**NOTICE OF MOTION
CLAIMS AND DISTRIBUTION PROTOCOL APPROVAL
(Returnable December 13, 2013)**

TAKE NOTICE that the plaintiffs will make a motion to the Honourable Justice Morawetz the Court on December 13, 2013 at 10:00 am, or at such other time and place as the Court may direct, at 330 University Avenue, 8th Floor, Toronto, Ontario.

PROPOSED METHOD OF HEARING: The motion will be heard orally.

THE MOTION IS FOR an order:

1. If necessary, validating and abridging the time for service and filing of this notice of motion and motion record, and dispensing with any further service thereof;
2. Approving the proposed Claims and Distribution Protocol, attached as **Schedule "A"**; and
3. Such further and other relief as counsel may request and this Honourable Court may deem just.

THE GROUNDS FOR THE MOTION ARE:

1. On November 29, 2012, the plaintiffs and Ernst & Young LLP ("E&Y"), among others, entered into a settlement (the "Settlement"). The Settlement provides for a payment of \$117 million in full settlement of all claims that relate to Sino-Forest Corporation ("Sino-Forest") as against E&Y, Ernst & Young Global Limited, and their affiliates;
2. The Settlement was approved by this Court on March 20, 2013. The settlement approval order provides that the net settlement proceeds (net of class counsel fees and other specified expenses) shall be distributed among persons that purchased Sino-Forest securities ("Securities Claimants"), excluding the defendants and their affiliates;
3. The settlement approval order appointed the plaintiffs in this action as representatives of the Securities Claimants for the purposes of the Settlement and appointed Siskinds LLP, Koskie Minsky LLP, and Paliare Roland Rosenberg Rothstein LLP as counsel for the Securities Claimants. The settlement approval order provided that counsel were to establish a process for the allocation and distribution of the net settlement proceeds, to be approved by this Court (the "Claims and Distribution Protocol");

4. On October 23, 2013, this Court approved the form, content, and method of dissemination to Securities Claimants of the notice of the hearing to approve the Claims and Distribution Protocol (the “Notice Order”). Notice to Securities Claimants has been completed in accordance with the Notice Order;

5. The proposed Claims and Distribution Protocol fairly allocates the EY Compensation Fund¹ among Securities Claimants;

6. The proposed Claims and Distribution Protocol provides that claimants (other than Noteholders²) will receive compensation based on (a) the amount of their losses attributable to the alleged misrepresentations; (b) the strength of their claims against E&Y; and (c) the total amount of all claims made as against the EY Compensation Fund;

7. The proposed Claims and Distribution Protocol is recommended by experienced and competent counsel, and is supported by the plaintiffs in the Ontario, Quebec, and US Class Actions³;

8. The *Companies Creditors’ Arrangement Act*, RSC 1985, c. C-36;

9. The *Class Proceedings Act, 1992*, SO 1992, c. 6;

10. The *Courts of Justice Act*, RSO 1990, c. C.43; and

11. Such further and other grounds as this Honourable Court may permit.

2. The Affidavit of Joseph Mancinelli, sworn October 2, 2013;

Goal

3. The goal is to divide the EY Compensation Fund among Securities Claimants who submit valid and timely claims provided that Noteholders are not required to submit a claim in order to receive their allocation of the EY Compensation Fund provided in paragraph 8. This division among Securities Claimants, other than Noteholders who shall receive the allocation provided in paragraph 8, is based on a *pro rata* distribution that takes into account the risk adjustments of the Allocation System.

Deadline for Claims

4. Any person, other than the Noteholders, who wishes to claim compensation shall deliver to or otherwise provide the Claims Administrator a Claim Form by February 14, 2014 or such other date set by the Court. If the Claims Administrator does not receive a Claim

Form from a Claimant by the deadline, then the Claimant shall not be eligible for any compensation whatsoever.

Processing Claim Forms

5. The Claims Administrator shall review each Claim Form and verify that the Claimant is eligible for compensation, as follows:
 - (a) For a Claimant claiming as a Securities Claimant, the Claims Administrator shall be satisfied that (i) the Claimant is a Securities Claimant; and (ii) the claim is not an Excluded Claim.
 - (b) For a Claimant claiming on behalf of a Securities Claimant or a Securities Claimant's estate, the Claims Administrator shall be satisfied that (i) the Claimant has authority to act on behalf of the Securities Claimant or the Securities Claimant's estate in respect of financial affairs; (ii) the person or estate on whose behalf the claim was submitted is a Securities Claimant; and (iii) the claim is not an Excluded Claim.
6. The Claims Administrator shall review the Claim Forms and assign the Compensable Loss to the claims prescribed by the Allocation System.
7. The Claims Administrator shall take reasonable measures to verify that the Claimants are eligible for compensation and that the information in the Claim Forms is accurate. The Claims Administrator may make inquiries of the Claimants in the event of any concerns, ambiguities or inconsistencies in the Claim Forms.

Allocation and Payment of EY Compensation Fund

8. \$5,000,000 of EY Compensation Fund shall be allocated to the Noteholders. Such amount shall be paid to counsel to the Initial Consenting Noteholders (Goodmans LLP) in trust, for the benefit of the Noteholders as soon as practicable following final court approval of this Claims and Distribution Protocol.
9. Tradegate Purchasers who filed CCAA claims shall be treated as domiciled in Canada for the purposes of paragraph 10. Tradegate Purchasers who did not file CCAA claims shall be assigned a risk adjustment of 0.01 notwithstanding any other provision of this protocol.
10. As soon as possible after (i) all timely Claim Forms have been processed; (ii) the time to request a reconsideration for disallowed claims under paragraph 20 below has expired;

and (iii) all administrative reviews under paragraphs 21-22 have concluded, the Claims Administrator shall determine each Claimant's Risk Adjusted Loss as follows:

- (a) The ACB for each security purchased are determined using FIFO on a per security, per account, basis.
- (b) the securities purchased are divided into the types of securities described in the chart at paragraph 10(e).
- (c) For each type of purchase of securities, the damages for those purchases are calculated as follows:

Type of Purchase		Risk Adjustment
Sold before June 2, 2011		No damages
Sold from June 3 to August 25, 2011		(#of securities sold) X (ACB - Sale Price)
Sold or held after August 25, 2011		
	<i>Shares</i>	(#of shares sold or held) X (ACB per share - CAD\$1.40)
	<i>2013 Notes</i>	(#of notes sold or held) X (ACB per note - USD\$283)
	<i>2014 Notes</i>	(#of notes sold or held) X (ACB per note - USD\$276.20)
	<i>2016 Notes</i>	(#of notes sold or held) X (ACB per note - USD\$283)
	<i>2017 Notes</i>	(#of notes sold or held) X (ACB per note - USD\$289.80)

- (d) The damages for each type of purchase are reduced by subtracting the Claimant's Offset Profits for those purchases to obtain the Compensable Damages.
- (e) The Compensable Damages for each type of purchase are multiplied by the risk adjustment in the following chart to obtain the Risk Adjusted Damages:

Type of Purchase		Risk Adjustment
<i>A. Share Purchases</i>		
<u>(a) Primary Market (Mar. 2007-Aug. 2011)</u>

(f) The Compensable Loss is equal to the sum of the Risk Adjusted Damages for each type of purchase.

11. As soon as is practicable thereafter, the Administrator shall allocate the net amount of the EY Compensation Fund (after the payment in paragraph 8) to the eligible Claimant on a *pro rata* basis based upon each Claimant's Compensable Loss.

² This is a reference to any primary market note purchase (a) in a distribution in Canada; or (b) by a person who is currently a Canadian resident or was at time of purchase.

12. The Claims Administrator shall make payments to the eligible Claimants based on the allocation under paragraphs 10 and 11, subject to the following:
- (a) The Claims Administrator shall not make payments to Claimants whose allocation under paragraphs 10 and 11 is less than \$5.00. Such amount shall instead be allocated *pro rata* to the other eligible Claimants.
 - (b) All Claimants, other than class members of the US Class Action that are not members of the Ontario or Quebec Class Actions, are required to pay 5% of any recovery, up to a maximum of \$5,000,000 in aggregate, to Claims Funding International (“CFI”). The Claims Administrator shall reserve 5% of the allocation to Claimants, other than class members of the US Class Action that are not members of the Ontario or Quebec Class Actions, for payment to CFI, up to a maximum of \$5,000,000.
 - (c) The Claims Administrator shall make payment to a Claimant by either bank transfer or by cheque to the Claimant at the address provided by the Claimant or the last known postal addresses for the Claimant. If, for any reason, a Claimant does not cash a cheque within 6 months after the date of the cheque, the Claimant shall forfeit the right to compensation and the funds shall be distributed in accordance with paragraph 13.

Remaining Amounts

13. If there are amounts remaining after payment to Securities Claimants have been made under paragraphs 10 to 12 and all other financial commitments have been met pursuant to the EY Allocation Order or in order to implement the settlement, then the remaining amount shall be held in the Settlement Trust and paid out for the purposes of future disbursements in the Ontario, Quebec or US Class Actions.
14. If there has been full and final settlements of the Ontario, Quebec and US Class Actions or final judgments against the defendants in those actions (such that there is no prospect of additional amounts being added to the Settlement Trust), then payment of any remaining balance from the Settlement Trust shall be determined by further motion before the Court.

Completion of Claim Form

15. If, for any reason, a living Securities Claimant is unable to complete the Claim Form then it may be completed by the Securities Claimant’s personal representative or a member of the Securities Claimant’s family.

Irregular Claims

16. The claims process is intended to be expeditious, cost effective and “user friendly” and to minimize the burden on Securities Claimants. The Claims Administrator shall, in the absence of reasonable grounds to the contrary, assume the Securities Claimants to be acting honestly and in good faith.
17. Where a Claim Form contains minor omissions or errors, the Claims Administrator shall correct such omissions or errors if the information necessary to correct the error or omission is readily available to the Claims Administrator.
18. The claims process is also intended to prevent fraud and abuse. If, after reviewing any Claim Form, the Claims Administrator believes that the claim contains unintentional errors which would materially exaggerate the Compensable Loss to be awarded to the Claimant, then the Claims Administrator may disallow the claim in its entirety or make such adjustments so that an appropriate Compensable Loss is awarded to the Claimant. If the Claims Administrator believes that the claim is fraudulent or contains intentional errors which would materially exaggerate the Compensable Loss to be awarded to the Claimant, then the Claims Administrator shall disallow the claim in its entirety.
19. Where the Claims Administrator disallows a claim in its entirety, the Claims Administrator shall send to the Claimant at the address provided by the Claimant or the Claimant’s last known email or postal address, a notice advising the Claimant that he or she may request the Claims Administrator to reconsider its decision. For greater certainty, a Claimant is not entitled to a notice or a review where a claim is allowed but the Claimant disputes the determination of Compensable Loss or his or her individual compensation.
20. Any request for reconsideration must be received by the Claims Administrator within 21 days of the date of the notice advising of the disallowance. If no request is received within this time period, the Claimant shall be deemed to have accepted the Claims Administrator’s determination and the determination shall be final and not subject to further review by any court or other tribunal.
21. Where a Claimant files a request for reconsideration with the Claims Administrator, the Claims Administrator shall advise Class Counsel of the request and conduct an

administrative review of the Claimant's complaint.

22. Following its determination in an administrative review, the Claims Administrator shall advise the Claimant of its determination. In the event the Claims Administrator reverses a disallowance, the Claims Administrator shall send the Claimant at the Claimant's last known postal address, a notice specifying the revision to the Claims Administrator's disallowance.
23. The determination of the Claims Administrator in an administrative review is final and is not subject to further review by any court or other tribunal.
24. Data from each Claim Form shall be retained such that a Claimant is not required to file further claim forms in any future settlement or distribution.
25. The failure to file a timely valid Claim Form shall not prejudice any person's ability to file a claim form in any future settlement or distribution.
26. Any matter not referred to above shall be determined by analogy by the Claims Administrator in consultation with Class Counsel.

Proceeding under the *Class Proceedings Act, 1992*

AFFIDAVIT OF DAVID C. GRANT

I, DAVID C. GRANT, of the City of Calgary, in the Province of Alberta, MAKE OATH AND SAY:

1. I am a plaintiff in this action. Accordingly, I have knowledge of the matters herein deposed. Where I make statements in this affidavit that are not within my personal knowledge, I have indicated the source of my information and I believe such information to be true.

2. I purchased 100 Guaranteed Senior Notes of Sino-Forest on October 21, 2010 at a purchase price of US\$101.50 per note. I held these notes until January 30, 2013, which I understand was the plan implementation date for Sino-Forest's restructuring.

3. I have reviewed the proposed claims process for the distribution of the proceeds from the settlement with Ernst & Young. (the "Claims and Distribution Protocol"). I believe that it provides a fair and reasonable method for distributing the settlement. It awards compensation based on (a) the losses suffered by each claimant attributable to the alleged misrepresentations; and (b) the strengths of different types of claims that the claimant advances against Ernst & Young. This means that persons with stronger claims would receive more on a per dollar basis than persons with weaker claims. In my view, this makes a fair distinction as it reflects the risks of different claims.

4. As a noteholder as of the plan implementation date, I would not participate in the claims process. Instead, I will receive a *pro rata* share of \$5 million that is being paid to noteholders as of the plan implementation date. I am advised by Daniel Bach of Siskinds LLP, one of my counsel, that the allocation of \$5 million to these noteholders is consistent with the estimate of the damages suffered by the noteholders and the strengths of their claims.

5. I also support the fee request of Koskie Minsky LLP, Siskinds LLP and Siskinds Demeules in the amount of \$17,846,250 plus \$2,320,013 in HST (totaling \$20,166,263). I am satisfied that this amount is fair and reasonable.

6. My retainer agreement provides a sliding scale of compensation based on the value of settlement obtained by class counsel and the stage of the litigation. If there was a small or no recovery, counsel would likely get paid less than the time, money and resources they

committed. If there is a large recovery, such as the Ernst & Young settlement, then counsel may be paid accordingly. I considered the fee arrangement fair and reasonable when I entered the retainer agreement with counsel and I still consider it fair and reasonable.

7. In addition, the fees sought are consistent with the large risks that my counsel assumed in advancing this litigation. This action arises out of an alleged fraud that pervaded every aspect of Sino-Forest's business. I have received periodic updates on this action and it is apparent that the prosecution of this action is highly complex and resource-intensive. I am advised by Mr. Bach and I believe that my counsel has committed a significant amount of time, money and resources to advance this action and will continue to do so as they pursue claims against the other defendants.

8. In light of these risks and the substantial commitment of time, money and resources by my counsel, I support the requested fees.

9. I swear this affidavit in support of the motion for approval of the plan of allocation and approval of class counsel fees and for no other or improper purpose.

Proceeding under the *Class Proceedings Act, 1992*

AFFIDAVIT OF MICHAEL GALLAGHER

I, MICHAEL GALLAGHER, of the City of Toronto, in the Province of Ontario, MAKE OATH AND SAY:

1. I am a member of the board of trustees of the International Union of Operating Engineers Local 793 Pension Plan (the "OE Fund"), plaintiffs in this action, and I have knowledge of the matters herein deposed. Where I make statements in this affidavit that are not within my personal knowledge, I have indicated the source of my information and I believe such information to be true.
2. The OE Fund is a Canadian multi-employer pension plan representing 20,867 active, inactive, retired and deferred vested members.
3. The trustees of the OE Fund purchased Sino-Forest shares between July 2007 and June 2011. All of the purchases were made over the Toronto Stock Exchange.
4. On June 1, 2011, the trustees held approximately 324,100 shares of Sino-Forest with a market value of \$18.21 per share or \$5,901,861. Since that time, the trustees have sold most of these shares with significant losses. The trustees continued to hold approximately 37,350 shares until January 30, 2013. I am advised by Mark Zigler of Koskie Minsky LLP, one of my counsel, that the shares were cancelled on January 30, 2013 as part of Sino-Forest's restructuring and are of no value. Attached and marked as **Exhibit "A"** is a statement of all the OE Fund's purchases and sales of Sino-Forest shares.
5. I have reviewed the proposed claims process for the distribution of the proceeds from the settlement with Ernst & Young. (the "Claims and Distribution Protocol"). I believe that it provides a fair and reasonable method for distributing the settlement. It awards compensation based on (a) the losses suffered by each claimant attributable to the alleged misrepresentations; and (b) the strengths of different types of claims that the claimant advances against Ernst & Young. This means that persons with stronger claims would receive more on a per dollar basis than persons with weaker claims. I and the other trustees have discussed this approach to dividing the settlement proceeds. We believe this makes a fair distinction among different claims as it reflects the risks of different claims.

6. Under the proposed Claims and Distribution Protocol, our claims against Ernst & Young would be divided into three categories: (a) shares purchased on the Toronto Stock Exchange (TSX) between March 19, 2007 and March 17, 2008; (b) shares purchased on the TSX between March 18, 2008 and August 11, 2008; and (c) shares purchased on the TSX between August 12, 2008 and June 2, 2011.

7. I understand that each of the three claims will be treated differently. Mr. Zigler has explained to me that the claims for these different time periods face different risks. In particular, the claims for earlier purchases face limitation periods in respect of misrepresentation claims under the *Securities Act*. Claims in the first time period also face challenges because they are based on Ernst & Young's audits from 2000-2003. The other claims are based on audits in for 2007-2010 fiscal years. In essence, the compensation we will receive varies depending on when we purchased the shares.

8. I also support the fee request of Koskie Minsky LLP, Siskinds LLP and Siskinds Demeules in the amount of \$17,846,250 plus \$2,320,013 in HST (totaling \$20,166,263). This amount will be shared with two other law firms and is based on extensive work in the class proceeding and in protecting our interests and those of other securities purchasers in the insolvency proceeding. We are satisfied that this amount is fair and reasonable.

9. This amount is also less than the fees provided for in the retainer agreement that I and the trustees agreed to at the beginning of this litigation. The retainer agreement provides a sliding scale of compensation based on the value of settlement obtained by our counsel and the stage of the litigation. If there was a small or no recovery, counsel would likely get paid less than the time, money and resources they committed. If there is a large recovery, such as the Ernst & Young settlement, then counsel would be paid accordingly. I and the other trustees considered the fee arrangement fair and reasonable when we entered the retainer agreement with counsel and we still consider it fair and reasonable.

10. In addition, the fees sought are consistent with the large risks that our counsel assumed in advancing this litigation. This action arises out of an alleged fraud that pervaded every aspect of Sino-Forest's business. I and the other trustees have received periodic updates on this action and it is apparent that the prosecution of this action is highly complex and

resource-intensive. I am advised by Mr. Zigler and I believe that my counsel has committed a significant amount of time, money and resources to advance this action and will continue to do so as they pursue claims against the other defendants.

11. In light of these risks and the substantial commitment of time, money and resources by my counsel, I support the requested fees.

12. I swear this affidavit in support of the motion for approval of the plan of allocation and approval of class counsel fees and for no other or improper purpose.

Proceeding under the *Class Proceedings Act, 1992*

AFFIDAVIT OF JOSEPH MANCINELLI

I, JOSEPH MANCINELLI, of the City of Hamilton, in the Province of Ontario, MAKE OATH AND SAY:

1. I am the chair of the board of trustees of the Labourers' Pension Fund of Central and Eastern Canada (the "Labourers Fund"), plaintiffs in this action and I have knowledge of the matters herein deposed. Where I make statements in this affidavit that are not within my personal knowledge, I have indicated the source of my information and I believe such information to be true.

Background of the Labourers Fund and Its Investment In Sino-Forest

2. The Labourers Fund is a Canadian multi-employer pension funds representing 52,100 active, retired, inactive and deferred vested members in Ontario, New Brunswick, Nova Scotia, PEI and Newfoundland and Labrador. The Labourers Fund has more than \$2.5 billion in assets.

3. The trustees of the Labourers Fund purchased Sino-Forest shares between December 2009 and June 2011. This included a purchase of 32,300 shares in Sino-Forest's December 2009 primary market distribution of shares.. Otherwise, the share purchases were made in the secondary market over the Toronto Stock Exchange.

4. The trustees held a total of 128,700 shares on June 1, 2011, with a market value of \$18.21 per share or \$2,343,627 at the close of trading on June 1, 2011. On June 2 and 3, 2011, the trustees sold their holdings for net proceeds \$695,993.96. Attached and marked as **Exhibit "A"** is a summary of the trustees' transactions in Sino-Forest's shares.

Sino-Forest Litigation And Settlement With Ernst & Young

5. On July 20, 2011, this action was commenced against Sino-Forest and other defendants, including Sino-Forest's auditor, Ernst & Young LLP. I understand that class actions were also commenced in Québec, Saskatchewan and New York.

6. The key allegations against Sino-Forest are that it had substantially misrepresented its financial position to investors. In essence, the company was not nearly the incredible success it had claimed to be. This became apparent in the months following the commencement of this action. Sino-Forest began a steep financial decline. The large investments in Sino-Forest were gone. By March 2012, Sino-Forest was insolvent and sought protection from its creditors under the *Companies Creditors' Arrangement Act*.

7. Accordingly, save for any insurance, there would be no recovery from Sino-Forest. Instead, recovery from Sino-Forest's service providers is the focus of this action. The trustees and the other plaintiffs allege that Sino-Forest's auditors and underwriters failed in their gatekeeper obligations.

8. There has been a significant amount of activity in this action. There have been numerous motions in the action, including a certification hearing. In addition, I understand that our counsel expended a tremendous amount of time participating in Sino-Forest's insolvency in order to ensure that the claims against the auditors, underwriters and other solvent defendants were minimally affected in any restructuring of Sino-Forest.

9. There have also been efforts to settle the claims against all defendants. This included a court-ordered mediation among all parties in September 2012. The mediation did not result in

a settlement with all defendants. However, it provided a starting point for further negotiations with one of Sino-Forest's former auditor, Ernst & Young LLP.

10. These negotiations continued through the Fall of 2012 and there was a mediation on November 2012. On November 29, 2012, the trustees and the other plaintiffs entered into minutes of settlement with Ernst & Young. The settlement provides for payment of \$117 million in full settlement of all claims against Ernst & Young and its affiliates relating to Sino-Forest. The settlement was approved on March 20, 2013.

The Proposed Claims and Distribution Protocol

11. Our counsel has designed a claims process for the distribution of the settlement proceeds, net of class counsel fees and other necessary payments (the "Claims and Distribution Protocol").

12. I and the other trustees provided input on the Claims and Distribution Protocol and have reviewed the final version. In our view, it reflects a fair and balanced method for dividing the settlement proceeds among persons who purchased Sino-Forest securities (the "Securities Claimants") and who may have claims against Ernst & Young LLP.

13. The Claims and Distribution Protocol awards compensation based on (a) the actual losses suffered; and (b) the strengths of different types of claims that the claimant advances against Ernst & Young LLP. A particular claimant may have different types of claims depending on the purchases that it made and each claim would be treated differently depending on the risks faced for the particular claim.

14. For example, the Labourers Fund purchased Sino-Forest shares in both the primary market (the December 2009 prospectus offering) and in the secondary market (the Toronto Stock Exchange). These two claims would be treated differently in the claims process. The primary market claim has no discount applied to the losses as it is the strongest claim relative to other types of claims against Ernst & Young. In contrast, the secondary market claim will have a discount applied to the losses to reflect that if this matter proceeded to trial, recovery against Ernst & Young for a secondary market claim on a per dollar of loss basis would likely be substantially lower than for the primary market claims.

15. The Labourers Fund would not receive either the highest or the lowest level of compensation on a per dollar basis pursuant to the Claims and Distribution Protocol. I and the other trustees accept this is reasonable and that a claims process that takes into account the strengths of different claims is fair to all claimants. Stronger claims should be compensated more and weaker claims less.

Class Counsel's Fees

16. Koskie Minsky LLP, Siskinds LLP and Siskinds Demeules ("Canadian Class Counsel") are seeking \$19,162,500 plus \$2,491,125 in HST (totaling \$21,653,625) for class counsel fees in this action. I and the other trustees appreciate that this is a substantial sum of money for counsel fees. Nevertheless, I and the other trustees believe that this amount is fair and reasonable, given the large risks that our counsel undertook and continue to bear in the prosecution of this action.

17. Class counsel agreed to pursue this action on a contingency fee basis and to assume responsibility for litigation expenses, including expert fees. Without successful recovery, the

trustees have no obligation to pay Canadian Class Counsel, we have no obligation to pay for litigation expenses and we have an indemnity in respect of adverse costs. The trustees are committed to the prosecution of this action, but we recognize that Canadian Class Counsel has accepted almost all of the financial risk that comes with the advancement of this litigation on our behalf and on behalf of other harmed Sino-Forest investors.

18. From the outset, this action had significant risk, largely because the most culpable defendants, Sino-Forest and its senior officers have little or no means to satisfy a large judgement. I understand that this action was made even more risky as a result of Sino-Forest's insolvency. For example, it was possible that claims against Ernst & Young and other solvent defendants could be released as part of a restructuring for little or no compensation to harmed investors.

19. Our counsel committed to expending millions of dollars in time, money and other resources to prosecute this action with the significant risk of either achieving judgement against defendants unable to pay that judgment or having the claims released in order to facilitate the restructuring of Sino-Forest. I am satisfied that our counsel has pursued this action vigorously and has worked to maximize recovery.

20. Furthermore, the requested fees conform to what is provided for in our retainer agreement. In particular, the retainer agreement provides for a sliding scale of counsel fees depending on the monetary level of success and the stage of the litigation, as follows¹:

	For the first \$20 million of any Recovery	For the portion of the Recovery between \$20 million and \$40 million	For the portion of the Recovery between \$40 million and \$60 million	For the portion of the Recovery in excess of \$60 million
If the Action is settled or there is judgment before the Court renders a decision on a certification motion	twenty-five percent (25%)	twenty percent (20%)	fifteen percent (15%)	ten percent (10%)
If the Action is settled or there is judgment after the Court renders a decision on a certification motion and before the commencement of the Common Issues trial;	twenty-seven and a half percent (27.5%)	twenty-two and a half percent (22.5%)	seventeen and a half percent (17.5%)	twelve and a half percent (12.5%)
If the Action is settled after the commencement of the Common Issues trial or is determined by judgment after the trial.	thirty percent (30.0%)	twenty-five percent (25.0%)	twenty percent (20.0%)	fifteen percent (15.0%)

21. This grid ties class counsel compensation directly to the degree of success achieved, while at the same time ensuring the overall fees are not excessive. These percentages cut both ways for class counsel. If recovery in the action were small, then, no matter how much class counsel had spent in time, money and other resources, they would be held to a percentage of that small amount. On the other hand, if class counsel achieved large recovery in the action, they would be compensated accordingly, though their fees would be subject to percentages that decline as the recovery gets larger.

22. In this case, the fees sought reflect 16.4% of the settlement or 18% if compared to the estimated proportion of the settlement attributable to Canadian claims. Furthermore, in the

¹ I note that the retainer agreement contains a typographical error in this grid. The third column refers to a range of \$20 million to 40 million. It should show a range of \$40 million to \$60 million, which is what was intended.

event of future recovery in this action, the overall percentage will decline to reflect the overall recovery.

23. I and the other trustees considered this approach fair and reasonable when we entered the retained agreement at the outset of this action and continue to believe it is fair and reasonable. Compensating our counsel based on the retainer agreement is appropriate.

24. I swear this affidavit in support of the motion for approval of the plan of allocation and approval of class counsel fees and for no other or improper purpose.

AFFIDAVIT OF RICHARD GROTTHEIM

[Handwritten signature]

I, RICHARD GROTTHEIM, of the City of Stockholm, in the Country of Sweden,
SWEAR:

1. I am the chief executive officer of Sjunde AP-Fonden (“AP7”), a plaintiff in this action. Accordingly, I have knowledge of the matters herein deposed. Where I make statements in this affidavit that are not within my personal knowledge, I have indicated the source of our information and believe such information to be true.

2. AP7 is the Seventh Swedish National Pension Fund and is part of Sweden’s national pension system. AP7 is governed by a Board of Directors.

3. AP7 purchased Sino-Forest shares between April 21, 2010 and January 14, 2011. AP7 held 139,398 shares on June 1, 2011, with a market value of \$18.21 per share or \$2,538,438.00 in total. On August 24, 2011, AP7 sold 43,095 Sino-Forest shares for net proceeds of \$188,829.36. AP7 continued to hold 96,303 shares of Sino-Forest until the shares were cancelled as part of Sino-Forest’s restructuring. Attached and marked as **Exhibit “A”** is a statement of all AP7’s purchases and sales of Sino-Forest shares.

4. I have reviewed the proposed claims process for the distribution of the proceeds from the settlement with Ernst & Young. (the “Claims and Distribution Protocol”). Based on my discussions with counsel, I believe that the Claims and Distribution Protocol provides a fair and reasonable method for distributing the settlement. I have been advised by my counsel that the Claims and Distribution Protocol awards compensation based on (a) the losses suffered by each claimant attributable to the alleged misrepresentations; and (b) the strengths of different types of claims that the claimant advances against Ernst & Young. I understand this to mean that persons with stronger claims would receive more on a per dollar basis than persons with weaker claims. Based on my discussions with counsel, I believe the Claims and Distribution Protocol makes a fair distinction among different claims as it reflects the risks of different claims.

5. Under the proposed Claims and Distribution Protocol, AP7’s claim would fall under one category, being claims for share purchased in the secondary market (the Toronto Stock Exchange) between August 12, 2008 and June 2, 2011. This claim will be assign a “risk

RG

adjustment factor” to reflect the strength of claims purchased during this period as compared to other claims against Ernst & Young, such as shares purchased pursuant to a prospectus.

6. I also support the fee request of Koskie Minsky LLP, Siskinds LLP and Siskinds Demeules in the amount of \$17,846,250 plus \$2,320,013 in HST (totaling \$20,166,263). I am satisfied that this amount is fair and reasonable.

7. AP7’s retainer agreement with counsel provides for a sliding scale of compensation based on the value of settlement obtained by class counsel and the stage of the litigation. If there was a small or no recovery, counsel would likely get paid less than the time, money and resources they committed. If there is a large recovery, such as the Ernst & Young settlement, then counsel would be paid accordingly. AP7 considered the fee arrangement fair and reasonable when we entered the retainer agreement with counsel and we still consider it fair and reasonable.

8. In addition, the fees sought are consistent with the large risks that our counsel assumed in advancing this litigation. This action arises out of an alleged fraud that pervaded every aspect of Sino-Forest’s business. AP7 has received periodic updates on this action and it is apparent that the prosecution of this action is highly complex and resource-intensive. I understand that my counsel has committed a significant amount of time, money and resources to advance this action and will continue to do so as they pursue claims against the other defendants.

9. In light of these risks and the substantial commitment of time, money and resources by my counsel, I support the requested fees.

10. I swear this affidavit in support of the motion for approval of the plan of allocation and approval of class counsel fees and for no other or improper purpose.

Proceeding under the *Class Proceedings Act, 1992*

AFFIDAVIT OF ROBERT WONG

I, ROBERT WONG, of the City of Kincardine, in the Province of Ontario, MAKE OATH AND SAY:

1. I am a plaintiff in this action and I have knowledge of the matters herein deposed. Where I make statements in this affidavit that are not within my personal knowledge, I have indicated the source of my information and I believe such information to be true.

My Investment In Sino-Forest Corporation

2. I am an electrical engineer by profession and a retired member of the Professional Engineers of Ontario.

3. I first became a Sino-Forest Corporation ("Sino") shareholder on July 29, 2002 when I purchased approximately 15,000 Sino shares over the Toronto Stock Exchange. I was a Sino shareholder continuously from that time until June 10, 2011, when I disposed of my last shares of Sino.

4. During this time, I purchased hundreds of thousands of Sino shares. In early September 2008, I owned 1,371,500 Sino shares having then a market value of approximately \$26.1 million.

5. On June 2, 2011, I held 518,700 Sino shares with a market value of \$9.4 million. Of those shares, 30,000 were purchased at a price of \$16.80 per share as part of Sino's December 2009 share offering.

6. On June 3, 2011 and June 10, 2011, after I learned of the serious allegations against Sino, I sold all of my shares for total proceeds of \$2.8 million. This included the 30,000

shares I purchased as part of the December 2009 share offering. Attached and marked as Exhibit "A" is a summary of my purchases and sales of Sino shares.

The Proposed Claims and Distribution Protocol

7. My counsel has designed a claims process for the distribution of the proceeds from the settlement with Ernst & Young, net of class counsel fees and other necessary payments (the "Claims and Distribution Protocol").

8. The Claims and Distribution Protocol awards compensation based on (a) the losses suffered by each claimant attributable to the alleged misrepresentations; and (b) the strengths of different types of claims that the claimant advances against Ernst & Young LLP. A particular claimant may have different types of claims depending on the purchases that it made and each claim would be treated differently depending on the risks faced for the particular claim. Persons with stronger claims would receive more on per dollar basis than persons with weaker claims.

9. For example, I purchased Sino shares in both the primary market (the December 2009 prospectus offering) and in the secondary market (the Toronto Stock Exchange). These two claims would be treated differently in the claims process. The primary market claim has no discount applied to the losses as it is the strongest claim relative to other types of claims against Ernst & Young. In contrast, the secondary market claim will have discounts applied to the losses to reflect more significant litigation risks that relate to that claim.

10. I understand that this motion is for court approval of the Claims and Distribution Protocol, and I have reviewed the proposed Claims and Distribution Protocol that is being submitted for approval on this motion. I have been in frequent communication with my

counsel regarding the proposed Claims and Distribution Protocol and have offered my opinions, suggestions and comments to the proposal.

Class Counsel's Fees

11. Siskinds LLP, Koskie Minsky LLP and Siskinds Desmeules ("Canadian Class Counsel") are seeking \$17,846,250 plus \$2,320,013 in HST (totaling \$20,166,263) for class counsel fees in this action. I appreciate that this is a substantial sum of money for counsel fees. Nevertheless, I believe that this amount is fair and reasonable, given the unforeseeable events this action has taken, and the additional time that my counsel has put into the prosecution of this action.

