4. Such further and other relief, advice and directions as counsel may advise and this Honourable Court may deem just and appropriate.

Grounds for making this Application:*Background*

5. Pursuant to a Consent Receivership Order granted on December 8, 2023, as amended on December 22, 2023 (the “**Receivership Order**”), the Receiver was appointed as the receiver and manager of the Property of the Debtors and was tasked with amongst other things, identifying, securing, arranging for sale and monetizing the Property the Debtors.
6. Pursuant to the terms of the Receivership Order, and in particular subparagraph 3(k) thereof, the Receiver was empowered and authorized to market any or all of the Debtors’ Property, including advertising and soliciting offers in respect of the Debtors’ Property or any part or parts thereof and negotiating such terms and conditions of sale as the Receiver, in its discretion, may deem appropriate.
7. Pursuant to subparagraph 3(l) of the Receivership Order, the Receiver was empowered and authorized to sell, convey, transfer, lease or assign the Debtors’ Property or any part or parts thereof out of the ordinary course of business, with or without approval of the Court, dependent on whether certain monetary thresholds are met.

Sale of Fleet Energy Shares

8. The Receiver currently holds the Fleet Energy Shares as part of the Property of the Debtors.
9. The Receiver, in consultation with Fiera, has considered various options to market and sell the Fleet Energy Shares. To this end, the Receiver has expended a considerable amount of time and effort in order to assess the best approach to realize on the Fleet Energy Shares.
10. For the reasons summarized in the Receiver’s Sixth Report, including consideration of the results of an independent valuator report (the “**Valuation Report**”), the Receiver has determined that the appropriate course of conduct in the circumstances is the sale of the Fleet Energy Shares to Fleet Energy Ltd. Furthermore, Fiera is the fulcrum creditor in these receivership proceedings and stands to suffer a substantial loss upon completion of the proceedings, as such they are the only party with a financial interest in the sale of the Fleet Energy Shares. Fiera is supportive of the proposed sale of the Fleet Energy Shares.

11. It is proposed that the Purchase Price for the Fleet Energy Shares be distributed in full to Fiera, as the secured creditor over the Fleet Energy Shares.
12. The sale of the Fleet Energy Shares to the Purchaser at this time would be appropriate, and in the best interest of the receivership estate.
13. The terms as set out in the proposed form of Approval and Vesting Order attached hereto as Schedule “C” are necessary to effect the sale of the Fleet Energy Shares to the Purchaser, and the approval of the Receiver’s and its counsel’s actions, conduct and activities.

Restricted Court Access Order

14. The Confidential Appendix contains the Valuation Report, which includes matters and commentary of a sensitive commercial nature, including certain valuation information relating to the Fleet Energy Shares (the “**Confidential Information**”).
15. The publication or dissemination of the Confidential Information could result in prejudice to the sale of the Fleet Energy Shares, and diminished recovery to the Company’s stakeholders, should the transaction not close. It may also result in prejudice to Fleet Energy Ltd.
16. The Restricted Court Access Order sought is the least restrictive and prejudicial alternative to prevent the dissemination of the commercially sensitive Confidential Information, such that is fair and just in the circumstances to restrict public access to the Confidential Information.
17. The terms as set out in the proposed form of Restricted Court Access Order attached hereto as Schedule **Error! Reference source not found.** are necessary to effect the sealing of the Confidential Appendix.

Proposed Second Interim Distribution

18. CWB and Fiera each hold valid and enforceable senior ranking security in respect of the Property of the Debtors.
19. The Receiver currently holds approximately \$8.4 million in funds that have been obtained from the realizations on the Debtors’ Property.

20. The Receiver is of the view that an interim distribution in the approximate amount of \$4.0 million to CWB, and \$4.2 million to Fiera, is appropriate at this time, and is in the best interest of the receivership estate and the stakeholders affected thereby.

Approval of Actions, Conduct and Fees

21. The actions, conduct and activities of the Receiver to date in respect of the administration of the Debtors' receivership estate, and the fees and disbursements of the Receiver and its legal counsel, as set out and reported in the Sixth Report, have been reasonable, appropriate, and necessarily incurred in the course of these receivership proceedings.
22. CWB and Fiera, as the senior secured creditors of the Debtors, support the Application of the Receiver.

Bankruptcy Order

23. The Proposed Bankrupts are each insolvent persons within the meaning of the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3, as amended, and has at some time during the year immediately preceding the filing of this Application resided or carried on business in the City of Calgary, in the Province of Alberta.  - Liberty Energy Services Ltd.: 100 - 17420 Stony Plain Rd NW, Edmonton, AB T5S 1K6
 - Western Canadian Mulching Ltd.: 1711 – 9 St Nisku, AB T9E 0R3
24. Pursuant to the terms of the Receivership Order, and in particular subparagraph 3(q) thereof, the Receiver is authorized and empowered to enter into agreements with a trustee in bankruptcy appointed in respect of the Debtors. Pursuant to paragraph 29 of the Receivership Order, nothing in the said Receivership Order shall prevent the Receiver from acting as a trustee in bankruptcy of the Debtors.

