INTRODUCTION

- 1. On August 19, 2022 (the "Filing Date"), Trevali Mining Corporation ("Trevali Corp.") and Trevali Mining (New Brunswick) Ltd. ("Trevali NB" and collectively, "Trevali" or the "Applicants") commenced proceedings (the "CCAA Proceedings") under the Companies' Creditors Arrangement Act, R.S.C. 1985, c. C-36, as amended (the "CCAA") pursuant to an order granted by this Honourable Court which was subsequently amended and restated on August 29, 2022 (the "ARIO").
- 2. The ARIO appointed FTI Consulting Canada Inc. as Monitor in the CCAA Proceedings (the "Monitor") and established a stay of proceedings (the "Stay of Proceedings") in favour of the Applicants until October 6, 2022. The Stay of Proceedings has since been extended until and including October 18, 2022.
- 3. On September 14, 2022, this Honourable Court granted the following orders:
 - a. an order (the "SISP Order") approving procedures for a sales and investment solicitation process (the "SISP") and a sales agent agreement between Trevali Corp. and National Bank Financial Inc. (the "Sales Agent") and granting a charge to secure the Sales Agent's fees (the "Sales Agent Charge"); and
 - b. an order approving a key employee retention plan (the "KERP") and granting a charge over the Applicants' property in favour of the KERP employees as security for the amounts payable under the KERP in the amount of \$800,000 (the "KERP Charge").
- 4. On September 29, 2022, Trevali filed a Notice of Application for an order (the "Non-Applicant Stay Order") with respect to Trevali Corp.'s non-applicant subsidiary Rosh Pinah Zinc Corporation (Proprietary) Limited ("RPZC"). Trevali's application for the Non-Applicant Stay Order arose in response to Glencore AG and its affiliates (collectively, "Glencore") declining to advise whether they will assert a right of set-off

- against amounts owing by them for delivery under off-take agreements with the Applicants and certain affiliated entities ("Multilateral Set-off").
- 5. On or about October 11, 2022 the Applicants, RCF Lenders and Glencore reached a settlement agreement (the "Settlement Agreement"), resolving the issues involved in the Non-Applicant Stay Order application and Multilateral Set-off as between those parties.
- 6. On October 11, 2022, the Applicants filed a Notice of Application for the following orders:
 - a. an order (the "Interim Financing Order") authorizing and empowering Trevali Corp. to obtain and borrow an interim financing tranche (the "Interim Financing Tranche") pursuant to a term sheet (the "Interim Financing Term Sheet"), the form of which has been agreed amongst Trevali Corp., RCF Lenders, and the administrative agent for the RCF Lenders, The Bank of Nova Scotia (the "RCF Administrative Agent") and granting a charge in favour of the RCF Administrative Agent, on behalf of the RCF Lenders, to secure obligations in connection with the Interim Financing Tranche (the "Interim Lenders' Charge"), conditional upon the execution by Trevali Corp. (with the consent of the Monitor), the RCF Administrative Agent and the RCF Lenders of an amendment to the RCF Lenders credit agreement (as amended, the "Credit Agreement"), as contemplated by the Interim Financing Term Sheet.
 - b. an order (the "Settlement Approval Order") authorizing and approving the Settlement Agreement, conditional upon the execution by Trevali Corp. (with the consent of the Monitor), the RCF Administrative Agent and the RCF Lenders of an amendment to the Credit Agreement, as contemplated by the Interim Financing Term Sheet.
 - c. an order (the "Stay Extension Order") extending the Stay of Proceedings until and including December 15, 2022 (the "Stay Extension").

7. The RCF Administrative Agent has advised the Monitor that it plans to file a Notice of Application for a sealing order (the "Sealing Order") directing that the Confidential Supplement Report to the Fourth Report of the Monitor (the "Confidential") be filed under seal.

PURPOSE

- 8. The purpose of this Fourth Report is to provide this Honourable Court and the Applicants' stakeholders with information with respect to:
 - a. the terms of the Interim Financing Tranche;
 - b. the terms of the Settlement Agreement, excluding certain commercially sensitive terms;
 - c. updated cash flow statements for the 24-week period ending January 31, 2023 (the "Forecast Period") with respect to the Applicants (the "Third Cash Flow Statement") and the Rosh Pinah mine (the "Second Rosh Pinah Cash Flow Statement") as well as the key assumptions on which the cash flow statements are based;
 - d. an update on the status of the Applicants' Perkoa mine; and
 - e. Trevali's application for the Stay Extension Order.

TERMS OF REFERENCE

- 9. In preparing this report, the Monitor has relied upon certain information (the "Information") including Trevali's unaudited financial information, books and records and discussions with senior management ("Management").
- 10. Except as described in this report, the Monitor has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the Information in a manner that

would comply with Generally Accepted Assurance Standards pursuant to the Chartered Professional Accountants of Canada Handbook.

