Order Sought:

1. The Applicant, Coalspur Mines (Operations) Ltd. (“Coalspur” or the “Applicant”), seeks an Initial Order (the “Initial Order”), under the *Companies’ Creditors Arrangement Act*, RSC 1985, c. C-36 (the “CCAA”) substantially in the form attached hereto as Schedule “A”:
 - (a) declaring that the Applicant is a company to which the CCAA applies;
 - (b) authorizing the Applicant to remain in possession and control of its current and future assets, undertakings and properties of every nature and kind whatsoever, and wherever situate including all proceeds thereof (the “Property”) and continue to carry on business in a manner consistent with the preservation of its business (the “Business”) and Property;
 - (c) entitling the Applicant to make payment of all obligations owing in respect of employee wages and benefits;
 - (d) entitling the Applicant to pay reasonable expenses incurred by it in operating the Business in the ordinary course, including making payment of obligations owing in respect of goods and services supplied to the Applicant prior to the date of the Initial Order, subject to the consent of the Monitor;
 - (e) staying, for an initial period of not more than ten (10) days (the “Stay Period”), all proceedings and remedies taken or that might be taken in respect of the Applicant, the Business, or the Property, except as otherwise set forth in the Initial Order or otherwise permitted by law;
 - (f) preventing any Person from accelerating performance of any rights in respect of the Applicant, except with the written consent of the Applicant and the Monitor, or leave of this Honourable Court;
 - (g) restraining any Person from interfering with the supply of goods or services to the Applicant;

- (h) staying all proceedings and remedies taken or that might be taken in respect of claims against the directors or officers of the Applicant that relate to liability of such Persons in their capacity as directors or officers of the Applicant, except as otherwise set forth in the Initial Order or otherwise permitted by law;
- (i) appointing FTI Consulting Canada Inc. (“FTI”) as Monitor of the Applicant in these proceedings;
- (j) authorizing the Applicant to pay all reasonable fees and disbursements of its counsel, the Monitor and the Monitor’s counsel;
- (k) granting an Administration Charge in the amount of \$250,000 CAD;
- (l) scheduling a comeback application for hearing at a date and time to be set by this Honourable Court, but in no event later than May 6, 2021; and
- (m) such further and other relief as the Applicant may request and this Honourable Court may grant.

Basis for this claim:

2. Coalspur is a company to which the CCAA applies. It is a company which has claims against it in excess of \$5,000,000, and is insolvent.
3. Coalspur is an Alberta coal development company which owns and operates the Vista Coal Mine Project located approximately 10 kilometers east of Hinton, Alberta (the “Vista Coal Mine Project” or the “Project”). Coalspur is one of the most significant employers in the Hinton and Edson regions of Alberta, providing full time employment to more than 300 individuals.
4. While Coalspur’s operations have significant value, with Phase I alone having the capacity to produce roughly 6.5 million tonnes of clean coal per year, Coalspur’s ability to conduct its business and generate revenue and liquidity has been severely impacted by:

- (a) the shut down of the mine in February 2021 as a result of a permitting issue with the AER, thereby suspending all coal production and cutting off Coalspur's only source of revenue; and
 - (b) the simultaneous crystallization of an approximately \$59.9 million USD hedge obligation to Trafigura Lte. Ltd. following the rapid escalation in global coal prices in late 2020.
- 5. The result of the foregoing was to leave Coalspur with no inventory capable of monetization, little liquidity, and no ability to generate new coal production or revenue streams because of Project shut down. What little liquidity remained available to Coalspur was required to fund basic care and maintenance operations at the Project to protect the health and safety of all employees, safeguard the environment, and preserve the Project's assets and infrastructure.
- 6. As a result of Coalspur's lack of meaningful revenue since January, Coalspur currently faces a significant amount of ageing trade payables and declining liquidity to maintain care and maintenance operations at the Vista Coal Mine Project. Coalspur only has sufficient liquidity to allow it to maintain the Project on care and maintenance until the week of June 4, 2021.
- 7. Coalspur has now resolved the permitting issue with the AER and received approvals to restart mining operations. However, Coalspur lacks sufficient funding to restart the Project and begin producing coal because of the depletion of its coal inventory and the loss of all revenue since January 2021. Coalspur requires a significant injection of capital to fund it through mine start-up and initial production.
- 8. While Coalspur has not sought approval of interim financing and an Interim Financing Charge in this Originating Application, it is diligently working to finalize such financing and is hopeful to be in a position to seek approval at the hearing of this Originating Application of interim financing in an amount sufficient for the continued operation of Coalspur in the ordinary course of business (including restart and operation of the Vista Coal Mine Project, the sole and ordinary business of Coalspur) during the initial 10-day

period. In the event that Coalspur is in a position to apply for such relief, it will file an Amended Originating Application and a supplemental affidavit.

9. Coalspur urgently requires the protection of the CCAA in order to: (a) stabilize its Business and facilitate a restart of the mine for the benefit of all stakeholders; and (b) provide time to it to apply for and conduct a sales and investment solicitation process, identify and assess potential transactions and review other strategic alternatives that may be available to maximize the value of Coalspur for all stakeholders.

Affidavit or other evidence to be used in support of this application:

10. The Affidavit of Michael Beyer, sworn April 19, 2021.
11. Pre-Filing Report of the Monitor, to be filed.

Applicable Acts and regulations:

12. *Companies' Creditors Arrangement Act*, RSC 1985, c. C-36.
13. *Judicature Act*, RSA 2000, c J-2.
14. *Rules of Court*, Alta Reg 124/2010.
15. Such further and other acts and regulations as counsel may advise and this Honourable Court may permit.

WARNING

You are named as a respondent because you have made or are expected to make an adverse claim in respect of this originating application. If you do not come to Court either in person or by your lawyer, the Court may make an order declaring you and all persons claiming under you to be barred from taking any further proceedings against the applicant(s) and against all persons claiming under the applicant(s). You will be bound by any order the Court makes, or another order might be given or other proceedings taken which the applicant(s) is/are entitled to make without any further notice to you. If you want to take part in the application, you or your lawyer must attend in Court on the date and at the time shown at the beginning of this form. If you intend to give evidence in response to the application, you must reply by filing an affidavit or other evidence with the Court and serving a copy of that affidavit or other evidence on the applicant(s) a reasonable time before the application is to be heard or considered.
