AFFIDAVIT OF JONATHAN TIBUS

(Sworn May 20, 2024)

I, **Jonathan Tibus**, of the City of Atlanta, in the State of Georgia, **MAKE OATH AND SAY** as follows:

1. I am the Chief Executive Officer (“**CEO**”) of Red Lobster Management LLC (“**RL Management**”) and all of its direct and indirect wholly-owned subsidiaries (the “**RL Group**”), including Red Lobster Canada, Inc. (“**RL Canada**”). I was appointed CEO in March of 2024. Prior to that, I served from January 2024 to March 2024 as chief restructuring officer (“**CRO**”). I am also Managing Director at Alvarez & Marsal North America, LLC. My qualifications and background are more fully set out in my declaration (the “**First Day Declaration**”), filed in support of the Debtors’ (as defined below) petitions for relief pursuant to chapter 11 of title 11 of the US Code (the “**Bankruptcy Code**”). A copy of the First Day Declaration is attached hereto as **Exhibit “A”**.

2. I am familiar with the day-to-day operations, business, and financial affairs, and books and records of RL Management and its subsidiaries, RL Canada, Red Lobster Restaurants LLC,

RLSV, Inc., Red Lobster Hospitality LLC (“**RL Hospitality**”), RL Kansas LLC, Red Lobster Sourcing LLC, Red Lobster Supply LLC, RL Columbia LLC, RL of Frederick, Inc., Red Lobster of Texas, Inc., RL Maryland, Inc., Red Lobster of Bel Air, Inc., RL Salisbury LLC and Red Lobster International Holdings LLC (collectively, the “**Debtors**”). As such, I have personal knowledge of the matters deposed to in this affidavit, or where I do not possess such personal knowledge, I have stated the source of my information, and in all such cases I believe that both the information and the resulting statement to be true.

3. On May 19, 2024, (the “**Petition Date**”), the Debtors filed voluntary petitions for relief pursuant to the Bankruptcy Code (collectively, the “**Petitions**” and each a “**Petition**”) with the United States Bankruptcy Court for the Middle District of Florida, Orlando Division (the “**US Court**”). Attached hereto and marked as **Exhibit “B”** is a true copy of the filed Petitions. The Debtors requested that the Petitions be jointly administered for procedural purposes only.

4. As of the date of this Affidavit, I am not aware of any other insolvency proceedings involving the Debtors, other than the proceedings before the US Court commenced by the Petitions (the “**US Proceedings**”) and these proceedings.

5. The Debtors have filed certain “First Day Pleadings” in the US Proceedings seeking various relief from the US Court, including the entry of an order (the “**Foreign Representative Order**”) authorizing RL Management to act as the foreign representative in respect of the Debtors and the US Proceedings (in such capacity, the “**Foreign Representative**”). A hearing in respect of the First Day Pleadings (the “**First Day Hearing**”) is expected to be heard by the US Court on May 21, 2024. If the US Court grants the orders requested by the First Day Motions

(the “**First Day Orders**”), including the Foreign Representative Order, the First Day Orders are expected to be available shortly thereafter.

6. Capitalized terms used and not defined in this affidavit have the meanings given to them in the First Day Declaration.

7. Unless otherwise indicated, dollar amounts referenced in this affidavit are references to United States Dollars.

8. This affidavit is sworn in support of an application made by RL Management, in its capacity as the proposed Foreign Representative, for an order (the “**Interim Stay Order**”) pursuant to Part IV of the *Companies’ Creditors Arrangement Act* (Canada) (the “**CCAA**”) and Section 106 of the *Courts of Justice Act* (Ontario), among other things, granting an interim stay of proceedings in respect of itself and Debtors RL Canada and RL Hospitality (in such capacity, the “**Canadian Debtors**”) in Canada (the “**Interim Stay**”).

9. To the best of my knowledge, the remaining Debtors do not conduct business or own property or assets in Canada.

10. Once the Foreign Representative Order has been entered by the US Court, RL Management, in its capacity as Foreign Representative, will return to this Court to seek:

i. an order (the “**Initial Recognition Order**”), among other things:

(a) recognizing RL Management as the Foreign Representative in respect of the US Proceedings;

- (b) recognizing the US Proceedings as a “foreign main proceeding” in respect of the Canadian Debtors; and
 - (c) granting a stay of proceedings in respect of the Canadian Debtors in Canada; and
- ii. an order (the “**Supplemental Order**”), among other things:
 - (a) recognizing certain of the First Day Orders issued by the US Court in the US Proceedings, including, among others, an order approving the DIP Facilities (as defined below) (the “**US DIP Order**”);
 - (b) granting a stay of proceedings in respect of the Canadian Debtors and their directors and officers in Canada;
 - (c) appointing FTI Consulting Canada, Inc. as information officer in respect of these proceedings (in such capacity, the “**Information Officer**”);
 - (d) granting a Court-ordered charge over the Canadian assets and property of the Canadian Debtors in favour of Canadian counsel to the Debtors, the Information Officer and counsel to the Information Officer (the “**Administration Charge**”);
 - (e) granting a Court-ordered charge over the Canadian assets and property of the Canadian Debtors securing the DIP Facility (the “**DIP Charge**”); and
 - (f) granting a Court-ordered charge over the Canadian assets and property of the Canadian Debtors to secure the indemnity obligations of the Canadian

Debtors to their directors and officers in respect of the obligations and liabilities that such directors and officers may incur during these proceedings in their capacities as directors and officers (the “**D&O Charge**”).

11. The Debtors’ objective in the US Proceedings is to implement an orderly process for the benefit of all parties in interest, which will include a sale of all or substantially all of the assets of the Debtors, including the assets or shares of RL Canada, and otherwise wind-down certain aspects of the business.

12. As described in greater detail herein, RL Canada, a Delaware corporation, is the entity that operates the Red Lobster business in Canada. There is no separate entity incorporated in a Canadian jurisdiction. RL Canada owns or leases all of the RL Group’s property in Canada and employs all the RL Group’s employees in Canada. RL Management is the direct parent company of RL Canada and owns all of the shares of RL Canada. RL Hospitality is the registered owner of intellectual property in Canada.

13. The Foreign Representative intends to seek recognition in Canada of the US Proceedings of the Canadian Debtors in order to preserve the value of the Canadian Business (as defined below) and to provide a platform for recognition of relevant orders impacting the Canadian Business in Canada.

14. At this time, RL Management is seeking the proposed Interim Stay Order to preserve the stability of the Canadian Business until such time as RL Management, in its capacity as formally appointed Foreign Representative, can return to the Canadian Court to seek recognition of the US Proceedings of the Canadian Debtors. If granted, the proposed Interim Stay Order will

provide the Interim Stay in favour of the Canadian Debtors and in doing so will give effect in Canada to the automatic stay of proceedings in the US Proceedings on an interim basis.

I. THE RL GROUP

a. Background

15. The Debtors are part of a leading seafood restaurant unit operator in the United States and Canada, which is one of the largest sustainable seafood purchasers worldwide. The RL Group is headquartered in Orlando, Florida and operates approximately 551 restaurants in the United States. The RL Group expanded into Canada in 1983 and now operates 27 restaurants in four provinces (Ontario, Alberta, Manitoba and Saskatchewan).

16. In recent years, the RL Group, like many other casual dining restaurants, faced significant challenges, including disruptions to its supply chain, hyperinflation affecting food, labor, and delivery costs, substantial increases in the cost of capital and real property leases, and shifts in casual dining trends both during and after the COVID-19 pandemic.

17. Furthermore, the RL Group faced financial performance challenges as a result of its “Ultimate Endless Shrimp” promotion, which caused a significant cash drain for the RL Group due in large part to this promotion being made a permanent menu item. This decision created both operational and financial issues for the Debtors and saddled the Debtors with burdensome supply obligations.

18. Beginning in June 2023, the RL Group launched a plan to improve its operations through key initiatives intended to promote growth, reduce spend and waste, and procure high quality products.

19. Despite the efforts to improve operations over the previous twelve months, the RL Group has continued to face significant liquidity and operational challenges, which were exacerbated and accelerated by significant over-market and under-performing leases and poor operational and marketing decisions by prior management.

b. RL Group

20. All of the Debtors are indirect wholly owned subsidiaries of Red Lobster Master Holdings, L.P., (“**RL Master LP**”) which operates the RL Group in partnership with its General Partner, Red Lobster Master Holdings GP, LLC (“**RL Master GP**”). RL Master GP is wholly owned by the RL Group’s equity sponsor, Thai Union Group Public Company Limited (and, together with its subsidiaries, excluding the Debtors, “**Thai Union**”). RL Management is an indirect subsidiary of RL Master LP and wholly owns and operates the other Debtors, including RL Canada and RL Hospitality. An organization chart of the RL Group is attached hereto as **Exhibit “C”**.

21. The Debtors’ core management functions are performed in the US in respect of both the US and Canadian operations.

22. As of the Petition Date, the RL Group has approximately 36,000 employees worldwide, which includes approximately 2000 employees in Canada, all of whom are employed by RL Canada and the vast majority of whom are part-time employees.

II. RL CANADA AND THE CANADIAN BUSINESS

23. RL Canada and its business operations in Canada are described below (the “**Canadian Business**”).

a. Operations

24. RL Canada is a Delaware corporation that is a wholly owned subsidiary of RL Management. RL Canada does not have any subsidiaries. RL Canada is registered on an extra-jurisdictional basis in Ontario, Alberta, Manitoba and Saskatchewan, as evidenced by the corporate search results attached hereto as “**Exhibit “D”**” The registered office of RL Canada is located at 450 S Orange Avenue, 800, Orlando, Florida, 32801. RL Canada operates all 27 RL Group restaurants located in Canada.

b. Real Property

25. RL Canada owns two properties in Canada (the “**Owned Properties**”), including:

- i. 67 King George Road, Brantford, Ontario, N3R 5K2, which is used by RL Canada as the premises for a restaurant. Attached hereto as **Exhibit “E”** is a title search for this property; and
- ii. 1790 The Queensway, Etobicoke, Ontario, M9C 5H5. RL Canada owns the building at this location but not the land, which it leases pursuant to a ground lease (the “**Etobicoke Ground Lease**”).

26. RL Canada leases 26 properties in Canada (the “**Leased Properties**”), as summarized below:

- i. 13 restaurant locations pursuant to a master lease (the “**Master Lease**”) between RL Canada as lessee and 3301669 NOVA SCOTIA COMPANY as lessor. Eight of these locations are in Ontario, two are in Alberta, two are in Saskatchewan and one is in Manitoba. Under the Master Lease, Red Lobster

Intermediate Holdings LLC (“**Holdings**”), the direct parent of RL Management, has guaranteed the performance of all RL Canada’s obligations pursuant to the Master Lease.

ii. 13 restaurant locations pursuant to individual leases with various landlords. 11 of these locations are in Ontario and two are in Alberta. The Etobicoke Ground Lease is among these individual leases. Certain of these leases are guaranteed by various parties.

27. The commencement of the US Proceedings potentially constitutes an event of default under each of the leases (the “**Leases**”) in respect of the Leased Properties.

c. Canadian Workforce

28. As of the Petition Date, RL Canada had approximately 2000 employees. RL Canada’s employees are employed in Ontario, Alberta, Saskatchewan and Manitoba.

29. Of RL Canada’s employees, 155 are unionized, pursuant to two separate collective bargaining agreements. One of these collective bargaining agreements is with United Food and Commercial Workers Canada (Local 1006A), which covers RL Canada employees at the RL restaurant in Burlington, Ontario. The other collective bargaining agreement is with United Food and Commercial Workers Canada Union, Local 401, which covers employees at the RL Canada restaurant at 10111 171 Street NW in Edmonton, Alberta.

30. The vast majority of RL Canada’s employees serve in part-time roles.

31. RL Canada does not have a pension plan set up for any of its Canadian employees.

d. Cash Management

32. RL Canada holds money in accounts in Canada with Royal Bank of Canada (the “**Canadian Accounts**”). The Canadian Accounts include a Master Concentration Account which holds and disburses all aggregate funds generated by the Canadian Business. Additional information about the Debtors’ cash management system will be provided in connection with a subsequent motion by the Foreign Representative for the Initial Recognition Order and Supplemental Order.

III. THE DEBTORS

33. As noted above, the Debtors include RL Management, RL Canada and RL Hospitality. The jurisdiction of incorporation of each of the Debtors is set out on the corporate organization chart attached hereto.

34. RL Management and RL Hospitality are both corporations incorporated under the laws of Delaware. RL Management is the sole shareholder and direct parent of RL Canada and RL Hospitality. Other than RL Canada, the Debtors do not directly carry on a business in Canada, and do not have any employees in Canada. RL Hospitality, as described herein, is the registered owner of intellectual property in Canada. I am not aware of any Canadian assets owned by any of the Debtors other than by RL Canada and RL Hospitality as described herein, including real property (other than retainers paid to the Debtors’ Canadian counsel, Blake, Cassels & Graydon LLP).

IV. PREPETITION CAPITAL STRUCTURE

35. As of the Petition Date, the Debtors’ outstanding third-party funded debt obligations totalled approximately \$294 million (the “**Prepetition Secured Debt**”), which are summarized in the table below and described in detail in the First Day Declaration:

Funded Debt	Maturity	Approximate Outstanding Principal Amount as of the Petition Date
Secured Debt		
Prepetition ABL Revolving Facility	January 2025	\$29.3 million (of issued letters of credit)
Prepetition Term Facility	January 2026	\$264.7 million
	Total Funded Debt	\$293.8 million

a. Secured Debt

36. The Prepetition Secured Debt arises under:

- i. The Asset Based Lending Credit Agreement dated as of January 22, 2021 (as amended, restated, amended and restated, modified, or otherwise supplemented from time to time, the “**Prepetition ABL Credit Agreement**”) between Holdings and RL Management as Borrowers and the Debtors, including RL Canada, as guarantors (the “**ABL Guarantors**” and, together with Holdings and RL Management, the “**ABL Loan Parties**”) and the lenders from time to time party thereto (each a “**Prepetition ABL Lender**” and, collectively, the “**Prepetition ABL Lenders;**”) and Wells Fargo Bank, National Association, as administrative agent for the Prepetition ABL Lenders, which provides for a \$100.0 million commitment, including a \$40 million sublimit for letters of credit (the “**Wells**

Fargo Letters of Credit”). As of the Petition Date, there are approximately \$29.3 million in issued and outstanding Wells Fargo Letters of Credit.