- 11. The Monitor has not examined or reviewed financial forecasts and projections referred to in this report in a manner that would comply with the procedures described in the Chartered Professional Accountants of Canada Handbook.
- 12. Future-oriented financial information reported to be relied on in preparing this report is based on Management's assumptions regarding future events. Actual results may vary from forecast and such variations may be material.
- 13. Unless otherwise stated, all monetary amounts contained herein are expressed in United States dollars to be consistent with the Applicants' primary reporting currency.
- 14. Capitalized terms not otherwise defined herein are as defined in the First Report of the Monitor in these CCAA Proceedings dated August 26, 2022 or the Settlement Agreement.

INTERIM FINANCING

- 15. As set out in the Third Cash Flow Statement and Second Rosh Pinah Cash Flow Statement, Trevali requires an immediate infusion of cash in order to meet its obligations at Trevali Corp. and to make the intercompany funding transfers required to preserve operations at Rosh Pinah. In order to avoid missing critical payroll and supplier payments at Rosh Pinah, the Applicants require that the first advance under the Interim Financing Tranche be received as early as October 19, 2022.
- 16. Trevali has reached an agreement with the RCF Lenders to provide the Interim Financing Tranche by way of an amendment of Trevali Corp.'s existing credit agreement with the RCF Lenders and the RCF Administrative Agent (the "Existing Credit Agreement").

- 17. The key commercial terms of the Interim Financing Tranche as set out in the Interim Financing Term Sheet are as follows:
 - a. the principal amount of \$16.5 million will be made available to Trevali on a non-revolving basis;
 - b. the borrower will be Trevali Corp. and the guarantors, administrative agent and lenders will be consistent with the Existing Credit Agreement;
 - c. the proceeds of the Interim Financing Tranche will be used to:
 - i. fund the ordinary course working capital and general corporate purposes of Trevali Corp.;
 - ii. fund the on-going operations of Rosh Pinah; and
 - iii. pay permitted fees and expenses.
 - d. Trevali is to provide the RCF Lenders with rolling 13-week cash flow forecasts for each of Trevali Corp., Trevali NB and RPZC (collectively, the "Interim Financing Budgets") and a variance reports as compared to the Interim Financing Budget every two weeks. The Third Cash Flow Statement and Second Rosh Pinah Cash Flow Statement shall serve as the first Interim Financing Budgets;
 - e. the Applicants are permitted to incur a cumulative aggregate negative variance from the Interim Financing Budgets, on an entity-by-entity basis, of not more than 10% or \$200,000, whichever is more, relative to the aggregate receipts and aggregate disbursements in the respective Interim Financing Budgets;
 - f. the following fees and interest are to be paid to the RCF Lenders and RCF Administrative Agent in respect of the Interim Financing Tranche:

- interest is payable at the base rate from time to time in effect (or approximately 5.45% as at October 9, 2022) plus 8% per annum and paidin-kind upon repayment of the Interim Financing Tranche and is payable in priority to the Interim Financing Tranche;
- ii. an upfront fee of 150 bps (approximately \$247,500) on the maximum principal amount of the Interim Financing Tranche which will be capitalized and added to the principal amount of the Interim Financing Tranche;
- iii. an agency fee of approximately \$50,000 as provided in the Existing Credit Agreement; and
- iv. all reasonable costs and expenses of the RCF Administrative Agent and the RCF Lenders, including legal fees and disbursements.
- g. all obligations in connection with the Interim Financing Tranche shall be secured in accordance with the terms of the Existing Credit Agreement and a Court-ordered, super-priority Interim Lenders' Charge on the assets, undertakings and properties of the Applicants;
- h. relative priority of the charges granted in the CCAA Proceedings shall be as follows:
 - i. the Administration Charge;
 - ii. the D&O Charge;
 - iii. the Intercompany Advances Charge;
 - iv. the KERP Charge;

- v. the Sales Agent Charge solely in respect of amounts payable upon completion of a transaction for the sale of the Rosh Pinah mine pursuant to the SISP;
- vi. the Interim Lenders' Charge; and
- vii. the Sales Agent Charge in respect of all remaining amounts secured thereby.
- i. amounts drawn under the facility are to be repaid by the earlier of:
 - i. the 180th day after the date of issuance of the Interim Financing Order or such later date as agreed to in writing by the RCF Lenders in their sole and absolute discretion;
 - ii. the completion of a sale or sales of the equity of all or any substantial portion of the assets, property and undertaking, any other sale or other transaction pursuant to the SISP for gross proceeds exceeding \$16.5 million;
 - iii. the implementation of a plan of compromise or arrangement;
 - iv. the date on which the stay in the ARIO expires;
 - v. the date on which the CCAA Proceeding is terminated or dismissed; and
 - vi. the occurrence of an event of default under the Existing Credit Agreement and the Interim Financing Term Sheet.
- j. conditions precedent include, among other things, resolution satisfactory to the RCF Lenders of the dispute between the Applicants and Glencore with respect to Multilateral Set-off; and

- k. the RCF Lenders shall at all times be treated as unaffected creditors in the CCAA

