or its properties in the courts of any jurisdiction.

The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in any action or proceeding arising out of or relating to any Loan Document in the manner provided for notices in Section 10.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 10.10 Waiver of Jury Trial. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, or otherwise relating to the Cases, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of, or any prospective assignee of, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower, (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent or any Lender on a non-confidential basis from a source other than the Borrower or (i) on a confidential basis to (x) any rating agency in connection with rating the Borrower or its Subsidiaries or the Loans hereunder or (y) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the facilities or any market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent in connection with the administration, settlement and management of this Agreement and the Loan Documents. For the purposes of this Section, “**Information**” means all information received from the Borrower or any of its Subsidiaries, the Borrower or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower or any of its Subsidiaries; *provided* that, in the case of information received from the Borrower after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 10.13 Material Non-Public Information.

(a) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 10.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(b) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED

IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

Section 10.14 Authorization to Distribute Certain Materials to Public-Siders.

(a) None of the Loan Parties currently has any publicly traded securities outstanding (including, but not limited to, 144A Securities, commercial paper notes or American Depositary Receipts); *provided* that the Borrower agrees that if any of the Loan Parties issues any publicly traded securities at a future date, any of the information in the Loan Documents and the Financial Statements to be furnished pursuant to Section 5.01(a) or (b), to the extent then material, will be publicly disclosed or set forth in the related prospectus or other offering document for such issuance.

(b) The Borrower hereby authorizes the Administrative Agent to distribute the execution versions of the Loan Documents to the Lenders and Financial Statements to all Lenders, including their Public-Siders who indicate that they would not wish to receive information that would be deemed to be material non-public information within the meaning of the United States federal and state securities laws if the Companies had publicly-traded securities outstanding.

(c) If the Borrower issues any 144A Securities during the term of this Agreement and its Financial Statements are not filed with the Securities and Exchange Commission, the Borrower (i) agrees to deliver to the Administrative Agent, and authorizes their posting by the Administrative Agent to the public-side view site of any applicable agency website, the Financial Statements and (ii) represents, warrants and agrees that the Financial Statements will not constitute information that, upon disclosure to Public-Siders, would restrict them or their firms from purchasing or selling any of the 144A Securities under United States federal and state securities laws. The Borrower further agrees to clearly label such Financial Statements with a notice stating: “Confidential Financial Statements provided to 144A Holders” before delivering them to the Administrative Agent.

(d) The Borrower acknowledges its understanding that Public-Siders and their firms may be trading in any of the Loan Parties’ respective securities while in possession of the materials, documents and information distributed to them pursuant to the authorizations made herein.

Section 10.15 USA PATRIOT Act Notice and Customer Verification. Each Lender that is subject to the requirements of the USA PATRIOT Act and the Administrative Agent hereby notifies the Borrower that pursuant to the requirements of the Act and/or the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide (a) to the extent the Borrower qualifies as a “legal entity customer” under 31 C.F.R. § 1010.230 (the “**Beneficial Ownership Regulation**”), a customary certification for the Borrower regarding beneficial ownership in relation to the Borrower, in form and substance satisfactory to Administrative Agent and the Lenders and (b) all other documentation and other information that the Administrative

Agent or such Lender reasonably requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the PATRIOT Act.

Section 10.16 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “**Maximum Rate**”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, subject to sections 2.06(f) and 7.08, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 10.17 Obligations Absolute. To the fullest extent permitted by applicable Requirements of Law, all obligations of the Loan Parties hereunder shall be absolute and unconditional irrespective of:

- (a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Loan Party;
- (b) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto against any Loan Party;
- (c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument relating thereto;
- (d) any exchange, release or non-perfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Obligations;
- (e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect hereof or any Loan Document; or
- (f) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Loan Parties.

Section 10.18 AML Legislation.

(a) The Borrower acknowledges that, pursuant to the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws, whether within Canada or else-where (collectively, including any guidelines or orders thereunder, “**AML**”

Legislation”), the Loan Secured Parties or any future assignee of a Loan Secured Party may be required, now or hereafter, to obtain, verify and record information regarding the Borrower, its directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Borrower, and the transactions contemplated hereby. The Borrower shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Loan Secured Party or the Administrative Agent, or any prospective or future assign or participant of a Loan Secured Party, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(b) If the Administrative Agent has ascertained the identity of the Borrower or any authorized signatories of the Borrower for the purposes of applicable AML Legislation, then the Administrative Agent:

(i) shall be deemed to have done so as an agent for each Loan Secured Party (or any future assignee of a Loan Secured Party), and this Agreement shall constitute a “written agreement” in such regard between each Loan Secured Party (or any future assignee of a Loan Secured Party) and the Administrative Agent within the meaning of applicable AML Legislation; and

(ii) shall provide to each Loan Secured Party (or any future assignee of a Loan Secured Party) copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Loan Secured Parties agrees that the Administrative Agent has no obligation to ascertain the identity of the Borrower or any authorized signatories of the Borrower on behalf of any Loan Secured Party or any future assignee of a Loan Secured Party, or to confirm the completeness or accuracy of any information it obtains from the Borrower or any such authorized signatory in doing so.

Section 10.19 [Reserved].

Section 10.20 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 10.21 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for hedge agreements or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**” and each such QFC a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a defaulting lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.21, the following terms have the following meanings:

(i) “BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

(ii) “Covered Entity” means any of the following:

(A) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(C) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

(iii) “Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

(iv) “QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

Section 10.22 DIP Secured Party Advisors. The Loan Parties acknowledge and agree that (i) Administrative Agent and the Lenders shall each be entitled to retain or continue to retain the DIP Secured Party Advisors and (ii) the Loan Parties shall pay all reasonable and documented fees and expenses of such DIP Secured Party Advisors and all such fees and expenses shall constitute Obligations and be secured by the Collateral.

Section 10.23 Validity of Loan Documents. The provisions of this Agreement, the other Loan Documents, and all Liens and DIP Liens and other rights and privileges created hereby or pursuant hereto or to any other Loan Document shall be binding upon each Debtor, the estate of each Debtor, and any trustee, other estate representative or any successor in interest of any Debtor in any Case or any subsequent case commenced under Chapter 7 of the Bankruptcy Code, and shall not be subject to section 365 of the Bankruptcy Code. This Agreement and the other Loan Documents shall be binding upon, and inure to the benefit of, the successors of the Administrative Agent and the Lenders and their respective assigns, transferees and endorsees. The Liens and DIP Liens created by this Agreement and the other Loan Documents shall be and remain valid and perfected in the event of the substantive consolidation or conversion of any Case or any other bankruptcy case of any Debtor to a case under Chapter 7 of the Bankruptcy Code or in the event of dismissal of any Case or the release of any Collateral from the jurisdiction of the Bankruptcy Court for any reason, without the necessity that the Administrative Agent file financing statements or otherwise perfect its Liens or DIP Liens under applicable law.

Section 10.24 Acceptable Plan. Notwithstanding anything to the contrary herein (including in Section 10.02), (i) no Lender shall object to the treatment of their Obligations upon emergence by the Loan Parties from the Cases to the extent such treatment is in accordance with an Acceptable Plan and each Lender hereby agrees to accept such treatment and (ii) each Lender shall execute and deliver (and direct the Administrative Agent and Collateral Agent to execute and deliver) any applicable Acceptable Plan Definitive Documentation in accordance with the applicable Acceptable Plan.

Section 10.25 Financial Accommodation Acknowledgement. The Borrower and each other Loan Party hereby acknowledges and agrees that this Agreement, the other Loan Documents

and any certificate, document or other agreement delivered in connection therewith, constitute “financial accommodations” (as such term is used in Section 365(c) of the Bankruptcy Code) to or for the benefit of the Loan Parties as debtors in possession.

IN THE UNITED STATES COURT OF FEDERAL CLAIMS

LIGADO NETWORKS LLC,

Plaintiff,

v.

UNITED STATES OF AMERICA;
DEPARTMENT OF DEFENSE;
DEPARTMENT OF COMMERCE; and
NATIONAL TELECOMMUNICATIONS
AND INFORMATION
ADMINISTRATION,

Defendants.

Case No. 23-1797 L**COMPLAINT**

1. This case concerns the largest uncompensated taking of private property by our nation's government in modern times. Officials and agencies at the highest levels of our government have engaged in an unlawful scheme to take tens of billions of dollars of property, in the form of spectrum rights, belonging to plaintiff Ligado Networks LLC ("Ligado" or the "Company") without any compensation and then to destroy Ligado's reputation, threaten its business partners, and prevent Ligado from using its spectrum.¹ The Department of Defense ("DOD"), the Department of Commerce ("DOC"),² and Congress have unlawfully prevented Ligado from using the electromagnetic spectrum that the Federal Communications Commission ("FCC") exclusively licensed to Ligado for terrestrial services. Indeed, DOD has gone further: it

¹ This Complaint refers to Ligado Networks LLC and its predecessors-in-interest collectively as "Ligado." Ligado's predecessors-in-interest include LightSquared Subsidiary LLC, SkyTerra Communications, Inc., Mobile Satellite Ventures, Motient Services, Inc., and American Mobile Satellite Company.

² Unless stated otherwise, references to DOC include the National Telecommunications and Information Administration ("NTIA"), an agency within DOC.

has taken Ligado's spectrum for the agency's *own* purposes, operating previously undisclosed systems that use or depend on Ligado's spectrum without compensating Ligado.

2. To facilitate its multi-billion-dollar taking and cover up its previously undisclosed use of Ligado's spectrum, DOD (with DOC's assistance) made false or misleading claims to the FCC, Congress, the White House, other federal agencies, and the public about the effects of Ligado's proposed 5G terrestrial services on Global Position Systems ("GPS"). DOD officials even told multiple individuals at the FCC that they wanted to "kill the company," referring to Ligado. The full extent of DOD and DOC's malfeasance may not have come to light were it not for private communications between Ligado and current and former government employees as well as disclosures by a whistleblower and senior official within DOD (the "DOD Whistleblower"), who revealed internal emails and discussions with high-ranking officials showing that the concerns were unfounded. Ligado's conversations and the Whistleblower's disclosures lay bare how DOD and DOC fabricated arguments, misled Congress in testimony supporting anti-Ligado legislation, and orchestrated a public smear campaign, which included repeating those false claims to the public and threatening Ligado's business partners with canceling their own government contracts if they worked with Ligado. DOD and DOC took those remarkable steps to destroy an American company, not out of concerns about Ligado's use of its own spectrum rights, but so that DOD could continue to use Ligado's spectrum for its own purposes without paying. Ligado seeks compensation for the U.S. Government's physical, categorical, regulatory, and legislative takings—which are ongoing and, as of the date of this filing, have deprived the Company of tens of billions of dollars.

3. For years, the U.S. Government has favored the development of 5G technology that will seamlessly connect electronic devices in rural areas and provide ultra-fast, ultra-reliable

networks to support critical infrastructure industries like public safety, energy, and transportation. To fulfill these and other key policy goals, the U.S. Government encouraged companies to pursue modified terrestrial authority (referred to as Ancillary Terrestrial Component or “ATC” authority) for its license and to invest to develop its proposed 5G services. Ligado did just that. Over the course of nearly two decades, Ligado worked with key stakeholders in the U.S. Government and the private sector through a prolonged FCC process to ensure that Ligado’s services would be able to coexist with all other known services operating in nearby spectrum. At its own cost, Ligado developed solutions to ensure that its services would not harmfully interfere with signals in adjacent spectrum bands—including spectrum allocated to GPS service—and made significant concessions to overcome these technical issues. Ligado’s efforts were so successful that major manufacturers of GPS receivers, the National Telecommunications and Information Administration (“NTIA”), and DOD (until 2018) supported Ligado’s proposed terrestrial services on the basis that they would not harmfully interfere with GPS receivers.

4. On April 22, 2020—after many years of exhaustive fact-finding, regulatory process, scientific study, and analysis—the FCC, in a unanimous, final decision, granted Ligado’s request to modify its mobile satellite services license and ATC authority—to allow Ligado to provide wireless terrestrial 5G services in its spectrum (the “April 2020 FCC Order” or the “Order”). In reasonable, good-faith reliance on the April 2020 FCC Order, Ligado raised approximately \$4 billion in additional capital and converted \$6 billion of debt to equity to build out its spectrum in order to further deploy the 5G technologies the FCC determined were in the public interest when it granted Ligado’s license modification applications (the “Applications”).

5. However, unbeknownst to Ligado, DOD had already taken (and continues to take) Ligado’s exclusively licensed spectrum by operating previously undisclosed systems that use—

and indeed, depend on—that spectrum. According to government officials, these previously undisclosed systems depend on the entirety of Ligado’s spectrum authorized for wireless terrestrial 5G services, and are needed by DOD on a permanent basis. In August of 2022, more than a decade after Ligado began investing to develop its terrestrial 5G network and two years after the FCC approved Ligado’s Applications, Senator Roger Wicker and Senator Mark Warner acknowledged the existence of those undisclosed systems in a letter to Secretary of Commerce Gina Raimondo, Secretary of Defense Lloyd Austin, and Assistant Secretary of Commerce and NTIA Administrator Alan Davidson.

6. Rather than compensating Ligado for DOD’s appropriation of the Company’s licensed spectrum, DOD, acting in concert with DOC, improperly took steps to stymie implementation of the April 2020 FCC Order and to prevent Ligado from using the Company’s spectrum for terrestrial services, from realizing the value of the Company’s FCC license and newly modified ATC authority, from securing a return on the Company’s immense investments, and from discovering DOD’s use of Ligado’s property.

7. DOD and DOC also sought to destroy Ligado’s reputation by masterminding a highly orchestrated public disinformation campaign based on purported risks to GPS from Ligado’s services, in an effort to effectuate this uncompensated taking from Ligado. Specifically, numerous military and civilian officials at the highest levels of DOD and DOC, acting on the agencies’ behalf, provided misleading information and/or withheld material information from the National Security Council, the White House, Congress, the Office of Management and Budget, the FCC, colleagues at DOD and DOC, and the general public. These officials participated in numerous meetings and briefings, signed legal filings, and provided testimony to Congress in which they represented that they opposed the April 2020 FCC Order because Ligado’s use of its

authorized spectrum would cause harmful interference to DOD's and others' GPS receivers. DOD built a website that made sensational and libelous claims about the risks to GPS from Ligado's services. Senior government officials did this even though assertions about harmful GPS had been rejected by the FCC based on extensive engineering studies, and were intended as a smokescreen to cover up for DOD's unjust taking and use of Ligado's authorized spectrum without compensation. DOD's purported GPS concerns were a pretext.

8. Testing at a lab sponsored by DOD and DOC demonstrated that Ligado's terrestrial services would not harmfully interfere with GPS receivers—an incontrovertible conclusion memorialized in a leaked internal agency presentation and documents authored by senior DOD and DOC officials. Quoting those leaked internal DOD documents, the then-FCC Chairman tweeted the following about DOD's baseless attacks against Ligado and the unanimous April 2020 FCC Order:

Ajit Pai
@AjitPai

What do the Department of Defense's technical experts *really* think about the @FCC's unanimous, bipartisan #Ligado decision? Here is what a high-ranking expert working for the DoD's Chief Information Office had to say privately after we made that decision.

The unanimous, bipartisan vote by the FCC is keenly obvious proof to any who are truly informed or were honest assessors of the engineering and regulatory soundness of this final determination, albeit so very long in arriving.

12:44 PM · Jun 18, 2020

Additional internal DOD emails make clear that DOD's true aim was to protect its ongoing uncompensated use and occupation of Ligado's spectrum for DOD's own purposes, not to protect against harmful GPS interference.

9. DOD and DOC have forced Ligado's airwaves to remain silent—rendering Ligado's valuable spectrum a dead zone within which its terrestrial commercial services cannot occur—both through physical occupation and by preventing Ligado from using its FCC license to provide terrestrial services in its spectrum. Representatives of DOD also gave false or misleading testimony to Congress that caused Congress to pass legislation granting DOD a veto over Ligado's use of the spectrum, essentially preventing Ligado from utilizing its own spectrum and depriving Ligado of the value of its ATC authority as part of its FCC license. DOD and DOC continued their taking of Ligado's exclusive property without paying just compensation to Ligado, threatening to destroy Ligado in the process.

10. Through these efforts, DOD and DOC have succeeded in taking without just compensation the extremely valuable and exclusive right conferred by Ligado's FCC license to deploy terrestrial communications services that Ligado sought for two decades and invested billions of dollars to obtain. In so doing, DOD and DOC have caused immense harm to Ligado by destroying its reasonable investment-backed expectations, and they have also frustrated the U.S. Government's longstanding policy goals with respect to critical infrastructure, including the development of vital 5G services.

11. In addition, the United States, by enacting the National Defense Authorization Act ("NDAA") for Fiscal Year 2021,³ has effected a legislative taking of Ligado's property rights. The

³ All references to the NDAA are to the 2021 NDAA unless stated otherwise.

NDAA targeted Ligado with precision, destroying the value of Ligado's exclusively licensed spectrum, and rendering worthless Ligado's 5G ATC authority.

12. These takings are ongoing and, on information and belief, will continue indefinitely. Just compensation is warranted.

FACTUAL ALLEGATIONS

I. The FCC Allocates and Exclusively Licenses All Electromagnetic Spectrum That Support Wireless Communications in the United States.

19. Wireless communication works by transmitting and receiving electromagnetic waves. The different types of electromagnetic waves are defined according to their frequencies—that is, how many times per second the wave oscillates—and are categorized along an electromagnetic spectrum.

20. For example, the electromagnetic waves picked up by an FM radio oscillate at a frequency of 88 to 108 million times per second, or 88 to 108 MHz. The radio station WTOP, for instance, broadcasts at 103.5 MHz in the Washington, D.C. metropolitan area.

21. A given range of spectrum is known as a “band,” and its capacity is finite. The operation of too many transmitters within a band can interfere with and degrade the ability of receivers to collect the information they need. In a recent statement, FCC Commissioner Nathan Simington compared spectrum to real estate: “[T]he era of abundant spectrum is coming to a close. Like real estate, they just aren’t making any more of it. . . . We should think of [radio frequency] spectrum as fully occupied land whose usage must inevitably intensify.”⁴

22. To prevent this congestion and allocate spectrum to different users within the United States, Congress passed the Communications Act of 1934, codified as amended at 47 U.S.C. § 151 *et seq.* The Communications Act exclusively empowers the FCC to allocate certain bands of frequencies to either public or private sector uses, issue licenses to use spectrum bands to commercial users through auction or other means, and regulate the activities of those commercial and governmental users.⁵ NTIA assigns the spectrum designated by the FCC for federal government use to specific federal spectrum users, such as DOD.⁶ The FCC and NTIA coordinate with each other and with other federal stakeholders through the Interdepartmental Radio Advisory Committee (“IRAC”). However, the FCC is the only federal agency with the power to grant, modify, or revoke an allocation of spectrum to the federal government or a license of commercial spectrum.

23. No commercial entity may operate a transmission device in the United States without a license granted by the FCC.⁷ Where a commercial entity is the only one to have been issued a license to use a particular band, as is the case with Ligado’s license, it enjoys the exclusive right to use that allocated spectrum.

24. Similarly, federal agencies are permitted to use only the frequencies allocated by the FCC for use by the federal government and assigned to specific federal spectrum users by NTIA.⁸

II. For years, the FCC Encouraged Companies like Ligado to Invest in the Deployment of 5G Services Within the L-Band Portion of the Spectrum.

25. Ligado’s spectrum is part of the spectrum known as the “L-Band,” specifically, the range of frequencies from 1525 to 1660.5 MHz. The L-Band is divided into roughly three sub-bands: 1525 to 1559 MHz for use in transmitting data from towers and satellites to receivers or devices; 1559 to 1610 MHz for use by GPS; and 1610 to 1660.5 MHz for use in transmitting data from receivers and devices to towers and satellites.⁹ The below chart illustrates where Ligado’s spectrum is located in relation to GPS and other services authorized by the FCC to operate within the L-Band:

Figure 1

26. Historically, the FCC and NTIA designated the L-Band for use with mobile satellite services (“MSS”)—*i.e.*, communications between satellites and mobile receivers on the ground. In 1989, for example, the FCC allocated to Ligado parts of the L-Band that are in the same spectrum neighborhood as the spectrum allocated for use by GPS, and authorized Ligado to use that licensed spectrum for MSS operations.

27. But the exponential growth in data consumption triggered by the advent of wireless devices like smart phones, tablet computers, and other emerging technologies posed a looming crisis to the 5G industry. The FCC has recognized that “[i]f the U.S. does not address this situation

⁹ See 47 C.F.R. § 2.106.

promptly, scarcity of mobile broadband could mean higher prices, poor service quality, an inability for the U.S. to compete internationally, depressed demand and, ultimately, a drag on innovation.”¹⁰ Indeed, millions of Americans, particularly in rural areas, continue to go without access to broadband and thus are at a profound competitive disadvantage.

28. Accordingly, the U.S. Government has for years sought to expand the capacity and coverage of the nation’s mobile broadband spectrum. Its most recent efforts have focused on building out 5G networks, with the previous Chairman of the FCC, Ajit Pai, noting that “it has transformative potential, including much faster speeds, much lower latency, much more capacity, and new services and applications, many of which nobody can even predict today.”¹¹ In particular, the FCC has recognized the immense value of mid-band spectrum—like Ligado’s L-Band spectrum—for 5G. FCC Chairwoman Jessica Rosenworcel commented that mid-band spectrum “offers an ideal blend of capacity and coverage.” She then described the urgent need for wide usage of the spectrum:

[Mid-band] spectrum is key to delivering on the promise of 5G services and ensuring that it reaches as many people as possible. The bottom line is we need mid-band deployment at scale to foster invention in the new 5G spectrum frontier. . . . Our ability to be successful in this mid-band mission is as much about finding partners as it is about finding spectrum.¹²

29. Terrestrial use of the L-Band for 5G, coupled with existing satellite coverage, will improve how networks serve the industrial “Internet of Things.” For example, terrestrial use of

the L-Band will improve the capabilities of public safety and other critical infrastructure industries, including rail transport, renewable energy, trucking, public utilities, oil and gas, aviation, and autonomous vehicles. Unsurprisingly, the U.S. Government has long supported the development and expansion of mobile broadband access as a key goal of national infrastructure policy. The FCC has recognized that “[l]ike electricity a century ago, broadband is a foundation for economic growth, job creation, global competitiveness and a better way of life.”¹³

30. One tactic for facilitating the deployment of 5G networks is the removal of regulatory barriers to permit fuller utilization of the L-Band, which, as noted above, was traditionally used exclusively for MSS—that is, direct communications between satellites and mobile receivers. Because the L-Band historically was licensed only for MSS uses, it had potential for terrestrial use and therefore had untapped potential to carry enormous amounts of additional data and provide communications services to many more people in the United States.¹⁴

31. Between 2003 and 2010, the FCC invited operators of MSS networks, like Ligado, to seek authority to provide complementary terrestrial ATC services.¹⁵ The ATC authority conferred through an FCC license is a valuable property right that grants the licensee additional

rights to use its licensed spectrum for terrestrial services—in addition to satellite services—thereby expanding the economic potential and exclusivity attendant to such property.

32. As a result of the FCC’s decision to make ATC authority available, in 2003, Ligado applied to the FCC to modify its existing MSS license to provide terrestrial ATC services. As Ligado’s efforts to provide ATC services ramped up since 2003, the FCC repeatedly approved Ligado’s plans and prompted Ligado to continue expending substantial time and resources in support of the nation’s mobile broadband ambitions. Indeed, in March 2010, the FCC acknowledged that Ligado’s efforts “are a significant public interest benefit, both because of the competition it will bring in mobile wireless broadband services and because it will provide mobile wireless broadband service to traditionally underserved areas.”¹⁶ And in 2012, the FCC welcomed Ligado’s plans as “a unique proposal that had the prospect of attracting new private investment, increased competition, additional broadband service to rural and hard-to-reach regions, and creating thousands of jobs.”¹⁷

33. DOD likewise has recognized the immense value that 5G services will provide. For example, in an internal June 5, 2017 email, the Whistleblower, a senior engineer in the Office of DOD Chief Information stated that “[t]he current Ligado proposal, and perhaps other Mobile Satellite Services (“MSS”) providers that may follow, are promising our national decision-makers new life-saving services in public safety of aviation, railways, vehicles and emergency response

communications, as well as new business uses.” Secretary of Defense Lloyd Austin recently stated that DOD “is committed to making the United States a world leader in 5G by working with the commercial sector and fielding 5G to the warfighter.”¹⁸

III. The GPS Industry and U.S. Government Confirmed Ligado’s Terrestrial Services Will Not Cause Harmful Interference to GPS Receivers.

34. Long before the FCC issued its April 2020 Order granting Ligado’s Applications to provide terrestrial services in its exclusive spectrum, the FCC thoroughly studied, examined, and ultimately rejected claims that terrestrial services in Ligado’s spectrum would cause harmful interference to GPS.

35. Since the FCC first opened up the L-Band to terrestrial network development, Ligado has worked extensively with the GPS industry and other interested stakeholders to eliminate any potential for its terrestrial L-Band services to cause harmful interference with GPS receivers operating in the adjacent spectrum at 1559 to 1610 MHz, which is the spectrum band assigned by the FCC to GPS and GPS receivers operating outside of their assigned band. In a September 2012 application with the FCC, Ligado proposed to modify its existing license to obtain the authorizations needed to enable the development of nationwide terrestrial services to complement its existing satellite infrastructure (the “September 2012 Application”). To ensure that Ligado’s terrestrial services would not cause harmful interference to GPS receivers, including receivers operating outside GPS assigned spectrum, Ligado proposed, as part of the September 2012 Application, not to use its 1545 to 1555 MHz band of spectrum (the band closest to the frequencies used by GPS receivers) for ATC services, forgoing billions of dollars of commercial

¹⁸ *Fiscal Year 2023 Defense Budget Request, Hearing Before the House Armed Servs. Comm.* 117th Cong. (2022) (Secretary of Defense Lloyd J. Austin III Prepared Remarks Before the House Armed Services Committee), <https://docs.house.gov/meetings/AS/AS00/20220405/114628/HHRG-117-AS00-Wstate-AustinL-20220405>.

opportunities in the process. Ligado also proposed to reduce operating power levels throughout its licensed spectrum, including in the 1526 to 1536 MHz, 1627.5 to 1637.5 MHz, and 1646.5 to 1656.5 MHz bands.

36. Significant portions of Ligado’s September 2012 Application, and the significant concessions made therein to prevent potential harmful interference with GPS receivers, enjoyed the support of a number of government agencies—including DOD and DOC. In July 2013, officials from DOD, Air Force, Navy, Army, NASA, and DOC co-signed an internal memorandum to IRAC specifically stating that Ligado’s application to the FCC to use the 1627.5 to 1637.5 MHz and 1646.5 to 1656.5 MHz bands for commercial terrestrial operations “is mature enough for IRAC consideration and *ultimate recommendation*.”¹⁹ Likewise, in an October 2013 email, a Principal Deputy within the office of the DOD Chief Information Officer (CIO) confirmed that DOD and DOC had “no issue” with the FCC “approving the [Ligado] proposal” with respect to those specific bands and co-signed the aforementioned memorandum in order to ask “IRAC to tell the FCC we approve.”²⁰

37. In December 2015, after lengthy discussions with major GPS device manufacturers, Ligado filed a new proposal with the FCC to “address the core concerns raised by the GPS industry and secure those benefits for all GPS parties” (the “December 2015 Applications”).²¹ The December 2015 Applications included the concessions set forth in the 2012 Applications and also proposed additional substantial concessions. Ligado confirmed once more that it would relinquish

terrestrial services in the 1545 to 1555 MHz band, and it also proposed highly restrictive operational parameters—including dramatic reductions of permissible power levels and out-of-band emissions—to address any remaining potential for its operations to cause harmful interference to GPS even when they were operating in Ligado’s designated spectrum.

38. The December 2015 Applications stemmed from discussions with major GPS receiver manufacturers and enjoyed their support. Ligado entered into coexistence agreements with every major GPS receiver manufacturer, and key industry members registered their support for Ligado’s Applications in filings with the FCC. For example, on June 27, 2016, GPS receiver manufacturer NovAtel filed with the FCC a letter stating that “NovAtel supports the Commission granting of [Ligado’s] modification applications.”²² All of the other major GPS receiver manufacturers also issued similar comments to the FCC.²³

39. DOD and DOC likewise recognized that in light of Ligado’s significant concessions, there was no threat of widespread harmful interference to GPS receivers from the terrestrial services Ligado was seeking in its December 2015 Applications. For example, on February 15, 2017, the National Advanced Spectrum and Communications Test Network (“NASCTN”), which is a joint initiative of DOD and DOC, released test results from its own study

that showed that Ligado's services would *not* cause widespread harmful interference to GPS.²⁴ Following the NASCTN testing, NTIA gave a presentation to DOD in August 2017, citing the NASCTN test results and concluding that "Ligado's proposed out-of-band emission levels would protect GPS operations within the [radionavigation] band allocation."

40. Until approximately March 2018, DOD and DOC acknowledged that with the protections and concessions offered by Ligado, there was no scientific basis for any concerns that the terrestrial services proposed in Ligado's FCC license modification Applications would cause harmful interference to GPS receivers or other services offered by MSS operators in adjacent spectrum. An internal U.S. Air Force email from March 15, 2018, stated that the DOD CIO supported Ligado's modification Applications and intended to "support an NTIA/FCC proposal to allow Ligado Networks . . . to [begin] initial deployment" of Ligado's terrestrial services at specified power levels.

IV. DOD Has Been Using Ligado's Exclusively Licensed Spectrum Without Paying Just Compensation to Ligado.

41. As explained by the DOD Whistleblower (a career DOD engineer tasked with evaluating Ligado's FCC application), DOD faced a highly embarrassing situation in 2018: Its own experts concluded that there was no basis to challenge Ligado's FCC application. Nevertheless, high ranking government officials needed a pretext to stop Ligado from utilizing its spectrum for terrestrial services. For years, DOD did not disclose to the FCC, NTIA, and others their true motivations for opposing use of Ligado's spectrum. As DOD and NTIA disclosed to the FCC only *after* the FCC granted Ligado's Applications for modified ATC authority, on

²⁴ See *NASCTN Releases Report on LTE Impact on GPS Receivers*, National Institute of Standards and Technology (Feb. 15, 2017), <https://www.nist.gov/news-events/news/2017/02/nasctn-releases-report-lte-impact-gps-receivers>.

information and belief DOD was using and continues to use Ligado's exclusively licensed spectrum for its own purposes.

42. While many of the details regarding DOD's use of Ligado's authorized spectrum have not been publicly disclosed and are not relevant to this claim, as discussed in more detail in Section XII, *infra*, multiple senior government officials have confirmed to Ligado that DOD needs *all* of Ligado's spectrum authorized for wireless terrestrial 5G services. These officials also told Ligado that DOD needs this spectrum both exclusively and permanently.

43. Senior government officials have also confirmed DOD's use of Ligado's authorized spectrum publicly as well. Now retired Air Force Space Command General John Raymond testified in a Senate hearing concerning Ligado's spectrum that "We have to be able to operate *in that spectrum...* [A]nd it is absolutely critical to our joint force."²⁵ He admitted that his concerns were "*not just GPS*. It is commercial communications satellites and other types of satellites that bring signals down."²⁶ In response to questioning about whether DOD was opposed to Ligado using its ATC authority because it was seeking to "protect" just GPS or whether it was seeking to keep Ligado out of the entire L-Band for other reasons, Under Secretary of Defense Griffin admitted, "[i]t is both."²⁷

44. Further confirming DOD's use of Ligado's spectrum, on August 23, 2022, United States Senators Roger Wicker and Mark Warner sent a letter to Secretary Gina Raimondo, Secretary Lloyd Austin, and NTIA Administrator Alan Davidson. In the letter, the Senators wrote that they have recently learned that DOD has concerns relating to Ligado's terrestrial deployment

²⁷ *Id.* at 73–74.

that stem from the potential for interference with federal systems that were *not* disclosed to the FCC. The Senators, concerned that DOD and NTIA did not disclose this information in the years-long process that preceded the final April 2020 FCC Order, asked who at DOD and NTIA knew about these systems and when. The letters confirmed publicly what government officials had told Ligado privately: DOD has undisclosed operations that require the use of Ligado’s spectrum.

45. A September 9, 2022 report issued by the National Academies of Sciences, Engineering and Medicine (the “National Academies”) acknowledged that “DoD uses the MSS band for many different applications” like “communications, navigation, tracking of military assets such as equipment and vehicles.”²⁸ But the National Academies’ report further conveyed—based on DOD’s statements, which the National Academies report admitted were not publicly available—that Ligado’s “terrestrial network authorized by FCC Order 20-48” could not coexist with various “DoD missions,” including DOD satellite systems “*aside from GPS*.”²⁹ To be clear, Ligado is a mobile satellite services provider that *does not provide GPS services*. In other words, the National Academies’ report made clear that in DOD’s undocumented view, Ligado’s terrestrial spectrum is necessary for DOD services, separate and apart from any GPS activity.

46. The National Academies’ report’s statements regarding DOD’s use of Ligado’s spectrum are also consistent with public statements made by high-ranking DOD personnel in testimony before the Senate Armed Services Committee in May 2020—after the FCC had granted Ligado’s Applications for modified ATC authority. Specifically, DOD officials testified that DOD “has to be able to operate in [Ligado’s] spectrum”; that DOD’s interest involves “not just GPS”

²⁸ National Academies of Sciences, Engineering, and Medicine, *Analysis of Potential Interference Issues Related to FCC Order 20-48* at p. 56 (The National Academies Press, 2022), <https://nap.nationalacademies.org/read/26611> (hereinafter the “National Academies’ Report”).

but also “commercial communication satellites *and other types of satellites* that bring signals down” to Earth; and that DOD was “seek[ing] to protect the services reserved for satellite communication”—*i.e.*, the entire L-Band, and not just the sliver of spectrum designated for GPS receivers.³⁰

47. On information and belief, DOD’s systems have continuously used Ligado’s authorized spectrum since at least April 22, 2020 (the date of the FCC Order modifying Ligado’s license and ATC authority)—and continue to use that spectrum today—by: (1) transmitting or receiving signals in Ligado’s allocated spectrum that prevent Ligado from transmitting or receiving its own signals in its exclusively licensed spectrum; and/or (2) receiving signals adjacent to Ligado’s allocated spectrum in a manner that requires that Ligado’s allocated spectrum be a “dead zone” for terrestrial services so as to avoid harmful interference with DOD’s systems.³¹ In either case, DOD’s systems rely on and use spectrum for which DOD has no license, and that the FCC has exclusively licensed to and authorized for use by Ligado. And DOD has not compensated Ligado for the use of its exclusively licensed spectrum. Such use has prevented, and will continue to prevent, Ligado from using its duly and exclusively licensed spectrum for terrestrial services.

³⁰ Hearing to Receive Testimony on Department of Defense Spectrum Policy and the Impact of the Federal Communications Commission’s Ligado Decision on National Security Before the Senate Armed Servs. Comm. 116th Cong., at 54, 73, 74, 77 (2020), https://www.armed-services.senate.gov/imo/media/doc/20-21_05-06-2020.pdf (emphasis added) (hereinafter “Senate Armed Services Committee Hearing Tr.”).

³¹ FCC Commissioner Carr recently made a statement in an unrelated FCC proceeding explaining this concept: “[P]hysically occupying an assigned spectrum band is not the only way that federal users or other incumbents can prevent a valuable swath of airwaves from being put to its highest and best use. One other way is through receivers that ‘listen in’ on frequencies that are beyond their assigned bands.” *In the Matter of Promoting Efficient Use of Spectrum through Improved Receiver Interference Immunity Performance*, ET Docket No. 22-137 (April 21, 2022) (Statement of FCC Commissioner Carr), <https://docs.fcc.gov/public/attachments/FCC-22-29A3.pdf>.

V. DOD and DOC Advanced Pretextual Claims of Harmful Interference to GPS in Order to Conceal DOD’s Use of Ligado’s Spectrum.

48. Prior to the issuance of the April 2020 FCC Order, and in an effort to prevent Ligado from obtaining approval of its 2015 Applications and to protect DOD’s ability to operate previously undisclosed systems that use or depend on Ligado’s exclusively licensed spectrum without compensation, DOD (and its ally, DOC) adopted a strategy of deceit and misinformation. As discussed in Section III, *supra*, both agencies had recognized that Ligado’s proposed terrestrial services would not cause harmful interference to GPS receivers. But as Ligado inched closer to receiving final FCC approval to use its ATC authority to provide 5G terrestrial communications services, DOD and DOC abruptly changed positions and began actively campaigning against Ligado to officials across the U.S. Government based solely on the false claim that Ligado’s services would cause widespread harmful interference to GPS. Despite prior support for Ligado’s license modification Applications (including from officials in DOD and DOC) and despite the scientific studies concluding that Ligado’s intended use of the spectrum would not harmfully interfere with GPS receivers (including the NASCTN testing overseen at a DOD and DOC lab), DOD and DOC changed course in 2018 and opposed Ligado’s plans—all without notifying the FCC or Ligado of the real reason behind their objections.

49. In the spring of 2018, two new officials were confirmed to senior positions at DOD; both had responsibility for spectrum-related issues. The arrival of these two officials caused a seismic shift in official DOD policy toward Ligado’s December 2015 Applications, but there was no scientific or other principled basis to support the change.

50. In July 2018, senior career officials in the office of the DOD CIO, including the Whistleblower, met with one of these new appointees to discuss Ligado’s December 2015 Applications. The DOD CIO career officials told Ligado in advance of the meeting that “technical

issues about GPS have been solved” and the only issue remaining was to determine whether GPS should get any protection in one section of Ligado’s bandwidth, even though GPS is not “entitled to any protection in that spectrum” as a matter of law. The career officials also noted that DOD’s own testing “shows [another commercial L-Band operator] will not experience interference,” “GPS agreements plus lower power level[s] protect GPS much more than they need,” and “[a]viation is safe according to FAA and DOT.” Shortly after this meeting, these technical experts on spectrum policy for the DOD CIO including the Whistleblower were cut out of the process by their superiors, including by the now-disgraced Deputy CIO for Command, Control and Communications at DOD, Frederick D. Moorefield, Jr.

51. Moorefield, the recently indicted Deputy DOD CIO, described by DOD CIO Dana Deasy as the “heart and soul” and “man that is actually responsible for managing spectrum across the DOD” carried out the plan against Ligado on behalf of DOD. In July 2018, the DOD Whistleblower alleged that Mr. Moorefield took steps to systemically engage in improper or illegal contracts to hire unqualified, subservient external contractors to evaluate Ligado’s Applications.

52. On December 3, 2018, DOD submitted a letter, drafted by Moorefield, to NTIA advocating that “proposals to operate services in bands adjacent to GPS should not be approved unless, at a minimum, they do not exceed” a single decibel (“1 dB”) change in the carrier-to-noise ratio (the so-called “1 dB metric”).³² In support, DOD cited a Department of Transportation (“DOT”) study that purported to assess whether GPS receivers would “experience a 1 dB carrier-

to-noise density ratio (C/N_0) degradation in the reception of any GPS (or GNSS) satellite signal” when exposed to transmissions in adjacent spectrum.³³ Based on this study and the artificial criterion of this “1 dB metric,” DOD recommended that the FCC deny Ligado’s December 2015 Applications.³⁴

53. The FCC, which is subject to the Administrative Procedures Act, uses a codified harmful interference standard, which defines harmful interference as “[i]nterference that endangers the functioning of a radionavigation service or of other safety services or seriously degrades, obstructs or repeatedly interrupts a radiocommunication service.”³⁵ By contrast, DOD’s proposed 1 dB metric—which does not focus on performance degradation—was found by the FCC (a fact that was communicated to DOD early on) to be scientifically unsound and legally irrelevant to the FCC’s assessment of harmful interference. In a letter to Senator Mike Lee, then FCC Chairman Ajit Pai confirmed that the “Commission has never before applied [a 1 dB] metric for determinations of harmful interference to adjacent bands.”³⁶ Yet DOD and DOC reversed course to support the validity of a 1 dB metric because application of this “metric” would foreclose Ligado’s use of its spectrum. With Ligado foreclosed from using its spectrum, DOD would be able to take Ligado’s spectrum and continue to use it without compensation. But as the agency with exclusive jurisdiction over the allocation of spectrum, the FCC’s standard for assessing harmful interference is the only standard that is legally relevant. As discussed in Section VI, *infra*,

the FCC made its final determination on this issue in the April 2020 FCC Order, in which it wholesale rejected the 1 dB metric and the DOT study as technically flawed and inconsistent with the harmful interference standard.³⁷

54. Other experts agreed with the FCC that harmful interference was the appropriate standard, not 1 dB. Industry experts derided the 1 dB metric as illogical and unsupportable. NTIA, too, has previously criticized the use of the metric. During a June 22, 2017 IRAC Technical Focus Group meeting, NTIA's Chief of Spectrum Engineering and Analysis Division chastised Air Force representatives for repeatedly proposing policy cases to support a 1 dB metric absent technical evidence of its usefulness.

55. In 2019, additional DOD officials sent letters to the FCC further advocating for the unfounded 1 dB metric and against Ligado's December 2015 Applications.³⁸ These DOD officials stated that "there are too many unknowns" and the risks to GPS were too great to allow Ligado's Applications to proceed, but failed to provide any scientific evidence to support these alleged concerns, and omitted any mention of the years of testing—including by a DOD-sponsored lab—that refuted claims of harmful interference to GPS.

56. Following these letters, NTIA similarly reversed course and concluded that NTIA could not support Ligado's December 2015 Applications before the FCC.³⁹ Like DOD, NTIA

completely reversed its prior support for FCC approval of Ligado’s Applications. As publicly reported and evidenced by internal NTIA emails disclosed in response to Freedom of Information Act (“FOIA”) requests, NTIA “originally contemplated a strategy for conditionally approving Ligado Networks’ 5G plans—months before denouncing the company’s proposal as a threat to national security.”⁴⁰ Emails from early 2019 show that NTIA and its then-Administrator, David Redl, were planning to support Ligado’s Applications with the FCC.⁴¹ Soon after, Redl was fired by then-Secretary of Commerce Wilbur Ross. As former FCC Commissioner Mike O’Rielly explained in congressional testimony, “NTIA has had a different viewpoint over the time period, and it wasn’t until the dismissal of [Redl] that the position” suddenly changed to oppose Ligado’s Applications, in line with DOD’s newfound stance.⁴²

57. Inside DOD and DOC, it was well known that opposition to Ligado’s FCC Applications in the name of protecting GPS from harmful interference was not credible. For instance, internal DOD emails show that during a March 24, 2017 meeting, DOD CIO technical staff concluded that Air Force had “no technical merits, nor regulatory merits, to oppose FCC; and Ligado has sufficient technical and regulatory merits for license approval by the FCC.”

58. Similarly, in a June 2017 email, the Whistleblower (then a senior DOD CIO official) criticized Air Force Space Command for its unsupported position on harmful GPS

interference. Arguments based on Ligado's old proposal and the 1 dB metric were "incomplete and deficient," the email stated. The Whistleblower's email stated that DOD ignored "an elephant in the analytical room": the fact that *all* major commercial GPS receiver manufacturers had backed Ligado's proposal. Finally, the email noted that it was striking that Air Force had so far found "no tolerable commercial uses at all adjacent to GPS, not even fairly distant from GPS." "At some point soon," the email continued, DOD and Air Force "will have to answer with not just what we cannot do, but what we can do to inform and support such proposals."

59. Likewise, in response to a March 2018 email from Air Force Space Command seeking "sister service support" for a position paper endorsing the 1 dB metric, the Navy responded it "cannot support the position paper" because "[t]here is no analytical rigor in the paper" and "no mention of what Ligado might potentially do to out of band receivers" [meaning GPS receivers operating outside their designated bands]. And in approximately November 2018, the DOD Whistleblower informed high-level officials in DOD that its position on the harmful effects of Ligado's use of its spectrum to GPS "overreaches to the point of falsity" and will be "criticized as disingenuous..."

60. Officials within the Joint Chiefs of Staff ("Joint Staff") were becoming increasingly involved in determining DOD's position and directing DOD's actions with regard to Ligado's FCC Applications. According to individuals with knowledge of DOD's actions, the Joint Staff was "driving all efforts" to oppose FCC approval of Ligado's Applications. Officials from Air Force and the DOD Office of General Counsel were told to "stand down" and "back off" when they attempted to obtain additional information about why the Joint Staff was representing to others in the U.S. Government that DOD opposed Ligado's license modification Applications and was seeking to have the FCC deny them.

61. DOD took its anti-Ligado campaign to other Executive Branch agencies too. DOD told the National Security Council, the National Economic Council, the Office of Management and Budget, the Office of Science and Technology Policy, and possibly others that Ligado's services would cause harmful interference to GPS. Tellingly, in response to repeated requests from those Executive Branch authorities for DOD to provide evidence to support its assertions, DOD never did so. On information and belief, DOD did not provide the requested information for the simple reason that DOD cannot substantiate its claims of harmful GPS interference.

62. DOD and DOC leveled these unsubstantiated claims at Ligado as a threat to GPS to protect and to mask DOD's own use of Ligado's authorized spectrum. Moreover, DOD and DOC propagated—and continue to propagate—misleading and scientifically meritless arguments about harmful GPS interference to sister agencies, the White House, and Congress. By injecting these artificial concerns into the FCC process, DOD and DOC caused years-long delay, thereby wasting taxpayer money and the time of numerous government agencies.⁴³

VI. The FCC Unanimously Granted Ligado Exclusive Authority to Deploy Terrestrial 5G Services Within Its Licensed Spectrum.

63. On April 22, 2020, the FCC unanimously approved Ligado's license modification Applications, and modified Ligado's exclusive license and ATC authority to enable it to operate 5G terrestrial communications services within the 1526 to 1536 MHz, 1627.5 to 1637.5 MHz, and 1646.5 to 1656.5 MHz bands, in addition to its existing satellite network.⁴⁴ In doing so, the FCC

⁴³ It is worth noting that even if there were legitimate harmful GPS interference concerns (there are not), it would not change the fact that Ligado has been denied the ability to use its FCC license and ATC authority for terrestrial services by the United States. Whether it is to protect previously undisclosed DOD systems or GPS receivers, Ligado's exclusive property has been taken—both physically and regulatorily—and just compensation is required under the Fifth Amendment.

⁴⁴ See April 2020 FCC Order at ¶ 1.

explicitly rejected DOD and DOC’s assertions about harmful interference to GPS. The FCC Order represented the culmination of a decade-long rulemaking process and spanned 74 pages with 444 footnotes.

64. In the April 2020 FCC Order, the FCC concluded that its approval would “provide[] regulatory certainty to Ligado, ensure[] adjacent band operations, including Global Positioning System (GPS), are sufficiently protected from harmful interference, and promote[] more efficient and effective use of our nation’s spectrum resources by making available additional spectrum for advanced wireless services, including 5G.”⁴⁵ The FCC found that “it is in the public interest to grant the [December 2015 Applications] to facilitate the deployment of a low power terrestrial-based network in [Ligado’s] licensed MSS spectrum.”⁴⁶

65. The FCC commended Ligado for addressing concerns raised by GPS receiver manufacturers and limiting any risk of harmful interference caused by the out-of-band reception of those devices.⁴⁷ The FCC noted that Ligado’s work in support of its Applications “demonstrate[s] the diligence with which Ligado has attempted to address adjacent band concerns.”⁴⁸

66. The FCC also addressed, and rejected, the concerns of DOD and DOC.⁴⁹

67. The FCC made the following specific findings:

- a. Ligado’s planned broadcast power levels and the coexistence agreements it had reached with the GPS industry “significantly lower the potential for

harmful interference to GPS devices, including those owned by the U.S. Government,”⁵⁰

- b. The 1 dB metric championed by DOD is “inconsistent with established spectrum management policies designed to avoid harmful interference, and is also unsupported by the record;”⁵¹
- c. The studies cited by DOD in opposition to Ligado’s Applications (specifically, Air Force testing and the DOT study relying on the 1 dB metric) used imprecise methodologies and inapplicable assumptions, thereby overestimating the potential for harmful interference;⁵² and
- d. Any potential for harmful interference could be mitigated through information sharing between Ligado and the U.S. Government, including to identify and repair or replace affected devices, and through negotiating Ligado’s broadcast power levels near the devices.⁵³

68. The FCC provided for information sharing between the U.S. Government and Ligado under the April 2020 FCC Order to support Ligado’s development of commercial terrestrial services authorized by its spectrum license. For example, the Order provided that affected agencies should “provide information to Ligado,” including geographic areas of potential concern, work with Ligado to “develop[] a program to repair or replace any such devices . . . that could be affected” by Ligado’s terrestrial operations, and “immediately” notify Ligado if an unrepairable or unreplaceable GPS receiver should be affected by Ligado’s services.⁵⁴ The Order also expected that “Ligado and U.S. Government agencies” would “work together in good faith, including with regard to negotiation to resolve any disputes.”⁵⁵

69. The FCC directed Ligado to deploy a program within six months of the date of the Order (*i.e.*, by October 2020) that would facilitate the information sharing and coordination called for by the Order.⁵⁶

70. The FCC determined that the findings and provisions in its Order “constitute appropriate and reasonable measures to address the federal agencies’ concerns, including concerns about current ‘unknowns’ and risks.”⁵⁷ It further noted that DOD’s most recent submissions through NTIA “convey[ed] no new information, data, or arguments.”⁵⁸ In fact, in April 2016, the FCC first asked all stakeholders, including U.S. Government stakeholders like DOD and DOC, to provide examples of GPS receivers that would be affected by Ligado’s terrestrial services. DOD and DOC never provided any such examples.

71. The FCC’s decision approving Ligado’s 2015 Applications did not grant DOD or any other federal agency the right to interfere with or alter Ligado’s services in the L-Band, or to operate their own systems within Ligado’s exclusively authorized spectrum. Indeed, the FCC reaffirmed its unique and exclusive role to manage spectrum users, concluding “it is the Commission that is vested with Title III authority to determine how to manage spectrum use.”⁵⁹ In concurring statements, Commissioner Carr and Commissioners Rosenworcel and Starks commended the rigor of the FCC staff members’ technical analysis.⁶⁰

⁶⁰ April 2020 FCC Order at p. 73 (Statement of FCC Commissioner Carr); April 2020 FCC Order at p. 74 (Joint Statement of FCC Commissioners Rosenworcel and Starks).

72. DOD and DOC's requests that the FCC deny Ligado's Applications because of alleged harm to GPS devices had one thing in common: they had no support in science or law, which is why the FCC denied them. Indeed, the April 2020 FCC Order expressly addressed DOD's and DOC's asserted harmful GPS interference concerns, identified the lack of scientifically sound evidence to support those concerns, and unanimously concluded that there is no credible evidence that Ligado's terrestrial services would harmfully interfere with GPS receivers.

73. In reliance on the FCC's Order granting Ligado highly valuable property rights relating to its modified ATC authority to deploy terrestrial 5G services within its exclusively licensed spectrum, Ligado completed a comprehensive recapitalization and fundraising transaction in October 2020. Billions of dollars of new capital were invested to support the Company's deployment of terrestrial services in a manner consistent with the April 2020 FCC Order, including approximately \$4 billion in new debt and the conversion of approximately \$6 billion of existing debt to equity.

VII. In Contravention of Well-Established Law, DOD and DOC Have Refused to Implement the April 2020 FCC Order and Have Prevented Ligado from Using Its Right to Deploy Terrestrial Services in its Spectrum.

74. Since the issuance of the April 2020 FCC Order, rather than work with Ligado and other federal agencies in good faith to address any legitimate concerns about harmful interference to GPS—as, for example, the FCC and NTIA recently did in helping to craft a coexistence arrangement between the FAA, Verizon, and AT&T to address concerns over potential interference to aircraft instruments that utilize the C-Band from terrestrial 5G networks—DOD and DOC have instead obstructed Ligado's good-faith efforts to implement the provisions of the April 2020 FCC Order. In fact, rather than work with Ligado, DOD officials told multiple witnesses at the FCC that they wanted to “kill the company,” referring to Ligado.

75. DOD and DOC have also refused Ligado's repeated requests to discuss solutions to any purported concerns about harm to GPS receivers. This obstruction and refusal to engage has frustrated Ligado's ability to use its exclusively licensed spectrum, wholly prevented Ligado from using its ATC authority to deploy terrestrial services, and diminished Ligado's reasonable investment-backed expectations, including that the Company would be able to develop its spectrum and commence an FCC-authorized terrestrial business.

76. On May 22, 2020, NTIA, on DOD's behalf, filed a petition with the FCC for a stay of the April 2020 FCC Order and a petition for reconsideration based on the same pretextual arguments that a 1 dB metric—which had already been thoroughly considered and rejected by the FCC—was needed to protect GPS receivers. NTIA did *not* disclose in its reconsideration petition that DOD had been using Ligado's exclusively licensed spectrum, and instead advanced only arguments about harmful GPS interference that had already been rejected by the FCC.

77. Ligado has complied with the April 2020 FCC Order and has tried diligently to share information with DOD and DOC, address their concerns, and establish the repair-and-replace program called for by the Order. However, citing the pending reconsideration petition, DOD and DOC have baselessly refused to cooperate with Ligado as called for by the Order. They have stonewalled Ligado's efforts to coordinate and share information, including by directing other agencies not to coordinate with Ligado, thereby impeding Ligado from using its exclusively licensed spectrum (and destroying the value of Ligado's ATC authority).

78. On June 30, 2020, Ligado sent letters to approximately 15 agency members of IRAC, including DOD and DOC. Consistent with the April 2020 FCC Order, the letters asked those agencies how Ligado could assist in the agencies' evaluations of potential harmful interference to GPS from Ligado's services, if any, and in what circumstances such interference

could occur so that Ligado could identify potentially impacted systems and correct any potential issues. Ligado followed up with similar letters to these agencies at least three additional times in March 2021, September 2021, and June 2022. No agency substantively responded to Ligado’s outreach.

79. The few agencies that acknowledged Ligado’s letters, including DOD, provided a nonsensical excuse for their inaction, stating that, given NTIA’s pending reconsideration petition, “it would be premature to begin implementation discussions.” The Communications Act is clear, however, that a petition for reconsideration shall not “excuse any person from complying with or obeying any order . . . of the Commission, or operate in any manner to stay or postpone the enforcement thereof.”⁶¹ The stonewalling of Ligado by DOD and others has further stymied Ligado’s ability to use its FCC license and ATC authority.

80. On January 19, 2021, the FCC denied NTIA’s petition to stay the April 2020 FCC Order.⁶² The FCC found that NTIA had not met any of the requirements for a stay: NTIA was unlikely to succeed on the merits, it would suffer no irreparable harm, Ligado would suffer far greater harm from a stay, and a stay would not be in the public interest.⁶³ Although the April 2020 FCC Order was final and effective as of the date it was issued by the FCC on April 22, 2020, the FCC’s denial of NTIA’s petition to stay solidifies the finality of the FCC’s decision. Indeed, the FCC’s decision remains undisturbed to this day, well over three years later.

⁶¹ 47 U.S.C. § 405(a).

⁶² See *In the Matter of Ligado Amendment to License Modification Applications*, IB Docket Nos. 12-340 and 11-109 (January 19, 2021) (Order Denying Motion for Stay), <https://docs.fcc.gov/public/attachments/FCC-20-48A1.pdf>

⁶³ *Id.* ¶ 9.

81. After the FCC denied the stay petition, Ligado again reached out (on March 12, 2021) to IRAC member agencies and to NTIA. Only one agency responded substantively, with the others not responding at all or claiming that the pending reconsideration petition excused their need to engage with Ligado, despite the denial of the stay, the text of the Communications Act, and the clear provisions of the April 2020 FCC Order.

82. The one agency that did engage with Ligado indicated that the rest of the U.S. Government was firmly opposed to doing so because of pressure coming from DOD and NTIA. Indeed, rather than face opposition from DOD and DOC, the agencies simply refused to engage with Ligado. And to this day, DOD and DOC have refused to engage with Ligado concerning DOD's purported concerns of harmful interference to GPS receivers. FOIA disclosures show that NTIA has been in possession of information "quantify[ing]" GPS device use by federal agencies relevant to Ligado's terrestrial communications services since 2018, but NTIA never provided this information to Ligado or the FCC, either before the April 2020 FCC Order or in support of their petition for reconsideration.⁶⁴

83. These federal agencies' refusal to implement the April 2020 FCC Order and respect the FCC's authoritative resolution of these issues has hindered Ligado's use of its exclusively licensed spectrum, and has wholly blocked Ligado from using its ATC authority, drawing criticism from the FCC. In April of 2022—two years after the April 2020 FCC Order—FCC Commissioner Carr lamented that the L-Band is "a valuable stretch of spectrum . . . that has been effectively sitting on the sidelines for over ten years now" with no 5G service "despite the FCC authorizing it

⁶⁴ Letter from Valerie Green, Executive Vice President and Chief Legal Officer, Ligado Networks LLC, to Marlene H. Dortch, Secretary of the Federal Communications Commission (June 30, 2022), <https://files.fcc.gov/ecfs/download/c6e5713e-73fe-4c86-b0ec-26645f5591a0?orig=true&pk=cb77b2ec-1a58-dbc6-139b-ad192cfd5d9b>.

and the band having a great mix of coverage and propagation characteristics.”⁶⁵ He went on to criticize “the federal users’ public arguments,” stating that if you “boil them down to their essence, it comes down to a disagreement over how much interference federal devices experience when they listen in to a spectrum band located far, far away from their assigned frequencies.”⁶⁶

84. In addition, officials from multiple federal agencies that operate programs reliant on GPS technology have told Ligado that they were instructed by DOD and DOC to not cooperate or speak with Ligado after the FCC issued its Order. Officials have told Ligado that they do not believe there is any merit to the claims that Ligado’s 5G services would interfere with GPS receivers.

85. The refusal by federal agencies to work with Ligado—orchestrated by DOD and DOC—has directly impeded the Company’s efforts to develop its authorized spectrum pursuant to the April 2020 FCC Order. Without engagement from federal agencies (and DOD and NTIA in particular), Ligado cannot implement the provisions of the Order and thus cannot commence its duly authorized terrestrial L-Band services. DOD and DOC’s intransigence also illustrates the contradiction between DOD’s and NTIA’s publicly stated concerns for GPS and the U.S. Government’s private use of Ligado’s authorized spectrum without compensation.

86. DOD and DOC’s actions have destroyed Ligado’s reasonable investment-backed expectations. Ligado and its investors have spent billions of dollars and years of hard work in reliance on the reasonable expectation that the April 2020 FCC Order would enable Ligado to use its authorized spectrum for terrestrial services. If agencies like DOD and DOC can appropriate

⁶⁵ *In the Matter of Promoting Efficient Use of Spectrum through Improved Receiver Interference Immunity Performance*, ET Docket No. 22-137 (April 21, 2022) (Statement of FCC Commissioner Carr), <https://docs.fcc.gov/public/attachments/FCC-22-29A3.pdf>.

⁶⁶ *Id.*

without compensation the exclusive right to use spectrum that is afforded to companies like Ligado by the FCC, it will not only destroy Ligado but will chill others from investing in critical communications infrastructure and spectrum. If left unchecked, such uncompensated and unfettered appropriation of a company's FCC license by other government agencies will detrimentally undermine the authority of the FCC to exclusively regulate commercial spectrum, cast doubt on the finality of FCC decision-making and regulatory processes, and create a dangerous precedent of governmental seizure of private property. These actions call into question the value of other current licenses and potentially undercut company investments and undermine the public interest.

VIII. Having Lost Before the FCC, DOD Provided Misleading Information to Congress Aimed at Preventing Ligado from Using Its License and Terrestrial Authorization.

87. While DOD and DOC stonewalled Ligado and caused others to do the same—all to avoid paying Ligado just compensation—DOD was also actively pushing Congress to pass legislation that would frustrate Ligado's use of its exclusively licensed spectrum and effectively block Ligado from using its authority to provide terrestrial communications services. These were concerted efforts to keep Ligado from providing terrestrial communications services so that DOD could continue to use Ligado's exclusively licensed spectrum without compensation.

88. On May 6, 2020, two weeks after the April 2020 FCC Order, the Senate Armed Services Committee convened a hearing, at which DOD officials rallied support for such legislation. Entitled "Department of Defense Spectrum Policy and the Impact of the Federal Communications Commission's Ligado Decision on National Security," the one-sided hearing featured three DOD officials as witnesses—DOD CIO Dana Deasy, Under Secretary of Defense Michael Griffin, and now retired Air Force Space Command General John Raymond—as well as a retired Coast Guard admiral. Disgraced Former Deputy CIO Moorefield spearheaded DOD's

preparations for the hearing and sat directly behind the witnesses during their testimony. No one from the FCC, Ligado, or the GPS industry was invited to participate in the hearing. In the hearing, these DOD witnesses repeated the same debunked claims of harmful interference to GPS receivers that had already been addressed and rejected by the FCC. But this time, the audience lacked the technical background and familiarity with the lengthy history of the FCC proceedings necessary to challenge these claims—including Ligado’s many concessions, the contrary science, and the widespread support for Ligado’s intended use of its licensed spectrum, including by DOD itself previously.

89. DOD officials presented false or misleading information to Congress during the hearing. On information and belief, members of Congress were generally unfamiliar with the meticulous review conducted by the FCC that resulted in the April 2020 FCC Order. Some Members of Congress were under the misimpression that the 20 years of FCC proceedings leading up to its decision were akin to something “done on the weekend.”⁶⁷ When asked by the Chairman of the Armed Services Committee whether DOD was “consulted by or asked by the FCC for [its] opinions” during the FCC’s consideration of Ligado’s application, Under Secretary of Defense Griffin testified, “no, sir, there was not a give and take, a back and forth that we typically go through. *And at the end of the day, we were completely caught off guard when over that weekend in April the decision was taken by the FCC to go ahead and move forward.*”⁶⁸ As then-FCC Chairman Pai confirmed in a letter to Senator Mike Lee, “Federal agencies [including the DOD] had actual possession of the draft that the FCC was poised to adopt—and thus an opportunity to

⁶⁷ Senate Armed Services Committee Hearing Tr. at 94.

⁶⁸ *See id.* at 38.

comment on it—for almost *half a year* before FCC finally adopted it.”⁶⁹ The Whistleblower’s disclosures further confirm that the FCC provided the DOD with a draft order approving Ligado’s license modification on October 31, 2019.

90. DOD officials presented other false or misleading information during the same senate hearing. Admiral Thad Allen testified that the tests the FCC relied upon were “funded by Ligado, were not conducted in a transparent fashion and not widely supported.”⁷⁰ In reality, however, NASCTN administered the test with the oversight of DOD and DOC and the testing won the DOC’s Gold Medal Award. As the FCC Order recognized “NASCTN [is] a joint effort involving the NIST, NTIA, DOD, NASA... [providing] reliable and unbiased measurements and analyses.”⁷¹

91. Other Senators, from both sides of the aisle, were rightly troubled by the failure to include key stakeholders in the congressional process and recognized the importance of hearing from the FCC and Ligado rather than accepting uncritically DOD’s representations. Senator Tim Kaine observed, “[W]e have only heard one side of the case. . . . [T]he FCC is right in town and could have been at this hearing or Ligado.”⁷² Senator Tom Cotton agreed, saying “[I]t is really important that we hear from the unanimous FCC and from Ligado as well for us to make a reasoned conclusion.”⁷³ Senator Angus King noted that the FCC is “an independent agency that reached a unanimous conclusion on something that has been extensively litigated”; that it must have “had

some basis for doing so,” especially since the April 2020 FCC Order “is one of the few unanimous orders” that has been issued by the FCC; and that it issued a “74-page order with 444 footnotes,” which indicates “that some serious thought went into it.”⁷⁴

92. Despite these concerns, the Senate Committee did not hold another hearing to gather testimony from the FCC, Ligado, or the GPS industry. Although he was not invited to testify before the Senate Armed Services Committee, FCC Chairman Ajit Pai responded to the criticisms, explaining: “We made a decision based solely on the facts and the law. I will defend this decision before any forum in Congress or around the country. We’ve made a decision based . . . on sound engineering as opposed to the fear mongering we’ve heard.”

93. In addition, as part of this coordinated campaign to drum up support for legislation preventing Ligado from using its FCC license as authorized, DOD launched a public website, again laying out the meritless case that was presented to and rejected by the FCC. The website stated that DOD opposed “a license the Federal Communications Commission has granted to a private company, Ligado, to deploy a low-power nationwide mobile broadband network.”⁷⁵ The website posted sensationalistic warnings and made false and unsupported claims about the harm that Ligado would cause to both military and everyday civilian users of GPS. Screenshots of those false statements appear below:

⁷⁴ *Id.* at 71–73.

⁷⁵ In late 2021, the website was taken offline. We provide screenshots from an archived version of the website below.

There are too many unknowns, and the risks are too great, to allow the proposed Ligado system to proceed. We risk lives and the security of the nation if GPS is interrupted for any amount of time.

HOW THE LIGADO PROPOSAL COULD DISRUPT GPS

DOD would be subject to network interruptions in the supply systems for air, land and sea platforms across the services and food supply to the Defense Commissary Agency, which manages the stores where our soldiers, sailors, airmen, Marines and their families do their primary grocery shopping.

Information systems that run banking, the supply chain for all industries, and all aspects of an industry such as travel from reservation systems to air traffic control systems could be disrupted and information throughput slowed, and networks could go down intermittently or for extended periods.

First responders could be delayed in responding to calls as they would be unable to locate where the call is coming from. They would also have increased difficulty communicating through normal channels with other first responders and be unable to communicate across multiple jurisdictions.

In reality, contrary to the website’s baseless claims, the FCC concluded that “Ligado’s modified ATC network should not cause harmful interference to general location and navigation devices” and that “significantly reduced power levels at which Ligado will operate . . . significantly lower the potential for harmful interference to GPS devices, including those owned by the U.S. Government.”⁷⁶

94. The website also derided Ligado’s spectrum with zero factual basis or support, claiming it “lacks the bandwidth, power or global ecosystem to deliver robust 5G services.”

⁷⁶ April 2020 FCC Order at 52.

Ligado's proposed network lacks the bandwidth, power or global ecosystem to deliver robust 5G services. The only beneficiaries are Ligado shareholders.

In reality, the FCC Order approving Ligado's license modification concluded that the FCC's order "promote more efficient and effective use of our nation's spectrum by making available additional spectrum for advanced wireless services, including 5G."⁷⁷

95. As part of a coordinated public smear campaign to destroy Ligado's reputation (in addition to the uncompensated taking of its multi-billion dollar asset), Secretary of Defense Mark Esper took the extraordinary and nearly unprecedented step of publishing an Op-Ed in *The Wall Street Journal*, sensationally claiming that the FCC's decision will "undermine U.S. national security and disrupt commerce and daily life."⁷⁸ The Op-Ed contained false statements about potential harmful interference with GPS, but also made unsupported attacks on Ligado's reputation and the quality of its spectrum, including that "[t]here is no evidence that [Ligado] has a technically viable 5G solution" and that Ligado was attempting to "maximize the value of its spectrum" at great "cost to Americans...."⁷⁹ The last time an acting Secretary of Defense published an op-ed was in 2003, when Donald Rumsfeld advocated in the *Washington Post* for invading Iraq.

96. Responding to misinformation and immense pressure from DOD, Members of Congress began drafting amendments to the pending NDAA to take away Ligado's ability to provide terrestrial services in its exclusively licensed spectrum. The House of Representatives drafted legislation to ban Ligado and its customers from contracting with DOD and to limit DOD's ability to cooperate with any repair-and-replace program. The Senate introduced language mandating yet another technical review of DOD's claims.

97. In response to the proposed legislation DOD was trying to push through, numerous Members of Congress rallied in opposition. In October 2020, a bipartisan group composed of Senators Roger Wicker, Mark Warner, John Thune, Tim Kaine, Ron Johnson, and Todd Young sent a letter to Senate Armed Services Committee Chairman Jim Inhofe and Ranking Member Jack Reed urging them to strike certain NDAA provisions related to the FCC's decision approving Ligado's license modification Applications.

98. In November 2020, Chairman Frank Pallone and Ranking Member Greg Walden of the House Energy and Commerce Committee also opposed the legislation in a letter sent to Chairman Adam Smith and Ranking Member Mac Thornberry of the House Armed Services Committee, and characterized the proposed legislation as an attempt to limit or prevent DOD from implementing the provisions of the April 2020 FCC Order.

99. Despite these efforts, DOD persisted, and when the House and Senate met in conference committee in early December 2020, the language targeting Ligado became more stringent. Both House provisions and both Senate provisions were retained, and the committee eliminated findings that acknowledged Ligado's commitment to working with DOD to resolve the agency's concerns and cover certain of DOD's costs.

IX. The 2021 NDAA Prevents Ligado from Using Its FCC License and ATC Authority.

100. The 2021 NDAA became law on January 1, 2021.⁸⁰ The 2021 NDAA contains four sections in Subtitle E of Title XVI that make it impossible for Ligado to use the ATC authority conferred by Ligado’s FCC license without DOD’s sign-off. The most problematic of these provisions is Section 1662, which states:

Section 1662—Limitation on Awarding Contracts to Entities Operating Commercial Terrestrial Communication Networks that Cause Harmful Interference with the Global Positioning System. The Secretary of Defense may not enter into a contract, or extend or renew a contract, with an entity that engages in commercial terrestrial operations using the 1525–1559 megahertz band or the 1626.5–1660.5 megahertz band unless the Secretary has certified to the congressional defense committees that such operations do not cause harmful interference to a Global Positioning System device of the Department of Defense.⁸¹

101. Ligado is the only company authorized to utilize spectrum for terrestrial operations in the 1525–1559 megahertz band or the 1626.5–1660.5 band. Section 1662 was intended to be, and has been, devastating to Ligado’s business. It specifically targets terrestrial services in Ligado’s exclusively licensed spectrum. Section 1662 is a warning to all current and potential partners and customers of Ligado: if you contract with Ligado to use its licensed spectrum for terrestrial operations, you will no longer be allowed to do business with DOD.

102. There is no question that the NDAA was designed to target Ligado. In December 2020, House Energy and Commerce Committee Ranking Member Cathy McMorris Rodgers opposed inclusion of the language in the NDAA that singled out Ligado: “The NDAA shouldn’t target an American company that will hurt our ability to beat China in the 5G race. Why single out an American company focused on boosting our country’s 5G leadership but leave out

⁸⁰ See William M. (Mac) Thornberry National Defense Authorization Act for Fiscal Year 2021, Pub. L. 116-283, §§ 1661–1664, 134 Stat. 3388, 4073–76 (2021).

