**Grounds for Making the Application:**

**A. Sales Process**

- (a) On March 23, 2020, the Receiver was appointed the receiver and manager over all of the current and future assets, undertakings and properties of every nature and kind whatsoever, and wherever situate, including all proceeds thereof of the Debtors by Order of the Alberta Court of Queen's Bench (the "**Receivership Order**").
- (b) Prior to the appointment of the Receiver, Century was engaged to conduct appraisals of certain assets of the Debtors.
- (c) Following its appointment, Century visited all the Debtors' locations to complete their appraisal of all the assets of the Debtors.
- (d) After reviewing the operations and assessing the state of the business the Receiver, in consultation with the Plaintiff in this Action, Sandton Credit Solutions Master Fund IV, LP ("**Sandton**"), determined the approach to optimize recoveries to the estate would be a combination of: (i) piecemeal/*en-bloc* asset sales; and (ii) packaging up certain profitable business lines (Access Valve and Calmar) for sale as going concerns.
- (e) On April 9, 2020, the Receiver posted a non-disclosure agreement along with a Confidential Information Memorandum for Access Valve ("**AV CIM**") to the Receiver's website as well as distributed it directly via email to all parties that had previously expressed interest in Access Valve Ltd.
- (f) On April 22, 2020, the Receiver engaged West Grove Capital Advisors ("**West Grove**") to act as sales advisors for the assets of the Debtors.

- (g) Beginning on April 22, 2020, West Grove began contacting interested parties and by May 1, 2020, had contacted 23 interested parties and 6 auction houses.
- (h) Also on April 22, 2020, the Receiver set up a data room for interested parties to access and view asset listings.
- (i) Interested parties and auction houses were asked to submit offers by no later than May 8, 2020 and May 15, 2020, respectively. Ultimately, 11 letters of interest (“**LOI**”) were received and 4 bids from auction houses.
- (j) In consultation with West Grove, the Receiver concluded that the combination of the 226 AB SPA, 112 AB APA, Chadco APA, and the Auction Agreement resulted in the maximum value to the estate.
- (k) the Receiver undertook various marketing efforts, as set out in the First Report and Confidential Supplement, and contacted various known interested parties advising of the assets availability for purchase.
- (l) The Receiver is of the view that the assets of the Debtors have been exposed for sale to the market for a significant amount of time and that the contemplated transactions represents the highest realization value to stakeholders which is available in the circumstances.

**B. Sealing of Confidential Supplement**

- (m) The Confidential Supplement contains confidential information with respect to the purchase prices. The Confidential Supplement thus contains commercially sensitive information and documentation.
- (n) There will be a negative impact and significant potential prejudice to stakeholders in the event such confidential information and documentation were disclosed to the public and the transactions contemplated by the purchase agreements which are the subject of the within Application were to not close and the sales process regarding the sale of the Debtors’ assets were resumed.

**C. Approval of Activities of the Receiver to Date**

- (o) All of the actions of the Receiver and its legal counsel in the course of the administration of the receivership of the Debtors are reasonable and appropriate in the circumstances.
- (p) Such further and other grounds as counsel may advise and this Honourable Court may permit.

**Material or Evidence To Be Relied Upon:**

- (a) The First Report of the Receiver dated June 18, 2020;
- (b) The Confidential Supplement Report to the First Report of the Receiver dated June 18, 2020;
- (c) The Receivership Order granted by on March 23, 2020;
- (d) All pleadings, affidavits and other materials filed in this action;
- (e) The inherent jurisdiction of this Honourable Court to control its own process; and
- (f) Such further and other material as counsel may advise and this Honourable Court may permit.

**Applicable Rules:**

- (a) Rules 6.47 (a), (d), (e) and (f), 11.27 and 13.5 of the Alberta *Rules of Court*.

**Applicable Acts and Regulations:**

- (a) The *Bankruptcy and Insolvency Act*, R.S.C. 1985 c. B-3, as amended.

