#### **Remedy claimed or sought:**

- An Auction Approval and Vesting Order, substantially in the form attached as Schedule "A", ordering, *inter alia* the approval of the Auction Services Agreement between the Receiver and McDougall Auctioneers Ltd. in respect of the Assets; and
- A Sealing Order in the form attached hereto as Schedule "B", ordering, *inter alia*, the sealing of Confidential Supplemental Report dated April 29, 2022 (the "Confidential Supplemental") to the First Report of the Receiver dated April 29, 2022 (the "First Report").

#### Grounds for making this application:

The grounds for making this application are set out more fully in the First Report, but can be summarized as follows:

#### (A) Background

- 3. Any capitalized term not defined in the Application shall take the meaning ascribed to it in the First Report.
- 4. Effective March 11, 2022, pursuant to an order of the Honourable Justice A.D. Grosse granted in these proceedings (the "Receivership Order"), FTI Consulting Canada Inc. was appointed receiver (the "Receiver"), without security, of all of the current and future assets, undertakings and properties of every nature and kind whatsoever, and wherever situated including all proceeds thereof (the "Property") of Rbee Aggregate Consulting Ltd. (the "Debtor") in the within action (the "Receivership Proceedings").
- 5. The Receivership Order empowers and authorizes, but does not obligate, the Receiver to, among other things, manage, operate and carry on the business of the Debtor and to take possession and control of the Property of the Debtor and any and all proceeds, receipts and disbursements arising out of or from the Property, and to sell, convey, transfer, lease or assign the Property or any part or parts thereof out of the ordinary course of business.

#### **(B)** Receiver's Activities

6. The Receiver's actions and activities up to the date of this Application, as described in the First Report are lawful, proper, and consistent with its powers under the Receivership Order.

#### (C) Auction Services Agreement

7. The Receiver believes that the transaction contemplated in the Auction Services Agreement is the best and highest offer available and will garner the greatest recovery to the creditors in the Receivership Proceedings.

#### (D) Approval of Sale and Vesting of Assets

8. The Receiver believes it is appropriate for the Court to approve the Auction Services Agreement and grant an order vesting the Assets in the Purchaser free and clear of all claims, liens and encumbrances.

#### (E) Sealing Order

9. The Receiver is concerned that if the confidential information respecting the Auction Services Agreement is disclosed to third parties prior to the closing of the sale of the Assets, the disclosure could materially jeopardize the sale or, if the sale does not close, could materially jeopardize any subsequent sales process or the value that the Receiver could obtain from the sale of the Assets in a subsequent process. As such, the Receiver is respectfully of the view that it is appropriate that this Honourable Court grant the Receiver's request for a sealing of the Confidential Supplemental.

#### Material or evidence to be relied on:

- 10. The First Report of the Receiver dated April 29, 2022.
- 11. Affidavit of Service.

12. The other pleadings and materials filed in this Action and such further and other material as counsel may advise and this Honourable Court may permit.

#### **Applicable rules:**

- 13. Rules 1.3, 1.4, 6.3, and 13.5(2) of the *Rules of Court*.
- 14. Such further and other rules as counsel may advise and this Honourable Court may permit.

#### **Applicable Acts and Regulations:**

- 15. Bankruptcy and Insolvency Act, R.S.C. 1985, c. B-3.
- 16. Judicature Act, R.S.A. c. J-2.
- Such further and other Acts and Regulations as counsel for the Receiver may advise or this Honourable Court may permit.

#### Any irregularity complained of or objection relied on:

18. Not applicable.

#### How the application is proposed to be heard or considered:

19. Via WebEx before the presiding Justice S.D. Hillier on the Commercial List.

#### WARNING

If you do not come to Court either in person or by your lawyer, the Court may give the applicants what they want in your absence. You will be bound by any order that the Court makes. If you want to take part in this application, you or your lawyer must attend in Court on the date and at the time shown at the beginning of the form. If you intend to rely on an affidavit or other evidence when the application is heard or considered, you must reply by giving reasonable notice of the material to the applicant.

- 10. From and after the closing of sale of any of the Assets to a Purchaser, the Receiver is authorized to take all such steps as may be necessary to effect the discharge of any security registration or registrations relating to the Claims registered against the Assets, including Encumbrances, as may be necessary, provided that the Receiver shall not be authorized to effect any discharge that would have the effect of releasing any collateral other than the Assets, and the Receiver shall be authorized to take any further steps by way of further application to this Court.

  - (c) any assignment in bankruptcy made in respect of the Debtor; and
  - (d) the provisions of any federal or provincial statute:

- 12. The Receiver, the Purchaser (or its nominee) and any other interested party, shall be at liberty to apply for further advice, assistance and direction as may be necessary in order to give full force and effect to the terms of this Order and to assist and aid the parties in closing the Transaction.
