1.4 Accounting Principles

- (a) Wherever in this Agreement reference is made to "generally accepted accounting principles" or "GAAP", such reference shall be deemed to be to the recommendations at the relevant time of the CICA, or any successor institute, applicable on a consolidated basis (unless otherwise specifically provided or contemplated herein to be applicable on an unconsolidated or modified consolidated basis) as at the date on which such calculation is made or required to be made in accordance with generally accepted accounting principles. Where the character or amount of any asset or liability or item of revenue or expense or amount of equity is required to be determined, or any consolidation or other accounting computation is required to be made for the purpose of this Agreement or any other Document, such determination or calculation shall, to the extent applicable and except as otherwise specified herein or as otherwise agreed in writing by the parties, be made in accordance with GAAP applied on a consistent basis.
- (b) If there occurs a material change in GAAP required by the promulgation of any rule, regulation, pronouncement or opinion by CICA, and such change would require disclosure under GAAP in the financial statements and would cause an amount required to be determined hereunder ("**Relevant Amount**") to be materially different than the amount that would be determined without giving effect to such change, the Borrower shall notify the Lenders of such change ("**Accounting Change**"). Such notice ("**Accounting Change Notice**") shall describe the nature of the Accounting Change, its effect on the current and immediately prior fiscal quarter's and fiscal year's financial statements in accordance with GAAP and state whether the Borrower desires to revise the method of calculating the Relevant Amount (including the revision of any of the defined terms used in the determination of such Relevant Amount) in order that amounts determined after giving effect to such Accounting Change and the revised method of calculating such Relevant Amount will approximate the

amount that would be determined without giving effect to such Accounting Change and without giving effect to the revised method of calculating such Relevant Amount. The Accounting Change Notice shall be delivered to the Administrative Agent within forty five (45) days after the end of the fiscal quarter in which the Accounting Change is implemented or, if such Accounting Change is implemented in respect of an entire fiscal year, within ninety (90) days after the end of such period. Promptly after receipt from the Borrower of an Accounting Change Notice, the Administrative Agent shall deliver to each Lender a copy of such notice.

If, pursuant to the Accounting Change Notice, the Borrower does not indicate that it desires to revise the method of calculating the Relevant Amount, the Lenders may, within thirty (30) days after their receipt of the Accounting Change Notice or the receipt of any financial statement or report pursuant to Section 11.1(b), notify the Administrative Agent that they wish to revise the method of calculating the Relevant Amount in the manner described above. If the Majority Lenders so notify the Administrative Agent, the Administrative Agent shall promptly notify the Borrower.

If either the Borrower or the Majority Lenders so indicate that they wish to revise the method of calculating the Relevant Amount, the Borrower, the Administrative Agent and the Majority Lenders shall in good faith attempt to agree on a revised method of calculating the Relevant Amount, with the intent of having the respective positions of the Lenders and the Borrower after such Accounting Change conform as nearly as possible to their respective positions immediately prior to such Accounting Change; provided that, until any such revised method has been agreed upon, the Relevant Amount shall be calculated as if no such Accounting Change had occurred. For greater certainty, if no notice of a desire to revise the method of calculating the Relevant Amount in respect of an Accounting Change is given by either the Borrower or the Majority Lenders within the applicable time period described above, the method of calculating the Relevant Amount shall not be revised in response to such Accounting Change and all amounts to be determined pursuant to the Relevant Amount shall be determined after giving effect to such Accounting Change.

If a Compliance Certificate is delivered in respect of a fiscal quarter or fiscal year in which an Accounting Change is implemented without giving effect to any revised method of calculating any Relevant Amount, and subsequently, as provided above, the method of calculating any Relevant Amount is revised in response to such Accounting Change, or such Relevant Amount is to be determined without giving effect to such Accounting Change, the Borrower shall deliver a revised Compliance Certificate.

The Borrower shall have the option, subject to the terms and conditions hereof, to determine which types of Advances under the Non-Revolving Facility shall be drawn down and in which combinations and proportions.

The Non-Revolver Facility is a non-revolving credit facility: that is, any repayment of any Borrowings under the Non-Revolver Facility shall result in a permanent reduction of the Non-Revolver Facility to the extent of such repayment and a corresponding reduction of the applicable Commitments and, for certainty, the Borrower shall not be entitled to make any further Drawdown in respect of and to the extent of any such repayment. The Borrower shall only be entitled to make one Drawdown under the Non-Revolver Facility, which shall occur on the date hereof. If such Lender fails to make its Lender's Proportion of the relevant Borrowing available to the Administrative Agent on the relevant date, the Administrative Agent shall be entitled to recover on demand the amount of such Lender's Proportion of the Borrowing from such Lender or, failing recovery from such Lender, from the Borrower on one day's notice. Interest payable to the Administrative Agent for its own account shall accrue on

the amount of such Lender's Proportion of such Borrowing during the period prior to recovery at a rate per annum equal to (i) in the case of amounts paid by a Lender within three Banking Days of the date such amount was payable to the Administrative Agent, the rate customarily applicable to interbank payments, and (ii) in the case of amounts paid by a Lender more than three Banking Days after the date such amount was payable to the Administrative Agent or paid by the Borrower at any time, the rate applicable to a Canadian Prime Rate Loan under the applicable credit facility if such amount is a Canadian Dollar amount or to a U.S. Base Rate Loan under the applicable credit facility if such amount is a U.S. Dollar amount. No Lender shall be responsible for the failure of any other Lender to make a Borrowing or provide funds.

2.12 Hedging with Lenders and Hedging Affiliates

- (a) If a Lender or its Hedging Affiliate makes a Financial Instrument available to the Borrower or Material Subsidiary and such Lender or Hedging Affiliate is advised by the Borrower or Material Subsidiary pursuant to Section 2.12(b) and believes, acting reasonably, without any actual notice or knowledge to the contrary, that such Financial Instrument is Permitted Hedging, then the Hedging Obligations associated with such Financial Instrument shall be secured by the Security *pari passu* with the Obligations and Cash Management Obligations, regardless of whether the Borrower or a Material Subsidiary has breached Section 11.1(d)(vi) (but, for certainty, without in any manner lessening or relieving the Borrower or a Material Subsidiary from its obligation to comply therewith).
- (b) At the time of entering into each Financial Instrument with a Lender or its Hedging Affiliate, the Borrower or Material Subsidiary shall be deemed to represent and warrant to the Lender and its Hedging Affiliate that such Financial Instrument is Permitted Hedging. The Compliance Certificate shall contain in reasonable detail all relevant information with respect to all Financial Instruments of the Borrower and Material Subsidiaries, and upon request of the Administrative Agent, acting reasonably, at any other time, the Borrower shall provide such information to the Administrative Agent.
- (c) Without further action or execution of documents the Borrower shall be jointly and severally liable with the Material Subsidiaries for all Hedging Obligations arising out of any Financial Instruments entered into by any Material Subsidiaries.

2.13 Borrowing Base

In respect of the Borrowing Base the following provisions shall apply:

- (a) On or before March 31 in each year, the Borrower shall deliver to the Administrative Agent, for delivery to each Lender, an Engineering Report as to its and any Material Subsidiaries' reserves as of the immediately preceding December 31 prepared by an Independent Engineer together with a Borrowing Base Certificate. On or before September 30 in each year, the Borrower shall deliver to the Administrative Agent, for delivery to each Lender, an Engineering Report as to its and any Material Subsidiaries' reserves as of the immediately preceding June 30 prepared by internal petroleum engineers of the Borrower or, if required by the Majority Lenders, by an Independent Engineer, together with a Borrowing Base Certificate.

- (b) Within 60 days of the receipt of an Engineering Report and Borrowing Base Certificate pursuant to Section 2.13(a) and all other information reasonably requested by the Lenders, and in conformity with the terms of this Section 2.13, the Lenders shall determine the Borrowing Base and shall deliver to the Borrower a written notice, in substantially the form set out in Schedule "G" hereto, specifying such determination ("**Borrowing Base Notice**"). All determinations and re-determinations of the Borrowing Base shall be made by the Lenders in their sole discretion in accordance with their normal and customary petroleum and natural gas lending criteria and practices in effect at the time of determination for loans to borrowers in the Canadian petroleum and natural gas industry. The determined Borrowing Base shall be effective immediately upon receipt by the Borrower of the Borrowing Base Notice and shall continue until a subsequent determination of the Borrowing Base. Under no circumstances shall the Borrowing Base determined by the Lenders exceed the total Commitments for the Revolving Facilities.
- (c) The Lenders shall make each determination and re-determination of the Borrowing Base under this Section 2.13 in consultation with each other and all such determinations (whether increases, reductions or confirmations of the same amount) must be unanimous. If all of the Lenders cannot agree on the amount of the Borrowing Base within the aforementioned 60 day period, then the Borrowing Base shall be deemed to have been determined by the Lenders as the lowest Borrowing Base amount proposed by a Lender or Lenders to the Administrative Agent and other Lenders by written notice within such period, and promptly after the expiry of such 60 day period the Agent shall deliver a Borrowing Base Notice to the Borrower (with a copy thereof to each Lender) specifying such Borrowing Base.
- (d) Unless otherwise agreed by the Lenders, if the Borrowing Base is reduced or increased, the Borrowing Base allocated to the Production Facility shall be reduced or increased by the full amount of the Borrowing Base reduction or increase, and the Borrowing Base allocated to the Operating Facility shall remain as per Schedule A but, unless otherwise agreed to by all of the Lenders in their sole discretion, there shall be no increase of the Commitments for the Operating Facility or Production Facility. Unless otherwise agreed by the Lenders, for each reduction of the Borrowing Base, the total Commitment of each of the Lenders under the Revolving Facilities shall be reduced pro rata in the same proportion that the amount of the reduction in the Borrowing Base bears to the amount of the Borrowing Base in effect immediately prior to such redetermination with the apportionment of the total Commitment of the Operating Lender who is also a Production Lender as between the Operating Facility and Production Facility being adjusted accordingly based upon the allocation of the Borrowing Base to the Operating Facility.
- (e) At the request of the Majority Lenders the Borrowing Base shall be re-determined in accordance with the provisions of this Section 2.13 (in addition to the aforementioned determinations of the Borrowing Base after receipt of the annual Engineering Report and the update thereto): (i) in the event there has been a change, event or circumstance resulting in a Material Adverse Effect as determined by the Majority Lenders, acting reasonably; (ii) if amounts received by the Loan Parties from all Hedge Monetizations and from the sale or

disposition of assets, in the aggregate, since the immediately preceding determination or redetermination of the Borrowing Base exceeds 5% of the existing Borrowing Base; and (iii) upon the issuance by the Borrower of any new Permitted Subordinated Convertible Debentures or the incurrence by any Loan Party of other Debt that is consented to by the Lenders. In addition to and without limiting the foregoing, the Borrowing Base may be redetermined at the request of the Majority Lenders once per calendar year upon written notice to the Borrower.

- (f) The Borrower may request the Administrative Agent to re-determine the Borrowing Base in accordance with the provisions of this Section 2.13:
 - (i) once in any calendar year; or
 - (ii) when there is a pending Material Acquisition;
- (g) For the re-determinations of the Borrowing Base in subclauses (e) and (f) above, the Borrower shall provide the Administrative Agent with a Borrowing Base Certificate, Engineering Report and such additional information that the Lenders may reasonably require in order to make such determinations. The Lenders shall forthwith thereafter redetermine the Borrowing Base and such re-determination shall become effective upon the Administrative Agent giving a Borrowing Base Notice to the Borrower.
- (h) The Borrowing Base is determined to be Cdn. \$140,000,000.
- (i) If any Loan Party wishes to effect a sale, disposition or reconveyance of any Borrowing Base Properties (other than a Permitted Disposition), the Borrower shall provide the Administrative Agent with not less than fifteen (15) days prior notice in writing indicating the Borrowing Base Properties being sold or disposed of and seeking all Lenders' consent thereto. The Lenders shall thereupon redetermine the Borrowing Base in accordance with this Section 2.13 at the sole cost and expense of the Borrower with all such Borrowing Base Properties to be sold or disposed of excluded from the assets upon which the Borrowing Base is determined. If all the Lenders are satisfied, in their sole discretion, that the Borrowing Base as so redetermined will not result in any Borrowing Base Shortfall and that there is then no Default or Event of Default outstanding, the Lenders will provide their consent to such sale of Borrowing Base Properties. The Borrowing Base as so redetermined shall be in effect from the date of notification by the Administrative Agent to the Borrower of such redetermination until any subsequent redetermination of the Borrowing Base pursuant to this Agreement.

2.14 Borrowing Base Shortfall

If at any time, other than as provided by Section 2.16, any re-determination of the Borrowing Base results in the Outstanding Principal under the Revolving Facilities exceeding the Borrowing Base (such difference being the "**Borrowing Base Shortfall**") then, until such Borrowing Base Shortfall has been eliminated in accordance with this Section 2.14: (i) no Drawdowns (other than Conversions and Rollovers) or Advances under either Revolving Facility shall be available without the prior unanimous approval of the Lenders; and (ii) no Borrowing

Base Properties (excluding, for certainty, severed production sold in the ordinary course of business) may be disposed of without the prior unanimous approval of the Lenders, such approval not to be unreasonably withheld. A Borrowing Base Shortfall shall be fully repaid within 30 days of the occurrence of such Borrowing Base Shortfall ("**Shortfall Period**"); provided however, the Borrower shall be entitled to request, within the Shortfall Period, an increase in the Borrowing Base by adding additional petroleum and natural gas reserves to the Borrowing Base such that the existing Borrowing Base Shortfall shall no longer exist. Any request to increase the Borrowing Base pursuant to this Section shall be in writing and shall be accompanied by the delivery of proposed Security over additional assets of the Borrower and the Material Subsidiaries and such other information as the Lenders may request. The Lenders shall determine in their sole discretion whether they are satisfied that the proposed Security and additional assets are adequate to allow the requested increase in the Borrowing Base and shall advise the Administrative Agent of such determination as soon as possible. If the request of the Borrower to increase the Borrowing Base is rejected by the Lenders, the Borrower shall repay such Borrowing Base Shortfall within the Shortfall Period in accordance with this Section 2.14. If the Borrower fails to comply with the foregoing within the Shortfall Period, such failure shall be an Event of Default for the purposes of this Agreement.

2.15 Extension of Revolving Period

- (a) Provided that there is no Default or Event of Default, the Borrower may request ("**Borrower Request**") that the Revolving Period of each Revolving Lender in respect of the Revolving Facilities be extended for additional 364-day periods by written notice to the Administrative Agent no earlier than 90 days and no later than 45 days prior to the end of the then current Revolving Period. With any such request the Borrower shall provide to the Revolving Lenders all information the Revolving Lenders may reasonably request, including a Borrowing Base Certificate. Any extension of the Revolving Period shall require approval of Revolving Lenders whose Commitments are in aggregate in excess of 66 2/3 % of the Commitments of all Revolving Lenders under the Revolving Facilities ("**Required Lenders**"). No later than 30 days after such Borrower Request, the Administrative Agent shall provide a written notice to the Borrower confirming either: (i) the Required Lenders will extend the then current Revolving Period for an additional 364-day period and the names of any Revolving Lenders which did not agree to the extension ("**Non-Agreeing Lenders**"); or (ii) the Required Lenders will not extend the then current Revolving Period.
- (b) If the Borrower does not make the Borrower Request during the required period described above, or if the Borrower makes such Borrower Request and such Borrower Request is not agreed to by the Required Lenders, then the Revolving Period is not extended, all Revolving Lenders shall be deemed Non-Agreeing Lenders and the Term Period for each Non-Agreeing Lender shall commence at the end of the then current Revolving Period. The Commitment of each Non-Agreeing Lender under the Revolving Facilities shall reduce to the Outstanding Principal of each Non-Agreeing Lender under the Revolving Facilities as of the date of the commencement of the Term Period. During the Term Period, the Borrower may not re-borrow any amounts that may be repaid to the Non-Agreeing Lenders (but may make Conversions and Rollovers) and each payment of Outstanding Principal under the Revolving Facilities made to a Non-Agreeing Lender during the Term Period shall be a permanent reduction of such Non-Agreeing Lender's Commitment under the Revolving Facilities in the amount of

such payment. On the Term Maturity Date of a Non-Agreeing Lender, all Obligations owing to such Non-Agreeing Lender under the Revolving Facilities shall become due and payable, the Borrower shall pay and satisfy all Obligations owing under the Revolving Facilities in full to such Non-Agreeing Lender and the Commitment of such Non-Agreeing Lender under the Revolving Facilities shall be terminated.

- (c) If all of the Revolving Lenders agree to extend the then current Revolving Period, then the Revolving Period shall then be extended for an additional 364 day period in respect of the Commitments of each Revolving Lender under the Revolving Facilities.
- (d) If less than all of the Revolving Lenders, but the Required Lenders, agree to extend the then current Revolving Period ("**Agreeing Lenders**"), then: (a) prior to the end of the then current Revolving Period, the Borrower may replace, in accordance with the terms of this Agreement, or, if no Default or Event of Default is then in existence, repay, such Non-Agreeing Lenders; and (b) the Revolving Period shall then be extended for an additional 364 day period in respect of the Commitments of each Agreeing Lender under the Revolving Facilities, including any replacement Lenders.
- (e) If, prior to the end of the then current Revolving Period, all of the Non-Agreeing Lenders have not been replaced with a new Lender or repaid, then the Term Period for the Non-Agreeing Lenders shall commence at the end of the then current Revolving Period of such Non-Agreeing Lender. Each Non-Agreeing Lender's Commitment under the Revolving Facilities shall reduce to the Outstanding Principal of each Non-Agreeing Lender under the Revolving Facilities as of the date of the commencement of its Term Period. During the Term Period, the Borrower may not re-borrow any amounts that may be repaid to the Non-Agreeing Lenders (but may make Conversions and Rollovers) under the Revolving Facilities and each payment of Outstanding Principal under the Revolving Facilities made to a Non-Agreeing Lender during the Term Period shall be a permanent reduction of such Non-Agreeing Lender's Commitment under the Revolving Facilities in the amount of such payment. On the Term Maturity Date of a Non-Agreeing Lender, all Obligations to such Non-Agreeing Lender under the Revolving Facilities shall become due and payable, the Borrower shall pay and satisfy all such Obligations in full and the Commitment of such Non-Agreeing Lender under the Revolving Facilities shall be terminated.
- (f) If the Operating Lender becomes a Non-Agreeing Lender, then the Borrower may repay or term out the Operating Facility or replace the Operating Lender, in accordance with the above provisions, independent of repaying or terming out such Lender's share of the Production Facility or replacing such Lender as a Production Lender.
- (g) The Borrower agrees that consideration of any request for an extension of the Revolving Period constitutes an independent credit decision which each Revolving Lender retains the absolute and unfettered discretion to make, and that no commitment in this regard is given by any Revolving Lender and that any extension of the Revolving Period may be on such terms and conditions in

addition to those set out herein as the Revolving Lenders may stipulate and the Borrower may agree to.