- ii. The Financing Agreement dated as of January 22, 2021 (as amended, restated, amended and restated, modified, or otherwise supplemented from time to time, the “**Prepetition Term Credit Agreement**”), between Holdings and RL Management as Borrowers and the Debtors, including RL Canada, as guarantors (the “**Term Guarantors**” and, together with Holdings and RL Management, the “**Term Loan Parties**”, together with the ABL Loan Parties, the “**Loan Parties**”) and the lenders from time to time party thereto (the “**Prepetition Term Loan Lenders**”) led by Fortress Credit Corporation as administrative agent (the “**Prepetition Term Loan Agent**”). As of the Petition Date, the Prepetition Term Loan Lenders are owed approximately \$264.7 (the “**Prepetition Term Facility**”).

37. Together, the ABL Credit Agreement and the Prepetition Term Credit Agreement are referred to as the “**Prepetition Secured Debt Agreements**”.

38. I am advised by Caitlin McIntyre, an associate at Blake, Cassels & Graydon LLP, that lien searches (the “**Registry Searches**”) were conducted in respect of RL Canada in each province in which RL Canada operates (Ontario, Manitoba, Saskatchewan and Alberta) and in British Columbia. Fortress Credit Corporation has made registrations against all the assets of RL Canada in Ontario, Manitoba, Saskatchewan and Alberta save consumer goods. Wells Fargo Bank, National Association has made a registration in Ontario against RL Canada over all collateral classes, save consumer goods. There are also registrations against RL Canada by secured parties over equipment and motor vehicles in Ontario, Saskatchewan and Alberta.

Attached hereto and marked as **Exhibit “F”** is a summary of the search reports in the applicable personal property registries for RL Canada.

39. Registry Searches were also conducted in respect of RL Management in Ontario, Manitoba, Saskatchewan, British Columbia and Alberta. One registration has been made against RL Management in Ontario and British Columbia by Wells Fargo Bank, National Association over all collateral classes save consumer goods. Attached hereto and marked as **Exhibit “G”** is a summary of the search reports applicable personal property registries for RL Management.

40. Registry searches were also conducted in respect of RL Hospitality which revealed no registrations.

41. The Debtors have no funded unsecured debt. In the ordinary course, the Debtors incur trade debt with certain vendors and suppliers in connection with the operation of their business.

b. Forbearance Agreements

42. In September 2023, the Debtors defaulted under certain obligations under the Prepetition Secured Debt Agreements (namely, delivering an unqualified auditor’s opinion with respect to the annual financial statements of the ABL Loan Parties and the Term Loan Parties).

43. On September 26, 2023, the ABL Loan Parties and the Term Loan Parties entered into respective forbearance agreements with both the Prepetition ABL Lenders and the Prepetition Term Loan Lenders. In exchange for certain concessions from the ABL Loan Parties and the Term Loan Parties including temporary restrictions on new extensions of indebtedness, the Prepetition ABL Lenders and the Prepetition Term Loan Lenders agreed to forbear from exercising remedies until October 26, 2023 (the “**Initial Forbearance Period**”).

44. At the end of the Initial Forbearance Period, the Prepetition Term Loan Lenders issued a notice of default as a result of additional events of default under the Prepetition Secured Debt Agreements. On February 29, 2024, the ABL Loan Parties and the Term Loan Parties entered into further forbearance agreements with both the Prepetition ABL Lenders and the Prepetition Term Loan Lenders, pursuant to which the Prepetition ABL Lenders and the Prepetition Term Loan Lenders agreed to forbear from exercising remedies until May 29, 2024.

V. INTEGRATION OF RL CANADA AND CANADIAN BUSINESS

45. RL Canada is a member of the broader, integrated network of the RL Group, which is centrally managed by the RL Group's senior leadership team in the United States. The following summarizes the degree of integration of RL Canada and the Canadian Business with RL Group's operations in the US:

- i. RL Group's senior leadership are located in the US, and they exercise primary strategic management and control of the corporate group, including RL Canada;
- ii. for the financial year ended December 31, 2023, the Canadian Business accounted for approximately 4.7% of RL Group's consolidated revenue;
- iii. the Canadian Business employed approximately 5.2% of the RL Group's overall workforce;
- iv. all of the Debtors' outstanding secured indebtedness is advanced by US-based lenders and the loan documentation is governed by US law;

v. as detailed above, RL Canada is a guarantor of the Loan Parties' secured indebtedness under the Prepetition Secured Debt Agreements and has granted security over its assets in respect thereof; and

vi. the RL Group's overall financial position is managed on a consolidated basis, principally from its US head office;

46. In summary, RL Canada is a fully integrated member of RL Group, which is centrally managed from an overall strategic and financial perspective by its senior leadership team in the US.

VI. PROPOSED SALE PROCESS

47. Following the events described above that led to the deterioration of the finances and RL Group's operations, the RL Group was unable to obtain additional capital on an out-of-court basis from the RL Group's equity sponsor, Thai Union. Given the RL Group's recent performance and existing capital structure, the RL Group has been unable to source new capital partners, either through replacement or junior capital, that would materially improve the RL Group's balance sheet difficulties.

48. As a result, the RL Group worked with the Prepetition Term Loan Lenders, led by the Prepetition Term Loan Agent, to determine and execute on a value-maximizing solution.

49. Without corresponding support from Thai Union, the Prepetition Term Loan Lenders were not willing to make additional loans to the RL Group on an out-of-court basis. With a looming liquidity crisis and no meaningful ability to raise fresh capital, the RL Group's board of

directors, currently comprised of one independent director, determined that a value-maximizing sale would be the best possible alternative.

50. The Prepetition Term Loan Lenders support a sale process and prefer that option over any type of debt forgiveness, debt equitization, or long-term funding to maintain the status quo. Therefore, the RL Group began negotiating with the Prepetition Term Loan Lenders and their advisors on the terms and implementation of a strategic transaction whereby the Prepetition Term Loan Lenders would provide the Debtors with sufficient capital to fund a chapter 11 process in the US and also serve as a stalking horse bidder (the “**Stalking Horse Purchaser**”) to purchase the RL Group as a going-concern. As a result of extensive and arms’ length negotiations, the Prepetition Term Loan Lenders and the Debtors entered into a Restructuring Support Agreement, dated May 9, 2024 (the “**RSA**”).

51. The RSA contemplates a sale of all or substantially all of the Debtors’ assets through the continuation of a marketing process commenced pre-filing (the “**Marketing Process**”) throughout which the Debtors will evaluate all qualified bids that exceed the proposed Stalking Horse Purchaser’s bid (the “**Stalking Horse Bid**”) in accordance with the proposed bidding procedures filed as part of the First Day Motions. The RSA also contemplates a recognition proceeding under Part IV of the CCAA.

52. The Marketing Process will provide a transparent and comprehensive avenue through which the Debtors will seek better and higher bids or proposals for sale transactions that provide for a sale of substantially all of the Debtors’ assets (the “**Sale Transaction**”). Upon completion of the Marketing Process, the Debtors will have comprehensively market-tested the value of their assets and the Debtors will be in the best position to select the transaction (or series of

transactions) that will maximize the value of their assets for the benefit of their creditors while also preserving as many jobs as possible.

53. Additional information will be provided regarding the Marketing Process and the Stalking Horse Bid in connection with a subsequent motion by the Foreign Representative for recognition of bidding procedures intended to be commenced in the US Proceedings.

VII. PROPOSED FINANCING

54. To facilitate the Debtors' restructuring efforts, and due to the Debtors' limited liquidity, the Debtors will seek the approval from the US Court of postpetition financing (the "**DIP Financing**") in the form of a superpriority debtor-in-possession term loan credit facility in an aggregate principal amount of \$275 million (the "**DIP Facility**"), including \$100 million of new money, to be provided by the Prepetition Term Loan Lenders (solely in such capacity, collectively, the "**DIP Lenders**"). A portion of the DIP Facility will be used to refinance obligations owed to the Prepetition Term Loan Lenders. However, there will also be a significant infusion of new capital by the DIP Lenders. Such additional financing will ensure that the Debtors continue to operate business as usual, complete a robust marketing process, sustain operations through their insolvency proceedings and implement new go-forward strategies to improve operations.

55. As a condition for providing the DIP Facilities, the DIP Lenders require that an Interim Stay be ordered in respect of the Debtors to ensure that the collateral in Canada subject to their security is protected.

56. If approved by the US Court, additional information with respect to the DIP Financing, will be provided to the Court in connection with the Foreign Representative's request for the Supplemental Order and recognition of the US DIP Order.

VIII. RELIEF SOUGHT

a. Interim Stay Order

57. By operation of the Bankruptcy Code, the Debtors (including RL Canada) obtained the benefit of an automatic stay of proceedings upon the filing of the Petitions with the US Court. The proposed Interim Stay Order provides for a stay of proceedings in Canada in favour of the Canadian Debtors in respect of their business and property in Canada. The proposed Interim Stay Order also provides for a stay of proceedings in favour of the directors and officers of the Canadian Debtors in Canada. The proposed Interim Stay will give effect in Canada to the stay of proceedings in the US Proceedings on an interim basis and provide stability and preserve the value of the Canadian Business.

58. Critically, the commencement of the US Proceedings potentially constitutes an event of default under the Leases. Absent a stay of proceedings, the landlords under the Leases could purport to terminate the Leases, jeopardizing the viability of the Canadian Business on a go-forward basis.

59. RL Canada also has a number of supply arrangements in Canada. Absent a stay of proceedings, suppliers may purport to terminate these arrangements or withhold supply, which would materially prejudice the Canadian Business.

60. Accordingly, the granting of the Interim Stay Order is critical in order to preserve the value of the Canadian Business and ensure that the RL Group's efforts to effect a global restructuring are not jeopardized by creditors in Canada exercising their rights and enforcement remedies against the Canadian Debtors, notwithstanding the automatic stay arising from the filing of the Petitions.

b. Additional Relief Expected to be Sought

61. As discussed above, the Debtors will be seeking entry of certain First Day Orders, including the Foreign Representative Order at the First Day Hearing. Once the Foreign Representative Order has been issued and entered by the US Court, the Foreign Representative will return before the Canadian Court in order to seek the Initial Recognition Order and the Supplemental Order.

62. Further background regarding the Debtors and the US Proceedings and further information in respect of the relief to be sought with respect to the Initial Recognition Order and the Supplemental Order will be provided to the Court in advance of the hearing in respect thereof.

IX. CONCLUSION

63. I believe that the relief sought in the proposed Interim Stay Order is necessary to protect the Canadian Debtors and preserve the value of the Canadian Business for the benefit of a broad range of stakeholders of the RL Group. The requested relief will provide the Canadian Debtors with the opportunity to pursue an orderly restructuring in the US Proceedings, thus maximizing value for all stakeholders.

DECLARATION OF JONATHAN TIBUS IN SUPPORT OF DEBTORS' CHAPTER 11 PETITIONS AND FIRST DAY RELIEF

Pursuant to 28 U.S.C. § 1746, I, Jonathan Tibus, hereby declare that the following is true and correct to the best of my knowledge, information, and belief:

1. I am the Chief Executive Officer (“CEO”) of Red Lobster Management LLC (“Red Lobster Management”) and all of its direct and indirect wholly-owned subsidiaries as debtors and debtors-in-possession in the above-captioned chapter 11 cases (collectively, the “Debtors” and,

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number are Red Lobster Management LLC (6889); Red Lobster Sourcing LLC (3075); Red Lobster Supply LLC (9187); RL Kansas LLC (2396); Red Lobster Hospitality LLC (5297); Red Lobster Restaurants LLC (4308); RL Columbia LLC (7825); RL of Frederick, Inc. (9184); RL Salisbury, LLC (7836); RL Maryland, Inc. (7185); Red Lobster of Texas, Inc. (1424); Red Lobster of Bel Air, Inc. (2240); RLSV, Inc. (6180); Red Lobster Canada, Inc. (4569); and Red Lobster International Holdings LLC (4661). The Debtors’ principal offices are located at 450 S. Orange Avenue, Suite 800, Orlando, FL 32801.

together with certain non-Debtor affiliates, “Red Lobster” or the “Company”). I was appointed CEO of Red Lobster in March of 2024. Prior to that, I served from January 2024 to March 2024 as chief restructuring officer (“CRO”), as described in greater detail below.

2. I am also a Managing Director at Alvarez & Marsal North America, LLC (together with employees of its affiliates—all of which are wholly-owned by its parent company and employees—its wholly-owned subsidiaries, and independent contractors, “A&M”).

3. I have been a full-time restructuring advisor for 27 years. I received a bachelor’s degree from Florida State University and an MBA from The University of Florida. I am also a Certified Insolvency and Restructuring Advisor with a Certification in Distressed Business Valuation and am a member of the American Bankruptcy Institute, the Association of Insolvency and Restructuring Advisors, and the Turnaround Management Association.

4. I have been employed by A&M for 22 years. A&M is a preeminent consulting firm with extensive experience and an excellent reputation for providing high quality, specialized management and restructuring advisory services to debtors and distressed companies. A&M’s core services include turnaround advisory services, interim and crisis management, revenue enhancement, claims management, and creditor and risk management advisory services. A&M provides a wide range of debtor advisory services targeted at stabilizing and improving a company’s financial position, including, developing or validating forecasts, business plans and related assessments of strategic position; monitoring and managing cash, cash flow, and supplier relationships; assessing and recommending cost reduction strategies; and designing and negotiating financial restructuring packages. Additionally, A&M provides advice on specific aspects of the turnaround process and helps manage complex constituency relations and communications. A&M is known for its ability to work alongside company management and key

constituents during chapter 11 restructurings. Some notable, publicly disclosed restructuring assignments that I have personally advised on include Ignite Restaurant Group, Inc. (including its Joe's Crab Shack and Brickhouse Tavern restaurant brands), California Pizza Kitchen, Kona Grill, Real Mex Restaurants, Inc., Last Call Operating Co., Krystal Company, Quiznos, Max & Erma's, and Garden Fresh (d/b/a/ Souplantation and Sweet Tomatoes).

5. I submit this declaration (this "Declaration") to assist the Court and parties in interest in understanding the events and circumstances that led to the commencement of these chapter 11 cases and in support of the motions and applications that the Debtors have filed with the Court, including the "first day" pleadings filed concurrently herewith (the "First Day Pleadings"). I am authorized to submit this Declaration on behalf of the Debtors. Except as otherwise indicated herein, the facts set forth in this Declaration are based upon my personal knowledge, my review of relevant documents, information provided to me by the Debtors' employees, advisors, or attorneys, or based upon my experience, knowledge, and information concerning the Company's operations and the restaurant industry. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

6. On May 19, 2024 (the "Petition Date"), each of the Debtors commenced a voluntary bankruptcy case in this Court (collectively, the "Chapter 11 Cases") under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (as amended, the "Bankruptcy Code"). Pursuant to sections 1107(a) and 1108 of the Bankruptcy Code, the Debtors continue to operate their businesses and manage their affairs as debtors-in-possession. As described in further detail below, immediately prior to commencing these Chapter 11 Cases, the Debtors entered into a stalking-horse asset purchase agreement, which provides for the sale of substantially all of their assets as a going concern.

