INTRODUCTION

1. On August 19, 2022, Trevali Mining Corporation (“**TMC**”) and Trevali Mining (New Brunswick) Ltd. (“**TNB**” and collectively with Trevali Corp., “**Trevali**”) sought and obtained an initial order (the “**Initial Order**”) under the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”) from the Supreme Court of British Columbia (the “**CCAA Proceedings**”). Pursuant to the Initial Order, FTI Consulting Canada Inc. (“**FTI**”) was appointed monitor of Trevali (in such capacity, the “**Monitor**”).
2. On September 14, 2022, this Honourable Court granted an order approving procedures for a sales and investment solicitation process (the “**SISP**”) for the assets of Trevali. The SISP did not generate any bids with respect to TNB, and its operations at the Caribou mine, prior to the October 7, 2022 LOI Deadline, as defined in the SISP. As a result, Trevali, with the assistance of the Monitor, engaged with the then secured lenders of Trevali and the Government of New Brunswick (“**GNB**”) to consider next steps with respect to the Caribou mine.
3. On January 9, 2023, this Honourable Court granted an order (the “**Receivership Order**”) appointing FTI as receiver (in such capacity, the “**Receiver**”) of all of the assets, undertakings and property of TNB, including all proceeds thereof, other than any real property, mineral claims, mining leases, or real property leases owned or held by TNB (collectively, the “**Property**”) effective on January 24, 2023 at 11:59 pm PST (the “**Receivership Date**”).
4. As detailed in the Third Report of the Receiver dated July 5, 2024 (the “**Third Report**”), subsequent to the issuance of the Receivership Order, the Receiver has been working to identify a purchaser for the Property with the assistance of the Government of New Brunswick’s Department of Natural Resources (“**DNR**”).
5. On March 29, 2023, this Honourable Court granted an order (the “**Claims Process Order**”) in the CCAA Proceedings approving a process for determining the nature and amounts of

certain claims against TMC and TNB and their directors and officers (the “**Claims Process**”).

6. In early June 2023, the Receiver prepared a document (the “**Invitation for Offers**”) to solicit offers for the Property while referring parties seeking information on the real property, mineral claims, mining leases or real property leases owned or held by TNB to a contact person with DNR.
7. On April 27, 2024, the Receiver and Bathurst Metallic Corp. (“**BMC**”) entered into an asset purchase agreement (the “**BMC APA**”) to sell and assign to BMC all of TNB’s right, title and interest to the Assets (as defined in the BMC APA) subject to, among other things, an expansion of the definition of “Property” in the Receivership Order to include all of the assets, undertakings and property of TNB, without any limitations.
8. Concurrently on April 27, 2024, BMC also agreed to purchase substantially all of assets of Trevali Mining (Maritimes) Ltd. (“**TMM**”) as set out in an asset purchase agreement (the “**TMM APA**”) among TMM and BMC.
9. On July 8, 2024, the Receiver, along with the Monitor, filed a notice of application for a hearing set to take place on July 12, 2024 for, among other things, orders approving the BMC APA and the TMM APA and vesting the purchased assets in BMC, free and clear of any encumbrances
10. On July 11, 2024, the Receiver and Monitor’s counsel was advised that BMC did not have sufficient funds to close the BMC APA and the TMM APA.
11. Accordingly, the hearing set for July 12 was adjourned. The Receiver and Monitor agreed to two further extensions of the target closing date and the outside closing date under the BMC APA and the TMM APA, with the final dates being August 23, 2024 and August 30, 2024 respectively. The Receiver and BMC also agreed that the deposit under the BMC APA was non-refundable and forfeited to the Receiver.

12. On September 3, 2024, the Receiver formally terminated the BMC APA and the TMM APA given that BMC had still not raised the funds to close the transactions.
13. Subsequent to the termination of the BMC APA, the Receiver in consultation with DNR, engaged with a new party that expressed its interest in acquiring the assets of TNB. The result of those efforts, as detailed in a subsequent section of this report, was the signing of an asset purchase agreement (the “**TNB APA**”) between the Receiver and Canadian Copper Inc. (“**CCI**” or the “**Purchaser**”).
14. The purpose of this Fifth Report is to provide this Honourable Court with information with respect to:
- a. the Receiver’s activities since the Fourth Report of the Receiver dated September 19, 2025 (the “**Fourth Report**”);
 - b. the Receiver’s efforts, in conjunction with DNR, to identify and facilitate a going-concern transaction for the Caribou mine;
 - c. the Settlement and Support Agreement, as defined below;
 - d. the TNB APA;
 - e. the Claims Process conducted in the CCAA Proceedings, as it relates to claims against TNB;
 - f. the Receiver’s interim statement of cash receipts and disbursements (“**R&D**”) for TNB for the period of January 24, 2023 to June 19, 2026; and
 - g. the Receiver’s conclusions and recommendations.
15. The Receivership Order and other publicly available information in respect of these proceedings (the “**Receivership Proceedings**”) are posted on the Receiver’s website at <http://cfcanada.fticonsulting.com/Trevali/receivership.htm>.

TERMS OF REFERENCE

16. In preparing this report, the Receiver has relied upon certain information (the “**Information**”) including Trevali’s unaudited financial information, books and records and discussions with former senior management of Trevali (“**Management**”).
17. Except as described in this report, the Receiver has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the Chartered Professional Accountants of Canada Handbook.
18. The Receiver has not examined or reviewed financial forecasts and projections referred to in this report in a manner that would comply with the procedures described in the Chartered Professional Accountants of Canada Handbook.
19. Future oriented financial information reported to be relied on in preparing this report is based on assumptions regarding future events. Actual results may vary from forecast and such variations may be material.
20. Unless otherwise stated, all monetary amounts contained herein are expressed in Canadian dollars. Capitalized terms not otherwise defined are as defined in the Receivership Order.

RECEIVER'S ACTIVITIES

21. Since the date of the Fourth Report, the Receiver's activities have included, among other things, the following:
- a. arranging servicing and maintenance of the equipment on the Caribou mine site;
 - b. coordinating with TNB's insurance broker for the continuation of insurance coverage on the equipment owned by TNB;
 - c. corresponding with DNR regarding potential transactions for the assets of TNB;
 - d. responding to inquiries from creditors in respect of TNB; and
 - e. corresponding with legal counsel with respect to the above.

THE SALE PROCESS

22. The sale process which resulted in the execution of the BMC APA is described in the Third Report.
23. Subsequent to the termination of the BMC APA by the Receiver in September 2024, CCI approached the Receiver expressing its interest in acquiring TNB's assets.
24. Following an initial conversation between CCI and the Receiver, on September 15, 2024, CCI presented the Receiver with a draft term sheet for the potential acquisition of TNB's assets. The term sheet was based off the version used for the proposed transaction with BMC.
25. Further negotiations occurred between the Receiver and CCI resulting in a fully executed term sheet dated October 28, 2024 (as amended, the "**CCI Term Sheet**"). A copy of the CCI Term Sheet is attached as Appendix "A".
26. The CCI Term Sheet was subject to certain conditions including, among other things:

- a. financial and legal due diligence;
 - b. negotiation and settling of the terms of an asset purchase agreement with the Receiver;
 - c. negotiation and settling of the terms of an agreement with the GNB regarding CCI's obligations with respect to subsequent environmental and reclamation activities; and
 - d. negotiation and settling of the process and timing of the handover of the care and maintenance responsibilities from DNR to CCI.
27. On June 16, 2025, the Receiver and CCI entered into an amended and restated CCI Term Sheet that, among other things, extended the period of exclusivity provided to CCI by the Receiver in exchange for an increase in the amount of the non-refundable deposit.
28. Since then, the Receiver, CCI and DNR have been working on the agreements discussed herein to facilitate a transaction.
29. On June 24, 2026, the TNB APA was finalized and executed, a copy of which is attached as Appendix "B" to this report.

SETTLEMENT AND SUPPORT AGREEMENT

30. Since the Receivership Date, the Receiver has been aware that DNR stepped in as regulator to perform required care and maintenance activities to mitigate environmental consequences at the Caribou mine. These activities have also had the effect of maintaining the mines and preserving the ability to restart operations, particularly at the Caribou mine, if a going-concern purchaser could be identified.
31. At the time of its appointment, DNR advised the Receiver that the mining claims held by TNB related to the Caribou mine (the "Claims") were currently held in a "protected" state and that the Claims would need to be returned to good standing in order to transfer them

from the GNB to any purchaser. DNR further advised that the GNB's consent would be required to transfer any of the Mining Leases or Crown land leases to a purchaser.

32. DNR indicated its intention to work cooperatively with the Receiver and Monitor to effect a transfer of the Real Property Assets (as defined in the TNB APA), and that it would address GNB's position as to its rights to the sale proceeds once a transaction had been substantively progressed.
33. As detailed in the Third Report, a negotiation occurred between the Receiver and DNR in anticipation of the BMC APA and the TMM APA being approved regarding an allocation of the purchase price to GNB in respect of its various claims and rights, and the environmental obligations related to the mines.
34. The DNR provided the Receiver with a schedule summarizing its claims along with the details of expenses incurred in maintaining the mine since January 2023.
35. The claims set out by DNR can be divided into three categories as follows:
 - a. amounts required to be paid for outstanding real property taxes and outstanding taxes under the *Metallic Minerals Tax Act*, to put the Mining Leases in good standing so that they can be transferred to a purchaser (the "**Good Standing Amounts**");
 - b. costs incurred by DNR related to keeping the mine de-watered, maintaining the mine site in a safe and accessible state and ensuring that the mines remained in continued compliance with provincial laws and regulations (the "**Maintenance Amounts**"); and
 - c. amounts alleged to be owing by TNB and TMM in relation to TNB's and TMM's ongoing environmental obligations, which included (i) ongoing care and maintenance obligations and costs incurred by DNR in relation thereto, (ii) obligations pursuant to TNB's Limited Environmental Liability Agreement, and (iii) unpaid environmental remediation obligations (the "**Ongoing Environmental Obligations**").

36. DNR recently updated the claimed amounts to April 2026.
37. The total of the Good Standing Amounts for TNB associated with the Caribou mine only, and not with respect to the Restigouche mine and its associated properties and tenures, was approximately \$3.085 million, consisting of:
- a. \$264,000 for unpaid Crown land leases;
 - b. \$85,000 for arrears on TNB mining leases;
 - c. \$1.593 million for unremitted Metallic Minerals Tax due from TNB;
 - d. \$5,700 for unpaid mineral claims; and
 - e. \$1,037,000 for unpaid property taxes.
38. As of February 2024, the total value of Maintenance Amounts was \$5.2 million with respect to TNB. The Receiver understands this amount has increased significantly since 2024 as DNR has continued to keep the mine de-watered, maintain the mine site and ensure regulatory compliance has continued.
39. DNR's position is that the Ongoing Environmental Obligations are in the millions of dollars and in excess of the sale proceeds.
40. The Receiver consulted with its legal counsel and was advised as follows:
- a. pursuant to the *Metallic Minerals Tax Act* of New Brunswick, a lien exists over the mines, land occupied by the mines, minerals, and all machinery of TNB, among other potential statutory liens;
 - b. GNB's consent is required for the transfer of the Mining Leases and Crown land leases and to alter the protected status of the mineral claims so that the Claims can be transferred from GNB to a purchaser; and

- c. GNB's support and consent is required for the LELA, which is a critical condition precedent to the transaction with CCI.

41. Based on counsel's advice, the Receiver was of the view that the Good Standing Payments would need to be paid to GNB in order to convey the assets to CCI pursuant to the TNB APA.

42. In addition to the Good Standing Payments of approximately \$3.085 million, the amounts set out by DNR as accrued and accruing to GNB with respect to the Maintenance Amounts and the Ongoing Environmental Obligations exceeded any potential realizable value for the assets of TNB.

43. The value required to accrue to GNB to ensure the support of GNB, including the LELA and the transfer of the Claims and the Mineral Leases, was subject to negotiation as between the Receiver and DNR on behalf of GNB. After several meetings, GNB set out its requirement that GNB receive a minimum of \$4.75 million from the closing proceeds of the BMC APA and the TMM APA. This amount was then updated based on a pro-rata calculation for the TNB APA (i.e. without the TMM APA) to \$4.05 million (the "**Settlement Amount**").

44. The Receiver agreed to seek approval of the Settlement Amount for the following reasons:

- a. the TNB APA results in a better recovery than an auction of TNB's equipment;
- b. as described in previous reports, the New Brunswick Department of Environment and Local Government ("**DELG**") advised the Receiver of DELG's position that (i) any attempt by the Receiver to remove TNB's equipment from the Caribou mine site would trigger an obligation to conduct an Environmental Impact Assessment in respect of the entire Caribou mine (an "**EIA**"), and (ii) such an EIA must be completed prior to the removal of TNB's equipment from the site;
- c. challenging DELG's position through the courts or complying with the preparation of an EIA could result in substantial costs and associated delay;

- d. the transaction contemplated by the TNB APA could not close without the support of the GNB, including consent to the LELA and the transfer of the Claims, Mineral Leases and Crown land leases; and
- e. closing the TNB APA would benefit other stakeholders including future employees of the mill, tax authorities, local businesses and suppliers.

45. As a result of the foregoing, the Receiver, the Monitor and GNB entered into the Settlement and Support Agreement dated June 24, 2026 (the “**Settlement and Support Agreement**”), the principal terms of which are summarized as follows:

- a. upon closing the TNB APA, \$4.05 million will be paid by the Receiver to GNB from the TNB APA closing proceeds;
- b. the Receiver and the Monitor will seek the approval of this Honourable Court of the Settlement Amount pursuant to the Settlement and Support Agreement;
- c. upon the granting of the order approving the Settlement and Support Agreement (the “**Settlement Order**”) and the payment of the Settlement Amount by the Receiver, GNB will release all claims against the residual closing proceeds from the TNB APA; and
- d. GNB will consent to and support the Receiver’s application with respect to the approval of the TNB APA.

46. A copy of the Settlement and Support Agreement is attached as Appendix “C” to this report.

TNB APA

47. The only remaining condition of the TNB APA to be fulfilled is court approval of the TNB APA and the granting of a vesting order with respect to the TNB assets being acquired (the “**TNB AVO**”).

48. A summary of the principal terms of the TNB APA are as follows:

- a. the purchase price for all of the assets of TNB (as defined in the TNB APA) is \$6.225 million (the “**Purchase Price**”);
- b. the deposit in the amount of \$275,000 will be applied on account of the Purchase Price at closing;
- c. the target closing date is set for July 20, 2026;
- d. the Purchaser will promptly and in a timely manner provide written requests, execute and deliver all required documents and materials and perform all necessary and required actions to obtain the approvals to the transfer to the Purchaser of the Claims, the Mining Leases, and the Crown land leases;
- e. the Purchaser will assume all environmental liabilities associated with the mining assets subject to the LELA negotiated with the GNB; and
- f. the Purchaser’s obligation to close the TNB APA is subject to the Receiver obtaining an order of this Honourable Court expanding the Receivership Order to include the Real Property Assets and approving the TNB APA.

49. The Receiver’s comments with respect to the TNB APA are as follows:

- a. the sale process described in the Third Report and the subsequent efforts detailed in this Fifth Report, was fair and transparent and provided all participants with equal access to information and opportunity to submit an offer;
- b. the Purchase Price and other terms of the TNB APA are reasonable and fair considering its market value as determined through the various sale processes conducted during the CCAA Proceedings and since the Receivership Date;

- c. the timelines, conditions and other key terms of the TNB APA are commercially reasonable in the circumstances, based on the Receiver's experience with similar transactions in the context of insolvency and restructuring proceedings;
- d. the Receiver is satisfied that CCI has the wherewithal to complete the transactions contemplated by the TNB APA;
- e. the TNB APA cannot close without the support of GNB; and
- f. the TNB APA will provide for a going-concern transaction to allow the potential operation and continued investment in the mill at the Caribou mine site to the benefit of the local community in and around Bathurst, New Brunswick, offering greater benefit than a forced liquidation of the Property.