**How the Application is Proposed to be Heard or Considered:**

- (a) In person before the Honourable Justice C.M. Jones, in Chambers.

**WARNING TO THE RESPONDENT:**

If you do not come to Court either in person or by your lawyer, the Court may give the applicant(s) what they want in your absence. You will be bound by any order that the Court makes. - 5. Upon delivery of the Receiver's Closing Certificate, and upon filing of a certified copy of this Order, together with any applicable registration fees, all governmental authorities including those referred to below in this paragraph (collectively, "**Governmental Authorities**") are hereby authorized, requested and directed to accept delivery of such Receiver's Closing Certificate and certified copy of this Order as though they were originals and to register such transfers, interest authorizations, discharges and discharge statements of conveyance as may be required to convey to the Purchaser (or its nominee) clear title to the Purchased Assets subject only to Permitted Encumbrances. Without limiting the foregoing:
  - (a) the Registrar of the Alberta Personal Property Registry (the "**PPR Registrar**") shall and is hereby directed to forthwith cancel and discharge any registrations at

the Alberta Personal Property Registry (whether made before or after the date of this Order) claiming security interests (other than Permitted Encumbrances) in the estate or interest of the Debtor in any of the Purchased Assets which are of a kind prescribed by applicable regulations as serial-number goods.

6. In order to effect the transfers and discharges described above, this Court directs each of the Governmental Authorities to take such steps as are necessary to give effect to the terms of this Order and the Purchase Agreement. Presentment of this Order and the Receiver's Closing Certificate shall be the sole and sufficient authority for the Governmental Authorities to make and register transfers of title or interest and cancel and discharge registrations against any of the Purchased Assets of any Claims including Encumbrances but excluding Permitted Encumbrances.
7. No authorization, approval or other action by and no notice to or filing with any governmental authority or regulatory body exercising jurisdiction over the Purchased Assets is required for the due execution, delivery and performance by the Receiver of the Purchase Agreement.
8. Upon delivery of the Receiver's Closing Certificate together with a certified copy of this Order, this Order shall be immediately registered by the Land Titles Registrar notwithstanding the requirements of section 191(1) of the *Land Titles Act*, RSA 2000, c.L-7 and notwithstanding that the appeal period in respect of this Order has not elapsed. The Land Titles Registrar is hereby directed to accept all Affidavits of Corporate Signing Authority submitted by the Receiver in its capacity as Receiver of the Debtor and not in its personal capacity.
9. For the purposes of determining the nature and priority of Claims, net proceeds from sale of the Purchased Assets (to be held in an interest bearing trust account by the Receiver) shall stand in the place and stead of the Purchased Assets from and after delivery of the Receiver's Closing Certificate and all Claims including Encumbrances (but excluding Permitted Encumbrances) shall not attach to, encumber or otherwise form a charge, security interest, lien, or other Claim against the Purchased Assets and may be asserted against the net proceeds from sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control

of the person having that possession or control immediately prior to the sale. Unless otherwise ordered (whether before or after the date of this Order), the Receiver shall not make any distributions to creditors of net proceeds from sale of the Purchased Assets without further order of this Court, provided however the Receiver may apply any part of such net proceeds to repay any amounts the Receiver has borrowed for which it has issued a Receiver's Closing Certificate pursuant to the Receivership Order.

