ORDER DIRECTING JOINT ADMINISTRATION OF CASES

FTI Consulting Canada Inc. (“FTI”), in its capacity as court-appointed receiver and manager of Debtors Balanced Energy Oilfield Services Inc. (“BCAN”), Balanced Energy Holdings Inc. (“BEH”), and Balanced Energy Oilfield Services (USA) Inc. (“BUS”) filed an Emergency Motion for Joint Administration. The Court entered an order on April 15, 2022, granting FTI’s requested relief on an interim basis. The Court received no objections to interim or final relief.

After reviewing the motion, the Court finds that joint administration serves judicial economy, it does not prejudice the rights of Debtors, creditors and other interested parties and it is in their best interests. Consequently, joint administration of these cases is appropriate pursuant to Rule 1015(b) and (c) of the Federal Rules of Bankruptcy Procedure. Therefore,

IT IS ORDERED:

1. The Emergency Motion for Joint Administration [Doc. 3] is GRANTED.

2. The cases listed on the caption shall be jointly administered by this Court for procedural purposes only. Nothing in this Order shall be deemed or construed as directing a substantive consolidation of this cases.

3. All orders, pleadings, papers and documents shall be filed and docketed in case number 22-30100 (the "Lead Case").

4. Pleadings, papers, and documents filed in the Lead Case may be captioned as shown above or as shown below.
