**TWENTY-SEVENTH REPORT TO THE COURT
SUBMITTED BY FTI CONSULTING CANADA INC.,
IN ITS CAPACITY AS MONITOR**

INTRODUCTION

1. On January 27, 2015, Bloom Lake General Partner Limited (“**Bloom Lake GP**”), Quinto Mining Corporation, 8568391 Canada Limited and Cliffs Québec Iron Mining ULC (“**CQIM**”) (collectively, the “**Bloom Lake Petitioners**”) sought and obtained an initial order (as amended, restated or rectified from time to time, the “**Bloom Lake Initial Order**”) under the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”) from the Superior Court of Québec (the “**Court**”), providing for, *inter alia*, a stay of proceedings against the Bloom Lake Petitioners until February 26, 2015, (the “**Bloom Lake Stay Period**”) and appointing FTI Consulting Canada Inc. as monitor (the “**Monitor**”). The relief granted in the Bloom Lake Initial Order was also extended to The Bloom Lake Iron Ore Mine Limited Partnership (“**Bloom Lake LP**”) and Bloom Lake Railway Company Limited (together with Bloom Lake LP, the “**Bloom Lake Mises-en-Cause**” and together with the Bloom Lake Petitioners, the “**Bloom Lake CCAA Parties**”). The proceedings commenced under the CCAA by the Bloom Lake CCAA Parties will be referred to herein as the “**CCAA Proceedings**”.
2. On May 20, 2015, the CCAA Proceedings were extended to include Wabush Iron Co. Limited (“**WICL**”), Wabush Resources Inc. (“**WRI**” and together with WICL, the “**Wabush Petitioners**”), Wabush Mines, Arnaud Railway Company (“**Arnaud**”) and Wabush Lake Railway Company Limited (collectively the “**Wabush Mises-en-Cause**” and together with the Wabush Petitioners, the “**Wabush CCAA Parties**”) pursuant to an initial order (as amended, restated or rectified from time to time, the “**Wabush Initial Order**”) providing for, *inter alia*, a stay of proceedings against the Wabush CCAA Parties until June 19, 2015, (the “**Wabush Stay Period**”). The Bloom Lake CCAA Parties and the Wabush CCAA Parties will be referred to collectively herein as the “**CCAA Parties**”.

3. The Bloom Lake Stay Period and the Wabush Stay Period (together, the “**Stay Period**”) have been extended from time to time and currently expire on January 31, 2017.
4. On April 17, 2015, Mr. Justice Hamilton J.S.C. granted an Order approving, as it relates to the Bloom Lake CCAA Parties, a sale and investor solicitation process (as may be amended from time to time, the “**SISP**”) involving the business and assets of the Bloom Lake CCAA Parties. The SISP was subsequently amended and restated to reflect the inclusion of the Wabush CCAA Parties in the CCAA Proceedings and was approved *nunc pro tunc* as it relates to the Wabush CCAA Parties pursuant to an Order granted June 9, 2015 (together with the April 17, 2015 Order, the “**SISP Order**”).
5. To date, the Monitor has filed twenty-six reports in respect of various aspects of the CCAA Proceedings. The purpose of this, the Monitor’s Twenty-Seventh Report (this “**Report**”), is to provide information to the Court with respect to:
 - (a) The request by CQIM for an approval and vesting order (the “**Second IOC Railcar AVO**”) contemplated in the agreement dated as of November 7, 2016 (the “**Second IOC Railcar APA**”) by and between CQIM and Iron Ore Company of Canada as purchaser (“**IOC**”), pursuant to which IOC will acquire CQIM’s right, title and interest in 253 gondola railcars (the “**Second IOC Railcar Transaction**”) and to provide the Monitor’s recommendation thereon; and
 - (b) CQIM’s request that information in the Second IOC Railcar APA with respect to the Purchase Price, the allocation of the Purchase Price among the Second IOC Purchased Assets (as defined below) and Deposit, each as defined in the Second IOC Railcar APA, be kept confidential for commercial reasons, and the Monitor’s recommendation thereon.

TERMS OF REFERENCE

6. In preparing this Report, the Monitor has relied upon unaudited financial information of the CCAA Parties, the CCAA Parties' books and records, certain financial information prepared by the CCAA Parties and discussions with various parties (the "**Information**").
7. Except as described in this Report:
 - (a) The Monitor has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the Chartered Professional Accountants of Canada Handbook; and
 - (b) The Monitor has not examined or reviewed financial forecasts and projections referred to in this Report in a manner that would comply with the procedures described in the Chartered Professional Accountants of Canada Handbook.
8. The Monitor has prepared this Report in connection with the Motion for the granting of the Second IOC Railcar AVO, scheduled to be heard on November 18, 2016. The Report should not be relied on for other purposes.
9. Future oriented financial information reported or relied on in preparing this Report is based on management's assumptions regarding future events; actual results may vary from forecast and such variations may be material.
10. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian Dollars. Capitalized terms not otherwise defined herein have the meanings defined in the Bloom Lake Initial Order, the Wabush Initial Order or previous reports of the Monitor.

