Ladies and Gentlemen:

Sino-Forest Corporation, a Canada Business Corporations Act corporation (the “**Company**”), confirms its agreement with Banc of America Securities LLC (“**BAML**”) and Credit Suisse Securities (USA) LLC (“**Credit Suisse**”) and the initial purchasers named in Schedule A hereto (together, the “**Initial Purchasers**”, which term shall also include any initial purchaser substituted as hereinafter provided in Section 11 hereof), for whom BAML and Credit Suisse are acting as representatives (in such capacity, the “**Representatives**”), with respect to the issue and sale by the Company and the purchase by the Initial Purchasers, acting severally and not jointly, of the respective principal amounts of the Company’s 6¼% Guaranteed Senior Notes due 2017 (the “**Notes**”) set forth in Schedule A hereto. The Notes are to be issued pursuant to an indenture (the “**Indenture**”) to be dated as of the Closing Date (as defined in Section 2(b)) among the Company, the subsidiary guarantors named in Schedule D-1 hereto (each a “**Subsidiary Guarantor**”) and Law Debenture Trust Co. of New York, as trustee (the “**Trustee**”).

Notes issued in book-entry form will be issued to Cede & Co. as nominee of The Depository Trust Company (“**DTC**”).

The payment of principal of, interest on, and all other amounts due under, the Notes will be irrevocably and unconditionally guaranteed on a senior basis by the Subsidiary Guarantors, pursuant to their guarantees (the “**Subsidiary Guarantees**”). The Notes and the Subsidiary Guarantees attached thereto are herein collectively referred to as the “**Securities**.” The Securities will be secured by a valid and enforceable perfected first priority security interest over all the shares held by each Subsidiary Guarantor Pledgor (as hereinafter defined) (collectively, the “**Collateral**”). The Company and the pledgors listed in Schedule D-4 hereto (the “**Subsidiary Guarantor Pledgors**”) and Law Debenture Trust Co. of New York as security trustee (the “**Security Trustee**”) will enter into the share pledges listed in Schedule E (Part I) hereto (collectively, the “**Share Pledges**”), to be dated as of the Closing Date. The

Collateral will be shared *pari passu* in right and priority of payment with certain other creditors in respect of the obligations of the Company and the Subsidiary Guarantor Pledgors in accordance with the amended and restated intercreditor agreement described in Schedule E (Part II) hereto (the “**Intercreditor Agreement**”), by and among the Company, the Subsidiary Guarantor Pledgors, the Trustee, the Security Trustee and certain other parties, to be dated as of the Closing Date. The Share Pledges and the Intercreditor Agreement are herein referred to as the “**Security Documents**”.

The Company and each Subsidiary Guarantor understands that the Initial Purchasers propose to make an offering of the Securities on the terms and in the manner set forth herein and agrees that the Initial Purchasers may resell, subject to the conditions set forth herein, all or a portion of the Securities to purchasers (“**Subsequent Purchasers**”) at any time after this Agreement has been executed and delivered. The Securities are to be offered and sold through the Initial Purchasers without being registered under the Securities Act of 1933, as amended (the “**1933 Act**”), in reliance upon exemptions therefrom. Pursuant to the terms of the Securities and the Indenture, investors that acquire Securities may only resell or otherwise transfer such Securities if such Securities are hereafter registered under the 1933 Act or if an exemption from the registration requirements of the 1933 Act is available (including the exemption afforded by Rule 144A (“**Rule 144A**”) or Regulation S (“**Regulation S**”) of the rules and regulations promulgated under the 1933 Act (the “**1933 Act Regulations**”) by the Securities and Exchange Commission (the “**Commission**”).

The Notes are expected to be listed on the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”).

The Company and the Subsidiary Guarantors (a) have prepared and delivered to each Initial Purchaser copies of a preliminary offering memorandum, including any documents incorporated therein by reference, dated October 11, 2010 (the “**Preliminary Offering Memorandum**”) and (b) have prepared and will deliver to each Initial Purchaser, as promptly as possible prior to the Closing Time, copies of a final offering memorandum, including any documents incorporated therein by reference, dated the date hereof (the “**Final Offering Memorandum**”), each for use by such Initial Purchaser in connection with its solicitation of purchases of, or offering of, the Securities. “**Offering Memorandum**” means, with respect to any date or time referred to in this Agreement, the most recent offering memorandum (whether the Preliminary Offering Memorandum or the Final Offering Memorandum, as amended and supplemented at such time), including exhibits thereto, if any, and any documents incorporated therein by reference, which has been prepared and delivered by the Company to the Initial Purchasers in connection with their solicitation of purchases of, or offering of, the Securities.

Section 1. Representations and Warranties by the Company and the Subsidiary Guarantors.

(a) *Representations and Warranties by the Company.* The Company represents and warrants to each Initial Purchaser as of the date hereof and as of the Closing Time referred to in Section 2(b) hereof, and agrees with each Initial Purchaser, as follows:

(i) Disclosure Package and Final Offering Memorandum. As of the Applicable Time (as defined below), neither (A) the Preliminary Offering Memorandum as supplemented by the final pricing term sheet, in the form attached hereto as Schedule C (the “**Pricing Supplement**”) and as otherwise supplemented or amended at such time, all considered together (collectively, the “**Disclosure Package**”), nor (B) any individual Supplemental Offering Materials (as defined below), when considered together with the Disclosure Package, included any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

“**Applicable Time**” means 5:30 P.M. (New York City time) on the date hereof or such other time as agreed by the Company and the Representatives.

“**Supplemental Offering Materials**” means any “written communication” (within the meaning of the 1933 Act and the 1933 Act Regulations) prepared by or on behalf of the Company, or used or referred to by the Company, that constitutes an offer to sell or a solicitation of an offer to buy the Securities other than the Preliminary Offering Memorandum or the Final Offering Memorandum or amendments or supplements thereto (including the Pricing Supplement), including, without limitation, any road show relating to the Securities that constitutes such a written communication.

As of its issue date and as of the Closing Time, the Final Offering Memorandum will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

The representations and warranties in this subsection shall not apply to statements in or omissions from the Disclosure Package or the Final Offering Memorandum made in reliance upon and in conformity with written information furnished to the Company by any Initial Purchaser through the Representatives expressly for use therein, it being understood and agreed that the only such information is that described as such in Section 7(a) hereof.

(ii) Independent Accountants. The accountants who certified the financial statements and supporting schedules included in the Disclosure Package and the Final Offering Memorandum are independent public accountants within the meaning of the 1933 Act and as required under Canadian securities laws and there have not been any disagreements within the meaning of National Instrument 51-102 – Continuous Disclosure Obligations since January 1, 2004 with any present or former auditors of the Company.

(iii) Financial Statements. The financial statements, together with the related schedules and notes, included or incorporated by reference in the Disclosure Package and the Final Offering Memorandum, present fairly the financial position of the Company and its consolidated Subsidiaries (as defined below) at the dates indicated and the statement of operations, shareholders’ equity, earnings and cash flows of the Company and its consolidated Subsidiaries for the periods specified; said financial statements have been prepared in conformity with Canadian generally accepted accounting principles (“GAAP”) applied on a consistent basis throughout the periods involved. The selected financial data and the summary financial information included in the Disclosure Package and the Final Offering Memorandum present fairly the information shown therein and have been compiled on a basis consistent with that of the audited financial statements included in the Disclosure Package and the Final Offering Memorandum. The other financial and operational information included in the Disclosure Package and the Final Offering Memorandum present fairly information included therein.

All disclosure contained in the Disclosure Package and the Final Offering Memorandum regarding “non-GAAP financial measures” (as such term is defined by the rules and regulations of the Commission) complies with Regulation G under the Securities Exchange Act of 1934, as amended (the “1934 Act”).

The disclosure contained in the section headed “Summary of Certain Differences Between Canadian GAAP and U.S. GAAP” in the Disclosure Package and the Final Offering Memorandum which summarizes certain significant differences between Canadian GAAP and

U.S. GAAP is a correct and accurate summary of such significant differences and reflects the material differences between Canadian GAAP and U.S. GAAP, as they would apply to the Company.

