-PROXYHOLDER-

NOTE

The Act permits a proof of claim to be made by a duly authorized representative of a creditor but, in the absence of a properly executed proxy, does not give such an individual the power to vote at the first meeting of creditors nor to act as the proxyholder of the creditors.

Notes:

- A creditor may vote either in person or by proxyholder.
- A proxy may be filed at any time prior to a vote at a meeting of creditors.
- A proxy can be filed with the trustee in person, by mail or by any form of telecommunication.
- A proxy does not have to be under the seal of a corporation unless required by its incorporating documents or its bylaws.
- The individual designated in a proxy cannot be substituted unless the proxy provides for a power of substitution.
- Bankrupts/debtors may not be appointed as proxyholders to vote at any meeting of their creditors. The trustee may be appointed as a proxyholder for any creditor.
- A corporation cannot be designated as a proxyholder.
