(e) Subject to the terms of this Agreement, (i) so long as the Discharge of Revolving Credit Obligations has not occurred, the Revolving Credit Collateral Agent shall be entitled to deal with the Pledged Collateral or Collateral within its "control" in accordance with the terms of this Agreement and other Revolving Loan Documents, but only to the extent that such Collateral constitutes Current Asset Collateral, as if the Liens of the Fixed Asset Collateral Agents and Fixed Asset Claimholders did not exist and (ii) so long as the Discharge of Fixed Asset Obligations has not occurred, the Controlling Fixed Asset Collateral Agent shall be entitled to deal with the Pledged Collateral or Collateral within its "control" in accordance with the terms of this Agreement and other Fixed Asset Documents, but only to the extent that such Collateral constitutes Fixed Asset Collateral, as if the Liens of the Revolving Credit Collateral Agent and Revolving Credit Claimholders did not exist. In furtherance of the foregoing, promptly following the Discharge of Revolving Credit Obligations, unless a New Debt Notice in respect of new Revolving Loan Documents shall have been delivered as provided in Section 5.5 below, the Revolving Credit Collateral Agent hereby agrees to deliver, at the cost and expense of the Credit Parties, to each bank and securities intermediary, if any, that is counterparty to a deposit account control agreement or securities account control agreement, as applicable, written notice as contemplated in such deposit account control agreement or securities account control agreement, as applicable, directing such bank or securities intermediary, as applicable, to comply with the instructions of the Controlling Fixed Asset Collateral Agent (to the extent a party thereto), unless the Discharge of Fixed Asset Obligations has occurred (as certified to the Revolving Credit Collateral Agent by the Issuer), in which case, such deposit account control agreement or securities account control agreement, as the case may be, shall be terminated.

(f) Notwithstanding anything in this Agreement to the contrary:

(1) each of the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, agrees that any requirement under any Revolving

Credit Collateral Document that any Grantor deliver any Collateral that constitutes Fixed Asset Collateral to the Revolving Credit Collateral Agent, or that requires any Grantor to vest the Revolving Credit Collateral Agent with possession or "control" (as defined in the UCC or PPSA, as applicable) of any Collateral that constitutes Fixed Asset Collateral, in each case, shall be deemed satisfied to the extent that, prior to the Discharge of Fixed Asset Obligations (other than Contingent Obligations), such Collateral is delivered to the Controlling Fixed Asset Collateral Agents, or the Controlling Fixed Asset Collateral Agents shall have been vested with such possession or (unless, pursuant to the UCC or PPSA, as applicable, control may be given concurrently to the Revolving Credit Collateral Agent and the Controlling Fixed Asset Collateral Agent) "control," in each case, subject to the provisions of this Section 5.4; and

(2) each of the Fixed Asset Collateral Agents, for itself and on behalf of the applicable Fixed Asset Claimholders, agrees that any requirement under any Fixed Asset Collateral Document that any Grantor deliver any Collateral that constitutes Current Asset Collateral to such Fixed Asset Collateral Agent, or that requires any Grantor to vest such Fixed Asset Collateral Agent with possession or "control" (as defined in the UCC or PPSA, as applicable) of any Collateral that constitutes Current Asset Collateral, in each case, shall be deemed satisfied to the extent that, prior to the Discharge of Revolving Credit Obligations (other than Contingent Obligations), such Collateral is delivered to the Revolving Credit Collateral Agent, or the Revolving Credit Collateral Agent shall have been vested with such possession or (unless, pursuant to the UCC or PPSA, as applicable, control may be given concurrently to the Fixed Asset Collateral Agent and the Revolving Credit Collateral Agent) "control," in each case, subject to the provisions of this Section 5.4.

5.5. When Discharge of Revolving Credit Obligations and Discharge of Fixed Asset Obligations Deemed to Not Have Occurred. If in connection with the Discharge of Revolving Credit Obligations or the Discharge of Fixed Asset Obligations, any Issuer substantially concurrently or subsequently enters into any Refinancing of any Revolving Credit Obligation or Fixed Asset Obligation as the case may be, which Refinancing is permitted by both the Fixed Asset Documents and the Revolving Loan Documents, in each case, to the extent such documents will remain in effect following such Refinancing, then such Discharge of Revolving Credit Obligations or the Discharge of Fixed Asset Obligations, shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken pursuant to this Agreement as a result of the occurrence of such Discharge of Revolving Credit Obligations or Discharge of Fixed Asset Obligations, as applicable) and, from and after the date on which the New Debt Notice is delivered to the appropriate Collateral Agents in accordance with the next sentence, the obligations under such Refinancing (the "**Refinanced Obligations**") shall automatically be treated as Revolving Credit Obligations or Fixed Asset Obligations, as applicable, for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the Revolving Credit Collateral Agent or Fixed Asset Collateral Agent, as the case may be, under such new Revolving Loan Documents or new Fixed Asset Documents shall be the Revolving Credit Collateral Agent or a Fixed Asset Collateral Agent for all purposes of this Agreement. Upon receipt of a notice (the "**New Debt Notice**") stating that an Issuer has entered into new Revolving Loan Documents or new Fixed Asset Documents (which notice shall include a complete copy of the relevant new documents (excluding any confidential

fee letter) and provide the identity of the new collateral agent, such agent, the "**New Agent**"), at the cost and expense of the Credit Parties, the other Collateral Agents shall deliver to the New Agent any Pledged Collateral (that is Fixed Asset Collateral, in the case of a New Agent that is the agent under any new Fixed Asset Documents or that is Current Asset Collateral, in the case of a New Agent that is the agent under any new Revolving Loan Documents) held by it together with any necessary endorsements (or otherwise allow the New Agent to obtain control of such Pledged Collateral). The New Agent shall become a party to this agreement by executing and delivering a Joinder Agreement in compliance with Section 5.7. Subject to Section 2.5, if the new Revolving Credit Obligations under the new Revolving Loan Documents or the new Fixed Asset Obligations under the new Fixed Asset Documents are secured by assets of the Grantors constituting Collateral that do not also secure the other Obligations, then the other Obligations shall be secured at such time by a second priority Lien on such assets to the same extent provided in the Revolving Loan Documents, Fixed Asset Collateral Documents and this Agreement.

5.6. [Reserved.]

5.7. Additional Fixed Asset Debt and Refinanced Obligations. The Company and the other applicable Grantors will be permitted to designate (i) as an additional holder of Fixed Asset Obligations hereunder each Person who is, or who becomes or who is to become, the registered holder of any Additional Fixed Asset Debt incurred by the Company or such Grantor after the date of this Agreement in accordance with the terms of all then-existing Secured Revolver/Fixed Asset Documents, and (ii) as a holder of Refinanced Obligations hereunder, each Person who is, or becomes or who is to become, the registered holder of Refinanced Obligations hereunder in accordance with Section 5.5. Upon the issuance or incurrence of any such Additional Fixed Asset Debt or such Refinanced Obligations, as the case may be:

(a) the Company shall deliver to the Fixed Asset Collateral Agents and the Revolving Credit Collateral Agent a certificate of an Officer (as defined in the Indenture) of the Issuers stating that the Company or such Grantor has entered into, or intends to enter into, an Additional Fixed Asset Instrument or (ii) incur Refinanced Obligations, as applicable, and certifying (x) in the case of any Additional Fixed Asset Instrument, that the issuance or incurrence of Additional Fixed Asset Debt under such Additional Fixed Asset Instrument is permitted by each then-existing Secured Revolver/Fixed Asset Documents, or (y) in the case of any Refinanced Obligations, the issuance or incurrence thereof is in accordance with Section 5.5;

(b) the Additional Fixed Asset Collateral Agent for such Additional Fixed Asset Debt or the New Agent for such Refinanced Obligations, as applicable, shall execute and deliver to the Collateral Agents a Joinder Agreement; and

(c) in the case of any Additional Fixed Asset Debt, the Fixed Asset Collateral Documents in respect of such Additional Fixed Asset Debt shall be subject to, and shall comply with, Sections 2.3 and 2.4 of this Agreement.

Upon satisfaction of the conditions set forth in the foregoing clauses (a) through (c), the Additional Fixed Asset Collateral Agent for such Additional Fixed Asset Debt or the New Agent for such Refinanced Obligations, as applicable, shall be a Collateral Agent hereunder and

the respective obligations will be Additional Fixed Asset Obligations or Refinanced Obligations, as applicable, without further act on the part of any Person.

Each existing Collateral Agent shall promptly enter into such documents and agreements (including amendments or supplements to this Agreement) as the Company or the Additional Fixed Asset Collateral Agent for such Additional Fixed Asset Debt or the New Agent for such Refinanced Obligations, as applicable, may reasonably request, in each case consistent in all respects with the terms of this Agreement.

SECTION 6. Insolvency or Liquidation Proceedings.

6.1. Finance Issues.

(a) Until the Discharge of Revolving Credit Obligations has occurred, if any Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Revolving Credit Collateral Agent shall desire to permit the use of "Cash Collateral" (as such term is defined in Section 363(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law) constituting Current Asset Collateral on which the Revolving Credit Collateral Agent or any other creditor has a Lien or to permit any Grantor to obtain financing to be secured at least in part by the Current Asset Collateral, whether from the Revolving Credit Claimholders or any other Person under Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law ("**DIP Financing**") then each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, agrees that it will raise no objection to such Cash Collateral use or DIP Financing so long as such Cash Collateral use or DIP Financing meets the following requirements: (i) the Fixed Asset Collateral Agents and the Fixed Asset Claimholders retain the right to object to any ancillary agreements or arrangements regarding the Cash Collateral use or the DIP Financing that are materially prejudicial to their interests in the Fixed Asset Collateral, and (ii) the terms of the DIP Financing (A) do not expressly require the liquidation of the Collateral prior to a default under the DIP Financing documentation or Cash Collateral order and (B) do not require that any Lien of the Fixed Asset Collateral Agents on the Fixed Asset Collateral be subordinated to or pari passu with any Lien on the Fixed Asset Collateral securing such DIP Financing. To the extent the Liens securing the Revolving Credit Obligations are subordinated to or pari passu with such DIP Financing which meets the requirements of clauses (i) through (ii) above, each Fixed Asset Collateral Agent will subordinate its Liens in the Current Asset Collateral to (1) the Liens thereon securing such DIP Financing (and all Obligations relating thereto), (2) all adequate protection Liens thereon granted to the Revolving Credit Claimholders, and (3) to any "carve out" therefrom for professional and United States Trustee fees that has been agreed to by the Revolving Credit Collateral Agent, and will not request adequate protection or any other relief in connection therewith (except, as expressly agreed by the Revolving Credit Collateral Agent or to the extent permitted by Section 6.3).

(b) Until the Discharge of Fixed Asset Obligations has occurred, if any Grantor shall be subject to any Insolvency or Liquidation Proceeding and the Controlling Fixed Asset Collateral Agent shall desire to permit the use of "Cash Collateral" (as such term is defined in Section 363(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law) constituting Fixed Asset Collateral on which the Fixed Asset Collateral Agents or any other creditor has a Lien or to permit any Grantor to obtain financing to be secured at least in part by the

Fixed Asset Collateral, whether from the Fixed Asset Claimholders or any other Person under Section 364 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law ("**Fixed Asset DIP Financing**") then the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that it will raise no objection to such Cash Collateral use or Fixed Asset DIP Financing so long as such Cash Collateral use or Fixed Asset DIP Financing meets the following requirements: (i) the Revolving Credit Collateral Agent and the Revolving Credit Claimholders retain the right to object to any ancillary agreements or arrangements regarding the Cash Collateral use or the Fixed Asset DIP Financing that are materially prejudicial to their interests in the Revolving Credit Collateral, and (ii) the terms of the Fixed Asset DIP Financing (A) do not expressly require the liquidation of the Collateral prior to a default under the Fixed Asset DIP Financing documentation or Cash Collateral order and (B) do not require that any Lien of the Revolving Credit Collateral Agent on the Current Asset Collateral be subordinated to or pari passu with any Lien on the Current Asset Collateral securing such Fixed Asset DIP Financing. To the extent the Liens securing the Fixed Asset Obligations are subordinated to or pari passu with such Fixed Asset DIP Financing which meets the requirements of clauses (i) through (ii) above, the Revolving Credit Collateral Agent will subordinate its Liens in the Fixed Asset Collateral to (1) the Liens thereon securing such Fixed Asset DIP Financing (and all Obligations relating thereto), (2) all adequate protection Liens thereon granted to the Fixed Asset Claimholders, and (3) to any "carve out" therefrom for professional and United States Trustee fees that has been agreed to by the Controlling Fixed Asset Collateral Agent, and will not request adequate protection or any other relief in connection therewith (except, as expressly agreed by the Controlling Fixed Asset Collateral Agent or to the extent permitted by Section 6.3).

6.2. Relief from the Automatic Stay.

(a) Until the Discharge of Revolving Credit Obligations has occurred, each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, agrees that none of them shall seek (or support any other Person seeking) relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Current Asset Collateral, without the prior written consent of the Revolving Credit Collateral Agent.

(b) Until the Discharge of Fixed Asset Obligations has occurred, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that none of them shall seek (or support any other Person seeking) relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding in respect of the Fixed Asset Collateral (other than to the extent such relief is required to exercise its rights under Section 3.3), without the prior written consent of the Controlling Fixed Asset Collateral Agent.

6.3. Adequate Protection.

(a) Each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, agrees that none of them shall contest (or support any other Person contesting):

(1) any request by the Revolving Credit Collateral Agent or the Revolving Credit Claimholders for adequate protection with respect to the Current Asset Collateral; provided that (A) such adequate protection claim shall not seek the creation of any Lien

over additional assets or property of any Grantor other than with respect to assets or property that constitute Revolving Credit Collateral and (B) if such additional assets or property shall also constitute Fixed Asset Collateral, (i) a Lien shall have been created in favor of the Fixed Asset Claimholders in respect of such Collateral and (ii) the Lien in favor of the Revolving Credit Claimholders on such Fixed Asset Collateral shall be subordinated to the Lien in favor of the Fixed Asset Claimholders on such Fixed Asset Collateral to the extent set forth in this Agreement; or

(2) any objection by the Revolving Credit Collateral Agent or the Revolving Credit Claimholders to any motion, relief, action or proceeding based on the Revolving Credit Collateral Agent or the Revolving Credit Claimholders claiming a lack of adequate protection with respect to the Current Asset Collateral; provided that if the Revolving Credit Collateral Agent is granted adequate protection in the form of additional or replacement collateral, the Fixed Asset Collateral Agents and the Fixed Asset Claimholders may seek or request adequate protection in the form of a Lien on such additional or replacement collateral; it being understood and agreed that (1) if such additional or replacement collateral shall also constitute Fixed Asset Collateral, the Lien on such additional or replacement collateral that constitutes Fixed Asset Collateral in favor of or providing adequate protection for the Revolving Credit Collateral Agent shall be subordinate to the Lien on such Fixed Asset Collateral in favor of or providing adequate protection for the Fixed Asset Collateral Agents and (2) if such additional or replacement collateral shall also constitute Current Asset Collateral, the Lien on such additional or replacement collateral that constitutes Current Asset Collateral in favor of or providing adequate protection for the Revolving Credit Collateral Agent shall be senior to the Lien on such Current Asset Collateral in favor of or providing adequate protection for the Fixed Asset Collateral Agents, in each case with respect to the foregoing clauses (1) and (2), to the extent required by this Agreement.

(b) The Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that none of them shall contest (or support any other Person contesting):

(1) any request by the Controlling Fixed Asset Collateral Agent for adequate protection with respect to the Fixed Asset Collateral; provided that (A) such adequate protection claim shall not seek the creation of any Lien over additional assets or property of any Grantor other than with respect to assets or property that constitute Fixed Asset Facility Collateral and (B) if such additional assets or property shall also constitute Current Asset Collateral, (i) a Lien shall have been created in favor of the Revolving Credit Claimholders in respect of such Collateral and (ii) the Lien in favor of the Fixed Asset Claimholders on such Current Asset Collateral shall be subordinated to the Lien in favor of the Revolving Credit Claimholders on such Current Asset Collateral to the extent set forth in this Agreement; or

(2) any objection by the Controlling Fixed Asset Collateral Agent to any motion, relief, action or proceeding based on the Controlling Fixed Asset Collateral Agent claiming a lack of adequate protection with respect to the Fixed Asset Collateral; provided that if the Fixed Asset Collateral Agents are granted adequate protection in the form of

additional or replacement collateral, the Revolving Credit Collateral Agent and the Revolving Credit Claimholders may seek or request adequate protection in the form of Lien on such additional or replacement collateral; it being understood and agreed that (1) if such additional or replacement collateral shall also constitute Current Asset Collateral, the Lien on such additional or replacement collateral that constitutes Current Asset Collateral in favor of or providing adequate protection for the Fixed Asset Collateral Agents shall be subordinate to the Lien on such Current Asset Collateral in favor of and providing adequate protection for the Revolving Credit Collateral Agent and (2) if such additional or replacement collateral shall also constitute Fixed Asset Collateral, the Lien on such additional or replacement collateral that constitutes Fixed Asset Collateral in favor of or providing adequate protection for the Fixed Asset Collateral Agents shall be senior to the Lien on such Fixed Asset Collateral in favor of or providing adequate protection for the Revolving Credit Collateral Agent, in each case with respect to the foregoing clauses (1) and (2), to the extent required by this Agreement.

(c) Notwithstanding the foregoing provisions in this Section 6.3, in any Insolvency or Liquidation Proceeding:

(1) if the Revolving Credit Claimholders (or any subset thereof) are granted adequate protection with respect to the Current Asset Collateral in the form of additional or replacement collateral of the Credit Parties (even if such collateral is not of a type which would otherwise have constituted Current Asset Collateral) in connection with any Cash Collateral use or DIP Financing or Fixed Asset DIP Financing, then the Controlling Fixed Asset Collateral Agent, on behalf of itself or any of the Fixed Asset Claimholders, may seek or request adequate protection with respect to its interests in such Collateral in the form of a Lien on the same additional or replacement collateral, which Lien (A) on any assets that constitute Current Asset Collateral will be subordinated to the Liens securing or providing adequate protection for the Revolving Credit Obligations on the same basis as the other Liens of the Fixed Asset Collateral Agents on Current Asset Collateral and (B) on any assets that constitute Fixed Asset Collateral will be senior to the Liens securing or providing adequate protection for the Revolving Credit Obligations on the same basis as the other Liens of the Fixed Asset Collateral Agents on Fixed Asset Collateral;

(2) if the Fixed Asset Claimholders (or any subset thereof) are granted adequate protection with respect to the Fixed Asset Collateral in the form of additional or replacement collateral of the Credit Parties (even if such collateral is not of a type which would otherwise have constituted Fixed Asset Collateral) in connection with any Cash Collateral use or DIP Financing or Fixed Asset DIP Financing, then the Revolving Credit Collateral Agent, on behalf of itself or any of the Revolving Credit Claimholders, may seek or request adequate protection with respect to its interests in such Collateral in the form of a Lien on the same additional or replacement collateral, which Lien (A) on any assets that constitute Fixed Asset Collateral will be subordinated to the Liens securing or providing adequate protection for the Fixed Asset Obligations on the same basis as the other Liens of the Revolving Credit Collateral Agent on Fixed Asset Collateral and (B) on any assets that constitute Current Asset Collateral will be senior to the Liens securing or providing adequate protection for the Fixed Asset Obligations on the same basis as the other Liens of the Revolving Credit Collateral Agent on Current Asset Collateral;

(3) in the event the Revolving Credit Collateral Agent, on behalf of itself or any of the Revolving Credit Claimholders, seeks or requests adequate protection in respect of Current Asset Collateral and such adequate protection is granted in the form of additional or replacement collateral of the Credit Parties (even if such collateral is not of a type which would otherwise have constituted Current Asset Collateral), then the Revolving Credit Collateral Agent, on behalf of itself and any of the Revolving Credit Claimholders, agrees that the Fixed Asset Collateral Agents may also be granted a Lien on the same additional or replacement collateral as adequate protection for the Fixed Asset Obligations and for any Cash Collateral use or DIP Financing or Fixed Asset DIP Financing provided by the Fixed Asset Claimholders, and each Fixed Asset Collateral Agent, on behalf of itself and any of the applicable Fixed Asset Claimholders, agrees that any Lien on such additional or replacement collateral that constitutes Current Asset Collateral securing or providing adequate protection for the Fixed Asset Obligations shall be subordinated to the Liens on such collateral securing or providing adequate protection for the Revolving Credit Obligations in connection with any such use of Cash Collateral or any such DIP Financing or Fixed Asset DIP Financing provided by the Fixed Asset Claimholders (and all Obligations relating thereto), all on the same basis as the other Liens of the Fixed Asset Collateral Agents on Current Asset Collateral; and

(4) in the event any Fixed Asset Collateral Agent, on behalf of itself or any of the Fixed Asset Claimholders, seeks or requests adequate protection in respect of Fixed Asset Collateral and such adequate protection is granted in the form of additional or replacement collateral of the Credit Parties (even if such collateral is not of a type which would otherwise have constituted Fixed Asset Collateral), then each Fixed Asset Collateral Agent, on behalf of itself and any of the Fixed Asset Claimholders, agrees that the Revolving Credit Collateral Agent may also be granted a Lien on the same additional or replacement collateral as adequate protection for the Revolving Credit Obligations and for any Cash Collateral use or DIP Financing or Fixed Asset DIP Financing provided by the Revolving Credit Claimholders, and the Revolving Credit Collateral Agent, on behalf of itself and any of the Revolving Credit Claimholders, agrees that any Lien on such additional or replacement collateral that constitutes Fixed Asset Collateral securing or providing adequate protection for the Revolving Credit Obligations shall be subordinated to the Liens on such collateral securing or providing adequate protection for the Fixed Asset Obligations in connection with any such use of cash Collateral or any such DIP Financing or Fixed Asset DIP Financing provided by the Revolving Credit Claimholders (and all Obligations relating thereto), all on the same basis as the other Liens of the Revolving Credit Collateral Agent on Fixed Asset Collateral.

(d) Except as otherwise expressly set forth in this Section 6 or in connection with the exercise of remedies with respect to (i) the Current Asset Collateral, nothing herein shall limit the rights of the Fixed Asset Collateral Agents or the Fixed Asset Claimholders from seeking adequate protection with respect to their rights in the Fixed Asset Collateral in any Insolvency or Liquidation Proceeding (including adequate protection in the form of a cash payment, periodic cash payments, administrative claims or otherwise (other than from the proceeds of Current Asset Collateral)) or (ii) the Fixed Asset Collateral, nothing herein shall limit the rights of the Revolving Credit Collateral Agent or the Revolving Credit Claimholders from seeking adequate protection with respect to their rights in the Current Asset Collateral in any Insolvency or Liquidation

Proceeding (including adequate protection in the form of a cash payment, periodic cash payments, administrative claims or otherwise (other than from the proceeds of Fixed Asset Collateral)).

6.4. Avoidance Issues. If any Revolving Credit Claimholder or Fixed Asset Claimholder is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the estate of the applicable Grantor any amount paid in respect of Revolving Credit Obligations or the Fixed Asset Obligations, as the case may be (a "**Recovery**"), then such Revolving Credit Claimholders or Fixed Asset Claimholders shall be entitled to a reinstatement of Revolving Credit Obligations or the Fixed Asset Obligations, as the case may be, with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement.

6.5. Post-Petition Interest.

(a) No Fixed Asset Collateral Agent nor any Fixed Asset Claimholder shall oppose or seek to challenge any claim by the Revolving Credit Collateral Agent or any Revolving Credit Claimholder for allowance in any Insolvency or Liquidation Proceeding of Revolving Credit Obligations consisting of Post-Petition Interest, to the extent of the value of the Lien securing any Revolving Credit Claimholder's claim, without regard to the existence of the Lien of the Fixed Asset Collateral Agent on behalf of the Fixed Asset Claimholders on the Collateral.

(b) Neither the Revolving Credit Collateral Agent nor any other Revolving Credit Claimholder shall oppose or seek to challenge any claim by any Fixed Asset Collateral Agent or any Fixed Asset Claimholder for allowance in any Insolvency or Liquidation Proceeding of Fixed Asset Obligations consisting of Post-Petition Interest, to the extent of the value of the Lien securing any Fixed Asset Claimholder's claim, without regard to the existence of the Lien of the Revolving Credit Collateral Agent on behalf of the Revolving Credit Claimholders on the Collateral.

6.6. Waivers – 506(c) and 1111(b)(2) Issues.

(a) Each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, waives any claim it may hereafter have against any Revolving Credit Claimholder arising out of the election of any Revolving Credit Claimholder of the application of Section 1111(b)(2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or out of any grant of a security interest in connection with the Current Asset Collateral in any Insolvency or Liquidation Proceeding.

(b) The Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, waives any claim it may hereafter have against any Fixed Asset Claimholder arising out of the election of any Fixed Asset Claimholder of the application of Section 1111(b)(2) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law or out of any grant of a security interest in connection with the Fixed Asset Collateral in any Insolvency or Liquidation Proceeding.

(c) Until the Discharge of the Revolving Credit Obligations has occurred, each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens on Current Asset Collateral securing the Revolving Credit Obligations for costs or expenses of preserving or disposing of any Collateral. Until the Discharge of the Fixed Asset Obligations has occurred, the Revolving Credit Collateral Agent, for itself and on behalf of the other Revolving Credit Claimholders, will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law senior to or on a parity with the Liens on Fixed Asset Collateral securing the Fixed Asset Obligations for costs or expenses of preserving or disposing of any Collateral.

6.7. Separate Grants of Security and Separate Classification.

(a) Each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, and the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, acknowledges and agrees that the grants of Liens pursuant to the Revolving Credit Collateral Documents and the Fixed Asset Collateral Documents constitute separate and distinct grants of Liens, and because of, among other things, their differing rights in the Collateral, the Fixed Asset Obligations are fundamentally different from the Revolving Credit Obligations and must be separately classified in any plan of reorganization or other dispositive restructuring plan proposed, confirmed, or adopted in an Insolvency or Liquidation Proceeding. In furtherance of the foregoing, the Fixed Asset Collateral Agent, each for itself and on behalf of the applicable Fixed Asset Claimholders, and the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, each agrees that the Fixed Asset Claimholders and the Revolving Credit Claimholders will vote as separate classes in connection with any plan of reorganization or other dispositive restructuring plan in any Insolvency or Liquidation Proceeding and that no Collateral Agent nor any Claimholder will seek to vote with the other as a single class in connection with any plan of reorganization or other dispositive restructuring plan in any Insolvency or Liquidation Proceeding.

(b) To further effectuate the intent of the parties as provided in this Section 6.7, if it is held that the claims of the Fixed Asset Claimholders and the Revolving Credit Claimholders in respect of the Fixed Asset Facility Collateral constitute only one secured claim (rather than separate classes of secured claims subject to the relative Lien priorities set forth herein with respect to such Fixed Asset Facility Collateral), then each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders and the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, hereby acknowledges and agrees that, subject to Sections 2.1 and 4.1, all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Fixed Asset Facility Collateral (with the effect being that, to the extent that the aggregate value of the Fixed Asset Collateral is sufficient (for this purpose ignoring all claims held by the Revolving Credit Claimholders), the Fixed Asset Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest, fees, expenses and other claims, all amounts owing in respect of Post-Petition Interest, including any additional interest payable pursuant to the Fixed Asset Documents, arising from or related to a default, whether or not a claim therefor is allowed or allowable in any Insolvency or Liquidation Proceeding) before any

distribution is made from the Fixed Asset Collateral in respect of the claims held by the Revolving Credit Claimholders, with the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, hereby acknowledging and agreeing to turn over to the Controlling Fixed Asset Collateral Agent, for itself and on behalf of the Non-Controlling Fixed Asset Collateral Agent and the Fixed Asset Claimholders, amounts otherwise received or receivable by them from the Fixed Asset Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Revolving Credit Claimholders.

(c) To further effectuate the intent of the parties as provided in this Section 6.7, if it is held that the claims of the Fixed Asset Claimholders and the Revolving Credit Claimholders in respect of the Revolving Credit Collateral constitute only one secured claim (rather than separate classes of secured claims subject to the relative Lien priorities set forth herein with respect to such Revolving Credit Collateral), then each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders and the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, hereby acknowledges and agrees that, subject to Sections 2.1 and 4.1, all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Revolving Credit Collateral (with the effect being that, to the extent that the aggregate value of the Current Asset Collateral is sufficient (for this purpose ignoring all claims held by the Fixed Asset Claimholders), the Revolving Credit Claimholders shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition interest, fees, expenses and other claims, all amounts owing in respect of Post-Petition Interest, including any additional interest payable pursuant to the Revolving Credit Agreement, arising from or related to a default, whether or not a claim therefor is allowed or allowable in any Insolvency or Liquidation Proceeding) before any distribution is made from the Current Asset Collateral in respect of the claims held by the Fixed Asset Claimholders, with each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, hereby acknowledging and agreeing to turn over to the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, amounts otherwise received or receivable by them from the Current Asset Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Fixed Asset Claimholders.

(d) Each Fixed Asset Collateral Agent, for itself and on behalf of the applicable Fixed Asset Claimholders, and the Revolving Credit Collateral Agent, for itself and on behalf of the Revolving Credit Claimholders, acknowledges and agrees that no Revolving Credit Claimholder nor any Fixed Asset Claimholder (whether in the capacity of a secured creditor or an unsecured creditor) shall propose, vote for, or otherwise support directly or indirectly any plan of reorganization or similar dispositive restructuring plan that is inconsistent with the priorities or other provisions of this Agreement.

(e) If, in any Insolvency or Liquidation Proceeding involving a Grantor, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed or reinstated (in whole or in part) pursuant to a plan of reorganization or similar dispositive restructuring plan, both on account of the Revolving Credit Obligations and on account of the Fixed Asset Obligations, then, to the extent the debt obligations distributed on account of the Revolving Credit Obligations and on account of the Fixed Asset Obligations are secured by

Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

6.8. Enforceability and Continuing Priority. This Agreement shall be applicable both before and after the commencement of any Insolvency or Liquidation Proceeding and all converted or succeeding cases in respect thereof. The relative rights of Claimholders in or to any distributions from or in respect of any Collateral or Proceeds of Collateral shall continue after the commencement of any Insolvency or Liquidation Proceeding. Accordingly, the provisions of this Agreement (including, without limitation, Section 2.1 hereof) are intended to be and shall be enforceable as a subordination agreement within the meaning of Section 510(a) of the Bankruptcy Code.

6.9. Sales. Subject to Sections 3.1(c)(5) and 3.2(c)(5) and 3.3, each Collateral Agent agrees that it will consent, and will not object or oppose, or support any party in opposing, a motion to dispose of any Priority Collateral of the other party free and clear of any Liens or other claims under Section 363 of the Bankruptcy Code or any similar provision of any other Bankruptcy Law if the requisite Revolving Credit Claimholders under the Revolving Credit Agreement or Fixed Asset Claimholders under the applicable Fixed Asset Documents, as the case may be, have consented to such disposition of their respective Priority Collateral, such motion does not impair, subject to the priorities set forth in this Agreement, the rights of such party under Section 363(k) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law (so long as the right of any Fixed Asset Claimholder to offset its claim against the purchase price for any Current Asset Collateral exists only after the Revolving Credit Obligations have been paid in full in cash, and so long as the right of any Revolving Credit Claimholder to offset its claim against the purchase price for any Fixed Asset Collateral exists only after the Fixed Asset Obligations have been paid in full in cash), and the terms of any proposed order approving such transaction provide for the respective Liens to attach to the proceeds of the Priority Collateral that is the subject of such disposition, subject to the Lien priorities in Section 2.1 and the other terms and conditions of this Agreement. Each Fixed Asset Collateral Agent and the Revolving Credit Collateral Agent further agrees that it will not oppose, or support any party in opposing, the right of the other party to credit bid under Section 363(k) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law with respect to its respective Priority Collateral, subject to the provision of the immediately preceding sentence with respect to the Priority Collateral or the other party.

SECTION 7. Reliance; Waivers, Etc.

7.1. Reliance. Other than any reliance on the terms of this Agreement, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders under its Revolving Loan Documents, acknowledges that it and such Revolving Credit Claimholders have, independently and without reliance on any Fixed Asset Collateral Agent or any Fixed Asset Claimholders, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into such Revolving Loan Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Revolving Credit Agreement or this Agreement. Other than any reliance on the terms of this Agreement, each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, acknowledges that it and

the Fixed Asset Claimholders have, independently and without reliance on the Revolving Credit Collateral Agent or any Revolving Credit Claimholder, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into each of the Fixed Asset Documents and be bound by the terms of this Agreement and they will continue to make their own credit decision in taking or not taking any action under the Fixed Asset Documents or this Agreement; provided that nothing in this Section 7.1 shall be deemed to impose any obligation on the Indenture Collateral Agent to make any credit analysis beyond that which may be required by the Indenture.

7.2. No Warranties or Liability. The Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders under the Revolving Loan Documents, acknowledges and agrees that no Fixed Asset Collateral Agent nor any Fixed Asset Claimholder has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Fixed Asset Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Except as otherwise provided in this Agreement, the Fixed Asset Collateral Agents and the Fixed Asset Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under the Fixed Asset Documents in accordance with law and the Fixed Asset Documents, as they may, in their sole discretion, deem appropriate. Each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, acknowledges and agrees that neither the Revolving Credit Collateral Agent nor any Revolving Credit Claimholder has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Revolving Loan Documents, the ownership of any Collateral or the perfection or priority of any Liens thereon. Except as otherwise provided in this Agreement, the Revolving Credit Collateral Agent and the Revolving Credit Claimholders will be entitled to manage and supervise their respective loans and extensions of credit under their respective Revolving Loan Documents in accordance with law and the Revolving Loan Documents, as they may, in their sole discretion, deem appropriate. No Fixed Asset Collateral Agent nor any Fixed Asset Claimholders shall have any duty to the Revolving Credit Collateral Agent or any of the Revolving Credit Claimholders, and the Revolving Credit Collateral Agent and the Revolving Credit Claimholders shall have no duty to any Fixed Asset Collateral Agent or any of the Fixed Asset Claimholders, to act or refrain from acting in a manner which allows, or results in, the occurrence or continuance of an event of default or default under any agreements with any Grantor (including the Revolving Loan Documents and the Fixed Asset Documents), regardless of any knowledge thereof which they may have or be charged with.

7.3. No Waiver of Lien Priorities.

(a) No right of the Collateral Agents, the Revolving Credit Claimholders or the Fixed Asset Claimholders to enforce any provision of this Agreement or any Revolving Loan Document or Fixed Asset Document shall at any time in any way be prejudiced or impaired by any act or failure to act on the part of any Grantor or by any act or failure to act by such Collateral Agents, Revolving Credit Claimholders or Fixed Asset Claimholders or by any noncompliance by any Person with the terms, provisions and covenants of this Agreement, any of the Revolving Loan Documents or any of the Fixed Asset Documents, regardless of any knowledge thereof which the Collateral Agents or the Revolving Credit Claimholders or Fixed Asset Claimholders, or any of them, may have or be otherwise charged with.

(b) Without in any way limiting the generality of the foregoing paragraph (but subject to the rights of the Grantors under the Revolving Loan Documents and Fixed Asset Documents and subject to the provisions of Sections 2.3, 2.4 and 5.3), the Collateral Agents, the Revolving Credit Claimholders and the Fixed Asset Claimholders may, at any time and from time to time in accordance with the Revolving Loan Documents and Fixed Asset Documents and/or applicable law, without the consent of, or notice to, the other Collateral Agent or the Revolving Credit Claimholders or the Fixed Asset Claimholders (as the case may be), without incurring any liabilities to such Persons and without impairing or releasing the Lien priorities and other benefits provided in this Agreement (even if any right of subrogation or other right or remedy is affected, impaired or extinguished thereby) do any one or more of the following:

(1) change the manner, place or terms of payment or change or extend the time of payment of, or amend, renew, exchange, increase or alter, the terms of any of the Obligations or any Lien or guaranty thereof or any liability of any Grantor, or any liability incurred directly or indirectly in respect thereof (including any increase in or extension of the Obligations, without any restriction as to the tenor or terms of any such increase or extension) or otherwise amend, renew, exchange, extend, modify or supplement in any manner any Liens held by the Collateral Agents or any rights or remedies under any of the Revolving Loan Documents or the Fixed Asset Documents;

(2) sell, exchange, release, surrender, realize upon, enforce or otherwise deal with in any manner and in any order any part of the Collateral (except to the extent provided in this Agreement) or any liability of any Grantor or any liability incurred directly or indirectly in respect thereof;

(3) settle or compromise any Obligation or any other liability of any Grantor or any security therefor or any liability incurred directly or indirectly in respect thereof and apply any sums by whomsoever paid and however realized to any liability in any manner or order that is not inconsistent with the terms of this Agreement; and

(4) exercise or delay in or refrain from exercising any right or remedy against any security or any Grantor or any other Person, elect any remedy and otherwise deal freely with any Grantor.

(c) Except as otherwise provided herein, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, also agrees that the Fixed Asset Claimholders and the Fixed Asset Collateral Agents shall have no liability to the Revolving Credit Collateral Agent or any Revolving Credit Claimholders, and the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, hereby waives any claim against any Fixed Asset Claimholder or any Fixed Asset Collateral Agent, arising out of any and all actions which the Fixed Asset Claimholders or any Fixed Asset Collateral Agent may take or permit or omit to take with respect to:

(1) the Fixed Asset Documents;

(2) the collection of the Fixed Asset Obligations; or

(3) the foreclosure upon, or sale, liquidation or other disposition of, any Fixed Asset Collateral.

The Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees that the Fixed Asset Claimholders and the Fixed Asset Collateral Agents have no duty to them in respect of the maintenance or preservation of the Fixed Asset Collateral, the Fixed Asset Obligations or otherwise.

(d) Except as otherwise provided herein, each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, also agrees that the Revolving Credit Claimholders and the Revolving Credit Collateral Agent shall have no liability to the Fixed Asset Collateral Agents or any Fixed Asset Claimholders, and each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, hereby waives any claim against any Revolving Credit Claimholder or the Revolving Credit Collateral Agent, arising out of any and all actions which the Revolving Credit Claimholders or the Revolving Credit Collateral Agent may take or permit or omit to take with respect to:

(1) the Revolving Loan Documents;

(2) the collection of the Revolving Credit Obligations; or

(3) the foreclosure upon, or sale, liquidation or other disposition of, any Current Asset Collateral.

Each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, agrees that the Revolving Credit Claimholders and the Revolving Credit Collateral Agent have no duty to them in respect of the maintenance or preservation of the Current Asset Collateral, the Revolving Credit Obligations or otherwise.

(e) Until the Discharge of Fixed Asset Obligations, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Fixed Asset Collateral or any other similar rights a junior secured creditor may have under applicable law.

(f) Until the Discharge of Revolving Credit Obligations, each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshalling, appraisal, valuation or other similar right that may otherwise be available under applicable law with respect to the Current Asset Collateral or any other similar rights a junior secured creditor may have under applicable law.

7.4. Obligations Unconditional. All rights, interests, agreements and obligations of the Revolving Credit Collateral Agent and the Revolving Credit Claimholders and the Fixed Asset Collateral Agents and the Fixed Asset Claimholders, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Revolving Loan Documents or any Fixed Asset Documents;

(b) except as otherwise expressly set forth in this Agreement, any change in the time, manner or place of payment of, or in any other terms of, all or any of the Revolving Credit Obligations or Fixed Asset Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Revolving Loan Document or any Fixed Asset Document;

(c) except as otherwise expressly set forth in this Agreement, any exchange of any security interest in any Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Revolving Credit Obligations or Fixed Asset Obligations or any guaranty thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the any Grantor; or

(e) any other circumstances which otherwise might constitute a defense available to, or a discharge of, any Grantor in respect of the Revolving Credit Collateral Agent, the Revolving Credit Obligations, any Revolving Credit Claimholder, the Fixed Asset Collateral Agent, the Fixed Asset Obligations or any Fixed Asset Claimholder in respect of this Agreement.

SECTION 8. Miscellaneous.

8.1. Conflicts. In the event of any conflict between the provisions of this Agreement and the provisions of any Revolving Loan Document or any Fixed Asset Document, the provisions of this Agreement shall govern and control.

8.2. Effectiveness; Continuing Nature of this Agreement; Severability. This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement of lien subordination and the Revolving Credit Claimholders and Fixed Asset Claimholders may continue, at any time and without notice to any Collateral Agent, to extend credit and other financial accommodations and lend monies to or for the benefit of any Grantor in reliance hereon. Each of the Collateral Agents, on behalf of itself and the Revolving Credit Claimholders or the Fixed Asset Claimholders, as the case may be, hereby waives any right it may have under applicable law to revoke this Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Consistent with, but not in limitation of, the preceding sentence, each Collateral Agent, on behalf of the applicable Claimholders, irrevocably acknowledges that this Agreement constitutes a "subordination agreement" within the meaning of both New York law and Section 510(a) of the Bankruptcy Code. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. All references to any Grantor shall include such Grantor as debtor and debtor-in-possession and any receiver or trustee for any Grantor

(as the case may be) in any Insolvency or Liquidation Proceeding. This Agreement shall terminate and be of no further force and effect:

(a) with respect to the Revolving Credit Collateral Agent, the Revolving Credit Claimholders and the Revolving Credit Obligations, on the date of the Discharge of Revolving Credit Obligations, subject to the rights of the Revolving Credit Claimholders under Section 6.4; and

(b) with respect to the Fixed Asset Collateral Agents, the Fixed Asset Claimholders and the Fixed Asset Obligations, on the date of the Discharge of Fixed Asset Obligations, subject to the rights of the Fixed Asset Claimholders under Section 6.4.

8.3. Amendments; Waivers; Additional Grantors. No amendment, modification or waiver of any of the provisions of this Agreement by any Fixed Asset Collateral Agent or the Revolving Credit Collateral Agent shall be deemed to be made unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Notwithstanding the foregoing, (a) no Grantor shall have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except any amendment, modification or waiver (i) that restricts or otherwise limits the amount of Revolving Credit Obligations or Fixed Asset Obligations that may be incurred by such Grantor under any Debt Documents, (ii) to any provision (including, for purposes of such Sections, any amendment or other modification to any defined term used therein to the extent such amendment would have an adverse effect on the rights of such Grantor under such Sections) of Section 5.1, 5.2, 5.3, 5.4, 5.5, 5.7, 6.1 or 8.15 (such Sections, together with this Section 8.3, the "**Grantor Beneficiary Provisions**"), (iii) to the extent that such amendment, modification or waiver (x) adversely affects or impairs its rights hereunder, under the Fixed Asset Documents or under the Revolving Loan Documents, or (y) imposes any additional obligation, liability or direct restriction upon it or any of its respective subsidiaries or properties and (b) each additional Grantor shall sign an acknowledgement to this Agreement whereupon each such Person will be bound by the terms hereof to the same extent as if it had acknowledged this Agreement as of the date hereof.

8.4. Information Concerning Financial Condition of the Grantors and their Subsidiaries. The Revolving Credit Collateral Agent and the Revolving Credit Claimholders, on the one hand, and the Fixed Asset Collateral Agents and the Fixed Asset Claimholders, on the other hand, shall each be responsible for keeping themselves informed of (a) the financial condition of the Grantors and their Subsidiaries and all endorsers and/or guarantors of the Revolving Credit Obligations or the Fixed Asset Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Revolving Credit Obligations or the Fixed Asset Obligations; provided that nothing in this Section 8.4 shall impose any obligation on the Indenture Collateral Agent to be informed of the financial condition or risk of non-payment beyond that which may be required under the Indenture. Neither the Revolving Credit Collateral Agent and the Revolving Credit Claimholders, on the one hand, nor the Fixed Asset Collateral Agents and the Fixed Asset Claimholders, on the other hand, shall have any duty to advise the other of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that either the Revolving Credit Collateral Agent or any of the Revolving Credit Claimholders, on the one

hand, or any Fixed Asset Collateral Agent and the Fixed Asset Claimholders, on the other hand, undertakes at any time or from time to time to provide any such information to any of the others, it or they shall be under no obligation:

(a) to make, and shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided;

(b) to provide any additional information or to provide any such information on any subsequent occasion;

(c) to undertake any investigation; or

(d) to disclose any information, which pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

8.5. Subrogation.

(a) With respect to the value of any payments or distributions in cash, property or other assets that any of the Fixed Asset Claimholders or any Fixed Asset Collateral Agent pays over to the Revolving Credit Collateral Agent or the Revolving Credit Claimholders under the terms of this Agreement, the Fixed Asset Claimholders and Fixed Asset Collateral Agents shall be subrogated to the rights of the Revolving Credit Collateral Agent and the Revolving Credit Claimholders; provided, however, that, each Fixed Asset Collateral Agent, on behalf of itself and the applicable Fixed Asset Claimholders, hereby agrees not to assert or enforce all such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Revolving Credit Obligations has occurred. The Grantors acknowledge and agree that, to the extent permitted by applicable law, the value of any payments or distributions in cash, property or other assets received by any Fixed Asset Collateral Agent or the Fixed Asset Claimholders that are paid over to the Revolving Credit Collateral Agent or the Revolving Credit Claimholders pursuant to this Agreement shall not reduce any of the Fixed Asset Obligations.

(b) With respect to the value of any payments or distributions in cash, property or other assets that any of the Revolving Credit Claimholders or the Revolving Credit Collateral Agent pays over to any Fixed Asset Collateral Agent or the Fixed Asset Claimholders under the terms of this Agreement, the Revolving Credit Claimholders and the Revolving Credit Collateral Agent shall be subrogated to the rights of the Fixed Asset Collateral Agents and the Fixed Asset Claimholders; provided, however, that, the Revolving Credit Collateral Agent, on behalf of itself and the Revolving Credit Claimholders, hereby agrees not to assert or enforce all such rights of subrogation it may acquire as a result of any payment hereunder until the Discharge of Fixed Asset Obligations has occurred. The Grantors acknowledge and agree that, to the extent permitted by applicable law, the value of any payments or distributions in cash, property or other assets received by the Revolving Credit Collateral Agent or the Revolving Credit Claimholders that are paid over to the Fixed Asset Collateral Agents or the Fixed Asset Claimholders pursuant to this Agreement shall not reduce any of the Revolving Credit Obligations.

(b) EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER HEREOF, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE; MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 8.6(b) AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

Without limiting the generality of the description of Collateral as set out in Section 2.2, for greater certainty the Collateral shall include all present and future personal property of the Issuers (other than Excluded Assets) located in transit to or from each location of assets of the Issuers identified in the Perfection Certificates.

2.4 Attachment of Security Interest

The parties hereby acknowledge that:

(i) value has been given;

(ii) each Issuer has rights in its Collateral; and

(iii) the parties have not agreed to postpone the time for attachment of the security interests created by this agreement.

The parties further agree that the security interests created by this agreement are intended to attach to all Collateral in which an Issuer acquires an interest as a result of any amalgamation, arrangement or similar proceeding.

2.5 Registration

The Collateral Agent shall have the right at any time and without notice to or any further actions on the part of any Issuer, to cause this agreement or notice thereof to be registered or filed in any place or office of public record where the Collateral Agent or its counsel may reasonably deem advisable or necessary provided always that no such registration shall be made against or in respect of any real property or real property interest of any Issuer.

2.6 Exception re: Leaseholds and Contractual Rights

The last day of the term of any lease, sublease or agreement therefor is specifically excepted from the security interest created by this agreement, but each Issuer agrees to stand possessed of such last day in trust for such person as the Collateral Agent may direct and each Issuer shall assign and dispose thereof in accordance with such direction. To the extent that

the security interest created by this agreement in any contractual rights, leases, licenses, intellectual property, permits and other governmental authorizations (including Project Authorizations and other Authorizations) (herein called the "**Contractual Rights**") would constitute a breach and/or default or cause the acceleration or termination of such Contractual Right, said security interest shall not be granted hereunder but each Issuer shall hold its interest therein in trust for the Collateral Agent. The security interest with respect to the trade-marks constitutes a security interest in, and a charge, hypothecation and pledge of, such Collateral in favour of the Collateral Agent, but does not constitute an assignment or mortgage of such Collateral to the Collateral Agent or any other Secured Party. Until the Enforcement Date, the grant of the security interest in the intellectual property will not affect in any way any Issuer's rights to commercially exploit it or defend or enforce such Issuer's rights in it or with respect to it. The security interest does not extend to, and Collateral shall not include, consumer goods.

2.7 Voting and Distributions re: Securities

Prior to the Enforcement Date, all interest, cash dividends or distributions, income and revenue from Securities that have been delivered to the Collateral Agent pursuant to Section 3.1(b) or which are subject to a Control Agreement (but not the proceeds of disposition of such Securities) shall be collected by and payable to the relevant Issuer (and not the Collateral Agent), and such Securities shall be voted by the relevant Issuer, and all non-cash dividends or distributions paid on such Securities, if received by the relevant Issuer, shall form part of Collateral. On and after the Enforcement Date, all dividends and distributions paid on such Securities, and all interests, income and revenue from such Securities, if received by the relevant Issuer, shall be paid to the Collateral Agent and applied against the Secured Obligations in accordance with Section 6.13 of the Indenture, and the Collateral Agent shall be entitled to vote or not to vote such Securities as the Collateral Agent sees fit.

2.8 Excluded Assets

The parties hereto acknowledge and agree that notwithstanding any provision to the contrary set forth herein, the security interests granted hereby shall not and do not extend to the Excluded Assets.

ARTICLE 3
WARRANTIES AND COVENANTS OF THE ISSUERS

3.1 Warranties and Covenants

In addition to the representations, warranties and covenants made by the Issuers to the Secured Parties pursuant to the Indenture (it being acknowledged that such representations, warranties and covenants, among other provisions, shall survive the termination of the Indenture), each Issuer hereby warrants, (subject to the provisions of the Indenture during the currency thereof) covenants and agrees with the Collateral Agent as follows:

(a) Each Issuer shall prevent Collateral from becoming an accession to any personal property not subject to a Collateral Document, or becoming affixed to any real property unless (i) such Issuer has mortgaged the real property to the Collateral Agent pursuant to a Collateral Document as security for the Secured Obligations

of such Issuer or (ii) the affixing constitutes a leasehold improvement in the ordinary course of business.

(b) Upon the execution and delivery of this agreement, each Issuer shall deliver (or cause to be delivered) to the Collateral Agent, endorsed to the Collateral Agent or such nominee as it may direct and/or accompanied by such instruments of assignment and transfer in such form as the Collateral Agent may reasonably request, any and all Certificated Securities constituting Collateral and each Issuer shall deliver all Certificated Securities constituting Collateral issued after the execution and delivery of this agreement to such Issuer together with such instruments of assignment and transfer in such form as the Collateral Agent may reasonably request.

(c) Promptly upon the reasonable request of the Collateral Agent from time to time at any time that an Event of Default has occurred and is continuing, each Issuer shall deliver (or cause to be delivered) to the Collateral Agent, endorsed to the Collateral Agent or such nominee as it may direct and/or accompanied by such instruments of assignment and transfer in such form and substance as the Collateral Agent may reasonably request, any and all Instruments, Securities, Documents of Title, Documents and Chattel Paper included in or forming part of the Collateral, as the Collateral Agent may specify in its request.

(d) Promptly upon the reasonable written request by the Collateral Agent after the occurrence and during the continuance of an Event of Default, each Issuer shall:

(i) direct the issuer of any and all Certificated Securities included in or relating to the Collateral as the Collateral Agent may specify in its request to register the applicable Security Certificate in the name of the Collateral Agent or such nominee as it may direct;

(ii) direct the issuer of any and all Uncertificated Securities included in or relating to the Collateral as the Collateral Agent may specify in its request to register the Collateral Agent or such nominee as it may direct as the registered owner of the Uncertificated Security;

(iii) direct the Securities Intermediary for any Security Entitlements or Securities Accounts included in or relating to the Collateral as the Collateral Agent may specify in its request to transfer any or all of the Financial Assets to which such Security Entitlements or Securities Accounts relate to such Securities Account or Securities Accounts as the Collateral Agent may specify;

of the Collateral Agent in such Uncertificated Securities provided always that such Control Agreement shall entitle such Issuer to exercise all rights of ownership to such Uncertificated Securities until the security hereby constituted becomes enforceable upon the Enforcement Date, including without limitation the ability to trade, make investment decisions and remove Uncertificated Securities and proceeds from the relevant account; and

(v) to the extent that a Control Agreement is not already in place, enter into with the Collateral Agent and any Securities Intermediary for any Securities Accounts or Security Entitlements (other than Security Entitlements in respect of ULC Shares) included in or relating to the Collateral as the Collateral Agent may specify in its request, a Control Agreement in respect of such Securities Accounts or Security Entitlements for the purpose of perfecting the security interest of the Collateral Agent in such Securities Accounts or Security Entitlements provided always that such Control Agreement shall entitle such Issuer to exercise all rights of ownership to such Securities Accounts or Security Entitlements until the security hereby constituted becomes enforceable upon the Enforcement Date, including without limitation the ability to trade, make investment decisions and remove Securities Accounts or Security Entitlements and proceeds from the relevant account.

(e) The Issuers will not use or acquire for use any Collateral as consumer goods.

(f) Other than at any time during which an Event of Default has occurred and is continuing, nothing shall require an Issuer to certificate Securities which are uncertificated.

(g) No Issuer will enter into nor consent to any third party entering into, any Control Agreement that deals, directly or indirectly, with the Collateral.

3.2 Performance of Covenants by the Collateral Agent

Upon the occurrence of an Event of Default that is continuing, the Collateral Agent may, in its sole discretion and upon notice to the Issuers, perform any covenant of the Issuers under this agreement that the Issuers fail to perform and that the Collateral Agent is capable of performing, including, without limitation, any covenant the performance of which requires the payment of money, provided that the Collateral Agent will not be obligated to perform any such covenant on behalf of the Issuers and no such performance by the Collateral Agent will require the Collateral Agent further to perform the Issuers' covenants nor operate as a derogation of the rights and remedies of the Collateral Agent under this agreement.

(c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other extension, compromise, indulgence or renewal of any Guaranteed Obligations;

(d) any reduction, limitation, variation, impairment, discontinuance or termination of any Guaranteed Obligations for any reason (other than by reason of any payment which is not required to be rescinded), including any claim of waiver, release, discharge, surrender, alteration or compromise, and shall not be subject to (and each of the Limited Recourse Guarantors hereby waive any right to or claim of) any defence or set-off, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality, nongenuineness, irregularity, compromise, unenforceability of, or any other event or occurrence affecting, any Guaranteed Obligations or otherwise (other than by reason of any payment which is not required to be rescinded);

(e) any amendment to, rescission, waiver or other modification of, or any consent to any departure from, any of the terms of the Indenture or any Collateral Document or any other guarantees or security;

(f) any addition, exchange, release, discharge, renewal, realization or non-perfection of any collateral security for any Guaranteed Obligations;

(g) any amendment to, or waiver or release or addition of, or consent to departure from, any other guarantee held by any Secured Party as security for any of the Guaranteed Obligations;

(h) the loss of or in respect of or the unenforceability of any other guarantee or other security which any Secured Party may now or hereafter hold in respect of the Guaranteed Obligations, whether occasioned by the fault of any Secured Party or otherwise;

(i) any change in the name of any Issuer or in the constating documents, capital structure, capacity or constitution of any Issuer, the occurrence of a Bankruptcy or Insolvency Event in respect of any Issuer, the sale of any or all of the business or assets of any Issuer being consolidated, merged or amalgamated with any other Person;

(j) any payment received on account of any Guaranteed Obligations that the Limited Recourse Guarantors are obliged to repay pursuant to any Applicable Law or for any other reason; or

(k) any other circumstance (other than final payment in full of all Guaranteed Obligations) which might otherwise constitute a defence available to, or a legal or equitable discharge of, any Obligor, any surety or any guarantor.

2.4 Secured Parties not Bound to Exhaust Recourse. No Secured Party shall be bound to pursue or exhaust its recourse against any Obligor or others or any security or other guarantees it may at any time hold before being entitled to payment hereunder from a Limited Recourse Guarantor.

2.5 Enforcement. Upon written demand by the Trustee or the Collateral Agent to each of the Limited Recourse Guarantors on or after the Enforcement Date, the Limited Recourse Guarantors shall forthwith pay to the Trustee or the Collateral Agent, as applicable, in immediately available funds the total amount of all unpaid and overdue Guaranteed Obligations and the Trustee or the Collateral Agent shall apply the sum so paid against such Guaranteed Obligations in accordance with the terms of the Indenture.

2.6 Guarantee in Addition to Other Security. This guarantee shall be in addition to and not in substitution for any other guarantee or other security which any Secured Party may now or hereafter hold in respect of the Guaranteed Obligations, and no Secured Party shall be under any obligation to marshal in favour of any Limited Recourse Guarantor any other guarantee or other security or any moneys or other assets which such Secured Party may be entitled to receive or may have a claim upon.

2.7 Reinstatement. The guarantee provided herein and all other terms of this agreement shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment (in whole or in part) of any of the Guaranteed Obligations is rescinded or must otherwise be returned or restored by any Secured Party by reason of the insolvency, bankruptcy or reorganization of any Issuer or for any other reason not involving the wilful misconduct of a Secured Party, all as though such payment had not been made.

2.8 Payments Free and Clear of Taxes, etc. Without limiting Section 2.13 hereof, any and all payments made by a Limited Recourse Guarantor hereunder shall be made, and each Limited Recourse Guarantor hereby indemnifies the Secured Parties, in each case in accordance with Section 2.14.

2.9 Waiver of Notice, etc. Each of the Limited Recourse Guarantors hereby waives promptness, diligence, notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this agreement.

2.10 Subrogation Rights. No Limited Recourse Guarantor shall exercise any rights which it may acquire by way of subrogation under this agreement, by any payment made hereunder or otherwise, until the Secured Obligations Termination Date. Any amount paid to a Limited Recourse Guarantor on account of any such subrogation rights prior to the Secured Obligations Termination Date shall be held in trust by such Limited Recourse Guarantor for the benefit of the Secured Parties and shall immediately be paid to the Trustee or the Collateral Agent, as applicable, and credited and applied against the Guaranteed Obligations, whether matured or unmatured in accordance with the terms of the Indenture. In furtherance of the

foregoing, until the Secured Obligations Termination Date, each of the Limited Recourse Guarantors hereby (i) postpones and subordinates any and all claims it may have against any Obligor to the claims of the Secured Parties against such Issuer at any time that and for so long as an Event of Default has occurred and is continuing, and (ii) agrees to refrain from taking any action or commencing any proceeding against any Issuer or its respective successors or assigns, whether in connection with a Bankruptcy or Insolvency Event or otherwise, to recover any amounts in respect of payments made hereunder to any Secured Party, although such Limited Recourse Guarantor may take such actions as may be necessary to preserve its claims against such Issuer. In the event any payments are made by any Issuer to such Limited Recourse Guarantor in contravention of the preceding sentence, such Limited Recourse Guarantor shall hold the amount so received in trust for the Secured Parties and shall forthwith pay such amount to the Collateral Agent or the Trustee, as applicable.

2.11 Advances After Certain Events. All advances, renewals and credits made or granted by the Secured Parties purportedly to or for any Issuer after a Bankruptcy or Insolvency Event in respect of such Issuer, but before the Secured Parties have received notice thereof, shall be deemed to form part of the Guaranteed Obligations and all advances, renewals and credits obtained from any Secured Party purportedly by or on behalf of any Issuer shall be deemed to form part of the Guaranteed Obligations, notwithstanding any lack or limitation of power, incapacity or disability of any Issuer or of the directors or agents thereof and notwithstanding that any Issuer may not be a legal entity and notwithstanding any irregularity, defect or informality in the obtaining of such advances, renewals or credits, whether or not any Secured Party has knowledge thereof.

2.12 Indemnities. Subject to Section 2.13, if any Guaranteed Obligations are not otherwise recoverable under this agreement, the Limited Recourse Guarantors shall indemnify each of the Secured Parties against, and save each of them harmless from and against, any loss, cost, damage, expense, claims and liability which they may at any time suffer or incur in connection with:

(a) any failure by any Issuer to duly and punctually pay or perform the Guaranteed Obligations; and

(b) any loss for any reason whatsoever (other than arising as a result of the gross negligence, fraud or wilful misconduct of a Secured Party or breach by any Secured Party of the terms of the Indenture or any Collateral Document), including by operation of law or otherwise, of any right of any Secured Party to enforce payment of the Guaranteed Obligations.

2.13 Limitation as to Recourse. The guarantee made by any Limited Recourse Guarantor hereunder is made for the sole purpose of enabling the Trustee and the Collateral Agent to obtain an effective charge and security interest in and to all of the Collateral pledged by the Limited Recourse Guarantors pursuant to the Pledge Agreement as security for payment and performance of the Guaranteed Obligations. Notwithstanding any other provisions of this Article 2:

(a) the liability of any Limited Recourse Guarantor to the Trustee and the Collateral Agent is limited to the extent such liability is required to permit the Collateral Agent or Trustee to realize upon the Collateral pledged by a Limited Recourse Guarantor to the Collateral Agent and the Trustee pursuant to the Pledge Agreement;

(b) neither the Trustee nor the Collateral Agent shall not be entitled to sue or to commence any action against any Limited Recourse Guarantor to recover any sum owing by any Limited Recourse Guarantor to the Collateral Agent or the Trustee pursuant to this guarantee, unless such suit or action is necessary to permit the Collateral Agent or the Trustee to realize upon the Collateral pledged by a Limited Recourse Guarantor to the Collateral Agent and the Trustee pursuant to the Pledge Agreement; and

(c) in the event that a Limited Recourse Guarantor shall default in payment or performance of any of the Guaranteed Obligations, the sole recourse of the Collateral Agent and the Trustee against such Limited Recourse Guarantor shall be with respect to the Collateral pledged by such Limited Recourse Guarantor to the Collateral Agent and the Trustee pursuant to the terms of the Pledge Agreement, or any amounts received upon the realization of such Collateral pursuant to the terms set out in the Pledge Agreement, and the Collateral Agent and the Trustee shall not under any circumstances have any right to payment from a Limited Recourse Guarantor other than through realization on the Collateral, or against any of its property or assets other than the Collateral and for greater clarity and without limiting the foregoing a Limited Recourse Guarantor shall not be liable to the Collateral Agent or the Trustee for any deficiency resulting from any such realization or otherwise.