(iv) No Material Adverse Change in Business. Since the respective dates as of which information is given in the Disclosure Package and the Final Offering Memorandum, except as otherwise stated therein, (A) there has been no material adverse change in the condition, financial or otherwise, or in the earnings, operations, assets, properties, prospects, liabilities (contingent or otherwise), obligations (absolute, accrued or otherwise), capital or business affairs of the Company and its Subsidiaries considered as one enterprise (the “**Condition of the Company**”), whether or not arising in the ordinary course of business (such change, a “**Material Adverse Effect**”), (B) there have been no transactions entered into by the Company or any of its Subsidiaries which are material with respect to the Company and its Subsidiaries considered as one enterprise, and (C) there has been no dividend or distribution of any kind declared, paid or made by the Company on any class of its capital stock. Neither the Company nor any of its Subsidiaries has sustained since the date of the latest financial statements included in the Disclosure Package and the Final Offering Memorandum any material loss or interference with its business from fire, earthquake, flood, explosion or other calamity, whether or not covered by insurance, otherwise than as set forth in the Disclosure Package and the Final Offering Memorandum.

(v) Incorporation and Good Standing of the Company. The Company is a corporation duly organized, validly existing and in good standing under the laws of Canada, with corporate power and authority to own, lease and operate its properties and to conduct its business as presently conducted and as described in the Disclosure Package and the Final Offering Memorandum; and the Company is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or the ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified or to be in good standing, considering all such cases in the aggregate, would not cause a Material Adverse Effect.

(vi) List of Subsidiaries. All of the Subsidiaries of the Company, except those specifically excluded below, are listed in Schedule D-2 attached hereto; all of the Company’s Subsidiaries other than those listed on Schedule D-3 are Subsidiary Guarantors, there is no other company or undertaking in which any of the Company or its Subsidiaries directly or indirectly owns or controls or proposes to own or control a majority interest (whether by way of shareholding, trust arrangement or otherwise).

For purposes of this Agreement, “**Subsidiary**” means: (A) any corporation of which securities, having by the terms thereof ordinary voting power to elect a majority of the board of directors of such corporation (irrespective of whether at the time shares of any other class or classes of such corporation might have voting power by reason of the happening of any contingency, unless the contingency has occurred and then only for as long as it continues), are at the time directly, indirectly or beneficially owned or controlled by the Company or one or more of its Subsidiaries, or the Company and one or more of its Subsidiaries; (B) any partnership of which the Company, or one or more of its Subsidiaries, or the Company and one or more of its Subsidiaries: (1) directly, indirectly or beneficially owns or controls more than 50% of the income, capital, beneficial or ownership interest (however designated) thereof; and (2) is a general partner, in the case of a limited partnership, or is a partner that has the authority to bind the partnership in all other cases; or (C) any other person of which at least a majority of the income, capital, beneficial or ownership interest (however designated) is at the time directly, indirectly or beneficially owned or controlled by the Company, or one or more of its Subsidiaries

or the Company and one or more of its Subsidiaries; provided that the term Subsidiary shall in any event include the WFOEs (as defined below) and the Sino-foreign equity joint venture company and each of the additional entities identified in Schedule D-2 but excludes Sino-Panel Corporation (Canada), Sinowood Holdings Limited, Sinowood Finance Limited, Khan Forestry Inc. and Max Gain Development Limited, which have no or minimal assets or liabilities, are not engaged in any operation and are currently considered inactive.

Additionally, for purposes of this Agreement, the “**Mandra Group**” means Mandra Forestry Holdings Limited and its Subsidiaries, and the “**Omnicorp Group**” means Omnicorp Limited and its Subsidiaries.

Each Subsidiary has been duly incorporated, amalgamated, formed or continued, as the case may be, is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, amalgamation, formation or continuance, has the corporate power and authority to own its property and to conduct its business as described in the Disclosure Package and the Final Offering Memorandum and is duly qualified to transact business and is in good standing in each jurisdiction in which the conduct of its business or its ownership or leasing of property requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not have a Material Adverse Effect.

(viii) Corporate Authority. The Company has the corporate right, power and authority to execute and deliver this Agreement, the Notes, the Security Documents to which it is a party and the Indenture (collectively, the “**Transaction Documents**”) and to perform its obligations hereunder and thereunder; and all action required to be taken for the due and proper authorization, execution and delivery of each of the Transaction Documents and the consummation of the transactions contemplated thereby has been duly and validly taken.

(ix) Capitalization. The Company has an authorized capitalization as set forth under the headings “Consolidated Capitalization” in the Disclosure Package and the Final Offering Memorandum. All the issued and outstanding shares of capital stock of the Company and each of its Subsidiaries (except that with respect to both of the Mandra Group and the Omnicorp Group, to the best knowledge of the Company) have been duly authorized and validly issued and are fully paid and nonassessable. All outstanding shares of capital stock of the Subsidiaries are owned by the Company either directly or indirectly free and clear of any security interest, claim, lien or encumbrance other than as set forth in the Disclosure Package and the Final Offering Memorandum; none of the outstanding shares of capital stock of any Subsidiary of the Company (except that with respect to both of the Mandra Group and the Omnicorp Group, to the best knowledge of the Company) was issued in violation of the preemptive or other similar rights of any security holder of each respective entity other than as set forth in the Disclosure Package and the Final Offering Memorandum.

(x) Authorization of Agreement. This Agreement has been duly authorized, executed and delivered by the Company.

(xi) Authorization of the Indenture. The Indenture has been duly authorized by the Company and, when executed and delivered by the Company and the Trustee, will constitute a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or similar laws affecting enforcement of creditors’ rights generally and except as

enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

(xii) Authorization of the Intercreditor Agreement. The Intercreditor Agreement has been duly authorized by the Company and, when executed and delivered by the Company and the other parties thereto, will constitute a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or similar laws affecting enforcement of creditors' rights generally and except as enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

(xiii) Authorization of Notes. The Notes have been duly authorized and, at the Closing Time, will have been duly executed by the Company and, when authenticated, issued and delivered in the manner provided for in the Indenture and delivered against payment of the purchase price therefor as provided in this Agreement, will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers) reorganization, moratorium or similar laws affecting enforcement of creditors' rights generally and except as enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law), and will be in the form contemplated by, and entitled to the benefits of, the Indenture.

(xiv) Authorization of the Share Pledges. Each of the Share Pledges to which the Company is a party has been duly authorized by the Company and, when duly executed and delivered by the Company and each of the other parties in accordance with its terms, will constitute a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, except as the enforcement thereof may be limited by applicable bankruptcy, fraudulent conveyance, insolvency or similar laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability. After the execution and delivery thereof, the Share Pledges to which the Company is a party will create in favor of the Security Trustee, for the benefit of the holders of the Securities and the other creditors secured thereunder, a valid and enforceable perfected first priority security interest in the relevant Collateral (subject to the completion of the recordings, notations and filings in New York, Hong Kong, Ontario, the British Virgin Islands, the Cayman Islands and Barbados, as set forth on Schedule F hereto), to be shared on a *pari passu* basis with certain other secured creditors under the Intercreditor Agreement.

(xv) Creation, Enforceability and Perfection of Security Interests. The Company under each Share Pledge to which it is a party beneficially owns the relevant Collateral covered by such Share Pledge, free and clear of any security interest, mortgage, pledge, lien, encumbrance or claim. All filings and other actions necessary or desirable to perfect and protect the security interest in such Collateral to be created (or purported to be created) under such Share Pledges have been or will be, at or prior to the Closing Date, duly made or taken and are or will be, at or prior to the Closing Date, in full force and effect (other than the completion of the recordings, notations and filings in New York, Hong Kong, Ontario, the British Virgin Islands, the Cayman Islands and Barbados, as set forth on Schedule F hereto).

(xvi) Descriptions of Transaction Documents. The description of the Notes, the Subsidiary Guarantees, the Indenture and the Security Documents contained in the Disclosure Package and the Final Offering Memorandum are accurate in all material respects.

