Basis for this Claim:

I. REMEDY SOUGHT:

1. The applicants, CanadaBis Capital Inc. (“**CanadaBis**”), Stigma Pharmaceuticals Inc. (“**Stigma Pharmaceuticals**”), 2103157 Alberta Ltd. (“**210**”), Full Spectrum Labs Ltd. (“**Full Spectrum**”), and 1998643 Alberta Ltd. (“**199**”, and together with CanadaBis, Stigma Pharmaceuticals, 210, and Full Spectrum, the “**Applicants**”) bring this Application seeking the following orders pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”):
 - (a) an order (the “**SISP Order**”), substantially in the form attached hereto as **Schedule “B”** granting, among other things:
 - (i) approval of the sale and investment solicitation process (“**SISP**”) substantially in the form attached at Schedule “A” to the SISP Order;
 - (ii) authority for the Monitor and the Applicants to immediately commence the SISP;
 - (iii) authority and direction for the Monitor, the Applicants, and their respective affiliates, partners, employees, advisors and agents to take any and all

actions as may be necessary or desirable to implement and carry out the SISP in accordance with its terms and the SISP Order; and

- (b) an order (the “**Second ARIO**”), substantially in the form attached hereto as **Schedule “C”** amending and restating the First ARIO (as defined below), to:
 - (i) permit, but not require, the Applicants to make termination and severance payments to employees terminated during this proceeding; and
 - (ii) extend the Stay (as defined below) in favour of the Applicants and their directors and officers from June 11, 2026 to September 11, 2026.

- 2. Capitalized terms used herein and not otherwise defined have the meanings ascribed to them in the affidavit of Travis McIntyre sworn June 1, 2026.
- 3. A redline comparison of the Second ARIO to the First ARIO is attached hereto at **Schedule “D”**.

II. GROUNDS FOR MAKING THIS APPLICATION:

General

- 4. The Applicants are a vertically integrated cannabis company operating out of Red Deer, Alberta and are engaged in the cultivation, extraction, product development, and sale of cannabis and cannabis products.
- 5. Each of the Applicants are incorporated under the *Alberta Business Corporations Act*.
- 6. CanadaBis is the ultimate parent company of the Applicants, and wholly owns each of Stigma Pharmaceuticals, 210, and Full Spectrum. 199 is a wholly owned subsidiary of Stigma Pharmaceuticals.
- 7. The Applicants have suffered from financial difficulties in the past year driven primarily by a significant increase in market competition and a growing excise tax burden that the Applicants cannot pay in the ordinary course.

8. On April 17, 2026, the Applicants appeared before the Honourable Justice Armstrong and were granted the Initial Order, that among other things:
 - (a) declared that the Applicants are each a debtor company to which the CCAA applies;
 - (b) granted a stay of proceedings in respect of the Applicants up to and including April 27, 2026 (the “**Stay**”);
 - (c) appointed FTI Consulting Canada Inc. (the “**Monitor**”) as the monitor of the Applicants in this CCAA proceeding;
 - (d) granted the Applicants’ relief from certain securities law reporting obligations under federal, provincial and other applicable law until further order of the Court;
 - (e) preserved the status quo of the Applicants’ Health Canada and cannabis excise tax licenses;
 - (f) granted the Administration Charge in the initial amount of \$150,000 for the benefit of the Applicants’ counsel, the Monitor and the Monitor’s counsel, as security for the respective fees and disbursements of counsel to the Applicants, the Monitor, and the Monitor’s counsel relating to services rendered in respect of the CCAA proceeding; and
 - (g) granted the D&O Charge (together with the Administration Charge, the “**Charges**”) in the initial amount of \$900,000 for the benefit of the directors and officers of the Applicants.

9. On April 27, 2026, the Honourable Justice Jones granted the Amended and Restated Initial Order (the “**First ARIO**”), which, among other things: (i) extended the Stay until June 11, 2026; (ii) increased the maximum amount of the Charges and elevated their priority ahead of all other security interests; and (iii) prohibited any person from setting off pre-filing obligations against post-filing obligations.

