("**Lingo**", and together with PTUS and PTI, the "**U.S. Primus Entities**", and collectively with Holdco and Primus Canada, the "**Primus Entities**" or the "**Applicants**") make this application for an Initial Order substantially in the form attached at tab 3 of the Application Record, among other things:

- (a) abridging the time for service of this Notice of Application and dispensing with service on any person other than those served;
- (b) declaring that the Primus Entities are parties to which the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the "**CCAA**") applies;
- (c) appointing FTI Consulting Canada Inc. as an officer of this Court to monitor the assets, businesses and affairs of the Primus Entities (in such capacity, the "**Monitor**");
- (d) staying all proceedings taken or that might be taken in respect of the Primus Entities, their directors and officers and the Monitor;
- (e) authorizing the Primus Entities to file with this Court a plan of compromise or arrangement;
- (f) restraining all persons having oral or written agreements with the Primus Entities or statutory or regulatory mandates for the supply of goods and/or services to the Primus Entities, including without limitation all computer software, communication and other data services, centralized banking services, payroll services, insurance, transportation services, and, for greater certainty, the credit card

processing services provided by Chase Paymentech Solutions, from discontinuing, altering, interfering with or terminating the supply of such goods or services as may be required by the Primus Entities;

- (g) granting the following charges over the property of the Primus Entities, to rank behind all other security interests, trusts, liens, charges and encumbrances, claims of secured creditors, statutory or otherwise, in favour of any Person that has not been served with notice of this order, including, subject to further Order of this Court :

- (i) granting such further and other relief as this Court may deem just.

2. The grounds for the application are as follows:

## The Applicants

- (a) Holdco and Primus Canada are private companies incorporated under the *Business Corporations Act*, RSO 1900, c B 16, with registered head offices in Toronto, Ontario. PTUS, PTI, and Lingo are private companies incorporated under the laws of Delaware, with registered head offices in Wilmington, Delaware;
- (b) Holdco is the principal holding company of the Primus Entities, with PTUS and Primus Canada the wholly owned subsidiaries of Holdco. PTUS is the holding company for PTI and Lingo, which are the Primus Entities' U.S. operating companies. Primus Canada is the Primus Entities' Canadian operating company;
- (c) The Primus Entities carry on business in Canada and the United States re-selling telecommunications services;
- (d) The Primus Entities employ approximately 530 people in Canada and the United States;

## The Primus Entities' Financial Difficulties

- (e) The Primus Entities have been and continue to be facing severe liquidity issues due to, *inter alia*, over-leverage, revenue declines and high capital costs. The Primus Entities' significant fixed costs have hindered their ability to respond to such revenue declines;
- (f) As a result of, *inter alia*, the decline in demand for long-distance, local phone, and pre-paid calling cards, and combined with the Primus Entities' inability to offer mobile telephone services and to compete with service bundles, earnings before interest, taxes, depreciation and

amortization (“EBITDA”) and net operating profits have deteriorated over the last three years, and continue to deteriorate;

### **The Primus Entities are Insolvent**

- (g) The Primus Entities do not have the liquidity to meet their payment obligations as they become due and they are unable to satisfy the financial covenants set out in their secured credit agreements;
- (h) The Primus Entities have defaulted under these credit agreements which, if enforced, the Primus Entities would not be able to satisfy. The Primus Entities have operated under forbearance agreements in respect of these defaults since February 4, 2015;
- (i) The Primus Entities have been unable to successfully restructure their business and operations outside of formal insolvency proceedings;
- (j) Without protection under the CCAA, a shut-down of operations or the commencement of self-remedy measures by creditors is inevitable, which would be extremely detrimental to the Primus Entities’ employees, suppliers, customers, and other stakeholders;

### **Other Grounds**

- (k) The provisions of the CCAA, including ss. 2(1), 3(1), 11.02(3), 11.51, 11.52(2) and 56;
- (l) The inherent and equitable jurisdiction of this Court;
- (m) Rules 2.03, 3.02, 14.05(2), 16 and 38 of the Ontario *Rules of Civil Procedure*, R.R.O. 1990, Reg. 194, as amended; and

(n) such further and other grounds as counsel may advise and this court may permit.

3. The following documentary evidence will be used at the hearing of the application:

- (a) the Affidavit of Michael Nowlan sworn January 18, 2015, and the exhibits attached thereto;
- (b) the Pre-Filing Report of FTI Consulting Canada Inc., as proposed Monitor; and
- (c) such further and other evidence as counsel may advise and this Court may permit.

**AFFIDAVIT OF MICHAEL NOWLAN  
(Sworn January 18, 2016)  
(Re CCAA Initial Application)**

I, Michael Nowlan, of the Town of Newmarket, in the Province of Ontario,  
MAKE OATH AND SAY:

1. I am the Chief Executive Officer of the Applicants PT Holdco, Inc. ("**Holdco**"), Primus Telecommunications Canada Inc. ("**Primus Canada**"), PTUS, Inc. ("**PTUS**"), Primus Telecommunications, Inc. ("**PTI**") and Lingo, Inc. ("**Lingo**", and together with PTUS and PTI, the "**U.S. Primus Entities**", and collectively with Holdco and Primus Canada, the "**Primus Entities**" or the "**Applicants**"). As such, I have knowledge of the matters to which I hereinafter depose, except where otherwise stated. I have also reviewed the records of the Primus Entities and have spoken with certain of the directors, officers and/or employees of the Primus Entities, as necessary, and where I have relied upon such information do verily believe such information to be true.
2. All references to currency in this affidavit are references to Canadian dollars, unless otherwise indicated.

## A. INTRODUCTION

3. This affidavit is sworn in support of an application by the Primus Entities for an order (the “**Initial Order**”) pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”).

4. The Primus Entities are also seeking this Court’s authorization to apply for recognition of these CCAA proceedings as a “foreign main proceeding” under Chapter 15 of Title 11 of the United States Code (the “**Bankruptcy Code**”) and authorizing FTI Consulting Canada Inc. (“**FTI**”), if appointed monitor (in such capacity, the “**Monitor**”) in these proceedings, to act as the Applicants’ Chapter 15 “foreign representative”.

5. The Primus Entities carry on business in Canada and the United States re-selling telecommunications services. Primus Canada offers a wide selection of residential and business telecommunications services including: internet, voice over internet protocol (“**VoIP**”)<sup>1</sup>, hosted private branch exchange (“**H-PBX**”)<sup>2</sup>, local phone, long distance phone, pre-paid calling cards and wholesale long distance capacity to smaller telecommunications service providers. The U.S. Primus Entities provide digital home phone and other telecommunication services to residential and commercial customers. The Primus Entities do not provide wireless phone services.

6. As described in greater detail below, the Primus Entities, with assistance from their professional advisors, have been and continue to be facing severe liquidity issues due to, among other things, over-leverage, revenue declines and high capital costs. As a result, the Primus Entities have been unable to meet various

---

<sup>1</sup> “VoIP” refers to the delivery of voice communications and multimedia sessions over Internet Protocol (IP) networks, such as the internet.

<sup>2</sup> “H-PBX” refers to phone systems that utilize cloud-based technology and allow the host (in this case, the Primus Entities) to centrally manage its customers’ systems, and without a related capital investment by the customer.

financial and other covenants with their secured lenders, do not have the liquidity needed to meet their ongoing payment obligations with their senior secured lenders, have entered into forbearance arrangements with them and began considering restructuring alternatives.

7. As part of their restructuring efforts, the Primus Entities, with assistance from their professional advisors, have conducted a thorough canvass of the market for prospective purchasers of their assets and business which resulted in several offers. One offer to purchase substantially all of the assets of the Primus Entities is considered by the boards of directors of the Primus Entities to be the best in the circumstances.

8. That offer and the resulting APA (as defined and described in greater detail below) is conditional upon a CCAA filing and Court approval. The Primus Entities intend to return to the Court to seek approval of the offer and resulting APA, and certain related relief, at a later date on notice to appropriate parties. Based on the purchase price under the APA, it is currently anticipated that the Primus Entities' first-ranking secured creditors will suffer a shortfall in recovering on their debt.

9. At this time, however, the Primus Entities are only seeking protection under the CCAA and certain ancillary relief as outlined in the draft Initial Order.

10. Without protection under the CCAA, a shut-down of operations or the commencement of self-remedy measures by creditors are inevitable, which would be extremely detrimental to the Primus Entities' employees, suppliers, customers, and other stakeholders. CCAA protection will allow the Primus Entities to implement the sale of their assets for the benefit of all their stakeholders.

11. The board of directors of each of the Primus Entities has authorized this Application.

## B. THE PRIMUS ENTITIES

### Corporate Structure

12. Holdco is a private company incorporated under the Ontario *Business Corporations Act*, R.S.O. 1900, c. B. 16 (the "OBCA"). Holdco holds 100% of the shares of Primus Canada and PTUS. Holdco's registered head office is located at 5343 Dundas Street West, Suite 400, Toronto, Ontario.

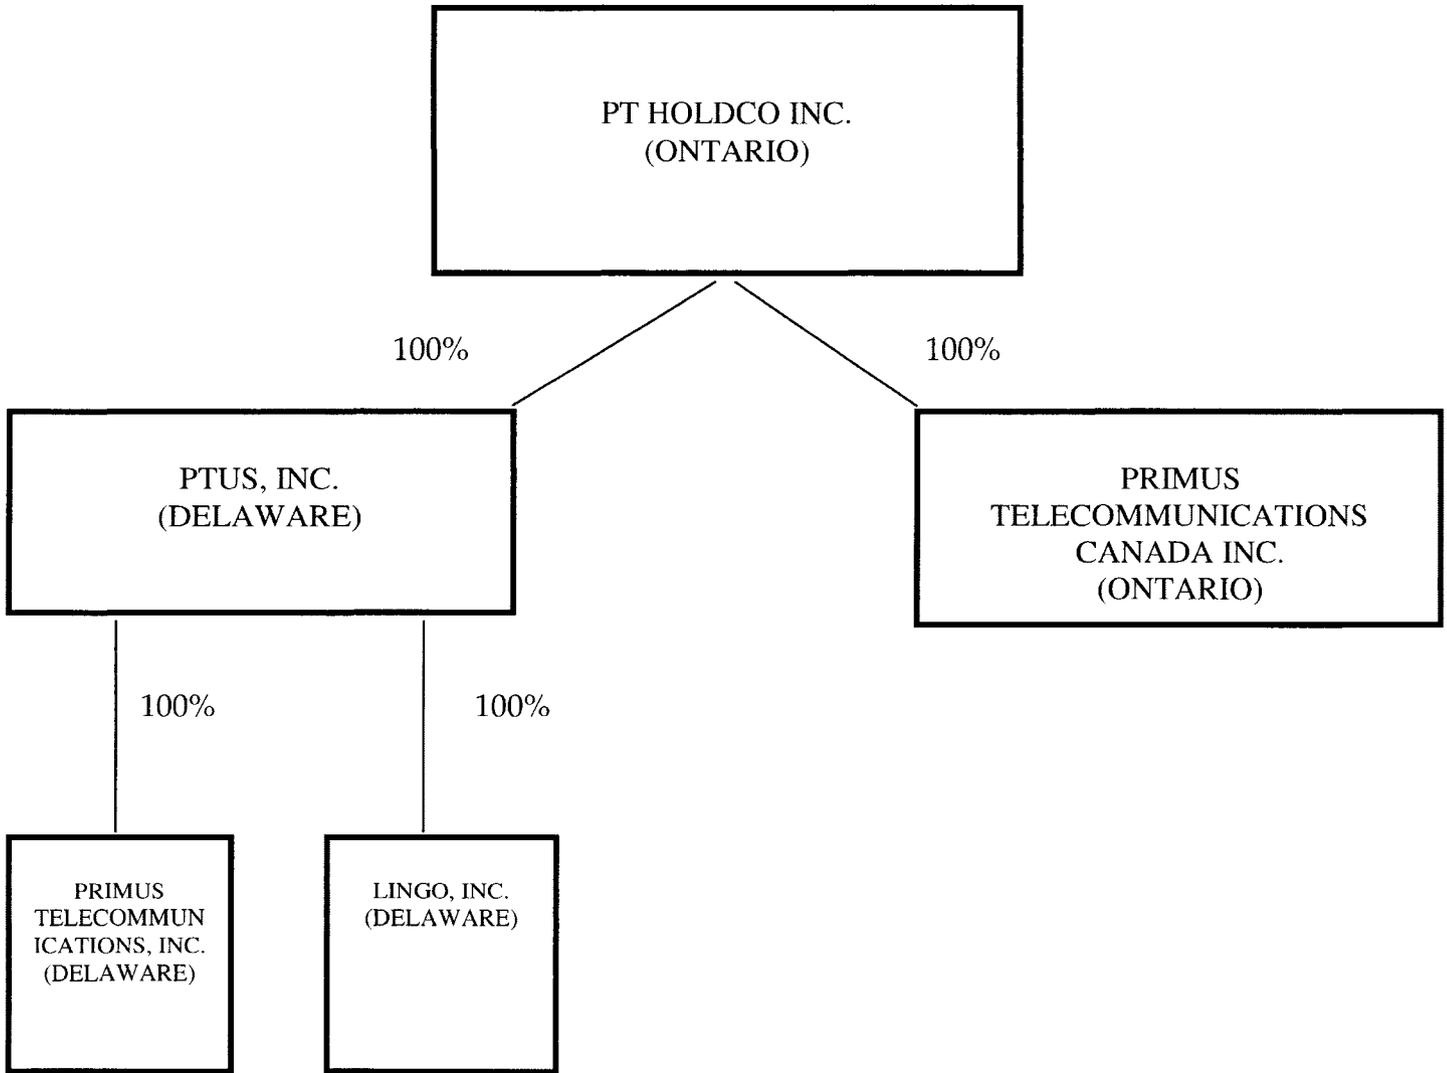

13. Primus Canada is a private company incorporated under the OBCA. Primus Canada is the Primus Entities' Canadian operating company. Primus Canada's registered head office is located at 5343 Dundas Street West, Suite 400, Toronto, Ontario.

14. PTUS is a subsidiary of Holdco and a private company incorporated under the laws of Delaware. PTUS holds 100% of the shares of PTI and Lingo and has no independent operations. PTUS's registered head office is located at 2711 Centreville Road, Suite 400, Wilmington, New Castle County, Delaware.

15. PTI is a private company incorporated under the laws of Delaware. PTI is in the business of selling telecommunications services primarily consisting of telephone and long distance voice services. PTI's registered head office is the same as PTUS.

16. Lingo is a private company incorporated under the laws of Delaware. Lingo offers VoIP telephone and long-distance voice services to both residential and small business customers. Lingo's registered head office is the same as PTUS.

17. The following chart shows the corporate structure of the Primus Entities, with the percentages reflecting equity interests.

## The Business of the Primus Entities

18. The Primus Entities re-sell a wide selection of residential and business telecommunications services (with the exception of wireless phone services). The revenue generated by Primus Canada accounts for approximately 88% of the Primus Entities' gross revenue. 78% of Primus Canada's revenue is generated in Ontario, with 10% in Quebec, 6% in British Columbia, 4% in Alberta, and 2% from other provinces. The U.S. Primus Entities generate the balance of the Primus Entities' gross revenue.

### *Primus Canada*

#### The Telecommunications Industry

19. The Canadian telecommunications industry operates under the supervision of the Canadian Radio-television and Telecommunications Commission (the "CRTC"), and is regulated by the *Telecommunications Act*, S.C. 1993, c. 38. As discussed in greater detail below, where the CRTC determines there is inadequate or limited market competition, the CRTC regulates matters such as certain rates, the terms and conditions under which carriers provide services, the exchange of telecommunications traffic between carriers, and inter-carrier arrangements.

20. The major carriers in Canada's telecommunications services industry are BCE Inc. ("**Bell**"), Rogers Communications Inc. ("**Rogers**"), Telus Corporation ("**Telus**"), MTS Inc./Allstream Inc. ("**Allstream**") and Shaw Communications Inc. ("**Shaw**" and together with Bell, Rogers, Telus and Allstream, the "**Major Carriers**").

21. The Major Carriers are Canada's five largest telecommunications service providers ("**TSPs**"). Combined, including their affiliates, they accounted for more than 84% of total market revenues in 2014. The next five largest TSPs accounted for

9% of total market revenues in 2014. Accordingly, the top 10 TSPs collectively capture 93% of industry revenues; the remaining TSPs capture the balance.