(xvii) Absence of Violations, Defaults and Conflicts. Except as disclosed in the Disclosure Package and the Final Offering Memorandum, neither the Company nor any of its Subsidiaries is, or with the giving of notice or lapse of time or both would be, (A) in violation of any provision of laws, statutes, rule or regulation or its charter, articles of continuance, by-laws, business license, business permit or other constitutional documents, or any judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Company or any of its Subsidiaries or any of their assets, properties or operations or (B) in default in the performance or observance of any obligation, agreement, covenant or condition contained in any contract, indenture, mortgage, deed of trust, loan or credit agreement, note, lease or other agreement or instrument to which the Company or any of its Subsidiaries is a party or by which any of them may be bound, or to which any of the property or assets of the Company or any of its Subsidiaries is subject (collectively, "**Agreements and Instruments**") except, in each case, for such violations or defaults that would not result in a Material Adverse Effect; and the execution, delivery and performance of the Transaction Documents and any other agreement or instrument entered into or issued or to be entered into or issued by the Company in connection with the transactions contemplated hereby or thereby or in the Disclosure Package and the Final Offering Memorandum and the consummation of the transactions contemplated herein and in the Disclosure Package and the Final Offering Memorandum (including the issuance and sale of the Securities and the use of the proceeds from the sale of the Securities as described in the Disclosure Package and the Final Offering Memorandum under the caption "Use of Proceeds") and compliance by the Company with its obligations hereunder or thereunder have been duly authorized by all necessary corporate action and do not and will not, whether with or without the giving of notice or passage of time or both, conflict with or constitute a breach of, or default or Repayment Event (as defined below) under, or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of the Company or any of its Subsidiaries pursuant to, the Agreements and Instruments, nor will such action result in any violation of the provisions of the charter, articles of continuance, by-laws, business license, business permit or other constitutional documents of the Company or any of its Subsidiaries or any applicable law, statute, rule, regulation, judgment, order, writ or decree of any government, government instrumentality or court, domestic or foreign, having jurisdiction over the Company or any of its Subsidiaries or any of their assets, properties or operations. As used herein, a "**Repayment Event**" means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by the Company or any of its Subsidiaries.

(xviii) Absence of Labor Dispute. No labor dispute with the employees of the Company or any of its Subsidiaries exists or, to the best knowledge of the Company, is imminent, and the Company is not aware of any existing or imminent labour disturbance by the employees of any of its or any of its Subsidiaries' principal suppliers, manufacturers, customers or contractors, which, in either case, would result in any Material Adverse Effect.

(xix) Absence of Proceedings. There is no action, suit or proceeding before or by the Commission or any other federal, state, local or foreign governmental or regulatory authorities or any court, including without limitation, the Ontario Securities Commission (each an "**Other Agency**") and collectively, the "**Other Agencies**"), which has been served upon the Company or any of its Subsidiaries that is now pending or, to the best knowledge of the Company, threatened,

against or affecting the Company or any of its Subsidiaries which might result in a Material Adverse Effect, or which might materially and adversely affect the consummation of the transactions contemplated by this Agreement or the performance by the Company or any Subsidiary Guarantor of its obligations hereunder. The aggregate of all pending legal or governmental proceedings to which the Company or any of its Subsidiaries is a party or of which any of their respective property or assets is the subject which are not described in the Disclosure Package and the Final Offering Memorandum, including ordinary routine litigation incidental to the business, could not reasonably be expected to result in a Material Adverse Effect.

(xx) Absence of Manipulation. Neither the Company nor to its knowledge any affiliate, as such term is defined in Rule 501(b) under the 1933 Act (“Affiliate”), of the Company has taken, nor will the Company or any Affiliate of the Company take, directly or indirectly, any action which is designed to or which has constituted or which would be expected to cause or result in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(xxi) Absence of Further Requirements. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency is necessary or required for the performance by the Company of its obligations hereunder, in connection with the offering, issuance or sale of the Securities hereunder or the consummation of the transactions contemplated by the Transaction Documents or for the due execution, delivery or performance of the Transaction Documents by the Company, except such as have been already obtained, except for the approval in-principle of the SGX-ST for the listing of the Notes on the SGX-ST for a listing of up to US\$600,000,000 and, if Securities are sold by any Initial Purchaser to residents of Canada, the delivery of the Final Offering Memorandum and the filing of a Form 45-106F1 with the applicable Canadian securities regulatory authorities.

(xxiv) Title to Property. Each of the Company and its Subsidiaries has good and marketable title to all real property and all personal property owned by it, in each case free and clear of all liens, encumbrances and defects, except such as do not materially affect the value of

such property and do not interfere with the use made and proposed to be made of such property by it and except for the mortgages, liens, pledges or other security interests relating to the bank borrowings and other indebtedness by the Company disclosed in the Disclosure Package and the Final Offering Memorandum; and any real property and buildings held under lease by the Company and its Subsidiaries are held by them under valid, subsisting and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company and its Subsidiaries, in each case except as described in or contemplated in the Disclosure Package and the Final Offering Memorandum.

With respect to any of the tree plantations owned, leased or otherwise operated by the Subsidiaries of the Company, each such Subsidiary has obtained or is in the process of applying for the plantation rights certificates, its equivalents or other relevant approvals for its legal titles to the plantation land use or other relevant plantation or concession rights, as applicable, that are required or otherwise necessary under the People's Republic of China (the "PRC") or Suriname laws and regulations in order for such Subsidiary to own, lease or operate such plantation and conduct its wood fiber businesses in the manner described in, and contemplated by, the Disclosure Package and the Final Offering Memorandum except for any rights the failure of which to obtain would not result in a Material Adverse Effect; with respect to any of the plants, buildings or other structures owned by any of the Company's Subsidiaries, such Subsidiary has valid land use right certificates, building ownership certificates or other relevant title documents, and the construction, development, occupation and use of such plant, building or structure complies in all material respects with all the applicable laws and regulations except such as would not, singly or in the aggregate, result in a Material Adverse Effect.

(xxvi) Environmental Laws. The Company and its Subsidiaries (A) are in compliance with any and all applicable foreign, federal, provincial, state, territorial, and local laws and regulations relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants, dangerous goods or contaminants ("**Environmental Laws**"), (B) have received all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses, and (C) are in compliance with all terms and conditions of any such permit, license or approval, except where such non-compliance with Environmental Laws, failure to receive required permits, licenses or other approvals or failure to comply with the terms and conditions of such permits, licenses or approvals would not, singly or in the aggregate, have a Material Adverse Effect.

(xxvii) Hazardous Substances. There is not at present on, at or under any of the real properties of the Company or any of its Subsidiaries any hazardous substances, toxic substances,

wastes, pollutants, dangerous goods or contaminants (“**Hazardous Substance**”) and there has not been the discharge, deposit, leak, emission, spill or other release of any Hazardous Substance on, at, under or from any real property of the Company or any of its Subsidiaries (including relating to the collection, removal and disposal of wastes), which has resulted in or may result in any material cost, damage or other liability, including the diminution in value of any property, or may have a Material Adverse Effect.

(xxviii) Environmental Liabilities. There are no costs or liabilities associated with Environmental Laws (including, without limitation, any capital or operating expenditures required for clean-up, closure of properties or compliance with Environmental Laws or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties) which would, singly or in the aggregate, have a Material Adverse Effect.

(xxix) Disclosure of Legal Matters. The statements set forth in the Disclosure Package and the Final Offering Memorandum (A) under the sections headed “Description of the Notes”, insofar as they purport to constitute a summary of the terms of the Notes and the Subsidiary Guarantees are accurate and fair in all material respects; and (B) under the captions “Risk Factors”, “Certain Financial Information”, “Business”, “PRC Forestry Industry Overview”, “Government Regulation”, “Description of Other Indebtedness”, “Related Party Transactions”, “Taxation”, and “Plan of Distribution”, insofar as they purport to describe the provisions of the laws and documents referred to therein, constitute a fair and accurate summary of such laws and documents.