⁸¹ *Id.* § 1662.

protections against Chinese drone manufacturers threatening our national security? This should be made right.”⁸² Former Chairman of the FCC Mark Fowler described the NDAA as follows:

Defense lobbyists have now inserted language into the annual defense bill that among other things forbids Pentagon contract awards to Ligado or any company who uses Ligado. ***This soft corruption violates all limits of restraint in the U.S. Constitution.*** These punitive provisions should be seen for what they are: ***bullying by the Defense Department lobbyists, who view U.S. spectrum as ‘theirs.’***⁸³

And public reporting, including in *Forbes*, explained that “any company that uses Ligado’s network is not permitted to have a contract with the U.S. Department of Defense, a substantial disincentive to doing business with Ligado.”⁸⁴

103. Given that the ability to contract with DOD is essential to businesses operating in the telecommunications industry, the provision effectively prohibits any firm from doing business with Ligado with respect to its terrestrial services. Indeed, Ligado has been told by potential commercial partners that Ligado is too “hot” to do business with as a result of Section 1662 and DOD’s hostile attitude towards Ligado.

104. From January 2021 through mid-2022, Ligado engaged two investment bankers to pursue a strategic outreach process with companies that could utilize Ligado’s spectrum, conducting meaningful diligence. Every one of those potential partners expressed concerns about the impact of the NDAA on their ability to work with Ligado. Ultimately, no one agreed to partner with Ligado to support their 5G connectivity plans.

105. In addition to Section 1662, the NDAA contained other provisions that specifically target Ligado and were intended to delay, disrupt, and destroy Ligado’s commercial terrestrial operations. For instance, Section 1661 prohibits DOD from using appropriated funds “to retrofit any Global Positioning System device or system, or network that uses the Global Positioning System, in order to mitigate harmful interference from commercial terrestrial operations” in Ligado’s spectrum.⁸⁵ It does not, however, prohibit DOD from using funds to “conduct[] technical or information exchanges with” entities that operate in the L-Band.⁸⁶ Likewise, Section 1664 prevents the Secretary of Defense from using funds to comply with the April 2020 FCC Order until the Secretary of Defense “submits to the congressional defense committees an estimate of the extent of covered costs and the range of eligible reimbursable costs associated with harmful interference” to DOD’s GPS receivers resulting from the April 2020 FCC Order and certifies to such committees that such estimate is accurate “with a high degree of certainty.”⁸⁷ Through these provisions, Congress gave DOD what it wanted: an excuse to frustrate Ligado’s development efforts, rather than implement the April 2020 FCC Order, and the continued ability to use Ligado’s authorized spectrum without compensating Ligado.

106. The NDAA, enacted based on DOD’s misleading statements about harm to GPS, upended the reasonable investment-backed expectations of Ligado and its investors for no legitimate reason. Once the FCC unanimously approved Ligado’s application to use its license to develop and deploy 5G terrestrial communications services, no one reasonably could have predicted that DOD would cause Congress to override the FCC licensing process, prohibit

⁸⁷ *Id.* § 1664.

commercial operators from contracting with Ligado on efforts to develop its authorized spectrum if they do any business with DOD, and effectively transfer to DOD a right to block Ligado's use of its spectrum indefinitely.

107. The 2021 NDAA made no legislative findings to support these drastic actions. Indeed, the minimal congressional record underlying the relevant provisions targeting Ligado does not spell out a threat to GPS. Congress never had the benefit of hearing testimony from the FCC, Ligado, or any GPS receiver manufacturers. Congress never received or reviewed the technical or scientific studies that disprove DOD's flawed or false harmful GPS interference assertions presented to the Senate Armed Services Committee in May 2020. Nor did Congress receive from DOD evidence to support DOD's claims about the potential for harmful interference to GPS.

X. DOD Has Failed to Make the 2021 NDAA Certifications.

108. Since the passage of the 2021 NDAA, DOD has either delayed implementing the statute or has failed to comply with it entirely. This non-compliance is yet another tool wielded by DOD to prevent Ligado from using its property, and to maintain DOD's use of Ligado's property, without just compensation.

109. Even though DOD knows that there is no legitimate basis to question the FCC's conclusion that GPS receivers would not experience harmful interference caused by Ligado's authorized use of its licensed spectrum, *see* Section V, *supra*, DOD has not yet made a certification to that effect under Section 1662, nor does it appear to have taken any steps towards doing so.

110. Section 1663 mandates that DOD engage the National Academies within 30 days of the enactment of the 2021 NDAA and that the National Academies return a report 270 days after that.⁸⁸ If DOD had acted in a timely manner, the full report would have been submitted to

⁸⁸ *Id.* §§ 1663(a)(2) and (c)(1).

Congress by the end of October 2021. Instead, DOD delayed the study and the National Academies did not hold its first meeting of the study team until September 20, 2021, merely five weeks before Congress asked for the study to be completed. Because of DOD's delay, the National Academies' report was not published until September 9, 2022, nearly a year after the timeline Congress established.

111. Section 1664 requires DOD to estimate and certify the costs of complying with the April 2020 FCC Order before taking any steps to implement it. DOD has not yet issued that certification and has provided no indication that it plans to do so. Most tellingly, DOD has refused Ligado's attempts to assist in identifying potentially affected GPS receivers. In fact, neither DOD nor DOC has provided even a single example of a GPS receiver that would be harmed by Ligado's terrestrial services, even though Section 1661 explicitly provides that DOD may spend funds to "conduct[] technical or information exchanges with" Ligado regarding harmful interference to GPS devices. Given that DOD studied the impacts of Ligado's proposals for more than 20 years, the agency's failure to develop a cost estimate more than two years after the April 2020 FCC Order is clearly deliberate.

112. DOD's behavior demonstrates that it is abusing the regulatory and legislative process to cover up its own use of Ligado's authorized spectrum and to prevent Ligado's use of its ATC authority for 5G terrestrial services, all without providing just compensation. Indeed, Congress, through passage of Section 1613 of the **2022** NDAA, has indicated its own frustration at the pace of DOD's compliance and its concern that DOD may not have shared all relevant information with Congress, agencies having jurisdiction over spectrum, or entities with authority over DOD, like the White House and the National Security Council. Section 1613 of the 2022 NDAA, which became law on December 27, 2021, includes remarkable language directing DOD

to brief the National Security Council, the DOC, FCC, and Congress on “(1) potential operational impacts that have been studied” with respect to the L-Band and “(2) impacts that could be mitigated, if any, including how such mitigations could be implemented,” within 30 days of the passage of the 2022 NDAA.⁸⁹ Congress thus passed a law requiring DOD to tell the truth about the impacts of the April 2020 FCC Order on “other tactical and strategic systems” of DOD, in addition to GPS.⁹⁰

113. Section 1682 of the 2022 NDAA also pushes DOD to take action with respect to its obligations under the 2021 NDAA. For instance, it requires the Secretary of Defense to provide Ligado with an estimate of repair-and-replace expenses related to GPS “[a]s soon as practicable” after making the certification required by Section 1664 of the 2021 NDAA.⁹¹ Section 1682 also requires that the Secretary of Defense establish a process for Ligado to provide reimbursement for such certified costs.⁹² To date, and close to two years since Congress originally instructed DOD to calculate repair-and-replace estimates in the 2021 NDAA, DOD has failed to provide Ligado any such estimate or to establish a reimbursement process. This continuous failure to identify any repair-and-replace costs due to Ligado’s purported harmful interference with DOD’s GPS receivers, as explicitly required by Congress in two consecutive NDAAs, is strong evidence that no such costs or harmful GPS interference exist.

XI. DOD and DOC Have Blocked Ligado from Using Its Authorized Spectrum for Terrestrial Services and Realizing the Reasonable Investment-Backed Expectations of its FCC License and ATC Authority.

114. As a result of DOD's physical use of and dependence on Ligado's spectrum, DOD's and DOC's pretextual boycott and campaign against Ligado, the anti-Ligado provisions of the 2021 NDAA, and DOD's refusal to make the certifications required by that statute, Ligado cannot realize the reasonable investment-backed expectations of its FCC license and ATC authority for terrestrial services in its authorized spectrum. On information and belief, DOD has gone even further and threatened one of Ligado's potential partners that if it engaged with Ligado, the vendor would not be able to contract with DOD.

115. As detailed below, Ligado has done what it could to prepare to deploy its terrestrial services in its exclusively licensed spectrum, including making significant investments to develop 5G products to enable deployment of the L-Band. But all of this time and effort invested into pre-deployment preparations have been in vain because DOD and DOC continue to prevent Ligado from using its licensed spectrum to deploy its terrestrial services. Billions of dollars invested to secure and prepare to use Ligado's terrestrial authority have been wasted as a result of the United States' physical, categorical, and regulatory takings (which began no later than April 22, 2020, the date the FCC granted Ligado modified ATC authority to launch terrestrial services) and legislative taking (which began on January 1, 2021, the date the NDAA was enacted into law).

116. For instance, in reliance on the April 2020 FCC Order, Ligado engaged in a 12-month successful project with the Third Generation Partnership Project ("3GPP"), the wireless industry's global standard-setting body, to standardize the L-Band and thereby enable

infrastructure vendors to develop 5G products compatible with its mid-band spectrum.⁹³ Throughout 2021 and 2022, Ligado took significant steps to invest in the L-Band ecosystem and develop the technology necessary to integrate its potential 5G services into consumer and industrial telecommunications products. Since the April 2020 FCC Order, Ligado has invested substantial time, energy, and capital into creating 5G base stations and mobile chipsets compatible with its authorized spectrum and positioning itself to serve critical spectrum infrastructure needs.

117. This successful preparatory work has further confirmed the benefits, value, and potential of Ligado's FCC-authorized terrestrial services, and establishes that Ligado's authorized spectrum could play a meaningful role in accelerating 5G in the United States. But all of this preparatory work and economic investment has been lost and will continue to go to waste so long as DOD and DOC continue to hinder Ligado's use of its authorized spectrum.

118. Ligado has also done what it could to implement the April 2020 FCC Order—including establishing a meaningful repair-and-replace program and expending substantial effort to make federal agencies' participation in the program as easy as possible—and to prepare its L-Band spectrum for 5G deployment, as authorized by the FCC. However, because of the harsh repercussions under the 2021 NDAA to those who do business with Ligado and the pressure put on Ligado's potential partners by DOD, Ligado cannot deploy its authorized spectrum for terrestrial use and thus cannot realize the anticipated return on the vast sums of money it has spent over the last 20 years, including the billions invested following, and in reliance on, the April 2020 FCC Order.

⁹³ Press Release, Ligado Networks LLC, 3GPP Approves Band Specifications of Ligado's L-Band Spectrum for 5G Deployment (June 21, 2021), <https://ligado.com/press/3gpp-approves-band-specifications-ligados-l-band-spectrum-5g-deployment/>.

119. By way of example, Ligado’s FCC license and modified ATC authority also authorize Ligado to lease its authorized spectrum to carriers of cellular services. These leases can be worth more than one billion dollars in revenue per year to Ligado because its valuable spectrum could be combined with finite carrier-owned spectrum to support broad-based and economical 5G carrier network deployments.⁹⁴ In the ordinary course, these carrier partnerships would have been formed by Ligado promptly following the April 2020 FCC Order, providing Ligado with a significant interim contracted revenue stream while Ligado completes deployment of its terrestrial 5G services. But due to DOD and DOC’s actions, including DOD’s threats to not do business with anyone who works with Ligado, which threats are backed by Section 1662 of the 2021 NDAA, Ligado has been unable to form such carrier partnerships. Those billions of dollars in lost revenues, which Ligado continues to be deprived of to this day, represents additional compensation due and owing to Ligado by the United States government for its takings.

120. As long as DOD continues to use Ligado’s authorized spectrum, Ligado will be unable to utilize its exclusive FCC license and ATC authority to launch its FCC-authorized terrestrial 5G communications services. As confirmed by multiple government officials, DOD’s previously undisclosed systems and Ligado’s terrestrial services cannot coexist in Ligado’s licensed spectrum. Until DOD stops using Ligado’s authorized spectrum for its own purposes, all of Ligado’s work to operationalize its license and ATC authority—both before and after the April 2020 FCC Order—will be wasted.

⁹⁴ See, e.g., Howard Buskirk, *T-Mobile’s Bet on Mid-Band Driving Its 5G Success, Says CEO*, Communications Daily (July 14, 2022), <https://communicationsdaily.com/article/print?id=1306102> (discussing how T-Mobile grew from the fourth largest carrier in the U.S. to the second largest carrier because “it predicted correctly the latest generation of wireless would unfold in mid-band” spectrum).

121. Independent, third-party, professional valuations have determined that the terrestrial authority exclusively granted to Ligado is worth as much as \$39 billion—all of which value has been destroyed by the United States’ unconstitutional taking of Ligado’s property. In addition, Ligado’s inability to operationalize the terrestrial authority conferred by its exclusive FCC license due to DOD and DOC’s interference and the United States’ takings—including the inability to lease to others the spectrum for terrestrial use or otherwise monetize its valuable property—has resulted in billions of dollars in additional uncompensated takings.

XII. DOD Is Forced to Reveal Its True Objective in Blocking the Terrestrial Use of Ligado’s Exclusively Licensed Spectrum: The Agency Wants to Continue to Use Ligado’s Spectrum for DOD’s Own Purposes Without Providing Compensation.

122. As discussed above, the real reason behind DOD’s and DOC’s efforts to harm Ligado was to cover up the taking of Ligado’s exclusively licensed spectrum for its own use without compensation to Ligado. Moreover, on information and belief, these actions were known to and directed by officials at the highest levels of DOD, DOC, and NTIA.

123. After the FCC granted Ligado’s Applications to provide 5G terrestrial services in its licensed spectrum, DOD began to selectively disclose—on information and belief, for the first time—that it was using Ligado’s authorized spectrum. These disclosures were made as part of a concerted effort by DOD and DOC to rally the support of Congress, other agencies, and the public against Ligado, and to prevent Ligado from using its FCC license and ATC authority for its terrestrial services.

124. For approximately two years, DOD’s use of Ligado’s authorized spectrum has been confirmed to Ligado by multiple senior government officials. Specifically, these officials informed Ligado that DOD needs *all* of Ligado’s spectrum authorized for wireless terrestrial 5G services, and that DOD needs *permanent use* of that authorized spectrum. The National

Academies' report further confirms that DOD needs the entirety of Ligado's spectrum to operate undisclosed systems.⁹⁵

125. These admissions that DOD is using Ligado's authorized spectrum came only *after* the FCC granted Ligado's license modification Applications, *after* nearly a decade of consideration by members of IRAC—including DOD and NTIA—of Ligado's plans to provide terrestrial services in its licensed spectrum, and *after* Ligado had spent billions of dollars investing in and preparing to deploy its FCC-licensed terrestrial services. DOD misled the FCC, Congress, other government agencies, Ligado, and the public to conceal its taking of Ligado's authorized spectrum—all at the expense of Ligado's rights.

126. In addition, high-ranking NTIA and DOC officials failed to disclose DOD's use of Ligado's authorized spectrum when NTIA submitted various filings to the FCC. NTIA and DOC lent their names and authority—as the representatives of the Executive Branch on spectrum policy—to DOD, even though DOD's true concerns were not with GPS.⁹⁶ In doing so, NTIA stoked anti-Ligado sentiment, lent legitimacy to the pretext protecting DOD, heaved additional obstacles in Ligado's path, and provided a stamp of Executive Branch approval for DOD's taking of Ligado's licensed spectrum without compensation.

127. DOD and DOC's efforts to block Ligado's license modification Applications, to prevent Ligado's use of its FCC-approved exclusive authority to provide terrestrial communications services in its authorized spectrum, and to publish misleading information about

⁹⁵ National Academies of Sciences, Engineering, and Medicine, *Analysis of Potential Interference Issues Related to FCC Order 20-48* (The National Academies Press, 2022), <https://nap.nationalacademies.org/read/26611>.

Ligado's plans have enabled DOD's continued use of that spectrum without compensation. And, among other things, DOD's refusal to engage in the regulatory process and failure to certify no harmful interference under the 2021 NDAA are blatant delay tactics aimed at allowing DOD to continue to use Ligado's exclusively licensed spectrum with impunity and without justly compensating Ligado.

128. On information and belief, DOD's systems have continuously used Ligado's authorized spectrum since at least the April 22, 2020 FCC Order modifying Ligado's ATC authority—and continue to use that spectrum today—without providing compensation to Ligado.

129. To the extent DOD's systems are transmitting or receiving signals in Ligado's allocated spectrum that interfere with Ligado's ability to transmit or receive its own signals, DOD's actions constitute a physical taking. To the extent DOD's systems are receiving signals adjacent to Ligado's allocated spectrum that require the creation of a "dead zone" for terrestrial services in Ligado's allocated spectrum to avoid harmful interference with DOD's systems, that too is a physical taking. Under either scenario, DOD's systems are occupying Ligado's exclusively authorized spectrum and have deprived Ligado of property rights—including the right to use or lease to others the spectrum authorized for terrestrial use, and the right to exclude others from using the spectrum. In fact, DOD and DOC have excluded Ligado from operating terrestrial services in its own spectrum. The U.S. Government has not compensated Ligado for this taking.⁹⁷

130. Ligado's business model, financing arrangements, and December 2015 Applications to modify its license were all predicated on its ability to use its exclusive FCC license

⁹⁷ As discussed in Section I, *supra*, the FCC is the only federal agency authorized to grant, modify, or revoke a license to use spectrum by a commercial entity, such as Ligado. *See* 47 U.S.C. § 303(b). The FCC did not do so and neither DOD nor NTIA have the legal authority to do so.

to provide FCC-authorized terrestrial communications services, including the ability to lease to others its terrestrial capacity in that spectrum. DOD and DOC's actions have rendered Ligado unable to proceed with its FCC-approved plans. By physical occupation, regulatory action, and legislative action, the U.S. Government has eviscerated the value of Ligado's property—including both its exclusive FCC license and its supplemental ATC authority—and appropriated that property for its own use. Ligado has been forced to bear the costs of the United States' actions. These actions have had, and will continue to have, catastrophic economic effects on Ligado and its reasonable investment-backed expectations. And to this day, on information and belief, DOD continues to operate its systems for free using Ligado's exclusively licensed spectrum.

131. Rather than contracting with Ligado and providing just compensation for the use of (or for Ligado not to use) Ligado's exclusively licensed spectrum, DOD, with support from DOC, has engaged in a reckless campaign of misinformation about purported harmful GPS interference. Unlike the FAA during its recent conflict with the FCC over the deployment of Verizon and AT&T's 5G network in the C-Band,⁹⁸ DOD and DOC have refused to work with Ligado to resolve this conflict. Instead, DOD and DOC have taken Ligado's authorized spectrum for use in DOD's own systems without paying just compensation. Their position is clear: they want to use the spectrum for free, rather than pay to solve the problem they created, even if that means putting Ligado out of business.

132. That position is both unconstitutional and inconsistent with how DOD has dealt with similarly situated companies. The Department of Defense—the largest federal agency, supplier of government contracts, and employer in the world—contracts with thousands of

⁹⁸ See, e.g., Niraj Chokshi, *The F.A.A. Announces Progress in Expanding 5G Service at Airports*, N.Y. Times (Jan. 28, 2022), <https://www.nytimes.com/2022/01/28/technology/faa-5g-verizon-att.html>.

companies to provide critical military services and assets. In fact, several of DOD's outside contractors provide services to DOD using those contractors' licensed L-Band spectrum that is directly adjacent to Ligado's. If DOD wants Ligado's authorized spectrum for its own purposes, there is no reason DOD cannot work with Ligado to achieve that aim through ordinary government contracting, as it does on a daily basis. What DOD cannot do, though, is take Ligado's property without just compensation.

133. Through their conduct, DOD and DOC have effected or caused Congress to effect unconstitutional physical, categorical, regulatory, and legislative takings of Ligado's valuable property rights, and they have destroyed Ligado's reasonable investment-backed expectations. Ligado relied in good faith on the decades-long, rigorous FCC process, and the finality of its April 2020 FCC Order, to invest billions of dollars and build its business strategy around its exclusive right to provide ground-breaking terrestrial services in its spectrum. DOD and DOC have not only taken away Ligado's rights under its FCC license, but in doing so have destroyed Ligado's reasonable investment-backed expectations and put Ligado's entire business in dire jeopardy.

CAUSES OF ACTION

COUNT ONE

(Uncompensated Physical Taking by DOD)

134. Ligado re-alleges paragraphs 1 through 126 as if set out fully herein.

135. After an exhaustive and decades-long regulatory process, the FCC granted Ligado an exclusive license to utilize a portion of the L-Band for the purpose of providing terrestrial communications services. On April 22, 2020, the FCC modified Ligado's ATC authority and enabled the Company to commence terrestrial services in its exclusively licensed spectrum. Using its long-established FCC license for MSS services, the ATC authority to develop terrestrial services conferred by the April 2020 FCC Order, and its allocated portion of the electromagnetic

spectrum, Ligado prepared and is continuing to prepare to deploy critical 5G communications infrastructure, which will provide ultra-fast, ultra-reliable services to the public and billions of dollars in revenue to Ligado.

136. Ligado’s exclusive right to use this spectrum pursuant to both its duly authorized FCC license and ATC authority is property protected by the Fifth Amendment to the U.S. Constitution, which provides that the U.S. Government shall not take “private property . . . for public use, without just compensation.” U.S. Const. amend. V. Broadcast licenses such as Ligado’s are immensely valuable assets that are recognized as and behave like property in a wide variety of contexts, including in bankruptcy and for purposes of taxation. *See Alpine PCS, Inc. v. United States*, 128 Fed. Cl. 303, 309 (2016) (recognizing FCC license is property cognizable by the Takings Clause); 47 U.S.C. § 301 (Communications Act provides that FCC licenses should not be construed “to create any right, *beyond* the terms, conditions, and periods of the license.” (emphasis added)); *In re Atl. Bus. & Cmty. Dev. Corp.*, 994 F.2d 1069, 1075 (3d Cir. 1993); *In re Alpine PCS, Inc.*, No. 08-00543, 2008 WL 5076983, at *5 (Bankr. D.D.C. Oct. 10, 2008), *aff’d*, 404 F. App’x 504 (D.C. Cir. 2010).

137. Ligado’s duly authorized FCC license and ATC authorization grant it the right to exclusively use and deploy 5G terrestrial communications services for a specific, well-defined spectrum: the 1526 to 1536 MHz, 1627.5 to 1637.5 MHz, and 1646.5 to 1656.5 MHz bands of spectrum. These characteristics—exclusivity and clear boundaries—further show that Ligado has a compensable property interest in the license and ATC authorization. *See, e.g., Members of the Peanut Quota Holders Ass’n, Inc. v. United States*, 421 F.3d 1323, 1331 (Fed. Cir. 2005) (observing right to exclude is key indicator of Fifth Amendment property right); *Todd v. United*

States, 155 Ct. Cl. 87 (1961) (recognizing taking of fishing permits that granted plaintiff exclusive fishing rights in “specific locations”).

138. Ligado’s FCC license and ATC authorization are also transferable, another key indicator of a protected property right, even when the property right is not absolute, *see Peanut Quota Holders Ass’n*, 421 F.3d at 1331–32 (noting that ability to transfer is a key indicator of compensable property interest, and that “[t]he mere fact that transfers of allotments are not unrestricted does not undermine the importance of transferability to the characterization of quotas as a form of property”), or is granted by the government, *see Oil States Energy Servs., LLC v. Greene’s Energy Grp., LLC*, 138 S. Ct. 1365, 1375 (2018) (noting that a patent is “a specific form of property right—a public franchise,” and is “entitled to protection as any other property, consisting of a franchise”); *Horne v. Dep’t of Agriculture*, 576 U.S. 350, 359–60 (2015) (observing that a patent is “an exclusive property” right that may not be “appropriated or used by the government itself, without just compensation”).

139. “When the government physically takes possession of an interest in property for some public purpose, it has a categorical duty to compensate the former owner, regardless of whether the interest that is taken constitutes an entire parcel or merely a part thereof.” *Tahoe-Sierra Preservation Council, Inc. v. Tahoe Regional Planning Agency*, 535 U.S. 302, 322 (2002). When the government appropriates the owners’ right to exclude others—“one of the most treasured rights of property ownership,” *Loretto v. Teleprompter Manhattan CATV Corp.*, 458 U.S. 419, 435 (1982)—the government’s actions constitute “the clearest sort of taking,” *Cedar Point Nursery v. Hassid*, 141 S. Ct. 2063, 2071-72 (2021) (citation omitted).

140. The United States has effected a *per se* physical taking of Ligado’s exclusively licensed spectrum and ATC authority, and the attendant right to exclude others from using such

spectrum, by operating DOD’s previously undisclosed systems in Ligado’s allocated spectrum. *See United States v. Causby*, 328 U.S. 256, 265 (1946) (holding that the United States’ use of airspace super-adjacent to private property to land aircraft—and which destroyed private owner’s ability to use land as a chicken farm—was a physical taking because the United States’ use of the super-adjacent airspace was “so close to the land that continuous invasions of it affect the use of the surface of the land itself”); *Arkansas Game & Fish Com’n v. United States*, 568 U.S. 23, 33 (2012) (confirming that flooding of land by government constitutes a taking and noting that takings claims are “not confined to instances in which the Government took outright physical possession of the property involved,” but also include “government action occurring outside the property [that] give rise to a direct and immediate interference with the enjoyment and use of the land”). This physical taking began no later than April 22, 2020—the day the FCC granted Ligado modified ATC authority to use its exclusively licensed spectrum for terrestrial operations—and it has continued at least through the date of this filing, and on information and belief, will continue indefinitely.

141. To the extent DOD’s systems are transmitting or receiving signals in Ligado’s allocated spectrum, that is a physical taking of Ligado’s licensed spectrum, including its ATC authority. To the extent DOD’s systems are receiving signals adjacent to Ligado’s allocated spectrum, thus requiring the creation of a “dead zone” or buffer in Ligado’s allocated spectrum to avoid harmful interference with DOD’s systems, that too is a physical taking of Ligado’s licensed spectrum, including its ATC authority. Under either scenario, DOD’s systems are occupying Ligado’s exclusive rights to its FCC-authorized spectrum, and have deprived Ligado of property rights, including the right to use its FCC license and ATC authority, the right to lease to others its

terrestrial capacity in that spectrum for its own economic gain, and the right to exclude others from using the spectrum.

142. For all these reasons, the United States has effected and is continuing to effect a physical taking for public use within the meaning of the Fifth Amendment of the U.S. Constitution, and Ligado is entitled to just compensation.

COUNT TWO
(Uncompensated Categorical Taking by DOD, DOC, and NTIA)

143. Ligado re-alleges paragraphs 1 through 135 as if set out fully herein.

144. A categorical taking occurs when regulations completely deprive an owner of “all economically beneficial use” of private property. *Lucas v. South Carolina Coastal Council*, 505 U.S. 1003, 1019 (1992). Government action that renders property completely useless effects a loss “as complete as if the United States had entered upon the surface of the land and taken exclusive possession of it.” *Causby*, 328 U.S. at 261.

145. DOD, DOC, and NTIA’s actions constitute a categorical taking of the ATC authority conferred by Ligado’s license, because those actions have completely deprived Ligado of all economic value in the use of its exclusively allocated and licensed spectrum for terrestrial services. The FCC granted Ligado a license and ATC authority to use its authorized spectrum to provide terrestrial communications services. But DOD, DOC, and NTIA have engaged in conduct that has made Ligado unable to actually develop and deploy such terrestrial services. DOD, DOC, and NTIA have totally deprived Ligado of all the economic benefits that Ligado could have expected from using and developing its exclusively allocated and licensed spectrum for terrestrial services by, among other things: (i) threatening Ligado’s business partners in order to interfere with the formation or performance of contracts necessary for the development of Ligado’s authorized terrestrial services; (ii) failing to engage with the regulatory process and thereby

delaying FCC action on Ligado's Applications; (iii) failing to implement the provisions of the April 2020 FCC Order, which provides for federal agencies to engage in information sharing and planning discussions in order to facilitate the deployment of Ligado's terrestrial services; (iv) making submissions to Congress to cause it to include punitive provisions in the NDAA to prevent Ligado from utilizing the spectrum for terrestrial services; (v) failing to certify under the NDAA that Ligado's use of its allocated spectrum for terrestrial services does not cause harmful interference with GPS receivers even though it is clear that it does not; and (vi) publishing incomplete, misleading, and false information about the potential for harmful interference from Ligado's development of its authorized spectrum for terrestrial services.

146. Through these actions, DOD, DOC, and NTIA have prevented Ligado from using its immensely valuable property rights, including the ability to use its ATC authority to deploy terrestrial communications services within the L-Band, lease to others the spectrum for terrestrial use, or enjoy other benefits of its exclusivity. The U.S. Government has eliminated the value of Ligado's property—specifically, its ATC authority, which has been valued as worth up to \$39 billion—and appropriated Ligado's property for its own benefit. These actions have had, and will continue to have, catastrophic economic effects on Ligado, preventing it from earning income from the provision of terrestrial services through its exclusive ATC authority and spectrum. In addition, Ligado's inability to operationalize its ATC authority due to DOD, DOC, and NTIA's interference and the United States' takings—including the inability to lease to others the spectrum for terrestrial use or otherwise monetize its valuable property—has resulted in billions of dollars in additional uncompensated takings. This categorical taking began no later than April 22, 2020—the day the FCC granted Ligado modified ATC authority to use its exclusively licensed spectrum

for terrestrial operations—and it has continued at least through the date of this filing, and on information and belief, will continue indefinitely.

147. For all these reasons, the United States has effected and is continuing to effect a categorical taking for public use within the meaning of the Fifth Amendment of the U.S. Constitution, and Ligado is entitled to just compensation.

COUNT THREE
(Uncompensated Regulatory Taking by DOD, DOC, and NTIA)

148. Ligado re-alleges paragraphs 1 through 140 as if set out fully herein.

149. Although the government may enact regulations and take appropriate action that restricts an owner’s ability to use its own property “to a certain extent, if regulation goes too far it will be recognized as a taking.” *Cedar Point Nursery*, 141 S. Ct. at 2072 (quoting *Pennsylvania Coal Co. v. Mahon*, 260 U.S. 393, 415 (1922)). To determine whether a use restriction effects a taking, courts balance “factors such as the economic impact of the regulation, its interference with reasonable investment-backed expectations, and the character of the government action.” *Id.* (citing *Penn Central Transportation Co. v. City of New York*, 438 U.S. 104, 124 (1978)).

150. The FCC granted Ligado a license and ATC authority to use its exclusively allocated spectrum in order to provide terrestrial communications services. After the FCC did so, Ligado engaged in fundraising and raised approximately \$4 billion in new debt and converted approximately \$6 billion of existing debt to equity, all in reliance on the April 2020 FCC Order. Those investments were reasonable, given the FCC’s final and exclusive authority in allocating spectrum for commercial use.

151. DOD, DOC, and NTIA have made it untenable for Ligado to actually develop and operate such terrestrial services. They have denied Ligado the economic benefits expected to flow from its FCC license, ATC authority, and exclusively allocated spectrum by, among other things:

(i) threatening Ligado's business partners in order to interfere with the formation or performance of contracts necessary for the development of Ligado's authorized terrestrial spectrum; (ii) failing to engage with the regulatory process and thereby delaying FCC action on Ligado's Applications; (iii) failing to implement the provisions of the April FCC 2020 Order, which provides for federal agencies to engage in information sharing and planning discussions in order to facilitate the deployment of Ligado's terrestrial services; (iv) making submissions to Congress to cause it to include punitive provisions in the NDAA to prevent Ligado from utilizing the spectrum for terrestrial services; (v) failing to certify under the NDAA that Ligado's use of its allocated spectrum for terrestrial services does not cause harmful interference with GPS receivers even though it is clear that it does not; and (vi) publishing incomplete, misleading, and false information about the potential for harmful interference from Ligado's development of its authorized spectrum for terrestrial services. And DOD, DOC, and NTIA have accomplished these actions by specifically burdening and targeting Ligado, a private actor, for an alleged public benefit—the quintessential character of a regulatory taking.

152. Ligado's business model, financing arrangements, and ATC Applications were all predicated on its ability to use its exclusive FCC license to provide FCC-authorized terrestrial communications services, including the ability to lease to others its terrestrial capacity in that spectrum or otherwise monetize its valuable property. DOD, DOC, and NTIA's actions have rendered Ligado unable to proceed with its FCC-approved plans. The U.S. Government has gutted the value of Ligado's property—including its ATC authority, which has been valued as worth up to \$39 billion—and appropriated Ligado's property for its own benefit. These actions have had, and will continue to have, catastrophic economic effects on Ligado, preventing it from earning income from its exclusive license, ATC authority, and spectrum. In addition, Ligado's inability

to operationalize its FCC license and ATC authority due to DOD, DOC, and NTIA’s interference and the United States’ takings—including the inability to lease to others the terrestrial capacity in the spectrum or otherwise monetize its valuable property—has resulted in billions of dollars in additional uncompensated takings. This regulatory taking began no later than April 22, 2020—the day the FCC granted Ligado modified ATC authority to use its exclusively licensed spectrum for terrestrial operations—and it has continued at least through the date of this filing, and on information and belief, will continue indefinitely.

153. For all these reasons, the United States has effected and is continuing to effect a regulatory taking for public use within the meaning of the Fifth Amendment of the U.S. Constitution, and Ligado is entitled to just compensation.

COUNT FOUR
(Uncompensated Legislative Taking by the United States through the 2021 NDAA)

154. Ligado re-alleges paragraphs 1 through 146 as if set out fully herein.

155. Congress’ passage of Subtitle E of Title XVI of the 2021 NDAA—which, among other things, takes away the right of any company that partners with Ligado on its terrestrial services to do business with DOD (the largest government agency and employer in the United States)—destroyed Ligado’s ability to form the partnerships necessary to deploy terrestrial services in its spectrum and thereby effected a legislative taking of Ligado’s property rights in its FCC license and ATC authority.

156. Although Congress may enact laws that restrict an owner’s ability to use its own property to a limited extent, if “the regulatory restrictions in the new statute[] go ‘too far’ in constraining them,” the legislation becomes a taking. *See Cienega Gardens v. United States*, 331 F.3d 1319, 1328 (Fed. Cir. 2003); *see also Whitney Benefits, Inc. v. United States*, 926 F.2d 1169 (Fed. Cir. 1991). As with other governmental action, to determine whether legislation effects a

taking, courts balance “factors such as the economic impact of the regulation, its interference with reasonable investment-backed expectations, and the character of the government action.” *Cienega Gardens*, 331 F.3d at 1337 (citing *Penn Central Transportation Co.*, 438 U.S. at 124). Likewise, when a “regulation denies all economically beneficial or productive use” of private property, that legislation amounts to a categorical regulatory taking. *See Lucas*, 505 U.S. at 1019.

157. The FCC granted Ligado an exclusive license and ATC authority to use its authorized spectrum to provide terrestrial communications services in the April 2020 FCC Order. After the FCC did so, Ligado engaged in fundraising and raised approximately \$4 billion in new debt and converted approximately \$6 billion of existing debt to equity in October 2020, all in reliance on the finality of the FCC’s decision. Those investments were reasonable, given the FCC’s final and exclusive authority in allocating spectrum for commercial use.

158. After the FCC granted Ligado authority to develop and operate terrestrial communications services in its allocated and licensed spectrum, Congress took targeted legislative action that deprived Ligado of the very rights afforded by the FCC just months earlier. On January 1, 2021, Congress enacted Subtitle E of Title XVI of the 2021 NDAA, which specifically prohibited DOD from expending any funds to work with Ligado or implement certain provisions of the April 2020 FCC Order. The 2021 NDAA also barred DOD from contracting with Ligado or *any* entity that works with or uses Ligado’s commercial terrestrial communications services. In other words, Congress enacted a law that prohibited both DOD and any business that contracts with DOD from working with Ligado—an American company critical to the global 5G arms race.

159. These provisions destroy Ligado’s ability to use and develop its exclusively licensed spectrum to provide terrestrial services in accordance with the April 2020 FCC Order. The 2021 NDAA prevents Ligado from partnering with any and all clients or vendors that also

contract with DOD, by far the nation's largest purchaser of goods and services. That penalty is, in practice, a prohibition on contracting with Ligado to develop its licensed spectrum for terrestrial services. The statute also diminishes the value of Ligado's licensed spectrum in other ways—for example, by prohibiting the use of funds to retrofit GPS receivers or otherwise implement the terms of the April 2020 FCC Order until certain certifications are made. In short, the 2021 NDAA sounded a death knell for Ligado's ability to use the ATC authority conferred by Ligado's FCC license, to provide commercial terrestrial communications services, and to exact any economic value from the terrestrial capacity in its allocated spectrum.

160. Ligado's business model, contracts, financing arrangements, and ATC Applications were all predicated on its ability to use its exclusive FCC license to provide FCC-authorized terrestrial communications services, including the ability to lease to others the terrestrial capacity of its spectrum. The 2021 NDAA rendered Ligado unable to proceed with its FCC-approved plans. The United States has eliminated the value of Ligado's property, appropriated Ligado's property for its own benefit, and has done so through means that go beyond a simple use restriction and instead constitute a quintessential legislative taking. These actions have had, and will continue to have, catastrophic economic effects on Ligado, preventing it from earning income from the ATC authority conferred by its FCC-licensed spectrum. In addition, Ligado's inability to operationalize its FCC license for terrestrial services due to the United States' takings—including the inability to lease to others the terrestrial capacity of spectrum or otherwise monetize its valuable property—has resulted in billions of dollars in additional uncompensated takings. This legislative taking began on or about January 1, 2021—the day Congress enacted the 2021 NDAA—and it has continued at least through the date of this filing, and on information and belief, will continue indefinitely.

161. For all these reasons, the United States has effected and is continuing to effect a legislative taking for public use within the meaning of the Fifth Amendment of the U.S. Constitution, and Ligado is entitled to just compensation.

PRAYER FOR RELIEF

WHEREFORE, Ligado specifically requests that judgment be entered:

- A. Ordering the United States to provide Ligado just compensation in an amount to be determined at trial for its past, present, and future taking of Ligado's rights pursuant to the April 2020 FCC Order and prior FCC orders to (i) deploy terrestrial services in the 1526 to 1536 MHz, 1627.5 to 1637.5 MHz, and 1646.5 to 1656.5 MHz bands; (ii) lease to others its rights to deploy terrestrial services in the 1526 to 1536 MHz, 1627.5 to 1637.5 MHz, and 1646.5 to 1656.5 MHz bands; and (iii) enjoy the benefits of exclusivity in the 1526 to 1536 MHz, 1627.5 to 1637.5 MHz, and 1646.5 to 1656.5 MHz bands;
- B. Granting Ligado costs and attorneys' fees pursuant to 28 U.S.C. § 2412; and
- C. Such other and further relief that the court deems just and proper.

Qualifications

2. I am a Partner and the Global Head of the Financing and Capital Solutions Group at PWP, which I joined in 2016. PWP is a full-service investment banking firm providing strategic and financial advisory services, including with respect to mergers and acquisitions, capital raising, and restructuring transactions, across a broad range of industries. PWP and its senior professionals have extensive experience with respect to the reorganization and restructuring of distressed companies, both out of court and in chapter 11 proceedings.

3. I have approximately 35 years of investment banking and capital structure advisory experience assisting companies on a wide range of strategic matters. I have advised companies, creditors, shareholders and other stakeholders with respect to issues relating to chapter 11 plan negotiations, debtor-in-possession (“DIP”) financings, cash collateral usage, sale processes under section 363 of the Bankruptcy Code, and new money recapitalizations, in each case analyzing and evaluating business plans, cash flow forecasts and liquidity needs, as well as evaluating, negotiating and structuring DIP financings. Prior to joining PWP, I was a partner at Goldman Sachs and most recently served as Head of the Americas Restructuring Group as part of their U.S. Leveraged Finance team. Prior to working at Goldman Sachs, I worked for UBS and MJ Whitman in restructuring and distressed securities. Prior to that time, I worked at Lehman Brothers. I received a Bachelor of Arts degree from Emory University and an MBA from the Wharton School at the University of Pennsylvania.

4. In addition to working with the Debtors in the above-captioned chapter 11 cases, my experience includes representing companies, boards, creditors, and other stakeholders in a variety of situations across a broad range of industries, including the chapter 11 cases of: American Tire Distributors, Bonanza Creek, Breitburn Energy, Bristow Group, California Resources

Corporation, Concordia Pharmaceuticals, Crossmark Holdings, Eco-Bat Technologies, Fieldwood Energy, FTX, Garrett Motion, iHeart Communications, LATAM Airlines, Memorial Production Partners, Ocean Rig, Pacific Drilling, Pacific Sunwear, Sanchez Energy Corporation, Seadrill, Sears Ltd., Video Equipment Rental Corporation, Windstream and 21st Century Oncology. In addition, while at Goldman Sachs, I was involved in the following bankruptcy cases: Bridge Information Systems, Brothers Gourmet Coffees, Calpine, CRC Communications, Essar Algoma, Focal Communications, General Growth Properties, Lehman Brothers, Network Plus, Nextel International, Orchard Supply, Qwest Communications and 360 Networks.

5. I am authorized to submit this Declaration on behalf of the Debtors. I am being compensated through payments received by PWP as the investment banker proposed to be retained by the Debtors in these cases, and I am not compensated separately for this testimony. Except as otherwise indicated herein, all the facts set forth in this Declaration are based upon my personal knowledge, my review of relevant documents, information provided to me by other PWP professionals involved in advising the Debtors, or information provided to me by the Debtors. If called upon to testify, I could and would testify to the facts set forth herein on that basis.

The Debtors' Need for Access to a DIP Facility and Cash Collateral

6. The Debtors use cash on hand and cash-flow from operations to fund their working-capital needs and other general corporate purposes. As of the Petition Date, the Debtors estimate that they have approximately \$9.626 million of cash on hand. During these chapter 11 cases, the Debtors will need current liquidity to satisfy payroll, meet overhead obligations, satisfy the costs, fees, and expenses (including all professional fees and expenses) of administering these cases, and for the continued management, operation, and preservation of their business. The ability to satisfy

these expenses as and when due is essential to the Debtors' successful operation of their business during these cases, and their restructuring efforts.

7. Immediate access to DIP financing and use of cash collateral is essential to the Debtors' ability to meet working capital and business operating needs and fund expenses associated with these cases. It is critically important to ensure that the Debtors have sufficient funds to preserve and maximize the value of their estates, and responsibly administer these chapter 11 cases. Without prompt access to DIP financing and use of cash collateral, the Debtors may be unable to pay employee wages, administer these cases, and otherwise preserve and maximize the value of their estates. Absent the immediate relief requested by the DIP Motion, the Debtors face a risk of immediate and substantial harm, to the detriment of all stakeholders.

8. In consultation with their advisors, the Debtors reviewed and analyzed their projected cash flows to determine the requisite amount of DIP financing. Based on this analysis, the Debtors ultimately determined that they would require incremental liquidity of \$115 million to operate smoothly during the postpetition period. Based on management's cash-flow forecast, the Debtors' management team, in consultation with their advisors, compiled the Initial DIP Budget. Based on the forecasted funding requirements reflected in the Initial DIP Budget, the liquidity provided under the proposed DIP Financing will provide the Debtors with sufficient liquidity to meet their day-to-day obligations, fund the operational and administrative costs of these chapter 11 cases, and satisfy working capital requirements and other operational expenses, all of which will preserve the value of the Debtors' estates for the benefit of their stakeholders.

The DIP Facility

9. The terms of the DIP Facility are detailed in the DIP Motion and the DIP Loan Agreement. The DIP Facility contemplates financing in the form of up to \$939,133,507 in term

loans to be funded as follows: (a) new money term loans to be made in (i) an Initial Draw of \$12 million following the entry of the Interim DIP Order, and (ii) after the entry of the Final DIP Order, subsequent new money term loan draws in an aggregate principal amount of \$429,999,891 which will be available, subject to satisfaction of certain milestones and conditions precedent, and (b) a roll-up of prepetition 1L Debt Obligations (other than 1L First Out Obligations) in the aggregate principal amount of at least \$441,999,891 and up to \$497,133,616 upon entry of the Final Order upon the terms and conditions set forth in the proposed DIP Order. As noted in the DIP Motion, the loans to be advanced under the DIP Facility (the “DIP Loans”) carry an interest rate of 17.5%% per annum, payable in kind (or 15.5% per annum to the extent a cash interest election is made), and will also carry (v) a Commitment Fee of 5%, payable in kind on commitments as of the Closing Date, (w) a DIP First Funding Discount Fee of 5%, payable in kind on the aggregate amount of DIP First Funding Loans made on the DIP First Funding Date, (x) a DIP Second Funding Discount Fee of 5%, payable in kind on the aggregate amount of DIP Second Funding Loans made on the DIP Second Funding Date (other than any Excess DIP Second Funding Loan Proceeds returned to DIP Lenders on the DIP Second Funding Date), (y) a DIP DDTL Funding Discount Fee of 5%, payable in kind on the aggregate amount of DIP Delayed Draw Term Loans made on the DIP DDTL Funding Date, and (z) a DIP Unused Commitment Fee of 3% per annum, payable in kind on unused DIP DDTL Commitments and DIP Second Funding Commitments.

10. As described in the DIP Motion, upon entry of the Final DIP Order, the proceeds of the DIP Facility will be used to consummate a refinancing in full of the 1L First Out Loan Obligations.

11. Certain members of the Ad Hoc Cross-Holder Group and the *ad hoc* group of Prepetition First Lien Lenders (together, the “Ad Hoc Groups”) and certain other holders of Prepetition Secured Obligations have committed to backstop the entire new money portion of the DIP Facility in exchange for receiving a 12.5% non-cash Backstop Fee, payable in kind on commitments as of the Closing Date.

12. As noted in the DIP Motion, the DIP Loans will be secured by senior secured superpriority liens on substantially all assets and property of the Debtors, subject to certain permitted exceptions, permitted senior liens, and a carve-out for professional expenses. The DIP Facility shall mature upon the scheduled maturity date and certain events as set forth in the DIP Loan Agreement, including the date of substantial consummation of a plan of reorganization. The scheduled maturity date is initially set at the 4-month anniversary of the Petition Date, but may be extended with the consent of certain DIP Lenders by five additional 4-month periods, which would bring the scheduled term of the DIP Facility to two years in total.

The Debtors’ Prepetition Marketing Efforts

13. In the days leading up to these chapter 11 cases, the Debtors, with the assistance of PWP, made inquiries into potential sources of DIP financing, including the Debtors’ existing lenders or affiliates of existing lenders, and solicited proposals from various lending institutions with experience in providing such financing. The Debtors, with the assistance of PWP, contacted eleven potential lenders that PWP believed might be interested in providing DIP financing to the Debtors in an amount sufficient to fund the Debtors’ operations in chapter 11.

14. None of these potential lenders submitted proposals for a DIP facility and no additional lenders expressed interest in participating in a DIP facility. Ultimately, many of the

parties contacted by PWP reported that they were unwilling to extend financing to the Debtors due to a number of factors.

15. I believe that the marketing process used to determine the most viable DIP financing for the Debtors was appropriate under the circumstances, including, without limitation, in light of the Debtors' condition, timing concerns, and the existing capital structure.

16. The Debtors were unable to obtain sufficient credit either (a) on an administrative priority basis, (b) secured by liens on unencumbered property, or (c) secured solely by junior liens on already encumbered property.

17. As part of these marketing efforts, the Debtors, with the assistance of PWP, engaged in discussions with the Ad Hoc Groups regarding both their interest in providing DIP financing as well as their willingness to consent to third-party DIP financing. I supervised these efforts on behalf of PWP and, along with individuals at PWP who report to me, directly interacted with these potential lenders.

18. The Debtors did not receive any viable DIP proposals from any third-party lenders. The only DIP proposal the Debtors received was from certain Prepetition Secured Parties (the "Existing Lender Proposal"). After considering all other options, the Debtors, in consultation with their advisors, including me and other individuals at PWP who report to me, determined that the Existing Lender Proposal was the best and only financing alternative available to the Debtors.

The DIP Facilities Are the Best and Only Postpetition Financing Option for the

Debtors

19. Based on my experience with debtor-in-possession financing transactions as well as my involvement in the efforts to secure postpetition financing for the Debtors, I believe that the

proposed DIP Facility represents the best presently available financing option under the facts and circumstances of these chapter 11 cases.

20. *First*, as noted in the Motion, the proposed DIP Facility and the use of Cash Collateral are expected to provide the Debtors with access to the amount of capital that the Debtors, in consultation with their advisors, believe is necessary to effectively and efficiently administer these chapter 11 cases.

21. *Second*, the terms of the proposed DIP Facility are the result of the negotiations and outreach efforts described above. As noted above, the Debtors, with the assistance of their advisors, solicited other sources of postpetition financing to determine whether the Debtors could obtain such postpetition financing on better terms. However, other than the DIP Lenders, I am not aware of any party that was willing to provide any financing on an unsecured or junior basis and none of the prospective third-party financing sources referred to above seemed willing to engage in a priming fight. The DIP Facility, on the other hand, is supported by the Prepetition Secured Parties and therefore avoids any priming fight.

22. *Third*, I believe that the principal economic terms proposed under the DIP Facility, such as the contemplated pricing, fees, interest rate, default rate, and the roll-up are appropriate for the unique circumstances of this case. In my view, based on the discussions I observed, such economic terms were negotiated at arm's length and reflect the best terms available to the Debtors. It is my belief that the DIP Lenders would not have agreed to provide the DIP Facility without these principal economic terms. Moreover, the Backstop Fee enabled the Debtors to obtain the backstop commitments, which, among other things, ensure that the Debtors have access to the entire proposed DIP Facility.

23. *Fourth*, the DIP Facility is part of a comprehensive Restructuring Support Agreement (the “RSA”) that provides the Debtors many benefits, including incremental liquidity, a plan to recapitalize the balance sheet, and a process for obtaining a strategic investor. Without the DIP, the RSA would be in jeopardy, which would create significant challenges for the Debtors with respect to their plans to exit chapter 11.

24. *Fifth*, the DIP Facility provides for the refinancing of the 1L First Out Loan Obligations. Based on my participation in the discussions and negotiations concerning proposed debtor-in-possession financings for the Debtors, the DIP Lenders were unwilling to extend the DIP Loans (which provide new money loans that will enable the Debtors to operate during the chapter 11 cases) unless the DIP Facility refinanced these prepetition obligations, which refinancing is supported by the Prepetition Secured Parties.

25. *Sixth*, as detailed in the DIP Motion, the Debtors have agreed to provide to the Prepetition Secured Parties several forms of adequate protection to the extent of any diminution in the value of their interests in the Prepetition Collateral. Based on my experience as a restructuring professional, this proposed package is consistent with adequate protection packages provided to prepetition secured lenders in connection with DIP financings of this type.

The DIP Facilities Were Negotiated at Arm’s Length

26. The negotiations among the Debtors and the DIP Lenders with respect to the terms of the DIP Facility, including the interest rate and fees, in which I was closely involved, continued into the days immediately leading up to the Petition Date. In my view, based on the discussions I observed in the course of these negotiations, and my experience negotiating other debtor-in-possession financings, these negotiations were conducted at arm’s length. In addition, I understand

that the DIP Lenders agreed to provide an opportunity for similarly situated creditors to participate in the DIP Facility.

Conclusion

27. In sum, I believe that, in light of the facts described above, the DIP Facility is the best financing option presently available to the Debtors under the circumstances. Additionally, I believe that the principal economic terms proposed under the DIP Facility (including the pricing, fees, and interest rate) are consistent with the circumstances of this case, were negotiated at arm's length, and are, in the aggregate, generally consistent with terms of DIP financings in comparable circumstances. For each of the foregoing reasons, I believe that granting the relief requested in the DIP Motion is in the best interests of the Debtors, their estates, and all parties in interest.

The Indemnified Parties shall not be entitled to indemnification, contribution or reimbursement pursuant to the Engagement Agreement for services other than the services provided under the Engagement Agreement, unless such services and the indemnification, contribution or reimbursement therefore are approved by the Court;
- b. Notwithstanding anything to the contrary in the Engagement Agreement, the Debtors shall have no obligation, for any claim or expense that is either: (i) judicially determined (the determination having become final) to have arisen from the Indemnified Parties' gross negligence, willful misconduct, or fraud; (ii) for a contractual dispute in which the Debtors allege the breach of the Indemnified Parties' contractual obligations if the Court determines that indemnification contribution or reimbursement would not be permissible pursuant to *In re United Artists Theatre Co.*, 315 F.3d 217 (3d Cir. 2003); or (iii) settled prior to a judicial determination under (i) or (ii), but determined by this Court, after notice and a hearing, to be a claim or expense for which the Indemnified Parties' should not receive indemnity, contribution, or reimbursement under the terms of the Engagement Agreement as modified by this Order; and
- c. If, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these cases (that order having become a final order no longer subject to appeal), or (ii) the entry of an order closing these cases, the Indemnified Parties believe that they are entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, contribution and/or reimbursement obligations under the Engagement Agreement (as modified by this Order), including without limitation the advancement of defense costs, the Indemnified Parties must file an application therefor in this Court, and the Debtors may not pay any such amounts to the Indemnified Parties before the entry of an order by this Court approving the payment. This paragraph is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by the Indemnified Parties for indemnification, contribution or reimbursement, and not a provision limiting the duration of the Debtors' obligation to indemnify the Indemnified Parties. All parties-in-interest shall retain the right to object to any demand by the Indemnified Parties for indemnification, contribution, or reimbursement.

13. The limitation of liability provision contained in the Engagement Agreement shall have no force and effect during the pendency of the chapter 11 cases.

14. In the event Omni is unable to provide the Claims and Noticing Services, Omni shall immediately notify the Clerk and the Debtors' counsel and cause all original proofs of claim and related computer information to be turned over to another claims and noticing agent with the advice and consent of the Clerk and the Debtors' counsel.

15. The Debtors may submit a separate retention application, pursuant to section 327 of the Bankruptcy Code and/or any applicable law, for any services they may wish Omni to perform that are not specifically authorized by this Order.

16. Omni shall not cease providing Claims and Noticing Services in these chapter 11 cases for any reason, including nonpayment, without an order of the Court authorizing Omni to do so; *provided that* Omni may seek such an order on expedited notice by filing a request with the Court with notice to the Debtors, the U.S. Trustee, any official committee of creditors appointed in these cases, the Ad Hoc Cross-Holder Group, and the Ad Hoc First Lien Group by facsimile or overnight delivery; *provided, further, that*, except as expressly provided herein, the Debtors and Omni may terminate or suspend other services in accordance with the Engagement Agreement.

17. Notice of the Application shall be deemed good and sufficient notice thereof, and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are waived by such notice.

18. In the event of any inconsistency between the Engagement Agreement, the Application, and this Order, this Order shall govern.

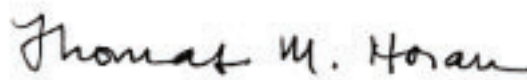

19. The Debtors are authorized to execute and deliver such documents and to take and perform all actions necessary to implement and effectuate the relief granted in this Order.

20. The requirements of Bankruptcy Rule 6003(b) shall be deemed satisfied, the relief granted being necessary to avoid immediate and irreparable harm.

21. This Order is immediately effective and enforceable notwithstanding the provisions of Bankruptcy Rule 6004(h) or otherwise.

22. This Court retains jurisdiction with respect to all matters arising from or related to the enforcement of this Order.

consistent with Article III of the United States Constitution; and this Court having found that venue in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the notice of the Motion and of the opportunity to be heard at the hearing thereon were appropriate under the circumstances and that no other notice need be provided, except as set forth herein; and this Court having reviewed the Motion and the First Day Declaration and having heard the statements and argument in support of the relief requested at a hearing before this Court (the "Hearing"); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is **HEREBY ORDERED THAT**:

1. The Motion is granted on an interim basis as set forth herein.

1. The final hearing on the Motion shall be held on February 5, 2025, at 1:00 p.m., prevailing Eastern Time (the "Final Hearing"). Any objections or responses to entry of a final order on the Motion shall be filed on or before 4:00 p.m., prevailing Eastern Time on January 29, 2025 (the "Objection Deadline"), and served on the following parties: (i) the Debtors, 10802 Parkridge Boulevard, Reston, VA 20191; (ii) proposed counsel to the Debtors, (a) Milbank LLP, (x) 55 Hudson Yards, New York, NY 10001, Attn: Dennis F. Dunne, Esq. (ddunne@milbank.com), Matthew L. Brod, Esq. (mbrod@milbank.com), and Lauren C. Doyle, Esq. (ldoyle@milbank.com), and (y) 1850 K Street, NW, Suite 1100, Washington, DC 20006, Attn: Andrew M. Leblanc, Esq. (aleblanc@milbank.com), and (b) Richards, Layton & Finger, PA, 920 North King St, Wilmington, DE 19801, Attn: Mark Collins (collins@rlf.com), Michael J. Merchant (merchant@rlf.com), and Amanda R. Steele (steele@rlf.com); and (iii) the Notice Parties. If no objections or responses are timely filed and served as set forth herein, the Debtors

shall, on or after the Objection Deadline, submit to the Court an order, substantially in the form of the Final Order attached to the Motion, which Final Order may be entered with no further notice or need for the Final Hearing.

2. Subject to the terms set forth herein, the Debtors are authorized, but not directed, to: (i) continue operating the Cash Management System and honor their prepetition obligations related thereto; (ii) continue to use the Bank Accounts in existence as of the Petition Date without the need to comply with certain guidelines relating to bank accounts set forth in the U.S. Trustee Guidelines; (iii) treat the Bank Accounts for all purposes as accounts of the Debtors as debtors in possession; (iv) continue to use their Credit Cards; (v) use, in their present form, all checks and other Business Forms (including letterhead) without reference to the Debtors' status as debtors in possession; and (vi) pay the Bank Fees, including any fees that accrued before the Petition Date, and to otherwise perform their obligations under the documents governing the Bank Accounts; provided that in the case of each of (i) through (vi), such action is taken in the ordinary course of business and consistent with prepetition practices.

3. The Cash Management Banks are authorized, but not directed, to continue to maintain, service, and administer the Bank Accounts without interruption and in the ordinary course, and to receive, process, honor, and pay, to the extent of available funds, any and all checks, drafts, wires, credit card payments, and ACH transfers issued and drawn on the Bank Accounts after the Petition Date.

4. Subject to the terms set forth herein, any bank, including any Cash Management Bank, may rely upon the representations of the Debtors with respect to whether any check, draft, wire, or other transfer drawn or issued by the Debtors prior to the Petition Date should be honored pursuant to an order of this Court, and no bank that honors a prepetition check or other item drawn

on any account that is the subject of this Interim Order (i) at the direction of the Debtors, (ii) in a good-faith belief that this Court has authorized such prepetition check or item to be honored, or (iii) as a result of a mistake made despite implementation of customary handling procedures, shall be deemed to be nor shall be liable to the Debtors, their estates, or any other party on account of such prepetition check or other item being honored postpetition, or otherwise deemed to be in violation of this Interim Order.

5. The existing deposit agreements between the Debtors and the Cash Management Banks shall continue to govern the postpetition relationships between the applicable Debtors and Cash Management Banks, and all of the provisions of such agreements, including, without limitation, the termination and fee provisions, and any provisions relating to offset or charge back rights with respect to return items, shall remain in full force and effect.

6. The Debtors are authorized, but not directed, to continue using, and, if used, to perform their obligations in connection with, their Credit Cards and to pay any amounts owing with respect thereto, including any amounts relating to the prepetition period.

7. The Debtors and the Cash Management Banks may, without further order of this Court, agree to and implement changes to the Cash Management System and procedures related thereto in the ordinary course of business, including, without limitation, the opening of any new bank accounts and the closing of any existing Bank Accounts, so long as any such new account is with a bank that is designated as an Authorized Depository by the U.S. Trustee for the District of Delaware or is willing to execute a Uniform Depository Agreement with the U.S. Trustee for the District of Delaware as soon as reasonably practicable; *provided* that if the Debtors open or close any Bank Account, such opening or closing shall be timely reflected on the Debtors' next monthly operating report and, the Debtors shall provide notice within fifteen (15) days to the U.S. Trustee,

any official committee appointed in these chapter 11 cases, counsel to the Ad Hoc Cross-Holder Group, and counsel to the Ad Hoc First Lien Group. Subject to the terms hereof, the Debtors are authorized, in the ordinary course of business, to enter into any ancillary agreements, including new deposit account control agreements, related to the foregoing, as they may deem necessary and appropriate.

8. The relief granted in this Interim Order is extended to any new bank account opened by the Debtors in the ordinary course of business after the date hereof. Each such account shall be deemed a Bank Account, and the bank at which such account is opened shall be deemed a Cash Management Bank; *provided*, that the Debtors shall open any new Bank Account at a bank that has executed a Uniform Depository Agreement with the U.S. Trustee for the District of Delaware or at a bank that is willing to immediately execute such an agreement. In the event that such bank does not execute a Uniform Depository Agreement, the U.S. Trustee for the District of Delaware's rights are fully reserved.

9. For each bank that has executed a Uniform Depository Agreement with the U.S. Trustee for the District of Delaware (each, a "UDA Bank"), the Debtors must, as soon as possible, (i) contact each such UDA Bank, (ii) provide the UDA Bank with each of the Debtors' employer identification numbers, and (iii) identify each of the Debtors' Bank Accounts held at such UDA Bank as being held by a debtor in possession in a bankruptcy case and provide the case number.

10. All banks maintaining any of the Bank Accounts that are provided with notice of this Interim Order shall not honor or pay any bank payments drawn on the listed Bank Accounts or otherwise issued before the Petition Date for which the Debtors specifically issue stop payment orders in accordance with the documents governing such Bank Accounts. Each Cash Management Bank is otherwise authorized to debit the Debtors' accounts in the ordinary course of business

without the need for further order of this Court for all checks and electronic payment requests when presented for payment, and each Cash Management Bank is authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Interim Order without any duty of further inquiry and without liability for following the Debtors' instructions. The Debtors are authorized to issue postpetition checks, or to effect postpetition fund transfer requests, in replacement of any checks or fund transfer requests with respect to prepetition amounts owed that are dishonored as a consequence of the filing of these cases.

11. The Cash Management Banks are authorized, in the ordinary course and without further order of this Court, to deduct all applicable Bank Fees, whether arising prepetition or postpetition, from the applicable Bank Accounts and to charge back to the appropriate accounts any returned items (including returned checks or returned items resulting from ACH transactions, wire transfers, or other electronic transfers of any kind), regardless of whether such returned items were deposited or transferred prepetition or postpetition.

12. Each of the Cash Management Banks is authorized to debit the Debtors' accounts, in the ordinary course of business and without the need for further order of this Court, for all checks or other items deposited in the Debtors' accounts prior to the Petition Date which have been dishonored or returned unpaid for any reason, together with any fees and costs in connection therewith.

13. Any banks, including the Cash Management Banks, are further authorized to honor the Debtors' directions with respect to the opening and closing of any Bank Account and accept and hold, or invest, the Debtors' funds in accordance with the Debtors' instructions.

14. The Debtors are authorized to continue to use their checks, correspondence, and other Business Forms including, but not limited to, purchase orders, letterhead, envelopes, and

promotional materials, substantially in the forms existing immediately prior to the Petition Date, without reference to the Debtors' debtor-in-possession status; *provided*, that once the Debtors' existing checks have been used, the Debtors shall, when reordering checks, require the designation "Debtor in Possession" and the corresponding bankruptcy case number on all checks; *provided, further*, that, with respect to checks which the Debtors or their agents print themselves, the Debtors shall begin printing the "Debtor in Possession" legend and the bankruptcy case number on such items within ten (10) days of the date of entry of this Interim Order.

15. Continuation and maintenance of the Bank Accounts (including the Investment Account and the Ligado Networks Canadian Dollar Disbursement/Operating Account) is approved on an interim basis. The Debtors shall have thirty (30) days from the Petition Date within which to either come into compliance with section 345(b) of the Bankruptcy Code and Local Rule 4001-3, and such extension is without prejudice to the Debtors' right to request a further extension or waiver of the requirements of section 345(b) of the Bankruptcy Code pursuant to the Final Order or otherwise.

16. The Debtors are authorized to continue engaging in Intercompany Transactions and incurring Intercompany Claims in the ordinary course of business, consistent with historical practice; *provided that*, for the avoidance of doubt, the Debtors shall not be authorized to undertake any Intercompany Transactions or incur any Intercompany Claims that are not on the same terms as, or materially consistent with, the Debtors' operation of their business in the ordinary course before the Petition Date. The Debtors shall continue to maintain current records with respect to all Intercompany Transactions, such that any transfer may be readily ascertained, traced, and properly recorded on the Debtors' books and records. The Debtors shall make such records

available on a confidential basis to counsel to the Ad Hoc Cross-Holder Group and counsel to the Ad Hoc First Lien Group upon reasonable request.

17. All postpetition claims arising from Intercompany Transactions authorized hereunder shall be entitled to administrative expense priority status under section 503(b) of the Bankruptcy Code.

18. Notwithstanding use of a consolidated Cash Management System, the Debtors shall calculate quarterly fees under 28 U.S.C. § 1930(a)(6) based on the disbursements of each Debtor, regardless of which entity makes those disbursements.

19. Nothing contained in the Motion or this Interim Order shall be construed to (i) create or perfect, in favor of any person or entity, any interest in cash of a Debtor that did not exist as of the Petition Date or (ii) alter or impair the validity, priority, enforceability, or perfection of any security interest or lien, in favor of any person or entity, that existed as of the Petition Date.

20. Notwithstanding the relief granted in this Interim Order and any actions taken pursuant to such relief, nothing in this Interim Order shall be deemed: (i) an admission as to the amount of, basis for, or validity of any claim against the Debtors; (ii) a waiver of the Debtors' or any other party's right to dispute any claim; (iii) a promise or requirement to pay any particular claim; (iv) an admission that any particular claim is of a type described in the Motion; (v) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (vi) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (vii) a waiver of any claims or causes of action. If this Court grants the relief sought herein, any payment made pursuant to this Court's order is not intended and should not be

construed as an admission as to the validity of any particular claim or a waiver of the Debtors' rights to subsequently dispute such claim.

21. The Motion satisfies the requirements of Bankruptcy Rule 6003(b).

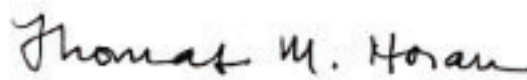

22. Notice of the Motion as described therein shall be deemed good and sufficient notice thereof and the relief requested therein, and the requirements of Bankruptcy Rule 6004(a) and the Local Bankruptcy Rules are satisfied by such notice.

23. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order are immediately effective and enforceable upon its entry.

24. The Debtors are authorized to take all actions that are necessary and appropriate to effectuate the relief granted in this Interim Order.

25. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.

1. The Motion is granted on an interim basis as set forth herein.
2. The final hearing on the Motion shall be held on February 5, 2025, at 1:00 p.m., prevailing Eastern Time (the “Final Hearing”). Any objections or responses to entry of a final order on the Motion shall be filed on or before 4:00 p.m., prevailing Eastern Time on January 29, 2025 (the “Objection Deadline”), and served on the following parties: (i) the Debtors, 10802 Parkridge Boulevard, Reston, VA 20191; (ii) proposed counsel to the Debtors, (a) Milbank LLP, (x) 55 Hudson Yards, New York, NY 10001, Attn: Dennis F. timely filed and served as set forth herein, the Debtors shall, on or after the Objection Deadline, submit to the Court an order, substantially in the form of the Final Order attached to the Motion, which may be entered with no further notice or need for the Final Hearing.

3. The Debtors are authorized, but not directed, to pay all prepetition amounts associated with the Compensation and Benefits Programs, in an aggregate amount not to exceed \$235,000 on an interim basis; *provided, however*, that notwithstanding any other provision of this Interim Order, prior to entry of the Final Order, the Debtors shall not pay to any individual Employee, Independent Contractor, or Manager any amounts on account of prepetition compensation obligations in excess of \$15,150 or that otherwise exceed the amounts set forth in sections 507(a)(4) or 507(a)(5) of the Bankruptcy Code.

4. Except as noted in paragraph 7, prior to entry of the Final Order, the Debtors shall not pay any amounts under the Non-Insider Severance Program or Bonus Programs.

5. Nothing herein shall be deemed to authorize the payment of any amounts that violate or implicate section 503(c) of the Bankruptcy Code; *provided* that nothing herein shall prejudice the Debtors' ability to seek approval of relief pursuant to section 503(c) of the Bankruptcy Code under a separate motion at a later time; *provided further*, that the Debtors shall consult with counsel to the Ad Hoc Cross-Holder Group and counsel to the Ad Hoc First Lien Group at least three (3) business days prior to filing such motion.

6. The Debtors shall not make any payments under the Transaction Commission Plan, absent further order of the Court.

7. The Debtors are authorized, but not directed, to pay any accrued but unused Paid Leave and Vacation Leave or amounts on account of the Non-Insider Severance Program to any

Employee whose employment terminates postpetition where the failure to do so would result in a violation of applicable federal, state, provincial, or foreign law.

8. Subject to the terms of this Interim Order, the Debtors are authorized, but not directed, to continue to satisfy all postpetition obligations on account of the Compensation and Benefits Programs and to otherwise continue such programs in the ordinary course of business and in accordance with the Debtors' prepetition policies and practices (as such may be modified, amended, or supplemented from time to time in the ordinary course of business, provided that the Debtors shall consult with counsel to the Ad Hoc Cross-Holder Group and counsel to the Ad Hoc First Lien Group at least five (5) business days prior to making any such modifications, amendments, or supplements that are not in the ordinary course of business).

9. The Debtors are authorized to pay, in the ordinary course of business, all postpetition costs and expenses incidental to the Compensation and Benefits Programs, including all administrative and processing costs and payments to third parties.

10. The Debtors are authorized to forward any unpaid amounts on account of Deductions, Payroll Taxes, or any other amounts collected on behalf of another party to the appropriate taxing authorities or other recipients in accordance with the Debtors' prepetition policies and practices.

11. Pursuant to section 362(d) of the Bankruptcy Code, (i) Employees are authorized to proceed with their workers' compensation claims in the appropriate judicial or administrative forum in accordance with the Workers' Compensation Programs, and the Debtors are authorized to take all steps necessary and appropriate with respect to the resolution of any such claims, and (ii) the notice requirements pursuant to Bankruptcy Rule 4001(d) with respect to clause (i) are waived; *provided* that such claims are pursued in accordance with the Workers' Compensation

Program and recoveries, if any, are limited to the proceeds from the applicable insurance policy. This modification of the automatic stay pertains solely to claims pursued under the Workers' Compensation Program.

12. The Debtors shall maintain a matrix or schedule of amounts paid pursuant to the Bonus Programs and the Non-Insider Severance Program, subject to the terms and conditions of this Interim Order, including the following information: (i) the title of the claimant paid; (ii) the amount of the payment to such claimant; (iii) the total amount paid to the claimant to date; (iv) the payment date; and (v) the purpose of such payment. The Debtors shall provide a copy of such matrix or schedule on a confidential basis to counsel to Ad Hoc Cross-Holder Group and counsel to the Ad Hoc First Lien Group on a monthly basis beginning with the month following entry of this Interim Order.

13. Notwithstanding anything in this Interim Order, the Debtors are not authorized to accelerate any payments not due and payable before the Final Hearing.

14. The Financial Institutions on which checks were drawn or electronic payment requests made in payment of prepetition obligations on account of the Compensation and Benefit Programs are authorized to receive, process, honor, and pay all such checks and electronic payment requests when presented for payment (to the extent of funds on deposit), and all such Financial Institutions are authorized to rely on the Debtors' designation of any particular check or electronic payment request as approved by this Interim Order without any duty of further inquiry and without liability for following the Debtors' instructions.

