1. Chair and Call to Order

Dustin Olver of FTI Consulting Canada Inc. introduced himself as a licensed insolvency trustee and that he would be acting as chair (the "**Trustee**" or the "**Chair**") of the Second Creditors' Meeting, and appointed Robert Kleebaum of the Trustee's office as Scrutineer, and Hassan Tariq of the Trustee's office as Secretary.

The Chair advised that this meeting (the "**Second Creditors' Meeting**") was with the respect to the Division 1 Proposal, (the "**Division 1 Proposal**" or the "**Proposal**") pursuant to the provisions of Part III Division 1 of the Bankruptcy and insolvency Act, RSC 1985, c-B-3 as amended. The Division 1 Proposal was presented by Avila Energy Corp ("**Avila**" or the "**Company**") to its creditors on February 28, 2025, and amended on March 21, 2025, April 17, 2025 and October 27, 2025.

As the Second Creditors' Meeting was held virtually, the Scrutineer confirmed the list of attendees. A total of 16 people attended the Second Creditors' Meeting. A copy of the attendance list is attached hereto as Schedule "A".

Quorum was met, and the Second Creditors' Meeting was called to order.

2. Tabling of Documents

The following documents were tabled and presented by the Chair and following the presenting of each document the floor was opened to questions:

- (a) Proposal as amended on October 27, 2025; and
- (b) Trustee's Report on the Proposal.

The tabled documents have been attached hereto as Schedules "B" and "C", respectively.

Chair provided an overview of the Trustee's analysis and views that the recoveries expected under the Division 1 Proposal are better for unsecured creditors than what is expected to be obtained in a liquidation proceeding.

Questions were fielded by the Chair relating to the timing of sanctioning, details of the Proposal and how Unaffected Creditors would be treated under the Proposal. A question was posed with respect to the treatment of the Alberta Utilities Commission's ("AUC") claim being treated as part of the unsecured creditor class and that AUC would be unable to accept shares as consideration for its claim under the Proposal. The Company responded that it is unwilling to amend the Proposal to accommodate AUC's position. The Chair advised that AUC retains the option to vote as it wishes with respect to the Proposal and if the Proposal passes, raise its concerns during the Court application for sanctioning of the Proposal.

The Chair introduced Donald Benson, the President of Avila, to provide an overview of the Company's current position, cash flow challenges leading up to the application, and potential for upside / future plans should the Proposal be accepted.

3. Discussion and Voting

Chair explained the voting process and that to pass the Proposal needed to be accepted by the requisite majority of creditors in both of the voting classes.

The Chair read the proposed resolution with respect to the Girouard Investment Class as follows:

BE IT RESOLVED THAT:

The Division 1 Proposal dated February 28, 2025, as amended on March 21, 2025, April 17, 2025 and October 27, 2025, filed under the *Bankruptcy and Insolvency Act* concerning, affecting and involving Avila Energy Corp. and the distributions contemplated therein is hereby accepted, approved, agreed to and authorized by the Girouard Investment Class. A copy of the Proposal will be attached to the minutes of the Second Creditors' Meeting dated November 14, 2025.

Notwithstanding this resolution, the Proposal must be sanctioned by the Court in order for the Proposal to be effective.

Chair asked that a proxyholder propose the Girouard Investment Class resolution.

Robert Kleebaum of the Trustee's office, as proxyholder of Vortex Production Services Ltd., proposed the resolution.

Garry Mihaichuk of creditor, Nordcon Canada Inc., seconded the resolution.

The Chair read the proposed resolution with respect to the Unsecured Creditor Class as follows:

The Proven Claim of Girouard Investments will be paid in full by the Debtor in the following manner:

- (a) on or before June 1, 2025 the Debtor shall pay \$30,000;
- (b) beginning July 1, 2025 and each month thereafter the Debtor shall pay to Girouard Investments 70% of the net income of the Debtor from the previous month to a maximum of \$30,000.00;
- (c) on or before December 31, 2025 the Debtor shall make a balloon payment of any outstanding amounts owing to Girouard Investments which has accrued between June 1, 2025 and December 2, 2025; and

- (d) on July 1, 2026, the Debtor shall make a payment in full and final satisfaction of being of any balance owing to Girouard Investments.

5.4 Crown Claims

Within six (6) months after the Implementation Date, the Debtor will pay in full to Her Majesty in Right of Canada or any province any amount of a kind that could be subject to a demand under the statutory provision referred to in Section 54(2.1) of the BIA that was outstanding on the Filing Date which has not been paid by the Implementation Date.