EXECUTIVE SUMMARY

11. Capitalized terms used in the Executive Summary are as defined in the relevant section of this Report.
12. The Monitor is of the view that:
 - (a) The CNR Key Bank Security (as defined in the Monitor's Twenty-Fifth Report) over the Second IOC Purchased Assets is valid and legally enforceable as against a trustee in bankruptcy;
 - (b) Other than the beneficiaries of the Administration Charge and the Directors' Charge, there are no known claims that rank in priority to the CNR Key Bank Security in respect of the Second IOC Purchased Assets. CNR supports the Second IOC Railcar Transaction;
 - (c) The marketing process that resulted in the execution of the Second IOC Railcar APA was fair and reasonable in the circumstances;
 - (d) The Second IOC Railcar Transaction is the highest and best transaction resulting from the marketing of the Second IOC Purchased Assets and the consideration is fair and reasonable in the circumstances; and
 - (e) The approval of the Second IOC Railcar Transaction is in the best interests of CNR, the sole creditor holding security over the Second IOC Purchased Assets other than the beneficiaries of the CCAA Charges, and CQIM's stakeholders generally.
13. Accordingly, the Monitor supports CQIM's request for approval of the Second IOC Railcar Transaction and the granting of the Second IOC Railcar AVO.

14. With respect to CQIM's request to maintain the Purchase Price, allocation of Purchase Price, and Deposit information confidential, the Monitor's view is that it is reasonable, justified and appropriate in the circumstances.

INDEPENDENT REVIEW OF SECURITY

15. As reported in the Monitor's Twenty-Second Report, counsel to the Monitor completed its review and delivered its opinion in respect of the CNR Key Bank Security, which concluded that the CNR Key Bank Security over certain assets, including the Second IOC Purchased Assets is valid and legally enforceable as against a trustee in bankruptcy.

REQUEST FOR THE SECOND IOC RAILCAR AVO

16. Capitalized terms used in this section of this Report not otherwise defined are as defined in the Second IOC Railcar APA, a redacted copy of which is attached hereto as **Appendix A**.

The Second IOC Railcar APA

17. Pursuant to the Second IOC Railcar APA, IOC will purchase all of CQIM's right, title, and interest to 253 gondola railcars, as more particularly described in Schedules "B" and "B-1" to the Second IOC Railcar APA (the "**Second IOC Purchased Assets**") for an amount which CQIM is requesting remain confidential subject to further order of this Court (the "**Purchase Price**"). In addition to the Purchase Price, IOC will pay all applicable transfer taxes.
18. Pursuant to the Second IOC Railcar APA, on November 9, 2016, the Purchaser paid a deposit to the Monitor on behalf of CQIM, in an amount equal to 5% of the Purchase Price.

19. The Second IOC Purchased Assets are located on the Ottawa Valley Railway (the “**North Bay Assets**”) and on the Québec Gatineau Railway (the “**Québec City Assets**”). The Second IOC Purchased Assets are being purchased on an “as is, where is” basis and, pursuant to the Second IOC Railcar APA, IOC shall on Closing be solely responsible for obtaining access to the Ottawa Valley Railway and Québec Gatineau Railway, removing the Second IOC Purchased Assets from the sites, transporting the Second IOC Purchased Assets offsite and supplying all equipment, personnel and materials required to carry out the foregoing, all at IOC’s own risk and peril and at IOC’s sole cost and expense. IOC acknowledges that CQIM shall have no responsibility or liability of any kind or nature whatsoever in connection with IOC accessing the Ottawa Valley Railway or the Québec Gatineau Railway, the removal and transportation of the Second IOC Purchased Assets, or the continued storage of the Second IOC Purchased Assets at the sites, and that there shall be no adjustment to the Purchase Price as a result of any degradation in value of the Second IOC Purchased Assets after the date of the Second IOC Railcar APA or IOC’s abandonment of the Second IOC Purchased Assets after Closing.