12. Canadian Class Counsel agreed to pursue this action on a contingency fee basis and to assume responsibility for litigation expenses, including expert fees. Without successful recovery, I understand I have no obligation to pay Canadian Class Counsel and I understand that I have no obligation to pay for litigation expenses. I am committed to the prosecution of this action, but I recognize that Canadian Class Counsel has accepted significant financial risk that comes with the advancement of this litigation on our behalf and on behalf of other harmed class members.

13. During the litigation process, I was informed by counsel that this action was made risky as a result of Sino-Forest's insolvency. For example, it was possible that claims against Ernst & Young and other solvent defendants could have been released as part of a restructuring for little or no compensation to harmed class members.

14. My retainer agreement provides for a sliding scale of counsel fees depending on the value of the recovery and the stage of the litigation. If recovery in the action were small, then,

no matter how much class counsel had spent in time, money and other resources, would be held to a percentage of that small amount. On the other hand, if counsel achieved a large recovery in the action, they would be compensated a higher percentage depending on the litigation phase as provided in the retainer agreement.

15. I considered the approach in the retainer agreement fair and reasonable when I entered the retained agreement at the outset of this action and I believe the method of fee calculation outlined above is fair and reasonable in the circumstances.

16. In light of the risks and the substantial commitment of time, money and resources by my counsel, I support the requested fees.

17. I swear this affidavit in support of the motion for approval of the plan of allocation and approval of class counsel fees and for no other or improper purpose.

SWORN BEFORE ME at the City of
KINCARDINE in the Province of

Proceeding under the *Class Proceedings Act, 1992*

AFFIDAVIT OF CHARLES WRIGHT

I, CHARLES WRIGHT, of the City of London, in the Province of Ontario, MAKE
OATH AND SAY:

1. I am a partner at Siskinds LLP (“Siskinds”), who, along with Koskie Minsky LLP (“Koskie Minsky,” together with Siskinds, “Class Counsel”), are counsel for the plaintiffs in this action. Accordingly, I have knowledge of the matters herein deposed. Where I make statements in this affidavit that are not within my personal knowledge, I have indicated the source of my information and I believe such information to be true.

2. I swear this affidavit in support of the motion for approval of the plan to allocate the net proceeds from the Ernst & Young settlement, and for no other or improper purpose.

BACKGROUND

3. These proceedings relate to the decline of Sino-Forest Corporation (“Sino-Forest”) following allegations on June 2, 2011 that there was fraud at the company and that its public disclosure contained misrepresentations regarding its business and affairs.

4. On July 20, 2011, this action was commenced against Sino-Forest, Ernst & Young LLP (“E&Y”) and other defendants in Ontario under the *Class Proceedings Act, 1992* (the “Ontario Class Action”). The Fresh As Amended Statement of Claim is attached as **Exhibit “A”**. Class Counsel represent the plaintiffs in the Ontario Class Action.

5. On March 30, 2012, Sino-Forest applied for and was granted protection from its creditors pursuant to the *Companies’ Creditors Arrangement Act* (“CCAA”).

6. In November 2012, a settlement was reached with E&Y (the “Settlement”). The Settlement provides for payment of \$117 million in full settlement of all claims that relate to Sino-Forest as against E&Y, Ernst & Young Global Limited and their affiliates.

7. On March 20, 2013, this Court approved the Settlement. The Settlement approval order provides that the net settlement proceeds (net of class counsel fees and other expenses¹) shall be distributed among persons who purchased Sino-Forest securities (“Securities Claimants”), excluding the defendants and their affiliates.

8. The Settlement approval order appointed the plaintiffs in this action as representatives of the Securities Claimants for the purposes of the Settlement and appointed Siskinds, Koskie Minsky, and Paliare Roland Rosenberg Rothstein LLP (“Paliare Roland”) as counsel for the Securities Claimants. The order provided that Siskinds, Koskie Minsky and Paliare Roland were to establish a process for the allocation and distribution of the net settlement proceeds, to be approved by this Court (the “Claims and Distribution Protocol”). The Settlement approval order is attached as **Exhibit “B”**.

9. A proposed class proceeding against Sino and others is presently ongoing in Québec. On October 29, 2013, the Superior Court of Québec issued an order staying that action as against E&Y. The order of Justice Emond dated October 29, 2013 is attached as Exhibit “C”

10. There is a related insolvency proceeding in the United States under Chapter 15, Title 11 of the United States Code. A motion is scheduled for November 18, 2013 in that proceeding to recognize the Settlement.

¹ The net settlement proceeds is the amount remaining from the \$117 million settlement after payment of administration and notice costs, class counsel fees and expenses as approved by the Court and payment to Claims Funding International (“CFI”) in accordance with the funding order of Perell J. dated March 17, 2012.

PROPOSED CLAIMS AND DISTRIBUTION PROTOCOL

11. The proposed Claims and Distribution Protocol (attached at Schedule "A" to the Notice of Motion) creates a claims-based process for Securities Claimants to seek compensation from the Settlement fund.

12. Noteholder claims are dealt with separately from other claims. The protocol provides for a payment of \$5 million for the benefit of Noteholders. This amount was reached with the agreement of counsel for the Initial Consenting Noteholders during the insolvency proceedings. I was advised that they act for more than 70% of the Noteholders.

13. Class Counsel considers this amount for the Noteholders to be fair and reasonable. This is based on a number of factors including (a) our view that it is equivalent to or less than what Class Counsel believed the Noteholders would likely have received from the claims process; (b) the unique position of Noteholders as the largest group of unsecured creditors in the Sino-Forest insolvency; and (c) the fact that the Noteholders were major beneficiaries of the Litigation Trust in respect of claims that Sino-Forest had against E&Y and may have received compensation from the Litigation Trust for those claims in the absence of the E&Y settlement. In particular, the Litigation Trust was created under the Sino-Forest Plan of Compromise and Arrangement and was assigned litigation claims that Sino-Forest had against E&Y and other parties. The Noteholders are major beneficiaries of the Litigation Trust. Those claims were compromised when the E&Y settlement was incorporated into the Sino-Forest Plan.

14. The proposed Claims and Distribution Protocol is designed to provide compensation based on the strength of each category of claims as against E&Y. Thus, a claim for purchases

with fewer litigation challenges would receive more on a per dollar-of-loss basis than a claim for purchases with a greater litigation challenges.

15. For instance, a claim under the *Securities Act's* primary market provisions, Part XXIII, offers recovery to primary market purchasers with fewer of the limitations applicable to claims of a secondary market purchaser under Part XXIII.1, which creates a statutory claim that is, among other things, generally subject to a liability limit. In this case, that liability limit for Part XXIII.1 claims against E&Y could have been as low as \$10 million in aggregate, or lower. Accordingly, a claim against E&Y for purchases of Sino-Forest shares in the June 2009 or December 2009 prospectus offering (primary market) should be allocated more for each dollar-of-loss than a claim for purchases on the secondary market in the same period.

16. The proposed Claims and Distribution Protocol contains six categories of purchases with sub-categories, each with its own "risk adjustment factor."

17. Under the proposed Claims and Distribution Protocol, each claimant would file a claim with the details of their trading in Sino-Forest securities. The claims administrator would use this information to first determine the different categories of purchases made and then, for each category, determine the claimant's losses.

18. Certain claims are excluded from the claims process.

- (a) The defendants in the class actions, along with their affiliates or any related persons, are excluded.

- (b) Noteholders as of the Record Distribution Date (January 16, 2013) are excluded because they will receive a fixed payment of \$5 million, in aggregate.²
- (c) Claims for purchases in the June 2007 offering of shares or any earlier offering other than the May 2004 offering are excluded.³
- (d) Claims for purchases in any note offering that occurred before the offering for the 2011 notes on August 17, 2004 are excluded.⁴
- (e) Any person who purchased Sino-Forest securities after August 25, 2011 is excluded.⁵

19. Any amounts remaining after the initial distribution to Securities Claimants would be held in trust for the purposes of future disbursements in the Ontario, Québec or US Class Actions. If there are further monetary settlements, further distributions to Securities Claimants would be determined by motion.

Calculation of Losses

20. In order to distribute the funds fairly, the losses of individual Claimants must be determined.

21. Experts in securities cases employ various techniques to measure damages suffered by individual Claimants. In this litigation, Class Counsel retained Frank Torchio of Forensic

² This amount would be paid to counsel to the Initial Consenting Noteholders (Goodmans LLP) in trust for the benefit of the Noteholders.

³ Ernst & Young cannot be held liable for offerings in which it played no part and thus the June 2007 offering is excluded. The only other share offering of which I am aware was in October 1996. Sino had issued warrants at \$1.25 under a private placement and released a prospectus so that Sino could issue a share for each warrant exercised without additional consideration. This price of \$1.25 is less than the lowest price for Sino shares after the alleged misrepresentations were revealed.

⁴ I am not aware of note offerings before August 2004. However, even if there were, the only notes that were still outstanding as of June 2, 2011 were the 2011, 2013, 2014, 2016 and 2017 notes. Earlier notes would have been sold or matured before June 2, 2011 and suffered no damages.

⁵ August 26, 2011 was the date that the Ontario Securities Commission cease traded Sino-Forest's securities. Purchasers after that date likely have no claim against Ernst & Young for alleged misrepresentations before June 2, 2011 and as far as I am aware, did not file a claim in respect of misrepresentations in the CCAA process.

Economics. Mr. Torchio is an economist and has advised plaintiffs and defendants in financial valuations, financial-economic analysis and analysis of the response of stock prices to public information in securities fraud lawsuits for over 20 years. Mr. Torchio has testified in trials, arbitrations and out of court examinations in U.S. and Canadian securities litigation matters.

22. In developing the Claims and Distribution Protocol, we received advice from Mr. Torchio, including how to determine which shares are deemed sold when securities are sold in a given period and the use of netting, whereby losses are offset by profits of sales of securities during the period when such securities were inflated.

23. Class Counsel believe that the methods to be employed under the Claims and Distribution Protocol are fair, well-recognized methods.

24. To determine the Claimant's losses, the adjusted cost base ("ACB") of the Claimant's securities must first be determined. This is done by applying the "first-in-first-out" methodology ("FIFO") to the securities on a per-security, per account basis.

25. The securities will then be divided into the different categories set out at paragraph 10(e) of the Claims and Distribution Protocol (and discussed in the section below). For each category of securities held by a Claimant, the losses for those purchases are calculated as follows:

Time of Sale of Securities	Damages
Sold before June 2, 2011	No damages
Sold from June 3 to August 25, 2011	(#of securities sold) X (ACB - Sale Price)
Sold or held after August 25, 2011	
<i>Shares</i>	(#of shares sold or held) X (ACB per share - CAD\$1.40)
<i>2013 Notes</i>	(#of notes sold or held) X (ACB per note - USD\$283)
<i>2014 Notes</i>	(#of notes sold or held) X (ACB per note - USD\$276.20)

<i>2016 Notes</i>	(#of notes sold or held) X (ACB per note - USD\$283)
<i>2017 Notes</i>	(#of notes sold or held) X (ACB per note - USD\$289.80)

For securities sold or held after August 25, 2011, the loss per security is calculated by subtracting the holding price of the securities as of August 26, 2011 (as estimated by Forensic Economics) from the ACB of the security.

26. If a Claimant sold Sino securities before June 2, 2011, that claimant may have inadvertently profited from the alleged misconduct at Sino. In order to remove the impact of these sales, profits attributable to the artificial inflation of such securities (to be determined by Forensic Economics in consultation with Class Counsel) will be offset by subtracting them from the Claimant's losses.

Risk Adjustment Factors

27. There are 6 categories of securities purchases: (1) primary market share purchases (pursuant to a prospectus) in June 2009 and December 2009; (2) secondary market share purchases between March 19, 2007 and August 26, 2011; (3) pre-March 2007 share purchases; (4) primary market note purchases (pursuant to an offering memorandum) for the 2013, 2014, 2016 and 2017 notes; (5) secondary market note purchases for the 2013, 2014, 2016 and 2017 notes; and (6) note purchases for the 2011 notes. These categories have subcategories to address the different risks facing different types of claims against E&Y. Each subcategory is assigned a risk adjustment factor for the purposes of the Claims and Distribution Protocol.

1) Primary market share purchases (June 2009 and December 2009 offering)

28. Claims for purchases in the June 2009 and December 2009 prospectus offering have a risk factor of 1.0, which means that no discount is being applied to those claims relative to

other claims. The absence of a discount reflects that those claims face the fewest challenges and are the strongest claims against E&Y. In particular, claimants who purchased in these two offerings have a claim under section 130 of the *Securities Act* and thus would have succeeded on their claims if they had established that there was a misrepresentation in the relevant part of the prospectus at issue, and that E&Y did not act diligently in connection with the offering. There were no liability limits for these claims, no leave requirement, no limitation period issues and no requirement to establish a duty of care or reliance.

2) Secondary market share purchases (March 2007 to August 2011)

29. Secondary market purchases between March 19, 2007 and August 26, 2011 are divided into the following sub-categories:

- (a) Purchases between March 19, 2007 to March 17, 2008; and
- (b) Purchases in a Canadian market or by a Canadian resident, divided into the following time periods: (i) March 18, 2008 to August 11, 2008, (ii) August 12, 2008 to June 2, 2011; and (iii) June 3, 2011 to August 25, 2011; and
- (c) Purchases in the over-the-counter (OTC) market in the United States, March 18, 2008 to August 25, 2011.

(a) purchases between March 19, 2007 and March 17, 2008

30. Claims as against E&Y for purchases in the secondary market in the period from March 19, 2007 to March 17, 2008 faced considerable hurdles to success. The risk adjustment factor for these claims is 0.10.

31. March 18, 2008 was the date of E&Y's 2007 audit report. This means that purchases before this date could not make claims for alleged misrepresentations in the 2007 audit report as the purchases were made before the report was released. Instead, claims for purchases before March 18, 2008 relate to alleged misrepresentations by E&Y in its audit reports for the

years ending 2000, 2001, 2002 and 2003. The allegations against E&Y in the Ontario, Québec and US Class Actions relate primarily to the 2007 to 2011 time period. I am not aware of evidence that establishes that there were misrepresentations in the 2000-2003 audit reports.

32. The Canadian claims and U.S. claims of these purchasers face other risks as well.

33. For the Canadian claims, E&Y would likely have argued that

- (a) it is unlikely that a statutory claim was available for these claims as there is a 3-year absolute limitation period for Part XXIII.1 claims and more than 3 years had passed when any of the class actions were commenced.
- (b) the common law claim for negligent misrepresentation against E&Y would have faced challenges in light of the Supreme Court of Canada's decision in *Hercules Managements Ltd. v Ernst & Young LLP*. The Supreme Court determined that the auditor of a private company's financial statements did not owe a duty of care to the persons purchasing shares of that company because of concerns for indeterminate auditor liability. Purchasers relying on common law negligent misrepresentation would have had to distinguish *Hercules* to establish liability against E&Y.
- (c) the common law claim may require proof of reliance by the plaintiffs. Some courts have refused certification of negligent misrepresentation claims for securities class actions on the basis of this requirement. The plaintiffs would have faced challenges at certification.

34. The U.S. claims also face other significant challenges. Most significantly, U.S. claims require proof of *scienter* (fraudulent intent), discussed below.

(b) purchases in a Canadian market or by a Canadian resident (Mar 2008 to Aug 2011)

35. Claims for purchases on a Canadian market or by Canadian residents are included in the Ontario and Québec Class Actions. These purchases are divided into three date ranges to reflect the varying risks faced for claims arising from purchases in these different time periods:

- (a) March 18, 2008 to August 11, 2008; and
- (b) August 12, 2008 to June 2, 2011; and
- (c) June 3, 2011 to August 25, 2011.

36. The risk weightings for the first two time periods differ because of the potential application of a limitation period to Part XXIII.1 claims.

37. There is a 3-year limitation period under Part XXIII.1 that runs from the date of the alleged misrepresentation. Accordingly, it is possible that claims against E&Y for alleged misrepresentations occurring more than 3 years before class proceedings were commenced are barred (i.e. claims for misrepresentations on or before August 11, 2008⁶). The Ontario action was commenced in July 2011 and thus the 3-year limitation period could apply to all misrepresentations before July 2008.

38. Claims for purchases in this time period are assigned a risk adjustment factor of 0.30.

39. The next date range is for purchases from August 12, 2008 to June 2, 2011. These purchases occurred less than 3 years before the Ontario action was commenced and do not face the same limitation period challenges as the claims based on earlier purchases.⁷ As a result, these claims are assigned a risk adjustment factor of 0.45.

⁶ August 11, 2008 is chosen because the limitation period depends on the date of the misrepresentation, not the date of purchase, and the first alleged misrepresentation was contained in a document filed August 12, 2008.

⁷ It is possible for some of these post-July 2008 claims (for purchases from August 12, 2008 to March 15, 2009) that the limitation period would still run and bar the claims as a result of the Ontario Court of Appeal's decision in *Sharma v Timminco Ltd.*, 2012 ONCA 107. In *Timminco*, the Court of Appeal determined that the 3-year limitation period continues to run for Part XXIII.1 claims even after a class proceeding is commenced. There is a leave requirement for these claims and the Court of Appeal read the limitation period provision in Part XXIII.1 as requiring leave before the limitation period is satisfied. Thus, the limitation period for August 2008 to March 2009 claims may have expired during the course of the litigation. However, in my view, it is likely that all of the post-July 2008 claims will ultimately proceed. The court may be able to rely on common law doctrines such as the special circumstances doctrine to relieve from an unfair application of the limitation period. The *Timminco* decision took the bar by surprise and has led to plaintiffs seeking to rely on common law doctrines such as

40. The last time period for purchases in a Canadian market or by a Canadian resident is for purchases from June 3, 2011 to August 25, 2011. Claims for these purchases are different from claims arising from earlier purchases. These post-June 2, 2011 claims are not included in the Ontario or Québec Class Actions. I am advised by Garth Myers of Koskie Minsky, who reviewed the CCAA proofs of claim, that there were very few CCAA claims filed on their behalf (other than class members in the US Class Action via the CCAA claim filed by Cohen Milstein). Thus, they face the claims bar in the Claims Procedure Order.

41. In addition, such claims are for purchases that occurred after the fraud allegations first arose against Sino-Forest. Accordingly, these were higher-risk purchases and it is possible E&Y would be able to establish it is not liable to a group of purchasers who, E&Y would have likely argued, had assumed and accepted the risk that there were misrepresentations in Sino-Forest's disclosure.⁸ These claims are thus assigned a risk adjustment factor of 0.15. The factor is increased to 0.25 if the claimant filed a claim in the CCAA. As discussed below, under U.S. law, claims for post-June 2 purchasers will be treated identically to pre-June 2 purchasers. The case law in Canada is highly undeveloped on this issue and therefore it is unknown at this time whether the U.S. approach would be applied under the Ontario *Securities Act*.

special circumstances and *nunc pro tunc* to relieve from a strict application of the 3-year limitation period. The availability of the common law doctrines along with the correctness of *Timminco* itself were recently considered in the Court of Appeal before a 5-judge panel, although a decision has not yet been released.

Part XXIII.1 claims for March 2009 forward face no limitation period issues as the parties entered a tolling agreement that prevents the expiry of the limitation period for purchases in this date range.

⁸ Ernst & Young is not alleged to have made additional misrepresentations after June 2, 2011.

(c) purchases in the U.S. over-the-counter market (Mar 2008 to Aug 2011)

42. Claims arising for purchases in the OTC market are treated differently from purchases in a Canadian market or by a Canadian resident. These claims were advanced in the US Class Action and US law likely applies to these claims. The allocations for these claims was developed with the assistance and concurrence of Cohen Milstein, Class Counsel to the U.S. Class. However, these claims faced their own challenges under US law, the most significant being the need to prove that E&Y acted with *scienter*, or fraudulent intent.

43. I have reviewed the affidavit of Adam Pritchard, dated January 9, 2013, and believe that securities class actions against auditors face unique challenges under U.S. law. Among the other examples provided in that affidavit is a case, *Longtop Fin. Tech. Ltd. Sec. Litig.*, where a U.S. district court dismissed securities law claims against Deloitte arising out of its audit of Longtop Financial, a Chinese information technology company.⁹ According to the court, “[i]n order for a complaint founded on the theory that an auditor should have uncovered red flags to survive a motion to dismiss, the red flags must be ‘so obvious that knowledge of them by the auditor can be presumed.’”¹⁰ The alleged red flags in *Longtop* were held to have fallen short of this standard, and there is a risk that the red flags alleged in the U.S. action would fall short too.

⁹ 2012 WL 5512176 (S.D.N.Y. Nov. 14, 2012).

¹⁰ *Longtop*, 2012 WL 5512176, at *8 (quoting *Stephenson v. Citco Group Ltd.*, 700 F.Supp.2d 599, 623 (S.D.N.Y.2010)).

44. These U.S. claims are divided into two time periods: (i) purchases from March 19, 2007 to March 17, 2008; and (ii) purchases from March 18, 2008 to August 25, 2011. The former group is assigned a risk adjustment factor of 0.10 and the latter group 0.35.

45. The risks associated with claims for purchases prior to March 17, 2008 are similar to the Canadian claims and are described above.

46. With regard to claims for purchases after June 2, 2011, the allegations in the U.S. class action are on behalf of investors who purchased Sino-Forest securities during that class period, which ends on August 26, 2011. I am advised that U.S. law has developed such that it is clear that investors who purchase during this time period could assert successfully that the initial accusations of fraud by Sino-Forest were only partially corrective, and that they therefore purchased Sino-Forest securities at inflated prices, albeit at prices that were less inflated than the prices paid by those who purchased before the making of the initial allegations of fraud. I am advised by U.S. class counsel that under U.S. law, full disclosure that would vitiate any further claim may require an admission by Sino-Forest of fraud or a restatement of the company's financial statements, neither of which occurred here prior to August 26, 2011.

47. The Muddy Waters report made allegations but did not disclose the full extent of the fraud or cause withdrawal of the Company's financial statements or auditors' report. In fact, Sino-Forest aggressively denied Muddy Waters' allegations as soon as they were published, and thereafter sought to refute those allegations. Up to and through August 26, 2011, Sino-Forest's audited financial statements were not withdrawn, it did not admit to any fraudulent conduct, and E&Y did not withdraw its audit opinion on the company's financial statements

until 2012. Sino-Forest's debt continued to carry ratings of B+ until August 23, 2011, and this rating demonstrated that the partial disclosures issued prior to August 23, 2011 were insufficient to reveal the entire fraud.

3) Share purchases before March 19, 2007 (primary or secondary market)

48. These claims against E&Y were unlikely to succeed.

49. Claims against E&Y for purchases before March 19, 2007 faced the same challenges as claims for purchases between March 19, 2007 and March 28, 2008: there were no statutory claims available, common law claims faced challenges regarding duty of care (due to *Hercules Managements*) and reliance issues at certification, and these claims against E&Y are based on 2000-2003 audits, which would have been somewhat stale by March 2007.

50. Furthermore, these claims were not included in any proof of claim of which I am aware. They are subject to the claims bar in the Claims Procedure Order unless individual proofs of claim were filed. Accordingly, in the absence of an individual proof of claim, the risk adjustment factor is 0.01. The risk adjustment factor is increased to 0.10 if the claimant filed an individual proof of claim in the *CCAA*. Attached as **Exhibit "D"** is the Claims Procedure Order.

4) Primary market purchases of 2013, 2014, 2016 or 2017 notes

51. These are claims for purchases of Sino-Forest notes in an offering by way of offering memorandum. The below categories only apply to the claims of former noteholders.¹¹

¹¹ As mentioned above, this does not include the claims of Noteholders as of the Distribution Record Date. If the Claims and Distribution Protocol is approved, the Noteholders would receive compensation of \$5 million and would not participate in the claims process.

52. The primary market note claims are divided into three sub-categories:
- (a) purchases of the 2013, 2014, 2016 or 2017 notes in a distribution in Canada or by a Canadian resident;
 - (b) other purchases of the 2017 notes; and
 - (c) other purchases of 2013, 2014 or 2016 notes.

53. Primary market claims against E&Y for notes face greater hurdles than primary market claims for shares. Unlike the claims of persons who purchased Sino-Forest shares under a prospectus, there is no statutory claim in Ontario against an auditor for purchases of securities by offering memorandum.¹² These claims are thus dependent on Ontario common law claims or claims under U.S. law, which generally require proof of fraud.

54. The first two categories of purchases were included in either the US Class Action or in the Ontario and Québec Class Actions. A *CCAA* claim was filed for these claims. The Canadian claims for purchases of the 2013, 2014, 2016 or 2017 notes have a risk adjustment factor of 0.15. The non-Canadian (U.S.) claims for purchases of the 2017 notes have a risk adjustment factor of 0.10. This difference in risk adjustments reflects the different risks for advancing claims in U.S. and Canada, including class certification issues.

55. The third category of purchases was not included in the Ontario, Québec or US Class Actions and no claim was filed on their behalf. A claimant would have faced the claims bar unless there was an individual *CCAA* proof of claim filed. These claims are assigned a risk adjustment factor of 0.01, increased to 0.10 if an individual claim was filed.

¹² Section 130.1 of the *Securities Act* provides a statutory claim against Sino-Forest only.

5) Secondary market purchases of 2013, 2014, 2016 or 2017 notes

56. Purchases of notes on the secondary market are divided into two sub-categories:

- (a) Purchases of 2013, 2014, 2016 or 2017 notes in a Canadian market or by a Canadian resident, divided into the following time periods: (i) July 17, 2008 to August 11, 2008, (ii) August 12, 2008 to June 2, 2011; and (iii) June 3, 2011 to August 25, 2011; and
- (b) Other purchases of 2013, 2014, 2016 or 2017 notes.

(a) Purchases in a Canadian market or by a Canadian resident

57. The first category of claims (except for claims for purchases between June 3, 2011 and August 25, 2011) are included in the Ontario and Québec Class Actions. Part XXIII.1 statutory claims are advanced for these purchases, along with Ontario common law claims and U.S. law claims. They are subject to the same challenges as secondary market share purchases because of the 3 year limitation period for Part XXIII.1 claims. Accordingly, the first two time periods for these pre-June 2011 claims are respectively assigned the risk adjustment factors of 0.20 and 0.35.¹³ These figures are lower than the concordant figures for share purchasers due to the additional risks faced by note purchasers.

58. Purchases of the notes after June 2, 2011 in a Canadian market or by a Canadian resident are not included in the Ontario, Québec or US Class Actions. No *CCAA* claim was filed for these claims and they were also high-risk purchases because they occurred after the allegations of fraud against Sino-Forest first surfaced. They are assigned a risk adjustment factor of 0.15. The factor is increased to 0.25 if the claimant filed an individual claim in the *CCAA*.

¹³ The first date range begins on July 17, 2008 because that is the date of the offering for the 2013 notes and there could not have been trading before it.

(b) all other secondary market purchases of 2013, 2014, 2016, 2017 notes

59. Claims for all other purchases of 2013, 2014, 2016 and 2017 notes from March 19, 2007 to August 25, 2011 are included in the US Class Action. They advance US law claims, which require proof of *scienter*, or fraudulent intent. They are assigned a risk adjustment factor of 0.25.

6) Purchases of 2011 series of notes

60. Purchases of the 2011 notes are assigned a risk adjustment factor of 0.01. They are not included in any of the Ontario, Québec or US Class Actions, no CCAA claim was filed on their behalf (that I am aware of) and these claims are based on alleged misrepresentations in E&Y's 2000-2003 audits. I am not aware of evidence of misrepresentations in these audits.

SCOPE OF CLAIMS PROCESS

61. The claims administrator will review claims pursuant to the above protocol and determine a claimant's share of the net settlement fund. Claims assessed at less than \$5 will not be paid out as it will likely cost more than \$5 to process and pay such claims.

62. In order to minimize the burden on claimants and to reduce administrative costs, the intention is that a claimant who files a claim will not be required to file a new claim in any future settlements that they are entitled to claim under. A person who fails to file a claim is not barred from filing a claim in in any future settlements or recoveries that they are entitled to claim in.

PAYMENT TO CLAIMS FUNDING INTERNATIONAL

63. On May 17, 2012, the Court approved a litigation funding agreement between the plaintiffs in the Ontario Class Action and CFI.

64. The litigation funding agreement provides that CFI would pay \$50,000 towards disbursements and indemnify the plaintiffs in the event of any adverse costs in the Ontario action. In return, if there is a settlement or judgment, CFI is reimbursed for disbursements paid and receives 5% of the net proceeds of the settlement or judgment, up to a maximum of \$5 million if arrived at before the filing of the pre-trial brief. The entitlement increases to 7% with a \$10 million maximum if there is a settlement or judgment on or after the filing of the pre-trial brief.

65. The Settlement Approval Order provides for a payment to CFI from the settlement proceeds. The amount to be paid is set out in the court-approved funding agreement. Attached as **Exhibit "E"** is the order and reasons of Perell J. approving the funding agreement. Attached as **Exhibit "F"** is the funding agreement.

66. The exact amount of payment to CFI would be determined once the claims administrator has determined the net settlement fund to be distributed among Securities Claimants. Class Counsel anticipate that the payment to CFI will be less than \$5,000,000.

III. OVERVIEW

3. From the time of its establishment in 1994, Sino has claimed to be a legitimate business operating in the commercial forestry industry in the PRC and elsewhere. Throughout that period, Sino has also claimed to have experienced breathtaking growth.

4. Beguiled by Sino's reported results, and by Sino's constant refrain that China constituted an extraordinary growth opportunity, investors drove Sino's stock price dramatically higher, as appears from the following chart:

5. The Defendants profited handsomely from the market's appetite for Sino's securities. Certain of the Individual Defendants sold Sino shares at lofty prices, and thereby reaped millions of dollars of gains. Sino's senior management also used Sino's illusory success to justify their lavish salaries, bonuses and other perks. For certain of the Individual Defendants, these outsized gains were not enough. Sino stock options granted to Chan, Horsley and other insiders were backdated or otherwise mispriced, prior to and during the Class Period, in violation of the TSX Rules, GAAP and the Securities Legislation.

6. Sino itself raised in excess of \$2.7 billion¹ in the capital markets during this period. Meanwhile, the Underwriters were paid lucrative underwriting commissions, and BDO, E&Y and Pöyry garnered millions of dollars in fees to bless Sino's reported results and assets. To their great detriment, the Class Members relied upon these supposed gatekeepers.

7. As a reporting issuer in Ontario and elsewhere, Sino was required at all material times to comply with GAAP. Indeed, Sino, BDO and E&Y, Sino's auditors during the Class Period and previously, repeatedly misrepresented that Sino's financial statements complied with GAAP. This was false.

8. On June 2, 2011, Muddy Waters, a short seller and research firm with extensive PRC experience, issued its first research report in relation to Sino, and unveiled the scale of the deception that had been worked upon the Class Members. Muddy Waters' initial report effectively revealed, among other things, that Sino had materially misstated its financial results, had falsely claimed to have acquired trees that it did not own, had reported sales that had not been made, or that had been made in a manner that did not permit Sino to book those sales as revenue under GAAP, and had concealed numerous related party transactions. These revelations had a catastrophic effect on Sino's stock price.

9. On June 1, 2011, prior to the publication of Muddy Waters' report, Sino's common shares closed at \$18.21. After the Muddy Waters report became public, Sino shares fell to \$14.46 on the TSX (a decline of 20.6%), at which point trading was halted. When trading resumed the next day, Sino's shares fell to a close of \$5.23 (a decline of 71.3% from June 1).

10. On June 3, 2011, Sino announced that, in response to the allegations of Muddy Waters, its board had formed a committee, which Sino then falsely characterized as "independent" (the

¹ Dollar figures are in Canadian dollars (unless otherwise indicated) and are rounded for convenience.

“**Independent Committee**” or “**IC**”), to examine and review the allegations contained in the Muddy Waters’ report of June 2, 2011. The initial members of the IC were the Defendants Ardell, Bowland and Hyde. The IC subsequently retained legal, accounting and other advisers to assist it in the fulfillment of its mandate.

11. On August 26, 2011, the OSC issued a cease-trade order in respect of Sino’s securities, alleging that Sino appeared to have engaged in significant non-arm’s length transactions which may have been contrary to Ontario securities laws and the public interest, that Sino and certain of its officers and directors appeared to have misrepresented some of Sino’s revenue and/or exaggerated some of its timber holdings, and that Sino and certain of its officers and directors, including Chan, appeared to be engaging or participating in acts, practices or a course of conduct related to Sino’s securities which they (or any of them) knew or ought reasonably know would perpetuate a fraud.

12. On November 13, 2011, the IC released the Second Report. Therein, the IC revealed, *inter alia*, that: (1) Sino’s management had failed to cooperate in numerous important respects with the IC’s investigation; (2) “there is a risk” that certain of Sino’s operations “taken as a whole” were in violation of PRC law; (3) Sino adopted processes that “avoid[] Chinese foreign exchange controls which must be complied with in a normal cross-border sale and purchase transaction, and [which] could present an obstacle to future repatriation of sales proceeds, and could have tax implications as well”; (4) the IC “has not been able to verify that any relevant income taxes and VAT have been paid by or on behalf of the BVIs in China”; (5) Sino lacked proof of title to the vast majority of its purported holdings of standing timber; (6) Sino’s “transaction volumes with a number of AI and Suppliers do not match the revenue reported by such Suppliers in their SAIC filing”; (7) “[n]one of the BVI timber purchase contracts have as

attachments either (i) Plantation Rights Certificates from either the Counterparty or original owner or (ii) villager resolutions, both of which are contemplated as attachments by the standard form of BVI timber purchase contract employed by the Company; and (8) “[t]here are indications in emails and in interviews with Suppliers that gifts or cash payments are made to forestry bureaus and forestry bureau officials.”