15. The Debtors are authorized to issue postpetition checks or effect new funds transfers on account of the unpaid obligations associated with the Compensation and Benefits

Programs to replace any prepetition checks or funds transfer requests that may be lost, dishonored, or rejected as a result of the commencement of these chapter 11 cases.

16. Nothing contained herein is intended or should be construed to grant administrative priority status to any claim on account of any Compensation and Benefits Program that does not already exist pursuant to the Bankruptcy Code.

17. Notwithstanding the relief granted in this Interim Order and any actions taken pursuant to such relief, nothing in this Interim Order shall be deemed: (i) an admission as to the amount of, basis for, or validity of any claim against the Debtors; (ii) a waiver of the Debtors' or any other party's right to dispute any claim; (iii) a promise or requirement to pay any particular claim; (iv) an admission that any particular claim is of a type described in the Motion; (v) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (vi) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (vii) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law.

18. The Motion satisfies the requirements of Bankruptcy Rule 6003(b).

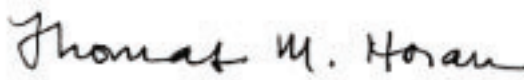

19. Notice of the Motion as described therein shall be deemed good and sufficient notice of the Motion, and the requirements of Bankruptcy Rule 6004(a) are satisfied by such notice.

20. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order are immediately effective and enforceable upon its entry.

21. The Debtors are authorized to take all actions that are necessary and appropriate to effectuate the relief granted in this Interim Order.

22. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.

February 29, 2012; and this Court having found that this is a core proceeding pursuant to 28 U.S.C. § 157(b)(2) and that this Court may enter a final order consistent with Article III of the United States Constitution; and this Court having found that venue in this district is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and this Court having found that the notice of the Motion and of the opportunity to be heard at the hearing thereon were appropriate under the circumstances and that no other notice need be provided, except as set forth herein; and this Court having reviewed the Motion and the First Day Declaration and having heard the statements and argument in support of the relief requested at a hearing before this Court (the “Hearing”); and this Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish just cause for the relief granted herein; and upon all of the proceedings had before this Court; and after due deliberation and sufficient cause appearing therefor, it is **HEREBY ORDERED THAT:**

1. The Motion is granted on an interim basis as set forth herein (this “Interim Order”).
2. The final hearing (the “Final Hearing”) on the Motion shall be held on February 5, 2025, at 1:00 p.m., prevailing Eastern Time. Any objections or responses to entry of a final order on the Motion shall be filed on or before 4:00 p.m., prevailing Eastern Time on January 29, 2025, and served upon the following parties: (i) the Debtors, 10802 Parkridge Boulevard, Reston, VA 20191; (ii) proposed counsel to the Debtors, (a) Milbank LLP, (x) 55 Hudson Yards, New York, NY 10001, Attn: Dennis F. served as set forth herein, the Debtors shall, on or after the Objection Deadline, submit to the Court a final order, substantially in the form of Exhibit B attached to the Motion, which may be entered with no further notice or need for the Final Hearing.

3. The Debtors are authorized, but not directed, to remit and pay, or use credits to offset, Taxes and Fees, including all Taxes and Fees subsequently determined upon audit or otherwise to be owed for the period prior to the Petition Date, in the ordinary course of business during the course of these cases, including all Taxes and Fees that (i) accrued and were unpaid (in whole or in part) as of the Petition Date; (ii) were paid by the Debtors prepetition, but such payment was lost or not otherwise received in full by the Authorities; (iii) were incurred for prepetition periods but did not become due until after the Petition Date; or (iv) were inadvertently not paid in the ordinary course of business prior to the Petition Date (the foregoing, the “Prepetition Taxes and Fees”). To the extent that the Debtors have overpaid any Taxes or Fees, the Debtors are authorized to seek a refund or credit on account of any such Taxes or Fees. The Debtors are not authorized to pay any amounts on account of Taxes and Fees for which the Debtors have received invoices with a payment date prior to the Petition Date, subject to entry of the Final Order.

4. In the event the Debtors make a payment with respect to any Taxes for periods that begin prepetition and end postpetition (“Straddle Taxes”), and if the Court subsequently determines that any portion of such Straddle Taxes is not entitled to treatment as a priority or administrative tax claim under Bankruptcy Code section 507(a)(8) or 503(b)(1)(B), the Debtors may, in their sole discretion (but shall not be required to), seek an order from the Court requiring a return of such amounts and the payment of such amount shall, upon order of the Court, be refunded to the Debtors.

6. The Debtors are authorized, but not directed, to continue the Debtors' offsetting practices with respect to any Taxes and Fees in the ordinary course, to the extent such offsetting occurs between the Petition Date and the date of entry of a Final Order.

7. Prior to making a payment to any of the Authorities under the Motion, the Debtors are authorized, but not directed, to settle some or all of the Taxes and Fees for less than their face amount without further notice or hearing. The Debtors are authorized, but not directed, to issue postpetition checks, and to issue postpetition fund transfer requests in replacement of any checks or fund transfer requests that are dishonored as a consequence of the filing of these cases with respect to prepetition amounts owed in connection with the relief granted herein.

10. Notwithstanding the relief granted in this Interim Order and any actions taken pursuant to such relief, nothing in this Interim Order shall be deemed: (i) an admission as to the amount of, basis for, or validity of any claim against the Debtors; (ii) a waiver of the Debtors' or any other party's right to dispute any claim; (iii) a promise or requirement to pay any particular claim; (iv) an admission that any particular claim is of a type described in the Motion; (v) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (vi) an admission as to the validity, priority, enforceability, or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (vii) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law.

11. The Motion satisfies the requirements of Bankruptcy Rule 6003(b).

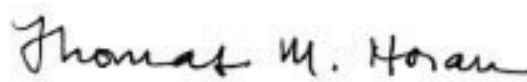

12. Notice of the Motion as described therein is deemed good and sufficient notice the Motion and the relief requested therein.

13. Notwithstanding Bankruptcy Rule 6004(h), the terms of this Interim Order are immediately effective and enforceable upon its entry.

3. The Adequate Assurance Deposit, together with the Debtors' ability to pay for postpetition Utility Services in the ordinary course of business, subject to the Adequate Assurance Procedures, shall constitute adequate assurance of future payment as required by section 366 of the Bankruptcy Code.

4. Until such time as the Court enters the Final Order, all Utility Companies are prohibited from altering, refusing, or discontinuing services on account of any unpaid prepetition charges, the commencement of these cases, or any perceived inadequacy of the Proposed Adequate Assurance.

5. The Debtors are directed to cause the Adequate Assurance Deposit to be held in the Adequate Assurance Account during the pendency of these chapter 11 cases. No liens shall encumber the Adequate Assurance Deposit or the Adequate Assurance Account.

6. The following Adequate Assurance Procedures are hereby approved on an interim basis:

- a. The Debtors will serve a copy of the Motion and this Interim Order on each Utility Company listed on the Utility Services List as soon as practicable following entry of this Interim Order in accordance with Local Rule 9013-1(m)(iv).

The Debtors shall honor such request within ten (10) business days after the date on which they receive the request, unless the Debtors and the requesting Utility Company resolve the issues raised in such request without resorting to disbursement from the Adequate Assurance Account. To the extent a Utility Company receives a disbursement from the Adequate Assurance Account, the Debtors shall replenish the Adequate Assurance Account in the amount so disbursed.

- d. Any Utility Company desiring additional assurance of payment in the form of deposits, prepayments, or otherwise must serve an Additional Assurance Request on the Adequate Assurance Notice Parties.
- e. Any Additional Assurance Request must (i) be in writing; (ii) identify the location(s) for which the applicable Utility Services are being provided and the applicable account number(s); (iii) provide evidence that the Debtors have a direct obligation to the Utility Company; (iv) summarize the Debtors’ payment history relevant to the affected account(s) for the past twelve (12) months, including the outstanding overdue amount; (v) certify that the Utility Company is not being paid in advance for its services; and (vi) set forth the Utility Company’s reasons for believing that the Proposed Adequate Assurance is not sufficient adequate assurance of future payment.
- f. Any Utility Company that does not file an Additional Assurance Request shall be (i) deemed to have received adequate assurance of payment “satisfactory” to such Utility Company in compliance with section 366 of the Bankruptcy Code and (ii) prohibited from (1) discontinuing, altering, refusing services to, or discriminating against, the Debtors on account of any unpaid prepetition charges or (2) requiring any assurance of payment other than the Proposed Adequate Assurance.

- g. The Debtors shall have thirty (30) calendar days from the receipt of an Additional Assurance Request (the “Resolution Period”) to negotiate a resolution of such Additional Assurance Request.
- h. The Debtors may, in consultation with counsel to the Ad Hoc Cross-Holder Group and counsel to the Ad Hoc First Lien Group, and without further order of the Court, (i) resolve any Additional Assurance Request by mutual agreement with the applicable Utility Company and (ii) in connection with any such agreement, provide such Utility Company with additional adequate assurance of future payment, including, but not limited to, a cash deposit, prepayment, or another form of security.
- i. If the Debtors determine, in consultation with counsel to the Ad Hoc Cross-Holder Group and counsel to the Ad Hoc First Lien Group, that the Additional Assurance Request is not reasonable and are unable to reach a resolution with the applicable Utility Company during the Resolution Period, they shall, during the Resolution Period or immediately thereafter, request a hearing before the Court to determine the adequacy of the Proposed Assurance of Payment with respect to such Utility Company pursuant to section 366(c)(3) of the Bankruptcy Code.
- j. Pending resolution of the Additional Assurance Request by the Court, the applicable Utility Company shall be prohibited to alter, refuse, or discontinue its Utility Services to the Debtors on account of unpaid charges for prepetition services, a pending Adequate Assurance Request, or any objections to the Proposed Adequate Assurance.
- k. Without a further order of the Court, (i) the portion of the Adequate Assurance Deposit attributable to any Utility Company shall be returned to the Debtors (1) on the date on which the Debtors reconcile and pay such Utility Company’s final invoice in accordance with applicable non-bankruptcy law following the termination of the Utility Services provided by such Utility Company and (2) when there are no outstanding disputes related to postpetition payments due to such affected Utility Company and (ii) the Adequate Assurance Account may be closed, and any remaining portion of the Adequate Assurance Deposit returned to the Debtors, on the earlier of the effective date of the their chapter 11 plan or such other time that the applicable chapter 11 case is closed. Any funds returned to the Debtors pursuant to this provision shall be subject to the terms and conditions of any then-applicable debtor in possession financing or cash collateral order.

7. The Utility Companies are prohibited from requiring additional adequate assurance of payment other than pursuant to the Adequate Assurance Procedures.

8. Unless and until a Utility Company serves an Additional Assurance Request on the Debtors and the other Adequate Assurance Notice Parties, such Utility Company shall be: (i) deemed to have received adequate assurance of payment “satisfactory” to such Utility Company in compliance with section 366 of the Bankruptcy Code and (ii) prohibited from (a) discontinuing, altering, refusing services to, or discriminating against, the Debtors on account of any unpaid prepetition charges or (b) requiring any assurance of payment other than the Proposed Adequate Assurance.

9. The inclusion of any entity in, or the omission of any entity from, the Utility Services List shall not be deemed an admission by the Debtors that such entity is or is not a “utility” within the meaning of section 366 of the Bankruptcy Code, and the Debtors reserve all rights and defenses with respect thereto.

10. The Debtors are authorized, in consultation with counsel to the Ad Hoc Cross-Holder Group and counsel to the Ad Hoc First Lien Group, to amend the Utility Services List to add or remove any Utility Company, and this Interim Order shall apply in all respects to any Utility Company that is subsequently added to the Utility Services List. For those Utility Companies that are subsequently added to the Utility Services List, the Debtors shall cause a copy of this Interim Order to be served on such Utility Companies, along with an amended Utility Services List that includes such Utility Company. The Debtors shall, as soon as possible after the Utility Company is added to the Utility Services List, increase the aggregate amount of the Adequate Assurance Deposit by an amount equal to the cost of two weeks of services provided by such subsequently added Utility Company, calculated as a historical average during the twelve (12) month period prior to the Petition Date. A Utility Company added to the Utility Services List shall be permitted to make an Additional Assurance Request in accordance with the Adequate Assurance Procedures.

11. Upon the termination of Utility Services by any Utility Company, the Debtors may, in their discretion and without further order of this Court, reduce the Adequate Assurance Deposit by an amount equal to the lesser of (i) the estimated two-week cost of the Utility Services being discontinued and (ii) the amount of the Adequate Assurance Deposit then attributable to the applicable Utility Company. The Debtors may amend the Utility Services List to remove a Utility Company only after the Debtors have provided two weeks' advance notice to such Utility Company and have not received any objection from such Utility Company. If an objection is received, the Debtors shall request a hearing before this Court at the next omnibus hearing date, or such other date that the Debtors and the Utility Company may agree upon.

12. The banks and financial institutions on which checks were drawn or electronic payment requests made in payment of the postpetition invoices of the Utility Companies in the ordinary course of business as approved herein are authorized to: (i) receive, process, honor, and pay all such checks and electronic payment requests when presented for payment and (ii) rely on the Debtors' designation of any particular check or electronic payment request as approved by this Interim Order, without any duty of further inquiry and without liability for following the Debtors' instructions.

13. Notwithstanding the relief granted in this Interim Order and any actions taken pursuant to such relief, nothing in this Interim Order shall be deemed: (i) an admission as to the amount of, basis for, or validity of any claim against the Debtors; (ii) a waiver of the Debtors' or any other party's right to dispute any claim; (iii) a promise or requirement to pay any particular claim; (iv) an admission that any particular claim is of a type described in the Motion; (v) a request or authorization to assume, adopt, or reject any agreement, contract, or lease pursuant to section 365 of the Bankruptcy Code; (vi) an admission as to the validity, priority, enforceability,

or perfection of any lien on, security interest in, or other encumbrance on property of the Debtors' estates; or (vii) a waiver of any claims or causes of action which may exist against any entity under the Bankruptcy Code or any other applicable law.

14. The Motion satisfies the requirements of Bankruptcy Rule 6003(b).

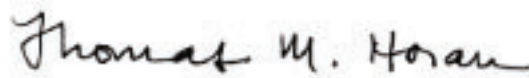

15. Notice of the Motion as described therein is deemed good and sufficient notice of the Motion, and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

16. Notwithstanding Bankruptcy Rule 6004(h), the terms of this Interim Order are immediately effective and enforceable upon its entry.

17. The Debtors are authorized to take all actions that are necessary and appropriate to effectuate the relief granted in this Interim Order.

18. The Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.

(f) No Control. None of the DIP Secured Parties nor the Prepetition Secured Parties control the Loan Parties or their properties or operations, have the authority to determine the manner in which any of the Loan Parties' operations are conducted, or is a control person or insider under the Bankruptcy Code of the Loan Parties or any of their affiliates by virtue of any prepetition actions or holdings, including any of the prepetition acts, rights, or investments taken with respect to, in connection with, related to, or arising from the DIP Orders, the DIP Facility, the DIP Loan Documents, the 1L Loan Obligations, the 1L Notes Obligations, the 1.5L Loan Obligations, the 2L Notes Obligations, or the Prepetition Loan/Notes Documents.

(g) Release. Effective upon entry of the Final Order, each of the Debtors, on behalf of themselves and their respective estates, forever and irrevocably release and forever discharge the DIP Secured Parties (solely in their capacity as such) and each of their respective former, current and future officers, directors, employees, shareholders, owners, members, managers, partners, subsidiaries, affiliates, funds or managed accounts, agents, advisors, attorneys, accountants, investment bankers, consultants and other representatives, together with each of their predecessors and successors in interest (collectively, the "Released Parties") from any and all claims, offsets, defenses, counterclaims, set off rights, objections, challenges, causes of action and/or choses in action, liabilities, losses, damages, responsibilities, disputes, remedies, actions, suits, controversies, reimbursement obligations (including, attorneys' fees), costs, expenses or judgments of every type, whether known or unknown, asserted or unasserted, fixed or contingent, pending or threatened, of any kind or nature whatsoever, whether arising at law or in equity (including, without limitation, any so-called "lender liability" or equitable subordination claims or defenses, recharacterization, subordination, avoidance, any claim arising under or pursuant to section 105 or chapter 5 of the Bankruptcy Code or under any other similar provisions of applicable state or federal law or any other claim or cause of action arising under the Bankruptcy Code or applicable non-bankruptcy law), in each case, arising under, in connection with, or related to the Debtors or their estates, the extent, amount, validity, enforceability, priority, security and perfection of the DIP Facility, the DIP Obligations, the DIP Liens, the DIP Loan Documents, the obligations owing and the financial obligations made thereunder, the negotiation thereof and of the deals reflected thereby, in each case that the Debtors at any time had, now have or may have, or that their successors or assigns hereafter can or may have against any of the Released Parties for or by reason of any act, omission, matter, cause or thing whatsoever arising at any time on or prior to the date of the entry of this Interim Order; *provided* that the release set forth in this paragraph G(g) shall not limit or release the obligations of any DIP Secured Party under the DIP Loan Documents.

(h) Cash Collateral. All of the Debtors' cash and cash equivalents, whether existing as of the Petition Date or thereafter, wherever located (including, without limitation, all cash on deposit or maintained by the Debtors in any account or accounts), constitutes or will constitute "cash collateral" of the Prepetition Secured Parties within the meaning of section 363(a) of the Bankruptcy Code (the "Cash Collateral"). All Cash Collateral, all proceeds of the Prepetition Collateral, and the DIP Collateral, including proceeds realized from any sale or disposition thereof, or from payment thereon, and all proceeds of the DIP Facility (net of any amounts used to pay fees, costs, and expenses payable under this Interim Order or the Final Order, as applicable) shall be used or applied in accordance with the terms and conditions of this Interim Order, the Approved Budget (subject to Permitted Variances in accordance with the DIP Loan Agreement), and the DIP Loan Documents and for no other purpose unless otherwise agreed to between the Loan Parties and the DIP Lenders.

H. Prepetition Permitted Prior Liens. Nothing herein shall constitute a finding or ruling by this Court that any alleged Prepetition Permitted Prior Lien is valid, senior, enforceable, prior, perfected, or non-avoidable. Moreover, nothing herein shall prejudice the rights of any party-in-interest, including, but not limited to, the Prepetition Secured Parties to challenge the validity, priority, enforceability, seniority, non-avoidability, perfection, or extent of any alleged Prepetition Permitted Prior Lien and/or any other purportedly prior security interests.

I. Findings Regarding Corporate Authority. Upon entry of this Interim Order, each Loan Party has all requisite power and authority to execute and deliver, and each Loan Party is directed to execute and deliver, the DIP Loan Documents to which it is a party and to perform its obligations thereunder.

J. Findings Regarding Postpetition Financing and Use of Cash Collateral.

(a) Good Cause. Good and sufficient cause has been shown for the entry of this Interim Order and for authorization of the Debtors to obtain financing pursuant to the DIP Facility and the DIP Loan Documents.

(b) Immediate Need for Postpetition Financing and Use of Cash Collateral. The Debtors' need to use the Prepetition Collateral (including Cash Collateral) and to obtain credit pursuant to the DIP Facility as provided for herein is critical to avoid serious and irreparable harm

to the Debtors, their estates, their creditors, and other parties in interest. The Debtors have a need to obtain the DIP Loans and other financial accommodations and to continue to use the Prepetition Collateral (including Cash Collateral) in order to, among other things: (i) avoid the liquidation of their estates; (ii) permit the orderly continuation of the operation of their businesses; (iii) maintain business relationships with customers, vendors, and suppliers, including purchasing necessary materials and services to maintain compliance with all applicable regulatory and safety requirements; (iv) make payroll; (v) satisfy other working capital, capital improvement, and operational needs; (vi) pay professional fees, expenses, and obligations benefitting from the Carve Out and Administration Charge; and (vii) pay costs, fees, and expenses associated with or payable under the DIP Facility, subject to the terms of the DIP Orders, DIP Recognition Orders, and the DIP Loan Documents. The Debtors' use of Cash Collateral alone would be insufficient to meet the Debtors' cash disbursement needs during the pendency of these chapter 11 cases. The access by the Debtors to sufficient working capital and liquidity through the use of Cash Collateral and other Prepetition Collateral, incurrence of new indebtedness under the DIP Loan Documents, and other financial accommodations provided under the DIP Loan Documents are necessary and vital to avoid an immediate liquidation and for the preservation and maintenance of the going concern values of the Debtors' estates. The extensions of credit under the DIP Facility, pursuant to the DIP Loan Documents and the DIP Orders, are fair and reasonable, reflect each Debtor's exercise of prudent business judgment, and are supported by reasonably equivalent value and fair consideration.

(c) **No Credit Available on More Favorable Terms.** The Debtors are unable to obtain unsecured credit allowable under section 503(b)(1) of the Bankruptcy Code as an administrative expense. The Debtors have also been unable to obtain: (a) unsecured credit having

priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) other than as set forth herein, credit secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. The Debtors assert in the Motion, the First Day Declaration, and in the DIP Declaration, and demonstrated at the Interim Hearing, that they have been unable to procure the necessary financing on terms more favorable, taken as a whole, than the financing offered by the DIP Lenders pursuant to the DIP Loan Documents. In light of the foregoing, and considering all alternatives, the Debtors have reasonably and properly concluded, in the exercise of their sound business judgment, that the DIP Facility represents the best financing available to the Debtors at this time, and is in the best interests of the Debtors, their Estates, and all of their stakeholders.

(d) Use of Proceeds of the DIP Facility and Cash Collateral. As a condition to entry into the DIP Loan Documents, the extension of credit and other financial accommodations made under the DIP Facility, and the consent to use Cash Collateral and the proceeds of the DIP Facility, each of the DIP Secured Parties require, and the Debtors have agreed, that Cash Collateral, the proceeds of the DIP Facility, and all other cash or funds of the Debtors shall be used solely in accordance with the terms and conditions of the DIP Orders and the DIP Loan Documents and solely to the extent in compliance with the Approved Budget (subject to variances permitted under the DIP Loan Agreement (“Permitted Variances”)), and for no other purpose.

(e) The Roll-Up Loans. Based on the record presented to the Court, including the DIP Declaration, a roll-up of the DIP Loans subject to entry of the Final Order is necessary and beneficial to the Debtors and their estates. Moreover, the DIP Secured Parties were unable or unwilling to provide the DIP Facility absent the protections provided pursuant to the DIP Loan

Documents and this Interim Order, as more fully set forth in the DIP Declaration and the DIP Loan Documents. Accordingly, subject to (i) entry of the Final Order, (ii) the Carve Out, and (iii) the challenge rights set forth in paragraph 27 hereof, without any further action by the Debtors or any other party, the Roll-Up Loans shall be converted into DIP Obligations. Such conversion shall be authorized as compensation for, in consideration for, and solely on account of, those holders of 1L Debt Obligations (or their affiliates or Approved Funds) (other than 1L First Out Loan Obligations) that are also DIP Lenders or affiliates thereof to fund the DIP New Money Loans and not as payments under, adequate protection for, or otherwise on account of, any Prepetition Secured Obligations. The Prepetition Secured Parties would not otherwise consent to the use of their Cash Collateral or the subordination of their liens to the DIP Liens, and the DIP Lenders would not be willing to provide the DIP New Money Loans or extend credit to the Debtors thereunder without the inclusion of the Roll-Up Loans in the DIP Obligations.

(f) Adequate Protection for Prepetition Secured Parties. Subject to the challenge rights set forth in paragraph 27 hereof and subject to the Carve Out, the Prepetition Secured Parties are entitled, pursuant to sections 361, 362, 363(e), 502, and 507 of the Bankruptcy Code, to adequate protection, as and to the extent set forth in this Interim Order, of their interests in all Prepetition Collateral, including Cash Collateral, in an amount equal to the diminution in the value of the Prepetition Secured Parties' interests in the Prepetition Collateral (including Cash Collateral) from and after the Petition Date, if any, for any reason provided for under the Bankruptcy Code, including, without limitation, any diminution resulting from the use, sale, or lease by the Loan Parties of the Prepetition Collateral, the imposition of the DIP Liens, the payment of any amounts under the Carve Out, the AST Break-Up Fee (if any), or the Administration Charge, and the imposition of the automatic stay (the "Diminution in Value"). Based on the DIP

1000

Motion, the DIP Declaration, and the First Day Declaration, and the record presented to the Court at the Interim Hearing, the terms of the adequate protection arrangements and of the use of Prepetition Collateral (including Cash Collateral) are fair and reasonable, reflect the Debtors' prudent exercise of business judgment, and constitute reasonably equivalent value and fair consideration for the use of Prepetition Collateral (including Cash Collateral).

(g) **Consent.** To the extent such consent is required, the Prepetition Secured Parties have, or shall be deemed to have, consented to the Debtors' use of Prepetition Collateral (including Cash Collateral) and the Loan Parties' entry into the DIP Facility and the DIP Loan Documents, in each case, in accordance with and subject to the terms and conditions of this Interim Order and the DIP Loan Documents.

(h) **Limitation on Charging Expenses Against Collateral.** Subject to and effective upon entry of the Final Order, no costs or expenses of administration of these chapter 11 cases or any Successor Cases or any future proceeding that may result therefrom, including liquidation in bankruptcy or other proceedings under the Bankruptcy Code, shall be charged against or recovered from the DIP Collateral (including Cash Collateral) and/or Prepetition Collateral pursuant to section 506(c) of the Bankruptcy Code or any similar principle of law, without the prior written consent of the DIP Secured Parties, and no consent shall be implied from any other action, inaction, or acquiescence by the DIP Secured Parties, and nothing contained in this Interim Order shall be deemed to be a consent by the DIP Secured Parties to any charge, lien, assessment, or claims against the DIP Collateral or Prepetition Collateral under section 506(c) of the Bankruptcy Code or otherwise.

(i) **No Marshaling.** Subject to and effective upon entry of the Final Order, in no event shall the DIP Secured Parties or the Prepetition Secured Parties be subject to the equitable

doctrine of “marshaling” or any similar doctrine with respect to the DIP Collateral, the Prepetition Collateral, the DIP Obligations, or the Prepetition Secured Obligations. Further, subject to and effective upon entry of the Final Order, in no event shall the “equities of the case” exception in section 552(b) of the Bankruptcy Code apply to the Prepetition Secured Parties with respect to proceeds, products, offspring, or profits of any Prepetition Collateral.

(j) Business Judgment and Good Faith Pursuant to Section 364(e). Based on the DIP Motion, the DIP Declarations, the First Day Declaration, and the record presented to the Court at the Interim Hearing, (i) the extension of credit and other financial accommodations made under the DIP Facility and the DIP Loan Documents, (ii) the fees and other amounts paid and to be paid thereunder, (iii) the terms of adequate protection granted to the Prepetition Secured Parties, (iv) the terms on which the Debtors may continue to use Prepetition Collateral (including Cash Collateral), and (v) the Cash Collateral arrangements described therein and herein, in each case, pursuant to this Interim Order and the DIP Loan Documents, (a) are fair, reasonable, and appropriate for secured financing to a debtor-in-possession; (b) reflect the Debtors’ exercise of prudent business judgment consistent with their fiduciary duties; (c) are supported by reasonably equivalent value and fair consideration; and (d) represent the best financing available to the Debtors. The DIP Facility and the use of Prepetition Collateral (including Cash Collateral) were negotiated in good faith and at arm’s length among the Debtors, the DIP Secured Parties, and the Prepetition Secured Parties. The use of Prepetition Collateral (including Cash Collateral) and the credit to be extended under the DIP Facility shall be deemed to have been so allowed, advanced, made, used and/or extended in good faith, and for valid business purposes and uses, within the meaning of section 364(e) of the Bankruptcy Code, and the DIP Secured Parties and the Prepetition

Secured Parties are therefore entitled to the protection and benefits of section 364(e) of the Bankruptcy Code and this Interim Order.

(k) Good Faith of DIP Secured Parties. The DIP Facility, the adequate protection granted to the Prepetition Secured Parties, and the use of Prepetition Collateral (including Cash Collateral) hereunder have been negotiated in good faith and at arm's length among the Debtors, the DIP Secured Parties, and their respective advisors, and all of the Debtors' obligations and indebtedness arising under, in respect of, or in connection with, the DIP Facility and the DIP Loan Documents, including, without limitation, all loans and other financial accommodations made to and guarantees issued by the Debtors pursuant to the DIP Loan Documents and any Obligations shall be deemed to have been extended by the DIP Secured Parties and their respective affiliates in good faith, as that term is used in section 364(e) of the Bankruptcy Code, and in express reliance upon the protections offered by section 364(e) of the Bankruptcy Code, and the claims, security interests and liens, and other rights, benefits, and protections granted to the DIP Secured Parties (and the successors and assigns thereof) pursuant to this Interim Order, and the DIP Loan Documents shall each be entitled to the full protection of section 364(e) of the Bankruptcy Code and paragraphs 37 and 39 hereof in the event that this Interim Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise.

(l) Good Faith of Prepetition Secured Parties. The Prepetition Secured Parties have acted in good faith regarding the DIP Facility and the Debtors' continued use of Prepetition Collateral (including Cash Collateral) to fund the administration of the Debtors' estates and continued operation of their businesses (including the incurrence and payment of any adequate protection obligations and the granting of adequate protection liens), in accordance with the terms hereof, and the adequate protection claims, security interests and liens, and other rights, benefits

and protections granted to the Prepetition Secured Parties (and their successors and assigns thereof) pursuant to this Interim Order, and the DIP Loan Documents shall each be entitled to the full protection of section 364(e) of the Bankruptcy Code and paragraphs 37 and 39 hereof in the event that this Interim Order or any provision hereof is vacated, reversed, or modified on appeal or otherwise.

(m) **Initial Budget.** The Debtors have prepared and delivered to the DIP Lenders an initial budget (the “Initial Budget”), a copy of which is attached hereto as **Exhibit 2**. The Initial Budget reflects the Debtors’ anticipated cash receipts and anticipated disbursements for each calendar week during the period from the Petition Date through and including the end of the thirteenth (13th) calendar week following the Petition Date (the Initial Budget and each subsequent budget approved in accordance with the DIP Loan Agreement, an “Approved Budget”). The Debtors believe that the Initial Budget is reasonable under the facts and circumstances. The DIP Lenders are relying upon the Debtors’ agreement to comply with the Approved Budget (subject to Permitted Variances), the DIP Loan Agreement and the other DIP Loan Documents and this Interim Order in determining to enter into the postpetition financing arrangements provided for herein. The Prepetition Secured Parties are relying upon the Debtors’ agreement to comply with the Approved Budget (subject to Permitted Variances) and this Interim Order in determining to consent to the use of Cash Collateral and entering into the postpetition financing arrangements provided for herein.

(n) **Credit Bid Rights.** The Debtors hereby acknowledge and agree that, subject to and effective upon entry of the Final Order, they shall not object, or support any objection, to the DIP Agent’s (at the direction of the Required Lenders) and the Prepetition Secured Party Representatives’ (at the direction of the applicable required Prepetition Secured Parties) right

1004

to credit bid (either directly or through one or more acquisition vehicles), up to the full amount of the underlying parties' respective claims, in any sale of all or any portion of the Prepetition Collateral or the DIP Collateral effectuated through section 363 of the Bankruptcy Code, whether in a chapter 11 or chapter 7 proceeding, to the extent that such credit bid complies with the terms of the applicable DIP Loan Documents or Prepetition Loan/Notes Documents; *provided* that so long as the Restructuring Support Agreement remains in effect with respect to AST, the DIP Agent's and the Prepetition Secured Party Representatives' right to credit bid shall be subject to the rights and limitations set forth in the Restructuring Support Agreement, and the DIP Agent and the Prepetition Secured Party Representatives shall not credit bid their respective claims against the AST Transaction.

(o) **Relief Essential; Best Interests of the Debtors' Estates.** The Debtors have requested entry of this Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and 4001(c)(2). The Court concludes that entry of this Interim Order is in the best interests of the Debtors' estates, and is necessary, essential, and appropriate for the continued operation of the Debtors' businesses and the management and preservation of their assets and properties.

NOW THEREFORE, based upon the foregoing findings and conclusions, the DIP Motion, the DIP Declarations, the First Day Declaration, and the record before this Court, and after due consideration, and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. **DIP Motion Approved.** The DIP Motion is granted on an interim basis in accordance with and subject to the terms and conditions of this Interim Order and the DIP Loan Documents. Any objections to the relief set forth in this Interim Order that have not been

withdrawn, waived, or settled, and all reservation of rights included therein, are hereby overruled on the merits.

2. Authorization of DIP Facility.

(a) Subject to the terms and conditions of this Interim Order, each of the Loan Parties is hereby authorized and empowered to execute, enter into, guarantee (as applicable), and perform all obligations under the DIP Facility and the DIP Loan Documents. The DIP Loan Documents and this Interim Order govern the financial and credit accommodations to be provided to the Loan Parties by the DIP Lenders in connection with the DIP Facility.

(b) From the entry of this Interim Order through the earliest to occur of (i) entry of the Final Order or (ii) the DIP Termination Date, the Borrower is authorized and empowered to incur, and the Guarantors are hereby authorized and empowered to unconditionally guarantee, on a joint and several basis, DIP Obligations on account of such incurrence under the DIP Facility up to an aggregate principal amount of \$12,000,000 in DIP New Money Loans on an interim basis, together with applicable interest, protective advances, expenses, fees, and other charges payable in connection with the DIP Facility, as applicable, in each case, subject to the terms and conditions set forth in this Interim Order and the DIP Loan Documents.

(c) Without limiting the foregoing, and without the need for further approval of this Court, each Loan Party is authorized to perform all acts, to make, execute, and deliver all instruments and documents (including, without limitation, the execution or recordation of pledge and security agreements, deeds of trust, and financing statements), and to pay all fees that may be required, necessary, or desirable for the Loan Parties to implement the terms of, performance of their obligations under or effectuate the purposes of and transactions contemplated by this Interim

Order, the DIP Facility, and the DIP Loan Documents (as applicable), including, without limitation:

(i) the execution and delivery of, and performance under, the DIP Loan Documents;

(ii) the execution and delivery of, and performance under, one or more amendments, waivers, consents or other modifications to and under the DIP Loan Documents, in each case, as the Loan Parties and the requisite DIP Secured Parties (in accordance with and subject to the terms of the applicable DIP Loan Documents) may agree, it being understood that no further approval of the Court shall be required for non-material authorizations, amendments, waivers, consents or other modifications to and under the DIP Loan Documents (and any fees and other expenses (including any attorneys', accountants', appraisers', and financial advisors' fees), amounts, charges, costs, indemnities, and other obligations paid in connection therewith) that do not shorten the maturity of the extensions of credit thereunder or increase the aggregate commitments or the rate of interest payable thereunder;

(iii) the non-refundable and, upon entry of this Interim Order, irrevocable payment to the DIP Secured Parties of all fees, costs and expenses, including, without limitation, (a) any Backstop Fee, Commitment Fee, DIP First Funding Discount Fee, DIP Second Funding Discount Fee, DIP DDTL Funding Discount Fee, DIP Unused Commitment Fee, closing fee, upfront fee, exit fee, prepayment fee, unused line fees, arrangement fees, structuring fees, duration fees, commitment fees, servicing fees, audit fees, appraisal fees, servicing fees, liquidator fees, agency fees, prepayment premiums, or similar amounts (which fees, in each case, were, and were deemed to have been, approved

upon entry of this Interim Order, and which fees shall not be subject to any challenge, contest, attack, rejection, recoupment, reduction, defense, counterclaim, offset, subordination, recharacterization, avoidance, or other claim, cause of action, or other challenge of any nature under the Bankruptcy Code, under applicable non-bankruptcy law or otherwise) and any amounts due (or that may become due) in respect of the indemnification obligations, in each case referred to in the DIP Loan Documents and (b) the reasonable and documented fees, costs, and expenses as may be due from time to time of the DIP Agent and the DIP Lenders, including, without limitation, the reasonable and documented fees and expenses of the following professionals (whether or not such fees arose before or after the Petition Date, and whether or not the transactions contemplated hereby are consummated): (i) Kirkland & Ellis LLP and Kirkland & Ellis International LLP (collectively, "Kirkland"), in Kirkland's capacity as counsel to the Ad Hoc Cross-Holder Group, (ii) Sidley Austin LLP ("Sidley"), and Guggenheim Securities, LLC ("Guggenheim"), as counsel and financial advisor to the Ad Hoc First Lien Group, respectively, (iii) any local or foreign legal counsel retained by, or on behalf of, the DIP Lenders (including, for the avoidance of doubt, any local or foreign legal counsel retained by the Ad Hoc Cross-Holder Group or the Ad Hoc First Lien Group, respectively), (iv) Foley & Lardner LLP, as counsel to the DIP Agent, and (v) any local legal counsel retained by, or on behalf of, the DIP Agent (collectively, each of the fees and expenses described in parts (a) and (b) of this paragraph 2(c)(iii), the "DIP Fees and Expenses"), in each case, without the need to provide notice to any party or obtain further Court approval, or, as applicable, without the need to file retention or fee applications with respect thereto;

provided that the DIP Fees and Expenses shall be subject to, and only to, the review, objection, and approval process set forth in paragraph 22;

(iv) the granting of the DIP Liens and the Adequate Protection Liens, the perfection of the DIP Liens and the Adequate Protection Liens, the granting of the DIP Superpriority Claims and the Adequate Protection Claims, and the granting of the DIP Protections, in each case, as set forth herein and in the DIP Loan Documents; and

(v) the performance of all other acts necessary, required, or desirable to implement the DIP Facility and to facilitate the transactions contemplated by the DIP Loan Documents and this Interim Order.

(d) Subject to (i) entry of the Final Order, (ii) the Carve Out, and (iii) the challenge rights set forth in paragraph 27 hereof, the relevant 1L Notes Obligations and 1L Loan Obligations (other than 1L First Out Loan Obligations) shall be deemed fully funded and converted into and exchanged for Roll-Up Loans, in each case in accordance with the terms and conditions set forth in the DIP Loan Agreement and all other terms and conditions of the DIP Loan Documents.

(e) No DIP Secured Party shall have any obligation or responsibility to monitor any Debtor's use of the DIP Facility, and each DIP Secured Party may rely upon each Loan Party's representations that the amount of the DIP Facility requested at any time and the use thereof are in accordance with the requirements of this Interim Order and the DIP Loan Documents.

3. DIP Obligations. Upon entry of this Interim Order, the DIP Loan Documents and the DIP Obligations constitute valid, binding, enforceable, and non-avoidable obligations of each of the Loan Parties, and are fully enforceable against each of the Loan Parties, their estates, and any successors thereto, including, without limitation, any estate representative or trustee appointed

1009

in any of these chapter 11 cases, or any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of these chapter 11 cases, or in any other proceedings superseding or relating to any of the foregoing and/or upon the dismissal of any of these chapter 11 cases or any such successor cases (collectively, the “Successor Cases”), and their creditors and other parties in interest, in each case, in accordance with the terms thereof and the DIP Orders, as applicable. The DIP Obligations include all loans and any other indebtedness or obligations, contingent or absolute, now existing or hereafter arising, which may from time to time be or become owing by any of the Loan Parties to any of the DIP Agent or DIP Lenders, in each case, under, or secured by, the DIP Loan Documents or the DIP Orders, including all principal, interest, costs, fees, expenses, and other amounts under the DIP Loan Documents (including this Interim Order). Upon entry of this Interim Order, the Loan Parties are jointly and severally liable for the DIP Obligations. No obligation, payment, transfer, or grant of security under the DIP Loan Documents or the DIP Orders to the DIP Secured Parties shall be stayed, restrained, voidable, or recoverable under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, 548, or 549 of the Bankruptcy Code, any applicable Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or other state statute or common law), or subject to any defense, reduction, recoupment, recharacterization, subordination, disallowance, impairment, cross-claim, claim, counterclaim, offset, or any other challenge under the Bankruptcy Code or any applicable law.

4. No Obligation to Extend Credit. The DIP Secured Parties shall have no obligation to make any loan or advance under the applicable DIP Loan Documents unless all of the conditions precedent to the making of such extension of credit by the applicable DIP Secured Parties under the applicable DIP Loan Documents and this Interim Order and/or the Final Order,

as applicable, have been satisfied in full or waived by the Required Ad Hoc Holders (as defined in the DIP Loan Agreement) in accordance with the terms of the applicable DIP Loan Documents.

5. DIP Liens.

(a) As security for the DIP Obligations, effective and perfected upon the date of this Interim Order, and without the necessity of the execution, recordation of filings by the Debtors of mortgages, security agreements, control agreements, pledge agreements, financing statements, or other similar documents, or the possession or control by the DIP Agent or any DIP Lender of, or over, any DIP Collateral, the following security interests and liens are hereby granted by the Debtors to the DIP Agent, for the benefit of the DIP Secured Parties (all property identified in clauses (i) and (ii) below being collectively referred to as the “DIP Collateral”), subject only to (w) the AST Break-Up Fee (if any), (x) the Carve Out, (y) the Administration Charge, and (z) the Prepetition Permitted Prior Liens (if any) (all such liens and security interests granted to the DIP Agent, for the benefit of the DIP Lenders, pursuant to this Interim Order and the DIP Loan Documents, the “DIP Liens”):

(i) Subject only to the Carve Out, the AST Break-Up Fee (if any), the Administration Charge, and the Prepetition Permitted Prior Liens (if any), pursuant to section 364(c)(2) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected, non-avoidable, automatically, and properly perfected super-priority senior security interest in and lien upon all property of the Debtors, whether existing on the Petition Date or thereafter acquired, other than any Excluded Property (as defined in the DIP Loan Agreement), that, on or as of the Petition Date is not subject to valid, perfected, and non-avoidable liens (or perfected after the Petition Date to the extent permitted by section 546(b) of the Bankruptcy Code) including, without limitation (in each case, to the

1011

extent not subject to valid, perfected, and non-avoidable liens): all unencumbered assets of the Debtors; all prepetition property and post-petition property of the Debtors' estates, and the proceeds, products, rents and profits thereof, whether arising from section 552(b) of the Bankruptcy Code or otherwise, including, without limitation, unencumbered cash (and any investment of such cash) of the Debtors (whether maintained with the DIP Agent or otherwise); all equipment, all goods, all accounts, cash, payment intangibles, bank accounts and other deposit or securities accounts of the Debtors (including any accounts opened prior to, on, or after the Petition Date); all insurance policies and proceeds thereof, equity interests, instruments, intercompany claims, accounts receivable, other rights to payment, all general intangibles, all contracts and contract rights, securities, investment property, letters of credit and letter of credit rights, chattel paper, all interest rate hedging agreements of the Debtors; all owned real estate, real property leaseholds and fixtures of the Debtors; patents, copyrights, trademarks, trade names, rights under license agreements and other intellectual property of the Debtors; all claims and causes of action of the Debtors; any and all proceeds, products, rents, and profits of the foregoing; and, subject to entry of the Final Order, any proceeds or property recovered in connection with the pursuit of claims or causes of action arising under chapter 5 of the Bankruptcy Code, if any ("Avoidance Actions"); *provided*, that for the avoidance of doubt, and notwithstanding anything to the contrary contained herein, to the extent a lien cannot attach to any of the foregoing pursuant to applicable law, the liens granted herein shall attach to the Debtors' economic rights, including, without limitation, any and all proceeds of the foregoing, subject to entry of the Final Order; and

(ii) Subject only to the Carve Out, the AST Break-Up Fee (if any), the Administration Charge, and the Prepetition Permitted Prior Liens (if any), pursuant to section 364(d)(1) of the Bankruptcy Code, a valid, binding, continuing, enforceable, fully-perfected super-priority senior priming security interest in and lien upon all property of the Debtors that is subject to the Prepetition Liens, including, without limitation, the Prepetition Collateral and Cash Collateral; *provided*, for the avoidance of doubt, and notwithstanding anything to the contrary contained herein, to the extent a lien cannot attach to any of the foregoing pursuant to applicable law, the liens granted pursuant to this Interim Order shall attach to the Debtors' economic rights, including, without limitation, any and all proceeds of the foregoing.

(b) In respect of the DIP Collateral, the DIP Liens shall be subject and subordinate solely to the Carve Out, the AST Break-Up Fee (if any), the Administration Charge, and the Prepetition Permitted Prior Liens.

(c) For the avoidance of doubt, and subject to the relative priorities set forth in herein and on the terms hereof, the term "DIP Collateral" shall include all assets and properties of each of the Loan Parties of any kind or nature whatsoever, other than (i) any Excluded Property (as defined in the DIP Loan Agreement) and (ii) pending entry of the Final Order, Avoidance Actions and the proceeds thereof, whether tangible or intangible, real, personal or mixed, whether now owned by or owing to, or hereafter acquired by, or arising in favor of, any of the Loan Parties, whether prior to or after the Petition Date, whether owned or consigned by or to, or leased from or to, the Loan Parties, solely to the extent of any Loan Party's interest in such assets or properties, and wherever located, in each case, to the extent such assets and property constitute (i) Prepetition Collateral or (ii) "Collateral" as defined in the DIP Loan Documents, and all proceeds, products,

offspring, and profits of each of the foregoing and all accessions to, substitutions and replacements for, each of the foregoing, including any and all proceeds of any insurance, indemnity, warranty, or guaranty payable to any Debtor from time to time with respect to any of the foregoing.

(d) Notwithstanding anything contained herein or in any of the DIP Loan Documents to the contrary, but subject to the Carve Out, the AST Break-Up Fee (if any), and the Administration Charge, the DIP Liens and the DIP Superpriority Claims (i) shall not be made subject to or *pari passu* with (A) any lien, security interest, or claim heretofore or hereinafter granted in any of the Loan Parties' chapter 11 cases or any Successor Cases, (B) any lien that is avoided and preserved for the benefit of the Loan Parties and their estates under section 551 of the Bankruptcy Code or otherwise, or (C) any intercompany or affiliate lien or claim; (ii) shall be valid and enforceable against the Loan Parties, their estates, any trustee, or any other estate representative appointed or elected in the Loan Parties' chapter 11 cases or any Successor Cases and/or upon the dismissal of any of the Loan Parties' chapter 11 cases or any Successor Cases; and (iii) shall not be subject to sections 506(c) (subject to and effective upon entry of the Final Order), 510, 549, 550, or 551 of the Bankruptcy Code.

(e) Any provision of any lease, loan document, easement, use agreement, proffer, covenant, license, contract, organizational document, or other instrument or agreement that requires the consent of any governmental entity or non-governmental entity in order for the Loan Parties to pledge, grant, mortgage, sell, assign, or otherwise transfer any fee or leasehold interest or the proceeds thereof or DIP Collateral, is and shall hereby be deemed to be inconsistent with the provisions of the Bankruptcy Code, and shall have no force or effect with respect to the DIP Liens or Adequate Protection Liens on such leasehold interests or other applicable DIP

1014

Collateral or the proceeds of any assignment and/or sale thereof by any of the Loan Parties, in accordance with the terms of the DIP Loan Documents and this Interim Order.

6. **DIP Superpriority Claims.** Effective as of entry of this Interim Order, the DIP Agent (on behalf of the DIP Secured Parties) is granted, pursuant to section 364(c)(1) and 364(e) of the Bankruptcy Code, an allowed superpriority administrative expense claim in each of the Loan Parties' chapter 11 cases and any Successor Cases thereof on account of the DIP Obligations, with priority over any and all administrative expenses of the kind that are specified in or ordered pursuant to sections 105, 326, 328, 330, 331, 364(c)(1), 365, 503(a), 503(b), 506(c), 507(a), 507(b), 546(c), 1113, 1114, or any other provisions of the Bankruptcy Code and any other claims against the Loan Parties (the "DIP Superpriority Claims"), subject only to, and subordinated in all respects to, payment of the Carve Out and the AST Break-Up Fee (if any). The DIP Superpriority Claims shall, for purposes of section 1129(a)(9)(A) of the Bankruptcy Code, be considered administrative expenses allowed under section 503(b) of the Bankruptcy Code. The DIP Superpriority Claims shall exist against each of the Loan Parties, on a joint and several basis. Notwithstanding anything contained herein or in any of the DIP Loan Documents to the contrary, the DIP Superpriority Claims shall, at all times be senior to any and all other administrative expense claims or other claims against the Loan Parties or their estates, including the Adequate Protection Claims, in the Loan Parties' chapter 11 cases and any Successor Cases, subject only to, and subordinated in all respects to, payment of the Carve Out and the AST Break-Up Fee (if any).

7. **Use of Proceeds of the DIP Facility and Cash Collateral.** The use of Prepetition Collateral (including Cash Collateral) and the proceeds of the DIP Facility is authorized and approved on an interim basis, in each case, in accordance with and subject to the terms and conditions of this Interim Order and the DIP Loan Documents, as applicable. From and after the

Closing Date and until the earlier of the DIP Termination Date or the Cash Collateral Termination Date, the Loan Parties shall be authorized to use Prepetition Collateral (including Cash Collateral), and shall be permitted to draw upon the DIP Facility and the proceeds thereof, subject, in each case, to the terms and conditions of the DIP Orders and the DIP Loan Documents, and solely to the extent in compliance with the Approved Budget (subject to Permitted Variances). For the avoidance of doubt, none of the Debtors will use any DIP Loans, the proceeds of the DIP Facility, or Cash Collateral in a manner or for a purpose other than those consistent with the Approved Budget, the DIP Loan Documents, and this Interim Order. Nothing in this Interim Order shall authorize the disposition of any assets of the Debtors or their estates outside the ordinary course of business, or any of the Debtors' use of any Cash Collateral or other proceeds resulting therefrom, except as expressly permitted in this Interim Order, the DIP Loan Documents, and the Approved Budget. All collections and proceeds of DIP Collateral, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations, or otherwise, will be deposited and applied as required by this Interim Order and the DIP Loan Documents.

8. Disposition of DIP Collateral. The Debtors shall not sell, transfer, lease, encumber, or otherwise dispose of any portion of the DIP Collateral (or enter into any binding agreement to do so) without the prior written consent of the Required Ad Hoc Holders (and no such consent shall be implied from any other action, inaction, or acquiescence by the Required Ad Hoc Holders), except as otherwise permitted by the DIP Loan Documents or as ordered by the Court.

9. Adequate Protection.

(a) Adequate Protection for Prepetition Secured Parties. Subject to the challenge rights set forth in paragraph 27 hereof, the Prepetition Secured Parties are entitled,

pursuant to sections 361, 362, 363(c)(2), 363(e), and 507 of the Bankruptcy Code, to adequate protection of their respective interests in the applicable Prepetition Collateral, including any Cash Collateral, solely to the extent of any Diminution in Value of their interests in the Prepetition Collateral. As adequate protection, the Prepetition Secured Parties are hereby granted the following, in each case subject to the challenge rights set forth in paragraph 27 hereof, the Carve Out, the AST Break-Up Fee (if any), and the Administration Charge:

(i) Adequate Protection Lien. Each of the Prepetition Secured Party Representatives, as applicable, on behalf of the applicable Prepetition Secured Parties, is granted, pursuant to this Interim Order, a valid, binding, enforceable, and automatically perfected postpetition lien on all assets of the Debtors, other than (i) any Excluded Property and (ii) pending entry of the Final Order, Avoidance Actions and the proceeds thereof, to the extent of any Diminution in Value of the Prepetition Secured Parties' interests in the Prepetition Collateral (including Cash Collateral) (except as specified in the proviso below) (the "Adequate Protection Liens"), which Prepetition Secured Parties' Adequate Protection Liens shall be subject to the relative priorities set forth in the Prepetition Intercreditor Agreements in all cases and (x) with respect to the DIP Collateral, shall be subject and subordinate only to (A) the AST Break-Up Fee (if any), (B) the Carve Out, (C) the Administration Charge, (D) the DIP Liens, and (E) the Prepetition Permitted Prior Liens (if any).

(ii) Adequate Protection Claim. Each of the Prepetition Secured Party Representatives, respectively, on behalf of the Prepetition Secured Parties, is hereby granted an allowed superpriority administrative expense claim, to the extent of any Diminution in Value of the Prepetition Secured Parties' interests in the Prepetition

Collateral (including Cash Collateral), as provided for in section 507(b) of the Bankruptcy Code (the “Adequate Protection Claims”), in each of these chapter 11 cases, which Prepetition Secured Parties’ Adequate Protection Claims shall be subject to the relative priorities set forth in the Prepetition Intercreditor Agreements in all cases and which shall be (A) junior to the Carve Out, the AST Break-Up Fee (if any), the Administration Charge, and the DIP Facility, and (B) otherwise senior to any and all other administrative expenses of the kind specified or ordered pursuant to any provision of the Bankruptcy Code. Except to the extent expressly set forth in this Interim Order, or the DIP Loan Documents, the Prepetition Secured Parties shall not receive or retain any payments, property or other amounts in respect of the Prepetition Secured Parties’ Adequate Protection Claims from the DIP Collateral unless and until the Carve Out, the AST Break-Up Fee (if any), the Administration Charge, the DIP Obligations (other than contingent indemnification obligations as to which no claim has been asserted), and any claims having a priority superior to or *pari passu* with the DIP Superpriority Claims have indefeasibly been paid in cash in full and all DIP Loans have been terminated.

(b) Additional Adequate Protection for Prepetition Secured Parties.

Subject to the challenge rights set forth in paragraph 27 hereof, as additional adequate protection of the Prepetition Secured Parties’ security interests in the Prepetition Collateral, including the Cash Collateral, the Debtors are authorized to provide adequate protection in the form of the following:

(i) Fees and Expenses. Pursuant to sections 361, 363(e), 364(d), and 507 of the Bankruptcy Code, as additional adequate protection, the Debtors are authorized and directed to pay all reasonable and documented prepetition and postpetition fees, costs,

expenses, and disbursements (the “Prepetition Secured Parties Adequate Protection Fees and Expenses”) payable to (collectively, the “Prepetition Secured Party Advisors”) (A) Kirkland, in Kirkland’s capacity as counsel to the Ad Hoc Cross-Holder Group, (B) Sidley and Guggenheim, in their respective capacities as counsel and financial advisor to the Ad Hoc First Lien Group, (C) any local or foreign legal counsel retained by, or on behalf of, the Ad Hoc Cross-Holder Group and/or the Ad Hoc First Lien Group, (D) Foley & Lardner LLP, as counsel to the 1L Loan Agents and the 1L Notes Trustee, (E) Jones Day LLP, as counsel to the 1.5L Loan Administrative Agent, (F) Seward & Kissel LLP, as counsel to the 2L Notes Trustee, and (G) any local legal counsel retained by, or on behalf of, the Prepetition Secured Party Representatives, each subject to, and only to, the review procedures set forth in paragraph 10 of this Interim Order.

(ii) Financial Reporting. The Debtors shall provide the Prepetition Secured Parties (including the Ad Hoc Cross-Holder Group and the Ad Hoc First Lien Group) with (i) copies of the DIP Reporting and (ii) a copy of the Approved Budget, contemporaneously with delivery thereof to the DIP Secured Parties (each, on a confidential basis), and in each case, in accordance with paragraph 12 hereof.

(iii) Adequate Protection Payments. The Debtors are authorized and directed to pay to the 1L Secured Parties adequate protection payments in the form of postpetition interest payable in-kind (PIK) at the default rate on the date such interest would be otherwise due under the terms of the 1L Debt Documents, in an amount equal to all accrued and unpaid interest due and payable under the applicable 1L Debt Documents.

10. Review and Payment of Adequate Protection Fees and Expenses. Subject to the review procedures set forth in this paragraph 10, fee, cost and expense statements or invoices

seeking payment of Prepetition Secured Parties Adequate Protection Fees and Expenses may be in summary form only, but shall include a reasonably detailed description of the nature of the matters for which services were performed, shall not be required to contain time entries, may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine. Such fee and expense statements or invoices shall be provided to counsel to the Debtors, counsel to the Committee (if appointed), and the U.S. Trustee (the “Fee Notice Parties”). If the payment of the requested Prepetition Secured Parties Adequate Protection Fees and Expenses is not disputed, in writing, by any of the Fee Notice Parties within ten (10) business days after delivery of such invoices (the “AP Fee Objection Period”), then, without further order of, or application to, the Court or notice to any other party, such fees and expenses shall be promptly paid by the Debtors. The Fee Notice Parties may dispute the payment of any portion of the Prepetition Secured Parties Adequate Protection Fees and Expenses (the “Disputed AP Fees”) if, within the AP Fee Objection Period, a Fee Notice Party notifies the submitting party in writing setting forth the specific objections (which objections shall be limited to the issue of the reasonableness of such Prepetition Secured Parties Adequate Protection Fees and Expenses) to any Prepetition Secured Parties Adequate Protection Fees and Expenses. If an objection is timely raised, such objection shall be subject to resolution by the Court; *provided* that payment of the requested Prepetition Secured Parties Adequate Protection Fees and Expenses, other than the Disputed AP Fees, shall not be delayed based on any such objections. For avoidance of doubt, the Debtors shall promptly pay in full all Prepetition Secured Parties Adequate Protection Fees and Expenses, other than the Disputed AP Fees, following the

1020

AP Fee Objection Period. Subject to the challenge rights set forth in paragraph 27 hereof, Payments of any amounts set forth in this paragraph 10 shall not be subject to disgorgement. For the avoidance of doubt, the Debtors are hereby authorized and directed, without further notice or hearing, to pay all Prepetition Secured Parties Adequate Protection Fees and Expenses incurred on or prior to the date of entry of this Interim Order on the date on which the DIP First Funding Loans are funded without the need for any Prepetition Secured Party Advisor to first deliver a copy of its invoice to the Fee Notice Parties as provided for herein. No Prepetition Secured Party Advisor shall be required to file an interim or final application seeking compensation for services or reimbursement of expenses with the Court.

11. Reservation of Rights of Prepetition Secured Parties.

(a) Under the circumstances and given that the above-described adequate protection is consistent with the Bankruptcy Code, including section 506(b) thereof, this Court finds that the adequate protection provided herein is reasonable and sufficient to protect the interests of the Prepetition Secured Parties. However, nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided to any Prepetition Secured Party hereunder is insufficient to compensate for any Diminution in Value of their respective interests in the Prepetition Collateral during these chapter 11 cases or any Successor Cases. The receipt by any Prepetition Secured Party of the adequate protection provided herein shall not be deemed an admission that the interests of such Prepetition Secured Party are adequately protected. Further, this Interim Order shall not prejudice or limit the rights of any Prepetition Secured Party to seek additional relief with respect to the use of Cash Collateral or for additional adequate protection, subject in all respects to the terms and limitations of the Prepetition Intercreditor Agreements.

1021

(b) For all adequate protection and stay relief granted in this Interim Order, the Prepetition Secured Parties shall be deemed to have requested relief from the automatic stay and adequate protection as of the Petition Date. For the avoidance of doubt, such request will survive termination of this Interim Order.

12. Approved Budget. All borrowings under the DIP Facility, and the use of Cash Collateral, shall at all times comply with the Approved Budget (subject to Permitted Variances) and the DIP Loan Documents. The Debtors shall provide copies of the reporting required under the DIP Loan Agreement as and when required under the DIP Loan Agreement (the “DIP Reporting”).

13. Modification of Automatic Stay. Subject to paragraph 21 hereof, the automatic stay imposed by section 362(a) of the Bankruptcy Code is hereby modified as necessary to permit: (a) the Loan Parties to grant the DIP Liens and the DIP Superpriority Claims, and to perform such acts as the DIP Secured Parties may request, to assure the perfection and priority of the DIP Liens and the DIP Superpriority Claims; (b) the Loan Parties to incur all liabilities and obligations, including all the DIP Obligations, to the DIP Secured Parties as contemplated under the this Interim Order and the DIP Loan Documents, and to perform under the DIP Loan Documents any and all other instruments, certificates, agreements, and documents which may be required, necessary, or prudent for the performance by the applicable Loan Parties under the DIP Loan Documents and any transactions contemplated therein or pursuant to this Interim Order, as applicable; (c) the Loan Parties to take all appropriate action to grant the Adequate Protection Liens and the Adequate Protection Claims set forth herein, and to take all appropriate action (including such action as the Prepetition Secured Parties may reasonably request) to ensure that the Adequate Protection Liens granted thereunder are perfected upon entry of this Interim Order and maintain the priority set

1022

forth herein and therein; (d) the Loan Parties to pay all amounts referred to, required under, in accordance with, and subject to the DIP Loan Documents and this Interim Order, as applicable; (e) the DIP Secured Parties and the applicable Prepetition Secured Parties to retain and apply payments made in accordance with the DIP Loan Documents and this Interim Order, as applicable; (f) subject to paragraphs 20 and 21 hereof, the DIP Secured Parties and Prepetition Secured Parties to exercise, upon the occurrence and during the continuance of any DIP Termination Event or Cash Collateral Termination Event, as applicable, all rights and remedies provided for in the DIP Loan Documents and this Interim Order and take any or all actions provided therein and herein; and (g) the implementation and exercise of all of the terms, rights, benefits, privileges, remedies, and provisions of this Interim Order and the DIP Loan Documents, in each case, without further notice, motion or application to, or order of this Court.

14. Perfection of DIP Liens and Adequate Protection Liens. This Interim Order is sufficient and conclusive evidence of the validity, perfection, and priority of all liens granted herein, including, without limitation, the DIP Liens and the Adequate Protection Liens, without the necessity of execution, filing, or recording any financing statement, mortgage, notice, or other instrument or document that may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement) to validate or perfect (in accordance with applicable law) such liens, or to entitle the DIP Secured Parties and the Prepetition Secured Parties to the priorities granted herein. Notwithstanding the foregoing, the DIP Agent and the Prepetition Secured Party Representatives, without any further consent of any party are hereby authorized to execute, file, or record (and the DIP Agent and the Prepetition Secured Party Representatives may require the execution, filing or recording), as each, in its sole discretion deems necessary or advisable, such

1023

financing statements, notices of lien, and other similar documents to enable the DIP Agent and the Prepetition Secured Party Representatives to further validate, perfect, preserve, evidence and enforce the applicable DIP Liens or other liens and security interests granted hereunder, perfect in accordance with applicable law or to otherwise evidence the applicable DIP Liens and/or the applicable Adequate Protection Liens, as applicable, and all such financing statements, notices, and other documents shall be deemed to have been filed or recorded as of the Petition Date; *provided* that no such filing or recordation shall be necessary or required in order to create or perfect the DIP Liens and/or the Adequate Protection Liens. The Debtors are hereby authorized to execute and deliver promptly upon demand to the DIP Agent and the Prepetition Secured Party Representatives all such financing statements, notices, and other documents as the DIP Agent and the Prepetition Secured Party Representatives may reasonably request. The DIP Agent and the Prepetition Secured Party Representatives, each in its sole discretion, may file a photocopy of this Interim Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien, or similar instruments. To the extent that any Prepetition Secured Party Representative is a secured party under any account control agreement, listed as an additional insured or loss payee under any of the Debtors' insurance policies, or is the secured party under any loan document, financing statement, deed of trust, mortgage, or other instrument or document which may otherwise be required under the law of any jurisdiction to validate, attach, perfect or prioritize liens (any such instrument or document, a "Security Document"), the DIP Agent shall also be deemed to be a secured party under each such Security Document, and shall have all the rights and powers attendant to that position (including, without limitation, rights of enforcement), and shall act in that capacity and distribute any proceeds recovered or received subject to the Carve Out, the AST

1024

Break-Up Fee (if any), and the Administration Charge and in accordance with the terms of this Interim Order, as applicable, and the other DIP Loan Documents. The Prepetition Secured Party Representatives, as applicable, shall serve as agents for the DIP Agent solely for the purposes of perfecting its security interests in and liens on all DIP Collateral that is of a type such that perfection of a security interest therein (but for the entry of this Interim Order) may be accomplished only by possession or control by a secured party.

15. Protection of Lenders' Rights. Except as otherwise expressly provided herein, so long as there are any DIP Obligations outstanding under the DIP Loan Documents or the DIP Secured Parties have any outstanding Commitments or Loans (each, as defined in the DIP Loan Documents), the Prepetition Secured Parties (with respect to the DIP Collateral): (a) shall have no right to, and take no action to, foreclose upon or recover in connection with the liens granted thereto pursuant to the Prepetition Loan/Notes Documents and/or this Interim Order or otherwise seek or exercise any enforcement rights or remedies against any DIP Collateral or in connection with the debt and obligations underlying the Prepetition Loan/Notes Documents or the Adequate Protection Liens, including, without limitation, in respect of the occurrence or continuance of any event of default under any of the Prepetition Loan/Notes Documents, (b) shall be deemed to have consented to any release of DIP Collateral authorized under the DIP Loan Documents, and (c) shall not file any further financing statements, patent filings, trademark filings, copyright filings, mortgages, memoranda of lease, notices of lien or similar instruments, or otherwise take any action to perfect their security interests in the DIP Collateral.

16. Proceeds of Subsequent Financing. If at any time prior to the indefeasible payment in full in cash of all of the DIP Obligations, the termination of the DIP Secured Parties' obligations to extend credit under the DIP Facility and this Interim Order (including subsequent to

the confirmation of any plan with respect to any or all of the Debtors and the Debtors' estates), and the complete satisfaction of the DIP Superpriority Claims and the Adequate Protection Claims, either the Loan Parties, the Loan Parties' estates, any trustee, any examiner with enlarged powers, or any responsible officer subsequently appointed in any of the Loan Parties' chapter 11 cases or any Successor Cases thereof, shall obtain credit or incur debt pursuant to sections 364(b), (c), or (d) of the Bankruptcy Code in violation of this Interim Order or the DIP Loan Documents, then, unless otherwise agreed by the Required Lenders in their sole discretion, all of the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Agent for further distribution to the applicable DIP Secured Party on account of their applicable DIP Obligations pursuant to the applicable DIP Loan Documents.

17. [Reserved.]

18. **Milestones**. It is a condition to the DIP Facility and to the use of Cash Collateral that the Debtors shall comply with those certain case milestones set forth in section 5.16 of the DIP Loan Agreement (the "Milestones"). The Debtors' failure to comply with any Milestone shall constitute an "Event of Default" in accordance with the terms of the DIP Loan Agreement and this Interim Order.

19. **Maintenance of DIP Collateral**. Until the indefeasible payment in full of all Obligations and the termination of the DIP Lenders' obligation to extend credit under the DIP Facility, the Debtors shall (a) insure the DIP Collateral as required under the DIP Facility or the

Prepetition Loans/Notes Documents, as applicable and (b) maintain their cash management system in effect as of the Petition Date, as modified by any order entered by this Court.

20. Termination Events.

(a) The occurrence of (a) any “Event of Default” as that term is defined in the DIP Loan Agreement, (b) any failure to meet or satisfy any Milestone as defined in, and in accordance with, the DIP Loan Agreement, (c) the Maturity Date under the DIP Loan Agreement, or (d) any material violation, breach, or default by the Debtors with respect to any of their obligations under this Interim Order or any other DIP Loan Document, shall constitute a “DIP Termination Event” under this Interim Order (each, a “DIP Termination Event,” and the date upon which such DIP Termination Event occurs, the “DIP Termination Date”), unless waived in writing by the Required Lenders, as applicable, in each case, in accordance with the DIP Loan Agreement. Subject to paragraphs 21(d) through 21(f), the Debtors’ authorization to use Cash Collateral under this Interim Order shall terminate (the “Cash Collateral Termination Date”) upon the earliest to occur of (each of the following, a “Cash Collateral Termination Event”):

- (i) the use of Prepetition Collateral, including Cash Collateral for any purpose not authorized by this Interim Order;
- (ii) the appointment of a chapter 11 trustee or an examiner, receiver, interim receiver or manager, or responsible officer with expanded powers;
- (iii) the conversion of the chapter 11 cases to cases under chapter 7 of the Bankruptcy Code;
- (iv) the failure of the Debtors to comply with any of the Milestones, subject to any modification or waiver thereof in accordance with the DIP Loan Agreement;
- (v) an Approved Budget ceases to be in effect;

(vi) the expenditure by any of the Debtors of Cash Collateral (A) in a manner or for a purpose other than those consistent with the Approved Budget (including but not limited to payment of any expense or making any disbursement, in each case other than as set forth in the Approved Budget), or (B) in amounts that exceed the Permitted Variances, in each case other than as agreed or waived by the Required Lenders in accordance with the DIP Loan Agreement;

(vii) the failure of the Debtors to provide any of the reporting to the Prepetition Secured Parties set forth in paragraph 9(b)(ii) of this Interim Order within five (5) business days following written notice from the applicable Prepetition Secured Parties of such failure;

(viii) the Court enters an order (or the Debtors seek entry of an order) invalidating, disallowing, subordinating, recharacterizing, or limiting, as applicable, any of the Prepetition Secured Obligations, the liens securing the Prepetition Secured Obligations or the Adequate Protection Liens without the consent of (a) the applicable Prepetition Secured Party Representatives (on behalf of the applicable required Prepetition Secured Parties) and (b) the Required Lenders;

(ix) the DIP Obligations have been accelerated in accordance with the terms of the DIP Loan Agreement;

(x) the entry of an order of this or any other court of competent jurisdiction reversing, staying, vacating, or otherwise modifying in any material respect the terms of this Interim Order without the consent of the applicable Prepetition Secured Party Representatives (on behalf of the applicable required Prepetition Secured Parties); or

(xi) the Restructuring Support Agreement has been terminated by either of the Ad Hoc Cross-Holder Group or the Ad Hoc First Lien Group.

21. Exercise of Remedies.

(a) Immediately upon the occurrence and during the continuation of a DIP Termination Event, the DIP Agent, at the direction of the Required Lenders, shall (in the case of a DIP Termination Event) be permitted to, and any automatic stay, whether arising under section 362 of the Bankruptcy Code or otherwise, is hereby modified, without further notice to, hearing of, or order from this Court, to the extent necessary to permit the DIP Agent to deliver written notice (which may include electronic mail) to the DIP Remedies Notice Parties (as defined herein) of its intent to: (i) declare all Obligations owing under the applicable DIP Facility to be immediately due and payable; (ii) terminate, reduce, or restrict any commitment to extend credit to the Loan Parties under the DIP Facility (to the extent any such commitment remains); (iii) terminate the DIP Facility and the DIP Loan Documents as to any future liability or obligation thereunder, but without affecting, in any way, the DIP Liens or the DIP Obligations; (iv) terminate and/or revoke the Debtors' right, if any, under this Interim Order and the DIP Loan Documents to use any Cash Collateral (subject to paragraphs 21(b) and 21(c)); (v) invoke the right to charge interest at the default rate under the DIP Facility; (vi) freeze any monies or balances in the Loan Parties' accounts; (vii) otherwise enforce any and all rights against the DIP Collateral in the possession of the DIP Agent, including, without limitation, disposition of the DIP Collateral solely for application towards the Carve Out, the AST Break-Up Fee (if any), the Administration Charge, and the DIP Obligations in accordance with their respective priorities; and/or (viii) take any other actions or exercise any other rights or remedies with respect to the DIP Collateral permitted under this Interim Order, the DIP Loan Documents, or applicable law; *provided* that prior to the exercise

of any right in clauses (i) through (viii) of this paragraph, the DIP Agent shall be required to provide five (5) calendar days' prior written notice to counsel to the Debtors, counsel to the Prepetition Secured Party Representatives, counsel to the Committee (if appointed), and the U.S. Trustee (the "DIP Remedies Notice Parties") of the DIP Agent's intent to exercise such rights and remedies (the "DIP Remedies Notice Period").