25. The Wolverine Group receivership proceedings remain ongoing as at the present date.
26. As at February 11, 2025, the Proposed Bankrupts are collectively justly and truly indebted to its creditors in the approximate sum of \$73.4 million, plus interest and costs continuing to accrue.
27. Within the 6 months preceding the filing of this Application for Bankruptcy Order, the Proposed Bankrupts have each failed to meet their liabilities generally as they become due, and such obligations exceed \$1,000.
28. There are no remaining directors within the Proposed Bankrupts and all of the employees, including senior management of the Proposed Bankrupts, have been terminated.
29. A bankruptcy process with respect to the remaining property of the Proposed Bankrupts will allow for an efficient and orderly winding down of the estate, and will allow for an alignment of priority claims and the crystallizing of various creditor claims.
30. Deryck Helkaa of FTI Consulting Canada Inc. (“**FTI**”), of the City of Calgary, in the Province of Alberta, confirms that FTI is a person qualified to act as trustee in bankruptcy (the “**Proposed Trustee**”) of the property of the Proposed Bankrupts, and has agreed to act as such.
31. The terms as set out in the proposed form of Bankruptcy Order attached hereto as Schedule “**D**” are necessary to effect the bankruptcy of the Proposed Bankrupts, as contemplated by the Receiver.

IT IS HEREBY ORDERED AND DECLARED THAT:

SERVICE

1. Service of the notice of this Application and supporting materials is hereby declared to be good and sufficient, no other person is required to have been served with notice of this Application, and the time for service of this Application is abridged to that actually given.

APPROVAL OF TRANSACTION

2. The Share Purchase Agreement dated January 31, 2025 and the Transaction contemplated thereunder concerning the sale of the Fleet Energy Shares to Fleet Energy Ltd. (the “**Purchaser**”), as set out and described in the Sixth Report, is hereby approved, with such minor amendments as the Receiver may deem necessary. The Receiver is hereby authorized and directed to take such additional steps and execute such additional documents as may be

necessary or desirable for completion of the Transaction and conveyance of the Fleet Energy Shares to the Purchaser (or its nominee).

3. Effective immediately upon the delivery by the Receiver of a Receiver's certificate to the Purchaser (or its nominee) substantially in the form set out in Schedule "A" hereto (the "**Receiver's Certificate**") confirming the Closing of the Transaction contemplated by the Share Purchase Agreement, all of the Debtors' right, title, interest and estate, whether absolute or contingent, legal or beneficial, in and to the Fleet Energy Shares, shall vest absolutely, exclusively, entirely and forever in the name of the Purchaser (or its nominee), free and clear of and from any and all caveats, security interests, hypothecs, pledges, mortgages, liens, trusts or deemed trusts, reservations of ownership, royalties, options, rights of pre-emption, privileges, interests, assignments, actions, judgements, executions, levies, taxes, writs of enforcement, charges, or other claims, whether contractual, statutory, financial, monetary or otherwise, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, "**Claims**") including, without limiting the generality of the foregoing:

- (a) any encumbrances or charges created by the Receivership Order;
- (b) any charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Alberta) or any other personal property registry system;

and for greater certainty, this Court orders that all Claims, affecting or relating to the Fleet Energy Shares are hereby expunged, discharged and terminated as against the Fleet Energy Shares.

4. The actions, conduct and activities of the Receiver to date in respect of the administration of the Debtors' receivership estate, and the fees and disbursements of the Receiver and its legal counsel, as set out and described in the Sixth Report, are hereby approved.
5. No authorization, approval or other action by and no notice to or filing with any governmental authority or regulatory body exercising jurisdiction over the Fleet Energy Shares is required for the due execution, delivery and performance by the Receiver of the Share Purchase Agreement.

6. For the purposes of determining the nature and priority of Claims, net proceeds from sale of the Fleet Energy Shares shall stand in the place and stead of the Fleet Energy Shares from and after delivery of the Receiver's Certificate and all Claims shall not attach to, encumber or otherwise form a charge, security interest, lien, or other Claim against the Fleet Energy Shares and may be asserted against the net proceeds from sale of the Fleet Energy Shares with the same priority as they had with respect to the Fleet Energy Shares immediately prior to the sale, as if the Fleet Energy Shares had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale. The Purchase Price under the Share Purchase Agreement for the Fleet Energy Shares shall be distributed to Fiera, as secured creditor over the Fleet Energy Shares, upon completion of the Transaction.
7. The Receiver is hereby authorized to make the Proposed Second Interim Distribution to Fiera and to CWB, as described and defined in the Sixth Report. There will be no further allocation against CWB for any amounts secured by or comprising the Receiver's Charge or Receiver's Borrowing Charge.
8. Upon completion of the Transaction, the Debtors and all persons who claim by, through or under the Debtors in respect of the Fleet Energy Shares, and all persons or entities having any Claims of any kind whatsoever in respect of the Fleet Energy Shares, shall stand absolutely and forever barred, estopped and foreclosed from and permanently enjoined from pursuing, asserting or claiming any and all right, title, estate, interest, royalty, rental, equity of redemption or other Claim whatsoever in respect of or to the Fleet Energy Shares and to the extent that any such persons or entities remain in the possession or control of any of the Fleet Energy Shares, or any artifacts, certificates, instruments or other indicia of title representing or evidencing any right, title, estate, or interest in and to the Fleet Energy Shares, they shall forthwith deliver possession thereof to the Purchaser (or its nominee).
9. The Purchaser (or its nominee) shall be entitled to enter into and upon, hold and enjoy the Fleet Energy Shares for its own use and benefit without any interference of or by the Debtors, or any person claiming by, through or against the Debtors.

10. The Receiver is directed to file with the Court a copy of the Receiver's Certificate forthwith after delivery thereof to the Purchaser (or its nominee).

11. Notwithstanding:
- (a) the pendency of these proceedings and any declaration of insolvency made herein;
 - (b) the pendency of any applications for a bankruptcy order now or hereafter issued pursuant to the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3, as amended (the "BIA"), in respect of the Debtors, and any bankruptcy order issued pursuant to any such applications;

12. The Receiver, the Purchaser (or its nominee) and any other interested party, shall be at liberty to apply for further advice, assistance and directions as may be necessary in order to give full force and effect to the terms of this Order and to assist and aid the parties in closing the Transaction.