13. On January 31, 2012, the IC released its Final Report. Therein, the IC effectively revealed that, despite having conducted an investigation over nearly eight months, and despite the expenditure of US\$50 million on that investigation, it had failed to refute, or even to provide plausible answers to, key allegations made by Muddy Waters:

This Final Report of the IC sets out the activities undertaken by the IC since mid-November, the findings from such activities and the IC’s conclusions regarding its examination and review. The IC’s activities during this period have been limited as a result of Canadian and Chinese holidays (Christmas, New Year and Chinese New Year) and the extensive involvement of IC members in the Company’s Restructuring and Audit Committees, both of which are advised by different advisors than those retained by the IC. The IC believes that, notwithstanding there remain issues which have not been fully answered, the work of the IC is now at the point of diminishing returns because much of the information which it is seeking lies with non-compellable third parties, may not exist or is apparently not retrievable from the records of the Company.

[...]

Given the circumstances described above, the IC understands that, with the delivery of this Final Report, its review and examination activities are terminated. The IC does not expect to undertake further work other than assisting with responses to regulators and the RCMP as required and engaging in such further specific activities as the IC may deem advisable or the Board may instruct. The IC has asked the IC Advisors to remain available to assist and advise the IC upon its instructions

14. Sino failed to meet the standards required of a public company in Canada. Aided by its auditors and the Underwriters, Sino raised billions of dollars from investors on the false premise that they were investing in a well managed, ethical and GAAP-compliant corporation. They

were not. Accordingly, this action is brought to recover the Class Members' losses from those who caused them: the Defendants.

In addition, Chan, Poon, Horsley, Martin,

Mak and Murray were unjustly enriched in the manner and to the extent particularized below while they were acting in their capacity as fiduciaries, and in violation of their fiduciary duties.

46. At all material times, Sino maintained the Code, which governed Sino's employees, officers and directors, including the Individual Defendants. The Code stated that the members of senior management "are expected to lead according to high standards of ethical conduct, in both words and actions..." The Code further required that Sino representatives act in the best interests of shareholders, corporate opportunities not be used for personal gain, no one trade in Sino securities based on undisclosed knowledge stemming from their position or employment with Sino, the company's books and records be honest and accurate, conflicts of interest be avoided, and any violations or suspected violations of the Code, and any concerns regarding accounting, financial statement disclosure, internal accounting or disclosure controls or auditing matters, be reported.

47. E&Y has been engaged as Sino's auditor since August 13, 2007. E&Y was also engaged as Sino's auditor from Sino's creation through February 19, 1999, when E&Y abruptly resigned during audit season and was replaced by the now-defunct Arthur Andersen LLP. E&Y was also Sino's auditor from 2000 to 2004, when it was replaced by BDO. E&Y is an expert of Sino within the meaning of the Securities Legislation.

48. E&Y, in providing what it purported to be "audit" services to Sino, made statements that it knowingly intended to be, and which were, disseminated to Sino's current and prospective security holders. At all material times, E&Y was aware of that class of persons, intended to and did communicate with them, and intended that that class of persons would rely on E&Y's statements relating to Sino, which they did to their detriment.

49. E&Y consented to the inclusion in the June 2009 and December 2009 Prospectuses, as well as the July 2008, June 2009, December 2009 and October 2010 Offering Memoranda, of its audit reports on Sino's Annual Financial Statements for various years, as alleged more particularly below.

50. BDO is the successor of BDO McCabe Lo Limited, the Hong Kong, China based auditing firm that was engaged as Sino's auditor during the period of March 21, 2005 through August 12, 2007, when they resigned at Sino's request, and were replaced by E&Y. BDO is an expert of Sino within the meaning of the Securities Legislation.

51. During the term of its service as Sino's auditor, BDO provided what it purported to be "audit" services to Sino, and in the course thereof made statements that it knowingly intended to be, and which were, disseminated to Sino's current and prospective security holders. At all material times, BDO was aware of that class of persons, intended to and did communicate with them, and intended that that class of persons rely on BDO's statements relating to Sino, which they did to their detriment.

52. BDO consented to the inclusion in each of the June 2007 and December 2009 Prospectuses and the July 2008, June 2009 and December 2009 Offering Memoranda, of its audit reports on Sino's Annual Financial Statements for 2005 and 2006.

53. E&Y and BDO's annual Auditors' Report was made "to the shareholders of Sino-Forest corporation," which included the Class Members. Indeed, s. 1000.11 of the Handbook of the Canadian Institute of Chartered Accountants states that "the objective of financial statements for profit-oriented enterprises focuses primarily on the information needs of *investors and creditors*" [emphasis added].

54. Sino's shareholders, including numerous Class Members, appointed E&Y as auditors of Sino-Forest by shareholder resolutions passed on various dates, including on June 21, 2004, May 26, 2008, May 25, 2009, May 31, 2010 and May 30, 2011.

55. Sino's shareholders, including numerous Class Members, appointed BDO as auditors of Sino-Forest by resolutions passed on May 16, 2005, June 5, 2006 and May 28, 2007.

56. During the Class Period, with the knowledge and consent of BDO or E&Y (as the case may be), Sino's audited annual financial statements for the years ended December 31, 2006, 2007, 2008, 2009 and 2010, together with the report of BDO or E&Y thereon (as the case may be), were presented to the shareholders of Sino (including numerous Class Members) at annual meetings of such shareholders held in Toronto, Canada on, respectively, May 28, 2007, May 26, 2008, May 25, 2009, May 31, 2010 and May 30, 2011. As alleged elsewhere herein, all such financial statements constituted Impugned Documents.

57. Pöyry is an international forestry consulting firm which purported to provide certain forestry consultation services to Sino. Pöyry is an expert of Sino within the meaning of the Securities Legislation.

58. Pöyry, in providing what it purported to be "forestry consulting" services to Sino, made statements that it knowingly intended to be, and which were, disseminated to Sino's current and prospective security holders. At all material times, Pöyry was aware of that class of persons, intended to and did communicate with them, and intended that that class of persons would rely on Pöyry's statements relating to Sino, which they did to their detriment.

59. Pöyry consented to the inclusion in the June 2007, June 2009 and December 2009 Prospectuses, as well as the July 2008, June 2009, December 2009 and October 2010 Offering Memoranda, of its various reports, as detailed below in paragraph ●.

60. The Underwriters are various financial institutions who served as underwriters in one or more of the Offerings.

61. In connection with the distributions conducted pursuant to the June 2007, June 2009 and December 2009 Prospectuses, the Underwriters who underwrote those distributions were paid, respectively, an aggregate of approximately \$7.5 million, \$14.0 million and \$14.4 million in underwriting commissions. In connection with the offerings of Sino's notes in July 2008, December 2009, and October 2010, the Underwriters who underwrote those offerings were paid, respectively, an aggregate of approximately US\$2.2 million, US\$8.5 million and \$US6 million. Those commissions were paid in substantial part as consideration for the Underwriters' purported due diligence examination of Sino's business and affairs.

62. None of the Underwriters conducted a reasonable investigation into Sino in connection with any of the Offerings. None of the Underwriters had reasonable grounds to believe that there was no misrepresentation in any of the Impugned Documents. In the circumstances of this case, including the facts that Sino operated in an emerging economy, Sino had entered Canada's capital markets by means of a reverse merger, and Sino had reported extraordinary results over an extended period of time that far surpassed those reported by Sino's peers, the Underwriters all ought to have exercised heightened vigilance and caution in the course of discharging their duties to investors, which they did not do. Had they done so, they would have uncovered Sino's true nature, and the Class Members to whom they owed their duties would not have sustained the losses that they sustained on their Sino investments.

VI. THE MISREPRESENTATIONS

- A. Sino's history and fraudulent origins;
- B. Sino's forestry assets;
- C. Sino's related party transactions;

- D. Sino's relationships with forestry bureaus and its purported title to forestry assets in the PRC;

- A. *Misrepresentations relating to Sino's History and Fraudulent Origins*
- (i) *Sino Overstates the Value of, and the Revenues Generated by, the Leizhou Joint Venture*

71. At the time of its founding by way of reverse merger in 1994, Sino's business was conducted primarily through an equity joint venture between Sino's Hong Kong subsidiary, Sino-Wood Partners, Limited ("Sino-Wood"), and the Leizhou Forestry Bureau, which was situated in Guangdong Province in the south of the PRC. The name of the venture was Zhanjiang Leizhou Eucalyptus Resources Development Co. Ltd. ("**Leizhou**"). The stated purpose of Leizhou, established in 1994, was:

Managing forests, wood processing, the production of wood products and wood chemical products, and establishing a production facility with an annual production capacity of 50,000 m³ of Micro Density Fiber Board (MDF), managing a base of 120,000 mu (8,000 ha) of which the forest annual utilization would be 8,000 m³.

72. There are two types of joint ventures in the PRC relevant to Sino: equity joint ventures ("**EJV**") and cooperating joint ventures ("**CJV**"). In an EJV, profits and assets are distributed in proportion to the parties' equity holdings upon winding up. In a CJV, the parties may contract to divide profits and assets disproportionately to their equity interests.

73. According to a Sino prospectus issued in January 1997, Leizhou, an EJV, was responsible for 20,000 hectares of the 30,000 hectares that Sino claimed to have "phased-in." Leizhou was the key driver of Sino's purported early growth.

74. Sino claimed to hold 53% of the equity in Leizhou, which was to total US\$10 million, and Sino further claimed that the Leizhou Forestry Bureau was to contribute 20,000 ha of forestry land. In reality, however, the terms of the EJV required the Leizhou Forestry Bureau to contribute a mere 3,533 ha.

75. What was also unknown to investors was that Leizhou did not generate the sales claimed by Sino. More particularly, in 1994, 1995 and 1996, respectively, Sino claimed to have generated US\$11.3 million, US\$23.9 million and US\$23.1 million in sales from Leizhou. In reality, however, these sales did not occur, or were materially overstated.

76. Indeed, in an undisclosed letter from Leizhou Forestry Bureau to Zhanjiang City Foreign and Economic Relations and Trade Commission, dated February 27, 1998, the Bureau complained:

To: Zhanjiang Municipal Foreign Economic Relations & Trade Commission

Through mutual consultation between Leizhou Forestry Administration (hereinafter referred to as *our side*) and Sino-Wood Partners Limited (hereinafter referred to as the *foreign party*), and, with the approval document ZJMPZ No.021 [1994] issued by your commission on 28th January 1994 for approving the contracts and articles of association entered into by both parties, and, with the approval certificate WJMZHZZZ No.065 [1994] issued by your commission, both parties jointly established Zhanjiang Eucalyptus Resources Development Co. Ltd. (hereinafter referred to as the Joint Venture) whose incorporate number is 162622-0012 and duly registered the same with Zhanjiang Administration for Industry and Commerce and obtained the business license GSQHYZ No.00604 on 29th January in the same year. It has been 4 years since the registration and we set out the situation as follows:

I. Information of the investment of both sides

- A. The investment of our side: according to the contract and articles of association signed by both sides and approved by your commission, our side has paid in RMB95,481,503.29 (equivalent to USD11,640,000.00) to the Joint Venture on 20th June 1995 through an in-kind contribution. The payment was made in accordance with the prescribed procedures and confirmed by signatures of the legal representatives of both parties. According to the Capital Verification Report from Yuexi (粤西) Accounting Firm, this payment accounts for 99.1% of the agreed capital contribution from our side, which is USD11,750,000, and accounts for 46.56% of the total investment.
- B. The investment of the foreign party: the foreign party has paid in USD1,000,000 on 16th March 1994, which was in the starting period of the Joint Venture. According to the Capital Verification Report from Yuexi (粤西) Accounting Firm, this payment only accounts for 7.55% of the agreed capital contribution from the foreign party totaling USD13,250,000, and accounts for 4% of the total investment. Then, in the prescribed investment period, the foreign party did not further pay capital into the Joint Venture. In view of this, your commission sent a "Notice on Time for Capital Contribution" to the foreign party on 30th January 1996. In accordance with the notice, the foreign party then on 10th April sent a letter to your commission, requesting for postponing the deadline for capital contribution to 20th December the same year. On 14th May 1996, your commission replied to Allen Chan (陈德源), the Chairman of the Joint Venture, stating that "postponement of the deadline for capital contribution is subject to the consent of our side and requires amendment of the term on the capital contribution time in the original contract, and both parties shall sign a bilateral supplementary contract; after the application has been approved, the postponed deadline will become effective.". Based on the spirit of the letter dated 14th May from your commission and for the purpose of achieving mutual communication and dealing with the issues of the Joint Venture actively and appropriately, on 11th June 1996, Chan Shixing (陈识兴) and two other Directors from our side sent a joint letter to Allen Chan (陈德源), the Chairman of the Joint Venture, to propose a meeting of the board to be convened before 30th June 1996 in Zhanjiang, in order to discuss how to deal with the issues of the Joint Venture in accordance with the relevant State provisions. Unfortunately, the foreign party neither had discussion with our side pursuant to your commission's letter, nor replied to the proposal of our side, and furthermore failed to make payment to the Joint Venture. Now, it has been two years beyond the deadline for capital contribution (29th January 1996), and more than one year beyond the date prescribed by the Notice on Time for Capital Contribution issued by your commission (30th April 1996). However, the foreign party has been evading the discussion of the capital contribution issue, and moreover has taken no further action.

II. *The Joint Venture is not capable of attaining substantial operation*

According to the contract and articles of association, the main purposes of setting up the Joint Venture are, on the one hand, to invest and construct a project producing 50,000 cubic meter Medium Density Fiberboard (MDF) a year; and on the other hand, to create a forest base of 120,000 mu, with which to produce 80,000 cubic meter of timber as raw material for the production of medium density fiberboard. The contract and articles of association also prescribed that the whole funding required for the MDF board project should be paid by the foreign party in cash; our side should pay in-kind the proportion of the fund prescribed by the contract. *After contributing capital of USD1,000,000 in the early stage, the foreign party not only failed to make subsequent capital contributions, but also in their own name successively withdrew a total amount of RMB4,141,045.02, from the funds they contributed, of which USD270,000 was paid to Huadu Baixing Wood Products Factory (花都市百兴木制品厂), which has no business relationship with the Joint Venture. This amount of money equals 47.6% of [the foreign party's] paid in capital. Although our side has almost paid off the agreed capital contribution (only short 0.9% of the total committed), due to the limited contribution from the foreign party and the fact that they withdrew a huge amount of money from those funds originally contributed by them, it is impossible for the Joint Venture to construct or set up production projects and to commence production operation while the funds have been insufficient and the foreign party did not pay in the majority of the subscribed capital. In fact, the Joint Venture therefore is merely a shell, existing in name only.*

Additionally, after the establishment of the Joint Venture, its internal operations have been extremely abnormal, for example, annual board meetings have not been held as scheduled; annual reports on the status and the results of the annual financial audit are missing; the withdrawal of the huge amount of funds by the foreign party was not discussed in the board meetings, etc. It is hard to list all here.

In light of the present state of contributions by both sides and the status of the Joint Venture from its establishment till now, our side now applies to your commission for:

1. The cancellation of the approval certificate for "Zhanjiang Eucalyptus Resources Development Co. Ltd.", i.e. WJMZHZZZ No. 065[1994], based on the relevant provisions of Certain Regulations on the Subscription of Capital by the Parties to Sino-Foreign Joint Equity Enterprises,

2. Direct the Joint Venture to complete the deregistration procedures for "Zhanjiang Eucalyptus Resources Development Co. Ltd." at the local Administration for Industry and Commerce, and for the return of its business license.
3. Coordination with both parties to resolve the relevant remaining issues.

Please let us have your reply on whether the above is in order.

The Seal of the Leizhou Forestry Bureau

1998, February 27

[Translation; emphasis added.]

77. In its 1996 Annual Financial Statements, Sino stated:

The \$14,992,000 due from the LFB represents cash collected from the sale of wood chips on behalf of the Leizhou EJV. As originally agreed to by Sino-Wood, the cash was being retained by the LFB to fund the ongoing plantation costs of the Leizhou EJV incurred by the LFB. Sino-Wood and LFB have agreed that the amount due to the Leizhou EJV, after reduction for plantation costs incurred, will be settled in 1997 concurrent with the settlement of capital contributions due to the Leizhou EJV by Sino-Wood.

78. These statements were false, inasmuch as Leizhou never generated such sales. Leizhou was wound-up in 1998.

79. At all material times, Sino's founders, Chan and Poon, were fully aware of the reality relating to Leizhou, and knowingly misrepresented the true status of Leizhou, as well as its true revenues and profits.

(ii) *Sino's Fictitious Investment in SJXT*

80. In Sino's audited financial statements for the year ended December 31, 1997, filed on SEDAR on May 20, 1998 (the "1997 Financial Statements"), Sino stated that, in order to establish strategic partnerships with key local wood product suppliers and to build a strong distribution for the wood-based product and contract supply businesses, it had acquired a 20% equity interest in "Shanghai Jin Xiang Timber Ltd." ("SJXT"). Sino then described SJXT as an

EJV that had been formed in 1997 by the Ministry of Forestry in China, and declared that its function was to organize and manage the first and only official market for timber and log trading in Eastern China. It further stated that the investment in SJXT was expected to provide the Company with good accessibility to a large base of potential customers and companies in the timber and log businesses in Eastern China.

81. There is, in fact, no entity known as “Shanghai Jin Xiang Timber Ltd.” While an entity called “Shanghai Jin Xiang Timber Wholesale Market” does exist, Sino did not have, as claimed in its disclosure documents, an equity stake in that venture.

82. According to the 1997 Audited Annual Financial Statements, the total investment of SJXT was estimated to be US\$9.7 million, of which Sino would be required to contribute approximately US\$1.9 million for a 20% equity interest. The 1997 Audited Annual Financial Statements stated that, as at December 31, 1997, Sino had made capital contributions to SJXT in the amount of US\$1.0 million. In Sino’s balance sheet as at December 31, 1997, the SJXT investment was shown as an asset of \$1.0 million.

83. In October 1998, Sino announced an Agency Agreement with SJXT. At that time, Sino stated that it would provide 130,000 m³ of various wood products to SJXT over an 18 month period, and that, based on then-current market prices, it expected this contract to generate “significant revenue” for Sino-Forest amounting to approximately \$40 million. The revenues that were purportedly anticipated from the SJXT contract were highly material to Sino. Indeed, Sino’s total reported revenues in 1998 were \$92.7 million.

84. In Sino’s Audited Annual Financial Statements for the year ended December 31, 1998, which statements were filed on SEDAR on May 18, 1999 (the “**1998 Financial Statements**”), Sino again stated that, in 1997, it had acquired a 20% equity interest in SJXT, that the total

investment in SJXT was estimated to be US\$9.7 million, of which Sino would be required to contribute approximately \$1.9 million, representing 20% of the registered capital, and that, as at December 31, 1997 and 1998, Sino had made contributions in the amount of US\$1.0 million to SJXT. In Sino's balance sheet as at December 31, 1998, the SJXT investment was again shown as an asset of US\$1.0 million.

85. Sino also stated in the 1998 Audited Annual Financial Statements that, during 1998, the sale of logs and lumber to SJXT amounted to approximately US\$537,000. These sales were identified in the notes to the 1998 Financial Statements as related party transactions.

86. In Sino's Annual Report for 1998, Chan stated that lumber and wood products trading constituted a "promising new opportunity." Chan explained that:

SJXT represents a very significant development for our lumber and wood products trading business. The market is prospering and continues to look very promising. Phase I, consisting of 100 shops, is completed. Phases II and III are expected to be completed by the year 2000. This expansion would triple the size of the Shanghai Timber Market.

The Shanghai Timber Market is important to Sino-Forest as a generator of significant new revenue. In addition to supplying various forest products to the market from our own operations, our direct participation in SJXT increases our activities in sourcing a wide range of other wood products both from inside China and internationally.

The Shanghai Timber Market is also very beneficial to the development of the forest products industry in China because it is the first forest products national sub-market in the eastern region of the country.

[...]

The market also greatly facilitates Sino-Forest's networking activities, enabling us to build new industry relationships and add to our market intelligence, all of which increasingly leverage our ability to act as principal in our dealings.

[Emphasis added.]

87. Chan also stated in the 1998 Annual Report that the “Agency Agreement with SJXT [is] expected to generate approximately \$40 million over 18 months.”

88. In Sino’s Annual Report for 1999, Sino stated:

There are also promising growth opportunities as Sino-Forest’s investment in Shanghai Jin Xiang Timber Ltd. (SJXT or the Shanghai Timber Market), develops. The Company also continues to explore opportunities to establish and reinforce ties with other international forestry companies and to bring our e-commerce technology into operation.

Sino-Forest’s investment in the Shanghai Timber Market — the first national forest products submarket in eastern China — has provided a strong foundation for the Company’s lumber and wood products trading business.

[Emphasis added.]

89. In Sino’s MD&A for the year ended December 31, 1999, Sino also stated that:

Sales from lumber and wood products trading increased 264% to \$34.2 million compared to \$9.4 million in 1998. The increase in lumber and wood products trading is attributable largely to the increase in new business generated from our investment in Shanghai Jin Xiang Timber Ltd. (SJXT) and a larger sales force in 1999. Lumber and wood products trading on an agency basis has increased 35% from \$2.3 million in 1998 to \$3.1 million in 1999. The increase in commission income on lumber and wood products trading is attributable to approximately \$1.8 million of fees earned from a new customer.

[Emphasis added.]

90. That same MD&A, however, also states that “The investment in SJXT has contributed to the significant growth of the lumber and wood products trading business, *which has recorded an increase in sales of 219% from \$11.7 million in 1998 to \$37.2 million in 1999*” (emphasis added).

91. In Sino’s Audited Annual Financial Statements for the year ended December 31, 1999, which statements were filed on SEDAR on May 18, 2000 (the “1999 Financial Statements”), Sino stated:

During the year, Shanghai Jin Xiang Timber Ltd. ["SJXT"] applied to increase *the original total capital contributions of \$868,000* [Chinese renminbi 7.2 million] to \$1,509,000 [Chinese renminbi 12.5 million]. Sino-Wood is required to *make an additional contribution of \$278,000* as a result of the increase in total capital contributions. The additional capital contribution of \$278,000 was made in 1999 *increasing its equity interest in SJXT from 27.8% to 34.4%*. The principal activity of SJXT is to organize trading of timber and logs in the PRC market.

[Emphasis added.]

92. The statements made in the 1999 Financial Statements contradicted Sino's prior representations in relation to SJXT. Among other things, Sino previously claimed to have made a capital contribution of \$1,037,000 for a 20% equity interest in SJXT.

93. In addition, note 2(b) to the 1999 Financial Statements stated that, "[a]s at December 31, 1999, \$796,000...advances to SJXT remained outstanding. The advances to SJXT were unsecured, non-interest bearing and without a fixed repayment date." Thus, assuming that Sino's contributions to SJXT were actually made, then Sino's prior statements in relation to SJXT were materially misleading, and violated GAAP, inasmuch as those statements failed to disclose that Sino had made to SJXT, a related party, a non-interest bearing loan of \$796,000.

94. In Sino's Audited Annual Financial Statements for the year ended December 31, 2000, which statements were filed on SEDAR on May 18, 2000 (the "**2000 Financial Statements**"), Sino stated:

In 1999, Shanghai Jin Xiang Timber Ltd. ("SJXT") applied to increase the original total capital contributions of \$868,000 [Chinese renminbi 7.2 million] to \$1,509,000 [Chinese renminbi 12.5 million]. Sino-Wood is required to make an additional contribution of \$278,000 as a result of the increase in total capital contributions. The additional capital contribution of \$278,000 was made in 1999 increasing its equity interest in SJXT from 27.8% to 34.4%. The principal activity of SJXT is to organize the trading of timber and logs in the PRC market. During the year, advances to SJXT of \$796,000 were repaid.

95. In Sino's balance sheet as at December 31, 2000, the SJXT investment was shown as an asset of \$519,000, being the sum of Sino's purported SJXT investment of \$1,315,000 as at December 31, 1999, and the \$796,000 of "advances" purportedly repaid to Sino by SJXT during the year ended December 31, 2000.

96. In Sino's Annual Reports (including the audited annual financial statements contained therein) for the years 2001 and beyond, there is no discussion whatsoever of SJXT. Indeed, Sino's "promising" and "very significant" investment in SJXT simply evaporated, without explanation, from Sino's disclosure documents. In fact, and unbeknownst to the public, Sino never invested in a company called "Shanghai Jin Xiang Timber Ltd." Chan and Poon knew, or were reckless in not knowing of, that fact.

97. At all material times, Sino's founders, Chan and Poon, were fully aware of the reality relating to SJXT, and knowingly misrepresented the true status of SJXT and Sino's interest therein.

(iii) Sino's Materially Deficient and Misleading Class Period Disclosures regarding Sino's History

98. During the Class Period, the Sino disclosure documents identified below purported to provide investors with an overview of Sino's history. However, those disclosure documents, and indeed all of the Impugned Documents, failed to disclose the material fact that, from its very founding, Sino was a fraud, inasmuch as its purportedly key investments in Leizhou and SJXT were either grossly inflated or fictitious.

99. Accordingly, the statements particularized in paragraphs 100 to 104 below were misrepresentations. The misleading nature of such statements was exacerbated by the fact that, throughout the Class Period, Sino's senior management and Board purported to be governed by

the Code, which touted the “high standards of ethical conduct, in both words and actions”, of Sino’s senior management and Board.

100. In the Prospectuses, Sino described its history, but did not disclose that the SJXT investment was fictitious, or that the revenues generated by Leizhou were non-existent or grossly overstated.

101. In particular, the June 2007 Prospectus stated merely that:

The Corporation was formed under the *Business Corporations Act* (Ontario) upon the amalgamation of Mt. Kearsarge Minerals Inc. and 1028412 Ontario Inc. pursuant to articles of amalgamation dated March 14, 1994. The articles of amalgamation were amended by articles of amendment filed on July 20, 1995 and May 20, 1999 to effect certain changes in the provisions attaching to the Corporation’s class A subordinate-voting shares and class B multiple-voting shares. On June 25, 2002, the Corporation filed articles of continuance to continue under the *Canada Business Corporations Act*. On June 22, 2004, the Corporation filed articles of amendment whereby its class A subordinate-voting shares were reclassified as Common Shares and its class B multiple-voting shares were eliminated.

102. Similarly, the June 2009 Prospectus stated only that:

The Corporation was formed under the *Business Corporations Act* (Ontario) upon the amalgamation of Mt. Kearsarge Minerals Inc. and 1028412 Ontario Inc. pursuant to articles of amalgamation dated March 14, 1994. The articles of amalgamation were amended by articles of amendment filed on July 20, 1995 and May 20, 1999 to effect certain changes in the provisions attaching to the Corporation’s class A subordinate-voting shares and class B multiple-voting shares. On June 25, 2002, the Corporation filed articles of continuance to continue under the *Canada Business Corporations Act*. On June 22, 2004, the Corporation filed articles of amendment whereby its class A subordinate-voting shares were reclassified as Common Shares and its class B multiple-voting shares were eliminated.

103. Finally, the December 2009 Prospectus stated only that:

The Corporation was formed under the *Business Corporations Act* (Ontario) upon the amalgamation of Mt. Kearsarge Minerals Inc. and 1028412 Ontario Inc. pursuant to articles of amalgamation dated March 14, 1994. The articles of amalgamation were amended by articles of amendment filed on July 20, 1995 and May 20, 1999 to effect certain changes in the provisions attaching to the

Corporation's class A subordinate-voting shares and class B multiple-voting shares. On June 25, 2002, the Corporation filed articles of continuance to continue under the *Canada Business Corporations Act* (the "CBCA"). On June 22, 2004, the Corporation filed articles of amendment whereby its class A subordinate-voting shares were reclassified as Common Shares and its class B multiple-voting shares were eliminated.

104. The failure to disclose the true nature of, and/or Sino's revenues and profits from, SJXT and Leizhou in the historical narrative in the Prospectuses rendered those Prospectuses materially false and misleading. Those historical facts would have alerted persons who purchased Sino shares under the Prospectuses, and/or in the secondary markets, to the highly elevated risk of investing in a company that continued to be controlled by Chan and Poon, both of whom were founders of Sino, and both of whom had knowingly misrepresented the true nature of Leizhou and SJXT from the time of Sino's creation. Thus, Sino was required to disclose those historical facts to the Class Members during the Class Period, but failed to do so, either in the Prospectuses or in any other Impugned Document.

B. *Misrepresentations relating to Sino's Forestry Assets*

(i) Sino Overstates its Yunnan Forestry Assets

105. In a press release issued by Sino and filed on SEDAR on March 23, 2007, Sino announced that it had entered into an agreement to sell 26 million shares to several institutional investors for gross proceeds of US\$200 million, and that the proceeds would be used for the acquisition of standing timber, including pursuant to a new agreement to purchase standing timber in Yunnan Province. It further stated in that press release that Sino-Panel (Asia) Inc. ("**Sino-Panel**"), a wholly-owned subsidiary of Sino, had entered on that same day into an agreement with Gengma Dai and Wa Tribes Autonomous Region Forestry Company Ltd., ("**Gengma Forestry**") established in Lincang City, Yunnan Province in the PRC, and that, under that Agreement, Sino-Panel would acquire approximately 200,000 hectares of non-state owned

commercial standing timber in Lincang City and surrounding cities in Yunnan for US\$700 million to US\$1.4 billion over a 10-year period.

106. These same terms of Sino's Agreement with Gengma Forestry were disclosed in Sino's Q1 2007 MD&A. Moreover, throughout the Class Period, Sino discussed its purported Yunnan acquisitions in the Impugned Documents, and Pöyry repeatedly made statements regarding said holdings, as particularized below.

107. The reported acquisitions did not take place. Sino overstated to a material degree the size and value of its forestry holdings in Yunnan Province. It simply does not own all of the trees it claims to own in Yunnan. Sino's overstatement of the Yunnan forestry assets violated GAAP.

108. The misrepresentations about Sino's acquisition and holdings of the Yunnan forestry assets were made in all of the Impugned Documents that were MD&As, financial statements, AIFs, Prospectuses and Offering Memoranda, except for the 2005 Audited Annual Financial Statements, the Q1 2006 interim financial statements, the 2006 Audited Annual Financial Statements, the 2006 Annual MD&A.

(ii) Sino Overstates its Suriname Forestry Assets; Alternatively, Sino fails to Disclose the Material Fact that its Suriname Forestry Assets are contrary to the Laws of Suriname

109. In mid-2010, Sino became a majority shareholder of Greenheart Group Ltd., a Bermuda corporation having its headquarters in Hong Kong, China and a listing on the Hong Kong Stock Exchange ("**Greenheart**").

110. In August 2010, Greenheart issued an aggregate principal amount of US\$25,000,000 convertible notes for gross proceeds of US\$24,750,000. The sole subscriber of these convertible notes was Greater Sino Holdings Limited, an entity in which Murray has an indirect interest. In

addition, Chan and Murray then became members of Greenheart's Board, Chan became the Board's Chairman, and Martin became the CEO of Greenheart and a member of its Board.

111. On August 24, 2010 and December 28, 2010, Greenheart granted to Chan, Martin and Murray options to purchase, respectively, approximately 6.8 million, 6.8 million and 1.1 million Greenheart shares. The options are exercisable for a five-year term.

112. As at March 31, 2011, General Enterprise Management Services International Limited, a company in which Murray has an indirect interest, held 7,000,000 shares of Greenheart, being 0.9% of the total issued and outstanding shares of Greenheart.

113. As a result of the aforesaid transactions and interests, Sino, Chan, Martin and Murray stood to profit handsomely from any inflation in the market price of Greenheart's shares.

114. At all material times, Greenheart purported to have forestry assets in New Zealand and Suriname. On March 1, 2011, Greenheart issued a press release in which it announced that:

Greenheart acquires certain rights to additional 128,000 hectare concession in Suriname

312,000 hectares now under Greenheart management

Hong Kong, March 1, 2011 – Greenheart Group Limited (“Greenheart” or “the Company”) (HKSE: 00094), an investment holding company with forestry assets in Suriname and New Zealand (subject to certain closing conditions) today announced that *the Company has acquired 60% of Vista Marine Services N.V. (“Vista”), a private company based in Suriname, South America that controls certain harvesting rights to a 128,000 hectares hardwood concession. Vista will be rebranded as part of the Greenheart Group. This transaction will increase Greenheart’s concessions under management in Suriname to approximately 312,000 hectares.* The cost of this acquisition is not material to the Company as a whole but the Company is optimistic about the prospects of Vista and the positive impact that it will bring. *The concession is located in the Sipalawini district of Suriname, South America, bordering Lake Brokopondo and has an estimated annual allowable cut of approximately 100,000 cubic meters.*

Mr. Judson Martin, Chief Executive Officer of Greenheart and Vice-Chairman of Sino-Forest Corporation, the Company's controlling shareholder said, "This acquisition is in line with our growth strategy to expand our footprint in Suriname. In addition to increased harvestable area, this acquisition will bring synergies in sales, marketing, administration, financial reporting and control, logistics and overall management. I am pleased to welcome Mr. Ty Wilkinson to Greenheart as our minority partner. Mr. Wilkinson shares our respect for the people of Suriname and the land and will be appointed Chief Executive Officer of this joint venture and be responsible for operating in a sustainable and responsible manner. This acquisition further advances Greenheart's strategy of becoming a global agri-forestry company. We will continue to actively seek well-priced and sustainable concessions in Suriname and neighboring regions in the coming months."

[Emphasis added.]

115. In its 2010 AIF, filed on SEDAR on March 31, 2011, Sino stated:

We hold a majority interest in Greenheart Group which, together with its subsidiaries, owns certain rights and *manages approximately 312,000 hectares of hardwood forest concessions in the Republic of Suriname, South America* ("Suriname") and 11,000 hectares of a radiata pine plantation on 13,000 hectares of freehold land in New Zealand as at March 31, 2011. *We believe that our ownership in Greenheart Group will strengthen our global sourcing network in supplying wood fibre for China in a sustainable and responsible manner.*

[Emphasis added.]