III. THE SISP ORDER:

The Proposed SISP

10. The Applicants are seeking approval of the proposed SISP. Since the Initial Order was granted, the Applicants have been operating the Business as a going concern with a view to preserving and maximizing value for the benefit of its stakeholders. To realize such value, the Applicants propose to implement the SISP immediately.
11. The SISP has been developed by the Applicants and the Monitor and is intended to be fair and flexible to solicit interest in, and opportunities for: (i) one or more sales or partial sales of all, substantially all, or certain portions of the Applicants' Property or Business; and/or (ii) an investment in, restructuring, recapitalization, refinancing or other form of reorganization of the Applicants or their Business.
12. The SISP is proposed to be implemented as a two-staged process. Phase I of the SISP calls for the submission of non-binding Letters of Intent ("LOIs") by July 15, 2026 (the "**Phase I Bid Deadline**"). The Monitor and the Applicants, in consultation with the Senior Secured Lender, will evaluate the LOIs. The Monitor, in consultation with the Senior Secured Lender and with the consent of the Applicants, will determine which Qualified Phase I Bidders shall proceed to Phase II of the SISP. Phase II of the SISP calls for unconditional binding offers, which are irrevocable until Court approval of the Successful Bid(s).
13. A summary of the key dates under the proposed SISP are as follows:

Milestone	Deadline
Commencement of SISP	June 10, 2026
Distribution of the Notice, Teaser Letter, Confidentiality Agreement and Acknowledgement of the SISP	As soon as reasonably practicable following the date on which the SISP Order is granted

Phase I Bid Deadline (5:00 P.M. (Mountain Time))	July 15, 2026
Phase II Bid Deadline (5:00 P.M. (Mountain Time))	August 10, 2026
Selection of Successful Bid(s), Back-Up Bid(s), or Notification of Auction (if any)	August 17, 2026
Auction (if any)	No later than August 20, 2026
Sale Approval Hearing	As soon as practicable following selection of Successful Bids
Closing Date Deadline	A maximum of 4 weeks after the Sale Approval Hearing, but by no later than October 8, 2026

IV. SECOND ARIO:

Extension of the Stay

14. The Stay currently expires on June 11, 2026. The Applicants request an extension of the Stay up to and including September 11, 2026 to, among other things, implement the SISF and seek Court approval of the winning bid.
15. The cash flow forecast appended to the Second Report of the Monitor demonstrates that the Applicants will have sufficient liquidity during the proposed Stay to continue this CCAA proceeding.
16. The Applicants have acted, and continue to act, in good faith and with due diligence during the course of this CCAA proceeding.
17. No creditor will suffer material prejudice as a result of the proposed extension of the Stay.

18. The Monitor supports the extension of the Stay by the Applicants.

Termination and Severance Payments

19. The Applicants seek authorization, but not the requirement, to make termination and severance payments to employees whose employment is terminated during the CCAA proceeding. Such payments are currently stayed pursuant to the First ARIO.
20. As part of the Applicants' ordinary course and ongoing review of business operations and personnel requirements, the Applicants may identify limited circumstances in which changes to staffing levels are appropriate having regard to the current needs of the business.
21. The Applicants believe that providing termination and severance payments to affected employees, where appropriate, is fair and reasonable in the circumstances. Making such payments would be consistent with maintaining employee goodwill and preserving the stability and continuity of the Business. It will also preserve positive relationships with former employees, which may benefit the Applicants or a future purchaser if the business transitions into a future growth phase and the Applicants, or a purchaser of the business, seek to rehire certain employees.
22. The Applicants estimate that the maximum aggregate amount of potential termination and severance payments contemplated at this time is approximately \$30,000. The Applicants also estimate that the expected workforce reductions would reduce payroll expenses by approximately \$60,000 per month.

V. AFFIDAVIT OR OTHER EVIDENCE TO BE USED IN SUPPORT OF THIS APPLICATION:

23. The First Affidavit of Travis McIntyre, sworn April 16, 2026, filed;
24. The Second Affidavit of Travis McIntyre, sworn June 1, 2026, to be filed;

27. The First Report of the Monitor dated April 22, 2026, filed;
28. The Second Report of the Monitor, to be filed; and
29. Such further and other materials as counsel for the Applicants or Proposed Monitor may advise and this Honourable Court may permit.

31. The provisions of the CCAA, including without limitation, sections 2(1), 11, 11.02, 11.51, 11.52, and the inherent and equitable jurisdiction of this Honourable Court.
32. Such further and other Acts or regulations as counsel may advise and this Honourable Court may permit.

VIII. ANY IRREGULARITY COMPLAINED OF OR OBJECTION RELIED ON:

33. None.

IX. HOW THE APPLICATION IS PROPOSED TO BE HEARD OR CONSIDERED:

34. By WebEx videoconference before the Honourable Justice Armstrong on the Commercial List pursuant to the WebEx details enclosed hereto as **Appendix “1”**.