50. Overall, the TNB APA is the best offer resulting from multiple sales processes and will result in reasonable recoveries to the stakeholders of TNB in a timely manner, and is in the best interests of TNB's stakeholders.

CLAIMS SUMMARY

51. As referenced earlier, a Claims Process was established in the CCAA Proceedings which included claims against TNB. There are two primary unresolved claims relating to TNB, as follows:

- a. the CRA in respect of post-filing amounts owing for HST totalling \$550,000, including penalties and interest of approximately \$38,000. A further \$976,000, including \$283,000 of interest and penalties, has been accepted in the CCAA Proceedings in respect of pre-filing HST amounts owing. The total balance of approximately \$1.5 million is primarily related to uncollected HST on sales to Glencore which Glencore sought to set off against amounts owing under its offtake agreement with TNB. The Monitor and the Receiver disputed Glencore's attempt to set off HST and sought payment of the HST amounts from Glencore.

Glencore has contested that the HST amount cannot be set off and the issue is currently before the courts; and

- b. Redpath Canada Limited in respect of a lien claim (the “**Redpath Claim**”) in the amount of \$7.9 million. The Redpath Claim remains unresolved pending further review by the Monitor.

52. There are also certain additional claimants that have filed liens against the real property of TNB, totalling approximately \$1.3 million. The Monitor anticipates addressing the status of these lien claims prior to any application for a distribution order.

RECEIVER’S INTERIM STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

53. A summary of the Receiver’s cash receipts and disbursements for the period from January 24, 2023 to June 19, 2026, is summarized below:

NEXT STEPS

55. Subject to the TNB AVO being granted by this Honourable Court, the outstanding steps for the Receiver and Monitor would include:

- a. completing the transactions contemplated by the TNB APA;
- b. resolving the remaining outstanding creditor claims;
- c. resolving the collection of outstanding HST amounts from Glencore; and
- d. returning before this Honourable Court for the approval of a distribution order.

CONCLUSIONS AND RECOMMENDATIONS

56. Overall, the transactions contemplated by the TNB APA represent the highest and best recoveries available to the stakeholders of TNB while allowing for the transition of the TNB assets to new ownership and is in the best interests of TNB's stakeholders.
57. Given the transactions contemplated by the TNB APA could not close without the support of the GNB and the value and nature of GNB's claims, the Settlement Amount and Settlement and Support Agreement is commercially reasonable and appropriate in the circumstances.
58. Based on the forgoing, the Receiver respectfully recommends that this Honourable Court grant the following orders:
- a. the TNB AVO; and
 - b. the Settlement Order.

All of which is respectfully submitted this 25th day of June, 2026.

**AMENDED AND RESTATED
TERM SHEET FOR POTENTIAL ACQUISITION OF CERTAIN ASSETS OF
TREVALI MINING (NEW BRUNSWICK) LTD.**

This Term Sheet (the "**Term Sheet**") dated as of June 16, 2025, summarizes the principal terms of a proposed purchase and sale (the "**Transaction**") of the key assets relating to the Caribou mine (the "**Caribou Mine**") located in Bathurst, New Brunswick, Canada, whereby Canadian Copper Inc. ("**CCI**"), an Ontario corporation, would purchase the Assets (as defined herein).

This Term Sheet amends and restates the Term Sheet dated as of October 28, 2024, as amended (as amended, the "**Existing Term Sheet**"), in its entirety. This Term Sheet is not intended to, and shall not constitute, a discharge, satisfaction, waiver or novation of the whole or any term or part of the Existing Term Sheet.

FTI Consulting Canada Inc. ("**FTI**"), in its capacities as (a) court-appointed monitor (in such capacity, the "**Monitor**") of Trevali Mining Corporation ("**TMC**"), a British Columbia corporation, in *Companies' Creditors Arrangement Act* proceedings before the Supreme Court of British Columbia (the "**Court**"), and (b) court-appointed receiver (in such capacity, the "**Receiver**"), without security, of all of the assets, undertakings and property of Trevali Mining (New Brunswick) Ltd. ("**Trevali NB**"), a New Brunswick corporation, including all proceeds thereof, other than real property, mineral claims, mining leases or real property leases owned or held by Trevali NB, would facilitate the transfer of the Assets (as defined below). TMC is the sole, direct shareholder of Trevali NB. There are no longer any directors or officers of TMC and Trevali NB.

Under the Transaction, for an amount of CDN\$6,225,000, CCI would purchase:

- a. pursuant to the tender process run by the Receiver, all of the assets, undertaking and property of Trevali NB located at or relating to the Caribou Mine, other than real property, mineral claims, mining leases or real property leases owned or held by Trevali NB; and
- b. the Monitor will facilitate the sale or transfer of Trevali NB's real property, mineral claims, mining leases or real property leases capable of transfer, by which CCI will acquire the ownership of such interests either: through a transfer from Trevali NB or the NB Government (defined below), as applicable; or by way of an acquisition of the shares in the capital of Trevali NB.

Other than in regards to the assets over which FTI is appointed Receiver, FTI is acting as facilitator and has no current Court-ordered power to convey assets of Trevali NB and as such, assuming that the Conditions Precedent (as defined below) are satisfied, FTI will seek any and all required orders of the Court to accomplish same, including without limitation the Sale Approval Order (as defined below).

Term	Description
1. Transaction Structure	Subject to the satisfaction or waiver of the relevant Conditions Precedent summarized in Section 11 hereof, on the completion date of the Transaction: (i) CCI will purchase the Assets (as such term is defined in Section 6 hereof); and (ii) subject to the terms of agreements which have yet to be negotiated and settled between CCI and the Government of New Brunswick (the "NB Government"), CCI will assume responsibility for environmental remediation and reclamation and continued care and maintenance of the Caribou Mine site (the "Site"). Subject to the satisfaction or waiver of the relevant Conditions Precedent summarized in Section 11 hereof, the completion date for the Transaction (the "Completion Date") will be October 1, 2025, or such other date as the Receiver, the Monitor and CCI may mutually agree up in writing, which will occur in accordance with the Definitive Agreements (as defined in Section 3 hereof) and the terms of the Transaction and all ancillary documents prepared in connection therewith are approved by an order (the "Sale Approval Order") of the Court, which would occur on date prior to the completion date (the "Court Approval Date").
2. About CCI	CCI's principal business concerns the acquisition, exploration and development of mining properties. CCI is headquartered in Toronto and holds 100% title to the largest volcanogenic massive sulfide ore deposit in New Brunswick: Murray Brook Project, which is 10km west of the Site.
3. Definitive Agreements	Following acceptance of this Term Sheet by the Receiver and the Monitor, CCI, the Receiver, and the Monitor will each work towards the preparation of the following documents: (a) a limited environmental liability agreement to be entered into by CCI and the NB Government regarding the obligations of the parties concerning environmental remediation and reclamation of the Site (the "Caribou LELA"); (b) an asset purchase agreement (the "Asset Purchase Agreement") to be entered into by CCI, as purchaser, and the Receiver and/or the Monitor, as vendor(s), whereby CCI will purchase the Assets; and (c) such other documents, agreements, instruments, directions, applications, and certificates (collectively, the "Other Documents") as may be determined by the Receiver and/or the Monitor, as applicable, and CCI, as necessary or advisable to complete the Transaction; (collectively, the "Definitive Agreements"). The Definitive Agreements will be in a form and containing substance satisfactory to both the Receiver and/or the Monitor, as applicable, and CCI, each acting reasonably, and will be conditional upon the Court granting the Sale Approval Order, both in form and substance satisfactory to the Receiver, Monitor and CCI, among other things, vesting the Assets of Trevali NB capable of transfer, free and clear of all encumbrances to CCI.

- 3 -

4. Additional Agreement	Following acceptance of this Term Sheet by the Receiver and the Monitor, CCI, intends to progress good faith discussions and a possible agreement (the "Additional Agreement") between CCI and the NB Government for restructuring the current \$2.0 million environmental bond attached to CCI's Murray Brook deposit. Specifically, the Murray Brook environmental bond is 100% funded in cash, and CCI and NB Government have discussed possible solutions where a new structure would be developed that is similar to a surety bond derivative. It is envisioned the Murray Brook environmental bond would be combined with the outstanding reclamation bond attached to the Site to consolidate both the closure liabilities and closure plans under one single development project. The Additional Agreement, if entered, will be in a form and containing substance satisfactory to both the Receiver and/or the Monitor, as applicable, and CCI, each acting reasonably, and will be conditional upon the Court granting the Sale Approval Order, both in form and substance satisfactory to the Receiver, Monitor and CCI, among other things, vesting the Assets of Trevali NB capable of transfer, free and clear of all encumbrances to CCI.
5. Care and Maintenance	CCI will assume responsibility for continued care and maintenance of the Site following the Court Approval Date or such other date as may be agreed between CCI and the NB Government.
6. Environmental Remediation	Pursuant and subject to the Caribou LELA, CCI will assume responsibility for environmental remediation of the Site following the Completion Date.
7. Assets to be Purchased	Pursuant and subject to the terms of the Asset Purchase Agreement, the assets to be purchased by CCI are those assets as generally set forth in the Offer, comprised of those categories of assets held by Trevali NB, and listed in the attached Schedule A, including the buildings and structures identified on the surface image included in Schedule A (the "Assets").
8. Purchase Price for the Assets	The purchase price paid by CCI for the Assets on the Completion Date, will total CDN\$6,225,000 (the "Purchase Price").
9. As Is, Where Is	CCI will purchase the Assets on an "as is, where is" basis without any surviving representations, warranties covenants or indemnities of any kind, nature or description by the Receiver or the Monitor, except to the extent expressly set forth in the Asset Purchase Agreement.

Term	Description
10. Deposit	CCI will pay an amount of CND\$275,000 (the "Deposit") to the Receiver and the Monitor or their solicitors in accordance with this Term Sheet and the Asset Purchase Agreement. As part of the Deposit, CCI will pay an amount of CND\$225,000 to the Receiver's and the Monitor's solicitors, Dentons Canada LLP, in trust, and the Receiver and Monitor acknowledge receipt thereof. The Deposit will be comprised of: 1. A non-refundable amount of CND\$100,000 (the "First Exclusivity Fee"); 2. A further non-refundable amount of CND\$50,000 (the "Second Exclusivity Fee", and collectively with the First Exclusivity Fee, the "Exclusivity Fee"); 3. A refundable amount of CND\$75,000 (the "First Deposit Balance"); and 4. An amount of CND\$50,000 (the "Second Deposit Balance", and collectively with the First Deposit Balance, the "Deposit Balance") to satisfy the full balance of the Deposit. The Exclusivity Fee is immediately available to the Receiver, to be used in its sole and unfettered discretion, and will not be refunded to CCI. CCI acknowledges and agrees that (a) the Exclusivity Fee is necessary to fund the Receiver's activities, including but not limited to progressing this Term Sheet; and (b) is paid to the Receiver in consideration for the Exclusivity Period granted to CCI set forth in Section 12. The First Deposit Balance will be refunded only if the Conditions Precedent set forth in Section 11(a) through (e) are not waived or declared fulfilled on or before the applicable date set out in Section 11, as may be extended thereunder. - (c) all Liabilities for, or related to any obligation for, any Tax that the Purchaser bears under Article 8 (including, for the avoidance of doubt, Transfer Taxes imposed in connection with this Agreement and the transactions contemplated hereunder or any other Transaction Document and the transactions contemplated thereunder);

To the extent that any Contract is not capable of being assigned pursuant to other applicable Laws or the terms of such Contract to the Purchaser on the Closing Date without the consent of the issuer thereof or the counter-party thereto or any Third Party (including a Government Entity), and such consent has not been obtained (collectively, the "**Non-Assignable Contracts**"), this Agreement will not constitute an assignment thereof, or an attempted assignment, unless any such consent is obtained. Any payment to be made in order to obtain any consent required by the terms of any Non-Assignable Contract will be the sole responsibility of the Purchaser. If such consent is required but not obtained, the Vendor will, at the Purchaser's sole cost and expense, cooperate with the Purchaser in any reasonable arrangement, including the Purchaser's provision of credit support, designed to provide for the Purchaser the benefits and obligations of or under any such Contract, including enforcement for the benefit of the Purchaser of any and all rights of the Vendor against a third party thereto arising out of the breach or cancellation thereof by such third party; provided, that nothing in this Section 3.5 will (i) require the Vendor to make any significant expenditure or incur any significant obligation on its own or on the Purchaser's behalf; or (ii) prohibit the Vendor from ceasing operations or winding up its affairs following the Closing. Any assignment to the Purchaser of any Contract that will require the consent of any Third Party for such assignment as aforesaid will be made subject to such consent being obtained or further order of the Court approving such assignment. Any contract that would be a Contract but is not assigned in accordance with the terms of this Section 3.5 will not be considered an "Contract" for purposes hereof unless and until such contract is assigned to the Purchaser following the Closing Date or such order has been granted by the Court approving such assignment.

PURCHASE PRICE AND ALLOCATION

4.1 Purchase Price and Deposit

4.1.1 Pursuant to the terms and subject to the conditions set forth in this Agreement, in consideration of the sale of the Assets pursuant to the terms hereof, the Purchaser will (i) pay to the Vendor an amount equal to \$6,225,000.00, which the Purchaser will pay and deliver at the Closing (to the extent not already paid) in accordance with Section 10.2 (the "**Cash Payment**"); and (ii) assume from TNB and the Vendor and become obligated to pay, perform and discharge, when due, the Assumed Liabilities (the amounts referred to in (i) and (ii), are collectively, the "**Purchase Price**").

4.1.3 The Parties acknowledge that an aggregate amount equal to \$225,000.00 (the "**Exclusivity Fee**") has been paid by the Purchaser to the Vendor, which amount is part of the Deposit that will be applied on account of the Purchase Price at the Closing.

4.1.4 The Purchaser acknowledges and agrees that the Exclusivity Fee will not be refunded and has been and is immediately available to the Vendor, to be used in its sole and unfettered discretion, and further acknowledges and agrees that:

4.1.6 The Parties hereby acknowledge and agree that the Deposit Balance paid by the Purchaser will be refundable if:

- (a) the Closing is not completed as a result of a breach of this Agreement by the Vendor and the Purchaser is not in default hereunder; or
- (b) the Approval and Vesting Order has not been obtained by the Outside Date or the Court declines at any time to grant the Approval and Vesting Order without leave to re-apply, in each case for reasons other than a breach of this Agreement by the Purchaser,

otherwise, if the Closing does not complete by the Target Closing Date, or such later date as the Parties may agree in writing, the Deposit Balance will be irrevocably forfeited to the Vendor and will be non-refundable. For greater certainty, such forfeiture of the Deposit Balance to the Vendor will be in addition to and not in substitution of any remedy the Vendor may have against the Purchaser pursuant to this Agreement or otherwise.

4.1.7 To the extent section 182 of the ETA applies to deem the Deposit, or a portion thereof, to be inclusive of GST/HST, the Purchaser shall pay the Vendor an additional amount sufficient to ensure that the Vendor receives the same net aggregate amount had the deeming provision not applied.