(b) Unless during such DIP Remedies Notice Period the Court orders otherwise, the DIP Agent shall be deemed to have received relief from the automatic stay, and may exercise all rights and remedies available against the DIP Collateral set forth in paragraph 21(a) hereof, at the direction of the Required Lenders, without further notice to, hearing of, or order from this Court, and without restriction or restraint by any stay under sections 105 or 362 of the Bankruptcy Code, or otherwise (in each case, subject to paragraph 21(c) hereof); *provided* that, in the event that a party challenges the DIP Agent's right to exercise such rights and remedies and the Court is unavailable for a hearing during the DIP Remedies Notice Period, the automatic stay shall remain in effect until the Court has an opportunity to rule on such challenge.

(c) The Debtors (i) shall reasonably cooperate with the DIP Agent in its exercise of rights and remedies, whether against DIP Collateral or otherwise, to the extent that such exercise is in compliance with the DIP Loan Documents, and (ii) unless the Court orders otherwise, may not contest or challenge the exercise of any such rights or remedies other than to dispute whether a DIP Termination Event has in fact occurred; *provided* that the DIP Agent shall not object to a request by the Debtors for an expedited hearing before the Court to contest whether a DIP Termination Event has in fact occurred. Notwithstanding anything to the contrary set forth in this paragraph 21, during the DIP Remedies Notice Period, the Debtors may use Cash Collateral to pay *only* the following amounts and expenses: (i) the Carve Out, (ii) the AST Break-Up Fee (if

1030

any), (iii) the Administration Charge, and (iv) amounts that the Debtors have determined in good faith are in the ordinary course, are critical to the preservation of the Debtors and their estates, and are in compliance with the Approved Budget (subject to Permitted Variances).

(d) Immediately upon the occurrence and during the continuation of a Cash Collateral Termination Event, the Prepetition Secured Party Representatives shall (in the case of a Cash Collateral Termination Event) be permitted to, and any automatic stay, whether arising under section 362 of the Bankruptcy Code or otherwise, is, by this Interim Order, modified without further notice to, hearing of, or order from this Court, to the extent necessary, to permit such Prepetition Secured Party Representative to deliver written notice (which may include electronic mail) to the Cash Collateral Remedies Notice Parties (as defined herein) of its intent to terminate and/or revoke the Debtors' right, if any, under this Interim Order to use any Cash Collateral (subject to paragraph 21(e)); *provided* that, prior to such termination and/or revocation, the Prepetition Secured Party Representative shall be required to provide five (5) calendar days' prior written notice (which shall run concurrently with any notice required in paragraph 19 above) to counsel to the Debtors, counsel to the DIP Lenders, counsel to each Prepetition Secured Party Representative, counsel to the Committee (if appointed), and the U.S. Trustee (the "Cash Collateral Remedies Notice Parties") of such Prepetition Secured Party Representative's intent to exercise this right (the "Cash Collateral Remedies Notice Period").

(e) Unless during such Cash Collateral Remedies Notice Period the Court determines otherwise, such Prepetition Secured Party Representative shall be deemed to have received relief from the automatic stay, and may terminate and/or revoke the Debtors' right, if any, under this Interim Order to use any Cash Collateral; *provided* that, in the event that a party challenges such Prepetition Secured Party Representative's assertion that a Cash Collateral

Termination Event has occurred and the Court is unavailable for a hearing during the Cash Collateral Remedies Notice Period, the automatic stay shall remain in effect until the Court has an opportunity to rule on such challenge.

(f) Notwithstanding anything to the contrary set forth in this paragraph (i), during the Cash Collateral Remedies Notice Period, the Debtors may use Cash Collateral to pay *only* the following amounts and expenses: (i) the Carve Out, (ii) the AST Break-Up Fee (if any), (iii) the Administration Charge, and (iv) amounts that the Debtors have determined in good faith are in the ordinary course, are critical to the preservation of the Debtors and their estates, and are in compliance with the Approved Budget (subject to Permitted Variances).

22. DIP Fees and Expenses. The Borrower is, by this Interim Order, authorized and directed to pay, in cash and on a current basis, all DIP Fees and Expenses, as and when due under the DIP Loan Documents and this Interim Order, whether or not the transactions contemplated hereby are consummated. The invoices for such DIP Fees and Expenses may be in summary form only, but shall include a reasonably detailed description of the nature of the matters for which services were performed, shall not be required to contain time entries, may be redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney work product doctrine. The DIP Fees and Expenses shall be provided to the Fee Notice Parties. If the payment of the requested DIP Fees and Expenses is not disputed, in writing, by any of the Fee Notice Parties within ten (10) business days after delivery of such invoices (the "DIP Fee Objection Period"), then, without further order of, or application to, the Court or notice to any other party, such fees and expenses shall be promptly paid by the Debtors.

The Fee Notice Parties may dispute the payment of any portion of the DIP Fees and Expenses (the “Disputed DIP Fees”) if, within the DIP Fee Objection Period, a Fee Notice Party notifies the submitting party in writing setting forth the specific objections (which objections shall be limited to the issue of reasonableness of such DIP Fees and Expenses) to any DIP Fees and Expenses. If an objection is timely raised, such objection shall be subject to resolution by the Court; *provided* that payment of the requested DIP Fees and Expenses, other than the Disputed DIP Fees, shall not be delayed based on any such objections. For avoidance of doubt, the Debtors shall promptly pay in full all DIP Fees and Expenses, other than the Disputed DIP Fees, following the DIP Fee Objection Period. Payments of any amounts set forth in this paragraph 21 shall not be subject to recharacterization, subordination, or disgorgement. For the avoidance of doubt, the Debtors are hereby authorized and directed, without further notice or hearing, to pay all DIP Fees and Expenses incurred on or prior to the date of entry of this Interim Order on the date on which the DIP First Funding Loans are funded without the need for any submitting party to first deliver a copy of its invoice to the Fee Notice Parties as provided for herein. No submitting party shall be required to file an interim or final application seeking compensation for services or reimbursement of expenses with the Court.

23. Indemnification. Subject to and upon entry of a Final Order, the Loan Parties shall jointly and severally indemnify and hold harmless the DIP Agent, each DIP Secured Party, and each of their respective officers, directors, employees, parents, subsidiaries, affiliates, agents, advisors, attorneys and representatives, in each case, in their respective capacities as such, as and to the extent provided in the DIP Loan Documents.

24. Proofs of Claim. The DIP Agent, the DIP Secured Parties, the Prepetition Secured Parties, and the Prepetition Secured Party Representatives shall not be required to file proofs of

claim in any of these chapter 11 cases or any of the Successor Cases for any claim allowed herein or therein in respect of the Prepetition Secured Obligations. Any order entered by the Court establishing a bar date in any of these chapter 11 cases or any Successor Cases shall not apply to the DIP Secured Parties or the Prepetition Secured Parties; *provided* that, notwithstanding any order entered by the Court establishing a bar date in any of these chapter 11 cases or any Successor Cases to the contrary, the DIP Agent, on behalf of the DIP Lenders, and the Prepetition Secured Party Representatives, on behalf of the Prepetition Secured Parties, may (but are not required), in their sole discretion, file (and amend and/or supplement) a proof of claim and/or aggregate proofs of claim in each of these chapter 11 cases or any Successor Cases for any claim allowed herein, and any such proof of claim may (but is not required to be) filed as one consolidated proof of claim against all of the Debtors, rather than as separate proofs of claim against each Debtor.

25. Carve Out.

(a) **Definition.** As used in this Interim Order, the “Carve Out” means the sum of (i) all fees required to be paid to the Clerk of the Court and to the U.S. Trustee under section 1930(a) of title 28 of the United States Code, together with interest, if any, under section 3717 of title 31 of the United States Code (without regard to the notice set forth in clause (iii) below); (ii) all reasonable fees and expenses up to \$25,000.00 incurred by a trustee appointed under section 726(b) of the Bankruptcy Code (without regard to the notice set forth in clause (iii) below); (iii) to the extent allowed at any time, whether by interim order, procedural order, or otherwise, all fees and expenses incurred by persons or firms retained by the Debtors pursuant to sections 327, 328, or 363 of the Bankruptcy Code (the “Debtor Professionals”) and the Committee (if any) pursuant to sections 328 or 1103 of the Bankruptcy Code (the “Committee Professionals” and, together with the Debtor Professionals, the “Professional Persons”) at any time before, or on the

1034

first business day following, delivery by the DIP Agent (acting at the direction of the Required Lenders) of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice (the “Allowed Professional Fees”); and (iv) Allowed Professional Fees of Debtor Professionals, in an aggregate amount not to exceed \$2,000,000 *plus* the amount of any transaction or similar fee approved by the Court in connection with an order authorizing the Debtors’ retention of their investment banker, incurred after the first business day following delivery by the DIP Agent (acting at the direction of the Required Lenders) of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amount set forth in this clause (iv), the “Post-Carve Out Trigger Notice Cap”). For purposes of the foregoing, the “Carve Out Trigger Notice” shall mean a written notice delivered by email (or other electronic means) by the DIP Agent (acting at the direction of the Required Lenders) to the Debtors, their lead restructuring counsel, the U.S. Trustee, and the lead restructuring counsel to the Committee (if any), delivered following the occurrence and during the continuation of a Termination Event, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

(b) **Priority of Carve Out.** Subject to the terms and conditions contained in this Paragraph 25, each of the Prepetition Liens, the Prepetition Secured Obligations, the Adequate Protection Liens, the Adequate Protection Claims, the DIP Liens, and the DIP Superpriority Claims shall be subject and subordinate to the payment of the Carve Out.

(c) **Carve Out Reserves.** On the day on which a Carve Out Trigger Notice is given by the DIP Agent (the “Carve Out Trigger Declaration Date”), the Carve Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund, with cash, a segregated account not subject to the

1035

control of the Prepetition Secured Parties or the DIP Secured Parties (the “Carve Out Account”) (i) first, in an amount equal to the then unpaid amounts of the Allowed Professional Fees (the “Pre-Carve Out Trigger Notice Reserve”) and (ii) after funding the Pre-Carve Out Trigger Notice Reserve, in an amount equal to the Post-Carve Out Trigger Notice Cap (the “Post Carve Out Trigger Notice Reserve”) and, together with the Pre-Carve Out Trigger Notice Reserve, the “Carve Out Reserves”). The Debtors shall deposit and hold the Carve Out Reserves in the Carve Out Account in trust for the Professional Persons, and the Allowed Professional Fees shall be paid out of the Carve Out Reserves before any and all other claims are paid. Notwithstanding anything to the contrary in this Interim Order, following delivery of a Carve Out Trigger Notice, the DIP Agent shall not sweep or foreclose on the Debtors’ cash (including cash received as a result of the sale or other disposition of any assets) until the Carve Out Reserves have been fully funded; provided that if any Carve Out Reserves remain after all Allowed Professional Fees that are subject to the Carve Out have been paid in full pursuant to a final order, such funds shall constitute DIP Collateral and Cash Collateral of the Prepetition Secured Parties. Further, notwithstanding anything to the contrary in this Interim Order, (i) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out and (ii) in no way shall the Carve Out, Post-Carve Out Trigger Notice Cap, Carve Out Account, Carve Out Reserves, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary in this Interim Order or in any Prepetition Secured Document or DIP Loan Document, (x) funds transferred to the Carve Out Account shall not be subject to any liens or claims of the Prepetition Secured Parties or the DIP Secured Parties and shall not constitute Cash Collateral (or Collateral) or DIP Collateral, and (y) the Carve Out shall be senior to all liens and

claims securing the Prepetition Secured Obligations, the Adequate Protection Claims, and the DIP Obligations, as well as any and all other forms of adequate protection, liens, or claims securing the Prepetition Secured Obligations or the DIP Obligations.

(d) **Payment of Allowed Professional Fees Prior to the Carve Out Trigger Declaration Date.** So long as the Carve Out Trigger Notice has not been delivered in accordance with this Interim Order, the Debtors shall be permitted to pay Allowed Professional Fees as the same may become due and payable, including on an interim basis, consistent and in accordance with any applicable orders. Any payment or reimbursement made prior to the occurrence of the Carve Out Trigger Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(e) **No Obligation to Pay Allowed Professional Fees.** None of the Prepetition Secured Parties shall be responsible for, and nothing in this Interim Order shall be construed to obligate them to pay, any Professional Fees incurred in connection with these chapter 11 cases or any Successor Case or to guarantee that the Debtors have sufficient funds to pay such Allowed Professional Fees.

26. Limitations on the DIP Facility, the DIP Collateral, the Prepetition Collateral, the Cash Collateral, the Carve Out, and Other Funds. Notwithstanding anything contained in the DIP Loan Documents, this Interim Order, or any other order of the Court to the contrary, no DIP Collateral, Prepetition Collateral, DIP Loans, Cash Collateral, proceeds of any of the foregoing, any portion of the Carve Out, or any other cash or funds may be used, directly or indirectly, by any of the Debtors, the Committee (if appointed), or any trustee or other estate representative appointed in these chapter 11 cases or any Successor Cases or any other person or entity (or to pay any professional fees, disbursements, costs or expenses incurred in connection

1037

therewith): (a) to object to, contest, prevent, hinder, delay, or interfere with, in any way, the DIP Secured Parties' or the Prepetition Secured Parties' enforcement or realization upon any of the DIP Collateral, Prepetition Collateral, or Cash Collateral, once a DIP Termination Event or Cash Collateral Termination Event occurs, other than to challenge the assertion that any DIP Termination Event or Cash Collateral Event has occurred in accordance with paragraphs 20 and 21 hereof; (b) except to the extent expressly permitted by the terms of the DIP Loan Documents and this Interim Order, to use or seek to use Cash Collateral or, to sell, or otherwise dispose of DIP Collateral or Prepetition Collateral, in each case, without the consent of the Required Lenders and the requisite Prepetition Secured Parties under the Prepetition Loan/Notes Documents, as applicable; or (c) to investigate (including by way of examinations or discovery proceedings, whether formal or informal), prepare, assert, join, commence, support, or prosecute any action for any claim, counter-claim, action, proceeding, application, motion, objection, defense, or other contested matter seeking any order, judgment, determination, or similar relief against, or adverse to the interests of, in any capacity, against any of the Released Parties with respect to any transaction, occurrence, omission, action, or other matter arising under, in connection with or related to this Interim Order, the DIP Facility, the DIP Loan Documents, the DIP Obligations, the Prepetition Liens, the Prepetition Secured Obligations, or the Prepetition Loan/Notes Documents or the transactions contemplated therein or thereby, including, without limitation, (A) any Avoidance Actions, (B) any so-called "lender liability" claims and causes of action, (C) any claim or cause of action with respect to the validity, enforceability, priority and extent of, or asserting any defense, counterclaim, or offset to, the DIP Obligations, the DIP Superpriority Claims, the DIP Liens, the DIP Loan Documents, the Prepetition Loan/Notes Documents, the Prepetition Liens, the Adequate Protection Liens, the Adequate Protection Claims, or the Prepetition Secured

Obligations, (D) any claim or cause of action seeking to challenge, invalidate, modify, set aside, avoid, marshal, subordinate, or recharacterize in whole or in part, the DIP Obligations, the DIP Liens, the DIP Superpriority Claims, the DIP Collateral, the Prepetition Collateral, the Prepetition Secured Obligations, the Adequate Protection Liens, and the Adequate Protection Claims, or (E) without the consent of the Required Lenders or the applicable required Prepetition Secured Parties, as applicable, any action seeking to modify any of the rights, remedies, priorities, privileges, protections, and benefits granted to any of the DIP Secured Parties hereunder or under any of the DIP Loan Documents or the Prepetition Secured Parties under any of the Prepetition Loan/Notes Documents (in each case, including, without limitation, claims, proceedings, or actions that might prevent, hinder, or delay any of the DIP Secured Parties, or the Prepetition Secured Parties' assertions, enforcements, realizations, or remedies on or against the DIP Collateral in accordance with the applicable DIP Loan Documents or Prepetition Loan/Notes Documents and this Interim Order (as applicable)); *provided* that no more than \$25,000 may be used for allowed fees and expenses incurred solely by the Committee (if appointed) in investigating, but not objecting to, challenging, litigating (including by way of discovery), opposing, or seeking to subordinate or recharacterize the validity, enforceability, perfection, and priority of the Prepetition Liens, the Prepetition Secured Obligations, or the Prepetition Loan/Notes Documents prior to the Challenge Deadline; *provided, further*, that nothing contained in this paragraph 26 shall prohibit the Debtors from responding to or complying with discovery requests of the Committee (if appointed), in whatever form, made in connection with such investigation or the payment from the DIP Collateral of professional fees related thereto.

27. Reservation of Certain Third-Party Rights and Bar of Challenges and Claims.

(a) The stipulations, admissions, agreements, and releases contained in this Interim Order, including, without limitation, in paragraph G of this Interim Order (collectively, the “Stipulations”), shall be binding upon the Loan Parties and any successor thereto (including, without limitation, any chapter 7 or chapter 11 trustee appointed or elected for any of the Loan Parties in these chapter 11 cases or any Successor Cases) in all circumstances and for all purposes; *provided* that any chapter 7 or chapter 11 trustee appointed or elected for any of the Loan Parties in these chapter 11 cases or any Successor Cases before the Challenge Deadline shall not be bound by the Stipulations until the Court orders otherwise. The Stipulations shall be binding upon all other parties in interest, (including without limitation, the Committee, if appointed) and any other person or entity acting or seeking to act on behalf of the Loan Parties’ estates, in all circumstances and for all purposes, unless (i) the Committee(if appointed) or a party in interest (in each case, to the extent requisite standing is obtained pursuant to an order of this Court entered prior to the Challenge Deadline), has timely and duly filed an adversary proceeding or contested matter (subject to the limitations contained herein) (each, a “Challenge Proceeding”) by the Challenge Deadline, objecting to or challenging the amount, validity, perfection, enforceability, priority, or extent of the Prepetition Secured Obligations, the Prepetition Liens, or the Prepetition Loan/Notes Documents, or otherwise asserting or prosecuting any Avoidance Action or any other claim, counterclaim, cause of action, objection, contest, defense, or other challenge (a “Challenge”) against any of the Prepetition Secured Parties or any of their respective affiliates, subsidiaries, officers, directors, managers, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and the respective successors and assigns thereof (in each case, in their respective capacities as such), arising under, in connection with or related to

the Debtors, the Prepetition Secured Obligations, the Prepetition Liens, or the Prepetition Loan/Notes Documents, and (2) there is entered a final non-appealable order in favor of the plaintiff in any such timely filed Challenge Proceeding; *provided* that (i) as to the Debtors, any and all such Challenges are hereby irrevocably waived and relinquished as of the Petition Date and (ii) any pleadings filed in any Challenge Proceeding shall set forth with specificity the basis for such Challenge (and any Challenges not so specified prior to the Challenge Deadline shall be deemed forever, waived, released, and barred). Notwithstanding anything to the contrary in this Interim Order, if, on or before the Challenge Deadline, the Committee (if appointed) or any other party in interest files a motion seeking standing to file a Challenge with a draft complaint identifying and describing all bases for such Challenge, the Challenge Deadline shall be tolled solely with respect to the bases asserted in such draft complaint and solely with respect to the moving party until the earlier of: (i) two (2) business days subsequent to the date of entry of an order granting standing to file such Challenge; and (ii) entry of an order denying such motion; *provided* that such extension shall only apply to the bases for a Challenge asserted in the draft complaint that the Court has specifically found that the moving party has standing to assert.

(b) If no such Challenge Proceeding is timely and properly filed prior to the Challenge Deadline, then, without further notice to any person or entity or order of the Court, (a) the Stipulations shall be binding on all parties in interest (including, without limitation, the Committee, if appointed); (b) the Prepetition Secured Obligations shall constitute allowed claims and shall not be subject to any defense, claim, counterclaim, recharacterization, subordination, disgorgement, offset, avoidance, for all purposes in these chapter 11 cases and any Successor Cases; (c) the Prepetition Loan/Notes Documents shall be deemed to have been valid, as of the Petition Date, and enforceable against each of the Loan Parties in these chapter 11 cases and any

Successor Cases; (d) the Prepetition Liens shall be deemed to have been, as of the Petition Date, legal, valid, binding, perfected, security interests and liens, not subject to recharacterization, subordination, avoidance, or other defense; and (e) the Prepetition Secured Obligations, the Prepetition Liens and the Prepetition Loan/Notes Documents shall not be subject to any other or further claim or Challenge by the Committee (if appointed), any non-statutory committees appointed or formed in these chapter 11 cases or any Successor Cases or any other party in interest acting or seeking to act on behalf of the Debtors' estates.

(c) If any such Challenge Proceeding is timely and properly filed prior to the Challenge Deadline, the Stipulations shall nonetheless remain binding and preclusive (as provided in paragraph 27(b) hereof) on the Committee (if appointed) and on any other person or entity, except to the extent that such Stipulations were expressly and successfully challenged in such Challenge Proceeding as set forth in a final, non-appealable order of a court of competent jurisdiction.

(d) The "Challenge Deadline" shall mean the date that is, for any party in interest or the Committee (if appointed), 75 calendar days after entry of this Interim Order, as such deadline may be extended, (x) subject to the terms of this Interim Order, in writing prior to the expiration of the deadline to commence a Challenge, by, with respect to the 1L Loans, the 1L Notes, the 1.5L Loans, or the 2L Notes, the Prepetition Secured Party Representative (as applicable, acting in accordance with the respective Prepetition Loan/Notes Documents) or (y) by this Court for good cause shown upon an application for an extension filed and served by a party in interest, pursuant to an order entered before the expiration of the Challenge Deadline; *provided* that an extension pursuant to the foregoing clause (y) shall only be applicable as to such party in interest and the particular Challenge set forth in such application; *provided, further*, that the timely

filing of a motion seeking standing to file a Challenge before the expiration of the Challenge Deadline, which attaches a draft complaint setting forth the sufficiently specific legal and factual bases of the proposed Challenge, shall toll the Challenge Deadline only as to the party that timely filed such standing motion until such motion is resolved or adjudicated by the Court. Failure of the Committee (if appointed) or any other party in interest to file such a pleading with the Court shall forever bar such party from making such a challenge.

(e) Nothing in this Interim Order vests or confers on any entity (as defined in the Bankruptcy Code), including the Committee (if appointed) or any non-statutory committees appointed or formed in the chapter 11 cases, standing or authority to pursue any Claim (as such term is defined in section 101(5) of the Bankruptcy Code) or cause of action belonging to the Debtors or their estates, including, without limitation, Challenges with respect to the Stipulations, and all rights to object to such standing are expressly reserved.

28. Limitations on Charging Expenses. Except to the extent of the Carve Out, the AST Break-Up Fee (if any), and the Administration Charge, subject to and effective upon entry of the Final Order, no costs or expenses of administration of these chapter 11 cases or any Successor Cases at any time, including, without limitation, any costs and expenses incurred in connection with the preservation, protection, or enhancement of realization by the DIP Secured Parties or the Prepetition Secured Parties (as the case may be) upon the DIP Collateral or Prepetition Collateral (as the case may be), shall be charged against or recovered from (a) the Loan Parties or the DIP Collateral (including in respect of the Adequate Protection Liens), or any of the DIP Obligations or (b) the Prepetition Secured Parties, the Prepetition Collateral, or any of the Prepetition Secured Obligations, in each case, pursuant to sections 105 or 506(c) of the Bankruptcy Code or any other legal or equitable doctrine (including unjust enrichment) or any similar principle of law, without

the prior express written consent of the Required Lenders or the affected Prepetition Secured Party, each in their sole discretion, and no such consent shall be implied, directly or indirectly, from any other action, inaction, or acquiescence by any such agents or creditors (including, without limitation, consent to the Carve Out, the AST Break-Up Fee (if any), the Administration Charge, or the approval of any budget hereunder).

29. No Marshaling. Subject to and effective upon entry of the Final Order, in no event shall the DIP Secured Parties or the Prepetition Secured Parties be subject to the equitable doctrine of “marshaling” or any similar doctrine with respect to the DIP Collateral, the DIP Obligations, the Prepetition Collateral, or the Prepetition Secured Obligations, as applicable, and all proceeds shall be received and applied in accordance with this Interim Order, the DIP Loan Documents, and the Prepetition Loan/Notes Documents, as applicable, including, for the avoidance of doubt, to the funding of the Carve Out or the AST Break-Up Fee (if any), if applicable. Further, except to the extent of the Carve Out and the AST Break-Up Fee (if any), subject to and effective upon entry of the Final Order, in no event shall the “equities of the case” exception in section 552(b) of the Bankruptcy Code apply to the DIP Secured Parties, the Prepetition Secured Party Representatives, or the Prepetition Secured Parties with respect to proceeds, products, offspring or profits of any DIP Collateral or Prepetition Collateral.

30. Payments Free and Clear. Any and all payments or proceeds remitted to the DIP Agent or the other DIP Secured Parties pursuant to the provisions of this Interim Order, the DIP Loan Documents (including, without limitation, the Approved Budget (subject to Permitted Variances)) or any subsequent order of the Court shall be irrevocable, received free and clear of any claim, charge, assessment or other liability, including without limitation, any such claim or

charge arising out of or based on, directly or indirectly, sections 506(c) or 552(b) of the Bankruptcy Code, whether asserted or assessed by, through or on behalf of the Debtors.

31. Joint and Several Liability. Nothing in this Interim Order shall be construed to constitute a substantive consolidation of any of the Debtors' estates, it being understood, however, that the Loan Parties shall be jointly and severally liable for the obligations hereunder and in accordance with the terms of this Interim Order.

32. Right to Credit Bid. Subject to the rights and limitations set forth in the Restructuring Support Agreement, the DIP Agent (at the direction of the Required Lenders) and, subject to section 363(k) of the Bankruptcy Code, the Prepetition Secured Party Representatives (at the direction of the applicable required Prepetition Secured Parties) shall have the right to credit bid (either directly or through one or more acquisition vehicles) following termination of the Restructuring Support Agreement, up to the full amount of the underlying parties' respective claims, including, for the avoidance of doubt, Adequate Protection Superpriority Claims, if any, in any sale of all or any portion of the Prepetition Collateral or the DIP Collateral including, without limitation, sales occurring pursuant to section 363 of the Bankruptcy Code or included as part of any chapter 11 plan subject to confirmation under Bankruptcy Code section 1129(b)(2)(A)(ii)-(iii).

33. Rights Preserved. Subject in all cases to the Carve Out, notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly: (a) the rights of the DIP Lenders or the Prepetition Secured Parties to seek any other or supplemental relief in respect of the Debtors; (b) the rights of the DIP Lenders or the Prepetition Secured Parties under the DIP Loan Documents, the Prepetition Loan/Notes Documents, the Prepetition Intercreditor Agreements, the Bankruptcy Code or

applicable non-bankruptcy law, including, without limitation, the right to (i) request modification of the automatic stay of section 362 of the Bankruptcy Code, (ii) request dismissal of any of these chapter 11 cases, conversion of any or all of these chapter 11 cases to a case under chapter 7, or appointment of a chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a chapter 11 plan or plans; or (c) except as expressly provided in this Interim Order, any other rights, claims, or privileges (whether legal, equitable, or otherwise) of the DIP Lenders or the Prepetition Secured Parties. Notwithstanding anything herein to the contrary, the entry of this Interim Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the Debtors' or any party in interest's right to oppose any of the relief requested in accordance with the immediately preceding sentence, except as expressly set forth in this Interim Order.

34. Intercreditor Agreements. Pursuant to section 510 of the Bankruptcy Code, the Prepetition Intercreditor Agreements and any other applicable intercreditor or subordination provisions contained in the Prepetition Loan/Notes Documents (a) shall remain in full force and effect, (b) shall continue to govern the relative priorities, rights, and remedies of the Prepetition Secured Parties, and (c) shall not be deemed to be amended, altered, or modified by the terms of this Interim Order.

35. No Waiver by Failure to Seek Relief. The failure of any of the DIP Lenders or the Prepetition Secured Parties to seek relief or otherwise exercise their rights and remedies under this Interim Order, the DIP Loan Documents, the Prepetition Loan/Notes Documents, or applicable law, as the case may be, shall not constitute a waiver of any of their respective rights hereunder, thereunder or otherwise. No delay on the part of any party in the exercise of any right or remedy under this Interim Order shall preclude any other or further exercise of any such right or remedy

or the exercise of any other right or remedy. None of the rights or remedies of any party under this Interim Order shall be deemed to have been amended, modified, suspended, or waived unless such amendment, modification, suspension, or waiver is in writing and signed by the party against whom such amendment, modification, suspension, or waiver is sought. No consents required hereunder by any of the DIP Lenders or the Prepetition Secured Parties shall be implied by any inaction or acquiescence by any of the DIP Lenders or the Prepetition Secured Parties.

36. Binding Effect of this Interim Order. Immediately upon entry of this Interim Order by the Court, this Interim Order shall inure to the benefit of the Debtors, the DIP Lenders, and the Prepetition Secured Parties, and the provisions of this Interim Order (including all findings and conclusions of law herein) shall be valid and binding upon the Debtors, the DIP Lenders the Prepetition Secured Parties, any and all other creditors of the Debtors, the Committee (if appointed) or non-statutory committees appointed or formed in these chapter 11 cases, any and all other parties in interest and the respective successors and assigns of each of the foregoing, including any trustee or other fiduciary hereafter appointed as legal representative of any of the Debtors in any of these chapter 11 cases or any Successor Cases, or upon dismissal of any of these chapter 11 cases; *provided* that (a) nothing in this paragraph 36 shall confer final status on this Interim Order and (b) the DIP Lenders and the Prepetition Secured Parties shall have no obligation to permit the use of DIP Collateral or Prepetition Collateral (including Cash Collateral) by, or to extend any financing to, any chapter 7 trustee, chapter 11 trustee, or similar responsible person appointed for the estates of the Debtors.

37. Survival. The terms and provisions of this Interim Order, including, without limitation, (a) the Carve Out and (b) all of the rights, privileges, benefits, and protections afforded herein and in the DIP Loan Documents (including the DIP Liens, the DIP Superpriority Claims,

the Adequate Protection Liens, and the Adequate Protection Claims, and any other claims, liens, security interests, and other protections (as applicable)) granted to the DIP Lenders and the Prepetition Secured Parties pursuant to this Interim Order and the DIP Loan Documents (collectively, the “DIP Protections”), and any actions taken pursuant hereto or thereto, shall survive, shall continue in full force and effect, shall remain binding on all parties in interest and shall maintain their priorities, and shall not be modified, impaired, or discharged by, entry of any order that may be entered (i) confirming any plan of reorganization in any of these chapter 11 cases, (ii) converting any or all of these chapter 11 cases to a case under chapter 7 of the Bankruptcy Code, (iii) dismissing any or all of these chapter 11 cases, or (iv) pursuant to which the Court abstains from hearing any of these chapter 11 cases, in each case, until (x) in respect of the DIP Facility, all of the DIP Obligations, pursuant to the DIP Loan Documents and this Interim Order, have been indefeasibly paid in full in cash (such payment being without prejudice to any terms of provisions contained in the DIP Facility which survive such discharge by their terms) and all commitments to extend credit under the DIP Facility are terminated, and (y) in respect of the Prepetition Secured Obligations, all of the Prepetition Secured Obligations have been indefeasibly paid in full in cash (or, in respect of outstanding letters of credit (if any), cash collateralized). This Court shall retain jurisdiction, notwithstanding any such confirmation, conversion, or dismissal, for the purposes of enforcing such DIP Protections and the Prepetition Secured Parties’ adequate protection. Notwithstanding anything to the contrary in this Interim Order, the DIP Protections afforded to the Prepetition Secured Parties under this Interim Order are subject to the challenge rights set forth in paragraph 27 hereof in all respects.

38. Discharge Waiver/Release. The DIP Obligations shall not be discharged by the entry of an order confirming any plan of reorganization in any of these chapter 11 cases,

notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, (i) unless the DIP Obligations have been indefeasibly paid in full in cash, on or before the effective date of such confirmed plan of reorganization, or (ii) the DIP Lenders have otherwise agreed in writing in respect of the applicable obligations owed to each of them (including the agreement reflected in Section 10.24 of the DIP Loan Agreement).

39. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Interim Order. The DIP Secured Parties have acted in good faith in connection with the DIP Facility, the DIP Loan Documents, and this Interim Order, and their reliance on this Interim Order is in good faith. Based on the findings set forth in this Interim Order and the record made during the Interim Hearing, and in accordance with section 364(e) of the Bankruptcy Code, the DIP Secured Parties and the Prepetition Secured Parties are entitled to the protections provided in section 364(e) of the Bankruptcy Code, this Interim Order, and the DIP Loan Documents. If any or all of the provisions of this Interim Order are hereafter reversed, modified, vacated, or stayed, such reversal, modification, vacation, or stay shall not affect: (i) the validity, priority, or enforceability of any DIP Obligations or adequate protection obligations incurred prior to the actual receipt of written notice by the DIP Agent and the Prepetition Secured Parties' Representatives of the effective date of such reversal, modification, vacatur, or stay; or (ii) the validity, priority, or enforceability of the DIP Obligations, the DIP Liens, the Adequate Protection Liens, the Prepetition Liens, or the Prepetition Secured Obligations. Notwithstanding any such reversal, modification, vacatur, or stay of this Interim Order, any DIP Obligations, DIP Liens, or Adequate Protection Liens incurred by the Loan Parties to the DIP Lenders or the Prepetition Secured Parties, as the case may be, prior to the actual receipt of written notice by the DIP Agent and the Prepetition Secured Party Representatives of the effective date of such reversal,

modification, vacatur, or stay shall be governed in all respects by the original provisions of this Interim Order.

40. No Modification of Interim Order. Until and unless the DIP Obligations have been indefeasibly paid in full in cash, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly: (a) without the prior written consent of the Required Lenders in respect of the DIP Obligations, (i) any modification, stay, vacatur, or amendment to this Interim Order or (ii) a priority claim for any administrative expense or unsecured claim against any Debtor (now existing or hereafter arising of any kind or nature whatsoever, including, without limitation any administrative expense of the kind specified in sections 503(b), 506(c), 507(a), or 507(b) of the Bankruptcy Code) in these chapter 11 cases, equal or superior to the DIP Superpriority Claims, other than the Carve Out, the AST Break-Up Fee (if any), and the Administration Charge; (b) without the prior written consent of the DIP Agent (at the direction of the Required Lenders) or the Prepetition Secured Party Representatives (as applicable, acting in accordance with the respective Prepetition Loan/Notes Documents), any order authorizing the use of Cash Collateral resulting from the DIP Collateral or the Prepetition Collateral that is inconsistent with this Interim Order; (c) without the prior written consent of the Required Lenders, grant of any lien on any of the DIP Collateral with priority equal or superior to the DIP Liens, except as expressly provided in the DIP Loan Documents or this Interim Order; or (d) without the prior written consent of the Prepetition Secured Party Representatives (as applicable, acting in accordance with the respective Prepetition Loan/Notes Documents), grant of any lien on any of the Prepetition Collateral with priority equal or superior to the Prepetition Liens or the Adequate Protection Liens, except to the extent expressly provided in this Interim Order.

1050

41. Limitation of Liability. Nothing in this Interim Order, the DIP Loan Documents, or any other documents related to these transactions shall in any way be construed or interpreted to impose or allow the imposition upon the DIP Lenders (in each case, in their capacities as such) of any liability for any claims arising from the prepetition or postpetition activities of the Debtors in the operation of their business, or in connection with their restructuring efforts. So long as the DIP Lenders comply with their obligations under the DIP Loan Documents and their obligations, if any, under applicable law (including the Bankruptcy Code), (a) the DIP Lenders shall not, in any way or manner, be liable or responsible for (i) the safekeeping of the DIP Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person and (b) all risk of loss, damage, or destruction of the DIP Collateral shall be borne by the Loan Parties.

42. Interim Order Controls. In the event of any conflict or inconsistency between or among the terms or provisions of this Interim Order or any of the DIP Loan Documents, unless such term or provision in this Interim Order is phrased in terms of “defined in” or “as set forth in” the DIP Loan Documents, the terms and provisions of this Interim Order shall govern and control. In the event of any inconsistency between or among the terms or provisions of this Interim Order and any order entered in connection with the *Debtors’ Motion for Entry of an Order Authorizing Payment of the AST Transaction Break-Up Fee*, filed substantially contemporaneously with the Motion (such order, the “Break-Up Fee Order”), the terms and provisions of the Break-Up Fee Order shall govern and control.

43. **No Third-Party Rights.** Except as explicitly provided for herein, this Interim Order does not create any rights for the benefit of any third party, creditor, equity holder, or any direct, indirect, or incidental beneficiary.

44. **Nunc Pro Tunc Effect of This Interim Order.** This Interim Order shall take effect and shall be enforceable *nunc pro tunc* to the Petition Date immediately upon entry hereof. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), and 7062 or any other Bankruptcy Rule, or Rule 62(a) of the Federal Rules of Civil Procedure, this Interim Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Interim Order.

45. **Bankruptcy Rules.** The requirements of Bankruptcy Rules 4001, 6003, and 6004, in each case to the extent applicable, are satisfied by the contents of the DIP Motion.

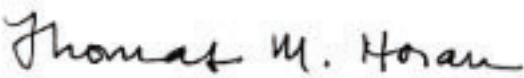

46. **Necessary Action.** The Debtors are authorized to take any and all such necessary actions as are reasonable and appropriate to implement the terms of this Interim Order.

47. **Headings.** Section headings used herein are for convenience only and are not to affect the construction of or to be taken into consideration in interpreting this Interim Order.

48. **Notice of Entry of This Interim Order.** The Debtors' counsel shall serve a copy of this Interim Order or a suitable notice respecting same on the Notice Parties.

49. **Retention of Jurisdiction.** The Court shall retain jurisdiction to hear, determine and, if applicable, enforce the terms of, any and all matters arising from or related to the DIP Facility and/or this Interim Order.

(iv) No consideration (other than the opportunity to participate in the syndication provided by this clause (f)) shall be payable by any party in connection with the assignment and assumption of the Assumed Commitments. The purchase price payable by each Electing Lender to the Administrative Agent for the benefit of each Loan Assigning Lender in respect of the Purchased Loans shall equal (A) the amount of Purchased Loans of the applicable Loan Assigning Lender sold to such Electing Lender, minus (B) the amount of such Purchased Loans that represents the Commitment Fee and/or the DIP First Funding Discount Fee that was Paid In Kind on the Interim DIP Order Entry Date or DIP First Funding Date, as applicable. The purchase price payable by each Electing Lender to the Administrative Agent for the benefit of each Selling Lender in respect of the Purchased Interest and Fees shall equal the amount of Purchased Interest and Fees sold by such Selling Lender. The calculation of the foregoing consideration (as well as the amounts of the applicable Purchased Obligations) shall be determined by the Administrative Agent no later than three (3) Business Days prior to the Syndication Consummation Date and shall control in the absence of manifest error (it being understood and agreed that the Administrative Agent shall deliver notice to the Electing Lenders and Selling Lenders of such amounts no later than two (2) Business Days prior to the Syndication Consummation Date).

(v) Each Electing Lender shall make available to the Administrative Agent, for the account of the applicable Selling Lenders, in Dollars and immediately available funds, the consideration set forth in clause (iv) in respect of the Purchased Obligations of the Selling Lenders no later than one (1) Business Day prior to the Syndication Consummation Date, and the Administrative Agent shall transfer such consideration to each applicable Selling Lender on the Syndication Consummation Date pursuant to the wire instructions most recently provided by such Selling Lender to the Administrative Agent.

(vi) Each Electing Lender (that is not an existing Lender at such time) shall make available to the Administrative Agent, concurrently with the delivery of its Election Joinder, a completed Administrative Questionnaire and any applicable tax forms.

(vii) Subject to the satisfaction of the conditions and terms set forth in the foregoing subclauses (iv), (v) and (vi) and delivery of the applicable Election Joinder in accordance with subclause (i) and making (for the benefit of the Selling Lenders and the Administrative Agent) of the representations and warranties set forth therein, and notwithstanding anything to the contrary contained in Section 10.04, the Syndication Transactions shall automatically and without any further action by any party occur on the Syndication Consummation Date.

(viii) Each Electing Lender hereby acknowledges and agrees that the sale, assignment and assumption of the Purchased Obligations are without any representation or warranty by any Selling Lender, and no Electing Lender shall have any recourse against any Selling Lender in connection with the Syndication Transactions.

(ix) Notwithstanding anything to the contrary contained in Section 10.02, (A) the Required Lenders (in consultation with the Administrative Agent, the Borrower and the applicable Selling Lender) may modify Schedule 2.01, and direct the Administrative Agent to update the Register, to evidence the consummation of the Syndication Transactions on the Syndication Consummation Date, and (B) the Required Lenders and the Administrative Agent may modify this clause (f) (other than the following subclause (x) hereof) without the consent of the Borrower.

(x) From the period commencing with the Closing Date and ending on the Syndication Consummation Date, the Borrower shall use commercially reasonable efforts to facilitate the syndication contemplated by this clause (f), including (A) obtaining a true and correct copy of the Register (including holding amounts and contact information) for the 1L Loan Agreement and the 1L Notes Indenture and (B) to the extent requested in writing by the Required Lenders, instructing its financial advisor to assist in such syndication, preparing customary marketing materials in respect thereof and directing any prepetition agent or trustee in respect of the 1L Loan Agreement and/or 1L Notes Indenture; *provided* that the foregoing shall not require any officer or director of the Borrower to violate any applicable fiduciary duty.

(xi) For the avoidance of doubt, each Backstop Lender agrees to consummate the transactions pursuant to this Section 2.01(f).

(g) Payment in Kind of Certain Fees. In addition to the Borrowings set forth in clauses (a), (b), (c), (d) and (e) of this Section 2.01, the Borrower shall also be deemed to Borrow additional Loans (of the applicable Class) in an amount equal to the Backstop Fee, Commitment Fee, DIP First Funding Discount Fee, DIP Second Funding Discount Fee, DIP DDTL Funding Discount Fee and DIP Unused Commitment Fee, as applicable, in accordance with Section 2.05.

Section 2.02 Loans.

(a) The failure of any applicable Lender to make any DIP First Funding Loan, DIP Second Funding Loan, DIP Delayed Draw Term Loan and/or Incremental Loan required to be made by it pursuant to Section 2.01, as applicable, shall not relieve any other Lender of its obligation to make any DIP First Funding Loan, DIP Second Funding Loan, DIP Delayed Draw Term Loan and/or Incremental Loan required to be made by it pursuant to Section 2.01, as applicable. Each Lender shall be responsible solely to the extent of its applicable Commitments and no Lender shall be responsible for the failure of any other Lender to make any Loan required to be made hereunder by such other Lender.

(b) Each Lender shall make any Loans (other than Roll-Up Loans or fees being Paid In Kind) required to be made by it hereunder on the applicable Funding Date by wire transfer of immediately available funds, in an amount equal to the principal amount of such Loan, as applicable, with respect to such Loan, to such account as the Administrative Agent may designate by not later than 1:00 p.m., New York City time on each such Funding Date, and the Administrative Agent shall promptly credit the amounts so received to an account as directed by the Borrower in the Borrowing Request maintained with the Administrative Agent; *provided* that, if any applicable Lender funds its pro rata portion of the requested Class of Loans prior to the conditions precedent being met for any applicable Funding Date and a borrowing of such requested Class of Loans shall not occur on such Funding Date because such conditions precedent have not been met, the Administrative Agent shall promptly return the amounts so received to the respective Lenders; *provided*, further, that the Administrative Agent shall promptly apply the amounts received in respect of the DIP Second Funding Loans to repay in full in cash all Prepetition First Out Obligations pursuant to written instructions provided by the 1L Loan Administrative Agent in consultation with the Required Ad Hoc Group and the Borrower (and if any excess amounts in respect of the DIP Second Funding Loans remain after the repayment of the Prepetition First Out Obligations (such excess, the “**Excess DIP Second Funding Loans Proceeds**”), the Administrative Agent shall promptly return such Excess DIP Second Funding Loans Proceeds to the DIP Second Funding Lenders on a pro rata basis, with such return being deemed to have been a prepayment by the Borrower of DIP Second Funding Loans on the DIP Second Funding Date in an amount equal to such Excess DIP Second Funding Loans Proceeds (and with any interest on such deemed prepaid DIP Second Funding Loans automatically cancelled)). For the avoidance of doubt, the Borrower may not borrow any DIP Delayed Draw Term Loans (other than the First DIP DDTL Borrowing) or Incremental Loans unless such Borrowing is approved by the Required Lenders in writing, in their sole discretion.

(c) For the avoidance of doubt, once funded, the DIP First Funding Loans, DIP Second Funding Loans and the DIP Delayed Draw Term Loans (and any applicable Incremental Loans) shall be deemed to be part of the same Class of Loans for all purposes under this Agreement.

Section 2.03 Borrowing Procedure. To request Loans of any Class from the applicable Lenders, the Borrower shall deliver, by electronic transmission, a duly completed and executed Borrowing Request to the Administrative Agent not later than 1:00 p.m., New York City time, three (3) Business Days before the date of the proposed Borrowing (or such shorter period as may be acceptable to Administrative Agent); *provided*, that with (i) respect to the DIP First Funding Loans, such Borrowing Request may be delivered one (1) Business Day prior to the DIP First Funding Date and (ii) the Borrower shall not be required to deliver a Borrowing Request in respect

of the DIP Second Funding Loans or the Roll-Up Loans and by its execution and delivery of this Agreement it shall have requested (x) that the Lenders with a DIP Second Funding Commitment on the DIP Second Funding Date make DIP Second Funding Loans on the DIP Second Funding Date pursuant to Section 2.01(b) and (y) the deemed issuance of the Roll-Up Loans hereunder on the Final DIP Order Entry Date pursuant to Section 2.01(d). The Borrowing Request shall specify the following information:

- (a) the aggregate amount and Class of such Borrowing;
- (b) the date of such Borrowing, which shall be a Business Day; and
- (c) the location and number of Borrower's account to which funds are to be disbursed, which for any Borrowing of DIP Delayed Draw Term Loans or Incremental Loans shall be the DIP Loan Proceeds Account.

Promptly following receipt of a Borrowing Request in accordance with this Section 2.03, the Administrative Agent shall advise each applicable Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested borrowing. In addition, promptly upon the occurrence of the Final DIP Order Entry Date, the Administrative Agent shall advise each applicable Lender of the occurrence thereof and of the amount of such Lender's Loan to be made as part of the requested borrowing of the DIP Second Funding Loans set forth in the second proviso of the first paragraph of this Section 2.03.

Section 2.04 Evidence of Debt; Repayment of Loans.

(a) *Promise to Repay.* The Borrower hereby unconditionally promises to pay to the Administrative Agent for the account of each Lender, the principal amount of each Loan of such Lender as provided in Section 2.09.

(b) *Lender and Administrative Agent Records.* Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to such Lender resulting from each Loan made by such Lender, including the amounts of principal (including Capitalized Amount) and interest payable and paid to such Lender from time to time under this Agreement. The Administrative Agent shall maintain records including (i) the amount of each Loan made hereunder; (ii) the amount of any principal (including Capitalized Amount) or interest due and payable or to become due and payable from the Borrower to each Lender hereunder; and (iii) the amount of any sum received by the Administrative Agent hereunder for the account of the Lenders and each Lender's share thereof. The entries made in the records maintained by the Administrative Agent and each Lender pursuant to this paragraph shall be prima facie evidence of the existence and amounts of the obligations therein recorded; *provided* that the failure of any Lender or the Administrative Agent to maintain such records or any error therein shall not in any manner affect the obligations of the Borrower to repay the Loans in accordance with their terms. In the event of any conflict between the records maintained by any Lender and the records of the Administrative Agent in respect of such matters, the records of the Administrative Agent shall control in the absence of manifest error.

(c) *Promissory Notes.* Any Lender by written notice to the Borrower (with a copy to the Administrative Agent) may request that Loans made by it be evidenced by a Promissory

Note. In such event, the Borrower shall prepare, execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns in the form of Exhibit E. Thereafter, the Loans evidenced by such Promissory Note and interest thereon shall at all times (including after assignment pursuant to Section 10.04) be represented by one or more Promissory Notes in such form payable to such payee and its registered assigns and the Borrower hereby irrevocably authorizes each Lender to make (or cause to be made) appropriate notations to such Promissory Note of, among other things, the date of, the outstanding principal amount of, and the interest rate and Interest Period applicable to, the Loans evidenced thereby. Such notations shall, to the extent not inconsistent with notations made by the Administrative Agent in the records referenced above, be conclusive and binding on each Loan Party absent manifest error; *provided* that the failure of any Lender to make any such notations shall not limit or otherwise affect any Obligations of any Loan Party.

Section 2.05 Fees; Additional Payment.

(a) The Borrower agrees to pay to the Administrative Agent, for its own account, the administrative and other fees payable in the amounts and at the times separately agreed upon between the Borrower and the Administrative Agent.

(b) The Borrower agrees to pay, on the earlier of the Interim DIP Order Entry Date and the Maturity Date, to the Administrative Agent, for the account of each Lender on the Closing Date, a nonrefundable backstop fee (the “**Backstop Fee**”) in an amount equal to 12.5% of the aggregate amount of Commitments of such Lender on the Closing Date (for the avoidance of doubt prior to the Borrowing of any Loans), which Backstop Fee (x) will be fully earned, due and payable on the earlier of the Interim DIP Order Entry Date and the Maturity Date and (y) for the avoidance of doubt, shall be Paid in Kind on the such date by capitalizing on the outstanding principal amount of Loans then held by such Lender on such date (or, if such Lender does not have any outstanding Loans on such date then such Backstop Fee shall be Paid In Kind pursuant to a deemed issuance on such date of DIP First Funding Loans owing to such lender); *provided*, that if such Backstop Fee is due and payable on (or after) the Maturity Date such Backstop Fee shall be paid in cash.

(c) The Borrower agrees to pay, on the Interim DIP Order Entry Date, to the Administrative Agent, for the account of each Lender on the Closing Date, a nonrefundable commitment fee (the “**Commitment Fee**”) in an amount equal to 5.0% of the aggregate amount of Commitments of such Lender on the Closing Date (for the avoidance of doubt prior to the Borrowing of any Loans), which Commitment Fee (x) will be fully earned, due and payable on the earlier of the Interim DIP Order Entry Date and the Maturity Date and (y) for the avoidance of doubt, shall be Paid in Kind on such date by capitalizing on the outstanding principal amount of Loans then held by such Lender on such date (or, if such Lender does not have any outstanding Loans on such date then such Commitment Fee shall be Paid In Kind pursuant to a deemed issuance on such date of DIP First Funding Loans owing to such lender); *provided*, that if such Commitment Fee is due and payable on (or after) the Maturity Date such Commitment Fee shall be paid in cash.

(d) The Borrower agrees to pay, on the DIP First Funding Date, to the Administrative Agent, for the account of each Lender with a DIP First Funding Commitment on

the DIP First Funding Date, a nonrefundable funding fee (the “**DIP First Funding Discount Fee**”) in an amount equal to 5.0% of the aggregate amount of DIP First Funding Loans made by such Lender on the DIP First Funding Date, which DIP First Funding Discount Fee (x) will be fully earned, due and payable on the DIP First Funding Date and (y) for the avoidance of doubt, shall be Paid in Kind on the DIP First Funding Date by capitalizing on the outstanding principal amount of Loans then held by such Lender immediately after the funding of the DIP First Funding Loans on the DIP First Funding Date.

(e) The Borrower agrees to pay, on the DIP Second Funding Date, to the Administrative Agent, for the account of each Lender with a DIP Second Funding Commitment on the DIP Second Funding Date, a nonrefundable funding fee (the “**DIP Second Funding Discount Fee**”) in an amount equal to 5.0% of the aggregate amount of DIP Second Funding Loans (other than Excess DIP Second Funding Loans Proceeds to the extent returned to such Lender on the DIP Second Funding Date) made by such Lender on the DIP Second Funding Date, which DIP Second Funding Discount Fee (x) will be fully earned, due and payable on the DIP Second Funding Date and (y) for the avoidance of doubt, shall be Paid in Kind on the DIP Second Funding Date by capitalizing on the outstanding principal amount of DIP Second Funding Loans then held by such Lender immediately after the funding of the DIP Second Funding Loans on the DIP Second Funding Date.

(f) The Borrower agrees to pay, on each DIP DDTL Funding Date, to the Administrative Agent, for the account of each Lender with a DIP DDTL Commitment on such DIP DDTL Funding Date, a nonrefundable funding fee (each, a “**DIP DDTL Funding Discount Fee**”) in an amount equal to 5.0% of the aggregate amount of DIP Delayed Draw Term Loans made by such Lender on such DIP DDTL Funding Date, which DIP DDTL Funding Discount Fee (x) will be fully earned, due and payable on the applicable DIP DDTL Funding Date and (y) for the avoidance of doubt, shall be Paid in Kind by capitalizing such DIP DDTL Fee on the outstanding principal amount of Loans then held by such Lender immediately after the funding of the DIP Delayed Draw Term Loans on the applicable DIP DDTL Funding Date.

(g) The Borrower agrees to pay on each DIP Unused Commitment Fee Payment Date, an unused commitment fee to each DIP DDTL Commitment Lender and each DIP Second Funding Commitment Lender in an amount equal to the average daily balance of the unused DIP DDTL Commitments of such DIP DDTL Commitment Lender and unused DIP Second Funding Commitments of such DIP Second Funding Commitment Lender, as applicable, during the applicable DIP Unused Commitment Fee Period, multiplied by 3.0% *per annum* (the “**DIP Unused Commitment Fee**”). The DIP Unused Commitment Fee shall accrue at all times from and after the Closing Date, shall be calculated in accordance with Section 2.06(d) and shall (x) be Paid in Kind by capitalizing on the outstanding principal amount of Loans then held by such Lender (or if such Lender does not have any Loans of such date shall be Paid In Kind pursuant to a deemed issuance of Loans owing to such Lender). For the avoidance of doubt, all DIP Unused Commitment Fees that are paid in cash shall be paid to the Administrative Agent for the account of the applicable Lender.

Section 2.06 Interest on Loans.

(a) *Interest.* Subject to the provisions of Section 2.06(b), the Loans shall bear interest on the outstanding principal amount thereof (including, for the avoidance of doubt, any Capitalized Amount) at the Applicable Margin.

(b) *Default Rate.* Notwithstanding the foregoing, if an Event of Default has occurred and is continuing, or if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, then the outstanding principal amount of the Loans hereunder, and any overdue interest, fees and other amounts, shall automatically (unless the Required Lenders provide written notice to the contrary), to the fullest extent permitted by applicable law, after as well as before judgment, bear interest at a rate per annum equal to 19.5% (the “**Default Rate**”).

(c) *Interest Payment Dates.* Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan (and at such other times as may be specified herein) and shall be Paid In Kind; *provided* that (i) the Borrower may elect with respect to any Interest Period ending prior to the Maturity Date to pay the interest accrued during such Interest Period in cash by delivering to the Administrative Agent irrevocable written notice of the election thereof, which written election must be received by the Administrative Agent no earlier than five (5) Business Days, and not later than three (3) Business Days, prior to the applicable Interest Payment Date (such election, a “**Cash Interest Election**”; it being understood and agreed that upon delivery of such Cash Interest Election the Borrower shall be obligated to pay such interest in cash on such Interest Payment Date), (ii) interest accruing at the Default Rate pursuant to Section 2.06(b), or otherwise while an Event of Default has occurred and is continuing, shall be due and payable upon demand and shall be payable in cash, (iii) interest (and all other amounts hereunder) due on the Maturity Date shall be payable in cash and (iv) in the event of any repayment or prepayment, whether voluntary or mandatory (including as a result of an acceleration), of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and shall be payable in cash in dollars.

(d) *Interest, DIP Unused Commitment Fee Calculations.* All interest and DIP Unused Commitment Fees hereunder shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

(e) *Interest Act (Canada).* For the purposes of the *Interest Act (Canada)* and disclosure thereunder, in any case in which an interest or fee rate is stated in this Agreement to be calculated on the basis of a number of days that is other than the number in a calendar year, the yearly rate to which such interest or fee rate is equivalent is equal to such interest or fee rate multiplied by the actual number of days in the year in which the relevant interest or fee payment accrues and divided by the number of days used as the basis for such calculation; *provided* that this clause (e) shall not modify the interest owed by the Borrower pursuant to clauses (a) or (b) above.

(f) *No Criminal Rate of Interest.* If any provision of this Agreement would oblige a Canadian Loan Party to make any payment of interest or other amount payable to any Secured Party in an amount or calculated at a rate which would be prohibited by any applicable law or would result in a receipt by that Secured Party of “interest” at a “criminal rate” (as such

terms are construed under the Criminal Code (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted (solely with respect to the Obligations of such Canadian Loan Party) with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by applicable law or so result in a receipt by that Secured Party of “interest” at a “criminal rate”, such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows:

(i) first, by reducing the amount or rate of interest required to be paid to the affected Secured Party; and

(ii) thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to the affected Lender which would constitute interest for purposes of section 347 of the Criminal Code (Canada).

Section 2.07 [Reserved]

Section 2.08 [Reserved]

Section 2.09 Repayment of Loans. To the extent not previously paid, the Borrower shall pay to the Administrative Agent, in cash, for the account of the Lenders, on the Maturity Date, the entire principal amount of the Loans then outstanding, together with accrued and unpaid interest thereon and all fees, expenses and other amounts payable under the terms of the Loan Documents or the DIP Orders, and all other Obligations (other than contingent indemnification Obligations to the extent no claim giving rise thereto has been asserted).

Section 2.10 Optional and Mandatory Prepayments of Loans.

(a) *Optional Prepayments*. The Borrower shall have the right at any time (and from time to time) to prepay the Loans, in whole or in part in cash, subject to the requirements of Sections 2.10(g) and (h); *provided* that each partial prepayment shall be in an amount that is an integral multiple of \$1,000,000 and not less than \$5,000,000 or, if less, the outstanding principal amount of the Loans; *provided further* that no prepayment of Roll-Up Loans may be made pursuant to this Section 2.10(a) prior to the payment in full in cash of the DIP New Money Loans.

(b) *Incurrence of Debt*. Concurrently upon the incurrence or the issuance by any Loan Party or any Subsidiary of any Loan Party of Indebtedness (other than Net Issuance Proceeds from the incurrence of Indebtedness permitted under Section 6.01), the Borrower shall prepay the Loans in an aggregate amount equal to the Net Issuance Proceeds of such Indebtedness in accordance with Section 2.10(h). Nothing in this Section 2.10(b) shall be construed to permit or waive any Default or Event of Default arising from any incurrence or issuance of Indebtedness not permitted under the terms of this Agreement.

(c) *Asset Sales; Events of Loss*. No later than the first Business Day following the date of receipt by Borrower or any of its Subsidiaries of any Net Cash Proceeds of any Asset Sale or Event of Loss, Borrower shall prepay the Loans in an aggregate amount equal to one hundred percent (100%) of such Net Cash Proceeds, in accordance with Section 2.10(h); *provided*, that Borrower shall not be required to make any such prepayment with the first \$100,000 of such

Net Cash Proceeds (in aggregate) received after the Closing Date. Nothing in this Section 2.10(c) shall be construed to permit or waive any Default or Event of Default arising from any Asset Sale not permitted under the terms of this Agreement.

(d) *Change in Control.* Immediately following any Change in Control, the Borrower shall prepay the outstanding Loans in an amount equal to 100% of the principal amount thereof (plus accrued and unpaid interest thereon, if any) in accordance with Section 2.10(h). Nothing in this Section 2.10(d) shall be construed to permit or waive any Default or Event of Default arising from the occurrence of any Change in Control.

(e) *Extraordinary Receipts.* On the date of receipt by the Borrower or any of its Subsidiaries of any Extraordinary Receipts, the Borrower shall prepay on such date the outstanding Loans in the amount of such Extraordinary Receipts.

(f) *Issuance of Equity Securities.* On the date of receipt by the Borrower of any cash proceeds from a capital contribution to, or the issuance of any Capital Stock of, the Borrower or, without limiting Section 6.11, any of its Subsidiaries, the Borrower shall prepay on such date the outstanding Loans in the aggregate amount equal to 100% of such proceeds, net of underwriting discounts and commissions and other reasonable and documented and actually paid cash costs and cash expenses associated therewith, in each case, paid to non-Affiliates.

(g) *Notice of Prepayment.* The Borrower shall notify the Administrative Agent by written notice of any prepayment hereunder not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment. Each such notice shall be irrevocable; *provided* that a notice of prepayment so delivered, if delivered with respect to the entire outstanding principal amount of the Obligations, may state that such notice is conditioned upon the effectiveness of another credit facility or the closing of a securities offering, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to 2:00 p.m., New York City time on the specified prepayment date) if such condition is not satisfied. Each such notice shall specify the prepayment date, the principal amount of the Loans to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof.

(h) *Application of Payments.* Each prepayment of Loans pursuant to this Section 2.10 shall be allocated first, ratably among the DIP New Money Loans (treated, for the avoidance of doubt, as a single Class) based on the outstanding principal amounts thereof and thereafter to the Roll-Up Loans; *provided* that, solely for the purpose of the calculation of purchase price in connection with Section 2.01(f)(iv) in respect of Purchased Loans, prepayments shall be applied first to the portion of Loans comprised of principal not arising from any interest, fees or other amounts that were Paid In Kind. Prepayments shall be accompanied by accrued interest as more fully set forth in Section 2.06.

(i) *Voluntary Termination of Commitments.* For the avoidance of doubt, the Borrower shall not be permitted to voluntarily terminate any Commitments hereunder.

Section 2.11 [Reserved]

Section 2.12 Yield Protection.

(a) *Increased Costs Generally.* If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge, liquidity or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in, by any Lender; or

(ii) subject any Lender to any Taxes of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (in each case, except for (i) Indemnified Taxes indemnifiable under Section 2.15, (ii) Taxes described in clauses (b) through (e) of the definition of Excluded Taxes payable by such Lender and (iii) Connection Income Taxes);

and the result of any of the foregoing shall be to increase the cost to such Lender of making, converting into, continuing or maintaining any Loans or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or any other amount), then, upon request of such Lender, the Borrower will pay, without duplication, to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) *Capital Requirements.* If any Lender reasonably determines in good faith that any Change in Law affecting such Lender or any lending office of such Lender or its holding company, if any, regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender, to a level below that which such Lender or its holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or its holding company for any such reduction suffered.

(c) *Certificates for Reimbursement.* A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section 2.12 and delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 30 days after receipt thereof.

(d) *Delay in Requests.* Failure or delay on the part of any Lender to demand compensation pursuant to this Section 2.12 shall not constitute a waiver of such Lender's right to demand such compensation; *provided* that the Borrower shall not be required to compensate a Lender pursuant to this Section 2.12 for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or

reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

Section 2.13 [Reserved]

Section 2.14 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) *Payments Generally.* The Borrower shall make each payment required to be made by it hereunder or under any other Loan Document (whether of principal, interest, premium or fees, or of amounts payable under Sections 2.12, 2.15 or 10.03, or otherwise) on or before the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff, deduction or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent at its offices, except that payments pursuant to Sections 2.12, 2.15 or 10.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment under any Loan Document shall be due on a day that is not a Business Day, unless specified otherwise, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest (and/or in respect of a commitment and/or unused fee), interest thereon (and/or additional commitment and/or unused fee) shall be payable for the period of such extension. All payments under each Loan Document (including repayments and prepayments of the Loans and payments of any interest, fees, indemnification amounts or expense reimbursements) shall be made in dollars.

(b) *Pro Rata Treatment.*

(i) Except as provided in Section 2.12(b), each payment by the Borrower of interest, fees, premiums, and other payments in respect of the Loans shall be applied to the amounts of such obligations owing to the Lenders pro rata according to the respective amounts then due and owing to the Lenders.

(ii) Except as provided in Section 2.12(b), each payment on account of principal of the Loans shall be allocated among the Lenders pro rata based on the principal amount of the Loans held by the Lenders.

(c) *Insufficient Funds.* Subject to Section 8.02, if at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest, premium and fees then due hereunder, such funds shall be applied (i) first, toward payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, toward payment of principal and premium then due hereunder, ratably in accordance with Section 2.10(h) (as if such payment was a prepayment) among the parties entitled thereto in accordance with the amounts of principal and premium then due to such parties.

(d) *Sharing of Set-Off.* If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other Obligations resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans (including all amounts Paid in Kind that have been added to the principal amount) and accrued interest thereon or other Obligations greater than its pro rata share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) make adjustments as shall be equitable with the consent of the Required Lenders, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal (including all amounts Paid in Kind that have been added to the principal amount) of and accrued interest on their respective Loans and other amounts owing them, *provided* that the provisions of this paragraph shall not be construed to apply to (x) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or (y) any payment obtained by a Lender as consideration for any Transfer of its Loans to an Eligible Assignee.

Each Loan Party agrees, to the extent it may effectively do so under applicable Requirements of Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Loan Party in the amount of such participation. If under applicable bankruptcy, insolvency or any similar law any Secured Party receives a secured claim in lieu of a setoff or counterclaim to which this Section 2.14(d) applies, such Secured Party shall to the extent practicable, exercise its rights in respect of such secured claim in a manner consistent with the rights to which the Secured Party is entitled under this Section 2.14(d) to share in the benefits of the recovery of such secured claim.

(e) *The Borrower Default.* Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

Section 2.15 Taxes.

(a) *Payments Free of Taxes.* Any and all payments by or at the direction of (or on behalf of) the Loan Parties on account of any obligation hereunder or under any other Loan Document shall be made free and clear of and without reduction or withholding for any Taxes, unless required by applicable Requirements of Law. Subject to Section 2.15(i), if the applicable withholding agent shall be required by applicable Requirements of Law (as determined in the good faith discretion of the applicable withholding agent) to deduct or withhold any Taxes from such payments, then (i) if such Taxes are Indemnified Taxes, the sum payable shall be increased by the Loan Parties as necessary so that after all required deductions have been made (including

deductions applicable to additional sums payable under this Section 2.15) the Administrative Agent or Lender, as the case may be, receives an amount equal to the sum it would have received had no such deductions been made, (ii) the applicable withholding agent shall make such deductions and (iii) the applicable withholding agent shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(b) *Payment of Other Taxes by Loan Parties.* Without limiting the provisions of paragraph (a) above, the Loan Parties shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable Requirements of Law.

(c) *Indemnification by Loan Parties.* The Loan Parties shall, jointly and severally, indemnify the Administrative Agent and each Lender, within 10 days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.15) payable by, paid by, or required to be withheld or deducted from a payment to the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Lender, setting forth in reasonable detail the basis and computation of such payment or liability, shall be conclusive absent manifest error; *provided* that, upon the Borrower's timely written request, the Administrative Agent or Lender may, in its sole discretion, after consultation with the Borrower, and at the Borrower's expense, contest the validity, applicability or amount of such Taxes by (i) resisting payment thereof, (ii) not paying the same except under protest, if protest is necessary and proper, or (iii) if payment is made, using reasonable efforts to obtain a refund thereof in appropriate administrative and judicial proceedings; *provided* that (y) the Administrative Agent or such Lender will not be required to take any action or continue to pursue an action (or inaction) hereunder which, in its sole discretion, could cause the Administrative Agent or such Lender to suffer any disadvantage, and (z) on written demand from the Administrative Agent or the Lender, as the case may be, the Borrower agrees to pay, and shall timely pay, to the Administrative Agent or such Lender all reasonable costs and expenses that the Administrative Agent or such Lender actually incurs in connection with and reasonably allocable to contesting such claim (including reasonable legal and accounting fees, penalties, interest, and additions to Tax) and any Indemnified Taxes that are paid by the Administrative Agent or the Lender.

(d) *Evidence of Payments.* As soon as practicable after any payment of Indemnified Taxes (or any Taxes otherwise withheld or deducted from any payments to the Administrative Agent, the Lenders, or any other recipient under the Loan Documents) by any Loan Party to a Governmental Authority, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) *Status of Lenders.* Any Lender that is entitled to an exemption from or reduction of any withholding Tax with respect to any payments hereunder or under any other Loan Document shall, to the extent it may lawfully do so, deliver to the Borrower and to the

Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Requirements of Law as will permit such payments to be made without withholding or at a reduced rate of withholding (including any withholding under FATCA). In addition, any Lender, if requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the above two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.15(e)(ii)(A), (ii)(C) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any unreimbursed cost or expense or would be disadvantageous to such Lender in any material respect.

(i) Without limiting the generality of the foregoing,

(A) any Foreign Lender shall, to the extent it may lawfully do so deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(1) duly completed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any applicable successor forms of either), as applicable, claiming eligibility for benefits of an income tax treaty to which the United States of America is a party,

(2) duly completed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, in substantially the form of Exhibit H-1, or any other form approved by the Administrative Agent, to the effect that such Foreign Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code, and that no payments in connection with the Loan Documents are effectively connected with such Foreign Lender's conduct of a U.S. trade or business and (y) duly completed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any successor forms), as applicable,

1128

(4) to the extent a Foreign Lender is not the beneficial owner executed originals of Internal Revenue Service Form W-8IMY, accompanied by a Form W-8ECI, W-8BEN, W-8BEN-E (or any successor forms), as applicable, a certificate in substantially the form of Exhibit H-2 or Exhibit H-3, Form W-9 (or any successor form), and/or other certification documents from each beneficial owner, as applicable; *provided* that, if the Foreign Lender is a partnership (and not a participating Lender) and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a certificate, in substantially the form of Exhibit H-4, on behalf of such direct and indirect partner or

(5) any other form prescribed by applicable Requirements of Law or reasonably requested by the Borrower or the Administrative Agent as a basis for claiming exemption from or a reduction in United States federal withholding Tax duly completed together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower and the Administrative Agent to determine the withholding or deduction required to be made.

(B) Each Foreign Lender shall, to the extent it is legally entitled to do so, from time to time after the initial delivery by such Foreign Lender of the forms described above, whenever a lapse in time or change in such Foreign Lender's circumstances renders such forms, certificates or other evidence so delivered obsolete or inaccurate, promptly (1) deliver to the Borrower and the Administrative Agent (in such number of copies as shall be reasonably requested by the recipient) renewals, amendments or additional or successor forms, properly completed and duly executed by such Foreign Lender, together with any other certificate or statement of exemption required in order to confirm or establish such Foreign Lender's status or that such Foreign Lender is entitled to an exemption from or reduction in withholding Tax or (2) notify Administrative Agent and the Borrower of its legal inability to deliver any such forms, certificates or other evidence.

(C) Any Lender that is not a Foreign Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter as prescribed by applicable law or upon the reasonable request of the Borrower or the Administrative Agent), duly executed and properly completed copies of Internal Revenue Service Form W-9 (or any successor form) certifying that it is not subject to U.S. federal backup withholding.