- (g) Other: Such other information as may reasonably be requested by the Companies or the Monitor; and
- (h) Phase II Bid Deadline: The information contemplated by this section 14 is to be received by the Monitor, at the email address specified in Schedule "B" hereto on or before the Phase II Bid Deadline.

15. Evaluation of Qualified Phase II Bids and Subsequent Actions

The Companies and the Monitor, in consultation with the Senior Secured Lender, shall evaluate Qualified Phase II Bids on various grounds including, but not limited to: (i) the Purchase Price or imputed or projected value, (ii) the treatment of creditors and related implied recovery for creditors (in each case, as applicable), (iii) the assumed liabilities, (iv) the number of employees assumed, (v) the certainty of closing the transactions contemplated by the Qualified Phase II Bid on or before the Outside Date, and (vi) any delay or other risks (including closing risks) in connection with the Qualified Phase II Bids.

In connection with its evaluation of Qualified Phase II Bids, the Monitor, in consultation with the Companies and, where applicable and permitted under this SISP, the Senior Secured Lender, may engage in discussions with any Qualified Phase II Bidder for the purpose of seeking clarifications in respect of its Qualified Phase II Bid, requesting additional information or revised documentation, and inviting or requesting that such Qualified Phase II Bidder improve, increase or otherwise enhance the terms of its Qualified Phase II Bid, in each case prior to determining whether to proceed with an Auction or to select a Successful Bid and any Back-Up Bid.

Following such evaluation, if one or more Qualified Phase II Bids are received, the Monitor, in consultation with the Senior Secured Lender and with the consent of the Companies, may: (i) select one or more Qualified Phase II Bids as the "**Successful Bid**", and the party or parties making such Successful Bid(s) will be the "**Successful Bidder**"; or (ii) proceed to an auction (the "**Auction**") in accordance with the procedures set out in the attached Schedule "C" (the "**Auction Procedures**") to identify the Successful Bid. The determination of any Successful Bid by the Monitor, in consultation with the Senior Secured Lender and with the consent of the Companies, shall be subject to approval by the Court.

The Monitor, in consultation with the Senior Secured Lender and with the consent of the Companies, shall have the option to aggregate Portion Bids into an Aggregate Bid.

Notwithstanding anything to the contrary herein, the Monitor, in consultation with the Senior Secured Lender and with the consent of the Companies, shall be permitted to include Qualified Investment Bids or Qualified Sale Bids in the Auction, including to the extent such Qualified Phase II Bids are Portion Bids.

Following the selection of the Successful Bid, the Companies shall take such steps as may be necessary to finalize definitive transaction documents for the Successful Bid(s) with the Successful Bidder(s) prior to Court approval of the Successful Bid(s).

The Monitor, in consultation with the Senior Secured Lender and with the consent of the Companies, may conditionally accept one or more (if for distinct and compatible transactions that are Portion Bids) Qualified Phase II Bids, which acceptance will be conditional upon the failure of the transaction(s) contemplated by the Successful Bid to close (the “**Back-Up Bid**”, and Qualified Phase II Bidder making such Back-Up Bid being the “**Back-Up Bidder**”).

As soon as reasonably practicable and by no later than four Business Days after the Phase II Bid Deadline, the Monitor shall advise the Qualified Phase II Bidders whether one or more Qualified Phase II Bids have been selected as the Successful Bid(s) and any Back-Up Bid(s), or whether the Monitor, in consultation with the Senior Secured Lender and with the consent of the Companies, has determined that it is necessary to conduct an Auction pursuant to the SISP Procedures. If an Auction is to be conducted, the Monitor, as soon as reasonably practicable and by no later than August 17, 2026, will advise the Qualified Phase II Bidders of the date, time, location and the rules (if any) of the Auction in accordance with the Auction Procedures.

16. No Qualified Phase II Bids

If no Qualified Phase II Bid is received, the Monitor may, in consultation with the Companies and the Senior Secured Lender: (i) extend the Phase II Bid Deadline, (ii) terminate the SISP; or (iii) seek the advice and direction of the Court.

17. Allocation of Purchase Price

The Companies reserve the right to allocate the Purchase Price of a Successful Bid, acting reasonably and in consultation with the Monitor, at a later date for distribution purposes.