4.2 Purchase Price Allocation

Schedule 4.2 (the "**Asset Allocation Schedule**") allocates the Purchase Price (including specific allocation of the Assumed Liabilities that are liabilities for federal income Tax purposes) on a dollar basis among the Assets. Notwithstanding anything contained in this Agreement to the contrary, the Purchaser acknowledges and agrees that neither the Vendor, the Receiver, the Monitor, TNB, TMC, their representatives and their agents, nor any other Person, is making any representations or warranties whatsoever, express or implied, beyond those expressly given by the Vendor in Article 6 (as may be modified by the Disclosure Schedules), or with respect to any other information provided to the Purchaser in connection with the transactions contemplated hereby, including without limitation as to the probable success or profitability of the ownership, use or operation of the Business and the Assets after the Closing. The Purchaser acknowledges that it has conducted to its satisfaction its own independent investigation and due diligence of the Assets, the Business, and the Caribou Mine, and, in making the determination to proceed with the transactions contemplated by this Agreement, the Purchaser has relied on the results of its own independent investigation.

The Purchaser hereby acknowledges and agrees that: (i) the Purchaser is solely responsible for carrying out its own due diligence investigations of the Assets and Assumed Liabilities; (ii) by deciding to proceed with the transactions contemplated herein the Purchaser has relied on and is satisfied with all the results of its investigations; and (iii) except as otherwise expressly provided in Article 6 of this Agreement, neither the Vendor, the Monitor, the Receiver, TNB, TMC or their agents or representatives, nor any other Person is making any representations or warranties whatsoever, express or implied, with respect to any matter relating to the Assets, the Business, the Caribou Mine, and TNB's ownership and operation thereof or any Encumbrances or Liabilities (including Environmental Liabilities) associated therewith, and the quantity, quality, suitability for mining or costs of mining of any mineral reserves included in the Assets. Without in any way limiting the foregoing, the Purchaser acknowledges that neither the Vendor, the Monitor, the Receiver, TNB, TMC or their agents or representatives, nor any Person has given, will not be deemed to have given, and hereby disclaims any warranty, express or implied, of merchantability of fitness for any particular purpose as to any portion of the Assets, the Business or the Caribou Mine. Accordingly, the Purchaser agrees to accept the Assets at the Closing "As is" "Where is" and "With All Faults".

5.11 Purchaser's Qualifications to Obtain Transfer Approvals and Hold Permits and Licences

ARTICLE 7

COVENANTS AND OTHER AGREEMENTS

7.1 Approval of the Court

7.1.1 The Purchaser acknowledges that this Agreement and the transactions contemplated hereby are subject to the approval of the Court.

7.1.2 The Vendor will use its commercially reasonable efforts to obtain an Order of the Court in the Receivership Proceedings, substantially in the form attached as Exhibit A containing, among other things, orders: approving this Agreement; immediately prior to the Closing, expanding the definition of "Property" in the Receivership Order to include the Real Property Assets; authorizing and directing the Vendor to perform its obligations hereunder and to receive payment of the Purchase Price; authorizing the Vendor to execute such deeds, bills of sale and other instruments of sale and transfers as the Vendor may deem necessary or desirable in order to transfer to the Purchaser all of the Vendor's and TNB's interest in and to the Assets; enabling the Vendor to convey all of the Vendor's and TNB's interest in the Assets to the Purchaser (the "**Approval and Vesting Order**").

7.2 Co-operation

7.2.1 Upon the terms and subject to the conditions of this Agreement, each Party will use its commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, and cooperate with each other in order to do, all things necessary, proper or advisable under applicable Law to consummate the transactions contemplated by this Agreement as soon as practicable and to effect the Closing on the Target Closing Date, including the preparation and filing of all forms, registrations and notices required to be filed to consummate the Closing, making witnesses available in the Court or by declaration, as necessary, in obtaining the Approval and Vesting Order, and the taking of such actions as are necessary to obtain any requisite consent from a Government Entity or other Third Party; provided, however, at no time will the Vendor be obligated to make any payment or deliver anything of value to any Third Party (other than filing with and payment of any application fees to Government Entities, all of which will be paid or reimbursed by the Purchaser) in order to obtain any consent.

7.2.2 Each of the Vendor and the Purchaser will promptly notify the other of the occurrence, to such Party's knowledge, of any event or condition, or the existence, to such Party's knowledge, of any fact, that would reasonably be expected to result in (i) any of the conditions set forth in Article 9 not being satisfied; or (ii) any of the representations and warranties in Article 5 or Article 6 not being true and correct.

7.3 Transfer Approvals

7.3.1 To the extent required by applicable Laws, each Party agrees to prepare and file as promptly as practicable and, to the extent within such Party's control, in any event within fifteen (15) Business Days from the execution of this Agreement: (i) all filings and applications required and desirable to obtain; and (ii) all other necessary documents, registrations, statements, petitions, filings and applications for, or to obtain, any required Transfer Approvals and any other consent of any other Government Entities required to satisfy the condition set forth in Section 9.1(d).

7.3.2 Each Party will use commercially reasonable efforts to (i) cooperate with each other in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party; (ii) keep the other Party informed in all material respects of any

material communication received by such Party from, or given by such Party to, any Government Entity and of any material communication received or given in connection with any proceeding by a private party, in each case regarding any of the transactions contemplated hereby; and (iii) permit the other Party to review any material communication given to it by, and consult with each other in advance of any meeting or conference with any Government Entity, including in connection with any proceeding by a private party. The foregoing obligations in this Section 7.3.2 will be subject to any solicitor-client, work product or other privilege, and each Party hereto will coordinate and cooperate fully with the other Party hereto in exchanging such information and providing such assistance as such other Party may reasonably request in connection with the foregoing. The Parties will not take any action within their respective control that will have the effect of delaying, impairing or impeding the receipt of any required authorizations, consents, Orders or approvals. Fees incurred in connection with complying with any Law pursuant to this Section 7.3.2, and any filing or other administrative fees or costs incurred in connection with obtaining the Transfer Approvals will be borne solely by the Purchaser.

7.3.3 If any objections are asserted with respect to the transactions contemplated hereby under any Law or if any suit is instituted by any Government Entity or any private party challenging any of the transactions contemplated hereby as being in violation of any Law or if the filing pursuant to this Section 7.3 is reasonably likely to be rejected or conditioned by a federal, provincial or territorial Government Entity, each Party will use commercially reasonable efforts to resolve such objections or challenge as such Government Entity or private party may have to such transactions, including to vacate, lift, reverse or overturn any Action, whether temporary, preliminary or permanent, so as to permit consummation of the transactions contemplated by this Agreement.

7.3.4 The Purchaser will use its commercially reasonable efforts to satisfy (or cause the satisfaction of) the conditions precedent to the Purchaser's obligations associated with the Closing hereunder as set forth in Section 9.1 and Section 9.3 to the extent the same is within its control and to take, or cause to be taken, all other action and to do, or cause to be done, all other things necessary, proper or advisable under all applicable Laws to consummate the transactions contemplated by this Agreement, including using its commercially reasonable efforts to obtain the Transfer Approvals in accordance with Section 7.3.5, and any other Third Party consents required to be obtained, in order for the Parties to consummate the transactions contemplated by this Agreement.

7.3.5 No later than three (3) Business Days after the execution of this Agreement, the Purchaser agrees to contact applicable Government Entities and use its commercially reasonable efforts to understand the requirements associated with the timely transfer of the Assets listed in Schedule B from the Vendor to the Purchaser, including in order to obtain, as of the Closing Date, replacement Permits and Licences for those Permits and Licences presently held by TNB and otherwise required to manage the Caribou Mine that are not transferable. Prior to the Closing, the Purchaser: (i) will file with DNR or other appropriate Government Entities all applications, requests for consent, and other instruments required to transfer the Assets listed in Schedule B which are subject to approval or other processing by such Government Entities, from the Vendor to the Purchaser (including the posting and acceptance of whatever fees or financial assurance instruments that may be required in connection with such approval or other processing); (ii) will file with DNR or other appropriate Government Entities all applications, instruments or notices for approval or other processing by such Government Entities, as may be necessary to obtain replacement Permits and Licences as of the Closing Date for those Permits and Licences presently held by TNB that are not transferable (including the posting and acceptance by the appropriate Government Entity of whatever fees or financial assurance instruments are required in connection with such approval or other processing); and (iii) obtain the consent from DNR or other appropriate Government Entities to transfer those Assets from TNB and the Vendor to the Purchaser described in (i), and the issuance from the appropriate Government Entities of

new Permits and Licences that are not transferrable to the Purchaser described in (ii); with those items referenced in sub-clauses (i), (ii), and (iii) above collectively referred to as the **"Transfer Approvals"**.

7.3.6 The Purchaser will diligently pursue on a commercially reasonable efforts basis all Transfer Approvals necessary to complete the transfer of such Permits and Licences from TNB and the Vendor to the Purchaser or obtain new Permits and Licences in the Purchaser's own name as of the Closing Date (acknowledging that all such Transfer Approvals will be contingent on the consummation of the Closing unless the terms of this Agreement provide otherwise), and will keep the Vendor apprised of the status of its efforts to secure such Transfer Approvals.

7.3.7 All of the Transfer Approvals that are reasonably within the Purchaser's control to obtain must be in place and effective as of the Closing Date, and the Purchaser will have no right to conduct any activities under any of the Permits and Licences or Contract that has not been assigned, transferred or re-issued to the Purchaser.

7.4 Replacement of Bonds

Prior to the Closing, in order to meet certain financial assurance requirements in obtaining the Transfer Approvals (including new Permits and Licences in the name of the Purchaser), the Purchaser will provide to the appropriate Government Entities or other applicable party a firm undertaking (including submission of evidence of financial assurance in a form acceptable to the Government Entities or other party), and (subject only to the payment of required premiums by the Purchaser and the Closing) will post, effective as of the Closing Date, the requisite bonds (including any reclamation bond) and any other financial assurance instruments that may be required (collectively, the **"Bonds"**), in a form and amount acceptable to the Government Entities and other applicable Third Party. The Purchaser agrees to cooperate and work with the Government Entities or other parties to ensure that the required bonds and other financial assurance instruments become effective promptly after the applications to transfer are accepted by the Government Entities or other applicable parties and bond determinations are provided and to ensure the posting and acceptance by the Government Entities of the required bond and other financial assurance instruments.

7.5 Pre-Closing Access to Information

Prior to the Closing, the Vendor will (a) give the Purchaser and its authorized representatives, upon advance notice and during regular business hours, access to all books, records, reports, plans, certificates, files, documents and information related to the Assets, personnel, officers and other facilities and properties of the Business; and (b) permit the Purchaser to make such copies and inspections thereof, upon advance notice and during regular business hours, as the Purchaser may reasonably request; provided, however, that (i) any such access will be conducted at Purchaser's expense, in accordance with applicable Laws, under the supervision of the Vendor's personnel and in such a manner as to maintain confidentiality and not to interfere with the normal operations of the businesses of the Vendor and its Affiliates; and (ii) the Vendor will not be required to provide to the Purchaser access to or copies of any records of former employees.

7.6 Public Announcements

Except as necessary for the Party to make any filing with the Court to obtain approval of the transactions contemplated by this Agreement and upon 24 hours' advance notice of such public announcement or press release, no Party will issue any press release or public announcement concerning this Agreement or the transactions contemplated by this Agreement without obtaining the prior written

approval of the other Party, which approval will not be unreasonably withheld or delayed, unless, in the reasonable judgment of the Purchaser or the Vendor, disclosure is otherwise required by applicable Law, or the Court with respect to filings to be made with the Court in connection with this Agreement, provided that the Party intending to make such release will use its reasonable best efforts consistent with such applicable Law or the Court's or other regulatory requirements, to consult with the other Party with respect to the text thereof.

7.7 Further Actions

From and after the Closing Date, each Party will execute and deliver such documents and other papers and take such further actions as may reasonably be required to carry out the provisions of this Agreement and give effect to the transactions contemplated herein, including the execution and delivery of such assignments, deeds and other documents as may be necessary to transfer any Assets as provided in this Agreement; provided that, the Vendor will not be obligated to make any payment or deliver anything of value to any Third Party (other than filing with and payment of any application fees to Government Entities, all of which will be paid or reimbursed by the Purchaser) in order to obtain any consent to the transfer of Assets or the assumption of Assumed Liabilities.

7.8 Conduct of Business

The Vendor covenants that until Closing, subject to any limitation imposed as a result of being subject to the Insolvency Proceedings and except as: (i) the Parties may approve otherwise in writing as set forth below; or (ii) otherwise contemplated or permitted by this Agreement or another Transaction Document; or (iii) required by Law (including any applicable Insolvency Law) or by any order of the Court, the Vendor, as Receiver, will continue to operate with respect to the Property (as defined in the Receivership Order) in accordance with the terms of the Receivership Order. Notwithstanding the foregoing, the Purchaser acknowledges and agrees that on the date of execution of this Agreement until the Closing, the Province has stepped in as regulator to perform legally required care and maintenance activities to mitigate environmental consequences to the Property and will continue to do so until Closing.

7.9 Transaction Expenses

Except as otherwise provided in this Agreement or the Ancillary Agreements (including, without limitation, Section 11.2), each of the Purchaser and the Vendor will bear its own costs and expenses (including brokerage commissions, finders' fees or similar compensation, and legal fees and expenses) incurred in connection with this Agreement, the other Transaction Documents and the transactions contemplated hereby and thereby.

7.10 Certain Payments or Instruments Received from Third Parties

To the extent that, after the Closing Date: (a) the Purchaser receives any payment or instrument that is for the account of the Vendor according to the terms of this Agreement, the Purchaser will promptly deliver such amount or instrument to the Vendor; and (b) the Vendor receives any payment that is for the account of the Purchaser according to the terms of this Agreement or relates primarily to the Business, the Vendor will promptly deliver such amount or instrument to the Purchaser. All amounts due and payable under this Section 7.10 will be due and payable by the applicable Party in immediately available funds, by wire transfer to the account designated in writing by the relevant Party. Notwithstanding the foregoing, each Party hereby undertakes to use reasonable commercial efforts to direct or forward all bills, invoices or like instruments to the appropriate Party.

7.11 Deemed Consent

For the purposes of this Agreement, the Purchaser will be deemed to have obtained all required consents in respect of the assignment of any Contract if, and to the extent that, pursuant to the Approval and Vesting Order, the Vendor is authorized to assign to the Purchaser such Contract pursuant to the provisions of applicable Bankruptcy and Insolvency Laws.

7.12 Notification of Certain Matters

The Vendor will give written notice to the Purchaser and the Purchaser will give written notice to the Vendor, as applicable, promptly after becoming aware of: (a) the occurrence of any event, which would be likely to cause any condition set forth in Article 9 to be unsatisfied in any material respect at any time from the date hereof to the Closing Date; or (b) any notice or other communication from: (i) any Person alleging that the consent of such Person is or may be required in connection with any of the transactions contemplated by this Agreement; or (ii) any Government Entity in connection with any of the transactions contemplated by this Agreement; provided, however, that the delivery of any notice pursuant to this Section 7.12 will not limit or otherwise affect the remedies available hereunder to the Vendor or to the Purchaser.

7.13 Casualty Loss

Notwithstanding any provision in this Agreement to the contrary, if, before the Closing, all or any portion of the Assets is: (a) condemned or taken by eminent domain; or (b) a material portion is damaged or destroyed by fire or other casualty; then the Vendor will notify the Purchaser promptly in writing of such fact, and (i) in the case of condemnation or taking, the Vendor will assign or pay, as the case may be, any proceeds thereof to the Purchaser at the Closing; and (ii) in the case of fire or other casualty, the Vendor will, at its option, either restore such damage or assign the insurance proceeds therefrom to the Purchaser at Closing. Notwithstanding the foregoing, the provisions of this Section 7.13 will not in any way modify the Purchaser's other rights under this Agreement.

