**Objet:** Mason Graphite reporting

All,

**RE: Notice under section 2.7 of the Purchase Agreement between Quinto Mining Corp. and Mason Graphite Corp.**

Mason Graphite Inc. has not yet started its commercial production. Actually, Mason Graphite does not have the funds to start the commercial production and with the actual difficult financing market, Mason Graphite is not expecting to start the commercial production before 2018.

Regards,

**Luc Veilleux, CPA, CA**  
Vice-président exécutif et Chef de la direction financière  
Executive Vice president and Chief financial officer