10. Except as expressly provided for in the Purchase Agreement or by section 5 of the Alberta *Employment Standards Code*, the Purchaser (or its nominee) shall not, by completion of the Transaction, have liability of any kind whatsoever in respect of any Claims against the Debtor.
11. Upon completion of the Transaction, the Debtor and all persons who claim by, through or under the Debtor in respect of the Purchased Assets, and all persons or entities having any Claims of any kind whatsoever in respect of the Purchased Assets, save and except for persons entitled to the benefit of the Permitted Encumbrances, shall stand absolutely and forever barred, estopped and foreclosed from and permanently enjoined from pursuing, asserting or claiming any and all right, title, estate, interest, royalty, rental, equity of redemption or other Claim whatsoever in respect of or to the Purchased Assets, and to the extent that any such persons or entities remain in the possession or control of any of the Purchased Assets, or any artifacts, certificates, instruments or other indicia of title representing or evidencing any right, title, estate, or interest in and to the Purchased Assets, they shall forthwith deliver possession thereof to the Purchaser (or its nominee).
12. The Purchaser (or its nominee) shall be entitled to enter into and upon, hold and enjoy the Purchased Assets for its own use and benefit without any interference of or by the Debtor, or any person claiming by, through or against the Debtor.
13. Immediately upon closing of the Transaction, holders of Permitted Encumbrances shall have no claim whatsoever against the Receiver.
14. The Receiver is directed to file with the Court a copy of the Receiver's Closing Certificate forthwith after delivery thereof to the Purchaser (or its nominee).

15. Pursuant to clause 7(3)(c) of the *Personal Information Protection and Electronic Documents Act* (Canada) and section 20(e) of the *Alberta Personal Information Protection Act*, the Receiver is authorized and permitted to disclose and transfer to the Purchaser (or its nominee) all human resources and payroll information in the Debtor's records pertaining to the Debtor's past and current employees. The Purchaser (or its nominee) shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use (of such information) to which the Debtor was entitled.

### **MISCELLANEOUS MATTERS**

16. Notwithstanding:
- (a) the pendency of these proceedings and any declaration of insolvency made herein;
  - (b) the pendency of any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c.B-3, as amended (the "**BIA**"), in respect of the Debtor, and any bankruptcy order issued pursuant to any such applications;
  - (c) any assignment in bankruptcy made in respect of the Debtor; and
  - (d) the provisions of any federal or provincial statute:

the vesting of the Purchased Assets in the Purchaser (or its nominee) pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of the Debtor and shall not be void or voidable by creditors of the Debtor, nor shall it constitute nor be deemed to be a transfer at undervalue, settlement, fraudulent preference, assignment, fraudulent conveyance, or other reviewable transaction under the BIA or any other applicable federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

17. The Receiver, the Purchaser (or its nominee) and any other interested party, shall be at liberty to apply for further advice, assistance and direction as may be necessary in order

to give full force and effect to the terms of this Order and to assist and aid the parties in closing the Transaction.

18. This Honourable Court hereby requests the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or in any of its provinces or territories or in any foreign jurisdiction, to act in aid of and to be complimentary to this Court in carrying out the terms of this Order, to give effect to this Order and to assist the Receiver and its agents in carrying out the terms of this Order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such order and to provide such assistance to the Receiver, as an officer of the Court, as may be necessary or desirable to give effect to this Order or to assist the Receiver and its agents in carrying out the terms of this Order.
19. Service of this Order shall be deemed good and sufficient by:
  - (a) Serving the same on:

    - (ii) any other person served with notice of the application for this Order;
    - (iii) any other parties attending or represented at the application for this Order;
    - (iv) the Purchaser or the Purchaser's solicitors; and
  - (b) Posting a copy of this Order on the Receiver's website at:  
<http://cfcanada.fticonsulting.com> and service on any other person is hereby dispensed with.
20. Service of this Order may be effected by facsimile, electronic mail, personal delivery or courier. Service is deemed to be effected the next business day following transmission or delivery of this Order.