(D) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if

such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(f) *Treatment of Certain Refunds.* If the Administrative Agent or a Lender determines, in its reasonable discretion, that it has received a refund of any Indemnified Taxes as to which it has been indemnified by a Loan Party or with respect to which a Loan Party has paid additional amounts pursuant to this Section 2.15, it shall pay to the applicable Loan Party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by such Loan Party under this Section 2.15 with respect to the Indemnified Taxes giving rise to such refund), net of all out-of-pocket expenses of the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that such Loan Party, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to such Loan Party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. This paragraph shall not be construed to require the Administrative Agent or any Lender to make available its tax returns (or any other information relating to its taxes that it deems confidential) to the Borrower or any other Person. Notwithstanding anything to the contrary, in no event will the Administrative Agent or any Lender be required to pay any amount to a Loan Party if such payment would place the Administrative Agent or such Lender in a less favorable net after-tax position than the Administrative Agent or such Lender would have been in if the Indemnified Taxes giving rise to such refund had never been imposed in the first instance and the indemnification payments or additional amounts with respect to the Indemnified Taxes had never been paid.

(g) *Payments.* For purposes of this Section 2.15, (i) any payments by the Administrative Agent to a Lender of any amounts received by the Administrative Agent from the Borrower on behalf of such Lender shall be treated as a payment from the Borrower to such Lender and (ii) if a Lender is treated as a partnership for United States federal income tax purposes, any withholding or payment of such United States federal income tax that is an Indemnified Tax by

the Lender in respect of any of such Lender's partners shall be considered a withholding or payment of such Indemnified Tax by the Borrower.

(h) *Survival.* Each party's obligations under this Section 2.15 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction, or discharge of all obligations under any Loan Document.

(i) *Tax Treatment.* For U.S. federal income tax purposes, the Borrower and the Lenders intend that (i) the DIP Facility is treated as debt and (ii) the Backstop Fee shall not be treated as a fee (collectively, the "**Intended Tax Treatment**"). Each of the Borrower and the Lenders agree not to file any tax return, report or declaration inconsistent with the Intended Tax Treatment, except as otherwise required due to a determination within the meaning of Section 1313(a) of the Code or due to a change in applicable law after the date hereof.

Section 2.16 Mitigation Obligations. If any Lender requests compensation under Section 2.12, or requires the Borrower to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.15, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.12 or 2.15, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment. A certificate setting forth such costs and expenses submitted by such Lender to the Borrower shall be conclusive absent manifest error.

Section 2.17 Currency Indemnity. If, for the purposes of obtaining judgment in any court in any jurisdiction with respect to this Agreement or any other Loan Document, it becomes necessary to convert into a particular currency (the "**Judgment Currency**") any amount due under this Agreement or under any other Loan Document in any currency other than the Judgment Currency (the "**Currency Due**"), then conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which judgment is given. For this purpose "rate of exchange" means the rate at which the Administrative Agent is able, on the relevant date, to purchase the Currency Due with the Judgment Currency in accordance with its normal practice at its head office. In the event that there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given and the date of receipt by the Administrative Agent of the amount due, the Borrower will, on the date of receipt by the Administrative Agent, pay such additional amounts, if any, or be entitled to receive reimbursement of such amount, if any, as may be necessary to ensure that the amount received by the Administrative Agent on such date is the amount in the Judgment Currency which when converted at the rate of exchange prevailing on the date of receipt by the Administrative Agent is the amount then due under this Agreement or such other Loan Document in the Currency Due. If the amount of the Currency Due which the Administrative Agent is so able to purchase is less than the amount of the Currency Due originally due to it, the Borrower shall indemnify and save the Administrative Agent and the Lenders harmless from and against all loss or damage arising as a result of such

deficiency. This indemnity shall constitute a secured obligation separate and independent from the other obligations contained in this Agreement and the other Loan Documents, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by the Administrative Agent from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due under this Agreement or any other Loan Document or under any judgment or order.

Section 2.18 Incremental Loan Facilities.

(a) *Borrower Request.* Subject to obtaining prior approval from the Required Lenders in writing (in their sole discretion) for the applicable Incremental Loan Facility, the Borrower may, by written notice to the Administrative Agent at any time and from time to time, elect to incur additional Loans or request the establishment of one or more new term loan facilities (the “**Incremental Loan Facility**”; the commitments in respect thereof, the “**Incremental Commitments**”), in an aggregate original principal amount for all Incremental Loan Facilities that may be agreed in writing by the Required Lenders; *provided* that the Borrower (and no other Loan Party) shall only be entitled to request or borrow under the Incremental Loan Facility if the Required Lenders have consented in writing in their sole discretion to the request for or borrowing under such Incremental Loan Facility. Such notice shall specify (A) the amount of Incremental Loans being requested and (B) the date on which the Borrower proposes as the applicable Funding Date(s) on which the Borrower proposes that the Incremental Loan Facility shall be available to be funded. For the avoidance of doubt, the Required Lenders shall not be obligated to consent to the Incremental Loan Facility and may withhold consent for any reason.

Any Incremental Loan Facility shall be effected by a joinder agreement in form and substance acceptable to the Required Lenders (an “**Increase Joinder**”) executed by the Borrower, the Administrative Agent and each Lender providing the Incremental Loan Facility.

(b) *Conditions.* The Incremental Commitments shall become effective as of the Business Day upon which each of the conditions precedent set forth below is satisfied (or waived by the Required Ad Hoc Holders in their sole discretion) (each such date, an “**Increase Effective Date**”):

(i) Each of the representations and warranties made by any Loan Party set forth in Article 3 hereof or in any other Loan Document shall be true and correct in all material respects (except that any representation and warranty that is qualified as to “materiality” or “Material Adverse Effect” shall be true and correct in all respects) on and as of the applicable Increase Effective Date, except to the extent such representations and warranties expressly relate to an earlier date;

(ii) The Borrower and each other Loan Party shall be in compliance in all material respects with all the terms and provisions set forth herein and in each other Loan Document on its part to be observed or performed, and, at the time of and immediately after the Increase Effective Date, no Default or Event of Default shall have occurred and be continuing or would immediately result from such Borrowing on such date;

1132

(iii) Each of the Material Contracts shall be in full force and effect and shall not have been terminated;

(iv) The Administrative Agent shall have received, with respect to the Increase Joinder and other Loan Documents and any other matters as the Administrative Agent shall reasonably request, certificates and documents substantially equivalent to those required under Section 4.01(b)(i) and (b)(ii);

(v) The Administrative Agent shall have received a certificate, dated the Increase Effective Date and signed by a Responsible Officer of the Borrower, confirming compliance with the conditions set forth in Sections 2.18(b)(i) through 2.18(b)(iv) as of such Increase Effective Date;

(vi) The Administrative Agent shall have received evidence in form and substance reasonably satisfactory to the Administrative Agent and the Required Lenders of the Bankruptcy Court's approval of such Incremental Loan Facility;

(vii) The Required Lenders shall have consented to the Borrower's incurrence of the Incremental Commitments under such Increase Joinder; and

(viii) Without limiting the foregoing requirement to receive the written consent of the Required Lenders, the satisfaction of each other condition required by the Required Lenders in respect thereof.

(c) *Terms of New Loans and Commitments.* The terms and conditions of the Loans made pursuant to the Incremental Loan Facility ("**Incremental Loans**"), shall be as mutually agreed between the Borrower, the Administrative Agent, the Required Lenders, and each Lender providing the Incremental Loan Facility; *provided that:*

(i) the Incremental Loan Facility will rank *pari passu* in right of payment and *pari passu* with respect to security with the then existing Loans, shall not be secured by any assets that do not constitute Collateral, shall be incurred by the Borrower and shall not be guaranteed by any Person that is not a Loan Party;

(ii) [reserved]; and

(iii) except as otherwise agreed with the Required Lenders, (A) the Incremental Loan Facility will be subject to the same terms and conditions as the Loans except those conditions to borrowing explicitly set forth in this Section 2.18, (B) the Incremental Loans, once funded, shall be considered a part of the same Class as all other Loans outstanding at such time (unless otherwise specified in the applicable Increase Joinder), (C) the final maturity of any Incremental Loan Facility will be the Maturity Date and (D) no Incremental Loan Facility shall amortize or have mandatory prepayments other than those applicable to the existing Loans.

(d) *Equal and Ratable Benefit.* The Loans and Commitments established pursuant to this Section 2.18 shall constitute Loans and Commitments under, and shall be entitled to all the benefits afforded by, this Agreement and the other Loan Documents, and shall, without

limiting the foregoing, benefit equally and ratably from the Guarantees and the security interests created by the Loan Security Documents. The Loan Parties shall take any actions reasonably required by the Administrative Agent to ensure and/or demonstrate that the Lien and security interests granted by the Loan Security Documents continue to be perfected under the UCC, the PPSA or otherwise after giving effect to the establishment of any such Loans or any such new Commitments.

(e) This Section 2.18 shall supersede any provisions in Section 2.14 or Section 10.02 to the contrary.

Section 2.19 Certain Bankruptcy Matters.

(a) The Loan Parties hereby agree that, subject only to the Carve-Out, the AST Break-Up Fee (if any) and Administration Charge, the Obligations shall (i) constitute DIP Superpriority Claims with priority over all administrative expense claims and any and all other claims against the Borrower and the other Loan Parties now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, all administrative expense claims of the kind specified in sections 105, 326, 328, 330, 331, 365, 503(a), 503(b), 506(c) (subject to entry of the Final DIP Order), 507(a), 507(b), 546(c), 546(d), 726, 1113, 1114 or any other provisions of the Bankruptcy Code and all superpriority administrative expense claims granted to any other Person, the establishment of which superpriority shall have been approved and authorized by the Bankruptcy Court and (ii) be secured as provided in, and be deemed valid and perfected by entry of any of, the DIP Orders pursuant to the applicable provisions of the Bankruptcy Code.

(b) In the event of a conflict between, or inconsistency among, the Interim DIP Order or the Final DIP Order, on the one hand, and any other Loan Document, on the other hand, the Interim DIP Order or the Final DIP Order, as the case may be, shall control.

(c) Notwithstanding anything to the contrary contained herein or elsewhere:

(i) No Agent or Lender shall be required to prepare, file, register or publish any financing statements, mortgages, hypothecs, account control agreements, notices of Lien or similar instruments in any jurisdiction or filing or registration office, or to take possession of any Collateral or to take any other action in order to validate, render enforceable or perfect the Liens on the Collateral granted by or pursuant to this Agreement, the DIP Orders, the DIP Recognition Orders or any other Loan Document. If the Collateral Agent (at the Required Lenders' direction, which shall be in their sole discretion), from time to time elects to prepare, file, register or publish any such financing statements, mortgages, hypothecs, account control agreements, notices of Lien or similar instruments, take possession of any Collateral, or take any other action to validate, render enforceable or perfect all or any portion of the Collateral Agent's Liens on the Collateral, (A) all such documents and actions shall be deemed to have been filed, registered, published or recorded or taken at the time and on the date that the Interim DIP Order is entered, and (B) shall not negate or impair the validity or effectiveness of this Section 2.22(c) or of the perfection of any other Liens in favor of the Collateral

Agent, for the benefit of the Lenders and the other Secured Parties, on the Collateral.

(ii) Except as otherwise expressly agreed to by each of the Secured Parties in writing, the Liens, Lien priorities, DIP Superpriority Claims and other rights and remedies granted to the Collateral Agent, the Lenders and the other Secured Parties pursuant to this Agreement, the DIP Orders, the DIP Recognition Orders or the other Loan Documents (specifically including, but not limited to, the existence, perfection, enforceability and priority of the Liens provided for herein and therein, and the DIP Superpriority Claims provided herein and therein) shall not be modified, altered or impaired in any manner by any other financing or extension of credit or incurrence of indebtedness by the Borrower or any other Loan Party (pursuant to Section 364 of the Bankruptcy Code or otherwise), or by dismissal or conversion of any of the Cases, or by any other act or omission whatsoever.

(d) Without limiting the generality of the foregoing, notwithstanding any such financing, extension, incurrence, dismissal, conversion, act or omission:

(i) subject only to the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge, no costs or expenses of administration which have been or may be incurred in the Cases or any conversion of the same or in any other proceedings related thereto, and no priority claims, are or will be prior to or on a parity with any claim of any Secured Party or any Agent against the Borrower or any other Loan Parties in respect of any Obligations;

(ii) the Collateral Agent's Liens on the Collateral shall constitute valid, enforceable and perfected First Priority Liens, and, other than as expressly provided in the DIP Orders, DIP Recognition Orders or the Loan Documents, shall be prior to all other Liens, now existing or hereafter arising, in favor of any other creditor or other Person; and

(iii) the Collateral Agent's Liens on the Collateral shall continue to be valid, enforceable and perfected without the need for any Agent or any other Secured Party to prepare, file, register or publish any financing statements, mortgages, hypothecs, account control agreements, notices of Lien or similar instruments or to otherwise perfect the Collateral Agent's Liens under applicable non-bankruptcy law.

In connection with any Asset Sale or other disposition of all or any portion of the Collateral, including in each case pursuant to Sections 9-610 or 9-620 of the UCC, at any sale thereof conducted under the provisions of the Bankruptcy Code, including Section 363 of the Bankruptcy Code or as part of restructuring plan subject to confirmation under section 1129(b)(2)(A)(iii) of the Bankruptcy Code, or at any sale or foreclosure conducted by the Collateral Agent, in accordance with applicable law and, with respect to any credit bid, section 363(k) of the Bankruptcy Code, the Borrower and each other Loan Party hereby gives the Collateral Agent (at the direction of the Required Lenders) the power and right, without assent by such Loan Party, to

“credit bid” the full amount of all Obligations in order to purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral.

ARTICLE 3 REPRESENTATIONS AND WARRANTIES

Each Loan Party represents and warrants to the Administrative Agent and each of the Lenders that:

Section 3.01 Organization; Powers. Each Company (a) is duly organized and validly existing under the laws of the jurisdiction of its organization, (b) has all requisite power and authority (x) to carry on its business as now conducted, subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, and (y) to own and lease its property and (c) is qualified and in good standing (to the extent such concept is applicable in the applicable jurisdiction) to do business in every jurisdiction where such qualification is required, except in such jurisdictions where the failure to so qualify or be in good standing, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect. There is no existing default under any Organizational Document of any Company or any event which, with the giving of notice or passage of time or both, would constitute a default by any party thereunder.

Section 3.02 Authorization; Enforceability. Subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, the Transactions to be entered into by each Loan Party are within such Loan Party’s powers and have been duly authorized by all necessary action on the part of such Loan Party. This Agreement has been duly executed and delivered by each Loan Party and constitutes, and each other Loan Document to which any Loan Party is to be a party, when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation of such Loan Party, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors’ rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

Section 3.03 No Conflicts. Except as set forth on Schedule 3.03 and subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, the Transactions (a) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except (i) such as have been obtained or made and are in full force and effect, (ii) filings necessary to perfect Liens created by the Loan Documents and (iii) consents, approvals, registrations, filings, permits or actions the failure to obtain or perform which would not reasonably be expected to result in a Material Adverse Effect, (b) will not violate the Organizational Documents of any Company, (c) will not violate any material Requirement of Law, (d) will not violate or result in a default or require any consent or approval that has not been obtained under any indenture, agreement or other instrument binding upon any Company or its property, or give rise to a right thereunder to require any payment to be made by any Company (other than (i) with respect to the Prepetition Facilities that are stayed as a result of the Cases and (ii) violations arising solely and directly as a result of the commencement of the Cases and Recognition Proceedings and except as otherwise excused by the Bankruptcy

Court), and (e) will not result in the creation or imposition of any Lien on any property of any Company, except Liens created by the Loan Documents and Permitted Liens.

Section 3.04 Financial Statements; Projections.

(a) *Historical Balance Sheets; Forecasted Cash Flows.* The Borrower has heretofore delivered to the Administrative Agent and the Lenders (i) an unaudited consolidated balance sheet as of and for the fiscal quarter ending September 30, 2024, and (ii) the audited financial statements of the Borrower as of and for the year ending December 31, 2023. The financial statements delivered pursuant to Sections 5.01(a) and (b) have been prepared in accordance with GAAP and present fairly and accurately the financial condition and, if applicable, the results of operations and cash flows, of the Borrower as of the dates and for the periods to which they relate.

(b) *No Liabilities; No Material Adverse Effect.* Except as set forth in the financial statements referred to in Section 3.04(a) (or, after the Closing Date, as set forth in the financial statements referred to in Section 5.01(a)), there are no liabilities of any Company of any kind, whether accrued, contingent, absolute, determined, determinable or otherwise, which would reasonably be expected to result in a Material Adverse Effect. Since the Petition Date, there has been no event, change, circumstance or occurrence that, individually or in the aggregate, has had or would reasonably be expected to result in a Material Adverse Effect.

(c) *Budget.* A true and complete copy of the Initial Budget, as agreed to with the Required Lenders as of the Closing Date, is attached as Exhibit J hereto. The Initial Budget and each Cash Flow Forecast delivered thereafter pursuant to Section 5.01(f) hereof are based on good faith estimates and assumptions made by the management of the Borrower and believed by such management to be reasonable and attainable as of the date delivered to the Administrative Agent (it being understood that any projections contained therein are not to be viewed as facts, are subject to significant uncertainties and contingencies, many of which are beyond the control of the Loan Parties and that no assurance can be given that any particular projections will be realized, that actual results may differ and that such differences may be material).

Section 3.05 Properties.

(a) *Generally.* Each Company has good title to, or valid leasehold interests in, all its property material to its business, free and clear of all Liens except for, in the case of Collateral, Permitted Liens and, in the case of all other material property, Permitted Liens and minor irregularities or deficiencies in title that, individually or in the aggregate, do not interfere with its ability to conduct its business as currently conducted or to utilize such property for its intended purpose. The property of the Companies, taken as a whole, (i) is in good operating order, condition and repair (ordinary wear and tear excepted) and (ii) constitutes all the property which is required for the business and operations of the Companies as presently conducted.

(b) *Real Property.* Schedules 7(a) and 7(b) to the Perfection Certificate dated the Closing Date contain a true and complete list of each interest in Real Property, other than Real Property located in Canada, and each interest in Real Property located in Canada material to the business, assets, property, operations or condition of the Borrower or any Loan Party, in each case

(c) *No Casualty Event.* Except in respect of Skyterra-1 and Skyterra-2 as described in Schedule 3.08, no Company has received any notice of, nor has any knowledge of, the occurrence or pendency or contemplation of any Casualty Event affecting all or any material portion of its property. No mortgage encumbers improved Real Property that is located in an area that has been identified by the Secretary of Housing and Urban Development as an area having special flood hazards within the meaning of the National Flood Insurance Act of 1968 unless flood insurance available under such Act has been obtained in accordance with Section 5.04.

(d) *Collateral.* Subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, each Loan Party owns or has rights to use all of the Collateral and all rights with respect to any of the foregoing used in, necessary for or material to each Loan Party's business as currently conducted. The use by each Loan Party of such Collateral and all such rights with respect to the foregoing do not infringe on the rights of any Person other than such infringement which would not, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect. No claim has been made and remains outstanding that any Loan Party's use of any Collateral does or may violate the rights of any third party that would, individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

(e) *Material Contracts.* Each Material Contract and Material Lease is in full force and effect and no defaults giving any party thereto the right to terminate such Material Contract or Material Lease currently exist thereunder (other than as a result of the Cases or the Recognition Proceedings). Each Material Contract and Material Lease is a legal, valid and binding obligation of the Borrower and its Subsidiaries party thereto and, to the knowledge of the Borrower, each other party thereto, is enforceable in accordance with its terms and is in full force and effect, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights (including the Cases) and to general equity principles. Neither the Borrower nor its Subsidiaries, nor to the knowledge of the Responsible Officers of the Borrower or its Subsidiaries, any other party to any Material Contract or Material Lease, is or was in material breach or default, under the terms of any Material Contract or Material Lease, and no condition existed or exists which, with the giving of notice or the lapse of time or both, could constitute a material breach or default by the Borrower or any of its Subsidiaries thereunder (in each case, other than as a result of the Cases or the Recognition Proceedings). Each Company enjoys peaceful and undisturbed possession under each Material Lease to which it is a party (in each case, other than as a result of the Cases or the Recognition Proceedings).

Section 3.06 Intellectual Property.

(a) *Ownership/No Claims.* Each Company owns, or is licensed to use, all patents, industrial designs, trademarks, trade names, service marks, copyrights (and all registrations and applications for registration of any of the foregoing), technology, trade secrets, proprietary information, domain names, know-how and processes (collectively, the “**Intellectual Property**”) material to the conduct of its business as currently conducted and as planned to be conducted (as reflected in each Company’s written public statements made prior to the date hereof). No claim has been asserted and is pending by any Person challenging or questioning the use of any such Intellectual Property or the validity or effectiveness of any such Intellectual Property or alleging that any Company is infringing, misappropriating or otherwise violating the Intellectual Property rights of any Person, nor does any Company know of any valid basis for any such claim that in each case would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. The conduct of the business of each Company as currently conducted and as planned to be conducted (as reflected in each Company’s written public statements made prior to the date hereof) does not and will not infringe, misappropriate or otherwise violate the Intellectual Property rights of any Person, except as will not have a Material Adverse Effect.

(b) *Registrations.* Except pursuant to licenses and other user agreements entered into by the Borrower and its Subsidiaries in the ordinary course of business that are listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date, on and as of the date hereof (i) the Borrower or its Subsidiaries, as indicated in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date, owns and possesses the right to use, and has not licensed any other Person to use, any copyright, patent, trademark or service mark (or any application for registration of any of the foregoing listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date) and (ii) to each Loan Party’s knowledge, all registrations listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date are valid and in full force and effect.

(c) *No Violations or Proceedings.* To each Loan Party’s knowledge, on and as of the date hereof, there is no material violation by others of any right of the Borrower or its Subsidiaries with respect to any copyright, patent, industrial design, trademark or service mark listed in Schedule 11(a) or 11(b) to the Perfection Certificate dated the Closing Date, pledged by it under the name of such Loan Party except as may be set forth on Schedule 3.06(c).

Section 3.07 Equity Interests and Subsidiaries.

(a) *Equity Interests.* Schedules 1(a) and 9(a) to the Perfection Certificate dated the Closing Date set forth a list of (i) each Subsidiary of the Borrower and its jurisdiction of organization as of the Closing Date and (ii) the number of each class of its Equity Interests authorized, and the number outstanding, on the Closing Date and the number of shares covered by all outstanding options, warrants, rights of conversion or purchase and similar rights at the Closing Date. All Equity Interests of each Company are duly and validly issued and are fully paid and non-assessable, and, other than the Equity Interests of the Borrower, are owned by the Borrower, directly or indirectly through Wholly Owned Subsidiaries. Each Loan Party is the record and beneficial owner of, and has good and marketable title to, the Equity Interests pledged by it under

the Loan Security Agreement or the Canadian Security Agreement, as applicable, free of any and all Liens, rights or claims of other Persons, except the security interest created by the Loan Security Agreement, the Canadian Security Agreement or the Prepetition Security Agreements, as applicable. As of the Closing Date, there are no outstanding warrants, options or other rights to purchase, or shareholder, voting trust or similar agreements outstanding with respect to, or property that is convertible into, or that requires the issuance or sale of, any such Equity Interests.

(b) *No Consent of Third Parties Required.* Subject, in the case of the Borrower and each Subsidiary that is a Debtor, to the entry of the DIP Orders and DIP Recognition Orders, no consent of any Person including any other general or limited partner, any other member of a limited liability company, any other shareholder or any other trust beneficiary is necessary or reasonably desirable (from the perspective of a secured party) in connection with the creation, perfection or priority status of the security interest of the Administrative Agent in any Equity Interests pledged to the Administrative Agent for the benefit of the Secured Parties under the Loan Security Agreement or the Canadian Security Agreement, as applicable, or the exercise by the Administrative Agent of the voting or other rights provided for in the Loan Security Agreement or the Canadian Security Agreement, or the exercise of remedies in respect thereof, except for such FCC, ISED or CRTC consents as may be required under the Communications Laws in connection with the exercise of such remedies.

(c) *Organizational Chart.* An accurate organizational chart, showing the ownership structure of the Borrower and each Subsidiary on the Closing Date, and after giving effect to the Transactions, is set forth on Schedule 3.07(c).

Section 3.08 Litigation; Compliance with Laws. Except for the Cases and as set forth in Schedule 3.08, there are no actions, suits or proceedings at law or in equity by or before any Governmental Authority now pending or, to the knowledge of any Company, threatened against or affecting any Company or any business, property or rights of any Company as to which, in any case, there is a reasonable possibility of an adverse determination and that, if adversely determined, would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. No Company or any of its property is in violation of, nor will the continued operation of its property as currently conducted violate, any Requirements of Law (including any zoning or building ordinance, code or approval or any building permits) or any restrictions of record or agreements affecting any Company's Real Property or is in default with respect to any Requirement of Law, where such violation or default, individually or in the aggregate, would reasonably be expected to result in a Material Adverse Effect.

Section 3.09 Agreements. As of the Petition Date, no Company is a party to any agreement or instrument or subject to any corporate or other constitutional restriction that has resulted or would reasonably be expected to result in a Material Adverse Effect. No Company is in default in any manner under any provision of any indenture or other agreement or instrument evidencing Indebtedness, or any other agreement or instrument to which it is a party or by which it or any of its property is or may be bound (other than the Prepetition Facilities that are stayed as a result of the Cases), where such default would reasonably be expected to result in a Material Adverse Effect, and no condition exists which, with the giving of notice or the lapse of time or both, would constitute such a default. Schedule 3.09 accurately and completely lists all material agreements (other than leases of Real Property set forth on Schedule 7(a) or 7(b) to the Perfection

Certificate dated the Closing Date) to which any Company is a party which are in effect on the date hereof in connection with the operation of the business conducted thereby and the Borrower has delivered to the Administrative Agent complete and correct copies of all such material agreements, including any amendments, supplements or modifications with respect thereto, and all such agreements are in full force and effect.

Section 3.10 Federal Reserve Regulations. No Company is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock. No part of the proceeds of any Loan will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for any purpose that entails a violation of, or that is inconsistent with, the provisions of the regulations of the Board of Governors, including Regulation T, U or X. The pledge of the Securities Collateral (as defined in the Loan Security Agreement) pursuant to the Loan Security Agreement does not violate such regulations.

Section 3.11 Investment Company Act. No Company is required to register as an “investment company” as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

Section 3.12 Use of Proceeds. Subject to the Budget and any additional restrictions on the use of proceeds provided herein and in accordance with the DIP Orders and DIP Recognition Orders, the Borrower will use the proceeds of the Loans hereunder for the following purposes:

(a) With respect to Loans other than the DIP Second Funding Loans, (i) for working capital and general corporate purposes as approved in the Budget; (ii) to consummate the Roll-Up in accordance with Section 2.02; (iii) to pay professional fees in connection with the Cases and for other post-petition general corporate purposes, in each case, as approved in the Budget; (iv) to make adequate protection payments to the Prepetition Secured Parties as set forth in the DIP Orders; (v) to fund the Carve-Out and amounts secured by the Administration Charge; (v) to pay interest, fees and expenses due hereunder; and (vi) as otherwise agreed in writing between the Borrower and the Required Lenders; and

(b) With respect to the DIP Second Funding Loans, to repay in full in cash all outstanding Obligations (as defined in the 1L Loan Agreement) in respect of the First Out Loans (as defined in the 1L Loan Agreement) (such Obligations, the “**Prepetition First Out Obligations**”);

provided that, except as otherwise set forth hereunder, in no event shall the proceeds of the Loans be used to make payments in regards to the Debtors’ obligations under the Prepetition Facilities (other than pursuant to the Roll-Up or, in the case of the DIP Second Funding Loans, the Prepetition First Out Obligations) or to fund expenses or other amounts not otherwise set forth in this Section 3.12. No portion of the proceeds of any Loan shall be used in any manner that causes or might cause such Loan or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Board of Governors or any other regulation thereof or to violate the Exchange Act.

Section 3.13 Taxes. Each Company has (a) timely filed or caused to be timely filed all material federal Tax Returns and all material state, provincial, local and foreign Tax Returns required to have been filed by it and all such Tax Returns are true and correct in all material respects, (b) duly and timely paid, collected or remitted or caused to be duly and timely paid, collected or remitted all Taxes (whether or not shown on any Tax Return) due and payable, collectible or remittable by it and all assessments received by it, except Taxes (i) that are being contested in good faith by appropriate proceedings and for which such Company has set aside on its books adequate reserves (after the Closing Date, in accordance with GAAP), (ii) which would not, individually or in the aggregate, have a Material Adverse Effect or (iii) to the extent payment of such Tax is excluded by, or is otherwise prohibited by, the provisions of the Bankruptcy Code or order of the Bankruptcy Court and (c) satisfied all of its withholding tax obligations except for failures that would not be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect. Each Company has made adequate provision (after the Closing Date, in accordance with GAAP) for all material Taxes not yet due and payable. Each Company is unaware of any proposed or pending tax assessments, deficiencies or audits that would be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect. Except as would not be reasonably expected to, individually or in the aggregate, result in a Material Adverse Effect, no Company has ever “**participated**” in a “**listed transaction**” within the meaning of Treasury Regulation Section 1.6011-4.

Section 3.14 No Material Misstatements. No information, reports, financial statements, certificates, Borrowing Requests, exhibits or schedules furnished by or on behalf of any Company to the Administrative Agent or any Lender in connection with the negotiation of any Loan Document or included therein or delivered pursuant thereto, taken as a whole, contained or contains any material misstatement of fact or omitted or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were or are made, not misleading as of the date such information is dated or certified; *provided* that to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast or projection, each Company represents only that it acted in good faith and utilized reasonable assumptions and due care in the preparation of such information, report, financial statement, exhibit or schedule.

Section 3.15 Labor Matters. There are no strikes, stoppages, lockouts, slowdowns or other labor disputes against any Company pending or, to the knowledge of any Company, threatened except as would not individually or in the aggregate be expected to result in a Material Adverse Effect, (i) the hours worked by and payments made to employees of any Company have not been in violation of the Fair Labor Standards Act of 1938, as amended, the Canada Labour Code, as amended, or any other applicable Requirements of Law dealing with such matters and (ii) all payments due from any Company, or for which any claim may be made against any Company, on account of wages and employee health and welfare insurance and other benefits, have been paid or accrued as a liability on the books of such Company (except to the extent such payments have been stayed by the commencement of the Cases and, where applicable, the recognition thereof by the CCAA Court). The consummation of the Transactions will not give rise to any right of termination or right of renegotiation on the part of any union under any collective bargaining agreement to which any Company is bound.

Section 3.16 [Reserved].

Section 3.17 Employee Benefit Plans. With respect to each Employee Benefit Plan, Single Employer Plan and Multiemployer Plan, each Company and its ERISA Affiliates is in compliance in all material respects with the applicable Requirements of Law, including all applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder, except where noncompliance would not, either individually, or taken together with all other exceptions to the representations set forth in this Section 3.17 reasonably be expected to result in a Material Adverse Effect. Each Employee Benefit Plan which is intended to qualify under Section 401(a) of the Code has received a favorable determination letter from the Internal Revenue Service indicating that such Employee Benefit Plan is so qualified and to the knowledge of each Company, nothing has occurred subsequent to the issuance of such determination letter which would cause such Employee Benefit Plan to lose its qualified status. No liability to the PBGC (other than required premium payments), the Internal Revenue Service, any Employee Benefit Plan, Single Employer Plan or Multiemployer Plan (other than in the ordinary course) or any trust established under Title IV of ERISA has been or is expected to be incurred by any Company or any of its ERISA Affiliates with respect to any Employee Benefit Plan, Single Employer Plan or Multiemployer Plan, except where such liability, either individually, or taken together with all other exceptions to the representations set forth in this Section 3.17, would not reasonably be expected to result in a Material Adverse Effect. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, would reasonably be expected to result in a Material Adverse Effect or the imposition of a Lien on any of the property of any Company or any of its ERISA Affiliates. The present value of all accrued benefits under each Single Employer Plan or similar Foreign Plan (based on those assumptions used to fund such plan) did not, as of the last annual valuation date prior to the date on which this representation is made or deemed made, exceed the value of the assets of such plan allocable to such accrued benefit by a material amount. As of the most recent valuation date for each Multiemployer Plan, the potential liability of each Company and its ERISA Affiliates for a complete withdrawal from such Multiemployer Plan (within the meaning of Section 4203 or Section 4205 of ERISA), when aggregated with such potential liability for a complete withdrawal from all Multiemployer Plans, is not material. The Companies and their respective ERISA Affiliates have complied with the requirements of Section 515 of ERISA in all material respects with respect to each Multiemployer Plan and are not in material “default” (as defined in Section 4219(c)(5) of ERISA) with respect to payments to a Multiemployer Plan. Neither any Company nor any of its ERISA Affiliates has any contingent liability with respect to any post-retirement welfare benefit under an Employee Benefit Plan, other than liability for continuation coverage described in Part 6 of Title I of ERISA or other applicable law, except where such liability, either individually, or taken together with all other exceptions to the representations set forth in this Section 3.17, would not reasonably be expected to result in a Material Adverse Effect.

To the extent applicable, each Foreign Plan has been maintained in substantial compliance with its terms and with the requirements of any and all applicable Requirements of Law and has been maintained, where required, in good standing with applicable regulatory authorities. No Company has incurred any material obligation in connection with the termination of or withdrawal from any Foreign Plan. Except as would not reasonably be expected to result in a Material Adverse Effect, the present value of the accrued benefit liabilities (whether or not vested) under each Foreign Plan which is fully or partially funded, determined as of the end of the most recently ended fiscal year of the respective Company on the basis of actuarial assumptions, each of which is reasonable, did not exceed the current value of the property of such Foreign Plan by any material

amount, and for each Foreign Plan which is not funded, the obligations of such Foreign Plan are properly accrued and reported.

No Foreign Plan that is not a Canadian Pension Plan is subject to federal or provincial pension standards legislation.

The Canadian Pension Plans are duly registered under the Canadian Income Tax Act and any other applicable laws which require registration, have been administered in all material respects in accordance with the Canadian Income Tax Act and such other applicable laws, and no event has occurred and no condition exists that has resulted in or which would reasonably be expected to cause the loss of such registered status, except to the extent that any failure to do so would not reasonably be expected to have a Material Adverse Effect. The Canadian Pension Plans are in substantial compliance with all Requirements of Law applicable thereto, and, without limiting the generality of the foregoing, all material obligations of each of the Loan Parties (including fiduciary, funding, investment and administration obligations) required to be performed in connection with the Canadian Pension Plans and the funding agreements therefor have been performed on a timely basis, except to the extent that any failure to do so would not reasonably be expected to have a Material Adverse Effect. All contributions or premiums required to be made or paid by each of the Loan Parties to the Canadian Pension Plans have been made on a timely basis in accordance with the terms of such plans, their funding agreements and all applicable laws. There have been no material improper withdrawals or applications of the assets of the Canadian Pension Plans. None of the Canadian Pension Plans contain or have ever contained a “defined benefit provision”, as that term is defined in subsection 147.1(1) of the Canadian Income Tax Act. No Canadian Pension Plan is a “multi-employer pension plan” as defined under the *Pension Benefits Standards Act*, 1985 (Canada) or under similar provincial pension standards legislation. No event has occurred and no condition exists that would reasonably be expected to result in an order to terminate any Canadian Pension Plan in whole or in part. No Person has ordered or given notice of the termination or wind up of a Canadian Pension Plan in whole or in part.

Section 3.18 Environmental Matters.

(a) Except as set forth in Schedule 3.18 and except as, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect:

(i) The Companies and their businesses, operations and Real Property have been and are in compliance with, and the Companies have no liability under, any applicable Environmental Law; and under the business plan of the Companies, no expenditures or operational adjustments will be required in order to comply with applicable Environmental Laws during the next five years;

(ii) The Companies have obtained all Environmental Permits required for the conduct of their businesses and operations, and the ownership, operation and use of their property, under Environmental Law, all such Environmental Permits are valid and in good standing and, under the business plan of the Companies, no expenditures or operational adjustments will be required in order to renew or modify such Environmental Permits during the next five years;

(iii) To the knowledge of the Loan Parties, there has been no Release or threatened Release of Hazardous Material on, at, under or from any Real Property or facility presently or formerly owned, leased or operated by the Companies or their predecessors in interest that would result in liability of or by the Companies under any applicable Environmental Law;

(iv) There is no Environmental Claim pending or, to the knowledge of the Companies, threatened against the Companies, or relating to the Real Property currently or formerly owned, leased or operated by the Companies or their predecessors in interest or relating to the operations of the Companies, and there are no actions, activities, circumstances, conditions, events or incidents that would reasonably form the basis of such an Environmental Claim; and

(v) No Person with an indemnity or contribution obligation to the Companies relating to compliance with or liability under Environmental Law is in default with respect to such obligation.

(b) Except as set forth in Schedule 3.18:

(i) No Company is obligated to perform any action or otherwise incur any expense under Environmental Law pursuant to any order, decree, judgment or agreement by which it is bound or has assumed by contract, agreement or operation of law, and no Company is conducting or financing any Response pursuant to any Environmental Law with respect to any Real Property or any other location;

(ii) No Real Property or facility owned, operated or leased by the Companies and, to the knowledge of the Companies, no Real Property or facility formerly owned, operated or leased by the Companies or any of their predecessors in interest is (i) listed or proposed for listing on the National Priorities List promulgated pursuant to CERCLA or (ii) listed on the Comprehensive Environmental Response, Compensation and Liability Information System promulgated pursuant to CERCLA or (iii) included on any similar list maintained by any Governmental Authority including any such list relating to petroleum;

(iii) No Lien has been recorded or, to the knowledge of any Company, threatened under any Environmental Law with respect to any Real Property or other assets of the Companies;

(iv) The execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby will not require any notification, registration, filing, reporting, disclosure, investigation, remediation or cleanup pursuant to any Governmental Real Property Disclosure Requirements or any other applicable Environmental Law; and

(v) The Companies have made available to the Lenders all material records and files in the possession, custody or control of the Companies concerning compliance with or liability under Environmental Law, including those concerning

the actual or suspected existence of Hazardous Material at Real Property or facilities currently or formerly owned, operated, leased or used by the Companies.

Section 3.19 Insurance. Schedule 3.19 sets forth a true, complete and correct description of all insurance maintained by each Company as of the Closing Date. All insurance maintained by the Companies is in full force and effect, all premiums have been duly paid, no Company has received notice of violation or cancellation thereof, the premises, and the use, occupancy and operation thereof, comply in all material respects with all insurance requirements, and there exists no default under any insurance requirement. Each Company has insurance in such amounts and covering such risks and liabilities as are customary for companies of a similar size engaged in similar businesses in similar locations.

Section 3.20 Loan Security Documents.

(a) *Loan Security Agreement*. The Loan Security Agreement, taken together with the Interim DIP Order and/or the Final DIP Order, is effective to create in favor of the Collateral Agent, for the benefit of the Lenders and the other Secured Parties, legal, valid, and enforceable continuing First Priority Liens on, and automatically perfected security interests in, the Collateral pledged hereunder or thereunder, in each case, subject to no Liens other than Permitted Liens, the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge. Pursuant to the terms of the Interim DIP Order and/or Final DIP Order, no filing or other action will be necessary to perfect or protect such Liens and security interests. Pursuant to and to the extent provided in the Interim DIP Order and/or the Final DIP Order, the Obligations of the Loan Parties under this Agreement will constitute allowed super-priority administrative expense claims in the Cases under Section 364(c) of the Bankruptcy Code, having priority over all administrative expense claims and unsecured claims against such Loan Parties now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expense claims of the kind specified in Sections 503(b) and 507(b) of the Bankruptcy Code and all super-priority administrative expense claims granted to any other Person, subject only to the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge. Notwithstanding anything to the contrary herein, the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge shall be senior to all Liens and claims (including administrative and superpriority claims) securing the Obligations, the Loan Parties' pre-petition obligations, adequate protection Liens, and all other Liens or claims (including administrative claims and DIP Superpriority Claims), including all other forms of adequate protection, Liens, or claims (including administrative claims and DIP Superpriority Claims) securing the Obligations and pre-petition obligations granted or recognized as valid, including the Liens, security interests, and claims (including administrative claims and DIP Superpriority Claims) granted to the Collateral Agent and the other Secured Parties. The provisions of this Agreement and the other Loan Documents create legal and valid Liens on all the Collateral in favor of Collateral Agent, for the benefit of the Secured Parties, and such Liens constitute perfected and continuing Liens on the Collateral, securing the Obligations, enforceable against the applicable Loan Party and all third parties, and having priority over all other Liens on the Collateral except in the case of the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge.

(b) *Canadian Security Agreement*. The Canadian Security Agreement, taken together with the Interim DIP Recognition Order and Final DIP Recognition Order, are effective

to create in favor of the Collateral Agent for the benefit of the Secured Parties, legal, valid and enforceable Liens on, and security interests in, the Canadian Collateral and, when (i) financing statements and other filings in appropriate form are filed in the offices specified on Schedule 6 to the Perfection Certificate dated the Closing Date and (ii) upon the taking of possession or control by the Collateral Agent of the Canadian Collateral with respect to which a security interest may be perfected by possession or control (which possession or control shall be given to the Collateral Agent to the extent possession or control by the Collateral Agent is required by each Loan Security Document), the Liens created by the Canadian Security Agreement shall constitute fully perfected Liens on, and security interests in, all right, title and interest of the grantors in the Canadian Collateral (other than such Canadian Collateral in which a security interest cannot be perfected under the PPSA as in effect at the relevant time in the relevant jurisdiction), in each case subject to no Liens other than Permitted Liens, including the Administration Charge.

(c) *Intellectual Property.* When the financing statements referred to in Section 3.20(b) (i) have been filed, the Liens created by such Canadian Security Agreement shall constitute fully perfected Liens on, and security interests in, all right, title and interest of the grantors thereunder in Patents, Copyrights and Trademarks (as each such term is defined in the Canadian Security Agreement) registered or applied for with CIPO, in each case subject to no Liens other than Permitted Liens, including the Administration Charge.

(d) *Copyright Office Filing.* When the Loan Security Agreement or a short form thereof is filed in the United States Copyright Office, the Liens created by such Loan Security Agreement shall constitute fully perfected Liens on, and security interests in, all right, title and interest of the grantors thereunder in all Copyrights (as defined in the Loan Security Agreement) registered or applied for with the United States Copyright Office, subject to no Liens other than Permitted Liens.

(e) *Unencumbered Assets.* (i) The Collateral constitutes all of the material assets of the Companies (for the avoidance of doubt, excluding the Second Satellite until such time as the Companies take title to the Second Satellite), and (ii) no Company has granted a Lien on Collateral in respect of Indebtedness permitted under Section 6.01(l) which has not been granted to secure the Obligations.

(f) *Valid Liens.* Each Loan Security Document delivered pursuant to Sections 5.11 and 5.12 will, upon execution and delivery thereof and taken together with the Interim DIP Order and/or the Final DIP Order, and the DIP Recognition Orders, be effective to create in favor of the Collateral Agent, for the benefit of the Secured Parties, legal, valid and enforceable Liens on, and security interests in, all of the Loan Parties' right, title and interest in and to the Collateral thereunder, and such Loan Security Document will constitute fully perfected Liens on, and security interests in, all right, title and interest of the Loan Parties in such Collateral, in each case subject to no Liens other than the applicable Permitted Liens, including the Carve-Out, the AST Break-Up Fee (if any) and the Administration Charge.

Section 3.21 Intercompany Indebtedness; Affiliate Indebtedness.

(a) Except for Indebtedness owed by any Canadian Subsidiary to the Borrower the proceeds of which were used to fund operations in the ordinary course of business, no Company

has outstanding any Indebtedness owing to an Affiliate of such Company (except Indebtedness that is permitted under Section 6.01).

(b) Neither the Borrower nor any of its Subsidiaries is party to or otherwise bound by any agreement or other arrangement that prohibits, restricts or imposes any condition upon (a) the ability of the Borrower or any Subsidiary to create, incur or permit to exist any Lien upon any of its property or assets (except for Indebtedness permitted under Section 6.01, so long as such Indebtedness does not prohibit Liens on the Collateral in favor of the Collateral Agent and the Lenders), or (b) the ability of any Subsidiary to pay dividends or other distributions with respect to any shares of its capital stock or to make or repay loans or advances to the Borrower or any other Subsidiary or to Guarantee Indebtedness of the Borrower or any other Subsidiary.

The Borrower and each Subsidiary Guarantor warrants, covenants and agrees with each Lender that, so long as this Agreement shall remain in effect and until the Commitments have been terminated and the principal of and interest on each Loan and all fees and all other expenses or amounts payable under any Loan Document have been paid in full in cash, it will not, nor will it cause or permit any Subsidiaries to:

Section 6.01 Indebtedness. Unless explicitly consented to by the Required Ad Hoc Holders in writing (delivered to the Borrower and the Administrative Agent), directly or indirectly, Incur any Indebtedness (including Acquired Indebtedness), except (as set forth below, the "**Permitted Debt**"):

(a) Indebtedness under the Prepetition Facilities as in effect on the Closing Date (other than the Prepetition Roll-Up Indebtedness after giving effect to the Roll-Up);

(b) Indebtedness of the Borrower or any Subsidiary outstanding on the Closing Date to the extent set forth on Schedule 6.01(b) hereto;

(c) Unsecured Indebtedness of the Borrower to any Subsidiary and of any Subsidiary to the Borrower or any other Subsidiary; *provided* such Indebtedness is subject to an

Intercompany Note and pledged by such party as Collateral pursuant to the Loan Security Documents;

(d) [reserved];

(e) Indebtedness of the Borrower or any Subsidiary in respect of Purchase Money Obligations and Capital Lease Obligations in a combined aggregate principal amount not to exceed \$10.0 million;

(f) Indebtedness and obligations of the Borrower or any Subsidiary in respect of letters of credit, bank guarantees and cash management obligations, including without limitation, letters of credit in respect of bid, performance or surety bonds, workers' compensation claims, health, disability or other benefits to former employees or their families or property, casualty or liability or self-insurance obligations and completion guarantees and bankers acceptances issued for the account of the Borrower or any Subsidiary in the ordinary course of business, provided that the aggregate principal amount of Indebtedness pursuant to this Section 6.01(f) outstanding at any time shall not exceed \$5.0 million;

(g) Contingent Obligations of (A) the Borrower or any Guarantor in respect of Indebtedness of the Borrower or any Subsidiary Guarantor, or (B) any Subsidiary that is not a Guarantor in respect of Indebtedness of any Subsidiary that is not a Guarantor, in each case so long as such Indebtedness is otherwise permitted under this covenant; *provided*, that if the applicable primary obligations are unsecured and/or subordinated to the Obligations, the applicable Contingent Obligations shall be unsecured and/or subordinated, as applicable, to the Obligations;

(h) Indebtedness of the Borrower or any Subsidiary arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within five Business Days of incurrence;

(i) Indebtedness of the Borrower or any Subsidiary representing the financing of installments of insurance premiums in the ordinary course of business, *provided* that the amount of such Indebtedness shall not exceed the amount of the unpaid cost of such insurance; and

(j) Indebtedness of the Borrower or any Subsidiary arising in connection with endorsement of instruments for deposit in the ordinary course of business.

For purposes of determining compliance with this Section 6.01, in the event that an item of Indebtedness (including, for the avoidance of doubt, any portion thereof) meets the criteria of one or more of the categories of Permitted Debt described in Section 6.01(c) through 6.01(j), the Borrower may not divide, classify or reclassify or later divide, classify or reclassify (as if Incurred at such later time), such item of Indebtedness (including, for the avoidance of doubt, any portion thereof) in any manner. Accrual of interest, the accretion of accreted value, amortization of original issue discount, the payment of a paid-in-kind fee in connection with any Incurrences of Indebtedness under this Agreement, the accretion of liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies shall not be deemed to be an Incurrence of Indebtedness for purposes of this Section

6.01. Guarantees of, or obligations in respect of letters of credit relating to, Indebtedness which is otherwise included in the determination of a particular amount of Indebtedness shall not be included in the determination of such amount of Indebtedness; *provided* that the Incurrence of the Indebtedness represented by such guarantee or letter of credit, as the case may be, was in compliance with this Section 6.01.

For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Indebtedness, the U.S. Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was Incurred, in the case of term debt, or first committed or first Incurred (whichever yields the lower U.S. Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness is Incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced.

Notwithstanding any other provision of this Section 6.01, the maximum amount of Indebtedness that the Borrower and the Guarantors may Incur pursuant to this Section 6.01 shall not be deemed to be exceeded, with respect to any outstanding Indebtedness, solely as a result of fluctuations in the exchange rate of currencies.

(c) any Subsidiary may dissolve, liquidate or wind up its affairs at any time; *provided* that such dissolution, liquidation or winding up, as applicable, would not reasonably be expected to have a Material Adverse Effect and such Subsidiary contributes all of its assets (but not debts) to a Loan Party; and

(d) any Subsidiary that is not a Guarantor may amalgamate, merge or consolidate with or into, or sell all or substantially all of its assets to, the Borrower, any Guarantor, or any Subsidiary that is not a Guarantor so long as the Borrower or applicable Guarantor, in the case of a merger or consolidation with or into a Loan Party, is the surviving Person (and no debt is sold, assumed or otherwise Incurred by any Loan Party in connection therewith).

ARTICLE 7 GUARANTEE

Section 7.01 The Guarantee. The Guarantors hereby jointly and severally guarantee, as a primary obligor and not as a surety to each Loan Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest on (including any interest, fees, costs or charges that would accrue but for the provisions of any Debtor Relief Law after the filing of the Cases or any other bankruptcy or insolvency petition under such

Debtor Relief Law) the Loans made by the Lenders to, and the Promissory Notes held by each Lender of, the Borrower, and all other Obligations from time to time owing to the Loan Secured Parties by any Loan Party under any Loan Document, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the “**Guaranteed Obligations**”). The Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) any of the Guaranteed Obligations, the Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by required prepayment, declaration, demand, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 7.02 Obligations Unconditional. The obligations of the Guarantors under Section 7.01 shall constitute a guaranty of payment and to the fullest extent permitted by applicable Requirements of Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement, the Promissory Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full in cash). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

- (i) at any time or from time to time, without notice to any Guarantors, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;
- (ii) any of the acts mentioned in any of the provisions of this Agreement or the Promissory Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;
- (iii) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;
- (iv) any Lien or security interest granted to, or in favor of, any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or
- (v) the release of any other Guarantor pursuant to Section 7.09.

The Guarantors hereby, to the fullest extent permitted by applicable Requirements of Law, expressly waive diligence, presentment, demand of payment, protest and all notices whatsoever, and any requirement that any Loan Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Promissory Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other Person under any other guarantee of, or security for, any of the Guaranteed Obligations. The Guarantors waive any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Loan Secured Party upon this Guarantee or acceptance of this Guarantee, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guarantee, and all dealings between the Borrower and the Loan Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guarantee. This Guarantee shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Loan Secured Parties, and the obligations and liabilities of the Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Loan Secured Parties or any other Person at any time of any right or remedy against the Borrower or against any other Person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto and each Guarantor hereby expressly renounces all benefit of division or discussion. This Guarantee shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 7.03 Reinstatement. The obligations of the Guarantors under this Article 7 shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of the Cases or any other proceedings in bankruptcy or reorganization or otherwise.

Section 7.04 Subrogation; Subordination. Each Guarantor hereby agrees that until the indefeasible payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 7.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party permitted pursuant to Section 6.01(c) shall be subordinated to such Loan Party's Obligations in the manner set forth in the Intercompany Note.

Section 7.05 Remedies. The Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Promissory Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.01 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.01) for purposes of Section 7.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically

due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the Guarantors for purposes of Section 7.01.

Section 7.06 Instrument for the Payment of Money. Each Guarantor hereby acknowledges that the guarantee in this Article 7 constitutes an instrument for the payment of money, and consents and agrees that any Lender or Agent, at its sole option, in the event of a dispute by such Guarantor in the payment of any moneys due hereunder, shall have the right to bring a motion-action under New York CPLR Section 3213.

Section 7.07 Continuing Guarantee. The guarantee in this Article 7 is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 7.08 General Limitation on Guarantee Obligations. In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, the Cases or any other federal or foreign bankruptcy, insolvency, reorganization or other law affecting the rights of creditors generally, if the obligations of any Guarantor under Section 7.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 7.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other Person, be automatically limited and reduced to the highest amount (after giving effect to the right of contribution established in Section 7.10) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding. Without limiting the generality of the foregoing, to the extent that Section 2.06(f) or Section 10.16 shall operate to adjust any amount or rate payable by any Canadian Loan Party to any Secured Party to the maximum permissible amount or rate, as the case may be, to ensure that the Obligations of the Canadian Loan Parties do not include any amount or rate that would result in a receipt by such Secured Party of “interest” at a “criminal rate” (as such terms are construed under the Criminal Code (Canada)), the Guaranteed Obligations of such Canadian Loan Party shall be deemed to be automatically limited and reduced with retroactive effect by a corresponding amount or rate, as the case may be, equal to such adjustment.

Section 7.09 Release of Guarantors. If, in compliance with the terms and provisions of the Loan Documents and the DIP Orders, all or substantially all of the Equity Interests of any Subsidiary Guarantor are sold or otherwise transferred (a “**Transferred Guarantor**”) to a Person or Persons, none of which is the Borrower or a Subsidiary, such Transferred Guarantor shall, upon the consummation of such sale or transfer, be automatically released from its obligations under this Agreement (including under Section 10.03 hereof) and its obligations to pledge and grant any Collateral owned by it pursuant to any Loan Security Document and the pledge of such Equity Interests to the Administrative Agent pursuant to the Loan Security Agreement or the Canadian Security Agreement, as applicable, shall be automatically released, and, so long as the Borrower shall have provided the Administrative Agent such certifications or documents as the Administrative Agent shall reasonably request, the Administrative Agent shall take such actions as are necessary to effect each release described in this Section 7.09 in accordance with the relevant provisions of the Loan Security Documents.

Section 7.10 Right of Contribution. Each Subsidiary Guarantor hereby agrees that to the extent that a Subsidiary Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against any other Subsidiary Guarantor hereunder which has not paid its proportionate share of such payment. Each Subsidiary Guarantor's right of contribution shall be subject to the terms and conditions of Section 7.04. The provisions of this Section 7.10 shall in no respect limit the obligations and liabilities of any Subsidiary Guarantor to the Administrative Agent and the Lenders, and each Subsidiary Guarantor shall remain liable to the Administrative Agent and the Lenders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

Section 7.11 Post-Petition Savings Clause. Notwithstanding anything herein to the contrary, to the extent the guaranty of the Guaranteed Obligations set forth in this Article 7 is interpreted in any Case to solely be a prepetition obligation, then such guaranty shall automatically be deemed to have been given on the Petition Date immediately after the filing of the applicable Cases.

ARTICLE 8 EVENTS OF DEFAULT

Section 8.01 Events of Default. Upon the occurrence and during the continuance of the following events ("**Events of Default**"):

(a) the Borrower defaults in the payment of (i) principal or premium, if any, of any Loan when due at its Stated Maturity, upon optional prepayment, upon required repayment, upon declaration of acceleration or otherwise or (ii) interest on any Loan or any fee or any other amount due hereunder or due and payable pursuant to the DIP Orders when the same becomes due and payable;

term, covenant, condition or agreement contained in any agreement or instrument evidencing or governing any such Indebtedness if the effect of any failure referred to in this Section 8.01(d)(ii) is to cause, or to permit the holder or holders of such Indebtedness or a trustee or other representative on its or their behalf (with or without the giving of notice, the lapse of time or both) to cause, such Indebtedness to become due prior to its Stated Maturity or become subject to a mandatory offer purchase by the obligor; *provided* that it shall not constitute an Event of Default pursuant to this Section 8.01(d) unless the aggregate amount of all payments on such Indebtedness referred to in clause (i) and the aggregate amount of Indebtedness referred to in clause (ii) exceeds \$10 million at any one time; *provided* that, notwithstanding the foregoing, this clause (b) shall not apply to any Prepetition Indebtedness that is stayed as a result of the Cases;

(e) Any representation, warranty, stipulation, certification or other statement made or deemed made by any Loan Party (or Responsible Officer thereof) in any Loan Document or any DIP Order or any statement, report or certificate delivered in connection with any Loan Document or any DIP Order shall be false in any material respects (except that such materiality qualifier shall not be applicable to any representation, warranty, stipulation, certification or other statement that is already qualified or modified as to “materiality” or “Material Adverse Effect” in the text thereof);

(f) except for any order fixing the amount of any claim in the Cases, one or more judgments, orders or decrees for the payment of money in an aggregate amount in excess of \$15.0 million shall be rendered against the Borrower or any Guarantor or any combination thereof and the same shall remain undischarged, unvacated or unbonded for a period of 30 consecutive days during which execution shall not be effectively stayed, or any action shall be legally taken by a judgment creditor to levy upon properties of the Borrower or any Guarantor to enforce any such judgment;

(i) any Loan Document or any material provisions thereof shall at any time and for any reason be declared by a court of competent jurisdiction to be null and void, or a proceeding

shall be commenced by the Borrower or any Guarantor or any other Person, or by any Governmental Authority, seeking to establish the invalidity or unenforceability thereof (exclusive of questions of interpretation of any provision thereof), or the Borrower or any Guarantor shall repudiate or deny any portion of its liability or obligation for the Obligations;

(j) commencement of ancillary insolvency proceedings, other than the Recognition Proceedings, in applicable foreign jurisdictions with respect to any Loan Party and the entry of applicable recognition, administrative, and substantive orders by the applicable court, in each case without prior consent of the Required Lenders or on terms not satisfactory to the Required Lenders; *provided* that no Event of Default shall occur under this Section 8.01(j) if such proceeding would not reasonably be expected to have a Material Adverse Effect or cause a material delay of the Cases;

(k) actual or asserted (by any Loan Party) invalidity or impairment of any Loan Document (including the failure of any Liens purported to be created by any Loan Security Document or the DIP Orders or the DIP Recognition Orders on any material portion of the Collateral to remain or otherwise become perfected);

automatic stay in the Cases to permit foreclosure or enforcement on, or any right or remedy with respect to, assets of any Loan Party in excess of \$250,000 in the aggregate, or to permit other actions that would have a Material Adverse Effect on the Debtors and their estates or any similar or analogous relief being sought or obtained in the Recognition Proceedings;

(vii) the failure by the Debtors to object to any administrative claim filed in the Cases over \$750,000, or the settlement by the Debtors of any claim in any amount over \$100,000, without the prior written consent of the Required Ad Hoc Holders;

(viii) entry of an order without the prior consent of Required Lenders amending, supplementing or otherwise modifying any DIP Order or DIP Recognition Order or any Loan Document, in each case in a manner adverse to any of the Agents or Lenders;

(xviii) except as otherwise provided in the Interim DIP Order or the Final DIP Order, any of the Loan Parties seek or if there is entered, an order under Section 365 of the Bankruptcy Code rejecting a material lease (i) to which any Loan Party is a party, and (ii) that is part of (or whose premises contain any of) the Collateral;

(xix) cessation of the Liens or the DIP Superpriority Claims to be valid, perfected and enforceable in all respects;

(q) the Borrower shall file (or fail to oppose) any motion seeking an order authorizing the sale of all or substantially all of the assets of the Loan Parties (unless (i) in connection with an Acceptable Plan to the extent explicitly provided for in such Acceptable Plan or (ii) such sale would result in the repayment in full in cash of all Obligations and all Prepetition Secured Obligations upon consummation thereof, except as otherwise agreed to by the Required Lenders);

(r) any of the following shall occur with respect to any Property of any Loan Party or any of their respective Subsidiaries with a fair market value in excess of \$15.0 million in aggregate: (a) any loss, destruction or damage of such Property or (b) any actual condemnation, seizure or taking, by exercise of the power of eminent domain or otherwise, of such Property, or confiscation of such Property or the requisition of the use of such Property; or

(s) the Bankruptcy Court shall cease to have exclusive jurisdiction with respect to all matters relating to the exercise of rights and remedies under the Loan Documents, the DIP Orders, the Liens granted under the Loan Security Documents and the Collateral (other than as may be provided for in the Recognition Proceedings);

then, and in every such event and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders shall, by notice to the Borrower, take either or both of the following actions, at the same or different times: (i) terminate forthwith the Commitments and (ii) declare the Loans and other Obligations then outstanding to be forthwith due and payable in whole or in part, whereupon the principal amount of the Loans so declared to be due and payable, together with accrued interest thereon and any unpaid accrued fees, and all other Obligations of the Borrower accrued hereunder and under any other Loan Document, shall become forthwith due and payable, without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower and the Guarantors, notwithstanding anything contained herein or in any other Loan Document or in the DIP Orders or DIP Recognition Orders to the contrary.

Without further notice, application or order of the Bankruptcy Court, and unless otherwise ordered by the Bankruptcy Court, upon the occurrence and during the continuance of an Event of Default, and after providing not less than two (2) Business Days' advance written notice thereof, which notice may be by electronic mail, to counsel to the Debtors, the U.S. Trustee, counsel to the Information Officer, and counsel to any official committee of unsecured creditors appointed in the Cases pursuant to section 1102 of the Bankruptcy Code (the "**Committee**"), the Collateral Agent (at the direction of the Required Lenders) for the benefit of itself and the Lenders shall be entitled to take any action and exercise all rights and remedies provided to them by the Interim DIP Order, the Final DIP Order, the DIP Recognition Orders, this Agreement or any other Loan Document, or applicable law as the Collateral Agent (at the direction of the Required Lenders) may deem appropriate in their sole discretion to, among other things, proceed against and realize upon the Collateral or any other assets or properties of the Debtors' estates upon which the Collateral Agent, for the benefit of itself and the Lenders, has been or may hereafter be granted liens or security interests to obtain the payment in full of the Obligations.

Neither the Loan Parties, the Committee, nor any other party-in-interest shall have the right to contest the enforcement of remedies set forth in the DIP Orders, DIP Recognition Orders and the

Loan Documents on any basis other than an assertion that an Event of Default has not occurred or has been cured within the cure periods expressly set forth in the applicable Loan Documents. The Loan Parties shall cooperate fully with the Agents and the Lenders in their exercise of rights and remedies, whether against the Collateral or otherwise. The Loan Parties hereby waive any right to seek relief under the Bankruptcy Code, including under Section 105 thereof, to the extent such relief would restrict or impair the rights and remedies of the Agents and the Lenders set forth in the DIP Orders, DIP Recognition Orders and in the Loan Documents.

In case any one or more of the covenants and/or agreements set forth in this Agreement or any other Loan Document shall have been breached by any Loan Party, then the Agents or any Lender may proceed to protect and enforce the Lenders' rights either by suit in equity and/or by action at law, including an action for damages as a result of any such breach and/or an action for specific performance of any such covenant or agreement contained in this Agreement or such other Loan Document. Without limitation of the foregoing, the Borrower agrees that failure to comply with any of the covenants contained herein will cause irreparable harm and that specific performance shall be available in the event of any breach thereof. The Agents and any Lender acting pursuant to this paragraph shall be indemnified by the Borrower against all liability, loss or damage, together with all reasonable costs and expenses related thereto (including reasonable legal and accounting fees and expenses) in accordance with Section 10.03.

Notwithstanding the foregoing, the Required Ad Hoc Holders in their sole discretion may waive (in writing) the occurrence and continuance of any Event of Default on a retroactive basis, including interest accruing at the Default Rate.

Section 8.02 Application of Proceeds. The proceeds received by the Administrative Agent or Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Collateral pursuant to the exercise by the Administrative Agent or Collateral Agent of its remedies shall be applied, in full or in part, together with any other sums then held by the Administrative Agent or Collateral Agent pursuant to this Agreement, promptly by the Administrative Agent or Collateral Agent as follows:

(a) *First*, to the payment of all reasonable costs and expenses, fees, commissions and taxes of such sale, collection or other realization including compensation to the Administrative Agent and the Collateral Agent and their respective agents and counsel, and all expenses, liabilities and advances made or incurred by the Administrative Agent or the Collateral Agent in connection therewith and all amounts for which the Administrative Agent and Collateral Agent are entitled to indemnification pursuant to the provisions of any Loan Document, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(b) *Second*, to the payment of all other reasonable costs and expenses of such sale, collection or other realization including compensation to the other Loan Secured Parties and their agents and counsel (including Kirkland & Ellis LLP, Sidley Austin LLP, Blake, Cassels & Graydon LLP, Foley & Lardner LLP and Wiley Rein LLP) and all costs, liabilities and advances made or incurred by the other Loan Secured Parties in connection therewith, together with interest on each such amount at the highest rate then in effect under this Agreement from and after the date such amount is due, owing or unpaid until paid in full;

(c) *Third*, without duplication of amounts applied pursuant to clauses (a) and (b) above, to the indefeasible payment in full in cash, pro rata, of interest and other amounts constituting Obligations (other than principal), in each case equally and ratably in accordance with the respective amounts thereof then due and owing;

(d) *Fourth*, to the indefeasible payment in full in cash, pro rata, of the amount of the Obligations constituting principal on the Loans; *provided*, that such prepayment shall be allocated between the DIP New Money Loans and the Roll-Up Loans in accordance with Section 2.10(h) (as if such payment was a prepayment); and

(e) *Fifth*, the balance, if any, to the Person lawfully entitled thereto (including the applicable Loan Party or its successors or assigns) or as a court of competent jurisdiction may direct.

In the event that any such proceeds are insufficient to pay in full the items described in clauses (a) through (e) of this Section 8.02, the Loan Parties shall remain liable, jointly and severally, for any deficiency.

Section 8.03 Government Approval. Notwithstanding anything to the contrary contained herein or in any other Loan Document, any foreclosure on, sale, transfer or other disposition of any Collateral or any other action taken or proposed to be taken hereunder that would affect the operational, voting, or other control of any Loan Party or affect the ownership of the Communications Licenses, the One Dot Six Lease or any company holding the Communications Licenses or the One Dot Six Lease shall be pursuant to the Communications Laws and, if and to the extent required thereby, subject to the prior consent of the FCC, ISED, the CRTC or any other applicable Governmental Authority. Notwithstanding anything to the contrary contained herein, the Administrative Agent and the Lenders shall not take any action pursuant hereto or under any other Loan Document that would constitute or result in any assignment of the Communications Licenses or the One Dot Six Lease or transfer of control or voting rights of any Loan Party or any company holding the Communications Licenses or One Dot Six Lease if such assignment or transfer of control or voting rights would require, under then-existing law (including Communications Laws), the prior approval of the FCC, ISED, the CRTC or any other applicable Governmental Authority, without first obtaining such approval of the FCC, ISED, the CRTC or such other Governmental Authority. Each Loan Party agrees to take any lawful action which the Administrative Agent may request in order to obtain and enjoy the full rights and benefits granted to the Administrative Agent and the Loan Secured Parties by this Agreement, including specifically, after the occurrence and during the continuance of an Event of Default, the use of such Loan Party's best efforts to assist in obtaining any approval of the FCC, ISED, the CRTC and any other Governmental Authority that is then required under Communications Laws or under any other law for any action or transaction contemplated by this Agreement or the other Loan Documents, including, without limitation, the sale or transfer of Collateral. Such efforts shall include, to the extent permitted by the Communications Laws, sharing with Administrative Agent any FCC registration numbers, account numbers and passwords for the FCC's electronic filing system, as well as any account numbers, user names and passwords for ISED's Spectrum Management System and for the CRTC's Industry Data Collection System, and preparing, certifying and filing (or causing to be prepared, certified and filed) with the FCC, ISED, the CRTC or any other applicable Governmental Authority any portion of any application or applications for

consent to the assignment of the Communications Licenses or transfer of control of any Loan Party required to be filed under Communications Laws for approval of any sale or transfer of Collateral and/or the Communications Licenses.

ARTICLE 9 THE ADMINISTRATIVE AGENT

Section 9.01 Appointment and Authority. Each Lender hereby irrevocably appoints the Administrative Agent and Collateral Agent (together, for purposes of this Article 9, the “Agent”) its agent, and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to such Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Without limiting the generality of the foregoing, each Lender hereby authorizes the Administrative Agent to consent, on behalf of each Lender, to the Interim DIP Order and the Final DIP Order (so long as such Interim DIP Order and Final DIP Order have been approved in writing (which approval may be via email) by the Required Lenders (or their counsel(s) on their behalf) as of the applicable date), each to be negotiated between the Loan Parties, the Agent, the Lenders, certain other parties and the statutory committees appointed pursuant to sections 327 and 1103 of the Bankruptcy Code. The provisions of this Article 9 are solely for the benefit of the Agent and the Lenders, and neither the Borrower nor any other Loan Party shall have any rights as a third-party beneficiary of any such provisions. In performing its functions and duties hereunder, the Agent shall act solely as an agent of Lenders (or applicable Secured Party) and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for any Loan Party. It is understood and agreed that the use of the term “Agent” or “agent” herein or in any other Loan Documents (or any other similar term) with reference to an Agent, is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between the contracting parties. Without limiting the generality of the foregoing, the Agent is hereby expressly authorized to (a) execute any and all documents (including releases) with respect to the Collateral and the rights of the Loan Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Loan Security Documents and (b) negotiate, enforce or settle any claim, action or proceeding affecting the Lenders in their capacity as such, at the direction of the Required Lenders, which negotiation, enforcement or settlement will be binding upon each Lender.

Section 9.02 Rights of a Lender. The institution serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender, and may exercise the same as though it were not an Agent, and such bank and its Affiliates may accept deposits from, lend money to, own securities of, act as the financial advisor or in any other advisory capacity for, and generally engage in any kind of business with the Borrower or any Subsidiary or other Affiliate thereof as if it were not an Agent hereunder. The Lenders acknowledge that, pursuant to such activities, any Agent (acting in capacities other than as Agent) or its Affiliates may receive information regarding any Loan Party or any of its Affiliates (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that no Agent (acting in capacities other than as Agent) shall be under any obligation to provide such information to them.