2.16 Currency Excess

- (a) If the Administrative Agent shall determine that the Outstanding Principal under the Production Facility exceeds the total Commitments for the Production Facility, the Outstanding Principal under the Operating Facility exceeds the total Commitments for the Operating Facility or the Outstanding Principal under the Non-Revolving Facility exceeds the total Commitments for the Non-Revolving Facility, in each case, as a result of currency rate fluctuations (the amount of such excess is herein called the "**Currency Excess**"), then, upon written request by the Administrative Agent (which request shall detail the applicable Currency Excess), the Borrower shall repay an amount of Canadian Prime Rate Loans or U.S. Base Rate Loans within (i) if the Currency Excess exceeds the amount of the applicable Credit Facility by 5% or more, 3 Banking Days, and (ii) in all other cases, 5 Banking Days after receipt of such request, such that, except as otherwise contemplated in Section 2.16(b), the Equivalent Amount in Canadian Dollars of such repayments is, in the aggregate, at least equal to the Currency Excess.
- (b) If, in respect of any Currency Excess under the Credit Facility, the repayments made by the Borrower have not completely removed such Currency Excess (the remainder thereof being herein called the "**Currency Excess Deficiency**"), the Borrower shall within the aforementioned 3 or 5 Banking Days, as the case may be, after receipt of the aforementioned request of the Administrative Agent, place an amount equal to the Currency Excess Deficiency on deposit with the Administrative Agent in a non-interest bearing cash collateral account in the Borrower's name, to be assigned to the Administrative Agent on behalf of the applicable Lenders by instrument satisfactory to the Administrative Agent and to be applied to maturing Acceptances or Libor Loans (converted if necessary at the exchange rate for determining the Equivalent Amount on the date of such application). The Administrative Agent is hereby irrevocably directed by the Borrower to apply any such sums on deposit to maturing Borrowings as provided in the preceding sentence. In lieu of providing funds for the Currency Excess Deficiency, as provided in the preceding provisions of this Section, the Borrower may within the said period of 3 or 5 Banking Days, as the case may be, provide to the Administrative Agent an irrevocable standby letter of credit in an amount equal to the Currency Excess Deficiency and for a term which expires not sooner than 10 Banking Days after the date of maturity of the relevant Acceptances or Libor Loans, as the case may be; such letter of credit shall be issued by a financial institution, and shall be on terms and conditions, acceptable to the Administrative Agent in its sole discretion. The Administrative Agent is hereby authorized and directed to draw upon such letter of credit and apply the proceeds of the same to Acceptances or Libor Loans as they mature. Upon the Currency Excess being eliminated as aforesaid or by virtue of subsequent changes in the exchange rate for determining the Equivalent Amount, then, provided no Event of Default has occurred or a Default is then continuing, such funds on deposit or such letters of credit shall be returned to the Borrower, in the case of funds on deposit, or shall be cancelled or reduced in amount, in the case of letters of credit.

2.17 Anti-Hoarding

The proceeds of the Credit Facility shall not be used to accumulate and/or maintain cash or cash equivalents in depository or investment accounts of any Loan Party or any of their Subsidiaries outside of the ordinary course of business and such Loan Party's working capital requirements, and the Lenders may in their discretion refuse to fund Drawdowns for such purposes.

ARTICLE 3 BANKERS' ACCEPTANCES

3.1 Bankers' Acceptances

The Borrower may give the Administrative Agent notice that Bankers' Acceptances will be required under the Production Facility or the Non-Revolver Facility pursuant to a Drawdown, Rollover or Conversion. The following provisions in this Article 3 apply to Bankers' Acceptances and BA Equivalent Advances made by the Production Lenders under the Production Facility and the Non-Revolver Lenders under the Non-Revolver Facility.

3.2 Form and Execution of Bankers' Acceptances

The following provisions shall apply to each Bankers' Acceptance hereunder:

- (a) the face amount at maturity of each draft drawn by the Borrower to be accepted as a Bankers' Acceptance shall be in integral multiples of \$100,000 per Lender;
- (b) the term to maturity of each draft drawn by the Borrower to be accepted as a Bankers' Acceptance after the date hereof shall, subject to market availability as determined by the Administrative Agent, be no more than 45 days in duration, and each Bankers' Acceptance shall be payable and mature on the last day of the Interest Period for such Bankers' Acceptance, provided that the Bankers' Acceptances shall not have a maturity after (i) in the case of the Production Facility, the end of the Revolving Period or Term Maturity Date, as applicable, and (ii) in the case of the Non-Revolver Facility, the Non-Revolver Facility Maturity Date; and
- (c) each draft drawn by the Borrower and presented for acceptance by a Lender shall be drawn on the standard form of such Lender in effect at the time.

3.3 Power of Attorney; Provision of Bankers' Acceptances to Lenders

- (a) The Borrower hereby irrevocably appoints each Lender, acting by any authorized signatory of the Lender in question, the attorney of the Borrower:
 - (i) to make the necessary arrangements for the negotiation of Bankers' Acceptances;
 - (ii) to sign for and on behalf and in the name of the Borrower as drawer, drafts in such Lender's standard form which are depository bills as defined in the DBNA, payable to a "clearing house" (as defined in the

DBNA) including, without limitation, The Canadian Depository For Securities Limited or its nominee, CDS & Co. (the "clearing house");

- (iii) for drafts which are not depository bills, to sign for and on behalf and in the name of the Borrower as drawer and to endorse on its behalf, Bankers' Acceptances drawn on the Lender payable to the order of the undersigned or payable to the order of such Lender;
- (iv) to fill in the amount, date and maturity date of such Bankers' Acceptances; and
- (v) to deposit and/or deliver such Bankers' Acceptances which have been accepted by such Lender;

provided that such acts in each case are to be undertaken by the Lender in question strictly in accordance with instructions given to such Lender by the Borrower as provided in this Section. For certainty, signatures of any authorized signatory of a Lender may be mechanically reproduced in facsimile on Bankers' Acceptances in accordance herewith and such facsimile signatures shall be binding and effective as if they had been manually executed by such authorized signatory of such Lender.

Instructions from the Borrower to a Lender relating to the execution, completion, endorsement, deposit and/or delivery by that Lender on behalf of the Borrower of Bankers' Acceptances which the Borrower wishes to submit to the Lender for acceptance by the Lender shall be communicated by the Borrower in writing to the Administrative Agent by delivery to the Administrative Agent of Drawdown Notices, Conversion Notices and Rollover Notices, as the case may be, in accordance with this Agreement which, in turn, shall be communicated by the Administrative Agent, on behalf of the Borrower, to the Lender.

The communication in writing by the Borrower, or on behalf of the Borrower by the Administrative Agent, to the Lender of the instructions set out in the Drawdown Notices, Conversion Notices and Rollover Notices referred to above shall constitute (a) the authorization and instruction of the Borrower to the Lender to sign for and on behalf and in the name of the Borrower as drawer of the requested Bankers' Acceptances and to complete and/or endorse Bankers' Acceptances in accordance with such information as set out above and (b) the request of the Borrower to the Lender to accept such Bankers' Acceptances and deposit the same with the clearing house or deliver the same, as the case may be, in each case in accordance with this Agreement and such instructions. The Borrower acknowledges that a Lender shall not be obligated to accept any such Bankers' Acceptances except in accordance with the provisions of this Agreement.

A Lender shall be and it is hereby authorized to act on behalf of the Borrower upon and in compliance with instructions communicated to that Lender as provided herein if the Lender reasonably believes such instructions to be genuine. If a Lender accepts Bankers' Acceptances pursuant to any such instructions, that Lender shall confirm particulars of such instructions and advise the Administrative Agent that it has complied therewith by notice in writing

addressed to the Administrative Agent and served personally or sent by telecopier in accordance with the provisions hereof. A Lender's actions in compliance with such instructions, confirmed and advised to the Administrative Agent by such notice, shall be conclusively deemed to have been in accordance with the instructions of the Borrower.

- (b) The power of attorney referred to in the subclause above may be revoked by the Borrower with respect to any particular Lender at any time upon not less than 5 Banking Days' prior written notice served upon the Lender in question and the Administrative Agent, provided that no such revocation shall reduce, limit or otherwise affect the obligations of the Borrower in respect of any Bankers' Acceptance executed, completed, endorsed, deposited and/or delivered in accordance herewith prior to the time at which such revocation becomes effective.
- (c) By 10:00 a.m. (Calgary time) on the applicable Drawdown Date, Conversion Date or Rollover Date, the Borrower shall be deemed to have authorized each such Lender to sign on behalf of the Borrower, complete and accept, drafts drawn by the Borrower on such Lender in a principal amount at maturity equal to such Lender's share of the Bankers' Acceptances specified by the Borrower in the relevant Drawdown Notice, Conversion Notice or Rollover Notice, as the case may be, as notified to the Lenders by the Administrative Agent.

3.4 Mechanics of Issuance

- (a) Upon receipt by the Administrative Agent of a Drawdown Notice, Conversion Notice or Rollover Notice from the Borrower requesting the issuance of Bankers' Acceptances, the Administrative Agent shall promptly notify the Lenders thereof and advise each Lender of the aggregate face amount of Bankers' Acceptances to be accepted and purchased by such Lender, the date of issue and the Interest Period for such Borrowing; the apportionment among the Lenders of the face amounts of Bankers' Acceptances to be accepted by each Lender shall be determined by the Administrative Agent by reference and in proportion to the respective Commitments of each Lender, provided that, when such apportionment cannot be evenly made, the Administrative Agent shall round allocations amongst such Lenders consistent with the Administrative Agent's normal money market practices.
- (b) On each Drawdown Date, Rollover Date or Conversion Date involving the issuance of Bankers' Acceptances:
 - (i) before 9:00 a.m.(Calgary time) on such date, the Administrative Agent shall determine the CDOR Rate and shall obtain quotations from each Schedule II Lender or Schedule III Lender of the BA Discount Rate then applicable to bankers' acceptances accepted by such Schedule II Lender or Schedule III Lender in respect of an issue of bankers' acceptances in a comparable amount and with comparable maturity to the Bankers' Acceptances proposed to be issued on such date;

- (ii) on or about 9:00 a.m. (Calgary time) on such date, the Administrative Agent shall determine the BA Discount Rate applicable to each Lender and shall advise each Lender of the BA Discount Rate applicable to it;
 - (iii) each Lender shall complete and accept, in accordance with the Drawdown Notice, Conversion Notice or Rollover Notice delivered by the Borrower and advised by the Administrative Agent in connection with such issue, its share of the Bankers' Acceptances to be issued on such date; and
 - (iv) in the case of a Drawdown, each Lender shall, for same day value on the Drawdown Date, remit the Discount Proceeds or advance the BA Equivalent Advance, as the case may be, payable by such Lender (net of the acceptance fee payable to such Lender pursuant to Section 7.3) to the Administrative Agent for the account of the Borrower; the Administrative Agent shall make such funds available to the Borrower for same day value on such date.
- (c) Each Lender may at any time and from time to time hold, sell, rediscount or otherwise dispose of any or all Bankers' Acceptances accepted and purchased by it.

3.5 Rollover, Conversion or Payment on Maturity

In anticipation of the maturity of Bankers' Acceptances, the Borrower shall, subject to and in accordance with the requirements hereof, do one or a combination of the following with respect to the aggregate face amount at maturity of all such Bankers' Acceptances:

- (a) (i) deliver to the Administrative Agent a Rollover Notice that the Borrower intends to draw and present for acceptance on the maturity date new Bankers' Acceptances (issued under the same credit facility as the maturing Bankers' Acceptances) in an aggregate face amount up to the aggregate amount of the maturing Bankers' Acceptances; and (ii) on the maturity date pay to the Administrative Agent for the account of the Lenders an additional amount equal to the difference between the aggregate face amount of the maturing Bankers' Acceptances and the Discount Proceeds of such new Bankers' Acceptances;
- (b) (i) deliver to the Administrative Agent a Conversion Notice requesting a Conversion of the maturing Bankers' Acceptances to a Canadian Prime Rate Loan under the same credit facility as the maturing Bankers' Acceptances; and (ii) on the maturity date pay to the Administrative Agent for the account of the Lenders an amount equal to the difference, if any, between the aggregate face amount of the maturing Bankers' Acceptances and the amount of the Canadian Prime Rate Loans into which Conversion is requested; or
- (c) (i) deliver to the Administrative Agent a Repayment Notice giving notice of the repayment of the maturing Bankers' Acceptances; and (ii) on the maturity date of the maturing Bankers' Acceptances, pay to the Administrative Agent for the account of the Lenders an amount equal to the aggregate face amount of such Bankers' Acceptances.

If the Borrower fails to so notify the Administrative Agent or make such payments on maturity, the Administrative Agent shall effect a Conversion into a Canadian Prime Rate Loan under the applicable credit facility of the entire amount of such maturing Bankers' Acceptances as if a Conversion Notice had been given by the Borrower to the Administrative Agent to that effect.

3.6 Restriction on Rollovers and Conversions

Subject to the other provisions hereof, Conversions and Rollovers of Bankers' Acceptances may only occur on the maturity date thereof.

3.7 Rollovers

In order to satisfy the continuing liability of the Borrower to a Lender for the face amount of maturing Bankers' Acceptances accepted by such Lender, the Lender shall receive and retain for its own account the Discount Proceeds of new Bankers' Acceptances issued on a Rollover, and the Borrower shall on the maturity date of the Bankers' Acceptances being rolled over pay to the Administrative Agent for the account of the Lenders an amount equal to the difference between the face amount of the maturing Bankers' Acceptances and the Discount Proceeds from the new Bankers' Acceptances, together with the acceptance fees to which the Lenders are entitled pursuant to Section 7.3.

3.8 Conversion into Bankers' Acceptances

In respect of Conversions into Bankers' Acceptances, in order to satisfy the continuing liability of the Borrower to the Lenders for the amount of the converted Canadian Prime Rate Loan, each Lender shall receive and retain for its own account the Discount Proceeds of the Bankers' Acceptances issued upon such Conversion, and the Borrower shall on the Conversion Date pay to the Administrative Agent for the account of the Lenders an amount equal to the difference between the principal amount of the converted Borrowing and the aggregate Discount Proceeds from the Bankers' Acceptances issued on such Conversion, together with the acceptance fees to which the Lenders are entitled pursuant to Section 7.3.

3.9 Conversion from Bankers' Acceptances

In order to satisfy the continuing liability of the Borrower to the Lenders for an amount equal to the aggregate face amount of the maturing Bankers' Acceptances converted to another type of Borrowing, the Administrative Agent shall record the obligation of the Borrower to the Lenders as a Borrowing of the type into which such continuing liability has been converted.

3.10 BA Equivalent Advances

Notwithstanding the foregoing provisions of this Article, a Non-Acceptance Lender shall, in lieu of accepting Bankers' Acceptances, make a BA Equivalent Advance. BA Equivalent Advances shall be effected or maintained as Borrowings by a Non-Acceptance Lender in an amount equal the Discount Proceeds which would be realized from a hypothetical sale of those Bankers' Acceptances which, but for this Section 3.10, such Non-Acceptance Lender would otherwise be required to accept and purchase as part of such a Borrowing by way of Bankers' Acceptances. Any BA Equivalent Advance shall be made on the relevant Drawdown Date, Rollover Date or Conversion Date as the case may be and shall remain outstanding for the term of the relevant Bankers' Acceptances. Concurrent with the making of a BA Equivalent Advance,

a Non-Acceptance Lender shall be entitled to deduct therefrom an amount equal to the acceptance fee which, but for this Section, such Non-Acceptance Lender would otherwise be entitled to receive as part of such Borrowing pursuant to Section 7.3. Subject to Section 3.5, upon the maturity date for such Bankers' Acceptances, the Borrower shall pay to each Non-Acceptance Lender an amount equal to the face amount of the Bankers' Acceptance which, but for this Section 3.10, such Non-Acceptance Lender would otherwise have been required to accept as part of such Borrowing by way of Bankers' Acceptance. Where in this Agreement there is a reference to the face amount or face value of any BA Equivalent Advance, it shall mean the face amount as described in the preceding sentence.

All references herein to "Borrowings", "Acceptances", "BAs" and "Bankers' Acceptances" shall, unless otherwise expressly provided herein or unless the context otherwise requires, be deemed to include BA Equivalent Advances made by a Non-Acceptance Lender as part of a Drawdown, Conversion or Rollover of Bankers' Acceptances.

3.11 Failure to Accept Bankers' Acceptances

If at any time a Lender ceases to accept Bankers' Acceptances in the ordinary course of its business, such Lender shall be deemed to be a Non-Acceptance Lender and shall make BA Equivalent Advances in lieu of accepting Bankers' Acceptances under this Agreement.

ARTICLE 4 LETTERS OF CREDIT AND LETTERS OF GUARANTEE

4.1 Availability

Subject to the provisions hereof, the Operating Lender shall issue Letters of Credit or Letters of Guarantee under the Operating Facility in accordance with the Drawdown Notices of the Borrower; provided that the aggregate Outstanding Principal represented by all outstanding Letters of Credit and Letters of Guarantee shall not exceed Cdn. \$5,000,000 or Equivalent Amount in U.S. Dollars. The issuance of Letters of Credit or Letters of Guarantee shall constitute Drawdowns hereunder and shall reduce the availability of the Operating Facility by the aggregate Outstanding Principal of such Letters of Credit and Letters of Guarantee.

4.2 Currency and Form

Letters of Credit and Letters of Guarantee issued pursuant hereto shall be denominated in Canadian Dollars or U.S. Dollars and amounts payable thereunder shall be paid in the currency in which the Letter of Credit or Letter of Guarantee is denominated. Letters of Credit and Letters of Guarantee shall be in a form satisfactory to the Operating Lender and shall not have a term exceeding one year or the Term Maturity Date of the Operating Lender.

4.3 No Conversion

Except as provided in Section 4.4, the Borrower may not effect a Conversion of a Letter of Credit or Letter of Guarantee.

4.4 Reimbursement or Conversion on Presentation; Operating Lender Indemnity

- (a) On presentation of a Letter of Credit or Letter of Guarantee and payment thereunder by the Operating Lender, the Borrower shall forthwith pay to and

reimburse the Operating Lender for all amounts paid by the Operating Lender pursuant to such Letter of Credit or Letter of Guarantee; failing such payment, the Borrower shall be deemed to have effected a Conversion of such Letter of Credit or Letter of Guarantee into: (a) a Canadian Prime Rate Loan in case of a Letter of Credit or Letter of Guarantee in Canadian Dollars in the same credit facility as the Letter of Credit or Letter of Guarantee was issued; and (b) a U.S. Base Rate Loan in case of a Letter of Credit or Letter of Guarantee in U.S. Dollars in the same credit facility as the Letter of Credit or Letter of Guarantee was issued, in each case to the extent of the payment of the Operating Lender thereunder.