ARTICLE 8 TAX MATTERS

8.1 Transfer Taxes

8.1.1 The Parties agree that the Purchase Price is exclusive of any Transfer Taxes. Subject to Section 8.2, the Purchaser shall, on Closing, pay any and all Transfer Taxes, including GST/HST, that are properly payable to the Vendor under applicable Law in connection with this Agreement and the transactions contemplated herein and the other Transaction Documents and the transactions contemplated therein. Furthermore, the Purchaser shall promptly pay directly to the appropriate Governmental Authority any and all Transfer Taxes that are properly payable under applicable Law in connection with this Agreement directly to the appropriate Governmental Authority, and promptly provide to the Vendor proof of such payment.

8.1.2 If the Purchaser wishes to claim any exemption relating to, or a reduced rate of, Transfer Taxes, in connection with this Agreement or the transactions contemplated herein or the other Transaction Documents and the transactions contemplated therein, the Purchaser will be solely responsible for ensuring that such exemption or election applies and, in that regard, will provide the Vendor prior to the Closing with its permit number, GST/HST number, or other similar registration numbers and/or any appropriate

certificate of exemption, election and/or other document or evidence to support the claimed entitlement to such exemption or reduced rate by the Purchaser. The Vendor will make reasonable efforts to cooperate to the extent necessary to obtain any such exemption or reduced rate.

8.2 Tax Elections

8.2.1 Notwithstanding the foregoing, the Vendor and the Purchaser agree that, on Closing Date, they shall jointly execute elections under section 167 of the ETA with respect to the sale, assignment and transfer of the Assets by the Vendor. The Vendor and the Purchaser shall make the elections on the prescribed form containing the prescribed information and such election form shall be filed by the Purchaser in accordance with the requirements of the ETA, and, promptly thereafter, the Purchaser shall confirm to the Vendor in writing that such election form has been so filed. The Purchaser shall indemnify and hold the Vendor and TNB, as well as their shareholders, directors and employees, harmless in respect of any (i) GST/HST under the ETA that may be assessed against, or incurred by, the Vendor in relation to the sale, assignment and transfer of the Assets, and (ii) any penalties, interests, and/or costs, including reasonable professional fees which may become payable by or assessed against the Vendor and/or TNB as a result of the transaction set forth in this Agreement not being eligible for such election, notably as a consequence of the Purchaser's failure to file the election form within the prescribed time, or any failure in acceptance by any Governmental Authority of those elections. This covenant to indemnify shall survive the Closing and shall continue in full force and effect for the benefit of the Vendor until the expiration of the time during which the relevant Governmental Authority may assess the Vendor in respect of the sale, assignment and transfer of the Assets (as extended pursuant to any waivers, including extensions).

8.3 Tax Characterization of Payments under this Agreement

The Vendor and the Purchaser agree to treat all payments made either to or for the benefit of the other Party under this Agreement as adjustments to the Purchase Price for Tax purposes and that such treatment will govern for purposes hereof to the extent permitted under applicable Tax Law.

8.4 Records

After the Closing Date, the Purchaser and the Vendor, will each make available to the other, as reasonably requested, and to any Tax Authority, all information, records or documents relating to liability for Taxes with respect to the Assets, the Assumed Liabilities, the Business for all periods prior to or including the Closing Date, and will preserve such information, records or documents until the expiration of any applicable statute of limitations or extensions thereof. In the event that one Party needs access to records in the possession of the other Party relating to any of the Assets, the Assumed Liabilities, or the Business for purposes of preparing Tax Returns or complying with any Tax audit request, subpoena or other investigative demand by any Tax Authority, or for any other legitimate Tax-related purpose not injurious to the second Party, the other Party will allow representatives of the other Party access to such records during regular business hours at the other Party's place of business for the sole purpose of obtaining information for use as aforesaid and will permit such other Party to make extracts and copies thereof as may be necessary or convenient. The obligation to cooperate pursuant to this paragraph will terminate at the time the relevant applicable statute of limitations expires (giving effect to any extension thereof).

8.5 Tax Allocation

For purposes of Section 3.3(c) all real and personal property Taxes and similar ad valorem obligations levied with respect to the Assets, whether imposed or assessed before or after the Closing Date ("Periodic Taxes") for a taxable period that includes (but does not end on) the Closing Date (a "Straddle

Period"), will be apportioned between the Vendor and the Purchaser as of the Closing Date based on the number of days of such taxable period included in the period ending with and including the Closing Date (together with periods ending before the Closing Date, the "**Pre-Closing Tax Period**"), and the number of days of such taxable period beginning after the Closing Date (together with any periods beginning after the Closing Date, the "**Post-Closing Tax Period**"). At the Closing, Periodic Taxes with respect to each Asset for the applicable Tax period will be prorated in accordance with the foregoing provisions based on the Tax assessment for such Asset for the applicable Tax period, if available, or otherwise, based on the last available Tax assessment with respect to such Asset. The Vendor will be responsible for such Periodic Taxes attributable to Pre-Closing Tax Periods and the Purchaser will be responsible for such Periodic Taxes attributable to Post-Closing Tax Periods. At the Closing, (x) the Vendor will pay to the Purchaser an amount equal to the excess, if any, of the (i) unpaid Periodic Taxes attributable to Pre-Closing Tax Periods over (ii) Periodic Taxes paid by TNB or the Vendor but apportioned hereunder to the Purchaser for Straddle Periods (each determined in accordance with the foregoing principles); or (y) the Purchaser will pay to the Vendor an amount equal to the excess, if any, of (i) Periodic Taxes apportioned to the Purchaser with respect to Straddle Periods but previously paid by TNB or the Vendor, over (ii) unpaid Periodic Taxes attributable to Pre-Closing Tax Periods, as applicable. The Purchaser will also be responsible for preparing and filing all Periodic Tax returns required to be filed after the Closing Date.

13.1 No Survival of Representations and Warranties or Covenants

No representations or warranties, covenants or agreements in this Agreement or in any instrument delivered pursuant to this Agreement will survive beyond the Closing Date. Accordingly, no claim of any nature whatsoever for breach of such representations, warranties, covenants or agreements may be made, or Action instituted, after the Closing Date. Notwithstanding the foregoing, the covenants and agreements that by their terms are to be satisfied after the Closing Date will survive until satisfied in accordance with their terms.

13.2 Supplement to Disclosure Schedules

From time to time prior to the Closing, the Vendor will supplement or amend the Disclosure Schedules with respect to any matter that, if existing, occurring or known at the date of this Agreement, would have been required to be set forth or described in the Disclosure Schedules. The Disclosure Schedules will be deemed amended by all such supplements and amendments for all purposes (except for purposes of determining whether the conditions set forth in Article 9 of the Agreement have been satisfied).

13.3 Remedies

No failure to exercise, and no delay in exercising, any right, remedy, power or privilege under this Agreement by any Party will operate as a waiver of such right, remedy, power or privilege, nor will any single or partial exercise of any right, remedy, power or privilege under this Agreement preclude any other or further exercise of such right, remedy, power or privilege or the exercise of any other right, remedy, power or privilege.

13.4 No Third-Party Beneficiaries

This Agreement is for the sole benefit of the Parties and their permitted assigns and nothing herein, express or implied, is intended to or will confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

13.5 Consent to Amendments; Waivers

No Party will be deemed to have waived any provision of this Agreement or any of the other Transaction Documents unless such waiver is in writing, and then such waiver will be limited to the circumstances set forth in such written waiver. The Transaction Documents will not be amended, altered or qualified except by an instrument in writing signed by all the Parties hereto or thereto, as the case may be.

13.6 Successors and Assigns

Except as otherwise expressly provided in this Agreement, all representations, warranties, covenants and agreements set forth in this Agreement or any of the Ancillary Agreements by or on behalf of the Parties thereto will be binding upon and enure to the benefit of such Parties and their respective successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any Party without the prior written consent of the other Party, which consent may be withheld in such Party's sole discretion, except for (i) assignment to an Affiliate of a Party (provided that such Party remains liable jointly and severally with its assignee Affiliate for the assigned obligations to the other Party); and (ii) assignment by the Vendor pursuant to an order of Court, which will not require the consent of the Purchaser.

13.7 Governing Law; Submission to Jurisdiction

13.7.1 Any questions, claims, disputes, remedies or Actions arising from or related to this Agreement, and any relief or remedies sought by any Parties, will be governed exclusively by the Laws of the Province of British Columbia and Environmental Law without regard to the rules of conflict of laws applied therein or any other jurisdiction.

13.7.2 To the fullest extent permitted by applicable Law, each Party (i) agrees that any claim, action or proceeding by such Party seeking any relief whatsoever arising out of, or in connection with, this Agreement or the transactions contemplated hereby will be brought only in the Court, if brought prior to the entry of a final order closing the Receivership Proceedings and the CCAA Proceedings; (ii) agrees to submit to the exclusive jurisdiction of the Court, for purposes of all legal proceedings arising out of, or in connection with, this Agreement or the transactions contemplated hereby; (iii) waives and agrees not to assert any objection that it may now or hereafter have to the laying of the venue of any such Action brought in such court or any claim that any such Action brought in such court has been brought in an inconvenient forum; (iv) agrees that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 13.8 or any other manner as may be permitted by Law will be valid and sufficient service thereof; and (v) agrees that a final judgment in any such action or proceeding will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

13.9 Exhibits, Disclosure Schedules

The Disclosure Schedules and the Exhibits attached hereto constitute a part of this Agreement and are incorporated into this Agreement for all purposes as if fully set forth herein.

13.10 Counterparts

The Parties may execute this Agreement in two or more counterparts (no one of which need contain the signatures of all Parties) and deliver the Agreement by facsimile or other form of electronic transmission, each of which will be deemed an original and all of which together will constitute one and the same instrument.

13.11 No Presumption

The Parties agree that this Agreement was negotiated fairly between them at arm's length and that the final terms of this Agreement are the product of the Parties' negotiations. Each Party represents and warrants that it has sought and received experienced legal counsel of its own choosing with regard to the contents of this Agreement and the rights and obligations affected hereby. The Parties agree that this Agreement will be deemed to have been jointly and equally drafted by them, and that the provisions of this Agreement therefore should not be construed either for or against a Party on the grounds that such Party drafted or was more responsible for drafting the provisions.

13.12 Severability

If any provision, clause, or part of this Agreement, or the application thereof under certain circumstances, is held invalid, illegal or incapable of being enforced in any jurisdiction, (i) as to such jurisdiction, the remainder of this Agreement or the application of such provision, clause or part under other circumstances; and (ii) as for any other jurisdiction, any provision of this Agreement, will not be affected and will remain in full force and effect, unless, in each case, such invalidity, illegality or unenforceability in such jurisdiction materially impairs the ability of the Parties to consummate the transactions contemplated by this Agreement. Upon such determination that any clause or other provision is invalid, illegal or incapable of being enforced in such jurisdiction, the Parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible even in such jurisdiction.

13.13 Specific Performance

13.13.1 The Purchaser acknowledges and agrees that any breach of the terms of this Agreement by Purchaser would give rise to irreparable harm for which money damages would not be an adequate remedy, and, accordingly agrees that, in addition to any other remedies, the Vendor will be entitled to enforce the terms of this Agreement, including, for the avoidance of doubt, Purchaser's obligation to fund the Purchase Price, by a decree of specific performance without the necessity of proving the inadequacy of money damages as a remedy and without the necessity of posting a bond.

13.13.2 The Purchaser agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief when expressly available pursuant to the terms of this Agreement on the basis that (i) there is adequate remedy at law; or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity. In the event the Vendor seeks an injunction or injunctions to prevent breaches of this Agreement when expressly available pursuant to the terms of this Agreement and to enforce specifically the terms and provisions of this Agreement when expressly available pursuant to the terms of this Agreement, it will not be required to provide any bond or other security in connection with any such order or injunction.

13.14 Entire Agreement

This Agreement and the Ancillary Agreements set forth the entire understanding of the Parties relating to the subject matter thereof, and all prior or contemporaneous understandings, agreements, representations and warranties, whether written or oral, are superseded by this Agreement and the Ancillary Agreements, and all such prior or contemporaneous understandings, agreements, representations and warranties are hereby terminated. In the event of any irreconcilable conflict between this Agreement and any of the Ancillary Agreements, the provisions of this Agreement will prevail.

13.15 Damages

Under no circumstances will any Party be liable for punitive damages or indirect, special, incidental, or consequential damages arising out of or in connection with this Agreement or the transactions contemplated hereby or any breach or alleged breach of any of the terms hereof, including damages alleged as a result of tortious conduct.

ON THE APPLICATION of FTI Consulting Canada Inc., in its capacities as (i) court-appointed monitor (in such capacity, the "**Monitor**") of Trevali Mining Corporation and Trevali Mining (New Brunswick) Ltd. ("**TNB**") and (ii) court-appointed receiver (in such capacity, the "**Receiver**") of certain assets, undertakings and properties of TNB, coming on for hearing at Vancouver, British Columbia, on the 29th day of June, 2026; AND ON HEARING John Sandrelli and Eamonn Watson, counsel for the Monitor and the Receiver, and those other counsel listed on **Schedule "A"** hereto; AND UPON READING the material filed, including the Fifth Report of the Receiver dated June [-], 2026 (the "**Report**"); AND pursuant to the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended, the *British Columbia Supreme Court Civil Rules*, and the inherent jurisdiction of this Honourable Court;

THIS COURT ORDERS AND DECLARES that:

1. The time for service of the Notice of Application filed June [-], 2026, and supporting materials is hereby abridged such that the Notice of Application filed June [-], 2026, is properly returnable today and service thereof upon any interested party other than those parties on the Service List (as defined in the Order of this Court granted January 9, 2023 (the "**Receivership Order**")) maintained by the Receiver for these proceedings is hereby dispensed with.
2. On the "Closing Date", as defined in the Asset Purchase Agreement dated June 24, 2026 (the "**Sale Agreement**") between the Receiver and Canadian Copper Inc. (the "**Purchaser**"), a copy of which is attached as Appendix "[-]" to the Report, the definition of "Property", as set out in the Receivership Order, appointing the Receiver, is hereby expanded to include all of the Assets as defined the Sale Agreement and listed on **Schedule "C"** hereto, including all proceeds thereof. For greater certainty, the definition of "Property", as set out in the Receivership Order, shall include the Real Property Assets as defined in the Sale Agreement, but shall not include any real property, mineral claims, mining leases, or real property leases owned or held by TNB that are not included as part of the Real Property Assets as defined in the Sale Agreement.
3. The sale transaction (the "**Transaction**") contemplated by the Sale Agreement is hereby approved, and the Sale Agreement is commercially reasonable. The execution of the Sale Agreement by the Receiver is hereby authorized and approved, with such minor amendments to the Sale Agreement as the Receiver and the Purchaser may agree to, and the Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance to the Purchaser of the assets described in the Sale Agreement (the "**Assets**").
4. This Order shall constitute the only authorization required by the Receiver to proceed with the Transaction, and that no shareholder or other approval shall be required in connection therewith, save for those authorizations contemplated in the Sale Agreement.

claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the “**Claims**”) including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Orders of this Court, including, but not limited to, the Order of this Court granted August 19, 2022, as amended and restated by the Order of this Court dated August 29, 2022, and the Receivership Order; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* of British Columbia, the *Personal Property Security Act* of New Brunswick or any other personal property registry system; and (iii) those Claims listed on **Schedule “D”** hereto (all of which are collectively referred to as the “**Encumbrances**”), and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Assets are hereby expunged and discharged as against the Assets.