APPROVAL MOTION

18. Approval Motion

The Companies shall use reasonable efforts to bring a motion to the Court to approve the Successful Bid(s) and Back-Up Bid(s) as soon as practicable following the determination by the Monitor, in consultation with the Senior Secured Lender and with the consent of the Companies, of the Successful Bidder(s) and the execution of definitive documents (the “**Sale Approval Hearing**”). The Companies will be deemed to have accepted the Successful Bid(s) only when it has been approved by the Court. All Qualified Phase II

Bids (other than the Successful Bid(s) and the Back-Up Bid(s)) shall be deemed rejected on and as of the date of approval of the Successful Bid(s) by the Court.

19. Back-Up Bidder

If a Successful Bidder fails to close the transaction contemplated by the Successful Bid(s) on or before the Outside Date for any reason, then the Companies will be deemed to have accepted the Back-Up Bid(s) and will proceed with the transaction pursuant to the terms thereof. The Back-Up Bid(s) shall remain open for acceptance until the closing of the Successful Bid(s), or such other later date as the Companies and the Back-Up Bidder may agree, acting reasonably (the “**Back-Up Bid Expiration Date**”).

MISCELLANEOUS

20. Information From Interested Parties

Each Interested Party shall comply with all reasonable requests for additional information by the Companies or the Monitor regarding such Interested Party and its contemplated transaction. Failure by an Interested Party to comply with requests for additional information will be a basis for the Monitor, in consultation with the Senior Secured Lender and with the consent of the Companies, to determine that the Interested Party is not a Qualified Phase I Bidder or a Qualified Phase II Bidder, as applicable.

21. Deposits

All deposits shall be held by the Monitor in a non-interest-bearing account designated solely for such purpose. A deposit made by a Successful Bidder shall be dealt with in accordance with the definitive documents for the transactions contemplated by the Successful Bid. Deposits provided by Phase I Bidders not selected as either a Qualified Phase I Bidder or a Qualified Phase II Bidder shall be returned to such Phase I Bidder or Phase II Bidder as soon as practicable, and in any event no later than seven (7) Business Days of being advised that it is not a Qualified Phase I Bidder or a Qualified Phase II Bidder, as the case may be. Deposits provided by Qualified Phase II Bidders not selected as either a Successful Bidder or a Back-Up Bidder shall be returned to such Qualified Phase II Bidders as soon as practicable, and in any event no later than seven (7) Business Days following Court approval of the Successful Bid. In the case of Back-Up Bid(s), the deposit shall be retained by the Monitor until the Back-Up Bid Expiration Date and returned to the Back-Up Bidder as soon as practicable, and in any event no later than seven (7) Business Days thereafter or, if a Back-Up Bid becomes a Successful Bid, shall be dealt with in accordance with the definitive documents for the Back-Up Bid.

22. Modifications and Termination

The Monitor, in consultation with the Senior Secured Lender and with the consent of the Companies, shall have the right to adopt such other rules for the SISP Procedures (including rules that may depart from those set forth herein) that will better promote the sale of the Business or all or any part of the Assets or investment in the Companies under this SISP. The Companies, in consultation with the Monitor, shall apply to the Court if it

wishes to materially modify or terminate the process set out in this SISP. For certainty, any amendments to the Phase I Bid Deadline or the Phase II Bid Deadline or other dates set out in this SISP, including those relating to the Auction, shall not constitute a material modification, provided that any extensions to the Phase I Bid Deadline or the Phase II Bid Deadline are not longer than fourteen calendar days.

23. Other

Neither the Companies nor the Monitor shall be liable for any claim for a brokerage commission, finder's fee or like payment in respect of the consummation of any of the transactions contemplated under the SISP arising out of any agreement or arrangement entered into by the parties that submitted the Successful Bid(s) and Back-Up Bid(s). Any such claim shall be the sole liability of the parties that submitted such Successful Bid(s) and Back-Up Bid(s).

Neither the Companies nor the Monitor shall have any liability whatsoever to any person or party, including without limitation, to any Known Potential Bidder, Phase I Bidder, Phase II Bidder, a Successful Bidder or Back-Up Bidder, or any creditor, or other stakeholder, for any act or omission related to this SISP. By submitting a Bid, each Interested Party shall be deemed to have agreed that it has no claim against the Companies or the Monitor for any reason, matter or thing whatsoever related to this SISP.