22. The top 10 TSPs are facilities-based service providers, meaning that they own and operate the majority of the transmission equipment required to provide their telecommunications services. The vast majority of the remaining TSPs are “re-sellers”.<sup>3</sup>

23. “Re-sellers” are TSPs who acquire (and require) wholesale services from other TSPs to provide telecommunications services to their own customers. Under a typical re-selling agreement, the wholesaler is responsible for physical service delivery and the re-seller manages the customer relationship. As a result, the wholesalers own and operate the majority of the necessary infrastructure to provide telecommunications services but the consumers deal exclusively with the re-seller.

24. The CRTC has mandated that the Major Carriers make certain services available to re-sellers. The Major Carriers sell these services to Primus Canada (and other re-sellers) at prices determined by the CRTC; all other services offered by Primus Canada are purchased at negotiated rates.

### Services

25. Primus Canada offers a wide selection of residential and business telecommunications services. Residential services include VoIP, residential internet services, traditional local phone, long distance phone, and pre-paid calling cards. Business services include H-PBX, local line, long distance, internet and data access services to small-to-medium-sized businesses. Primus Canada also provides wholesale long distance capacity and ancillary services to smaller

---

<sup>3</sup> CRTC Telecommunications Monitoring Report:  
<http://www.crtc.gc.ca/eng/publications/reports/policymonitoring/2015/cmr5.htm#a5d>

telecommunications service providers. Primus Canada provides its services exclusively through re-selling, as described below.

26. Primus Canada does not own sufficient telecommunications network infrastructure to service its customers without purchasing services from a Major Carrier.

27. Primus Canada conducts its business through re-selling other TSPs' (primarily the Major Carriers) services purchased at wholesale rates determined by the CRTC, or through rates negotiated directly with the TSPs (the "**Re-Sell Services**"). The majority of Primus Canada's gross revenue is earned through the provision of Re-Sell Services.

28. Certain elements of Primus Canada's services are supplied from 83 "co-locations" which it rents from Bell (74), Telus (5), and Allstream (4). The CRTC obligates the Major Carriers to make space at certain of their facilities available for rent by secondary carriers at a fixed cost (a "co-location arrangement"). Primus Canada maintains hardware at such co-locations and these co-locations allows it to supply local phone, internet, and VoIP services for higher margins.

29. The CRTC regulates what services the Major Carriers must make available to secondary carriers at co-locations. Currently, the services provided by secondary carriers like Primus from co-locations are limited. For example, the higher margin internet offered by Primus Canada through its equipment located in the co-location sites is very restricted in the speeds offered and the geographic range of service covered due to several factors regulated by CRTC which limit competitive access to the Major Carrier fiber network from the co-location sites to the end customer.

### Suppliers

30. Primus Canada is heavily dependent on the Major Carriers for both the Re-Sell Services business and the co-locations business. Primus Canada's largest Re-

Sell Services vendors are Bell, Allstream, Rogers and Telus, accounting for approximately 50% of all supplier obligations to Primus Canada as at November 30, 2015. Bell is Primus Canada's single largest vendor.

31. Primus Canada is also heavily dependent on its credit card processing service providers, including, without limitation, Chase Paymentech Solutions, Inc. ("Chase"). Approximately 30% of Primus Canada's customers pay for their services via credit card. Customers contract for services by the Primus Entities and arrange to pay for these services going forward by credit card. The credit card issuer extends credit to the cardholder by debiting the cardholder's credit card account. Upon being notified of the transaction, Chase pays the applicable Primus Entity and subsequently receives payment from the credit card issuer who deals with payment from the credit card holder. There is a protocol in place for post-processing rejection and restitution, which is set out in the credit card processing agreement between the parties. Without Chase, Primus Canada is unable to process any credit card transactions.

#### Customers

32. Primus Canada has approximately 204,000 residential customers and 23,000 commercial accounts. In 2015, approximately 56% of Primus Canada's revenue was generated from residential customers, and approximately 44% was generated from commercial customers.

33. Typical residential agreements are for terms of two years or less. Primus Canada's commercial customer contracts are generally for two to three year terms. If a residential customer prematurely terminates their agreement, he or she is required to pay out the balance of the contract's term. For commercial contracts, early termination penalties vary among contracts but generally consist of a cancellation fee of 50 to 70% of the amount payable for the remaining contract term.

### Licensing

34. Primus Canada holds the following regulatory authorizations:
- (a) Reseller of Telecommunications Services Registration (CRTC);
  - (b) Basic International Telecommunications Services License (CRTC);
  - (c) Digital Subscriber Line Provider Registration (CRTC);
  - (d) Reseller of High Speed Internet Service Registration (CRTC);
  - (e) Competitive Local Exchange Carrier Registration (“CLEC”); Recognition of Fulfillment of CLEC Obligations and Permission to Operate as a Type 1 and Type 3 CLEC (CRTC).
35. The above authorizations are material to the business of Primus Canada. Without them, Primus Canada’s business could not operate.

### Market Competition

#### *Other Carriers*

36. Primus Canada competes against the Major Carriers, whose collective market share is 84%. By comparison, the market share of Primus Canada is approximately 0.6% of wireline revenues.
37. The Major Carriers offer a broader range of services than those offered by Primus Canada, such as cellular and television. These services are offered on a bundled basis with products that compete with Primus Canada’s products, which Primus Canada cannot do.

38. Primus Canada competes against the Major Carriers for customers by offering services at lower price points and offering services tailored to medium-sized businesses.

39. Primus Canada also competes against other secondary carriers – *i.e.*, non-Major Carriers – including, for example, TekSavvy Solutions Inc., Comwave Networks Inc., Yak Communications (Canada) Corp. and Distributel Communications Limited. According to the CRTC, secondary carriers such as Primus make up 87% of the number of competitors in the wireline services marketplace while accounting for only 6% of the total telecommunications revenue in Canada in 2014.<sup>4</sup>

*CRTC Review*

40. The current regulatory environment does not require Major Carriers to make their residential “fiber to the home” (“FTTH”) network available to secondary carriers. This limits the ability of secondary carriers to offer residential high-speed internet services in areas where the fiber-optic network is the only mode of offering residential high-speed internet. A CRTC ruling on July 22, 2015 proposed to open access to FTTH services for secondary carriers over a period of time. Bell Canada has appealed this ruling to the Federal Cabinet and the outcome of that appeal is still pending.

41. The current regulatory environment restricts the means by which Primus Canada, and secondary carriers generally, can sell residential high-speed internet services purchased from the Major Carriers. The same July 22, 2015 ruling, among other things, mandates the Major Carriers to broaden the means by which

---

<sup>4</sup> CRTC Telecommunications Monitoring Report:  
<http://www.crtc.gc.ca/eng/publications/reports/policymonitoring/2015/cmr5.htm#a5d>

secondary carriers can Re-Sell residential high-speed internet services from co-locations, referred to as Disaggregated Broadband Service (“DBS”).

42. Once implemented, DBS could increase Primus Canada’s profitability by utilizing its co-location sites to more profitably deliver high-speed internet services to residential customers. The details of the implementation of DBS have yet to be determined, including details on network interconnections and costs to be charged under this new regulatory framework. Bell has sought to have the CRTC “review and vary” its July 22, 2015 decision and the outcome of this application are pending.

43. Primus Canada is unable to quantify the potential impact of the July 22, 2015 ruling due to the uncertainty surrounding the implementation details and the outcomes from the various Bell challenges. However, Primus Canada believes that it would enjoy a competitive advantage over other secondary carriers under the DBS regulatory structure because Primus Canada’s co-location infrastructure is significantly more developed than other secondary carriers. Even so, it is expected that the implementation of such a ruling by the CRTC would be 12 to 18 months.

### *U.S. Primus Entities*

#### Services

44. The U.S. Primus Entities account for 12% of the Primus Entities’ gross revenue.

45. The U.S. Primus Entities primarily offer digital home phone service via VoIP technology which accounts for 39% and long-distance phone which accounts for the balance of their revenue.

### Suppliers

46. The U.S. Primus Entities' largest supplier currently is PTGi International Carrier Services, Inc. ("PTGi-ICS"). PTGi-ICS is the wholesale supplier of long-distance phone service for resale by PTI; however, PTGi-ICS recently gave notice to terminate this agreement effective March 31, 2016.

### Customers

47. The U.S. Primus Entities have approximately 27,000 residential customers. Approximately 1,100 customers are located in Puerto Rico; the balance of the U.S. Primus Entities' customers are located in the United States.

### Regulatory Environment

48. The Federal Communications Commission (the "FCC") regulates telecommunications policies in the United States. Given the small size of the U.S. Primus Entities' business, any changes in FCC policy are not expected to materially impact the Primus Entities' overall performance.

49. The U.S. Primus Entities are fully compliant with the American telecommunications licensing regime.

### Integration between U.S. Primus Entities and Canadian Primus Entities

50. The Primus Entities' business is intertwined throughout the various Primus Entities' corporations. The Primus Entities share networks, platforms, infrastructure and personnel, including senior management.

51. More particularly, certain functions are completely integrated across all Primus Entities. The Primus Entities' executive management, located in Canada, is responsible for the strategic direction of the U.S. Primus Entities, and the Primus

Entities' Human Resources department, also located in Canada, is responsible for such functions on an entity-wide basis.

52. Employees of the U.S. Primus Entities also support Canadian operations. For example, certain American customer care employees provide support to Canadian customers and certain American engineers assist with Canadian network support.

**Employees**

53. As at December 9, 2015 the Primus Entities employed approximately 500 people in Canada and 28 in the United States. The Primus Entities' employees by location are summarized below:

<b>Location</b>	<b>Primus Entity</b>	<b>Employees</b>
<b>Canada</b>		
Toronto	Primus Canada	242
London	Primus Canada	3
Vancouver	Primus Canada	11
Markham	Primus Canada	12
Ottawa	Primus Canada	81
Edmundston	Primus Canada	147
<b>United States</b>		
Cedar Rapids, IO	PTI	4
Tampa, FL	PTI	4

54. In addition to the above, there are 6 employees in Canada and 20 in the United States who have made arrangements to work off-site.

55. The Primus Entities' workforce is non-unionized.

56. The Primus Entities do not have a pension plan for their employees.

## Offices and Facilities

### *Canada*

57. Primus Canada leases its head office in Toronto, Ontario.
58. Primus Canada has two primary “switch sites”<sup>5</sup> located at 151 Front Street West, Toronto, Ontario, and 555 West Hastings Street, Vancouver, British Columbia.
59. Primus Canada leases sales and support offices in London, Ontario and Vancouver, British Columbia.
60. Primus Canada leases an office located in Markham, Ontario.
61. Primus Canada leases two customer support centres located in Ottawa, Ontario, and Edmundston, New Brunswick.

### *United States*

62. PTI leases office space in Cedar Rapids, Iowa. Four employees work out of that location and support the Primus Entities’ Canadian and U.S. operations.
63. PTI also leases and operates an office in Tampa, Florida. Four employees work out of that location and their primary role is to provide customer support for the Puerto Rico customer base.

### Cash Management System

64. In the ordinary course of their business, the Primus Entities use a centralized cash management system (the “**Cash Management System**”) to, among other things, collect funds and pay expenses associated with their operations.

65. As particularized below, the Primus Entities maintain bank accounts in both Canada and the U.S. for their Canadian and U.S. operations as well as accounts related to the holding companies.

66. In Canada, the Primus Entities maintain 13 bank accounts with the Bank of Montreal (“**BMO**”), consisting of:

- (a) 8 bank accounts for Primus Canada;
- (b) 2 bank accounts for Holdco;
- (c) 1 bank account for PTUS;
- (d) 1 bank account for Lingo; and
- (e) 1 bank account for PTI.

67. In the United States, the Primus Entities maintain 11 bank accounts: one account with Banco Popular in Puerto Rico, one bank account with U.S. Bancorp (“**US Bank**”), and 9 bank accounts with Bank of America (“**BOA**”).

68. In Canada,

- (a) disbursements required to operate the business are made out of two BMO Canadian dollar disbursement accounts; the US dollar operating account; or the primary operating concentration account, all accounts being in the name of Primus Canada;

- (b) the Primus Entities' Canadian payroll is funded through the primary operating concentration account;
- (c) Primus Canada uses Ceridian HCM, Inc. and the U.S. Primus Entities use ADP LLC to disburse payroll directly to employees and to make necessary statutory remittances; and
- (d) cash payments from customers are typically received by cheque, credit card processed by Chase, pre-authorized direct bank deposit processed by BMO or electronic transfer and are deposited directly into one of three primary bank accounts. Payments that are received in the form of cheques are either received at Primus Canada's offices and deposited into a local branch of BMO or sent to a lockbox operated by Symcor Inc. and transferred directly to Primus Canada's accounts at BMO.

69. In the United States,

- (a) disbursements required to operate the business are made from one BOA account in the name of Lingo or one BOA account in the name of PTI;
- (b) the U.S. Primus Entities' payroll is funded through one BOA account in the name of PTI;
- (c) the U.S. Primus Entities use ADP LLC to disburse payroll directly to employees and to make necessary statutory remittances; and
- (d) cash payments from customers are typically received by cheque, electronic transfer, or credit card processed by Chase and are deposited into one of three bank accounts: a Lingo deposit account with BOA, a PTI deposit account with Banco Popular, a PTI deposit account with US Bank, or one of three BOA accounts held by PTI.

70. Primus Canada's Canadian dollar deposit and disbursement accounts are ultimately aggregated into the operating concentration account at the end of each day pursuant to a zero-balancing arrangement in place with BMO.

71. Continued access to the Cash Management System without disruption is critical to the ongoing business of the Applicants.

**Assets**

72. The Primus Entities prepare financial statements on a consolidated basis. As reflected in the unaudited consolidated financial statements of the Primus Entities for the eleven months' ended November 30, 2015, the assets of the Primus Entities had a book value of approximately \$145 million and consisted of the following:

---

Cash and equivalents	2,896,794	
Accounts receivable	11,329,605	
Prepaid expenses	2,280,362	
Inventory, deposits and other receivables	<u>1,649,540</u>	
<b>Total Current Assets</b>	<b>\$18,156,301</b>	
Capital assets		26,958,328
Goodwill and other intangibles		98,596,009
Restricted cash		295,000
Deferred charges		<u>1,142,342</u>
		<u>126,991,680</u>
<b>Total Assets</b>		<b>\$145,147,981</b>

---

73. Capital assets include network infrastructure equipment and associated installation costs; software and associated development costs; fiber optic network capacity that the Primus Entities own; capital costs associated with leasehold

improvement work; equipment used for voice telecommunications services; infrastructure equipment for the US network; equipment provided to customers for rent; computers; office equipment and phone systems; and automobiles.

74. The “Goodwill and other intangibles” line item represents intangible assets and consists of goodwill, brand and customer list intangibles, at 43%, 21% and 36%, respectively.

**Liabilities**

75. As at November 30, 2015, the Primus Entities had liabilities on a consolidated basis totalling approximately \$101 million.

76. The principal debt obligations of the Primus Entities are described in more detail below.

*Current Liabilities*

77. In addition to the principal debt obligations, as at November 30, 2015, the Primus Entities had approximately \$30.4 million of other current liabilities, including:

Accounts payable	7,887,868
Accrued liabilities	7,483,255
Income taxes payable	(23,336)
Deferred revenue	6,097,555
Other current liabilities	8,940,829
<b>Total Current Liabilities</b>	<b>\$30,386,172</b>

### Credit Agreement

78. Primus Canada is indebted to BMO, HSBC Bank Canada (“**HSBC**”) and ATB Corporate Financial Services (“**ATB**”, and together with BMO and HSBC, the “**Syndicate**”), in the amount of \$40,070,000 pursuant to a Credit Agreement dated July 31, 2013, (as amended by an amending agreement (the “**Amending Agreement**”) dated September 23, 2014 (the “**Credit Agreement**”). The Credit Agreement matures on July 31, 2017.

### *Secured Debt*

79. The Credit Agreement is comprised of two main credit facilities (the “**Facilities**”). Facility A is a secured revolving credit facility under which Primus Canada can draw up to \$10,000,000 for general working capital purposes, subject to a borrowing base calculation. Facility B is a secured non-revolving credit facility under which the Syndicate made one advance to Primus Canada in the amount of \$60,000,000. The Primus Entities also have a “swingline” facility under the Credit Agreement pursuant to which they have drawn a letter of credit in the approximate amount of \$295,000 in relation to their tenancy at the customer support centre in Ottawa, Ontario.

80. Under the Credit Agreement, Primus Canada has granted comprehensive first-ranking security to BMO as administrative agent of the Syndicate over all of its assets pursuant to, among other things, a general security agreement. I am advised that counsel to the proposed Monitor is preparing an independent security review which will be included in a future report of the proposed Monitor.