2.14 Taxes.

(a) Any and all payments made by an Obligor hereunder or under the Indenture or any other Collateral Document (any such payment being hereinafter referred to as a "**Payment**") to or for the benefit of a Secured Party shall be made without set-off or counterclaim, and free and clear of, and without deduction or withholding for, or on account of, any and all present or future Taxes, except to the extent such deduction or withholding is required by Applicable Law or the administrative practice of any Official Body. If an Obligor shall be so required to deduct or withhold any Taxes from or in respect of any Payment made to or for the benefit of the relevant Secured Party, the relevant Obligor shall:

(i) promptly notify the Collateral Agent and the Trustee of such requirement;

(ii) to the extent such Taxes are Indemnified Taxes, pay to the Collateral Agent and the Trustee in addition to the Payment to which the relevant Secured Party is otherwise entitled, such additional amount as is necessary to ensure that the net amount actually received by such Secured Party (free and clear of, and net of, any such Indemnified Taxes, including the full

amount of any Indemnified Taxes required to be deducted or withheld from any additional amount paid by the relevant Obligor under this Section 2.14(a), whether assessable against such Obligor, or such Secured Party) equals the full amount such Secured Party, would have received had no such deduction or withholding been required;

(iii) make such deduction or withholding;

(iv) pay to the relevant Official Body in accordance with Applicable Law the full amount of Taxes required to be deducted or withheld (including the full amount of Indemnified Taxes required to be deducted or withheld from any additional amount paid by the relevant Obligor to such Secured Party under this Section 2.14(a)), within the time period required by Applicable Law; and

(v) as promptly as possible thereafter, forward to such Secured Party an original official receipt (or a certified copy), or other documentation acceptable to such Secured Party, acting reasonably, evidencing such payment to such Official Body.

(b) In addition, each Obligor agrees to pay to the relevant Official Body in accordance with Applicable Law any and all present or future stamp or documentary taxes or excise or property taxes, charges or levies of a similar nature, which arise from any Payment or from the execution, delivery or registration of, or otherwise with respect to, the Indenture and the Collateral Documents and the transactions contemplated hereby or thereby (any such amounts being hereinafter referred to as "**Other Taxes**").

(c) Each Obligor hereby indemnifies and holds harmless each Secured Party, on an after-Taxes basis, for the full amount of Taxes and Other Taxes, interest, penalties and other liabilities, levied, imposed or assessed against (and whether or not paid directly by) such Secured Party and for all expenses, resulting from or relating to the Issuers' failure to:

(i) remit to such Secured Party the documentation referred to in Section 2.14(a)(v); or

(ii) pay any Taxes or Other Taxes when due to the relevant Official Body (including, without limitation, any Indemnified Taxes imposed by any Official Body on amounts payable under this Section 2.14).

The provisions of this Section 2.14(c) shall apply whether or not such Taxes or Other Taxes were correctly or legally assessed by the relevant Official Body, provided such Taxes, Other Taxes, interest, penalties or other liabilities, as applicable, would not have been levied, imposed or assessed had such failure not occurred. Any Secured Party who pays any Taxes or Other Taxes, shall promptly notify the relevant Obligor of such payment, provided, however, that failure to provide such notice shall not detract from, or compromise, the obligations of the

relevant Obligor under this Section 2.14. Payment pursuant to this indemnification shall be made within 30 days from the date the relevant Secured Party makes written demand therefor accompanied, if requested by the Issuers, by written notice as to the amount of such Taxes or Other Taxes and the calculation thereof, which calculation shall be prima facie evidence of such amount, absent manifest error.

(d) If an Obligor determines in good faith that a reasonable basis exists for contesting any Indemnified Taxes or Other Taxes for which a payment has been made under this Section 2.14, the relevant Secured Party shall, if so requested by such Obligor, cooperate with the relevant Obligor in challenging such Taxes at the Issuers' expense.

(e) Each Obligor also hereby indemnifies and holds harmless each Secured Party, on an after-Taxes basis, for any additional taxes on net income that such Secured Party may be obliged to pay as a result of the receipt of amounts under this Section 2.14.

(f) If any Secured Party determines, in its sole discretion exercised in good faith, that it has received a refund, relief or remission for, or Tax credit in respect of, any Taxes ("**Tax Credit**") for which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the indemnifying party an amount equal to such Tax Credit (but only to the extent of indemnity payments made under this Section 2.14 with respect to the Taxes giving rise to such Tax Credit), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Official Body with respect to such Tax Credit). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Official Body) in the event that such indemnified party is required to repay such Tax Credit to such Official Body. Notwithstanding anything to the contrary in this paragraph 2.14, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such Tax Credit had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such Tax Credit had never been paid. This paragraph (f) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) No Secured Party shall be under any obligation to arrange its tax affairs in any particular manner or, unless and only to the extent stated otherwise, be obliged to disclose any information regarding its tax affairs or computations to the Obligors or any other Person in connection with this Section 2.14.

(h) The parties hereto agree that additional amounts payable under Section 2.14(a) have the same character as the Payments to which they relate.

(i) The Obligors' obligations under this Section 2.14 shall survive without limitation the termination of the Indenture, this agreement and all other Collateral Documents and the permanent repayment of the outstanding credit and all other amounts payable hereunder and thereunder.

(j) Notwithstanding anything to the contrary contained herein and provided at the time of the underlying assignment referenced below no Default or Event of Default has occurred and is continuing, no Obligor shall be obligated to pay to any Person that becomes a Secured Party by assignment any additional amounts pursuant to this Section 2.14 in excess of the amounts that the Obligor would have been obligated to pay to the assigning Secured Party if such Secured Party had not assigned its rights to the assignee, unless the circumstances giving rise to such greater amount did not exist at the time of such assignment and were not caused by the assignee. For avoidance of doubt, this Section 2.14(j) shall have no application to any introduction of, change to Applicable Law, introduced or changed after the date hereof.

ARTICLE 3

(b) The obligations of each Limited Recourse Guarantor under this agreement shall at all times be collaterally secured by a perfected first priority security interest in all of its Collateral subject to Permitted Liens.

(c) Each Limited Recourse Guarantor acknowledges that it has fully informed itself about the financial condition of the Issuers. Each Limited Recourse Guarantor assumes full responsibility for keeping fully informed of the financial condition of each Issuer and all other circumstances affecting the ability of the Issuers to pay or perform its Guaranteed Obligations, and agrees that the Collateral Agent and the Trustee have no duty to report to any Limited Recourse Guarantors any information which the Collateral Agent or the Trustee have or receive about the financial condition of the Issuers or any circumstances bearing on any Issuer's ability to pay or perform its Guaranteed Obligations.

(d) Each Limited Recourse Guarantor shall provide the Collateral Agent with written notification of any change in the information certified in its Perfection Certificate and provide an updated Perfection Certificate identifying such change in order to make the information in its Perfection Certificate true and correct within 5 Business Days of such change.

(e) No Limited Recourse Guarantor shall enter into or grant, create, assume or suffer to exist any Lien or unsatisfied judgment affecting its Collateral, other than any Lien in existence on the date hereof and Permitted Liens.

(a) In the case of a corporation, it is duly organized and validly existing under the law of the jurisdiction of its organization or incorporation and, if relevant under such laws, is in good standing or, in the case of a partnership, it is validly formed and has not been dissolved.

(b) It has the power to execute each Collateral Document to which it is a party, to deliver each Collateral Document and to perform its obligations under each Collateral Document to which it is a party and has taken all necessary action to authorize such execution, delivery and performance.

(c) The execution, delivery and performance of each Collateral Document to which a Limited Recourse Guarantor is a party do not violate or conflict with, in any material respect, any law applicable to such Limited Recourse Guarantor, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets.

(d) All governmental and other consents that are required to have been obtained by it with respect to each Collateral Document to which it is a party have been obtained

and are in full force and effect and all conditions of any such consents have been complied with.

(e) Its obligations under each Collateral Document to which it is a party constitutes its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and, subject as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding, in equity or at law)).

(f) All information provided by each Limited Recourse Guarantor in its respective Perfection Certificate is true and correct in all material respects.

4.3 Repetition. The representations and warranties made in Section 4.2 shall be deemed to be repeated by each Limited Recourse Guarantor in favour of the Trustee and the Collateral Agent, for and on behalf of the Secured Parties, on each date that the Issuers repeat representations and warranties under the Indenture and any Collateral Document to which an Issuer is a party.

ARTICLE 5

All notices and other communications provided for herein shall be in writing and shall be personally delivered to an officer of the addressee or sent by email or telefacsimile, charges prepaid, at or to the applicable party hereto at the address, email address (which email notice shall be sent with a "read receipt" request) or telefacsimile number, as the case may be, set forth on the signature pages hereto or to such other address or addresses or telefacsimile number or numbers as any party hereto may from time to time designate to the other parties in such manner. Any communication which is personally delivered as aforesaid shall be deemed to have been validly and effectively given on the date of such delivery if such date is a Business Day and such delivery was made prior to 12:00 p.m. (Toronto time); otherwise, it shall be deemed to have been validly and effectively given on the Business Day next following such date of delivery. Any communication which is transmitted by telefacsimile as aforesaid shall be deemed to have been validly and effectively given on the date of transmission if such date is a Business Day and such transmission was made prior to 12:00 p.m. (Toronto time); otherwise, it shall be deemed to have been validly and effectively given on the Business Day next following such date of transmission. Any party sending a notice by telefacsimile or email shall, in order to constitute a valid notice hereunder, have received confirmation of receipt from the intended recipient's telecopier or email server.

5.2 Further Assurances. Each of the Limited Recourse Guarantors shall do, execute and deliver or shall cause to be done, executed and delivered all such further acts, documents and things as the Trustee and the Collateral Agent may reasonably request for the purpose of giving effect to this agreement.

5.3 Severability. Wherever possible, each provision of this agreement shall be interpreted in such manner as to be effective and valid under Applicable Law, but if any

provision of this agreement shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this agreement.

5.4 Assignment by Collateral Agent or Trustee. This agreement may be assigned by the Collateral Agent or the Trustee to any successor or assignee of the Collateral Agent or the Trustee, as the case may be, in accordance with the terms of the Indenture.

5.5 Successors and Assigns. This agreement shall enure to the benefit of the parties hereto and their respective successors and permitted assigns and shall be binding upon each of the Limited Recourse Guarantors and their respective successors and assigns. This agreement may not be assigned, in whole or in part, by any of the Limited Recourse Guarantors.

5.6 Amendments and Waivers. No amendment to or waiver of any provision of this agreement, nor consent to any departure by any of the Limited Recourse Guarantors herefrom, shall in any event be effective unless the same shall be in writing and signed by the Collateral Agent, the Trustee and, in the case of an amendment, by each of the Limited Recourse Guarantors, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

5.7 Entire Agreement. This agreement and the agreements referred to herein constitute the entire agreement between the parties hereto and supersede any prior agreements, undertakings, declarations, representations and understandings, both written and verbal, in respect of the subject matter hereof.

5.8 Judgment Currency.

(a) If, for the purpose of obtaining or enforcing judgment against any Limited Recourse Guarantor in any court in any jurisdiction, it becomes necessary to convert into a particular currency (such currency being hereinafter in this Section 5.8 referred to as the "**Judgment Currency**") an amount due in another currency (such other currency being hereinafter in this Section 5.8 referred to as the "**Indebtedness Currency**") under this agreement, the conversion shall be made at the rate of exchange prevailing on the Business Day immediately preceding:

(i) the date of actual payment of the amount due, in the case of any proceeding in the courts of the Province of Ontario or in the courts of any other jurisdiction that will give effect to such conversion being made on such date; or

(ii) the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the date as of which such conversion is made pursuant to this Section 5.8(a)(ii) being hereinafter in this Section 5.8 referred to as the "**Judgment Conversion Date**").

(b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 5.8(a)(ii), there is a change in the rate of exchange prevailing between the

Judgment Conversion Date and the date of actual payment of the amount due, such Limited Recourse Guarantor shall pay to the appropriate judgment creditor or creditors such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Indebtedness Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date.

(c) Any amount due from such Limited Recourse Guarantor under the provisions of Section 5.8(b) shall be due to the appropriate judgment creditor or creditors as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of this agreement.

(d) The term "**rate of exchange**" in this Section 5.8 means the spot rate of exchange for Canadian interbank transactions applied in converting the Indebtedness Currency into the Judgment Currency published by the Bank of Canada for the day in question.

5.9 No Waiver; Remedies; No Duty. In addition to, and not in limitation of, Section 2.3 and Section 2.9, no failure on the part of any Secured Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. The Secured Parties have no duty or responsibility to provide the Limited Recourse Guarantors with any credit or other information concerning the affairs, financial condition or business of any Issuer which may come into the possession of the Secured Parties.

5.10 Counterparts. This agreement may be executed in any number of counterparts, all of which shall be deemed to be an original and such counterparts taken together shall constitute one agreement, and any of the parties hereto may execute this agreement by signing any such counterpart.

5.11 Authority of Collateral Agent. Wilmington Trust, National Association, as Collateral Agent, is a party to this Agreement solely in its capacity as Collateral Agent pursuant to the Indenture and not in its individual capacity. The Collateral Agent shall have all of the rights, privileges and immunities afforded to it as Collateral Agent under the Indenture and the other Collateral Documents as though fully set forth herein. Any permissive rights granted to the Collateral Agent pursuant to this Agreement shall not be construed as duties and wherever in this Agreement the Collateral Agent is granted discretion, such discretion shall be exercised pursuant to the terms of the Indenture.

5.12 Compliance with *Interest Act* (Canada). For the purposes of this guarantee, whenever interest is to be calculated on the basis of a period of time other than a calendar year, the annual rate of interest to which each rate of interest determined pursuant to such calculation is equivalent for the purposes of the *Interest Act* (Canada) is such rate as so determined

multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days used in the basis of such determination.

(k) The Company has made available to the Lenders true, correct and complete copies of all Material Contracts (including, without limitation, all contracts set forth on Schedule 4.16 of the Amended Credit Agreement) to which a Credit Party is party to (or written descriptions in the case of oral contracts), together with all amendments thereto. With respect to all such Material Contracts, neither the Company, any other Credit Party nor, as of the date hereof and to the knowledge of the Company, any other party to any such contract is in breach thereof or default thereunder and there does not exist under any such Material Contract any event which, with the giving of notice or the lapse of time, would constitute such a breach or default by the Company, any other Credit Party or, as of the date hereof and to the knowledge of the Company, any other party, in each case except for such breaches, defaults and events disclosed in Schedule 4.16 of the Amended Credit Agreement or as to which requisite waivers or consents have been obtained or which would not reasonably be expected to be material to the Company, BIMLP and their respective Subsidiaries, taken as a whole. Each such Material Contract (A) is valid and binding on the Company or another Credit Party and, to the knowledge of the Company, the other parties thereto, and (B) is in full force and effect, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability. Neither the Company nor any other Credit Party has provided or, as of the date hereof and to the knowledge of the Company, received any written notice of any intention to terminate, not renew or materially modify, any such Material Contract, and, as of the date hereof and to the knowledge of the Company, no event or circumstance has occurred that would cause or permit the acceleration or termination of or other changes of or to any right or obligation or the loss of any benefit thereunder. Except as disclosed to the Lenders in Schedule 4.16 of the Amended Credit Agreement, there are no ongoing material disputes under any such Material Contracts, and neither the Company nor any other Credit Party or Affiliate thereof has received any notice alleging, any material breach or default under, any such Material Contract.

(a) THIS AMENDMENT, AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER (INCLUDING, WITHOUT LIMITATION, ANY CLAIMS SOUNDING IN CONTRACT LAW OR TORT LAW ARISING OUT OF THE SUBJECT MATTER HEREOF AND ANY DETERMINATIONS WITH RESPECT TO POST-JUDGMENT INTEREST) SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK. THE PROVISIONS OF SECTIONS 10.15 AND 10.16 OF THE AMENDED CREDIT AGREEMENT SHALL APPLY TO THIS AMENDMENT AS IF THIS AMENDMENT WERE A CREDIT DOCUMENT, *MUTATIS MUTANDIS*.

(b) Each party hereto may execute this Amendment in any number of counterparts, each of which when so executed and delivered shall be deemed an original but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Amendment by facsimile or in electronic format (i.e., ".pdf" or ".tif") shall be effective as delivery of a manually executed counterpart of this Amendment. Any signature to this Amendment may be delivered by facsimile, electronic mail (including pdf) or as any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and electronic signatures or the keeping of records in electronic form shall be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Amendment.

(c) Each Lender party hereto acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Amendment. Each Lender also acknowledges that it will, without reliance upon the Administrative Agent, the Collateral Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit decisions in taking or not taking action under or based upon this Amendment, the Amended Credit Agreement, any other Credit Document, any related agreement or any document furnished hereunder or thereunder.

(d) In the event any one or more of the provisions contained in this Amendment should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

(e) This Amendment is binding and enforceable as of the date hereof against each party hereto and its successors and permitted assigns.

(f) The various headings of this Amendment are inserted for convenience of reference only, are not part of this Amendment and shall not affect the meaning or interpretation of this Amendment or any provisions hereof.

(g) No provision of this Amendment shall be construed against or interpreted to the disadvantage of any party hereto by any court or other governmental or judicial authority by reason of such party's having or being deemed to have structured, drafted or dictated such provision.

(h) In case any provision in or obligation hereunder shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining

provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

7. Priority Payment Lien Obligation. The Company hereby designates and certifies that the Obligations (including the Converted Term Loans, the Sixth Amendment Letters of Credit issued on the Sixth Amendment Effective Date, and all obligations of the Credit Parties in respect of the Backstop Credit Support Commitments) constitute "Priority Payment Lien Obligations" for purposes of the Senior Secured Notes Indenture and the Credit Agreement and "Priority Obligations" under the Senior Lien Intercreditor Agreement to the maximum extent permitted by law. To the extent and in the amount (but solely to the extent and in the amount) that the Obligations are not "Priority Obligations" (as defined in the Senior Lien Intercreditor Agreement), such Obligations are hereby designated as "Additional Pari Passu Obligations" (as defined in the Senior Lien Intercreditor Agreement). To the extent any of the Obligations are designated as Additional Pari Passu Obligations pursuant to the immediately preceding sentence, the Collateral Agent, in its capacity as Credit Agreement Collateral Agent under the Senior Lien Intercreditor Agreement, at the direction of the Lenders party hereto (constituting all the Lenders), hereby (A) agrees that to the extent any of the Obligations are designated as Additional Pari Passu Obligations pursuant to the foregoing, such Obligations, the Secured Parties, and the Collateral Agent are and shall remain subject to and bound by the Senior Lien Intercreditor Agreement, and (B) on its behalf and on behalf of the Secured Parties agrees to all the terms and provisions of the Senior Lien Intercreditor Agreement applicable to it as a Collateral Agent and to the Secured Parties, and that each reference to "Secured Obligations" and "Pari Passu Secured Obligations" in the Senior Lien Intercreditor shall in each case be deemed to include such Obligations. The Company will take all and any necessary steps, that from time to time may be requested by the Administrative Agent to further effectuate and evidence the designation of any such Obligations as "Additional Pari Passu Obligations". Nothing in this Agreement shall be construed to impair the priority of any of the Obligations constituting Priority Obligations.

8. No Novation. This Amendment does not extinguish the Obligations for the payment of money outstanding under the Existing Credit Agreement or discharge or release the Lien or priority of any Credit Document or any other security therefor or any Guarantee thereof, and the Liens and security interests existing immediately prior to the Sixth Amendment Effective Date in favor of the Collateral Agent for the benefit of the Secured Parties securing payment of the Obligations are in all respects continuing and in full force and effect with respect to all Obligations. Except as expressly provided herein, nothing herein contained shall be construed as a substitution or novation, or a payment and reborrowing, or a termination, of the Obligations outstanding under the Existing Credit Agreement or instruments guaranteeing or securing the same, which shall remain in full force and effect, except as modified hereby or by instruments executed concurrently herewith. Nothing expressed or implied in this Amendment or any other document contemplated hereby shall be construed as a release or other discharge of the Company or any other Credit Party under the Existing Credit Agreement or any other Credit Document from any of its obligations and liabilities thereunder, and except as expressly provided, such obligations are in all respects continuing with only the terms being modified as provided in this Amendment.

9. Direction. The Lenders party hereto, constituting all of the Lenders, hereby direct (a) the Administrative Agent and the Collateral Agent (and the Administrative Agent hereby directs the Collateral Agent) to execute and deliver this Amendment and (b) the Collateral Agent

In the event any LC Lender fails to fund its obligation to reimburse the Issuing Bank pursuant to Section 2.4(e)(i), the Issuing Bank may draw upon any Backstop Credit Support in satisfaction of such obligation.

(f) Obligations Absolute. The obligation of the Borrowers to reimburse the Issuing ~~Banks~~Bank for drawings honored under the Letters of Credit and ~~to repay any Revolving Loans made by Lenders pursuant to Section 2.4(d) and~~ the obligations of LC Lenders under Section 2.4(e) shall be unconditional and irrevocable and shall be paid strictly in accordance with the terms hereof under all circumstances including any of the following circumstances: (i) any lack of validity or enforceability of any Letter of Credit; (ii) the existence of any claim, set-off, defense or other right which any Borrower or any Lender may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons for whom any such transferee may be acting), any Issuing Bank, a Lender or any other Person or, in the case of a Lender, against the Company, whether in connection herewith, the transactions contemplated herein or any unrelated transaction (including any underlying transaction between the Company, BIMLP or one of their respective Subsidiaries and the beneficiary for which any Letter of Credit was procured); (iii) any draft or other document presented under any Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; (iv) payment by an Issuing Bank under any Letter of Credit issued by such Issuing Bank against presentation of a draft or other document which does not substantially comply with the terms of such Letter of Credit; (v) any adverse change in the business, operations, properties, assets, condition (financial or otherwise) or prospects of the Company, BIMLP or any of their respective Subsidiaries; (vi) any breach hereof or any other Credit Document by any party thereto; (vii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing; or (viii) the fact that an Event of Default or a Default shall have occurred and be continuing; provided, in each case, that payment by such Issuing Bank under the applicable Letter of Credit shall not have constituted gross negligence or willful misconduct of such Issuing Bank under the circumstances in question as determined by a final, non-appealable judgment of a court of competent jurisdiction.

(g) Indemnification. Without duplication of any obligation of the Borrowers under Section 10.2 or 10.3, in addition to amounts payable as provided herein, the Borrowers hereby agree to protect, indemnify, pay and save harmless any Issuing Bank from and against any and all claims, demands, liabilities, damages, losses, costs, charges and expenses (including

reasonable fees, expenses and disbursements of counsel and allocated costs of internal counsel) which any Issuing Bank may incur or be subject to as a consequence, direct or indirect, of (i) the issuance of any Letter of Credit by any Issuing Bank, other than as a result of (1) the gross negligence or willful misconduct of such Issuing Bank as determined by a final, non-appealable judgment of a court of competent jurisdiction or (2) the wrongful dishonor by such Issuing Bank of a proper demand for payment made under any Letter of Credit issued by it, or (ii) the failure of such Issuing Bank to honor a drawing under any such Letter of Credit as a result of any Governmental Act.

(h) Resignation and Removal of Issuing Bank. An Issuing Bank may resign as an Issuing Bank upon 60 days prior written notice to the Administrative Agent, Lenders and the Company. An Issuing Bank may be replaced at any time by written agreement among the Company, the replaced Issuing Bank ~~(~~; provided that the replaced Issuing Bank shall not be required to execute or deliver any written agreement if the replaced Issuing Bank has no Letters of Credit or reimbursement obligations with respect thereto outstanding; provided, further, that the Company shall promptly notify such Issuing Bank and the Administrative Agent upon the execution and delivery of any such written agreement by the parties thereto) and the successor Issuing Bank. The Administrative Agent shall notify the Lenders of any such replacement of such Issuing Bank promptly following ~~its~~Administrative Agent's receipt of the written agreement referred to in the prior sentence. At the time any such replacement or resignation shall become effective, the Borrowers shall ~~(A)~~ pay all unpaid fees and other amounts accrued for the account of the replaced Issuing Bank ~~and (B) Cash Collateralize or replace any existing Letters of Credit or cause a bank or other financial institution acceptable to the replaced Issuing Bank to issue backstop letters of credit (naming the replaced Issuing Bank as the beneficiary thereof and otherwise in form and substance satisfactory to the replaced Issuing Bank) in respect of existing Letters of Credit, in each case on terms satisfactory to the replaced Issuing Bank~~. From and after the effective date of any such replacement or resignation, (i) any successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement or resignation of an Issuing Bank hereunder, the replaced Issuing Bank shall remain a party hereto to the extent that Letters of Credit issued by it remain outstanding and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement or resignation, but shall not be required to issue additional Letters of Credit.

(i) On the last Business Day of each calendar quarter each Issuing Bank shall deliver to Administrative Agent a list of all Letters of Credit issued by such Issuing Bank and outstanding as of such date, which list shall include (i) the amount of the Letter of Credit, (ii) the beneficiary of the Letter of Credit and (iii) the expiration Date of the Letter of Credit. To the extent not previously expired, terminated or cash collateralized, all Letters of Credit shall be Cash Collateralized in an amount not less than the Minimum Collateral Amount on the LC Facility Termination Date.

2.5. Pro Rata Shares; Availability of Funds.

(a) Pro Rata Shares. All Loans shall be made, and all participations purchased, by Lenders simultaneously and proportionately to their respective Pro Rata Shares, it being understood that no Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a Loan requested hereunder or purchase a participation required hereby nor shall any ~~Revolving~~ Commitment of any Lender be increased or decreased as a result of a default by any other Lender in such other Lender's obligation to make a Loan requested hereunder or purchase a participation required hereby.

(b) Availability of Funds. Unless the Administrative Agent shall have been notified in writing by any Lender prior to the applicable Credit Date that such Lender does not intend to make available to the Administrative Agent the amount of such Lender's Loan requested on such Credit Date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such Credit Date and the Administrative Agent may, in its sole discretion, but shall not be obligated to, make available to the Company a corresponding amount on such Credit Date. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such Credit Date until the date such amount is paid to the Administrative Agent, at the customary rate set by the Administrative Agent for the correction of errors among banks for three Business Days and thereafter at the Base Rate. In the event that (i) the Administrative Agent declines to make a requested amount available to the Borrowers until such time as all applicable Lenders have made payment to the Administrative Agent, (ii) a Lender fails to fund to the Administrative Agent all or any portion of the Loans required to be funded by such Lender hereunder prior to the time specified in this Agreement and (iii) such Lender's failure results in the Administrative Agent failing to make a corresponding amount available to the Borrowers on the Credit Date, at the Administrative Agent's option, such Lender shall not receive interest hereunder with respect to the requested amount of such Lender's Loans for the period commencing with the time specified in this Agreement for receipt of payment by the Borrowers through and including the time of the Borrowers' receipt of the requested amount. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify the Borrowers and the Borrowers shall immediately pay such corresponding amount to the Administrative Agent together with interest thereon, for each day from such Credit Date until the date such amount is paid to the Administrative Agent, at the rate payable hereunder for Base Rate Loans. Nothing in this Section 2.5(b) shall be deemed to relieve any Lender from its obligation to fulfill its ~~Revolving~~ Commitments hereunder or to prejudice any rights that the Borrowers may have against any Lender as a result of any default by such Lender hereunder.

2.6. Use of Proceeds. The proceeds of the ~~Revolving Loans and Swing Line~~ Loans made ~~after the Closing~~available on the Sixth Amendment Effective Date shall be applied by the Borrowers solely in connection with the working capital needs of the Company and its Restricted Subsidiaries. Letters of Credit shall be used by the Borrowers ~~for~~ solely to support or satisfy Reclamation Obligations in connection with the working capital ~~and general corporate purposes~~needs of the Company and its Restricted Subsidiaries.

2.7. Evidence of Debt; Register; Lenders' Books and Records; Notes.

(a) Lenders' Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Obligations of the Borrowers to such Lender, including the amounts of the Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on the Borrowers, absent manifest error; provided, that the failure to make any such recordation, or any error in such recordation, shall not affect any Lender's ~~Revolving~~ Commitments or the Borrowers' Obligations in respect of any applicable Loans; and provided further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(b) Register. The Administrative Agent (or its agent or sub-agent appointed by it) acting solely as a non-fiduciary agent of the Borrowers shall maintain a register for the recordation of the names and addresses of Lenders and the ~~Revolving~~ Commitments of, and principal amounts of (and stated interest on) the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The Register shall be available for inspection by the Company, by the Arrangers or by any Lender (with respect to (i) any entry relating to such Lender's Loans and (ii) the identity of the other Lender's (but not any information with respect to such other Lenders' Loans)) at any reasonable time and from time to time upon reasonable prior written notice. The Administrative Agent shall record, or shall cause to be recorded, in the Register the ~~Revolving~~ Commitments and the Loans in accordance with the provisions of Section 10.6(b), and each repayment or prepayment in respect of the principal amount of the Loans, and any such recordation shall be conclusive and binding on the Borrowers and each Lender, absent manifest error; provided, failure to make any such recordation, or any error in such recordation, shall not affect any Lender's ~~Revolving~~ Commitments or the Borrowers' Obligations in respect of any Loan. The Borrowers hereby designate the Administrative Agent to serve as the Borrowers' non-fiduciary agent solely for purposes of maintaining the Register as provided in this Section 2.7, and the Borrowers hereby agree that, to the extent the Administrative Agent serves in such capacity, the Administrative Agent and its officers, directors, employees, agents, sub-agents and affiliates shall constitute "Indemnitees."

(c) Notes. If so requested by any Lender by written notice to the Company at least two Business Days prior to the Closing Date, or at any time thereafter, the Borrowers shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 10.6(c)) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after the Company's receipt of such notice) a Note or Notes to evidence such Lender's ~~Revolving Loan or Swing Line Loan~~Loans, as the case may be.

2.8. Interest on Loans and Letter of Credit Disbursements.

~~(a)~~ Except as otherwise set forth herein, each Loan shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof as follows:

~~(i) in the case of Revolving Loans:~~

(i) ~~(1)~~ if a Base Rate Loan, at the Base Rate plus the Applicable Margin; or

(ii) ~~(2)~~ if a SOFR Loan, at the rate equal to Adjusted Term SOFR for the applicable Interest Period plus the Applicable Margin~~; and~~.

~~(ii) in the case of Swing Line Loans, at the Base Rate plus the Applicable Margin.~~

(b) ~~(c)~~ The basis for determining the rate of interest with respect to any Loan ~~(except a Swing Line Loan which can be made and maintained as Base Rate Loans only), and the Interest Period with respect to any SOFR Loan~~, shall be selected by the Company and notified to the Administrative Agent and Lenders pursuant to the applicable Funding Notice or Conversion/Continuation Notice, as the case may be.

(c) ~~(d)~~ In connection with SOFR Loans there shall be no more than five (5) Interest Periods outstanding at any time. In the event the Company fails to specify between a Base Rate Loan or a SOFR Loan in the applicable Funding Notice or Conversion/Continuation Notice, such Loan (if outstanding as a SOFR Loan) will ~~be automatically converted into a Base Rate~~remain as a SOFR Loan on the last day of the then-current Interest Period for such Loan (or if outstanding as a Base Rate Loan will remain as, or (if not then outstanding) will be made as, a Base Rate Loan)~~. In the event the Company fails to specify an Interest Period for any SOFR Loan in the applicable Funding Notice or Conversion/Continuation Notice, such Borrower shall be deemed to have selected an Interest Period of one month~~. The Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to the SOFR Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof to the applicable Borrower and each Lender.

(d) ~~(e)~~ Interest payable pursuant to Section 2.8(a) shall be computed (i) in the case of Base Rate Loans (including Base Rate Loans determined by reference to the "Prime Rate"), on the basis of a 365-day or 366-day year and (ii) in the case of SOFR Loans, on the basis of a 360-day year, in each case for the actual number of days elapsed in the period during which it accrues. In computing interest on any Loan, the date of the making of such Loan or the first day of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted from a SOFR Loan, the date of conversion of such SOFR Loan to such Base Rate Loan, as the case may be, shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted to a SOFR Loan, the date of conversion of such Base Rate Loan to such SOFR Loan, as the case may be, shall be excluded; provided, if a Loan is repaid on the same day on which it is made, one day's interest shall be paid on that Loan.

(e) ~~(f)~~ Except as otherwise set forth herein, interest on each Loan ~~(i)~~ shall accrue on a daily basis and shall be payable in cash in arrears on each Interest Payment Date with respect to interest accrued on and to each such payment date~~;~~ in an amount determined in accordance with Section 2.8(a) *less* 7.0% per annum; provided that the remainder of the interest otherwise due on such Interest Payment Date with respect to each Loan shall be due and payable

on the Term Loan Maturity Date; and (ii) shall accrue on a daily basis and shall be payable in arrears upon any prepayment of that Loan ~~(other than a voluntary prepayment of a Revolving Loan)~~, to the extent accrued on the amount being prepaid~~; and (iii) shall accrue on a daily basis and shall be payable in arrears at maturity of the Loans, including final maturity of the Loans; provided, however, with respect to any voluntary prepayment of a Base Rate Loan, accrued interest shall instead be payable on the applicable Interest Payment Date~~.

(f) ~~(g)~~ The Borrowers agree to pay to the Administrative Agent, for the account of each Issuing Bank, with respect to drawings honored under any Letter of Credit issued by such Issuing Bank, interest on the amount paid by such Issuing Bank in respect of each such honored drawing from the date such drawing is honored to but excluding the date such amount is reimbursed by or on behalf of a Borrower at a rate equal to (i) for the period from the date such drawing is honored to but excluding the applicable Reimbursement Date, the rate of interest otherwise payable hereunder with respect to ~~Revolving~~Term Loans that are Base Rate Loans, and (ii) thereafter, a rate which is ~~2~~5.0% *per annum* in excess of the rate of interest otherwise payable hereunder with respect to ~~Revolving~~Term Loans that are Base Rate Loans.

(g) ~~(h)~~ Interest payable pursuant to Section 2.8(f) shall be computed on the basis of a 360-day year, ~~in the case of SOFR Loans and a 365/366-day year, in the case of all Loans other than SOFR Loans,~~ for the actual number of days elapsed in the period during which it accrues, and shall be payable on demand or, if no demand is made, on the date on which the related drawing under a Letter of Credit is reimbursed in full. In the event an Issuing Bank shall have been reimbursed by Lenders for all or any portion of such honored drawing, such Issuing Bank shall distribute to the Administrative Agent for the account of each Lender which has paid all amounts payable by it under Section 2.4(e) with respect to such honored drawing such Lender's Pro Rata Share of any interest received by such Issuing Bank in respect of that portion of such honored drawing so reimbursed by Lenders for the period from the date on which such Issuing Bank was so reimbursed by Lenders to but excluding the date on which such portion of such honored drawing is reimbursed by the Company.

(h) ~~(i)~~ In connection with the use or administration of Term SOFR, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document. The Administrative Agent will promptly notify the Borrowers and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

2.9. Conversion/Continuation.

(a) Subject to Section 2.18 and so long as no Default or Event of Default shall have occurred and then be continuing, the Company shall have the option:

(i) to convert at any time all or any part of any ~~Revolving~~ Loan equal to $5.0 million and integral multiples of $1.0 million in excess of that amount from one Type of Loan to another Type of Loan; provided, a SOFR Loan may only be converted on

the expiration of the Interest Period applicable to such SOFR Loan unless the Company shall pay all amounts due under Section 2.18 in connection with any such conversion; or

(ii) upon the expiration of any Interest Period applicable to any SOFR Loan, to continue all or any portion of such Loan equal to $5.0 million and integral multiples of $1.0 million in excess of that amount as a SOFR Loan.

(b) Subject to Section 3.2(b), the Company shall deliver a Conversion/Continuation Notice to the Administrative Agent no later than 10:00 a.m. (New York City time) at least one Business Day in advance of the proposed conversion date (in the case of a conversion to a Base Rate Loan) and at least three Business Days in advance of the proposed conversion/continuation date (in the case of a conversion to, or a continuation of, a SOFR Loan). Except as otherwise provided herein, a Conversion/Continuation Notice for conversion to, or continuation of, any SOFR Loans shall be irrevocable on and after the related Interest Rate Determination Date, and the applicable Borrower shall be bound to effect a conversion or continuation in accordance therewith. If on any day a Loan is outstanding with respect to which a Funding Notice or Conversion/Continuation Notice has not been delivered to the Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then for that day such Loan shall be a Base Rate Loan.

2.10. Default Interest and Fees. Upon the occurrence and during the continuance of an Event of Default ~~under Section 8.1(a), (c) (with respect to a breach of Section 6.7 only), (f) or (g)~~, the principal amount of all Loans outstanding and, to the extent permitted by applicable law, any interest payments on the Loans or any fees or other amounts owed hereunder~~,~~ shall thereafter bear interest (including post-petition interest in any proceeding under Debtor Relief Laws) payable on demand at a rate that is ~~2~~5.0% *per annum* in excess of the interest rate otherwise payable hereunder with respect to the applicable Loans (or, in the case of any such fees and other amounts, at a rate which is ~~2~~5.0% *per annum* in excess of the interest rate otherwise payable hereunder for Base Rate ~~Loans that are Revolving~~ Loans); provided, in the case of SOFR Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective such SOFR Loans shall thereupon become Base Rate Loans and shall thereafter bear interest payable upon demand at a rate which is ~~2~~5.0% *per annum* in excess of the interest rate otherwise payable hereunder for Base Rate Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.10 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent, any Issuing Bank, ~~the Swing Line Lender~~ or any Lender.

2.11. Fees.

(a) ~~The~~From the Sixth Amendment Effective Date until the Termination Date, the Borrowers agree to pay to ~~Lenders having Revolving Exposure:~~

~~(i)~~ Administrative Agent for the benefit of the LC Lenders backstop fees (the "**LC Backstop Fees**") at a rate equal to the rate of interest otherwise payable with respect to Converted Term Loans that are, at the option of the Borrowers, SOFR Loans or Base Rate Loans, in each case in respect of the average daily Backstop Credit Support

Commitments in effect (or, following the LC Facility Termination Date or the termination of the Backstop Credit Support Commitments pursuant to Section 8.1, the Backstop Credit Support Commitments in effect immediately prior to the LC Facility Termination Date or such termination pursuant to Section 8.1). Section 2.8(a)-(d), Section 2.9, Section 2.10, and Section 2.12 shall apply to the LC Backstop Fees as if such Backstop Credit Support Commitments were Loans. Except as otherwise set forth herein, the LC Backstop Fees (i) shall accrue on a daily basis and shall be payable in cash in arrears on each Interest Payment Date with respect to LC Backstop Fees accrued on and to each such payment date in an amount determined in accordance with Section 2.8(a) *less* 7.0% per annum; provided that the remainder of the LC Backstop Fees otherwise due on such Interest Payment Date shall be due and payable on the LC Facility Termination Date; and (ii) shall accrue on a daily basis and shall be payable in cash in arrears upon the expiration, termination, or Cash Collateralization of any Letter of Credit or payment of any reimbursement obligation in respect thereof, to the extent accrued on the amount expiring or being terminated, Cash Collateralized, or paid. ~~commitment fees equal to (1) the average of the daily difference between (A) the Revolving Commitments and (B) the aggregate principal amount of (x) all outstanding Revolving Loans (for the avoidance of doubt, excluding Swing Line Loans) plus (y) the Letter of Credit Usage, times (2) the Applicable Revolving Commitment Fee Percentage; and~~

~~(ii) letter of credit fees equal to (1) the Applicable Margin for Revolving Loans that are SOFR Loans, times (2) the average aggregate daily maximum amount available to be drawn under all such Letters of Credit (regardless of whether any conditions for drawing could then be met and determined as of the close of business on any date of determination).~~

All fees referred to in this Section 2.11(a) shall be paid to the Administrative Agent to the account designated by the Administrative Agent and upon receipt, the Administrative Agent shall promptly distribute ~~to each Lender its~~such amounts to the LC Lenders based on their Pro Rata ~~Share thereof~~Shares.

(b) The Borrowers agree to pay directly to the applicable Issuing Bank, for its own account, the following fees:

(i) such fronting fees as are set forth in the applicable Issuing Bank Agreement, times the average aggregate daily maximum amount available to be drawn under all Letters of Credit issued by such applicable Issuing Bank, in each case determined as of the close of business on any date of determination; and

(ii) such documentary and processing charges for any issuance, amendment, transfer or payment of a Letter of Credit as are in accordance with the applicable Issuing Bank's standard schedule for such charges and as in effect at the time of such issuance, amendment, transfer or payment, as the case may be.

(c) [Reserved].

(d) [Reserved].

~~(c) All fees referred to in Section 2.11(a) and 2.11(b)(i) shall be calculated on the basis of a 365-day or 366-day year and the actual number of days elapsed and shall be payable quarterly in arrears on the last Business Day of March, June, September and December of each year during the Revolving Commitment Period, commencing on the first such date to occur after the Closing Date, and on the Revolving Commitment Termination Date.~~

~~(d) The Borrowers agree to pay on the Closing Date to each Lender party to this Agreement as a Lender on the Closing Date, as fee compensation for the funding of such Lender's Loans and unfunded Revolving Commitments, a closing fee in an amount equal to 1.00% of the stated principal amount of such Lender's Loans and unfunded Revolving Commitments (which shall include the face amount of any issued and undrawn Letters of Credit), payable to such Lender from the proceeds of its Loan as and when funded on the Closing Date. Such closing fee will be in all respects fully earned, due and payable on the Closing Date and non-refundable and non-creditable thereafter.~~

(e) In addition to any of the foregoing fees, the Borrowers agree to pay to the Administrative Agent and Collateral Agent, for their own account, the fees set forth in the Fee Letters at the times and in the amounts specified therein. Such fees shall be fully earned when due and shall not be refundable for any reason whatsoever and will be in addition to the reimbursement of the Administrative Agent's and Collateral Agent's out-of-pocket expenses in accordance with Section 10.2.

(f) In addition to, and without limitation of the Borrowers' obligation to pay the Make-Whole Amount pursuant to Section 2.16(b), in the event of the termination of this Agreement, the acceleration of the Obligations for any reason, or repayment of Term Loans or reduction of Backstop Credit Support Commitments on or prior to the first anniversary of the Sixth Amendment Effective Date, for any reason, including, without limitation: (i) termination of this Agreement for any reason, (ii) acceleration of the Obligations upon the election of the Requisite Lenders after the occurrence and during the continuance of any Event of Default (or, in the case of any occurrence of any Event of Default described in Section 8.1(f) or (g), automatically upon the occurrence thereof), (iii) foreclosure and sale of the Collateral, (iv) the sale of the Collateral in any insolvency proceeding, or (v) the restructuring, reorganization, or compromise of the Obligations by the confirmation of a plan of reorganization or any other plan of compromise, restructuring, or arrangement in any Insolvency Proceeding, then, in view of the impracticability and extreme difficulty of ascertaining the actual amount of damages to the Issuing Bank, the Agents, and the Lenders or profits lost by the Agents and the Lenders as a result of such early termination, and by mutual agreement of the parties as to a reasonable estimation and calculation of the lost profits or damages of the Agents and the Lenders, the Borrowers agree to pay to the Administrative Agent, for the ratable account of each of the applicable Lenders, the Make-Whole Amount in respect of the aggregate principal amount of the Loans so accelerated, repaid, or compromised or Backstop Credit Support Commitments so reduced.

(g) The Credit Parties expressly agree that: (A) the Make-Whole Amount is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Make-Whole Amount shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been

a course of conduct between the Lenders and the Credit Parties giving specific consideration in this transaction for such agreement to pay the Make-Whole Amount; (D) the Credit Parties' agreement to pay the Make-Whole Amount is a material inducement to Lenders to provide the Term Commitments and Backstop Credit Support Commitments and make the Term Loans and provide Backstop Credit Support; and (E) the Make-Whole Amount represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Lenders and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Lenders or profits lost by the Issuing Bank and the Term Lenders as a result of such event. THE CREDIT PARTIES EXPRESSLY WAIVE THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE MAKE-WHOLE AMOUNT IN CONNECTION WITH ANY ACCELERATION.

2.12. Compensation for Losses. In the event of (a) the payment of any principal of any SOFR Loan other than on the last day of the Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any SOFR Loan other than on the last day of the Interest Period applicable thereto (including as a result of an Event of Default), (c) the failure to borrow, convert, continue or prepay any SOFR Loan on the date specified in any notice delivered pursuant hereto, or (d) the assignment of any SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.23, then, in any such event, the Borrower shall compensate each Lender for any loss, cost and expense attributable to such event, including any loss, cost or expense arising from the liquidation or redeployment of funds or from any fees payable. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower (with a copy to the Administrative Agent) and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within 10 days after receipt thereof.

2.13. Voluntary Prepayments/Commitment Reductions.

(a) Voluntary Prepayments.

(i) Any time and from time to time:

(1) with respect to Term Loans that are Base Rate Loans, the Borrowers may prepay any such Loans on any Business Day in whole or in part, in an aggregate minimum amount of $5.0 million and integral multiples of $1.0 million in excess of that amount;

(2) with respect to Term Loans that are SOFR Loans, the Borrowers may prepay any such Loans on any Business Day in whole or in part in an aggregate minimum amount of $5.0 million and integral multiples of $1.0 million in excess of that amount; ~~and~~

~~(3) with respect to Swing Line Loans, the Borrowers may prepay any such Loans on any Business Day in whole or in part in an aggregate minimum amount of $500,000, and in integral multiples of $100,000 in excess of that amount.~~

(ii) All such prepayments shall be made:

(1) upon not less than one Business Day's prior written notice in the case of Base Rate Loans; and

(2) upon not less than three Business Days' prior written notice in the case of SOFR Loans; ~~and~~

~~(3) upon not less than one Business Day's prior written in the case of Swing Line Loans;~~

in each case given to the Administrative Agent ~~(and, in the case of Swing Line Loans, the Swing Line Lender)~~ by 12:00 noon (New York City time) on the date required (and the Administrative Agent will promptly transmit such written notice as the case may be, to each Lender) ~~or the Swing Line Lender, as the case may be~~. Upon the giving of any such notice, the principal amount of the Loans specified in such notice shall become due and payable on the prepayment date specified therein. Any such voluntary prepayment shall be applied as specified in Section 2.15(a).

(b) Voluntary Commitment Reductions.

(i) The Borrowers may, upon not less than three Business Days' prior written to the Administrative Agent (which written notice the Administrative Agent will promptly transmit to each applicable Lender), at any time and from time to time terminate in whole or permanently reduce in part, ~~without premium or penalty, the Revolving~~the Backstop Credit Support Commitments in an amount up to the amount by which the ~~Revolving~~Backstop Credit Support Commitments exceed the ~~Total Utilization of Revolving Commitments~~Letter of Credit Usage at the time of such proposed termination or reduction; provided, any such partial reduction of the ~~Revolving~~Backstop Credit Support Commitments shall be in an aggregate minimum amount of $5.0 million and integral multiples of $1.0 million Dollars in excess of that amount.

(ii) The Company's notice to the Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of the ~~Revolving~~Backstop Credit Support Commitments shall be effective on the date specified in the Company's notice and shall reduce the ~~Revolving~~Backstop Credit Support Commitment of each Lender proportionately to its Pro Rata Share thereof.

(iii) Any reduction of Backstop Credit Support Commitments pursuant to this Section 2.13(b) shall be accompanied by a substantially concurrent ratable prepayment pursuant to Section 2.13(a) of Converted Term Loans.

2.14. Mandatory Prepayments/Commitment Reductions.

~~(a) The Borrowers shall from time to time prepay *first*, the Swing Line Loans, and *second*, the Revolving Loans to the extent necessary so that the Total Utilization of Revolving Commitments shall not at any time exceed the Revolving Commitments then in effect.~~

(a) [Reserved].

2.16. General Provisions Regarding Payments.

(a) All payments by the Borrowers of principal, interest, fees and other Obligations shall be made in Dollars, in same day funds, without defense, recoupment, setoff or counterclaim, free of any restriction or condition, and delivered to the Administrative Agent not later than 12:00 noon (New York City time) on the date due to the account of the Administrative Agent for the account of the Persons entitled thereto; provided that payments required to be made directly to any Issuing Bank ~~or the Swing Line Lender~~ shall be so made. For purposes of computing interest and fees, funds received by the Administrative Agent after 12:00 noon (New York City time) on the due date ~~shall~~may, at the option of the Administrative Agent, be deemed to have been paid by the Borrowers on the next succeeding Business Day.

(b) All payments in respect of the principal amount of any Loan ~~(other than voluntary prepayments of Revolving Loans)~~ shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any Loan on a date when interest is due and payable with respect to such Loan) shall be applied to the payment of interest then due and payable before application to principal. In addition, all prepayments of any Loan pursuant to Section 2.13(a) or Section 2.14, and all reductions of Backstop Credit Support Commitments, on or prior to the first anniversary of the Sixth Amendment Effective Date shall, in each case, be accompanied by the payment of the Make-Whole Amount.

(c) The Administrative Agent (or its agent or sub-agent appointed by it) shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by the Administrative Agent.

(d) Notwithstanding the foregoing provisions hereof, if any Conversion/ Continuation Notice is withdrawn as to any Affected Lender or if any Affected Lender makes

Base Rate Loans in lieu of its Pro Rata Share of any SOFR Loans, the Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(e) Subject to the provisos set forth in the definition of "Interest Period" as they may apply to ~~Revolving~~ Loans, whenever any payment to be made hereunder with respect to any Loan shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and~~, with respect to Revolving Loans only,~~ such extension of time shall be included in the computation of the payment of interest ~~hereunder or of the Revolving Commitment~~and fees hereunder.

(f) [Reserved].

(g) The Administrative Agent ~~shall~~may deem any payment by or on behalf of the Borrowers hereunder that is not made in same day funds prior to 12:00 noon (New York City time) to be a non-conforming payment. Any such payment shall not be deemed to have been received by the Administrative Agent until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 8.1(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 2.10 from the date such amount was due and payable until the date such amount is paid in full.

(h) If an Event of Default shall have occurred and not otherwise been waived, and the maturity of the Obligations shall have been accelerated pursuant to Section 8.1 or pursuant to any sale of, any collection from, or other realization upon all or any part of the Collateral, all payments or proceeds received by Agents in respect of any of the Obligations, shall be applied, subject to the Senior Lien Intercreditor Agreement, in accordance with the application arrangements described in the Collateral Documents and this Agreement.

2.17. Ratable Sharing. Lenders hereby agree among themselves that, except as otherwise provided in the Collateral Documents with respect to amounts realized from the exercise of rights with respect to Liens on the Collateral, if any of them shall, whether by voluntary payment (other than a voluntary prepayment of Loans made and applied in accordance with the terms hereof), through the exercise of any right of set-off or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Credit Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code, receive payment or reduction of a proportion of the aggregate amount of principal, interest, amounts payable in respect of Letters of Credit, fees and other amounts then due and owing to such Lender hereunder or under the other Credit Documents (collectively, the "**Aggregate Amounts Due**" to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify the Administrative Agent and each other Lender in writing of the receipt of such payment and (b) apply a portion of such payment to purchase participations (which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment)

in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders in proportion to the Aggregate Amounts Due to them; provided, if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of the Borrowers or otherwise, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to such purchasing Lender ratably to the extent of such recovery, but without interest. The Borrowers expressly consent to the foregoing arrangement and agree that any holder of a participation so purchased may exercise any and all rights of banker's lien, consolidation, set-off or counterclaim with respect to any and all monies owing by the Borrowers to that holder with respect thereto as fully as if that holder were owed the amount of the participation held by that holder. The provisions of this Section 2.17 shall not be construed to apply to (a) any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender) or (b) any payment obtained by any Lender as consideration for the assignment or sale of a participation in any of its Loans or other Obligations owed to it (other than to the Company or any of its Affiliates).

2.18. Making or Maintaining SOFR Loans.

(a) Inability to Determine Applicable Interest Rate. Subject to Section 2.27, if, on or prior to the first day of any Interest Period for any SOFR Loan:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Adjusted Term SOFR" cannot be determined pursuant to the definition thereof, or

(ii) the Requisite Lenders determine that for any reason in connection with any request for a SOFR Loan or a conversion thereto or a continuation thereof that Adjusted Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to such Lenders of making and maintaining such Loan, and the Requisite Lenders have provided notice of such determination to the Administrative Agent,

the Administrative Agent will promptly so notify the Borrowers and each Lender.

(iii) Upon notice thereof by the Administrative Agent to the Borrowers, any obligation of the Lenders to make SOFR Loans, and any right of the Borrowers to continue SOFR Loans or to convert Base Rate Loans to SOFR Loans, shall be suspended (to the extent of the affected SOFR Loans or affected Interest Periods) until the Administrative Agent (with respect to clause (b), at the instruction of the Requisite Lenders) revokes such notice. Upon receipt of such notice, (i) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans or affected Interest Periods) or, failing that, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans in the amount specified therein and (ii) any outstanding affected SOFR Loans will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period. Upon any such conversion, the

Borrowers shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 2.12. Subject to Section 2.27, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Adjusted Term SOFR" cannot be determined pursuant to the definition thereof on any given day, the interest rate on Base Rate Loans shall be determined by the Administrative Agent without reference to clause (iii) of the definition of "Base Rate" until the Administrative Agent revokes such determination.

(b) Illegality or Impracticability of SOFR Loans. In the event that on any date (i) any Lender shall have determined (which determination shall be final and conclusive and binding upon all parties hereto) that the making, maintaining, converting to or continuation of its SOFR Loans has become unlawful as a result of compliance by such Lender in good faith with any law, treaty, governmental rule, regulation, guideline or order (or would conflict with any such treaty, governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or (ii) the Administrative Agent is advised in writing by the Requisite Lenders (which determination shall be final and conclusive and binding upon all parties hereto) that the making, maintaining, converting to or continuation of its SOFR Loans has become impracticable, as a result of contingencies occurring after the date hereof which materially and adversely affect the position of the Lenders in that market, then, and in any such event, such Lenders (or in the case of the preceding clause (i), such Lender) shall be an "**Affected Lender**" and such Affected Lender shall on that day give written notice (by e-mail or by facsimile) to the Borrowers and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each other Lender). If the Administrative Agent receives a notice from (x) any Lender pursuant to clause (i) of the preceding sentence or (y) a notice from Lenders constituting Requisite Lenders pursuant to clause (ii) of the preceding sentence, then (1) the obligation of the Lenders (or, in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender) to make Loans as, or to convert Loans to, SOFR Loans shall be suspended until such notice shall be withdrawn by each Affected Lender, (2) to the extent such determination by the Affected Lender relates to a SOFR Loan then being requested by the Company pursuant to a Funding Notice or a Conversion/Continuation Notice, the Lenders (or in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender) shall make such Loan as (or continue such Loan as or convert such Loan to, as the case may be) a Base Rate Loan (determined without utilization of the Adjusted Term SOFR component in determining the Base Rate), (3) the Lenders' (or in the case of any notice pursuant to clause (i) of the preceding sentence, such Lender's) obligations to maintain their respective outstanding SOFR Loans (the "**Affected Loans**") shall be terminated at the earlier to occur of the expiration of the Interest Period then in effect with respect to the Affected Loans or when required by law, and (4) the Affected Loans shall automatically convert into Base Rate Loans (determined without utilization of the Adjusted Term SOFR component in determining the Base Rate) on the date of such termination. Notwithstanding the foregoing, to the extent a determination by an Affected Lender as described above relates to a SOFR Loan then being requested by the Company pursuant to a Funding Notice or a Conversion/Continuation Notice, the Company shall have the option, subject to the provisions of Section 2.18(c), to rescind such Funding Notice or Conversion/Continuation Notice as to all Lenders by giving written notice (to the Administrative Agent of such rescission on the date on

which the Affected Lender gives notice of its determination as described above (which notice of rescission the Administrative Agent shall promptly transmit to each other Lender).

(c) Compensation for Breakage or Non-Commencement of Interest Periods. The Borrowers shall compensate each Lender, upon written request by such Lender (with a copy to the Administrative Agent) (which request shall set forth the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including any interest paid or payable by such Lender to Lenders of funds borrowed by it to make or carry its SOFR Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which such Lender may sustain: (i) if for any reason (other than a default by such Lender) a borrowing of any SOFR Loan does not occur on a date specified therefor in a Funding Notice, or a conversion to or continuation of any SOFR Loan does not occur on a date specified therefor in a Conversion/Continuation Notice; (ii) if any prepayment or other principal payment of, or any conversion of, any of its SOFR Loans occurs on a date prior to the last day of an Interest Period applicable to that Loan; or (iii) if any prepayment of any of its SOFR Loans is not made on any date specified in a notice of prepayment given by the Company.

(d) Booking of SOFR Loans. Any Lender may make, carry or transfer SOFR Loans at, to, or for the account of any of its branch offices or the office of an Affiliate of such Lender.

(e) Assumptions Concerning Funding of SOFR Loans. Calculation of all amounts payable to a Lender under this Section 2.18 and under Section 2.19 shall be made as though such Lender had actually funded each of its relevant SOFR Loans through the purchase of a deposit bearing interest at the rate obtained pursuant to clause (i) of the definition of "Term SOFR" in an amount equal to the amount of such SOFR Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such deposit from an offshore office of such Lender to a domestic office of such Lender in the United States of America; provided, however, each Lender may fund each of its SOFR Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 2.18 and under Section 2.19.

2.19. Increased Costs; Capital Adequacy.

(a) Compensation For Increased Costs and Taxes. ~~Subject to the provisions of Section 2.20 (which shall be controlling with respect to the matters covered thereby), in~~In the event that any Lender (which term shall include the Issuing Banks for purposes of this Section 2.19(a)) shall determine (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that any Change in Law: (i) subjects such Lender (or its applicable lending office) or any company controlling such Lender to any ~~additional~~ Tax (other than ~~any Income Tax) with respect to this Agreement or any of the other Credit Documents or any of its obligations hereunder or thereunder or any payments to such Lender (or its applicable lending office) of principal, interest, fees or any other amount payable hereunder~~Indemnified Taxes, Other Taxes or Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; (ii) imposes, modifies or holds applicable any reserve (including any

marginal, emergency, supplemental, special or other reserve), special deposit, liquidity, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of such Lender (other than any such reserve or other requirements with respect to SOFR Loans that are reflected in the determination of "Adjusted Term SOFR") or any company controlling such Lender; or (iii) imposes any other condition (other than with respect to a Tax matter) on or affecting such Lender (or its applicable lending office) or any company controlling such Lender or such Lender's obligations hereunder; and the result of any of the foregoing is to increase the cost to such Lender of agreeing to make, making or maintaining Loans hereunder or agreeing to issue, amend or participate in or issuing, amending or participating in Letters of Credit or to reduce any amount received or receivable by such Lender (or its applicable lending office) with respect thereto; then, in any such case, the Borrowers shall promptly pay to such Lender, upon receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or in a lump sum or otherwise as such Lender in its sole discretion shall determine) as may be necessary to compensate such Lender for any such increased cost or reduction in amounts received or receivable hereunder. Such Lender shall deliver to the Company (with a copy to the Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.19(a), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(b) Capital Adequacy and Liquidity Adjustment. In the event that any Lender (which term shall include the Issuing Banks for purposes of this Section 2.19(b)) shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that (i) any Change in Law regarding capital adequacy or liquidity or (ii) compliance by any Lender (or its applicable lending office) or any company controlling such Lender with any Change in Law regarding capital adequacy or liquidity, has or would have the effect of reducing the rate of return on the capital of such Lender or any company controlling such Lender as a consequence of, or with reference to, such Lender's Loans or ~~Revolving~~ Commitments or Letters of Credit, or participations therein or other obligations hereunder with respect to the Loans or the Letters of Credit to a level below that which such Lender or such controlling company could have achieved but for such Change in Law (taking into consideration the policies of such Lender or such controlling company with regard to capital adequacy and liquidity), then from time to time, within five Business Days after receipt by the Company from such Lender of the statement referred to in the next sentence, the Borrowers shall pay to such Lender such additional amount or amounts as will compensate such Lender or such controlling company on an after-tax basis for such reduction. Such Lender shall deliver to the Company (with a copy to the Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.19(b), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(c) Delay in Requests. Failure or delay on the part of any Lender or an Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided that the Borrowers shall not be required to compensate a Lender or an Issuing Bank pursuant to this

Section for any increased costs incurred or reductions suffered more than nine months prior to the date that such Lender or such Issuing Bank, as the case may be, notifies the Company of the Change in Law giving rise to such increased costs or reductions, and of such Lender's or such Issuing Bank's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

2.20. Taxes; Withholding, Etc. Payments to Be Free and Clear. All sums payable by or on behalf of any Credit Party hereunder and under the other Credit Documents shall (except to the extent required by law) be paid free and clear of, and without any deduction or withholding on account of, any Tax.

(b) Withholding of Taxes. If any Credit Party or any other Person (acting as a withholding agent) is (in such Credit Party or withholding agent's reasonable good faith discretion) required by law to make any deduction or withholding on account of any Tax from any sum paid or payable by any Credit Party to the Administrative Agent or any Lender (which term shall include the Issuing Bank for purposes of this Section 2.20(b)) under any of the Credit Documents: (i) the Company shall notify the Administrative Agent in writing of any such requirement or any change in any such requirement as soon as the Borrowers become aware of it; (ii) if the Tax is an Indemnified Tax or Other Tax, the sum payable by such Credit Party in respect of which the relevant deduction, withholding or payment is required shall be increased to the extent necessary to ensure that, after the making of that deduction, withholding or payment (including any Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20), the Administrative Agent or such Lender, as the case may be, receives on the due date a net sum equal to what it would have received had no such deduction, withholding or payment been required or made; (iii) the Credit Party or other Person making such payment shall make the deduction or withholding required by law and shall timely pay the full amount so deducted or withheld to the relevant Governmental Authority; and (iv) within thirty days after the due date of payment of any Tax which it is required by clause (iii) above to pay, the Borrowers shall deliver to the Administrative Agent evidence satisfactory to the other affected parties of such deduction, withholding or payment and of the remittance thereof to the relevant Governmental Authority. ~~In addition, each applicable Credit Party shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable requirements of law.~~

(c) Evidence of Exemption From Withholding Tax. Any Lender that is legally entitled to an exemption from or reduction of withholding Tax with respect to any payments made under this Agreement or any other Credit Document shall deliver to the Company and the Administrative Agent, at the time or times reasonably requested by the Company or Administrative Agent, such properly completed and executed documentation prescribed by applicable laws or reasonably requested by the Company or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Company or the Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Company or the Administrative Agent as will enable the Company or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in

this Section 2.20(c), the completion, execution and submission of such documentation shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(d) If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Company and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Company or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Company or the Administrative Agent as may be necessary for the Company and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (d), "FATCA" shall include any amendments made to FATCA after the date hereof.

(e) Without limiting the provisions of Section 2.20(b), the ~~Company~~Credit Parties shall timely pay all Other Taxes to the relevant Governmental Authority in accordance with applicable law. The Company shall deliver to the Administrative Agent official receipts or other evidence of such payment reasonably satisfactory to the Administrative Agent in respect of any Other Taxes payable hereunder promptly after payment of such Other Taxes.

(f) The Company, BIMLP and each other Credit Party shall jointly and severally indemnify the Administrative Agent and any Lender for the full amount of any Indemnified Taxes and Other Taxes, paid or payable by the Administrative Agent or any such Lender or any of their respective Affiliates or arising in connection with payments made under this Agreement or any other Credit Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered by the Administrative Agent or any Lender to such Credit Party shall be conclusive absent manifest error. Such payment shall be due within ten (10) days of such Credit Party's receipt of such certificate.

