G.R. Hall and H. Meredith for Receiver

S.J. Weisz and K. McEachern for Sunwing

It became apparent at the outset of the hearing that evidence on certain points will be required in order to determine the points at issue in this motion. In this regard, it would be helpful if Mr. Rob Giguere and Mr. G. Bailey could meet with counsel to determine a process by which evidence could be provided.

In the circumstances, and in order to provide the parties with adequate time to address this issue, motion adjourned to Monday May 14, 2012 before me (1 day has been booked).