81. Primus Canada’s obligations under the Credit Agreement are guaranteed by all of the Primus Entities. Such guarantees are also secured by substantially all of the assets of the Primus Entities pursuant to, among other things, general security agreements and a deed of hypothec, with (a) *Personal Property Security Act* (“**PPSA**”)

filing statements registered in the following jurisdictions: Holdco (Ontario); Primus Canada (British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, New Brunswick and Quebec); and Lingo (Ontario); and (b) UCC registrations in the following jurisdictions: Primus Canada (District of Columbia); PTUS (Delaware); Primus US (Delaware); and Lingo (Delaware).

82. In an event of default under the Credit Agreement, any credit issued under the Facilities becomes due and payable upon written notice to Primus Canada.

83. Primus Canada is also a counterparty to three swap agreements (together, the “**Swap Agreements**”) with the Syndicate lenders HSBC, ATB and BMO (each being a “**Swap Bank**” and together, the “**Swap Banks**”) in the approximate amount of \$20,250,000. While each agreement is distinct, the terms of each are virtually identical. Under the Swap Agreements, Primus Canada has agreed to pay each Swap Bank a fixed rate of interest (1.97%) on a notional principal amount (which declines over time) on specific dates. Concurrently, each Swap Bank has agreed to make payments based on a floating interest rate to Primus Canada on that same notional principal on the same specified dates for the same specified time period. The Primus Entities’ obligations under the Swap Agreements are secured by the general security agreement.

84. If terminated as at January 14, 2016 under the Swap Agreement, the Swap Banks would be entitled to a payment in the approximate amount of \$375,000 from Primus. The Swap Agreements expire July 31, 2017.

#### Subordinate Credit Agreement

85. Primus Canada is also indebted to the Manufacturers Life Insurance Company (“**Manulife**”) and BMO Capital Partners (“**BMOCP**” and together with Manulife, the “**Subordinate Lenders**”), in the principal amount of \$20,000,000 (the “**Subordinate Debt**”) pursuant to a subordinate credit agreement (such credit

agreement, as amended, the “**Subordinate Credit Agreement**”) dated July 31, 2013, as amended by an amending agreement dated September 23, 2014. The Subordinate Credit Agreement matures on July 31, 2018. As of November 30, 2015, Primus Canada is indebted to the Subordinate Lenders in the amount of \$22,971,359.94 inclusive of accrued interest.

86. Under the Subordinate Credit Agreement, Manulife and BMOCP each established a credit facility for Primus Canada in the maximum principal amounts of \$14,600,000 and \$5,400,000, respectively. Such funds were made available to Primus Canada by way of a single advance.

87. Under the Subordinate Credit Agreement, Primus Canada has granted a security interest to Manulife as collateral agent of the Subordinate Lenders over all of its assets pursuant to, among other things, a general security agreement, which security interest ranks behind the security granted to the Syndicate pursuant to the terms of an Intercreditor Agreement (defined below).

88. Primus Canada’s obligations under the Subordinate Credit Agreement are guaranteed by all of the Primus Entities. Such guarantees are also secured by substantially all of the assets of the Primus Entities pursuant to, among other things, general security agreements and a deed of hypothec, with (a) PPSA filing statements registered in the following jurisdictions: Holdco (Ontario); Primus Canada (British Columbia, Alberta, Saskatchewan, Manitoba, Ontario, New Brunswick and Quebec); and Lingo (Ontario); and (b) UCC registrations in the following jurisdictions: Primus Canada (District of Columbia); PTUS (Delaware); Primus US (Delaware); and Lingo (Delaware).

89. In an event of default under the Subordinate Credit Agreement, any credit issued under the Subordinate Credit Agreement becomes due and payable upon written notice to Primus Canada.

### Intercreditor Agreement

90. The relative priorities and rights between the Syndicate (as the senior lenders) and Manulife (as the subordinate lenders) is governed by the intercreditor agreement dated July 31, 2013 (the “**Intercreditor Agreement**”). A copy of the Intercreditor Agreement is attached as **Exhibit “A”** hereto.

91. As provided in Section 3 of the Intercreditor Agreement, the Subordinate Lenders are fully subordinated to the prior repayment in full of all obligations owing to the Syndicate and the security of the Syndicate under the Credit Agreement, to the full extent of the amounts owing thereon ranks ahead of the security of the Subordinate Lenders under the Subordinate Credit Agreement, to the full extent of the amounts owing thereon.

### **C. FINANCIAL DIFFICULTIES**

92. The Primus Entities have been experiencing and continue to experience severe strains on their cash flow as a result of, among other things, declining revenues, the Primus Entities’ customer base transitioning to lower profit margin services and over-leverage. The Primus Entities’ significant fixed costs have hindered their ability to quickly and adequately respond to such revenue declines.

93. As a result, the Primus Entities’ earnings before interest, taxes, depreciation and amortization (“**EBITDA**”) and net operating profit have deteriorated over the last three years, and continue to deteriorate. While EBITDA has stabilized over the last seven months due to cost management and reduced marketing activities, this level of EBITDA is insufficient to meet the obligations under the secured credit agreements.

### *Revenue*

94. Since 2012, the Primus Entities' revenue has declined an average of 9% per year. The Primus Entities' Canadian residential business, representing approximately 56% of their gross revenue for 2015, has declined an average of 9% year-over-year ("YOY") since 2012.

95. Changing technology and, as a result, consumer behaviour is the primary driver behind the residential sector revenue decline. Advances in network and wireless technology have decreased demand for long-distance and local phone, and pre-paid calling cards (the "**Legacy Services**"). In addition, rapid growth in the sale of bundled TV, internet, and voice services by the Major Carriers have exerted considerable price pressures on the markets that the Primus Entities compete in.

96. Consumer preferences are shifting towards mobile technology and high-speed internet. The Primus Entities do not have the capability to provide mobile services. The Primus Entities' internet services offered through their co-location sites are primarily limited to lower-speed offerings. As such, the Primus Entities' internet service customers have been rapidly transitioning from higher margin co-location services to materially lower margin re-sell services.

97. The Primus Entities' residential service offering primarily involves the provision of Legacy Services, with high-speed internet services representing a growth offering. In the past, Legacy Services were the Primus Entities' largest revenue generator. Since 2012, however, the Primus Entities' revenue from Legacy Services in Canada has declined 18% YOY and 25% YOY in the United States.

98. Moreover, in 2013, Bell accelerated the promotion of its bundled high-speed internet, TV, and voice service offerings (the "**Triple Play**" bundle) leading to considerable pricing pressures on the market for such services. The Primus Entities

do not offer TV services, and thus cannot create a bundle offering to compete against the bundled offerings of the Major Carriers.

99. The attraction of new customers in 2014 and Q1 of 2015 has also contributed to the Primus Entities' profitability decline. Each new customer represents additional marketing, hardware and installation costs, as well as staffing costs related to the on-boarding of those customers.

100. It can take up to a year before the costs associated with a new customer are recovered. Therefore, adding new customers to offset the rapidly declining Legacy Services revenues requires significant capital. Due to limits imposed by its capital structure, a lack of new capital availability, and the decline of high profit margin Legacy Services and co-location services revenues, the Primus Entities have had to constrain their customer growth initiatives.

101. As a result of the decline in demand for Legacy Services, the Primus Entities' inability to offer mobile services and their inability to compete with Bell's Triple Play bundle (or similar bundles offered by the other Major Carriers), the Primus Entities' gross revenue decreased from \$229,024,000 in the fiscal year ended 2012 ("FY2012") to \$198,511,000 in the fiscal year ended 2013 ("FY2013") and to \$180,078,000 in the fiscal year ended 2014 ("FY2014") and is forecasted to decline to \$165,859,252 in the fiscal year ended 2015 ("FY2015").

### *Expenditures*

102. The Primus Entities have high fixed overhead costs, which cannot be materially reduced as they relate to functions that are necessary to run the Primus Entities' business. Such costs stem from supporting a national telecommunications infrastructure with the related engineering and support requirements. Moreover, as the Primus Entities' customer base has been steadily declining, any reductions in overhead costs are outweighed by declining revenue.

103. In order to maintain and grow their service offerings, the Primus Entities incur capital expenditures (“**Capex**”) every year. Such Capex include (i) hardware related to the sales of H-PBX and VoIP; (ii) network and client premises equipment expenditures required to support new customers; (iii) maintenance and replacement of components in network infrastructure; (iv) investment in network and internet delivery infrastructure; (v) capitalized employee and consulting costs associated with network projects; and (vi) maintenance and improvements to the Primus Entities’ information systems, software, servers and storage capacity.

104. Over the past four years, the Primus Entities’ annual average Capex was \$7,898,993 per year.

105. The Primus Entities are also carrying significant debt service obligations in respect of their secured debt facilities.

106. In 2015, the Primus Entities’ debt service obligations and capital expenditures totalled approximately \$18,365,182 compared to \$9,871,722 in EBITDA.

***EBITDA***

107. As a result of the declining Legacy Services revenues, the margin pressures exerted by the Primus Entities’ changing revenue mix, and the high up-front costs associated with adding new customers, the Primus Entities’ EBITDA declined from \$41,442,000 in FY2012 to \$36,073,000 in FY2013 and \$22,499,000 in FY2014 and \$9,871,722 forecasted in FY2015.

108. This annual downward trend has continued in the current fiscal year as a high volume of new customers were added in the fourth fiscal quarter of 2014 and the first fiscal quarter of 2015. For the first quarter of 2015, EBITDA has declined 89% over the same period in the prior year, from \$7,123,000 to \$753,000. Monthly

EBITDA has stabilized at approximately \$1 million per month for the last 9 months of 2015. The stabilized EBITDA is due to the reduction in marketing initiatives resulting in lower volume of new customer sign-ups, and overall cost reduction initiatives.

*Net Income/Loss*

109. The Primus Entities reported a net loss of \$830,000 in FY 2014, and a forecast a net loss of \$13,078,000 for FY2015.

110. A copy of the Primus Entities' consolidated unaudited financial statements for the eleven months ending November 30, 2015 are attached here to as **Exhibit "B"**.

111. A copy of the Primus Entities' consolidated financial statements, prepared on a 13-month rolling basis and current to November 30, 2015 are attached as **Exhibit "C"** hereto.

112. The Primus Entities have not finalized their FY2015 audited financial statements.

*Responses to Financial Difficulties*

113. As a result of the deterioration of their financial results, limited cash flow, and lack of available equity support from its shareholders the Primus Entities concluded that changes to their current business model are required.

114. The Primus engaged FTI, as financial advisor in November 2014 and in April 2015 FTI began assisting the Primus Entities in considering restructuring alternatives.

115. Modified business plans reflecting slower growth due to lack of additional growth capital were developed by management in 2015; however, such business

plans could not be implemented without concessions from the Syndicate and Subordinate lenders.

116. In order to conserve their cash flow as of May 1, 2015, the Primus Entities have: (i) reduced staffing through process improvements and matching customer base declines; (ii) reduced capital spending to customer premise equipment and necessary projects; and (iii) capped salary increases and corporate bonus payments. Further, due to the capital and operating expenses associated with new customers, the Primus Entities have significantly reduced their efforts to attract new customers since March 2015. Typically, it can take up to a year for a new customer to become cash positive for the Primus Entities and thus an increasing customer base is adverse to the Primus Entities' short term cash flow.

117. The Primus Entities attract new residential customers primarily through (i) direct mail advertising initiatives, (ii) various digital web marketing initiatives, and (iii) their presence at Costco wholesale stores. Accordingly, the Primus Entities have eliminated their direct mailing expenditures, and have reduced their web marketing initiatives and Costco presence by time and staffing levels.

118. In light of the Primus Entities' financial difficulties, the Board of Directors of Holdco (the "Board") has held regular status calls with management and the Applicants' advisors.

#### **D. DEFAULTS UNDER THE CREDIT AGREEMENTS**

##### *Credit Agreement*

119. Under the Credit Agreement, Primus Canada is required to, among other things, maintain certain debt to EBITDA ratios. Under Facility B specifically, Primus Canada is required to, among other things, make quarterly principal repayments in the amount of \$2,250,000 on the last business day of each calendar quarter. Failure to meet these covenants constitutes an event of default.

120. As of late 2014, the Primus Entities have been unable to maintain certain debt to EBITDA ratios specified under section 6.03 of the Credit Agreement (the “**Credit Agreement Defaults**”), and were therefore in default under the Credit Agreement.

121. The Credit Agreement Defaults have placed the Syndicate in a position to declare a “Standstill Period” pursuant to the Intercreditor Agreement. During a Standstill Period, Primus Canada would be prohibited from making any payments due under the Subordinate Credit Agreement, other than reasonable expenses due not in excess of \$100,000.

122. Primus Canada entered into a forbearance agreement with the Syndicate on February 4, 2015 (the “**Syndicate Forbearance Agreement**”). Under the Syndicate Forbearance Agreement, Primus Canada acknowledged the Credit Agreement Defaults and agreed to provide a revised business plan for fiscal year 2015 and specified financial information. Primus Canada further agreed that as a consequence of the Credit Agreement Defaults the Syndicate was entitled to charge an additional 2% interest in accordance with section 9.02 of the Credit Agreement, upon written notice of same. A copy of the Syndicate Forbearance Agreement is attached as **Exhibit “D”**.

123. The Syndicate Forbearance Agreement expired on February 27, 2015.

124. On the same day, the Syndicate gave notice to Primus Canada that (i) the Syndicate reserved its rights to take the steps it believes are required to, among other things, realize on its security; (ii) the Syndicate was exercising its right to charge an additional 2% per annum interest on all amounts outstanding under the Credit Agreement; and (iii) Duff & Phelps Canada Restructuring Inc. was to be appointed pursuant to section 9.09 of the Credit Agreement as a consultant to review and report the viability of the Primus Entities’ business and strategy going forward, on behalf of the Syndicate.

125. As described in greater detail below, on August 31, 2015, following extensive and careful arms-length negotiation commencing in July 2015, Primus Canada entered into a support agreement with the Syndicate lenders (the “**Support Agreement**”) further to which the Syndicate agreed to support a sale and investor solicitation process (a “**SISP**”) on a going concern basis.

*Subordinate Credit Agreement*

126. Primus Canada has also defaulted under the Subordinate Credit Agreement. Specifically, Primus Canada has not serviced its Subordinate Debt since January 31, 2015, which constitutes a default under section 9.01(b) of the Subordinate Credit Agreement and a cross-default under section 9.01(f) of the Credit Agreement. Primus Canada also did not maintain certain debt to EBITDA ratios specified under section 6.03 of the Subordinate Credit Agreement (together with the section 9.01 defaults, the “**Subordinate Credit Agreement Defaults**”).

127. Primus Canada entered into a forbearance agreement with the Subordinate Lenders on February 4, 2015 (the “**Subdebt Forbearance Agreement**”). Under the Subdebt Forbearance Agreement, Primus Canada acknowledged the Subordinate Credit Agreement Defaults and agreed to provide a revised business plan for fiscal year 2015 and specified financial information. Primus Canada further agreed that as a consequence of the Subordinate Credit Agreement Defaults the Subordinate Lenders were entitled to charge an additional 2% interest in accordance with section 9.02 of the Subordinate Credit Agreement, upon written notice of same. A copy of the Subdebt Forbearance Agreement is attached as **Exhibit “E”**.

128. The Subdebt Forbearance Agreement expired on March 2, 2015. On March 9, 2015, the Subordinate Lenders gave notice to Primus Canada that (i) due to the Subordinate Credit Agreement Defaults, interest on all amounts outstanding under the Subordinate Credit Agreement were accruing interest at a rate of 15% per annum, as of January 31, 2015, in accordance with section 3.06 of the Subordinate

Credit Agreement; and that (ii) the Subordinate Lenders have reserved their rights to take the steps they believe are required to, among other things, realize on their security.

#### **E. SUPPORT AGREEMENT AND THE SISP**

129. As mentioned above, on August 31, 2015, following extensive and careful arms-length negotiations, Primus Canada entered into a support agreement with the Syndicate lenders (the “**Support Agreement**”) further to which the Primus Entities agreed to conduct and the Syndicate agreed to support a sale and investor solicitation process (a “**SISP**”) on a going concern basis. A copy of the Support Agreement is attached as **Exhibit “F”** hereto.

##### *The Support Agreement*

130. The Primus Entities elected to pursue the SISP outside of CCAA proceedings out of concern that, among other things, a prolonged period under CCAA protection necessary to implement a post-CCAA filing sales process would have a serious and detrimental impact on the Primus Entities’ business and its customers which could diminish the value of the business as a whole. The bargain reflected in the Support Agreement was a product of a meticulous balancing of interests of Primus Entities’ various stakeholders, the result of which was to allow the Primus Entities to implement its proposed restructuring strategy (i.e., the SISP) as a going concern while preserving the position of the Syndicate Lenders and the Primus Entities’ other stakeholders if the SISP did not, ultimately, result in any restructuring transaction(s).