**UPON THE APPLICATION** of FTI Consulting Inc., filed on June 18, 2020 (the "**Application**") in its capacity as the Court-appointed receiver (the "**Receiver**") of the current and future assets, undertakings, and properties of every nature and kind whatsoever, and wherever situate, including the proceeds thereof, of Accede Energy Services Ltd., Accede Fire & Safety Ltd., 1537723 Alberta Ltd. and Access Valve Ltd. (collectively, the "**Debtors**"), for an Order: (i) approving the sale transaction (the "**Transaction**") contemplated by an Asset Purchase Agreement dated June 25, 2020 (the "**Purchase Agreement**") between the Receiver

and Captive Rentals Ltd., or its nominee (the "**Purchaser**") and appended to the Confidential Addendum to the Receiver's First Report dated June 18, 2020 (the "**Confidential Addendum**"); and (ii) vesting in the Purchaser (or its nominee) Debtors' right, title and interest in and to the assets described in the Purchase Agreement (the "**Purchased Assets**"); **AND UPON HAVING READ** the Application, the Receivership Order granted by the on March 23, 2020 (the "**Receivership Order**"), the Receiver's First Report, the Confidential Addendum, and the Affidavit of Service; **AND UPON IT** appearing that all interested and affected parties have been served with notice of the Application; **AND UPON HEARING** the submissions of counsel for the Receiver and all other interested parties present;

**IT IS HEREBY ORDERED AND DECLARED THAT:**

**SERVICE**

1. Service of notice of the Application and supporting materials is hereby declared to be good and sufficient, no other person is required to have been served with notice of the Application, and time for service of the Application is abridged to that actually given.

**APPROVAL OF TRANSACTION**

2. The Transaction is hereby approved and execution of the Purchase Agreement by the Receiver is hereby authorized and approved, with such minor amendments as the Receiver may deem necessary. The Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for completion of the Transaction and conveyance of the Purchased Assets to the Purchaser or its nominee (as that term is defined in the Purchase Agreement).

**VESTING OF PROPERTY**

3. Upon delivery of a Receiver's certificate to the Purchaser (or its nominee) substantially in the form set out in **Schedule "A"** hereto (the "**Receiver's Closing Certificate**"), all of the Debtors' right, title and interest in and to the Purchased Assets as listed in **Schedule "B"** hereto, as described in the Purchase Agreement, shall vest absolutely in the name of the Purchaser (or its nominee), free and clear of and from any and all caveats, security interests, hypothecs, pledges, mortgages, liens, trusts or deemed trusts, reservations of ownership, royalties, options, rights of pre-emption, privileges, interests,

assignments, actions, judgements, executions, levies, taxes, writs of enforcement, charges, or other claims, whether contractual, statutory, financial, monetary or otherwise, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, "**Claims**") including, without limiting the generality of the foregoing:

- (a) any encumbrances or charges created by the Receivership Order;
- (b) any charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Alberta) or any other personal property registry system;
- (c) those Claims listed in **Schedule "C"** hereto (all of which are collectively referred to as the "**Encumbrances**", which term shall not include the permitted encumbrances, caveats, interests, easements, and restrictive covenants listed in **Schedule "D"** (collectively, "**Permitted Encumbrances**"))

and for greater certainty, this Court orders that all Claims including Encumbrances other than Permitted Encumbrances, affecting or relating to the Purchased Assets are hereby expunged, discharged and terminated as against the Purchased Assets.

- 4. The Transaction is hereby approved and ratified and it is hereby declared that the Transaction is commercially reasonable.
- 5. Upon delivery of the Receiver's Closing Certificate, and upon filing of a certified copy of this Order, together with any applicable registration fees, all governmental authorities including those referred to below in this paragraph (collectively, "**Governmental Authorities**") are hereby authorized, requested and directed to accept delivery of such Receiver's Closing Certificate and certified copy of this Order as though they were originals and to register such transfers, interest authorizations, discharges and discharge statements of conveyance as may be required to convey to the Purchaser (or its nominee) clear title to the Purchased Assets subject only to Permitted Encumbrances. Without limiting the foregoing:
  - (a) the Registrar of the Alberta Personal Property Registry (the "**PPR Registrar**") shall and is hereby directed to forthwith cancel and discharge any registrations at

the Alberta Personal Property Registry (whether made before or after the date of this Order) claiming security interests (other than Permitted Encumbrances) in the estate or interest of the Debtor in any of the Purchased Assets which are of a kind prescribed by applicable regulations as serial-number goods.