7. To minimize any adverse effects on their estates as a result of the commencement of these Chapter 11 Cases, the Debtors have filed First Day Pleadings, applications and other pleadings seeking various types of customary “first day” relief. Specifically, the Debtors are requesting, among other things, that the Court: (a) approve the Debtors’ entry into a debtor-in-possession financing facility and use of cash collateral, which will provide the liquidity necessary for the Debtors to continue to operate their business during the Chapter 11 Cases; (b) authorize the Debtors to pay in full and in the ordinary course of business certain prepetition claims, including employee wage, benefit, and expense reimbursement claims and the claims of certain vendors that provide goods and services to the Debtors; (c) authorize the Debtors to continue using their existing cash management system, including their existing bank accounts; and (d) authorize the implementation of certain administrative procedures to minimize any disruption to the Debtors’ business as a result of the commencement of the Chapter 11 Cases. The First Day Pleadings are more fully described in Part V of this Declaration below. The relief sought in the First Day Pleadings is crucial to preserve and maximize value for all stakeholders and will position the Debtors for success as they transition into chapter 11.

8. I have reviewed the Debtors’ chapter 11 petitions and the First Day Pleadings, or otherwise had the contents thereof explained to me, and to the best of my knowledge, and after reasonable inquiry, believe that the relief sought in each First Day Pleading: (i) is necessary to enable the Debtors to efficiently enter into, and to operate in, chapter 11 with minimal disruption or loss of productivity or value; (ii) constitutes a critical element to the Debtors’ efforts to preserve value and maximize creditor and stakeholder recoveries; and (iii) best serves the Debtors’ estates and all parties in interest. Further, it is my belief that the relief sought in the First Day Pleadings

is narrowly tailored and necessary to achieve the goals of these Chapter 11 Cases. The facts set forth in each of the First Day Pleadings are incorporated herein by reference.

9. This Declaration is organized into the following sections: **Part I** provides an overview of Red Lobster's rich history and dominant market presence; **Part II** describes the Company's corporate organization and capital structure; **Part III** summarizes the financial and operational challenges leading to the commencement of the Debtors' Chapter 11 Cases; **Part IV** describes the Prepetition Turnaround Efforts and the Chapter 11 Cases; and **Part V** provides a summary of the First Day Pleadings, the factual bases for the relief requested therein, and other information related to these Chapter 11 Cases.

Part I
Red Lobster Past and Present

10. Red Lobster is a \$2 billion revenue international, iconic seafood restaurant chain with a rich history that spans over seven decades. Red Lobster is known the world over for providing guests with an exceptional dining experience featuring quality seafood, friendly service, and a vibrant and inviting seaside-inspired atmosphere.

11. Founded in 1968 and headquartered in Orlando, the Company has steadily grown over time from its modest roots as a single, family-owned restaurant in Lakeland, Florida into one of the world's largest and most well-known seafood restaurants, with approximately 551 U.S. restaurant locations currently in operation across forty-four states as well as 27 restaurant locations in Canada. Red Lobster also has 27 franchised locations outside the United States that operate under the Red Lobster™ brand, including locations in Mexico, Ecuador, Japan, and Thailand.

12. Today, *Red Lobster is the largest casual dining seafood chain* in the United States, *servicing over 64 million customers per year and accounting for more than half of all casual dining seafood chain locations*. Red Lobster wields significant upstream influence on the global seafood industry. For example, each year Red Lobster purchases 20% of all North American lobster tails and 16% of all rock lobsters sold worldwide.

13. Originally marketed as “A Harbor for Seafood Lovers,” the Company has gone from a privately-owned enterprise, to part of a publicly-traded organization, and then back to private again. In 1970, two years after Bill Darden opened the first “Red Lobster Inns of America,” Red Lobster caught the attention of General Mills, which acquired the Company and fueled Red Lobster’s rapid growth from coast to coast. With its initial success, Red Lobster expanded rapidly, opening additional locations throughout Florida. In 1970, the chain ventured beyond the state’s borders, opening its first out-of-state restaurant in Georgia. By the end of the decade, Red Lobster had expanded to over 100 locations across the United States. During the 1980s, Red Lobster’s popularity continued to grow, fueled by its commitment to providing customers with affordable and delicious seafood. The chain introduced popular menu items such as its famous Cheddar Bay Biscuits, creating a loyal fan base.

14. Having successfully expanded across the United States in just two decades, Red Lobster took its menu north to Ontario, Canada in 1983. In 1995, General Mills spun off its restaurant division as Darden Restaurants, Inc. (“Darden”), a publicly traded company, which included other well-known restaurant brands. Darden’s expertise and resources empowered Red Lobster to further expand its reach and market share. In May 2014, Darden sold Red Lobster in a leveraged buyout transaction to Golden Gate Capital.

15. In 2016, Thai Union Group Public Company Limited (and, together with its subsidiaries, excluding the Debtors, “Thai Union”) made a \$575 million strategic investment in Red Lobster through its acquisition of a 49% stake in the Company. In 2020, Thai Union, former members of the Red Lobster management team, and certain investors operating under the name Seafood Alliance, acquired Golden Gate’s remaining equity stake in Red Lobster.

16. Over the years, Red Lobster continued to innovate and adapt to changing consumer preferences. It introduced new menu options, including lighter seafood dishes, to cater to health-conscious customers. Additionally, the Company launched popular promotions that became highly anticipated annual events, such as Crabfest™ and Lobsterfest™.

17. Today, Red Lobster operates hundreds of locations across the United States and in several international markets. It remains a beloved seafood destination, known for its commitment to quality, value, and a diverse menu that caters to a wide range of tastes and preferences. Red Lobster has not only maintained its focus on guest experience; it has also put at the forefront key initiatives to show support for its employees, including the establishment of an Employee Emergency Assistance Fund, known today as Red Lobster Cares, in which the Company and its employees help fellow employees facing financial hardship. These efforts have been recognized in recent years, including on the Forbes list of America's Best Large Employers.

18. Red Lobster leads the seafood and casual dining industries in its commitment to environmental stewardship and marine conservation. In 2018, Red Lobster unveiled its “Seafood with Standards” initiative, and it partners with other organizations to help drive continuous improvement in the seafood industry supply chain. As stewards of the oceans and environment, Red Lobster partners with Ocean Conservancy®, a leading ocean conservation nonprofit, and has focused in recent years on two key initiatives: (i) The Global Ghost Gear Initiative, which focuses on driving solutions to the problem of lost and abandoned fishing gear, and (ii) the Trash Free Seas Alliance®, which is dedicated to innovative and pragmatic solutions to rid the ocean of plastic pollution and other forms of marine debris. Throughout its history, Red Lobster has stayed true to its mission of providing guests with a memorable seafood dining experience, which has continued to make it a staple in the restaurant industry for seafood enthusiasts worldwide.

19. As of the Petition Date, Red Lobster’s workforce is comprised of approximately 36,000 employees. The Debtors have approximately 34,000 employees in the United States and approximately 2,000 employees in Canada, with the vast majority of the employees serving in part-time roles. The Debtors’ operations in Canada include 155 unionized employees that are employed pursuant to two separate Collective Bargaining Agreements—a collective bargaining agreement with United Food and Commercial Workers Canada (Local 1006A) and a collective bargaining agreement with United Food and Commercial Workers Canada Union (Local 401).

20. Red Lobster's business is labor intensive, and its workforce includes personnel who are intimately familiar with the Company's operations, processes, and systems. The Company's employees perform a wide variety of functions that are critical to the Debtors' operations and cannot be easily replaced due to their unique skill and experience with core business segments. The shrinking labor market of willing individuals and the costs associated with hiring replacements on an expedited basis further underscore the importance of the Company's current workforce.

21. In addition to the restaurants operated by the Debtors, Red Lobster has entered into franchise agreements whereby third-party franchisees operate 28 additional restaurants in four countries around the world. With certain exceptions, the franchisees of these restaurants generally remit 5.5% of sales as royalties to the Debtors. In fiscal year 2023, franchised units generated approximately \$1 million in royalties.

22. Several years ago, Red Lobster created the infrastructure for a streamlined to-go order business, which has culminated in the "Red Lobster To Go" website and in-store dedication to curbside convenience. Fueled by the pandemic and the rise of third-party food delivery services,

Red Lobster's off-premises business segment accounts for hundreds of millions of dollars in annual revenue.

23. In recent years, Red Lobster has also built up a steady consumer products line, which it is in the process of further expanding. The Company maintains relationships with licensees to sell Red Lobster™ Cheddar Bay Biscuits as well as select seafood products, which generates millions of dollars annually for the Company.

Part II **Corporate Organization and Capital Structure**

A. Corporate Structure

24. An organizational chart illustrating the corporate structure of the Debtors and their relationship to the Debtors' equity holders is annexed hereto as **Exhibit A**. None of the Debtors' equity securities are publicly traded. All of the Debtors are direct or indirect subsidiaries of Red Lobster Management's ultimate non-debtor parent, Red Lobster Master Holdings, L.P. ("Holdings LP"). Non-debtors Thai Union, RL Management Investors LLC, RL Management Holdings LLC, and Seafood Alliance Limited are, directly or indirectly, the ultimate owners of Holdings LP. Thai Union and Seafood Alliance indirectly hold a majority of the Debtors' equity interests. Thai Union indirectly holds approximately 47% of common equity interests and 100% of the preferred equity units, and Seafood Alliance indirectly holds approximately 38% of the common equity interests. The remaining common equity interests are indirectly held by former Red Lobster management in two entities, RL Management Investors LLC and, indirectly, RL Management Holdings LLC.

25. As of the Petition Date, the boards of managers and boards of directors, as applicable, of each Debtor are comprised of one independent director: Lawrence Hirsh. The independent director is not affiliated with or employed by any of the Company's shareholders, lenders, or other major stakeholders.

26. As of the Petition Date, the Debtors' executive leadership team is comprised of the following individuals:

<u>Name</u>	<u>Position</u>
Jonathan Tibus	Chief Executive Officer
Nicholas Haughey	Chief Restructuring Officer
Stephanie Medley	Chief Financial Officer
Sara Bittorf	Chief Experience Officer
Matt Livesay	Chief Supply Chain Officer
Susan Pavel	Chief People Officer
Shawn Harrs	Chief Information Officer

B. Capital Structure

27. As of the Petition Date, the Debtors are party to two prepetition credit agreements with outstanding prepetition funded debt obligations in the amount of approximately \$294 million in the aggregate:

Facility	Approximate Principal Outstanding
Prepetition Term Loan	\$264,720,000
Outstanding Letters of Credit (ABL Facility)	\$ 29,276,399
Total	\$293,996,399

i. Prepetition Term Loan Credit Facility

28. On January 22, 2021, Debtor Red Lobster Management LLC ("Management"), Fortress Credit Corp., as administrative agent (the "Prepetition Term Loan Agent"), certain other lenders thereto (the "Prepetition Term Loan Lenders"), each of the other co-Debtors (other than Red Lobster International Holdings LLC ("International")), and non-Debtor Red Lobster Intermediate Holdings LLC ("Holdings"),² entered into that certain Financing Agreement (as amended or otherwise modified from time to time, the "Prepetition Term Loan Credit

² Holdings is the direct parent of Management. Holdings does not own any assets other than the membership interests of Management.

Agreement”). Pursuant to the Prepetition Term Loan Credit Agreement, the Prepetition Term Loan Lenders extended loans to the Debtors to refinance existing indebtedness and for general working capital purposes. As of the Petition Date, the Prepetition Term Loan Lenders are owed approximately \$264,720,000. The outstanding obligations under the Prepetition Term Loan Credit Agreement are secured by substantially all of the Debtors’ assets.

ii. ABL Credit Facility

29. The Debtors also have an asset-based loan facility (the “ABL Facility”) in place with an aggregate commitment of \$100 million, including a \$40 million sublimit for letters of credit. The administrative agent under the ABL Facility is Wells Fargo Bank, National Association (“Wells Fargo”). As of the Petition Date, no loans are outstanding under the ABL Facility. However, Wells Fargo has issued letters of credit with an aggregate face amount of \$29,276,399, which remain outstanding. In addition, there are approximately \$1,100,000 of outstanding obligations in connection with a commercial card agreement (or “p-card” agreement) between Wells Fargo and the Debtors. The outstanding obligations under the ABL Facility are secured by substantially all of the Debtors assets, including certain cash collateral accounts held by Wells Fargo.

30. Pursuant to an intercreditor agreement between Wells Fargo and the Prepetition Term Loan Agent, Wells Fargo has a senior lien on certain current assets (e.g., cash, cash accounts, inventory and credit card receivables) and the Prepetition Term Loan Agent has a senior lien on all other assets of the Debtors.

Part III
Financial and Operational Challenges Leading to the Chapter 11 Cases

31. Recently, the Debtors have faced a number of financial and operational challenges, including a difficult macroeconomic environment, a bloated and underperforming restaurant

footprint, failed or ill-advised strategic initiatives, and increased competition within the restaurant industry.

32. I was initially retained on January 11, 2024, as part of a team from A&M in which I served as CRO and A&M served as financial advisor to the Company. We were initially tasked with performing a wholesale assessment of the Company and providing an operational improvement plan that the Company's senior leadership would implement with A&M's assistance and with the support of the Prepetition Lenders. The key observations from our financial and operational assessment are summarized below.

A. Flagging Performance

33. It was immediately clear that Red Lobster's performance was deteriorating and had been doing so for several years. For example, Red Lobster's annual guest count has declined by approximately 30% since 2019 and has only marginally improved from pandemic levels seen during 2020 and 2021. Although Red Lobster's net sales increased by approximately 25% from 2021 to 2023 (which itself represents modest recoveries following the COVID-19 pandemic), net sales have begun to show material decline during the last twelve months. Similarly, the Company's consolidated adjusted EBITDA over the last twelve months fell by more than 60%, which all but erased any ground Red Lobster recovered following the pandemic. The latest symptom of this decline is Red Lobster's \$76 million net loss during fiscal year 2023.

34. This has resulted in a significant decrease in the Debtors' cash position. In May 2023, the Debtors held approximately \$100 million in cash. However, from June 2023 to September 2023, the Company experienced operating cash losses of approximately \$31 million. Over this same period, the Company transitioned to a vendor-managed inventory program, which resulted in a corresponding decline in its borrowing base under the ABL Facility. As a result, Red Lobster was forced to pay down \$27 million in debt owed under the ABL Facility. Finally, across

fiscal year 2023, Red Lobster was required to make \$32 million of interest payments. Over the course of approximately six months, the Debtors' cash position declined from \$100 million to less than \$30 million.

35. Due the Company's rapid loss of liquidity over this period, the Company was forced to quickly institute holds on vendor payments to maintain cash. When the Company began to hold vendor payments in 2023, it expected that the issue would resolve by December 2023, when the Company typically generates a significant amount of cash. However, by the end of 2023 it became clear that the Company's liquidity crisis would not be cured by the seasonal bump in revenue.