131. Under the Support Agreement, the Syndicate lenders agreed among other things, to:

- (a) a standard forbearance in exercising their rights and remedies as creditors;

- (b) a series of particular covenants to support the implementation and execution of the SISP, including not to take any action inconsistent with the Support Agreement or that would frustrate the consummation of any SISP transaction(s);
- (c) support the approval of any SISP transaction(s) as promptly as practicable if the transaction is acceptable to the Syndicate lenders and BMO, in its capacity as administrative agent to the Syndicate, acting reasonably; and
- (d) not to propose, vote for or otherwise support alternative arrangements under the CCAA, the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3 or otherwise (thereby circumventing the SISP at a sensitive time).

132. In exchange, Primus Canada agreed, among other things:

- (a) to certain reporting and monitoring requirements, particularly with regard to the progress of the SISP;
- (b) not to materially increase compensation, severance or other benefits payable to their employees except in accordance with the terms of the key employee retention plan (“KERP”) in the form attached to the Support Agreement<sup>6</sup>;
- (c) to adhere to an ongoing business plan, with reference to a particular cash flow projection and with detailed reporting obligations; and
- (d) to implement the SISP for the purpose of identifying one or more purchasers of and/or investors in the Primus Entities’ business with a targeted completion date for a transaction of December 31, 2015.

---

<sup>6</sup> The Primus Entities have entered into KERPs with 8 people, each of whom are critical to the strategic, day-to-day operations and management of the Primus Entities and/or the smooth execution and

133. All material decisions with respect to the SISP (including whether to enter into a transaction and which one to enter into) remained exclusively within the sole discretion of the boards of the Primus Entities (and concomitantly their current management) to be made in accordance with their fiduciary duties with respect to securing the best available strategic alternative for the Primus Entities.

134. The timeline for implementing the SISP was set out in section 5 of the Support Agreement (each step being designated a “**Milestone**”, the execution of which was an essential precondition to the continuance of the Support Agreement). Pursuant to the Support Agreement, Primus Canada covenanted to:

- (a) Commence marketing to prospective financiers, investors and/or purchasers (together, with others expressing a similar interest, the potential “**Interested Parties**”) on or before September 1, 2015;
- (b) Be in receipt of one or more Phase I Bids (which is defined as an original executed copy of a comprehensive non-binding letter of intent) on or before October 1, 2015;
- (c) Be in receipt of one or more Phase II Bids (which is defined as a comprehensive, final and binding proposal) on or before November 2, 2015;
- (d) Enter into a binding agreement(s) with the “**Successful Bidder(s)**” (a bidder whose Phase I Bid was, ultimately, accepted and with whom the Primus Entities seeks to consummate a transaction) on or before November 30, 2015; and

---

implementation of the SISP. The KERPs provide for future potential payments to the KERP participants in the maximum aggregate amount of \$500,000.

- (e) Close all agreements and transactions with the Successful Bidder(s) On or before December 31, 2015.

135. The failure to meet any of the Milestones set out above was a “Triggering Event” within the meaning of section 8 of the Support Agreement, which entitled any Syndicate lender to terminate the Support Agreement. As a result, continued and ongoing adherence to the Milestones was a necessary precondition for successfully implementing the SISP (and thereby facilitating a successful restructuring).

136. However, it was also understood that the Milestones and procedures could be amended at any time by mutual agreement should there be sufficient rationale that such amendments would be to the mutual benefit of the parties to the Support Agreement and other stakeholders of the Primus Entities.

137. On October 30, 2015, Primus Canada and the Syndicate lenders entered into an agreement (the “**First Amending Agreement**”) extending the SISP timeline originally provided for in the Support Agreement to allow Primus Canada to be in receipt of one or more Phase II Bids on or before November 16, 2015 and to enter into a binding agreement(s) with the Successful Bidder(s) on or before December 14, 2015. The First Amending Agreement is attached as **Exhibit “G”** hereto.

138. The Milestones in the Support Agreement were extended in accordance with its terms, in part, to provide potential SISP bidders with further time to complete all required due diligence and otherwise to ensure their bids could be turned into executable transactions in compliance with the SISP.

139. The SISP timeline was further extended pursuant to a second agreement (the “**Second Amending Agreement**”), which allowed the Primus Entities: (i) to be in receipt of one or more Phase II bids on or before December 23, 2015; (ii) enter into a binding agreement with the Successful Bidder(s) on or before January 19, 2015; and

(iii) close all agreements and transactions on or before February 29, 2016. A copy of the Second Amending Agreement is attached hereto as **Exhibit "H"**.

*The SISP*

140. Further to the timeline and conditions set out in the Support Agreement (and as will be described in greater detail in the Primus Entities' materials to be filed in support of a motion (the "**Sale Approval Motion**") to approve, *inter alia*, a sale of the Primus Entities' assets (if this Court grants the Initial Order sought herein)), the Primus Entities commenced the SISP in September 2015.

141. Following a competitive selection process, Origin Merchant Partners ("**Origin**") was engaged by Primus Canada to act as a financial advisor pursuant to an engagement letter dated August 7, 2015 (the "**Engagement Letter**") and commenced solicitation of potentially interested parties.

142. As a result of the efforts of the Primus Entities, Origin and other advisors, six interested parties emerged and submitted Phase I Bids. Three parties ultimately submitted comprehensive, final and binding offers.

143. A period of extensive and intensive arm's length negotiations followed the receipt of offers, each of which were evaluated in accordance with the criteria enumerated in the SISP. Ultimately, the bid by Birch Communications Inc. ("**Birch Communications**") was determined to be the Successful Bid.

144. An essential precondition to the contemplated Asset Purchase Agreement ("**APA**") between the Primus Entities and Birch Communications (in this capacity, the "**Purchaser**") was the expeditious application to this Court for the Initial Order sought herein.

145. In advance of filing for CCAA protection, and in order to comply with the provisions of the Support Agreement detailed above, the parties entered into two preliminary agreements:

- (a) First, on December 18, 2015, the Primus Entities entered into an Escrow Agreement with the Purchaser and FTI (as escrow agent), whereby \$2,000,000 would be deposited into an escrow account in contemplation of entering into the aforementioned APA to be released as part of the closing thereof; and
- (b) Second, on December 22, 2015, the Primus Entities entered into an exclusivity letter agreement with the Purchaser whereby the Primus Entities agreed to terminate any existing discussions with any third party, and not to solicit, encourage or otherwise commence or continue discussions with, or provide any information to, any third party, regarding the sale to any such third party of all or any of the Purchased Assets (as defined in the APA) or any investment or other participation by any such third party in any of the business, enterprise, securities, assets or properties of any of the Primus Entities. The exclusivity letter agreement was a condition precedent to the Purchaser pursuing the sale transaction contemplated in the APA.

146. After extensive deliberations and consultations with their professional advisors, the Primus Entities concluded, further to and on the basis of their commercial and business judgement, that the transaction contemplated in the APA represented the best offer available to them in the circumstances and that proceeding with such transaction was in the best interest of stakeholders.

*The Sale Transaction*

147. The Primus Entities and the Purchaser executed and delivered a definitive version of the APA dated January 18, 2016, subject to Court approval. Further details and a copy of the APA will be served and filed with the Primus Entities' motion materials to approve same.

148. The essential terms of the definitive version of the APA and the Sale Transaction contemplated therein are as follows:

- (a) The Purchaser will acquire substantially all of the business, assets and operations of the Primus Entities, including principally all of their patents, patent applications, trademarks and domains ("**Purchased Assets**" and "**Purchased Intellectual Property**" respectively, and as set out in Schedule "A" and "H" to the APA) but excluding any shares and other securities owned by any Primus Entity ("**Excluded Assets**", set out in Schedule "D" to the APA) on an "as is, where as" basis as existing at "Closing Time" (as defined in the APA and subject to representation and warranties therein);
- (b) The aggregate purchase price ("**Purchase Price**") payable to the Primus Entities is calculated on the basis of the Purchase Price formula set out further to sections 3.1 and 3.7 of the APA, consisting of the following:
  - (i) The "Base Purchase Price" of \$44 million (as the term is defined in the APA and as adjusted in accordance with the formula set out therein);
  - (ii) Less certain Cure Costs (as defined in the APA); and
  - (iii) Less certain other amounts payable that do not constitute Cure Costs in respect of "Essential Contracts" (as defined in the APA).

- (c) The Purchaser may, in its sole discretion, offer employment to any or all active and inactive Primus Entity employees (collectively “**Transferred Employees**”) conditional on “Closing” (as each is defined in the APA);
- (d) The Purchaser will assume, perform, discharge and pay the obligations of the Primus Entities (“**Assumed Obligations**”) set out in section 2.5 of the APA, including, but not limited to, the following:
  - (i) all debts, liabilities and obligations under an “Assumed Contract” assigned or transferred to the Purchaser on Closing for the period from and after Closing Time, provided that such debts, obligations or liabilities do not arise from or are due or attributable to:
    - (A) any default existing or breach by any Primus Entity occurring prior to or as a consequence of Closing, or
    - (B) any default, breach or violation of any Primus Entities’ of any term or condition of the APA;
  - (ii) all debts, liabilities and obligations for which the Purchaser is responsible in respect of Transferred Employees as per the APA;

149. The Purchaser may terminate the APA, in its sole and absolute discretion, if this Court orders a post-filing sales process or it may elect not to terminate the APA and have it serve as a the stalking horse offer in such post-filing sales process with customary stalking horse protections, in accordance with the terms of the exclusivity letter arrangement (which are to include, without limitation, a 3% break-free to be paid from the proceeds of any overbid in favour of the Purchaser), subject to court approval.

150. Subject to obtaining the Initial Order being sought herein, the Primus Entities intend to return to this Court to seek approval of the APA and various

ancillary relief, including, if necessary, the assignment of certain agreements to the extent that necessary consents to such assignments are not obtained prior to the date of the motion.

**F. THE PRIMUS ENTITIES ARE INSOLVENT**

151. Defaults under the Credit Agreement or the Subordinate Credit Agreement allow the Syndicate or Subordinate Lenders, respectively, to exercise certain remedies, including acceleration of payment of all amounts due under their agreement. Primus Canada does not have sufficient liquidity to satisfy the accelerated payment obligations arising from an event of default under either agreement.

152. The Syndicate lenders require the Primus Entities to proceed expeditiously with obtaining approval and implement the APA and have indicated that they will not extend the forbearance under the Support Agreement otherwise.

153. Without forbearance, the Primus Entities cannot meet their liabilities as they come due and do not have sufficient cash to service their debt obligations. As such, the Primus Entities are insolvent.

154. Further, the Primus Entities require CCAA protection to implement the sale of their assets for the benefit of their stakeholders.

**H. FUNDING OF THESE PROCEEDINGS**

155. As at November 30, 2015, the Primus Entities' consolidated cash balance as reported in their financial statements was approximately \$2,896,794.

156. The Primus Entities do not contemplate requiring debtor-in-possession financing. The Primus Entities intend to fund the costs of these CCAA proceedings

from cash on hand and the collection of receivables during the pendency of their CCAA proceedings.

157. The Primus Entities, with the assistance of the proposed Monitor, have prepared a five-week consolidated cash flow forecast for the period of January 19, 2016 to February 19, 2016 (the “**Cashflow Forecast**”) as prescribed. A copy of the Cashflow Forecast and a report containing the prescribed representations of the Primus Entities regarding the preparation of the Cashflow Forecast will be attached collectively in the reported of the proposed Monitor in connection with this application (the “**Pre-Filing Report**”).

158. The Cashflow Forecast estimates that for the period of the Cashflow Forecast, the Primus Entities will have total receipts of approximately \$16.6 million, total operating disbursements of approximately \$10.8 million, and restructuring professional fees of approximately \$1.2 million, resulting in net cash flow of approximately \$4.6 million.

## I. PROPOSED INITIAL ORDER

### *Administration Charge*

159. The Primus Entities seek a charge on the assets, property and undertakings of the Primus Entities (the “**Property**”) in the maximum amount of \$1,000,000 to secure the fees and disbursements incurred in connection with services rendered to the Primus Entities both before and after the commencement of the CCAA proceedings by U.S and Canadian counsel to the Primus Entities, the Monitor (if appointed) and the Monitor’s U.S. and Canadian counsel (the “**Administration Charge**”).

160. The Primus Entities worked with the proposed Monitor to estimate the proposed quantum of the Administration Charge and believe it to be reasonable and appropriate in view of the complexities of the Primus Entities’ CCAA

proceedings and the services to be provided by the beneficiaries of the Administration Charge.

161. The Initial Order provides that the Administration Charge shall rank in priority to all other security interests, trusts, liens, charges and encumbrances, claims of secured creditors, statutory or otherwise (collectively, the “**Encumbrances**”) with notice of this application.

*Directors’ and Officers’ Provisions*

162. To ensure the ongoing stability of the Primus Entities’ business during the CCAA period and to achieve the successful closing of the APA, the Primus Entities require the continued participation of their directors and officers.

163. The Primus Entities are seeking typical provisions staying all proceedings against the directors and officers of the Primus Entities with respect to all claims that relate to any obligations of the Primus Entities whereby the directors or officers are alleged under any law to be liable in their capacity as directors or officers of the Primus Entities.

164. I am advised by Maria Konyukhova of Stikeman Elliott LLP, counsel to the Primus Entities, and do verily believe that in certain circumstances directors can be held liable for certain obligations of a company owing to employees and government entities. As of January 13, 2016, the Primus Entities are potentially liable for directors liabilities in the aggregate amount of approximately \$3,100,000 million.

165. The Primus Entities maintain directors’ and officers’ liability insurance (the “**D&O Insurance**”) for their directors and officers. The current D&O Insurance policies provide a total of \$15 million in coverage. Under the D&O Insurance, there are deductible for certain claims and the presence of a large number of exclusions

creates a degree of uncertainty. In addition, the contractual indemnities which have been given to the directors and officers cannot be satisfied by the Primus Entities as they do not have sufficient funds to satisfy those indemnities should their directors and officers be found responsible for the full amount of the potential directors' liabilities.

166. I do not believe that it would be possible to obtain additional adequate indemnification insurance for the directors and officers at a reasonable cost.

167. The directors and officers of the Primus Entities have indicated that, due to the significant personal exposure associated with the Primus Entities' aforementioned liabilities, they will not continue their services with the Primus Entities unless the Initial Order grants a charge on the Property in the amount of \$3,100,000 (the "D&O Charge"). The D&O Charge is proposed to rank immediately behind the Administration Charge. Following the approval of the APA (if granted) and implementation of the transaction, it is the intention of the Primus Entities and the beneficiaries of the D&O Charge to reduce the amount of the D&O Charge to reflect the decrease in the potential liabilities that may result in personal liability.

168. The D&O Charge will allow the Primus Entities to continue to benefit from the expertise and knowledge of their directors and officers. The Primus Entities believe the D&O Charge is reasonable in the circumstances.

169. The Initial Order provides that the D&O Charge shall rank in priority to all other Encumbrances, except the Administration Charge, with notice of this application.

### *Chapter 15*

170. Should the Initial Order be granted, the Applicants intend to commence proceedings under Chapter 15 of Title 11 of the United States Code (the

“**Bankruptcy Code**”) in the United States Bankruptcy Court for the District of Delaware (the “**U.S. Court**”). FTI (as monitor, if appointed) will act as the Applicants’ Chapter 15 “foreign representative”.

*Comeback Motion*

171. The Primus Entities intend to return to Court during the week of February 15, 2016 to seek certain relief on notice to parties to be affected. Among other things, the Primus Entities intend to seek an Order:

- (a) Approving the APA between the Primus Entities and the Purchaser for the sale of the Purchased Assets (as defined in the APA) and the transactions contemplated thereby;
- (b) Vesting all of the Purchased Assets in the Purchaser free and clear of any Encumbrances other than Permitted Encumbrances (as defined in the APA); and
- (c) Assigning, if necessary, the rights and obligations of the Primus Entities under their Essential Contracts (as defined in the APA) to the Purchaser.

**J. MONITOR**

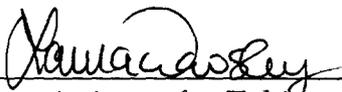

172. FTI has consented to act as the Court-appointed Monitor of the Primus Entities, subject to Court approval.

173. FTI is a trustee within the meaning of section 2 of the *Bankruptcy and Insolvency Act*, RSC, 1985, c B-3, as amended, and is not subject to any of the restrictions on who may be appointed as monitor set out in section 11.7(2) of the CCAA.

174. I have been informed by the proposed Monitor that it intends to file a Pre-Filing Report in which it will indicate that the proposed Monitor is supportive of

the relief being sought in favour of the Primus Entities and the existence and amounts of the Administration Charge and the D&O Charge.