- (b) If the Operating Lender makes payment under any Letter of Credit or Letter of Guarantee and the Borrower does not fully reimburse the Operating Lender on or before the date of payment, then Section 4.4(a) shall apply to deem a Canadian Prime Rate Loan or U.S. Base Rate Loan, as applicable, under the same facility as the Letter of Credit or Letter of Guarantee was issued, to be outstanding to the Borrower under this Agreement in the manner therein set out. Each Production Lender shall, on request by the Operating Lender, immediately pay to the Operating Lender an amount equal to such Lender's Proportion of the amount paid by the Operating Lender such that each Production Lender is participating in such Canadian Prime Rate Loan or U.S. Base Rate Loan in accordance with its Lender's Proportion.
- (c) Each applicable Lender shall immediately on demand indemnify the Operating Lender to the extent of such Lender's Proportion of any amount paid or liability incurred by the Operating Lender under each Letter of Credit or Letter of Guarantee issued by it to the extent that the Borrower does not fully reimburse the Operating Lender therefor.
- (d) For certainty, the obligations in this Section 4.4 shall continue as obligations of the Persons who were Lenders at the time each such Letter of Credit or Letter of Guarantee was issued notwithstanding that such Lender may assign its rights and obligations hereunder, unless the Operating Lender specifically releases such Lender from such obligations in writing.

4.5 Additional Provisions

(a) Indemnity and No Lender Liability

The Borrower shall indemnify and save harmless the Lenders, the Operating Lender and the Administrative Agent against all claims, losses, costs, expenses or damages to the Lenders, the Operating Lender and the Administrative Agent arising out of or in connection with any Letter of Credit or Letter of Guarantee, the issuance thereof, any payment thereunder or any action taken by the Lenders, the Operating Lender or the Administrative Agent or any other Person in connection therewith, including, without limitation, all costs relating to any legal process or proceeding instituted by any Person restraining or seeking to restrain the Operating Lender from accepting or paying any Draft or any amount under any such Letter of Credit or Letter of Guarantee, except as a result of the gross negligence or wilful misconduct of the Lenders, Operating Lender or the Administrative Agent. The Borrower also agrees that the Lenders, the Operating

Lender and the Administrative Agent shall have no liability to the Borrower for any reason in respect of or in connection with any Letter of Credit or Letter of Guarantee, the issuance thereof, any payment thereunder or any other action taken by the Lenders, the Operating Lender or the Administrative Agent or any other Person in connection therewith, except as a result of the Administrative Agent's, Lenders' or Operating Lender's gross negligence or wilful misconduct.

(b) No Obligation to Inquire

The Borrower hereby acknowledges and confirms to the Operating Lender that the Operating Lender shall not be obliged to make any inquiry or investigation as to the right of any beneficiary to make any claim or Draft or request any payment under a Letter of Credit or Letter of Guarantee and payment by the Operating Lender pursuant to a Letter of Credit or Letter of Guarantee shall not be withheld by the Operating Lender by reason of any matters in dispute between the beneficiary thereof and the Borrower. The sole obligation of the Operating Lender with respect to Letters of Credit or Letters of Guarantee is to cause to be paid a Draft drawn or purporting to be drawn in accordance with the terms of the applicable Letter of Credit or Letter of Guarantee and for such purpose the Operating Lender is only obliged to determine that the Draft purports to comply with the terms and conditions of the relevant Letter of Credit or Letter of Guarantee.

The Operating Lender shall not have any responsibility or liability for or any duty to inquire into the form, sufficiency (other than to the extent provided in the preceding paragraph), authorization, execution, signature, endorsement, correctness (other than to the extent provided in the preceding paragraph), genuineness or legal effect of any Draft, certificate or other document presented to it pursuant to a Letter of Credit or Letter of Guarantee and the Borrower unconditionally assumes all risks with respect to the same. The Borrower agrees that it assumes all risks of the acts or omissions of the beneficiary of any Letter of Credit or Letter of Guarantee with respect to the use by such beneficiary of the relevant Letter of Credit or Letter of Guarantee.

(c) Obligations Unconditional

The obligations of the Borrower hereunder with respect to all Letters of Credit and Letters of Guarantee shall be absolute, unconditional and irrevocable and shall not be reduced by any event, circumstance or occurrence including, without limitation, any lack of validity or enforceability of a Letter of Credit or Letter of Guarantee, or any Draft paid or acted upon by the Operating Lender or any of its correspondents being fraudulent, forged, invalid or insufficient in any respect, or any defences or claims which the Borrower may have against any beneficiary or transferee of any Letter of Credit or Letter of Guarantee. The obligations of the Borrower hereunder shall remain in full force and effect and shall apply to any alteration to or extension of the expiration date of any Letter of Credit or Letter of Guarantee, or any Letter of Credit or Letter of Guarantee issued to replace, extend or alter any Letter of Credit or Letter of Guarantee.

(d) Operating Lender Actions

Any action, inaction or omission taken or suffered by the Operating Lender or by any of the Operating Lender's correspondents under or in connection with a Letter of Credit, Letter of Guarantee or any Draft made thereunder, if in good faith and in conformity with foreign or domestic laws, regulation or customs applicable thereto shall be binding upon the Borrower and shall not place the Operating Lender or any of its correspondents under any resulting liability to the Borrower. Without limiting the generality of the foregoing, the Operating Lender and its correspondents may receive, accept or pay as complying with the terms of a Letter of Credit, Letter of Guarantee or any Draft thereunder, otherwise in order which may be signed by, or issued to, the administrator or any executor of, or the trustee in bankruptcy of, or the receiver for any property of, or any Person or entity acting as a representative or in the place of, such beneficiary or its successors and assigns. The Borrower covenants that it will not take any steps, issue any instructions to the Operating Lender or any of its correspondents or institute any proceedings intended to derogate from the right or ability of the Operating Lender or its correspondents to honour and pay any Letter of Credit, Letter of Guarantee or any Drafts.

(e) Payment of Contingent Liabilities

The Borrower shall pay to the Operating Lender an amount equal to the maximum amount available to be drawn under any unexpired Letter of Credit or Letter of Guarantee which becomes the subject of any order, judgment, injunction or other such determination (an "Order"), or any petition, proceeding or other application for any Order by the Borrower or any other party, restricting payment by the Operating Lender under and in accordance with such Letter of Credit or Letter of Guarantee or extending the Operating Lender's liability under such Letter of Credit or Letter of Guarantee beyond the expiration date stated therein; payment in respect of each such Letter of Credit or Letter of Guarantee shall be due forthwith upon demand in the currency in which such Letter of Credit or Letter of Guarantee is denominated.

Any amount paid to the Operating Lender pursuant to the preceding paragraph shall be held by the Operating Lender in non-interest bearing cash collateral accounts as continuing security for the Obligations and shall, prior to the occurrence of an Event of Default, be applied by the Operating Lender against the Obligations for, or (at the option of the Operating Lender) be applied in payment of, such Letter of Credit or Letter of Guarantee if payment is required thereunder; after the occurrence of an Event of Default, the Operating Lender may apply such amounts against any Obligations as it sees fit.

The Operating Lender shall release to the Borrower any amount remaining in the cash collateral accounts after applying the amounts necessary to discharge the Obligations relating to such Letter of Credit or Letter of Guarantee, upon the later of:

- (i) the date on which any final and non-appealable order, judgment or other determination has been rendered or issued either terminating any

applicable Order or permanently enjoining the Lender from paying under such Letter of Credit or Letter of Guarantee;

- (ii) the earlier of:
 - (A) the date on which either the original counterpart of such Letter of Credit and Letter of Guarantee is returned to the Operating Lender for cancellation or the Operating Lender is released by the beneficiary thereof from any other obligation in respect of such Letter of Credit and Letter of Guarantee; and
 - (B) the expiry of such Letter of Credit and Letter of Guarantee; and
- (iii) if an Event of Default has occurred or the Term Maturity Date had been reached, the payment and satisfaction of all Obligations and the cancellation or termination of the Credit Facility.

ARTICLE 5 CHANGE IN CIRCUMSTANCES

5.1 Change in Law

- (a) If the adoption of any applicable law, regulation, treaty or official directive (whether or not having the force of law) or any change therein or in the interpretation or application thereof by any court or by any Governmental Authority or any other entity charged with the interpretation or administration thereof or compliance by a Lender with any request or direction (whether or not having the force of law) of any such authority or entity hereafter:
 - (i) subjects such Lender to, or cause the withdrawal or termination of a previously granted exemption with respect to, any Taxes (other than Taxes on such Lender's overall income), or changes the basis of taxation of payments due to such Lender, or increases any existing Taxes (other than Taxes on such Lender's overall income) on payments of principal, interest or other amounts payable by the Borrower to such Lender under this Agreement;
 - (ii) imposes, modifies or deems applicable any reserve, liquidity, special deposit, regulatory or similar requirement against assets or liabilities held by, or deposits in or for the account of, or loans by such Lender, or any acquisition of funds for loans or commitments to fund loans or obligations in respect of undrawn, committed lines of credit or in respect of Bankers' Acceptances accepted by such Lender; or
 - (iii) imposes on such Lender or requires there to be maintained by such Lender any capital adequacy or additional capital requirements (including, without limitation, a requirement which affects such Lender's allocation of capital resources to its obligations) in respect of any Borrowing or obligation of such Lender hereunder, or any other condition with respect to this Agreement; or

- (iv) directly or indirectly affects the cost to such Lender of making available, funding or maintaining any Borrowing or otherwise imposes on such Lender any other condition or requirement affecting this Agreement or any Borrowing or any obligation of such Lender hereunder;

and the result of (i), (ii), (iii) or (iv) above, in the sole determination of such Lender acting reasonably and in good faith, is:

- (A) to increase the cost to such Lender of performing its obligations hereunder with respect to any Borrowing;
- (B) to reduce any amount received or receivable by such Lender hereunder or its effective return hereunder or on its capital in respect of any Borrowing or the Credit Facility; or
- (C) to cause such Lender to make any payment with respect to or to forego any return on or calculated by reference to, any amount received or receivable by such Lender hereunder with respect to any Borrowing or any credit facility;

such Lender shall determine that amount of money which shall compensate the Lender for such increase in cost, payments to be made or reduction in income or return or interest foregone provided, however, that in no event shall such increase in cost, payment to be made or reduction in income or return or interest foregone include taxes (as opposed to any costs relating to taxes) (herein referred to as "**Additional Compensation**"). Upon a Lender having determined that it is entitled to Additional Compensation in accordance with the provisions of this Section, the Lender shall promptly so notify the Borrower and the Administrative Agent. The relevant Lender shall provide the Borrower and the Administrative Agent with a photocopy of the relevant law, rule, guideline, regulation, treaty or official directive (or, if it is impracticable to provide a photocopy, a written summary of the same) and a certificate of a duly authorized officer of such Lender setting forth the Additional Compensation and the basis of calculation therefor, which shall be conclusive evidence of such Additional Compensation in the absence of manifest error. The Borrower shall pay to such Lender within 45 Banking Days of the giving of such notice such Lender's Additional Compensation. Each of the Lenders shall be entitled to be paid such Additional Compensation from time to time to the extent that the provisions of this Section are then applicable notwithstanding that any Lender has previously been paid any Additional Compensation.

Notwithstanding anything herein to the contrary, (i) the *Dodd-Frank Wall Street Reform and Consumer Protection Act* (United States) and all regulations, requests, rules, guidelines or directives thereunder or issued in connection therewith or in the implementation thereof and (ii) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States, Canadian or other regulatory authorities, in each case pursuant to Basel III ((i) and (ii) being, the "**New Rules**"), shall, in each case, be deemed to be a "change in law" for the purposes of this Section 5.1(a), regardless of the date enacted, adopted, issued or implemented, in each case to the extent

- (i) such New Rules materially different from the applicable laws in effect on the date hereof and (ii) that such New Rules have general application to substantially all banks and their affiliates within the jurisdiction in which the applicable Lender operates.
- (b) Each Lender agrees that it will not claim Additional Compensation from the Borrower under Section 5.1(a) if it is not generally claiming similar compensation from its other customers in similar circumstances or in respect of any period greater than 90 days prior to the delivery of notice in respect thereof by such Lender, unless, in the latter case, the adoption, change or other event or circumstance giving rise to the claim for Additional Compensation is retroactive or is retroactive in effect.

5.2 Illegality

If a Lender determines, in good faith, that the adoption of any applicable law, regulation, treaty or official directive (whether or not having the force of law) or any change therein or in the interpretation or application thereof by any court or by any Governmental Authority or any other entity charged with the interpretation or administration thereof or compliance by a Lender with any request or direction (whether or not having the force of law) of any such authority or entity, now or hereafter makes it unlawful or impossible for any Lender to make, fund or maintain a Borrowing under the Credit Facility or to give effect to its obligations in respect of such a Borrowing, such Lender may, by written notice thereof to the Borrower and to the Administrative Agent declare its obligations under this Agreement in respect of such Borrowing to be terminated whereupon the same shall forthwith terminate, and the Borrower shall, within the time required by such law (or at the end of such longer period as such Lender at its discretion has agreed), either effect a Conversion of such Borrowing in accordance with the provisions hereof (if such Conversion would resolve the unlawfulness or impossibility) or prepay the principal of such Borrowing together with accrued interest, such Additional Compensation as may be applicable with respect to such Borrowing to the date of such payment and all costs, losses and expenses incurred by the Lenders by reason of the liquidation or re-deployment of deposits or other funds or for any other reason whatsoever resulting from the repayment of such Borrowing or any part thereof on other than the last day of the applicable Interest Period. If any such change shall only affect a portion of such Lender's obligations under this Agreement which is, in the opinion of such Lender and the Administrative Agent, severable from the remainder of this Agreement so that the remainder of this Agreement may be continued in full force and effect without otherwise affecting any of the obligations of the Administrative Agent, the other Lenders or the Borrower hereunder, such Lender shall only declare its obligations under that portion so terminated.

5.3 Market Disruption Respecting Libor Loans

In the event that at any time subsequent to the giving of a Drawdown Notice, Rollover Notice or Conversion Notice to the Administrative Agent by the Borrower with regard to any requested Libor Loan, but before the date of the Drawdown, Rollover or Conversion, as the case may be:

- (a) the Administrative Agent (acting reasonably) makes a determination, which shall be conclusive and binding upon the Borrower, that by reason of circumstances affecting the London interbank market, adequate and fair means do not exist for ascertaining the rate of interest with respect to, or deposits are not available in

sufficient amounts in the ordinary course of business at the rate determined hereunder to fund, a requested Libor Loan during the ensuing Interest Period selected;

- (b) the Administrative Agent (acting reasonably) makes a determination, which shall be conclusive and binding upon the Borrower, that the making or continuing of the requested Libor Loan by the Lenders has been made impracticable by the occurrence of an event which materially adversely affects the London interbank market generally; or
- (c) the Administrative Agent is advised by Lenders holding at least 25% of the Commitments of all Lenders hereunder by written notice (each, a "**Lender Libor Suspension Notice**"), such notice received by the Administrative Agent no later than 2:00 p.m. (Toronto time) on the third Banking Day prior to the date of the requested Drawdown, Rollover or Conversion, as the case may be, that such Lenders have determined (acting reasonably) that the Libor Rate will not adequately reflect the cost of funds to such Lenders of U.S. Dollar deposits in such market for the relevant Interest Period,

then the Administrative Agent shall give notice thereof to the Lenders and the Borrower as soon as possible after such determination or receipt of such Lender Libor Suspension Notice, as the case may be, and the Borrower shall, within one Banking Day after receipt of such notice and in replacement of the Drawdown Notice, Rollover Notice or Conversion Notice, as the case may be, previously given by the Borrower, give the Administrative Agent a Drawdown Notice or a Conversion Notice, as the case may be, which specifies the Drawdown of any other Borrowing or the Conversion of the relevant Libor Loan on the last day of the applicable Interest Period into any other Borrowing which would not be affected by the notice from the Administrative Agent pursuant to this Section 5.3. In the event the Borrower fails to give, if applicable, a valid replacement Conversion Notice with respect to the maturing Libor Loans which were the subject of a Rollover Notice, such maturing Libor Loans shall be converted on the last day of the applicable Interest Period into U.S. Base Rate Loans as if a Conversion Notice had been given to the Administrative Agent by the Borrower pursuant to the provisions hereof. In the event the Borrower fails to give, if applicable, a valid replacement Drawdown Notice with respect to a Drawdown originally requested by way of a Libor Loan, then the Borrower shall be deemed to have requested a Drawdown by way of a U.S. Base Rate Loan in the amount specified in the original Drawdown Notice and, on the originally requested Drawdown Date, the relevant Lenders (subject to the other provisions hereof) shall make available the requested amount by way of a U.S. Base Rate Loan.

5.4 Market Disruption Respecting Bankers' Acceptances

If:

- (a) the Administrative Agent (acting reasonably) makes a determination, which determination shall be conclusive and binding upon the Borrower, and notifies the Borrower, that there no longer exists an active market for bankers' acceptances accepted by the Lenders; or
- (b) the Administrative Agent is advised by Lenders holding at least 25% of the Commitments of all Lenders hereunder by written notice (each, a "**Lender BA Suspension Notice**") that such Lenders have determined (acting reasonably)

that the BA Discount Rate will not or does not accurately reflect the cost of funds of such Lenders or the discount rate which would be applicable to a sale of Bankers' Acceptances accepted by such Lenders in the market;

then:

- (c) the right of the Borrower to request Bankers' Acceptances or BA Equivalent Advances from any Lender shall be suspended until the Administrative Agent determines that the circumstances causing such suspension no longer exist, and so notifies the Borrower and the Lenders;
- (d) any outstanding Drawdown Notice requesting Bankers' Acceptances or BA Equivalent Advances under the Production Facility or the Non-Revolving Facility, as the case may be, shall be deemed to be a Drawdown Notice requesting an Advance under the Production Facility or the Non-Revolving Facility, as the case may be, by way of Canadian Prime Rate Loans in the amount specified in the original Drawdown Notice;
- (e) any outstanding Conversion Notice requesting a Conversion of a Borrowing by way of U.S. Base Rate Loans or Libor Loans under the Production Facility or the Non-Revolving Facility, as the case may be, into a Borrowing by way of Bankers' Acceptances or BA Equivalent Advances under the Production Facility or the Non-Revolving Facility, as the case may be, shall be deemed to be a Conversion Notice requesting a Conversion of such Borrowing into a Borrowing by way of Canadian Prime Rate Loans under the Production Facility or the Non-Revolving Facility, as the case may be; and
- (f) any outstanding Rollover Notice requesting a Rollover of a Borrowing by way of Bankers' Acceptances or BA Equivalent Advances under the Production Facility or the Non-Revolving Facility, as the case may be, shall be deemed to be a Conversion Notice requesting a Conversion of such Borrowings into a Borrowing by way of Canadian Prime Rate Loans under the Production Facility or the Non-Revolving Facility, as the case may be.