(g) Each Lender shall severally indemnify the Administrative Agent for (i) Indemnified Taxes for which additional amounts are required to be paid pursuant to Section 2.20(b) arising in connection with payments made under this Agreement or any other Credit Document and Other Taxes (including any such Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20) attributable to such Lender (but only to the extent that a Credit Party has not already indemnified the Administrative Agent therefor and without limiting the obligation of the Credit Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6(g)(i) relating to the maintenance of a Participant Register and (iii) any Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Credit Document and any reasonable expenses arising therefrom or with respect thereto, whether or not

such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Such payment shall be due within ten (10) days of such Lender's receipt of such certificate. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Credit Document or otherwise payable by the Administrative Agent to such Lender from any other source against any amount due to the Administrative Agent under this paragraph (g).

(h) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.20 (including additional amounts pursuant to this Section 2.20), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.20 with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Taxes subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Each party's obligations under this Section 2.20 shall survive the resignation and/or replacement of the Administrative Agent or the Collateral Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document

2.21. Obligation to Mitigate. Each Lender (which term shall include the Issuing Banks for purposes of this Section 2.21) agrees that, if such Lender requests payment under Section 2.18, 2.19 or 2.20, then such Lender will, to the extent not inconsistent with the internal policies of such Lender and any applicable legal or regulatory restrictions, use reasonable efforts to make, issue, fund or maintain its Credit Extensions, including any Affected Loans, through another office of such Lender if, as a result thereof, the additional amounts payable to such Lender pursuant to Section 2.18, 2.19 or 2.20, as the case may be, in the future would be eliminated or reduced and if, as determined by such Lender in its sole discretion, the making, issuing, funding or maintaining of such ~~Revolving~~ Commitments, Loans or Letters of Credit through such other office or in accordance with such other measures, as the case may be, would not otherwise adversely affect such ~~Revolving~~ Commitments, Loans or Letters of Credit or the interests of such Lender; provided, such Lender will not be obligated to utilize such other office

pursuant to this Section 2.21 unless the Company agrees to pay all incremental expenses (including Taxes) incurred by such Lender as a result of utilizing such other office as described above. A certificate as to the amount of any such expenses payable by the Company pursuant to this Section 2.21 (setting forth in reasonable detail the basis for requesting such amount) submitted by such Lender to the Company (with a copy to the Administrative Agent) shall be conclusive absent manifest error.

2.22. Defaulting Lenders.

(a) Defaulting Lender Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 10.4 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent or Collateral Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Issuing Banks ~~or the Swing Line Lender~~ hereunder; *third*, to Cash Collateralize the Issuing Banks' Fronting Exposure with respect to such Defaulting Lender in accordance with Section 2.22(d); *fourth*, as the Borrowers may request (so long as no Default or Event of Default shall have occurred and be continuing), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrowers, to be held in a Deposit Account and released pro rata in order to (x) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Issuing Banks' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.22(d); *sixth*, to the payment of any amounts owing to the Lenders~~,~~ or the Issuing Banks ~~or the Swing Line Lender~~ as a result of any judgment of a court of competent jurisdiction obtained by any Lender~~,~~ or the Issuing ~~Banks or the Swing Line Lender~~Bank against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default shall have occurred and be continuing, to the payment of any amounts owing to the Company as a result of any judgment of a court of competent jurisdiction obtained by the Company against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans or reimbursement obligations with respect to Letters of Credit in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 3.2 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and reimbursement

obligations with respect to Letters of Credit owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of, or reimbursement obligations with respect to Letters of Credit owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letters of Credit ~~and Swing Line Loans~~ are held by the Lenders pro rata in accordance with the applicable Commitments without giving effect to Section 2.22(a)(iii). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.22(a)(i) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(ii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee pursuant to Section 2.11(a) for any period during which that Lender is a Defaulting Lender (and the Company shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender); provided such Defaulting Lender shall be entitled to receive fees pursuant to Section 2.11(a)~~(ii)~~ for any period during which that Lender is a Defaulting Lender only to extent allocable to its Pro Rata Share of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.22(d).

(B) With respect to any fees not required to be paid to any Defaulting Lender pursuant to clause (A) above, the Company shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit ~~or Swing Line Loans~~ that has been reallocated to such Non-Defaulting Lender pursuant to clause (iii) below, (y) pay to the Issuing Banks, on a pro rata basis, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to the Issuing Banks' Fronting Exposure to such Defaulting Lender, and (z) not be required to pay the remaining amount of any such fee.

(iii) Reallocation of Participations to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in Letters of Credit ~~and Swing Line Loans~~ shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (x) the conditions set forth in Section 3.2 are satisfied at the time of such reallocation (and, unless the Company shall have otherwise notified the Administrative Agent at such time, the Company shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (y) such reallocation does not cause the aggregate ~~Revolving Exposure~~participations of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's ~~Revolving~~Backstop Credit Support Commitment. No reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that

Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(iv) Cash Collateral. If the reallocation described in clause (iii) above cannot, or can only partially, be effected, the Borrowers shall, without prejudice to any right or remedy available to the Borrowers hereunder or under law, Cash Collateralize the Issuing Banks' Fronting Exposure in accordance with the procedures set forth in Section 2.22(d).

(b) Defaulting Lender Cure. If the Company, the Administrative Agent ~~and each the Swing Line Lender~~ and each Issuing Bank agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit ~~and Swing Line Loans~~ to be held pro rata by the Lenders in accordance with the applicable Commitments (without giving effect to Section 2.22(a)(iii), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of any Borrower while that Lender was a Defaulting Lender; and provided further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender having been a Defaulting Lender.

(c) New Letters of Credit. So long as any Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, extend, increase or otherwise amend any Letter of Credit unless it is satisfied that the participations in any existing Letters of Credit as well as the new, extended, increased or otherwise amended Letter of Credit has been or will be fully allocated among the Non-Defaulting Lenders in a manner consistent with clause (a)(iii) above and such Defaulting Lender shall not participate therein except to the extent such Defaulting Lender's participation has been or will be fully Cash Collateralized in accordance with Section 2.22(d).

(d) Cash Collateral. At any time that there shall exist a Defaulting Lender, within one Business Day following the written request of the Administrative Agent or any Issuing Bank (with a copy to the Administrative Agent) the Borrowers shall Cash Collateralize such Issuing Bank's Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.22(a)(iii) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

(i) Grant of Security Interest. Each Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of the Issuing Banks, and agrees to maintain, a First Priority security interest in all such Cash Collateral as security for the Defaulting Lenders' obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (ii) below. If at any time the Administrative Agent determines

(without any obligation on the part of the Administrative Agent to make such determination) that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent and the Issuing Banks as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrowers will, promptly upon demand by the Administrative Agent (and in any event no later than two Business Days after such demand), pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(ii) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.22 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(iii) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce the Issuing Banks' Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.22 following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender) or (ii) the determination by the Administrative Agent and the Issuing Banks that there exists excess Cash Collateral; provided that, (x) subject to the other provisions of this Section 2.22, the Person providing Cash Collateral and the Issuing Banks may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations, and (y) Cash Collateral shall not be released during the continuance of a Default or Event of Default; provided further that to the extent that such Cash Collateral was provided by the Borrowers, such Cash Collateral shall remain subject to the security interest granted pursuant to the Credit Documents.

(e) Lender Counterparties. So long as any Lender is a Defaulting Lender, such Lender shall not be a Lender Counterparty with respect to any Hedge Agreement entered into while such Lender was a Defaulting Lender.

2.23. Removal or Replacement of a Lender. Anything contained herein to the contrary notwithstanding, in the event that: (a) (i) any Lender (an "**Increased-Cost Lender**") shall give notice to the Company (with a copy to the Administrative Agent) that such Lender is an Affected Lender or that such Lender is entitled to receive payments under Section 2.18, 2.19 or 2.20, (ii) the circumstances which have caused such Lender to be an Affected Lender or which entitle such Lender to receive such payments shall remain in effect, and (iii) such Lender shall fail to withdraw such notice within five Business Days after the Company's request for such withdrawal; or (b) (i) any Lender shall become and continues to be a Defaulting Lender, and (ii) such Defaulting Lender shall fail to cure the default pursuant to Section 2.22(b) within five Business Days after the Company's request that it cure such default; or (c) in connection with any proposed amendment, modification, termination, waiver or consent with respect to any of the provisions hereof as contemplated by Section 10.5(b), the consent of Requisite Lenders shall

have been obtained but the consent of one or more of such other Lenders (each a "**Non-Consenting Lender**") whose consent is required shall not have been obtained; then, with respect to each such Increased-Cost Lender, Defaulting Lender or Non-Consenting Lender (the "**Terminated Lender**"), the Company may, by giving written notice to the Administrative Agent and any Terminated Lender of its election to do so, elect to cause such Terminated Lender (and such Terminated Lender hereby irrevocably agrees) to assign its outstanding Loans and ~~its Revolving~~ Commitments, if any, in full to one or more Eligible Assignees (each a "**Replacement Lender**") in accordance with the provisions of Section 10.6 and the Company shall pay the fees, if any, payable thereunder in connection with any such assignment from an Increased-Cost Lender, a Non-Consenting Lender or a Defaulting Lender; provided, (1) on the date of such assignment, the Replacement Lender shall pay to Terminated Lender an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding Loans of the Terminated Lender, (B) an amount equal to all unreimbursed drawings that have been funded by such Terminated Lender, together with all then unpaid interest with respect thereto at such time and (C) an amount equal to all accrued, but theretofore unpaid fees owing to such Terminated Lender pursuant to Section 2.11; (2) on the date of such assignment, the Company shall pay any amounts payable to such Terminated Lender pursuant to Section 2.18(c), 2.19 or 2.20; or otherwise as if it were a prepayment; (3) such assignment does not conflict with applicable law; and (4) in the event such Terminated Lender is a Non-Consenting Lender, each Replacement Lender shall consent, at the time of such assignment, to each matter in respect of which such Terminated Lender was a Non-Consenting Lender; provided, the Company may not make such election with respect to any Terminated Lender that is also an Issuing Bank unless, prior to the effectiveness of such election, the Borrowers shall have caused each outstanding Letter of Credit issued thereby to be cancelled. Upon the prepayment of all amounts owing to any Terminated Lender and the termination of such Terminated Lender's ~~Revolving~~ Commitments, if any, such Terminated Lender shall no longer constitute a "Lender" for purposes hereof; provided, any rights of such Terminated Lender to indemnification hereunder shall survive as to such Terminated Lender. Each Lender agrees that if the Company exercises its option hereunder to cause an assignment by such Lender as a Non-Consenting Lender or Terminated Lender, such Lender shall, promptly after receipt of written notice of such election, execute and deliver all documentation necessary to effectuate such assignment in accordance with Section 10.6. In the event that a Lender does not comply with the requirements of the immediately preceding sentence within one Business Day after receipt of such notice, each Lender hereby authorizes and directs the Administrative Agent to execute and deliver such documentation as may be required to give effect to an assignment in accordance with Section 10.6 on behalf of a Non-Consenting Lender or Terminated Lender and any such documentation so executed by the Administrative Agent shall be effective for purposes of documenting an assignment pursuant to Section 10.6.

2.24. ~~Incremental Revolving Commitments~~[Reserved].

~~. The Company may from time to time by written notice to the Arrangers and the Administrative Agent elect to request, prior to the Revolving Commitment Termination Date, an increase to the existing Revolving Commitments (any such increase, the "**New Revolving Loan Commitments**") not less than $2.50 million in the case of each such increase (or such lesser amount which shall be approved by the Arrangers or such lesser amount that shall constitute the maximum amount of New Revolving Loan Commitments permitted to be incurred under this~~

Section 2.24 at such time) and integral multiples of $500,000 in excess of that amount. Each such notice shall specify (A) the date (each, an "**Increased Amount Date**") on which the Company proposes that the New Revolving Loan Commitments shall be effective, which shall be a date not less than 10 Business Days after the date on which such notice is delivered to the Arrangers and the Administrative Agent or such shorter period of time as consented to by the Arrangers and the Administrative Agent and (B) the identity of each Lender or other Person that is an Eligible Assignee (each, a "**New Revolving Loan Lender**") to whom the Company proposes any portion of such New Revolving Loan Commitments be allocated and the amounts of such allocations; provided that the Arrangers may elect or decline to arrange such New Revolving Loan Commitments in its sole discretion and any Lender approached to provide all or a portion of the New Revolving Loan Commitments may elect or decline, in its sole discretion, to provide a New Revolving Loan Commitment (it being agreed that the failure of a Lender to provide written notice of its acceptance to the Administrative Agent and the Arrangers shall be deemed to have declined a New Revolving Loan Commitment); provided, further, that each Lender and other Person that the Company proposes to become a New Revolving Loan Lender must be reasonably acceptable to the Arrangers, the Administrative Agent, each Issuing Bank and the Swing Line Lender. Such New Revolving Loan Commitments shall become effective as of such Increased Amount Date; provided that (1) no Default or Event of Default shall exist on such Increased Amount Date before or after giving effect to such New Revolving Loan Commitments; (2) the Company and its Subsidiaries shall be in pro forma compliance with each of the covenants set forth in Section 6.7 as of the last day of the most recently ended Fiscal Quarter after giving effect to such New Revolving Loan Commitments; (3) the New Revolving Loan Commitments shall be effected pursuant to one or more Joinder Agreements executed and delivered by the Borrowers, the New Revolving Loan Lender and the Administrative Agent, and each of which shall be recorded in the Register and each New Revolving Loan Lender shall be subject to the requirements set forth in Section 2.20(c); (4) the Borrowers shall make any payments required pursuant to Section 2.18(c) in connection with the New Revolving Loan Commitments; (5) the Borrowers shall deliver or cause to be delivered any legal opinions or other documents reasonably requested by the Arrangers in connection with any such transaction; and (6) as of the Increased Amount Date, after giving effect to the New Revolving Loan Commitments, the aggregate amount of Revolving Commitments shall not exceed the aggregate amount of Indebtedness permitted to be incurred in reliance on Section 6.1(b)(1) or secured by Liens on the Collateral in reliance on clause (1) of the definition of Permitted Liens.

On any Increased Amount Date on which New Revolving Loan Commitments are effected, subject to the satisfaction of the foregoing terms and conditions, (a) each of the Revolving Loan Lenders shall assign to each of the New Revolving Loan Lenders, and each of the New Revolving Loan Lenders shall purchase from each of the Revolving Loan Lenders, at the principal amount thereof, such interests in the Revolving Loans outstanding on such Increased Amount Date as shall be necessary in order that, after giving effect to all such assignments and purchases, such Revolving Loans will be held by existing Revolving Loan Lenders and New Revolving Loan Lenders ratably in accordance with their Revolving Commitments after giving effect to the addition of such New Revolving Loan Commitments to the Revolving Commitments, (b) each New Revolving Loan Commitment shall be deemed for all purposes a Revolving Commitment and each Loan made thereunder (a "**New Revolving Loan**") shall be deemed, for all purposes, a Revolving Loan and (c) each New Revolving Loan

Lender shall become a Lender with respect to the New Revolving Loan Commitment and all matters relating thereto.

The Administrative Agent shall notify Lenders promptly upon receipt of the Company's notice of each Increased Amount Date and in respect thereof (x) the New Revolving Loan Commitments and the New Revolving Loan Lenders and (y) in the case of each notice to any Revolving Lender, the respective interests in such Revolving Lender's Revolving Loans, in each case subject to the assignments contemplated by this Section 2.24.

The terms and provisions of the New Revolving Loans shall be identical to the Revolving Loans, and the New Revolving Loans (i) shall not be secured by Liens other than Liens on the Collateral and (ii) if guaranteed, shall not be guaranteed by any Person that does not constitute a Guarantor. Each Joinder Agreement may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the opinion of the Arrangers to effect the provisions of this Section 2.24.

2.25. Extensions of Loans[Reserved].

(a) The Borrowers may from time to time, pursuant to the provisions of this Section 2.25, agree with one or more Lenders holding Loans and Commitments of any Class ("**Existing Class**") to extend the Revolving Commitment Termination Date with respect to such Class and to provide for other terms consistent with this Section 2.25 (each such modification, an "**Extension**") pursuant to one or more written offers (each an "**Extension Offer**") made from time to time by the Borrowers to all Lenders under any Class that is proposed to be extended under this Section 2.25, in each case on a pro rata basis (based on the relative principal amounts of the outstanding Loans of each Lender in such Class) and on the same terms to each such Lender. In connection with each Extension, the Borrowers will provide written notification to the Arrangers and the Administrative Agent (for distribution to the Lenders of the applicable Class), no later than 91 days prior to the Revolving Commitment Termination Date of the applicable Class or Classes to be extended of the requested new Revolving Commitment Termination Date for the extended Loans of each such Class (each, an "**Extended Revolving Commitment Termination Date**") and the due date for Lender responses. In connection with any Extension, each Lender of the applicable Class wishing to participate in such Extension shall, prior to such due date, provide the Administrative Agent with a written notice thereof in a form reasonably satisfactory to the Administrative Agent. Any Lender that does not respond to an Extension Offer by the applicable due date shall be deemed to have rejected such Extension. In connection with any Extension, the Borrowers shall agree to such procedures, if any, as may be reasonably established by, or acceptable to, the Administrative Agent to accomplish the purposes of this Section 2.25.

(b) After giving effect to any Extension, the Revolving Commitments and Revolving Loans so extended shall cease to be a part of the Class that they were a part of immediately prior to the Extension and shall be a new Class hereunder ; provided that at no time shall there be more than two different classes of Revolving Commitments or Revolving Loans; provided further, that (i) all borrowings and all prepayments of Revolving Loans shall continue to be made on a ratable basis among all Revolving Lenders, based on the relative amounts of their Revolving Commitments, until the repayment of the Revolving Loans attributable to the

non-extended Revolving Commitments on the relevant Extended Revolving Commitment Termination Date, (ii) the allocation of the participation exposure with respect to any then-existing or subsequently issued or made Letter of Credit or Swing Line Loan as between the Revolving Commitments of such new Class and the remaining Revolving Commitments shall be made on a ratable basis in accordance with the relative amounts thereof until the Revolving Commitment Termination Date relating to such non-extended Revolving Commitments has occurred, (iii) no termination of Extended Revolving Commitments and no repayment of Extended Revolving Loans accompanied by a corresponding permanent reduction in Extended Revolving Commitments shall be permitted unless such termination or repayment (and corresponding reduction) is accompanied by at least a pro rata termination or permanent repayment (and corresponding pro rata permanent reduction), as applicable, of the Existing Revolving Loans and Existing Revolving Commitments (or all Existing Revolving Commitments of such Class and related Existing Revolving Loans shall have otherwise been terminated and repaid in full) and (iv) with respect to Letters of Credit and Swing Line Loans, the Revolving Commitment Termination Date with respect to the Revolving Commitments may not be extended without the prior written consent of each Issuing Bank and the Swing Line Lender. If the Total Utilization of Revolving Commitments exceeds the Revolving Commitment as a result of the occurrence of the Revolving Commitment Termination Date with respect to any Class of Revolving Commitments while an extended Class of Revolving Commitments remains outstanding, the Borrowers shall make such payments as are necessary in order to eliminate such excess on such Revolving Commitment Termination Date.

(c) The consummation and effectiveness of each Extension shall be subject to the following:

(i) no Default or Event of Default shall have occurred and be continuing at the time any Extension Offer is delivered to the Lenders or at the time of such Extension;

(ii) the Revolving Commitments of any Lender extended pursuant to any Extension ("**Extended Revolving Commitments**") shall have the same terms as the Class of Revolving Commitments, as applicable, subject to the related Extension Amendment ("**Existing Revolving Commitments**"); except (A) the final maturity date of any Extended Revolving Commitments of a Class to be extended pursuant to an Extension shall be later than the Latest Maturity Date at the time of such Extension, and the weighted average life to maturity of any Extended Revolving Commitments of a Class to be extended pursuant to an Extension shall be no shorter than the weighted average life to maturity of the Class of Existing Revolving Commitments, as applicable, subject to the Latest Maturity Date at the time of such Extension; (B) the all-in pricing (including, without limitation, margins, fees and premiums) with respect to the Extended Revolving Commitments may be higher or lower than the all-in pricing (including, without limitation, margins, fees and premiums) for the Existing Revolving Commitments; (C) the revolving credit commitment fee rate with respect to the Extended Revolving Commitments may be higher or lower than the revolving credit commitment fee rate for Existing Revolving Commitments, in each case, to the extent provided in the applicable Extension Amendment; (D) no repayment of any Extended Revolving Commitments shall be permitted unless such repayment is accompanied by an at least pro rata repayment of all earlier maturing Loans (including previously extended Loans) (or all

earlier maturing Loans (including previously extended Loans) shall otherwise be or have been terminated and repaid in full); (E) the Extended Revolving Commitments may contain a "most favored nation" provision for the benefit of Lenders holding Extended Revolving Commitments, as applicable; and (F) the other terms and conditions applicable to Extended Revolving Commitments may be terms different than those with respect to the Existing Revolving Commitments, as applicable, so long as such terms and conditions only apply after the Latest Maturity Date; provided further, each Extension Amendment may, without the consent of any Lender other than the applicable extending Lenders, effect such amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, the Arrangers and the Borrowers, to give effect to the provisions of this Section 2.25, including any amendments necessary to treat the applicable Loans and/or Commitments of the extending Lenders as a new "Class" of loans and/or commitments hereunder; provided however, no Extension Amendment may provide for any Class of Extended Revolving Commitments to be secured by any Collateral or other assets of any Credit Party that does not also secure the Existing Revolving Commitments;

(iii) all documentation in respect of such Extension shall be consistent with the foregoing, and all written communications by the Borrowers generally directed to the applicable Lenders under the applicable Class in connection therewith shall be in form and substance consistent with the foregoing and otherwise reasonably satisfactory to the Arrangers;

(iv) a minimum amount in respect of such Extension (to be determined in the Borrowers' discretion and specified in the relevant Extension Offer, but in no event less than $25.0 million, unless another amount is agreed to by the Arrangers) shall be satisfied; and

(v) no Extension shall become effective unless, on the proposed effective date of such Extension, the conditions set forth in Section 3.2 shall be satisfied (with all references in such Section to a Credit Date being deemed to be references to the Extension on the applicable date of such Extension), and the Administrative Agent shall have received a certificate to that effect dated the applicable date of such Extension and executed by an Authorized Officer of the Company.

(d) For the avoidance of doubt, it is understood and agreed that the provisions of Section 2.17 and Section 10.5 will not apply to Extended Revolving Commitments pursuant to Extension Offers made pursuant to and in accordance with the provisions of this Section 2.25, including to any payment of interest or fees in respect of any Extended Revolving Commitments that have been extended pursuant to an Extension at a rate or rates different from those paid or payable in respect of Loans of any other Class, in each case as is set forth in the relevant Extension Offer.

(e) No Lender who rejects any request for an Extension shall be deemed a Non-Consenting Lender for purposes of Section 2.23.

(f) The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments (collectively, "**Extension Amendments**") to this Agreement and the other Credit Documents as may be necessary in order to establish new Classes of Revolving Commitments created pursuant to an Extension, in each case on terms consistent with this Section 2.25. Notwithstanding the foregoing, the Administrative Agent shall have the right (but not the obligation) to seek the advice or concurrence of the Requisite Lenders with respect to any matter contemplated by this Section 2.25 and, if the Administrative Agent seeks such advice or concurrence, the Administrative Agent shall be permitted to enter into such amendments with the Company in accordance with any instructions received from such Requisite Lenders and shall also be entitled to refrain from entering into such amendments with the Company unless and until it shall have received such advice or concurrence; provided, however, that whether or not there has been a request by the Administrative Agent for any such advice or concurrence, all such Extension Amendments entered into with the Company by the Administrative Agent hereunder shall be binding on the Lenders. Without limiting the foregoing, in connection with any Extension, (i) the appropriate Credit Parties shall (at their expense) amend (and the Administrative Agent and Collateral Agent are hereby directed to amend) any Mortgage (or any other Credit Document that the Administrative Agent reasonably requests to be amended to reflect an Extension) that has a maturity date prior to the Latest Maturity Date (after giving effect to such Extension) so that such maturity date is extended to no earlier than such Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent) and (ii) the Credit Parties shall deliver board resolutions, secretary's certificates, officer's certificates and other documents as shall reasonably be requested by the Administrative Agent, the Collateral Agent or the Arrangers in connection therewith and a legal opinion of counsel reasonably acceptable to the Arrangers (x) as to the enforceability of such Extension Amendment, this Agreement as amended thereby, and such of the other Credit Documents (if any) as may be amended thereby and (y) to the effect that such Extension Amendment, including without limitation, the Extended Revolving Commitments provided for therein, does not conflict with or violate the terms and provisions of Section 10.5.

(g) Promptly following the consummation and effectiveness of any Extension, the Company will furnish to the Administrative Agent (who shall promptly furnish to each Lender) written notice setting forth the Extended Revolving Commitment Termination Date and material economic terms of the Extension and the aggregate principal amount of each class of Loans and Commitments after giving effect to the Extension and attaching a copy of the fully executed Extension Amendment.

2.26. Co-Borrowers; Subrogation.

(a) Joint and Several Liability. All Obligations of the Borrowers under this Agreement and the other Credit Documents shall be joint and several Obligations of each Borrower. Anything contained in this Agreement and the other Credit Documents to the contrary notwithstanding, the Obligations of each Borrower hereunder, solely to the extent that such Borrower did not receive proceeds of Loans from any borrowing hereunder, shall be limited to a maximum aggregate amount equal to the largest amount that would not render its Obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under §548 of the Bankruptcy Code, 11 U.S.C. §548, or any applicable provisions of comparable state or foreign law (collectively, the "**Fraudulent Transfer Laws**"), in each case after giving effect to all other

liabilities of such Borrower, contingent or otherwise, that are relevant under the Fraudulent Transfer Laws (specifically excluding, however, any liabilities of such Borrower in respect of intercompany Indebtedness to any other Credit Party or Affiliates of any other Credit Party to the extent that such Indebtedness would be discharged in an amount equal to the amount paid by such Credit Party hereunder) and after giving effect as assets to the value (as determined under the applicable provisions of the Fraudulent Transfer Laws) of any rights to subrogation or contribution of such Borrower pursuant to (i) applicable law or (ii) any agreement providing for an equitable allocation among such Borrower and other Affiliates of any Credit Party of Obligations arising under Guaranties by such parties.

(b) Subrogation. Until the ~~Obligations shall have been paid in full in Cash~~Termination Date, each Borrower shall withhold exercise of any right of subrogation, contribution or any other right to enforce any remedy which it now has or may hereafter have against the other Borrower or any other guarantor of the Obligations. Each Borrower further agrees that, to the extent the waiver of its rights of subrogation, contribution and remedies as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any such rights such Borrower may have against the other Borrower, any collateral or security or any such other guarantor, shall be junior and subordinate to any rights the Collateral Agent may have against the other Borrower, any such collateral or security, and any such other guarantor. The Credit Parties under this Agreement and the other Credit Documents together desire to allocate among themselves, in a fair and equitable manner, their Obligations arising under this Agreement and the other Credit Documents. Accordingly, in the event any payment or distribution is made on any date by any Credit Party under this Agreement and the other Credit Documents (a "**Funding Credit Party**") that exceeds its Obligation Fair Share (as defined below) as of such date, that Funding Credit Party shall be entitled to a contribution from the other Credit Parties in the amount of such other Credit Parties' Obligation Fair Share Shortfall (as defined below) as of such date, with the result that all such contributions will cause each Credit Party's Obligation Aggregate Payments (as defined below) to equal its Obligation Fair Share as of such date. "**Obligation Fair Share**" means, with respect to a Credit Party as of any date of determination, an amount equal to (i) the ratio of (x) the Obligation Fair Share Contribution Amount (as defined below) with respect to such Credit Party to (y) the aggregate of the Obligation Fair Share Contribution Amounts with respect to all Credit Parties, multiplied by (ii) the aggregate amount paid or distributed on or before such date by all Funding Credit Parties under this Agreement and the other Credit Documents in respect of the Obligations guarantied. "**Obligation Fair Share Shortfall**" means, with respect to a Credit Party as of any date of determination, the excess, if any, of the Obligation Fair Share of such Credit Party over the Obligation Aggregate Payments of such Credit Party. "**Obligation Fair Share Contribution Amount**" means, with respect to a Credit Party as of any date of determination, the maximum aggregate amount of the Obligations of such Credit Party under this Agreement and the other Credit Documents that would not render its Obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under §548 of the Bankruptcy Code, 11 U.S.C. §548, or any comparable applicable provisions of state or foreign law; provided that, solely for purposes of calculating the Obligation Fair Share Contribution Amount with respect to any Credit Party for purposes of this Section 2.26, any assets or liabilities of such Credit Party arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or Obligations of contribution hereunder shall not be considered as assets or liabilities of such Credit Party. "**Obligation Aggregate Payments**" means, with respect to a Credit Party as of any

date of determination, an amount equal to (i) the aggregate amount of all payments and distributions made on or before such date by such Credit Party in respect of this Agreement and the other Credit Documents (including in respect of this Section 2.26) minus (ii) the aggregate amount of all payments received on or before such date by such Credit Party from the other Credit Party as contributions under this Section 2.26. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Credit Party. The allocation among the Credit Parties of their Obligations as set forth in this Section 2.26 shall not be construed in any way to limit the liability of any Credit Party hereunder or under any Credit Document.

(c) Representative of the Borrowers. BIMLP hereby appoints the Company as its agent, attorney-in-fact and representative for the purpose of (i) making any borrowing requests or other requests required under this Agreement, (ii) the giving and receipt of notices by and to the Borrowers under this Agreement, (iii) the delivery of all documents, reports, financial statements and written materials required to be delivered by the Borrowers under this Agreement, and (iv) all other purposes incidental to any of the foregoing. BIMLP agrees that any action taken by the Company as the agent, attorney-in-fact and representative of BIMLP shall be binding upon BIMLP to the same extent as if directly taken by BIMLP.

During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.

exceeded solely as a result of fluctuations in the exchange rate of currencies. The principal amount of any Indebtedness Incurred to refinance other Indebtedness, if Incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such Refinancing Indebtedness is denominated that is in effect on the date of such refinancing.

Neither the Administrative Agent nor the Collateral Agent shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to Disqualified Lenders or compliance by Sponsor Affiliated Lenders with the terms hereof relating to Sponsor Affiliated Lenders. Without limiting the generality of the foregoing, neither the Administrative Agent nor the Collateral Agent shall (x) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender, or compliance by Sponsor Affiliated Lenders with the terms hereof relating to Sponsor Affiliated Lenders or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender. Each Agent shall be fully justified in failing or refusing to take any action under any Credit Document unless it shall first receive such advice or concurrence of the Requisite Lenders (or in the case of the Collateral Agent, of the Administrative Agent) as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Credit Document in accordance with a request or consent of the Requisite Lenders (or such greater number of Lenders as may be expressly required hereby in any instance, or in the case of the Collateral Agent, the Administrative Agent) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders. In

determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received written notice to the contrary from such Lender prior to the making of such Loan. No Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, unless such Agent shall have received written notice from a Lender or a Borrower complying with Section 10.1, referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice.

The Administrative Agent shall not be liable for any failure or delay in the performance of its obligations under this Agreement or any related documents because of circumstances beyond the Administrative Agent's control, including, but not limited to, a failure, termination, or suspension of a clearing house, securities depositary, settlement system or central payment system in any applicable part of the world or acts of God, flood, war (whether declared or undeclared), civil or military disturbances or hostilities, nuclear or natural catastrophes, political unrest, explosion, severe weather or accident, earthquake, terrorism, fire, riot, labor disturbances, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of the services contemplated by this Agreement or any related documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility, or any other causes beyond the Administrative Agent's control whether or not of the same class or kind as specified above.

(c) Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Credit Document by or through any one or more sub-agents appointed by it. Each of the Administrative Agent, the Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through its Affiliates. The exculpatory, indemnification and other provisions of this Section 9.3 and of Section 9.6 shall apply the ~~Affiliates~~Agent-Related Persons of the Administrative Agent and the Collateral Agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities of the Administrative Agent and the Collateral Agent. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any sub-agents except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that the Administrative Agent or the Collateral Agent, as applicable, acted with gross negligence or willful misconduct in the selection of such sub-agents.

(d) Notwithstanding anything to the contrary contained herein, but subject to the terms of the Intercreditor Agreements, the Collateral Agent shall solely act pursuant to the instructions of the Administrative Agent with respect to the Collateral Documents and the Collateral, and any Default or Event of Default. No provision of this Agreement, the Intercreditor Agreements, or any Credit Document shall require the Collateral Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or to take or omit to take any action hereunder or thereunder or take any action at the request or direction of Lenders (or the Administrative Agent).

Any Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with the Company or any of its Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from the Company for services in connection herewith and otherwise without having to account for the same to Lenders.

9.5. Lenders' Representations, Warranties and Acknowledgment.

(a) Each Lender represents and warrants that it has made its own independent investigation of the financial condition and affairs of the Company and its Subsidiaries in connection with Credit Extensions hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of the Company and its Subsidiaries. No Agent shall have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the

As used in this Section 9.6, "pro rata share" shall mean, with respect to the Lenders and any indemnity payment or unreimbursed amount owing or payable to any Agent-Related ~~Party~~Person by the Lenders hereunder, that such indemnity payment or unreimbursed amount shall be paid to such Agent-Related Person by the Lenders in accordance with their respective Pro Rata Shares (determined as of the time that the applicable indemnity payment or unreimbursed amount is sought (or if such indemnity payment or unreimbursed amount is sought after the date on which the Loans have been paid in full and the Commitments have terminated, in accordance with their respective Pro Rata immediately prior to the date on which the Loans ~~are~~have been paid in full and the Commitments have been terminated)). The undertaking in this Section 9.6 shall survive termination of the Commitments, the payment of all other Obligations and the resignation and/or replacement of the Administrative Agent or the Collateral Agent, as

the case may be. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's pro rata share thereof; and provided further, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement described in the first proviso to the first sentence of this Section (but subject to the second proviso to such first sentence).

Upon any such notice of resignation or any such removal, Requisite Lenders shall have the right, upon five Business Days' notice to the Administrative Agent, to appoint a successor Collateral Agent. Until a successor Collateral Agent is so appointed by Requisite Lenders or the Administrative Agent, any collateral security held by the Collateral Agent on behalf of the Lenders or the Issuing Banks under any of the Credit Documents shall continue to be held by the resigning Collateral Agent as nominee until such time as a successor Collateral Agent is appointed. (b) Right to Realize on Collateral and Enforce Guaranty. Anything contained in any of the Credit Documents to the contrary notwithstanding, the Company, the Administrative Agent, the Collateral Agent and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder and under any of the Credit Documents may be exercised solely by the Administrative Agent or the Collateral Agent, as applicable, for the benefit of the Secured Parties in accordance with the terms hereof and thereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by the Collateral Agent for the benefit of the Secured Parties in accordance with the terms thereof, and (ii) in the event of a foreclosure or similar enforcement action by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition (including, without limitation, pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code), the Collateral Agent (or any Lender, except with respect to a "credit bid" pursuant to Section 363(k), Section 1129(b)(2)(a)(ii) or otherwise of the Bankruptcy Code) may be the purchaser or licensor

(c) Rights under Hedge Agreements. No Hedge Agreement will create (or be deemed to create) in favor of any Lender Counterparty that is a party thereto any rights in connection with the management or release of any Collateral or of the obligations of any Guarantor under the Credit Documents except as expressly provided in Section 10.5(c)(v) of this Agreement. By accepting the benefits of the Collateral, such Lender Counterparty shall be deemed to have appointed the Collateral Agent as its agent and agreed to be bound by the Credit Documents as a Secured Party, subject to the limitations set forth in this clause (c). In addition, no Lender Counterparty shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) (or to notice of or to consent to any amendment, waiver or modification of the provisions hereof or any Credit Document) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Section 9 to the contrary, the Administrative Agent and the Collateral Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Hedge Agreements except to the extent expressly provided in the Credit Documents to which the Administrative Agent or the Collateral Agent, as applicable, is a party and unless the Administrative Agent has received a Secured Party Designation Notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Lender Counterparty. The Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Hedge Agreements in the case of the Latest Maturity Date.

(d) Release of Collateral and Guaranties, Termination of Credit Documents. Notwithstanding anything to the contrary contained herein or any other Credit Document, ~~when all Obligations (other than obligations in respect of any Hedge Agreement) have been paid in full, all Commitments have terminated or expired and no Letter of Credit shall be outstanding~~following the occurrence of the Termination Date, upon written request of the Company, the Administrative Agent shall direct the Collateral Agent and the Collateral Agent shall (upon receipt of such direction, but without notice to, or vote or consent of, any Lender, or any affiliate of any Lender that is a party to any Hedge Agreement), at the sole expense of the Company, take such actions as shall be reasonably requested to release its security interest in all Collateral, and to release all guarantee obligations provided for in any Credit Document, whether or not on the date of such release there may be outstanding Obligations in respect of Hedge Agreements. Any such release of guarantee obligations shall be deemed subject to the provision that such guarantee obligations shall be reinstated if after such release any portion of any payment in respect of the Obligations guaranteed thereby shall be rescinded or must otherwise be restored or returned upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of ~~the Company~~either Borrower or any Guarantor, or upon or as a result of the appointment of a

receiver, intervenor or conservator of, or trustee or similar officer for, ~~the Company~~either Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payment had not been made.

(e) The Collateral Agent shall not be responsible for or have a duty to ascertain or inquire into any representation or warranty regarding the existence, value or collectability of the Collateral, the existence, priority or perfection of the Collateral Agent's Lien thereon, or any certificate prepared by any Credit Party in connection therewith, nor shall the Collateral Agent be responsible or liable to the Lenders for any failure to monitor or maintain any portion of the Collateral or for recording, filing, registering, perfecting, protecting or maintaining the security interests or Liens intended to be created by this Agreement or the other Credit Documents (including without limitation the filing or continuation of any UCC financing or continuation statements or similar documents or instruments), nor shall the Collateral Agent be responsible for, and the Collateral Agent makes no representation regarding, the validity, effectiveness or priority of any of the Credit Documents or the security interests or Liens intended to be created thereby.

9.9. Withholding Taxes. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without duplication of the provisions of Section 2.20(g), if the Internal Revenue Service or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance which rendered the exemption from, or reduction of, withholding Tax ineffective or for any other reason, or if the Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding tax from such payment, such Lender shall indemnify the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including any penalties or interest and together with all reasonable expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred.

9.10. Administrative Agent May File Bankruptcy Disclosure and Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Laws relative to any Credit Party, the Administrative Agent (irrespective of whether the principal of any Loan or Obligation under a Letter of Credit shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Company) shall be entitled and empowered (but not obligated) by intervention in such proceeding or otherwise:

(a) to file a verified statement pursuant to rule 2019 of the Federal Rules of Bankruptcy Procedure that, in its sole opinion, complies with such rule's disclosure requirements for entities representing more than one creditor;

(b) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of

the Lenders, the Issuing Banks, the Administrative Agent and Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent, the Collateral Agent and each of their respective agents and counsel and all other amounts due the Lenders, the Issuing Banks, the Administrative Agent and Collateral Agent under Sections 2.4, 2.11, 10.2 and 10.3 allowed in such judicial proceeding); and

(c) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender and each Issuing Bank to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders and the Issuing Banks, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent, the Collateral Agent and each of their agents and counsel, and any other amounts due the Administrative Agent and Collateral Agent under Sections 2.11, 10.2 and 10.3. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Administrative Agent, Collateral Agent and each of their agents and counsel, and any other amounts due to the Administrative Agent and Collateral Agent under Sections 2.11, 10.2 and 10.3 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders or the Issuing Banks may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent and/or Collateral Agent, at the direction of the Requisite Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the U.S. Bankruptcy Code, including under Sections 363, 1123 or 1129 thereof, or any similar laws in any other jurisdictions to which a Credit Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent and/or Collateral Agent (whether by judicial action or otherwise) in accordance with any applicable law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid

(i) the Administrative Agent and the Collateral Agent (or any designee thereof) shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent or Collateral Agent (or any designee thereof) with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Requisite Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Requisite Lenders contained Section 10.5), (iii) the Administrative Agent and Collateral Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders pro rata and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action

9.11. Intercreditor Agreements. Each Lender hereby (a) acknowledges that it has received a copy of the forms of the Intercreditor Agreements, (b) agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreements to the extent then in effect, (c) authorizes and instructs the Administrative Agent to enter into each Intercreditor Agreement as Administrative Agent and on behalf of such Lender and ~~consents to any subordination of liens therein and~~ (d) authorizes and instructs the Collateral Agent to enter into each Intercreditor Agreement as Collateral Agent and on behalf of such Lender ~~and consents to any subordination of liens therein~~.

9.12. Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender, Issuing Bank or Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (any such Lender, Issuing Bank, Secured Party or other recipient (and each of their respective successors and assigns), a "**Payment Recipient**") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank, Secured Party or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "**Erroneous Payment**") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated

below in this Section 9.12 and held in trust for the benefit of the Administrative Agent, and such Lender, Issuing Bank or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Bank, Secured Party or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, Issuing Bank or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, Issuing Bank or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.12(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 9.12(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 9.12(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender, Issuing Bank or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, Issuing Bank or Secured Party under any Credit Document, or otherwise payable or distributable by the Administrative Agent to such Lender, Issuing Bank or Secured Party under any Credit Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under the immediately preceding clause (a).

(d) [reserved]

~~(i) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "**Erroneous Payment Return Deficiency**"), upon the Administrative Agent's notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the "**Erroneous Payment Impacted Class**") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "**Erroneous Payment Deficiency Assignment**") (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance)), and is hereby (together with the Borrowers) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Approved Electronic Communication as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the Borrowers or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender, (D) the Administrative Agent and the Borrowers shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment and (E) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender~~

and such Commitments shall remain available in accordance with the terms of this Agreement.

(ii) Subject to Section 10.6 (but excluding, in all events, any assignment consent or approval requirements (whether from the Borrowers or otherwise)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender, Issuing Bank or Secured Party, to the rights and interests of such Lender, Issuing Bank or Secured Party, as the case may be) under the Credit Documents with respect to such amount (the "**Erroneous Payment Subrogation Rights**") (provided that the Credit Parties' Obligations under the Credit Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrowers or any other Credit Party; provided that this Section 9.12 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrowers relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrowers for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment

received, including, without limitation, any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 9.12 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Credit Document.

In the event that any Public Lender has determined for itself to not access any information disclosed through the Platform or otherwise, such Public Lender acknowledges that (i) other Lenders may have availed themselves of such information and (ii) neither the Company nor the Administrative Agent has any responsibility for such Public Lender's decision to limit

the scope of the information it has obtained in connection with this Agreement and the other Credit Documents.

be modified to reflect any Commitment of such assignee and any ~~Revolving~~ Commitment of such assigning Lender, if any; and (iv) if any such assignment occurs after the issuance of any Note hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender its applicable Notes to the Company for cancellation, and thereupon the Company shall issue and deliver new Notes, if so requested by the assignee and/or assigning Lender, to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new ~~Revolving~~ Commitments and/or outstanding Loans of the assignee and/or the assigning Lender.

(g) Participations.

Each Lender that sells a participation pursuant to this Section 10.6(g) shall, acting ~~solely for U.S. federal income tax purposes~~ as a non-fiduciary agent of the Company, maintain a register on which it records the name and address of each participant to which it sells a participation and the principal amounts of (and stated interest on) each participant's participation interest with respect to the Loans (each, a "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any participant or any information relating to a participant's interest in any Commitments, Loans or its other obligations under this Agreement) except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. Unless otherwise required by the Internal Revenue Service, any disclosure required by the foregoing sentence shall be made by the relevant Lender directly and solely to the Internal Revenue Service. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of a participation with respect to the Loans for all purposes under this Agreement, notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(ii) The holder of any such participation, other than an Affiliate of the Lender granting such participation, shall not be entitled to require such Lender to take or omit to take any action hereunder except with respect to any amendment, modification or waiver that would (A) extend the final scheduled maturity of any Loan, Note or Letter of Credit (unless such Letter of Credit is not extended beyond the ~~Revolving Commitment~~LC Facility Termination Date) in which such participant is participating, or reduce the rate or extend the time of payment of interest or fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Commitment shall not constitute a change in the terms of such participation, and that an increase in any

Commitment or Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (B) consent to the assignment or transfer by any Credit Party of any of its rights and obligations under this Agreement or (C) release all or substantially all of the Collateral under the Collateral Documents or all or substantially all of the Guarantors from the Guaranty (in each case, except as expressly provided in the Credit Documents) supporting the Loans hereunder in which such participant is participating.

(iii) The Company agrees that each participant shall be entitled to the benefits of Sections 2.18(c), 2.19 and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (c) of this Section; provided, ~~(x)~~ a participant shall not be entitled to receive any greater payment under Section 2.19 or 2.20 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after such participant acquired the participation or unless the sale of the participation to such participant is made with the Company's prior written consent (not to be unreasonably withheld or delayed) ~~and (y) a participant that would be a Non-US Lender if it were a Lender shall not be entitled to the benefits of Section 2.20 unless the Company is notified of the participation sold to such participant and such participant agrees, for the benefit of the Company, to comply with Section 2.20 as though it were a Lender~~; provided further that, except as specifically set forth in clauses (x) and (y) of this sentence, nothing herein shall require any notice to the Company or any other Person in connection with the sale of any participation. To the extent permitted by law, each participant also shall be entitled to the benefits of Section 10.4 as though it were a Lender, provided such participant agrees to be subject to Section 2.17 as though it were a Lender.

Each party hereto hereby agrees that (x) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrowers under this Agreement; provided that each SPC shall be entitled to the benefits of Sections 2.18(c), 2.19 and 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (c) of this Section; provided further, that an SPC shall not be entitled to receive any greater payment under Section 2.19 or 2.20 than the applicable Granting Lender would have been entitled to receive with respect to the granted Loans, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the date of such grant or unless such grant is made with the Company's prior written consent (not to be unreasonably withheld or delayed), (y) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (z) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Credit Document, remain the Lender hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary herein, any SPC may (1) with notice to, but without prior consent of the Borrowers, the Administrative Agent, or any Issuing Bank, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (2) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

The Administrative Agent shall not be responsible for, or have any liability in connection with maintaining, updating, monitoring or enforcing the restrictions on assignments or participations to Disqualified Lenders.

~~(j) Assignments to Sponsor Affiliated Lenders. So long as no Default or Event of Default has occurred and is continuing or would result therefrom, each Lender shall have the right at any time to sell, assign or transfer all or a portion of its Revolving Commitment or Revolving Loans owing to it (provided, however, that each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Revolving Loan and any related Revolving Commitments) to any Sponsor Affiliated Lender through open market purchases, in each case subject to the following additional limitations:~~

(i) such Sponsor Affiliated Lender shall make a representation that, as of the date of any such purchase and the effective date of any Affiliate Assignment Agreement, it is not in possession of any information regarding the Company, its Subsidiaries or its Affiliates, or their assets, the Borrowers' ability to perform the Obligations or any other matter that may be material to a decision by any Lender to enter into any Affiliate Assignment Agreement or any of the transactions contemplated thereby that has not previously been disclosed to the Administrative Agent and the Private Lenders;

(ii) the aggregate principal amount of Revolving Commitments and Revolving Loans held at any one time by Sponsor Affiliated Lenders may not exceed (x) prior to October 26, 2017, $0.00 and (y) on or after October 26, 2017, the lesser of (A) $15.0 million and (B) the difference between (1) $60.0 million and (2) the aggregate principal amount of Revolving Commitments and Revolving Loans held at such time by all Lenders who are not Sponsor Affiliated Lenders;

(iii) the assigning Lender and the Sponsor Affiliated Lender purchasing such Lender's Revolving Commitments or Revolving Loans shall execute and deliver to the Administrative Agent an Affiliate Assignment Agreement, together with an Administrative Questionnaire and such forms, certificates or other evidence, if any, with respect to United States federal income tax withholding matters as the assignee under such Affiliate Assignment Agreement may be required to deliver pursuant to Section 2.20(c), together with payment to the Administrative Agent of a registration and processing fee of $3,500;

(iv) each Sponsor Affiliated Lender, solely in its capacity as a Lender, hereby agrees, and each Affiliate Assignment Agreement shall provide, that such Sponsor Affiliated Lender shall have no right whatsoever so long as such Person is a Sponsor Affiliated Lender:

(A) to vote with respect to any amendment, modification, waiver, consent or other such action with respect to any of the terms of this Agreement or any other Credit Document and that it shall be deemed to have voted its interest as a Lender without discretion in the same proportion as the allocation of voting with respect to such matter by Lenders who are not Sponsor Affiliated Lenders; provided that, notwithstanding the foregoing, (x) such Sponsor Affiliated Lender shall be permitted to vote if such amendment, modification, waiver, consent or other such action disproportionately affects such Sponsor Affiliated Lender in its capacity as a Lender as compared to other Lenders, (y) no amendment, modification, waiver, consent or other action shall, without the consent of such Sponsor Affiliated Lender, deprive any Sponsor Affiliated Lender of its share of any payments which the Lenders are entitled to share on a pro rata basis hereunder and (z) such Sponsor Affiliated Lender shall be permitted to vote if such amendment, modification, waiver, consent or other such action would increase the Revolving Commitment of such Sponsor Affiliated Lender, extend or

postpone the final maturity, reduce the principal, interest or fees or release all or substantially all the value of the Guaranties or to release Liens on all or substantially all of the Collateral, in each case, with respect to the Revolving Commitment and/or Revolving Loans of such Sponsor Affiliated Lender;

(B) to attend (or receive any notice of) any meeting, conference call or correspondence with the Administrative Agent or any Lender or receive any information from Administrative Agent or any other Lender (other than notices of borrowings, prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Section 2); or

(C) to make or bring any claim, in its capacity as a Lender, against the Administrative Agent, any other Agent or any Lender with respect to the duties and obligations of such Persons under the Credit Documents;

(v) each Sponsor Affiliated Lender, solely in its capacity as a Lender, hereby further agrees, and each Affiliate Assignment Agreement shall provide a confirmation, that if any Credit Party shall be subject to any voluntary or involuntary proceeding commenced under any Debtor Relief Law:

(A) each Sponsor Affiliated Lender shall not take any step or action (whether directly or indirectly) in such proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Administrative Agent (or the taking of any action by a third party that to which the Administrative Agent has consented with respect to any disposition of assets by the Credit Parties or any equity or debt financing to be made to a Credit Party), including, without limitation, the filing of any pleading by the Administrative Agent) in (or with respect to any matters related to) the proceeding so long as the Administrative Agent is not taking any action to treat such Sponsor Affiliated Lender's Loans in a manner that is less favorable to such Sponsor Affiliated Lender in any material respect than the proposed treatment of similar Obligations held by other Lenders (including, without limitation, objecting to any debtor-in-possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise or plan of reorganization);

(B) the provisions set forth in this Section 10.6(j), and the related provisions set forth in each Affiliate Assignment Agreement, constitute (x) a "subordination agreement" as such term is contemplated by, and utilized in, Section 510(a) of the Bankruptcy Code (or any analogous provision of other Debtor Relief Laws), and, as such, would be enforceable for all purposes in any case where a Credit Party has filed for protection under any Debtor Relief Laws and affecting the rights of creditors generally applicable to such Credit Party and (y) an irrevocable

voting proxy coupled with a pledge in favor of the Administrative Agent with respect to voting obligations set forth in this Section 10.6(j), and the related provisions set forth in each Affiliate Assignment Agreement;

(C) each Sponsor Affiliated Lender shall support and shall not object to (x) any use of cash collateral (including, without limitation, any and all terms of any cash collateral order) and/or any debtor-in-possession financing (including, without limitation, any and all terms of any financing agreement, related documents and financing order) that is supported by or consented to by the Administrative Agent and (y) any sale of any assets of the Credit Parties, whether under Section 363 of the Bankruptcy Code (or any analogous provision of other Debtor Relief Laws) or otherwise, that is supported by or consented to by the Administrative Agent (including, without limitation, the terms and conditions of any bidding procedures orders, sale orders and any and all purchase and sale agreements and related documents);

(D) each Sponsor Affiliated Lender shall be deemed to have voted in such proceedings in the same proportion as the allocation of voting with respect to such matter by those Lenders who are not Sponsor Affiliated Lenders, except to the extent that any plan under the Bankruptcy Code or any other Debtor Relief Law proposes to treat the Obligations held by such Sponsor Affiliated Lender in a manner that is less favorable to such Sponsor Affiliated Lender in any material respect than the proposed treatment of similar Obligations held by other Lenders. For the avoidance of doubt, except to the extent that any plan under the Bankruptcy Code or any other Debtor Relief Law proposes to treat the Obligations held by a Sponsor Affiliated Lender in a manner that is less favorable to such Sponsor Affiliated Lender in any material respect than the proposed treatment of similar Obligations held by other Lenders, the Administrative Agent is hereby irrevocably authorized and empowered (in the name of such Sponsor Affiliated Lender) to vote on behalf of such Sponsor Affiliated Lender or consent on behalf of such Sponsor Affiliated Lender in any such proceedings with respect to any and all claims of such Sponsor Affiliated Lender relating to the Obligations. Each Sponsor Affiliated Lender agrees and acknowledges that the foregoing constitutes an irrevocable proxy in favor of the Administrative Agent to vote or consent on behalf of such Sponsor Affiliated Lender in any proceeding in the manner set forth above and that such Sponsor Affiliated Lender shall be irrevocably bound to any such votes made or consents given and further shall not challenge or otherwise object to such votes or consents and shall not itself vote or provide consents in the proceeding; and

(E) each Sponsor Affiliated Lender hereby expressly and irrevocably waives, for the benefit of the Administrative Agent and the Lenders, any principles or provisions of law (including as set forth in any Debtor Relief Law, statutory or otherwise) which are or might be in

~~conflict with the terms of this Agreement and any legal or equitable discharge of such Sponsor Affiliated Lender's obligations hereunder.~~

(j) ~~(k)~~ Assignments ~~by~~to Sponsor Affiliated Lenders. ~~In connection with any sale,~~Notwithstanding anything to the contrary, no assignment or ~~transfer of Revolving~~participation of Commitments or ~~Revolving~~ Loans ~~by a~~to any Sponsor Affiliated Lender~~:~~ shall be permitted.

(k) [Reserved].

~~(i) such Sponsor Affiliated Lender shall make a representation that, as of the effective date of any such Affiliate Assignment Agreement, it is not in possession of any information regarding the Company, its Subsidiaries or its Affiliates, or their assets, Borrower's ability to perform its Obligations or any other matter that may be material to a decision by any Lender to enter into any Affiliate Assignment Agreement or any of the transactions contemplated thereby that has not previously been disclosed to Administrative Agent and the Lenders; and~~

~~(ii) the Sponsor Affiliated Lender selling Revolving Loans or Revolving Commitments and such assignee shall execute and deliver to Administrative Agent an Affiliate Assignment Agreement, together with an Administrative Questionnaire and such forms, certificates or other evidence, if any, with respect to United States federal income tax withholding matters as the assignee under such Affiliate Assignment Agreement may be required to deliver pursuant to Section 2.20(c), together with payment to the Administrative Agent of a registration and processing fee of $3,500.~~

10.7. Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

10.8. Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Credit Party set forth in Sections 2.18(c), 2.19, 2.20, 10.2, 10.3 and 10.4 and the agreements of Lenders set forth in Sections 2.17, 9.3(b) and 9.6 shall survive the payment of the Loans, the cancellation or expiration of (without any pending drawing on) the Letters of Credit without any pending drawing thereon and the reimbursement of any amounts drawn thereunder, and the termination hereof.

10.9. No Waiver; Remedies Cumulative. No failure or delay on the part of any Agent, ~~the Swing Line Lender,~~ any Issuing Bank, or any Lender in the exercise of any power, right or privilege hereunder or under any other Credit Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each

Agent, ~~the Swing Line Lender,~~ each Issuing Bank and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Credit Documents or any of the Hedge Agreements. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

10.10. Marshalling; Payments Set Aside. None of the Agents, ~~the Swing Line Lender,~~ any Issuing Bank, nor any Lender shall be under any obligation to marshal any assets in favor of any Credit Party or any other Person or against or in payment of any or all of the Obligations. 10.11. Severability. In case any provision in or obligation hereunder or under any other Credit Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

10.12. Obligations Several; Independent Nature of Lenders' Rights. The obligations of Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Credit Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a Joint Venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

10.13. Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

Each Agent and each Lender (which term shall for the purposes of this Section 10.17 include the Issuing Banks) shall hold all non-public information regarding the Company, ~~the Company~~BIMLP and their respective Subsidiaries, Affiliates and their businesses identified as such by the Company and obtained by such Agent or such Lender pursuant to the requirements hereof in accordance with such Agent's and such Lender's customary procedures for handling confidential information of such nature, it being understood and agreed by the Company that, in any event, the Administrative Agent may disclose such information to the Lenders and each Agent and each Lender and each Agent may make (i) disclosures of such information to Affiliates of such Lender or Agent and to their respective officers, directors, partners, members, employees, legal counsel, independent auditors and other advisors, experts or agents who need to know such information and on a confidential basis (and to other Persons authorized by a Lender or Agent to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 10.17), (ii) disclosures of such information reasonably required by any potential or prospective assignee, transferee or participant in connection with the contemplated assignment, transfer or participation of any Loans or any participations therein or by any direct or indirect contractual counterparties (or the professional advisors thereto) to any swap or derivative transaction relating to the Company and its obligations (provided, such assignees, transferees, participants, counterparties and advisors are advised of and agree to be bound by either the provisions of this Section 10.17 or other provisions at least as restrictive as this Section 10.17), (iii) disclosure on a confidential basis to any Rating Agency when required by it, (iv) disclosure on a confidential basis to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loans, (v) disclosures in

connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, (vi) disclosures made pursuant to the order of any court or administrative agency or in any pending legal or administrative proceeding, or otherwise as required by applicable law or compulsory legal process (in which case such Person agrees to inform the Company promptly thereof to the extent not prohibited by law), (vii) disclosures made upon the request or demand of any regulatory or quasi-regulatory authority purporting to have jurisdiction over such Person or any of its Affiliates and (viii) disclosures with the consent of the Company. In addition, each Agent and each Lender may disclose the existence of this Agreement and the information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement and the other Credit Documents. Notwithstanding anything to the contrary set forth herein, each party (and each of their respective employees, representatives or other agents) may disclose to any and all persons without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement and all materials of any kind (including opinions and other tax analyses) that are provided to any such party relating to such tax treatment and tax structure. However, any information relating to the tax treatment or tax structure shall remain subject to the confidentiality provisions hereof (and the foregoing sentence shall not apply) to the extent reasonably necessary to enable the parties hereto, their respective Affiliates, and their and their respective Affiliates' directors and employees to comply with applicable securities laws. For this purpose, "tax structure" means any facts relevant to the federal income tax treatment of the transactions contemplated by this Agreement but does not include information relating to the identity of any of the parties hereto or any of their respective Affiliates.

10.18. Usury Savings Clause. Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Company shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and the Company to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the Loans made hereunder or be refunded to the Company. Notwithstanding any of the foregoing, if any provision of this Agreement or of any of the other Credit Documents would obligate the Borrower, a Restricted Subsidiary or any other Party to make any payment of interest or any

other amount payable to a Lender that constitutes or is treated as interest under any applicable law in an amount or calculated at a rate which would be prohibited by such applicable law in respect of its being contracted for, charged, made or received, then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate, as the case may be, as would not be so prohibited by any applicable law, such adjustment to be effected, to the extent necessary, as follows: firstly, by reducing the amount or rate of interest required to be paid to such Lender under the applicable Credit Document, and thereafter, by reducing any other amounts required to be paid to such Lender which would constitute or be treated as interest for purposes of the applicable law.

10.19. Effectiveness; Counterparts. This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by the Company and the Administrative Agent of written notification of such execution and authorization of delivery thereof. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Any signature to this Agreement and each other Credit Document may be delivered by facsimile, electronic mail (including pdf) or as any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and electronic signatures or the keeping of records in electronic form shall be valid and effective for all purposes to the fullest extent permitted by applicable law, including having the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Agreement. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by a manually signed original thereof; provided that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

10.20. Entire Agreement. With the exception of those terms contained in Sections 2, 3, 4, 6, 7, and 8 of the Engagement Letter, dated January 22, 2024, among BMO and the Company (the "**Engagement Letter**"), which by the terms of the Engagement Letter remain in full force and effect (such terms the "**Surviving Terms**") all of BMO's and its Affiliates obligations under the Engagement Letter shall terminate and be superseded by the Credit Documents and BMO and its Affiliates shall be released from all liability in connection therewith, including any claim for injury or damages, whether consequential, special, direct, indirect, punitive or otherwise. Except as provided in the prior sentence, this Agreement and the other Credit Documents, and any separate letter agreements with respect to fees payable to any of the Agents, constitute the entire agreement of the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

10.21. PATRIOT Act. Each Lender, each Issuing Bank~~, the Swing Line Lender~~ and each Agent (for itself and not on behalf of any Lender) hereby notifies each Credit Party that pursuant to the requirements of the PATRIOT Act and other Anti-Money Laundering Laws, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will

allow such Lender, such Issuing Bank~~, the Swing Line Lender~~ or such Agent, as applicable, to identify such Credit Party in accordance with the PATRIOT Act and other Anti-Money Laundering Laws.

10.22. Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

10.23. No Fiduciary Duty. Each Agent, each Issuing Bank~~, the Swing Line Lender,~~ each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates. Each Credit Party agrees that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Credit Party, its stockholders or its affiliates, on the other. The Credit Parties acknowledge and agree that (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Credit Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Credit Party, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Credit Party, its stockholders or its Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Credit Party, its management, stockholders, creditors or any other Person. Each Credit Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Credit Party, in connection with such transaction or the process leading thereto.

10.24. Judgment Currency. In respect of any judgment or order given or made for any amount due under this Agreement or any other Credit Document that is expressed and paid in a currency (the "**judgment currency**") other than Dollars, the Credit Parties will indemnify the Administrative Agent, the Collateral Agent any Issuing Bank and any Lender against any loss incurred by them as a result of any variation as between (i) the rate of exchange at which the Dollar amount is converted into the judgment currency for the purpose of such judgment or order and (ii) the rate of exchange, as quoted by the Administrative Agent or by a known dealer in the judgment currency that is designated by the Administrative Agent, at which the Administrative Agent, the Collateral Agent, such Issuing Bank or such Lender is able to purchase Dollars with

the amount of the judgment currency actually received by the Administrative Agent, the Collateral Agent, such Issuing Bank or such Lender. The foregoing indemnity shall constitute a separate and independent obligation of the Credit Parties and shall survive any termination of this Agreement and the other Credit Documents, and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of or conversion into Dollars.