In this Agreement, the word “includes” or “including” means “includes without limitation” or “including without limitation”. Where the context so requires, words importing the singular number will include the plural and vice versa. The division of this Agreement into Articles, Sections and the insertion of headings in this Agreement are for convenience of reference only and will not affect the construction or interpretation of this Agreement. Time is of the essence of this Agreement.

1.3 **Applicable Law.** This Agreement will be governed by and construed and interpreted in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

1.4 **Paramourty.** If there is a conflict or inconsistency between the provisions of this Agreement and the provisions of any other agreement which is referred to herein or delivered pursuant hereto, as between the Creditors, the provisions of this Agreement will prevail, provided that nothing in this Agreement is intended to or will impair, as between the Borrower or the Guarantors, as the case may be, and either of the Creditors, the obligations of the Borrower or the Guarantors, as the case may be, to pay the Obligations when due. For greater certainty, as between each Creditor and the Borrower, the applicable Loan Documents shall prevail.

The terms and conditions hereof are and will be for the sole and exclusive benefit of the Creditors. The Borrower and each of the Guarantors, by its execution of this Agreement, hereby agrees to be bound by, and will act in accordance with, the terms, provisions and intent of this Agreement; however, neither the Borrower nor any of the Guarantors will take any right, benefit or advantage in the Borrower being a party to this Agreement, and, subject to Section 6.5, this Agreement may be amended, modified, supplemented or restated without notice to, or the consent of, the Borrower and the Guarantors.

1.6 **Consent.** The Borrower and each of the Guarantors hereby irrevocably consents to each Creditor providing the other Creditor with such information, financial or otherwise, regarding the Borrower, the Guarantors, the Obligations and the Security as may be deemed advisable by the Creditors from time to time.

## SECTION 2 – CONSENT

### 2.1 Consent of Creditors.

- (1) Each Creditor consents to the incurring or assuming by the Borrower and the Guarantors of the Obligations and the granting or assuming by the Borrower and the Guarantors of the Security and confirms that such action does not and will not constitute a default under or otherwise contravene any of the Loan Documents or any of the Security.
- (2) Each Creditor represents to the other Creditor as follows:
  - (i) the Senior Creditor represents that, as of the date hereof, the maximum authorized principal amount of the Senior Obligations (which, for greater certainty, is not inclusive of Indebtedness under Hedge Arrangements or Service Agreements) pursuant to the Senior Credit Agreement is the principal amount of \$70,000,000 and that the Senior Creditor has no other indebtedness owing to them by the Borrower or the Guarantors other than pursuant to the Senior Loan Documents; and
  - (ii) the Subordinate Creditor represents that, as of the date hereof, the outstanding principal amount owing pursuant to the Subordinate Credit Agreement is \$20,000,000 and there is no other indebtedness owing to it by the Borrower or the Guarantors other than pursuant to the Subordinate Loan Documents.
- (3) The Subordinate Agent represents in favour of the Senior Creditor that it will obtain no guarantee or security from the Borrower or any Guarantor unless the Senior Agent has obtained substantially the same guarantee and/or security.

## SECTION 3– PRIORITY OF OBLIGATIONS AND SECURITY

3.1 **Priority of Obligations and Security.** The Subordinate Creditor agrees that, except as otherwise expressly provided herein, the Subordinate Obligations are fully subordinated to the prior repayment in full of all Senior Obligations, and the Senior Obligations and the Senior Security will have priority, to the full extent of the Senior Obligations, over the Subordinate Obligations and the Subordinate Security in all respects and at all times. For greater certainty, the Security with respect to the Assets shall rank in descending order of priority as follows: (a) firstly, the Senior Security to the full extent of the Senior Obligations, and (b) secondly, the Subordinate Security to the full extent of the Subordinate Obligations.

3.2 **Payment of Senior Obligations.** The Subordinate Creditor agrees with the Senior Creditor that, at any time, the Borrower or any of the Guarantors, as the case may be, may make and the Senior Creditor may accept any payment or prepayment in respect of the Senior Obligations, or any part thereof, whether or not any Default has occurred.

### 3.3 Payment of Subordinate Obligations.

Neither the Borrower nor any of the Guarantors will make nor will any of them be entitled to make, and the Subordinate Creditor will not accept and will not be entitled to accept, any

payment or prepayment of any principal, interest or other amount in respect of the Subordinate Obligations, whether in the form of cash, securities or other forms of property, by the exercise of a right of set off or other similar right or remedy, or in any other manner whatsoever.

Notwithstanding the foregoing:

(a) prior to the commencement of a Standstill Period, the Borrower may make, and the Subordinate Creditor may receive (i) the fees due and payable pursuant to the Subordinate Credit Agreement on the date hereof (in the amount of \$300,000) and on December 31, 2013 (in the amount of \$200,000), (ii) reimbursement of reasonable expenses due from time to time under the Subordinate Loan Documents, and (iii) monthly payments of cash interest owing by the Borrower to the Subordinate Creditor in accordance with the Subordinate Credit Agreement (which, for certainty, is 13% per annum (4% of which may be converted to PIK or deferred interest at the option of the Borrower));

(b) during any Standstill Period, the Borrower and the Guarantors may make payments of reasonable expenses due from time to time under the Subordinate Loan Documents in an amount not to exceed \$100,000 in the aggregate so long as (i) no Creditor has taken any steps to enforce the Security, or (ii) no Insolvency Proceeding has been initiated; and

(c) following the expiration of any Standstill Period, the Borrower may make, and the Subordinate Creditor may receive (i) monthly payments of cash interest owing by the Borrower to the Subordinate Creditor in accordance with the Subordinate Credit Agreement, and (ii) payment of all monthly interest payments that were blocked and not paid during such Standstill Period (the “**Catch-up Payment**”); provided that (A) the Borrower is in *pro forma* compliance (after giving effect to the payment of the Catch-Up Payment) with the financial covenants contained in the Senior Credit Agreement in effect on the date that the Catch-Up Payment is made, and (B) no other Default exists at the time that the Catch-Up Payment is made or would be caused by the making of the Catch-Up Payment.

**3.4 Payment of Subordinate Obligations During Standstill Period.** The Senior Agent may issue a Standstill Notice at any time after a Default has occurred and is continuing. Upon receipt by the Subordinate Creditor of a Standstill Notice in accordance with the provisions of this Agreement, the Subordinate Creditor shall immediately cease receiving any and all payments from the Borrower or any of the Guarantors, as the case may be, on account of the Subordinate Obligations, including, without limitation, those payments more particularly described in Section 3.3 hereof (other than as provided for therein). Any payment or distribution received by the Subordinate Creditor in violation of the immediately preceding sentence shall be held in trust by the Subordinate Agent for the benefit of the Senior Creditors and shall be promptly paid over to the Senior Agent for application to the Senior Obligations.

**3.5 Certain Covenants of Subordinate Creditor.** Without the prior written consent of the Senior Agent, the Subordinate Creditor agrees that it will not and will not be entitled to:

(1) enforce any Subordinate Security or take any actions, in furtherance thereof prior to the expiry of a Standstill Period;

- (2) appoint a Receiver of the Borrower, any of the Guarantors or the Assets, petition the Borrower or any of the Guarantors into bankruptcy or initiate any similar proceeding prior to the expiry of a Standstill Period;
- (3) commence or initiate any action or proceeding to recover or receive payment of any of the Subordinate Obligations prior to the expiry of a Standstill Period except in accordance with this Section 3.5; or
- (4) obtain any prepayments of principal comprising the Subordinate Obligations prior to the payment in full of the Senior Obligations.

However, notwithstanding the foregoing, the Subordinate Creditor may (i) file a proof of claim or attend and vote at a meeting of creditors in connection with any action, suit or proceeding whether under the *Bankruptcy and Insolvency Act* (Canada), the *Companies' Creditors Arrangement Act* (Canada) or otherwise, (ii) issue one or more Preparatory Notices in connection with the Subordinate Security, (iii) take action for non-payment of the Subordinate Obligations for the purposes of obtaining a monetary judgement in respect thereof, provided that no measure is taken to enforce any judgment granted in such action, (iv) take action that is required to preserve the validity, perfection or priority of the Subordinate Obligations, (v) Demand payment of the Subordinate Obligations, (vi) accelerate the Subordinate Obligations or (vii) give a notice of default to the Borrower and provide concurrent notices to the Senior Agent pursuant to Section 4.1 hereunder.

For greater certainty, following the expiration of a Standstill Period, the Subordinate Creditor may take any or all of the actions described in Section 3.5(1), (2) or (3) above without the prior written consent of the Senior Agent.

**3.6 No Challenge.** Notwithstanding Section 3.5, neither Creditor will, in any manner, challenge, contest or bring into question the validity, priority, perfection or enforceability of any of the Obligations or the Security or take any action whereby the priorities set within this Agreement might be impaired or defeated.

**3.7 Standstill Period.** For greater certainty, if at any time a Default or, if more than one, all of the Defaults, set out in a Standstill Notice or multiple Standstill Notices issued by a Creditor is or are (a) cured (if and to the extent capable of cure), or (b) waived or revoked by such Creditor, then such Creditor will not be entitled to take any steps to enforce payment of the applicable Obligations but will have to rely on the issuance of a fresh Standstill Notice, in respect of a fresh Default, and the expiration of another Standstill Period. In addition, there may only be an aggregate of 225 days of standstill in any given 365-day period.

**3.8 Restrictions on Amendments to Senior Loan Documents.** Without the prior written consent of the Subordinate Agent, such consent not to be unreasonably withheld, the Senior Creditor shall not amend or otherwise modify the Senior Loan Documents, or otherwise take any other action, so as to (i) at any time, extend credit accommodation (excluding, for certainty, Hedge Agreements and Service Agreements) to the Borrower in a principal amount which exceeds \$77,000,000, less the aggregate of all payments of principal under the Term Facility; (ii) increase the interest rates applicable to the Senior Obligations from those in effect on the date of

this Agreement (other than by reason of the occurrence of a Default under the Senior Loan Documents and then in accordance with the Senior Loan Documents) by more than 2% above the interest rate formula set forth in the Senior Credit Agreement on the date hereof, above the interest rate formulas currently set forth in the Senior Credit Agreement; (iii) re-advance any amount repaid in connection with the Term Facility; (iv) prohibit the Borrower or any of the Guarantors from making payments in respect of the Subordinate Obligations that, in each case, are permitted by this Agreement; (v) shorten the amortization schedule for any Senior Obligations or increase the amount of any scheduled principal payments on any Senior Obligations from those in effect on the date of this Agreement or as otherwise subsequently agreed to by the Subordinate Agent; or (vi) impose any fees or other charges on the Borrower or any of the Guarantors in connection with the waiver of one or more Defaults under the Senior Loan Documents, except in an aggregate amount that does not exceed, in any 365 (or 366 if applicable) day period, 2% of the maximum committed principal amount of Senior Obligations that is outstanding during such 365 (or 366 if applicable) day period.

**3.9 Restrictions on Amendments to Subordinate Loan Documents.** Without the prior written consent of the Senior Agent, such consent not to be unreasonably withheld, the Subordinate Creditor shall not amend or otherwise modify the Subordinate Loan Documents, or otherwise take any other action, so as to (i) increase the principal amount owing pursuant to the Subordinate Credit Agreement (other than increases resulting from the capitalization of interest and other amounts not paid in cash as a result of the application of the provisions of Section 3.3 hereof); (ii) increase the interest rates applicable to the Subordinate Obligations from those in effect on the date of this Agreement (other than by reason of the occurrence of a Default under the Subordinate Loan Documents as provided in subsection (iii) below) by more than 2% (provided that such increased interest is PIK interest and not cash pay); which for greater certainty is a current cash pay interest rate of 13% (4% of which may be converted to deferred or PIK interest at the option of the Borrower); (iii) make any new loans to the Borrower or any Guarantor or re-advance any of the existing loans made pursuant to the Subordinate Credit Agreement; (iv) charge a default rate of interest in excess of 2% (and for greater certainty, such default rate of interest shall only be PIK interest and not cash pay); (v) shorten the scheduled maturity of any Subordinate Obligations from those in effect on the date of this Agreement; (vi) impose any scheduled principal payments or amortization schedule on any Subordinate Obligations; (vii) impose any fees or other charges on the Borrower or any of the Guarantors in connection with the waiver of one or more Defaults under the Subordinate Loan Documents, except in an aggregate amount that does not exceed, in any 365 (or 366 if applicable) day period, 2% of the maximum principal amount of Subordinate Obligations that is outstanding during such 365 (or 366 if applicable) day period; or (viii) amend or modify the provisions of any of the Subordinate Loan Documents in any manner which is more onerous than the provisions of the Subordinate Loan Documents in effect on the date of this Agreement unless corresponding changes have been or are being made to the Senior Loan Documents.

### **3.10 Sub-Agency of Senior Agent**

(a) The Senior Agent agrees that if it shall at any time hold a Lien pursuant to the Senior Security on any Assets that can be perfected by the possession or control of such Assets or by control over any account in which such Assets is held, and if such Assets or any such account is in fact in the possession or under the control of the Senior Agent, or of agents or bailees of the

Senior Agent (such Assets being referred to herein as the “**Pledged or Controlled Assets**”), the Senior Agent, shall, solely for the purpose of perfecting the Liens granted pursuant to the Subordinate Security and subject to the terms and conditions of this Section 3.10, also hold such Pledged or Controlled Assets as gratuitous bailee for the Subordinate Agent.

(b) The obligations and responsibilities of the Senior Agent to the Subordinate Agent under this Section shall be limited solely to holding or controlling the Pledged or Controlled Assets as gratuitous bailee in accordance with this Section 3.10. Without limiting the foregoing, the Senior Agent shall have no obligation or responsibility to ensure that any Pledged or Controlled Assets is genuine or owned by the Borrower or the Guarantors. The Senior Agent acting pursuant to this Section 3.10 shall not, by reason of this Agreement, any other Senior Loan Document or any other document, have a fiduciary relationship in respect of any other Senior Lender or the Subordinate Creditor.

(c) Upon payment in full of the Senior Obligations, the Senior Agent shall transfer the possession and control of the Pledged or Controlled Assets, together with any necessary endorsements but without recourse or warranty, (i) if the Subordinate Obligations are outstanding at such time and the Pledged or Controlled Assets have been pledged to the Subordinate Agent as part of the Subordinate Security, to the Subordinate Agent and (ii) if no Subordinate Obligations are outstanding at such time or the Pledged or Controlled Assets have not been pledged to the Subordinate Agent as part of the Subordinate Security, to the Borrower, in each case so as to allow such Person to obtain possession and control of such Pledged or Controlled Assets. In connection with any transfer under clause (i) of the immediately preceding sentence, the Senior Agent agrees to take reasonable actions in its power (with all costs and expenses in connection therewith to be for the account of the Borrower and the Guarantors) as shall be reasonably requested by the Subordinate Agent to permit the Subordinate Agent to obtain a first priority security interest in the Pledged or Controlled Assets.

**3.11 Insurance and Condemnation Awards.** So long as the Senior Obligations have not been paid in full, the Senior Creditor shall have the exclusive right, subject to the rights of the Borrower and the Guarantors under the Senior Credit Agreement, to settle and adjust claims in respect of the Assets under policies of insurance and to approve any award granted in any condemnation or similar proceeding. All proceeds of any such policy and any such award, shall (a) first, subject to the terms of the Senior Credit Agreement, be paid to the Senior Agent for the benefit of Senior Lenders pursuant to the terms of the Senior Loan Documents, (b) second, after the payment in full of the Senior Obligations and in accordance with the terms of the Subordinate Credit Agreement, be paid to the Subordinate Agent for the benefit of the Subordinate Lenders pursuant to the terms of the Subordinate Loan Documents, and (c) third, if no Obligations are outstanding, be paid to the owner of the subject property, to such other Person as may be entitled thereto or to such Person as a court of competent jurisdiction may otherwise direct. Until the payment in full of the Senior Obligations, if the Subordinate Creditor shall, at any time, receive any proceeds of any such insurance policy or any such award or payment to which it is not entitled hereunder, it shall segregate and hold in trust and forthwith transfer and pay over such proceeds to the Senior Agent to be applied against the Senior Obligations.

