**TWENTY-FIFTH REPORT OF FTI CONSULTING CANADA INC.
IN ITS CAPACITY AS MONITOR**

November 15, 2011

INTRODUCTION

1. By Order of this Court dated October 6, 2009 (the "**Initial Order**"), Canwest Global Communications Corp. (now 2737469 Canada Inc.) ("**Canwest Global**") and certain of its subsidiaries listed in **Schedule "A"** hereto (collectively the "**Applicants**") obtained protection from their creditors under the *Companies' Creditors Arrangement Act*, R.S.C. 1985 c. C-36, as amended (the "**CCAA**"). The Initial Order also granted relief in respect of certain affiliated partnerships of the Applicants listed in **Schedule "B"** hereto (collectively, the "**Partnerships**", and together with the Applicants, the "**CMI Entities**") and appointed FTI Consulting Canada Inc. ("**FTI**") as monitor (the "**Monitor**") of the CMI Entities. The proceedings commenced by the CMI Entities under the CCAA will be referred to herein as the "**CCAA Proceedings**".

GENERAL BACKGROUND

2. Canwest carried on business through a number of subsidiaries and until recently was Canada's largest publisher of English language daily and non-daily newspapers. Canwest directly or indirectly owned, operated and/or held substantial interests in free-to-air television stations and subscription-based specialty television channels, and websites in Canada.
3. Relief in the CCAA Proceedings was obtained by: Canwest Global, its principal operating subsidiary Canwest Media Inc. (now 4514866 Canada Inc.) ("**CMI**"), certain subsidiary corporations and partnerships of CMI that owned and operated Canwest's free-to-air television broadcast business and certain Canadian subscription-based specialty television channels and The National Post Company/La Publication National Post (now Legacy NPC Partnership).
4. On October 6, 2009, the CMI Entities obtained the Initial Order which provided for a stay of proceedings until November 5, 2009 (the "**Stay Period**").
5. The CMI Entities prepared and filed a consolidated plan of compromise, arrangement and reorganization accepted for filing by this Court on June 23, 2010, as restated on July 16, 2010, concerning, affecting and involving Canwest Global, CMI, Canwest Television GP Inc., Canwest Television Limited Partnership, Canwest Global Broadcasting Inc./Radiodiffusion Canwest Global Inc., Fox Sports World Canada Holdco Inc., Fox Sports World Canada Partnership, National Post Holdings Ltd. (now 4514858 Canada

Inc.), The National Post Company/La Publication National Post, MBS Productions Inc., Yellow Card Productions Inc., Global Centre Inc. and 4501063 Canada Inc., as may be amended (the “**Plan**”). A copy of the Plan (without schedules) is attached hereto as **Appendix “A”**.

6. On July 19, 2010, an excess of the majority in number and two-thirds in value of the Affected Creditors of the Plan Entities with Proven Voting Claims (as these terms are defined in the Plan) present and voting at the creditors’ meetings voted in favour of approving the Plan. On July 28, 2010, this Court granted an Order sanctioning the Plan (the “**Plan Sanction Order**”). A copy of the Plan Sanction Order (without schedules) is attached hereto as **Appendix “B”**.
7. The Plan was successfully implemented on October 27, 2010. The Monitor delivered and filed with the Court its certificate required under the Plan stating, *inter alia*, that the Plan Implementation Date (as defined in the Plan) has occurred.
8. By Orders dated October 30, 2009, January 21, 2010, March 29, 2010, June 8, 2010, and September 8, 2010, the Stay Period was extended until November 5, 2010. Following the Plan Implementation Date, the Stay Period with respect to Canwest Television GP Inc., Canwest Television Limited Partnership, Canwest Global Broadcasting Inc./Radiodiffusion Canwest Global Inc., Fox Sports World Canada Holdco Inc., and Fox Sports World Canada Partnership (the “**Shaw Entities**”) was terminated. By Orders dated November 2, 2010, May 3, 2011, and September 29, 2011, the Stay Period with respect to the Remaining CMI Entities (as defined in the Plan) was extended until

December 31, 2011.

9. Pursuant to the Plan Sanction Order dated July 28, 2010, 4501063 Canada Inc. and MBS Productions Inc. were dissolved on October 4, 2011 and Global Centre Inc. was dissolved on October 19, 2011.