Section 9.03 Exculpatory Provisions. The Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents, and its duties hereunder shall be solely administrative in nature. Without limiting the generality of the foregoing, (a) the Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing, (b) the Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is instructed in writing to exercise as directed in writing by the Required Lenders or the Required Ad Hoc Holders, as applicable (or such other number, percentage or composition of the Lenders as shall be necessary under the circumstances as provided in Section 10.02), provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable law, including for the avoidance of doubt any action that may be in violation of any automatic stay under any Debtor Relief Law or any other aspect of any applicable Debtor Relief Law and (c) except as expressly set forth in the Loan Documents, the Agent shall not have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent or any of its Affiliates in any capacity. The Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders, or such other number or percentage of the Lenders as shall be necessary or as such Agent shall in good faith believe to be necessary under the circumstances as provided in Section 10.02, or in the absence of its own gross negligence or willful misconduct as determined by a court of competent jurisdiction by final and nonappealable judgment. The Agent shall not be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof is given to such Agent by the Borrower or a Lender in accordance with Section 10.01 hereof, and the Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, recital, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the creation, perfection, or priority of Liens on the Collateral or the existence of the Collateral (for the avoidance of doubt, other than inquiries as to Collateral in an Agent's possession), or (vi) the satisfaction of any condition set forth in Article 4 or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent. The Agent will not be responsible or liable for any action taken or omitted to be taken by it hereunder or under any Loan Document, except for its own gross negligence or willful misconduct, in ease case as determined by a final, non-appealable order by a court of competent jurisdiction. Without limiting the foregoing, except for action expressly required of the Agent hereunder or under any Loan Document, the Agent shall in all cases be fully justified in failing or refusing to act hereunder and thereunder unless it shall receive indemnity and security satisfactory to it against any and all liability or expense that may be incurred by it by reason of taking or continuing to take any such action. The Agent shall not be liable for any error of judgment, or for any act done or step taken or omitted by it in good faith or for any mistake in act or law, or for anything which it may do or refrain from doing in connection herewith, in each case except for its own gross negligence or willful misconduct. The Agent will not be required to take any action (including any action at the direction of the Required Lenders), to advance or

expend any funds or otherwise incur any financial liability in the performance of its duties or the exercise of its power or rights hereunder unless it has been provided with security or indemnity reasonably satisfactory to it against any and all liability or expense which may be incurred by it by reason of taking or continuing to take such action. For purposes of clarity, and without limiting any rights, protections, immunities or indemnities afforded to either Agent hereunder (including without limitation this Article 9), phrases such as “satisfactory to the Agent,” “approved by the Agent,” “acceptable to the Agent,” “as determined by the Agent,” “in the Agent’s discretion,” “selected by the Agent,” “elected by the Agent,” “requested by the Agent,” and phrases of similar import that authorize and permit an Agent to approve, disapprove, determine, act or decline to act in its discretion shall be subject to such Agent receiving written direction from the Required Lenders or the Required Ad Hoc Holders, as applicable (or such other number, percentage or composition of the Lenders as expressly required hereunder or under the other Loan Documents) to take such action or to exercise such rights.

Section 9.04 Reliance by Agent. The Agent shall be entitled to seek and rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, the Agent may presume that such condition is satisfactory to such Lender unless the Agent shall have received notice to the contrary from such Lender prior to the making of such Loan. The Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. Whenever in the administration of this Agreement, the Agent shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Agent may conclusively rely upon instructions from the Required Lenders.

The Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders or the Required Ad Hoc Holders, as applicable (or such greater number or different composition of Lenders as may be expressly required hereby in any instance).

Section 9.05 Delegation of Duties. The Agent may perform any and all its duties and exercise its rights and powers by or through any one or more subagents, attorneys, accountants, appraisers or other experts or advisors selected by it in good faith as it may reasonably require and will not be responsible for any misconduct or gross negligence on the part of any of them. The Agent and any such subagent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such subagent and to the Related Parties of each Agent and any such subagent, and shall apply to their respective activities in connection with the syndication of the facilities hereunder as well as activities as Agent. Notwithstanding anything herein to the contrary, with respect to each sub agent appointed by an Agent, such sub agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including

exculpatory rights and rights to indemnification) and shall have all of the rights and benefits of a third party beneficiary.

Section 9.06 Resignation of the Agent. Subject to the appointment and acceptance of a successor Agent as provided below, the Agent may resign at any time by notifying the Lenders and the Borrower, and the Agent may be removed at any time with or without cause by an instrument or concurrent instruments in writing delivered to the Borrower and the Agent and signed by the Required Lenders. Upon any such resignation or removal, the Required Lenders shall have the right, in consultation with the Borrower, to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation or receives notice of its removal, (or such earlier day as shall be agreed by the Required Lenders) (the “**Resignation Effective Date**”), then the retiring Agent may (but shall not be obligated to), on behalf of the Lenders, appoint a successor Agent which shall be a bank (or another Person (other than the Loan Parties or any Affiliate thereof) that in its ordinary course of business serves as administrative agent and collateral agent for credit facilities of this type) with an office in New York, New York, or an Affiliate of any such bank. If no successor Agent has been appointed pursuant to the immediately preceding sentence by the Resignation Effective Date, such Agent’s resignation or removal shall become effective and the Required Lenders shall thereafter perform all the duties of such Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent, as the case may be. Upon the acceptance of its appointment as Agent hereunder by a successor, such successor shall succeed to, and become vested with, all the rights, powers, privileges and duties of the retiring Agent, and the retiring Agent shall be discharged from its duties and obligations hereunder. The Administrative Agent fees payable by the Borrower to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After an Agent’s resignation or removal hereunder, the provisions of this Article 9 and Section 10.03 shall continue in effect for the benefit of such retiring Agent, its subagents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Agent.

Section 9.07 Non-Reliance on Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon the Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

Section 9.08 Agent May File Proofs of Claim.

(a) In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any of the Debtors, the Agent (irrespective of whether the principal of any Loan or Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Agent shall have made any demand on the Borrower) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(i) to file a verified statement pursuant to rule 2019 of the Federal Rules of Bankruptcy Procedure that, in its sole opinion, complies with such rule's disclosure requirements for entities representing more than one creditor;

(ii) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agent and their respective agents and counsel and all other amounts due the Lenders and the Agent under Sections 2.05 and 10.03) allowed in such judicial proceeding; and

(iii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Agent and, in the event that the Agent shall consent to the making of such payments directly to the Lenders, to pay to the Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agent and its agents and counsel, and any other amounts due the Agent under Sections 2.05 and 10.03. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Agent and its respective agents and counsel, and any other amounts due to Agent under this Agreement out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders may be entitled to receive in such proceeding whether in liquidation or any plan of reorganization or arrangement or otherwise.

(b) Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding (unless such Lender explicitly directs in writing the Administrative Agent to so vote its claim).

Section 9.09 Collateral and Guarantee Matters.

(a) The Lenders irrevocably authorize the Agent, at its option and in its sole discretion:

(i) to release any Lien on any property granted to, or held by, the Agent under any Loan Document (x) on or after the date that the Obligations (other than contingent indemnity and expense reimbursement obligations as to which no claim has been made) have been indefeasibly paid in full in cash and the Commitments have been terminated, (y) with respect to any property that is sold or otherwise

disposed of or to be sold or otherwise disposed of as part of or in connection with any sale or other disposition permitted under the Loan Documents and the DIP Orders or (z), if approved, authorized or ratified in writing by the Required Lenders (or such other number of Lenders as shall be required hereunder); and

(ii) to release any Subsidiary from its obligations under the Loan Documents if such Person ceases to be a Subsidiary as a result of a transaction permitted under the Loan Documents and the DIP Orders.

(b) Upon request by the Agent at any time, the Required Lenders will confirm in writing, the Agent's authority to release its interest in particular types or items of property, or to release any Subsidiary from its obligations under the Loan Documents pursuant to this Section 9.09.

(c) The Agent shall not be responsible for, or have a duty to, ascertain or inquire into any representation or warranty regarding the existence, value or collectability of any Collateral, the existence, priority or perfection of the Collateral or the Agent's Lien thereon, or any certificate prepared by any Loan Party in connection therewith, nor shall the Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral.

Section 9.10 Not Partners or Co-Venturers; Administrative Agent as Representative of the Secured Parties.

(a) The Lenders are not partners or co-venturers, and no Lender shall be liable for the acts or omissions of, or (except as otherwise set forth herein in case of the Administrative Agent) authorized to act for, any other Lender. In its capacity, the Administrative Agent is a "representative" of the Secured Parties within the meaning of the term "secured party" as defined in the New York Uniform Commercial Code. Each Lender authorizes the Administrative Agent to enter into each of the Collateral Documents to which it is a party and to take all action contemplated by such documents. To the extent there is an Administrative Agent and a Collateral Agent at such time, each Lender agrees that no Secured Party (other than the Administrative Agent and the Collateral Agent) shall have the right individually to seek to realize upon the security granted by any Collateral Document, it being understood and agreed that such rights and remedies may be exercised solely by the Administrative Agent and the Collateral Agent for the benefit of the Secured Parties upon the terms herein and the other applicable Loan Documents; *provided*, that the Administrative Agent and the Collateral Agent shall follow the written direction of the Required Lenders in respect of such rights and remedies. In the event that any Collateral is hereafter pledged by any Person as collateral security for the Secured Obligations, the Collateral Agent is hereby authorized to execute and deliver for the benefit of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Collateral Agent for the benefit of the Secured Parties.

Section 9.11 Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, or any Person who has received funds on behalf of a Lender (any such Lender or other recipient, a "**Payment Recipient**")

that the Administrative Agent has determined in its sole discretion that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an “**Erroneous Payment**”) and demands the return of such Erroneous Payment (or a portion thereof) (provided that, without limiting any other rights or remedies (whether at law or in equity), the Administrative Agent may not make any such demand under this clause (a) with respect to an Erroneous Payment unless such demand is made within five Business Days of the date of receipt of such Erroneous Payment by the applicable Payment Recipient), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two (2) Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including such second Business Day until the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by any Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from or on behalf of any Borrower or any other Loan Party (including from the proceeds of any Collateral) for the purpose of making such Erroneous Payment.

The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; *provided* that approval of such procedures may be limited to particular notices or communications.

(ii) Any Electronic System used by the Administrative Agent is provided “as is” and “as available.” The Agent Parties (as defined below) do not warrant the adequacy of such Electronic Systems and expressly disclaim liability for errors or omissions in the Communications. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Communications or any Electronic System. Section 10.02 Waivers; Amendment.

(a) *Generally.* No failure or delay by the Administrative Agent or any Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the Lenders hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.

(b) *Required Consents.* Subject to Sections 2.01(d)(iii), 2.01(f)(ix), 10.02(c), (d) and (e), neither this Agreement nor any other Loan Document nor any provision hereof or thereof may be waived, amended, supplemented or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by the Borrower, the Guarantors and the Administrative Agent or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are party thereto, in each case with the written consent of the Required Lenders; *provided* that no such agreement shall be effective if the effect thereof would:

(i) extend or increase the Commitment of any Lender without the written consent of such Lender (it being understood that no amendment, modification, termination, waiver or consent with respect to any condition precedent, covenant or Default shall constitute an increase or extension in the Commitment of any Lender);

(ii) except as set forth in Section 2.06(f), reduce the principal amount or premium, if any, of any Loan or reduce the rate of interest thereon (other than reduction of Default Rate pursuant to Section 2.06(b)), or reduce any fees payable hereunder, or change the form or currency of payment of any Obligation, without the written consent of each Lender directly affected thereby;

(iii) (A) change the scheduled final maturity of any Loan (other than as set forth in the definition of “Maturity Date”), (B) postpone the date for payment or capitalization of any interest, premium or fees payable hereunder or (C) reduce the amount of, waive or excuse any such payment or accrual (other than waiver of any increase in the interest rate pursuant to Section 2.06(b)), in any case, without the written consent of each Lender directly affected thereby; *provided* that waiving or excusing, in whole or in part, any prepayment or repayment pursuant to Section 2.10(c) shall not be subject to this clause (iii);

(iv) permit the assignment or delegation by the Borrower of any of its rights or obligations under any Loan Document, without the written consent of each Lender (such consent not to be unreasonably withheld, conditioned or delayed);

(v) [reserved];

(vi) change Sections 2.10(h), 2.14(b), (c) or (d) or 8.02 in a manner that would alter the pro rata sharing of payments or setoffs or application of proceeds required thereby or any other provision in a manner that would alter the pro rata allocation or application of proceeds among the Lenders of payments in respect of the Loans, without the written consent of each Lender;

(vii) change any provision of this Section 10.02(b) or Section 10.02(c) or (d) or any of the defined terms used in such Sections in a manner that would have the effect of changing the provisions of such Sections, without the written consent of each Lender directly affected thereby;

(viii) change the percentage or any exclusion or restriction set forth in (x)(A) the definition of “Required Lenders” without the written consent of each Lender, (B) the definition of “Required Ad Hoc Holders” without the written consent of the Ad Hoc First Lien Group and the Ad Hoc Cross-Holder Group, (C) the definition of “Cerberus Lenders” without the written consent of all Cerberus Lenders (but no other Person), (D) the definition of “Fortress Lenders” without the written consent of all Fortress Lenders (but no other Person) or (y) any other provision of any Loan Document (including this Section) specifying the number or percentage of Lenders (including without limitation the Required Lenders and the Required Ad Hoc Holders) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender;

(ix) [reserved];

(x) [reserved];

(xi) modify Section 2.10(g) or (h), without the written consent of each Lender adversely affected thereunder;

(xii) change or waive any provision of Article 9 as the same applies to the Administrative Agent, or any other provision hereof as the same applies to the rights or obligations of the Administrative Agent, in each case without the written consent of the Administrative Agent; or

(xiii) change or waive the definition of Permitted Holders, without the written consent of each Permitted Holder that is a party hereto.

Notwithstanding anything to the contrary herein, any Loan Document may be waived, amended, supplemented or modified pursuant to an agreement or agreements in writing entered into by the Borrower and the Administrative Agent (without the consent of any Lender) solely to cure any manifest mistake, defect or error or to grant a new Lien for the benefit of the Loan Secured Parties or extend an existing Lien over additional property.

(c) *Collateral.* Without the consent of any other Person, the applicable Loan Party or Loan Parties, the Administrative Agent and/or the Collateral Agent may (in its or their respective sole discretion, or shall, to the extent required by any Loan Document) enter into any amendment or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Loan Secured Parties, or as required by local law to give effect to, or protect any security interest for the benefit of the Loan Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law.

(d) *Incremental Amendments.* Notwithstanding anything in this Agreement or any other Loan Document to the contrary (including, without limitation, the foregoing provisions of this Section 10.02), with the written consent of the Required Lenders this Agreement and the other Loan Documents may be amended to effect an Increase Joinder (and the corresponding

Incremental Facility) pursuant to Section 2.18 (and the Required Lenders and the Borrower may effect such amendments to this Agreement and the other Loan Documents without the consent of any other party, as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the terms of any such Increase Joinder (and the corresponding Incremental Facility)).

Section 10.03 Expenses; Indemnity; Damage Waiver.

(a) The Borrower and each Guarantor agrees to jointly and severally pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent, the Collateral Agent and the Lenders, including the fees, charges and disbursements of any counsel for the Administrative Agent, the Collateral Agent and/or any Lenders (including for any DIP Secured Party Advisors) in connection with (i) the negotiation, preparation, execution, delivery and administration of this Agreement and the other Loan Documents and any consents, amendments, waivers or other modifications hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), including in connection with post-closing searches to confirm that security filings and recordations have been properly made, (ii) the creation, perfection or protection of the Liens under the Loan Documents (including all reasonable search, filings and recording fees, expenses, stamp, documentary or similar taxes, and title insurance premiums) and (iii) the Cases and any other legal proceeding relating to or arising out of the DIP Facility or the other transactions contemplated by the Loan Documents. The Borrower shall pay all reasonable and documented out-of-pocket expenses incurred by the Administrative Agent and the Collateral Agent and the Lenders in connection with the enforcement or protection of its rights in connection with this Agreement, including enforcement of this Section 10.03, and the Loans hereunder, including all reasonable and documented out-of-pocket expenses incurred by each of the Administrative Agent, the Collateral Agent and the Lenders during any workout, restructuring or negotiations in respect of such Loans in connection with such enforcement or protection of rights (but excluding fees and expenses of financial advisors and other similar professionals); *provided* that the reimbursement of any fees, charges or disbursements of counsel shall be limited to one counsel to the Administrative Agent, one counsel to the Collateral Agent and no more than two firms of counsel to the Lenders (which counsel shall be designated by the Administrative Agent or the Required Lenders, as applicable (and in the case of the Lenders shall initially be Kirkland & Ellis LLP and Sidley Austin LLP)) (and (x) appropriate local counsel in applicable local jurisdictions, but limited to one local counsel for the Administrative Agent, one local counsel for the Collateral Agent and one counsel to the Lenders, in each such jurisdiction (which counsel shall be designated by the Administrative Agent or the Required Lenders, as applicable), (y) regulatory counsel, limited to one local counsel for the Administrative Agent, one local counsel for the Collateral Agent and one counsel to the Lenders, in each such jurisdiction (which counsel shall be designated by the Administrative Agent or the Required Lenders, as applicable) and (z) solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction or regulatory counsel for the Administrative Agent and one additional counsel in each relevant jurisdiction or regulatory counsel for each group of similarly situated Lenders).

(b) The Borrower and each Guarantor shall jointly and severally indemnify the Administrative Agent, Collateral Agent and each Lender, each Backstop Lender (including, other than in the case of subclause (v) below, as a Prepetition Lender and Holder) and each Related Party of any of the foregoing Persons (each such Person being called an “**Indemnitee**”) against, and

hold each Indemnitee harmless from, any and all actual losses, claims, damages, liabilities and related expenses, including the fees, charges and disbursements of one counsel for all Indemnitees, taken as a whole (which counsel shall be designated by Indemnitees holding a majority of the aggregate principal amount of Loans held by all Indemnitees) (and one additional counsel for each of the Administrative Agent and the Collateral Agent) (and solely in the case of a conflict of interest, one additional counsel for all similarly situated Indemnitees, taken as a whole (which counsel shall be selected by similarly situated Indemnitees holding a majority of the aggregate principal amount of Loans held by all similarly situated Indemnitees)), incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement or any agreement or instrument contemplated hereby, the performance by the parties hereto of their respective obligations hereunder or the consummation of the Transactions or any other transactions contemplated hereby, including enforcement of this Section 10.03, (ii) any Loan or the use of the proceeds therefrom, (iii) any actual or alleged presence or release of Hazardous Materials on, at, in or from any property owned, leased, licensed or operated by the Borrower or any of its Subsidiaries, or any Environmental Claim related in any way to the Borrower or any of its Subsidiaries, (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto or (v) the Cases, the Recognition Proceedings, or any related cases in any other jurisdiction; *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (i) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence, bad faith, willful misconduct or a material breach of the obligations under Section 2.01 or Section 2.02 by such Indemnitee and (y) to the extent arising from any dispute solely among Indemnitees other than (i) any claims against the Administrative Agent and/or the Collateral Agent acting in such capacity or in fulfilling such role or any similar role under this Agreement and (ii) any claims arising out of any act or omission on the part of the Borrower or its Subsidiaries. This Section 10.03(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims or damages arising from any non-Tax claim.

(c) To the extent that the Borrower fails to pay any amount required to be paid by it to the Administrative Agent under paragraph (a) or (b) of this Section, each Lender severally agrees to pay to the Administrative Agent or Collateral Agent, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; *provided* that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or Collateral Agent in its capacity as such.

(d) To the extent permitted by applicable law, no party hereto shall assert, and each such party hereby waives, any claim against any other party, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof; *provided* that, nothing in this clause (d) shall relieve the Borrower of any obligation it may have to indemnify an Indemnitee against special, indirect, consequential or punitive damages asserted against such Indemnitee by a third party.

(e) All amounts due under this Section 10.03 shall be payable promptly after written demand therefor.

Section 10.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower or any other Loan Party without such consent shall be null and void) and (ii) no Lender may consummate any Transfer of Loans or any of its rights or obligations hereunder except in accordance with this Section 10.04. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in Section 10.04(b)(ii), any Lender may assign to a Lender, an Affiliate of a Lender, a Participant or any other Person that is an Eligible Assignee (and any attempted assignment or transfer to a Person that is not an Eligible Assignee shall be null and void) all or a portion of its rights and obligations under this Agreement as a Lender (including all or a portion of its Commitments and Loans at the time owing to it), in each case (other than any assignment consummated pursuant to the Syndication Transactions), with the prior written consent of:

(A) [reserved]; and

(B) the Administrative Agent, which consent shall not be unreasonably withheld, conditioned or delayed; *provided* that with respect to any assignment by a Lender to an Affiliate of such Lender or an Approved Fund of such Lender, such consent shall be deemed given so long as both parties to the assignment have complied with the other provisions set forth herein and the Administrative Agent has completed “know-your-customer” and other verifications required by law with respect to the assignee.

(ii) Any such assignments (which, for the avoidance of doubt, shall not include any assignment consummated pursuant to the Syndication Transactions) shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender’s applicable Commitment or Loans, the amount of the applicable Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than \$1,000,000; *provided* that

simultaneous assignments by, or to, two or more Approved Funds shall be combined for purposes of determining whether the minimum assignment requirement is met;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(C) the parties to each assignment shall (A) execute and deliver to the Administrative Agent and the Borrower an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent or (B) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Assumption, in each case, together with a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent);

(D) the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent and the Borrower an Administrative Questionnaire in which the assignee designates one or more contacts (as defined in the Administrative Questionnaire) to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their related parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws and all applicable tax forms;

(E) the Assignment and Assumption will include a representation from the assignee thereunder that such assignee is an Eligible Assignee;

(F) no assignment may be made prior to the DIP Second Funding Date other than an assignment by a Lender to an Affiliate of such Lender or an Approved Fund of such Lender unless waived by the Required Ad Hoc Holders in their sole discretion;

(G) [reserved]; and

(H) for the avoidance of doubt, no Loans or Commitments may be assigned to the Borrower or any of its Subsidiaries, any Affiliate of the Borrower, or to any natural Person (or a holding company, investment vehicle or trust for, owned and operated for the primary benefit of a natural Person).

Notwithstanding the foregoing, each Loan Party and the Lenders acknowledge and agree that the Administrative Agent shall not have any responsibility or obligation to determine whether any Lender or potential Lender or any Participant or potential Participant is an Eligible Assignee, the Administrative Agent shall have no liability with respect to any assignment made to a Person

that is not an Eligible Assignee and the Administrative Agent shall have no responsibility or obligation with respect to provisions concerning Affiliate Lenders, including without limitation Section 10.04(b)(ii)(F). Any assigning Lender shall, in connection with any potential assignment, provide to the Borrower a copy of its request (including the name of the prospective assignee) concurrently with its delivery of the same request to the Administrative Agent irrespective of whether or not an Event of Default has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to Section 10.04(b)(iv), from and after the effective date specified in each Assignment and Assumption the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.12, Section 2.15 and Section 10.03 with respect to facts and circumstances occurring prior to the effective date of such assignment). Any assignment or transfer by a Lender of rights or obligations under this Agreement as a Lender that does not comply with this Section 10.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.04(c), to the extent such participation is permitted by Section 10.04(c).

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 10.04(b) and any written consent to such assignment required by Section 10.04(b) and any applicable tax forms, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register; *provided* that if either the assigning Lender or the assignee shall have failed to make any payment required to be made by it pursuant to, Section 2.02(b), Section 2.14(d) or Section 10.03(c), the Administrative Agent shall have no obligation to accept such Assignment and Assumption and record the information therein in the Register

unless and until such payment shall have been made in full, together with all accrued interest thereon; *provided*, further, that in the case of any assignment consummated pursuant to the Syndication Transactions the Administrative Agent shall accept such assignments, and record the applicable information in respect thereof, upon the consummation thereof in accordance with Section 2.01(f). No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) Any Lender may sell participations to one or more banks or other entities that are Eligible Assignees and not the Borrower, Subsidiaries or other Affiliates of the Borrower (a “**Participant**”) in all or a portion of such Lender’s rights and obligations under this Agreement with respect to Loans and/or related Commitments; (B) such Lender’s obligations under this Agreement shall remain unchanged; (C) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations; (D) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement; and (E) no participations may be sold or otherwise transferred to any Person that is not an Eligible Assignee. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement, in each case, to the extent provided for herein; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant (such consent not to be unreasonably withheld, conditioned or delayed), agree to any amendment, modification or waiver (1) described in clause (i), (ii), (iii) or (v) of the first proviso to Section 10.02(b) and (2) that directly affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Section 2.12 and Section 2.15 (subject to the requirements and limitations therein, including the requirements under Section 2.15(e) (it being understood that the documentation required under Section 2.15(e) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; *provided* that such Participant (A) agrees to be subject to the provisions of Section 2.16 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Section 2.12 or Section 2.15, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower’s request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.16 with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 10.08 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.14(d) as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under the Loan Documents (the “**Participant Register**”); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant’s interest in any Commitments, Loans or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States

Treasury Regulations and Section 1.163-5(b) of the Proposed United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to any Person (other than a natural Person) to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank, and this Section 10.04 shall not apply to any such pledge or assignment of a security interest; *provided* that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Without limiting the prohibitions in this Agreement on the Borrower, Subsidiaries or Affiliates of a Borrower becoming a Lender hereunder, Affiliate Lenders shall be excluded from (a) attending (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender and (b) receiving any information or material prepared by Administrative Agent or any Lender or any communication by or among the Administrative Agent and/or one or more Lenders.

Section 10.05 Survival of Agreement. All covenants, agreements, representations and warranties made by the Borrower herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of (including all amounts Paid in Kind that have been added to the principal amount) or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid and so long as the Commitments have not expired or terminated. The provisions of Section 2.12, Section 2.15 and Section 10.03 and Article 9 shall survive and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Commitments or the termination of this Agreement or any provision hereof.

Section 10.06 Counterparts; Integration; Effectiveness.

(a) This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and any separate letter agreements with respect to fees payable to the Administrative Agent constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken

together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

(b) Delivery of an executed counterpart of a signature page of this Agreement by telecopy, emailed pdf. or any other electronic means that reproduces an image of the actual executed signature page shall be effective as delivery of a manually executed counterpart of this Agreement. The words “execution,” “signed,” “signature,” “delivery,” and words of like import in or relating to any document to be signed in connection with this Agreement and the transactions contemplated hereby shall be deemed to include Electronic Signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 10.07 Severability.

Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

Section 10.08 Right of Setoff.

Subject to the DIP Orders and solely with respect to the Canadian Collateral, the DIP Recognition Orders, if an Event of Default shall have occurred and be continuing, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other obligations at any time owing by such Lender or Affiliate to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower now or hereafter existing under this Agreement held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement and although such obligations may be unmatured. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) which such Lender may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application; *provided* that the failure to give such notice shall not affect the validity of such setoff and application.

Section 10.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York and, to the extent applicable, the Bankruptcy Code, without regard to conflicts of law principles that would require the application of the laws of another jurisdiction.

(b) The Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Bankruptcy Court and, if the Bankruptcy Court

does not have, or abstains from jurisdiction, the Supreme Court of the State of New York sitting in New York County, Borough of Manhattan, and of the United States District Court for the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent or any Lender may otherwise have to bring any action or proceeding relating to this Agreement against the Borrower or its properties in the courts of any jurisdiction.

The Borrower hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in any action or proceeding arising out of or relating to any Loan Document in the manner provided for notices in Section 10.01. Nothing in this Agreement or any other Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

Section 10.10 Waiver of Jury Trial. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 10.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 10.12 Treatment of Certain Information; Confidentiality. Each of the Administrative Agent and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, officers, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential

nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, or otherwise relating to the Cases, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of, or any prospective assignee of, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrower and its obligations, (g) with the consent of the Borrower, (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Administrative Agent or any Lender on a non-confidential basis from a source other than the Borrower or (i) on a confidential basis to (x) any rating agency in connection with rating the Borrower or its Subsidiaries or the Loans hereunder or (y) the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the facilities or any market data collectors, similar service providers to the lending industry and service providers to the Administrative Agent in connection with the administration, settlement and management of this Agreement and the Loan Documents. For the purposes of this Section, “**Information**” means all information received from the Borrower or any of its Subsidiaries, the Borrower or any of its Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent or any Lender on a nonconfidential basis prior to disclosure by the Borrower or any of its Subsidiaries; *provided* that, in the case of information received from the Borrower after the Closing Date, such information is clearly identified at the time of delivery as confidential. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Section 10.13 Material Non-Public Information.

(a) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 10.12 FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER AND ITS RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(b) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS, FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED

IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW.

Section 10.14 Authorization to Distribute Certain Materials to Public-Siders.

(a) None of the Loan Parties currently has any publicly traded securities outstanding (including, but not limited to, 144A Securities, commercial paper notes or American Depositary Receipts); *provided* that the Borrower agrees that if any of the Loan Parties issues any publicly traded securities at a future date, any of the information in the Loan Documents and the Financial Statements to be furnished pursuant to Section 5.01(a) or (b), to the extent then material, will be publicly disclosed or set forth in the related prospectus or other offering document for such issuance.

(b) The Borrower hereby authorizes the Administrative Agent to distribute the execution versions of the Loan Documents to the Lenders and Financial Statements to all Lenders, including their Public-Siders who indicate that they would not wish to receive information that would be deemed to be material non-public information within the meaning of the United States federal and state securities laws if the Companies had publicly-traded securities outstanding.

(c) If the Borrower issues any 144A Securities during the term of this Agreement and its Financial Statements are not filed with the Securities and Exchange Commission, the Borrower (i) agrees to deliver to the Administrative Agent, and authorizes their posting by the Administrative Agent to the public-side view site of any applicable agency website, the Financial Statements and (ii) represents, warrants and agrees that the Financial Statements will not constitute information that, upon disclosure to Public-Siders, would restrict them or their firms from purchasing or selling any of the 144A Securities under United States federal and state securities laws. The Borrower further agrees to clearly label such Financial Statements with a notice stating: “Confidential Financial Statements provided to 144A Holders” before delivering them to the Administrative Agent.

(d) The Borrower acknowledges its understanding that Public-Siders and their firms may be trading in any of the Loan Parties’ respective securities while in possession of the materials, documents and information distributed to them pursuant to the authorizations made herein.

Section 10.15 USA PATRIOT Act Notice and Customer Verification. Each Lender that is subject to the requirements of the USA PATRIOT Act and the Administrative Agent hereby notifies the Borrower that pursuant to the requirements of the Act and/or the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow such Lender to identify the Borrower in accordance with the Act. The Borrower shall, promptly following a request by the Administrative Agent or any Lender, provide (a) to the extent the Borrower qualifies as a “legal entity customer” under 31 C.F.R. § 1010.230 (the “**Beneficial Ownership Regulation**”), a customary certification for the Borrower regarding beneficial ownership in relation to the Borrower, in form and substance satisfactory to Administrative Agent and the Lenders and (b) all other documentation and other information that the Administrative

Agent or such Lender reasonably requests in order to comply with its ongoing obligations under applicable “know your customer” and anti-money laundering rules and regulations, including the PATRIOT Act.

Section 10.16 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively the “Charges”), shall exceed the maximum lawful rate (the “Maximum Rate”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, subject to sections 2.06(f) and 7.08, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 10.17 Obligations Absolute. To the fullest extent permitted by applicable Requirements of Law, all obligations of the Loan Parties hereunder shall be absolute and unconditional irrespective of:

- (a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Loan Party;
- (b) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto against any Loan Party;
- (c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument relating thereto;
- (d) any exchange, release or non-perfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Obligations;
- (e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect hereof or any Loan Document; or

Section 10.18 AML Legislation.

- (a) The Borrower acknowledges that, pursuant to the Proceeds of Crime (Money Laundering) and Terrorist Financing Act (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” laws, whether within Canada or else-where (collectively, including any guidelines or orders thereunder, “AML

Legislation”), the Loan Secured Parties or any future assignee of a Loan Secured Party may be required, now or hereafter, to obtain, verify and record information regarding the Borrower, its directors, authorized signing officers, direct or indirect shareholders or other Persons in control of the Borrower, and the transactions contemplated hereby. The Borrower shall promptly provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Loan Secured Party or the Administrative Agent, or any prospective or future assign or participant of a Loan Secured Party, in order to comply with any applicable AML Legislation, whether now or hereafter in existence.

(b) If the Administrative Agent has ascertained the identity of the Borrower or any authorized signatories of the Borrower for the purposes of applicable AML Legislation, then the Administrative Agent:

(i) shall be deemed to have done so as an agent for each Loan Secured Party (or any future assignee of a Loan Secured Party), and this Agreement shall constitute a “written agreement” in such regard between each Loan Secured Party (or any future assignee of a Loan Secured Party) and the Administrative Agent within the meaning of applicable AML Legislation; and

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Loan Secured Parties agrees that the Administrative Agent has no obligation to ascertain the identity of the Borrower or any authorized signatories of the Borrower on behalf of any Loan Secured Party or any future assignee of a Loan Secured Party, or to confirm the completeness or accuracy of any information it obtains from the Borrower or any such authorized signatory in doing so.

Section 10.19 [Reserved].

Section 10.20 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of the applicable Resolution Authority.

Section 10.21 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for hedge agreements or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**” and each such QFC a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “U.S. Special Resolution Regimes”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a defaulting lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.21, the following terms have the following meanings:

(i) “BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

Section 10.22 DIP Secured Party Advisors. The Loan Parties acknowledge and agree that (i) Administrative Agent and the Lenders shall each be entitled to retain or continue to retain the DIP Secured Party Advisors and (ii) the Loan Parties shall pay all reasonable and documented fees and expenses of such DIP Secured Party Advisors and all such fees and expenses shall constitute Obligations and be secured by the Collateral.

Section 10.23 Validity of Loan Documents. and any certificate, document or other agreement delivered in connection therewith, constitute “financial accommodations” (as such term is used in Section 365(c) of the Bankruptcy Code) to or for the benefit of the Loan Parties as debtors in possession.

- (c) It is the intention of the parties that if the Collateral Agent shall fail to have a perfected DIP Lien in any particular property or assets of any Pledgor for any reason whatsoever, the provisions of this Agreement and/or of the other Loan Security Documents, together with all financing statements and other public filings relating to Liens filed or recorded by the Collateral Agent against the Pledgors and, with respect to all Pledgors the DIP Orders, the DIP Recognition Orders and any other order entered by the Bankruptcy Court or CCAA Court to secure the Secured Obligations, would be sufficient to create a perfected DIP Lien in any property or assets that such Pledgor may receive upon the sale, lease, license, exchange, transfer or disposition of such particular property or assets, then all such "proceeds" of such particular property or assets shall be included in the Pledged Collateral.

**ARTICLE III
PERFECTION; SUPPLEMENTS; FURTHER ASSURANCES;
USE OF PLEDGED COLLATERAL**

Section 3.1 Delivery of Certificated Securities Collateral

Each Pledgor represents and warrants that all certificates, agreements or instruments representing or evidencing Securities Collateral constituting a "certificated security" under the PPSA that are in existence on the date hereof have been delivered to the Collateral Agent in suitable form for transfer by delivery or accompanied by duly executed instruments of transfer or assignment in blank and that the Collateral Agent has a perfected First Priority security interest therein. Each Pledgor hereby agrees that all certificates, agreements or instruments representing or evidencing Securities Collateral constituting a "certificated security" under the PPSA acquired by such Pledgor after the date hereof shall promptly (but in any event within ten (10) days after receipt thereof by such Pledgor) be delivered to and held by or on behalf of the Collateral Agent pursuant hereto. All certificated Securities Collateral shall be in suitable form for transfer by delivery or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance satisfactory to the Collateral Agent. The Collateral Agent, acting at the direction of the Required Lenders shall have the right, at any time upon the occurrence and during the continuance of any Event of Default, to endorse, assign or otherwise transfer to or to register in the name of the Collateral Agent or any of its nominees or endorse for negotiation any or all of the Securities Collateral, without any indication that such Securities Collateral is subject to the security interest hereunder. In addition, upon the occurrence and during the continuance of an Event of Default, the Collateral Agent, acting at the direction of the Required Lenders, shall have

the right at any time to exchange certificates representing or evidencing Securities Collateral for certificates of smaller or larger denominations.

Section 3.2 Perfection of Uncertificated Securities Collateral

Each Pledgor represents and warrants that the Collateral Agent has a perfected First Priority security interest in all uncertificated Pledged Securities pledged by it hereunder that are in existence on the date hereof (whether or not constituting an "uncertificated security" under the PPSA). Each Pledgor hereby agrees that if any of the Pledged Securities are at any time not evidenced by certificates of ownership but constitute an "uncertificated security" under the PPSA, then each applicable Pledgor shall, to the extent permitted by applicable law, (i) cause the issuer to execute and deliver to the Collateral Agent an acknowledgment of the pledge of such Pledged Securities substantially in the form of Exhibit 1 hereto or such other form that is reasonably satisfactory to the Collateral Agent, (ii) if necessary or desirable to perfect a security interest in such Pledged Securities, cause such pledge to be recorded on the equityholder register or the books of the issuer, execute any customary pledge forms or other documents necessary or appropriate to complete the pledge and give the Collateral Agent the right to transfer such Pledged Securities under the terms hereof and (iii) after the occurrence and during the continuance of any Event of Default, upon request by the Collateral Agent, acting at the direction of the Required Lenders, (A) cause the Organizational Documents of each such issuer that is a Subsidiary of a Pledgor to be amended to provide that such Pledged Securities shall be treated as "securities" for purposes of the STA and (B) cause such Pledged Securities to become certificated and delivered to the Collateral Agent in accordance with the provisions of Section 3.1.

Section 3.3 Financing Statements and Other Filings; Maintenance of Perfected Security Interest

Each Pledgor represents and warrants that all financing statements, agreements, instruments and other documents necessary to perfect the security interest granted by it to the Collateral Agent in respect of the Pledged Collateral have been delivered to the Collateral Agent and filed by the Pledgor (or its designee) in each governmental, municipal or other office specified in Schedule 6 to the Perfection Certificate. Each Pledgor agrees that at the sole cost and expense of the Pledgors, such Pledgor will maintain the security interest created by this Agreement in the Pledged Collateral as a perfected First Priority security interest subject to Permitted Liens, except to the extent such security interest is not perfected pursuant to minimum thresholds provided for in Section 3.4 and such security interest cannot be perfected by filing of financing statements.

Section 3.4 Other Actions

In order to further ensure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, the Collateral Agent's security interest in the Pledged Collateral, each Pledgor represents and warrants (as to itself) as follows and agrees, in each case subject to and in accordance with the terms of the DIP Orders and DIP Recognition Orders, in each case at such Pledgor's own expense, to take the following actions with respect to the following Pledged Collateral:

- (a) Instruments and Tangible Chattel Paper. As of the date hereof, no amounts payable under or in connection with any of the Pledged Collateral are evidenced by any Instrument or Tangible Chattel Paper other than such Instruments and Tangible Chattel Paper listed in Schedule 10 to the Perfection Certificate. Each Instrument and each item of Tangible Chattel Paper listed in Schedule 10 to the Perfection Certificate has been properly endorsed, assigned and delivered to the Collateral Agent, accompanied by instruments of transfer or assignment duly executed in blank. If any amount then payable under or in connection with any of the Pledged Collateral shall be evidenced by any Instrument or Tangible Chattel Paper, and such amount, together with all amounts payable evidenced by any Instrument or Tangible Chattel Paper not previously delivered to the Collateral Agent exceeds \$250,000 in the aggregate for all Pledgors, the Pledgor acquiring such Instrument or Tangible Chattel Paper shall promptly (but in any event within ten (10) days after receipt thereof) endorse, assign and deliver the same to the Collateral Agent, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time specify.
- (b) Deposit Accounts. As of the date hereof, no Pledgor has any Deposit Accounts other than the accounts listed in Schedule 13 to the Perfection Certificate. No Pledgor shall hereafter establish and maintain any Deposit Account unless (1) it shall have given the Collateral Agent ten (10) days' prior written notice of its intention to establish such new Deposit Account with a Bank and (2) such Bank shall be reasonably acceptable to the Collateral Agent and the Required Lenders.
- (c) Securities Accounts and Futures Accounts. As of the date hereof, no Pledgor has any Securities Accounts or Futures Accounts other than those listed in Schedule 13 to the Perfection Certificate. No Pledgor shall hereafter establish and maintain any Securities Account or Futures Account with any Securities Intermediary or Futures Intermediary unless (1) it shall have given the Collateral Agent ten days' prior written notice of its intention to establish such new Securities Account or Futures Account with such Securities Intermediary or Futures Intermediary and (2) such Securities Intermediary or Futures Intermediary shall be reasonably acceptable to the Collateral Agent and the Required Lenders. Each Pledgor shall accept any cash and Investment Property in trust for the benefit of the Collateral Agent.
- (d) Electronic Chattel Paper. As of the date hereof, no amount under or in connection with any of the Pledged Collateral is evidenced by any Electronic Chattel Paper other than such Electronic Chattel Paper listed in Schedule 10 to the Perfection Certificate. If any amount payable under or in connection with any of the Pledged Collateral shall be evidenced by any Electronic Chattel Paper, the Pledgor acquiring such Electronic Chattel Paper shall promptly notify the Collateral Agent thereof and shall take such action as the Collateral Agent may reasonably request to vest in the Collateral Agent Control of such Electronic Chattel Paper. The requirement in the preceding sentence shall not apply to the extent that such

amount, together with all amounts payable evidenced by Electronic Chattel Paper does not exceed \$250,000 in the aggregate for all Pledgors. The Collateral Agent agrees with such Pledgor that the Collateral Agent will arrange, pursuant to procedures satisfactory to the Collateral Agent and so long as such procedures will not result in the Collateral Agent's loss of Control, for the Pledgor to make alterations to the Electronic Chattel Paper, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by such Pledgor with respect to such Electronic Chattel Paper.

- (e) Investment Risk. As between the Collateral Agent and the Pledgors, the Pledgors shall bear the investment risk with respect to the Investment Property and Pledged Securities, and the risk of loss of, damage to, or the destruction of the Investment Property and Pledged Securities, whether in the possession of, or maintained as a Security Entitlement or deposit by, or subject to the Control of, the Collateral Agent, a Securities Intermediary, a Futures Intermediary, any Pledgor or any other person
- (f) Communications Licences. Each Pledgor agrees that, in the event of any change in law occurring after the date hereof that affects in any manner the Collateral Agent's rights with respect to the Communications Licences or related to the Collateral Agent obtaining or enforcing such rights, each Pledgor shall amend this Agreement and the other Loan Documents to provide the Secured Parties with such rights to the greatest extent possible consistent with then-applicable Law. No Pledgor shall permit, or take any action that would permit, any person to have a First Priority Lien on any Communications Licence or in or upon any of the rights appurtenant thereto (including but not limited to the rights of access, use or sale or the right to receive money, consideration or proceeds from any sale or transfer of any Communications Licence) that is superior to that of the Collateral Agent and the Secured Parties, regardless of whether applicable law permits the Collateral Agent or the Lenders to hold such a Lien.
- (g) [Reserved].
- (h) [Reserved].

Section 3.5 Joinder of Additional Guarantors

The Pledgors shall cause each Subsidiary of the Borrower over which they have Control which, from time to time, after the date hereof shall be required to pledge any assets to the Collateral Agent for the benefit of the Secured Parties pursuant to the provisions of the Credit Agreement, to execute and deliver to the Collateral Agent (i) a Joinder Agreement substantially in the form of Exhibit 3 hereto and (ii) a Perfection Certificate, in each case, within ten (10) days of the date on which it was acquired or created, and upon such execution and delivery, such Subsidiary shall constitute a "Guarantor" and a "Pledgor" for all purposes hereunder with the same force and effect as if originally named as a Guarantor and Pledgor herein. The execution

and delivery of such Joinder Agreement shall not require the consent of any Pledgor hereunder. The rights and obligations of each Pledgor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor and Pledgor as a party to this Agreement.

Section 3.6 Supplements; Further Assurances

Each Pledgor shall take such further actions, and execute and/or deliver to the Collateral Agent such additional financing statements, financing change statements, amendments, assignments, agreements, supplements, powers and instruments, as may be necessary or as the Collateral Agent and/or the Required Lenders, as applicable, shall request in order to create, perfect, preserve and protect the security interest in the Pledged Collateral as provided herein and the rights and interests granted to the Collateral Agent hereunder, to carry into effect the purposes hereof or better to assure and confirm the validity, enforceability and priority of the Collateral Agent's security interest in the Pledged Collateral or permit the Collateral Agent (acting at the direction of the Required Lenders) to exercise and enforce its rights, powers and remedies hereunder with respect to any Pledged Collateral, including the filing of financing statements, financing change statements and other documents (including this Agreement) under the PPSA in effect in any jurisdiction with respect to the security interest created hereby and the Cape Town Convention on Mobile Goods, all in form reasonably satisfactory to the Collateral Agent and in such offices (including the Canadian Intellectual Property Office) wherever required by law to perfect, continue and maintain the validity, enforceability and priority of the security interest in the Pledged Collateral as provided herein and to preserve the other rights and interests granted to the Collateral Agent hereunder, as against third parties, with respect to the Pledged Collateral. Without limiting the generality of the foregoing, each Pledgor shall make, execute, endorse, acknowledge, file or refile and/or deliver to the Collateral Agent from time to time as necessary or upon reasonable request by the Collateral Agent and/or the Required Lenders, lists, schedules, descriptions and designations of the Pledged Collateral, copies of warehouse receipts, receipts in the nature of warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, supplements, additional security agreements, conveyances, financing statements, transfer endorsements, powers of attorney, certificates, reports and other assurances or instruments. If an Event of Default has occurred and is continuing, the Collateral Agent, acting at the direction of the Required Lenders, may institute and maintain, in its own name or in the name of any Pledgor, such suits and proceedings as the Collateral Agent and/or the Required Lenders may be advised by their respective counsel as being necessary or expedient to prevent any impairment of the security interest in or the perfection thereof in the Pledged Collateral. All of the foregoing shall be at the sole cost and expense of the Pledgors. Notwithstanding any failure on the part of any Pledgor, Secured Party or any other Person to take any action to perfect, maintain, protect or enforce the First Priority Liens and Security Interests in the Pledged Collateral granted hereunder, the DIP Orders and DIP Recognition Orders shall automatically and without further action by any Person, perfect such Liens and Security Interests against the Pledged Collateral.

**ARTICLE IV
REPRESENTATIONS, WARRANTIES AND COVENANTS**

Each Pledgor represents, warrants and covenants as follows:

Section 4.1 Title

Subject to the DIP Orders and DIP Recognition Orders, except for the security interest granted to the Collateral Agent for the benefit of the Secured Parties pursuant to this Agreement and Permitted Liens, such Pledgor owns and has rights and, as to Pledged Collateral acquired by it from time to time after the date hereof, will own and have rights in each item of Pledged Collateral pledged by it hereunder, free and clear of any and all Liens or claims of others. In addition, no Liens or claims exist on the Securities Collateral, other than as permitted by clauses (6), (8), (9) and (12) of the defined term "Permitted Liens" in the Credit Agreement.

Section 4.2 Validity of Security Interest

Subject to the DIP Orders and DIP Recognition Orders, the security interest in and First Priority Lien on the Pledged Collateral granted to the Collateral Agent for the benefit of the Secured Parties hereunder constitutes (a) a legal, valid, enforceable and continuing security interest in and First Priority Lien on all the Pledged Collateral securing the payment and performance of the Secured Obligations, and (b) an automatically perfected security interest in all the Pledged Collateral. Subject to the DIP Orders and DIP Recognition Orders, the Collateral Agent's security interest in the Pledged Collateral is and shall be a First Priority Lien on all of the Pledged Collateral subject to no other Liens other than Permitted Liens, the Administration Charge and the Carve-Out and pursuant to the terms of the DIP Orders and DIP Recognition Orders, no filing or other action will be necessary to perfect or protect such First Priority Liens and security interests.

Section 4.3 Defence of Claims; Transferability of Pledged Collateral

Subject to Section 10.03 of the Credit Agreement and the DIP Orders and DIP Recognition Orders, each Pledgor shall, at its own cost and expense, defend title to the Pledged Collateral pledged by it hereunder and the security interest therein and Lien thereon granted to the Collateral Agent and the priority thereof against all claims and demands of all persons, at its own cost and expense, at any time claiming any interest therein adverse to the Collateral Agent or any other Secured Party other than Permitted Liens. Except with respect to Material Leases as set forth on the Perfection Certificate, there is no agreement, order, judgment or decree, and no Pledgor shall enter into any agreement or take any other action, that would restrict the transferability of any of the Pledged Collateral or otherwise impair or conflict with such Pledgor's obligations or the rights of the Collateral Agent hereunder.

Section 4.4 Other Financing Statements

It has not filed, nor authorized any third party to file (nor will there be), any valid or effective financing statement (or similar statement, instrument of registration or public notice under the law

of any jurisdiction) covering or purporting to cover any interest of any kind in the Pledged Collateral, except such as have been filed in favour of the Collateral Agent pursuant to this Agreement or in favour of any holder of a Permitted Lien under Clauses (8), (9) or (14) of the defined term "Permitted Liens" in the Credit Agreement with respect to such Permitted Lien or financing statements or public notices relating to the termination statements or financing change statements listed on Schedule 8 to the Perfection Certificate. Subject to the DIP Orders and DIP Recognition Orders, no Pledgor shall execute, authorize or permit to be filed in any public office any financing statement (or similar statement, instrument of registration or public notice under the law of any jurisdiction) relating to any Pledged Collateral, except financing statements and other statements and instruments filed or to be filed in respect of and covering the security interests granted by such Pledgor to the holder of the Permitted Liens.

Section 4.5 Location of Inventory and Equipment.

Subject to the DIP Orders and DIP Recognition Orders, it shall not move any Equipment or Inventory that (A) constitutes Pledged Collateral and (B) has an aggregate fair market value of greater than or equal to \$100,000 other than to any other location that is listed in Schedules 2(a), (b) or (c) of the Perfection Certificate, unless it shall have given the Collateral Agent not less than 30 days' prior written notice (in the form of an Officers' Certificate) of its intention to do so, clearly describing such new location and providing such other information in connection therewith as the Collateral Agent may request; provided that in no event shall any Equipment or Inventory be moved to any location outside of Canada or the continental United States.

Section 4.6 Due Authorization and Issuance

All of the Pledged Securities existing on the date hereof have been, and to the extent any Pledged Securities are hereafter issued, such Pledged Securities will be, upon such issuance, duly authorized, validly issued and fully paid and non-assessable to the extent applicable. There is no amount or other obligation owing by any Pledgor to any issuer of the Pledged Securities in exchange for or in connection with the issuance of the Pledged Securities or any Pledgor's status as a partner or a member of any issuer of the Pledged Securities.

Section 4.7 Consents, etc.

In the event that the Collateral Agent (acting at the direction of the Required Lenders) desires to exercise any remedies, voting or consensual rights or attorney-in-fact powers set forth in this Agreement and determines it necessary to obtain any approvals or consents of any Governmental Authority or any other person therefor, other than the Bankruptcy Court, then, upon the reasonable request of the Collateral Agent, such Pledgor agrees, subject to the DIP Orders and DIP Recognition Orders, to use its best efforts to assist and aid the Collateral Agent to obtain as soon as practicable any necessary approvals or consents for the exercise of any such remedies, rights and powers.

Section 4.8 Pledged Collateral

All information set forth herein, including the schedules hereto, and all information contained in any documents, schedules and lists heretofore delivered to any Secured Party, including the Perfection Certificate and the schedules thereto, in connection with this Agreement, in each case, relating to the Pledged Collateral, is accurate and complete in all material respects. The Pledged Collateral described on the schedules to the Perfection Certificate constitutes all of the property of such type of Pledged Collateral owned or held by the Pledgors.

Section 4.9 Insurance

Subject to the DIP Orders and DIP Recognition Orders, in the event that the proceeds of any insurance claim are paid to any Pledgor after the Collateral Agent has exercised its right to foreclose after an Event of Default, such Net Cash Proceeds shall be held in trust for the benefit of the Collateral Agent and immediately after receipt thereof shall be paid to the Collateral Agent for application in accordance with the Credit Agreement.

Section 4.10 Permitted Liens

Section 4.11 No Consumer Goods

Such Pledgor does not own any Consumer Goods which are material in value or which are material to the business, operations, property, condition or prospects (financial or otherwise) of such Pledgor.

ARTICLE V CERTAIN PROVISIONS CONCERNING SECURITIES COLLATERAL

Section 5.1 Pledge of Additional Securities Collateral

Subject to Section 5.11 and Section 5.12 of the Credit Agreement, and the DIP Orders and DIP Recognition Orders, each Pledgor shall, upon obtaining any Pledged Securities or Intercompany Notes of any person, accept the same in trust for the benefit of the Collateral Agent and promptly (but in any event within ten (10) days after receipt thereof) deliver to the Collateral Agent a pledge amendment, duly executed by such Pledgor, in substantially the form of Exhibit 2 hereto (each, a "Pledge Amendment"), and the certificates and other documents required under Section 3.1 and Section 3.2 hereof in respect of the additional Pledged Securities or Intercompany Notes which are to be pledged pursuant to this Agreement, and confirming the attachment of the First Priority Lien hereby created on and in respect of such additional Pledged Securities or Intercompany Notes. Each Pledgor hereby authorizes the Collateral Agent to attach each Pledge Amendment to this Agreement and agrees that all Pledged Securities or Intercompany Notes

listed on any Pledge Amendment delivered to the Collateral Agent shall for all purposes hereunder be considered Pledged Collateral.

Section 5.2 Voting Rights; Distributions; etc.

In each of the below cases, subject to and in accordance with the DIP Orders, DIP Recognition Orders and any requirements, restrictions or limitations imposed by the Bankruptcy Court or otherwise under the Bankruptcy Code or CCAA:

- (a) So long as no Event of Default shall have occurred and be continuing:
 - (i) Each Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Securities Collateral or any part thereof for any purpose not inconsistent with the terms or purposes hereof, or any DIP Orders, DIP Recognition Orders or the Credit Agreement; provided, however, that no Pledgor shall in any event exercise such rights in any manner which could reasonably be expected to have a Material Adverse Effect.
 - (ii) Each Pledgor shall be entitled to receive and retain, and to utilize free and clear of the First Priority Lien hereof, any and all Distributions, but only if and to the extent made in accordance with the provisions of the Credit Agreement; provided, however, that any and all such Distributions consisting of rights or interests in the form of securities shall be forthwith delivered to the Collateral Agent to hold as Pledged Collateral and shall, if received by any Pledgor, be received in trust for the benefit of the Collateral Agent, be segregated from the other property or funds of such Pledgor and be promptly (but in any event within ten (10) days after receipt thereof) delivered to the Collateral Agent as Pledged Collateral in the same form as so received (with any necessary endorsement).
- (b) So long as no Event of Default shall have occurred and be continuing, the Collateral Agent shall be deemed without further action or formality to have granted to each Pledgor all necessary consents relating to voting rights and shall, if necessary, upon written request of any Pledgor and at the sole cost and expense of the Pledgors, from time to time execute and deliver (or cause to be executed and delivered) to such Pledgor all such instruments as such Pledgor may reasonably request in order to permit such Pledgor to exercise the voting and other rights which it is entitled to exercise pursuant to Section 5.2(a)(i) hereof and to receive the Distributions which it is authorized to receive and retain pursuant to Section 5.2(a)(ii) hereof.
- (c) Upon the occurrence and during the continuance of any Event of Default:
 - (i) All rights of each Pledgor to exercise the voting and other consensual rights it would otherwise be entitled to exercise pursuant to Section 5.2(a)(i)

hereof shall immediately cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise such voting and other consensual rights.

- (ii) All rights of each Pledgor to receive Distributions which it would otherwise be authorized to receive and retain pursuant to Section 5.2(a)(ii) hereof shall immediately cease and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to receive and hold as Pledged Collateral such Distributions.

The Collateral Agent shall endeavour to provide notice to the Pledgors of any cessation of rights as described in this Section 5.2(c) within a reasonable time after such cessation; provided, however, that failure of the Collateral Agent to furnish any such notice shall in no way impede the application of subclauses (i) and (ii) of this Section 5.2(c).

- (d) Each Pledgor shall, at its sole cost and expense, from time to time execute and deliver to the Collateral Agent appropriate instruments as the Collateral Agent may request in order to permit the Collateral Agent to exercise the voting and other rights which it may be entitled to exercise pursuant to Section 5.2(c)(i) hereof and to receive all Distributions which it may be entitled to receive under Section 5.2(c)(ii) hereof.
- (e) All Distributions which are received by any Pledgor contrary to the provisions of Section 5.2(a)(ii) hereof shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Pledgor and shall immediately be paid over to the Collateral Agent as Pledged Collateral in the same form as so received (with any necessary endorsement).

Section 5.3 Defaults, etc.

Each Pledgor hereby represents and warrants that (i) such Pledgor is not in default in the payment of any portion of any mandatory capital contribution, if any, required to be made under any agreement to which such Pledgor is a party relating to the Pledged Securities pledged by it, and such Pledgor is not in violation of any other provisions of any such agreement to which such Pledgor is a party, or otherwise in default or violation thereunder, (ii) no Securities Collateral pledged by such Pledgor is subject to any defence, offset or counterclaim, nor have any of the foregoing been asserted or alleged against such Pledgor by any person with respect thereto, and (iii) as of the date hereof, there are no certificates, instruments, documents or other writings (other than the Organizational Documents and certificates representing such Pledged Securities that have been delivered to the Collateral Agent) which evidence any Pledged Securities of such Pledgor.

Section 5.4 Certain Agreements of Pledgors as Pledge Issuers and Holders of Equity Interests

- (a) In the case of each Pledgor which is a Pledge Issuer of Securities Collateral, such Pledgor agrees to be bound by the terms of this Agreement relating to the Securities Collateral issued by it and will comply with such terms insofar as such terms are applicable to it.
- (b) In the case of each Pledgor which is a partner, shareholder or member, as the case may be, in a partnership, limited liability company or other entity, such Pledgor hereby consents to the extent required by the applicable Organizational Document to the pledge by each other Pledgor, pursuant to the terms hereof, of the Pledged Securities in such partnership, limited liability company or other entity and, upon the occurrence and during the continuance of an Event of Default, to the transfer of such Pledged Securities to the Collateral Agent or its nominee and to the substitution of the Collateral Agent or its nominee as a substituted partner, shareholder or member in such partnership, limited liability company or other entity with all the rights, powers and duties of a general partner, limited partner, shareholder or member, as the case may be.

Section 5.5 ULC

Each Pledgor acknowledges that certain Pledged Securities may now or in the future consist of ULC Shares, and that it is the intention of the Collateral Agent and each Pledgor that the Collateral Agent should not under any circumstances prior to realization thereon be held to be a "member" or a "shareholder", as applicable, of a ULC for the purposes of any ULC Laws. Therefore, notwithstanding any provisions to the contrary contained in this Agreement, the Credit Agreement or any other Loan Document, where a Pledgor is the registered owner of ULC Shares that are Pledged Securities, such Pledgor will remain the sole registered owner of such ULC Shares until such time as such ULC Shares are effectively transferred into the name of the Collateral Agent or any other person on the books and records of the applicable ULC. Accordingly, such Pledgor shall be entitled to receive and retain for its own account any dividend on or other distribution, if any, in respect of such ULC Shares (other than any dividend or distribution comprised of additional ULC Shares of such issuer, which shall be delivered to the Collateral Agent to hold hereunder) and shall have the right to vote such ULC Shares and to control the direction, management and policies of the applicable ULC to the same extent as such Pledgor would if such ULC Shares were not pledged to the Collateral Agent hereunder. Nothing in this Agreement, the Credit Agreement or any other Loan Document is intended to, and nothing in this Agreement, the Credit Agreement or any other Loan Document shall, constitute the Collateral Agent or any person other than such Pledgor as a member or shareholder of a ULC for the purposes of any ULC Laws (whether listed or unlisted, registered or beneficial), until, upon the occurrence and during the continuance of an Event of Default, further steps are taken pursuant hereto or thereto to register the Collateral Agent or such other person, as specified in such notice, as the holder of the ULC Shares. To the extent any provision hereof would have the effect of constituting the Collateral Agent as a member or a shareholder, as applicable, of any ULC prior

to such time, such provision shall be severed herefrom and shall be ineffective with respect to ULC Shares that are Pledged Securities without otherwise invalidating or rendering unenforceable this Agreement or invalidating or rendering unenforceable such provision insofar as it relates to Pledged Securities that are not ULC Shares. Except upon the exercise of rights of the Collateral Agent to sell, transfer or otherwise dispose of ULC Shares in accordance with this Agreement, such Pledgor shall not cause or permit, or enable an issuer that is a ULC to cause or permit, the Collateral Agent to: (a) be registered as a shareholder or member of such issuer; (b) have any notation entered in its favour in the share register of such issuer; (c) be held out as a shareholder or member of such issuer; (d) receive, directly or indirectly, any dividends, property or other distributions from such issuer by reason of the Collateral Agent holding a security interest in the ULC Shares; or (e) act as a shareholder of such issuer, or exercise any rights of a shareholder, including the right to attend a meeting of shareholders of such issuer or to vote the ULC Shares.

ARTICLE VI CERTAIN PROVISIONS CONCERNING INTELLECTUAL PROPERTY COLLATERAL

Section 6.1 Grant of Intellectual Property Licence

For the purpose of enabling the Collateral Agent, during the continuance of an Event of Default, to exercise rights and remedies under Article IX hereof at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, subject to the DIP Orders and DIP Recognition Orders, each Pledgor hereby grants to the Collateral Agent, an irrevocable, non-exclusive licence to use, assign, license or sublicense any of the Intellectual Property Collateral of such Pledgor, wherever the same may be located. Such licence shall include access to all media in which any of the licenced items may be recorded or stored and to all computer programs used for the compilation or printout hereof.

Section 6.2 Protection of Collateral Agent's Security

On a continuing basis, each Pledgor shall, subject to the DIP Orders and DIP Recognition Orders and at its sole cost and expense, (i) promptly following its becoming aware thereof, notify the Collateral Agent of any adverse determination in any proceeding or the institution of any proceeding in any federal, provincial or territorial court or administrative body or in the Canadian Intellectual Property Office regarding any Material Intellectual Property Collateral, including such Pledgor's right to register such Material Intellectual Property Collateral or its right to keep and maintain such registration in full force and effect, (ii) maintain all Material Intellectual Property Collateral, (iii) not permit to lapse or become abandoned any Material Intellectual Property Collateral, and not settle or compromise any pending or future litigation or administrative proceeding with respect to any such Material Intellectual Property Collateral, in either case except as shall be consistent with commercially reasonable business judgment, (iv) upon such Pledgor obtaining knowledge thereof, promptly notify the Collateral Agent in writing of any event which may be reasonably expected to materially and adversely affect the value or utility of any Material Intellectual Property Collateral or the rights and remedies of the Collateral Agent in relation thereto including a levy or threat of levy or any legal process against any Material Intellectual Property

Collateral, (v) not license any Intellectual Property Collateral other than non-exclusive licences entered into by such Pledgor in, or incidental to, the ordinary course of business, or amend or permit the amendment of any of the Intellectual Property Licences in a manner that materially and adversely affects the right to receive payments thereunder, or in any manner that would materially impair the value of any Intellectual Property Collateral or the First Priority Lien on and security interest in the Intellectual Property Collateral created therein hereby, without the consent of the Collateral Agent, (vi) diligently keep adequate records respecting all Intellectual Property Collateral and (vii) furnish to the Collateral Agent from time to time upon the Collateral Agent's request therefor reasonably detailed statements and amended schedules further identifying and describing the Intellectual Property Collateral and such other materials evidencing or reports pertaining to any Intellectual Property Collateral as the Collateral Agent may from time to time request.

Section 6.3 After-Acquired Property

If any Pledgor shall at any time after the date hereof (i) obtain any rights to any additional Intellectual Property Collateral or (ii) become entitled to the benefit of any additional Intellectual Property Collateral or any renewal or extension thereof, including any reissue, division, continuation, or continuation-in-part of any Intellectual Property Collateral, or any improvement on any Intellectual Property Collateral, or if any trademark or intent to use trademark application is no longer Excluded Property, the provisions hereof shall automatically apply thereto and any such item enumerated in the preceding clause (i) or (ii) shall automatically constitute Intellectual Property Collateral as if such would have constituted Intellectual Property Collateral at the time of execution hereof and be subject to the First Priority Lien and security interest created by this Agreement without further action by any party. Each Pledgor shall promptly provide to the Collateral Agent written notice of any of the foregoing and confirm the attachment of the First Priority Lien and security interest created by this Agreement to any rights described in clauses (i) and (ii) above by execution of an instrument in form reasonably acceptable to the Collateral Agent and the filing of any instruments or statements as shall be reasonably necessary to create, preserve, protect or perfect the Collateral Agent's security interest in such Intellectual Property Collateral. Further, each Pledgor authorizes the Collateral Agent to modify this Agreement by amending Schedules 11(a) and 11(b) to the Perfection Certificate to include any Intellectual Property Collateral of such Pledgor acquired or arising after the date hereof.

Section 6.4 Litigation

Unless there shall occur and be continuing any Event of Default, each Pledgor shall have the right to commence and prosecute in its own name, as the party in interest, for its own benefit and at the sole cost and expense of the Pledgors, such applications for protection of the Intellectual Property Collateral and suits, proceedings or other actions to prevent the infringement, counterfeiting, unfair competition, misappropriation, dilution, diminution in value or other damage as are necessary to protect the Intellectual Property Collateral. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent shall have the right, but shall in no way be obligated to file and prosecute applications for protection of the Intellectual Property Collateral and/or bring suit in the name of any Pledgor, the Collateral Agent or the Secured Parties

to enforce the Intellectual Property Collateral and any Intellectual Property Licence thereunder. In the event of such suit, each Pledgor shall, at the reasonable request of the Collateral Agent, do any and all lawful acts and execute any and all documents requested by the Collateral Agent in aid of such enforcement and the Pledgors shall promptly reimburse and indemnify the Collateral Agent for all costs and expenses incurred by the Collateral Agent in the exercise of its rights under this Section 6.4. In the event that the Collateral Agent shall elect not to bring suit to enforce the Intellectual Property Collateral, each Pledgor agrees, at the reasonable request of the Collateral Agent, to take all commercially reasonable actions necessary, whether by suit, proceeding or other action, to prevent the infringement, counterfeiting, unfair competition, dilution, diminution in value of or other damage to any of the Intellectual Property Collateral by any person.

ARTICLE VII CERTAIN PROVISIONS CONCERNING RECEIVABLES

Section 7.1 Maintenance of Records

Each Pledgor shall keep and maintain at its own cost and expense complete records of each Receivable, in a manner consistent with prudent business practice, including records of all payments received, all credits granted thereon, all merchandise returned and all other documentation relating thereto. Each Pledgor shall, at such Pledgor's sole cost and expense, upon the Collateral Agent's demand made at any time after the occurrence and during the continuance of any Event of Default, deliver all tangible evidence of Receivables, including all documents evidencing Receivables and any books and records relating thereto to the Collateral Agent or to its representatives (copies of which evidence and books and records may be retained by such Pledgor). Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent may transfer a full and complete copy of any Pledgor's books, records, credit information, reports, memoranda and all other writings relating to the Receivables to and for the use by any person that has acquired or is contemplating acquisition of an interest in the Receivables or the Collateral Agent's security interest therein without the consent of any Pledgor.

Section 7.2 Legend

Each Pledgor shall legend, at the request of the Collateral Agent and in form and manner satisfactory to the Collateral Agent, the Receivables (to the extent capable of having such legend) and the other books, records and documents of such Pledgor evidencing or pertaining to the Receivables with an appropriate reference to the fact that the Receivables have been assigned to the Collateral Agent for the benefit of the Secured Parties and that the Collateral Agent has a security interest therein.

Section 7.3 Modification of Terms, etc.

No Pledgor shall rescind or cancel any obligations evidenced by any Receivable or modify any term thereof or make any adjustment with respect thereto except in the ordinary course of business consistent with prudent business practice, or extend or renew any such obligations except in the ordinary course of business consistent with prudent business practice or

compromise or settle any dispute, claim, suit or legal proceeding relating thereto or sell any Receivable or interest therein except in the ordinary course of business consistent with prudent business practice without the prior written consent of the Collateral Agent . Each Pledgor shall timely fulfill all obligations on its part to be fulfilled under or in connection with the Receivables.

Section 7.4 Collection

Each Pledgor shall cause to be collected from the Account Debtor of each of the Receivables, as and when due in the ordinary course of business and consistent with prudent business practice (including Receivables that are delinquent, such Receivables to be collected in accordance with generally accepted commercial collection procedures), any and all amounts owing under or on account of such Receivable, and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Receivable, except that any Pledgor may, with respect to a Receivable, allow in the ordinary course of business (i) a refund or credit due as a result of returned or damaged or defective merchandise and (ii) such extensions of time to pay amounts due in respect of Receivables and such other modifications of payment terms or settlements in respect of Receivables as shall be commercially reasonable in the circumstances, all in accordance with such Pledgor's ordinary course of business consistent with its collection practices as in effect from time to time. The costs and expenses (including legal fees) of collection, in any case, whether incurred by any Pledgor, the Collateral Agent or any Secured Party, shall be paid by the Pledgors.

**ARTICLE VIII
TRANSFERS**

Section 8.1 Transfers of Pledged Collateral

No Pledgor shall sell, convey, assign or otherwise dispose of, or grant any option with respect to, any of the Pledged Collateral pledged by it hereunder except as permitted by the Credit Agreement.

