Any such waiver shall be binding on the Purchaser only if made in writing; provided that if the Purchaser does not waive a condition(s) but completes the Closing, such condition(s) shall be deemed to have been waived by the Purchaser. Razor Energy shall take all such commercially reasonable actions, steps and proceedings as are reasonably within its control to ensure that the conditions listed below in this Section 7.1 are fulfilled at or before the commencement of the first step in the Closing Sequence.

- (a) Court Approval. #### **9.5 Successors and Assigns**

This Subscription Agreement shall become effective only when executed by each of the Parties and shall thereafter be binding on and enure to the benefit of the Parties and their respective successors and permitted assigns.

#### **9.6 Assignment**

Neither this Subscription Agreement nor any of the rights or obligations under this Subscription Agreement may be assigned or transferred, in whole or in part, by any Party without the prior written consent of the other Party.

#### **9.7 Amendment**

This Subscription Agreement may only be amended, supplemented or otherwise modified by written agreement by the Parties.

#### **9.8 Waiver**

No waiver will be binding unless executed in writing by the Party to be bound by the waiver. A Party's failure or delay in exercising any right under this Subscription Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a Party from any other or further exercise of that right or the exercise of any other right.

If any covenant or other provision of this Subscription Agreement is invalid, illegal or incapable of being enforced by reason of any rule of Law or public policy, then such covenant or other provision will be severed from and will not affect any other provision of this Subscription Agreement and this Subscription Agreement will be construed as if such invalid, illegal or unenforceable provision had never been contained in this Subscription Agreement. All other covenants and provisions of this Subscription Agreement will, nevertheless, remain in full force and effect and no covenant or

provision will be deemed dependent upon any other covenant or provision unless so expressed herein.

#### **9.12 Governing Law and Jurisdiction**