116. The statements reproduced in the preceding paragraph were false and/or materially misleading when made. Under the Suriname *Forest Management Act*, it is prohibited for one company or a group of companies in which one person or company has a majority interest to control more than 150,000 hectares of land under concession. Therefore, either Greenheart's concessions under management in Suriname did not exceed 150,000 hectares, or Greenheart's concessions under management in Suriname violated the laws of Suriname, which was a material fact not disclosed in any of the Impugned Documents.

117. In each of the October 2010 Offering Memorandum, the 2010 Annual MD&A, the 2010 AIF, Sino represented that Greenheart had well in excess of 150,000 hectares of concession

under management in Suriname without however disclosing that Suriname law imposed a limit of 150,000 hectares on Greenheart and its subsidiaries.

118. Finally, Vista's forestry concessions are located in a region of Suriname populated by the Saramaka, an indigenous people. Pursuant to the American Convention on Human Rights and a decision of the Inter-American Court of Human Rights, the Saramaka people must have effective control over their land, including the management of their reserves, and must be effectively consulted by the State of Suriname. Sino has not disclosed in any of the Impugned Documents where it has discussed Greenheart and/or Suriname assets that Vista's purported concessions in Suriname, if they exist at all, are impaired due to the unfulfilled rights of the indigenous people of Suriname, in violation of GAAP. The Impugned Documents that omitted that disclosure were the 2010 Annual MD&A, the 2010 Audited Annual Financial Statements, and the 2010 AIF.

(iii) Sino overstates its Jiangxi Forestry Assets

119. On June 11, 2009, Sino issued a press release in which it stated:

Sino-Forest Corporation (TSX: TRE), a leading commercial forest plantation operator in China, announced today that its wholly-owned subsidiary, Sino-Panel (China) Investments Limited ("Sino-Panel"), has entered into a Master Agreement for the Purchase of Pine and Chinese Fir Plantation Forests (the "Jiangxi Master Agreement") with Jiangxi Zhonggan Industrial Development Company Limited ("Jiangxi Zhonggan"), which will act as the authorized agent for the original plantation rights holders.

Under the Jiangxi Master Agreement, Sino-Panel will, through PRC subsidiaries of Sino-Forest, acquire between 15 million and 18 million cubic metres (m³) of wood fibre located in plantations in Jiangxi Province over a three-year period with a price not to exceed RMB300 per m³, to the extent permitted under the relevant PRC laws and regulations. ***The plantations in which such amount of wood fibre to acquire is between 150,000 and 300,000 hectares*** to achieve an estimated average wood fibre yield of approximately 100 m³ per hectare, and include tree species such as pine, Chinese fir and others. Jiangxi Zhonggan will ensure plantation forests sold to Sino-Panel and its PRC subsidiaries are non-state-owned, non-natural, commercial plantation forest trees.

In addition to securing the maximum tree acquisition price, Sino-Panel has pre-emptive rights to lease the underlying plantation land at a price, permitted under the relevant PRC laws and regulations, not to exceed RMB450 per hectare per annum for 30 years from the

time of harvest. The land lease can also be extended to 50 years as permitted under PRC laws and regulations. The specific terms and conditions of purchasing or leasing are to be determined upon the execution of definitive agreements between the PRC subsidiaries of Sino-Panel and Jiangxi Zhonggan upon the authorisation of original plantation rights holders, and subject to the requisite governmental approval and in compliance with the relevant PRC laws and regulations.

Sino-Forest Chairman and CEO Allen Chan said, “We are fortunate to have been able to capture and support investment opportunities in China’s developing forestry sector by locking up a large amount of fibre at competitive prices. The Jiangxi Master Agreement is Sino-Forest’s fifth, long-term, fibre purchase agreement during the past two years. These five agreements cover a total plantation area of over one million hectares in five of China’s most densely forested provinces.”

[Emphasis added.]

120. According to Sino’s 2010 Annual MD&A, as of December 31, 2010, Sino had acquired 59,700 ha of plantation trees from Jiangxi Zhonggan Industrial Development Company Limited (“**Zhonggan**”) for US\$269.1 million under the terms of the master agreement. (In its interim report for the second quarter of 2011, which was issued after the Class Period, Sino claims that, as at June 30, 2011, this number had increased to 69,100 ha, for a purchase price of US\$309.6 million).

121. However, as was known to Sino, Chan, Poon and Horsley, and as ought to have been known to the remaining Individual Defendants, BDO, E&Y and Pöyry, Sino’s plantation acquisitions through Zhonggan are materially smaller than Sino has claimed.

(iv) Poyry makes Misrepresentations in relation to Sino’s Forestry Assets

122. As particularized above, Sino overstated its forestry assets in Yunnan and Jiangxi Provinces in the PRC and in Suriname. Accordingly, Sino’s total assets are overstated to a material degree in all of the Impugned Documents, in violation of GAAP, and each such statement of Sino’s total assets constitutes a misrepresentation.

123. In addition, during the Class Period, Pöyry and entities affiliated with it made statements that are misrepresentations in regard to Sino's Yunnan Province "assets," namely:

- (a) In a report dated March 14, 2008, filed on SEDAR on March 31, 2008 (the "2008 Valuations"), Pöyry: (a) stated that it had determined the valuation of the Sino forest assets to be US\$3.2 billion as at 31 December 2007; (b) provided tables and figures regarding Yunnan; (c) stated that "Stands in Yunnan range from 20 ha to 1000 ha," that "In 2007 Sino-Forest purchased an area of mixed broadleaf forest in Yunnan Province," that "Broadleaf forests already acquired in Yunnan are all mature," and that "Sino-Forest is embarking on a series of forest acquisitions/expansion efforts in Hunan, Yunnan and Guangxi;" and (d) provided a detailed discussion of Sino's Yunnan "holdings" at Appendixes 3 and 5. Pöyry's 2008 Valuations were incorporated in Sino's 2007 Annual MD&A, amended 2007 Annual MD&A, 2007 AIF, each of the Q1, Q2, and Q3 2008 MD&As, Annual 2008 MD&A, amended Annual 2008 MD&A, each of the Q1, Q2 and Q3 2009, annual 2009 MD&A, and July 2008 and December 2009 Offering Memoranda;
- (b) In a report dated April 1, 2009 and filed on SEDAR on April 2, 2009 (the "2009 Valuations"), Pöyry stated that "[t]he area of forest owned in Yunnan has quadrupled from around 10 000 ha to almost 40 000 ha over the past year," provided figures and tables regarding Yunnan, and stated that "Sino-Forest has increased its holding of broadleaf crops in Yunnan during 2008, with this province containing nearly 99% of its broadleaf resource." Pöyry's 2009 Valuations were incorporated in Sino's 2008 AIF, each of the Q1, Q2, Q3 2009 MD&As, Annual 2009 MD&A, June 2009 Offering Memorandum, and June 2009 and December 2009 Prospectuses;
- (c) In a "Final Report" dated April 23, 2010, filed on SEDAR on April 30, 2010 (the "2010 Valuations"), Pöyry stated that "Guangxi, Hunan and Yunnan are the three largest provinces in terms of Sino-Forest's holdings. The largest change in area by province, both in absolute and relative terms [sic] has been Yunnan, where the

area of forest owned has almost tripled, from around 39 000 ha to almost 106 000 ha over the past year,” provided figures and tables regarding Yunnan, stated that “Yunnan contains 106 000 ha, including 85 000 ha or 99% of the total broadleaf forest,” stated that “the three provinces of Guangxi, Hunan and Yunnan together contain 391 000 ha or about 80% of the total forest area of 491 000 ha” and that “[a]lmost 97% of the broadleaf forest is in Yunnan,” and provided a detailed discussion of Sino’s Yunnan “holdings” at Appendixes 3 and 4. Pöyry’s 2010 Valuations were incorporated in Sino’s 2009 AIF, the annual 2009 MD&A, each of the Q1, Q2 and Q3 2010 MD&As, and the October 2010 Offering Memorandum;

- (d) In a “Summary Valuation Report” regarding “Valuation of Purchased Forest Crops as at 31 December 2010” and dated May 27, 2011, Pöyry provided tables and figures regarding Yunnan, stated that “[t]he major changes in area by species from December 2009 to 2010 has been in Yunnan pine, with acquisitions in Yunnan and Sichuan provinces” and that “[a]nalysis of [Sino’s] inventory data for broadleaf forest in Yunnan, and comparisons with an inventory that Pöyry undertook there in 2008 supported the upwards revision of prices applied to the Yunnan broadleaf large size log,” and stated that “[t]he yield table for Yunnan pine in Yunnan and Sichuan provinces was derived from data collected in this species in these provinces by Pöyry during other work;” and
- (e) In a press release titled “Summary of Sino-Forest’s China Forest Asset 2010 Valuation Reports” and which was “jointly prepared by Sino-Forest and Pöyry to highlight key findings and outcomes from the 2010 valuation reports,” Pöyry reported on Sino’s “holdings” and estimated the market value of Sino’s forest assets on the 754,816 ha to be approximately US\$3.1 billion as at December 31, 2010.

C. *Misrepresentations relating to Sino's Related Party Transactions*

(i) Related Party Transactions Generally

124. Under GAAP and GAAS, a "related party" exists "when one party has the ability to exercise directly or indirectly, control, joint control or significant influence over the other." (CICA Handbook 3840.03) Examples include a parent-subsiary relationship or an entity that is economically dependent upon another.

125. Related parties raise the concern that transactions may not be conducted at arm's length, and pricing or other terms may not be determined at fair market values. For example, when a subsidiary "sells" an asset to its parent at a given price, it may not be appropriate that that asset be reported on the balance sheet or charged against the earnings of the parent at that price. Where transactions are conducted between arm's length parties, this concern is generally not present.

126. The existence of related party transactions is important to investors irrespective of the reported dollar values of the transactions because the transactions may be controlled, manipulated and/or concealed by management (for example, for corporate purposes or because fraudulent activity is involved), and because such transactions may be used to benefit management or persons close to management at the expense of the company, and therefore its shareholders.

(ii) Sino fails to disclose that Zhonggan was a Related Party

127. Irrespective of the true extent of Zhonggan's transactions in Jiangxi forestry plantations, Sino failed to disclose, in violation of GAAP, that Zhonggan was a related party of Sino. More particularly, according to AIC records, the legal representative of Zhonggan is Lam Hong Chiu, who is an executive vice president of Sino. Lam Hong Chiu is also a director and a 50%

shareholder of China Square Industrial Limited, a BVI corporation which, according to AIC records, owns 80% of the equity of Zhonggan.

128. The Impugned Documents that omitted that disclosure were the Q2 2009 MD&A, the Q2 2009 interim financial statements, the Q3 2009 MD&A, the Q3 2009 interim financial statements, the December 2009 Prospectus, the 2009 Annual MD&A, the 2009 Audited Annual Financial Statements, the 2009 AIF, the Q1 2010 MD&A, the Q1 2010 interim financial statements, the Q2 2010 MD&A, the Q2 2010 interim financial statements, the Q3 2010 MD&A, the Q3 2010 interim financial statements, the 2010 Annual MD&A, the 2010 Audited Annual Financial Statements, and the 2010 AIF.

(iii) Sino fails to disclose that Homix was a Related Party

129. On January 12, 2010, Sino issued a press release in which it announced the acquisition by one of its wholly-owned subsidiaries of Homix Limited (“**Homix**”), which it described as a company engaged in research and development and manufacturing of engineered-wood products in China, for an aggregate amount of US\$7.1 million. That press release stated:

HOMIX has an R&D laboratory and two engineered-wood production operations based in Guangzhou and Jiangsu Provinces, covering eastern and southern China wood product markets. The company has developed a number of new technologies with patent rights, specifically suitable for domestic plantation logs including poplar and eucalyptus species. HOMIX specializes in curing, drying and dyeing methods for engineered wood and has the know-how to produce recomposed wood products and laminated veneer lumber. Recomposed wood technology is considered to be environment-friendly and versatile as it uses fibre from forest plantations, recycled wood and/or wood residue. This reduces the traditional use of large-diameter trees from natural forests. There is growing demand for recomposed wood technology as it reduces cost for raw material while increases the utilization and sustainable use of plantation fibre for the production of furniture and interior/exterior building materials.

[...]

Mr. Allen Chan, Sino-Forest’s Chairman & CEO, said, “As we continue to ramp up our replanting programme with improved eucalyptus species, it is important for Sino-Forest to continue investing in the research and development that maximizes all aspects of the

forest product supply chain. Modernization and improved productivity of the wood processing industry in China is also necessary given the country's chronic wood fibre deficit. Increased use of technology improves operation efficiency, and maximizes and broadens the use of domestic plantation wood, which reduces the need for logging domestic natural forests and for importing logs from strained tropical forests. HOMIX has significant technological capabilities in engineered-wood processing."

Mr. Chan added, "By acquiring HOMIX, we intend to use six-year eucalyptus fibre instead of 30-year tree fibre from other species to produce quality lumber using recomposed technology. We believe that this will help preserve natural forests as well as improve the demand for and pricing of our planted eucalyptus trees."

130. Sino's 2009 Audited Annual Financial Statements, Q1/2010 Unaudited Interim Financial Statements, 2010 Audited Annual Financial Statements, the MD&As related to each of the aforementioned financial statements, and Sino's AIFs for 2009 and 2010, each discussed the acquisition of Homix, but nowhere disclosed that Homix was in fact a related party of Sino.

131. More particularly, Hua Chen, a Senior Vice President, Administration & Finance, of Sino in the PRC, and who joined Sino in 2002, is a 30% shareholder of an operating subsidiary of Homix, Jiangsu Dayang Wood Co., Ltd. ("**Jiangsu**")

132. In order to persuade current and prospective Sino shareholders that there was a commercial justification for the Homix acquisition, Sino misrepresented Homix's patent designs registered with the PRC State Intellectual Property Office. In particular, in its 2009 Annual Report, Sino stated:

HOMIX acquisition

In accordance with our strategy to focus on research and development and to improve the end-use of our wood fibre, we acquired HOMIX Ltd. in January 2010 for \$7.1 million. This corporate acquisition is small but strategically important *adding valuable intellectual property rights* and two engineered-wood processing facilities located in Guangdong and Jiangsu Provinces to our operations. *Homix has developed environment-friendly technology, an efficient process using recomposed technology to convert small-diameter plantation logs into building materials and furniture.* Since we plan to grow high volumes of eucalypt and other FGHY species, this acquisition will help us achieve our long-term objectives of maximizing the use of our fibre, supplying a

variety of downstream customers and enhancing economic rural development. [Emphasis added]

133. However, Homix itself then had no patent designs registered with the PRC State Intellectual Property Office. At that time, Homix had two subsidiaries, Jiangsu and Guangzhou Pany Dacheng Wood Co. The latter then had no patent designs registered with the PRC State Intellectual Property Office, while Jiangsu had two patent designs. However, each such design was for wood dyeing, and not for the conversion of small-diameter plantation logs into building materials and furniture.

(iv) Sino fails to disclose that Yunnan Shunxuan was a Related Party

134. In addition, during the Class Period, Sino purportedly purchased approximately 1,600 hectares of timber in Yunnan province from Yunnan Shunxuan Forestry Co. Ltd. Yunnan Shunxuan was part of Sino, acting under a separate label. Accordingly, it was considered a related party for the purposes of the GAAP disclosure requirements, a fact that Sino failed to disclose.

135. The Impugned Documents that omitted that disclosure were the 2009 Annual MD&A, the 2009 Audited Annual Financial Statements, the 2009 AIF, the Q1 2010 MD&A, the Q1 2010 interim financial statements, the Q2 2010 MD&A, the Q2 2010 interim financial statements, the Q3 2010 MD&A, the Q3 2010 interim financial statements, the 2010 Annual MD&A, the 2010 Audited Annual Financial Statements, and the 2010 AIF.

136. Sino's failure to disclose that Yunnan Shunxuan was a related party was a violation of GAAP, and a misrepresentation.

(v) Sino fails to disclose that Yuda Wood was a Related Party

137. Huaihua City Yuda Wood Co. Ltd., based in Huaihua City, Hunan Province ("**Yuda Wood**"), was a major supplier of Sino at material times. Yuda Wood was founded in April 2006

and, from 2007 until 2010, its business with Sino totalled approximately 152,164 Ha and RMB 4.94 billion.

138. During that period, Yuda Wood was a related party of Sino. Indeed, in the Second Report, the IC acknowledged that *“there is evidence suggesting close cooperation [between Sino and Yuda Wood] (including administrative assistance, possible payment of capital at the time of establishment, joint control of certain of Yuda Wood’s RMB bank accounts and the numerous emails indicating coordination of funding and other business activities)”* [emphasis added.]

139. The fact that Yuda Wood was a related party of Sino during the Class Period was a material fact and was required to be disclosed under GAAP, but, during the Class Period, that fact was not disclosed by Sino in any of the Impugned Documents, or otherwise.

(vi) Sino fails to Disclose that Major Suppliers were Related Parties

140. At material times, Sino had at least thirteen suppliers where former Sino employees, consultants or secondees are or were directors, officers and/or shareholders of one or more such suppliers. Due to these and other connections between these suppliers and Sino, some or all of such suppliers were in fact undisclosed related parties of Sino.

141. Including Yuda Wood, the thirteen suppliers referenced above accounted for 43% of Sino’s purported plantation purchases between 2006 and the first quarter of 2011.

142. In none of the Impugned Documents did Sino disclose that any of these suppliers were related parties, nor did it disclose sufficient particulars of its relations with such suppliers as would have enabled the investing public to ascertain that those suppliers were related parties.

D. *Misrepresentations relating to Sino's Relations with Forestry Bureaus and its Purported Title to Forestry Assets in the PRC*

143. In at least two instances during the Class Period, PRC forestry bureau officials were either concurrently or subsequently employees of, or consultants to, Sino. One forestry bureau assigned employees to Sino and other companies to assist in the development of the forestry industry in its jurisdiction.

144. In addition, a vice-chief of the forestry bureau was assigned to work closely with Sino, and while that vice chief still drew a basic salary from the forestry bureau, he also acted as a consultant to Sino in the conduct of Sino's business. This arrangement was in place for several years. That vice-chief appeared on Sino's payroll from January 2007 with a monthly payment of RMB 15,000, which was significant compared with his forestry bureau salary.

145. In addition, at material times, Sino and/or its subsidiaries and/or its suppliers made cash payments and gave "gifts" to forestry bureau officials, which potentially constituted a serious criminal offence under the laws of the PRC. At least some of these payments and gifts were made or given in order to induce the recipients to issue "confirmation letters" in relation to Sino's purported holdings in the PRC of standing timber. These practices utterly compromised the integrity of the process whereby those "confirmation letters" were obtained.

146. Further, a chief of a forestry bureau who had authorized the issuance of confirmations to Sino was arrested due to corruption charges. That forestry bureau had issued confirmations only to Sino and to no other companies. Subsequent to the termination of that forestry bureau chief, that forestry bureau did not issue confirmations to any company.

147. The foregoing facts were material because: (1) they undermined the reliability (if any) of the documentation upon which Sino relied and continues to rely to establish its ownership of

standing timber; and (2) the corruption in which Sino was engaged exposed Sino to potential criminal penalties, including substantial fines, as well as a risk of severe reputational damage in Sino's most important market, the PRC.

148. However, none of these facts was disclosed in any of the Impugned Documents. On the contrary, Sino only made the following disclosure regarding former government officials in its 2007 Annual Report (and in no other Impugned Document), which was materially incomplete, and a misrepresentation:

To ensure successful growth, we have trained and promoted staff from within our organization, and hired knowledgeable people with relevant working experience and industry expertise – some joined us from forestry bureaus in various regions and provinces and/or state-owned tree farms. [...] 4. Based in Heyuan, Guangdong, Deputy GM responsible for Heyuan plantations, previously with forestry bureau; studied at Yangdongxian Dangxiao [Mr. Liang] 5. Based in Hunan, Plantation controller, graduated from Hunan Agricultural University, previously Assistant Manager of state-owned farm trees in Hunan [Mr. Xie].

149. In respect of Sino's purported title to standing timber in the PRC, Sino possessed Plantation Rights Certificates, or registered title, only in respect of 18% of its purported holdings of standing timber as at December 31, 2010, a fact nowhere disclosed by Sino during the Class Period. This fact was highly material to Sino, inasmuch as standing timber comprised a large proportion of Sino's assets throughout the Class Period, and in the absence of Plantation Rights Certificates, Sino could not establish its title to that standing timber.

150. Rather than disclose this highly material fact, Sino made the following misrepresentations in the following Impugned Documents:

- (a) In the 2008 AIF: "*We have obtained the plantation rights certificates or requisite approvals for acquiring the relevant plantation rights for most of the purchased tree plantations and planted tree plantations currently under our management*, and we are in the process of applying for the plantation rights

certificates for those plantations for which we have not obtained such certificates” [emphasis added];

- (b) In the 2009 AIF: “*We have obtained the plantation rights certificates or requisite approvals for acquiring the relevant plantation rights for most of the purchased plantations and planted plantations currently under our management*, and we are in the process of applying for the plantation rights certificates for those plantations for which we have not obtained such certificates” [emphasis added]; and
- (c) In the 2010 AIF: “*We have obtained the plantation rights certificates or requisite approvals for acquiring the relevant plantation rights for most of the purchased plantations and planted plantations currently under our management*, and we are in the process of applying for the plantation rights certificates for those plantations for which we have not obtained such certificates” [emphasis added].

151. In the absence of Plantation Rights Certificates, Sino relies principally on the purchase contracts entered into by its BVI subsidiaries (“BVIs”) in order to demonstrate its ownership of standing timber.

152. However, under PRC law, those contracts are void and unenforceable.

153. In the alternative, if those contracts are valid and enforceable, they are enforceable only as against the counterparties through which Sino purported to acquire the standing timber, and not against the party who has registered title (if any) to the standing timber. Because some or all of those counterparties were or became insolvent, corporate shells or thinly capitalized, then any claims that Sino would have against those counterparties under PRC law, whether for unjust enrichment or otherwise, were of little to no value, and certainly constituted no substitute for registered title to the standing timber which Sino purported to own.

154. Sino never disclosed these material facts during the Class Period, whether in the Impugned Documents or otherwise. On the contrary, Sino made the following misrepresentations in relation to its purported title to standing timber:

- (a) In the July 2008 Offering Memorandum, Sino stated “Based on the relevant purchase contracts and the approvals issued by the relevant forestry bureaus, we legally own our purchased plantations”;
- (b) In the June 2009 Offering Memorandum, Sino stated “Based on the relevant purchase contracts and the approvals issued by the relevant forestry bureaus, we legally own our purchased plantations”;
- (c) In the October 2010 Offering Memorandum, Sino stated “Based on the relevant purchase contracts and the approvals issued by the relevant forestry bureaus, we legally own our purchased plantations”;
- (d) In the 2006 AIF, Sino stated “Based on the supplemental purchase contracts and the plantation rights certificates issued by the relevant forestry departments, we have the legal right to own our purchased tree plantations”;
- (e) In the 2007 AIF, Sino stated “Based on the relevant purchase contracts and the approvals issued by the relevant forestry departments, we have the legal right to own our purchased tree plantations”;
- (f) In the 2008 AIF, Sino stated “Based on the relevant purchase contracts and the approvals issued by the relevant forestry bureaus, we legally own our purchased tree plantations”;

- (g) In the 2009 AIF, Sino stated “Based on the relevant purchase contracts and the approvals issued by the local forestry bureaus, we legally own our purchased plantations”;
- (h) In the December 2009 Offering Memorandum, Sino stated “Based on the relevant purchase contracts and the approvals issued by the local forestry bureaus, we legally own our purchased plantations”; and
- (i) In the 2010 AIF, Sino stated “Based on the relevant purchase contracts and the approvals issued by the relevant forestry bureaus, we legally own our purchased plantations.”

155. In addition, during the Class Period, Sino never disclosed the material fact, belatedly revealed in the Second Report, that “*in practice it is not able to obtain Plantation Rights Certificates for standing timber purchases when no land transfer rights are transferred*” [emphasis added].

156. On the contrary, during the Class Period, Sino made the following misrepresentation in each of the 2006 and 2007 AIFs:

Since 2000, the PRC has been improving its system of registering plantation land ownership, plantation land use rights and plantation ownership rights and its system of issuing certificates to the persons having plantation land use rights, to owners owning the plantation trees and to owners of the plantation land. In April 2000, the PRC State Forestry Bureau announced the “Notice on the Implementation of Nationwide Uniform Plantation Right Certificates” (Lin Zi Fa [2000] No. 159) on April 19, 2000 (the “Notice”). Under the Notice, a new uniform form of plantation rights certificate is to be used commencing from the date of the Notice. ***The same type of new form plantation rights certificate will be issued to the persons having the right to use the plantation land, to persons who own the plantation land and plantation trees, and to persons having the right to use plantation trees.***

[Emphasis added]

157. Under PRC law, county and provincial forestry bureaus have no authority to issue confirmation letters. Such letters cannot be relied upon in a court of law to resolve a dispute and are not a guarantee of title. Notwithstanding this, during the Class Period, Sino made the following misrepresentations:

- (a) In the 2006 AIF: “In addition, for the purchased tree plantations, *we have obtained confirmations from the relevant forestry bureaus that we have the legal right to own the purchased tree plantations for which we have not received certificates*” [emphasis added]; and
- (b) In the 2007 AIF: “For our Purchased Tree Plantations, we have applied for the relevant Plantation Rights Certificates with the competent local forestry departments. As the relevant locations where we purchased our Purchased Tree Plantations have not fully implemented the new form Plantation Rights Certificate, we are not able to obtain all the corresponding Plantation Rights Certificates for our Purchased Tree Plantations. *In this connection, we obtained confirmation on our ownership of our Purchased Tree Plantations from the relevant forestry departments.*” [emphasis added]

E. Misrepresentations relating to Sino's Relationships with its AIs

158. In addition to the misrepresentations alleged above in relation to Sino's AIs, including those alleged in Section VI.C hereof (*Misrepresentations relating to Sino's Related Party Transactions*), Sino made the following misrepresentations during the Class Period in relation to its relationships with its AIs.

(i) Sino Misrepresents the Degree of its Reliance on its AIs

159. On March 30, 2007, Sino issued and filed on SEDAR its 2006 AIF. In that AIF, Sino stated:

...PRC laws and regulations require foreign companies to obtain licenses to engage in any business activities in the PRC. As a result of these requirements, we currently engage in our trading activities through PRC authorized intermediaries that have the requisite business licenses. There is no assurance that the PRC government will not take action to restrict our ability to engage in trading activities through our authorized intermediaries. ***In order to reduce our reliance on the authorized intermediaries, we intend to use a WFOE in the PRC to enter into contracts directly with suppliers of raw timber, and then process the raw timber, or engage others to process raw timber on its behalf, and sell logs, wood chips and wood-based products to customers, although it would not be able to engage in pure trading activities.***

[Emphasis added.]

160. In its 2007 AIF, which Sino filed on March 28, 2008, Sino again declared its intention to reduce its reliance upon AIs.

161. These statements were false and/or materially misleading when made, inasmuch as Sino had no intention to reduce materially its reliance on AIs, because its AIs were critical to Sino's ability to inflate its revenue and net income. Rather, these statements had the effect of mitigating any investor concern arising from Sino's extensive reliance upon AIs.

162. Throughout the Class Period, Sino continued to depend heavily upon AIs for its purported sales of standing timber. In fact, contrary to Sino's purported intention to reduce its reliance on its AIs, Sino's reliance on its AIs in fact *increased* during the Class Period.

(ii) *Sino Misrepresents the Tax-related Risks Arising from its use of AIs*

163. Throughout the Class Period, Sino materially understated the tax-related risks arising from its use of AIs.

164. Tax evasion penalties in the PRC are severe. Depending on whether the PRC authorities seek recovery of unpaid taxes by means of a civil or criminal proceeding, its claims for unpaid tax are subject to either a five- or ten-year limitation period. The unintentional failure to pay taxes is subject to a 0.05% per day interest penalty, while an intentional failure to pay taxes is punishable with fines of up to five times the unpaid taxes, and confiscation of part or all of the criminal's personal properties maybe also imposed.

165. Therefore, because Sino professed to be unable to determine whether its AIs have paid required taxes, the tax-related risks arising from Sino's use of AIs were potentially devastating. Sino failed, however, to disclose these aspects of the PRC tax regime in its Class Period disclosure documents, as alleged more particularly below.

166. Based upon Sino's reported results, Sino's tax accruals in all of its Impugned Documents that were interim and annual financial statements were materially deficient. For example, depending on whether the PRC tax authorities would assess interest at the rate of 18.75% per annum, or would assess no interest, on the unpaid income taxes of Sino's BVI subsidiaries, and depending also on whether one assumes that Sino's AIs have paid no income taxes or have paid 50% of the income taxes due to the PRC, then Sino's tax accruals in its 2007, 2008, 2009 and 2010 Audited Annual Financial Statements were understated by, respectively, US\$10 million to US\$150 million, US\$50 million to US\$260 million, US\$81 million to US\$371 million, and US\$83 million to US\$493 million. Importantly, were one to consider the impact of unpaid taxes other than unpaid income taxes (for example, unpaid value-added taxes), then the amounts by

which Sino's tax accruals were understated in these financial statements would be substantially larger.

167. The aforementioned estimates of the amounts by which Sino's tax accruals were understated also assume that the PRC tax authorities only impose interest charges on Sino's BVI Subsidiaries and impose no other penalties for unpaid taxes, and assume further that the PRC authorities seek back taxes only for the preceding five years. As indicated above, each of these assumptions is likely to be unduly optimistic. In any case, Sino's inadequate tax accruals violated GAAP, and constituted misrepresentations.

168. Sino also violated GAAP in its 2009 Audited Annual Financial Statements by failing to apply to its 2009 financial results the PRC tax guidance that was issued in February 2010. Although that guidance was issued after year-end 2009, GAAP required that Sino apply that guidance to its 2009 financial results, because that guidance was issued in the subsequent events period.

169. Based upon Sino's reported profit margins on its dealings with AIs, which margins are extraordinary both in relation to the profit margins of Sino's peers, and in relation to the limited risks that Sino purports to assume in its transactions with its AIs, Sino's AIs are not satisfying their tax obligations, a fact that was either known to the Defendants or ought to have been known. If Sino's extraordinary profit margins are real, then Sino and its AIs must be dividing the gains from non-payment of taxes to the PRC.

170. During the Class Period, Sino never disclosed the true nature of the tax-related risks to which it was exposed. This omission, in violation of GAAP, rendered each of the following statements a misrepresentation:

- (a) In the 2006 Annual Financial Statements, note 11 [b] “Provision for tax related liabilities” and associated text;
- (b) In the 2006 Annual MD&A, the subsection “Provision for Tax Related Liabilities” in the section “Critical Accounting Estimates,” and associated text;

171. In every Impugned Document that is a financial statement, the line item “Accounts payable and accrued liabilities” and associated figures on the Consolidated Balance Sheets fails to properly account for Sino’s tax accruals and is a misrepresentation, and a violation of GAAP.

172. During the Class Period, Sino also failed to disclose in any of the Impugned Documents that were AIFs, MD&As, financial statements, Prospectuses or Offering Memoranda, the risks relating to the repatriation of its earnings from the PRC. In 2010, Sino added two new sections to its AIF regarding the risk that it would not be able to repatriate earnings from its BVI subsidiaries (which deal with the AIs). The amount of retained earnings that may not be able to be repatriated is stated therein to be US\$1.4 billion. Notwithstanding this disclosure, Sino did not

disclose in these Impugned Documents that it would be unable to repatriate *any* earnings absent proof of payment of PRC taxes, which it has admitted that it lacks.

(iii) *Sino Misrepresents its Accounting Treatment of its AIs*

173. In addition, there are material discrepancies in Sino's descriptions of its accounting treatment of its AIs. Beginning in the 2003 AIF, Sino described its AIs as follows:

Because of the provisions in the Operational Procedures that specify when we and the authorized intermediary assume the risks and obligations relating to the raw timber or wood chips, as the case may be, we treat these transactions for accounting purposes as providing that we take title to the raw timber when it is delivered to the authorized intermediary. Title then passes to the authorized intermediary once the timber is processed into wood chips. ***Accordingly, we treat the authorized intermediaries for accounting purposes as being both our suppliers and customers in these transactions.***

[Emphasis added.]

174. Sino's disclosures were consistent in that regard up to and including Sino's first AIF issued in the Class Period (the 2006 AIF), which states:

Because of the provisions in the Operational Procedures that specify when we and the AI assume the risks and obligations relating to the raw timber or wood chips, as the case may be, we treat these transactions for accounting purposes as providing that we take title to the raw timber when it is delivered to the AI. Title then passes to the AI once the timber is processed into wood chips. ***Accordingly, we treat the AI for accounting purposes as being both our supplier and customer in these transactions.***

[Emphasis added.]

175. In subsequent AIFs, Sino ceased without explanation to disclose whether it treated AIs for accounting purposes as being both the supplier and the customer.

176. Following the issuance of Muddy Waters' report on the last day of the Class Period, however, Sino declared publicly that Muddy Waters was "wrong" in its assertion that, for accounting purposes, Sino treated its AIs as being both supplier and customer in transactions. This claim by Sino implies either that Sino misrepresented its accounting treatment of AIs in its

2006 AIF (and in its AIFs for prior years), or that Sino changed its accounting treatment of its AIs after the issuance of its 2006 AIF. If the latter is true, then Sino was obliged by GAAP to disclose its change in its accounting treatment of its AIs. It failed to do so.

F. *Misrepresentations relating to Sino's Cash Flow Statements*

177. Given the nature of Sino's operations, that of a frequent trader of standing timber, Sino improperly accounted for its purchases of timber assets as "Investments" in its Consolidated Statements Of Cash Flow. In fact, such purchases are "Inventory" within the meaning of GAAP, given the nature of Sino's business.