B. Operational Challenges

i. Inflationary Pressure

36. Red Lobster has been weighed down in recent years by macroeconomic factors that have negatively impacted the Company. Casual dining restaurants are acutely impacted by consumer sensitivities to eating out versus staying in. And because of inflationary pressures, restaurant menu prices across the industry have risen significantly faster than grocery and other consumer prices. Typically, when labor inflation runs ahead of commodity inflation, restaurant prices tend to outpace grocery pricing. As a result, consumers are less inclined to eat out.

37. In addition to inflationary costs imposed on the labor force, 50% of states have increased minimum hourly wages in 2024. Restaurant average hourly wages have outpaced the restaurant industry's ability to increase prices, putting pressure on margins.

ii. Unfavorable Leases & Underperforming Locations

38. A material portion of the Company's leases are priced above market rates. The Company currently leases 687 locations (247 in Master Leases and 440 individual property leases). In 2023, the Company spent approximately \$190.5 million in lease obligations, over \$64,000,000

of which relate to underperforming stores. Given the Company's operational headwinds and financial position, payment of lease obligations associated with non-performing leases has caused significant strains on the Company's liquidity.

iii. Marketing and Operational Missteps

39. Certain operational decisions by former management have harmed the Debtors' financial situation in recent years. Historically, the Debtors' Ultimate Endless Shrimp ("UES") promotion was utilized as a limited-time promotion. In May 2023, however, Paul Kenny, the Debtors' former CEO,³ made the decision to add UES as a permanent \$20 item to the menu despite significant pushback from other members of the Company's management team. This decision created both operational and financial issues for the Debtors, costing the Debtors \$11 million and saddling the Company with burdensome supply obligations, particularly with its equity sponsor, Thai Union. The Debtors are currently investigating the circumstances around these decisions.

40. The Debtors are also investigating whether Thai Union and Mr. Kenny encouraged excessive merchandising of the UES promotion in-store (including heavy in-store promotion), which was atypical for the Company. The excessive merchandising decision led to supply issues resulting in major shortages of shrimp with restaurants often going days or weeks without certain types of shrimp. Moreover, the Debtors are investigating whether Mr. Kenny's decision-making process circumvented the Company's normal supply chain and demand planning processes.

41. Furthermore, I understand Red Lobster's supply process was strained by virtue of its relationship with Thai Union, which, in addition to being the Company's equity sponsor and 100% owner of Red Lobster Master Holdings GP, has historically been a large-scale supplier to

³ At the direction of Thai Union, Mr. Kenny became acting interim CEO following the resignation of the previous permanent CEO in April 2022.

Red Lobster. I understand that Thai Union exercised an outsized influence on the Company's shrimp purchasing, as indicated by, for example, Mr. Kenny's April 2023 purported direction to Thai Union to continue producing shrimp for Red Lobster that did not flow through the traditional supply process or bid cycle or adhere to the Company's demand projections. I also understand that in apparent coordination with Thai Union and under the guise of a "quality review," Mr. Kenny made a series of decisions that eliminated two of the Company's breaded shrimp suppliers, leaving Thai Union with an exclusive deal that led to higher costs to Red Lobster.

42. The Debtors are exploring the impact of the control Thai Union exerted, in concert with Mr. Kenny and other Thai Union-affiliated entities and individuals, and whether actions taken in light of these parties' varying interests were appropriate and consistent with applicable duties and obligations to Red Lobster.

Part IV
Prepetition Turnaround Efforts and The Chapter 11 Cases

A. Attempt to Restructure Out of Court

43. In December 2023, after the occurrence of events of default, the Prepetition Term Loan Agent exercised equity proxy rights granted to it by Holdings in connection with the Prepetition Term Loan Agreement and related loan documents. This gave the Prepetition Term Loan Agent the contractual ability to replace the Debtors' existing directors (or managers, in the case of limited liability companies). At that time, the Prepetition Term Loan Agent removed all existing managers and directors of the Debtors and replaced them with Lawrence Hirsh, an independent director with more than thirty years of restructuring expertise.

44. Following the appointment of Mr. Hirsh, the Debtors and the Prepetition Term Loan Lenders were engaged in discussions aimed at effectuating an out-of-court restructuring of the Debtors' capital structure. Thai Union and the Debtors (who, at that time, were advised by

different professionals) engaged in negotiations with the Prepetition Term Loan Lenders to create a new equity structure in which the Prepetition Term Loan Lenders would acquire approximately 80% of the restructured company, with Thai Union retaining a minority equity interest. These negotiations were ultimately unsuccessful.

45. Around the same time, the Debtors' chief executive officer, Horace Dawson, decided to retire after more than 30 years of service to the restaurant industry, 20 of which were spent in various roles within Red Lobster. The Board then asked me to assume the role of CEO to implement the operational turnaround strategy described above, and my colleague Nicholas Haughey became CRO.

46. To date, the Company has been unable to obtain additional capital from Thai Union. In February 2024, the Prepetition Term Loan Lenders made incremental loans of \$20 million to the Company for working capital purposes, but without financial support from Thai Union, the Prepetition Term Loan Lenders were not willing to make any further loans to the Company on an out-of-court basis. With no meaningful ability to raise fresh capital, it became evident that the Company needed to consider a chapter 11 process. As a result, the Debtors determined that a comprehensive operational restructuring and value maximizing sale inside of a chapter 11 process would likely be the best possible alternative under the circumstances.

B. Operational Initiatives

47. With the help of my A&M team, in February 2024 I developed a three-prong strategic priority plan designed to improve the Company's operations. In the months leading up to the Petition Date, the Company's management team has been working hard to put this strategic plan into action.

48. First and foremost, ensuring that Red Lobster is a great place to work remains a central focus of the Company's management. As part of this goal, the Company continues to work

to develop one standard for store operations across its active stores. It is critical that the employee and customer experience is consistently excellent across all locations. The Debtors are seeking to implement, among other things, a comprehensive upgrade to their current information technology systems and targeted investments in their facilities. To help with employee culture and retention, the Debtors are redoubling their efforts to cultivate and sustain a culture of reward and recognition. This will include modernizing hiring processes and developing individualized plans for Red Lobster's directors and senior directors of operations.

49. Second, the Company is working to ensure that Red Lobster remains a great place to eat by providing consistent experiences and excellent customer service. The Company has begun to execute internal strategies to make its brand even more compelling by leveraging its partners to extend the Company's voice, presence, and impact within the market. As part of that process, the Company intends to simplify Red Lobster's menu by implementing a core menu that balances efficiency and appeal. Moreover, the Company will implement a sensible promotional calendar with fewer "limited time offers."

50. Third, the Debtors have already begun to reduce their cost structure without compromising quality by rationalizing the Debtors' restaurant footprint. On May 13, 2024, the Debtors made the difficult decision to close and vacate 93 stores. Where possible, Red Lobster attempted to relocate employees of closed stores to a nearby location, and reorganized mid-level management accordingly. These 93 stores were deemed to be non-performing because of rent costs and/or financial performance, such that operating those stores was deemed to be financially burdensome to the rest of the Company. The Company is also working to identify and eliminate nonproductive spending across all departments.

C. Marketing Process, DIP Financing, and Stalking Horse Asset Purchase Agreement

51. In March, when it became clear that an out-of-court solution to recapitalize the Company was not feasible, the Company retained an investment banker, Hilco Corporate Finance (“Hilco”), to formally initiate a marketing and sale process. Hilco then commenced an extensive marketing effort and solicited indications of interest from strategic and financial buyers with the financial and operational wherewithal to complete a transaction with the Debtors.

52. At that same time, as the Debtors continued to review strategic alternatives, it became apparent that the commencement of these Chapter 11 Cases would likely be necessary. The Debtors, with the assistance of their advisors, first set out to develop a robust chapter 11 strategy and corresponding budget. As a result of those efforts, the Debtors determined that they needed \$100 million to fund these Chapter 11 Cases to ensure that the Debtors can sustain their operations. As a result, the Debtors focused on obtaining debtor-in-possession (“DIP”) financing.

53. To secure the necessary financing, the Debtors: (i) sought to enter into a restructuring support agreement (the “RSA”) with their Prepetition Term Loan Lenders; and (ii) pursued financing from other potential third-party sources. Ultimately, the Debtors were unable to obtain third-party financing. However, after significant negotiations, the Debtors executed the RSA with the Prepetition Term Loan Lenders on May 9, 2024. An accurate and complete copy of the RSA is attached hereto as **Exhibit B**.

54. Importantly, the RSA set forth: (i) the terms upon which the Prepetition Term Loan Lenders would provide the necessary DIP financing to the Debtors; (ii) the terms upon which the Prepetition Term Loan Lenders would serve as a stalking horse bidder for the sale of substantially all of the Debtors’ assets (the “Stalking Horse Bid”); and (iii) an agreed timeline for the commencement and prosecution of these Chapter 11 Cases.

55. Immediately prior to commencing these Chapter 11 Cases, the Debtors: (a) finalized a DIP financing facility (the “DIP Facility”) governed by that certain Secured Superpriority Debtor-in-Possession Financing Agreement (the “DIP Credit Agreement”); and (b) entered into that certain Asset Purchase Agreement with RL Purchaser LLC (a newly formed entity organized and controlled by the Prepetition Term Loan Lenders) (the “Stalking Horse APA”). Because the terms of the RSA are now contained in the Stalking Horse APA and the DIP Credit Agreement (both of which have been filed contemporaneously with this Declaration). The Debtors are not seeking to assume the Restructuring Support Agreement in connection with the commencement of the Chapter 11 Cases.

56. The Debtors have targeted the following dates in order to satisfy the terms of the DIP Credit Agreement:

Milestones	
Entry of Interim DIP Financing Order	Tuesday, May 21, 2024 (Petition Date + 2 Business Days)
Entry of Final DIP Financing Order	Tuesday, June 18, 2024 (Petition Date + 30 Days)
Entry of Bidding Procedures Order	Tuesday, June 18, 2024 (Petition Date + 30 Days)
Auction Held, if necessary	Tuesday, July 23, 2024 (Petition Date + 65 Days)
Entry of Sale Order	Monday, July 29, 2024 (Petition Date + 71 Days) ⁴
Sale Consummation	Friday, August 2, 2024 (Petition Date + 75 Days) ⁵

⁴ The Prepetition Term Loan Lenders have agreed under the RSA to a one day extension of this milestone.

⁵ Provided, however, that if the Sale Order is entered within 75 days after the Petition Date, such deadline shall be extended to 90 days after the Petition Date solely for the purpose of obtaining the regulatory approvals necessary to consummate the Restructuring.

57. The Debtors believe this timeline minimizes the potential adverse impact a chapter 11 case may have on the Debtors' operations, vendors, and employees, while at the same time provides adequate opportunity to market the Company and secure executable bids for the Debtors' business for the highest or best value. The proposed timeline outlined above appropriately balances the Debtors' need to effectuate their sale strategy quickly with their need to adequately market test the value of their businesses and account for the benefits that will be received through the business transformation initiatives, including by rejecting or renegotiating burdensome leases.

58. The amount of work done prior to the Petition Date by the Debtors and their professionals in connection with the marketing process supports the ability to complete the overarching sale process on the timeframe proposed. The Debtors believe that proceeding with the marketing process is preferable to any of their other alternatives and will inure to the benefit of all constituents, including their employees, vendors, and customers.

Part V
Summary of First Day Pleadings

59. Contemporaneously herewith, the Debtors have filed with the Court certain First Day Pleadings seeking orders granting various forms of relief intended to stabilize the Debtors' business operations, facilitate the efficient administration of these Chapter 11 Cases, and expedite the marketing process.⁶

60. Several of the First Day Pleadings request authority to pay certain prepetition claims against the Debtors. I understand that Rule 6003 of the Federal Rules of Bankruptcy Procedure provides, in relevant part, that the Court shall not consider motions to pay prepetition claims during the first twenty-one (21) days following the filing of a chapter 11 case, except to the

⁶ All capitalized terms used but not defined in Part V shall have the meaning ascribed to them in the applicable First Day Pleadings.

extent relief is necessary to avoid immediate and irreparable harm. In light of this requirement, the Debtors have narrowly tailored their requests for immediate authority to pay certain prepetition claims to those instances where the failure to pay would cause immediate and irreparable harm to the Debtors and their estates. Furthermore, in response to certain limited concerns raised by counsel to the United States Trustee, the Debtors have further revised and tailored the relief sought in the First Day Pleadings.

61. The First Day Pleadings include the following:

A. Debtors' Ex Parte Motion for Authorization to File Consolidated Chapter 11 Case Management Summary

62. I am advised that in accordance with Local Rule 2081-1(b), the debtor in possession in a Chapter 11 case is directed to file with the Court and serve a completed local form Chapter 11 Case Management Summary providing certain information regarding the assets, liabilities and financial affairs of Chapter 11 debtors.

63. Pursuant to the *Debtors' Ex Parte Motion for Authorization to File Consolidated Chapter 11 Case Management Summary* filed contemporaneously herewith (the "Consolidated Case Management Summary Motion"), the Debtors request that the Court authorize them to file a consolidated Case Management Summary, reflecting the assets, liabilities and financial information of each of the Debtors. I believe that the Debtors' request for authority to file a consolidated Case Management Summary is justified, as the filing of a separate Case Management Summary for each of the fifteen Debtors would be, in significant part, burdensome. In brief, the filing of a consolidated Case Management Summary is more efficient and will provide the Court and parties-in-interest with adequate disclosures regarding the assets and liabilities of each Debtor.

B. Debtors' Ex Parte Motion for Joint Administration

64. Pursuant to the *Debtors' Ex Parte Motion for Joint Administration* filed contemporaneously herewith (the "Joint Administration Motion"), the Debtors request entry of an order directing joint administration of the Chapter 11 Cases for procedural purposes only.

65. It will be more efficient for the administration of these cases if joint administration is authorized. Joint administration of the Debtors' Chapter 11 Cases will save the Debtors and their estates substantial time and expense by removing the need to prepare, replicate, file, and serve duplicative notices, applications, and orders. Further, I believe that joint administration would relieve the Court of entering duplicative orders and maintaining duplicative files and dockets. Consequently, joint administration would reduce costs and facilitate the economical, efficient and convenient administration of the Debtors' estates.

66. I believe that joint administration would not adversely affect any creditors' rights because the Debtors' motion requests only the administrative consolidation of these cases for procedural purposes. The Debtors filed the Joint Administration Motion on an *ex parte* basis as contemplated by Local Rule 1015-1.