 Proceedings and in any plan of compromise or arrangement filed thereto.
- 18. The Monitor's comments with respect to Trevali's application for the Interim Financing Order are as follows:
 - a. the Applicants require interim financing on an urgent basis;
 - b. absent interim financing, the Applicants will be unable to continue the SISP or preserve the value of the Rosh Pinah mine;
 - c. while the Applicants considered alternative sources of interim financing, the RCF Lenders are the most practical party to provide short-term financing and the Monitor understands that the RCF Lenders would be opposed to funds being advanced by any other lenders on a priority basis;
 - d. the interest and fees payable to the RCF Lenders with respect to the Interim Financing Tranche are reasonable in the circumstances and comparable to other market transactions for debtor-in-possession interim financings of a similar nature;
 - e. the Monitor understands that the RCF Lenders would not be prepared to extend the interim financing without the Interim Lenders' Charge and that the Sales Agent does not oppose the subordination of certain of its security;
 - f. the condition precedent with respect to satisfactory resolution of the Multilateral Set-off issue has been addressed by the Settlement Agreement; and
 - g. certain key stakeholders including Glencore are supportive of the Interim Financing Tranche.

19. Overall, it is the Monitor's view that, as detailed in the cash-flows discussed herein, the financing contemplated by the Interim Financing Tranche is required by the Applicants and will enhance the Applicants' prospects of achieving a successful restructuring transaction with respect to the Rosh Pinah mine. Further, the Monitor is of the view that the terms of the Interim Financing Term Sheet are fair and reasonable in the circumstances.

SETTLEMENT AGREEMENT

- 20. On or about October 11, 2022 Trevali, the RCF Administrative Agent and Glencore (the "Settlement Parties") reached the Settlement Agreement to, among other things, resolve the possibility of Glencore asserting entitlement to Multilateral Set-off and the preservation of the Off-Take Agreements and facilitate the funding of the Interim Financing Tranche. A copy of the Settlement Agreement, with certain commercially sensitive provisions redacted, is attached as Appendix "A".
- 21. The key commercial terms of the Settlement Agreement are summarized as follows:
 - a. the Settlement Agreement is conditional upon the Court granting the Interim Financing Order and the Settlement Approval Order;
 - b. under the Settlement Agreement, the Net Proceeds (for certainty, as defined in the Settlement Agreement) to the RCF Administrative Agent are calculated as:
 - i. any proceeds realized by any member of Trevali and its subsidiaries that are subject to the security of the RCF Lenders, including Trevali's direct or indirect interest in RPZC and the Rosh Pinah Mine, insurance proceeds in respect of the flood at the Perkoa Mine, amounts receivable from Cerro De Pasco Resources Inc. or realised from the sale or realization of any other assets ("Gross Proceeds"); less

- ii. any costs determined by the Court or required by law to be paid from the Gross Proceeds in priority to the RCF Lenders' security to the extent the same have not been paid from the Interim Financing Tranche and are paid from the Gross Proceeds ("Realization Costs"); less
- iii. the amount outstanding under the Interim Financing Tranche.
- c. at such time as Trevali is authorized to pay the Net Proceeds to the RCF Administrative Agent, the proceeds shall be distributed under a schedule of distribution prescribed in the Settlement Agreement. The terms are commercially sensitive and are not disclosed in this Fourth Report but a full copy of the Settlement Agreement is included in the Confidential Supplement;
- d. Glencore approves the Interim Financing Term Sheet and shall not oppose any application by Trevali for an order approving such term sheet or the Interim Financing Tranche in the CCAA Proceedings;
- e. Glencore waives any right or claim to Multilateral Set-off in respect of liabilities incurred prior to the completion of any acquisition transaction(s) resulting from the SISP and the Settlement Agreement does not otherwise alter commercial relationships as among Glencore and an acquirer in the future;
- f. neither the RCF Lenders nor Trevali will contest, challenge or bring into question the validity or enforceability of any of the Off-Take Agreements during the term of the agreement;
- g. neither the RCF Lenders nor Trevali will propose, seek, approve or consent to, vote in favour of or support any transaction that adversely affects any of the Offtake Agreements without the express written consent of Glencore during the term of the agreement;

- h. the RCF Lenders and Trevali agree that Glencore can collect the remaining amount of zinc concentrate at the Caribou mine and the amount payable for same (estimated to be approximately \$250,000) will be paid by way of set-off against the amount owing by Trevali to Glencore under the Caribou off-take agreement.