20. The obligation of IOC to complete the Second IOC Railcar Transaction is subject to the following conditions being fulfilled, or waived by IOC:
 - (a) The Second IOC Railcar AVO shall have been issued and entered by the Court and shall not have been vacated, set aside or stayed;

 - (b) CQIM shall have executed and delivered or caused to have been executed and delivered to IOC at Closing all the documents contemplated in Section 7.2 of the Second IOC Railcar APA;

 - (c) During the Interim Period, no Governmental Authority shall have enacted, issued or promulgated any final or non-appealable Order or Law which has the effect of:

- (i) Making any of the transactions contemplated by the Second IOC Railcar APA illegal; or
 - (ii) Otherwise prohibiting, preventing or restraining the consummation of any of the transactions contemplated by the Second IOC Railcar APA.
- (d) Each of the representations and warranties contained in Section 4.2 of the Second IOC Railcar APA shall be true and correct in all material respects:
- (i) As of the Closing Date as if made on and as of such date; or
 - (ii) If made as of a date specified therein, as of such date; and
- (e) CQIM shall have performed in all material respects all covenants, obligations and agreements contained in the Second IOC Railcar APA required to be performed by CQIM on or before the Closing.
21. The obligation of CQIM to complete the Second IOC Railcar Transaction is subject to the following conditions being fulfilled, or waived by CQIM:
- (a) The Second IOC Railcar AVO shall have been issued and entered by the Court and shall not have been vacated, set aside or stayed;
 - (b) CQIM shall have received the Ottawa Valley Railway Release and the Québec Gatineau Railway Release;
 - (c) IOC shall have executed and delivered or caused to have been executed and delivered to CQIM at Closing all the documents and payments contemplated in Section 7.3 of the Second IOC Railcar APA;

- (d) During the Interim Period, no Governmental Authority shall have enacted, issued or promulgated any final or non-appealable Order or Law which has the effect of:
 - (i) Making any of the transactions contemplated by the Second IOC Railcar APA illegal;
 - (ii) Otherwise prohibiting, preventing or restraining the consummation of any of the transactions contemplated by the Second IOC Railcar APA;
 - (e) Each of the representations and warranties contained in Section 4.1 of the Second IOC Railcar APA shall be true and correct in all material respects:
 - (i) As of the Closing Date as if made on and as of such date; or
 - (ii) If made as of a date specified therein, as of such date; and
 - (f) IOC shall have performed in all material respects all covenants, obligations and agreements contained in the Second IOC Railcar APA required to be performed by IOC on or before the Closing.
22. The Second IOC Railcar APA may be terminated on or prior to the Closing Date as set out in section 9.1 of the Second IOC Railcar APA:
- (a) By mutual written agreement of CQIM and IOC, and, if following the approval of the Second IOC Railcar Transaction by the Court, with the consent of the Monitor, or approval of the Court;
 - (b) By written notice from IOC if before Closing all, or substantially all, of the Second IOC Purchased Assets are subject to a Casualty;

- (c) By either IOC or CQIM if, for reasons other than a breach of the Second IOC Railcar APA by CQIM or IOC, as applicable:
 - (i) The Second IOC Railcar AVO has not been obtained by November 18, 2016, or such later date as the Parties may agree; or
 - (ii) The Court declines to grant the Second IOC Railcar AVO;
- (d) By IOC if there has been a material breach by CQIM of any representation, warranty or covenant in the Second IOC Railcar APA that has not been waived by IOC, and:
 - (i) Such breach is not curable and has rendered the satisfaction of any condition in section 8.1 of the Second IOC Railcar APA impossible by the Outside Date, being five (5) Business Days following receipt of the Approval and Vesting Order; or
 - (ii) Such breach is curable but has not been cured within ten (10) days following the date upon which CQIM received notice of the breach;
- (e) By IOC if Closing has not occurred by the Outside Date and the failure to close is not caused by IOC's breach of the Second IOC Railcar APA;
- (f) By CQIM if there has been a material breach by IOC of any representation, warranty or covenant in the Second IOC Railcar APA that has not been waived by CQIM, and:

- (i) Such breach is not curable and has rendered the satisfaction of any condition in section 8.2 impossible by the Outside Date; or
- (ii) Such breach is curable, but has not been cured within ten (10) days following the date upon which IOC received notice of the breach;
- (g) By CQIM if Closing has not occurred by the Outside Date and the failure to close is not caused by CQIM's breach of the Second IOC Railcar APA; or
- (h) By CQIM if the deposit has not been paid pursuant to Section 3.2(1) of the Second IOC Railcar APA within three business days of the date of the Second IOC Railcar APA.

THE MONITOR'S COMMENTS AND RECOMMENDATION

23. Section 36(1) of the CCAA states:

“36(1) **Restriction on disposition of business assets** - A debtor company in respect of which an order has been made under this Act may not sell or otherwise dispose of assets outside the ordinary course of business unless authorized to do so by a court. Despite any requirement for shareholder approval, including one under federal or provincial law, the court may authorize the sale or disposition even if shareholder approval was not obtained.”