10.25. Contractual Recognition of Bail-In.

(a) Notwithstanding any other term of any Credit Document or any other agreement, arrangement or understanding between the parties hereto, each party hereto acknowledges and accepts that any liability of any party to any other party under or in connection with the Credit Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

10.26. Acknowledgment Regarding Any Supported QFCs. To the extent that the Credit Documents provide support, through a guarantee or otherwise, for Hedge Agreements or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**" and each such QFC a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

Payment of Taxes

1. The Company and the Qikiqtani Inuit Association (QIA), as landlord, have challenged the payment of property taxes on the Mary River Inuit Owned Lands on the basis that no government services are provided in respect of those lands. On September 8, 2021, the majority of the members of the Nunavut Assessment Appeal Tribunal decided that property taxes assessed on the Mary River lands are payable with respect to the assessment years from 2014-2017. QIA, as landlord, is appealing the decision. Assessment years 2018-2024 are being challenged at the Territorial Board of Revision by QIA and the Company.

2. The Company filed reports under the GGPPA commencing in June 2020 in respect of the 2019 calendar year and claimed certain credits in those reports that it determined were available at the time. In 2022, the Company determined there were certain corrections that were required to be made to these reports, and filed a Notice of Error with ECCC in January 2023. ECCC reviewed the NOE in July 2025, and accordingly, the Company filed the corrected reports and must pay approximately $10M by December 15, 2025. and may be subject to collection action if it fails to pay these amounts by the noted deadline. The Company is exploring all available alternatives with its advisors, and has approached the Federal government to be obtain relief for these amounts.

FOR VALUE RECEIVED, **BAFFINLAND IRON MINES CORPORATION** (the "**Company**"), **BAFFINLAND IRON MINES LP** ("**BIMLP**" and, together with the Company, the "**Borrowers**" and each, a "**Borrower**"), and certain Subsidiaries of the Company (collectively, the **"Group Members"** and each, a **"Group Member"**) which is a party to this subordinated intercompany note (this "**Promissory Note**") promises to pay to the order of such other Group Member as it makes loans to such Group Member (each Group Member which borrows money pursuant to this Promissory Note is referred to herein as a "**Payor**" and each Group Member which makes loans and advances pursuant to this Promissory Note is referred to herein as a **"Payee"**), on demand, in lawful money as may be agreed upon from time to time by the relevant Payor and Payee, in immediately available funds and at the appropriate office of the Payee, the aggregate unpaid principal amount of all loans and advances heretofore and hereafter made by such Payee to such Payor and any other Indebtedness now or hereafter owing by such Payor to such Payee as shown either on Schedule A attached hereto (and any continuation thereof) or in the books and records of such Payee. The failure to show any such Indebtedness or any error in showing such Indebtedness shall not affect the obligations of any Payor hereunder. Capitalized terms used herein but not otherwise defined herein shall have the meanings given such terms in the ~~Revolving~~ Credit Agreement, dated as of May 26, 2017 (as it may be amended, supplemented or otherwise modified, the "**Credit Agreement**"; the terms defined therein and not otherwise defined herein being used herein as therein defined), by and among the Company, BIMLP, the Lenders party thereto from time to time, ~~**GOLDMAN SACHS LENDING PARTNERS LLC**, as Syndication Agent,~~**ALTER DOMUS (US) LLC**, as Administrative Agent and **WILMINGTON TRUST, NATIONAL ASSOCIATION**, as ~~Administrative Agent and~~ Collateral Agent~~, and the other agents and arrangers party thereto~~.

The unpaid principal amount hereof from time to time outstanding shall bear interest at a rate equal to the rate as may be agreed upon in writing from time to time by the relevant Payor and Payee. Interest shall be due and payable at such times as may be agreed upon from time to time by the relevant Payor and Payee. Upon demand for payment of any principal amount hereof, accrued but unpaid interest on such principal amount shall also be due and payable. Interest shall be paid in any lawful currency as may be agreed upon by the relevant Payor and Payee and in immediately available funds. Interest shall be computed for the actual number of days elapsed on the basis of a year consisting of 365 days.

Each Payor and any endorser of this Promissory Note hereby waives presentment, demand, protest and notice of any kind. No failure to exercise, and no delay in exercising, any rights hereunder on the part of the holder hereof shall operate as a waiver of such rights.

This Promissory Note has been pledged by each Payee that is a Credit Party to the Collateral Agent, for the benefit of the Secured Parties, as security for such Payee's obligations, if any, under the Credit Documents to which such Payee is a party. Each Payor acknowledges

and agrees that after the occurrence of and during the continuation of an Event of Default (as defined in the Credit Agreement), the Collateral Agent and the other Secured Parties may exercise all the rights of each Payee that is a Credit Party under this Promissory Note and will not be subject to any abatement, reduction, recoupment, defense, setoff or counterclaim available to such Payor.

Each Payee agrees that any and all claims of such Payee against any Payor that is a Credit Party or any endorser of this Promissory Note, or against any of their respective properties, shall be subordinate and subject in right of payment to the Secured Obligations (as defined in the Pledge and Security Agreement) until all of the Secured Obligations have been performed and paid in full (other than contingent indemnification obligations not due and payable) and all commitments to extend credit under any Credit Document have been terminated; provided, that each Payor that is a Credit Party may make payments to the applicable Payee so long as no Event of Default shall have occurred and be continuing; and provided, further, that all loans and advances made by a Payee pursuant to this Promissory Note shall be received by the applicable Payor subject to the provisions of the Credit Documents. Notwithstanding any right of any Payee to ask, demand, sue for, take or receive any payment from any Payor, all rights, Liens and security interests of such Payee, whether now or hereafter arising and howsoever existing, in any assets of any Payor (whether constituting part of the security or collateral given to any Secured Party to secure payment of all or any part of the Secured Obligations or otherwise) shall be and hereby are subordinated to the rights of the Secured Parties in such assets. Except as expressly permitted by the Credit Documents, the Payees shall have no right to possession of any such asset or to foreclose upon, or exercise any other remedy in respect of, any such asset, whether by judicial action or otherwise, unless and until all of the Secured Obligations shall have been performed and paid in full (other than contingent indemnification obligations not due and payable) and all commitments have been expired or terminated.

After the occurrence of and during the continuation of an Event of Default, if all or any part of the assets of any Payor, or the proceeds thereof, are subject to any distribution, division or application to the creditors of any Payor, whether partial or complete, voluntary or involuntary, and whether by reason of liquidation, bankruptcy, arrangement, receivership, assignment for the benefit of creditors or any other action or proceeding, or if the business of any Payor is dissolved or if (except as expressly permitted by the Credit Documents) all or substantially all of the assets of any Payor are sold, then, and in any such event, any payment or distribution of any kind or character, whether in cash, securities or other investment property, or otherwise, which shall be payable or deliverable upon or with respect to any indebtedness of such Payor to any Payee ("**Payor Indebtedness**") shall be paid or delivered directly to the Collateral Agent for application to any of the Secured Obligations, due or to become due, until the date on which the Secured Obligations shall have been performed and paid in full (other than contingent indemnification obligations not due and payable), no letters of credit shall be outstanding under any Credit Documents (unless backstopped or cash collateralized at the Minimum Collateral Amount of the stated amount thereof) and all commitments to extend credit under any Credit Document shall have expired or been terminated. After the occurrence of and during the continuation of an Event of Default, each Payee that is a Credit Party irrevocably authorizes, empowers and appoints the Collateral Agent as such Payee's attorney-in-fact (which appointment is coupled with an interest and is irrevocable) to demand, sue for, collect and receive every such payment or distribution and give acquittance therefor and to make and present

for and on behalf of such Payee such proofs of claim and take such other action, in the Collateral Agent's own names or in the name of such Payee or otherwise, as the Collateral Agent may deem necessary or advisable for the enforcement of this Promissory Note. After the occurrence of and during the continuation of an Event of Default, each Payee that is a Credit Party also agrees to execute, verify, deliver and file any such proofs of claim in respect of the Payor Indebtedness requested by the Collateral Agent. After the occurrence of and during the continuation of an Event of Default, the Collateral Agent may vote such proofs of claim in any such proceeding (and the applicable Payee shall not be entitled to withdraw such vote), receive and collect any and all dividends or other payments or disbursements made on Payor Indebtedness in whatever form the same may be paid or issued and apply the same on account of any of the Secured Obligations in accordance with the Credit Agreement. Upon the occurrence and during the continuation of any Event of Default, should any payment, distribution, security or other investment property or instrument or any proceeds thereof be received by any Payee that is a Credit Party upon or with respect to Payor Indebtedness owing to such Payee prior to such time as the Secured Obligations have been performed and paid in full (other than contingent indemnification obligations not due and payable), no letters of credit are outstanding under any Credit Documents (unless backstopped or cash collateralized at the Minimum Collateral Amount of the stated amount thereof) and all commitments to extend credit under any Credit Document have expired or been terminated, such Payee that is a Credit Party shall receive and hold the same for the benefit of the Secured Parties, and shall forthwith deliver the same to the Collateral Agent, for the benefit of the Secured Parties, in precisely the form received (except for the endorsement or assignment of such Payee where necessary or advisable in the Collateral Agent's judgment), for application to any of the Secured Obligations in accordance with the Credit Agreement, due or not due, and, until so delivered, the same shall be segregated from the other assets of such Payee for the benefit of the Secured Parties. Upon the occurrence and during the continuance of an Event of Default, if such Payee fails to make any such endorsement or assignment to the Collateral Agent, the Collateral Agent or any of its officers, employees or representatives are hereby irrevocably authorized to make the same. Each Payee that is a Credit Party agrees that until the Secured Obligations have been performed and paid in full (other than contingent indemnification obligations not due and payable), no letters of credit are outstanding under any Credit Document (unless backstopped or cash collateralized at the Minimum Collateral Amount of the stated amount thereof) and all commitments to extend credit under any Credit Document have expired or been terminated, such Payee will not (i) assign or transfer, or agree to assign or transfer, to any Person (other than in favor of the Collateral Agent for the benefit of the Secured Parties pursuant to the Pledge and Security Agreement or otherwise) any claim such Payee has or may have against any Payor, (ii) upon the occurrence and during the continuance of an Event of Default, discount or extend the time for payment of any Payor Indebtedness, or (iii) otherwise amend, modify, supplement, waive or fails to enforce any provision of this Promissory Note.

The Secured Parties shall be third party beneficiaries hereof and shall be entitled to enforce the subordination and other provisions hereof.

Notwithstanding anything to the contrary contained herein, in any other Credit Document or in any such promissory note or other instrument, this Promissory Note shall not be deemed replaced, superseded or in any way modified by any promissory note or other instrument entered

into on or after the date hereof which purports to create or evidence any loan or advance by any Group Member to any other Group Member.

THIS PROMISSORY NOTE AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK.

Upon execution and delivery after the date hereof by any Subsidiary of any Group Member of a counterpart signature hereto, such subsidiary shall become a Group Member hereunder with the same force and effect as if originally named as a Group Member hereunder (each additional Subsidiary, an "**Additional Group Member**"). Each Group Member expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Group Member hereunder. This Promissory Note shall be fully effective as to any Additional Group Member that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Group Member hereunder.

This Promissory Note may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(a) Prior to the earlier of the Discharge of Pari Passu Obligations and the Non-Controlling Authorized Representative Enforcement Date, the Collateral Agent shall refrain from taking any action to exercise any rights hereunder and under the Priority Security Documents, the Pari Passu Documents or otherwise with respect to any Shared Collateral unless it is instructed to do so (i) by each Authorized Representative of each Series of Pari Passu Obligations or (ii) in the event that the Collateral Agent has not received instructions from each Authorized Representative for each Series of Pari Passu Obligations, or the Collateral Agent has received conflicting instructions from such Authorized Representatives, by the Controlling Pari Passu Secured Parties in accordance with clause (b) below, as the case may be (any such instructing party or parties, the "**Directing Pari Passu Parties**").

(b) If clause (a)(ii) above shall apply, the Collateral Agent shall act at the direction of the Controlling Pari Passu Secured Parties, voting as a single class, and may promptly provide the Authorized Representatives of the Pari Passu Secured Parties with a request for instructions in writing from the Pari Passu Secured Parties as to enforcement actions to be taken, setting forth procedures for providing such instructions, and each Authorized Representative of each Series of Pari Passu Secured Parties shall forward such request to each of the holders of such Pari Passu Obligations, to the extent required by the terms of the agreements governing such Pari Passu Obligations. (c) If less than the Controlling Pari Passu Secured Parties have instructed the Collateral Agent to take enforcement action pursuant to clause (b) above, then the Collateral Agent shall hold, administer, preserve and protect the Shared Collateral in accordance with the terms of Section 5.17 and shall not take enforcement action unless and until the Controlling Pari Passu Secured Parties instruct the Collateral Agent in writing to take such action; provided that, the Collateral Agent shall not be obligated to take any action that is contrary to applicable Law in any applicable jurisdiction or for which it has not been indemnified to its satisfaction.

(d) The Collateral Agent shall refrain from taking any action to exercise any rights hereunder and under the Priority Security Documents or otherwise with respect to any Shared Collateral unless it is instructed to do so (A) at any time after the Discharge of Pari Passu Obligations, (i) by each Authorized Representative for each Series of Priority Obligations or (ii) in the event the Collateral Agent has not received instructions from each Authorized Representative for each Series of Priority Secured Obligations, or the Collateral Agent has received conflicting instructions from such Authorized Representatives, by the Controlling Priority Secured Parties in accordance with clause (e) below, as the case may be (any such instructing party or parties, the "**Directing Priority Parties**") and (B) prior to the Discharge of Pari Passu Obligations but after the Non-Controlling Authorized Representative Enforcement Date, by the Priority Controlling Authorized Representative, in each case along with

indemnity satisfactory to the Collateral Agent against any losses, liabilities or expenses that may be incurred by it.

(e) If clause (d)(A)(ii) above shall apply, the Collateral Agent shall act at the direction of the Controlling Priority Secured Parties, voting as a single class, and may promptly provide the Authorized Representatives of the Priority Secured Parties with a request for instructions in writing from the Priority Secured Parties as to enforcement actions to be taken, setting forth procedures for providing such instructions, and each Authorized Representative of each Series of Priority Secured Parties shall forward such request to each of the holders of such Priority Obligations. Each Authorized Representative agrees to cooperate fully with the Collateral Agent to administer any solicitation of instructions from the Priority Secured Parties and to take all action as reasonably requested by the Collateral Agent in connection therewith.

(f) If less than the Controlling Priority Secured Parties have instructed the Collateral Agent to take enforcement action pursuant to clause (e) above, then the Collateral Agent shall hold, administer, preserve and protect the Shared Collateral in accordance with the terms of Section 5.17 and shall not take enforcement action unless and until the Controlling Priority Secured Parties instruct the Collateral Agent in writing to take such action; provided that, the Collateral Agent shall not be obligated to take any action that is contrary to applicable Law in any applicable jurisdiction or for which it has not been indemnified to its satisfaction.

(g) Each of the Authorized Representatives agrees that it will not accept any Lien on any Collateral for the benefit of any Priority Obligations or Pari Passu Obligations (other than Liens on cash collateral securing Letters of Credit (as defined in the Priority Documents, as applicable) created under the Priority Documents, funds deposited for the discharge or defeasance of any Pari Passu Obligations and any rights of set-off under the Secured Documents for any Priority Obligations) other than pursuant to the Priority Documents and the Pari Passu Documents, as applicable, and by executing this Agreement (or a Joinder Agreement), each Authorized Representative, on behalf of itself and the relevant Secured Parties, agrees to be bound by the provisions of this Agreement and the other Secured Documents applicable to it.

(h) Each of the Priority Secured Parties and Pari Passu Secured Parties agrees that it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity or enforceability of a Lien held by or on behalf of any of the Priority Secured Parties or the Pari Passu Secured Parties in all or any part of the Collateral, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Collateral Agent or any Authorized Representative to enforce this Agreement.

SECTION 2.03. **No Interference; Payment Over**.

(a) Each Authorized Representative, on behalf of itself and the relevant Secured Parties, agrees that (i) it will not challenge or question in any proceeding the validity or enforceability of any Priority Obligations or any Priority Document or the validity, attachment, perfection or priority of any Lien under any Priority Security Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement, (ii) it will not challenge or question in any proceeding the validity or enforceability of any Pari Passu Obligations or any Pari Passu Document or the validity, attachment, perfection or priority of any Lien under any Pari Passu Security Document, (iii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Collateral Agent, (iv) except as provided in Section 2.02, it

shall have no right to (A) direct the Collateral Agent or any other Priority Secured Party or Pari Passu Secured Party to exercise any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement other than this Agreement) or (B) consent to the exercise by the Collateral Agent or any other Priority Secured Party or Pari Passu Secured Party of any right, remedy or power with respect to any Shared Collateral, (v) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Collateral Agent or any other Priority Secured Party or Pari Passu Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and none of the Collateral Agent, any Authorized Representative or any other Priority Secured Party or Pari Passu Secured Party shall be liable for any action taken or omitted to be taken by the Collateral Agent, such Authorized Representative or such other Secured Party with respect to such Shared Collateral in accordance with the provisions of this Agreement, (vi) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Shared Collateral and (vii) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of the Collateral Agent, any Authorized Representative or any other Priority Secured Party or Pari Passu Secured Party to enforce this Agreement.

(b) Each Authorized Representative, on behalf of itself and the relevant Secured Parties agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral (other than from a distribution in accordance with the provisions of Section 2.01), pursuant to any Secured Document or by the exercise of any rights available to it under applicable Law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement other than this Agreement), at any time prior to the Discharge of each of the Priority Obligations and Pari Passu Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other Secured Parties and promptly transfer such Shared Collateral, proceeds or payment, as the case may be, to the Collateral Agent, to be distributed in accordance with the provisions of Section 2.01 hereof.

SECTION 2.04. **Automatic Release of Liens; Amendments to Security Documents**.

(a) If, at any time the Collateral Agent forecloses upon or otherwise exercises remedies against any Shared Collateral, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the Collateral Agent for the benefit of the Secured Parties on such Shared Collateral will automatically be released and discharged; provided that any Proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01 hereof.

(b) Each Authorized Representative, on behalf of itself and the relevant Secured Parties, agrees that the Collateral Agent may enter into any amendment (and, upon request by the Collateral Agent, each Authorized Representative shall sign a consent to such amendment) to any Security Document, so long as the Collateral Agent and such Authorized Representative receives a certificate of the Company and an Opinion of Counsel each stating that such amendment is permitted by the terms of this Agreement and each then-extant Secured Document and that all conditions precedent thereto have been satisfied. Additionally, (i) each Priority Secured Party agrees that the Collateral Agent may enter into any amendment (and each Authorized Representative shall sign a consent to such amendment if requested) to any Priority Security Document solely as such Priority Security Document relates to a particular Series of Priority Obligations so long as (x) such amendment is in accordance with the Priority Document pursuant to which such Priority Obligations were incurred and (y) such amendment does not adversely affect the Secured Parties of any other Series and (ii) each Pari Passu

Secured Party agrees that the Collateral Agent may enter into any amendment (and each Authorized Representative shall sign a consent to such amendment if requested) to any Pari Passu Security Document solely as such Pari Passu Security Document relates to a particular Series of Pari Passu Obligations so long as (x) such amendment is in accordance with the Pari Passu Document pursuant to which such Pari Passu Obligations were incurred and (y) such amendment does not adversely affect the Secured Parties of any other Series.

(c) Each Authorized Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such acknowledgments, consents, confirmations, authorizations and other instruments as shall reasonably be requested by the Collateral Agent to evidence and confirm any release of Shared Collateral or amendment to any Security Document provided for in this Section.

SECTION 2.05. **Certain Agreements With Respect to Bankruptcy or Insolvency Proceedings**. This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under any Debtor Relief Law by or against the Company, the Co-Issuer or any other Grantor.

SECTION 2.06. **Reinstatement**. In the event that any of the Secured Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under the Bankruptcy Code, or any similar Debtor Relief Law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such Secured Obligations shall again have been paid in full in cash.

SECTION 2.07. **Insurance**. As among the Priority Secured Parties, the Pari Passu Secured Parties and any combination thereof, the Collateral Agent, acting at the direction of the Controlling Authorized Representative, shall have the right, subject to the rights of the Grantors under the Secured Documents, to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

SECTION 2.08. **Refinancings**. The Secured Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit such Refinancing under each applicable Secured Document) of any Secured Party of any other Series of Secured Obligations, all without affecting the priorities provided for herein or the other provisions hereof; provided that if any obligations of the Grantors in respect of such Refinancing indebtedness shall be secured by Liens on any Shared Collateral, then such obligations and the holders thereof shall be subject to and bound by the provisions of this Agreement and the Authorized Representative of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness.

SECTION 2.09. **Possessory Collateral Agent as Gratuitous Bailee for Perfection**.

(a) The Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other Priority Secured Party and Pari Passu Secured Party (such bailment being intended, among other things, to satisfy the requirements of (i) Sections 8-301(a)(2) and 9-313(c) of the New York UCC and the UCC of any other applicable jurisdiction and (ii) the PPSA, as applicable) and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Priority Security Documents and Pari Passu Documents, in each case, subject to the terms and conditions

of this Section 2.09. Pending delivery to the Collateral Agent, each Authorized Representative agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit of each other Priority Secured Party and Pari Passu Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Priority Security Documents or Pari Passu Documents, in each case, subject to the terms and conditions of this Section 2.09.

(b) The duties or responsibilities of the Collateral Agent and each Authorized Representative under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other Priority Secured Party and each Pari Passu Secured Party for purposes of perfecting the Lien held by such Priority Secured Parties and Pari Passu Secured Parties therein. The Collateral Agent shall not have a fiduciary duty to any Secured Party or Grantor.

ARTICLE III

EXISTENCE AND AMOUNTS OF LIENS AND OBLIGATIONS

Whenever the Collateral Agent or any Authorized Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Priority Obligations or any Pari Passu Obligations, as applicable, or the Shared Collateral subject to any Lien securing any Priority Obligations or any Pari Passu Obligations, as applicable, it may request that such information be furnished to it in writing by the Authorized Representative for the holders of such Priority Obligations or such Pari Passu Obligations, as applicable, and shall be entitled to make such determination on the basis of the information so furnished; provided, however, that if an Authorized Representative shall fail or refuse reasonably promptly to provide the requested information, the requesting Collateral Agent and such Authorized Representative (i) shall have no liability for refusing to take such action until such information is provided and (ii) shall also be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Company. The Collateral Agent and each Authorized Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Priority Secured Party, Pari Passu Secured Party or any other Person as a result of such determination.

ARTICLE IV

THE COLLATERAL AGENT

SECTION 4.01. **Appointment and Authority**.

(a) Each of the Authorized Representatives on behalf of itself and the relevant Secured Parties hereby irrevocably appoints Wilmington Trust, National Association to act on its behalf as the Collateral Agent hereunder and under each of the other Priority Security Documents and the Pari Passu Security Documents and authorizes the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Collateral Agent by the terms hereof or thereof, including for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any Grantor to secure any of the Priority Obligations and the Pari Passu Obligations, as applicable, together with such powers and authority as are reasonably incidental thereto. Without limiting the generality of the

foregoing, the Collateral Agent is hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral, and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and each applicable Security Document. In this connection, the Collateral Agent and any co-agents, sub-agents and attorneys-in-fact appointed by the Collateral Agent pursuant to Section 4.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under any of the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Controlling Authorized Representative), shall be entitled to all the rights, protections, immunities and indemnities granted to it under the Secured Documents and/or Security Documents, including without limitation all provisions of this Article IV, Sections 9, 10.2 and 10.3 of the Credit Agreement, Articles 7 and 10 of the Indenture and the equivalent provision of any Additional Pari Passu Document or any Additional Priority Document (as though such co-agents, sub-agents and attorneys-in-fact were the "Collateral Agent" under the Priority Security Documents and Pari Passu Documents) as if set forth in full herein with respect thereto.

(b) Each Secured Party and each Authorized Representative acknowledges and agrees that the Collateral Agent shall be entitled (but not obligated), for the benefit of the holders of Secured Obligations, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in each applicable Security Document, without regard to any rights to which any Secured Party would otherwise be entitled. Without limiting the foregoing, each Priority Secured Party, Pari Passu Secured Party and each Authorized Representative agrees that none of the Collateral Agent, the Controlling Authorized Representative, any other Priority Secured Party or any other Pari Passu Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the Priority Obligations or Pari Passu Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Priority Obligations or Pari Passu Obligations), in any manner that would contravene the express terms of this Agreement. Each of the Secured Parties waives any claim it may now or hereafter have against the Collateral Agent or the Authorized Representative of any other Series of Secured Obligations, or any other Secured Party arising out of (i) any actions which the Collateral Agent, such Authorized Representative, or such Secured Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the applicable Secured Obligations from any account debtor, guarantor or any other party) in accordance with the applicable Secured Documents or any other agreement related thereto or to the collection of Secured Obligations or the valuation, use, protection or release of any security for such Secured Obligations, (ii) any election by such Authorized Representative, any holders of such Secured Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.05, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of, or order granted pursuant to, any other Debtor Relief Law by, the Company, the Co-Issuer or any of their respective subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Collateral Agent shall not accept any Collateral in full or partial satisfaction of any Secured Obligations pursuant to Section 9-620 of the UCC of any jurisdiction, without the consent of each Authorized Representative on behalf of the relevant Secured Parties for whom such Collateral constitutes Shared Collateral.

(c) Each Secured Party and each Authorized Representative acknowledges and agrees that, upon any other obligations being designated hereunder as Additional Pari Passu Obligations or Additional Priority Obligations, as the case may be, or any other Person becoming an additional Authorized Representative for such Secured Obligations or any other Persons becoming Additional Pari Passu Secured Parties or Additional Priority Secured Parties, as the case may be, the Collateral Agent

will continue to act in its capacity as Collateral Agent in respect of the then existing Authorized Representatives, Priority Secured Parties and Pari Passu Secured Parties and such additional Authorized Representatives, Additional Pari Passu Secured Parties or Additional Priority Secured Parties, as applicable.

SECTION 4.02. **Rights as a Secured Party**.

The Person serving as the Collateral Agent hereunder shall have the same rights and powers in its capacity as a Secured Party of Secured Obligations that it holds as any other Secured Party of such Secured Obligations and may exercise the same as though it were not the Collateral Agent and the term "Secured Party" or "Secured Parties" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Company, the Co-Issuer or any of their respective subsidiaries or other Affiliate thereof as if such Person were not the Collateral Agent hereunder and without any duty to account therefor to any other Secured Party.

SECTION 4.03. **Exculpatory Provisions**.

(a) The Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Secured Documents to which it is a party. Without limiting the generality of the foregoing, as between the Collateral Agent, the other Priority Secured Parties and the other Pari Passu Secured Parties, the Collateral Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby, by the other Security Documents that the Collateral Agent is required to exercise as directed in writing by the applicable Secured Parties; provided that the Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Collateral Agent to liability or risk its own funds unless it has received indemnity satisfactory to the Collateral Agent against such risk or liability or that is contrary to any Security Document (as modified by this Agreement) or applicable Law;

(c) shall not, except as expressly set forth herein, in the other Security Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Affiliates that is communicated to or obtained by the Person serving as the Collateral Agent or any of its Affiliates in any capacity;

(d) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the applicable Secured Parties, (ii) in the absence of its own gross negligence or willful misconduct or (iii) in reliance on a certificate of an authorized officer of the Company and/or an Opinion of Counsel stating that such action is permitted by the terms of this Agreement;

(e) shall be deemed not to have knowledge of any Event of Default under any Series of Secured Obligations unless and until written notice describing such Event of Default is given

to a Responsible Officer (as defined in the Indenture) of the Collateral Agent by the Authorized Representative of such Series of Secured Obligations or the Company;

(f) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Security Document, (ii) the contents of any certificate, report, Opinion of Counsel or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Event of Default or any event that with notice or lapse of time would become an Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by any Security Documents, (v) the value or the sufficiency of any Collateral for any Secured Obligations, or (vi) the satisfaction of any condition set forth in any Secured Document other than to confirm receipt of items expressly required to be delivered to the Collateral Agent;

(g) shall in no event be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; and

(h) shall not be liable for any failure to perfect or maintain the perfection of its security interests, including, without limitation, failure to file or record any financing statements, continuation statements or any other documents or agreements to perfect or maintain the perfection of its security interests.

(b) Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement, to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by the Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by the Collateral Agent, it is understood that in all cases the Collateral Agent shall be fully justified in failing or refusing to take any such action if it shall not have received written instruction, advice or concurrence pursuant to Section 2.02 in respect of such action. The Collateral Agent shall have no liability for any failure or delay in taking any actions contemplated above as a result of a failure or delay on the part of the applicable Secured Parties to provide such instruction, advice or concurrence. This provision is intended solely for the benefit of the Collateral Agent and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

SECTION 4.04. **Reliance by Collateral Agent**.

The Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document, Opinion of Counsel or other writing (including any electronic message, internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. The Collateral Agent may consult with legal counsel (who may be counsel for the Company),

independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in reliance upon the advice of any such counsel, accountants or experts.

SECTION 4.05. **Delegation of Duties**.

The Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder, under any other Security Document by or through any one or more sub-agents or receivers appointed by the Collateral Agent. The Collateral Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Affiliates of the Collateral Agent and any such sub-agent.

SECTION 4.06. **Resignation of Collateral Agent**.

The Collateral Agent may at any time give notice of its resignation as Collateral Agent under this Agreement and the other Security Documents to each Authorized Representative and the Company. Upon receipt of any such notice of resignation, the Controlling Authorized Representative shall have the right, in consultation with and subject to the prior written consent of the Company (such consent not to be unreasonably withheld), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Controlling Authorized Representative and shall have accepted such appointment within 30 days after the retiring Collateral Agent gives notice of its resignation, then the retiring Collateral Agent may, on behalf of the Priority Secured Parties and Pari Passu Secured Parties, appoint a successor Collateral Agent meeting the qualifications set forth above; provided that if the Collateral Agent shall notify the Company and each Authorized Representative that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and (a) the retiring Collateral Agent shall be discharged from its duties and obligations hereunder, under the other Priority Security Documents and Pari Passu Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Priority Secured Parties under any of the Priority Security Documents and the Pari Passu Secured Parties under the Pari Passu Documents, the retiring Collateral Agent shall continue to hold such collateral security solely for purposes of maintaining the perfection of the security interests of the Priority Secured Parties and/or Pari Passu Secured Parties therein until such time as a successor Collateral Agent is appointed but with no obligation to take any further action at the request of the Controlling Authorized Representative, any other Priority Secured Parties or any other Pari Passu Secured Parties, as applicable) and (b) all payments, communications and determinations provided to be made by, to or through the Collateral Agent shall instead be made by or to each Authorized Representative directly, until such time as the Controlling Authorized Representative appoints a successor Collateral Agent as provided for above in this Section. Upon the acceptance of a successor's appointment as Collateral Agent hereunder, under the Priority Security Documents and the Pari Passu Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Collateral Agent, and the retiring Collateral Agent shall be discharged from all of its duties and obligations hereunder, under the other Priority Security Documents and under the Pari Passu Documents (if not already discharged therefrom as provided above in this Section). After the retiring Collateral Agent's resignation hereunder, under the other Priority Security Documents and under the Pari Passu Documents, the provisions of this Article, Sections 9, 10.2 and 10.3 of the Credit Agreement, Articles 7 and 10 of the Indenture and the equivalent provision of any Additional Pari Passu Document and any Additional Priority Document shall continue in effect for the benefit of such retiring Collateral Agent, its sub-agents and their respective Affiliates in respect of any actions taken or omitted to be taken by any of them while the retiring Collateral Agent was acting as Collateral Agent. Upon any notice of resignation of the Collateral Agent hereunder, under the other Priority Security Documents and the Pari Passu Documents, the Company

agrees to use commercially reasonable efforts to transfer (and maintain the validity and priority of) the Liens in favor of the retiring Collateral Agent under the Priority Security Documents and Pari Passu Documents to the successor Collateral Agent.

SECTION 4.07. **Non-Reliance on Collateral Agent, other Priority Secured Parties and Pari Passu Secured Parties**.

Each Priority Secured Party and Pari Passu Secured Party acknowledges that it has, independently and without reliance upon the Collateral Agent, any Authorized Representative, any Pari Passu Secured Party or any other Priority Secured Party or any of their Affiliates and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and the other Secured Documents to which it is a party (it being understood that the Collateral Agent and the Trustee have not made and have no duty to make any credit decisions on behalf of any Secured Party). Each Priority Secured Party also acknowledges that it will, independently and without reliance upon the Collateral Agent, any Authorized Representative, any Pari Passu Secured Party or any other Priority Secured Party or any of their Affiliates and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, such other Secured Documents or any related agreement or any document furnished hereunder or thereunder.

SECTION 4.08. **Collateral and Guaranty Matters**.

Each Authorized Representative, on behalf of itself and the relevant Secured Parties, irrevocably authorizes the Collateral Agent,

(a) to release, at the sole costs and expense of the Grantors, any Lien on any property granted to or held by the Collateral Agent under any Security Document in accordance with Section 2.04 or upon receipt of a written request in the form of an Officer's Certificate and Opinion of Counsel stating that the release of such Lien is permitted by the terms of each then-extant Secured Document and such other matters as may be required by the Collateral Agent; and

(b) to release, at the sole costs and expenses of such Grantor, any Grantor from its obligations under each applicable Security Document upon receipt of a written request in the form of an Officer's Certificate and Opinion of Counsel stating that such release is permitted by the terms of each then extant Secured Document and such other matters as may be required by the Collateral Agent.

Collateral Agent and each Authorized Representative from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable party provided from time to time by such party.

SECTION 5.02. **Waivers; Amendment; Joinder Agreements**.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Authorized Representative and the Collateral Agent; provided that no such agreement shall by its terms amend, modify or otherwise affect the rights or obligations of any Grantor without the Company's prior written consent.

(c) Notwithstanding the foregoing, (i) without the consent of any party hereto, any Authorized Representative may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 5.15 and upon such execution and delivery, such Authorized Representative and the relevant Secured Parties and Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, of the Series of Secured Obligations for which such Authorized Representative is acting shall be subject to the terms hereof and the terms of the other Secured Documents applicable thereto and (ii) in connection with any Refinancing of any Series or Secured Obligations, or the incurrence of Additional Pari Passu Obligations or Additional Priority Obligations, in each case, the Collateral Agent and the Authorized Representatives then party hereto may enter (and are hereby authorized to enter without the consent of any other Secured Party), at the request of the Collateral Agent, any Authorized Representative or the Company, into such amendments or modifications of this Agreement as are reasonably necessary to reflect such Refinancing or such incurrence.

SECTION 5.03. **Parties in Interest**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Priority Secured Parties and Pari Passu Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

SECTION 5.04. **Effectiveness; Survival of Agreement**. This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto on the date hereof and execution and delivery by each of the Grantors on the date hereof of an instrument substantially in the form of Exhibit A. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 5.05. **Counterparts**. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single

contract. Delivery of an executed signature page to this Agreement by facsimile or electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 5.06. **Severability**. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 5.07. **Governing Law**. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

SECTION 5.08. **Submission To Jurisdiction; Waivers**. The Collateral Agent and each Authorized Representative, on behalf of itself and the relevant Secured Parties, irrevocably and unconditionally:

(i) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Secured Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(ii) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Authorized Representative) at the address referred to in Section 5.01;

(iv) agrees that nothing herein shall affect the right of any other party hereto (or any Priority Secured Party or Pari Passu Secured Party) to effect service of process in any other manner permitted by Law or shall limit the right of any party hereto (or any Priority Secured Party or any Pari Passu Secured Party) to sue in any other jurisdiction; and

(v) waives, to the maximum extent not prohibited by Law, any right it may have against any other Secured Party to claim or recover in any legal action or proceeding referred to in this Section 5.08 any special, exemplary, punitive or consequential damages.

SECTION 5.09. **WAIVER OF JURY TRIAL**. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 5.10. **Headings**. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 5.11. **Conflicts**. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the other Secured Documents, Priority Security Documents or Pari Passu Documents, the provisions of this Agreement shall control (except with respect to the Collateral Agent and the Trustee's own rights, privileges and immunities, which shall be governed by the Indenture). Notwithstanding anything herein the contrary, solely as among the Secured Parties and the holders of Junior Obligations (if any), in the event of any conflict between this Agreement and the Junior Lien Intercreditor Agreement (if then in effect), the Junior Lien Intercreditor Agreement shall govern and control; provided that no Secured Party shall be required to take any action under the Junior Lien Intercreditor Agreement that would violate this Agreement.

SECTION 5.12. **Relative Rights**.

Notwithstanding anything in this Agreement to the contrary (except to the extent contemplated by Section 2.04 and 2.08), nothing in this Agreement is intended to or will (a) amend, waive or otherwise modify the provisions of any other Secured Document, or permit the Company or any other Grantor to take any action, or fail to take any action, to the extent such action or failure would otherwise constitute a breach of, or default under, the any other Secured Document, (b) impair the obligations of any Grantor, which are absolute and unconditional, to pay the Priority Obligations or the Pari Passu Obligations as and when the same shall become due and payable in accordance with their terms or (c) obligate the Company or any Grantor to take any action, or fail to take any action, that would otherwise constitute a breach of, or default under, any Secured Document.

SECTION 5.13. **Integration**. This Agreement together with the other Secured Documents, the Priority Security Documents and the Pari Passu Security Documents represents the agreement of each of the Grantors, the Priority Secured Parties and the Pari Passu Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, the Collateral Agent, any Pari Passu Secured Party or any other Priority Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Documents, the Priority Security Documents or the Pari Passu Documents.

SECTION 5.14. **Further Assurances**. Each of the Collateral Agent and each Authorized Representative agrees that it will execute, or will cause to be executed, any and all further documents, agreements and instruments, and take all such further actions, as may be required under any applicable Law, or which the Collateral Agent or any Authorized Representative may reasonably request, to effectuate the terms of this Agreement, including the relative Lien priorities provided for herein.

SECTION 5.15. **Additional Secured Obligations**.

To the extent, but only to the extent, permitted by the provisions of each Secured Document, the Company may incur Additional Pari Passu Obligations or Additional Priority Obligations after the date hereof, if and subject to the condition that the proposed Authorized Representative of any Series of such Additional Pari Passu Obligations or Additional Priority Obligations, as applicable (each, an "**Additional Authorized Representative**"), acting on behalf of the holders of such Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph.

In order for an Additional Authorized Representative to become a party to this Agreement,

(i) such Additional Authorized Representative shall have delivered to the Collateral Agent (with a copy to each other then-existing Authorized Representative) an instrument substantially in the form of Exhibit B (with such changes as may be reasonably approved by such parties) (a "**Joinder Agreement**") pursuant to which such Additional Authorized Representative becomes an Authorized Representative hereunder, and the Series of Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, in respect of which such Additional Authorized Representative is the Authorized Representative become subject hereto and bound hereby;

(ii) the Company shall have delivered to the Collateral Agent (with a copy to each other then-existing Authorized Representative) (x) true and complete copies of each of the Additional Pari Passu Documents or Additional Priority Documents, as applicable, relating to such Additional Pari Passu Obligations or such Additional Priority Obligations, as applicable, certified as being true and correct by an Officer (as defined in the Indenture) of the Company, and (y) a certificate of an Officer of the Company (A) identifying the obligations to be designated as Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, and the initial aggregate principal amount or face amount thereof and (B) certifying that such Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, do not violate, and are not prohibited from being incurred and secured by Liens on the Collateral with the priority set forth herein by, any terms and conditions of this Agreement or any other Secured Document;

(iii) all filings, recordations and/or amendments or supplements to the Pari Passu Security Documents or the Priority Security Documents necessary (or otherwise requested by the Additional Authorized Representative) to confirm and perfect the Liens securing the relevant obligations relating to such Additional Pari Passu Obligations or such Additional Priority Obligations, as applicable, shall have been made, executed and/or delivered by each applicable Grantor (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordations shall have been taken in the reasonable judgment of the Additional Authorized Representative), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments shall have been taken in the reasonable judgment of the Additional Authorized Representative); and

(iv) the Additional Pari Passu Documents or Additional Priority Documents, as applicable, relating to such Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, shall provide that each proposed Secured Party with respect to such Additional Pari Passu Obligations or such Additional Priority Obligations, as applicable, will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Pari Passu Obligations or such Additional Priority Obligations, as applicable.

Each Authorized Representative acknowledges and agrees that upon execution and delivery of a Joinder Agreement substantially in the form of Exhibit B in accordance with this Section 5.15, the Collateral Agent will continue to act in its capacity as Collateral Agent in respect of the then existing Authorized Representatives and such Additional Authorized Representative.

SECTION 5.16. **Concerning the Trustee**. Notwithstanding any term herein to the contrary, it is hereby expressly agreed and acknowledged that the agreements set forth herein by the Trustee (in its capacity as such) are made solely in its capacity as Trustee under the Indenture and related Pari Passu Documents pursuant to the provisions of the Indenture and the direction of the Grantors and the holders of the Indenture Obligations, and not in its individual capacity. The Trustee (in its capacity

as such) shall not have any duties, obligations, or responsibilities under this Agreement in its capacity as such except as expressly set forth herein, and shall have the benefit of all exculpatory provisions, presumptions, indemnities, protections, benefits, immunities or reliance rights contained in the Indenture in the acceptance, execution, delivery and performance of this Agreement as though fully set forth herein.

SECTION 5.17. **Preservation and Protection of the Collateral**.

So long as the Collateral Agent shall be required to preserve and protect the Collateral pursuant to Section 2.02(c) or Section 2.02(f), the Collateral Agent shall, upon receipt of instructions from (x) in the case of Section 2.02(c), any Authorized Representative of a Pari Passu Secured Party and (y) in the case of Section 2.02(f), any Authorized Representative of a Priority Secured Party, in each case along with indemnity satisfactory to the Collateral Agent against any losses, liabilities or expenses that may be incurred by it, (a) take such actions as are expressly stated in such instructions (and may in furtherance thereof, take or cause to be taken all legal actions and seek all remedies available under applicable Law in any jurisdiction to entitle the Collateral Agent, on behalf of the Pari Passu Secured Parties or the Priority Secured Parties, as applicable, to obtain control over the Collateral in order to accomplish the actions set forth in such instructions) and (b) designate one or more entities specified in such instructions, if any, to supervise or otherwise participate in the administration of the Company and the other Grantors to the extent that a creditor of an insolvent or defaulting debtor is permitted to do so under applicable Law; provided, however, that the administration and supervision of the Collateral pursuant to this Agreement shall at all times be performed in accordance with the written instructions delivered to the Collateral Agent which shall be in compliance with all applicable Law; and provided, further, that nothing in this Agreement, including the appointment by the parties hereto of the Collateral Agent to preserve and protect the Collateral and to exercise remedies on their behalf as set forth herein, shall be interpreted or construed to impose on any Priority Secured Party, Pari Passu Secured Party, any obligation to provide new loans or other forms of financing to or on behalf of the Company, or to extend or renew any existing loans or other forms of financing to or on behalf of the Company, including to permit it to continue its business operations.

Enforcement

SECTION 3.01. Exercise of Remedies.

(a) So long as the Discharge of Senior Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against the Company or any other Grantor, (i) none of the Second Priority Collateral Agents, the Second Priority Authorized Representative or any other Second Priority Secured Party will (x) exercise or seek to exercise any rights or remedies (including setoff) with respect to any Shared Collateral in respect of any Second Priority Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) contest, protest or object to any foreclosure proceeding or action brought with respect to the Shared Collateral or any other Senior Collateral by the Senior Secured Collateral Agent, any Senior Authorized Representative or any other Senior Secured Party in respect of the Senior Obligations or the exercise of any right or remedies by the Senior Secured Collateral Agent, any Senior Authorized Representative or any other Senior Secured Party (or any agent or sub-agent on their behalf) in respect of the Senior Obligations relating to the Shared Collateral or the Senior Collateral, or (z) object to the forbearance by the Senior Secured Parties from bringing or pursuing any foreclosure proceeding or action or any other exercise of any rights or remedies relating to the Shared Collateral in respect of Senior Obligations and (ii) except as otherwise provided herein, the Senior Secured Collateral Agent, the Senior Authorized Representatives and the other Senior Secured Parties shall have the exclusive right to enforce rights, exercise remedies (including setoff and the right to credit bid their debt) and make determinations regarding the release, disposition or restrictions with respect to the Shared Collateral without any consultation with or the consent of any Second Priority Collateral Agent, any Second Priority Authorized Representative or any other Second Priority Secured Party; provided, however, that in respect of any Second Priority Secured Obligations, each applicable Second Priority Collateral Agent, Second Priority Authorized Representative and each other applicable Second Priority Secured Party may exercise any or all such rights after the passage of a period of 180 days from the date of delivery of a notice in writing to the Senior Secured Collateral Agent and each Senior Authorized Representative of such Second Priority Collateral Agent's, such Second Priority Authorized Representative's or such other Second Priority Secured Party's intention to exercise its right to take such actions which notice shall specify that an "Event of Default" as defined in the applicable Second Priority Documents has occurred and as a result of such "Event of Default", the principal and interest under such Second Priority Documents have become due and payable (the "**Second Priority Standstill Period**") (which period shall be tolled so long as the Senior Secured Collateral Agent has commenced and is diligently pursuing remedies with respect to any material portion of the Shared Collateral or such exercise of remedies is stayed by applicable Insolvency or Liquidation Proceedings); provided, further, that (A) in any Insolvency or Liquidation Proceeding commenced by or against the Company or any other Grantor, any Second Priority Collateral Agent or Second Priority Authorized Representative may file a claim or statement of interest with respect to the relevant Series of Second Priority Obligations, (B) any Second Priority Collateral Agent or Second Priority Authorized Representative may take any action (not adverse to the prior Liens on the Shared Collateral securing the Senior Obligations or the rights of the Senior Secured Collateral Agent, the Senior Authorized Representatives or the other Senior Secured Parties to exercise remedies in respect thereof) in order to create, prove, perfect, preserve or protect (but not enforce) its rights in, and perfection and priority of its Lien on, the Shared Collateral, (C) any Second Priority Collateral Agent, Second Priority Authorized Representative and any other Second Priority Secured Parties may exercise their rights and remedies as unsecured creditors, as provided in Section 5.05, (D) any Second Priority Collateral Agent or Second Priority Authorized Representative may exercise the rights and remedies provided for in Section 6.03, (E) any Second Priority Collateral Agent, Second Priority Authorized Representative and any other Second Priority Secured Party may file any necessary responsive or defensive pleadings in opposition to any

motion, claim, adversary proceeding, or other pleading made by any Person objecting to or otherwise seeking the disallowance that is not permitted by this Agreement of the claims of any Second Priority Secured Party, including any claims secured by the Shared Collateral, (F) any Second Priority Collateral Agent, Second Priority Authorized Representative and any other Second Priority Secured Party may vote on any plan of reorganization that is consistent with this Agreement, with respect to the Second Priority Obligations and the Shared Collateral, (G) any Second Priority Collateral Agent, Second Priority Authorized Representative and any other Second Priority Secured Party may join (but not exercise any control with respect to) any judicial foreclosure proceeding or other judicial lien enforcement proceeding with respect to the Shared Collateral initiated by the Senior Secured Collateral Agent, any Senior Authorized Representative or any other Senior Secured Party to the extent that any such action could not reasonably be expected, in any material respect, to restrain, hinder, limit, delay for any material period or otherwise interfere with the exercise of remedies by the Senior Secured Collateral Agent, such Senior Authorized Representative or such other Senior Secured Party (it being understood that neither the Designated Second Priority Collateral Agent or any other Second Priority Secured Party shall be entitled to receive any proceeds thereof unless otherwise expressly permitted herein), and (H) any Second Priority Collateral Agent, any Second Priority Authorized Representative and any other Second Priority Secured Party may exercise any remedies after the termination of the Second Priority Standstill Period if and to the extent specifically permitted by this Section 3.01(a). In exercising rights and remedies with respect to the Senior Collateral, the Senior Secured Collateral Agent, the Senior Authorized Representatives and the other Senior Secured Parties may enforce the provisions of the Senior Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their sole discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Shared Collateral upon foreclosure, to incur expenses in connection with such sale or disposition and to exercise all the rights and remedies of a secured lender under the Uniform Commercial Code of any applicable jurisdiction and of a secured creditor under Debtor Relief Laws of any applicable jurisdiction.

(b) So long as the Discharge of Senior Obligations has not occurred, each Second Priority Collateral Agent, and each Second Priority Authorized Representative, on behalf of itself and the relevant Secured Parties, agrees that it will not, in the context of its role as secured creditor, take or receive any Shared Collateral or any Proceeds of Shared Collateral in connection with the exercise of any right or remedy (including setoff) with respect to any Shared Collateral in respect of Second Priority Obligations. Without limiting the generality of the foregoing, unless and until the Discharge of Senior Obligations has occurred, except as expressly provided in the provisos in clause (ii) of Section 3.01(a), the sole right of the Second Priority Collateral Agents, the Second Priority Authorized Representatives and the other Second Priority Secured Parties with respect to the Shared Collateral is to hold a Lien on the Shared Collateral in respect of Second Priority Obligations pursuant to the Second Priority Documents for the period and to the extent granted therein and to receive a share of the Proceeds thereof, if any, after the Discharge of Senior Obligations has occurred.

(c) Subject to each proviso in clause (ii) of Section 3.01(a), (i) each Second Priority Collateral Agent, and each Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, agrees that neither such Second Priority Collateral Agent, such Second Priority Authorized Representative nor any such Second Priority Secured Party will take any action that, notwithstanding the expiration of the Second Priority Standstill Period, would hinder any exercise of remedies undertaken by the Senior Secured Collateral Agent, any Senior Authorized Representative or any other Senior Secured Party with respect to the Shared Collateral under the Senior Documents, including any sale, lease, exchange, transfer or other disposition of the Shared Collateral, whether by foreclosure or otherwise, and (ii) each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, hereby waives any and all rights it or any such Second Priority Collateral Agent, Second Priority Authorized Representative or Second Priority Secured Party may have as a junior lien creditor or otherwise to object to the manner in which the Senior

Secured Collateral Agent, the Senior Authorized Representatives or the Senior Secured Parties seek to enforce or collect the Senior Obligations or the Liens granted on any of the Senior Collateral, regardless of whether any action or failure to act by or on behalf of the Senior Secured Collateral Agent, any or any other Senior Secured Party is adverse to the interests of the Second Priority Secured Parties.

(d) Each Second Priority Collateral Agent and each Second Priority Authorized Representative, on behalf of itself and the relevant Second Priority Secured Parties, hereby acknowledges and agrees that no covenant, agreement or restriction contained in any Second Priority Document shall be deemed to restrict in any way the rights and remedies of the Senior Secured Collateral Agent, any Senior Authorized Representative or the Senior Secured Parties with respect to the Senior Collateral as set forth in this Agreement and the Senior Documents.

(e) Until the Discharge of Senior Obligations, the Senior Secured Collateral Agent shall have the exclusive right to exercise any right or remedy with respect to the Shared Collateral and shall have the exclusive right to determine and direct the time, method and place for exercising such right or remedy or conducting any proceeding with respect thereto; provided, however, that the Second Priority Collateral Agents, the Second Priority Authorized Representatives and the Second Priority Secured Parties may exercise any of their rights or remedies with respect to the Shared Collateral to the extent permitted by the provisos in clause (ii) of Section 3.01(a). Following the Discharge of Senior Obligations, the Second Priority Instructing Group and the Designated Second Priority Collateral Agent shall have the exclusive right to exercise any right or remedy with respect to the Collateral, and the Second Priority Instructing Group and Designated Second Priority Collateral Agent shall have the exclusive right to direct the time, method and place of exercising or conducting any proceeding for the exercise of any right or remedy available to the Second Priority Secured Parties with respect to the Collateral, or of exercising or directing the exercise of any trust or power conferred on the Second Priority Collateral Agents, or for the taking of any other action authorized by the Second Priority Collateral Documents; provided, that nothing in this Section shall impair the ability of the Second Priority Collateral Agents, the Second Priority Authorized Representative and the other Second Priority Secured Parties to exercise any of their rights or remedies with respect to the Shared Collateral to the extent permitted by the provisos in clause (ii) of Section 3.01(a); provided, further that nothing in this Section shall impair the right of any Second Priority Collateral Agent, any Second Priority Authorized Representative or any other agent or trustee acting on behalf of the Second Priority Secured Parties to take such actions with respect to the Collateral after the Discharge of Senior Obligations as may be otherwise required or authorized pursuant to any intercreditor agreement governing the Second Priority Secured Parties or the Second Priority Obligations.

SECTION 3.02. Cooperation. Subject to each proviso in clause (ii) of Section 3.01(a), each Second Priority Collateral Agent and each Second Priority Authorized Representative, on behalf of itself and the relevant Second Priority Secured Parties, agrees that, unless and until the Discharge of Senior Obligations has occurred, it will not commence, or join with any Person (other than the Senior Secured Parties, the Senior Secured Collateral Agent or the Senior Authorized Representatives upon the request of the Senior Secured Collateral Agent) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Shared Collateral under any of the Second Priority Documents or otherwise in respect of the Second Priority Obligations.

SECTION 3.03. Actions upon Breach. Should any Second Priority Authorized Representative, any Second Priority Collateral Agent or any other Second Priority Secured Party, contrary to this Agreement, in any way take, attempt to take or threaten to take any action with respect to the Shared Collateral (including any attempt to realize upon or enforce any remedy with respect to this Agreement) or fail to take any action required by this Agreement, any Senior Authorized Representative, the Senior Secured Collateral Agent or any other Senior Secured Party (in its or their own name or in the name of the Company or any other Grantor) may obtain relief against such Second Priority Authorized Representative,

such Second Priority Collateral Agent or such Second Priority Secured Party by injunction, specific performance or other appropriate equitable relief. Each Second Priority Collateral Agent and each Second Priority Authorized Representative, on behalf of itself and the relevant Secured Parties, hereby (i) agrees that the Senior Secured Parties' damages from the actions of the Second Priority Authorized Representatives, the Second Priority Collateral Agents or any other Second Priority Secured Party may at that time be difficult to ascertain and may be irreparable and waives any defense that the Company, any other Grantor or the Senior Secured Parties cannot demonstrate damage or be made whole by the awarding of damages and (ii) irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by the Senior Secured Collateral Agent, any Senior Authorized Representative or any other Senior Secured Party.

ARTICLE IV

Payments

SECTION 4.01. Application of Proceeds.

(a) After an Event of Default under any Senior Document has occurred and until such Event of Default is cured or waived, so long as the Discharge of Senior Obligations has not occurred, the Shared Collateral or Proceeds thereof received in connection with the sale or other disposition of, or collection on, such Shared Collateral upon the exercise of remedies shall be applied by the Senior Secured Collateral Agent: (i) prior to the occurrence of the Discharge of Senior Obligations, (A) if the Senior Lien Intercreditor Agreement is then in effect, in accordance with Section 2.01 of the Senior Lien Intercreditor Agreement and otherwise (B)(1) *first*, to the payment of all amounts owing to the Senior Secured Indenture Trustee, the Senior Secured Collateral Agent in their respective capacities as such (including, without limitation, the fees and expenses of attorneys and agents) as specified in the relevant Senior Documents and (2) *second*, to the payment in full of the Senior Obligations at the time due and payable, the amounts so applied to be distributed on a *pari passu* basis to each Series of Senior Obligations, in each case, as specified in the relevant Senior Documents, until the Discharge of Senior Obligations has occurred (together with, in the case of repayment of any revolving credit or similar loans, a permanent reduction in the commitments thereunder) and (ii) after the Discharge of Senior Obligations has occurred, (1) *first* to the payment in full of all amounts owing to the Initial Second Priority Authorized Representative, the Initial Second Priority Collateral Agent, [each Authorized Representative and each Additional Second Priority Collateral Agent in respect of each Series of Additional Second Priority Obligations] in their respective capacities as such (including, without limitation, the fees and expenses of attorneys and agents) as specified in the relevant Second Priority Documents, (2) *second*, to the payment in full of the Second Priority Obligations at the time due and payable, the amounts so applied to be distributed on a *pari passu* basis to each Series of Second Priority Obligations, in each case, as specified in the relevant Second Priority Documents, until the Discharge of Second Priority Obligations has occurred and (3) after the Discharge of Second Priority Obligations has occurred, to the Company, the Grantors, their successors or assigns or as a court of competent jurisdiction may otherwise direct. Upon the Discharge of Senior Obligations, each applicable Senior Authorized Representative shall deliver promptly to the Designated Second Priority Collateral Agent any Shared Collateral or Proceeds thereof held by it in the same form as received, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct, to be applied by the Designated Second Priority Collateral Agent to the Second Priority Obligations in such order as specified in the relevant Second Priority Documents.

(b) All payments required to be made hereunder shall be made (unless otherwise expressly provided):

(i) if to any Indenture Secured Parties, to the Senior Secured Indenture Trustee for the account of the relevant Indenture Secured Parties;

(ii) if to any Super Priority Secured Parties, to the Super Priority Authorized Representative, for the account of the relevant Super Priority Secured Parties;

(iii) if to any Second Priority Secured Parties, to the Initial Second Priority Authorized Representative, for the account of the relevant Second Priority Secured Parties; and

(iv) if to any Additional Senior Secured Parties or Additional Second Priority Parties, to the relevant Authorized Representative of such Series of Secured Parties.

SECTION 4.02. Payments Over. Prior to the Discharge of Senior Obligations, any Shared Collateral or Proceeds thereof received by any Second Priority Authorized Representative, any Second Priority Collateral Agent or any other Second Priority Secured Party in connection with the exercise of any right or remedy (including setoff) relating to such Shared Collateral in contravention of this Agreement shall be segregated and held in trust for the benefit of and forthwith paid over to the Senior Secured Collateral Agent for the benefit of the Senior Secured Parties in the same form as received for application as provided in Section 4.01, with any necessary endorsements, or as a court of competent jurisdiction may otherwise direct. The Senior Secured Collateral Agent is hereby authorized to make any such endorsements as agent for each of the Second Priority Authorized Representatives, the Second Priority Collateral Agents and any other Second Priority Secured Party. This authorization is coupled with an interest and is irrevocable.

ARTICLE V

Other Agreements

SECTION 5.01. Releases.

(a) If, at any time the Senior Secured Collateral Agent forecloses upon or otherwise exercises remedies against any Shared Collateral, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the Senior Secured Parties and the Second Priority Secured Parties on such Shared Collateral will automatically be released and discharged; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 4.01 hereof.

(b) Each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Second Priority Secured Parties, agrees that, in the event of a sale, transfer or other disposition of any specified item of Shared Collateral (including all or substantially all of the equity interests of any Subsidiary of the Company) (a "**Disposition**"), the Liens granted to the Second Priority Collateral Agents and the other Second Priority Secured Parties upon such Shared Collateral to secure Second Priority Obligations shall terminate and be released, automatically and without any further action, concurrently with the termination and release of all Liens granted upon such Shared Collateral to secure Senior Obligations. Upon delivery to the Designated Second Priority Collateral Agent of an Officer's Certificate stating that any such termination and release of Liens securing the Senior Obligations has become effective (or shall become effective concurrently with such termination and release of the Liens granted to the Second Priority Collateral Agents and the other Second Priority Secured Parties) and any necessary or proper instruments of termination or release prepared by the Company or any other Grantor, the Designated Second Priority Collateral Agent will promptly execute, deliver or acknowledge, at the Company's or the other Grantor's sole cost and expense, such instruments to evidence such termination and release of the Liens; provided, however, that such Officer's Certificate shall not be required for any

termination or release in connection with the exercise of remedies following an Event of Default. Nothing in this Section 5.01(b) will be deemed to (x) affect any agreement of a Second Priority Collateral Agent or a Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, to release the Liens on the Second Priority Collateral as set forth in the relevant Second Priority Documents or (y) except in the case of a Disposition in connection with the exercise of secured creditors' rights and remedies, require the release of Liens granted upon such Shared Collateral to secure Second Priority Obligations if such Disposition is not permitted under the terms of the Second Priority Documents.

(c) Each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Second Priority Secured Parties, hereby irrevocably constitutes and appoints the Senior Secured Collateral Agent and any officer or agent of the Senior Secured Collateral Agent, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Second Priority Authorized Representative, such Second Priority Collateral Agent or such Second Priority Secured Party or in the Senior Secured Collateral Agent's own name, from time to time in the Senior Secured Collateral Agent's discretion, for the purpose of carrying out the terms of Section 5.01(b), to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of Section 5.01(b), including any termination statements, endorsements or other instruments of transfer or release.

(d) Unless and until the Discharge of Senior Obligations has occurred, each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, hereby consents to the application, whether prior to or after an Event of Default under any Senior Document of proceeds of Shared Collateral to the repayment of Senior Obligations pursuant to the Senior Documents, provided that nothing in this Section 5.01(d) shall be construed to prevent or impair the rights of the Second Priority Collateral Agents, the Second Priority Authorized Representatives or the other Second Priority Secured Parties to receive proceeds in connection with the Second Priority Obligations not otherwise in contravention of this Agreement.

(e) Notwithstanding anything to the contrary in any Second Priority Collateral Document, in the event the terms of a Senior Collateral Document and a Second Priority Collateral Document each require any Grantor (i) to make payment in respect of any item of Shared Collateral to, (ii) to deliver or afford control over any item of Shared Collateral to, or deposit any item of Shared Collateral with, (iii) to register ownership of any item of Shared Collateral in the name of or make an assignment of ownership of any Shared Collateral or the rights thereunder to, (iv) cause any securities intermediary, commodity intermediary or other Person acting in a similar capacity to agree to comply, in respect of any item of Shared Collateral, with instructions or orders from, or to treat, in respect of any item of Shared Collateral, as the entitlement holder, (v) hold any item of Shared Collateral in trust for (to the extent such item of Shared Collateral cannot be held in trust for multiple parties under applicable law) or (vi) obtain the agreement of a bailee or other third party to hold any item of Shared Collateral for the benefit of or subject to the control of or, in respect of any item of Shared Collateral, to follow the instructions of, any Senior Authorized Representative or any other Senior Secured Party and any Second Priority Authorized Representative or other Second Priority Secured Party, such Grantor may, until the Discharge of Senior Obligations has occurred, comply with such requirement under the Second Priority Collateral Document as it relates to such Shared Collateral by taking any of the actions set forth above only with respect to, or in favor of, the Senior Secured Collateral Agent.

SECTION 5.02. Insurance and Condemnation Awards. Unless and until the Discharge of Senior Obligations has occurred, the Senior Secured Collateral Agent, the Senior Authorized Representatives and the Senior Secured Parties, as applicable, shall have the sole and exclusive right, subject to the rights of the Grantors under the Senior Documents, (a) to name as additional insured and loss payee under any insurance policies maintained from time to time by any Grantor other Persons in addition to

the Senior Secured Collateral Agent, (b) to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and/or (c) to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. Unless and until the Discharge of Senior Obligations has occurred, all proceeds of any such policy and any such award, if in respect of the Shared Collateral, shall be paid (i) first, prior to the occurrence of the Discharge of Senior Obligations, to the Senior Secured Collateral Agent for the benefit of Senior Secured Parties pursuant to the terms of the Senior Documents (including, if then in effect, the Senior Lien Intercreditor Agreement), (ii) second, after the occurrence of the Discharge of Senior Obligations, to the Designated Second Priority Collateral Agent for the benefit of the Second Priority Secured Parties pursuant to the terms of the applicable Second Priority Documents and (iii) third, if no Second Priority Obligations are outstanding, to the owner of the subject property, such other Person as may be entitled thereto or as a court of competent jurisdiction may otherwise direct. If any Second Priority Authorized Representative or any Second Priority Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, it shall pay such proceeds over to the Senior Secured Collateral Agent in accordance with the terms of Section 4.02.