 All costs associated with such collection will be paid in cash by Glencore;
- i. Glencore and the RCF Lenders will provide commercially reasonable cooperation and assistance in connection with the SISP if requested, including in any discussions with potential bidders;
- j. Glencore represents to the RCF Administrative Agent and Trevali that, with respect to Rosh Pinah, Glencore is only aware of existing claims that arise in respect of deliveries made by RPZC to Glencore during June 2022 or thereafter; and
- k. the Settlement Agreement shall terminate:
 - i. in accordance with the further written agreement of all of the Parties; and
 - ii. upon the termination of the SISP in relation to the sale of Trevali's interest in the Rosh Pinah Mine in accordance with the SISP.
- 22. The Monitor's Comments with respect to Trevali's application for the Settlement Approval Order are as follows:
 - a. the Settlement Agreement resolves the Parties' concerns regarding Glencore's potential claim of Multilateral Set-off and the preservation of the Off-Take Agreements;
 - b. the Settlement Agreement addresses the condition precedent of the Interim

 Financing Term Sheet that Glencore's potential entitlement to effect Multilateral

 Set-off be resolved in a manner acceptable to the RCF Lenders and thereby

facilitates the provision of funding under the Interim Financing Tranche, which funding is necessary for the Applicants' on-going operations;

- c. the Settlement Agreement provides the Applicants with greater certainty regarding cash receipts at Rosh Pinah and the assumptions supporting the Third Cash Flow Statement and Second Rosh Pinah Cash Flow Statement;
- d. it is the Monitor's view that the agreement by the RCF Lenders and Trevali not to challenge the validity or enforceability of any of the Off-Take Agreements or support any transaction that seeks or purports to eliminate or adversely affect any of the Off-Take Agreements without the express written consent of Glencore is a reasonable concession in the circumstances. The lender constituencies have consultation rights under the SISP and the provisions of the Settlement Agreement and intercreditor agreement among the RCF Administrative Agent, Glencore and Trevali (the "ICA") may allow for a commercial negotiation amongst the lender constituencies should the SISP result in an attractive offer contingent on some form of modification to the Off-Take Agreements;
- e. the Monitor has been advised by Management that the quality and saleability of the lead and zinc concentrate remaining at the Caribou mine that is to be picked up by Glencore diminishes over time as a result of oxidation and other factors.

 Management is also of the view that Trevali is unlikely to find an alternative buyer for the concentrate due to, among other things, the relatively small volume;
- f. the Settlement Parties are sophisticated and have sufficient knowledge and experience to evaluate the terms and conditions of this Settlement Agreement;
- g. absent the Settlement Agreement, it is unlikely that Trevali will be able to secure the interim funding it requires on a timely basis and to the satisfaction of the RCF Lenders to complete the SISP and effect a restructuring transaction to the benefit of all stakeholders; and

- h. overall, the Settlement Agreement is reasonable in the circumstances and is in the best interests of Trevali and its stakeholders.
- 23. It is the Monitor's view that the Settlement Agreement includes commercially sensitive information with respect to the schedule of distribution among the RCF Lenders and Glencore, the disclosure of which could undermine the integrity of the on-going SISP involving Trevali's interests in the Rosh Pinah Mine and Caribou Mine. The commercially sensitive information includes distribution provisions that could be used by potential purchasers to derive information on the RCF Lenders and Glencore's views on potential value that may result from the SISP. Therefore, the Monitor believes that the Sealing Order is reasonable in the circumstances.
- 24. The complete Settlement Agreement is included in the Confidential Supplement.

CASH FLOW STATEMENTS

Trevali Corp. and Trevali NB

- 25. Management has prepared the Third Cash Flow Statement to set out the liquidity requirements for the 24 weeks ending January 31, 2023. A copy of the Third Cash Flow Statement is attached as Appendix "B".
- 26. The Cash Flow Statement is summarized in the following table:

27. The Third Cash Flow Statement is based on the following key assumptions:

- a. payroll and benefits for Trevali Corp. have been revised since the Second Cash Flow Statement as a result of the departure of certain executives and a further reduced staff complement while Caribou payments reflect the ongoing care and maintenance operations;
- b. operating disbursements relate primarily to ordinary course payments to run Trevali's head office and care and maintenance operations at Caribou;

- c. insurance costs of approximately \$1.7 million relate to the renewal of the Applicants' corporate insurance policies which expire in November 2022. The Applicants continue to review their options in order to potentially reduce the premiums and preserve liquidity;
- d. restructuring professional fees are forecast to be approximately \$6.3 million during the forecast period and include fees and disbursements for the Applicants' legal counsel, the Monitor, the Monitor's legal counsel, the financial advisor to the RCF Lenders, the legal counsel to the RCF Lenders, the consultant to the Special Committee of the Board of Directors, the legal counsel to the Board of Directors and the Sales Agent;
- e. intercompany funding transfers from Trevali Corp. totalling a net amount of \$16.6 million are required to fund the liquidity requirements of Rosh Pinah during the Forecast Period comprised of \$18.6 million of advances net of \$2.0 million of transfers back to Trevali Corp. The cash flows associated with Rosh Pinah are set out in the Second Rosh Pinah Cash Flow Statement which is summarized further in the following section; and
- f. interim financing of approximately \$16.0 million is forecast to be required during the Forecast Period with a first tranche of approximately \$1.0 million to be sent to Rosh Pinah during the week ending October 25, 2022.
- 28. The Applicants are forecast to have a remaining cash balance of approximately \$643,000 as at January 31, 2023.