24. Section 36(3) of the CCAA states:

“(3) **Factors to be considered** - In deciding whether to grant the authorization, the court is to consider, among other things,

- (a) whether the process leading to the proposed sale or disposition was reasonable in the circumstances;
- (b) whether the monitor approved the process leading to the proposed sale or disposition;
- (c) whether the monitor filed with the court a report stating that in their opinion the sale or disposition would be more beneficial to the creditors than a sale or disposition under a bankruptcy;
- (d) the extent to which the creditors were consulted;
- (e) the effects of the proposed sale or disposition on the creditors and other interested parties; and
- (f) whether the consideration to be received for the assets is reasonable and fair, taking into account their market value.”

Reasonableness of the Process Leading to the Proposed Sale

- 25. The Second IOC Purchased Assets were made available for sale in the SISP and during a parallel process where the Monitor sought liquidation proposals for the CCAA Parties’ assets and inventories.
- 26. During such processes, a number of expressions of interest for the acquisition of gondola railcars were submitted, two of which resulted in sale transactions approved by this Court on June 28, 2016 (the “**Rio Tinto Railcar Transaction**”) and on August 30, 2016 (the “**First IOC Railcar Transaction**”).

27. Following the completion of the Rio Tinto Railcar Transaction and the First IOC Railcar Transaction, 563¹ railcars remained available for sale. Accordingly, the Bloom Lake CCAA Parties, in consultation with the Monitor and CNR as secured creditor, proceeded to seek new proposals for the sale of the remaining railcars, along with other equipment remaining at Bloom Lake, as described in the Monitor's Twenty-Third Report and Twenty-Fourth Report. As described therein, the Monitor, on behalf of the CCAA Parties, contacted 88 interested parties requesting final and best offers on the September 16 Proposal Assets (as defined in the Monitor's Twenty-Fifth Report), including the remaining railcars. The deadline for submission of proposals was set as September 16, 2016 (the **"September 16 Proposal Deadline"**).
28. Prior to the September 16 Proposal Deadline, IOC submitted a proposal to acquire up to 563 railcars (the **"Second IOC Railcar Proposal"**). No other offers in respect of the remaining railcars were received by the September 16 Proposal Deadline.
29. Subsequent to the September 16 Proposal Deadline, the Monitor received a proposal to acquire 310 railcars. As the Second IOC Railcar Proposal did not specify the actual number of railcars that IOC sought to acquire, other than up to 563 railcars, the CCAA Parties were able to accept the proposal and include the balance of the remaining railcars in the Second IOC Railcar APA. The CCAA Parties are in the process of negotiating a definitive agreement, subject to Court approval, for the sale of the 310 railcars.
30. The Monitor is of the view that the process that resulted in the execution of the Second IOC Railcar APA was fair and reasonable in the circumstances.

¹ Based on further diligence performed and inventory count of the railcars, it was determined that there were 563 railcars that remained available for sale instead of the 564 railcars as noted in the Monitor's Twenty-Fifth Report.

Monitor's Approval of the Process

31. In its Third Report, the Monitor recommended approval of the SISP. The Monitor was consulted by the CCAA Parties throughout the SISP and was closely involved in the process to seek liquidation proposals including proposals for the September 16 Proposal Assets. The Monitor approved the process that led to the execution of the Second IOC Railcar APA and was actively involved in the execution thereof.

Comparison with Sale in Bankruptcy

32. The Monitor has considered whether the Second IOC Railcar Transaction would be more beneficial to CNR, the sole creditor holding security on the Second IOC Purchased Assets other than the beneficiaries of the CCAA Charges, and the creditors of CQIM generally, than a sale or disposition of the Second IOC Purchased Assets under a bankruptcy.
33. Given the SISP, the offers received and the liquidation alternatives available, the options available for sale or disposition of the Second IOC Purchased Assets are the same regardless of whether such sale or disposition is carried out in the CCAA Proceedings or in a bankruptcy.
34. As discussed later in this Report, the Monitor is satisfied that the Purchase Price contemplated in the Second IOC Railcar APA is fair and reasonable in the circumstances and that the approval and completion of the Second IOC Railcar Transaction is in the best interests of the creditor holding security on the Second IOC Purchased Assets and of CQIM's stakeholders generally. There would be no prejudice to the beneficiaries of the CCAA Charges from the sale of the Second IOC Purchased Assets as the proceeds will stand in the stead of the Second IOC Purchased Assets and be held by the Monitor pending further Order of the Court.