SECTION 5.03. Matters Relating to Loan Documents.

(a) The Senior Documents and the terms thereof may be amended, restated, supplemented, waived or otherwise modified (including in connection with the incurrence of any incremental facilities) in accordance with their terms, and the Indebtedness under the Senior Documents may be Refinanced, in each case, without the consent of any Second Priority Secured Parties; provided, however, that, without the consent of each Second Priority Authorized Representative, no such amendment, restatement, supplement, modification, waiver or Refinancing (or successive amendments, restatements, supplements, modifications, waivers or Refinancings) shall contravene any provision of this Agreement.

(b) Without the prior written consent of each Senior Authorized Representative, no Second Priority Document may be amended, restated, supplemented or otherwise modified, or entered into, to the extent such amendment, restatement, supplement or modification, or the terms of such new Second Priority Document, would contravene the provisions of this Agreement.

SECTION 5.04. Amendments to Second Priority Collateral Documents.

(a) No Second Priority Collateral Document may be amended, supplemented or otherwise modified or entered into to the extent such amendment, supplement or modification, or the terms of any new Second Priority Collateral Document, would be prohibited by or inconsistent with any of the terms of this Agreement. The Company agrees to deliver to the Senior Secured Collateral Agent and the Senior Authorized Representatives copies of (i) any amendments, supplements or other modifications to the Second Priority Collateral Documents and (ii) any new Second Priority Collateral Documents promptly after effectiveness thereof. Each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Second Priority Secured Parties, agrees that each security agreement included in the Second Priority Collateral Document under its Second Priority Obligations shall include the following language (or language to similar effect in form satisfactory to the Senior Secured Collateral Agent):

> "Notwithstanding anything herein to the contrary, (i) the liens and security interests granted to the [*Second Priority Authorized Representative*] pursuant to this Agreement are expressly subject and subordinate to the liens and security interests granted in favor of the Senior Secured Parties (as defined in the Junior Lien Intercreditor Agreement referred to below) and (ii) the exercise of any right or remedy by the [*Second Priority Authorized Representative*] hereunder is subject to the limitations and provisions of the Junior Intercreditor Agreement

dated as of [●] (as amended, restated, supplemented or otherwise modified from time to time, the "**Junior Lien Intercreditor Agreement**"), among [●]. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement, the terms of the Junior Lien Intercreditor Agreement shall govern."

(b) In the event that each applicable Senior Authorized Representative, the Senior Secured Collateral Agent and/or any other Senior Secured Parties enter into any amendment, waiver or consent in respect of any of the Senior Collateral Documents for the purpose of adding to or deleting from, or waiving or consenting to any departures from any provisions of, any Senior Collateral Document or changing in any manner the rights of the Senior Secured Collateral Agent, the Senior Authorized Representatives, the Senior Secured Parties, the Company or any other Grantor thereunder (including the release of any Liens in Senior Collateral) in a manner that is applicable to all Senior Obligations, then such amendment, waiver or consent shall apply automatically to any comparable provision of each comparable Second Priority Collateral Document without the consent of any Second Priority Authorized Representative or any other Second Priority Secured Party and without any action by any Second Priority Authorized Representative, any Second Priority Collateral Agent, the Company or any other Grantor.

SECTION 5.05. Rights as Unsecured Creditors. Notwithstanding anything to the contrary in this Agreement, the Second Priority Collateral Agents, the Second Priority Authorized Representatives and the other Second Priority Secured Parties may exercise rights and remedies as unsecured creditors against the Company or the Grantors in accordance with the terms of the Second Priority Documents and applicable law so long as such rights and remedies do not violate any express provision of this Agreement. Nothing in this Agreement shall prohibit the receipt by any Second Priority Authorized Representative or any other Second Priority Secured Party of the required payments of principal, premium, interest, fees and other amounts due under the Second Priority Documents so long as such receipt is not the direct or indirect result of the exercise by a Second Priority Authorized Representative, a Second Priority Collateral Agent or any Second Priority Secured Party of rights or remedies as a secured creditor in respect of Shared Collateral. In the event any Second Priority Authorized Representative, any Second Priority Collateral Agent or any Second Priority Secured Party becomes a judgment lien creditor in respect of Shared Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Priority Obligations, such judgment lien shall be subordinated to the Liens securing Senior Obligations on the same basis as the other Liens securing the Second Priority Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement. Nothing in this Agreement shall impair or otherwise adversely affect any rights or remedies the Senior Secured Collateral Agent, the Senior Authorized Representatives or the other Senior Secured Parties may have with respect to the Senior Collateral.

SECTION 5.06. Gratuitous Bailee for Perfection.

(a) The Senior Secured Collateral Agent acknowledges and agrees that if it shall at any time hold a Lien securing any Senior Obligations on any Shared Collateral that can be perfected by the possession or control of such Shared Collateral or of any account in which such Shared Collateral is held, and if such Shared Collateral or any such account is in fact in the possession or under the control of the Senior Secured Collateral Agent, or of agents or bailees of such Person (such Shared Collateral being referred to herein as the "**Pledged or Controlled Collateral**"), then the Senior Secured Collateral Agent shall also hold such Pledged or Controlled Collateral, as gratuitous bailee for the benefit of each other Senior Secured Party and Second Priority Secured Party (such bailment being intended, among other things, to satisfy the requirements of (i) Section 8-301(a)(2), 9-313(c) and 9-107 of the UCC and (ii) the PPSA, as applicable), in each case solely for the purpose of perfecting the Liens granted in such Pledged or Controlled Collateral under the relevant Second Priority Collateral Documents and subject to the terms and conditions of this Section 5.06.

(b) *Reserved*.

(c) Except as otherwise specifically provided herein, until the Discharge of Senior Obligations has occurred, the Senior Secured Collateral Agent, the Senior Authorized Representatives and the Senior Secured Parties shall be entitled to deal with the Pledged or Controlled Collateral in accordance with the terms of the Senior Documents as if the Liens under the Second Priority Collateral Documents did not exist. The rights of the Second Priority Collateral Agents, the Second Priority Authorized Representatives and the other Second Priority Secured Parties with respect to the Pledged or Controlled Collateral shall at all times be subject to the terms of this Agreement.

(d) None of the Senior Secured Collateral Agent, the Senior Authorized Representatives nor any other Senior Secured Party shall have any obligation whatsoever to the Second Priority Collateral Agents, the Second Priority Authorized Representatives or any other Second Priority Secured Party to assure that any of the Pledged or Controlled Collateral is genuine or owned by the Grantors or to protect or preserve rights or benefits of any Person or any rights pertaining to the Shared Collateral, except as expressly set forth in Sections 5.06(a) and (b). The duties or responsibilities of the Senior Secured Collateral Agent under this Section 5.06 shall be limited solely to holding or controlling any Shared Collateral constituting Pledged or Controlled Collateral and the related Liens referred to in paragraphs (a) and (b) of this Section 5.06, in each case as sub-agent and gratuitous bailee for each applicable Collateral Agent for purposes of perfecting the Lien held by such Collateral Agent and delivering such Shared Collateral to the Designated Second Priority Collateral Agent upon a Discharge of Senior Obligations as set forth in Section 5.06(f).

(e) The Senior Secured Collateral Agent shall not have by reason of the Second Priority Collateral Documents or this Agreement, or any other document, a fiduciary relationship in respect of any Second Priority Collateral Agent or any other Second Priority Secured Party, and each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Second Priority Secured Parties, hereby waives and releases the Senior Secured Collateral Agent from all claims and liabilities arising pursuant to the Senior Secured Collateral Agent's roles under this Section 5.06 as sub-agents and gratuitous bailees with respect to the Shared Collateral.

(f) Upon the Discharge of Senior Obligations, the Senior Secured Collateral Agent shall, at the Grantors' sole cost and expense, (i) (A) deliver to the Designated Second Priority Collateral Agent, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by the Senior Secured Collateral Agent or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements, or (B) direct and deliver such Shared Collateral as a court of competent jurisdiction may otherwise direct, (ii) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (iii) notify any governmental authority involved in any condemnation or similar proceeding involving any Grantor that the Designated Second Priority Collateral Agent is entitled to approve any awards granted in such proceeding. The Company and the other Grantors shall take such further action as is required to effectuate the transfer contemplated hereby and shall indemnify the Senior Secured Collateral Agent for loss or damage suffered by the Senior Secured Collateral Agent as a result of such transfer, except for loss or damage suffered by any such Person as a result of its own willful misconduct, gross negligence or bad faith. The Senior Secured Collateral Agent has no obligation to follow instructions from any Second Priority Authorized Representative, any Second Priority Collateral Agents or any other Second Priority Secured Party in contravention of this Agreement.

(g) None of the Senior Secured Collateral Agent, the Senior Authorized Representatives nor any of the other Senior Secured Parties shall be required to marshal any present or

future collateral security for any obligations of the Company or any Subsidiary to the Senior Secured Collateral Agent, any Senior Authorized Representative or any other Senior Secured Party under the Senior Documents or any assurance of payment in respect thereof, or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

SECTION 5.07. When Discharge of Senior Obligations is Deemed Not to Have Occurred. If, at any time after the Discharge of Senior Obligations has occurred, the Company or any Subsidiary incurs any Senior Obligations (other than in respect of the payment of indemnities surviving the Discharge of Senior Obligations), then such Discharge of Senior Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken prior to the date of such designation as a result of the occurrence of such first Discharge of Senior Obligations) and the applicable agreement governing such Senior Obligations shall automatically be treated as a Senior Document for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Shared Collateral set forth herein and the agent, representative or trustee for the holders of such Senior Obligations shall be the Senior Authorized Representative for such Senior Obligations for all purposes of this Agreement and the collateral agent for the holders of such Senior Obligations shall be the Senior Secured Collateral Agent for all purposes of this Agreement. Upon receipt of notice of such incurrence (including the identity of the new Senior Authorized Representative and new Senior Secured Collateral Agent), each Second Priority Authorized Representative and Second Priority Collateral Agent (including the Designated Second Priority Collateral Agent) shall promptly (a) enter into such documents and agreements (at the expense of the Company), including amendments or supplements to this Agreement, as the Company or such new Senior Authorized Representative or new Senior Secured Collateral Agent shall reasonably request in writing in order to provide the new Senior Authorized Representative or new Senior Secured Collateral Agent the rights of a Senior Authorized Representative and of the Senior Secured Collateral Agent, as applicable, contemplated hereby, (b) deliver to such Senior Secured Collateral Agent, to the extent that it is legally permitted to do so, all Shared Collateral, including all proceeds thereof, held or controlled by such Second Priority Senior Secured Collateral Agent or any of its agents or bailees, including the transfer of possession and control, as applicable, of the Pledged or Controlled Collateral, together with any necessary endorsements and notices to depositary banks, securities intermediaries and commodities intermediaries, and assign its rights under any landlord waiver or bailee's letter or any similar agreement or arrangement granting it rights or access to Shared Collateral, (c) notify any applicable insurance carrier that it is no longer entitled to be a loss payee or additional insured under the insurance policies of any Grantor issued by such insurance carrier and (d) notify any governmental authority involved in any condemnation or similar proceeding involving a Grantor that the new Senior Authorized Representative is entitled to approve any awards granted in such proceeding.

Insolvency or Liquidation Proceedings

SECTION 6.01. Financing Issues. Until the Discharge of Senior Obligations has occurred, if the Company or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding and any Senior Authorized Representative, the Senior Secured Collateral Agent or any other Senior Secured Party shall desire to consent (or not object) to the sale, use or lease of cash or other collateral or to consent (or not object) to the Company's or any other Grantor's obtaining commercially reasonable financing (including, for the avoidance of doubt, from any Senior Secured Party) under Section 363 or Section 364 of Title 11 of the United States Code or any similar provision of any other Debtor Relief Law ("**DIP Financing**"), then each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, agrees that it will raise no (a)

objection to and will not otherwise contest such sale, use or lease of such cash or other collateral or such DIP Financing and, except to the extent permitted by the provisos in clause (ii) of Section 3.01(a) and Section 6.03, will not request adequate protection or any other relief in connection therewith and, to the extent the Liens securing any Senior Obligations are subordinated or pari passu with such DIP Financing, will subordinate (and will be deemed hereunder to have subordinated) its Liens in the Shared Collateral to (x) such DIP Financing (and all obligations relating thereto) on the same basis as the Liens securing the Second Priority Obligations are so subordinated to Liens securing Senior Obligations under this Agreement and (y) to any "carve-out" for professional and United States Trustee fees or payment of any other amounts agreed to by the Senior Authorized Representatives, (b) objection to (and will not otherwise contest) any motion for relief from the automatic stay or from any injunction against foreclosure or enforcement in respect of Senior Obligations made by the Senior Secured Collateral Agent, any Senior Authorized Representative or any other Senior Secured Party, (c) objection to (and will not otherwise contest) any lawful exercise by any Senior Secured Party of the right to credit bid Senior Obligations at any sale in foreclosure of Senior Collateral, (d) objection to (and will not otherwise contest) any other request for judicial relief made in any court by any Senior Secured Party relating to the lawful enforcement of any Lien on Senior Collateral or (e) objection to (and will not otherwise contest or oppose) any order relating to a sale or other disposition of assets of any Grantor for which any Senior Authorized Representative has consented that provides, to the extent such sale or other disposition is to be free and clear of Liens, that the Liens securing the Senior Obligations and the Second Priority Obligations will attach to the proceeds of the sale on the same basis of priority as the Liens on the Shared Collateral securing the Senior Obligations rank to the Liens on the Shared Collateral securing the Second Priority Obligations pursuant to this Agreement; provided, however, that nothing in this Section 6.01 shall prohibit any Second Priority Secured Party from (a) exercising its rights to vote in favor of or against a plan of reorganization, (b) proposing a Post-Petition Financing to any Grantor or (c) objecting to any provision in any Post-Petition Financing relating, describing or requiring any provision or content of a plan of reorganization.

SECTION 6.02. Relief from the Automatic Stay. Until the Discharge of Senior Obligations has occurred, each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, agrees that none of them shall seek relief from the automatic stay or any other stay in any Insolvency or Liquidation Proceeding or take any action in derogation thereof, or support or join, directly or indirectly, any party in doing or performing the same, in each case in respect of any Shared Collateral, without the prior written consent of the Senior Secured Collateral Agent.

SECTION 6.03. Adequate Protection. Each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, agrees that none of them shall object, contest or support any other Person objecting to or contesting (a) any request by the Senior Secured Collateral Agent, any Senior Authorized Representative or any other Senior Secured Parties for adequate protection, (b) any objection by any Senior Authorized Representative or any other Senior Secured Parties to any motion, relief, action or proceeding based on any claim by a Senior Authorized Representative or other Senior Secured Party of a lack of adequate protection or (c) the payment of interest, fees, expenses or other amounts of any Senior Authorized Representative or any other Senior Secured Party under Section 506(b) or 506(c) of the Bankruptcy Code or any similar provision of any other Debtor Relief Law. Notwithstanding anything contained in this Section 6.03 or in Section 6.01, in any Insolvency or Liquidation Proceeding, (i) if the Senior Secured Parties (or any subset thereof) are granted adequate protection in the form of additional collateral in connection with any DIP Financing or use of cash collateral under Section 363 or 364 of the Bankruptcy Code or any similar provision of any other Debtor Relief Law and the Senior Authorized Representatives and the other Senior Secured Parties do not object to the adequate protection being provided to the Senior Secured Parties, then each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, may seek or request, without objection by any Senior Secured Party, adequate protection in the form

of a replacement Lien on such additional collateral, which Lien is subordinated to the Liens securing all Senior Obligations and such DIP Financing (and all obligations relating thereto) on the same basis as the other Liens securing the Second Priority Obligations are so subordinated to the Liens securing Senior Obligations under this Agreement and (ii) in the event any Second Priority Collateral Agents, or any Second Priority Authorized Representatives, for themselves and on behalf of the relevant Secured Parties, seek or request adequate protection and such adequate protection is granted in the form of additional collateral, then such Second Priority Collateral Agents and Second Priority Authorized Representatives, for themselves and on behalf of the relevant Secured Parties, agree that each Senior Authorized Representative shall also be entitled to seek without objection from any Second Priority Secured Party, a senior Lien on such additional collateral as security for the Senior Obligations and any such DIP Financing and that any Lien on such additional collateral securing the Second Priority Obligations shall be subordinated to the Liens on such collateral securing the Senior Obligations and any such DIP Financing (and all obligations relating thereto) and any other Liens granted to the Senior Secured Parties as adequate protection on the same basis as the other Liens securing the Second Priority Obligations are so subordinated to such Liens securing Senior Obligations under this Agreement.

SECTION 6.04. Preference Issues. If any Senior Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to disgorge, turn over or otherwise pay any amount to the estate of the Company or any other Grantor (or any trustee, receiver or similar Person therefor), because the payment of such amount was declared to be fraudulent or preferential or otherwise under Chapter 5 of the Bankruptcy Code, in any respect or for any other reason, any amount (a "**Recovery**"), whether received as proceeds of security, enforcement of any right of setoff or otherwise, then the Senior Obligations shall be reinstated to the extent of such Recovery and deemed to be outstanding as if such payment had not occurred and the Senior Secured Parties shall be entitled to the benefits of this Agreement until a Discharge of Senior Obligations with respect to all such recovered amounts. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, hereby agrees that none of them shall be entitled to benefit from any avoidance action affecting or otherwise relating to any distribution or allocation made in accordance with this Agreement, whether by preference or otherwise, it being understood and agreed that the benefit of such avoidance action otherwise allocable to them shall instead be allocated and turned over for application in accordance with the priorities set forth in this Agreement and/or in the applicable Senior Documents.

SECTION 6.05. Separate Grants of Security and Separate Classifications.

(a) Each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, acknowledges and agrees that (a) the grants of Liens pursuant to the Senior Collateral Documents and the Second Priority Collateral Documents constitute separate and distinct grants of Liens and (b) because of, among other things, their differing rights in the Shared Collateral, the Second Priority Obligations are fundamentally different from the Senior Obligations and must be separately classified in any plan of reorganization proposed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, if it is held that any claims of the Senior Secured Parties and the Second Priority Secured Parties in respect of the Shared Collateral constitute a single class of claims (rather than separate classes of senior and junior secured claims), then each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, hereby acknowledges and agrees that all distributions shall be made as if there were separate classes of senior and junior secured claims against the Grantors in respect of the Shared Collateral (with the effect being that, to the extent that the aggregate value of the Shared Collateral is sufficient (for this purpose ignoring all claims held by the Second Priority Secured Parties), the Senior Secured Parties shall be entitled to receive, in

addition to amounts distributed to them in respect of principal, pre-petition interest and other claims, all amounts owing in respect of post-petition interest (whether or not allowed or allowable) before any distribution is made in respect of the Second Priority Obligations), with each Second Priority Collateral Agent and each Second Priority Authorized Representative, for itself and on behalf of the relevant Secured Parties, hereby acknowledging and agreeing to turn over to the Senior Secured Collateral Agent amounts otherwise received or receivable by them to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Secured Parties.

(b) Each Second Priority Secured Party (whether in the capacity of a secured creditor or an unsecured creditor in accordance with Section 506(a) of the Bankruptcy Code or any similar provision of any other Debtor Relief Law) shall not propose, vote in favor of, or otherwise directly or indirectly support any plan of reorganization that is inconsistent with the terms of this Agreement.

SECTION 6.06. No Waivers of Rights of Senior Secured Parties. Nothing contained herein shall, except as expressly provided herein, prohibit or in any way limit any Senior Authorized Representative or any other Senior Secured Party from objecting in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Priority Secured Party, including the seeking by any Second Priority Secured Party of adequate protection or the asserting by any Second Priority Secured Party of any of its rights and remedies under the Second Priority Documents or otherwise.

SECTION 6.07. Application. This Agreement, which the parties hereto expressly acknowledge is a "subordination agreement" under Section 510(a) of the Bankruptcy Code or any similar provision of any other Debtor Relief Law, shall be effective and enforceable before, during and after the commencement of any Insolvency or Liquidation Proceeding. The relative rights as to the Shared Collateral and proceeds thereof shall continue after the commencement of any Insolvency or Liquidation Proceeding on the same basis as prior to the date of the petition therefor, subject to any court order approving the financing of, or use of cash collateral by, any Grantor. All references herein to any Grantor shall include such Grantor as a debtor-in-possession and any receiver or trustee for such Grantor.

SECTION 6.08. Other Matters. To the extent that any Second Priority Collateral Agent, any Second Priority Authorized Representative or any Second Priority Secured Party has or acquires rights under Section 363 or Section 364 of the Bankruptcy Code or any similar provision of any other Debtor Relief Law with respect to any of the Shared Collateral, such Second Priority Collateral Agent and such Second Priority Authorized Representative, on behalf of itself and the relevant Secured Parties, agrees not to assert any such rights without the prior written consent of each Senior Authorized Representative, provided that if requested by the Senior Secured Collateral Agent or any Senior Authorized Representative, such Second Priority Authorized Representative and such Second Priority Collateral Agent shall timely exercise such rights in the manner requested by the Senior Secured Collateral Agent or such Senior Authorized Representative, including any rights to payments in respect of such rights.

SECTION 6.09. 506(c) Claims. Until the Discharge of Senior Obligations has occurred, each Second Priority Collateral and each Second Priority Authorized Representative, on behalf of itself and the relevant Secured Parties, agrees that it will not assert or enforce any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Debtor Relief Law or seek to recover any amounts that any Grantor may obtain by virtue of any claim under Section 506(c) of the Bankruptcy Code or any similar provision of any other Debtor Relief Law, in each case, for costs or expenses of preserving or disposing of any Shared Collateral or otherwise. To the extent any Second Priority Secured Party receives any payments or consideration on account of claims under 506(c) of the Bankruptcy Code or any similar provision of any other Debtor Relief Law in violation of the immediately-preceding sentence,

then such Second Priority Secured Party will turn over to the Senior Secured Collateral Agent such amounts, even if such turnover has the effect of reducing the claim or recovery of the Second Priority Secured Parties.

SECTION 6.10. Reorganization Securities. If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to a plan of reorganization or similar dispositive restructuring plan, on account of both the Senior Obligations and the Second Priority Obligations, then, to the extent the debt obligations distributed on account of the Senior Obligations and on account of the Second Priority Obligations are secured by Liens upon the same assets or property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

SECTION 6.11. Section 1111(b) of the Bankruptcy Code. Until the Discharge of Senior Obligations has occurred, none of the Second Priority Collateral Agents the Second Priority Authorized Representatives nor any Second Priority Secured Party shall seek to exercise any rights under Section 1111(b) of the Bankruptcy Code or any similar provision under any Debtor Relief Law. All rights of Senior Secured Parties to exercise any rights under Section 1111(b) of the Bankruptcy Code, if any, are reserved and unaltered by this Agreement.

ARTICLE VII

Reliance; etc.

SECTION 7.01. Reliance. Each Collateral Agent and each Authorized Representative, on behalf of itself and the relevant Secured Parties, acknowledges that it has, independently and without reliance upon any other Collateral Agent, any other Authorized Representative, any other Secured Party or any of their Affiliates and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and the other Secured Documents to which it is a party. Each Collateral Agent and each Authorized Representative, on behalf of itself and the relevant Secured Parties, also acknowledges that it will, independently and without reliance upon any Collateral Agent, any Authorized Representative, any other Secured Party or any of their Affiliates and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Secured Document or any related agreement or any document furnished hereunder or thereunder.

SECTION 7.02. No Warranties or Liability. Each Second Priority Collateral Agent and each Second Priority Authorized Representative, on behalf of itself and the relevant Secured Parties, acknowledges and agrees that none of the Senior Secured Collateral Agent, any Senior Authorized Representative nor any other Senior Secured Party has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Senior Documents, the ownership of any Shared Collateral or the perfection or priority of any Liens thereon. The Senior Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Senior Documents in accordance with law and as they may otherwise, in their sole discretion, deem appropriate, and the Senior Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that the Second Priority Collateral Agents, the Second Priority Authorized Representatives and the other Second Priority Secured Parties have in the Shared Collateral or otherwise, except as otherwise provided in this Agreement. None of the Senior Secured Collateral Agent, any Senior Authorized Representative nor any other Senior Secured Party shall have any duty to any Second Priority Collateral Agent, any Second Priority Authorized Representative or any other Second Priority Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an Event of Default or default under any agreement with the Company or

any of its Subsidiaries (including the Second Priority Documents), regardless of any knowledge thereof that they may have or be charged with. Except as expressly set forth in this Agreement, the Senior Secured Collateral Agent, the Senior Authorized Representatives, the Senior Secured Parties, the Second Priority Authorized Representatives, the Second Priority Collateral Agents and the Second Priority Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (a) the enforceability, validity, value or collectability of any of the Senior Obligations, the Second Priority Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (b) any Grantor's title to or right to transfer any of the Shared Collateral or (c) any other matter except as expressly set forth in this Agreement.

SECTION 7.03. Obligations Unconditional. All rights, interests, agreements and obligations of the Senior Secured Collateral Agent, the Senior Authorized Representatives, the Senior Secured Parties, the Second Priority Authorized Representatives, the Second Priority Collateral Agents and the Second Priority Secured Parties hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any Senior Document or any Second Priority Document;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the Senior Obligations or Second Priority Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of any Senior Document or of the terms of any Second Priority Document;

(c) any exchange of any security interest in any Shared Collateral or any other collateral or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the Senior Obligations or Second Priority Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of the Company, the Co-Issuer or any other Grantor; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, (i) the Company, the Co-Issuer or any other Grantor in respect of the Senior Obligations or (ii) any Second Priority Authorized Representative, any Second Priority Collateral Agent or Second Priority Secured Party in respect of this Agreement.

All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt (if a Business Day) and on the next Business Day thereafter (in all other cases) if delivered by hand or overnight courier service or sent by telecopy or electronic mail or on the date five Business Days

As agreed to in writing among each Authorized Representative from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable party provided from time to time by such party.

SECTION 8.02. Waivers; Amendments; Joinder Agreement.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Authorized Representative and each Collateral Agent; provided that no such agreement shall by its terms amend, modify or otherwise affect the rights or obligations of any Grantor without the Company's prior written consent.

(c) Notwithstanding the foregoing, (i) without the consent of any party hereto, any Authorized Representative or Collateral Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 8.15 of this Agreement and upon such execution and delivery, such Authorized Representative or Additional Second Priority Collateral Agent and the Additional Senior Secured Parties or Additional Second Priority Secured Parties and Additional Senior Obligations or Additional Second Priority Obligations, as applicable, of the Series for which such Authorized Representative or Additional Second Priority Collateral Agent is acting shall be subject to the terms hereof and the terms of the other Senior Documents or other Second Priority Documents applicable thereto and (ii) in connection with any Refinancing of Senior Obligations of any Series or Second Priority Obligations of any Series, or the incurrence of Additional Senior Obligations or Additional Second Priority Obligations, the Authorized Representatives and the Collateral Agents then party hereto may enter (and are hereby authorized to enter without the consent of any other Secured Party), at the request of any Authorized Representative or the Company, into such amendments or modifications of this Agreement as are reasonably necessary to reflect such Refinancing or such incurrence and are reasonably satisfactory to the Authorized Representatives, Collateral Agents and the Company.

SECTION 8.03. Parties in Interest.

This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Senior Secured Parties and Second Priority Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

SECTION 8.04. Effectiveness; Survival of Agreement. This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and delivery by each of the Grantors on the date hereof of an instrument substantially in the form of Exhibit A. All covenants,

agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

SECTION 8.05. Counterparts. This Agreement may be executed in one or more counterparts, including by means of facsimile or electronic mail, each of which shall be an original and all of which shall together constitute one and the same document. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

SECTION 8.06. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8.07. GOVERNING LAW. **THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE STATE OF NEW YORK.**

SECTION 8.08. Consent to Jurisdiction; Waivers. Each Collateral Agent and each Authorized Representative, on behalf of itself and the relevant Secured Parties, irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Collateral Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person (or its Authorized Representative) at the address referred to in Section 8.01;

(d) agrees that nothing herein shall affect the right of any other party hereto (or any Secured Party) to effect service of process in any other manner permitted by law or shall limit the right of any party hereto (or any Secured Party) to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have against another Authorized Representative, another Collateral Agent or Secured Party to claim or recover in any legal action or proceeding referred to in this Section 8.10 any special, exemplary, punitive or consequential damages.

SECTION 8.09. WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

SECTION 8.10. Headings. Article, Section and Exhibit headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

SECTION 8.11. Conflicts.

In the event of any conflict between the provisions of this Agreement and the provisions of any Senior Document or any Second Priority Document, the provisions of this Agreement shall govern. Notwithstanding the foregoing, the relative rights and obligations of the Senior Secured Collateral Agent, the Senior Authorized Representatives and the Senior Secured Parties (as amongst themselves) with respect to any Senior Collateral shall be governed by the terms of the Senior Lien Intercreditor Agreement and in the event of any conflict between the Senior Lien Intercreditor Agreement and this Agreement, the provisions of the Senior Lien Intercreditor Agreement shall control.

SECTION 8.12. Relative Rights. Notwithstanding anything in this Agreement to the contrary (except to the extent contemplated by Section 5.03), nothing in this Agreement is intended to or will (a) amend, waive or otherwise modify the provisions of any other Senior Document or Second Priority Documents, or permit the Company, the Co-Issuer or any Grantor to take any action, or fail to take any action, to the extent such action or failure would otherwise constitute a breach of, or default under, the any other Senior Document or Second Priority Documents, (b) change the relative priorities of the Senior Obligations or the Liens granted under the Senior Collateral Documents on the Shared Collateral (or any other assets) as among the Senior Secured Parties, (c) otherwise change the relative rights of the Senior Secured Parties in respect of the Shared Collateral as among such Senior Secured Parties or (d) obligate the Company, the Co-Issuer or any other Grantor to take any action, or fail to take any action, that would otherwise constitute a breach of, or default under, the Credit Agreement or any other Senior Document or any Second Priority Document.

SECTION 8.13. Integration. This Agreement together with the other Senior Documents and the Second Priority Documents represents the agreement of each of the Grantors and the Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, any Authorized Representative, any Collateral Agent or any other Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Senior Documents and the Second Priority Documents.

SECTION 8.14. Further Assurances. The Senior Secured Collateral Agent and each Senior Authorized Representative, on behalf of itself and the relevant Secured Parties, and each Second Priority Collateral Agent and each Second Priority Authorized Representative, on behalf of itself and the relevant Secured Parties, agrees that it will execute, or will cause to be executed, any and all further documents, agreements and instruments, and take all such further actions, as may be required under any applicable Law, or which any Authorized Representative may reasonably request, to effectuate the terms of this Agreement, including the relative Lien priorities provided for herein.

SECTION 8.15. Additional Secured Obligations. To the extent, but only to the extent, permitted by the provisions of the Secured Documents and this Agreement, the Company may incur Additional Senior Obligations or Additional Second Priority Obligations after the date hereof if and subject to the condition that the Authorized Representative of any Series of such Additional Senior Obligations or Additional Second Priority Obligations, as applicable (each, an "**Additional Authorized Representative**"),

acting on behalf of the holders of such Additional Senior Obligations or Additional Second Priority Obligations, as applicable, and in the case of any Additional Second Priority Obligations, the Collateral Agent in respect thereof (each, an "**Additional Second Priority Collateral Agent**"), becomes a party to this Agreement and provided that:

(i) such Additional Authorized Representative and, if applicable, such Additional Second Priority Collateral Agent, shall have delivered to the Senior Secured Collateral Agent and the Designated Second Priority Collateral Agent (with a copy to each other then-existing Collateral Agent and each other then-existing Authorized Representative) an instrument substantially in the form of Exhibit B (with such changes as may be reasonably approved by such parties) (a "**Joinder Agreement**") pursuant to which such Additional Authorized Representative becomes an Authorized Representative hereunder and any such Additional Second Priority Collateral Agent becomes a Collateral Agent hereunder, and the Series of Additional Senior Obligations or Additional Second Priority Obligations in respect of which such Additional Authorized Representative is the Authorized Representative become subject hereto and bound hereby (such Secured Obligations, the "**Additional Secured Obligations**");

(ii) the Company shall have delivered to the Senior Secured Collateral Agent and the Designated Second Priority Collateral Agent (with a copy to each other then-existing Collateral Agent and each other then-existing Authorized Representative) (x) true and complete copies of each of the Additional Senior Documents or Additional Second Priority Documents (as applicable) relating to such Additional Secured Obligations certified as being true and correct by an Officer (as defined in the Indenture) of the Company, and (y) a certificate of an Officer of the Company (A) identifying the obligations to be designated as Additional Senior Obligations or Additional Second Priority Obligations, as applicable, and the initial aggregate principal amount or face amount thereof and (B) certifying that such Additional Secured Obligations do not violate, and are not prohibited from being incurred and secured by Liens on the Collateral with the priority set forth herein by, any terms and conditions of this Agreement or any other Secured Document;

(iii) all filings, recordations and/or amendments or supplements to the Senior Security Documents or the Second Priority Security Documents necessary (or otherwise requested by the Additional Authorized Representative or Additional Collateral Agent) to confirm and perfect the Liens securing the relevant obligations relating to such Additional Senior Obligations or such Additional Second Priority Obligations shall have been made, executed and/or delivered by the applicable Grantor (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordations shall have been taken in the reasonable judgment of the Additional Authorized Representative or Additional Collateral Agent), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments shall have been taken in the reasonable judgment of the Additional Authorized Representative or Additional Collateral Agent);

(iv) the Additional Senior Documents or Additional Second Priority Documents, as applicable, relating to such Additional Senior Obligations or Additional Second Priority Obligations, shall provide, that each Secured Party with respect to such Additional Senior Obligations or such Additional Second Priority Obligations will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Senior Obligations or Additional Second Priority Obligations; and

(v) in the case of any Additional Senior Obligations, such Additional Authorized Representative shall have executed and delivered a Joinder Agreement (as defined in the Senior

Lien Intercreditor Agreement) in accordance with the provisions of Section 5.15 of the Senior Lien Intercreditor Agreement.

Each Authorized Representative and each Collateral Agent acknowledges and agrees that upon execution and delivery of a Joinder Agreement substantially in the form of Exhibit B in accordance with this Section 8.15, (x) the Senior Secured Collateral Agent will continue to act in its capacity as Collateral Agent in respect of the then existing Senior Obligations as well as such Additional Senior Obligations and (y) the Designated Second Priority Collateral Agent will continue to act in its capacity as Collateral Agent in respect of the then existing Second Priority Obligations as well as such Additional Second Priority Obligations.

SECTION 8.16. Information Concerning the Financial Condition of the Company and the Subsidiaries. None of the Senior Secured Collateral Agent, the Senior Authorized Representatives, the Senior Secured Parties, the Second Priority Collateral Agents, the Second Priority Authorized Representatives and the Second Priority Secured Parties shall have any responsibility for keeping any other party informed of (a) the financial condition of the Company, the Co-Issuer and the Subsidiaries and all endorsers or guarantors of the Senior Obligations or the Second Priority Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Senior Obligations or the Second Priority Obligations. The Senior Secured Collateral Agent, the Senior Authorized Representatives, the Senior Secured Parties, the Second Priority Collateral Agents, the Second Priority Authorized Representatives and the Second Priority Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. 2.4 Attachment of Security Interest

The parties hereby acknowledge that:

(a) value has been given;

(b) each Debtor has rights in its Collateral; and

(c) the parties have not agreed to postpone the time for attachment of the security interests created by this Agreement.

The parties further agree that the security interests created by this Agreement are intended to attach to all Collateral in which a Debtor acquires an interest as a result of any amalgamation, arrangement or similar proceeding.

constitute a breach and/or default or cause the acceleration or termination of such Contractual Right, said security interest shall not be granted hereunder but each Debtor shall hold its interest therein in trust for the Collateral Agent. The security interest with respect to the trade-marks constitutes a security interest in, and a charge, hypothecation and pledge of, such Collateral in favour of the Collateral Agent, but does not constitute an assignment or mortgage of such Collateral to the Collateral Agent or any other Secured Party. Until the Enforcement Date, the grant of the security interest in the intellectual property will not affect in any way any Debtor's rights to commercially exploit it or defend or enforce such Debtor's rights in it or with respect to it. The security interest does not extend to consumer goods.

2.7 Voting and Distributions re: Securities

Prior to the Enforcement Date, all interest, cash dividends or distributions, income and revenue from Securities that have been delivered to the Collateral Agent pursuant to Section 3.1(b) or which are subject to a Control Agreement (but not the proceeds of disposition of such Securities) shall be collected by and payable to the relevant Debtor (and not the Collateral Agent), and such Securities shall be voted by the relevant Debtor, and all non-cash dividends or distributions paid on such Securities, if received by the relevant Debtor, shall be paid to, and held by, the Collateral Agent as Collateral. On and after the Enforcement Date, all dividends and distributions paid on such Securities, and all interests, income and revenue from such Securities, if received by the relevant Debtor, shall be paid to the Collateral Agent for further distribution to the Lender and application against the Secured Obligations in accordance with Section 7.2 of the Credit Agreement, and the Collateral Agent shall be entitled to vote or not to vote such Securities as the Collateral Agent sees fit.

2.8 Excluded Assets

The parties hereto acknowledge and agree that notwithstanding any provision to the contrary set forth herein, the security interests granted hereby shall not and do not extend to the Excluded Assets.

ARTICLE 3

(d) Promptly upon the reasonable written request by the Collateral Agent after the occurrence and during the continuance of an Event of Default, each Debtor shall:

(i) direct the issuer of any and all Certificated Securities included in or relating to the Collateral as the Collateral Agent may specify in its request to register the applicable Security Certificate in the name of the Collateral Agent or such nominee as it may direct;

(ii) direct the issuer of any and all Uncertificated Securities included in or relating to the Collateral as the Collateral Agent may specify in its request to register the Collateral Agent or such nominee as it may direct as the registered owner of the Uncertificated Security;

(v) to the extent that a Control Agreement is not already in place, enter into with the Collateral Agent and any Securities Intermediary for any Securities Accounts or Security Entitlements (other than Security Entitlements in respect of ULC Shares) included in or relating to the Collateral as the Collateral Agent may specify in its request, a Control Agreement in respect of such Securities Accounts or Security Entitlements for the purpose of perfecting the security interest of the Collateral Agent in such Securities Accounts or Security Entitlements provided always that such Control Agreement shall entitle such Debtor to exercise all rights of ownership to such Securities Accounts or Security Entitlements until the security hereby constituted becomes enforceable upon the Enforcement Date, including without limitation the ability to trade, make investment decisions and remove Securities Accounts or Security Entitlements and proceeds from the relevant account.

(e) The Borrowers will not use or acquire for use any Collateral as consumer goods.

(f) Other than at any time during which an Event of Default has occurred and is continuing, nothing shall require a Debtor to certificate Securities which are uncertificated.

(g) No Debtor will enter into nor consent to any third party entering into, any Control Agreement that deals, directly or indirectly, with the Collateral.

3.2 Performance of Covenants by the Collateral Agent

Upon the occurrence of an Event of Default that is continuing, the Collateral Agent may, in its sole discretion and upon notice to the Borrowers, perform any covenant of the Borrowers under this Agreement that the Borrowers fail to perform and that the Collateral Agent is capable of performing, including, without limitation, any covenant the performance of which requires the payment of money, provided that the Collateral Agent will not be obligated to perform any such covenant on behalf of the Borrowers and no such performance by the Collateral Agent will require the Collateral Agent further to perform the Borrowers' covenants nor operate as a derogation of the rights and remedies of the Collateral Agent under this Agreement.

All payments due under this Debenture shall be paid in immediately available funds in accordance with the Credit Agreement. Interest accruing due hereunder shall be calculated and paid in accordance with Section 2.8 and Section 2.10 (as applicable) of the Credit Agreement.

2.2 No Merger

Neither the granting of this Debenture nor any proceeding taken hereunder or with respect hereto or under any security or evidences of security taken by the Collateral Agent, nor any judgment obtained in such proceedings, shall operate as a merger of the Secured Obligations or of any simple contract debt or in any way suspend payment of, affect or prejudice the rights, remedies or powers, legal or equitable, which the Collateral Agent, for and on behalf of the Secured Parties, may hold in connection with the Secured Obligations and any security which may be taken by the Collateral Agent in addition to, by way of renewal of, or in substitution for any present or future bill, promissory note, obligation or security evidencing the **S**ecured Obligations or a part thereof, or be deemed a payment or satisfaction of the Secured Obligations or any part thereof or merge therein and any right reserved to the Collateral Agent under any document may be exercised by the Collateral Agent concurrently or consecutively with or to any other rights reserved to it.

2.3 No Obligation to Advance

ARTICLE 3
SECURITY

3.1 Security

To secure the payment, performance and final and indefeasible satisfaction in full of the Secured Obligations of each Borrower, each Borrower hereby (subject to the exceptions contained in Sections 3.2, 3.3 and 3.4 and subject to Permitted Liens) mortgages, charges, pledges, assigns and grants a security interest to and in favour of the Collateral Agent, for and on behalf of the Secured Parties:

(a) as and by way of a first fixed and specific mortgage and charge on, and first security interest in all of such Borrower's right, title, estate and interest, whether freehold, leasehold or other, and whether now owned or hereafter acquired, in, to, under and in respect of the Mineral Rights; and

(b) as and by way of a first floating mortgage, charge on and security interest in all of the Collateral of such Borrower (not validly subjected to a first fixed and specific mortgage, charge and security interest pursuant to subsection 3.1(a) above), both present and future of whatsoever nature and kind and wheresoever situated,

to have and to hold the same for the uses and purposes, with the rights, powers and authorities, and on the terms and conditions herein provided.

3.2 Attachment

Each Borrower acknowledges conclusively that, subject to Section 3.3, the Borrowers and the Collateral Agent intend the Charge in the Collateral to attach immediately upon the execution of this Debenture, except in the case of Collateral in which a Borrower subsequently acquires rights, in which case the Charge shall attach contemporaneously with such Borrower acquiring rights therein without the need for any further or other deed, act or consideration. Subject to Section 3.3, the Charge shall be effective and shall attach as of the date hereof whether the Secured Obligations hereby secured or any part thereof shall become owing by a Borrower before or after or upon the date of execution of this Debenture. Each Borrower acknowledges conclusively that value has been given.

3.3 Exception re: Leaseholds and Contractual Rights

The last day of the term of any lease, sublease or agreement therefor is specifically excepted from the security interest created by this Debenture, but each Borrower agrees to stand possessed of such last day in trust for such person as the Collateral Agent may direct and each Borrower shall assign and dispose thereof in accordance with such direction. To the extent that the security interest created by this Debenture in any contractual rights, leases, licences, intellectual property, permits and other governmental authorizations (including Project Authorizations and other Authorizations) (herein called the "**Contractual Rights**") would constitute a breach and/or default or cause the acceleration or termination of such Contractual Right, said security interest shall not be granted hereunder but each Borrower shall hold its interest therein in trust for the Collateral Agent. The security interest with respect to the trade-

marks constitutes a security interest in, and a charge, hypothecation and pledge of, such Collateral in favour of the Collateral Agent, but does not constitute an assignment or mortgage of such Collateral to the Collateral Agent or any other Secured Party. Until the Enforcement Date, the grant of the security interest in the intellectual property will not affect in any way any Borrower's rights to commercially exploit it or defend or enforce such Borrower's rights in it or with respect to it. The security interest does not extend to consumer goods.

3.4 Excluded Assets

The parties hereto acknowledge and agree that notwithstanding any provision to the contrary set forth herein, the Charge and the security interests granted hereby shall not and does not extend to the Excluded Assets.

3.5 Commingled Goods

If Collateral subsequently becomes part of a product or mass to which the security interest of another secured party attaches, then the Charge shall continue in such product or mass and extend to all accounts, Replacements or proceeds arising from any dealing with such product or mass, ranking in priority to those Liens of any other person holding a Lien upon such product or mass.

3.6 Proceeds Held in Trust

All proceeds of the Collateral that are monies collected or received by the Borrowers will be received by the Borrowers in trust for the Collateral Agent and will be forthwith paid to the Collateral Agent. The Collateral Agent shall not exercise its rights under this Section 3.6, and the Borrowers' trust obligations under this Section 3.6 need not be complied with, unless such proceeds arise from a disposition of Collateral which is not permitted hereunder or under the Credit Agreement or unless and until the security hereby constituted becomes enforceable upon the Enforcement Date.

ARTICLE 4
REMEDIES

4.1 Acceleration

All of the principal hereof, accrued and unpaid interest hereon and all other Secured Obligations shall automatically become immediately due and payable on the Enforcement Date. Further, the Charge shall become immediately crystallized (to the extent any portion thereof has not already become crystallized) and enforceable without the necessity for any further action or notice by the Collateral Agent.

4.2 Remedies – General

At any time after the Enforcement Date, the Collateral Agent (or a Receiver on behalf of the Collateral Agent) shall have the following rights, powers and remedies, in each case subject to Applicable Law:

(a) The Collateral Agent may at any time enter upon any premises owned, leased or otherwise occupied by a Borrower where any Collateral is located to take possession of, disable or remove any Collateral, and may use whatever means the Collateral Agent considers advisable to do so. Each Borrower shall forthwith upon demand deliver to the Collateral Agent possession of any Collateral at the place specified by the Collateral Agent.

(b) The Collateral Agent may sell, lease, consign, license, assign or otherwise dispose of any Collateral by public auction, private tender or private contract with or without notice, advertising or any other formality, all of which are hereby waived by the Borrowers to the extent permitted by Applicable Law. The Collateral Agent may, at its discretion, establish the terms of such disposition, including terms and conditions as to credit, upset, reserve bid or price. All payments made pursuant to such dispositions shall be credited against the Secured Obligations only as they are actually received. The Collateral Agent may buy in, rescind or vary any contract for the disposition of any Collateral and may dispose of any Collateral again without being answerable for any loss occasioned thereby. Any such disposition may take place whether or not the Collateral Agent has taken possession of the Collateral. The exercise by the Collateral Agent of any power of sale does not preclude the Collateral Agent from further exercise of its power of sale in accordance with this clause.

(c) The Collateral Agent may carry on, or concur in the carrying on of, any of the businesses or undertakings of the Borrowers and may, to the exclusion of all others, including the Borrowers, enter upon, occupy and use any of the premises, buildings, plant and undertaking of or occupied or used by the Borrowers where Collateral is located and may use any of the equipment and Tangibles forming part of the Collateral for such time and such purposes as the Collateral Agent sees fit.

(d) The Collateral Agent may pay any liability secured by any actual or threatened Lien against any Collateral. The Collateral Agent may borrow money for the maintenance, preservation or protection of any Collateral or for carrying on any of the businesses or undertakings of the Borrowers and may grant Liens in any Collateral in priority to the Charge as security for the money so borrowed. The Borrowers will forthwith on demand reimburse the Collateral Agent for all such payments and borrowings and all such payments and borrowings shall constitute Secured Obligations.

(e) The Collateral Agent may seize, collect, realize, dispose of, enforce, release to third parties or otherwise deal with any Collateral in such manner, upon such terms and conditions and at such time as it deems advisable without notice to the Borrowers, and may charge on its own behalf and pay to others its costs and expenses (including legal, Receiver's and accounting fees and expenses on a full indemnity basis) incurred in connection with such actions. The Borrowers will forthwith upon demand reimburse the Collateral Agent for all such costs and expenses.

(f) The Collateral Agent may have, enjoy and exercise all of the rights of and enjoyed by the Borrowers with respect to the Collateral or incidental, ancillary, attaching or deriving from the ownership by the Borrowers of the Collateral, including the right to enter into agreements and grant licences over or pertaining to Collateral, the right to commence or continue any suit, action or proceeding to preserve or protect Collateral and the right to grant or agree to Liens and grant or reserve profits à prendre, easements, rights of ways, rights in the nature of easements and licences over or pertaining to the whole or any part of the Collateral.

(g) Upon any sale by the Collateral Agent of any leasehold interest pursuant to this Debenture, the Collateral Agent, for the purpose of vesting the one day residue of the term or renewal thereof in any purchaser, shall be entitled by deed or writing to appoint such purchaser or any other person as a new Collateral Agent of the aforesaid residue of any such term or renewal thereof in the place and stead of the relevant Borrowers and to vest the same accordingly in the new Collateral Agent so appointed free from any obligation respecting the same.

(h) The Collateral Agent may retain the services of such agents, lawyers, accountants, appraisers and other consultants as the Collateral Agent may deem necessary or desirable in connection with anything done or to be done by the Collateral Agent or with any of the rights of the Collateral Agent set out herein and pay their commissions, fees and disbursements (which payment shall constitute part of the Secured Obligations reimbursable by the Borrowers hereunder). The Borrowers shall forthwith on demand reimburse the Collateral Agent for all such payments.

(i) The Collateral Agent may complete any unfinished construction upon or in the Collateral including the power to:

(i) appoint and engage superintendents, architects, engineers, miners, geologists, consultants, contractors, managers, advisors and such other personnel which, in the discretion of the Collateral Agent, may be required to construct, furnish or operate the Collateral;

(ii) enter into contracts for the supply of materials and services which the Collateral Agent deems necessary to complete or operate the Collateral;

(iii) enter into and enforce and take the benefit of licences, agreements, Authorizations and other arrangements in respect of the Collateral which provide loans, grants or licences, from governmental authorities or from any other source whatsoever;

(iv) enter into, enforce, use and take the benefit of construction contracts, contracts for services or materials, performance bonds, letters of credit, insurance contracts, development agreements, plans, studies, reports, information or any other matter, material or arrangement in respect of the Collateral; and

(v) terminate any Licences, agreements or other arrangements made by the Borrowers in connection with the Collateral on such terms as the Collateral Agent deems reasonable.

(j) In lieu of appointing a Receiver as provided in Section 4.6, apply to any court or courts of competent jurisdiction for the appointment of a Receiver of the Collateral or any part thereof, with such powers as the court or courts making such appointment or appointments shall confer.

4.3 Possession

The Borrowers shall on demand by the Collateral Agent or any Receiver yield up possession of the Collateral or any part thereof as demanded by the Collateral Agent whenever the Collateral Agent shall have a right to exercise any rights or remedies under Section 4.2 and put no obstacle in the way of, but facilitate by all legal means, the actions of the Collateral Agent or any Receiver hereunder and not interfere with the carrying out of the powers hereby granted to the Collateral Agent or any Receiver.

4.4 Judgment

The Borrowers covenant and agree with the Collateral Agent that, in the case of any judicial or other proceeding to enforce the Charge or any part thereof, judgment may be rendered against the Borrowers in favour of the Collateral Agent for any amount remaining due under this Debenture or for which the Borrowers may be liable hereunder, after the application to the payment thereof of the proceeds of any sale of the Collateral or any part thereof. The covenant of the Borrowers to pay interest at the rate provided in this Debenture shall not merge in any such judgment and such judgment shall bear interest at the rate set forth in this Debenture until such judgment and all interest thereon has been paid in full.

4.5 Account Debtors

(a) All persons producing, purchasing, taking, processing or receiving any Mineral Substances produced from or allocable to the Mineral Properties, having in their possession any such Mineral Substances or proceeds therefrom, being a debtor on an intangible or chattel paper, an obligor on an instrument or any other person being obligated to pay any account receivable or other debt due, owing or accruing due to an Borrower, including operators or managers under any operating agreement, management agreement, lease, or otherwise, are, after the security granted hereby becomes enforceable upon the Enforcement Date, entitled to treat and regard the Collateral Agent as the assignee and transferee from such Borrower, and are, after the security granted hereby becomes enforceable upon the Enforcement Date entitled in the place and stead of such Borrower, to receive such Mineral Substances, proceeds, accounts and other debts. No delay or omission of the Collateral Agent in the exercise of any right, power or remedy accruing upon any default shall impair any such right, power or remedy or shall be construed to be a waiver of any such default or an acquiescence therein. Every right, power and remedy given to the Collateral

Agent or to a Receiver by this Debenture or under Applicable Law may be exercised from time to time and as often as may be deemed expedient by the Collateral Agent or such Receiver, as applicable. In case the Collateral Agent shall have proceeded to enforce any right under this Debenture and the proceedings for the enforcement thereof shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Collateral Agent, then and in every such case the Borrowers and the Collateral Agent shall, without any further action hereunder, to the full extent permitted by Applicable Law, subject to any determination in such proceedings, severally and respectively, be restored to their former positions and rights hereunder and thereafter all rights, remedies and powers of the Collateral Agent shall continue as though no such proceeding had been taken.

The power of attorney hereby granted is coupled with an interest, is irrevocable and shall extend to the successor and assigns of each Borrower. Each Borrower agrees to be bound by any representations and actions made or taken in good faith by the Collateral Agent pursuant to this power of attorney in accordance with the terms thereof and hereby waives any and all defences which may be available to it to contest, negate or disaffirm the actions of the Collateral Agent taken in good faith under this power of attorney.

4.13 Effect of Appointment of Receiver

As soon as the Collateral Agent takes possession of any Collateral or appoints a Receiver over any Collateral, all rights of each of the representatives of the Borrowers with respect to that Collateral shall, to the extent permitted by Applicable Law, cease, unless specifically continued by the written consent of the Collateral Agent or the Receiver.

If any act or omission is expressly prohibited hereunder, but the Credit Agreement does not expressly permit such act or omission, or if any act

RECITALS:

A. BIM LP and Baffinland Iron Mines Corporation (collectively, the "**Borrowers**") have entered in a certain credit agreement, dated as of May 26, 2017 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), by and among, *inter alia*, the Borrowers, the several lenders from time to time party thereto, Alter Domus (US) LLC (together with its permitted successor), as administrative agent, and Wilmington Trust, National Association, as collateral agent (together with its permitted successor) (the "**Collateral Agent**");

B. The Issuer has issued, and may in the future issue, certain uncertificated securities to BIM LP, as applicable (all such presently and future issued securities including, without limitation, those identified in Schedule A hereto, the "**Securities**").

C. Pursuant to a general security and pledge agreement, as may be amended from time to time, between, *inter alios*, BIM LP and the Collateral Agent dated as of May 26, 2017 (the "**GSA**"), BIM LP has granted to the Collateral Agent, for and on behalf of the Secured Parties, a security interest in, *inter alia*, the Securities owned by it as security for the payment and performance of its Secured Obligations (as such term is defined in the GSA).

D. The Collateral Agent, BIM LP and the Issuer are entering into this Agreement to establish control (as defined in the *Securities Transfer Act*, 2006 (Ontario) as in effect from time to time (the "**STA**")) over the Securities for purposes of the PPSA (as defined below).

NOW THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the receipt and sufficiency of which are acknowledged by the parties, the parties agree as follows:

1. Capitalized Terms

Capitalized terms used in this Agreement and not otherwise defined have the respective meanings given to them in the Credit Agreement.

2. The Securities

(a) The Issuer represents and warrants to each other party hereto that:

(i) its jurisdiction for purposes of the *Personal Property Security Act* (Ontario) as in effect from time to time (the "**PPSA**") is Ontario; and

(ii) it has not entered into any agreement which establishes control (as defined in the STA) in respect of the Securities issued by it to BIM LP,

other than this Agreement and the security delivered in connection with the EDC Credit Agreement.

(b) The parties acknowledge and agree that the Securities are "uncertificated securities" within the meaning of the PPSA and the STA and that they are to be treated as uncertificated securities for purposes of the STA.

(c) BIM LP consents to the granting of control over the Securities to the Collateral Agent pursuant to this Agreement.

3. Priority of Security Interest

The Issuer (i) acknowledges the security interest in the Securities granted to the Collateral Agent by BIM LP, and (ii) consents to the pledge of the Securities and any subsequent transfer of the Securities by the Collateral Agent in connection with their disposition.

4. Instructions

(a) The Issuer will comply with instructions (as defined in the STA) originated by the Collateral Agent directing such Issuer to (i) register a transfer of the Securities on the records of such Issuer, or (ii) redeem the Securities, in each case, without any further consent of, or other action by, BIM LP as if such instructions had been irrevocably given by BIM LP.

(b) The Issuer may rely upon any instruction that it reasonably believes to be from the Collateral Agent.

(c) Subject to the security delivered in connection with the EDC Credit Agreement, the Issuer has not agreed and will not agree, orally or in writing, to comply with instructions concerning the Securities originated by a Person other than the Collateral Agent without the prior written consent of the Collateral Agent.

(d) The Collateral Agent shall not deliver any instructions pursuant to Section 4(a) prior to the Enforcement Date (as defined in the GSA).

5. Rights of BIM LP

Notwithstanding Section 4(c) and provided that the security granted pursuant to the GSA has not become enforceable upon the Enforcement Date (as defined in the GSA) and remains enforceable on such date, BIM LP, so long as it is the registered owner of such Securities, may:

(a) make substitutions for the Securities;

(b) originate instructions to the Issuer; and

(c) otherwise deal with the Securities,

all in accordance with the Credit Agreement and other Collateral Documents.

6. Delivery of Securities

(a) The Issuer will, at all times, maintain a register evidencing the registered ownership of the Securities. The Collateral Agent may, at any time after the occurrence of an Event of Default that is continuing, require in writing "delivery" of the Securities as provided for in Section 68 of the STA.

(b) Upon the security granted pursuant to the GSA becoming enforceable upon the Enforcement Date (as defined in the GSA) and for so long as such event continues, BIM LP shall not be entitled to give any instructions with respect to the Securities or otherwise deal with the Securities without the prior written consent of the Collateral Agent.

7. Copies to be Sent to Collateral Agent

If any Issuer receives notice of any lien or adverse claim against the Securities, it will promptly notify the Collateral Agent and the BIM LP thereof.

8. Shareholder Agreements

In the event of a conflict between this Agreement and any other agreement between the Issuer and BIM LP, the terms of this Agreement will prevail.

9. Termination Rights

This Agreement will continue in full force and effect until the Secured Obligations Termination Date (as defined in the GSA). On the Secured Obligations Termination Date, the obligations of the Issuer to the Collateral Agent arising pursuant to this Agreement will terminate and the Collateral Agent will have no right to issue instructions.

10. No Implied Warranties

The Collateral Agent and the Secured Parties (as defined in the GSA) shall not be deemed to make any implied warranties, including those referred to in Sections 34 and 36 of the STA, at any time that the Collateral Agent originates an instruction or otherwise exercises any rights under this Agreement and each of the Issuer and BIM LP waives any rights they may have to assert a claim with respect to any such warranties.

11. Amendments and Waivers

No amendment or waiver of any provision of this Agreement, nor consent to any departure by a party from its provisions will be effective unless the same is in writing and signed by the Collateral Agent, and, in the case of an amendment, in writing and signed by the Collateral Agent, the Issuer and BIM LP, and then the waiver or consent will be effective only in the specific instance and for the specific purpose for which it was given. No failure on the part of the Collateral Agent to exercise, and no delay in exercising, any right hereunder will operate as a waiver of such right; nor will any single or partial exercise of any right preclude any other or further exercise of such right or the exercise of any other right.

12. Severability

If any provision of this Agreement is determined by a court of competent jurisdiction to be illegal, invalid or unenforceable, that provision shall be severed from this Agreement and be ineffective to the extent of such illegality, invalidity or unenforceability and the remaining provisions shall continue in full force and effect.

13. Further Assurance

The parties shall at all times do, execute, acknowledge and deliver such acts, certificates, agreements and other documents as may be reasonably necessary or desirable to give effect to the terms of this Agreement.

14. Remedies Cumulative

The rights granted to the Collateral Agent in this Agreement are in addition to and not in substitution for any other rights of the Collateral Agent and the Secured Parties (as defined in the GSA) pursuant to any security held by them. Nothing in this Agreement shall restrict the rights of the Collateral Agent and the Secured Parties pursuant to any security held by them.

15. Authorization

For the purposes of this Agreement, any attorney, officer, employee or agent of the Collateral Agent shall be authorized to act and to give instructions and notices for and on behalf of the Collateral Agent.

16. Successors and Assigns

This Agreement shall become effective when it is executed by all the parties and thereafter shall be binding upon and enure to the benefit of the parties and their respective successors and permitted assigns. Except as otherwise provided in Section 17, neither this Agreement nor any of the rights, duties or obligations under this Agreement are assignable or transferable by a party without the prior written consent of the other parties. Any attempt to assign any of the rights, duties or obligations in this Agreement without such written consent is void.

17. Assignment by Collateral Agent

This Agreement may be assigned by the Collateral Agent to any successor or assignee of the Collateral Agent in accordance with the terms of the Credit Agreement.

18. Notices

All notices and other communications provided for herein shall be in writing and shall be personally delivered to an officer of the addressee or sent by email or telefacsimile, charges prepaid, at or to the applicable party hereto at the address, email address (which email notice shall be sent with a “read receipt” request) or telefacsimile number, as the case may be, set forth on the signature pages hereto or to such other address or addresses or telefacsimile number or numbers or email address or addresses as any party hereto may from time to time designate to the other parties in such manner. Any communication which is personally delivered as aforesaid shall be deemed to have been validly and effectively given on the date of such

Any communication which is transmitted by telefacsimile as aforesaid shall be deemed to have been validly and effectively given on the date of transmission if such date is a Business Day and such transmission was received by 12:00 p.m. (Toronto time); otherwise, it shall be deemed to have been validly and effectively given on the Business Day next following such date of transmission. Any party sending a notice by telefacsimile or email shall, in order to constitute a valid notice hereunder, have received confirmation of receipt from the intended recipient's telecopier or email server.

19. Gender and Number

Any reference in this Agreement to gender includes all genders and words importing the singular include the plural and *vice versa*.

20. Governing Law

Notwithstanding any provision in any other agreement relating to the Securities, the parties agree that this Agreement and all interests, duties and obligations with respect to the Securities, are governed by and are to be interpreted, construed and enforced in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein, without regard to conflict of law principles. Each of the parties irrevocably attorns and submits to the non-exclusive jurisdiction of the courts of the Province of Ontario.

21. Counterparts

This Agreement may be executed in any number of separate counterparts (including by facsimile or other electronic means) and all such signed counterparts will together constitute one and the same agreement. To evidence its execution of an original counterpart of this Agreement, a party may send a copy of its original signature on the execution page hereof to the other parties by facsimile or other means of recorded electronic transmission and such transmission with an acknowledgement of receipt shall constitute delivery of an executed copy of this Agreement to the receiving party.

22. Rule of Construction

This Agreement has been negotiated by each party with the benefit of legal representation, and any rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not apply to the construction or interpretation of this Agreement.