**ARTICLE IX
REMEDIES**

Section 9.1 Remedies

Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent shall, at the direction of the Required Lenders, exercise in respect of the Pledged Collateral, in addition to the other rights and remedies provided under the applicable law or otherwise available to it (subject, in each case, to the DIP Orders and DIP Recognition Orders) the following remedies:

- (i) Personally, or by agents or legal counsel, immediately take possession of the Pledged Collateral or any part thereof, from any Pledgor or any other person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon any Pledgor's

premises where any of the Pledged Collateral is located, remove such Pledged Collateral, remain present at such premises to receive copies of all communications and remittances relating to the Pledged Collateral and use in connection with such removal and possession any and all services, supplies, aids and other facilities of any Pledgor;

- (ii) Demand, sue for, collect or receive any money or property at any time payable or receivable in respect of the Pledged Collateral including instructing the obligor or obligors on any agreement, instrument or other obligation constituting part of the Pledged Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to the Collateral Agent, and in connection with any of the foregoing, compromise, settle, extend the time for payment and make other modifications with respect thereto; provided, however, that in the event that any such payments are made directly to any Pledgor, prior to receipt by any such obligor of such instruction, such Pledgor shall segregate all amounts received pursuant thereto in trust for the benefit of the Collateral Agent and shall promptly (but in no event later than one (1) Business Day after receipt thereof) pay such amounts to the Collateral Agent;
- (iii) Sell, assign, grant a licence to use or otherwise liquidate, or direct any Pledgor to sell, assign, grant a licence to use or otherwise liquidate, any and all investments made in whole or in part with the Pledged Collateral or any part thereof, and take possession of the proceeds of any such sale, assignment, licence or liquidation;
- (iv) Take possession of the Pledged Collateral or any part thereof, by directing any Pledgor in writing to deliver the same to the Collateral Agent at any place or places so designated by the Collateral Agent, in which event such Pledgor shall at its own expense: (A) forthwith cause the same to be moved to the place or places designated by the Collateral Agent and therewith delivered to the Collateral Agent, (B) store and keep any Pledged Collateral so delivered to the Collateral Agent at such place or places pending further action by the Collateral Agent and (C) while the Pledged Collateral shall be so stored and kept, provide such security and maintenance services as shall be necessary to protect the same and to preserve and maintain them in good condition. Each Pledgor's obligation to deliver the Pledged Collateral as contemplated in this Section 9.1(iv) is of the essence hereof. Upon application to a court of equity having jurisdiction, the Collateral Agent shall be entitled to a decree requiring specific performance by any Pledgor of such obligation;
- (v) Withdraw all moneys, instruments, securities and other property in any bank, financial securities, deposit or other account of any Pledgor

constituting Pledged Collateral for application to the Secured Obligations as provided in Article X hereof;

- (vi) Retain and apply the Distributions to the Secured Obligations as provided in Article X hereof or as otherwise provided for in the DIP Orders or DIP Recognition Orders;
- (vii) Exercise any and all rights as beneficial and legal owner of the Pledged Collateral, including perfecting assignment of and exercising any and all voting, consensual and other rights and powers with respect to any Pledged Collateral;
- (viii) Exercise all the rights and remedies of a secured party under the PPSA (whether or not the PPSA has been enacted in the location where the action is taken), and the Collateral Agent, acting at the direction of the Required Lenders, shall, without notice except as specified in Section 9.2 hereof or as required by mandatory provisions of law, sell, assign or grant a licence to use the Pledged Collateral or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and at such time or times, at such price or prices and upon such other terms as the Collateral Agent, acting at the direction of the Required Lenders, may deem commercially reasonable irrespective of the impact of any such sales on the market price of the Pledged Collateral. The Collateral Agent or any other Secured Party or any of their respective Affiliates may be the purchaser, licensee, assignee or recipient of the Pledged Collateral or any part thereof at any such sale and shall be entitled (with the consent of the Collateral Agent , which may be withheld in its discretion), for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Pledged Collateral sold, assigned or licensed at such sale, to use and apply any of the Secured Obligations owed to such person as a credit on account of the purchase price of the Pledged Collateral or any part thereof payable by such person at such sale. Upon any sale of the Pledged Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be sufficient discharge to the purchaser or purchasers of the Pledged Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof. Each purchaser, assignee, licensee or recipient at any such sale shall acquire the property sold, assigned or licensed absolutely free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives, to the fullest extent permitted by law, all rights of redemption, stay and/or appraisal which it now has or may at any time in

the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent shall not be obligated to make any sale of the Pledged Collateral or any part thereof regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Pledgor hereby waives, to the fullest extent permitted by law, any claims against the Collateral Agent arising by reason of the fact that the price at which the Pledged Collateral or any part thereof may have been sold, assigned or licensed at such a private sale was less than the price which might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Pledged Collateral to more than one offeree. The Collateral Agent may disclaim any warranty, as to time or as to any other matter, in connection with such sale or other disposition, and its doing so shall not be considered adversely to affect the commercial reasonableness of such sale or other disposition; and

- (ix) Appoint or apply to a court of competent jurisdiction to appoint a Receiver. Any Receiver of any Pledged Collateral of any Pledgor appointed by the Collateral Agent shall act as and for all purposes shall be deemed to be the agent of such Pledgor and no Secured Party shall be responsible for any act or default of any Receiver. The Collateral Agent may remove any Receiver appointed by it and appoint another from time to time. No Receiver appointed by the Collateral Agent need be appointed by, nor need its appointment be ratified by, or its actions in any way supervised by, a court. The appointment of any Receiver or anything done by a Receiver or the removal or termination of any Receiver shall not have the effect of constituting any Secured Party a mortgagee in possession in respect of the Pledged Collateral. The Collateral Agent, in appointing or refraining from appointing any Receiver or applying to a court of competent jurisdiction for the appointment of a court appointed Receiver, does not incur liability to the Receiver, the Pledgors or otherwise.

Section 9.2 Receiver's Rights

Any Receiver appointed pursuant to Section 9.1(ix) shall, have any rights, powers and remedies to which the Collateral Agent is entitled hereunder, under the PPSA or otherwise at law or in equity or the court shall grant to such Receiver in the instrument appointing such Receiver, save that only the Collateral Agent, and not the Receiver, shall have the right to exercise any rights or remedies with respect to ULC Shares as the Collateral Agent.

Section 9.3 Notice of Sale

Each Pledgor acknowledges and agrees that, to the extent notice of sale or other disposition of the Pledged Collateral or any part thereof shall be required by law and unless the Pledged Collateral is perishable or threatens to decline speedily in value, or is of a type customarily sold on a recognized market (in which case the Collateral Agent shall endeavour to provide notice; provided that failure to provide such notice shall not affect the validity of any sale or other disposition), ten (10) days' prior notice to such Pledgor of the time and place of any public sale or of the time after which any private sale or other intended disposition is to take place shall be commercially reasonable notification of such matters. No notification need be given to any Pledgor if it has signed, after the occurrence of an Event of Default, a statement renouncing or modifying any right to notification of sale or other intended disposition.

Section 9.4 Waiver of Notice and Claims

Each Pledgor hereby waives, to the fullest extent permitted by applicable law, notice or judicial hearing in connection with the Collateral Agent's taking possession or the Collateral Agent's disposition of the Pledged Collateral or any part thereof, including any and all prior notice and hearing for any pre-judgment remedy or remedies and any such right which such Pledgor would otherwise have under law, and each Pledgor hereby further waives, to the fullest extent permitted by applicable law: (i) all damages occasioned by such taking of possession, (ii) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent's rights hereunder and (iii) all rights of redemption, appraisal, valuation, stay, extension or moratorium now or hereafter in force under any applicable law. The Collateral Agent shall not be liable for any incorrect or improper payment made pursuant to this Article IX in the absence of gross negligence or willful misconduct on the part of the Collateral Agent as determined by a court of competent jurisdiction in a final and non-appealable decision. Any sale of, or the grant of options to purchase, or any other realization upon, any Pledged Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the applicable Pledgor therein and thereto, and shall be a perpetual bar both at law and in equity against such Pledgor and against any and all persons claiming or attempting to claim the Pledged Collateral so sold, optioned or realized upon, or any part thereof, from, through or under such Pledgor.

Section 9.5 Certain Sales of Pledged Collateral

- (a) Each Pledgor recognizes that, by reason of certain prohibitions contained in law, rules, regulations or orders of any Governmental Authority, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Pledged Collateral, to limit purchasers to those who meet the requirements of such Governmental Authority. Each Pledgor acknowledges that any such sales may be at prices and on terms less favourable to the Collateral Agent than those obtainable through a public sale without such restrictions, and, notwithstanding such circumstances, agrees that any such restricted sale shall be deemed to have been made in a commercially reasonable manner and that, except as may be

required by applicable law, the Collateral Agent shall have no obligation to engage in public sales.

- (b) Each Pledgor recognizes that, by reason of certain prohibitions contained in the Securities Act, and applicable provincial and territorial securities laws, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Securities Collateral and Investment Property, to limit purchasers to persons who will agree, among other things, to acquire such Securities Collateral or Investment Property for their own account, for investment and not with a view to the distribution or resale thereof. Each Pledgor acknowledges that any such private sales may be at prices and on terms less favourable to the Collateral Agent than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a prospectus), and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Collateral Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Securities Collateral or Investment Property for the period of time necessary to permit the issuer thereof to file a prospectus under the applicable provincial or territorial securities laws, even if such issuer would agree to do so.
- (c) Notwithstanding the foregoing, each Pledgor shall, upon the occurrence and during the continuance of any Event of Default, at the reasonable request of the Collateral Agent and the Secured Parties, for the benefit of the Collateral Agent and the Secured Parties, cause any registration, qualification under or compliance with any provincial or territorial securities law or laws to be effected with respect to all or any part of the Securities Collateral as soon as practicable and at the sole cost and expense of the Pledgors. Each Pledgor will use its best efforts to cause such registration to be effected (and be kept effective) and will use its best efforts to cause such qualification and compliance to be effected (and be kept effective) as may be so requested and as would permit or facilitate the sale and distribution of such Securities Collateral including filing a prospectus under the Securities Act (or any similar statute then in effect), appropriate qualifications under applicable provincial or territorial securities laws and appropriate compliance with all other requirements of any Governmental Authority. Each Pledgor shall cause the Collateral Agent to be kept advised in writing as to the progress of each such registration, qualification or compliance and as to the completion thereof, shall furnish to the Collateral Agent such number of prospectuses, offering circulars or other documents incident thereto as the Collateral Agent from time to time may request, and shall indemnify and shall cause the issuer of the Securities Collateral to indemnify the Collateral Agent and all others participating in the distribution of such Securities Collateral against all claims, losses, damages and liabilities caused by any untrue statement (or alleged untrue statement) of a material fact contained therein (or in any related registration statement, notification or the like) or by any omission (or alleged omission) to state therein (or in any related

registration statement, notification or the like) a material fact required to be stated therein or necessary to make the statements therein not misleading.

- (d) If the Collateral Agent determines to exercise its right to sell any or all of the Securities Collateral or Investment Property, upon written request, the applicable Pledgor shall from time to time furnish to the Collateral Agent all such information as the Collateral Agent may request in order to determine the number of securities included in the Securities Collateral or Investment Property which may be sold by the Collateral Agent as exempt transactions under the Securities Act, any other applicable securities laws and the rules of all applicable stock exchanges, as the same are from time to time in effect.
- (e) Each Pledgor further agrees that a breach of any of the covenants contained in this Section 9.5 will cause irreparable injury to the Collateral Agent and the other Secured Parties, that the Collateral Agent and the other Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 9.5 shall be specifically enforceable against such Pledgor, and such Pledgor hereby waives and agrees not to assert any defences against an action for specific performance of such covenants except for a defence that no Event of Default has occurred and is continuing.

Section 9.6 No Waiver; Cumulative Remedies

- (a) No failure on the part of the Collateral Agent to exercise, no course of dealing with respect to, and no delay on the part of the Collateral Agent in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power, privilege or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power, privilege or remedy; nor shall the Collateral Agent be required to look first to, enforce or exhaust any other security, collateral or guaranties. All rights and remedies herein provided are cumulative and are not exclusive of any rights or remedies provided by law or otherwise available.
- (b) In the event that the Collateral Agent shall have instituted any proceeding to enforce any right, power, privilege or remedy under this Agreement or any other Loan Document by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case, the Pledgors, the Collateral Agent and each other Secured Party shall be restored to their respective former positions and rights hereunder with respect to the Pledged Collateral, and all rights, remedies, privileges and powers of the Collateral Agent and the other Secured Parties shall continue as if no such proceeding had been instituted.

Section 9.7 Certain Additional Actions Regarding Intellectual Property

If any Event of Default shall have occurred and be continuing, in addition to the irrevocable license granted to the Collateral Agent pursuant to Section 6.1 hereof, upon the written demand of the Collateral Agent, each Pledgor shall execute and deliver to the Collateral Agent an assignment or assignments of the Intellectual Property Collateral and such other documents as are necessary or appropriate to carry out the intent and purposes hereof. Within five (5) Business Days of written notice thereafter from the Collateral Agent, each Pledgor shall make available to the Collateral Agent, to the extent within such Pledgor's power and authority, such personnel in such Pledgor's employ on the date of the Event of Default as the Collateral Agent may reasonably designate to permit such Pledgor to continue, directly or indirectly, to produce, advertise and sell the products and services sold by such Pledgor under the registered Patents, Trademarks, Copyrights and/or Designs, and such persons shall be available to perform their prior functions on the Collateral Agent's behalf.

Section 9.8 Actions Requiring Regulatory Approval

Notwithstanding anything to the contrary contained herein, the Secured Parties shall not take any action that would constitute or result in any assignment of the Communications Licences or transfer of control or voting rights of any Pledgor or of any entity the Equity Interests of which are owned by any Pledgor if such assignment or transfer of control or voting rights would require, under then existing law (including Communications Laws), the prior approval of the FCC, ISED, the CRTC or any other applicable Governmental Authority, without first obtaining such approval of the FCC, ISED, the CRTC or such other Governmental Authority. Each Pledgor agrees to take any lawful action which the Collateral Agent may reasonably request in order to obtain from the FCC, ISED, the CRTC or any other relevant Governmental Authority such approval as may be necessary to enable the Collateral Agent to enjoy the full rights and benefits granted to the Collateral Agent and the Secured Parties by this Agreement and the other Loan Documents, including specifically, after the occurrence and during the continuance of an Event of Default, the use of such Pledgor's best efforts to assist in obtaining any required approval of the FCC, ISED, the CRTC and any other Governmental Authority that is then required under Communications Laws or under any other law for any action or transaction contemplated by this Agreement and the other Loan Documents, including without limitation, sharing with the Collateral Agent any FCC registration numbers and preparing, certifying and preparing, certifying and filing (or causing to be prepared, certified and filed) with the FCC, ISED, the CRTC or any other Governmental Authority any portion of any application or applications for consent to the assignment of any Pledged Collateral that is a Communications Licence or transfer of control of any Pledgor or of any entity the Equity Interests of which are owned by any Pledgor, in each case required to be filed under Communications Laws for approval of any sale or transfer of Pledged Collateral and/or the Communications Licences. Each Pledgor further agrees that, because of the unique nature of its undertaking in this Section 9.8, the same may be specifically enforced, and it hereby waives, and agrees to waive, any claim or defence that the Collateral Agent or the Secured Parties would have an adequate remedy at law for the breach of this undertaking and any requirement for the posting of bond or other security. This Section 9.8 shall not be deemed to limit any other rights of the Collateral Agent and the Lenders available under applicable law and consistent with the

Communications Act, *Radiocommunication Act* (Canada), *Telecommunications Act* (Canada) or other Communications Law.

**ARTICLE X
APPLICATION OF PROCEEDS**

Section 10.1 Application of Proceeds

The proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Pledged Collateral pursuant to the exercise by the Collateral Agent of its remedies shall be applied, together with any other sums then held by the Collateral Agent pursuant to this Agreement, subject to and in accordance with the Credit Agreement and the terms of the DIP Orders and DIP Recognition Orders.

**ARTICLE XI
MISCELLANEOUS**

Section 11.1 Concerning Collateral Agent

- (a) (a) The actions of the Collateral Agent hereunder are subject to the provisions of the Credit Agreement and the terms of the DIP Orders and DIP Recognition Orders. The Collateral Agent shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking action (including the release or substitution of the Pledged Collateral), in accordance with this Agreement and the Credit Agreement. The Collateral Agent may employ agents and attorneys-in-fact in connection herewith and shall not be liable for the negligence or misconduct of any such agents or attorneys-in-fact selected by it in good faith. The Collateral Agent may resign and a successor Collateral Agent may be appointed in the manner provided in the Credit Agreement. Upon the acceptance of any appointment as the Collateral Agent by a successor Collateral Agent, that successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent under this Agreement, and the retiring Collateral Agent shall thereupon be discharged from its duties and obligations under this Agreement. After any retiring Collateral Agent's resignation, the provisions hereof shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was the Collateral Agent.
- (b) Beyond the exercise of reasonable care in the custody and preservation thereof, the Collateral Agent will have no duty as to any Pledged Collateral in its possession or control or in the possession or control of any subagent or bailee or any income therefrom or as to the preservation of rights against prior parties or any other rights pertaining thereto. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Pledged Collateral in its possession if such Pledged Collateral is accorded treatment substantially

equivalent to that which the Collateral Agent, in its individual capacity, accords its own property consisting of similar instruments or interests, it being understood that neither the Collateral Agent nor any of the Secured Parties shall have responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Securities Collateral, whether or not the Collateral Agent or any other Secured Party has or is deemed to have knowledge of such matters or (ii) taking any necessary steps to preserve rights against any person with respect to any Pledged Collateral.

- (c) The Collateral Agent shall be entitled to rely upon any written notice, statement, certificate, order or other document or any telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person, and, with respect to all matters pertaining to this Agreement and its duties hereunder and thereunder, upon advice of counsel selected by it.

Section 11.2 Collateral Agent May Perform; Collateral Agent Appointed Attorney-in-Fact

In all cases subject to and in accordance with the terms of the DIP Orders and DIP Recognition Orders, if any Pledgor shall fail to perform any covenants contained in this Agreement (including such Pledgor's covenants to (i) pay the premiums in respect of all required insurance policies hereunder, (ii) pay and discharge any taxes, assessments and special assessments, levies, fees and governmental charges imposed upon or assessed against, and landlords', carriers', mechanics', workmen's, repairmen's, labourers', materialmen's, suppliers' and warehousemen's Liens and other claims arising by operation of law against, all or any portion of the Pledged Collateral, (iii) make repairs, (iv) discharge Liens or (v) pay or perform any obligations of such Pledgor under any Pledged Collateral) or if any representation or warranty on the part of any Pledgor contained herein shall be breached, the Collateral Agent may (but shall not be obligated to) do the same or cause it to be done or remedy any such breach, and may expend funds for such purpose; provided, however, that the Collateral Agent shall in no event be bound to inquire into the validity of any tax, Lien, imposition or other obligation which such Pledgor fails to pay or perform as and when required hereby and which such Pledgor does not contest in accordance with the provisions of the Credit Agreement. Any and all amounts so expended by the Collateral Agent shall be paid by the Pledgors, subject to the DIP Orders, DIP Recognition Orders, the Cash Management Order and any other order of the Bankruptcy Court entered in connection with the Cases. Neither the provisions of this Section 11.2 nor any action taken by the Collateral Agent pursuant to the provisions of this Section 11.2 shall prevent any such failure to observe any covenant contained in this Agreement nor any breach of representation or warranty from constituting an Event of Default. Subject to and in accordance with the terms of the DIP Orders and DIP Recognition Orders, each Pledgor hereby appoints the Collateral Agent as its attorney-in-fact, with full power and authority in the place and stead of such Pledgor and in the name of such Pledgor, or otherwise, from time to time in the Collateral Agent's discretion to take any action and to execute any instrument consistent with the terms of this Agreement and the other Security Documents which the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof (but the Collateral Agent shall not be obligated to and shall have

no liability to such Pledgor or any third party for failure to so do or take action). The foregoing grant of authority is a power of attorney coupled with an interest and such appointment shall be irrevocable for the term hereof. Each Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof.

Section 11.3 Continuing Security Interest; Assignment

This Agreement shall create a continuing security interest in the Pledged Collateral and shall, subject to the DIP Orders and DIP Recognition Orders, (i) be binding upon the Pledgors, their respective successors and assigns and (ii) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Collateral Agent and the other Secured Parties and each of their respective successors, transferees and assigns. No other persons (including any other creditor of any Pledgor) shall have any interest herein or any right or benefit with respect hereto. Without limiting the generality of the foregoing clause (ii), any Secured Party may assign or otherwise transfer any indebtedness held by it secured by this Agreement to any other person, and such other person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party, herein or otherwise, subject however, to the provisions of the Credit Agreement and any order of the Bankruptcy Court or the CCAA Court. Subject to the DIP Orders and DIP Recognition Orders, each of the Pledgors agrees that its obligations hereunder and the security interest created hereunder shall continue to be effective or be reinstated, as applicable, if at any time payment, or any part thereof, of all or any part of the Secured Obligations is rescinded or must otherwise be restored by the Secured Party upon the bankruptcy or reorganization of any Pledgor or otherwise.

Section 11.4 Termination; Release

When all the Secured Obligations have been paid in full and the Commitments of the Lenders to make any Loan under the Credit Agreement shall have expired or been terminated for any reason, the Pledged Collateral shall be released from the First Priority Lien of this Agreement. Upon such release or any release of Pledged Collateral or any part thereof, the Collateral Agent shall, upon the written request and at the sole cost and expense of the Pledgors, assign, transfer and deliver to Pledgor, against receipt and without recourse to or warranty by the Collateral Agent except as to the fact that the Collateral Agent has not encumbered the released assets, such of the Pledged Collateral or any part thereof to be released (in the case of a release) as may be in possession of the Collateral Agent and as shall not have been sold or otherwise applied pursuant to the terms hereof, and, with respect to any other Pledged Collateral, proper documents and instruments (including discharge financing change statements or releases) acknowledging the termination hereof or the release of such Pledged Collateral, as the case may be.

Section 11.5 Modification in Writing

No amendment, modification, supplement, termination or waiver of or to any provision hereof, nor consent to any departure by any Pledgor therefrom, shall be effective unless the same shall be made in accordance with the terms of the Credit Agreement, the DIP Orders and the DIP Recognition Orders or as otherwise provided herein and unless in writing and signed by the

Collateral Agent. Any amendment, modification or supplement of or to any provision hereof, any waiver of any provision hereof and any consent to any departure by any Pledgor from the terms of any provision hereof in each case shall be effective only in the specific instance and for the specific purpose for which made or given. Except where notice is specifically required by this Agreement, no notice to or demand on any Pledgor in any case shall entitle any Pledgor to any other or further notice or demand in similar or other circumstances.

Section 11.6 Notices

Any notice or other communication herein required or permitted to be given shall be given in the manner and become effective as set forth in Section 10.01 of the Credit Agreement.

Section 11.7 Governing Law, Consent to Jurisdiction and Service of Process; Waiver of Jury Trial

- (a) This Agreement shall be construed in accordance with and governed by the laws of the Province of Ontario and the federal laws of Canada applicable therein.
- (b) Each of the Pledgors hereby irrevocably and unconditionally submits, for itself and its property, to the non-exclusive jurisdiction of the CCAA Court, and, if the CCAA Court does not have, or abstains from jurisdiction, the courts of the Province of Ontario, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such Ontario court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Collateral Agent may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Pledgors or their respective properties in the courts of any jurisdiction.
- (c) Each of the Pledgors hereby irrevocably and unconditionally waives, to the fullest extent they may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or any other Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defence of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Section 11.8 Severability of Provisions

Any provision hereof which is invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without invalidating the remaining provisions hereof or affecting the validity, legality or enforceability of such provision in any other jurisdiction.

Section 11.9 Execution in Counterparts

This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement. Section 10.06 of the Credit Agreement is incorporated herein, *mutatis mutandis*, as if a part hereof.

Section 11.10 Business Days

In the event any time period or any date provided in this Agreement ends or falls on a day other than a Business Day, then such time period shall be deemed to end and such date shall be deemed to fall on the next succeeding Business Day, and performance herein may be made on such Business Day, with the same force and effect as if made on such other day.

Section 11.11 No Credit for Payment of Taxes or Imposition

Such Pledgor shall not be entitled to any credit against the principal, premium, if any, or interest payable under the Credit Agreement and such Pledgor shall not be entitled to any credit against any other sums which may become payable under the terms thereof or hereof, by reason of the payment of any Tax on the Pledged Collateral or any part thereof.

Section 11.12 No Claims Against Collateral Agent

Nothing contained in this Agreement shall constitute any consent or request by the Collateral Agent, express or implied, for the performance of any labour or services or the furnishing of any materials or other property in respect of the Pledged Collateral or any part thereof, nor as giving any Pledgor any right, power or authority to contract for or permit the performance of any labour or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against the Collateral Agent in respect thereof or any claim that any Lien based on the performance of such labour or services or the furnishing of any such materials or other property is prior to the First Priority Lien hereof.

Section 11.13 No Release

Nothing set forth in this Agreement or any other Loan Document, nor the exercise by the Collateral Agent of any of the rights or remedies hereunder, shall relieve any Pledgor from the performance of any term, covenant, condition or agreement on such Pledgor's part to be performed or observed under or in respect of any of the Pledged Collateral or from any liability to any person under or in respect of any of the Pledged Collateral or shall impose any obligation on the Collateral Agent or any other Secured Party to perform or observe any such term, covenant, condition or agreement on such Pledgor's part to be so performed or observed or shall impose any liability on the Collateral Agent or any other Secured Party for any act or omission on the part of such Pledgor relating thereto or for any breach of any representation or warranty on the part of such Pledgor contained in this Agreement, the Credit Agreement or the other Loan Documents, or under or in respect of the Pledged Collateral or made in connection herewith or therewith.

Anything herein to the contrary notwithstanding, neither the Collateral Agent nor any other Secured Party shall have any obligation or liability under any contracts, agreements and other documents included in the Pledged Collateral by reason of this Agreement, nor shall the Collateral Agent or any other Secured Party be obligated to perform any of the obligations or duties of any Pledgor thereunder or to take any action to collect or enforce any such contract, agreement or other document included in the Pledged Collateral hereunder. The obligations of each Pledgor contained in this Section 11.13 shall survive the termination hereof and the discharge of such Pledgor's other obligations under this Agreement, the Credit Agreement and the other Loan Documents.

Section 11.14 Obligations Absolute

Subject to the entry by the Bankruptcy Court of the DIP Orders and by the CCAA Court of the DIP Recognition Orders, all obligations of each Pledgor hereunder shall be absolute and unconditional irrespective of:

- (f) any other circumstances which might otherwise constitute a defence available to, or a discharge of, any Pledgor.

Section 11.15 Amalgamation

The Pledgors acknowledge and agree that, in the event any Pledgor amalgamates with any other corporation or corporations, it is the intention of the parties hereto that the term "Pledgor", when used herein with respect to such Pledgor, shall apply to the amalgamated corporation, such that the First Priority Liens and security interests created hereby:

- (a) shall extend to Pledged Collateral owned by each of the amalgamating corporations immediately before the time of amalgamation and to any Pledged Collateral owned or acquired by the amalgamated corporation at the time of amalgamation and thereafter, and
- (b) shall secure all Secured Obligations of each of the amalgamating corporations to the Secured Parties in effect immediately before the time of amalgamation and all Secured Obligations of the amalgamated corporation to the Secured Parties in effect at the time of amalgamation and thereafter. The First Priority Liens and security interests created hereby shall attach to all Pledged Collateral owned by each corporation amalgamating with any Pledgor, and shall attach to all Pledged Collateral thereafter owned or acquired by the amalgamated corporation when such becomes owned or is acquired.

Section 11.16 Acknowledgment of Receipt

Each Pledgor acknowledges receipt of a copy of this Agreement and copies of the verification statements pertaining to the financing statements filed under the Ontario PPSA by the Collateral Agent in respect of this Agreement. To the extent permitted by applicable law, each Pledgor irrevocably waives the right to receive a copy of each such financing statement or financing change statement (or verification statement pertaining thereto) filed under any PPSA by the Collateral Agent in respect of this Agreement or any other security agreement and releases any and all claims or causes of action it may have against the Collateral Agent or any Secured Party for failure to provide a copy of such financing statement or financing change statement to such Pledgor.

Section 11.18 Limitations Act

The parties hereto agree to extend the limitation period under the Limitations Act, 2002 (Ontario) other than the one established by section 15 of that act, applicable to this Agreement, and each provision hereof and any claim thereunder, to six (6) years.

Section 11.19 English Language

The parties to this Agreement have agreed that this Agreement as well as any document or instrument relating to it be drawn up in English only but without prejudice to any such document

or instrument which may from time to time be drawn up in French only or in both French and English. For the avoidance of doubt the First Priority Liens and security interests granted herein are granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or transfer or in any way affect or modify, any obligation or liability of any Pledgor with respect to any of the Pledged Collateral or any transaction in connection therewith.

SECTION 2.2. Filings. (a) Each Pledgor hereby irrevocably authorizes the Collateral Agent at any time and from time to time to file in any relevant jurisdiction any financing statements (including fixture filings) and amendments thereto that contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment relating to the Pledged Collateral, including (i) whether such Pledgor is an organization, the type of organization and any organizational identification number issued to such Pledgor, (ii) any financing or continuation statements or other documents without the signature of such Pledgor where permitted by law, including the filing of a financing statement describing the Pledged Collateral as “all assets now owned or hereafter acquired by the Pledgor or in which Pledgor otherwise has rights” and (iii) in the case of a financing statement filed as a fixture filing or covering Pledged Collateral constituting minerals or the like to be extracted or timber to be cut, a sufficient description of the real property to which such Pledged Collateral relates. Each Pledgor agrees to provide all information described in the immediately preceding sentence to the Collateral Agent promptly upon request by the Collateral Agent. Notwithstanding the foregoing, in no event shall the Collateral Agent have any responsibility for filing any financing statements or amendments thereto.

(b) Each Pledgor hereby ratifies its authorization for the Collateral Agent to file in any relevant jurisdiction any financing statements relating to the Pledged Collateral if filed prior to the date hereof.

(c) It is the intention of the parties that if the Collateral Agent shall fail to have a perfected DIP Lien in any particular property or assets of any Pledgor for any reason whatsoever, the provisions of this Agreement and/or of the other Loan Security Documents, together with all financing statements and other public filings relating to Liens filed or recorded by the Collateral Agent against the Pledgors and, with respect to all Pledgors the DIP Orders and any other order entered by the Bankruptcy Court to secure the Secured Obligations, would be sufficient to create a perfected DIP Lien in any property or assets that such Pledgor may receive upon the sale, lease, license, exchange, transfer or disposition of such particular property or assets, then all such “proceeds” of such particular property or assets shall be included in the Pledged Collateral.

ARTICLE III

PERFECTION; SUPPLEMENTS; FURTHER ASSURANCES;
USE OF PLEDGED COLLATERAL

SECTION 3.1. Delivery of Certificated Securities Collateral. Each Pledgor represents and warrants that all certificates, agreements or instruments representing or evidencing Securities Collateral constituting “certificated securities” under the UCC that are in existence on the date hereof have been delivered to the Collateral Agent in suitable form for transfer by delivery or accompanied by duly executed instruments of transfer or assignment in blank and that the Collateral Agent has a perfected First Priority security interest therein. Each Pledgor hereby agrees that all certificates, agreements or instruments representing or evidencing Securities Collateral constituting “certificated securities” under the UCC acquired by such Pledgor after the date hereof shall promptly (but in any event within ten (10) days after receipt thereof by such Pledgor) be delivered to and held by or on behalf of the Collateral Agent pursuant hereto. All certificated Securities Collateral shall be in suitable form for transfer by delivery or shall be accompanied by duly executed instruments of transfer or assignment in blank, all in form and substance satisfactory to the Collateral Agent. The Collateral Agent, acting at the direction of the Required Lenders, shall have the right, at any time upon the occurrence and during the continuance of any Event of Default, to endorse, assign or otherwise transfer to or to register in the name of the Collateral Agent or any of its nominees or endorse for negotiation any or all of the Securities Collateral, without any indication that such Securities Collateral is subject to the security interest hereunder. In addition, upon the occurrence and during the continuance of an Event of Default, the Collateral Agent, acting at the direction of the Required Lenders, shall have the right at any time to exchange certificates representing or evidencing Securities Collateral for certificates of smaller or larger denominations.

SECTION 3.2. Perfection of Uncertificated Securities Collateral. Each Pledgor represents and warrants that the Collateral Agent has a perfected First Priority security interest in all uncertificated Pledged Securities pledged by it hereunder that are in existence on the date hereof (whether or not constituting “uncertificated securities” under the UCC). Each Pledgor hereby agrees that if any of the Pledged Securities are at any time not evidenced by certificates of ownership but constitute “uncertificated securities” under the UCC, then each applicable Pledgor shall, to the extent permitted by applicable law, (i) cause the issuer to execute and deliver to the Collateral Agent an acknowledgment of the pledge of such Pledged Securities substantially in the form of Exhibit 1 hereto or such other form that is reasonably satisfactory to the Collateral Agent, (ii) if necessary or desirable to perfect a security interest in such Pledged Securities, cause such pledge to be recorded on the equityholder register or the books of the issuer, execute any customary pledge forms or other documents necessary or appropriate to complete the pledge and give the Collateral Agent the right to transfer such Pledged Securities under the terms hereof and (iii) after the occurrence and during the continuance of any Event of Default, upon request by the Collateral Agent, acting at the direction of the Required Lenders, (A) cause the Organizational Documents of each such issuer that is a Subsidiary of the Borrower to be amended to provide that such Pledged Securities shall be treated as “securities” for purposes of the UCC and (B) cause such Pledged Securities to become certificated and delivered to the Collateral Agent in accordance with the provisions of Section 3.1.

SECTION 3.3. Financing Statements and Other Filings; Maintenance of Perfected Security Interest. Each Pledgor represents and warrants that all financing statements, agreements, instruments and other documents necessary to perfect the security interest granted by it to the Collateral Agent in respect of the Pledged Collateral have been delivered to the Collateral Agent and filed by the Pledgor (or its designee) in each governmental, municipal or other office specified in Schedule 6 to the Perfection Certificate. Each Pledgor agrees that at the sole cost and expense of the Pledgors, such Pledgor will maintain the security interest created by this Agreement in the Pledged Collateral as a perfected First Priority security interest subject to Permitted Liens, except to the extent such security interest is not perfected pursuant to minimum thresholds provided for in Section 3.4 and such security interest cannot be perfected by filing of financing statements.

SECTION 3.4. Other Actions. In order to further ensure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, the Collateral Agent's security interest in the Pledged Collateral, each Pledgor represents and warrants (as to itself) as follows and agrees, in each case subject to and in accordance with the terms of the DIP Orders, in each case at such Pledgor's own expense, to take the following actions with respect to the following Pledged Collateral:

(a) Instruments and Tangible Chattel Paper. As of the date hereof, no amounts payable under or in connection with any of the Pledged Collateral are evidenced by any Instrument or Tangible Chattel Paper other than such Instruments and Tangible Chattel Paper listed in Schedule 10 to the Perfection Certificate. Each Instrument and each item of Tangible Chattel Paper listed in Schedule 10 to the Perfection Certificate has been properly endorsed, assigned and delivered to the Collateral Agent, accompanied by instruments of transfer or assignment duly executed in blank. If any amount then payable under or in connection with any of the Pledged Collateral shall be evidenced by any Instrument or Tangible Chattel Paper, and such amount, together with all amounts payable evidenced by any Instrument or Tangible Chattel Paper not previously delivered to the Collateral Agent exceeds \$250,000 in the aggregate for all Pledgors, the Pledgor acquiring such Instrument or Tangible Chattel Paper shall promptly (but in any event within ten (10) days after receipt thereof) endorse, assign and deliver the same to the Collateral Agent, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time specify.

(b) Deposit Accounts and DIP Loan Proceeds Account. As of the date hereof, no Pledgor has any Deposit Accounts other than the accounts listed in Schedule 13 to the Perfection Certificate. No Pledgor shall hereafter establish and maintain any Deposit Account unless (1) it shall have given the Collateral Agent ten (10) days' prior written notice of its intention to establish such new Deposit Account with a Bank and (2) such Bank shall be reasonably acceptable to the Collateral Agent and the Required Lenders. The Borrower shall, and shall cause the applicable Bank to, duly execute and deliver to the Collateral Agent an Account Control Agreement with respect to the DIP Loan Proceeds Account as set forth in Section 5.14 of the Credit Agreement. The Collateral Agent agrees with the Borrower that the Collateral Agent shall not give any instructions directing the disposition of funds from time to time credited to the DIP Loan Proceeds Account or withhold any withdrawal rights from the Borrower with respect to funds from time to time

credited to the DIP Loan Proceeds Account unless an Event of Default has occurred and is continuing.

(c) Securities Accounts and Commodity Accounts. (i) As of the date hereof, no Pledgor has any Securities Accounts or Commodity Accounts other than those listed in Schedule 13 to the Perfection Certificate. No Pledgor shall hereafter establish and maintain any Securities Account or Commodity Account with any Securities Intermediary or Commodity Intermediary unless (1) it shall have given the Collateral Agent ten days' prior written notice of its intention to establish such new Securities Account or Commodity Account with such Securities Intermediary or Commodity Intermediary and (2) such Securities Intermediary or Commodity Intermediary shall be reasonably acceptable to the Collateral Agent and the Required Lenders. Each Pledgor shall accept any cash and Investment Property in trust for the benefit of the Collateral Agent.

(ii) As between the Collateral Agent and the Pledgors, the Pledgors shall bear the investment risk with respect to the Investment Property and Pledged Securities, and the risk of loss of, damage to, or the destruction of the Investment Property and Pledged Securities, whether in the possession of, or maintained as a Security Entitlement or deposit by, or subject to the Control of, the Collateral Agent, a Securities Intermediary, a Commodity Intermediary, any Pledgor or any other person.

(d) Electronic Chattel Paper and Transferable Records. As of the date hereof, no amount under or in connection with any of the Pledged Collateral is evidenced by any Electronic Chattel Paper or any "transferable record" (as that term is defined in Section 201 of the Federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction) other than such Electronic Chattel Paper and transferable records listed in Schedule 10 to the Perfection Certificate. If any amount payable under or in connection with any of the Pledged Collateral shall be evidenced by any Electronic Chattel Paper or any transferable record, the Pledgor acquiring such Electronic Chattel Paper or transferable record shall promptly notify the Collateral Agent thereof and shall take such action as necessary or as the Collateral Agent may reasonably request to vest in the Collateral Agent control of such Electronic Chattel Paper under Section 9-105 of the UCC or control under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The requirement in the preceding sentence shall not apply to the extent that such amount, together with all amounts payable evidenced by Electronic Chattel Paper or any transferable record in which the Collateral Agent has not been vested control within the meaning of the statutes described in the immediately preceding sentence, does not exceed \$250,000 in the aggregate for all Pledgors. The Collateral Agent agrees with such Pledgor that the Collateral Agent will arrange, pursuant to procedures satisfactory to the Collateral Agent and so long as such procedures will not result in the Collateral Agent's loss of control, for the Pledgor to make alterations to the Electronic Chattel Paper or transferable record permitted under Section 9-105 of the UCC or, as the case may be, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to allow without loss of control, unless an Event of Default has occurred

and is continuing or would occur after taking into account any action by such Pledgor with respect to such Electronic Chattel Paper or transferable record.

(e) Letter-of-Credit Rights. If any Pledgor is at any time a beneficiary under a Letter of Credit now or hereafter issued, such Pledgor shall promptly notify the Collateral Agent thereof and such Pledgor shall pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either (i) arrange for the issuer and any confirmer of such Letter of Credit to consent to an assignment to the Collateral Agent of the proceeds of any drawing under the Letter of Credit or (ii) arrange for the Collateral Agent to become the transferee beneficiary of such Letter of Credit, with the Collateral Agent agreeing, in each case, that the proceeds of any drawing under the Letter of Credit are to be applied as provided herein. The actions in the preceding sentence shall not be required to the extent that the amount of any such Letter of Credit, together with the aggregate amount of all other Letters of Credit for which the actions described above in clause (i) and (ii) have not been taken, does not exceed \$250,000 in the aggregate for all Pledgors.

(f) Commercial Tort Claims. As of the date hereof, each Pledgor hereby represents and warrants that it holds no Commercial Tort Claims other than those listed in Schedule 12 to the Perfection Certificate. If any Pledgor shall at any time hold or acquire a Commercial Tort Claim, such Pledgor shall immediately notify the Collateral Agent in writing signed by such Pledgor of the brief details thereof and grant to the Collateral Agent in such writing a security interest therein and in the Proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance reasonably satisfactory to the Collateral Agent. The requirement in the preceding sentence shall not apply to the extent that the amount of such Commercial Tort Claim, together with the amount of all other Commercial Tort Claims held by any Pledgor in which the Collateral Agent does not have a security interest, does not exceed \$250,000 in the aggregate for all Pledgors.

(g) [Reserved].

(h) [Reserved].

(i) Communications Licenses. Each Pledgor agrees that, in the event of any change in law occurring after the date hereof that affects in any manner the Collateral Agent's rights with respect to the Communications Licenses or related to the Collateral Agent obtaining or enforcing such rights, each Pledgor shall amend this Agreement and the other Loan Documents to provide the Secured Parties with such rights to the greatest extent possible consistent with then-applicable Law. No Pledgor shall permit, or take any action that would permit, any person to have a First Priority Lien on any Communications License or in or upon any of the rights appurtenant thereto (including but not limited to the rights of access, use or sale or the right to receive money, consideration or proceeds from any sale or transfer of any Communications License) that is superior to that of the Collateral Agent and the Secured Parties, regardless of whether applicable law permits the Collateral Agent or the Lenders to hold such a Lien.

(j) [Reserved].

SECTION 3.5. Joinder of Additional Guarantors. The Pledgors shall cause each Subsidiary of the Borrower which, from time to time, after the date hereof shall be required to pledge any assets to the Collateral Agent for the benefit of the Secured Parties pursuant to the provisions of the Credit Agreement, to execute and deliver to the Collateral Agent (i) a Joinder Agreement substantially in the form of Exhibit 3 hereto and (ii) a Perfection Certificate, in each case, within ten (10) days of the date on which it was acquired or created, and upon such execution and delivery, such Subsidiary shall constitute a “Guarantor” and a “Pledgor” for all purposes hereunder with the same force and effect as if originally named as a Guarantor and Pledgor herein. The execution and delivery of such Joinder Agreement shall not require the consent of any Pledgor hereunder. The rights and obligations of each Pledgor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor and Pledgor as a party to this Agreement.

SECTION 3.6. Supplements; Further Assurances. Each Pledgor shall take such further actions, and execute and/or deliver to the Collateral Agent such additional financing statements, amendments, assignments, agreements, supplements, powers and instruments, as may be necessary or as the Collateral Agent and/or the Required Lenders, as applicable, shall request in order to create, perfect, preserve and protect the security interest in the Pledged Collateral as provided herein and the rights and interests granted to the Collateral Agent hereunder, to carry into effect the purposes hereof or better to assure and confirm the validity, enforceability and priority of the Collateral Agent’s security interest in the Pledged Collateral or permit the Collateral Agent (acting at the direction of the Required Lenders) to exercise and enforce its rights, powers and remedies hereunder with respect to any Pledged Collateral, including the filing of financing statements, continuation statements and other documents (including this Agreement) under the Uniform Commercial Code in effect in any jurisdiction with respect to the security interest created hereby and the Cape Town Convention on Mobile Goods and the execution and delivery of the Account Control Agreement in respect of the DIP Loan Proceeds Account, all in form reasonably satisfactory to the Collateral Agent and in such offices (including the United States Patent and Trademark Office, the United States Copyright Office and the Canadian Intellectual Property Office) wherever required by law to perfect, continue and maintain the validity, enforceability and priority of the security interest in the Pledged Collateral as provided herein and to preserve the other rights and interests granted to the Collateral Agent hereunder, as against third parties, with respect to the Pledged Collateral. Without limiting the generality of the foregoing, each Pledgor shall make, execute, endorse, acknowledge, file or refile and/or deliver to the Collateral Agent from time to time as necessary or upon reasonable request by the Collateral Agent and/or the Required Lenders, lists, schedules, descriptions and designations of the Pledged Collateral, copies of warehouse receipts, receipts in the nature of warehouse receipts, bills of lading, documents of title, vouchers, invoices, schedules, confirmatory assignments, supplements, additional security agreements, conveyances, financing statements, transfer endorsements, powers of attorney, certificates, reports and other assurances or instruments. If an Event of Default has occurred and is continuing, the Collateral Agent, acting at the direction of the Required Lenders, may institute and maintain, in its own name or in the name of any Pledgor, such suits and proceedings as the Collateral Agent and/or the Required Lenders may be advised by their respective counsel as being necessary or expedient to prevent any impairment of the security interest in or the perfection thereof in the Pledged Collateral. All of the foregoing shall be at the sole cost and expense of the Pledgors. Notwithstanding any failure on the part of any Pledgor, Secured Party or any other Person to take any action to perfect, maintain, protect or enforce the First Priority Liens and Security Interests in the Pledged Collateral granted hereunder, the DIP Orders shall automatically

and without further action by any Person, perfect such Liens and Security Interests against the Pledged Collateral.

ARTICLE IV

REPRESENTATIONS, WARRANTIES AND COVENANTS

Each Pledgor represents, warrants and covenants as follows:

SECTION 4.1. Title. Subject to the DIP Orders, except for the security interest granted to the Collateral Agent for the benefit of the Secured Parties pursuant to this Agreement and Permitted Liens, such Pledgor owns and has rights and, as to Pledged Collateral acquired by it from time to time after the date hereof, will own and have rights in each item of Pledged Collateral pledged by it hereunder, free and clear of any and all Liens or claims of others. In addition, no Liens or claims exist on the Securities Collateral, other than as permitted by clauses (6), (8), (9) and (12) of the defined term “Permitted Liens” in the Credit Agreement.

SECTION 4.2. Validity of Security Interest. Subject to the DIP Orders, the security interest in and First Priority Lien on the Pledged Collateral granted to the Collateral Agent for the benefit of the Secured Parties hereunder constitutes (a) a legal, valid, enforceable and continuing security interest in and First Priority Lien on all the Pledged Collateral securing the payment and performance of the Secured Obligations, and (b) an automatically perfected security interest in all the Pledged Collateral. Subject to the DIP Orders, the Collateral Agent’s security interest in the Pledged Collateral is and shall be a First Priority Lien on all of the Pledged Collateral subject to no other Liens other than Permitted Liens and the Carve-Out and, pursuant to the terms of the DIP Orders, no filing or other action will be necessary to perfect or protect such First Priority Liens and security interests.

SECTION 4.3. Defense of Claims; Transferability of Pledged Collateral. Subject to Section 10.03 of the Credit Agreement and the DIP Orders, each Pledgor shall, at its own cost and expense, defend title to the Pledged Collateral pledged by it hereunder and the security interest therein and Lien thereon granted to the Collateral Agent and the priority thereof against all claims and demands of all persons, at its own cost and expense, at any time claiming any interest therein adverse to the Collateral Agent or any other Secured Party other than Permitted Liens. Except with respect to Material Leases as set forth on the Perfection Certificate, there is no agreement, order, judgment or decree, and no Pledgor shall enter into any agreement or take any other action, that would restrict the transferability of any of the Pledged Collateral or otherwise impair or conflict with such Pledgor’s obligations or the rights of the Collateral Agent hereunder.

SECTION 4.4. Other Financing Statements. It has not filed, nor authorized any third party to file (nor will there be), any valid or effective financing statement (or similar statement, instrument of registration or public notice under the law of any jurisdiction) covering or purporting to cover any interest of any kind in the Pledged Collateral, except such as have been filed in favor of the Collateral Agent pursuant to this Agreement or in favor of any holder of a Permitted Lien under clauses (8), (9) or (14) of the defined term “Permitted Liens” in the Credit Agreement with respect to such Permitted Lien or financing statements or public notices relating to the termination statements listed on Schedule 8 to the Perfection Certificate. Subject to the DIP

Orders, no Pledgor shall execute, authorize or permit to be filed in any public office any financing statement (or similar statement, instrument of registration or public notice under the law of any jurisdiction) relating to any Pledged Collateral, except financing statements and other statements and instruments filed or to be filed in respect of and covering the security interests granted by such Pledgor to the holder of the Permitted Liens.

SECTION 4.5. Location of Inventory and Equipment. Subject to the DIP Orders, it shall not move any Equipment or Inventory that (A) constitutes Pledged Collateral and (B) has an aggregate fair market value of greater than or equal to \$100,000 other than to any other location that is listed in Schedules 2(a), (b) or (c) of the Perfection Certificate, unless it shall have given the Collateral Agent not less than 30 days' prior written notice (in the form of an Officers' Certificate) of its intention to do so, clearly describing such new location and providing such other information in connection therewith as the Collateral Agent may request; *provided* that in no event shall any Equipment or Inventory be moved to any location outside of the continental United States.

SECTION 4.6. Due Authorization and Issuance. All of the Pledged Securities existing on the date hereof have been, and to the extent any Pledged Securities are hereafter issued, such Pledged Securities will be, upon such issuance, duly authorized, validly issued and fully paid and non-assessable to the extent applicable. There is no amount or other obligation owing by any Pledgor to any issuer of the Pledged Securities in exchange for or in connection with the issuance of the Pledged Securities or any Pledgor's status as a partner or a member of any issuer of the Pledged Securities.

SECTION 4.7. Consents, etc. In the event that the Collateral Agent (acting at the direction of the Required Lenders) desires to exercise any remedies, voting or consensual rights or attorney-in-fact powers set forth in this Agreement and determines it necessary to obtain any approvals or consents of any Governmental Authority or any other person therefor, other than the Bankruptcy Court, then, upon the reasonable request of the Collateral Agent, such Pledgor agrees, subject to the DIP Orders, to use its best efforts to assist and aid the Collateral Agent to obtain as soon as practicable any necessary approvals or consents for the exercise of any such remedies, rights and powers.

SECTION 4.8. Pledged Collateral. All information set forth herein, including the schedules hereto, and all information contained in any documents, schedules and lists heretofore delivered to any Secured Party, including the Perfection Certificate and the schedules thereto, in connection with this Agreement, in each case, relating to the Pledged Collateral, is accurate and complete in all material respects. The Pledged Collateral described on the schedules to the Perfection Certificate constitutes all of the property of such type of Pledged Collateral owned or held by the Pledgors.

SECTION 4.9. Insurance. Subject to the DIP Orders, in the event that the proceeds of any insurance claim are paid to any Pledgor after the Collateral Agent has exercised its right to foreclose after an Event of Default, such Net Cash Proceeds shall be held in trust for the benefit of the Collateral Agent and immediately after receipt thereof shall be paid to the Collateral Agent for application in accordance with the Credit Agreement.

SECTION 4.10. Permitted Liens. Subject to the DIP Orders, nothing herein or in the Credit Agreement (including the definition and use of the term “Permitted Liens”) is intended or shall be deemed to subordinate the First Priority Liens and security interests granted herein to any Permitted Lien or any other Lien or security interests affecting all or any portion of the Collateral.

SECTION 4.11. Collateral. The Collateral Agent shall have received on the Interim DIP Order Entry Date:

- (a) a complete and correct copy of each of the executed Loan Security Documents and the Perfection Certificate;
- (b) all certificates, agreements or instruments representing or evidencing the Securities Collateral accompanied by instruments of transfer and stock powers undated and endorsed in blank;
- (c) the Intercompany Note executed by and among the Borrower and all of its Subsidiaries, accompanied by appropriate instruments of transfer undated and endorsed in blank;

- (e) UCC and PPSA financing statements in appropriate form for filing under the UCC and PPSA, as applicable.

SECTION 4.12. Post-Closing Obligations. The Pledgors shall execute and deliver the documents and complete the tasks set forth on Schedule 4.12, in each case within the time limits specified on such schedule.

ARTICLE V

CERTAIN PROVISIONS CONCERNING SECURITIES COLLATERAL

SECTION 5.1. Pledge of Additional Securities Collateral. Subject to Section 5.11 and Section 5.12 of the Credit Agreement, and the DIP Orders, each Pledgor shall, upon obtaining any Pledged Securities or Intercompany Notes of any person, accept the same in trust for the benefit of the Collateral Agent and promptly (but in any event within ten (10) days after receipt thereof) deliver to the Collateral Agent a pledge amendment, duly executed by such Pledgor, in substantially the form of Exhibit 2 hereto (each, a “Pledge Amendment”), and the certificates and other documents required under Section 3.1 and Section 3.2 hereof in respect of the additional Pledged Securities or Intercompany Notes which are to be pledged pursuant to this Agreement, and confirming the attachment of the First Priority Lien hereby created on and in respect of such additional Pledged Securities or Intercompany Notes. Each Pledgor hereby authorizes the Collateral Agent to attach each Pledge Amendment to this Agreement and agrees

that all Pledged Securities or Intercompany Notes listed on any Pledge Amendment delivered to the Collateral Agent shall for all purposes hereunder be considered Pledged Collateral.

SECTION 5.2. Voting Rights; Distributions; etc.

In each of the below cases, subject to and in accordance with the DIP Orders and any requirements, restrictions or limitations imposed by the Bankruptcy Court or otherwise under the Bankruptcy Code:

(a) So long as no Event of Default shall have occurred and be continuing:

(i) Each Pledgor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Securities Collateral or any part thereof for any purpose not inconsistent with the terms or purposes hereof, or any DIP Orders, or the Credit Agreement; provided, however, that no Pledgor shall in any event exercise such rights in any manner which could reasonably be expected to have a Material Adverse Effect.

(ii) Each Pledgor shall be entitled to receive and retain, and to utilize free and clear of the First Priority Lien hereof, any and all Distributions, but only if and to the extent made in accordance with the provisions of the Credit Agreement; provided, however, that any and all such Distributions consisting of rights or interests in the form of securities shall be forthwith delivered to the Collateral Agent to hold as Pledged Collateral and shall, if received by any Pledgor, be received in trust for the benefit of the Collateral Agent, be segregated from the other property or funds of such Pledgor and be promptly (but in any event within ten (10) days after receipt thereof) delivered to the Collateral Agent as Pledged Collateral in the same form as so received (with any necessary endorsement).

(b) So long as no Event of Default shall have occurred and be continuing, the Collateral Agent shall be deemed without further action or formality to have granted to each Pledgor all necessary consents relating to voting rights and shall, if necessary, upon written request of any Pledgor and at the sole cost and expense of the Pledgors, from time to time execute and deliver (or cause to be executed and delivered) to such Pledgor all such instruments as such Pledgor may reasonably request in order to permit such Pledgor to exercise the voting and other rights which it is entitled to exercise pursuant to Section 5.2(a)(i) hereof and to receive the Distributions which it is authorized to receive and retain pursuant to Section 5.2(a)(ii) hereof.

(c) Upon the occurrence and during the continuance of any Event of Default:

(i) All rights of each Pledgor to exercise the voting and other consensual rights it would otherwise be entitled to exercise pursuant to Section 5.2(a)(i) hereof shall immediately cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to exercise such voting and other consensual rights.

(ii) All rights of each Pledgor to receive Distributions which it would otherwise be authorized to receive and retain pursuant to Section 5.2(a)(ii) hereof shall immediately cease and all such rights shall thereupon become vested in the Collateral Agent, which shall thereupon have the sole right to receive and hold as Pledged Collateral such Distributions.

The Collateral Agent shall endeavor to provide notice to the Pledgors of any cessation of rights as described in this Section 5.2(c) within a reasonable time after such cessation; provided, however, that failure of the Collateral Agent to furnish any such notice shall in no way impede the application of subclauses (i) and (ii) of this Section 5.2(c).

(d) Each Pledgor shall, at its sole cost and expense, from time to time execute and deliver to the Collateral Agent appropriate instruments as the Collateral Agent may request in order to permit the Collateral Agent to exercise the voting and other rights which it may be entitled to exercise pursuant to Section 5.2(c)(i) hereof and to receive all Distributions which it may be entitled to receive under Section 5.2(c)(ii) hereof.

(e) All Distributions which are received by any Pledgor contrary to the provisions of Section 5.2(a)(ii) hereof shall be received in trust for the benefit of the Collateral Agent, shall be segregated from other funds of such Pledgor and shall immediately be paid over to the Collateral Agent as Pledged Collateral in the same form as so received (with any necessary endorsement).

SECTION 5.3. Defaults, etc. Each Pledgor hereby represents and warrants that (i) such Pledgor is not in default in the payment of any portion of any mandatory capital contribution, if any, required to be made under any agreement to which such Pledgor is a party relating to the Pledged Securities pledged by it, and such Pledgor is not in violation of any other provisions of any such agreement to which such Pledgor is a party, or otherwise in default or violation thereunder, (ii) no Securities Collateral pledged by such Pledgor is subject to any defense, offset or counterclaim, nor have any of the foregoing been asserted or alleged against such Pledgor by any person with respect thereto, and (iii) as of the date hereof, there are no certificates, instruments, documents or other writings (other than the Organizational Documents and certificates representing such Pledged Securities that have been delivered to the Collateral Agent) which evidence any Pledged Securities of such Pledgor.

SECTION 5.4. Certain Agreements of Pledgors As Issuers and Holders of Equity Interests.

(a) In the case of each Pledgor which is an issuer of Securities Collateral, such Pledgor agrees to be bound by the terms of this Agreement relating to the Securities Collateral issued by it and will comply with such terms insofar as such terms are applicable to it.

(b) In the case of each Pledgor which is a partner, shareholder or member, as the case may be, in a partnership, limited liability company or other entity, such Pledgor hereby consents to the extent required by the applicable Organizational Document to the pledge by each other Pledgor, pursuant to the terms hereof, of the Pledged Securities in such partnership, limited liability company or other entity and, upon the occurrence and during the continuance of an Event of Default, to the transfer of such Pledged Securities to the Collateral Agent or its nominee and to the substitution of the Collateral Agent or its nominee as a substituted partner, shareholder or member in such partnership, limited liability company or other entity with all the rights, powers and duties of a general partner, limited partner, shareholder or member, as the case may be.

SECTION 5.5. ULC. Each Pledgor acknowledges that certain Pledged Securities may now or in the future consist of ULC Shares, and that it is the intention of the Collateral Agent and each Pledgor that the Collateral Agent should not under any circumstances prior to realization thereon be held to be a “member” or a “shareholder”, as applicable, of a ULC for the purposes of any ULC Laws. Therefore, notwithstanding any provisions to the contrary contained in this Agreement, the Credit Agreement or any other Loan Document, where a Pledgor is the registered owner of ULC Shares that are Pledged Securities, such Pledgor will remain the sole registered owner of such ULC Shares until such time as such ULC Shares are effectively transferred into the name of the Collateral Agent or any other person on the books and records of the applicable ULC. Accordingly, such Pledgor shall be entitled to receive and retain for its own account any dividend on or other distribution, if any, in respect of such ULC Shares (other than any dividend or distribution comprised of additional ULC Shares of such issuer, which shall be delivered to the Collateral Agent to hold hereunder) and shall have the right to vote such ULC Shares and to control the direction, management and policies of the applicable ULC to the same extent as such Pledgor would if such ULC Shares were not pledged to the Collateral Agent hereunder. Nothing in this Agreement, the Credit Agreement or any other Loan Document is intended to, and nothing in this Agreement, the Credit Agreement or any other Loan Document shall, constitute the Collateral Agent or any person other than such Pledgor as a member or shareholder of a ULC for the purposes of any ULC Laws (whether listed or unlisted, registered or beneficial), until, upon the occurrence and during the continuance of an Event of Default, further steps are taken pursuant hereto or thereto to register the Collateral Agent or such other person, as specified in such notice, as the holder of the ULC Shares. To the extent any provision hereof would have the effect of constituting the Collateral Agent as a member or a shareholder, as applicable, of any ULC prior to such time, such provision shall be severed herefrom and shall be ineffective with respect to ULC Shares that are Pledged Securities without otherwise invalidating or rendering unenforceable this Agreement or invalidating or rendering unenforceable such provision insofar as it relates to Pledged Securities that are not ULC Shares. Except upon the exercise of rights of the Collateral Agent to sell, transfer or otherwise dispose of ULC Shares in accordance with this Agreement, such Pledgor shall not cause or permit, or enable an issuer that is a ULC to cause or permit, the Collateral Agent to: (a) be registered as a shareholder or member of such issuer; (b) have any notation entered in its favor in the share register of such issuer; (c) be held out as a shareholder or member of such issuer; (d) receive, directly or indirectly, any dividends, property or other distributions from such issuer by reason of the Collateral Agent holding a security interest in the ULC Shares; or (e) act as a shareholder of such issuer, or exercise any rights of a shareholder, including the right to attend a meeting of shareholders of such issuer or to vote the ULC Shares.

ARTICLE VI

CERTAIN PROVISIONS CONCERNING INTELLECTUAL PROPERTY COLLATERAL

SECTION 6.1. Grant of Intellectual Property License. For the purpose of enabling the Collateral Agent, during the continuance of an Event of Default, to exercise rights and remedies under Article IX hereof at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies, and for no other purpose, subject to the DIP Orders, each

Pledgor hereby grants to the Collateral Agent, an irrevocable, non-exclusive license to use, assign, license or sublicense any of the Intellectual Property Collateral of such Pledgor, wherever the same may be located. Such license shall include access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout hereof.

SECTION 6.2. Protection of Collateral Agent's Security. On a continuing basis, each Pledgor shall, subject to the DIP Orders and at its sole cost and expense, (i) promptly following its becoming aware thereof, notify the Collateral Agent of any adverse determination in any proceeding or the institution of any proceeding in any federal, state, provincial, territorial or local court or administrative body or in the United States Patent and Trademark Office, the United States Copyright Office or the Canadian Intellectual Property Office regarding any Material Intellectual Property Collateral, including such Pledgor's right to register such Material Intellectual Property Collateral or its right to keep and maintain such registration in full force and effect, (ii) maintain all Material Intellectual Property Collateral, (iii) not permit to lapse or become abandoned any Material Intellectual Property Collateral, and not settle or compromise any pending or future litigation or administrative proceeding with respect to any such Material Intellectual Property Collateral except as shall be consistent with commercially reasonable business judgment, (iv) upon such Pledgor obtaining knowledge thereof, promptly notify the Collateral Agent in writing of any event which may be reasonably expected to materially and adversely affect the value or utility of any Material Intellectual Property Collateral or the rights and remedies of the Collateral Agent in relation thereto including a levy or threat of levy or any legal process against any Material Intellectual Property Collateral, (v) not license any Intellectual Property Collateral other than non-exclusive licenses entered into by such Pledgor in, or incidental to, the ordinary course of business, or amend or permit the amendment of any of the Intellectual Property Licenses in a manner that materially and adversely affects the right to receive payments thereunder, or in any manner that would materially impair the value of any Intellectual Property Collateral or the First Priority Lien on and security interest in the Intellectual Property Collateral created therein hereby, without the consent of the Collateral Agent, (vi) diligently keep adequate records respecting all Intellectual Property Collateral and (vii) furnish to the Collateral Agent from time to time upon the Collateral Agent's request therefor reasonably detailed statements and amended schedules further identifying and describing the Intellectual Property Collateral and such other materials evidencing or reports pertaining to any Intellectual Property Collateral as the Collateral Agent may from time to time request.

SECTION 6.3. After-Acquired Property. If any Pledgor shall at any time after the date hereof (i) obtain any rights to any additional Intellectual Property Collateral or (ii) become entitled to the benefit of any additional Intellectual Property Collateral or any renewal or extension thereof, including any reissue, division, continuation, or continuation-in-part of any Intellectual Property Collateral, or any improvement on any Intellectual Property Collateral, or if any intent-to use trademark application is no longer Excluded Property, the provisions hereof shall automatically apply thereto and any such item enumerated in the preceding clause (i) or (ii) shall automatically constitute Intellectual Property Collateral as if such would have constituted Intellectual Property Collateral at the time of execution hereof and be subject to the First Priority Lien and security interest created by this Agreement without further action by any party. Each Pledgor shall promptly provide to the Collateral Agent written notice of any of the foregoing and confirm the attachment of the First Priority Lien and security interest created by this Agreement

to any rights described in clauses (i) and (ii) above by execution of an instrument in form reasonably acceptable to the Collateral Agent and the filing of any instruments or statements as shall be reasonably necessary to create, preserve, protect or perfect the Collateral Agent's security interest in such Intellectual Property Collateral. Further, each Pledgor authorizes the Collateral Agent to modify this Agreement by amending Schedules 11(a) and 11(b) to the Perfection Certificate to include any Intellectual Property Collateral of such Pledgor acquired or arising after the date hereof.

SECTION 6.4. Litigation. Unless there shall occur and be continuing any Event of Default, each Pledgor shall have the right to commence and prosecute in its own name, as the party in interest, for its own benefit and at the sole cost and expense of the Pledgors, such applications for protection of the Intellectual Property Collateral and suits, proceedings or other actions to prevent the infringement, counterfeiting, unfair competition, misappropriation, dilution, diminution in value or other damage as are necessary to protect the Intellectual Property Collateral. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent shall have the right but shall in no way be obligated to file and prosecute applications for protection of the Intellectual Property Collateral and/or bring suit in the name of any Pledgor, the Collateral Agent or the Secured Parties to enforce the Intellectual Property Collateral and any Intellectual Property License. In the event of such suit, each Pledgor shall, at the reasonable request of the Collateral Agent, do any and all lawful acts and execute any and all documents requested by the Collateral Agent in aid of such enforcement and the Pledgors shall promptly reimburse and indemnify the Collateral Agent for all costs and expenses incurred by the Collateral Agent in the exercise of its rights under this Section 6.4. In the event that the Collateral Agent shall elect not to bring suit to enforce the Intellectual Property Collateral, each Pledgor agrees, at the reasonable request of the Collateral Agent, to take all commercially reasonable actions necessary, whether by suit, proceeding or other action, to prevent the infringement, counterfeiting, unfair competition, dilution, diminution in value of or other damage to any of the Intellectual Property Collateral by any person.

ARTICLE VII

CERTAIN PROVISIONS CONCERNING RECEIVABLES

SECTION 7.1. Maintenance of Records. Each Pledgor shall keep and maintain at its own cost and expense complete records of each Receivable, in a manner consistent with prudent business practice, including records of all payments received, all credits granted thereon, all merchandise returned and all other documentation relating thereto. Each Pledgor shall, at such Pledgor's sole cost and expense, upon the Collateral Agent's demand made at any time after the occurrence and during the continuance of any Event of Default, deliver all tangible evidence of Receivables, including all documents evidencing Receivables and any books and records relating thereto to the Collateral Agent or to its representatives (copies of which evidence and books and records may be retained by such Pledgor). Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent may transfer a full and complete copy of any Pledgor's books, records, credit information, reports, memoranda and all other writings relating to the Receivables to and for the use by any person that has acquired or is contemplating acquisition of

an interest in the Receivables or the Collateral Agent's security interest therein without the consent of any Pledgor.

SECTION 7.2. Legend. Each Pledgor shall legend, at the request of the Collateral Agent and in form and manner satisfactory to the Collateral Agent, the Receivables and the other books, records and documents of such Pledgor evidencing or pertaining to the Receivables with an appropriate reference to the fact that the Receivables have been assigned to the Collateral Agent for the benefit of the Secured Parties and that the Collateral Agent has a security interest therein.

SECTION 7.3. Modification of Terms, etc. No Pledgor shall rescind or cancel any obligations evidenced by any Receivable or modify any term thereof or make any adjustment with respect thereto except in the ordinary course of business consistent with prudent business practice, or extend or renew any such obligations except in the ordinary course of business consistent with prudent business practice or compromise or settle any dispute, claim, suit or legal proceeding relating thereto or sell any Receivable or interest therein except in the ordinary course of business consistent with prudent business practice without the prior written consent of the Collateral Agent. Each Pledgor shall timely fulfill all obligations on its part to be fulfilled under or in connection with the Receivables.

SECTION 7.4. Collection. Each Pledgor shall cause to be collected from the Account Debtor of each of the Receivables, as and when due in the ordinary course of business and consistent with prudent business practice (including Receivables that are delinquent, such Receivables to be collected in accordance with generally accepted commercial collection procedures), any and all amounts owing under or on account of such Receivable, and apply forthwith upon receipt thereof all such amounts as are so collected to the outstanding balance of such Receivable, except that any Pledgor may, with respect to a Receivable, allow in the ordinary course of business (i) a refund or credit due as a result of returned or damaged or defective merchandise and (ii) such extensions of time to pay amounts due in respect of Receivables and such other modifications of payment terms or settlements in respect of Receivables as shall be commercially reasonable in the circumstances, all in accordance with such Pledgor's ordinary course of business consistent with its collection practices as in effect from time to time. The costs and expenses (including attorneys' fees) of collection, in any case, whether incurred by any Pledgor, the Collateral Agent or any Secured Party, shall be paid by the Pledgors.

ARTICLE VIII

TRANSFERS

SECTION 8.1. Transfers of Pledged Collateral. No Pledgor shall sell, convey, assign or otherwise dispose of, or grant any option with respect to, any of the Pledged Collateral pledged by it hereunder except as permitted by the Credit Agreement.

ARTICLE IX

REMEDIES

SECTION 9.1. Remedies. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent shall, at the direction of the Required Lenders, exercise in respect of the Pledged Collateral, in addition to the other rights and remedies provided under the applicable law or otherwise available to it (subject, in each case, to the DIP Orders), the following remedies:

(i) Personally, or by agents or attorneys, immediately take possession of the Pledged Collateral or any part thereof, from any Pledgor or any other person who then has possession of any part thereof with or without notice or process of law, and for that purpose may enter upon any Pledgor's premises where any of the Pledged Collateral is located, remove such Pledged Collateral, remain present at such premises to receive copies of all communications and remittances relating to the Pledged Collateral and use in connection with such removal and possession any and all services, supplies, aids and other facilities of any Pledgor;

(ii) Demand, sue for, collect or receive any money or property at any time payable or receivable in respect of the Pledged Collateral including instructing the obligor or obligors on any agreement, instrument or other obligation constituting part of the Pledged Collateral to make any payment required by the terms of such agreement, instrument or other obligation directly to the Collateral Agent, and in connection with any of the foregoing, compromise, settle, extend the time for payment and make other modifications with respect thereto; provided, however, that in the event that any such payments are made directly to any Pledgor, prior to receipt by any such obligor of such instruction, such Pledgor shall segregate all amounts received pursuant thereto in trust for the benefit of the Collateral Agent and shall promptly (but in no event later than one (1) Business Day after receipt thereof) pay such amounts to the Collateral Agent;

(iii) Sell, assign, grant a license to use or otherwise liquidate, or direct any Pledgor to sell, assign, grant a license to use or otherwise liquidate, any and all investments made in whole or in part with the Pledged Collateral or any part thereof, and take possession of the proceeds of any such sale, assignment, license or liquidation;

(iv) Take possession of the Pledged Collateral or any part thereof, by directing any Pledgor in writing to deliver the same to the Collateral Agent at any place or places so designated by the Collateral Agent, in which event such Pledgor shall at its own expense: (A) forthwith cause the same to be moved to the place or places designated by the Collateral Agent and therewith delivered to the Collateral Agent, (B) store and keep any Pledged Collateral so delivered to the Collateral Agent at such place or places pending further action by the Collateral Agent and (C) while the Pledged Collateral shall be so stored and kept, provide such security and maintenance services as shall be necessary to protect the same and to preserve and maintain them in good condition. Each Pledgor's obligation to deliver the Pledged Collateral as contemplated in this Section 9.1(iv) is of the essence hereof.

Upon application to a court of equity having jurisdiction, the Collateral Agent shall be entitled to a decree requiring specific performance by any Pledgor of such obligation;

(v) Withdraw all moneys, instruments, securities and other property in any bank, financial securities, deposit or other account of any Pledgor constituting Pledged Collateral for application to the Secured Obligations as provided in Article X hereof;

(vi) Retain and apply the Distributions to the Secured Obligations as provided in Article X hereof or as otherwise provided for in the DIP Orders;

(vii) Exercise any and all rights as beneficial and legal owner of the Pledged Collateral, including perfecting assignment of and exercising any and all voting, consensual and other rights and powers with respect to any Pledged Collateral; and

(viii) Exercise all the rights and remedies of a secured party under the UCC (whether or not the UCC has been enacted in the location where the action is taken), and the Collateral Agent, acting at the direction of the Required Lenders, shall without notice except as specified in Section 9.2 hereof or as required by mandatory provisions of law, sell, assign or grant a license to use the Pledged Collateral or any part thereof in one or more parcels at public or private sale, at any exchange, broker's board or at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, and at such time or times, at such price or prices and upon such other terms as the Collateral Agent, acting at the direction of the Required Lenders, may deem commercially reasonable irrespective of the impact of any such sales on the market price of the Pledged Collateral. The Collateral Agent or any other Secured Party or any of their respective Affiliates may be the purchaser, licensee, assignee or recipient of the Pledged Collateral or any part thereof at any such sale and shall be entitled (with the consent of the Collateral Agent, which may be withheld in its discretion), for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Pledged Collateral sold, assigned or licensed at such sale, to use and apply any of the Secured Obligations owed to such person as a credit on account of the purchase price of the Pledged Collateral or any part thereof payable by such person at such sale. Upon any sale of the Pledged Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the Collateral Agent or of the officer making the sale shall be sufficient discharge to the purchaser or purchasers of the Pledged Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof. Each purchaser, assignee, licensee or recipient at any such sale shall acquire the property sold, assigned or licensed absolutely free from any claim or right on the part of any Pledgor, and each Pledgor hereby waives, to the fullest extent permitted by law, all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. The Collateral Agent shall not be obligated to make any sale of the Pledged Collateral or any part thereof regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Pledgor hereby waives, to the fullest

extent permitted by law, any claims against the Collateral Agent arising by reason of the fact that the price at which the Pledged Collateral or any part thereof may have been sold, assigned or licensed at such a private sale was less than the price which might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Pledged Collateral to more than one offeree. The Collateral Agent may disclaim any warranty, as to time or as to any other matter, in connection with such sale or other disposition, and its doing so shall not be considered adversely to affect the commercial reasonableness of such sale or other disposition.