178. Additionally, Sino violated the GAAP 'matching' principle in treating timber asset purchases as "Investments" and the sale of timber assets as "Inventory": cash flow that came into the company was treated as cash flow from operations, but cash flow that was spent by Sino was treated as cash flow for investments. As a result, "Additions to timber holding" was improperly treated as a "Cash Flows Used In Investing Activities" instead of "Cash Flows From Operating Activities" and the item "Depletion of timber holdings included in cost of sales" should not be included in "Cash Flows From Operating Activities," because it is not a cash item.

179. The effect of these misstatements is that Sino's Cash Flows From Operating Activities were materially overstated throughout the Class Period, which created the impression that Sino was a far more successful cash generator than it was. Such mismatching and misclassification is a violation of GAAP.

180. Cash Flows From Operating Activities are one of the crucial metrics used by the financial analysts who followed Sino's performance. These misstatements were designed to, and did, have the effect of causing such analysts to materially overstate the value of Sino. This material

overstatement was incorporated into various research reports made available to the Class Members, the market and the public at large.

181. Matching is a foundational requirement of GAAP reporting. E&Y and BDO were aware, at all material times, that Sino was required to adhere to the matching principle. If E&Y and BDO had conducted GAAS-complaint audits, they would have been aware that Sino's reporting was not GAAP compliant with regard to the matching principle. Accordingly, if they had conducted GAAS-compliant audits, the statements by E&Y and BDO that Sino's reporting was GAAP-compliant were not only false, but were made, at a minimum, recklessly.

182. Further, at all material times, E&Y and BDO were aware that misstatements in Cash Flows From Operating Activities would materially impact the market's valuation of Sino.

183. Accordingly, in every Impugned Document that is a financial statement, the Consolidated Statements Of Cash Flow are a misrepresentation and, particularly, the Cash Flows From Operating Activities item and associated figures is materially overstated, the "additions to timber holdings" item and figures is required to be listed as Cash Flows From Operating Activities, and the "depletion of timber holdings included in cost of sales" item and figures should not have been included.

G. Misrepresentations relating to Certain Risks to which Sino was exposed

(i) Sino is conducting “business activities” in China

184. At material times, PRC law required foreign entities engaging in “business activities” in the PRC to register to obtain and maintain a license. Violation of this requirement could have resulted in both administrative sanctions and criminal punishment, including banning the unlicensed business activities, confiscating illegal income and properties used exclusively therefor, and/or an administrative fines of no more than RMB 500,000. Possible criminal punishment included a criminal fine from 1 to 5 times the amount of the profits gained.

185. Consequently, were Sino’s BVI subsidiaries to have been engaged in unlicensed in “business activities” in the PRC during the Class Period, they would have been exposed to risks that were highly material to Sino.

186. Under PRC law, the term “business activities” generally encompasses any for-profit activities, and Sino’s BVI subsidiaries were in fact engaged in unlicensed “business activities” in the PRC during the Class Period. However, Sino did not disclose this fact in any of the Impugned Documents, including in its AIFs for 2008-2010, which purported to make full disclosure of the material risks to which Sino was then exposed.

(ii) Sino fails to disclose that no proceeds were paid to it by its AIs

187. In the Second Report, Sino belatedly revealed that:

In practice, proceeds from the Entrusted Sale Agreements are not paid to SF but are held by the AIs as instructed by SF and subsequently used to pay for further purchases of standing timber by the same or other BVIs. The AIs will continue to hold these proceeds until the Company instructs the AIs to use these proceeds to pay for new BVI standing timber purchases. ***No proceeds are directly paid to the Company, either onshore or offshore.***

[Emphasis added]

188. This material fact was never disclosed in any of the Impugned Documents during the Class Period. On the contrary, Sino made the following statements during the Class Period in relation to the proceeds paid to it by its AIs, each of which was materially misleading and therefore a misrepresentation:

- (a) In the 2005 financial statements, Sino stated: “As a result, *the majority* of the accounts receivable arising from sales of wood chips and standing timber are realized through instructing the debtors to settle the amounts payable on standing timber and other PRC liabilities” [emphasis added];
- (b) In the 2006 Annual MD&A, the subsection “Provision for Tax Related Liabilities” in the section “Critical Accounting Estimates,” and associated text;
- (c) In the 2006 financial statements, Sino stated: “As a result, *the majority* of the accounts receivable arising from sales of wood chips and standing timber are realized through instructing the debtors to settle the amounts payable on standing timber and other liabilities denominated in Renminbi” [emphasis added];
- (d) In the 2007 financial statements, Sino stated: “As a result, *the majority* of the accounts receivable arising from sales of standing timber are realized through instructing the debtors to settle the amounts payable on standing timber and other liabilities denominated in Renminbi;”
- (e) In the 2008 financial statements, Sino stated: “As a result, *the majority* of the accounts receivable arising from sales of standing timber are realized through instructing the debtors to settle the amounts payable on standing timber and other liabilities denominated in Renminbi” [emphasis added];
- (f) In the 2009 financial statements, Sino stated: “As a result, *the majority* of the accounts receivable arising from sales of standing timber are realized through instructing the debtors to settle the amounts payable on standing timber and other liabilities denominated in Renminbi” [emphasis added]; and

- (g) In the 2010 financial statements, Sino stated: “As a result, *the majority* of the accounts receivable arising from sales of standing timber are realized through instructing the debtors to settle the amounts payable on standing timber and other liabilities denominated in Renminbi” [emphasis added].

H. *Misrepresentations relating to Sino’s GAAP Compliance and the Auditors’ GAAS Compliance*

(i) Sino, Chan and Horsley misrepresent that Sino complied with GAAP

189. In each of its Class Period financial statements, Sino represented that its financial reporting was GAAP-compliant, which was a misrepresentation for the reasons set out elsewhere herein.

190. In particular, Sino misrepresented in those financial statements that it was GAAP-compliant as follows:

- (a) In the annual statements filed on March 19, 2007, at Note 1: “These consolidated financial statements Sino-Forest Corporation (the “Company”) have been prepared in United States dollars in accordance with Canadian generally accepted accounting principles”;

191. In each of its Class Period MD&As, Sino represented that its reporting was GAAP-compliant, which was a misrepresentation for the reasons set out elsewhere herein.

192. In particular, Sino misrepresented in those MD&As that it was GAAP-compliant as follows:

- (a) In the annual MD&A filed on March 19, 2007: “Except where otherwise indicated, all financial information reflected herein is determined on the basis of Canadian generally accepted accounting principles (GAAP)”;

- (r) In the quarterly MD&A filed on November 10, 2010: “Except where otherwise indicated, all financial information reflected herein is determined on the basis of Canadian Generally Accepted Accounting Principles (“GAAP”)”; and
- (s) In the annual MD&A filed on March 15, 2011: “Except where otherwise indicated, all financial information reflected herein is determined on the basis of Canadian Generally Accepted Accounting Principles (“GAAP”).”

193. In the Offerings, Sino represented that its reporting was GAAP-compliant, which was a misrepresentation for the reasons set out elsewhere herein.

194. In particular, Sino misrepresented in the Offerings that it was GAAP-compliant as follows:

- (a) In the July 2008 Offering Memorandum: “We prepare our financial statements on a consolidated basis in accordance with accounting principles generally accepted in Canada (“Canadian GAAP”)[...],” “Our auditors conduct their audit of our

financial statements in accordance with auditing standards generally accepted in Canada” and “Each of the foregoing reports or financial statements will be prepared in accordance with Canadian generally accepted accounting principles other than for reports prepared for financial periods commencing on or after January 1, 2011 [...]”;

- (b) In the June 2009 Offering Memorandum: “We prepare our financial statements on a consolidated basis in accordance with accounting principles generally accepted in Canada (“Canadian GAAP”)[...],” “Our auditors conduct their audit of our financial statements in accordance with auditing standards generally accepted in Canada,” “The audited and unaudited consolidated financial statements were prepared in accordance with Canadian GAAP,” “Our audited and consolidated financial statements for the years ended December 31, 2006, 2007 and 2008 and our unaudited interim consolidated financial statements for the three-month periods ended March 31, 2008 and 2009 have been prepared in accordance with Canadian GAAP”;
- (c) In the June 2009 Offering Memorandum: “We prepare our financial statements on a consolidated basis in accordance with accounting principles generally accepted in Canada (“Canadian GAAP”)[...],” “Our auditors conduct their audit of our financial statements in accordance with auditing standards generally accepted in Canada” and “The audited and unaudited consolidated financial statements were prepared in accordance with Canadian GAAP”; and
- (d) In the October 2010 Offering Memorandum: “We prepare our financial statements on a consolidated basis in accordance with accounting principles generally accepted in Canada (“Canadian GAAP”)[...],” “Our auditors conduct their audit of our financial statements in accordance with auditing standards generally accepted in Canada,” “The audited and unaudited consolidated financial statements were prepared in accordance with Canadian GAAP,” “Our audited and consolidated financial statements for the years ended December 31, 2007, 2008 and 2009 and our unaudited interim consolidated financial statements for the six-

month periods ended June 30, 2009 and 2010 have been prepared in accordance with Canadian GAAP.”

195. In the Class Period Management’s Reports, Chan and Horsley represented that Sino’s reporting was GAAP-compliant, which was a misrepresentation for the reasons set out elsewhere herein.

196. In particular, Chan and Horsley misrepresented in those Management’s Reports that Sino’s financial statements were GAAP-compliant as follows:

- (a) In the annual statements filed on March 19, 2007 Chan and Horsley stated: “The consolidated financial statements contained in this Annual Report have been prepared by management in accordance with Canadian generally accepted accounting principles”;
- (b) In the annual financial statements filed on March 18, 2008 Chan and Horsley stated: “The consolidated financial statements contained in this Annual Report have been prepared by management in accordance with Canadian generally accepted accounting principles”;
- (c) In the annual financial statements filed on March 16, 2009 Chan and Horsley stated: “The consolidated financial statements contained in this Annual Report have been prepared by management in accordance with Canadian generally accepted accounting principles”;
- (d) In the annual financial statements filed on March 16, 2010 Chan and Horsley stated: “The consolidated financial statements contained in this Annual Report have been prepared by management in accordance with Canadian generally accepted accounting principles”; and
- (e) In the annual financial statements filed on March 15, 2011 Chan and Horsley stated: “The consolidated financial statements contained in this Annual Report

have been prepared by management in accordance with Canadian generally accepted accounting principles.”

(ii) *E&Y and BDO misrepresent that Sino complied with GAAP and that they complied with GAAS*

197. In each of Sino’s Class Period annual financial statements, E&Y or BDO, as the case may be, represented that Sino’s reporting was GAAP-compliant, which was a misrepresentation for the reasons set out elsewhere herein. In addition, in each such annual financial statement, E&Y and BDO, as the case may be, represented that they had conducted their audit in compliance with GAAS, which was a misrepresentation because they did not in fact conduct their audits in accordance with GAAS.

198. In particular, E&Y and BDO misrepresented that Sino’s financial statements were GAAP-compliant and that they had conducted their audits in compliance with GAAS as follows:

- (a) In Sino’s annual financial statements filed on March 19, 2007, BDO stated: “We conducted our audit in accordance with Canadian generally accepted auditing standards” and “In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2006 and 2005 and the results of its operations and its cash flows for the years then ended in accordance with Canadian generally accepted accounting principles”;
- (b) In the June 2007 Prospectus, BDO stated: “We have complied with Canadian generally accepted standards for an auditor’s involvement with offering documents”;
- (c) In Sino’s annual financial statements filed on March 18, 2008, E&Y stated: “We conducted our audit in accordance with Canadian generally accepted auditing standards” and “In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Company as at

December 31, 2007 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles. The financial statements as at December 31, 2006 and for the year then ended were audited by other auditors who expressed an opinion without reservation on those statements in their report dated March 19, 2007”;

- (d) In the July 2008 Offering Memorandum, BDO stated: “We conducted our audit in accordance with Canadian generally accepted auditing standards” and “In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2006 and 2005 and the results of its operations and its cash flows for the years then ended in accordance with Canadian generally accepted accounting principles” and E&Y stated “We conducted our audit in accordance with Canadian generally accepted auditing standards” and “In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2007 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles”;
- (e) In Sino’s annual financial statements filed on March 16, 2009, E&Y stated: “We conducted our audits in accordance with Canadian generally accepted auditing standards” and “In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2008 and 2007 and the results of its operations and its cash flows for the years then ended in accordance with Canadian generally accepted accounting principles”;
- (f) In Sino’s annual financial statements filed on March 16, 2010, E&Y stated: “We conducted our audits in accordance with Canadian generally accepted auditing standards” and “In our opinion, these consolidated financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2009 and 2008 and the results of its operations and its cash flows

for the years then ended in accordance with Canadian generally accepted accounting principles”; and

- (g) In Sino’s annual financial statements filed on March 15, 2011, E&Y stated: “We conducted our audits in accordance with Canadian generally accepted auditing standards.” and “In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Sino-Forest corporation as at December 31, 2010 and 2009 and the results of its operations and cash flows for the years then ended in accordance with Canadian generally accepted accounting principles.”

(iii) *The Market Relied on Sino’s Purported GAAP-compliance and E&Y’s and BDO’s purported GAAS-compliance in Sino’s Financial Reporting*

199. As a public company, Sino communicated the results it claimed to have achieved to the Class Members via quarterly and annual financial results, among other disclosure documents. Sino’s auditors, E&Y and BDO, as the case may be, were instrumental in the communication of Sino’s financial information to the Class Members. The auditors certified that the financial statements were compliant with GAAP and that they had performed their audits in compliance with GAAS. Neither was true.

200. The Class Members invested in Sino’s securities on the critical premise that Sino’s financial statements were in fact GAAP-compliant, and that Sino’s auditors had in fact conducted their audits in compliance with GAAS. Sino’s reported financial results were also followed by analysts at numerous financial institutions. These analysts promptly reported to the market at large when Sino made earnings announcements, and incorporated into their Sino-related analyses and reports Sino’s purportedly GAAP-compliant financial results. These analyses and reports, in turn, significantly affected the market price for Sino’s securities.

201. The market, including the Class Members, would not have relied on Sino's financial reporting had the auditors disclosed that Sino's financial statements were not reliable or that they had not followed the processes that would have amply revealed that those statements were reliable.

VII. CHAN'S AND HORSLEY'S FALSE CERTIFICATIONS

202. Pursuant to National Instrument 52-109, the defendants Chan, as CEO, and Horsley, as CFO, were required at the material times to certify Sino's annual and quarterly MD&As and Financial Statements as well as the AIFs (and all documents incorporated into the AIFs). Such certifications included statements that the filings "do not contain any untrue statement of a material fact or omit to state a material fact required to be stated or that is necessary to make a statement not misleading in light of the circumstances under which it was made" and that the reports "fairly present in all material respects the financial condition, results of operations and cash flows of the issuer."

203. As particularized elsewhere herein, however, the Impugned Documents contained the Representation, which was false, as well as the other misrepresentations alleged above. Accordingly, the certifications given by Chan and Horsley were false and were themselves misrepresentations. Chan and Horsley made such false certifications knowingly or, at a minimum, recklessly.

VIII. THE TRUTH IS REVEALED

204. On June 2, 2011, Muddy Waters issued its initial report on Sino, and stated in part therein:

Sino-Forest Corp (TSE: TRE) is the granddaddy of China RTO frauds. It has always been a fraud – reporting excellent results from one of its early joint ventures – even though, because of TRE’s default on its investment obligations, the JV never went into operation. TRE just lied.

The foundation of TRE’s fraud is a convoluted structure whereby it claims to run most of its revenues through “authorized intermediaries” (“AI”). AIs are supposedly timber trader customers who purportedly pay much of TRE’s value added and income taxes. At the same time, these AIs allow TRE a gross margin of 55% on standing timber merely for TRE having speculated on trees.

The sole purpose of this structure is to fabricate sales transactions while having an excuse for not having the VAT invoices that are the mainstay of China audit work. If TRE really were processing over one billion dollars in sales through AIs, TRE and the AIs would be in serious legal trouble. No legitimate public company would take such risks – particularly because this structure has zero upside.

[...]

On the other side of the books, TRE massively exaggerates its assets. TRE significantly falsifies its investments in plantation fiber (trees). It purports to have purchased \$2.891 billion in standing timber under master agreements since 2006 [...]

[...]

Valuation

Because TRE has \$2.1 billion in debt outstanding, which we believe exceeds the potential recovery, we value its equity at less than \$1.00 per share.

205. Muddy Waters’ report also disclosed that (a) Sino’s business is a fraudulent scheme; (b) Sino systemically overstated the value of its assets; (c) Sino failed to disclose various related party transactions; (d) Sino misstated that it had enforced high standards of governance; (e) Sino misstated that its reliance on the AIs had decreased; (f) Sino misrepresented the tax risk associated with the use of AIs; and (g) Sino failed to disclose the risks relating to repatriation of earnings from PRC.

206. After Muddy Waters’ initial report became public, Sino shares fell to \$14.46, at which point trading was halted (a decline of 20.6% from the pre-disclosure close of \$18.21). When

trading was allowed to resume the next day, Sino's shares fell to a close of \$5.23 (a decline of 71.3% from June 1).

207. On November 13, 2011 Sino released the Second Report in redacted form. Therein, the Committee summarized its findings:

B. Overview of Principal Findings

The following sets out a very high level overview of the IC's principal findings and should be read in conjunction with the balance of this report.

Timber Ownership

[...]

The Company does not obtain registered title to BVI purchased plantations. In the case of the BVIs' plantations, the IC has visited forestry bureaus, Suppliers and AIs to seek independent evidence to establish a chain of title or payment transactions to verify such acquisitions. The purchase contracts, set-off arrangement documentation and forestry bureau confirmations constitute the documentary evidence as to the Company's contractual or other rights. ***The IC has been advised that the Company's rights to such plantations could be open to challenge. However, Management has advised that, to date, it is unaware of any such challenges that have not been resolved*** with the Suppliers in a manner satisfactory to the Company.

Forestry Bureau Confirmations and Plantation Rights Certificates

Registered title, through Plantation Rights Certificates is not available in the jurisdictions (i.e. cities and counties) examined by the IC Advisors for standing timber that is held without land use/lease rights. ***Therefore the Company was not able to obtain Plantation Rights Certificates for its BVIs standing timber assets in those areas.*** In these circumstances, the Company sought confirmations from the relevant local forestry bureau acknowledging its rights to the standing timber.

The IC Advisors reviewed forestry bureau confirmations for virtually all BVIs assets and non-Mandra WFOE purchased plantations held as at December 31, 2010. The IC Advisors, in meetings organized by Management, met with a sample of forestry bureaus with a view to obtaining verification of the Company's rights to standing timber in those jurisdictions. The result of such meetings to date have concluded with the forestry bureaus or related entities having issued new confirmations as to the Company's contractual rights to the Company in respect of 111,177 Ha. as of December 31, 2010 and 133,040 Ha. as of March 31, 2011, and have acknowledged the issuance of existing confirmations issued to the

Company as to certain rights, among other things, in respect of 113,058 Ha. as of December 31, 2010.

Forestry bureau confirmations are not officially recognized documents and are not issued pursuant to a legislative mandate or, to the knowledge of the IC, a published policy. It appears they were issued at the request of the Company or its Suppliers. The confirmations are not title documents, in the Western sense of that term, although the IC believes they should be viewed as comfort indicating the relevant forestry bureau does not dispute SF's claims to the standing timber to which they relate and might provide comfort in case of disputes. The purchase contracts are the primary evidence of the Company's interest in timber assets.

In the meetings with forestry bureaus, the IC Advisors did not obtain significant insight into the internal authorization or diligence processes undertaken by the forestry bureaus in issuing confirmations and, as reflected elsewhere in this report, the IC did not have visibility into or complete comfort regarding the methods by which those confirmations were obtained. It should be noted that several Suppliers observed that SF was more demanding than other buyers in requiring forestry bureau confirmations.

Book Value of Timber

Based on its review to date, the IC is satisfied that the book value of the BVIs timber assets of \$2.476 billion reflected on its 2010 Financial Statements and of SP WFOE standing timber assets of \$298.6 million reflected in its 2010 Financial Statements reflects the purchase prices for such assets as set out in the BVIs and WFOE standing timber purchase contracts reviewed by the IC Advisors. Further, the purchase prices for such BVIs timber assets have been reconciled to the Company's financial statements based on set-off documentation relating to such contracts that were reviewed by the IC. However, *these comments are also subject to the conclusions set out above under "Timber Ownership" on title and other rights to plantation assets.*

The IC Advisors reviewed documentation acknowledging the execution of the set-off arrangements between Suppliers, the Company and AIs for the 2006-2010 period. *However, the IC Advisors were unable to review any documentation of AIs or Suppliers which independently verified movements of cash in connection with such set-off arrangements between Suppliers, the Company and the AIs used to settle purchase prices paid to Suppliers by AIs on behalf of SF.* We note also that the independent valuation referred to in Part VIII below has not yet been completed.

Revenue Reconciliation

As reported in its First Interim Report, the IC has reconciled reported 2010 total revenue to the sales prices in BVIs timber sales contracts, together with macro customer level data from other businesses. However, *the IC was unable to review any documentation of AIs or Suppliers which independently verified movements*

of cash in connection with set-off arrangements used to settle purchase prices paid, or sale proceeds received by, or on behalf of SF.

Relationships

- Yuda Wood: The IC is satisfied that Mr. Huang Ran is not currently an employee of the Company and that Yuda Wood is not a subsidiary of the Company. However, *there is evidence suggesting close cooperation (including administrative assistance, possible payment of capital at the time of establishment, joint control of certain of Yuda Wood's RMB bank accounts and the numerous emails indicating coordination of funding and other business activities)*. Management has explained these arrangements were mechanisms that allowed the Company to monitor its interest in the timber transactions. Further, *Huang Ran (a Yuda Wood employee) has an ownership and/or directorship in a number of Suppliers* (See Section VI.B). The IC Advisors have been introduced to persons identified as influential backers of Yuda Wood but were unable to determine the relationships, if any, of such persons with Yuda Wood, the Company or other Suppliers or AIs. *Management explanations of a number of Yuda Wood-related emails and answers to E&Y's questions are being reviewed by the IC and may not be capable of independent verification.*
- Other: The IC's review has identified other situations which require further review. *These situations suggest that the Company may have close relationships with certain Suppliers, and certain Suppliers and AIs may have cross-ownership and other relationships with each other.* The IC notes that in the interviews conducted by the IC with selected AIs and Suppliers, all such parties represented that they were independent of SF. Management has very recently provided information and analysis intended to explain these situations. The IC is reviewing this material from Management and intends to report its findings in this regard in its final report to the Board. Some of such information and explanations may not be capable of independent verification.
- Accounting Considerations: *To the extent that any of SF's purchase and sale transactions are with related parties for accounting purposes, the value of these transactions as recorded on the books and records of the Company may be impacted.*

[...]

BVI Structure

The BVI structure used by SF to purchase and sell standing timber assets could be challenged by the relevant Chinese authorities as the undertaking of "business activities" within China by foreign companies, which may only be undertaken by entities established within China with the requisite approvals. However, there is no clear definition of what constitutes "business activities" under Chinese law and there are different views among the IC's Chinese counsel and the Company's Chinese counsel as to whether the purchase and sale of timber in China as

undertaken by the BVIs could be considered to constitute “business activities” within China. In the event that the relevant Chinese authorities consider the BVIs to be undertaking “business activities” within China, they may be required to cease such activities and could be subject to other regulatory action. As regularization of foreign businesses in China is an ongoing process, the government has in the past tended to allow foreign companies time to restructure their operations in accordance with regulatory requirements (the cost of which is uncertain), rather than enforcing the laws strictly and imposing penalties without notice. See Section II.B.2

C. Challenges

Throughout its process, the IC has encountered numerous challenges in its attempts to implement a robust independent process which would yield reliable results. Among those challenges are the following:

(a) Chinese Legal Regime for Forestry:

- national laws and policies appear not yet to be implemented at all local levels;
- in practice, none of the local jurisdictions tested in which BVIs hold standing timber appears to have instituted a government registry and documentation system for the ownership of standing timber as distinct from a government registry system for the ownership of plantation land use rights;
- the registration of plantation land use rights, the issue of Plantation Rights Certificates and the establishment of registries, is incomplete in some jurisdictions based on the information available to the IC;
- as a result, *title to standing timber, when not held in conjunction with a land use right, cannot be definitively proven by reference to a government maintained register*; and
- Sino-Forest has requested confirmations from forestry bureaus of its acquisition of timber holdings (excluding land leases) as additional evidence of ownership. Certain forestry bureaus and Suppliers have indicated the confirmation was beyond the typical diligence practice in China for acquisition of timber holdings.

(b) Obtaining Information from Third Parties: For a variety of reasons, all of them outside the control of the IC, it is very difficult to obtain information from third parties in China. These reasons include the following:

- *many of the third parties from whom the IC wanted information (e.g., AIs, Suppliers and forestry bureaus) are not compellable by the Company or Canadian legal processes*;
- third parties appeared to have concerns relating to disclosure of information regarding their operations that could become public or fall into the hands of

Chinese government authorities: *many third parties explained their reluctance to provide requested documentation and information as being “for tax reasons” but declined to elaborate*; and

- awareness of MW allegations, investigations and information gathering by the OSC and other parties, and court proceedings; while not often explicitly articulated, third parties had an awareness of the controversy surrounding SF and a reluctance to be associated with any of these allegations or drawn into any of these processes.

[...]

(e) Corporate Governance/Operational Weaknesses: *Management has asserted that business in China is based upon relationships*. The IC and the IC Advisors have observed this through their efforts to obtain meetings with forestry bureaus, Suppliers and AIs and their other experience in China. The importance of relationships appears to have resulted in dependence on a relatively small group of Management who are integral to maintaining customer relationships, negotiating and finalizing the purchase and sale of plantation fibre contracts and the settlement of accounts receivable and accounts payable associated with plantation fibre contracts. This concentration of authority or lack of segregation of duties has been previously disclosed by the Company as a control weakness. As a result and as disclosed in the 2010 MD&A, senior Management in their ongoing evaluation of disclosure controls and procedures and internal controls over financial reporting, recognizing the disclosed weakness, determined that the design and controls were ineffective. The Chairman and Chief Financial Officer provided annual and quarterly certifications of their regulatory filings. Related to this weakness the following challenges presented themselves in the examination by the IC and the IC Advisors:

- operational and administration systems that are generally not sophisticated having regard to the size and complexity of the Company’s business and in relation to North American practices; including:
 - *incomplete or inadequate record creation and retention practices*;
 - contracts not maintained in a central location;
 - significant volumes of data maintained across multiple locations on decentralized servers;
 - *data on some servers in China appearing to have been deleted on an irregular basis, and there is no back-up system*;
 - no integrated accounting system: accounting data is not maintained on a single, consolidated application, which can require extensive manual procedures to produce reports; and

- a treasury function that was centralized for certain major financial accounts, but was not actively involved in the control or management of numerous local operations bank accounts;
- *no internal audit function* although there is evidence the Company has undertaken and continues to assess its disclosure controls and procedures and internal controls over financial reporting using senior Management and independent control consultants;
- *SF employees conduct Company affairs from time to time using personal devices and non-corporate email addresses* which have been observed to be shared across groups of staff and changed on a periodic and organized basis; this complicated and delayed the examination of email data by the IC Advisors; and
- lack of full cooperation/openness in the ICs examination from certain members of Management.

(f) Complexity, Lack of Visibility into, and Limitations of BVIs Model: *The use of AIs and Suppliers as an essential feature of the BVIs standing timber business model contributes to the lack of visibility into title documentation, cash movements and tax liability since cash settlement in respect of the BVIs standing timber transactions takes place outside of the Company's books.*

(g) Cooperation and openness of the Company's executives throughout the process: From the outset, the IC Advisors sought the full cooperation and support of Allen Chan and the executive management team. Initially, the executive management team appeared ill-prepared to address the IC's concerns in an organized fashion and there was perhaps a degree of culture shock as Management adjusted to the IC Advisors' examination. *In any event, significant amounts of material information, particularly with respect to the relationship with Yuda Wood, interrelationships between AIs and/or Suppliers, were not provided to the IC Advisors as requested.* In late August 2011 on the instructions of the IC, interviews of Management were conducted by the IC Advisors in which documents evidencing these connections were put to the Management for explanation. As a result of these interviews (which were also attended by BJ) the Company placed certain members of Management on administrative leave upon the advice of Company counsel. At the same time the OSC made allegations in the CTO of Management misconduct.

[...]

(h) Independence of the IC Process: *The cooperation and collaboration of the IC with Management (operating under the direction of the new Chief Executive Officer) and with Company counsel in completing certain aspects of the IC's mandate has been noted by the OSC and by E&Y. Both have questioned the degree of independence of the IC from Management as a result of this interaction.* The IC has explained the practical impediments to its work in the context of the distinct business culture (and associated issues of privacy) in the

forestry sector in China in which the Company operates. Cooperation of third parties in Hong Kong and China, including employees, depends heavily on relationships and trust. As noted above, the Company's placing certain members of Management on administrative leave, as well as the OSC's allegations in the CTO, further hampered the IC's ability to conduct its process. As a result, the work of the IC was frequently done with the assistance of, or in reliance on, the new Chief Executive Officer and his Management team and Company counsel. Given that Mr. Martin was, in effect, selected by the IC and BJ was appointed in late June 2011, the IC concluded that, while not ideal, this was a practical and appropriate way to proceed in the circumstances. As evidenced by the increased number of scheduled meetings with forestry bureaus, Suppliers and AIs, and, very recently, the delivery to the IC of information regarding AIs and Suppliers and relationships among the Company and such parties, it is acknowledged that Mr. Martin's involvement in the process has been beneficial. It is also acknowledged that in executing his role and assisting the IC he has had to rely on certain of the members of Management who had been placed on administrative leave.

208. On January 31, 2012, Sino released the Final Report. In material part, it read:

This Final Report of the IC sets out the activities undertaken by the IC since mid-November, the findings from such activities and the IC's conclusions regarding its examination and review. The IC's activities during this period have been limited as a result of Canadian and Chinese holidays (Christmas, New Year and Chinese New Year) and the extensive involvement of IC members in the Company's Restructuring and Audit Committees, both of which are advised by different advisors than those retained by the IC. *The IC believes that, notwithstanding there remain issues which have not been fully answered, the work of the IC is now at the point of diminishing returns because much of the information which it is seeking lies with non-compellable third parties, may not exist or is apparently not retrievable from the records of the Company.*

In December 2011, the Company defaulted under the indentures relating to its outstanding bonds with the result that its resources are now more focused on dealing with its bondholders. This process is being overseen by the Restructuring Committee appointed by the Board. Pursuant to the Waiver Agreement dated January 18, 2012 between the Company and the holders of a majority of the principal amount of its 2014 Notes, the Company agreed, among other things, that the final report of the IC to the Board would be made public by January 31, 2012.

Given the circumstances described above, the IC understands that, with the delivery of this Final Report, its review and examination activities are terminated. the IC does not expect to undertake further work other than assisting with responses to regulators and the RCMP as required and engaging in such further specific activities as the IC may deem advisable or the Board may instruct. The

IC has asked the IC Advisors to remain available to assist and advise the IC upon its instructions.

II. RELATIONSHIPS

The objectives of the IC's examination of the Company's relationships with its AIs and Suppliers were to determine, in light of the MW allegations, if such relationships are arm's length and to obtain, if possible, independent verification of the cash flows underlying the set-off transactions described in Section II.A of the Second Interim Report. ***That the Company's relationships with its AIs and Suppliers be arm's length is relevant to SF's ability under GAAP to:***

- ***book its timber assets at cost in its 2011 and prior years' financial statements, both audited and unaudited***
- ***recognize revenue from standing timber sales as currently reflected in its 2011 and prior years' financial statements, both audited and unaudited.***

A. Yuda Wood

Yuda Wood was founded in April 2006 and was until 2010 a Supplier of SF. Its business with SF from 2007 to 2010 totalled approximately 152,164 Ha and RMB 4.94 billion. Section VI.A and Schedule VI.A.2(a) of the Second Interim Report described the MW allegations relating to Yuda Wood, the review conducted by the IC and its findings to date. The IC concluded that Huang Ran is not currently an employee, and that Yuda Wood is not a subsidiary, of the Company. ***However, there is evidence suggesting a close cooperation between SF and Yuda Wood which the IC had asked Management to explain.*** At the time the Second Interim Report was issued, the IC was continuing to review Management's explanations of a number of Yuda Wood-related emails and certain questions arising therefrom.

Subsequent to the issuance of its Second Interim Report in mid-November, the IC, with the assistance of the IC Advisors, has reviewed the Management responses provided to date relating to Yuda Wood and has sought further explanations and documentary support for such explanations. This was supplementary to the activities of the Audit Committee of SF and its advisors who have had during this period primary carriage of examining Management's responses on the interactions of SF and Yuda Wood. ***While many answers and explanations have been obtained, the IC believes that they are not yet sufficient to allow it to fully understand the nature and scope of the relationship between SF and Yuda Wood. Accordingly, based on the information it has obtained, the IC is still unable to independently verify that the relationship of Yuda Wood is at arm's length to SF.*** It is to be noted that Management is of the view that Yuda Wood is unrelated to SF for accounting purposes. The IC remains satisfied that Yuda is not a subsidiary of SF. Management continues to undertake work related to Yuda

Wood, including seeking documentation from third parties and responding to e-mails where the responses are not yet complete or prepared. Management has provided certain banking records to the Audit Committee that the Audit Committee advises support Management's position that SF did not capitalize Yuda Wood (but that review is not yet completed). The IC anticipates that Management will continue to work with the Audit Committee, Company counsel and E&Y on these issues.