(xxx) Material Contracts. Each of (A) the documents listed under “Material Contracts” in the Company’s annual information form dated March 31, 2010, (B) the master agreements or other contracts entered into by the Subsidiaries of the Company relating to the purchase of the rights to the trees on particular plantation land with or without a preemptive right to lease such plantation land, (C) the long-term lease agreements entered into by any of the Company’s Subsidiaries for tree plantations as disclosed in the Disclosure Package and the Final Offering Memorandum, (D) the share purchase or other investment agreements entered into by the Company and any of its Subsidiaries, and (E) any other contracts or arrangements between any of either the Company or the Company’s Subsidiaries and an authorized intermediary regarding the sales of standing timber, has been duly authorized, executed and delivered by the Company or the relevant Subsidiaries of the Company, as the case may be, constitutes a valid and binding agreement of each of the parties thereto, is in full force and effect and is enforceable in accordance with its terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws affecting creditors’ rights generally and subject to the qualification that equitable remedies may be granted in the discretion of a court of competent jurisdiction. All descriptions of material contracts or documents in the Disclosure Package and the Final Offering Memorandum, to the extent such descriptions purport to describe or summarize such contracts or documents, are true and accurate in all material respects, fairly summarize the contents of such contracts or documents and do not omit any material information which affects the import of such descriptions. To the best knowledge of the Company, there are no contracts or documents that would be required to be described in the Disclosure Package and Final Offering Memorandum under the United States Securities laws if such laws and rules were applicable with respect to the Disclosure Package and Final Offering

(v) Absence of Further Requirements. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency is necessary or required for the performance by the Subsidiary Guarantor of its obligations hereunder, in connection with the offering, issuance or sale of the Securities hereunder or the consummation of the transactions contemplated by the Transaction Documents or for the due execution, delivery or performance of this Agreement, the Subsidiary Guarantee or the Indenture by the Subsidiary Guarantor, except such as have been already obtained.

(vi) Authorization of the Subsidiary Guarantee. The Subsidiary Guarantee has been duly authorized and, when executed and delivered, will be a valid and binding obligation of the Subsidiary Guarantor, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and equitable principles of general applicability.

(vii) Authorization of the Indenture. The Indenture has been duly authorized and, when executed and delivered by the Subsidiary Guarantor, shall be a valid and binding agreement of the Subsidiary Guarantor, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and equitable principles of general applicability.

(viii) Authorization of the Intercreditor Agreement. The Intercreditor Agreement has been duly authorized by the Subsidiary Guarantor Pledgor and, when executed and delivered by the Subsidiary Guarantor Pledgor and the other parties thereto, will constitute a valid and binding agreement of the Subsidiary Guarantor Pledgor, enforceable against the Subsidiary Guarantor Pledgor in accordance with its terms, except as the enforcement thereof may be limited by bankruptcy, insolvency (including, without limitation, all laws relating to fraudulent transfers), reorganization, moratorium or similar laws affecting enforcement of creditors' rights generally and except as enforcement thereof is subject to general principles of equity (regardless of whether enforcement is considered in a proceeding in equity or at law).

(ix) Authorization of the Share Pledges. Each of the Share Pledges to which the Subsidiary Guarantor Pledgor is a party has been duly authorized by the Subsidiary Guarantor Pledgor and, when duly executed and delivered by the Subsidiary Guarantor Pledgor and each of the other parties in accordance with its terms, will constitute a valid and binding agreement of the Subsidiary Guarantor Pledgor, enforceable against the Subsidiary Guarantor Pledgor in accordance with its terms, except as the enforcement thereof may be limited by applicable bankruptcy, fraudulent conveyance, insolvency or similar laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability. After the execution and delivery thereof, the Share Pledges to which such Subsidiary Guarantor Pledgor is a party will create in favor of the Security Trustee, for the benefit of the holders of the Securities and the other creditors secured thereunder, a valid and enforceable perfected first priority security interest in the relevant Collateral (subject to the completion of the recordings, notations and filings in New York, Hong Kong, the British Virgin Islands, the Cayman Islands and/or Barbados, as the case may be, as set forth on Schedule F hereto), to be shared on a *pari passu* basis with certain other secured creditors under the Intercreditor Agreement.

(x) Creation, Enforceability and Perfection of Security Interests. The Subsidiary Guarantor Pledgor under each Share Pledge to which it is a party beneficially owns the relevant Collateral covered by such Share Pledge, free and clear of any security interest, mortgage, pledge, lien, encumbrance or claim. All filings and other actions necessary or desirable to perfect and protect the security interest in such Collateral to be created (or purported to be created) under such Share Pledges have been or will be, at or prior to the Closing Date, duly made or taken and are or will be, at or prior to the Closing Date, in full force and effect (other than the completion of the recordings, notations and filings in New York, Hong Kong, the British Virgin Islands, the Cayman Islands and/or Barbados, as the case may be, as set forth on Schedule F hereto).

(xi) Validity under the Laws of Company Jurisdictions. It is not necessary under the laws of the Company Jurisdictions or any political subdivision thereof or authority or agency therein in order to enable a Subsequent Purchaser of Securities or an owner of any interest therein to enforce its rights under the Securities or to enable any Initial Purchaser to enforce its rights under any of this Agreement, the Indenture, the Security Documents or the Securities that it should, as a result solely of its holding of Securities be licensed, qualified, or otherwise entitled to carry on business in the Company Jurisdictions or any political subdivision thereof or authority or agency therein; each of this Agreement, the Indenture, the Security Documents and the Securities is in proper legal form under the laws of the Company Jurisdictions and any political subdivision

thereof or authority or agency therein for the enforcement thereof against the Company therein; and it is not necessary to ensure the legality, validity, enforceability or admissibility in evidence of any of this Agreement, the Indenture, the Security Documents or the Securities in the Company Jurisdictions or any political subdivision thereof or agency therein that any of them be filed or recorded with any court, authority or agency in any court, authority or agency of the Company Jurisdictions or any political subdivision thereof.

(xii) Investment Company Act. The Subsidiary Guarantor is not, and after giving effect to the offer and sale of the Securities and the application of the proceeds thereof as described in the Disclosure Package and the Final Offering Memorandum will not be, required to register as an “investment company” as such term is defined in the 1940 Act.

(xiii) Similar Offerings. Neither the Subsidiary Guarantor nor any of its Affiliates has, directly or indirectly, solicited any offer to buy, sold or offered to sell or otherwise negotiated in respect of, or will solicit any offer to buy, sell or offer to sell or otherwise negotiate in respect of, in United States or to any United States citizen or resident, any security which is or would be integrated with the sale of the Securities in a manner that would require the offered Securities to be registered under the 1933 Act.

(xiv) No General Solicitation. None of the Subsidiary Guarantor, its Affiliates or any person acting on its or any of their behalf (other than the Initial Purchasers, as to whom the Subsidiary Guarantor and the Company make no representation) has engaged or will engage, in connection with the offering of the offered Securities, in any form of general solicitation or general advertising within the meaning of Rule 502(c) under the 1933 Act.

(xv) No Directed Selling Efforts. (xvi) Absence of Manipulation. Neither the Subsidiary Guarantor nor any of its Affiliates has taken, nor will the Subsidiary Guarantor or any of its Affiliates take, directly or indirectly, any action which is designed to or which has constituted or which would be expected to cause or result in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(xvii) Foreign Issuer. The Subsidiary Guarantor is a “foreign issuer” within the meaning of Rule 902 under the 1993 Act.

(c) Officer's Certificates. Any certificate signed by any officer of (i) the Company or any of its Subsidiaries, or (ii) any Subsidiary Guarantor delivered to the Representatives or counsel for the Initial Purchasers shall be deemed a representation and warranty by the Company and/or such Subsidiary Guarantor, as the case may be, to each Initial Purchaser as to the matters covered thereby.

Section 2. Sale and Delivery to the Initial Purchasers; Closing.

(a) *Securities.* On the basis of the representations, warranties and agreements herein contained and subject to the terms and conditions herein set forth, the Company agrees to sell to each Initial Purchaser, and each Initial Purchaser, severally and not jointly, agrees to purchase from the Company, at the price set forth in Schedule B, the aggregate principal amount of Notes set forth in Schedule A opposite the name of such Initial Purchaser, plus any additional principal amount of Notes which such Initial Purchaser may become obligated to purchase pursuant to the provisions of Section 11 hereof.

(b) *Payment.* Payment of the purchase price for, and delivery of certificates for, the Notes shall be made at the Hong Kong office of Davis Polk & Wardwell LLP or at such other place as shall be agreed upon by the Representatives and the Company, at 9:00 A.M. (New York City time) on the fifth Business Day after the date hereof (unless postponed in accordance with the provisions of Section 11) (the "Closing Date"), or such other time not later than ten Business Days after such date as shall be agreed upon in writing by the Representatives and the Company (such time and date of payment and delivery being herein called "Closing Time"). "Business Day" means any day except a Saturday, a Sunday or a day on which commercial banks in The City of New York or Hong Kong are authorized by law to close or otherwise not open for business.