ARTICLE 6 IMPLEMENTATION

6.1 Issuance of New Shares to Unsecured Creditors

Upon the fulfillment, satisfaction or waiver of the conditions set out in Article 7.1 and within two (2) months of the Implementation Date, in full and final settlement of all Unsecured Claims, each Unsecured Creditor with a Proven Claim will receive such number of New Shares which is equal to the amount of their Proven Claim, divided by \$0.05 (being the deemed issue price per New Share), subject to CSE policies. For greater certainty, each Unsecured Creditor would receive 20,000 New Shares for every \$1,000 of its Proven Claim, subject to applicable statutory withholdings and all trading restrictions or such other requirements or conditions as set out by securities laws and the CSE.

6.2 Distribution of New Shares

The Debtor or the Proposal Trustee will instruct the Debtor's transfer agent to issue the New Shares to the Unsecured Creditors in accordance with and subject to CSE policies and other required regulatory approval. The New Shares may be uncertificated and issued to Unsecured Creditors by way of direct registration system (DRS) advices.

6.3 Resale Restriction on New Shares

Notwithstanding anything to the contrary herein, the New Shares shall be subject to a resale restriction for a period of 12 months from the date such New Shares are issued. The holders of the New Shares shall not trade, sell, pledge or otherwise transfer any New Shares until the expiry of the 12-month resale restriction. The direct registration system (DRS) advices or certificates representing the New Shares may contain a legend reflecting the foregoing.

6.4 No Fractional Shares

No fractional New Shares shall be issued under this Proposal, and any fractional share interests shall not entitle any Unsecured Creditor to any rights of a holder of New Shares. Any legal, equitable, contractual or any other rights or claims (whether actual or contingent, and whether or not previously asserted) of any Unsecured Creditor with respect to fractional New Shares pursuant to this Proposal shall be rounded down to the nearest whole number of New Shares without compensation therefor.

6.5 Minimum Increments

The New Shares issued pursuant to this Proposal shall each be issued in minimum increments of \$1.00, and the amount of New Shares that each Unsecured Creditor shall

be entitled to under this Proposal shall in each case be rounded down to the nearest multiple of \$1.00 without compensation therefor.

6.6 Multilateral Instrument 61-101

As the Debtor is a public company with its shares listed for trading on the CSE, the Debtor is subject to Multilateral Instrument 61-101 ("**MI 61-101**") governing, among other things, transactions between listed issuers and related parties of such issuers. In accordance with MI 61-101, the issuance of the New Shares by the Debtor would constitute a "related party transaction" for the purposes of MI 61-101 if any of the Unsecured Creditors receiving New Shares are insiders of the Debtor. In accordance with MI 61-101, absent an exemption, MI 61-101 would require the Debtor to receive a formal valuation of the subject matter and "majority of the minority" shareholder approval to proceed with the issuance of such New Shares to such insiders. The Debtor wishes to rely on the exemptions set forth in Section 5.5(f) of MI 61-101 (as it relates to formal valuations) and the exemption set out in 5.7(1)(d) of MI 61-101 (as it relates to shareholder approval), which exemptions provide that any issuance of shares to any "related party" will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 provided that the court is advised of the valuation and minority shareholder approval requirements set forth in MI 61-101 and does not otherwise mandate the necessity for a valuation or minority shareholder approval in accordance with MI 61-101.

ARTICLE 7 COMPLETION OF THE PROPOSAL

7.1 Conditions to Proposal Implementation

The implementation of the Proposal by the Debtor will be conditional upon the fulfilment or satisfaction of the following conditions:

- (a) The acceptance of the Proposal by the Affected Creditors of the Debtor in accordance with Article 4.7 hereof; and
- (b) The granting of an Approval Order by the Court in respect of the Debtor and the expiry of all appeal periods, provided that the Debtor may agree to waive the expiry of the appeal period in respect of the Approval Order.

7.2 Certificate of Full Performance

Upon distribution of all cash amounts, or New Shares contemplated by Article 5 of this Proposal, this Proposal shall have been fully performed and the Proposal Trustee shall issue the certificate referred to in section 65.3 of the BIA.

7.3 Discharge of Proposal Trustee

Upon the issuance of the certificate of full performance contemplated by Article 7.2 hereof, the Proposal Trustee shall have discharged its duties as Proposal Trustee, this Proposal shall be fully performed and the Proposal Trustee shall be discharged.

The Proposal Trustee is acting in its capacity as Proposal Trustee and not in its personal capacity and no officer, director, employee or agent of the Proposal Trustee shall incur any liabilities or obligations in connection with this Proposal or in respect of the business or obligations of the Debtor and will be exempt from any personal liability in fulfilling any

duties or exercising any powers conferred upon it by this Proposal unless such acts have been carried out in bad faith and constitute a willful misconduct or gross negligence.