B. Other Relationships

Section VI.B.1 of the Second Interim Report described certain other relationships which had been identified in the course of the IC's preparation for certain interviews with AIs and Suppliers. *These relationships include (i) thirteen Suppliers where former SF employees, consultants or secondees are or have been directors, officers and/or shareholders (including Yuda Wood); (ii) an AI with a former SF employee in a senior position; (iii) potential relationships between AIs and Suppliers; (iv) set-off payments for BVI standing timber purchases being made by companies that are not AIs and other setoff arrangements involving non-AI entities; (v) payments by AIs to potentially connected Suppliers; and (vi) sale of standing timber to an AI potentially connected to a Supplier of that timber. Unless expressly addressed herein, the IC has no further update of a material nature on the items raised above.*

On the instructions of the IC, the IC Advisors gave the details of these possible relationships to Management for further follow up and explanation. Just prior to the Second Interim Report, Management provided information regarding AIs and Suppliers relationships among the Company and such parties.

This information was in the form of a report dated November 10, 2011, subsequently updated on November 21, 2011 and January 20, 2012 (the latest version being the "Kaitong Report") prepared by Kaitong Law Firm ("Kaitong"), a Chinese law firm which advises the Company. The Kaitong Report has been separately delivered to the Board. *Kaitong has advised that much of the information in the Kaitong Report was provided by Management and has not been independently verified by such law firm or the IC.*

[...]

The Kaitong Report generally describes certain relationships amongst AIs and Suppliers and certain relationships between their personnel and Sino-Forest, either identified by Management or through SAIC and other searches. The Kaitong Report also specifically addresses certain relationships identified in the Second Interim Report. The four main areas of information in the Kaitong Report are as follows and are discussed in more detail below:

(i) Backers to Suppliers and AIs: The Kaitong Report explains the concept of "backers" to both Suppliers and AIs. The Kaitong Report suggests that backers are individuals with considerable influence in political, social or business circles,

or all three. The Kaitong Report also states that such backers or their identified main business entities do not generally appear in SAIC filings by the Suppliers or AIs as shareholders thereof and, in most instances, in any other capacity.

(ii) *Suppliers and AIs with Former SF Personnel: The appendices to the Kaitong Report list certain Suppliers that have former SF personnel as current shareholders.*

(iii) Common Shareholders Between Suppliers and AIs: The Kaitong Report states that there are 5 Suppliers and 3 AIs with current common shareholders but there is no cross majority ownership positions between Suppliers and AIs.

(iv) Transactions Involving Suppliers and AIs that have Shareholders in common: The Kaitong Report states that, where SF has had transactions with Suppliers and AIs that have certain current shareholders in common as noted above, the subject timber in those transactions is not the same; that is, the timber which SF buys from such Suppliers and the timber which SF sells to such AIs are located in different counties or provinces.

The IC Advisors have reviewed the Kaitong Report on behalf of the IC. The IC Advisors liaised with Kaitong and met with Kaitong and current and former Management. A description of the Kaitong Report and the IC's findings and comments are summarized below. By way of summary, the Kaitong Report provides considerable information regarding relationships among Suppliers and AIs, and between them and SF, but much of this information related to the relationship of each backer with the associated Suppliers and AIs is not supported by any documentary or other independent evidence. *As such, some of the information provided is unverified and, particularly as it relates to the nature of the relationships with the backers, is viewed by the IC to be likely unverifiable by it.*

1. Backers to Suppliers and AIs

[...]

Given the general lack of information on the backers or the nature and scope of the relationships between the Suppliers or AIs and their respective backers and the absence of any documentary support or independent evidence of such relationships, the IC has been unable to reach any conclusion as to the existence, nature or importance of such relationships. *As a result, the IC is unable to assess the implications, if any, of these backers with respect to SF's relationships with its Suppliers or AIs. Based on its experience to date, including interviews with Suppliers and AIs involving persons who have now been identified as backers in the Kaitong Report, the IC believes that it would be very difficult for the IC Advisors to arrange interviews with either the AIs or Suppliers or their respective backers and, if arranged, that such interviews would yield very little, if any, verifiable information to such advisors.* The IC understands Management is continuing to seek meetings with its AIs and Suppliers with the objective of

obtaining information, to the extent such is available, that will provide further background to the relationships to the Audit Committee.

[...]

2. Suppliers and AIs with Former SF Personnel

The Appendices to the Kaitong Report list the Suppliers with former SF personnel as current shareholders. According to the information previously obtained by the IC Advisors, the identification of former SF personnel indicated in the Kaitong Report to be current shareholders of past or current Suppliers is correct.

(a) Suppliers with former SF personnel

The Kaitong Report, which is limited to examining Suppliers where ex-SF employees are current shareholders as shown in SAIC filings, does not provide material new information concerning Suppliers where former SF employees were identified by the IC in the Second Interim Report as having various past or present connections to current or former Suppliers except that the Kaitong Report provides an explanation of two transactions identified in the Second Interim Report. These involved purchases of standing timber by SF from Suppliers controlled by persons who were employees of SF at the time of these transactions. Neither of the Suppliers have been related to an identified backer in the Kaitong Report. The explanations are similar indicating that neither of the SF employees was an officer in charge of plantation purchases or one of SF's senior management at the time of the transactions. The employees in question were Shareholder #14 in relation to a RMB 49 million purchase from Supplier #18 in December 2007 (shown in SAIC filings to be 100% owned by him) and Shareholder #20 in relation to a RMB 3.3 million purchase from Supplier #23 (shown in SAIC filings to be 70% owned by him) in October 2007. ***The Kaitong Report indicates Shareholder #20 is a current employee of SF who then had responsibilities in SF's wood board production business.***

The IC is not aware that the employees' ownership positions were brought to the attention of the Board at the time of the transactions or, subsequently, until the publication of the Second Interim Report and understands the Audit Committee will consider such information.

(b) AIs with former SF personnel

The Kaitong Report indicates that no SF employees are listed in SAIC filing reports as current shareholders of AIs. Except as noted herein, the IC agrees with this statement. The Kaitong Report does not address the apparent role of an ex-employee Officer #3 who was introduced to the IC as the person in charge of AI #2 by Backer #5 of AI Conglomerate #1. Backer #5 is identified in the Kaitong Report as a backer of two AIs, including AI#2. (The Kaitong Report properly does not include AI #14, as an AI for this purpose, whose 100% shareholder is former SF employee Officer #3. However, the IC is satisfied that the activities of

this entity primarily relate to certain onshoring transactions that facilitated the transfer of SF BVI timber assets to SF WFOE subsidiaries.)

There was one other instance where a past shareholding relationship has been identified between an AI #10 and persons who were previously or are still shown on the SF human resources records, Shareholder #26 and Shareholder #27. Management has explained that such entity sold wood board processing and other assets to SF and that the persons associated with that company consulted with SF after such sale in relation to the purchased wood board processing assets. *Such entity subsequently also undertook material timber purchases as an AI of SF in 2007-2008 over a time period in which such persons are shown as shareholders of such AI in the SAIC filing reviewed (as to 47.5% for Shareholder #26 and as to 52.5% for Shareholder #27). That time period also intersects the time that Shareholder #26 is shown in such human resources records and partially intersects the time that Shareholder #27 is shown on such records. Management has also explained that Shareholder #26 subsequent to the time of such AI sales became an employee of a SF wood board processing subsidiary. Management has provided certain documentary evidence of its explanations. The IC understands that the Audit Committee will consider this matter.*

3. Common Shareholders between Supplier and AIs

The Kaitong Report states that there are 5 Suppliers and 3 AIs that respectively have certain common current shareholders but also states that there is no cross control by those current shareholders of such Suppliers or AIs based on SAIC filings. The Kaitong Report correctly addresses current cross shareholdings in Suppliers and AIs based on SAIC filings but does not address certain other shareholdings. With the exception of one situation of cross control in the past, the IC has not identified a circumstance in the SAIC filings reviewed where the same person controlled a Supplier at the time it controlled a different AI. *The one exception is that from April 2002 to February 2006, AI #13 is shown in SAIC filings as the 90% shareholder of Supplier/AI #14. AI #13 did business with SF BVIs from 2005 through 2007 and Supplier/AI #14 supplied SF BVIs from 2004 through 2006. However, the IC to date has only identified one contract involving timber bought from Supplier/AI #14 that was subsequently sold to AI #13. It involved a parcel of 2,379 Ha. timber sold to AI #13 in December 2005 that originated from a larger timber purchase contract with Supplier/AI #14 earlier that year. Management has provided an explanation for this transaction. The IC understands that the Audit Committee will consider this matter.*

4. Transactions involving Suppliers and AIs with Current Shareholders in Common

The Kaitong Report states that where SF has had transactions with 5 Suppliers and 3 AIs that have current shareholders in common (but no one controlling shareholder) as shown in SAIC filings, the subject timber in the transactions they

each undertook with SF is not the same; that is, the timber which SF buys from the Suppliers and the timber which SF sells to the AIs where the Supplier and AI have a current common shareholder were located in different areas and do not involve the same plots of timber. The Kaitong Report further states that where SF has had transactions with 5 Suppliers and 3 AIs with current shareholders in common as shown in SAIC filings, SF had transactions with those AIs prior to having transactions with those Suppliers, thus SF was not overstating its transactions by buying and selling to the same counterparties.

[...]

The Kaitong Report does not specifically address historical situations involving common shareholders and potential other interconnections between AIs and Suppliers that may appear as a result of the identification of backers. There is generally no ownership connection shown in SAIC filings between backers and the Suppliers and AIs associated with such backers in the Kaitong Report.

[...]

VI. OUTSTANDING MATTERS

As noted in Section I above, the IC understands that with the delivery of this report, its examination and review activities are terminated. The IC would expect its next steps may include only:

- (a) assisting in responses to regulators and RCMP as required; and
- (b) such other specific activities as it may deem advisable or the Board may instruct.

IX. SINO REWARDS ITS EXPERTS

209. Bowland, Hyde and West are former E&Y partners and employees. They served on Sino's Audit Committee but purported to exercise oversight of their former E&Y colleagues. In addition, Sino's Vice-President, Finance (Corporate), Thomas M. Maradin, is a former E&Y employee.

210. The charter of Sino's Audit Committee required that Ardell, Bowland, Hyde and West "review and take action to eliminate all factors that might impair, or be perceived to impair, the independence of the Auditor." Sino's practice of appointing E&Y personnel to its board – and paying them handsomely (for example, Hyde was paid \$163,623 by Sino in 2010, \$115,962 in 2009, \$57,000 in 2008 and \$55,875 in 2007, plus options and other compensation) – undermined the Audit Committee's oversight of E&Y.

211. E&Y's independence was impaired by the significant non-audit fees it was paid during 2008-2010, which total \$712,000 in 2008, \$1,225,000 in 2009 and \$992,000 in 2010.

212. Further, Andrew Fyfe, the former Asia-Pacific President for Pöyry Forestry Industry Ltd, was appointed Chief Operating Officer of Greenheart, and is the director of several Sino subsidiaries. Fyfe signed the Pöyry valuation report dated June 30, 2004, March 22, 2005, March 23, 2006, March 14, 2008 and April 1, 2009.

213. George Ho, Sino's Vice President, Finance (China), is a former Senior Manager of the BDO.

X. THE DEFENDANTS' RELATIONSHIP TO THE CLASS

214. By virtue of their purported accounting, financial and/or managerial acumen and qualifications, and by virtue of their having assumed, voluntarily and for profit, the role of gatekeepers, the Defendants had a duty at common law, informed by the Securities Legislation and/or the *CBCA*, to exercise care and diligence to ensure that the Impugned Documents fairly and accurately disclosed Sino's financial condition and performance in accordance with GAAP.

215. Sino is a reporting issuer and had an obligation to make timely, full, true and accurate disclosure of material facts and changes with respect to its business and affairs.

216. The Individual Defendants, by virtue of their positions as senior officers and/or directors of Sino, owed a duty to the Class Members to ensure that public statements on behalf of Sino were not untrue, inaccurate or misleading. The continuous disclosure requirements in Canadian securities law mandated that Sino provide the Impugned Documents, including quarterly and annual financial statements. These documents were meant to be read by Class Members who acquired Sino's Securities in the secondary market and to be relied on by them in making investment decisions. This public disclosure was prepared to attract investment, and Sino and the Individual Defendants intended that Class Members would rely on public disclosure for that purpose. With respect to Prospectuses and Offering Memoranda, these documents were prepared for primary market purchasers. They include detailed content as mandated under Canadian securities legislation, national instruments and OSC rules. They were meant to be read by the Class Members who acquired Sino's Securities in the primary market, and to be relied on by them in making decisions about whether to purchase the shares or notes under the Offerings to which these Prospectuses and Offering Memoranda related.

217. Chan and Horsley had statutory obligations under Canadian securities law to ensure the accuracy of disclosure documents and provided certifications in respect of the annual reports, financial statements and Prospectuses during the Class Period. The other Individual Defendants were directors of Sino during the Class Period and each had a statutory obligation as a director under the *CBCA* to manage or supervise the management of the business and affairs of Sino. These Individual Defendants also owed a statutory duty of care to shareholders under section 122 of the *CBCA*. In addition, Poon, along with Chan, co-founded Sino and has been its president since 1994. He is intimately aware of Sino's operations and as a long-standing senior officer, he

had an obligation to ensure proper disclosure. Poon authorized, permitted or acquiesced in the release of the Impugned Documents.

218. BDO and E&Y acted as Sino's auditors and provided audit reports in Sino's annual financial statements that were directed to shareholders. These audit reports specified that BDO and E&Y had conducted an audit in accordance with GAAS, which was untrue, and included their opinions that the financial statements presented fairly, in all material respects, the financial position of Sino, the results of operations and Sino's cash flows, in accordance with GAAP. BDO and E&Y knew and intended that Class Members would rely on the audit reports and assurances about the material accuracy of the financial statements.

219. Dundee, Merrill, Credit Suisse, Scotia, CIBC, RBC, Maison, Canaccord and TD each signed one or more of the Prospectuses and certified that, to the best of its knowledge, information and belief, the particular prospectus, together with the documents incorporated therein by reference, constituted full, true and plain disclosure of all material facts relating to the securities offered thereby. These defendants knew that the Class Members who acquired Sino's Securities in the primary market would rely on these assurances and the trustworthiness that would be credited to the Prospectuses because of their involvement. Further, those Class Members that purchased shares under these Prospectuses purchased their shares from these defendants as principals.

220. Credit Suisse USA, TD and Banc of America acted as initial purchasers or dealer managers for one or more of the note Offerings. These defendants knew that persons purchasing these notes would rely on the trustworthiness that would be credited to the Offering Memoranda because of their involvement.

XI. THE PLAINTIFFS' CAUSES OF ACTION

A. *Negligent Misrepresentation*

221. As against all Defendants except Pöyry and the Underwriters, and on behalf of all Class Members who acquired Sino's Securities in the secondary market, the Plaintiffs plead negligent misrepresentation for all of the Impugned Documents except the Offering Memoranda.

222. Labourers and Wong, on behalf of Class Members who purchased Sino Securities in one of the distributions to which a Prospectus related, plead negligent misrepresentation as against Sino, Chan, Horsley, Poon, Wang, Martin, Mak, Murray, Hyde, BDO, E&Y, Dundee, Merrill, Credit Suisse, Scotia, CIBC, RBC, Maison, Canaccord and TD for the Prospectuses.

223. Grant, on behalf of Class Members who purchased Sino Securities in one of the distributions to which an Offering Memorandum related, pleads negligent misrepresentation as against Sino, BDO and E&Y for the Offering Memoranda.

224. In support of these claims, the sole misrepresentation that the Plaintiffs plead is the Representation. The Representation is contained in the language relating to GAAP particularized above, and was untrue for the reasons particularized elsewhere herein.

225. The Impugned Documents were prepared for the purpose of attracting investment and inducing members of the investing public to purchase Sino securities. The Defendants knew and intended at all material times that those documents had been prepared for that purpose, and that the Class Members would rely reasonably and to their detriment upon such documents in making the decision to purchase Sino securities.

226. The Defendants further knew and intended that the information contained in the Impugned Documents would be incorporated into the price of Sino's publicly traded securities

such that the trading price of those securities would at all times reflect the information contained in the Impugned Documents.

227. As set out elsewhere herein, the Defendants, other than Pöyry, Credit Suisse USA and Banc of America, had a duty at common law to exercise care and diligence to ensure that the Impugned Documents fairly and accurately disclosed Sino's financial condition and performance in accordance with GAAP.

228. These Defendants breached that duty by making the Representation as particularized above.

229. The Plaintiffs and the other Class Members directly or indirectly relied upon the Representation in making a decision to purchase the securities of Sino, and suffered damages when the falsity of the Representation was revealed on June 2, 2011.

230. Alternatively, the Plaintiffs and the other Class Members relied upon the Representation by the act of purchasing Sino securities in an efficient market that promptly incorporated into the price of those securities all publicly available material information regarding the securities of Sino. As a result, the repeated publication of the Representation in these Impugned Documents caused the price of Sino's shares to trade at inflated prices during the Class Period, thus directly resulting in damage to the Plaintiffs and Class Members.

B. *Statutory Claims, Negligence, Oppression, Unjust Enrichment and Conspiracy*

(i) Statutory Liability— Secondary Market under the Securities Legislation

231. The Plaintiffs plead the claim found in Part XXIII.1 of the *OSA*, and, if required, the equivalent sections of the Securities Legislation other than the *OSA*, against all Defendants except the Underwriters.

232. Each of the Impugned Documents except for the December 2009 and October 2010 Offering Memoranda is a “Core Document” within the meaning of the Securities Legislation.

233. Each of these Impugned Documents contained one or more misrepresentations as particularized above. Such misrepresentations and the Representation are misrepresentations for the purposes of the Securities Legislation.

234. Each of the Individual Defendants was an officer and/or director of Sino at material times. Each of the Individual Defendants authorized, permitted or acquiesced in the release of some or all of these Impugned Documents.

235. Sino is a reporting issuer within the meaning of the Securities Legislation.

236. E&Y is an expert within the meaning of the Securities Legislation. E&Y consented to the use of its statements particularized above in these Impugned Documents.

237. BDO is an expert within the meaning of the Securities Legislation. BDO consented to the use of its statements particularize above in these Impugned Documents.

238. Pöyry is an expert within the meaning of the Securities Legislation. Pöyry consented to the use of its statements particularized above in these Impugned Documents.

239. At all material times, each of Sino, Chan, Poon and Horsley, BDO and E&Y knew or, in the alternative, was wilfully blind to the fact, that the Impugned Documents contained the Representation and that the Representation was false, and that the Impugned Documents contained other of the misrepresentations that are alleged above to have been contained therein.

(ii) *Statutory Liability – Primary Market for Sino 's Shares under the Securities Legislation*

240. As against Sino, Chan, Horsley, Wang, Martin, Mak, Murray, Hyde, Pöyry, BDO, E&Y, Dundee, Merrill, Credit Suisse, Scotia, CIBC, RBC, Maison, Canaccord and TD, and on behalf

of those Class Members who purchased Sino shares in one of the distributions to which the June 2009 or December 2009 Prospectuses related, Labourers and Wong assert the cause of action set forth in s. 130 of the *OSA* and, if necessary, the equivalent provisions of the Securities Legislation other than the *OSA*.

241. Sino issued the June 2009 and December 2009 Prospectuses, which contained the Representation and the other misrepresentations that are alleged above to have been contained in those Prospectuses or in the Sino disclosure documents incorporated therein by reference.

(iii) Statutory Liability – Primary Market for Sino’s Notes under the Securities Legislation

242. As against Sino, and on behalf of those Class Members who purchased or otherwise acquired Sino’s notes in one of the offerings to which the July 2008, June 2009, December 2009, and October 2010 Offering Memoranda related, Grant asserts the cause of action set forth in s. 130.1 of the *OSA* and, if necessary, the equivalent provisions of the Securities Legislation other than the *OSA*.

243. Sino issued the July 2008, June 2009, December 2009 and October 2010 Offering Memoranda, which contained the Representation and the other misrepresentations that are alleged above to have been contained in those Offering Memoranda or in the Sino disclosure documents incorporated therein by reference.

(iv) Negligence Simpliciter – Primary Market for Sino’s Securities

244. Sino, Chan, Poon, Horsley, Wang, Martin, Mak, Murray, Hyde, BDO, E&Y, Pöyry and the Underwriters (collectively, the “**Primary Market Defendants**”) acted negligently in connection with one or more of the Offerings.

245. As against Sino, Chan, Horsley, Poon, Wang, Martin, Mak, Murray, Hyde, BDO, E&Y, Pöyry, Dundee, Merrill, Credit Suisse, Scotia, CIBC, RBC, Maison, Canaccord and TD, and on

behalf of those Class Members who purchased Sino's Securities in one of the distributions to which those Prospectuses related, Labourers and Wong assert negligence simpliciter.

246. As against Sino, BDO, E&Y, Pöyry, Credit Suisse USA, Banc of America and TD, and on behalf of those Class Members who purchased Sino's Securities in one of the distributions to which the Offering Memoranda related, Grant asserts negligence simpliciter.

247. The Primary Market Defendants owed a duty of care to ensure that the Prospectuses and/or the Offering Memoranda they issued, or authorized to be issued, or in respect of which they acted as an underwriter, initial purchaser or dealer manager, made full, true and plain disclosure of all material facts relating to the Securities offered thereby, or to ensure that their opinions or reports contained in such Prospectuses and Offering Memoranda did not contain a misrepresentation.

248. At all times material to the matters complained of herein, the Primary Market Defendants ought to have known that such Prospectuses or Offering Memoranda and the documents incorporated therein by reference were materially misleading in that they contained the Representation and the other misrepresentations particularized above.

249. Chan, Poon, Horsley, Wang, Martin, Mak, Murray and Hyde were senior officers and/or directors at the time the Offerings to which the Prospectuses related. These Prospectuses were created for the purposes of obtaining financing for Sino's operations. Chan, Horsley, Martin and Hyde signed each of the Prospectuses and certified that they made full, true and plain disclosure of all material facts relating to the shares offered. Wang, Mak and Murray were directors during one or more of these Offerings and each had a statutory obligation to manage or supervise the management of the business and affairs of Sino. Poon was a director for the June 2007 share Offering and was president of Sino at the time of the June 2009 and December 2009 Offering.

Poon, along with Chan, co-founded Sino and has been the president since 1994. He is intimately aware of Sino's business and affairs.

250. The Underwriters acted as underwriters, initial purchasers or dealer managers for the Offerings to which the Prospectuses and Offering Memoranda related. They had an obligation to conduct due diligence in respect of those Offerings and ensure that those Securities were offering at a price that reflected their true value or that such distributions did not proceed if inappropriate. In addition, Dundee, Merrill, Credit Suisse, Scotia, CIBC, RBC, Maison, Canaccord and TD signed one or more of the Prospectuses and certified that to the best of their knowledge, information and belief, the Prospectuses constituted full, true and plain disclosure of all material facts relating to the shares offered.

251. E&Y and BDO acted as Sino's auditors and had a duty to maintain or to ensure that Sino maintained appropriate internal controls to ensure that Sino's disclosure documents adequately and fairly presented the business and affairs of Sino on a timely basis.

252. Pöyry had a duty to ensure that its opinions and reports reflected the true nature and value of Sino's assets. Pöyry, at the time it produced each of the 2008 Valuations, 2009 Valuations, and 2010 Valuations, specifically consented to the inclusion of those valuations or a summary at any time that Sino or its subsidiaries filed any documents on SEDAR or issued any documents pursuant to which any securities of Sino or any subsidiary were offered for sale.

253. The Primary Market Defendants have violated their duties to those Class Members who purchased Sino's Securities in the distributions to which a Prospectus or an Offering Memorandum related.

254. The reasonable standard of care expected in the circumstances required the Primary Market Defendants to prevent the distributions to which the Prospectuses or the Offering Memoranda related from occurring prior to the correction of the Representation and the other misrepresentations alleged above to have been contained in the Prospectuses or the Offering Memoranda, or in the documents incorporated therein by reference. Those Defendants failed to meet the standard of care required by causing the Offerings to occur before the correction of such misrepresentations.

255. In addition, by failing to attend and participate in Sino board and board committee meetings to a reasonable degree, Murray and Poon effectively abdicated their duties to the Class Members and as directors of Sino.

256. Sino, E&Y, BDO and the Individual Defendants further breached their duty of care as they failed to maintain or to ensure that Sino maintained appropriate internal controls to ensure that Sino's disclosure documents adequately and fairly presented the business and affairs of Sino on a timely basis.

257. Had the Primary Market Defendants exercised reasonable care and diligence in connection with the distributions to which the Prospectuses related, then securities regulators likely would not have issued a receipt for any of the Prospectuses, and those distributions would not have occurred, or would have occurred at prices that reflected the true value of Sino's shares.

258. Had the Primary Market Defendants exercised reasonable care and diligence in connection with the distributions to which the Offering Memoranda related, then those distributions would not have occurred, or would have occurred at prices that reflected the true value of Sino's notes.

259. The Primary Market Defendants' negligence in relation to the Prospectuses and the Offering Memoranda resulted in damage to Labourers, Grant and Wong, and to the other Class Members who purchased Sino's Securities in the related distributions. Had those Defendants satisfied their duty of care to such Class Members, then those Class Members would not have purchased the Securities that they acquired under the Prospectuses or the Offering Memoranda, or they would have purchased them at a much lower price that reflected their true value.

(v) *Unjust Enrichment of Chan, Martin, Poon, Horsley, Mak and Murray*

260. As a result of the Representation and the other misrepresentations particularized above, Sino's shares traded, and were sold by Chan, Martin, Poon, Horsley, Mak and Murray, at artificially inflated prices during the Class Period.

261. Chan, Martin, Poon, Horsley, Mak and Murray were enriched by their wrongful acts and omissions during the Class Period, and the Class Members who purchased Sino shares from such Defendants suffered a corresponding deprivation.

262. There was no juristic reason for the resulting enrichment of Chan, Martin, Poon, Horsley, Mak and Murray.

263. The Class Members who purchased Sino shares from Chan, Martin, Poon, Horsley, Mak and Murray during the Class Period are entitled to the difference between the price they paid to such Defendants for such shares, and the price that they would have paid had the Defendants not made the Representation and the other misrepresentations particularized above, and had not committed the wrongful acts and omissions particularized above.

(vi) *Unjust Enrichment of Sino*

264. Throughout the Class Period, Sino made the Offerings. Such Offerings were made via various documents, particularized above, that contained the Representation and the misrepresentations particularized above.

265. The Securities sold by Sino via the Offerings were sold at artificially inflated prices as a result of the Representation and the others misrepresentations particularized above.

266. Sino was enriched by, and those Class Members who purchased the Securities via the Offerings were deprived of, an amount equivalent to the difference between the amount for which the Securities offered were actually sold, and the amount for which such securities would have been sold had the Offerings not included the Representation and the misrepresentations particularized above.

267. The Offerings violated Sino's disclosure obligations under the Securities Legislation and the various instruments promulgated by the securities regulators of the Provinces in which such Offerings were made. There was no juristic reason for the enrichment of Sino.

(vi) *Unjust Enrichment of the Underwriters*

268. Throughout the Class Period, Sino made the Offerings. Such Offerings were made via the Prospectuses and the Offering Memoranda, which contained the Representation and the other misrepresentations particularized above. Each of the Underwriters underwrote one or more of the Offerings.

269. The Securities sold by Sino via the Offerings were sold at artificially inflated prices as a result of the Representation and the other misrepresentations particularized above. The Underwriters earned fees from the Class, whether directly or indirectly, for work that they never

performed, or that they performed with gross negligence, in connection with the Offerings, or some of them.

270. The Underwriters were enriched by, and those Class Members who purchased securities via the Offerings were deprived of, an amount equivalent to the fees the Underwriters earned in connection with the Offerings.

271. The Offerings violated Sino's disclosure obligations under the Securities Legislation and the various instruments promulgated by the securities regulators of the Provinces in which such Offerings were made. There was no juristic reason for the enrichment of the Underwriters.

272. In addition, some or all of the Underwriters also acted as brokers in secondary market transactions relating to Sino securities, and earned trading commissions from the Class Members in those secondary market transactions in Sino's Securities. Those Underwriters were enriched by, and those Class Members who purchased Sino securities through those Underwriters in their capacity as brokers were deprived of, an amount equivalent to the commissions the Underwriters earned on such secondary market trades.

273. Had those Underwriters who also acted as brokers in secondary market transactions exercised reasonable diligence in connection with the Offerings in which they acted as Underwriters, then Sino's securities likely would not have traded at all in the secondary market, and the Underwriters would not have been paid the aforesaid trading commissions by the Class Members. There was no juristic reason for that enrichment of those Underwriters through their receipt of trading commissions from the Class Members.

(vii) Oppression

274. The Plaintiffs and the other Class Members had a reasonable and legitimate expectation that Sino and the Individual Defendants would use their powers to direct the company for Sino's

best interests and, in turn, in the interests of its security holders. More specifically, the Plaintiffs and the other Class Members had a reasonable expectation that:

- (a) Sino and the Individual Defendants would comply with GAAP, and/or cause Sino to comply with GAAP;
- (b) Sino and the Individual Defendants would take reasonable steps to ensure that the Class Members were made aware on a timely basis of material developments in Sino's business and affairs;
- (c) Sino and the Individual Defendants would implement adequate corporate governance procedures and internal controls to ensure that Sino disclosed material facts and material changes in the company's business and affairs on a timely basis;
- (d) Sino and the Individual Defendants would not make the misrepresentations particularized above;
- (e) Sino stock options would not be backdated or otherwise mispriced; and
- (f) the Individual Defendants would adhere to the Code.

275. Such reasonable expectations were not met as:

- (a) Sino did not comply with GAAP;
- (b) the Class Members were not made aware on a timely basis of material developments in Sino's business and affairs;
- (c) Sino's corporate governance procedures and internal controls were inadequate;
- (d) the misrepresentations particularized above were made;
- (e) stock options were backdated and/or otherwise mispriced; and
- (f) the Individual Defendants did not adhere to the Code.

276. Sino's and the Individual Defendants' conduct was oppressive and unfairly prejudicial to the Plaintiffs and the other Class Members and unfairly disregarded their interests. These defendants were charged with the operation of Sino for the benefit of all of its shareholders. The value of the shareholders' investments was based on, among other things:

- (a) the profitability of Sino;
- (b) the integrity of Sino's management and its ability to run the company in the interests of all shareholders;
- (c) Sino's compliance with its disclosure obligations;
- (d) Sino's ongoing representation that its corporate governance procedures met with reasonable standards, and that the business of the company was subjected to reasonable scrutiny; and
- (e) Sino's ongoing representation that its affairs and financial reporting were being conducted in accordance with GAAP.

277. This oppressive conduct impaired the ability of the Plaintiffs and other Class Members to make informed investment decisions about Sino's securities. But for that conduct, the Plaintiffs and the other Class Members would not have suffered the damages alleged herein.

(viii) Conspiracy

278. Sino, Chan, Poon and Horsley conspired with each other and with persons unknown (collectively, the "**Conspirators**") to inflate the price of Sino's securities. During the Class Period, the Conspirators unlawfully, maliciously and lacking bona fides, agreed together to, among other things, make the Representation and other misrepresentations particularized above, and to profit from such misrepresentations by, among other things, issuing stock options in respect of which the strike price was impermissibly low.

279. The Conspirators' predominant purposes in so conspiring were to:

- (a) inflate the price of Sino's securities, or alternatively, maintain an artificially high trading price for Sino's securities;
- (b) artificially increase the value of the securities they held; and
- (c) inflate the portion of their compensation that was dependent in whole or in part upon the performance of Sino and its securities.

280. In furtherance of the conspiracy, the following are some, but not all, of the acts carried out or caused to be carried out by the Conspirators:

- (a) they agreed to, and did, make the Representation, which they knew was false;
- (b) they agreed to, and did, make the other misrepresentations particularized above, which they knew were false;
- (c) they caused Sino to issue the Impugned Documents which they knew to be materially misleading;
- (d) as alleged more particularly below, they caused to be issued stock options in respect of which the strike price was impermissibly low; and
- (e) they authorized the sale of securities pursuant to Prospectuses and Offering Memoranda that they knew to be materially false and misleading.

281. Stock options are a form of compensation used by companies to incentivize the performance of directors, officers and employees. Options are granted on a certain date (the 'grant date') at a certain price (the 'exercise' or 'strike' price). At some point in the future, typically following a vesting period, an options-holder may, by paying the strike price, exercise the option and convert the option into a share in the company. The option-holder will make money as long as the option's strike price is lower than the market price of the security at the

moment that the option is exercised. This enhances the incentive of the option recipient to work to raise the stock price of the company.

282. There are three types of option grants:

- (a) 'in-the-money' grants are options granted where the strike price is lower than the market price of the security on the date of the grant; such options are not permissible under the TSX Rules and have been prohibited by the TSX Rules at all material times;
- (b) 'at-the-money' grants are options granted where the strike price is equal to the market price of the security on the date of the grant or the closing price the day prior to the grant; and
- (c) 'out-of-the-money' grants are options granted where the strike price is higher than the market price of the security on the date of the grant.

283. Both at-the-money and out-of-the-money options are permissible under the TSX Rules and have been at all material times.

284. The purpose of both at-the-money and out-of-the-money options is to create incentives for option recipients to work to raise the share price of the company. Such options have limited value at the time of the grant, because they entitle the recipient to acquire the company's shares at or above the price at which the recipient could acquire the company's shares in the open market. Options that are in-the-money, however, have substantial value at the time of the grant irrespective of whether the company's stock price rises subsequent to the grant date.

285. At all material times, the Sino Option Plan (the "**Plan**") prohibited in-the-money options.

286. The Conspirators backdated and/or otherwise mispriced Sino stock options, or caused the backdating and/or mispricing of Sino stock options, in violation of, inter alia: (a) the *OSA* and the rules and regulations promulgated thereunder; (b) the Plan; (c) GAAP; (d) the Code; (e) the TSX

Rules; and (f) the Conspirators' statutory, common law and contractual fiduciary duties and duties of care to Sino and its shareholders, including the Class Members.

287. The Sino stock options that were backdated or otherwise mispriced included those issued on June 26, 1996 to Chan, January 21, 2005 to Horsley, September 14, 2005 to Horsley, June 4, 2007 to Horsley and Chan, August 21, 2007 to Sino insiders other than the Conspirators, November 23, 2007 to George Ho and other Sino insiders, and March 31, 2009 to Sino insiders other than the Conspirators.