Payment shall be made to the Company by wire transfer of immediately available funds to a bank account designated by the Company, against delivery to BAML for the respective accounts of the Initial Purchasers of certificates for the Notes to be purchased by them. It is understood that each Initial Purchaser has authorized BAML, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Notes which it has agreed to purchase. BAML, individually and not as representative of the Initial Purchasers, may (but shall not be obligated to) make payment of the purchase price for the Notes to be purchased by any Initial Purchaser whose funds have not been received by the Closing Time, but such payment shall not relieve such Initial Purchaser from its obligations hereunder.

(c) *Denominations; Registration.* Certificates for the Notes shall be in global form and registered in the name of Cede & Co., as nominee of DTC and shall be in such denominations (US\$2,000 or integral multiples of US\$1,000 in excess thereof) as the Representatives may request in writing at least one full business day before the Closing Time. The global certificates representing the Notes shall be made available for examination and packaging by the Initial Purchasers in The City of New York not later than 10:00 A.M. on the last business day prior to the Closing Time. Delivery of (i) one or more global certificates evidencing Notes sold in offshore transactions in reliance on Regulation S of the 1933 Act to the Trustee, as custodian for DTC, on behalf of Clearstream Banking S.A. Luxembourg ("Clearstream"), and Euroclear Bank S.A./N.V., as operator of the Euroclear System ("Euroclear"), and (ii) one or more global certificates representing Notes sold in reliance on Rule 144A under the 1933 Act to the Trustee, as custodian for DTC, shall be made at the Closing Time, for the respective accounts of the Initial Purchasers.

Section 3. Covenants of the Company and the Subsidiary Guarantors. The Company and each of the Subsidiary Guarantors covenants with the Initial Purchasers as follows:

(a) *Offering Memorandum.* The Company and the Subsidiary Guarantors, as promptly as possible, will furnish to each Initial Purchaser, without charge, such number of copies of the Offering Memorandum and any amendments and supplements thereto and documents incorporated by reference therein as such Initial Purchaser may reasonably request.

(b) *Notice and Effect of Material Events.* The Company and the Subsidiary Guarantors will immediately notify each Initial Purchaser, and confirm such notice in writing, of (i) any filing made by the Company and the Subsidiary Guarantors of information relating to the offering of the Securities with any securities exchange or any other regulatory body in the United States or any other jurisdiction, and (ii) prior to the completion of the placement of the offered Securities by the Initial Purchasers, any material changes in or affecting the condition, financial or otherwise, or the earnings, business affairs or business prospects of the Company and its Subsidiaries considered as one enterprise which (A) make any statement in the Disclosure Package, any Offering Memorandum or any Supplemental Offering Material false or misleading or (B) are not disclosed in the Disclosure Package or the Offering Memorandum. In such event or if during such time any event shall occur as a result of which it is necessary, in the reasonable opinion of any of the Company, its counsel, the Initial Purchasers or counsel for the Initial Purchasers, to amend or supplement the Offering Memorandum in order that the Offering Memorandum not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances then existing, the Company will forthwith amend or supplement the Offering Memorandum by preparing and furnishing to each Initial Purchaser an amendment or amendments of, or a supplement or supplements to, the Offering Memorandum (in form and substance satisfactory in the reasonable opinion of counsel for the Initial Purchasers) so that, as so amended or supplemented, the Offering Memorandum will not include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at the time it is delivered to a Subsequent Purchaser, not misleading.

(c) *Amendment and Supplements to the Offering Memorandum; Preparation of Pricing Supplement; Supplemental Offering Materials.* The Company and the Subsidiary Guarantors will advise each Initial Purchaser promptly of any proposal to amend or supplement the Offering Memorandum and will not effect such amendment or supplement without the consent of the Initial Purchasers. Neither the consent of the Initial Purchasers, nor the Initial Purchasers' delivery of any such amendment or supplement, shall constitute a waiver of any of the conditions set forth in Section 5 hereof. The Company will prepare the Pricing Supplement, in form and substance satisfactory to the Representatives, and shall furnish as soon as practicable but not later than the Applicable Time to each Initial Purchaser, without charge, as many copies of the Pricing Supplement as such Initial Purchaser may reasonably request. The Company and each of the Subsidiary Guarantors represents and agrees that, unless it obtains the prior consent of the Representatives, it has not made and will not make any offer relating to the Securities by means of any Supplemental Offering Materials.

(d) *Qualification of Securities for Offer and Sale.* The Company and the Subsidiary Guarantors will use their best efforts, in cooperation with the Initial Purchasers, to enable that the Securities may be offered and sold on an exempt basis under the applicable securities laws of such states and other jurisdictions as the Initial Purchasers may designate and to maintain such status in effect as long as required for the sale of the Notes; provided, however, that the Company and the Subsidiary Guarantors shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities business in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

(e) *Use of Proceeds.* The Company will use the net proceeds received by it from the sale of the Securities in the manner specified in the Offering Memorandum under "Use of Proceeds."

(f) *Stamp and Transfer Tax Indemnity.* The Company and the Subsidiary Guarantors will indemnify and hold each Initial Purchaser harmless against (i) any documentary, stamp or similar transfer or issue tax, duties or fees and any transaction levies, commissions or brokerage charges, including any

interest and penalties, on the issue, sale and delivery to the Initial Purchasers of the Securities in accordance with the terms of this Agreement, the sale and delivery by the Initial Purchasers of the Securities to Subsequent Purchasers, and the execution and delivery of this Agreement and the Indenture and (ii) any value-added tax payable in connection with the commissions and other amounts payable or allowable by the Company, in each case, that are or may be required to be paid under the laws of Canada, Hong Kong, the PRC, the British Virgin Islands, the Cayman Islands, Barbados, the United States or any other jurisdiction, or any political subdivision or taxing authority thereof or therein; provided that (A) the relevant Initial Purchaser is a non-resident of Canada who does not use or hold, and is not deemed to sue or hold, the Securities or the Purchase Agreement in connection with the carrying on of a business in Canada in any taxation year; (B) in the case that an Initial Purchaser carries on an insurance business in Canada and elsewhere, this Agreement and the Securities are not “designated insurance property” in respect of such Initial Purchaser; and (C) such Initial Purchaser does not carry on a trade or business in Hong Kong and does not purchase or hold the Securities as part of such trade or business carried on in Hong Kong. The Company and the Subsidiary Guarantors agree that each Initial Purchaser may elect to deduct from the payments to be made by it to the Company under this Agreement, any amounts required to be paid by the Company and the Subsidiary Guarantors under this clause.

(g) *Restriction on Sale of Securities.* During a period of 120 days from the date of the issuance of the Notes, the Company will not, without the prior written consent of the Representatives, directly or indirectly, issue, sell, offer or agree to sell, grant any option for the sale of, or otherwise dispose of, any other debt securities of the Company or securities of the Company that are convertible into, or exchangeable for, the Notes or such other debt securities.

(h) *Listing on Securities Exchange.* The Company shall make such filings, registrations or qualifications and take all other necessary action and will use its best efforts to obtain such consents, approvals and authorizations, if any, and satisfy all conditions that the SGX-ST (or its successors) may impose on the listing of the Notes on the SGX-ST. The Company shall use its reasonable best efforts to maintain the listing of the Notes on the SGX-ST.

(i) *Clearance and Settlement Systems.* The Company will use its best efforts to permit the Securities to be eligible for clearance and settlement through the facilities of DTC, Euroclear Bank or Clearstream.

(j) *Public Announcement.* Prior to the Closing Time, the Company will not issue any press release or other communication directly or indirectly and hold no press conferences with respect to the Company or any of its Subsidiaries, the financial condition, results of operations, business properties, assets or liabilities of the Company or any of its Subsidiaries of the offering of the Securities, without the prior consultation of the Representatives.

(k) *High Conservation Value Forests.* The Company will not, and will not permit any Subsidiary to, (i) use the proceeds of the Notes for any commercial activities (A) in any high conservation value forests within the meaning of the Forest Stewardship Council’s definition of such term (a “High Conservation Value Forest”) or on any land that was cleared of High Conservation Value Forests within 5 years prior unless such operations are certified by a Forest Stewardship Council-accredited certification body or have made substantial and demonstrable progress towards Forest Stewardship Council-accredited certification or (B) at sites that are otherwise protected by applicable law against such activities, or (ii) engage in illegal logging, uncontrolled and/or illegal use of fire, or violations of local laws.