C. Debtors' Motion for Entry of an Order (I) Authorizing the Debtors to File (A) a Consolidated Creditor Matrix and (B) Consolidated List of the Top Thirty Unsecured Creditors; and (II) Authorizing the Debtors to Suppress Certain Personally Identifiable Information for Individual Creditors, Employees and Parties in Interest

67. Pursuant to the *Debtors' Motion for Entry of an Order (I) Authorizing the Debtors to File (A) a Consolidated Creditor Matrix and (B) a Consolidated List of the Top Thirty Unsecured Creditors; and (II) Authorizing the Debtors to Suppress Certain Personally Identifiable Information for Individual Creditors, Employees and Parties in Interest* filed contemporaneously herewith (the "Consolidated Creditor Matrix Motion"), the Debtors request authority to file and maintain a consolidated list of creditors in lieu of submitting a separate mailing matrix for each Debtor. Permitting the Debtors to maintain a consolidated list of their creditors in electronic format

only, in lieu of filing a separate creditor matrix for each Debtor, is warranted under the circumstances of the Chapter 11 Cases. Because the Debtors have over one hundred thousand creditors and other parties in interest, converting the Debtors' computerized information to a format compatible with the matrix requirements would be a burdensome task and would greatly increase the risk of error.

68. The Debtors, working together with Epiq (the Debtors' proposed claims, noticing, and solicitation agent), have prepared a single, consolidated list of the Debtors' creditors in electronic format. The Debtors are prepared to make that list available in electronic form to any party in interest who so requests (or in non-electronic form at such requesting party's sole cost and expense) in lieu of submitting a separate mailing matrix for each Debtor to the Court's clerk's office.

69. The Debtors also request authority to file a single consolidated list of their 30 largest general unsecured creditors in lieu of filing a separate list of the top twenty unsecured creditors for each Debtor. The Debtors share financial and operational systems and also share many of the same creditors. The Consolidated Top 30 List will help alleviate administrative burdens, costs, and the possibility of duplicative service.

70. The Debtors also respectfully submit that it is appropriate to authorize the Debtors to suppress from any paper filed with the Court in these Chapter 11 Cases, the names, residential addresses and email addresses of individuals that are creditors, employees, and parties in interest because disclosure risks violating applicable privacy laws, exposing the Debtors to potential civil liability and significant financial penalties. Pursuant to Section 107(c) and privacy protection regulations being enacted in key jurisdictions, such as the California Consumer Privacy Act of 2018, it is appropriate to authorize the Debtors to suppress from any paper filed with the Court in

these Chapter 11 Cases, the names, residential addresses and email addresses of the Debtors' individual creditors, employees, and parties in interest as such violations would expose the Debtors to potential civil liability and significant financial penalties. Epiq will maintain a list of the suppressed individuals so that the Debtors can track and will also be made available to the Court and US Trustee upon request.

D. Debtors' Emergency Motion for an Order Establishing Certain Notice Procedures

71. Pursuant to the *Debtors' Emergency Motion for an Order Establishing Certain Notice Procedures* filed concurrently herewith (the "Notice Procedures Motion"), the Debtors seek entry of an order approving the form and manner for implementing certain proposed notice procedures, for notifying creditors of the commencement and the administration of Debtors' complex chapter 11 bankruptcy cases through an expedited plan confirmation process, and for granting related relief.

72. Collectively, the fifteen Debtors have over one hundred thousand potential creditors or other parties in interest entitled to service of certain pleadings in these Chapter 11 Cases. As of the Petition Date, the Debtors employ approximately 36,000 employees, approximately 34,000 of whom are in the United States and approximately 2,000 of whom are in Canada. The Debtors also estimate that they have approximately 100,000 former employees that may receive service of certain pleadings throughout these Chapter 11 Cases. In order to alleviate the enormous and costly burden of serving over one hundred thousand creditors and parties-in-interest with each filing, in some cases voluminous filings, made in these complex chapter 11 case, the Debtors propose to create and utilize a Master Service List to serve pleadings and other documents upon parties-in-interest and current or former Employees by e-mail where available, or by U.S. mail or hand delivery if required. The proposed notice procedures will control over the applicable noticing rules contained in the Bankruptcy Rules and the Local Rules.

73. The Debtors further propose that all filings will be made available to all parties-in-interest and employees on a public website maintained by the Debtor's claims and noticing agent Epiq Corporate Restructuring, LLC ("Epiq"). I believe that this relief requested is necessary and in the best interests of the Debtors' complex chapter 11 bankruptcy cases, and will allow for a more efficient and cost saving case administration, which is in the best interests of the Debtors' estates and all the parties-in-interest.

E. Debtors' Emergency Motion for Approval of Form of Notice of Commencement and Proof of Claim

74. Pursuant to the *Debtors' Emergency Motion for Approval of Form of Notice of Commencement and Proof of Claim* filed concurrently herewith (the "Approval of Form and Manner of Notice of Commencement Motion"), the Debtors request the entry of an order setting the bar dates for the filing of Proofs of Claims and approving the form and manner of notice of the commencement of these Chapter 11 cases and the bar dates for filing Proofs of Claim.

75. In order to facilitate the filing of proofs of claims, procedures need to be established for a consistent and uniform process so that everyone who may potentially wish to file one has received notice and an equal opportunity to do so. I believe that this relief requested is necessary and in the best interests of the Debtors' complex chapter 11 bankruptcy cases and will allow for a more efficient and cost saving case administration, which is in the best interests of the Debtors' estates and all the parties-in-interest.

F. Emergency Application of the Debtors Pursuant to 11 U.S.C. §§ 105(a) and 363(b) to (I) Retain Alvarez & Marsal North America, LLC to Provide the Debtors a Chief Executive Officer, a Chief Restructuring Officer, and Certain Additional Personnel, (II) Designate Jonathan Tibus as Chief Executive Officer, and (III) Designate Nicholas Haughey as Chief Restructuring Officer for the Debtors, in Each Case, Effective as of the Petition Date

76. Pursuant to the *Emergency Application of the Debtors Pursuant to 11 U.S.C. §§ 105(a) and 363(b) to (I) Retain Alvarez & Marsal North America, LLC to Provide the Debtors a*

Chief Executive Officer, a Chief Restructuring Officer, and Certain Additional Personnel, (II) Designate Jonathan Tibus as Chief Executive Officer, and (III) Designate Nicholas Haughey as Chief Restructuring Officer for the Debtors, in Each Case, Effective as of the Petition Date filed contemporaneously herewith (the “A&M Retention Application”), the Debtors seek approval of an agreement with Alvarez & Marsal North America, LLC (“A&M”) to provide (i) myself, Jonathan Tibus, as the CEO of the Debtors; (ii) Nicholas Haughey as the CRO of the Debtors and (iii) the services of certain support personnel, as required.

77. Additional factual support is set forth in the A&M Retention Application and the declarations attached thereto.

G. Debtors’ Emergency Application for Entry of Order Authorizing Debtors to Employ and Retain Epiq Corporate Restructuring, LLC as Notice, Claims and Solicitation Agent Effective as of the Petition Date

78. Pursuant to the *Debtors’ Emergency Application for Entry of Order Authorizing Debtors to Employ and Retain Epiq Corporate Restructuring, LLC as Notice, Claims and Solicitation Agent Effective as of the Petition Date* filed contemporaneously herewith (the “Epiq Retention Application”), the Debtors seek an order authorizing the Debtors to employ and retain Epiq as claims and noticing agent in the Chapter 11 Cases. I believe that such relief is prudent in light of the thousands of known creditors, potential unknown creditors, and parties in interest to whom certain notices will be sent. Accordingly, I believe that the most effective and efficient manner by which to give notice and process claims in the Chapter 11 Cases is to engage Epiq, an independent third party with significant experience in this role, to act as an agent of the Court.

79. Additional factual support is set forth in the Epiq Retention Application and the declarations attached thereto.

H. *Emergency Motion of Debtors for an Order Authorizing Red Lobster Management LLC to Act as Foreign Representative of the Debtors*

80. Pursuant to the *Emergency Motion of Debtors for an Order Authorizing Red Lobster Management LLC to Act as Foreign Representative of the Debtors* filed contemporaneously herewith (the “Foreign Representative Motion”), the Debtors request authority for Debtor Red Lobster Management LLC (“RL Management”) to act as the foreign representative on behalf of the Debtors’ estates in insolvency recognition proceedings in Canada and in any other judicial or other proceeding in a foreign country pursuant to section 1505 of the Bankruptcy Code. The Debtors further request that, as foreign representative, RL Management be expressly authorized to (i) seek recognition of these chapter 11 cases and certain of this Court’s orders in Canada, and (ii) seek any other appropriate relief from the Canadian Court that is just and proper in furtherance of the protection of the Debtors’ estates.

81. In addition to their operations in the United States, the Debtors, through Debtor Red Lobster Canada, Inc. (“RL Canada”), a Delaware corporation, operate 27 restaurants in Canada and own certain assets in Canada. RL Canada employs all of the Debtors’ Canadian employees, owns one parcel of real property in Canada and leases the remaining restaurant space for the Canadian operations. Additionally, the Debtors share financial resources, management services and infrastructure between their U.S. and Canadian operations.

I. *Debtors’ Emergency Motion for Interim and Final Orders Authorizing Debtors to (I) Pay Prepetition Wages, Salaries, Employee Benefits, and Other Employee Obligations, (II) Maintain Employee Benefit Programs and (III) for Related Relief*

82. Pursuant to the *Debtors’ Emergency Motion for Interim and Final Orders Authorizing Debtors to (I) Pay Prepetition Wages, Salaries, Employee Benefits, and Other Employee Obligations, (II) Maintain Employee Benefit Programs and (III) for Related Relief* filed contemporaneously herewith (the “Wages Motion”), the Debtors request, among other things,

authority, but not direction, to (a) pay prepetition wages, salaries, reimbursable expenses, and other obligations on account of the Compensation and Benefits Programs in the ordinary course of business as provided herein and (b) continue the Compensation and Benefits Programs.

83. As described more fully in the Wages Motion, the Debtors employ approximately 36,000 employees, approximately 34,000 of which are located in the United States and approximately 2,000 of which are located in Canada. The Debtors' workforce includes employees and independent contractors. Without the workforce's continued, uninterrupted services, the Debtors cannot continue to operate in a chapter 11 proceeding. In the ordinary course of their operations, the Debtors incur a number of obligations to, or on account of, their employees, including those related to compensation and benefits.

84. The relief requested in the Wages Motion is essential to the viability of the Debtors' businesses. Any delay in paying the employees' compensation, deductions, or benefits will fundamentally harm the Debtors' relationships with their employees and irreparably impair employee morale at the very time when dedication, confidence, and cooperation are most critical. Absent immediate authority to tender the payments described in the Wages Motion, the Debtors operations will be severely impaired. Employee support for the Debtors' sale efforts is crucial, particularly given the employees' unique knowledge of the Debtors' operations. At this critical stage of the Chapter 11 Cases, the Debtors cannot risk the substantial business disruptions that would inevitably attend any decline in work force morale attributable to the Debtors' failure to pay employee compensation, deductions, and benefits in the ordinary course.

85. The requested relief will enable the Debtors to maintain their current operations without interruption, thereby preserving the value of the business, and, at the same time, maintaining Employee morale. Without the relief requested, the Debtors' ability to preserve the

assets of the estates for the benefit of all creditors and stakeholders will be dramatically impaired. Therefore, a grant of the requested relief is in the best interest of the Debtors, their estates and creditors.

86. The Debtors are not seeking relief to pay prepetition employee obligations to any individual employee or independent contractor in excess of the cap imposed by section 507(a)(4) of the Bankruptcy Code. Also, the total amount sought to be paid by the Wages Motion is modest compared to the magnitude of the Debtors' overall business. Furthermore, the Debtors have sufficient funds to pay the employee obligations in the ordinary course using cash maintained by the Debtors and cash generated through operations as well as through access to the DIP Facility.

J. Debtors' Emergency Motion for Interim and Final Orders Authorizing Debtors to Pay Prepetition Sales, Use, Trust Fund, Property, Foreign, and Other Taxes and Similar Obligations

87. Pursuant to the *Debtors' Emergency Motion for Interim and Final Orders Authorizing Debtors to Pay Prepetition Sales, Use, Trust Fund, Property, Foreign, and Other Taxes and Similar Obligations* filed contemporaneously herewith (the "Taxes Motion"), the Debtors request authority, among other things, to pay, in the Debtors' sole discretion, sales, use, trust fund, property, foreign and other taxes and similar obligations, in the ordinary course of the Debtors' businesses, without regard to whether such obligations accrued or arose before or after the Petition Date.

88. In the ordinary course of operating their businesses, the Debtors (a) incur certain sales, use, trust fund, property, foreign, and other taxes, and (b) are charged amounts for fees and other similar charges and assessments by various licensing authorities. I understand that the Debtors are generally current with respect to its tax obligations, but that approximately \$34,634,000 in unpaid taxes and fees have accrued as of the Petition Date.

89. The Debtors must continue to pay certain taxes and fees to continue operating in certain jurisdictions and to avoid potential penalties and distractions during the Chapter 11 Cases. The Debtors' failure to pay the taxes and fees described the in the Taxes Motion could adversely affect the Debtors' business operations because governmental authorities may assert liens on the Debtors' property, assert penalties or interest on past-due taxes, cancel liquor licenses crucial to the Debtors' business or commence personal liability actions against directors, officers, and other employees in connection with non-payment.

K. Debtors' Emergency Motion for Authorization to (I) Continue to Administer Insurance Policies, Surety Bonds and Related Agreements; (II) Honor Certain Obligations in Respect Thereof; and (III) for Related Relief

90. Pursuant to the *Debtors' Emergency Motion for Authorization to (I) Continue to Administer Insurance Policies, Surety Bonds and Related Agreements; (II) Honor Certain Obligations in Respect Thereof; and (III) for Related Relief* (the "Insurance Motion") filed contemporaneously herewith, the Debtors request authority, among other things, to maintain, renew, modify, supplement or purchase, in their sole discretion the insurance policies described in the Insurance Motion and their surety bond program and agreements relating thereto.

91. The Debtors' insurance policies are crucial to the preservation of the value of the Debtors' business, properties, and assets. In many cases, the insurance coverage provided by the insurance policies is required by diverse regulations, laws, and contracts, as well as the Office of the United States Trustee. Therefore, I believe that it is essential for the Debtors to maintain the insurance policies for the Debtors. Moreover, if the insurance policies are allowed to lapse, the Debtors risk exposure to substantial liability for any damages resulting to persons or property of the Debtors and others, and the Debtors would have to bear the costs and expenses of defense litigation. The Debtors' continued operations, combined with the Debtors' efforts to undertake an

orderly sale and reorganization process, require that the insurance policies be maintained on an ongoing and uninterrupted basis.