Rosh Pinah

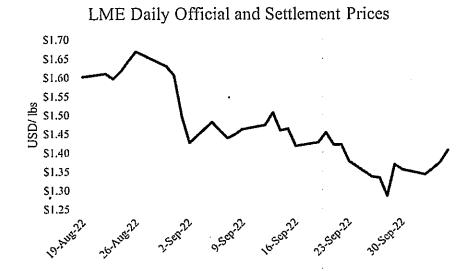

29. As described above, Rosh Pinah requires intercompany funding transfers from Trevali Corp. in order to avoid liquidity shortfalls during the SISP with the first transfer required during the week ending October 25, 2022.

- 30. To date the Monitor has approved intercompany transfers of \$9.6 million comprised of transfers of \$4.6 million on August 29, 2022 and \$5.0 million on September 28, 2022.
- 31. Management has prepared the Second Rosh Pinah Cash Flow Statement to set out the liquidity requirements of Rosh Pinah during the Forecast Period, a copy of which is attached as Appendix "C".
- 32. A summary of the Second Rosh Pinah Cash Flow Statement is set out in the below table:

	Weeks 1-6	Weeks 7-24	Weeks 1-24

Opening Cash	1,588	6,609	1,588
Ending Cash	\$ 6,609	\$ 1,641	\$ 1,641

33. The Second Rosh Pinah Cash Flow Statement is based on the following assumptions:

- a. the projected operating receipts at Rosh Pinah are assumed to be collected in cash payments under normal course trade settlement terms with Glencore International AG and in accordance with the Settlement Agreement;
- b. operating receipts are also subject to fluctuations in zinc prices which have been volatile in recent weeks as depicted in the following chart:

The Applicants have drafted the projected operating receipts with the assumption of a \$1.35/lbs zinc price but note that every 10 cent drop in price may have a \$3.5 million adverse impact on cash flow; and

c. operating disbursements reflect ongoing operations and certain minimum capital and development expenditures to preserve value at the Rosh Pinah mine.

PERKOA MINE

34. A description of the Applicants' strategy with respect to the Perkoa mine in Burkina Faso was described in the Confidential Affidavit #3 of Brendan Creaney, which was filed under seal.

- 35. On October 6, 2022, Trevali announced that its 90% owned subsidiary Nantou Mining Burkina Faso S.A. ("Nantou Mining") has filed an application for liquidation with the Judicial Tribunal of Commerce in Burkina Faso. Under applicable Burkinabe law, a liquidator is expected to be appointed by the Judicial Tribunal in the coming days and such liquidator will assume responsibility for the management of Nantou Mining's affairs.
- 36. On October 6, 2022, Trevali provided details of the liquidation application in a press release and confirmed that funds remain on deposit in a segregated environmental reclamation fund administered by the Government of Burkina Faso in order to support future closure and reclamation work of the Perkoa Mine. Trevali also stated that funds have been placed in trust to fund a financial settlement with the families of the workers that died in the tragic flooding event in April 2022.

STAY EXTENSION

- 37. The Monitor's comments with respect to Trevali's application to extend the Stay of Proceedings until and including December 15, 2022 are as follows:
 - a. the Third Cash Flow Statement forecasts that the anticipated proceeds of the Interim Financing Tranche will provide the Applicants with sufficient liquidity during the proposed Stay Extension;
 - b. the Applicants require the Stay Extension in order to continue undertaking the SISP in conjunction with the Sales Agent and in accordance with the SISP Order;
 - c. there will be no material prejudice to the Applicants' creditors and other stakeholders as a result of the Stay Extension;
 - d. the Stay Extension is supported by certain key stakeholders including the RCF Lenders and Glencore;

- e. the Applicants are acting in good faith and with due diligence; and
- f. Trevali's overall prospects of effecting one or more viable restructuring transactions will be enhanced by the Stay Extension.

CONCLUSIONS AND RECOMMENDATIONS

- 38. Based on the foregoing, the Monitor respectfully recommends that this Honourable Court grant the following:
 - a. the Interim Financing Order;
 - b. the Settlement Approval Order; and
 - c. the Stay Extension Order.

All of which is respectfully submitted this October 11th, 2022.

- H. Glencore AG and Nantou are parties to the Perkoa Off-Take Agreements (as defined herein).
- 1. Glencore International and RPZC are parties to the Rosh Pinah Off-Take Agreements (as defined herein).
- J. The Agent, Glencore Canada and the Trevali Group are parties to an intercreditor agreement dated September 30, 2020 (the "ICA") which, among other things, confirms the relative priority of the Security and certain protections of the Off-Take Agreements (as defined in the ICA).
- K. On August 19, 2022 (the "Filing Date"), Trevali Corp. and Trevali NB (collectively, the "Applicants") obtained protection from their creditors under the provisions of the Companies' Creditors Arrangement Act, R.S.C. 1985, c. C-36 (the "CCAA") by way of an order (the "Initial Order") of the Supreme Court of British Columbia (the "Court") made in Supreme Court of British Columbia Action No. S-226670 (the "CCAA Proceedings"). Pursuant to the Initial Order, FTI Consulting Canada Inc was appointed monitor of the Applicants (in such capacity, the "Monitor"). The other members of the Trevali Group are not applicants in the CCAA Proceedings.
- L. Pursuant to an order of the Court made in the CCAA Proceedings on September 14, 2022, the Applicants initiated a sales and investment solicitation process (the "SISP") to solicit proposals for either an investment transaction or a sale of one or both of the

Caribou Mine and Trevali Corp.'s direct or indirect interest in RPZC, and the Applicants were authorized to engage National Bank Financial Inc. ("NBF") as sales agent.