35. It is the Monitor's view that the process to obtain the Second IOC Railcar AVO, which is a condition of the Second IOC Railcar APA, and close the Second IOC Railcar Transaction would be the same in both the CCAA Proceedings or a bankruptcy and that the costs associated therewith would be essentially the same whether the sale was completed in the CCAA Proceedings or a bankruptcy.
36. However, a sale in bankruptcy would delay and possibly jeopardize the approval and closing of the Second IOC Railcar Transaction as it would be necessary to first assign CQIM into bankruptcy or obtain a Bankruptcy Order, convene a meeting of creditors, appoint inspectors and obtain the approval of the inspectors for the Second IOC Railcar Transaction prior to seeking the Second IOC Railcar AVO. Alternatively, the secured creditor could seek to have the stay of proceedings lifted and a receiver appointed to conclude the Second IOC Railcar Transaction which would again delay the completion of the Second IOC Railcar Transaction.
37. Accordingly, it is the Monitor's view that a sale or disposition of the Second IOC Purchased Assets in a bankruptcy would not be more beneficial than the closing of the Second IOC Railcar Transaction in the CCAA Proceedings.

Consultation with Creditors

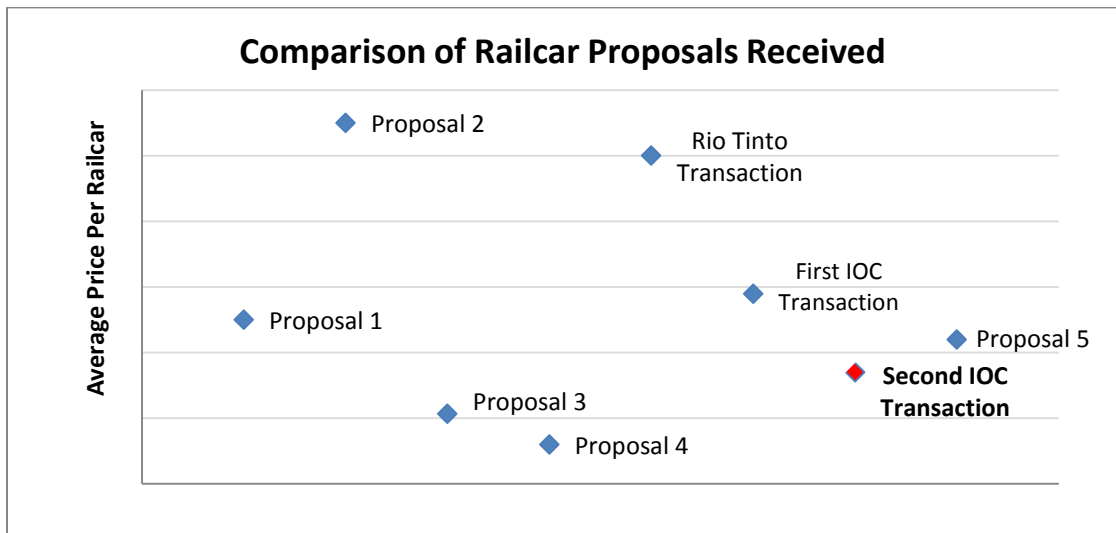

38. Other than the beneficiaries of the Administration Charge and the Directors' Charge, there are no known claims which would rank in priority to the CNR Key Bank Security over the Second IOC Purchased Assets. CNR has informed the Monitor that it consents to the Second IOC Railcar Transaction.
39. The Monitor is of the view that the degree of creditor consultation was appropriate in the circumstances. The Monitor does not consider that any material change in the outcome of efforts to sell the Second IOC Purchased Assets would have resulted from additional creditor consultation.

The Effect of the Proposed Sale on Creditors and Other Interested Parties

40. Pursuant to the proposed form of the Second IOC Railcar AVO, the proceeds of sale will stand in the stead of the Second IOC Purchased Assets and be held by the Monitor pending further Order of the Court. The beneficiaries of the Administration Charge and the Directors' Charge will not be prejudiced by the Second IOC Railcar Transaction. Accordingly, it is the Monitor's view that no stakeholder would be adversely affected by the Second IOC Railcar Transaction.

Fairness of Consideration

41. During the SISF and the parallel process to obtain liquidation proposals, there was limited interest in the railcars owned or leased by the CCAA Parties, with a total of 8 proposals received for different portions of the railcars. As noted previously in this Report, only the Rio Tinto Railcar Transaction and the First IOC Railcar Transaction have been completed to date. With respect to the Second IOC Purchased Assets, no offers have been received for those specific railcars other than the offer from IOC. While the price per railcar of the Second IOC Railcar APA is lower than the price per railcar in the Rio Tinto Railcar Transaction and the First IOC Railcar Transaction, it is within the range of the offers received by the CCAA Parties for similar railcars.