10. On October 25, 2011, CMI filed an assignment under section 49 of the *Bankruptcy and Insolvency Act* (Canada) and FTI Consulting Canada Inc. was appointed as trustee in bankruptcy. The certificate of appointment with respect to CMI is attached hereto as **Appendix “C”**.

11. Pursuant to the Order dated October 21, 2011 (a copy of which is attached hereto as **Appendix “D”**), the Monitor, among other things, continues to be authorized, directed and empowered to liquidate any assets of the CMI Entities (other than the CTLP Entities) not transferred to New Canwest and to contribute any net proceeds realized therefrom to the Plan Implementation Fund in accordance with the September 27 Order, the Plan, the Plan Sanction Order and the Plan Emergence Agreement and any such assets continue to not constitute property of the CMI Entities (and as such did not vest in the trustee in bankruptcy of CMI).

12. Further background information regarding the CMI Entities and the CCAA Proceedings is provided in, *inter alia*, the affidavit of John E. Maguire sworn October 5, 2009, the Pre-filing Report of the Monitor dated October 5, 2009 and subsequent reports of the

Monitor, copies of which have been posted on the Monitor's website for the CCAA Proceedings at <http://cfcanada.fticonsulting.com/cmi>.

TERMS OF REFERENCE

13. In preparing this report, FTI has relied upon unaudited financial information of the CMI Entities, the CMI Entities' books and records, certain financial information prepared by, and discussions with, the CMI Entities' management. FTI has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the information and accordingly expresses no opinion or other form of assurance on the information contained in this report.
14. Capitalized terms not defined in this report are used as defined in the Plan. Unless otherwise stated, all monetary amounts contained in this report are expressed in Canadian dollars.

PURPOSE OF THIS REPORT

15. The purpose of this Twenty-Fifth Report of the Monitor is to inform this Honourable Court on the Monitor's request for Orders authorizing and approving the sale and transfer of CMI's interests in certain oil and gas rights, seismic data and hydrocarbon rights and vesting such assets in TDH and LHS (as these terms are defined below).

OVERVIEW OF THE ASSETS

Oil and Gas Rights and Seismic Data

16. CMI is the limited partner (as successor to Global Communications Limited (“**Global**”) by amalgamation) of the following three limited partnerships:
- (a) Shapco-Global Exploration Limited Partnership (“**Shapco-Global LP**”);
 - (b) Global-Taber Limited Partnership (“**Global-Taber LP**”); and
 - (c) Global-Resources Limited Partnership (“**Global Resources LP**” and together with Shapco-Global LP and Global-Taber LP, the “**Limited Partnerships**”).
17. Pursuant to the limited partnership agreements as supplemented, amended and/or restated from time to time, (“**LP Agreements**”), Shapco Resources Ltd. (“**Shapco**”) is designated as the General Partner of the three Limited Partnerships and is responsible for the management, control and operation of the business of the partnerships.
18. The Limited Partnerships currently own 100% of the Oil and Gas Rights¹ and the Seismic Data².

¹ Section 3.1(r) of the Shapco-Global LP agreement defines “Oil and Gas Right” as any right, use, lease or privilege to explore for, drill, take or receive the proceeds from the sale of Petroleum Substances”. “Petroleum Substances” is defined in Section 3.1(s) as petroleum, natural gas, any other related hydrocarbons or minerals or any of them and all other substances produced or extracted from Oil and Gas Rights in association therewith.

² Section 3.1(z) of the Shapco-Global LP agreement defines “Seismic Data” as the interest in geophysical seismic data acquired by the Partnership in accordance with the certain Seismic Purchase Agreements to be entered into between

19. Pursuant to the LP Agreements, Shapco was entitled to 15% of the Net Revenue (as defined in the LP Agreements) of Shapco-Global LP and Global Resources LP. Shapco was also entitled to a 15% interest in the Oil and Gas Rights and 10% of the Net Revenue of Global-Taber LP from the sale or licensing of the Seismic Data.
20. The Monitor was advised by the CMI Entities that the entitlement provisions for each of the LP Agreements were subsequently amended to increase Shapco's entitlement in the Oil and Gas Rights from 15% to 50% and to give Shapco a 50% economic interest in the Seismic Data.
21. Shapco has a right to require assignment by each Limited Partnership of its 50% entitlement in the Oil and Gas Rights and the Seismic Data. Following such assignment, the Limited Partnerships will own 50% of the Oil and Gas Rights and the Seismic Data and Shapco, in its own capacity and not as general partner of the Limited Partnerships, will own the other 50%.
22. CMI, as the sole limited partner of the Limited Partnerships, holds the economic interest in the Limited Partnerships' ownership of the remaining 50% of the Oil and Gas Rights and Seismic Data.

the Partnership and Sefel and any and all interest therein, copies or reproductions thereof.