288. The graph below shows the average stock price returns for fifteen trading days prior and subsequent to the dates as of which Sino priced its stock options to its insiders. As appears therefrom, on average the dates as of which Sino's stock options were priced were preceded by a substantial decline in Sino's stock price, and were followed by a dramatic increase in Sino's stock price. This pattern could not plausibly be the result of chance.

289. The conspiracy was unlawful because the Conspirators knowingly and intentionally committed the foregoing acts when they knew such conduct was in violation of, *inter alia*, the *OSA*, the Securities Legislation other than the *OSA*, the Code, the rules and requirements of the TSX (the “**TSX Rules**”) and the *CBCA*. The Conspirators intended to, and did, harm the Class by causing artificial inflation in the price of Sino’s securities.

290. The Conspirators directed the conspiracy toward the Plaintiffs and the other Class Members. The Conspirators knew in the circumstances that the conspiracy would, and did, cause loss to the Plaintiffs and the other Class Members. The Plaintiffs and the Class Members suffered damages when the falsity of the Representation and other misrepresentations were revealed on June 2, 2011.

XII. THE RELATIONSHIP BETWEEN SINO’S DISCLOSURES AND THE PRICE OF SINO’S SECURITIES

291. The price of Sino’s securities was directly affected during the Class Period by the issuance of the Impugned Documents. The Defendants were aware at all material times of the effect of Sino’s disclosure documents upon the price of its Sino’s securities.

292. The Impugned Documents were filed, among other places, with SEDAR and the TSX, and thereby became immediately available to, and were reproduced for inspection by, the Class Members, other members of the investing public, financial analysts and the financial press.

293. Sino routinely transmitted the documents referred to above to the financial press, financial analysts and certain prospective and actual holders of Sino securities. Sino provided either copies of the above referenced documents or links thereto on its website.

294. Sino regularly communicated with the public investors and financial analysts via established market communication mechanisms, including through regular disseminations of their disclosure documents, including press releases on newswire services in Canada, the United States and elsewhere. Each time Sino communicated that new material information about Sino financial results to the public the price of Sino securities was directly affected.

295. Sino was the subject of analysts' reports that incorporated certain of the material information contained in the Impugned Documents, with the effect that any recommendations to purchase Sino securities in such reports during the Class Period were based, in whole or in part, upon that information.

296. Sino's securities were and are traded, among other places, on the TSX, which is an efficient and automated market. The price at which Sino's securities traded promptly incorporated material information from Sino's disclosure documents about Sino's business and affairs, including the Representation, which was disseminated to the public through the documents referred to above and distributed by Sino, as well as by other means.

Background of Sino-Forest Class Action and CCAA Proceeding

In June and July of 2011, class actions were commenced in the Ontario Superior Court of Justice (the "Ontario Proceeding") and the Quebec Superior Court (the "Quebec Proceeding") by certain plaintiffs (the "Plaintiffs") against Sino-Forest Corporation ("Sino-Forest"), its senior officers and directors, its underwriters, a consulting company, and its auditors, including Ernst & Young LLP ("Ernst & Young"). In January 2012, a proposed class action was commenced against Sino-Forest and other defendants in the Supreme Court of the State of New York which is now pending in the United States District Court for the Southern District of New York (the "US Action") (collectively, the "Proceedings"). The actions alleged that the public filings of Sino-Forest contained false and misleading statements about Sino-Forest's assets, business, and transactions. The actions also allege that Ernst & Young issued false and misleading audit opinions on Sino-Forest's financial statements issued during the class period.

Since that time, the litigation has been vigorously contested. On March 30, 2012, Sino-Forest obtained creditor protection under the *Companies' Creditors Arrangement Act* (the "CCAA"), and the Ontario Superior Court ordered a stay of proceedings against the company and other parties, including Ernst & Young (the "CCAA Proceeding"). Orders and other materials relevant

to the CCAA Proceeding can be found at the CCAA Monitor's website at <http://cfcanada.fticonsulting.com/sfc/> (the "Monitor's Website").

On December 10, 2012, a Plan of Arrangement was approved by the court in the CCAA Proceeding. As part of the Plan of Arrangement, the court approved a framework by which the Plaintiffs may enter into settlement agreements with any of the third-party defendants to the Proceedings.

Settlement with Ernst & Young

The Plaintiffs have entered into a settlement with Ernst & Young (the "Settlement Agreement"). The Settlement Agreement was approved by the Ontario Superior Court of Justice by an order dated March 20, 2013 (the "Settlement Approval Order"). Pursuant to the Settlement Agreement, Ernst & Young will pay CAD\$117,000,000 (the "Settlement Amount") to a Settlement Trust to be administered in accordance with orders of the court.

In return, the action will be dismissed against Ernst & Young, and there will be an order forever barring claims against it in relation to Sino-Forest including any allegations relating to the Proceedings. Ernst & Young does not admit to any wrongdoing or liability. The terms of the Settlement Agreement do not involve the resolution of any claims against Sino-Forest or any of the other defendants. For information regarding CCAA orders affecting Sino-Forest, including the Settlement Approval Order, please see the Monitor's Website. A complete copy of the Settlement Agreement and other information about these proceedings is available at: www.kmlaw.ca/sinoforestclassaction and www.sinoeysettlement.com (the "Class Action Websites").

The Settlement Agreement is contingent on the United States Bankruptcy Court for the Southern District of New York ("U.S. Bankruptcy Court") recognizing the Settlement Approval Order. A hearing to recognize the Settlement Approval Order will be held in the U.S. Bankruptcy Court on November 18, 2013.

Who Acts for the Securities Claimants

Koskie Minsky LLP, Siskinds LLP, Siskinds Desmeules, sencl, and Cohen Milstein Sellers & Toll PLLC (collectively, "Class Counsel") represent the Securities Claimants in the Proceedings. If you want to be represented by another lawyer, you may hire one to appear in court for you at your own expense.

You will not have to directly pay any fees or expenses to Class Counsel. However, Class Counsel will seek to have their fees and expenses paid from any money obtained for the class or paid separately by the defendants. The fee request of Class Counsel in connection with the Settlement Agreement is explained below.

Hearing to Approve the Claims and Distribution Protocol and Class Counsel Fees on December 13, 2013 in Toronto, Ontario

On December 13, 2013 at 10:00 a.m., there will be a hearing before the Ontario Superior Court of Justice (the "Distribution Protocol and Fee Hearing") at which Class Counsel will seek that Court's approval of (1) the plan for allocating the Net Settlement Amount (as defined below)

among the members of the Securities Claimants (the “Claims and Distribution Protocol”); and (2) the fees and expense reimbursement requests of Class Counsel. The hearing will be held at the Canada Life Building, 330 University Avenue, 8th Floor, Toronto, Ontario. The exact courtroom number will be available on a notice board on the 8th Floor.

The proposed Claims and Distribution Protocol sets out, among other things, i) the method by which the Administrator (defined below) will review and process claims forms; and ii) the method by which the Administrator will calculate the amount of compensation to be distributed to each Securities Claimant, including the Allocation System, which assigns different risk adjustment factors to different Sino-Forest securities depending on factors such as the type of security acquired and the time that security was acquired. Persons that suffered the same loss on their Sino-Forest securities may receive different levels of compensation, depending on the risk adjustment factors assigned to their securities.

The detailed proposed Claims and Distribution Protocol can be found at the Class Action Websites, or by contacting Class Counsel at the contact information set out at the end of this notice. **The court has discretion to modify the proposed Claims and Distribution Protocol.**

At the Distribution Protocol and Fee Hearing, Class Counsel will also seek court approval of its request for fees and expense reimbursements (“Class Counsel Fees”). As is customary in class actions, Class Counsel is prosecuting and will continue to prosecute this class action on a contingent fee basis. Class Counsel is not paid as the matter proceeds, and Class Counsel funds the out-of-pocket expenses of conducting the litigation. Class Counsel will be requesting the following fees and disbursements to be deducted from the Settlement Amount before it is distributed to Class Members:

Koskie Minsky LLP, Siskinds LLP, Siskinds Desmeules, sencl

Amount requested: \$17,846,250, plus disbursements (expenses), plus taxes

Cohen Milstein Sellers & Toll PLLC

Amount requested for fees: \$2,340,000, plus disbursements (expenses), plus taxes

The court materials in support of these fee and disbursement requests will be posted on the Class Action Websites prior to the Distribution Protocol and Fee Hearing.

Expenses incurred or payable relating to notification, implementation, and administration of the settlement (“Administration Expenses”) will also be paid from the Settlement Amount.

The Plaintiffs have also entered into a litigation funding agreement with Claims Funding International PLC (“CFI”). Pursuant to that agreement, CFI has agreed to pay any adverse cost awards against the Plaintiffs in this litigation, and to pay \$50,000 towards disbursements. In return, CFI is entitled to 5% of any net recovery in these actions up to a maximum of \$5 million if the action is resolved before the pre-trial or 7% of net recovery up to a maximum of \$10 million if the action is resolved after the pre-trial. The litigation funding agreement with CFI was approved by the Ontario Superior Court of Justice on May 17, 2012.

The amount of funds remaining after deduction of Class Counsel Fees, Administration Expenses, and payment to CFI (the "Net Settlement Amount") will be distributed to the Securities Claimants.

Securities Claimants may attend at the hearing of the Distribution Protocol and Fee Hearing and ask to make submissions regarding the Claims and Distribution Protocol or Class Counsel's fee and expense reimbursement request.

Persons intending to object to the Claims and Distribution Protocol or the Class Counsel fees and expense reimbursement request are required to deliver a Notice of Objection, substantially in the form that can be found on the Class Action Websites, and, if this Notice is received by mail or email, enclosed with this Notice (the "Notice of Objection"), to Siskinds LLP by regular mail, courier, or email transmission, to the contact information indicated on the Notice of Objection, so that it is received by no later than 5:00 p.m. on November 29, 2013. Copies of the Notices of Objection sent to Siskinds LLP will be filed with the court.

THE COURT MAY APPROVE A CLAIMS AND DISTRIBUTION PROTOCOL THAT IS DIFFERENT THAN THE CLAIMS AND DISTRIBUTION PROTOCOL THAT IS PROPOSED BY CLASS COUNSEL. WHETHER OR NOT THEY SUBMIT A VALID CLAIM FORM, ALL PERSONS OR ENTITIES THAT ARE ENTITLED TO PARTICIPATE IN THE E&Y SETTLEMENT WILL BE BOUND BY THE CLAIMS AND DISTRIBUTION PROTOCOL, WHATEVER IT MAY BE, THAT IS APPROVED BY THE COURT.

The Administrator

The Court has appointed NPT RicePoint as the Administrator of the settlement. The Administrator will, among other things: (i) receive and process the Claim Forms (discussed below); (ii) make determinations of Class Members' eligibility for compensation pursuant to the Claims and Distribution Protocol; (iii) communicate with Class Members regarding their eligibility for compensation; and (iv) manage and distribute the Net Settlement Amount. The Administrator can be contacted at:

Mailing Address:	NPT RicePoint Class Action Services Sino-Forest Class Action P.O. Box 3355 London, ON N6A 4K3
Telephone:	1-866-432-5534
Email Address:	sino@nptricepoint.com
Website:	www.nptricepoint.com

Claims Filing Procedure and Deadline

Securities Claimants will only be eligible for compensation from the Net Settlement Amount if they submit a complete Claim Form before the Claims Bar Deadline (defined below) including any supporting documentation with the Administrator.

Claim Forms are available on the Class Action Websites or, if you are receiving this notice by mail or email, attached to this notice.

To be eligible for compensation, Class Members must submit their Claim Form, postmarked via mail or email to the Administrator at the addresses listed above NO LATER THAN February 14, 2014 (the "Claims Bar Deadline"). If you do not submit a Claim Form by the Claims Bar Deadline, you will not receive any compensation from the Net Settlement Amount but will remain bound by the final Settlement Order and release.

Please note that Noteholders who still held their notes as of January 16, 2013 do not need to complete a Claim Form in respect of those notes. Claim Forms will still need to be filed in respect of any other notes.

The Net Settlement Amount will be distributed to Class Members in accordance with the Claims and Distribution Protocol that is approved by the Court.

If you file a Claim Form to participate in this settlement, you may not be required to file additional Claim Forms to participate in any future judgments or settlements in this litigation. However, you must ensure that the Administrator is advised of any changes to your mailing address.

MAY 14, 2012

This language is incorporated into the order as part of the May 14th order.

Proposed Endorsement Language

In granting this Order which calls for Claims, D&O Claims and D&O Indemnity Claims (all as defined in the Claims Procedure Order), the parties acknowledge that no determination has been made as to arguments regarding quantum, classification or the extent to which such claims can be compromised by a Plan and all rights are reserved thereunder. The rights of all parties to argue as to the impact, if any, of the claims bar and resolution process under this Order in the event that a Plan is not ultimately successfully implemented are also reserved.

The Monitor has advised that as part of this claims procedure, where it concludes a Claim, D&O Claim or D&O Indemnity Claim is an Equity Claim, it will revise or disallow such claims on that basis pursuant to the Claims Procedure Order.

In the event that Claims, D&O Claims and/or D&O Indemnity Claims are not resolved or otherwise disposed of in these proceedings and the stay is terminated, then any admissions, findings of fact, decisions or other determinations made in accordance with this Order and the within claims process (whether by the Court, a Claims Officer, the Monitor, the Applicant or otherwise) shall not be binding on any Claimant or of any force or effect and shall not give rise to issue estoppel or be res judicata or be admissible in the Ontario Class Action, the Quebec Class Action or any similar litigation already commenced or which may be commenced in the future (the "Litigation").

To the extent the stay is terminated and the Litigation proceeds, no finding of fact or decision of a Claims Officer or of the Court made pursuant to this Order and the within claims process and no determination of the validity and/or quantum of any Claim pursuant to this Order, whether by: (i) failure to deliver a Proof of Claim or a Dispute Notice within the time provided in this Order; (ii) agreement of the applicable parties; (iii) a Claims Officer; (iv) the Court; or (v) otherwise, shall be binding on any Claimant or shall give rise to issue estoppel or be res judicata or be admissible in any Litigation other than with respect to parties released in these proceedings.

For greater certainty, nothing in the preceding two paragraphs is intended to restrict the Applicant's or the Monitor's ability to seek foreign recognition of these proceedings or relief granted herein in any jurisdiction.

This is Exhibit "E" mentioned and referred to in the Affidavit of Charles Wright, sworn before me at the City of London, in the Province of Ontario, this 4th day of November, 2013.

HEARING DATE: May 17, 2012

PERELL, J.

REASONS FOR DECISION

[1] The Trustees of the Labourers' Pension Fund of Central and Eastern Canada, the Trustees of the International Union of Operating Engineers Local 793 Pension Plan for Operating Engineers in Ontario, David C. Grant, Robert Wong, and Sjuunde AP-Fonden are the Plaintiffs in a proposed securities misrepresentation class action. Some of the claims may not be brought without leave granted under Ontario's *Securities Act*, R.S.O. 1990, c. S.5. The Plaintiffs claim that the proposed class members suffered losses in the billions of dollars.

[2] The action concerns the affairs of the Defendant Sino-Forest Corporation. There are 23 defendants, including certain directors and officers of Sino-Forest, underwriters, auditors, and consultants. The Plaintiffs seek damages in an amount equal to the losses that they and the other class members suffered as a result of purchasing or acquiring Sino-Forest securities at prices artificially inflated by an alleged misrepresentation respecting, among other things, Sino-Forest's compliance with generally accepted accounting principles.

[3] In this motion, the Plaintiffs seek court approval of a third-party funding agreement, which they submit they require to protect themselves from the adverse costs consequences of the proposed class action should any of the numerous Defendants successfully resist certification or successfully mount a defence to the Plaintiffs' claims.

[4] There is no question that if they are unsuccessful, the Plaintiffs would be exposed to a gigantic costs liability.

[5] Koskie Minsky LLP and Siskinds LLP, the lawyers of record and proposed Class Counsel have agreed to fund the disbursements required to prosecute the Plaintiffs' claims.

[6] Claims Funding International, PLC ("CFI") has entered into a proposed litigation funding agreement with the Plaintiffs. The terms of this agreement provide that CFI will pay \$50,000 toward disbursements, and it will pay any adverse costs orders issued against the Plaintiffs in return for a scaled and capped commission on any settlement or judgment obtained by the Plaintiffs on behalf of the class.

[7] In the case at bar, the Defendants were served with notice of the motion for approval as were some members of the proposed class for the action. By letter dated February 21, 2012, notice was given to Sino-Forest's 20 largest independently-run institutional investors as measured by the number of Sino-Forest's securities held during the proposed class period.

[8] There is no opposition to the court granting approval to the third party funding agreement.

[9] An agreement nearly identical to the one proposed in this case was approved by Justice Strathy in *Dugal v Manulife Financial Corp*, 2011 ONSC 1785 ("*Dugal*").

[10] In *Dugal*, Justice Strathy also concluded that the court had jurisdiction to make the approval order binding on putative class members before the certification of the action. I recently came to the same conclusion as an aspect of a decision about the

procedure to follow on a third party funding approval motion. See *Fehr v. Sun Life Assurance Company of Canada* 2012 ONSC 2715

[11] In *Fehr*, I discuss the current law about litigation funding, and I reviewed the key judgements; namely: the key judgments are: *McIntyre Estate v. Ontario (Attorney General)* (2002), 61 O.R. (3d) 257 (C.A.), *Metzler Investment GMBH v. Gildan Activewear Inc.* [2009] O.J. No. 3315 (S.C.J.), and *Dugal v. Manulife Financial Corp.*, 2011 ONSC 1785, additional reasons 2011 ONSC 3147. I rely on but will not repeat that analysis here.

[12] In *Fehr*, I concluded that third party funding agreements are not categorically illegal on the grounds of champerty or maintenance, but a particular third party funding agreement might be illegal as champertous or on some other basis. I also concluded that Plaintiffs must obtain court approval in order to enter into a third party funding agreement.

[13] In the case at bar, the principle terms of the third party funding agreement are:

- CFI agrees to pay the Plaintiffs' adverse costs orders in exchange for a commission on any settlement or judgment made in relation to the claims asserted by the Plaintiffs on behalf of the class
- in the event a settlement or judgment is reached at any time before the filing of the Plaintiffs' pre-trial conference brief, a commission representing 5% of the amount of such settlement or judgment, after deduction of lawyers fees and disbursements, including applicable tax, and any administration expenses associated with such settlement or judgment, will be paid to CFI, capped at a maximum of \$5 million
- in the event a settlement or judgment is reached at any time on or after the filing of the Plaintiffs' pre-trial conference brief, the commission shall be 7% of the amount of such settlement or judgment, after deduction of lawyers fees and disbursements, including applicable tax, and any administration expenses associated with such settlement or judgment, capped at a maximum of \$10 million
- if the judgment or settlement concerns other actions in addition to the within proceeding, then the same stage-dependent commission percentages and caps apply unless the commission can otherwise be determined in a manner satisfactory to all parties to the resolution
- although there is an obligation on Class Counsel to inform CFI about any significant issue in the action including prospects, strategy, quantum, proof and material changes, CFI acknowledges that the Plaintiffs provide the instruction to their lawyers and that the lawyers' professional duties are owed to the Plaintiffs and not CFI
- CFI must pay, into court, security for the Defendants' costs on an escalating scale reflecting the progress of the litigation
- CFI is bound by the deemed undertaking rule (Rule 30.1.01).

[14] Much for the same reasons that commended themselves to Justice Strathy in the *Dugal* case, I conclude that the third party funding agreement in the case at bar should be approved.

[15] It is a fair and reasonable agreement that facilitates access to justice while protecting the interests of the Defendants. The Defendants have the comfort that money for their legal costs has been paid into court.

[16] In the circumstances of this case, the third party funding agreement is preferable to the alternative of funding from the Class Proceedings Fund. The commission is less than the 10% uncapped levy that would be extracted by the Fund.

[17] For the above Reasons, I grant approval of the third party funding agreement.

ARTICLE 2 PURPOSE AND EFFECT OF THE PLAN

2.1 Purpose

The purpose of the Plan is:

- (a) to effect a full, final and irrevocable compromise, release, discharge, cancellation and bar of all Affected Claims;
- (b) to effect the distribution of the consideration provided for herein in respect of Proven Claims;

- (c) to transfer ownership of the SFC Business to Newco and then from Newco to Newco II, in each case free and clear of all claims against SFC and certain related claims against the Subsidiaries, so as to enable the SFC Business to continue on a viable, going concern basis; and
- (d) to allow Affected Creditors and Noteholder Class Action Claimants to benefit from contingent value that may be derived from litigation claims to be advanced by the Litigation Trustee.

The Plan is put forward in the expectation that the Persons with an economic interest in SFC, when considered as a whole, will derive a greater benefit from the implementation of the Plan and the continuation of the SFC Business as a going concern than would result from a bankruptcy or liquidation of SFC.

2.2 Claims Affected

The Plan provides for, among other things, the full, final and irrevocable compromise, release, discharge, cancellation and bar of Affected Claims and effectuates the restructuring of SFC. The Plan will become effective at the Effective Time on the Plan Implementation Date, other than such matters occurring on the Equity Cancellation Date (if the Equity Cancellation date does not occur on the Plan Implementation Date) which will occur and be effective on such date, and the Plan shall be binding on and enure to the benefit of SFC, the Subsidiaries, Newco, Newco II, SFC Escrow Co., any Person having an Affected Claim, the Directors and Officers of SFC and all other Persons named or referred to in, or subject to, the Plan, as and to the extent provided for in the Plan.

Any amounts properly owing by SFC in respect of Unaffected Claims will be satisfied in accordance with section 4.2 hereof. Consistent with the foregoing, all liabilities of the Released Parties in respect of Unaffected Claims (other than the obligation of SFC to satisfy such Unaffected Claims in accordance with section 4.2 hereof) will be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred pursuant to Article 7 hereof. Nothing in the Plan shall affect SFC's rights and defences, both legal and equitable, with respect to any Unaffected Claims, including all rights with respect to legal and equitable defences or entitlements to set-offs or recoupments against such Unaffected Claims.

2.4 Insurance

- (a) Subject to the terms of this section 2.4, nothing in this Plan shall prejudice, compromise, release, discharge, cancel, bar or otherwise affect any right, entitlement or claim of any Person against SFC or any Director or Officer, or any insurer, in respect of an Insurance Policy or the proceeds thereof.
- (b) Nothing in this Plan shall prejudice, compromise, release or otherwise affect any right or defence of any such insurer in respect of any such Insurance Policy. Furthermore, nothing in this Plan shall prejudice, compromise, release or otherwise affect (i) any right of subrogation any such insurer may have against

any Person, including against any Director or Officer in the event of a determination of fraud against SFC or any Director or Officer in respect of whom such a determination is specifically made, and /or (ii) the ability of such insurer to claim repayment of Defense Costs (as defined in any such policy) from SFC and/or any Director or Officer in the event that the party from whom repayment is sought is not entitled to coverage under the terms and conditions of any such Insurance Policy

- (c) Notwithstanding anything herein (including section 2.4(b) and the releases and injunctions set forth in Article 7 hereof), but subject to section 2.4(d) hereof, all Insured Claims shall be deemed to remain outstanding and are not released following the Plan Implementation Date, but recovery as against SFC and the Named Directors and Officers is limited only to proceeds of Insurance Policies that are available to pay such Insured Claims, either by way of judgment or settlement. SFC and the Directors or Officers shall make all reasonable efforts to meet all obligations under the Insurance Policies. The insurers agree and acknowledge that they shall be obliged to pay any Loss payable pursuant to the terms and conditions of their respective Insurance Policies notwithstanding the releases granted to SFC and the Named Directors and Officers under this Plan, and that they shall not rely on any provisions of the Insurance Policies to argue, or otherwise assert, that such releases excuse them from, or relieve them of, the obligation to pay Loss that otherwise would be payable under the terms of the Insurance Policies. For greater certainty, the insurers agree and consent to a direct right of action against the insurers, or any of them, in favour of any plaintiff who or which has (a) negotiated a settlement of any Claim covered under any of the Insurance Policies, which settlement has been consented to in writing by the insurers or such of them as may be required or (b) obtained a final judgment against one or more of SFC and/or the Directors or Officers which such plaintiff asserts, in whole or in part, represents Loss covered under the Insurance Policies, notwithstanding that such plaintiff is not a named insured under the Insurance Policies and that neither SFC nor the Directors or Officers are parties to such action.
- (d) Notwithstanding anything in this section 2.4, from and after the Plan Implementation Date, any Person having an Insured Claim shall, as against SFC and the Named Directors and Officers, be irrevocably limited to recovery solely from the proceeds of the Insurance Policies paid or payable on behalf of SFC or its Directors or Officers, and Persons with any Insured Claims shall have no right to, and shall not, directly or indirectly, make any claim or seek any recoveries from SFC, any of the Named Directors and Officers, any of the Subsidiaries, Newco or Newco II, other than enforcing such Person's rights to be paid from the proceeds of an Insurance Policy by the applicable insurer(s), and this section 2.4(d) may be relied upon and raised or pled by SFC, Newco, Newco II, any Subsidiary and any Named Director and Officer in defence or estoppel of or to enjoin any claim, action or proceeding brought in contravention of this section

2.5 Claims Procedure Order

For greater certainty, nothing in this Plan revives or restores any right or claim of any kind that is barred or extinguished pursuant to the terms of the Claims Procedure Order, provided that nothing in this Plan, the Claims Procedure Order or any other Order compromises, releases, discharges, cancels or bars any claim against any Person for fraud or criminal conduct, regardless of whether or not any such claim has been asserted to date.

- (ii) if the Initial Consenting Noteholders do not elect to satisfy such Lien Claim by the return of the applicable secured property: (A) SFC shall repay the Lien Claim in full in cash on the Plan Implementation Date; and (B) the security held by the applicable Lien Claimant over the property of SFC shall be fully, finally, irrevocably and forever released, discharged, cancelled and barred; and

Noteholder Class Action Claimants shall not be entitled to attend or to vote on the Plan at the Meeting in respect of their Noteholder Class Action Claims.

- (b) Notwithstanding anything to the contrary in section 4.4(a), Noteholder Class Action Claims as against the Third Party Defendants (x) are not compromised, discharged, released, cancelled or barred, (y) shall be permitted to continue as against the Third Party Defendants and (z) shall not be limited or restricted by this Plan in any manner as to quantum or otherwise (including any collection or recovery for such Noteholder Class Action Claims that relates to any liability of the Third Party Defendants for any alleged liability of SFC), provided that:
- (i) in accordance with the releases set forth in Article 7 hereof, the collective aggregate amount of all rights and claims asserted or that may be asserted against the Third Party Defendants in respect of any such Noteholder Class Action Claims for which any such Persons in each case have a valid and enforceable Class Action Indemnity Claim against SFC (the "Indemnified Noteholder Class Action Claims") shall not exceed, in the aggregate, the Indemnified Noteholder Class Action Limit, and in accordance with section 7.3 hereof, all Persons shall be permanently and forever barred, estopped, stayed and enjoined, on and after the Effective Time, from seeking to enforce any liability in respect of the Indemnified Noteholder Class Action Claims that exceeds the Indemnified Noteholder Class Action Limit;

5.4 Treatment of Undeliverable Distributions

If any distribution under section 5.2 or section 5.3 of Newco Shares, Newco Notes or Litigation Trust Interests is undeliverable (that is, for greater certainty, that it cannot be properly registered or delivered to the Applicable Affected Creditor because of inadequate or incorrect registration or delivery information or otherwise) (an “**Undeliverable Distribution**”), it shall be delivered to SFC Escrow Co., which shall hold such Undeliverable Distribution in escrow and administer it in accordance with this section 5.4. No further distributions in respect of an Undeliverable Distribution shall be made unless and until SFC and the Monitor are notified by the applicable Person of its current address and/or registration information, as applicable, at which time the Monitor shall direct SFC Escrow Co. to make all such distributions to such Person, and SFC Escrow Co. shall make all such distributions to such Person. All claims for Undeliverable Distributions must be made on or before the date that is six months following the final Distribution Date, after which date the right to receive distributions under this Plan in respect of such Undeliverable Distributions shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred, without any compensation therefore, notwithstanding any federal, state or provincial laws to the contrary, at which time any such Undeliverable Distributions held by SFC Escrow Co. shall be deemed to have been gifted by the owner of the Undeliverable Distribution to Newco or the Litigation Trust, as applicable, without consideration, and, in the case of Newco Shares, Newco Notes and Litigation Trust Interests, shall be cancelled by Newco and the Litigation Trustee, as applicable. Nothing contained in the Plan shall require SFC, the Monitor, SFC Escrow Co. or any other Person to attempt to locate any owner of an Undeliverable Distribution. No interest is payable in respect of an Undeliverable Distribution. Any distribution under this Plan on account of the Notes, other than any distributions in respect of Litigation Trust Interests, shall be deemed made when delivered to DTC or the applicable Trustee, as applicable, for subsequent distribution to the applicable Noteholders in accordance with section 5.2.

5.5 Procedure for Distributions Regarding Unresolved Claims

- (a) An Affected Creditor that has asserted an Unresolved Claim will not be entitled to receive a distribution under the Plan in respect of such Unresolved Claim or any portion thereof unless and until such Unresolved Claim becomes a Proven Claim.

- (b) Distributions in respect of any Unresolved Claim in existence at the Plan Implementation Date will be held in escrow by the Unresolved Claims Escrow Agent in the Unresolved Claims Reserve until settlement or final determination of the Unresolved Claim in accordance with the Claims Procedure Order, the Meeting Order or this Plan, as applicable.

 - (i) in the case of Affected Creditors whose Unresolved Claims are ultimately determined, in whole or in part, to be Proven Claims, the Unresolved Claims Escrow Agent shall release from escrow and deliver to such Affected Creditor that number of Newco Shares, Newco Notes and Litigation Trust Interests (and any income or proceeds therefrom) that such Affected Creditor is entitled to receive in respect of its Proven Claim pursuant to section 4.1 hereof;
 - (ii) in the case of Affected Creditors whose Unresolved Claims are ultimately determined, in whole or in part, to be disallowed, the Unresolved Claims Escrow Agent shall release from escrow and deliver to all Affected Creditors with Proven Claims the number of Newco Shares, Newco Notes and Litigation Trust Interests (and any income or proceeds therefrom) that had been reserved in the Unresolved Claims Reserve for such Affected Creditor whose Unresolved Claims has been disallowed, Claims such that, following such delivery, all of the Affected Creditors with Proven Claims have received the amount of Newco Shares, Newco Notes and Litigation Trust Interests that they are entitled to receive pursuant to section 4.1 hereof, which delivery shall be effected in accordance with sections 5.2 and 5.3 hereof.
- (d) As soon as practicable following the date that all Unresolved Claims have been finally resolved and any required distributions contemplated in section 5.5(c) have been made, the Unresolved Claims Escrow Agent shall distribute (or in the case of Litigation Trust Interests, cause to be registered) any Litigation Trust Interests, Newco Shares and Newco Notes (and any income or proceeds therefrom), as applicable, remaining in the Unresolved Claims Reserve to the Affected Creditors with Proven Claims such that after giving effect to such distributions each such Affected Creditor has received the amount of Litigation Trust Interests, Newco Shares and Newco Notes that it is entitled to receive pursuant to section 4.1 hereof.
- (e) During the time that Newco Shares, Newco Notes and/or Litigation Trust Interests are held in escrow in the Unresolved Claims Reserve, any income or proceeds

received therefrom or accruing thereon shall be added to the Unresolved Claims Reserve by the Unresolved Claims Escrow Agent and no Person shall have any right to such income or proceeds until such Newco Shares, Newco Notes or Litigation Trust Interests, as applicable, are distributed (or in the case of Litigation Trust Interests, registered) in accordance with section 5.5(c) and 5.5(d) hereof, at which time the recipient thereof shall be entitled to any applicable income or proceeds therefrom.

- (f) The Unresolved Claims Escrow Agent shall have no beneficial interest or right in the Unresolved Claims Reserve. The Unresolved Claims Escrow Agent shall not take any step or action with respect to the Unresolved Claims Reserve or any other matter without the consent or direction of the Monitor or the direction of the Court. The Unresolved Claims Escrow Agent shall forthwith, upon receipt of an Order of the Court or instruction of the Monitor directing the release of any Newco Shares, Newco Notes and/or Litigation Trust Interests from the Unresolved Claims Reserve, comply with any such Order or instruction.
- (g) Nothing in this Plan impairs, affects or limits in any way the ability of SFC, the Monitor or the Initial Consenting Noteholders to seek or obtain an Order, whether before or after the Plan Implementation Date, directing that any Unresolved Claims should be disallowed in whole or in part or that such Unresolved Claims should receive the same or similar treatment as is afforded to Equity Claims under the terms of this Plan.
- (h) Persons with Unresolved Claims shall have standing in any proceeding in respect of the determination or status of any Unresolved Claim, and Goodmans LLP (in its capacity as counsel to the Initial Consenting Noteholders) shall have standing in any such proceeding on behalf of the Initial Consenting Noteholders (in their capacity as Affected Creditors with Proven Claims).

5.6 Tax Refunds

Any input tax credits or tax refunds received by or on behalf of SFC after the Effective Time shall, immediately upon receipt thereof, be paid directly by, or on behalf of, SFC to Newco without consideration.

