10. The details of the work carried out by the Receiver in these proceedings, and for which the Court's approval is sought at this time, are set out in the two Reports of the Receiver to the Court (collectively, the "Receiver's Reports") prepared and filed by the Receiver in these proceedings, being the Receiver's First Report dated August 12, 2023, and the Second Report of the Receiver dated March 15, 2024.