Hydrocarbon Rights

23. CMI also holds an interest in certain hydrocarbon rights which are managed by Four Star International Inc. (“**Four Star**”) pursuant to a management agreement dated August 29, 1991.

24. Pursuant to a management agreement between Four Star and CMI dated August 29, 1991, Four Star was initially entitled to a fee of \$6,250.00 per month plus 20% of net revenues derived from the sale of the Hydrocarbon Rights owned by CMI. Pursuant to a second management amending agreement dated May 26, 2004, Four Star was no longer entitled to a monthly fee but was entitled to 30% of the net revenues derived from the sale of the Hydrocarbon Rights, effective as of January 1, 2004. The Monitor was advised by the CMI Entities that CMI is now entitled to 70% of the net revenues.

PROPOSED TRANSACTIONS AND PROCESS LEADING TO PROPOSED SALE

25. In 2009 and prior to the commencement of the CCAA Proceedings, Shapco and Four Star commenced discussions with CMI with respect to the acquisition of CMI’s interests in the Oil and Gas Rights, the Seismic Data and the Hydrocarbon Rights (collectively, the “**Assets**”) and settling certain outstanding inter-company amounts (as described in greater detail below) (collectively, the “**Shapco Transactions**”). The parties negotiated transaction documents, however, did not complete the transactions due to the intervening insolvency of the CMI Entities and the commencement of the CCAA Proceedings. Following commencement of the CCAA Proceedings, Shapco and Four Star made efforts

to finalize the negotiations with respect to the Shapco Transactions; however, due to the myriad of issues arising in the course of the CCAA Proceedings, the CMI Entities were unable to complete the sale of CMI's interest in the Assets and other Shapco Transactions prior to Plan Implementation Date.

26. All Claims (save and except the Administration Charge) against the Assets have been barred and extinguished by the terms of the Claims Procedure Order or the Meeting Order (in the case of Restructuring Period Claims) or released, barred and extinguished by the terms of the Plan and the Plan Sanction Order.
27. Under the Plan, the Plan Sanction Order, and the Plan Emergence Agreement all proceeds from the liquidation of any of the assets of the Remaining CMI Entities not transferred to New Canwest pursuant to the Plan, including proceeds from the sale of CMI's interests in the Assets, are to be contributed to the Plan Implementation Fund.
28. Under the terms of the Plan Emergence Agreement, if at any time the Plan Implementation Fund is insufficient to fund the activities of the Monitor pursuant to the Plan or the Plan Emergence Agreement, then New Canwest and/or CTLP shall pay additional funds satisfactory to the Monitor for the benefit of CMI and such funds shall be deposited into the Plan Implementation Fund.
29. Also, under the terms of the Plan Emergence Agreement, any residual funds remaining in the Plan Implementation Fund following completion of the Monitor's duties under the

CCAA, the Plan Sanction Order and the Plan Emergence Agreement and the issuance of an order discharging the Monitor, shall be remitted to New Canwest.

30. Accordingly, New Canwest and CTLP are the only parties with an economic interest in CMI's interests in the Assets.
31. Following Plan Implementation Date, the Monitor corresponded with counsel for Shapco and Four Star with respect to the proposed sale of CMI's interests in the Assets and, following consultation with CTLP and New Canwest, has entered in the name of and on behalf of CMI (and subject to this Court's approval) into the Shapco Transactions transferring CMI's interests in the Assets and settling certain inter-company debts.