SCHEDULE "C" AUCTION PROCEDURES

Auction

1. If the Monitor, in consultation with the Senior Secured Lender and with the consent of the Companies, decides to conduct an Auction pursuant to the SISP Procedures, the Monitor will notify the Qualified Phase II Bidders who made a Qualified Phase II Bid that the Auction will be held at a date, time, and location to be determined by the Monitor, in consultation with the Companies, provided that it is a date that is not later than August 20, 2026. Capitalized terms used but not defined herein have the meaning given to them in the SISP Procedures.

The Auction shall be conducted in accordance with the following procedures:

- (a) Participation at the Auction. Only a Qualified Phase II Bidder is eligible to participate in the Auction (each, an "**Auction Participant**" and collectively, the "**Auction Participants**"). Each Auction Participant must inform the Monitor whether it intends to participate in the Auction by no later than 12:00 p.m. (Mountain Time) on the Business Day prior to the Auction. Only the authorized representatives of each of the Auction Participants, the Monitor, the Companies, and the Senior Secured Lender, and their respective counsel and other advisors, and any other parties acceptable to the Companies and the Monitor, shall be permitted to attend the Auction.
- (b) Bidding at the Auction. Bidding at the Auction shall be conducted in rounds. The highest Qualified Phase II Bid at the beginning of the Auction shall constitute the "**Opening Bid**" for the first round and the highest Overbid (as defined below) at the end of each round shall constitute the "**Opening Bid**" for each following round. In each round, an Auction Participant may submit no more than one Overbid. Only an Auction Participant who bids in a round (including the Auction Participant that submitted the Opening Bid for such round) shall be entitled to participate in the next round of bidding at the Auction. For greater certainty, an Aggregate Bid may be determined to be the Opening Bid for any round including the opening round.
- (c) Monitor Shall Conduct the Auction. The Monitor and its advisors shall direct and preside over the Auction. At the start of the Auction, the Monitor shall provide the terms of the Opening Bid to all Auction Participants participating at the Auction. The determination by the Monitor, in consultation with the Companies, of which Qualified Phase II Bid constitutes the Opening Bid for each round shall take into account any factors that the Monitor reasonably deems relevant to the value of the Qualified Phase II Bid, including, among other things, the following: (i) the amount and nature of the consideration, including the value of any non-cash consideration; (ii) the proposed assumption of any liabilities and the related implied impact on recoveries for creditors; (iii) the number of employees assumed by the Auction Participant; (iv) the Monitor's reasonable assessment of the certainty of the Auction Participant to close the proposed transaction on or before the Outside Date; (v) the likelihood, extent and impact of any potential delays in closing; (vi) the impact of

the contemplated transaction on any actual or potential litigation; (vii) the net economic effect of any changes from the Opening Bid of the previous round; (viii) the net after-tax consideration to be received by the Companies; and (ix) such other considerations as the Monitor deems relevant in its reasonable business judgment (collectively, the “**Bid Assessment Criteria**”). For greater certainty, the Monitor, in consultation with the Companies, may ascribe monetary values to non-monetary terms in Overbids for the purposes of assessing and valuing such Overbids, including without limitation, the value to be ascribed to any liabilities or contracts to be assumed. All Bids made after the Opening Bid shall be Overbids, and shall be made and received on an open basis, and all material terms of the highest and best Overbid shall be fully disclosed to all other Auction Participants that are participating in the Auction. The Monitor shall maintain a record of the Opening Bid and all Overbids made and announced at the Auction, including the Successful Bid and the Back-Up Bid.

- (d) Terms of Overbids. An “**Overbid**” is any Bid made at the Auction subsequent to the Monitor’s announcement of the Opening Bid. To submit an Overbid, in any round of the Auction, a Qualified Phase II Bidder must comply with the following conditions:
- (i) *Minimum Overbid Increment:* Any Overbid shall be made in CAD\$50,000 increments (the “**Minimum Overbid Increment**”). The amount of the cash purchase price consideration or value of any Overbid shall not be less than the cash purchase price consideration or value of the Opening Bid, plus the Minimum Overbid Increment(s) at that time plus any additional Minimum Overbid Increments.
 - (ii) *The Bid Requirements same as for Qualified Phase II Bids:* Except as modified herein, an Overbid must comply with the bid requirements contained herein, provided, however, that the Phase II Bid Deadline shall not apply. Any Overbid made by an Auction Participant must provide that it remains irrevocable and binding on the Auction Participant and open for acceptance until the closing of the Successful Bid(s).
 - (iii) *Announcing Overbids:* At the end of each round of bidding, the Monitor shall announce the identity of the Auction Participant and the material terms of the then highest and/or best Overbid, including the nature of the proposed transaction contemplated by the best Overbid, the assets proposed to be acquired and the obligations proposed to be assumed, the basis for calculating the total consideration offered in such Overbid, and the resulting benefit to the Companies based on, among other things, the Bid Assessment Criteria. For greater certainty, an Aggregate Bid may be determined to be the highest and/or best Overbid.
 - (iv) *Consideration of Overbids:* The Monitor reserves the right, in consultation with the Companies, to make one or more adjournments in the Auction to, among other things: (A) facilitate discussions between the Companies and individual Auction Participants; (B) allow individual Auction Participants