42. Furthermore, the Second IOC Railcar APA provides for the sale of a significantly higher number of railcars than the Rio Tinto Railcar Transaction and the First IOC Railcar Transaction. In the Monitor's view, it is not unreasonable that a sale of such a high volume of railcars may have a somewhat lower price per railcar than a sale of a small number of railcars.
43. Accordingly, the Monitor is of the view that the Purchase Price is fair and reasonable in the circumstances.

Monitor's Recommendation

44. The Second IOC Railcar Transaction is the highest and best transaction resulting from the marketing of the Second IOC Purchased Assets and the Monitor is of the view that the consideration is fair and reasonable in the circumstances. There is no evidence to suggest that viable alternatives exist that would deliver a better recovery from the Second IOC Purchased Assets for the creditors of CQIM's estate.
45. CNR is the only creditor, other than the beneficiaries of the CCAA Charges, that has a secured interest in the Second IOC Purchased Assets. CNR has informed the Monitor that it consents to the Second IOC Railcar Transaction.
46. Accordingly, and based on the foregoing, the Monitor is of the view that the approval of the Second IOC Railcar Transaction is in the best interests of the creditor holding security over the Second IOC Purchased Assets and CQIM's stakeholders generally and the Monitor supports CQIM's request for approval of the Second IOC Railcar Transaction and the granting of the Second IOC Railcar AVO.

REQUEST TO MAINTAIN CERTAIN INFORMATION CONFIDENTIAL

47. Consistent with its motion for approval of the Rio Tinto Railcar Transaction and the First IOC Railcar Transaction, and in support of its application for the issuance of the Second IOC Railcar AVO, CQIM filed a copy of the Second IOC Railcar APA redacted to remove details with respect to the Purchase Price, allocation of Purchase Price and Deposit for commercial reasons in the event that the sale transaction of the remaining railcars is not completed. CQIM submits that these redactions should remain until the balance of the railcars are sold or otherwise realized by CQIM.
48. The Monitor has considered CQIM's request that the Purchase Price, allocation of Purchase Price and the Deposit information be maintained confidential until such time as the remaining gondola railcars have been sold and is of the view that it is reasonable, justified and appropriate in the circumstances.

The Monitor respectfully submits to the Court this, its Twenty-Seventh Report.

Dated this 14th of November, 2016.

(1) *Court Approval.* The Approval and Vesting Order shall have been issued and entered by the Court and shall not have been vacated, set aside or stayed.

(2) *Vendor's Deliverables.* The Vendor shall have executed and delivered or caused to have been executed and delivered to the Purchaser at the Closing all the documents contemplated in Section 7.2.

(3) *No Violation of Orders or Law.* During the Interim Period, no Governmental Authority shall have enacted, issued or promulgated any final or non-appealable Order or Law which has the effect of (a) making any of the transactions contemplated by this Agreement illegal, or (b) otherwise prohibiting, preventing or restraining the consummation of any of the transactions contemplated by this Agreement.

(4) *No Breach of Representations and Warranties.* Each of the representations and warranties contained in Section 4.2 shall be true and correct in all material respects (i) as of the Closing Date as if made on and as of such date or (ii) if made as of a date specified therein, as of such date.

Upon receipt of payment in full of the Purchase Price and Transfer Taxes payable by the Purchaser at Closing (if any is payable) in the amounts set out in the Conditions Certificates and receipt of each of the Conditions Certificates, the Monitor shall (i) issue forthwith its Monitor's Certificate concurrently to the Vendor and the Purchaser, at which time the Closing will be deemed to have occurred; and (ii) file as soon as practicable a copy of the Monitor's Certificate with the Court (and shall provide a true copy of such filed certificate to the Vendor and the Purchaser). In the case of (i) and (ii), above, the Monitor will be relying exclusively on the basis of the Conditions Certificates and without any obligation whatsoever to verify the satisfaction or waiver of the applicable conditions.

ARTICLE 9 TERMINATION

9.1 Grounds for Termination. This Agreement may be terminated on or prior to the Closing Date:

(1) by the mutual written agreement of the Vendor and the Purchaser, provided however that if this Agreement has been approved by the Court, any such termination shall require either the consent of the Monitor, or approval of the Court;

(2) by written notice from the Purchaser to the Vendor in accordance with Section 6.3(3);

(3) by the Purchaser, on the one hand, or by the Vendor, on the other hand, upon written notice to the other Party if (i) the Approval and Vesting Order has not been obtained by November 18, 2016, or such later date as the Parties may agree, or (ii) the Court declines at any time to grant the Approval and Vesting Order, in each case for reasons other than a breach of this Agreement by either the Purchaser, on the one hand, or the Vendor, on the other hand;