The Administrative Agent shall promptly notify the Borrower and the Lenders of any suspension of the Borrower's right to request the Bankers' Acceptances or BA Equivalent Advances and of any termination of any such suspension. A Lender BA Suspension Notice shall be effective upon receipt of the same by the Administrative Agent if received prior to 2:00 p.m. (Toronto time) on a Banking Day and if not, then on the next following Banking Day, except in connection with a Drawdown Notice, Conversion Notice or Rollover Notice previously received by the Administrative Agent, in which case the applicable Lender BA Suspension Notice shall only be effective with respect to such previously received Drawdown Notice, Conversion Notice or Rollover Notice if received by the Administrative Agent prior to 2:00 p.m. (Toronto time) two Banking Days prior to the proposed Drawdown Date, Conversion Date or Rollover Date (as applicable) applicable to such previously received Drawdown Notice, Conversion Notice or Rollover Notice, as applicable.

**ARTICLE 6
CONDITIONS PRECEDENT TO BORROWINGS**

6.1 Conditions Precedent

This Agreement shall become effective, and the Previous Credit Agreement shall be amended and restated as herein provided, at such time as the following conditions precedent are satisfied:

- (a) the Administrative Agent has received, in form and substance satisfactory to it:
 - (i) this Agreement and all other Documents duly authorized, executed and delivered, including, without limitation:
 - (A) an amended and restated general assignment of book debts from the Borrower;
 - (B) an amended and restated first fixed and floating charge debenture, in the amount of Cdn. \$750,000,000 from the Borrower; and
 - (C) an amended and restated pledge agreement of debenture of the Borrower;
 - (ii) evidence of current Insurance designating the Administrative Agent as first loss payee and naming the Administrative Agent and the Lenders as additional insureds;
 - (iii) a legal opinion from the Borrower's counsel, in form and substance satisfactory to the Administrative Agent and its counsel, acting reasonably, relating to, among other things, the subsistence of the Borrower, the due authorization, execution, delivery and enforceability of this Agreement, subject to usual qualifications and assumptions;
 - (iv) evidence satisfactory to the Administrative Agent and Lenders' Counsel that the Borrower has valid title to the Borrower Assets and that no prior charges, liens, encumbrances, or claims exist against such interests which would rank prior to the Security Interest of the Lenders save and except for Permitted Encumbrances;
 - (v) a legal opinion from Lenders' Counsel, in form and substance satisfactory to the Administrative Agent, acting reasonably, relating to, among other things, the subsistence of the Borrower, the due authorization, execution, delivery and enforceability of this Agreement, subject to usual qualifications and assumptions; and
 - (vi) the Financial Advisor Engagement Letter;
- (b) no Default or Event of Default shall exist and the Administrative Agent shall have received a certificate from the Borrower certifying the same; and

- (c) all fees and expenses previously agreed to between the Borrower and the Administrative Agent and the Lenders shall, to the extent then due, be paid by the Borrower to the Administrative Agent or the Lenders, as applicable; the Borrower agrees that the Administrative Agent is authorized, but is not obligated, to debit the accounts of the Borrower for payment of such fees.

6.2 Conditions Precedent to All Drawdowns

Prior to any Drawdown or Advance or utilization of the MasterCard Facility, the following shall have been complied with but (d) shall not be required for any Advance under the Operating Facility under Section 2.5(a) or in respect of the MasterCard Facility, all in form and substance satisfactory to the Administrative Agent:

- (a) the Security shall remain duly perfected and registered;
- (b) there is no Default, Event of Default or Borrowing Base Shortfall and such Drawdown or Advance shall not cause a Borrowing Base Shortfall, Default or Event of Default and all representations and warranties of the Borrower set out in Section 10.1 are true and correct as of the date of the Drawdown or Advance;
- (c) since the effective date of most recent Compliance Certificate no event or circumstance has occurred which would reasonably be expected to have a Material Adverse Effect;
- (d) the Borrower shall have delivered a Drawdown Notice to the Administrative Agent; and
- (e) the Borrower shall have previously made payment of all required fees to the Lenders and Administrative Agent.

6.3 Condition Precedent to Rollovers and Conversions

Without limiting or otherwise derogating from any of the provisions hereof in respect of any Rollover or Conversion, it is a condition precedent to any Rollover or Conversion that no Default or Event of Default shall have occurred and be continuing; for certainty, the occurrence and continuance of a Default or Event of Default shall relieve the Lenders of all obligations to provide any further Rollovers or Conversions to the Borrower hereunder; provided that the foregoing shall not prevent the Lenders or the Administrative Agent from disbursing money or effecting any Conversion which, by the terms hereof, they are entitled to effect, or any Conversion or Rollover requested by the Borrower and acceptable to the Lenders and the Agent.

6.4 Waiver

The conditions set forth in this Article are inserted for the sole benefit of the Lenders and the Administrative Agent and may be waived by the Lenders or the Administrative Agent, in whole or in part (with or without terms or conditions) without prejudicing the right of the Lenders or Administrative Agent at any time to assert such waived conditions in respect of any subsequent Drawdown, Conversion or Rollover, as the case may be.

**ARTICLE 7
FEES AND INTEREST**

7.1 Interest on Canadian Prime Rate Loans, U.S. Base Rate Loans and Libor Loans

The Borrower shall pay interest on each Canadian Prime Rate Loan owing by it during each Interest Period applicable thereto in Canadian Dollars at a rate per annum equal to the Prime Rate in effect from time to time during such Interest Period plus the Applicable Margin. Each determination by the Administrative Agent of the Prime Rate applicable from time to time during an Interest Period shall, in the absence of manifest error, be prima facie evidence thereof. Such interest shall accrue daily and shall be payable in arrears on each Interest Payment Date for such Loan for the period from and including the Drawdown Date or the preceding Conversion Date or Interest Payment Date, as the case may be, for such Loan to and including the day preceding such Interest Payment Date and shall be calculated on the principal amount of the Canadian Prime Rate Loan outstanding during such period and on the basis of the actual number of days elapsed in a year of 365 days or 366 days, as the case may be. Changes in the Prime Rate shall cause an immediate adjustment of the interest rate applicable to such Loans without the necessity of any notice to the Borrower.

The Borrower shall pay interest on each U.S. Base Rate Loan owing by it during each Interest Period applicable thereto in U.S. Dollars at a rate per annum equal to the applicable U.S. Base Rate in effect from time to time during such Interest Period plus the Applicable Margin. Each determination by the Administrative Agent of the applicable U.S. Base Rate applicable from time to time during an Interest Period shall, in the absence of manifest error, be prima facie evidence thereof. Such interest shall accrue daily and shall be payable in arrears on each Interest Payment Date for such Loan for the period from and including the Drawdown Date or the preceding Conversion Date or Interest Payment Date, as the case may be, for such Loan to and including the day preceding such Interest Payment Date and shall be calculated on the principal amount of the U.S. Base Rate Loan outstanding during such period and on the basis of the actual number of days elapsed in a year of 365 days or 366 days, as the case may be. Changes in the U.S. Base Rate shall cause an immediate adjustment of the interest rate applicable to such Loans without the necessity of any notice to the Borrower.

The Borrower shall pay interest on each Libor Loan owing by it during each Interest Period applicable thereto in U.S. Dollars at a rate per annum, calculated on the basis of a 360 day year, equal to the Libor Rate with respect to such Interest Period plus the Applicable Margin. Each determination by the Administrative Agent of the Libor Rate applicable to an Interest Period shall, in the absence of manifest error, be prima facie evidence thereof. Such interest shall accrue daily and shall be payable in arrears on each Interest Payment Date for such Loan for the period from and including the Drawdown Date or the preceding Rollover Date, Conversion Date or Interest Payment Date, as the case may be, for such Loan to and including the day preceding such Interest Payment Date and shall be calculated on the principal amount of the Libor Loan outstanding during such period and on the basis of the actual number of days elapsed divided by 360.

7.2 Nominal Rates; No Deemed Reinvestment

The principle of deemed reinvestment of interest shall not apply to any interest calculation under this Agreement; all interest payments to be made hereunder shall be paid without allowance or deduction for deemed reinvestment or otherwise, before and after maturity, default and judgment. The rates of interest specified in this Agreement are intended to be

nominal rates and not effective rates. Interest calculated hereunder shall be calculated using the nominal rate method and not the effective rate method of calculation.

7.3 Acceptance Fees

Upon the acceptance by a Lender of an Acceptance, the Borrower shall pay to the Administrative Agent for the account of such Lender an acceptance fee in Canadian Dollars at a rate per annum equal to the Applicable Margin in effect on the acceptance thereof calculated on the principal amount at maturity of such Acceptance and on the basis of the number of days in the term of the Acceptance (including the date of such Acceptance but excluding its maturity date) divided by 365 days. Such acceptance fee may be deducted from the proceeds of the issue of any such Acceptance.

7.4 Standby Fees

The Borrower shall, during the Revolving Period of each Revolving Lender, pay to the Administrative Agent for the account of the Revolving Lenders a standby fee in Canadian Dollars calculated at the rate per annum equal to the Applicable Margin in effect from time to time by which the amount of the Outstanding Principal under the Production Facility or Operating Facility, as applicable, for each day in the period of determination is less than the Commitments of the Revolving Lenders under such credit facility (whether partially or wholly available) for each such day. Such standby fees shall be calculated on a daily basis and on the basis of a 365 or 366 day year, as the case may be. Fees determined in accordance with this Section shall accrue daily from and after the date hereof but excluding the date of payment, and shall be payable by the Borrower monthly in arrears on the first Banking Day of each month, on the first Banking Day in the Term Period of such Lender and on cancellation in full of the Revolving Facilities.

7.5 Administrative Agent's Fees

The Borrower shall pay to the Administrative Agent, for its own account on April 30 of each year until the Credit Facility has been fully cancelled and all obligations hereunder have been paid in full, a non-refundable annual agency fee in the amount agreed in writing between the Borrower and the Administrative Agent, such fee to be based upon the then current agency fee being charged by the Administrative Agent for credit facilities similar to this Credit Facility.

7.6 Renewal Fee

The Borrower shall pay to the Administrative Agent, for the account of the Revolving Lenders who extend the Revolving Period, until the Revolving Facilities have been fully cancelled and all Obligations under the Revolving Facilities have been paid in full, a non-refundable annual renewal fee in an amount to be negotiated by the Lenders and the Borrower. Such fee shall be paid in each calendar year on or about the annual review date on a date specified by the Administrative Agent (but no later than the last day of the Revolving Period in each year) when the Revolving Facilities are renewed by the Revolving Lenders upon terms acceptable to the Revolving Lenders.

7.7 LC's and LG's

The Borrower shall pay to the Administrative Agent for the account of the Operating Lender an issuance fee in advance on the date each Letter of Credit or Letter of Guarantee is

issued and on each Rollover Date, calculated at a rate per annum equal to the Applicable Margin in effect on the date of issuance of each Letter of Credit or Letter of Guarantee on the amount of each such Letter of Credit or Letter of Guarantee for the number of days which such Letter of Credit or Letter of Guarantee will be outstanding in the year of 365 days or 366 days, as the case may be, in which the Letter of Credit or Letter of Guarantee is issued. In addition, with respect to all Letters of Credit or Letters of Guarantee the Borrower shall from time to time pay to the Administrative Agent for the account of the Operating Lender its usual and customary fees (at the then prevailing rates) for the amendment, delivery and administration of such Letters of Credit or Letters of Guarantee.

7.8 Calculation of Rates

- (a) Except as otherwise expressly stated, any reference in this Agreement to an annual rate shall be calculated daily on the basis of a 365-day year or 366-day year, as the case may be, except for Libor Loans and the Federal Funds Effective Rate, where rates are calculated on the basis of a 360 day year.
- (b) Whenever a rate of interest hereunder is calculated on the basis of a year (the "deemed year") which contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest shall be expressed as a yearly rate for purposes of the *Interest Act* (Canada) by multiplying such rate of interest by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year.

7.9 Interest on Arrears

To the extent permitted by law, any amount which is not paid by the Borrower when due (other than amounts subject to an increased Applicable Margin pursuant to subsection (g) of the definition of "Applicable Margin" in Section 1.1), whether principal, interest, fees, costs, accessories or otherwise, shall bear interest at the interest rate (plus the Applicable Margin) which would be applicable to a Canadian Prime Rate Loan plus 2% per annum, if such amount is payable in Canadian Dollars, and at the interest rate (plus the Applicable Margin) which would be applicable to a U.S. Base Rate Loan plus 2% per annum, if such amount is payable in U.S. Dollars; interest on arrears to be compounded monthly and payable on demand.

7.10 Maximum Rate Permitted by Law

Notwithstanding any other term in this Agreement and the Documents to the contrary, it is the intention of the Administrative Agent, each Lender, the Borrower and any other party hereto to conform strictly to any applicable usury laws. Accordingly, if any party hereto contracts for, charges, or receives any consideration which constitutes interest in excess of the Maximum Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such receiving party's option be applied to the outstanding principal amount of the loans or other obligations hereunder by such receiving party or be refunded to the Person who made such payment. For purposes of this Section "Maximum Rate" means the maximum non-usurious interest rate under applicable law (determined under such laws after giving effect to any items which are required by such laws to be construed as interest in making such determination, including without limitation if required by such laws, certain fees and other costs).

7.11 Other Fees

The Borrower shall pay to the Administrative Agent all other fees as may be set out in a fee letter agreement pursuant to the terms thereof.

7.12 Duration Fee

If all Obligations under the Non-Revolving Facility have not been fully repaid or paid (as the case may be) and the Non-Revolving Facility has not been cancelled by March 1, 2016, then, on March 1, 2016, the Borrower shall pay to the Administrative Agent, for the account of the Lenders, a duration fee in Canadian Dollars, in an amount equal to 0.50% of the Outstanding Principal under the Non-Revolving Facility on March 1, 2016.

ARTICLE 8 REPAYMENTS AND REDUCTIONS

8.1 Mandatory Repayments

- (a) Notwithstanding any other provision of this Agreement, the Obligations to a Lender shall become due and payable and the Borrower shall pay and satisfy the Obligations to such Lender in full immediately (i) in the case of the Revolving Facilities, on the Term Maturity Date applicable to such Lender, and (ii) in the case of the Non-Revolving Facility, on the Non-Revolving Facility Maturity Date, subject, in each case, to prior payments required pursuant to Sections 2.1(b), 2.13, 2.14 and 2.16 (which are also mandatory repayments) and Article 13.
- (b) (i) In addition to and without limiting the foregoing, but subject as provided in Section 8.1(b)(ii), the Borrower shall or shall cause:
 - (A) the net proceeds of any equity securities (including, without limitation, any convertible, preferred or hybrid securities) issued by the Borrower or any of its Subsidiaries (other than Excluded Equity Issues);
 - (B) the net proceeds of any Debt (including, without limitation, any increase to the maximum principal amount of the Production Facility or the Operating Facility) issued or incurred by the Borrower or any of its Subsidiaries (other than Excluded Debt Issues);
 - (C) except for Excluded Dispositions, the net proceeds of disposition of any property and assets sold, leased, transferred or otherwise disposed of by the Borrower or any of its Subsidiaries, including, without limitation, all amounts received in respect of any Hedge Monetizations; and
 - (D) except for Excluded Insurance Proceeds and except to the extent otherwise required to be applied pursuant to any agreement existing on the date hereof or pursuant to applicable law (including any environmental regulation, order or directive) to repair, replace, reconstruct or complete the property for which insurance proceeds

were received, the net proceeds of any property or casualty insurance (excluding business interruption insurance) received by the Borrower or any of its Subsidiaries in an amount, in the aggregate together with the net proceeds of all previous property and casualty insurance (excluding business interruption insurance) received by the Borrower and its Subsidiaries after the date hereof, in excess of Cdn. \$500,000, unless the Majority Lenders have consented, in writing, to the retention of such proceeds,

to be applied to the permanent repayment of Borrowings outstanding under the Non-Revolving Facility (together with all accrued and unpaid interest and fees on the principal amount repaid and other Obligations relating thereto), in the case of subparagraphs (A), (B) and (D) above, within 1 Banking Day after receipt by the Borrower or any of its Subsidiaries of any such proceeds, and, in the case of subparagraph (C) above, on the same day as such proceeds are received.

(ii) Notwithstanding the foregoing provisions of this Section 8.1(b)(i), in the event that any of the foregoing results in a Borrowing Base re-determination in accordance with Section 2.13, the net proceeds from any of the foregoing shall: (A) first be applied to reduce any Borrowing Base Shortfall resulting from such re-determination of the Borrowing Base in accordance with Section 2.14 (and, for certainty, such reduction shall be an immediate reduction and the Borrower shall not be entitled to 30 days to apply the same); and (B) thereafter, any remaining net proceeds shall be applied in accordance with Section 8.1(b)(i).

(c) The Borrower shall comply with the provisions of Sections 8.2, 8.3 and 8.4 with respect to each repayment required pursuant to Section 8.1(b) and the provisions of Sections 8.2, 8.3 and 8.4 shall apply thereto, *mutatis mutandis*, including (for certainty) the obligation of the Borrower to make payments pursuant to Section 8.4(c) in respect of the repayment of any Libor Loan on other than the last day of the applicable Interest Period and the obligation of the Borrower to provide cash collateral pursuant to Section 8.4(b) in respect of the repayment of any unmatured Bankers' Acceptances.

8.2 Optional Cancellation or Reduction of Credit Facility

The Borrower may, at any time, upon giving at least three Banking Days prior written notice to the Administrative Agent, cancel in full, or from time to time, permanently reduce in part the unutilized portion of the Credit Facility; provided, however, that any such reduction shall be in a minimum amount of Cdn. \$5,000,000 in the case of the Production Facility and the Non-Revolving Facility and Cdn. \$1,000,000 in the case of the Operating Facility and, in each case, reductions in excess thereof shall be in integral multiples of Cdn. \$1,000,000. If any of the Operating Facility, the Production Facility or the Non-Revolving Facility is so reduced, the Commitment of each of the Lenders under such credit facility shall be reduced pro rata in the same proportion that the amount of the reduction in such credit facility bears to the amount of such credit facility in effect immediately prior to such reduction, provided that if the reductions in the credit facilities are not done on a pro-rata basis as among each of the Operating Facility, the Production Facility and the Non-Revolving Facility, then the Commitments of each of the

Lenders for each such credit facility shall be adjusted so that the total Commitment of each Lender for the Credit Facility shall be the same as if the reduction in the Credit Facility had been allocated proportionately to the Operating Facility, the Production Facility and the Non-Revolution Facility. Upon any such cancellation the Administrative Agent shall distribute to the parties to this Agreement an amended Schedule "A" giving effect thereto.