L. Debtors' Emergency Motion for Entry of an Order (I) Authorizing the Debtors to Enter Into the New Insurance Program, (II) Authorizing Assumption of the Existing Insurance Program, and (III) Granting Related Relief

92. As described in the *Debtors' Emergency Motion for Entry of an Order (I) Authorizing the Debtors to Enter Into the New Insurance Program, (II) Authorizing Assumption of the Existing Insurance Program, and (III) Granting Related Relief* filed concurrently herewith (the "Zurich Motion"), the Debtors request authorization to enter into the New Insurance Program and to assume the Existing Insurance Program.

93. In the ordinary course of business, the Debtors maintain numerous insurance policies. The Debtors' insurance policies are essential to the preservation of the value of the Debtors' business, property, and assets. In many states, insurance coverage is required by the diverse regulations, laws and contracts that govern the Debtors' commercial activities, which is further mandated by the U.S. Trustee Guidelines requiring to maintain insurance coverage throughout their chapter 11 proceedings.

94. The applicable agreements for the Existing Insurance Program and the New Insurance Program with Zurich require that the Debtors must: (a) file the Zurich Motion and request the relief outlined in the Zurich Motion at the first-day hearing in these chapter 11 cases; and (b) in the event that the Court declines to rule on at the first-day hearing (or grants the relief only on an interim basis), obtain the relief requested on a final basis within 22 calendar days after the Petition Date. Zurich has indicated that if the Debtors fail to do either of these, it reserves all rights, including the right to seek termination of the Existing Insurance Program and the right to refuse to proceed with the New Insurance Program.

95. The Existing Insurance Program provides coverage for, inter alia, workers' compensation, general liability, automobile liability, commercial umbrella liability, and certain other insurance for specified policy periods. The workers' compensation, general liability, automobile liability, and commercial umbrella liability coverage under the Existing Insurance Program is set to expire on June 30, 2024, at 12:01 a.m. (prevailing Eastern Time).

96. The Policies are customary for a company of the Debtors' size, and any lapse in coverage for workers' compensation, general liability, automobile liability, and commercial umbrella liability would be disruptive and could have an adverse and irreparable impact on the Debtors and their estates.

M. Debtors' Emergency Motion for Entry of an Order Pursuant to 11 U.S.C. §§ 105(a) and 366(b) and Local Rule 2081-1(g)(7): (I) Prohibiting Utilities from Altering, Refusing, or Discontinuing Services, (II) Deeming Utilities Adequately Assured of Future Performance, (III) Establishing Procedures for Determining Adequate Assurance of Payment, and (IV) Granting Related Relief

97. Pursuant to the *Debtors' Emergency Motion for Entry of an Order Pursuant to 11 U.S.C. §§ 105(a) and 366(b) and Local Rule 2081-1(g)(7): (I) Prohibiting Utilities from Altering, Refusing, or Discontinuing Services, (II) Deeming Utilities Adequately Assured of Future Performance, (III) Establishing Procedures for Determining Adequate Assurance of Payment, and (IV) Granting Related Relief* filed contemporaneously herewith (the "Utilities Motion"), the Debtors seek entry of an order, among other things: (i) prohibiting its utility service providers (the "Utility Companies") from altering, refusing or discontinuing service ("Utility Services") on account of prepetition amounts outstanding or on account of any perceived inadequacy of the Debtors' proposed adequate assurance; and (ii) approving the Debtors' proposed adequate assurance and related procedures.

98. In connection with the operation of their business in the United States, the Debtors obtain electricity, natural gas, telecommunications, water, waste management (including sewer

and trash), internet, and other similar services from a number of utility providers or brokers to facilitate their business operations. Certain Utility Services are aggregated and processed through a third party. Based on a monthly average for the trailing twelve months prior to the Petition Date, the Debtors estimate that the cost of all Utility Services for the next thirty (30) days will be approximately \$6,612,000.00.

99. The Debtors intend to satisfy postpetition obligations owed to the Utility Companies in the ordinary course of business and in a timely manner. The Debtors believe that cash held by the Debtors, generated in the ordinary course of business, as well as cash made available to the Debtors under the DIP Facility will provide sufficient liquidity to pay the Utility Companies for Utility Services in accordance with their prepetition practice during the pendency of their Chapter 11 Cases. To provide additional assurance of payment, the Debtors propose to deposit \$2,082,000.00 into a segregated account, which represents an amount equal to two (2) weeks' cost of Utility Services provided by all Utility Companies in the aggregate (less any deposit, letter of credit, or surety bond held by such Utility Company), calculated using the historical average for such payments during the twelve (12) months prior to the Petition Date.

100. Additionally, the Debtors seek approval of their proposed Adequate Assurance Procedures. These procedures set forth a streamlined process for Utility Companies to address potential concerns with respect to the Proposed Adequate Assurance, while allowing the Debtors to continue their operations uninterrupted.

N. Debtors' Emergency Motion for Entry of an Order (I) Authorizing Debtors to (A) Maintain and Administer Prepetition Customer Programs, Promotions, and Practices and (B) Honor Prepetition Obligations Related Thereto and (II) Granting Related Relief

101. Pursuant to the *Debtors' Emergency Motion for Entry of an Order (I) Authorizing Debtors to (A) Maintain and Administer Prepetition Customer Programs, Promotions, and Practices and (B) Honor Prepetition Obligations Related Thereto and (II) Granting Related Relief*

filed contemporaneously herewith (the “Customer Programs Motion”) the Debtors request authority, among other things, to continue, renew, replace, implement or terminate customer-related programs, promotions, and practices (the “Customer Programs”).

102. As owners, operators, or franchisors of hundreds of restaurants across the United States and around the globe, to attract new customers (and reward and provide incentives to existing customers), the Debtors employ certain programs, promotions, and practices described herein. The Customer Programs include: (i) coupons and sales promotions; (ii) a gift card program; (iii) the My Red Lobster Rewards Loyalty Program; and (iv) the Debtors’ ordinary course refund policy. The Customer Programs promote customer satisfaction and inure to the goodwill of the Debtors’ business and the value of their brand. Maintaining the goodwill of their customers is critical to the Debtors’ ongoing operations in these chapter 11 cases and is necessary to maximize value for the benefit of all of the Debtors’ stakeholders. Continued use of the Customer Programs will also enable the Debtors to protect their customer base and revenue growth opportunities.

103. As of the Petition Date, the Debtors estimate that there are approximately \$121 million of prepetition obligations outstanding related to the Customer Programs. The Debtors seek authority to continue the Customer Programs only in the ordinary course of their business, which the Debtors estimate will translate to comparatively modest recognition of such liabilities on a weekly basis. By contrast, failure to continue the Customer Programs would generate bad publicity and sap customer goodwill at a precarious time for the Debtors and their restaurant business.

O. Debtors’ Emergency Motion for Entry of an Order (I) Authorizing Debtors to Pay Certain Prepetition Claims of Lien Claimants in the Ordinary Course of Business, and (II) Granting Related Relief

104. Pursuant to the *Debtors’ Emergency Motion for Entry of an Order (I) Authorizing Debtors to Pay Certain Prepetition Claims of Lien Claimants in the Ordinary Course of Business, and (II) Granting Related Relief* filed contemporaneously herewith (the “Lien Claimants Motion”)

the Debtors seek authority, but not direction, to pay certain lien claims in an aggregate amount not to exceed \$93,000 and only on such terms and conditions as are appropriate, in the Debtors' business judgment, to minimize any disruptions to the Debtors' businesses.

105. The Debtors retain vendors to perform a number of services, including construction, installation, maintenance, servicing, delivery and/or storage of equipment, facilities, supplies, and products that are essential to the Debtors' restaurant enterprise, including the warehousing of a subset of the Debtors' inventory. The Debtors are also responsible for covering the costs of improvements and repairs to their properties. They also rely upon vendors and repairmen to service certain of their equipment used in the operation of their businesses. With the Debtors' required ongoing service, repair, and maintenance obligations of their store locations and equipment, the Debtors depend on continuing business relationships with, and services provided by, certain lien claimants. Failure to pay amounts owed to these parties when due could result in, among other things, these vendors asserting liens against certain of the Debtors' assets under applicable state law, which could prevent the Debtors from maximizing recoveries for all stakeholders in these Chapter 11 Cases. Moreover, various state laws would permit such claimants to assert statutory liens against the Debtors' equipment and/or merchandise (or underlying property) in their possession and the subject of any delinquent charges.

P. Debtors' Emergency Motion for Entry of an Order (I) Authorizing Debtors to Pay Certain Section 503(b)(9) Claims in the Ordinary Course of Business, and (II) Granting Related Relief

106. Pursuant to the *Debtors' Emergency Motion for Entry of an Order (I) Authorizing Debtors to Pay Certain Section 503(b)(9) Claims in the Ordinary Course of Business, and (II) Granting Related Relief* filed contemporaneously herewith (the "503(b)(9) Motion"), the Debtors seek entry of an order: (i) authorizing the Debtors to pay in the ordinary course of business prepetition amounts owed to certain vendors solely for goods delivered to the Debtors within

twenty (20) days of the Petition Date and whose prepetition claims are thus entitled to administrative expense priority status under section 503(b)(9) of the Bankruptcy Code; (ii) confirming administrative expense priority status for all undisputed obligations of the Debtors arising out of outstanding orders for goods not yet delivered as of the Petition Date; and (iii) granting related relief. The Debtors request authority to pay the 503(b)(9) Claims (as defined below) in an amount not to exceed \$49,838,000 as they become due in the ordinary course of business. For the avoidance of doubt, the Debtors do not seek relief to pay any 503(b)(9) Vendor for any prepetition claim that is not entitled to administrative expense priority pursuant to section 503(b)(9) of the Bankruptcy Code.

107. To operate their restaurants, the Debtors rely on various vendors, suppliers, and distributors to provide the Debtors with various perishable and nonperishable items (such vendors, suppliers, and distributors, each a “503(b)(9) Vendor” and collectively, the “503(b)(9) Vendors” and their prepetition claims, each a “503(b)(9) Claim” and collectively, the “503(b)(9) Claims”). In the past twelve months, the Debtors paid approximately \$750 million in the ordinary course of business to purchase perishable and nonperishable goods from approximately 4,000 vendors.

108. Within the 20-day period before the Petition Date and in the ordinary course of business, the Debtors received goods (including food and beverages) from approximately 450 503(b)(9) Vendors totaling approximately \$49,838,000. Failure to pay the 503(b)(9) Vendors at the outset of these Chapter 11 Cases on account of their 503(b)(9) Claims—100% of which claims are entitled to administrative expense priority under section 503(b)(9)—could result in the 503(b)(9) Vendors refusing to do business with the Debtors moving forward.

109. Absent timely payment of their 503(b)(9) Claims, the 503(b)(9) Vendors may also impose stricter payment terms on the Debtors, negatively impacting their liquidity position. The

503(b)(9) Vendors are all important to the Debtors' businesses and, accordingly, a delay in their services could cause irreparable harm to the Debtors' revenue, goodwill, and market share.

Q. Debtors' Emergency Motion for Interim and Final Orders (A) Authorizing the Debtors to (I) Continue to Use Existing Cash Management System, (II) Maintain Bank Accounts and Continue Use of Existing Business Forms and Checks, (III) Honor Certain Related Prepetition and Postpetition Obligations, and (IV) Perform Intercompany Transactions, (B) Granting a Waiver of Certain Investment and Deposit Guidelines, and (C) Granting Related Relief

110. Pursuant to the *Debtors' Emergency Motion for Interim and Final Orders (A) Authorizing the Debtors to (I) Continue to Use Existing Cash Management System, (II) Maintain Bank Accounts and Continue Use of Existing Business Forms and Checks, (III) Honor Certain Related Prepetition and Postpetition Obligations, and (IV) Perform Intercompany Transactions, (B) Granting a Waiver of Certain Investment and Deposit Guidelines, and (C) Granting Related Relief* filed contemporaneously herewith (the "Cash Management Motion"), the Debtors request (a) authority to: (i) continue to maintain the Debtors' existing cash management system, including, without limitation, to continue to maintain the Debtors' existing bank accounts and business forms and checks, (ii) honor certain prepetition and postpetition obligations related thereto, (iii) continue to perform intercompany transactions in the ordinary course, (b) waiving investment and deposit guidelines of section 345 of the Bankruptcy Code and the *Operating Guidelines and Reporting Requirements for Debtors in Possession and Chapter 11 Trustees* (revised 1/01/2020) (the "Guidelines") issued by the Office of the United States Trustee; and (c) providing any additional relief required in order to effectuate the foregoing.

111. The United States Trustee has established Guidelines for debtors-in-possession in order to supervise the administration of Chapter 11 cases. These Guidelines require Chapter 11 debtors to, among other things, close all existing bank accounts and open new debtor-in-possession ("DIP") bank accounts, establish one DIP account for all estate monies required for the payment

of taxes (including payroll taxes), maintain a separate DIP account for cash collateral, and obtain checks for all DIP accounts that bear the designation “debtor-in-possession,” the bankruptcy case number, and the type of account. These requirements are designed to provide a clear line of demarcation between prepetition and post-petition transactions and operations and to prevent the inadvertent post-petition payment of prepetition claims. In the Cash Management Motion, the Debtors seek a waiver of these requirements so that their operations are not further disrupted by the need to alter the Cash Management System as it would create unnecessary administrative burdens and hardship and would cause unnecessary expense, utilization of resources, and delay.

112. The Cash Management System is comprised of 714 deposit accounts across nine financial institutions, pursuant to which the Debtors manage cash receipts and disbursements. As set forth in the Cash Management Motion, the Debtors’ Cash Management System has three primary categories of Bank Accounts: (i) depository accounts into which cash generated from the Debtors’ operations are deposited (collectively, the “Depository Accounts”); (ii) operating/concentration accounts into which receipts from the Depository Accounts are channeled and out of which Disbursement Accounts (defined therein) draw funds (collectively, the “Operating Accounts”); and (iii) disbursement accounts for designated disbursements. An average of \$20 million in receipts and disbursements flows through the Cash Management System each banking day.

113. The Cash Management System operates in accordance with ordinary, usual, and essential business practices. It allows the Debtors to efficiently track and report the location and amount of funds, which, in turn, enable the Debtors to track and control such funds, ensure cash availability, and reduce administrative costs through a method of coordinating the collection and movement of funds. The Debtors’ existing Bank Accounts function smoothly and permit the

efficient collections and disbursements of cash for the benefit of the Debtors and all parties in interest. The Debtors' transition into Chapter 11 will be significantly less disruptive if its Cash Management System and existing bank accounts are maintained following the commencement of these cases with the same account numbers.

114. The Debtors' operations require the Cash Management System to continue during the pendency of the Chapter 11 Cases. If the Debtors were required to create and implement a new cash management system, their operations would be severely disrupted, which would have an adverse impact on the Debtors and would result in substantial additional costs to the Debtors' bankruptcy estates.