6. In order to effect the transfers and discharges described above, this Court directs each of the Governmental Authorities to take such steps as are necessary to give effect to the terms of this Order and the Purchase Agreement. Presentment of this Order and the Receiver's Closing Certificate shall be the sole and sufficient authority for the Governmental Authorities to make and register transfers of title or interest and cancel and discharge registrations against any of the Purchased Assets of any Claims including Encumbrances but excluding Permitted Encumbrances.
7. No authorization, approval or other action by and no notice to or filing with any governmental authority or regulatory body exercising jurisdiction over the Purchased Assets is required for the due execution, delivery and performance by the Receiver of the Purchase Agreement.
8. Upon delivery of the Receiver's Closing Certificate together with a certified copy of this Order, this Order shall be immediately registered by the Land Titles Registrar notwithstanding the requirements of section 191(1) of the *Land Titles Act*, RSA 2000, c.L-7 and notwithstanding that the appeal period in respect of this Order has not elapsed. The Land Titles Registrar is hereby directed to accept all Affidavits of Corporate Signing Authority submitted by the Receiver in its capacity as Receiver of the Debtor and not in its personal capacity.
9. For the purposes of determining the nature and priority of Claims, net proceeds from sale of the Purchased Assets (to be held in an interest bearing trust account by the Receiver) shall stand in the place and stead of the Purchased Assets from and after delivery of the Receiver's Closing Certificate and all Claims including Encumbrances (but excluding Permitted Encumbrances) shall not attach to, encumber or otherwise form a charge, security interest, lien, or other Claim against the Purchased Assets and may be asserted against the net proceeds from sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control

of the person having that possession or control immediately prior to the sale. Unless otherwise ordered (whether before or after the date of this Order), the Receiver shall not make any distributions to creditors of net proceeds from sale of the Purchased Assets without further order of this Court, provided however the Receiver may apply any part of such net proceeds to repay any amounts the Receiver has borrowed for which it has issued a Receiver's Closing Certificate pursuant to the Receivership Order.

10. Except as expressly provided for in the Purchase Agreement or by section 5 of the Alberta *Employment Standards Code*, the Purchaser (or its nominee) shall not, by completion of the Transaction, have liability of any kind whatsoever in respect of any Claims against the Debtor.
11. Upon completion of the Transaction, the Debtor and all persons who claim by, through or under the Debtor in respect of the Purchased Assets, and all persons or entities having any Claims of any kind whatsoever in respect of the Purchased Assets, save and except for persons entitled to the benefit of the Permitted Encumbrances, shall stand absolutely and forever barred, estopped and foreclosed from and permanently enjoined from pursuing, asserting or claiming any and all right, title, estate, interest, royalty, rental, equity of redemption or other Claim whatsoever in respect of or to the Purchased Assets, and to the extent that any such persons or entities remain in the possession or control of any of the Purchased Assets, or any artifacts, certificates, instruments or other indicia of title representing or evidencing any right, title, estate, or interest in and to the Purchased Assets, they shall forthwith deliver possession thereof to the Purchaser (or its nominee).
12. The Purchaser (or its nominee) shall be entitled to enter into and upon, hold and enjoy the Purchased Assets for its own use and benefit without any interference of or by the Debtor, or any person claiming by, through or against the Debtor.
13. Immediately upon closing of the Transaction, holders of Permitted Encumbrances shall have no claim whatsoever against the Receiver.
14. The Receiver is directed to file with the Court a copy of the Receiver's Closing Certificate forthwith after delivery thereof to the Purchaser (or its nominee).

15. Pursuant to clause 7(3)(c) of the *Personal Information Protection and Electronic Documents Act* (Canada) and section 20(e) of the *Alberta Personal Information Protection Act*, the Receiver is authorized and permitted to disclose and transfer to the Purchaser (or its nominee) all human resources and payroll information in the Debtor's records pertaining to the Debtor's past and current employees. The Purchaser (or its nominee) shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use (of such information) to which the Debtor was entitled.