to consider how they wish to proceed; (C) consider and determine the current highest and/or best Overbid at any given time during the Auction; and (D) give Auction Participants the opportunity to provide the Monitor with such additional evidence as it, or the Companies, may require, that the Auction Participant has obtained all required internal corporate approvals, has sufficient internal resources, or has received sufficient non-contingent debt and/or equity funding commitments, to consummate the proposed transaction at the prevailing Overbid amount. The Monitor and Companies may have clarifying discussions with an Auction Participant, and the Monitor, with the consent of the Companies, may allow an Auction Participant to make technical clarifying changes to its Overbid following such discussions.

- (v) *Portion Bids*: Notwithstanding the forgoing, each Portion Bidder entitled to participate in the Auction shall be entitled to submit an Overbid with respect to the Assets on which it is bidding without being required to submit an Overbid with respect to all Assets or the applicable Opening Bid; provided that any Aggregate Bid that is an Overbid shall be subject to these Auction Procedures as any other Overbid, including that such Aggregate Bid that is an Overbid shall be subject to the Minimum Overbid Increment. Portion Bids can be aggregated with any other Qualified Phase II Bid, as determined by the Companies and the Monitor.
- (vi) *Failure to Bid*: If at the end of any round of bidding an Auction Participant (other than a Portion Bidder, or the Auction Participant that submitted the then highest and/or best Overbid or Opening Bid, as applicable) fails to submit an Overbid, then such Auction Participant shall not be entitled to continue to participate in the next round of the Auction.
- (e) Discussion with other Bidders. Auction Participants shall not strategize or have discussions with other Auction Participants for the purpose of submitting an Overbid without the consent of the Monitor.
- (f) Additional Procedures. The Monitor may, in consultation with the Companies, adopt rules for the Auction at or prior to the Auction that will better promote the goals of the Auction, including rules pertaining to the structure of the Auction and the order of bidding, provided they are not inconsistent with any of the provisions of the SISP Procedures and provided further that no such rules may change the requirement that all material terms of the then highest and/or best Overbid at the end of each round of bidding will be fully disclosed to all other Auction Participants.
- (g) Closing the Auction. The Auction shall be closed after the Monitor, in consultation with the Companies and their respective legal counsel, has: (i) reviewed the final Overbid of each Auction Participant on the basis of financial and contractual terms and the factors relevant to the sale process, including those factors affecting the speed and certainty of consummating the proposed sale, and (ii) identified the Successful Bid and the Back-Up Bid and advised the Auction Participants

participating in the Auction of such determination. One or more Portion Bids can, in the discretion of the Monitor, form part of a Successful Bid and Back-Up Bid so long as such Portion Bids do not overlap in respect of the Assets sought to be purchased and in such case, such Portion Bid(s) shall be included in the definition of Successful Bidder or Back-Up Bid, as applicable.

- (h) Finalizing Documentation. Promptly following a Bid of an Auction Participant being declared the Successful Bid or the Back-Up Bid, the applicable Auction Participant shall execute and deliver such revised and updated definitive transaction agreements as may be required to reflect and evidence the Successful Bid or Back-Up Bid.
- (i) Qualified Investment Bids. Notwithstanding any other provision of this SISP, if an Auction Participant submits a Qualified Investment Bid that the Companies or the Monitor consider would result in a greater value being received for the benefit of the Companies' creditors than the Qualified Sale Bids, then the Monitor, with the consent of the Companies, may allow such Auction Participant to participate in the Auction, notwithstanding that such Qualified Investment Bid may not otherwise comply with the terms of these Auction Procedures. In such case, the Monitor, with the consent of the Companies, may adopt appropriate rules to facilitate such Auction Participant's participation in the Auction.