6. Upon presentation for registration in the Land Registry of New Brunswick of a certified copy of this Order, in the manner prescribed by the applicable land registry office, together with a letter from the Receiver’s counsel authorizing registration of this Order, the New Brunswick Registrar General of Land Titles is hereby directed to:

- (a) enter the Purchaser as the owner of the Real Property, as identified in Section B.3 of **Schedule “C”** hereto (the “**Real Property**”), together with all buildings and other structures, facilities and improvements located thereon and fixtures, systems, interests, licenses, rights, covenants, restrictive covenants, commons, ways, profits, privileges, rights, easements and appurtenances to the said hereditaments belonging, or with the same or any part thereof, held or enjoyed or appurtenant thereto, in fee simple in respect of the Real Property, and this Court declares that it has been proved to the satisfaction of the Court on investigation that the title of the Purchaser in and to the Real Property is a good, safe holding and marketable title and directs the New Brunswick Registrar General of Land Titles to register indefeasible title in favour of the Purchaser as aforesaid; and
- (b) having considered the interest of third parties, to discharge, release, delete and expunge from title to the Real Property all of the registered Encumbrances including all Claims against title to the New Brunswick Property, whether or not they have been recorded or registered in the Registry Office pursuant to the *Registry Act* (New Brunswick) or in the Land Titles Office pursuant to the *Land Titles Act* (New Brunswick).

7. For the purposes of determining the nature and priority of Claims, the net proceeds from the sale of the Assets shall stand in the place and stead of the Assets, and from and

after the delivery of the Receiver's Certificate all Claims shall attach to the net proceeds from the sale of the Assets with the same priority as they had with respect to the Assets immediately prior to the sale, as if the Assets had not been sold and remained in the possession or control of the person having had possession or control immediately prior to the sale.

8. The Receiver is to file with the Court a copy of the Receiver's Certificate forthwith after delivery thereof.

9. Pursuant to Section 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act* or Section 18(10)(o) of the *Personal Information Protection Act* of British Columbia, the Receiver is hereby authorized and permitted to disclose and transfer to the Purchaser all human resources and payroll information in the company's records pertaining to TNB's past and current employees. The Purchaser shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by TNB.

10. Subject to the terms of the Sale Agreement, vacant possession of the Assets, including any real property, shall be delivered by the Receiver to the Purchaser at 10:00 am PST on the Closing Date (as defined in the Sale Agreement).

11. The Receiver, with the consent of the Purchaser, shall be at liberty to extend the Target Closing Date and the Outside Date (as defined in the Sale Agreement) to such later date as those parties may agree without the necessity of a further Order of this Court.

12. Notwithstanding:

- (a) these proceedings;
- (b) any applications for a bankruptcy order in respect of TNB now or hereafter made pursuant to the *Bankruptcy and Insolvency Act* and any bankruptcy order issued pursuant to any such applications; and
- (c) any assignment in bankruptcy made by or in respect of TNB,

the vesting of the Assets in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of TNB and shall not be void or voidable by creditors of TNB, nor shall it constitute or be deemed to be a transfer at undervalue, fraudulent preference, assignment, fraudulent conveyance or other reviewable transaction under the *Bankruptcy and Insolvency Act* or any other applicable

federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.

Unless otherwise specifically indicated, any reference to a statute in this Agreement refers to that statute and to the regulations made under that statute as in force from time to time.

2.7 Exhibits

2.7.1 Exhibit A (Form of Settlement Approval Order) annexed hereto or referred to herein is hereby incorporated in and made a part of this Agreement as if set in full herein. For greater certainty, Exhibit B (TNB APA) does not form a part of this Agreement but is included for reference.

2.7.2 Any capitalized terms used in any Exhibit but not otherwise defined therein will be defined as set forth in this Agreement.

ARTICLE 3 REPRESENTATIONS AND WARRANTIES OF DNR

3.1 Authorization

DNR hereby represents and warrants to each of TMC, the Monitor and the Receiver, as follows:

3.1.1 This Agreement has been duly authorized, executed and delivered by DNR and is in full force and effect. Assuming due authorization, execution and delivery by the Receiver and the Monitor, on behalf of TMC, this Agreement constitutes, or upon execution thereof will constitute, a valid and binding obligation of DNR, enforceable against GNB and DNR in accordance with its respective terms, except as such enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or similar Laws now or hereafter in effect relating to creditors' rights generally or general principles of public policy. This Agreement will be effective only when it has been signed by all of the authorized signatories of the Parties.

3.1.2 To the best of DNR's knowledge, the authorization, execution, and delivery and performance of this Agreement by the Parties will not violate any applicable law or any order, declaration, or judgment binding on the Parties, or any consent, license, permit, or approval of the Parties, or any agreement to which the Parties are a party.

ARTICLE 4 REPRESENTATIONS AND WARRANTIES OF THE RECEIVER AND TMC

4.1 Representations and Warranties of the Receiver and TMC

4.1.1 The Receiver hereby represents and warrants to DNR as follows:

- (a) the Receiver has been appointed as the Receiver of the Receivership Process Assets pursuant to the Receivership Order, and such order is in full force and effect as of the date hereof.

4.1.2 TMC hereby represents and warrants to DNR as follows:

- (a) the Monitor has been appointed as the Monitor of TMC and TNB pursuant to the CCAA Order, and such order is in full force and effect as of the date hereof.

4.2 No Other Representations and Warranties

Except for the representations and warranties of the Receiver, the Monitor and TMC contained in this Article 4, neither the Receiver, the Monitor, TNB, TMC, their agents and their representatives, nor any other Person has made or makes any other express or implied representation or warranty, either written or oral, on behalf of the Receiver, the Monitor, TNB or TMC whether in respect of the TNB Assets, the Business, or the Caribou Mine, or otherwise, including any representation or warranty as to the accuracy or completeness of any information regarding TNB or TMC furnished or made available to DNR and its representatives, or any representation or warranty arising from statute or otherwise at Law.

ARTICLE 5 CCAA PROCEEDINGS

5.1 Court Approval

5.1.1 The Parties acknowledges that this Agreement and the transactions contemplated in the TNB APA are subject to the Court granting one or more orders in the Receivership Proceedings and the CCAA Proceedings, including but not limited to:

- (a) an Order of the Court in the Receivership Proceedings containing, among other things, orders: approving the TNB APA; expanding the definition of "Property" in the Receivership Order to include the Real Property Assets; authorizing and directing the Receiver to perform its obligations under the TNB APA and, subject to the payment under the TNB APA, providing for the vesting in Canadian Copper all of the right, title and interest, if any, of TNB in and to the TNB Assets, free and clear of all liens, charges and encumbrances; and authorizing and directing the Receiver to execute such deeds, bills of sale and other instruments of sale and transfers as the Receiver may deem necessary or desirable in order to transfer to Canadian Copper all of TNB's interest in and to the TNB Assets (the **"Approval and Vesting Order"**); and
- (b) an Order of the Court in the Receivership Proceedings and the CCAA Proceedings, as applicable, substantially in the form attached as Exhibit A, approving this Agreement and authorizing the Receiver and the Monitor, on behalf of TMC, to execute this Agreement and any related or ancillary documents and agreements on behalf of TMC and TNB; authorizing and directing the Receiver and the Monitor, on behalf of TMC, as applicable, to execute such other documents as the Receiver and the Monitor, on behalf of TMC, as applicable, may deem necessary or desirable in order to give effect to this Agreement; and authorizing and directing the Receiver and the Monitor, on behalf of TMC, as applicable, to pay DNR the Settlement Amount (the **"Settlement Approval Order"**).

5.1.2 The Receiver and the Monitor, on behalf of TMC, as applicable, with the support of DNR, will use their commercially reasonable efforts to obtain the Settlement Approval Order.

5.2 Court Materials

5.2.1 The Receiver and the Monitor, on behalf of TMC, as applicable, shall deliver to DNR draft copies of all court materials, forms of orders, notices of application, legal briefs, facts and other documents to be served or to be filed in connection with this Agreement (collectively, the **"Court Materials"**).

5.2.2 The Receiver and the Monitor, on behalf of TMC, as applicable, shall deliver draft copies of all Court Materials to DNR no later than three (3) Business Days prior to service or filing of such materials, or as soon as reasonably practicable in the circumstances, and shall provide DNR with a reasonable opportunity to comment thereon.

5.3 Cooperation

5.3.1 DNR shall consent to and support the applications by the Receiver and the Monitor, on behalf of TMC, as applicable, seeking approval of the Approval and Vesting Order and the Settlement Approval Order along with any ancillary relief related thereto.

5.3.2 TMC, the Monitor and the Receiver shall consent to the payment of the Settlement Amount as set out in Section 7.1 hereof, and will not contest or challenge the validity of same.

5.4 Expenses

Each of the Parties hereby covenants and agrees to bear its own costs and expense (including, without limitation, legal fees and expenses) incurred in connection with this Agreement, including but not limited to obtaining the Approval and Vesting Order and the Settlement Approval Order.

5.5 Termination

Notwithstanding any other term or condition of this Agreement, this Agreement shall terminate if the Approval and Vesting Order and the Settlement Approval Order are not approved by the Court in substantially the forms attached to the TNB APA or hereto, as applicable.

ARTICLE 6 CONDITIONS PRECEDENT

This Agreement shall be subject to the satisfaction of each of the following conditions precedent:

6.1.1 The execution of this Agreement by each of the Parties;

6.1.2 The Settlement Approval Order shall be in form and substance satisfactory to the Receiver, the Monitor, on behalf of TMC, and DNR;

6.1.3 The Settlement Approval Order shall have been entered and be in full force and effect and shall not have been reversed, vacated, or stayed, subject to appeal or modified or superseded or negatively impacted in any way;

6.1.4 The Approval and Vesting Order shall have been entered and be in full force and effect and shall not have been reversed, vacated, or stayed, subject to appeal or modified or superseded or negatively impacted in any way, and

6.1.5 DNR shall have provided all necessary consents and approvals to the TNB APA and to effect the transactions set out in the TNB APA, to the satisfaction of Canadian Copper, the Receiver and the Monitor, on behalf of TMC, which consents and approvals are subject to the conditions of the consent letters issued by DNR.

ARTICLE 7
PAYMENT AND RELEASE

7.1 Payment of Settlement Amount

Provided the Gross Proceeds are not less than \$6,225,000.00, upon closing of the TNB APA, the Receiver and the Monitor, on behalf of TMC, as applicable, shall pay \$4,050,100.00 to DNR all without deduction, set off, or withholding (collectively the "**Settlement Amount**").

7.2 Waiver and Release

7.2.1 Subject to the granting of the Settlement Approval Order and closing the transaction contemplated in the TNB APA, GNB hereby formally and irrevocably waives and releases all rights or claims to the Gross Proceeds in excess of the Settlement Amount. For greater certainty, following the completion of the transaction contemplated in the TNB APA and receipt of the Settlement Amount, the waiver acts solely to prevent GNB from asserting any right or claim to proceeds of the transactions contemplated in the TNB APA in excess of the Settlement Amount, and GNB does not otherwise waive or release any other right or claim in relation to TMC and TNB.

7.2.2 DNR acknowledges and agrees that the payment of the Settlement Amount will constitute any and all proceeds to be received by GNB as a result of the transaction contemplated by the TNB APA.

7.2.3 The Parties hereto acknowledge and agree that, aside from the waivers and releases set forth above, GNB and TMC continue to have all other rights and claims that exist as of the date of this Agreement.

ARTICLE 8
GENERAL PROVISIONS

8.1 Recitals

The Parties acknowledge and agree that the recitals to this Agreement are incorporated into and form an integral part of this Agreement.

8.2 Further Assurances

The Parties shall execute and deliver such supplemental documents and take such supplemental action as may be necessary or desirable to give effect to the provisions and purposes of this Agreement and the TNB APA and to obtain the Approval and Vesting Order and the Settlement Approval Order.

8.3 No Presumption

The Parties agree that this Agreement was negotiated fairly between them at arm's length and that the final terms of this Agreement are the product of the Parties' negotiations. Each Party represents and warrants that it has sought and received experienced legal counsel of its own choosing with regard to the contents of this Agreement and the rights and obligations affected hereby. The Parties agree that this Agreement will be deemed to have been jointly and equally drafted by them, and that the provisions of this

Agreement therefore should not be construed either for or against a Party on the grounds that such Party drafted or was more responsible for drafting the provisions.

8.4 Binding Effect

This Agreement shall be binding upon and enure to the benefit of each of the Parties and their respective successors, heirs, executors, administrators, permitted assigns and legal representatives.

8.5 Amendments, Waivers, etc.

No amendment or waiver of any provisions of this Agreement or consent to any departure by the Parties from any provision hereof is effective unless it is made or given in writing. Such amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose for which it is given.

8.6 Time of the Essence

Time is of the essence of this Agreement.

8.7 Governing Law; Submission to Jurisdiction

8.7.1 Any questions, claims, disputes, remedies or Actions arising from or related to this Agreement, and any relief or remedies sought by any Parties, will be governed exclusively by the Laws of the Province of British Columbia with respect to contract formation, the interpretation of this Agreement and the Orders of the Court giving effect thereto, and by Environmental Law with respect to all else, without regard to the rules of conflict of laws applied therein or any other jurisdiction.

8.7.2 To the fullest extent permitted by applicable Law, each Party (i) agrees that any claim, action or proceeding by such Party seeking any relief whatsoever arising out of, or in connection with, this Agreement will be brought only in the Court, if brought prior to the entry of a final order closing the Receivership Proceedings and the CCAA Proceedings, as applicable; (ii) agrees to submit to the exclusive jurisdiction of the Court, for purposes of all legal proceedings arising out of, or in connection with, the formation and interpretation of this Agreement or the transactions and Orders contemplated hereby; (iii) agrees that emailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 8.10 or any other manner as may be permitted by Law will be valid and sufficient service thereof; and (iv) agrees that a final judgment in any such action or proceeding will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

8.7.3 Nothing in this Agreement is intended to prohibit, restrict or affect the right or power of, or compel, the Legislative Assembly of New Brunswick to enact any laws or its cabinet to enact regulations and orders in council with respect to any area of law for which they have respective legislative jurisdiction. Furthermore, nothing in this Agreement shall be construed as interfering with the exercise by DNR, DELG, the Province of New Brunswick, or any of its agencies of any statutory power or duty

8.8 Notification of Certain Matters

Each Party hereto will give written notice to all other Parties promptly after becoming aware of: (a) the occurrence of any event, which would be likely to cause any condition set forth in Article 6 to be

unsatisfied in any material respect at any time from the date hereof until closing of the TNB APA; or (b) any notice or other communication from: (i) any Person alleging that the consent of such Person is or may be required in connection with any of the transactions contemplated by this Agreement; or (ii) any Government Entity other than DNR in connection with any of the transactions contemplated by this Agreement; provided, however, that the delivery of any notice pursuant to this Section 8.10 will not limit or otherwise affect the remedies available hereunder to the Parties.

8.9 Severability

If any provision, clause, or part of this Agreement, or the application thereof under certain circumstances, is held invalid, illegal or incapable of being enforced in any jurisdiction, (i) as to such jurisdiction, the remainder of this Agreement or the application of such provision, clause or part under other circumstances; and (ii) as for any other jurisdiction, any provision of this Agreement, will not be affected and will remain in full force and effect, unless, in each case, such invalidity, illegality or unenforceability in such jurisdiction materially impairs the ability of the Parties to give effect to this Agreement. Upon such determination that any clause or other provision is invalid, illegal or incapable of being enforced in such jurisdiction, the Parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order to give effect to that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible even in such jurisdiction.