- M. As at the Filing Date, the Lenders were owed approximately USD \$88.9 million under the Revolving Credit Facility (the amount owing under the Revolving Credit Facility as at the Filing Date, plus interest thereon to the date of payment in accordance with the terms of the Lenders Credit Agreement is hereafter referred to as the "Pre-Filing RCF Indebtedness") and Glencore Canada was owed approximately USD \$13.1 million under the Glencore Facility (the amount owing under the Glencore Credit Facility as at the Filing Date, plus interest thereon to the date of payment in accordance with the terms of the Glencore Credit Agreement is hereafter referred to as the "Glencore Facility Indebtedness").
- N. As at the Filing Date, Glencore AG, Glencore Canada and Glencore International each had claims against Trevali Corp., Nantou and RPZC arising under the Off-Take Agreements, and, since the Filing Date, additional potential claims have arisen against RPZC under the Rosh Pinah Off-Take Agreements.
- O. Glencore declined to advise whether it will assert a right to set off amounts payable by it after the Filing Date under the Rosh Pinah Off-Take Agreement against amounts owed to it by Trevali Corp., Trevali NB and Nantou under the Caribou and Perkoa Off-Take Agreements.
- P. The Applicants requested that the Lenders provide interim financing in the CCAA Proceedings in order to fund, among other things, the continuation of mining activities at the Rosh Pinah Mine during the pendency of the CCAA Proceedings and professional costs associated with the CCAA Proceedings, including the SISP, and the Lenders have agreed to provide an interim financing tranche (the "Interim Financing") by way of an amendment to the Lenders Credit Agreement on the terms set out in the Indicative Term Sheet dated October 2022 (the "Interim Financing Term Sheet"), a copy of which is attached hereto as Schedule "B", including on the condition that Glencore's potential entitlement to effect Multilateral Setoff (as defined herein) be resolved in a manner acceptable to the Lenders in their sole discretion.
- Q. The parties to this Agreement (collectively, the "Parties") wish to facilitate the provision of funding for the Applicants by the Lenders under the Interim Financing Term Sheet and, among other things, address Glencore's potential claim of Multilateral Setoff and confirm their agreements relating to the set-offs effected by Glencore to date and the preservation of the Off-Take Agreements and any rights of setoff thereunder, all on the terms set out in this Agreement.

NOW THEREFORE in consideration of the mutual promises and covenants and agreements in this Agreement and for other good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, the Parties covenant and agree with each other as follows:

1. In this Agreement, the following terms have the following definitions:

- (a) "Caribou Off-Take Agreements" means: (i) for zinc concentrates, Contract No. 062-13-27000-P dated October 15, 2012 between Trevali Corp. and Glencore AG, as amended; and (ii) for lead concentrates, Contract No. 180-13-30423-P dated March 17, 2020 between Trevali Corp., Glencore AG and Glencore Canada, as amended, as assigned from Contract No. 180-13-27002-P dated October 15, 2012 between Trevali Corp. and Glencore AG, as amended;
- (b) "Gross Proceeds" means any proceeds, in its broadest sense, realized by any member of the Trevali Group that are subject to the Security, including without limitation Trevali Corp.'s direct or indirect interest in RPZC and the Rosh Pinah Mine, insurance proceeds claimed by Trevali Corp.in respect of an insurance claim made in respect of the flood at the Perkoa Mine, amounts receivable from Cerro De Pasco Resources Inc. or realized from the sale or realization of any other assets;

- (f) "Outstanding Interim Financing Balance" means the outstanding amount of Interim Financing, including principal, interest, fees and costs; and, for greater certainty: (i) the Outstanding Interim Financing Balance shall not directly or indirectly include any pre-filing obligations of the Applicants to the Lenders; and (ii) there shall be no direct or indirect recovery to the Lenders under the Interim Financing Term Sheet other than the principal to be advanced as part of the Interim Financing, interest thereon, fees and costs, all as expressly contemplated under the Interim Financing Term Sheet;
- (g) "Party" means a party to this Agreement;
- (h) "Perkoa Off-Take Agreements" means; (i) for zinc concentrates, Contract No. 062-10-12611-P dated June 30, 2010 between Nantou and Glencore International, as amended; and (ii) for lead concentrates, Contract No. 180-11-11996-P dated March 22, 2011 between Nantou and Glencore International, as amended;
- (i) "Realization Costs" means any costs determined by the Court or required by law to be paid from the Gross Proceeds in priority to the Security, including the following, to the extent the same have not been paid from the Interim Financing and are paid from the Gross Proceeds (without duplication or double counting):
 - (i) professional fees, including without limitation any success fee payable to NBF, fees of Trevali Corp.'s legal counsel, the Monitor, the Monitor's legal counsel, independent legal counsel to Trevali Corp.'s board of

directors, the Lenders' legal counsel and financial advisors, and any other fees that are secured by a Court-ordered charge ranking in priority to the Security, all subject to Court approval (where applicable);

and, for greater certainty, Realization Costs do not include any direct or indirect recovery by the Lenders or any payments to or on account of any pre-filing indebtedness owing by Trevali Corp. to the Lenders, other than the recovery of fees contemplated by sub-paragraph (i), above; and