Section 4. Payment of Expenses.

(b) *Reimbursement.* Without prejudice to subsection (c) below, the Company undertakes, forthwith after a request by an Initial Purchaser, to reimburse such Initial Purchaser the amount of any costs, charges, commissions, fees and expenses (including amounts in respect of VAT (or other similar tax) properly chargeable thereon) payable by the Company under the other subsections of this Section 4 which such Initial Purchaser may have properly paid or reasonably incurred.

(c) *Deduction from Proceeds.* Each Initial Purchaser may elect to deduct an amount equal to (i) the commissions payable by the Company; and (ii) any such costs, charges, fees, and expenses (including amounts in respect of VAT (or other similar tax) chargeable thereon), which the Company has agreed to pay, indemnify or hold such Initial Purchaser harmless against, or which failed to be reimbursed by the Company, under or pursuant to this Agreement, from any payments to be made by such Initial Purchaser to the Company under Section 2 hereof.

(l) *Subsidiary Guarantor Shareholder Approval.* Each Subsidiary Guarantor shall have provided to the Representatives, approvals from the shareholders of the Subsidiary Guarantor approving the issuance by such Subsidiary Guarantor of its Subsidiary Guarantee.

(m) *Additional Documents.* At the Closing Time, counsel for the Initial Purchasers shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained; and all proceedings taken by the Company and each of the Subsidiary Guarantors in connection with the issuance and sale of the Securities as herein contemplated shall be satisfactory in form and substance to the Representatives and counsel for the Initial Purchasers.

(n) *Termination of Agreement.* If any condition specified in this Section 5 shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Initial Purchasers by notice to the Company and the Subsidiary Guarantors at any time at or prior to the Closing Time, and such termination shall be without liability of any party to any other party except as provided in Section 4 and except that Section 1, Section 7, Section 8, Section 9, Section 12, Section 16, Section 17, Section 18, Section 20, Section 21 and Section 22 shall survive any such termination and remain in full force and effect.

Section 6. Subsequent Offers and Resales of the Securities.

(a) *Offer and Sale Procedures.* Each of the Initial Purchasers, the Company and the Subsidiary Guarantors hereby establishes and agrees to observe the following procedures in connection with the offer and sale of the Securities:

(i) Offers and Sales. Offers and sales of the Securities shall be made only to such persons and in such manner as is contemplated by the Offering Memorandum. Each Initial Purchaser severally agrees that it will not offer, sell or deliver any of the Securities in any jurisdiction outside the United States except under circumstances that will result in compliance

with the applicable laws thereof and that it will take at its own expense whatever action is required to permit its purchase and the resale of the Securities in such jurisdiction.

(ii) No General Solicitation. No general solicitation or general advertising (within the meaning of Rule 502(c) under the 1933 Act) will be used in the United States in connection with the offering or sale of the Securities.

(iii) Subsequent Purchaser Notification. Each Initial Purchaser severally will take reasonable steps to inform, and cause each of its U.S. Affiliates to take reasonable steps to inform, persons acquiring Securities from such Initial Purchaser or its Affiliate, as the case may be, in the United States that the Securities (A) have not been and will not be registered under the 1933 Act, (B) are being sold to them without registration under the 1933 Act in reliance on Rule 144A or in accordance with another exemption from registration under the 1933 Act, as the case may be, and (C) may not be offered, sold or otherwise transferred except (1) to the Company or one of its Subsidiaries, (2) outside the United States in accordance with Regulation S and in accordance with the laws of the applicable jurisdiction, or (3) inside the United States in accordance with (x) Rule 144A to a person whom the seller reasonably believes is a QIB that is purchasing such Securities for its own account or for the account of a QIB to whom notice is given that the offer, sale or transfer is being made in reliance on Rule 144A or (y) pursuant to another available exemption from registration under the 1933 Act.

(iv) Minimum Principal Amount. No sale of the Notes to any one Subsequent Purchaser will be for less than US\$2,000 principal amount and no Note will be issued in a smaller principal amount. If the Subsequent Purchaser is a non-bank fiduciary acting on behalf of others, each person for whom it is acting must purchase at least US\$2,000 principal amount of the Notes.

(v) Transfer Restriction. The transfer restrictions and the other provisions set forth in the Offering Memorandum under the caption "Transfer Restrictions," including the legend required thereby, shall apply to the Securities.

(b) *Covenants of the Company and the Subsidiary Guarantors.* The Company and each Subsidiary Guarantor jointly and severally covenants with each Initial Purchaser as follows:

(i) Integration. The Company and each Subsidiary Guarantor agrees that it will not and will cause its Affiliates not to, directly or indirectly, solicit any offer to buy, sell or make any offer or sale of, or otherwise negotiate in respect of, securities of the Company of any class if, as a result of the doctrine of "integration" referred to in Rule 502 under the 1933 Act, such offer or sale would render invalid (for the purpose of (A) the sale of the offered Securities by the Company to the Initial Purchasers, (B) the resale of the offered Securities by the Initial Purchasers to Subsequent Purchasers or (C) the resale of the offered Securities by such Subsequent Purchasers to others) the exemption from the registration requirements of the 1933 Act provided by Section 4(2) thereof or by Rule 144A or by Regulation S thereunder or otherwise.

(ii) Rule 144A Information. During any period in which the Company is not subject to Section 13 or 15(d) of the 1934 Act or exempt from reporting pursuant to Rule 12g3-2(b) under the 1934 Act, the Company will furnish, upon request, to each holder of the Notes, or any perspective purchaser designated by any such holder, information satisfying the requirements of Rule 144A(d)(4)(i) under the 1933 Act so long as any such Notes are "restricted securities" within the meaning of Rule 144A(d)(4)(i).

(iii) Restriction on Repurchases. Until the expiration of one year after the Closing Time, the Company will not, and will cause its Affiliates not to, resell any offered Securities which are “restricted securities” (as such term is defined under Rule 144(a)(3) under the 1933 Act), whether as beneficial owner or otherwise (except as agent acting as a securities broker on behalf of and for the account of customers in the ordinary course of business in unsolicited broker’s transactions).

(c) Qualified Institutional Buyer. Each Initial Purchaser severally hereby represents and warrants to, and agrees with, the Company and the Subsidiary Guarantors, that it is a QIB and an “accredited investor” within the meaning of Section 501(a) under the 1933 Act.

(d) Resale Pursuant to Rule 903 of Regulation S or Rule 144A. Each Initial Purchaser understands that the offered Securities have not been and will not be registered under the 1933 Act and may not be offered or sold within the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the 1933 Act. Each Initial Purchaser severally represents and agrees that it has not offered or sold, and will not offer or sell, any offered Securities constituting part of its allotment within the United States except in accordance with Rule 903 of Regulation S under the 1933 Act, Rule 144A under the 1933 Act or another applicable exemption from the registration requirements of the 1933 Act. Accordingly, neither it nor its affiliates or any persons acting on its or their behalf have engaged or will engage in any directed selling efforts with respect to the offered Securities. Terms used in this paragraph have the meanings given to them by Regulation S.

Section 7. Indemnification.

(a) Indemnification of Initial Purchasers. The Company and each Subsidiary Guarantor, jointly and severally, agrees to indemnify and hold harmless each Initial Purchaser, its affiliates, as such term is defined in Rule 501(b) under the 1933 Act (each, an “Affiliate”), its selling agents and each person, if any, who controls any Initial Purchaser within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in any preliminary offering memorandum, the Disclosure Package, the Final Offering Memorandum (or any amendment or supplement thereto) or any Supplemental Offering Materials, or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 7(d) below) any such settlement is effected with the written consent of the Company; and

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Representatives), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above; *provided, however*, that this

indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company and the Subsidiary Guarantors by any Initial Purchaser through the Representatives expressly for use in the Preliminary Offering Memorandum, the Disclosure Package, the Final Offering Memorandum (or any amendment or supplement thereto) or in any Supplemental Offering Materials, it being understood and agreed that the only such information consists of the following information: (A) the second full paragraph on page iii in the Offering Memorandum; (B) the name of the Initial Purchasers appearing in the first paragraph under the heading "Plan of Distribution" in the Offering Memorandum; and (C) the two paragraphs under the subheading "Plan of Distribution—Price Stabilization and Short Positions" in the Offering Memorandum.