PURCHASE PRICE AND ALLOCATION

4.1 Purchase Price and Deposit

4.1.1 Pursuant to the terms and subject to the conditions set forth in this Agreement, in consideration of the sale of the Assets pursuant to the terms hereof, the Purchaser will (i) pay to the Vendor an amount equal to \$6,225,000.00, which the Purchaser will pay and deliver at the Closing (to the extent not already paid) in accordance with Section 10.2 (the "**Cash Payment**"); and (ii) assume from TNB and the Vendor and become obligated to pay, perform and discharge, when due, the Assumed Liabilities (the amounts referred to in (i) and (ii), are collectively, the "**Purchase Price**").

4.1.2 The Purchaser has agreed to pay an aggregate amount equal to \$275,000.00 (the "**Deposit**") to the Vendor as a deposit to be applied on account of the Purchase Price at the Closing.

4.1.3 The Parties acknowledge that an aggregate amount equal to \$225,000.00 (the "**Exclusivity Fee**") has been paid by the Purchaser to the Vendor, which amount is part of the Deposit that will be applied on account of the Purchase Price at the Closing.

4.1.4 The Purchaser acknowledges and agrees that the Exclusivity Fee will not be refunded and has been and is immediately available to the Vendor, to be used in its sole and unfettered discretion, and further acknowledges and agrees that:

- (a) the Exclusivity Fee is necessary to fund the Receiver's activities, including but not limited to progressing this Agreement and obtaining the Approval and Vesting Order; and
- (b) was paid to the Receiver in consideration for the Exclusivity Period as defined in and granted to the Purchaser in the Term Sheet.

4.1.5 The Purchaser will pay an aggregate amount equal to \$50,000.00 (the "**Deposit Balance**") to Dentons, in trust, on behalf of the Vendor and the Receiver, within five (5) Business Days of execution of this Agreement, which amount is part of the Deposit that will be applied on account of the Purchase Price at the Closing.

4.1.6 The Parties hereby acknowledge and agree that the Deposit Balance paid by the Purchaser will be refundable if:

- (a) the Closing is not completed as a result of a breach of this Agreement by the Vendor and the Purchaser is not in default hereunder; or
- (b) the Approval and Vesting Order has not been obtained by the Outside Date or the Court declines at any time to grant the Approval and Vesting Order without leave to re-apply, in each case for reasons other than a breach of this Agreement by the Purchaser,

otherwise, if the Closing does not complete by the Target Closing Date, or such later date as the Parties may agree in writing, the Deposit Balance will be irrevocably forfeited to the Vendor and will be non-refundable. For greater certainty, such forfeiture of the Deposit Balance to the Vendor will be in addition to and not in substitution of any remedy the Vendor may have against the Purchaser pursuant to this Agreement or otherwise.

4.1.7 To the extent section 182 of the ETA applies to deem the Deposit, or a portion thereof, to be inclusive of GST/HST, the Purchaser shall pay the Vendor an additional amount sufficient to ensure that the Vendor receives the same net aggregate amount had the deeming provision not applied.

4.2 Purchase Price Allocation

Schedule 4.2 (the "**Asset Allocation Schedule**") allocates the Purchase Price (including specific allocation of the Assumed Liabilities that are liabilities for federal income Tax purposes) on a dollar basis among the Assets. The Asset Allocation Schedule will be commercially reasonable based on fair market value of the Assets and the Purchaser, and the Vendor will each file all applicable Tax Returns, if any, in accordance with the Asset Allocation Schedule. To the extent applicable, the Purchaser, on the one hand, and the Vendor, on the other hand, each agrees to provide the other promptly with any other information reasonably required to complete any Tax Returns.

ARTICLE 5

REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby represents and warrants to the Vendor, as follows:

5.1 Organization

The Purchaser is duly organized and validly existing under the Laws of the jurisdiction in which it is organized. The Purchaser has the requisite corporate power and authority to enter into, deliver and perform its obligations pursuant to each of the Transaction Documents to which it is or will become a party.

5.2 Corporate Power

The Purchaser is qualified to do business as contemplated by this Agreement and the other Transaction Documents and to own or lease and operate its properties and assets, including the Assets, except to the extent that the failure to be so qualified would not materially hinder, delay or impair the Purchaser's ability to carry out its obligations under, and to consummate the transactions contemplated by, this Agreement and the Ancillary Agreements to which it is or will become a party.

5.3 Authorization

The execution, delivery and performance of each Transaction Document to which the Purchaser is a party will have been duly authorized by the Purchaser at the time of its execution and delivery. Assuming due authorization, execution and delivery by the Vendor, each Transaction Document to which the Purchaser is a party constitutes, or upon execution thereof will constitute, a valid and binding obligation of the Purchaser, enforceable against the Purchaser in accordance with its respective terms, except as such enforceability is limited by bankruptcy, insolvency, reorganization, moratorium or similar Laws now or hereafter in effect relating to creditors' rights generally or general principles of public policy.

5.4 No Breach

The execution, delivery and performance by the Purchaser of each of the Transaction Documents to which the Purchaser is, or on the Closing Date will be, a party do not and will not conflict with or result in a breach of the terms, conditions or provisions of, constitute a default under, result in a violation of, or require any consent (other than the Transfer Approvals) or other action by or declaration or notice to any Government Entity pursuant to (i) the constituting documents of the Purchaser; (ii) any Contract or other document to which the Purchaser is a party or to which any of its assets is subject; or (iii) any Laws to which the Purchaser or any of its assets is subject, except, in the case of (ii) and (iii) above, for such defaults, violations, actions and notifications that would not individually or in the aggregate materially hinder, delay or impair the performance by the Purchaser of any of its obligations under any Transaction Document.

5.5 Acknowledgement of Scope of Vendor's Representations and Warranties

Notwithstanding anything contained in this Agreement to the contrary, the Purchaser acknowledges and agrees that neither the Vendor, the Receiver, the Monitor, TNB, TMC, their representatives and their agents, nor any other Person, is making any representations or warranties whatsoever, express or implied, beyond those expressly given by the Vendor in Article 6 (as may be modified by the Disclosure Schedules), or with respect to any other information provided to the Purchaser in connection with the transactions contemplated hereby, including without limitation as to the probable success or profitability of the ownership, use or operation of the Business and the Assets after the Closing. The Purchaser further

acknowledges that neither the Vendor, the Receiver, the Monitor, TNB, TMC, their representatives and their agents, nor any other Person has made any representation or warranty, express or implied, as to the accuracy or completeness of any information regarding TNB, TMC, the Assets, the Business, the Caribou Mine, or the transactions contemplated by this Agreement not expressly set forth in this Agreement, and neither the Vendor, the Receiver, the Monitor, TNB, TMC, their representatives and their agents, nor any other Person will have or be subject to liability to the Purchaser or any other Person resulting from the distribution to the Purchaser or its representatives or the Purchaser's use of, any such information, including data room information provided to the Purchaser, or its representatives, in connection with the sale of the Assets. The Purchaser acknowledges that it has conducted to its satisfaction its own independent investigation and due diligence of the Assets, the Business, and the Caribou Mine, and, in making the determination to proceed with the transactions contemplated by this Agreement, the Purchaser has relied on the results of its own independent investigation.

5.6 As-Is Where-is Transaction

The Purchaser hereby acknowledges and agrees that: (i) the Purchaser is solely responsible for carrying out its own due diligence investigations of the Assets and Assumed Liabilities; (ii) by deciding to proceed with the transactions contemplated herein the Purchaser has relied on and is satisfied with all the results of its investigations; and (iii) except as otherwise expressly provided in Article 6 of this Agreement, neither the Vendor, the Monitor, the Receiver, TNB, TMC or their agents or representatives, nor any other Person is making any representations or warranties whatsoever, express or implied, with respect to any matter relating to the Assets, the Business, the Caribou Mine, and TNB's ownership and operation thereof or any Encumbrances or Liabilities (including Environmental Liabilities) associated therewith, and the quantity, quality, suitability for mining or costs of mining of any mineral reserves included in the Assets. Without in any way limiting the foregoing, the Purchaser acknowledges that neither the Vendor, the Monitor, the Receiver, TNB, TMC or their agents or representatives, nor any Person has given, will not be deemed to have given, and hereby disclaims any warranty, express or implied, of merchantability of fitness for any particular purpose as to any portion of the Assets, the Business or the Caribou Mine. Accordingly, the Purchaser agrees to accept the Assets at the Closing "As is" "Where is" and "With All Faults".

5.7 Brokers

Except for fees and commissions that will be paid by the Purchaser, no broker, finder or investment banker is entitled to any brokerage, finder's or similar fee or commission in connection with the transactions contemplated by this Agreement and the other Transaction Documents based upon arrangements made by or on behalf of the Purchaser or any of its Affiliates.

5.8 GST/HST Registration

The Purchaser will be duly registered as of the Closing under Subdivision D of Division V of Part IX of the ETA and will provide to the Vendor its registration number no later than 10 days prior to Closing.

5.9 Financing

The Purchaser has, and at all times from the date hereof through the Closing and any Post Closing period pursuant to Article 12 will have, sufficient funds available to pay the Purchase Price and all other amounts payable under the Transaction Documents and to otherwise consummate the transactions contemplated hereby and thereby, and to pay all fees and expenses related thereto. The Purchaser acknowledges that its obligations under this Agreement and the other Transaction Documents are not subject to any conditions regarding its ability to obtain financing for any portion of the foregoing amounts.

5.10 Transfer and Other Approvals

The Purchaser acknowledges and agrees that time is of the essence in effecting the Closing and otherwise consummate the transactions contemplated herein, and that it will promptly and in a timely manner provide written requests, execute and deliver all required documents and materials and perform all necessary and required actions to obtain Transfer Approvals for the Assets listed in Schedule B from appropriate Government Entities. Except for the Approval and Vesting Order, and Transfer Approvals, to the best of the Purchaser's knowledge, no notice, filing, authorization, approval, order or consent is required to be given, filed or obtained by the Purchaser to or from any Government Entity or third party in connection with the execution, delivery and performance by the Purchaser of this Agreement or the transactions contemplated hereby.

5.11 Purchaser's Qualifications to Obtain Transfer Approvals and Hold Permits and Licences

The Purchaser is aware of no facts or circumstances within its knowledge and control that would prevent the issuance of Transfer Approvals from any Government Entities for the transfer of the Permits and Licences to the Purchaser or for the obtaining of replacement Permits and Licences by the Purchaser for those Permits and Licences presently held by TNB that are not transferable.

ARTICLE 6

REPRESENTATIONS AND WARRANTIES OF THE VENDOR

6.1 Representations and Warranties of Vendor

The Vendor hereby represents and warrants to the Purchaser as follows:

- (a) the Receiver has been appointed as the receiver of the Receivership Process Assets pursuant to the Receivership Order, and such order is in full force and effect as of the date hereof; and
- (b) the Vendor is not and will not be at the Closing a non-resident of Canada for the purposes of Section 116 of the Tax Act.

6.2 No Other Representations and Warranties of the Vendor, Receiver or Monitor

Except for the representations and warranties of the Vendor contained in this Article 6, neither the Vendor, the Receiver, the Monitor, TNB, TMC, their agents and their representatives, nor any other Person has made or makes any other express or implied representation or warranty, either written or oral, on behalf of the Vendor, the Receiver, the Monitor, TNB, or TMC whether in respect of the Assets, the Business, or the Caribou Mine, or otherwise, including any representation or warranty as to the accuracy or completeness of any information regarding TNB or TMC furnished or made available to Purchaser and its representatives or as to the future revenue, profitability or success of TNB, TMC, the Assets, the Business, or the Caribou Mine, or any representation or warranty arising from statute or otherwise at Law.

ARTICLE 7

COVENANTS AND OTHER AGREEMENTS

7.1 Approval of the Court

7.1.1 The Purchaser acknowledges that this Agreement and the transactions contemplated hereby are subject to the approval of the Court.

7.1.2 The Vendor will use its commercially reasonable efforts to obtain an Order of the Court in the Receivership Proceedings, substantially in the form attached as Exhibit A containing, among other things, orders: approving this Agreement; immediately prior to the Closing, expanding the definition of "Property" in the Receivership Order to include the Real Property Assets; authorizing and directing the Vendor to perform its obligations hereunder and to receive payment of the Purchase Price; authorizing the Vendor to execute such deeds, bills of sale and other instruments of sale and transfers as the Vendor may deem necessary or desirable in order to transfer to the Purchaser all of the Vendor's and TNB's interest in and to the Assets; enabling the Vendor to convey all of the Vendor's and TNB's interest in the Assets to the Purchaser (the "**Approval and Vesting Order**").

7.2 Co-operation

7.2.1 Upon the terms and subject to the conditions of this Agreement, each Party will use its commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, and cooperate with each other in order to do, all things necessary, proper or advisable under applicable Law to consummate the transactions contemplated by this Agreement as soon as practicable and to effect the Closing on the Target Closing Date, including the preparation and filing of all forms, registrations and notices required to be filed to consummate the Closing, making witnesses available in the Court or by declaration, as necessary, in obtaining the Approval and Vesting Order, and the taking of such actions as are necessary to obtain any requisite consent from a Government Entity or other Third Party; provided, however, at no time will the Vendor be obligated to make any payment or deliver anything of value to any Third Party (other than filing with and payment of any application fees to Government Entities, all of which will be paid or reimbursed by the Purchaser) in order to obtain any consent.

7.2.2 Each of the Vendor and the Purchaser will promptly notify the other of the occurrence, to such Party's knowledge, of any event or condition, or the existence, to such Party's knowledge, of any fact, that would reasonably be expected to result in (i) any of the conditions set forth in Article 9 not being satisfied; or (ii) any of the representations and warranties in Article 5 or Article 6 not being true and correct.

7.3 Transfer Approvals

7.3.1 To the extent required by applicable Laws, each Party agrees to prepare and file as promptly as practicable and, to the extent within such Party's control, in any event within fifteen (15) Business Days from the execution of this Agreement: (i) all filings and applications required and desirable to obtain; and (ii) all other necessary documents, registrations, statements, petitions, filings and applications for, or to obtain, any required Transfer Approvals and any other consent of any other Government Entities required to satisfy the condition set forth in Section 9.1(d).

7.3.2 Each Party will use commercially reasonable efforts to (i) cooperate with each other in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party; (ii) keep the other Party informed in all material respects of any

material communication received by such Party from, or given by such Party to, any Government Entity and of any material communication received or given in connection with any proceeding by a private party, in each case regarding any of the transactions contemplated hereby; and (iii) permit the other Party to review any material communication given to it by, and consult with each other in advance of any meeting or conference with any Government Entity, including in connection with any proceeding by a private party. The foregoing obligations in this Section 7.3.2 will be subject to any solicitor-client, work product or other privilege, and each Party hereto will coordinate and cooperate fully with the other Party hereto in exchanging such information and providing such assistance as such other Party may reasonably request in connection with the foregoing. The Parties will not take any action within their respective control that will have the effect of delaying, impairing or impeding the receipt of any required authorizations, consents, Orders or approvals. Fees incurred in connection with complying with any Law pursuant to this Section 7.3.2, and any filing or other administrative fees or costs incurred in connection with obtaining the Transfer Approvals will be borne solely by the Purchaser.

7.3.3 If any objections are asserted with respect to the transactions contemplated hereby under any Law or if any suit is instituted by any Government Entity or any private party challenging any of the transactions contemplated hereby as being in violation of any Law or if the filing pursuant to this Section 7.3 is reasonably likely to be rejected or conditioned by a federal, provincial or territorial Government Entity, each Party will use commercially reasonable efforts to resolve such objections or challenge as such Government Entity or private party may have to such transactions, including to vacate, lift, reverse or overturn any Action, whether temporary, preliminary or permanent, so as to permit consummation of the transactions contemplated by this Agreement.