Proposed Sale of the Oil & Gas Rights and the Seismic Data

Overview of the Transaction

32. As described above, pursuant to the LP Agreements, Shapco is entitled to an assignment from each of the Limited Partnerships of their undivided 50% interest in the Oil and Gas Rights and the Seismic Data. Under three Oil and Gas Rights and Seismic Data and Related Conveyance Agreements (copies of which are attached hereto collectively as **Appendix "E"**), each Limited Partnership shall convey 50% of their interest in the Oil and Gas Rights and the Seismic Data to Shapco.
33. Pursuant to three Seismic Data and Related Rights Conveyance Agreements (copies of which are attached hereto collectively as **Appendix "F"**), each of the Limited

Partnerships and Shapco shall convey their 50% interest in the Seismic Data to Technical Data Holdings Ltd. (“**TDH**”), a corporation with the same controlling shareholder as Shapco. In exchange for the transfer of the Seismic Data by the Limited Partnerships to TDH, CMI, as limited partner of each of the Limited Partnerships, shall receive aggregate proceeds of \$36,046.50, being \$34,330.00 plus GST in the amount of \$1,716.50.

34. Pursuant to three Oil & Gas and Related Rights Conveyance Agreements (copies of which are attached hereto collectively as **Appendix “G”**), each of the Limited Partnerships and Shapco shall convey their 50% interest in the Oil & Gas Rights to LHS Management Inc. (“**LHS**”), a corporation with the same controlling shareholder as Shapco. In exchange for the transfer of the Oil & Gas Rights by the Limited Partnerships to LHS, CMI, as limited partner of each of the Limited Partnerships, shall receive aggregate proceeds of \$67,306.40, being \$66,640.00 plus GST in the amount of \$666.40.
35. The consideration to be paid for the transfer of the Oil and Gas Rights and the Seismic Data is not subject to any adjustments. TDH and LHS, as applicable, will be responsible for all taxes payable in connection with the sale, assignment and transfer of the Oil and Gas Rights and the Seismic Data. The transfers of the Oil and Gas Rights and the Seismic Data are on an “*as is where is*” basis.
36. The completion of the transactions contemplated under the Oil & Gas and Related Rights Conveyance Agreements and the Seismic Data and Related Rights Conveyance Agreements is conditional only upon obtaining a Court Order approving the transactions

and related agreements and vesting CMI's interests in the Oil and Gas Rights and the Seismic Data in LHS and TDH, respectively.

37. Following completion of the transfer of the Limited Partnerships' and Shapco's interests in the Oil and Gas Rights and the Seismic Data, the Limited Partnerships will be dissolved. Payment under the Oil & Gas and Related Rights Conveyance Agreements and the Seismic Data and Related Rights Conveyance Agreements will be made to CMI as the limited partner of the Limited Partnerships upon dissolution of the Limited Partnerships.
38. On the conveyance of each Limited Partnership's 50% entitlement to the Oil and Gas Rights and Seismic Data to Shapco, each Limited Partnership should be deemed to have disposed of these interests for consideration equal to their fair market value and any income which is deemed to be realized by the Limited Partnerships as a result these assignments will be allocated solely to Shapco.
39. On the conveyance of each Limited Partnership's other 50% entitlement to the Oil and Gas Rights and Seismic Data to LHS and TDH, respectively, any income realized on these dispositions by the Limited Partnerships will be allocated in accordance with the LP Agreements. The Monitor estimates that the amount of this income which will be allocable to CMI should not exceed approximately \$100,970.00. Any income allocated to CMI should generally increase CMI's adjusted cost base in respect of its interests in the Limited Partnerships. Similarly, any cash distributed by the Limited Partnerships to CMI from the consideration received on the sales should generally decrease CMI's adjusted cost base in respect of its interests in the Limited Partnerships. The Monitor

expects that CMI should have sufficient non-capital losses in prior years to offset against this income inclusion.

40. On the dissolution of the Limited Partnerships, the Monitor understands that CMI should realize a capital gain to the extent that its adjusted cost base in respect of the Limited Partnerships, taking into account the adjustments noted above and the adjustments which will occur due to the settlement of the promissory notes (discussed below) is less than zero. The Monitor estimates that this capital gain will be approximately \$2,595,550.00. However, the Monitor expects that CMI should have sufficient capital losses in other taxation years to offset against this gain.