(b) *Indemnification of Company.* Each Initial Purchaser severally agrees to indemnify and hold harmless the Company and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in any preliminary offering memorandum, the Disclosure Package, the Final Offering Memorandum or any Supplemental Offering Materials in reliance upon and in conformity with written information furnished to the Company by any Initial Purchaser through the Representatives expressly for use therein, it being understood and agreed that only such information consists of the information described as such in subsection (a) above.

(c) *Actions against Parties; Notification.* Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In the case of parties indemnified pursuant to Section 7(a) above, counsel to the indemnified parties shall be selected by the Representatives and, in the case of parties indemnified pursuant to Section 7(b) above, counsel to the indemnified parties shall be selected by the Company. An indemnifying party may participate at its own expense in the defense of any such action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 7 or Section 8 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) *Settlement without Consent if Failure to Reimburse.* If at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 7(a)(ii) effected without its written consent if (i) such settlement is entered into

more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

Section 8. Contribution. If the indemnification provided for in Section 7 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (a) in such proportion as is appropriate to reflect the relative benefits received by the Company and the Subsidiary Guarantors on the one hand and the Initial Purchasers on the other hand from the offering of the Securities pursuant to this Agreement or (b) if the allocation provided by clause (a) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (a) above but also the relative fault of the Company and the Subsidiary Guarantors on the one hand and of the Initial Purchasers on the other hand in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company and the Subsidiary Guarantors on the one hand and the Initial Purchasers on the other hand in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the Subsidiary Guarantors and the total underwriting discount received by the Initial Purchasers, bear to the aggregate initial offering price of the Securities.

The relative fault of the Company and the Subsidiary Guarantors on the one hand and the Initial Purchasers on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company and the Subsidiary Guarantors or by the Initial Purchasers and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company, the Subsidiary Guarantors and the Initial Purchasers agree that it would not be just and equitable if contribution pursuant to this Section were determined by pro rata (even if the Initial Purchasers were treated as one entity for such purpose) allocation or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section, no Initial Purchaser shall be required to contribute any amount in excess of the amount by which the total price at which the Securities purchased and sold by it hereunder exceeds the amount of any damages which such Initial Purchaser has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section, each person, if any, who controls an Initial Purchaser within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act and each Initial Purchaser's Affiliates and selling agents shall have the same rights to contribution as such Initial Purchaser, and each person, if any, who controls the Company and any of the Subsidiary Guarantors within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company and such Subsidiary Guarantor. The Initial Purchasers' respective obligations to contribute pursuant to this Section are several in proportion to the principal amount of Securities set forth opposite their respective names in Schedule A hereto and not joint.

Section 9. Representations, Warranties and Agreements to Survive. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company or its Subsidiaries or any Subsidiary Guarantor submitted pursuant hereto shall remain operative and in full force and effect, regardless of (a) any investigation made by or on behalf of any Initial Purchaser or its Affiliates or selling agents, any person controlling any Initial Purchaser, its officers or directors or any person controlling the Company or any Subsidiary Guarantor and (b) delivery of and payment for the Securities.

Section 10. Termination of Agreement.

(a) *Termination; General.* The Representatives may terminate this Agreement, by notice to the Company and the Subsidiary Guarantors, at any time at or prior to the Closing Time (i) if there has been, since the time of execution of this Agreement or since the date as of which information is given in the Preliminary Offering Memorandum, the Disclosure Package or the Final Offering Memorandum (exclusive of any amendments or supplements thereto subsequent to the date of this Agreement), any material adverse change in the condition, financial or otherwise, or in the earnings or business affairs or business prospects of the Company and its Subsidiaries considered as one enterprise, whether or not arising in the ordinary course of business, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof or other calamity or crisis or any change or development involving a prospective change in national or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of the Representatives, impracticable or inadvisable to market the Securities or to enforce contracts for the sale of the Securities, or (iii) if trading in any securities of the Company has been suspended or materially limited by the Commission, any Canadian provincial securities regulatory authority, the TSX, the Investment Industry Regulatory Organization of Canada, the Singapore Monetary Authority, the SGX-ST or the NASDAQ System, or if trading generally on the TSX, the London Stock Exchange, the SGX-ST, the Hong Kong Stock Exchange, the American Stock Exchange or the New York Stock Exchange or in the NASDAQ System has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by such system or by order of the Commission, the Financial Industry Regulatory Authority or any other governmental authority, or (iv) a material disruption has occurred in commercial banking or securities settlement or clearance services in Canada, the United States, Japan, the United Kingdom, Hong Kong, PRC, Singapore or with respect to Clearstream Bank, *société anonyme* and Euroclear Bank S.A./N.V., as operator of the Euroclear System, or (v) if a banking moratorium has been declared by any Canadian, United States Federal or New York State, Japan, United Kingdom, European Central Bank, Hong Kong, PRC or Singapore authorities.

(b) *Liabilities.* If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Section 1, Section 7, Section 8, Section 9, Section 12, Section 16, Section 17, Section 18, Section 20, Section 21 and Section 22 shall survive such termination and remain in full force and effect.

Section 11. Default by One or More of the Initial Purchasers. If one or more of the Initial Purchasers shall fail at the Closing Time to purchase the Securities which it or they are obligated to purchase under this Agreement (the “Defaulted Securities”), the Representatives shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Initial Purchasers, or any other initial purchasers, to purchase all, but not less than all, of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Representatives shall not have completed such arrangements within such 24-hour period, then:

(a) if the number of Defaulted Securities does not exceed 10% of the aggregate principal amount of the Securities to be purchased hereunder, each of the non-defaulting Initial Purchasers shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Initial Purchasers, or

(b) if the number of Defaulted Securities exceeds 10% of the aggregate principal amount of the Securities to be purchased hereunder, this Agreement shall terminate without liability on the part of any non-defaulting Initial Purchaser.

No action taken pursuant to this Section shall relieve any defaulting Initial Purchaser from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement, either the Representatives or the Company shall have the right to postpone the Closing Time for a period not exceeding seven days in order to effect any required changes in the Offering Memorandum or in any other documents or arrangements. As used herein, the term “Initial Purchaser” includes any person substituted for an Initial Purchaser under this Section.

Section 12. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Initial Purchasers shall be directed to each of BAML at One Bryant Park, New York, NY, 10036, United States and Credit Suisse at Eleven Madison Avenue, New York, New York 10010, United States, Facsimile: (212) 325-4296, Attention: LCD-IBD, with a simultaneous copy to: Davis Polk & Wardwell LLP at 18/F Hong Kong Club Building, 3A Chater Road, Hong Kong, Facsimile: (852) 2533-3388, Attention: William Barron; and notices to the Company or any Subsidiary Guarantor shall be directed to it at Sino-Forest Corporation, 90 Burnhamthorpe Road West, Suite 1208, Mississauga, Ontario, Canada, L5B 3C3, Facsimile: (852) 2877-0125, Attention: Allen T. Y. Chan.

Section 13. No Advisory or Fiduciary Relationship. The Company and each Subsidiary Guarantor named herein acknowledges and agrees that (a) the purchase and sale of the Securities pursuant to this Agreement, including the determination of the offering price of the Securities and any related discounts and commissions, is an arm’s-length commercial transaction between the Company and the Subsidiary Guarantors, on the one hand, and the several Initial Purchasers, on the other hand, (b) in connection with the offering contemplated hereby and the process leading to such transaction each Initial Purchaser is and has been acting solely as a principal and is not the agent or fiduciary of the Company or any Subsidiary Guarantor, or its shareholders, creditors, employees or any other party, (c) no Initial

Purchaser has assumed and will assume an advisory or fiduciary responsibility in favor of the Company or any Subsidiary Guarantor with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Initial Purchaser has advised or is currently advising the Company or any Subsidiary Guarantor on other matters) and no Initial Purchaser has any obligation to the Company or any Subsidiary Guarantor with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement, (d) the Initial Purchasers and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of each of the Company and the Subsidiary Guarantors, and (e) the Initial Purchasers have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company and the Subsidiary Guarantors have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate.