5.7 Final Distributions from Reserves

- (a) If there is any cash remaining in: (i) the Unaffected Claims Reserve on the date that all Unaffected Claims have been finally paid or otherwise discharged and/or (ii) the Administration Charge Reserve on the date that all Claims secured by the Administration Charge have been finally paid or otherwise discharged, the Monitor shall, in each case, forthwith transfer all such remaining cash to the Monitor's Post-Implementation Reserve.
- (b) The Monitor will not terminate the Monitor's Post-Implementation Reserve prior to the termination of each of the Unaffected Claims Reserve and the Administration Charge Reserve. The Monitor may, at any time, from time to time

and at its sole discretion, release amounts from the Monitor's Post-Implementation Reserve to Newco. Goodmans LLP (in its capacity as counsel to the Initial Consenting Noteholders) shall be permitted to apply for an Order of the Court directing the Monitor to make distributions from the Monitor's Post-Implementation Reserve. Once the Monitor has determined that the cash remaining in the Monitor's Post-Implementation Reserve is no longer necessary for administering SFC or the Claims Procedure, the Monitor shall forthwith transfer any such remaining cash (the "Remaining Post-Implementation Reserve Amount") to Newco.

5.8 Other Payments and Distributions

All other payments and distributions to be made pursuant to this Plan shall be made in the manner described in this Plan, the Sanction Order or any other Order, as applicable.

5.9 Note Indentures to Remain in Effect Solely for Purpose of Distributions

Following completion of the steps in the sequence set forth in section 6.4, all debentures, indentures, notes (including the Notes), certificates, agreements, invoices and other instruments evidencing Affected Claims will not entitle any holder thereof to any compensation or participation other than as expressly provided for in the Plan and will be cancelled and will be null and void. Any and all obligations of SFC and the Subsidiaries under and with respect to the Notes, the Note Indentures and any guarantees or indemnities with respect to the Notes or the Note Indentures shall be terminated and cancelled on the Plan Implementation Date and shall not continue beyond the Plan Implementation Date. Notwithstanding the foregoing and anything to the contrary in the Plan, the Note Indentures shall remain in effect solely for the purpose of and only to the extent necessary to allow the Trustees to make distributions to Noteholders on the Initial Distribution Date and, as necessary, each subsequent Distribution Date thereafter, and to maintain all of the rights and protections afforded to the Trustees as against the Noteholders under the applicable Note Indentures, including their lien rights with respect to any distributions under this Plan, until all distributions provided for hereunder have been made to the Noteholders. The obligations of the Trustees under or in respect of this Plan shall be solely as expressly set out herein. Without limiting the generality of the releases, injunctions and other protections afforded to the Trustees under this Plan and the applicable Note Indentures, the Trustees shall have no liability whatsoever to any Person resulting from the due performance of their obligations hereunder, except if such Trustee is adjudged by the express terms of a non-appealable judgment rendered on a final determination on the merits to have committed gross negligence or wilful misconduct in respect of such matter.

5.10 Assignment of Claims for Distribution Purposes

(a) Assignment of Claims by Ordinary Affected Creditors

Subject to any restrictions contained in Applicable Laws, an Ordinary Affected Creditor may transfer or assign the whole of its Affected Claim after the Meeting provided that neither SFC nor Newco nor Newco II nor the Monitor nor the Unresolved Claims Escrow Agent shall be obliged to make distributions to any such transferee or assignee or otherwise deal with such

transferee or assignee as an Ordinary Affected Creditor in respect thereof unless and until actual notice of the transfer or assignment, together with satisfactory evidence of such transfer or assignment and such other documentation as SFC and the Monitor may reasonably require, has been received by SFC and the Monitor on or before the Plan Implementation Date, or such other date as SFC and the Monitor may agree, failing which the original transferor shall have all applicable rights as the "Ordinary Affected Creditor" with respect to such Affected Claim as if no transfer of the Affected Claim had occurred. Thereafter, such transferee or assignee shall, for all purposes in accordance with this Plan, constitute an Ordinary Affected Creditor and shall be bound by any and all notices previously given to the transferor or assignor in respect of such Claim. For greater certainty, SFC shall not recognize partial transfers or assignments of Claims.

(b) *Assignment of Notes*

Only those Noteholders who have beneficial ownership of one or more Notes as at the Distribution Record Date shall be entitled to receive a distribution under this Plan on the Initial Distribution Date or any Distribution Date. Noteholders who have beneficial ownership of Notes shall not be restricted from transferring or assigning such Notes prior to or after the Distribution Record Date (unless the Distribution Record Date is the Plan Implementation Date), provided that if such transfer or assignment occurs after the Distribution Record Date, neither SFC nor Newco nor Newco II nor the Monitor nor the Unresolved Claims Escrow Agent shall have any obligation to make distributions to any such transferee or assignee of Notes in respect of the Claims associated therewith, or otherwise deal with such transferee or assignee as an Affected Creditor in respect thereof. Noteholders who assign or acquire Notes after the Distribution Record Date shall be wholly responsible for ensuring that Plan distributions in respect of the Claims associated with such Notes are in fact delivered to the assignee, and the Trustees shall have no liability in connection therewith.

5.11 Withholding Rights

SFC, Newco, Newco II, the Monitor, the Litigation Trustee, the Unresolved Claims Escrow Agent and/or any other Person making a payment contemplated herein shall be entitled to deduct and withhold from any consideration payable to any Person such amounts as it is required to deduct and withhold with respect to such payment under the Canadian Tax Act, the United States Internal Revenue Code of 1986 or any provision of federal, provincial, territorial, state, local or foreign Tax laws, in each case, as amended. To the extent that amounts are so withheld or deducted, such withheld or deducted amounts shall be treated for all purposes hereof as having been paid to the Person in respect of which such withholding was made, provided that such amounts are actually remitted to the appropriate Taxing Authority. To the extent that the amounts so required or permitted to be deducted or withheld from any payment to a Person exceed the cash portion of the consideration otherwise payable to that Person: (i) the payor is authorized to sell or otherwise dispose of such portion of the consideration as is necessary to provide sufficient funds to enable it to comply with such deduction or withholding requirement or entitlement, and the payor shall notify the applicable Person thereof and remit to such Person any unapplied balance of the net proceeds of such sale; or (ii) if such sale is not reasonably possible, the payor shall not be required to make such excess payment until the Person has directly satisfied any such withholding obligation and provides evidence thereof to the payor.

5.12 Fractional Interests

No fractional interests of Newco Shares or Newco Notes ("**Fractional Interests**") will be issued under this Plan. For purposes of calculating the number of Newco Shares and Newco Notes to be issued by Newco pursuant to this Plan, recipients of Newco Shares or Newco Notes will have their entitlements adjusted downwards to the nearest whole number of Newco Shares or Newco Notes, as applicable, to eliminate any such Fractional Interests and no compensation will be given for the Fractional Interest.

5.13 Further Direction of the Court

The Monitor shall, in its sole discretion, be entitled to seek further direction of the Court, including a plan implementation order, with respect to any matter relating to the implementation of the plan including with respect to the distribution mechanics and restructuring transaction as set out in Articles 5 and 6 of this Plan.

ARTICLE 6 RESTRUCTURING TRANSACTION

6.1 Corporate Actions

The adoption, execution, delivery, implementation and consummation of all matters contemplated under the Plan involving corporate action of SFC will occur and be effective as of the Plan Implementation Date, other than such matters occurring on the Equity Cancellation Date which will occur and be effective on such date, and in either case will be authorized and approved under the Plan and by the Court, where appropriate, as part of the Sanction Order, in all respects and for all purposes without any requirement of further action by shareholders, Directors or Officers of SFC. All necessary approvals to take actions shall be deemed to have been obtained from the directors or the shareholders of SFC, as applicable, including the deemed passing by any class of shareholders of any resolution or special resolution and no shareholders' agreement or agreement between a shareholder and another Person limiting in any way the right to vote shares held by such shareholder or shareholders with respect to any of the steps contemplated by the Plan shall be deemed to be effective and shall have no force and effect, provided that, subject to sections 12.6 and 12.7 hereof, where any matter expressly requires the consent or approval of SFC, the Initial Consenting Noteholders or SFC's board of directors pursuant to this Plan, such consent or approval shall not be deemed to be given unless actually given.

6.2 Incorporation of Newco and Newco II

Restructuring Transaction. For greater certainty, the Initial Newco Shareholder shall not hold such Newco Share as agent of or for the benefit of SFC, and SFC shall have no rights in relation to such Newco Share. Newco shall not carry on any business or issue any other Newco Shares or other securities until the Plan Implementation Date, and then only in accordance with section 6.4 hereof. The Initial Newco Shareholder shall be deemed to have no liability whatsoever for any matter pertaining to its status as the Initial Newco Shareholder, other than its obligations under this Plan to act as the Initial Newco Shareholder.

At the time that SFC Escrow Co. is incorporated, SFC Escrow Co. shall issue one share (the "SFC Escrow Co. Share") to SFC, as the sole shareholder of SFC Escrow Co. and SFC shall be deemed to hold the SFC Escrow Co. Share for the purpose of facilitating the Restructuring Transaction. SFC Escrow Co. shall have no assets other than any assets that it is required to hold in escrow pursuant to the terms of this Plan, and it shall have no liabilities other than its obligations as set forth in this Plan. SFC Escrow Co. shall not carry on any business or issue any shares or other securities (other than the SFC Escrow Co. Share). The sole activity and function of SFC Escrow Co. shall be to perform the obligations of the Unresolved Claims Escrow Agent as set forth in this Plan and to administer Undeliverable Distributions as set forth in section 5.4 of this Plan. SFC Escrow Co. shall not make any sale, distribution, transfer or conveyance of any Newco Shares, Newco Notes or any other assets or property that it holds unless it is directed to do so by an Order of the Court or by a written direction from the Monitor, in which case SFC Escrow Co. shall promptly comply with such Order of the Court or such written direction from the Monitor. SFC shall not sell, transfer or convey the SFC Escrow Co. Share nor effect or cause to be effected any liquidation, dissolution, merger or other corporate reorganization of SFC Escrow Co. unless it is directed to do so by an Order of the Court or by a written direction from the Monitor, in which case SFC shall promptly comply with such Order of the Court or such written direction from the Monitor. SFC Escrow Co. shall not exercise any voting rights (including any right to vote at a meeting of shareholders or creditors held or in any written resolution) in respect of Newco Shares or Newco Notes held in the Unresolved Claims Reserve. If requested by the Monitor (with the consent of the Initial Consenting Noteholders) no more than 10 days prior to the Plan Implementation Date and provided that all fees and expenses set out in all previous invoices rendered by the applicable Person to SFC have been paid, SFC and the Subsidiaries, as applicable, shall, with respect to the final one or two invoices rendered prior to the Plan Implementation Date, pay any such fees and expenses to such Persons for all work up to and including the Plan Implementation Date (including any reasonable estimates of work to be performed on the Plan Implementation Date) first by applying any such monetary retainers currently held by such Persons and then by paying any remaining balance in cash.
- (e) If requested by the Monitor (with the consent of the Initial Consenting Noteholders) prior to the Plan Implementation Date, any Person with a monetary retainer from SFC that remains outstanding following the steps and payment of all

fees and expenses set out in section 6.4(d) hereof shall pay to SFC in cash the full amount of such remaining retainer, less any amount permitted by the Monitor (with the Consent of the Initial Consenting Noteholders and after prior discussion with the applicable Person as to any remaining work that may reasonably be required) to remain as a continuing monetary retainer in connection with completion of any remaining work after the Plan Implementation Date that may be requested by the Monitor, SFC or the Initial Consenting Noteholders (each such continuing monetary retainer being a "**Permitted Continuing Retainer**"). Such Persons shall have no duty or obligation to perform any further work or tasks in respect of SFC unless such Persons are satisfied that they are holding adequate retainers or other security or have received payment to compensate them for all fees and expenses in respect of such work or tasks. The obligation of such Persons to repay the remaining amounts of any monetary retainers (including the unused portions of any Permitted Continuing Retainers) and all cash received therefrom shall constitute SFC Assets.

- (f) The Lien Claims shall be satisfied in accordance with section 4.2(c) hereof.

- (g) All accrued and unpaid interest owing on, or in respect of, or as part of, Affected Creditor Claims (including any Accrued Interest on the Notes and any interest accruing on the Notes or any Ordinary Affected Creditor Claim after the Filing Date) shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred for no consideration, and from and after the occurrence of this step, no Person shall have any entitlement to any such accrued and unpaid interest.
- (h) All of the Affected Creditors shall be deemed to assign, transfer and convey to Newco all of their Affected Creditor Claims, and from and after the occurrence of this step, Newco shall be the legal and beneficial owner of all Affected Creditor Claims. In exchange for the assignment, transfer and conveyance of the Affected Creditor Claims to Newco:
- (i) with respect to Affected Creditor Claims that are Proven Claims at the Effective Time:
- (A) Newco shall issue to each applicable Affected Creditor the number of Newco Shares that each such Affected Creditor is entitled to receive in accordance with section 4.1(a) hereof;

and all such Newco Shares and Newco Notes shall be distributed in the manner described in section 5.2 hereof; and

- (ii) with respect to Affected Creditor Claims that are Unresolved Claims as at the Effective Time, Newco shall issue in the name of the Unresolved Claims Escrow Agent, for the benefit of the Persons entitled thereto under the Plan, the Newco Shares and the Newco Notes that would have been distributed to the applicable Affected Creditors in respect of such Unresolved Claims if such Unresolved Claims had been Proven Claims at the Effective Time; such Newco Shares, Newco Notes and Litigation Trust Interests acquired by Newco in section 6.4(q) and assigned to and registered in the name of the Unresolved Claims Escrow Agent in accordance with section 6.4(r) shall comprise part of the Unresolved Claims Reserve and the Unresolved Claims Escrow Agent shall hold all such Newco Shares, Newco Notes and Litigation Trust Interests in escrow for the benefit of those Persons entitled to receive distributions thereof pursuant to the Plan.
- (i) The initial Newco Share in the capital of Newco held by the Initial Newco Shareholder shall be redeemed and cancelled for no consideration.
- (j) SFC shall be deemed to assign, transfer and convey to SFC Barbados those SFC Intercompany Claims and/or Equity Interests in one or more Direct Subsidiaries as agreed to by SFC and the Initial Consenting Noteholders prior to the Plan Implementation Date (the "Barbados Property") first in full repayment of the Barbados Loans and second, to the extent the fair market value of the Barbados Property exceeds the amount owing under the Barbados Loans, as a contribution to the capital of SFC Barbados by SFC. Immediately after the time of such assignment, transfer and conveyance, the Barbados Loans shall be considered to be fully paid by SFC and no longer outstanding.
- (k) SFC shall be deemed to assign, transfer and convey to Newco all shares and other Equity Interests (other than the Barbados Property) in the capital of (i) the Direct Subsidiaries and (ii) any other Subsidiaries that are directly owned by SFC immediately prior to the Effective Time, other than SFC Escrow Co. (all such

shares and other equity interests being the "Direct Subsidiary Shares") for a purchase price equal to the fair market value of the Direct Subsidiary Shares and, in consideration therefor, Newco shall be deemed to pay to SFC consideration equal to the fair market value of the Direct Subsidiary Shares, which consideration shall be comprised of a U.S. dollar denominated demand non-interest-bearing promissory note issued to SFC by Newco having a principal amount equal to the fair market value of the Direct Subsidiary Shares (the "Newco Promissory Note 1"). At the time of such assignment, transfer and conveyance, all prior rights that Newco had to acquire the Direct Subsidiary Shares, under the Plan or otherwise, shall cease to be outstanding. For greater certainty, SFC shall not assign, transfer or convey the SFC Escrow Co. Share, and the SFC Escrow Co. Share shall remain the property of SFC.

- (l) If the Initial Consenting Noteholders and SFC agree prior to the Plan Implementation Date, there will be a set-off of any SFC Intercompany Claim so agreed against a Subsidiary Intercompany Claim owing between SFC and the same Subsidiary. In such case, the amounts will be set-off in repayment of both claims to the extent of the lesser of the two amounts, and the excess (if any) shall continue as an SFC Intercompany Claim or a Subsidiary Intercompany Claim, as applicable.
- (m) SFC shall be deemed to assign, transfer and convey to Newco all SFC Intercompany Claims (other than the SFC Intercompany Claims transferred to SFC Barbados in section 6.4(j) hereof or set-off pursuant to section 6.4(l) hereof) for a purchase price equal to the fair market value of such SFC Intercompany Claims and, in consideration therefor, Newco shall be deemed to pay SFC consideration equal to the fair market value of the SFC Intercompany Claims, which consideration shall be comprised of the following: (i) the assumption by Newco of all of SFC's obligations to the Subsidiaries in respect of Subsidiary Intercompany Claims (other than the Subsidiary Intercompany Claims set-off pursuant to section 6.4(l) hereof); and (ii) if the fair market value of the transferred SFC Intercompany Claims exceeds the fair market value of the assumed Subsidiary Intercompany Claims, Newco shall issue to SFC a U.S. dollar denominated demand non-interest-bearing promissory note having a principal amount equal to such excess (the "Newco Promissory Note 2").
- (n) SFC shall be deemed to assign, transfer and convey to Newco all other SFC Assets (namely, all SFC Assets other than the Direct Subsidiary Shares and the SFC Intercompany Claims (which shall have already been transferred to Newco in accordance with sections 6.4(k) and 6.4(m) hereof)), for a purchase price equal to the fair market value of such other SFC Assets and, in consideration therefor, Newco shall be deemed to pay to SFC consideration equal to the fair market value of such other SFC Assets, which consideration shall be comprised of a U.S. dollar denominated demand non-interest-bearing promissory note issued to SFC by Newco having a principal amount equal to the fair market value of such other SFC Assets (the "Newco Promissory Note 3").

- (o) SFC shall establish the Litigation Trust and SFC and the Trustees (on behalf of the Noteholders) shall be deemed to convey, transfer and assign to the Litigation Trustee all of their respective rights, title and interest in and to the Litigation Trust Claims. SFC shall advance the Litigation Funding Amount to the Litigation Trustee for use by the Litigation Trustee in prosecuting the Litigation Trust Claims in accordance with the Litigation Trust Agreement, which advance shall be deemed to create a non-interest bearing receivable from the Litigation Trustee in favour of SFC in the amount of the Litigation Funding Amount (the "**Litigation Funding Receivable**"). The Litigation Funding Amount and Litigation Trust Claims shall be managed by the Litigation Trustee in accordance with the terms and conditions of the Litigation Trust Agreement.
- (p) The Litigation Trust shall be deemed to be effective from the time that it is established in section 6.4(o) hereof. Initially, all of the Litigation Trust Interests shall be held by SFC. Immediately thereafter, SFC shall assign, convey and transfer a portion of the Litigation Trust Interests to the Noteholder Class Action Claimants in accordance with the allocation set forth in section 4.11 hereof.
- (q) SFC shall settle and discharge the Affected Creditor Claims by assigning Newco Promissory Note 1, Newco Promissory Note 2 and Newco Promissory Note 3 (collectively, the "**Newco Promissory Notes**"), the Litigation Funding Receivable and the remaining Litigation Trust Interests held by SFC to Newco. Such assignment shall constitute payment, by set-off, of the full principal amount of the Newco Promissory Notes and of a portion of the Affected Creditor Claims equal to the aggregate principal amount of the Newco Promissory Notes, the Litigation Trust Receivable and the fair market value of the Litigation Trust Interests so transferred (with such payment being allocated first to the Noteholder Claims and then to the Ordinary Affected Creditor Claims). As a consequence thereof:
 - (i) Newco shall be deemed to discharge and release SFC of and from all of SFC's obligations to Newco in respect of the Affected Creditor Claims, and all of Newco's rights against SFC of any kind in respect of the Affected Creditor Claims shall thereupon be fully, finally, irrevocably and forever compromised, released, discharged and cancelled; and
 - (ii) SFC shall be deemed to discharge and release Newco of and from all of Newco's obligations to SFC in respect of the Newco Promissory Notes, and the Newco Promissory Notes and all of SFC's rights against Newco in respect thereof shall thereupon be fully, finally, irrevocably and forever released, discharged and cancelled.
- (r) Newco shall cause a portion of the Litigation Trust Interests it acquired in section 6.4(q) hereof to be assigned to and registered in the name of the Affected Creditors with Proven Claims as contemplated in section 6.4(h), and with respect to any Affected Creditor Claims that are Unresolved Claims as at the Effective Time, the remaining Litigation Trust Interests held by Newco that would have been allocated to the applicable Affected Creditors in respect of such Unresolved

Claims if such Unresolved Claims had been Proven Claims at the Effective Time shall be assigned and registered by the Litigation Trustee to the Unresolved Claims Escrow Agent and in the name of the Unresolved Claims Escrow Agent, in escrow for the benefit of Persons entitled thereto, and such Litigation Trust Interests shall comprise part of the Unresolved Claims Reserve. The Litigation Trustee shall record entitlements to the Litigation Trust Interests in the manner set forth in section 5.3.

Cancellation of Instruments and Guarantees

- (s) Subject to section 5.9 hereof, all debentures, indentures, notes, certificates, agreements, invoices, guarantees, pledges and other instruments evidencing Affected Claims, including the Notes and the Note Indentures, will not entitle any holder thereof to any compensation or participation other than as expressly provided for in the Plan and shall be cancelled and will thereupon be null and void. The Trustees shall be directed by the Court and shall be deemed to have released, discharged and cancelled any guarantees, indemnities, Encumbrances or other obligations owing by or in respect of any Subsidiary relating to the Notes or the Note Indentures.

- (w) Any contract defaults arising as a result of the CCAA Proceedings and/or the implementation of the Plan (including, notwithstanding anything to the contrary herein, any such contract defaults in respect of the Unaffected Claims) shall be deemed to be cured.

Newco II

- (x) Newco shall be deemed to assign, transfer and convey to Newco II all of Newco's right, title and interest in and to all of its properties, assets and rights of every kind and description (namely the SFC Assets acquired by Newco pursuant to the Plan) for a purchase price equal to the fair market value thereof and, in consideration therefor, Newco II shall be deemed to pay to Newco consideration equal to the fair market value of such properties, assets and rights (the "**Newco II Consideration**"). The Newco II Consideration shall be comprised of: (i) the assumption by Newco II of any and all indebtedness of Newco other than the indebtedness of Newco in respect of the Newco Notes (namely, any indebtedness of Newco in respect of the Subsidiary Intercompany Claims); and (ii) the issuance to Newco of that number of common shares in Newco II as is necessary to ensure that the value of the Newco II Consideration is equal to the fair market value of the properties, assets and rights conveyed by Newco to Newco II pursuant to this section 6.4(x).

6.5 Cancellation of Existing Shares and Equity Interests

Unless otherwise agreed between the Monitor, SFC and the Initial Consenting Noteholders, on the Equity Cancellation Date all Existing Shares and Equity Interests shall be fully, finally and irrevocably cancelled, and the following steps will be implemented pursuant to the Plan as a plan of reorganization under section 191 of the *BCA*, to be effected by articles of reorganization to be filed by SFC, subject to the receipt of any required approvals from the Ontario Securities Commission with respect to the trades in securities contemplated by the following:

- (a) SFC will create a new class of common shares to be called Class A common shares that are equivalent to the current Existing Shares except that they carry two votes per share;

6.6 Transfers and Vesting Free and Clear

- (a) All of the SFC Assets (including for greater certainty the Direct Subsidiary Shares, the SFC Intercompany Claims and all other SFC Assets assigned, transferred and conveyed to Newco and/or Newco II pursuant to section 6.4) shall be deemed to vest absolutely in Newco or Newco II, as applicable, free and clear of and from any and all Charges, Claims (including, notwithstanding anything to the contrary herein, any Unaffected Claims), D&O Claims, D&O Indemnity Claims, Section 5.1(2) D&O Claims, Conspiracy Claims, Continuing Other D&O Claims, Non-Released D&O Claims, Affected Claims, Class Action Claims, Class Action Indemnity Claims, claims or rights of any kind in respect of the Notes or the Note Indentures, and any right or claim that is based in whole or in part on facts, underlying transactions, Causes of Action or events relating to the Restructuring Transaction, the CCAA Proceedings or any of the foregoing, and any guarantees or indemnities with respect to any of the foregoing. Any Encumbrances or claims affecting, attaching to or relating to the SFC Assets in respect of the foregoing shall be deemed to be irrevocably expunged and discharged as against the SFC Assets, and no such Encumbrances or claims shall be pursued or enforceable as against Newco or Newco II. ARTICLE 10
ALTERNATIVE SALE TRANSACTION

10.1 Alternative Sale Transaction

At any time prior to the Plan Implementation Date (whether prior to or after the granting of the Sanction Order), and subject to the prior written consent of the Initial Consenting Noteholders, SFC may complete a sale of all or substantially all of the SFC Assets on terms that are acceptable to the Initial Consenting Noteholders (an "Alternative Sale Transaction"), provided that such Alternative Sale Transaction has been approved by the Court pursuant to section 36 of the CCAA on notice to the service list. In the event that such an Alternative Sale Transaction is completed, the terms and conditions of this Plan shall continue to apply in all respects, subject to the following:

- (a) The Newco Shares and Newco Notes shall not be distributed in the manner contemplated herein. Instead, the consideration paid or payable to SFC pursuant to the Alternative Sale Transaction (the "Alternative Sale Transaction Consideration") shall be distributed to the Persons entitled to receive Newco Shares hereunder, and such Persons shall receive the Alternative Sale Transaction Consideration in the same proportions and subject to the same terms and conditions as are applicable to the distribution of Newco Shares hereunder.

- (d) All provisions relating to the Newco Shares shall be deemed to address the Alternative Sale Transaction Consideration to the limited extent such provisions address the Newco Shares.
- (e) SFC, with the written consent of the Monitor and the Initial Consenting Noteholders, shall be permitted to make such amendments, modifications and supplements to the terms and conditions of this Plan as are necessary to: (i) facilitate the Alternative Sale Transaction; (ii) cause the Alternative Sale Transaction Consideration to be distributed in the same proportions and subject to the same terms and conditions as are subject to the distribution of Newco Shares hereunder; and (iii) complete the Alternative Sale Transaction and distribute the Alternative Sale Transaction Proceeds in a manner that is tax efficient for SFC and the Affected Creditors with Proven Claims, provided in each case that (y) a copy of such amendments, modifications or supplements is filed with the Court and served upon the service list; and (z) the Monitor is satisfied that such amendments, modifications or supplements do not materially alter the

proportionate entitlements of the Affected Creditors, as amongst themselves, to the consideration distributed pursuant to the Plan.

Except for the requirement of obtaining the prior written consent of the Initial Consenting Noteholders with respect to the matters set forth in this section 10.1 and subject to the approval of the Alternative Sale Transaction by the Court pursuant to section 36 of the CCAA (on notice to the service list), once this Plan has been approved by the Required Majority of Affected Creditors, no further meeting, vote or approval of the Affected Creditors shall be required to enable SFC to complete an Alternative Sale Transaction or to amend the Plan in the manner described in this 10.1.

12.5 Modification of the Plan

- (a) SFC may, at any time and from time to time, amend, restate, modify and/or supplement the Plan with the consent of the Monitor and the Initial Consenting Noteholders, provided that: any such amendment, restatement, modification or supplement must be contained in a written document that is filed with the Court and:

- (a) From and after the Plan Implementation Date, if requested by the Initial Consenting Noteholders or Newco, the Monitor (at the Monitor's election) or Newco (if the Monitor does not so elect) shall and is hereby authorized to seek an order of any court of competent jurisdiction recognizing the Plan and the Sanction Order and confirming the Plan and the Sanction Order as binding and effective in Canada, the United States, and any other jurisdiction so requested by the Initial Consenting Noteholders or Newco, as applicable.

12.11 Severability of Plan Provisions

If, prior to the Sanction Date, any term or provision of the Plan is held by the Court to be invalid, void or unenforceable, the Court, at the request of SFC and with the consent of the Monitor and the Initial Consenting Noteholders, shall have the power to either (a) sever such term or provision from the balance of the Plan and provide SFC with the option to proceed with the implementation of the balance of the Plan as of and with effect from the Plan Implementation Date, or (b) alter and interpret such term or provision to make it valid or enforceable to the maximum extent practicable, consistent with the original purpose of the term or provision held to be invalid, void or unenforceable, and such term or provision shall then be applicable as altered or interpreted. Notwithstanding any such holding, alteration or interpretation, and provided that SFC proceeds with the implementation of the Plan, the remainder of the terms and provisions of

- b. on the Ernst & Young Settlement Date, section 7.3 of the Plan shall apply to Ernst & Young and the Ernst & Young Claims *mutatis mutandis*;
- c. upon receipt by the Settlement Trust of the Settlement Fund, none of the plaintiffs in the Class Actions or any other actions in which the Ernst & Young Claims could have been asserted shall be permitted to claim from any of the other defendants that portion of any damages, restitutionary award or disgorgement of profits that corresponds with the liability of Ernst & Young, proven at trial or otherwise, that is the subject of the Ernst & Young Settlement ("Ernst & Young's Proportionate Liability");

14. **THIS COURT ORDERS** that nothing in this order shall fetter the discretion of any court to determine Ernst & Young's Proportionate Liability at the trial or other disposition of an action for the purposes of paragraph 12(c) above, whether or not Ernst & Young appears at the trial or other disposition (which, subject to further order of the Court, Ernst & Young has no obligation to do) and Ernst & Young's Proportionate Liability shall be determined as if Ernst & Young were a party to the action and any determination by the court in respect of Ernst & Young's Proportionate Liability shall only apply in that action to the proportionate liability of the remaining defendants in those proceedings and shall not be binding on Ernst & Young for any purpose whatsoever and shall not constitute a finding against Ernst & Young for any purpose in any other proceeding.

15. **THIS COURT ORDERS** that the Ontario Plaintiffs shall incur and pay notice and administration costs that are incurred in advance of the Ernst & Young Settlement Date, as a

result of an order of this Honourable Court, up to a maximum of the first \$200,000 thereof (the "Initial Plaintiffs' Costs"), which costs are to be immediately reimbursed from the Settlement Fund after the Ernst & Young Settlement Date. Ernst & Young shall incur and pay such notice and administration costs which are incurred in advance of the Ernst & Young Settlement Date, as a result of an order of this Honourable Court, over and above the Initial Plaintiffs' Costs up to a maximum of a further \$200,000 (the "Initial Ernst & Young Costs"). All amounts paid by the Ontario Plaintiffs and Ernst & Young as provided herein are to be deducted from or reimbursed from the Settlement Fund after the Ernst & Young Settlement Date. Should the settlement not proceed, the Ontario Plaintiffs and Ernst & Young shall each bear their respective costs paid to that time.

17. **THIS COURT ORDERS** that after payment of class counsel fees, disbursements and taxes (including, without limitation, notice and administration costs and payments to Claims Funding International) and upon the approval of a Claims and Distribution Protocol, defined below, the entire balance of the Settlement Fund shall, subject to paragraph 18 below, be distributed to or for the benefit of the Securities Claimants for their claims against Ernst & Young, in accordance with a process for allocation and distribution among Securities Claimants, such process to be established by CCAA Representative Counsel and approved by further order of this court (the "Claims and Distribution Protocol").
18. **THIS COURT ORDERS** that notwithstanding paragraph 17 above, the following Securities Claimants shall not be entitled to any allocation or distribution of the Settlement

Hung, George Ho and Simon Yeung. For greater certainty, the Ernst & Young Release shall apply to the Securities Claimants described above.

19. **THIS COURT ORDERS** that the fees and costs of the claims administrator and CCAA Representative Counsel shall be paid out of the Settlement Trust, and for such purpose, the claims administrator and the CCAA Representative Counsel may apply to the court to fix such fees and costs in accordance with the laws of Ontario governing the payment of counsel's fees and costs in class proceedings.

Recognition, Enforcement and Further Assistance

20. **THIS COURT ORDERS** that the Court in the CCAA proceedings shall retain an ongoing supervisory role for the purposes of implementing, administering and enforcing the Ernst & Young Settlement and the Ernst & Young Release and matters related to the Settlement Trust including any disputes about the allocation of the Settlement Fund from the Settlement Trust. Any disputes arising with respect to the performance or effect of, or any other aspect of, the Ernst & Young Settlement and the Ernst & Young Release shall be determined by the court, and that, except with leave of the court first obtained, no Person or party shall commence or continue any proceeding or enforcement process in any other court or tribunal, with respect to the performance or effect of, or any other aspect of the Ernst & Young Settlement and the Ernst & Young Release.
21. **THIS COURT ORDERS** that the Ontario Plaintiffs and Ernst & Young with the assistance of the Monitor, shall use all reasonable efforts to obtain all court approvals and orders necessary for the implementation of the Ernst & Young Settlement and the Ernst & Young Release and shall take such additional steps and execute such additional agreements and

documents as may be necessary or desirable for the completion of the transactions contemplated by the Ernst & Young Settlement, the Ernst & Young Release and this order.

22. **THIS COURT HEREBY REQUESTS** the aid and recognition of any court, tribunal, regulatory or administrative body having jurisdiction in Canada or the United States or elsewhere, to give effect to this order and to assist the Applicant, the Monitor, the CCAA Representative Counsel and Ernst & Young LLP and their respective agents in carrying out the terms of this order. All courts, tribunals, regulatory and administrative bodies are hereby respectfully requested to make such orders and to provide such assistance to the Applicant, the Monitor as an officer of this Court, the CCAA Representative Counsel and Ernst & Young LLP, as may be necessary or desirable to give effect to this order, to grant representative status to the Monitor in any foreign proceeding, or to assist the Applicant, the Monitor, the CCAA Representative Counsel and Ernst & Young LLP and their respective agents in carrying out the terms of this order.
23. **THIS COURT ORDERS** that each of the Applicant, the Monitor, CCAA Representative Counsel and Ernst & Young LLP be at liberty and is hereby authorized and empowered to apply to any court, tribunal, regulatory or administrative body, wherever located, for the recognition of this order, or any further order as may be required, and for assistance in carrying out the terms of such orders.
24. **THIS COURT ORDERS** that the running of time for the purposes of the Ernst & Young Claims asserted in the Ontario Class Action, including statutory claims for which the Ontario Plaintiffs have sought leave pursuant to Part XXIII.1 of the Ontario *Securities Act*, R.S.O. 1990, c. S-5 and the concordant provisions of the securities legislation in all other provinces and territories of Canada, shall be suspended as of the date of this order until further order of this CCAA Court.