Settlement of Promissory Notes

41. Immediately after the Limited Partnerships were formed, each Limited Partnership acquired seismic data from 133159 Canada Inc., Joseph Sefel and Sefel Group Ltd. by paying a small portion of the purchase price in cash and issuing the following promissory notes (the “**Promissory Notes**”):

- (a) on August 27, 1984, Shapco-Global LP issued a promissory note to 133159 Canada Inc. for \$1,200,000.00 due on August 15, 1985 bearing interest at 10% per annum;
- (b) on May 21, 1985, Shapco-Global LP issued a promissory note to 133159 Canada Inc. for \$3,800,000.00 due on August 20, 1995 bearing interest at 10% per annum;

- (c) on May 23, 1985, Global-Taber LP issued a promissory note to Joseph Sefel for \$1,568,472.00 and a promissory note to Sefel Group Ltd. for \$3,026,672.00, both due on September 10, 1995 bearing interest at 7% per annum;
 - (d) on May 23, 1985, Global Resources LP issued a promissory note to Joseph Sefel for \$7,513,747.00 and a promissory note to Sefel Group Ltd. for \$3,650,000.00, both due on May 23, 1995 bearing interest at 10% per annum.
42. The Monitor was advised that in 1988, the holders assigned the Promissory Notes to Multisound Publishers Inc. (“**Multisound**”), a wholly owned subsidiary of CMI. The Monitor was also advised by the CMI Entities that the Promissory Notes were subsequently extended numerous times and were in full force and effect at the Plan Implementation Date.
43. As a condition to the consummation of the transactions related to the transfer of the Assets to TDH and LHS and payment of the Settlement Amount (as defined and described below), Shapco has required that the Promissory Notes be settled upon receipt of \$10.00 in respect of each pursuant to Note Settlement Agreements between Multisound and each of the Limited Partnerships (copies of which are attached hereto collectively as **Appendix “H”**).
44. The Monitor was previously advised that the CMI Entities were of the view that enforcement of the Promissory Notes was unlikely to result in any significant recovery. Following consultation with New Canwest and CTLP, the only parties with an economic

interest in any recovery on the Promissory Notes, the Monitor did not perform an independent investigation into the likelihood of recovery on the Promissory Notes.

45. On the settlement of the Promissory Notes, the Monitor understands that the Limited Partnerships should realize debt forgiveness to the extent that the principal amount of the obligations exceeds the total amount paid in satisfaction of those obligations. In accordance with the detailed rules under the *Income Tax Act* (Canada) (the “ITA”), the forgiven amounts will be applied against the tax attributes of the Limited Partnerships, and any remaining unapplied amounts will be included in computing the income of the Limited Partnerships (which will then be allocated to the partners of the Limited Partnerships). Any income which is allocated to CMI by the Limited Partnerships should generally increase CMI’s adjusted cost base in respect of its interests in the Limited Partnerships. As a partner of the Limited Partnerships, CMI should be entitled, in accordance with the detailed rules under the ITA, to treat any forgiven amount allocated by the Limited Partnerships as a forgiven amount of CMI such that it may be applied against the various tax attributes of CMI pursuant to the specific ordering rules in the ITA. The Monitor estimates that the forgiven amount which will be realized by CMI should not exceed approximately \$25 million and that such amount will reduce CMI’s pool of non-capital losses.
46. Monitor understands that Multisound should realize a capital loss on the settlement of the Promissory Notes to the extent that its adjusted cost base in respect of the Promissory Notes exceeds the amount paid in satisfaction of those obligations.

Proposed Sale the Hydrocarbon Rights

47. Pursuant to the management agreement between CMI and Four Star dated August 29, 1991, Four Star is entitled to an assignment from CMI of an undivided 30% interest in the Hydrocarbon Rights. Under the Hydrocarbon and Related Rights Conveyance Agreement (a copy of which is attached hereto as **Appendix “I”**) between CMI and Four Star, CMI shall convey 30% of its interest in the Hydrocarbon Rights to Four Star.
48. Pursuant to the Hydrocarbon and Related Rights Conveyance (a copy of which is attached hereto as **Appendix “J”**) between CMI, Four Star and LHS, CMI and Four Star shall convey 70% and 30%, respectively, of the Hydrocarbon Rights to LHS.
49. As consideration for the transfer of its 70% interest in the Hydrocarbon Rights to LHS, CMI, as limited partner, shall receive \$137,440.80, being \$136,080.00 plus GST in the amount of \$1,360.80.
50. The consideration to be paid for the transfer of the Hydrocarbon Rights is not subject to any adjustments. LHS will be responsible for all Taxes payable in connection with the sale, assignment and transfer of the Hydrocarbon Rights. The transfer of the Hydrocarbon Rights will be on an “*as is where is*” basis.
51. The completion of the transaction contemplated under the Hydrocarbon and Related Rights Conveyance is conditional only upon obtaining a Court Order approving the

transactions and related agreements and vesting CMI's interests in the Hydrocarbon Rights in LHS.

