- the Purchaser to pay all the aforementioned taxes payable in connection with the transactions contemplated by this Agreement, whether arising from reassessment or otherwise;
- b. any and all fees and disbursements, including legal and other professional fees and disbursements related to a proposal made (if any), any Agreement of Purchase and Sale resulting therefrom, any and all searches, evaluations, consultations or representations, which the Purchaser may wish to do or has done; and,
 - c. any and all costs and expenses relating to the preparation and execution of any proposal (if any) or deed of sale, the registration and preparation of authentic copies thereof.
21. The Receiver shall not be required to furnish or produce any abstract, survey, deed, declaration or any other document or evidence of title except as such is in its possession, if any.
22. Prior to the Closing Date, all Assets shall be and will remain in the possession of and at the risk of the Receiver. After the Closing Date, Assets shall be at the risk of the Purchaser. In the event of a loss or damage to the Assets occurring on or before the closing of the transaction, the Purchaser may either acquire the damaged Assets as is without further compensation from the Receiver or a reduction in the selling price or he may terminate the agreement and recover all sums already paid to the Receiver without interest, cost or compensation.
23. If a sale contemplated by an Agreement of Purchase and Sale is not completed because of the Purchaser's default, the Purchaser's Deposit and all other payments made in connection with the purchase price shall be retained and fully earned by the Receiver as liquidated damages, without prejudice to the Receiver's rights and recourse against the Purchaser to seek additional damages or other remedies, and the Assets may be resold by the Receiver and the Purchaser shall pay to the Receiver: **(i)** an amount equal to the amount, if any, by which the Purchase Price under the Agreement of Purchase and Sale exceeds the net purchase price received by the Receiver pursuant to such resale, and **(ii)** an amount equal to all costs and expenses incurred by the Receiver in respect of or occasioned by the Purchaser's failure to comply with an Agreement of Purchase and Sale.
24. The submission of a proposal to the Receiver shall constitute an acknowledgment that the Purchaser has reviewed, understood, acknowledged and agreed to the terms of this Confidential Information Memorandum, including without limitation the accompanying "Notice to Reader", as well as these "Terms and Conditions of Sale", all of which shall be deemed to be included in such proposal as if recited therein at length.
25. 26. The present Confidential Information Memorandum, any proposal or offer, any Agreement of Purchase and Sale and any instruments of transfer shall be governed by the laws of Quebec and Canada, where applicable, and such agreement shall ensure to the benefit of and be binding upon the parties thereto, and their respective heirs, executors, administrators, successors or assigns as the case may be, provided that a Purchaser may not assign or transfer any of its rights or obligations under any Agreement of Purchase and Sale without the prior written consent of the Receiver, which may be withheld in the Receiver's sole discretion.
27. The Terms and Conditions of Sale contained herein shall not merge on the closing of the transaction contemplated by any Agreement of Purchase and Sale but shall survive such closing and remain in full force and effect and be binding on the Purchaser thereafter, or any subsequent purchaser (if any).
28. In the event of a discrepancy between the French and English version of this document, the French version will prevail.