7.3.4 The Purchaser will use its commercially reasonable efforts to satisfy (or cause the satisfaction of) the conditions precedent to the Purchaser's obligations associated with the Closing hereunder as set forth in Section 9.1 and Section 9.3 to the extent the same is within its control and to take, or cause to be taken, all other action and to do, or cause to be done, all other things necessary, proper or advisable under all applicable Laws to consummate the transactions contemplated by this Agreement, including using its commercially reasonable efforts to obtain the Transfer Approvals in accordance with Section 7.3.5, and any other Third Party consents required to be obtained, in order for the Parties to consummate the transactions contemplated by this Agreement.

7.3.5 No later than three (3) Business Days after the execution of this Agreement, the Purchaser agrees to contact applicable Government Entities and use its commercially reasonable efforts to understand the requirements associated with the timely transfer of the Assets listed in Schedule B from the Vendor to the Purchaser, including in order to obtain, as of the Closing Date, replacement Permits and Licences for those Permits and Licences presently held by TNB and otherwise required to manage the Caribou Mine that are not transferable. Prior to the Closing, the Purchaser: (i) will file with DNR or other appropriate Government Entities all applications, requests for consent, and other instruments required to transfer the Assets listed in Schedule B which are subject to approval or other processing by such Government Entities, from the Vendor to the Purchaser (including the posting and acceptance of whatever fees or financial assurance instruments that may be required in connection with such approval or other processing); (ii) will file with DNR or other appropriate Government Entities all applications, instruments or notices for approval or other processing by such Government Entities, as may be necessary to obtain replacement Permits and Licences as of the Closing Date for those Permits and Licences presently held by TNB that are not transferable (including the posting and acceptance by the appropriate Government Entity of whatever fees or financial assurance instruments are required in connection with such approval or other processing); and (iii) obtain the consent from DNR or other appropriate Government Entities to transfer those Assets from TNB and the Vendor to the Purchaser described in (i), and the issuance from the appropriate Government Entities of

new Permits and Licences that are not transferrable to the Purchaser described in (ii); with those items referenced in sub-clauses (i), (ii), and (iii) above collectively referred to as the **"Transfer Approvals"**.

7.3.6 The Purchaser will diligently pursue on a commercially reasonable efforts basis all Transfer Approvals necessary to complete the transfer of such Permits and Licences from TNB and the Vendor to the Purchaser or obtain new Permits and Licences in the Purchaser's own name as of the Closing Date (acknowledging that all such Transfer Approvals will be contingent on the consummation of the Closing unless the terms of this Agreement provide otherwise), and will keep the Vendor apprised of the status of its efforts to secure such Transfer Approvals.

7.3.7 All of the Transfer Approvals that are reasonably within the Purchaser's control to obtain must be in place and effective as of the Closing Date, and the Purchaser will have no right to conduct any activities under any of the Permits and Licences or Contract that has not been assigned, transferred or re-issued to the Purchaser.

7.4 Replacement of Bonds

Prior to the Closing, in order to meet certain financial assurance requirements in obtaining the Transfer Approvals (including new Permits and Licences in the name of the Purchaser), the Purchaser will provide to the appropriate Government Entities or other applicable party a firm undertaking (including submission of evidence of financial assurance in a form acceptable to the Government Entities or other party), and (subject only to the payment of required premiums by the Purchaser and the Closing) will post, effective as of the Closing Date, the requisite bonds (including any reclamation bond) and any other financial assurance instruments that may be required (collectively, the **"Bonds"**), in a form and amount acceptable to the Government Entities and other applicable Third Party. The Purchaser agrees to cooperate and work with the Government Entities or other parties to ensure that the required bonds and other financial assurance instruments become effective promptly after the applications to transfer are accepted by the Government Entities or other applicable parties and bond determinations are provided and to ensure the posting and acceptance by the Government Entities of the required bond and other financial assurance instruments.

7.5 Pre-Closing Access to Information

Prior to the Closing, the Vendor will (a) give the Purchaser and its authorized representatives, upon advance notice and during regular business hours, access to all books, records, reports, plans, certificates, files, documents and information related to the Assets, personnel, officers and other facilities and properties of the Business; and (b) permit the Purchaser to make such copies and inspections thereof, upon advance notice and during regular business hours, as the Purchaser may reasonably request; provided, however, that (i) any such access will be conducted at Purchaser's expense, in accordance with applicable Laws, under the supervision of the Vendor's personnel and in such a manner as to maintain confidentiality and not to interfere with the normal operations of the businesses of the Vendor and its Affiliates; and (ii) the Vendor will not be required to provide to the Purchaser access to or copies of any records of former employees.

7.6 Public Announcements

Except as necessary for the Party to make any filing with the Court to obtain approval of the transactions contemplated by this Agreement and upon 24 hours' advance notice of such public announcement or press release, no Party will issue any press release or public announcement concerning this Agreement or the transactions contemplated by this Agreement without obtaining the prior written

approval of the other Party, which approval will not be unreasonably withheld or delayed, unless, in the reasonable judgment of the Purchaser or the Vendor, disclosure is otherwise required by applicable Law, or the Court with respect to filings to be made with the Court in connection with this Agreement, provided that the Party intending to make such release will use its reasonable best efforts consistent with such applicable Law or the Court's or other regulatory requirements, to consult with the other Party with respect to the text thereof.

7.7 Further Actions

From and after the Closing Date, each Party will execute and deliver such documents and other papers and take such further actions as may reasonably be required to carry out the provisions of this Agreement and give effect to the transactions contemplated herein, including the execution and delivery of such assignments, deeds and other documents as may be necessary to transfer any Assets as provided in this Agreement; provided that, the Vendor will not be obligated to make any payment or deliver anything of value to any Third Party (other than filing with and payment of any application fees to Government Entities, all of which will be paid or reimbursed by the Purchaser) in order to obtain any consent to the transfer of Assets or the assumption of Assumed Liabilities.

7.8 Conduct of Business

The Vendor covenants that until Closing, subject to any limitation imposed as a result of being subject to the Insolvency Proceedings and except as: (i) the Parties may approve otherwise in writing as set forth below; or (ii) otherwise contemplated or permitted by this Agreement or another Transaction Document; or (iii) required by Law (including any applicable Insolvency Law) or by any order of the Court, the Vendor, as Receiver, will continue to operate with respect to the Property (as defined in the Receivership Order) in accordance with the terms of the Receivership Order. Notwithstanding the foregoing, the Purchaser acknowledges and agrees that on the date of execution of this Agreement until the Closing, the Province has stepped in as regulator to perform legally required care and maintenance activities to mitigate environmental consequences to the Property and will continue to do so until Closing.

7.9 Transaction Expenses

Except as otherwise provided in this Agreement or the Ancillary Agreements (including, without limitation, Section 11.2), each of the Purchaser and the Vendor will bear its own costs and expenses (including brokerage commissions, finders' fees or similar compensation, and legal fees and expenses) incurred in connection with this Agreement, the other Transaction Documents and the transactions contemplated hereby and thereby.

7.10 Certain Payments or Instruments Received from Third Parties

To the extent that, after the Closing Date: (a) the Purchaser receives any payment or instrument that is for the account of the Vendor according to the terms of this Agreement, the Purchaser will promptly deliver such amount or instrument to the Vendor; and (b) the Vendor receives any payment that is for the account of the Purchaser according to the terms of this Agreement or relates primarily to the Business, the Vendor will promptly deliver such amount or instrument to the Purchaser. All amounts due and payable under this Section 7.10 will be due and payable by the applicable Party in immediately available funds, by wire transfer to the account designated in writing by the relevant Party. Notwithstanding the foregoing, each Party hereby undertakes to use reasonable commercial efforts to direct or forward all bills, invoices or like instruments to the appropriate Party.

7.11 Deemed Consent

For the purposes of this Agreement, the Purchaser will be deemed to have obtained all required consents in respect of the assignment of any Contract if, and to the extent that, pursuant to the Approval and Vesting Order, the Vendor is authorized to assign to the Purchaser such Contract pursuant to the provisions of applicable Bankruptcy and Insolvency Laws.

7.12 Notification of Certain Matters

The Vendor will give written notice to the Purchaser and the Purchaser will give written notice to the Vendor, as applicable, promptly after becoming aware of: (a) the occurrence of any event, which would be likely to cause any condition set forth in Article 9 to be unsatisfied in any material respect at any time from the date hereof to the Closing Date; or (b) any notice or other communication from: (i) any Person alleging that the consent of such Person is or may be required in connection with any of the transactions contemplated by this Agreement; or (ii) any Government Entity in connection with any of the transactions contemplated by this Agreement; provided, however, that the delivery of any notice pursuant to this Section 7.12 will not limit or otherwise affect the remedies available hereunder to the Vendor or to the Purchaser.

7.13 Casualty Loss

Notwithstanding any provision in this Agreement to the contrary, if, before the Closing, all or any portion of the Assets is: (a) condemned or taken by eminent domain; or (b) a material portion is damaged or destroyed by fire or other casualty; then the Vendor will notify the Purchaser promptly in writing of such fact, and (i) in the case of condemnation or taking, the Vendor will assign or pay, as the case may be, any proceeds thereof to the Purchaser at the Closing; and (ii) in the case of fire or other casualty, the Vendor will, at its option, either restore such damage or assign the insurance proceeds therefrom to the Purchaser at Closing. Notwithstanding the foregoing, the provisions of this Section 7.13 will not in any way modify the Purchaser's other rights under this Agreement.

ARTICLE 8 TAX MATTERS

8.1 Transfer Taxes

8.1.1 The Parties agree that the Purchase Price is exclusive of any Transfer Taxes. Subject to Section 8.2, the Purchaser shall, on Closing, pay any and all Transfer Taxes, including GST/HST, that are properly payable to the Vendor under applicable Law in connection with this Agreement and the transactions contemplated herein and the other Transaction Documents and the transactions contemplated therein. Furthermore, the Purchaser shall promptly pay directly to the appropriate Governmental Authority any and all Transfer Taxes that are properly payable under applicable Law in connection with this Agreement directly to the appropriate Governmental Authority, and promptly provide to the Vendor proof of such payment.

8.1.2 If the Purchaser wishes to claim any exemption relating to, or a reduced rate of, Transfer Taxes, in connection with this Agreement or the transactions contemplated herein or the other Transaction Documents and the transactions contemplated therein, the Purchaser will be solely responsible for ensuring that such exemption or election applies and, in that regard, will provide the Vendor prior to the Closing with its permit number, GST/HST number, or other similar registration numbers and/or any appropriate

certificate of exemption, election and/or other document or evidence to support the claimed entitlement to such exemption or reduced rate by the Purchaser. The Vendor will make reasonable efforts to cooperate to the extent necessary to obtain any such exemption or reduced rate.

8.2 Tax Elections

8.2.1 Notwithstanding the foregoing, the Vendor and the Purchaser agree that, on Closing Date, they shall jointly execute elections under section 167 of the ETA with respect to the sale, assignment and transfer of the Assets by the Vendor. The Vendor and the Purchaser shall make the elections on the prescribed form containing the prescribed information and such election form shall be filed by the Purchaser in accordance with the requirements of the ETA, and, promptly thereafter, the Purchaser shall confirm to the Vendor in writing that such election form has been so filed. The Purchaser shall indemnify and hold the Vendor and TNB, as well as their shareholders, directors and employees, harmless in respect of any (i) GST/HST under the ETA that may be assessed against, or incurred by, the Vendor in relation to the sale, assignment and transfer of the Assets, and (ii) any penalties, interests, and/or costs, including reasonable professional fees which may become payable by or assessed against the Vendor and/or TNB as a result of the transaction set forth in this Agreement not being eligible for such election, notably as a consequence of the Purchaser's failure to file the election form within the prescribed time, or any failure in acceptance by any Governmental Authority of those elections. This covenant to indemnify shall survive the Closing and shall continue in full force and effect for the benefit of the Vendor until the expiration of the time during which the relevant Governmental Authority may assess the Vendor in respect of the sale, assignment and transfer of the Assets (as extended pursuant to any waivers, including extensions).

8.3 Tax Characterization of Payments under this Agreement

The Vendor and the Purchaser agree to treat all payments made either to or for the benefit of the other Party under this Agreement as adjustments to the Purchase Price for Tax purposes and that such treatment will govern for purposes hereof to the extent permitted under applicable Tax Law.

8.4 Records

After the Closing Date, the Purchaser and the Vendor, will each make available to the other, as reasonably requested, and to any Tax Authority, all information, records or documents relating to liability for Taxes with respect to the Assets, the Assumed Liabilities, the Business for all periods prior to or including the Closing Date, and will preserve such information, records or documents until the expiration of any applicable statute of limitations or extensions thereof. In the event that one Party needs access to records in the possession of the other Party relating to any of the Assets, the Assumed Liabilities, or the Business for purposes of preparing Tax Returns or complying with any Tax audit request, subpoena or other investigative demand by any Tax Authority, or for any other legitimate Tax-related purpose not injurious to the second Party, the other Party will allow representatives of the other Party access to such records during regular business hours at the other Party's place of business for the sole purpose of obtaining information for use as aforesaid and will permit such other Party to make extracts and copies thereof as may be necessary or convenient. The obligation to cooperate pursuant to this paragraph will terminate at the time the relevant applicable statute of limitations expires (giving effect to any extension thereof).

8.5 Tax Allocation

For purposes of Section 3.3(c) all real and personal property Taxes and similar ad valorem obligations levied with respect to the Assets, whether imposed or assessed before or after the Closing Date ("**Periodic Taxes**") for a taxable period that includes (but does not end on) the Closing Date (a "**Straddle**

Period”), will be apportioned between the Vendor and the Purchaser as of the Closing Date based on the number of days of such taxable period included in the period ending with and including the Closing Date (together with periods ending before the Closing Date, the **“Pre-Closing Tax Period”**), and the number of days of such taxable period beginning after the Closing Date (together with any periods beginning after the Closing Date, the **“Post-Closing Tax Period”**). At the Closing, Periodic Taxes with respect to each Asset for the applicable Tax period will be prorated in accordance with the foregoing provisions based on the Tax assessment for such Asset for the applicable Tax period, if available, or otherwise, based on the last available Tax assessment with respect to such Asset. The Vendor will be responsible for such Periodic Taxes attributable to Pre-Closing Tax Periods and the Purchaser will be responsible for such Periodic Taxes attributable to Post-Closing Tax Periods. At the Closing, (x) the Vendor will pay to the Purchaser an amount equal to the excess, if any, of the (i) unpaid Periodic Taxes attributable to Pre-Closing Tax Periods over (ii) Periodic Taxes paid by TNB or the Vendor but apportioned hereunder to the Purchaser for Straddle Periods (each determined in accordance with the foregoing principles); or (y) the Purchaser will pay to the Vendor an amount equal to the excess, if any, of (i) Periodic Taxes apportioned to the Purchaser with respect to Straddle Periods but previously paid by TNB or the Vendor, over (ii) unpaid Periodic Taxes contributable to Pre-Closing Tax Periods, as applicable. The Purchaser will also be responsible for preparing and filing all Periodic Tax returns required to be filed after the Closing Date.