7.4 Completion of the Proposal

The payment, compromise, extinguishment or other satisfaction of any Proven Claim under the Proposal will be binding upon each Affected Creditor, its heirs, executors, administrators, successors and assigns, for all purposes, and as and from the Implementation Date all Unsecured Claims against the Debtor shall be forever discharged and released, excepting only the obligations to make distributions in respect of such Proven Claims in the manner and to the extent provided for in this Proposal.

ARTICLE 8 PREFERENCES, TRANSFERS AT UNDER VALUE, ETC.

8.1 Section 95 - 101 of the BIA

In conformity with Section 101.1 of the BIA, Sections 95-101 of the BIA and any provincial statute related to preference, fraudulent conveyance, transfer at undervalue, or the like shall not apply to this Proposal.

ARTICLE 9 MISCELLANEOUS

9.1 Modification of Proposal

The Debtor may propose an alteration or modification to the Proposal prior to the vote taking place on the Proposal. After the Creditors' Meeting (and both prior to and subsequent to the issuance of the Approval Order) and subject to the consent of the Proposal Trustee, the Debtor may at any time and from time to time vary, amend, modify or supplement the Proposal if the Court determines that such variation, amendment, modification or supplement is of a minor, immaterial or technical nature or would not be materially prejudicial to the interest of any of the Creditors under the Proposal and is necessary in order to give effect to the substance of the Proposal or the Approval Order.

9.2 Consents, Waivers and Agreements

As at 12:01 a.m. on the Implementation Date, each Affected Creditor will be deemed:

provided that nothing herein will release the Debtor of its obligation to make the payments contemplated in this Proposal or to comply with any of its obligations thereunder.

9.3 Effect of Proposal Generally

As at 12:01 a.m. on the Implementation Date, the treatment of all Claims under the Proposal shall be final and binding on the Debtor and all Affected Creditors (along with their respective heirs, executors, administrators, legal personal representatives, successors and assigns) and the Proposal shall constitute (i) a full, final and absolute settlement of all rights of the holders of the Claims affected hereby; and (ii) an absolute release and discharge of all indebtedness, liabilities and obligations of the Debtor of or in respect of such Claims.

Appendix “A” – Amended October Proposal

INTRODUCTION

1. On September 20, 2024 (the "**Filing Date**"), Avila Energy Corporation ("**Avila**" or the "**Company**"), a public corporation listed on the Canadian Stock Exchange (CSE:VIK.CN) filed a Notice of Intention to Make a Proposal (the "**NOI**") pursuant to subsection 50.4(1) of the Bankruptcy and Insolvency Act (Canada) ("**BIA**").
2. FTI Consulting Canada Inc. ("**FTI**") consented to act as proposal trustee (the "**Proposal Trustee**") in the NOI proceedings of Avila (the "**Proposal Proceedings**").
3. On October 18, 2024, the Court of King's Bench of Alberta (the "**Court**"), granted an Order which, among other things, extended the stay of proceedings to December 2, 2024.
4. On November 27, 2024, the Court, granted an Order which extended the stay of proceedings to January 16, 2025.
5. On January 13, 2025, the Court, granted an Order which extended the stay of proceedings to March 2, 2025. This was the final extension of time allowable under Section 50.4(9) of the BIA for Avila to file a proposal.
6. On February 28, 2025, Avila lodged a proposal with the Proposal Trustee, a copy of which was filed with the Office of the Superintendent of Bankruptcy (the "**OSB**") and the same was sent to known creditors by ordinary mail. Subsequent to the filing of the proposal the Company made certain amendments and the amended proposal (the "**February Proposal**") which was presented and voted on at a meeting of creditors ("**Creditors' Meeting**") held on March 21, 2025.
7. At the Creditors' Meeting, the Secured Creditor Class resolution to approve the February Proposal passed by the requisite majority in number of votes and greater than 66 2/3% in value with votes of 100% and 100%, respectively. The Unsecured Creditor Class

resolution to Approve the February Proposal passed by the requisite majority in number of votes and greater than 66 2/3% in value with votes of 76.6% and 80.8%, respectively.