- (j) "Rosh Pinah Off-Take Agreements" means: (i) for zinc concentrates, Contract No. 062-12-12076-P dated July 3, 2012 between RPZC and Glencore International, as amended; and (ii) for lead concentrates, Contract No. 180-13-11417-P dated January 1, 2013 between RPZC and Glencore International, as amended.
- 2. The Parties acknowledge and agree that the above recitals to this Agreement are incorporated into and form an integral part of this Agreement.
- Glencore International hereby represents to the Agent and the Trevali Group that, in regards to the Rosh Pinah Off-Take Agreement, Glencore International is only aware of existing claims that arise in respect of deliveries made by RPZC to Glencore International during June 2022 or thereafter.
- 4. This Agreement and the Parties' obligations hereunder are conditional upon the granting of one or more orders of the Court in the CCAA Proceedings approving and authorizing the Applicants to enter into: (i) this Agreement; (ii) the Interim Financing Term Sheet; and (iii) an agreement to further amend the terms of the Lenders Credit Agreement in accordance with the terms of the Interim Financing Term Sheet, and to borrow funds under the Interim Financing.

- 6. Glencore hereby approves the Interim Financing Term Sheet and shall not oppose any application by Trevali Corp. for an order of the Court in the CCAA Proceedings approving such term sheet and granting all related relief as contemplated by paragraph 4 hereof.
- Glencore hereby formally and irrevocably waives any right or claim to apply set off in 7. respect of: (i) any obligations of Glencore Canada, Glencore AG or Glencore International to any particular Mine Owner, or in respect of any particular Mine, on the one hand; against (ii) any obligations to Glencore of any other Mine Owner, or in respect of any other Mine, on the other hand (such setoff is herein referred to as "Multilateral Setoff"). Such waiver shall remain effective during the pendency of the CCAA Proceedings and in perpetuity in relation to any Mine Owner acquired by a third party through the SISP. Such waiver shall not, however, apply as between any Glencore entity and any two or more Mine Owners or Mines that are acquired by the same third party (the "Acquiror"), either directly or indirectly, in relation to liabilities incurred by the Mine Owner after the completion of any such acquisition transaction(s). For greater certainty, following the sale of a Mine Owner or Mine, the waiver acts solely to prevent Glencore from asserting any right or claim to Multilateral Setoff in relation to liabilities incurred prior to the completion of any such acquisition transaction(s), and does not otherwise alter commercial relationships as among Glencore and the Acquiror in the future with respect to obligations arising after the completion of any such acquisition transaction(s).
- 8. The Lenders and the Trevali Group hereby acknowledge and agree that, aside from the waiver set forth above, Glencore continues to have rights of set-off under the Off-Take Agreements in accordance with the terms thereof, that such rights are not stayed, that neither the Lenders nor the Trevali Group will seek to stay such rights and that neither the

Lenders nor the Trevali Group will challenge any set-offs effected by Glencore to date or in the future in accordance with the terms of the Off-Take Agreements (including, for certainty, all set-offs effected to date in relation to the Caribou Off-Take Agreements and the Rosh Pinah Off-Take Agreements). For the avoidance of doubt, Glencore shall have the continuing right to set off any amounts (other than the Glencore Indebtedness, as defined in the ICA) under the Off-Take Agreements in accordance with the terms thereof, and nothing in this Agreement shall prejudice or limit the rights of Glencore under the provisions of the Off-Take Agreements, including the right to make, file and enforce any claim against any of the Mine Owners, including for specific performance and/or monetary damages.