ARTICLE 9 CONDITIONS OF CLOSING

9.1 Conditions to Each Party’s Obligation

The Parties’ obligation to effect the Closing and carry out the transactions contemplated hereby and by the Transaction Documents is subject to the satisfaction or the express written waiver of the Parties, at or prior to the Closing, of the following conditions:

- (a) receipt of an executed copy of this Agreement and the other Transaction Documents;
- (b) there will be in effect no Law or Order prohibiting the consummation of the transactions contemplated hereby that has not been withdrawn or terminated;
- (c) the Approval and Vesting Order will have been granted by the Court, in a form satisfactory to both Parties;
- (d) all required Transfer Approvals will have been granted, in a form satisfactory to both Parties;
- (e) all required Third Party consents associated with the assignment of the Contracts (or waivers thereof) will have been obtained; and

ARTICLE 12

POST CLOSING ACTIVITIES AND AGREEMENTS

12.1 Responsibility for Services to the Caribou Mine

All charges for water, electricity, natural gas, telephone, sewer, trash disposal and other recurring services provided to the Caribou Mine which relate to such services provided prior to the Closing Date will be for the account of GNB, and all charges for such services provided on and after the Closing Date will be for the account of Purchaser, regardless of the date on which the invoice or other statement for such services is rendered. The Purchaser acknowledges and agrees that: (a) as of the date of this Agreement and prior to the Closing, the Province has stepped in as regulator to perform legally required care and maintenance activities to mitigate environmental consequences to the Property and will continue to do so until Closing; and (b) the Vendor is the Receiver of the Property (as such term is defined in the Receivership

Order) and until Closing the Receiver will continue to operate with respect to the Property (as defined in the Receivership Order) in accordance with the terms of the Receivership Order.

12.2 General Post-Closing Access to the Assets

In addition to the other provisions hereof granting to the Vendor access to the Caribou Mine after the Closing Date for certain specified purposes, the Parties agree that upon reasonable prior notice to Purchaser, the Vendor, the Receiver and the Monitor will be given reasonable access to the Assets, including, without limitation, all financial and corporate books and records of TNB and copies of Tax records related to the Assets and the Business, as necessary to enable TNB and/or the Vendor, the Receiver and the Monitor to carry out or respond to day-to-day operational requirements, reporting requirements of Government Entities, removal of Excluded Assets from the Caribou Mine, ongoing tax and accounting functions and obligations, and other activities of TNB and/or the Vendor, the Receiver and the Monitor with respect to the sale of the Assets and the winding down of TNB's responsibilities with respect thereto. All such activities of the Vendor, the Receiver and the Monitor will be conducted in a manner which complies with Purchaser's safety and operating procedures and in a manner which will not interfere unreasonably with the activities of Purchaser. The Purchaser will retain all financial and corporate books and records of TNB, including, without limitation, copies of Tax records related to the Assets and the Business, for the statutory periods required by any Law.

ARTICLE 13 MISCELLANEOUS

13.1 No Survival of Representations and Warranties or Covenants

No representations or warranties, covenants or agreements in this Agreement or in any instrument delivered pursuant to this Agreement will survive beyond the Closing Date. Accordingly, no claim of any nature whatsoever for breach of such representations, warranties, covenants or agreements may be made, or Action instituted, after the Closing Date. Notwithstanding the foregoing, the covenants and agreements that by their terms are to be satisfied after the Closing Date will survive until satisfied in accordance with their terms.

13.2 Supplement to Disclosure Schedules

From time to time prior to the Closing, the Vendor will supplement or amend the Disclosure Schedules with respect to any matter that, if existing, occurring or known at the date of this Agreement, would have been required to be set forth or described in the Disclosure Schedules. The Disclosure Schedules will be deemed amended by all such supplements and amendments for all purposes (except for purposes of determining whether the conditions set forth in Article 9 of the Agreement have been satisfied).

13.3 Remedies

No failure to exercise, and no delay in exercising, any right, remedy, power or privilege under this Agreement by any Party will operate as a waiver of such right, remedy, power or privilege, nor will any single or partial exercise of any right, remedy, power or privilege under this Agreement preclude any other or further exercise of such right, remedy, power or privilege or the exercise of any other right, remedy, power or privilege.

13.4 No Third-Party Beneficiaries

This Agreement is for the sole benefit of the Parties and their permitted assigns and nothing herein, express or implied, is intended to or will confer upon any other Person any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement.

13.5 Consent to Amendments; Waivers

No Party will be deemed to have waived any provision of this Agreement or any of the other Transaction Documents unless such waiver is in writing, and then such waiver will be limited to the circumstances set forth in such written waiver. The Transaction Documents will not be amended, altered or qualified except by an instrument in writing signed by all the Parties hereto or thereto, as the case may be.

13.6 Successors and Assigns

Except as otherwise expressly provided in this Agreement, all representations, warranties, covenants and agreements set forth in this Agreement or any of the Ancillary Agreements by or on behalf of the Parties thereto will be binding upon and enure to the benefit of such Parties and their respective successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any Party without the prior written consent of the other Party, which consent may be withheld in such Party's sole discretion, except for (i) assignment to an Affiliate of a Party (provided that such Party remains liable jointly and severally with its assignee Affiliate for the assigned obligations to the other Party); and (ii) assignment by the Vendor pursuant to an order of Court, which will not require the consent of the Purchaser.

13.7 Governing Law; Submission to Jurisdiction

13.7.1 Any questions, claims, disputes, remedies or Actions arising from or related to this Agreement, and any relief or remedies sought by any Parties, will be governed exclusively by the Laws of the Province of British Columbia and Environmental Law without regard to the rules of conflict of laws applied therein or any other jurisdiction.

13.7.2 To the fullest extent permitted by applicable Law, each Party (i) agrees that any claim, action or proceeding by such Party seeking any relief whatsoever arising out of, or in connection with, this Agreement or the transactions contemplated hereby will be brought only in the Court, if brought prior to the entry of a final order closing the Receivership Proceedings and the CCAA Proceedings; (ii) agrees to submit to the exclusive jurisdiction of the Court, for purposes of all legal proceedings arising out of, or in connection with, this Agreement or the transactions contemplated hereby; (iii) waives and agrees not to assert any objection that it may now or hereafter have to the laying of the venue of any such Action brought in such court or any claim that any such Action brought in such court has been brought in an inconvenient forum; (iv) agrees that mailing of process or other papers in connection with any such action or proceeding in the manner provided in Section 13.8 or any other manner as may be permitted by Law will be valid and sufficient service thereof; and (v) agrees that a final judgment in any such action or proceeding will be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

13.9 Exhibits, Disclosure Schedules

The Disclosure Schedules and the Exhibits attached hereto constitute a part of this Agreement and are incorporated into this Agreement for all purposes as if fully set forth herein.

13.10 Counterparts

The Parties may execute this Agreement in two or more counterparts (no one of which need contain the signatures of all Parties) and deliver the Agreement by facsimile or other form of electronic transmission, each of which will be deemed an original and all of which together will constitute one and the same instrument.

13.11 No Presumption

The Parties agree that this Agreement was negotiated fairly between them at arm's length and that the final terms of this Agreement are the product of the Parties' negotiations. Each Party represents and warrants that it has sought and received experienced legal counsel of its own choosing with regard to the contents of this Agreement and the rights and obligations affected hereby. The Parties agree that this Agreement will be deemed to have been jointly and equally drafted by them, and that the provisions of this Agreement therefore should not be construed either for or against a Party on the grounds that such Party drafted or was more responsible for drafting the provisions.

13.12 Severability

If any provision, clause, or part of this Agreement, or the application thereof under certain circumstances, is held invalid, illegal or incapable of being enforced in any jurisdiction, (i) as to such jurisdiction, the remainder of this Agreement or the application of such provision, clause or part under other circumstances; and (ii) as for any other jurisdiction, any provision of this Agreement, will not be affected and will remain in full force and effect, unless, in each case, such invalidity, illegality or unenforceability in such jurisdiction materially impairs the ability of the Parties to consummate the transactions contemplated by this Agreement. Upon such determination that any clause or other provision is invalid, illegal or incapable of being enforced in such jurisdiction, the Parties will negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible even in such jurisdiction.

13.13 Specific Performance

13.13.1 The Purchaser acknowledges and agrees that any breach of the terms of this Agreement by Purchaser would give rise to irreparable harm for which money damages would not be an adequate remedy, and, accordingly agrees that, in addition to any other remedies, the Vendor will be entitled to enforce the terms of this Agreement, including, for the avoidance of doubt, Purchaser's obligation to fund the Purchase Price, by a decree of specific performance without the necessity of proving the inadequacy of money damages as a remedy and without the necessity of posting a bond.

13.13.2 The Purchaser agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief when expressly available pursuant to the terms of this Agreement on the basis that (i) there is adequate remedy at law; or (ii) an award of specific performance is not an appropriate remedy for any reason at law or equity. In the event the Vendor seeks an injunction or injunctions to prevent breaches of this Agreement when expressly available pursuant to the terms of this Agreement and to enforce specifically the terms and provisions of this Agreement when expressly available pursuant to the terms of this Agreement, it will not be required to provide any bond or other security in connection with any such order or injunction.

13.14 Entire Agreement

This Agreement and the Ancillary Agreements set forth the entire understanding of the Parties relating to the subject matter thereof, and all prior or contemporaneous understandings, agreements, representations and warranties, whether written or oral, are superseded by this Agreement and the Ancillary Agreements, and all such prior or contemporaneous understandings, agreements, representations and warranties are hereby terminated. In the event of any irreconcilable conflict between this Agreement and any of the Ancillary Agreements, the provisions of this Agreement will prevail.

13.15 Damages

Under no circumstances will any Party be liable for punitive damages or indirect, special, incidental, or consequential damages arising out of or in connection with this Agreement or the transactions contemplated hereby or any breach or alleged breach of any of the terms hereof, including damages alleged as a result of tortious conduct.

THIS COURT ORDERS AND DECLARES that:

1. The time for service of the Notice of Application filed June [-], 2026, and supporting materials is hereby abridged such that the Notice of Application filed June [-], 2026, is properly returnable today and service thereof upon any interested party other than those parties on the Service List (as defined in the Order of this Court granted January 9, 2023 (the “**Receivership Order**”)) maintained by the Receiver for these proceedings is hereby dispensed with.
2. On the “Closing Date”, as defined in the Asset Purchase Agreement dated June 24, 2026 (the “**Sale Agreement**”) between the Receiver and Canadian Copper Inc. For greater certainty, the definition of “Property”, as set out in the Receivership Order, shall include the Real Property Assets as defined in the Sale Agreement, but shall not include any real property, mineral claims, mining leases, or real property leases owned or held by TNB that are not included as part of the Real Property Assets as defined in the Sale Agreement.
3. The sale transaction (the “**Transaction**”) contemplated by the Sale Agreement is hereby approved, and the Sale Agreement is commercially reasonable. The execution of the Sale Agreement by the Receiver is hereby authorized and approved, with such minor amendments to the Sale Agreement as the Receiver and the Purchaser may agree to, and the Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for the completion of the Transaction and for the conveyance to the Purchaser of the assets described in the Sale Agreement (the “**Assets**”).
4. This Order shall constitute the only authorization required by the Receiver to proceed with the Transaction, and that no shareholder or other approval shall be required in connection therewith, save for those authorizations contemplated in the Sale Agreement.
5. Upon delivery by the Receiver to the Purchaser of a certificate substantially in the form attached as **Schedule “B”** hereto (the “**Receiver’s Certificate**”), all of TNB’s right, title and interest in and to the Assets described in the Sale Agreement and listed on **Schedule “C”** hereto shall vest absolutely in the Purchaser in fee simple, free and clear of and from any and all security interests (whether contractual, statutory, or otherwise), hypothecs, mortgages, trusts or deemed trusts (whether contractual, statutory, or otherwise), liens, executions, levies, charges, debentures or other financial or monetary

claims, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, the “**Claims**”) including, without limiting the generality of the foregoing: (i) any encumbrances or charges created by the Orders of this Court, including, but not limited to, the Order of this Court granted August 19, 2022, as amended and restated by the Order of this Court dated August 29, 2022, and the Receivership Order; (ii) all charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* of British Columbia, the *Personal Property Security Act* of New Brunswick or any other personal property registry system; and (iii) those Claims listed on **Schedule “D”** hereto (all of which are collectively referred to as the “**Encumbrances**”), and, for greater certainty, this Court orders that all of the Encumbrances affecting or relating to the Assets are hereby expunged and discharged as against the Assets.

6. Upon presentation for registration in the Land Registry of New Brunswick of a certified copy of this Order, in the manner prescribed by the applicable land registry office, together with a letter from the Receiver's counsel authorizing registration of this Order, the New Brunswick Registrar General of Land Titles is hereby directed to:

- (a) enter the Purchaser as the owner of the Real Property, as identified in Section B.3 of **Schedule “C”** hereto (the “**Real Property**”), together with all buildings and other structures, facilities and improvements located thereon and fixtures, systems, interests, licenses, rights, covenants, restrictive covenants, commons, ways, profits, privileges, rights, easements and appurtenances to the said hereditaments belonging, or with the same or any part thereof, held or enjoyed or appurtenant thereto, in fee simple in respect of the Real Property, and this Court declares that it has been proved to the satisfaction of the Court on investigation that the title of the Purchaser in and to the Real Property is a good, safe holding and marketable title and directs the New Brunswick Registrar General of Land Titles to register indefeasible title in favour of the Purchaser as aforesaid; and
- (b) having considered the interest of third parties, to discharge, release, delete and expunge from title to the Real Property all of the registered Encumbrances including all Claims against title to the New Brunswick Property, whether or not they have been recorded or registered in the Registry Office pursuant to the *Registry Act* (New Brunswick) or in the Land Titles Office pursuant to the *Land Titles Act* (New Brunswick).

7. For the purposes of determining the nature and priority of Claims, the net proceeds from the sale of the Assets shall stand in the place and stead of the Assets, and from and

after the delivery of the Receiver's Certificate all Claims shall attach to the net proceeds from the sale of the Assets with the same priority as they had with respect to the Assets immediately prior to the sale, as if the Assets had not been sold and remained in the possession or control of the person having had possession or control immediately prior to the sale.

8. The Receiver is to file with the Court a copy of the Receiver's Certificate forthwith after delivery thereof.

9. Pursuant to Section 7(3)(c) of the Canada *Personal Information Protection and Electronic Documents Act* or Section 18(10)(o) of the *Personal Information Protection Act* of British Columbia, the Receiver is hereby authorized and permitted to disclose and transfer to the Purchaser all human resources and payroll information in the company's records pertaining to TNB's past and current employees. The Purchaser shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use of such information by TNB.

10. Subject to the terms of the Sale Agreement, vacant possession of the Assets, including any real property, shall be delivered by the Receiver to the Purchaser at 10:00 am PST on the Closing Date (as defined in the Sale Agreement).

11. The Receiver, with the consent of the Purchaser, shall be at liberty to extend the Target Closing Date and the Outside Date (as defined in the Sale Agreement) to such later date as those parties may agree without the necessity of a further Order of this Court.

12. Notwithstanding:

- (a) these proceedings;
- (b) any applications for a bankruptcy order in respect of TNB now or hereafter made pursuant to the *Bankruptcy and Insolvency Act* and any bankruptcy order issued pursuant to any such applications; and
- (c) any assignment in bankruptcy made by or in respect of TNB,

the vesting of the Assets in the Purchaser pursuant to this Order shall be binding on any trustee in bankruptcy that may be appointed in respect of TNB and shall not be void or voidable by creditors of TNB, nor shall it constitute or be deemed to be a transfer at undervalue, fraudulent preference, assignment, fraudulent conveyance or other reviewable transaction under the *Bankruptcy and Insolvency Act* or any other applicable

federal or provincial legislation, nor shall it constitute oppressive or unfairly prejudicial conduct pursuant to any applicable federal or provincial legislation.