8. Subsequent to the Creditors' Meeting, the Company made the following additional amendments to the February Proposal prior to seeking sanctioning by the Court (the **"Amended February Proposal"**):
 - a. add the Canada Revenue Agency ("CRA") unsecured claim to the list of Unaffected Creditors;
 - b. Section 7.1(c) of the Proposal included a condition whereby the Cease Trade Order had to be lifted by April 11, 2025. Subsequent to the Creditors Meeting the Company advised the Proposal Trustee that it experienced issues accessing certain historical electronic accounting data and received additional questions from regulators which would result in delays in having the Cease Trade Order lifted. Accordingly, the Company did not meet this condition and requested that the Proposal be amended to extend the deadline to have the Cease Trade Order lifted from April 11, 2025 to June 30, 2025; and
 - c. Section 7.1(c) has also been amended to note that by September 30, 2024, the Company's shares shall have resumed trading and that by that date the Company will have the ability to issue the New Shares.
9. The Company made an application to the Court on April 28, 2025 (the **"April 28 Application"**) seeking an order (the **"Approval Order"**) sanctioning and approving the Amended February Proposal.
10. On April 28, 2025, the Court did not grant the Approval Order, stating that the amendments made to the February Proposal were material and the creditors need to be given an opportunity to re-vote considering the version of the proposal being sanctioned by the Court. Further the Court directed the Company to hold a second creditors meeting

(the “**Second Creditors’ Meeting**”) to provide the creditors this opportunity, however the Court did not provide a specific date as to when the Second Creditors’ Meeting needed to be held by.

11. Electronic copies of all materials filed by the Company in connection these proceedings and other statutory materials are available on the Proposal Trustee’s website at: <http://cfcanada.fticonsulting.com/avilaenergy/>.

PURPOSE

12. The purpose of this report is to provide Avila’s creditors with:
 - a. activities of the Company since the April 28 Application;
 - b. a summary of the changes from the Amended February Proposal to the version of the proposal (the “**Amended October Proposal**”) being presented at the Second Creditors’ Meeting to be held on Nov 14, 2025; and
 - c. the Proposal Trustee’s conclusions on the Amended October Proposal..

TERMS OF REFERENCE

13. In preparing this report (the “**Report**”), the Proposal Trustee has relied upon unaudited financial information, other information available to the Proposal Trustee and, where appropriate, the Company’s books and records and discussions with various parties (collectively, the “**Information**”).
14. Except as described in this report:
 - a. the Proposal Trustee has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would comply with

Generally Accepted Assurance Standards pursuant to the *Chartered Professional Accountants of Canada Handbook*;

- b. the Proposal Trustee has not examined or reviewed financial forecasts and projections referred to in this report in a manner that would comply with the procedures described in the *Chartered Professional Accountants of Canada Handbook*; and
 - c. future oriented financial information reported or relied on in preparing this report is based on assumptions regarding future events; actual results may vary from forecast and such variations may be material.
15. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian Dollars.
16. This Report should be read in conjunction with the Proposal Trustee’s report on the February Proposal dated March 20, 2025 (the “**Report on the February Proposal**”).

ACTIVITIES OF THE COMPANY

17. Subsequent to the April 28 Application, the Company has, among other things:
- a. had the cease trade order lifted effective July 21, 2025; and
 - b. continued to pursue the equity raise, although there has not been any definitive steps completed with respect to these efforts as of the date of this Report.

TERMS OF THE AMENDED OCTOBER PROPOSAL

18. The differences between the Amended February Proposal, as presented to the Court for sanctioning at the April 28 Application and the Amended October Proposal are summarized as follows:

- a. Removal of the following conditionals to proposal implementation: (i) the revocation of the Cease Trade Order and (ii) resumption of the trading of the common shares of the Company. The Proposal Trustee notes that the Cease Trade Order has now been lifted and the Company's shares have resumed trading on the Canadian Securities Exchange; and
- b. Addition of a deadline for the Company to issue new shares in full and final settlement of all unsecured claims to each unsecured creditor with a proven claim. This deadline was set to be within 2 months of the Implementation Date of the Amended October Proposal.

PROPOSAL TRUSTEE'S CONCLUSIONS

- 19. In the Report on the February Proposal, the Proposal Trustee provided the following conclusions with respect to the February Proposal:
 - a. The Proposal Trustee was not aware of any potential preferences or transfers at undervalue, all unsecured creditors are being treated equally as one class, therefore, no creditor is being preferred and the Proposal Trustee believes that it is reasonable and appropriate to include a provision that sections 95 to 101 of the BIA to not apply to the February Proposal; and
 - b. Based on the analysis completed by the Proposal Trustee, the potential realizable value of the Company's assets in a liquidation are well below the secured debt held by Marc Girouard Investments Inc. Accordingly, the Proposal represents a higher potential recovery than what the unsecured creditors would achieve in a bankruptcy liquidation. Additionally, the potential recovery to Marc Girouard Investments Inc would be higher than what would be realized in a bankruptcy liquidation sale.
- 20. The Proposal Trustee's full analysis and commentary in respect of the above conclusions can be found in the Report on the February Proposal.