8.3 Optional Repayment

The Borrower may at any time and from time to time repay, without penalty, to the Administrative Agent for the account of the Lenders or, in the case of Documentary Instruments provide for the funding of, the whole or any part of any Borrowing owing by it together with accrued interest thereon to the date of such repayment under the Production Facility, the Non-Revolution Facility and the Operating Facility for Documentary Instruments, and provided that:

- (a) the Borrower shall give a Repayment Notice (executed in accordance with the definition of Officer's Certificate) to the Administrative Agent not later than:
 - (i) 10:00 a.m. (Calgary time) two Banking Days prior to the date of the proposed repayment, for Documentary Instruments;
 - (ii) 10:00 a.m. (Calgary time) one Banking Day prior to the date of the proposed repayment, for Canadian Prime Rate Loans and U.S. Base Rate Loans;
 - (iii) 10:00 a.m. (Calgary time) two Banking Days prior to the date of the proposed repayment, for Banker's Acceptances; and
 - (iv) 10:00 a.m. (Calgary time) three Banking Days prior to the date of the proposed repayment, for Libor Loans;

provided that no such notice will be required in respect of payments under Section 2.5(a);

- (b) repayments pursuant to this Section may only be made on a Banking Day;
- (c) a Bankers' Acceptance may only be repaid on its maturity, subject to Section 8.4;
- (d) unexpired Documentary Instruments may only be prepaid by the return thereof to the Operating Lender for cancellation or providing funding therefor in accordance with the provisions of Section 8.4;
- (e) a Libor Loan may only be repaid on the last day of the applicable Interest Period, subject to Section 8.4;
- (f) each such repayment under the Production Facility and the Non-Revolution Facility shall be in a minimum amount of the lesser of: (i) the minimum amount required pursuant to Section 2.4 for Drawdowns of the type of Borrowing proposed to be repaid; and (ii) the Outstanding Principal of all Borrowings outstanding under the Production Facility or the Non-Revolution Facility, as applicable, immediately prior to such repayment; any repayment in excess of

such amount shall be in integral multiples of the amount referred to in Section 2.4 above.

8.4 Additional Repayment Terms

- (a) With respect to the repayment of unexpired Letters of Credit or Letters of Guarantee, it is agreed that the Borrower shall provide for the funding in full of the repayment of unexpired Letters of Credit or Letters of Guarantee by paying to and depositing with the Administrative Agent cash collateral for each such unexpired Letter of Credit or Letter of Guarantee equal to the maximum undrawn amount thereof, in each case, in the respective currency which the relevant Letter of Credit or Letter of Guarantee is denominated; such cash collateral deposited by the Borrower shall belong to the Borrower and shall be held by the Administrative Agent in a non-interest bearing cash collateral account. Such cash collateral accounts shall be assigned to the Administrative Agent as security for the obligations of the Borrower in relation to such Letters of Credit or Letters of Guarantee and the Security Interest of the Administrative Agent thereby created in such cash collateral shall rank in priority to all other Security Interests and adverse claims against such cash collateral. Such cash collateral shall be applied to satisfy the obligations of the Borrower for such Letters of Credit or Letters of Guarantee as payments are made thereunder and the Administrative Agent is hereby irrevocably directed by the Borrower to so apply any such cash collateral. Amounts held in such cash collateral accounts may not be withdrawn by the Borrower without the consent of all Lenders. If after expiry of the Letters of Credit or Letters of Guarantee for which such funds are held and application by the Administrative Agent of the amounts in such cash collateral accounts to satisfy the obligations of the Borrower hereunder with respect to the Letters of Credit or Letters of Guarantee being repaid, any excess remains, such excess shall be promptly paid by the Administrative Agent to the Borrower so long as no Event of Default has occurred or a Default had occurred is then continuing.

In lieu of providing cash collateral as aforesaid, the Borrower may provide to the Administrative Agent irrevocable standby letter or letters of credit in an aggregate amount equal to the aggregate maximum undrawn amount of all unexpired Letters of Credit or Letters of Guarantee being repaid and for a term which expires not sooner than ten Banking Days after the expiry of the Letters of Credit or Letters of Guarantee in respect of which such letter(s) of credit are provided; such letters of credit shall be denominated and payable in the currency of the relevant unexpired Letters of Credit or Letters of Guarantee and shall be issued by a financial institution and on terms and conditions acceptable to the Administrative Agent in its sole discretion. The Administrative Agent is hereby irrevocably authorized and directed to draw upon such letters of credit and apply the proceeds of the same to satisfy the obligations of the Borrower for such unexpired Letters of Credit or Letters of Guarantee as payments are made thereunder.

- (b) If any unmatured Bankers' Acceptances is to be repaid on other than its date of maturity, the Borrower shall provide for the funding in full of the unmatured Bankers' Acceptances to be repaid by paying to and depositing with the Administrative Agent cash collateral for each such unmatured Bankers' Acceptances equal to the face amount payable at maturity thereof; such cash

collateral deposited by the Borrower shall belong to the Borrower and shall be held by the Administrative Agent in a non-interest bearing cash collateral account. Such cash collateral accounts shall be assigned to the Administrative Agent as security for the obligations of the Borrower in relation to such Bankers' Acceptances and the Security Interest of the Administrative Agent thereby created in such cash collateral shall rank in priority to all other Security Interests and adverse claims against such cash collateral. Such cash collateral shall be applied to satisfy the obligations of the Borrower for such Bankers' Acceptances as they mature and the Administrative Agent is hereby irrevocably directed by the Borrower to apply any such cash collateral to such maturing Bankers' Acceptances. Amounts held in such cash collateral accounts may not be withdrawn by the Borrower without the consent of all Lenders. If after maturity of the Bankers' Acceptances for which such funds are held and application by the Administrative Agent of the amounts in such cash collateral accounts to satisfy the obligations of the Borrower hereunder with respect to the Bankers' Acceptances being repaid, any excess remains, such excess shall be used to satisfy any other Obligations in accordance with Section 9.4.

- (c) If any Libor Loan is repaid on other than the last day of the applicable Interest Period, the Borrower shall, within three Banking Days after notice is given by the Administrative Agent, pay to the Administrative Agent for the account of the Production Lenders or Non-Revolving Lenders, as applicable, all costs, losses, premiums and expenses incurred by such Lenders by reason of the liquidation or re-deployment of deposits or other funds or for any other reason whatsoever resulting from the repayment of such Loan or any part thereof on other than the last day of the applicable Interest Period. Any such Lender, upon becoming entitled to be paid such costs, losses, premiums and expenses, shall deliver to the Borrower and the Administrative Agent a certificate of the Lender certifying as to such amounts and, in the absence of manifest error, such certificate shall be prima facie evidence for all purposes.

ARTICLE 9

PLACE, MANNER, CURRENCY AND APPLICATION OF PAYMENTS

9.1 Place of Payment of Principal, Interest and Fees; Payments to Administrative Agent

All payments of principal, interest, fees and other amounts to be made by the Borrower to the Administrative Agent and the Lenders pursuant to this Agreement shall be made to the Administrative Agent (for, as applicable, the account of the Lenders or its own account) without set-off, counterclaim, deduction or reduction of any nature or kind whatsoever and in the currency in which the Borrowing is outstanding for value on the day such amount is due, and if such day is not a Banking Day on the Banking Day next following, by deposit or transfer thereof to the accounts of the Administrative Agent maintained at the Administrative Agent's Branch of Account and designated by the Administrative Agent for such purpose or at such other place as the Borrower and the Administrative Agent may from time to time agree. The Administrative Agent is authorized, but is not obligated, to debit the accounts of the Borrower for payments of principal, interest, fees and other amounts to be made by the Borrower to the Administrative Agent and the Lenders pursuant to this Agreement. Notwithstanding anything to the contrary expressed or implied in this Agreement, the receipt by the Administrative Agent in accordance with this Agreement of any payment made by the Borrower for the account of any of the

Lenders shall, insofar as the Borrower's obligations to the relevant Lenders are concerned, be deemed also to be receipt by such Lenders and the Borrower shall have no liability in respect of any failure or delay on the part of the Administrative Agent in disbursing and/or accounting to the relevant Lenders in regard thereto.

9.2 Designated Accounts of the Lenders

All payments of principal, interest, fees or other amounts to be made by the Administrative Agent to the Lenders pursuant to this Agreement shall be made for value on the day required hereunder, provided the Administrative Agent receives funds from the Borrower for value on such day, and if such funds are not so received from the Borrower or if such day is not a Banking Day, on the Banking Day next following, by deposit or transfer thereof at the time specified herein to the account of each Lender designated by such Lender to the Administrative Agent for such purpose or to such other place or account as the Lenders may from time to time notify the Administrative Agent.

9.3 Funds

Each amount advanced, disbursed or paid hereunder shall be advanced, disbursed or paid, as the case may be, in such form of funds as may from time to time be customarily used in Calgary, Alberta, Montreal, Quebec and Toronto, Ontario in the settlement of banking transactions similar to the banking transactions required to give effect to the provisions of this Agreement on the day such advance, disbursement or payment is to be made.

9.4 Application of Payments

All payments made by or on behalf of the Borrower to the Administrative Agent and the Lenders under the Documents shall be applied by the Administrative Agent and the Lenders in accordance with the provisions of Section 14.1 provided that prior to the occurrence of an Event of Default, the Borrower may allocate its repayment of Borrowings as between the Operating Facility, the Production Facility and the Non-Revolver Facility in its own discretion, subject to Article 8 hereof.

9.5 Payments Clear of Taxes; FATCA

- (a) Subject to Section 9.5(b), any and all payments by the Borrower or Material Subsidiaries to the Administrative Agent or the Lenders hereunder shall be made free and clear of, and without deduction or withholding for or on account of, any and all present or future Taxes and all liabilities with respect thereto imposed, levied, collected, withheld or assessed by any Governmental Authority other than Taxes on the overall income or capital of a Lender and any Taxes or withholdings imposed by reason of the Administrative Agent or any such Lender being a Foreign Lender but excluding a Foreign Lender who became a Lender when a Default had occurred and was continuing or after the occurrence of an Event of Default. In addition, the Borrower agrees to pay any present or future stamp, transfer, registration, excise, issues, documentary or other taxes, charges or similar levies in Canada which arise from any payment made under this Agreement or the Borrowings or in respect of the execution, delivery or registration or the compliance with this Agreement or the other documents contemplated hereunder. The Borrower shall indemnify and hold harmless the Administrative Agent and the Lenders, and their respective directors, officers,

employees, agents and affiliates for the full amount of all of the foregoing Taxes or other amounts specified above and paid or payable by the Administrative Agents or the Lenders and any liability (including penalties, interest, additions to tax and reasonable out-of-pocket expenses) resulting therefrom or with respect thereto.

- (b) If the Borrower shall be required by law to deduct or withhold any amount from any payment or other amount required to be paid to the Administrative Agent or the Lenders hereunder, or if any liability therefor shall be imposed or shall arise from or in respect of any sum payable hereunder (other than Taxes on the overall income or capital of a Lender), then the sum payable to the Administrative Agent or the Lenders hereunder shall be increased as may be necessary so that after making all required deductions, withholdings and additional income tax payments attributable thereto (including deductions, withholdings or income tax payable for additional sums payable under this provision) the Administrative Agent or the Lenders, as the case may be, receive an amount equal to the amount they would have received had no such deductions or withholdings been made or if such additional taxes had not been imposed; in addition, the Borrower shall pay the full amount deducted or withheld for such liabilities to the relevant taxation authority or other authority in accordance with applicable law, such payment to be made (if the liability is imposed on the Borrower) for its own account or (if the liability is imposed on the Administrative Agent or the Lenders) on behalf of and in the name of the Administrative Agent or the Lenders, as the case may be. If the liability is imposed on the Administrative Agent or the Lenders, the Borrower shall deliver to the Administrative Agent or the Lenders evidence satisfactory to the Administrative Agent or the Lenders, acting reasonably, of the payment to the relevant taxation authority or other authority of the full amount deducted or withheld.
- (c) Each Lender shall use reasonable efforts to contest (to the extent contestation is reasonable) such imposition or assertion of such Taxes or to recover such Taxes, and shall reimburse to the Borrower the amount of any reduction or recovery of Taxes, to the extent of amounts that have been paid by the Borrower in respect of such Taxes in accordance with this Agreement, as a result of such contestation and, provided that, no Lender shall have any obligation to expend its own funds, suffer any economic hardship or take any action detrimental to its interests (as determined by the relevant Lender and their respective directors, officers, employees, agents and affiliates in its sole discretion, acting reasonably) in connection therewith unless it shall have received from the Borrower payment therefor or an indemnity with respect thereto, satisfactory to it.
- (d) If a payment made to a Lender under any Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable, or the *Income Tax Act* (Canada)), such Lender shall deliver to the Borrower and/or the Administrative Agent (as applicable) at the time or times prescribed by applicable laws and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable laws (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative

Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or the *Income Tax Act* (Canada) or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 9.5(d), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

- (e) Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and/or the Administrative Agent (as applicable) in writing of its legal inability to do so.
- (f) Each party's obligations under this Section 9.5 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all Obligations.

9.6 Set Off

- (a) In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, on or after the occurrence of an Event of Default which has not been waived (whether or not the Borrowings have been accelerated hereunder), the Administrative Agent and each Lender shall have the right (and are hereby authorized by the Borrower) at any time and from time to time to combine all or any of the Borrower's and the Material Subsidiaries' accounts with the Administrative Agent or the Lender, as the case may be, and to set off and to appropriate and to apply any and all deposits (general or special, term or demand) including, but not limited to, indebtedness evidenced by certificates of deposit whether matured or unmatured, and any other indebtedness at any time held by the Borrower and the Material Subsidiaries or owing by such Lender or the Administrative Agent, as the case may be, to or for the credit or account of the Borrower and the Material Subsidiaries against and towards the satisfaction of any Obligations, the Hedging Obligations and the Cash Management Obligations, and may do so notwithstanding that the balances of such accounts and the liabilities are expressed in different currencies, and the Administrative Agent and each Lender are hereby authorized to effect any necessary currency conversions at the noon spot rate of exchange announced by the Bank of Canada on the Banking Day before the day of conversion.
- (b) The Administrative Agent or the applicable Lender, as the case may be, shall notify the Borrower of any such set-off from the Borrower's or the Material Subsidiaries' accounts within a reasonable period of time thereafter, although the Administrative Agent or the Lender, as the case may be, shall not be liable to the Borrower or the Material Subsidiaries for its failure to so notify.

9.7 Judgment Currency

If a judgment is rendered against the Borrower or a Material Subsidiary for an amount owed hereunder and if the judgment is rendered in a currency ("**Other Currency**") other than that in which this amount is owed under this Agreement ("**Currency of the Agreement**"), the Borrower and the Material Subsidiary shall pay, if applicable, at the date of payment of the

judgment, an additional amount equal to the excess (i) of the said amount owed under this Agreement, expressed into the Other Currency as at the date of payment of the judgment, over (ii) the amount of the judgment. For the purposes of obtaining the judgment and making the calculation referred to in (i), the exchange rate shall be the spot rate at which the Administrative Agent, on the relevant date, may in Montreal, sell the Currency of the Agreement to obtain the Other Currency. Any additional amount owed under this Section shall constitute a cause of action distinct from the cause of action which gave rise to the judgment, and said judgment shall not constitute res judicata in that respect.

The Administrative Agent, at the expense of the Borrower, may amend and renew such registrations, filings and recordings from time to time as and when required to keep them in full force and effect or to preserve the priority established by any prior registration, filing or recording thereof.

12.3 Forms

The forms of Security required by the Lenders shall be prepared based upon the laws of the Province of Alberta and the laws of the applicable jurisdictions where such Security is registered thereto, in effect at the date thereof and hereof, as applicable. The Administrative Agent shall have the right to require that:

- (b) the Borrower and the Material Subsidiaries execute and deliver to the Administrative Agent such other and further debentures, mortgages, trust deeds, assignments and security agreements as may be reasonably required to ensure the Administrative Agent and the Lenders have and hold, subject to Permitted Encumbrances, first priority Security Interests on and against all of the property and assets of the Borrower and the Material Subsidiaries;

except that in no event shall the Administrative Agent require that the foregoing be effected if the result thereof would be to grant the Administrative Agent or the Lenders greater rights than is otherwise contemplated herein or therein.

12.4 Continuing Security

Each item or part of the Security shall for all purposes be treated as a separate and continuing collateral security and shall be deemed to have been given in addition to and not in place of any other item or part of the Security or any other security now held or hereafter acquired by the Administrative Agent or the Lenders. No item or part of the Security shall be merged or be deemed to have been merged in or by this Agreement or any documents, instruments or acknowledgements delivered hereunder, or any simple contract debt or any judgment, and any realization of or steps taken under or pursuant to any security, instrument or agreement shall be independent of and not create a merger with any other right available to the Lenders or the Administrative Agent under any security, instruments or agreements held by it or at law or in equity. All rights and benefits granted to the Administrative Agent under the Security shall also be for the benefit of each of the Lenders, the Hedging Affiliates and the Cash Managers.

12.5 Dealing with Security

The Administrative Agent, with the consent of all of the Lenders, may grant extensions of time or other indulgences, take and give up securities (including, without limitation, the Security or any part or parts thereof), accept compositions, grant releases, postponements and discharges and otherwise deal with the Borrower and the Material Subsidiaries and other parties and with securities (including without limitation, the Security and each part thereof) as the Administrative Agent may see fit, and may, subject to Section 14.1, apply all amounts received from the Borrower or others or from securities (including without limitation, the Security or any part thereof) upon such part of the liabilities of the Borrower and the Material Subsidiaries hereunder or under any of the Security as the Administrative Agent may think best, without prejudice to or in any way limiting the liability of the Borrower or any Material Subsidiary under this Agreement or under any of the Security or any other collateral security.