**3.12 Liquidation, Dissolution, Bankruptcy, etc.**

- 12 -

(a) In the event of any distribution, division or application, partial or complete, voluntary or involuntary, by operation of law or otherwise, of all or any part of the Assets or in the event of any other payment or distribution to creditors of the Borrower or any Guarantor (including, without limitation, any dividends in a bankruptcy and any payment or distributions of cash or of securities of the Borrower, any Guarantor or another person under a plan of arrangement) in connection with any Insolvency Proceeding relating to the Borrower or any Guarantor, the Senior Lenders shall (subject to the terms of this Agreement) be entitled to receive payment in full (including interest accruing to the date of receipt of such payment at the applicable rate whether or not allowed as a claim in any such proceeding) of the Senior Obligations before the Subordinate Lenders are entitled to receive any direct or indirect payment or distribution of any cash or other property on account of the Subordinate Obligations, and the Senior Lenders shall be entitled to receive directly, for application in payment of such Senior Obligations (to the extent necessary to pay all Senior Obligations in full after giving effect to any substantially concurrent payment or distribution to the Senior Lenders in respect of the Senior Obligations), any payment or distribution of any kind or character, whether in cash or other property, which shall be payable or deliverable upon or with respect to the Subordinate Obligations. To the extent any payment of Senior Obligations (whether by or on behalf of the Borrower or any Guarantor, as proceeds of security or enforcement of any right of set-off or otherwise) is declared to be a fraudulent preference or otherwise preferential, set aside, disallowed, rescinded or required to be paid to a trustee, receiver or other similar person under applicable law, then if such payment is recoverable by, or paid over to, such trustee, receiver or other person, the Senior Obligations or part thereof originally intended to be satisfied shall be deemed to be reinstated and outstanding as if such payment had not occurred.

(b) In order to enable the Senior Lenders to enforce their rights hereunder in any of the actions or proceedings described in this Section 3.12, upon the failure of the Subordinate Lenders (after request by the Senior Agent therefor) to make and present on a timely basis (such timeline to be decided by the Subordinate Lenders and the Senior Lenders, acting reasonably, based on the circumstances surrounding the actions or proceedings described in this Section 3.12) a proof of claim against the Borrower or any Guarantor on account of the Subordinate Obligations or other motion or pleading as may be expedient or proper to establish the Subordinate Lenders' entitlement to payment of any Subordinate Obligations, the Senior Agent for and on behalf of the Senior Lenders is hereby irrevocably authorized and empowered, in its discretion and at its expense (reimbursable by the Borrower), to make and present for and on behalf of the Subordinate Lenders such proofs of claims or other motions or pleadings and to demand, receive and collect any and all dividends or other payments or disbursements made thereon in whatever form the same may be paid or issued and to apply the same on account of the Senior Obligations in accordance with Section 6 of this Agreement. The Subordinate Agent and the Subordinate Lenders hereby covenant and agree not to exercise any voting right or other privilege that it may have from time to time in any bankruptcy or insolvency proceeding pursuant to Insolvency Legislation in favour of any plan, proposal, compromise, arrangement or similar transaction or to make or to join in any claim or other action that would defeat: (a) the right of the Senior Lenders to receive payments and distributions in accordance with this Agreement otherwise payable or deliverable upon or with respect to the Subordinate Obligations so long as any Senior Obligations remain outstanding; or (b) the obligation of the Subordinate Lenders to receive, hold in trust, and pay over to the Senior Lenders certain payments and distributions as contemplated by this Agreement. All allocations of payments between the Senior Lenders and the Subordinate

Lenders shall, subject to any court order to the contrary, continue to be made after the commencement of any Insolvency Proceeding, on the same basis that the payments were to be allocated hereunder prior to the date of such filing. The Subordinate Lenders hereby agree that the priorities and subordination agreed to in this Agreement shall, as between the Creditors, be paramount to any plan, proposal, compromise, arrangement or similar transaction in connection with the Borrower or any Guarantor. The Subordinate Agent and the Subordinate Lenders hereby agree that this Agreement be deemed and hereby is a subordination agreement under Section 510(a) of the Bankruptcy Code and effective in any Insolvency Proceeding.

(c) DIP Financing and Use of Cash Collateral

- (i) Until the payment in full of all of the Senior Obligations, if an Insolvency Proceeding has been commenced by or against the Borrower or a Guarantor, the Subordinate Lenders will not contest, protest or object to (1) any use of "cash collateral" (as defined in Section 363(a) of the Bankruptcy Code), or (2) any provision of financing under Section 364 of the Bankruptcy Code or any similar reorganization or bankruptcy laws to the Borrower or any Guarantor ("**DIP Financing**") by the Senior Lenders, subject to limitations set out in Section 3.8(i) hereof.
- (ii) No Subordinate Lender may provide DIP Financing to the Borrower or any Guarantor secured by Liens equal or in priority to the Liens securing any Senior Obligations.

(d) The Subordinate Agent and the Subordinate Lenders, agree that they shall not object to, contest, or support any other Person objecting to or contesting, (i) any request by the Senior Agent or the Senior Lenders for adequate protection, (ii) any objection by the Senior Agent or the Senior Lenders to any motion, relief, action or proceeding based on a claim of a lack of adequate protection, or (iii) the payment of interest, fees, expenses or other amounts to the Senior Agent or the Senior Lenders under Section 506(b) or 506(c) of the Bankruptcy Code or otherwise. Notwithstanding anything contained in this Section, in any Proceeding, (x) the Subordinate Agent and the Subordinate Lenders may seek, support, accept or retain adequate protection (A) only if the Senior Agent and the Senior Lenders are granted adequate protection that includes replacement Liens on additional collateral and superpriority claims and (B) solely in the form of (1) a replacement Lien on such additional collateral, subordinated to the Liens in favor of the Senior Agent or the Senior Lenders and such DIP Financing on the same basis as the other Liens in favor of the Subordinate Agent and the Subordinate Lenders are so subordinated to the Senior Obligations under this Agreement, and (2) solely to the extent that the Assets pledged or secured by the Subordinate Loan Documents has been diminished in connection with such Proceeding, superpriority claims junior in all respects to the superpriority claims granted to the Senior Agent and the Senior Lenders, and (y) in the event the Subordinate Agent or the Subordinate Lenders receive adequate protection, including in the form of additional collateral, then the Subordinate Agent and the Subordinate Lenders, agree that the Senior Creditor shall have a senior Lien and claim on such adequate protection as security for the Senior Obligations and that any Lien on any additional collateral securing the Subordinate Obligations shall be subordinated to the Liens on such collateral securing the Senior Obligations and any DIP Financing (and all indebtedness, obligations, and liabilities relating thereto) and any other Liens

granted to the Senior Creditor as adequate protection, with such subordination to be on the same terms that the other Liens securing the Subordinate Obligations are subordinated to such Senior Obligations under this Agreement.

#### SECTION 4 – ENFORCEMENT AND REMEDIES

4.1 **Notice.** Each of the Senior Agent and the Subordinate Agent agrees to give the other (a) concurrent notice of the occurrence of a Default under its Loan Documents if notice thereof is given to or received from the Borrower or any of the Guarantors, (b) concurrent notice of a Demand made by it under its Loan Document, and (c) prior notice of the exercise of enforcement remedies; provided that they shall not incur any liability for failure to provide such notice (except as provided by any applicable law).

4.2 **Remedies.** Each Creditor acknowledges that all covenants, provisions and restrictions contained herein are necessary and fundamental in order to establish the respective priorities of the Creditors in connection with the Obligations and the Security, and that a breach of any such covenant, provision or restriction would result in damages that could not adequately be compensated by monetary award. Accordingly, it is expressly agreed that, in addition to all other remedies available to it, including any action for damages, a Creditor will be entitled to the immediate remedy of a restraining order, interim injunction, injunction or other form of injunctive or other relief as may be decreed or issued by any court of competent jurisdiction to restrain or enjoin the other Creditor from breaching any such covenant, provision or restriction.

4.3 **Application of Cash Proceeds of Realization.** All Cash Proceeds of Realization will be applied and distributed, and the Security will be deemed to have the relative priorities which would result in the Cash Proceeds of Realization being applied and distributed, as follows:

- (1) firstly, to the payment of all reasonable costs and expenses incurred by the Senior Creditor in the exercise of all or any of the powers granted to it under the Senior Security and in payment of the remuneration of any Receiver and all costs incurred by such Receiver in the exercise of all or any powers granted to it under the Senior Security;
- (2) secondly, to the payment or prepayment in full of the Senior Obligations (including holding Cash Proceeds of Realization as cash collateral to be applied against Senior Obligations which have not then matured) with the amount owing to the Senior Creditor not being in excess of the aggregate of the lesser of (excluding the Hedge Agreements and Service Agreements) (A) \$77,000,000, less the aggregate of all payments of principal under the Term Facility and all accrued or capitalized interest and fees thereon; and (B) the outstanding principal indebtedness under the Senior Credit Agreement plus all accrued or capitalized interest and fees thereon;
- (3) thirdly, to the payment of all reasonable costs and expenses incurred by the Subordinate Creditor in the exercise of all or any of the powers granted to it under the Subordinate Security and in payment of the remuneration of any Receiver and all costs incurred by such Receiver in the exercise of all or any powers granted to it under the Subordinate Security, provided that the Subordinate Creditor is permitted to exercise such powers and to appoint a Receiver pursuant to this Agreement;

- (4) fourthly, to the payment or prepayment in full of the Subordinate Obligations (including holding Cash Proceeds of Realization as cash collateral to be applied against Subordinate Obligations which have not then matured), with the amount owing to the Subordinate Creditor not being in excess of the aggregate of the lesser of (A) \$20,000,000 and all accrued or capitalized interest and fees thereon and (B) the outstanding principal indebtedness under the Subordinate Credit Agreement plus all accrued or capitalized interest and fees thereon;
- (5) fifth, to any remaining amounts owing to the Senior Creditor in connection with the Senior Obligations;
- (6) sixth, to any remaining amounts owing to the Subordinate Creditor in connection with the Subordinate Obligations; and
- (7) the balance, if any, in accordance with applicable law.

**4.4 Proceeds Held in Trust.** If any non-cash Proceeds of Realization are delivered to or received by the Subordinate Creditor, or in respect of the Subordinate Obligations, prior to termination of this Agreement in accordance with Section 6.14, the Subordinate Creditor will hold non-cash Proceeds of Realization in trust for the Senior Creditor and will forthwith deliver such non-cash Proceeds of Realization to the Senior Agent. If any Cash Proceeds of Realization, prepayments or other payments are made to or received by the Subordinate Creditor in contravention of this Agreement, the Subordinate Creditor will hold such Cash Proceeds of Realization, prepayments or payments in trust for the Senior Creditor and will forthwith pay such Cash Proceeds of Realization, prepayments or payments to the Senior Agent for application in accordance with Section 4.3 hereof. For greater certainty, the Subordinate Creditor agrees that, if all or any part of any payment made on account of the Senior Obligations is recovered by the Subordinate Creditor from the Senior Creditor as a preference, fraudulent transfer or similar payment under any Insolvency Legislation or other law, any payment or distribution received by the Subordinate Creditor on the Subordinate Obligations will be deemed to have been received by it in trust for the Senior Creditor and will promptly be paid over to the Senior Agent until the satisfaction in full in cash of all Senior Obligations. Should the Subordinate Creditor fail to promptly pay over and deliver or cause to be paid over or delivered such payment or Proceeds of Realization, to the Senior Agent, the Subordinate Creditor agrees that it shall reimburse the Senior Creditor entitled thereto for the full amount of such payment or Proceeds of Realization it has received and all of the costs of collection and recovery thereof, including reasonable legal fees and disbursements.

**4.5 Appointment of Receiver.** Whether before or after a Standstill Period and until such time as the Senior Obligations have been paid in full, any Receiver appointed by the Senior Creditor shall be entitled to exclusive possession, custody and control of the Assets. In the event that the Subordinate Creditor appoints a Receiver of the Borrower or any Guarantor or over any of the Assets and thereafter the Senior Creditor appoints a Receiver of the Borrower, such Guarantor or such Assets, the Subordinate Creditor shall terminate the appointment of its Receiver upon request by the Senior Agent.

## SECTION 5 – REPRESENTATIONS AND WARRANTIES OF CREDITORS

5.1 **Representations and Warranties.** To induce each Creditor to extend credit to the Borrower and to continue to extend credit to the Borrower under the Loan Documents, each Creditor hereby represents and warrants to the other Creditor as follows and acknowledges and confirms that each Creditor is relying upon such representations and warranties in continuing to extend credit to the Borrower under the Loan Documents:

- (a) Each Creditor has all requisite capacity, power and authority to enter into and carry out the transactions contemplated by this Agreement.
- (2) All necessary action, corporate or otherwise, has been taken to authorize the execution, delivery and performance of this Agreement by each Creditor and each Creditor has duly executed and delivered this Agreement.
- (3) This Agreement is a legal, valid and binding obligation of each Creditor, enforceable against each Creditor by the other Creditor in accordance with its terms subject to limitations with respect to enforcement imposed by law in connection with bankruptcy or similar proceedings affecting creditors' rights generally and to the extent that equitable remedies such as specific performance and injunction are in the discretion of the court from which they are sought.

## SECTION 6 – MISCELLANEOUS

6.1 **Application of this Agreement.** The rights of the Creditors and the priorities of the Security and the Obligations set out in this Agreement will apply irrespective of any matter or thing, including:

- (1) the validity or enforceability of any provision of the Security and the Loan Documents or any agreement forming part of the Obligations;
- (2) the time of creation, granting, execution, delivery, attachment, registration (to the extent registration is required), filing, perfection, crystallization or enforcement of any of the Obligations or the Security or any part thereof;
- (3) the jurisdictions where any of the Security is registered or the failure of either Creditor to properly register or perfect any of the Security in any particular jurisdiction;
- (4) the time of any loan, advance or other extension of credit made to the Borrower by either Creditor;
- (5) the time of Default or Demand;
- (6) any priority otherwise accorded to the Obligations and the Security under applicable law;
- (7) any failure of, or delay by, the Senior Agent or any Senior Lender;

- 17 -

- (i) to assert any claim or demand or to enforce any right, power or remedy against the Borrower or any Guarantor under the Senior Loan Documents, any applicable law or otherwise; or
  - (ii) to exercise any right, power or remedy against the Borrower any Guarantor or the Senior Security;
- (8) the provisions of the instruments or documents creating any of the Security; or
- (9) any other matter whatsoever which might otherwise constitute a defense available to, or a legal or equitable discharge of, or otherwise prejudicially affect the subordination herein provided.

Any action taken or thing done by a Creditor in contravention of this Agreement will be null and void and of no effect.

**6.2 No Release.** This Agreement shall remain in full force and effect without regard to, and the obligations of the Creditors hereunder shall not be released or otherwise affected or impaired by:

- (1) any exercise or non-exercise by the Senior Lenders of any right, remedy, power or privilege in any of the Senior Loan Documents;
- (2) any waiver, consent, extension, indulgence or other action, inaction or omission by the Senior Lenders under or in respect of this Agreement or any of the Senior Loan Documents;
- (3) any default by the Borrower or any Guarantor under, any limitation on the liability of the Borrower or any Guarantor on the method or terms of payment under, or any irregularity or other defect in, any of the Senior Loan Documents;
- (4) the lack of authority or revocation hereof by any other Person;
- (5) any defence based upon an election of remedies by a Creditor which destroys or otherwise impairs the subrogation rights of the other Creditor;
- (6) any merger, consolidation or amalgamation of the Subordinate Agent, any Subordinate Lender or, the Borrower or any Guarantor, into or with any other Person;
- (7) any Insolvency Proceeding pursuant to Insolvency Legislation in respect of the Subordinate Lenders, the Senior Lenders or any of them; or
- (8) any Insolvency Proceeding affecting the Borrower or any Guarantor.

**6.3 Agreement Not to Apply.** As between the Creditors, nothing contained in this Agreement shall be construed as entitling a Creditor to receive any Proceeds of Realization in respect of which such Creditor's Security has been judicially determined by final judgment to be invalid, unperfected or unenforceable against third parties. Furthermore, if any third party shall have a claim to any Proceeds of Realization in priority to or on a parity with one Creditor but not

in priority to or on a parity with the other Creditor, then this Agreement shall not apply so as to diminish the rights (as such rights would have been but for the provisions hereof) of such other Creditor to such Proceeds of Realization. Nothing contained in this Agreement shall be construed as conferring any rights upon any person other than the Creditors.

**6.4 Continuing Agreement.** This Agreement shall constitute a continuing agreement, even though at times, neither the Borrower nor any of the Guarantors is indebted to a Creditor under the applicable Loan Documents but either Creditor remains committed to advance additional funds under the respective Loan Documents and each Creditor may continue, without notice to the other Creditor, to lend money, extend credit and make other financial accommodations to or for the account of the Borrower on the faith hereof

**6.5 Waivers and Amendments.** None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Creditors and, but only to the extent that any such waiver, amendment, supplement or other modification, as the case may be, directly impacts on the obligations and duties of the Borrower and/or any of the Guarantors under this Agreement, is consented to by the Borrower and/or the Guarantors, as the case may be. Neither Creditor will by any act or delay, be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of either Creditor, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by either Creditor of any right or remedy hereunder on any one occasion will not be construed as a bar to any right or remedy which such Creditor would otherwise have on any future occasion.