21. In the view of the Proposal Trustee, the amendments to the proposal which have resulted in the Amended October Proposal being presented to the Company's creditors at the Second Creditors' Meeting do not materially change the prospects of recoveries for unsecured creditors nor do they change the Proposal Trustee's analysis and conclusions as described above and in the Report on the February Proposal.
22. Given the reasons outlined above and in the Report on the February Proposal, the Proposal Trustee views the Amended October Proposal submitted by the Company as reasonable based on the information made available to the Proposal Trustee. On this basis, the Proposal Trustee is supportive of the Amended October Proposal as it presents the possibility of a higher recovery compared to a bankruptcy liquidation sale. The ultimate decision will be based on the creditors who cast their votes, and it will be subject to the ratification of the Court.

All of which is respectfully submitted this 29th day of October 2025.

ARTICLE 6 IMPLEMENTATION

6.1 Issuance of New Shares to Unsecured Creditors

Upon the fulfillment, satisfaction or waiver of the conditions set out in Article 7.1 and within two (2) months of the Implementation Date, in full and final settlement of all Unsecured Claims, each Unsecured Creditor with a Proven Claim will receive such number of New Shares which is equal to the amount of their Proven Claim, divided by \$0.05 (being the deemed issue price per New Share), subject to CSE policies. For greater certainty, each Unsecured Creditor would receive 20,000 New Shares for every \$1,000 of its Proven Claim, subject to applicable statutory withholdings and all trading restrictions or such other requirements or conditions as set out by securities laws and the CSE.

6.2 Distribution of New Shares

The Debtor or the Proposal Trustee will instruct the Debtor's transfer agent to issue the New Shares to the Unsecured Creditors in accordance with and subject to CSE policies and other required regulatory approval. The New Shares may be uncertificated and issued to Unsecured Creditors by way of direct registration system (DRS) advices.

6.3 Resale Restriction on New Shares

Notwithstanding anything to the contrary herein, the New Shares shall be subject to a resale restriction for a period of 12 months from the date such New Shares are issued. The holders of the New Shares shall not trade, sell, pledge or otherwise transfer any New Shares until the expiry of the 12-month resale restriction. The direct registration system (DRS) advices or certificates representing the New Shares may contain a legend reflecting the foregoing.

6.4 No Fractional Shares

No fractional New Shares shall be issued under this Proposal, and any fractional share interests shall not entitle any Unsecured Creditor to any rights of a holder of New Shares. Any legal, equitable, contractual or any other rights or claims (whether actual or contingent, and whether or not previously asserted) of any Unsecured Creditor with respect to fractional New Shares pursuant to this Proposal shall be rounded down to the nearest whole number of New Shares without compensation therefor.

6.5 Minimum Increments

The New Shares issued pursuant to this Proposal shall each be issued in minimum increments of \$1.00, and the amount of New Shares that each Unsecured Creditor shall

be entitled to under this Proposal shall in each case be rounded down to the nearest multiple of \$1.00 without compensation therefor.

In accordance with MI 61-101, the issuance of the New Shares by the Debtor would constitute a "related party transaction" for the purposes of MI 61-101 if any of the Unsecured Creditors receiving New Shares are insiders of the Debtor. In accordance with MI 61-101, absent an exemption, MI 61-101 would require the Debtor to receive a formal valuation of the subject matter and "majority of the minority" shareholder approval to proceed with the issuance of such New Shares to such insiders. The Debtor wishes to rely on the exemptions set forth in Section 5.5(f) of MI 61-101 (as it relates to formal valuations) and the exemption set out in 5.7(1)(d) of MI 61-101 (as it relates to shareholder approval), which exemptions provide that any issuance of shares to any "related party" will be exempt from the formal valuation and minority shareholder approval requirements of MI 61-101 provided that the court is advised of the valuation and minority shareholder approval requirements set forth in MI 61-101 and does not otherwise mandate the necessity for a valuation or minority shareholder approval in accordance with MI 61-101.

duties or exercising any powers conferred upon it by this Proposal unless such acts have been carried out in bad faith and constitute a willful misconduct or gross negligence.

7.4 Completion of the Proposal

The payment, compromise, extinguishment or other satisfaction of any Proven Claim under the Proposal will be binding upon each Affected Creditor, its heirs, executors, administrators, successors and assigns, for all purposes, and as and from the Implementation Date all Unsecured Claims against the Debtor shall be forever discharged and released, excepting only the obligations to make distributions in respect of such Proven Claims in the manner and to the extent provided for in this Proposal.