52. Following completion of the transfer of CMI's and Four Star's interests in the Hydrocarbon Rights, the management agreement dated August 29, 1991 will be terminated.
53. The Monitor understands that CMI will be required to include in its income the amount of the proceeds received on the conveyance of 70% of the Hydrocarbon Rights to LHS. The Monitor expects that CMI will have sufficient non-capital losses from prior years to offset against this income.

Proposed Payment Under the Settlement Agreement

54. Pursuant to an Acknowledgement and Settlement Agreement (the "**Settlement Agreement**") between CMI and TDH dated August 28, 2001, CMI is entitled to up to 60% of the net licensing revenues with respect to certain seismic data which CMI had previously transferred and conveyed to TDH accruing from August 28, 2001 to September 30, 2004 (to a maximum of \$1,200,000.00). Pursuant to Section 2.04 of the Settlement Agreement, TDH and CMI agreed that if CMI did not receive \$1,200,000.00 by September 30, 2004 as a result of the licensing revenues, TDH would make a top-up payment to CMI equal to the difference between the amount actually received by CMI and \$1,200,000.00. As at the date of this report, CMI has not received any net licensing revenue under the Settlement Agreement.

55. As part of the total consideration of the Shapco Transactions, pursuant to the Agreement Respecting the Acknowledgement and Settlement Agreement (the “**Agreement Respecting the Settlement Agreement**”) between TDH and CMI (a copy of which is attached hereto as **Appendix “K”**), TDH agreed that the applicable amount of revenue interest payable by TDH to CMI pursuant to Section 2.04 of the Settlement Agreement is \$1,200,000.00 (the “**Settlement Amount**”).
56. The completion of the transaction contemplated under the Agreement Respecting the Settlement Agreement is conditional only upon obtaining a Court Order approving the entering into of the Agreement Respecting the Settlement Agreement.
57. The Monitor understands that CMI will be required to include in its income the Settlement Amount. The Monitor expects that CMI will have sufficient non-capital losses from prior years to offset against this income.

The Shapco Transactions Should Be Approved

58. The consideration to be received by CMI in connection with the transfer of its interest in the Oil and Gas Rights, the Seismic Data and the Hydrocarbon Rights is based in part on valuations of the fair market value of these assets prepared by Arcis/Kary Data (with respect to the Seismic Data) as at June 2008 and Apex Applied Petroleum Engineering Expertise (with respect to the Oil and Gas Rights and the Hydrocarbon Rights) as of January 1, 2008. The valuations were subsequently updated by Shapco and Four Star.

Updated valuations from a third party valuator could be obtained at substantial additional cost.

59. As referenced above, New Canwest and CTLP are the only parties with an economic interest in CMI's interests in the Assets, as well as in the Plan Implementation Fund from which the costs of an updated valuation would be paid. New Canwest and CTLP consented to not obtaining updated valuations of the Assets and to the Settlement Amount to be received by CMI in connection with the Settlement Agreement for revenue interest payable by TDH to CMI. Shapco has informed the Monitor that settlement of the Notes for \$40.00 is a condition to proceeding with the other transactions and New Canwest and CTLP have also consented to the settlement of the Notes for \$40.00.

RECOMMENDATION AND CONCLUSIONS

60. The Monitor is seeking approval of the Shapco Transactions:
- (a) the sale of the Assets to TDH and LHS, as applicable, for total gross consideration of \$240,793.70 (being \$237,050.00 plus \$3,743.70 in GST);
 - (b) the payment of the Settlement Amount being \$1,200,000.00 to CMI pursuant to the Agreement Respecting the Settlement Agreement; and
 - (c) the settlement of the Promissory Notes held by Multisound for aggregate consideration of \$40.00

61. As a result of the Shapco Transactions, CMI will receive total consideration of \$1,440,833.70 (being \$1,437,090.00 plus \$3743.70 in GST) and the Monitor recommends that the Shapco Transactions and the related agreements be approved and Orders vesting the Assets in LHS and TDH be granted.