115. The Debtors request further relief from the UST Operating Guidelines to the extent that they require the Debtors to make all disbursements by check. Considering the complexity of the Debtors' operations, the Debtors must conduct transactions by debit, wire, or ACH payments and other similar methods, and to deny the Debtors the opportunity to conduct transactions by debit, wire or ACH payments or other similar methods would interfere with the Debtors' performance of their contracts and unnecessarily disrupt the Debtors' business operations, as well as create additional costs to the Debtors.

116. The Debtors also request authority to engage in certain Intercompany Transactions post-petition. If the Court grants this relief, the Debtors will continue recording all such transactions in their books and records consistent with past practice prior to the Petition Date.

R. Debtors' First and Second Omnibus Emergency Motions for Order Authorizing (A) Rejection of Unexpired Leases of Non-Residential Real Property Effective as of the Petition Date, (B) Abandonment of Any Remaining Personal Property Located at the Leased Premises, and (C) Fixing a Bar Date for Claims of Counterparties

117. Pursuant to the (i) *Debtors' First Omnibus Emergency Motion for Order Authorizing (A) Rejection of Unexpired Leases of Non-Residential Real Property Effective as of*

the Petition Date, (B) Abandonment of Any Remaining Personal Property Located at the Leased Premises, and (C) Fixing a Bar Date for Claims of Counterparties filed contemporaneously herewith (the “First Lease Rejection Motion”), and (ii) *Debtors’ Second Omnibus Emergency Motion for Order Authorizing (A) Rejection of Unexpired Leases of Non-Residential Real Property Effective as of the Petition Date, (B) Abandonment of Any Remaining Personal Property Located at the Leased Premises, and (C) Fixing a Bar Date for Claims of Counterparties* filed contemporaneously herewith (the “Second Lease Rejection Motion” and together with the First Lease Rejection Motion, the “Lease Rejection Motions”), the Debtors seek entry of orders, pursuant to section 365 of the Bankruptcy Code and Bankruptcy Rule 6006, (a) authorizing and approving the Debtors’ rejection of 108 Rejected Leases in the aggregate, effective as of the Petition Date, (b) confirming that any Personal Property remaining at each location not removed by the Petition Date or otherwise within the time agreed upon by and among the Debtors and the counterparty of the applicable location (unless extended by agreement among the Debtors and the applicable counterparty) are deemed abandoned by the Debtors pursuant to section 554 of the Bankruptcy Code without the applicable counterparty incurring liability to any person or entity. Upon such abandonment at the time of the rejection of the applicable Rejected Lease, the applicable counterparty shall be permitted to use or dispose of such abandoned Personal Property remaining at the locations without notice or liability to the Debtors or any third person or entity.

118. The Debtors are lessees of non-residential real estate, who have ceased operations at the subject premises and are no longer occupying and deriving any benefit from the use of such premises. The Debtors closed nearly 100 restaurant locations in the weeks leading up to the Petition Date. Where possible, the Debtors have sought to remove Personal Property to repurpose in other stores or sell in an auction setting. As described in the Lease Rejection Motions, the Debtors seek

authority to abandon any property remaining in the 108 locations and allow the landlord counterparty to remove and/or dispose of Personal Property.

S. Emergency Motion for Interim and Final Orders (I) Approving Postpetition Financing, (II) Authorizing the Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, (VI) Scheduling a Final Hearing, and (VII) Granting Related Relief

119. As described in the *Debtors' Emergency Motion for Interim and Final Orders (I) Approving Postpetition Financing, (II) Authorizing the Use of Cash Collateral, (III) Granting Liens and Providing Superpriority Administrative Expense Status, (IV) Granting Adequate Protection, (V) Modifying Automatic Stay, (VI) Scheduling a Final Hearing, and (VII) Granting Related Relief* filed contemporaneously herewith (the "DIP Financing Motion"), the Debtors are in immediate need of debtor-in-possession financing to maintain ongoing business operations as the Debtors transition into the Chapter 11 Cases. Without such immediate financing, the Debtors project, after consultation with their advisors, that they will be unable to make payments essential to continue going concern operations—each as highlighted in the other first day pleadings as described herein—resulting in immediate and irreparable harm to the Debtors' businesses. Accordingly, the proposed postpetition, superpriority secured delayed draw term loan facility, pursuant to the terms of that certain Secured Superpriority Debtor-in-Possession Financing Agreement is critical to the Debtors ability to administer the Chapter 11 Cases and to pursue the restructuring transactions as contemplated by the RSA.

120. Additional factual support is set forth in the DIP Financing Motion and the declarations attached thereto.

Conclusion

121. This Declaration illustrates the factors that have precipitated the commencement of these Chapter 11 Cases and the Debtors' critical need for the protections and tools provided to debtors under chapter 11 of the Bankruptcy Code.

122. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury under the laws of the United States of America that, to the best of my knowledge and after reasonable inquiry, the foregoing is true and correct.

(o) subject to the provisions of any bid procedures order entered by the Bankruptcy Court to the contrary, if the Company receives an Alternative Restructuring Proposal, as soon as reasonably practicable upon the receipt of such Alternative Restructuring Proposal, and in any event within one (1) Business Day following receipt, provide the Consenting Lenders with a copy of such Alternative Restructuring Proposal, and thereafter promptly update the Consenting Lenders regarding the occurrence and substance of any material discussions, negotiations, changes or other developments related to such Alternative Restructuring Proposal; and

(d) (i) seek discovery in connection with or prepare or commence an avoidance action or other legal proceeding that challenges: (A) the amount, validity, allowance, character, enforceability or priority of any Claims against, or Interests in, the Company of the Consenting Lenders, including the Loan Claims, or any of them, or (B) the validity, enforceability or perfection of any lien or other encumbrance securing any Claims against, or Interests in, the Company of the Consenting Lenders, including the Loan Claims, or (ii) support any third party in connection with any of the acts described in clause (d)(i); or

8.3 [Reserved]

8.4 The Company acknowledges, agrees, and shall not dispute that after the commencement of the Chapter 11 Cases, the giving of notice of default or termination by any RSA Party pursuant to this Agreement shall not be a violation of the automatic stay of section 362 of the Bankruptcy Code (and the Company hereby waives, to the extent legally possible, the applicability of the automatic stay solely with respect to the giving of such notice and attendant termination); *provided* that nothing herein shall prejudice any RSA Party's rights to argue that the giving of notice of default or termination was not proper under the terms of this Agreement.

Section 9. Additional Provisions Regarding the Company's Commitments.

9.1 Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall require the Company or the board of directors, board of managers, restructuring committee of the board of managers or similar governing body of the Company to take any action

or to refrain from taking any action with respect to the Restructuring Transactions to the extent it determines in good faith, upon the advice of outside counsel, that the taking or failing to take such action would violate applicable Law or be in breach of its fiduciary obligations under applicable Law, and any such action or inaction pursuant to this Section 9.1 shall not be deemed to constitute a breach of this Agreement. The Company shall promptly notify each of the Consenting Lenders of any such determination within twenty-four (24) hours following such determination. Notwithstanding anything to the contrary herein, each Consenting Lender reserves its rights to challenge any action taken in the exercise of such fiduciary duties.

9.2 Notwithstanding anything to the contrary in this Agreement, the Company and their respective directors, officers, employees, investment bankers, attorneys, accountants, consultants, and other advisors or representatives shall have the right to: (a) consider, respond to, and discuss unsolicited Alternative Restructuring Proposals; (b) provide access to non-public information concerning the Company to any Entity that (i) provides an unsolicited Alternative Restructuring Proposal; (ii) executes and delivers a Confidentiality Agreement; and (iii) requests such information; (c) maintain or continue discussions or negotiations with respect to any unsolicited Alternative Restructuring Proposal if (x) the board of directors, board of managers, restructuring committee of the board of managers or similar governing body of the Company determines in good faith, upon the advice of outside legal counsel, that failure to take such action would violate applicable Law or be in breach of its fiduciary obligations under applicable Law, (y) the board of directors, board of managers, restructuring committee of the board of managers or similar governing body of the Company has determined, upon the advice of outside legal counsel and/or the Company's investment banker, that such Alternative Restructuring Proposal is reasonably likely to lead to a transaction that is more favorable to the holders of Claims against, or Interests in, the Company than the Restructuring Transactions and is reasonably capable of being completed in accordance with its terms, taking into account all legal, financial, financing, conditionality, timing and other aspects of such Alternative Restructuring Proposal in a timely manner, and (z) such Alternative Restructuring Proposal is reasonably likely to provide for the payment in full in cash of all obligations owed under the Credit Agreement and DIP Credit Agreement; and (d) enter into or continue discussions or negotiations with holders of Claims against, or Interests in, the Company, or any other entity regarding the Restructuring Transactions.

9.3 Nothing in this Agreement shall: (a) impair or waive the rights of the Company to assert or raise any objection permitted under this Agreement in connection with the Restructuring Transactions; (b) prevent the Company from enforcing this Agreement or contesting whether any matter, fact, or thing is a breach of, or is inconsistent with, this Agreement or the Term Sheets; or (c) create any additional fiduciary obligations or duties on the part of the Company or any members, managers, directors or officers of the Company that did not exist prior to the date of this Agreement.

Section 10. Transfer of Interests and Securities.

10.1 During the Agreement Effective Period, no Consenting Lender shall Transfer any ownership (including any beneficial ownership as defined in the Rule 13d-3 under the Securities Exchange Act of 1934, as amended) in Loan Claims to any affiliated or unaffiliated party, including any party in which it may hold a direct or indirect beneficial interest, unless: either (a)

the transferee executes and delivers to counsel to each RSA Party at or before the time of the proposed Transfer, a Transfer Agreement Joinder; or (b) the transferee is an RSA Party and the transferee provides notice of such Transfer to counsel to each other RSA Party at or before the time of the proposed Transfer (such transferee, a “Permitted Transferee”).

10.2 Upon compliance with the requirements of Section 10.1 of this Agreement, the transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of the rights and obligations in respect of such transferred Loan Claims. Any Transfer in violation of Section 10.1 shall be void *ab initio*.

10.3 This Agreement shall in no way be construed to preclude the Consenting Lenders from acquiring additional Company Claims or Interests; *provided*, that (a) any additional Loan Claims acquired shall automatically and immediately upon acquisition by a Consenting Lender be deemed subject to the terms of this Agreement (regardless of when or whether notice of such acquisition is given to counsel to the RSA Parties) and (b) such Consenting Lender must provide notice of such acquisition (including the amount and type of Company Claim/Interest acquired) to counsel to each other RSA Party promptly upon such acquisition.

10.4 Notwithstanding Section 10.1 of this Agreement, a Qualified Marketmaker that acquires any Loan Claims with the purpose and intent of acting as a Qualified Marketmaker for such Loan Claims shall not be required to execute and deliver a Transfer Agreement Joinder in respect of such Loan Claims if: (a) such Qualified Marketmaker subsequently transfers such Loan Claims (by purchase, sale assignment, participation, or otherwise) within five (5) Business Days of its acquisition to a transferee that is an entity that is not an affiliate, affiliated fund, or affiliated entity with a common investment advisor; (b) the transferee otherwise is a Permitted Transferee under Section 10.1; and (c) the Transfer otherwise is a Permitted Transfer under Section 10.1. To the extent that a Consenting Lender is acting in its capacity as a Qualified Marketmaker, it may Transfer (by purchase, sale, assignment, participation, or otherwise) any right, title or interests in Company Claims or Interests that the Qualified Marketmaker acquires from a holder of the Company Claims or Interests who is not a Consenting Lender without the requirement that the transferee be a Permitted Transferee.

10.5 Notwithstanding anything to the contrary in this Section 10, the restrictions on Transfer set forth in this Section 10 shall not apply to the grant of any liens or encumbrances on any claims and interests in favor of a bank or broker-dealer holding custody of such claims and interests in the ordinary course of business and which lien or encumbrance is released upon the Transfer of such claims and interests.

Section 11. Representations and Warranties of the Consenting Lenders.

Each Consenting Lender severally, and not jointly, represents and warrants that, as of the date such Consenting Lenders executes and delivers this Agreement:

(a) it is the beneficial or record owner of the face amount of the Loans or is the nominee, investment manager, or advisor for beneficial holders of the Loans reflected in, and, having made reasonable inquiry, is not the beneficial or record owner of any Loan Claims other

than those reflected in, such Consenting Lender's signature page to this Agreement or a Transfer Agreement Joinder, as applicable (as may be updated pursuant to Section 10);

(b) it has the full power and authority to act on behalf of, vote and consent to matters concerning, such Loan Claims;

(c) such Loan Claims are free and clear of any pledge, lien, security interest, charge, claim, equity, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would adversely affect in any way such Consenting Lender's ability to perform any and all of its obligations under this Agreement at the time such obligations are required to be performed;

(d) it has the full power to vote, approve changes to, and transfer all of its Loan Claims referable to it as contemplated by this Agreement subject to applicable Law;

(e) it has access to adequate information regarding the terms of this Agreement to make an informed and knowledgeable decision with regard to entering into this Agreement;

(f) it has not relied upon any other Consenting Lender in deciding to enter into this Agreement and has instead made its own independent analysis and decision to enter into this Agreement; and

(g) to the extent it holds any other Company Claims or Interests, it shall not take any action or exercise any rights inconsistent with the terms of this Agreement on account of such Company Claims or Interests.

Section 12. Mutual Representations, Warranties, and Covenants.

Each of the RSA Parties represents, warrants, and covenants to each other RSA Party, as of the date such RSA Party executes and delivers this Agreement:

(a) it is validly existing and in good standing under the Laws of the state of its organization, and this Agreement is a legal, valid, and binding obligation of such party, enforceable against it in accordance with its terms, except as enforcement may be limited by applicable Laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability;

(b) except as expressly provided in this Agreement or, if applicable, the Bankruptcy Code, no consent or approval is required by any other person or entity in order for it to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Agreement;

(c) the entry into and performance by it of, and the transactions contemplated by, this Agreement do not, and will not, conflict in any material respect with any Law or regulation applicable to it or with any of its articles of association, memorandum of association, other applicable constitutional documents or material contracts to which it is a party;

(d) except as expressly provided in this Agreement, it has (or will have, at the relevant time) all requisite corporate or other power and authority to enter into, execute, and deliver this Agreement and to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Agreement; and

(e) except as expressly provided by this Agreement, it is not party to any restructuring or similar agreements or arrangements with any other RSA Parties to this Agreement that have not been disclosed to all RSA Parties to this Agreement.

Section 13. Termination Events.