Section 14. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) among the Company, the Subsidiary Guarantors and the Initial Purchasers, or any of them, with respect to the subject matter hereof.

Section 15. Parties. This Agreement shall inure to the benefit of and be binding upon the Initial Purchasers and the Company, the Subsidiary Guarantors and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Initial Purchasers, the Company, the Subsidiary Guarantors and their respective successors and the controlling persons and officers and directors referred to in Section 7 and Section 8 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Initial Purchasers, the Company, the Subsidiary Guarantors and their respective successors, and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities from any Initial Purchaser shall be deemed to be a successor by reason merely of such purchase.

Section 16. GOVERNING LAW. THIS AGREEMENT, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT, SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK.

Section 17. Submission to Jurisdiction; Appointment of Agent for Service; Waiver of Immunity. (a) Each of the Company and the Subsidiary Guarantors irrevocably submits to the non-exclusive jurisdiction of any New York State or United States Federal court sitting in the Borough of Manhattan, The City of New York (a "New York Court") over any suit, action or proceeding arising out of or relating to this Agreement, the Disclosure Package, the Final Offering Memorandum or the offering of the Securities. Each of the Company and the Subsidiary Guarantors irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding brought in such a court and any claim that any such suit, action or proceeding brought in such a court has been brought in an inconvenient forum.

(b) Each of the Company and the Subsidiary Guarantors hereby irrevocably appoints Law Debenture Corporate Services Inc., with offices at 400 Madison Avenue, 4th Floor, New York, NY 10017, United States, as its agent for service of process in any suit, action or proceeding described in the preceding paragraph and agrees that service of process in any such suit, action or proceeding may be made upon it at the office of such agent. Each of the Company and the Subsidiary Guarantors waives, to the fullest extent permitted by law, any other requirements of or objections to personal jurisdiction with respect thereto. Each of the Company and the Subsidiary Guarantors represents and warrants that such

agent has agreed to act as the Company's or such Subsidiary Guarantor's agent for service of process, as the case may be, and each of the Company and the Subsidiary Guarantors agrees to take any and all action, including the filing of any and all documents and instruments, that may be necessary to continue such appointment in full force and effect.

(c) To the extent that the Company, the Company's Subsidiaries or any of the Company's or its Subsidiaries' respective properties, assets or revenues may have or may hereafter become entitled to, or have attributed to it, any right of immunity, on the grounds of sovereignty or otherwise, from any legal action, suit or proceeding, from the giving of any relief in any such legal action, suit or proceeding, from set-off or counterclaim, from the competent jurisdiction of any court, from service of process, from attachment upon or prior to judgment, from attachment in aid of execution of judgment, or from execution of judgment, or other legal process or proceeding for the giving of any relief or for the enforcement of any judgment, in any competent jurisdiction in which proceedings may at any time be commenced, with respect to its obligations, liabilities or any other matter under or arising out of or in connection with this Agreement and the transactions contemplated hereby, the Company and each of the Subsidiary Guarantors hereby irrevocably and unconditionally waives, and agrees not to plead or claim, and procures to so waive and not to please or claim, to the fullest extent permitted by law, any such immunity and consent to such relief and enforcement.

Section 18. Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder into any currency other than United States dollars, the parties hereto agree, to the fullest extent permitted by law, that the rate of exchange used shall be the rate at which in accordance with normal banking procedures an Initial Purchaser could purchase United States dollars with such other currency in The City of New York on the business day immediately preceding that on which final judgment is given. The obligation of the Company or any Subsidiary Guarantor with respect to any sum due from it to any Initial Purchaser or any person controlling such Initial Purchaser shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first business day following receipt by such Initial Purchaser or controlling person of any sum in such other currency, and only to the extent that such Initial Purchaser or controlling person may in accordance with normal banking procedures purchase United States dollars with such other currency. If the United States dollars so purchased are less than the sum originally due to such Initial Purchaser or controlling person hereunder, each of the Company and the Subsidiary Guarantors agrees, jointly and severally, as a separate obligation and notwithstanding any such judgment, to indemnify such Initial Purchaser or controlling person against such loss. If the United States dollars so purchased are greater than the sum originally due to any Initial Purchaser or controlling person hereunder, such Initial Purchaser or controlling person agrees to pay to the Company or the relevant Subsidiary Guarantor, as applicable, an amount equal to the excess of the dollars so purchased over the sum originally due to such Initial Purchaser or controlling person hereunder.

Section 19. TIME. TIME SHALL BE OF THE ESSENCE OF THIS AGREEMENT. EXCEPT AS OTHERWISE SET FORTH HEREIN, SPECIFIED TIMES OF DAY REFER TO NEW YORK CITY TIME.

Section 20. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same Agreement.

Section 21. Effect of Headings. The Section headings herein are for convenience only and shall not affect the construction hereof.

Section 22. Severability. In case any provision contained in this Agreement should be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby.

[INTENTIONALLY LEFT BLANK BELOW]

If the foregoing is in accordance with your understanding of our agreement, please sign and return to the Company a counterpart hereof; whereupon this instrument, along with all counterparts, will become a binding agreement among the Initial Purchasers, the Company and the Subsidiary Guarantors in accordance with its terms.

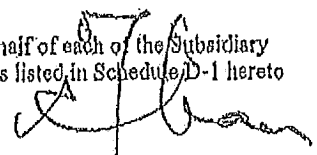

Very truly yours,

1. We are providing this certificate in connection with the offering of US\$600 million [coupon]% Guaranteed Senior Notes due 2017 of the Company (the “**Offering**”). In connection with the Offering, the Company and the Subsidiary Guarantors have executed a purchase agreement dated October 14, 2010 (the “**Purchase Agreement**”) with the Initial Purchasers listed therein, for whom BAML and Credit Suisse are acting as representatives. Capitalized terms used but not defined herein are used with the meanings assigned to them in the Purchase Agreement.

2. We are familiar with the accounting, operations, records systems and internal controls of the Company.

3. With respect to the period from July 1, 2010 to October 19, 2010:

(a) Nothing has come to our attention that has caused us to believe that:

(i) as at October 12, 2010, there was any decrease in the share capital or shareholders’ equity, or increase in the long-term debt of the Company as compared with the corresponding amounts shown on the June 30, 2010 unaudited consolidated balance sheet included in the Offering Memorandum; or

(ii) there were any material decreases in revenue, gross profit, income from operations, income before income taxes, net income or retained earnings for the period from July 1, 2010 to October 12, 2010, as compared with the corresponding period in the preceding year.

(b) And nothing has come to our attention that has caused us to believe that:

(i) as at October 19, 2010, there was any decrease in the share capital or shareholders’ equity, or increase in the long-term debt of the Company as compared with the corresponding amounts shown on the June 30, 2010 unaudited consolidated balance sheet included in the Offering Memorandum; or

(ii) there were any material decreases in revenue, gross profit, income from operations, income before income taxes, net income or retained earnings for the period from July 1, 2010 to October 19, 2010, as compared with the corresponding period in the preceding year.

4. We have read the items identified on the pages of the Disclosure Package and the Final Offering Memorandum attached hereto as **Exhibit I** and we, or other employees of the Company, have performed the following procedures, which were applied as indicated with respect to the symbols explained below:

- A. Compared to corresponding amounts derived from the Company's audited annual consolidated financial statements included in the Disclosure Package and the Final Offering Memorandum, and found them to be in agreement.
- B. Compared to the corresponding amounts derived from the Company's unaudited quarterly consolidated financial statements included in the Disclosure Package and the Final Offering Memorandum, and found them to be in agreement.
- C. Compared the corresponding amounts, percentages and ratios to corresponding amounts and ratios in schedules or analyses prepared from the Company's accounting records, attached hereto as Exhibit II, and found them to be in agreement.

This certificate is being furnished to the Initial Purchasers solely to assist them in conducting their "due diligence" investigation of the disclosure concerning the Company and its subsidiaries in connection with the Offering. This certificate may not be used for any other purposes or relied upon by any other person without our prior written consent.

IN WITNESS WHEREOF, on behalf of the Company (and without personal liability), we hereby set our hands this October 21, 2010.