**6.6 Severability.** Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

**6.7 Counterparts.** This Agreement may be executed in any number of counterparts, all of which will be deemed to be an original and such counterparts taken together will constitute one agreement and any of the parties hereto may execute this Agreement by signing any such counterpart.

**6.8 Further Assurances.** The Creditors, the Borrower and the Guarantors agree to execute and deliver such further and other documents and perform and cause to be performed such further and other acts and things as may be necessary or desirable in order to give full effect to this Agreement and every part thereof, including all acts, deeds and agreements as may be necessary or desirable for the purpose of registering or filing notice of the terms of this Agreement.

**6.9 Communication.** Any communication required or permitted to be given under this Agreement will be in writing and will be effectively made and given if (a) delivered personally,

(b) sent by prepaid courier service or mail, or (c) sent prepaid by facsimile transmission or other similar means of electronic communication, in each case to the address or facsimile number of the relevant Creditor, the Borrower and each Guarantor set out on the signature pages to this Agreement. Any communication so given will be deemed to have been given and to have been received on the day of delivery if so delivered, or on the day of facsimile transmission or sending by other means of recorded electronic communication provided that such day is a Business Day and the communication is so delivered or sent prior to 4:30 p.m. (local time at the place of receipt). Otherwise, such communication will be deemed to have been given and to have been received on the following Business Day. Any communication sent by mail will be deemed to have been given and to have been received on the fifth Business Day following mailing, provided that no disruption of postal service is in effect. Either Creditor may from time to time change their respective addresses or facsimile numbers for notice by giving notice to the other in accordance with the provisions of this Section.

**6.10 Successors and Assigns.** This Agreement will enure to the benefit of, and be binding on, the parties hereto and their successors and permitted assigns; provided, however, that such assignment is subject to the prior written consent of the other Creditor and that having received the prior written consent of the other Creditor only (and not the Borrower or the Guarantor) neither Creditor will assign any of its right, title or interest in respect of any of the Obligations or the Security unless the assignee agrees in writing with the other Creditor to be bound by this Agreement. The Borrower and each Guarantor shall be bound and subject to any such assignment.

**6.11 Entire Agreement.** This Agreement contains the entire understanding of the parties with respect to the priority of the Obligations and the Security and supersedes any prior agreements, undertakings, declarations, representations and understandings, both written and verbal, in respect of the priority of the Obligations and the Security. There are no restrictions, agreements, promises, warranties, covenants or undertakings relating to the priority of the Obligations and the Security other than those set forth in this Agreement.

**6.12 Adhesion Agreement.** The Borrower agrees that each Guarantor arising after the date hereof shall immediately execute an adhesion agreement whereby it acknowledges and agrees to be bound by the terms of this Agreement as if an original party thereto. Each new Subordinate Lender and Senior Lender shall execute an adhesion agreement whereby it acknowledges and agrees to be bound by the terms of this Agreement as if an original party thereto. Such adhesion agreement shall be in form and substance acceptable to the Senior Agent and Subordinate Agent.

**6.13 No Marshalling.** The Subordinate Creditor hereby waives any right it may have to require the Senior Creditor to marshal in its favour.

**6.14 Termination.** This Agreement will terminate upon indefeasible payment in full of all Senior Obligations and Subordinate Obligations and cancellation or termination of the Senior Loan Documents and the Subordinate Loan Documents.

The parties have executed this Agreement as of the day and year first written above.

The Borrower further acknowledges that the Security shall continue to secure the Obligations.

**15. Further Assurances**

For certainty, nothing contained herein shall be construed as a consent or waiver of any of the provisions of the Credit Agreement beyond that expressly stipulated in Section 6 hereof.

**16. Release**

The Borrower hereby releases and forever discharges the Agent, the Lenders and their respective employees, officers, directors, agents and advisors and their respective employees, officers, directors, agents and advisors and their representatives and successors from any and all claims, demands, suits, actions of whatsoever nature or kind which the Borrower has at today's date or arising from the execution and delivery of this Agreement.

**16. Amendments and Waivers**

(a) Subject to Section 16(b), any term, covenant or condition of this Agreement may only be amended by agreement between the Borrower and the Agent, and compliance therewith by the Borrower may only be waived (either generally or in a particular instance and either retroactively or prospectively) by the Agent.

(b) No amendment to this Agreement will be valid or binding unless set forth in writing and duly executed. No waiver of any breach of any provision of this Agreement will be effective or binding unless made in writing and, unless otherwise provided, will be limited to the specific breach waived.

2. Set forth below are the procedures (the "SISP Procedures") to be followed with respect to the SISP and, if there is a Successful Bid or Successful Bids (as defined herein), to complete the transactions contemplated by such Successful Bid(s).

#### Defined Terms

3. Capitalized terms used but not otherwise defined in these SISP Procedures shall have the following meaning:

"**Company**" means Primus Telecommunications Canada Inc.

"**Data Room**" means an electronic data room compiled and maintained by the Company containing confidential information in respect of the Primus Group, the Business and the Property.

"**First Secured Debt**" means all of the indebtedness owing pursuant to the Credit Agreement.

"**NDA**" means a non-disclosure and standstill agreement in form and substance satisfactory to the Company.

"**Portion Bid**" means a Bid for less than all or substantially all of the Property that is otherwise a Qualified Bid.

"**Portion Bidder**" means a Qualified Bidder that submits a Portion Bid.

"**Primus Group**" means the Company together with its subsidiaries and affiliates.

"**Sale Advisor**" means an investment banker engaged by the Company to assist with the implementation of the SISP.

#### *Solicitation Process*

4. The SISP Procedures set forth herein describe the manner in which Interested Parties (as defined in paragraph 6 below) may gain access to or continue to have access to due diligence materials concerning the Primus Group, its business and operations (the "**Business**") and its assets, undertakings and properties (collectively, the "**Property**"), the manner in which a bid becomes a Qualified Bid (as defined herein), the receipt and negotiation of Qualified Bids received, the ultimate selection of Successful Bid(s) and/or Alternate Bids(s) (as defined in Appendix B).

- 2 -

5. The Company shall have overall supervision of the SISP Procedures and shall lead the process with the support and assistance of its advisors.
6. The Company, with the assistance of the Sale Advisor, will compile a listing of prospective financiers, investors and/or purchasers (together with others expressing an interest in the Business and/or Property, the "**Interested Parties**"). The Sale Advisor will use its best efforts to contact all Interested Parties to introduce the opportunity for investment in or the acquisition of the Business or Property and will provide a "teaser" describing the opportunity to finance, acquire or invest in the Primus Group or to acquire some, all or substantially all of the Business or the Property to each Interested Party that expresses an interest in receiving such teaser.
7. Interested Parties will be invited to a management presentation upon execution of an NDA.
8. Within one week after the Phase 1 Bid Deadline and at the discretion of the Company, Qualified Bidders will be provided with a form of definitive purchase agreement (the "**Template Purchase Agreement**") to be used in submitting a Bid for the acquisition for some or all of the Property and provided access to the Data Room.

*Due Diligence From Qualified Bidders*

9. Each Qualified Bidder shall comply with all reasonable requests for additional information by the Company regarding such Qualified Bidder and its contemplated transaction. Failure by a Qualified Bidder to comply with requests for additional information will be a basis for the Company to disqualify the Qualified Bidder.

**Deadlines**

*Phase 1 Bid Deadline*

10. An Interested Party, if it wishes to submit an initial nonbinding offer, must deliver an original executed copy of a comprehensive nonbinding proposal (a "**Phase 1 Bid**") to the Company at the address specified in Appendix A hereto (including by email) so as to be received by the Company by not later than 12:00 p.m. (Eastern Time) on October 1, 2015, or such other later date or time as may be set by the Company (the "**Phase 1 Bid Deadline**").

*Phase 2 Bid Deadline*

11. A Qualified Bidder, if it wishes to submit a binding offer, must deliver an original executed copy of a comprehensive, final and binding proposal (a "**Bid**") to the Company at the address specified in Appendix A hereto (including by email) so as to be received by the Company by not later than 12:00 p.m. (Eastern Time) on November 2, 2015, or such other later date or time as may be set by the Company (the "**Bid Deadline**").

  - (c) Corporate Authority. Execution of the Phase 1 Bid by the Qualified Bidder's chief executive officer or other appropriate senior executive or evidence that such officer has approved the Phase 1 Bid; provided, however, that, if the Qualified Bidder is an entity specially formed for the purpose of effectuating the contemplated transaction (an "**Acquisition Entity**"), then the Qualified Bidder must furnish written evidence reasonably acceptable to the Debtors of the approval of the Phase 1 Bid by the equity holder(s) of such Qualified Bidder and any guarantor of the bid (the "**Principals**"); and
  - (d) Confidentiality Agreement. An executed NDA.

### *Submission of Binding Offers*

13. A Bid will be deemed to be a "**Qualified Bid**" only if the Bid complies with all of the following:

  - (v) any such other form of financial disclosure or credit-quality support information or enhancement reasonably acceptable to the Company demonstrating that such Qualified Bidder has the ability to close the contemplated transaction;
- (d) It indicates whether regulatory approval is anticipated to be required;
- (e) It is not conditioned on (i) the outcome of unperformed due diligence and/or (ii) obtaining financing;
- (f) It fully discloses the identity of each person (including any person that controls such person) that will be directly or indirectly sponsoring or participating in the bid, including whether any prior or current member of the Company's board,

  - (h) It includes evidence, in form and substance reasonably satisfactory to the Company, of authorization and approval from the Qualified Bidder's board of directors (or comparable governing body) with respect to the submission, execution, delivery and closing of the transaction contemplated by the bid, and identifies any anticipated shareholder, regulatory or other approvals outstanding, and the anticipated time frame and any anticipated impediments for obtaining such approvals;
  - (i) It does not include any request for or entitlement to any break or termination fee, expense reimbursement or similar type of payment;
  - (j) It is accompanied by a refundable deposit (the "**Deposit**") in the form of a wire transfer (to a bank account specified by the Company), or such other form acceptable to the Company, payable to the order of the Company, in trust, (i) if the total consideration is quantifiable, in an amount equal to 5% of the cash consideration of the Bid which Deposit shall be held and dealt with in accordance with these SISP Procedures;
  - (k) It contains such other information as may reasonably be requested by the Company; and
  - (l) It is received by the Bid Deadline.
14. The Company may waive any one or more minor and non-material violations of the requirements specified for Qualified Bids and deem such non-compliant bids to be Qualified Bids.

#### **Evaluation of Qualified Bids and Subsequent Actions**

15. The Company shall evaluate Qualified Bids on various grounds including, but not limited to, the purchase price or imputed value, the treatment of creditors and related implied

- 6 -

recovery for creditors (in each case, as applicable) and any delay or other risks (including closing risks) in connection with the Qualified Bids. Following that evaluation, the Company may:

- (a) Accept one (or more than one, if for distinct and compatible transactions) of the Qualified Bids (each a "**Successful Bid**" and the offeror(s) making such Successful Bid being a "**Successful Bidder**") and take such steps as may be necessary to finalize definitive transaction documents for the Successful Bid(s) with Successful Bidder(s);

  17. If no transaction has been successfully consummated with the Successful Bidder by December 31, 2015, the SISP shall automatically terminate.

### **Deposits**

20. All Deposits shall be held by the Company in a single account designated solely for such purpose. A Deposit paid by a Successful Bidder shall be dealt with in accordance with the definitive documents for the transactions contemplated by the Successful Bid. Deposits

- 7 -

In the case of an Alternate Bid, the Deposit shall be retained by the Company until the Alternate Bid Expiration Date and returned to the Alternate Bidder within three (3) Business Days thereafter or, if an Alternate Bid becomes a Successful Bid, shall be dealt with in accordance with the definitive documents for the Alternate Bid.

### **"As Is, Where Is"**

21. Any sale of the Business and/or Property or any investment in the Primus Group will be *on an "as is, where is" basis and without surviving representations or warranties of any kind, nature, or description* by the Primus Group or its advisors or any of their agents or estates, except to the extent otherwise provided under any definitive sale or investment agreement with a Successful Bidder executed by the Company. Neither the Company nor its advisors or any of their agents or estates makes any representation or warranty as to the information contained in the teaser, the management presentation or in the Data Room, except to the extent otherwise provided under any definitive sale or investment agreement with a Successful Bidder executed by the Company. Each Qualified Bidder is deemed to acknowledge and represent that it has had an opportunity to conduct any and all due diligence regarding the Business and Property prior to making its offer, that it has relied solely on its own independent review, investigation, and/or inspection of any documents and/or the Business and Property in making its Bid, and that it did not rely on any written or oral statements, representations, promises, warranties, conditions or guaranties whatsoever, whether express, implied, by operation of law or otherwise, regarding the Business and Property, or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in these SISP procedures or the terms of any definitive transaction documents.

### **No Obligation to Conclude a Sale**

22. The Company shall have no obligation to agree to conclude a sale or investment arising out of the SISP, and reserves the right and unfettered discretion to reject any offer or other proposal made in connection with the SISP. In addition, the Company may at any time terminate these SISP Procedures, and shall provide notice of any such termination to any Qualified Bidders.

### **Information**

23. Notwithstanding anything else in these SISP Procedures, to the extent that any director, officer or employee of, or any consultant to, the Company or any of its subsidiaries, or any entity controlled by such person, either individually or jointly with another Interested Party, submits a Bid, participates at the Auction as a bidder, or is directly or indirectly involved with or assisting any Interested Party that is contemplating submitting a Bid, submits a Bid, is deemed a Qualified Bidder, or participates at the Auction as a bidder, such person shall no longer from the first applicable point forward (i) be included in any

- 8 -

discussions or deliberations in connection with these SISP Procedures, including any decision making of the Company in respect of any matter on which the Company's consent is required or (ii) receive any information under these SISP Procedures.

#### **Communications**

24. All Interested Parties and any bidders shall direct all communications or discussions with respect to these SISP Procedures, including but not limited to, any requests for information about the Company and the Property or Business or with respect to the terms or conditions of any proposed or actual bid, or the status of any such bids, directly to the Sale Advisor.

#### **Modifications and Reservations**

25. The Company reserves the right to amend or modify these SISP Procedures.
26. These SISP Procedures do not, and will not be interpreted to, create any contractual or other legal relationship between the Company or its advisors and any Qualified Bidder, other than, with respect to the Company, as specifically set forth in a definitive agreement executed by the Company.

**APPENDIX A**

**ADDRESSES FOR NOTICES**

## APPENDIX B

AUCTION PROCEDURES**Auction**

1. If the Company determines to conduct an Auction pursuant to paragraph \_\_\_ of these SISP Procedures, the Sale Advisor will conduct at a time and place to be set within two weeks after the Bid Deadline. The Auction shall be conducted in accordance with the following procedures:
  - (a) Participation At The Auction. Only a Qualified Bidder that has submitted a Qualified Bid is eligible to participate in the Auction. Only the authorized representatives (including counsel and other advisors) of each of the Qualified Bidders and the Company shall be permitted to attend the Auction. Bidding at the Auction shall be conducted in rounds. The highest Qualified Bid at the beginning of the Auction shall constitute the "Opening Bid" for the first round and the highest "Overbid" at the end of each round shall constitute the "Opening Bid" for the following round. In each round, a Qualified Bidder may submit no more than one Overbid. Any Qualified Bidder who bids in a round (including the Qualified Bidder that submitted the Opening Bid for such round) shall be entitled to participate in the next round of bidding at the Auction. For greater certainty, a combination of Portion Bids that do not overlap and which, when totaled, exceed the Minimum Overbid (an "Aggregated Bid") may be determined to be the Opening Bid for any round including the opening round.
  - (b) Company Shall Conduct The Auction. The Company and its advisors shall direct and preside over the Auction. At the start of the Auction, the Company shall provide the terms of the Opening Bid to all participating Qualified Bidders at the Auction. The determination of which Qualified Bid constitutes the Opening Bid for each round shall take into account any factors that the Company reasonably deems relevant to the value of the Qualified Bid, including, among other things, the following: (i) the amount and nature of the consideration; (ii) the proposed assumption of any liabilities; (iii) the ability of the Qualified Bidder to close the proposed transaction; (iv) the proposed closing date and the likelihood, extent and impact of any potential delays in closing; (v) any purchase-price adjustments; (vi) the impact of the contemplated transaction on any actual or potential litigation; (vii) the net economic effect of any changes from the Opening Bid of the previous round, (viii) the net after-tax consideration to be received by the Company; and (ix) such other considerations as the Company deems relevant in its reasonable business judgment (collectively, the "Bid Assessment Criteria"). For greater certainty, the Company may ascribe monetary values to non-monetary terms in Overbids for the purposes of assessing and valuing such Overbids. All Bids made after the Opening Bid shall be Overbids (as defined below), and shall be made and received on an open basis, and all material terms of the highest and best Overbid shall be fully disclosed to all other Qualified Bidders that are

participating in the Auction. The Company shall maintain a record of the Opening Bid and all Overbids made and announced at the Auction, including the Successful Bid and the Alternate Bid (as defined below).