To give effect to the requirement to provide fixed security pursuant to the debentures, the Borrower and the Material Subsidiaries constitute and appoint, the Administrative Agent the true and lawful attorney of each of them irrevocable with power of substitution to grant such fixed security from time to time, including without limitation, attaching to the debentures of each of the Borrower and the Material Subsidiaries as Schedule "A", from time to time, a land schedule setting forth the petroleum and natural gas assets selected by the Administrative Agent in which event such assets shall without any further action be subject to the fixed charges and shall be subject to all of the terms and conditions thereof as if the same had been so included in Schedule "A" of the debentures at the time they were executed and delivered, and all such acts so taken by the Administrative Agent are ratified and confirmed by the Borrower and the Material Subsidiaries. This power of attorney is a power coupled with an interest and shall be irrevocable. as, the creation of such Security Interests or before or after or upon the date of execution of any amendments to this Agreement.

12.7 Release and Discharge of Security

Subject to the release of Security by the Administrative Agent for Permitted Dispositions, the Security or any part thereof shall not be discharged, released or postponed except by a written release and discharge signed by the Administrative Agent with the prior written consent of all of the Lenders. If all of the Obligations, Hedging Obligations and Cash Management Obligations to the Lenders, Hedging Affiliates and Cash Managers have been indefeasibly repaid, paid, satisfied and discharged, as the case may be, in full and the Credit Facility has been fully cancelled, then, subject to Section 12.9, the Security shall be released and discharged by the Administrative Agent and the Lenders. The Administrative Agent, at the cost and expense of the Borrower, shall from time to time do, execute and deliver, or cause to be done, executed and delivered, all such agreements, instruments, certificates, financing statements, notices and other documents and all acts, matters and things as may be reasonably requested by the Borrower to give effect to, establish, evidence or record the foregoing release and discharge.

12.8 Transfer of Security

If NBC, in its capacity as Administrative Agent, or any successor thereto, in its capacity as Administrative Agent (the "**Departing Administrative Agent**") ceases to be the Administrative Agent, the Departing Administrative Agent shall transfer and assign all of its right, title and interest in its capacity as Administrative Agent in and to the Security to the replacement administration agent and the provisions of Section 12.5 shall apply, mutatis mutandis, with respect to such assignment and transfer.

12.9 Hedging Obligations

The following provisions shall apply in respect of the Hedging Obligations and in the event of any conflict between the provisions of this Section 12.9 with any other provisions of this Agreement in respect of Hedging Obligations, the provisions of this Section 12.9 shall govern and prevail:

- (a) The Hedging Obligations secured by the Security shall be limited to those: (i) that arise under Existing Financial Instruments; and (ii) that arise under Financial Instruments entered into between a Loan Party and a Lender, or between a Loan Party and a Hedging Affiliate (A) prior to the occurrence of an Event of Default; (B) after the date of this Agreement; and (C) during such time as the Lender or the Lender affiliated with the Hedging Affiliate was a Revolving Lender under this Agreement. In the event a Lender or the Lender affiliated with the Hedging Affiliate is no longer a Revolving Lender but there are outstanding Hedging Obligations owed to such former Revolving Lender or the Hedging Affiliate of such former Revolving Lender, then such Hedging Obligations shall continue to be secured by the Security;
- (b) Any matter or thing done or omitted to be done by a Lender under or in respect of this Agreement, the other Documents, the Security and in respect of any transactions contemplated thereby shall be binding upon the Hedging Affiliate of such Lender;

- (d) For better certainty, (i) a Hedging Affiliate shall under no circumstances be considered to be a Lender for purposes of this Agreement, the Security or the other Documents and shall not be entitled to vote or to any notice thereunder, and (ii) any reference in this Agreement to the Hedging Obligations of a Lender shall include the Hedging Obligations of the Lender's Affiliate, if any;
- (e) In the event (i) a Lender or the Lender of a Hedging Affiliate is no longer a Lender but there are outstanding Hedging Obligations owed to such former Lender or the Hedging Affiliate of such Lender, and (ii) the Obligations have been fully paid and satisfied and the Credit Facility cancelled, then the Administrative Agent may assign, transfer and convey to such former Lender or such Hedging Affiliate all of its rights, benefits and entitlements under this Agreement and the Security as Administrative Agent for the purpose of securing the outstanding Hedging Obligations as contemplated by Sections 12.1 and 12.9 of this Agreement. Any such assignment, transfer or conveyance under this Subsection 12.9(e) shall be without recourse to the Administrative Agent; and
- (f) For better certainty, the assignee of an assignment made under subsection (e) of this Section 12.9 shall be subrogated in place and instead of the assignor as the Administrative Agent for the purposes of this Agreement and the Security.

12.10 Other Security

Concurrently with the Borrower acquiring, directly or indirectly, a Person which falls into the definition of a Material Subsidiary other than the provision in the definition that such Person has granted Security, then the Borrower: (i) shall cause such Person to execute and deliver to the Administrative Agent a guarantee and security in substantially the form and substance of the Security granted by the other Material Subsidiaries, including fixed charges if requested by the Administrative Agent together with the applicable opinions, all in form and substance satisfactory to the Administrative Agent, acting reasonably, and such guarantee and security shall form part of the Subsidiary Security; and (ii) shall execute and deliver, and shall cause such Person to execute and deliver, to the Administrative Agent such documents as the Administrative Agent requires for such Person to become a party to this Agreement and agree to become bound by all of the same covenants and agreements of a Material Subsidiary as contained in this Agreement.

13.2 Remedies

- (a) Upon the occurrence of any Event of Default (other than an Event of Default described in Section 13.1(h) or (i)), to the extent that it is not already enforceable, the Security shall immediately become enforceable, and at any time thereafter, the Administrative Agent may and, if required by the Majority Lenders, shall, upon notice to the Borrower, do any or all of the following:
 - (i) terminate the Credit Facility and the Commitments and the right of the Borrower to obtain Advances and make Drawdowns, Conversions and Rollovers;
 - (ii) make demand for immediate payment and satisfaction in full of the Obligations; whereupon the Obligations shall become forthwith due and payable without presentment, demand, protest or any other notice of any kind, all of which are hereby expressly waived by the Borrower and Material Subsidiaries; and

- (iii) exercise all of the rights and remedies of the Administrative Agent and Lenders, including without limitation, demanding under any guarantee and the enforcement of the Security.
- (b) Upon the occurrence of any Event of Default described in Section 13.1(h) or (i), then:
 - (i) the Credit Facility and the Commitments and the right of the Borrower to make Advances, Drawdowns, Conversions and Rollovers shall automatically and immediately terminate;

- (d) Subject to Section 16.3, the Majority Lenders may from time to time waive an Event of Default, absolutely or for a limited time and subject to such terms and conditions as such Majority Lenders may specify. No such waiver shall be construed to extend to the occurrence of any other Event of Default. Any such waiver may be given prospectively or retrospectively. No failure of the Agent or the Lenders to exercise, or delay by the Agent or the Lenders in exercising, any of its rights or remedies shall be construed as a waiver of any Event of Default.

13.3 Termination of Financial Instruments

- (a) If an Event of Default shall occur, each Lender (whether or not still a Lender under this Agreement) shall have the right, but not the obligation, to terminate, or cause its Hedging Affiliate to terminate, each Financial Instrument with any Loan Party.

- (b) If an Event of Default shall occur, no Loan Party shall enter into or become bound by a Financial Instrument without first obtaining the written consent of all the Lenders.

ARTICLE 14 SHARING AND EQUALITY AMONG LENDERS

14.1 Distribution Among the Lenders

Subject to Section 9.4 and, except as otherwise agreed by all of the Lenders in their sole discretion, all monies and property received by the Lenders or the Administrative Agent for application in respect of the Obligations, the Hedging Obligations and the Cash Management Obligations and all monies received as a result of a realization upon the Security shall be applied and distributed proportionately to the Lenders and the Administrative Agent in the manner set forth below:

- (a) firstly, in payment of any amounts due and payable by way of recoverable expenses including, without limitation, the costs and expenses of enforcement and realization upon the Security;
- (b) secondly, in payment of amounts due as fees (other than standby fees referred to in Section 7.4);
- (c) thirdly, in payment of any amounts due and payable as and by way of interest or fees, including standby fees and including interest owing on overdue amounts;
- (d) fourthly, in payment of the remaining Obligations, Hedging Obligations and Cash Management Obligations on a *pari passu* basis; and
- (e) fifthly, in payment of all other indebtedness under the Documents;

with the balance of proceeds from any realization and enforcement of the Security to be paid to the Borrower or otherwise as may be required by law.

14.2 Equality Among the Lenders

Subject to Section 14.1, all rights of the Lenders, of the Hedging Affiliates and of the Cash Managers hereunder or under the Security shall rank *pari passu*, pro rata to their respective share of Obligations, Hedging Obligations and Cash Management Obligations of the Borrower and Material Subsidiaries to the Lenders, to the Hedging Affiliates and to the Cash Managers.

14.3 Other Security

No Lender, Hedging Affiliate or Cash Manager shall obtain any additional security for the payment of the indebtedness of the Borrower under this Agreement or for the payment of Hedging Obligations or Cash Management Obligations, unless such security shall form and become part of the Security.

14.4 Direct Payment to a Lender

If a Lender receives, otherwise than through the Administrative Agent, a payment or property from the Borrower in respect of the Borrower's obligations arising pursuant to this Agreement (including any payment received by a Lender through the exercise of a right of set-off or the enforcement of the Security), such Lender shall remit to the Administrative Agent the payment or property so received, if applicable, in order that such payment be applied by the Administrative Agent to the obligations of the Borrower hereunder in accordance with the provisions of this Agreement, in particular, Section 14.5.

14.5 Adjustments Among Lenders

Each Lender agrees that:

- (a) after an acceleration pursuant to Section 13.2, it will at any time or from time to time upon the request of the Administrative Agent as required by any Lender, purchase, on a non-recourse basis at par, a participation in the outstanding Borrowings of the other Lenders and make any other adjustments which may be necessary or appropriate, in order that the amount of Borrowings by each Lender which remain outstanding, as adjusted pursuant to this Section 14.5, will be in the same proportion as the Lenders' Proportions in respect of the Credit Facility;
- (b) after an acceleration pursuant to Section 13.2, the amount of any repayment made by the Borrower under the Documents and the amount of any proceeds from the exercise of any rights or remedies of the Lenders under the Documents which are to be applied against the Obligations will be so applied in a manner so that to the extent possible the amount of Obligations of each Lender after giving effect to such application will be the same proportion as the Lenders' Proportions in respect of the Credit Facility;
- (c) if it enforces any security against or right of counter-claim, set off or banker's lien or similar right with respect to the property of the Borrower or a Material Subsidiary or if under any applicable bankruptcy, insolvency or other similar law it receives a secured claim and collateral for which it is, or is entitled to exercise any set-off against, a debt owed by it to the Borrower or a Material Subsidiary, the Lender shall apportion the amount thereof pro rata between:
 - (i) such Lender's share of all outstanding Obligations, Hedging Obligations and Cash Management Obligations (including the face amounts at maturity of Bankers' Acceptances accepted by the Lenders) owed to such Lender, which amounts shall be applied in accordance with Section 14.5(d); and
 - (ii) amounts otherwise owed to such Lender by the Borrower and its Subsidiaries;

provided that these provisions do not apply to:

- (A) a right or claim which arises or exists in respect of a loan or other debt in respect of which the relevant Lender holds a Security Interest which is a Permitted Encumbrance;

- (B) the set off of amounts owing by a Loan Party to a Lender (or its Hedging Affiliates) under a Financial Instrument against amounts owing by such Lender (or its Hedging Affiliates) to a Loan Party under any Financial Instrument entered into between such parties; or
 - (C) any payment to which a Lender is entitled as a result of any credit default swap, credit derivative or other form of credit protection obtained by such Lender;
- (d) if the Lender, through the exercise of a right, or the receipt of a secured claim described in Section 14.5(c) above, or otherwise, receives payment of a proportion of the aggregate amount of Obligations due to it hereunder which is greater than the proportion received by any other Lender in respect of the aggregate Obligations due to the Lenders (having regard to the respective Lenders' Proportions in respect of the Credit Facility), the Lender receiving such proportionately greater payment shall purchase, on a non-recourse basis at par, and make payment for a participation (which shall be deemed to have been done simultaneously with receipt of such payment) in the outstanding Borrowings of the other Lender or Lenders so that their respective receipts shall be pro rata to their respective Lender's Proportions in respect of the Credit Facility; provided, however, that if all or part of such proportionately greater payment received by such purchasing Lender shall be recovered by or on behalf of the Borrower or any trustee, liquidator, receiver or receiver-manager or Person with analogous powers from the purchasing Lender, such purchase shall be rescinded and the purchase price paid for such participation shall be returned to the extent of such recovery, but without interest unless the purchasing Lender is required to pay interest on such amount, in which case each selling Lender shall reimburse the purchasing Lender pro rata in relation to the amounts received by it. Such Lender shall exercise its rights in respect of such secured claim in a manner consistent with the rights of the Lenders entitled under this Section to share in the benefits of any recovery on such secured claims;
- (e) if the Lender does, or is required to do, any act or thing permitted by this Section 14.5 above, it shall promptly provide full particulars thereof to the Administrative Agent; and
- (f) for certainty, subject only to an acceleration pursuant to Section 13.2 in the case of Sections 14.5(a) and 14.5(b), the provisions of this Section 14.5 are unconditional and irrevocable and (i) the Lenders shall be obligated to purchase participations and to effect the transactions and adjustments contemplated by this Section 14.5 and (ii) the other provisions hereof shall operate and apply, in each case, in all events and circumstances and irrespective of whether any condition precedent in Article 6 is met;

The Borrower agrees to do all things reasonably necessary or appropriate to give effect to any and all purchases and adjustments by and between the Lenders pursuant to this Section.

ARTICLE 15
THE ADMINISTRATIVE AGENT AND THE LENDERS

15.1 Appointment of the Administrative Agent

Each Lender hereby irrevocably appoints and authorizes the Administrative Agent to be its administrative agent in its name and on its behalf to exercise such rights and powers as are delegated to the Administrative Agent by the terms of this Agreement and as are reasonably incidental thereto and the Administrative Agent hereby accepts such appointment and authorization. Whenever acting in such capacity, the Administrative Agent shall represent and bind all Lenders as herein provided. No Lender shall exercise individually any of the rights and powers delegated to the Administrative Agent hereunder.

15.2 Action by Administrative Agent

Except as expressly required by this Agreement, the Administrative Agent shall not be required to take or refrain from taking any action which it is empowered to take under this Agreement or the Security documents, unless the Administrative Agent has been required by the Majority Lenders to take or refrain from taking any such action. Notwithstanding the foregoing, the Administrative Agent shall in no event be required to take or refrain from taking any action which it would be required to take or refrain from taking by the Majority Lenders if in its judgment, such action or omission is contrary hereto or to applicable law or exposes it to personal liability in circumstances in which it determines that indemnity under Section 15.6 may not be available or adequate.

15.3 Liability of the Administrative Agent

Neither the Administrative Agent nor any of its directors, officers, administration agents or employees (and, for purposes hereof, the Administrative Agent shall be deemed to be contracting as administrative agent and trustee for and on behalf of such persons) shall be liable to the Lenders for any action taken or omitted to be taken by it or them under or in connection with this Agreement except for its or their own gross negligence or wilful misconduct. Without limiting the generality of the foregoing, the Administrative Agent:

- (a) may assume that there has been no assignment or transfer by any means by the Lenders of their rights hereunder, unless and until the Administrative Agent receives written notice of the assignment thereof from such Lender and the Administrative Agent receives from the assignee an executed assignment agreement providing, inter alia, that such assignee is bound hereby as it would have been if it had been an original Lender party hereto;
- (b) may consult with legal counsel (including receiving the opinions of Borrower's counsel and Lenders' Counsel required hereunder), independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts;
- (c) shall incur no liability under or in respect of this Agreement by acting upon any notice, consent, certificate or other instrument or writing (which may be by telegram, cable, telecopier or telex) believed by it to be genuine and signed or

sent by the proper party or parties or by acting upon any representation or warranty of the Borrower made or deemed to be made hereunder;

- (d) may assume that no Default or Event of Default has occurred unless it has actual knowledge to the contrary;
- (e) may rely as to any matters of fact which might reasonably be expected to be within the knowledge of any Person upon a certificate signed by or on behalf of such Person;
- (f) shall not be bound to disclose to any other Person any information relating to the Borrower or any other Person if such disclosure would or might in its opinion constitute a breach of any applicable law, be in default of the provisions hereof or be otherwise actionable at the suit of any other Person; and
- (g) may refrain from exercising any right, power or discretion vested in it which would or might in its reasonable opinion be contrary to any applicable law or any directive or otherwise render it liable to any Person, and may do anything which is in its reasonable opinion necessary to comply with such applicable law.

Further, the Administrative Agent (i) does not make any warranty or representation to any Lender nor shall it be responsible to any Lender for the accuracy or completeness of the representations and warranties of the Borrower herein or the data made available to any of the Lenders in connection with the negotiation of this Agreement, or for any statements, warranties or representations (whether written or oral) made in or in connection with this Agreement; (ii) shall not have any duty to ascertain or to enquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement on the part of the Borrower or to inspect the property (including the books and records) of the Borrower or any of its Subsidiaries; and (iii) shall not be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any instrument or document furnished pursuant hereto.

15.4 Notices of Default

In the event that the Administrative Agent has been notified by the Borrower of any Default or Event of Default, or has been notified by a Lender that such a Lender considers that a Default or Event of Default has occurred, the Administrative Agent shall promptly notify the Lenders of such Default or Event of Default.

15.5 Liability of Lenders

No Lender (including the Administrative Agent) shall have any liability whatsoever:

- (a) as a consequence of the failure of any other Lender to perform its obligations under this Agreement;
- (b) as a consequence of the failure of the Borrower to perform its obligations under this Agreement or under any of the Security; or
- (c) (i) for the accuracy or completeness of any information, representations or warranties contained herein or made in connection herewith or provided pursuant

to this Agreement, (ii) or for the legality, validity, enforceability, sufficiency or value of this Agreement, the Security or any other document or instruments contemplated thereby.

15.6 Indemnification

Each Lender shall indemnify the Administrative Agent on a pro rata basis in accordance with such Lender's Proportion of the total Commitments, to the extent not reimbursed by the Borrower, from and against all liabilities, losses, expenses, claims or disbursements of any kind or nature whatsoever which may be incurred or imposed on the Administrative Agent, relating to or arising out of this Agreement, the other Documents or any action taken or omitted to be taken by the Administrative Agent, except for any portion of such liabilities, losses, expenses, claims or disbursements resulting from gross negligence or wilful misconduct of the Administrative Agent.

15.7 Credit Decision

Each Lender acknowledges that it has been and will continue to be solely responsible for making its own independent appraisal and investigation of the financial condition, credit-worthiness, affairs and viability of the Borrower and that it has not relied on the Administrative Agent or any other Lender in the making of its decision to enter into this Agreement.