- 9. Neither the Lenders nor the Trevali Group will contest, challenge or bring into question the validity or enforceability of any of the Off-Take Agreements.
- 10. Neither the Lenders nor the Trevali Group will, directly or indirectly, propose, seek, approve, consent to, vote in favour of or support (including with any court or any monitor or other court officer appointed in any insolvency proceeding) any transaction that seeks or purports to eliminate, disclaim, terminate, repudiate, modify or otherwise adversely affect or impact any of the Off-Take Agreements (including the sale of the assets of a Mine free of the relevant Off-Take Agreement) without the express written consent of Glencore.
- 11. The Lenders and the Applicants agree that Glencore can pick up the Caribou Concentrate, and that the amount payable by Glencore for same will be paid by way of set-off against the amount owing by Trevali Corp. to Glencore under the Caribou Off-Take Agreement. Trevali Corp. will provide commercially reasonable cooperation to facilitate the transfer and sale of the Caribou Concentrate to Glencore. All costs associated with any such pickup, transfer and sale will be paid by Glencore, including any pre-approved third-party costs incurred by Trevali Corp., which shall be paid in cash by Glencore. For clarity, to the extent that such costs are to be borne by Trevali Corp. under the Caribou Off-Take Agreement and are paid by Glencore, such costs may be included in the amount set off by Glencore under the Caribou Off-Take Agreement.
- 12. The Parties agree to conduct themselves in a commercially reasonable manner in accordance with the agreements among them, including this Agreement, and Glencore and the Lenders will provide commercially reasonable cooperation and assistance in connection with the SISP if requested by Trevali Corp. or the Monitor, including in any discussions with potential bidders. Among other things, neither Glencore nor the Lenders will as part of any such discussions assert any rights or entitlements in relation to the Trevali Group's assets or business which are not expressly contemplated by their agreements either with one or more members of the Trevali Group or with one another. Nothing herein prevents the Lenders or Glencore from taking positions or making arguments in their interests, provided such positions are consistent with the terms of their agreements either with one or more members of the Trevali Group or with one another (including this Agreement).

- 13. This Agreement, and the Parties' rights and obligations, shall terminate: (i) in accordance with the further written agreement of all of the Parties; or (ii) upon the termination of the SISP in relation to the sale of the Trevali Group's interest in the Rosh Pinah Mine in accordance with the terms of the SISP, and more particularly paragraph 46 thereof. Upon such termination, all existing agreements, including the ICA and the Off-Take Agreements, shall continue, unamended by this Agreement
- 14. The Lenders, the Trevali Group and Glencore agree that the ICA remains binding, effective and unmodified, except as expressly contemplated by this Agreement. In the event of a conflict between the terms of the ICA and the terms of this Agreement, this Agreement shall govern.
- 15. The Trevali Group covenants and agrees that it shall cause all other affiliates of the Trevali Group to abide by the terms of this Agreement. Glencore covenants and agrees that it shall cause all of its affiliates to abide by the terms of this Agreement.
- 16. This Agreement and its terms shall be kept confidential by the Parties, save and except for such disclosure as may be necessary to obtain the approval of this Agreement by the Court as contemplated by this Agreement.
- 17. The Parties each represent and declare that they have read and understood this Agreement, have consulted with and been advised by their legal counsel before signing this Agreement, that they hereby execute this Agreement as the free and willing act of such Party, and that any signatory on behalf of any of a Party has full authority to execute this Agreement.
- 18. Time is of the essence of this Agreement.
- 19. This Agreement shall be governed by and construed in accordance with the laws of the Province of British Columbia and the laws of Canada, as applicable. Any dispute arising out of this Agreement, including the enforcement of this Agreement, shall be determined by the Court in the CCAA Proceeding, and the Parties hereby attorn to the exclusive jurisdiction of the courts of the Province of British Columbia, sitting in Vancouver. Nothing in this Agreement will alter the choice of law or attornment provisions of any other agreement among any of the Parties, including without limitation, the Off-Take Agreements.
- 20. This Agreement shall be binding upon and enure to the benefit of each of the Parties, their respective administrators, successors and assigns and the Parties agree for themselves, and their respective administrators, successors and assigns to execute any instruments and to perform any acts which may be necessary or proper to carry out the purposes of this Agreement.

THE REMAINDER OF THIS PAGE IS INTENTIONALLY BLANK

21. This Agreement may be executed by the Parties in counterparts with the same effect as if each of the Parties had signed the same document and all such counterparts, taken together, shall constitute one and the same agreement. This Agreement may be executed and delivered by email or other means of electronic communication with the same effect as if the Parties had executed and delivered original documents.

IN WITNESS WHEREOF the Parties have executed this Agreement effective as of the 12th day of October 2022.

	 The current \$90,000,000² principal amount of outstanding Indebtedness under the Existing Credit Agreement shall be referred to as the "Pre-Filing Tranche". The Pre-Filing Tranche shall be capped at the amount of the outstanding Indebtedness under the Existing Credit Agreement as at August 19, 2022 (the

DIP Tranche size to be determined based upon DIP Budgets anticipated to be received on or about October 4 but will ultimately be an amount equal to the sum of the shortfall at Rosh Pinah as reflected in the latest DIP Budget minus an amount equal to 90% (ie: reflecting Trevali's ownership interest in Rosh Pinah) of any overdraft or working capital facilities provided by Standard Bank to Rosh Pinah. DIP Tranche size ultimately approved by the Court shall include the DIP Upfront Fee and capitalized interest and standby fees under the DIP Tranche.

² Current principal amount outstanding to be confirmed.

"Filing Date") plus an amount equal to the contingent exposure for outstanding Letters³ under the Pre-Filing Tranche as and when such outstanding Letters are drawn upon.

	(b) deferred payments made by Cerro de Pasco (whether cash, shares or other consideration) to the Borrower as consideration for the sale of the Santander mine;
	(c) the net proceeds from the sale of any of the Secured Assets other than the sale of inventory in the ordinary course of business;