(4) by written notice from the Purchaser to the Vendor if there has been a material breach by the Vendor of any representation, warranty or covenant contained in this Agreement, which breach has not been waived by the Purchaser, and (i) such breach is not curable and has rendered the satisfaction of any condition in Section 8.1 impossible by the Outside Date, or (ii) if such breach is curable, the Purchaser has provided prior written notice of such breach to the Vendor, and such breach has not been cured within ten (10) days following the date upon which the Vendor received such notice;

(5) by written notice from the Purchaser to the Vendor any time after the Outside Date, if the Closing has not occurred by the Outside Date for reasons other than as set out in Section 9.1(3), and such failure to close was not caused by or as a result of the Purchaser's breach of this Agreement;

(6) by written notice from the Vendor to the Purchaser if there has been a material breach by the Purchaser of any representation, warranty or covenant contained in this Agreement, which breach has not been waived by the Vendor, and (i) such breach is not curable and has rendered the satisfaction of any condition in Section 8.2 impossible by the Outside Date, or (ii) if such breach is curable, the Vendor has provided prior written notice of such breach to the Purchaser, and such breach has not been cured within ten (10) days following the date upon which the Purchaser received such notice;

(7) by written notice from the Vendor to the Purchaser any time after the Outside Date, if the Closing has not occurred by the Outside Date for reasons other than as set out in Section 9.1(3), and such failure to close is not caused by or as a result of the Vendor's breach of this Agreement; or

(8) by written notice from the Vendor to the Purchaser if the Deposit has not been paid pursuant to Section 3.2(1) within three (3) Business Days of the date of this Agreement.

9.2 Effect of Termination. If this Agreement is terminated pursuant to Section 9.1, all further obligations of the Parties under this Agreement will terminate and no Party will have any Liability or further obligations hereunder, except as contemplated in this Section 9.2 (*Effect of*

Termination) and Sections 6.4 (*Release*), 9.3 (*Treatment of Deposit*), 10.2 (*Expenses*), 10.3 (*Public Announcements*), 10.4 (*Notices*), 10.7 (*Entire Agreement*), 10.8 (*Amendment*), 10.10 (*Severability*), 10.12 (*Governing Law*), 10.13 (*Dispute Resolution*), 10.14 (*Attornment*), 10.15 (*Successors and Assigns*), 10.16 (*Assignment*), 10.17 (*Monitor's Capacity*), 10.18 (*Third Party Beneficiaries*) and 10.20 (*Language*), which shall survive such termination. For the avoidance of doubt, any Liability incurred by a Party prior to the termination of this Agreement shall survive such termination.

9.3 Treatment of Deposit.

(1) *Retention of Deposit.* In the event that this Agreement is terminated by the Vendor pursuant to Section 9.1(6), the Deposit shall be forfeited by the Purchaser and retained by the Monitor on behalf of the Vendor as a genuine estimate of liquidated damages, and not as a penalty.

(2) *Return of Deposit.* In the event that this Agreement is terminated other than a termination by the Vendor pursuant to Section 9.1(6), the Deposit shall be returned to the Purchaser. The return of the Deposit shall be the Purchaser's sole and exclusive remedy for any termination of this Agreement.

(3) *Transfer Tax Gross Up.* In the event that any payment or forfeiture under this Agreement is deemed by the *Excise Tax Act* (Canada) to include GST/HST, or is deemed by any applicable provincial or territorial legislation to include a similar value added or multi-staged tax, the amount of such payment or forfeiture shall be increased accordingly.

ARTICLE 10 GENERAL

10.1 Survival. All representations, warranties, covenants and agreements of the Vendor or the Purchaser made in this Agreement or any other agreement, certificate or instrument delivered pursuant to this Agreement shall not survive the Closing except where, and only to the extent that, the terms of any such covenant or agreement expressly provide for rights, duties or obligations extending after the Closing, or as otherwise expressly provided in this Agreement. For greater certainty, Sections 3.4 (*Allocation of Purchase Price*), 4.3 (*As is, Where is*), 5.1 (*Removal of North Bay Assets*), 5.2 (*Removal of Québec City Assets*), 6.3 (*Risk of Loss*), 6.4 (*Release*), 6.5 (*Trademarked and Branded Assets*), 6.6 (*Indemnity*), 10.1 (*Survival*), 10.2 (*Expenses*), 10.3 (*Public Announcements*), 10.4 (*Notices*), 10.6 (*Further Assurances*), 10.7 (*Entire Agreement*), 10.8 (*Amendment*), 10.9 (*Waiver*), 10.10 (*Severability*), 10.12 (*Governing Law*), 10.13 (*Dispute Resolution*), 10.14 (*Attornment*), 10.15 (*Successors and Assigns*), 10.16 (*Assignment*), 10.17 (*Monitor's Capacity*), 10.18 (*Third Party Beneficiaries*) and 10.20 (*Language*), shall survive Closing.