### **MISCELLANEOUS MATTERS**

17. The Receiver, the Purchaser (or its nominee) and any other interested party, shall be at liberty to apply for further advice, assistance and direction as may be necessary in order

to give full force and effect to the terms of this Order and to assist and aid the parties in closing the Transaction.

and for greater certainty, this Court orders that all Claims including Encumbrances other than Permitted Encumbrances, affecting or relating to the Purchased Assets are hereby expunged, discharged and terminated as against the Purchased Assets.

5. The Auction Transactions are hereby approved and ratified and it is hereby declared that the Auction Transactions are commercially reasonable.
6. Upon the completion of all of the Auction Transactions to the satisfaction of the Receiver, the Receiver shall file a certificate substantially in the form attached hereto as Schedule "A" certifying that the Auction Transactions have closed (the "**Receiver's Closing Certificate**").
7. Upon delivery of the Receiver's Closing Certificate, and upon filing of a certified copy of this Order, together with any applicable registration fees, all governmental authorities including those referred to below in this paragraph (collectively, "**Governmental Authorities**") are hereby authorized, requested and directed to accept delivery of such

Receiver's Closing Certificate and certified copy of this Order as though they were originals and to register such transfers, interest authorizations, discharges and discharge statements of conveyance as may be required to convey to the Purchaser (or its nominee) clear title to the Purchased Assets subject only to Permitted Encumbrances. Without limiting the foregoing:

Unless otherwise ordered (whether before or after the date of this Order), the Receiver shall not make any distributions to creditors of net proceeds from sale of the Purchased Assets without further order of this Court, provided however the Receiver may apply any part of such net proceeds to repay any amounts the Receiver has borrowed for which it has issued a Receiver's Closing Certificate pursuant to the Receivership Order.

12. Except as expressly provided for in the Auction Agreement or by section 5 of the Alberta *Employment Standards Code*, the Purchaser (or its nominee) shall not, by completion of the Auction Transactions, have liability of any kind whatsoever in respect of any Claims against the Debtor.
13. Upon completion of the Auction Transactions, the Debtor and all persons who claim by, through or under the Debtor in respect of the Purchased Assets, and all persons or entities having any Claims of any kind whatsoever in respect of the Purchased Assets, save and except for persons entitled to the benefit of the Permitted Encumbrances, shall stand absolutely and forever barred, estopped and foreclosed from and permanently enjoined from pursuing, asserting or claiming any and all right, title, estate, interest, royalty, rental, equity of redemption or other Claim whatsoever in respect of or to the Purchased Assets, and to the extent that any such persons or entities remain in the possession or control of any of the Purchased Assets, or any artifacts, certificates, instruments or other indicia of title representing or evidencing any right, title, estate, or interest in and to the Purchased Assets, they shall forthwith deliver possession thereof to the Purchaser (or its nominee).
14. The Purchaser (or its nominee) shall be entitled to enter into and upon, hold and enjoy the Purchased Assets for its own use and benefit without any interference of or by the Debtor, or any person claiming by, through or against the Debtors.

15. Immediately upon closing of the Transaction, holders of Permitted Encumbrances shall have no claim whatsoever against the Receiver.
16. The Receiver is directed to file with the Court a copy of the Receiver's Closing Certificate forthwith after completion of all of the Auction Transactions to the satisfaction of the Receiver.
17. Pursuant to clause 7(3)(c) of the *Personal Information Protection and Electronic Documents Act* (Canada) and section 20(e) of the *Alberta Personal Information Protection Act*, the Receiver is authorized and permitted to disclose and transfer to the Purchaser (or its nominee) all human resources and payroll information in the Debtor's records pertaining to the Debtor's past and current employees. The Purchaser (or its nominee) shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use (of such information) to which the Debtor was entitled.