All of which is respectfully submitted this 15th of November, 2011.

- (b) to have waived any default by or rescinded any demand for payment against any CMI Entity that has occurred on or prior to the Plan Implementation Date pursuant to, based upon or as a result of any provision, express or implied, in any agreement or other arrangement, written or oral, existing between such Affected Creditor and such CMI Entity with respect to an Affected Claim;
- (c) to have agreed that, if there is any conflict between the provisions, express or implied, of any agreement or other arrangement, written or oral, existing between such Affected Creditor and any CMI Entity with respect to an Affected Claim as at the Plan Implementation Date and the provisions of the Plan, then the provisions of the Plan take precedence and priority and the provisions of such agreement or other arrangement are amended accordingly; and
- (d) from and after the Effective Time, such Affected Creditor shall be deemed to have waived any and all defaults of the CMI Entities (except defaults under the securities, contracts, instruments, releases and other documents delivered under the Plan or entered into in connection therewith or pursuant thereto) then existing or previously committed by the CMI Entities or caused by the CMI Entities, directly or indirectly, or non-compliance with any covenant, warranty, representation, term, provision, condition or obligation, express or implied, in any contract, credit document, agreement for sale, lease or other agreement, written or oral, and any and all amendments or supplements thereto, existing between such Affected Creditor and the CMI Entities arising from the filing by the Applicants under the CCAA or the transactions contemplated by the Plan and the failure by any CMI Entity to receive any consent from such Affected Creditor to any transaction contemplated by the Plan, including a default arising therefrom under a covenant relating to any affiliate or a Canwest Subsidiary other than the CMI Entities, and any and all notices of default and demands for payment under any instrument, including any guarantee arising from such default, shall be deemed to have been rescinded.

7.6 Multiple Affected Claims

At the Effective Time, for distribution purposes under the Plan, in respect of all Affected Creditors and their rights in respect of Affected Claims: (a) all guarantees and indemnities of a Plan Entity of the payment or performance by another Plan Entity with respect to any Affected Claim will be deemed eliminated and cancelled; and (b) any Affected Claim against a Plan Entity and all guarantees and indemnities by a Plan Entity of any such Affected Claim will be treated as a single Affected Claim against the Plan Entities.

For greater certainty, the treatment of Affected Claims as provided in this Section 7.6 will not affect the legal and corporate structures of the CMI Entities or cause any CMI Entity to be liable for any Claim for which it is not otherwise liable.

ARTICLE 8 GENERAL

8.1 Amendments

Before and during each Meeting, the CMI Entities may at any time and from time to time, amend the Plan by written instrument and the Monitor shall post such amendment on the Website, subject to the receipt of the prior written consent to such amendment of the Plan Sponsor and the Ad Hoc Committee. The CMI Entities will give reasonable written notice to all Affected Creditors present at each Meeting of the details of any such amendment prior to the vote being taken to approve the Plan. After the Meetings, the CMI Entities may at any time and from time to time amend the Plan by written instrument if (a) the Court, the CMI Entities, the Ad Hoc Committee and the Plan Sponsor, or (b) the Monitor, the CMI Entities, the Plan Sponsor and the Ad Hoc Committee without the need for obtaining an Order, consent to such amendment and determine that such amendment would not be materially prejudicial to the interests of the Affected Creditors under the Plan or is necessary to give effect to the full intent of the Plan or the Sanction Order, provided that the CMI Entities shall give reasonable written notice of the details of any such amendment to Affected Creditors that have filed a notice of appearance in the CCAA Proceedings and shall post such notice on the Website. The Applicants will file a copy of any amendment to the Plan with the Court, but no notice will be provided to Affected Creditors, other than as provided in this Section 8.1, and no additional vote of the Affected Creditors will be necessary to give effect to such amendment to the Plan.