15.8 Legal Proceedings and Enforcement Measures

Each of the Lenders hereby acknowledges that, to the extent permitted by applicable law, the remedies provided hereunder to the Lenders are for the benefit of the Lenders collectively and acting together and not severally and further acknowledges that its rights hereunder are to be exercised not severally, but collectively by the Administrative Agent upon the decision of the Majority Lenders. Notwithstanding any of the provisions contained herein, each of the Lenders hereby covenants and agrees that it shall not be entitled to individually take any action with respect to any part of the Credit Facility, but that any such action shall be taken only by the Administrative Agent with the prior written agreement or instructions of the Majority Lenders; provided that, notwithstanding the foregoing, if (i) the Administrative Agent, having been adequately indemnified against costs and expenses of so doing by the Lenders, shall fail to carry out any such instructions of the Majority Lenders, any Lender may do so on behalf of all Lenders and shall, in so doing, be entitled to the benefit of all protections given the Administrative Agent hereunder or elsewhere, and (ii) in the absence of instructions from the Majority Lenders and where in the sole opinion of the Administrative Agent the exigencies of the situation warrant such action, the Administrative Agent may without notice to or consent of the Lenders or any of them take such action on behalf of the Lenders as the Administrative Agent deems appropriate or desirable in the interests of the Lenders. Each of the Lenders hereby further covenants and agrees that upon any such written consent being given by the Majority Lenders, or upon a Lender or the Administrative Agent taking action as aforesaid, it shall cooperate fully with the Lender or the Administrative Agent to the extent requested by the Lender or the Administrative Agent in the collective realization including, without limitation, and, if applicable, the appointment of a receiver or receiver and manager to act for their collective benefit. Each Lender covenants and agrees to do all acts and things and to make, execute and deliver all agreements and other instruments, including, without limitation, any instruments necessary to effect any registrations, so as to fully carry out the intent and purpose of this Section; and each of the Lenders hereby covenants and agrees that, subject to Section 7.5, Section 14.3 and Section 12.1 it has not heretofore and shall not seek, take, accept or receive

any security for any of the obligations and liabilities of the Borrower hereunder or under any other document, instrument, writing or agreement ancillary hereto and shall not enter into any agreement with any of the parties hereto or thereto relating in any manner whatsoever to the Credit Facility, unless all of the Lenders shall at the same time obtain the benefit of any such security or agreement.

With respect to any enforcement, realization or the taking of any rights or remedies to enforce the rights of the Lenders hereunder, the Administrative Agent shall be a trustee for each Lender, and all monies received from time to time by the Administrative Agent in respect of the foregoing shall be held in trust and shall be trust assets within the meaning of applicable bankruptcy or insolvency legislation and shall be considered for the purposes of such legislation to be held separate and apart from the other assets of the Administrative Agent, and each Lender shall be entitled to such Lender's Proportion of such monies. In its capacity as trustee, the Administrative Agent shall be obliged to exercise only the degree of care it would exercise in the conduct and management of its own business and in accordance with its usual practice concurrently employed or hereafter instituted for other substantial commercial loans.

15.9 Sharing of Information

Subject to Section 17.3, the Borrower and Material Subsidiaries authorize the Administrative Agent and the Lenders to share with each other and with prospective assignees of and participants in the Borrowings, any information held by them regarding the Borrower and Material Subsidiaries or relating to this Agreement, provided however that any information declared to be confidential by the Borrower or Material Subsidiaries in writing to the Administrative Agent at the time the information is transmitted to the Administrative Agent shall only be shared on the condition that the recipient thereof agrees to keep such information confidential.

15.10 No Association Among Lenders

Nothing contained in this Agreement and no action taken pursuant to it shall, or shall be deemed to, constitute the Lenders a partnership, association, joint venture or other similar entity.

15.11 Successor Administrative Agent

Subject to the appointment and acceptance of a successor administrative agent as provided in this Section 15.11, the Administrative Agent may resign at any time by giving written notice thereof to the Lenders and the Borrower. Upon any such resignation, the Majority Lenders shall have the right to appoint a successor administrative agent with the approval of the Borrower (such approval not to be unreasonably withheld). Any successor administrative agent appointed under this Section 15.11 shall be a Lender which is a bank under the *Bank Act* (Canada). If no successor administrative agent shall have been appointed by the Lenders within thirty (30) days after the retiring administrative agent's giving of notice of resignation, then the retiring administrative agent may, on behalf of the Lenders and with the approval of the Borrower (such approval not to be unreasonably withheld), appoint a successor administrative agent. Upon the appointment as Administrative Agent of a successor administrative agent, such successor administrative agent shall thereupon succeed to and become vested with all the rights, powers, obligations and duties of the retiring administrative agent and shall be deemed for the purposes of this Agreement to be the Administrative Agent and the retiring administrative agent shall be discharged from its duties and obligations under this Agreement. After any

retiring administrative agent's resignation hereunder as the Administrative Agent, the provisions of this Agreement shall continue in effect for its benefit, for the benefit of the Lenders and for the benefit of the Borrower in respect of any actions taken or omitted to be taken by the retiring administrative agent while it was acting as the Administrative Agent.

15.12 Departing Lenders

If a Lender: (a) is a Defaulting Lender; (b) seeks Additional Compensation in accordance with Section 5.1, implements its rights under Section 5.2 or requires any payment to be made in respect of Taxes pursuant to Section 9.5 in respect of a Lender; or (c) refuses to give timely consent to an amendment, modification or waiver of this Agreement that, pursuant to Section 16.3, requires consent of all the Lenders (and the consent of the Majority Lenders has been given with respect thereto); (a "**Non-Consenting Lender**"); (collectively, the "**Departing Lenders**"), then the Lenders, other than Departing Lenders, shall have the option, but not the obligation, to purchase the Departing Lender's outstanding Borrowings owing to it and such Departing Lender's Commitments. If such Lenders do not exercise such option for the total amount of Departing Lender's outstanding Borrowings owing to it and such Departing Lender's Commitments, then the Borrower may:

- (a) replace the Departing Lender with another financial institution(s) (which may be a Lender or Lenders) acceptable to the Administrative Agent, acting reasonably, who purchases at par all of the Borrowings owing to the Departing Lender and such Departing Lender's entire Commitments and assumes such Departing Lender's Commitments and all other obligations of the Departing Lender hereunder, provided that prior to or concurrently with such replacement:
 - (i) the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of replacement (including, without limitation, any applicable Additional Compensation, the provision of cash collateral to the Administrative Agent on behalf of such Lender in respect of outstanding Acceptances accepted by such Departing Lender as provided in Section 8.4(b) and the payment of all costs, losses, premiums and expenses in respect of outstanding Libor Loans of such Departing Lenders as provided in Section 8.4(c) and, in the case of the Operating Lender, cash collateralization in full of any contingent obligations in respect of any outstanding Documentary Instruments as provided in Section 8.4(a)) and a release from any further obligations to make Advances under the Documents after the date of such replacement;
 - (ii) the assignment fee required to be paid by Section 17.1 shall have been paid to the Administrative Agent;
 - (iii) all of the requirements for such assignment contained in Section 17.1 shall have been satisfied, including, without limitation, the consent of the Administrative Agent and the Operating Lender and the receipt by the Administrative Agent of such agreements, documents and instruments as the Administrative Agent may reasonably require; and
 - (iv) in the case of a Departing Lender who is a Non-Consenting Lender, each assignee consents, at the time of such assignment, to each matter in

respect of which such Non-Consenting Lender was a Non-Consenting Lender and the Borrower also requires each other Lender that is a Non-Consenting Lender to assign all of the Borrowings owing to it and its Commitments; or

- (b) provided all Obligations under the Non-Revolving Facility have been fully repaid or paid (as the case may be) and the Non-Revolving Facility has been cancelled and provided further no Borrowing Base Shortfall, Default or Event of Default is then continuing, elect to terminate the Departing Lender's Commitments, in which case the Departing Lender's Commitments shall be reduced by an amount equal to the amount of the Commitments so cancelled (provided that prior to or concurrently with such cancellation the Departing Lender shall have received payment in full of all principal, interest, fees and other amounts through such date of cancellation owing to it (including, without limitation, any applicable Additional Compensation, the provision of cash collateral to the Administrative Agent on behalf of such Lender in respect of outstanding Acceptances accepted by such Departing Lender as provided in Section 8.4(b) and the payment of all costs, losses, premiums and expenses in respect of outstanding Libor Loans of such Departing Lenders as provided in Section 8.4(c) and, in the case of the Operating Lender, cash collateralization in full of any contingent obligations in respect of any outstanding Documentary Instruments as provided in Section 8.4(a) and a release from any further obligations to make Advances under the Documents after such termination); or
- (c) exercise any combination of the rights under (a) and (b) above; provided that in each case, each Departing Lender is treated rateably with the other Departing Lenders, if any.

15.13 Lender Obligations; Defaulting Lender

- (a) The, obligations of each Lender and of the Administrative Agent under this Agreement are several. The failure of any Lender to carry out its obligations hereunder shall not relieve the other Lenders, the Administrative Agent or the Borrower of any of their respective obligations hereunder.
- (b) Neither the Administrative Agent nor any Lender shall be responsible for the obligations of any other Lender hereunder.
- (c) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:
 - (i) the Standby Fees payable pursuant to Section 7.4 shall cease to accrue on the unused portion of the Commitment of such Defaulting Lender;
 - (ii) a Defaulting Lender shall not be included in determining whether, and the Commitment and the Lender's Proportion of the outstanding Borrowings of such Defaulting Lender shall not be included in determining whether, all Lenders, all Revolving Lenders or the Required Lenders or the Majority Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Article 16) provided,

however, for the avoidance of doubt, the Defaulting Lender shall retain its right to consent to any increases of its Commitments and its right to consent to extensions of the Revolving Period applicable to such Defaulting Lender in accordance with the terms of this Agreement; and

- (iii) for the avoidance of doubt, the Borrower shall retain and reserve its other rights and remedies respecting each Defaulting Lender.
- (d) If any Lender shall cease to be a Defaulting Lender, then, upon becoming aware of the same, the Administrative Agent shall notify the other Lenders and the Borrower and such Lender (which has ceased to be a Defaulting Lender) shall purchase at par, and the other Lenders shall on a rateable basis sell at par and assign to such Lender, portions of such Borrowings equal in total to such Lender's Lender's Proportion thereof.
- (e) The Borrower shall be entitled to replace a Defaulting Lender by reaching satisfactory arrangements with a financial institution (which may be a Lender), to have such financial institution purchase the Commitment of such Defaulting Lender in accordance with Article 17 and such Defaulting Lender shall be obligated to sell its Commitment in accordance with such satisfactory arrangements and the other Lenders shall do all things reasonably necessary to give effect to such replacement.

15.14 Administrative Agent and Defaulting Lenders

- (a) Each Defaulting Lender shall be required to provide to the Administrative Agent cash in an amount, as shall be determined from time to time by the Administrative Agent in its discretion, equal to all obligations of such Defaulting Lender to the Administrative Agent that are owing or may become owing pursuant to this Agreement, including such Defaulting Lender's obligation to pay its Lender's Proportion of any indemnification or expense reimbursement amounts not paid by the Borrower. Such cash shall be held by the Administrative Agent in one or more cash collateral accounts, which accounts shall be in the name of the Administrative Agent and shall not be required to be interest bearing. The Administrative Agent shall be entitled to apply the foregoing cash in accordance with Section 15.14(c).
- (b) In addition to the indemnity and reimbursement obligations noted in Section 15.6, the Lenders agree to indemnify the Administrative Agent (to the extent not reimbursed by the Borrower and without limiting the obligations of the Borrower hereunder) rateably according to their respective Lender's Proportion (and in calculating the Lender's Proportion of a Lender, ignoring the Commitments of Defaulting Lenders) any amount that a Defaulting Lender fails to pay the Administrative Agent and which is due and owing to the Administrative Agent pursuant to Section 15.6. Each Defaulting Lender agrees to indemnify each other Lender for any amounts paid by such Lender and which would otherwise be payable by the Defaulting Lender.
- (c) The Administrative Agent shall be entitled to withhold and deposit in one or more non-interest bearing cash collateral accounts in the name of the Administrative Agent all amounts (whether principal, interest, fees or otherwise) received by the

Administrative Agent and due to a Defaulting Lender pursuant to this Agreement, which amounts shall be used by the Administrative Agent:

- (i) first, to reimburse the Administrative Agent for any amounts owing to it by the Defaulting Lender pursuant to this Agreement or any other Document;
 - (ii) second, to repay on a pro rata basis any payments made by a Lender pursuant to Section 15.14(b);
 - (iii) third, to cash collateralize all other obligations of such Defaulting Lender to the Administrative Agent owing pursuant to this Agreement in such amount as shall be determined from time to time by the Administrative Agent in its discretion, including such Defaulting Lender's obligation to pay its Lender's Proportion of any indemnification or expense reimbursement amounts not paid by the Borrower;
 - (iv) fourth, to fund the Defaulting Lender's Lender's Proportion of Borrowings which remain unfunded and to fund the purchase of participations required to be purchased by the Defaulting Lender under this Agreement and the Documents which remain unfunded; and
 - (v) fifth, pay any amounts not paid under clauses (i) through (iv) to the Defaulting Lender.
- (d) For greater certainty and in addition to the foregoing, neither the Administrative Agent nor any of its Affiliates nor any of their respective shareholders, officers, directors, employees, agents or representatives shall be liable to any Lender (including, without limitation, a Defaulting Lender) for any action taken or omitted to be taken by it in connection with the determination of a Lender as a Defaulting Lender or with amounts payable by the Borrower to a Defaulting Lender and received and deposited by the Administrative Agent in a cash collateral account and applied in accordance with the provisions of this Agreement, save and except for the gross negligence or wilful misconduct of the Administrative Agent as determined by a final non-appealable judgment of a court of competent jurisdiction.

ARTICLE 16 WAIVERS AND AMENDMENTS

16.1 Waivers by the Administrative Agent Acting Alone

The Administrative Agent may only grant extensions of time and other indulgences and waive strict compliance with the provisions of this Agreement and the other Documents only for those matters which pursuant to the Documents require the approval or consent of the Administrative Agent.

16.2 Amendments and Waivers with the Approval of the Majority Lenders

Subject to the other Sections of this Article 16, the provisions of this Agreement or of any of the Security may only be amended or waived by an instrument in writing signed by the Borrower and the Administrative Agent, with the approval of the Majority Lenders, with the

exception of the matters listed in Section 16.3 which may be amended or waived only with the consent of all Lenders.

16.3 Amendments and Waivers with the Unanimous Approval of Lenders

Notwithstanding any other provision of this Agreement or any other Documents, the provisions of this Agreement or of any of the other Documents relating to any of the following matters, including this Section 16.3, may only be amended or waived by an instrument in writing signed by the Administrative Agent, with the prior written approval of all Lenders:

- (a) any change in (i) the time within which principal must be repaid or (ii) the amount of principal to be paid;
- (b) any decrease in the interest rates, fees and discounts payable hereunder and in the manner in which they are calculated or in the time within which they must be paid;
- (c) any subordination of the Security;
- (d) any modification, amendment or release of the Security, subject to the release of Security by the Administrative Agent for Permitted Dispositions;
- (e) Sections 2.13, 2.14, 14.1, 14.5 or the definition of "Event of Default" (provided that, for certainty, the immediately preceding reference is not intended to require the agreement of all Lenders for the waiver of an Event of Default (except as otherwise set forth in this Section 16.3) as opposed to an amendment to the definition thereof);
- (f) any increase in any of the Lenders' Commitments;
- (g) any waiver of Events of Default under Sections 13.1(a), (h), (i) or (l); and
- (h) any change (i) in the conditions precedent provided for in this Agreement; (ii) the definition of Majority Lenders or Required Lenders, or (iii) in any matter which pursuant to the Documents requires the approval or consent of all of the Lenders.

16.4 Amendments with the Approval of the Administrative Agent

No amendment to the provisions of this Agreement respecting the duties, obligations and liabilities of the Administrative Agent shall be made without the approval of the Administrative Agent. Amendments to the duties and obligation of the Administrative Agent may be made by the Administrative Agent acting alone, provided that any such amendment shall not affect the rights or obligations of the Borrower, the Material Subsidiaries or the Lenders. The form of any amendment to this Agreement or any of the Security documents made in accordance with the provisions of this Article 16 shall be satisfactory to the Administrative Agent.

16.5 Binding Effects upon Lenders

Any extension, indulgence, amendment or waiver granted or made in accordance with the provisions of this Article 16 shall be binding upon all the Lenders.

16.6 Failure to Act

No waiver and no failure or delay in the exercise of any right or remedy shall preclude the further exercise of any of the rights and remedies of the Administrative Agent and the Lenders hereunder. In addition no such failure or delay shall be construed as a waiver of any of the provisions of this Agreement or the Security.

ARTICLE 17 ASSIGNMENTS AND PARTICIPATIONS

17.1 Assignments

- (a) Each Lender may assign, in whole or in part, its rights and obligations in respect of the Credit Facility to any Eligible Assignee subject to the terms of this Article 17. Any assignment must be approved by the Administrative Agent (such approval not to be unreasonably withheld or delayed) unless the proposed assignee is already an existing Lender; provided, however, if the assignment is made prior to the occurrence of an Event of Default and there is no continuing Default, the Borrower will not be under any obligation to pay by way of withholding tax or otherwise any greater amount than it would have been obligated to pay if such Lender had not made such assignment. Any assignment must be approved by the Borrower (such approval not to be unreasonably withheld or delayed) unless the proposed assignee is already an existing Lender (or an affiliate of an existing Lender); provided, however: (i) if the assignment to an existing Lender or such affiliate is made prior to the occurrence of an Event of Default and there is no continuing Default, the Borrower will not be under any obligation to pay by way of withholding tax or otherwise any greater amount than it would have been obligated to pay if such Lender had not made such assignment) and (ii) the approval of the Borrower shall not be required if the assignment is on or after a Default has occurred and is continuing or after the occurrence of an Event of Default. Any assignment of a Lender's Commitment and such Lender's Proportion of any Borrowings under the Revolving Facilities shall require a corresponding assignment, on a *pro rata* basis, of its other Commitment and its Lender's Proportion of the Borrowings outstanding under the Non-Revolving Facility, and vice-versa. Any such Assignment shall be in a form acceptable to the Administrative Agent.
- (b) Except after a Default has occurred and is continuing or after the occurrence of an Event of Default or in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Borrowings, the aggregate amount of the Commitment being assigned (which for this purpose includes Borrowings outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Borrowings being assigned, shall not be less than \$5,000,000 and thereafter shall be in multiples of \$1,000,000, unless consented to by the Administrative Agent (such approval not to be unreasonably withheld or delayed). The Operating Lender may only assign all of its Commitment and Borrowings under the Operating Facility and any such assignment shall be to one Eligible Assignee only; provided, however, if the assignment is made prior to the occurrence of an Event of Default and there is no continuing Default, the Borrower will not be under any obligation to pay by way of withholding tax or otherwise any greater amount than it would have been

obligated to pay if the Operating Lender had not made such assignment. If the Operating Lender assigns all of its Commitment under the Production Facility and the Non-Revolving Facility, it shall also assign all of its Commitment under the Operating Facility.