SECTION 9.2. Notice of Sale. Each Pledgor acknowledges and agrees that, to the extent notice of sale or other disposition of the Pledged Collateral or any part thereof shall be required by law and unless the Pledged Collateral is perishable or threatens to decline speedily in value, or is of a type customarily sold on a recognized market (in which case the Collateral Agent shall endeavor to provide notice; *provided* that failure to provide such notice shall not affect the validity of any sale or other disposition), ten (10) days' prior notice to such Pledgor of the time and place of any public sale or of the time after which any private sale or other intended disposition is to take place shall be commercially reasonable notification of such matters. No notification need be given to any Pledgor if it has signed, after the occurrence of an Event of Default, a statement renouncing or modifying any right to notification of sale or other intended disposition.

SECTION 9.3. Waiver of Notice and Claims. Each Pledgor hereby waives, to the fullest extent permitted by applicable law, notice or judicial hearing in connection with the Collateral Agent's taking possession or the Collateral Agent's disposition of the Pledged Collateral or any part thereof, including any and all prior notice and hearing for any prejudgment remedy or remedies and any such right which such Pledgor would otherwise have under law, and each Pledgor hereby further waives, to the fullest extent permitted by applicable law: (i) all damages occasioned by such taking of possession, (ii) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Collateral Agent's rights hereunder and (iii) all rights of redemption, appraisal, valuation, stay, extension or moratorium now or hereafter in force under any applicable law. The Collateral Agent shall not be liable for any incorrect or improper payment made pursuant to this Article IX in the absence of gross negligence or willful misconduct on the part of the Collateral Agent as determined by a court of competent jurisdiction in a final and non-appealable decision. Any sale of, or the grant of options to purchase, or any other realization upon, any Pledged Collateral shall operate to divest all right, title, interest, claim and demand, either at law or in equity, of the applicable Pledgor therein and thereto, and shall be a perpetual bar both at law and in equity against such Pledgor and against any and all persons claiming or attempting to claim the Pledged Collateral so sold, optioned or realized upon, or any part thereof, from, through or under such Pledgor.

SECTION 9.4. Certain Sales of Pledged Collateral.

(a) Each Pledgor recognizes that, by reason of certain prohibitions contained in law, rules, regulations or orders of any Governmental Authority, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Pledged Collateral, to limit purchasers to those who meet the requirements of such Governmental Authority. Each Pledgor acknowledges that any such sales may be at prices and on terms less favorable to the Collateral Agent than those obtainable through a public sale without such restrictions, and, notwithstanding such

circumstances, agrees that any such restricted sale shall be deemed to have been made in a commercially reasonable manner and that, except as may be required by applicable law, the Collateral Agent shall have no obligation to engage in public sales.

(b) Each Pledgor recognizes that, by reason of certain prohibitions contained in the Securities Act, and applicable state securities laws, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Securities Collateral and Investment Property, to limit purchasers to persons who will agree, among other things, to acquire such Securities Collateral or Investment Property for their own account, for investment and not with a view to the distribution or resale thereof. Each Pledgor acknowledges that any such private sales may be at prices and on terms less favorable to the Collateral Agent than those obtainable through a public sale without such restrictions (including a public offering made pursuant to a registration statement under the Securities Act), and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner and that the Collateral Agent shall have no obligation to engage in public sales and no obligation to delay the sale of any Securities Collateral or Investment Property for the period of time necessary to permit the issuer thereof to register it for a form of public sale requiring registration under the Securities Act or under applicable state securities laws, even if such issuer would agree to do so.

(c) Notwithstanding the foregoing, each Pledgor shall, upon the occurrence and during the continuance of any Event of Default, at the reasonable request of the Collateral Agent and the Secured Parties, for the benefit of the Collateral Agent and the Secured Parties, cause any registration, qualification under or compliance with any Federal or state securities law or laws to be effected with respect to all or any part of the Securities Collateral as soon as practicable and at the sole cost and expense of the Pledgors. Each Pledgor will use its best efforts to cause such registration to be effected (and be kept effective) and will use its best efforts to cause such qualification and compliance to be effected (and be kept effective) as may be so requested and as would permit or facilitate the sale and distribution of such Securities Collateral including registration under the Securities Act (or any similar statute then in effect), appropriate qualifications under applicable blue sky or other state securities laws and appropriate compliance with all other requirements of any Governmental Authority. Each Pledgor shall cause the Collateral Agent to be kept advised in writing as to the progress of each such registration, qualification or compliance and as to the completion thereof, shall furnish to the Collateral Agent such number of prospectuses, offering circulars or other documents incident thereto as the Collateral Agent from time to time may request, and shall indemnify and shall cause the issuer of the Securities Collateral to indemnify the Collateral Agent and all others participating in the distribution of such Securities Collateral against all claims, losses, damages and liabilities caused by any untrue statement (or alleged untrue statement) of a material fact contained therein (or in any related registration statement, notification or the like) or by any omission (or alleged omission) to state therein (or in any related registration statement, notification or the like) a material fact required to be stated therein or necessary to make the statements therein not misleading.

(d) If the Collateral Agent determines to exercise its right to sell any or all of the Securities Collateral or Investment Property, upon written request, the applicable Pledgor shall from time to time furnish to the Collateral Agent all such information as the Collateral Agent may request in order to determine the number of securities included in the Securities Collateral or Investment Property which may be sold by the Collateral Agent as exempt transactions under the

Securities Act and the rules of the Securities and Exchange Commission thereunder, as the same are from time to time in effect.

(e) Each Pledgor further agrees that a breach of any of the covenants contained in this Section 9.4 will cause irreparable injury to the Collateral Agent and the other Secured Parties, that the Collateral Agent and the other Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 9.4 shall be specifically enforceable against such Pledgor, and such Pledgor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred and is continuing.

SECTION 9.5. No Waiver; Cumulative Remedies.

(a) No failure on the part of the Collateral Agent to exercise, no course of dealing with respect to, and no delay on the part of the Collateral Agent in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power, privilege or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power, privilege or remedy; nor shall the Collateral Agent be required to look first to, enforce or exhaust any other security, collateral or guaranties. All rights and remedies herein provided are cumulative and are not exclusive of any rights or remedies provided by law or otherwise available.

(b) In the event that the Collateral Agent shall have instituted any proceeding to enforce any right, power, privilege or remedy under this Agreement or any other Loan Document by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case, the Pledgors, the Collateral Agent and each other Secured Party shall be restored to their respective former positions and rights hereunder with respect to the Pledged Collateral, and all rights, remedies, privileges and powers of the Collateral Agent and the other Secured Parties shall continue as if no such proceeding had been instituted.

SECTION 9.6. Certain Additional Actions Regarding Intellectual Property. If any Event of Default shall have occurred and be continuing, in addition to the irrevocable license granted to the Collateral Agent pursuant to Section 6.1 hereof, upon the written demand of the Collateral Agent, each Pledgor shall execute and deliver to the Collateral Agent an assignment or assignments of the Intellectual Property Collateral and such other documents as are necessary or appropriate to carry out the intent and purposes hereof. Within five (5) Business Days of written notice thereafter from the Collateral Agent, each Pledgor shall make available to the Collateral Agent, to the extent within such Pledgor's power and authority, such personnel in such Pledgor's employ on the date of the Event of Default as the Collateral Agent may reasonably designate to permit such Pledgor to continue, directly or indirectly, to produce, advertise and sell the products and services sold by such Pledgor, and such persons shall be available to perform their prior functions on the Collateral Agent's behalf.

SECTION 9.7. Actions Requiring Regulatory Approval. Notwithstanding anything to the contrary contained herein, the Secured Parties shall not take any action that would constitute or result in any assignment of the Communications Licenses or transfer of control or

voting rights of any Pledgor or of any entity the Equity Interests of which are owned by any Pledgor if such assignment or transfer of control or voting rights would require, under then existing law (including Communications Laws), the prior approval of the FCC, ISED, the CRTC or any other applicable Governmental Authority, without first obtaining such approval of the FCC, ISED, the CRTC or such other Governmental Authority. Each Pledgor agrees to take any lawful action which the Collateral Agent may reasonably request in order to obtain from the FCC, ISED, the CRTC or any other relevant Governmental Authority such approval as may be necessary to enable the Collateral Agent to enjoy the full rights and benefits granted to the Collateral Agent and the Secured Parties by this Agreement and the other Loan Documents, including specifically, after the occurrence and during the continuance of an Event of Default, the use of such Pledgor's best efforts to assist in obtaining any required approval of the FCC, ISED, the CRTC and any other Governmental Authority that is then required under Communications Laws or under any other law for any action or transaction contemplated by this Agreement and the other Loan Documents, including without limitation, sharing with the Collateral Agent any FCC registration numbers and preparing, certifying and preparing, certifying and filing (or causing to be prepared, certified and filed) with the FCC, ISED, the CRTC or any other Governmental Authority any portion of any application or applications for consent to the assignment of any Pledged Collateral that is a Communications License or transfer of control of any Pledgor or of any entity the Equity Interests of which are owned by any Pledgor, in each case required to be filed under Communications Laws for approval of any sale or transfer of Pledged Collateral and/or the Communications Licenses. Each Pledgor further agrees that, because of the unique nature of its undertaking in this Section 9.7, the same may be specifically enforced, and it hereby waives, and agrees to waive, any claim or defense that the Collateral Agent or the Secured Parties would have an adequate remedy at law for the breach of this undertaking and any requirement for the posting of bond or other security. This Section 9.7 shall not be deemed to limit any other rights of the Collateral Agent and the Lenders available under applicable law and consistent with the Communications Act or other Communications Law.

ARTICLE X

APPLICATION OF PROCEEDS

SECTION 10.1. Application of Proceeds. The proceeds received by the Collateral Agent in respect of any sale of, collection from or other realization upon all or any part of the Pledged Collateral pursuant to the exercise by the Collateral Agent of its remedies shall be applied, together with any other sums then held by the Collateral Agent pursuant to this Agreement, subject to and in accordance with the Credit Agreement and the terms of the DIP Orders.

ARTICLE XI

MISCELLANEOUS

SECTION 11.1. Concerning Collateral Agent.

1428

-31-

(a) The actions of the Collateral Agent hereunder are subject to the provisions of the Credit Agreement and the terms of the DIP Orders. The Collateral Agent shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking action (including the release or substitution of the Pledged Collateral), in accordance with this Agreement and the Credit Agreement. The Collateral Agent may employ agents and attorneys-in-fact in connection herewith and shall not be liable for the negligence or misconduct of any such agents or attorneys-in-fact selected by it in good faith. The Collateral Agent may resign and a successor Collateral Agent may be appointed in the manner provided in the Credit Agreement. Upon the acceptance of any appointment as the Collateral Agent by a successor Collateral Agent, that successor Collateral Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Collateral Agent under this Agreement, and the retiring Collateral Agent shall thereupon be discharged from its duties and obligations under this Agreement. After any retiring Collateral Agent's resignation, the provisions hereof shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was the Collateral Agent.

(b) Beyond the exercise of reasonable care in the custody and preservation thereof, the Collateral Agent will have no duty as to any Pledged Collateral in its possession or control or in the possession or control of any subagent or bailee or any income therefrom or as to the preservation of rights against prior parties or any other rights pertaining thereto. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of the Pledged Collateral in its possession if such Pledged Collateral is accorded treatment substantially equivalent to that which the Collateral Agent, in its individual capacity, accords its own property consisting of similar instruments or interests, it being understood that neither the Collateral Agent nor any of the Secured Parties shall have responsibility for (i) ascertaining or taking action with respect to calls, conversions, exchanges, maturities, tenders or other matters relating to any Securities Collateral, whether or not the Collateral Agent or any other Secured Party has or is deemed to have knowledge of such matters or (ii) taking any necessary steps to preserve rights against any person with respect to any Pledged Collateral.

(c) The Collateral Agent shall be entitled to rely upon any written notice, statement, certificate, order or other document or any telephone message believed by it to be genuine and correct and to have been signed, sent or made by the proper person, and, with respect to all matters pertaining to this Agreement and its duties hereunder and thereunder, upon advice of counsel selected by it.

SECTION 11.2. Collateral Agent May Perform; Collateral Agent Appointed Attorney-in-Fact. In all cases subject to and in accordance with the terms of the DIP Orders, if any Pledgor shall fail to perform any covenants contained in this Agreement (including such Pledgor's covenants to (i) pay the premiums in respect of all required insurance policies hereunder, (ii) pay and discharge any taxes, assessments and special assessments, levies, fees and governmental charges imposed upon or assessed against, and landlords', carriers', mechanics', workmen's, repairmen's, laborers', materialmen's, suppliers' and ware-housemen's Liens and other claims arising by operation of law against, all or any portion of the Pledged Collateral, (iii) make repairs, (iv) discharge Liens or (v) pay or perform any obligations of such Pledgor under any Pledged Collateral) or if any representation or warranty on the part of any Pledgor contained herein shall be breached, the Collateral Agent may (but shall not be obligated to) do the same or cause it

to be done or remedy any such breach, and may expend funds for such purpose; provided, however, that the Collateral Agent shall in no event be bound to inquire into the validity of any tax, Lien, imposition or other obligation which such Pledgor fails to pay or perform as and when required hereby and which such Pledgor does not contest in accordance with the provisions of the Credit Agreement. Any and all amounts so expended by the Collateral Agent shall be paid by the Pledgors, subject to the DIP Orders, the Cash Management Order and any other order of the Bankruptcy Court entered in connection with the Cases. Neither the provisions of this Section 11.2 nor any action taken by the Collateral Agent pursuant to the provisions of this Section 11.2 shall prevent any such failure to observe any covenant contained in this Agreement nor any breach of representation or warranty from constituting an Event of Default. Subject to and in accordance with the terms of the DIP Orders, each Pledgor hereby appoints the Collateral Agent its attorney-in-fact, with full power and authority in the place and stead of such Pledgor and in the name of such Pledgor, or otherwise, from time to time in the Collateral Agent's discretion to take any action and to execute any instrument consistent with the terms of this Agreement and the other Security Documents which the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof (but the Collateral Agent shall not be obligated to and shall have no liability to such Pledgor or any third party for failure to so do or take action). The foregoing grant of authority is a power of attorney coupled with an interest and such appointment shall be irrevocable for the term hereof. Each Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof.

SECTION 11.3. Continuing Security Interest; Assignment. This Agreement shall create a continuing security interest in the Pledged Collateral and shall, subject to the DIP Orders, (i) be binding upon the Pledgors, their respective successors and assigns and (ii) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Collateral Agent and the other Secured Parties and each of their respective successors, transferees and assigns. No other persons (including any other creditor of any Pledgor) shall have any interest herein or any right or benefit with respect hereto. Without limiting the generality of the foregoing clause (ii), any Secured Party may assign or otherwise transfer any indebtedness held by it secured by this Agreement to any other person, and such other person shall thereupon become vested with all the benefits in respect thereof granted to such Secured Party, herein or otherwise, subject however, to the provisions of the Credit Agreement and any order of the Bankruptcy Court. Subject to the DIP Orders, each of the Pledgors agrees that its obligations hereunder and the security interest created hereunder shall continue to be effective or be reinstated, as applicable, if at any time payment, or any part thereof, of all or any part of the Secured Obligations is rescinded or must otherwise be restored by the Secured Party upon the bankruptcy or reorganization of any Pledgor or otherwise.

SECTION 11.4. Termination; Release. When all the Secured Obligations have been paid in full and the Commitments of the Lenders to make any Loan under the Credit Agreement shall have expired or been terminated for any reason, the Pledged Collateral shall be released from the First Priority Lien of this Agreement. Upon such release or any release of Pledged Collateral or any part thereof the Collateral Agent shall, upon the written request and at the sole cost and expense of the Pledgors, assign, transfer and deliver to Pledgor, against receipt and without recourse to or warranty by the Collateral Agent except as to the fact that the Collateral Agent has not encumbered the released assets, such of the Pledged Collateral or any part thereof to be released (in the case of a release) as may be in possession of the Collateral Agent and as shall

not have been sold or otherwise applied pursuant to the terms hereof, and, with respect to any other Pledged Collateral, proper documents and instruments (including UCC-3 termination financing statements or releases) acknowledging the termination hereof or the release of such Pledged Collateral, as the case may be.

SECTION 11.5. Modification in Writing. No amendment, modification, supplement, termination or waiver of or to any provision hereof, nor consent to any departure by any Pledgor therefrom, shall be effective unless the same shall be made in accordance with the terms of the Credit Agreement and the DIP Orders or as otherwise provided herein and unless in writing and signed by the Collateral Agent. Any amendment, modification or supplement of or to any provision hereof, any waiver of any provision hereof and any consent to any departure by any Pledgor from the terms of any provision hereof in each case shall be effective only in the specific instance and for the specific purpose for which made or given. Except where notice is specifically required by this Agreement, no notice to or demand on any Pledgor in any case shall entitle any Pledgor to any other or further notice or demand in similar or other circumstances.

SECTION 11.6. Notices. Any notice or other communication herein required or permitted to be given shall be given in the manner and become effective as set forth in Section 10.01 of the Credit Agreement.

SECTION 11.7. Governing Law, Consent to Jurisdiction and Service of Process; Waiver of Jury Trial. Sections 10.09 and 10.10 of the Credit Agreement is incorporated herein, *mutatis mutandis*, as if a part hereof.

SECTION 11.8. Severability of Provisions. Any provision hereof which is invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without invalidating the remaining provisions hereof or affecting the validity, legality or enforceability of such provision in any other jurisdiction.

SECTION 11.9. Execution in Counterparts. This Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement. Section 10.06 of the Credit Agreement is incorporated herein, *mutatis mutandis*, as if a part hereof.

SECTION 11.10. Business Days. In the event any time period or any date provided in this Agreement ends or falls on a day other than a Business Day, then such time period shall be deemed to end and such date shall be deemed to fall on the next succeeding Business Day, and performance herein may be made on such Business Day, with the same force and effect as if made on such other day.

SECTION 11.11. No Credit for Payment of Taxes or Imposition. Such Pledgor shall not be entitled to any credit against the principal, premium, if any, or interest payable under the Credit Agreement, and such Pledgor shall not be entitled to any credit against any other sums

which may become payable under the terms thereof or hereof, by reason of the payment of any Tax on the Pledged Collateral or any part thereof.

SECTION 11.12. No Claims Against Collateral Agent. Nothing contained in this Agreement shall constitute any consent or request by the Collateral Agent, express or implied, for the performance of any labor or services or the furnishing of any materials or other property in respect of the Pledged Collateral or any part thereof, nor as giving any Pledgor any right, power or authority to contract for or permit the performance of any labor or services or the furnishing of any materials or other property in such fashion as would permit the making of any claim against the Collateral Agent in respect thereof or any claim that any Lien based on the performance of such labor or services or the furnishing of any such materials or other property is prior to the First Priority Lien hereof.

SECTION 11.13. No Release. Nothing set forth in this Agreement or any other Loan Document, nor the exercise by the Collateral Agent of any of the rights or remedies hereunder, shall relieve any Pledgor from the performance of any term, covenant, condition or agreement on such Pledgor's part to be performed or observed under or in respect of any of the Pledged Collateral or from any liability to any person under or in respect of any of the Pledged Collateral or shall impose any obligation on the Collateral Agent or any other Secured Party to perform or observe any such term, covenant, condition or agreement on such Pledgor's part to be so performed or observed or shall impose any liability on the Collateral Agent or any other Secured Party for any act or omission on the part of such Pledgor relating thereto or for any breach of any representation or warranty on the part of such Pledgor contained in this Agreement, the Credit Agreement or the other Loan Documents, or under or in respect of the Pledged Collateral or made in connection herewith or therewith. Anything herein to the contrary notwithstanding, neither the Collateral Agent nor any other Secured Party shall have any obligation or liability under any contracts, agreements and other documents included in the Pledged Collateral by reason of this Agreement, nor shall the Collateral Agent or any other Secured Party be obligated to perform any of the obligations or duties of any Pledgor thereunder or to take any action to collect or enforce any such contract, agreement or other document included in the Pledged Collateral hereunder. The obligations of each Pledgor contained in this Section 11.13 shall survive the termination hereof and the discharge of such Pledgor's other obligations under this Agreement, the Credit Agreement and the other Loan Documents.

SECTION 11.14. Obligations Absolute. Subject to the entry by the Bankruptcy Court of the DIP Orders, all obligations of each Pledgor hereunder shall be absolute and unconditional irrespective of:

- (i) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any other Pledgor;
- (ii) any lack of validity or enforceability of the Credit Agreement or any other Loan Document, or any other agreement or instrument relating thereto;
- (iii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any

consent to any departure from the Credit Agreement or any other Loan Document or any other agreement or instrument relating thereto;

(iv) any pledge, exchange, release or non-perfection of any other collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Secured Obligations;

(v) any exercise, non-exercise or waiver of any right, remedy, power or privilege under or in respect hereof, the Credit Agreement or any other Loan Document except as specifically set forth in a waiver granted pursuant to the provisions of Section 11.5 hereof; or

(vi) any other circumstances which might otherwise constitute a defense available to, or a discharge of, any Pledgor.

SECTION 11.15. Bankruptcy Court Orders and Bankruptcy Code Control. In the event of a conflict between any terms and provisions set forth in this Agreement and those set forth in the Credit Agreement, the DIP Orders and/or the Bankruptcy Code, the terms and provisions of the Credit Agreement, the DIP Orders and/or the Bankruptcy Code, shall supersede and control the terms and provisions of this Agreement. In the event of a conflict between any terms and provisions set forth in the Credit Agreement and those set forth in the DIP Orders and/or the Bankruptcy Code, the terms and provisions of the DIP Orders and/or the Bankruptcy Code shall supersede and control the terms and provisions of the Credit Agreement, and this Agreement.

VALIDITY AND PRIORITY OF CHARGES CREATED BY THIS ORDER

21. **THIS COURT ORDERS** that the priorities of the Administration Charge and the DIP Lender’s Charge, as among them, shall be as follows:

First – Administration Charge (to the maximum amount of \$750,000); and

Second – DIP Lender’s Charge.

22. **THIS COURT ORDERS** that the filing, registration or perfection of the Administration Charge or the DIP Lender’s Charge (collectively, the “**Charges**”) shall not be required, and that the Charges shall be valid and enforceable for all purposes, including as against any right, title or interest filed, registered, recorded or perfected subsequent to the Charges coming into existence, notwithstanding any such failure to file, register, record or perfect the Charges.

23. **THIS COURT ORDERS** that each of the Administration Charge and the DIP Lender’s Charge (all as constituted and defined herein) shall constitute a charge on the Property in Canada and such Charges shall rank in priority to all other security interests, trusts, liens, charges and encumbrances, claims of secured creditors, statutory or otherwise (collectively, “**Encumbrances**”) in favour of any Person.

- (a) the creation of the Charges shall not create or be deemed to constitute a breach by a Debtor of any Agreement to which it is a party;
- (b) none of the Chargees shall have any liability to any Person whatsoever as a result of any breach of any Agreement caused by or resulting from the creation of the Charges; and
- (c) the payments made by the Debtors to the Chargees pursuant to this Order, and the granting of the Charges, do not and will not constitute preferences, fraudulent conveyances, transfers at undervalue, oppressive conduct, or other challengeable or voidable transactions under any applicable law.

26. **THIS COURT ORDERS** that any Charge created by this Order over leases of real property in Canada shall only be a Charge in the applicable Debtor's interest in such real property leases.

SCHEDULE "A"

SCHEDULE “K”

**GUIDELINES FOR COMMUNICATION AND COOPERATION BETWEEN
COURTS IN CROSS-BORDER INSOLVENCY MATTERS****INTRODUCTION**

- A. The overarching objective of these Guidelines is to improve in the interests of all stakeholders the efficiency and effectiveness of cross-border proceedings relating to insolvency or adjustment of debt opened in more than one jurisdiction (“Parallel Proceedings”) by enhancing coordination and cooperation amongst courts under whose supervision such proceedings are being conducted. These Guidelines represent best practice for dealing with Parallel Proceedings.
- B. In all Parallel Proceedings, these Guidelines should be considered at the earliest practicable opportunity.
- C. In particular, these Guidelines aim to promote:
- (i) the efficient and timely coordination and administration of Parallel Proceedings;
 - (ii) the administration of Parallel Proceedings with a view to ensuring relevant stakeholders’ interests are respected;
 - (iii) the identification, preservation, and maximisation of the value of the debtor's assets, including the debtor's business;
 - (iv) the management of the debtor’s estate in ways that are proportionate to the amount of money involved, the nature of the case, the complexity of the issues, the number of creditors, and the number of jurisdictions involved in Parallel Proceedings;
 - (v) the sharing of information in order to reduce costs; and
 - (vi) the avoidance or minimisation of litigation, costs, and inconvenience to the parties¹ in Parallel Proceedings.
- D. These Guidelines should be implemented in each jurisdiction in such manner as the jurisdiction deems fit².
- E. These Guidelines are not intended to be exhaustive and in each case consideration ought to be given to the special requirements in that case.
- F. Courts should consider in all cases involving Parallel Proceedings whether and how to implement these Guidelines. Courts should encourage and where necessary direct, if they have the power to do so, the parties to make the necessary applications to the court to facilitate such implementation by a protocol or order derived from these Guidelines, and encourage them to act so as to promote the objectives and aims of these Guidelines wherever possible.

ADOPTION & INTERPRETATION

¹ The term “parties” when used in these Guidelines shall be interpreted broadly.

² Possible modalities for the implementation of these Guidelines include practice directions and commercial guides

Guideline 1: In furtherance of paragraph F above, the courts should encourage administrators in Parallel Proceedings to cooperate in all aspects of the case, including the necessity of notifying the courts at the earliest practicable opportunity of issues present and potential that may (a) affect those proceedings; and (b) benefit from communication and coordination between the courts. For the purpose of these Guidelines, “administrator” includes a liquidator, trustee, judicial manager, administrator in administration proceedings, debtor-in-possession in a reorganisation or scheme of arrangement, or any fiduciary of the estate or person appointed by the court.

Guideline 2: Where a court intends to apply these Guidelines (whether in whole or in part and with or without modification) in particular Parallel Proceedings, it will need to do so by a protocol or an order³, following an application by the parties or pursuant to a direction of the court if the court has the power to do so.

Guideline 3: Such protocol or order should promote the efficient and timely administration of Parallel Proceedings. It should address the coordination of requests for court approvals of related decisions and actions when required and communication with creditors and other parties. To the extent possible, it should also provide for timesaving procedures to avoid unnecessary and costly court hearings and other proceedings.

Guideline 4: These Guidelines when implemented are not intended to:

- (i) interfere with or derogate from the jurisdiction or the exercise of jurisdiction by a court in any proceedings including its authority or supervision over an administrator in those proceedings;
- (ii) interfere with or derogate from the rules or ethical principles by which an administrator is bound according to any applicable law and professional rules;
- (iii) prevent a court from refusing to take an action that would be manifestly contrary to the public policy of the jurisdiction; or
- (iv) confer or change jurisdiction, alter substantive rights, interfere with any function or duty arising out of any applicable law, or encroach upon any applicable law.

Guideline 5: For the avoidance of doubt, a protocol or order under these Guidelines is procedural in nature. It should not constitute a limitation on or waiver by the court of any powers, responsibilities, or authority or a substantive determination of any matter in controversy before the court or before the other court or a waiver by any of the parties of any of their substantive rights and claims.

Guideline 6: In the interpretation of these Guidelines or any protocol or order under these Guidelines, due regard shall be given to their international origin and to the need to promote good faith and uniformity in their application.

³ In the normal case, the parties will agree on a protocol derived from these Guidelines and obtain the approval of each court in which the protocol is to apply.

COMMUNICATION BETWEEN COURTS

Guideline 7: A court may receive communications from a foreign court and may respond directly to them. Such communications may occur for the purpose of the orderly making of submissions and rendering of decisions by the courts, and to coordinate and resolve any procedural, administrative or preliminary matters relating to any joint hearing where Annex A is applicable. Such communications may take place through the following methods or such other method as may be agreed by the two courts in a specific case:

- (i) Sending or transmitting copies of formal orders, judgments, opinions, reasons for decision, endorsements, transcripts of proceedings or other documents directly to the other court and providing advance notice to counsel for affected parties in such manner as the court considers appropriate.
- (ii) Directing counsel to transmit or deliver copies of documents, pleadings, affidavits, briefs or other documents that are filed or to be filed with the court to the other court in such fashion as may be appropriate and providing advance notice to counsel for affected parties in such manner as the court considers appropriate.
- (iii) Participating in two-way communications with the other court, in which case Guideline 8 should be considered.

Guideline 8: In the event of communications between courts, unless otherwise directed by any court involved in the communications whether on an *ex parte* basis or otherwise, or permitted by a protocol, the following shall apply:

- (i) In the normal case, parties may be present.
- (ii) If the parties are entitled to be present, advance notice of the communications shall be given to all parties in accordance with the rules of procedure applicable in each of the courts to be involved in the communications and the communications between the courts shall be recorded and may be transcribed. A written transcript may be prepared from a recording of the communications that, with the approval of each court involved in the communications, may be treated as the official transcript of the communications.
- (iii) Copies of any recording of the communications, of any transcript of the communications prepared pursuant to any direction of any court involved in the communications, and of any official transcript prepared from a recording may be filed as part of the record in the proceedings and made available to the parties and subject to such directions as to confidentiality as any court may consider appropriate.
- (iv) The time and place for communications between the courts shall be as directed by the courts. Personnel other than judges in each court may communicate with each other to establish appropriate arrangements for the communications without the presence of the parties.

Guideline 9: A court may direct that notice of its proceedings be given to parties in proceedings in another jurisdiction. All notices, applications, motions, and other materials served for purposes of the proceedings before the court may be ordered to be provided to such other parties by making such materials available electronically in a publicly accessible system or by facsimile transmission, certified or registered mail or delivery by courier, or in such other manner as may be directed by the court in accordance with the procedures applicable in the court.

APPEARANCE IN COURT

Guideline 10: A court may authorise a party, or an appropriate person, to appear before and be heard by a foreign court, subject to approval of the foreign court to such appearance.

Guideline 11: If permitted by its law and otherwise appropriate, a court may authorise a party to a foreign proceeding, or an appropriate person, to appear and be heard by it without thereby becoming subject to its jurisdiction.

CONSEQUENTIAL PROVISIONS

Guideline 12: A court shall, except on proper objection on valid grounds and then only to the extent of such objection, recognise and accept as authentic the provisions of statutes, statutory or administrative regulations, and rules of court of general application applicable to the proceedings in other jurisdictions without further proof. For the avoidance of doubt, such recognition and acceptance does not constitute recognition or acceptance of their legal effect or implications.

Guideline 13: A court shall, except upon proper objection on valid grounds and then only to the extent of such objection, accept that orders made in the proceedings in other jurisdictions were duly and properly made or entered on their respective dates and accept that such orders require no further proof for purposes of the proceedings before it, subject to its law and all such proper reservations as in the opinion of the court are appropriate regarding proceedings by way of appeal or review that are actually pending in respect of any such orders. Notice of any amendments, modifications, extensions, or appellate decisions with respect to such orders shall be made to the other court(s) involved in Parallel Proceedings, as soon as it is practicable to do so.

Guideline 14: A protocol or order made by a court under these Guidelines is subject to such amendments, modifications, and extensions as may be considered appropriate by the court, and to reflect the changes and developments from time to time in any Parallel Proceedings. Notice of such amendments, modifications, or extensions shall be made to the other court(s) involved in Parallel Proceedings, as soon as it is practicable to do so.

ANNEX A (JOINT HEARINGS)

Annex A to these Guidelines relates to guidelines on the conduct of joint hearings. Annex A shall be applicable to, and shall form a part of these Guidelines, with respect to courts that may signify their assent to Annex A from time to time. Parties are encouraged to address the matters set out in Annex A in a protocol or order.

ANNEX A: JOINT HEARINGS

A court may conduct a joint hearing with another court. In connection with any such joint hearing, the following shall apply, or where relevant, be considered for inclusion in a protocol or order:

- (i) The implementation of this Annex shall not divest nor diminish any court's respective independent jurisdiction over the subject matter of proceedings. By implementing this Annex, neither a court nor any party shall be deemed to have approved or engaged in any infringement on the sovereignty of the other jurisdiction.
- (ii) Each court shall have sole and exclusive jurisdiction and power over the conduct of its own proceedings and the hearing and determination of matters arising in its proceedings.
- (iii) Each court should be able simultaneously to hear the proceedings in the other court. Consideration should be given as to how to provide the best audio-visual access possible.
- (iv) Consideration should be given to coordination of the process and format for submissions and evidence filed or to be filed in each court.
- (v) A court may make an order permitting foreign counsel or any party in another jurisdiction to appear and be heard by it. If such an order is made, consideration needs to be given as to whether foreign counsel or any party would be submitting to the jurisdiction of the relevant court and/or its professional regulations.
- (vi) A court should be entitled to communicate with the other court in advance of a joint hearing, with or without counsel being present, to establish the procedures for the orderly making of submissions and rendering of decisions by the courts, and to coordinate and resolve any procedural, administrative or preliminary matters relating to the joint hearing.
- (vii) A court, subsequent to the joint hearing, should be entitled to communicate with the other court, with or without counsel present, for the purpose of determining outstanding issues. Consideration should be given as to whether the issues include procedural and/or substantive matters. Consideration should also be given as to whether some or all of such communications should be recorded and preserved.

UNDER SECTION 46 OF THE
COMPANIES' CREDITORS ARRANGEMENT ACT~~

SUPPLEMENTAL ORDER[†]

[†]As noted in several footnotes in this model order, practice under Part IV of the CCAA is still developing, and as certain issues are determined by Canadian courts, this model order will be amended to reflect the development of the law in this area.

(FOREIGN MAIN² PROCEEDING)

THIS APPLICATION, made by ~~[NAME OF FOREIGN REPRESENTATIVE]~~ Ligado Networks LLC (“Ligado” or the “Foreign Representative”), on its own behalf and in its capacity as ~~the~~ proposed foreign representative ~~(the “Foreign Representative”)~~ of the Debtors of Ligado Networks Corp., Ligado Networks Holdings (Canada) Inc., Ligado Networks (Canada) Inc., ATC Technologies, LLC, Ligado Networks Inc. of Virginia, One Dot Six LLC, One Dot Six TVCC LLC, Ligado Networks Subsidiary LLC, Ligado Networks Finance LLC and Ligado Networks Build LLC (collectively with Ligado, the “Debtors”), pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “CCAA”),² for an Order substantially in the form enclosed in the Application Record, ~~—~~ was heard by judicial videoconference via Zoom this day at 330 University Avenue, Toronto, Ontario.

ON READING the Notice of Application, the affidavit of ~~[NAME]~~ sworn [DATE], [the preliminary report of [NAME] Douglas Smith sworn January 14, 2025 (the “Smith Affidavit”), the affidavit of Sarah Lam sworn January 14, 2025 (the “Lam Affidavit”), the pre-filing report of FTI Consulting Canada Inc. (“FTI Canada”), in its capacity as proposed information officer dated [DATE]], and on being advised that the secured creditors who are likely to be affected by the charges created herein were given notice, and on hearing (the “Proposed Information Officer”), each filed,

AND UPON HEARING the submissions of counsel for the Foreign Representative, ~~[counsel for the proposed information officer,] counsel for [OTHER PARTIES], no one~~

² ~~If the Canadian Court has recognized a foreign proceeding as a “main” proceeding, then section 48 of the CCAA provides that the Court must grant certain relief, subject to any terms and conditions it considers appropriate. The provisions of the model Initial Recognition Order (Foreign Main Proceeding) fulfill the mandatory requirements of section 48 with respect to a foreign main proceeding. Section 49 of the CCAA also allows the Court to make any order that it considers appropriate for the protection of the debtor company’s property or the interests of a creditor or creditors. This Supplemental Order contains discretionary relief that might be granted by the Court in the appropriate circumstances. The Model Order Subcommittee has attempted to make the provisions of this model Order consistent with similar provisions in other model Orders. Supplemental relief (whether contained in this Order or in subsequent Orders) may also include provisions dealing with the sale of assets, the recognition of critical vendors, a claims process, or any number of other matters, or may recognize foreign orders or laws granting such relief.~~

~~appearing for [NAME]³Proposed Information Officer, and those other parties present, no one else appearing~~ although duly served as appears from the affidavit of service of ~~[NAME] sworn [DATE], and on reading the consent of [NAME OF PROPOSED INFORMATION OFFICER] to act as the information officer~~Joan Xu sworn January 14, 2025, filed:

SERVICE

1. **THIS COURT ORDERS** that the time for service of the Notice of Application and the Application Record is hereby abridged and validated⁴ so that this Application is properly returnable today and hereby dispenses with further service thereof.

INITIAL RECOGNITION ORDER

2. **THIS COURT ORDERS** that any capitalized terms not otherwise defined herein shall have the meanings given to such terms in the ~~Initial~~initial recognition order (foreign main proceeding) dated January 14, 2025 (the “Recognition Order-(Foreign Main Proceeding) dated [DATE] (the “Recognition Order”)”), the Smith Affidavit or the Lam Affidavit, as applicable.

3. **THIS COURT ORDERS** that the provisions of this Supplemental Order shall be interpreted in a manner complementary and supplementary to the provisions of the Recognition Order, provided that in the event of a conflict between the provisions of this Supplemental Order and the provisions of the Recognition Order, the provisions of the Recognition Order shall govern.

RECOGNITION OF FOREIGN ORDERS⁵

³~~Include names of secured creditors or other persons who must be served before certain relief in this model Order may be granted. See, for example, CCAA Sections 11.2(1) and 11.52(1).~~

⁴~~If service is effected in a manner other than as authorized by the Ontario *Rules of Civil Procedure*, an order validating irregular service is required pursuant to Rule 16.08 of the *Rules of Civil Procedure* and may be granted in the appropriate circumstances.~~

⁵~~This model Order adopts an approach that might be applicable to some foreign proceedings, but not others. For example, U.S. proceedings will typically generate court orders that will be brought to the Canadian Courts for recognition. Other jurisdictions may have statutory or regulatory rights (rather than court orders) that need to be recognized in Canada.~~

4. **THIS COURT ORDERS** that the following orders (collectively, the “Foreign Orders”) of ~~[NAME OF FOREIGN COURT]~~United States Bankruptcy Court for the District of Delaware made in the Foreign Proceeding are hereby recognized and given full force and effect⁶ in all provinces and territories of Canada pursuant to ~~Section~~section 49 of the CCAA:

- (a) ~~[list Foreign Orders, or portions of Foreign Orders, copies of which should be attached as schedules to this Order], attached as Schedule A to this Order,~~
- (a) **Joint Administration Order.** An Order: (I) Directing Joint Administration of Chapter 11 Cases; and (II) Granting Related Relief, a copy of which is attached hereto as **Schedule “A”**;
- (b) **Omni Retention Order.** An Order: (I) Authorizing and Approving the Appointment of Omni Agent Solutions, Inc. as Claims and Noticing Agent; and (II) Granting Related Relief, a copy of which is attached hereto as **Schedule “B”**;
- (c) **Redaction Order.** An Order: (I) Authorizing the Debtors to Redact Certain Personal Identification Information; and (II) Granting Related Relief, a copy of which is attached hereto as **Schedule “C”**;
- (d) **Foreign Representative Order.** An Order Authorizing Ligado Networks LLC To Act as Foreign Representative Pursuant to 11 U.S.C. § 1505, a copy of which is attached hereto as **Schedule “D”**;
- (e) **Cash Management Order.** An Interim Order: (I) Authorizing the Debtors to (A) Continue to Operate Their Cash Management System and Maintain Existing Bank Accounts, (B) Utilize Their Credit Cards, and (C) Engage in Intercompany Transactions; (II) Granting a Waiver of the Requirements of Section 345(b) of the Bankruptcy Code and U.S. Trustee Guidelines; and (III) Granting Related Relief, a copy of which is attached hereto as **Schedule “E”**;

~~⁶Section 50 of the CCAA provides that an order made under Part IV of the CCAA may be made on any terms and conditions that the Court considers appropriate in the circumstances. Such terms and conditions would presumably need to be consistent with the orders or laws applicable to the foreign proceeding, subject to (i) the limitations imposed by section 48(2) (an order made under section 48(1) must be consistent with any order made under the CCAA), and (ii) the limitations imposed in section 61 (which provides that the Court may apply legal or equitable rules that are not inconsistent with the CCAA, and further that the Court may refuse to do something that would be contrary to public policy). All of the Foreign Orders should be reviewed by counsel with these issues in mind, and the Court may require confirmation from counsel that there is nothing in the Foreign Orders that is inconsistent with the CCAA or that would raise the public policy exception referenced in section 61 of the CCAA.~~

- (f) **Wages Order.** An Interim Order: (I) Authorizing Them to (A) Satisfy Prepetition Obligations on Account of Compensation and Benefits Programs and (B) Continue Compensation and Benefits Programs; and (II) Granting Related Relief, a copy of which is attached hereto as **Schedule “F”**;
- (g) **Insurance Order.** An Interim Order: (I) Authorizing the Debtors to (A) Maintain Insurance Policies and Surety Bond Program and Honor Obligations Thereunder, and (B) Renew, Amend, Supplement, Extend, or Purchase Insurance Policies and Surety Bonds; and (II) Granting Related Relief, a copy of which is attached hereto as **Schedule “G”**;
- (h) **Taxes Order.** An Interim Order: (I) Authorizing the Payment of Certain Taxes and Fees; and (II) Granting Related Relief, a copy of which is attached hereto as **Schedule “H”**;
- (i) **Utilities Order.** An Interim Order: (I) Approving the Proposed Adequate Assurance of Payment for Future Utility Services and Related Procedures; (II) Prohibiting Utility Companies to Alter, Refuse, or Discontinue Services; and (III) Granting Related Relief, a copy of which is attached hereto as **Schedule “I”**; and
- (j) **DIP Order.** An Interim Order: (I) Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Use Cash Collateral; (II) Granting Liens and Superpriority Administrative Expense Claims; (III) Granting Adequate Protection; (IV) Modifying the Automatic Stay; (V) Scheduling a Final Hearing; and (VI) Granting Related Relief, a copy of which is attached hereto as **Schedule “J”**;

provided, however, that in the event of any conflict between the terms of the Foreign Orders and the Orders of this Court made in the within proceedings, the Orders of this Court shall govern with respect to Property (as defined below) in Canada.

5. **THIS COURT ORDERS** that ~~[NAME OF INFORMATION OFFICER]~~ (the ~~“FTI~~ Canada (in such capacity, the “Information Officer”) is hereby appointed as an officer of this

Court, with the powers and duties set out herein and in any other Order made in these proceedings.

NO PROCEEDINGS AGAINST THE ~~DEBTORS~~DEBTORS OR THE PROPERTY⁸

6. **THIS COURT ORDERS** that from the date of the Recognition Order until such date as this Court may order (the "Stay Period") no proceeding or enforcement process in any court or tribunal in Canada (each, a "Proceeding") shall be commenced or continued against or in respect of the Debtors or affecting their business (the "Business") or their current and future assets, undertakings and properties of every nature and kind whatsoever, and wherever situate including all proceeds thereof (the "Property"), except with the written consent of the Debtors or with leave of this Court,⁹ and any and all Proceedings currently under way against or in respect of any of the Debtors or affecting the Business or the Property are hereby stayed and suspended pending further Order of this Court.

NO EXERCISE OF RIGHTS OR REMEDIES

7. **THIS COURT ORDERS** that during the Stay Period, all rights and remedies of any individual, firm, corporation, governmental body or agency, or any other entities (all of the foregoing, collectively being "Persons" and each being a "Person") against or in respect of the Debtors ~~[or the Foreign Representative]~~, or affecting the Business or the Property, are hereby stayed and suspended except with the written consent of the Debtors or with leave of this Court,

⁸The Model Order Subcommittee notes that a "Non-Derogation of Rights" section (found, for example, in the Model Initial CCAA Order) has not been included in this model Order. In a 'full' CCAA proceeding, which would typically include a stay of proceedings made under section 11.02 of the CCAA, a number of actions or steps cannot be stayed, or the stay is subject to certain limits and restrictions. See, for example, CCAA Sections 11.01, 11.04, 11.06, 11.07, 11.08, and 11.1(2). However, in a Part IV proceeding, section 48 of the CCAA (rather than section 11.02 of the CCAA) is being relied upon when a stay of proceedings is being sought, and despite the wording of section 48(2) and section 61, it is not clear if the restrictions applicable to a section 11.02 stay of proceedings are also applicable to a section 48 stay of proceedings, or would restrict the recognition of foreign proceedings or foreign orders that include a stay of proceedings broader than permitted in a section 11.02 stay of proceedings. These issues remain open for determination by Canadian courts.

⁹Where the Court considers it to be appropriate, it may authorize other Persons, including a Court-appointed Information Officer, to provide consent to any Proceeding. This same comment applies in paragraphs 6 through 11 of this Order.

provided that nothing in this Order shall (i) prevent the assertion of or the exercise of rights and remedies outside of Canada, (ii) empower any of the Debtors to carry on any business in Canada which that Debtor is not lawfully entitled to carry on, (iii) ~~affect such investigations or Proceedings by a regulatory body as are permitted by section 11.1 of the CCAA,~~ (iv) prevent the filing of any registration to preserve or perfect a security interest, or (v) prevent the registration of a claim for lien.

NO INTERFERENCE WITH RIGHTS

8. **THIS COURT ORDERS** that during the Stay Period, no Person shall discontinue, fail to honour, alter, interfere with, repudiate, terminate or cease to perform any right, renewal right, contract, agreement, licence or permit in favour of or held by any of the Debtors and affecting the Business in Canada, except with the written consent of the Debtors or with leave of this Court.

ADDITIONAL PROTECTIONS

9. **THIS COURT ORDERS** that during the Stay Period, all Persons having oral or written agreements with the Debtors or statutory or regulatory mandates for the supply of goods and/or services in Canada, including without limitation all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, utility or other services provided in respect of the Property or Business of the Debtors, are hereby restrained until further Order of this Court from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Debtors, and that the Debtors shall be entitled to the continued use in Canada of their current premises, bank accounts, telephone numbers, facsimile numbers, internet addresses and domain names.¹⁰

10. ~~THIS COURT ORDERS~~ that during the Stay Period, and except as permitted by subsection 11.03(2) of the CCAA, or with leave of this Court, no Proceeding may be commenced

~~¹⁰Section 11.01 of the CCAA provides that no order made under section 11 or 11.02 has the effect of (a) prohibiting a person from requiring immediate payment for goods, services, etc. provided after the order is made, or (b) requiring the further advance of money or credit. It is unclear whether these provisions also apply to an order made pursuant to section 48 of the CCAA. Please see the discussion in footnote 8 above.~~

or continued against any of the former, current or future directors or officers of the Debtors with respect to any claim against the directors or officers that arose before the date hereof and that relates to any obligations of the Debtors whereby the directors or officers are alleged under any law to be liable in their capacity as directors or officers for the payment or performance of such obligations.^{††}

11. **THIS COURT ORDERS** that no Proceeding shall be commenced or continued against or in respect of the Information Officer, except with leave of this Court. In addition to the rights and protections afforded the Information Officer herein, or as an officer of this Court, the Information Officer shall have the benefit of all of the rights and protections afforded to a Monitor under the CCAA, and shall incur no liability or obligation as a result of its appointment or the carrying out of the provisions of this Order, save and except for any gross negligence or wilful misconduct on its part.

OTHER PROVISIONS RELATING TO INFORMATION OFFICER

12. **THIS COURT ORDERS** that the Information Officer:

- (a) is hereby authorized to provide such assistance to the Foreign Representative in the performance of its duties as the Foreign Representative may reasonably request;
- (b) shall report to this Court ~~at least once every [three] months~~ periodically, as the Information Officer considers appropriate, with respect to the status of these proceedings and the status of the Foreign Proceedings, which reports may include information relating to the Property, the Business, or such other matters as may be relevant to the proceedings herein;
- (c) ~~in addition to the periodic reports referred to in paragraph 12(b) above, the Information Officer may report to this Court at such other times and intervals as~~

~~the Information Officer may deem appropriate with respect to any of the matters referred to in paragraph 12(b) above;~~

(~~dc~~) shall have full and complete access to the Property, including the premises, books, records, data, including data in electronic form, and other financial documents of the Debtors, to the extent that is necessary to perform its duties arising under this Order; and

13. **THIS COURT ORDERS** that the Debtors ~~and~~, including Ligado in its capacity as the Foreign Representative, shall (i) advise the Information Officer of all material steps taken by the Debtors or the Foreign Representative in these proceedings or in the Foreign ~~Proceedings~~Proceeding, (ii) co-operate fully with the Information Officer in the exercise of its powers and discharge of its obligations, and (iii) provide the Information Officer with the assistance that is necessary to enable the Information Officer to adequately carry out its functions.

14. **THIS COURT ORDERS** that the Information Officer shall not take possession of the Property ~~and~~, shall take no part whatsoever in the management or supervision of the management of the Business and shall not, by fulfilling its obligations hereunder, be deemed to have taken or maintained possession or control of the Business or Property, or any part thereof.

15. **THIS COURT ORDERS** that the Information Officer (i) shall post on ~~its website~~the Case Website (as defined below) all Orders of this Court made in these proceedings, all reports of the Information Officer filed herein, and such other materials as this Court may order from time to time, and (ii) may post on ~~its website~~the Case Website any other materials that the Information Officer deems appropriate.

16. **THIS COURT ORDERS** that the Information Officer may provide any creditor of a Debtor with information provided by the Debtors in response to reasonable requests for

information made in writing by such creditor addressed to the Information Officer. The Information Officer shall not have any responsibility or liability with respect to the information disseminated by it pursuant to this paragraph. In the case of information that the Information Officer has been advised by the Debtors is privileged or confidential, the Information Officer shall not provide such information to creditors unless otherwise directed by this Court or on such terms as the Information Officer, the Foreign Representative and the relevant Debtors may agree.

17. **THIS COURT ORDERS** that Canadian counsel to the Foreign Representative, the Information Officer, and counsel to the Information Officer, shall be paid by the Debtors their reasonable fees and disbursements incurred in respect of these proceedings, both before and after the making of this Order, in each case at their standard rates and charges unless otherwise ordered by the Court on the passing of accounts. The Debtors are hereby authorized and directed to pay the accounts of Canadian counsel to the Foreign Representative, the Information Officer and counsel for the Information Officer on a ~~[TIME INTERVAL]~~ periodic basis as accounts are rendered and, in addition, the Debtors are hereby authorized to pay to the Information Officer and counsel to the Information Officer, ~~retainers,~~ each in the amount~~[s]~~ of ~~[\$[AMOUNT OR AMOUNTS] [, respectively,]~~ 75,000, to be held by them as security for payment of their respective fees and disbursements outstanding from time to time.

18. **THIS COURT ORDERS** that the Information Officer and its legal counsel and Canadian counsel to the Foreign Representative shall pass their accounts from time to time, and for this purpose the accounts of the Information Officer and its legal counsel and Canadian counsel to the Foreign Representative are hereby referred to a judge of the Commercial List of the Ontario Superior Court of Justice, and the accounts of the Information Officer and its counsel and Canadian counsel to the Foreign Representative shall not be subject to approval in the Foreign Proceeding.

19. **THIS COURT ORDERS** that the Information Officer ~~and~~ counsel to the Information Officer, ~~if any,~~ and Canadian counsel to the Foreign Representative shall be entitled to the benefit of and are hereby granted a charge (the “Administration Charge”) on the Property in Canada, which charge shall not exceed an aggregate amount of ~~[\$[AMOUNT]~~ 750,000, as security for their professional fees and disbursements incurred in respect of these proceedings,

both before and after the making of this Order. The Administration Charge shall have the priority set out in paragraphs ~~¶21~~ and ~~¶23~~ hereof.

INTERIM FINANCING¹²

20. **THIS COURT ORDERS** that the DIP ~~Lender~~Agent shall be entitled to the benefit of and is hereby granted a charge (the "DIP Lender's Charge") on the Property in Canada, which DIP ~~Lender's~~Lender's Charge shall be consistent with the liens and charges created by the ~~[DESCRIBE DIP LOAN ORDER MADE IN THE FOREIGN PROCEEDING]~~Interim Order: (I) Authorizing the Debtors to (A) Obtain Postpetition Financing and (B) Use Cash Collateral; (II) Granting Liens and Superpriority Administrative Expense Claims; (III) Granting Adequate Protection; (IV) Modifying the Automatic Stay; (V) Scheduling a Final Hearing; and (VI) Granting Related Relief made in the Foreign Proceeding, provided however that the DIP ~~Lender's~~Lender's Charge (i) shall not secure an obligation that exists before this Order is made,¹³ and (ii) with respect to the Property in Canada, shall have the priority set out in paragraphs ~~¶21~~ and ~~¶23~~ hereof, and further provided that the DIP ~~Lender's~~Lender's Charge shall not be enforced except with leave of this Court.

VALIDITY AND PRIORITY OF CHARGES CREATED BY THIS ORDER

21. **THIS COURT ORDERS** that the priorities of the Administration Charge and the DIP Lender's Charge, as among them, shall be as follows:¹⁴

~~¹²Optional — if there is a DIP Lender which takes security over assets in Canada or in respect of Canadian Debtors. If more comprehensive interim financing provisions are required, please refer to the model CCAA Initial Order for sample provisions.~~

~~¹³This restriction appears in the interim financing provisions found in section 11.2(1) of the CCAA. It is unclear if this prohibits the recognition of a foreign order that creates a DIP Lender's Charge securing pre-filing obligations.~~

~~¹⁴The ranking of these Charges is for illustration purposes only, and is not meant to be determinative. This ranking may be subject to negotiation, and should be tailored to the circumstances of the case before the Court. Similarly, the quantum and caps applicable to the Charges should be considered in each case. Please also note that the CCAA now permits Charges in favour of critical suppliers and others, which should also be incorporated into this Order (and the rankings, above), where appropriate.~~

First – Administration Charge (to the maximum amount of ~~[\$[AMOUNT]]~~750,000); and

Second – DIP Lender’s Charge.

22. **THIS COURT ORDERS** that the filing, registration or perfection of the Administration Charge or the DIP Lender’s Charge (collectively, the “Charges”) shall not be required, and that the Charges shall be valid and enforceable for all purposes, including as against any right, title or interest filed, registered, recorded or perfected subsequent to the Charges coming into existence, notwithstanding any such failure to file, register, record or perfect the Charges.

23. **THIS COURT ORDERS** that each of the Administration Charge and the DIP Lender’s Charge (all as constituted and defined herein) shall constitute a charge on the Property in Canada and such Charges shall rank in priority to all other security interests, trusts, liens, charges and encumbrances, claims of secured creditors, statutory or otherwise (collectively, “Encumbrances”) in favour of any Person.

24. **THIS COURT ORDERS** that except as otherwise expressly provided for herein, or as may be approved by this Court, the Debtors shall not grant any Encumbrances over any Property in Canada that rank in priority to, or *pari passu* with, the Administration Charge or the DIP Lender’s Charge, unless the Debtors also obtain the prior written consent of the Information Officer and the DIP ~~Lender~~Agent.

25. **THIS COURT ORDERS** that the Administration Charge and the DIP Lender’s Charge shall not be rendered invalid or unenforceable and the rights and remedies of the chargees entitled to the benefit of the Charges (collectively, the “Chargees”) shall not otherwise be limited or impaired in any way by (i) the pendency of these proceedings and the declarations of insolvency made herein; (ii) any application(s) for bankruptcy order(s) issued pursuant to the Bankruptcy and Insolvency Act, R.S.C. 1985, c. B-3 (the “BIA”), or any bankruptcy order made pursuant to such applications; (iii) the filing of any assignments for the general benefit of creditors made pursuant to the BIA; (iv) the provisions of any federal or provincial statutes; or (v) any negative covenants, prohibitions or other similar provisions with respect to borrowings, incurring debt or the creation of Encumbrances, contained in any existing loan documents, lease,

sublease, offer to lease or other agreement (collectively, an "Agreement") which binds any Debtor, and notwithstanding any provision to the contrary in any Agreement:

- (a) the creation of the Charges shall not create or be deemed to constitute a breach by a Debtor of any Agreement to which it is a party;
- (b) none of the Chargees shall have any liability to any Person whatsoever as a result of any breach of any Agreement caused by or resulting from the creation of the Charges; and
- (c) the payments made by the Debtors to the Chargees pursuant to this Order, and the granting of the Charges, do not and will not constitute preferences, fraudulent conveyances, transfers at undervalue, oppressive conduct, or other challengeable or voidable transactions under any applicable law.

26. **THIS COURT ORDERS** that any Charge created by this Order over leases of real property in Canada shall only be a Charge in the applicable ~~Debtor's~~Debtor's interest in such real property leases.

SERVICE AND NOTICE

27. **THIS COURT ORDERS** that that the E-Service Protocol of the Commercial List (the **"Protocol"**) is approved and adopted by reference herein and, in this proceeding, the service of documents made in accordance with the Protocol (which can be found on the Commercial List website at [httphttps://www.ontariocourts.ca/scj/practice/~~practice-directions/toronto/e-service-protocol~~regional-practice-directions/eservice-commercial/](httphttps://www.ontariocourts.ca/scj/practice/practice-directions/toronto/e-service-protocol/regional-practice-directions/eservice-commercial/)) shall be valid and effective service. Subject to Rule 17.05 this Order shall constitute an order for substituted service pursuant to Rule 16.04 of the Rules of Civil Procedure. Subject to Rule 3.01(d) of the Rules of Civil Procedure and paragraph 21 of the Protocol, service of documents in accordance with the Protocol will be effective on transmission. This Court further orders that a ~~Case Website~~case website shall be established in accordance with the Protocol with the following URL ~~—'@>':~~ <http://cfcanada.fticonsulting.com/ligado/> (the **"Case Website"**).

28. **THIS COURT ORDERS** that if the service or distribution of documents in accordance with the Protocol is not practicable, the Debtors, the Foreign Representative and the Information Officer are at liberty to serve or distribute this Order, any other materials and orders in these proceedings, any notices or other correspondence, by forwarding true copies thereof by prepaid ordinary mail, courier, personal delivery or facsimile transmission to the Debtors' creditors or other interested parties at their respective addresses as last shown on the records of the applicable Debtor and that any such service or distribution by courier, personal delivery or facsimile transmission shall be deemed to be received on the next business day following the date of forwarding thereof, or if sent by ordinary mail, on the third business day after mailing.

GENERAL

29. **THIS COURT ORDERS** that the Information Officer may from time to time apply to this Court for advice and directions in the discharge of its powers and duties hereunder.

30. **THIS COURT ORDERS** that nothing in this Order shall prevent the Information Officer from acting as an interim receiver, a receiver, a receiver and manager, a monitor, a proposal trustee, or a trustee in bankruptcy of any Debtor, the Business or the Property.

31. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in the ~~JURISDICTION OF THE FOREIGN PROCEEDING~~ United States of America, to give effect to this Order and to assist the Debtors, the Foreign Representative, the Information Officer, and their respective agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Debtors, the Foreign Representative, and the Information Officer, the latter as an officer of this Court, as may be necessary or desirable to give effect to this Order, or to assist the Debtors, the Foreign Representative, and the Information Officer and their respective agents in carrying out the terms of this Order.

32. **THIS COURT ORDERS** that each of the Debtors, the Foreign Representative and the Information Officer be at liberty and is hereby authorized and empowered to apply to any court,

tribunal, regulatory or administrative body, wherever located, for the recognition of this Order and for assistance in carrying out the terms of this Order.

33. **THIS COURT ORDERS** that the Guidelines for Court-to-Court Communications in Cross-Border Cases developed by the American Law Institute and attached as **Schedule [*]“K”** hereto is adopted by this Court for the purposes of these recognition proceedings.

34. **THIS COURT ORDERS** that any interested party may apply to this Court to vary or amend this Order or seek other relief on not less than seven (7) days' notice to the Debtors, the Foreign Representative, the Information Officer and their respective counsel, and to any other party or parties likely to be affected by the order sought, or upon such other notice, if any, as this Court may order.

35. **THIS COURT ORDERS AND DECLARES** that this Order shall be effective as of ~~[TIME]~~12:01 a.m. Eastern Standard Time on the date of this Order.¹⁵ and is not required to be entered.

¹⁵~~The time referenced in this Order should be the same time as the time referenced in the Recognition Order, if the two Orders are made on the same date. In the absence of such a provision, Rule 59.01 of the Ontario *Rules of Civil Procedure* appears to indicate that an Order is effective as of 12:01 a.m. on the date of the Order (Rule 59.01 provides that "An order is effective from the date on which it is made, unless it provides otherwise").~~

SCHEDULE "A"

SCHEDULE “K”GUIDELINES FOR COMMUNICATION AND COOPERATION BETWEEN
COURTS IN CROSS-BORDER INSOLVENCY MATTERSINTRODUCTION

- A. The overarching objective of these Guidelines is to improve in the interests of all stakeholders the efficiency and effectiveness of cross-border proceedings relating to insolvency or adjustment of debt opened in more than one jurisdiction (“Parallel Proceedings”) by enhancing coordination and cooperation amongst courts under whose supervision such proceedings are being conducted. These Guidelines represent best practice for dealing with Parallel Proceedings.
- B. In all Parallel Proceedings, these Guidelines should be considered at the earliest practicable opportunity.
- C. In particular, these Guidelines aim to promote:
- (i) the efficient and timely coordination and administration of Parallel Proceedings;
 - (ii) the administration of Parallel Proceedings with a view to ensuring relevant stakeholders’ interests are respected;
 - (iii) the identification, preservation, and maximisation of the value of the debtor's assets, including the debtor's business;
 - (iv) the management of the debtor’s estate in ways that are proportionate to the amount of money involved, the nature of the case, the complexity of the issues, the number of creditors, and the number of jurisdictions involved in Parallel Proceedings;
 - (v) the sharing of information in order to reduce costs; and
 - (vi) the avoidance or minimisation of litigation, costs, and inconvenience to the parties¹ in Parallel Proceedings.
- D. These Guidelines should be implemented in each jurisdiction in such manner as the jurisdiction deems fit².
- E. These Guidelines are not intended to be exhaustive and in each case consideration ought to be given to the special requirements in that case.
- F. Courts should consider in all cases involving Parallel Proceedings whether and how to implement these Guidelines. Courts should encourage and where necessary direct, if they have the power to do so, the parties to make the necessary applications to the court to facilitate such implementation by a protocol or order derived from these Guidelines, and

¹ The term “parties” when used in these Guidelines shall be interpreted broadly.

² Possible modalities for the implementation of these Guidelines include practice directions and commercial guides

encourage them to act so as to promote the objectives and aims of these Guidelines wherever possible.

ADOPTION & INTERPRETATION

Guideline 1: In furtherance of paragraph F above, the courts should encourage administrators in Parallel Proceedings to cooperate in all aspects of the case, including the necessity of notifying the courts at the earliest practicable opportunity of issues present and potential that may (a) affect those proceedings; and (b) benefit from communication and coordination between the courts. For the purpose of these Guidelines, “administrator” includes a liquidator, trustee, judicial manager, administrator in administration proceedings, debtor-in-possession in a reorganisation or scheme of arrangement, or any fiduciary of the estate or person appointed by the court.

Guideline 2: Where a court intends to apply these Guidelines (whether in whole or in part and with or without modification) in particular Parallel Proceedings, it will need to do so by a protocol or an order³, following an application by the parties or pursuant to a direction of the court if the court has the power to do so.

Guideline 3: Such protocol or order should promote the efficient and timely administration of Parallel Proceedings. It should address the coordination of requests for court approvals of related decisions and actions when required and communication with creditors and other parties. To the extent possible, it should also provide for timesaving procedures to avoid unnecessary and costly court hearings and other proceedings.

Guideline 4: These Guidelines when implemented are not intended to:

- (i) interfere with or derogate from the jurisdiction or the exercise of jurisdiction by a court in any proceedings including its authority or supervision over an administrator in those proceedings;
- (ii) interfere with or derogate from the rules or ethical principles by which an administrator is bound according to any applicable law and professional rules;
- (iii) prevent a court from refusing to take an action that would be manifestly contrary to the public policy of the jurisdiction; or
- (iv) confer or change jurisdiction, alter substantive rights, interfere with any function or duty arising out of any applicable law, or encroach upon any applicable law.

Guideline 5: For the avoidance of doubt, a protocol or order under these Guidelines is procedural in nature. It should not constitute a limitation on or waiver by the court of any powers, responsibilities, or authority or a substantive determination of any matter in controversy before the court or before the other court or a waiver by any of the parties of any of their substantive rights and claims.

³ In the normal case, the parties will agree on a protocol derived from these Guidelines and obtain the approval of each court in which the protocol is to apply.

Guideline 6: In the interpretation of these Guidelines or any protocol or order under these Guidelines, due regard shall be given to their international origin and to the need to promote good faith and uniformity in their application.

COMMUNICATION BETWEEN COURTS

Guideline 7: A court may receive communications from a foreign court and may respond directly to them. Such communications may occur for the purpose of the orderly making of submissions and rendering of decisions by the courts, and to coordinate and resolve any procedural, administrative or preliminary matters relating to any joint hearing where Annex A is applicable. Such communications may take place through the following methods or such other method as may be agreed by the two courts in a specific case:

- (i) Sending or transmitting copies of formal orders, judgments, opinions, reasons for decision, endorsements, transcripts of proceedings or other documents directly to the other court and providing advance notice to counsel for affected parties in such manner as the court considers appropriate.
- (ii) Directing counsel to transmit or deliver copies of documents, pleadings, affidavits, briefs or other documents that are filed or to be filed with the court to the other court in such fashion as may be appropriate and providing advance notice to counsel for affected parties in such manner as the court considers appropriate.
- (iii) Participating in two-way communications with the other court, in which case Guideline 8 should be considered.

Guideline 8: In the event of communications between courts, unless otherwise directed by any court involved in the communications whether on an *ex parte* basis or otherwise, or permitted by a protocol, the following shall apply:

- (i) In the normal case, parties may be present.
- (ii) If the parties are entitled to be present, advance notice of the communications shall be given to all parties in accordance with the rules of procedure applicable in each of the courts to be involved in the communications and the communications between the courts shall be recorded and may be transcribed. A written transcript may be prepared from a recording of the communications that, with the approval of each court involved in the communications, may be treated as the official transcript of the communications.
- (iii) Copies of any recording of the communications, of any transcript of the communications prepared pursuant to any direction of any court involved in the communications, and of any official transcript prepared from a recording may be filed as part of the record in the proceedings and made available to the parties and subject to such directions as to confidentiality as any court may consider appropriate.
- (iv) The time and place for communications between the courts shall be as directed by the courts. Personnel other than judges in each court may communicate with each other to establish appropriate arrangements for the communications without the presence of the parties.

Guideline 9: A court may direct that notice of its proceedings be given to parties in proceedings in another jurisdiction. All notices, applications, motions, and other materials served for purposes of the proceedings before the court may be ordered to be provided to such other parties by making such materials available electronically in a publicly accessible system or by facsimile transmission, certified or registered mail or delivery by courier, or in such other manner as may be directed by the court in accordance with the procedures applicable in the court.

APPEARANCE IN COURT

Guideline 10: A court may authorise a party, or an appropriate person, to appear before and be heard by a foreign court, subject to approval of the foreign court to such appearance.

Guideline 11: If permitted by its law and otherwise appropriate, a court may authorise a party to a foreign proceeding, or an appropriate person, to appear and be heard by it without thereby becoming subject to its jurisdiction.

CONSEQUENTIAL PROVISIONS

Guideline 12: A court shall, except on proper objection on valid grounds and then only to the extent of such objection, recognise and accept as authentic the provisions of statutes, statutory or administrative regulations, and rules of court of general application applicable to the proceedings in other jurisdictions without further proof. For the avoidance of doubt, such recognition and acceptance does not constitute recognition or acceptance of their legal effect or implications.

Guideline 13: A court shall, except upon proper objection on valid grounds and then only to the extent of such objection, accept that orders made in the proceedings in other jurisdictions were duly and properly made or entered on their respective dates and accept that such orders require no further proof for purposes of the proceedings before it, subject to its law and all such proper reservations as in the opinion of the court are appropriate regarding proceedings by way of appeal or review that are actually pending in respect of any such orders. Notice of any amendments, modifications, extensions, or appellate decisions with respect to such orders shall be made to the other court(s) involved in Parallel Proceedings, as soon as it is practicable to do so.

Guideline 14: A protocol or order made by a court under these Guidelines is subject to such amendments, modifications, and extensions as may be considered appropriate by the court, and to reflect the changes and developments from time to time in any Parallel Proceedings. Notice of such amendments, modifications, or extensions shall be made to the other court(s) involved in Parallel Proceedings, as soon as it is practicable to do so.

ANNEX A (JOINT HEARINGS)

Annex A to these Guidelines relates to guidelines on the conduct of joint hearings. Annex A shall be applicable to, and shall form a part of these Guidelines, with respect to courts that may signify their assent to Annex A from time to time. Parties are encouraged to address the matters set out in Annex A in a protocol or order.

ANNEX A: JOINT HEARINGS

A court may conduct a joint hearing with another court. In connection with any such joint hearing, the following shall apply, or where relevant, be considered for inclusion in a protocol or order:

- (i) The implementation of this Annex shall not divest nor diminish any court's respective independent jurisdiction over the subject matter of proceedings. By implementing this Annex, neither a court nor any party shall be deemed to have approved or engaged in any infringement on the sovereignty of the other jurisdiction.
- (ii) Each court shall have sole and exclusive jurisdiction and power over the conduct of its own proceedings and the hearing and determination of matters arising in its proceedings.
- (iii) Each court should be able simultaneously to hear the proceedings in the other court. Consideration should be given as to how to provide the best audio-visual access possible.
- (iv) Consideration should be given to coordination of the process and format for submissions and evidence filed or to be filed in each court.
- (v) A court may make an order permitting foreign counsel or any party in another jurisdiction to appear and be heard by it. If such an order is made, consideration needs to be given as to whether foreign counsel or any party would be submitting to the jurisdiction of the relevant court and/or its professional regulations.
- (vi) A court should be entitled to communicate with the other court in advance of a joint hearing, with or without counsel being present, to establish the procedures for the orderly making of submissions and rendering of decisions by the courts, and to coordinate and resolve any procedural, administrative or preliminary matters relating to the joint hearing.
- (vii) A court, subsequent to the joint hearing, should be entitled to communicate with the other court, with or without counsel present, for the purpose of determining outstanding issues. Consideration should be given as to whether the issues include procedural and/or substantive matters. Consideration should also be given as to whether some or all of such communications should be recorded and preserved.