13.1 Required Consenting Lender Termination Events. This Agreement may be terminated by the Required Consenting Lenders by the delivery of a written notice in accordance with Section 16.11 of this Agreement upon the occurrence of the following events:

(a) The breach in any material respect by the Company of any of the representations, warranties, covenants, or commitments, including those set forth in Sections 8, 9 and 12 of this Agreement, that remains uncured (to the extent curable) for five (5) Business Days after the Required Consenting Lenders (or the Agent when directed by the Required Consenting Lenders) transmits a written notice to the other RSA Parties detailing such breach in accordance with Section 16.11 of this Agreement;

(b) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling or order that (i) enjoins the consummation of a material portion of the Restructuring Transactions and (ii) remains in effect for five (5) Business Days after the transmission of a written notice with respect to such issuance in accordance with Section 16.11 of this Agreement;

(c) the failure of the Company to satisfy any of the Milestones set forth in **Exhibit E** or in any of the Term Sheets;

(d) the failure of the RSA Parties to consummate the Restructuring Transactions on or before August 30, 2024, provided that such failure to timely consummate the Restructuring Transactions is not the result of a breach of this Agreement by the Consenting Lenders or the Agent;

(e) the Bankruptcy Court grants relief that is inconsistent with this Agreement or the Terms Sheets in any material respect or enters an order denying the Sale Motion and such order remains in effect for five (5) Business Days after entry of such order;

(f) the entry of an order by the Bankruptcy Court, or the filing of a motion or application by the Company seeking an order (without the prior written consent of the Required Consenting Lenders), (i) converting one or more of the Chapter 11 Cases of the Company to a case under chapter 7 of the Bankruptcy Code, (ii) appointing an examiner with expanded powers

beyond those set forth in sections 1106(a)(3) and (4) of the Bankruptcy Code or a trustee in one or more of the Chapter 11 Cases of the Company, or (iii) rejecting this Agreement;

(g) the Bankruptcy Court grants relief terminating, annulling, or modifying the automatic stay (as set forth in section 362 of the Bankruptcy Code) with regard to any assets of the Company having an aggregate fair market value in excess of \$250,000;

(h) the Company approves an Alternative Restructuring Proposal or enters into a definitive agreement with respect to an Alternative Restructuring Proposal, or determines, pursuant to Section 9.1, that the Company or the board of directors, board of managers, restructuring committee of the board of managers or any similar governing body of the Company taking any action or refraining from taking any action with respect to the Restructuring Transactions would violate applicable Law or be in breach of its fiduciary obligations under applicable Law. Notwithstanding the foregoing sentence, the Company may approve an Alternative Restructuring Proposal or exercise its Fiduciary Out to pursue an Alternative Restructuring Proposal, *provided* that in either case, such Alternative Restructuring Proposal provides for the payment in full in cash of all obligations owed under the Credit Agreement and DIP Credit Agreement upon the earliest to occur of (i) maturity of the DIP Facility, or (ii) consummation of such Alternative Restructuring transaction, *provided further*, the Company's decision to pursue an Alternative Restructuring Proposal or exercise its Fiduciary Out shall not effect or extend any Milestone;

(i) in the event that the Company commences the Chapter 11 Cases, the Company withdraws the Sale Motion, or publicly announces its intention to withdraw the Sale Motion;

(j) a Default or Event of Default (as each such term is defined in the DIP Credit Agreement) occurs and is continuing;

(k) the Bankruptcy Court enters an order invalidating, disallowing, subordinating, recharacterizing, or limiting, as applicable, any of the Loan Claims, the liens securing the Loan Claims, the DIP Facility, or the liens securing the DIP Facility; or

(l) the Company executes, delivers, files, amends or modifies, or files a pleading seeking approval of, or authority to amend or modify, any Restructuring Document that, in any such case, is not consistent in all material respects with this Agreement or the Term Sheets or otherwise acceptable to the applicable required RSA Party set forth in Section 3.2.

13.2 Company Termination Events. This Agreement may be terminated by the Company by delivery to the Agent and Consenting Lenders of a written notice in accordance with Section 16.11 of this Agreement upon the occurrence of the following events:

(a) the failure of the RSA Parties to consummate the Restructuring Transactions on or before August 30, 2024;

(b) the breach in any material respect by one or more of the Consenting Lenders of any provision set forth in this Agreement (i) that is materially adverse to the Company and (ii) that remains uncured for a period of five (5) Business Days after the Company delivers to the other

RSA Parties a written notice detailing each breach in accordance with Section 16.11 of this Agreement;

(c) the board of directors, board of managers, restructuring committee of the board of managers or any similar governing body of the Company determines in good faith, upon the advice of outside counsel, (i) that proceeding with any of the Restructuring Transactions would violate the exercise of its fiduciary duties or applicable Law or (ii) in the exercise of its fiduciary duties, to pursue an Alternative Restructuring Proposal; *provided, however*, that in the event the Company desires to exercise its Fiduciary Out pursuant to this Section 13.2(c), the Company shall provide written notice to counsel to the other RSA Parties in accordance with Section 16.11 of this Agreement prior to the expiration of the Fiduciary Out Period advising such counsel that the Company intends to terminate this Agreement pursuant to the Fiduciary Out and specifying, in reasonable detail, the reasons therefor, and during the Fiduciary Out Period the Company shall, and shall cause their respective directors, managers and representatives to, negotiate with the other RSA Parties in good faith (to the extent the other RSA Parties wish to negotiate) to enable the other RSA Parties to determine whether to propose revisions to the terms of the Restructuring Transactions such that it would obviate the need for the Company to exercise its right to terminate this Agreement pursuant to the Fiduciary Out, *provided further* that if the Company exercises its Fiduciary Out to pursue an Alternative Restructuring Proposal, such Alternative Restructuring Proposal provides for the payment in full in cash of all obligations owed under the Credit Agreement and DIP Credit Agreement upon the earliest to occur of (i) maturity of the DIP Facility, or (ii) consummation of such Alternative Restructuring transaction, *provided further*, the Company's decision to pursue an Alternative Restructuring Proposal or exercise its Fiduciary Out shall not affect or extend any Milestone; or

(d) the issuance by any governmental authority, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling or order that (i) enjoins the consummation of a material portion of the Restructuring Transactions and (ii) remains in effect for five (5) Business Days after the Company delivers a written notice to the other RSA Parties in accordance with Section 16.11 of this Agreement detailing any such issuance; *provided* that this termination right shall not apply to or be exercised by the Company if it sought or requested such ruling or order in contravention of any obligation or restriction set out in this Agreement.

13.3 Mutual Termination. This Agreement, and the obligations of all the RSA Parties hereunder, may be terminated by mutual written agreement among all of the RSA Parties.

13.4 Automatic Termination. This Agreement shall terminate automatically without any further required action or notice immediately upon the Effective Date.

13.5 Effect of Termination. After the occurrence of a Termination Event, if the RSA Party seeking to enforce this Agreement has failed to request an order within five (5) Business Days of the purported occurrence of a Termination Event from a court of competent jurisdiction finding that a Termination Event did not occur, this Agreement shall be of no further force or effect, and each RSA Party shall be released from its commitments, undertakings, and agreements under or related to this Agreement and shall have the rights and remedies that it would have had, had it not entered into this Agreement, and shall be entitled to take all actions, whether with

respect to the Restructuring Transactions or otherwise, that it would have been entitled to take had it not entered into this Agreement, including with respect to any and all Claims or Causes of Action. Nothing in this Agreement shall be construed as prohibiting any of the RSA Parties from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Event. Nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict any right of any RSA Party, including termination rights or claims arising under Section 13, or the ability of any RSA Party, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any RSA Party (including the Company).

Section 14. Amendments and Waivers.

(a) This Agreement may not be modified, amended, or supplemented, and no condition or requirement hereof may be waived, in any manner except in accordance with this Section 14.

(b) This Agreement may be modified, amended, or supplemented, or a condition or requirement of this Agreement may be waived, in a writing signed by the Company and the Required Consenting Lenders.

(c) The waiver by any RSA Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any RSA Party to exercise, and no delay in exercising, any right, power or remedy under this Agreement shall operate as a waiver of any such right, power or remedy or any provision of this Agreement, nor shall any single or partial exercise of such right, power or remedy by such RSA Party preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy. All remedies under this Agreement are cumulative and are not exclusive of any other remedies provided by Law.

Section 15. Release.

15.1 On the Effective Date, each Releasing Party shall be deemed to expressly and generally release, acquit, and discharge each Released Party as set forth below:

TO THE FULLEST EXTENT PERMISSIBLE UNDER APPLICABLE LAW, EACH OF THE RELEASING PARTIES (REGARDLESS OF WHETHER A RELEASING PARTY IS A RELEASED PARTY) SHALL BE DEEMED TO HAVE CONCLUSIVELY, ABSOLUTELY, UNCONDITIONALLY, IRREVOCABLY, AND FOREVER, RELEASED AND DISCHARGED EACH OTHER RELEASED PARTY FROM ANY AND ALL CLAIMS, EQUITY INTERESTS, OBLIGATIONS, RIGHTS, SUITS, DAMAGES, CAUSES OF ACTION, REMEDIES, AND LIABILITIES WHATSOEVER, WHETHER KNOWN OR UNKNOWN, FORESEEN OR UNFORESEEN, LIQUIDATED OR UNLIQUIDATED, DIRECT OR INDIRECT, CONTINGENT OR FIXED, EXISTING OR HEREINAFTER ARISING, IN LAW, AT EQUITY, OR OTHERWISE, INCLUDING ANY DERIVATIVE CLAIMS, ASSERTED OR ASSERTABLE ON BEHALF OF ANY OF THE COMPANY, THE REORGANIZED COMPANY, EACH OTHER RELEASING PARTY OR THEIR ESTATES, THAT SUCH ENTITY WOULD HAVE BEEN LEGALLY

ENTITLED TO ASSERT (WHETHER INDIVIDUALLY OR COLLECTIVELY), BASED ON OR RELATING TO, OR IN ANY MANNER ARISING FROM, IN WHOLE OR IN PART, THE COMPANY, THE BUSINESS OPERATIONS OF THE COMPANY, ACTIONS TAKEN BY THE COMPANY'S BOARD OF DIRECTORS, THE PURCHASE, SALE, OR RESCISSION OF THE PURCHASE OR SALE OF ANY SECURITY OF THE COMPANY OR THE REORGANIZED COMPANY, THE SUBJECT MATTER OF, OR THE TRANSACTIONS OR EVENTS GIVING RISE TO, ANY CLAIM OR EQUITY INTEREST THAT IS TREATED IN THE RESTRUCTURING TRANSACTIONS, THE BUSINESS OR CONTRACTUAL ARRANGEMENTS BETWEEN ANY RELEASING PARTY AND ANY RELEASED PARTY, THE COMPANY'S RESTRUCTURING EFFORTS, INTERCOMPANY TRANSACTIONS, ENTRY INTO THE CHAPTER 11 CASES, THE FORMULATION, PREPARATION, DISSEMINATION, OR NEGOTIATION OF THIS AGREEMENT, THE SALE, THE DIP FACILITY OR OTHER DOCUMENTS, OR ANY OTHER ACT OR OMISSION, TRANSACTION, AGREEMENT, EVENT, OR OTHER OCCURRENCE TAKING PLACE ON OR BEFORE THE EFFECTIVE DATE. ANY CONTRARY PROVISION HEREOF NOTWITHSTANDING, THE RELEASE(S) CONTAINED IN THIS SECTION 15, ANY RESTRUCTURING DOCUMENT SHALL NOT RELEASE ANY RELEASED PARTY OF OR FROM ANY CLAIMS OR LIABILITIES ARISING FROM WILLFUL MISCONDUCT OR FRAUD.

15.2 Each of the Releasing Parties shall be deemed to have granted this Release pursuant to and in accordance with this Agreement knowingly, notwithstanding that each Releasing Party may hereafter discover facts in addition to, or different from, those which either such Releasing Party now knows or believes to be true, and without regard to the subsequent discovery or existence of such different or additional facts, and each Releasing Party pursuant to and in accordance with this Agreement shall expressly waive any and all rights that such Releasing Party may have under any statute or common law principle which would limit the effect of the Release to those claims actually known or suspected to exist as of before the Effective Date.

15.3 In connection with their agreement to the foregoing Release pursuant to and in accordance with this Agreement, the Releasing Parties shall knowingly and voluntarily waive and relinquish any and all provisions, rights, and benefits conferred by any law of the United States or any state or territory of the United States, or principle of common law, which governs or limits a person's release of unknown claims, comparable or equivalent to California Civil Code § 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Each of the Releasing Parties hereby represents and warrants that it has access to adequate information regarding the terms of this Agreement, the scope and effect of the Release, and

all other matters encompassed by this Agreement to make an informed and knowledgeable decision with regard to entering into this Agreement. Each of the Releasing Parties further represents and warrants that it has not relied upon any other RSA Party in deciding to enter into this Agreement and has instead made its own independent analysis and decision to enter into this Agreement.

Section 16. Miscellaneous.

16.1 Acknowledgement. 16.9 Rules of Construction. This Agreement is the product of negotiations among the RSA Parties, and in the enforcement or interpretation of this Agreement is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any RSA Party by reason of that party having drafted or caused to be drafted this Agreement, or any portion of this Agreement, shall not be effective in regard to the interpretation of this Agreement. The parties hereto were each represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel.

Company and it has been represented by counsel or other advisors (or has had ample opportunity to seek representation or advice from counsel or other advisors) in connection with this Agreement and the Restructuring Transactions.

16.13 Enforceability of Agreement. Each of the RSA Parties waives any right to assert that the exercise of termination rights under this Agreement is subject to the automatic stay provisions of the Bankruptcy Code, and expressly stipulates and consents hereunder to the prospective modification of the automatic stay provisions of the Bankruptcy Code for purposes of exercising termination rights under this Agreement, to the extent the Bankruptcy Court determines that such relief is required.

16.14 Publicity. The Company shall submit drafts to counsel to each Consenting Lenders of any press release and public documents that constitute disclosure of the existence of the terms of this Agreement or any amendment to the terms of this Agreement at least three (3) Business Days prior to making any such disclosure and shall afford them a reasonable opportunity under the circumstances to comment on such documents and disclosures, final versions of which shall be reasonably satisfactory to the Required Consenting Lenders.

Pursuant to Federal Rule of Evidence 408 and any other applicable rules of evidence, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than a proceeding to enforce its terms or the payment of damages to which a Party may be entitled under this Agreement.

16.17 Specific Performance. It is understood and agreed by the RSA Parties that money damages would be an insufficient remedy for any breach of this Agreement by any RSA Party, and each non-breaching RSA Party shall be entitled to specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy for any such breach from a court of competent jurisdiction requiring any RSA Party to comply promptly with any and all of its obligations hereunder.

16.18 Several, Not Joint, Claims. Except where otherwise specified, the agreements, representations, warranties, and obligations of the parties under this Agreement are, in all respects, several and not joint.

16.19 Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions

shall remain in full force and effect if essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

16.20 Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect of this Agreement at Law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy of this Agreement by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.