- (c) Any Eligible Assignee becoming an assignee of the whole or part of the rights of a Lender and of its obligations towards the Borrower in accordance with Section 17.1(a) shall become a Lender hereunder and this Agreement and the Commitments of the assignor shall be amended automatically.
- (d) A Lender which, in accordance with Section 17.1(a), assigns all or any part of its rights or obligations hereunder, shall pay to the Administrative Agent on demand an assignment fee of \$5,000 together with all expenses, including but not limited to legal fees, incurred by the Administrative Agent in connection with such transfer. For greater certainty, the assignment fee, expenses and legal fees, if any, are not to be paid by the Borrower. If as a result of such transfer, the Administrative Agent incurs any increased costs or additional expenses in connection with the performance of its duties hereunder, the assignee shall, upon demand, from time to time pay to the Administrative Agent such amount as shall compensate the Administrative Agent for any such reasonable increased costs or additional expenses (and the certificate of the Administrative Agent specifying the amount of such compensation shall be conclusive in the absence of manifest error).

17.2 Participations

Any Lender may grant a participation of all or any part of its Commitment hereunder to another financial institution, provided that any such participation does not give rise to a claim for increased costs pursuant to Article 7, Article 9 or Section 18.8 and provided further that the Obligations hereunder shall not be augmented or affected in any way by such participation. Such participant shall not be entitled to any vote as a Lender. The Borrower shall not be obligated to deal with any participant and shall be entitled to deal solely with the Lender and the Lender shall not be released from any of its obligations to the Borrower as a result of such participation except to the extent that the participant has fulfilled such obligations. The assigning Lender shall be responsible for obtaining, at the time of any such assignment, from any such participants an agreement to be bound to the same confidentiality provisions with respect to the Credit Facility, the Borrower and its Subsidiaries as are applicable to the Lenders.

17.3 Confidentiality

- (a) The Borrower agrees that the Administrative Agent and each Lender may provide any assignee or participant or any bona fide prospective assignee or participant pursuant to Sections 17.1 or 17.2 with any information concerning the financial condition of the Borrower and its Subsidiaries provided such party agrees in writing with the Administrative Agent or such Lender for the benefit of the Borrower to be bound by a like duty of confidentiality to that contained in this Section.
- (b) Each of the Administrative Agent and the Lenders acknowledges the confidential nature of the financial, operational and other information and data provided and to be provided to them by the Borrower pursuant hereto (the "Information") and

agrees to use all reasonable efforts to prevent the disclosure thereof provided, however, that:

- (i) the Administrative Agent and the Lenders may disclose all or any part of the Information if, in their reasonable opinion, such disclosure is required in connection with any actual or threatened judicial, administrative or governmental proceedings including, without limitation, proceedings initiated under or in respect of this Agreement;
- (ii) the Administrative Agent and the Lenders shall incur no liability in respect of any Information required to be disclosed by any applicable law or regulation, or by applicable order, policy or directive having the force of law, to the extent of such requirement;
- (iii) the Administrative Agent and the Lenders may provide Lenders' Counsel and their other agents and professional advisors with any Information; provided that such Persons shall be under a like duty of confidentiality to that contained in this Section;
- (iv) the Administrative Agent and each of the Lenders shall incur no liability in respect of any Information: (i) which is or becomes readily available to the public (other than by a breach hereof) or which has been made readily available to the public by the Borrower or its Subsidiaries, (ii) which the Administrative Agent or the relevant Lender can show was, prior to receipt thereof from Borrower, lawfully in the Administrative Agent's or Lender's possession and not then subject to any obligation on its part to Borrower to maintain confidentiality, or (iii) which the Administrative Agent or the relevant Lender received from a third party who was not, to the knowledge of the Administrative Agent or such Lender, under a duty of confidentiality to the Borrower at the time the Information was so received;
- (v) the Administrative Agent and the Lenders may disclose the Information to other financial institutions in connection with the syndication by the Administrative Agent or Lenders of the Credit Facility or the granting by a Lender of a participation in the Credit Facility where such financial institution agrees to be under a like duty of confidentiality to that contained in this Section; and
- (vi) the Administrative Agent and the Lenders may disclose all or any part of the Information so as to enable the Administrative Agent and the Lenders to initiate any lawsuit against the Borrower or to defend any lawsuit commenced by the Borrower, the issues of which touch on the Information, but only to the extent such disclosure is necessary to the initiation or defence of such lawsuit.

**ARTICLE 18
MISCELLANEOUS**

18.1 Books and Accounts

The Administrative Agent shall keep books and accounts evidencing the indebtedness of the Borrower under the Credit Facility and the transactions made in respect thereof pursuant to this Agreement. Such books and accounts shall, in the absence of manifest error, constitute prima facie evidence of the accuracy of that indebtedness and those transactions. The Borrower acknowledges that the actual recording of the amount of any Borrowing or repayment thereof under this Agreement, and interest, fees, and other amounts due in connection with this Agreement, in the accounts of the Borrower maintained by the Administrative Agent shall constitute prima facie evidence of the Borrower's indebtedness and liability from time to time under this Agreement; provided that the obligation of the Borrower to pay or repay any indebtedness and liability in accordance with this Agreement shall not be affected by the failure of the Administrative Agent to make such recording.

18.2 Determination

In the absence of manifest error, any quantitative determination made by the Administrative Agent in accordance with this Agreement shall be final and binding upon the Borrower and the Lenders.

18.3 Notes

The Borrowings may, but need not be, evidenced by notes or other instruments of indebtedness that the Borrower undertakes to execute upon request from the Administrative Agent. Payment of those notes and instruments may only be demanded in accordance with the provisions of this Agreement.

18.4 Oral Notices or Instructions

If the Borrower or any of its administration agents or employees makes an oral request or gives an oral notice to the Administrative Agent, the Administrative Agent shall be entitled to rely upon such oral instructions. The Administrative Agent shall not incur any liability to the Borrower or to the Lenders in acting upon oral instructions which the Administrative Agent believes in good faith to have been given by a Person authorized by the Borrower to give such instructions or to effect any applicable transaction. In the event of a discrepancy between oral instructions and any written confirmation in respect thereof, or in the absence of receiving confirmation, the oral instructions as communicated to the Administrative Agent shall be deemed to be the controlling instructions.

18.5 Compensation

Each Lender is authorized (but not obligated) at any time or from time to time on or after the occurrence of an Event of Default, without notice to the Borrower to compensate and to apply any and all deposits held for or in the name of the Borrower or any Material Subsidiaries and any indebtedness at any time owing or payable by such Lender to or for the credit of or the account of the Borrower or any Material Subsidiary and on account of the obligations of the Borrower owing or payable to such Lender under this Agreement, irrespective of currency and of whether or not such Lender has made any demand under this Agreement and whether or not

these obligations of the Borrower or Material Subsidiary have matured. The provisions of this Section 18.5 shall not restrict such rights as the Lenders may be entitled to without relying upon the provisions of this Section 18.5.

18.6 Irregular Notice of Utilization, Conversion, Renewal or Repayment

The Administrative Agent may consider of no effect any Drawdown Notice, Conversion Notice, Rollover Notice or Repayment Notice if such Drawdown Notice, Conversion Notice, Rollover Notice or Repayment Notice is not in compliance with the provisions of this Agreement.

18.7 Costs and Expenses

The Borrower shall pay, within 10 days after notice from the Administrative Agent all reasonable out-of-pocket costs and expenses of the Lenders, the Administrative Agent and National Bank Financial Inc. in connection with the Documents and the Credit Facility, including in connection with preparation, printing, execution and delivery of this Agreement and the other Documents whether or not any Drawdown has been made hereunder, and also including the reasonable fees and out-of-pocket costs and expenses of Lenders' Counsel (on a solicitor-client full indemnity basis) with respect thereto and with respect to advising the Administrative Agent and the Lenders as to their rights and responsibilities under this Agreement and the other Documents. Except for ordinary expenses of the Lenders and the Administrative Agent relating to the day to day administration of this Agreement, the Borrower further agrees to pay within 10 days of demand by the Administrative Agent all reasonable out-of-pocket costs and expenses in connection with the preparation or review of waivers, consents and amendments pertaining to this Agreement, and in connection with the establishment of the validity and enforceability of this Agreement and the preservation or enforcement of rights of the Lenders and the Administrative Agent under this Agreement and other Documents, including all out-of-pocket costs and expenses sustained by the Lenders and the Administrative Agent as a result of any failure by the Borrower or any other Loan Party to perform or observe any of its obligations hereunder or in connection with any action, suit or proceeding relating thereto (whether or not any of the Administrative Agent or a Lenders, including a receiver, receiver manager or similar person appointed under applicable law on any of their behalf, or any of their respective shareholders, Affiliates, officers, directors, employees and agents is a party or subject thereto), together with interest thereon from and after such 10th day if such payment is not made by such time.

18.8 Indemnification

- (a) The Borrower shall pay to any Lender the amount of all losses suffered by the latter and resulting from Libor Loans and Acceptances having been converted or repaid before the maturity dates of their respective periods except by reason of an assignment made by such Lender. The affected Lender may send to the Borrower a statement indicating the amount of any such loss suffered by it and its method of calculation; in the absence of manifest error, this statement shall be conclusive evidence of the amount of such loss and the Borrower shall pay forthwith this amount to the affected Lender.
- (b) The Borrower permits the Administrative Agent, with the approval of the Borrower, which approval is not to be unreasonably withheld, to conduct inspections and appraisals of all or any of its records, business and assets at any time and from time during normal business hours, after appropriate notice to the Borrower to ensure compliance with Environmental Laws and to appoint experts

or consultants to make any such inspection and appraisal and prepare reports on same. Any costs and expenses reasonably incurred by the Administrative Agent as a result of the foregoing shall be reimbursed by the Borrower on demand. If the Administrative Agent is required to expend any funds in compliance with applicable Environmental Laws or court order in respect thereof or in connection with any recourse for damages, the Borrower shall indemnify the Administrative Agent in respect of such expenditures.

- (c) The Borrower shall, to the extent permitted by applicable laws, be liable for and, in addition, indemnify the Lenders, Hedging Affiliates, Cash Managers and the Administrative Agent, and their respective directors, officers, affiliates, employees, and administration agents and shall hold each of them harmless from and against any and all losses, liabilities, damages, costs, penalties, fines, expenses and claims (including reasonable fees, charges and disbursements of counsel on a solicitor and own client basis), including those arising from any litigation or other proceedings, which at any time or from time to time may be paid or incurred by, or asserted against, any of them for, with respect to or as a direct or indirect result of (i) any environmental activity by the Borrower or Material Subsidiaries; or (ii) any failure on the part of the Borrower or Material Subsidiaries to comply with any Environmental Laws, (iii) any misrepresentation, breach of warranty or breach of covenant on the part of the Borrower or Material Subsidiaries with respect to environmental matters, and (iv) any Environmental Claims in respect of the Borrower or any Material Subsidiary or any of their assets.
- (d) The Borrower shall be liable for and, in addition, shall indemnify the Lenders, Hedging Affiliates, Cash Managers and the Administrative Agent and their respective directors, officers, affiliates, employees and administrative agents and hold each of them harmless from and against, any and all losses, liabilities, damages, costs, penalties, fines, expenses and claims (including reasonable fees, charges and disbursements of counsel on a solicitor and own client basis), including those arising from any litigation or other proceedings, which at any time or from time to time may be paid or incurred by, or asserted against, any of them, relating to or arising out of the creation, administration or enforcement of the Credit Facility, this Agreement, the Cash Management Documents and the Documents or any transactions contemplated by the Documents (including those arising from their own negligence) provided that no Person indemnified under this Section 18.8(d) shall be indemnified for its own gross negligence or wilful misconduct, in each case as determined by a court of competent jurisdiction in a final, non-appealable judgment. This indemnity shall not apply to any litigation or other proceedings relating to or arising out of the transactions contemplated by this Agreement if the litigation or proceedings are in respect of matters between the Lenders and/or the Administrative Agent.
- (e) The provisions, undertakings and indemnification set out in this Section 18.8 shall survive the satisfaction and release of the Security and payment and satisfaction of the indebtedness and liability of the Borrower to the Administrative Agent, the Lenders, Hedging Affiliates and the Cash Managers for the benefit of the Administrative Agent, the Lenders, Hedging Affiliates and the Cash Managers.

18.9 Severability

If any provision of this Agreement is determined to be void, voidable, illegal or unenforceable, in whole or in part, all other provisions of this Agreement shall nevertheless remain in full force and effect, and all provisions hereof are hereby declared and shall be deemed, unless otherwise expressly provided, to be separate, severable and distinct.

18.10 Time is of the Essence

Time shall be of the essence in this Agreement and in the Documents.

18.11 No Accounts other than with the Administrative Agent; Authority to Debit and Credit

- (1) The Borrower will not, and will not permit any of its Subsidiaries to: (a) establish or maintain any operating accounts, deposit accounts or other bank accounts or any securities or other investment accounts, in each case, with any financial institution except the Administrative Agent (provided the Administrative Agent will offer such accounts and other products and services on commercially competitive terms). The Borrower and its Subsidiaries will conduct all of their banking and securities, as the case may be, activities through such aforementioned accounts.
- (2) The Administrative Agent is irrevocably authorized, but is not obligated, to effect: (i) all deposits and credits to the Borrower's Canadian Dollar Account and US Dollar Account in order to accommodate the Lenders in making Advances under the Credit Facility; and (ii) all debits to the Canadian Dollar Account and US Dollar Account for payments of principal, interest, fees and other amounts to be made by the Borrower and Material Subsidiaries to the Administrative Agent, Hedging Affiliates, the Lenders and the Cash Managers pursuant to this Agreement.

18.12 Further Assurances

Without further consideration, the Borrower and Material Subsidiaries shall from time to time, and at all times, execute, acknowledge and deliver such other documents and shall take such other action as may be necessary in order to fully perform and carry out the terms of this Agreement and the Documents.

18.13 Enurement and Assignment

This Agreement shall be binding upon and shall enure to the benefit of the parties hereto (including the Hedging Affiliates and, for certainty, the Cash Managers) and their respective successors and assigns provided that a Lender may not assign its interest except pursuant to the provisions of this Agreement and neither the Borrower nor any Material Subsidiary may assign any interest or liability without the prior written consent of all of the Lenders.

18.14 Whole Agreement; Amendment and Restatement

- (1) This Agreement and the other Documents constitute the whole and entire agreement between the parties hereto, and cancels and supersedes any prior agreements, undertakings, declarations, representations and warranties, written or verbal between

the parties hereto in respect of the subject matter of this Agreement and the other Documents.

- (2) On the date on which all of the conditions set forth in Section 6.1 have been satisfied (or waived in writing by all of the Lenders in accordance with Section 6.4):
 - (a) the Previous Credit Agreement shall be and is hereby amended and restated in the form of this Agreement; and
 - (b) all Borrowings (as that term is defined in the Previous Credit Agreement) and other amounts outstanding under the Previous Credit Agreement prior to the date hereof shall continue to be outstanding under this Agreement and shall be deemed to be Borrowings and other Obligations owing by the Borrower to the Lenders under this Agreement.
- (3) Notwithstanding the foregoing or any other term hereof, all of the covenants, representations and warranties on the part of the Borrower under the Previous Credit Agreement and all of the claims and causes of action arising against the Borrower in connection therewith, in respect of all matters, events, circumstances and obligations arising or existing prior to the date hereof shall continue, survive and shall not be merged in the execution of this Agreement or any other Documents or any advance or provision of any Borrowings hereunder.
- (4) References herein to the "date hereof" or similar expressions shall be and shall be deemed to be to the date of the execution and delivery hereof, being January 15, 2016.

18.15 Waiver of Jury Trial

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

18.16 Waiver of Consequential Damages

To the extent permitted by applicable law, no Loan Party shall assert, and each Loan Party hereby waives, any claim against each Lender, the Administrative Agent and their respective affiliates, directors, employees, attorneys, agents or sub-agents, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Borrowing or the use of the

proceeds thereof or any act or omission or event occurring in connection therewith, and Borrower hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favour.

18.17 No Fiduciary Duty

The Administrative Agent, each Lender and their affiliates (collectively, solely for purposes of this Section 18.17, the "**Lenders**"), may have economic interests that conflict with those of the Loan Parties, their shareholders and/or their affiliates. Each Loan Party agrees that nothing in the Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Loan Party, its shareholders or its affiliates, on the other. The Loan Parties acknowledge and agree that (i) the transactions contemplated by the Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Loan Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Loan Party, its shareholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Loan Party, its shareholders or its affiliates on other matters) or any other obligation to any Loan Party except the obligations expressly set forth in the Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Loan Party, its management, shareholders, creditors or any other Person. Each Loan Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Loan Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Loan Party, in connection with such transaction or the process leading thereto.

20.1 Legislation

- (a) The Borrower acknowledges that, pursuant to the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and "know your client" laws, whether within Canada or elsewhere (collectively, including any guidelines or orders thereunder, ("AML Legislation")), the Administrative Agent and the Lenders may be required to obtain, verify and record information

regarding the Borrower, its directors, authorized signing officers, direct or indirect shareholders, partners or other persons in control of the Borrower, the Material Subsidiaries and the transactions contemplated hereby. The Borrower shall promptly provide all such information, including any supporting documentation and other evidence, as may be requested by the Administrative Agent or any Lender, or any prospective assignee or participant of a Lender or the Administrative Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence. The Borrower shall also provide the Administrative Agent with prompt written notice of any change in key officers or directors after the date of this Agreement.

- (b) If the Administrative Agent has ascertained the identity of the Borrower or any Material Subsidiary, or any authorized signatories of the Borrower or any Material Subsidiary, for the purposes of applicable AML Legislation, then the Administrative Agent shall:
- (i) be deemed to have done so as an agent for each Lender, and this Agreement shall constitute a "written agreement" in such regard between each Lender and the Administrative Agent within the meaning of applicable AML Legislation; and
 - (ii) provide each Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the preceding sentence and except as may otherwise be agreed in writing, each of the Lenders agrees that the Administrative Agent has no obligation to ascertain the identity of the Borrower or any Material Subsidiary, or any authorized signatories of the Borrower or any Material Subsidiary, on behalf of any Lender or to confirm the completeness or accuracy of any information that the Administrative Agent obtains from the Borrower or any Material Subsidiary, or any such authorized signatory, in doing so.