23. Concerning the Collateral Agent

Wilmington Trust, National Association, as Collateral Agent, is a party to this Agreement solely in its capacity as Collateral Agent pursuant to the Credit Agreement and not in its individual capacity. The Collateral Agent shall have all of the rights, privileges and immunities afforded to it as Collateral Agent under the Credit Agreement and the other Security Documents (as defined in the Credit Agreement) as though fully set forth herein. Any permissive rights granted to the Collateral Agent pursuant to this Agreement shall not be construed as duties and wherever in this Agreement the Collateral Agent is granted discretion, such discretion shall be exercised pursuant to the terms of the Credit Agreement.

24. Conflict

Notwithstanding any other provision contained herein, this Agreement, the security created hereby and the rights, remedies, duties and obligations provided for herein are subject in all respects to the provisions of the Senior Lien Intercreditor Agreement. ARTICLE 3
COVENANTS OF THE PLEDGOR

3.1 Covenants

The Pledgor hereby covenants and agrees with the Collateral Agent as follows:

(a) Promptly upon the reasonable request of the Collateral Agent from time to time at any time that an Event of Default has occurred and is continuing, the Pledgor shall:

(i) deliver (or cause to be delivered) to the Collateral Agent, endorsed to the Collateral Agent or such nominee as it may direct and/or accompanied by such instruments of assignment and transfer in such form and substance as the Collateral Agent may reasonably request, any Securities included in or forming part of the Collateral, as the Collateral Agent may specify in its request;

(ii) direct the issuer of any and all Certificated Securities included in or relating to the Collateral as the Collateral Agent may specify in its request to register the applicable Security Certificate in the name of the Collateral Agent or such nominee as it may direct;

(iii) direct the issuer of any and all Uncertificated Securities included in or relating to the Collateral as the Collateral Agent may specify in its request to register the Collateral Agent or such nominee as it may direct as the registered owner of the Uncertificated Security;

(iv) to the extent a Control Agreement is not already in place, enter into with the Collateral Agent and the issuer of Uncertificated Securities included in or relating to the Collateral as the Collateral Agent may specify in its request, the Control Agreement in respect of such Uncertificated Securities for the purpose of perfecting the security interest of the Collateral Agent in such Uncertificated Securities provided always that such Control Agreement shall entitle such Pledgor to exercise all rights of ownership to such Uncertificated Securities until the security hereby constituted becomes enforceable upon the Enforcement Date, including without limitation the ability to trade, make investment decisions and remove Uncertificated Securities and proceeds from the relevant account.

(b) Other than at any time during which an Event of Default has occurred and is continuing, nothing shall require a Pledgor to certificate (or cause to be certificated) Uncertificated Securities included in or relating to the Collateral.

(c) No Pledgor will enter into nor consent to any third party entering into, any control agreement that deals, directly or indirectly, with the Collateral, except for any Control Agreement and except in connection with the Senior Secured Notes Indenture or the Senior Credit Facility.

ARTICLE 4
ENFORCEMENT

4.1 Enforcement

The security hereby constituted shall immediately become enforceable without notice of any kind, which notice is expressly waived by the Pledgor, upon the Enforcement Date.

ARTICLE 5
REMEDIES AND SALE OF COLLATERAL

5.1 Remedies

On and after the Enforcement Date, the Collateral Agent shall be entitled, but not bound, to exercise any and all rights (a) which are available to a secured party at law, including under the PPSA, (b) which are set out in the Credit Facility and any Collateral Document or any other agreement relating to the Secured Obligations or (c) which an owner of Collateral may have at any time, including, to the extent applicable and pursuant to the provisions of this agreement, the right to attend and to vote at all meetings of holders of Collateral.

5.2 Exclusion from Liability

In realizing upon the Collateral, the Collateral Agent shall not be responsible for any loss occasioned by any sale or other realization thereof or for the failure to sell or otherwise

dispose of the Collateral, and the Collateral Agent shall not be bound to protect the Collateral from depreciating in value.

5.3 Purchase by the Collateral Agent or Affiliate

Upon any sale or realization of the Collateral or any portion thereof by way of public auction or tender, the Collateral Agent, for and on behalf of the Secured Parties, may purchase the Collateral or such portion thereof free from any right or equity of redemption, which right or equity of redemption is expressly waived by the Pledgor, and may, in paying the purchase price, apply so much of the Secured Obligations on account of the purchase price as may be necessary for such purpose.

5.4 Acknowledgement of the Pledgor

The Pledgor recognizes that the Collateral Agent may be unable to effect a public sale of any or all of the Collateral by reason of certain prohibitions contained in the applicable securities laws or otherwise, but may be compelled to resort to one or more private sales thereof to a restricted group of purchasers who will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. The Pledgor acknowledges and agrees that any such private sale may result in prices and other terms less favourable to the seller than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall not be deemed to have been made in a commercially unreasonable manner solely by reason of its being a private sale. The Collateral Agent shall be under no obligation to delay a sale of any of the Collateral for the period of time necessary to permit the issuer of such securities to register such securities for public sale under applicable securities laws, or otherwise, even if the issuer would agree to do so.

5.5 Proceeds of Disposition

All monies received by the Collateral Agent or by a receiver pursuant to this agreement shall be applied in accordance with Section 7.2 of the Credit Facility.

5.6 Securities of an Unlimited Liability Company

Notwithstanding any provisions to the contrary contained in this agreement, the Credit Facility or any Collateral Document,

(a) the applicable Pledgor is and shall be the sole registered and beneficial owner of each ULC Share subject to the security hereby constituted and will remain so until such time as such ULC Shares are effectively transferred into the name of the Collateral Agent or another person on the books and records of the unlimited liability company issuer thereof; and

(b) no security over ULC Shares shall be enforceable without notice in writing from the Collateral Agent to the applicable Pledgor that specifically identifies the ULC Shares and the intention of the Collateral Agent to enforce security therein.

ARTICLE 6
RELEASE OF COLLATERAL

6.1 Release of Collateral

The security interest constituted hereby will be discharged on the Secured Obligations Termination Date. On the Secured Obligations Termination Date, the Collateral Agent will execute and deliver to the Pledgor such releases and discharges as the Pledgor may reasonably require.

6.2 Non-Release

The pledge constituted hereby shall not be released, discharged or in any way affected by:

(a) any increase or decrease in the amount of the Secured Obligations or the Guaranteed Obligations;

(b) an extension of time for payment of the Secured Obligations or the Guaranteed Obligations;

(c) any modification of any of the Secured Obligations or the Guaranteed Obligations; or

(d) any forebearance whatsoever whether as to time, performance or otherwise, or any compromise, arrangement or plan or reorganization affecting any Pledgor or Obligor.

ARTICLE 7
GENERAL CONTRACT PROVISIONS

7.1 Notices

All notices and other communications provided for herein or in the Control Agreement shall be made in accordance with Section 5.1 of the Limited Recourse Guarantee.

7.2 Severability

Any provision hereof which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof.

7.3 Further Assurances

The Pledgor hereby agrees to sign and deliver, or cause to be signed and delivered, to the Collateral Agent all such further and other deeds, documents, certificates, agreements and written instruments and to take all such further action as may, in the opinion of the Collateral Agent, be reasonably necessary for the purpose of better assuring to the Collateral Agent, perfecting or enforcing the security constituted hereby. In the event that a Pledgor shall fail to do so, such Pledgor hereby irrevocably nominates and constitutes the Collateral Agent, with full power of substitution, its true and lawful attorney and Collateral Agent,

with full power and authority, in its name, place and stead, to sign and deliver any such deeds, documents, certificates, agreements and written instruments and to take such action. The power of attorney hereby granted is coupled with an interest, is irrevocable and shall extend to the successors and assigns of such Pledgor, provided that the power of attorney shall continue only until the Collateral is released in accordance with Section 6.1. The Pledgor agrees to be bound by any representations and actions made or taken in good faith by the Collateral Agent pursuant to this power of attorney in accordance with the terms thereof and hereby waives any and all defences which may be available to it to contest, negate or disaffirm the actions of the Collateral Agent taken in good faith under this power of attorney.

7.4 Assignment

The Collateral Agent may only assign or transfer this agreement, any of its rights hereunder or any part pursuant to the terms of the Collateral Agency Agreement. Neither this agreement nor the benefit hereof may be assigned by the Pledgor.

7.5 Successors and Assigns

This agreement shall enure to the benefit of and shall be binding upon the parties hereto and their respective successors and permitted assigns.

7.6 Entire Agreement

This agreement and the agreements referred to herein constitute the entire agreement between the parties hereto and supersede any prior agreements, undertakings, declarations, representations and understandings, both written and verbal, in respect of the subject matter hereof.

7.7 Counterparts

This agreement may be executed in any number of counterparts, all of which shall be deemed to be an original and such counterparts taken together shall constitute one agreement, and nay of the parties hereto may execute this agreement by signing any such counterpart.

7.8 Amendments and Waivers

2.2 Nature of Guarantee

The guarantee provided herein shall in all respects be a continuing, absolute, unconditional and irrevocable guarantee of payment (and not of collection) when due and not of collection or performance, and shall remain in full force and effect until the Secured Obligations Termination Date. Subject to Section 2.13, the Limited Recourse Guarantor guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of the Credit Agreement and the Collateral Documents under which they arise, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Secured Party with respect thereto. The Collateral Agent, for and on behalf of the Secured Parties, shall apply all payments received from any Limited Recourse Guarantor hereunder against the Guaranteed Obligations in accordance with the terms of the Credit Agreement. A written statement of the Collateral Agent as to the amount remaining unpaid to the Secured Parties at any time by the applicable Debtor under the Credit Agreement and the Collateral Documents shall be *prima facie* evidence against the Limited Recourse Guarantor as to the amount remaining unpaid to the Secured Parties at such time by such Debtor under the Credit Agreement and the Collateral Documents.

2.3 Liability Not Lessened or Limited

Subject to the provisions hereof, the liability of the Limited Recourse Guarantor under this agreement shall be absolute, unconditional and irrevocable irrespective of, and without being lessened or limited by:

(a) any lack of validity, legality, effectiveness or enforceability of the Credit Agreement or any Collateral Document;

(b) the failure of any Secured Party:

(i) to assert any claim or demand or to enforce any right or remedy against any Debtor or any other Person (including any other guarantor) under the provisions of the Credit Agreement or any Collateral Document, or otherwise, or

(ii) to exercise any right or remedy against any other guarantor of, or collateral securing, any of the Guaranteed Obligations;

(c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations, or any other extension, compromise, indulgence or renewal of any Guaranteed Obligations;

(d) any reduction, limitation, variation, impairment, discontinuance or termination of any Guaranteed Obligations for any reason (other than by reason of any payment which is not required to be rescinded), including any claim of waiver, release, discharge, surrender, alteration or compromise, and shall not be subject to (and the Limited Recourse Guarantor hereby waive any right to or claim of) any defence or setoff, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality, nongenuineness, irregularity, compromise, unenforceability of, or any other event or occurrence affecting, any Guaranteed Obligations or otherwise (other than by reason of any payment which is not required to be rescinded);

(e) any amendment to, rescission, waiver or other modification of, or any consent to any departure from, any of the terms of the Credit Agreement or any Collateral Document or any other guarantees or security;

(f) any addition, exchange, release, discharge, renewal, realization or non-perfection of any collateral security for any Guaranteed Obligations;

(g) any amendment to, or waiver or release or addition of, or consent to departure from, any other guarantee held by any Secured Party as security for any of the Guaranteed Obligations;

(h) the loss of or in respect of or the unenforceability of any other guarantee or other security which any Secured Party may now or hereafter hold in respect of the Guaranteed Obligations, whether occasioned by the fault of any Secured Party or otherwise;

(i) any change in the name of any Debtor or in the constating documents, capital structure, capacity or constitution of any Debtor, the occurrence of a Bankruptcy or Insolvency Event in respect of any Debtor, the sale of any or all of the business or assets of any Debtor being consolidated, merged or amalgamated with any other Person;

(j) any payment received on account of any Guaranteed Obligations that the Limited Recourse Guarantor is obliged to repay pursuant to any Applicable Law or for any other reason; or

(k) any other circumstance (other than final payment in full of all Guaranteed Obligations) which might otherwise constitute a defence available to, or a legal or equitable discharge of, any Obligor, any surety or any guarantor.

2.4 Secured Parties not Bound to Exhaust Recourse

No Secured Party shall be bound to pursue or exhaust its recourse against any Obligor or others or any security or other guarantees it may at any time hold before being entitled to payment hereunder from a Limited Recourse Guarantor.

2.5 Enforcement

Upon written demand by the Collateral Agent on or after the Enforcement Date (as defined in the Pledge Agreement), the Limited Recourse Guarantor shall forthwith pay to the Collateral Agent in immediately available funds the total amount of all unpaid and overdue Guaranteed Obligations and the Collateral Agent shall apply the sum so paid against such Guaranteed Obligations in accordance with the terms of the Credit Agreement.

2.6 Guarantee in Addition to Other Security

This agreement shall be in addition to and not in substitution for any other guarantee or other security which any Secured Party may now or hereafter hold in respect of the Guaranteed Obligations, and no Secured Party shall be

under any obligation to marshal in favour of any Limited Recourse Guarantor any other guarantee or other security or any moneys or other assets which such Secured Party may be entitled to receive or may have a claim upon.

2.7 Reinstatement

The guarantee provided herein and all other terms of this agreement shall continue to be effective or shall be reinstated, as the case may be, if at any time any payment (in whole or in part) of any of the Guaranteed Obligations is rescinded or must otherwise be returned or restored by any Secured Party by reason of the insolvency, bankruptcy or reorganization of any Debtor or for any other reason not involving the wilful misconduct of a Secured Party, all as though such payment had not been made.

2.8 Payments Free and Clear of Taxes, etc.

Without limiting Section 2.13 hereof, any and all payments made by a Limited Recourse Guarantor hereunder shall be made, and the Limited Recourse Guarantor hereby indemnifies the Secured Parties, in each case in accordance with Section 2.14.

2.9 Waiver of Notice, etc.

The Limited Recourse Guarantor hereby waives promptness, diligence, notice of acceptance and any other notice with respect to any of the Guaranteed Obligations and this agreement.

2.10 Subrogation Rights

No Limited Recourse Guarantor shall exercise any rights which it may acquire by way of subrogation under this agreement, by any payment made hereunder or otherwise, until the Secured Obligations Termination Date. Any amount paid to a Limited Recourse Guarantor on account of any such subrogation rights prior to the Secured Obligations Termination Date shall be held in trust by such Limited Recourse Guarantor for the benefit of the Secured Parties and shall immediately be paid to the Collateral Agent, as applicable, and credited and applied against the Guaranteed Obligations, whether matured or unmatured in accordance with the terms of the Credit Agreement. In furtherance of the foregoing, until the Secured Obligations Termination Date, the Limited Recourse Guarantor hereby (i) postpones and subordinates any and all claims it may have against any Obligor to the claims of the Secured Parties against such Debtor at any time that and for so long as an Event of Default has occurred and is continuing, and (ii) agrees to refrain from taking any action or commencing any proceeding against any Debtor or its respective successors or assigns, whether in connection with a Bankruptcy or Insolvency Event or otherwise, to recover any amounts in respect of payments made hereunder to any Secured Party, although such Limited Recourse Guarantor may take such actions as may be necessary to preserve its claims against such Debtor. In the event any payments are made by any Debtor to such Limited Recourse Guarantor in contravention of the preceding sentence, such Limited Recourse Guarantor shall hold the amount so received in trust for the Secured Parties and shall forthwith pay such amount to the Collateral Agent.

2.11 Advances After Certain Events

All advances, renewals and credits made or granted by the Secured Parties purportedly to or for any Debtor after a Bankruptcy or Insolvency Event in respect of such Debtor, but before the Secured Parties have received notice thereof, shall be deemed to form part of the Guaranteed Obligations and all advances, renewals and credits obtained from any Secured Party purportedly by or on behalf of any Debtor shall be deemed to form part of the Guaranteed Obligations, notwithstanding any lack or limitation of

power, incapacity or disability of any Debtor or of the directors or agents thereof and notwithstanding that any Debtor may not be a legal entity and notwithstanding any irregularity, defect or informality in the obtaining of such advances, renewals or credits, whether or not any Secured Party has knowledge thereof.

2.12 Indemnities

Subject to Section 2.13, the Limited Recourse Guarantor hereby agrees to indemnify and hold the Secured Parties harmless from and against all loss, cost, damage, expense, claims and liability which they may at any time suffer or incur in connection with:

(a) any failure by any Debtor to duly and punctually pay or perform the Guaranteed Obligations; and

(b) any loss for any reason whatsoever (other than arising as a result of the gross negligence, fraud or wilful misconduct of a Secured Party or breach by any Secured Party of the terms of the Credit Agreement or any Collateral Document), including by operation of law or otherwise, of any right of any Secured Party to enforce payment of the Guaranteed Obligations.

2.13 Limitation as to Recourse

The guarantee made by any Limited Recourse Guarantor hereunder is made for the sole purpose of enabling the Collateral Agent to obtain an effective charge and security interest in and to all of the Collateral pledged by the Limited Recourse Guarantor pursuant to the Pledge Agreement as security for payment and performance of the Guaranteed Obligations. Notwithstanding any other provisions of this Article 2:

(a) the liability of any Limited Recourse Guarantor to the Collateral Agent is limited to the extent such liability is required to permit the Collateral Agent to realize upon the Collateral pledged by a Limited Recourse Guarantor to the Collateral Agent pursuant to the Pledge Agreement;

(b) the Collateral Agent shall not be entitled to sue or to commence any action against any Limited Recourse Guarantor to recover any sum owing by any Limited Recourse Guarantor to the Collateral Agent pursuant to this guarantee, unless such suit or action is necessary to permit the Collateral Agent to realize upon the Collateral pledged by a Limited Recourse Guarantor to the Collateral Agent pursuant to the Pledge Agreement; and

(c) in the event that a Limited Recourse Guarantor shall default in payment or performance of any of the Guaranteed Obligations, the sole recourse of the Collateral Agent against such Limited Recourse Guarantor shall be with respect to the Collateral pledged by such Limited Recourse Guarantor to the Collateral Agent pursuant to the terms of the Pledge Agreement, or any amounts received upon the realization of such Collateral pursuant to the terms set out in the Pledge Agreement, and the Collateral Agent shall not under any circumstances have any right to payment from a Limited Recourse Guarantor other than through realization on the Collateral, or against any of its property or assets other than the Collateral and for greater clarity and without limiting the foregoing a Limited Recourse Guarantor shall not be liable to the Collateral Agent for any deficiency resulting from any such realization or otherwise.

2.14 Taxes

(a) Any and all payments made by an Obligor hereunder or under the Credit Agreement or any other Collateral Document (any such payment being hereinafter referred to as a "**Payment**") to or for the benefit of a Secured Party shall be made without set-off or counterclaim, and free and clear of, and without deduction or withholding for, or on account of, any and all present or future Taxes, except to the extent such deduction or withholding is required by Applicable Law or the administrative practice of any Official Body. If an Obligor shall be so required to deduct or withhold any Taxes from or in respect of any Payment made to or for the benefit of the relevant Secured Party, the relevant Obligor shall:

(i) promptly notify the Collateral Agent of such requirement;

(ii) to the extent such Taxes are Indemnified Taxes, pay to the Collateral Agent in addition to the Payment to which the relevant Secured Party is otherwise entitled, such additional amount as is necessary to ensure that the net amount actually received by such Secured Party (free and clear of, and net of, any such Indemnified Taxes, including the full amount of any Indemnified Taxes required to be deducted or withheld from any additional amount paid by the relevant Obligor under this Section 2.14(a), whether assessable against such Obligor, or such Secured Party) equals the full amount such Secured Party, would have received had no such deduction or withholding been required;

(iii) make such deduction or withholding;

(iv) pay to the relevant Official Body in accordance with Applicable Law the full amount of Taxes required to be deducted or withheld (including the full amount of Indemnified Taxes required to be deducted or withheld from any additional amount paid by the relevant Obligor to such Secured Party under this Section 2.14(a)), within the time period required by Applicable Law; and

(v) as promptly as possible thereafter, forward to such Secured Party an original official receipt (or a certified copy), or other documentation acceptable to such Secured Party, acting reasonably, evidencing such payment to such Official Body.

(b) In addition, each Obligor agrees to pay to the relevant Official Body in accordance with Applicable Law any and all present or future stamp or documentary taxes or excise or property taxes, charges or levies of a similar nature, which arise from any Payment or from the execution, delivery or registration of, or otherwise with respect to, the Credit Agreement and the Collateral Documents and the transactions contemplated hereby or thereby (any such amounts being hereinafter referred to as "**Other Taxes**").

(c) Each Obligor hereby indemnifies and holds harmless each Secured Party, on an after-Taxes basis, for the full amount of Taxes and Other Taxes, interest, penalties and other liabilities, levied, imposed or assessed against (and whether or not paid directly by) such Secured Party and for all expenses, resulting from or relating to the Debtors' failure to:

(i) remit to such Secured Party the documentation referred to in Section 2.14(a)(v); or

(ii) pay any Taxes or Other Taxes when due to the relevant Official Body (including, without limitation, any Indemnified Taxes imposed by any Official Body on amounts payable under this Section 2.14).

The provisions of this Section 2.14(c) shall apply whether or not such Taxes or Other Taxes were correctly or legally assessed by the relevant Official Body, provided such Taxes, Other Taxes, interest, penalties or other liabilities, as applicable, would not have been levied, imposed or assessed had such failure not occurred. Any Secured Party who pays any Taxes or Other Taxes, shall promptly notify the relevant Obligor of such payment, provided, however, that failure to provide such notice shall not detract from, or compromise, the obligations of the relevant Obligor under this Section 2.14. Payment pursuant to this indemnification shall be made within 30 days from the date the relevant Secured Party makes written demand therefor accompanied, if requested by the Debtors, by written notice as to the amount of such Taxes or Other Taxes and the calculation thereof, which calculation shall be prima facie evidence of such amount, absent manifest error.

(d) If an Obligor determines in good faith that a reasonable basis exists for contesting any Indemnified Taxes or Other Taxes for which a payment has been made under this Section 2.14, the relevant Secured Party shall, if so requested by such Obligor, cooperate with the relevant Obligor in challenging such Taxes at the Debtors' expense.

(e) Each Obligor also hereby indemnifies and holds harmless each Secured Party, on an after-Taxes basis, for any additional taxes on net income that such Secured Party may be obliged to pay as a result of the receipt of amounts under this Section 2.14.

(f) If any Secured Party determines, in its sole discretion exercised in good faith, that it has received a refund, relief or remission for, or Tax credit in respect of, any Taxes ("**Tax Credit**") for which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the indemnifying party an amount equal to such Tax Credit (but only to the extent of indemnity payments made under this Section 2.14 with respect to the Taxes giving rise to such Tax Credit), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Official Body with respect to such Tax Credit). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Official Body) in the event that such indemnified party is required to repay such Tax Credit to such Official Body. Notwithstanding anything to the contrary in this paragraph 2.14, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such Tax Credit had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such Tax Credit had never been paid. This paragraph (f) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) No Secured Party shall be under any obligation to arrange its tax affairs in any particular manner or, unless and only to the extent stated otherwise, be obliged to disclose any information regarding its tax affairs or computations to the Obligors or any other Person in connection with this Section 2.14.

(h) The parties hereto agree that additional amounts payable under Section 2.14(a) have the same character as the Payments to which they relate.

(i) The Obligors' obligations under this Section 2.14 shall survive without limitation the termination of the Credit Agreement, this agreement and all other Collateral Documents and the permanent repayment of the outstanding credit and all other amounts payable hereunder and thereunder.

(j) Notwithstanding anything to the contrary contained herein and provided at the time of the underlying assignment referenced below no Default or Event of Default has occurred and is continuing, no Obligor shall be obligated to pay to any Person that becomes a Secured Party by assignment any additional amounts pursuant to this Section 2.14 in excess of the amounts that the Obligor would have been obligated to pay to the assigning Secured Party if such Secured Party had not assigned its rights to the assignee, unless the circumstances giving rise to such greater amount did not exist at the time of such assignment and were not caused by the assignee. For avoidance of doubt, this Section 2.14(j) shall have no application to any introduction of, change to Applicable Law, introduced or changed after the date hereof.

(a) it shall maintain its corporate existence or partnership existence, as the case may be, in good standing and qualify and remain duly qualified to carry on business and own property in each jurisdiction where the nature of its business makes such qualification necessary, except where the failure to be so qualified and in good standing would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) its obligations under this agreement shall at all times be collaterally secured by a perfected security interest in all of its Collateral.

(c) it acknowledges that it has fully informed itself about the financial condition of the Debtors. (d) it shall provide the Collateral Agent with written notification of any change in the information certified in its Perfection Certificate and provide an updated Perfection Certificate identifying such change in order to make the information in its Perfection Certificate true and correct within 5 Business Days of such change.

(e) it shall not enter into or grant, create, assume or suffer to exist any Lien or unsatisfied judgment affecting its Collateral, other than any Lien in existence on the date hereof or as contemplated by the Senior Lien Intercreditor Agreement.

4.2 Representations and Warranties

The Limited Recourse Guarantor hereby represents and warrants to and in favour of the Collateral Agent, for and on behalf of the Secured Parties, as follows:

(b) It has the power to execute each Collateral Document to which it is a party, to deliver each Collateral Document and to perform its obligations under each Collateral Document to which it is a party and has taken all necessary action to authorize such execution, delivery and performance.

(d) All governmental and other consents that are required to have been obtained by it with respect to each Collateral Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with.

(e) Its obligations under each Collateral Document to which it is a party constitutes its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and, subject as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding, in equity or at law)).

(f) All information provided by it in its Perfection Certificate is true and correct in all material respects.

4.3 Repetition

The representations and warranties made in Section 4.2 shall be deemed to be repeated by the Limited Recourse Guarantor in favour of the Collateral Agent, for and on behalf of the Secured Parties, on each date that the Debtors repeat representations and warranties under the Credit Agreement and any Collateral Document to which a Debtor is a party.

ARTICLE 5

5.1 Notices

All notices and other communications provided for herein shall be in writing and shall be personally delivered to an officer of the addressee or sent by email or telefacsimile, charges prepaid, at or to the applicable party hereto at the address, email address (which email notice shall be sent with a “read receipt” request) or telefacsimile number, as the case may be, set forth on the signature pages hereto or to such other address or addresses or telefacsimile number or numbers as any party hereto may from time to time designate to the other parties in such manner. Any communication which is transmitted by telefacsimile as aforesaid shall be deemed to have been validly and effectively given on the date of transmission if such date is a Business Day and such transmission was made prior to 12:00 p.m. (Toronto time); otherwise, it shall be deemed to have been validly and effectively given on the Business Day next following such date of transmission. Any party sending a notice by telefacsimile or email shall, in order to constitute a valid notice hereunder, have received confirmation of receipt from the intended recipient’s telecopier or email server.

5.2 Further Assurances

The Limited Recourse Guarantor shall do, execute and deliver or shall cause to be done, executed and delivered all such further acts, documents and things as the Collateral Agent may reasonably request for the purpose of giving effect to this agreement.

5.3 Severability

Wherever possible, each provision of this agreement shall be interpreted in such manner as to be effective and valid under Applicable Law, but if any provision of this agreement shall be prohibited by or invalid under such law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this agreement.

5.4 Successors and Assigns

This agreement shall enure to the benefit of the parties hereto and their respective successors and permitted assigns and shall be binding upon the Limited Recourse

Guarantor and its successors and assigns. This agreement may not be assigned, in whole or in part, by the Limited Recourse Guarantor.

5.5 Amendments and Waivers

No amendment to or waiver of any provision of this agreement, nor consent to any departure by the Limited Recourse Guarantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Collateral Agent, and, in the case of an amendment, in writing and signed by the Collateral Agent and the Limited Recourse Guarantor, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

5.6 Entire Agreement

This agreement and the agreements referred to herein constitute the entire agreement between the parties hereto and supersede any prior agreements, undertakings, declarations, representations and understandings, both written and verbal, in respect of the subject matter hereof.

5.7 Judgment Currency

(a) If, for the purpose of obtaining or enforcing judgment against the Limited Recourse Guarantor in any court in any jurisdiction, it becomes necessary to convert into a particular currency (such currency being hereinafter in this Section 5.7 referred to as the "**Judgment Currency**") an amount due in another currency (such other currency being hereinafter in this Section 5.7 referred to as the "**Indebtedness Currency**") under this agreement, the conversion shall be made at the rate of exchange prevailing on the Business Day immediately preceding:

(i) the date of actual payment of the amount due, in the case of any proceeding in the courts of the Province of Ontario or in the courts of any other jurisdiction that will give effect to such conversion being made on such date; or

(ii) the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the date as of which such conversion is made pursuant to this Section 5.7(a)(ii) being hereinafter in this Section 5.7 referred to as the "**Judgment Conversion Date**").

(b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 5.7(a)(ii), there is a change in the rate of exchange prevailing between the Judgment Conversion Date and the date of actual payment of the amount due, the Limited Recourse Guarantor shall pay to the appropriate judgment creditor or creditors such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Indebtedness Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date.

(c) Any amount due from the Limited Recourse Guarantor under the provisions of Section 5.7(b) shall be due to the appropriate judgment creditor or creditors as a separate debt

and shall not be affected by judgment being obtained for any other amounts due under or in respect of this agreement.

(d) The term "**rate of exchange**" in this Section 5.7 means the 4:30 p.m. (Eastern Time) indicative rate of exchange for Canadian interbank transactions applied in converting the Indebtedness Currency into the Judgment Currency published by the Bank of Canada for the day in question.

5.8 No Waiver; Remedies; No Duty

In addition to, and not in limitation of, Section 2.3 and Section 2.9, no failure on the part of any Secured Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law. The Secured Parties have no duty or responsibility to provide the Limited Recourse Guarantor with any credit or other information concerning the affairs, financial condition or business of any Debtor which may come into the possession of the Secured Parties.

5.9 Counterparts

This agreement may be executed in any number of counterparts, all of which shall be deemed to be an original and such counterparts taken together shall constitute one agreement, and any of the parties hereto may execute this agreement by signing any such counterpart.

5.10 Authority of Collateral Agent

Wilmington Trust, National Association, as Collateral Agent, is a party to this agreement solely in its capacity as Collateral Agent pursuant to the Collateral Agency Agreement and not in its individual capacity. The Collateral Agent shall have all of the rights, privileges and immunities afforded to it as Collateral Agent under the Collateral Agency Agreement and the other Collateral Documents as though fully set forth herein. Any permissive rights granted to the Collateral Agent pursuant to this agreement shall not be construed as duties and wherever in this agreement the Collateral Agent is granted discretion, such discretion shall be exercised pursuant to the terms of the Collateral Agency Agreement.

5.11 Compliance with *Interest Act* (Canada)

For the purposes of this guarantee, whenever interest is to be calculated on the basis of a period of time other than a calendar year, the annual rate of interest to which each rate of interest determined pursuant to such calculation is equivalent for the purposes of the *Interest Act* (Canada) is such rate as so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by the number of days used in the basis of such determination.

5.12 Conflict

Notwithstanding any other provision contained herein, this Agreement, the security created hereby and the rights, remedies, duties and obligations provided for herein are subject in all respects to the provisions of the Senior Lien Intercreditor Agreement. In the event

WHEREAS, the Borrowers have not complied with the undertakings set forth in Section 5.19 of the Credit Agreement relating to the receipt of $75.0 million in cash from either Specified Asset Sales or Net Cash Proceeds from equity contributions (the "Specified Default");

WHEREAS, on March 16, 2026, the Borrower, the Administrative Agent and certain Lenders entered into the Limited Waiver (the "Initial Waiver") which, on the terms and conditions set forth therein, provided for a limited waiver of the Specified Default as set forth therein;

WHEREAS, in anticipation of the occurrence of the Waiver End Date (as defined in the Initial Waiver), the Borrowers have requested that the Requisite Lenders continue to waive the Specified Default through May 31, 2026, and the Lenders party hereto, which constitute the Requisite Lenders, are willing to so continue to waive the Specified Default on the terms and conditions set forth herein; and

WHEREAS, pursuant to Section 5.1(c) of the Credit Agreement, the Company is required to furnish to the Administrative Agent, among other things, certain audited financial statements of the Company within 105 days after the end of each Fiscal Year (the "Audited Financial Statement Requirement").

NOW, THEREFORE, in consideration of the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. Confirmation by Credit Parties of Default. The Credit Parties each acknowledge the existence of the Specified Default.

2. Limited Waiver and Agreement. Subject to (a) the satisfaction of the conditions precedent set forth in Section 4 hereof and (b) the continuing satisfaction of the Waiver Conditions, the Requisite Lenders

hereby (w) waive the Specified Default during the Waiver Period, (x) acknowledge and agree that the Term Loan Maturity Date shall remain May 31, 2027 (or if such day is not a Business Day, the next succeeding Business Day) during the Waiver Period without giving effect to the proviso in the definition of "Term Loan Maturity Date," (y) agree to extend the deadline for the Audited Financial Statement Requirement for the fiscal year ended December 31, 2025 to April 30, 2026, and (z) waive, during the Waiver Period, any Default or Event of Default arising under Section 8.1(e) of the Credit Agreement to the extent resulting from a breach under the EDC Credit Agreement of the Audited Financial Statement Requirement for the fiscal year ended December 31, 2025, solely to the extent such breach is permitted by clause (y) (the "Limited Waiver and Agreement"). This is a limited, one-time waiver, and except as expressly set forth herein, shall not be deemed to: (i) constitute a waiver of any other provision of the Credit Agreement or any other Credit Document, (ii) constitute a modification or alteration of any of the terms, conditions or covenants of the Credit Agreement or any other Credit Document except as set forth herein, (iii) constitute a waiver of any right or remedy of the Administrative Agent or any other Secured Party under the Credit Agreement or any other Credit Document, (iv) establish a custom or course of dealing or conduct between the Administrative Agent or any other Secured Party, on the one hand, and the Credit Parties, on the other hand or (v) apply to any other Default or Event of Default under the Credit Agreement (other than the Specified Default) at any time, including any unrelated Default or Event of Default occurring after the date hereof. Except as expressly set forth herein, the foregoing waiver shall not be deemed to constitute consent of any other act, omission or any breach of the Credit Agreement or any other Credit Document and, unless as expressly set forth herein, the Requisite Lenders reserve all rights.

Upon the occurrence of a Waiver Termination Event, or upon the expiration of the Waiver Period (including upon the occurrence of the Waiver End Date), (x) the Limited Waiver and Agreement shall automatically terminate without further action by any party, (y) the Term Loan Maturity Date shall be determined giving effect to the proviso in such definition and (z) the Specified Default shall immediately and automatically constitute a Default or Event of Default, as applicable, under the Credit Agreement for all purposes, and the Administrative Agent, the Collateral Agent and the Lenders shall be entitled to exercise any and all rights and remedies available under the Credit Agreement and the other Credit Documents.

4. Conditions Precedent.

This Waiver and the effectiveness of the Limited Waiver and Agreement described in Section 2 are subject to satisfaction (or waiver in writing by the Requisite Lenders) of all of the following conditions (the date on which all such conditions have been so satisfied or waived being referred to as the "Waiver No. 2 Effective Date"):

(a) the Administrative Agent shall have received duly executed counterparts of this Waiver, dated as of the date hereof, from the Borrowers and the Requisite Lenders;

(b) on and as of the Waiver No. 2 Effective Date, no Default or Event of Default (other than the Specified Default) shall have occurred and be continuing;

5. Representations and Warranties

The Credit Parties hereby represent and warrant to the Lenders and the Administrative Agent that:

(a) Each of the Company and its Subsidiaries has all requisite power and authority to execute and deliver this Waiver, and to perform its obligations hereunder, under the Credit Agreement and under the other Credit Documents to which it is a party. The execution, delivery and performance of this Waiver have been duly authorized by all necessary action on the part of each Credit Party that is a party thereto;

(b) This Waiver has been duly executed and delivered by each Credit Party that is a party thereto and is the legally valid and binding obligation of such Credit Party, enforceable against such Credit Party in accordance with its respective terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability;

(c) After giving effect to this Waiver, each of the representations and warranties contained in the Credit Agreement and the other Credit Documents shall be true and correct in all material respects on and as of the Waiver No. 2 Effective Date to the same extent as though made on and as of the Waiver No. 2 Effective Date, except to the extent such representations and warranties specifically relate to an earlier date, in which case such representations and warranties were true and correct in all material respects on and as of such earlier date; provided that, in each case, such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereto; and

(d) No event has occurred and is continuing that constitutes a Default (other than the Specified Default) or an Event of Default.

6. Post-Closing Obligations.

(a) From and after the Waiver No. 2 Effective Date, the Borrowers shall provide the Lenders (i) reasonably detailed weekly updates on the status of their discussions with holders of the Senior Secured Notes, lenders under the EDC Credit Agreement, existing direct and indirect shareholders and any other potential debt or equity financing sources (collectively, the "Financing Sources") regarding each of (i) the Borrowers' potential proceeding under the Companies' Creditors Arrangement Act (Canada) as well as any other Potential Restructuring Transaction, (ii) the Recapitalization Offer, which updates shall, at the request of the Administrative Agent or any Lender, be made in writing (which may be by e-mail) and (iii) subject to the applicable confidentiality restrictions or attorney-client privilege, true and complete copies of any written materials received by the Borrowers or its advisors from any Financing Source or its advisors regarding any plan, term sheet or agreement with respect to the Borrowers' potential proceeding under the Companies' Creditors Arrangement Act (Canada) and/or any other Potential Restructuring Transaction, which materials shall be furnished to the Lenders within one calendar day after receipt by the Borrowers.

The Borrowers further agree that all information furnished by or on behalf of the Borrowers to the Lenders for purposes of complying with this Section 6 will be true and accurate in all material respects on the date as of which such information is furnished and not incomplete by omitting to state any fact necessary to make such information not misleading at such time in light of the circumstances under which such information is provided.

(b) The Borrowers shall provide to each Lender copies of each proposal or term sheet sent by the Company or received by the Company (including by any of the Company's advisors, agents or representatives on its behalf) with respect to a Potential Restructuring Transaction, including, without limitation, any proposal or term sheet (i) sent by the Company (including by any of the Company's advisors, agents or representatives on its behalf) to any Financing Source or (ii) sent by any Financing Source to the Company (including by any of the Company's advisors, agents or representatives on its behalf).

(c)

(i) In the event that either Borrower receives a bona fide written offer from any Person other than IRH Global Trading Ltd. to refinance or otherwise replace the inventory financing arrangement in existence as of the Waiver No. 2 Effective Date between the Company and IRH Global Trading Ltd. (the "IRH Facility"; and any such offer to refinance or replace the IRH Facility, including for the avoidance of doubt, a preliminary term sheet delivered by the applicable financing source to the Company, a "Financing Offer"), the Company shall, prior to responding to any such Financing Offer notify the Administrative Agent and the Lenders in writing of the existence of such Financing Offer and outline the material economic terms and conditions of such Financing Offer (the "Financing Offer Notice"). Each Lender that is either a Hartree Lender or an Oaktree Lender (each such Lender, an "Eligible Right of First Refusal Holder") shall have a right of first refusal to match the Financing Offer's material terms with respect to any such refinancing or financing, (in each case, the "Material Terms"). After the receipt of such Financing Offer Notice, any such Eligible Right of First Refusal Holder shall have fourteen (14) days to agree to match the Material Terms of such Financing Offer on terms which shall be the same or better (as determined by the Company in its reasonable discretion) than the Material Terms of such Financing Offer (an "Acceptance"). In the event such Eligible Right of First Refusal Holder declines to exercise its right under a Financing Offer, such Eligible Right of First Refusal Holder shall promptly notify the Company of its decision in writing; provided that such Eligible Right of First Refusal Holder shall be deemed to have declined a Financing Offer if such Eligible Right of First Refusal Holder does not deliver an Acceptance to the Company within fourteen (14) days after having received the Material Terms. Upon the Company's receipt of an Acceptance, such Eligible Right of First Refusal Holder and one or more additional lenders selected by such Eligible Right of First Refusal Holder, on the one hand, and the Company, on the other hand, shall, in good faith enter into an agreement for such refinancing or financing transaction on the Material Terms set forth in such Acceptance (the "Definitive Documentation"); provided that, in the event the Company receives an Acceptance from more than one of the Eligible Right of First Refusal Holders, the Financing Offer shall be allocated as between each Eligible Right of First Refusal Holder pro rata in accordance with the amounts of the Obligations owed to them on such date. If all of the Eligible Right of First Refusal Holders shall have declined to exercise their rights under such Financing Offer or, after good faith efforts, the Company, the Eligible Right of First Refusal Holders and such other lender(s) that are identified by the accepting Eligible Right of First Refusal Holders are unable to enter into or consummate the Definitive Documentation within sixty (60) days after the Company's receipt of the applicable Acceptance ("End Date"), the Company shall be free to consummate such Financing Offer within sixty (60) days of the End Date on terms substantially similar to the terms of such Financing Offer. If the Company shall have failed to so consummate such transaction within said sixty (60) days or if the Material Terms of such transaction are materially modified from the description of such terms in the Financing Offer Notice, then a new right of first refusal for the benefit of any Eligible Right of First Refusal Holder with respect to such transaction shall immediately arise. For the avoidance of doubt, only the Right of First Refusal Holders may exercise any rights pursuant to this Section 6(d)(i), and no such rights shall extend to any successors or assigns of the Right of First Refusal Holders.

(ii) In the event the IRH Facility terminates or otherwise ceases to be in full force and effect, prior to entering into any negotiations with respect to any replacement of the IRH Facility with any

Person that is not a Hartree Lender or an Oaktree Lender or soliciting any offers to replace the IRH Facility, the Company shall offer each Hartree Lender and each Oaktree Lender in writing, on a pro rata basis based on the percentage of the then outstanding Term Loans and Commitments held by such Hartree Lenders and Oaktree Lenders, an opportunity to provide a replacement of the IRH Facility, and if such Lenders have not agreed to provide all or a portion of such replacement financing within ten (10) Business Days of such notice, then such Lender shall be deemed to have rejected participation. To the extent the existing Lenders that are Hartree Lenders and Oaktree Lenders have rejected (including any deemed rejection) such offer, the Company may, during the period of sixty (60) days after such rejection (or deemed rejection), enter into definitive documentation with respect to such debt financing with one or more alternate financial institutions on the same terms as were offered to the Lenders that are Hartree Lenders and Oaktree Lenders.

(iii) The Borrowers shall not, and shall not permit any other Credit Party to, (x) grant to IRH Global Trading Ltd. (or any of its affiliates) or any assignee, transferee, or successor in interest to IRH Global Trading Ltd. under the IRH Facility that is not a Credit Party (or any affiliates thereof), any right of set off with respect to the IRH Facility (or any successor or replacement facility) and (y) grant to any Person any right of set off that would permit such Person to offset any amounts owing under any other agreement, instrument or arrangement.

(d) The Borrowers shall provide the Lenders with drafts of each of the Definitive Documents at least one week prior to the execution thereof.

(e) Commencing the week of April 6, 2026, and continuing thereafter until otherwise agreed by the Requisite Lenders, the Borrowers shall participate in weekly telephonic conferences with FTI Consulting (or any successor or replacement financial advisor engaged by the Borrowers) at times reasonably acceptable to the Requisite Lenders to (i) review and discuss the financial condition of the Borrowers and their Subsidiaries, including the financial results of the Borrowers, the proposed debtor-in-possession financing budget and the 13-week cash flow projections for operations during a potential proceeding under the Companies' Creditors Arrangement Act (Canada) ("CCAA"), and (ii) respond to any questions from the Lenders regarding the operations, business affairs and financial position of the Borrowers and their Subsidiaries (it being understood that (x) to the extent FTI Consulting is unable to satisfactorily answer any such questions on the conference call, FTI Consulting or an appropriate senior member of the management team of the Borrower, may respond to such question in writing (which may be by e-mail) promptly following such call and (y) the Borrowers shall ensure that FTI Consulting has access to the books and records of the Borrowers and their Subsidiaries as well as appropriate members of senior management of the Borrowers in order to be able to be able to adequately respond to any such questions from the Lenders).

(f) From and after the Waiver No. 2 Effective Date, the Borrowers shall promptly (and in any event within two (2) Business Days) upon request by the Administrative Agent or any Lender, deliver reasonably detailed written evidence to the Administrative Agent and the Lenders of the Borrowers' compliance with their obligations under this Waiver.

(g) The Borrowers shall, on or prior to April 15, 2026, deliver to the Required Lenders an operational plan outlining sea lift activities and engagement, inclusive of CCAA contingencies.

(h) The Borrowers shall, on or prior to April 10, 2026, pay to the Administrative Agent, for the ratable benefit of the Lenders, a consent fee in an amount equal to $3,660,000.

Failure to comply with this Section 6 shall constitute an immediate Event of Default.

7. Reference to and Effect on Credit Documents.

(a) Except as expressly modified in this Waiver, all terms of the Credit Agreement and the other Credit Documents shall remain in full force and effect on and after the Waiver No. 2 Effective Date and are hereby in all respects ratified and confirmed. As of the Waiver No. 2 Effective Date, each reference in the Credit Agreement and the other Credit Documents to "*this Agreement*", "*hereunder*", "*hereof*", "*herein*" or words of like import, and each reference in the Credit Documents to the "Credit Agreement" (including, without limitation, by means of words like "*thereunder*", "*thereof*" and words of like import) shall mean and be a reference to the Credit Agreement.

(b) The Net Cash Proceeds from the Equity Funding shall be disregarded for purposes of determining the amount of any Specified Equity Contributions and shall not increase any capacity to make Restricted Payments under the Credit Agreement.

(c) On and after the Waiver No. 2 Effective Date, the Initial Waiver shall be terminated in full and of no further force or effect.

8. Lender and Administrative Agent Releases. In consideration of, among other things, the Lenders' and Administrative Agent's execution and delivery of this Waiver, the Borrowers and each other Credit Party, in each case on behalf of itself and its agents, representatives, officers, directors, advisors, employees, subsidiaries, affiliates, successors, and assigns (collectively, "Company Releasors"), hereby forever agrees and covenants, to the fullest extent permitted by law, not to sue or prosecute against any Lender Releasee (as defined below) and hereby forever waives, releases and discharges, to the fullest extent permitted by law, each Lender Releasee from any and all claims (including, without limitation, crossclaims, counterclaims, rights of set-off and recoupment), actions, causes of action, suits, debts, accounts, interests, liens, promises, warranties, damages and consequential damages, demands, agreements, bonds, bills, specialties, covenants, controversies, variances, trespasses, judgments, executions, costs, expenses, or claims whatsoever, that such Company Releasor now has or hereafter may have, of whatsoever nature and kind, whether known or unknown, whether now existing or hereafter arising, whether arising at law or in equity (collectively, the "Claims"), against any or all of the Lenders, the Administrative Agent and the Collateral Agent in any capacity and their respective affiliates, subsidiaries, shareholders and "controlling persons" (within the meaning of the federal securities laws), and their respective successors and assigns and each and all of the officers, directors, employees, agents, attorneys, advisors and other representatives of each of the foregoing (collectively, the "Lender Releasees"), based in whole or in part on facts, whether or not now known, existing on or before the Waiver No. 2 Effective Date, that relate to, arise out of or otherwise are in connection with: (i) any or all of the Credit Agreement and any other Credit Document, the transactions contemplated thereby or any actions or omissions in connection therewith or (ii) any aspect of the dealings or relationships between or among the Borrowers, any other Credit Party, or any of their respective subsidiaries, on the one hand, and any or all of the Consenting Lenders, on the other hand, relating to any or all of the documents, transactions, actions or omissions referenced in clause (i) hereof. In entering into this Waiver, the Borrowers, and each other Credit Party consulted with, and has been represented by, legal counsel and expressly disclaims any reliance on any representations, acts or omissions by any of the Lender Releasees except as expressly set forth herein and hereby agrees and acknowledges that the validity and effectiveness of the releases set forth above do not depend in any way on any such representations, acts and/or omissions or the accuracy, completeness or validity thereof. The provisions of this Section 8 shall survive the termination of this Waiver and the Credit Documents. The Borrowers, any other Credit Party, and their respective subsidiaries further agree to refrain from commencing, instituting or prosecuting, or supporting any person that commences, institutes, or prosecutes any lawsuit, action or other proceeding against any and all Lender Releasees with respect to any and all Claims that relate to, arise out of or otherwise are in connection with anything described in clauses (i) and (ii) of the first sentence of this Section 8. Notwithstanding anything herein, the foregoing release shall not apply to (1) any Claim

under this Waiver, or (2) any Claims against a Lender Releasee that result from the fraud, gross negligence or willful misconduct of such Lender Releasee, as determined by a court of competent jurisdiction in a final non-appealable order.

9. Certain Other Provisions.

(a) The Parties hereto acknowledge and agree that this Waiver shall constitute a Credit Document for all purposes under the Credit Agreement.

(b) Sections 10.14 (Applicable Law), 10.15 (Consent to Jurisdiction), 10.16 (Waiver of Jury Trial), 10.20 (Entire Agreement), 10.5 (Amendments and Waivers), 10.11 (Severability), 10.19 (Effectiveness; Counterparts), 10.13 (Headings) and 10.17 (Confidentiality) of the Credit Agreement is hereby incorporated by reference, mutatis mutandis, as if set forth herein in its entirety.

(c) By executing this Waiver, the Credit Parties party hereto hereby consent (to the extent any such consent is required) to the Lenders (and their advisors, agents and representatives) communicating directly with the lenders under the EDC Credit Agreement (and their advisors, agents and representatives) regarding any potential recapitalization or restructuring involving the Credit Parties and sharing with such Persons any information regarding the Credit Parties, notwithstanding Section 10.17 of the Credit Agreement or any other confidentiality agreement, non-disclosure agreement or any other similar arrangement.

The Lender shall maintain on its internal records an account or accounts evidencing the Obligations of the Borrowers to the Lender, including the amounts of the Loan made by it and each repayment and prepayment in respect thereof (the "**Register**"). Any such recordation shall be conclusive and binding on the Borrowers, absent manifest error; provided, that the failure to make any such recordation, or any error in such recordation, shall not affect the Lender's Commitments or the Borrowers' Obligations in respect of the Loan; and provided further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

2.4 Interest on the Loan.

(a) Except as otherwise set forth herein, the Loan shall bear interest on the unpaid principal amount thereof from the date made until repayment (whether by acceleration or otherwise) thereof at the rate equal to Adjusted Term SOFR for the applicable Interest Period plus the Applicable Margin.

(b) Interest payable pursuant to Section 2.4(a) shall be computed on the basis of a three hundred sixty (360) day year, in the case of SOFR Loans, and a three hundred sixty five / three hundred sixty six (365/366) day year, in the case of Base Rate Loans, for the actual number of days elapsed in the period during which it accrues. In computing interest on the Loan, the date of the making of the Loan or the first day of an Interest Period applicable to the Loan or, with respect to a Base Rate Loan being converted from a SOFR Loan, the date of conversion of such SOFR Loan to such Base Rate Loan, as the case may be, shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan or, with respect to a Base Rate Loan being converted to a SOFR Loan, the date of conversion of such Base Rate Loan to such SOFR Loan, as the case may be, shall be excluded; provided, if the Loan is repaid on the same day on which it is made, one (1) day's interest shall be paid on the Loan.

(c) Except as otherwise set forth herein, interest on the Loan (i) shall accrue on a daily basis and shall be payable in arrears on each Interest Payment Date with respect to interest accrued on and to each Interest Payment Date; (ii) shall accrue on a daily basis and shall be payable in arrears upon

any prepayment of the Loan, to the extent accrued on the amount being prepaid; and (iii) shall accrue on a daily basis and shall be payable on each Interest Payment Date.

(d) In connection with the use or administration of Term SOFR, the Lender will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document. The Lender will promptly notify the Borrowers of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

(e) For the purposes of the *Interest Act* (Canada), whenever any interest or fee under this Agreement is calculated using a rate based on a period other than a calendar year, such rate determined pursuant to such calculation, when expressed as an annual rate, is equivalent to such rate as determined multiplied by the actual number of days in the calendar year in which the period for which such interest or fee is payable (or compounded) ends and divided by the number of days comprising such other period. Each Borrower confirms that it fully understands and is able to calculate the rate of interest applicable to the Loan, liabilities and obligations under this Agreement based on the methodology for calculating *per annum* rates provided for in this Agreement. The Borrowers hereby irrevocably agree not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to this Agreement or any other Credit Document, that the interest payable under this Agreement and the calculation thereof has not been adequately disclosed to it as required pursuant to section 4 of the *Interest Act* (Canada).

2.5 Default Interest.

Upon the occurrence and during the continuance of an Event of Default (i) the principal amount of the Loan outstanding, (ii) to the extent permitted by applicable law, any interest payments on the Loan or any fees or other amounts owed hereunder, and (iii) any such fees and other amounts shall thereafter bear interest (including post-petition interest in any proceeding under Debtor Relief Laws) payable on demand at a rate that is 2% *per annum* in excess of the interest rate otherwise payable hereunder with respect to the Loan. Payment or acceptance of the increased rates of interest provided for in this Section 2.5 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Lender.

2.6 Fees.

The Borrowers agree to pay to the Lender the fees set forth in the Fee Letters at the times and in the amounts specified therein. Such fees shall be fully earned when due and shall not be refundable for any reason whatsoever and will be in addition to the reimbursement of the Lender's out-of-pocket expenses in accordance with Section ~~8.2~~8.3.

2.7 Compensation for Losses.

In the event of the failure to borrow on the date specified in the Funding Notice, then, in any such event, the Borrower shall compensate the Lender for any loss, cost and expense attributable to such event, including any loss, cost or expense arising from the liquidation or redeployment of funds or from any fees payable. A certificate of the Lender setting forth any amount or amounts that the Lender is entitled to receive pursuant to this Section 2.7 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Borrowers shall pay the Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

Any time and from time to time, the Borrowers may prepay the Loan on any Business Day in whole or in part in an aggregate minimum amount of $5.0 million and integral multiples of $1.0 million in excess of that amount. All such prepayments shall be made upon not less than three (3) Business Days' prior written notice, and in each case given to the Lender by 12:00 noon (Ottawa time) on the date required. Upon the giving of any such notice, the principal amount of the Loan specified in such notice shall become due and payable on the prepayment date specified therein. Any such voluntary prepayment shall be applied as specified in Section 2.15(a).

(a) All payments by the Borrowers of principal, interest, fees and other Obligations shall be made in Dollars in same day funds, without defense, recoupment, setoff or counterclaim, free of any restriction or condition, and delivered to the Lender not later than 12:00 noon (Ottawa time) on the date due to the account of the Lender. For purposes of computing interest and fees, funds received by the Lender after 12:00 noon (Ottawa time) on the due date shall, at the option of the Lender, be deemed to have been paid by the Borrowers on the next succeeding Business Day.

(b) All payments in respect of the principal amount of the Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of the Loan on a date when interest is due and payable with respect to the Loan) shall be applied to the payment of interest then due and payable before application to principal.

(c) Whenever any payment to be made hereunder with respect to any Loan shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and, such extension of time shall be included in the computation of the payment of interest hereunder or of the Commitment fees hereunder.

(d) The Lender shall deem any payment by or on behalf of the Borrowers hereunder that is not made in same day funds prior to 12:00 noon (Ottawa time) to be a non-conforming payment. Any such payment shall not be deemed to have been received by the Lender until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. Any non-conforming payment may constitute or become a Default or Event of Default in accordance with the terms of Section 7.1(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 2.5 from the date such amount was due and payable until the date such amount is paid in full.

2.11 Making or Maintaining the Loan.

(a) Inability to Determine Applicable Interest Rate. Subject to Section 2.16, if, on or prior to the first day of any Interest Period:

(i) the Lender determines (which determination shall be conclusive and binding absent manifest error) that "Adjusted Term SOFR" cannot be determined pursuant to the definition thereof, or

(ii) the Lender determines that for any reason in connection with the Loan that "Adjusted Term SOFR" for any Interest Period with respect to the Loan does not adequately and fairly reflect the cost to the Lender of making and maintaining the Loan, the Lender will promptly so notify the Borrowers.

(iii) Upon notice thereof by the Lender to the Borrowers, any obligation of the Lender to make the Loan shall be suspended (to the extent of the Interest Periods) until the Lender revokes such notice. Upon receipt of such notice, the Loan will be deemed to have been converted into a Base Rate Loan at the end of the applicable Interest Period. Upon any such conversion, the Borrowers shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 2.12. If the Lender determines (which determination shall be conclusive and binding absent manifest error) that "Adjusted Term SOFR" cannot be determined pursuant to the definition thereof on any given day, the interest rate on the Base Rate Loan shall be determined by the Lender without reference to clause (iii) of the definition of "Base Rate" until the Lender revokes such determination.

(b) Illegality or Impracticability of Loan. In the event that on any date (i) the Lender shall have determined (which determination shall be final and conclusive and binding upon all parties hereto) that the making or maintaining the Loan has become unlawful as a result of compliance by the Lender in good faith with any law, treaty, governmental rule, regulation, guideline or order (or would conflict with any such treaty, governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful) including, without limitation, compliance by the Lender with any Sanctions administered or enforced by any sanctions authority applicable to the Lender or (ii) the making or maintaining of the Loan has become impracticable, as a result of contingencies occurring after the date hereof which materially and adversely affect the position of the Lender in the market (which determination shall be final and conclusive and binding upon all parties hereto), then, and in any such event, the Lender shall on that day give written notice (by e- mail or by facsimile) to the Borrowers of such determination. If the Borrowers receive a notice from the Lender pursuant to clause (i) or clause (ii) of the preceding sentence, then (1) the obligation of the Lender to make Loan shall be suspended until such notice shall be withdrawn by the Lender, (2) the Lender's obligations to maintain the Loan shall be terminated at the earlier to occur of the expiration of the Interest Period then in effect with respect to the Loan or when required by law, and (3) the Borrower shall upon demand by the Lender prepay the entire outstanding amount of the Loan, together with accrued and unpaid interest, fees and all other Obligations owing by the Borrowers to the Lender under this Agreement on the date of such termination.

(c) Compensation for Breakage or Non-Commencement of Interest Periods. The Borrowers shall compensate the Lender, upon written request by the Lender (which request shall set forth the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including any interest paid or payable by the Lender on funds borrowed by it to make or carry the Loan and any loss, expense or liability sustained by the Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which the Lender may sustain: (i) if for any reason a borrowing of any SOFR Loan does not occur on a date specified therefor in a Funding Notice; (ii) if any prepayment or other principal payment of, the Loan occurs on a date prior to the last day of an Interest Period applicable to that Loan; or (iii) if any prepayment of the Loan is not made on any date specified in a notice of prepayment given by the Company.

(d) Booking of Loan. The Lender may make, carry or transfer the Loan at, to, or for the account of any of its branch offices or the office of an Affiliate of the Lender.

(e) Assumptions Concerning Funding of Loan. Calculation of all amounts payable to the Lender under this Section 2.11 and under Section 2.12 shall be made as though the Lender had actually funded the Loan through the purchase of a deposit bearing interest at the rate obtained pursuant to clause (i) of the definition of "Term SOFR" in an amount equal to the amount of the Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such deposit from an offshore office of the Lender to a domestic office of such Lender in Canada or the United States of America; provided, however, the Lender may fund the Loan in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 2.11 and under Section 2.12.

2.12 Increased Costs; Capital Adequacy.

(a) Compensation for Increased Costs and Taxes. Subject to the provisions of Section 2.13 (which shall be controlling with respect to the matters covered thereby), in the event that the Lender shall determine (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that any Change in Law: (i) subjects the Lender (or its applicable lending office) or any entity controlling the Lender to any additional Tax (other than any ~~income~~Excluded Tax) with respect to this Agreement or any of the other Credit Documents or any of its obligations hereunder or thereunder or any payments to the Lender (or its applicable lending office) of principal, interest, fees or any other amount payable hereunder; (ii) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, liquidity, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of the Lender (other than any such reserve or other requirements with respect to the Loan that are reflected in the determination of Adjusted Term SOFR) or any company controlling the Lender; or (iii) imposes any other condition (other than with respect to a Tax matter) on or affecting the Lender (or its applicable lending office) or any company controlling the Lender or the Lender's obligations hereunder; and the result of any of the foregoing is to increase the cost to the Lender of agreeing to make, making or maintaining Loans hereunder; then, in any such case, the Borrowers shall promptly pay to the Lender, upon receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or in a lump sum or otherwise as the Lender in its sole discretion shall determine) as may be necessary to compensate the Lender for any such increased cost or reduction in amounts received or receivable hereunder. The Lender shall deliver to the Company a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to the Lender under this Section 2.12(a), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(b) Capital Adequacy and Liquidity Adjustment. In the event that the Lender shall have determined (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that (i) any Change in Law regarding capital adequacy or liquidity or (ii) compliance by the Lender (or its applicable lending office) or any company controlling the Lender with any Change in Law regarding capital adequacy or liquidity, has or would have the effect of reducing the rate of return on the capital of the Lender or any company controlling such Lender as a consequence of, or with reference to, the Lender's Loan or Commitments, or participations therein or other obligations hereunder with respect to the Loan to a level below that which the Lender or such controlling company could have achieved but for such Change in Law (taking into consideration the policies of the Lender or such controlling company with regard to capital adequacy and liquidity), then from time to time, within five (5) Business Days after receipt by the Company from the Lender of the statement referred to in the next sentence, the Borrowers shall pay to the Lender such additional amount or amounts as will compensate the Lender or such

controlling company on an after-tax basis for such reduction. The Lender shall deliver to the Company a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to the Lender under this Section 2.12(b), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(c) Delay in Requests. Failure or delay on the part of the Lender to demand compensation pursuant to this Section 2.12(c) shall not constitute a waiver of the Lender's right to demand such compensation; provided that the Borrowers shall not be required to compensate the Lender pursuant to this Section 2.12(c) for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that the Lender notifies the Company of the Change in Law giving rise to such increased costs or reductions, and of the Lender's intention to claim compensation therefor (except that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine (9) month period referred to above shall be extended to include the period of retroactive effect thereof).

2.13 Taxes; Withholding, Etc.

(a) Payments to Be Free and Clear. All sums payable by or on behalf of any Credit Party hereunder and under the other Credit Documents shall (except to the extent required by law) be paid free and clear of, and without any deduction or withholding on account of, any Tax.