8.2 Non-Consummation of the Plan

If the Sanction Order is not issued, the Plan will be null and void in all respects and any claim, settlement, compromise or assignment embodied in the Plan, any restructuring, termination, disclaimer or resiliation of executory contracts, any releases effected by the Plan and any document or agreement executed pursuant to the Plan will be deemed null and void. If the Sanction Order is not issued or subsequently the Plan is not implemented, nothing contained in the Plan, and no act taken in preparation for implementation of the Plan will: (a) constitute or be deemed to constitute a waiver or release of any Claims by or against any CMI Entity or any Person; (b) prejudice in any manner, the rights of any CMI Entity or any Person in any further proceedings involving a CMI Entity; or (c) constitute an admission of any sort by any CMI Entity or any other Person, including in respect of the classification of creditors.

8.3 Contracts and Leases

Except as otherwise provided in the Plan, as of the Effective Time, each Plan Entity shall be deemed to have ratified each executory contract and unexpired lease to which it is a party (other than in respect of Claims arising from such contract or lease which for greater certainty will be Affected Claims of which are compromised pursuant to the Plan), unless such contract or lease: (a) was previously disclaimed, resiliated or terminated by such Plan Entity; (b) previously expired or terminated pursuant to its own terms; or (c) was amended as evidenced by a written agreement with the Plan Entity and in such case, the amended contract or lease shall be deemed ratified.

8.4 Preferential Transactions

Section 36.1 of the CCAA, sections 95 to 101 of the BIA and any federal or provincial Law relating to preferences, fraudulent conveyances or transfers at undervalue shall not apply to the Plan or to any payments or distributions made in connection with the restructuring and recapitalization of the CMI Entities, whether made before or after the Filing Date, including to any and all transactions contemplated by and to be implemented pursuant to the Plan.

8.5 Severability of Plan Provisions

If, prior to the Effective Time, any provision of the Plan is held by the Court to be invalid, void or unenforceable, the Court, at the request of the Applicants and subject to the consent of the Monitor, the Plan Sponsor and the Ad Hoc Committee, may alter and interpret such provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of such provision, and such provision will then be applicable as altered or interpreted and the remainder of the provisions of the Plan will remain in full force and effect and will in no way be invalidated by such alteration or interpretation.

8.6 Deeming Provisions

In the Plan, the deeming provisions are not rebuttable and are conclusive and irrevocable.

8.7 Paramountcy

Except with respect to the Unaffected Claims, from and after the Effective Time, any conflict between the Plan and the covenants, warranties, representations, terms, conditions, provisions or obligations, expressed or implied, of any contract, mortgage, security agreement, indenture, trust indenture, loan agreement, commitment letter, agreement for sale, bylaws of the CMI Entities, lease or other agreement, written or oral and any and all amendments or supplements thereto existing between one or more of the Affected Creditors and the CMI Entities as at the Plan Implementation Date will be deemed to be governed by the terms, conditions and provisions of the Plan and the Sanction Order, which shall take precedence and priority.

8.8 Set-Off

The law of set-off applies to all Affected Claims.

8.9 Responsibilities of the Monitor

FTI is acting in its capacity as Monitor in the CCAA Proceedings with respect to the CMI Entities and not in its personal or corporate capacity and will not be responsible or liable for any obligations of any CMI Entity under the Plan or otherwise, including with respect to the making of distributions or the receipt of any distribution by an Affected Creditor pursuant to the Plan or the Plan Emergence Agreement. The Monitor will have the powers and protections granted to it by the Plan, the CCAA, the Initial Order, the Meeting Order, the Sanction Order and any other Order.

8.10 Different Capacities

Persons who are affected by the Plan may be affected in more than one capacity. Unless expressly provided herein to the contrary, a Person will be entitled to participate hereunder in each such capacity in accordance with the Meeting Order. Any action taken by a Person in one capacity will not affect such Person in any other capacity, unless otherwise provided in the Meeting Order, or unless expressly agreed by the Person in writing.

8.11 Further Assurances

At the request of the CMI Entities, each of the Persons named or referred to in, or subject to, the Plan will execute and deliver all such documents and instruments and do all such acts and things as may be necessary or desirable to carry out the full intent and meaning of the Plan and to give effect to the transactions contemplated herein, notwithstanding any provision of the Plan that deems any transaction or event to occur without further formality.

8.12 Governing Law

The Plan will be governed by and construed in accordance with the Laws of the Province of Ontario and the Laws of Canada applicable therein.