- (c) Terms of Overbids. An "Overbid" is any Bid made at the Auction subsequent to the Company's announcement of the Opening Bid. To submit an Overbid, in any round of the Auction, a Qualified Bidder must comply with the following conditions:
- (i) **Minimum Overbid Increment:** Any Overbid shall be made in such increments of as the Company may determine in order to facilitate the Auction (the "Minimum Overbid Increment"). The amount of the cash purchase price consideration of any Overbid shall not be less than the cash purchase price consideration of the Opening Bid, plus the Minimum Overbid Increment(s) at that time plus any additional Minimum Overbid Increments.
  - (ii) **Remaining terms are the same as for Qualified Bids:** Except as modified herein, an Overbid must comply with the conditions for a Qualified set forth in the SISP, provided, however, that the Bid Deadline shall not apply. Any Overbid made by a Qualified Bidder must provide that it remains irrevocable and binding on the Qualified Bidder until [x], 2015. To the extent not previously provided, a Qualified Bidder submitting an Overbid must submit, as part of its Overbid, written evidence (in the form of financial disclosure or credit-quality support information or enhancement reasonably acceptable to the Company) demonstrating such Qualified Bidder's ability to close the transaction proposed by such Overbid.
  - (iii) **Announcing Overbids:** At the end of each round of bidding, the Company shall announce the identity of the Qualified Bidder and the material terms of the then highest and/or best Overbid, including the assets proposed to be acquired and the obligations proposed to be assumed, the basis for calculating the total consideration offered in such Overbid, and the resulting benefit to the Company based on, among other things, the Bid Assessment Criteria. For greater certainty, an Aggregated Bid may be determined to be the highest and/or best Overbid.
  - (iv) **Consideration of Overbids:** The Company reserves the right, in its reasonable business judgment, to make one or more adjournments in the Auction to, among other things: (A) facilitate discussions between the Company and individual Qualified Bidders; (B) allow individual Qualified Bidders to consider how they wish to proceed; (C) consider and determine

the current highest and/or best Overbid at any given time during the Auction; and, (D) give Qualified Bidders the opportunity to provide the Company with such additional evidence as it may require, in its reasonable business judgment, that the Qualified Bidder has obtained all required internal corporate approvals, has sufficient internal resources, or has received sufficient non-contingent debt and/or equity funding commitments, to consummate the proposed transaction at the prevailing Overbid amount. The Company may have clarifying discussions with a Qualified Bidder, and the Company may allow a Qualified Bidder to make technical clarifying changes to its Overbid following such discussions.

- (v) **Portion Bids:** Notwithstanding the forgoing, each Portion Bidder entitled to participate in the Auction shall be entitled to submit an Overbid (in a minimum increment to be determined by the Company) with respect to the Assets it is bidding on without being required to submit an Overbid with respect to all Assets or the applicable Opening Bid; provided that any Aggregated Bid that is an Overbid shall be subject to these Auction procedures as any other Overbid, including that such Aggregated Bid that is an Overbid shall be subject to the Minimum Overbid Increment.
- (vi) **Failure to Bid:** If at the end of any round of bidding a Qualified Bidder (other than a Portion Bidder, or the Qualified Bidder that submitted the then highest and/or best Overbid or Opening Bid, as applicable) fails to submit an Overbid, then such Qualified Bidder shall not be entitled to continue to participate in the next round of the Auction.
- (d) **Additional Procedures.** The Company may adopt rules for the Auction at or prior to the Auction that will better promote the goals of the Auction and that are not inconsistent with any of the provisions of the SISP Procedures provided that no such rules may change the requirement that all material terms of the then highest and/or best Overbid at the end of each round of bidding will be fully disclosed to all other Qualified Bidders.
- (e) **Closing the Auction.** Upon conclusion of the bidding, the Auction shall be closed, and the Company shall, with the assistance of their advisors (i) immediately review the final Overbid of each Qualified Bidder on the basis of financial and contractual terms and the factors relevant to the sale process, including those factors affecting the speed and certainty of consummating the proposed sale, and (ii) identify the Successful Bid and the Alternate Bid and advise the Qualified Bidders participating in the Auction of such determination. One or more Portion Bids can form part of a Successful Bid and Alternate Bid so long as such Portion Bids do not overlap in respect of the Assets sought to be purchased and in such

case, such Portion Bid shall be included in the definition of Successful Bidder or Alternate Bid, as applicable.

- (f) Finalizing Documentation. Promptly following a Bid of a Qualified Bidder being declared the Successful Bid or the Alternate Bid, the Qualified Bidder shall execute and deliver such revised and updated definitive transaction agreements as may be required to reflect and evidence the Successful Bid or Alternate Bid.
  
- (g) Investment Bid. Notwithstanding any other provision of these SISP Procedures, if a Qualified Bidder submits an investment bid involving a restructuring, refinancing, recapitalization or other form of reorganization of the business and affairs of the Primus Group, or any of the Primus Group, as a going concern, which the Company considers would result in a greater value being received for the benefit of the Primus Group's creditors than the Qualified Bids, then the Company may consider such investment bid a Qualified Bid and allow such Qualified Bidder to participate in the Auction, notwithstanding that such investment bid does not otherwise comply with the terms of these SISP Procedures relating to the Auction. In such case, the Company may adopt appropriate rules to facilitate such Qualified Bidder's participation in the Auction.

### SALE AND INVESTOR SOLICITATION PROCESS

1. The purpose of the SISP is to identify one or more financiers, purchasers of and/or investors in the Primus Group's Business and/or Property (each as defined herein) with a completion date of a transaction or transactions no later than December 31, 2015.
2. Set forth below are the procedures (the "SISP Procedures") to be followed with respect to the SISP and, if there is a Successful Bid or Successful Bids (as defined herein), to complete the transactions contemplated by such Successful Bid(s).

#### **Defined Terms**

3. Capitalized terms used but not otherwise defined in these SISP Procedures shall have the following meaning:

"**Company**" means Primus Telecommunications Canada Inc.

"**Data Room**" means an electronic data room compiled and maintained by the Company containing confidential information in respect of the Primus Group, the Business and the Property.

"**First Secured Debt**" means all of the indebtedness owing pursuant to the Credit Agreement.

"**NDA**" means a non-disclosure and standstill agreement in form and substance satisfactory to the Company.

"**Portion Bid**" means a Bid for less than all or substantially all of the Property that is otherwise a Qualified Bid.

"**Portion Bidder**" means a Qualified Bidder that submits a Portion Bid.

"**Primus Group**" means the Company together with its subsidiaries and affiliates.

"**Sale Advisor**" means an investment banker engaged by the Company to assist with the implementation of the SISP.

#### *Solicitation Process*

4. The SISP Procedures set forth herein describe the manner in which Interested Parties (as defined in paragraph 6 below) may gain access to or continue to have access to due diligence materials concerning the Primus Group, its business and operations (the "**Business**") and its assets, undertakings and properties (collectively, the "**Property**"), the manner in which a bid becomes a Qualified Bid (as defined herein), the receipt and negotiation of Qualified Bids received, the ultimate selection of Successful Bid(s) and/or Alternate Bids(s) (as defined in Appendix B).
5. The Company shall have overall supervision of the SISP Procedures and shall lead the process with the support and assistance of its advisors.

6. The Company, with the assistance of the Sale Advisor, compiled a listing of prospective financiers, investors and/or purchasers (together with others expressing an interest in the Business and/or Property, the "**Interested Parties**"). The Sale Advisor used its best efforts to contact all Interested Parties to introduce the opportunity for investment in or the acquisition of the Business or Property and provided a "teaser" describing the opportunity to finance, acquire or invest in the Primus Group or to acquire some, all or substantially all of the Business or the Property to each Interested Party that expresses an interest in receiving such teaser.
7. Interested Parties were invited to a management presentation upon execution of an NDA.
8. At the discretion of the Company, any Interested Parties that have executed an NDA and provided a non-binding letter of intent will be provided with a form of definitive purchase agreement (the "**Template Purchase Agreement**") to be used in submitting a Bid for the acquisition for some or all of the Property and provided access to the Data Room.

*Due Diligence From Qualified Bidders*

9. Each Qualified Bidder shall comply with all reasonable requests for additional information by the Company regarding such Qualified Bidder and its contemplated transaction. Failure by a Qualified Bidder to comply with requests for additional information will be a basis for the Company to disqualify the Qualified Bidder.

**Deadlines**

*Bid Deadline*

10. A Qualified Bidder, if it wishes to submit a binding offer, must deliver an original executed copy of a comprehensive, final and binding proposal (a "**Bid**") to the Company at the address specified in Appendix A hereto (including by email) so as to be received by the Company by not later than 12:00 p.m. (Eastern Time) on November 16, 2015, or such other later date or time as may be set by the Company (the "**Bid Deadline**").

**Participant Requirements**

11. To participate in the process detailed by these SISP Procedures and to otherwise be considered for any purpose hereunder, an Interested Party must submit a Bid and each bidder submitting a Bid (a "**Qualified Bidder**") must be determined by the Company to have satisfactorily provided the Company with each of the following on or before the Bid Deadline (collectively, the "**Participant Requirements**"):
  - (a) Execution of the Bid by the Qualified Bidder's chief executive officer or other appropriate senior executive or evidence that such officer has approved the Bid; provided, however, that, if the Qualified Bidder is an entity specially formed for the purpose of effectuating the contemplated transaction, then the Qualified Bidder must furnish written evidence reasonably acceptable to the Company of the approval of the Bid by the equity holder(s) of such Qualified Bidder and any guarantor of the bid; and

- (b) An executed NDA.
- (c) A letter stating that the Bid is irrevocable until the later of (i) the selection of the Successful Bidder (as defined herein) and (ii) thirty (30) calendar days following the Bid Deadline, provided that if such bidder is selected as the Successful Bidder or the Alternate Bidder (as defined in Appendix B), its Bid shall remain irrevocable until the closing of the sale to the Successful Bidder or to the Alternate Bid Expiration Date (as defined below), as applicable;
- (d) It includes:
  - (i) in the case of a Bid to purchase the Business or any or all of the Property, a duly authorized and executed definitive purchase agreement substantially in the form of the Template Purchase Agreement containing the detailed terms and conditions of the proposed transaction, including identification of the Business or the Property proposed to be acquired, the purchase price for the Business or Property proposed to be acquired (the "**Purchase Price**"), the detailed structure and financing of the proposed transaction, together with a red line comparing the purchase agreement submitted to the Template Purchase Agreement; or
  - (ii) in the case of an offer to make an investment in the Primus Group, a duly authorized and executed term sheet describing the detailed terms and conditions of the proposed transaction, including details regarding the proposed equity and debt structure of the Primus Group following completion of the proposed transaction, the direct or indirect investment target and the aggregate amount of equity and debt investment (including the sources of such capital, the underlying assumptions regarding the *pro forma* capital structure, as well as anticipated tranches of debt, debt service fees, interest and amortization) to be made in the Primus Group, the treatment of the First Secured Debt (including what portion of the First Secured Debt will be paid on closing) and the debt, equity, or other securities, if any, proposed to be allocated to other creditors of the Primus Group;
- (e) It includes written evidence upon which the Company may reasonably conclude that the Qualified Bidder has the necessary financial ability to close the contemplated transaction and provide adequate assurance of future performance of all obligations to be assumed in such contemplated transaction. Such information should include, among other things, the following:
  - (iii) evidence of the Qualified Bidder's internal resources and proof of any debt or equity funding commitments that are needed to close the contemplated transaction;
  - (iv) contact names and numbers for verification of financing sources; and

- (v) any such other form of financial disclosure or credit-quality support information or enhancement reasonably acceptable to the Company demonstrating that such Qualified Bidder has the ability to close the contemplated transaction;
- (f) It indicates whether regulatory approval is anticipated to be required;
- (g) It is not conditioned on (i) the outcome of unperformed due diligence and/or (ii) obtaining financing;
- (h) It fully discloses the identity of each person (including any person that controls such person) that will be directly or indirectly sponsoring or participating in the bid, including whether any prior or current member of the Company's board, management, any employee or consultant to the Company or any creditor (including any of the Lenders) or shareholder of the Company is involved in any way with the bid or assisted with the bid, and the complete terms of any such participation as well as evidence of corporate authority to sponsor or participate in the bid;
- (i) It includes an acknowledgement and representation that the Qualified Bidder: (i) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the Property to be acquired and liabilities to be assumed in making its bid; and (ii) did not rely upon any written or oral statements, representations, promises, warranties or guaranties whatsoever, whether express or implied (by operation of law or otherwise), regarding the Property to be acquired or liabilities to be assumed or the completeness of any information provided in connection therewith, except as expressly provided in a definitive agreement;
- (j) It includes evidence, in form and substance reasonably satisfactory to the Company, of authorization and approval from the Qualified Bidder's board of directors (or comparable governing body) with respect to the submission, execution, delivery and closing of the transaction contemplated by the bid, and identifies any anticipated shareholder, regulatory or other approvals outstanding, and the anticipated time frame and any anticipated impediments for obtaining such approvals;
- (k) It does not include any request for or entitlement to any break or termination fee, expense reimbursement or similar type of payment;
- (l) It is accompanied by a refundable deposit (the "**Deposit**") in the form of a wire transfer (to a bank account specified by the Company), or such other form acceptable to the Company, payable to the order of the Company, in trust, (i) if the total consideration is quantifiable, in an amount equal to 5% of the cash consideration of the Bid which Deposit shall be held and dealt with in accordance with these SISP Procedures;
- (m) It contains such other information as may reasonably be requested by the Company; and

- (n) It is received by the Bid Deadline.
12. The Company may waive any one or more minor or immaterial violations of the requirements specified for Qualified Bids and deem such non-compliant bids to be Qualified Bids.

#### **Evaluation of Qualified Bids and Subsequent Actions**

13. The Company shall evaluate Qualified Bids on various grounds including, but not limited to, the purchase price or imputed value, the treatment of creditors and related implied recovery for creditors (in each case, as applicable) and any delay or other risks (including closing risks) in connection with the Qualified Bids. Following that evaluation, the Company may:
- (a) Accept one (or more than one, if for distinct and compatible transactions) of the Qualified Bids (each a "**Successful Bid**" and the offeror(s) making such Successful Bid being a "**Successful Bidder**") and take such steps as may be necessary to finalize definitive transaction documents for the Successful Bid(s) with Successful Bidder(s);
  - (b) Continue negotiations with selected Qualified Bidders (collectively, the "**Selected Bidders**") with a view to finalizing acceptable terms with one (or more than one, if for distinct and compatible transactions) of the Qualified Bidders; or
  - (c) Pursue an auction in accordance with the procedures set out in the attached Appendix B (an "**Auction**") if more than one Qualified Bid for the same Property or aspects of the Business has been received or if the Company otherwise determines that an Auction is appropriate under the circumstances.
14. The Company shall be under no obligation to accept the highest or best offer or any offer or to pursue or hold an Auction or to select any Successful Bidder(s) and any Alternate Bidder(s).
15. If a Successful Bidder fails to consummate a transaction related to the Property or portion thereof for any reason, then the Alternate Bid will be deemed to be the Successful Bid for the Property or portion thereof and the Company will proceed with the transaction pursuant to the terms of the Alternate Bid. Alternate Bids shall remain open for acceptance until the completion of the transaction(s) with the Successful Bidder(s) (the "**Alternate Bid Expiration Date**").
16. All Qualified Bids (other than the Successful Bid(s) and the Alternate Bid(s)) shall be deemed rejected by the Company on and as of the date of the execution of definitive documents with respect to the transactions contemplated by the Successful Bid(s) by the Company.
17. If no Qualified Bids are received by the Bid Deadline or if no Qualified Bid(s) are accepted or if no Successful Bidder(s) have been selected or no Auction has been pursued by the Company by December 14, 2015, the SISF shall automatically terminate. If no

transaction has been successfully consummated with the Successful Bidder by December 31, 2015, the SISP shall automatically terminate.

### **Deposits**

18. All Deposits shall be held in a single account designated solely for such purpose. A Deposit paid by a Successful Bidder shall be dealt with in accordance with the definitive documents for the transactions contemplated by the Successful Bid.