(b) Withholding of Taxes. If any Credit Party or any other Person (acting as a withholding agent) is (in such Credit Party or withholding agent's reasonable good faith discretion) required by law to make any deduction or withholding on account of any Tax from any sum paid or payable by any Credit Party to the Lender under any of the Credit Documents: (i) the Company shall notify the Lender in writing of any such requirement or any change in any such requirement as soon as the Borrowers become aware of it; (ii) if the Tax is an Indemnified Tax or Other Tax, the sum payable by such Credit Party in respect of which the relevant deduction, withholding or payment is required shall be increased to the extent necessary to ensure that, after the making of that deduction, withholding or payment (including any Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.13), the Lender receives on the due date a net sum equal to what it would have received had no such deduction, withholding or payment been required or made; (iii) the Credit Party or other Person making such payment shall make the deduction or withholding required by law and shall timely pay the full amount so deducted or withheld to the relevant Governmental Authority; and (iv) within thirty (30) days after the due date of payment of any Tax which it is required by clause (iii) above to pay, the Borrowers shall deliver to the Lender evidence satisfactory to the other affected parties of such deduction, withholding or payment and of the remittance thereof to the relevant Governmental Authority. ~~In addition, each applicable Credit Party shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable requirements of law.~~

(c) Evidence of Exemption From Withholding Tax. If the Lender is legally entitled to an exemption from or reduction of withholding Tax with respect to any payments made under this Agreement or any other Credit Document, it shall deliver to the Company, at the time or times reasonably requested by the Company, such properly completed and executed documentation prescribed by applicable laws or reasonably requested by the Company as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, the Lender, if reasonably requested by the Company, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Company as will enable the Company to determine whether or not the Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in this Section 2.13(c), the completion, execution and submission of such documentation shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject the Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of the Lender.

(d) If a payment made to the Lender under any Credit Document would be subject to ~~U.S. federal~~ withholding Tax imposed by FATCA if the Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), the Lender shall deliver to the Company at the time or times prescribed by law and at such time or times reasonably requested by the Company such documentation prescribed by applicable law (including as prescribed by section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Company as may be necessary for the Company to comply with its obligations under FATCA and to determine that the Lender has complied with its obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (d), "**FATCA**" shall include any amendments made to FATCA after the date hereof.

(e) Without limiting the provisions of Section 2.13(b), the ~~Company~~Credit Parties shall timely pay all Other Taxes to the relevant Governmental Authority in accordance with applicable law. The Company shall deliver to the Lender official receipts or other evidence of such payment reasonably satisfactory to the Lender in respect of any Other Taxes payable hereunder promptly after payment of such Other Taxes.

(f) The Company, BIMLP and each other Credit Party shall jointly and severally indemnify the Lender for the full amount of any Indemnified Taxes and Other Taxes, paid or payable by the Lender or any of its respective Affiliates arising in connection with payments made under this Agreement or any other Credit Document and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered by the Lender to such Credit Party shall be conclusive absent manifest error. Such payment shall be due within ten (10) days of such Credit Party's receipt of such certificate.

(g) If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.13 (including additional amounts pursuant to this Section 2.13), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.13 with respect to the Taxes giving rise to such refund), net of all out- of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this Section 2.13(g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.13(g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this Section 2.13(g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Taxes subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such refund had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(h) Each party's obligations under this Section 2.13 shall survive any assignment of rights by, or the replacement of, the Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Credit Document.

2.14 Obligation to Mitigate.

The Lender agrees that, if the Lender requests payment under Section 2.11, 2.12 or 2.13, then the Lender will, to the extent not inconsistent with the internal policies of the Lender and any applicable legal or regulatory restrictions, use reasonable efforts to make, issue, fund or maintain the Loan, including any Affected Loan, through another office of the Lender if, as a result thereof, the additional amounts payable to the Lender pursuant to Section 2.11, 2.12 or 2.13, as the case may be, in the future would be eliminated or reduced and if, as determined by the Lender in its sole discretion, the making, issuing, funding or maintaining of such Commitments or Loan through such other office or in accordance with such other measures, as the case may be, would not otherwise adversely affect such Commitments or Loan or the interests of the Lender; provided, the Lender will not be obligated to utilize such other office pursuant to this Section 2.14 unless the Company agrees to pay all incremental expenses incurred by the Lender as a result of utilizing such other office as described above. A certificate as to the amount of any such expenses payable by the Company pursuant to this Section 2.14 (setting forth in reasonable detail the basis for requesting such amount) submitted by the Lender to the Company shall be conclusive absent manifest error.

2.15 Co-Borrowers; Subrogation.

(a) Joint and Several Liability. All Obligations of the Borrowers under this Agreement and the other Credit Documents shall be joint and several Obligations of each Borrower. Anything contained in this Agreement and the other Credit Documents to the contrary notwithstanding, the Obligations of each Borrower hereunder, solely to the extent that such Borrower did not receive proceeds of the Loan from the borrowing hereunder, shall be limited to a maximum aggregate amount equal to the largest amount that would not render its Obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under §548 of the Bankruptcy Code, 11 U.S.C. §548, or any applicable provisions of comparable state or foreign law (collectively, the "**Fraudulent Transfer Laws**"), in each case after giving effect to all other liabilities of such Borrower, contingent or otherwise, that are relevant under the Fraudulent Transfer Laws (specifically excluding, however, any liabilities of such Borrower in respect of intercompany Indebtedness to any other Credit Party or Affiliates of any other Credit Party to the extent that such Indebtedness would be discharged in an amount equal to the amount paid by such Credit Party hereunder) and after giving effect as assets to the value (as determined under the applicable provisions of the Fraudulent Transfer Laws) of any rights to subrogation or contribution of such Borrower pursuant to (i) applicable law or (ii) any agreement providing for an equitable allocation among such Borrower and other Affiliates of any Credit Party of Obligations arising under Guaranties by such parties.

(b) Subrogation. Until the Obligations shall have been paid in full in Cash, each Borrower shall withhold exercise of any right of subrogation, contribution or any other right to enforce any remedy which it now has or may hereafter have against the other Borrower or any other guarantor of the Obligations. Each Borrower further agrees that, to the extent the waiver of its rights of subrogation, contribution and remedies as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any such rights such Borrower may have against the other Borrower, any collateral or security or any such other guarantor, shall be junior and subordinate to any rights the Lender may have against the other Borrower, any such collateral or security, and any such other guarantor. The Credit Parties under this Agreement and the other Credit Documents together desire to allocate among themselves, in a fair and equitable manner, their Obligations arising under this Agreement and the other Credit Documents. Accordingly, in the event any payment or distribution is made on any date by any Credit Party under this Agreement and the other Credit Documents (a "**Funding Credit Party**") that exceeds its Obligation Fair Share (as defined below) as of such date, that Funding Credit Party shall be entitled to a contribution from the other Credit Parties in the amount of such other Credit Parties' Obligation Fair Share Shortfall (as defined below) as of such date, with the result that all such contributions will cause each Credit Party's Obligation Aggregate Payments (as defined below) to equal its Obligation Fair Share as of such date. "**Obligation Fair Share**" means, with respect to a Credit

Party as of any date of determination, an amount equal to (i) the ratio of (x) the Obligation Fair Share Contribution Amount (as defined below) with respect to such Credit Party to (y) the aggregate of the Obligation Fair Share Contribution Amounts with respect to all Credit Parties, multiplied by (ii) the aggregate amount paid or distributed on or before such date by all Funding Credit Parties under this Agreement and the other Credit Documents in respect of the Obligations guarantied. "**Obligation Fair Share Shortfall**" means, with respect to a Credit Party as of any date of determination, the excess, if any, of the Obligation Fair Share of such Credit Party over the Obligation Aggregate Payments of such Credit Party. "**Obligation Fair Share Contribution Amount**" means, with respect to a Credit Party as of any date of determination, the maximum aggregate amount of the Obligations of such Credit Party under this Agreement and the other Credit Documents that would not render its Obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under §548 of the Bankruptcy Code, 11 U.S.C. §548, or any comparable applicable provisions of state or foreign law; provided that, solely for purposes of calculating the Obligation Fair Share Contribution Amount with respect to any Credit Party for purposes of this Section 2.15, any assets or liabilities of such Credit Party arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or Obligations of contribution hereunder shall not be considered as assets or liabilities of such Credit Party. "**Obligation Aggregate Payments**" means, with respect to a Credit Party as of any date of determination, an amount equal to (i) the aggregate amount of all payments and distributions made on or before such date by such Credit Party in respect of this Agreement and the other Credit Documents (including in respect of this Section 2.15) minus (ii) the aggregate amount of all payments received on or before such date by such Credit Party from the other Credit Party as contributions under this Section 2.15. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Credit Party. The allocation among the Credit Parties of their Obligations as set forth in this Section 2.15 shall not be construed in any way to limit the liability of any Credit Party hereunder or under any Credit Document.

(c) Representative of the Borrowers. BIMLP hereby appoints the Company as its agent, attorney-in-fact and representative for the purpose of (i) making any borrowing requests or other requests required under this Agreement, (ii) the giving and receipt of notices by and to the Borrowers under this Agreement, (iii) the delivery of all documents, reports, financial statements and written materials required to be delivered by the Borrowers under this Agreement, and (iv) all other purposes incidental to any of the foregoing. BIMLP agrees that any action taken by the Company as the agent, attorney-in-fact and representative of BIMLP shall be binding upon BIMLP to the same extent as if directly taken by BIMLP.

(d) Allocation of Loan. The Loan shall be made to the Company as borrower.

(e) Obligations Absolute. Each Borrower hereby waives, for the benefit of the Lender: (a) any right to require any Lender, as a condition of payment or performance by such Borrower, to (i) proceed against any other Borrower, any guarantor of the Obligations or any other Person, (ii) proceed against or exhaust any security held from any other Borrower, any guarantor or any other Person, (iii) proceed against or have resort to any balance of any deposit account or credit on the books of any Lender in favor of any other Borrower or any other Person, or (iv) pursue any other remedy in the power of any Lender whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of any other Borrower or any Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of any other Borrower from any cause other than payment in full of the Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Lender's errors or omissions in the administration of the Obligations, except behavior which amounts to bad faith; (e)(i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable

discharge of such Borrower's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Borrower's liability hereunder or the enforcement hereof, (iii) any rights to set-offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Lender protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Obligations or any agreement related thereto and notices of any extension of credit to the Borrowers and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

2.16 Effect of Benchmark Transition Event.

(a) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Credit Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document and (y) if a Benchmark Replacement is determined in accordance with clause (b) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (Ottawa time) on the fifth Business Day after the date notice of such Benchmark Replacement is provided to the Borrowers without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a ~~quarterly~~monthly basis.

(b) Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Lender will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document.

(c) Notices; Standards for Decisions and Determinations. The Lender will promptly notify the Borrowers of (i) the implementation of any Benchmark Replacement, and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Lender will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.16(d) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Lender pursuant to this Section 2.16, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 2.16 and shall not be a basis of any claim of liability of any kind or nature by any party hereto, all such claims being hereby waived individually be each party hereto.

(d) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term

SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Lender in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Lender may modify (by providing notice thereof (which may be via email) to the Borrowers) the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Lender may modify (by providing notice thereof (which may be via email) to the Borrowers) the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) Benchmark Unavailability Period. Upon the Borrowers' receipt of notice of the commencement of a Benchmark Unavailability Period, if the Loan is affected then the Loan will be deemed to have been converted into a Base Rate Loan at the end of the applicable Interest Period. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate.

(f) The Lender shall not be under any obligation (i) to monitor, determine or verify the unavailability or cessation of Term SOFR (or any other applicable benchmark), or whether or when there has occurred, or to give notice to any other transaction party of the occurrence of, any termination date relating to Term SOFR, (ii) to select, determine or designate any alternative rate, or other successor or replacement benchmark index, or whether any conditions to the designation of such a rate have been satisfied, (iii) to select, determine or designate any other modifier to any alternative rate or (iv) to determine whether or what alternative rate changes are necessary or advisable, if any, in connection with any of the foregoing. The Lender shall not be liable for any inability, failure or delay on its part to perform any of its duties set forth in this Agreement solely as a result of the unavailability of Term SOFR (or any other applicable benchmark) and absence of a designated replacement benchmark.

For purposes of the foregoing, no Indebtedness will be deemed to be contractually

subordinate or junior in right of payment to any other Indebtedness solely by virtue of (1) being unsecured or (2) its having a junior priority with respect to the same collateral.

6.2 Liens.

The Company and BIMLP will not, and will not permit any of ~~its~~their respective Restricted Subsidiaries to, directly or indirectly, create, Incur or assume any Lien (other than Permitted Liens) that secures any Indebtedness or any obligations related thereto upon or hold on consignment any of the Collateral, or assign or convey any right to receive income therefrom, whether owned on the Closing Date or acquired after that date.

(A) dividends or distributions payable solely in Capital Stock of the Company or BIMLP (other than Disqualified Stock and general partner interests of BIMLP); and

(B) dividends or distributions by a Restricted Subsidiary, so long as, in the case of any dividend or distribution payable on or in respect of any Capital Stock issued by any such Restricted Subsidiary that is not a Wholly Owned Subsidiary, the Company and ~~the~~/or any Restricted Subsidiary holding such Capital Stock receives at least its pro rata share of such dividend or distribution; provided that this clause (B) shall not permit any dividends or distributions to be paid by BIMLP to its limited partners on or in respect of their limited partnership interests in BIMLP;

(D) each Sponsor Affiliated Lender shall be deemed to have voted in such proceedings in the same proportion as the allocation of voting with respect to such matter by the Lender, except to the extent that any plan under the Bankruptcy Code or any other Debtor Relief Law proposes to treat the Obligations held by such Sponsor Affiliated Lender in a manner that is less favorable to such Sponsor Affiliated Lender in any material respect than the proposed treatment of similar Obligations held by the Lender. For the avoidance of doubt, except to the extent that any plan under the Bankruptcy Code or any other Debtor Relief Law proposes to treat the Obligations held by a Sponsor Affiliated Lender in a manner that is less favorable to such Sponsor Affiliated Lender in any material respect than the proposed treatment of similar Obligations held by the Lender, the Lender is hereby irrevocably authorized and empowered (in the name of such Sponsor Affiliated Lender) to vote on behalf of such Sponsor Affiliated Lender or consent on behalf of such Sponsor Affiliated Lender in any such proceedings with respect to any and all claims of such Sponsor Affiliated Lender relating to the Obligations. Each Sponsor Affiliated Lender agrees and acknowledges that the foregoing constitutes an irrevocable proxy in favor of the Lender to vote or consent on behalf of such Sponsor Affiliated Lender in any proceeding in the manner set forth above and that such Sponsor Affiliated Lender shall be irrevocably bound to any such votes made or consents given and further shall not challenge or otherwise object to such votes or consents and shall not itself vote or provide consents in the proceeding; and

(E) each Sponsor Affiliated Lender hereby expressly and irrevocably waives, for the benefit of the Lender, any principles or provisions of law (including as set forth in any Debtor Relief Law, statutory or otherwise) which are or might be in conflict with the terms of this Agreement and any legal or equitable discharge of such Sponsor Affiliated Lender's obligations hereunder.

~~8.7~~8.8 Independence of Covenants.

All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

~~8.8~~8.9 Survival of Representations, Warranties and Agreements.

All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of the Loan. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Borrower set forth in Sections 2.11(c), 2.12, 2.13, ~~8.1(b), 8.2 and~~ 8.2(b), 8.3 and 8.4 shall survive the payment of the Loan, and the termination hereof.

~~8.9~~8.10 No Waiver; Remedies Cumulative.

No failure or delay on the part of the Lender in the exercise of any power, right or privilege hereunder or under any other Credit Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to the Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Credit Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

~~8.10~~8.11 Marshalling; Payments Set Aside.

The Lender shall not be under any obligation to marshal any assets in favor of any Credit Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Credit Party makes a payment or payments to the Lender, or the Lender enforces any security interests or exercises any right of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

~~8.11~~8.12 Severability.

In case any provision in or obligation hereunder or under any other Credit Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

~~8.12~~8.13 Headings.

Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

~~8.14~~8.15 Consent to Jurisdiction.

THE CREDIT PARTIES IRREVOCABLY SUBMIT TO THE NON-EXCLUSIVE JURISDICTION OF THE COURTS OF THE PROVINCE OF ONTARIO SITTING IN THE JUDICIAL DISTRICT OF OTTAWA AND HEREBY IRREVOCABLY AGREE THAT ALL CLAIMS IN RESPECT OF SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH COURT. THE CREDIT PARTIES HEREBY WAIVE, TO THE FULLEST EXTENT THEY MAY EFFECTIVELY DO SO, THE DEFENSE OF AN INCONVENIENT FORUM TO THE MAINTENANCE OF SUCH ACTION OR PROCEEDING. THE CREDIT PARTIES HEREBY IRREVOCABLY CONSENT TO THE SERVICE OF ANY AND ALL PROCESS OR PROCEEDING BY THE DELIVERY OF SUCH PROCESS TO SUCH BORROWER AT ITS ADDRESS PROVIDED IN APPENDIX B IN ACCORDANCE WITH SECTION 8.13.

~~8.15~~8.16 Waiver of Jury Trial.

EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER CREDIT DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION ~~8.15~~8.16 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER CREDIT DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOAN MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

~~8.16~~8.17 Confidentiality.

The Lender shall hold all non-public information regarding the Company, BIMLP and their respective Subsidiaries, Affiliates and their businesses identified as such by the Company and obtained by the Lender pursuant to the requirements hereof in accordance with the Lender's customary procedures for handling confidential information of such nature, it being understood and agreed by the Company that, in any event, the Lender may make (i) disclosures of such information to Affiliates of the Lender and to their respective officers, directors, partners, members, employees, legal counsel, independent auditors and other advisors, experts or agents who need to know such information and on a confidential basis (and to other Persons authorized by the Lender to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section ~~8.15~~8.16), (ii) disclosures of such information reasonably required by any potential or prospective assignee, transferee or participant in connection with the contemplated assignment, transfer or participation of the Loan or any participations therein or by any direct or indirect contractual counterparties (or the professional advisors thereto) to any swap or derivative transaction relating to the Company and its obligations (provided, such assignees, transferees, participants, counterparties and advisors are advised of and agree to be bound by either the provisions of this Section ~~8.15~~8.16 or other provisions at least as restrictive as this Section ~~8.15~~8.16), (iii) disclosure on a confidential basis to any Rating Agency when required by it, (iv) disclosure on a

confidential basis to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the Loan, (v) disclosures in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this Agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, (vi) disclosures made pursuant to the order of any court or administrative agency or in any pending legal or administrative proceeding, or otherwise as required by applicable law or compulsory legal process (in which case such Person agrees to inform the Company promptly thereof to the extent not prohibited by law), (vii) disclosures made upon the request or demand of any regulatory or quasi-regulatory authority purporting to have jurisdiction over such Person or any of its Affiliates and (viii) disclosures with the consent of the Company. In addition, the Lender may disclose the existence of this Agreement and the information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Lender in connection with the administration and management of this Agreement and the other Credit Documents. Notwithstanding anything to the contrary set forth herein, each party (and each of their respective employees, representatives or other agents) may disclose to any and all persons without limitation of any kind, the tax treatment and tax structure of the transactions contemplated by this Agreement and all materials of any kind (including opinions and other tax analyses) that are provided to any such party relating to such tax treatment and tax structure. However, any information relating to the tax treatment or tax structure shall remain subject to the confidentiality provisions hereof (and the foregoing sentence shall not apply) to the extent reasonably necessary to enable the parties hereto, their respective Affiliates, and their respective Affiliates' directors and employees to comply with applicable securities laws. For this purpose, "tax structure" means any facts relevant to the federal income tax treatment of the transactions contemplated by this Agreement but does not include information relating to the identity of any of the parties hereto or any of their respective Affiliates.

~~8.17~~8.18 Usury Savings Clause.

Notwithstanding any other provision herein, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the Loan made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the Loan made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, the Company shall pay to the Lender an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of the Lender and the Company to conform strictly to any applicable usury laws. Accordingly, if the Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at the Lender's option be applied to the outstanding amount of the Loan made hereunder or be refunded to the Company.

~~8.18~~8.19 Effectiveness; Counterparts.

This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by the Company and the Lender of written notification of such execution and authorization of delivery thereof. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic format (i.e., ".pdf" or ".tif") shall be effective as delivery of a manually executed counterpart of this Agreement.

~~8.19~~8.20 Entire Agreement.

Except as provided in the prior sentence, this Agreement and the other Credit Documents, and any separate letter agreements with respect to fees payable to the Lender, constitute the entire agreement of the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

~~8.20~~8.21 PATRIOT Act.

The Lender hereby notifies each Borrower that pursuant to the requirements of the PATRIOT Act and other Anti-Money Laundering Laws, it may be required to obtain, verify and record information that identifies each Borrower, which information includes the name and address of each Borrower and other information that will allow the Lender to identify such Borrower in accordance with the PATRIOT Act and other Anti-Money Laundering Laws.

~~8.21~~8.22 Electronic Execution of Assignments.

The words "execution," "signed," "signature," and words of like import in any Assignment Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the United States federal *Electronic Signatures in Global and National Commerce Act*, the New York State *Electronic Signatures and Records Act*, the Ontario *Electronic Commerce Act* or any other similar state laws based on the *Uniform Electronic Transactions Act*.

~~8.22~~8.23 No Fiduciary Duty.

The Lender and its Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), may have economic interests that conflict with those of the Credit Parties, their stockholders and/or their affiliates. Each Credit Party agrees that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between the Lender, on the one hand, and such Credit Party, its stockholders or its affiliates, on the other. The Credit Parties acknowledge and agree that (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Credit Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) the Lender has not assumed an advisory or fiduciary responsibility in favor of any Credit Party, its stockholders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether the Lender has advised, is currently advising or will advise any Credit Party, its stockholders or its Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents and (y) the Lender is acting solely as principal and not as the agent or fiduciary of any Credit Party, its management, stockholders, creditors or any other Person. Each Credit Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that the Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Credit Party, in connection with such transaction or the process leading thereto.

~~8.23~~8.24 Judgment Currency.

In respect of any judgment or order given or made for any amount due under this Agreement or any other Credit Document that is expressed and paid in a currency (the "**judgment currency**") other than Dollars, the Credit Parties will indemnify the Lender against any loss incurred by them as a result of any variation as between (i) the rate of exchange at which the Dollar amount is converted into the judgment currency for

the purpose of such judgment or order and (ii) the rate of exchange, as quoted by the Lender or by a known dealer in the judgment currency that is designated by the Lender, at which the Lender is able to purchase Dollars with the amount of the judgment currency actually received by Lender. The foregoing indemnity shall constitute a separate and independent obligation of the Borrowers and shall survive any termination of this Agreement and the other Credit Documents, and shall continue in full force and effect notwithstanding any such judgment or order as aforesaid. The term "rate of exchange" shall include any premiums and costs of exchange payable in connection with the purchase of or conversion into Dollars.

~~8.24~~8.25 Contractual Recognition of Bail-In.

(a) Notwithstanding any other term of any Credit Document or any other agreement, arrangement or understanding between the parties hereto, each party hereto acknowledges and accepts that any liability of any party to any other party under or in connection with the Credit Documents may be subject to Bail-In Action by the relevant Resolution Authority and acknowledges and accepts to be bound by the effect of:

(i) any Bail-In Action in relation to any such liability, including (without limitation):

(A) a reduction, in full or in part, in the principal amount, or outstanding amount due (including any accrued but unpaid interest) in respect of any such liability;

(B) a conversion of all, or part of, any such liability into shares or other instruments of ownership that may be issued to, or conferred on, it; and

(C) a cancellation of any such liability; and

(ii) a variation of any term of any Credit Document to the extent necessary to give effect to any Bail-In Action in relation to any such liability.

(b) As used in this Section ~~8.24~~8.25, the following terms have the following meanings:

"**Article 55 BRRD**" means Article 55 of Directive 2014/59/EU establishing a framework for the recovery and resolution of credit institutions and investment firms.

"**Bail-In Action**" means the exercise of any Write-down and Conversion Powers.

"**EU Bail-In Legislation Schedule**" means the document described as such and published by the Loan Market Association (or any successor person) from time to time.

resolution of unsound or failing banks, investment firms or other financial institutions or their affiliates (otherwise than through liquidation, administration or other insolvency proceedings).

"**Write-down and Conversion Powers**" means:

(i) in relation to any Bail-In Legislation described in the EU Bail-In Legislation Schedule from time to time, the powers described as such in relation to that Bail-In Legislation in the EU Bail-In Legislation Schedule;

(ii) in relation to any UK Bail-In Legislation:

(A) any powers under that UK Bail-In Legislation to cancel, transfer or dilute shares issued by a person that is a bank or investment firm or other financial institution or affiliate of a bank, investment firm or other financial institution, to cancel, reduce, modify or change the form of a liability of such a person or any contract or instrument under which that liability arises, to convert all or part of that liability into shares, securities or obligations of that person or any other person, to provide that any such contract or instrument is to have effect as if a right had been exercised under it or to suspend any obligation in respect of that liability or any of the powers under that UK Bail-In Legislation that are related to or ancillary to any of those powers; and

(B) any similar or analogous powers under that UK Bail-In Legislation.

~~8.25~~8.26 Acknowledgment Regarding Any Supported QFCs.

To the extent that the Credit Documents provide support, through a guarantee or otherwise, for any agreement or instrument that is a QFC (such support, "**QFC Credit Support**" and each such QFC a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

Adverse Proceedings

Attached to cover amendment.

~~1. Litigation relating to an application to the Ontario Superior Court of Justice for the determination of the fair value of shares held by former shareholders of the corporate predecessor to Baffinland Iron Mines Corporation who exercised dissent rights on a plan of arrangement following the take-over bid of the corporation. The Company has recorded a provision of $3.1 million as of June 30, 2022 relating to the anticipated payout to the dissenters.~~

~~2. On September 25, 2018, BIM LP provided notices of termination to Tower-EBC G.P./S.E.N.C. ("T-EBC") with respect to the earthworks contracts entered into between the parties. T-EBC commenced arbitration proceedings under the Arbitration Rules of the International Chamber of Commerce. T-EBC claims, among other things, that Baffinland was not entitled to terminate the contracts and is seeking profits as if it had performed the full scope of the works under the contracts and certain other amounts. The arbitration hearing on the merits of T-EBC's claim concluded in July 2020. On December 10, 2020, the Company received the split decision of the arbitration panel. The panel unanimously awarded T-EBC a net payment (taking into account amounts previously advanced to T-EBC for equipment, materials and mobilization) of approximately C$9.8 million and awarded the Company ownership of approximately C$17.8 million of materials. The Company has recorded a provision of C$9.8 million relating to the anticipated payments. A majority of the panel would also award T-EBC an additional approximately C$60.0 million payment and give the Company title to T-EBC's equipment. The dissenting member, a former Justice of the Supreme Court of Canada, would not award T-EBC the additional payment and would order Baffinland to return T-EBC's equipment. The Company filed a notice of application with the Ontario Supreme Court of Justice on January 8, 2021, seeking leave to appeal the majority decision on the basis of a number of legal errors or to have all or part of the decision set aside. On April 11, 2022, the Court determined that agreements between the parties preclude an appeal of the arbitration decision. The Company has appealed to the Ontario Court of Appeal.~~

Schedule 4.11
Payment of Taxes

Attached to cover amendment.

~~1. BIMC and the Qikiqtani Inuit Association (QIA), as landlord, have challenged the payment of property taxes on the Mary River Inuit Owned Lands on the basis that no government services are provided in respect of those lands. On September 8, 2021, the majority of the members of the Nunavut Assessment Appeal Tribunal decided that property taxes assessed on the Mary River lands are payable with respect to the assessment years from 2014-2017. QIA, as landlord, is appealing the decision. Assessment years 2018-2021 are being challenged at the Territorial Board of Revision by QIA and BIMC.~~

(A) to vote with respect to any amendment, modification, waiver, consent or other such action with respect to any of the terms of the Credit Agreement or any other Credit Document and that it shall be deemed to have voted its interest as a lender under the Credit Agreement without discretion in the same proportion as the allocation of voting with respect to such matter by the Lender; provided that, notwithstanding the foregoing, (i) such Sponsor Affiliated Lender shall be permitted to vote if such amendment, modification, waiver, consent or other such action disproportionately affects such Sponsor Affiliated Lender in its capacity as a lender as compared to other Lenders, (ii) no amendment, modification, waiver, consent or other action shall, without the consent of such Sponsor Affiliated Lender, deprive any Sponsor Affiliated Lender of its share of any payments

which the Lenders are entitled to share on a pro rata basis hereunder and (iii) such Sponsor Affiliated Lender shall be permitted to vote if such amendment, modification, waiver, consent or other such action would increase the Commitment of such Sponsor Affiliated Lender, extend or postpone the final maturity, reduce the principal, interest or fees or to release Liens on all or substantially all of the Collateral, in each case, with respect to the Commitment and/or Loan of such Sponsor Affiliated Lender;

(B) to attend (or receive any notice of) any meeting, conference call or correspondence with the Lender or receive any information from the Lender other than notices of borrowings, prepayments and other administrative notices in respect of the Loan or Commitment required to be delivered to the Lender pursuant to Article 2 of the Credit Agreement; or

(C) to make or bring any claim, in its capacity as a Lender, against the Lender with respect to the duties and obligations of such Persons under the Credit Documents.

1.4 Additional Debtor Relief Law Conditions. Each Sponsor Affiliated Lender, solely in its capacity as a Lender, hereby further agrees that if any Credit Party shall be subject to any voluntary or involuntary proceeding commenced under any Debtor Relief Law:

(A) it shall not take any step or action (whether directly or indirectly) in such proceeding to object to, impede, or delay the exercise of any right or the taking of any action by the Lender (or the taking of any action by a third party to which the Lender has consented with respect to any disposition of assets by the Borrowers or any equity or debt financing to be made to a Borrower), including, without limitation, the filing of any pleading by the Lender in (or with respect to any matters related to) the proceeding so long as the Lender is not taking any action to treat such Sponsor Affiliated Lender's Loans in a manner that is less favorable to such Sponsor Affiliated Lender in any material respect than the proposed treatment of similar Obligations held by the Lender (including, without limitation, objecting to any debtor-in- possession financing, use of cash collateral, grant of adequate protection, sale or disposition, compromise or plan of reorganization);

(B) the provisions set forth in Section 8.6(i) of the Credit Agreement, and the related provisions set forth in this Affiliate Assignment and Assumption Agreement, constitute (a) a "subordination agreement" as such term is contemplated by, and utilized in, section 510(a) of the Bankruptcy Code (or any analogous provision of other Debtor Relief Laws), and, as such, would be enforceable for all purposes in any case where a Borrower has filed for protection under any Debtor Relief Laws and affecting the rights of creditors generally applicable to such Borrower and (b) an irrevocable voting proxy coupled with a pledge in favor of the Lender with respect to voting obligations set forth in this Section 8.6(i) of the Credit Agreement, and the related provisions set forth in this Affiliate Assignment and Assumption Agreement;

(C) it shall support and shall not object to (a) any use of cash collateral (including, without limitation, any and all terms of any cash collateral order) and/or any debtor-in-possession financing (including, without limitation, any and all terms of any financing agreement, related documents and financing order) that is supported by or consented to by the Lender and (b) any sale of any assets of the Credit Parties, whether under section 363 of the Bankruptcy Code (or any analogous provision of other Debtor Relief Laws) or otherwise, that is supported by or consented to by the Lender (including, without limitation, the terms and conditions of any bidding procedures orders, sale orders and any and all purchase and sale agreements and related documents);

(D) it shall be deemed to have voted in such proceedings in the same proportion as the allocation of voting with respect to such matter by the Lenders, except to the extent that any plan under the Bankruptcy Code or any other Debtor Relief Law proposes to treat the Obligations held by such Sponsor Affiliated Lender in a manner that is less favorable to such Sponsor Affiliated Lender in any material respect than the proposed treatment of similar Obligations held by the Lender. For the avoidance of doubt, except to the extent that any plan under the Bankruptcy Code or any other

Debtor Relief Law proposes to treat the Obligations held by a Sponsor Affiliated Lender in a manner that is less favorable to such Sponsor Affiliated Lender in any material respect than the proposed treatment of similar Obligations held by the Lender, the Lender is hereby irrevocably authorized and empowered (in the name of such Sponsor Affiliated Lender) to vote on behalf of such Sponsor Affiliated Lender or consent on behalf of such Sponsor Affiliated Lender in any such proceedings with respect to any and all claims of such Sponsor Affiliated Lender relating to the Obligations. Each Sponsor Affiliated Lender agrees and acknowledges that the foregoing constitutes an irrevocable proxy in favor of the Lender to vote or consent on behalf of such Sponsor Affiliated Lender in any proceeding in the manner set forth above and that such Sponsor Affiliated Lender shall be irrevocably bound to any such votes made or consents given and further shall not challenge or otherwise object to such votes or consents and shall not itself vote or provide consents in the proceeding; and

(E) it hereby expressly and irrevocably waives, for the benefit of the Lender, any principles or provisions of law (including as set forth in any Debtor Relief Law, statutory or otherwise) which are or might be in conflict with the terms of this Agreement and any legal or equitable discharge of such Sponsor Affiliated Lender's obligations hereunder.

1.5 Payments. From and after the Effective Date, the Lender shall make all payments in respect of the Assigned Interest (including payments of principal, interest, fees and other amounts) to the Sponsor Affiliated Lender whether such amounts have accrued prior to, on or after the Effective Date. The Assignor and the Sponsor Affiliated Lender shall make all appropriate adjustments in payments by the Lender for periods prior to the Effective Date or with respect to the making of this assignment directly between themselves.

1.6 General Provisions. This Affiliate Assignment and Assumption shall be binding upon, and enure to the benefit of, the parties hereto and their respective successors and permitted assigns. This Affiliate Assignment and Assumption may be executed in any number of counterparts, which together shall constitute one instrument. Delivery of an executed counterpart of a signature page of this Assignment and Assumption by telecopy or by sending a scanned copy by electronic mail shall be effective as delivery of a manually executed counterpart of this Affiliate Assignment and Assumption. Agreements With Respect to Insolvency or Liquidation Proceedings

(a) The parties hereto agree that this Agreement, and the provisions hereof, including, without limitation, Section 2.01, are, and shall constitute, a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code and any comparable provision of any other Debtor Relief Laws, between and among the holders of the Secured Obligations. This Agreement shall be enforceable following the commencement of any Insolvency or Liquidation Proceeding and shall continue in full force and effect notwithstanding the commencement of any such Insolvency or Liquidation Proceeding. All references herein to any Grantor shall apply to any trustee, receiver, administrator or monitor therefor and such Grantor as debtor-in-possession (if applicable), in each case, in any Insolvency or Liquidation Proceeding.

(b) If any Grantor shall become subject to a proceeding or case under any Debtor Relief Law and shall, as move for or request approval of financing ("**DIP Financing**") to be provided by one or more lenders (the "**DIP Lenders**") and/or the use of cash collateral under the applicable provisions of applicable Debtor Relief Laws (including Sections 363 and 364 of the Bankruptcy Code), then each Collateral Agent, on behalf of the relevant Series of Secured Parties, agrees not to raise any objection to any such DIP Financing or to the Liens (which may be super-priority Liens) on the Shared Collateral securing the same ("**DIP Financing Liens**") and/or to any use of cash collateral that constitutes Shared Collateral, unless the Controlling Collateral Agent shall oppose or object to such DIP Financing or such DIP Financing Liens and/or use of cash collateral; provided that the amount of any such DIP Financing shall not incrementally exceed $40,000,000 (the intention being that, in the case of any "roll up" DIP Financing or similar structure, this cap shall include both the incremental amount of $40,000,000 plus the repayment of any outstanding Priority Obligations and Pari Passu Obligations in connection therewith). Without limiting the generality of the prior sentence, to the extent that the Controlling Collateral Agent consents in writing to the Grantor seeking one or more orders from a court in an Insolvency or Liquidation Proceeding granting super-priority Liens over the Shared Collateral in favor of the

beneficiaries of certain standard court ordered charges to secure expenses, fees or other amounts as are generally granted in similar proceedings, each other Collateral Agent, on behalf of the relevant Series of Secured Parties, agrees not to oppose or object to such super-priority Liens.

(c) Each Collateral Agent, on behalf of the relevant Series of Secured Parties, agrees not to object to or oppose any release of its Liens in connection with any sale or other disposition of any Shared Collateral (or any portion thereof) under any Debtor Relief Laws (including, if applicable, Section 363 of the Bankruptcy Code) if the Controlling Collateral Agent shall have consented to such sale or disposition of such Shared Collateral; provided that the Liens of each Collateral Agent will attach to the proceeds of such sale or disposition on the same basis of priority as they do with respect to the Shared Collateral in accordance with this Agreement; provided, further, that the Secured Parties will be entitled to assert any objection to the proposed bidding and related sale procedures to be utilized in connection with such sale or disposition that may be asserted by an unsecured creditor of the Grantors in such Insolvency or Liquidation Proceeding.

Section 3.02 Reorganization Securities.

If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor (as successor to any Grantor or otherwise) secured by Liens upon any property of such reorganized debtor are distributed pursuant to a plan of reorganization or similar dispositive restructuring plan or otherwise, both on account of Priority Obligations and on account of Pari Passu Obligations, then, to the extent the debt obligations distributed on account of the Priority Obligations and on account of the Pari Passu Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations and will apply with like effect to the Liens securing such debt obligations.

Section 3.03 Plan Voting.

No holder of Pari Passu Obligations may (directly or indirectly) propose, support, vote in favor of, or otherwise agree to any plan of reorganization, arrangement or similar dispositive restructuring plan proposed in any Insolvency or Liquidation Proceeding that is inconsistent with, or in violation of, the terms of this Agreement or applicable law. Without limiting the generality of the foregoing, no holder of Pari Passu Obligations shall propose, support, vote in favor of, or otherwise agree to any plan of reorganization, arrangement or similar dispositive restructuring plan proposed in any Insolvency or Liquidation Proceeding that does not provide for the payment in full in cash of all of the Priority Obligations by the effective day thereof or that is not supported by the votes of required holders of Priority Obligations to approve such plan in a separate class in accordance with Section 1126(c) of the Bankruptcy Code, if applicable, and any other analogous provisions of any other Debtor Relief Law.

Section 3.04 Separate Liens.

(a) The Grantors, the Priority Secured Parties, and the Pari Passu Secured Parties agree and acknowledge that (i) the grants of Liens pursuant to the respective Security Documents constitute separate and distinct grants of Liens and (ii) because of, among other things, their differing rights in the Shared Collateral, the Priority Obligations are fundamentally different from the Pari Passu Obligations and must be separately classified in any plan of reorganization, arrangement or similar dispositive restructuring plan proposed, confirmed, or adopted in any Insolvency or Liquidation Proceeding of any Grantor.

(b) To further effectuate the intent of the parties as provided in the immediately-preceding sentence, if it is held that the claims of the holders of Priority Obligations and the claims of the

Pari Passu Secured Parties in respect of the Shared Collateral constitute only one class of secured claims (rather than separate classes of senior and junior secured claims in the manner provided herein), then the Priority Secured Parties shall be entitled to receive, in addition to amounts distributed to them from, or in respect of, the Shared Collateral in respect of principal, pre-petition interest, and other claims, all amounts owing in respect of post-petition interest, fees, costs, expenses, premiums, and other charges with respect to the Priority Obligations, irrespective of whether a claim for such amounts is allowed or allowable in such proceeding under applicable Debtor Relief Laws, before any distribution from, or in respect of, any Shared Collateral is made in respect of the claims held by the Pari Passu Secured Parties, with such other parties hereby acknowledging and agreeing to turn over to the holders of Priority Obligations any amounts otherwise received or receivable by them from the Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of such Pari Passu Secured Parties.

Article IV.

Existence and Amounts of Liens and Obligations

Whenever the Controlling Collateral Agent or any other Collateral Agent shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Priority Obligations or any Pari Passu Obligations, as applicable, or the Shared Collateral subject to any Lien securing any Priority Obligations or any Pari Passu Obligations, as applicable, it may request that such information be furnished to it in writing by the Collateral Agent or the applicable representatives for the holders of such Priority Obligations or such Pari Passu Obligations, as applicable, and shall be entitled to make such determination on the basis of the information so furnished; provided, however, that if a Collateral Agent (or such representative) shall fail or refuse reasonably promptly to provide the requested information, the Controlling Collateral Agent or any Collateral Agent (i) shall have no liability for refusing to take such action until such information is provided and (ii) shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Company. The Controlling Collateral Agent and each other Collateral Agent may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Priority Secured Party, Pari Passu Secured Party or any other Person as a result of such determination.

Article V.

The Collateral Agents

Section 5.01 Appointment and Authority.

(a) Each Collateral Agent that is not the Controlling Collateral Agent on behalf of itself and the relevant Secured Parties hereby irrevocably appoints and authorizes the Controlling Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Controlling Collateral Agent by the terms hereof or thereof, including for purposes of acquiring, holding and enforcing any and all Liens on Shared Collateral granted by any Grantor to secure any of the Secured Obligations, as applicable, together with such powers and authority as are reasonably incidental thereto. Without limiting the generality of the foregoing, the Controlling Collateral Agent is hereby expressly authorized to execute any and all documents (including releases) with respect to the Shared Collateral, and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement. In this connection, the Controlling Collateral Agent and any co-agents,

sub-agents and attorneys-in-fact appointed by the Controlling Collateral Agent pursuant to Section 5.05 for purposes of holding or enforcing any Lien on the Shared Collateral (or any portion thereof) granted under any of the Security Documents, or for exercising any rights and remedies thereunder, shall be entitled to all the rights, protections, immunities and indemnities granted to it under the applicable Secured Documents and/or Security Documents, as if set forth in full herein with respect thereto.

(b) Each Secured Party and each Collateral Agent acknowledges and agrees that the Controlling Collateral Agent shall be entitled (but not obligated), for the benefit of the holders of Secured Obligations, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in each applicable Security Document, without regard to any rights to which any Secured Party would otherwise be entitled. Without limiting the foregoing, each Priority Secured Party, Pari Passu Secured Party and each Collateral Agent agrees that none of the Controlling Collateral Agent, any other Collateral Agent, any other Priority Secured Party or any other Pari Passu Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the Priority Obligations or Pari Passu Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Priority Obligations or Pari Passu Obligations), in any manner that would contravene the express terms of this Agreement. Each of the Secured Parties waives any claim it may now or hereafter have against the Controlling Collateral Agent or the Collateral Agent for any other Series of Secured Obligations, or any other Secured Party arising out of (i) any actions which the Controlling Collateral Agent, such other Collateral Agent, or such Secured Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the applicable Secured Obligations from any account debtor, guarantor or any other party) in accordance with the applicable Secured Documents or any other agreement related thereto or to the collection of Secured Obligations or the valuation, use, protection or release of any security for such Secured Obligations, (ii) any election by such Collateral Agent, any holders of such Secured Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Article III, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of, or order granted pursuant to, any other Debtor Relief Law by, the Company, the Co-Issuer or any of their respective subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, no Collateral Agent shall accept any Collateral in full or partial satisfaction of any Secured Obligations pursuant to Section 9-620 of the UCC of any jurisdiction, without the consent of each other Collateral Agent on behalf of the relevant Secured Parties for whom such Collateral constitutes Shared Collateral.

(c) Each Secured Party and each Collateral Agent acknowledges and agrees that, upon any other obligations being designated hereunder as Additional Pari Passu Obligations or Additional Priority Obligations, as the case may be, or any other Person becoming an additional Collateral Agent for such Secured Obligations or any other Persons becoming Additional Pari Passu Secured Parties or Additional Priority Secured Parties, as the case may be, the Controlling Collateral Agent will continue to act in its capacity as Controlling Collateral Agent in respect of the then existing Collateral Agents, Priority Secured Parties and Pari Passu Secured Parties and such additional Collateral Agents, Additional Pari Passu Secured Parties or Additional Priority Secured Parties, as applicable.

Section 5.02 Rights as a Secured Party.

The Person serving as the Controlling Collateral Agent hereunder shall have the same rights and powers in its capacity as a Secured Party of Secured Obligations that it holds as any other Secured Party of such Secured Obligations and may exercise the same as though it were not the Collateral

Controlling Agent and the term "Secured Party" or "Secured Parties" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Controlling Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Company, the Co-Issuer or any of their respective subsidiaries or other Affiliate thereof as if such Person were not the Controlling Collateral Agent hereunder and without any duty to account therefor to any other Secured Party.

Section 5.03 Exculpatory Provisions.

The Controlling Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Secured Documents to which it is a party. Without limiting the generality of the foregoing, as between the Controlling Collateral Agent, the other Priority Secured Parties and the other Pari Passu Secured Parties, the Controlling Collateral Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby, by the other Security Documents that the Controlling Collateral Agent is required to exercise as directed in writing by the applicable Secured Parties; provided that the Controlling Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Controlling Collateral Agent to liability or risk its own funds unless it has received indemnity satisfactory to the Controlling Collateral Agent against such risk or liability or that is contrary to any Security Document (as modified by this Agreement) or applicable Law;

(iii) shall not, except as expressly set forth herein, in the other Security Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Affiliates that is communicated to or obtained by the Person serving as the Controlling Collateral Agent or any of its Affiliates in any capacity;

(iv) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the applicable Secured Parties, (ii) in the absence of its own gross negligence or willful misconduct or (iii) in reliance on a certificate of an authorized officer of the Company and/or an Opinion of Counsel stating that such action is permitted by the terms of this Agreement;

(v) shall be deemed not to have knowledge of any Event of Default under any Series of Secured Obligations unless and until written notice describing such Event of Default is given to a Responsible Officer (as defined in the Indenture) of the Controlling Collateral Agent by the Collateral Agent of such Series of Secured Obligations or the Company;

(vi) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Security Document, (ii) the contents of any certificate, report, Opinion of Counsel or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Event of Default or any event that with notice or lapse of time would become an Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by any

Security Documents, (v) the value or the sufficiency of any Collateral for any Secured Obligations, or (vi) the satisfaction of any condition set forth in any Secured Document other than to confirm receipt of items expressly required to be delivered to the Controlling Collateral Agent;

(vii) shall in no event be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; and

(viii) shall not be liable for any failure to perfect or maintain the perfection of its security interests, including, without limitation, failure to file or record any financing statements, continuation statements or any other documents or agreements to perfect or maintain the perfection of its security interests.

Section 5.04 Reliance by Collateral Agents.

Each Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document, Opinion of Counsel or other writing (including any electronic message, internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Each Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. Each Collateral Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in reliance upon the advice of any such counsel, accountants or experts.

Section 5.05 **Action on Direction.** Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement, to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by any Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by any Collateral Agent, it is understood that in all cases such Collateral Agent shall be fully justified in failing or refusing to take any such action if it shall not have received written instruction, advice or concurrence of the requisite Secured Parties in accordance with the applicable Secured Documents in respect of such action. No Collateral Agent shall have any liability for any failure or delay in taking any actions contemplated above as a result of a failure or delay on the part of the applicable Secured Parties to provide such instruction, advice or concurrence. This provision is intended solely for the benefit of each Collateral Agent and its successors and permitted assigns and is not intended to and will not entitle the other parties hereto to any defense, claim or counterclaim, or confer any rights or benefits on any party hereto.

Section 5.06 [Reserved].

Section 5.07 Non-Reliance on Collateral Agents, other Priority Secured Parties and Pari Passu Secured Parties.

Each Priority Secured Party and Pari Passu Secured Party acknowledges that it has, independently and without reliance upon any Collateral Agent, any Pari Passu Secured Party or any other Priority Secured Party or any of their Affiliates and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and the other Secured Documents to which it is a party (it being understood that no Collateral Agent, the Trustee or Administrative Agent has made and or has any duty to make any credit decisions on behalf of any Secured Party). Each Priority Secured Party also acknowledges that it will, independently and without reliance upon any Collateral Agent, any Pari Passu Secured Party or any other Priority Secured Party or any of their Affiliates and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, such other Secured Documents or any related agreement or any document furnished hereunder or thereunder.

All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt (if a Business Day) and on the next Business Day thereafter (in all other cases) if delivered by hand or overnight courier service or sent by telecopy or on the date five Business Days after dispatch by certified or registered mail if mailed, in each case delivered, sent or mailed (properly addressed) to such party as provided in this Section 6.01 or in accordance with the latest unrevoked direction from such party given in accordance with this Section 6.01. As agreed to in writing among the Controlling Collateral Agent and each other Collateral Agent from time to time, notices and other communications may also be delivered by e-mail to the e-mail address of a representative of the applicable party provided from time to time by such party.

Section 6.02 **Waivers; Amendment; Joinder Agreements**.

(a) No failure or delay on the part of any party hereto in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the parties hereto are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Collateral Agent; provided that no such agreement shall by its terms amend, modify or otherwise affect the rights or obligations of any Grantor without the Company's prior written consent.

(c) Notwithstanding the foregoing, (i) without the consent of any party hereto, any Collateral Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 6.15 and upon such execution and delivery, such Collateral Agent and the relevant Secured Parties and Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, of the Series of Secured Obligations for which such Collateral Agent is

acting shall be subject to the terms hereof and (ii) in connection with any Refinancing of any Series or Secured Obligations, or the incurrence of Additional Pari Passu Obligations or Additional Priority Obligations, in each case, the Collateral Agents then party hereto may enter (and are hereby authorized to enter without the consent of any other Secured Party), at the request of any Collateral Agent or the Company, into such amendments or modifications of this Agreement as are reasonably necessary to reflect such Refinancing or such incurrence.

Section 6.03 **Parties in Interest**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Priority Secured Parties and Pari Passu Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

Section 6.04 **Effectiveness; Survival of Agreement**. This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto on the date hereof and execution and delivery by each of the Grantors on the date hereof of an instrument substantially in the form of Exhibit A. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

Section 6.05 **Counterparts**. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 6.06 **Severability**. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 6.07 **Governing Law**. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

Section 6.08 **Submission To Jurisdiction; Waivers**. Each Collateral Agent, on behalf of itself and the relevant Secured Parties, irrevocably and unconditionally:

1) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Secured Documents, or for recognition and enforcement of any judgment in respect thereof, to the exclusive jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York, and appellate courts from any thereof;

2) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

3) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of

mail), postage prepaid, to such Person (or its authorized representative) at the address referred to in Section 6.01;

4) agrees that nothing herein shall affect the right of any other party hereto (or any Priority Secured Party or Pari Passu Secured Party) to effect service of process in any other manner permitted by Law or shall limit the right of any party hereto (or any Priority Secured Party or any Pari Passu Secured Party) to sue in any other jurisdiction; and

5) waives, to the maximum extent not prohibited by Law, any right it may have against any other Secured Party to claim or recover in any legal action or proceeding referred to in this Section 6.08 any special, exemplary, punitive or consequential damages.

Section 6.09 **WAIVER OF JURY TRIAL**. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT AND FOR ANY COUNTERCLAIM THEREIN.

Section 6.10 **Headings**. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 6.11 **Conflicts**. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the other Secured Documents, Priority Security Documents or Pari Passu Documents, the provisions of this Agreement shall control (except with respect to the Indenture Collateral Agent's own rights, privileges and immunities, which shall be governed by the Indenture).

Section 6.12 **Relative Rights**. Notwithstanding anything in this Agreement to the contrary (except to the extent contemplated by Section 2.04 and 2.08), nothing in this Agreement is intended to or will (a) amend, waive or otherwise modify the provisions of any other Secured Document, or permit the Company or any other Grantor to take any action, or fail to take any action, to the extent such action or failure would otherwise constitute a breach of, or default under, the any other Secured Document, (b) impair the obligations of any Grantor, which are absolute and unconditional, to pay the Priority Obligations or the Pari Passu Obligations as and when the same shall become due and payable in accordance with their terms or (c) obligate the Company or any Grantor to take any action, or fail to take any action, that would otherwise constitute a breach of, or default under, any Secured Document.

Section 6.13 **Integration**. This Agreement together with the other Secured Documents, the Priority Security Documents and the Pari Passu Security Documents represents the agreement of each of the Grantors, the Priority Secured Parties and the Pari Passu Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, the Collateral Agent, any Pari Passu Secured Party or any other Priority Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Documents, the Priority Security Documents or the Pari Passu Documents.

Section 6.14 **Further Assurances**. Each Collateral Agent agrees that it will execute, or will cause to be executed, any and all further documents, agreements and instruments, and take all such further actions, as may be required under any applicable Law, or which any Collateral Agent may reasonably request, to effectuate the terms of this Agreement, including the relative Lien priorities provided for herein.

Section 6.15 **Additional Secured Obligations**. To the extent, but only to the extent, permitted by the provisions of each Secured Document, the Company may incur Additional Pari Passu Obligations or Additional Priority Obligations after the date hereof, if and subject to the condition that the proposed Collateral Agent of any Series of such Additional Pari Passu Obligations or Additional Priority Obligations, as applicable (each, an "**Additional Collateral Agent**"), acting on behalf of the holders of such Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph.

In order for an Additional Collateral Agent to become a party to this Agreement,

(i) such Additional Collateral Agent shall have delivered to each Collateral Agent an instrument substantially in the form of Exhibit B (with such changes as may be reasonably approved by such parties) (a "**Joinder Agreement**") pursuant to which such Additional Collateral Agent becomes a Collateral Agent hereunder, and the Series of Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, in respect of which such Additional Collateral Agent is the Collateral Agent become subject hereto and bound hereby;

(ii) the Company shall have delivered to each Collateral Agent (x) true and complete copies of each of the Additional Pari Passu Documents or Additional Priority Documents, as applicable, relating to such Additional Pari Passu Obligations or such Additional Priority Obligations, as applicable, certified as being true and correct by an Officer (as defined in the Indenture) of the Company, and (y) a certificate of an Officer of the Company (A) identifying the obligations to be designated as Additional Pari Passu Obligations (and, if applicable, "Permitted ECA Financing Obligations" within the meaning of the Indenture) or Additional Priority Obligations, as applicable, and the initial aggregate principal amount or face amount thereof and (B) certifying that such Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, do not violate, and are not prohibited from being incurred and secured by Liens on the Collateral with the priority set forth herein by, any terms and conditions of this Agreement or any other Secured Document;

(iii) all filings, recordations and/or amendments or supplements to the Pari Passu Security Documents or the Priority Security Documents necessary (or otherwise requested by the Additional Collateral Agent) to confirm and perfect the Liens securing the relevant obligations relating to such Additional Pari Passu Obligations or such Additional Priority Obligations, as applicable, shall have been made, executed and/or delivered by each applicable Grantor (or, with respect to any such filings or recordations, acceptable provisions to perform such filings or recordations shall have been taken in the reasonable judgment of the Additional Collateral Agent), and all fees and taxes in connection therewith shall have been paid (or acceptable provisions to make such payments shall have been taken in the reasonable judgment of the Additional Collateral Agent); and

(iv) the Additional Pari Passu Documents or Additional Priority Documents, as applicable, relating to such Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, shall provide that each proposed Secured Party with respect to such Additional Pari Passu Obligations or such Additional Priority Obligations, as applicable, will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Pari Passu Obligations or such Additional Priority Obligations, as applicable.

Section 6.16 **Concerning the Indenture Collateral Agent and Credit Agreement Collateral Agent**. In entering into and performing under this Agreement, (i) the Indenture Collateral

Agent shall have all of the rights, privileges, immunities and indemnities granted to it under the Indenture as if such rights, privileges, immunities and indemnities were set forth herein and (ii) the Credit Agreement Collateral Agent shall have all of the rights, privileges, immunities and indemnities granted to it under the Credit Agreement as if such rights, privileges, immunities and indemnities were set forth herein.

Payment of Taxes

1. The Company and the Qikiqtani Inuit Association (QIA), as landlord, have challenged the payment of property taxes on the Mary River Inuit Owned Lands on the basis that no government services are provided in respect of those lands. On September 8, 2021, the majority of the members of the Nunavut Assessment Appeal Tribunal decided that property taxes assessed on the Mary River lands are payable with respect to the assessment years from 2014-2017. QIA, as landlord, is appealing the decision. Assessment years 2018-2024 are being challenged at the Territorial Board of Revision by QIA and the Company.

2. The Company filed reports under the GGPPA commencing in June 2020 in respect of the 2019 calendar year and claimed certain credits in those reports that it determined were available at the time. In 2022, the Company determined there were certain corrections that were required to be made to these reports, and filed a Notice of Error with ECCC in January 2023. ECCC reviewed the NOE in July 2025, and accordingly, the Company filed the corrected reports and must pay approximately $10M by December 15, 2025. and may be subject to collection action if it fails to pay these amounts by the noted deadline. The Company is exploring all available alternatives with its advisors, and has approached the Federal government to be obtain relief for these amounts.

Upon written demand by the Collateral Agent on or after the Enforcement Date (as defined in the Pledge Agreement), the Limited Recourse Guarantor shall forthwith pay to the Collateral Agent in immediately available funds the total amount of all unpaid and overdue Guaranteed Obligations and the Collateral Agent shall apply the sum so paid against such Guaranteed Obligations in accordance with the terms of the Credit Agreement.

2.6 Guarantee in Addition to Other Security

This agreement shall be in addition to and not in substitution for any other guarantee or other security which any Secured Party may now or hereafter hold in respect of the Guaranteed Obligations, and no Secured Party shall be

No Limited Recourse Guarantor shall exercise any rights which it may acquire by way of subrogation under this agreement, by any payment made hereunder or otherwise, until the Secured Obligations Termination Date. Any amount paid to a Limited Recourse Guarantor on account of any such subrogation rights prior to the Secured Obligations Termination Date shall be held in trust by such Limited Recourse Guarantor for the benefit of the Secured Parties and shall immediately be paid to the Collateral Agent, as applicable, and credited and applied against the Guaranteed Obligations, whether matured or unmatured in accordance with the terms of the Credit Agreement. In furtherance of the foregoing, until the Secured Obligations Termination Date, the Limited Recourse Guarantor hereby (i) postpones and subordinates any and all claims it may have against any Obligor to the claims of the Secured Parties against such Debtor at any time that and for so long as an Event of Default has occurred and is continuing, and (ii) agrees to refrain from taking any action or commencing any proceeding against any Debtor or its respective successors or assigns, whether in connection with a Bankruptcy or Insolvency Event or otherwise, to recover any amounts in respect of payments made hereunder to any Secured Party, although such Limited Recourse Guarantor may take such actions as may be necessary to preserve its claims against such Debtor. In the event any payments are made by any Debtor to such Limited Recourse Guarantor in contravention of the preceding sentence, such Limited Recourse Guarantor shall hold the amount so received in trust for the Secured Parties and shall forthwith pay such amount to the Collateral Agent.

2.11 Advances After Certain Events

All advances, renewals and credits made or granted by the Secured Parties purportedly to or for any Debtor after a Bankruptcy or Insolvency Event in respect of such Debtor, but before the Secured Parties have received notice thereof, shall be deemed to form part of the Guaranteed Obligations and all advances, renewals and credits obtained from any Secured Party purportedly by or on behalf of any Debtor shall be deemed to form part of the Guaranteed Obligations, notwithstanding any lack or limitation of

power, incapacity or disability of any Debtor or of the directors or agents thereof and notwithstanding that any Debtor may not be a legal entity and notwithstanding any irregularity, defect or informality in the obtaining of such advances, renewals or credits, whether or not any Secured Party has knowledge thereof.

2.12 Indemnities

Subject to Section 2.13, the Limited Recourse Guarantor hereby agrees to indemnify and hold the Secured Parties harmless from and against all loss, cost, damage, expense, claims and liability which they may at any time suffer or incur in connection with:

(a) any failure by any Debtor to duly and punctually pay or perform the Guaranteed Obligations; and

(b) any loss for any reason whatsoever (other than arising as a result of the gross negligence, fraud or wilful misconduct of a Secured Party or breach by any Secured Party of the terms of the Credit Agreement or any Collateral Document), including by operation of law or otherwise, of any right of any Secured Party to enforce payment of the Guaranteed Obligations.

2.13 Limitation as to Recourse

The guarantee made by any Limited Recourse Guarantor hereunder is made for the sole purpose of enabling the Collateral Agent to obtain an effective charge and security interest in and to all of the Collateral pledged by the Limited Recourse Guarantor pursuant to the Pledge Agreement as security for payment and performance of the Guaranteed Obligations. Notwithstanding any other provisions of this Article 2:

(a) the liability of any Limited Recourse Guarantor to the Collateral Agent is limited to the extent such liability is required to permit the Collateral Agent to realize upon the Collateral pledged by a Limited Recourse Guarantor to the Collateral Agent pursuant to the Pledge Agreement;

(b) the Collateral Agent shall not be entitled to sue or to commence any action against any Limited Recourse Guarantor to recover any sum owing by any Limited Recourse Guarantor to the Collateral Agent pursuant to this guarantee, unless such suit or action is necessary to permit the Collateral Agent to realize upon the Collateral pledged by a Limited Recourse Guarantor to the Collateral Agent pursuant to the Pledge Agreement; and

(c) in the event that a Limited Recourse Guarantor shall default in payment or performance of any of the Guaranteed Obligations, the sole recourse of the Collateral Agent against such Limited Recourse Guarantor shall be with respect to the Collateral pledged by such Limited Recourse Guarantor to the Collateral Agent pursuant to the terms of the Pledge Agreement, or any amounts received upon the realization of such Collateral pursuant to the terms set out in the Pledge Agreement, and the Collateral Agent shall not under any circumstances have any right to payment from a Limited Recourse Guarantor other than through realization on the Collateral, or against any of its property or assets other than the Collateral and for greater clarity and without limiting the foregoing a Limited Recourse Guarantor shall not be liable to the Collateral Agent for any deficiency resulting from any such realization or otherwise.

2.14 Taxes

(a) Any and all payments made by an Obligor hereunder or under the Credit Agreement or any other Collateral Document (any such payment being hereinafter referred to as a "**Payment**") to or for the benefit of a Secured Party shall be made without set-off or counterclaim, and free and clear of, and without deduction or withholding for, or on account of, any and all present or future Taxes, except to the extent such deduction or withholding is required by Applicable Law or the administrative practice of any Official Body. If an Obligor shall be so required to deduct or withhold any Taxes from or in respect of any Payment made to or for the benefit of the relevant Secured Party, the relevant Obligor shall:

(i) promptly notify the Collateral Agent of such requirement;

(ii) to the extent such Taxes are Indemnified Taxes, pay to the Collateral Agent in addition to the Payment to which the relevant Secured Party is otherwise entitled, such additional amount as is necessary to ensure that the net amount actually received by such Secured Party (free and clear of, and net of, any such Indemnified Taxes, including the full amount of any Indemnified Taxes required to be deducted or withheld from any additional amount paid by the relevant Obligor under this Section 2.14(a), whether assessable against such Obligor, or such Secured Party) equals the full amount such Secured Party, would have received had no such deduction or withholding been required;

(iii) make such deduction or withholding;

(iv) pay to the relevant Official Body in accordance with Applicable Law the full amount of Taxes required to be deducted or withheld (including the full amount of Indemnified Taxes required to be deducted or withheld from any additional amount paid by the relevant Obligor to such Secured Party under this Section 2.14(a)), within the time period required by Applicable Law; and

(v) as promptly as possible thereafter, forward to such Secured Party an original official receipt (or a certified copy), or other documentation acceptable to such Secured Party, acting reasonably, evidencing such payment to such Official Body.

(b) In addition, each Obligor agrees to pay to the relevant Official Body in accordance with Applicable Law any and all present or future stamp or documentary taxes or excise or property taxes, charges or levies of a similar nature, which arise from any Payment or from the execution, delivery or registration of, or otherwise with respect to, the Credit Agreement and the Collateral Documents and the transactions contemplated hereby or thereby (any such amounts being hereinafter referred to as "**Other Taxes**").