10.3 Public Announcements. An unredacted copy of this Agreement will be disclosed to and may be filed with the Court, and if filed with the Court, the Vendor shall seek a sealing order

Notwithstanding any other provision of this Agreement, unless such information is otherwise publicly disclosed or, upon the advice of counsel, required by Applicable Law or by any Governmental Authority to be disclosed (including in any Tax Returns), the Purchaser shall not disclose the quantum of the Purchase Price, Deposit or allocation of the Purchase Price as set out in Schedule "C" to any Person without the prior written consent of the Vendor and the Monitor.

(3) *Change of Address.* Any Party may from time to time change its address under this Section 10.4 by notice to the other Party given in the manner provided by this Section 10.4.

10.5 Time of Essence. Time shall be of the essence of this Agreement in all respects.

10.6 Further Assurances. The Vendor and the Purchaser shall, at the sole expense of the requesting Party, from time to time promptly execute and deliver or cause to be executed and delivered all such further documents and instruments and shall do or cause to be done all such further acts and things in connection with this Agreement that the other Party may reasonably require as being necessary or desirable in order to effectively carry out or better evidence or perfect the full intent and meaning of this Agreement or any provision hereof.

10.7 Entire Agreement. Other than any confidentiality agreement, non-disclosure agreement or similar undertaking or agreement signed by the Purchaser in favour of the CCAA Parties, or any of them, which remain in full force and effect, unamended by this Agreement, this Agreement and the agreements contemplated hereby constitute the entire agreement between the Parties or any of them pertaining to the subject matter of this Agreement and supersede all prior agreements, understandings, negotiations and discussions, whether oral or written. There are no conditions, representations, warranties, obligations or other agreements

between the Parties in connection with the subject matter of this Agreement (whether oral or written, express or implied, statutory or otherwise) except as explicitly set out in this Agreement.

10.8 Amendment. No amendment of this Agreement shall be effective unless made in writing and signed by the Parties.

10.9 Waiver. A waiver of any default, breach or non-compliance under this Agreement shall not be effective unless in writing and signed by the Party to be bound by the waiver and then only in the specific instance and for the specific purpose for which it has been given. No waiver shall be inferred from or implied by any failure to act or delay in acting by a Party in respect of any default, breach or non-observance or by anything done or omitted to be done by the other Party. The waiver by a Party of any default, breach or non-compliance under this Agreement will not operate as a waiver of that Party's rights under this Agreement in respect of any continuing or subsequent default, breach or non-observance (whether of the same or any other nature).

10.10 Severability. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

10.11 Remedies Cumulative. The rights, remedies, powers and privileges herein provided to a Party are cumulative and in addition to and not exclusive of or in substitution for any rights, remedies, powers and privileges otherwise available to that Party.

10.13 Dispute Resolution. If any dispute arises with respect to the interpretation or enforcement of this Agreement, including as to what constitutes a breach or material breach of this Agreement for the purposes of Article 9, such dispute shall be determined by the Court within the CCAA Proceedings, or by such other Person or in such other manner as the Court may direct.

10.14 Attornment. Each Party agrees (a) that any Legal Proceeding relating to this Agreement may (but need not) be brought in the Court, and for that purpose now irrevocably and unconditionally attorns and submits to the jurisdiction of the Court; (b) that it irrevocably waives any right to, and shall not, oppose any such Legal Proceeding in the Court on any jurisdictional basis, including *forum non conveniens*; and (c) not to oppose the enforcement against it in any other jurisdiction of any Order duly obtained from the Court as contemplated by this Section 10.14. Each Party agrees that service of process on such Party as provided in Section 10.4 shall be deemed effective service of process on such Party.

10.15 Successors and Assigns. This Agreement shall enure to the benefit of, and be binding on, the Parties and their respective successors and permitted assigns.

10.16 Assignment. Neither the Purchaser nor the Vendor may assign or transfer, whether absolutely, by way of security or otherwise, all or any part of its rights or obligations under this Agreement without the prior written consent of the other Party.

10.17 Monitor's Capacity. The Purchaser acknowledges and agrees that the Monitor, acting in its capacity as the Monitor of the Vendor and the other CCAA Parties in the CCAA Proceedings, will have no Liability in connection with this Agreement whatsoever in its capacity as Monitor, in its personal capacity or otherwise.

10.18 Third Party Beneficiaries. This Agreement is for the sole benefit of the Parties, and nothing in this Agreement, express or implied, is intended to or shall confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

10.19 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original and both of which taken together shall be deemed to constitute one and the same instrument.