(c) Each Obligor hereby indemnifies and holds harmless each Secured Party, on an after-Taxes basis, for the full amount of Taxes and Other Taxes, interest, penalties and other liabilities, levied, imposed or assessed against (and whether or not paid directly by) such Secured Party and for all expenses, resulting from or relating to the Debtors' failure to:

(i) remit to such Secured Party the documentation referred to in Section 2.14(a)(v); or

(ii) pay any Taxes or Other Taxes when due to the relevant Official Body (including, without limitation, any Indemnified Taxes imposed by any Official Body on amounts payable under this Section 2.14).

The provisions of this Section 2.14(c) shall apply whether or not such Taxes or Other Taxes were correctly or legally assessed by the relevant Official Body, provided such Taxes, Other Taxes, interest, penalties or other liabilities, as applicable, would not have been levied, imposed or assessed had such failure not occurred. Any Secured Party who pays any Taxes or Other Taxes, shall promptly notify the relevant Obligor of such payment, provided, however, that failure to provide such notice shall not detract from, or compromise, the obligations of the relevant Obligor under this Section 2.14. Payment pursuant to this indemnification shall be made within 30 days from the date the relevant Secured Party makes written demand therefor accompanied, if requested by the Debtors, by written notice as to the amount of such Taxes or Other Taxes and the calculation thereof, which calculation shall be prima facie evidence of such amount, absent manifest error.

(d) If an Obligor determines in good faith that a reasonable basis exists for contesting any Indemnified Taxes or Other Taxes for which a payment has been made under this Section 2.14, the relevant Secured Party shall, if so requested by such Obligor, cooperate with the relevant Obligor in challenging such Taxes at the Debtors' expense.

(e) Each Obligor also hereby indemnifies and holds harmless each Secured Party, on an after-Taxes basis, for any additional taxes on net income that such Secured Party may be obliged to pay as a result of the receipt of amounts under this Section 2.14.

(f) If any Secured Party determines, in its sole discretion exercised in good faith, that it has received a refund, relief or remission for, or Tax credit in respect of, any Taxes ("**Tax Credit**") for which it has been indemnified pursuant to this Section 2.14 (including by the payment of additional amounts pursuant to this Section 2.14), it shall pay to the indemnifying party an amount equal to such Tax Credit (but only to the extent of indemnity payments made under this Section 2.14 with respect to the Taxes giving rise to such Tax Credit), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Official Body with respect to such Tax Credit). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (f) (plus any penalties, interest or other charges imposed by the relevant Official Body) in the event that such indemnified party is required to repay such Tax Credit to such Official Body. Notwithstanding anything to the contrary in this paragraph 2.14, in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such Tax Credit had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts giving rise to such Tax Credit had never been paid. This paragraph (f) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(g) No Secured Party shall be under any obligation to arrange its tax affairs in any particular manner or, unless and only to the extent stated otherwise, be obliged to disclose any information regarding its tax affairs or computations to the Obligors or any other Person in connection with this Section 2.14.

(h) The parties hereto agree that additional amounts payable under Section 2.14(a) have the same character as the Payments to which they relate.

(i) The Obligors' obligations under this Section 2.14 shall survive without limitation the termination of the Credit Agreement, this agreement and all other Collateral Documents and the permanent repayment of the outstanding credit and all other amounts payable hereunder and thereunder.

(j) Notwithstanding anything to the contrary contained herein and provided at the time of the underlying assignment referenced below no Default or Event of Default has occurred and is continuing, no Obligor shall be obligated to pay to any Person that becomes a Secured Party by assignment any additional amounts pursuant to this Section 2.14 in excess of the amounts that the Obligor would have been obligated to pay to the assigning Secured Party if such Secured Party had not assigned its rights to the assignee, unless the circumstances giving rise to such greater amount did not exist at the time of such assignment and were not caused by the assignee. For avoidance of doubt, this Section 2.14(j) shall have no application to any introduction of, change to Applicable Law, introduced or changed after the date hereof.

Article II.

Priorities and Agreements with Respect to Shared Collateral

Section 2.01 Priority of Claims.

(a) Anything contained herein or in any of the Secured Documents to the contrary notwithstanding, if an Event of Default has occurred and is continuing, and any Collateral Agent, any Priority Secured Party or any Pari Passu Secured Party is taking action to enforce rights or exercise remedies in respect of any Shared Collateral, any distribution is made in respect of any Shared Collateral in any Insolvency or Liquidation Proceeding of any Grantor, any Priority Secured Party or any Pari Passu Secured Party receives any payment (other than pursuant to this Agreement) with respect to any Shared Collateral, the proceeds of any sale or other liquidation of any such Collateral on account of such enforcement of rights or exercise of remedies by any Collateral Agent, any Priority Secured Party or any Pari Passu Secured Party or any such distribution or payment received by any Collateral Agent, any Priority Secured Party or any Pari Passu Secured Party pursuant to any such Insolvency or Liquidation

Proceeding or any other agreement with respect to such Shared Collateral (subject, in each case, to the sentence immediately following) (all proceeds of any sale, collection or other liquidation of any Collateral and all such distributions or payments being collectively referred to as "Proceeds"), to the extent permitted by applicable Law shall be applied:

FIRST, to the payment of all costs and reasonable expenses incurred by such Collateral Agent (in its capacity as such) (including, without limitation, the fees and expenses of attorneys and agents) in connection with such enforcement, exercise sale or other liquidation;

THIRD, to the payment in full of all of the remaining Priority Obligations and the termination of commitments thereunder (if any), the amounts so applied to be distributed to the applicable Collateral Agent on a *pari passu* basis for further distribution to each Series of Priority Obligations, in each case, in accordance with the terms of the applicable agreements or documents governing such Series of Priority Obligations;

FOURTH, to the payment in full of all interest or entitlement to fees or expenses or other charges that accrue in respect of the Priority Obligations after the commencement of any Insolvency or Liquidation Proceeding with respect to the Company, the Co-Issuer or any of their respective Subsidiaries, whether or not allowed or allowable in any such proceeding, the amounts so applied to be distributed to the applicable Collateral Agent on a *pari passu* basis for further distribution to each Series of Priority Obligations;

FIFTH, to the payment in full of all remaining Pari Passu Obligations at the time due and payable, the amounts so applied to be distributed to the applicable Collateral Agent on a *pari passu* basis for further distribution to each Series of Pari Passu Obligations, in each case, in accordance with the terms of the applicable agreements or documents governing such Series of Pari Passu Obligations;

SEVENTH, after payment in full of all the Senior Obligations secured by such Shared Collateral, to the payment in full of all of the Junior Obligations (if any) secured by such Shared Collateral, the amounts so applied to be distributed to the applicable authorized representative for further distribution in accordance with the terms of the applicable agreements or documents governing such Junior Obligations (including the Junior Lien Intercreditor Agreement);

NINTH, to the Company, the Grantors, their successors or assigns, or as a court of competent jurisdiction may otherwise direct.

(b) It is acknowledged that the Priority Obligations and the Pari Passu Obligations may, in each case, subject to the limitations set forth in the then extant Secured Documents, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, Refinanced or otherwise amended or modified from time to time, all without affecting the priorities set forth in Section 2.01(a) or the provisions of this Agreement defining the relative rights of the Priority Secured Parties and the Pari Passu Secured Parties.

(c) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Priority Obligations or any Pari Passu Obligations granted on any Shared Collateral and notwithstanding any provision of the UCC or PPSA of any jurisdiction, or any other applicable Law or the Secured Documents or any defect or deficiencies in the Liens securing the Priority Obligations or any other circumstance whatsoever, each Priority Secured Party and the Pari Passu Secured Parties hereby agrees that (i) the valid and perfected Liens securing Priority Obligations on any Shared Collateral shall be of equal priority to all other Priority Obligations secured by such Shared Collateral and (ii) the valid and perfected Liens securing Pari Passu Obligations on any Shared Collateral shall be of equal priority to all other Pari Passu Obligations secured by such Shared Collateral.

Section 2.02 Actions With Respect to Shared Collateral; Prohibition on Contesting Liens.

(a) Only the Controlling Collateral Agent shall act or refrain from acting with respect to any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral). The Controlling Collateral Agent may deal with the Shared Collateral as if it had a senior lien on the Shared Collateral, and no other Collateral Agent, Priority Secured Party or Pari Passu Secured Party, whether in its capacity as secured or unsecured creditor, shall, or shall instruct the Controlling Collateral Agent to, commence any judicial or non-judicial foreclosure proceedings (including any Insolvency or Liquidation Proceeding) with respect to, seek to have a trustee, receiver, receiver-manager, monitor, liquidator, examiner or similar official appointed for or over, attempt any action to take possession of, exercise any right, remedy or power with respect to, or otherwise take any action to enforce its security interest in or realize upon, or take any other action available to it in respect of, any Shared Collateral (including with respect to any intercreditor agreement with respect to any Shared Collateral), whether under any Priority Security Document or the Pari Passu Security Document, applicable law or otherwise, it being agreed that only the Controlling Collateral Agent shall be entitled to take any such actions or exercise any such remedies with respect to Shared Collateral. In furtherance of the foregoing, it is understood and agreed that the Controlling Collateral Agent shall have the sole right to give any instructions, directions and entitlement orders (including any blockage or withdrawal instructions) with respect to any deposit, securities or other accounts, or any funds or property contained therein and to exercise any other remedies under any control agreement entered into with respect to a deposit account, a securities account or any other account, provided that any amounts withdrawn therefrom shall be subject to this Article II.

(b) Each of the Collateral Agents agrees that it will not accept any Lien on any Collateral for the benefit of any Priority Obligations or Pari Passu Obligations (other than Liens on cash

collateral securing Letters of Credit (as defined in the Priority Documents, as applicable) created under the Priority Documents, funds deposited for the discharge or defeasance of any Pari Passu Obligations and any rights of set-off under the Secured Documents for any Priority Obligations) other than pursuant to the Priority Documents and the Pari Passu Documents, as applicable, and by executing this Agreement (or a Joinder Agreement), each Collateral Agent, on behalf of itself and the relevant Secured Parties, agrees to be bound by the provisions of this Agreement and the other Secured Documents applicable to it.

(c) Each of the Priority Secured Parties and Pari Passu Secured Parties agrees that it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity or enforceability of a Lien held by or on behalf of any of the Priority Secured Parties or the Pari Passu Secured Parties in all or any part of the Collateral, or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any of any Collateral Agent to enforce this Agreement.

Section 2.03 No Interference; Payment Over.

(a) Each Collateral Agent, on behalf of itself and the relevant Secured Parties, agrees that (i) it will not challenge or question in any proceeding the validity or enforceability of any Priority Obligations or any Priority Document or the validity, attachment, perfection or priority of any Lien under any Priority Security Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement, (ii) it will not challenge or question in any proceeding the validity or enforceability of any Pari Passu Obligations or any Pari Passu Document or the validity, attachment, perfection or priority of any Lien under any Pari Passu Security Document, (iii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Shared Collateral by the Controlling Collateral Agent, (iv) except as provided in Section 2.02, it shall have no right to (A) direct the Controlling Collateral Agent or any other Priority Secured Party or Pari Passu Secured Party to exercise any right, remedy or power with respect to any Shared Collateral (including pursuant to any intercreditor agreement other than this Agreement) or (B) consent to the exercise by the Controlling Collateral Agent or any other Priority Secured Party or Pari Passu Secured Party of any right, remedy or power with respect to any Shared Collateral, (v) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Controlling Collateral Agent or any other Priority Secured Party or Pari Passu Secured Party seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Shared Collateral, and none of the Controlling Collateral Agent, any other Collateral Agent or any other Priority Secured Party or Pari Passu Secured Party shall be liable for any action taken or omitted to be taken by the Controlling Collateral Agent, such other Collateral Agent or such other Secured Party with respect to such Shared Collateral in accordance with the provisions of this Agreement, (vi) it will not seek, and hereby waives any right, to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Shared Collateral and (vii) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of the Controlling Collateral Agent, any other Collateral Agent or any other Priority Secured Party or Pari Passu Secured Party to enforce this Agreement.

(b) Each Collateral Agent, on behalf of itself and the relevant Secured Parties agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any such Shared Collateral (other than from a distribution in accordance with the provisions of Section 2.01), pursuant to any Secured Document or by the exercise of any rights available to it under applicable Law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies

(including pursuant to any intercreditor agreement other than this Agreement), at any time prior to the Discharge of Priority Obligations and the Discharge of Pari Passu Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other Secured Parties and promptly transfer such Shared Collateral, proceeds or payment, as the case may be, to the Controlling Collateral Agent, to be distributed in accordance with the provisions of Section 2.01 hereof.

Section 2.04 Automatic Release of Liens.

(a) If, at any time the Controlling Collateral Agent forecloses upon or otherwise exercises remedies against any Shared Collateral, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the other Collateral Agents for the benefit of the relevant Secured Parties on such Shared Collateral will automatically be released and discharged as and when and only to the extent that the Liens on such Shared Collateral in favor of the Controlling Collateral Agent exercising remedies are released and discharged; provided that any Proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.01 hereof.

(b) Each Collateral Agent agrees to execute and deliver (at the sole cost and expense of the Grantors) all such acknowledgments, consents, confirmations, authorizations and other instruments as shall reasonably be requested by the Controlling Collateral Agent to evidence and confirm any release of Shared Collateral or amendment to any Security Document provided for in this Section.

Section 2.05 [Reserved].

Section 2.06 Reinstatement. In the event that any of the Secured Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under the Bankruptcy Code, or any similar Debtor Relief Law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Article II shall be fully applicable thereto until all such Secured Obligations shall again have been paid in full in cash.

Section 2.07 Insurance. As among the Priority Secured Parties, the Pari Passu Secured Parties and any combination thereof, the Controlling Collateral Agent shall have the right, subject to the rights of the Grantors under the Secured Documents, to adjust or settle any insurance policy or claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral.

Section 2.08 Refinancings. The Secured Obligations of any Series may be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit such Refinancing under each applicable Secured Document) of any Secured Party of any other Series of Secured Obligations, all without affecting the priorities provided for herein or the other provisions hereof; provided that if any obligations of the Grantors in respect of such Refinancing indebtedness shall be secured by Liens on any Shared Collateral, then such obligations and the holders thereof shall be subject to and bound by the provisions of this Agreement and the Collateral Agent of the holders of any such Refinancing indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing indebtedness.

Section 2.09 Possessory Collateral Agent as Gratuitous Bailee for Perfection.

(a) The Controlling Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral that is part of the Collateral in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other Priority

Secured Party and Pari Passu Secured Party (such bailment being intended, among other things, to satisfy the requirements of (i) Sections 8-301(a)(2) and 9-313(c) of the New York UCC and the UCC of any other applicable jurisdiction and (ii) the PPSA, as applicable) and any assignee solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Priority Security Documents and Pari Passu Documents, in each case, subject to the terms and conditions of this Section 2.09. Pending delivery to the Controlling Collateral Agent, each other Collateral Agent agrees to hold any Shared Collateral constituting Possessory Collateral, from time to time in its possession, as gratuitous bailee for the benefit of each other Priority Secured Party and Pari Passu Secured Party and any assignee, solely for the purpose of perfecting the security interest granted in such Possessory Collateral, if any, pursuant to the applicable Priority Security Documents or Pari Passu Documents, in each case, subject to the terms and conditions of this Section 2.09.

(b) The duties or responsibilities of the Controlling Collateral Agent and each other Collateral Agent under this Section 2.09 shall be limited solely to holding any Shared Collateral constituting Possessory Collateral as gratuitous bailee for the benefit of each other Priority Secured Party and each Pari Passu Secured Party for purposes of perfecting the Lien held by such Priority Secured Parties and Pari Passu Secured Parties therein. The Controlling Collateral Agent shall not have a fiduciary duty to any Secured Party or Grantor.

Article III.

Agreements With Respect to Insolvency or Liquidation Proceedings

Section 3.01 Agreements With Respect to Insolvency or Liquidation Proceedings.

(a) The parties hereto agree that this Agreement, and the provisions hereof, including, without limitation, Section 2.01, are, and shall constitute, a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code and any comparable provision of any other Debtor Relief Laws, between and among the holders of the Secured Obligations. This Agreement shall be enforceable following the commencement of any Insolvency or Liquidation Proceeding and shall continue in full force and effect notwithstanding the commencement of any such Insolvency or Liquidation Proceeding. All references herein to any Grantor shall apply to any trustee, receiver, administrator or monitor therefor and such Grantor as debtor-in-possession (if applicable), in each case, in any Insolvency or Liquidation Proceeding.

(b) If any Grantor shall become subject to a proceeding or case under any Debtor Relief Law and shall, as move for or request approval of financing ("**DIP Financing**") to be provided by one or more lenders (the "**DIP Lenders**") and/or the use of cash collateral under the applicable provisions of applicable Debtor Relief Laws (including Sections 363 and 364 of the Bankruptcy Code), then each Collateral Agent, on behalf of the relevant Series of Secured Parties, agrees not to raise any objection to any such DIP Financing or to the Liens (which may be super-priority Liens) on the Shared Collateral securing the same ("**DIP Financing Liens**") and/or to any use of cash collateral that constitutes Shared Collateral, unless the Controlling Collateral Agent shall oppose or object to such DIP Financing or such DIP Financing Liens and/or use of cash collateral; provided that the amount of any such DIP Financing shall not incrementally exceed $40,000,000 (the intention being that, in the case of any "roll up" DIP Financing or similar structure, this cap shall include both the incremental amount of $40,000,000 plus the repayment of any outstanding Priority Obligations and Pari Passu Obligations in connection therewith). Without limiting the generality of the prior sentence, to the extent that the Controlling Collateral Agent consents in writing to the Grantor seeking one or more orders from a court in an Insolvency or Liquidation Proceeding granting super-priority Liens over the Shared Collateral in favor of the

beneficiaries of certain standard court ordered charges to secure expenses, fees or other amounts as are generally granted in similar proceedings, each other Collateral Agent, on behalf of the relevant Series of Secured Parties, agrees not to oppose or object to such super-priority Liens.

(c) Each Collateral Agent, on behalf of the relevant Series of Secured Parties, agrees not to object to or oppose any release of its Liens in connection with any sale or other disposition of any Shared Collateral (or any portion thereof) under any Debtor Relief Laws (including, if applicable, Section 363 of the Bankruptcy Code) if the Controlling Collateral Agent shall have consented to such sale or disposition of such Shared Collateral; provided that the Liens of each Collateral Agent will attach to the proceeds of such sale or disposition on the same basis of priority as they do with respect to the Shared Collateral in accordance with this Agreement; provided, further, that the Secured Parties will be entitled to assert any objection to the proposed bidding and related sale procedures to be utilized in connection with such sale or disposition that may be asserted by an unsecured creditor of the Grantors in such Insolvency or Liquidation Proceeding.

Section 3.02 Reorganization Securities.

If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor (as successor to any Grantor or otherwise) secured by Liens upon any property of such reorganized debtor are distributed pursuant to a plan of reorganization or similar dispositive restructuring plan or otherwise, both on account of Priority Obligations and on account of Pari Passu Obligations, then, to the extent the debt obligations distributed on account of the Priority Obligations and on account of the Pari Passu Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations and will apply with like effect to the Liens securing such debt obligations.

Section 3.03 Plan Voting.

No holder of Pari Passu Obligations may (directly or indirectly) propose, support, vote in favor of, or otherwise agree to any plan of reorganization, arrangement or similar dispositive restructuring plan proposed in any Insolvency or Liquidation Proceeding that is inconsistent with, or in violation of, the terms of this Agreement or applicable law. Without limiting the generality of the foregoing, no holder of Pari Passu Obligations shall propose, support, vote in favor of, or otherwise agree to any plan of reorganization, arrangement or similar dispositive restructuring plan proposed in any Insolvency or Liquidation Proceeding that does not provide for the payment in full in cash of all of the Priority Obligations by the effective day thereof or that is not supported by the votes of required holders of Priority Obligations to approve such plan in a separate class in accordance with Section 1126(c) of the Bankruptcy Code, if applicable, and any other analogous provisions of any other Debtor Relief Law.

Section 3.04 Separate Liens.

(a) The Grantors, the Priority Secured Parties, and the Pari Passu Secured Parties agree and acknowledge that (i) the grants of Liens pursuant to the respective Security Documents constitute separate and distinct grants of Liens and (ii) because of, among other things, their differing rights in the Shared Collateral, the Priority Obligations are fundamentally different from the Pari Passu Obligations and must be separately classified in any plan of reorganization, arrangement or similar dispositive restructuring plan proposed, confirmed, or adopted in any Insolvency or Liquidation Proceeding of any Grantor.

(b) To further effectuate the intent of the parties as provided in the immediately-preceding sentence, if it is held that the claims of the holders of Priority Obligations and the claims of the

Pari Passu Secured Parties in respect of the Shared Collateral constitute only one class of secured claims (rather than separate classes of senior and junior secured claims in the manner provided herein), then the Priority Secured Parties shall be entitled to receive, in addition to amounts distributed to them from, or in respect of, the Shared Collateral in respect of principal, pre-petition interest, and other claims, all amounts owing in respect of post-petition interest, fees, costs, expenses, premiums, and other charges with respect to the Priority Obligations, irrespective of whether a claim for such amounts is allowed or allowable in such proceeding under applicable Debtor Relief Laws, before any distribution from, or in respect of, any Shared Collateral is made in respect of the claims held by the Pari Passu Secured Parties, with such other parties hereby acknowledging and agreeing to turn over to the holders of Priority Obligations any amounts otherwise received or receivable by them from the Shared Collateral to the extent necessary to effectuate the intent of this sentence, even if such turnover has the effect of reducing the claim or recovery of such Pari Passu Secured Parties.

Article IV.

Existence and Amounts of Liens and Obligations

Whenever the Controlling Collateral Agent or any other Collateral Agent shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Priority Obligations or any Pari Passu Obligations, as applicable, or the Shared Collateral subject to any Lien securing any Priority Obligations or any Pari Passu Obligations, as applicable, it may request that such information be furnished to it in writing by the Collateral Agent or the applicable representatives for the holders of such Priority Obligations or such Pari Passu Obligations, as applicable, and shall be entitled to make such determination on the basis of the information so furnished; provided, however, that if a Collateral Agent (or such representative) shall fail or refuse reasonably promptly to provide the requested information, the Controlling Collateral Agent or any Collateral Agent (i) shall have no liability for refusing to take such action until such information is provided and (ii) shall be entitled to make any such determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Company. The Controlling Collateral Agent and each other Collateral Agent may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Priority Secured Party, Pari Passu Secured Party or any other Person as a result of such determination.

Article V.

The Collateral Agents

Section 5.01 Appointment and Authority.

(a) Each Collateral Agent that is not the Controlling Collateral Agent on behalf of itself and the relevant Secured Parties hereby irrevocably appoints and authorizes the Controlling Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Controlling Collateral Agent by the terms hereof or thereof, including for purposes of acquiring, holding and enforcing any and all Liens on Shared Collateral granted by any Grantor to secure any of the Secured Obligations, as applicable, together with such powers and authority as are reasonably incidental thereto. Without limiting the generality of the foregoing, the Controlling Collateral Agent is hereby expressly authorized to execute any and all documents (including releases) with respect to the Shared Collateral, and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement. In this connection, the Controlling Collateral Agent and any co-agents,

sub-agents and attorneys-in-fact appointed by the Controlling Collateral Agent pursuant to Section 5.05 for purposes of holding or enforcing any Lien on the Shared Collateral (or any portion thereof) granted under any of the Security Documents, or for exercising any rights and remedies thereunder, shall be entitled to all the rights, protections, immunities and indemnities granted to it under the applicable Secured Documents and/or Security Documents, as if set forth in full herein with respect thereto.

(b) Each Secured Party and each Collateral Agent acknowledges and agrees that the Controlling Collateral Agent shall be entitled (but not obligated), for the benefit of the holders of Secured Obligations, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in each applicable Security Document, without regard to any rights to which any Secured Party would otherwise be entitled. Without limiting the foregoing, each Priority Secured Party, Pari Passu Secured Party and each Collateral Agent agrees that none of the Controlling Collateral Agent, any other Collateral Agent, any other Priority Secured Party or any other Pari Passu Secured Party shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the Priority Obligations or Pari Passu Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Priority Obligations or Pari Passu Obligations), in any manner that would contravene the express terms of this Agreement. Each of the Secured Parties waives any claim it may now or hereafter have against the Controlling Collateral Agent or the Collateral Agent for any other Series of Secured Obligations, or any other Secured Party arising out of (i) any actions which the Controlling Collateral Agent, such other Collateral Agent, or such Secured Party takes or omits to take (including, actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the applicable Secured Obligations from any account debtor, guarantor or any other party) in accordance with the applicable Secured Documents or any other agreement related thereto or to the collection of Secured Obligations or the valuation, use, protection or release of any security for such Secured Obligations, (ii) any election by such Collateral Agent, any holders of such Secured Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Article III, any borrowing by, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of, or order granted pursuant to, any other Debtor Relief Law by, the Company, the Co-Issuer or any of their respective subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, no Collateral Agent shall accept any Collateral in full or partial satisfaction of any Secured Obligations pursuant to Section 9-620 of the UCC of any jurisdiction, without the consent of each other Collateral Agent on behalf of the relevant Secured Parties for whom such Collateral constitutes Shared Collateral.

(c) Each Secured Party and each Collateral Agent acknowledges and agrees that, upon any other obligations being designated hereunder as Additional Pari Passu Obligations or Additional Priority Obligations, as the case may be, or any other Person becoming an additional Collateral Agent for such Secured Obligations or any other Persons becoming Additional Pari Passu Secured Parties or Additional Priority Secured Parties, as the case may be, the Controlling Collateral Agent will continue to act in its capacity as Controlling Collateral Agent in respect of the then existing Collateral Agents, Priority Secured Parties and Pari Passu Secured Parties and such additional Collateral Agents, Additional Pari Passu Secured Parties or Additional Priority Secured Parties, as applicable.

Section 5.02 Rights as a Secured Party.

The Person serving as the Controlling Collateral Agent hereunder shall have the same rights and powers in its capacity as a Secured Party of Secured Obligations that it holds as any other Secured Party of such Secured Obligations and may exercise the same as though it were not the Collateral

Controlling Agent and the term "Secured Party" or "Secured Parties" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Controlling Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Company, the Co-Issuer or any of their respective subsidiaries or other Affiliate thereof as if such Person were not the Controlling Collateral Agent hereunder and without any duty to account therefor to any other Secured Party.

Section 5.03 Exculpatory Provisions.

The Controlling Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Secured Documents to which it is a party. Without limiting the generality of the foregoing, as between the Controlling Collateral Agent, the other Priority Secured Parties and the other Pari Passu Secured Parties, the Controlling Collateral Agent:

(i) shall not be subject to any fiduciary or other implied duties, regardless of whether an Event of Default has occurred and is continuing;

(ii) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby, by the other Security Documents that the Controlling Collateral Agent is required to exercise as directed in writing by the applicable Secured Parties; provided that the Controlling Collateral Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Controlling Collateral Agent to liability or risk its own funds unless it has received indemnity satisfactory to the Controlling Collateral Agent against such risk or liability or that is contrary to any Security Document (as modified by this Agreement) or applicable Law;

(iii) shall not, except as expressly set forth herein, in the other Security Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Company or any of its Affiliates that is communicated to or obtained by the Person serving as the Controlling Collateral Agent or any of its Affiliates in any capacity;

(iv) shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the applicable Secured Parties, (ii) in the absence of its own gross negligence or willful misconduct or (iii) in reliance on a certificate of an authorized officer of the Company and/or an Opinion of Counsel stating that such action is permitted by the terms of this Agreement;

(v) shall be deemed not to have knowledge of any Event of Default under any Series of Secured Obligations unless and until written notice describing such Event of Default is given to a Responsible Officer (as defined in the Indenture) of the Controlling Collateral Agent by the Collateral Agent of such Series of Secured Obligations or the Company;

(vi) shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Security Document, (ii) the contents of any certificate, report, Opinion of Counsel or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Event of Default or any event that with notice or lapse of time would become an Event of Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Security Document or any other agreement, instrument or document, or the creation, perfection or priority of any Lien purported to be created by any

Security Documents, (v) the value or the sufficiency of any Collateral for any Secured Obligations, or (vi) the satisfaction of any condition set forth in any Secured Document other than to confirm receipt of items expressly required to be delivered to the Controlling Collateral Agent;

(vii) shall in no event be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; and

(viii) shall not be liable for any failure to perfect or maintain the perfection of its security interests, including, without limitation, failure to file or record any financing statements, continuation statements or any other documents or agreements to perfect or maintain the perfection of its security interests.

Section 5.04 Reliance by Collateral Agents.

Each Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document, Opinion of Counsel or other writing (including any electronic message, internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. Section 5.05 **Action on Direction.** Notwithstanding anything else to the contrary herein, whenever reference is made in this Agreement, to any discretionary action by, consent, designation, specification, requirement or approval of, notice, request or other communication from, or other direction given or action to be undertaken or to be (or not to be) suffered or omitted by any Collateral Agent or to any election, decision, opinion, acceptance, use of judgment, expression of satisfaction or other exercise of discretion, rights or remedies to be made (or not to be made) by any Collateral Agent, it is understood that in all cases such Collateral Agent shall be fully justified in failing or refusing to take any such action if it shall not have received written instruction, advice or concurrence of the requisite Secured Parties in accordance with the applicable Secured Documents in respect of such action. No notice or demand on any party hereto in any case shall entitle such party to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be terminated, waived, amended or modified (other than pursuant to any Joinder Agreement) except pursuant to an agreement or agreements in writing entered into by each Collateral Agent; provided that no such agreement shall by its terms amend, modify or otherwise affect the rights or obligations of any Grantor without the Company's prior written consent.

(c) Notwithstanding the foregoing, (i) without the consent of any party hereto, any Collateral Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 6.15 and upon such execution and delivery, such Collateral Agent and the relevant Secured Parties and Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, of the Series of Secured Obligations for which such Collateral Agent is

Section 6.03 **Parties in Interest**. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, as well as the other Priority Secured Parties and Pari Passu Secured Parties, all of whom are intended to be bound by, and to be third party beneficiaries of, this Agreement.

Section 6.04 **Effectiveness; Survival of Agreement**. This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto on the date hereof and execution and delivery by each of the Grantors on the date hereof of an instrument substantially in the form of Exhibit A. All covenants, agreements, representations and warranties made by any party in this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement.

Section 6.05 **Counterparts**. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or electronic transmission shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 6.06 **Severability**. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof, and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 6.07 **Governing Law**. THIS AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK.

2) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

3) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of

mail), postage prepaid, to such Person (or its authorized representative) at the address referred to in Section 6.01;

4) agrees that nothing herein shall affect the right of any other party hereto (or any Priority Secured Party or Pari Passu Secured Party) to effect service of process in any other manner permitted by Law or shall limit the right of any party hereto (or any Priority Secured Party or any Pari Passu Secured Party) to sue in any other jurisdiction; and

Section 6.10 **Headings**. Article, Section and Annex headings used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 6.11 **Conflicts**. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the other Secured Documents, Priority Security Documents or Pari Passu Documents, the provisions of this Agreement shall control (except with respect to the Indenture Collateral Agent's own rights, privileges and immunities, which shall be governed by the Indenture).

Section 6.12 **Relative Rights**. Notwithstanding anything in this Agreement to the contrary (except to the extent contemplated by Section 2.04 and 2.08), nothing in this Agreement is intended to or will (a) amend, waive or otherwise modify the provisions of any other Secured Document, or permit the Company or any other Grantor to take any action, or fail to take any action, to the extent such action or failure would otherwise constitute a breach of, or default under, the any other Secured Document, (b) impair the obligations of any Grantor, which are absolute and unconditional, to pay the Priority Obligations or the Pari Passu Obligations as and when the same shall become due and payable in accordance with their terms or (c) obligate the Company or any Grantor to take any action, or fail to take any action, that would otherwise constitute a breach of, or default under, any Secured Document.

Section 6.13 **Integration**. This Agreement together with the other Secured Documents, the Priority Security Documents and the Pari Passu Security Documents represents the agreement of each of the Grantors, the Priority Secured Parties and the Pari Passu Secured Parties with respect to the subject matter hereof and there are no promises, undertakings, representations or warranties by any Grantor, the Collateral Agent, any Pari Passu Secured Party or any other Priority Secured Party relative to the subject matter hereof not expressly set forth or referred to herein or in the other Secured Documents, the Priority Security Documents or the Pari Passu Documents.

Section 6.14 **Further Assurances**. Each Collateral Agent agrees that it will execute, or will cause to be executed, any and all further documents, agreements and instruments, and take all such further actions, as may be required under any applicable Law, or which any Collateral Agent may reasonably request, to effectuate the terms of this Agreement, including the relative Lien priorities provided for herein.

Section 6.15 **Additional Secured Obligations**. To the extent, but only to the extent, permitted by the provisions of each Secured Document, the Company may incur Additional Pari Passu Obligations or Additional Priority Obligations after the date hereof, if and subject to the condition that the proposed Collateral Agent of any Series of such Additional Pari Passu Obligations or Additional Priority Obligations, as applicable (each, an "**Additional Collateral Agent**"), acting on behalf of the holders of such Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, becomes a party to this Agreement by satisfying the conditions set forth in clauses (i) through (iv) of the immediately succeeding paragraph.

In order for an Additional Collateral Agent to become a party to this Agreement,

(i) such Additional Collateral Agent shall have delivered to each Collateral Agent an instrument substantially in the form of Exhibit B (with such changes as may be reasonably approved by such parties) (a "**Joinder Agreement**") pursuant to which such Additional Collateral Agent becomes a Collateral Agent hereunder, and the Series of Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, in respect of which such Additional Collateral Agent is the Collateral Agent become subject hereto and bound hereby;

(iv) the Additional Pari Passu Documents or Additional Priority Documents, as applicable, relating to such Additional Pari Passu Obligations or Additional Priority Obligations, as applicable, shall provide that each proposed Secured Party with respect to such Additional Pari Passu Obligations or such Additional Priority Obligations, as applicable, will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Pari Passu Obligations or such Additional Priority Obligations, as applicable.

(b) this Agreement constitutes valid and legally binding obligations of such Party in accordance with its terms;

(c) the execution, delivery and performance of this Agreement by such Party will not (i) contravene any applicable law, regulation or contractual restriction binding on such Party; or (ii) result in any breach of or default under any material agreement or other instrument to which such Party or its material assets is subject; or (iii) contravene any provision of the constitutional or corporate documents of or applicable such Party; or (iv) contravene any treaty, law, statute, act, decree, governmental approvals and/or consents or regulation applicable to such Party;

(d) no Event of Default with respect to such Party has occurred, is continuing, or might reasonably be expected to result from the execution delivery and performance of this Agreement by such Party; and

(e) the choice by such Party of the laws of England, to govern this Agreement and the submission by such Party to arbitration in London is valid and binding.

15.2. Baffinland represents and warrants to Glencore that:

(a) the obligations of Baffinland under this Agreement and any Addendum are valid and unconditional obligations of Baffinland to bind the same in accordance with their respective terms;

(b) Baffinland has not taken any action nor have any other steps been taken or legal proceedings been started or threatened against Baffinland for its winding up or dissolution or for the appointment of a receiver, administrator, administrative receiver, trustee or similar officer of it or of any or all of its assets or revenues;

(c) no litigation, arbitration or any other judicial or administrative proceeding by or before any court, governmental agency or regulatory body which would reasonably be expected to have a material adverse effect on the ability of Baffinland to perform its obligations hereunder has been started, pending or, to the best of its knowledge, threatened to be commenced against Baffinland or any of its assets;

(d) subject to Clause 23.4, (i) Baffinland has good, valid and marketable title to, or valid leases or licenses of, and all appropriate authorizations to the assets necessary to carry out its obligations under this Agreement including but not limited to the Unscreened Lump and (ii) upon the sale thereof to Glencore, title to the Unscreened Lump will be free and clear of any lien or encumbrance, whether existing by operation of contract, statute or otherwise;

(e) Baffinland has not breached any law or regulation which breach has or is reasonably likely to impact materially its performance of its obligations under this Agreement; and

(f) Baffinland holds and will continue to hold its interest in the Mary River Mine, and all other concessions and permits necessary for it (i) to be the exclusive marketer for the

Product produced and (ii) to sell the Unscreened Lump in accordance with this Agreement to Glencore.

15.3. Each of the representations and warranties in this Clause 15 are given at the date of this Agreement and taken to be repeated on each date of sale and purchase pursuant to Clause 6.1.

15.4. Each Party acknowledges that the other Party has executed this Agreement and agreed to take part in the transactions that this Agreement contemplates in reliance on the representations and warranties that are made or repeated by it in this Clause 15.

16. FORCE MAJEURE

16.1. Neither Party shall be held responsible or liable, either directly or indirectly, and shall be deemed not to be in default or breach of this Agreement and/or Addendum(s) for any loss, damage, detention, delay, failure or inability to meet any of its commitments hereunder caused by or arising from any cause whether foreseeable or unforeseeable which (i) is unavoidable, (ii) is beyond such Party's reasonable control, (iii) does not result from the fault or negligence of such Party (including such Party's affiliates and any of its or their employees, directors, officers, agents and contractors), and (iv) prevents such Party from performing any or all of its obligations hereunder (*"Force Majeure"* or a *"Force Majeure Event"*).

16.2. Force Majeure shall include, but shall not be limited to, the following circumstances: war (declared or not), Act of God, hostilities, invasion, insurrection, riot, action taken or the order of any competent civil or military government, or any state or local government, explosion, fire, strikes, lockouts, labour disputes, pandemics, perils of the sea and other waters, dangers of navigation, ice, storms or other adverse weather conditions, or other causes which wholly or partially prevent either Party or both Parties from carrying out the terms of this Agreement at the times or times to be carried out (other than the obligation to pay moneys already accrued hereunder); provided that the Party directly or indirectly affected shall notify the other Party in writing within five (5) Business Days after it becomes aware of the commencement of such Force Majeure Event, specifying: (i) the nature and details of the Force Majeure Event; and (ii) to the best of its knowledge, the commencement date of the Force Majeure Event along with its expected duration and cessation.

16.3. If Final Product cannot be delivered to its intended destination because of a Force Majeure Event, Glencore shall have the right to nominate an alternate port of discharge with reasonable adjustment of deviation.

16.4. For the sake of clarity, economic hardship, adverse economic changes, changed economic circumstances or lack of funds shall not constitute a Force Majeure Event. In the event that one Party's performance is suspended by Force Majeure, the other Party's obligations to perform hereunder shall be suspended for the duration of the Force Majeure. During a Force Majeure Event, the Parties shall in good faith discuss steps that could be taken to mitigate or work around the Force Majeure Event.

16.5. If either Party is prevented from performance of its obligations for a continuous period of more than 180 days from the date of occurrence of Force Majeure Event, then Glencore may cancel the tonnage affected by written notice to Baffinland. In case of such cancellation, Baffinland will repurchase the tonnage affected on an 'as is, where is' basis and pay Glencore for all outstanding amounts within 10 Business Days from the cancellation against Glencore's debit note. The

calculation of "A" under Clauses 7.3 and/or 7.4, as applicable, with respect to the tonnage affected, shall be the due date mentioned above.

17. SAFETY, HEALTH AND ENVIRONMENT

17.1. The Parties are committed to safety, health and protection of the environment. In particular, safety of all personnel and those of any suppliers, contractors, and visitors to sites, plants, places of delivery, buildings, yards, premises or facilities owned, leased or operated by Baffinland is a priority for the Parties.

17.2. Each Party shall perform and discharge its obligations under this Agreement in compliance in all material respects, with all applicable laws, orders, directives, international treaties, regulations and codes of practice relating to safety, health and the environment established by any relevant government entity.

17.3. Each Party shall provide written notification to the other Party immediately of any safety, health or environmental issues (including, without limitation, the discovery of hazardous and/or radioactive material) which may arise in connection with and affect the performance of its obligations under this Agreement.

17.4. Each Party shall provide written notification to the other Party immediately in the event of any incident occurring in the performance of its obligations under this Agreement which causes any personal injury, any damage to property which could give rise to personal injury, any contamination or any pollution, and shall take all measures reasonably necessary to mitigate the consequences arising or which may arise therefrom.

17.5. Each Party shall indemnify and hold harmless the other Party and its subsidiaries, affiliates, directors, officers, employees and agents against any liability, damage, claim, fine, penalty, cost and expenses (including court costs and reasonable legal fees and disbursements) arising from or relating to a breach of this Clause 17 and/or any water, air or noise pollution caused by or resulting from the Product at the Stockpile, provided always that in the case of one Party (such Party may be referred to as a *"Indemnified Party"* in this Clause 17) seeking any indemnity from the other Party, such pollution is not caused by or is not attributable to the Indemnified Party's negligence or willful misconduct.

18. SANCTIONS AND COMPLIANCE

18.1. Each Party represents and warrants to the other Party that:

(a) neither it nor any of its subsidiaries (collectively, the *"Party Group"*) or directors, senior executives or officers, or to the knowledge of such Party, any person on whose behalf the Party Group is acting in connection with the subject matter of this Agreement, is an individual or entity (*"Person"*) that is, or is 50% or more owned or controlled by, a Person (or Persons) that is the subject of any economic or financial sanctions or trade embargoes administered or enforced by the U.S. Department of the Treasury's Office of Foreign Assets Control (*"OFAC"*) the U.S. Departments of State or Commerce, the United Nations Security Council (*"UNSC"*), the European Union (*"EU"*), Switzerland or other applicable sanctions authority (collectively, *"Sanctions"*) or based, organized or resident in a country or territory that is the subject of comprehensive (i.e., country-wide or territory-wide) Sanctions (including, as of the date of signature of this Agreement,

Crimea, Cuba, Iran, North Korea and Syria) (a *"Sanctioned Country"*) (collectively, a *"Sanctioned Person"*);

(b) no Sanctioned Person has any beneficial or other property interest in the Agreement nor will have any participation in or derive any other financial or economic benefit from the Agreement; and

(c) it will not use, or make available, the Product or funds (as applicable) provided by the other Party under the terms of the Agreement (i) to fund or facilitate any activities or business of, with or related to any Sanctioned Country or Sanctioned Person, or (ii) in any manner that would result in a violation of Sanctions, or (iii) for any activities or business that could result in the designation of the other Party as a Sanctioned Person (*"Sanctionable Activity"*).

18.2. If a Party becomes a Sanctioned Person or if a Party a has breached or will breach Clause 18.1 (the *"Defaulting Party"*), the other Party (the *"Non-Defaulting Party"*) may (without incurring any liability of any nature whatsoever) terminate or suspend all or any part of the Contract with immediate effect by notice to the Defaulting Party or take any other action it deems necessary in order for the Non-Defaulting Party to comply with applicable sanctions or avoid Sanctionable Activity. The Defaulting Party shall be liable for any and all direct costs, liabilities and expenses whatsoever incurred by the Non-Defaulting Party due to the Non-Defaulting Party exercising its rights under this clause. Any exercise by the Non-Defaulting Party of its right under this clause shall be without prejudice to any other rights or remedies of the Non-Defaulting Party under the Contract.

18.3. Each Party warrants, represents and undertakes to the other that, in connection with the subject matter of this Agreement, it, its affiliates and its or their directors, officers, employees, agents, representatives and any other person acting on its or their behalf:

(a) have complied with, and will comply with, all applicable laws, rules and regulations regarding sanctions, anti-corruption, anti-money laundering, tax evasion and similar laws; and

(b) have not authorized, offered, promised, paid or otherwise given, and will not authorize, offer, promise, pay or otherwise give, whether directly or indirectly, any financial or other advantage to or for the use or benefit of any government official or any private individual (i) for the purpose of inducing or rewarding that person's improper performance of their relevant function, or (ii) that would be a breach of any applicable law.

18.4. Baffinland shall comply in all material respects with the Glencore Supplier Standards available at https://www.glencore.com/suppliers, as amended from time to time (the "Glencore Supplier Standards"), the terms of which are incorporated into this Contract.

19. ASSIGNMENT

19.1. The Parties agree this Agreement give rise to personal obligations, and neither Party, subject to Clause 19.2, may assign this Agreement without the prior written consent of the non-assigning Party such consent not to be unreasonably withheld.

19.2. Notwithstanding the provisions of Clause 19.1, each Party may assign its rights and benefits under this Agreement as collateral to secure such Party's obligations to any arm's length *bona fide* lender to such Party, and that the other Party shall, upon request, consent to and acknowledge such assignment.

20. GOVERNING LAW

This Agreement, including the arbitration clause, shall be governed by, interpreted and construed in accordance with the substantive laws of England and Wales excluding the United Nations Convention on Contracts for the International Sales of Goods of April 11, 1980 (CISG).

21. ARBITRATION

Any dispute arising out of or in connection with this Agreement, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration (LCIA), which Rules are deemed to be incorporated by reference into this Clause. The seat, or legal place, of arbitration shall be London. The language to be used in the arbitration shall be English. The number of arbitrators shall be three (one arbitrator to be appointed by each party, and the third to be chosen by the two party-appointed arbitrators). The Parties waive irrevocably their right to any form of appeal, review or recourse to any court or other judicial authority.

22. EVENTS OF DEFAULT AND REMEDIES

22.1. Each of the events set out in this Clause 22.1 shall be an "Event of Default" of the relevant Party under this Agreement:

(a) such Party fails to pay within five Business Days when due any sum payable under this Agreement;

(b) if Baffinland fails to deliver Unscreened Lump in accordance with the Provisional Delivery Schedule and such failure is not remedied within thirty (30) days after such failure, without the prior written consent by Glencore;

(c) if Glencore fails to accept Final Product loaded and in all respects ready to ship on board a Performing Vessel, excluding reasons outside of Glencore's control, within one full Annual Shipping Period following the delivery of such Final Product to the Port Stockpiles;

(d) such Party (other than a failure specified in Clauses 22.1(a) through 22.1(c)) fails to comply with any material provision of this Agreement in any material respect and such default is not remedied within thirty (30) days of the earlier of: (i) the other Party notifying such Party of the default and the remedy required; and (ii) such Party becoming aware of the default (such 30-day period, the *"Cure Period"*);

(e) any material representation, warranty or statement made, repeated or deemed made by such Party in, or pursuant to, this Agreement is (or proves to have been) incomplete, untrue, incorrect or misleading in any material respect when made, repeated or deemed made;

(f) such Party becomes insolvent, or is unable to, or admits its inability to, pay its debts as they fall due;

(g) any action, proceeding, procedure or step is taken in relation to: (i) the winding up, dissolution, administration or reorganisation (by way of voluntary arrangement, scheme of arrangement or other proceeding in which claims of creditors are compromised) of such Party; or (ii) the appointment of a liquidator, receiver, administrative receiver, administrator, compulsory manager or other similar officer in respect of such Party or any of its respective material assets, in each of cases (i) and (ii), if such action, proceeding, procedure or step is not dismissed, discharged, stayed or restrained within 45 days after the happening thereof;

(h) such Party suspends or ceases or threatens to suspend or cease to carry on its business;

(i) any other event occurs or circumstance arises which, in the reasonable opinion of the other Party, is likely materially and adversely to affect either the ability of such Party to perform all or any of its respective obligations under or otherwise to comply in all material respects with the terms of this Agreement, and such event or circumstance is not addressed to the satisfaction of the other Party within the Cure Period;

(j) such Party disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, this Agreement or the PTA;

(k) an event of default by such Party occurs under the PTA and is not remedied within the Cure Period; or

(l) any Change in Control of Baffinland occurs.

22.2. If an Event of Default of one Party (such Party may be referred to as a *"Defaulting Party"* in this Clause 22.2) has occurred, then the other Party (such Party may be referred to as a *"Non-Defaulting Party"* in this Clause 22.2) may by written notice to the Defaulting Party:

(a) terminate this Agreement;

(b) cancel and unwind any particular sale and purchase for which a Final Payment has not been made;

(c) if the Event of Default occurs pursuant to Clause 22.1(c), halt any increase to the Provisional Delivery Price Discount and Second Delivery Price Discount with respect to the affected Product (i.e., with the effect that "A:" of the definition thereof with respect to the affected Product shall become the date on which the Event of Default occurred); and/or

(d) be immediately indemnified by the Defaulting Party for any and all liabilities, costs, expenses, damages and losses (e.g., in the case where Glencore buys iron ore to mitigate a failure by Processor to deliver a Shipment in accordance with the delivery schedule, the amount by which the price paid by Glencore for such iron ore exceeds the Final Price of the iron ore Shipment which was not delivered in accordance with the delivery schedule) suffered or incurred by the Non-Defaulting Party arising out of or in connection with an Event of Default of the Defaulting Party.

22.3. At any time after the occurrence of an Event of Default by Baffinland, Glencore shall be entitled to terminate this Agreement and the PTA and at such time shall be free to resell any Product – Baffinland to use commercially reasonable efforts to facilitate immediate and unencumbered access to all available infrastructure necessary to transport and crush the Unscreened Lump and to load the Final Product on to ship – in the event of such a resale, the ordinary payment terms shall apply, except that Glencore shall be entitled to deduct from the Purchase Price its reasonable out-of-pocket costs incurred in connection with such resale. In the event that an amount is due to Glencore, Baffinland shall pay such amount within 10 days of written notification from Glencore.

If Glencore is unable to effect a resale of the remaining Unscreened Lump and Final Product as contemplated in Clause 22.3 within 90 days, then Glencore may elect to require Baffinland to repurchase all such unshipped Product from Glencore, on an 'as is, where is' basis, at a price equal to the cost of such Product paid by Glencore. The repurchase shall be paid within 10 days after receipt of Glencore's invoice. Baffinland shall also pay to Glencore, as liquidated damages, and not as a penalty, an amount equal to the Bulk Discount, the Provisional Delivery Price Discount and the Second Provisional Delivery Price Discount, if any, applicable to such Product within 10 days after receipt from Glencore of an invoice therefor. In such a case, Baffinland's entitlement to any additional payment of the Purchase Price shall be extinguished.

23. LIABILITY FOR BREACH

23.1. Baffinland shall indemnify Glencore against all liabilities, costs, expenses, damages and losses suffered or incurred by Glencore arising out of or in connection with any claim made against Glencore by a third party arising out of, or in connection with the supply of the Product to the extent that such claim arises out of the breach, negligent performance or failure or delay in performance of this Agreement and/or any Addendum by Baffinland, its employees, agents or subcontractors.

23.2. Without limiting any other remedy available to a Party for breach by the other Party of the provisions of this Agreement, each Party (such Party may be referred to as a *"Indemnifying Party"* in this Clause 23.2) shall pay to the other Party (such Party may be referred to as an *"Indemnified Party"* in this Clause 23.2) on demand, the amount of any loss, costs, damages, expenses or other liabilities suffered or incurred by the Indemnified Party (including reasonable legal costs) arising out of or in connection with any breach by the Indemnifying Party of this Agreement.

23.3. Baffinland shall be responsible for the delivery of the Product which meets the specifications written in Appendix 1. If Glencore suffers losses or damages owing to the Product and/or the vessel arranged by Baffinland including but not limited to quality difference, foreign materials contamination, dust or pooled water, Baffinland shall compensate Glencore for any subsequent loss, damages, costs, expenses, Final Buyer's claim or other liabilities suffered by Glencore with respect thereto. If the quality of the Product falls out of specification in accordance with Appendix 1 and this is discovered before loading operation or as the result of loading port analysis and the Final Buyer refuses to accept such cargo as a result thereof, then Glencore shall also not be obliged to accept such cargo; provided, however, that both Parties will discuss in a good faith on how to sell such cargo in the market without prejudice to Glencore's right to seek compensation from Baffinland in accordance with this Clause 23.3.

23.4. In each sale and purchase, Baffinland shall transfer Unscreened Lump to Glencore free and clear of all encumbrances (other than liens that are or may be created from time to time under the *Miners Lien Act* (Nunavut) (*"Miners Liens"*)). Baffinland shall indemnify and keep indemnified

Glencore in full and on demand from and against all and any losses, costs, claims, liabilities, damages, demands and expenses suffered or incurred by Glencore arising out of, or in connection with any claim arising as a result of a Miners Lien in respect of the Unscreened Lump sold to Glencore hereunder.

24. TOTAL / PARTIAL LOSS

In the event of total or partial loss or damage of any Product (i.e. after title and risk of loss of material has passed from Baffinland to Glencore hereunder), including loading of a Performing Vessel, the purchase price payable by Glencore shall be paid based on the insured value of the Product, minus all amounts due to Glencore, payable only once such funds have been received from the insurer. For the purpose of this provision in case of total loss the estimated date of arrival at Discharge Port of the relevant vessel shall be considered vessel's arrival date. For calculation of the Provisional Price Discount and/or the Second Provisional Price Discount, the date of insurance proceeds receipt shall be considered as "A" pursuant to Clauses 7.3 and/or 7.4, as applicable.

25. LIMITATION OF LIABILITY

Notwithstanding any provision to the contrary herein, neither party shall be liable for any indirect or consequential damages, whether in contract, tort or otherwise, resulting from the manner of performance and/or the non-performance, whether in whole or in part, of any of the obligations arising hereunder.

26. MODIFICATION

This Agreement shall become effective on the date of its execution by Baffinland and Glencore. Any change, modification or addition to the terms and conditions hereto shall only become effective when confirmed by both Baffinland and Glencore in a writing signed by both Parties.

27. ENTIRE AGREEMENT

This Agreement contains the entire agreement between the Parties in relation to the sale and purchase of the Unscreened Lump hereby agreed to be sold and purchased and supersedes all prior negotiations, understandings and agreements, whether written or oral in relation to the Unscreened Lump.

28. SEVERABILITY

If any provision of this Agreement or the application thereof to any Party hereto, is held illegal, unenforceable, or otherwise invalid by government promulgation or court decree, such holding shall not affect the other provisions or applications of this Agreement which can be given effect without the invalid provision.

29. COUNTERPARTS

This Agreement may be executed in any number of counterparts, each of which when executed and delivered (including delivery by PDF copies thereto) shall constitute an original of this Agreement, but all the counterparts shall together constitute the same agreement.

30. CONFIDENTIALITY

30.1. The contents of this Agreement are confidential. Each Party represents and undertakes that it will keep confidential any information concerning the other Party or its business, which the other Party informs it is confidential or which a reasonable person receiving that information in the same circumstances would regard as being confidential (including this Agreement, *"Information"*) and not share it with or disclose it to any other Party, unless otherwise agreed in writing between the Parties to this Agreement.

30.2. Notwithstanding the above, each Party acknowledges that its Information may be used by the other Party, its subsidiaries, and third parties in connection with the administration of the parties' relationship (e.g., credit, risk, compliance) or as otherwise required by applicable laws or regulations.

31. SET-OFF

31.1. Glencore may at its option set off any amount owed by Glencore to Baffinland under this Agreement against any amount owed to Glencore by Baffinland hereunder.

31.2. All amounts comprising payments or deductions under this Agreement shall be added or subtracted, without duplication.

32. NOTICES

33.1. All amounts payable in respect of transactions or otherwise pursuant to this Agreement are exclusive of value-added and goods and services taxes (*"VAT"* or *"GST"*). The VAT treatment of the Unscreened Lump shall be determined pursuant to the VAT laws of Canada and Nunavut. If VAT is payable on any such amounts, Glencore shall pay to Baffinland an amount equal to the VAT at the rate applicable from time to time; provided that such amount shall only be required to be paid once Baffinland provides Glencore with a valid VAT invoice.

33.2. To take into consideration the capital costs due to implication of GST/VAT, Baffinland will compensate Glencore with respect to the Provisional Invoice issued pursuant to Clause 11.2(a)(i) by paying a fee calculated with reference to LIBOR plus 5% per annum for a period of 60 days on the amount of VAT payable pursuant to such invoice.

11A.0. Weighing at Port Stockpiles

At Baffinland's expense, an agreed independent third party surveyor shall, on a Quarterly basis, determine the weight of all quantity of Final Product on the Port Stockpiles, and provide an official receipt showing details of the weight determination. Glencore may, at its expense, have its representative(s) present at the time of such weighing. Stockpile dry quantity shall be determined by deducting the free moisture referred to in Clause 13 of the PSA from such wet quantity.

11A.1. Weighing at Loading Port

At the Loading Port, Processor at its expense shall appoint an internationally recognized independent surveyor to determine the weight of each shipment of Final Product by draft survey, and provide a certificate (Certificate of Weight) showing details of the determination. Owner may, at Owner's expense, have its representative(s) present at the time of such loading. The Loading Port dry quantity shall be determined by deducting the free moisture referred to in Clause 11B.1 from such wet quantity.

11A.2. Weighing at Discharge Port

At the Discharge Port(s), Owner at its expense shall arrange for an internationally recognized independent surveyor to undertake weighing of each shipment by draft survey. The weight thus determined at Discharge Port(s) shall be final as to the wet quantity of the shipment except as otherwise provided for in Clause 11A.3. The Discharge Port dry quantity shall be determined by deducting the free moisture referred to in Clause 11B.3 from such wet quantity.

11A.3. Weight differences

If after the determination of the weight of a Shipment in accordance with Clauses 11A.1 and 11A.2 there is a difference of weight between Loading Port certificate and Discharge Port certificate over 0.50 (not including 0.50) percent on a wet basis, then the final weight of the shipment shall be determined by averaging the weight determined at the Discharge Port(s) and at the Loading Port.

Any deviation from the above method of weight determination, such as when the Incoterm to a Final Buyer is on an FOB basis, shall be agreed in writing by the Parties.

11B. SAMPLING AND ANALYSIS

11B.1. Sampling and analysis at Loading Port

At the Loading Port, Processor at its expense shall appoint an internationally recognized independent surveyor to take a representative sample of each shipment of Final Product, divide the sample into 2 parts, analyse such parts for chemical composition and for free moisture content and provide a certificate (Certificate of Analysis) showing details of the determination. The assaying shall conform to ISO standards. Owner may, at its expense, have its representative(s) present at the time of such loading.

11B.2. Sampling and analysis and Discharge Port

At the Discharge Port(s), Owner at Owner's expense shall arrange for an internationally recognized independent surveyor to take representative samples of each shipment of Final Product and analyse such samples for chemical composition, physical composition and for free moisture content. Processor may at Processor's expense have its representative(s) present at the time of sampling and analysis. Within 62 days after completion of discharge, Owner shall forward to Processor by email a certificate issued at the Discharge Port(s) showing the percentage of chemical contents, the percentage of moisture content and the relevant screen analysis. The Discharge Port analysis shall be final except as otherwise provided for in Clause 11B.3.

11B.3. Analysis differences

Should there be a difference of more than 0.50 percentage points between the Loading Port and Discharge Port analysis, then the relevant percentage of the parameter(s) in excess of 0.50 percentage points shall be determined by averaging the percentage determined at the Discharge Port and at the Loading Port.

If for any reason discharge port certificates of analysis and weight are not received by Processor within 62 days after completion of discharge at the Discharge Port, then Processor has the option to declare Loading Port results as final.

Any deviation from the above method of quality determination shall be agreed in writing by the Parties.

(b) Laytime shall cease on completion of loading and weight determination.

Baffinland Iron Mines Corporation

Dear Mark O'Brien:

We write to you further to recent discussions regarding the financial and operational issues facing Baffinland Iron Mines Corporation and Baffinland Iron Mines LP (collectively, "**Baffinland**"), which have been ongoing for several months.

As you know, Export Development Canada ("**EDC**") is a secured creditor of Baffinland, having loaned a principal amount of $75 million. Those loan obligations are now set to mature on June 30, 2026. A number of events of default have occurred under the EDC credit facility, of which we have provided notice in the past. Similar pending maturities and defaults exist under all of Baffinland's secured debt.

In addition to the outstanding events of default and pending maturities, several recent developments cause concern about EDC's own recovery and about the future of the Baffinland operation, which are outlined in greater detail below.

We wrote to you on February 5th, 9th and 20th and, in our correspondence, we indicated that:

1. We understood that Baffinland intended to pursue a balance sheet recapitalization that would involve raising significant new capital, potentially from existing or new investors, to pay down debt, complete projects to expand production capacity and maximize the value of Baffinland's assets.

2. We advised that we expected that a broad process to find the best source or sources of such capital will be explored, with the goal of ensuring Baffinland and the expansion project is supported by a party or parties who can deliver:
   - sufficient committed capital resources that will be invested in a sustainable pro forma Baffinland capital structure.
   - the right level of operating and development expertise to operate the asset and complete the expansion; and
   - the financial strength to support the expansion project and attract the capital needed to get to completion.

Based on what we know as of the time of writing this letter:

- No new equity capital has been raised and, as we understand it, no discussions are ongoing with any outside party capable of both providing the financing and the level of operating expertise required to complete the expansion.
- We have been provided with a term sheet and other documents relating to a potential exchange offer for the secured notes that contemplates a very short maturity extension (to December 2027), a potentially immaterial reduction in debt and a very substantial increase in cost (with an all-in cost that could exceed 20% per annum).
- It is contemplated that the exchange offer would proceed with no new committed liquidity and absent that, the Company may not have sufficient liquidity through December 2027.
- Processes are contemplated to sell critical assets with the proceeds used to fund day-to-day operating and financial costs; and
- Various participants in the capital structure including the senior secured lenders and Glencore have sought to continue to improve their own positions through proposals for expensive short term waivers and commitments to process substantial material at a significant cost to the company which we have been informed would be very material and which would be very detrimental to secured creditors.

We are writing to formally advise you that EDC is not supportive of the recapitalization plan that has been shared with us, will not consent to amend the maturity dates of our loan in furtherance of such a plan and are not supportive of the asset sales or other transactions described above. As such, the recapitalization plan you have proposed cannot proceed.

Waivers or other transactions where counterparties seek significant compensation on non-market terms, leverage on a future CCAA process, or inappropriate transfers of value without market consideration to the company are also improper. We expect those directing the company to respect and prioritize their fiduciary obligations to the corporation as a whole particularly in these financially distressed circumstances.

EDC believes in the significant benefits Baffinland's operations provide and can continue to provide to all stakeholders and the community. This requires an immediate and comprehensive restructuring to put the company's debt and capital structure in a position where much needed expansion capital can be provided. EDC wants to be part of a comprehensive solution that makes commercial sense for all stakeholders.

A comprehensive solution can only be achieved in the context of a fair and transparent process to identify and implement the best available restructuring transaction, whether through a sale, investment or other reorganization. We believe at this stage that must occur in a formal court-supervised restructuring setting to avoid further extraction of value by stakeholders in return for their agreement to waive or forbear. The Government of Canada would be willing to engage on necessary interim funding for such a process on reasonable terms.

We look forward to speaking with you about a constructive and comprehensive restructuring approach.

Should any transactions be pursued in the interim, EDC reserves all rights and remedies regarding such transactions, including to reverse such transactions, and remedies against the counterparties to those transactions and any individuals involved in approving such transactions and any parties who have sought to influence the conduct of those individuals.

Sincerely,

Mark Doyle
